Kiss my ass!

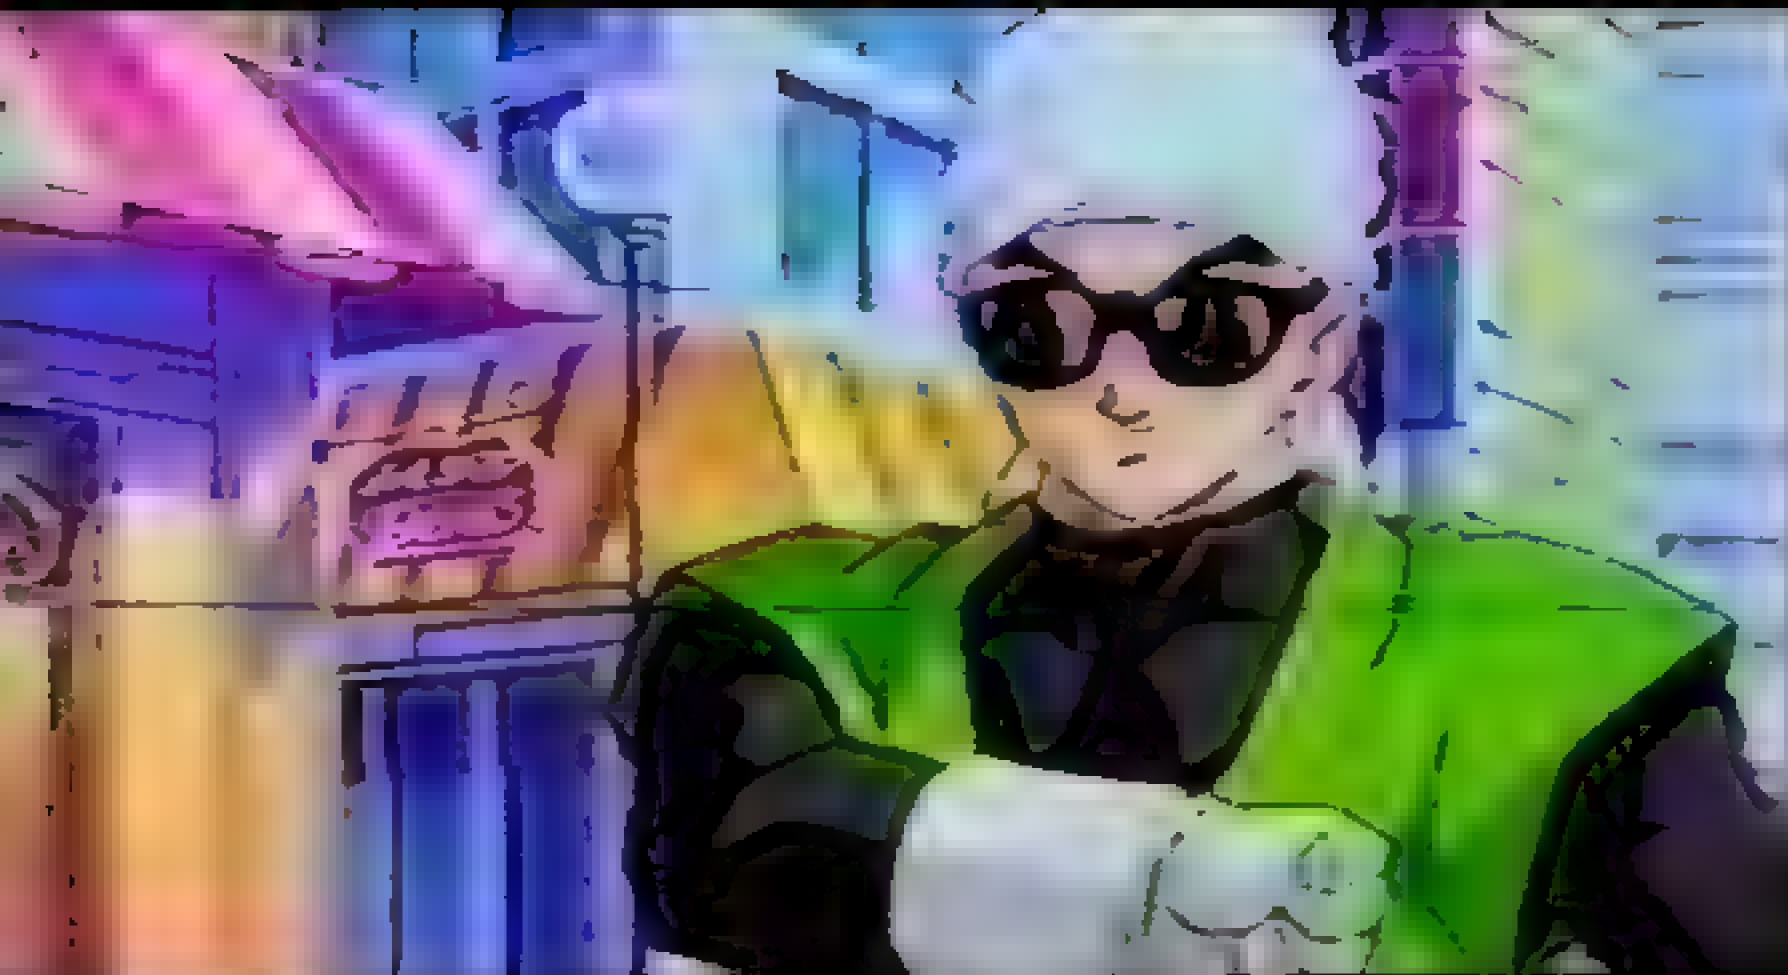

Why you!

You bitch!

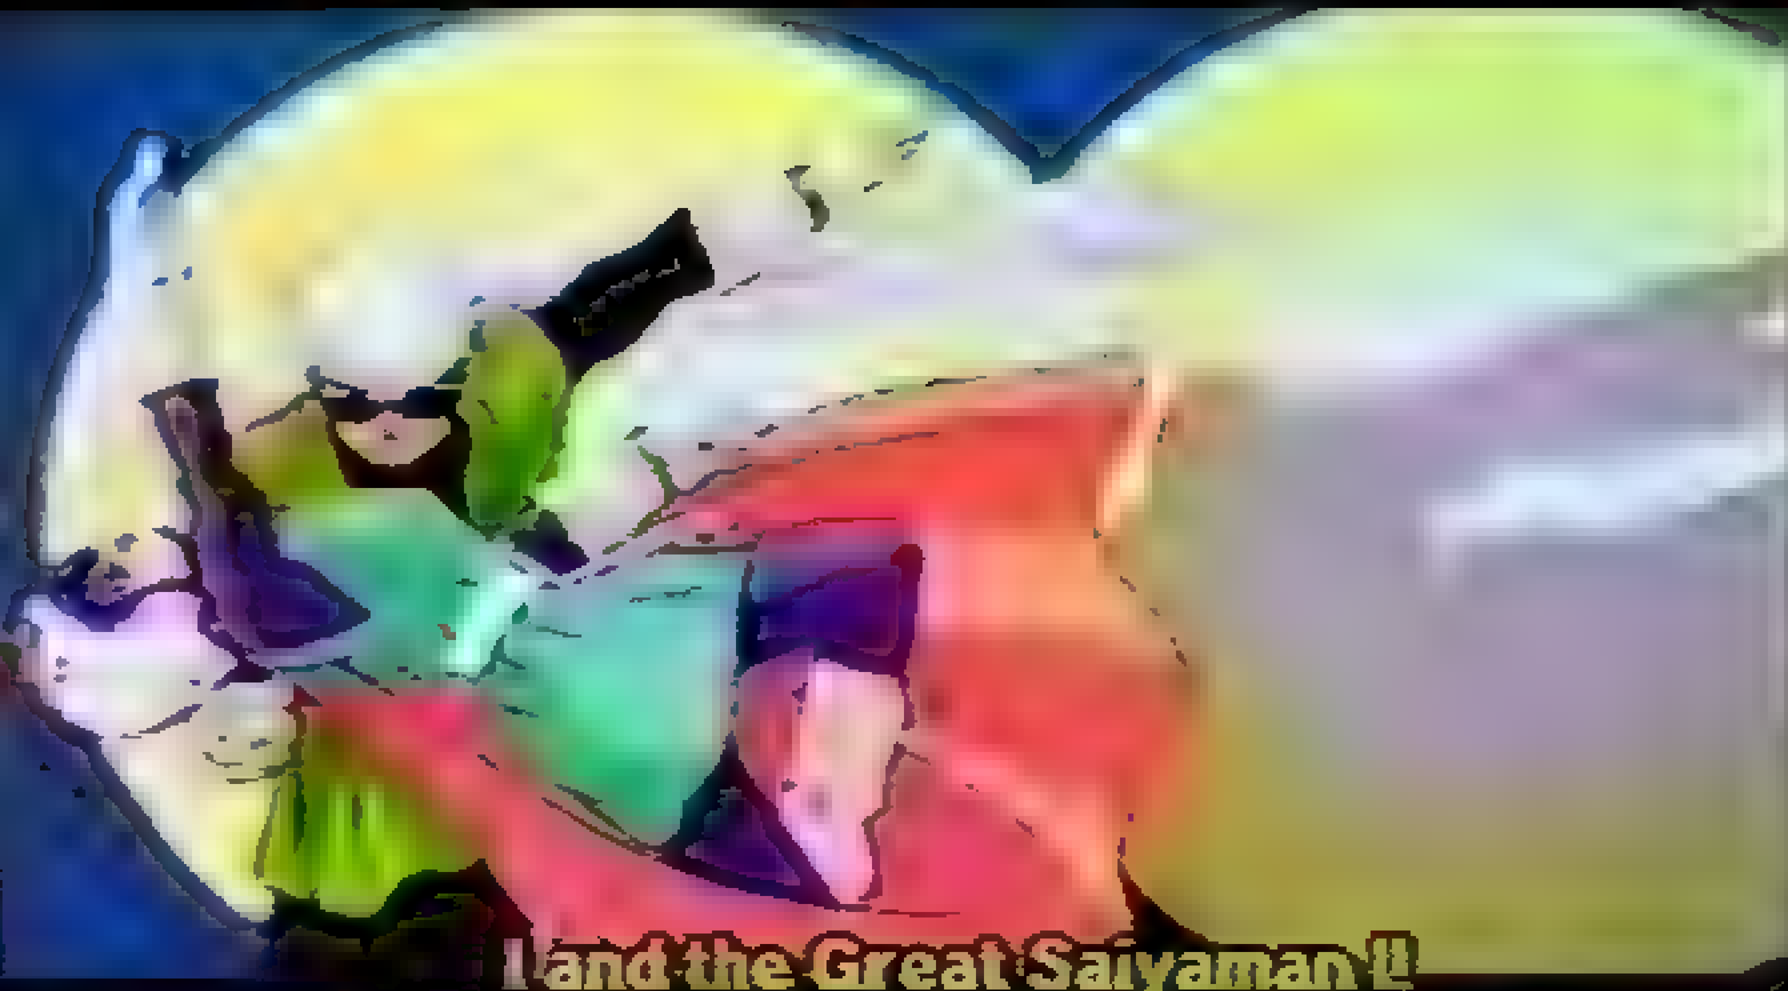

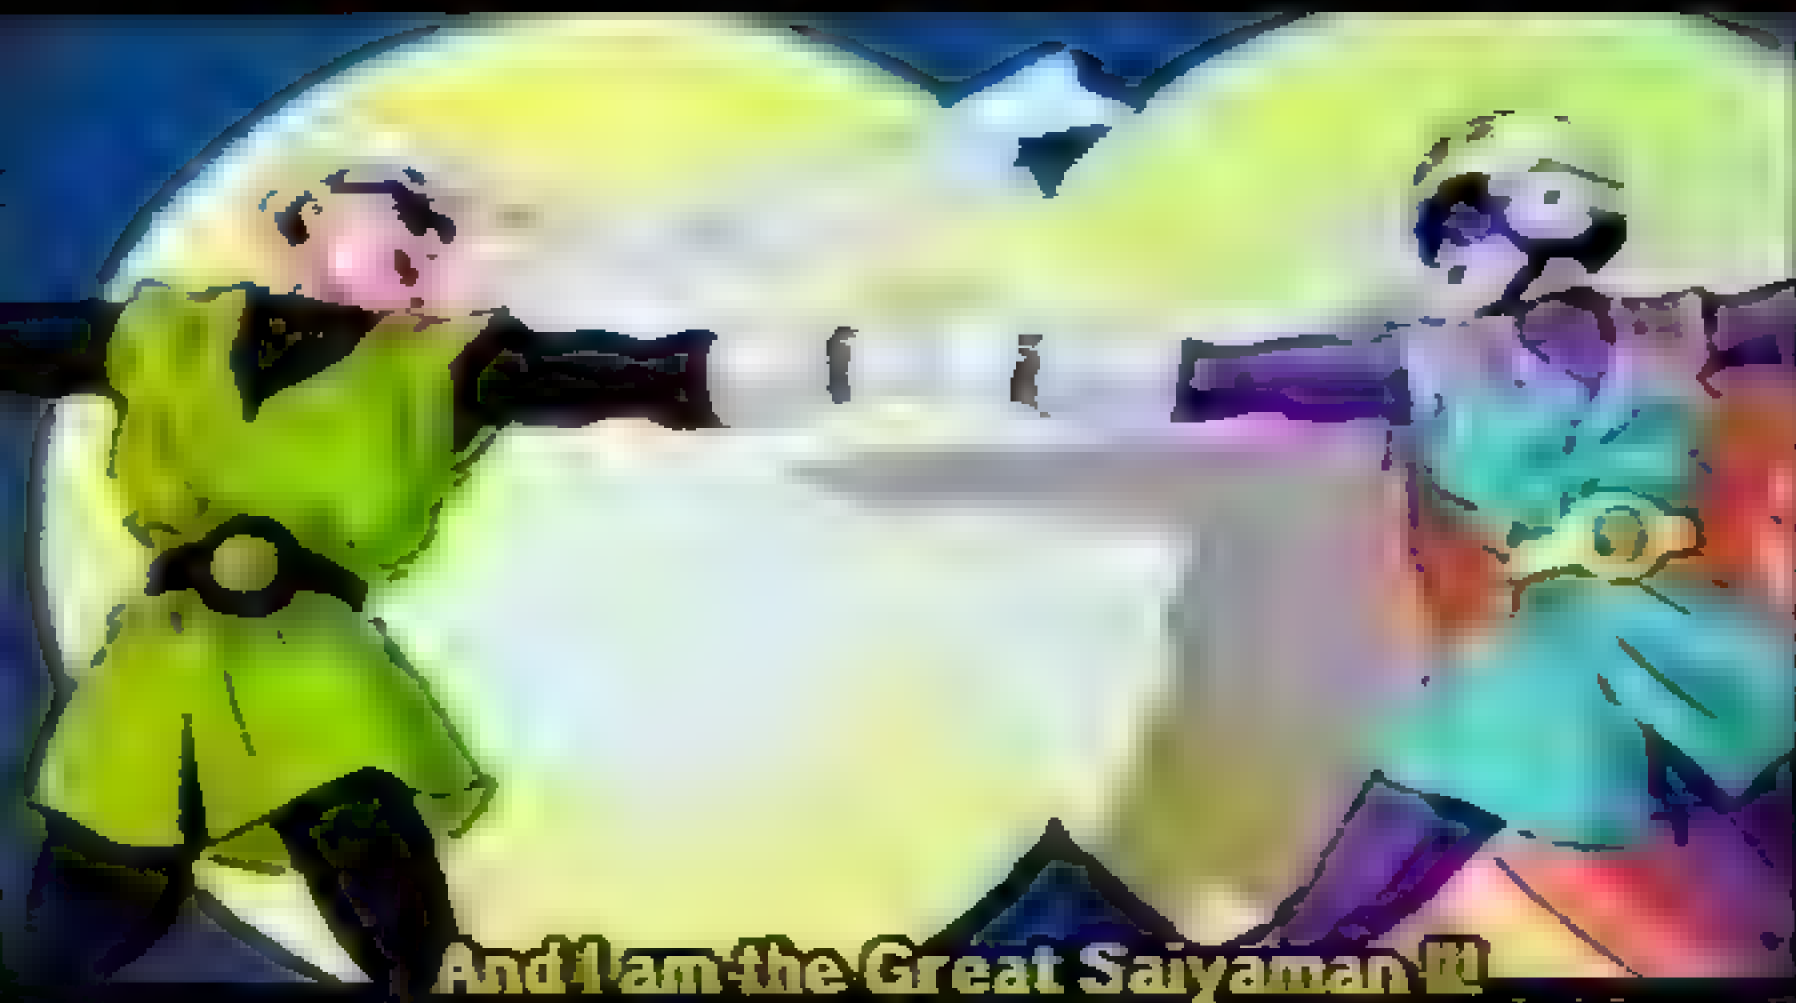

Please forgive me...

As long as crime exist...

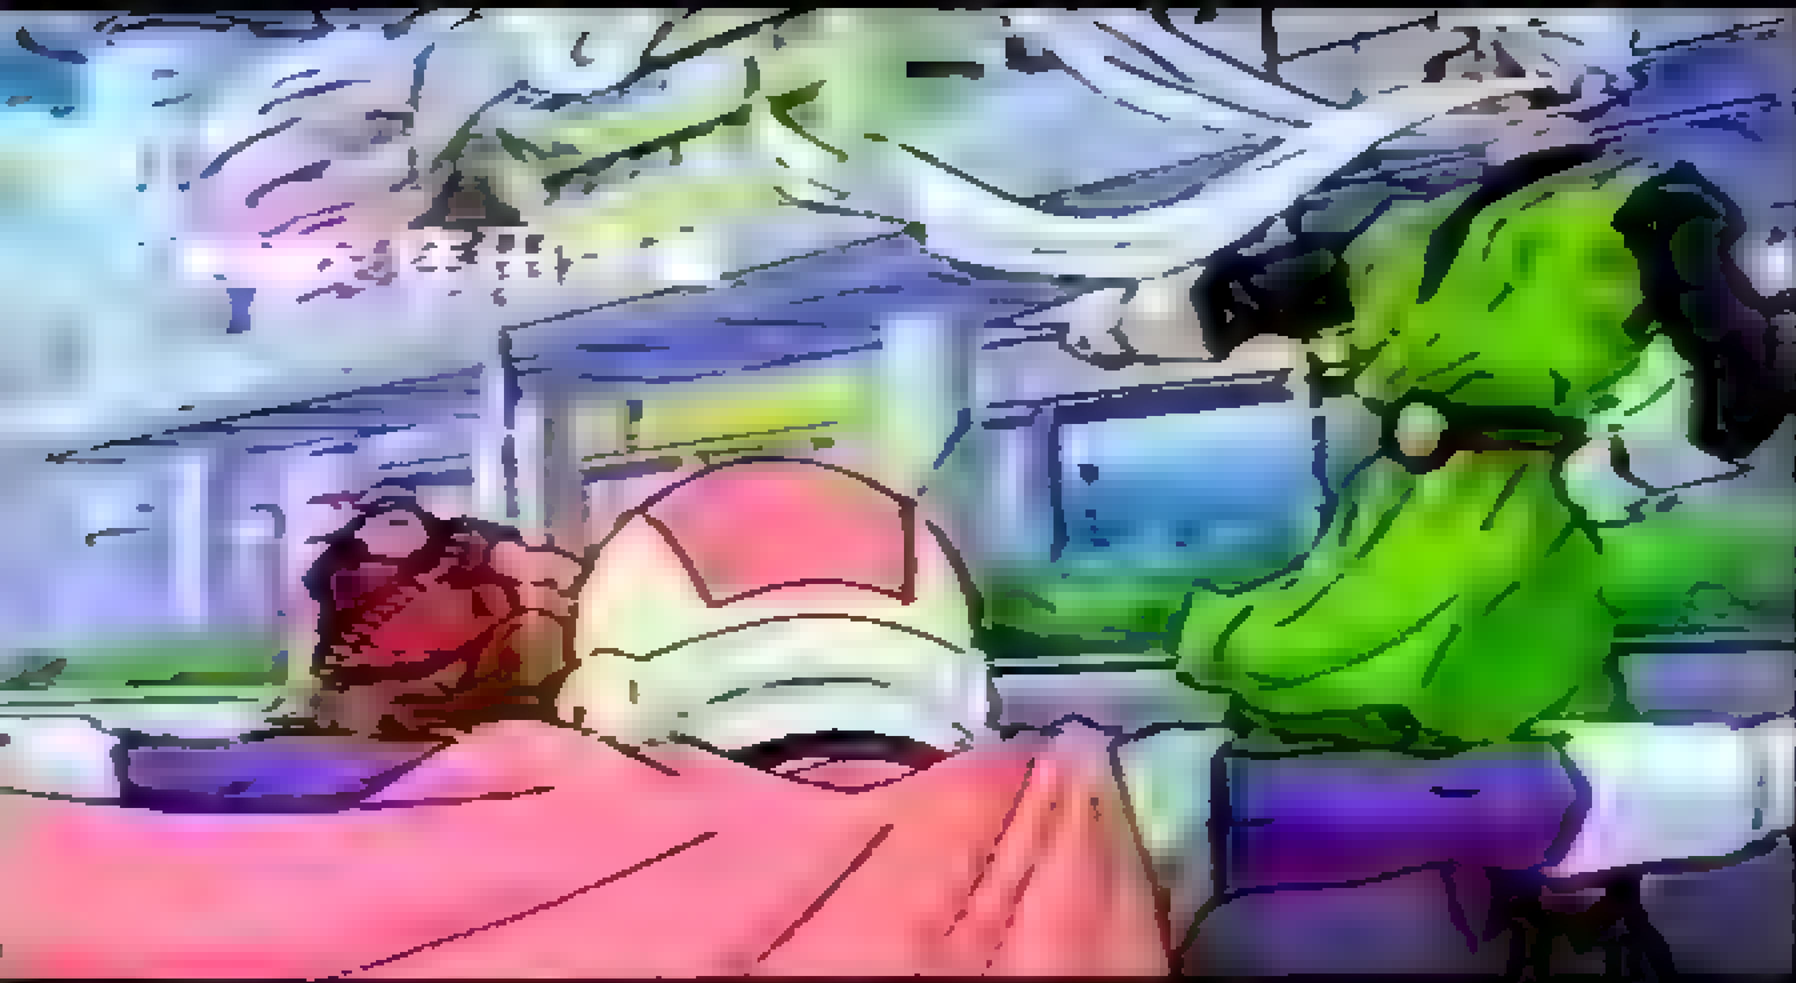

The fire of Justice shall continue to burn!

I and the Great Saiyaman !!

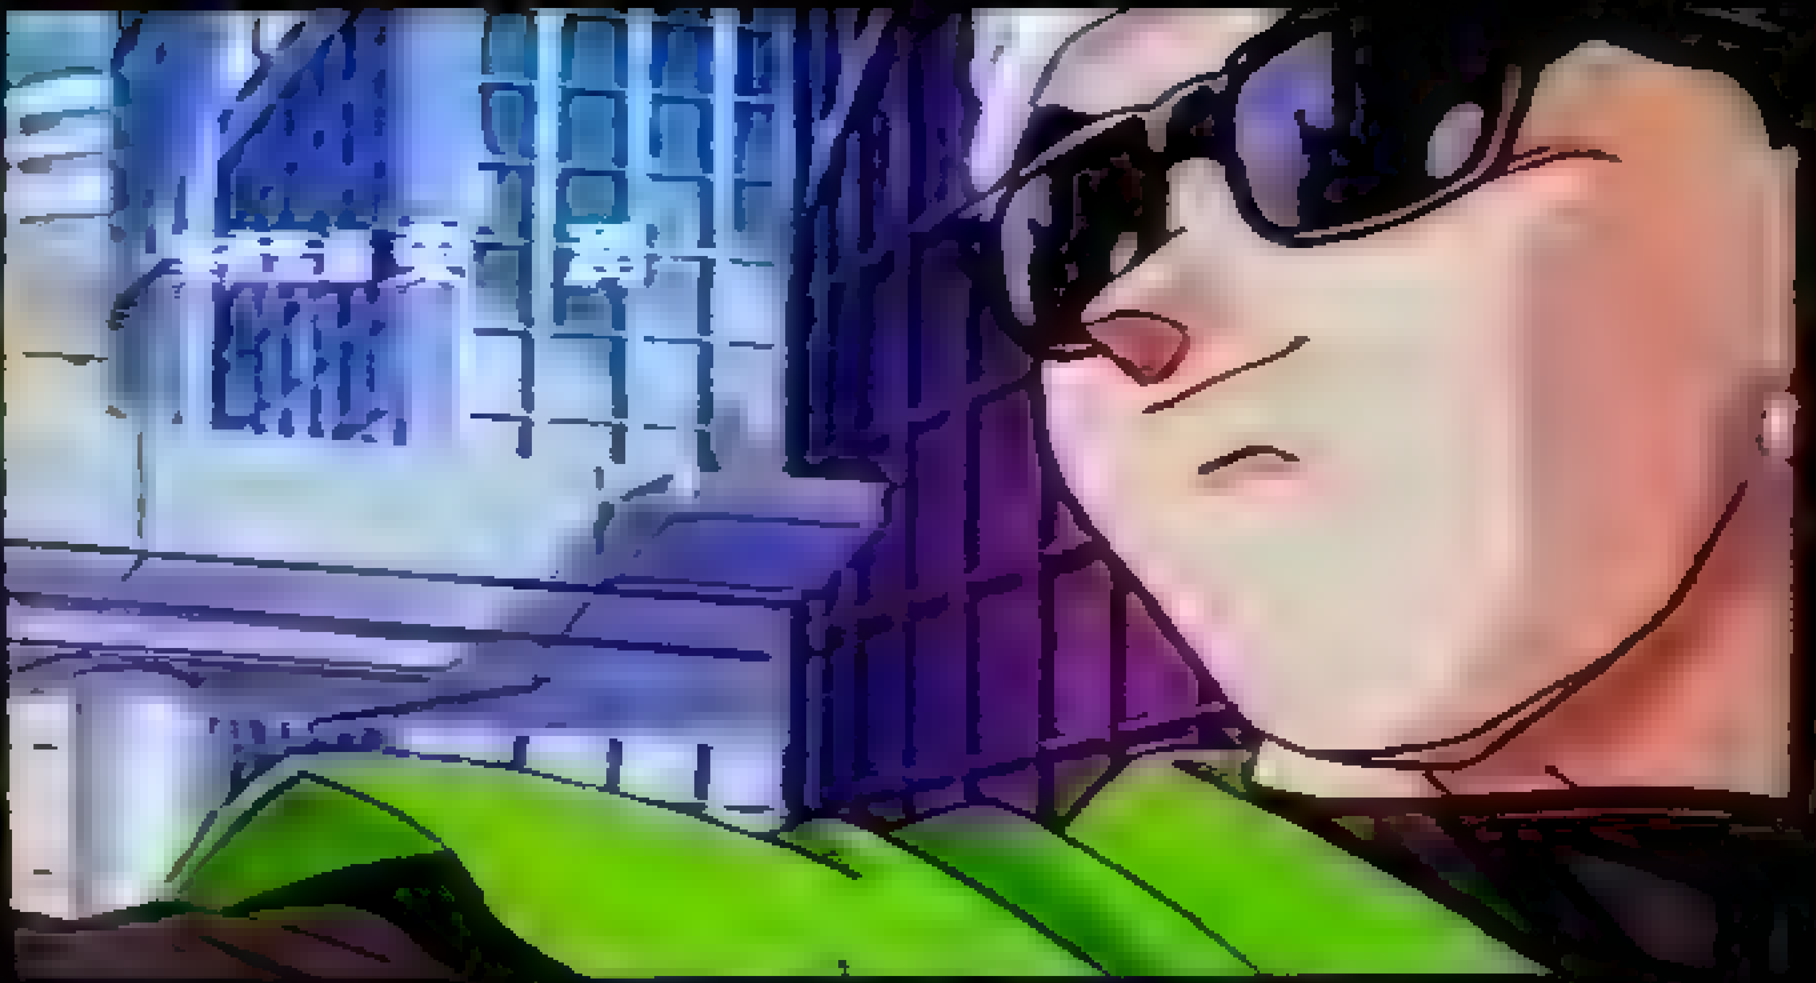

And I am the Great Saiyaman II

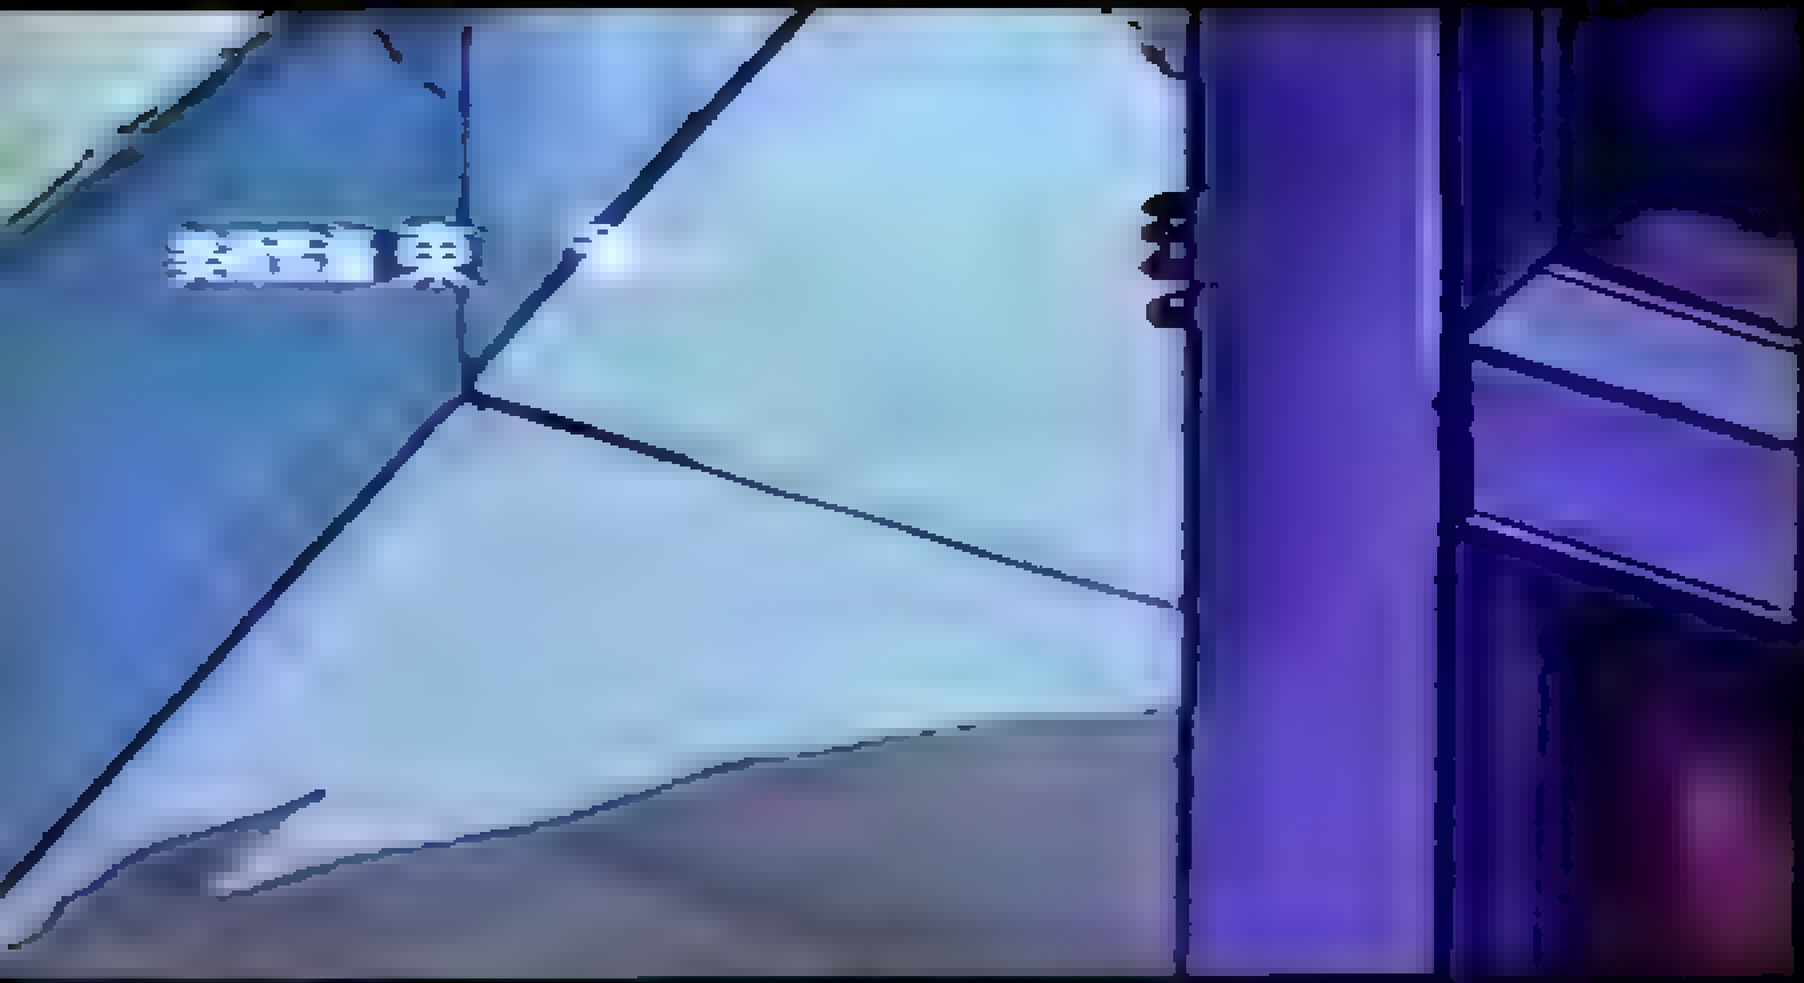

Here we come again!!

I'm so cool

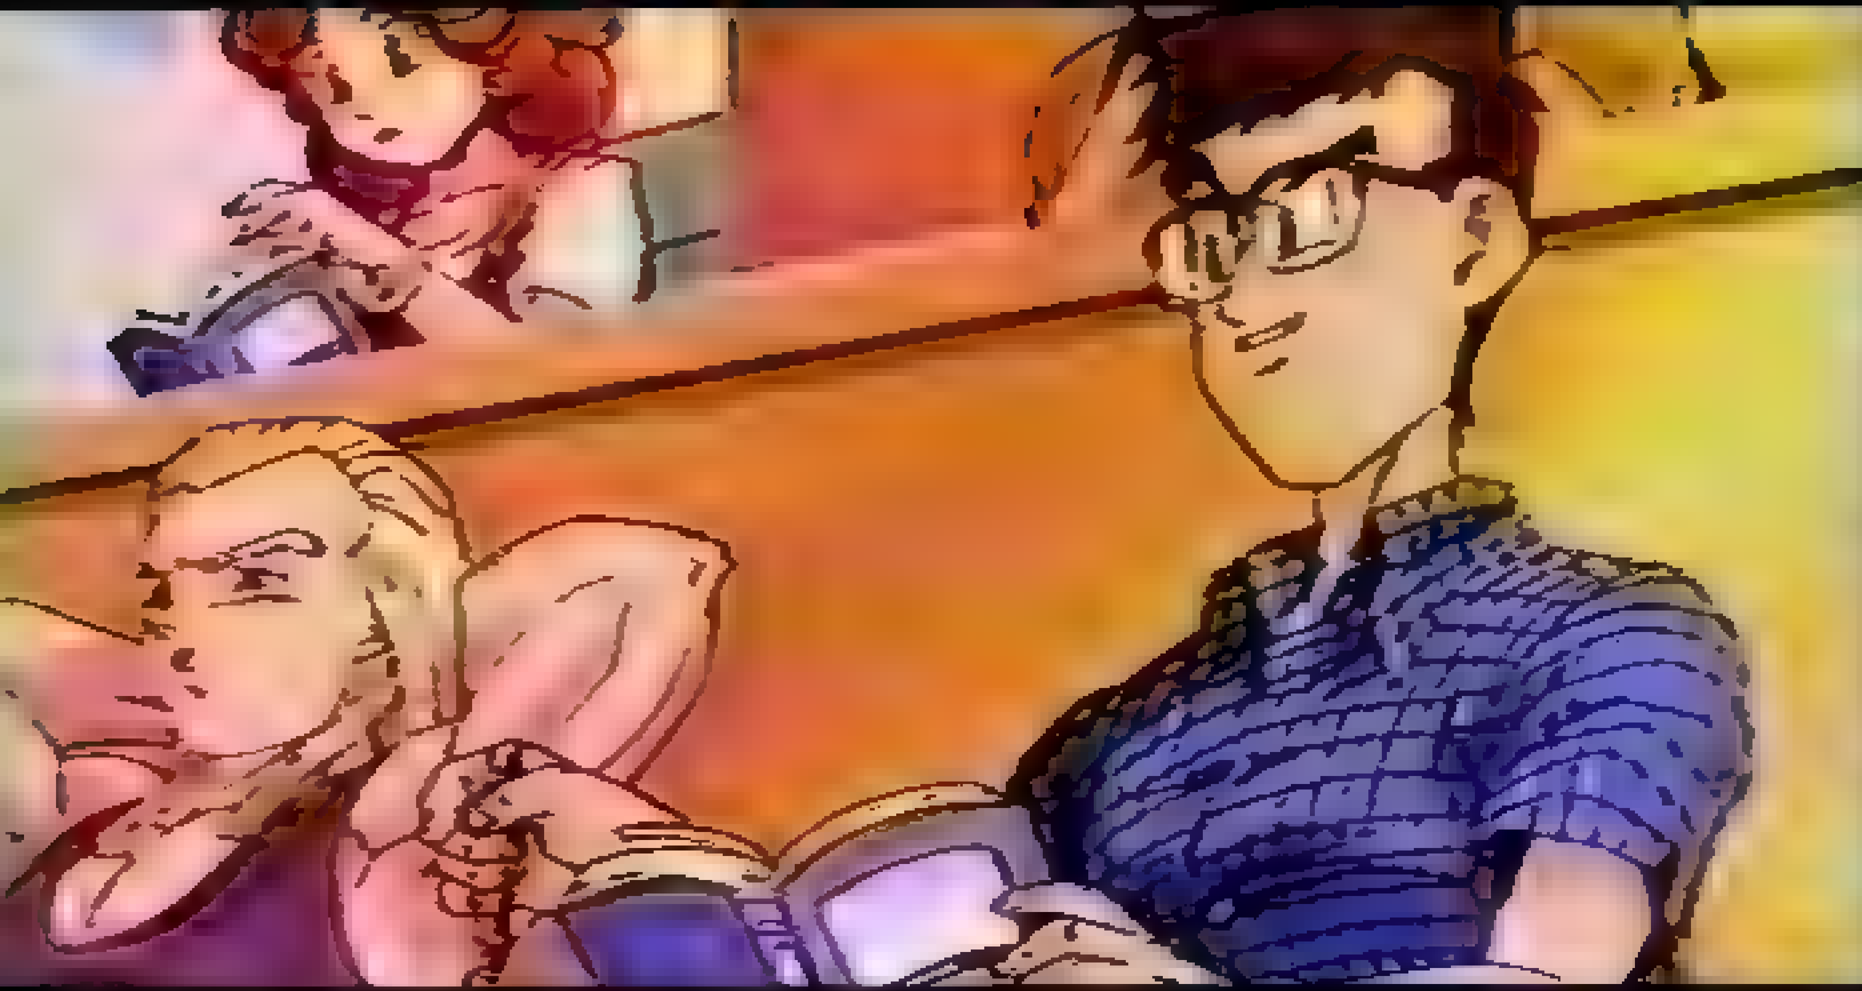

We just got back.

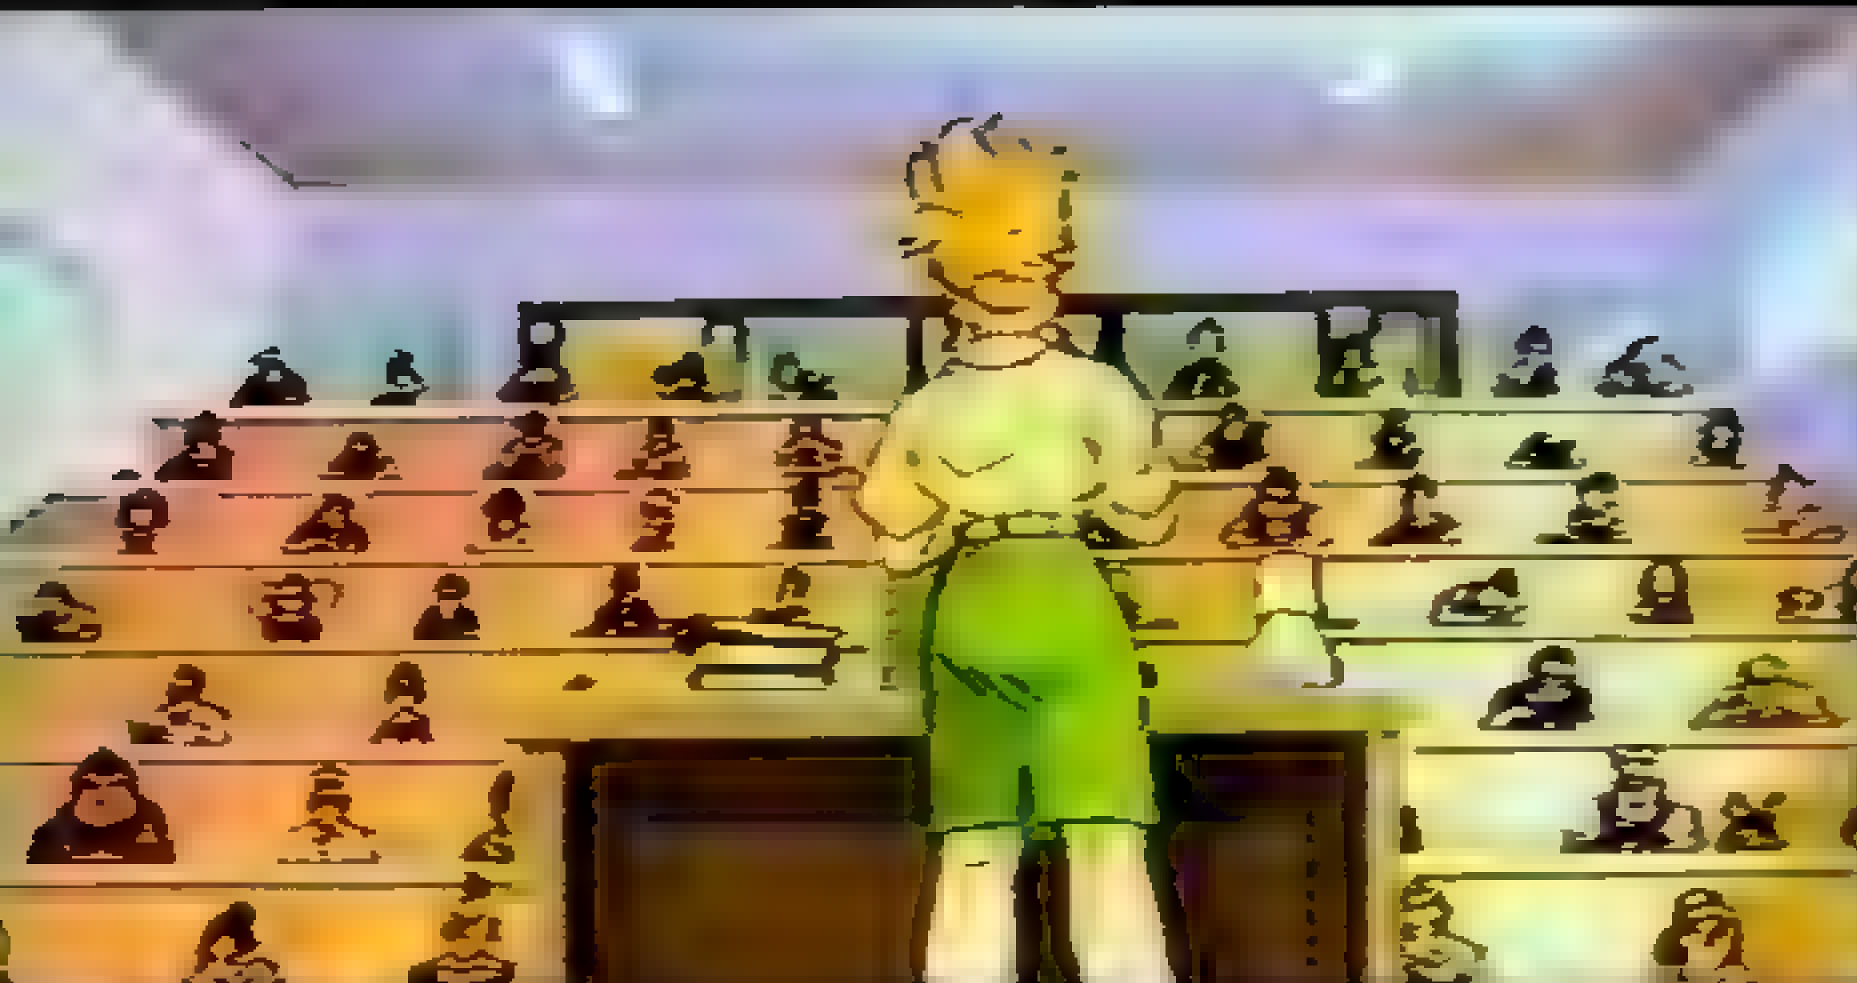

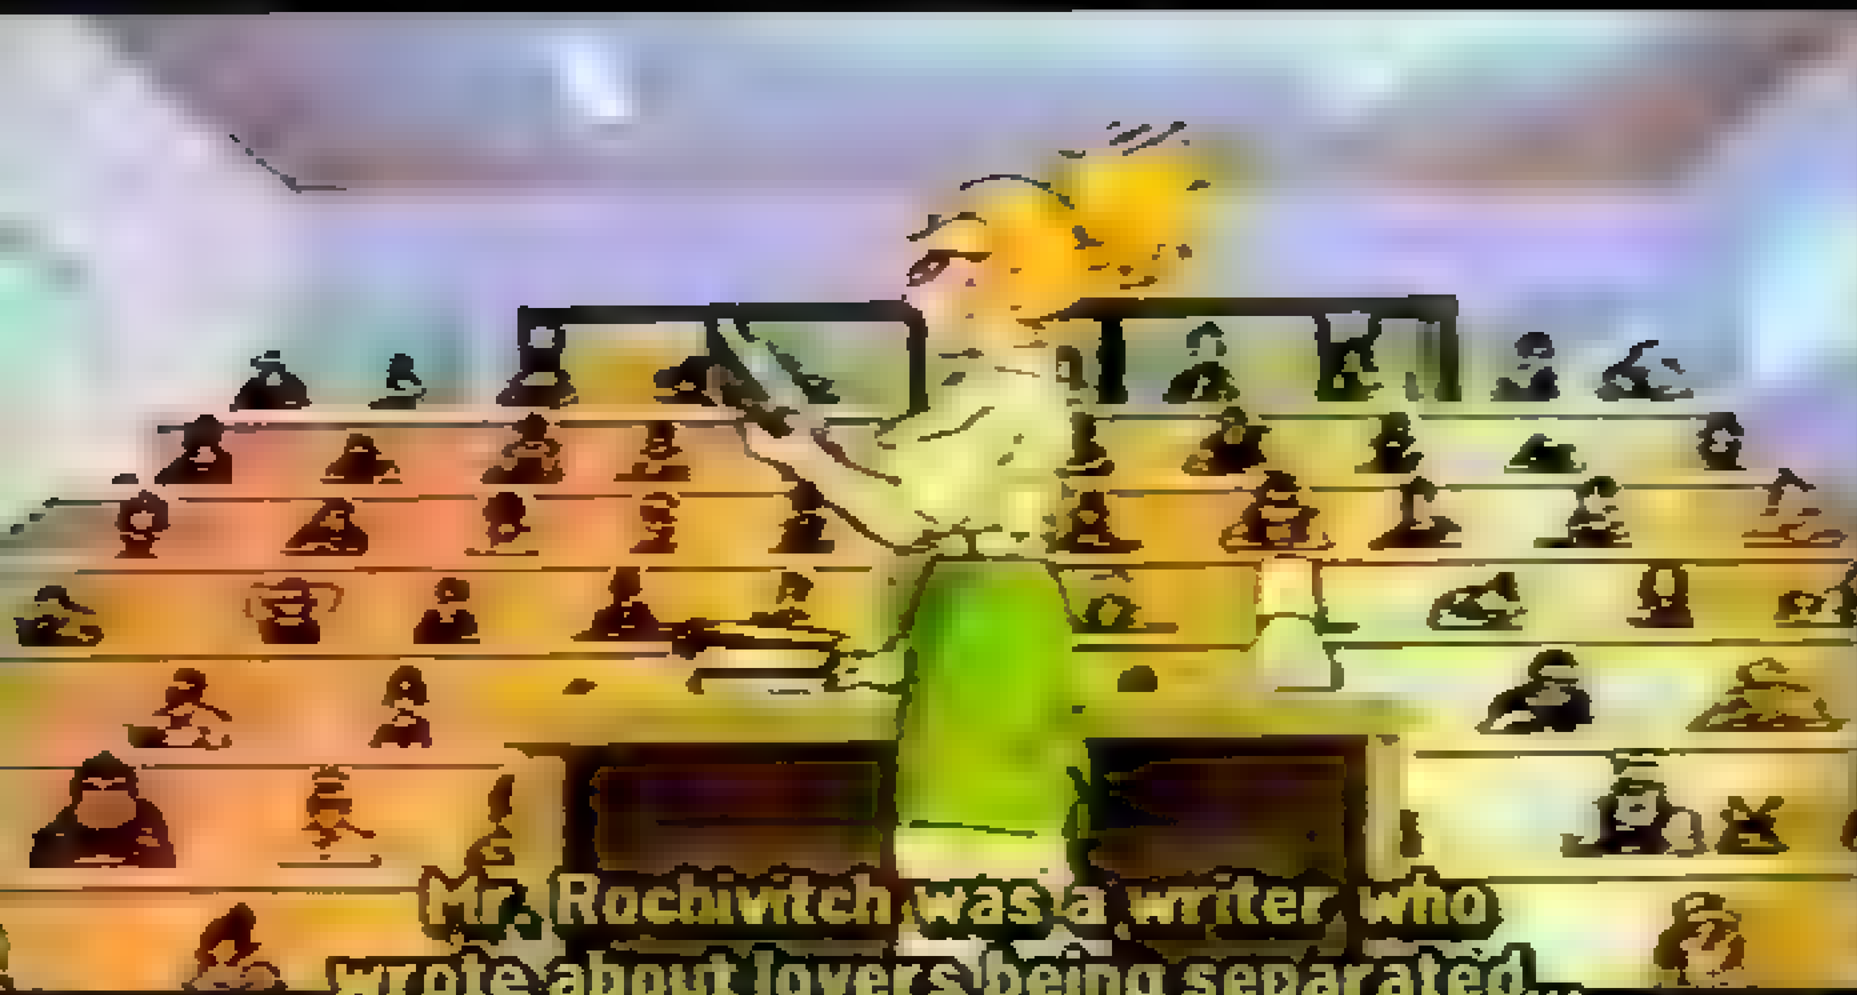

I'm sorry for taking so long.
The Men's room is so busy.

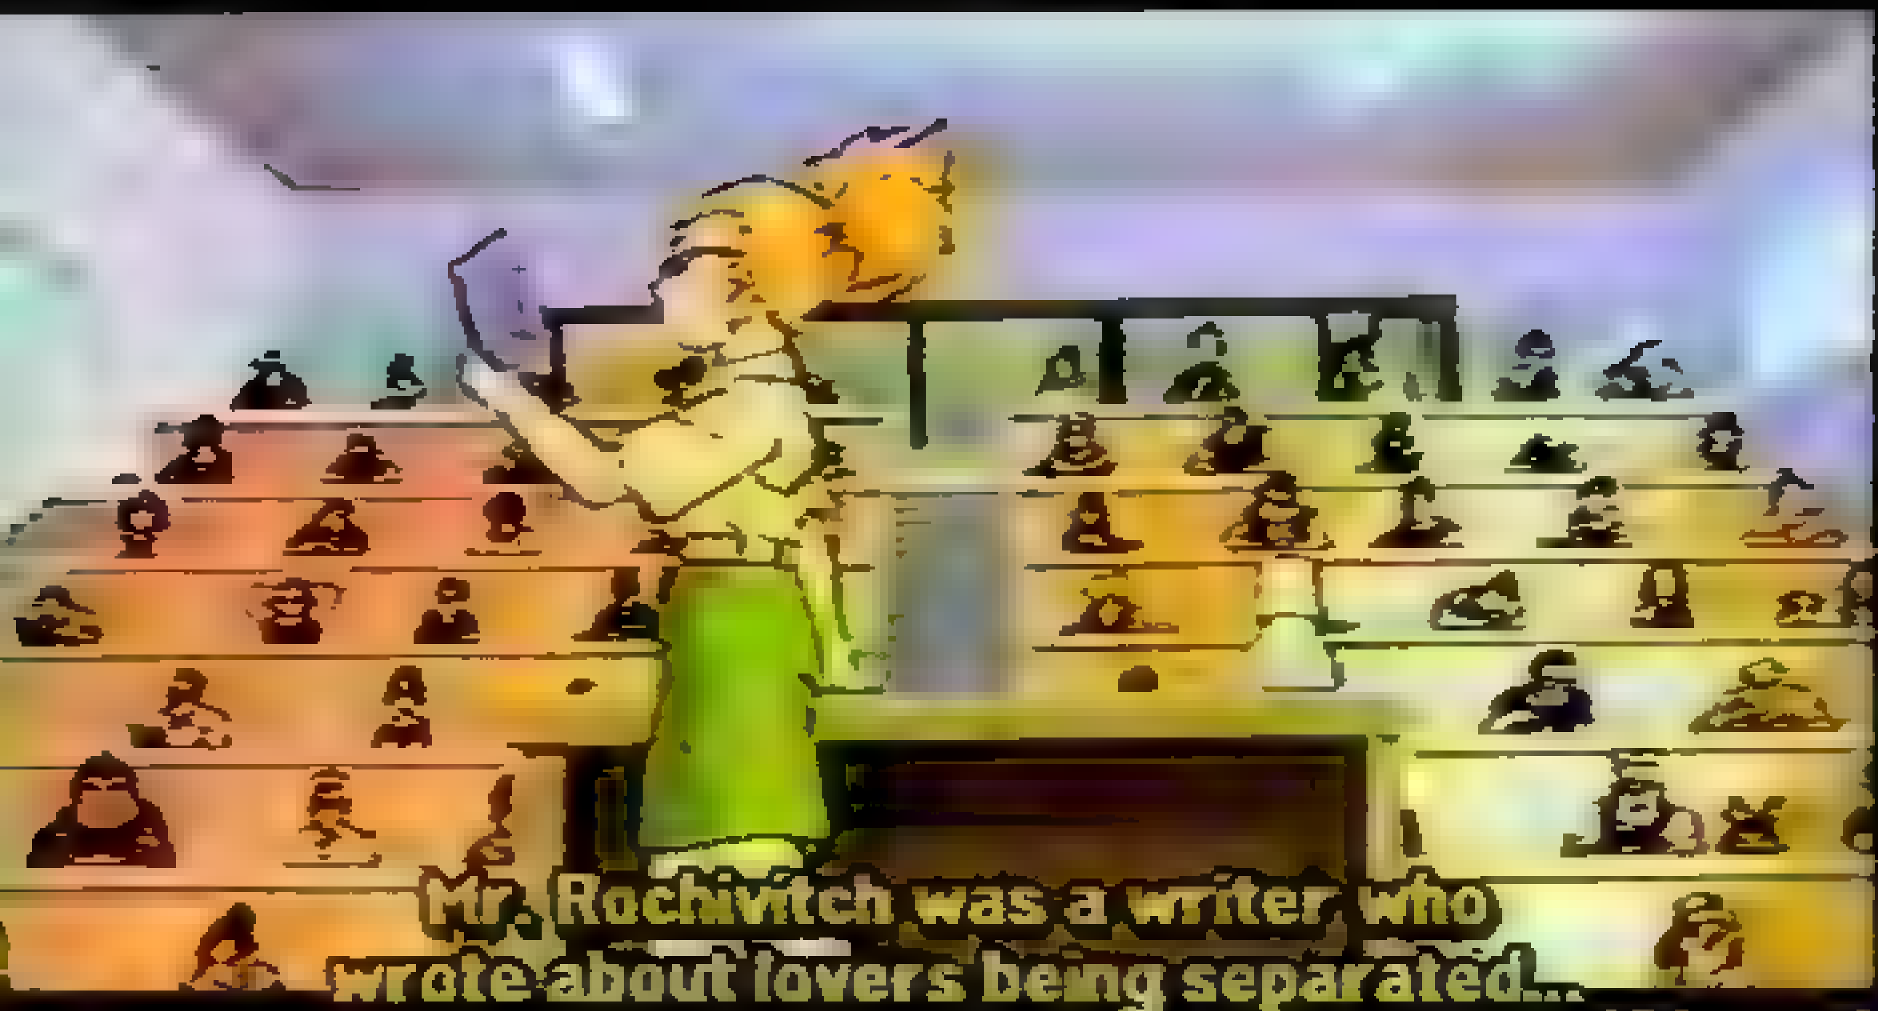

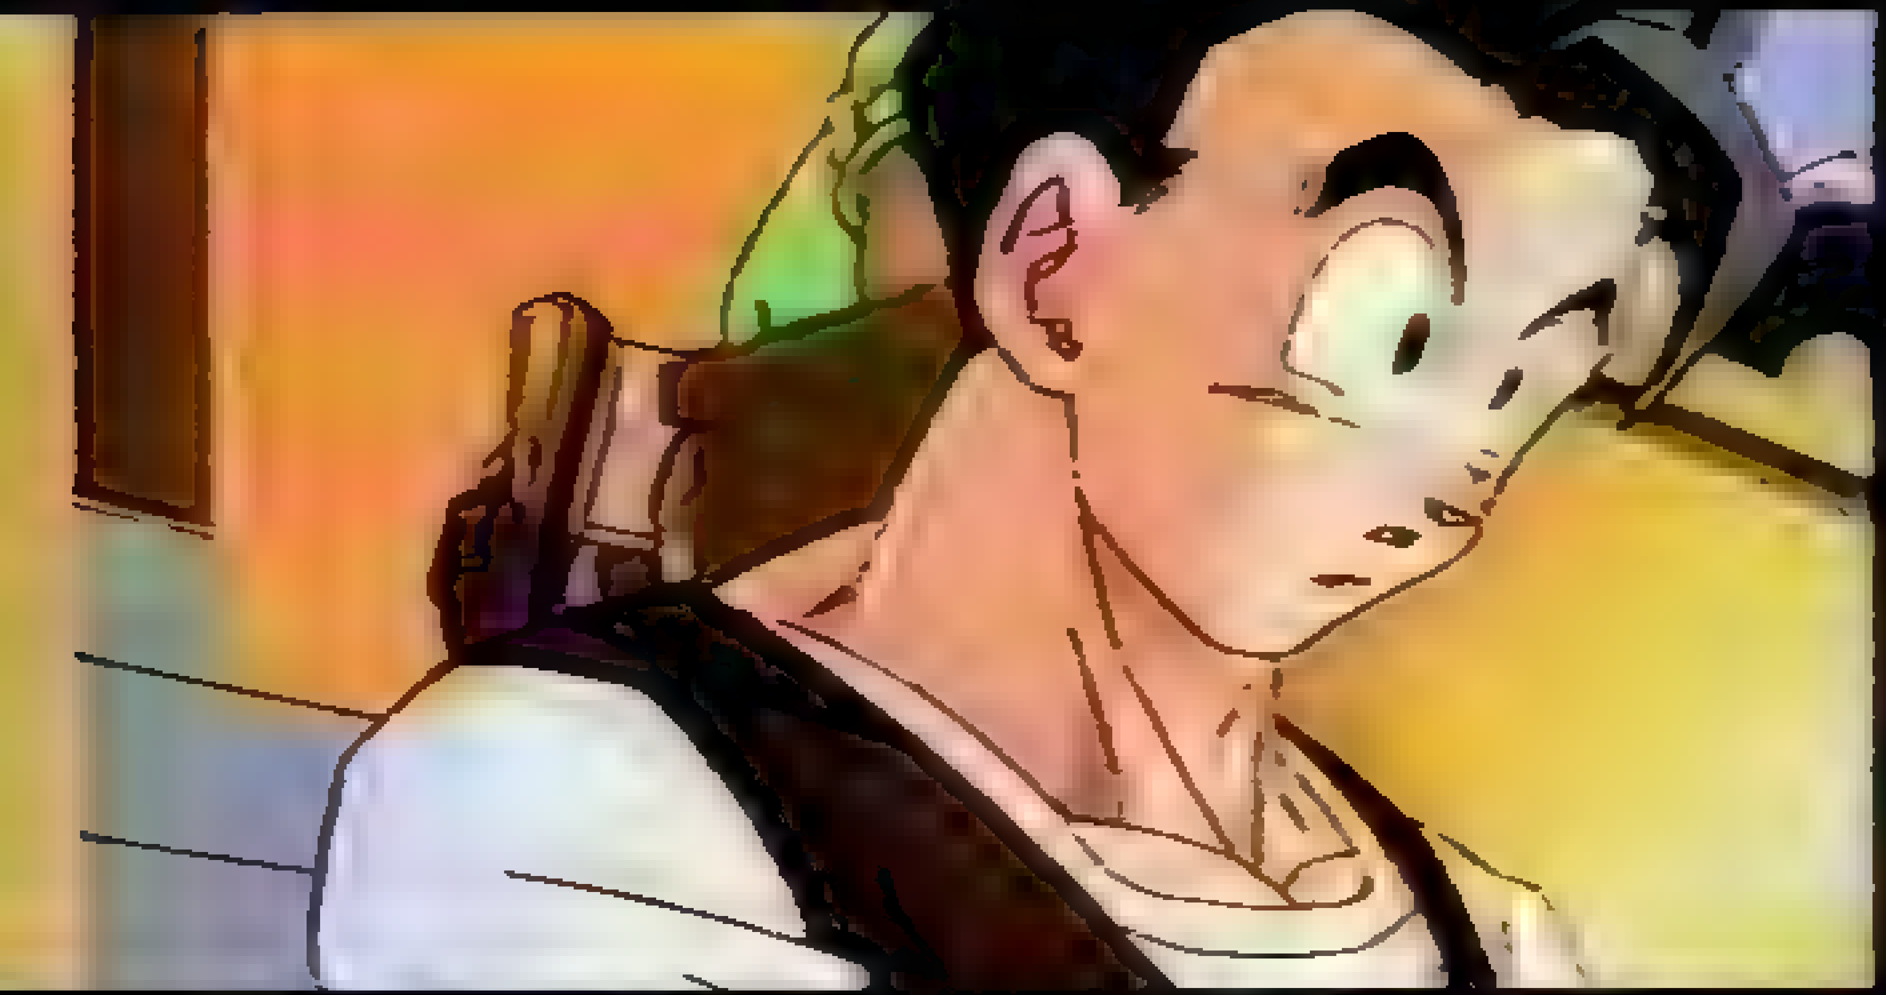

C'mon Gohan! Everybody
knows who you really are.

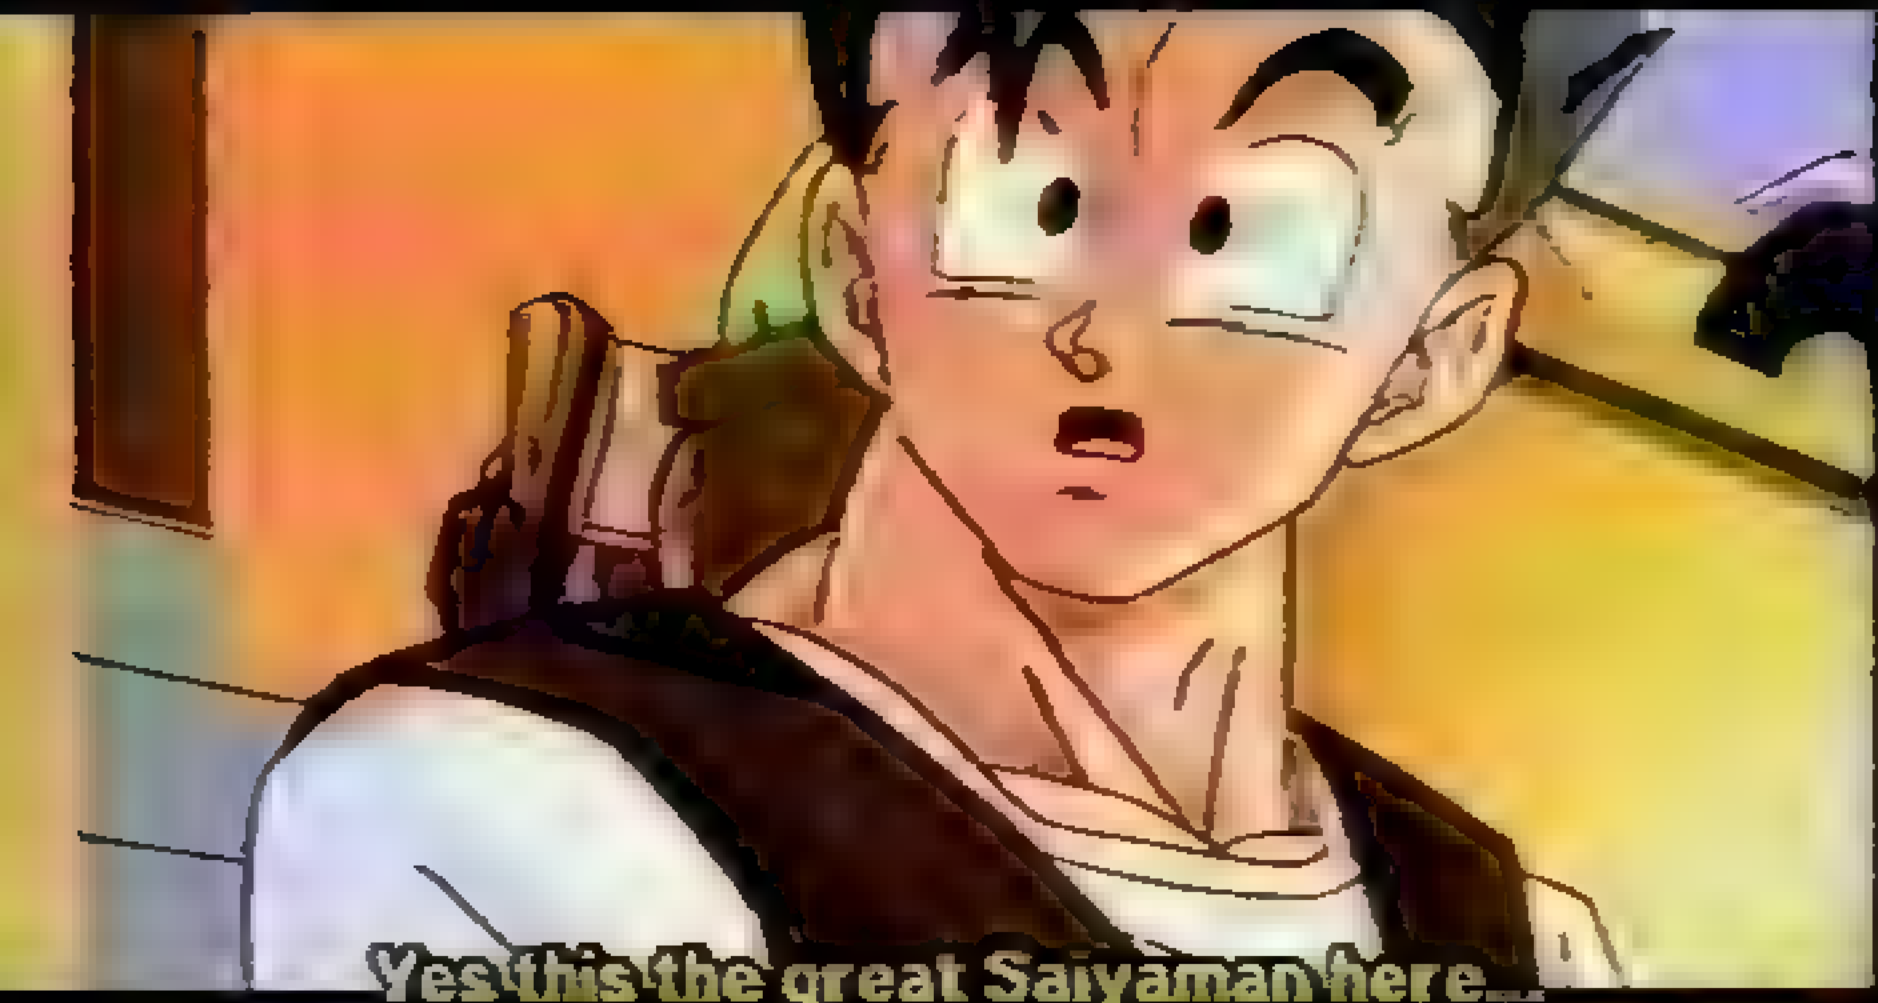

Mr. Rochivitch was a writer, who
wrote about lovers being separated...

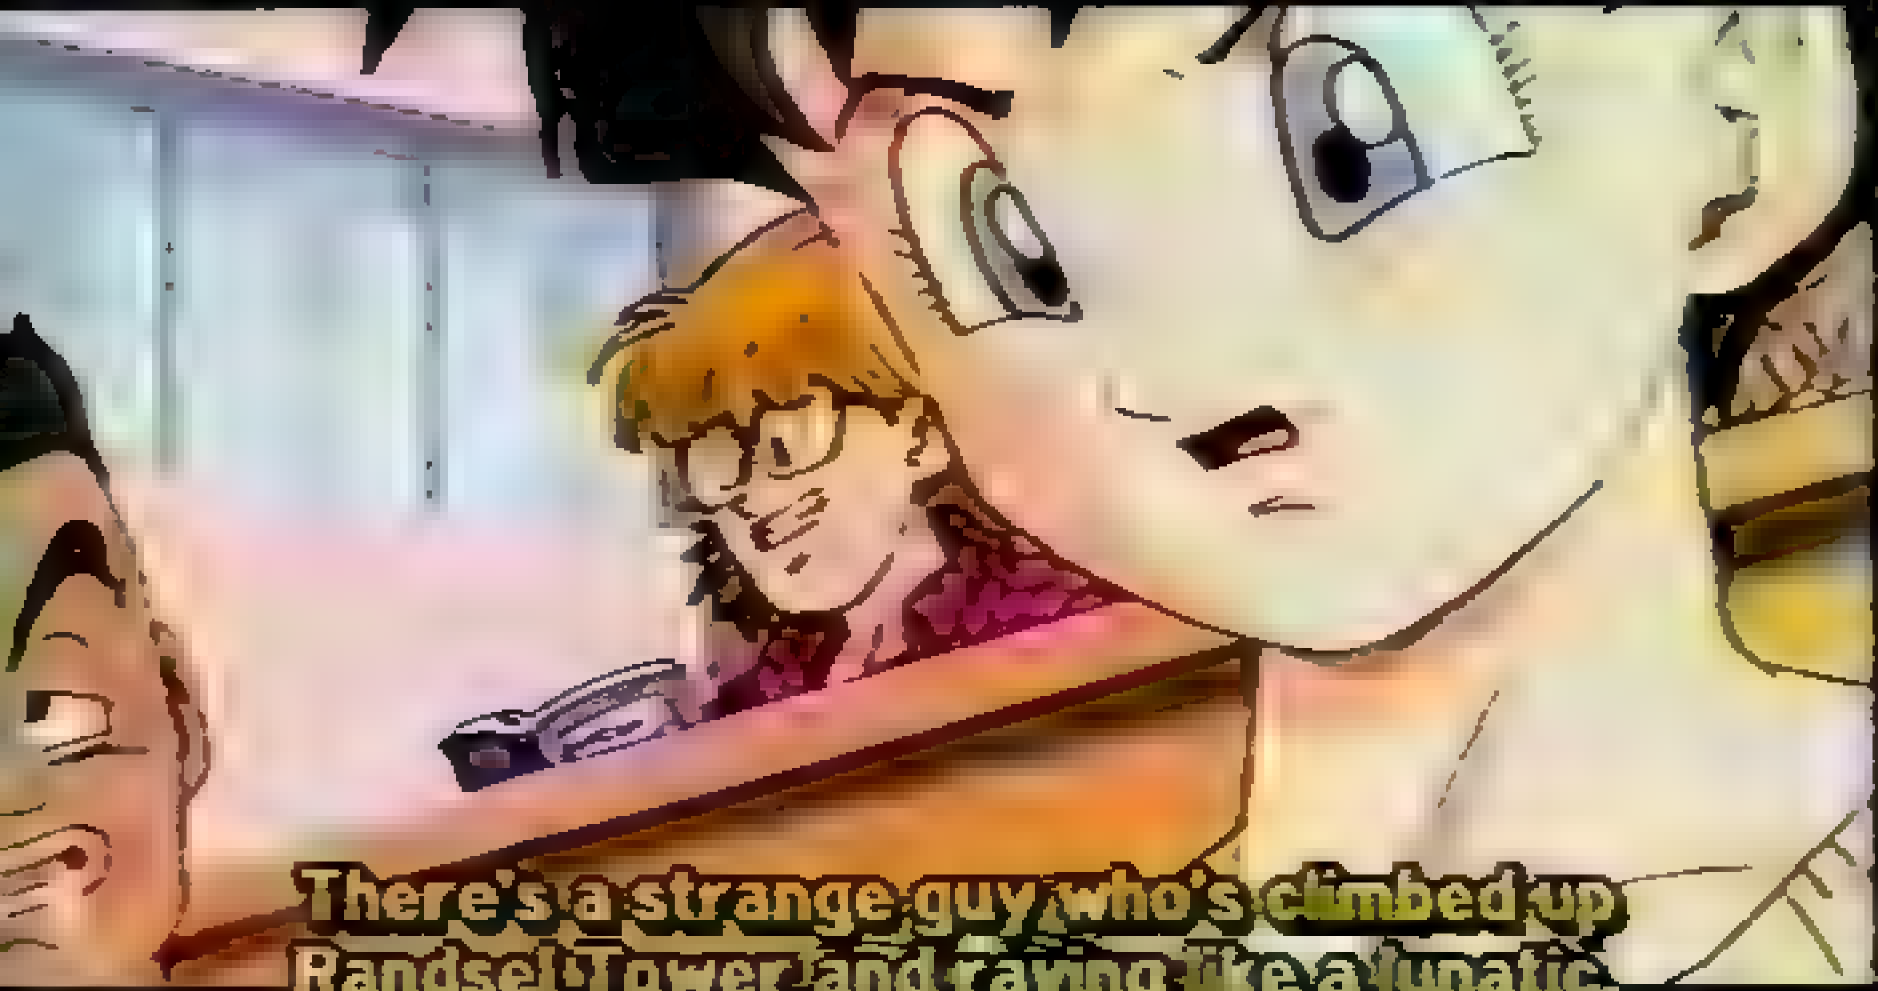

Mr. Rochivitch was a writer, who
wrote about lovers being separated...

Mr. Rochivitch was a writer who
wrote about lovers being separated...

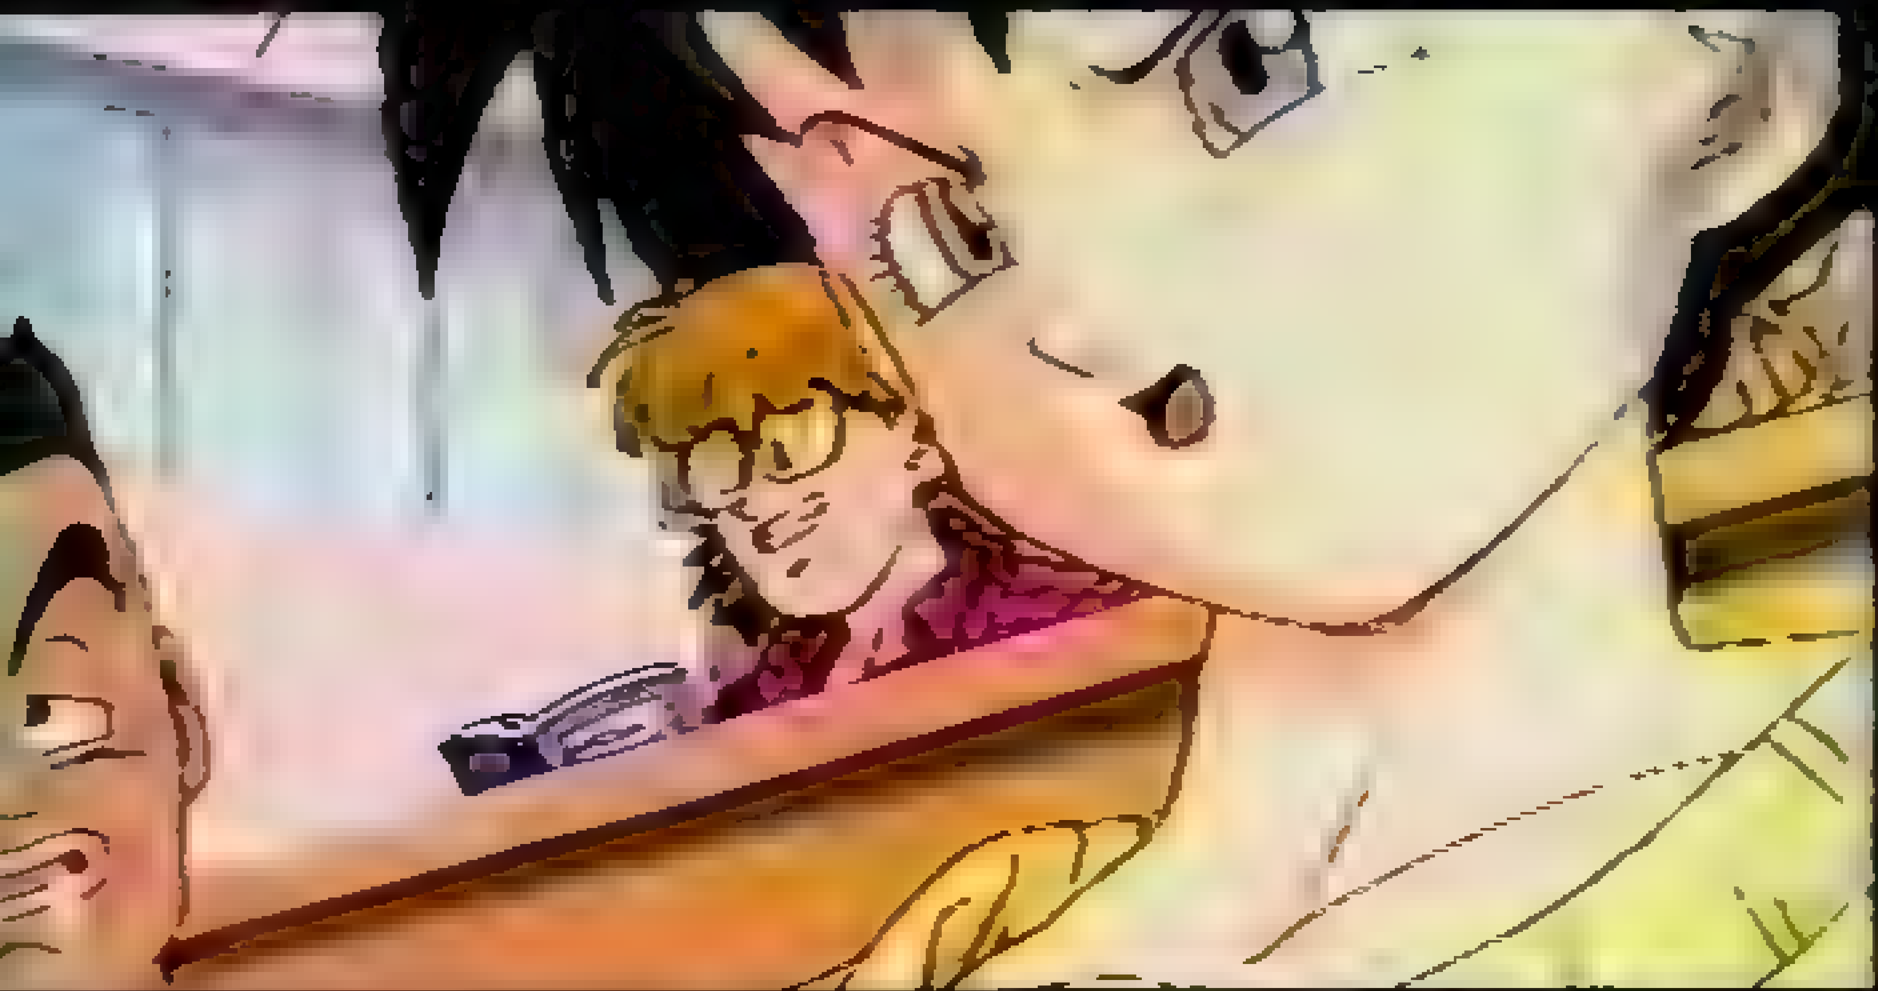

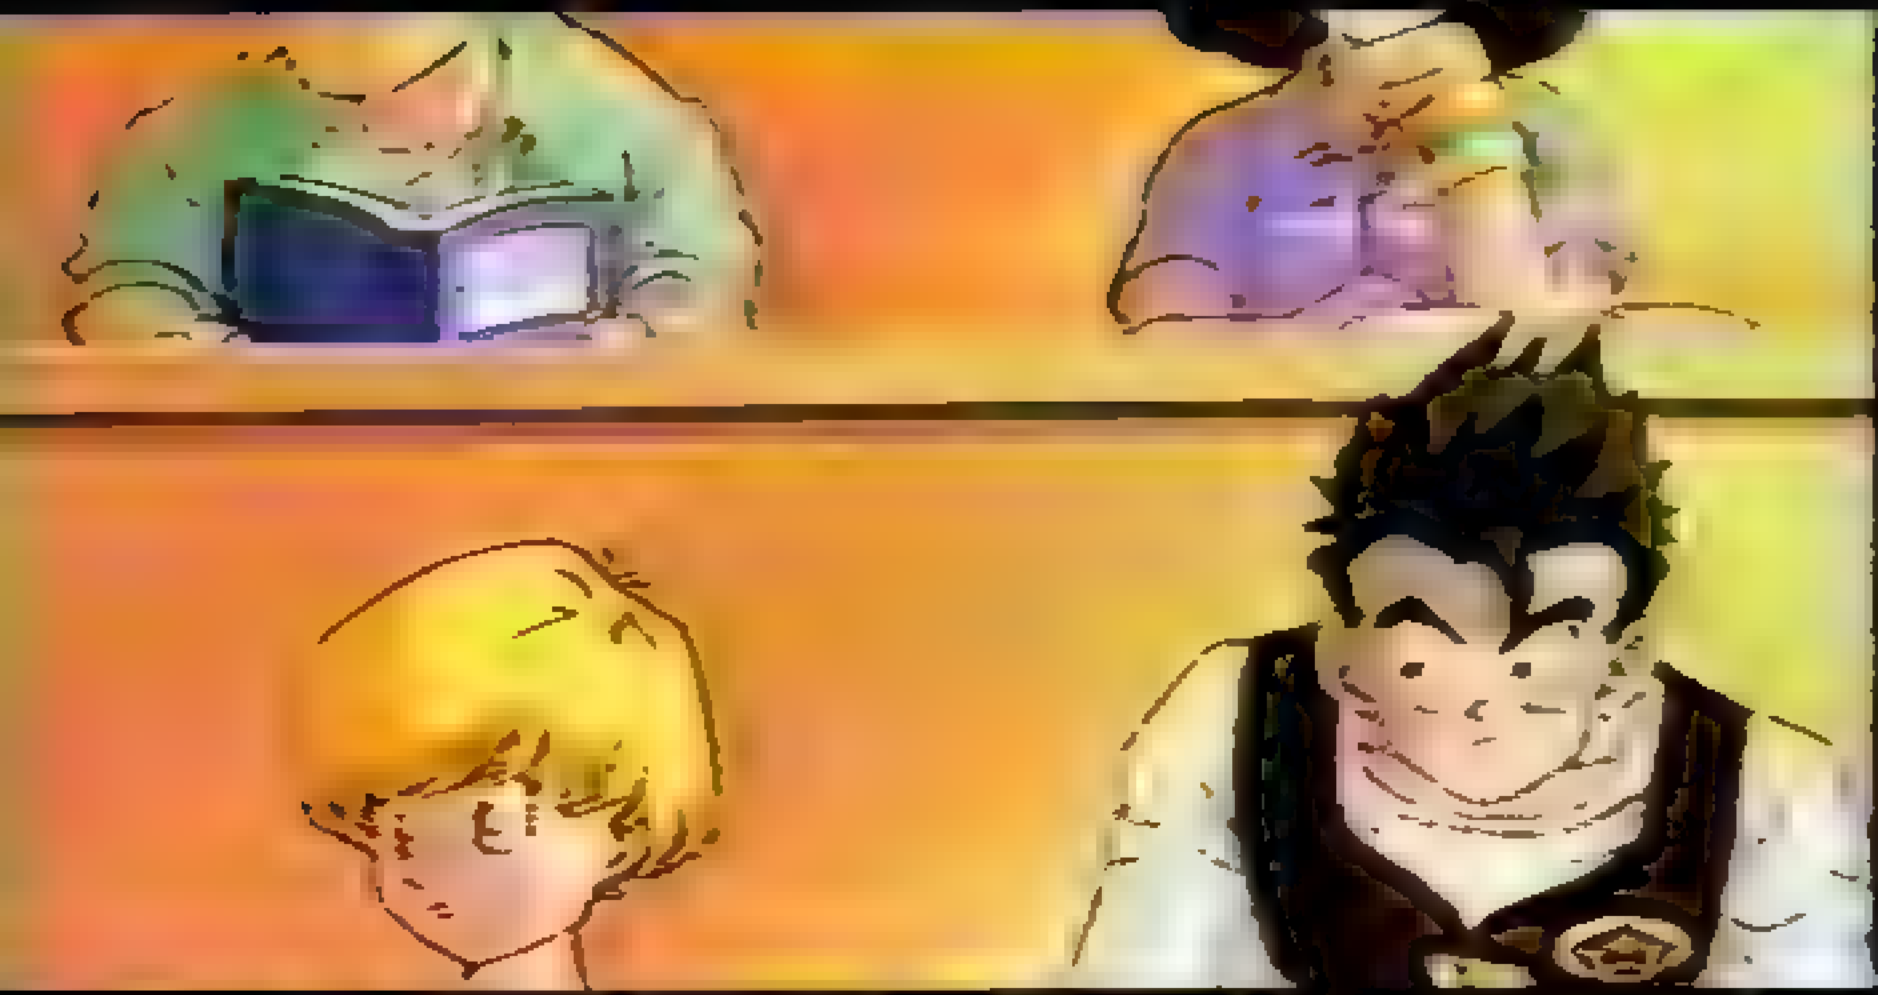

Yes this the great Saiyaman here...

There's a strange guy who's climbed up
Randsel Tower and raving like a lunatic.

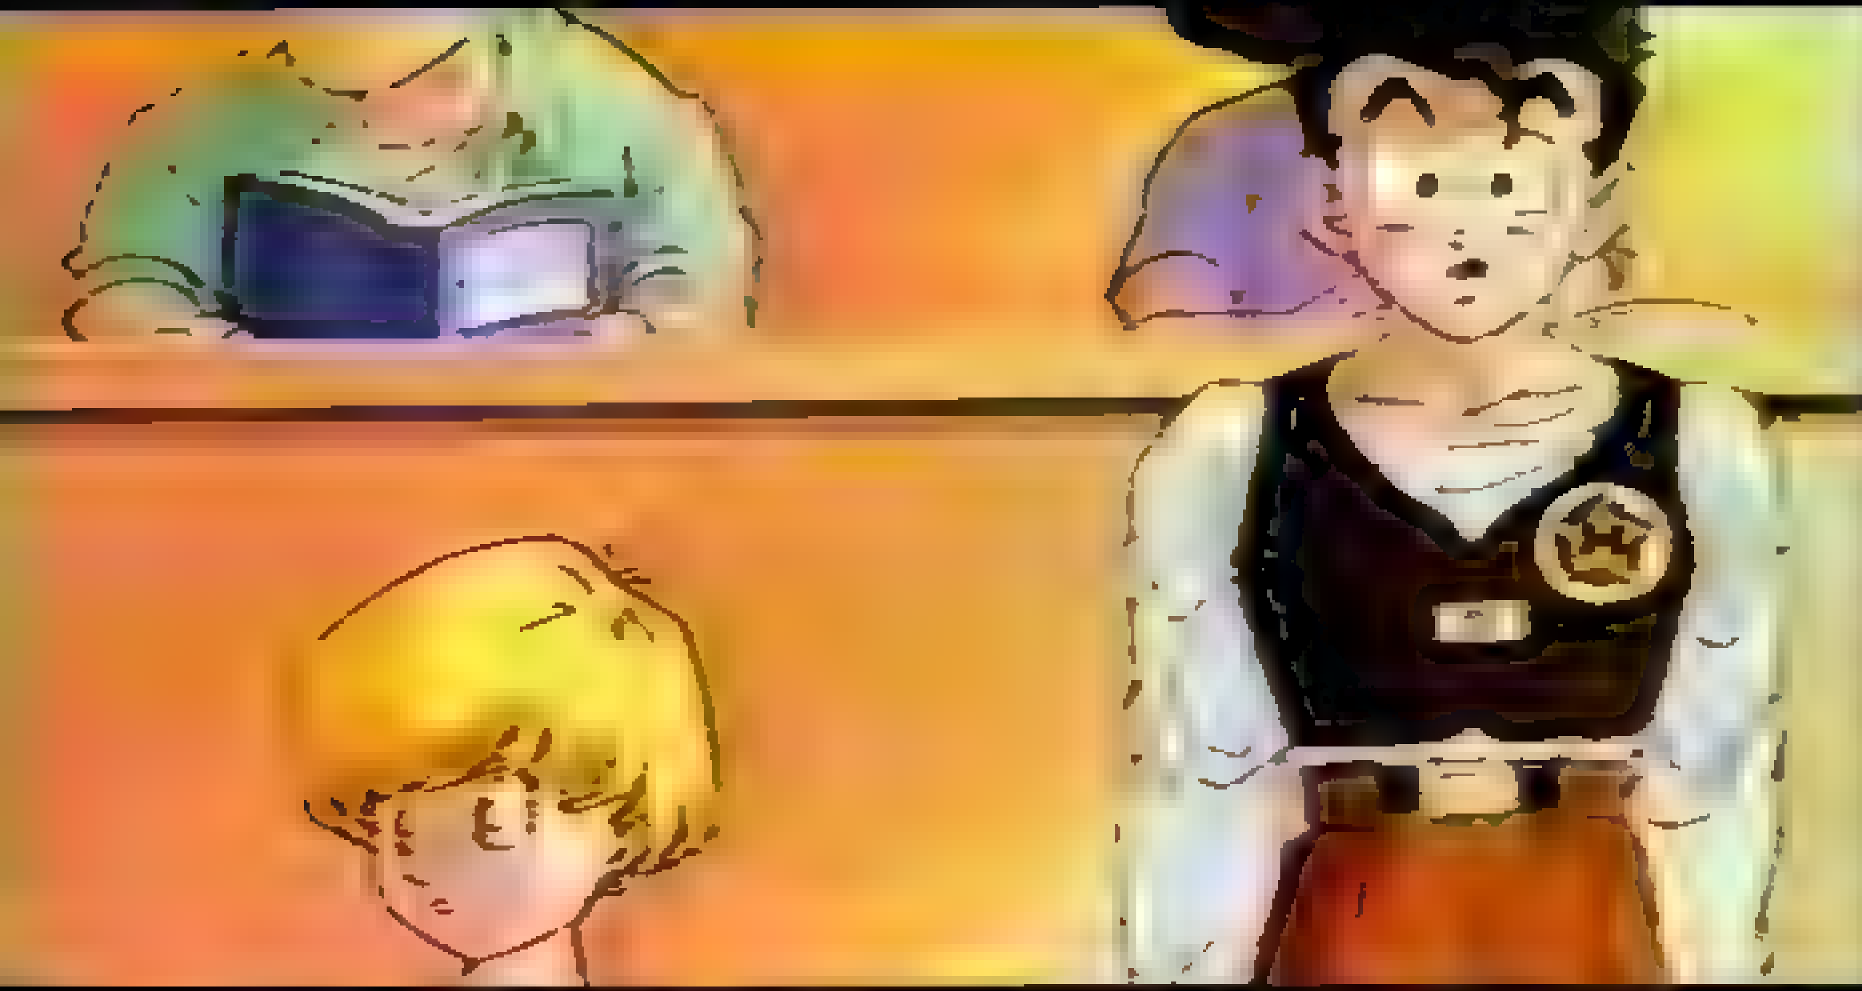

There's a strange guy who's climbed up
Randsel Tower and raving like a lunatic.

A stupid thing like this!
Take care of it yourself!

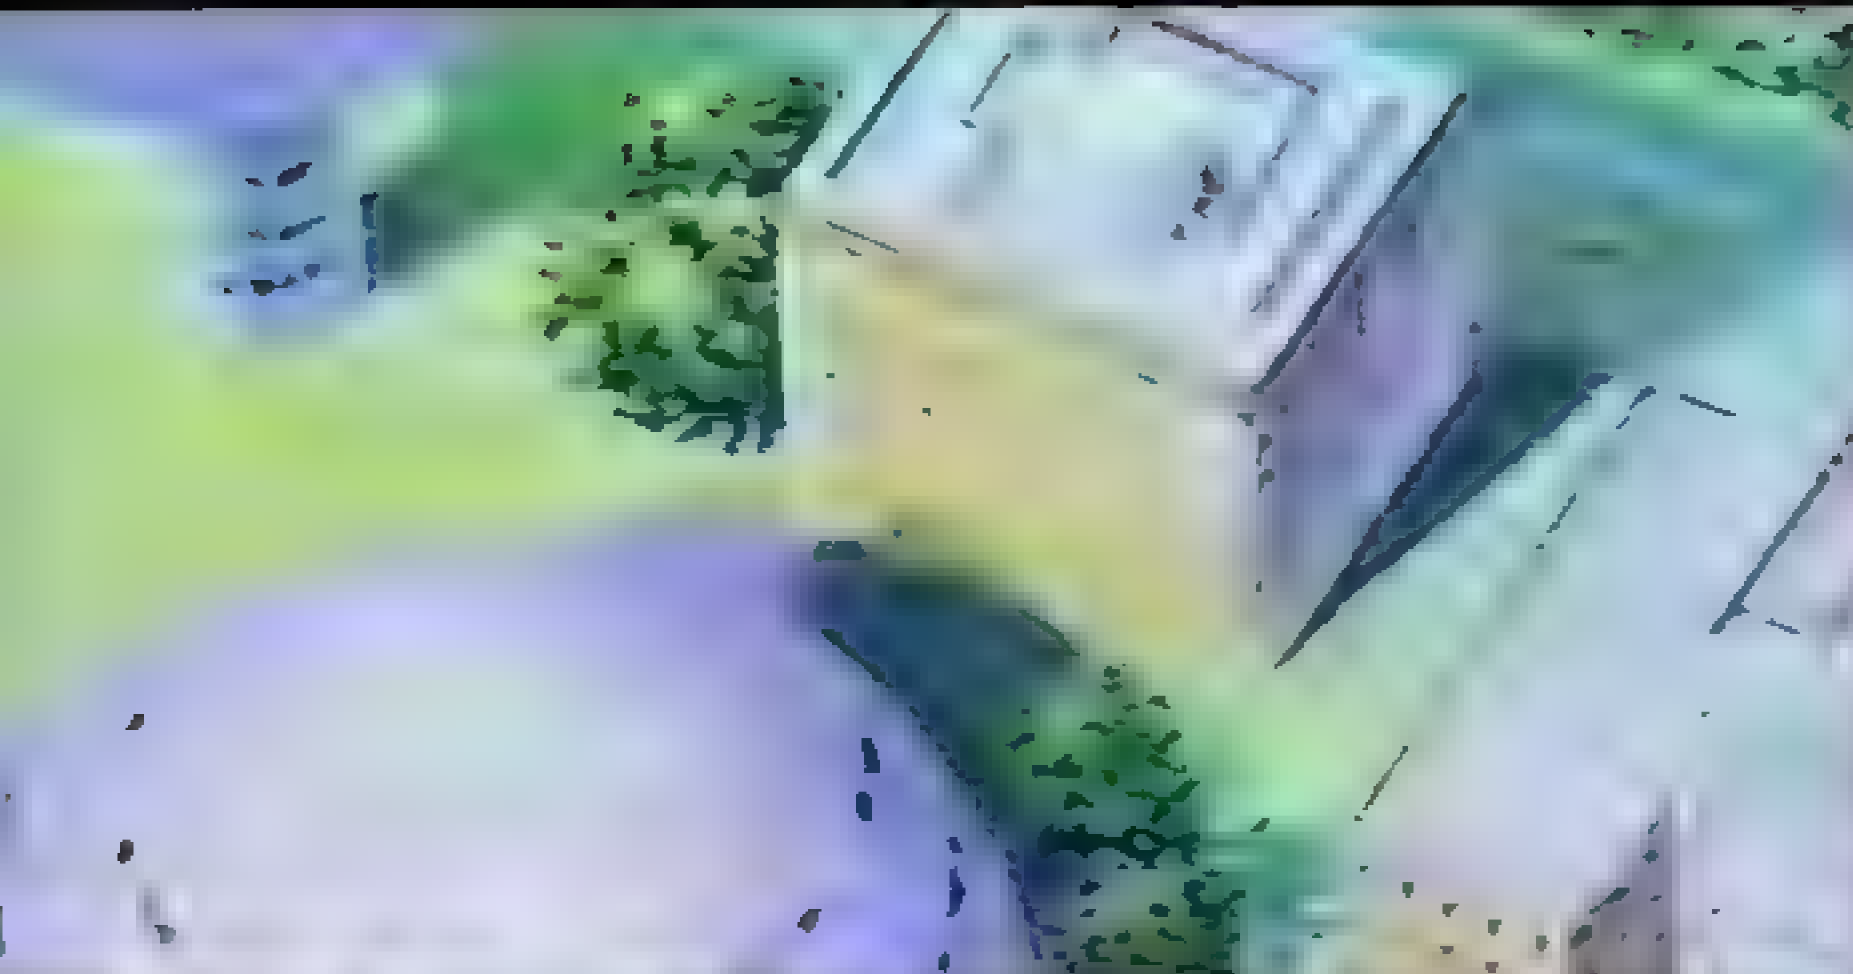

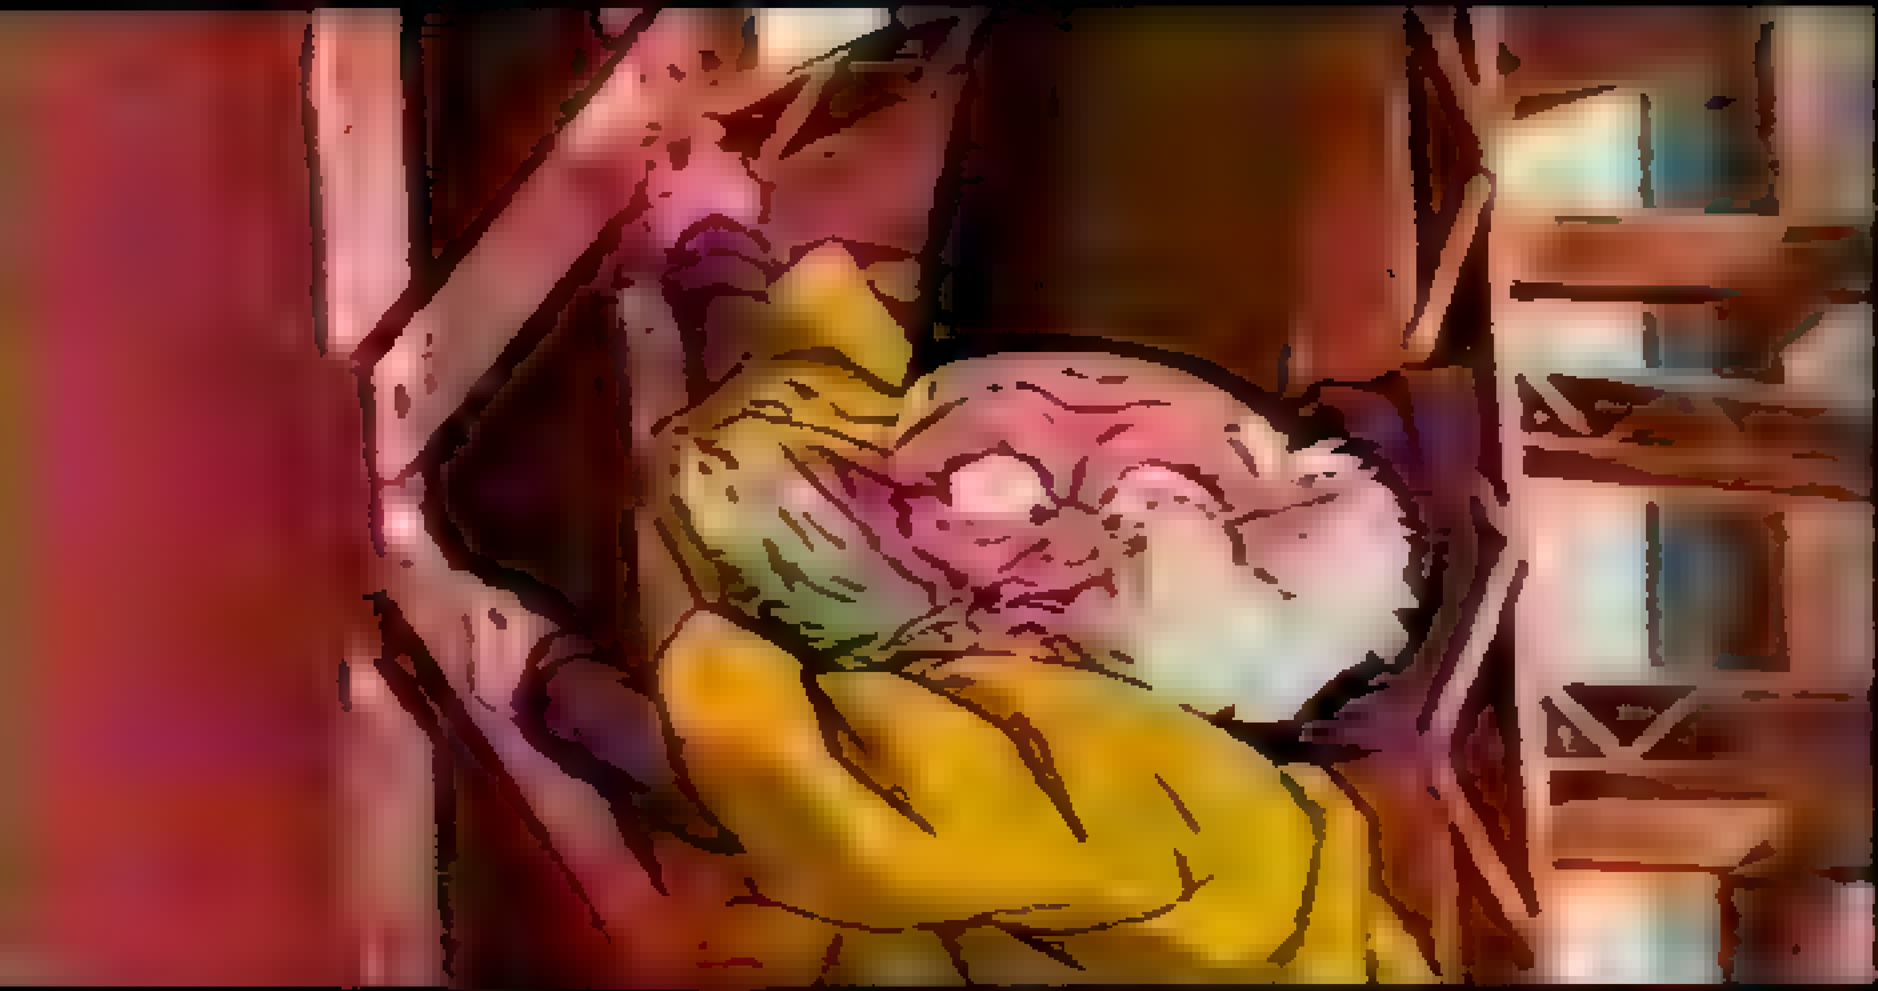

Excuse me, professor! May
I go to the bathroom again?

Maybe it was last night
dinner that's causing it?!

Leave me alone!

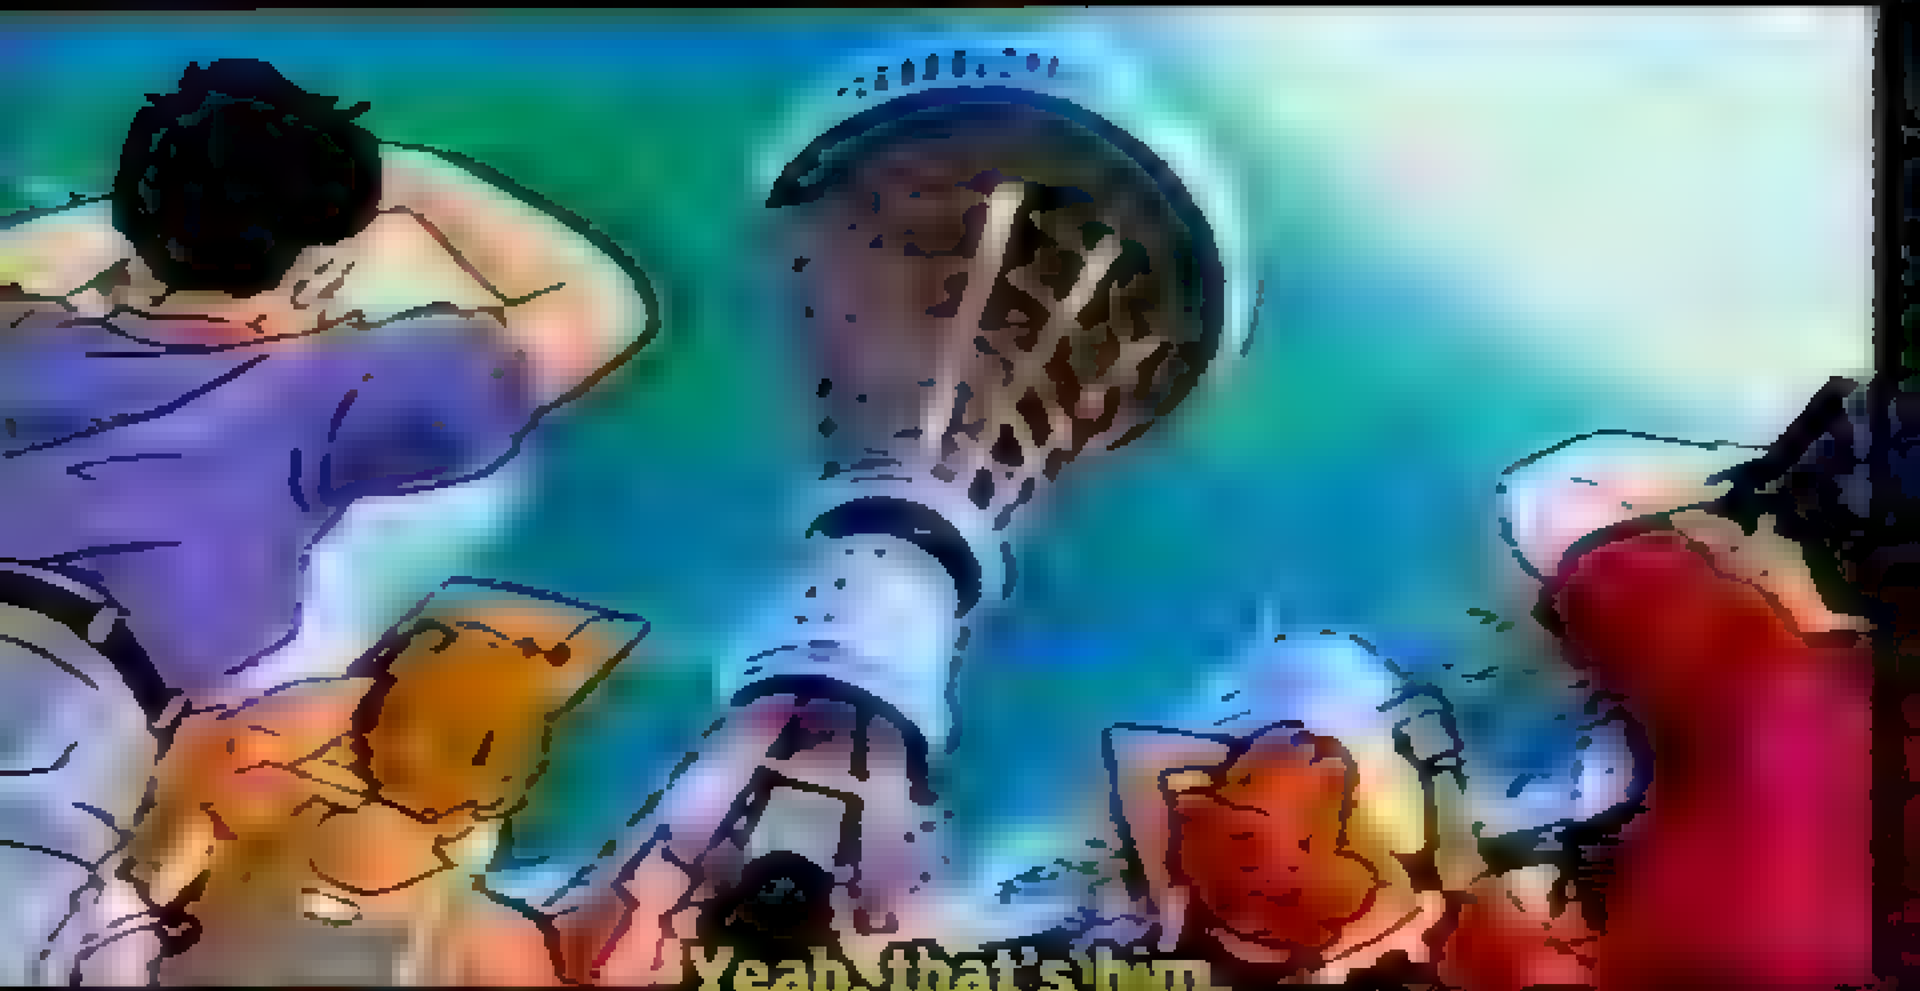

I've lost all my hopes and dreams!!

I'm going to jump and end it all!

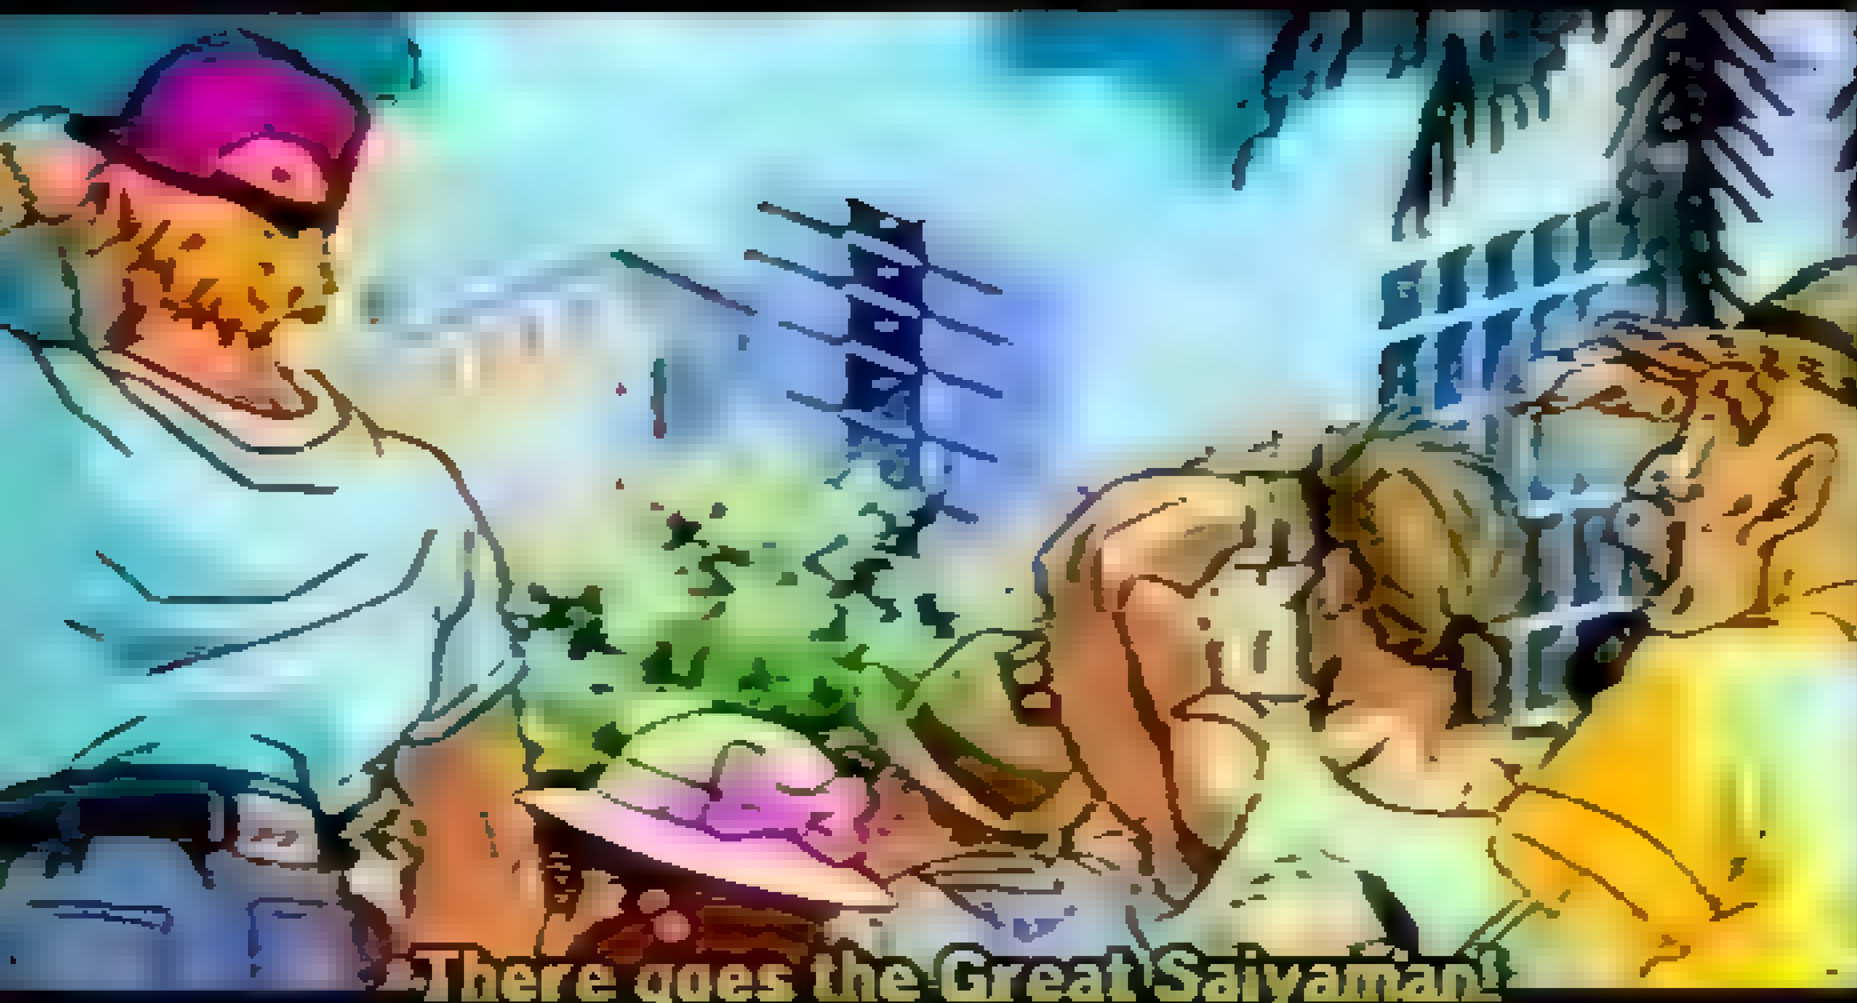

I'm going to jump and end it all!

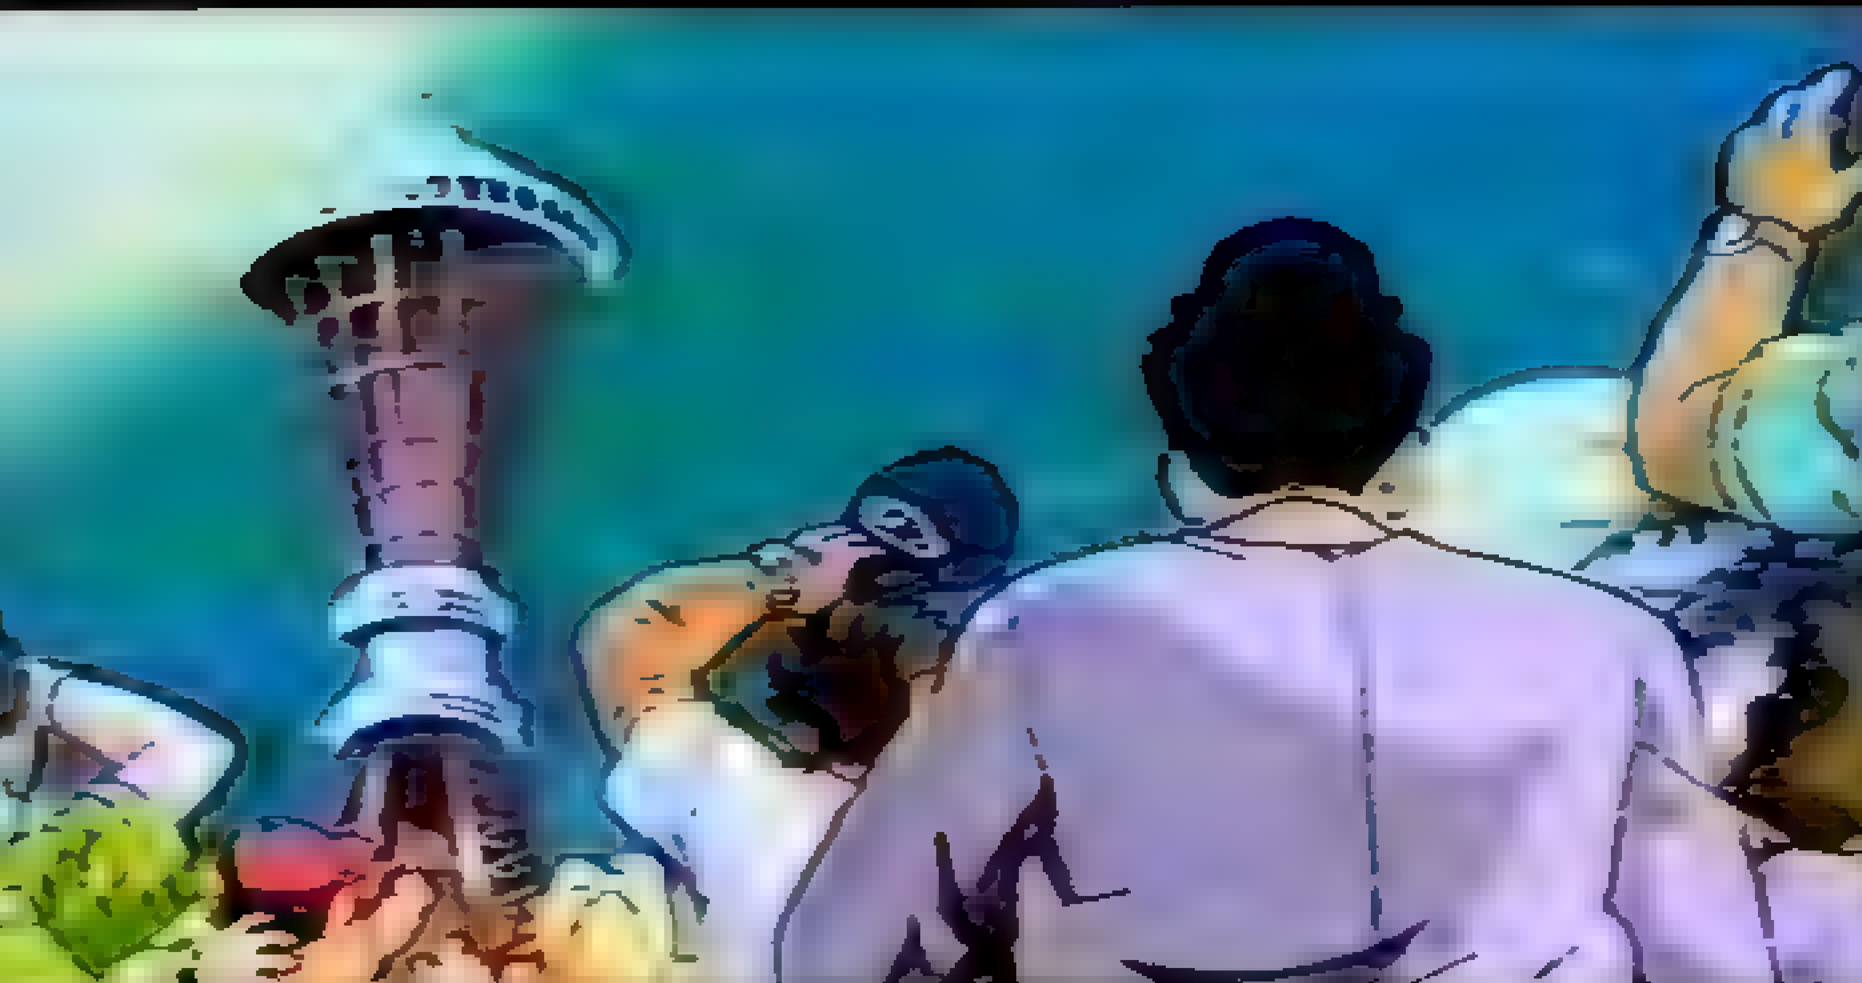

Wasn't he the one on T.V. the was talking
something about an oracle before?

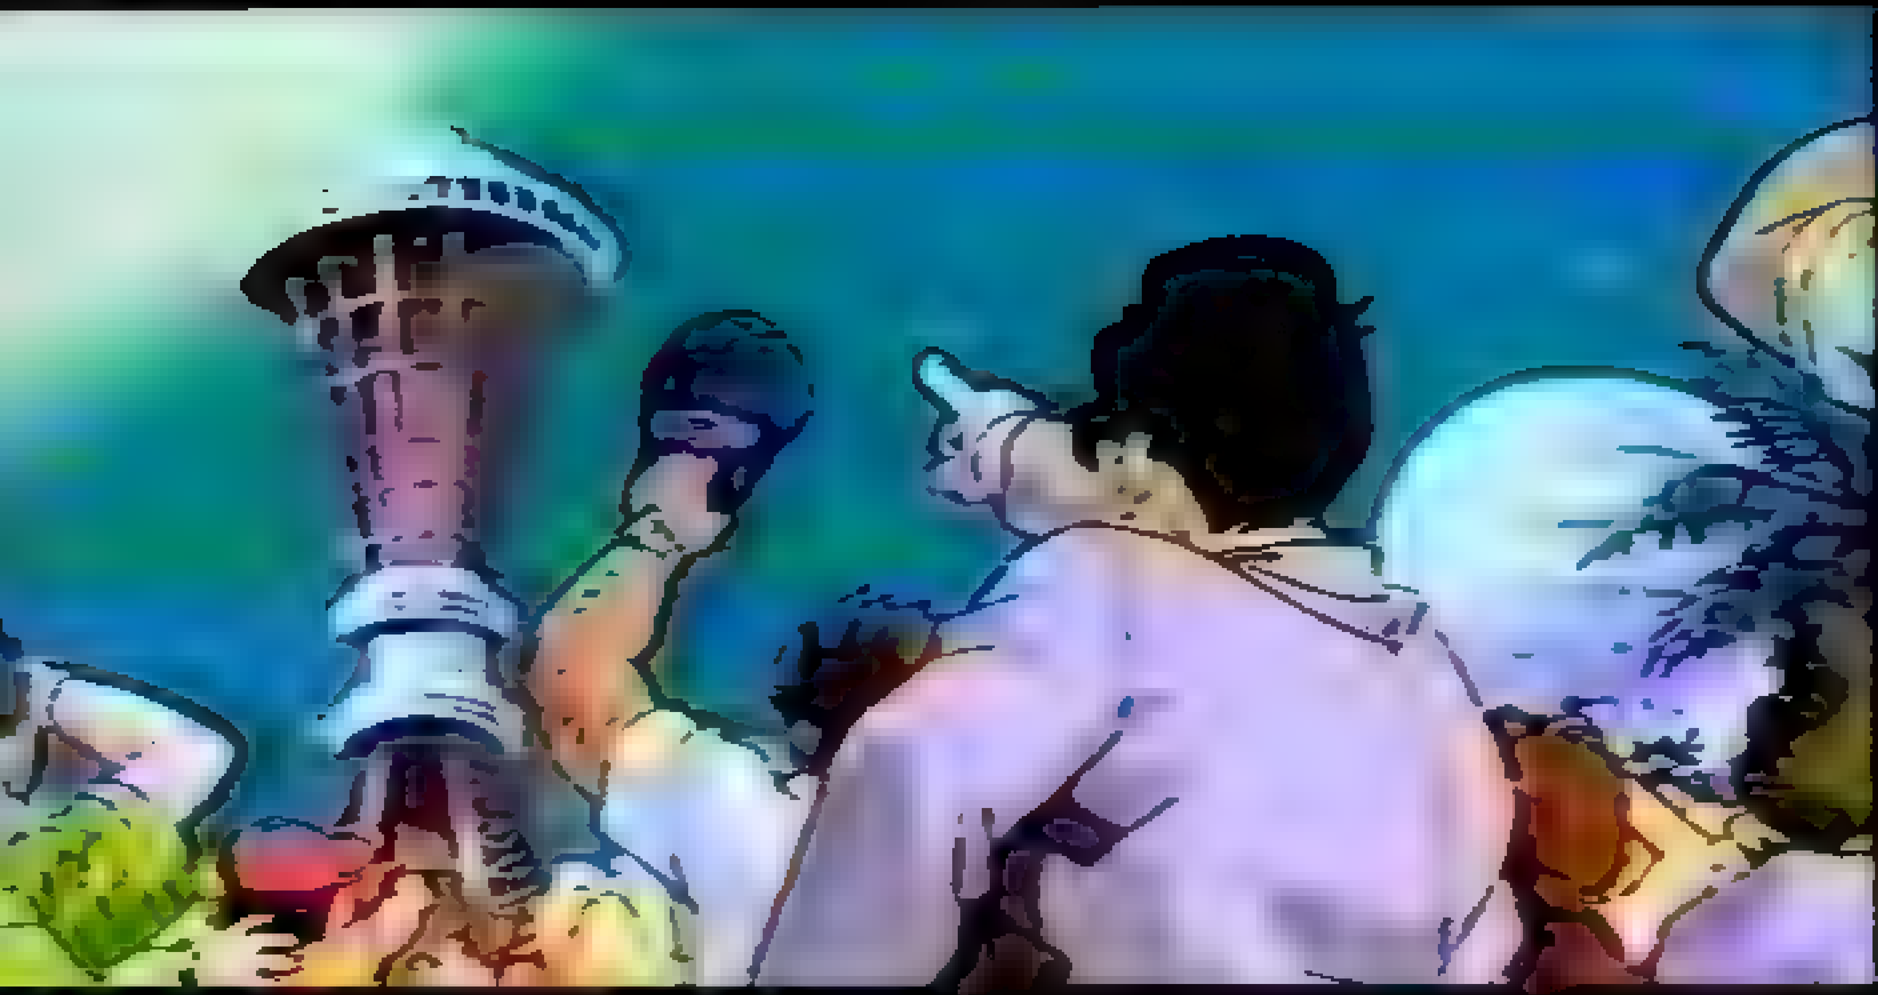

Wasn't he the one on TV the was talking
something about an oracle before?

Yeah, that's him.

He is really strange!

There goes the Great Saiyaman!

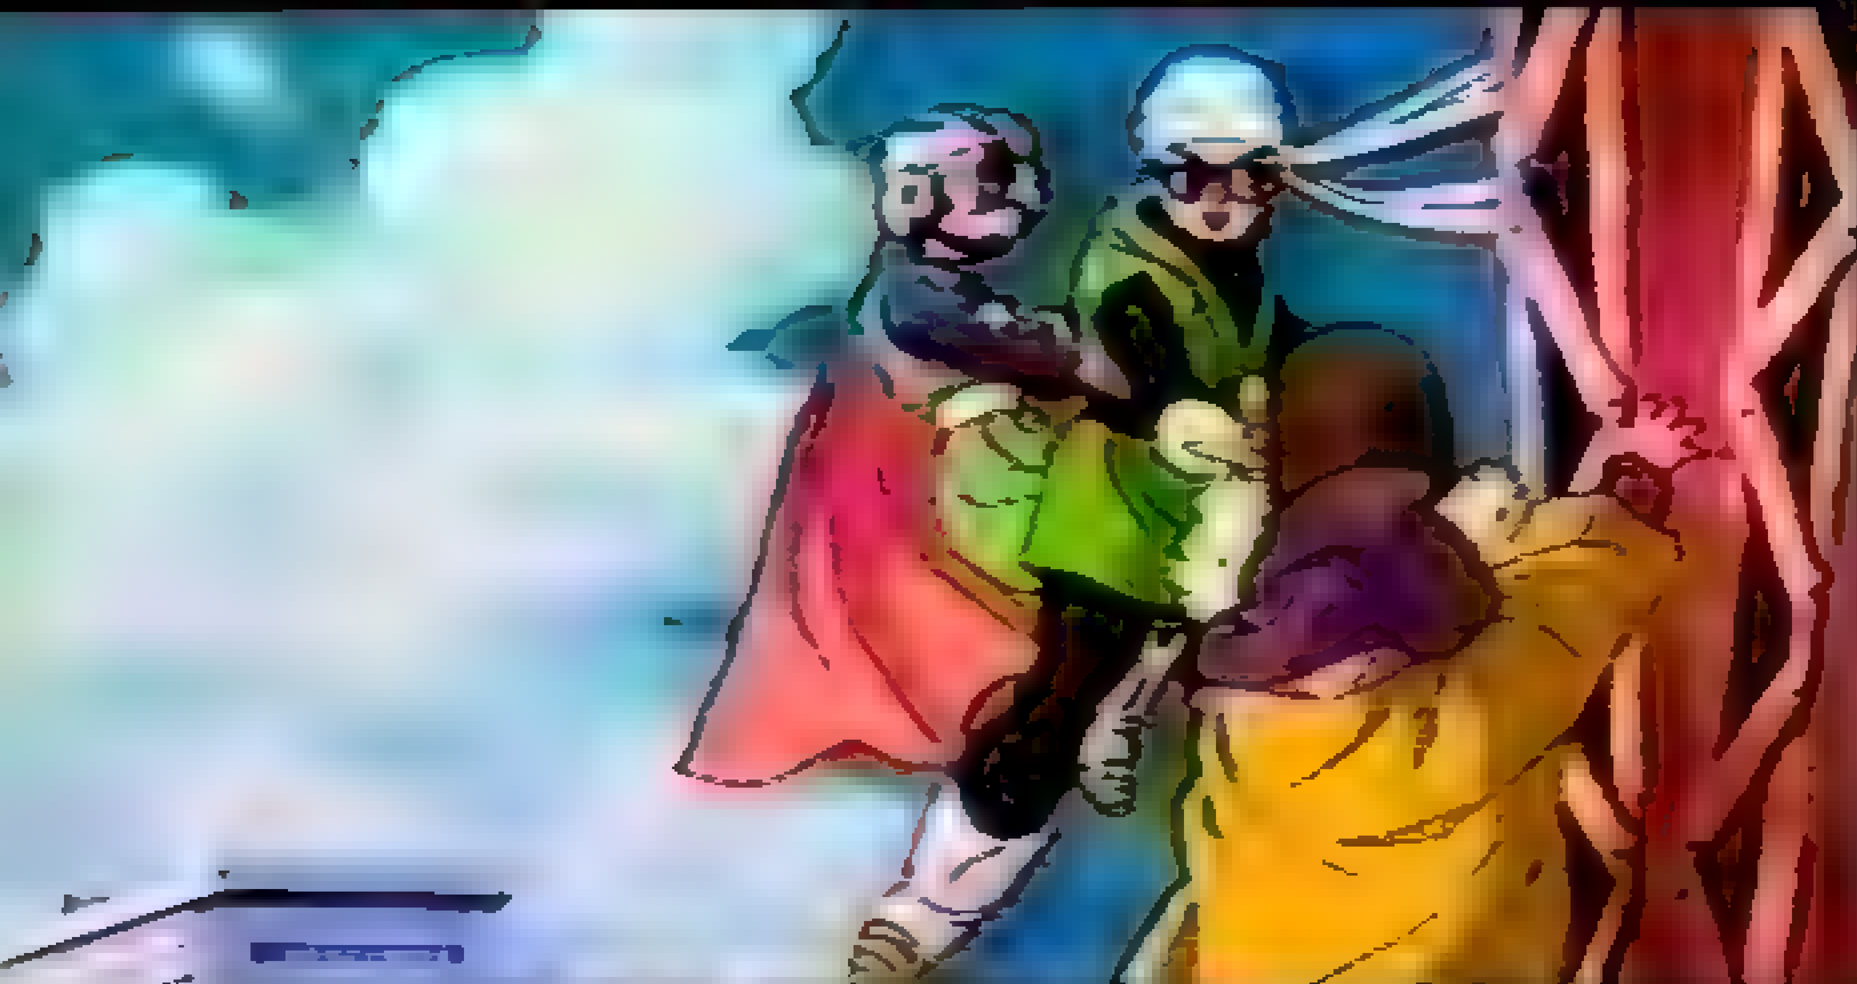

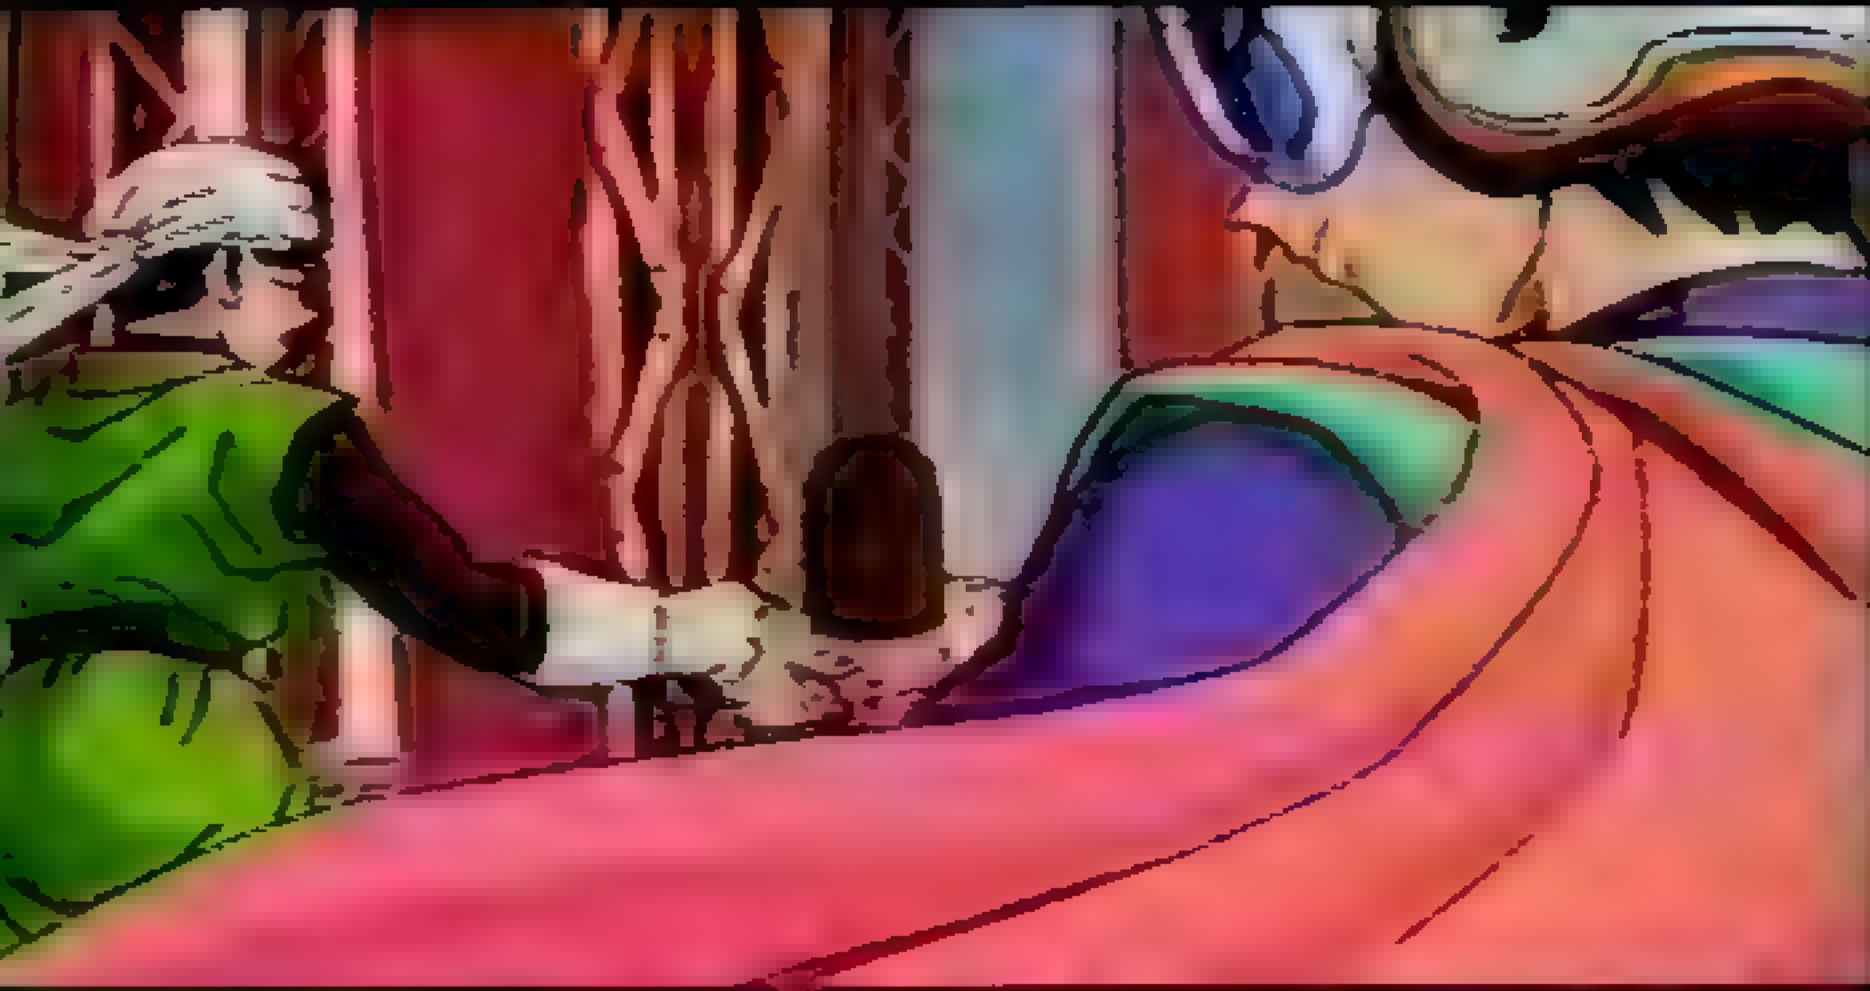

I'm not moving, no matter who comes!

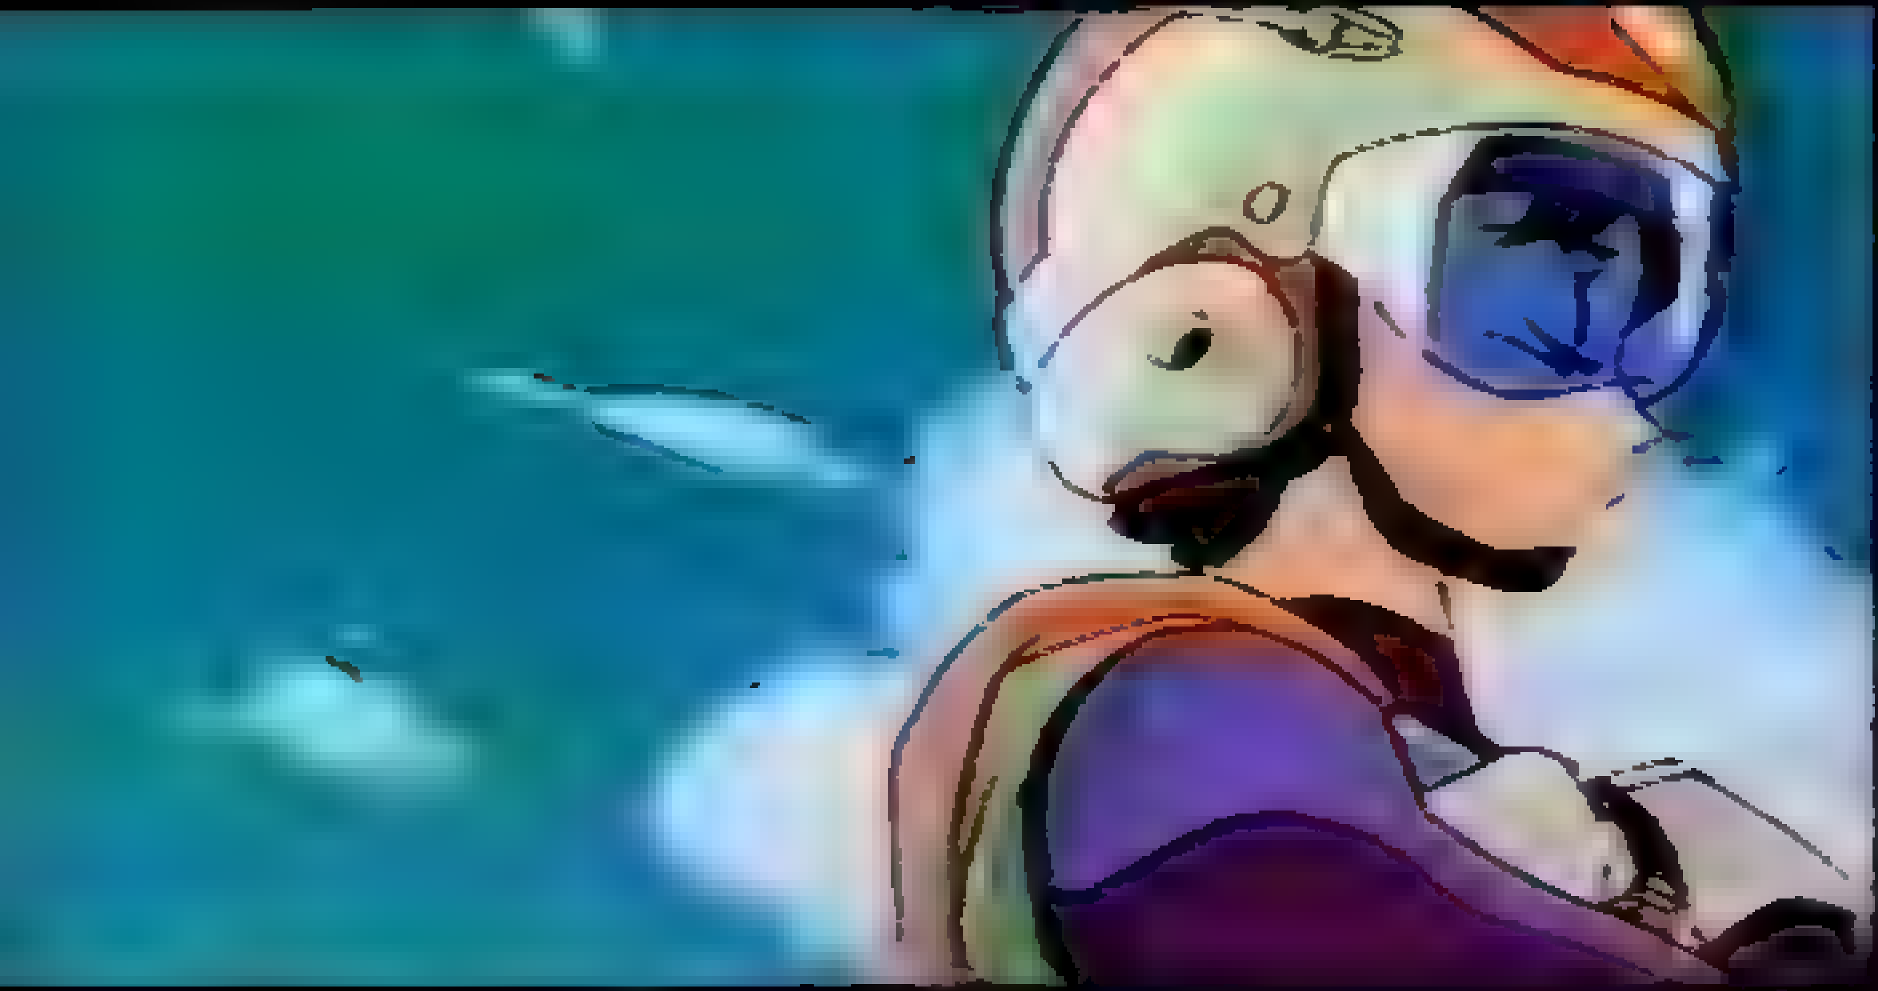

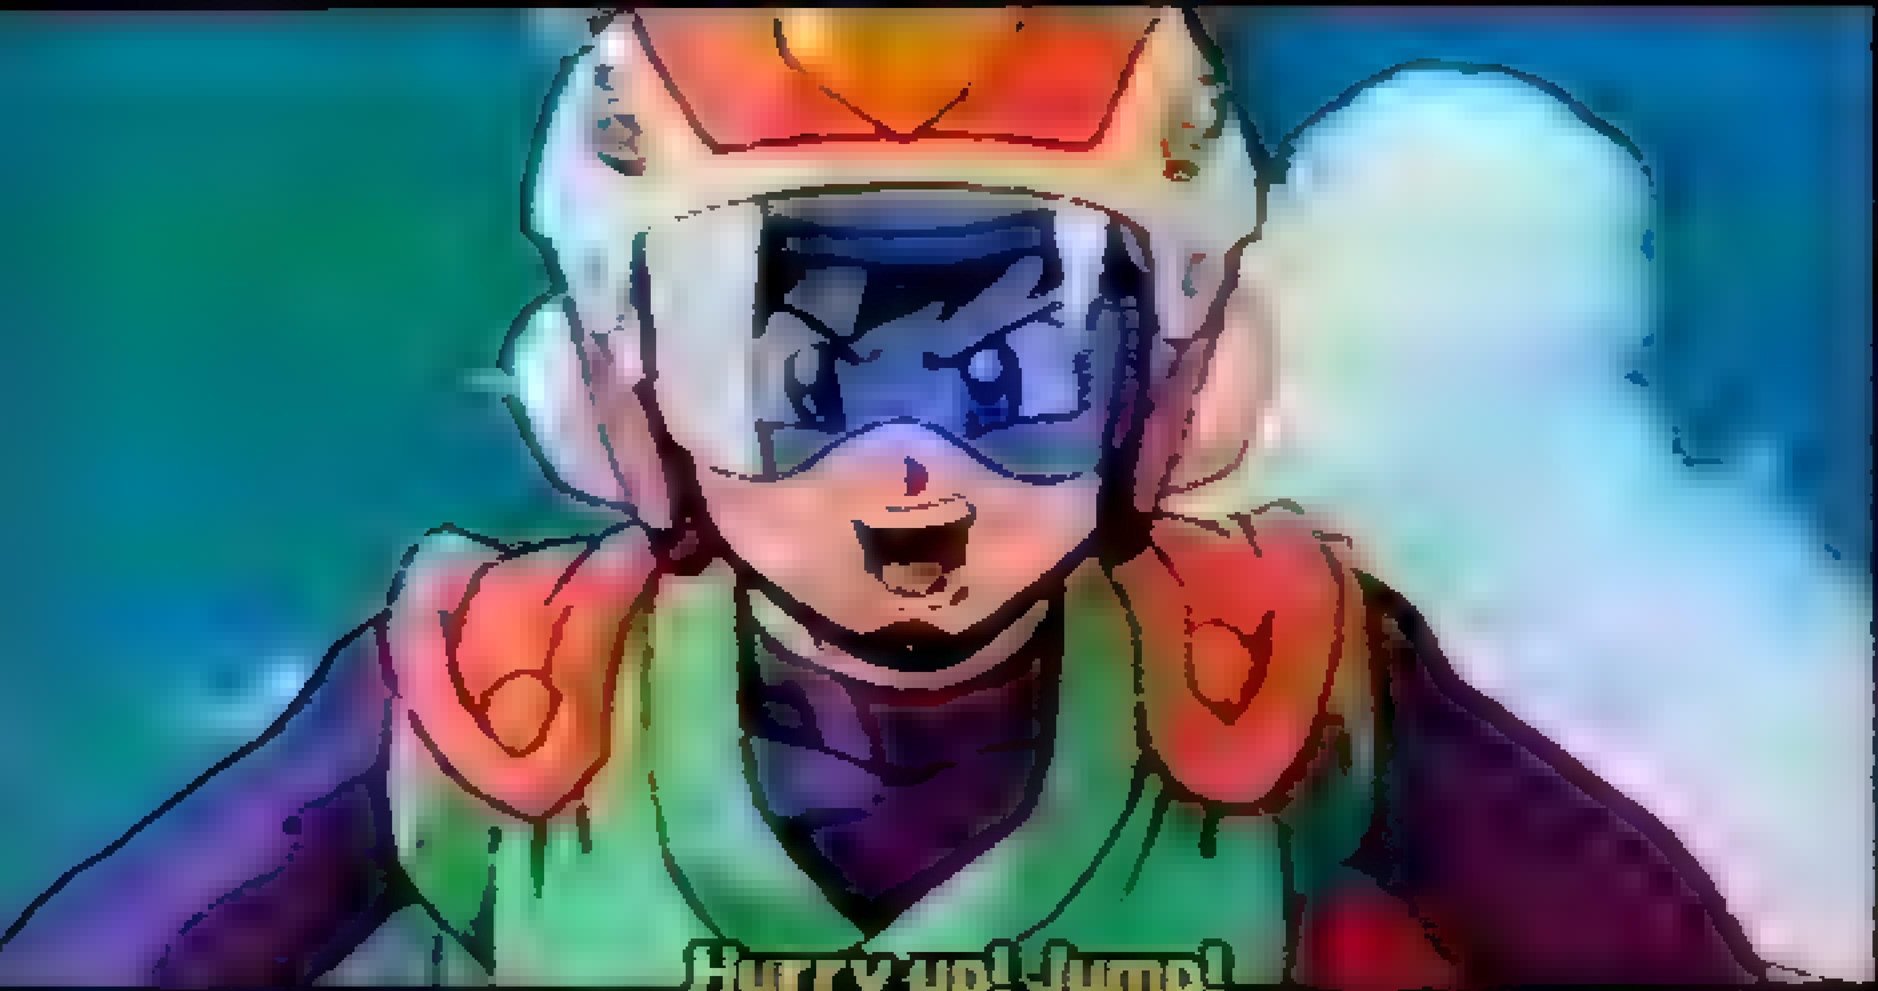

Listen old man, it's dangerous to
stay up here. Let's go down, okay?

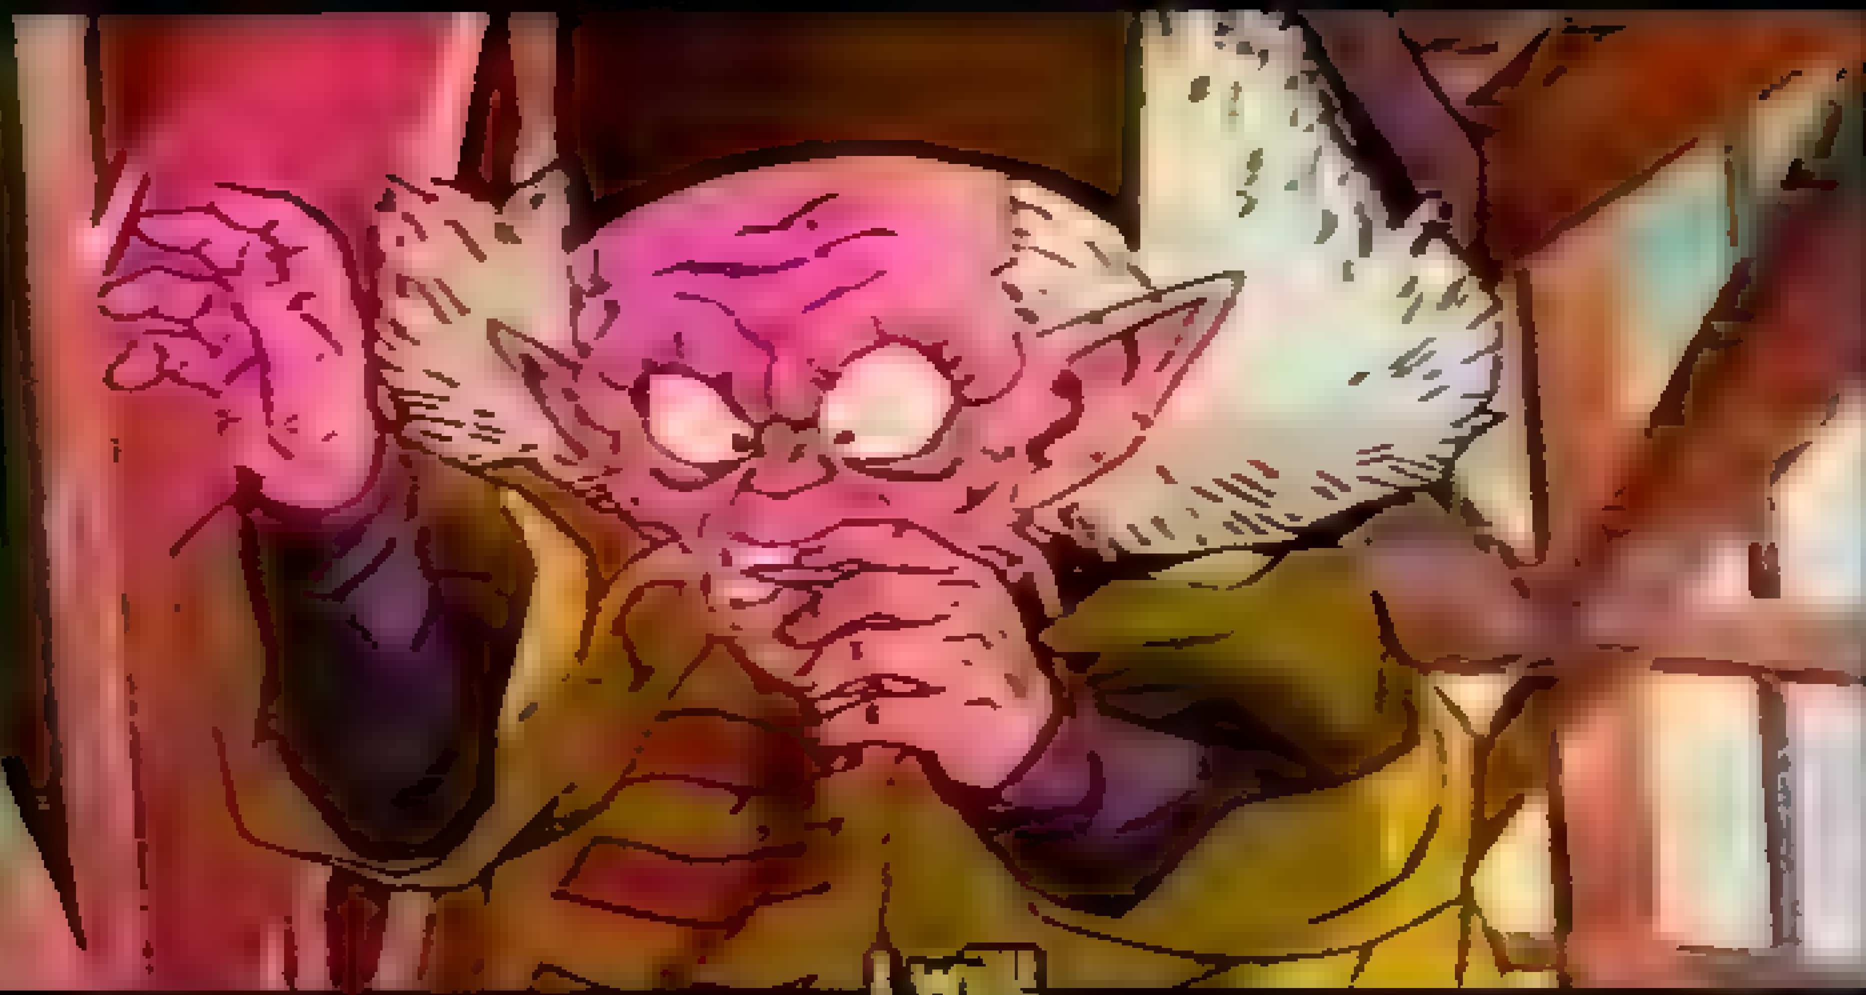

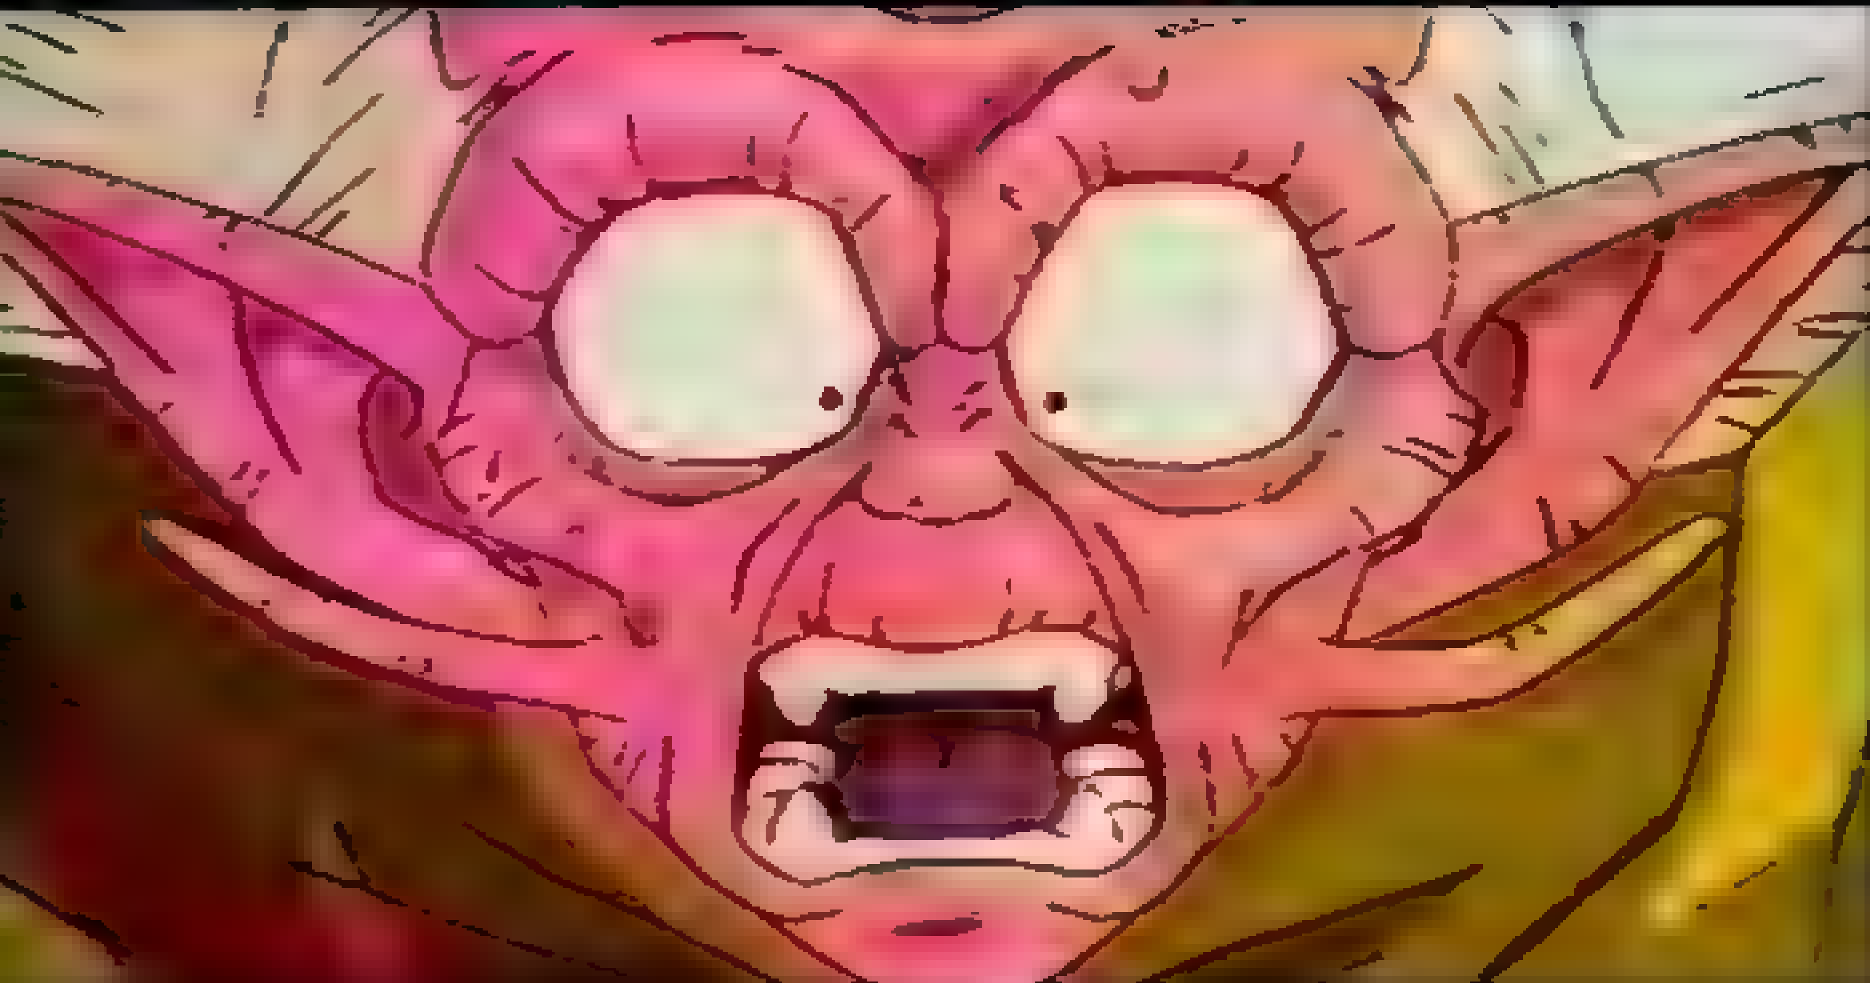

Go away! I want to die.

Hurry up! Jump!

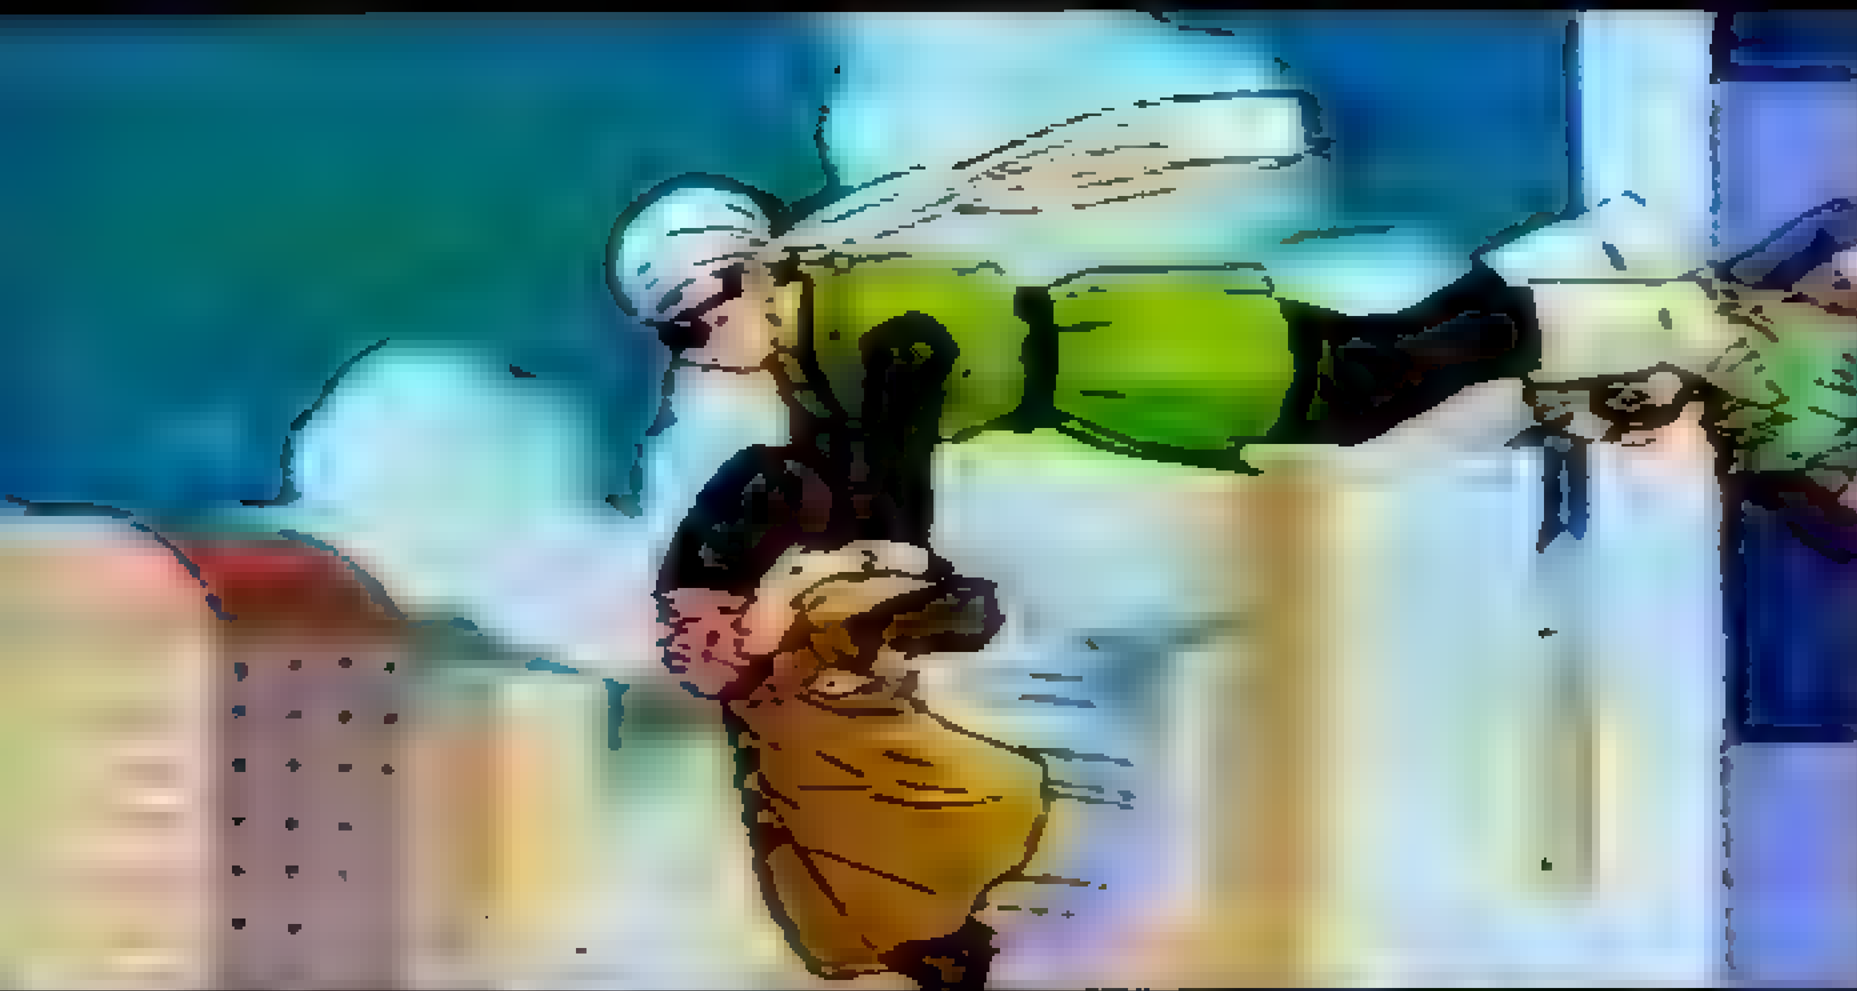

Oh God!

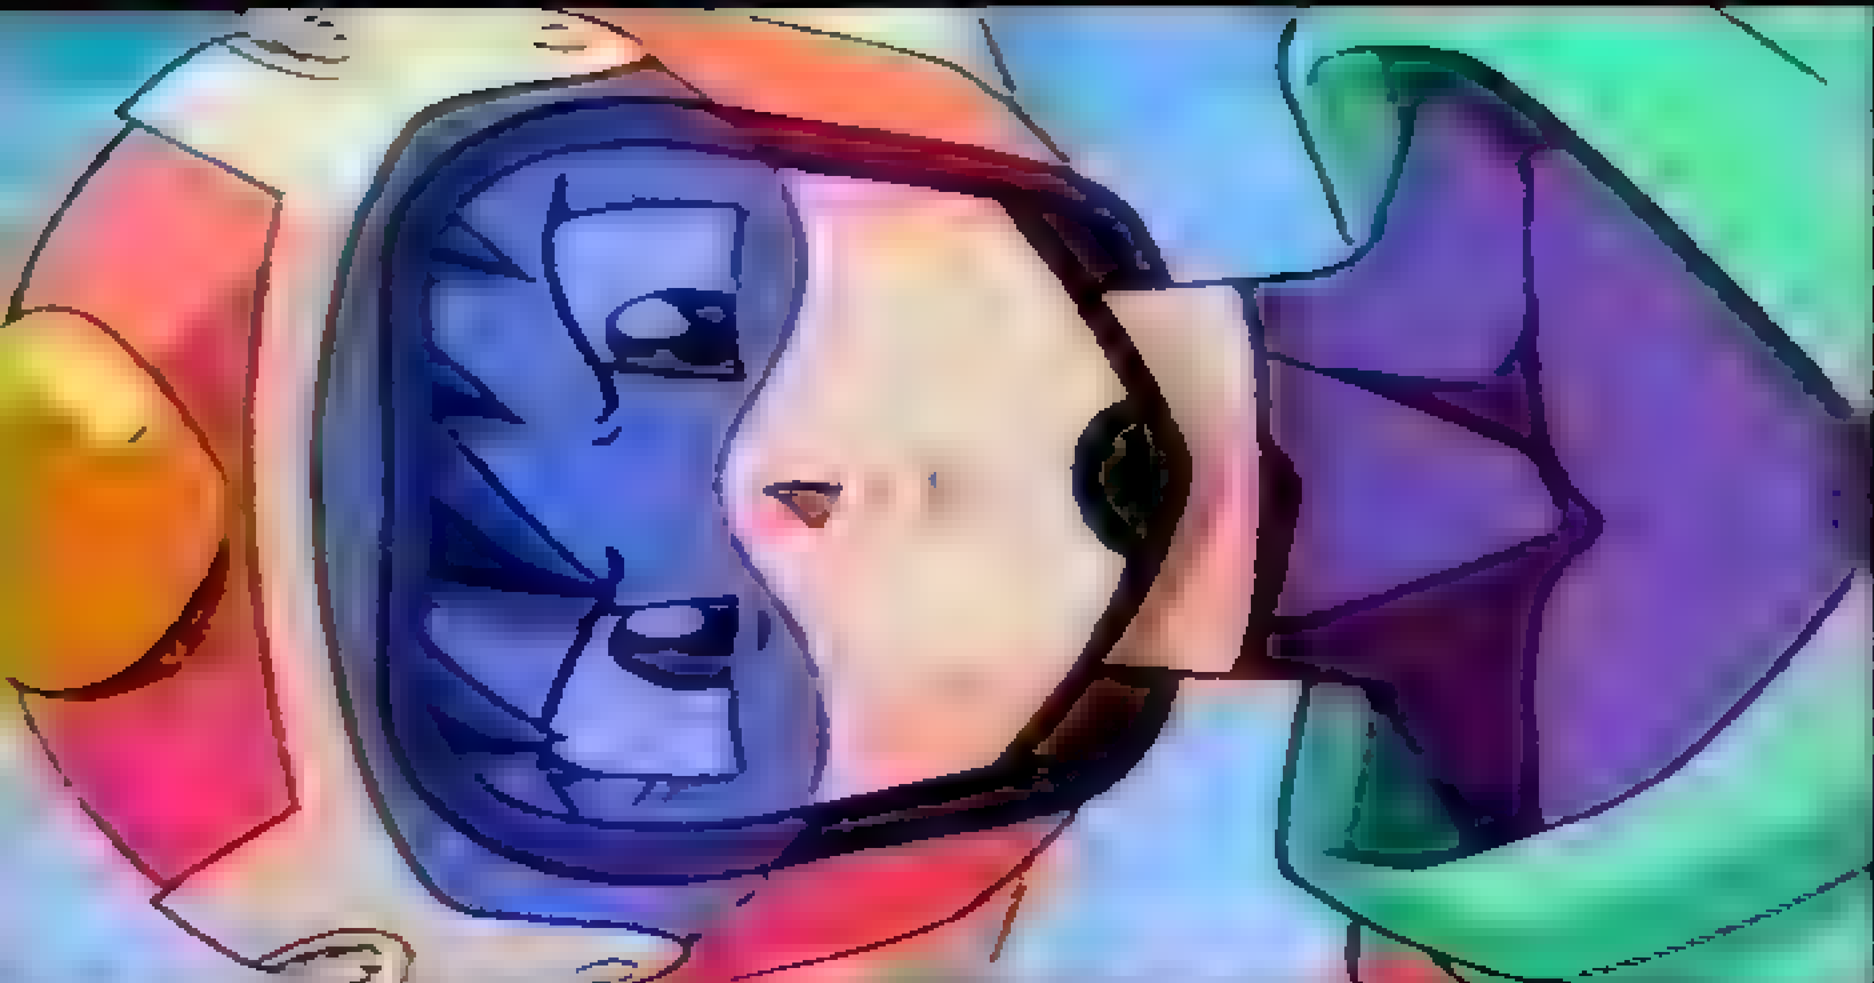

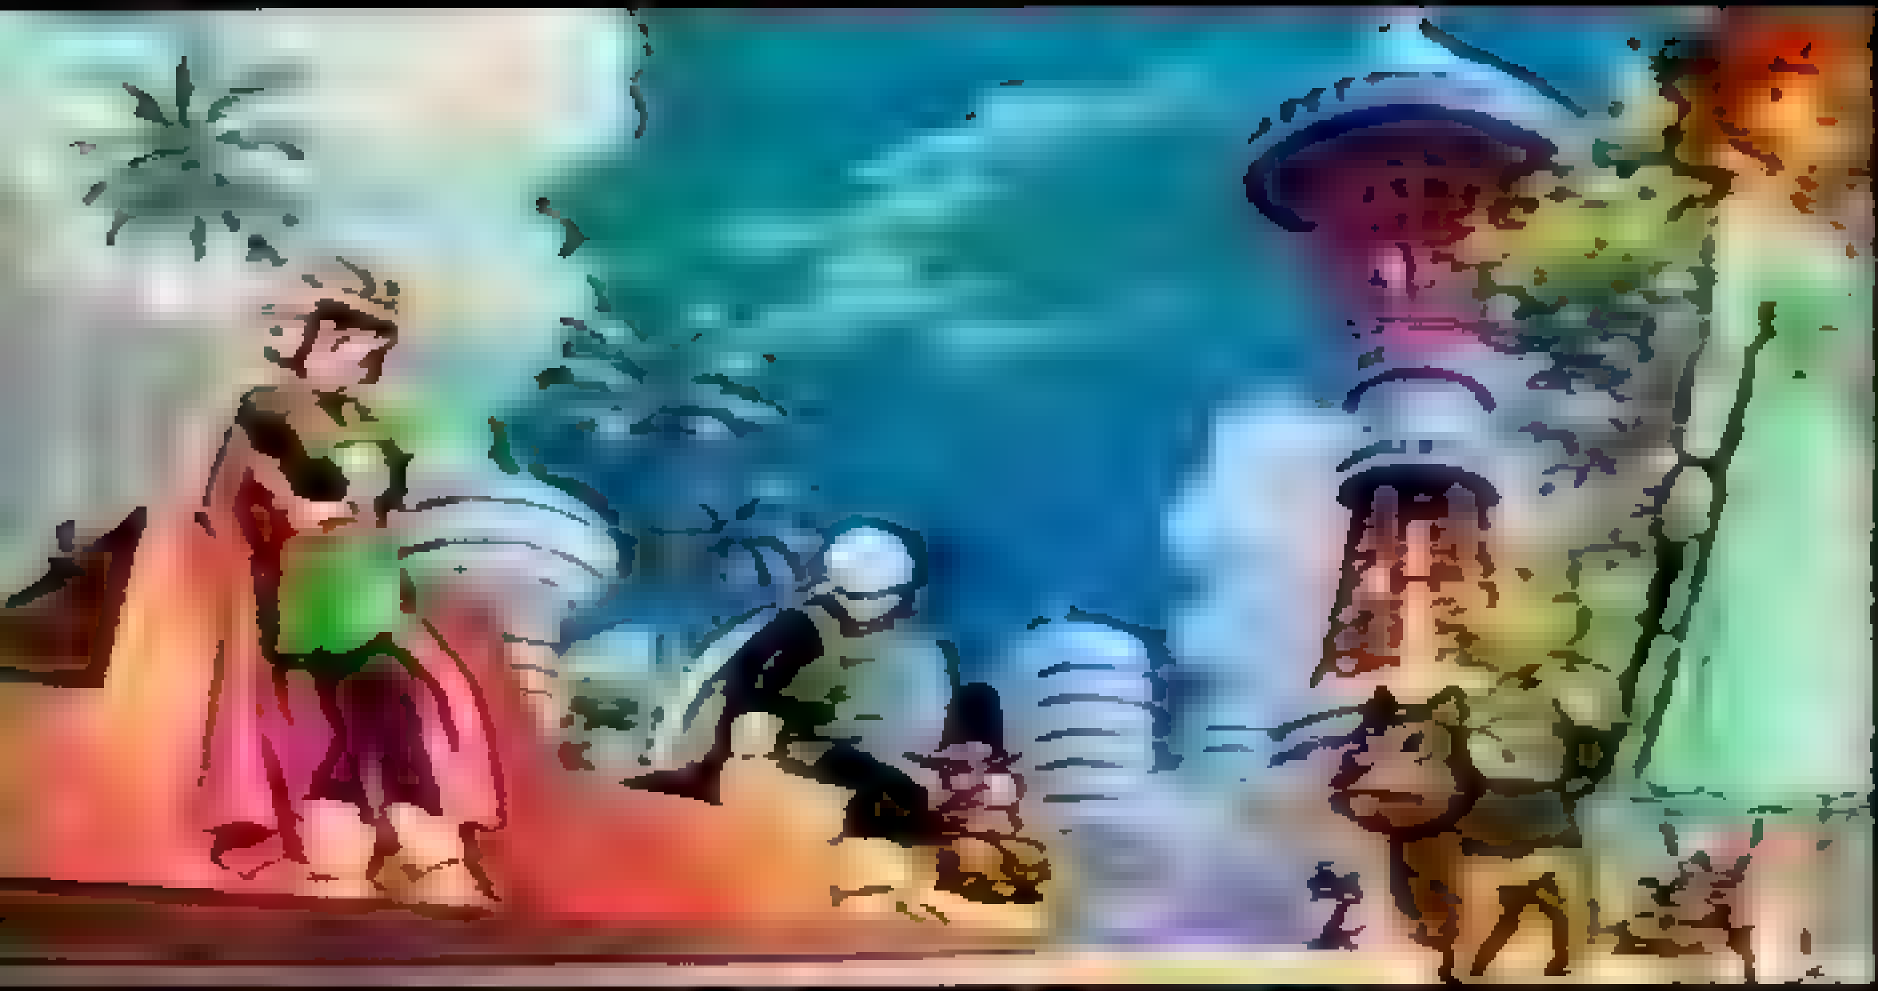

You should have saved me earlier!
What were you going to do if I died?!

You should have saved me earlier!
What were you going to do if I died?!

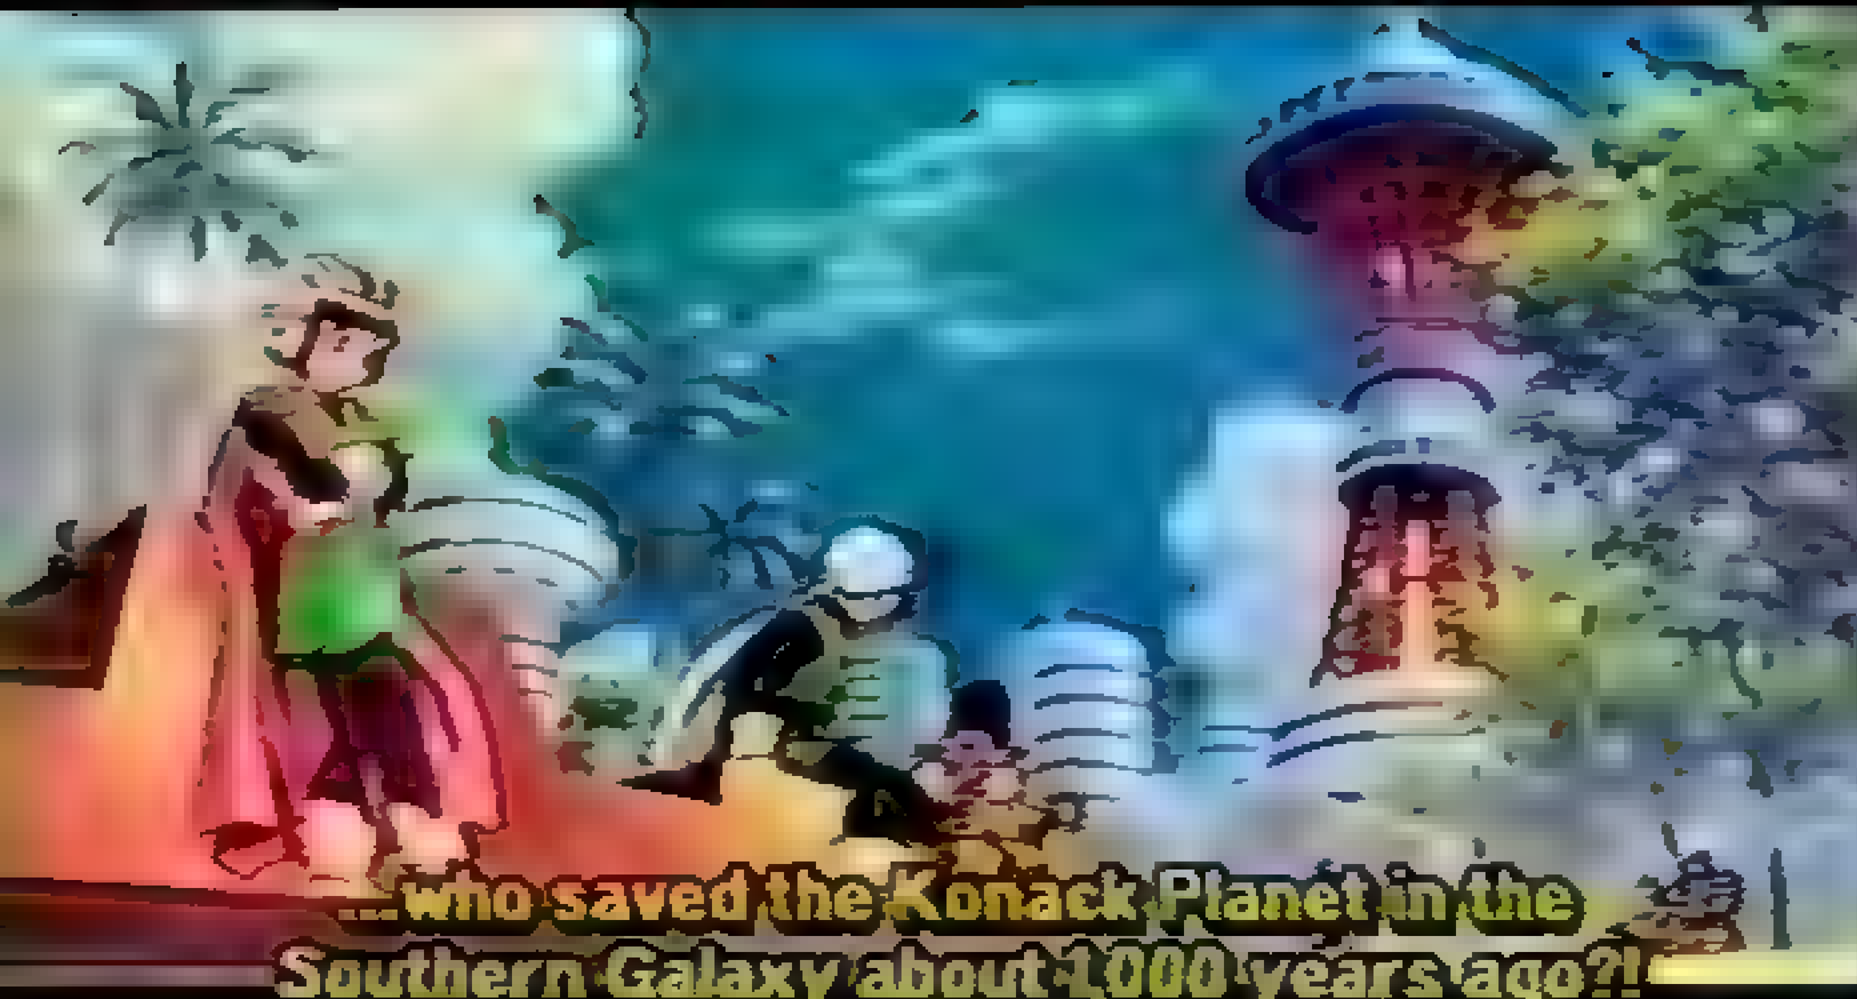

You don't know about Tabion,
the Legend of the Brave?!

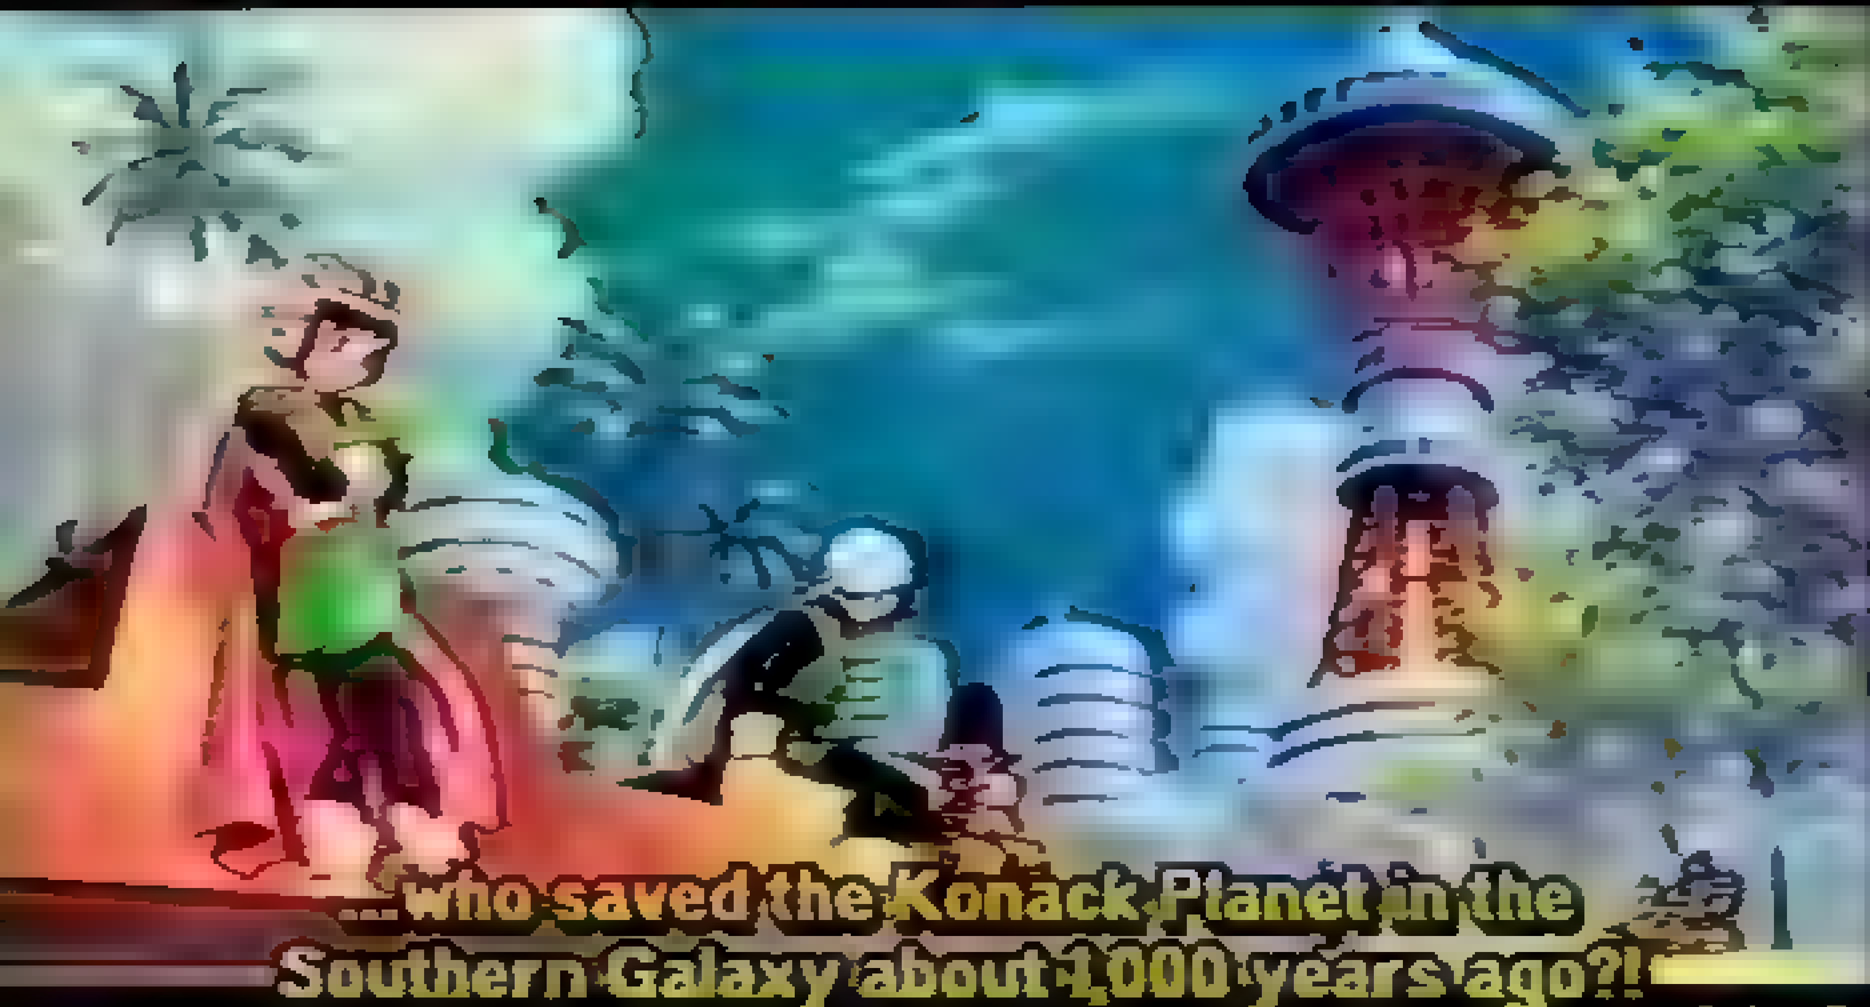

You don't know about Tabion,
the Legend of the Brave?!

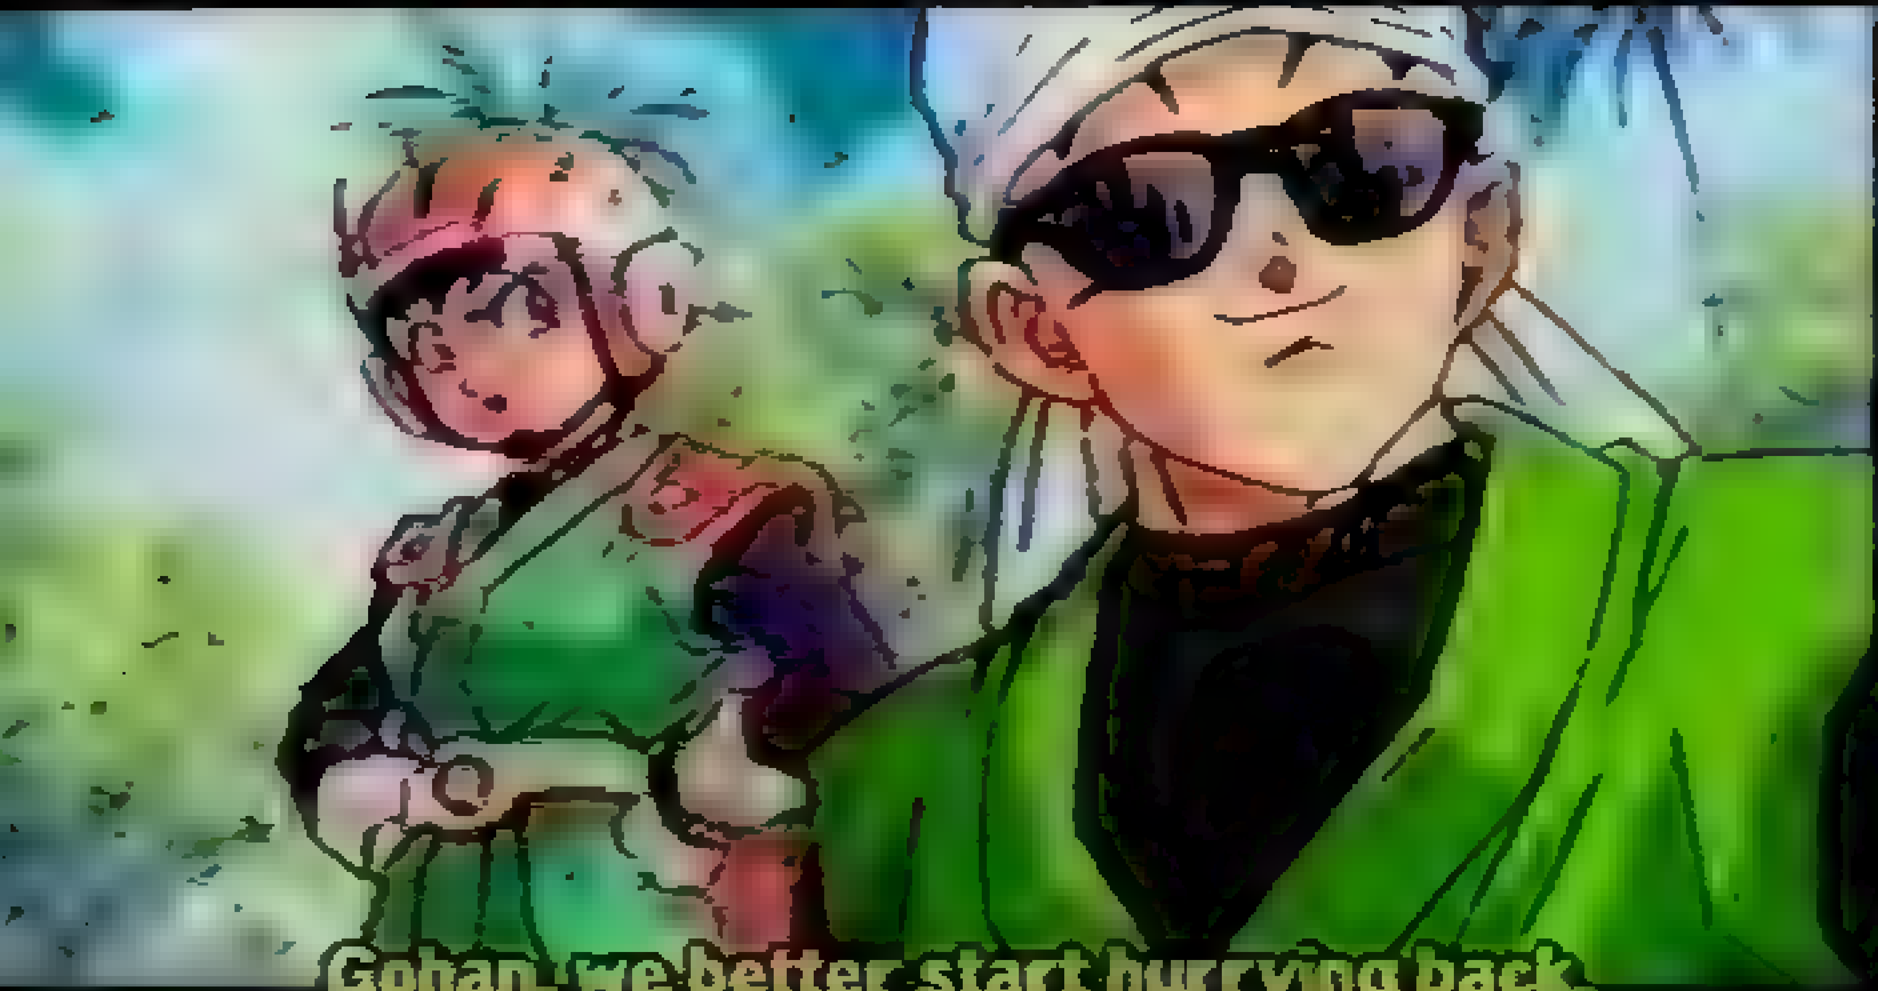

You're telling me that you don't the
legend about the brave warrior...

...who saved the Konack Planet in the
Southern Galaxy about 1,000 years ago?!

...who saved the Konack Planet in the
Southern Galaxy about 1,000 years ago?!

...who saved the Konack Planet in the
Southern Galaxy about 1,000 years ago?!

Gohan, we better start hurrying back.

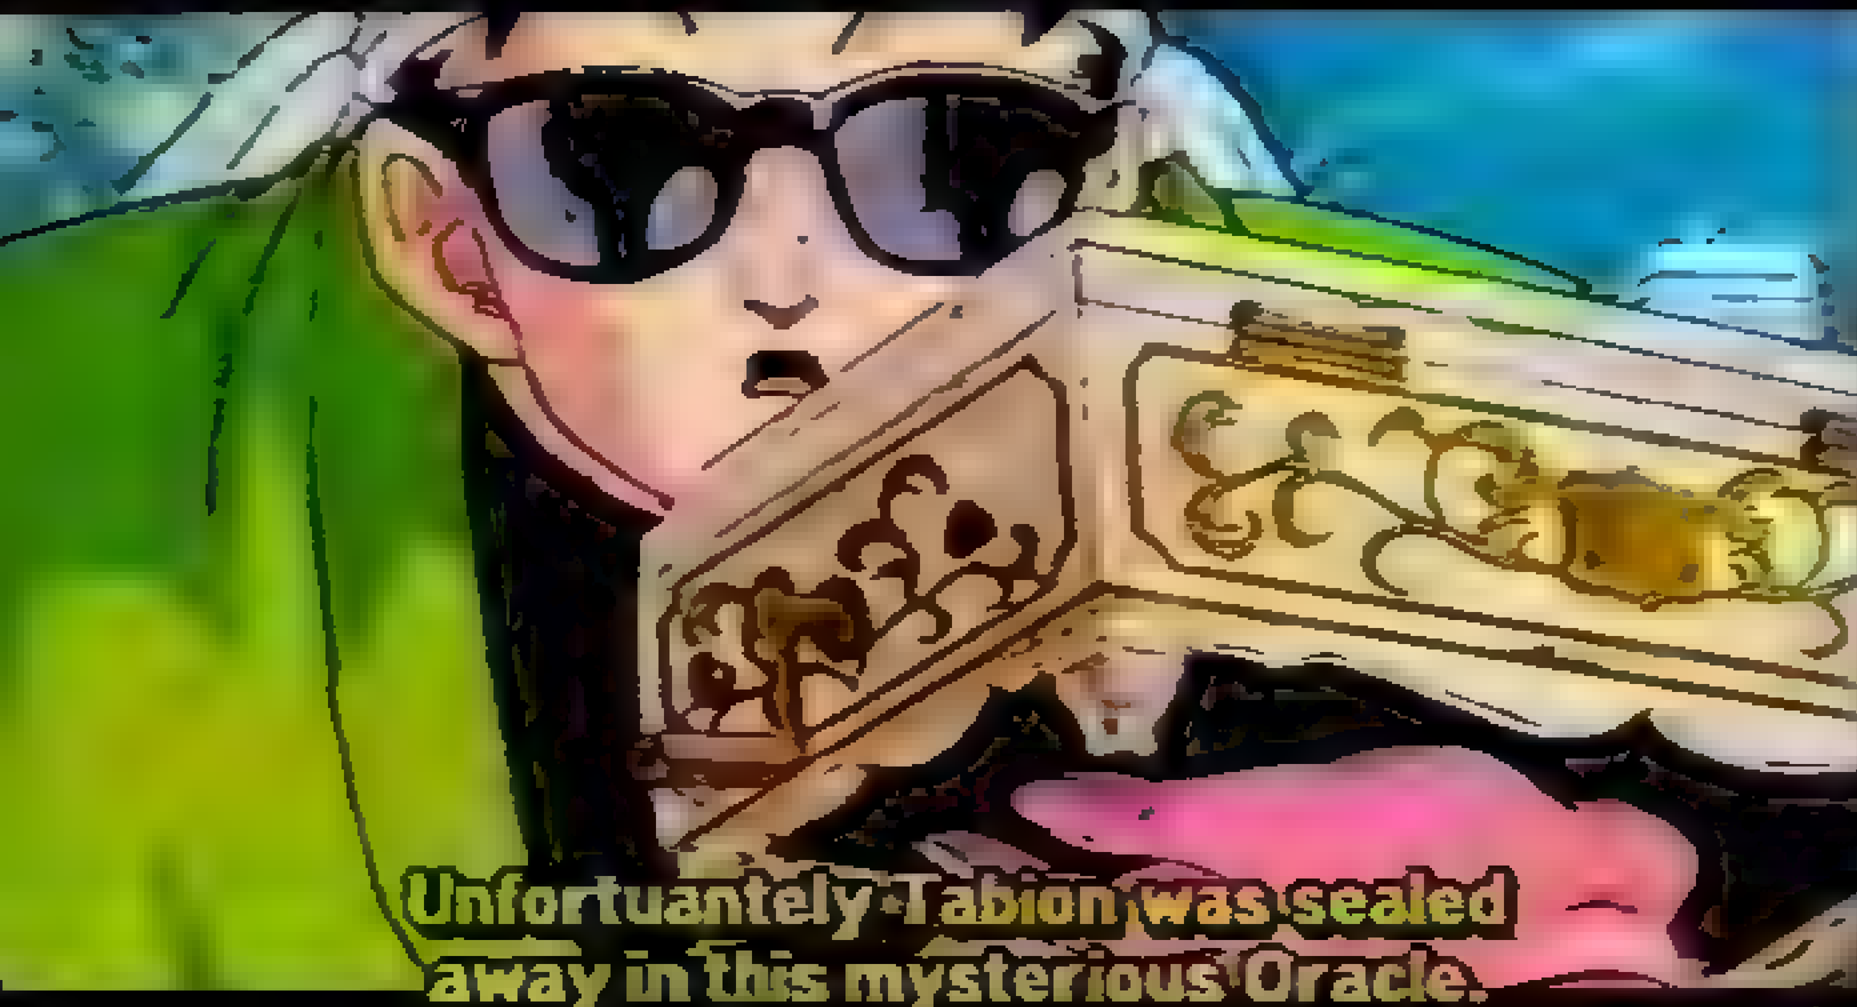

Gohan, we better start hurrying back.

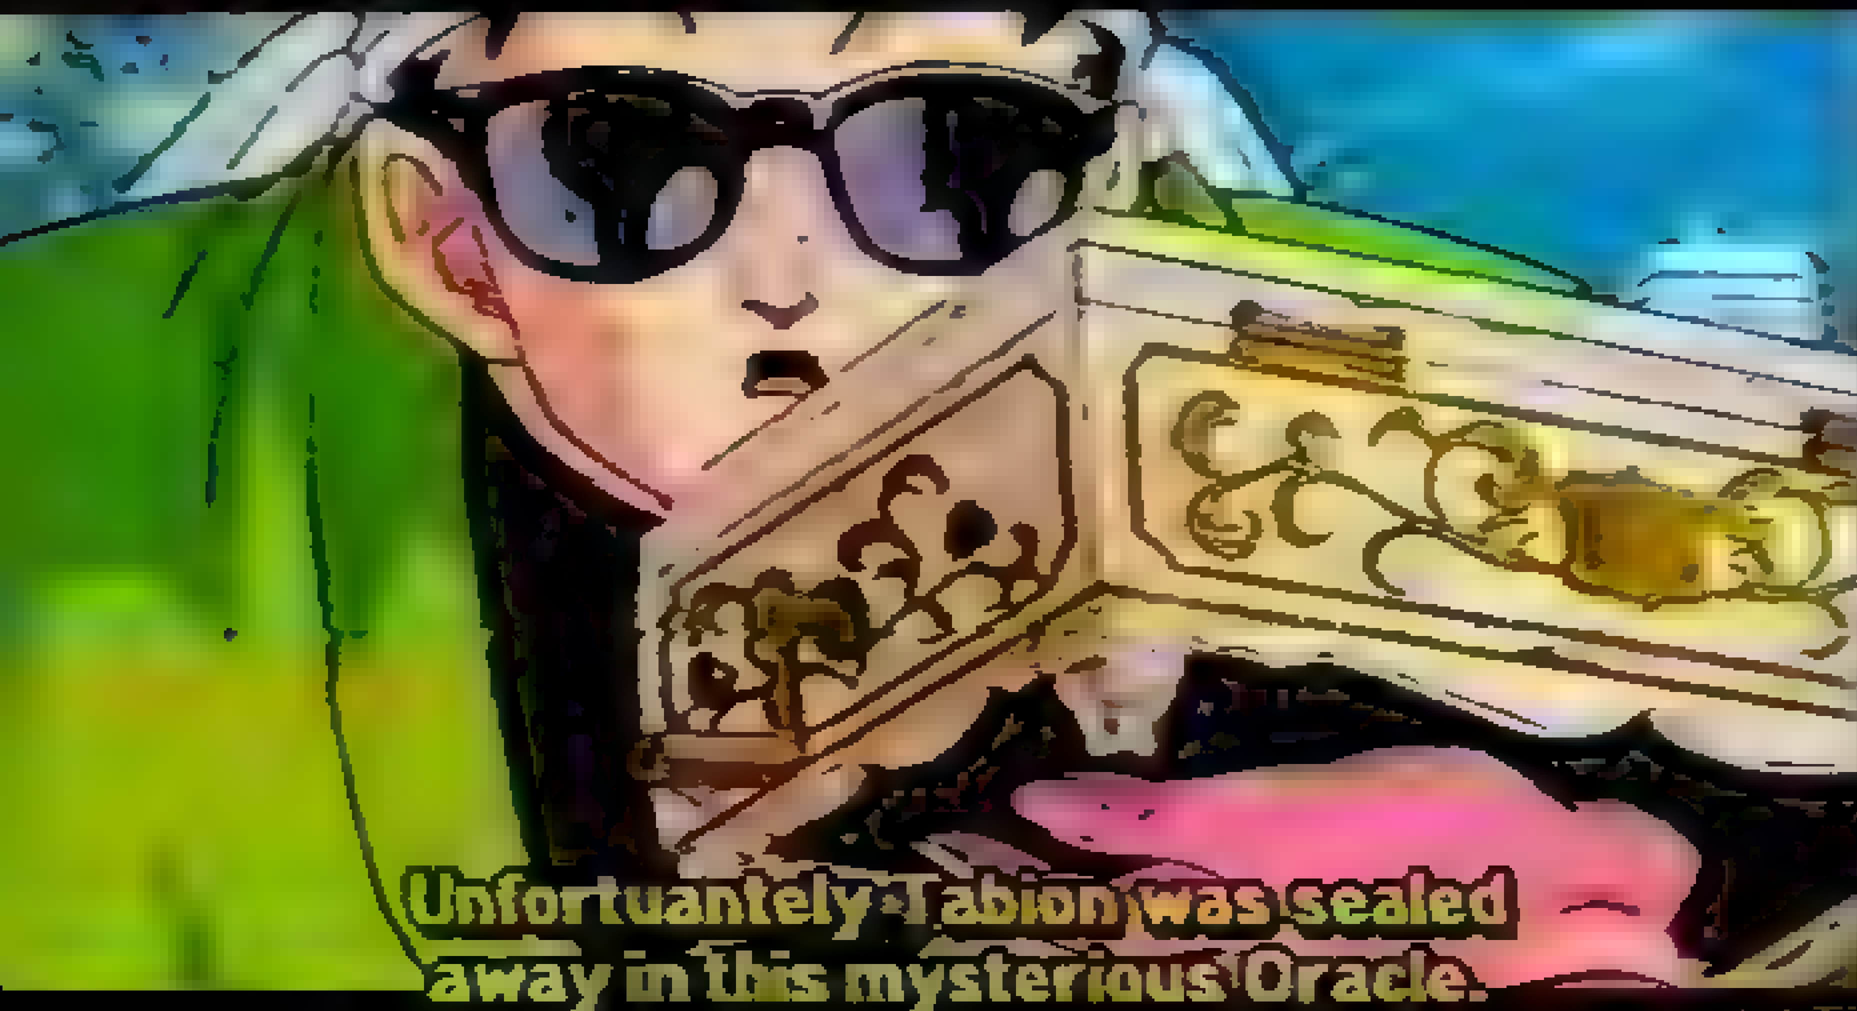

I want to meet him.

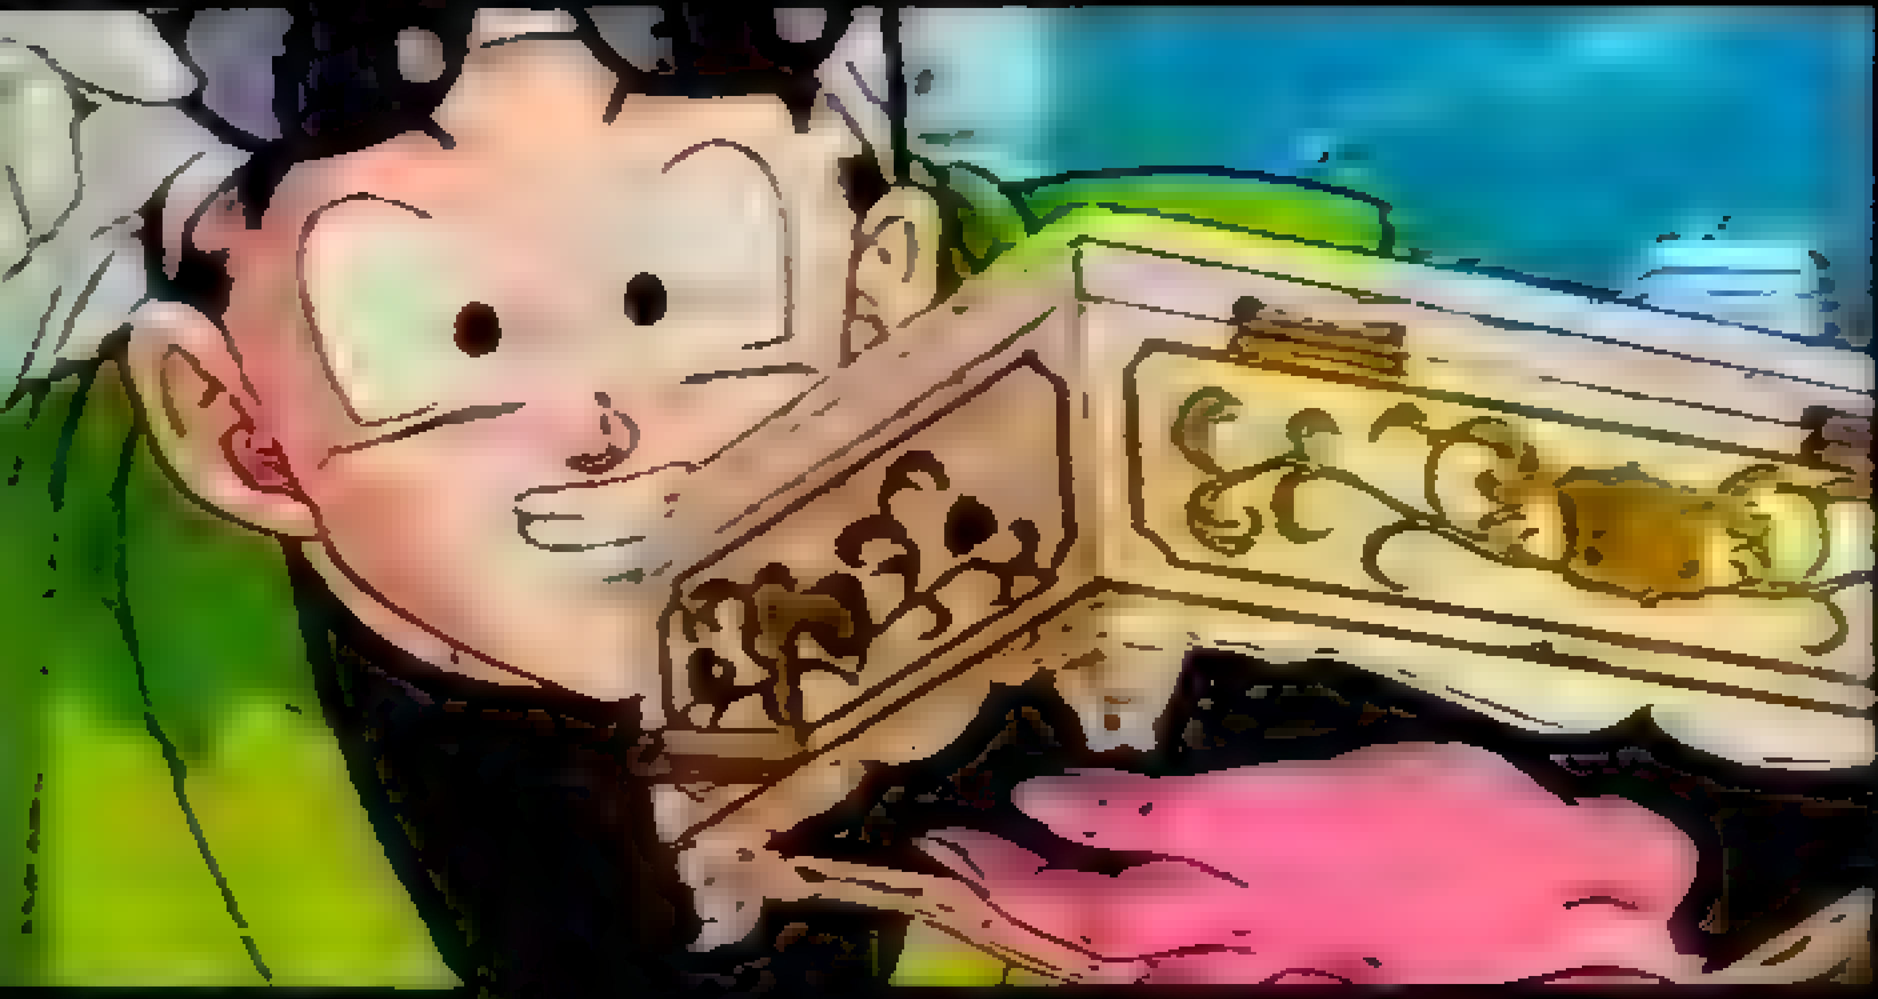

Can I meet him?

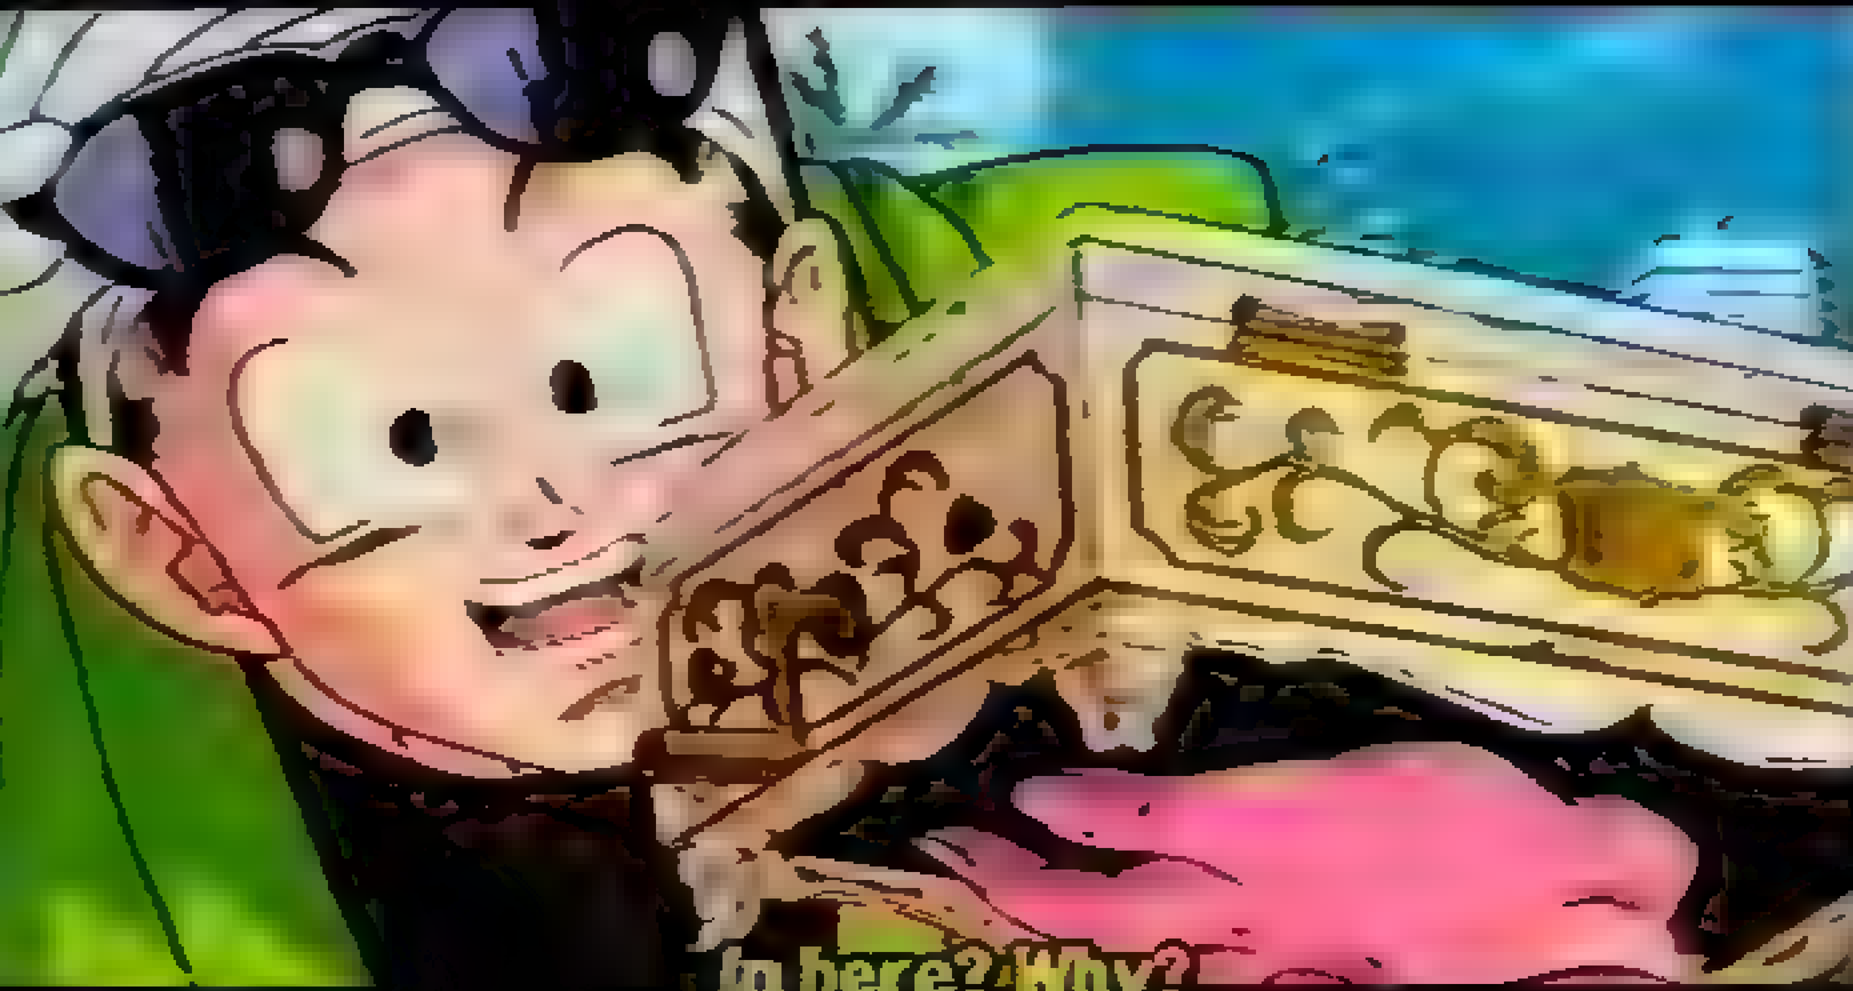

I wish I could help you.

Unfortuantely Tabion was sealed
away in this mysterious Oracle.

Unfortuantely Tabion was sealed
away in this mysterious Oracle.

Unfortuantely Tabion was sealed
away in this mysterious Oracle.

In here? Why?

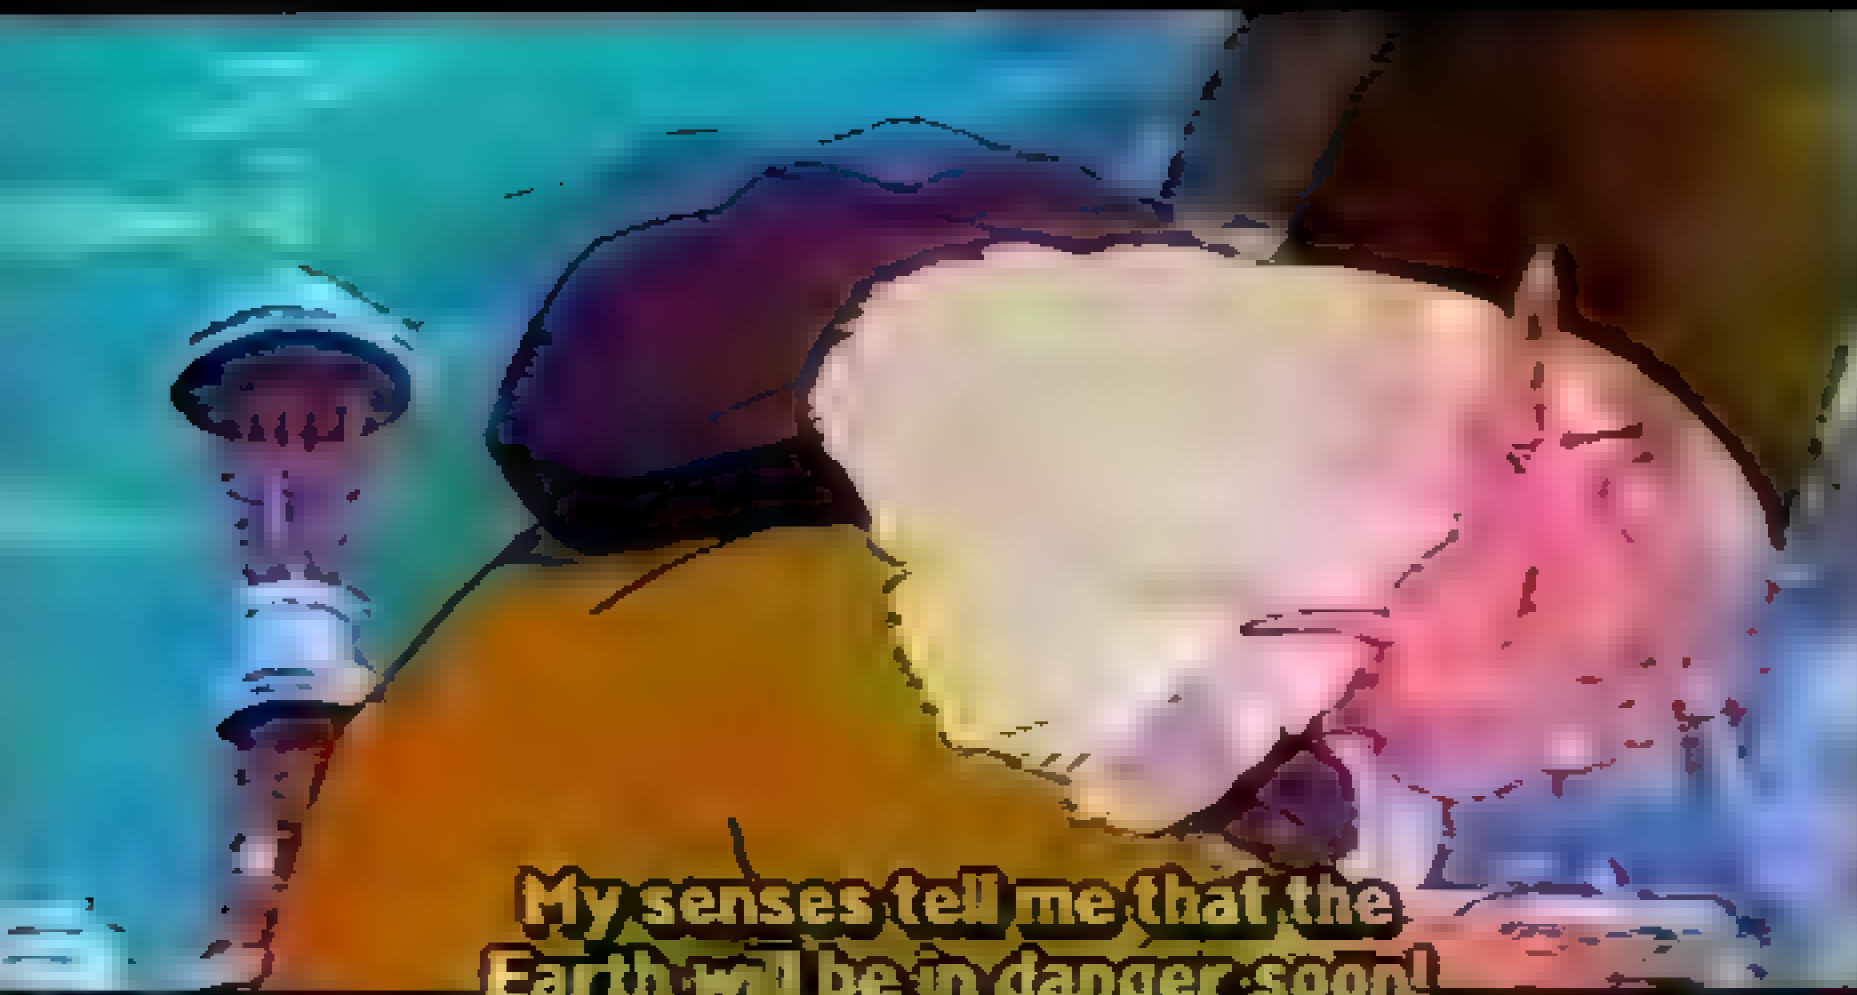

You'll know when he comes back for us.

You'll know when he comes back for us.

Let's go back, Gohan!

Wait a minute.
Old man, explain it to me!

My senses tell me that the
Earth will be in danger soon!

My senses tell me that the
Earth will be in danger soon!

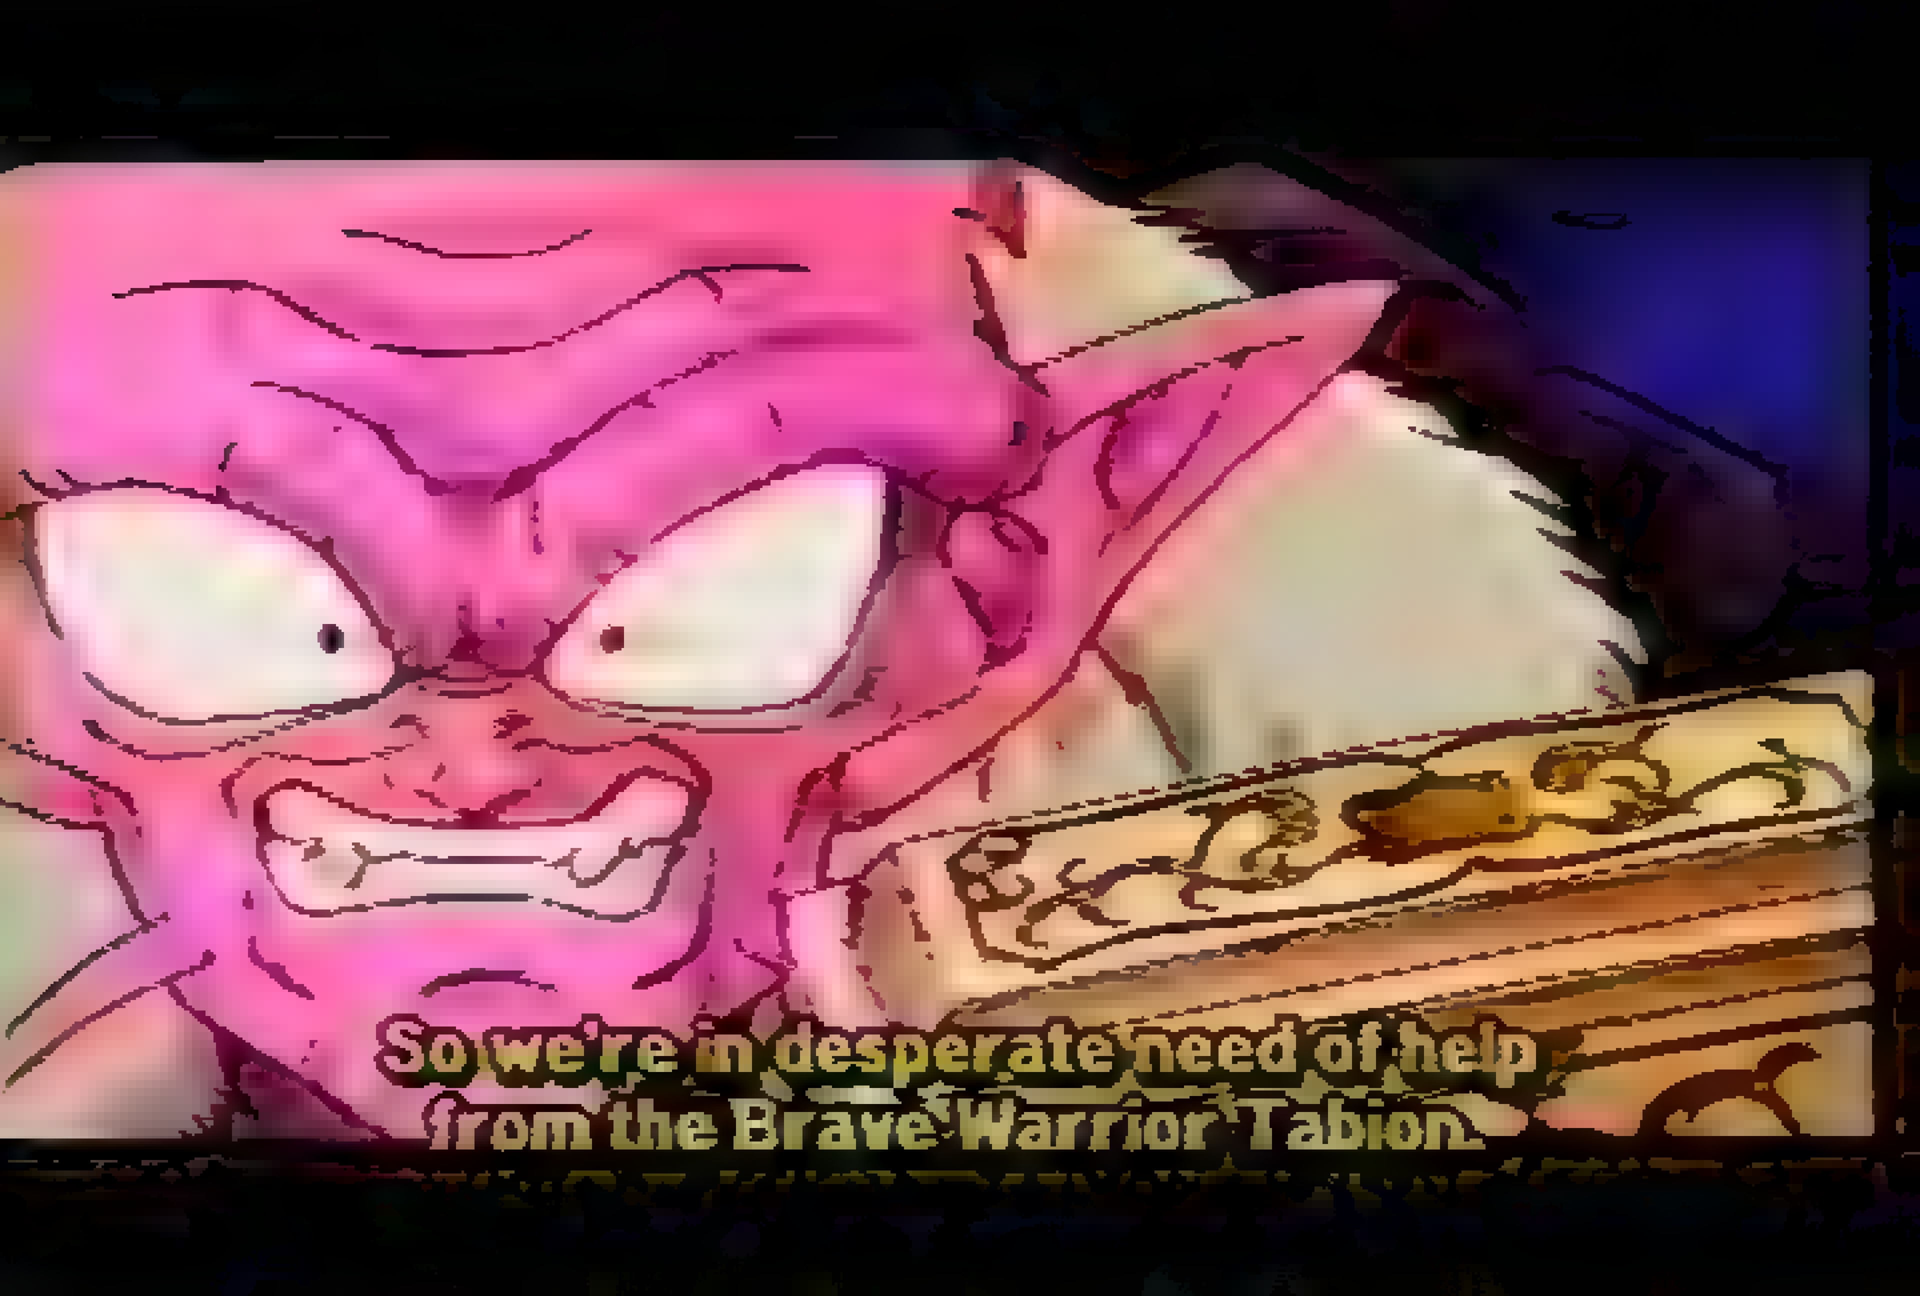

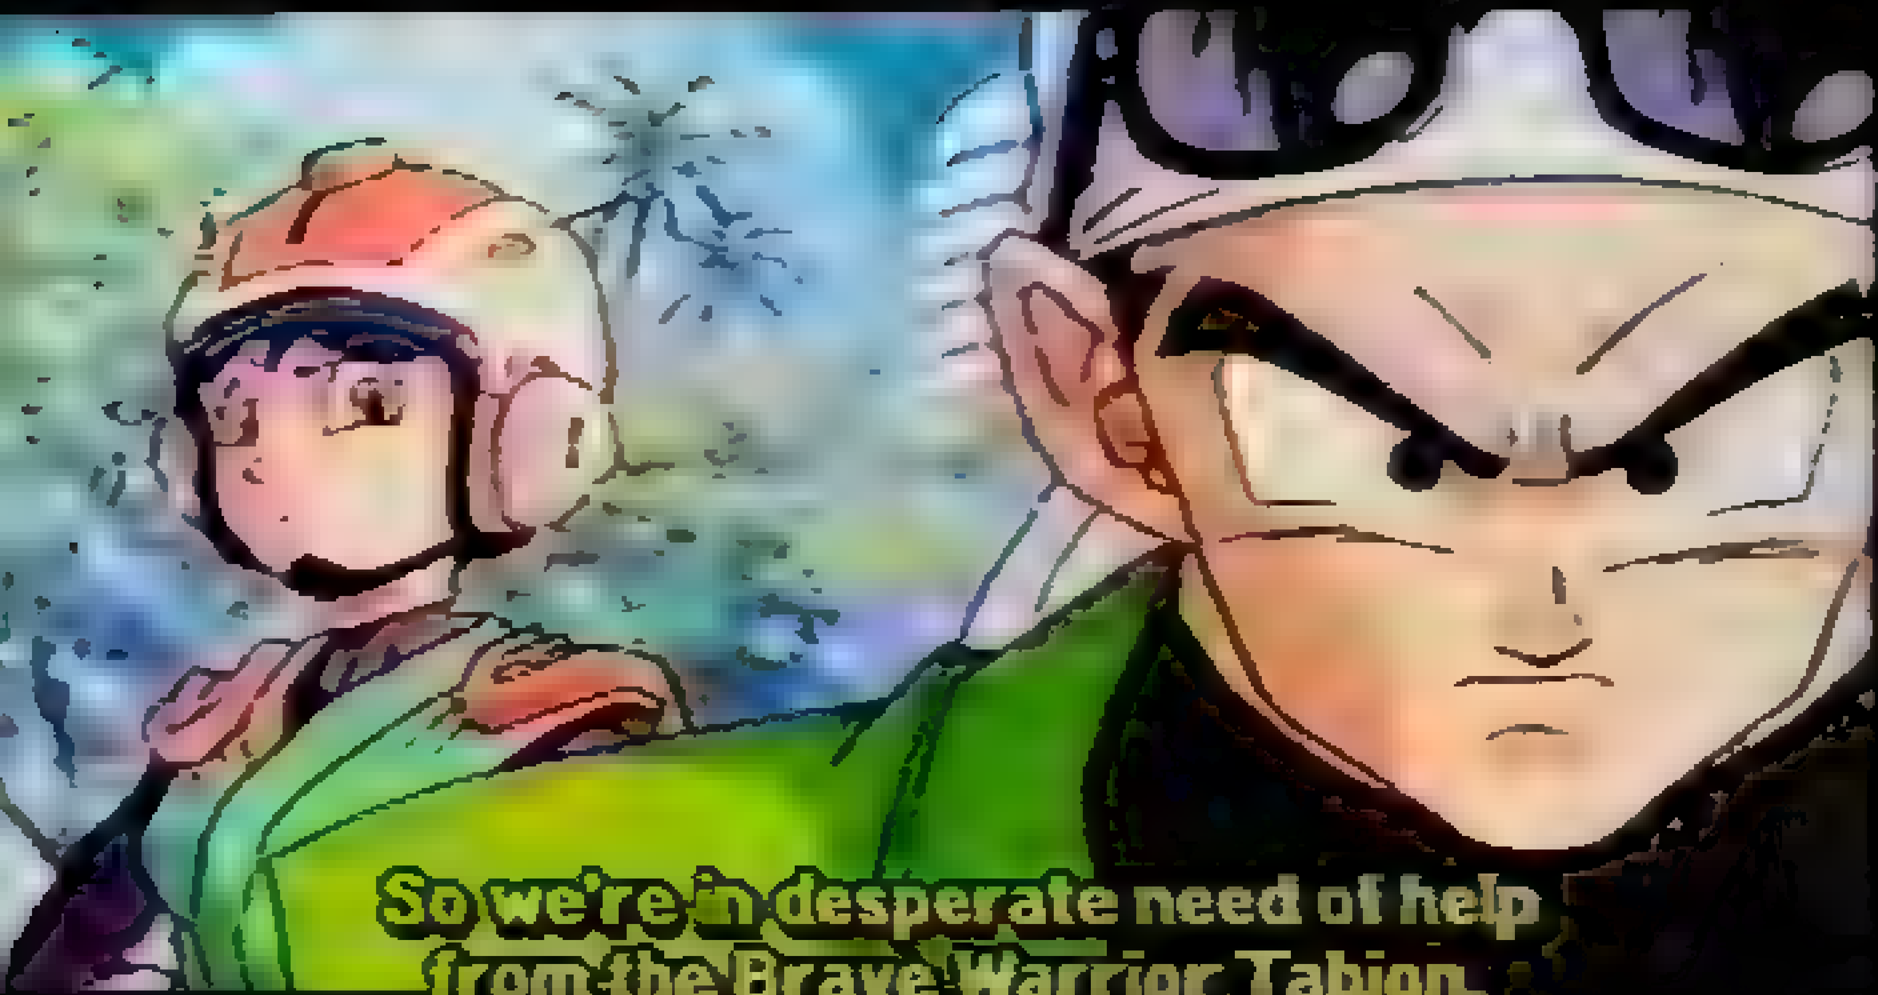

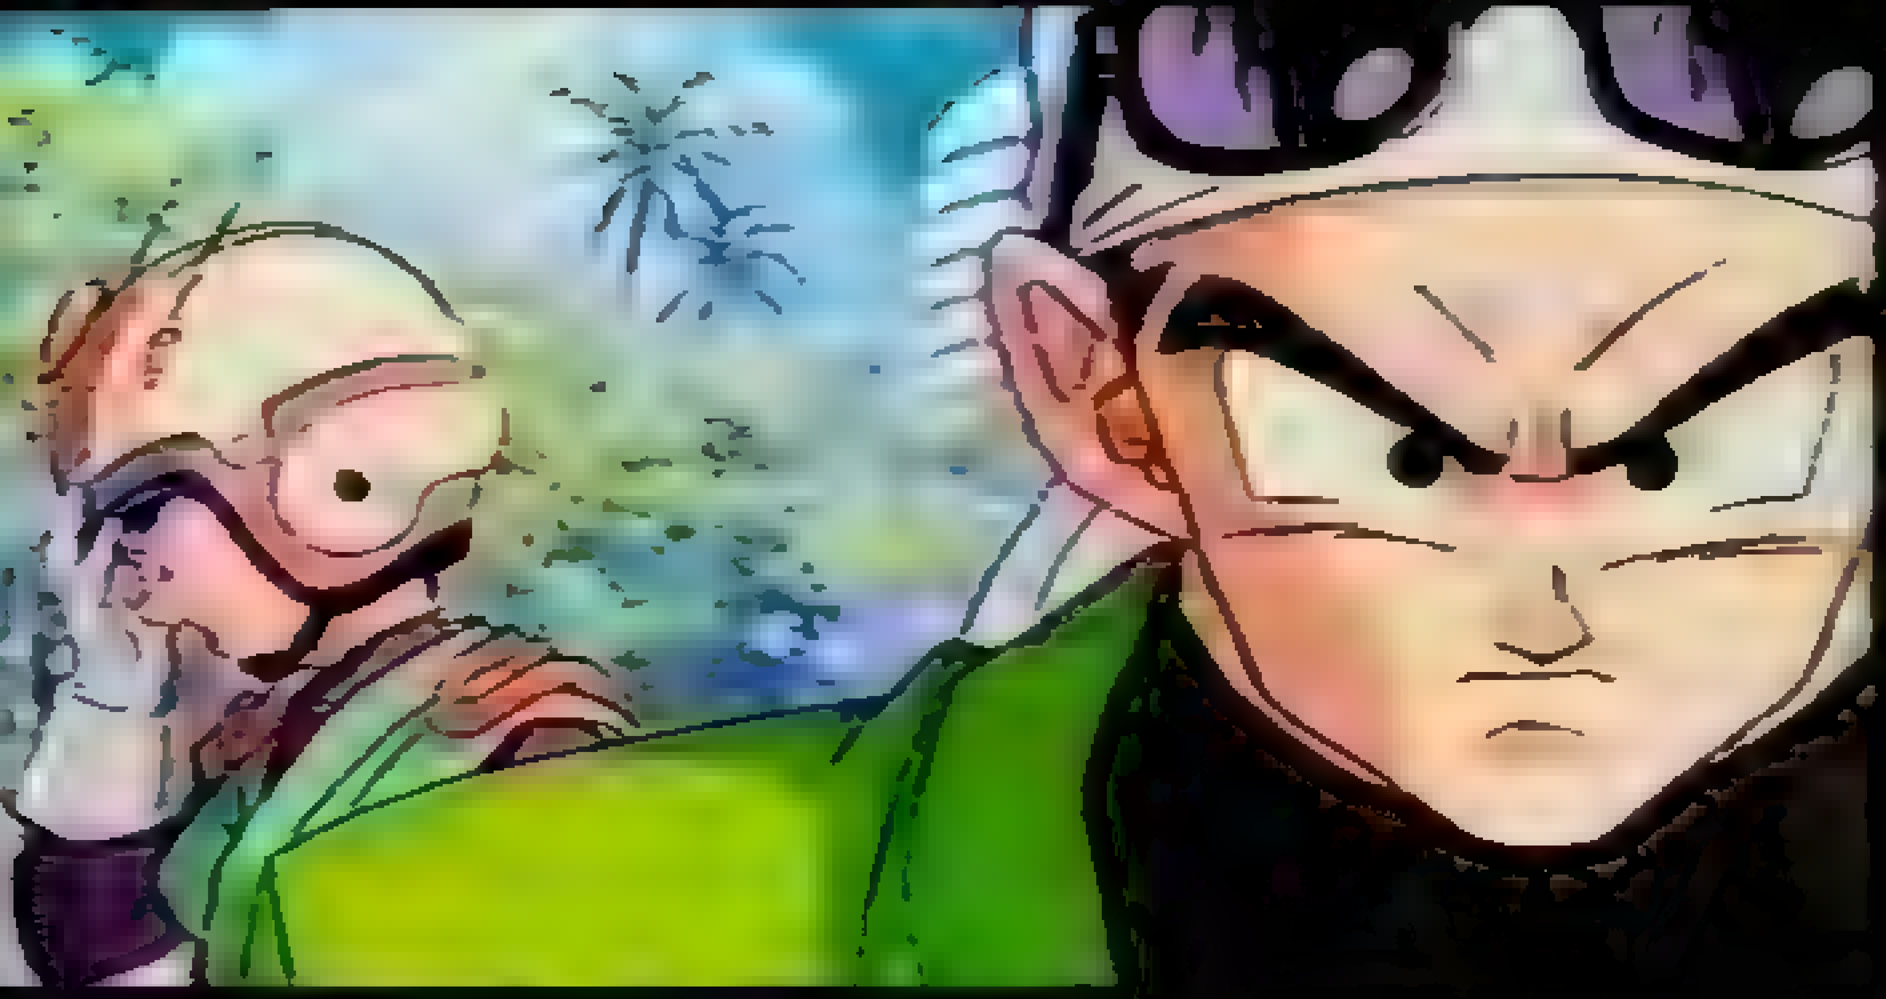

Something evil that's capable of destroying
entire galaxies is approaching Earth now.

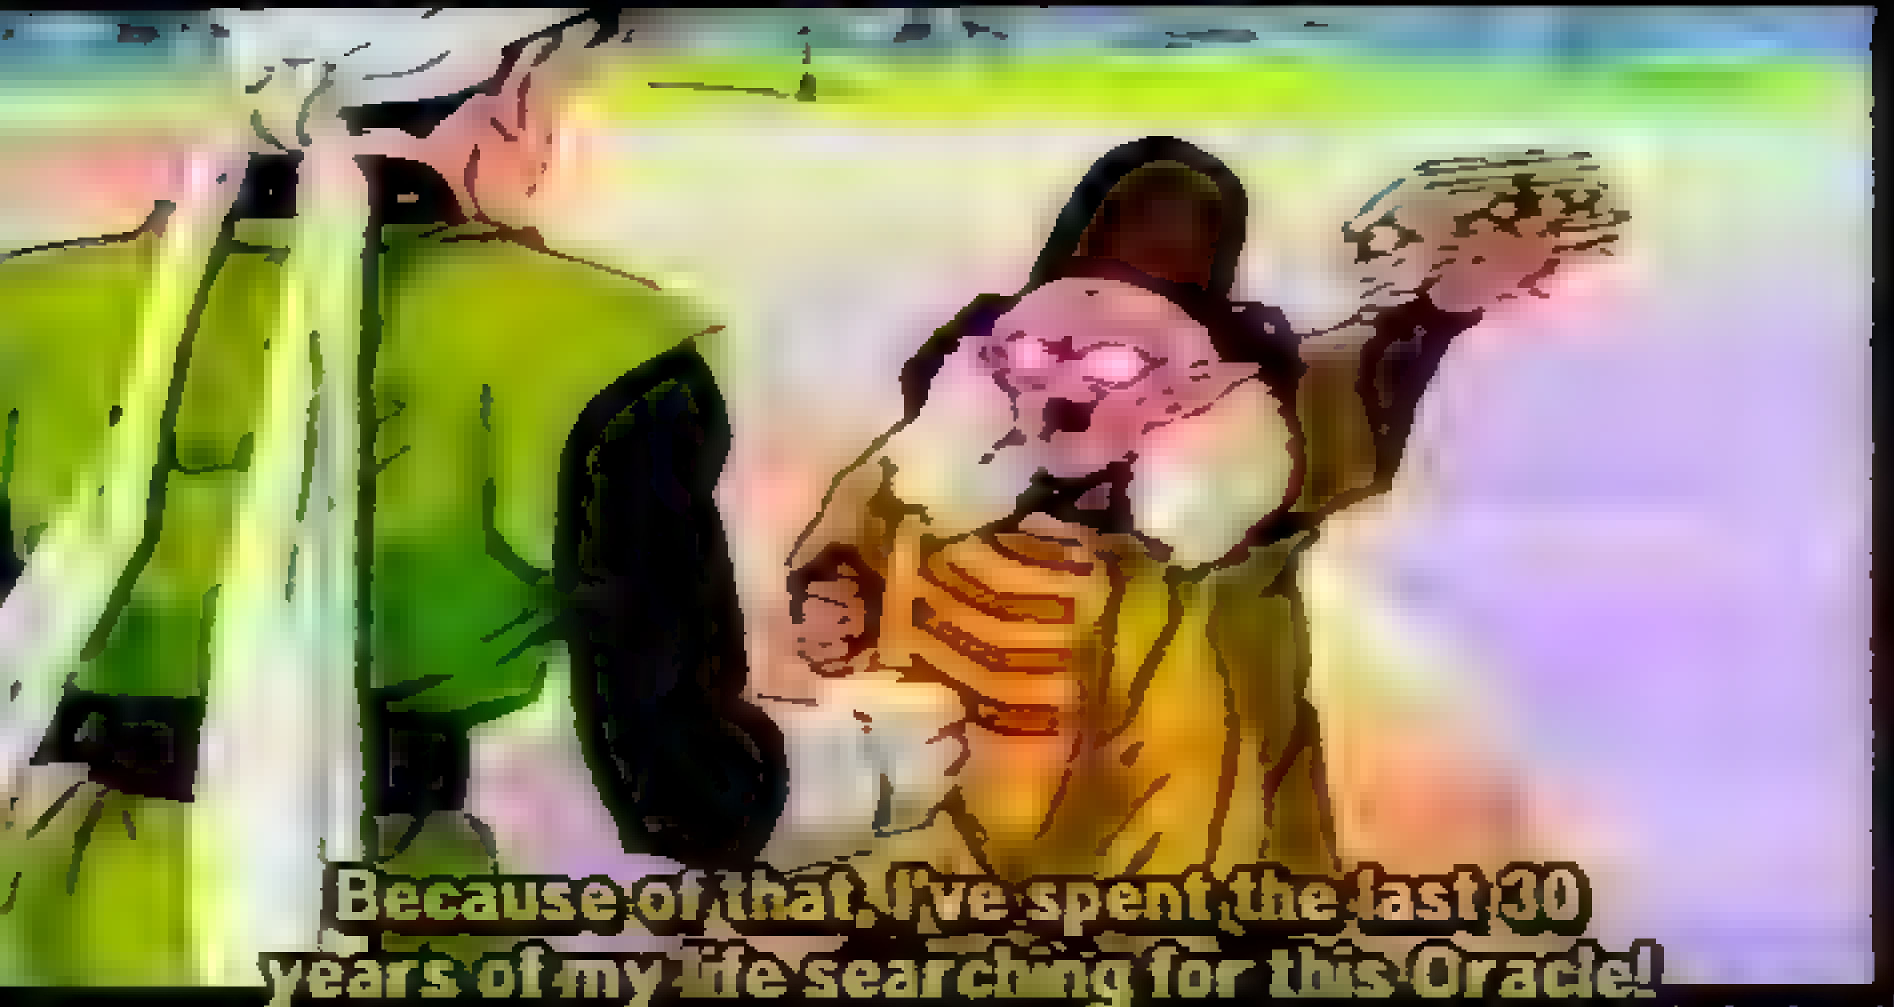

Something evil that's capable of destroying
entire galaxies is approaching Earth now.

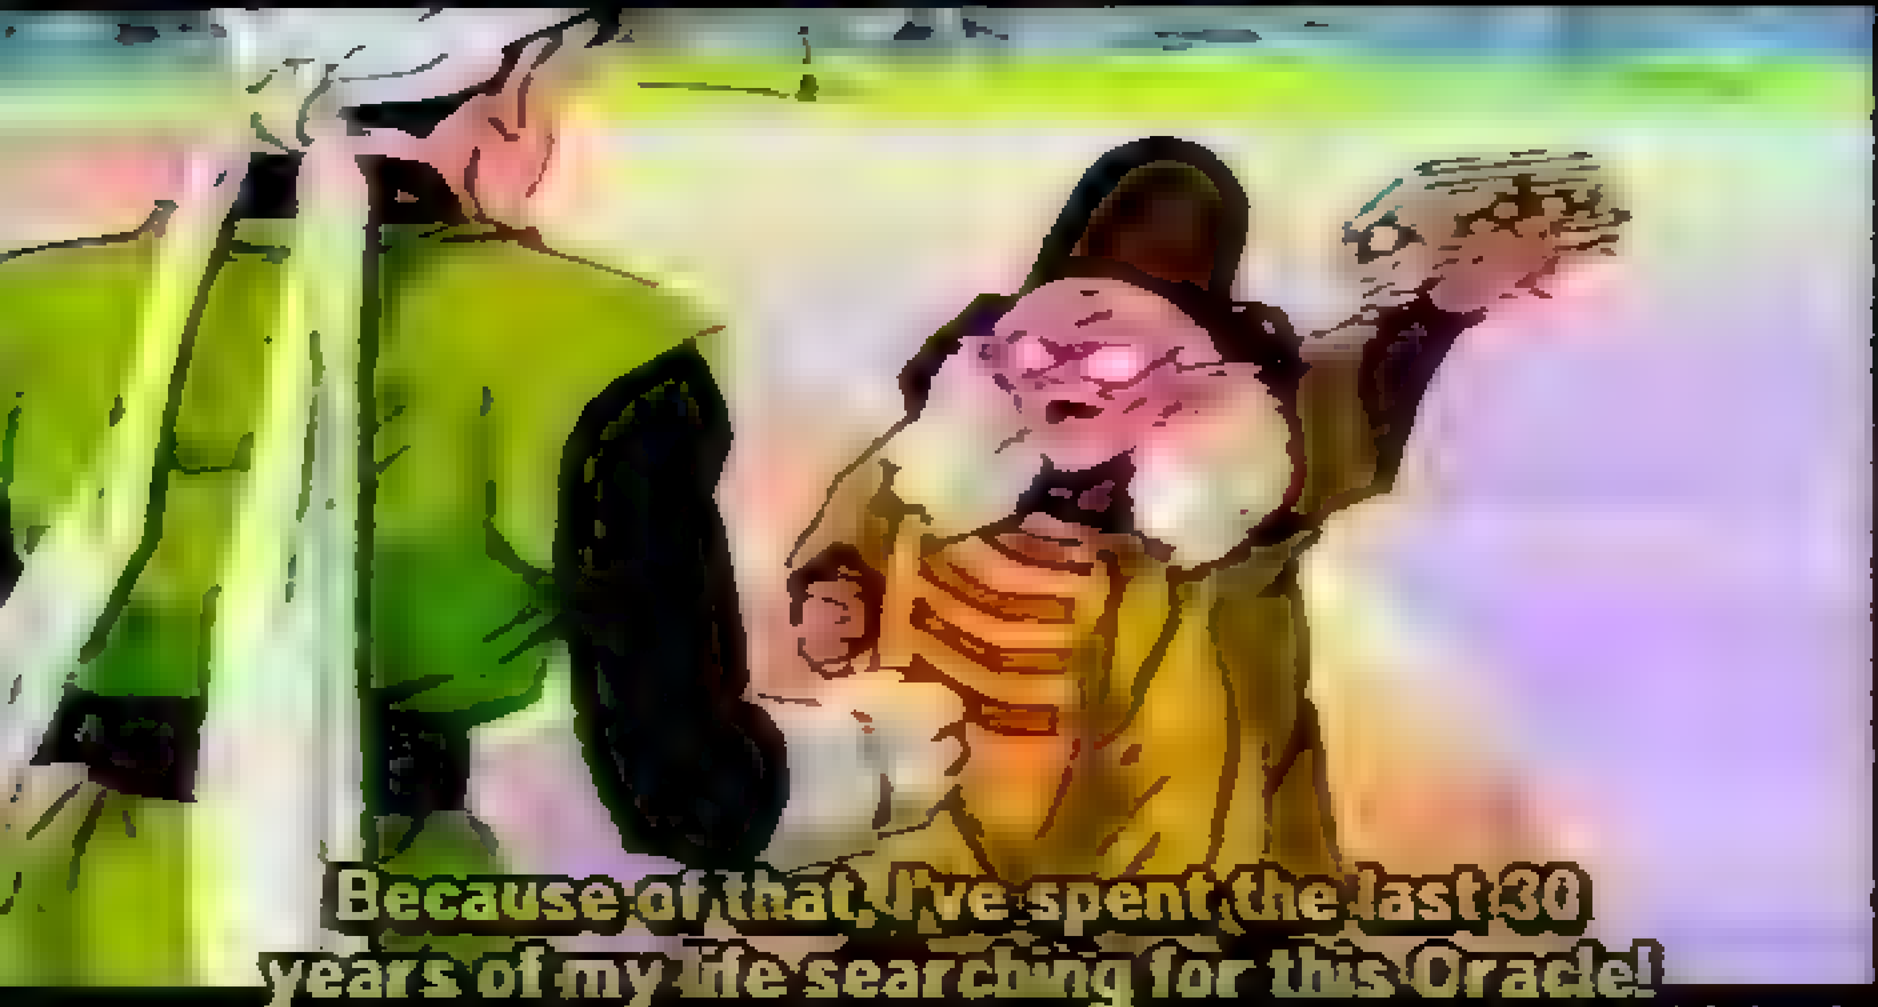

So we're in desperate need of help
from the Brave Warrior Tabion.

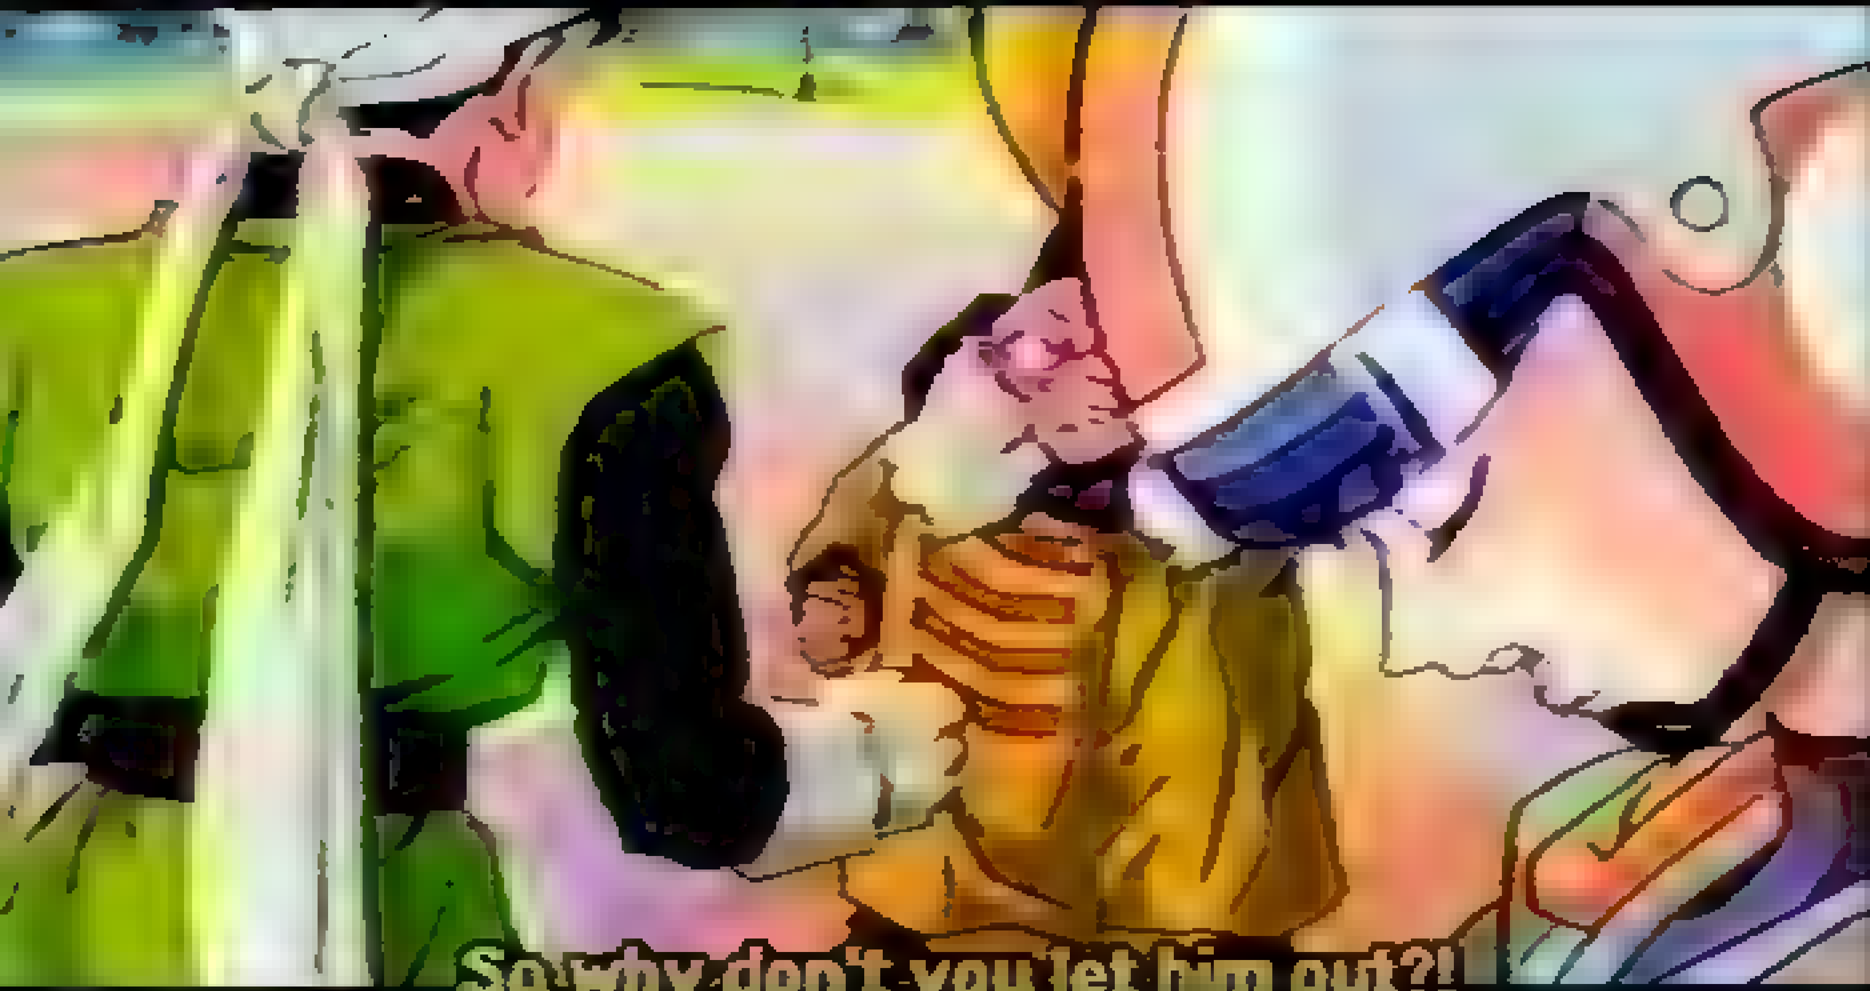

So we're in desperate need of help
from the Brave Warrior Tabion.

So we're in desperate need of help
from the Brave Warrior Tabion.

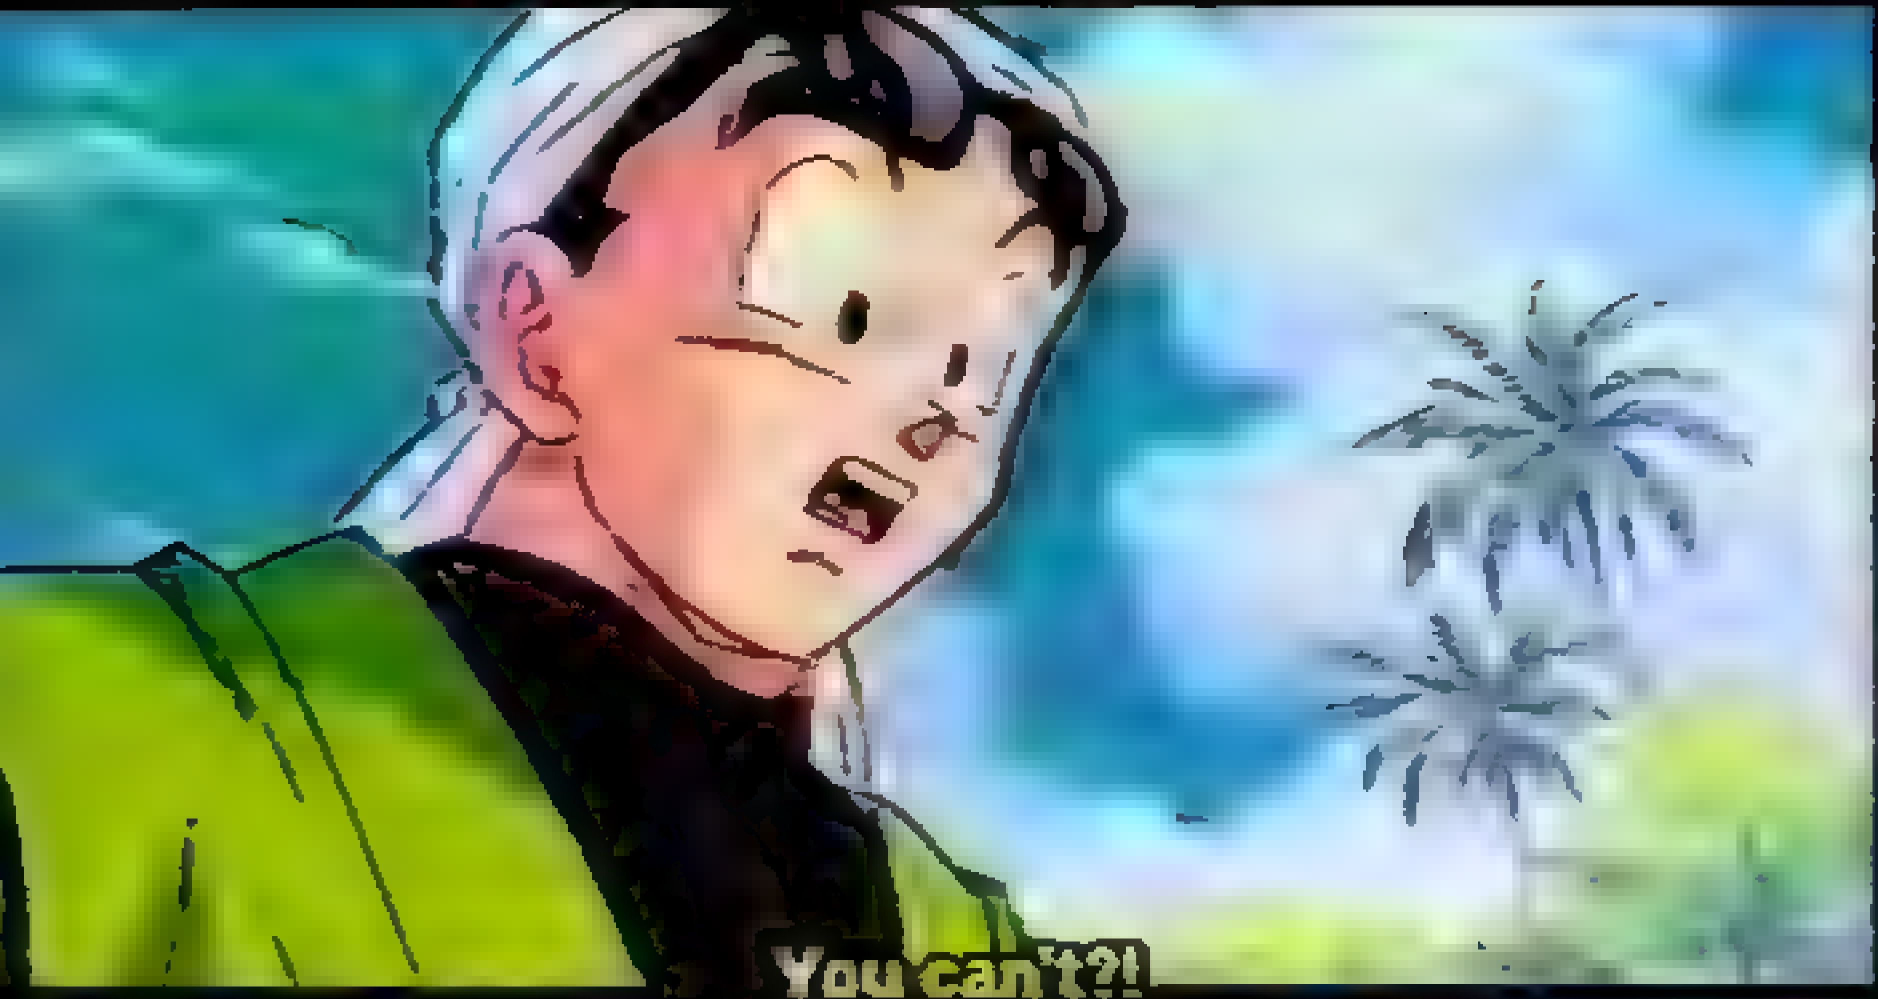

Because of that, I've spent the last 30
years of my life searching for this Oracle!

Because of that, I've spent the last 30
years of my life searching for this Oracle!

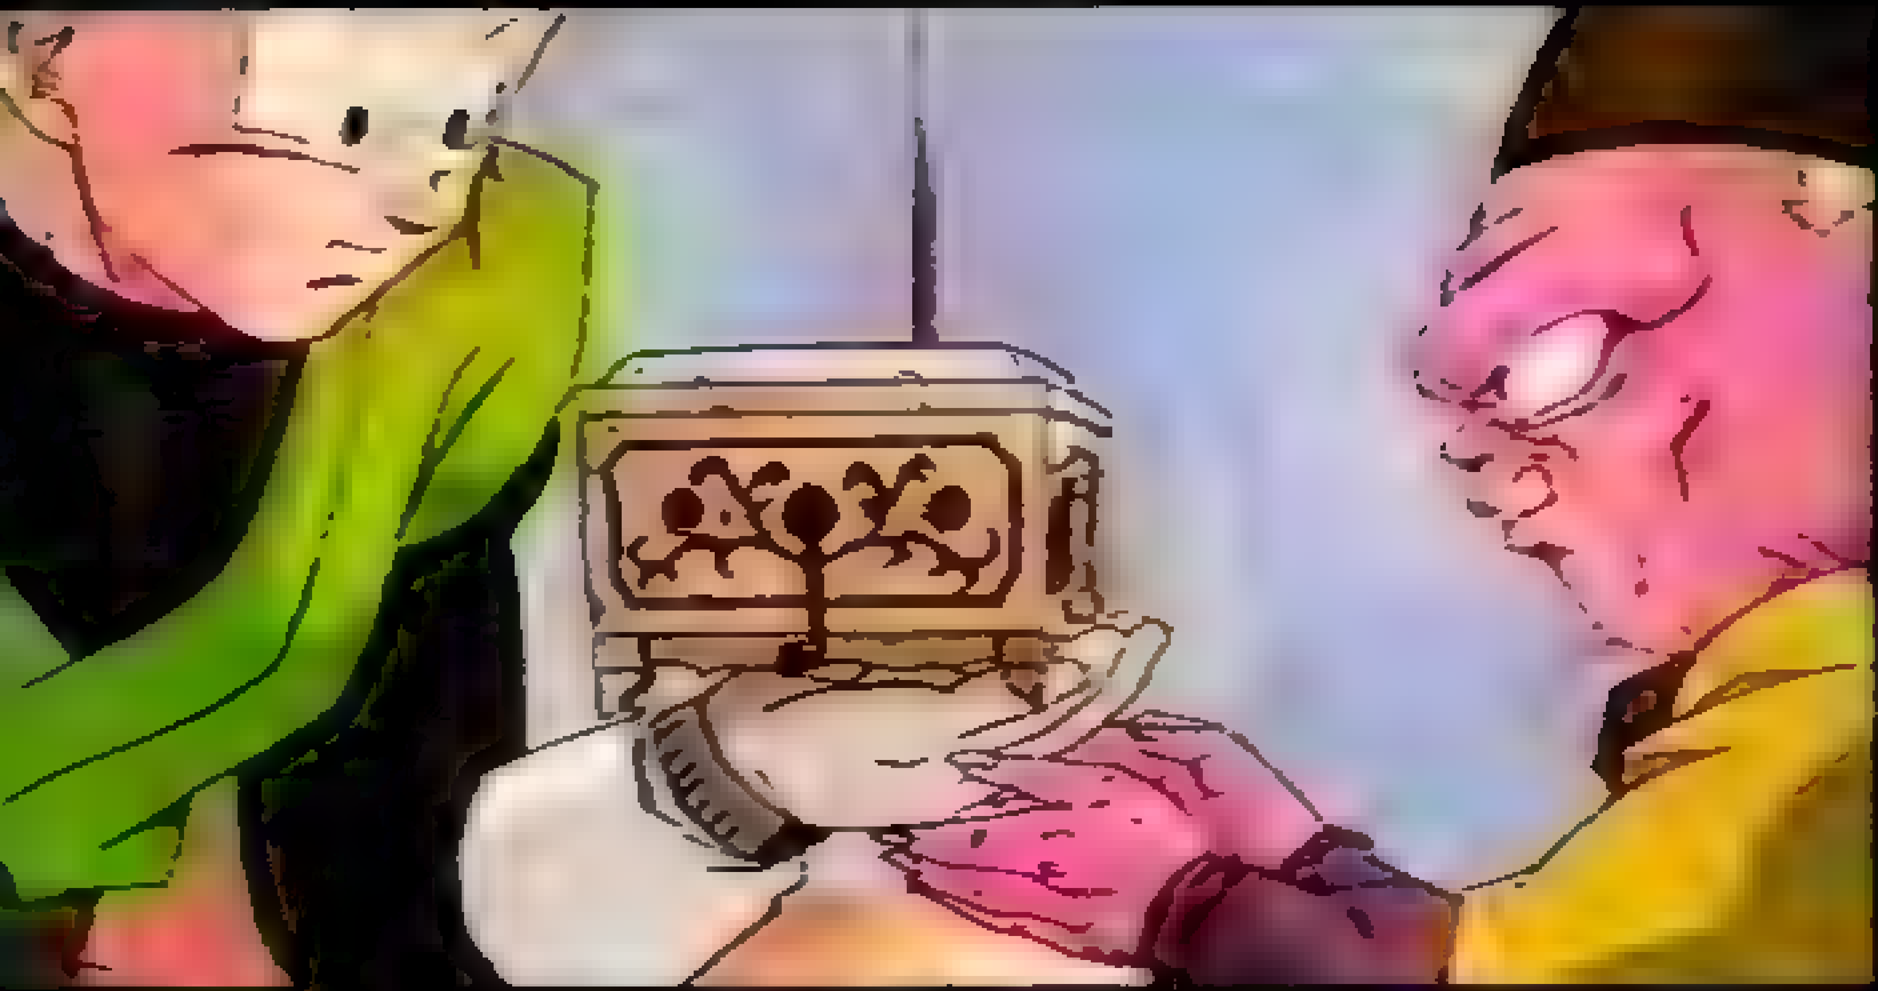

So why don't you let him out?!

So why don't you let him out?!

I would've done it already I could!

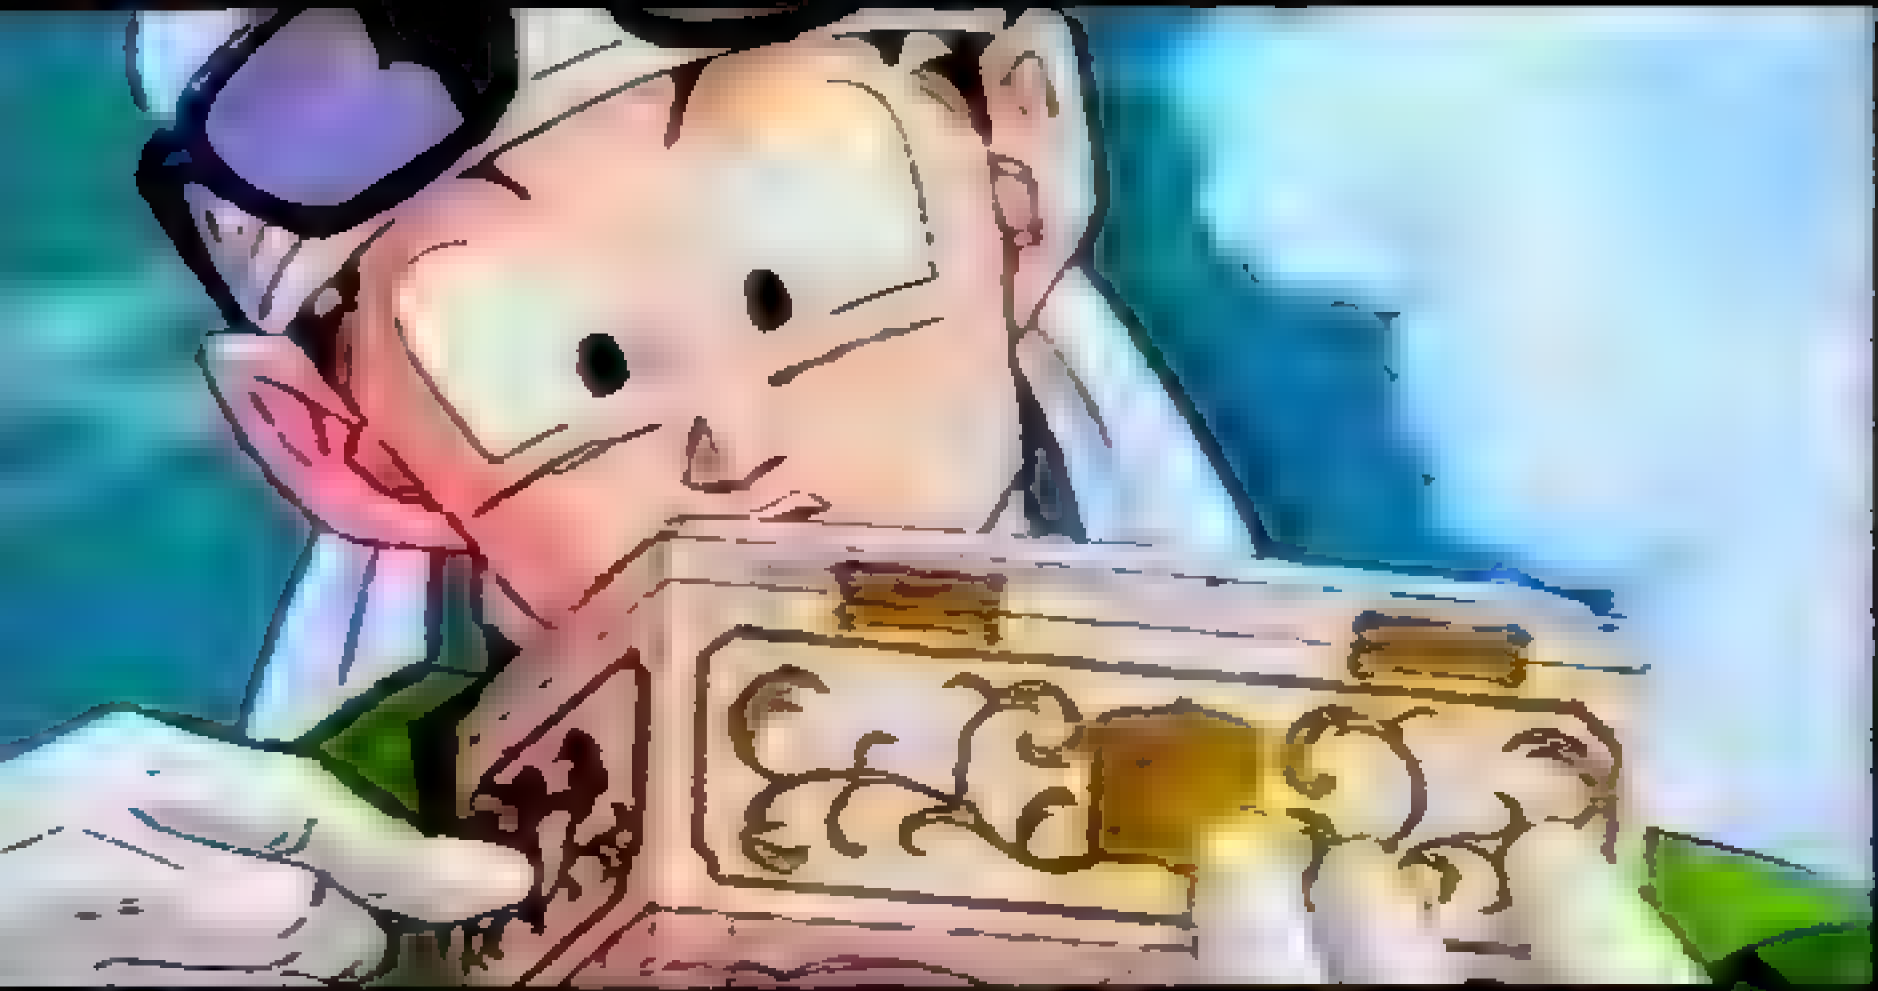

You can't?!

Can you crank the music box?

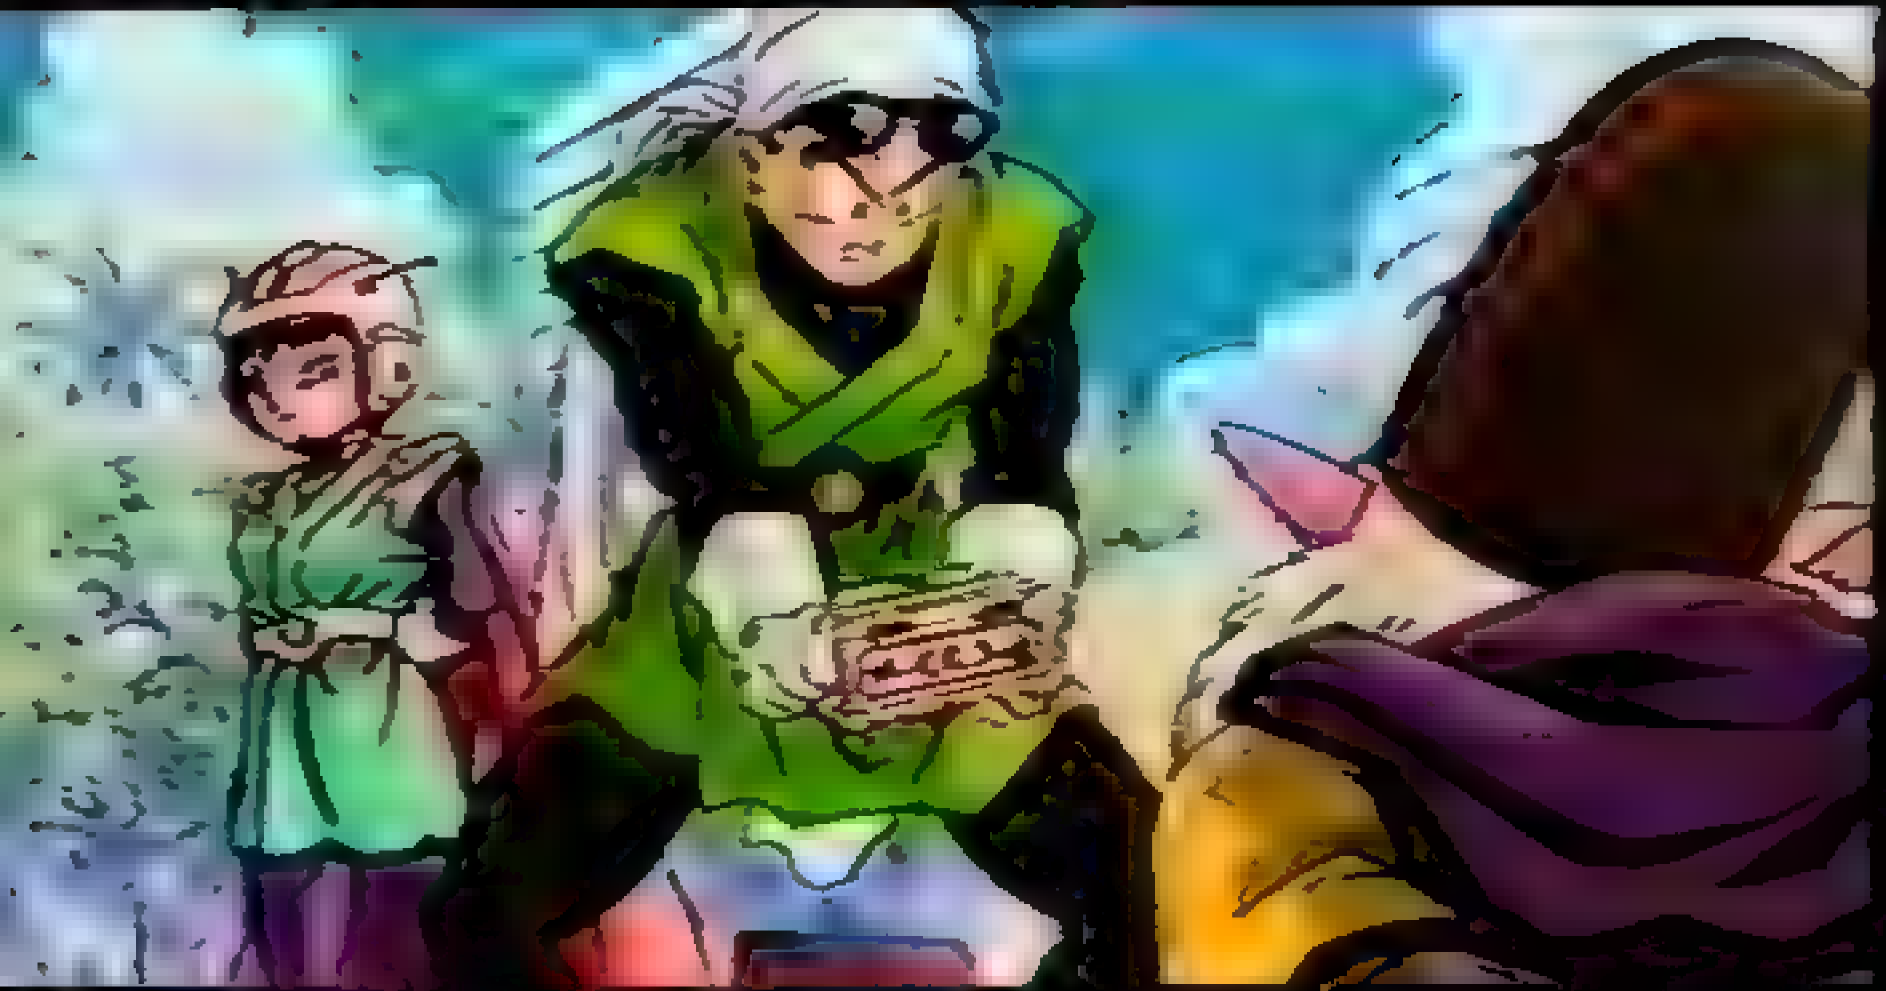

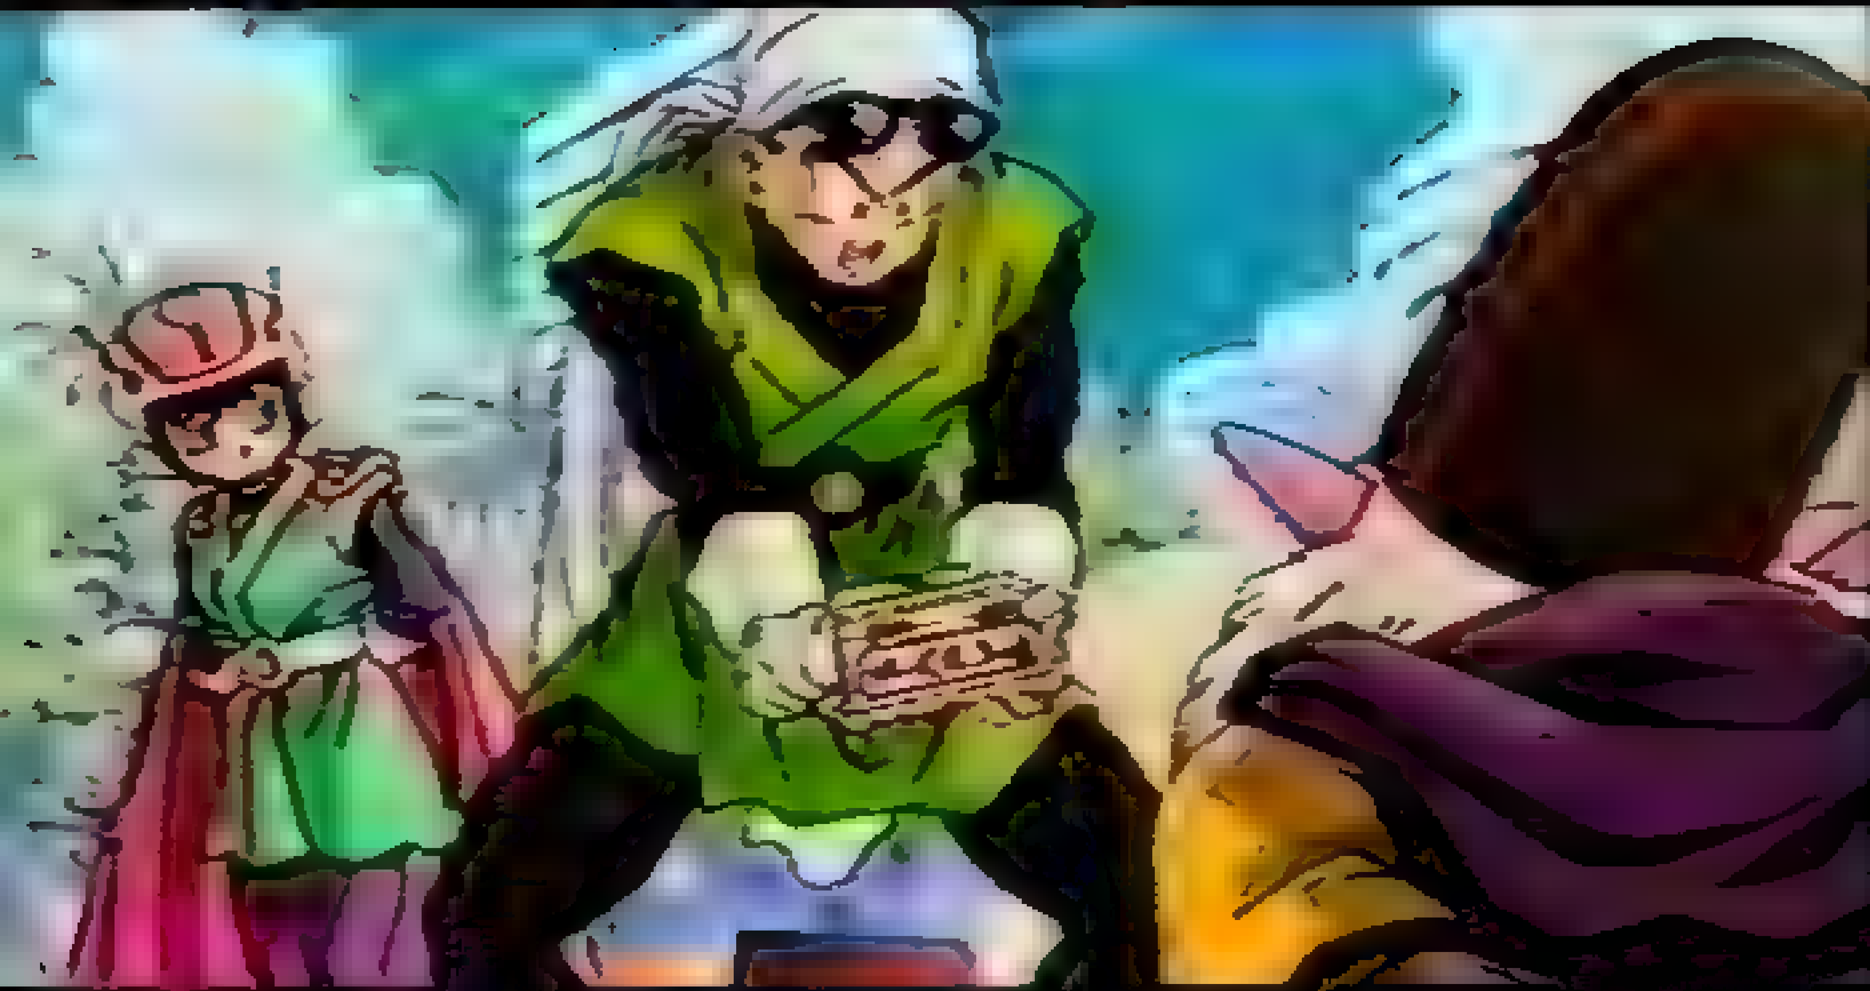

If you can, Tabion will return

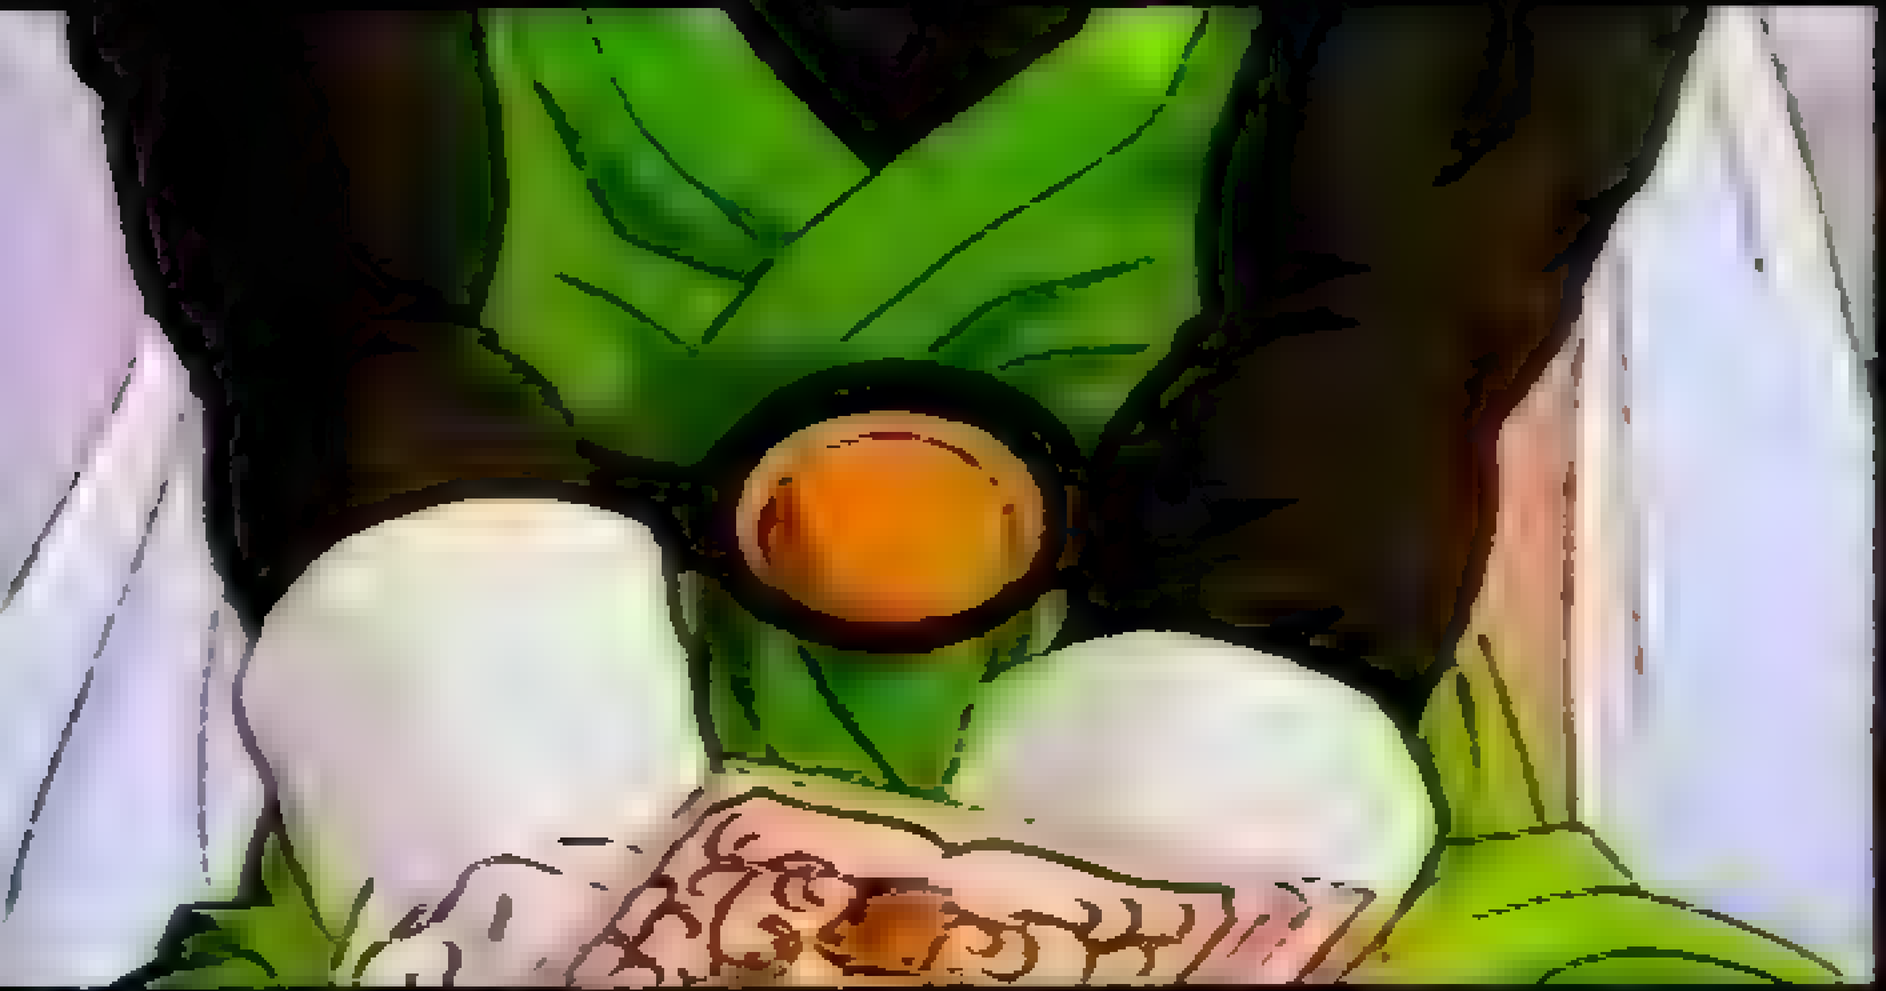

If you can, Tabion will return.

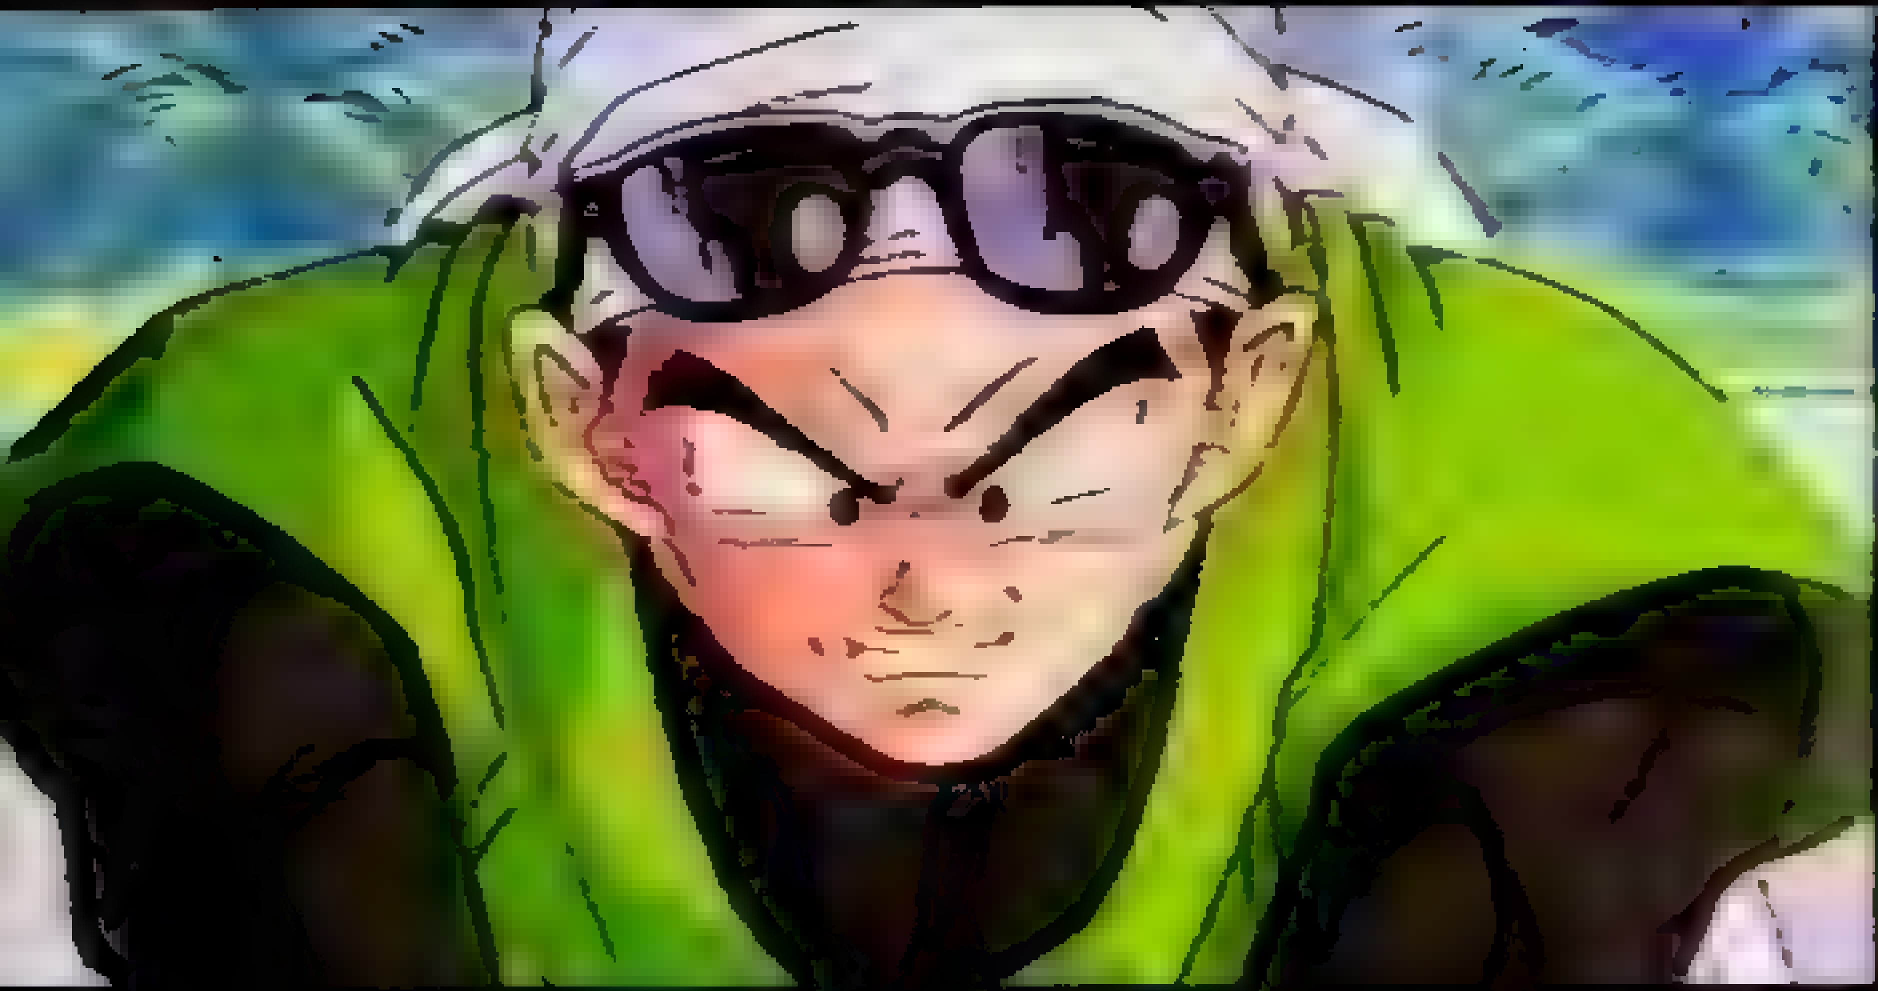

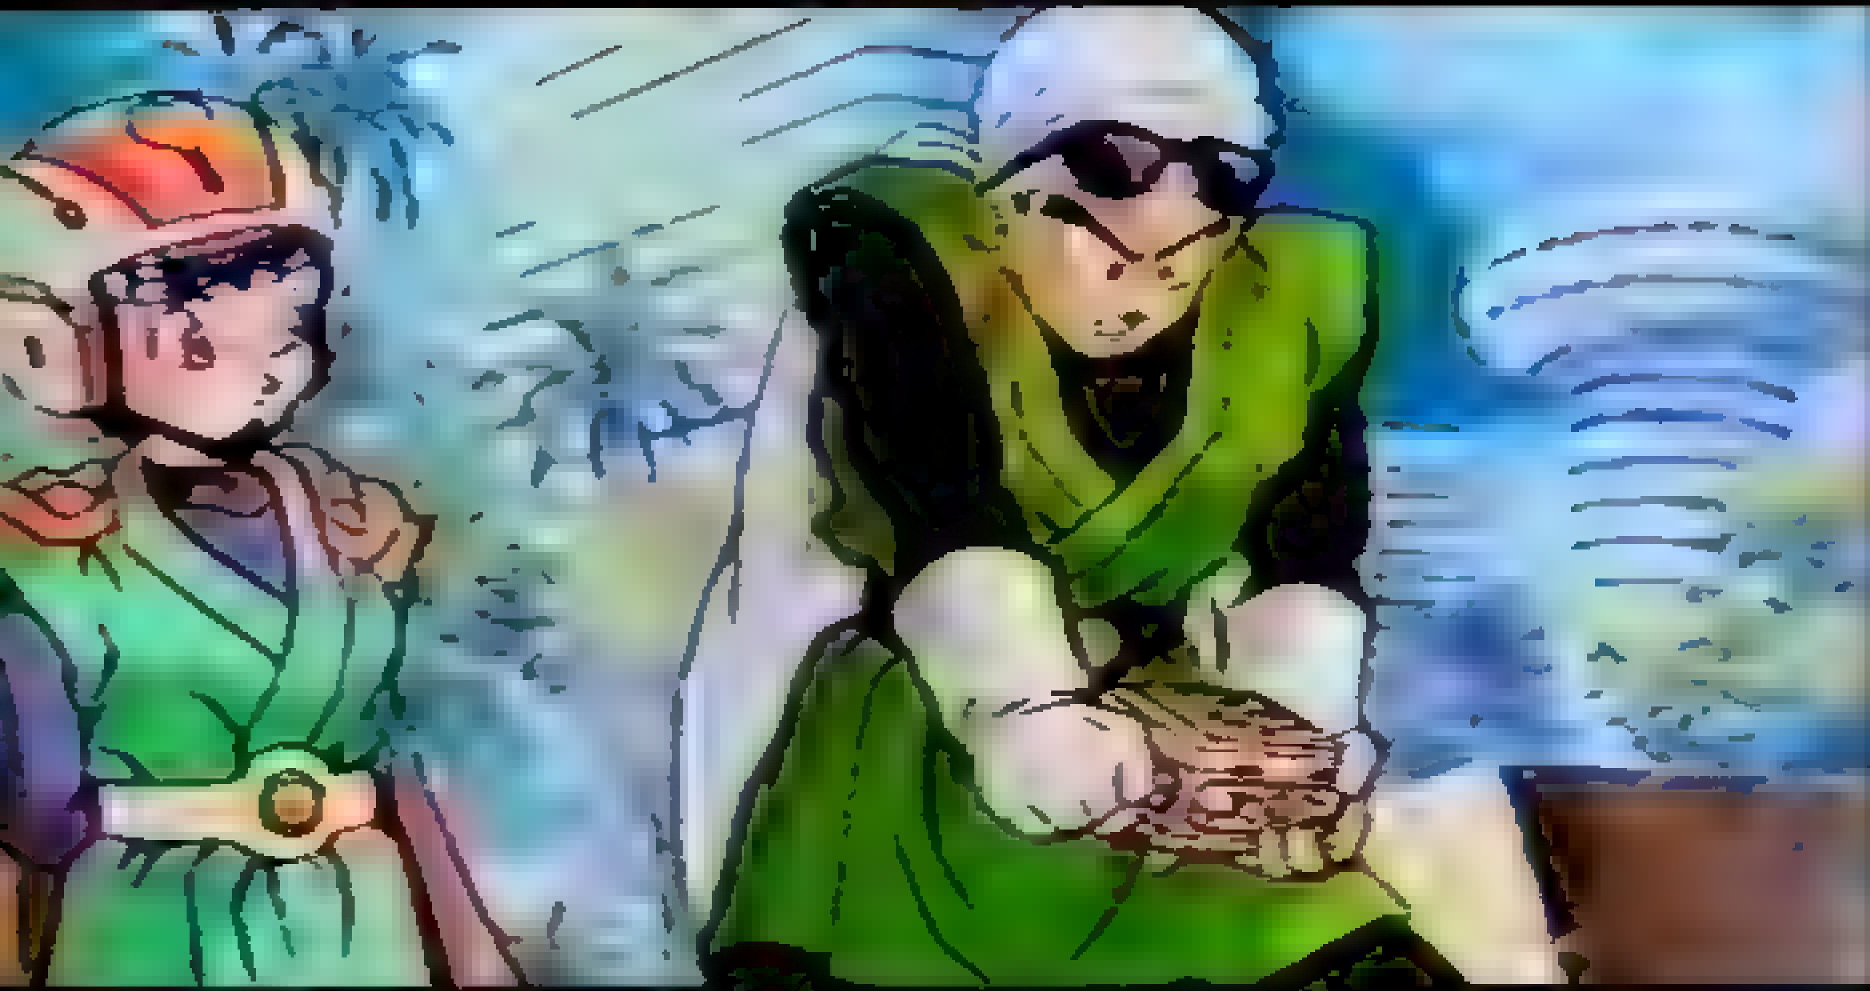

That's it? You should have
told us in the first place.

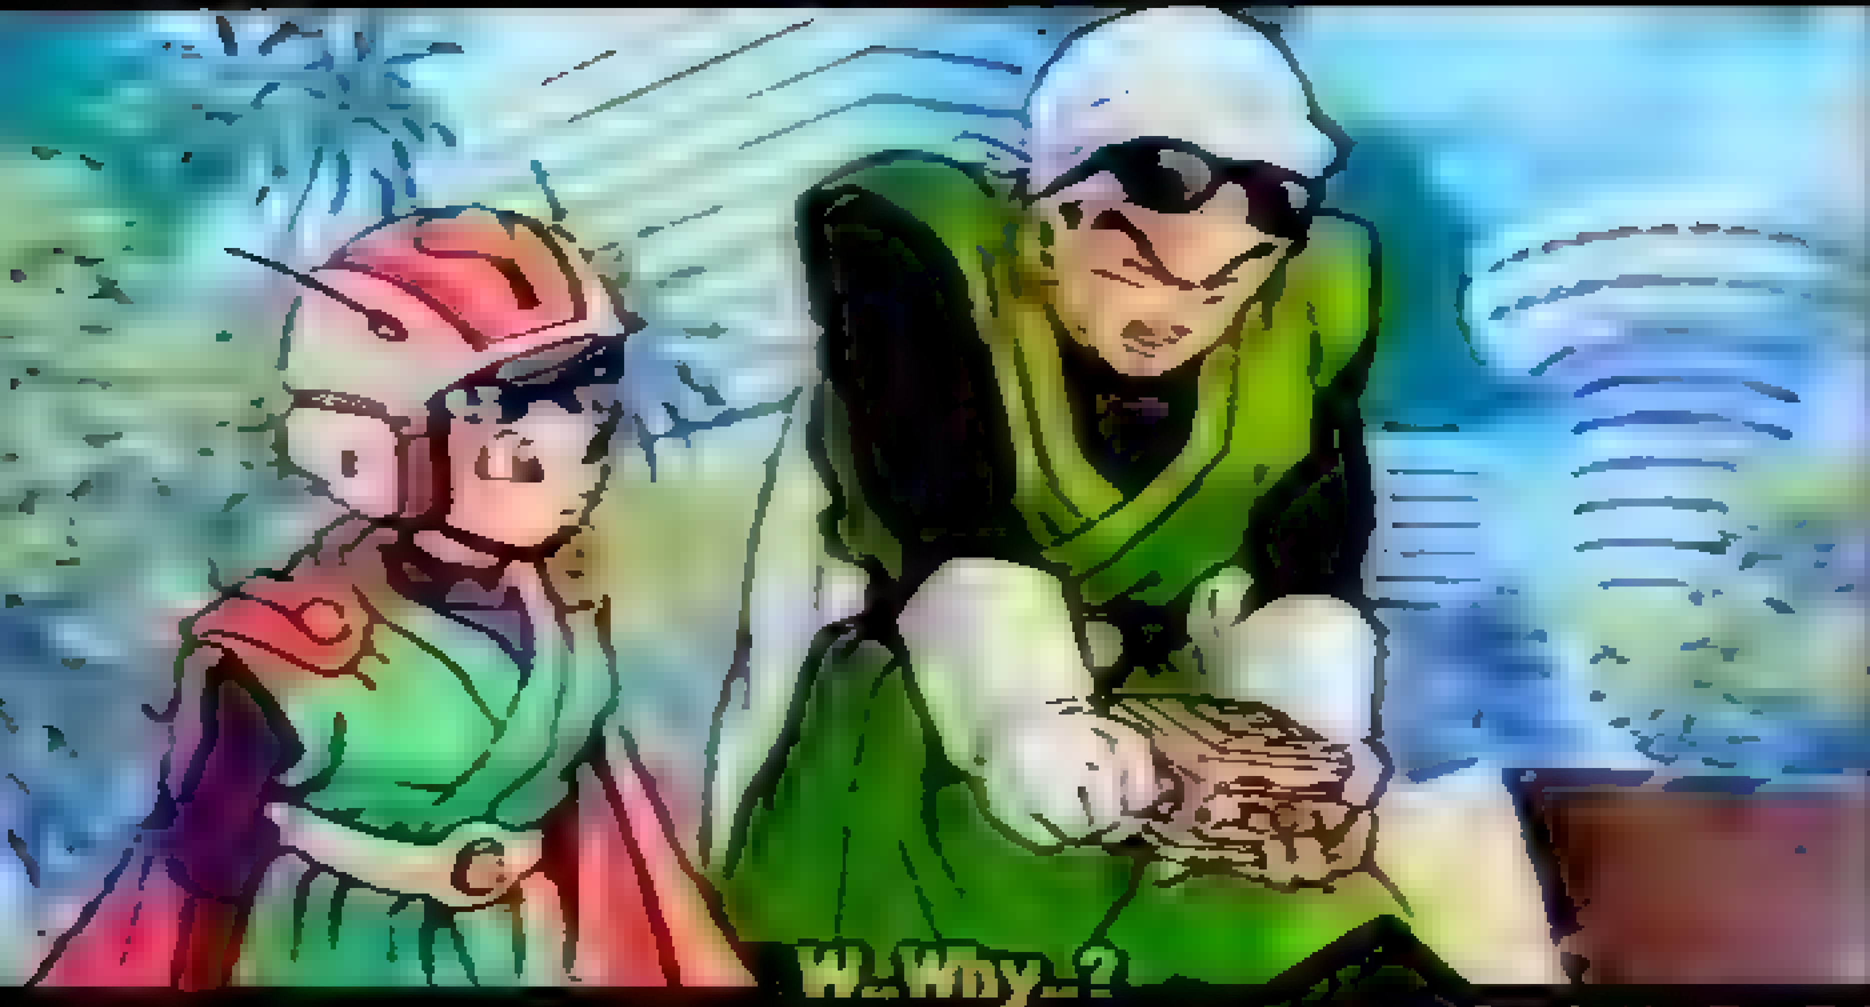

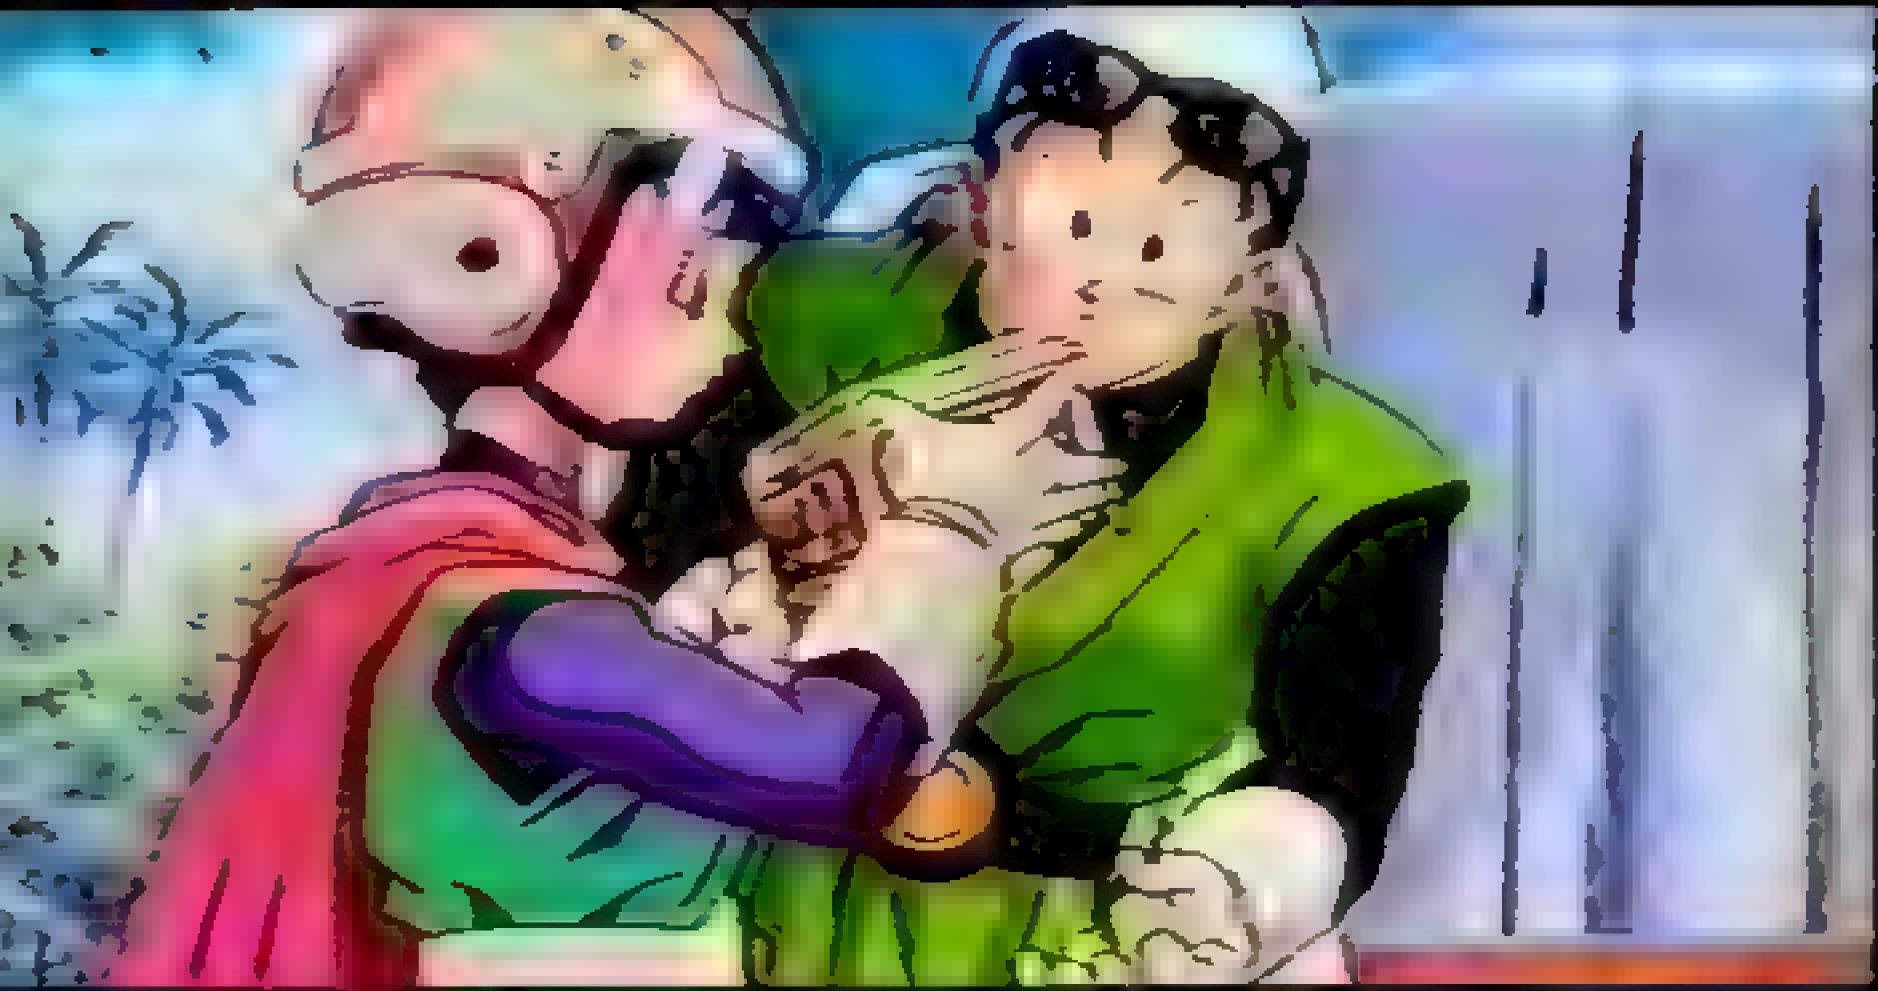

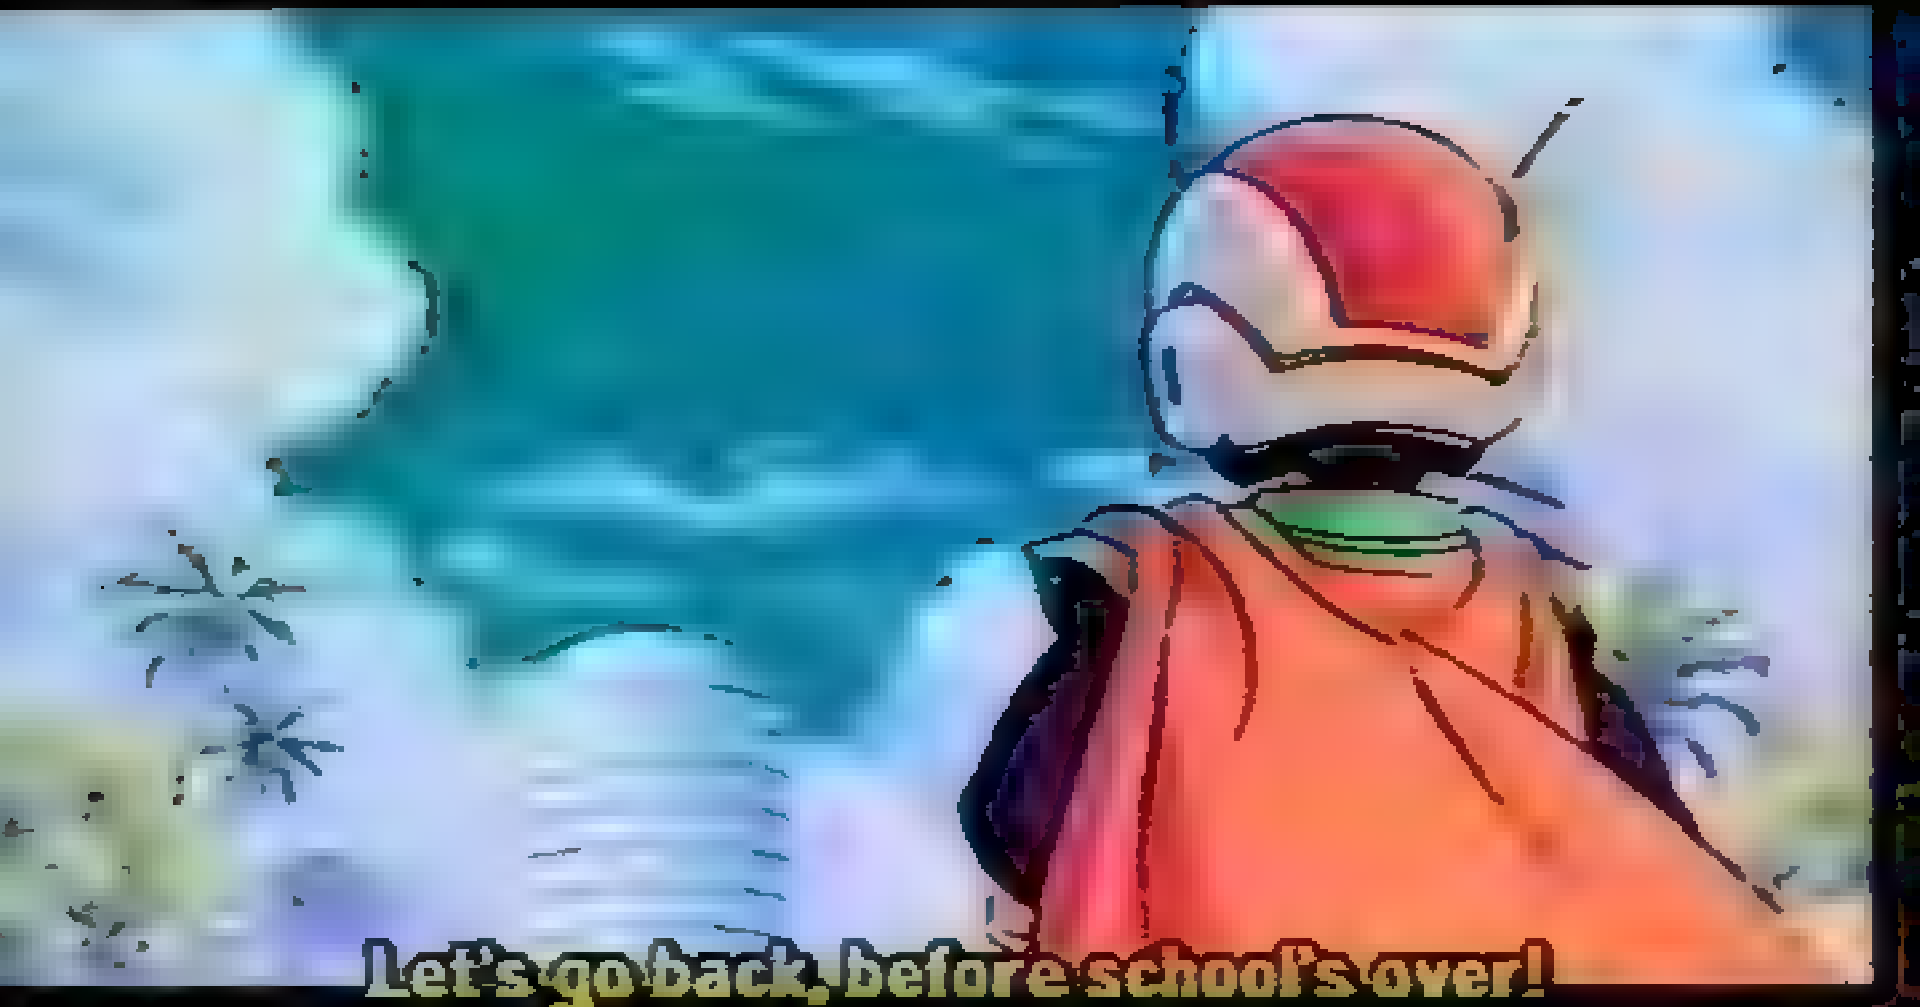

W..Why..?

Let me do it!

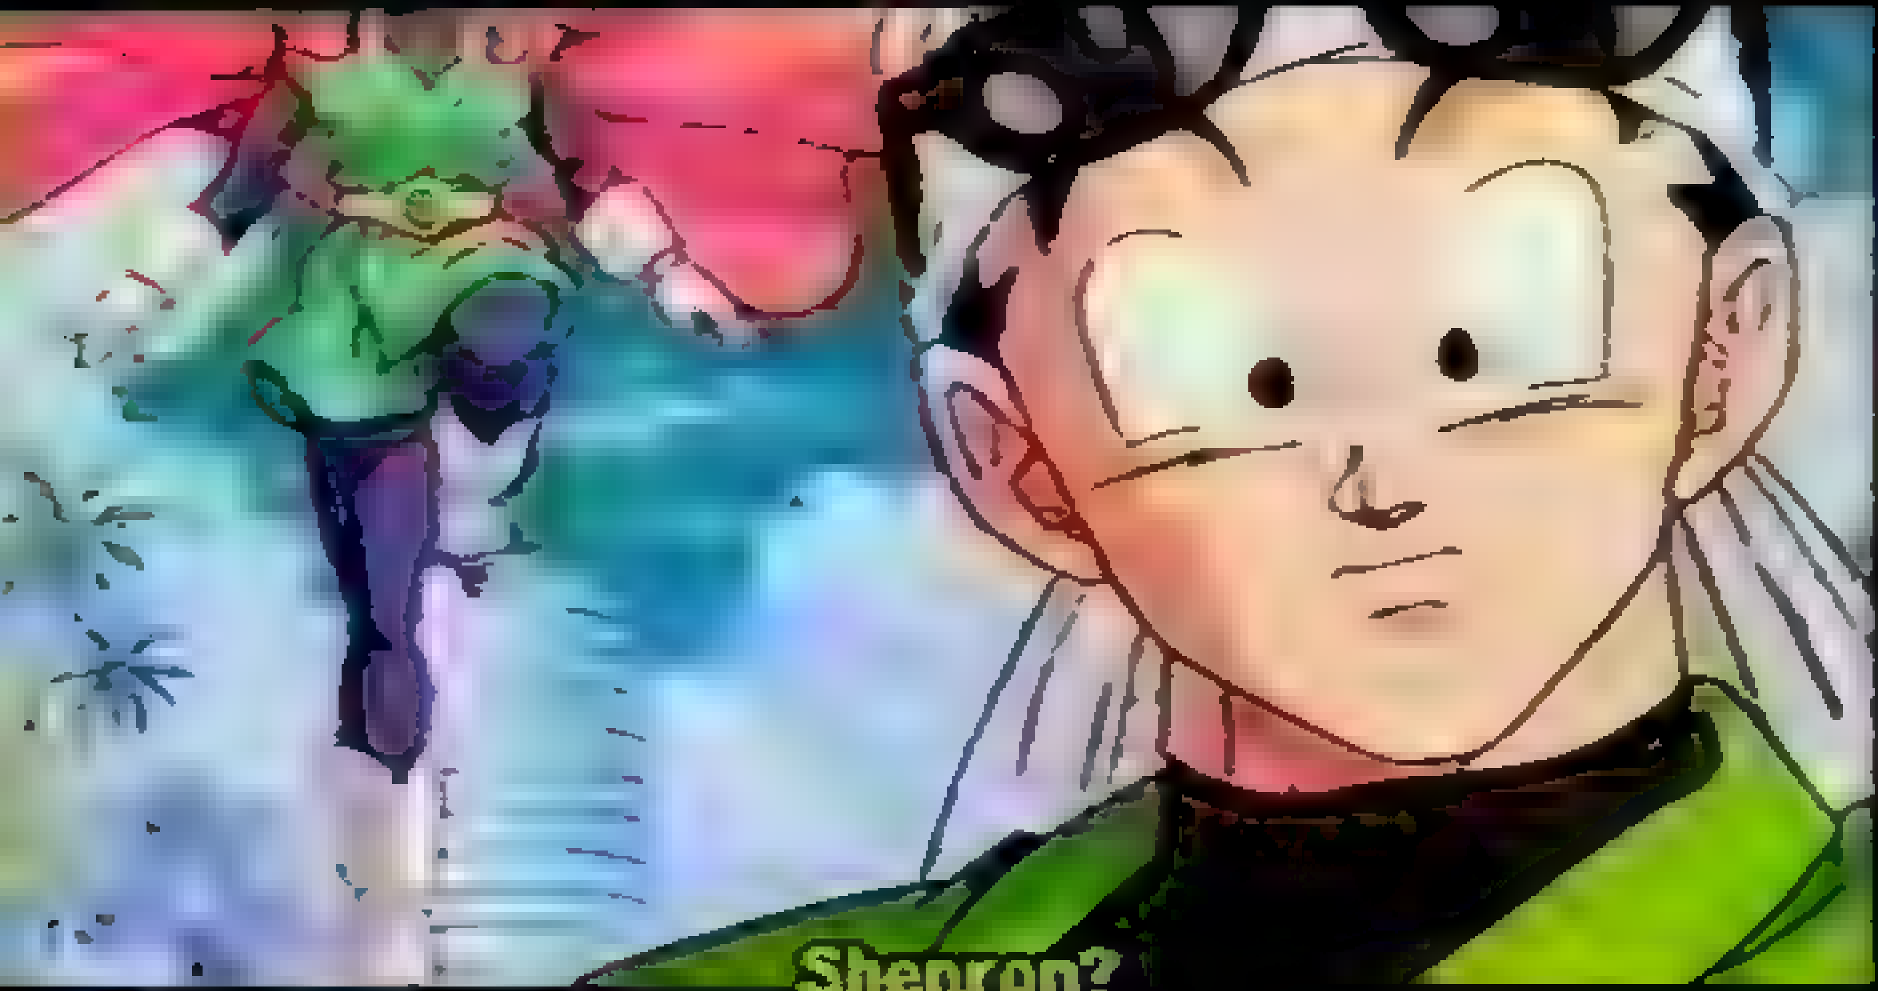

Let's go back, before school's over!

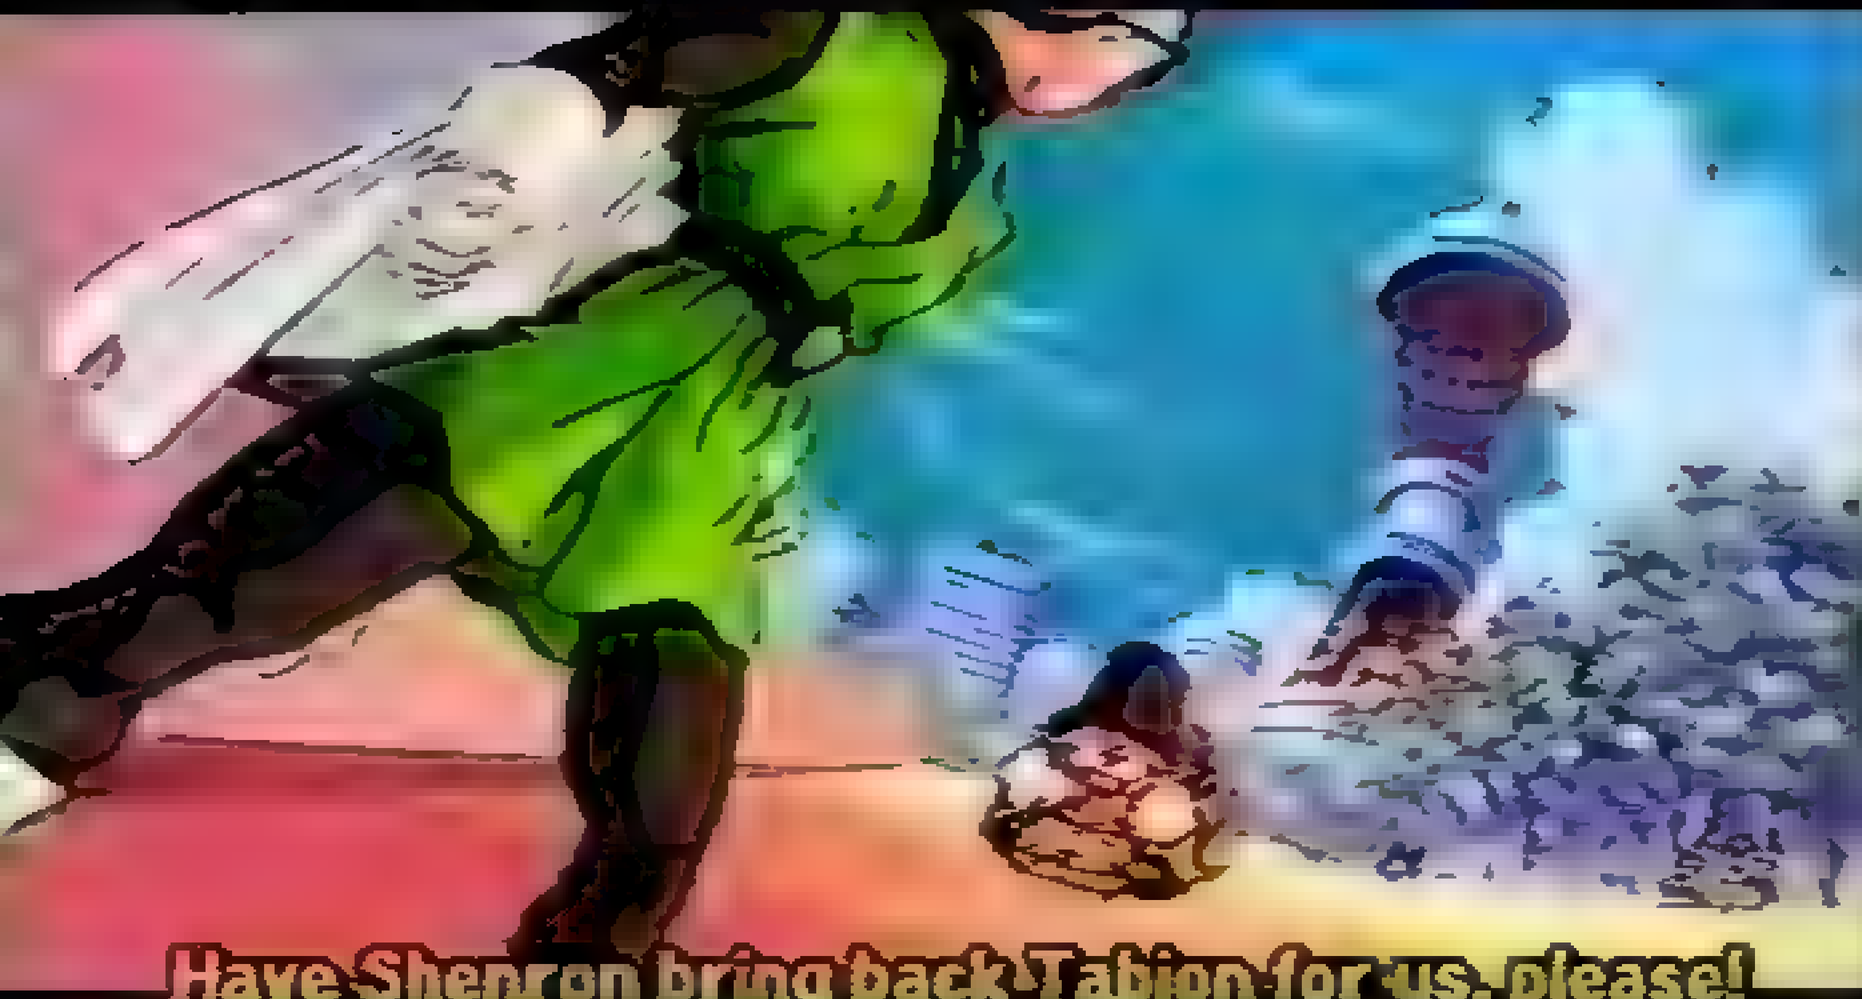

Beedel?!

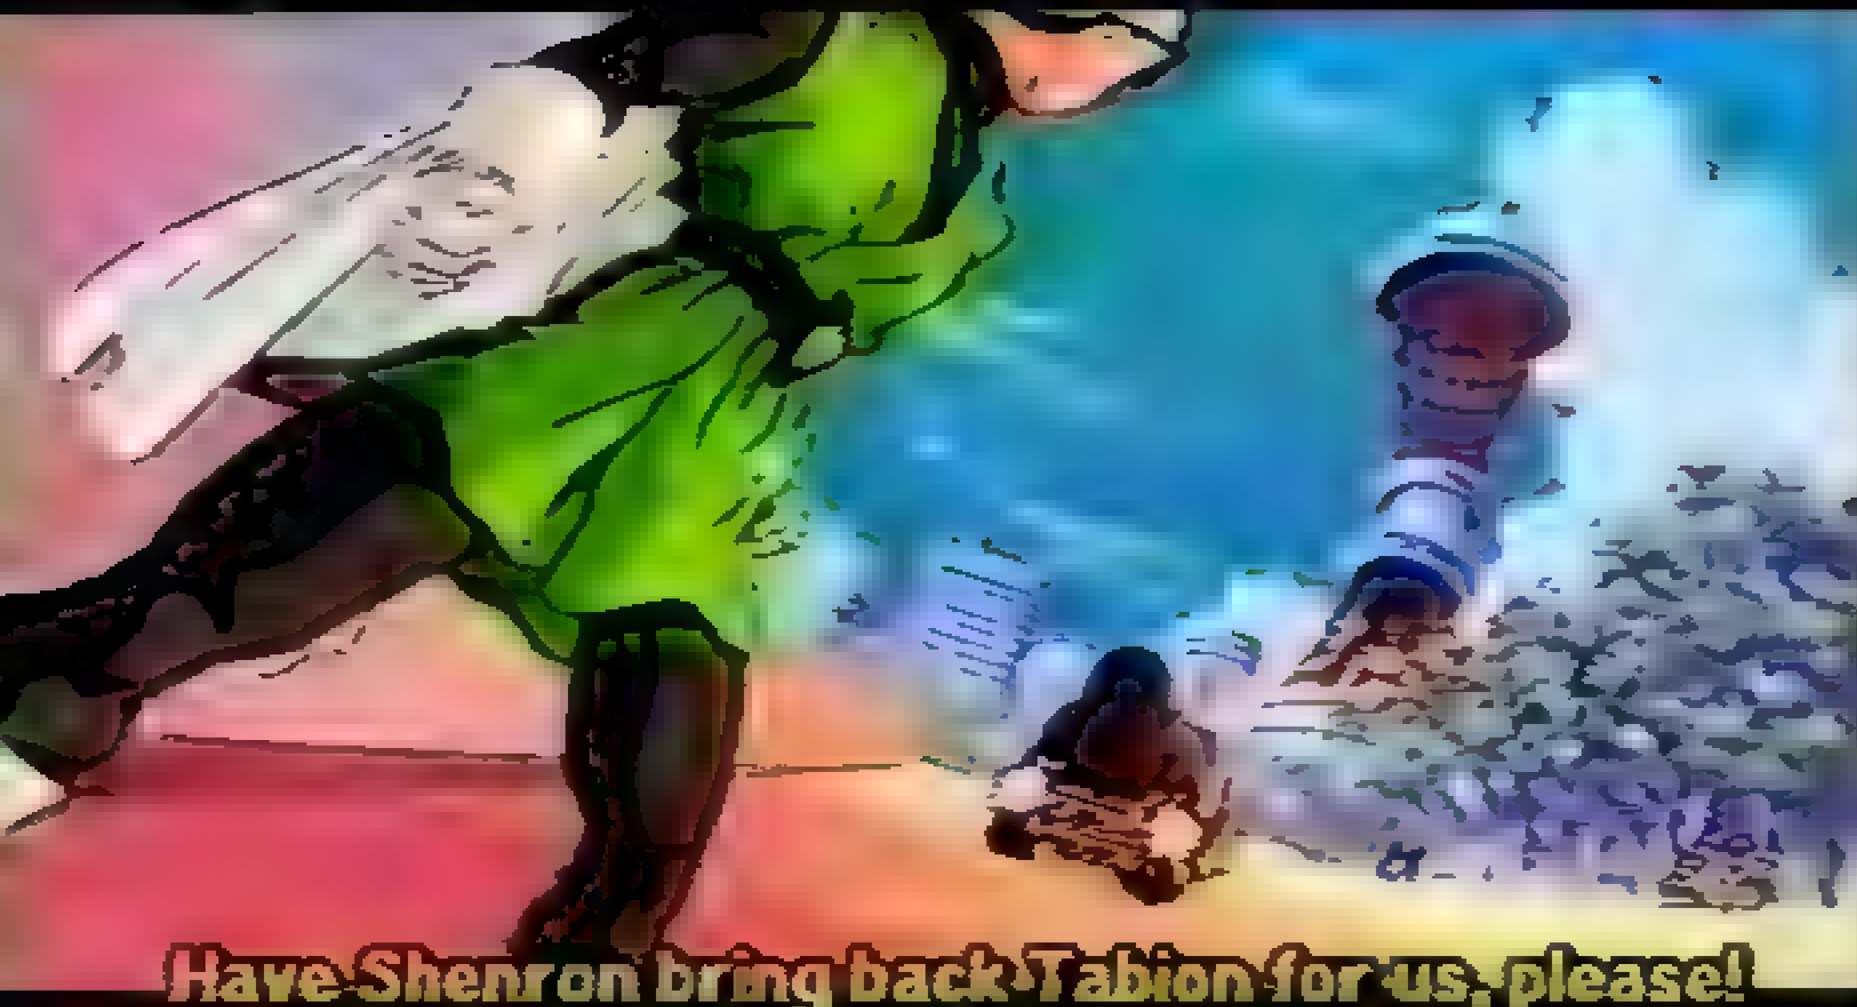

Bring me to Shenron!

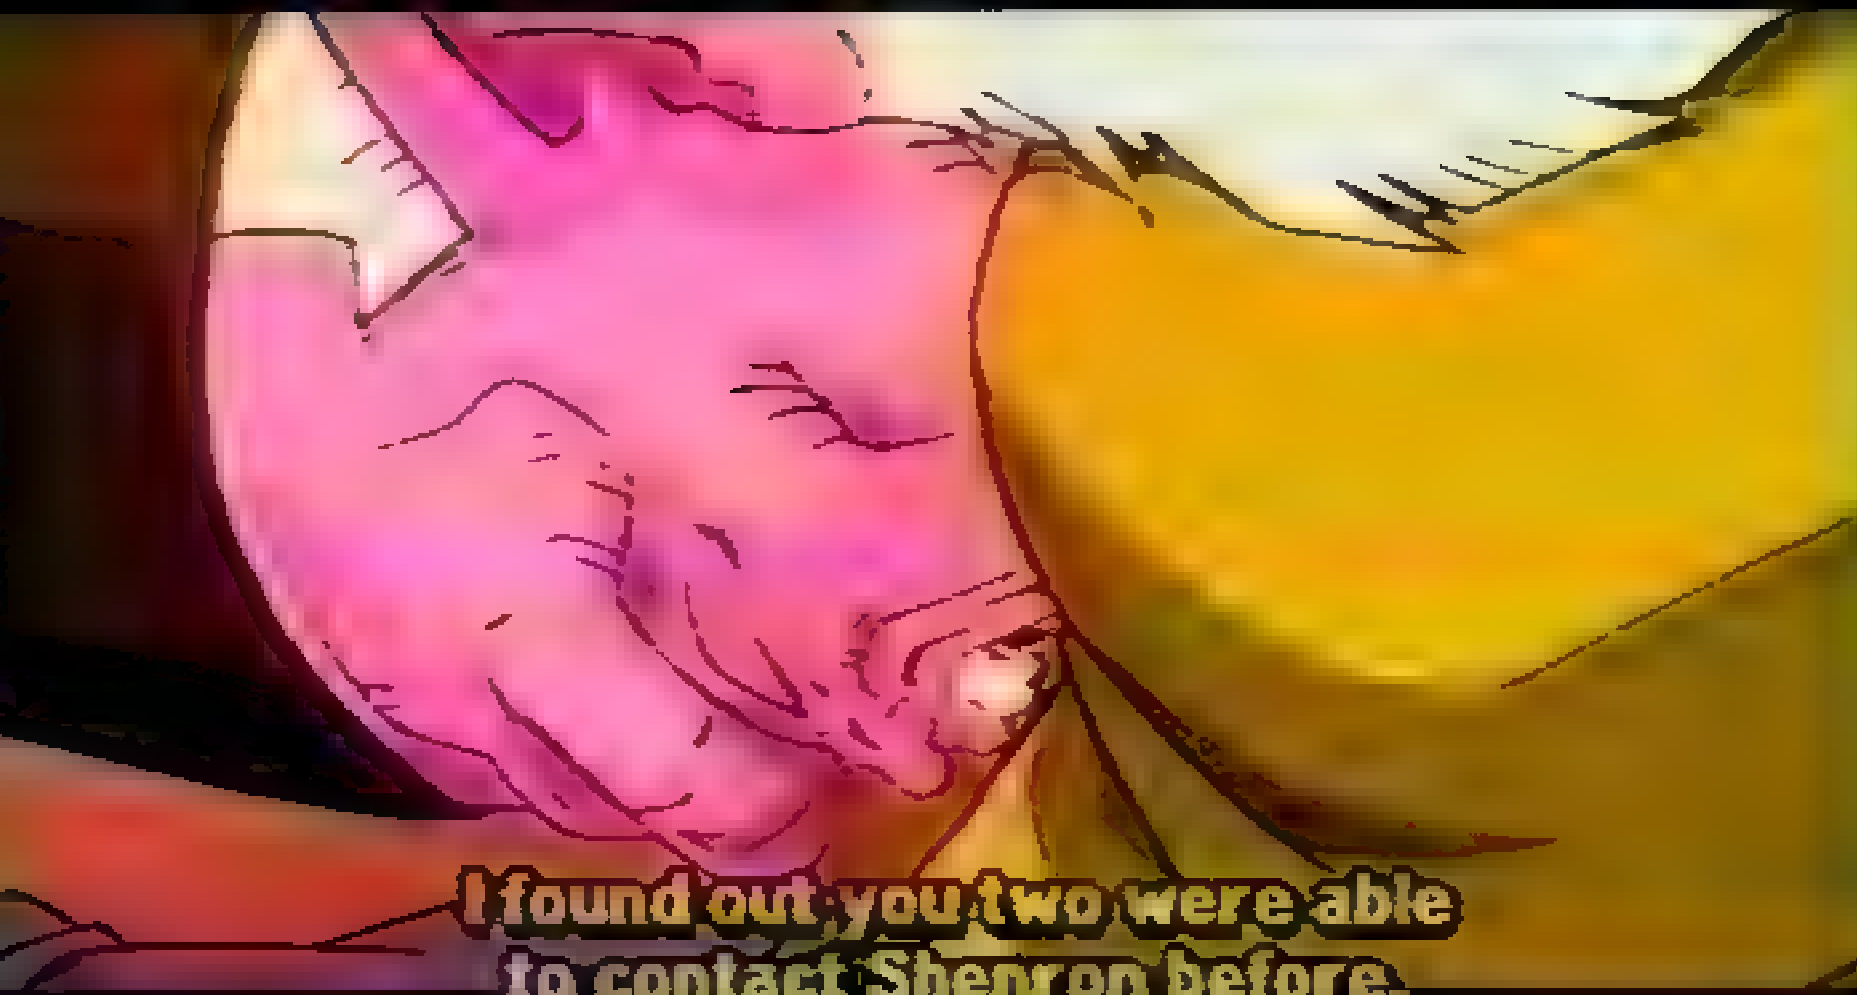

Shenron?

Have Shenron bring back Tabion for us, please!

Have Shenron bring back Tabion for us, please!

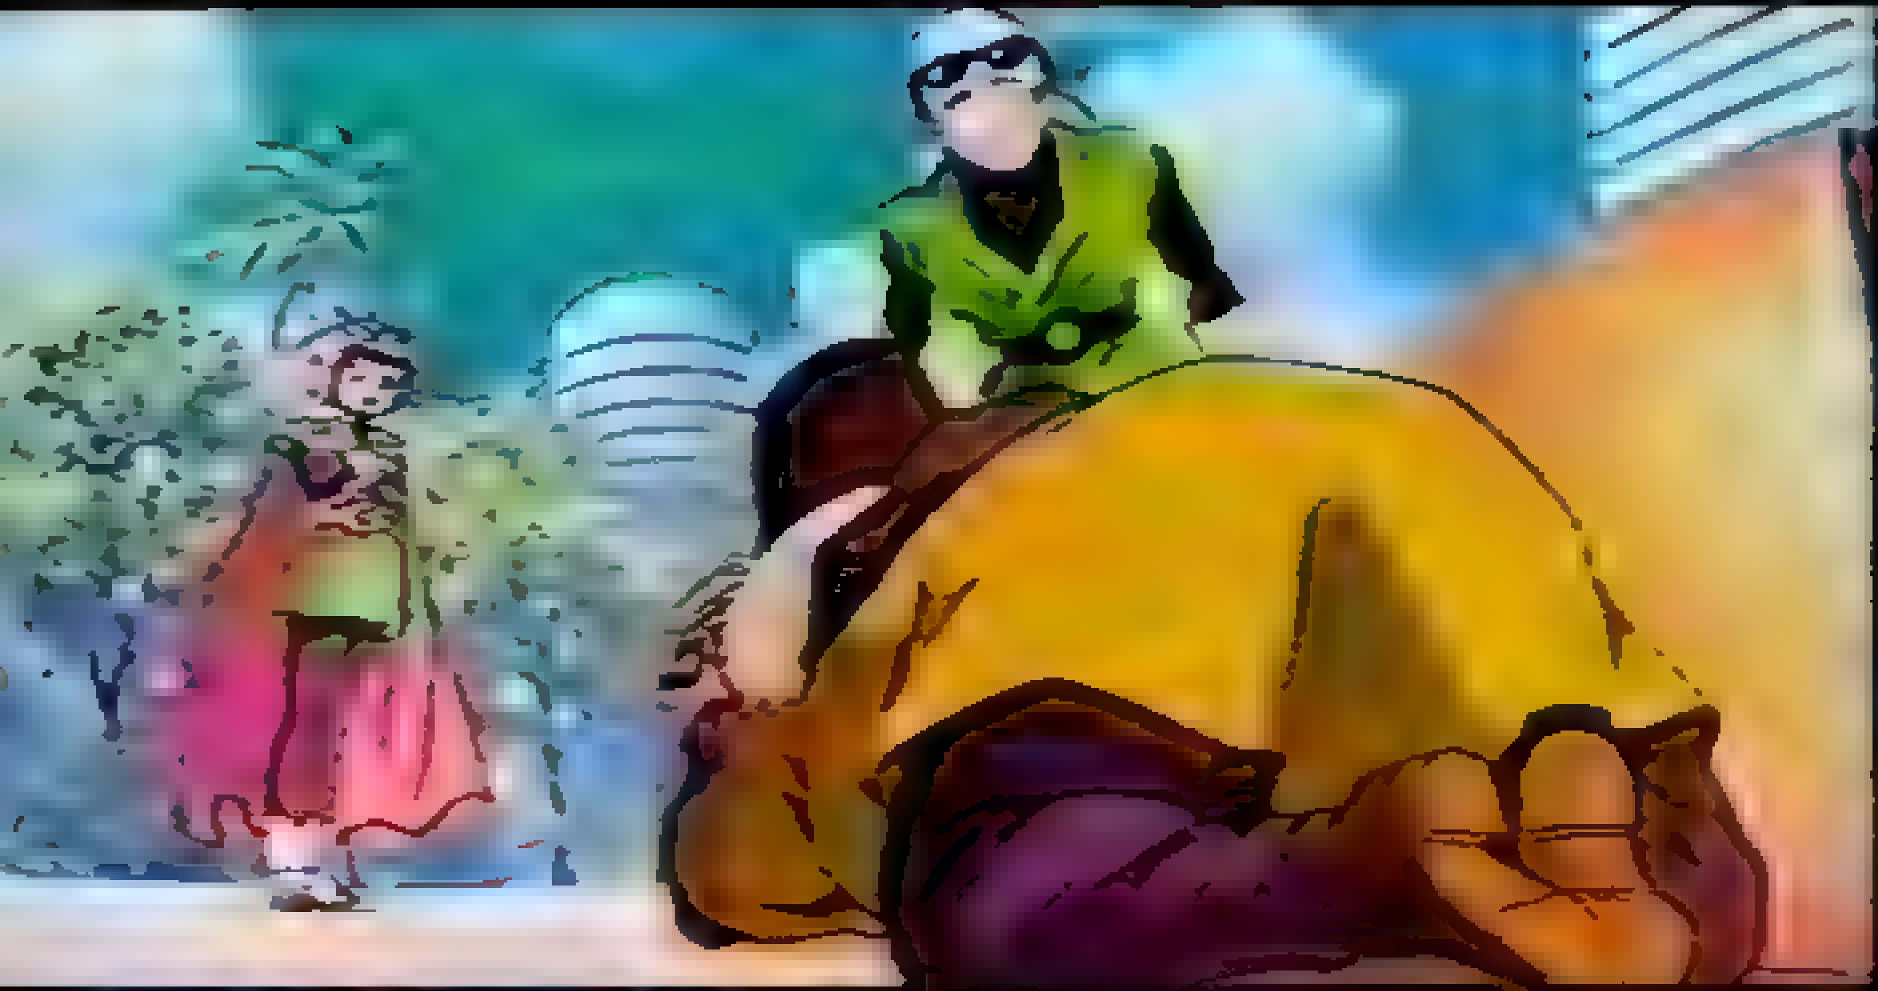

Have Shenron bring back Tabion for us, please!

Why, old man?

I found out you two were able
to contact Shenron before.

I found out you two were able
to contact Shenron before.

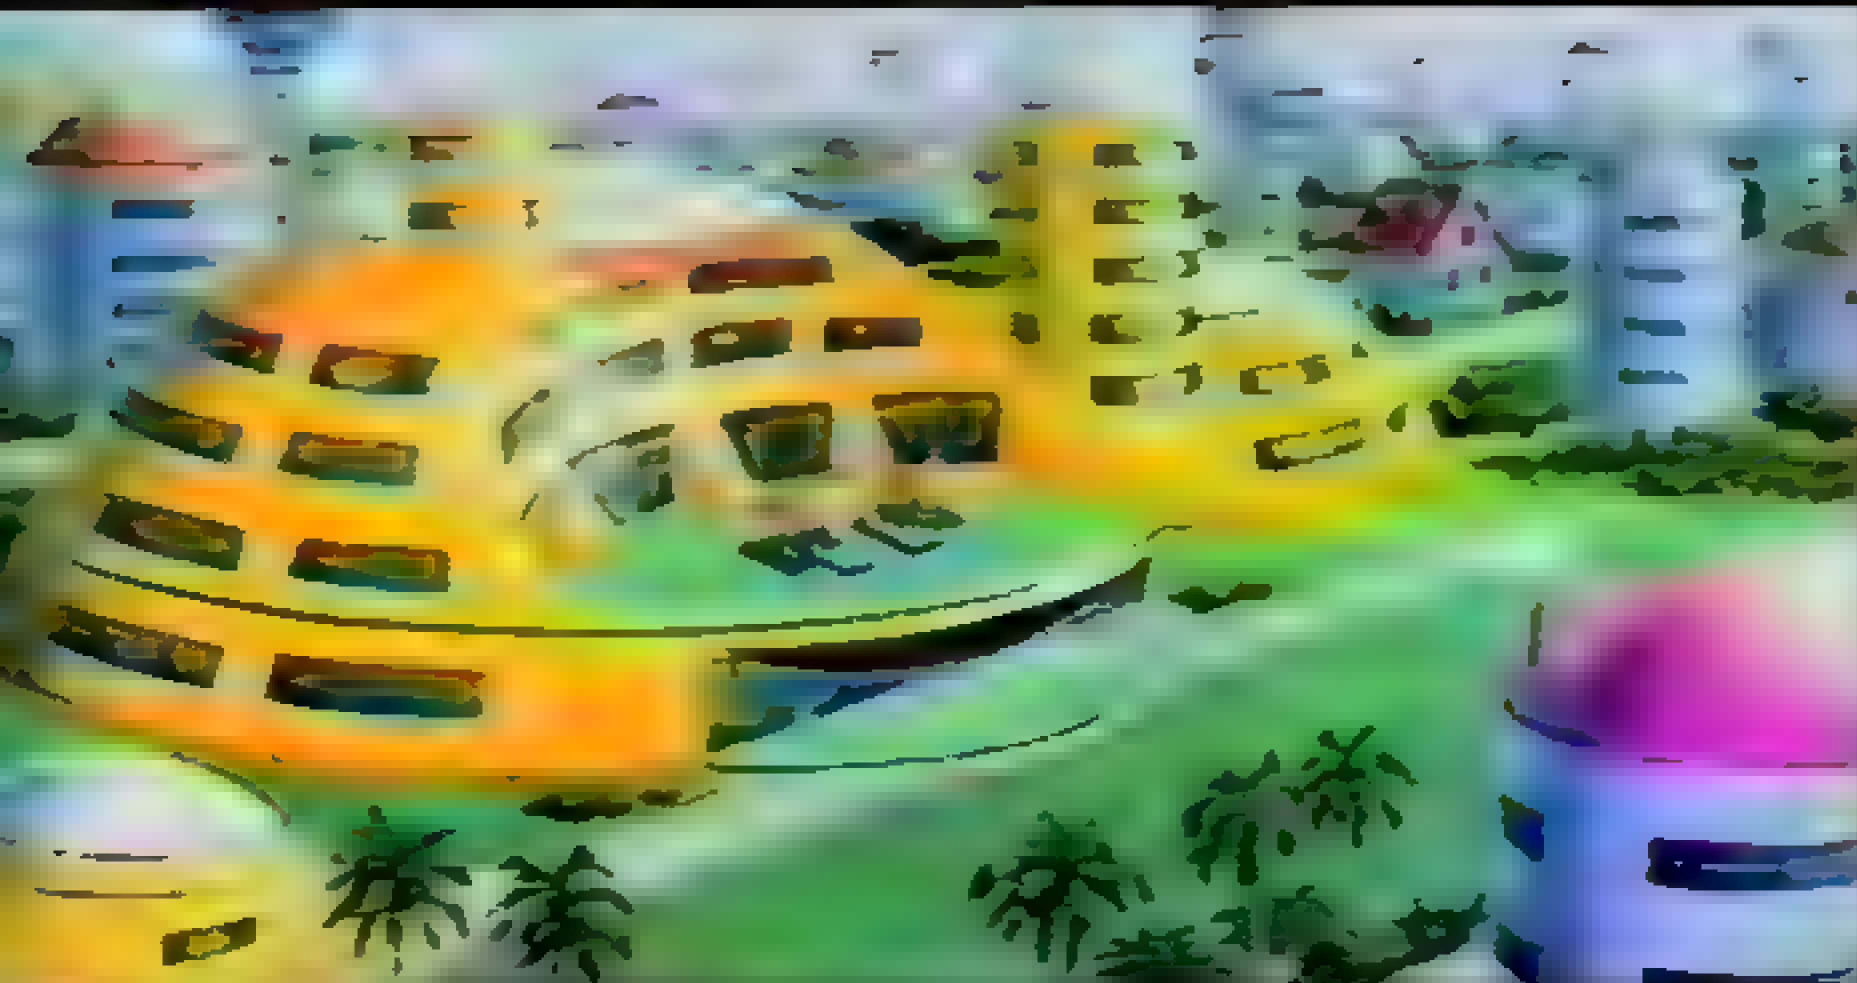

Please do me this favor!

So the whole suicide bit
was all an act to call us?

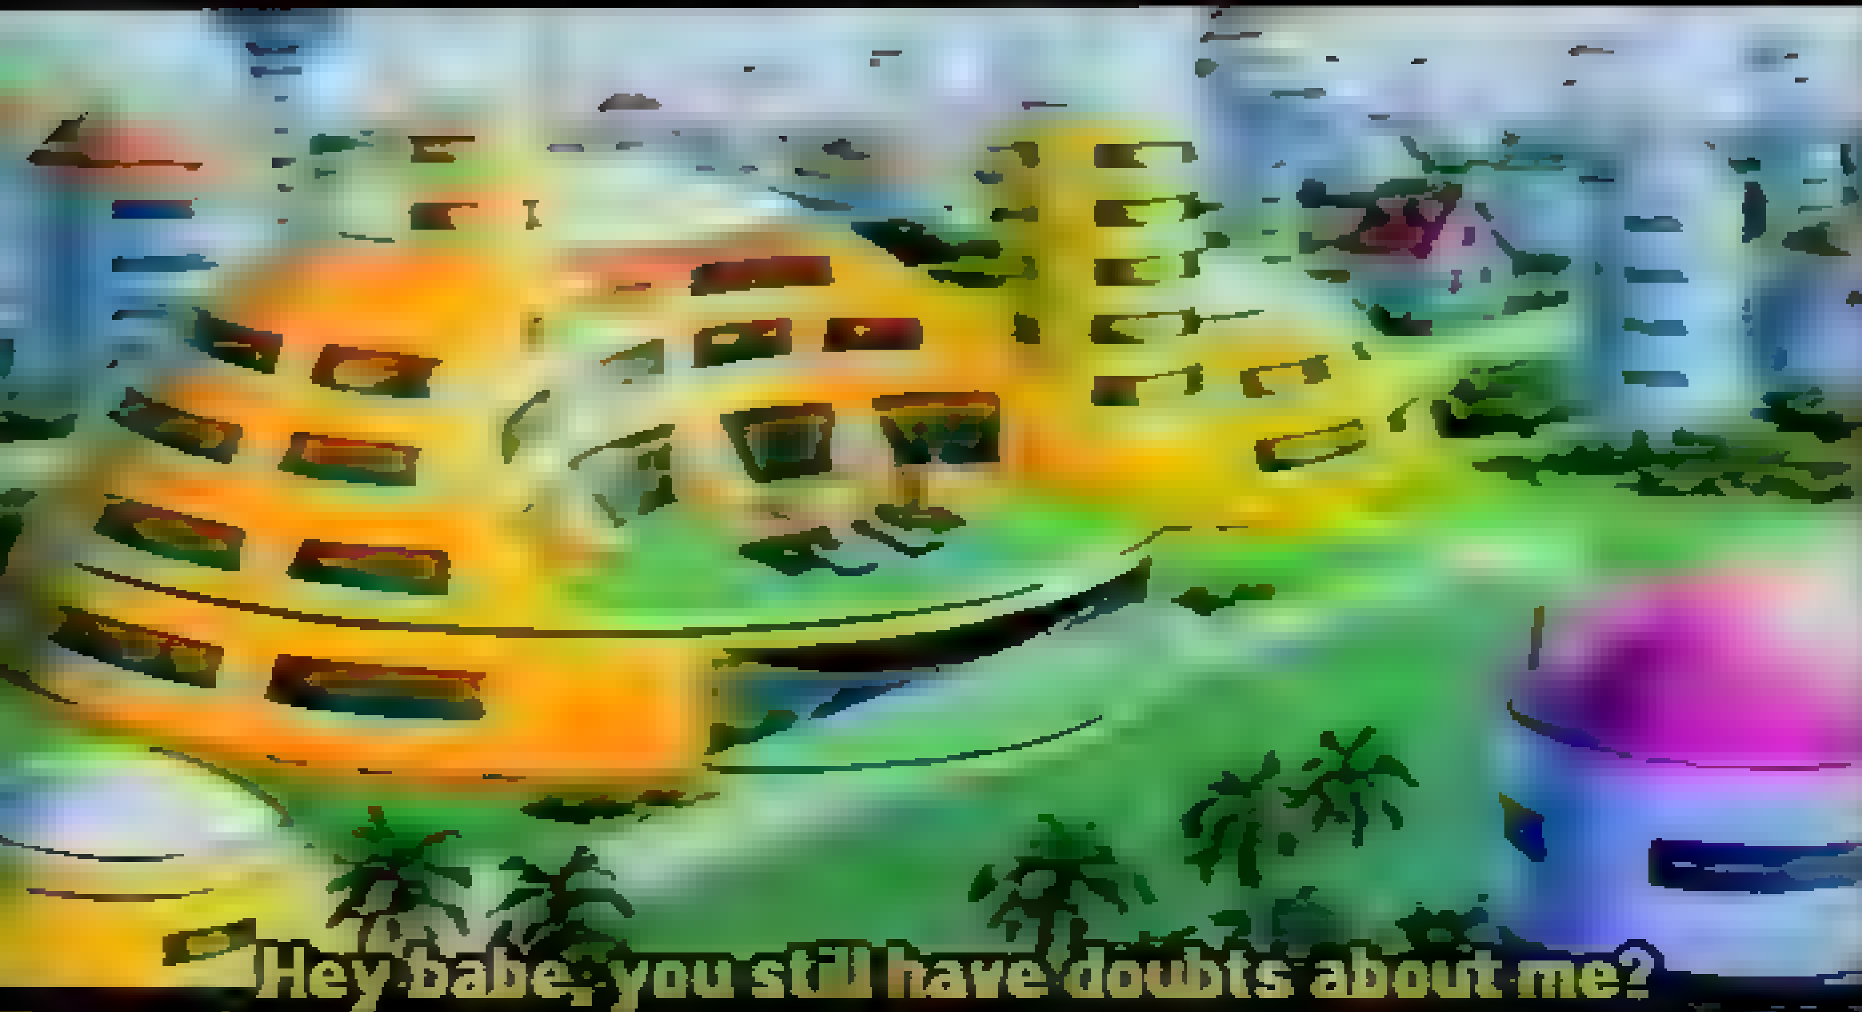

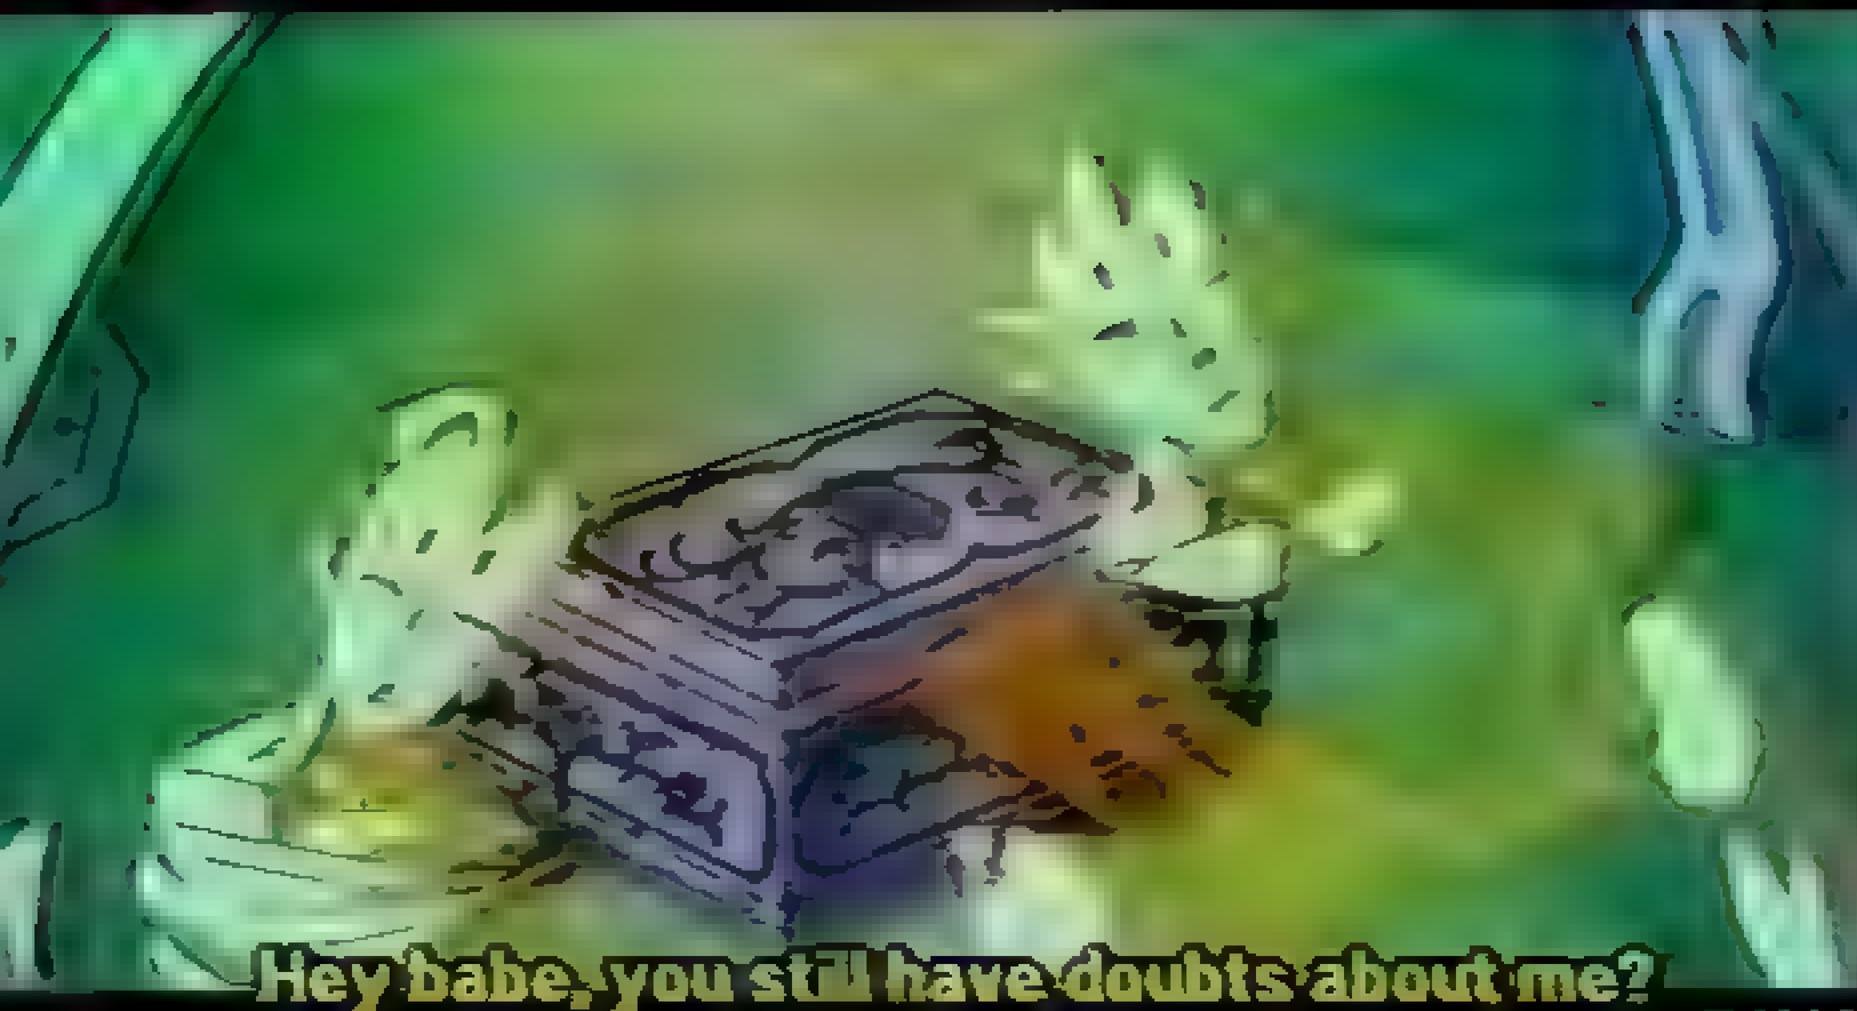

You got it!

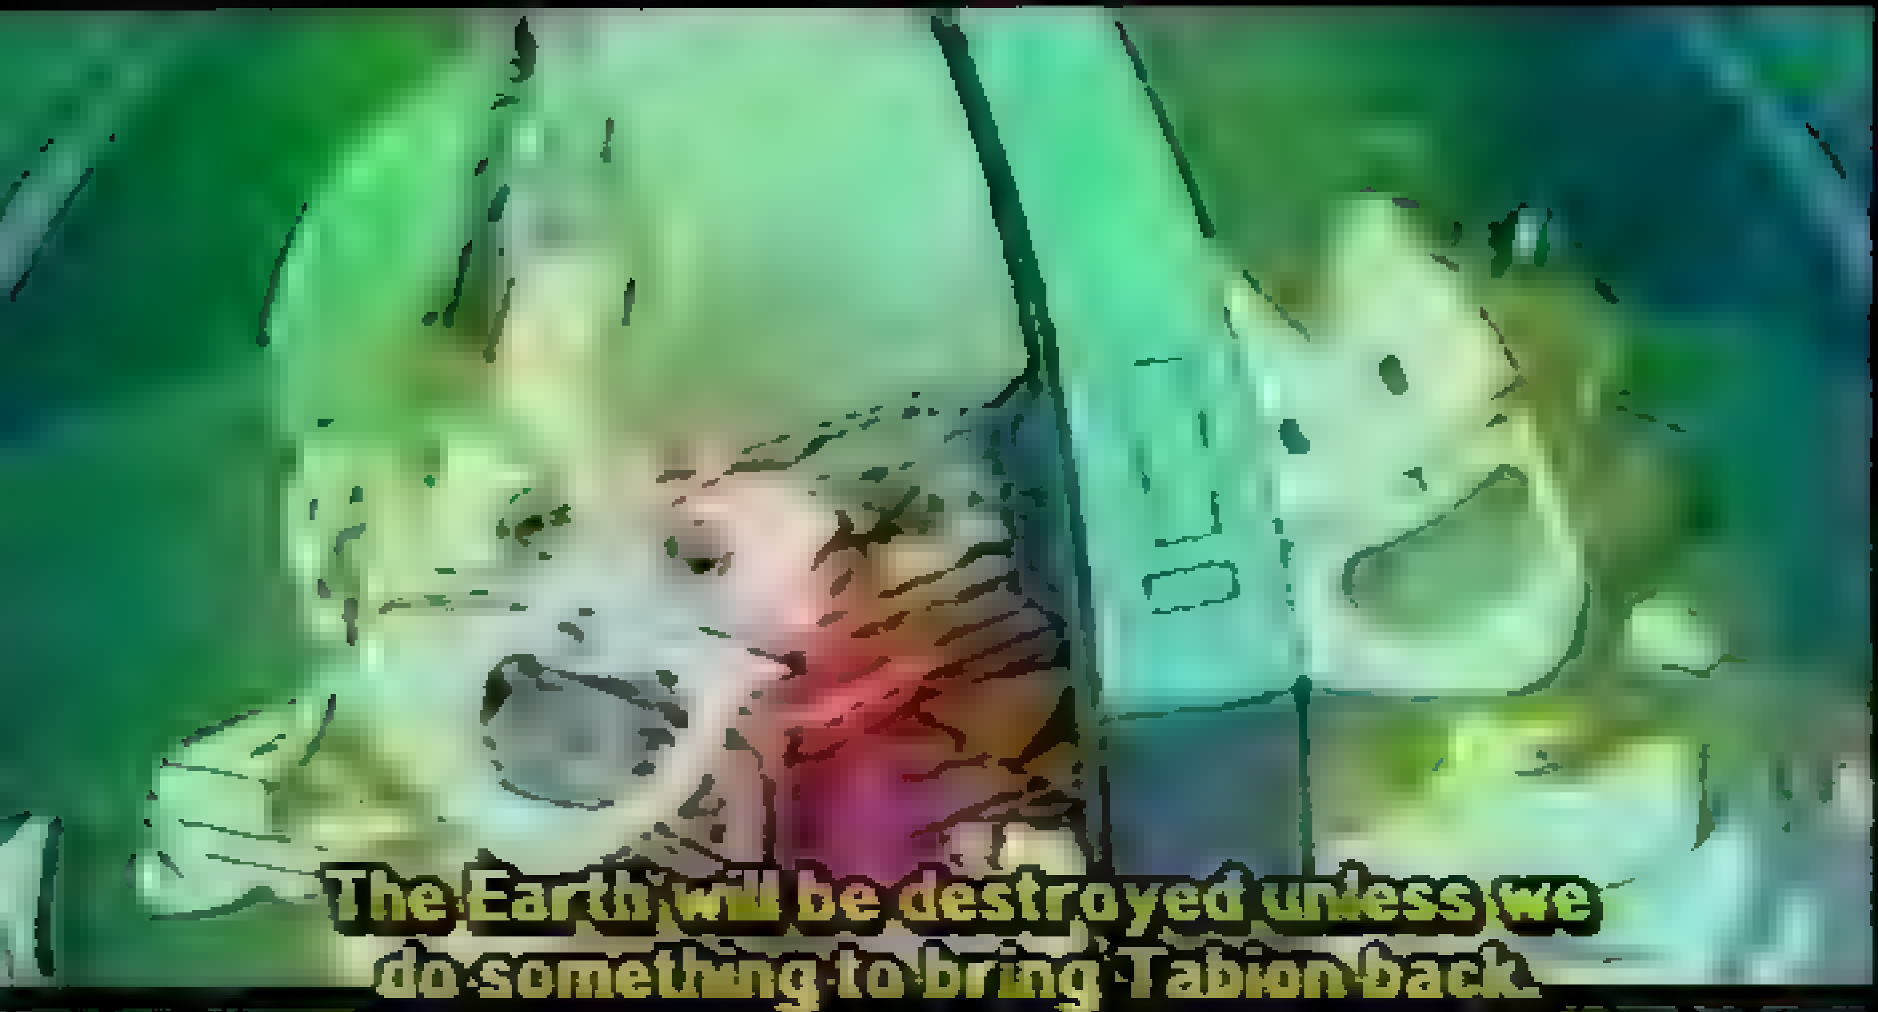

Old man, is this story for real?

Don't you think so?

Hey babe, you still have doubts about me?

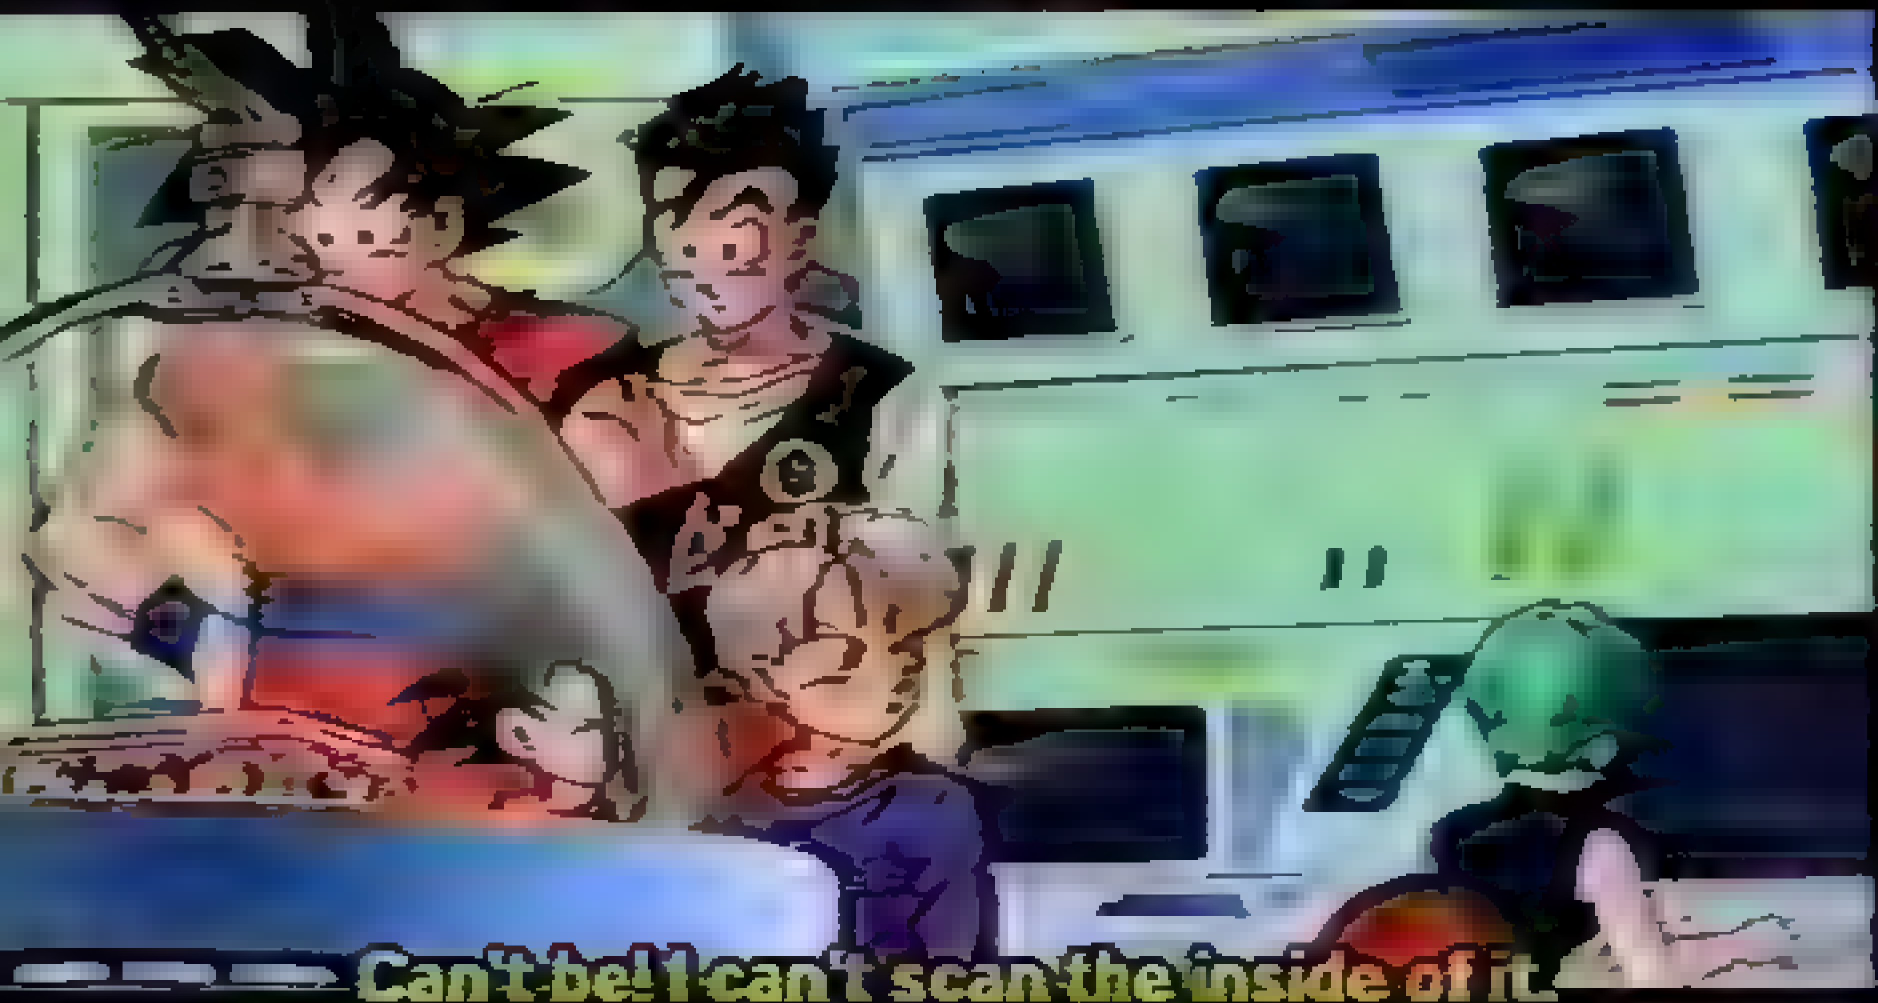

Hey babe, you still have doubts about me?

We don't have any time left.

The Earth will be destroyed unless we
do something to bring Tabion back.

The Earth will be destroyed unless we
do something to bring Tabion back.

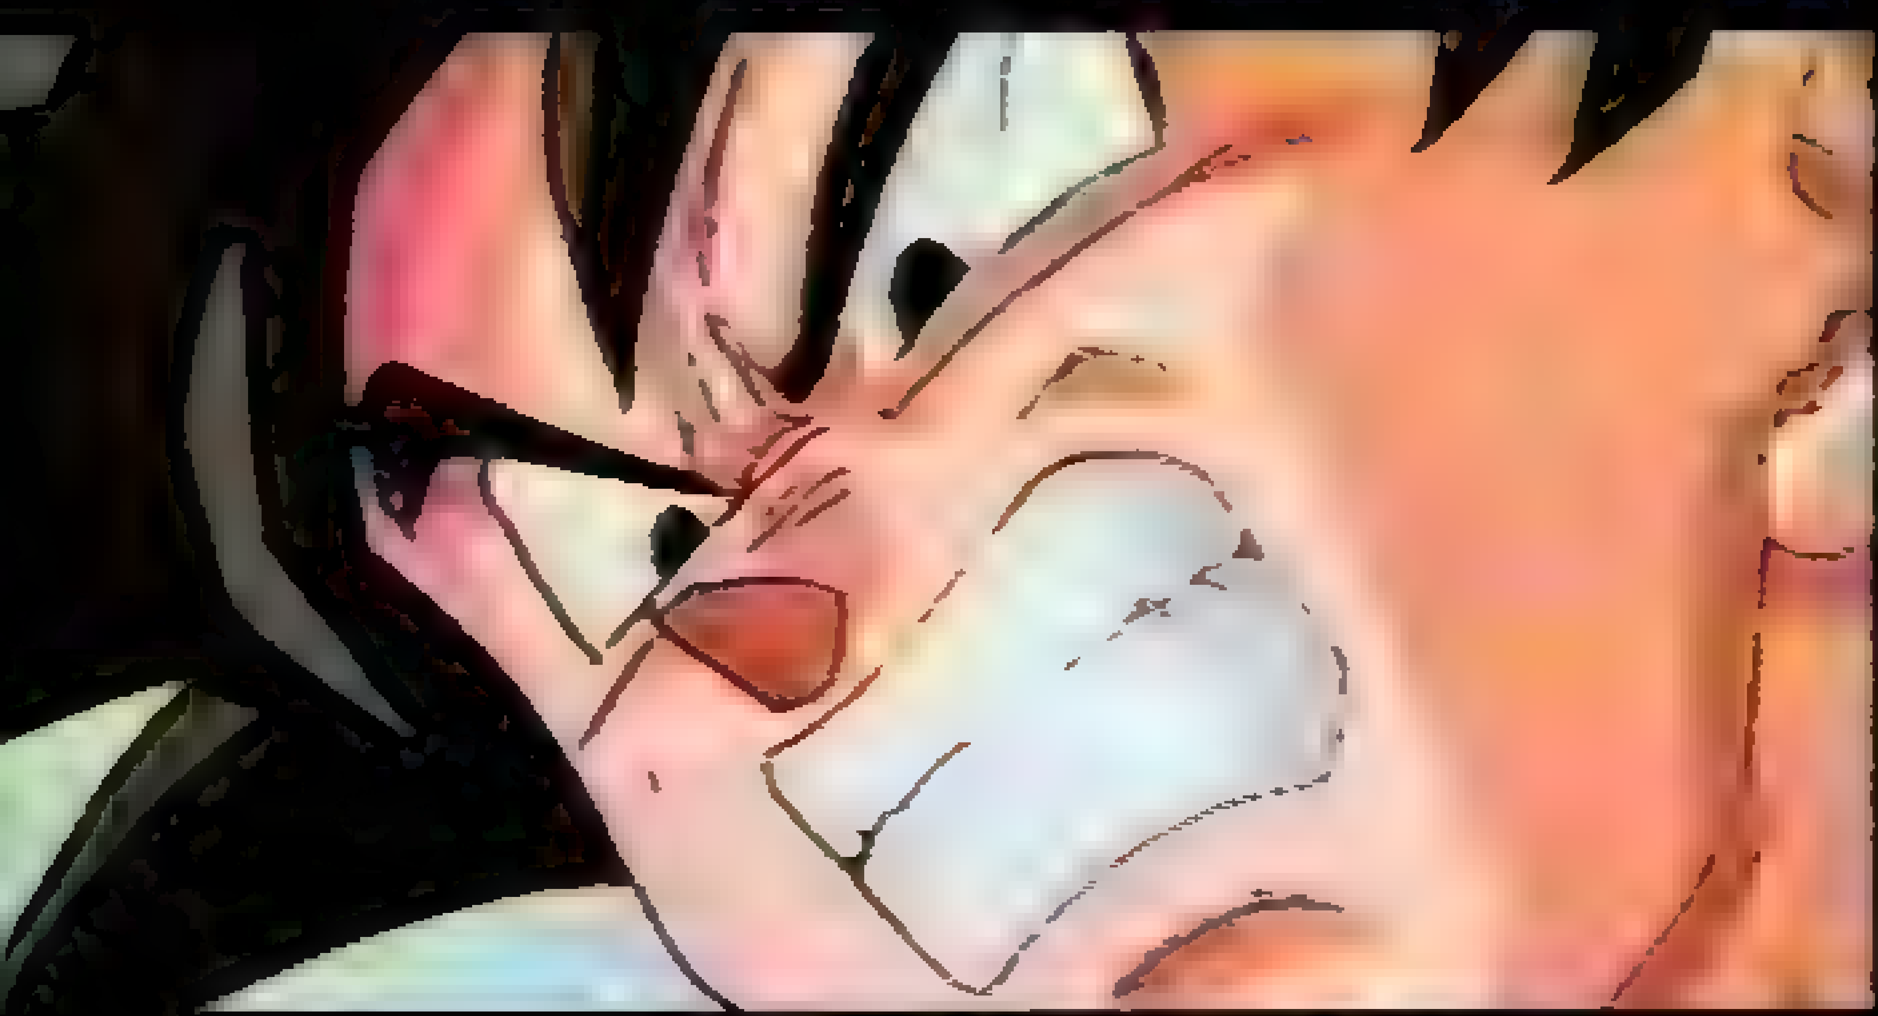

The Earth will be destroyed unless we
do something to bring Tabion back.

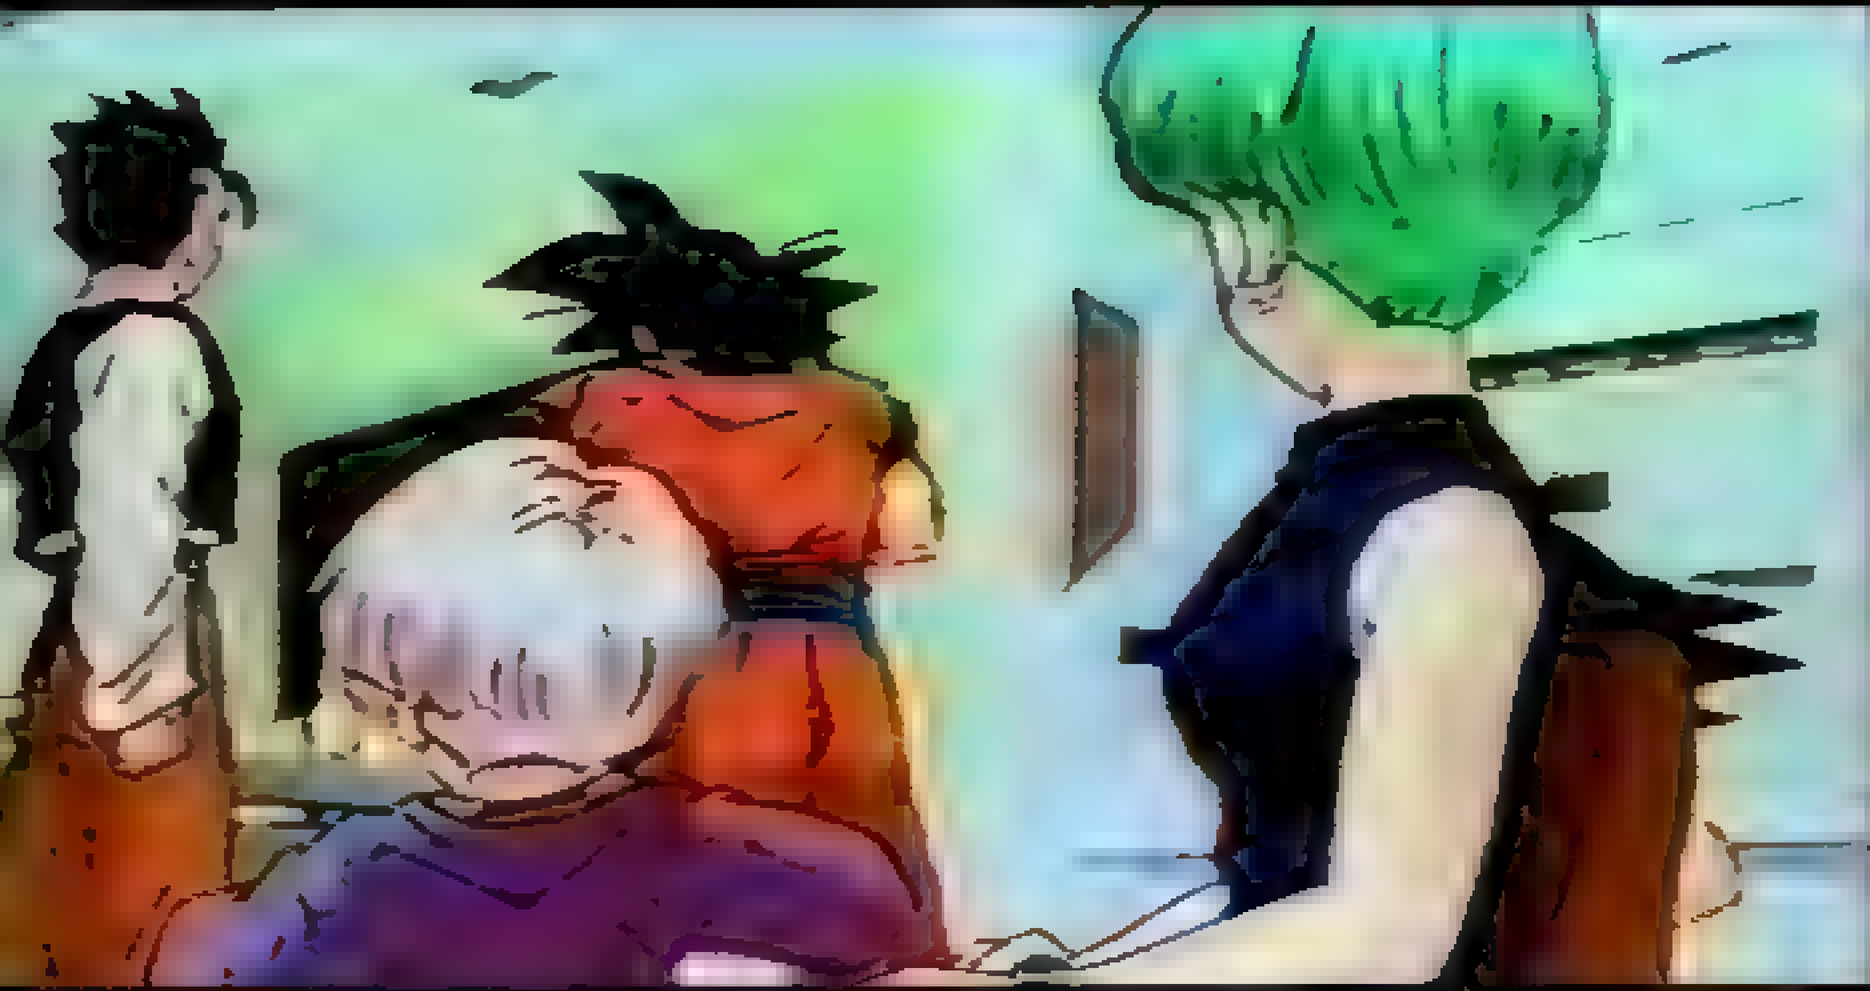

Can't be! I can't scan the inside of it.

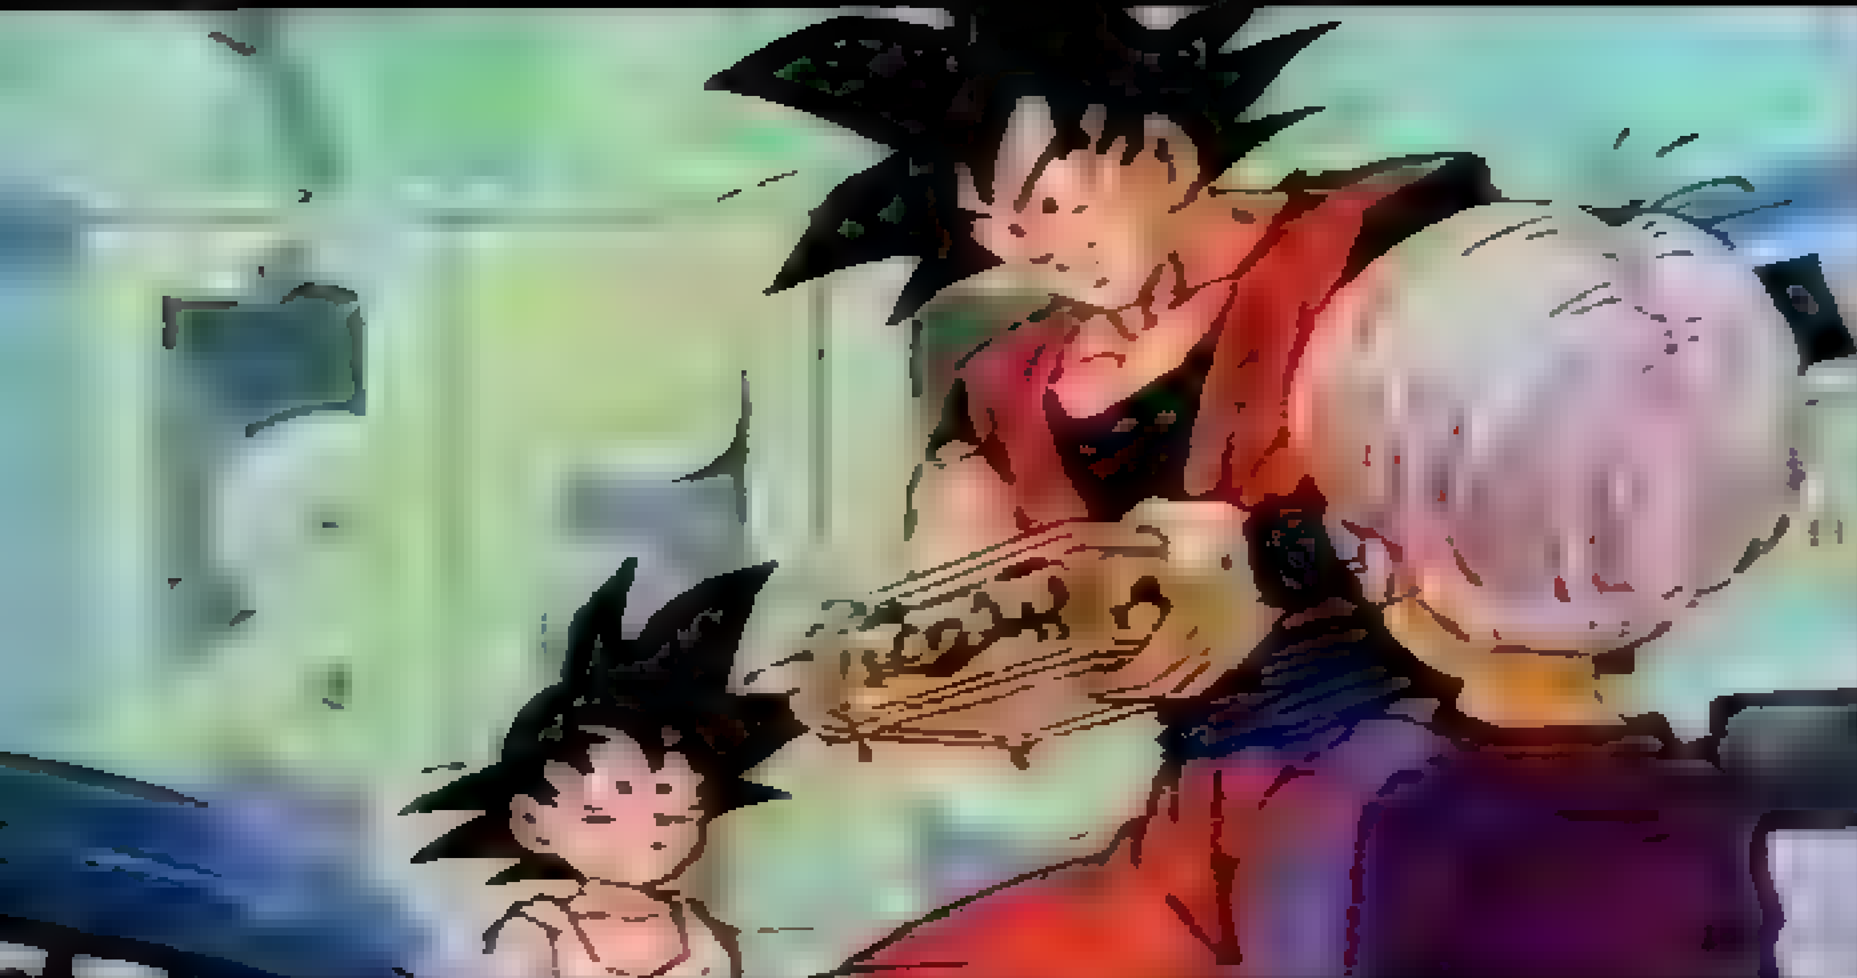

Can't be! I can't scan the inside of it.

It's probably made of
something incredibly special.

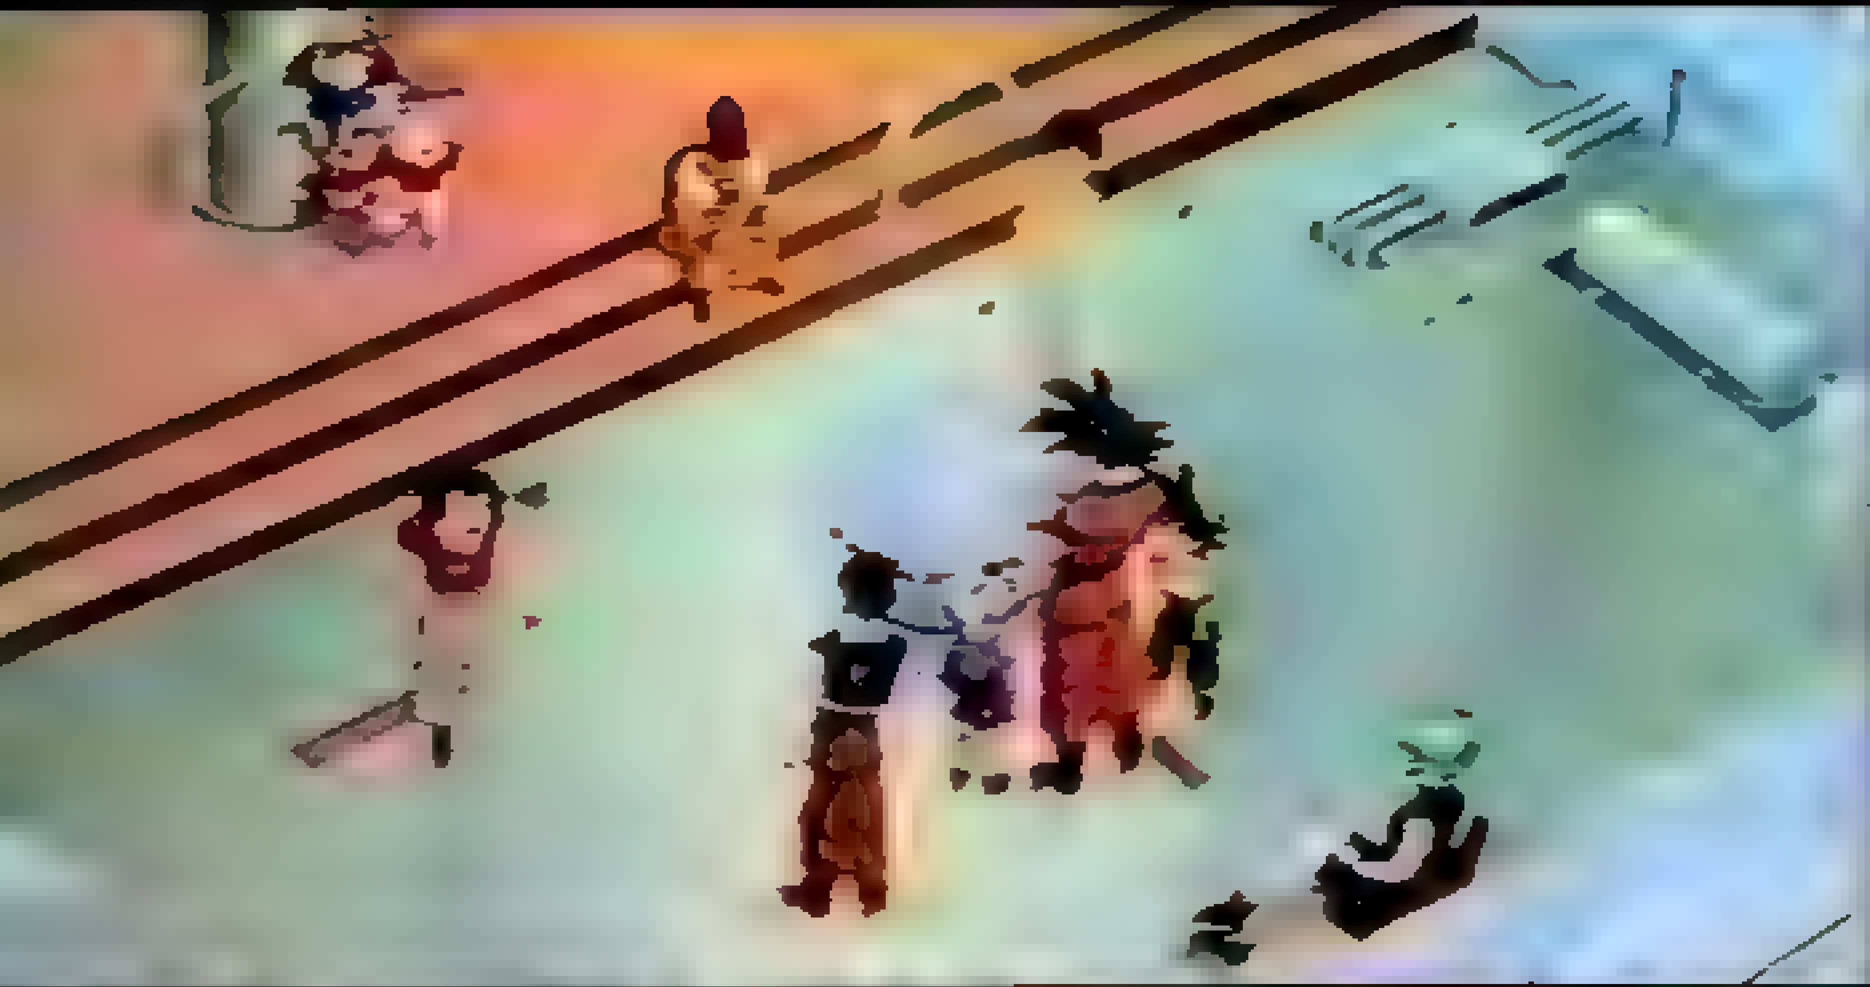

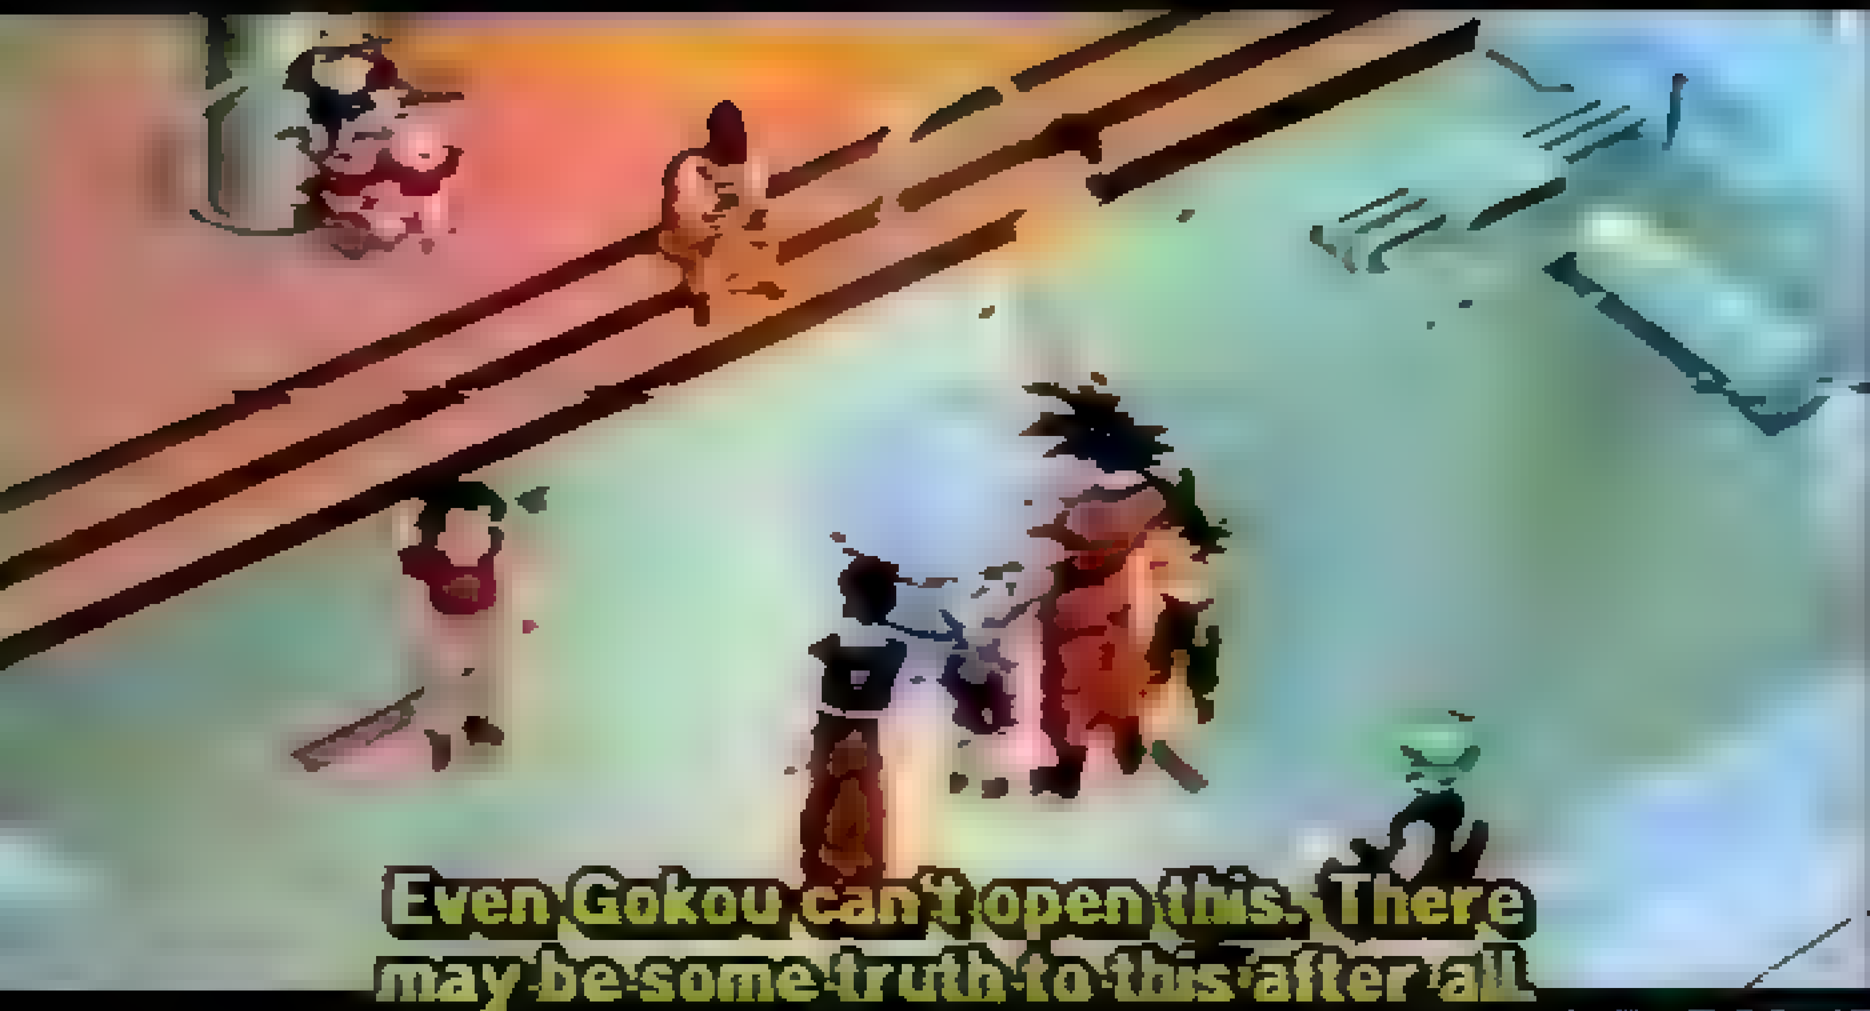

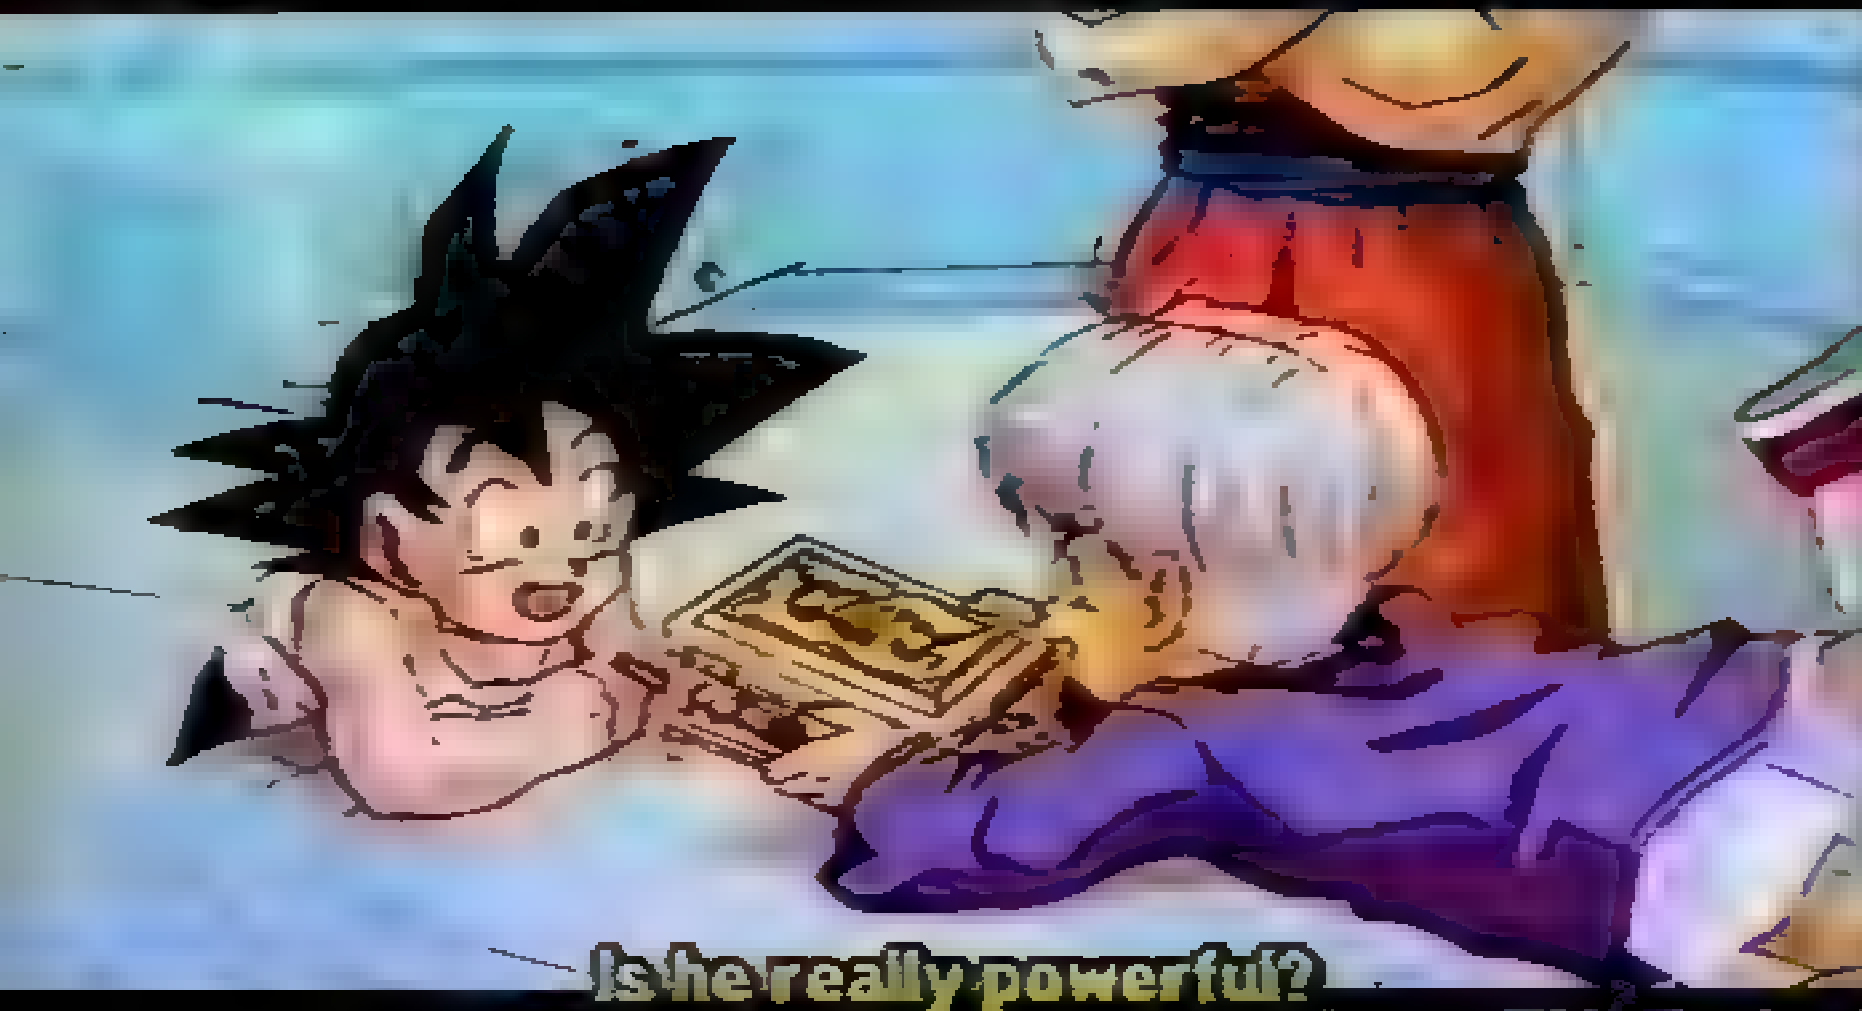

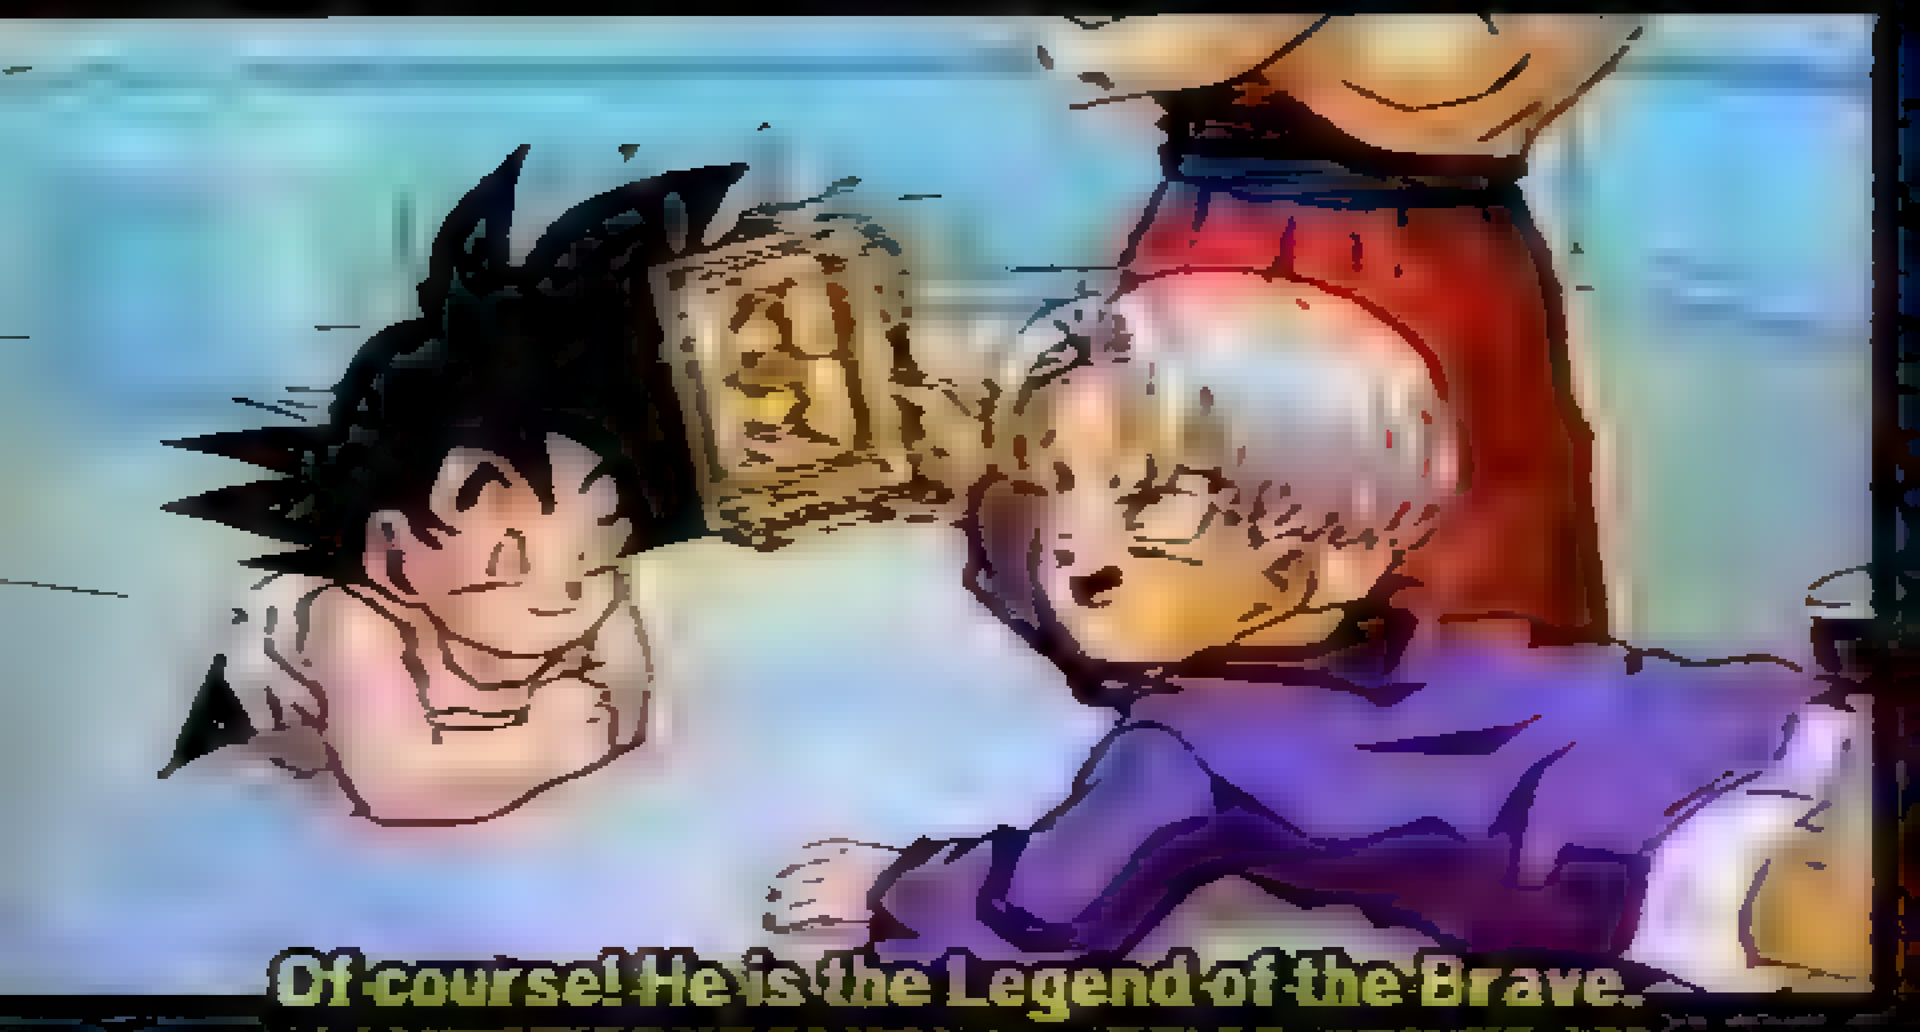

I can't turn the crank!!

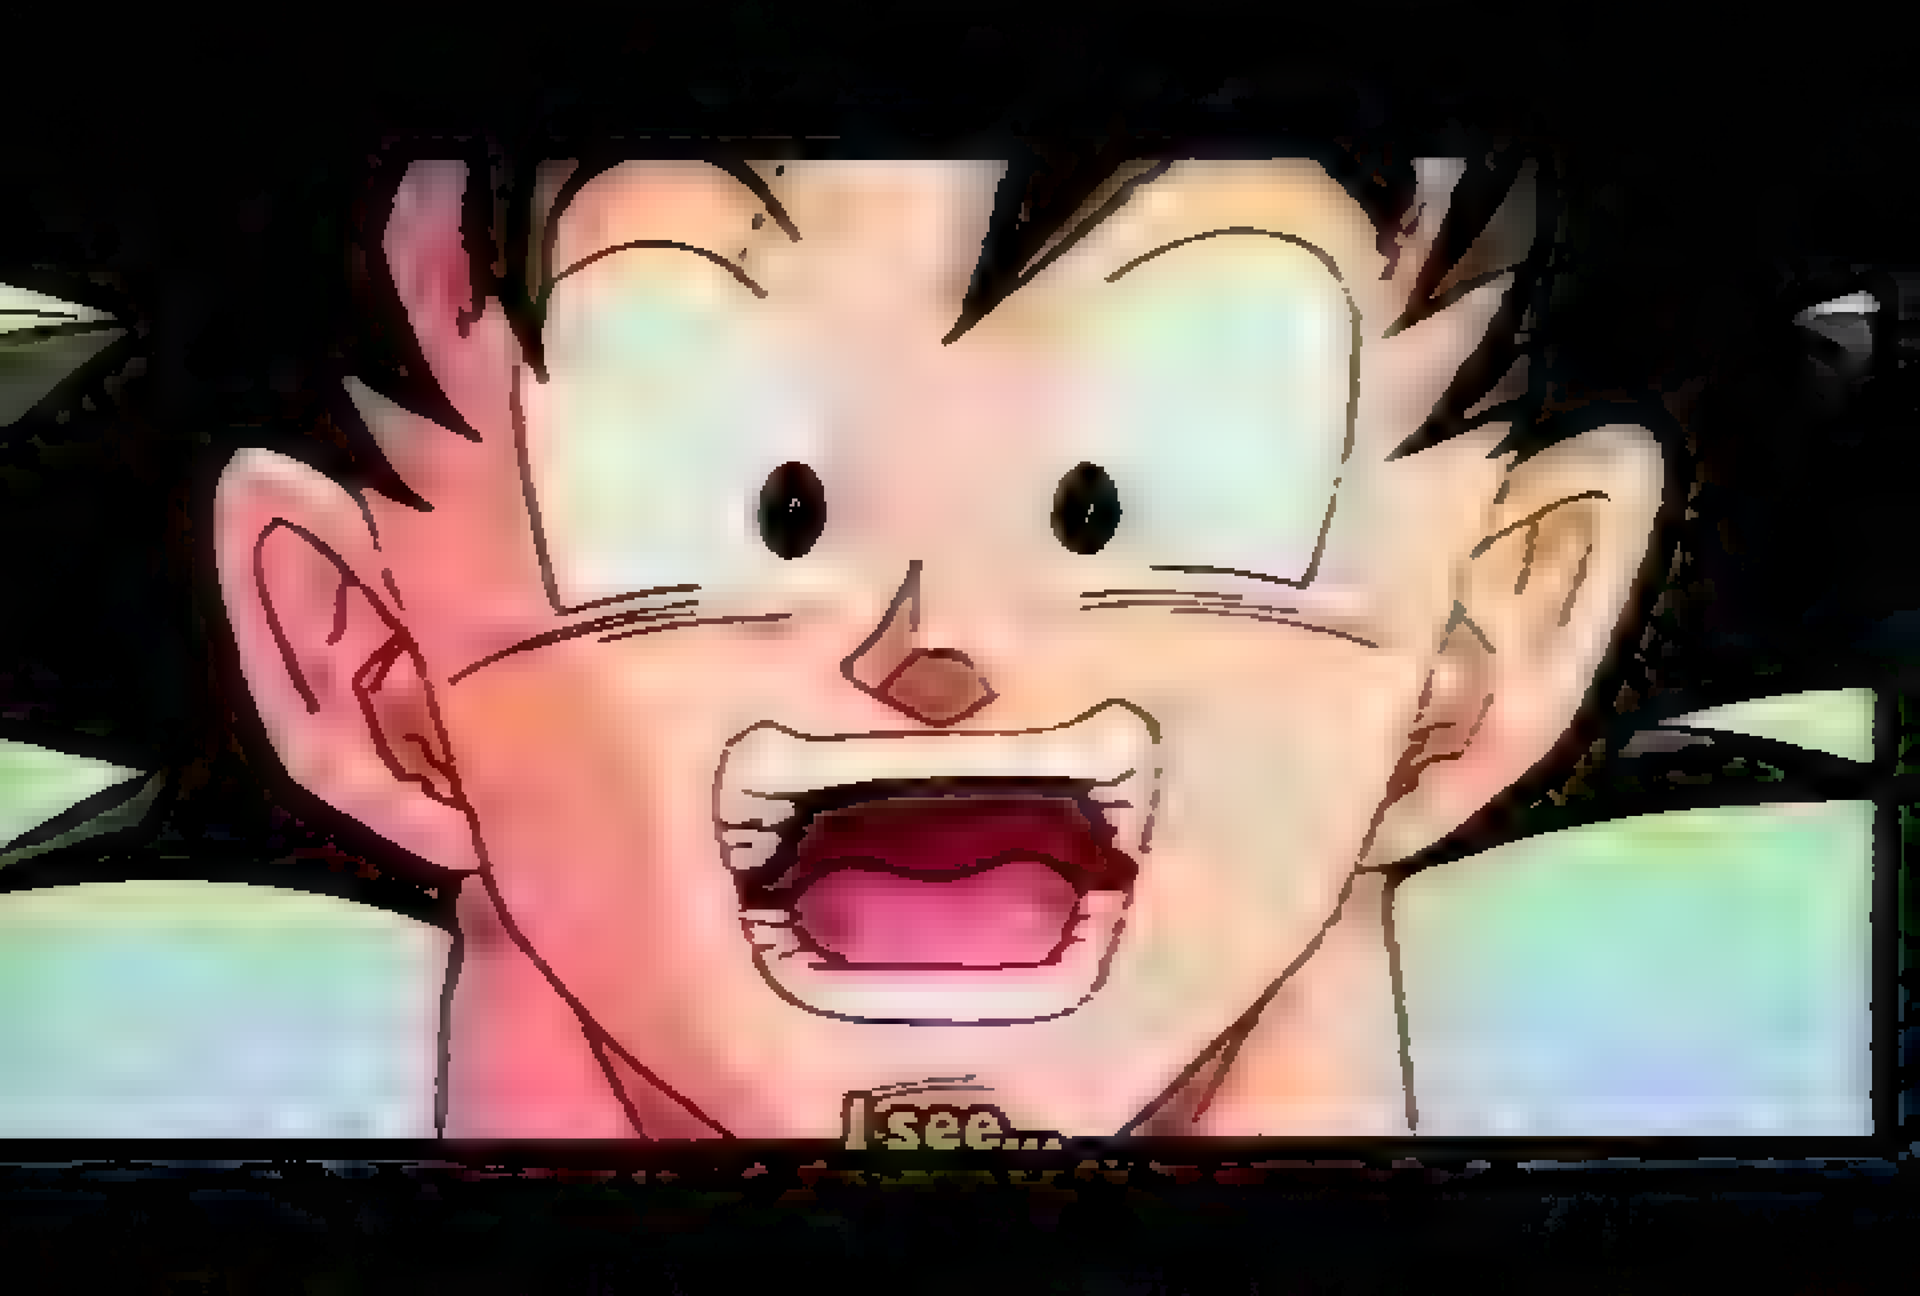

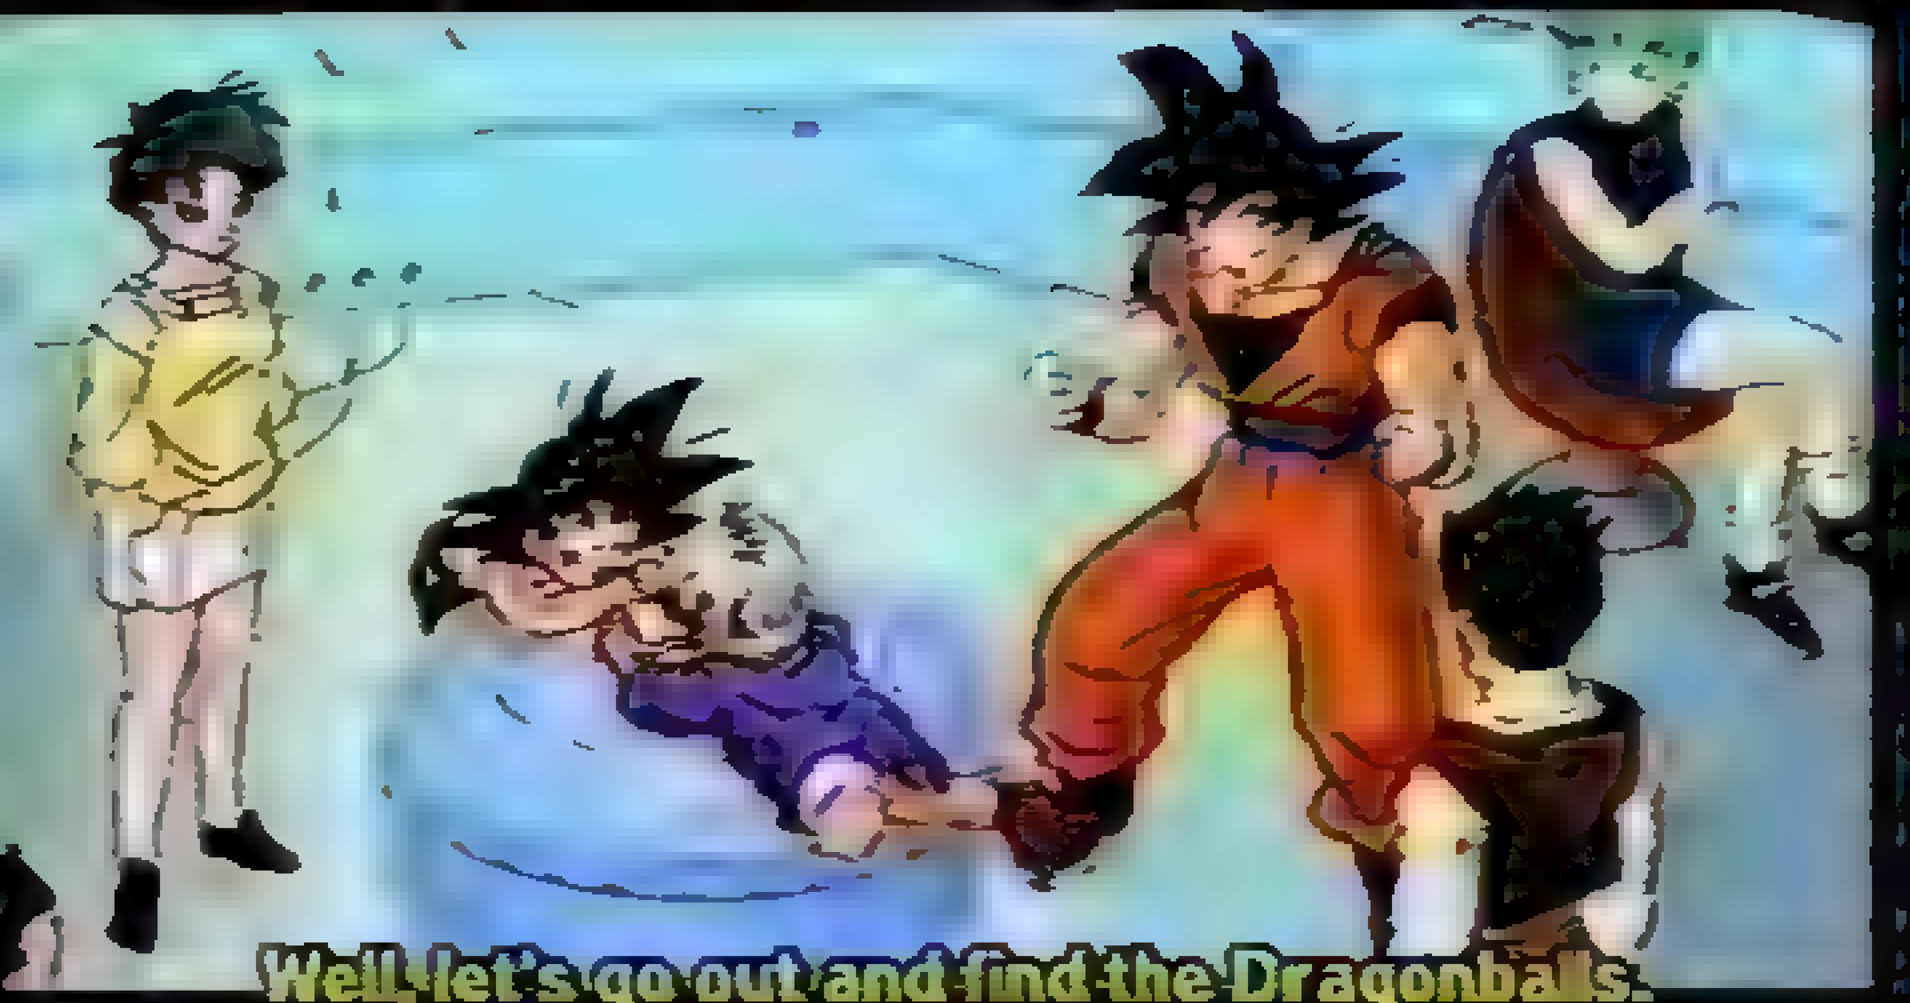

Even Gokou can't open this. There
may be some truth to this after all.

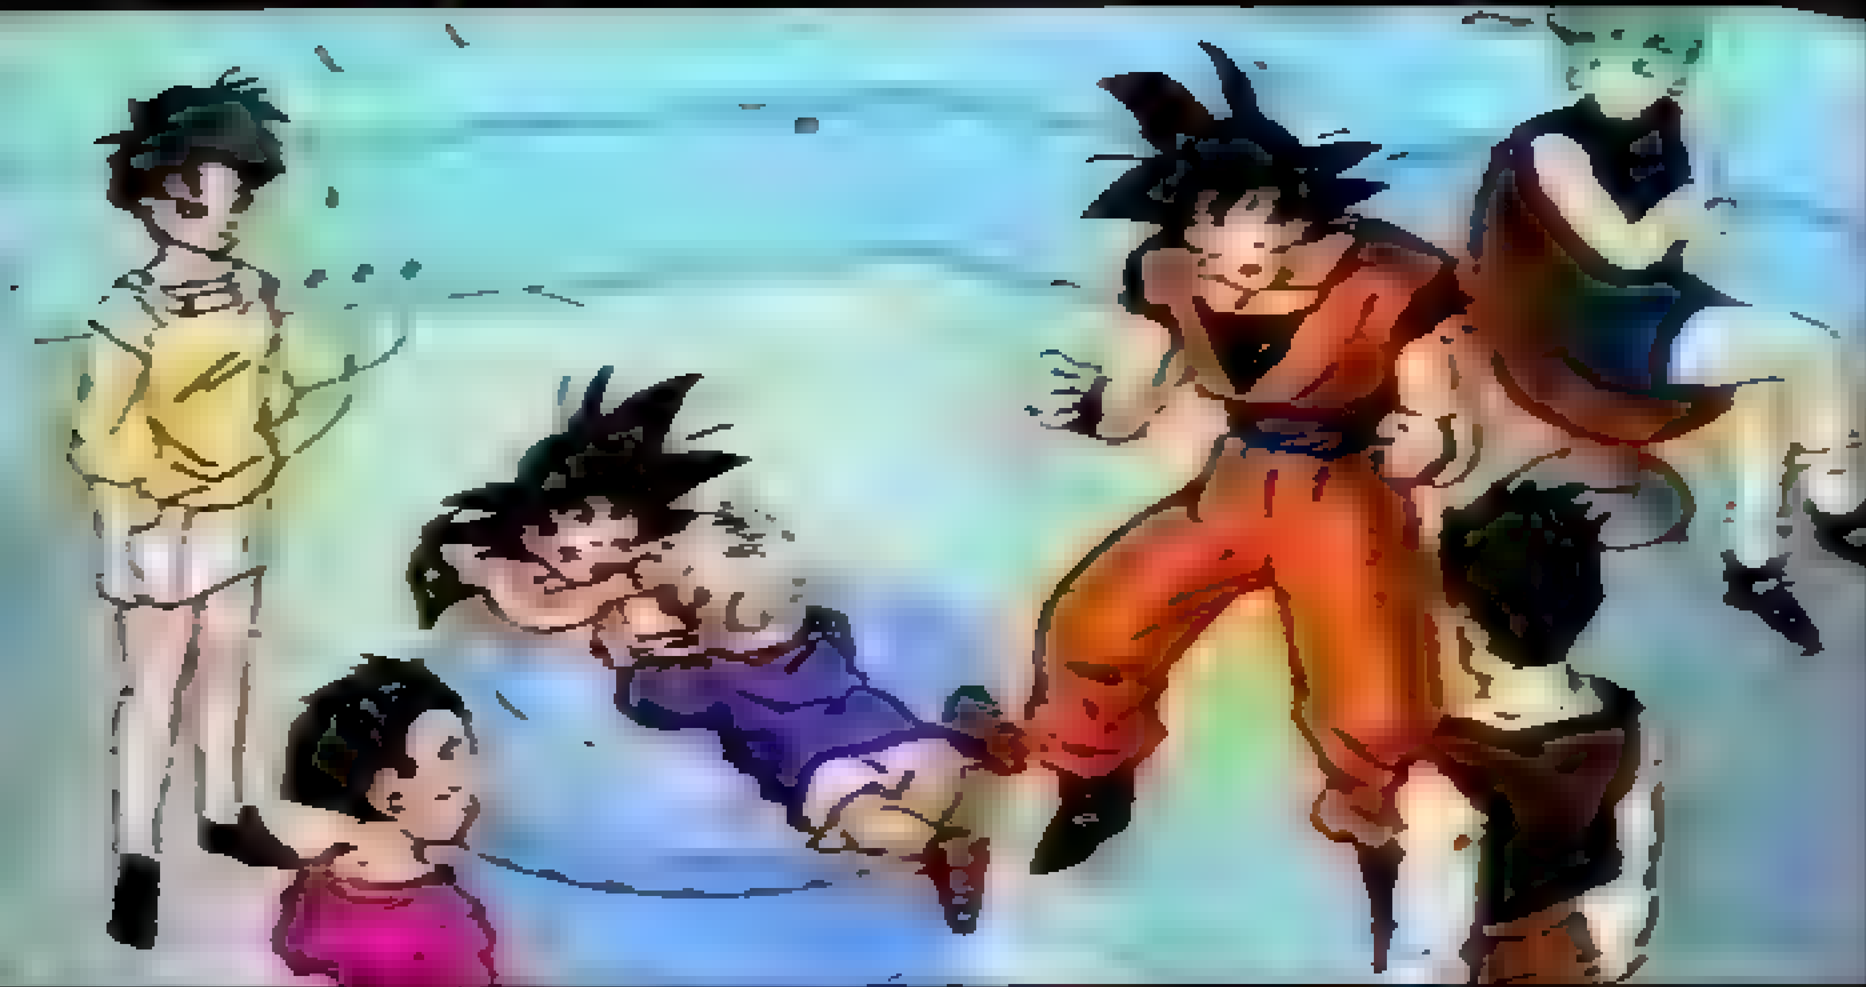

Even Gokou can't open this. There may be some truth to this after all.

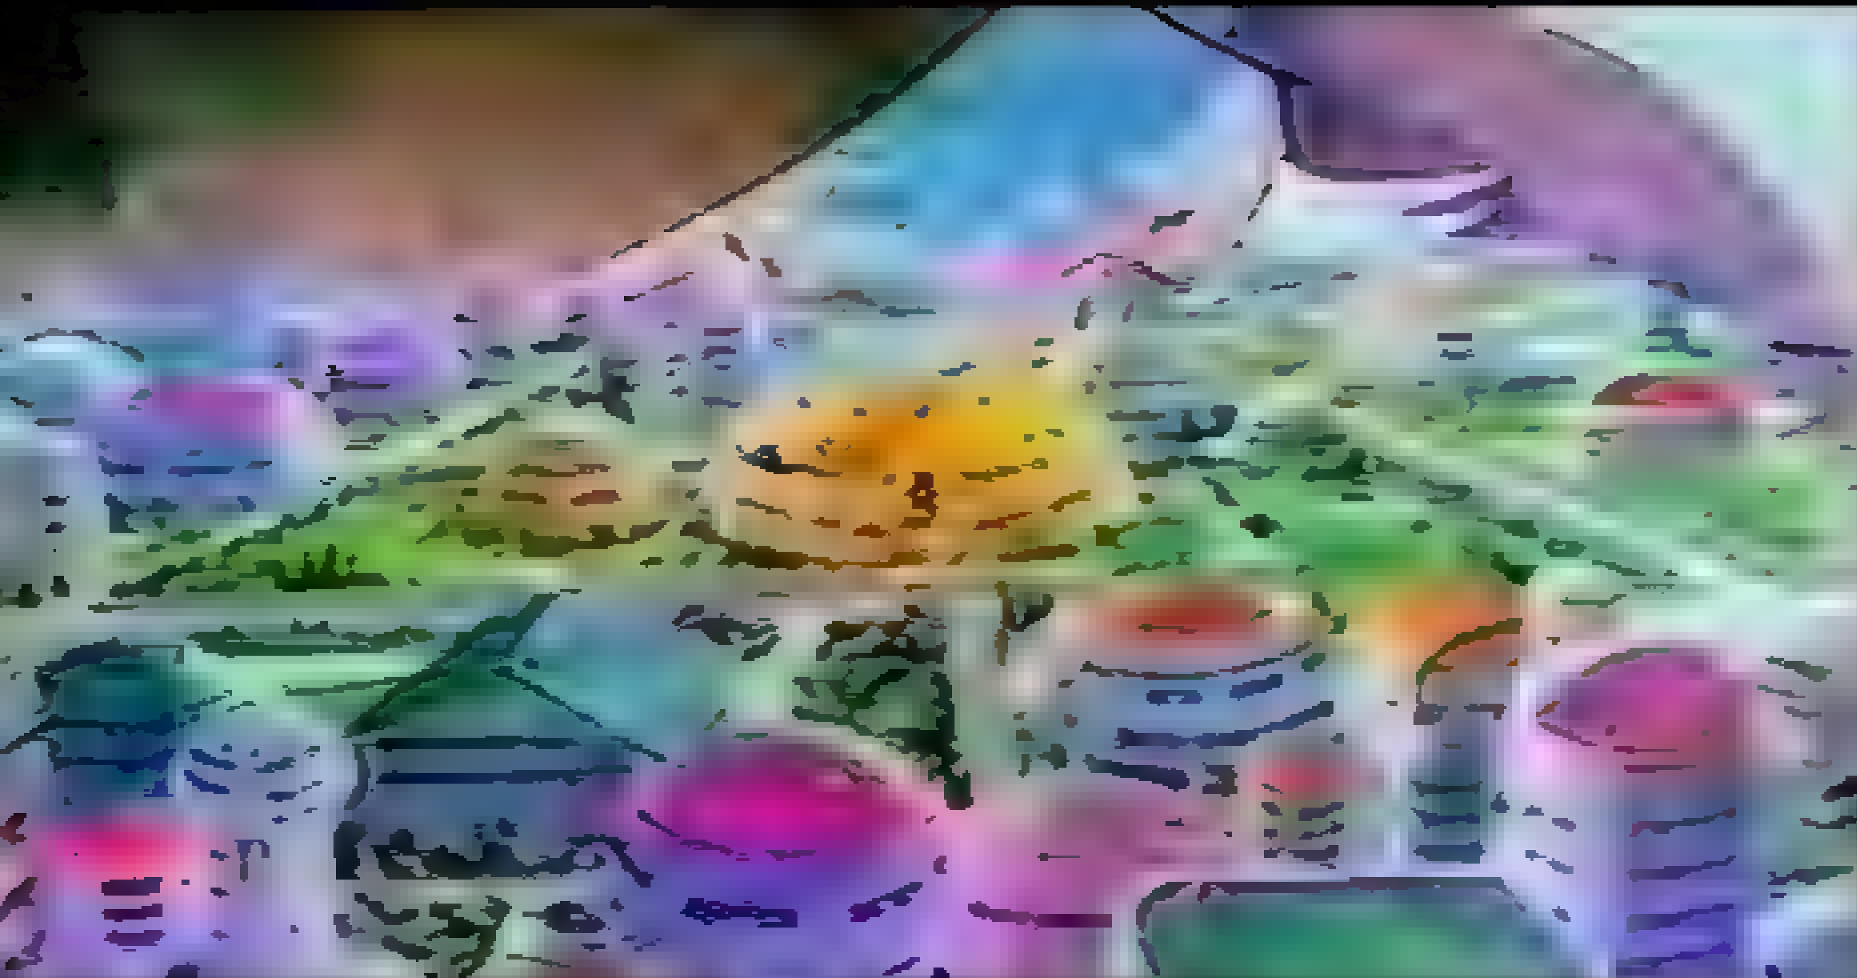

Is he really powerful?

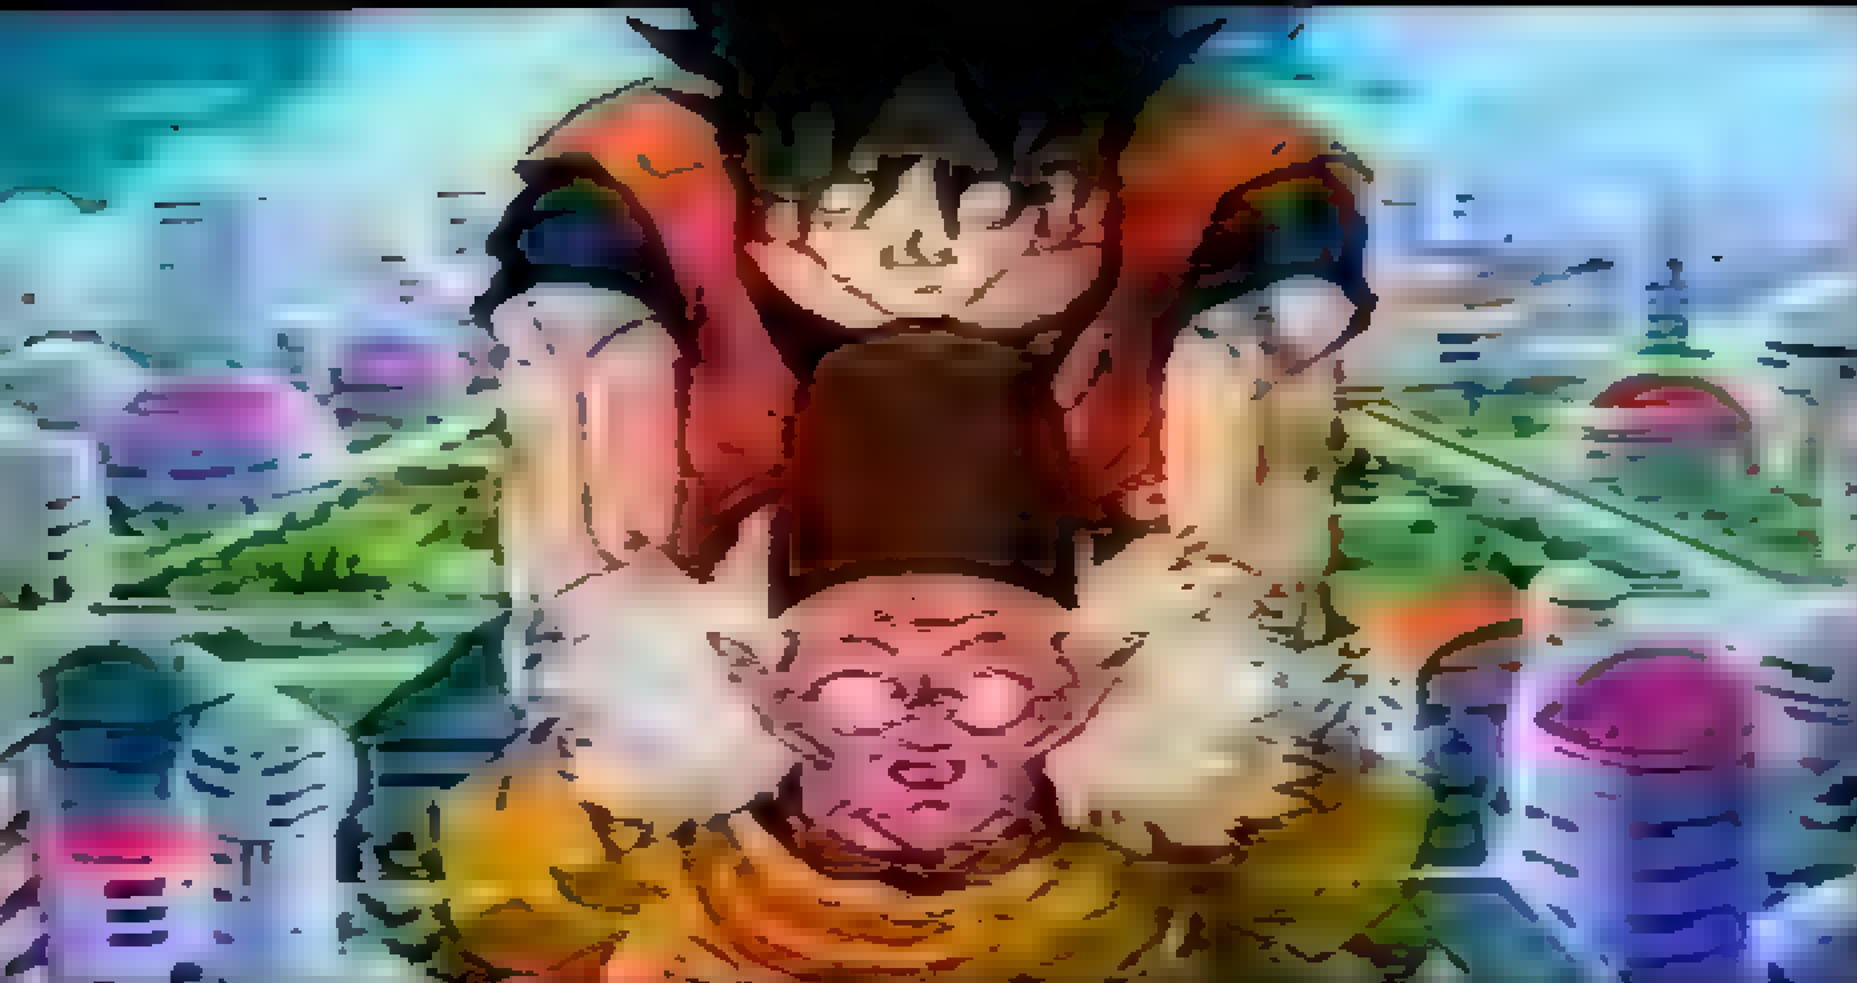

Of course! He is the Legend of the Brave.

I see...

Well, let's go out and find the Dragonballs.

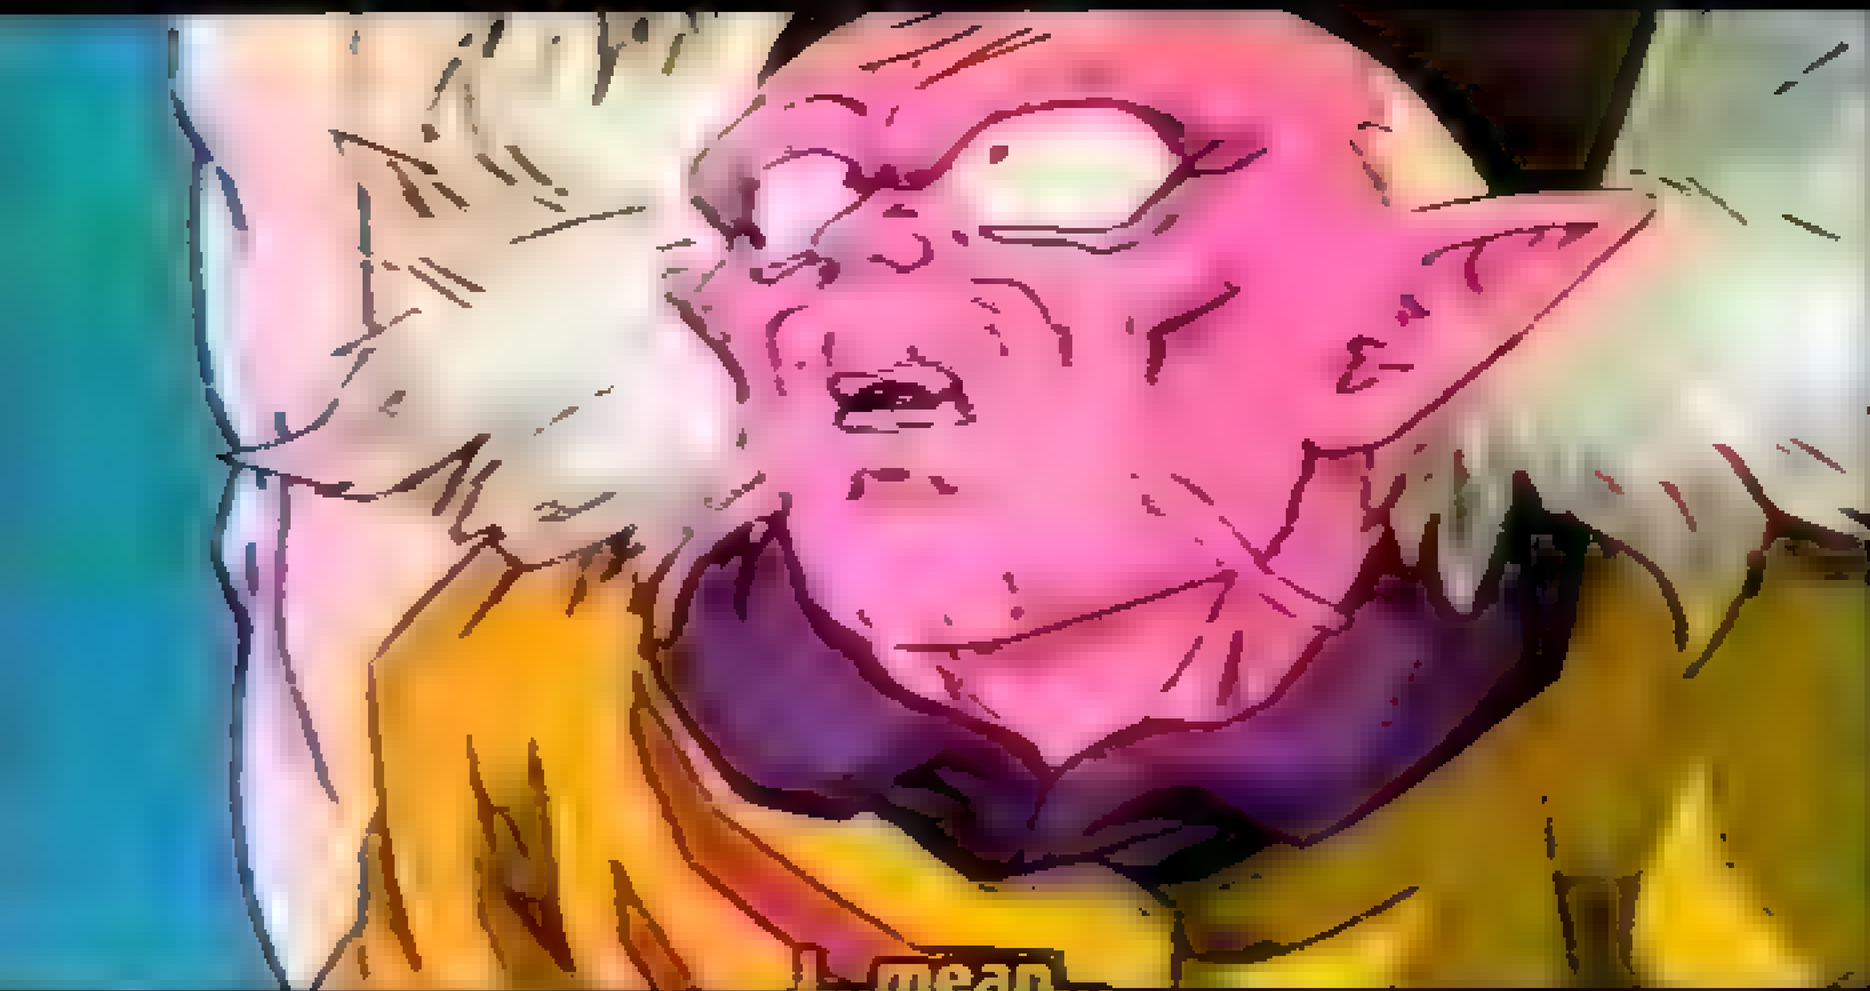

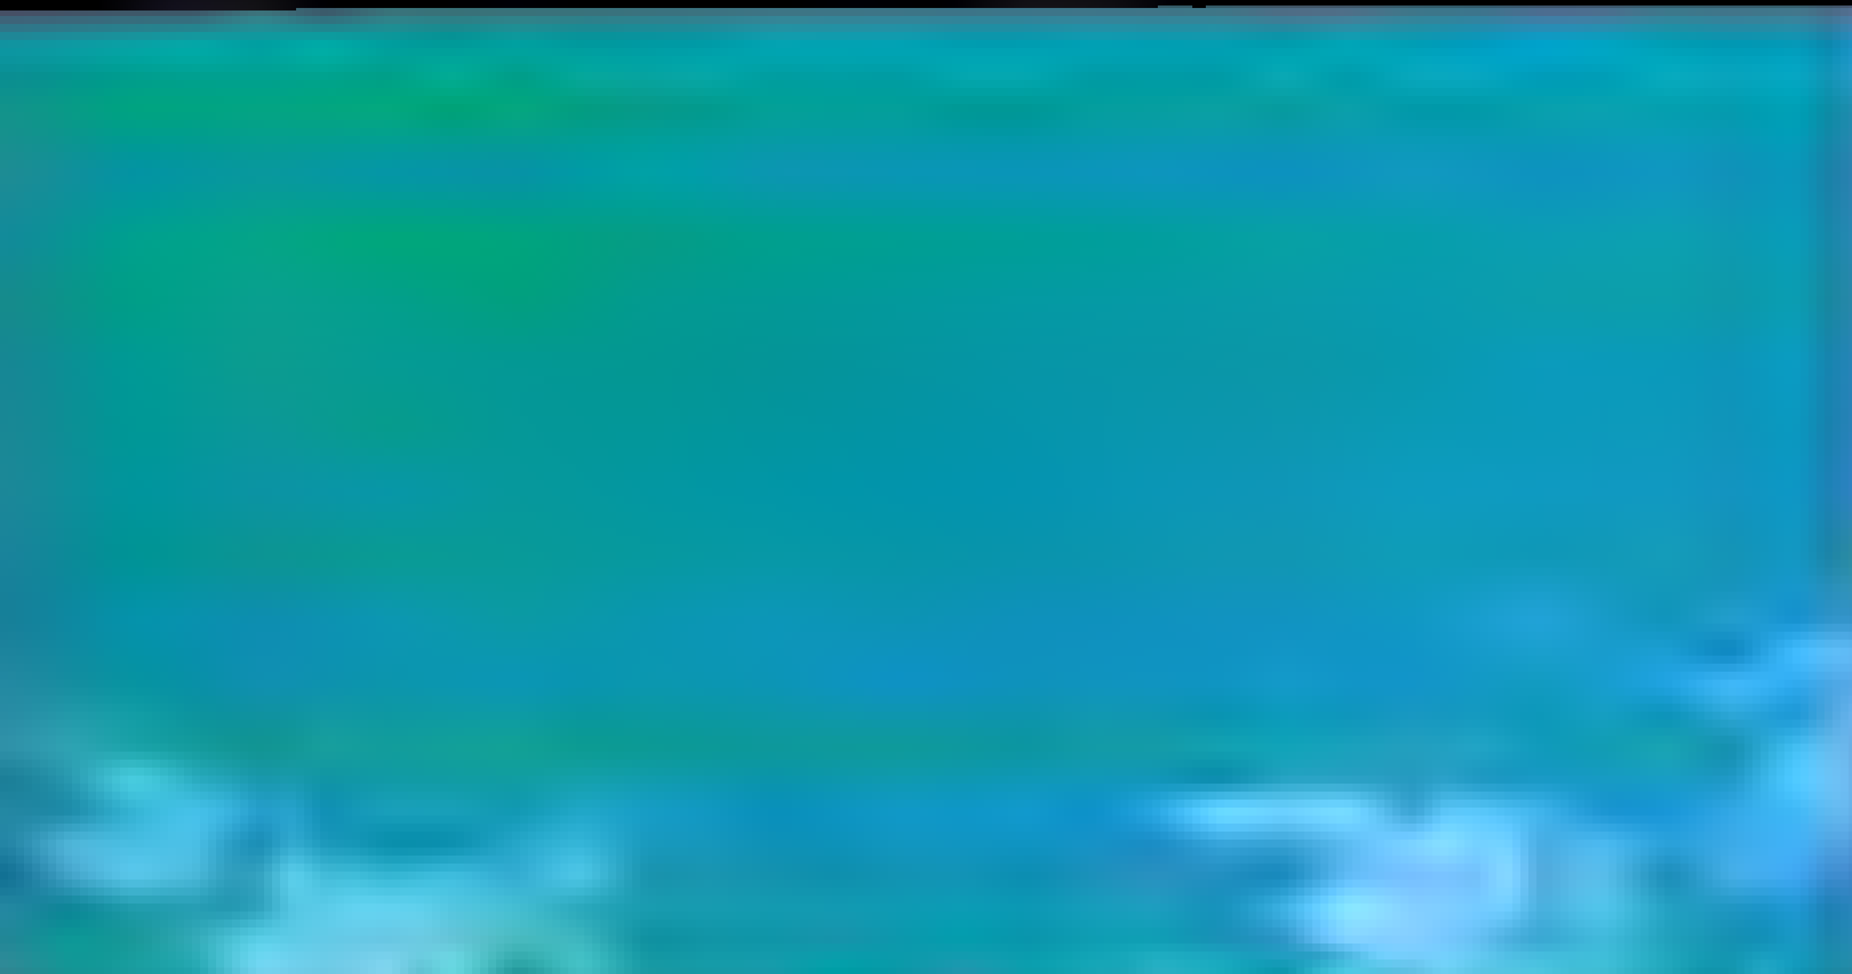

I think I'm going to like this planet Earth.

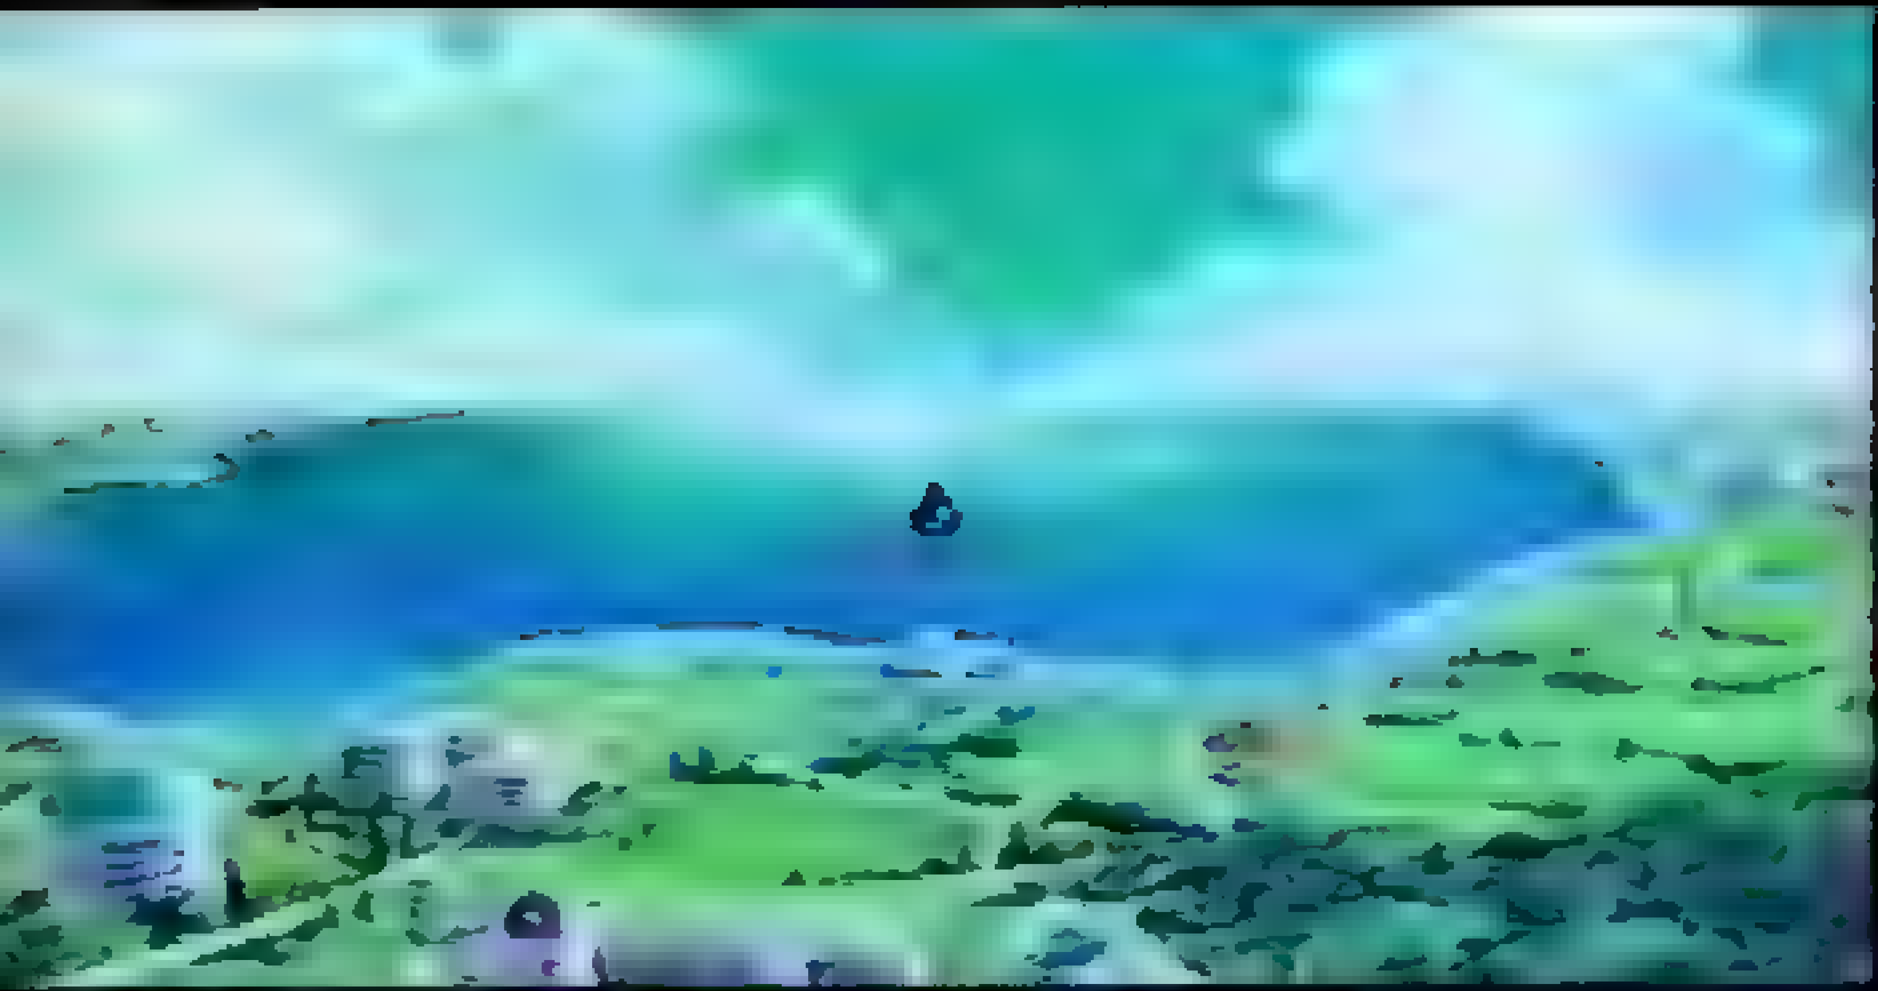

I think I'm going to like this planet Earth.

You mean you aren't from Earth?

I...mean...

I must've made a mistake...

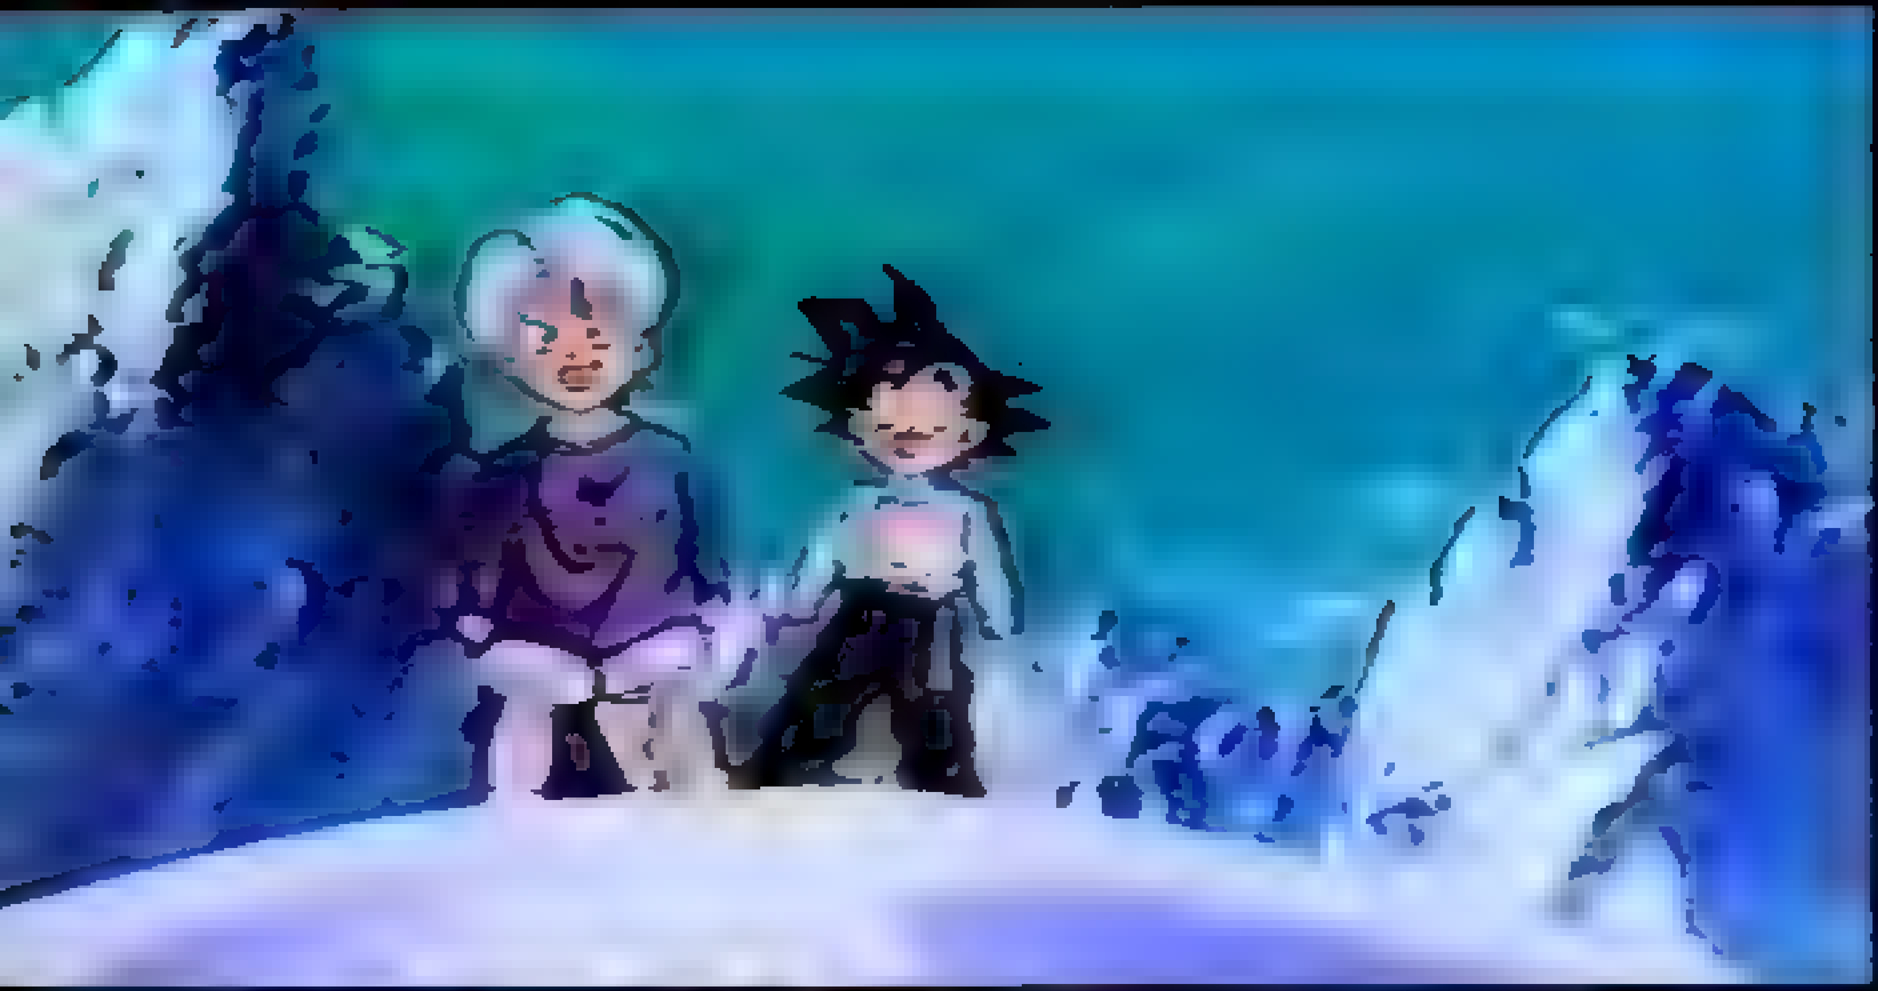

C'mon Goten! Let's hurry up and find it!!

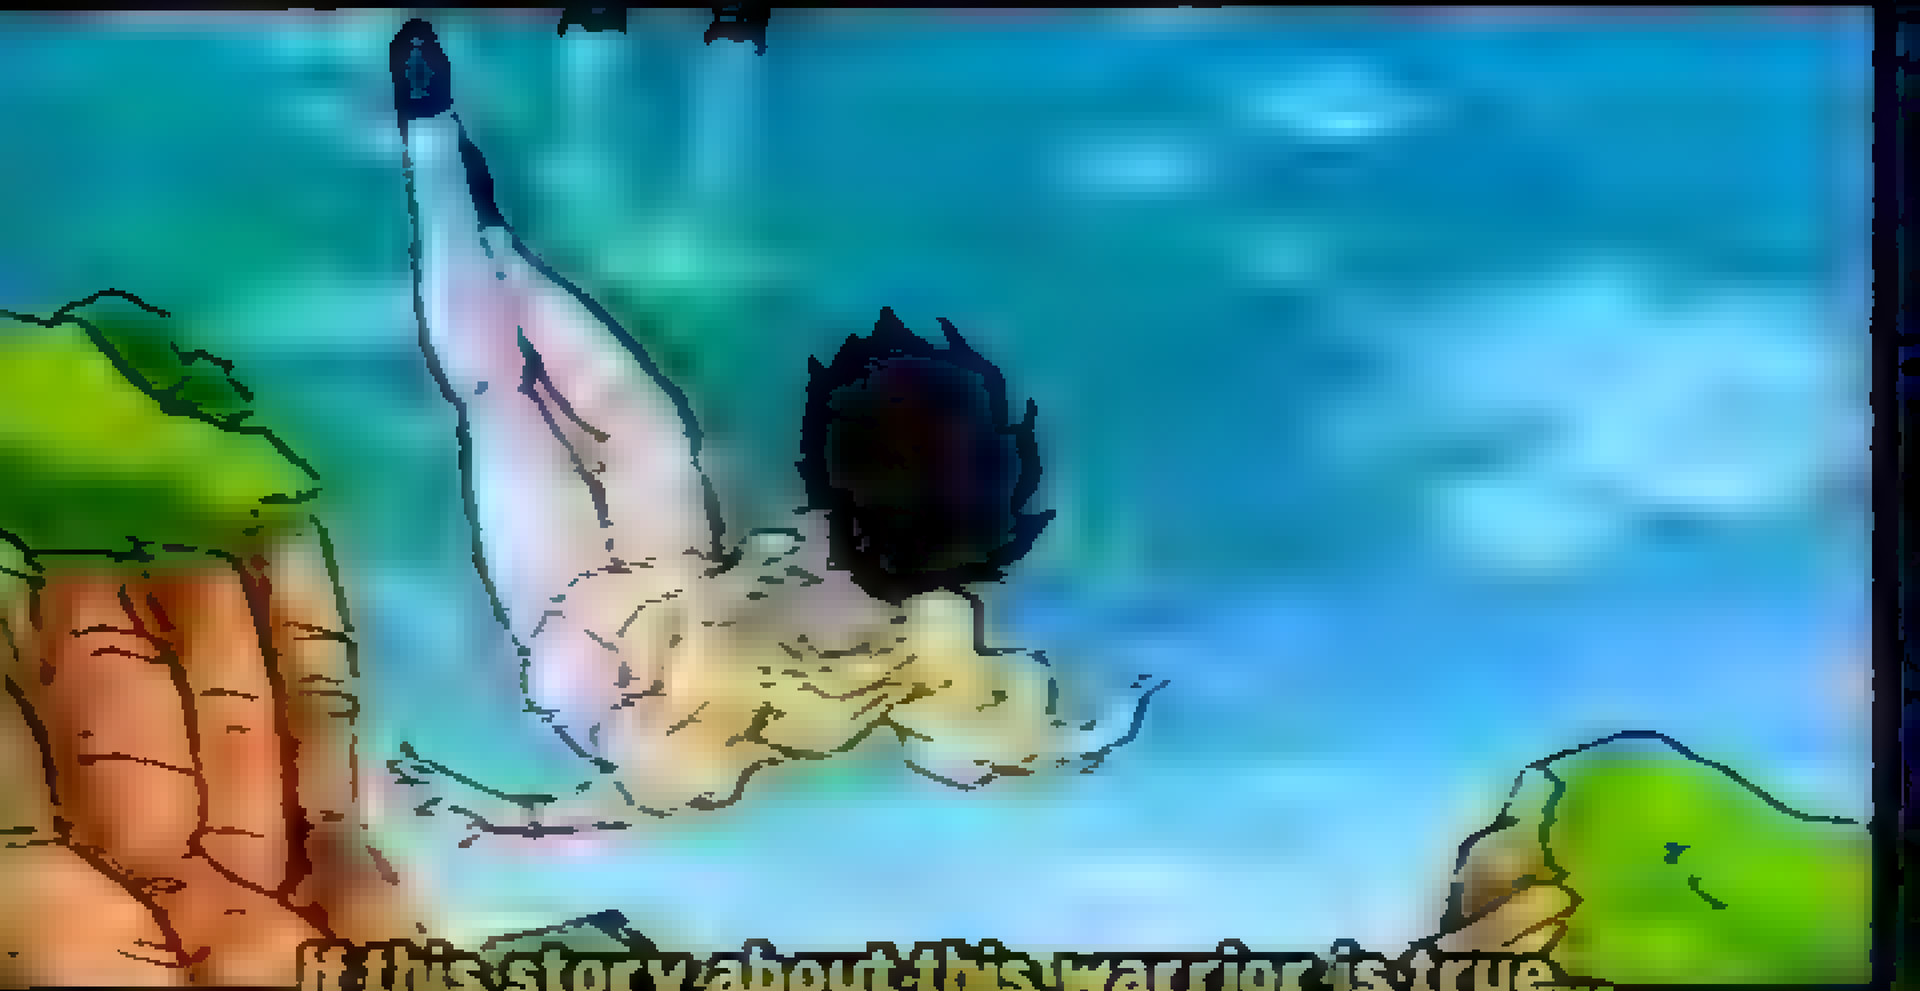

C'mon Goten! Let's hurry up and find it!!

We'd loved to meet this brave warrior!

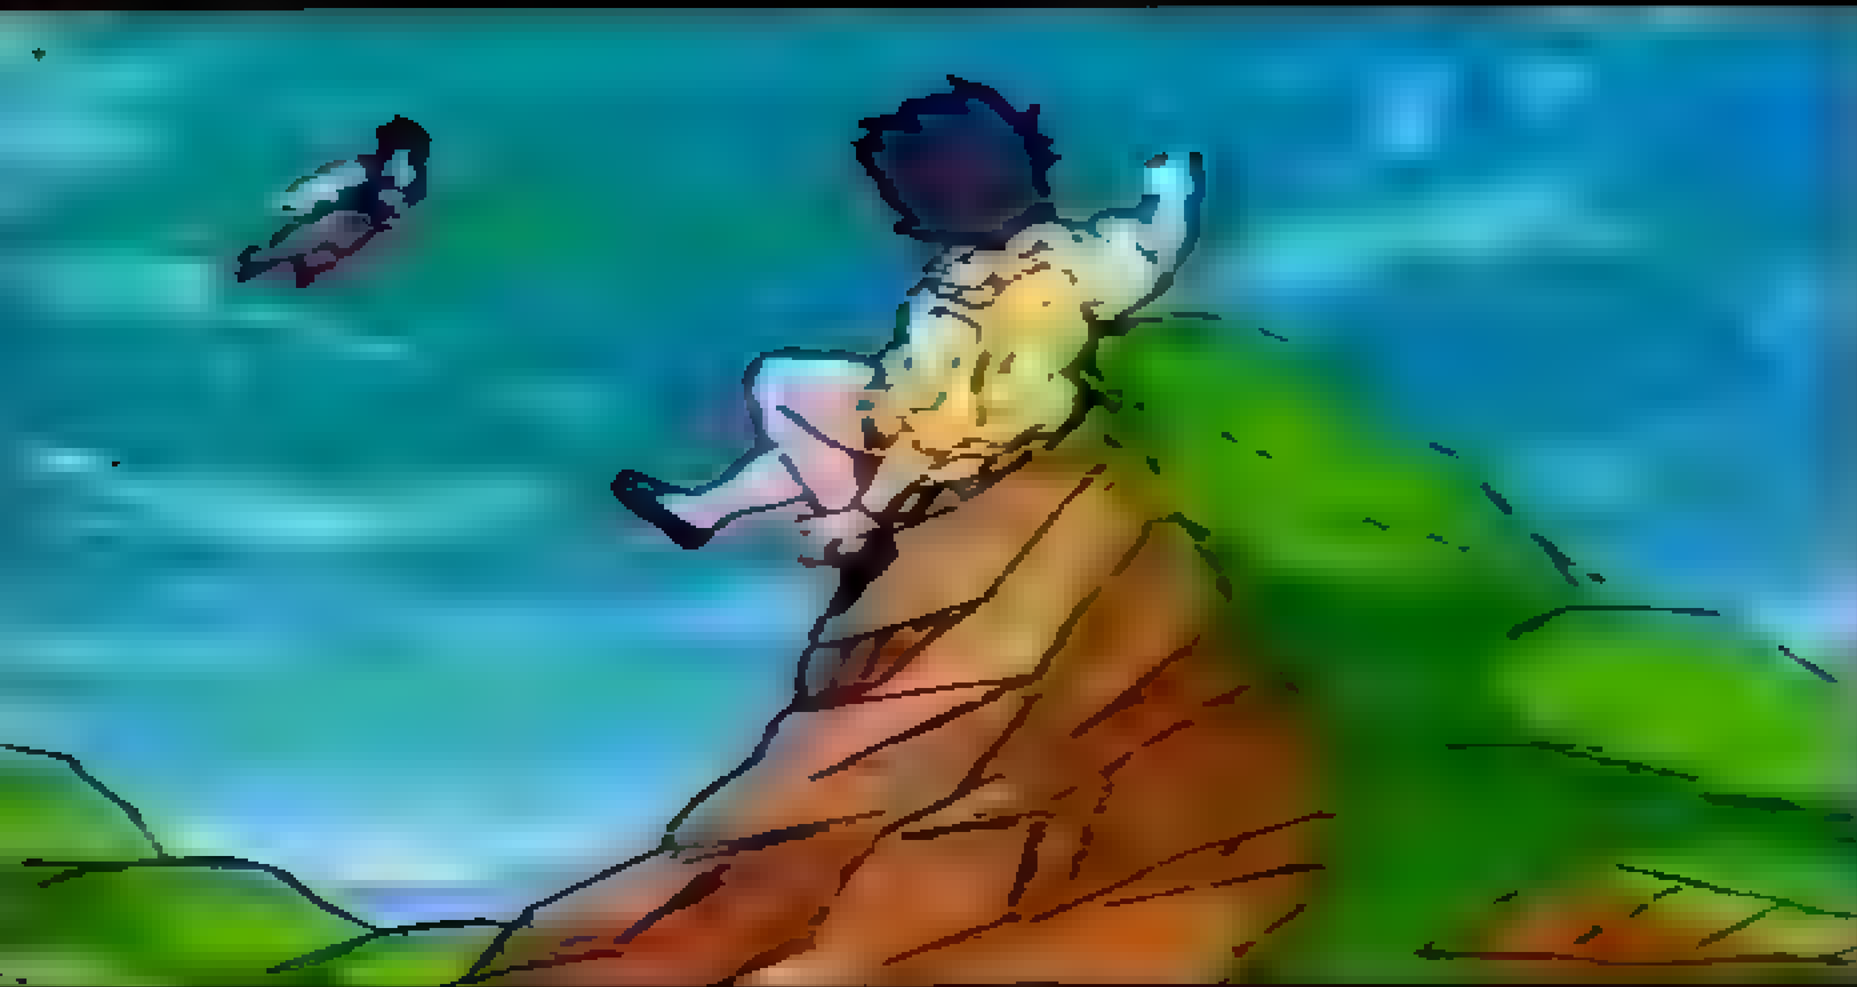

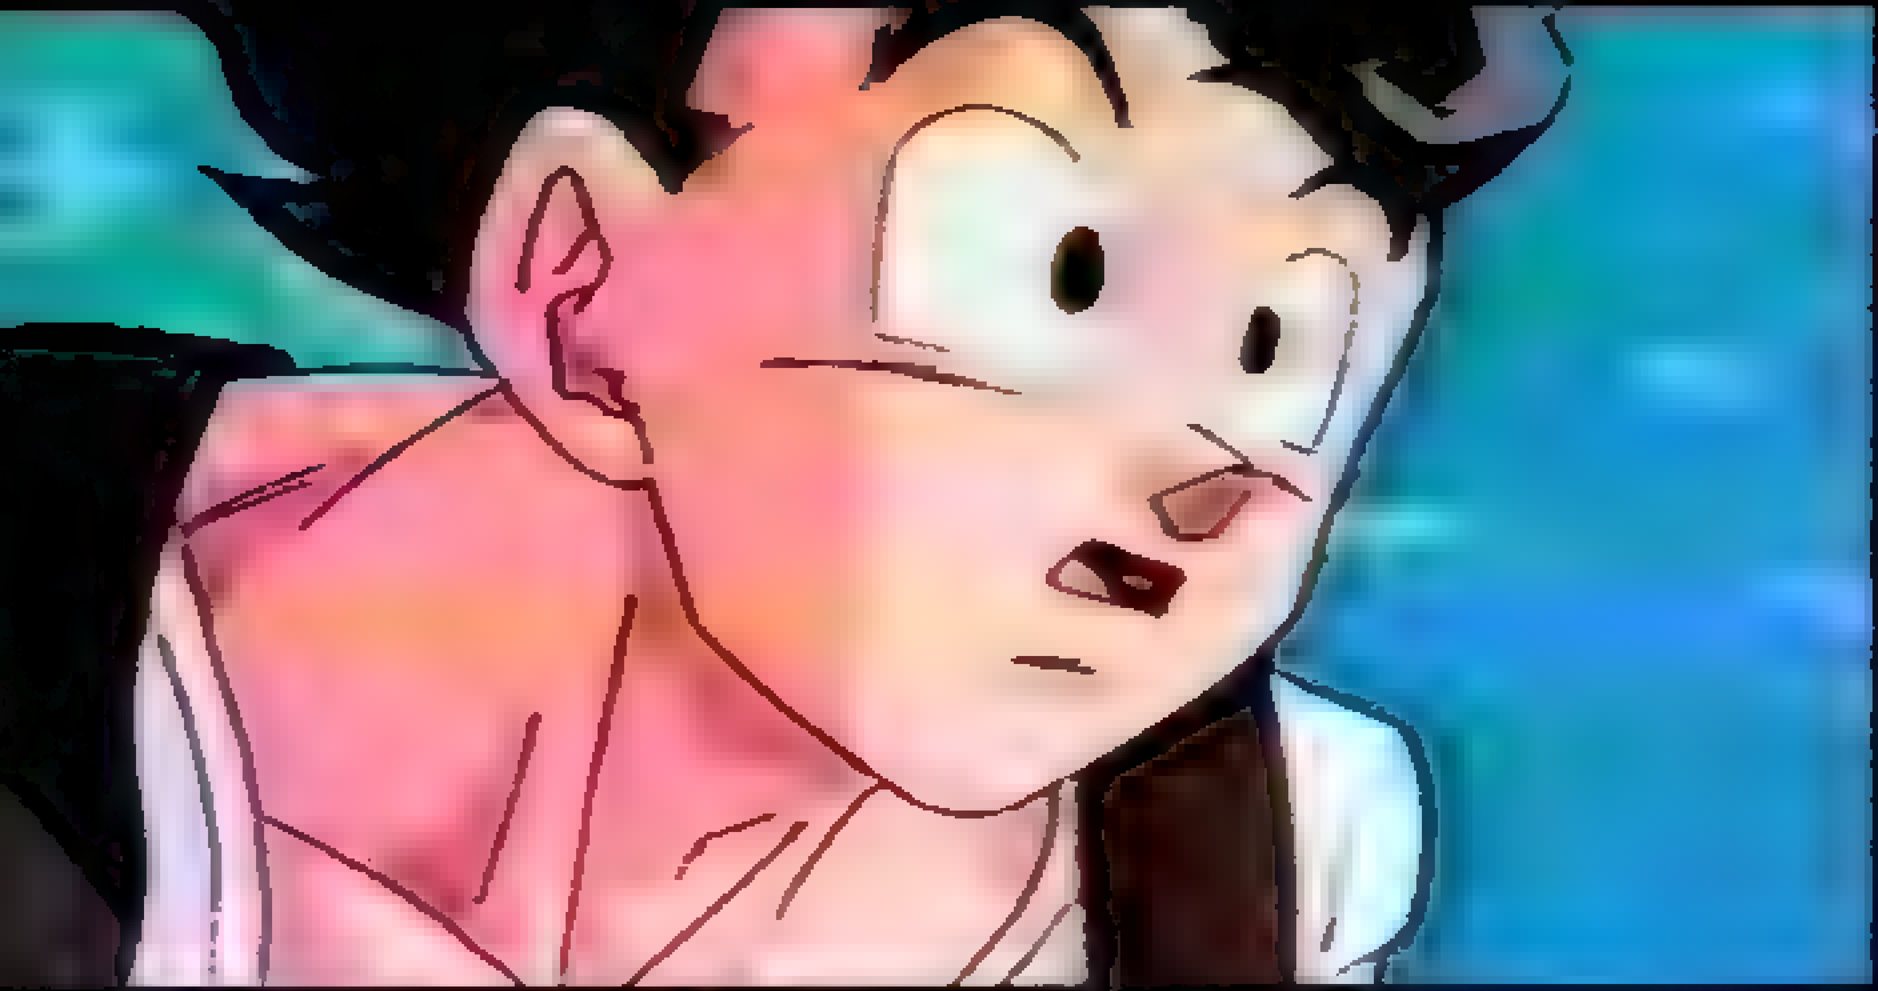

If this story about this warrior is true...

If this story about this warrior is true...

I wonder what Tabion will look like?

I'm interested in meeting this brave warrior.

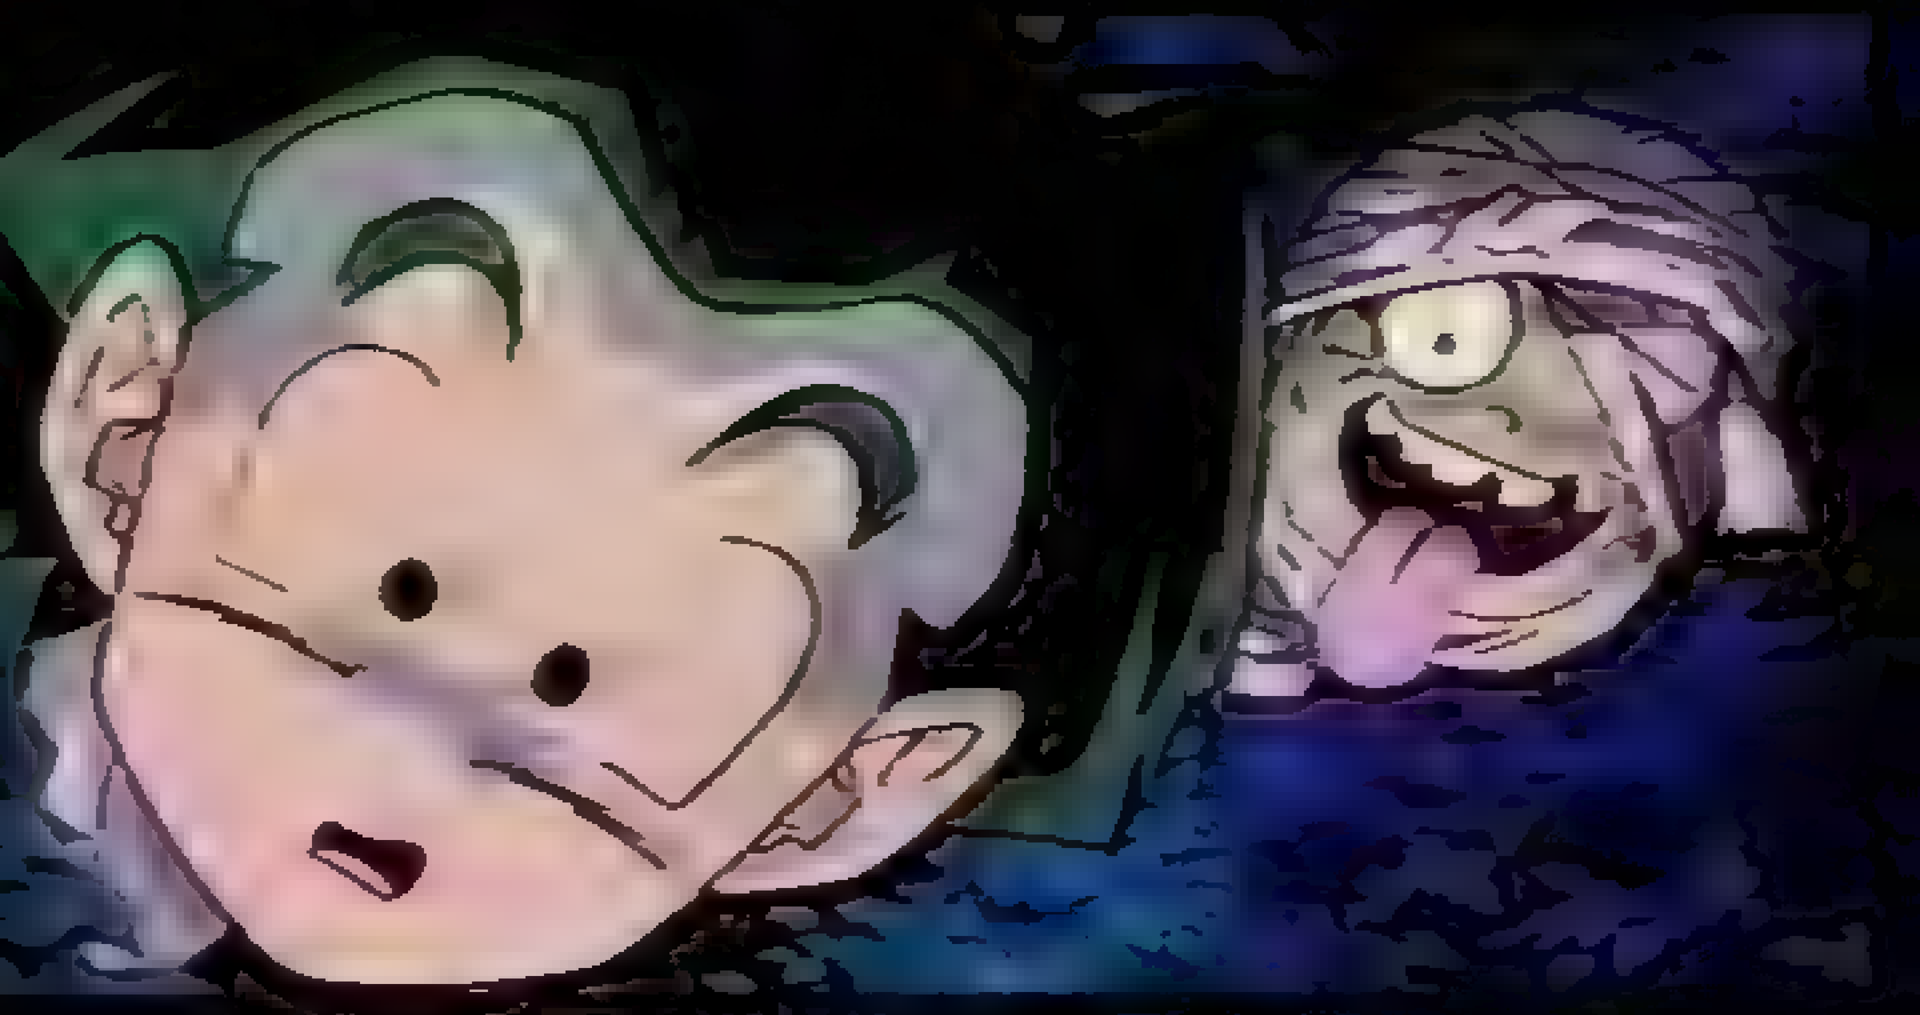

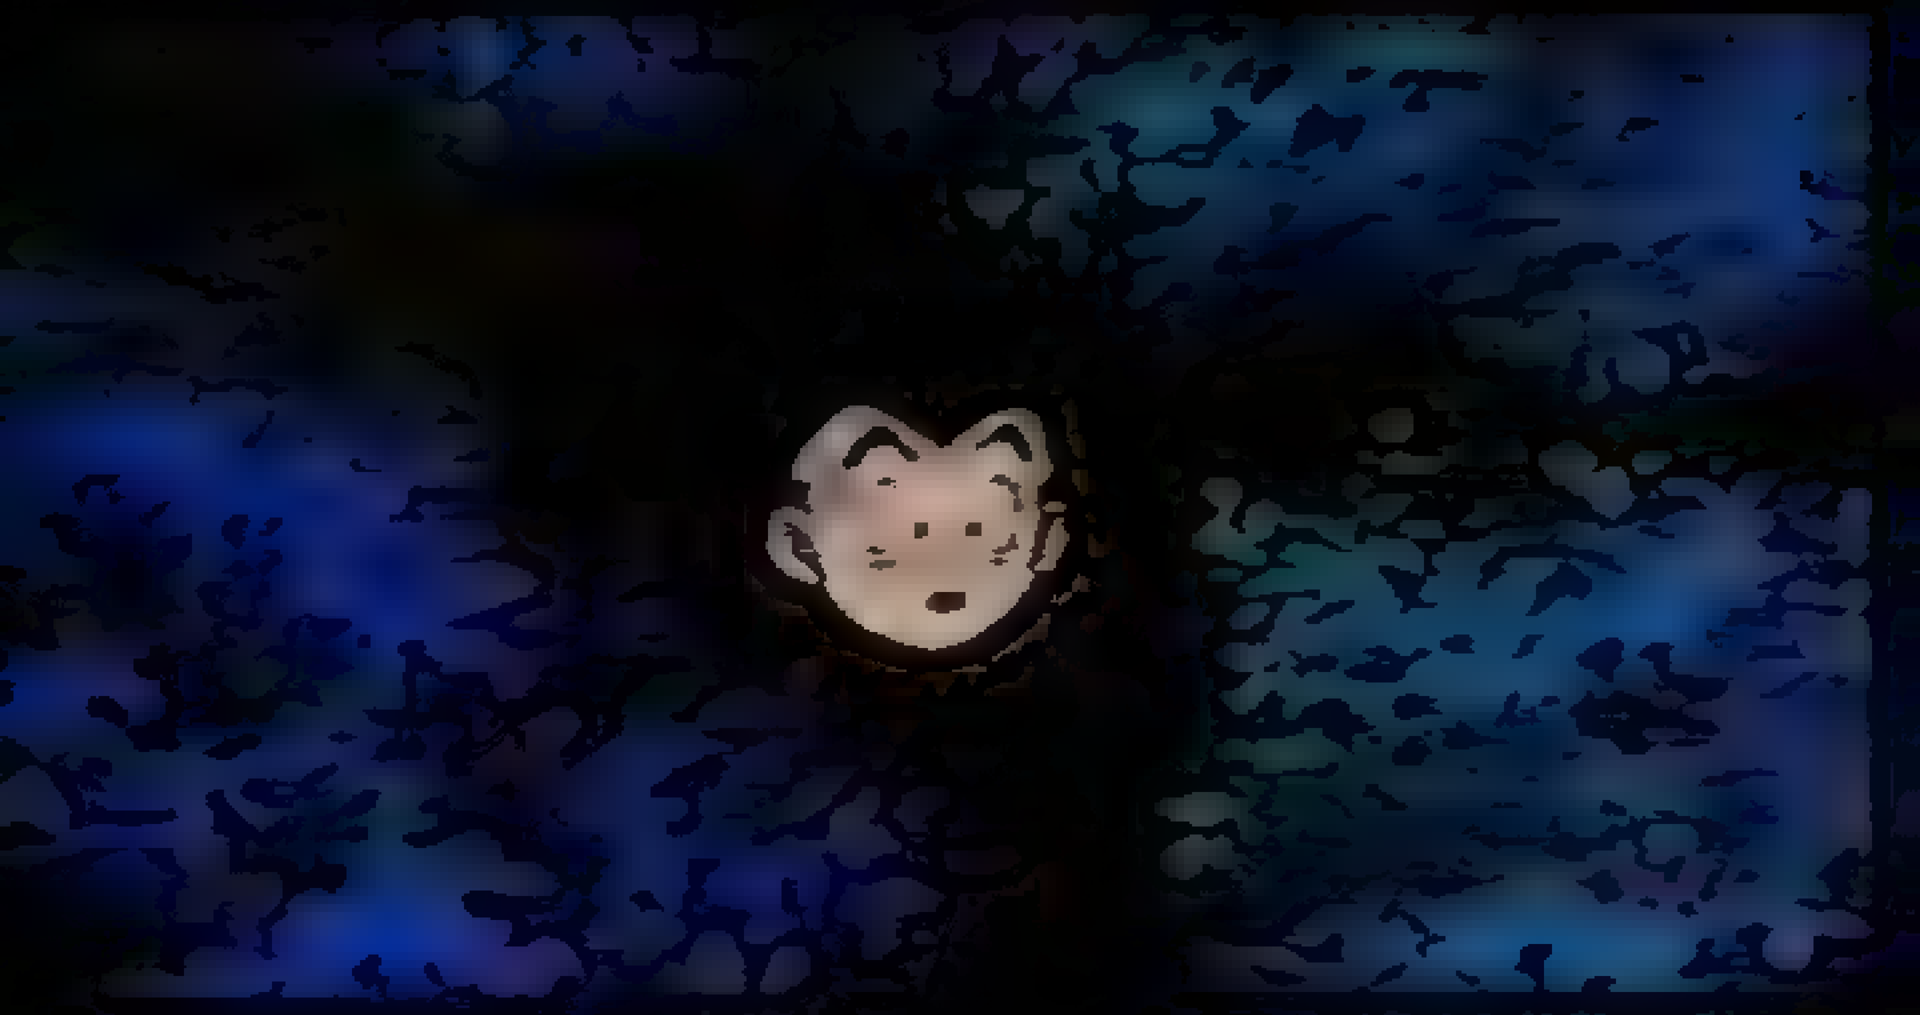

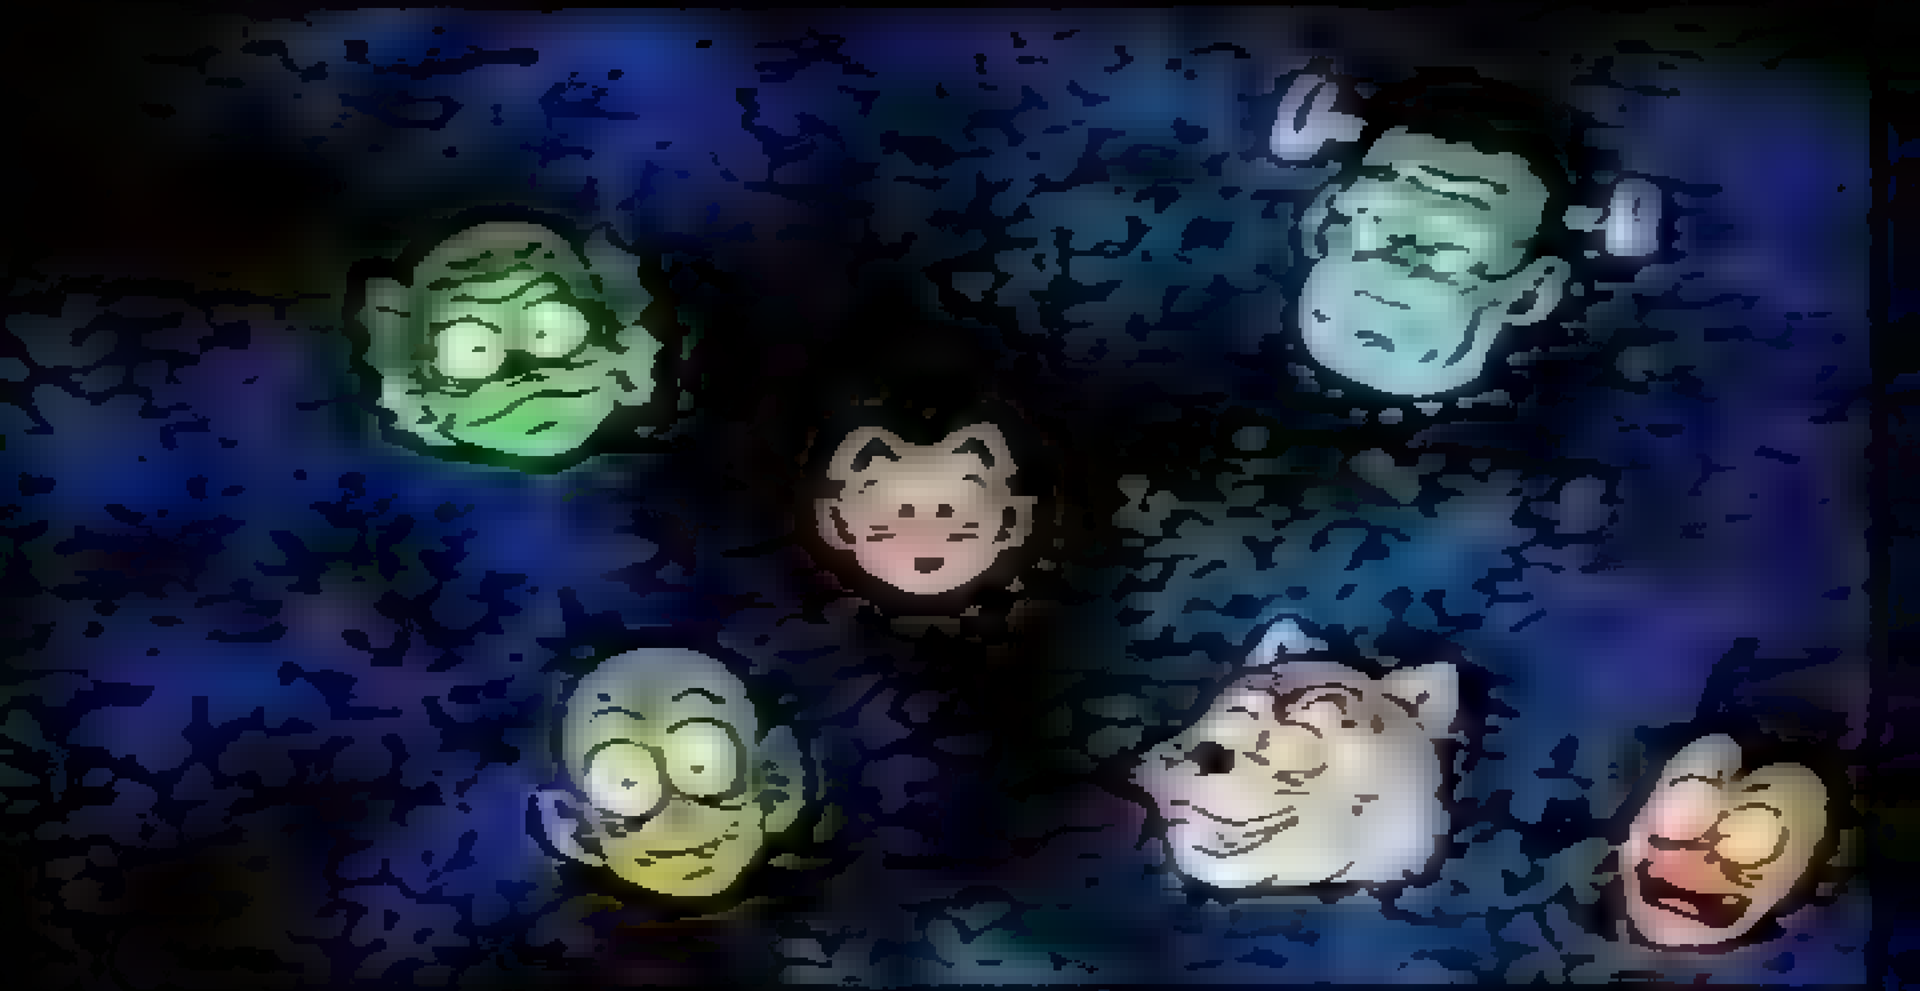

Am I all alone again?!

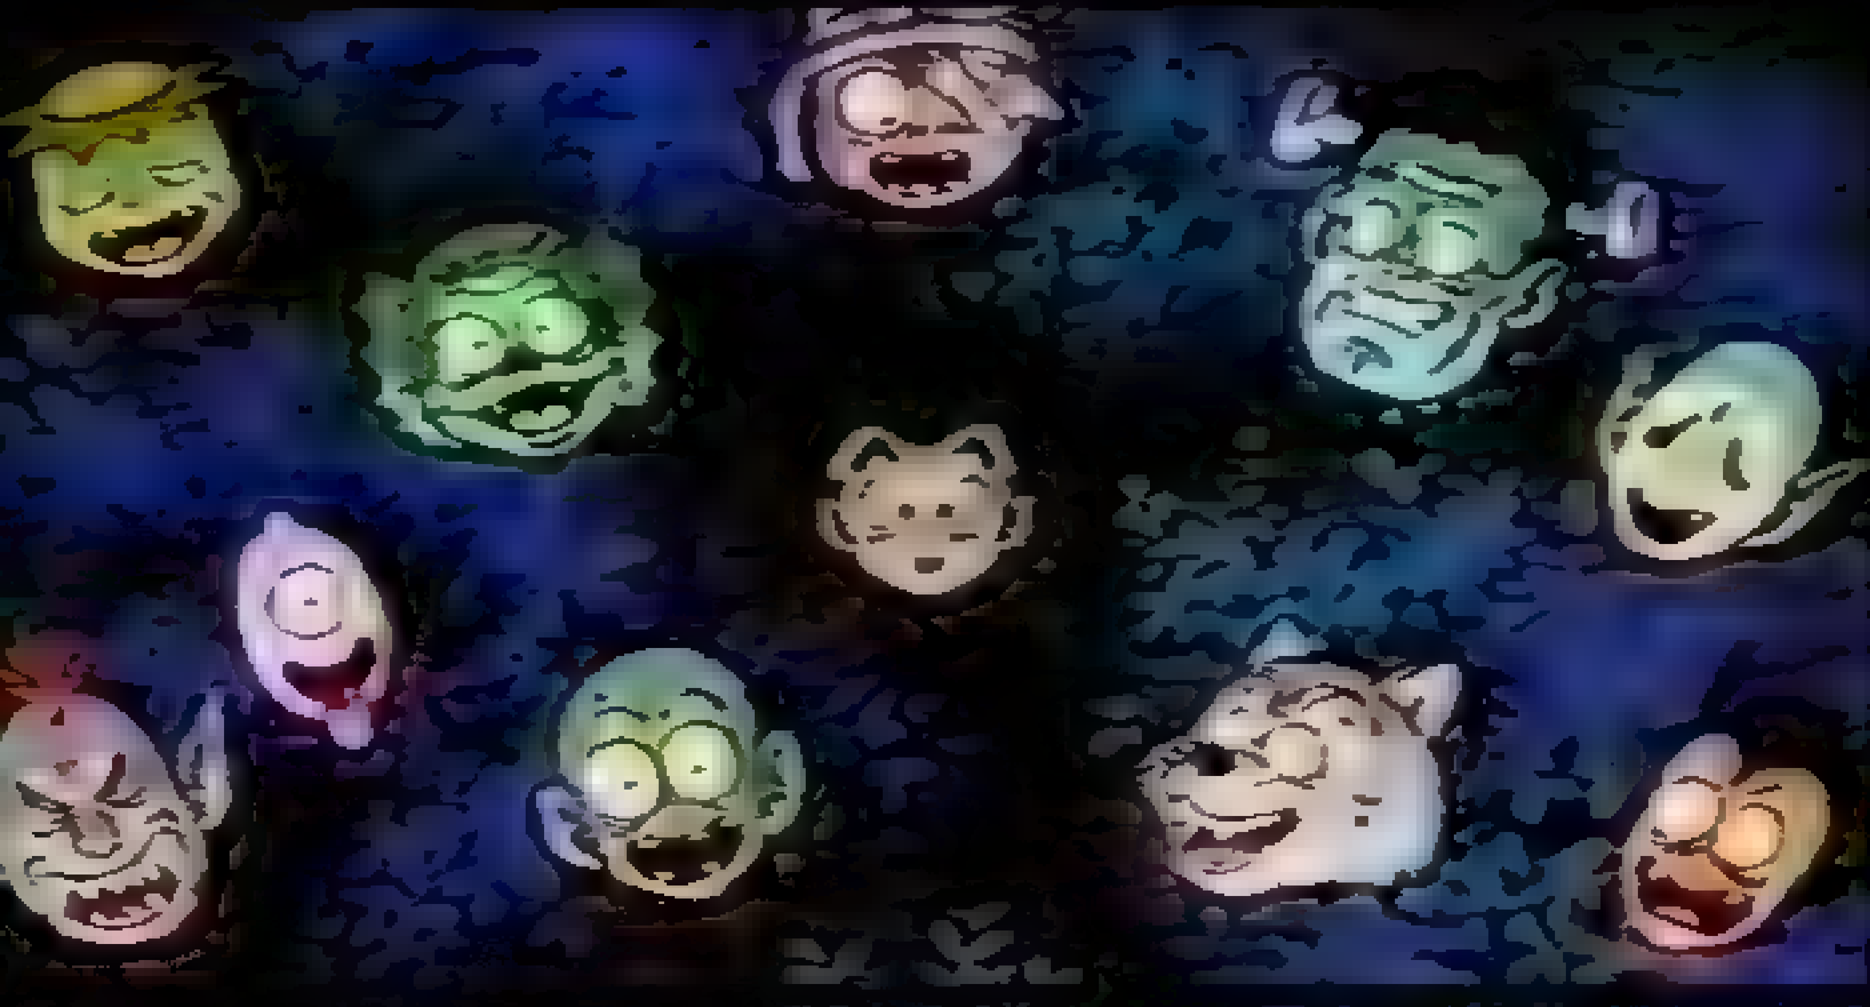

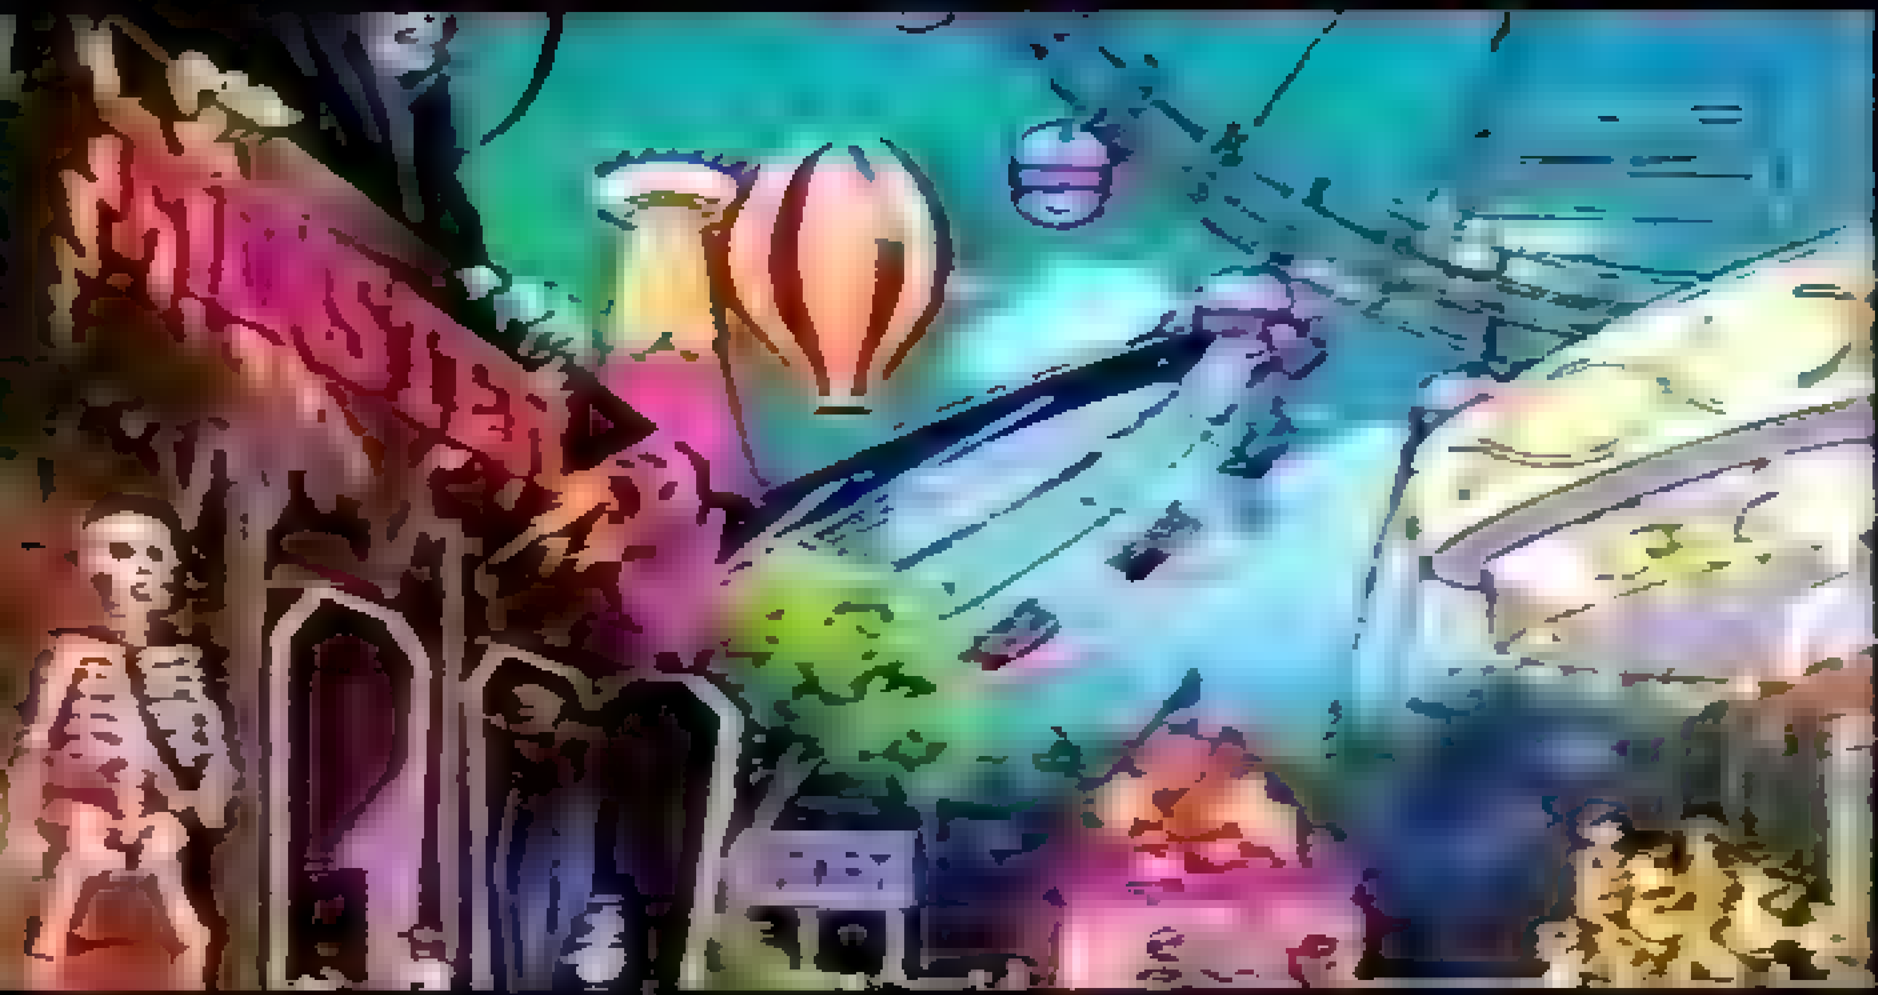

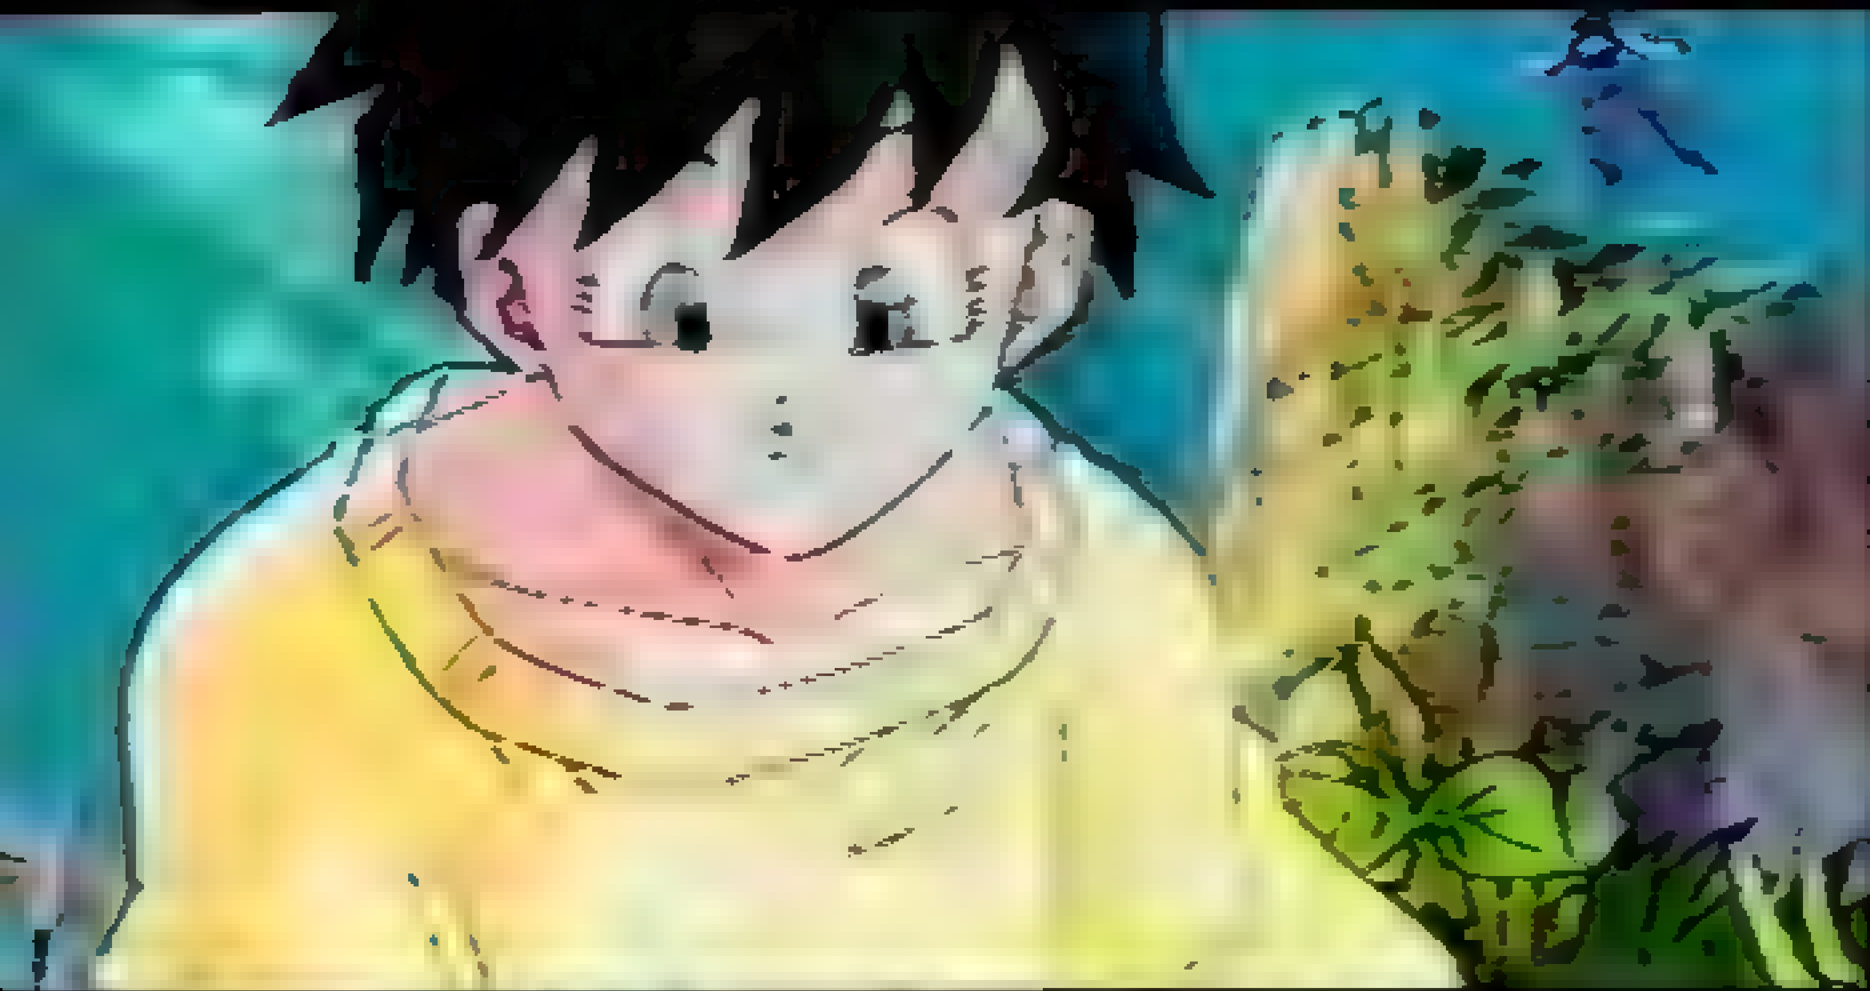

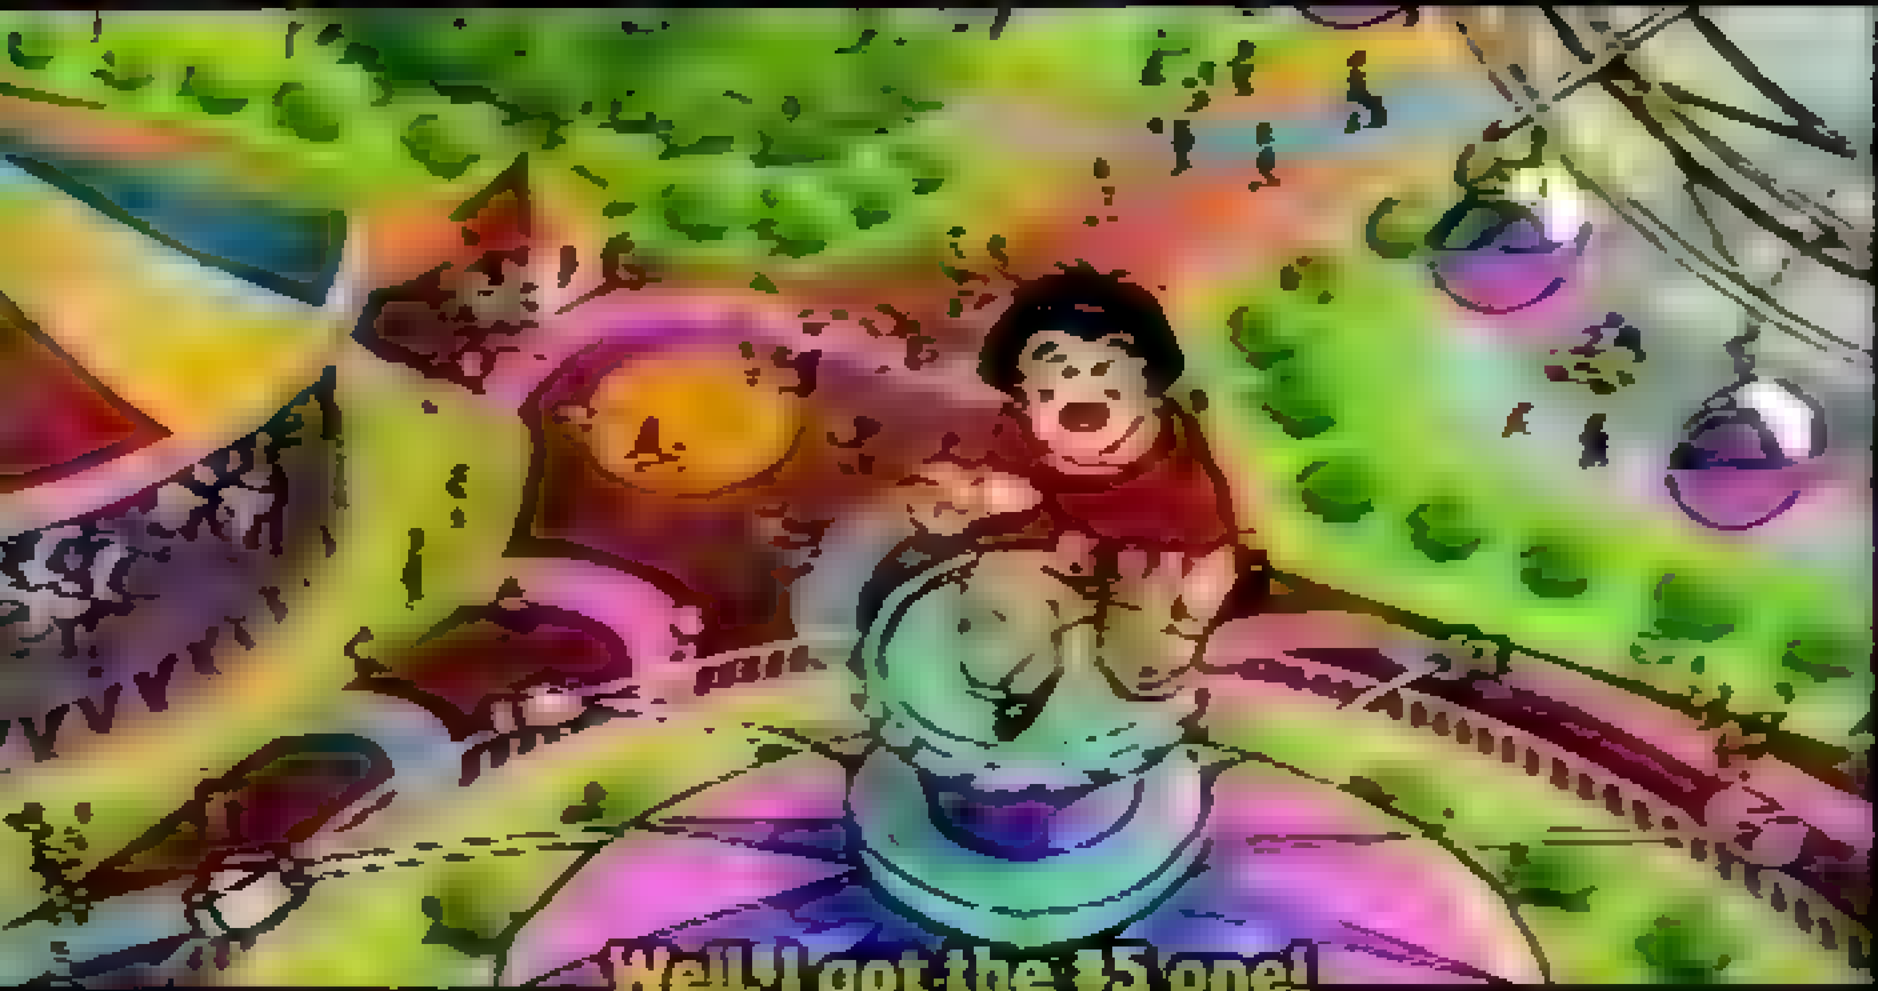

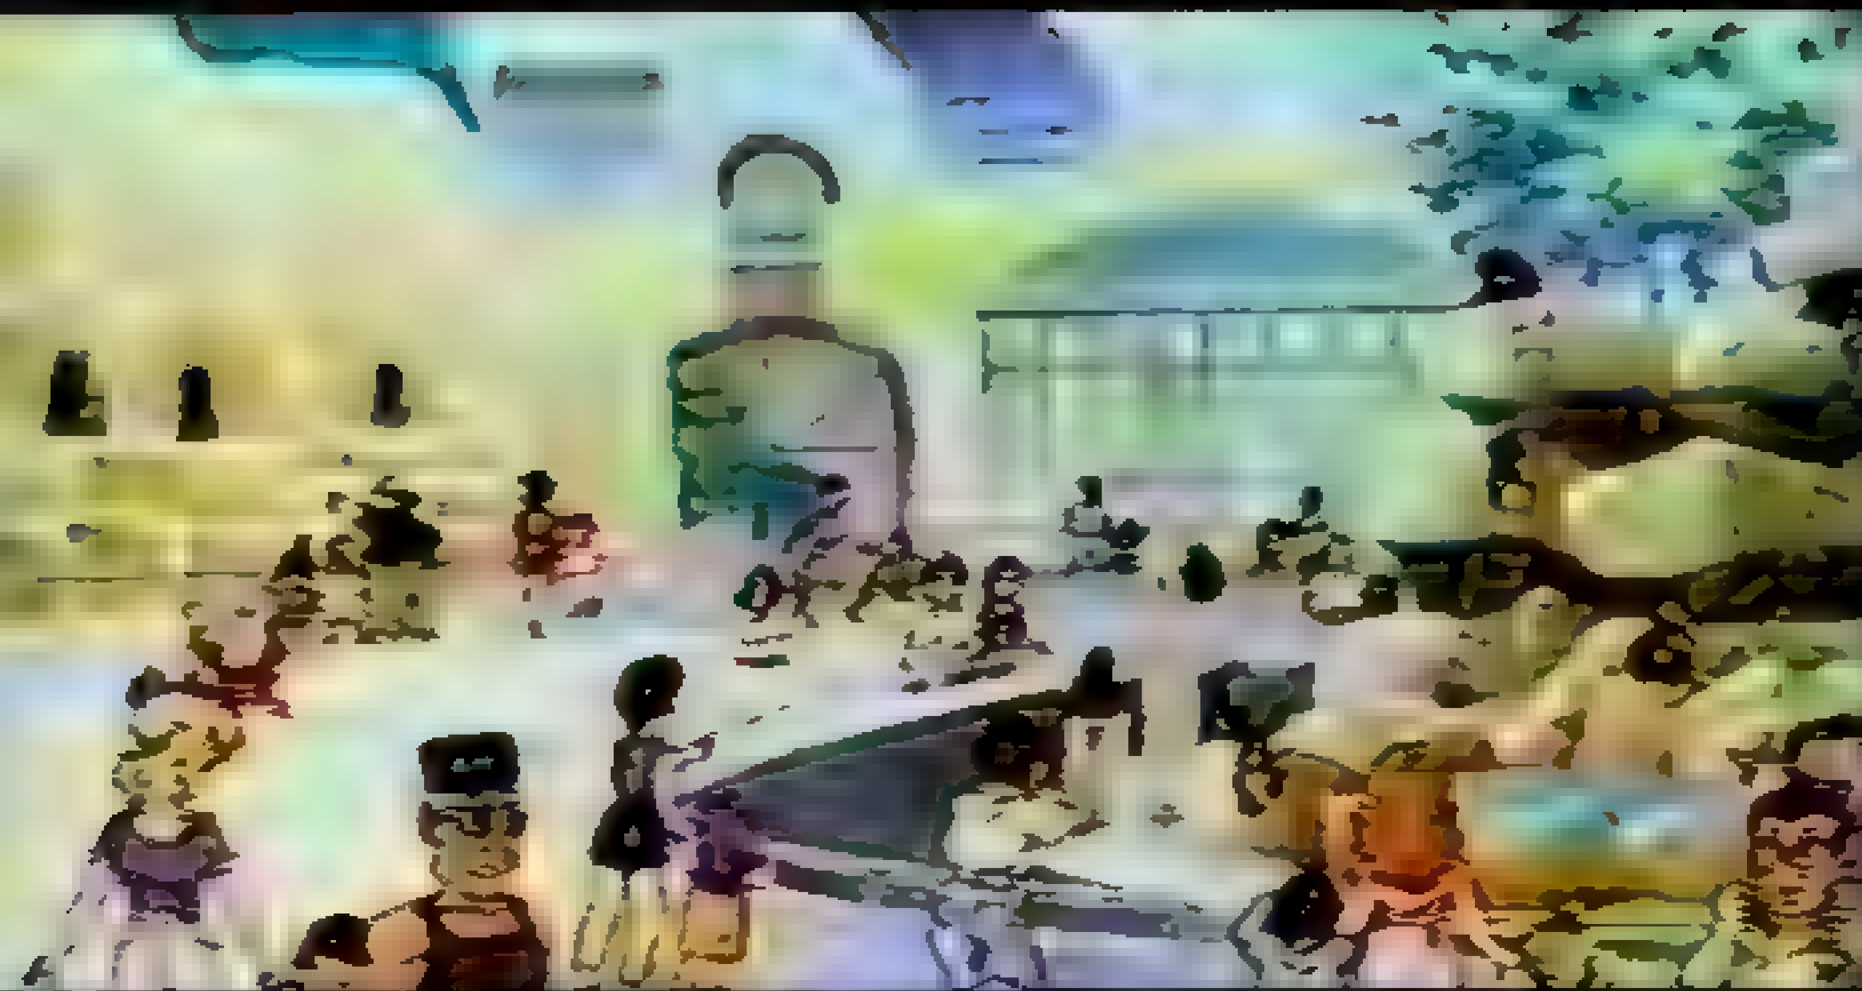

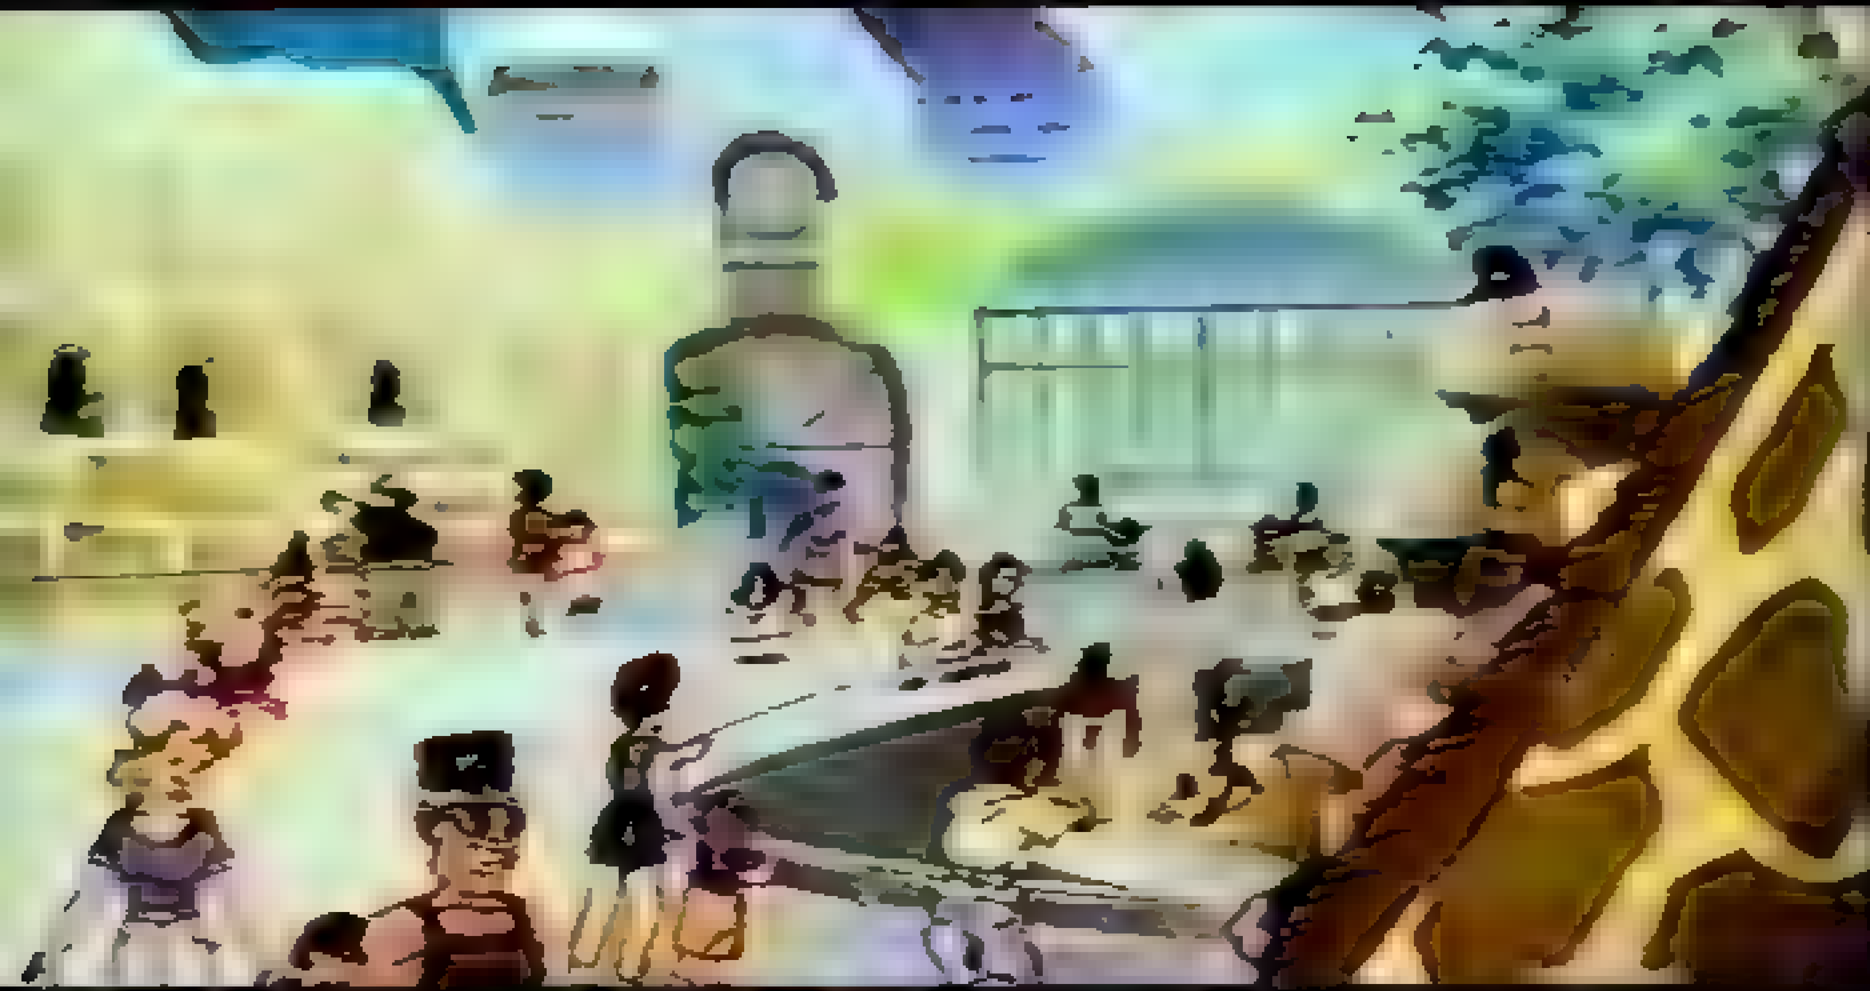

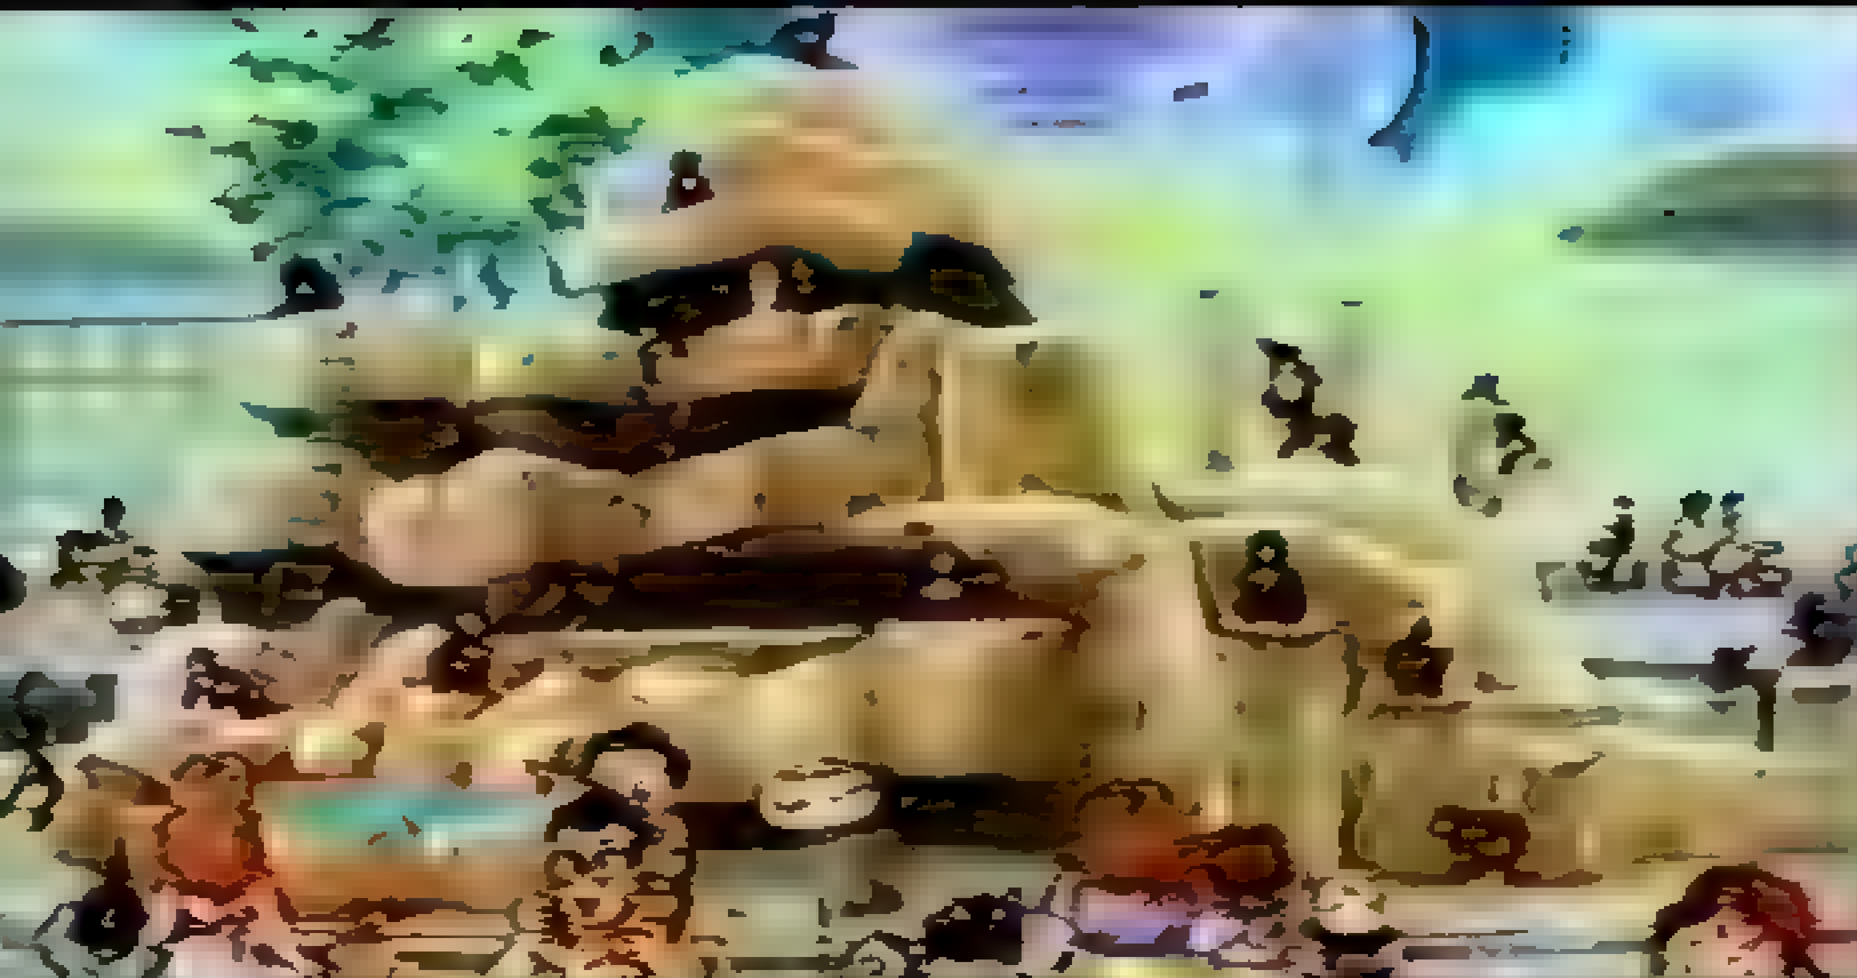

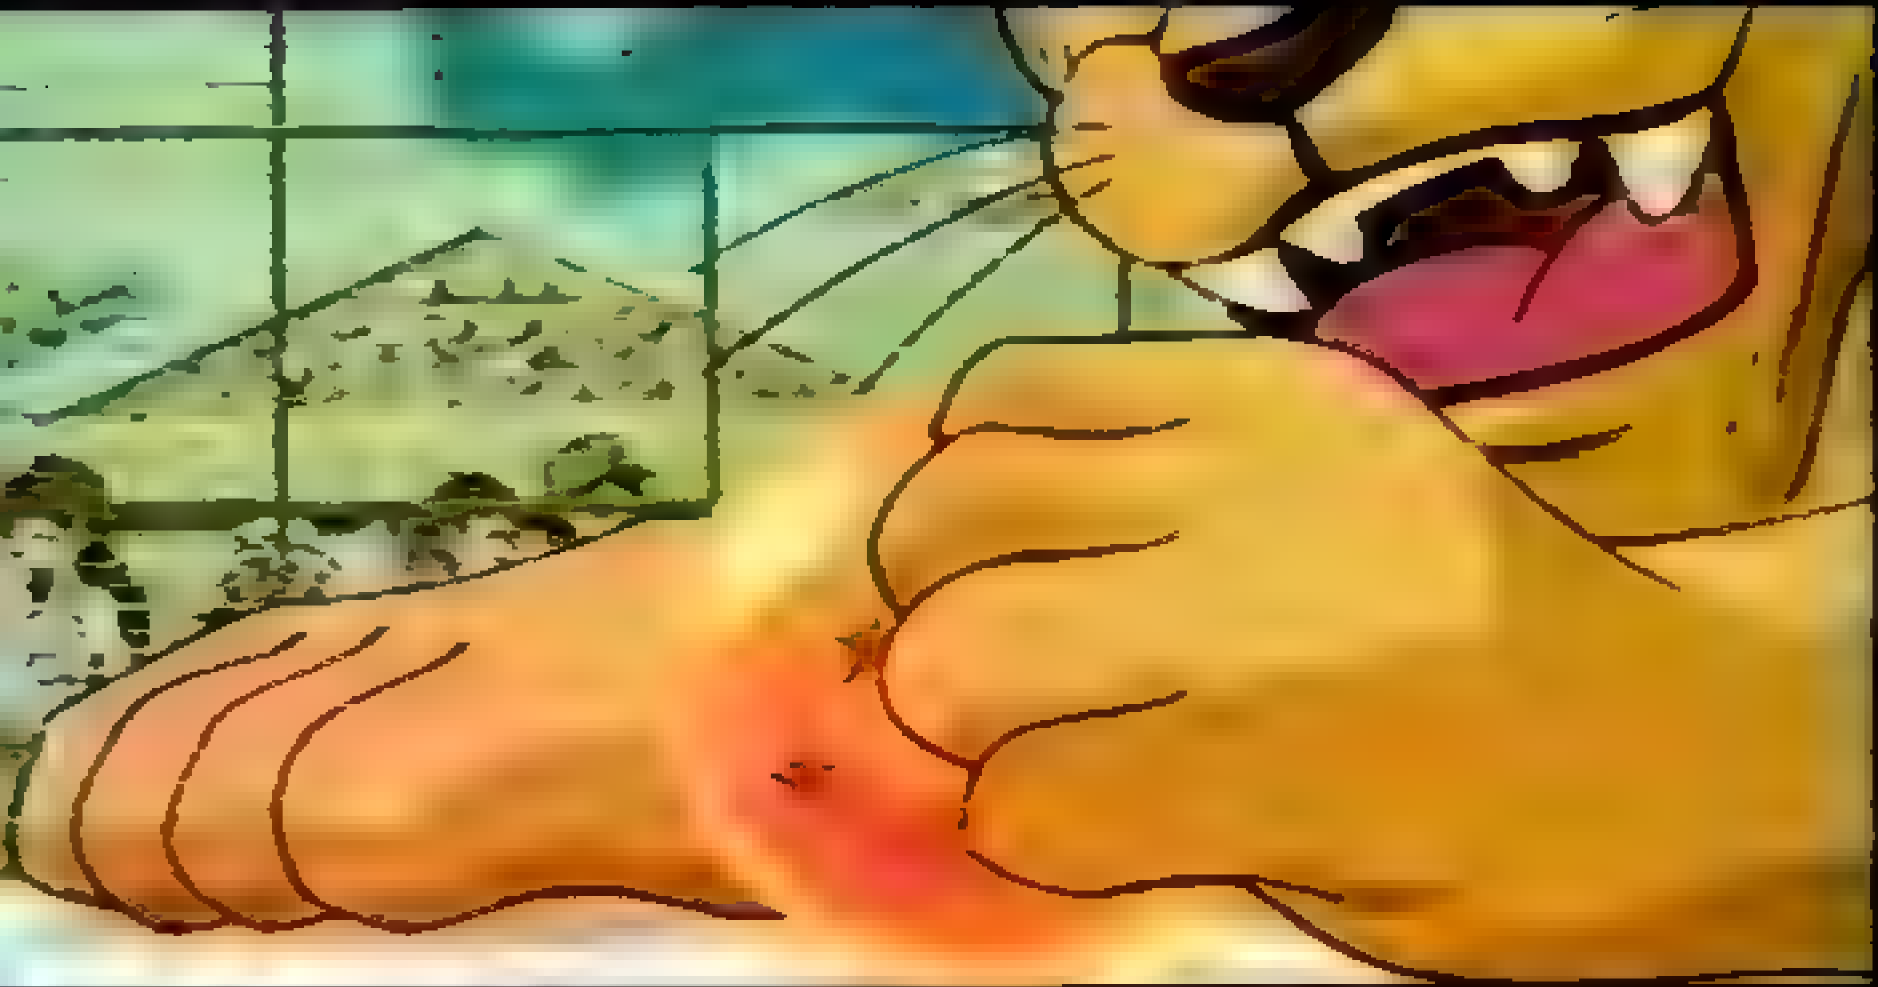

Well, I got the $5 one!

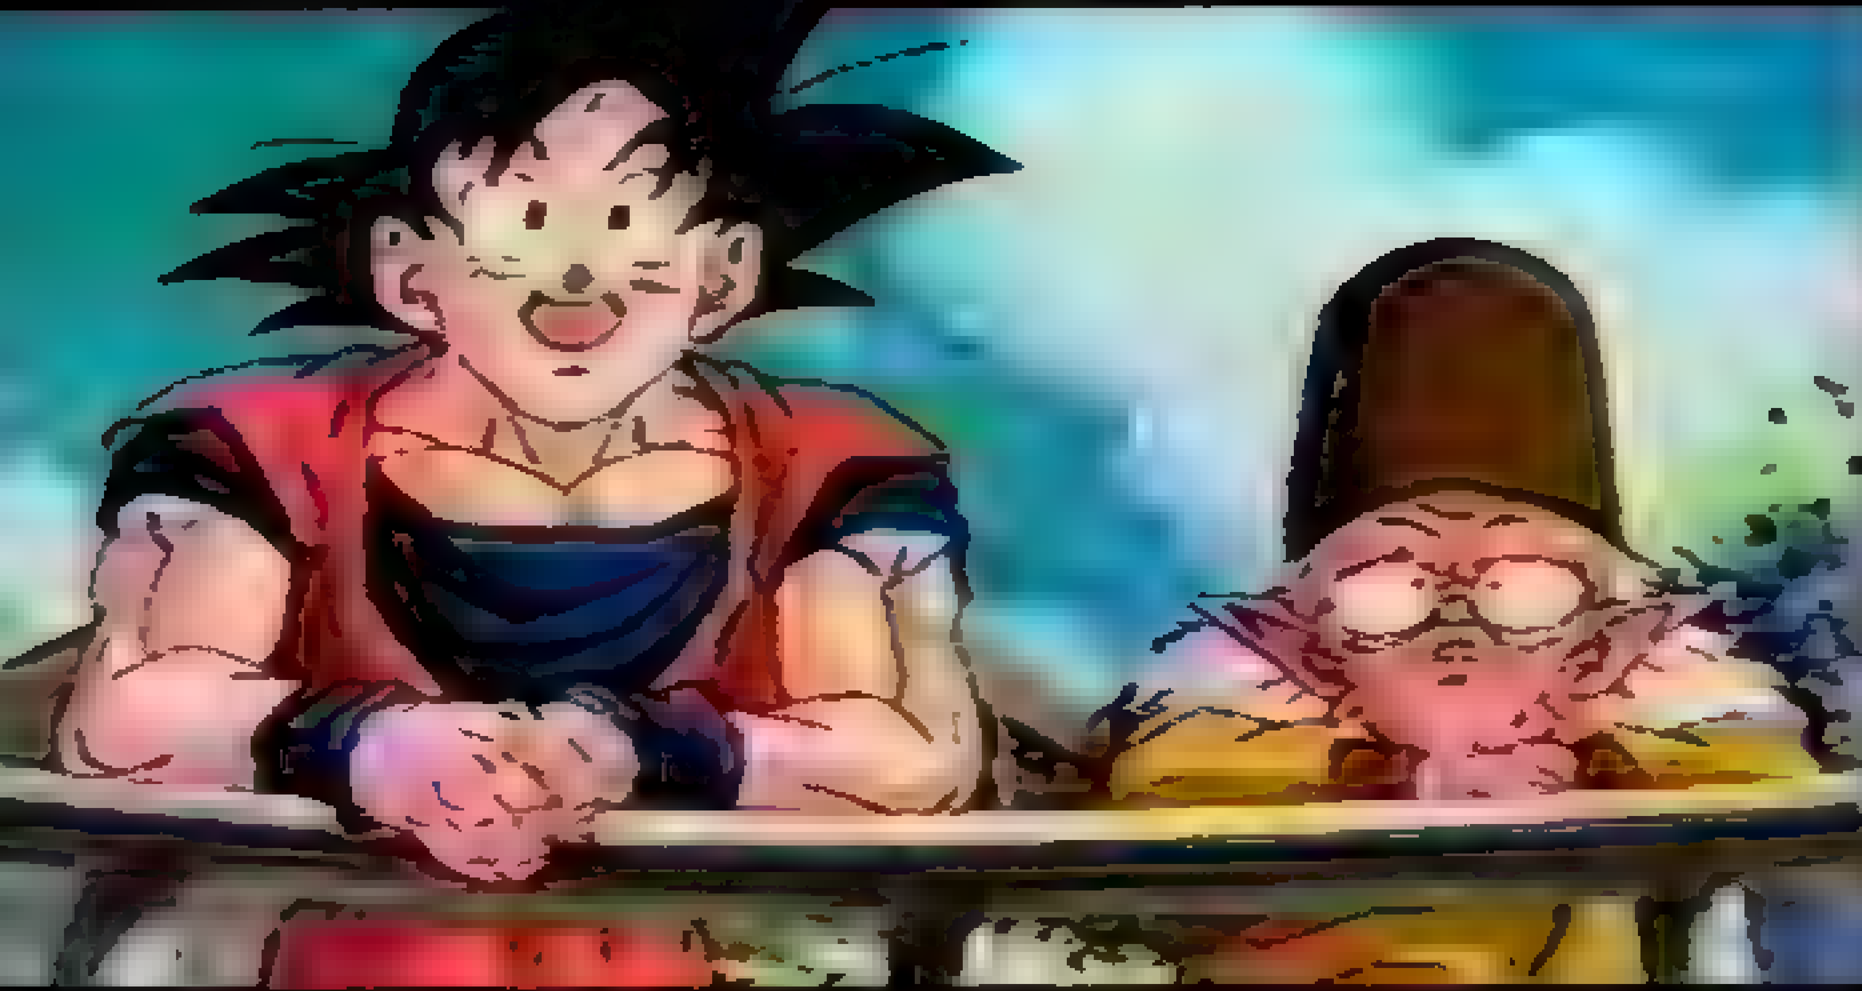

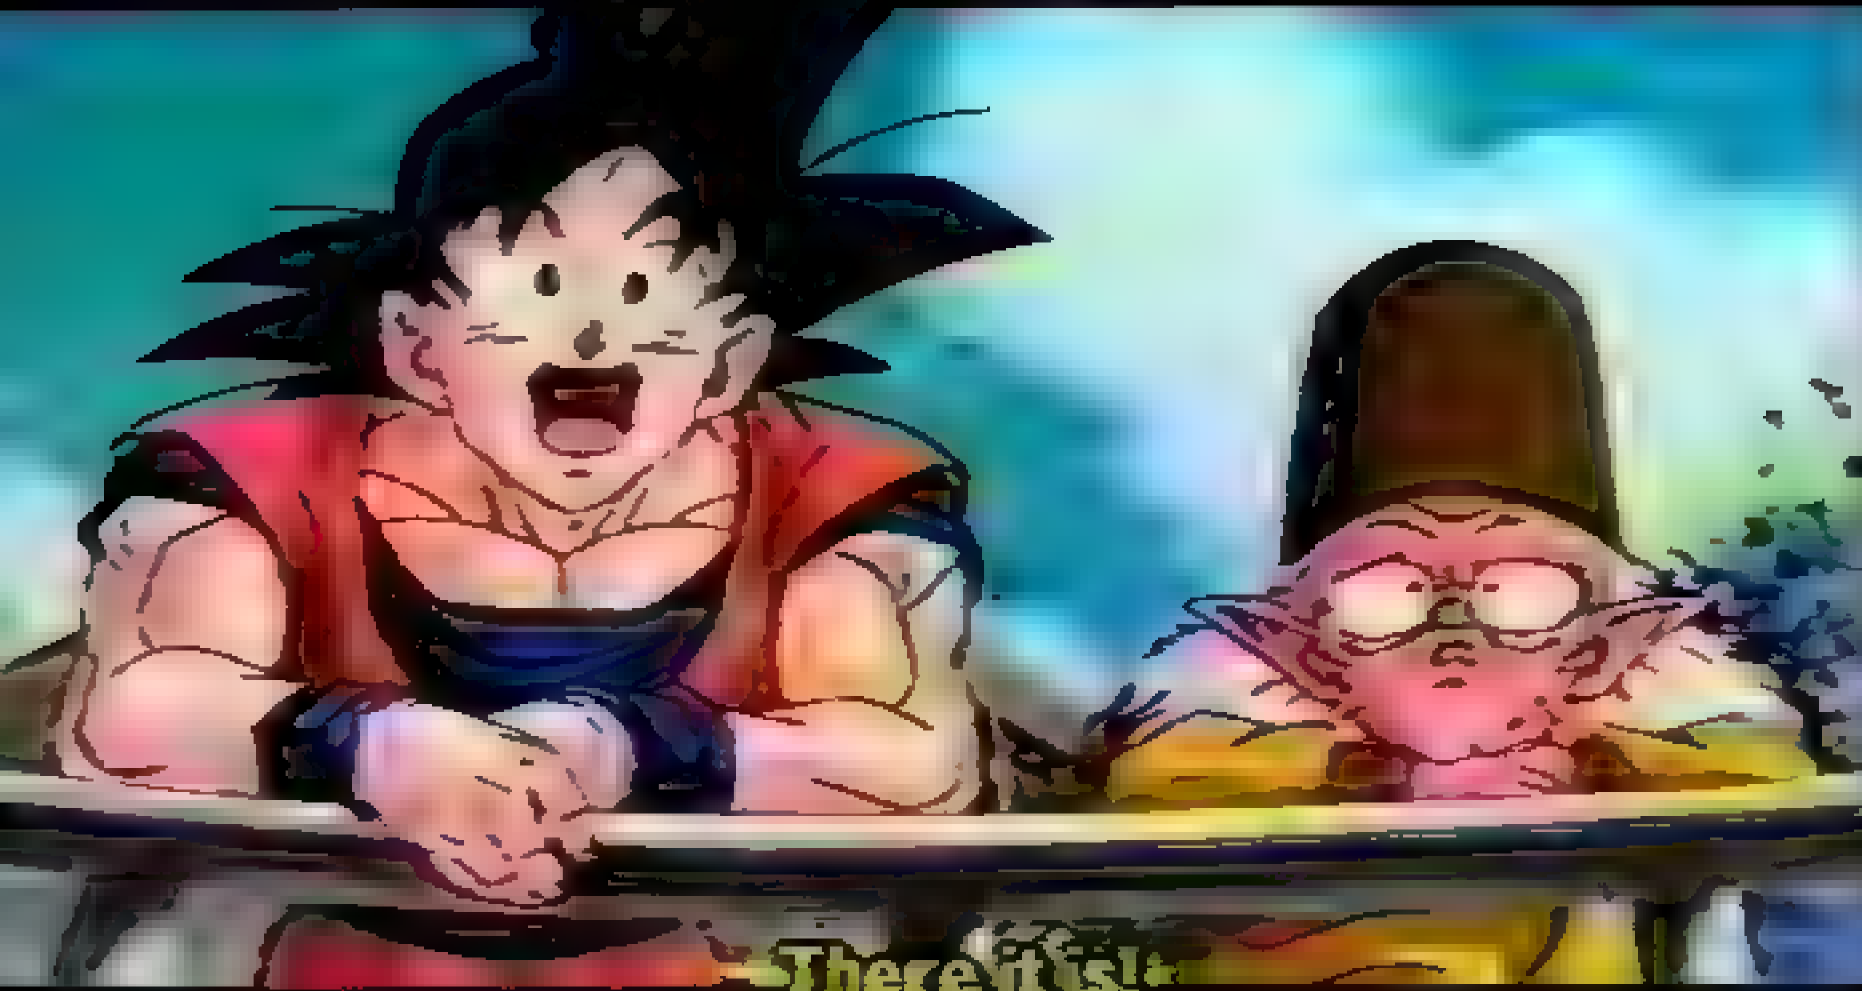

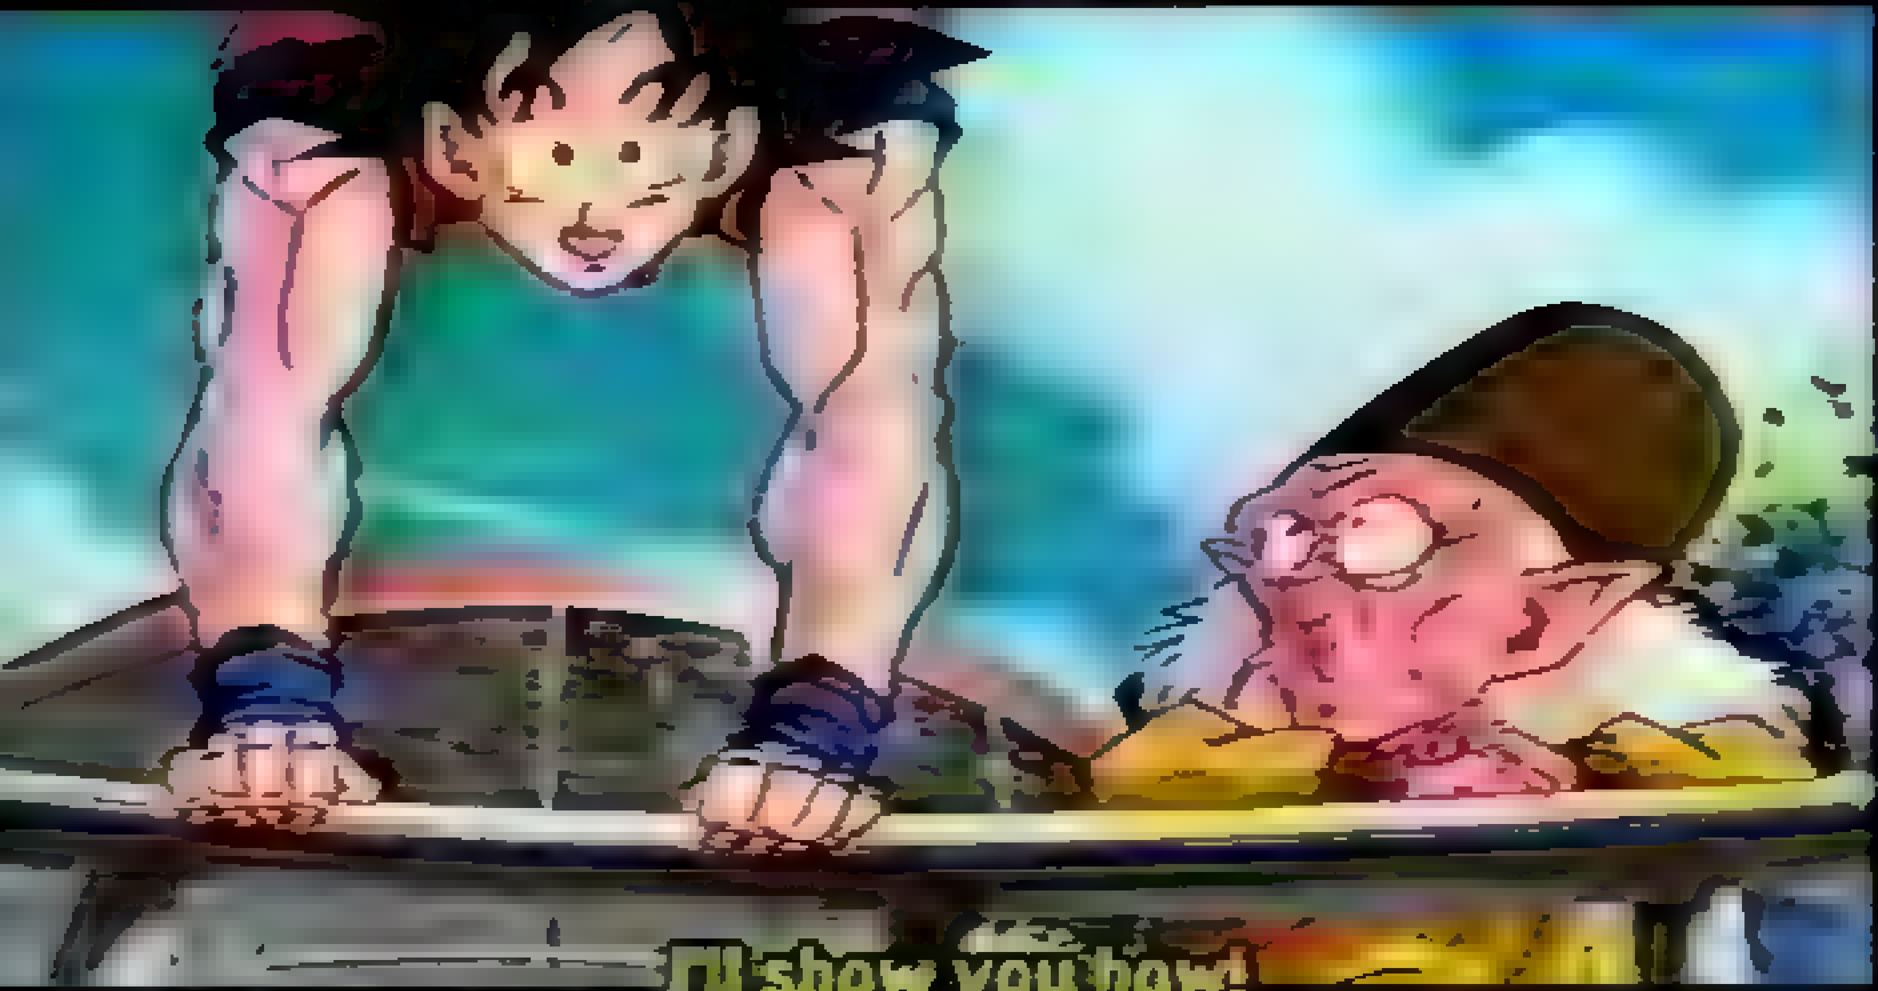

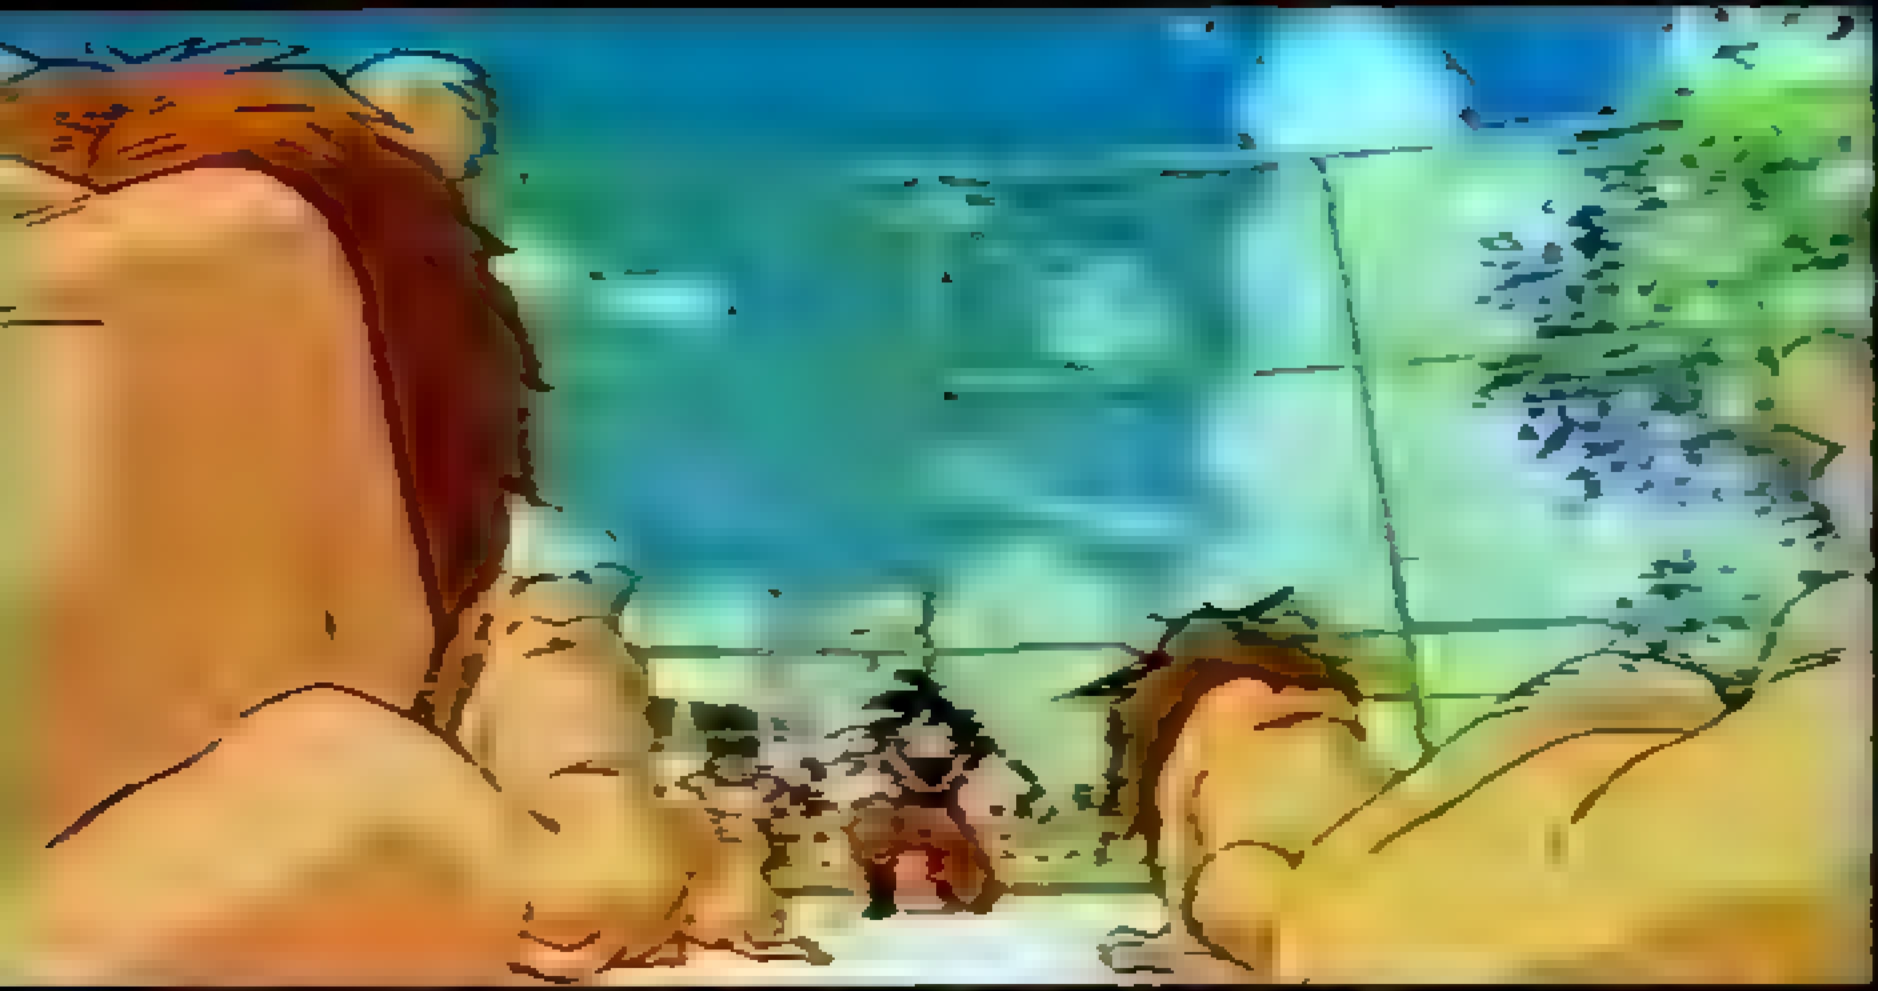

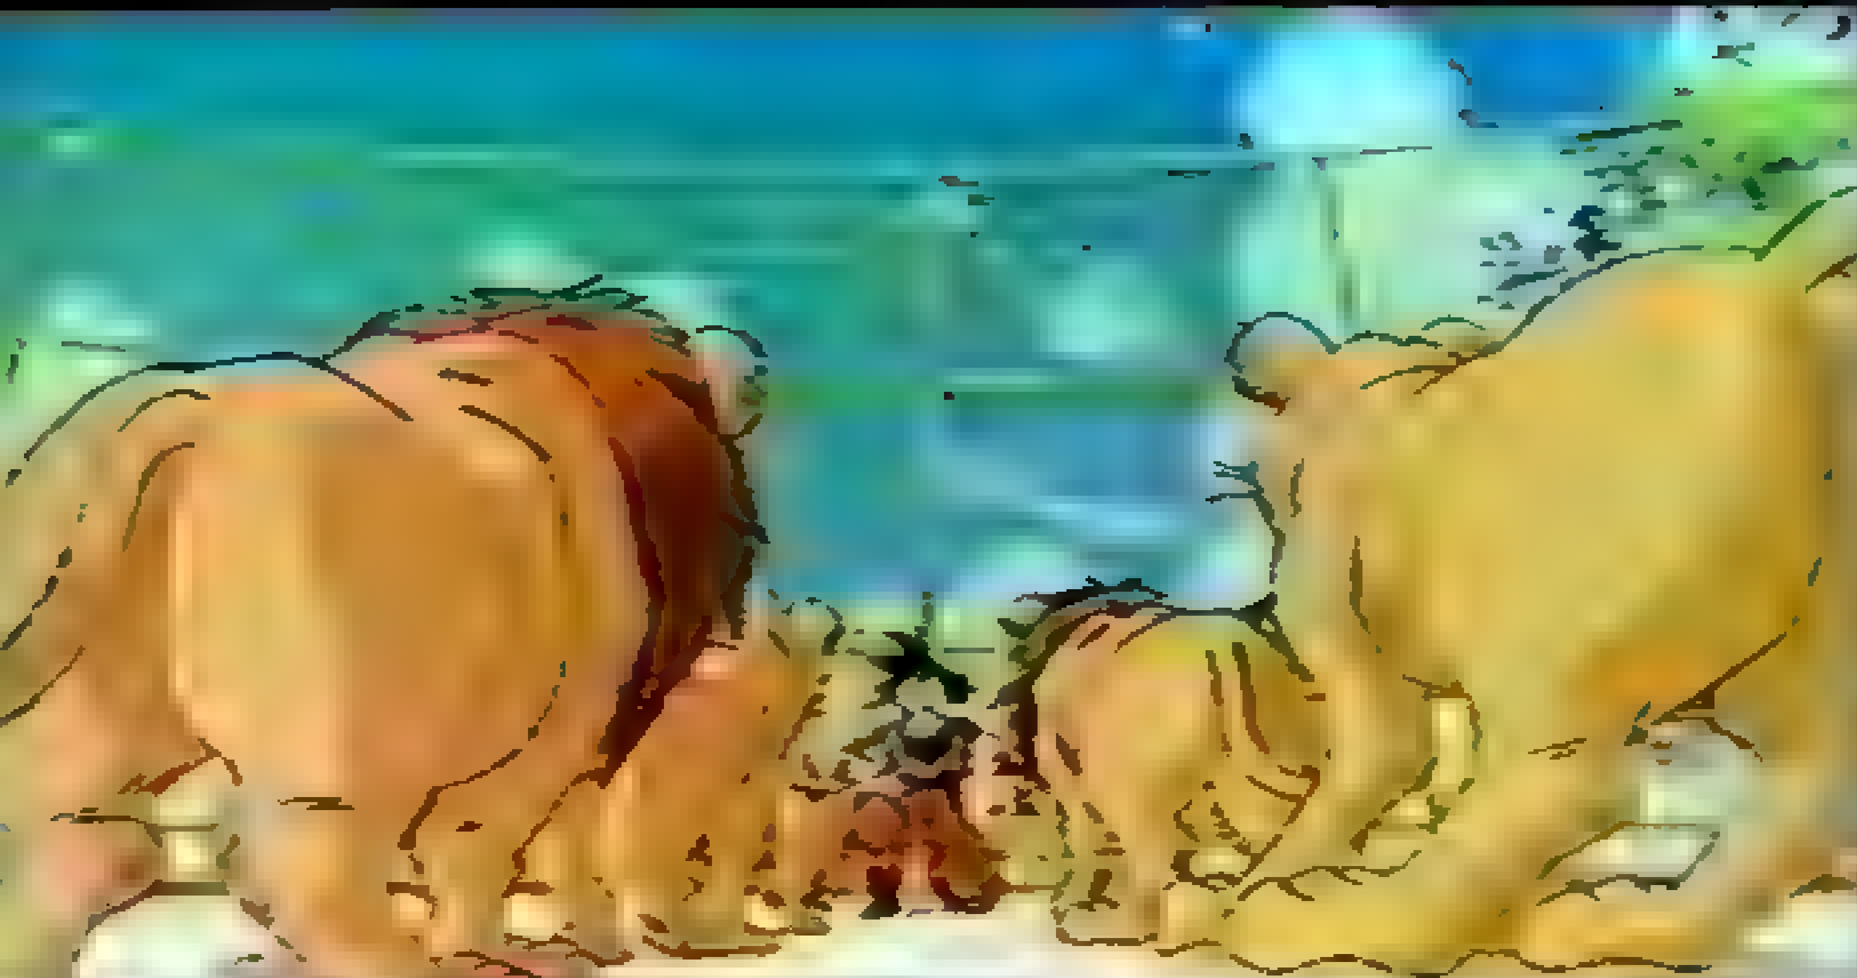

There it is!

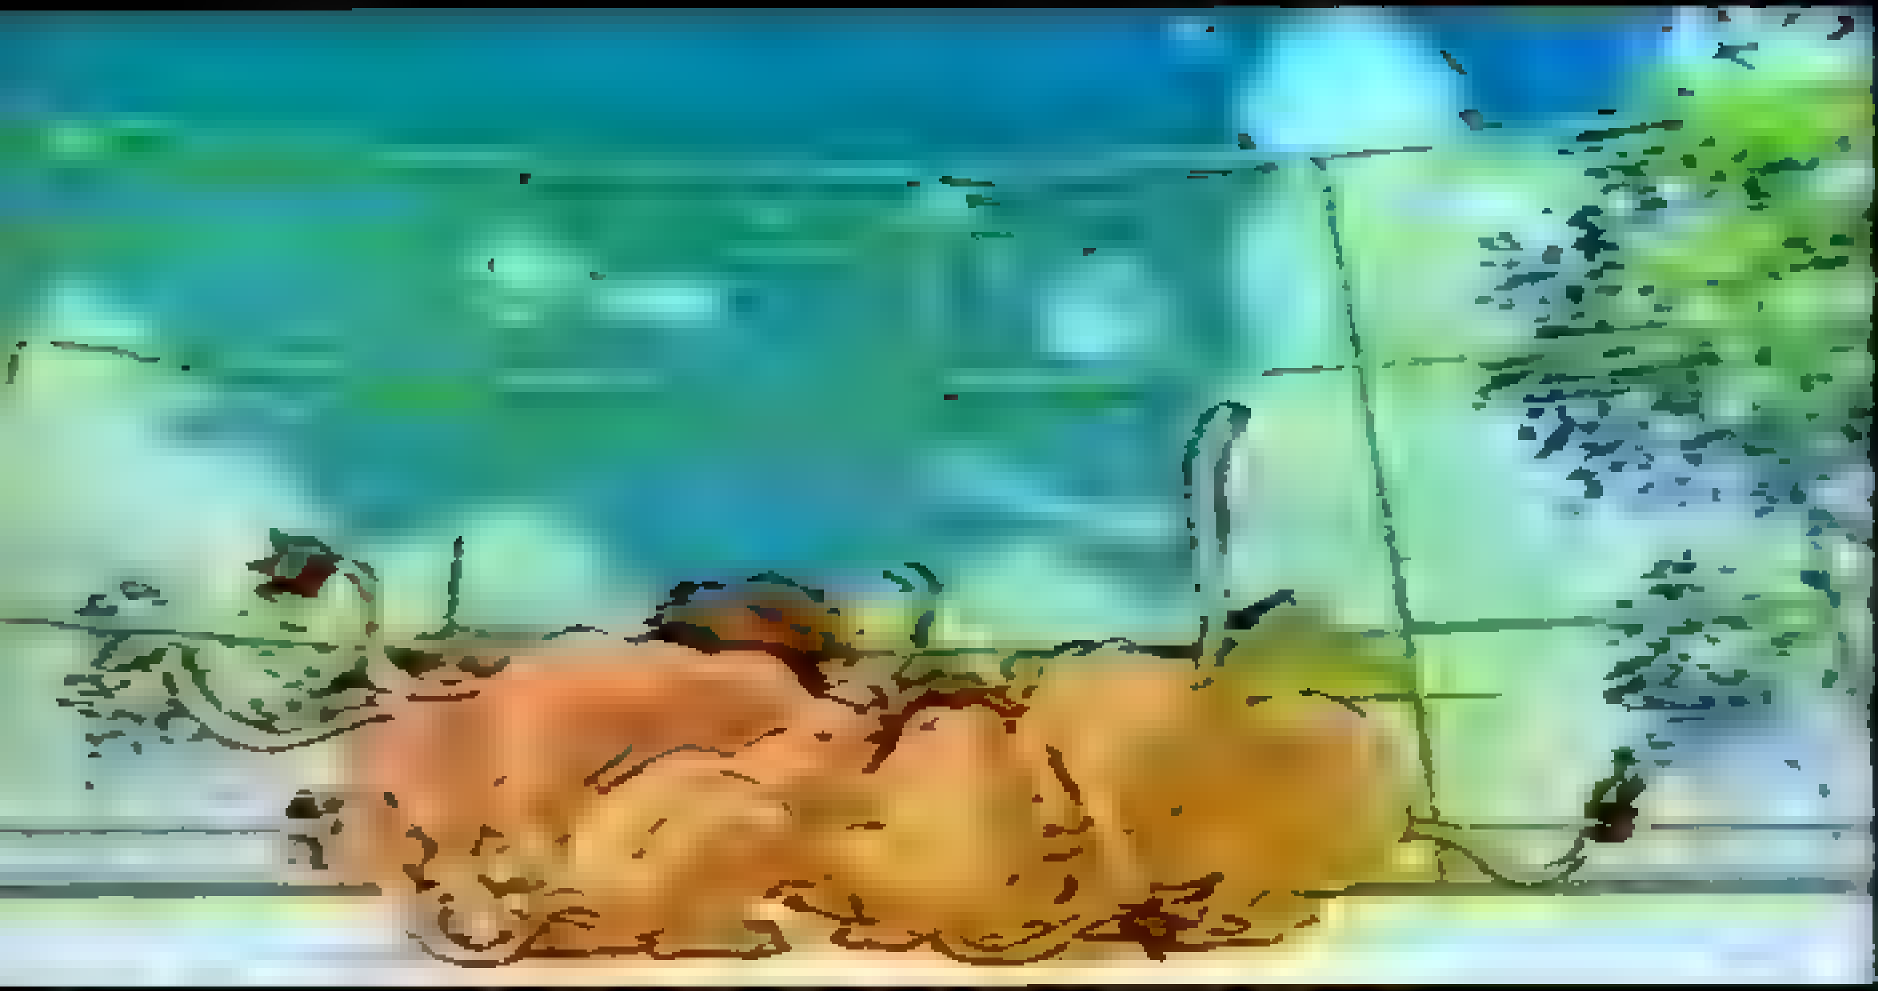

But how are you going to get it from him?

I'll show you how!

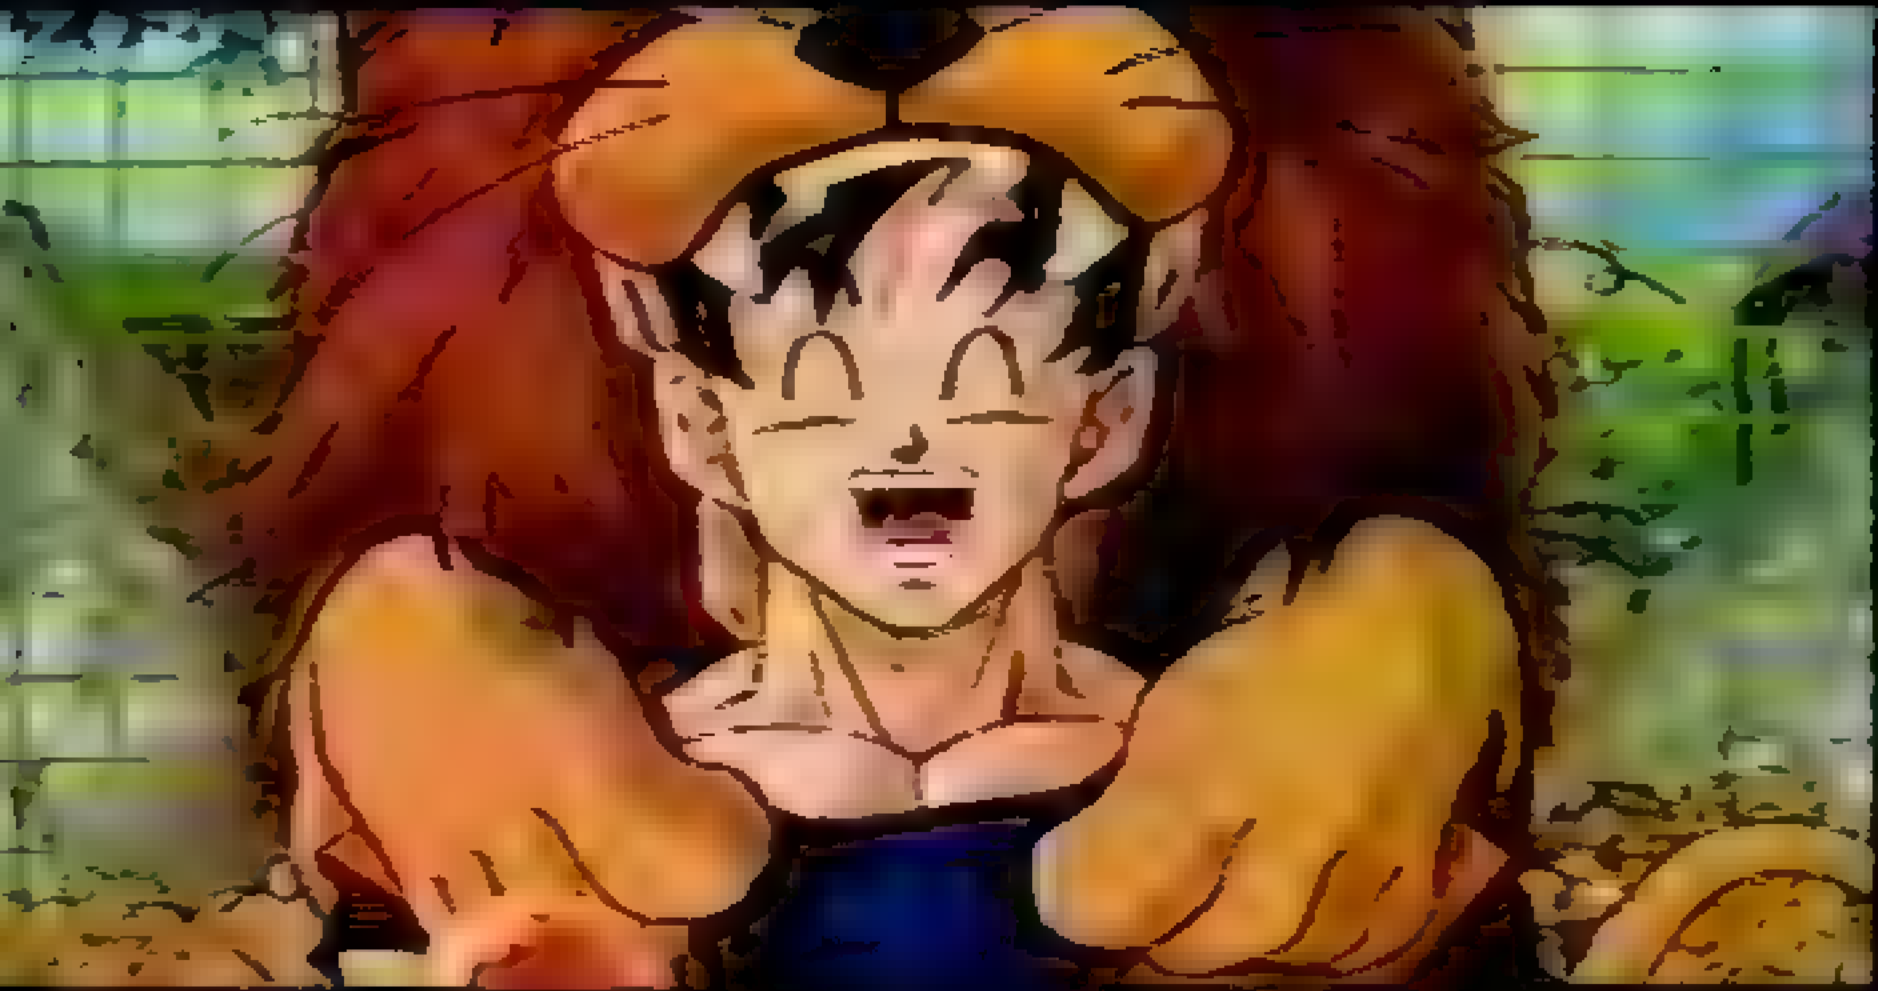

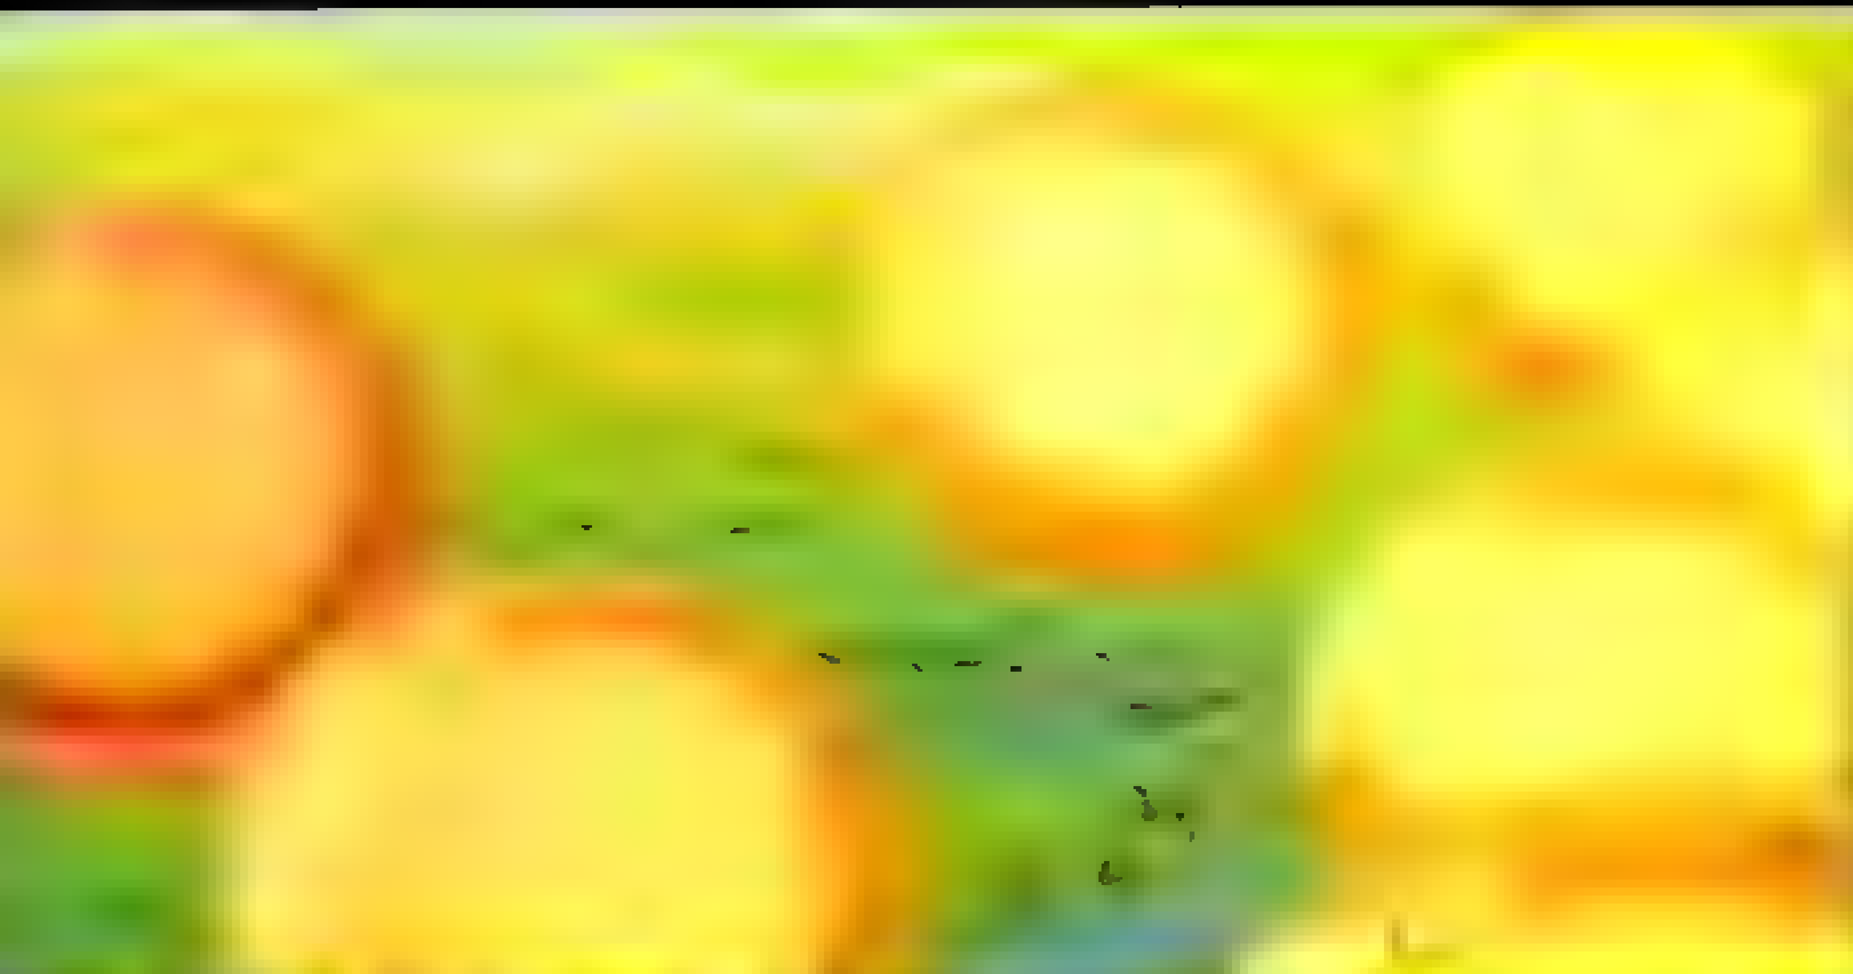

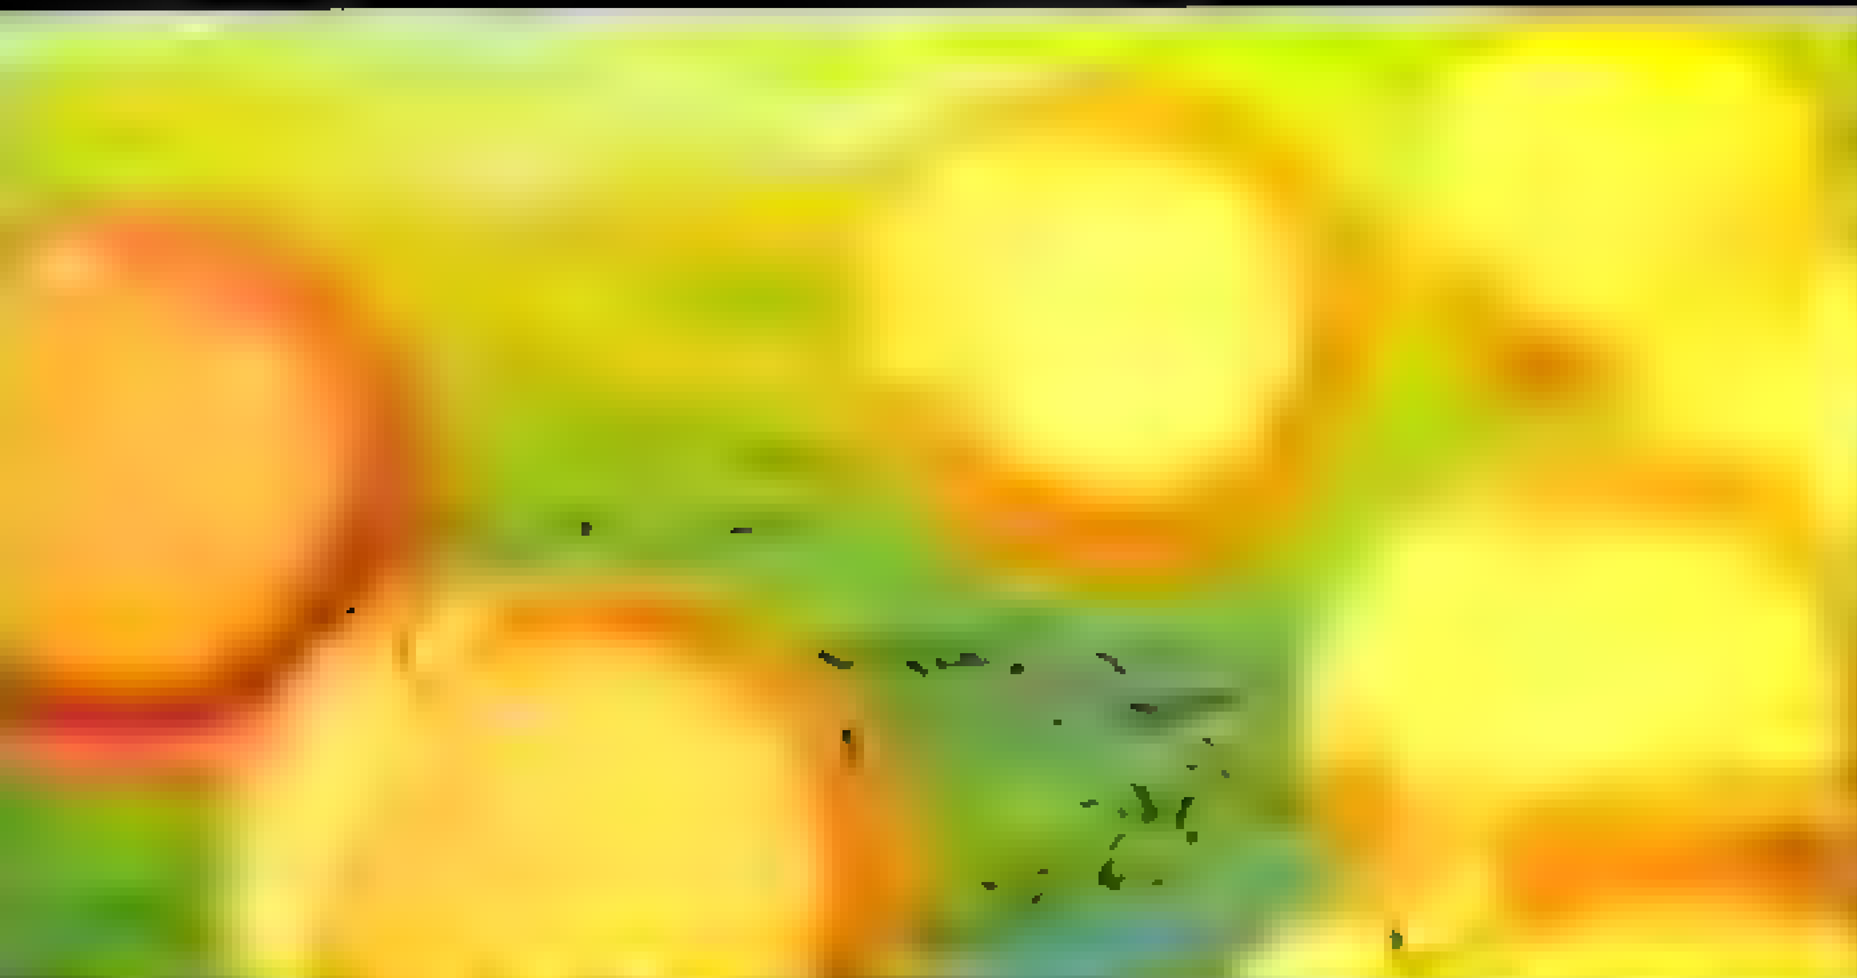

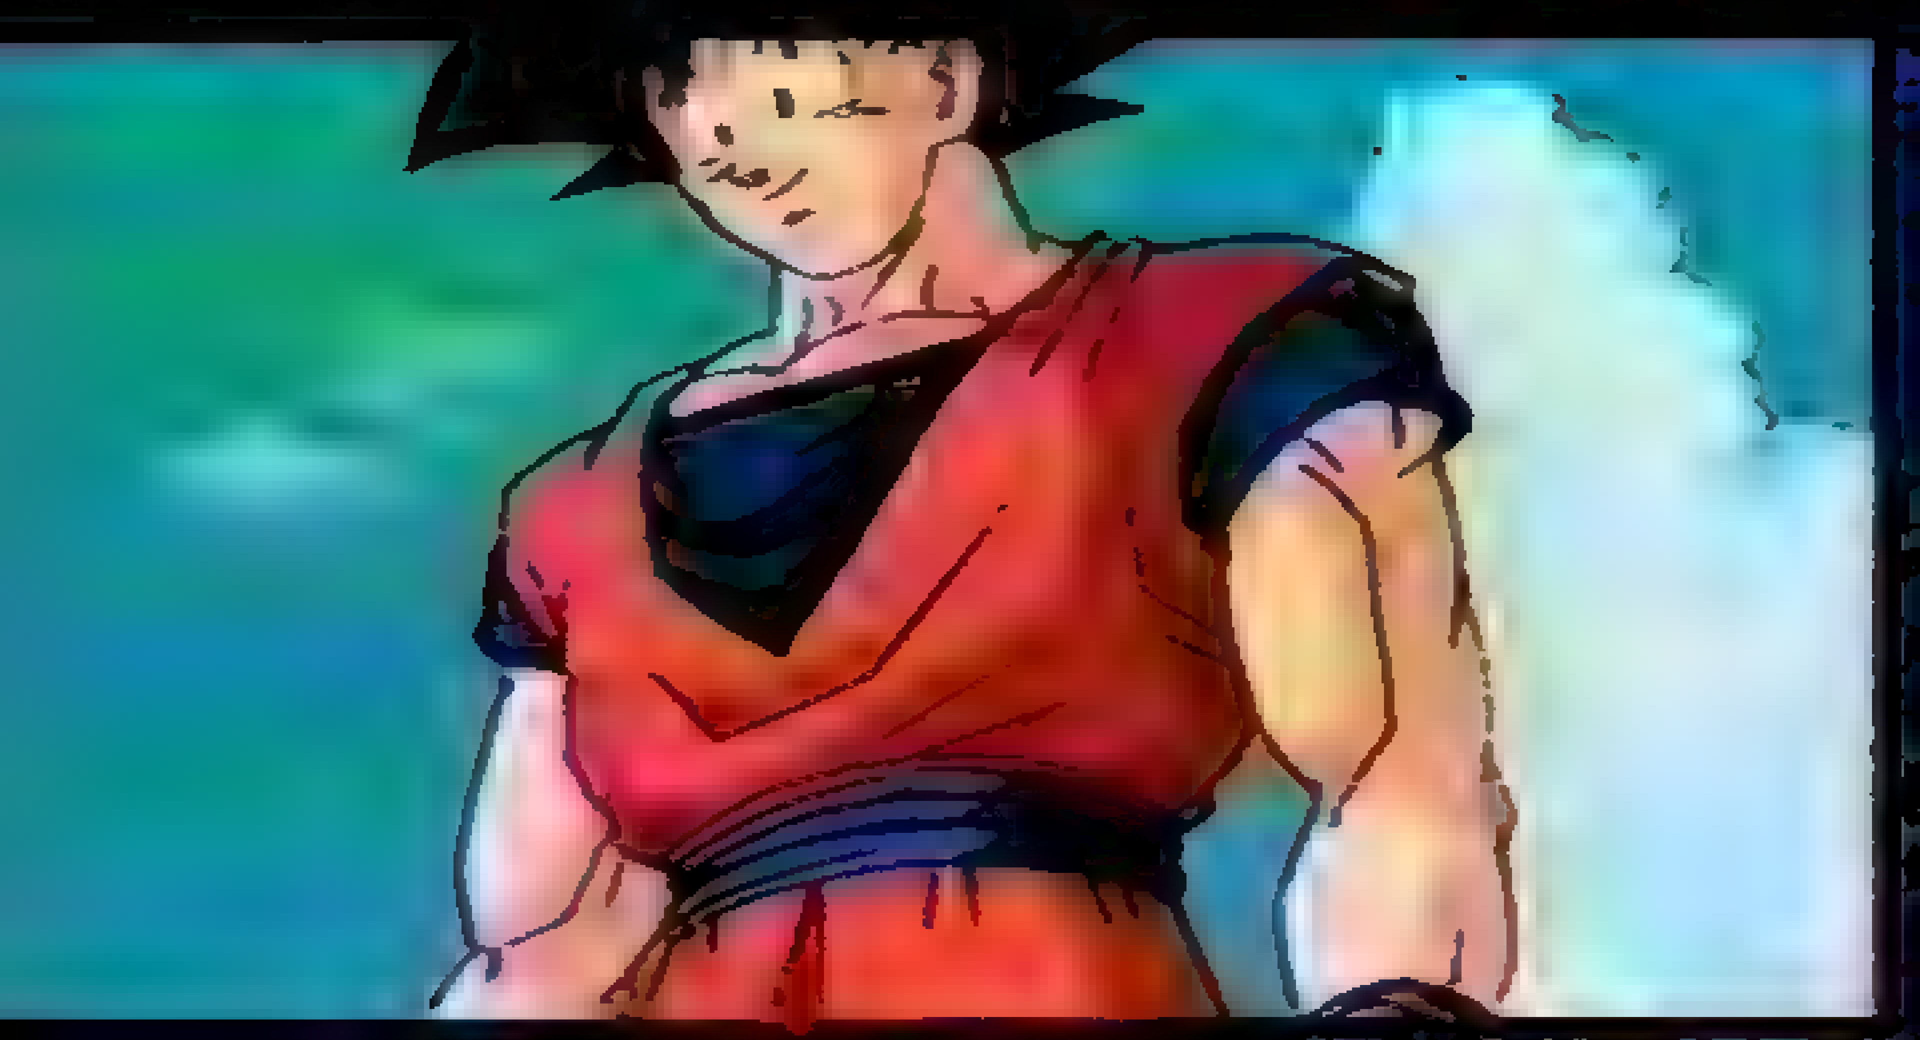

Here!

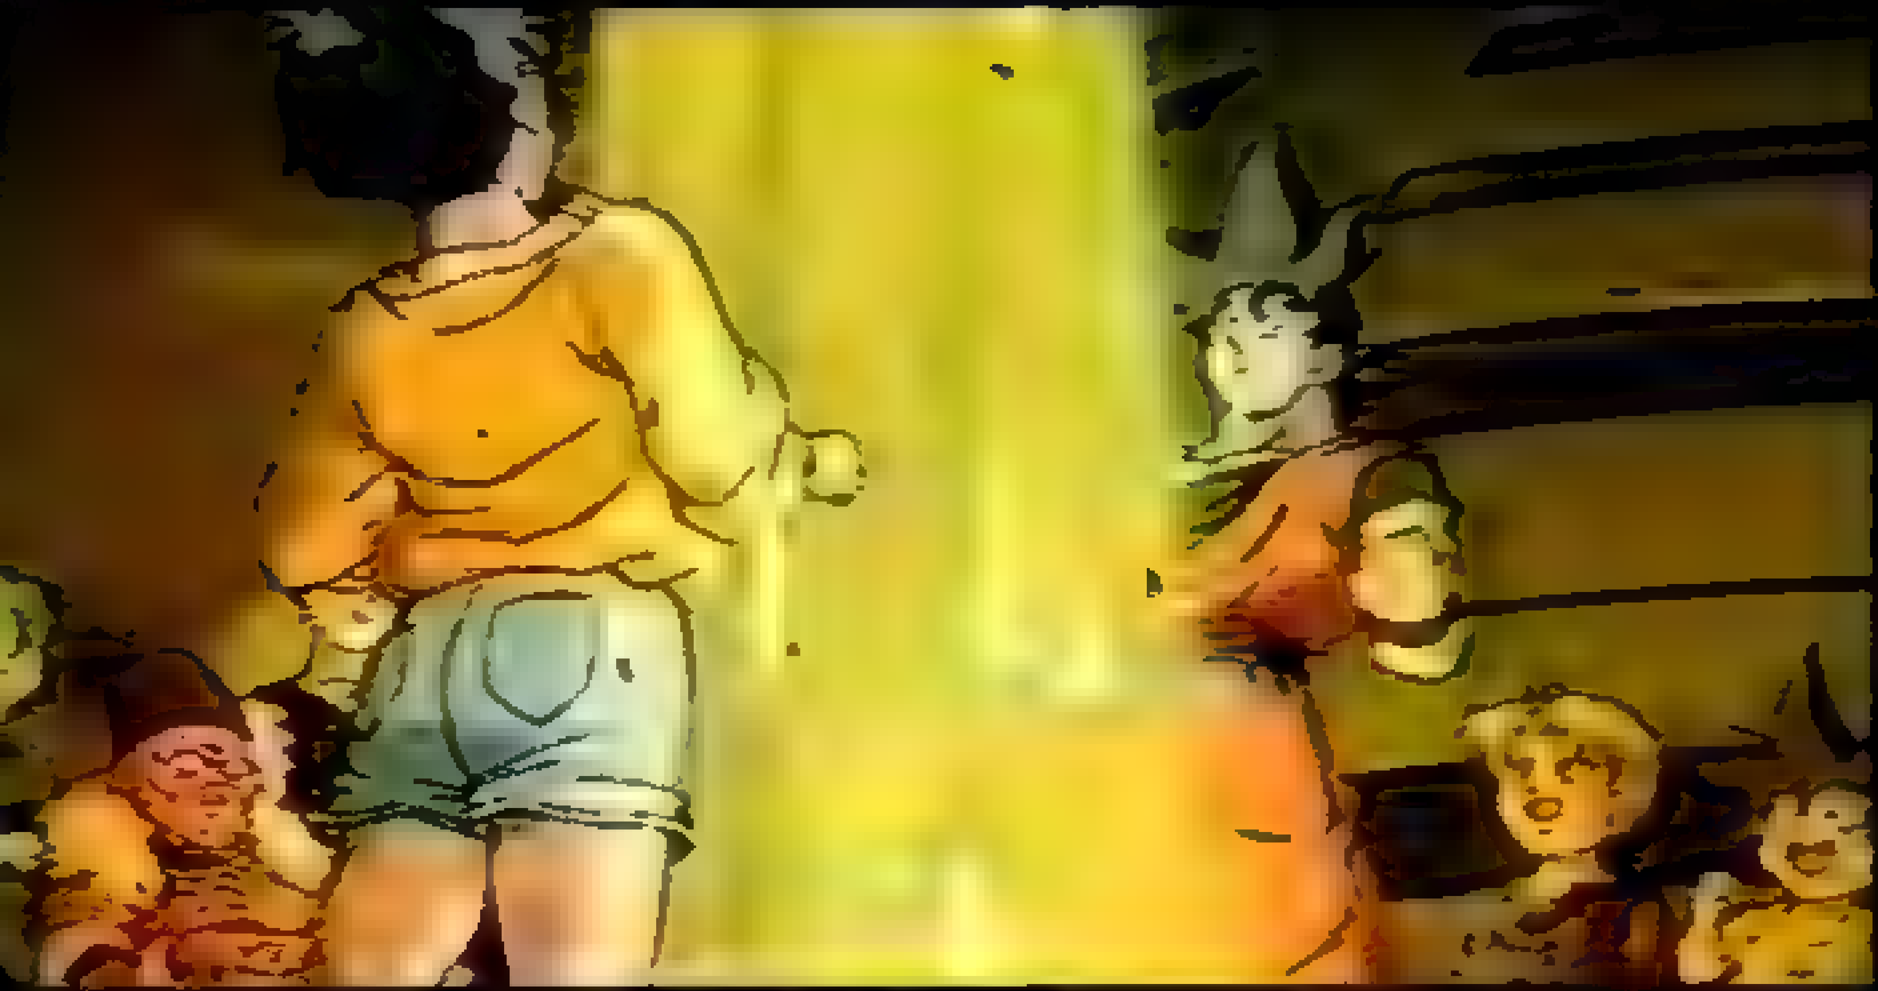

Now we should have everything.

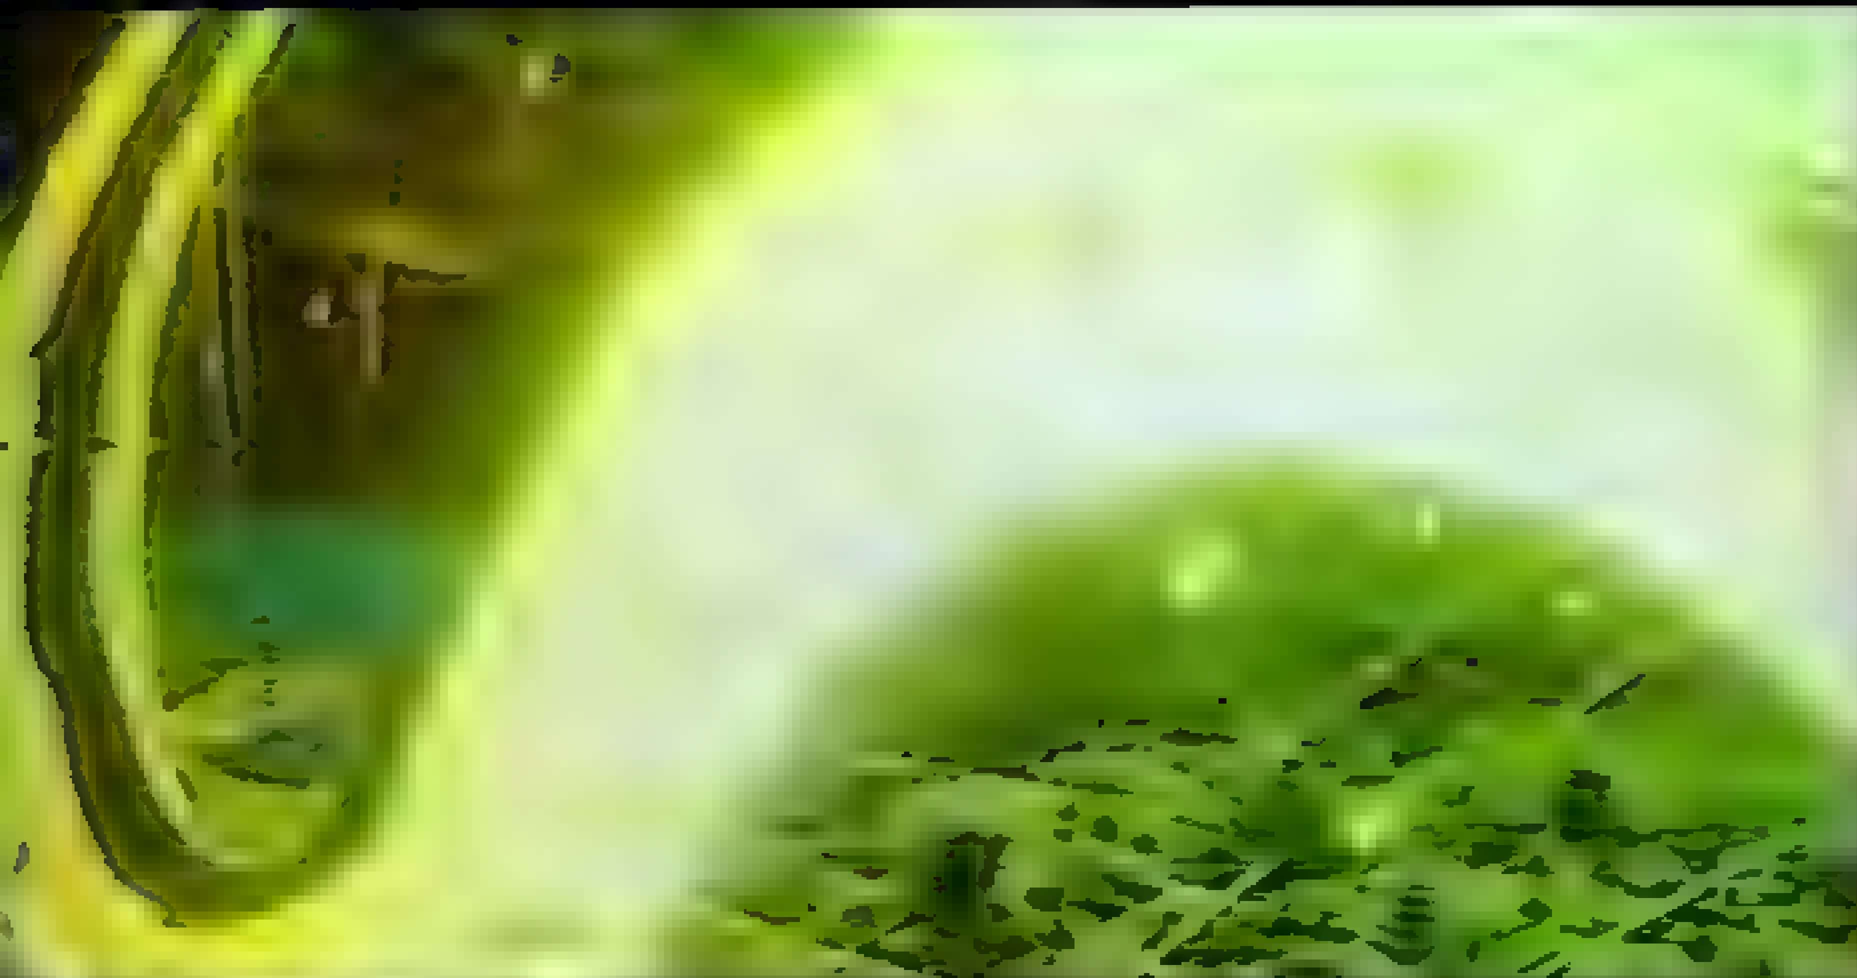

Please come before us, Shenron!

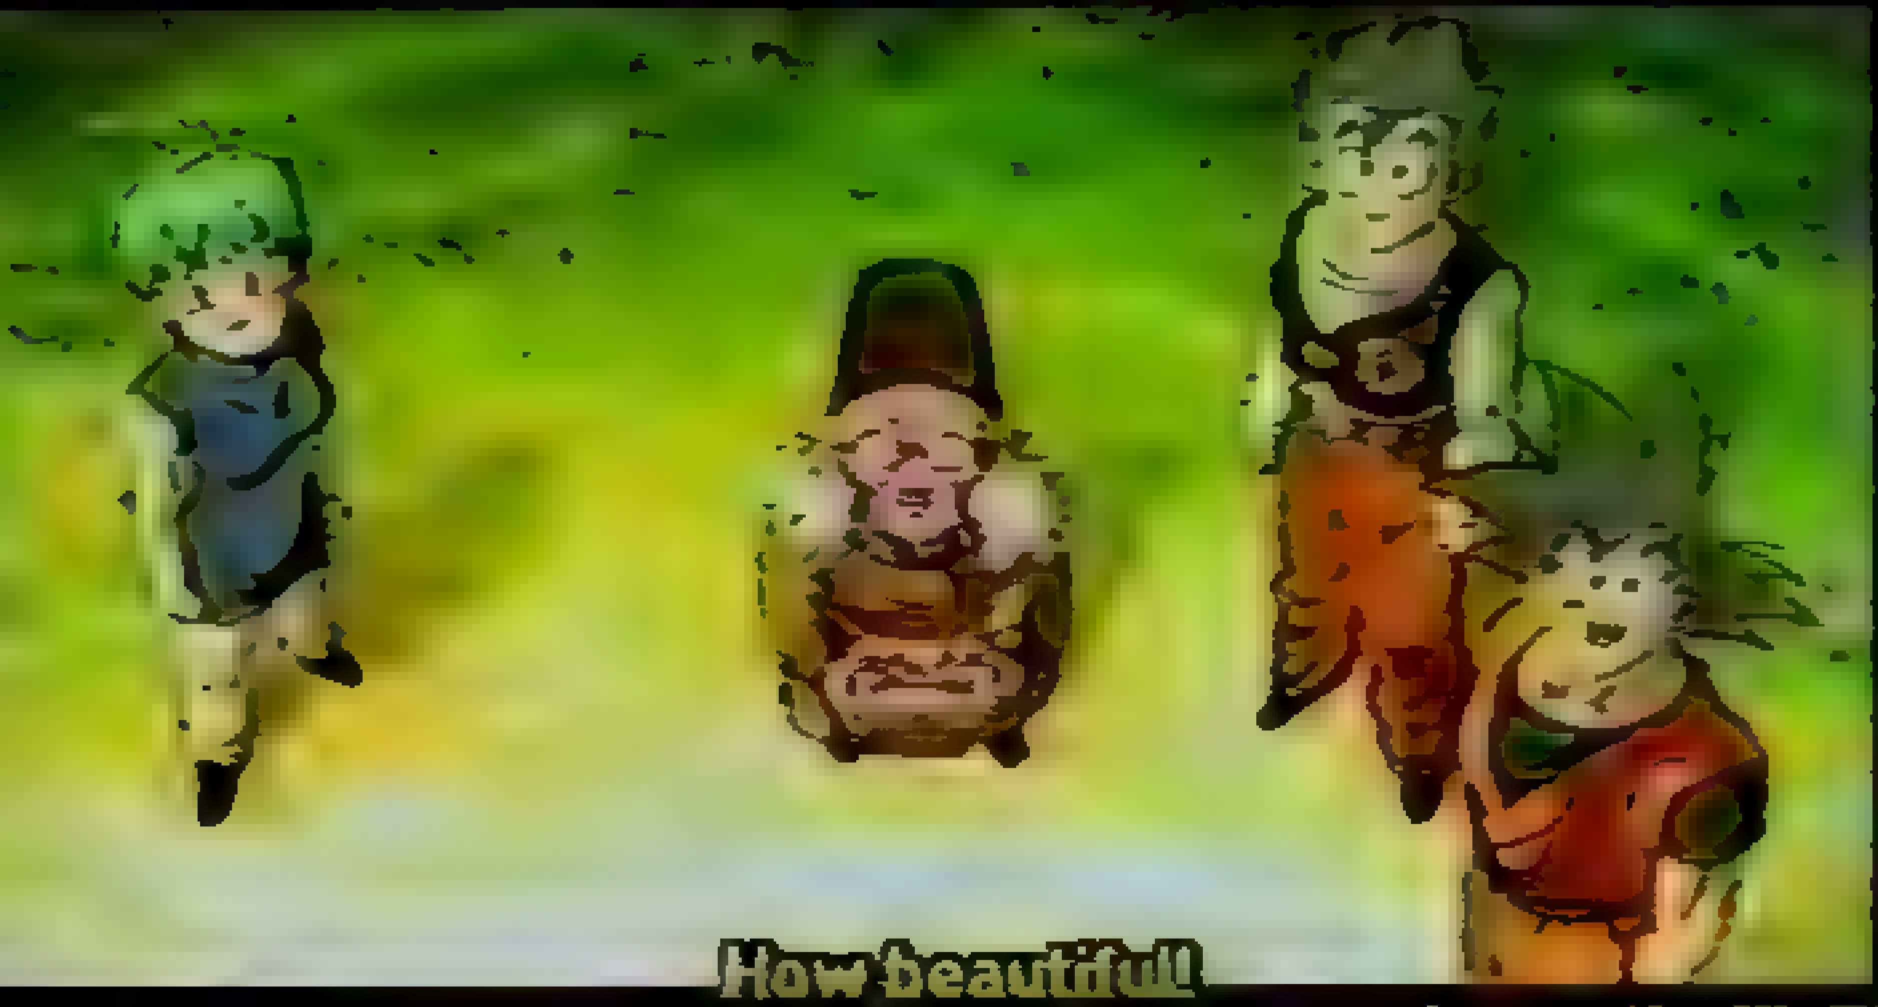

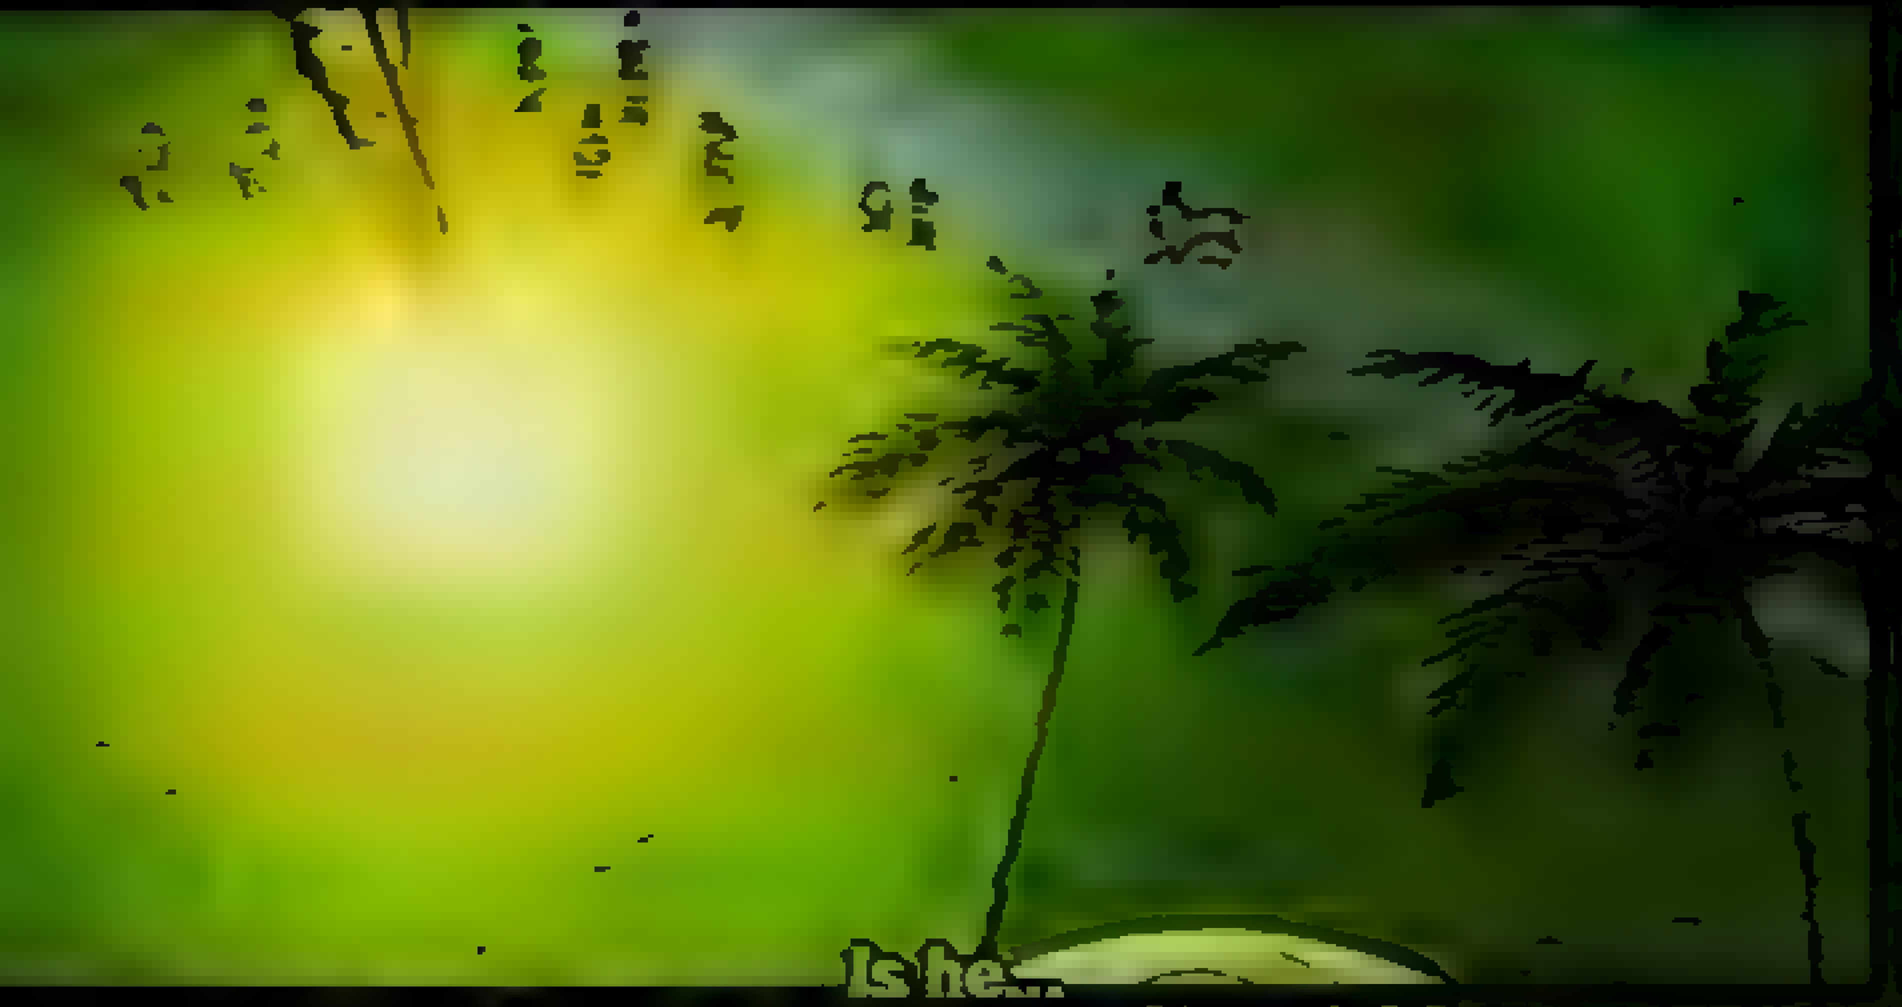

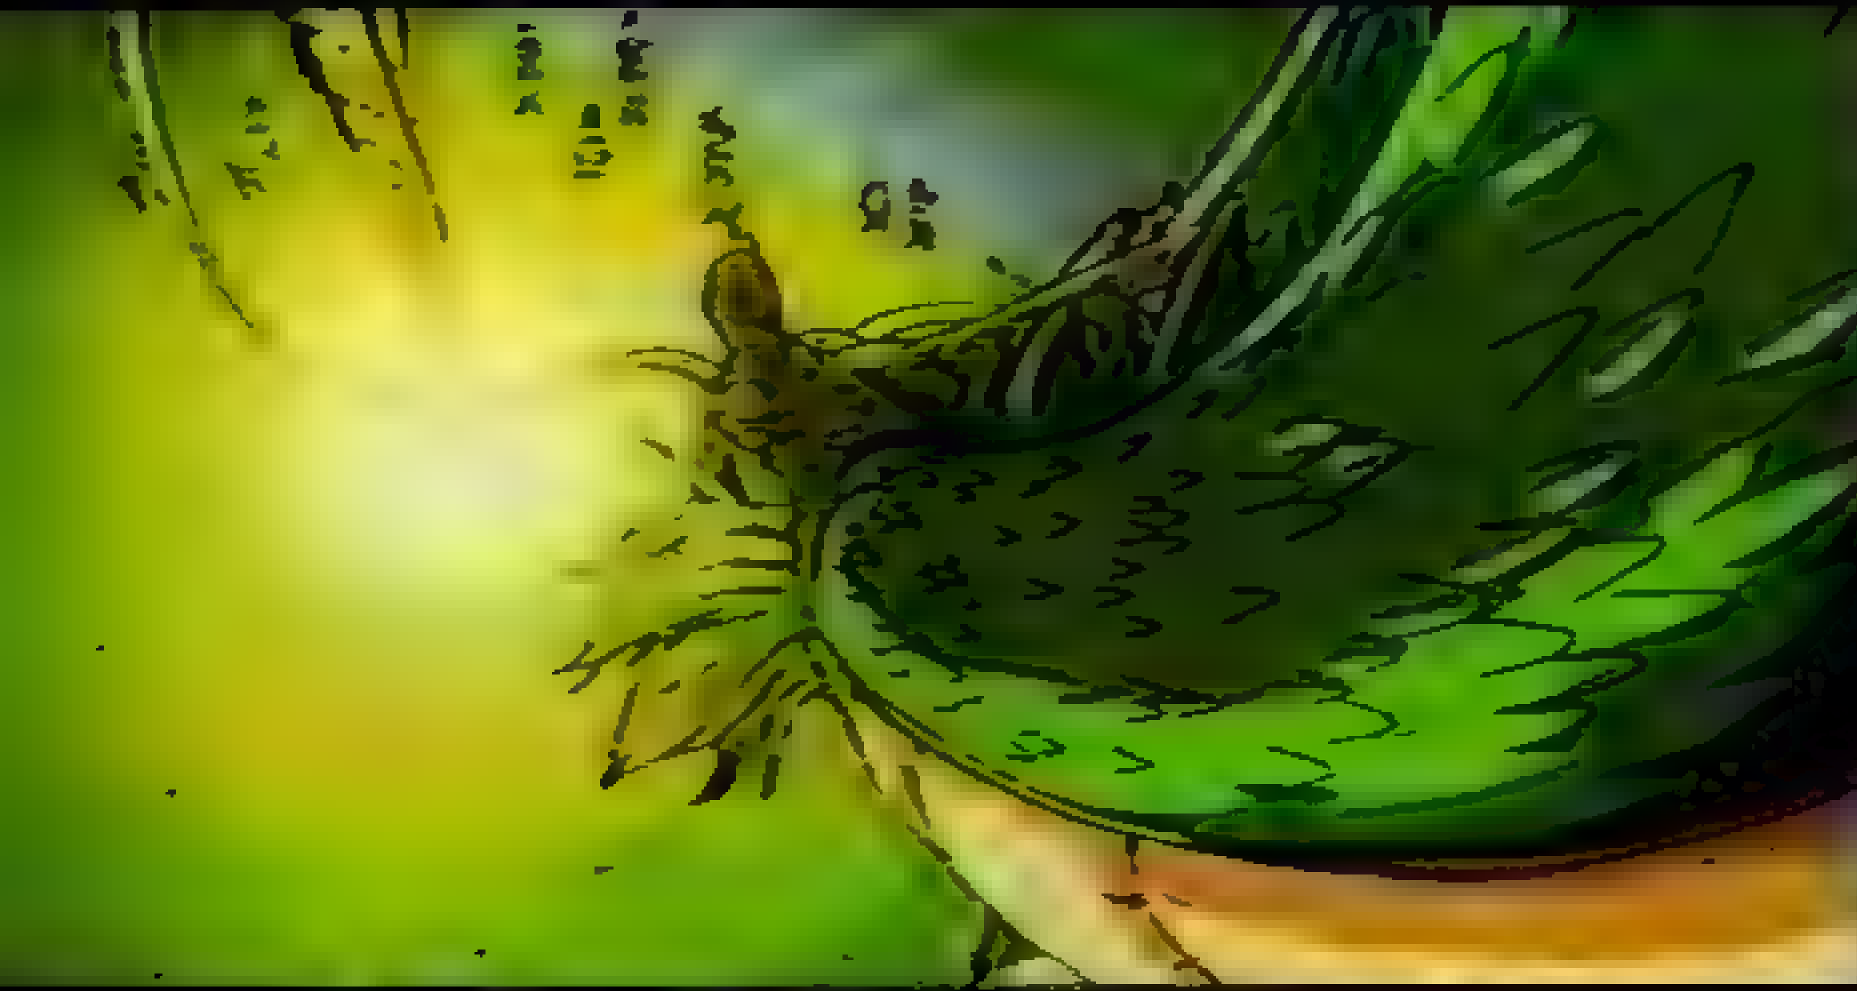

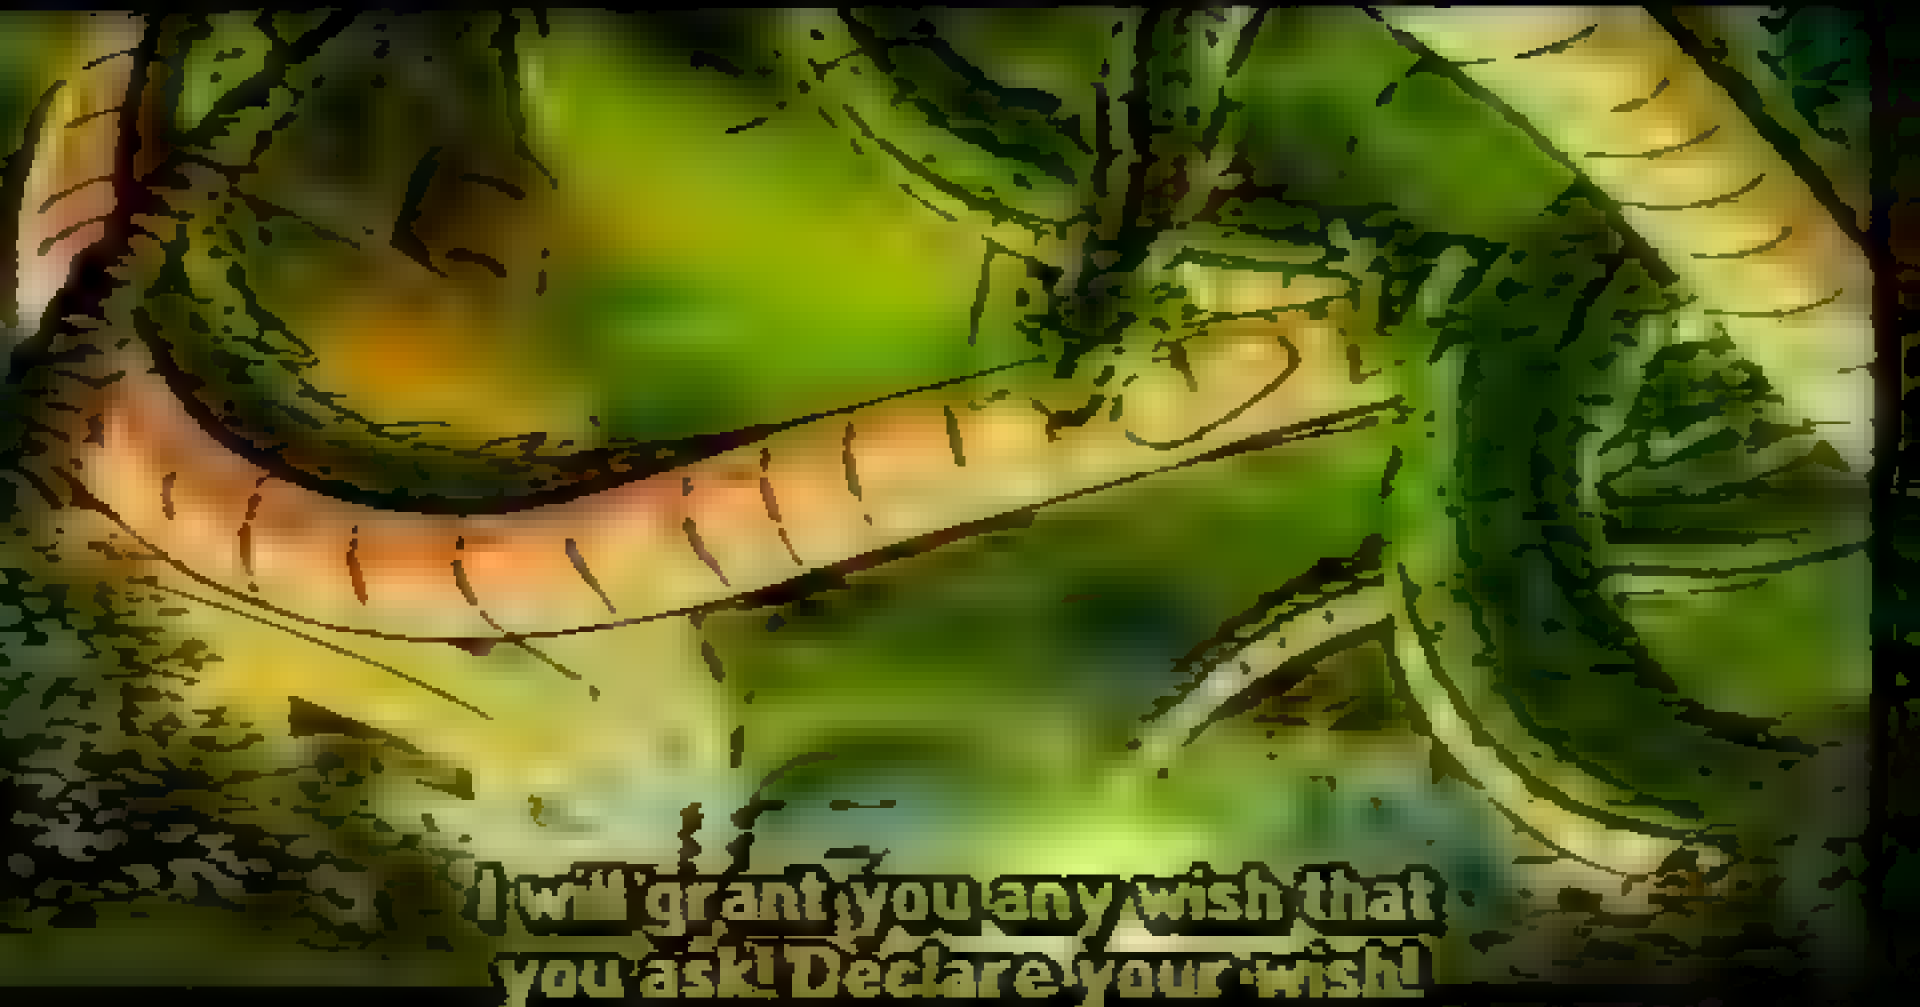

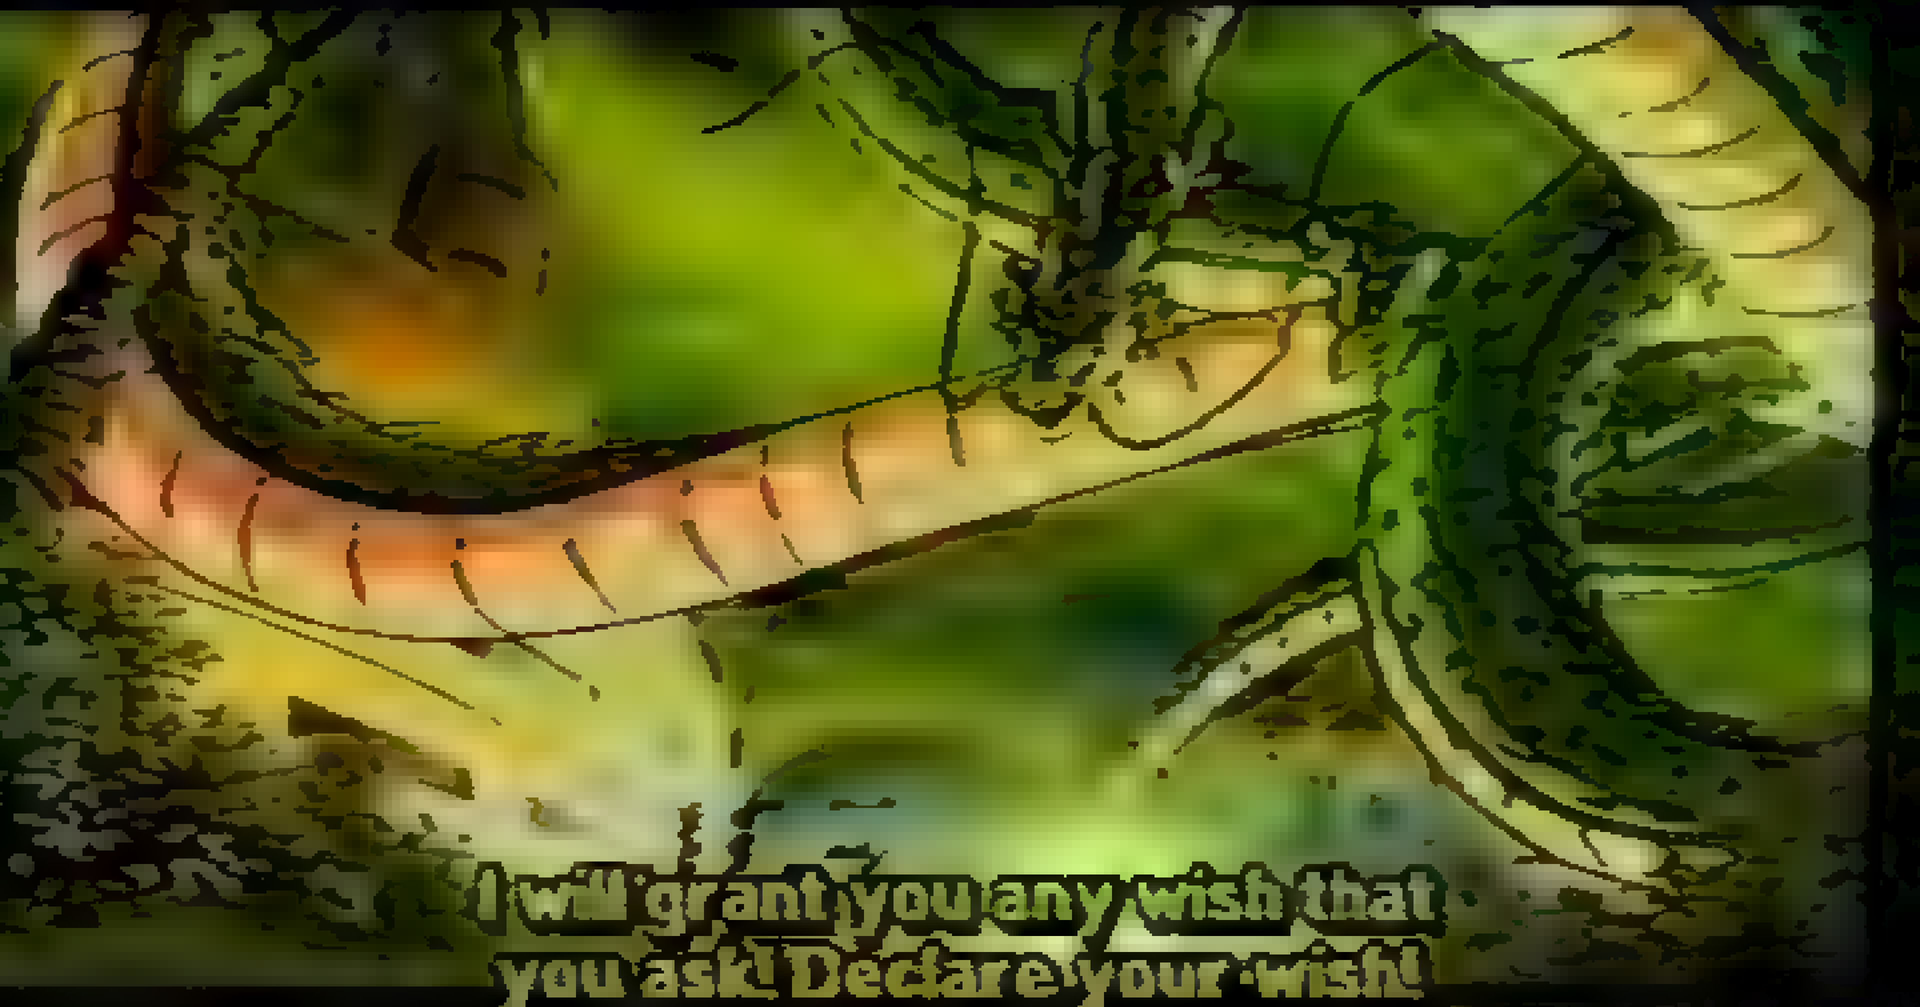

How beautiful!

Is he...

I will grant you any wish that
you ask! Declare your wish!

I will grant you any wish that
you ask! Declare your wish!

I will grant you any wish that
you ask! Declare your wish!

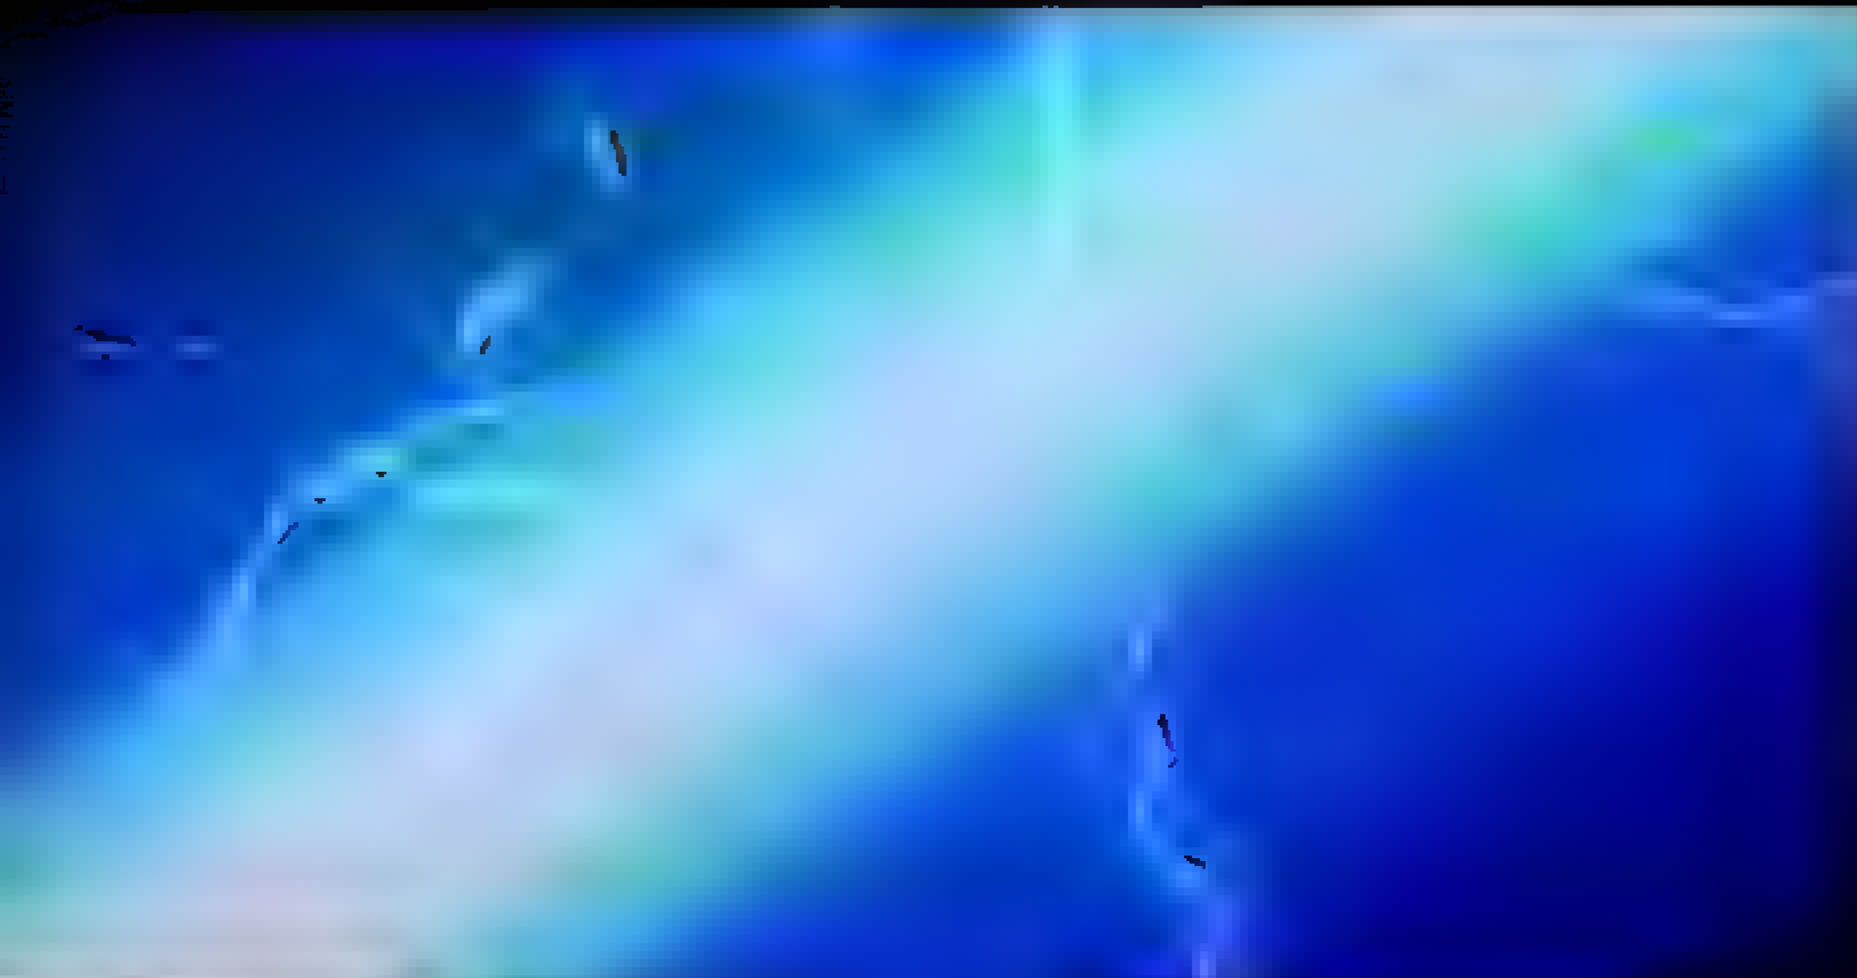

I will grant you any wish that
you ask! Declare your wish!

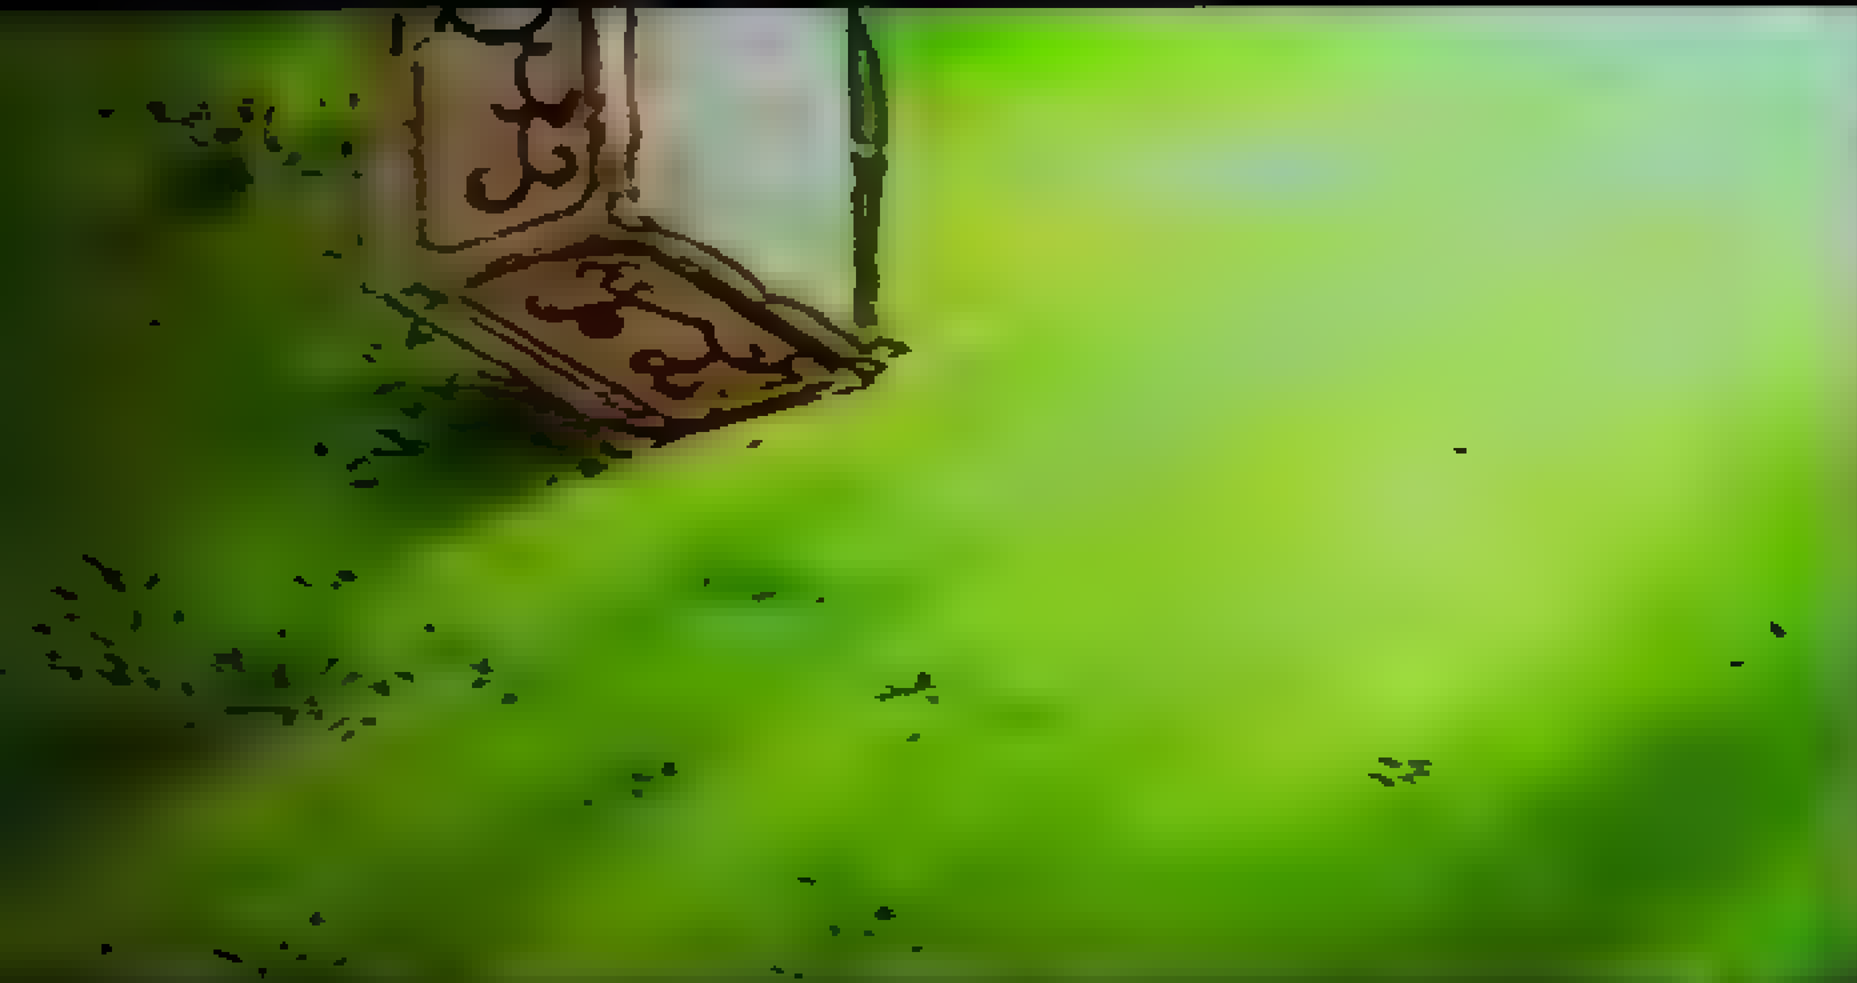

I wish for you to open up this oracle
and release Tabion the Brave from it.

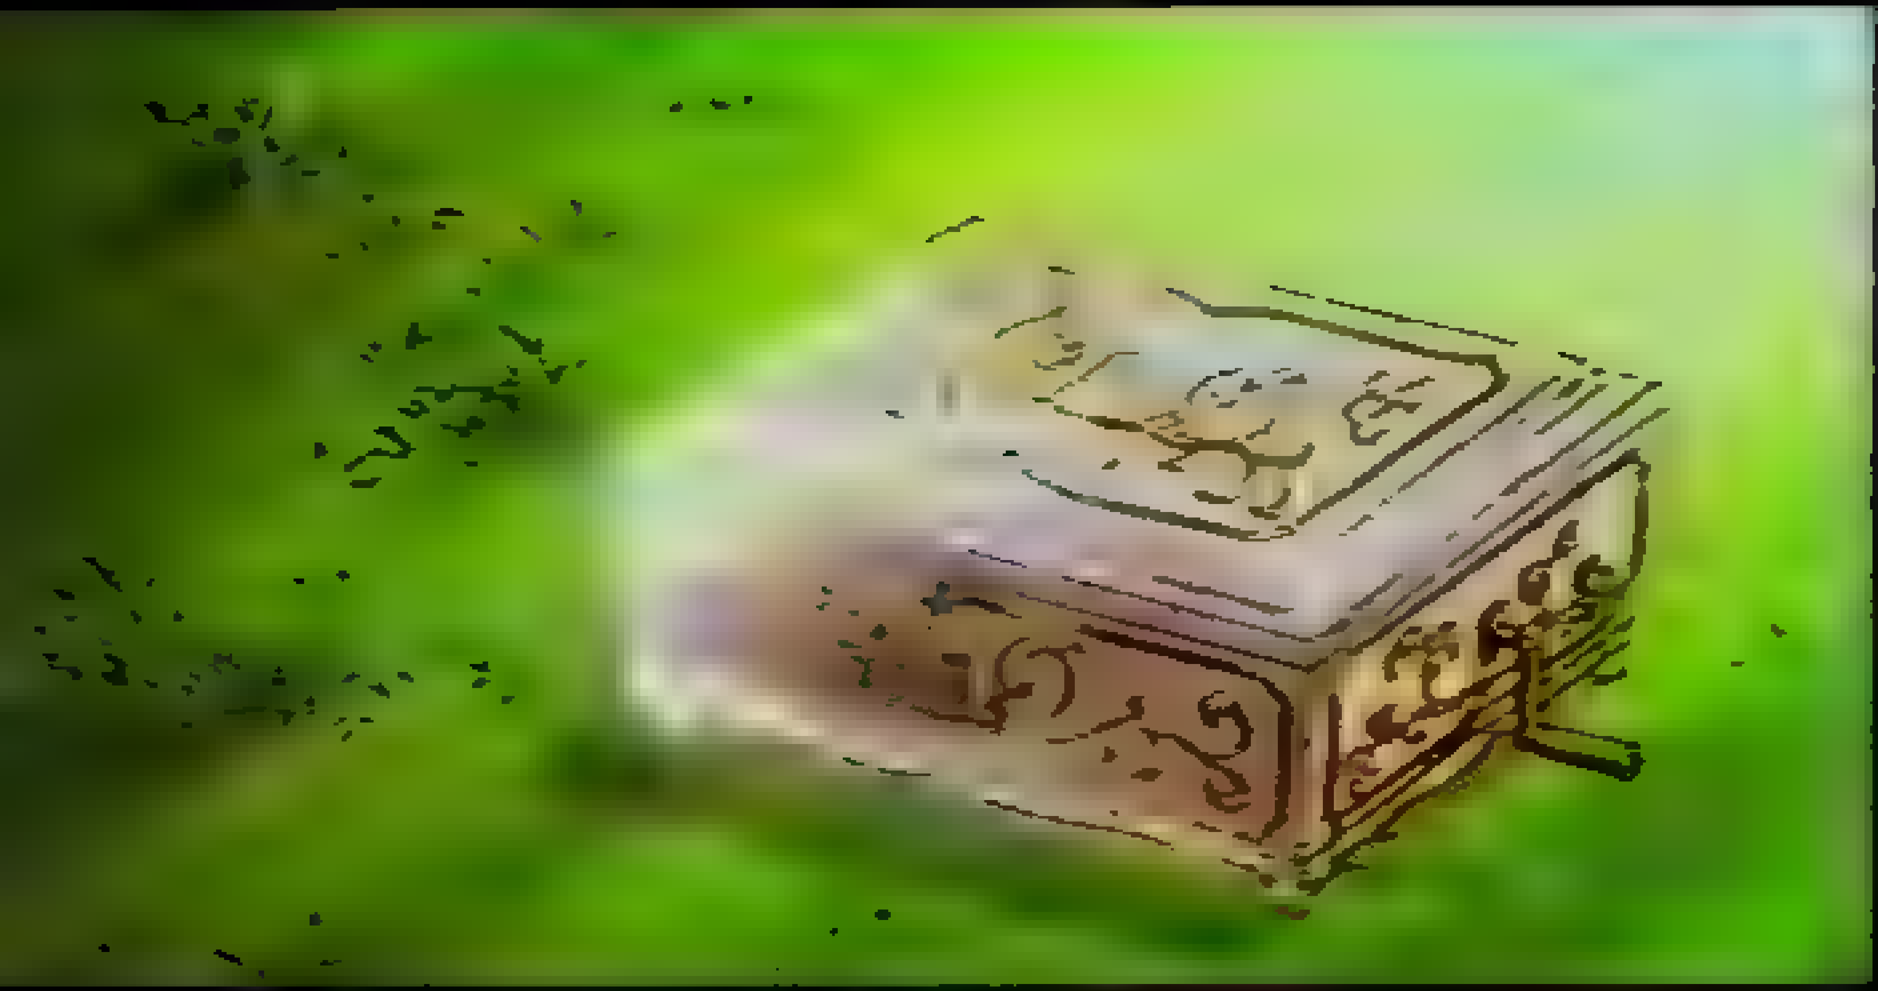

I wish for you to open up this oracle
and release Tabion the Brave from it.

That will be a piece of cake!

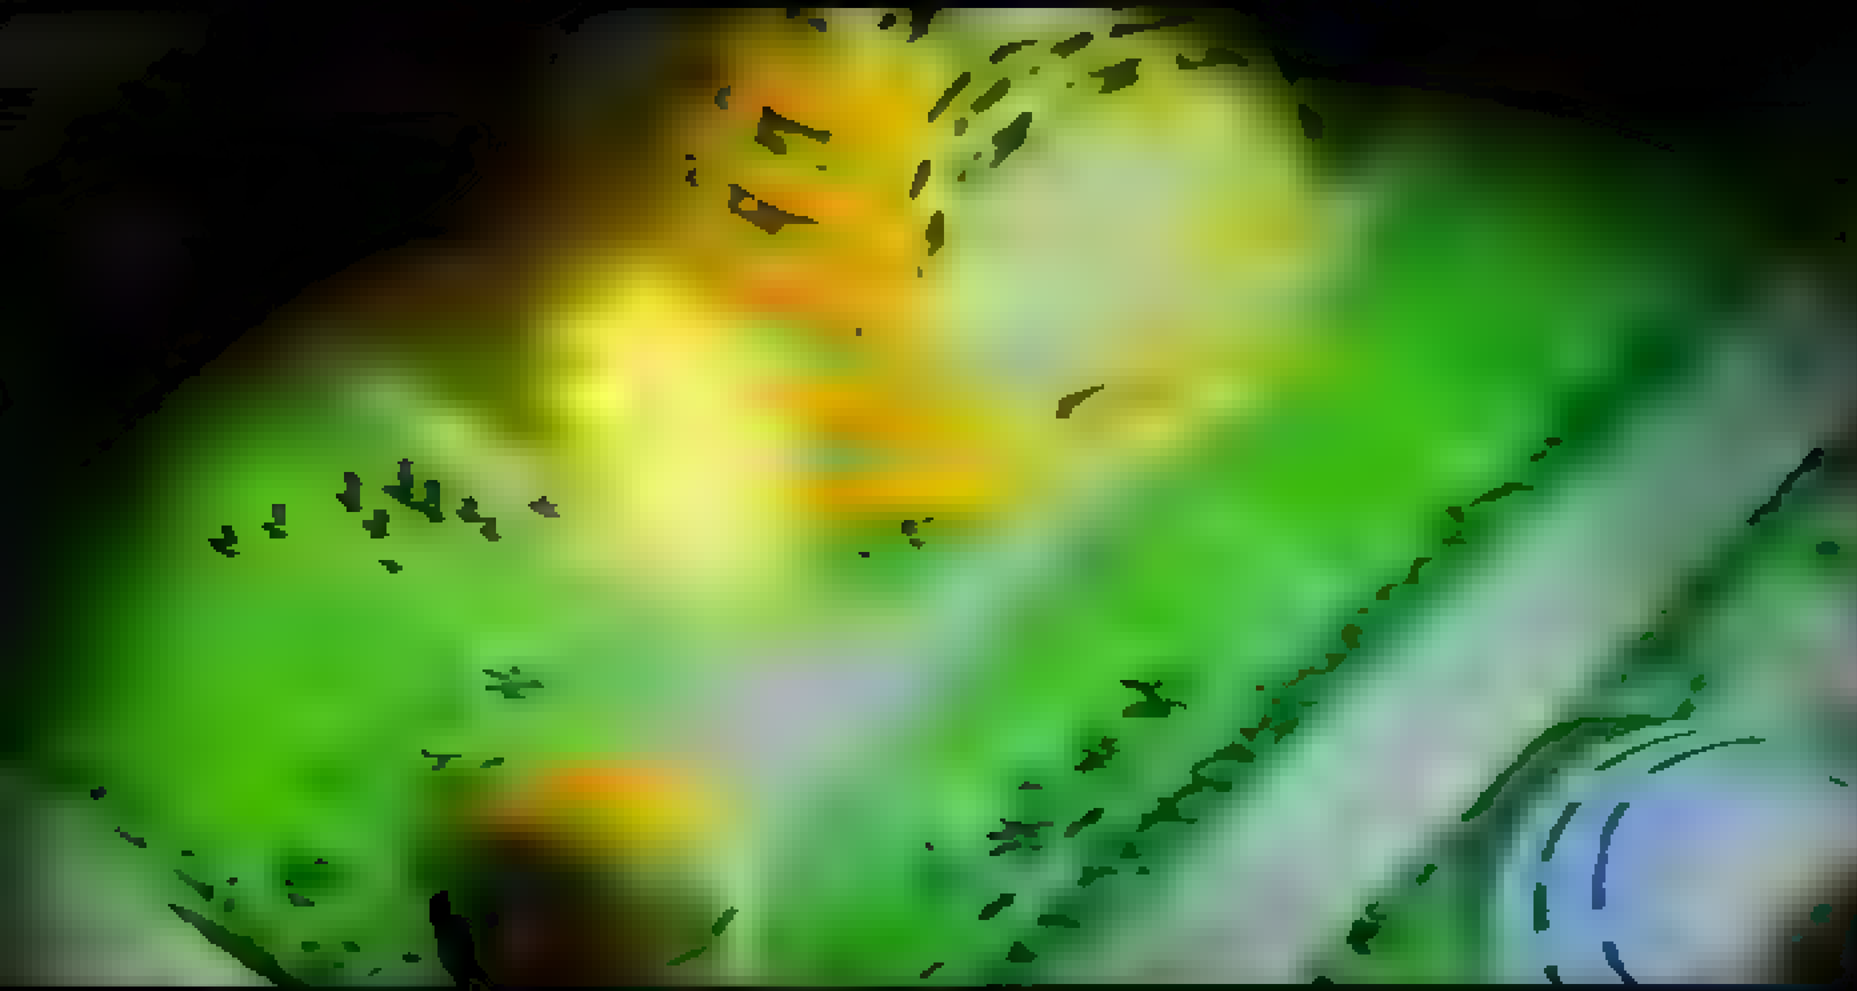

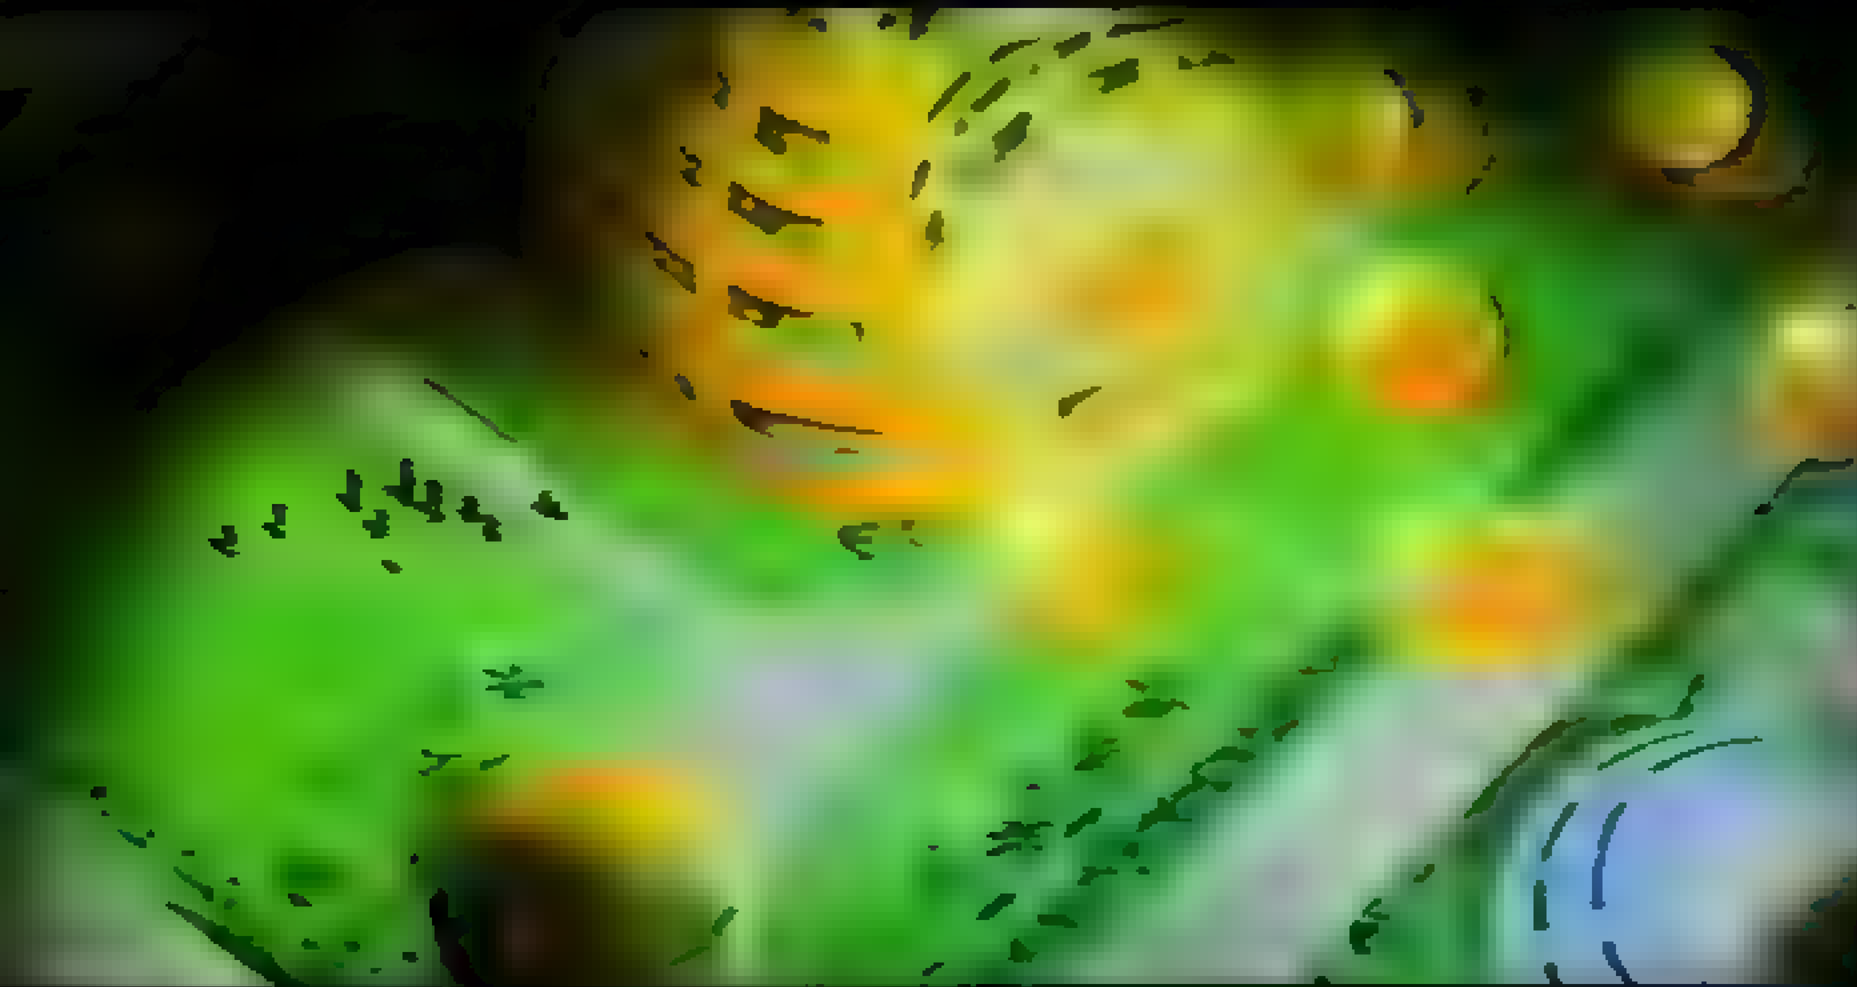

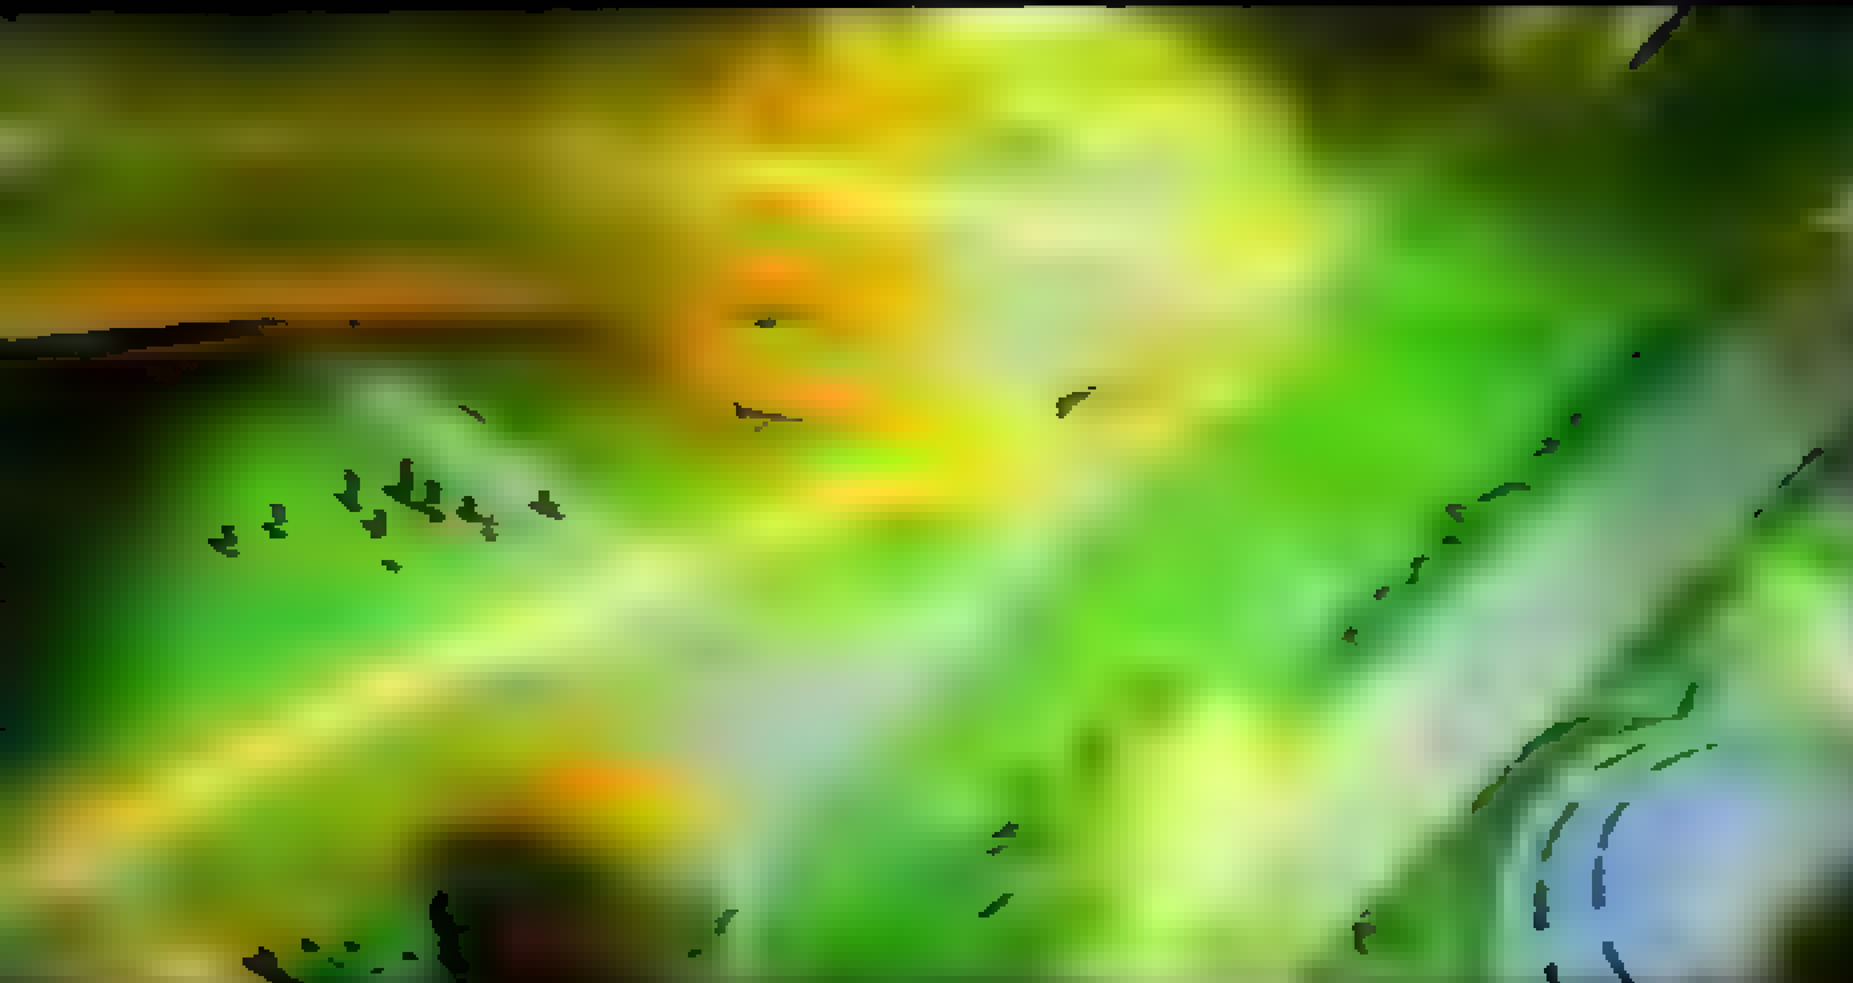

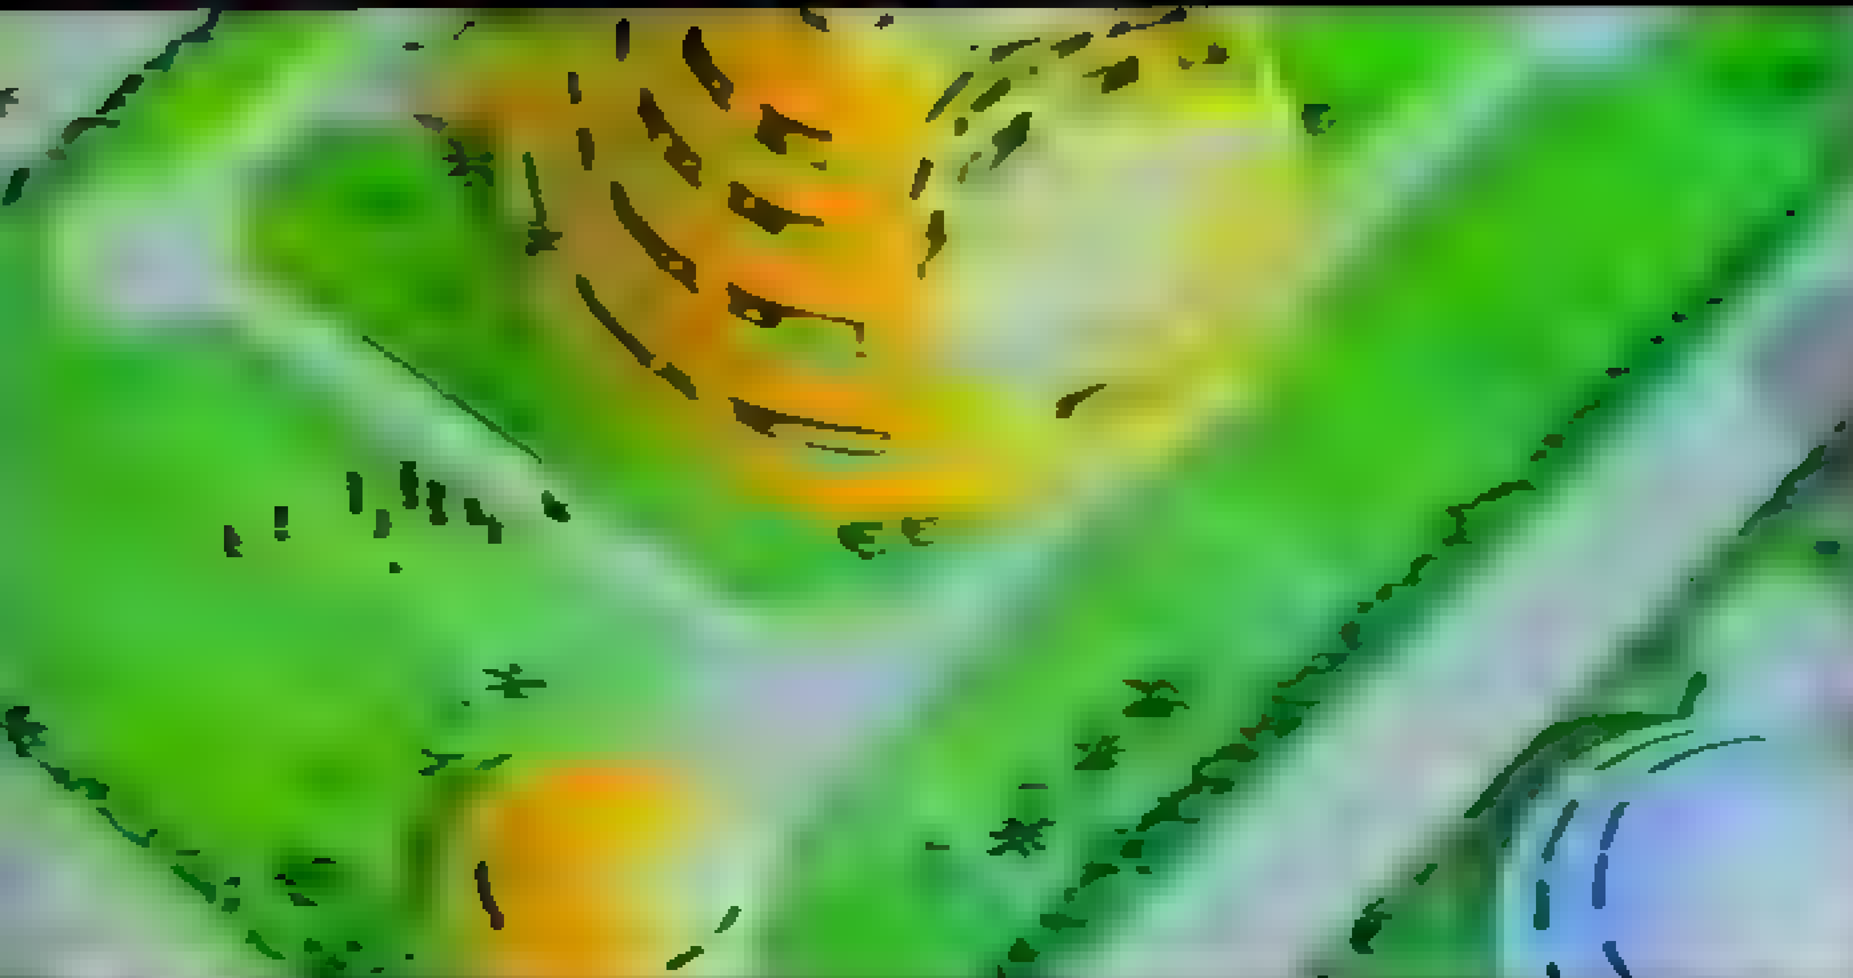

I have granted your wish. So long!

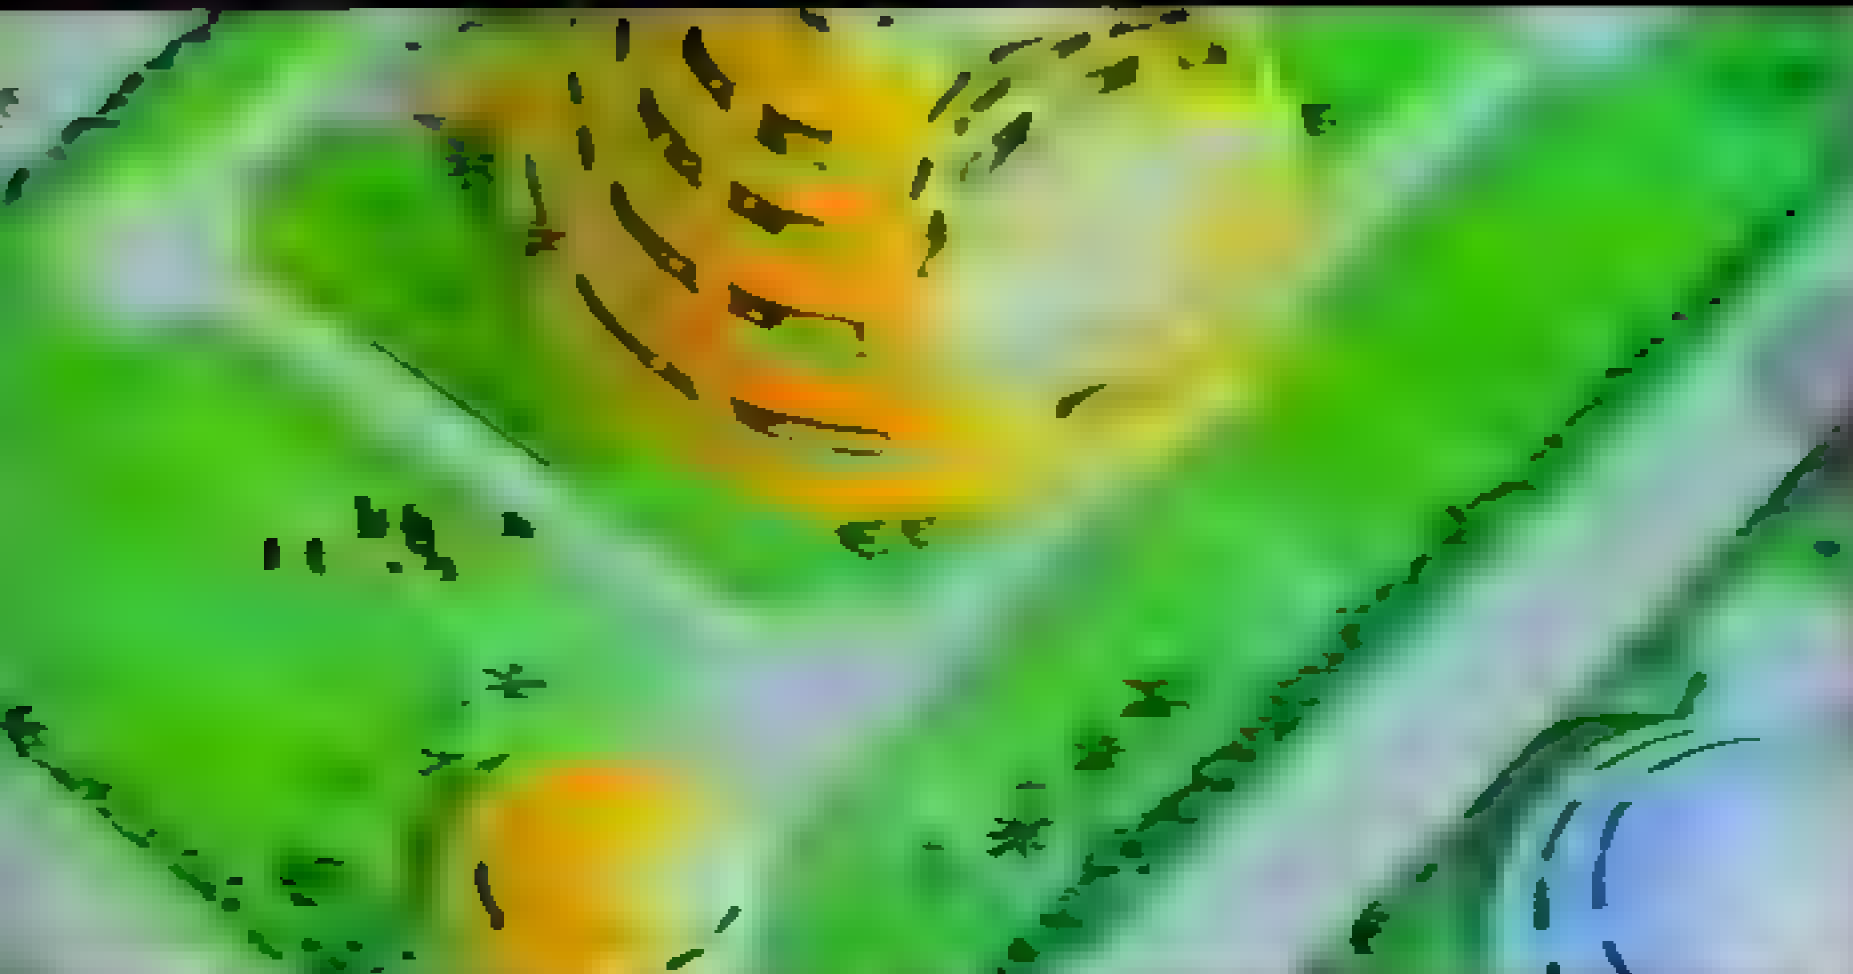

I have granted your wish. So long!

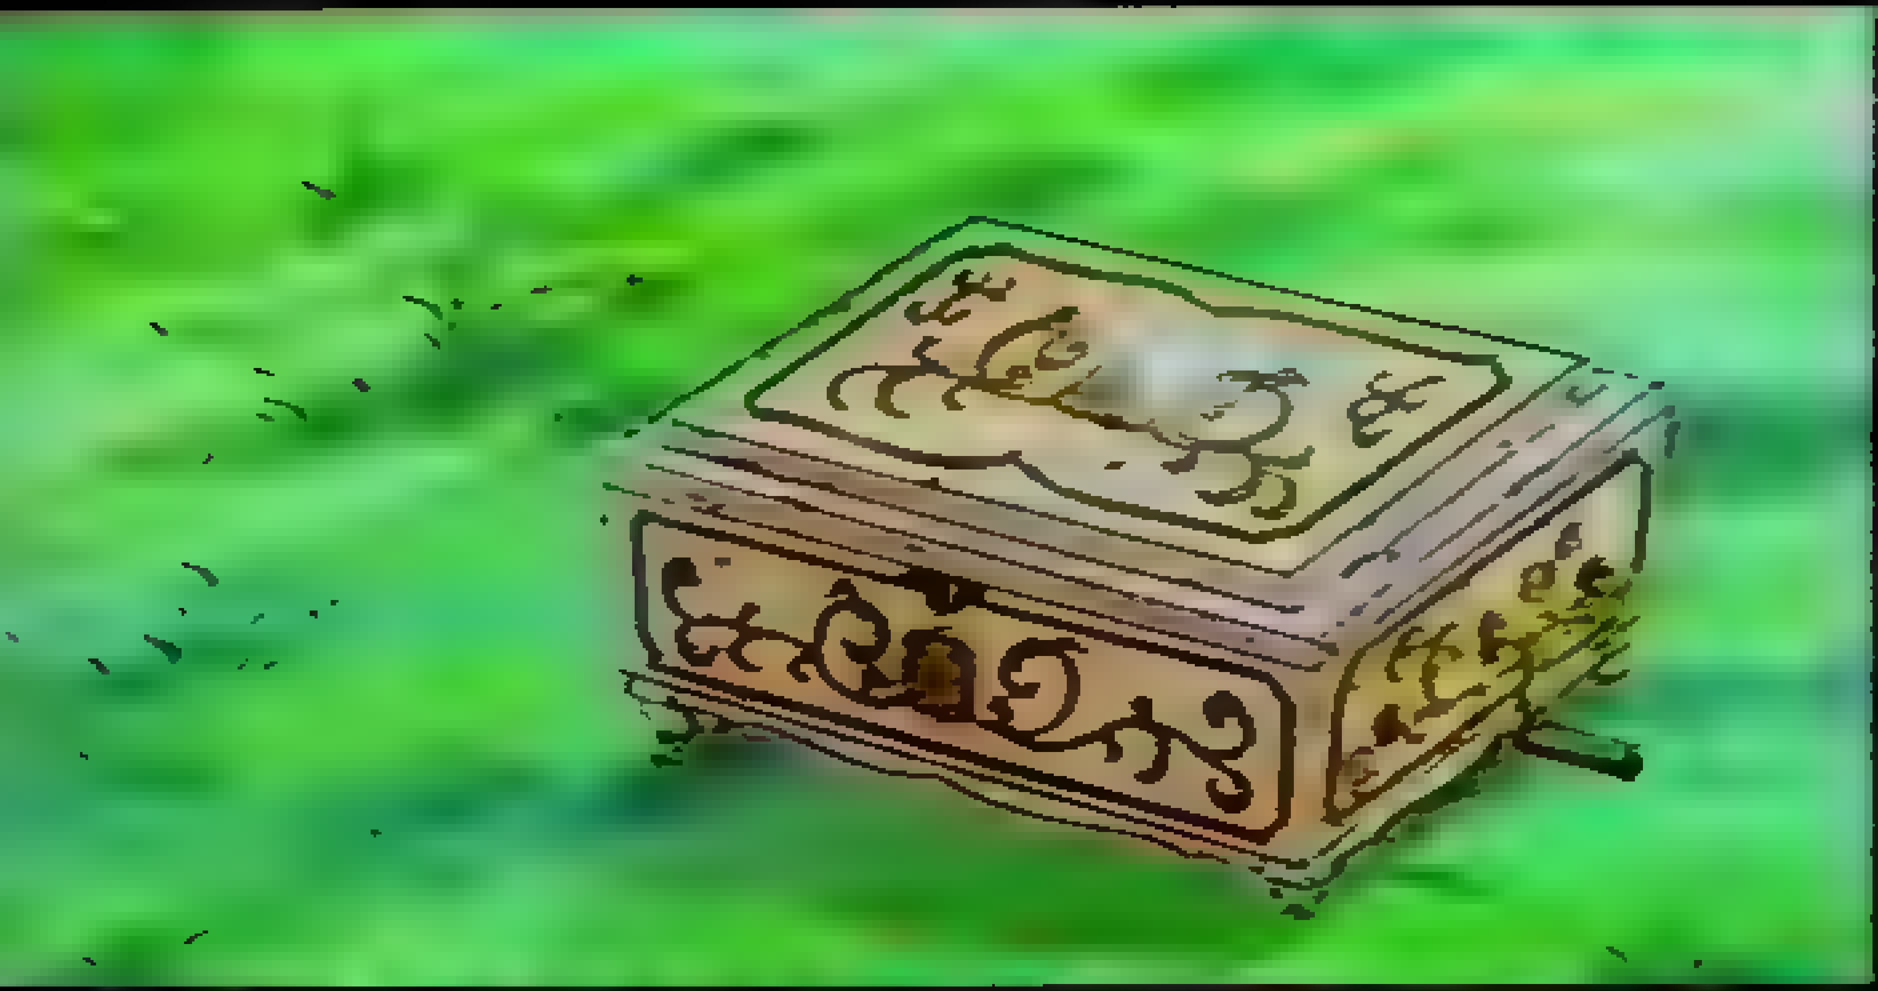

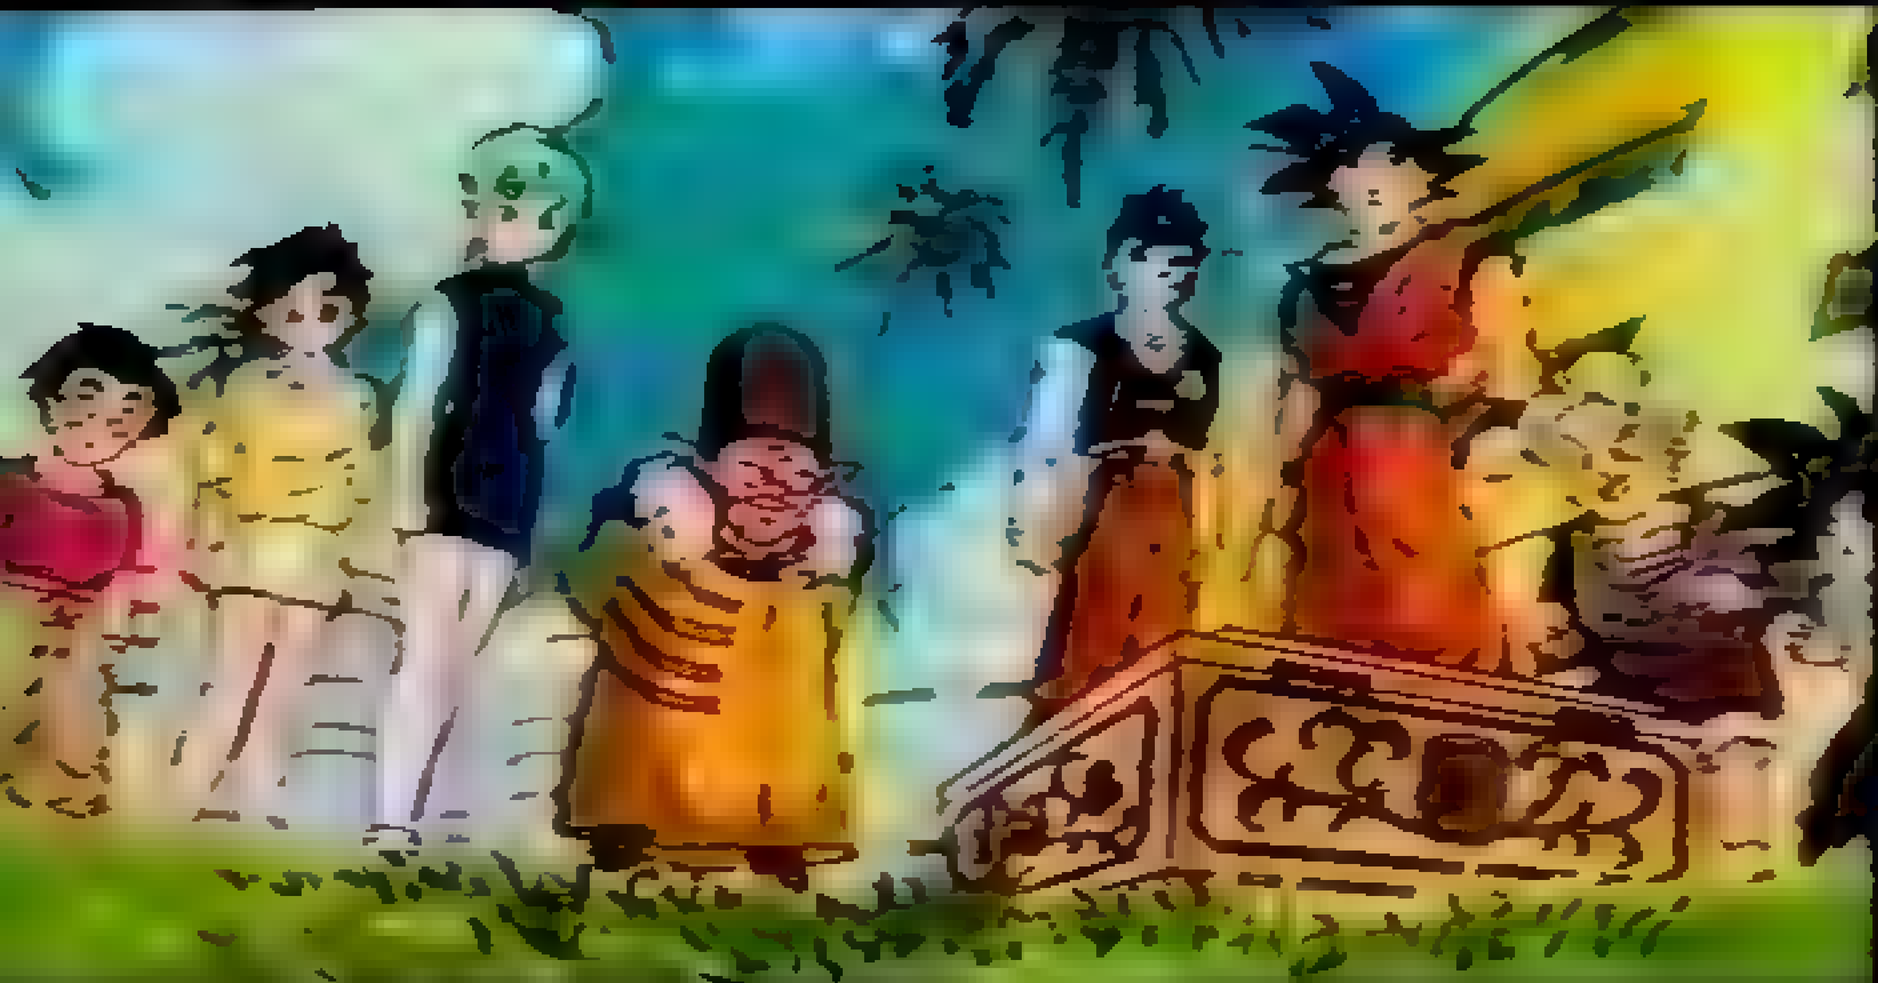

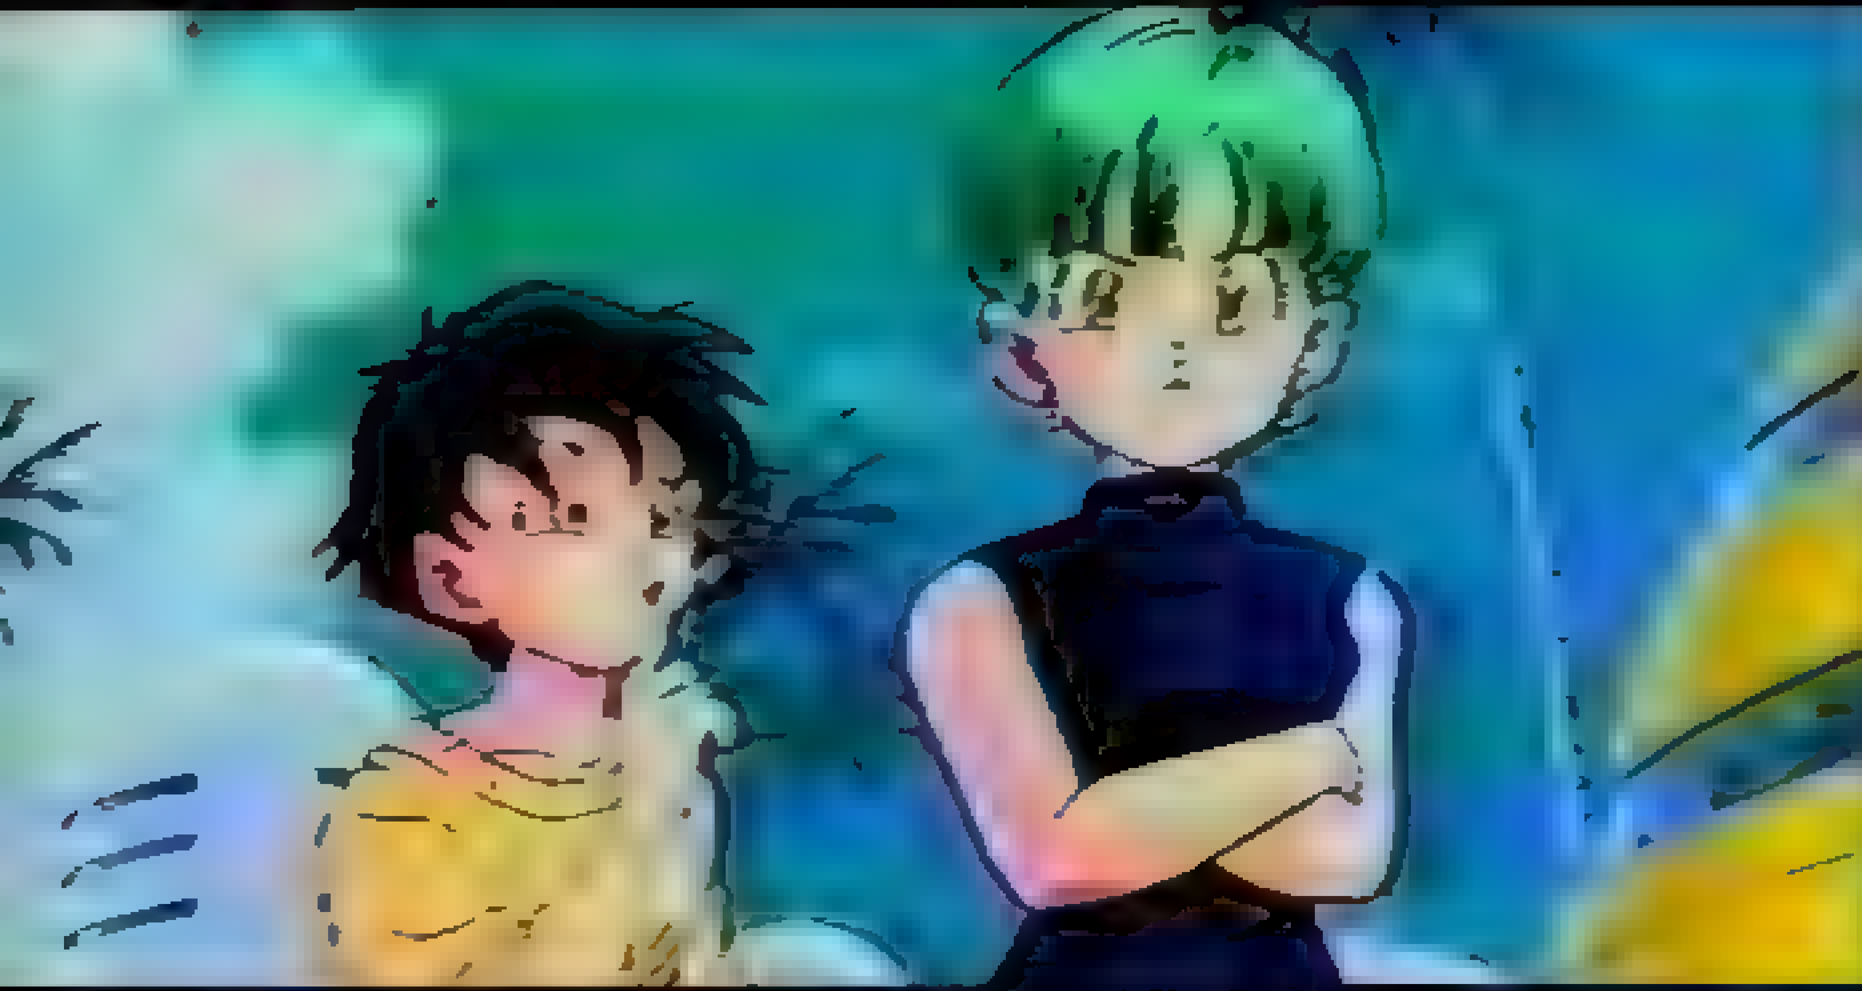

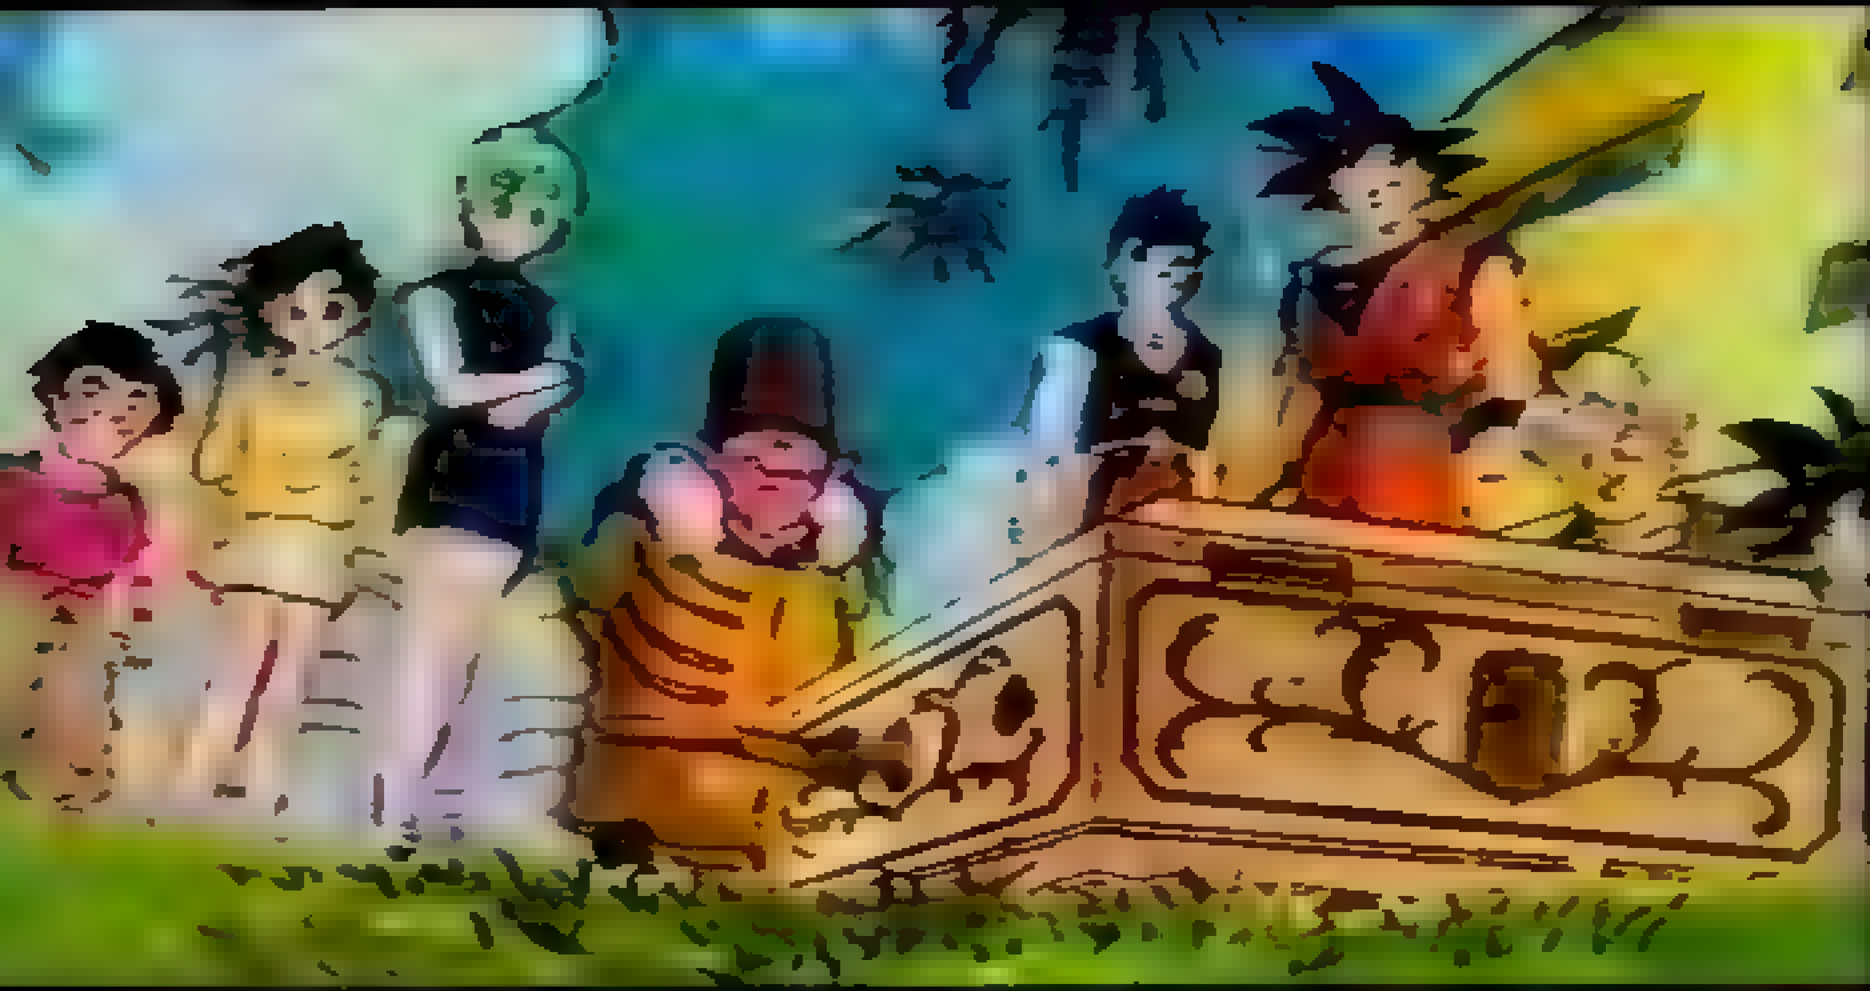

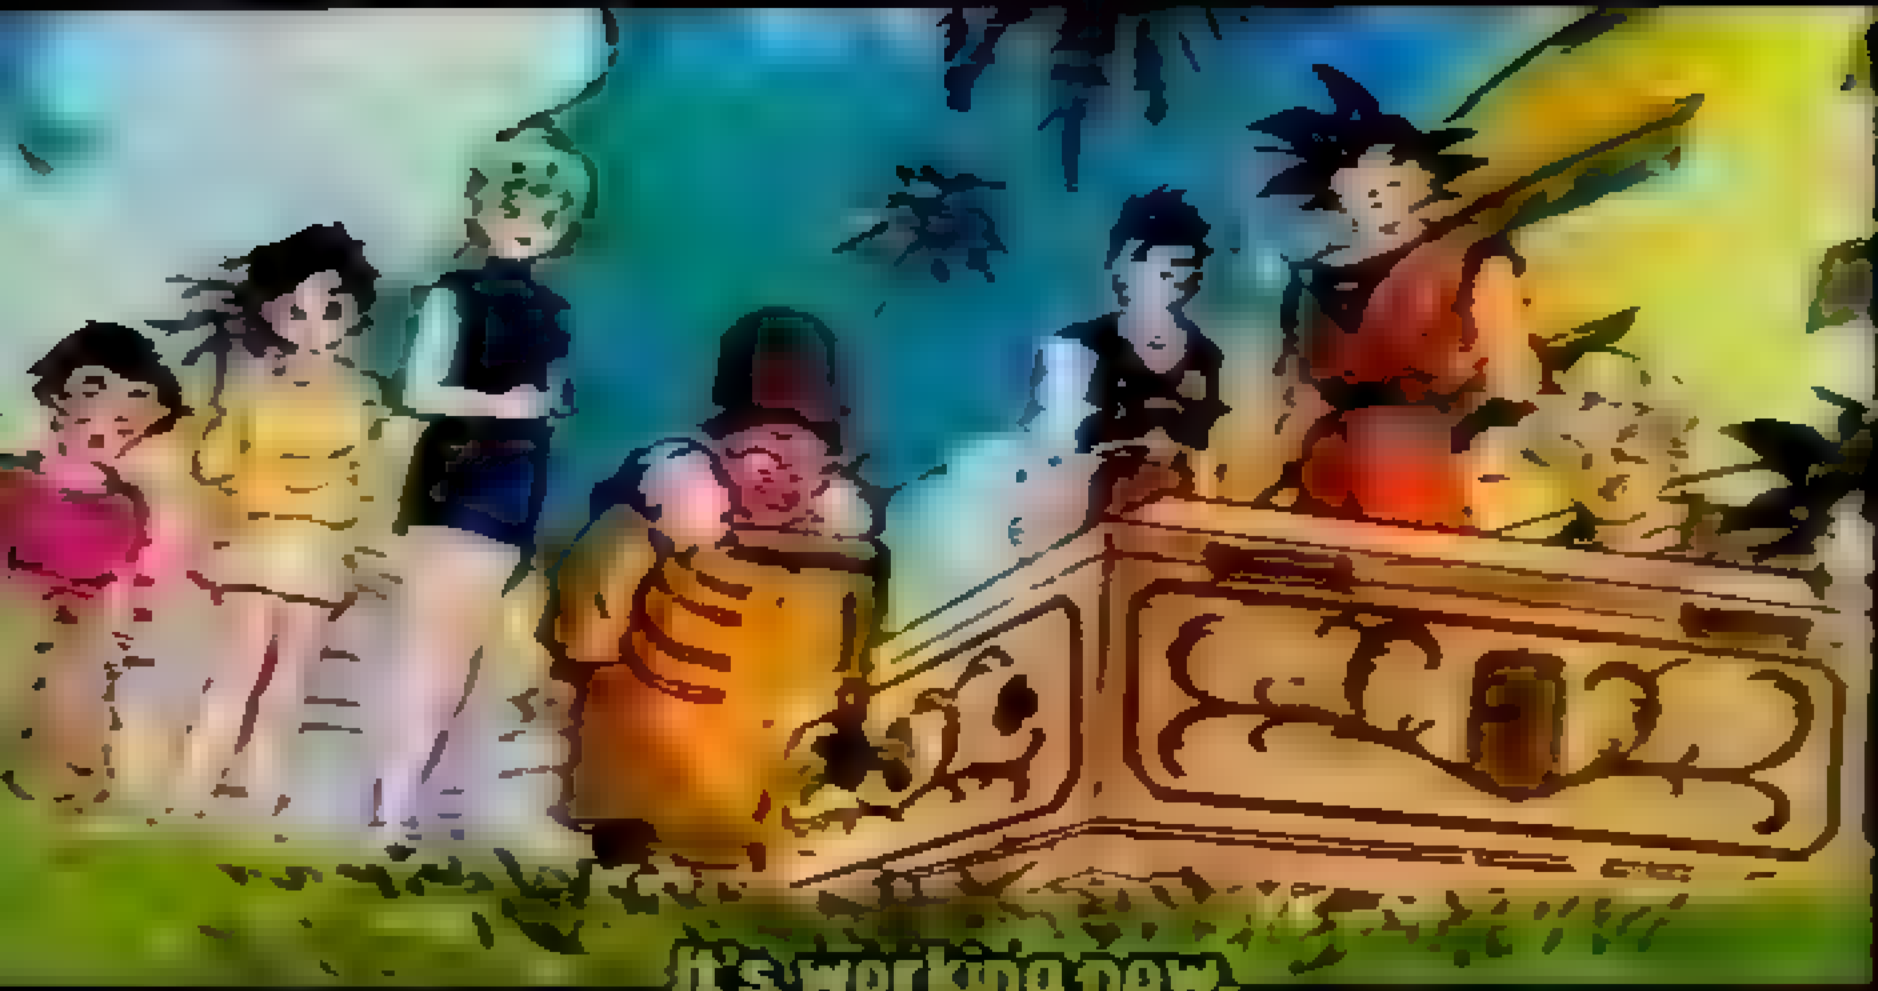

Wait a minute! Nothing's happened!!

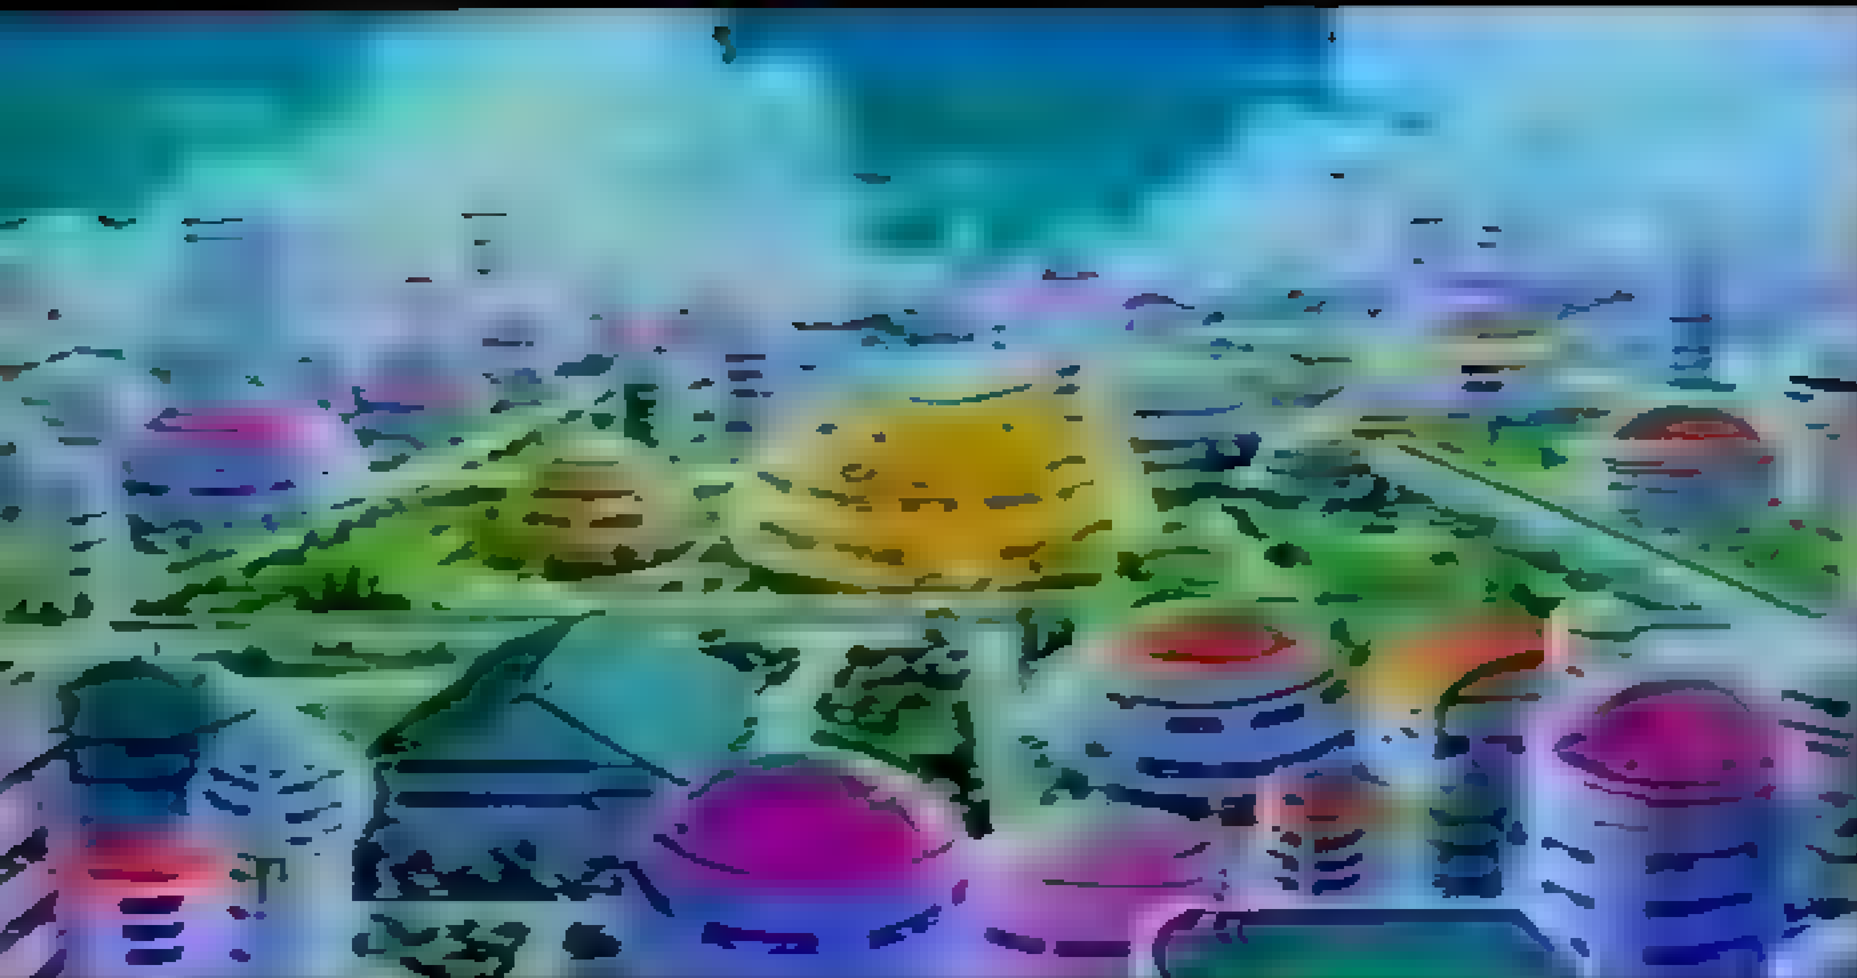

Wait a minute! Nothing's happened!!

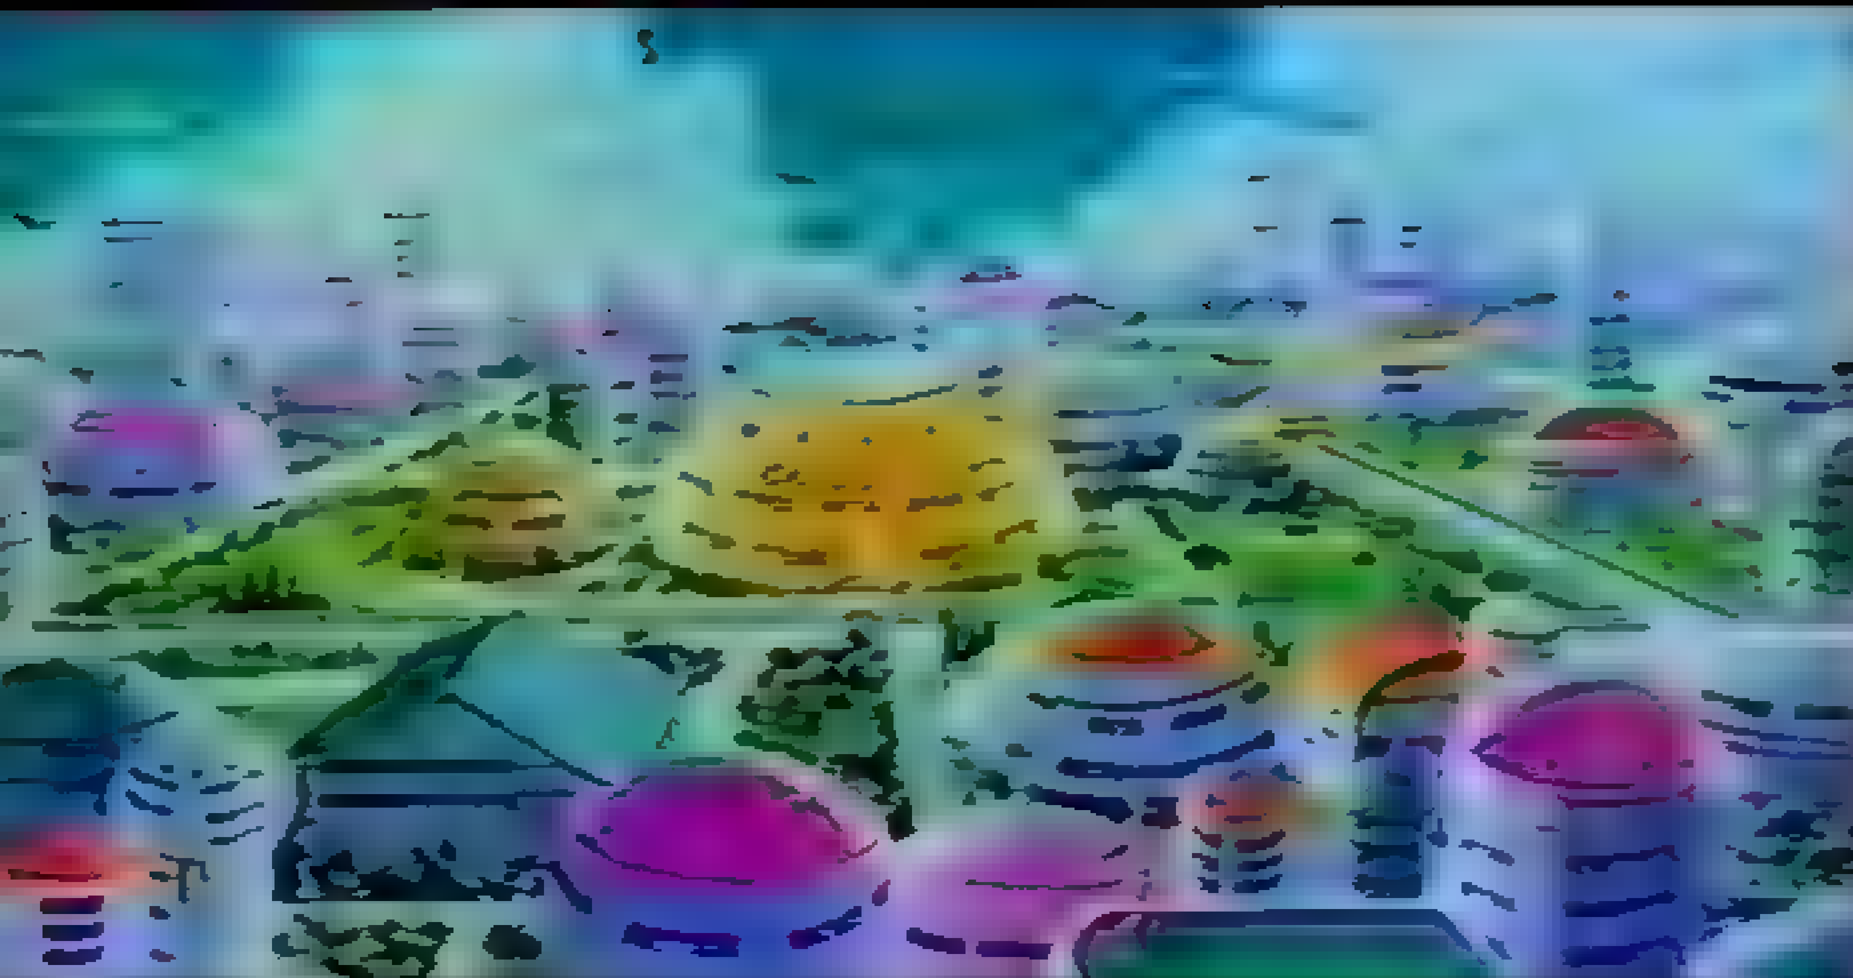

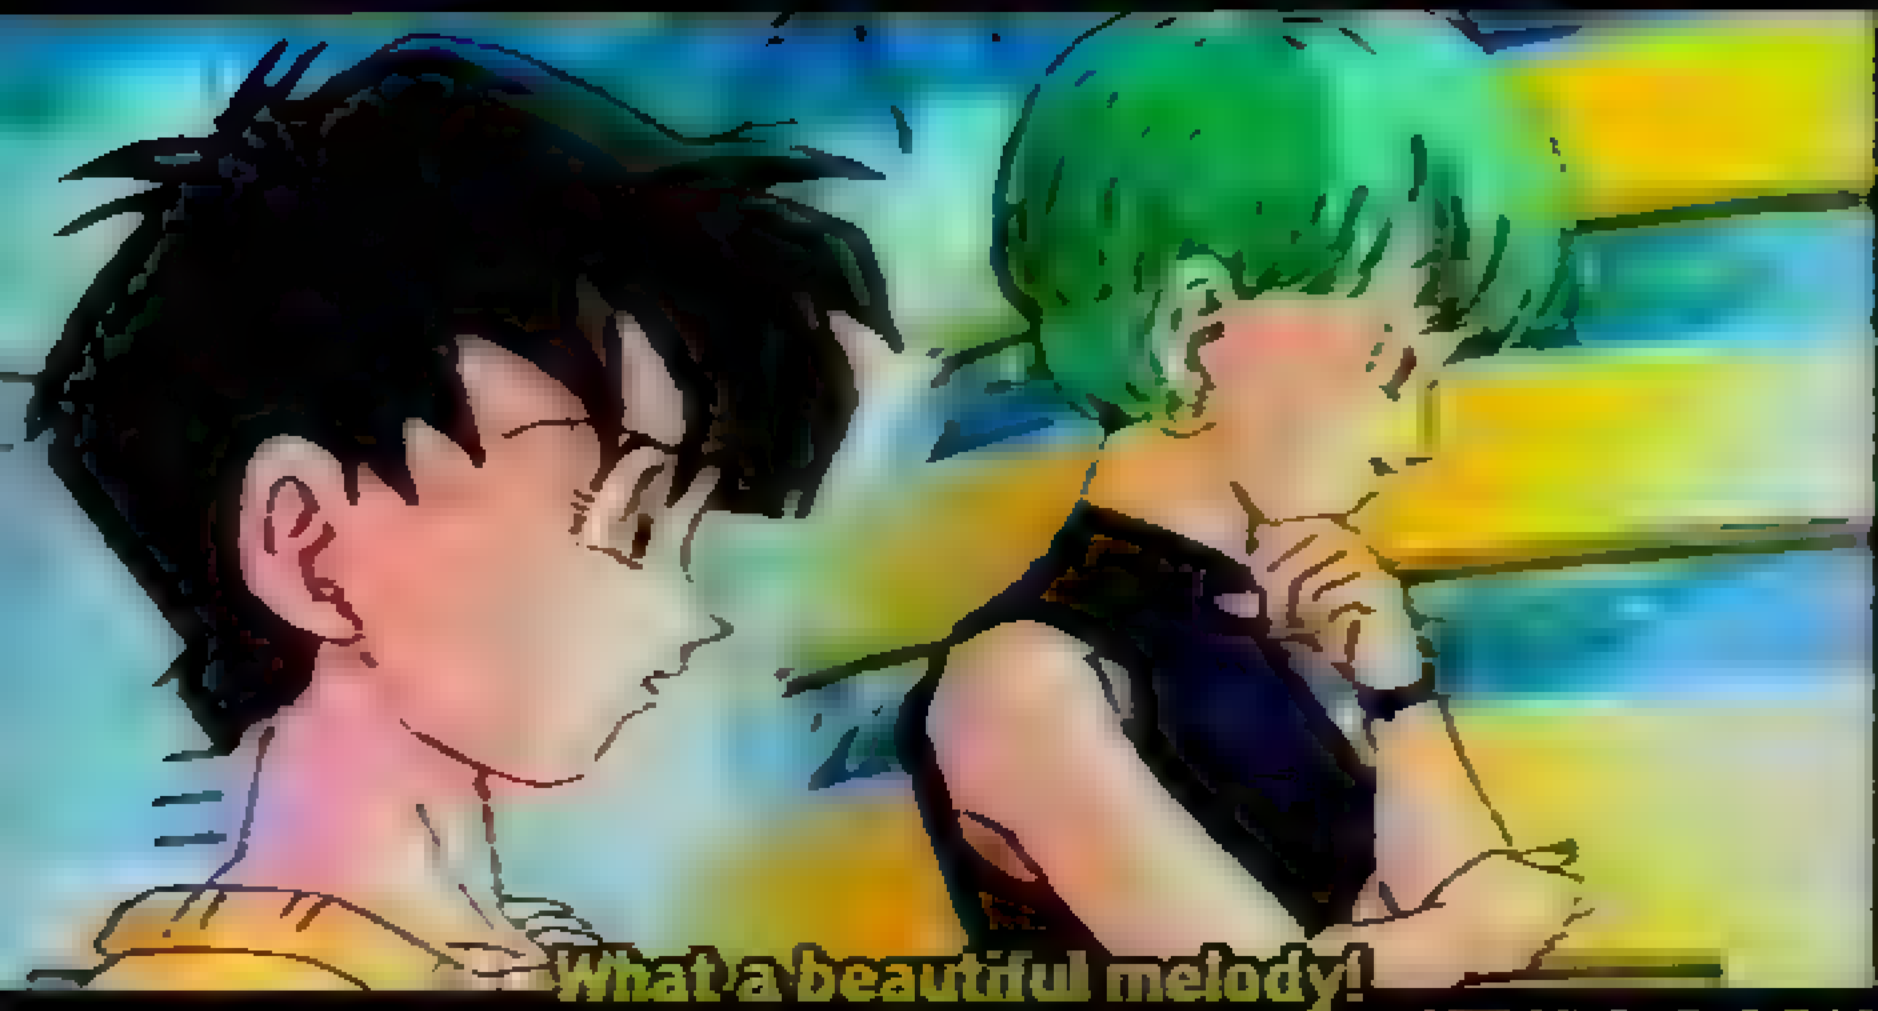

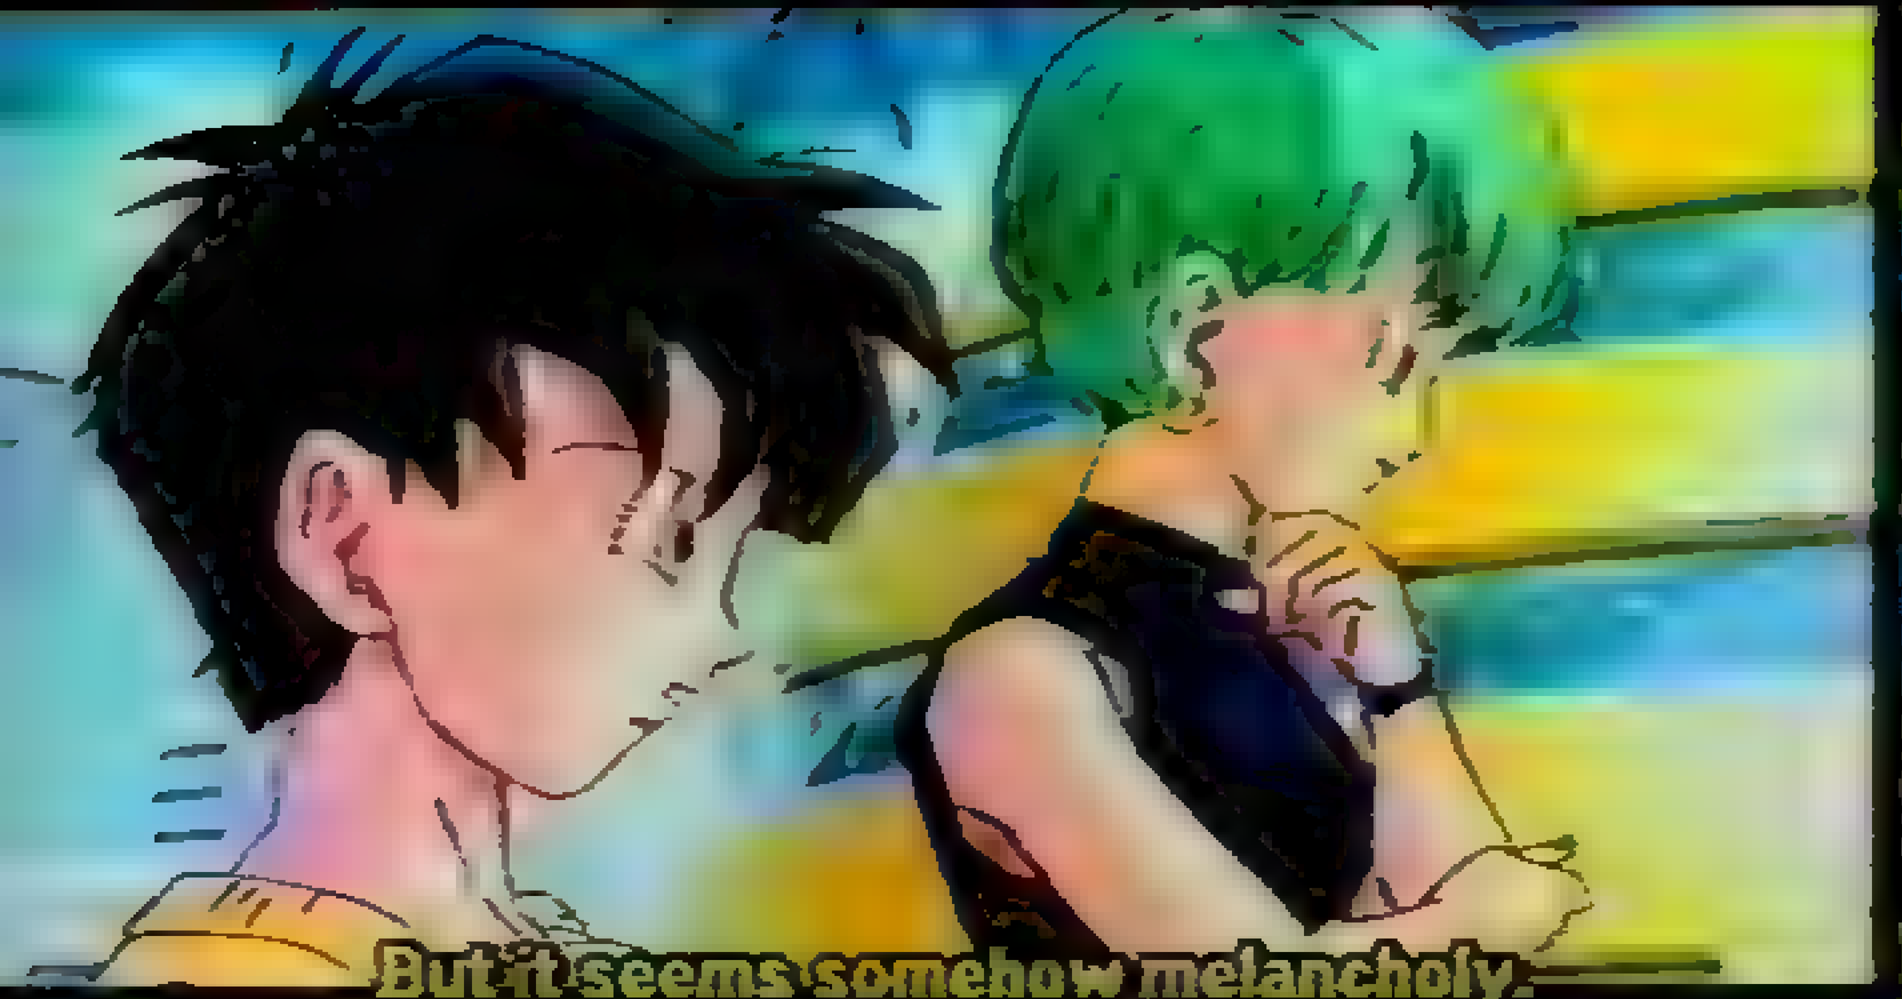

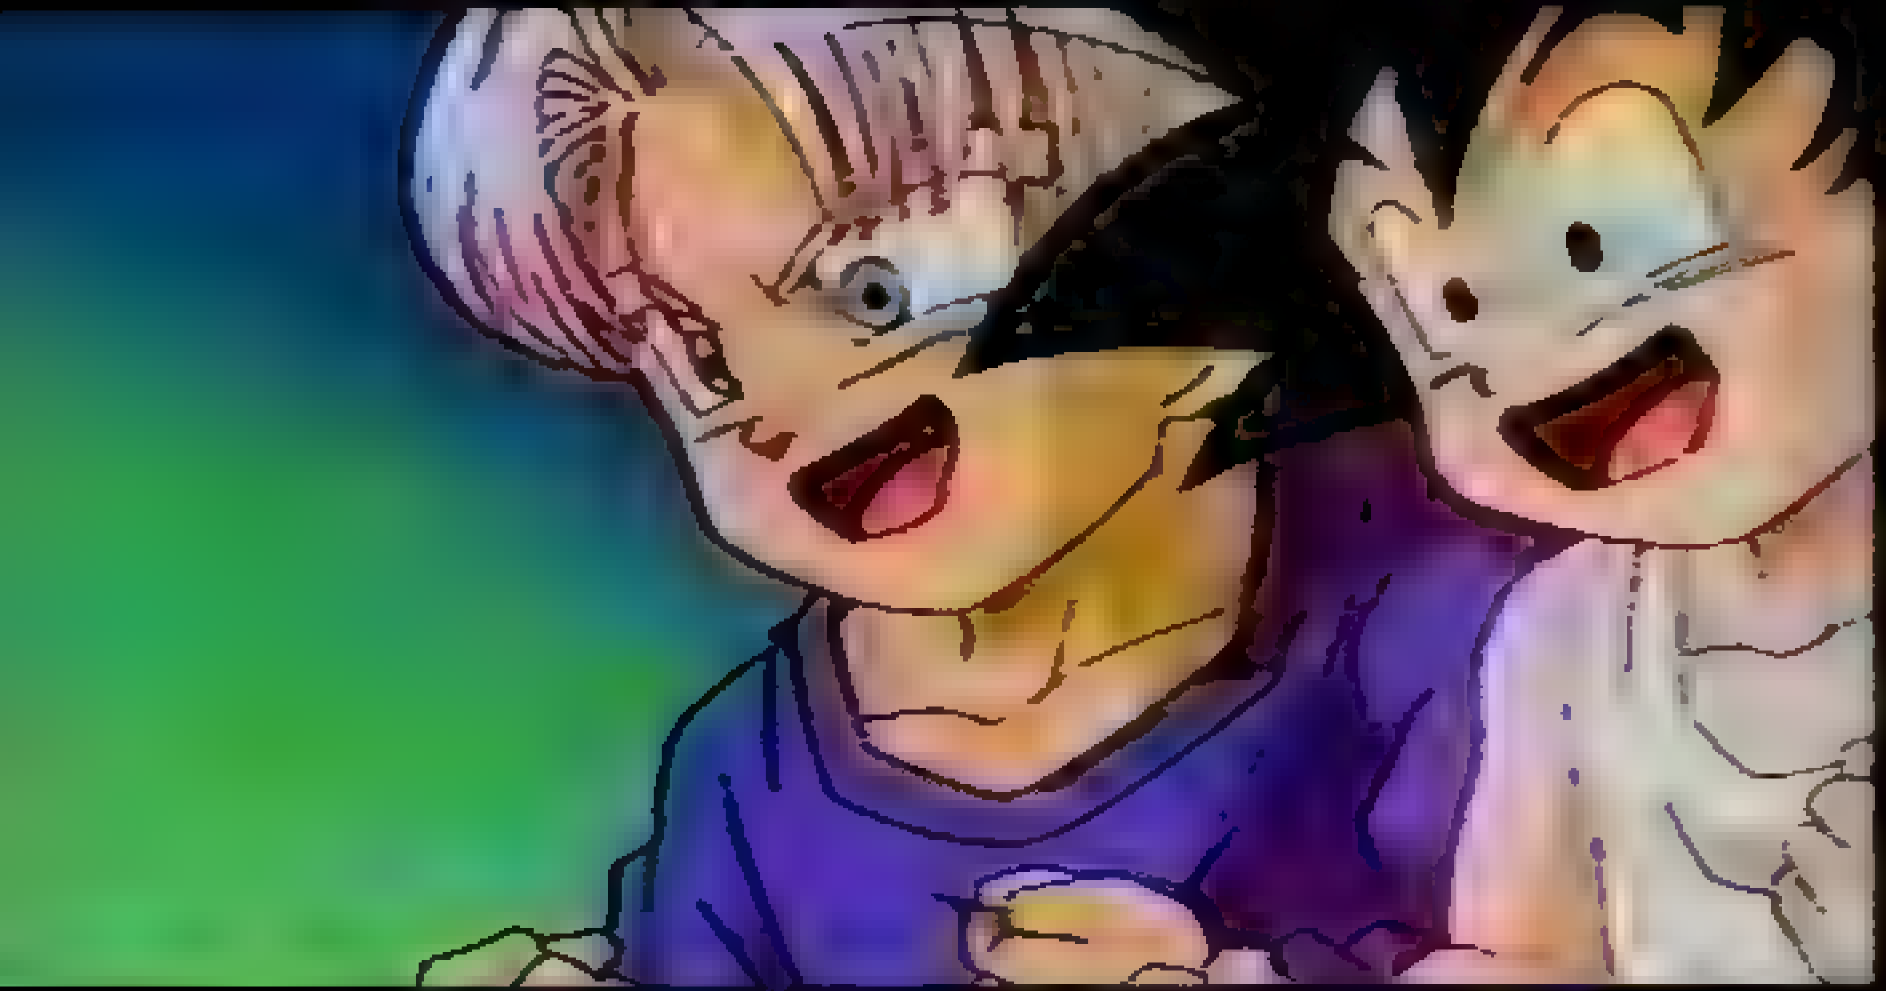

It's working now.

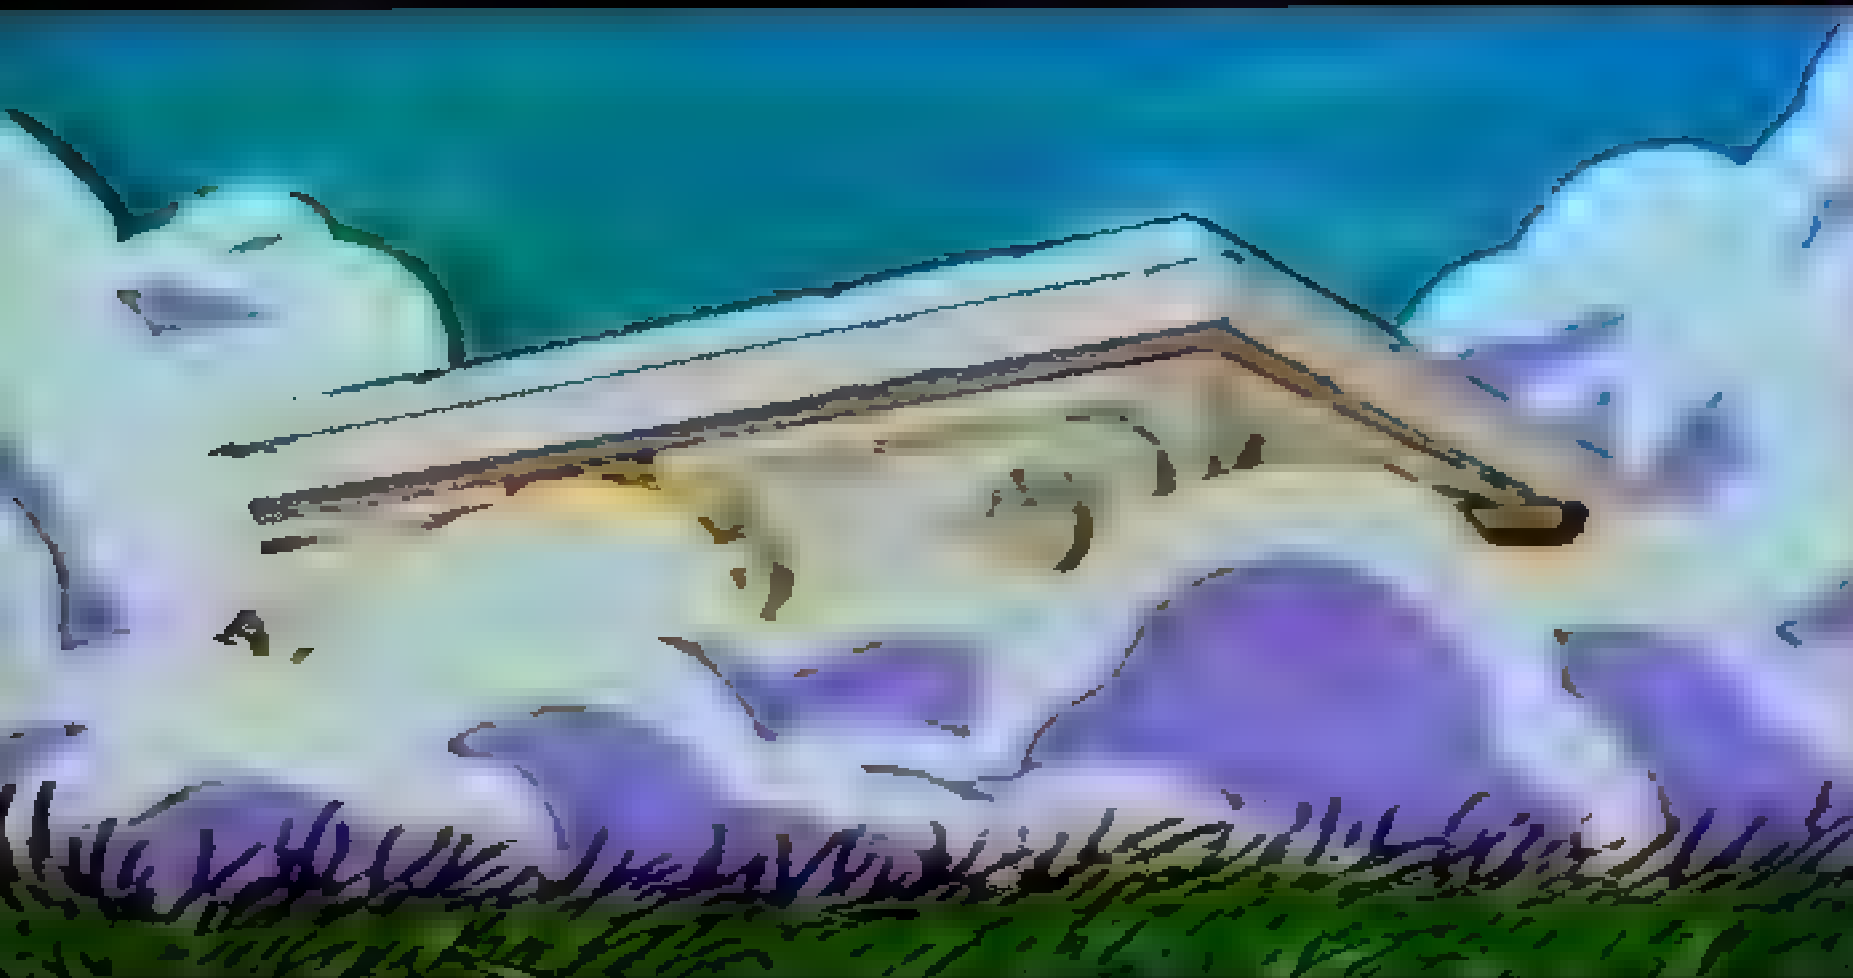

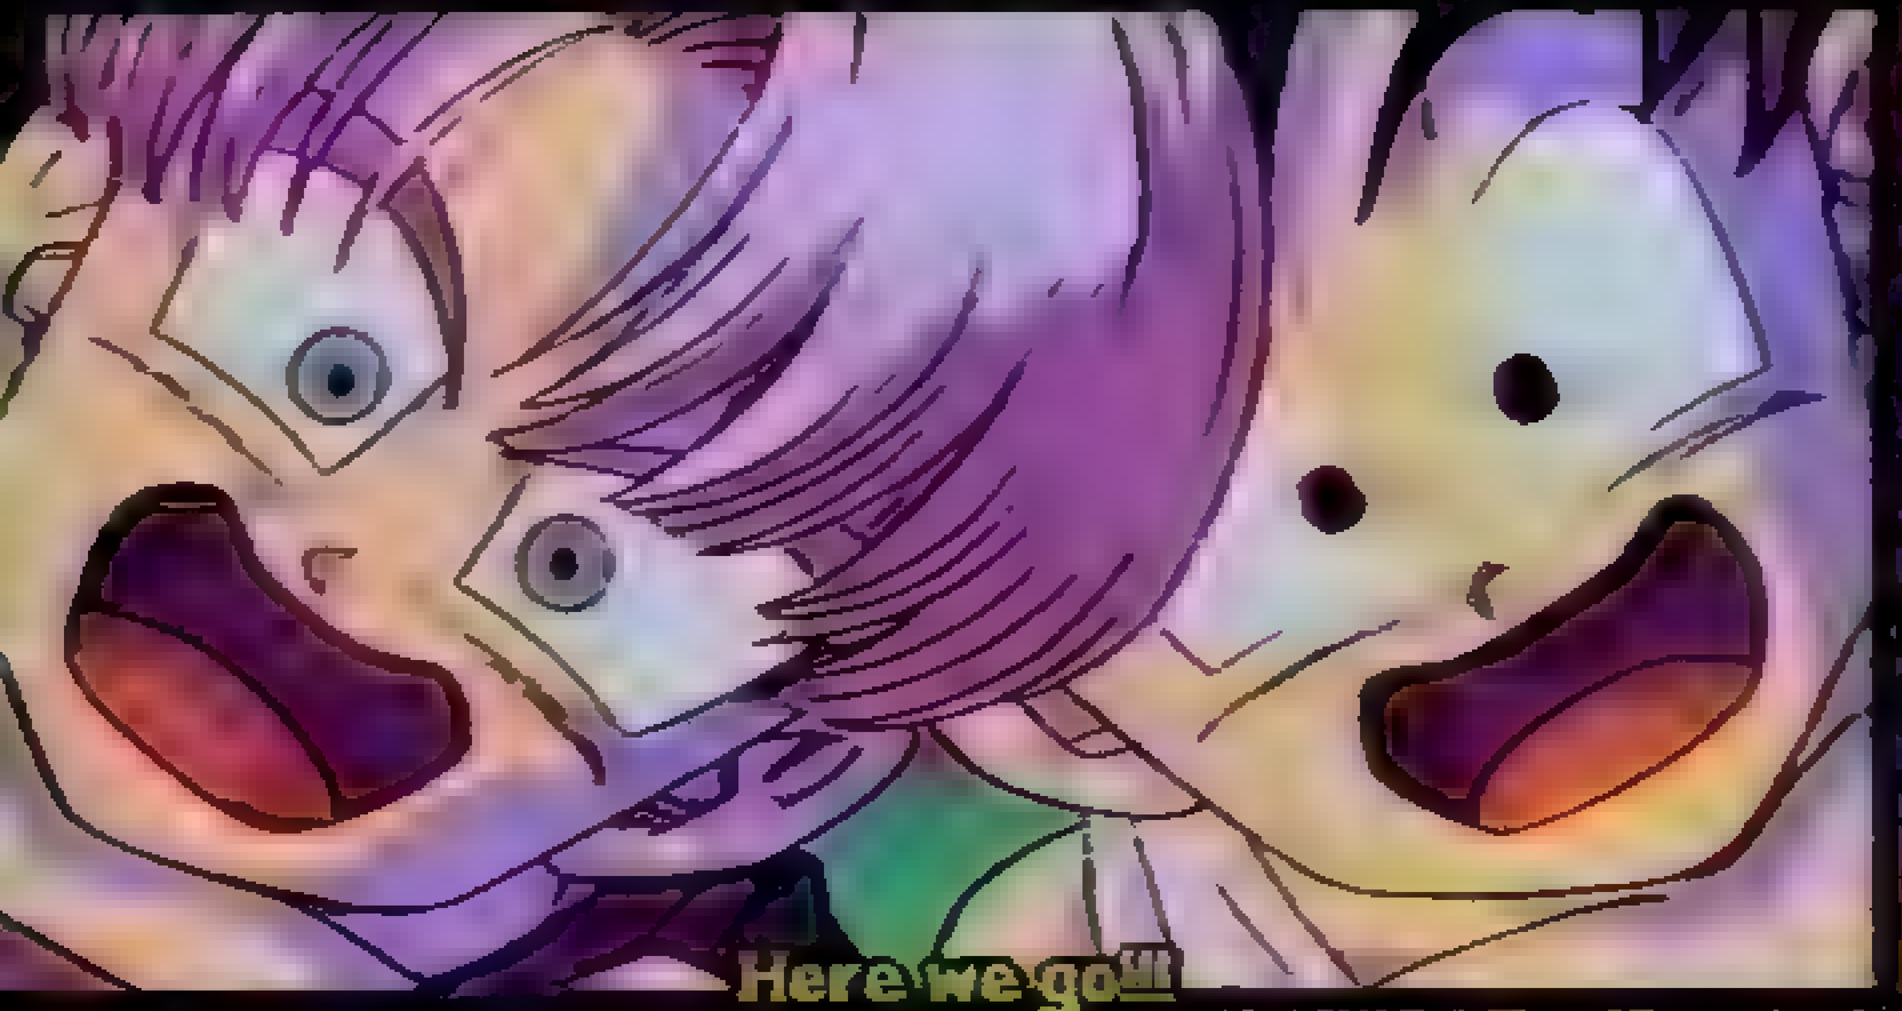

What a beautiful melody!

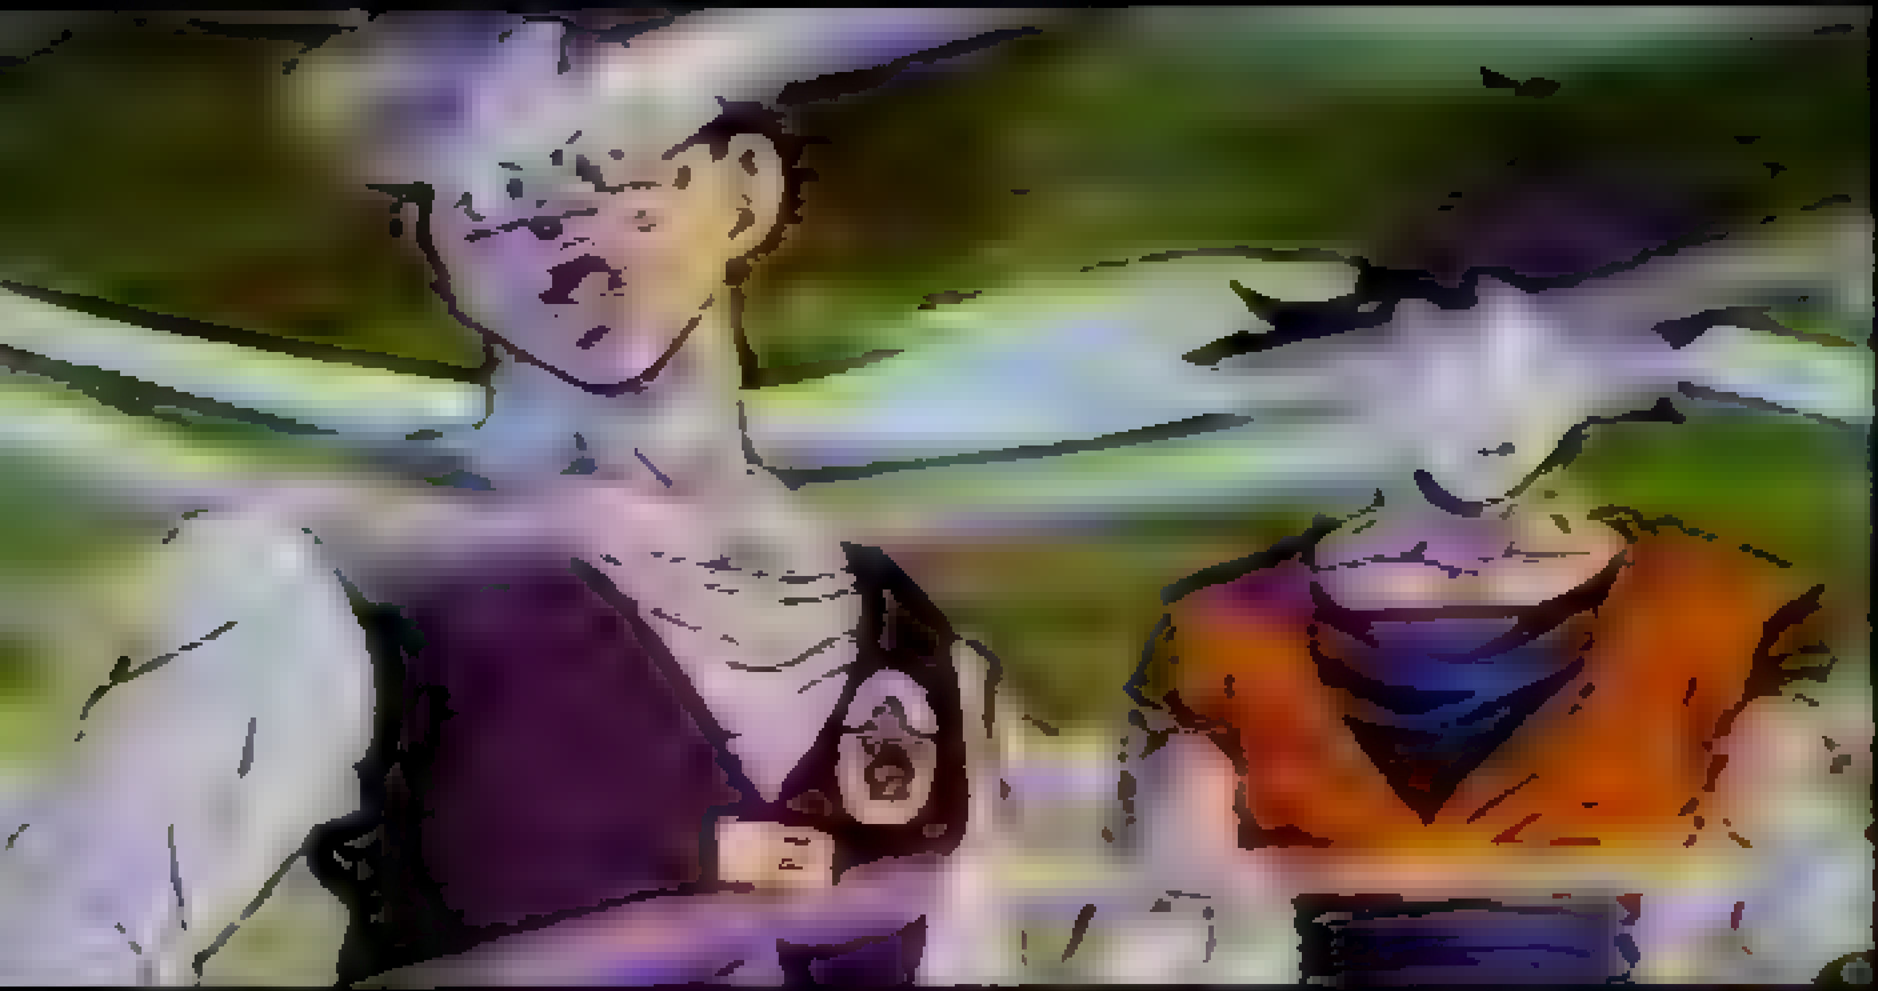

But it seems somehow melancholy.

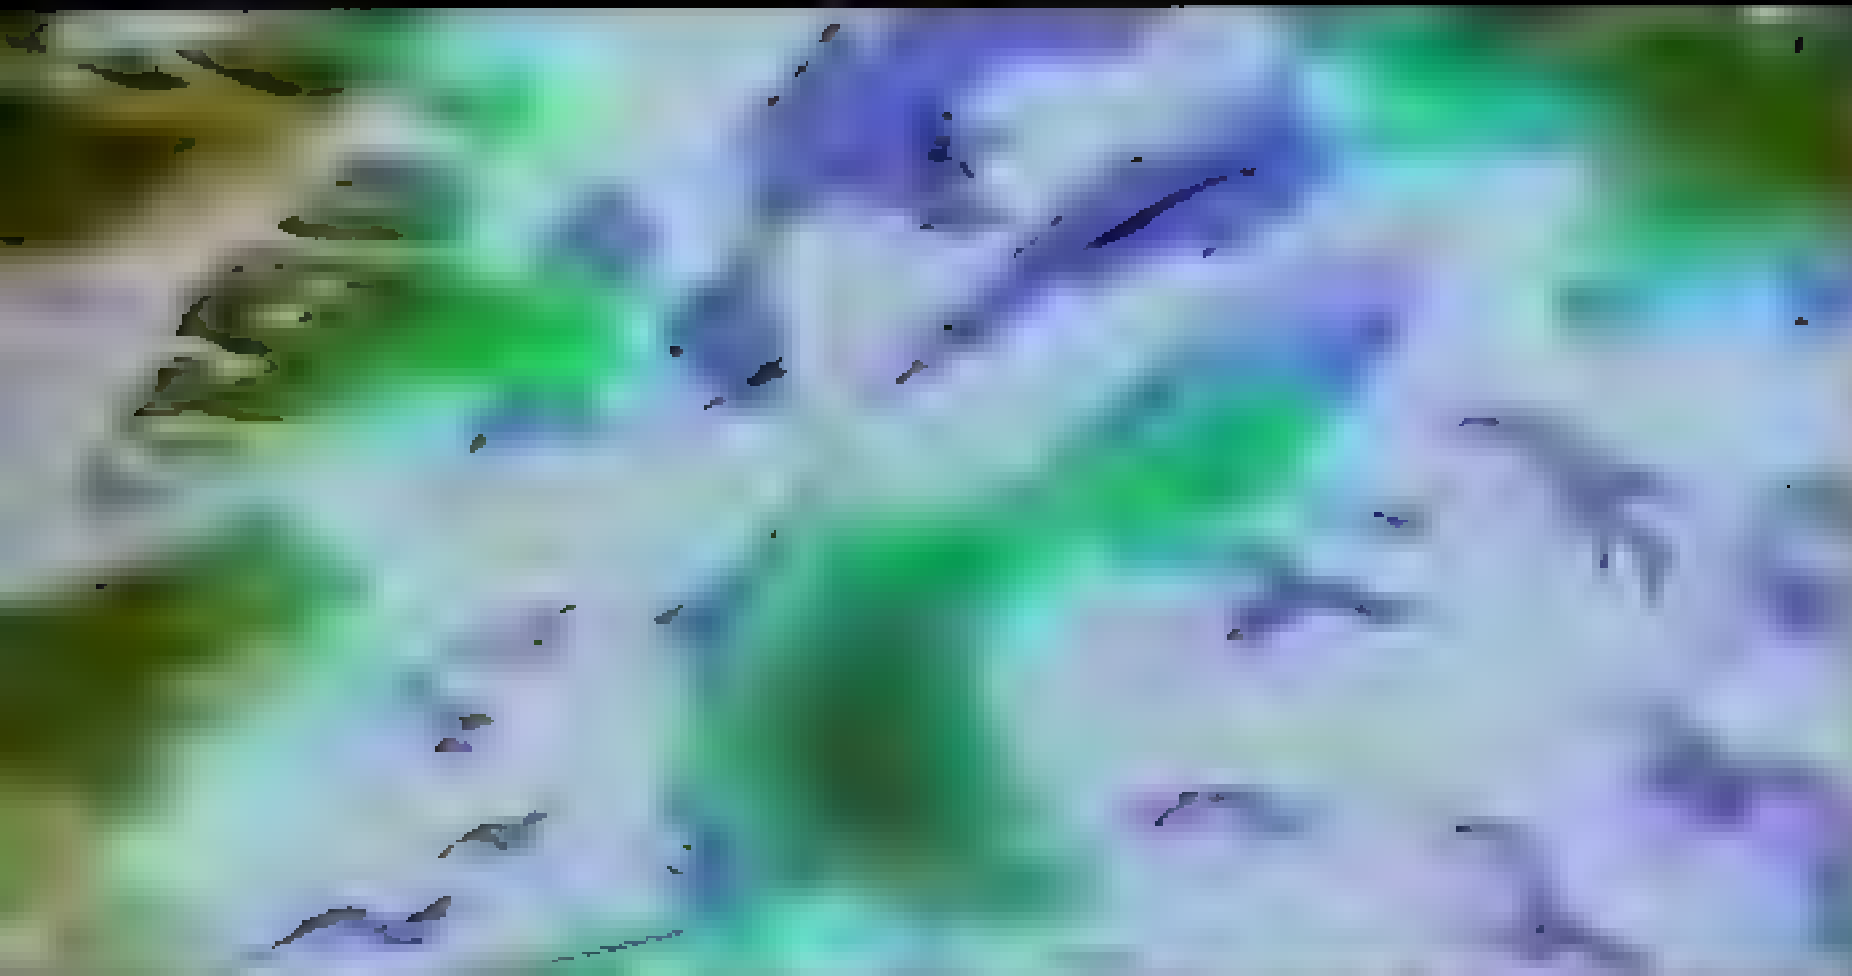

Here he comes!

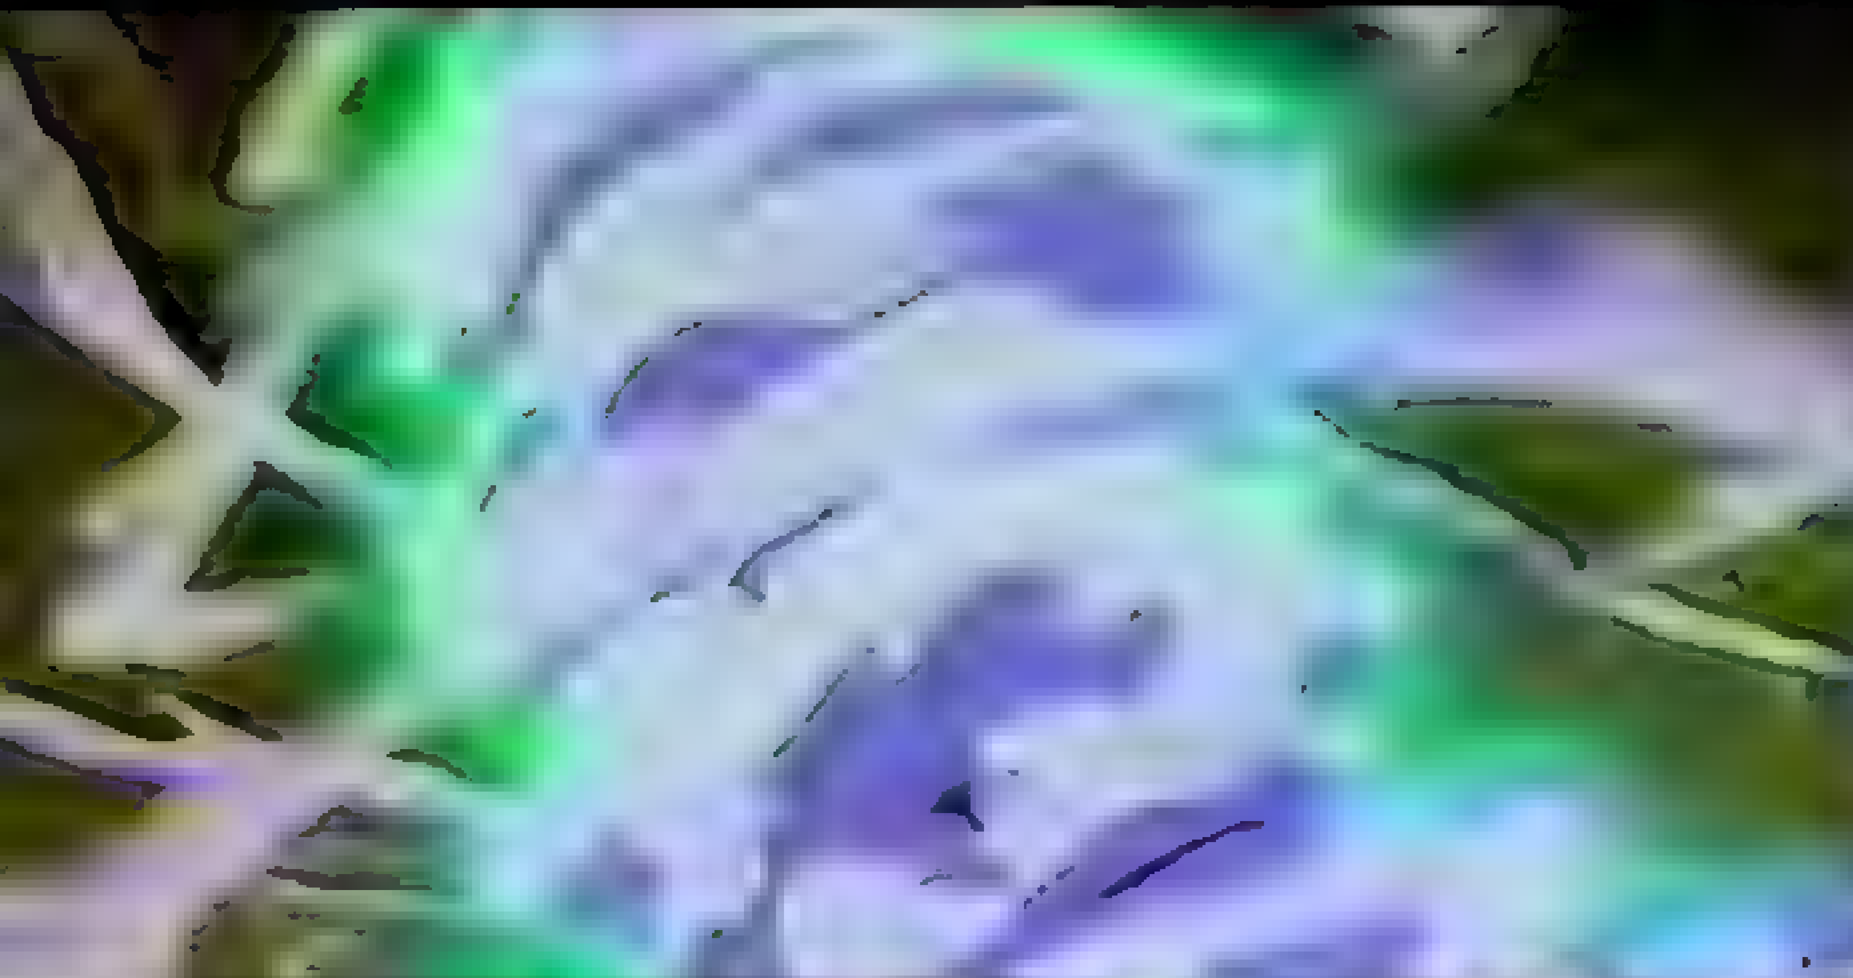

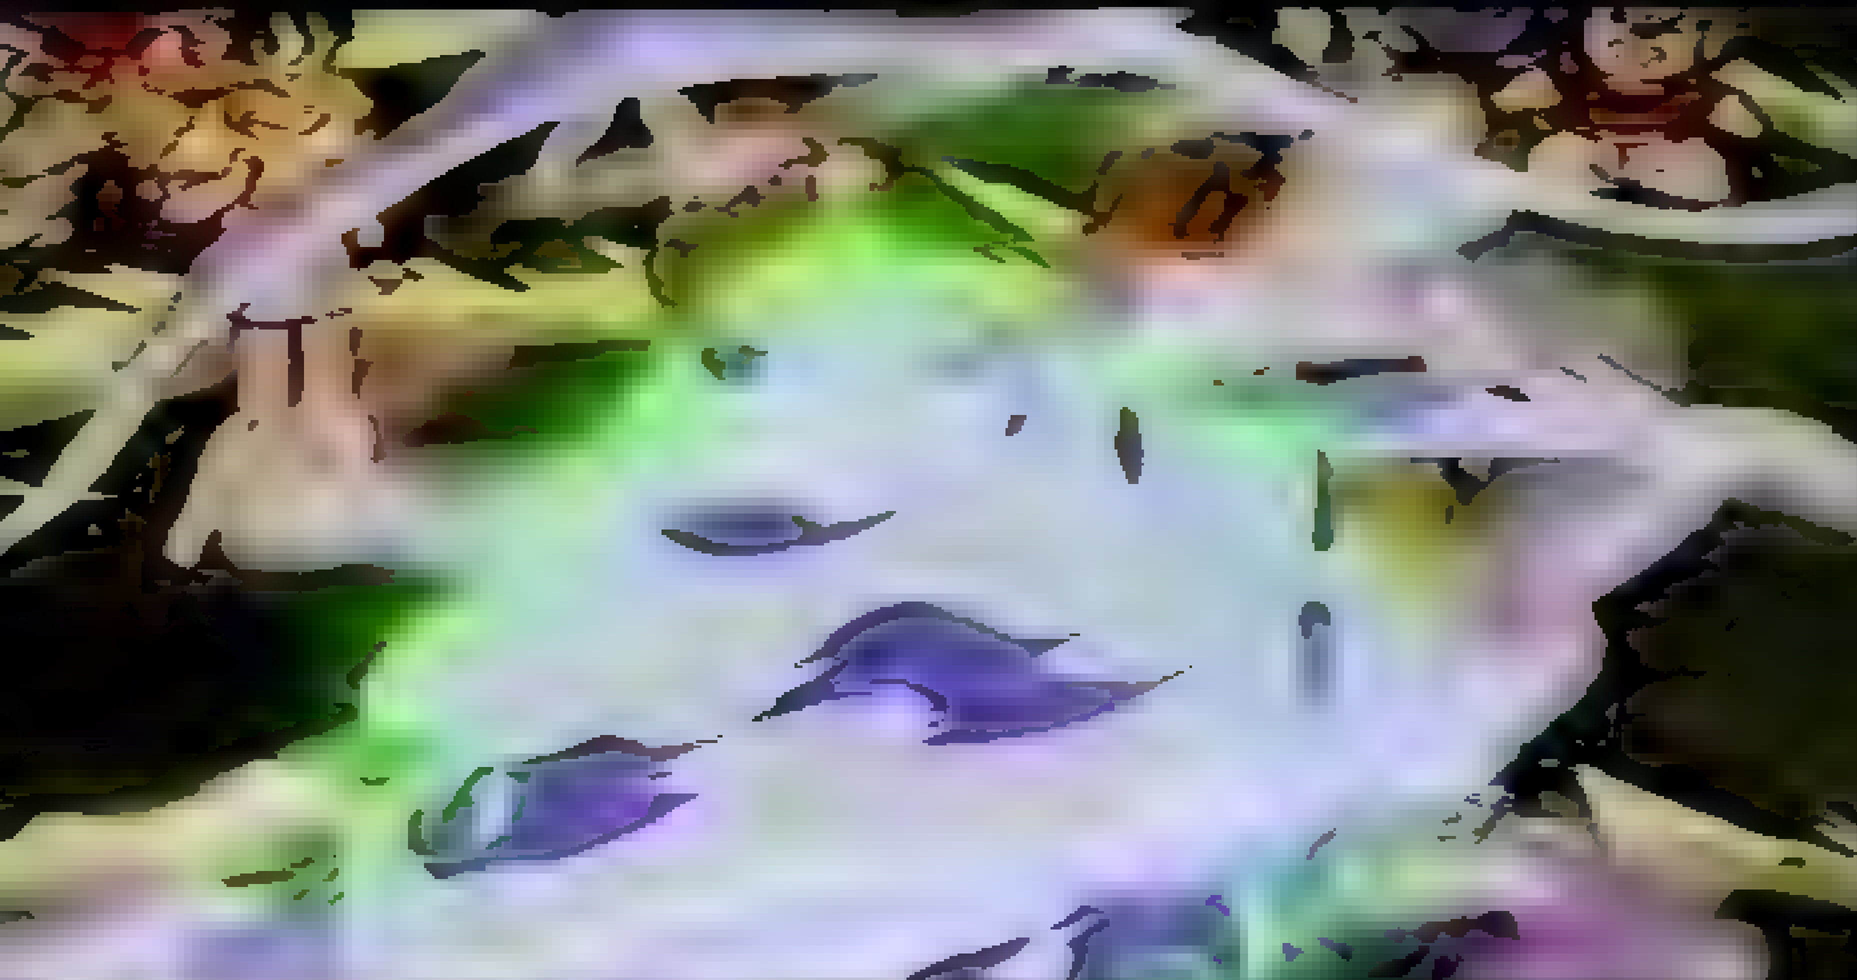

Here we go!!!

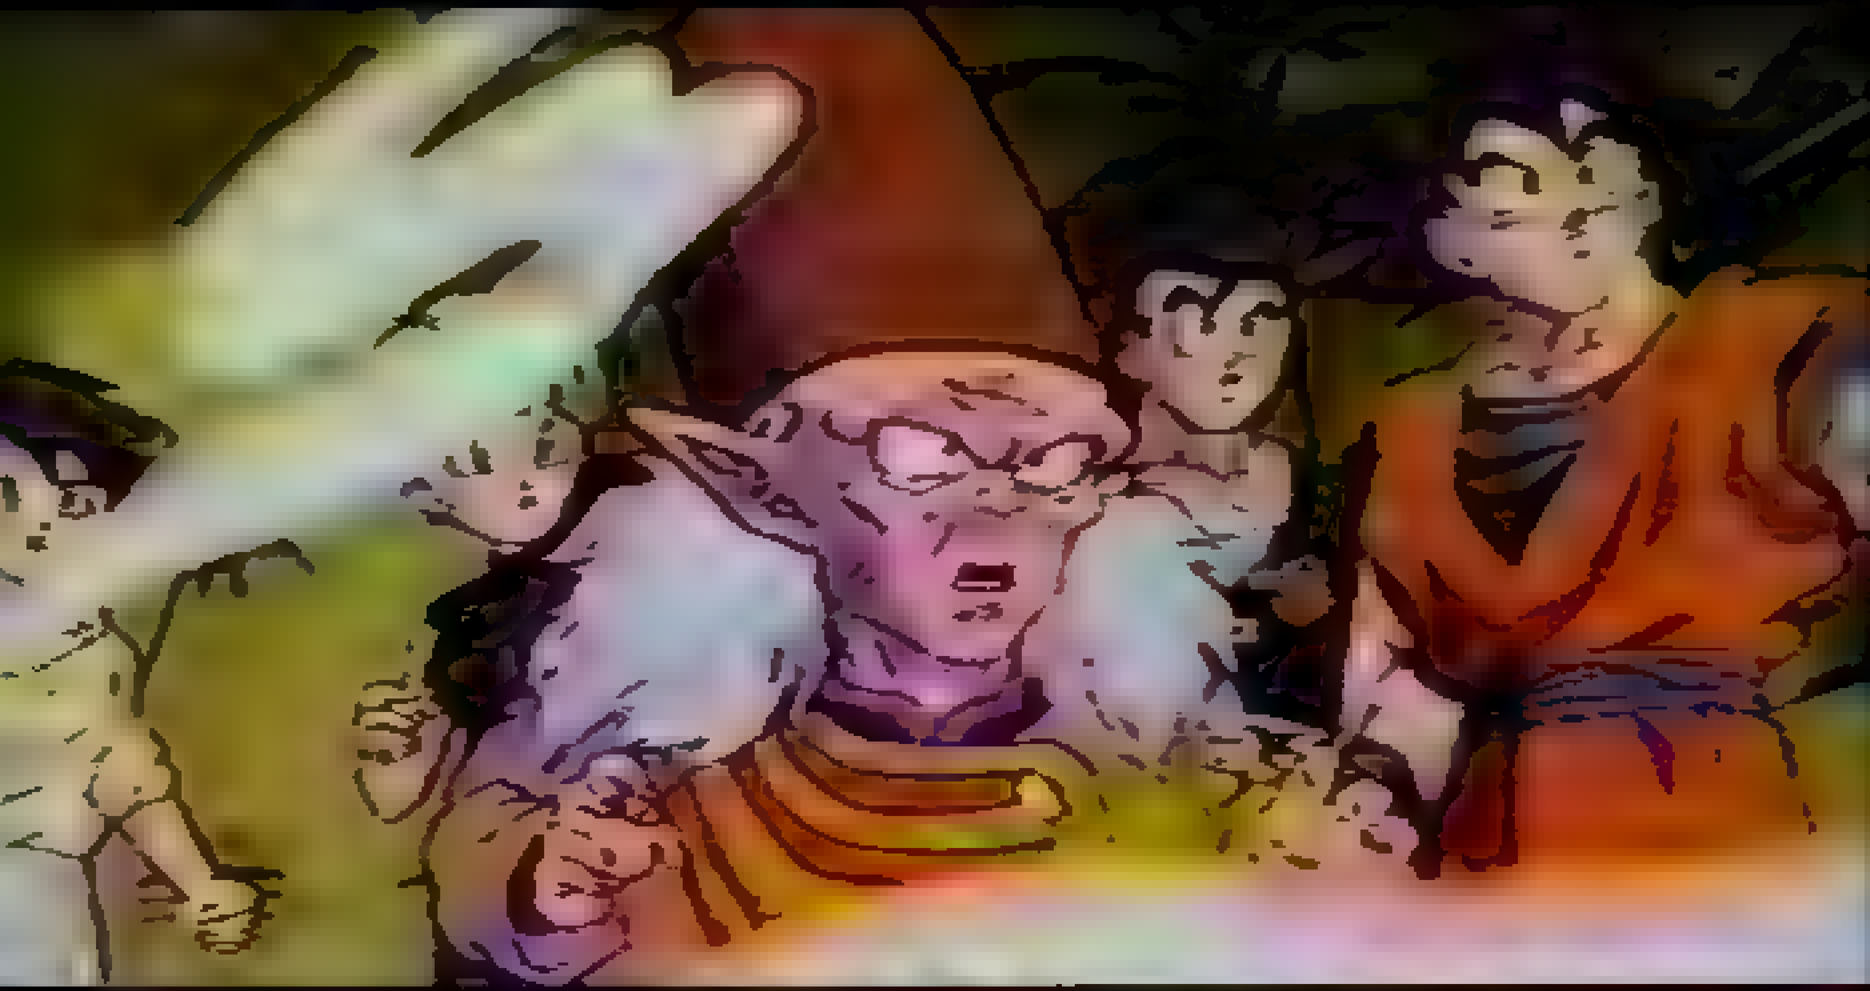

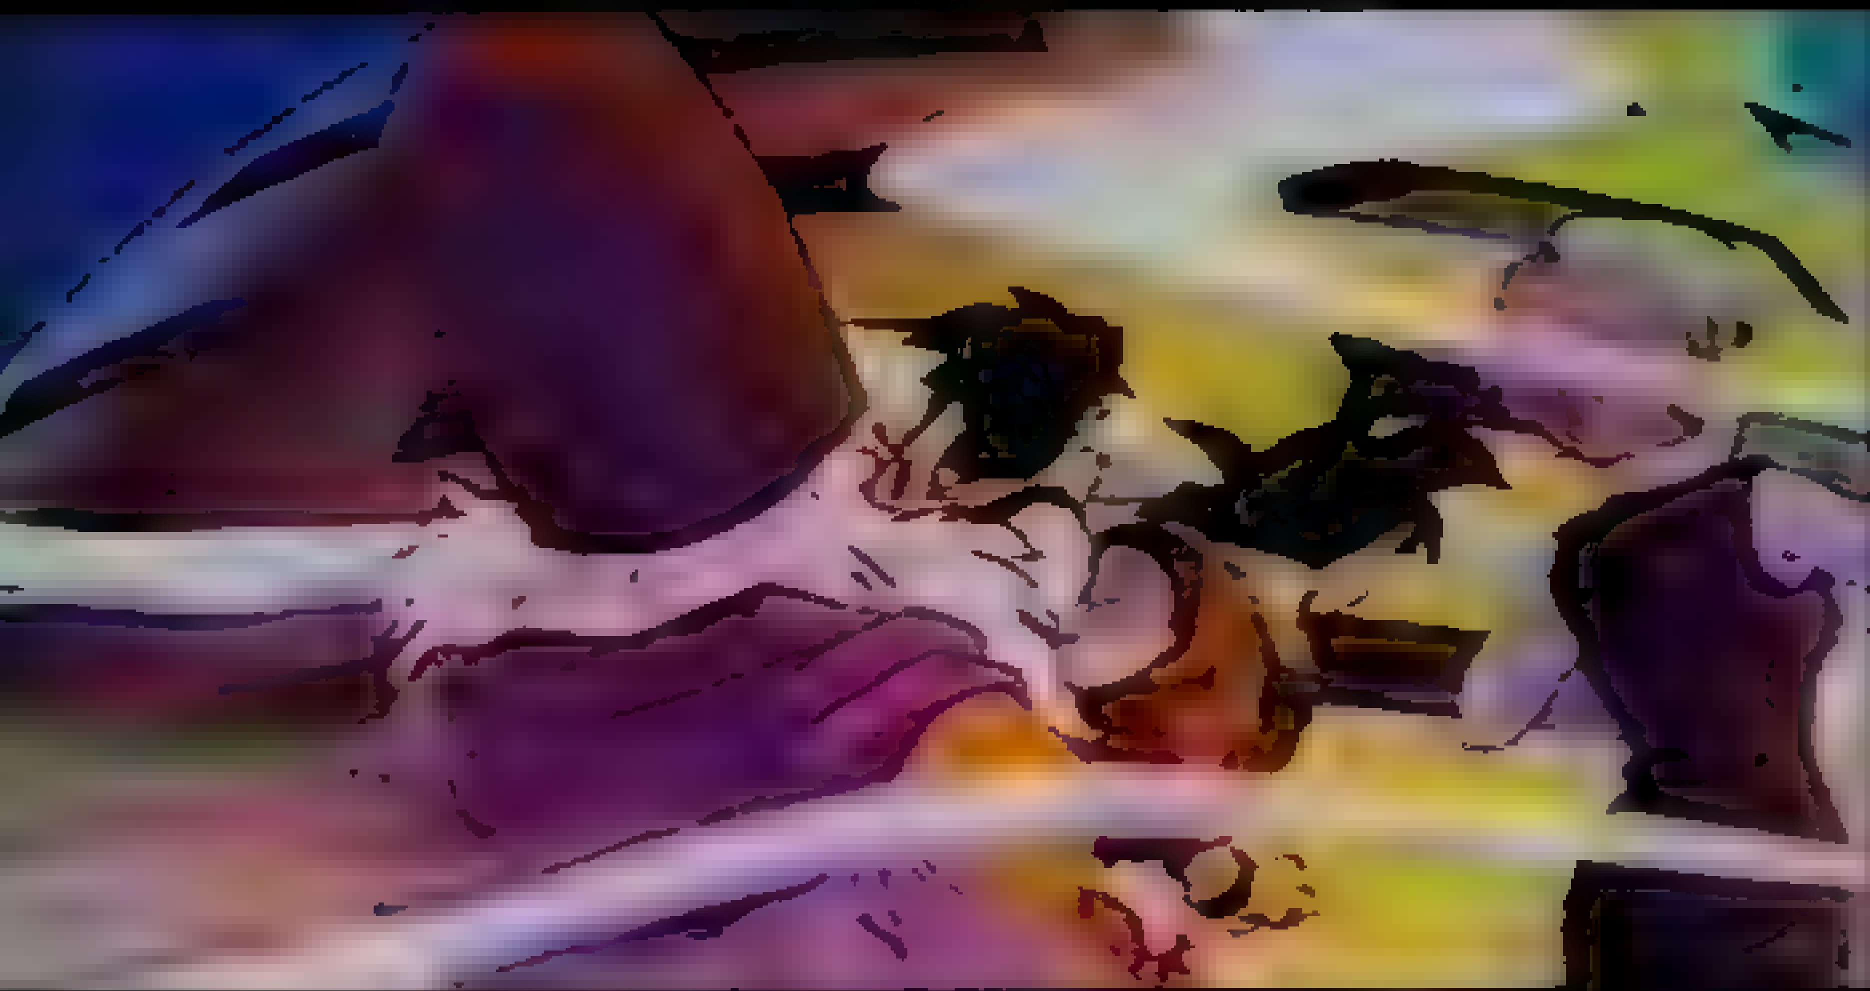

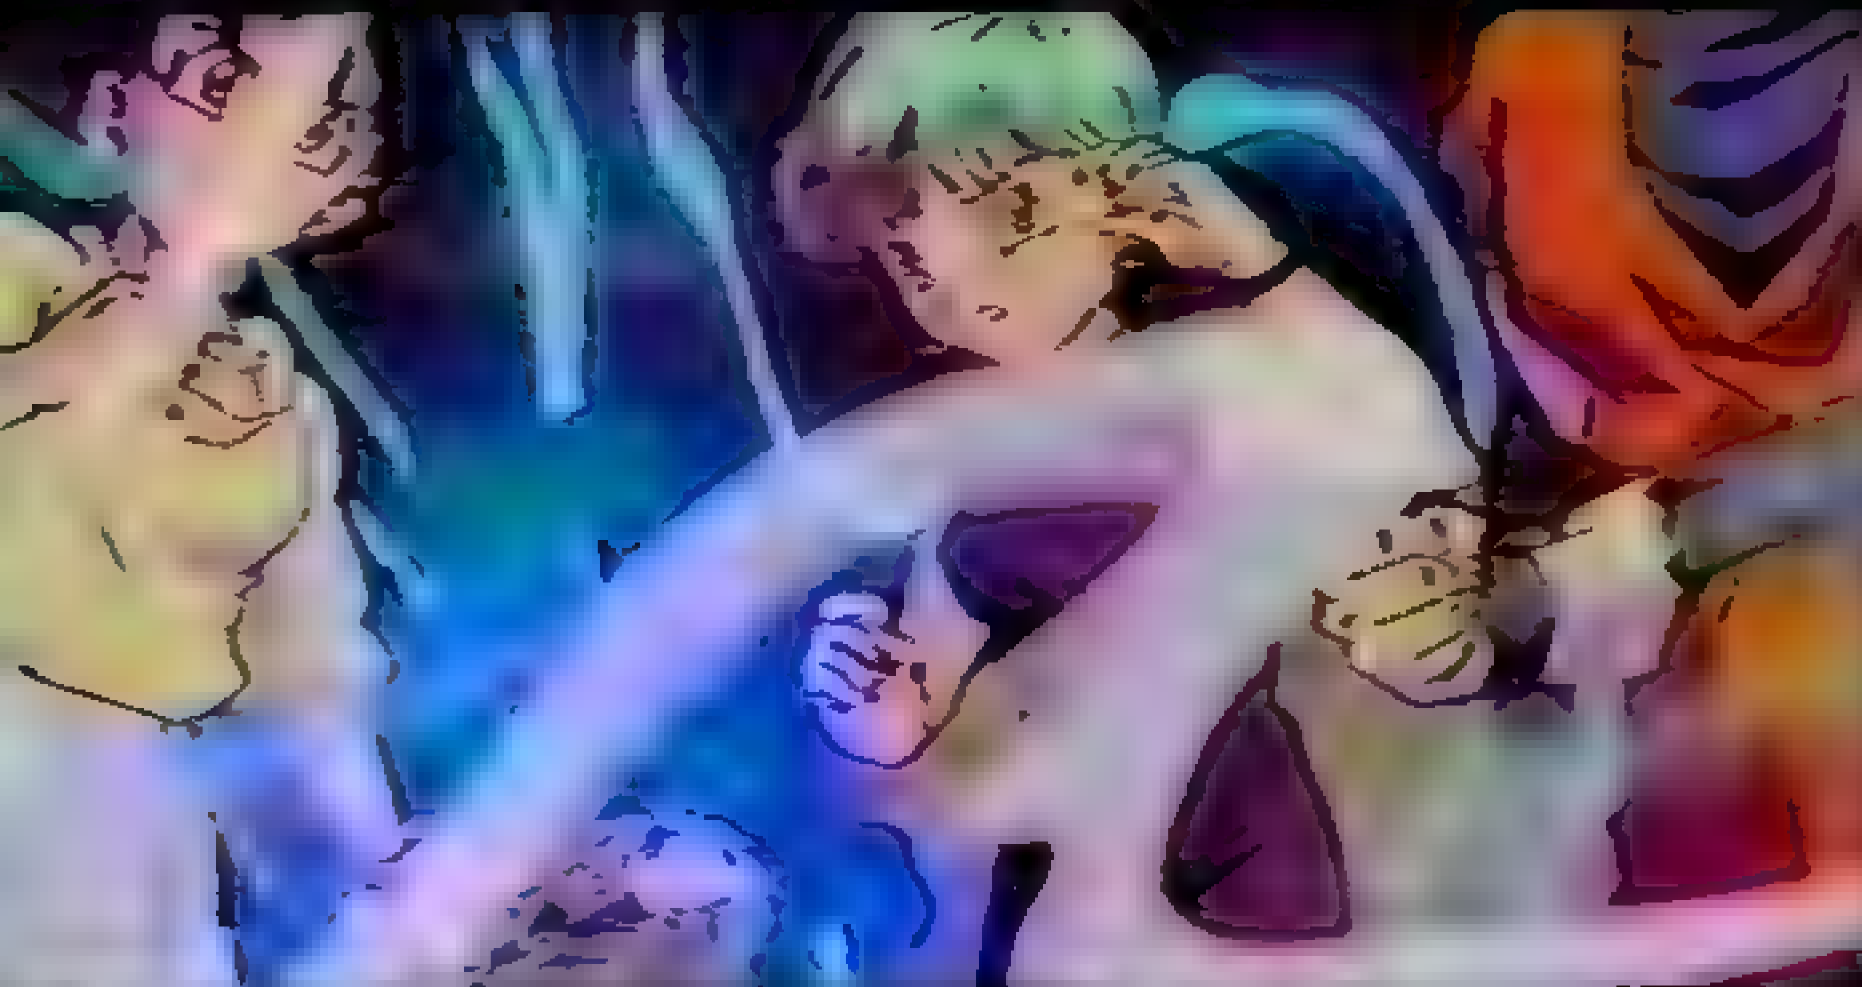

Father?!

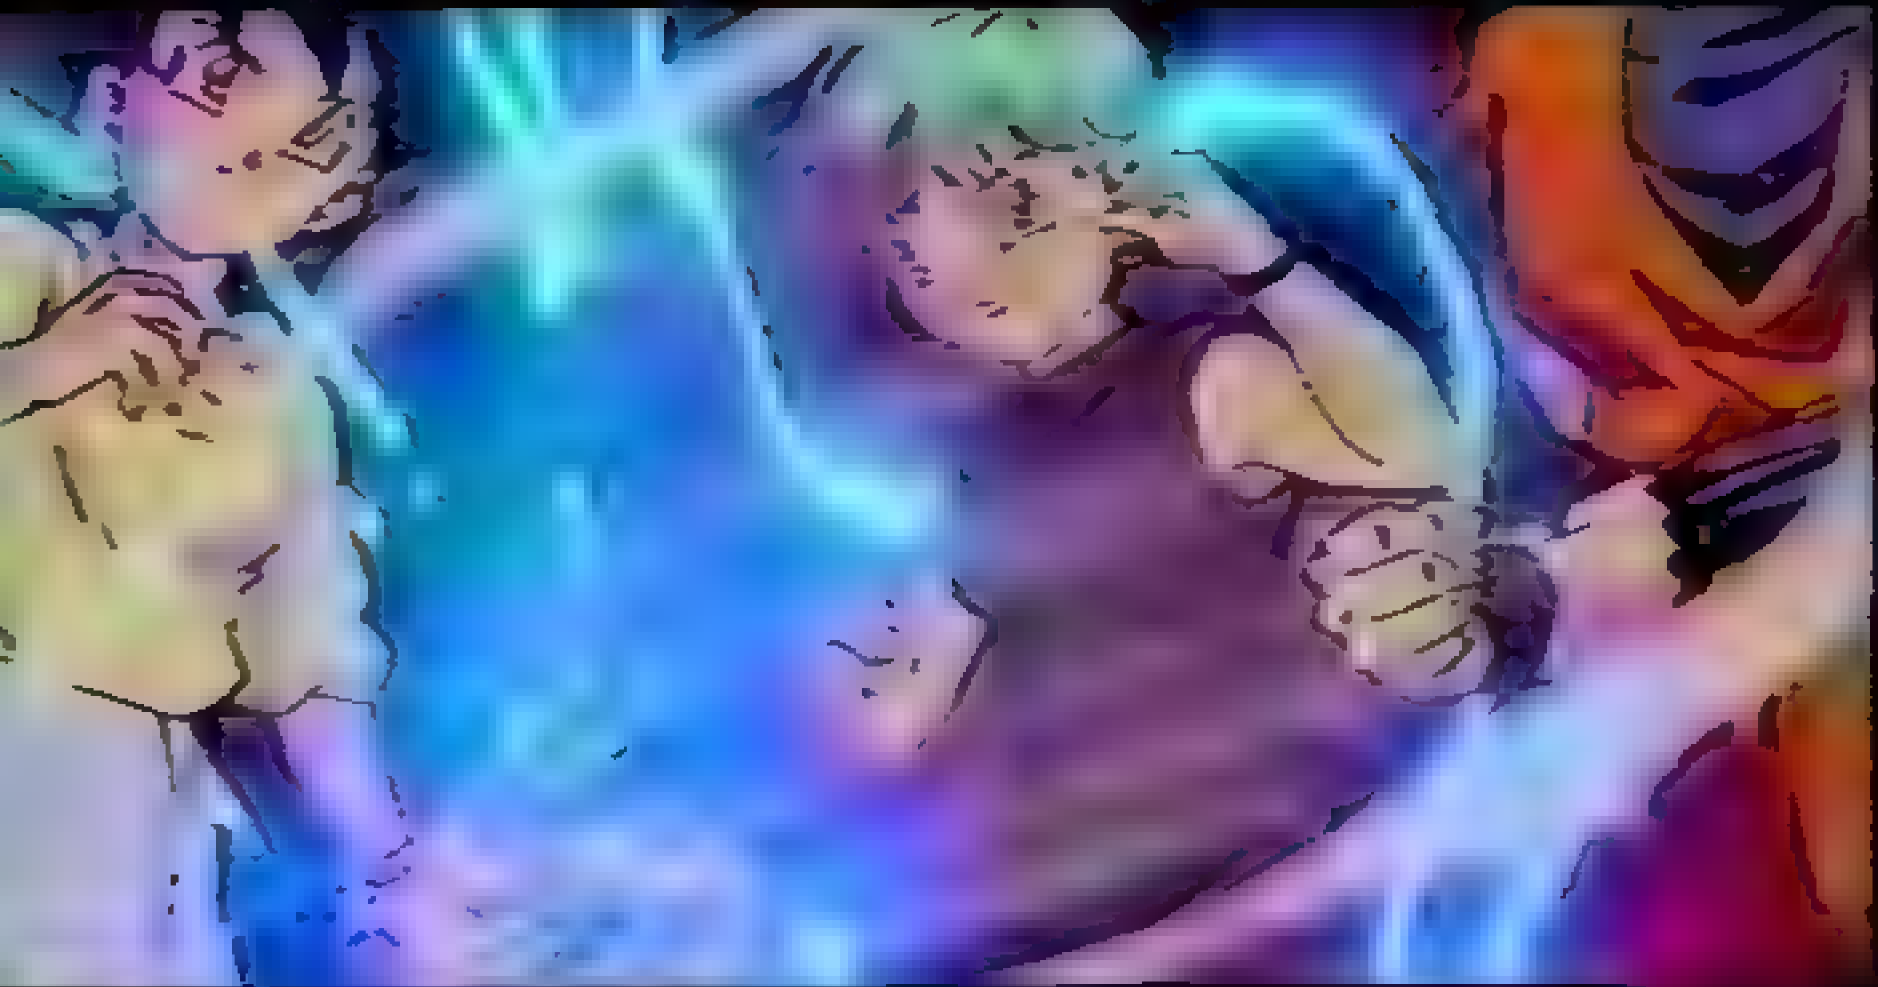

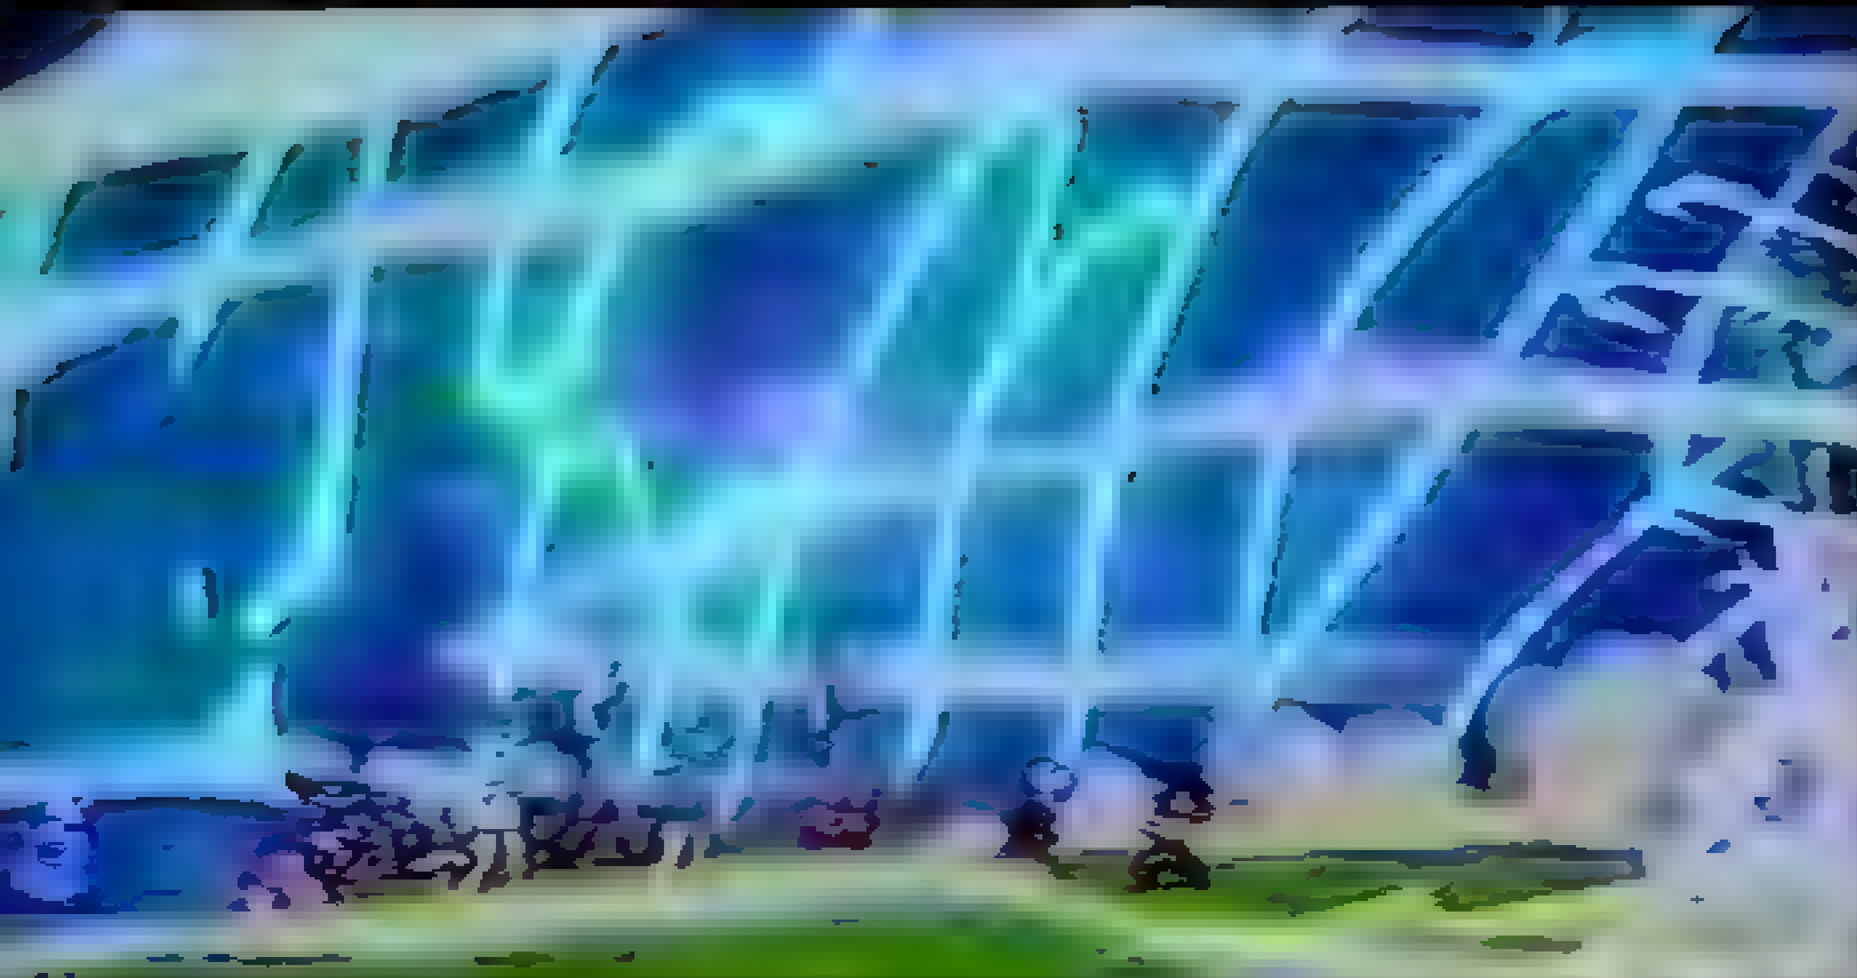

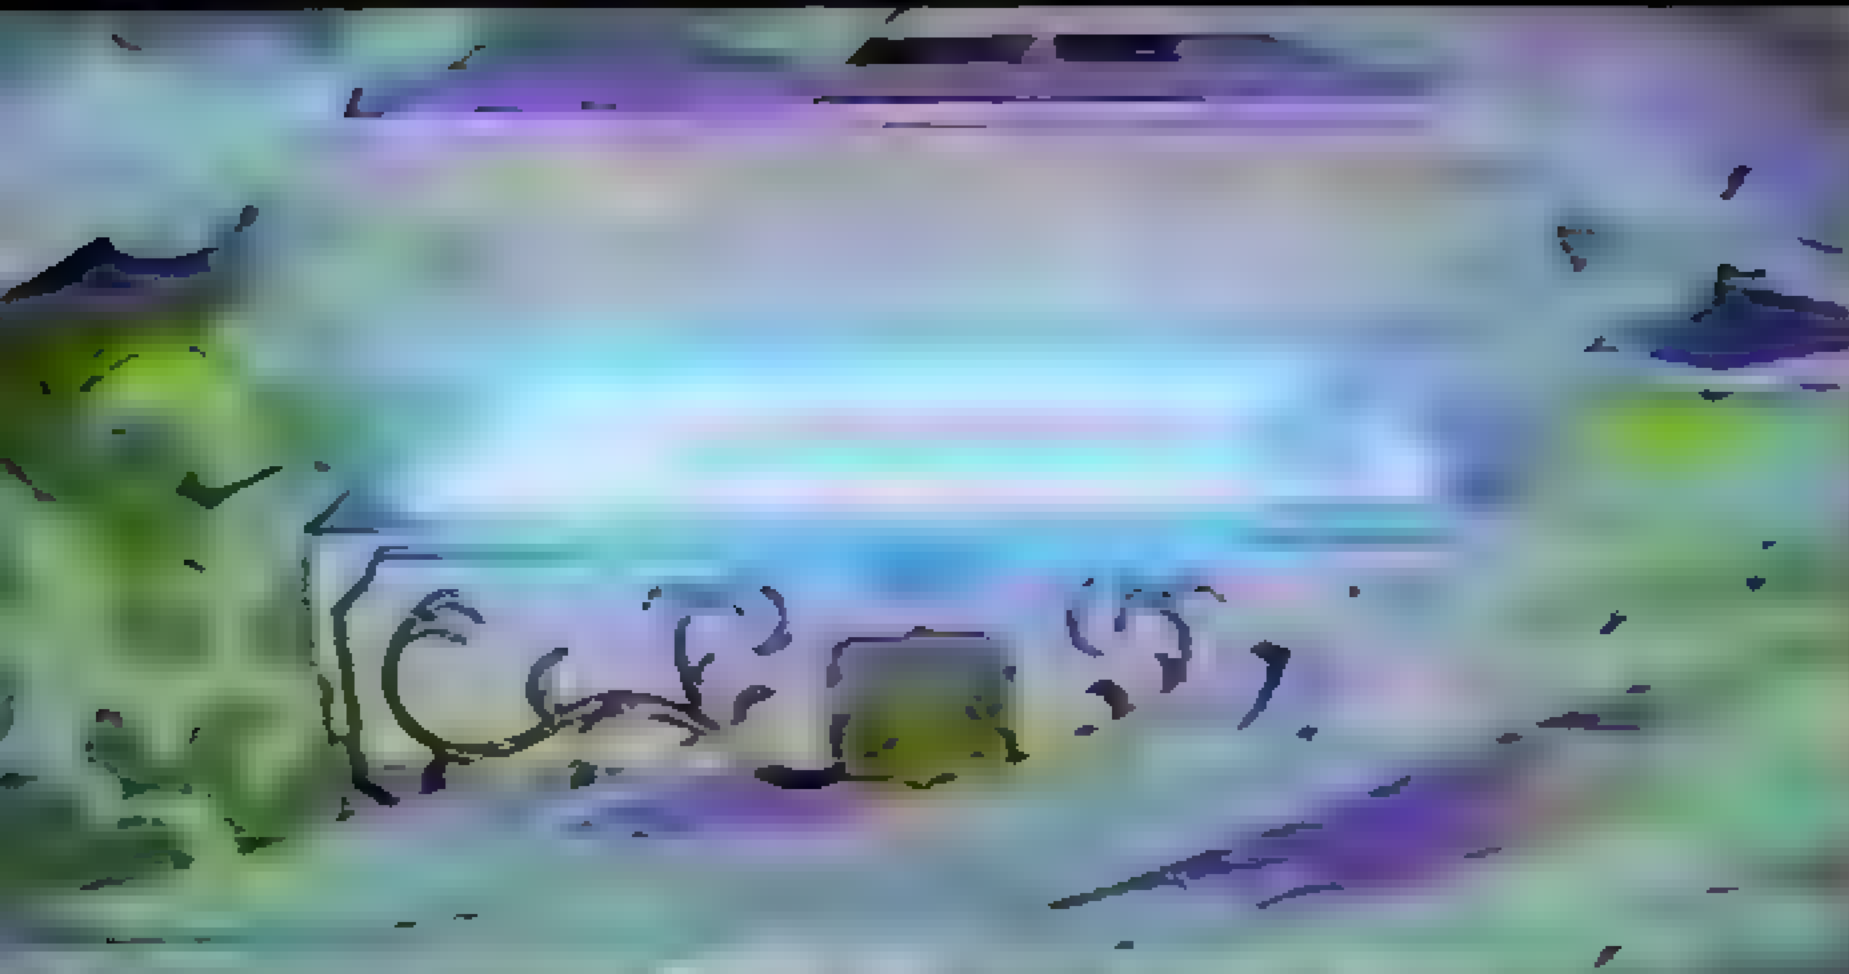

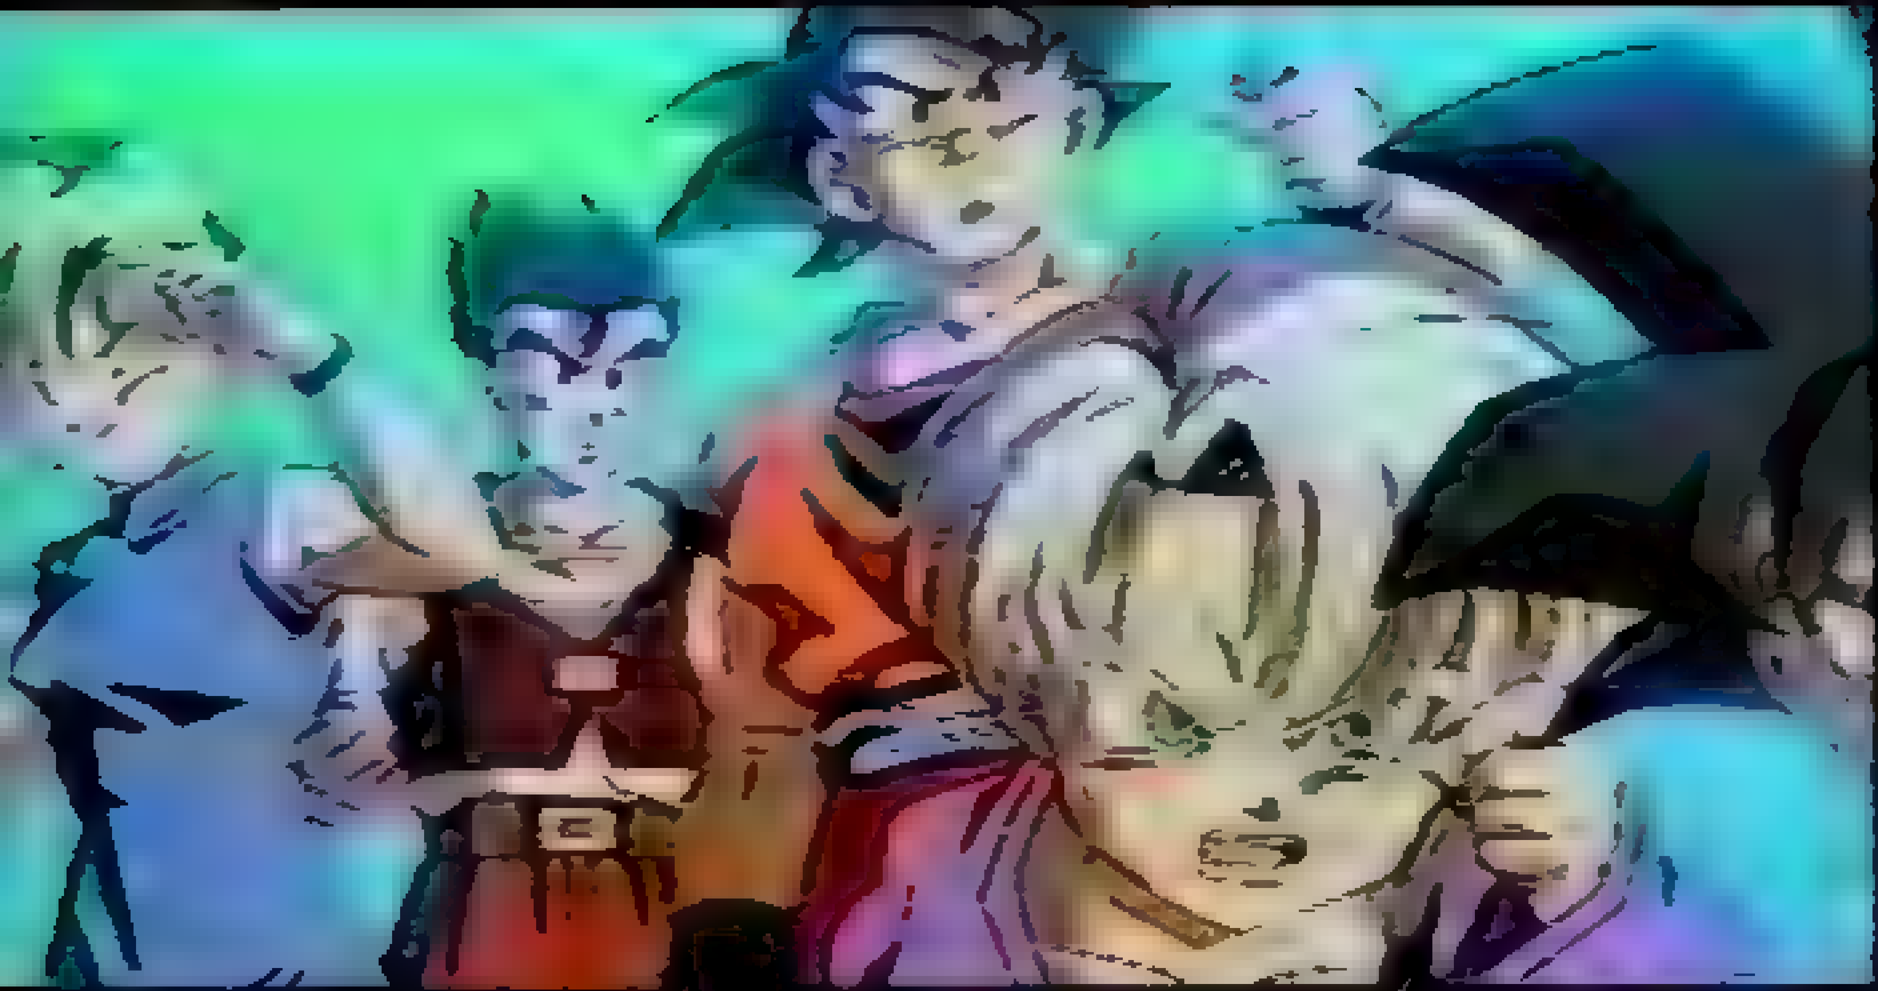

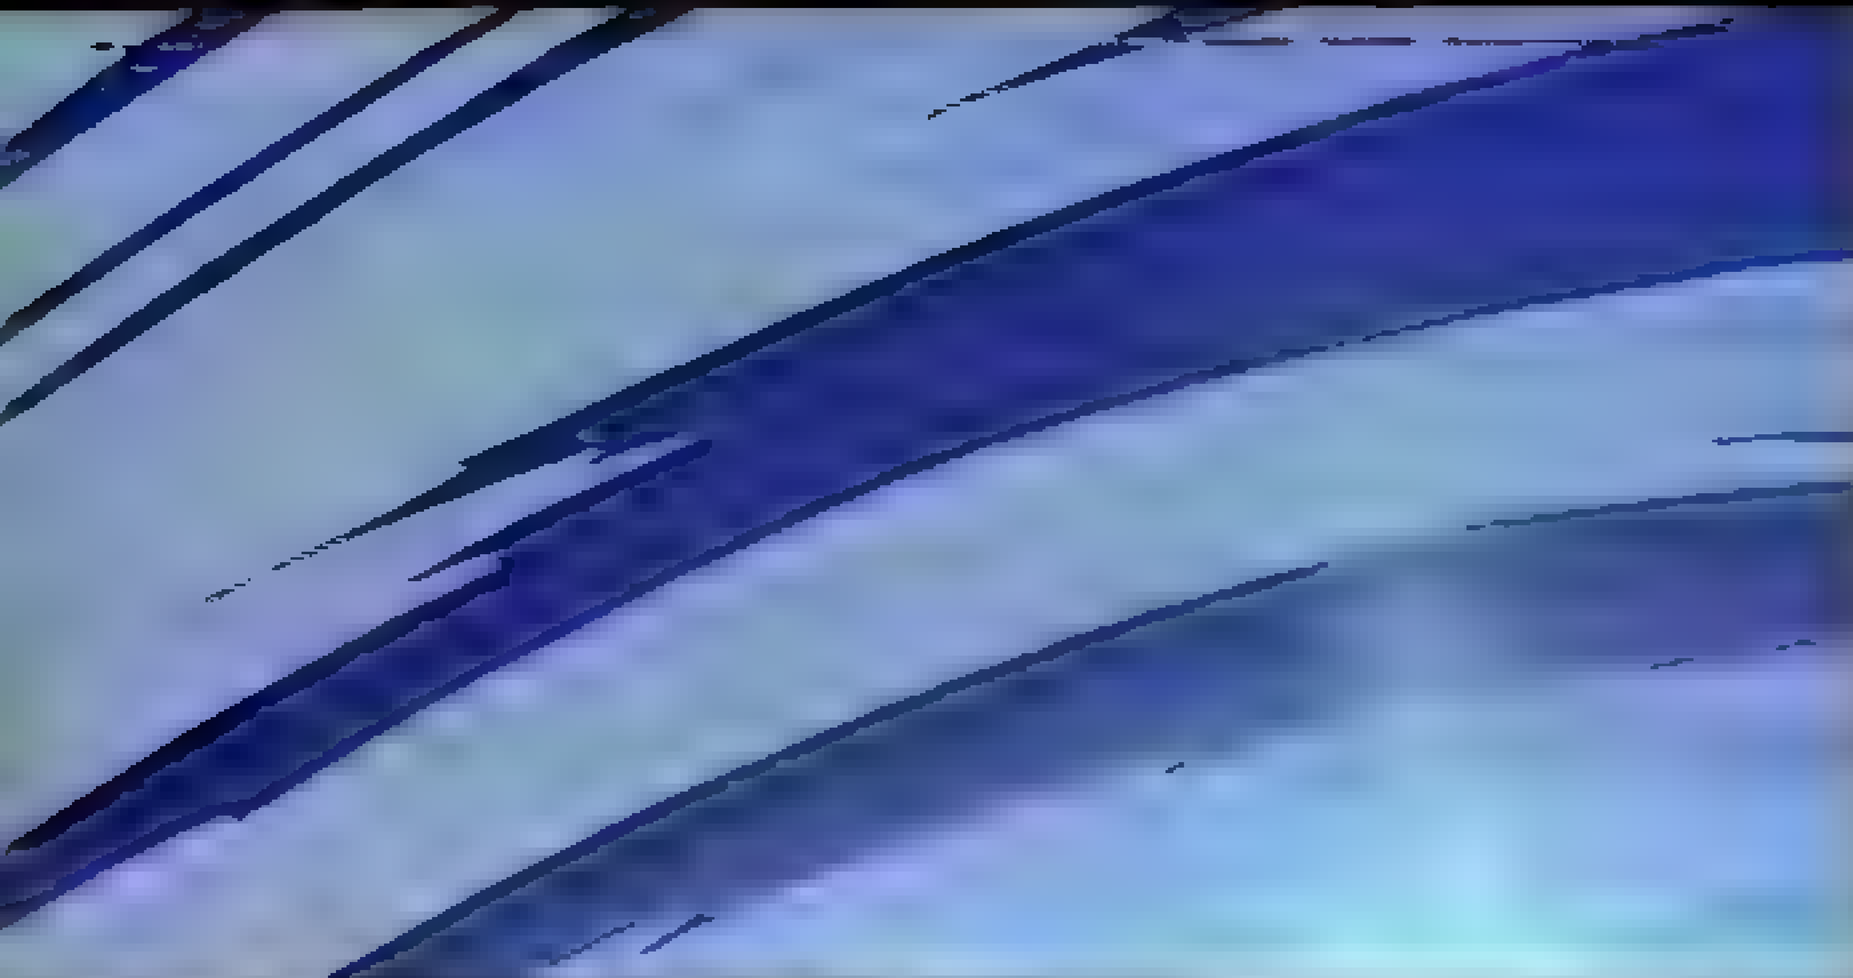

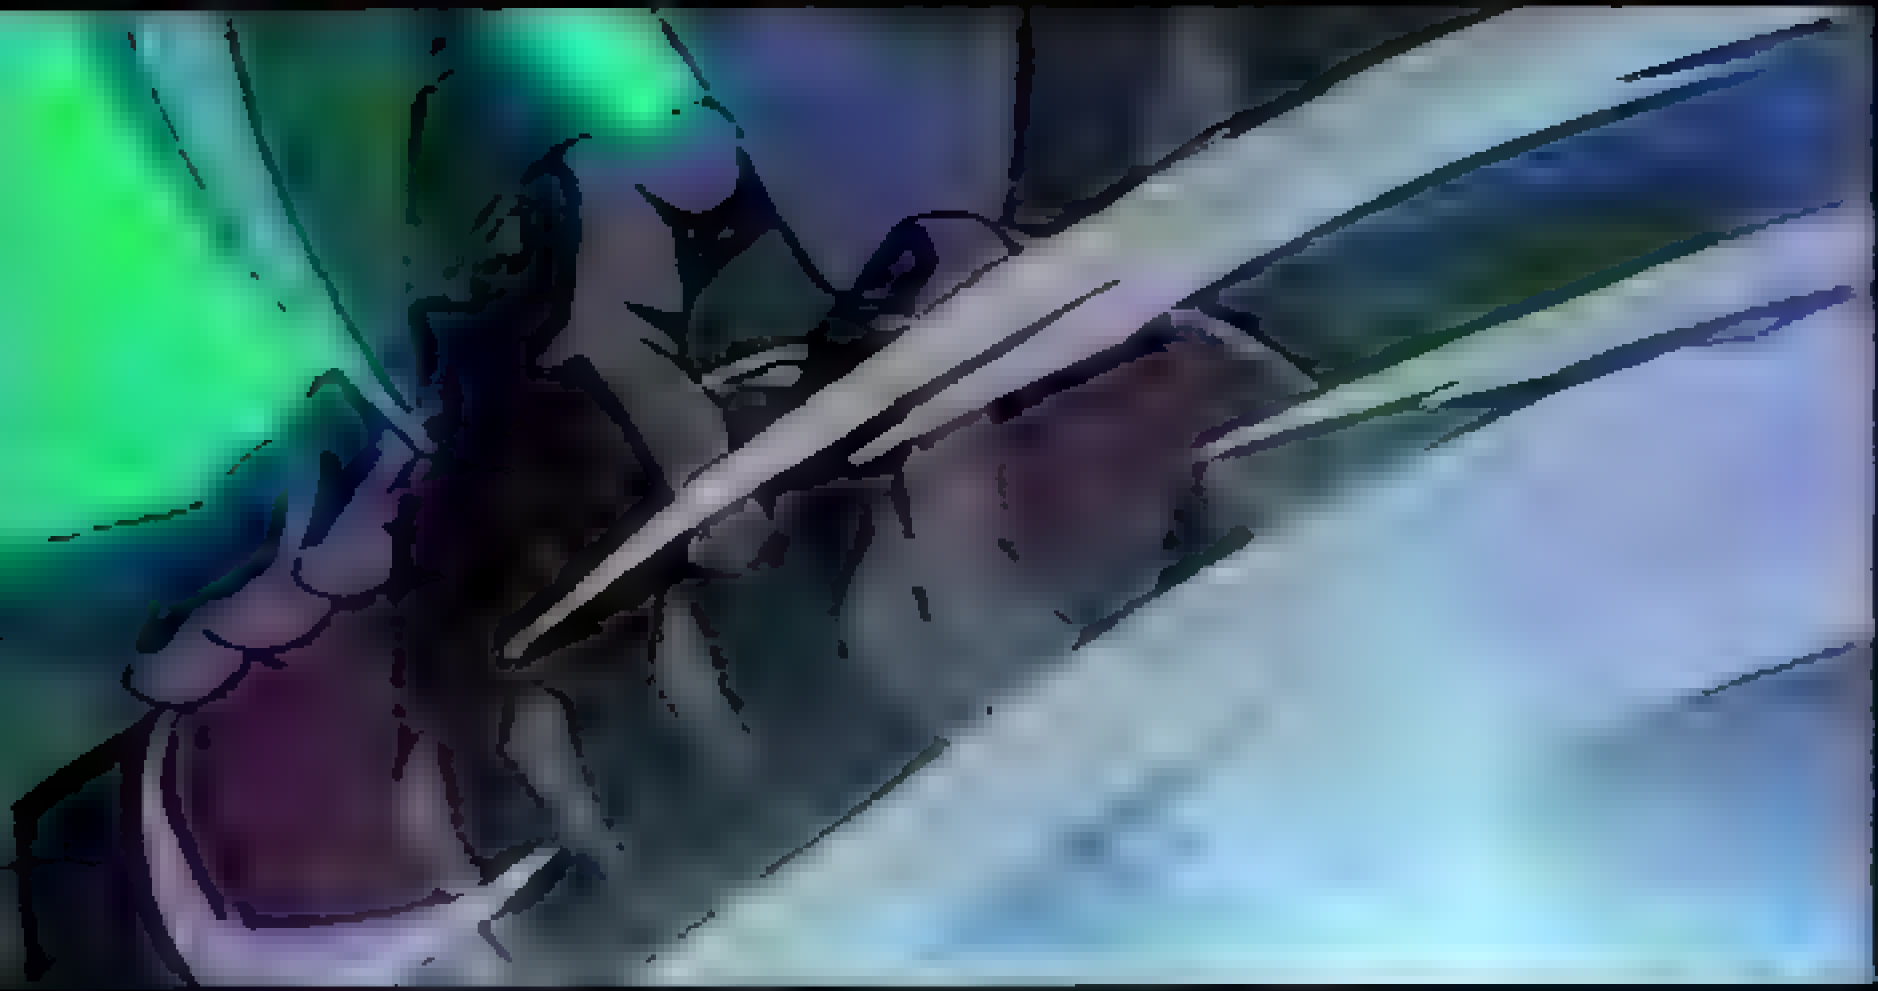

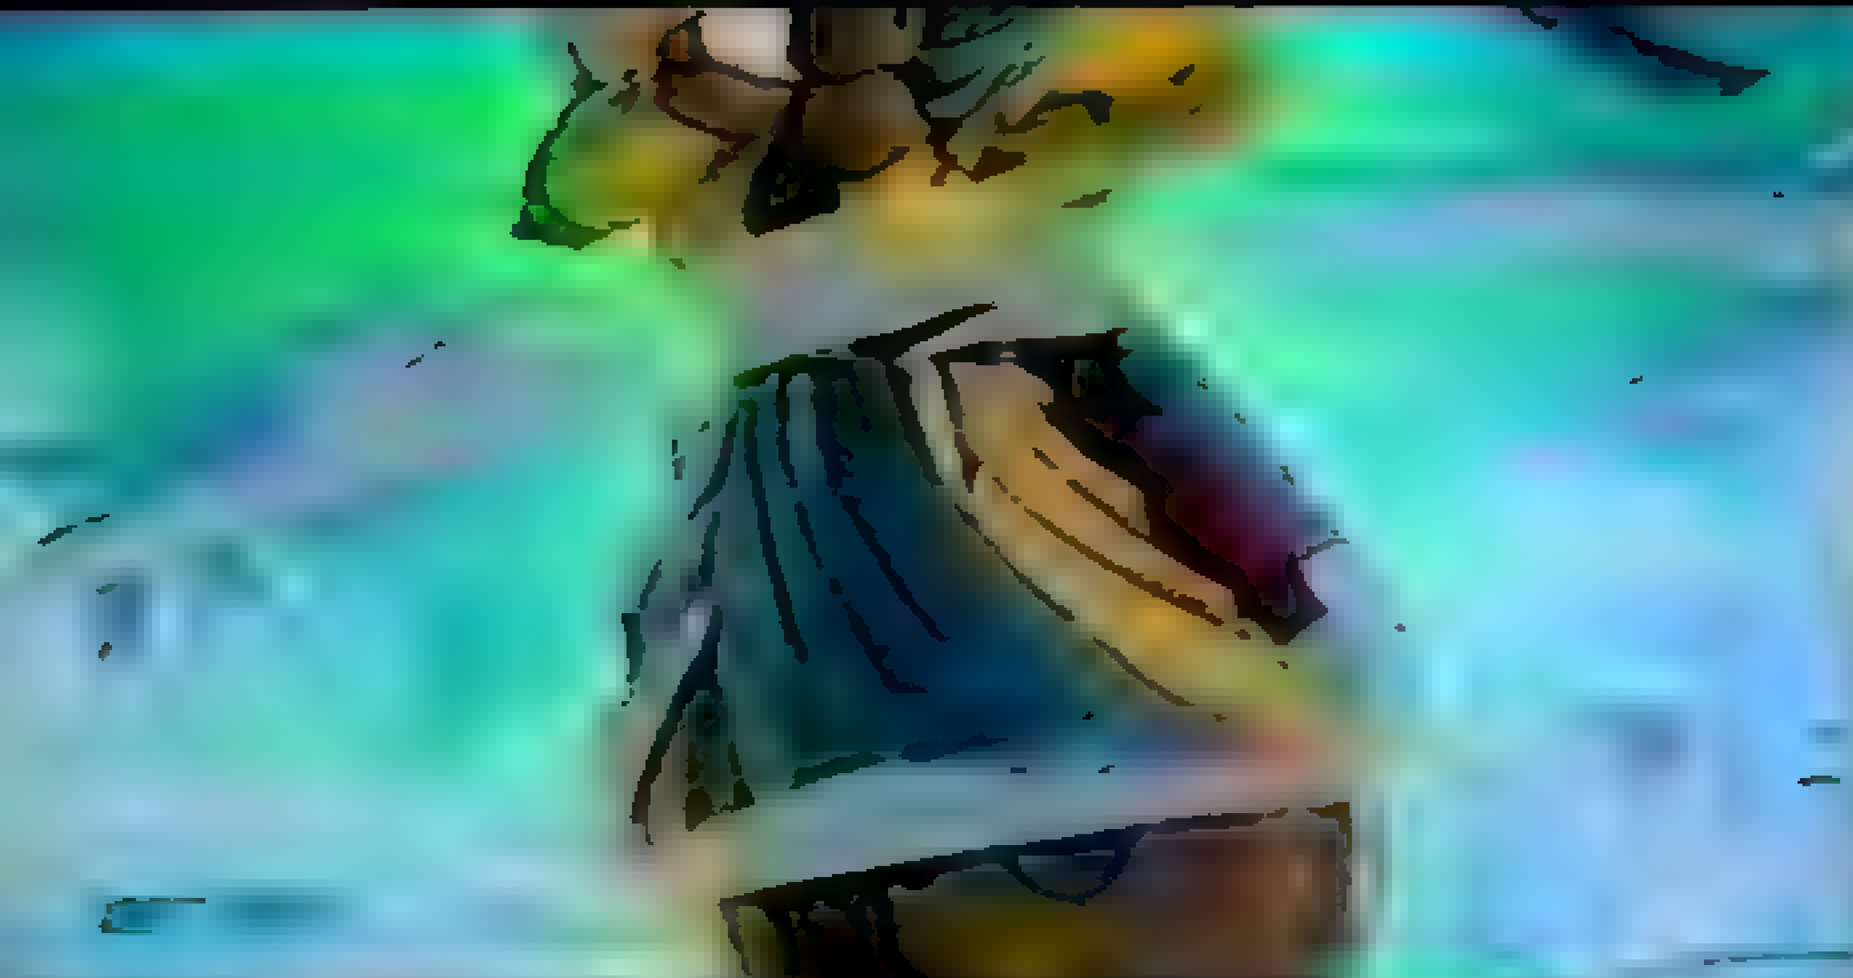

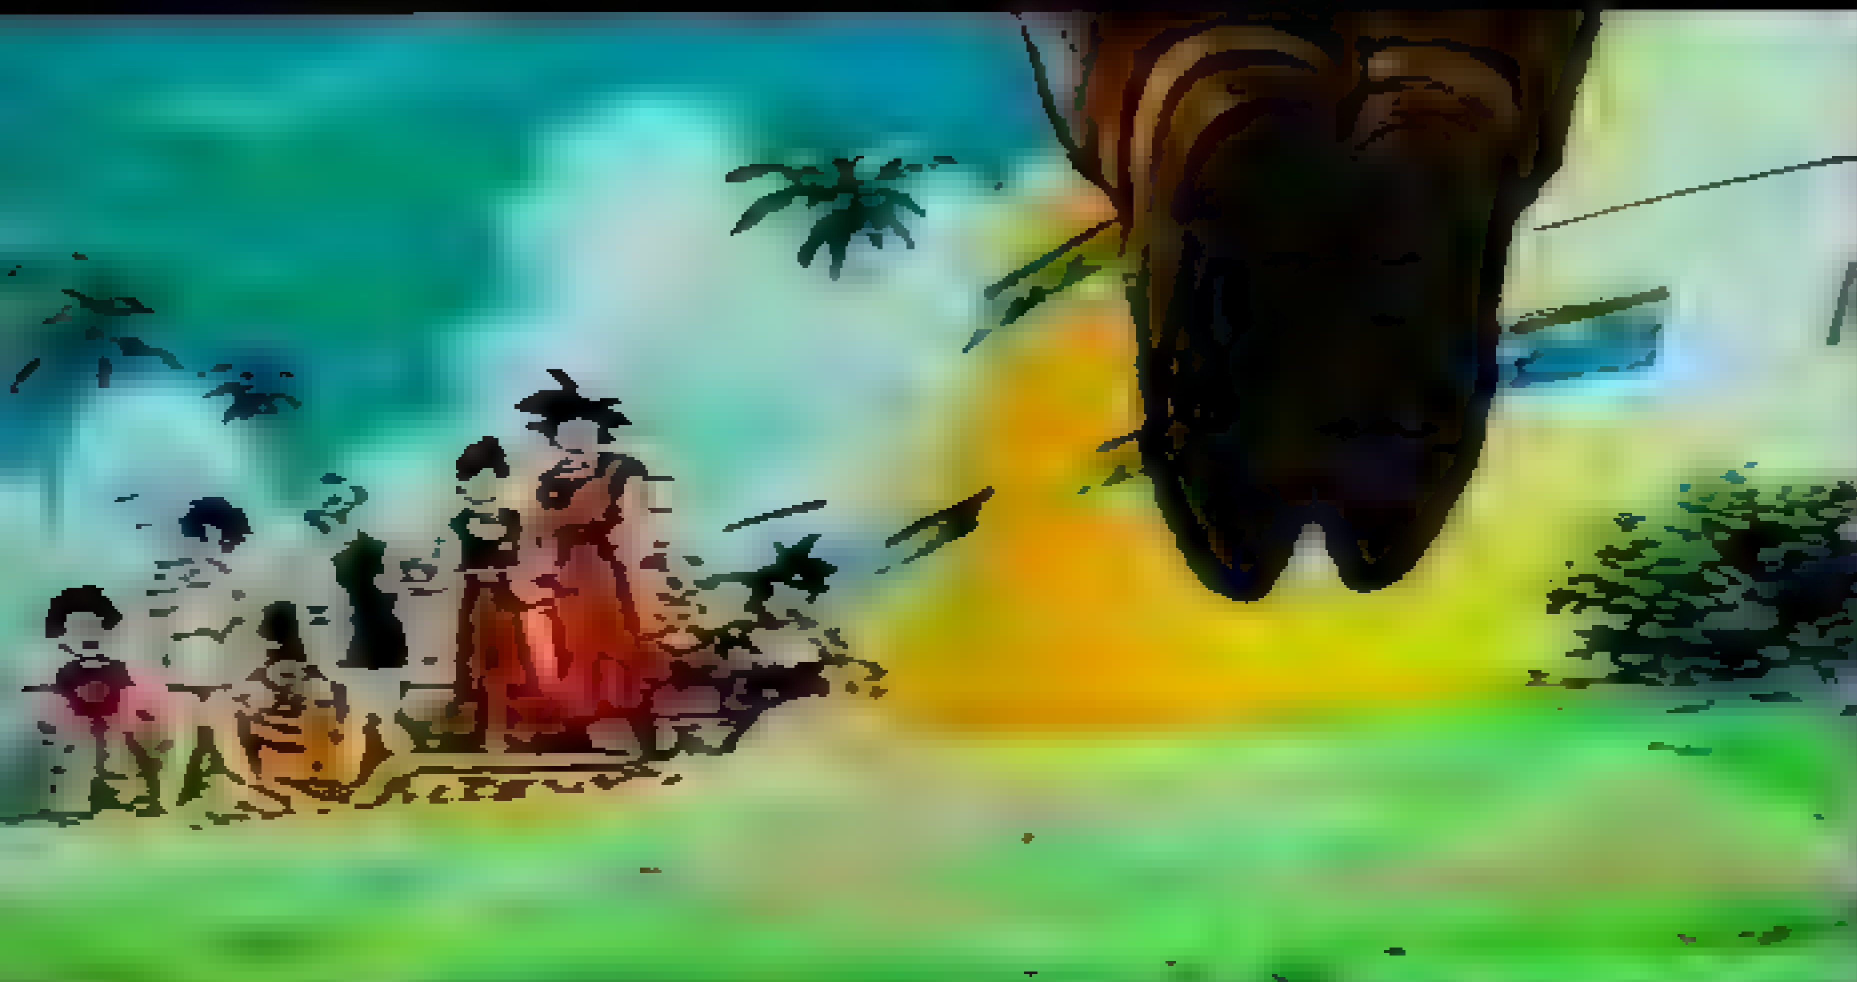

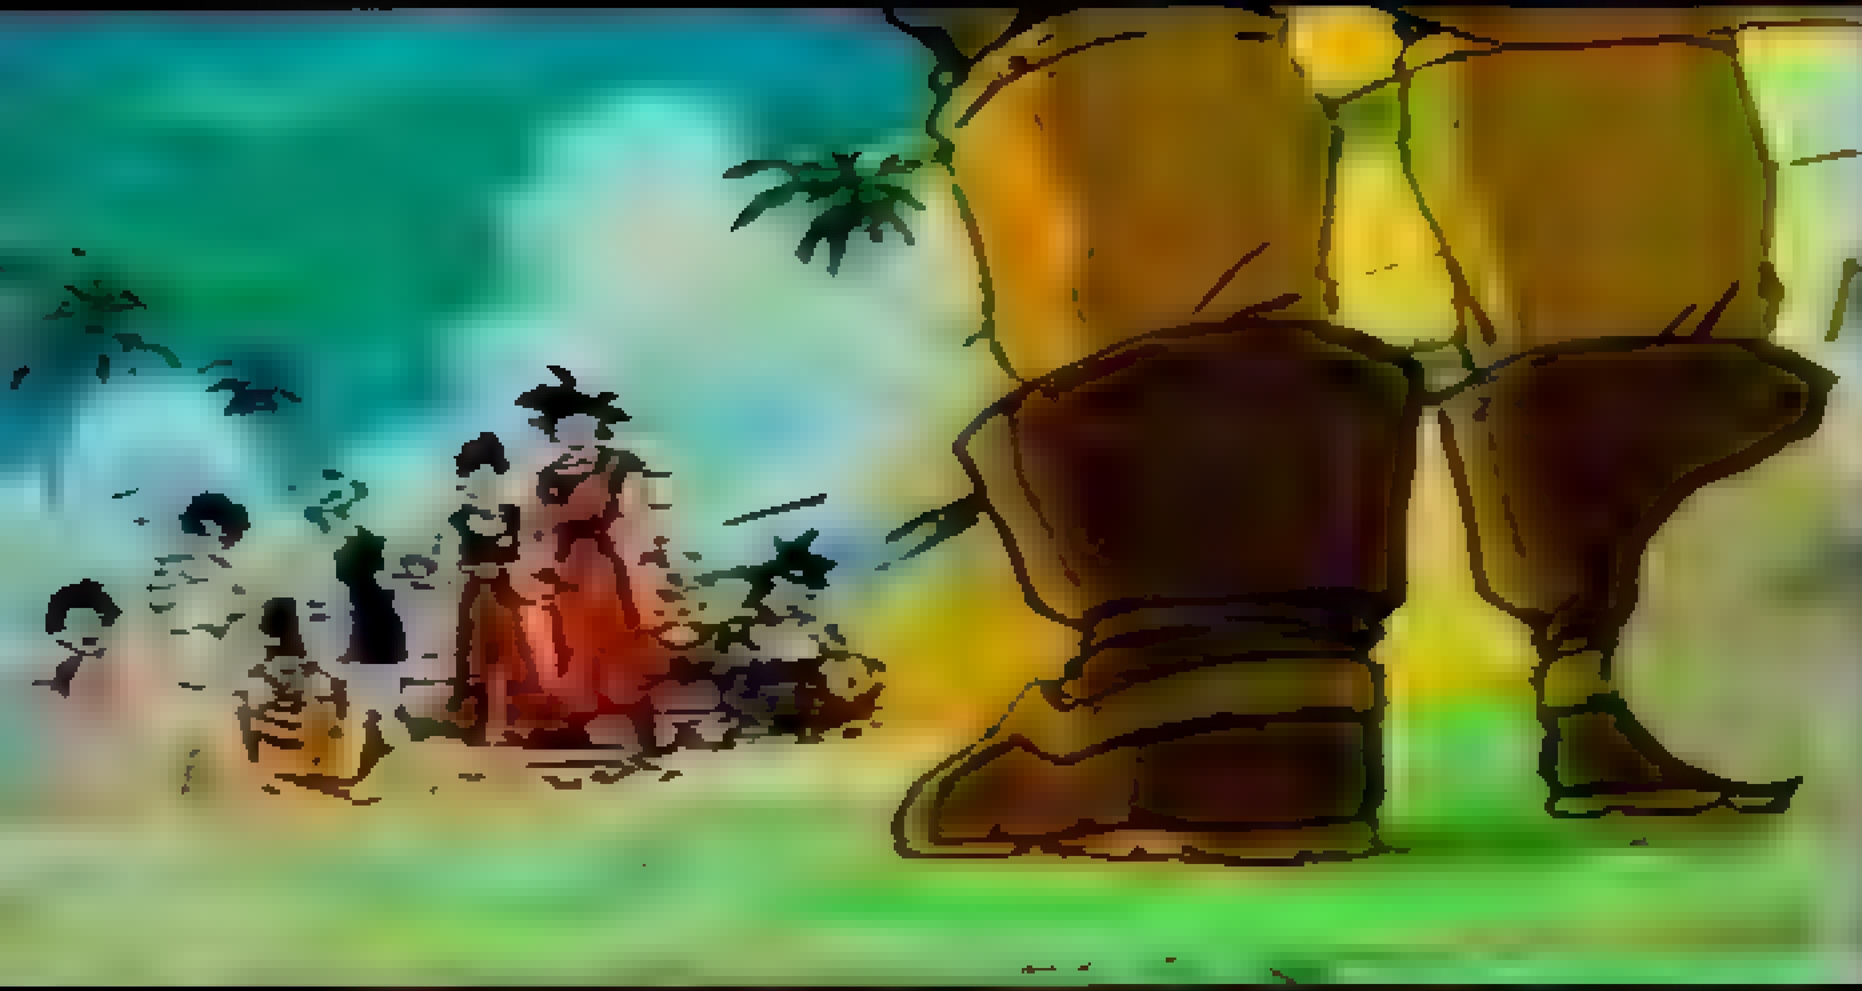

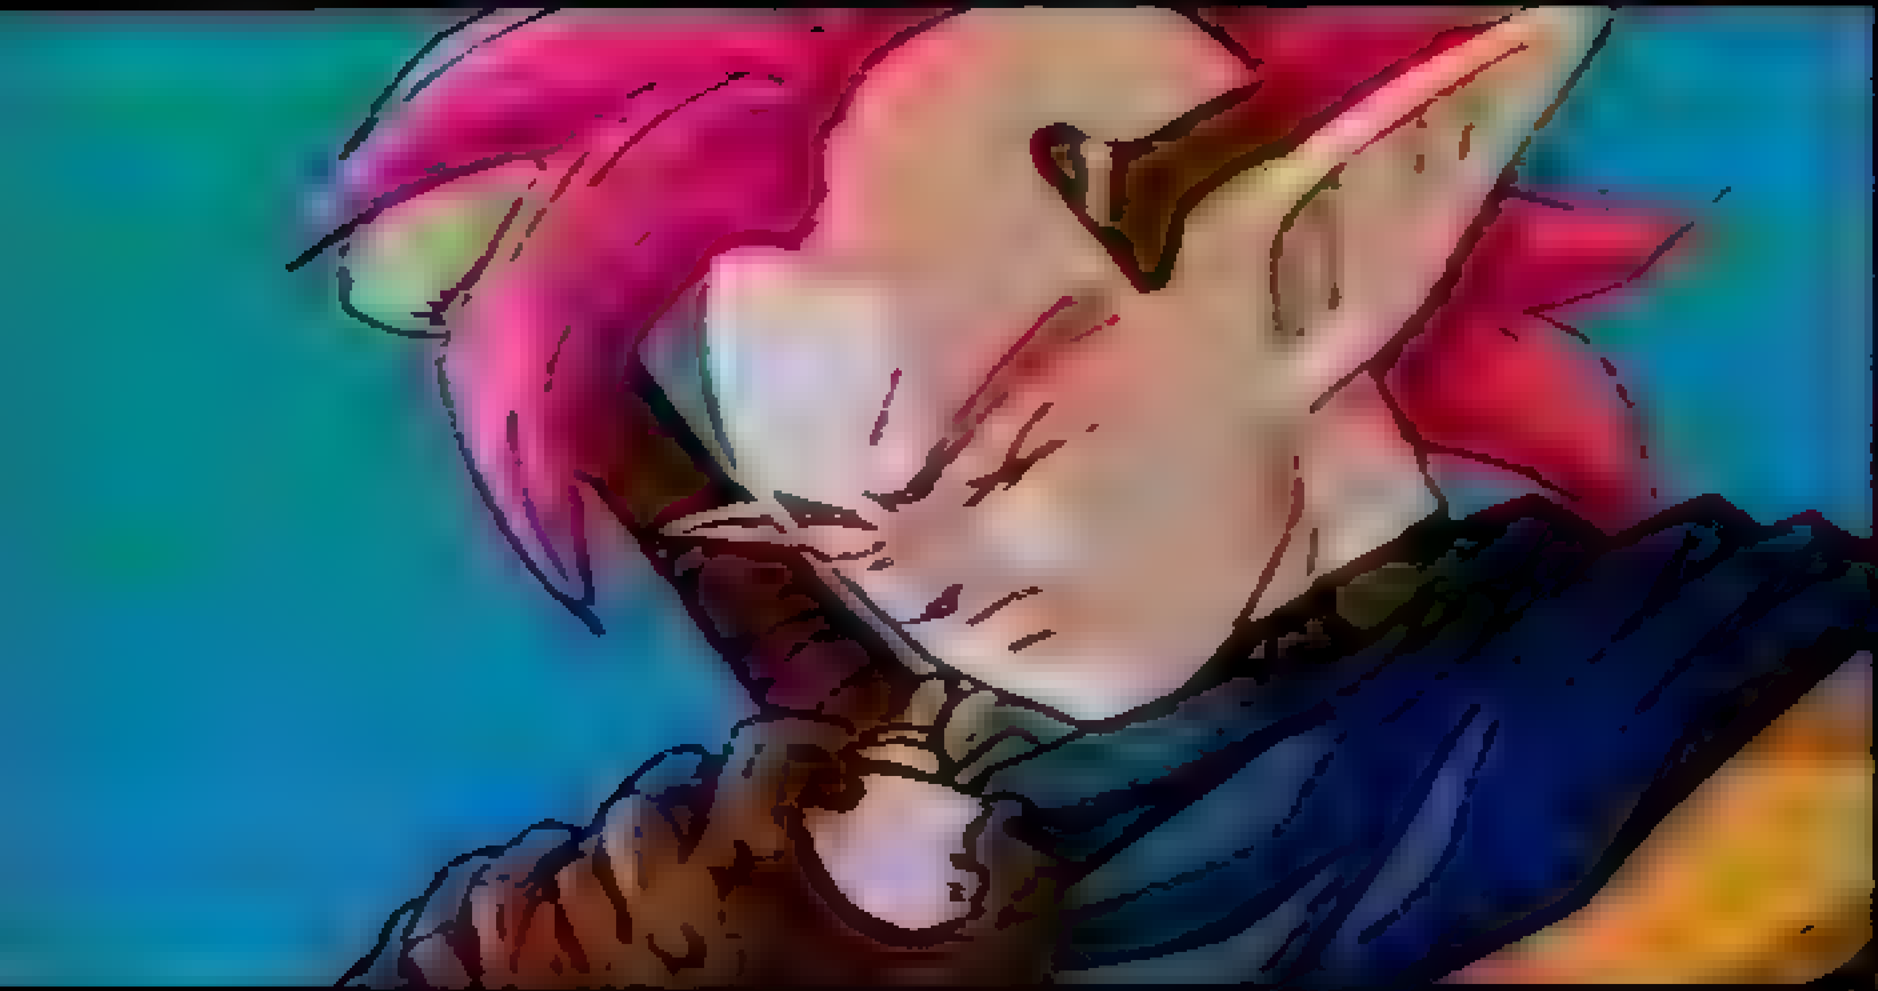

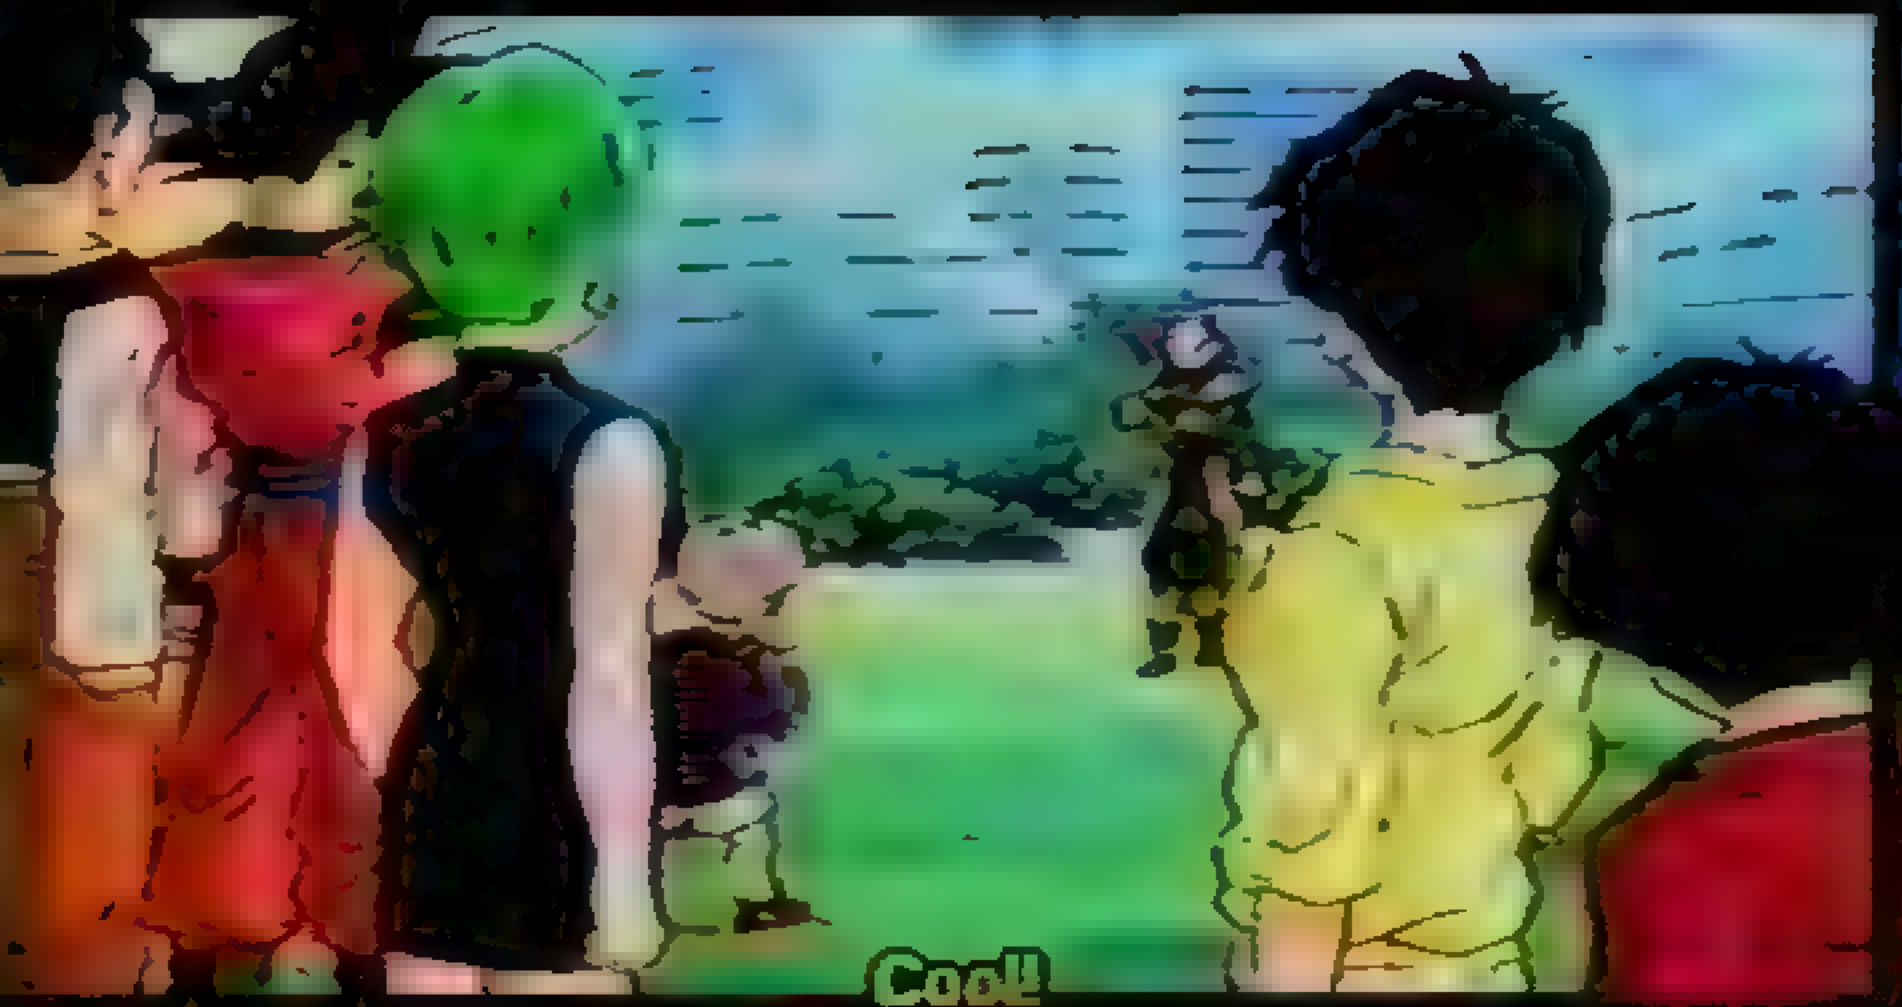

So what the old guy said...

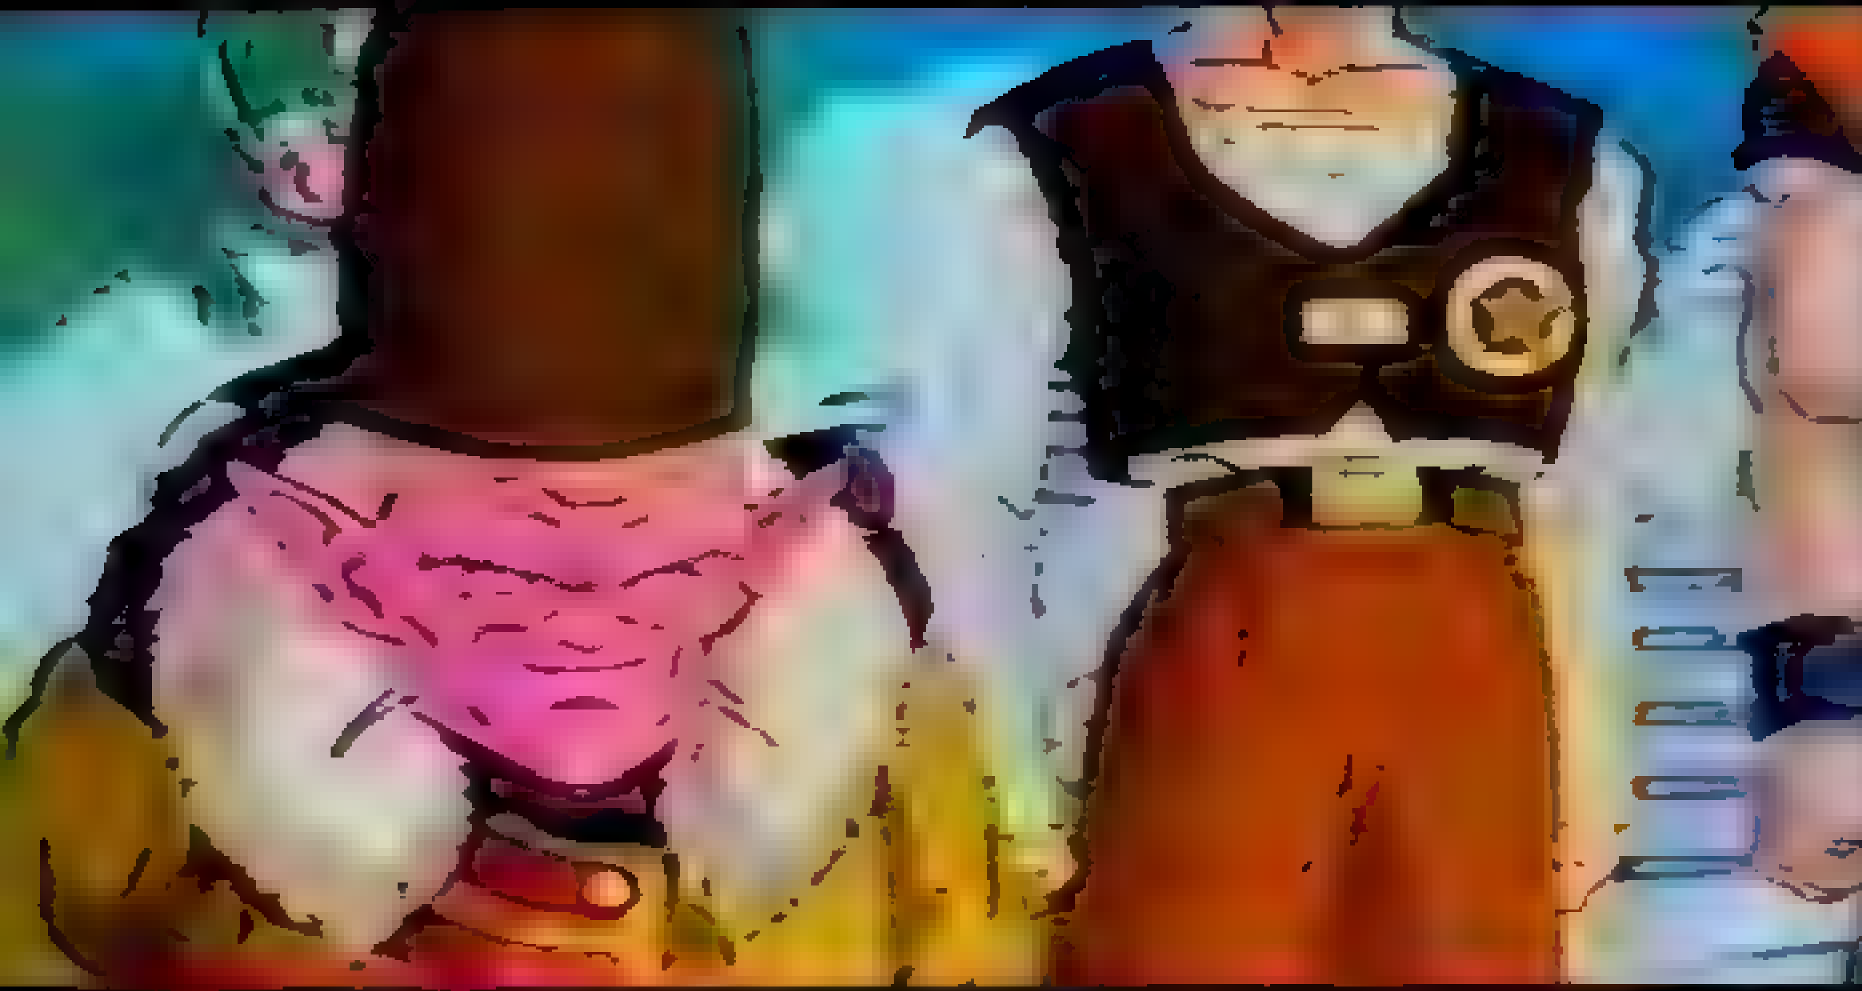

It really was true.

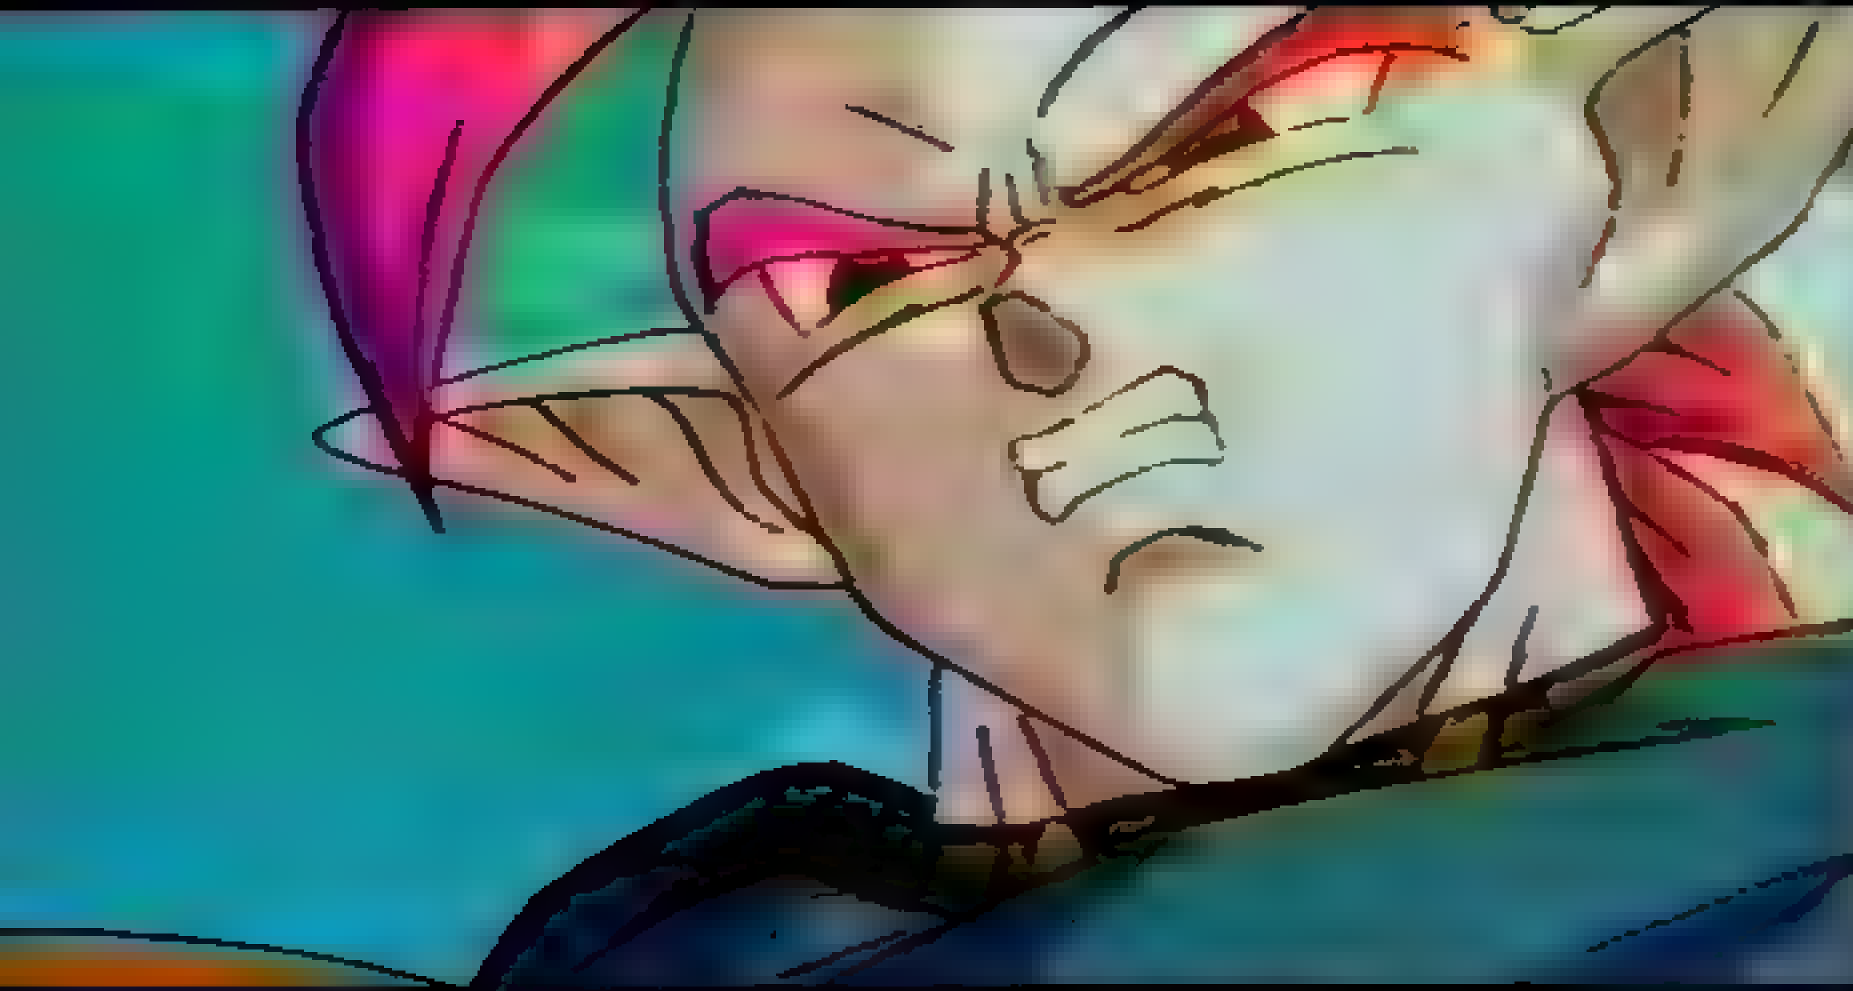

Cool!

And he's good looking too!!

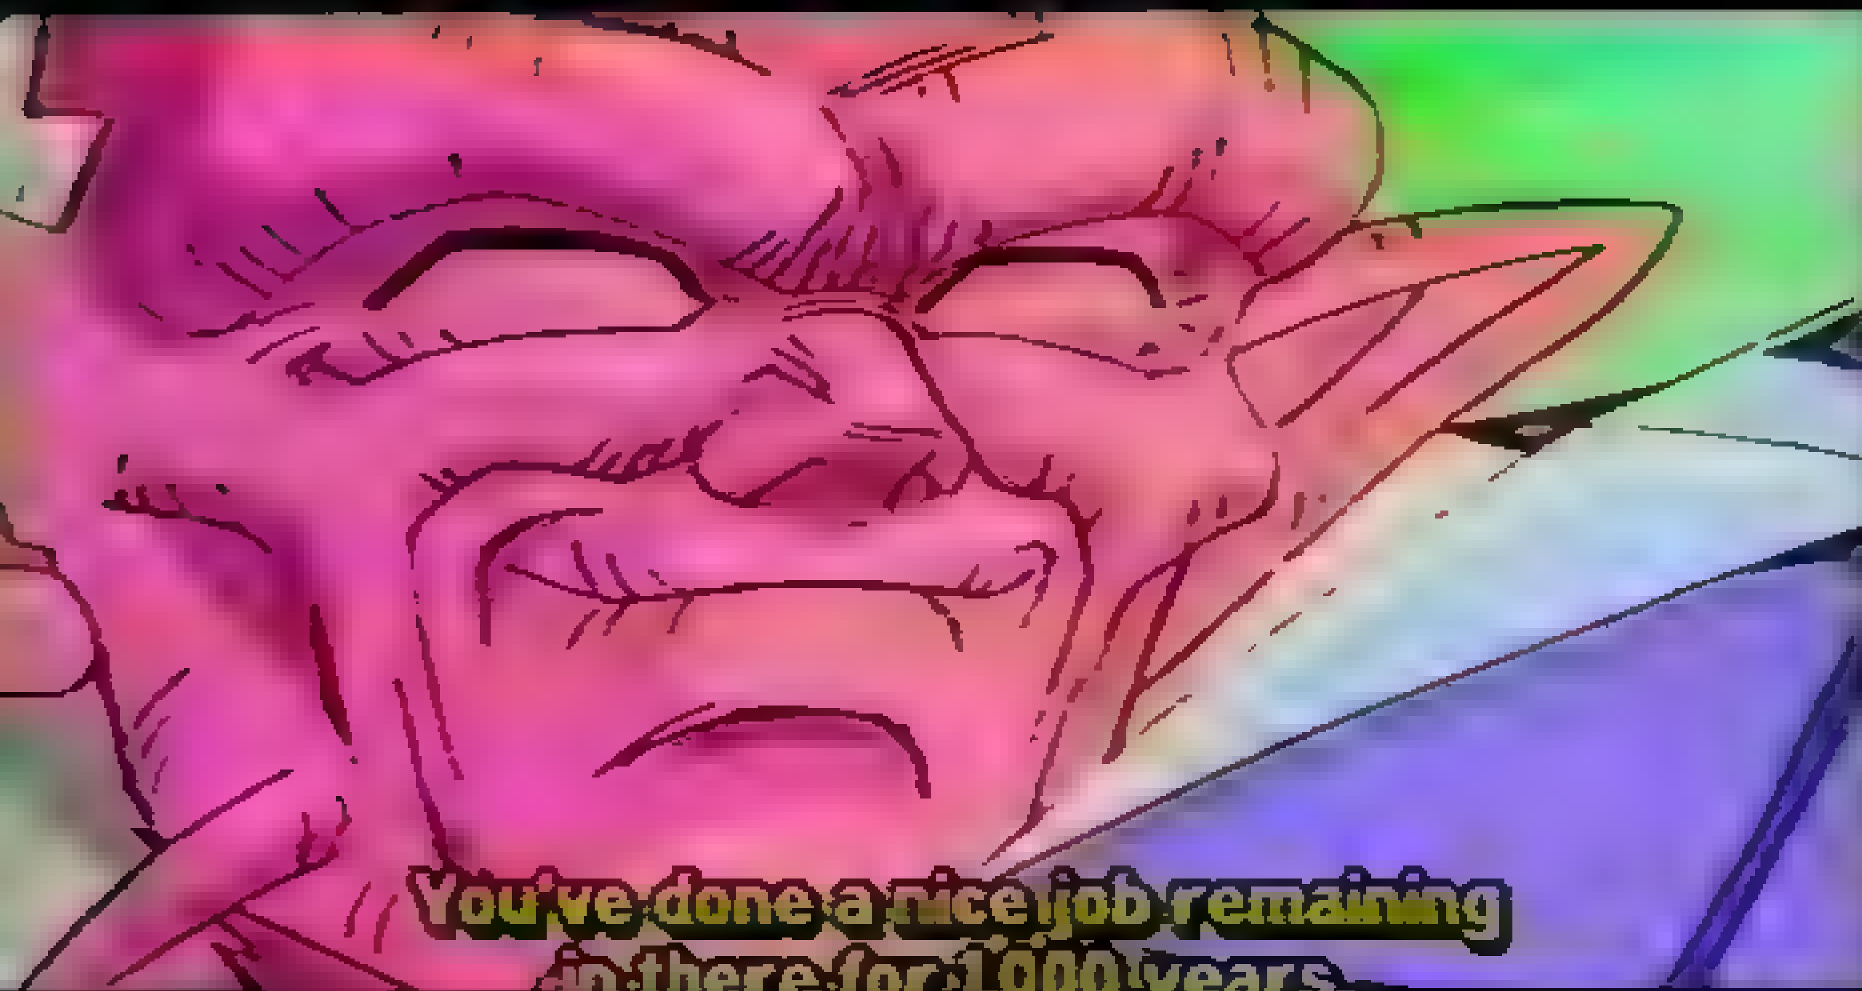

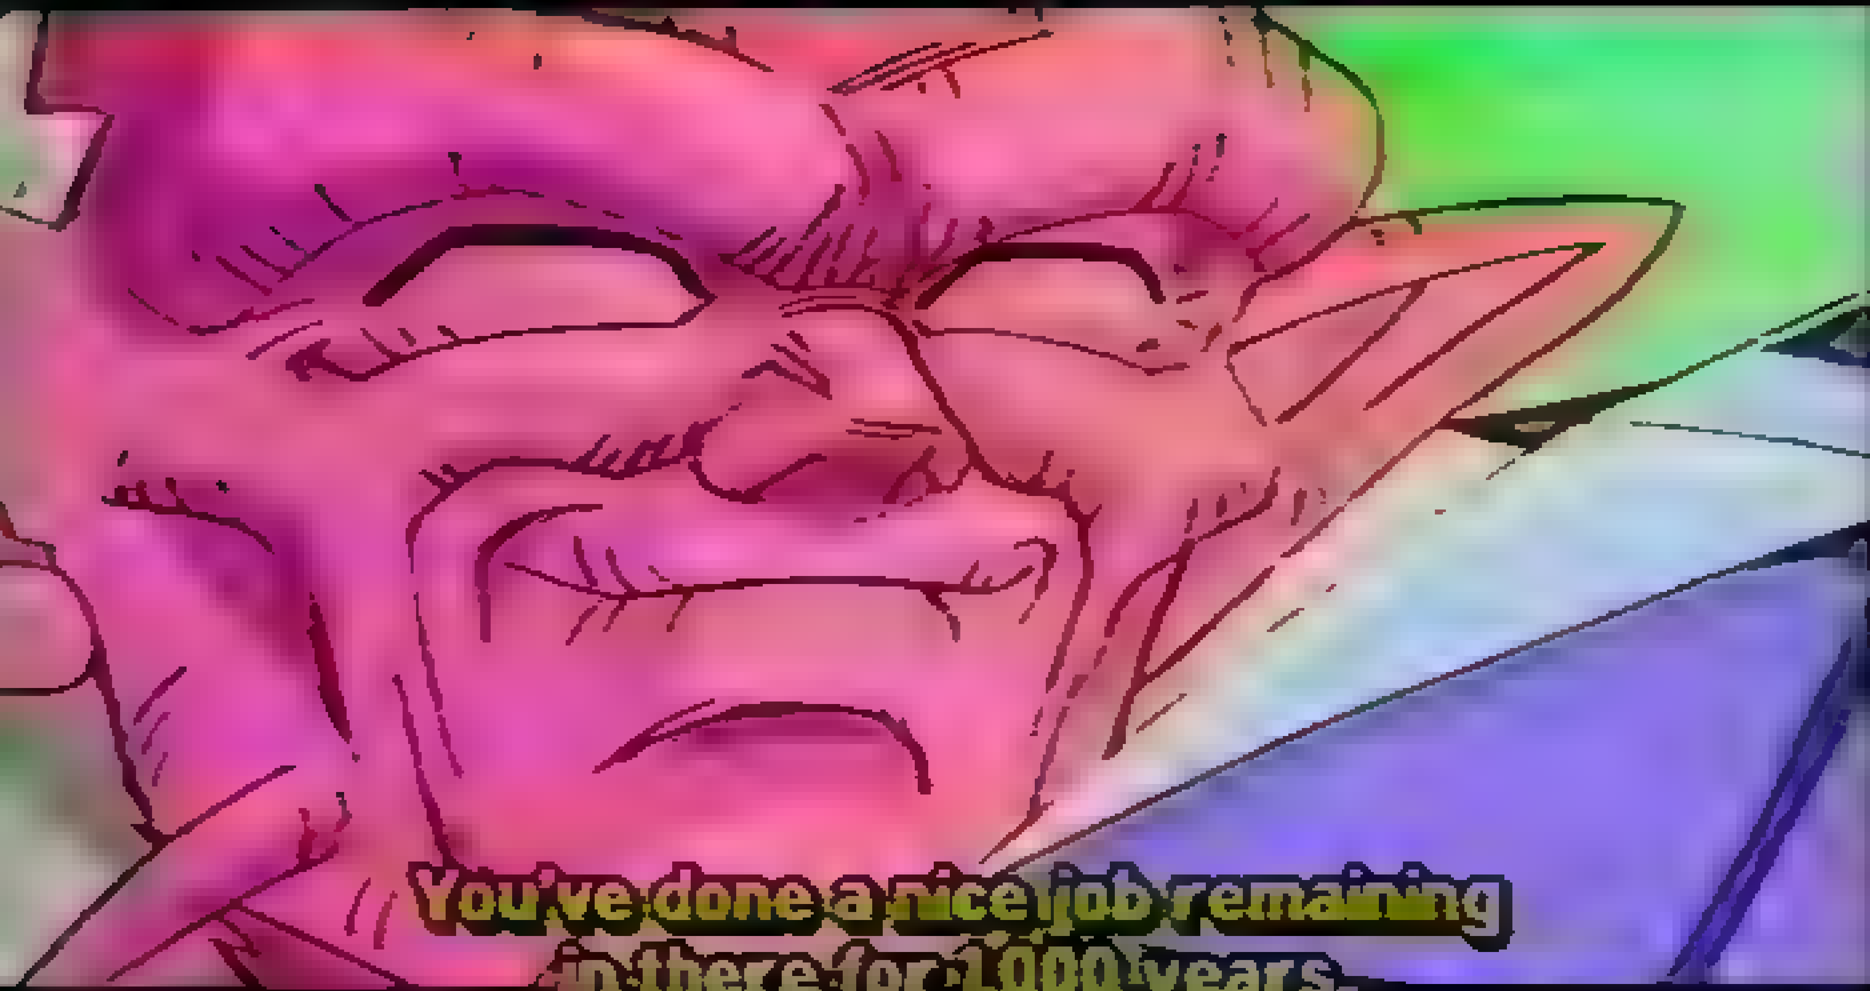

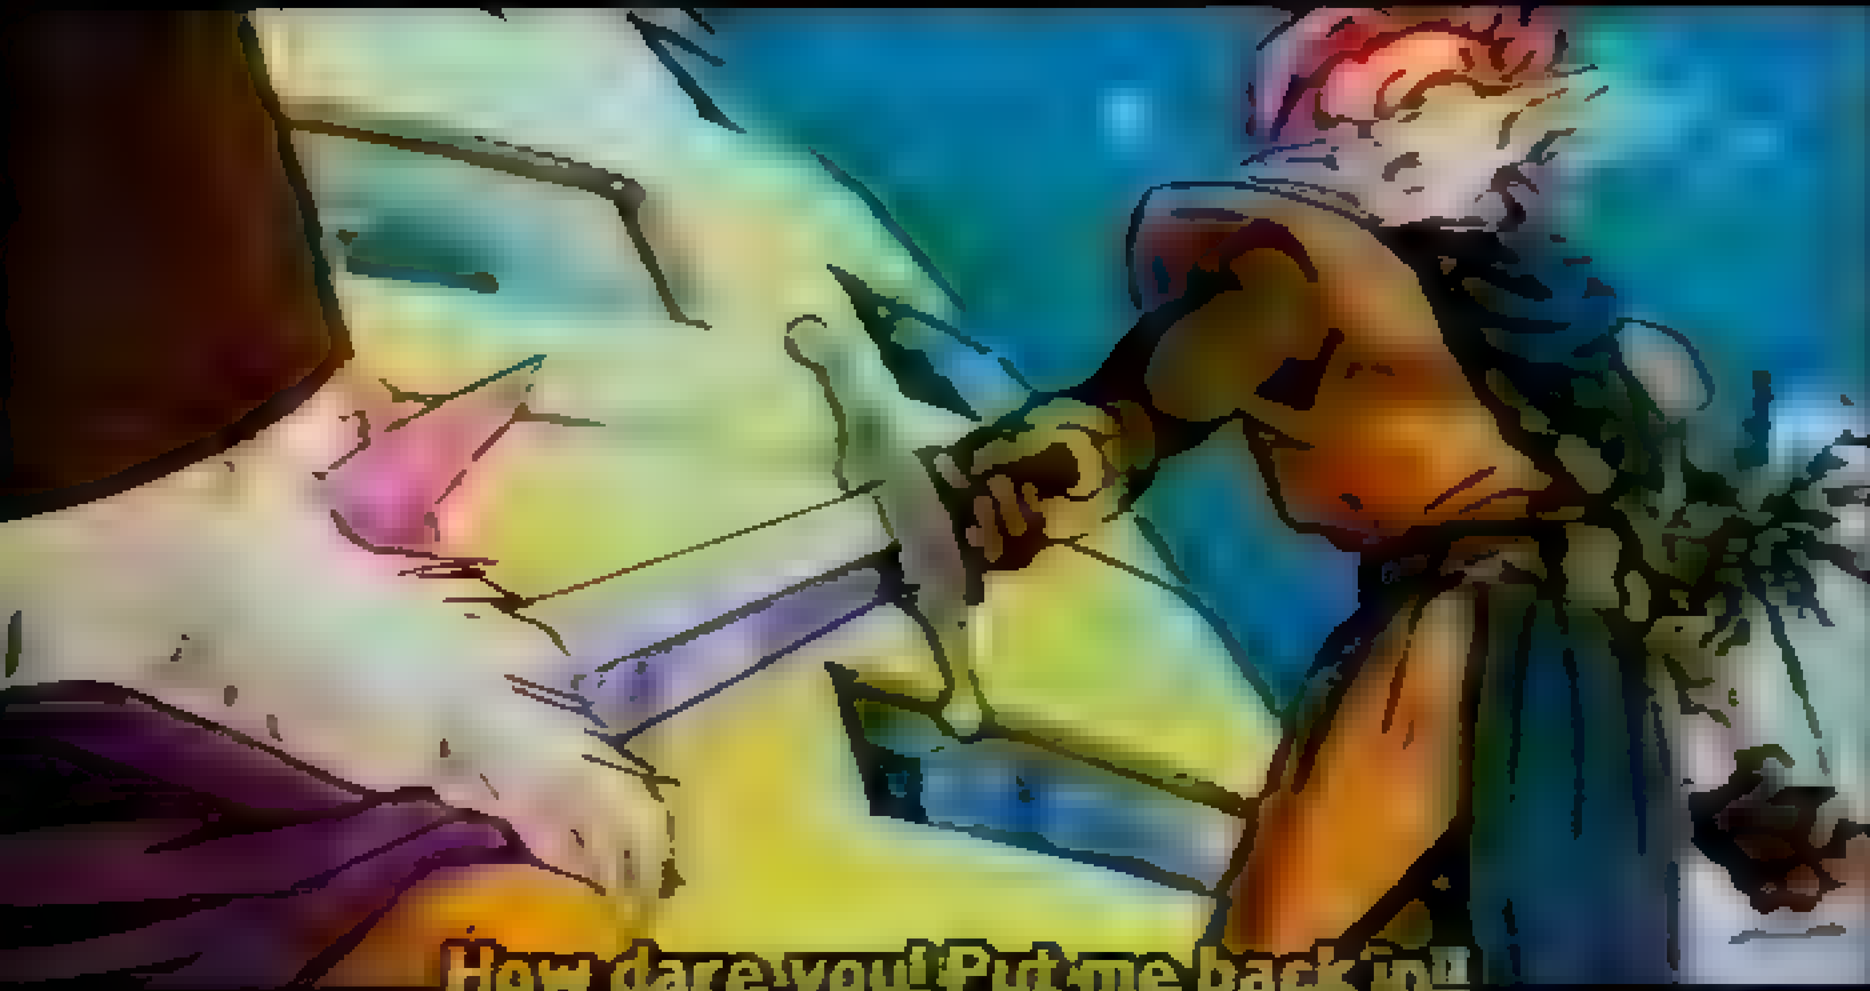

Don't come any closer!

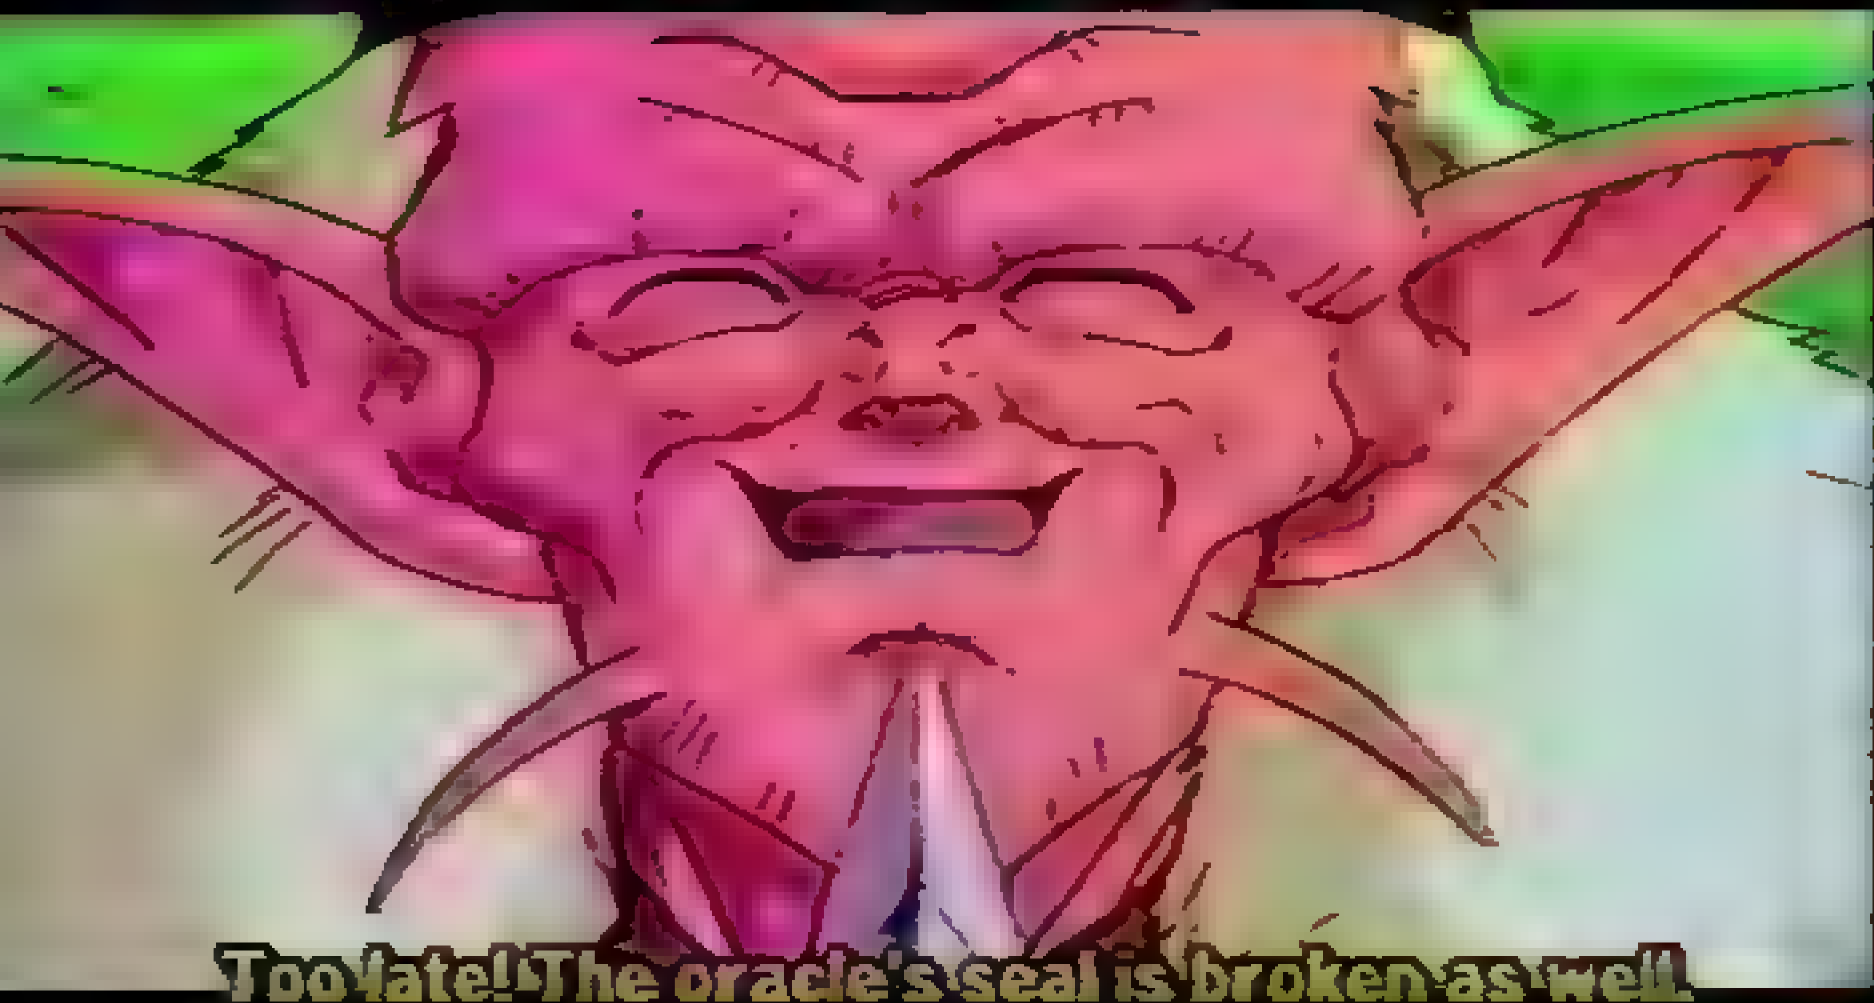

You brought me back here?

You've done a nice job remaining
in there for 1,000 years.

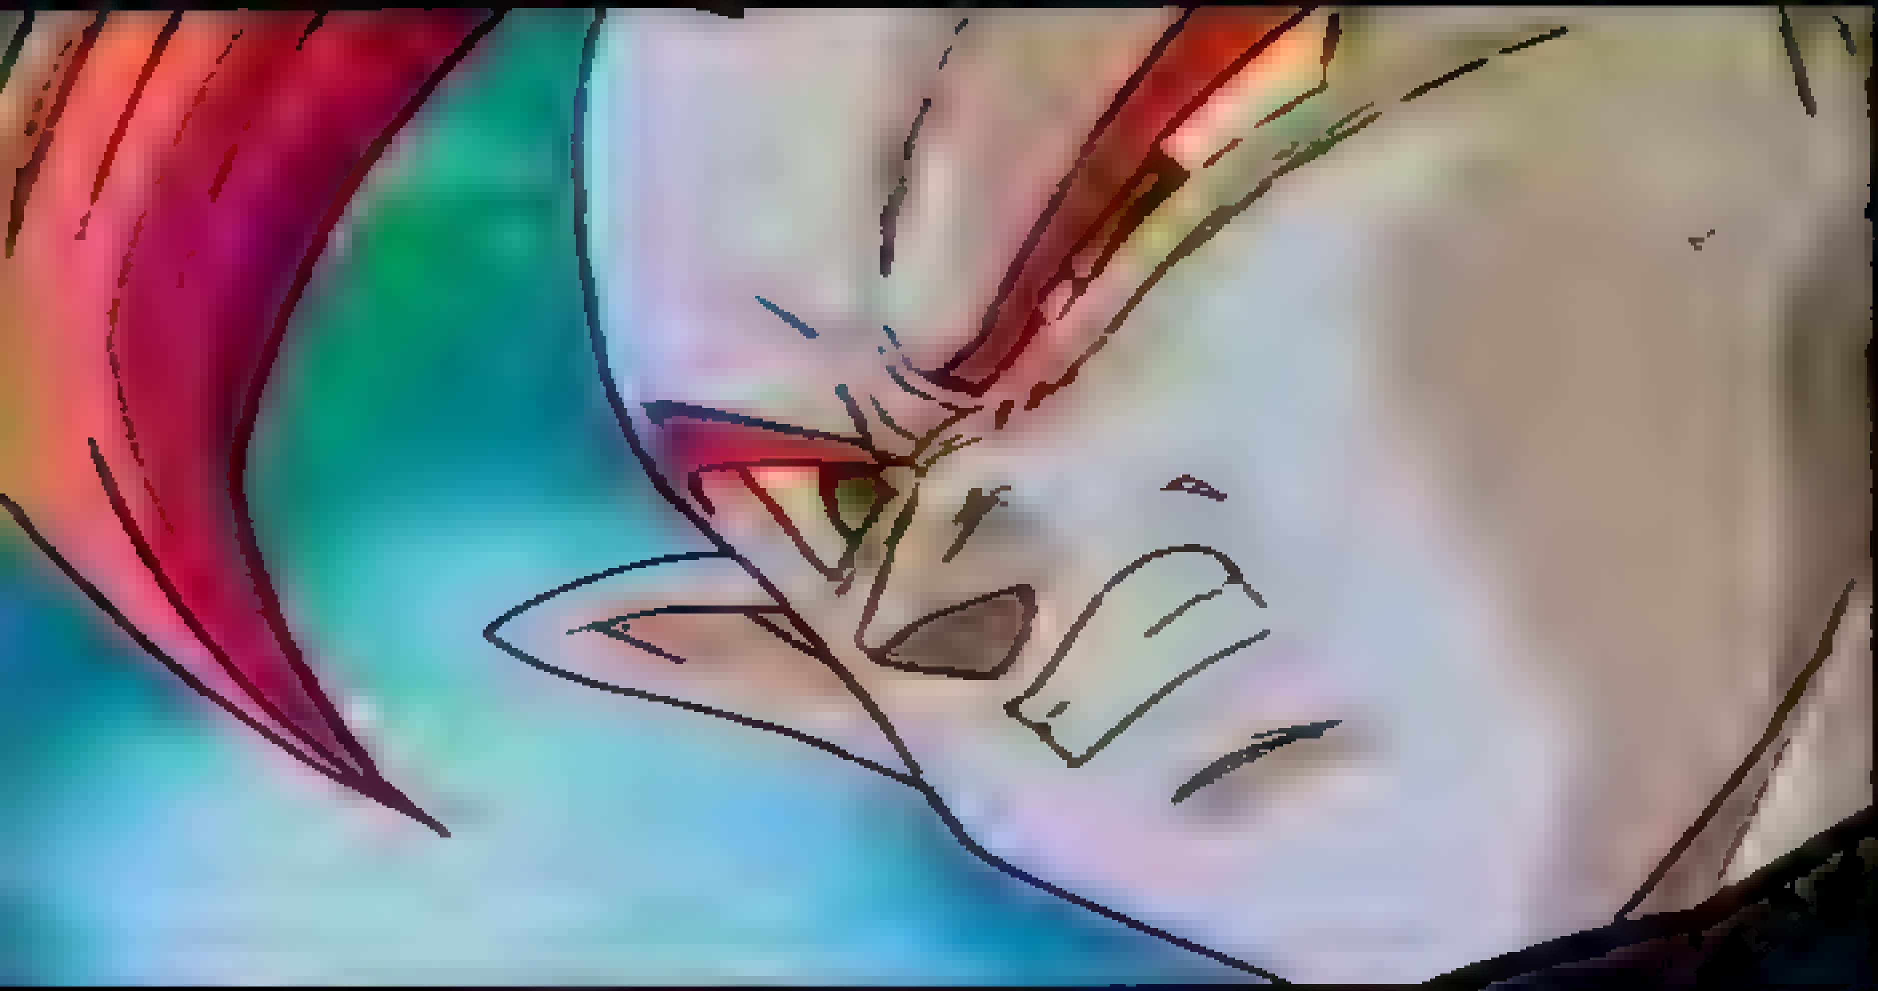

You've done a nice job remaining
in there for 1,000 years.

How dare you! Put me back in!!

How dare you! Put me back in!!

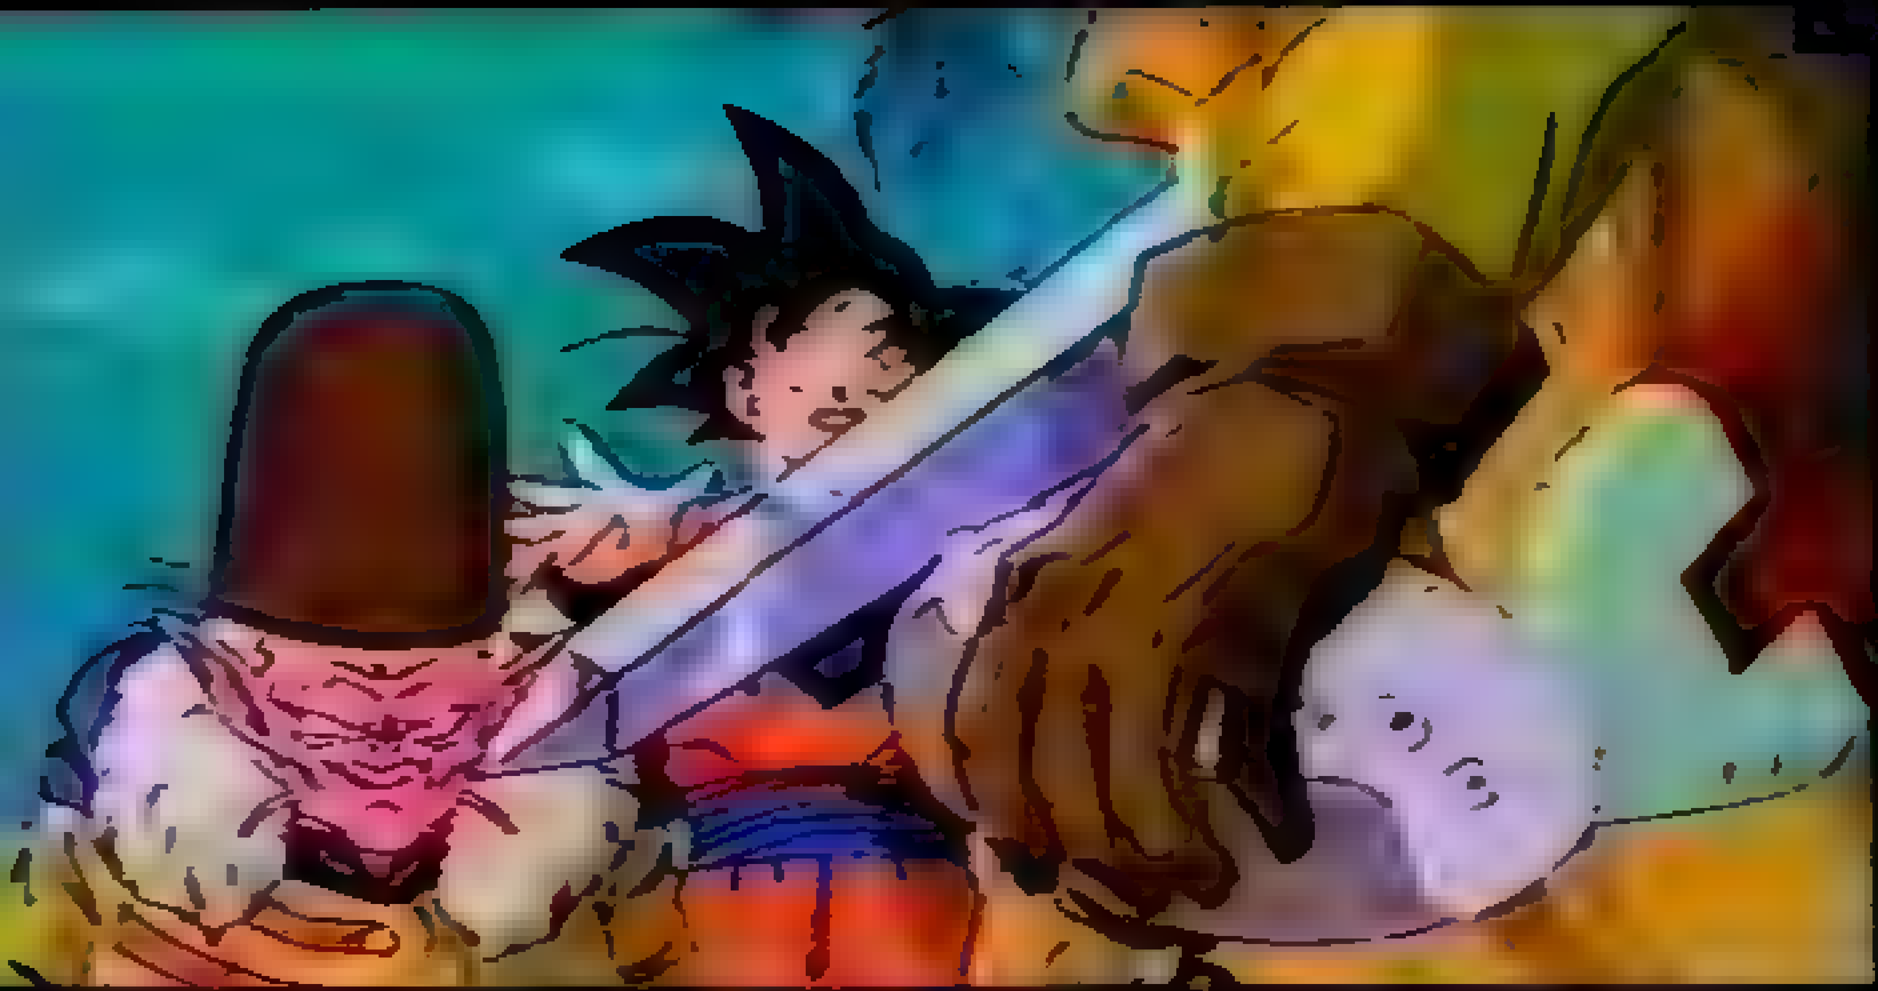

Too late! The oracle's seal is broken as well.

Too late! The oracle's seal is broken as well.

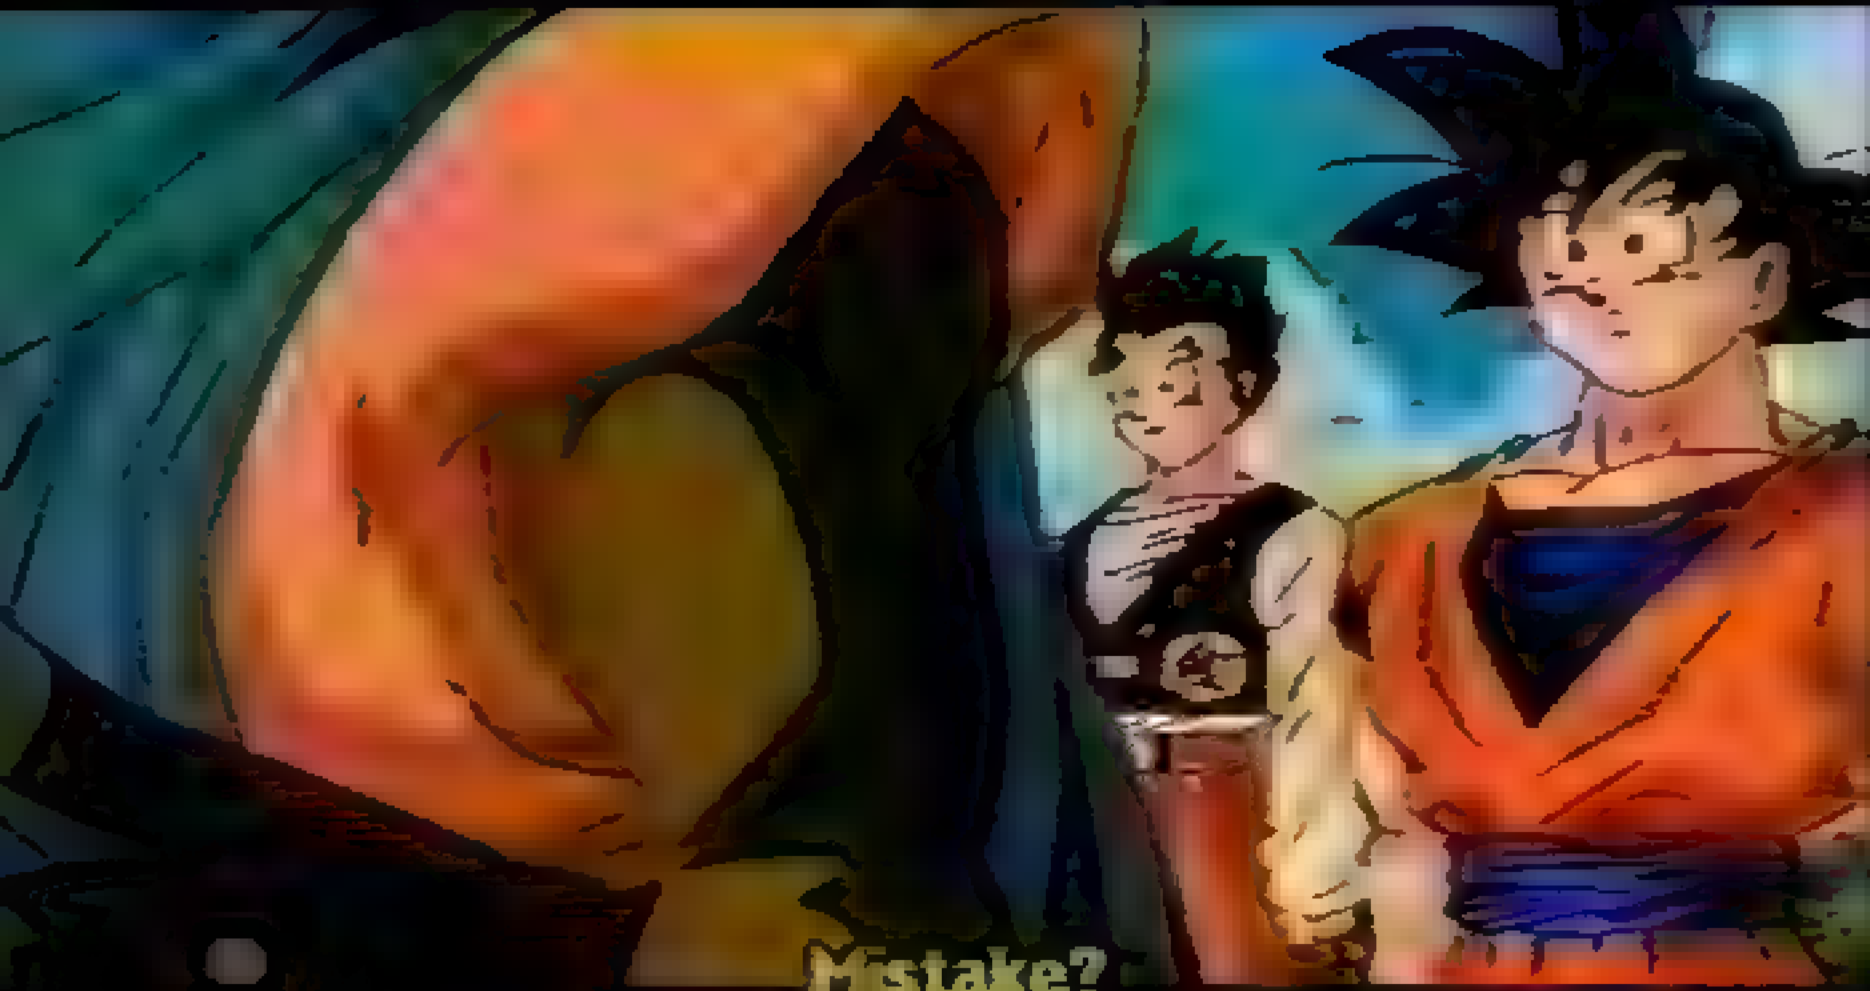

Chill out! You've finally got out of...

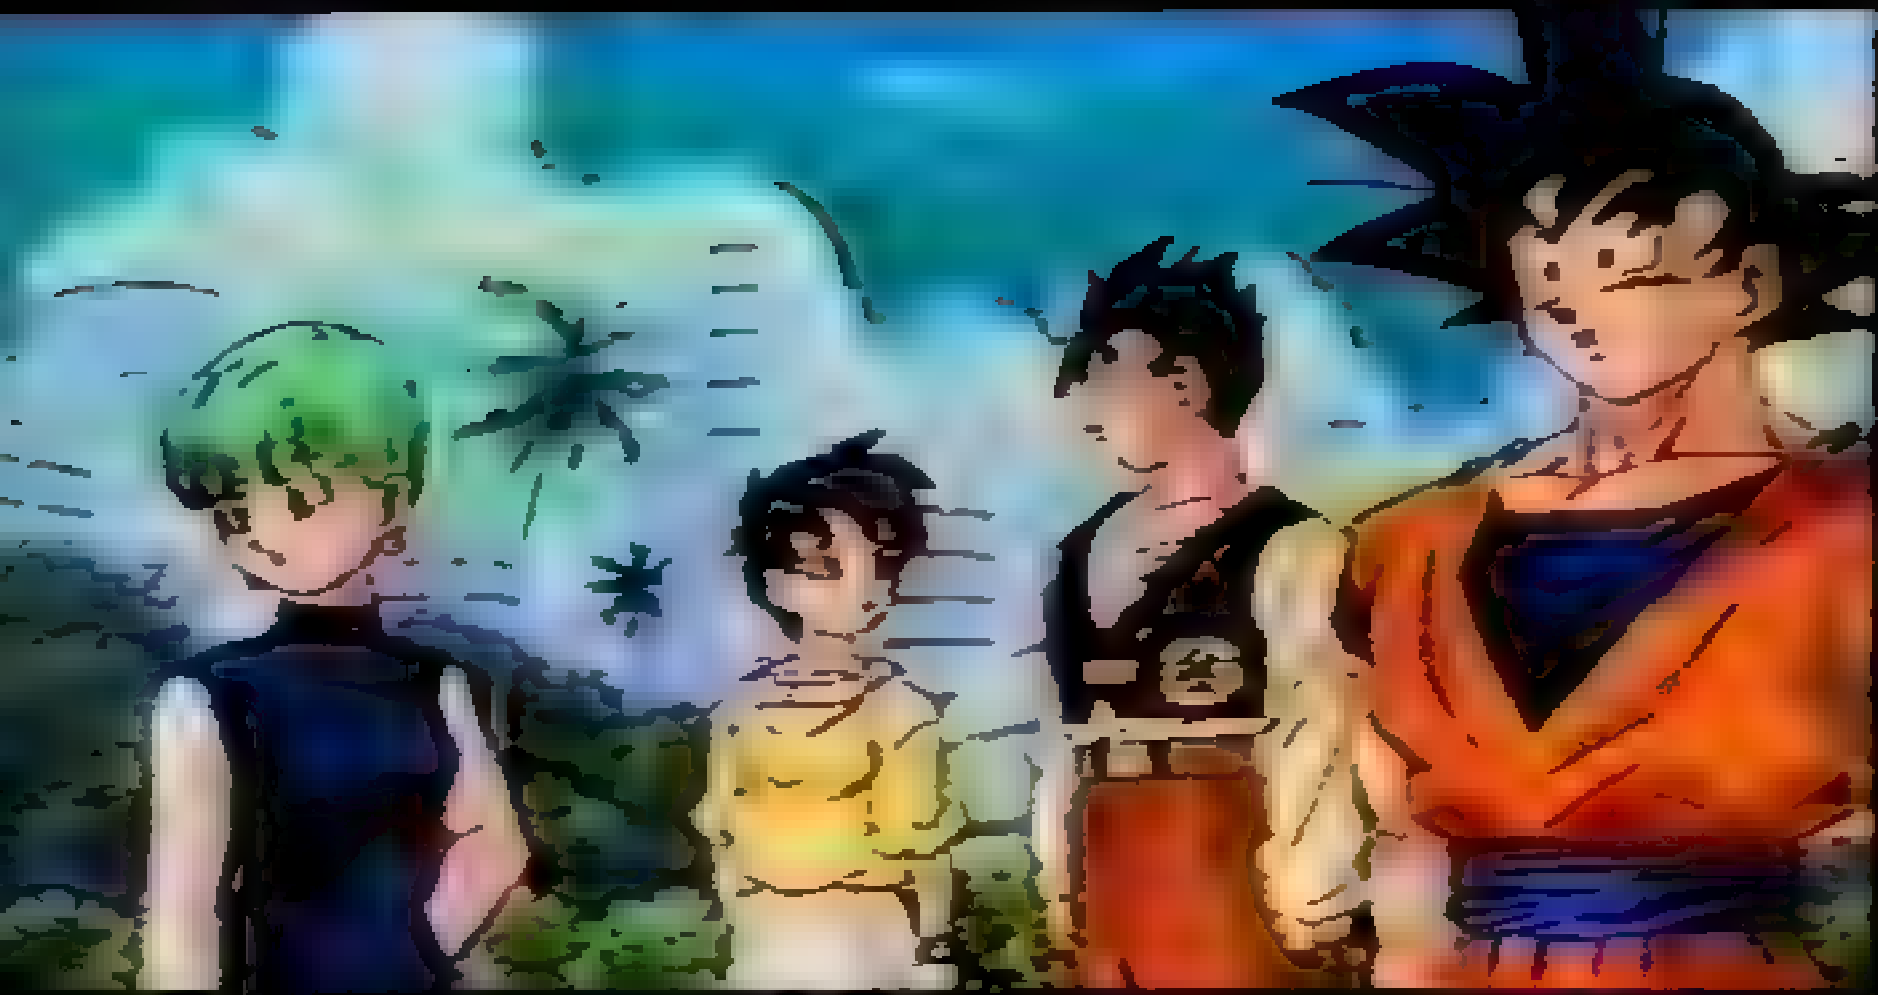

Chill out! You've finally got out of...

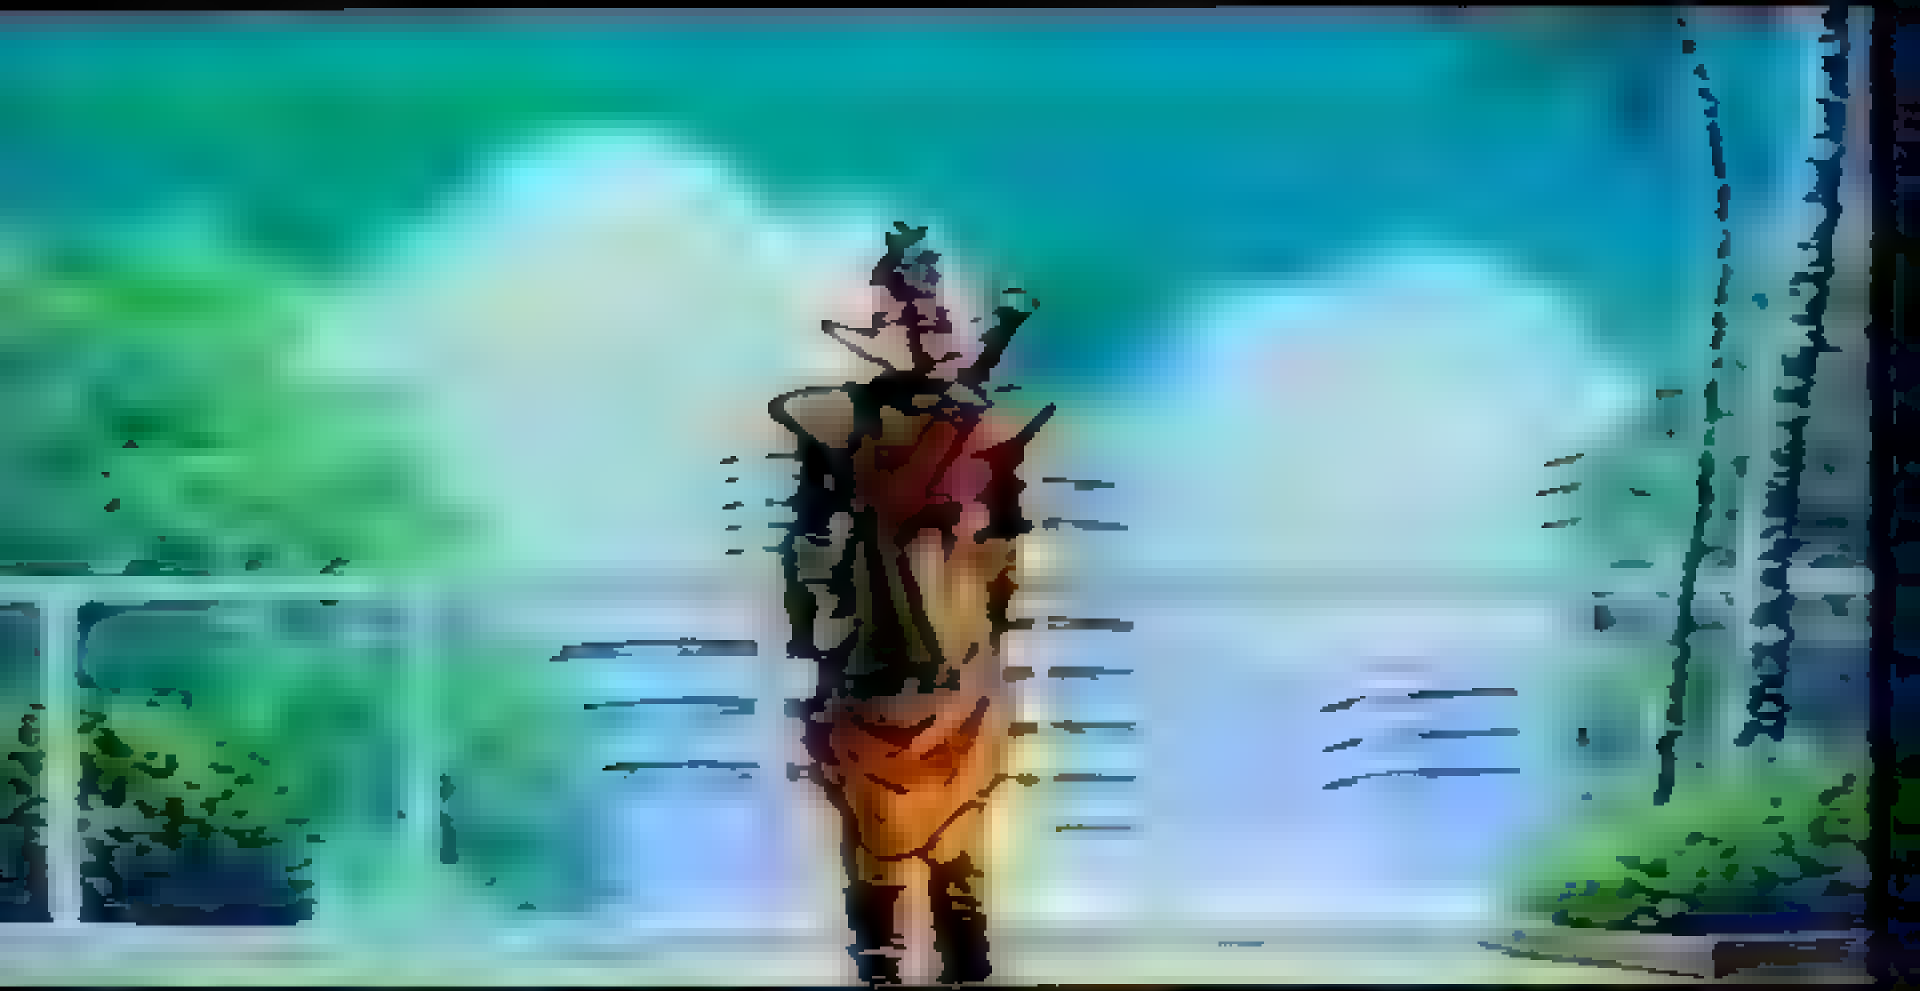

please don't coome any closer to me!

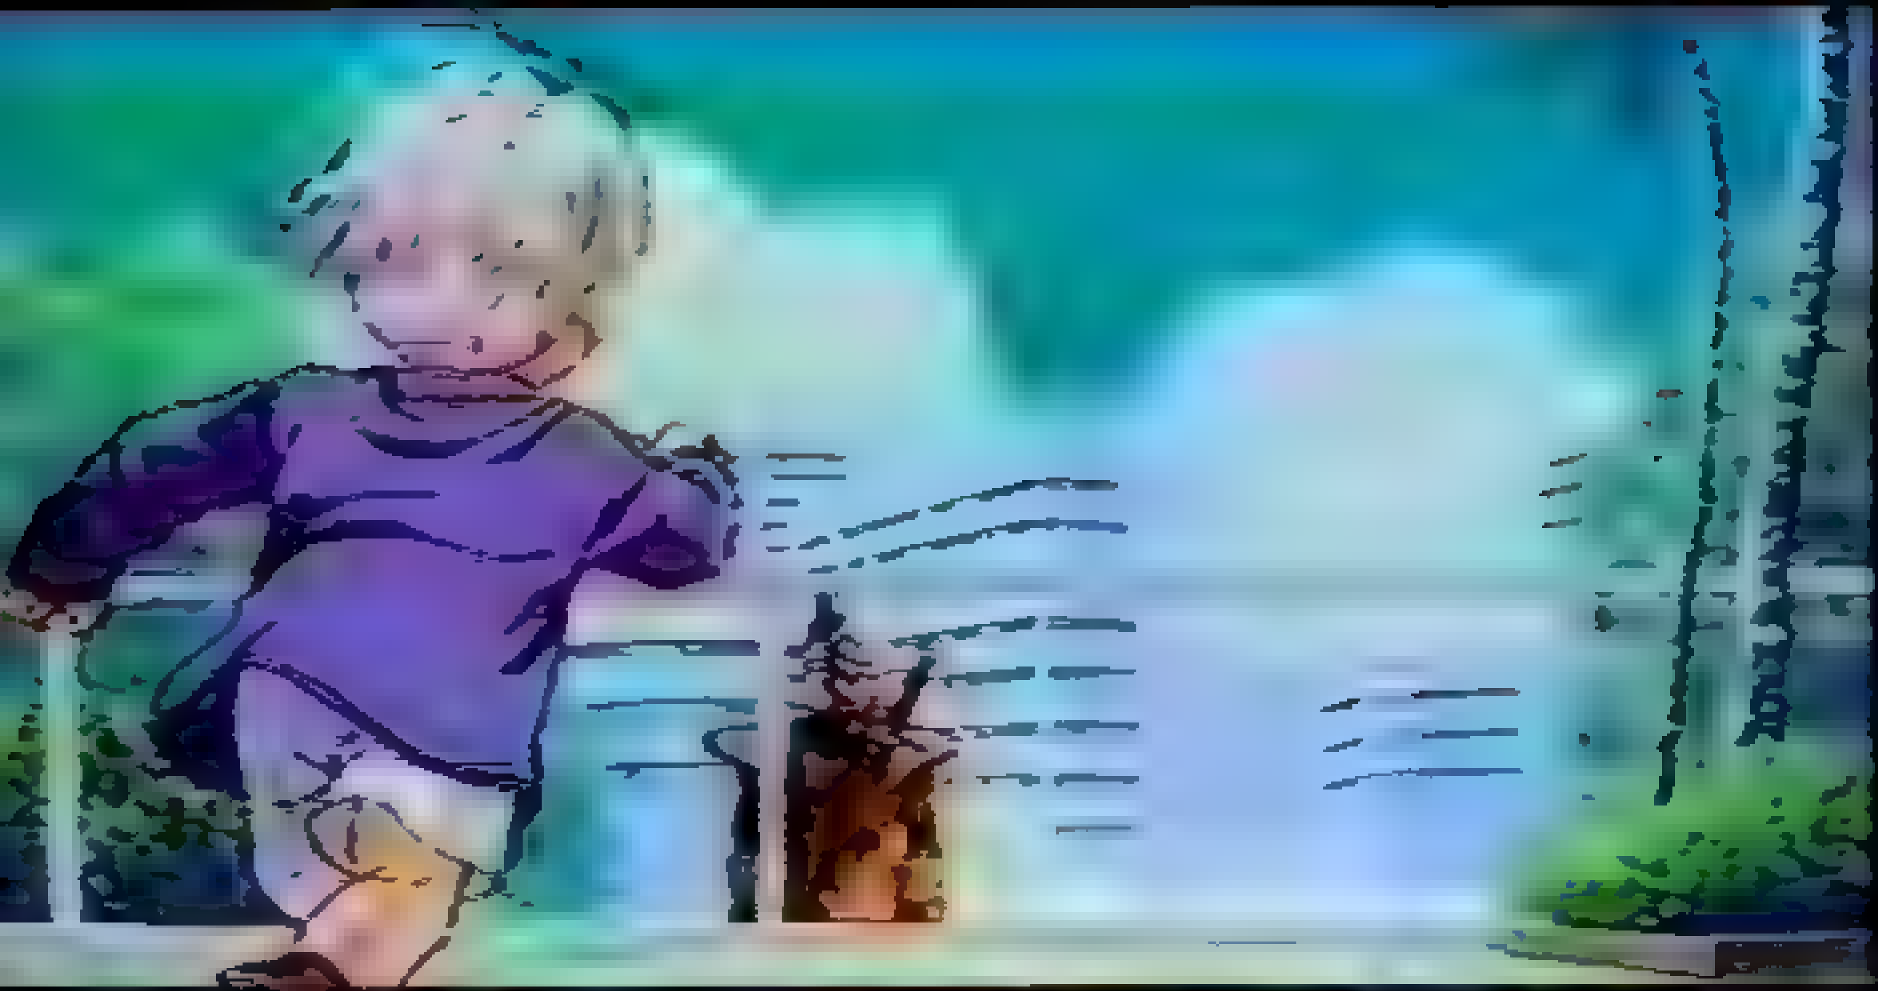

You guys have made a grave mistake.

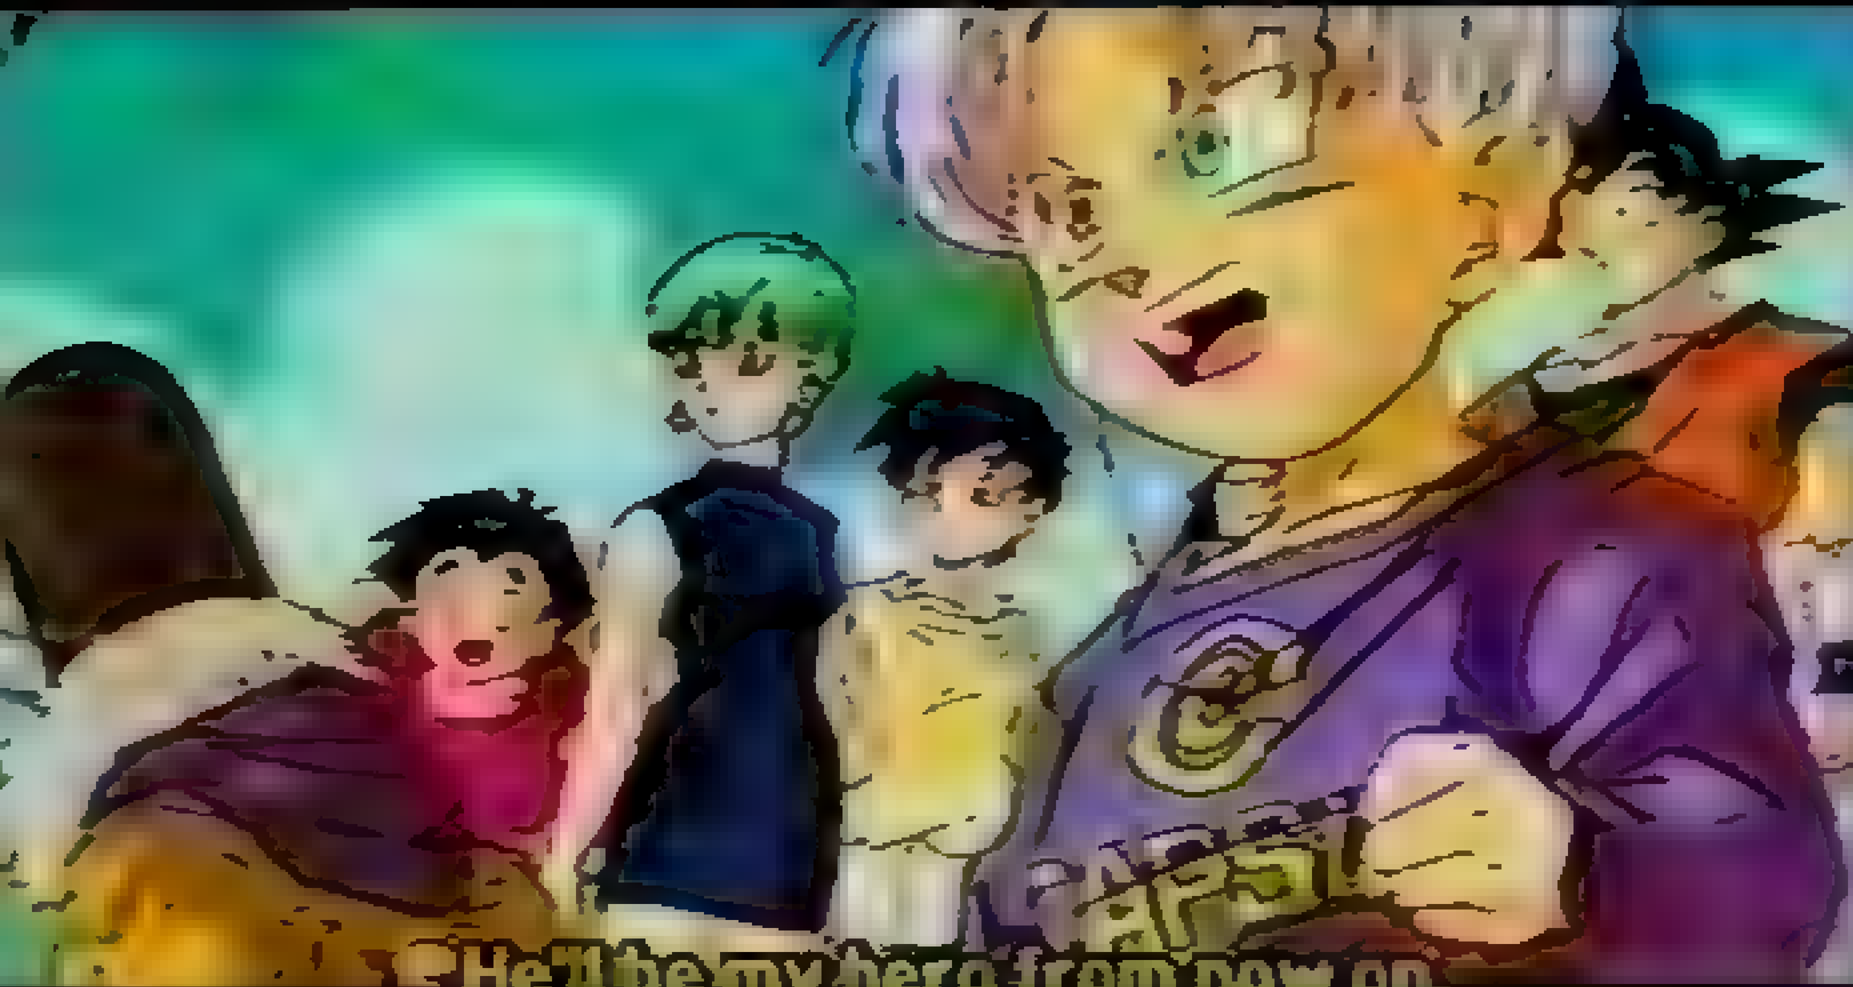

You guys have made a grave mistake.

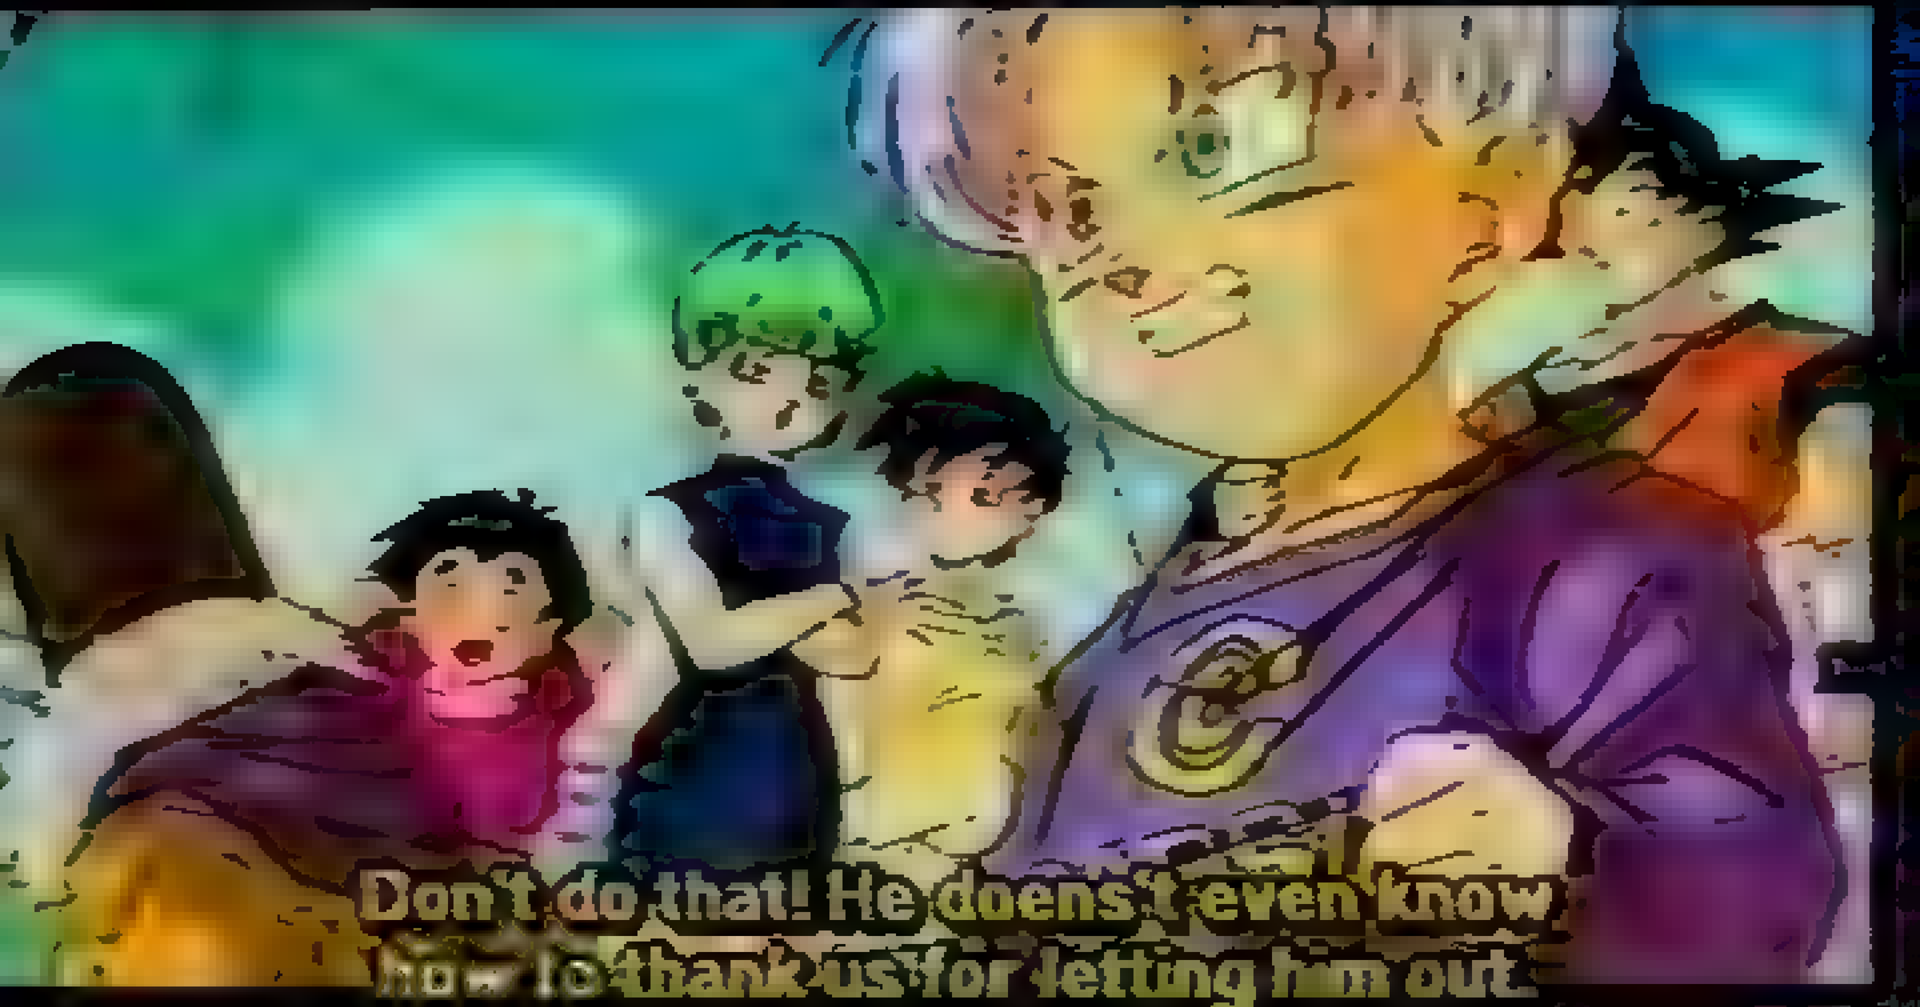

Mistake?

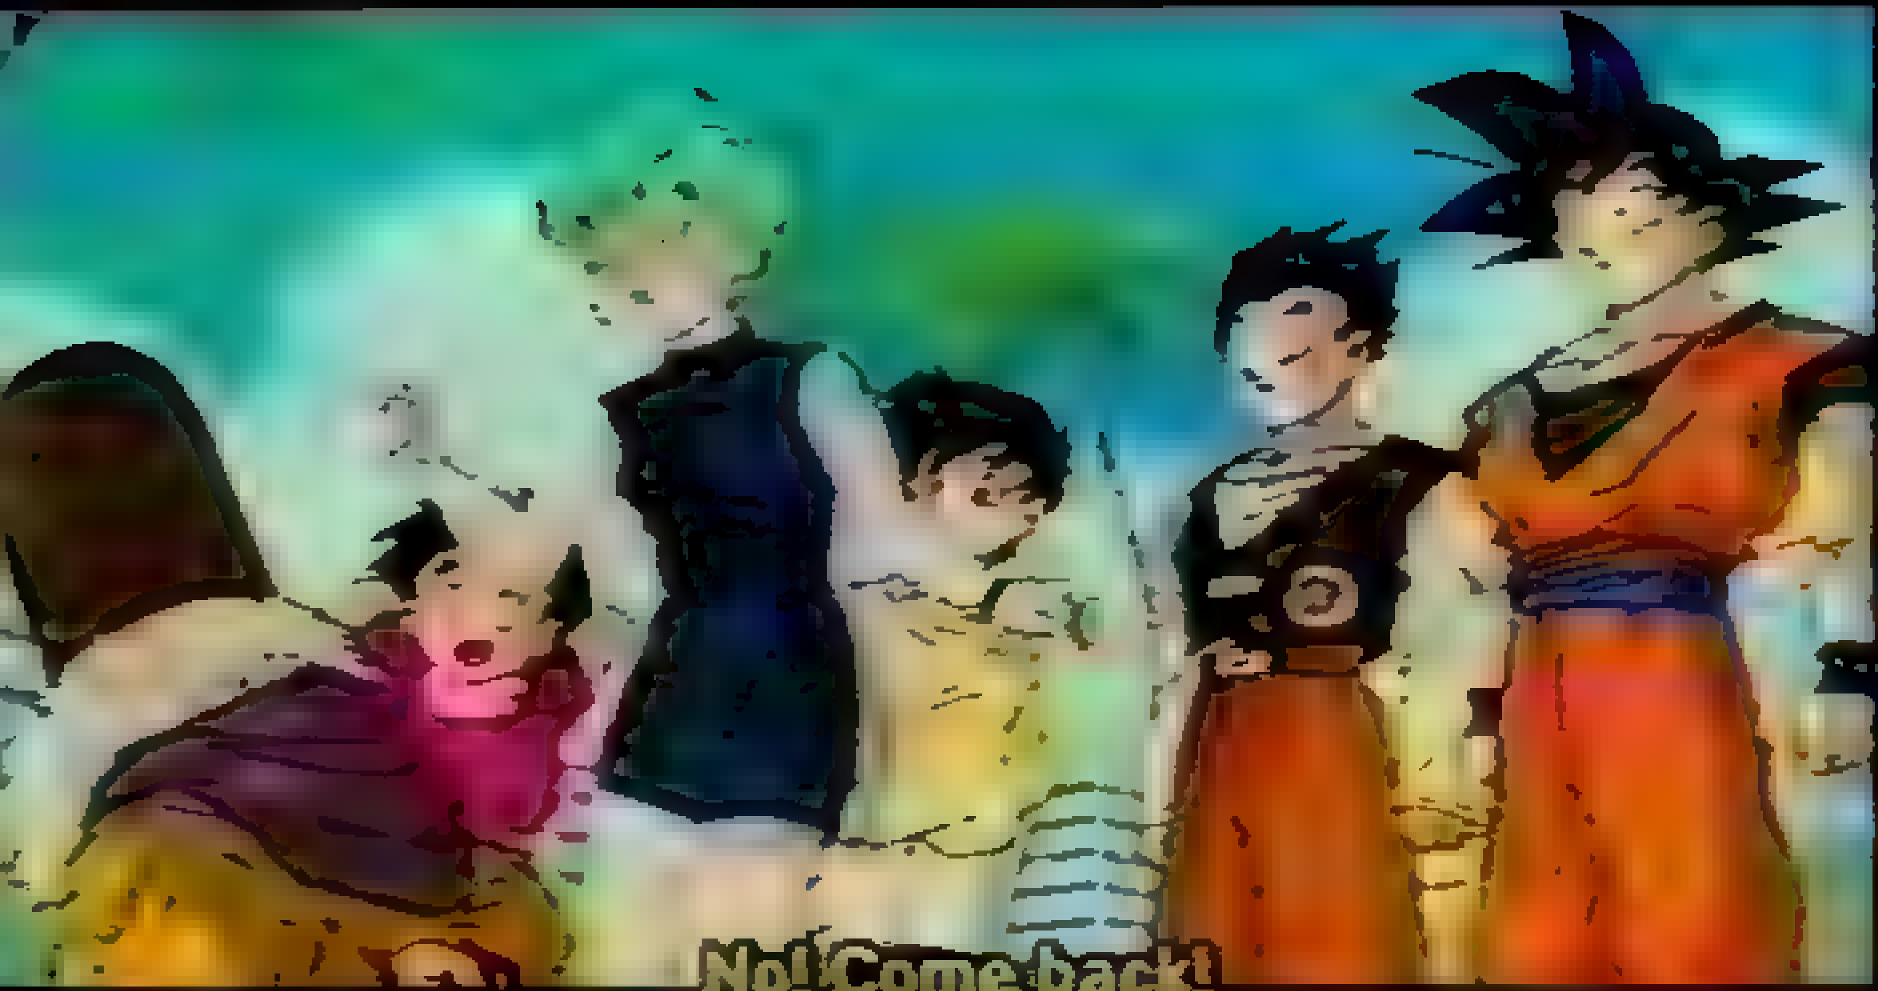

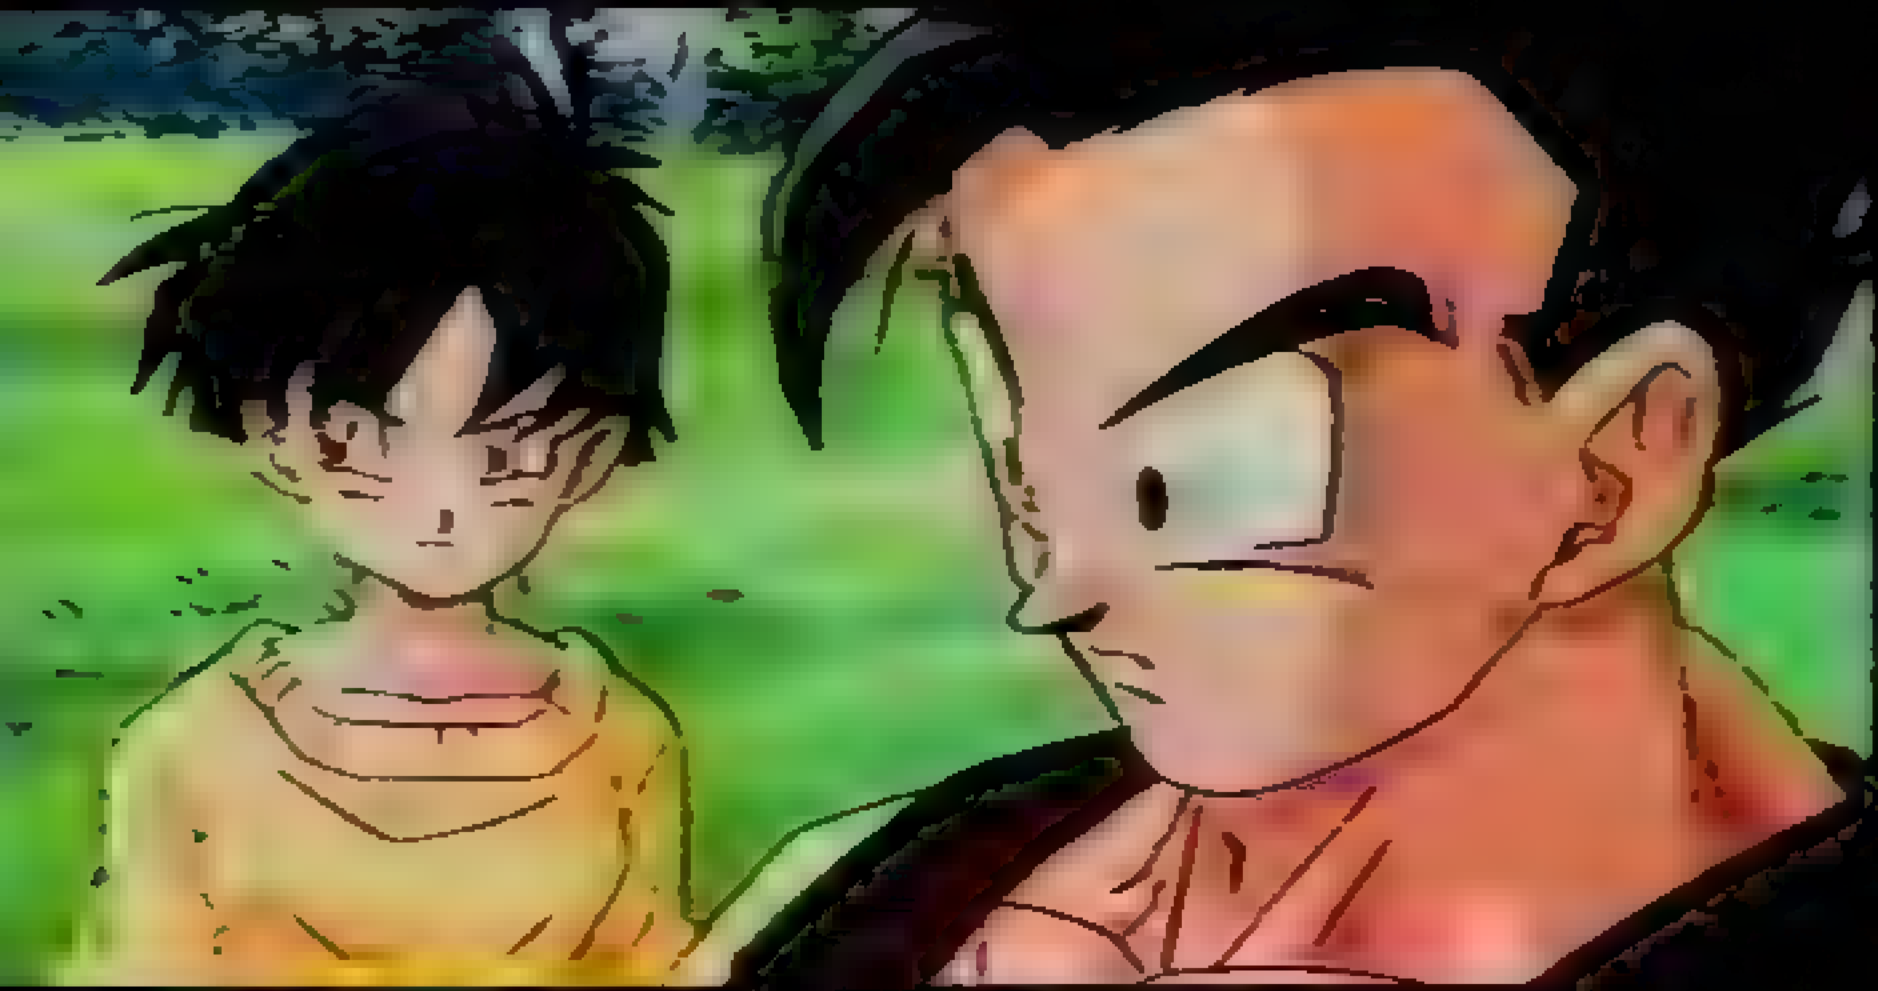

He'll be my hero from now on.

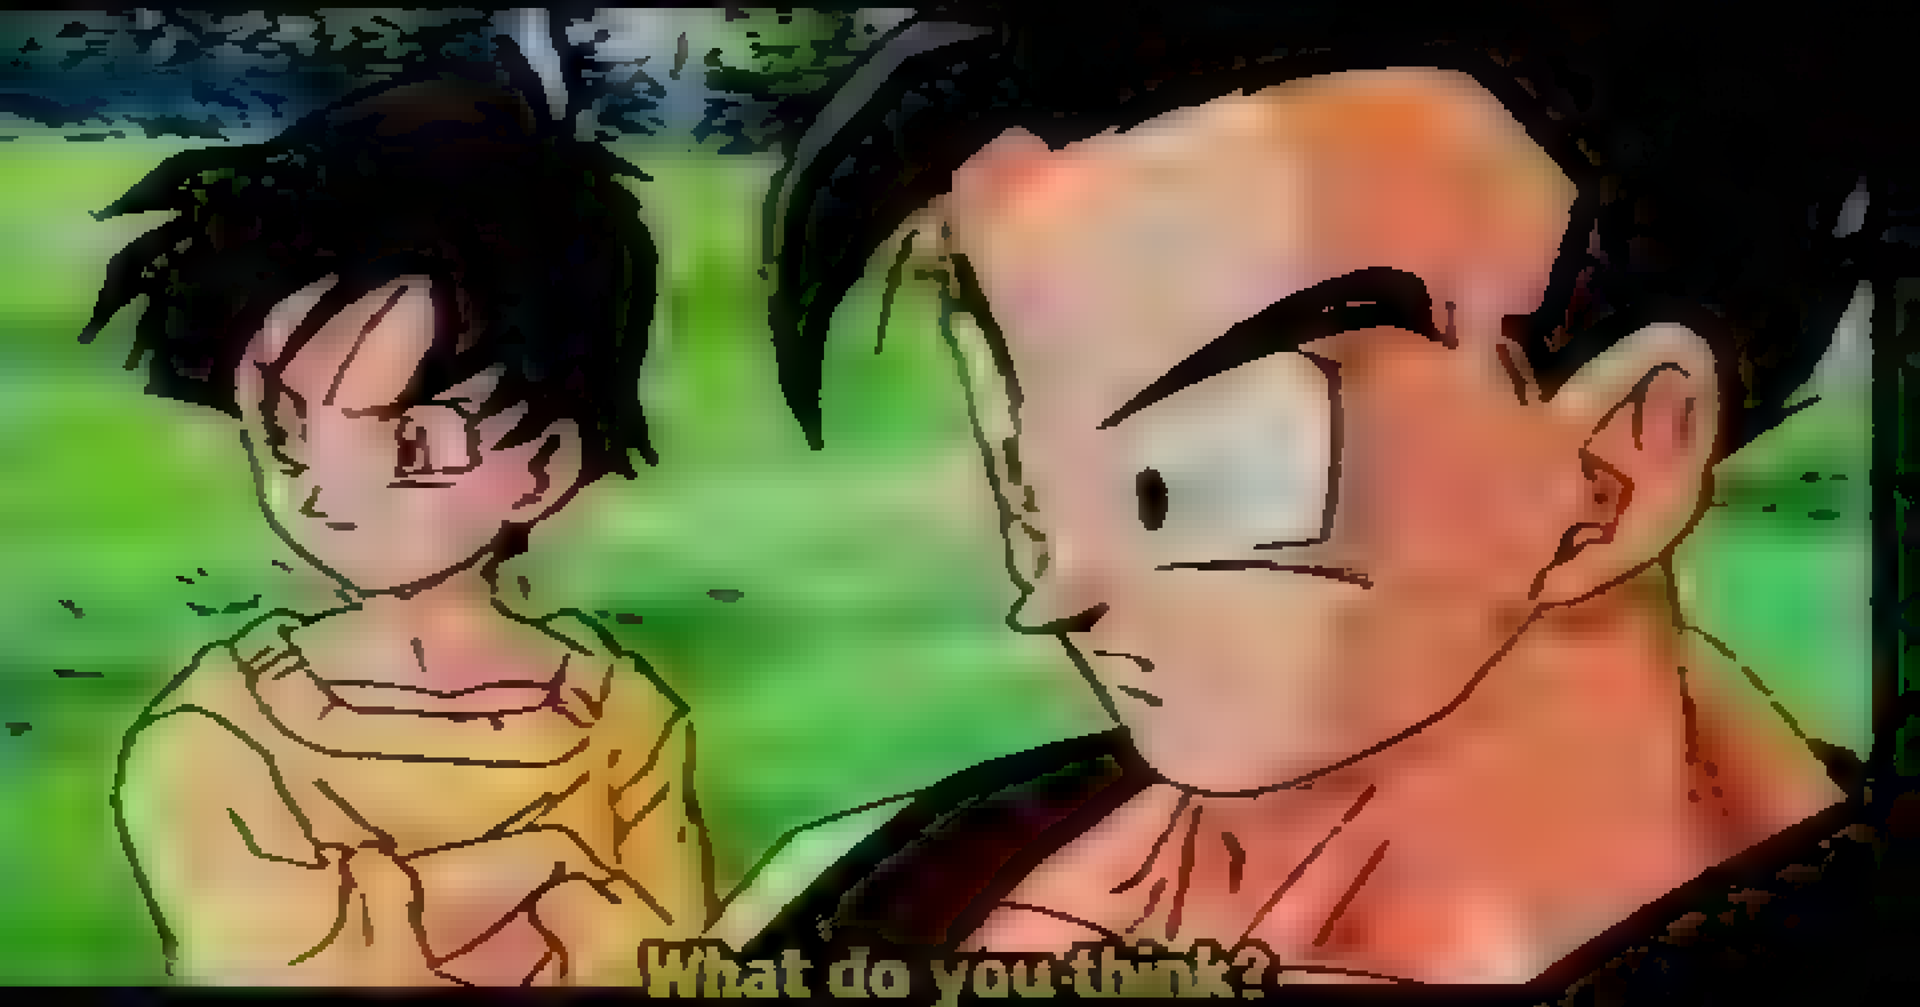

Don't do that! He doens't even know
how to thank us for letting him out.

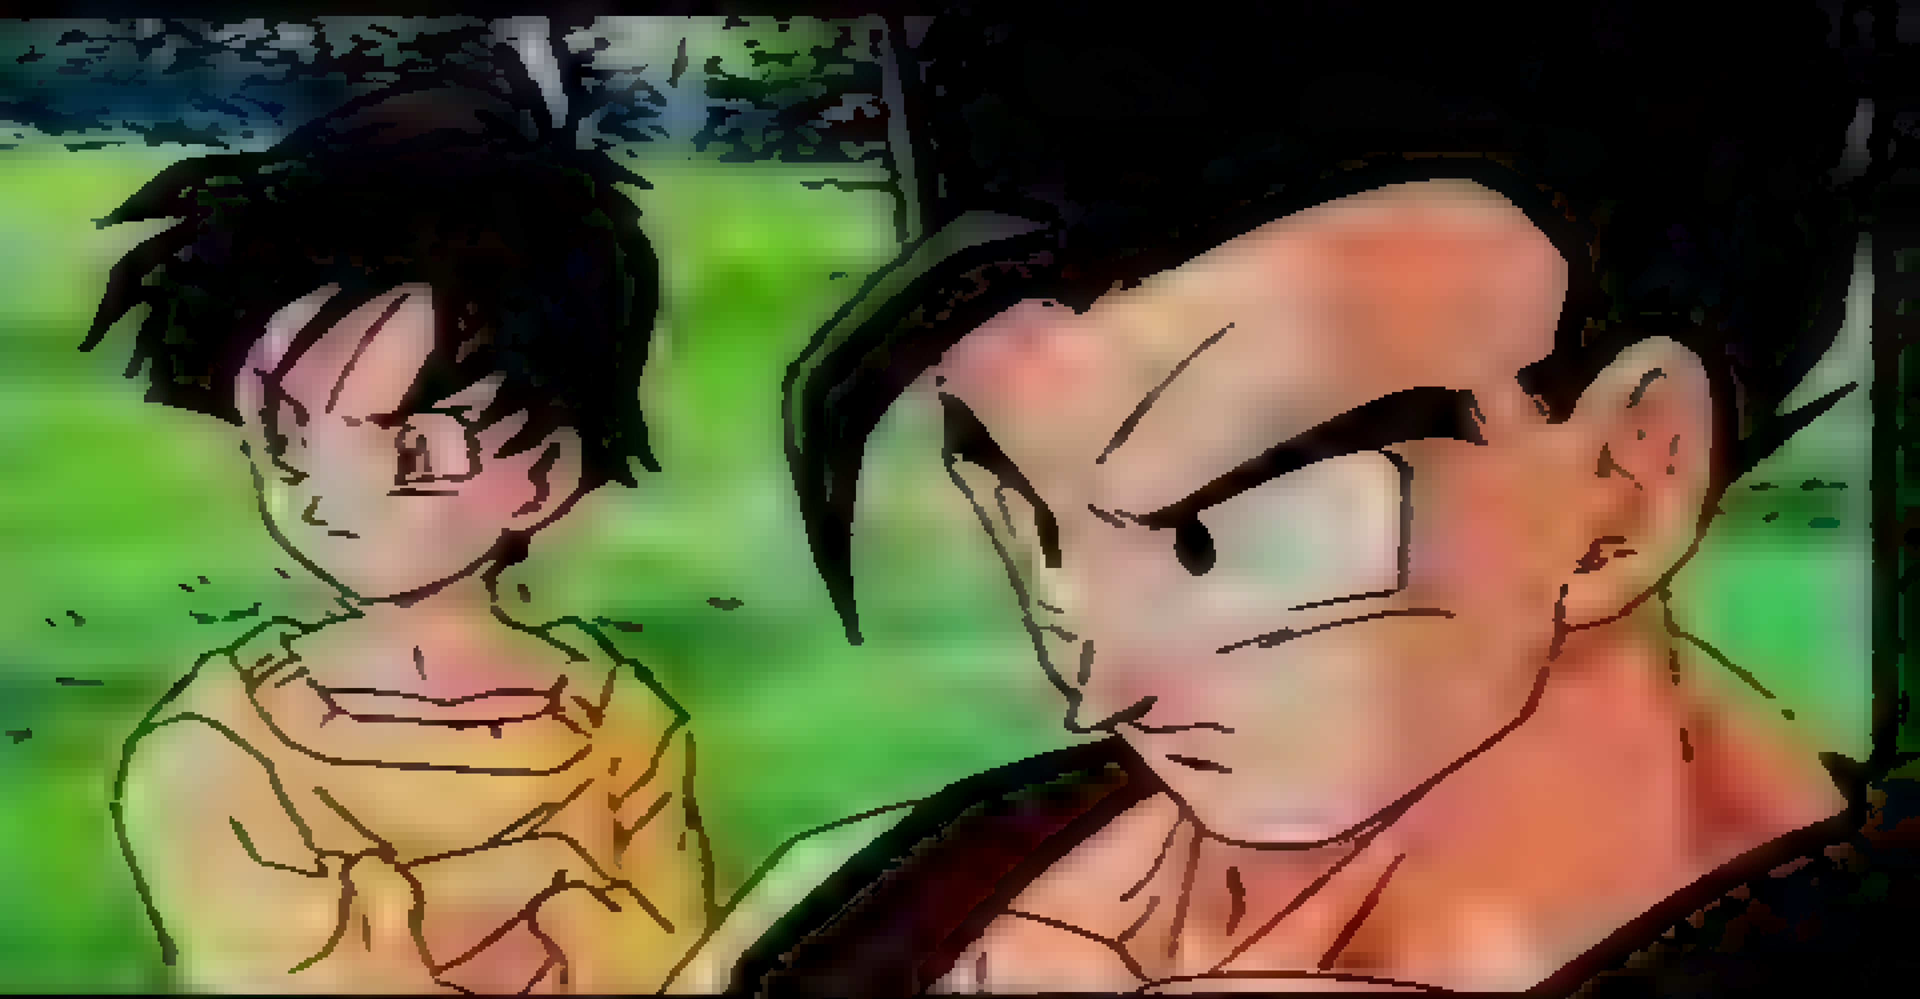

Don't do that! He doens't even know
how to thank us for letting him out.

Don't do that! He doesn't even know
how to thank us for letting him out.

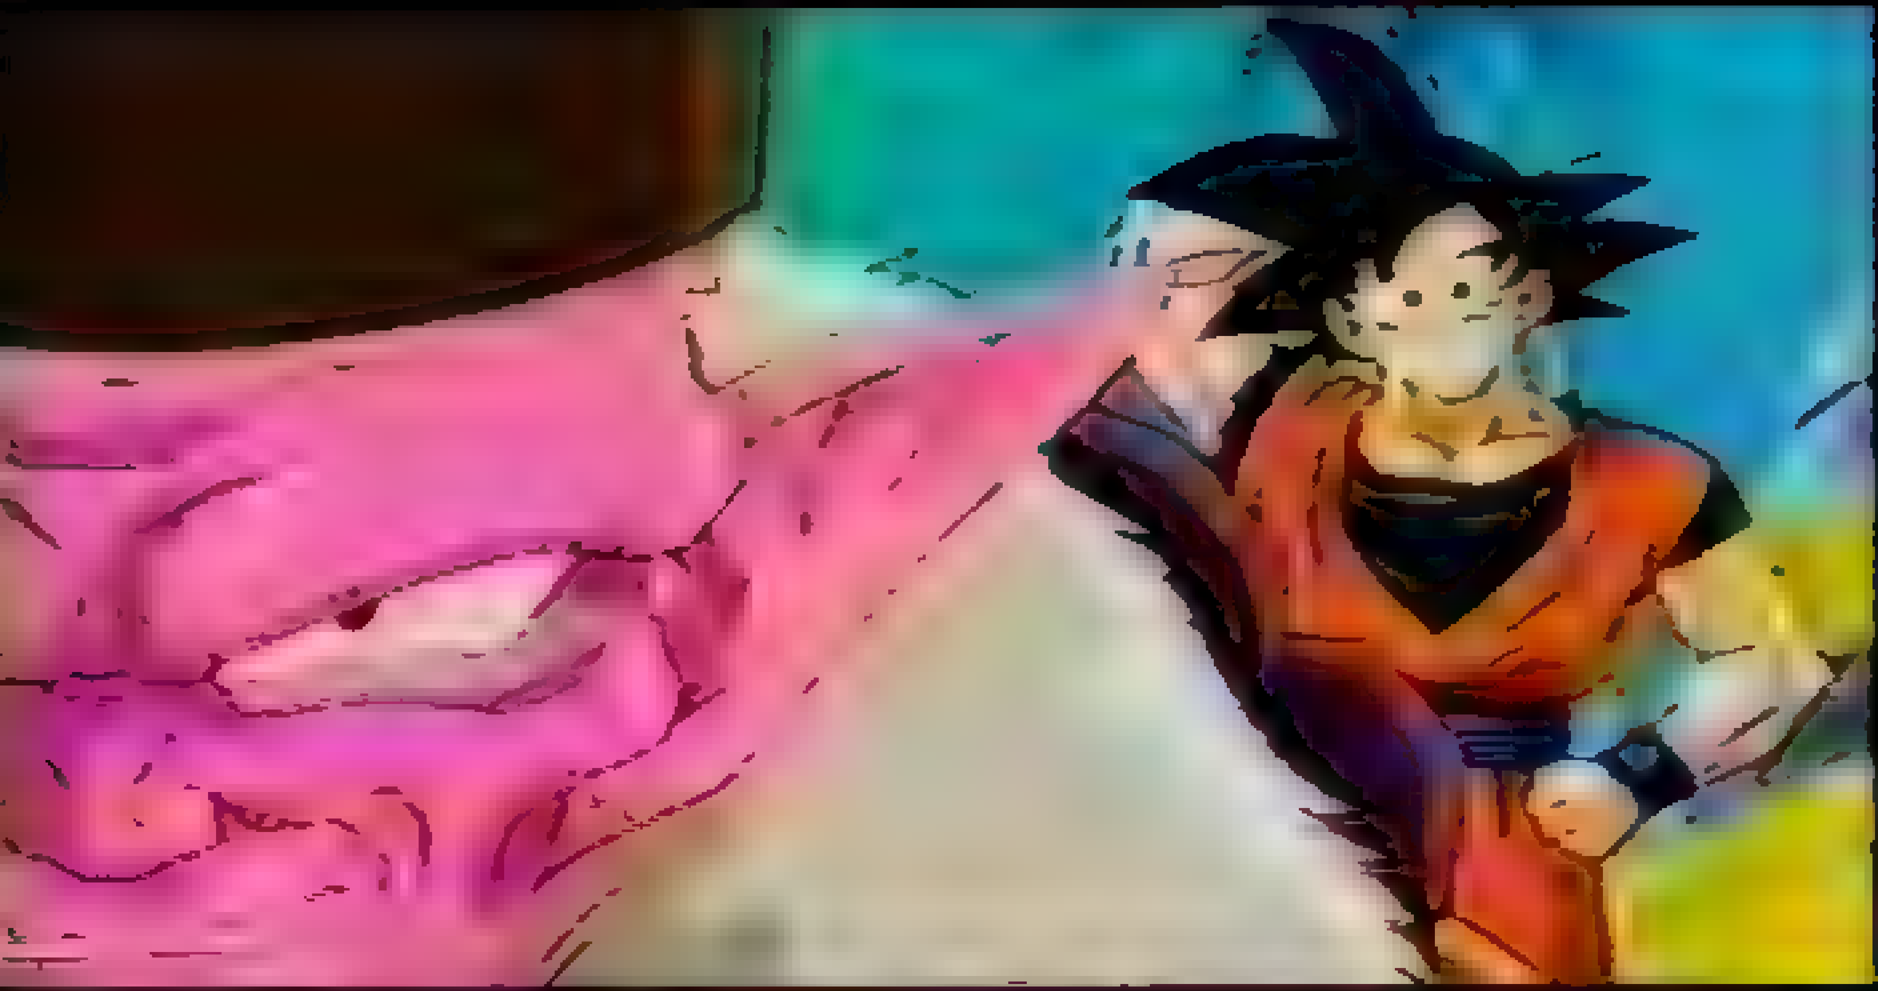

No! Come back!

What do you think?

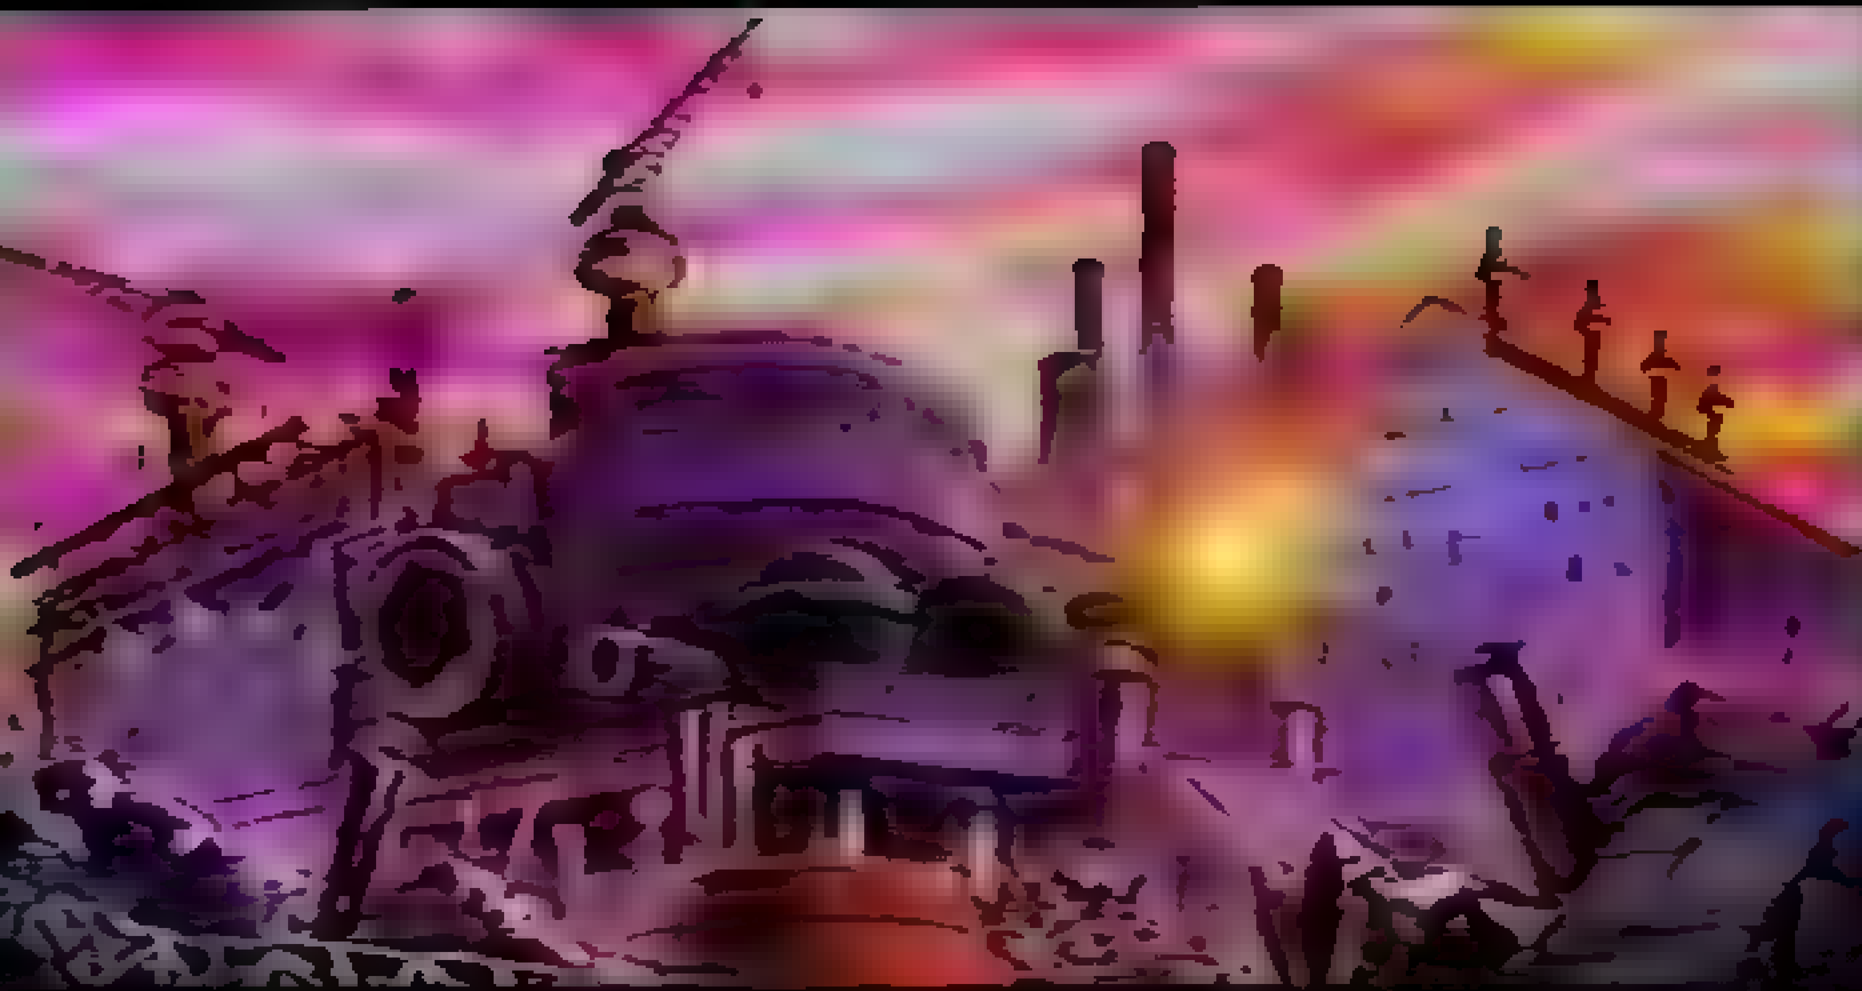

I don't get it...

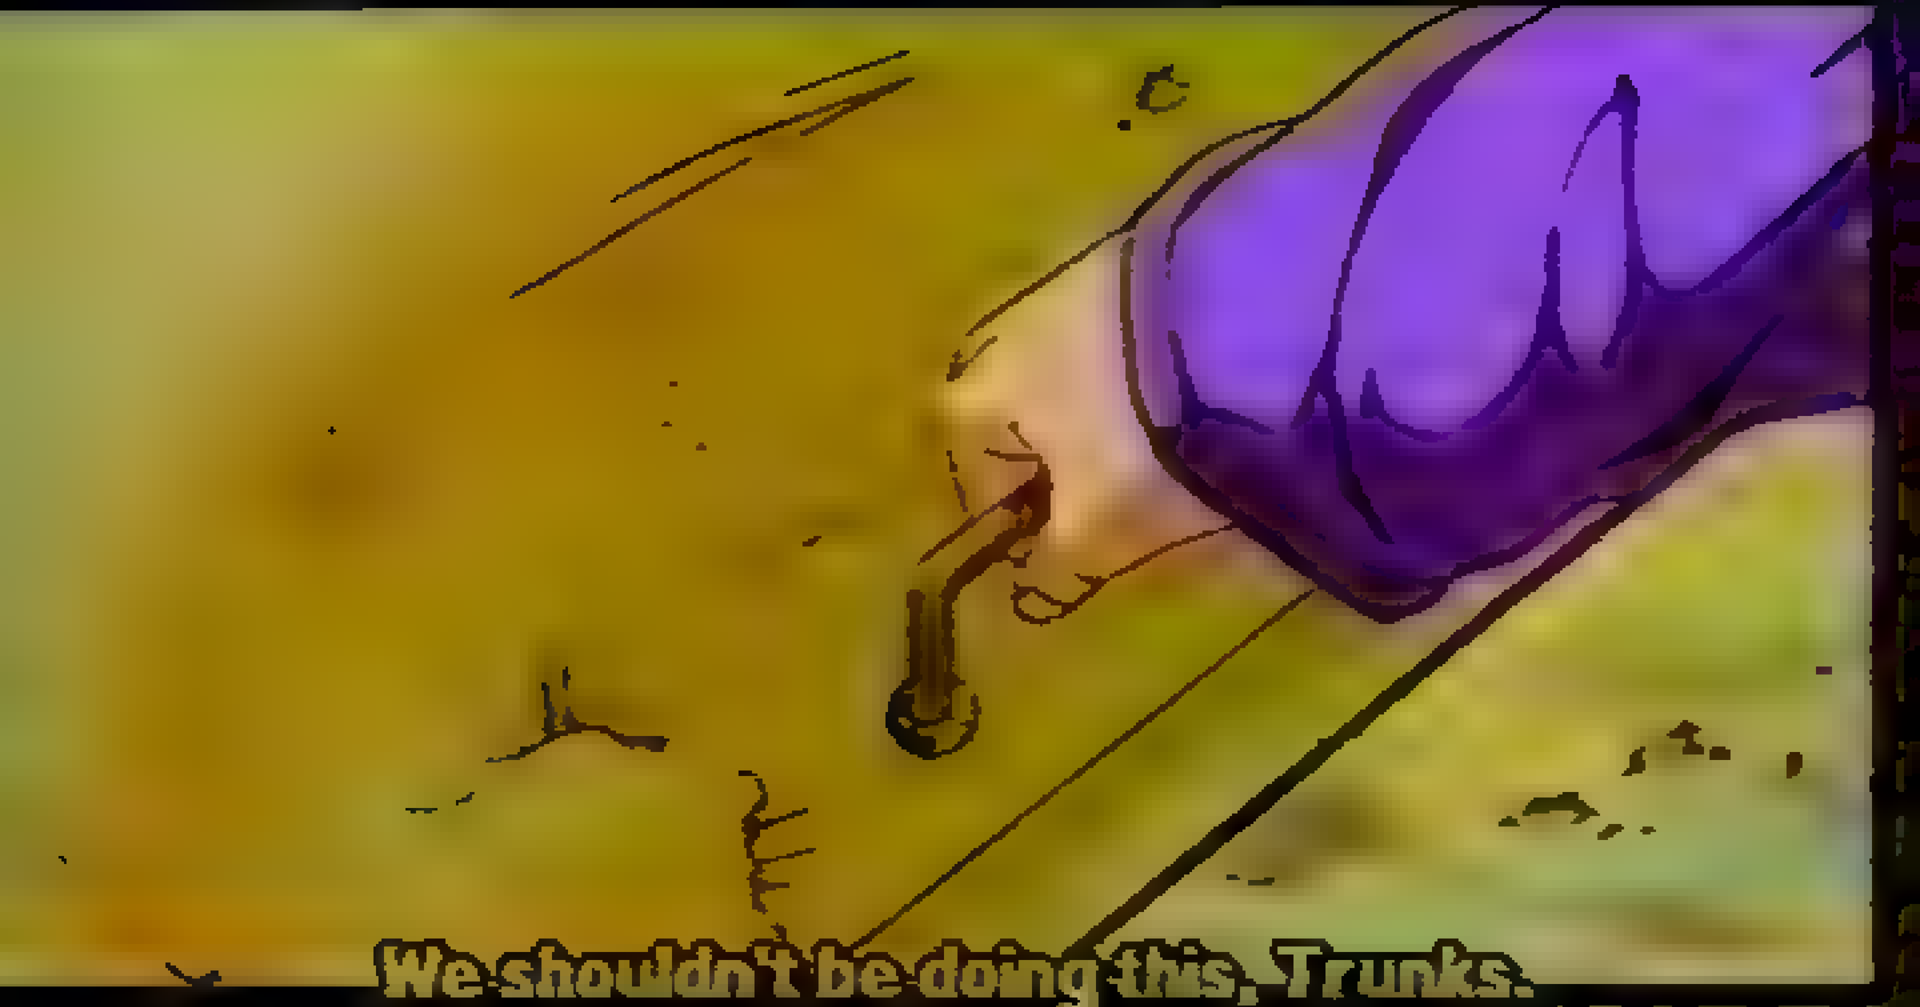

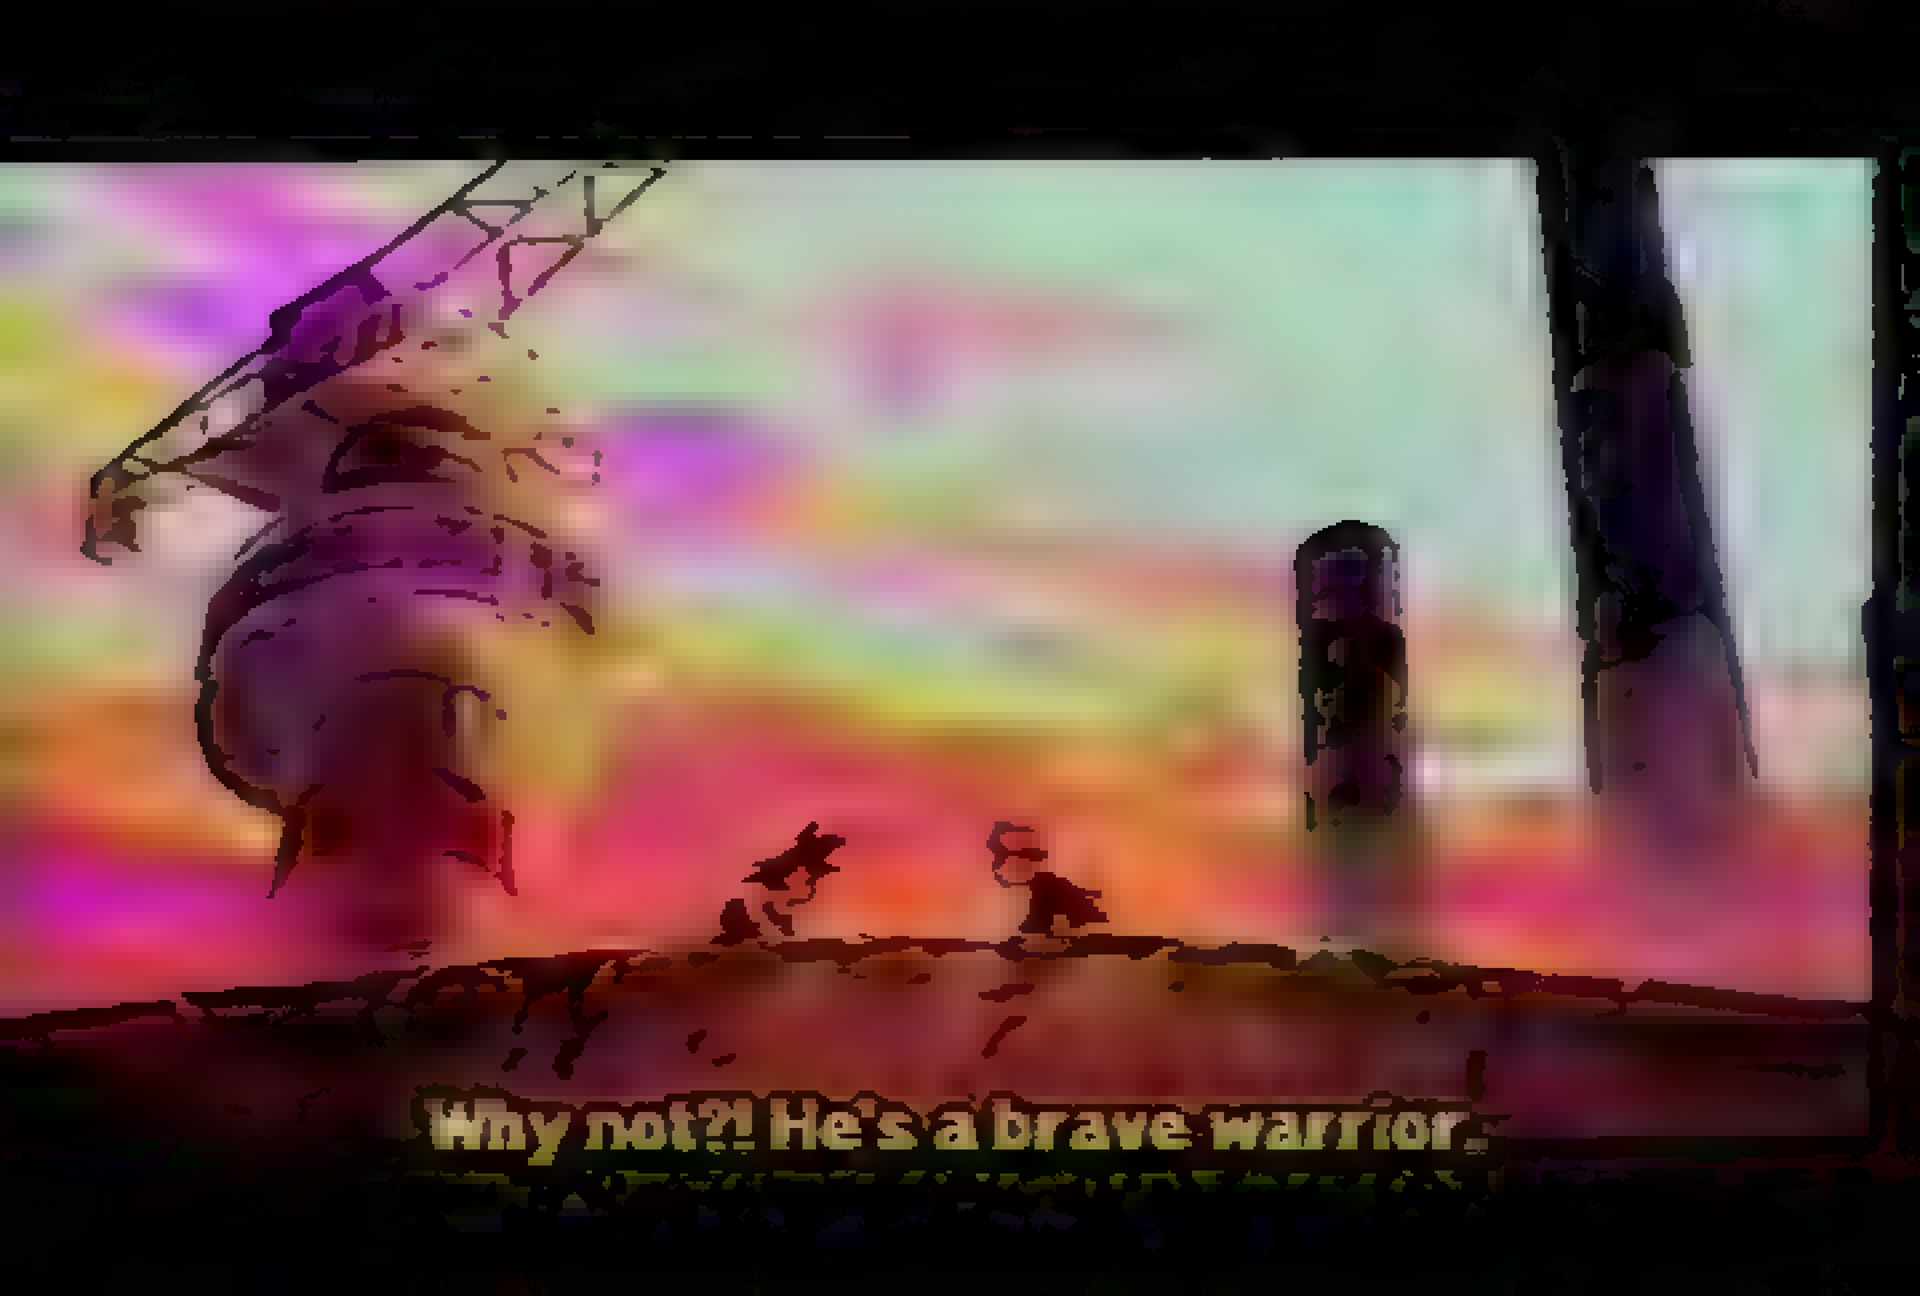

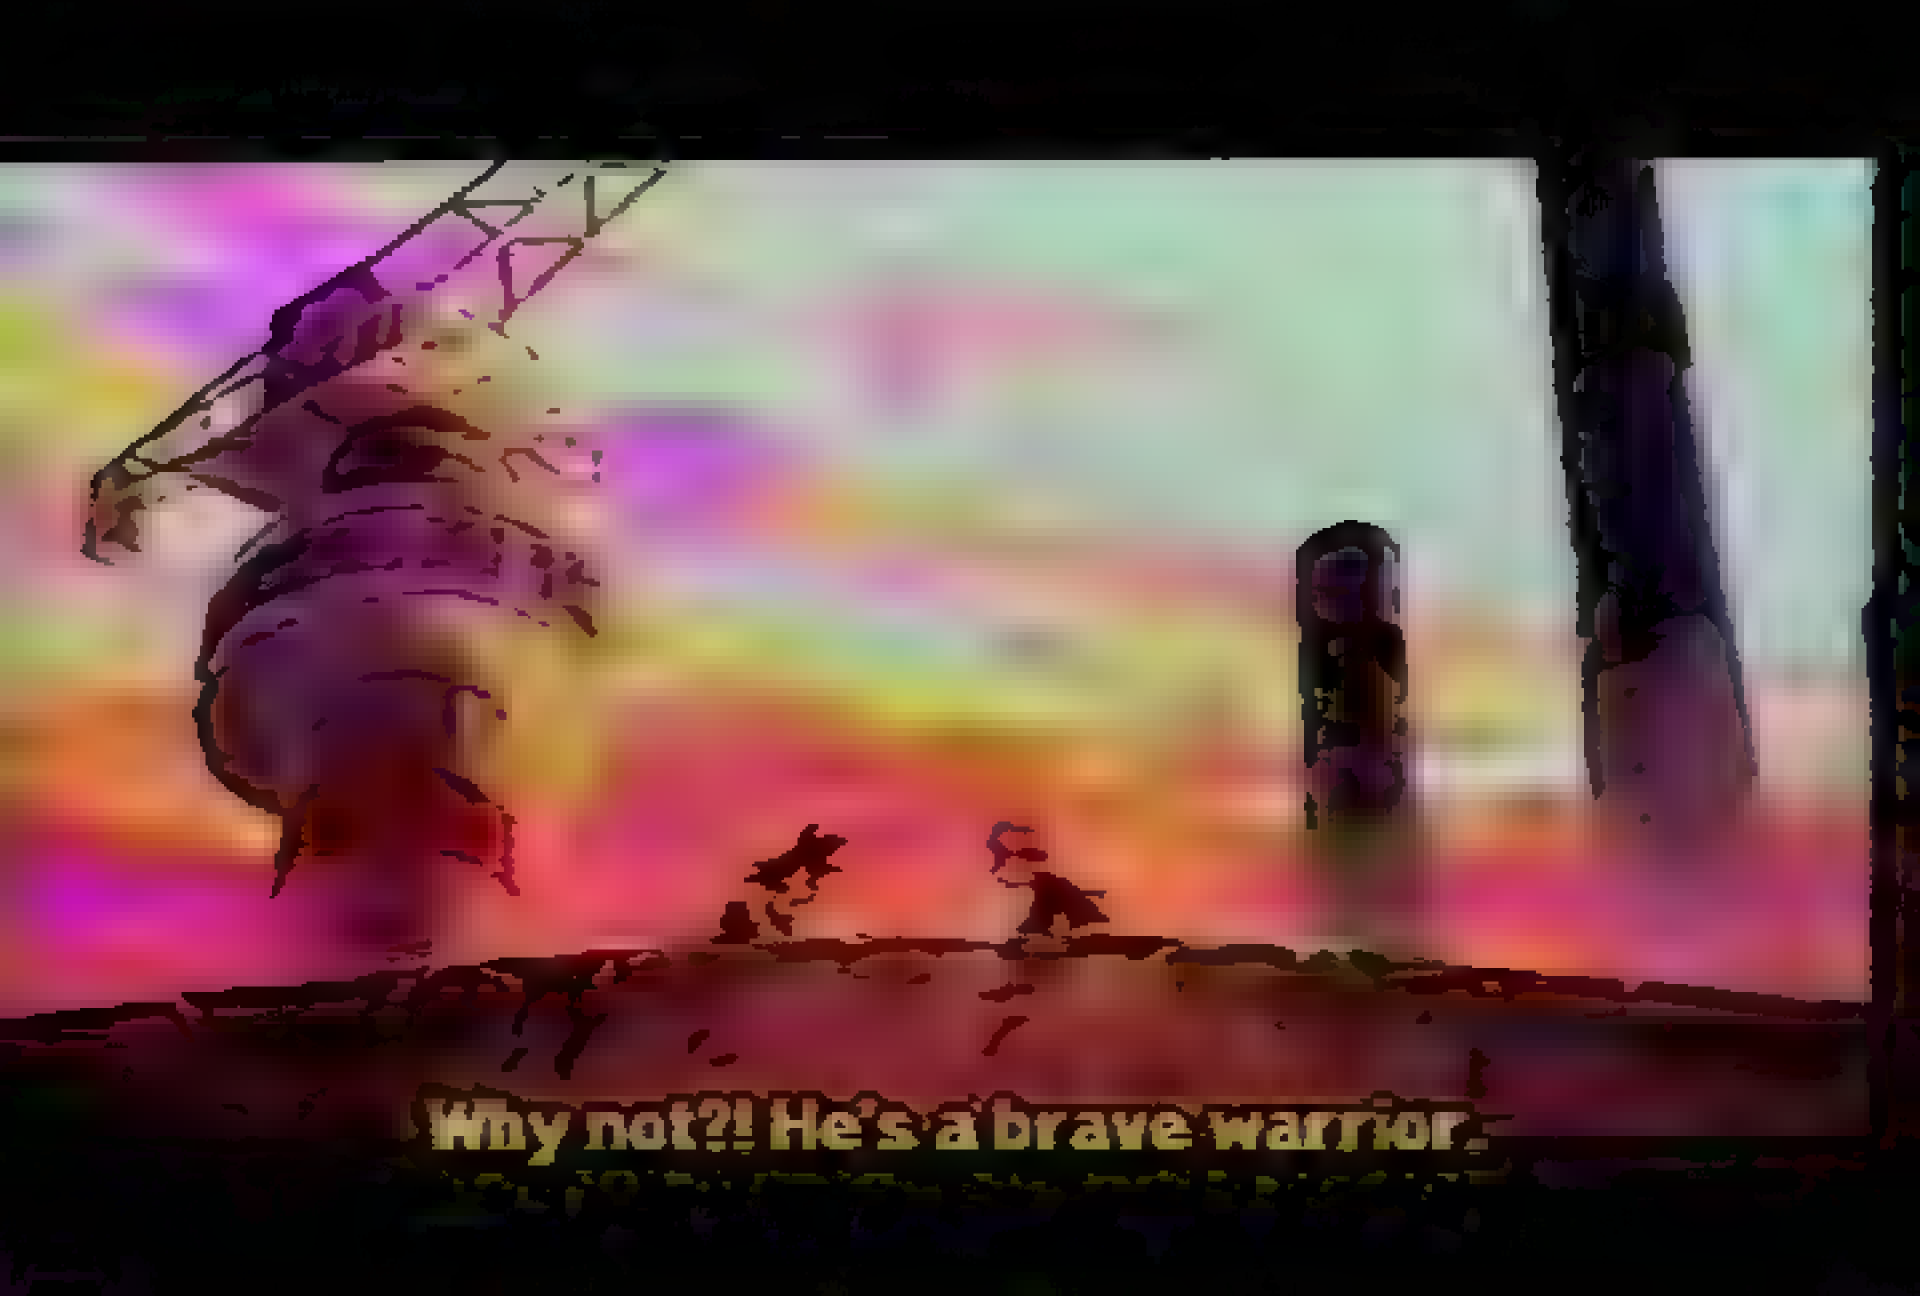

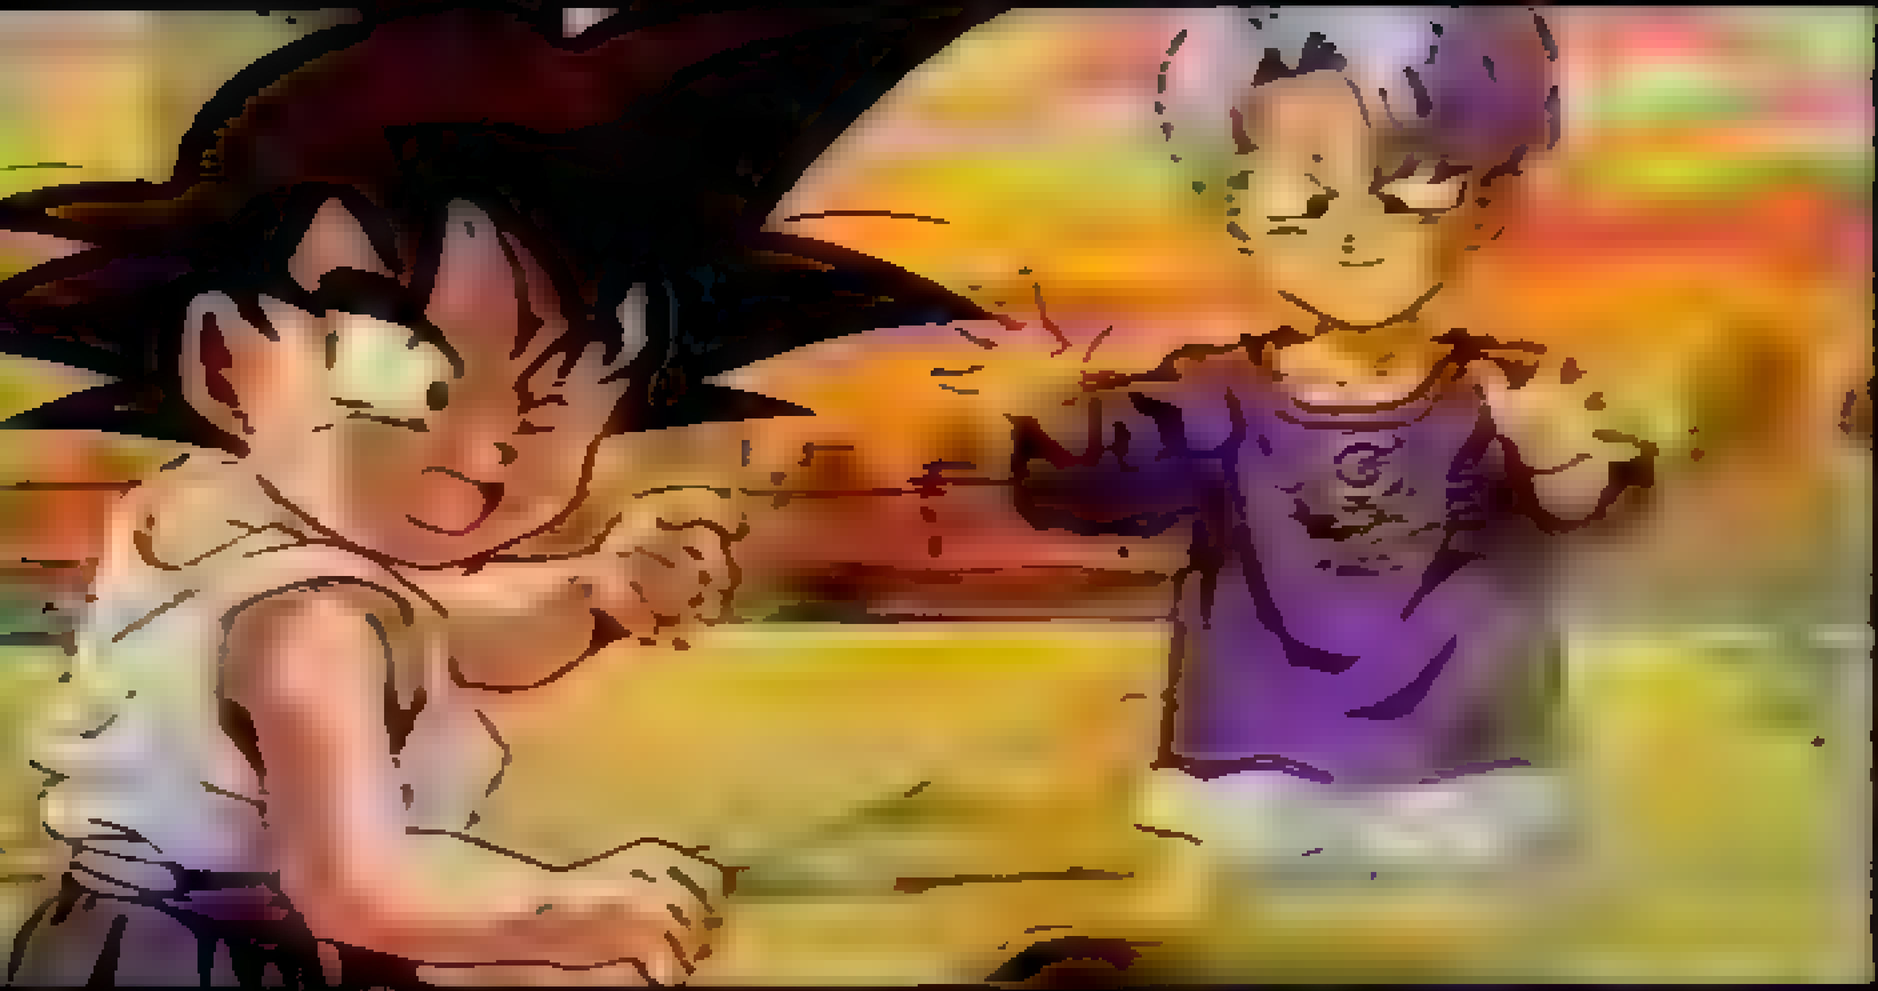

We shouldn't be doing this, Trunks.

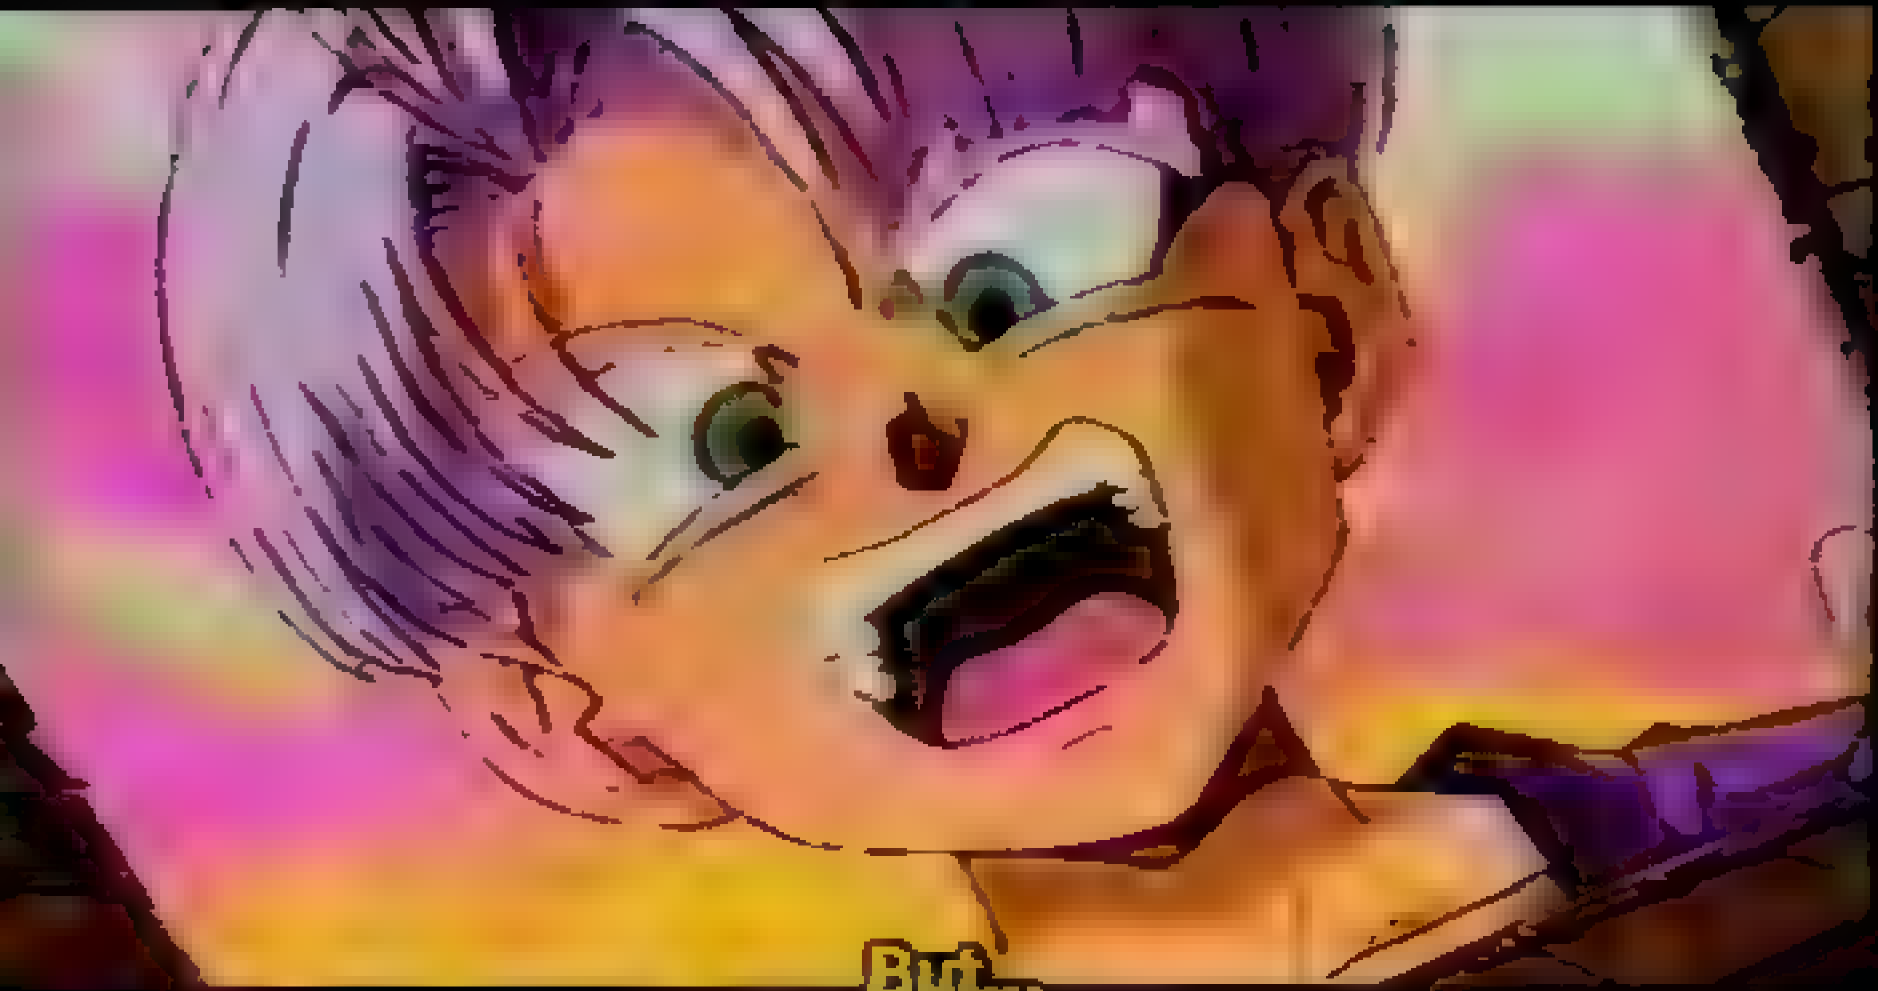

Why not?! He's a brave warrior.

Why not?! He's a brave warrior.

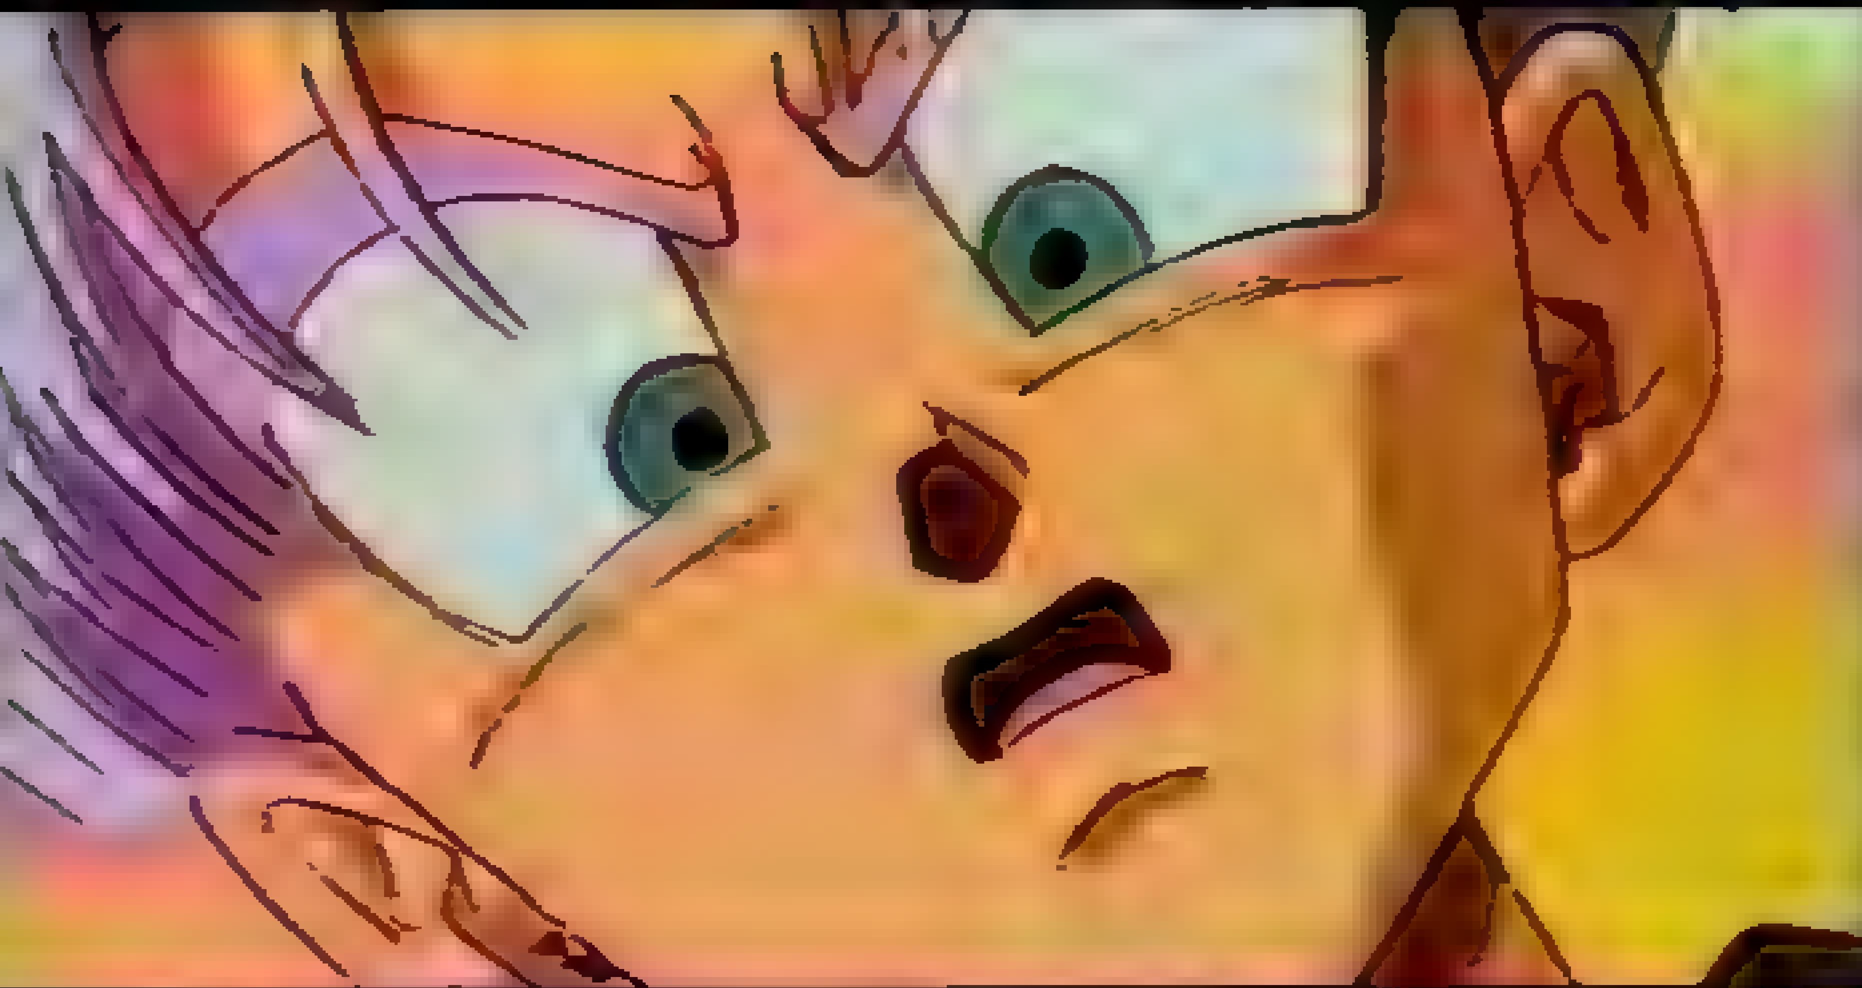

I want to hear all the stories he's been through.

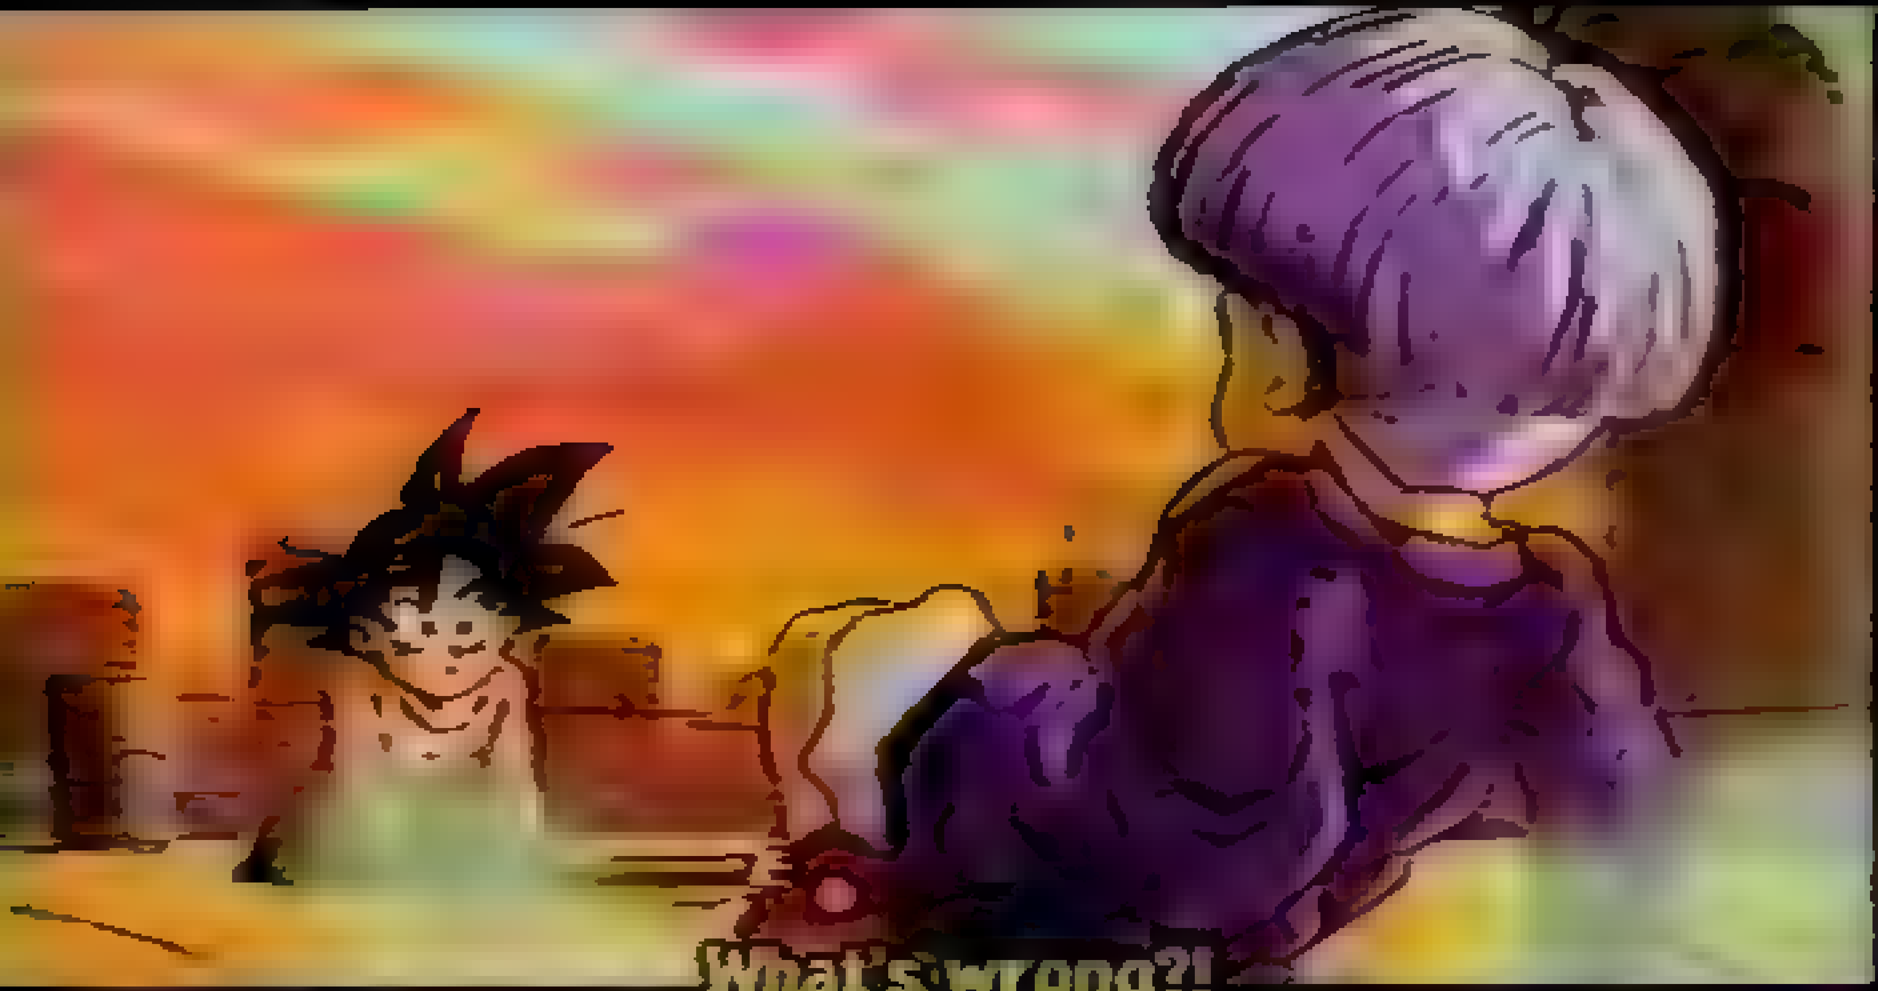

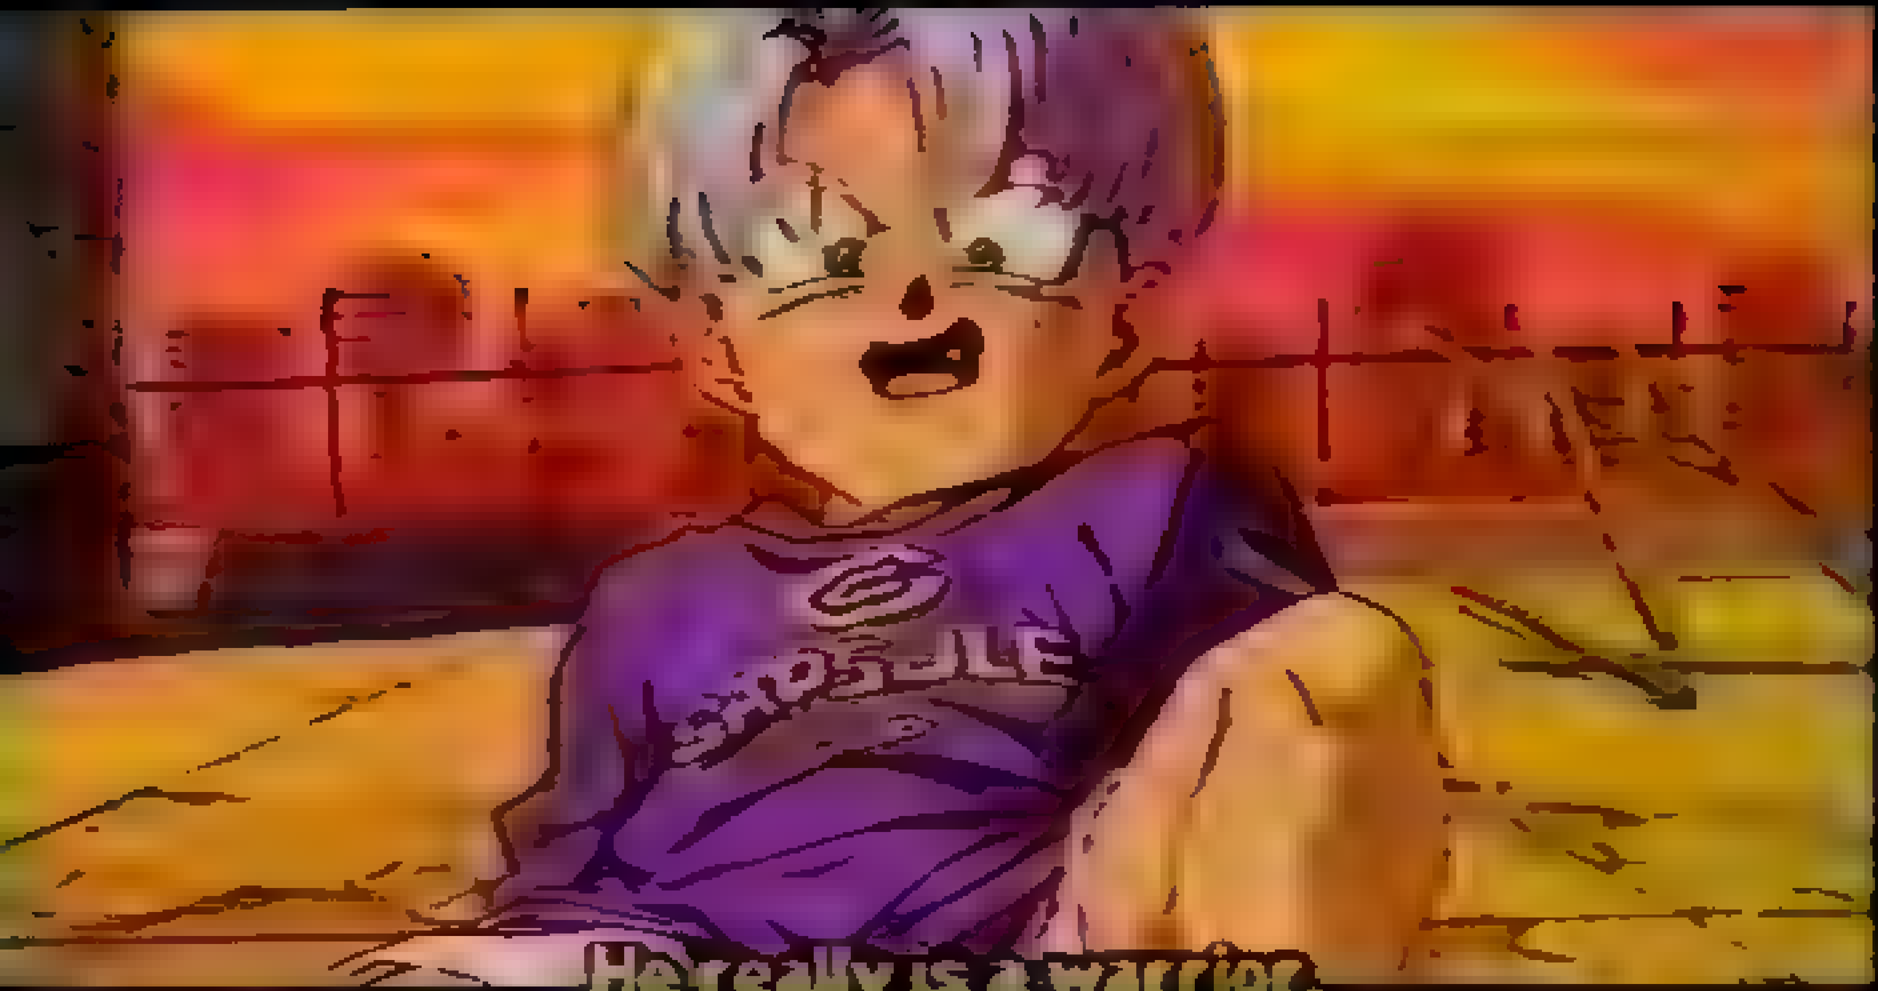

But your mom said no...

But...

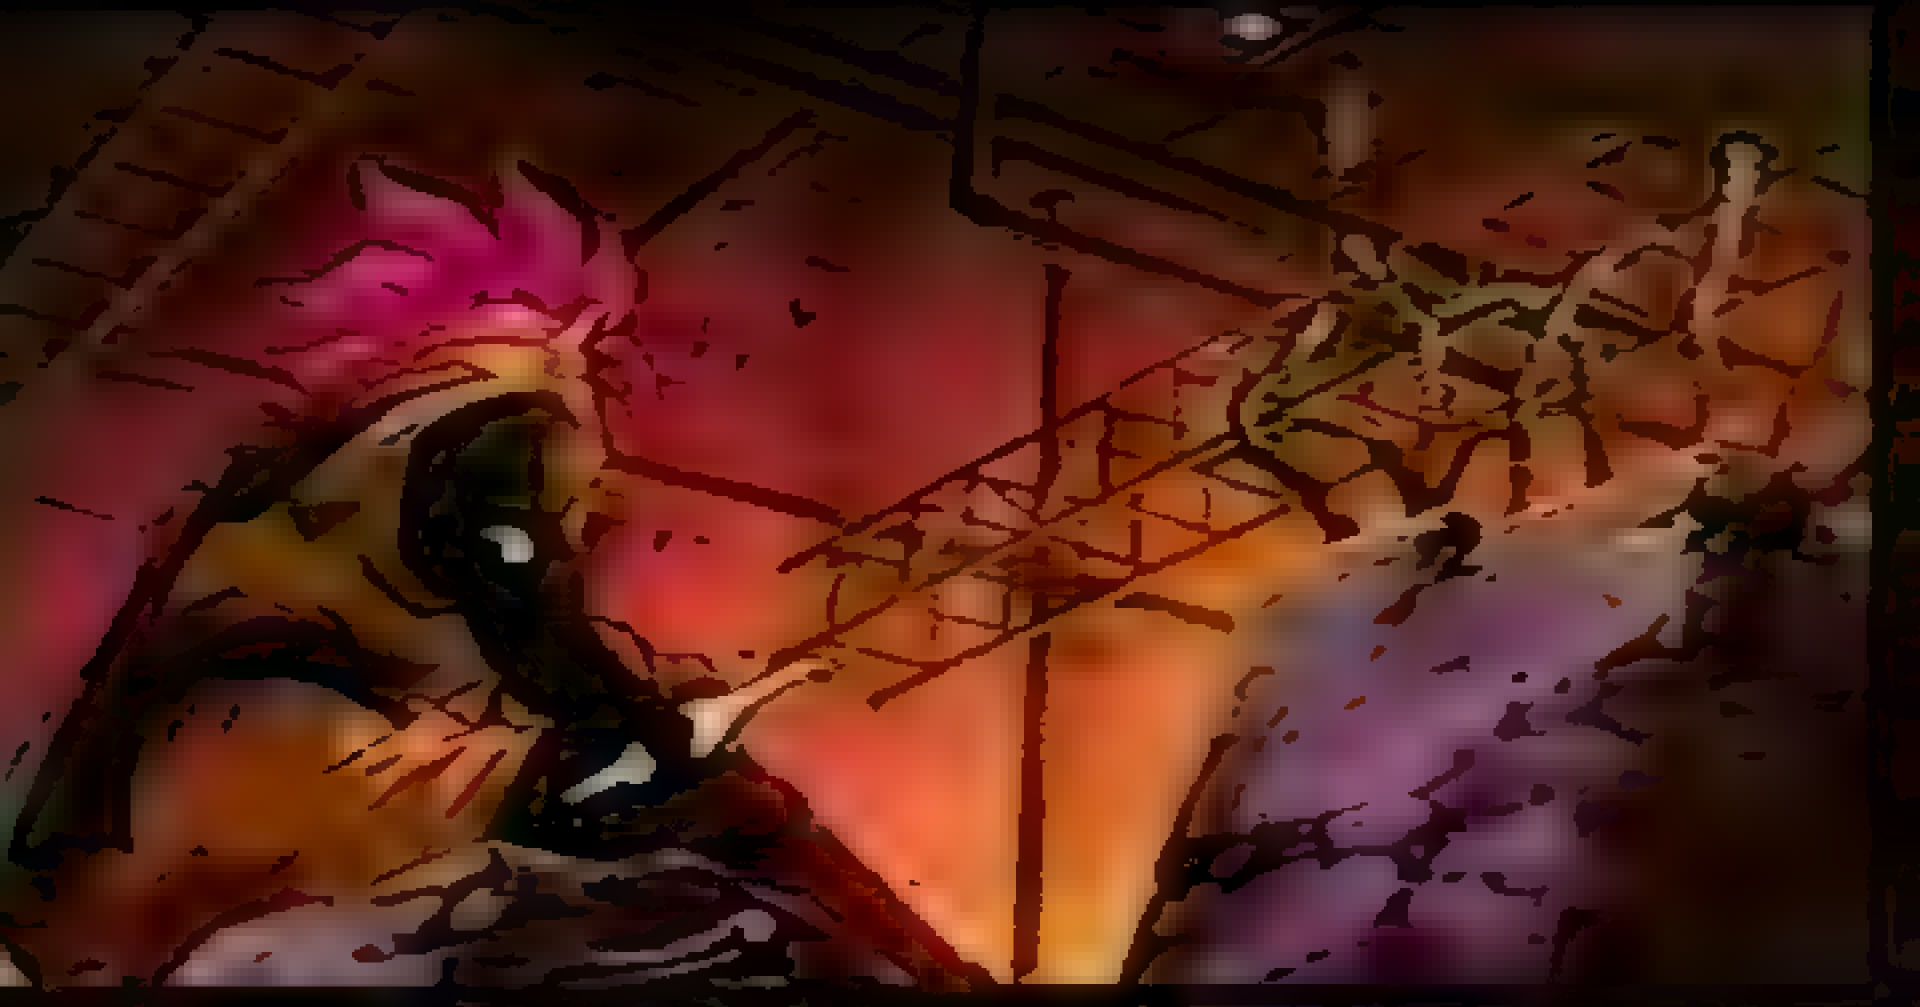

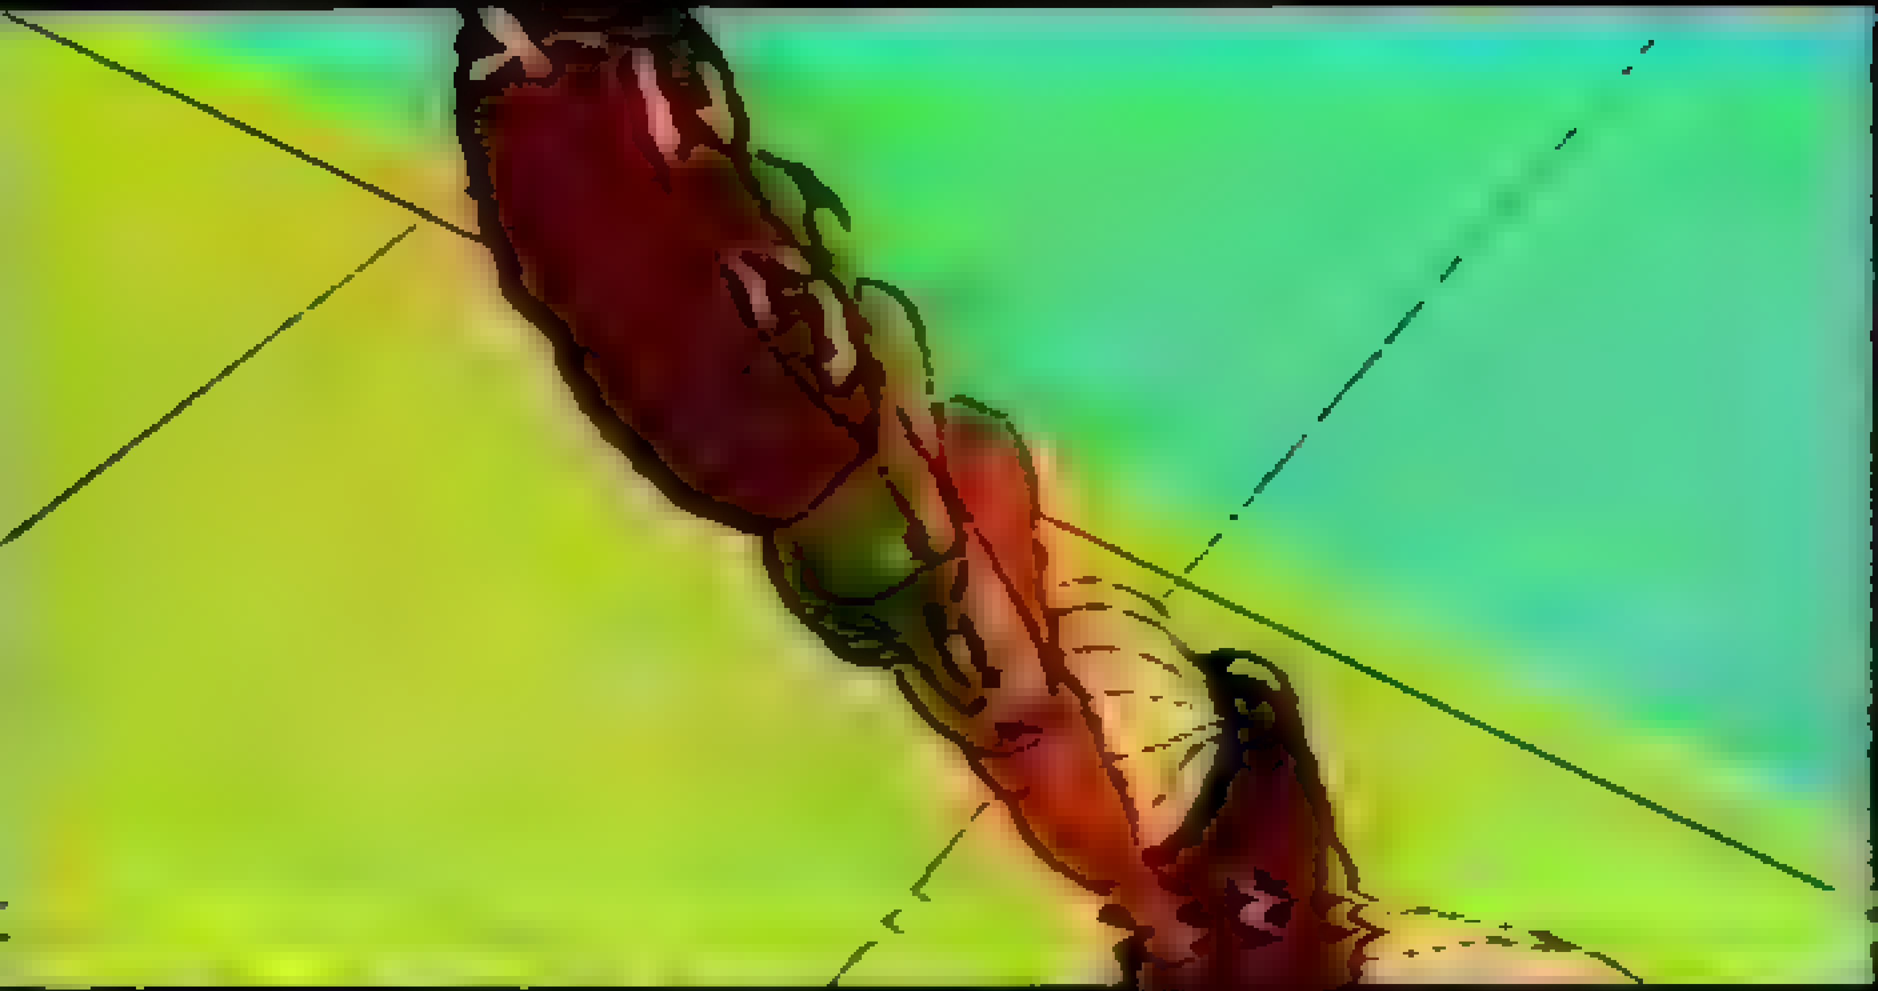

What's wrong?!

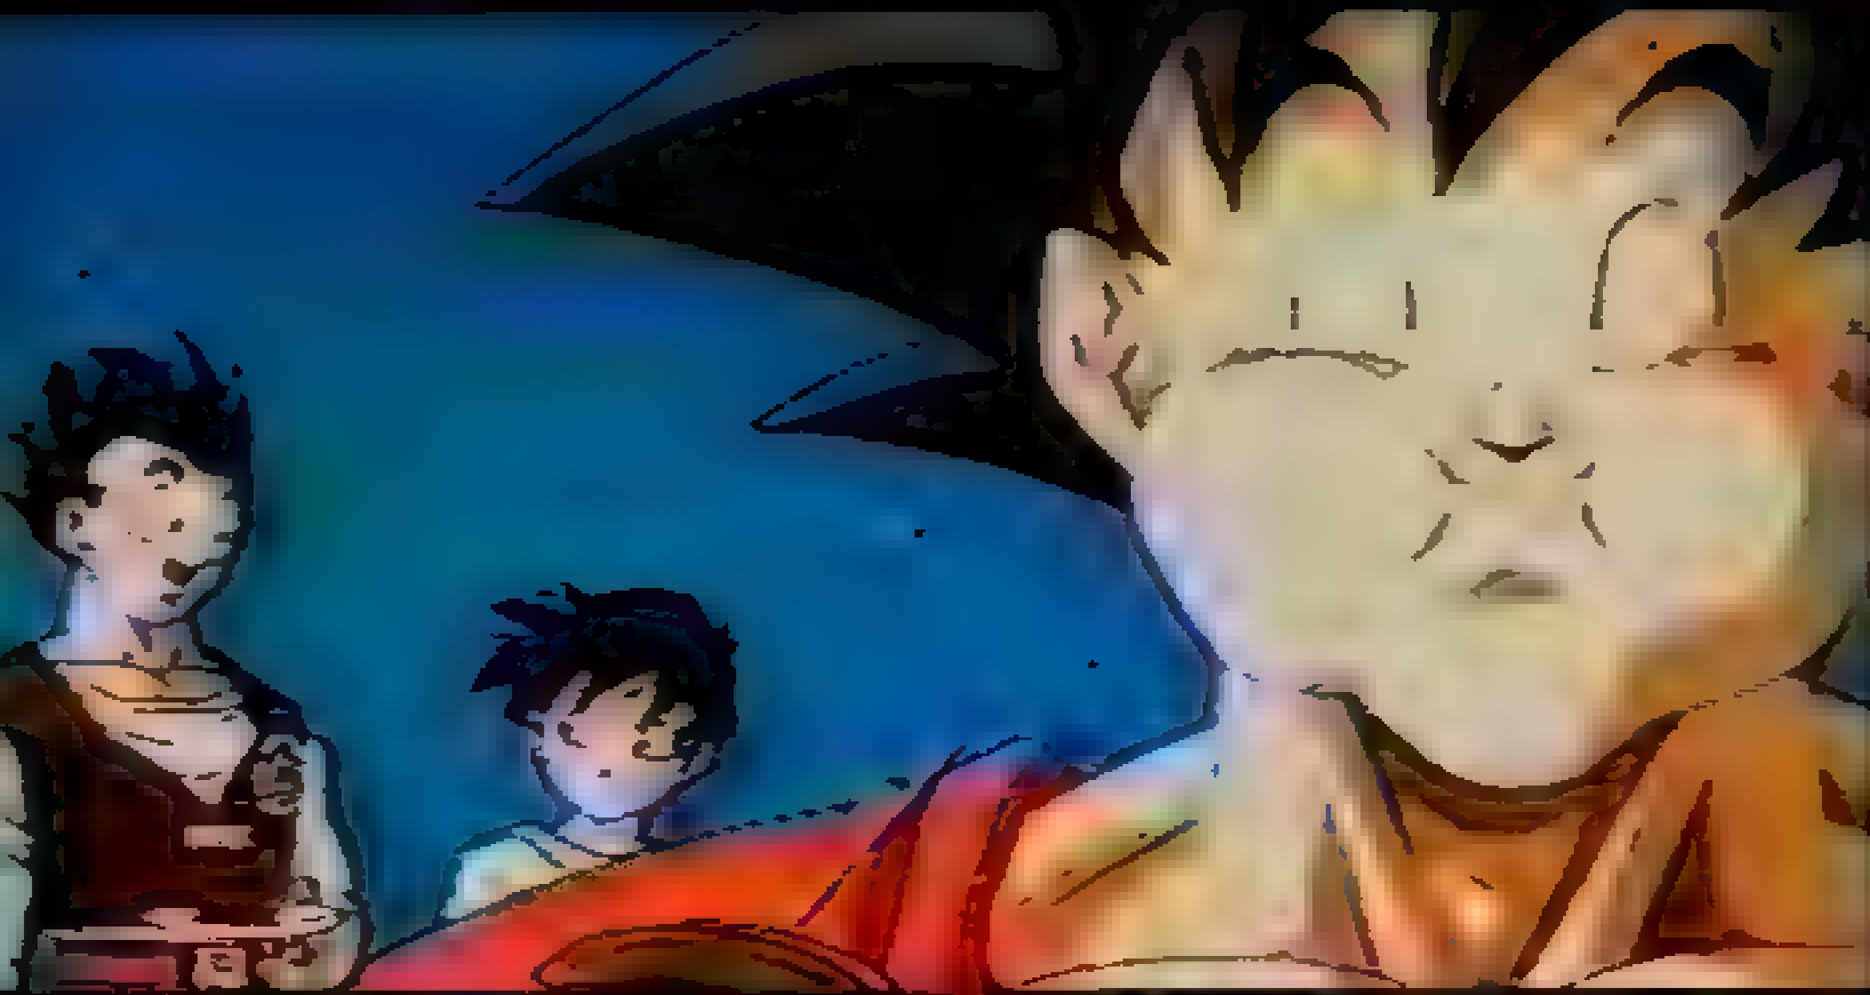

He really is a warrior.

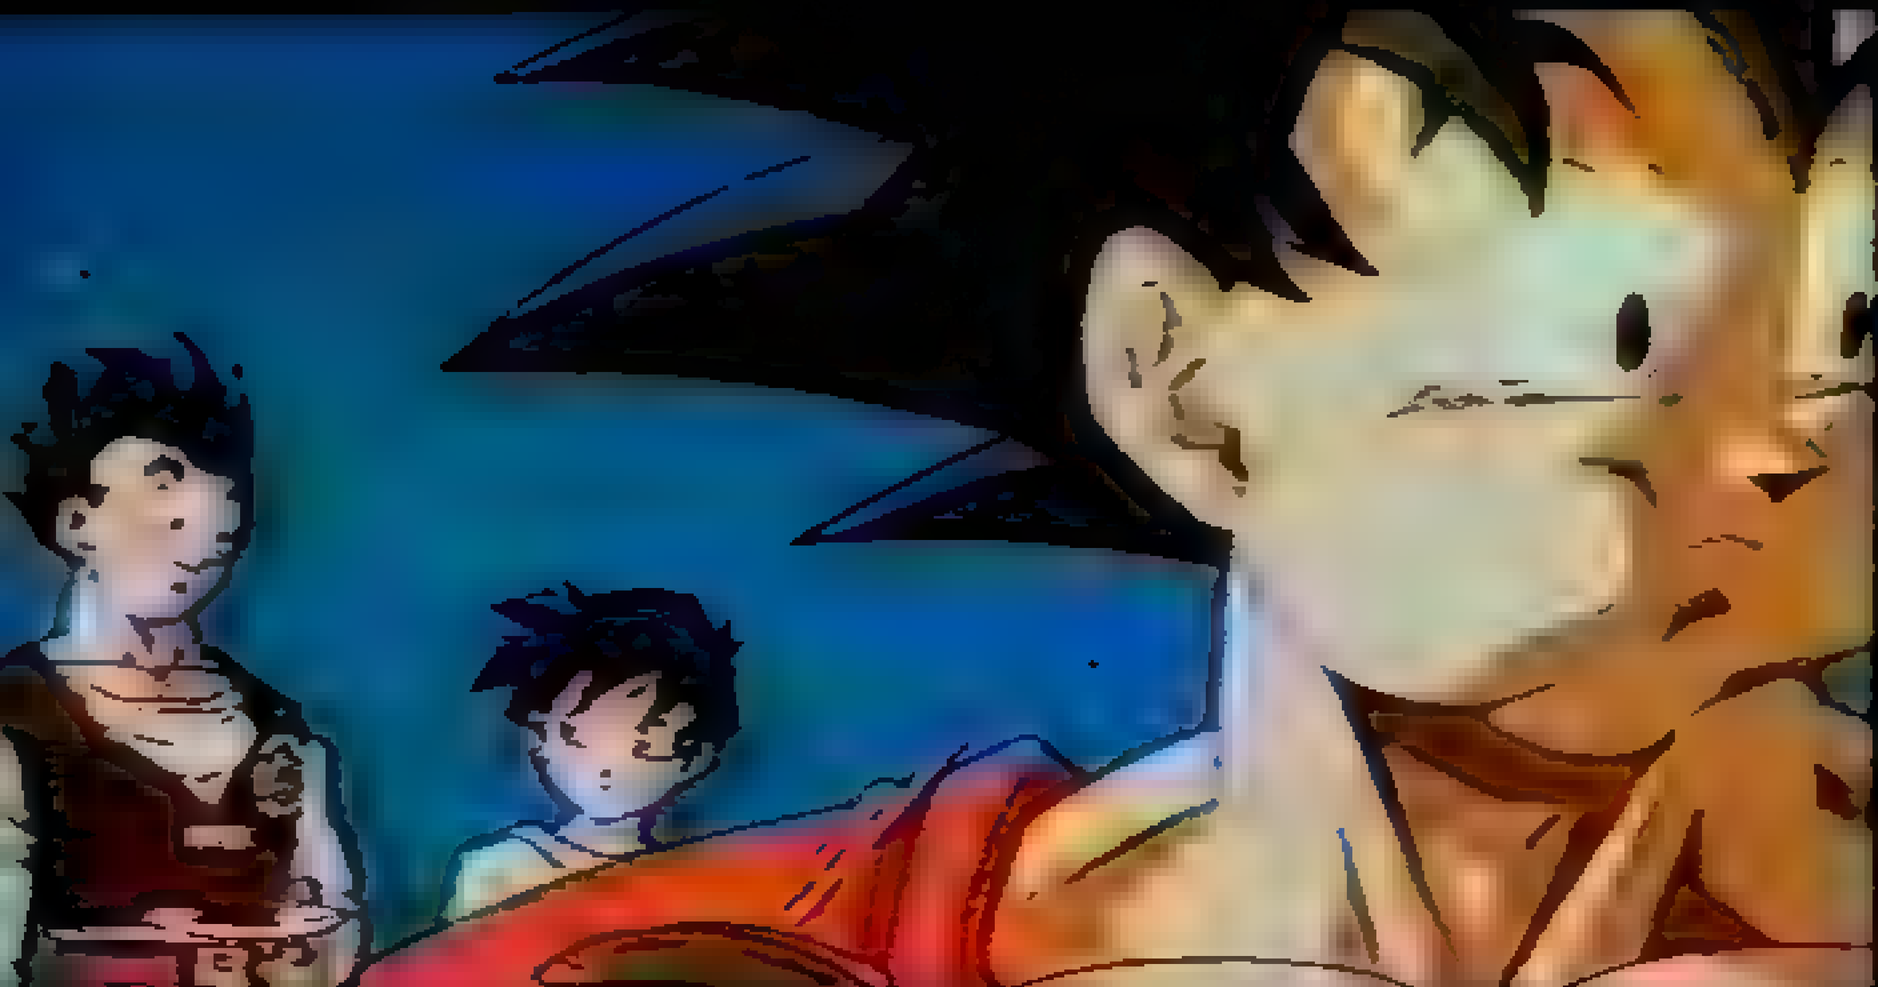

This is so exciting for me.

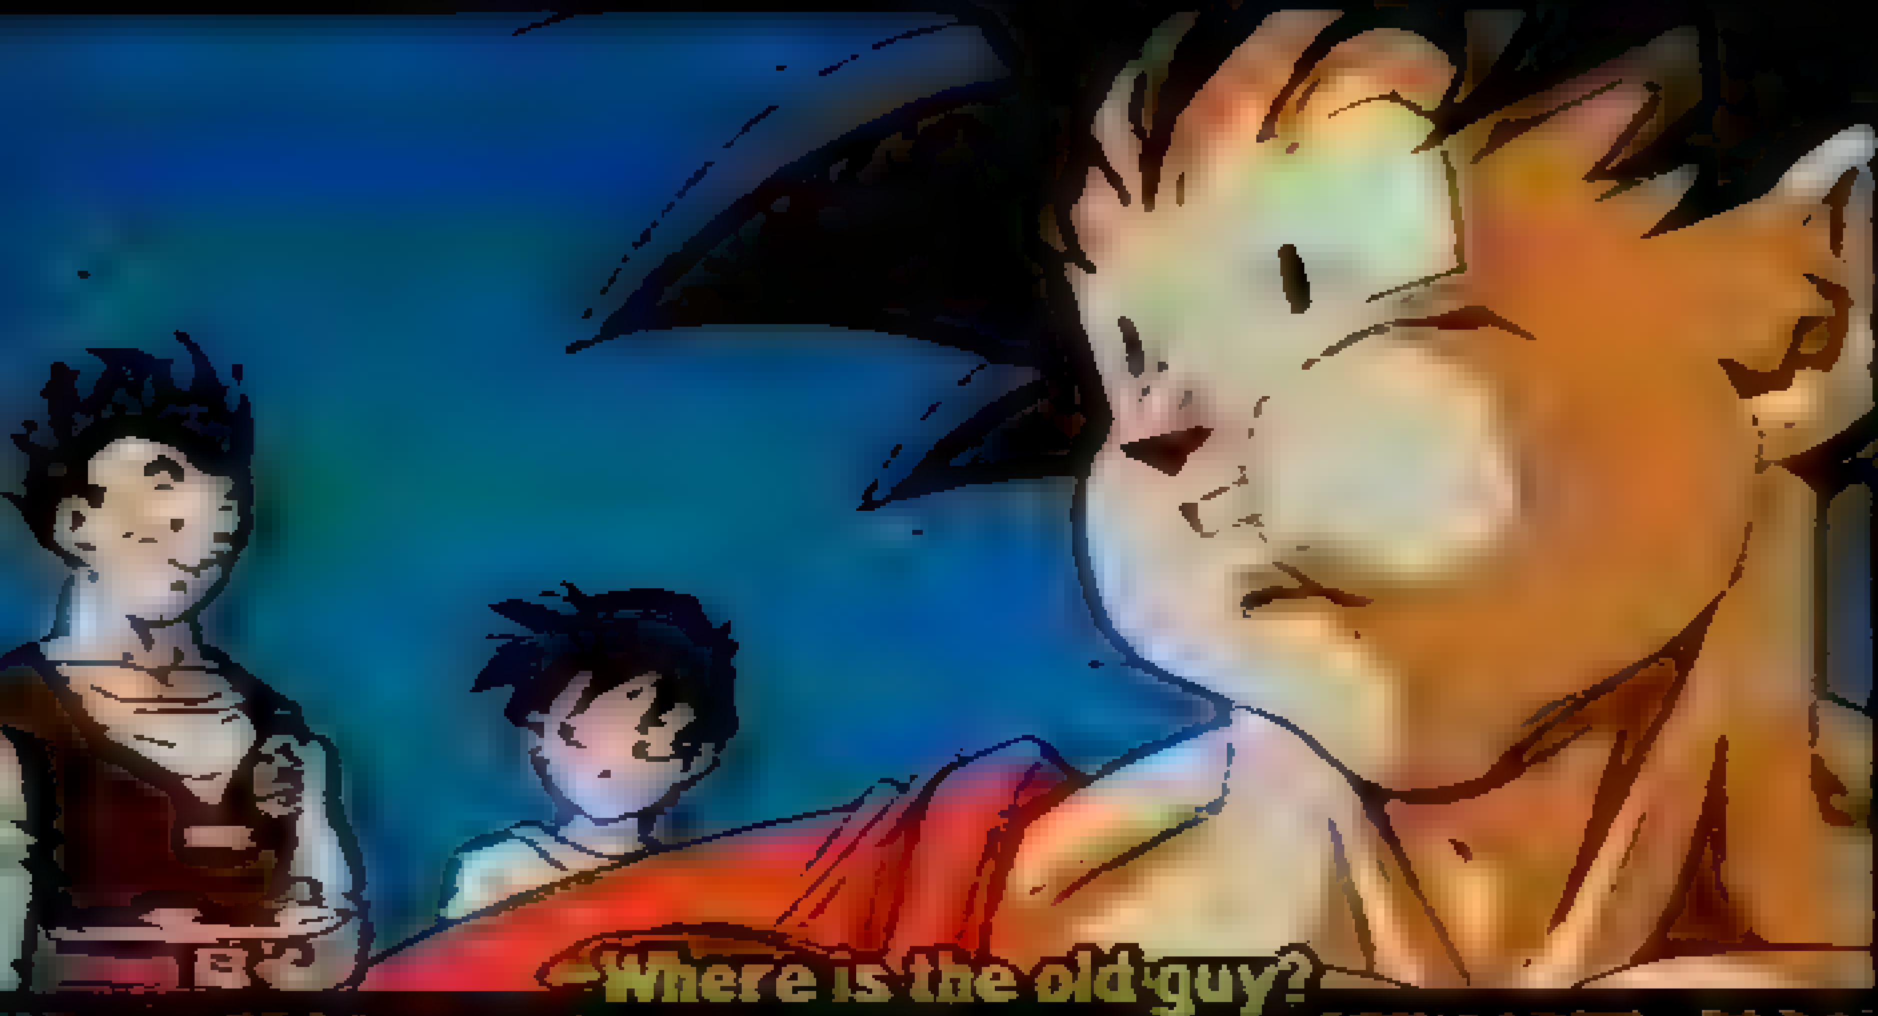

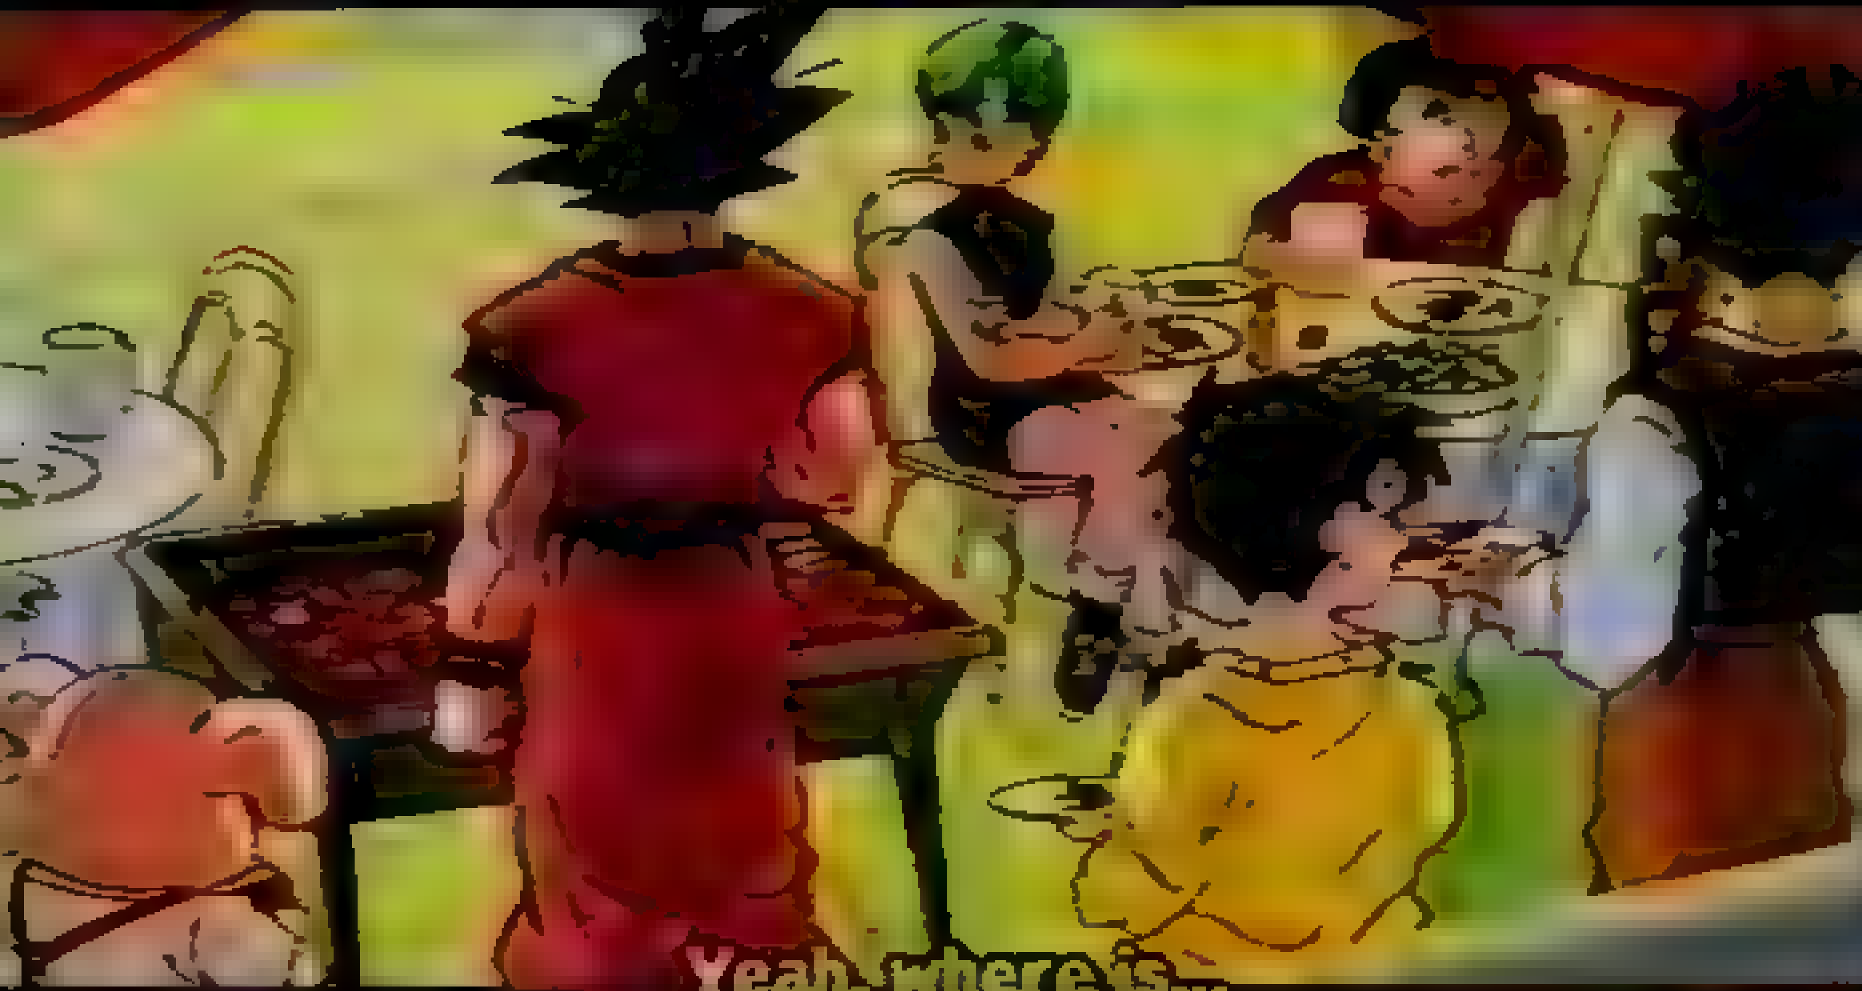

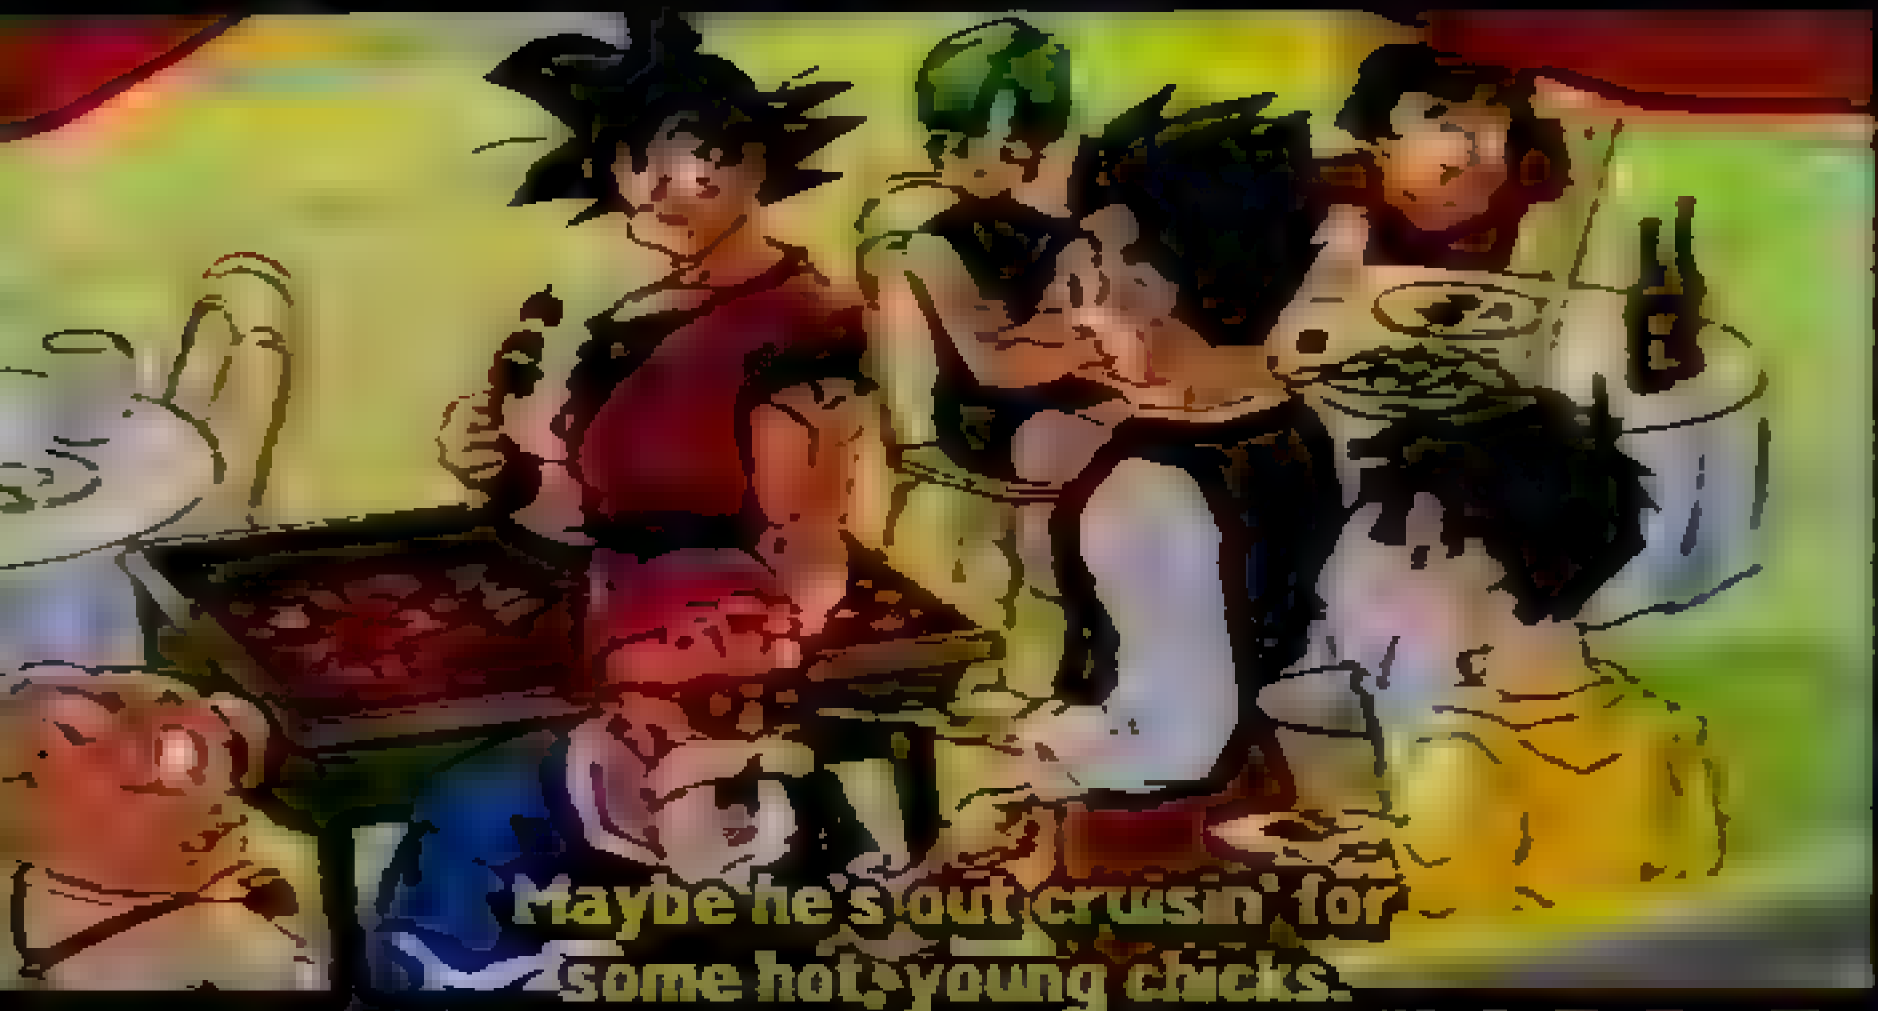

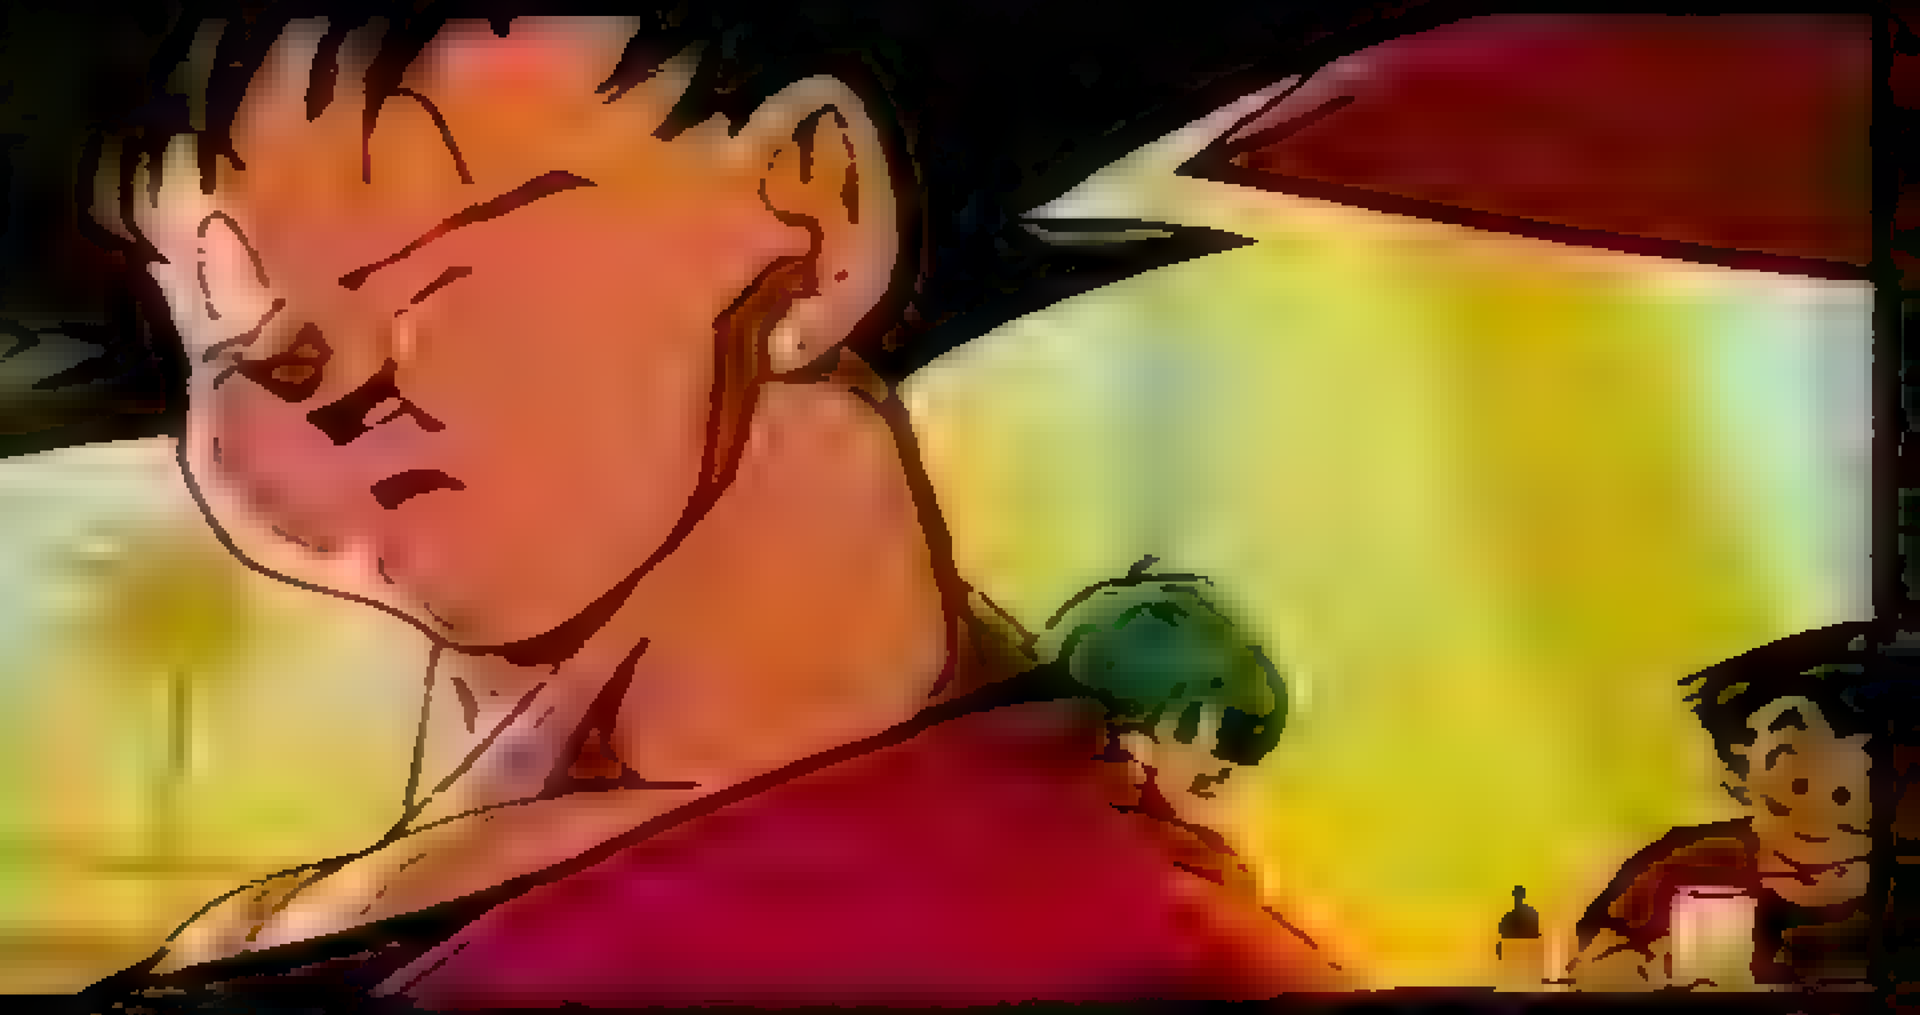

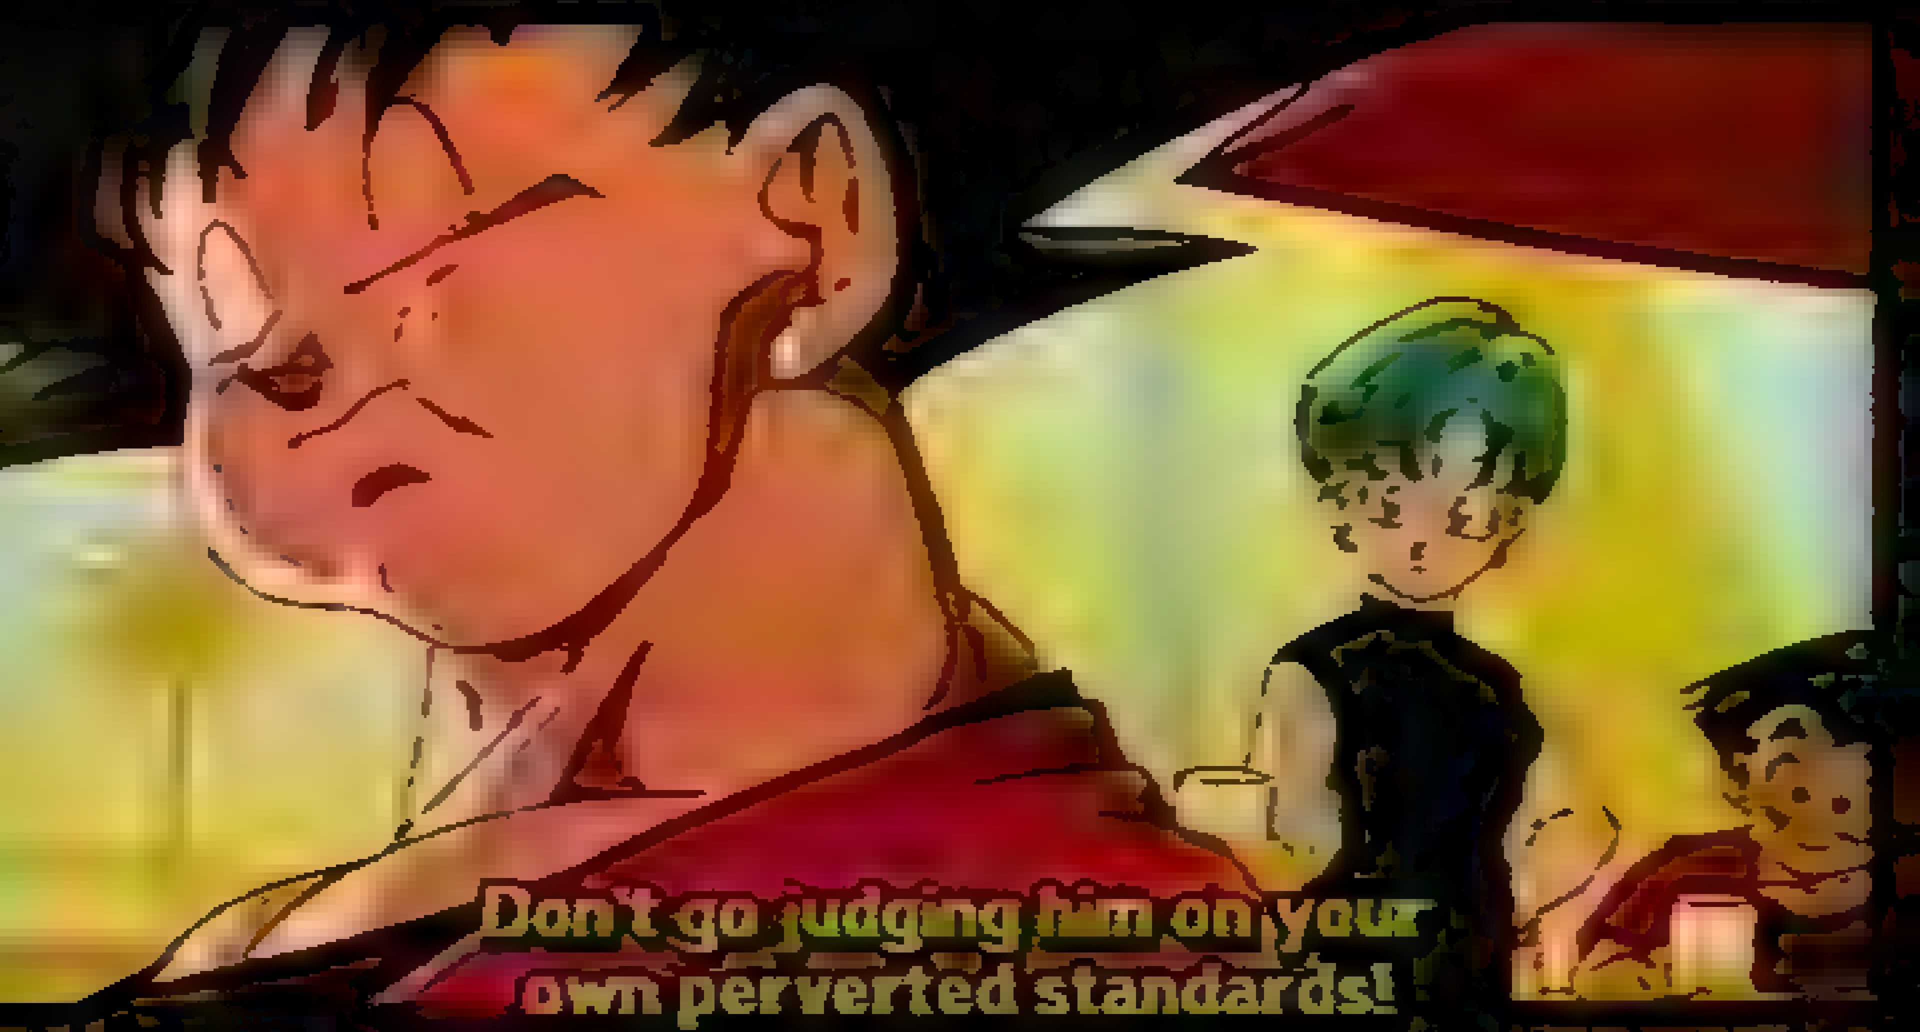

Where is the old guy?

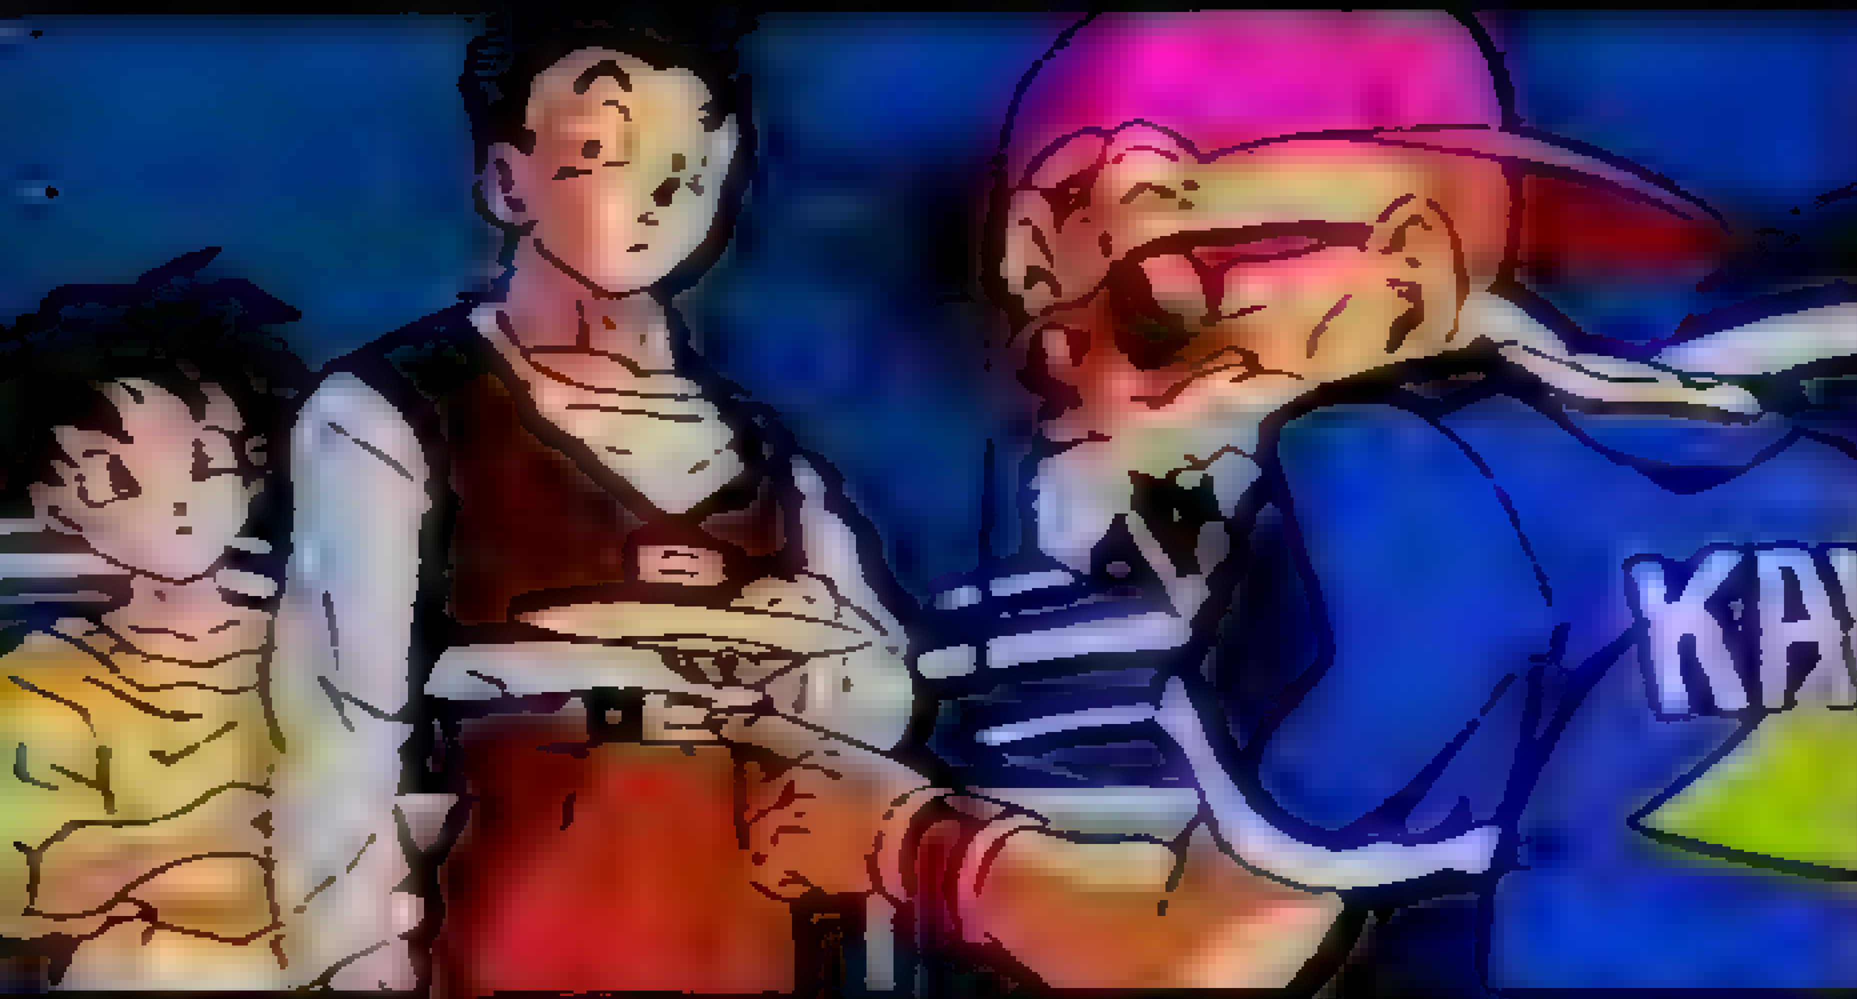

Yeah, where is...

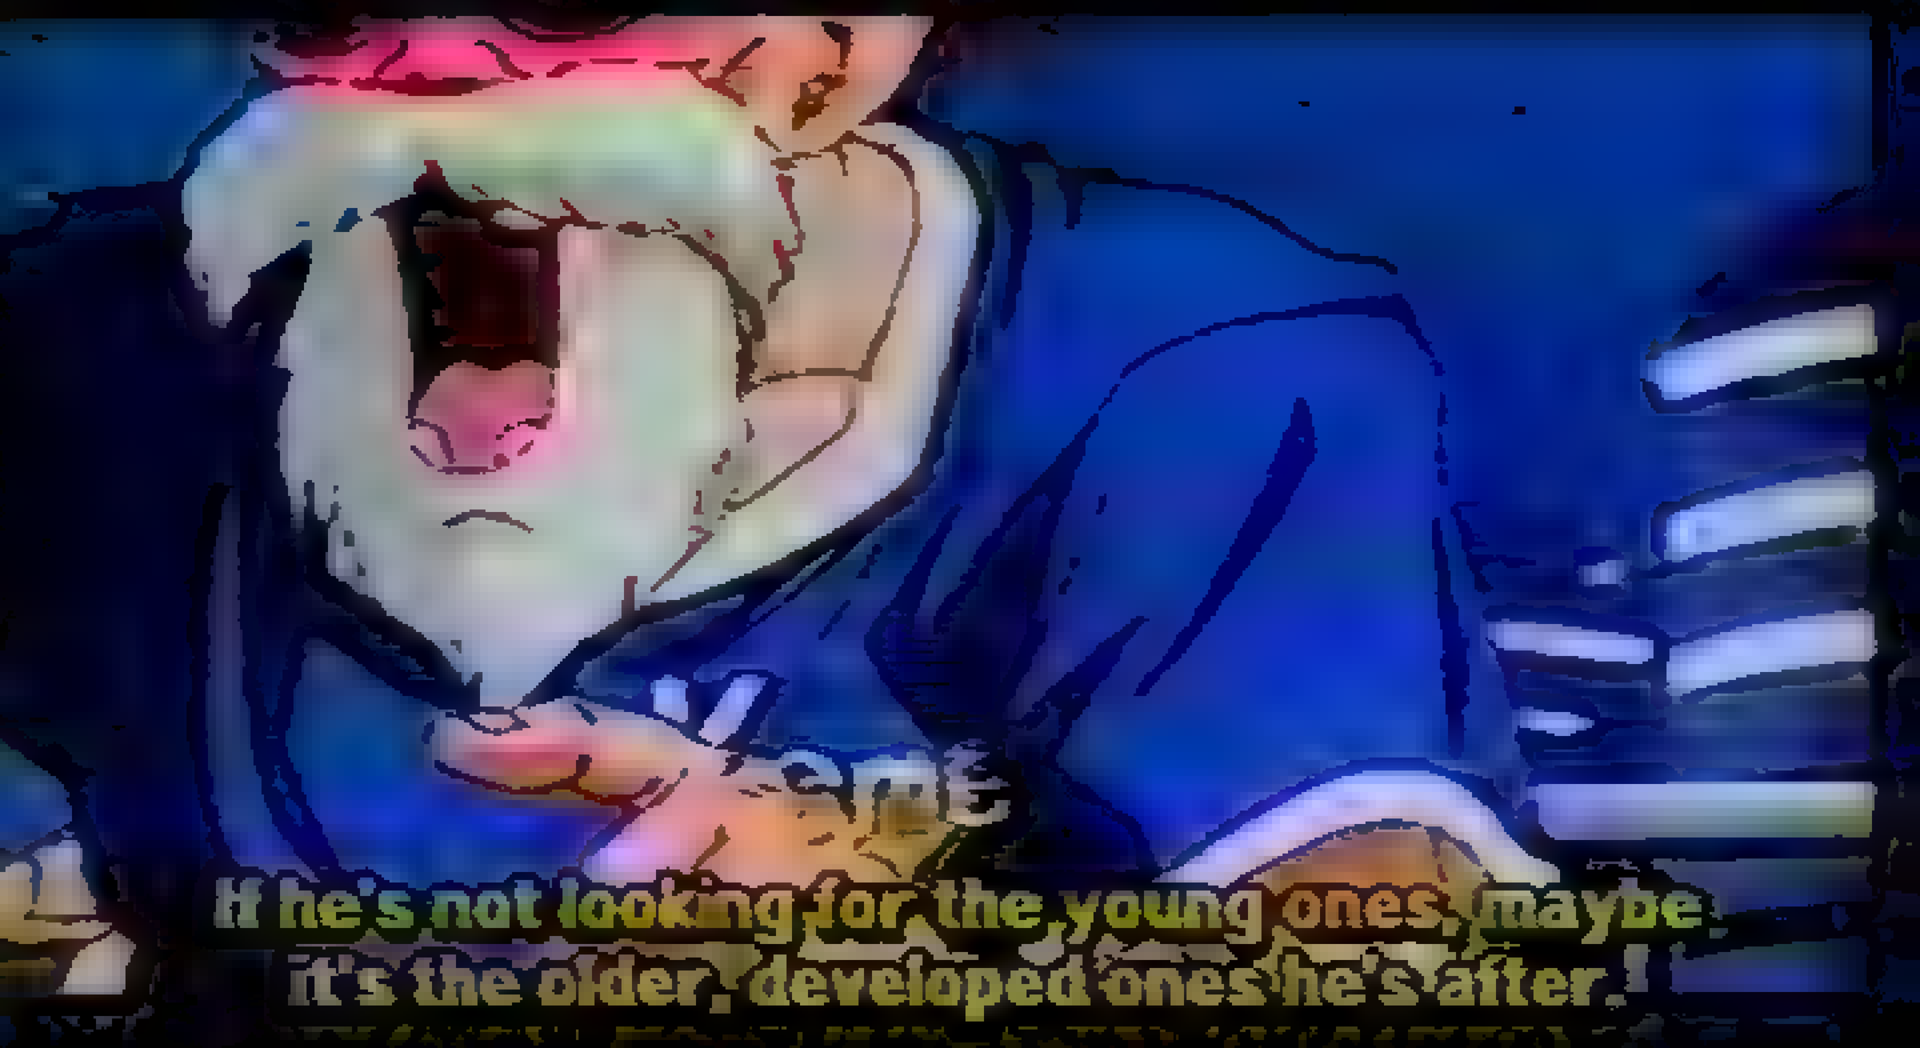

Maybe he's out crusin' for
some hot, young chicks.

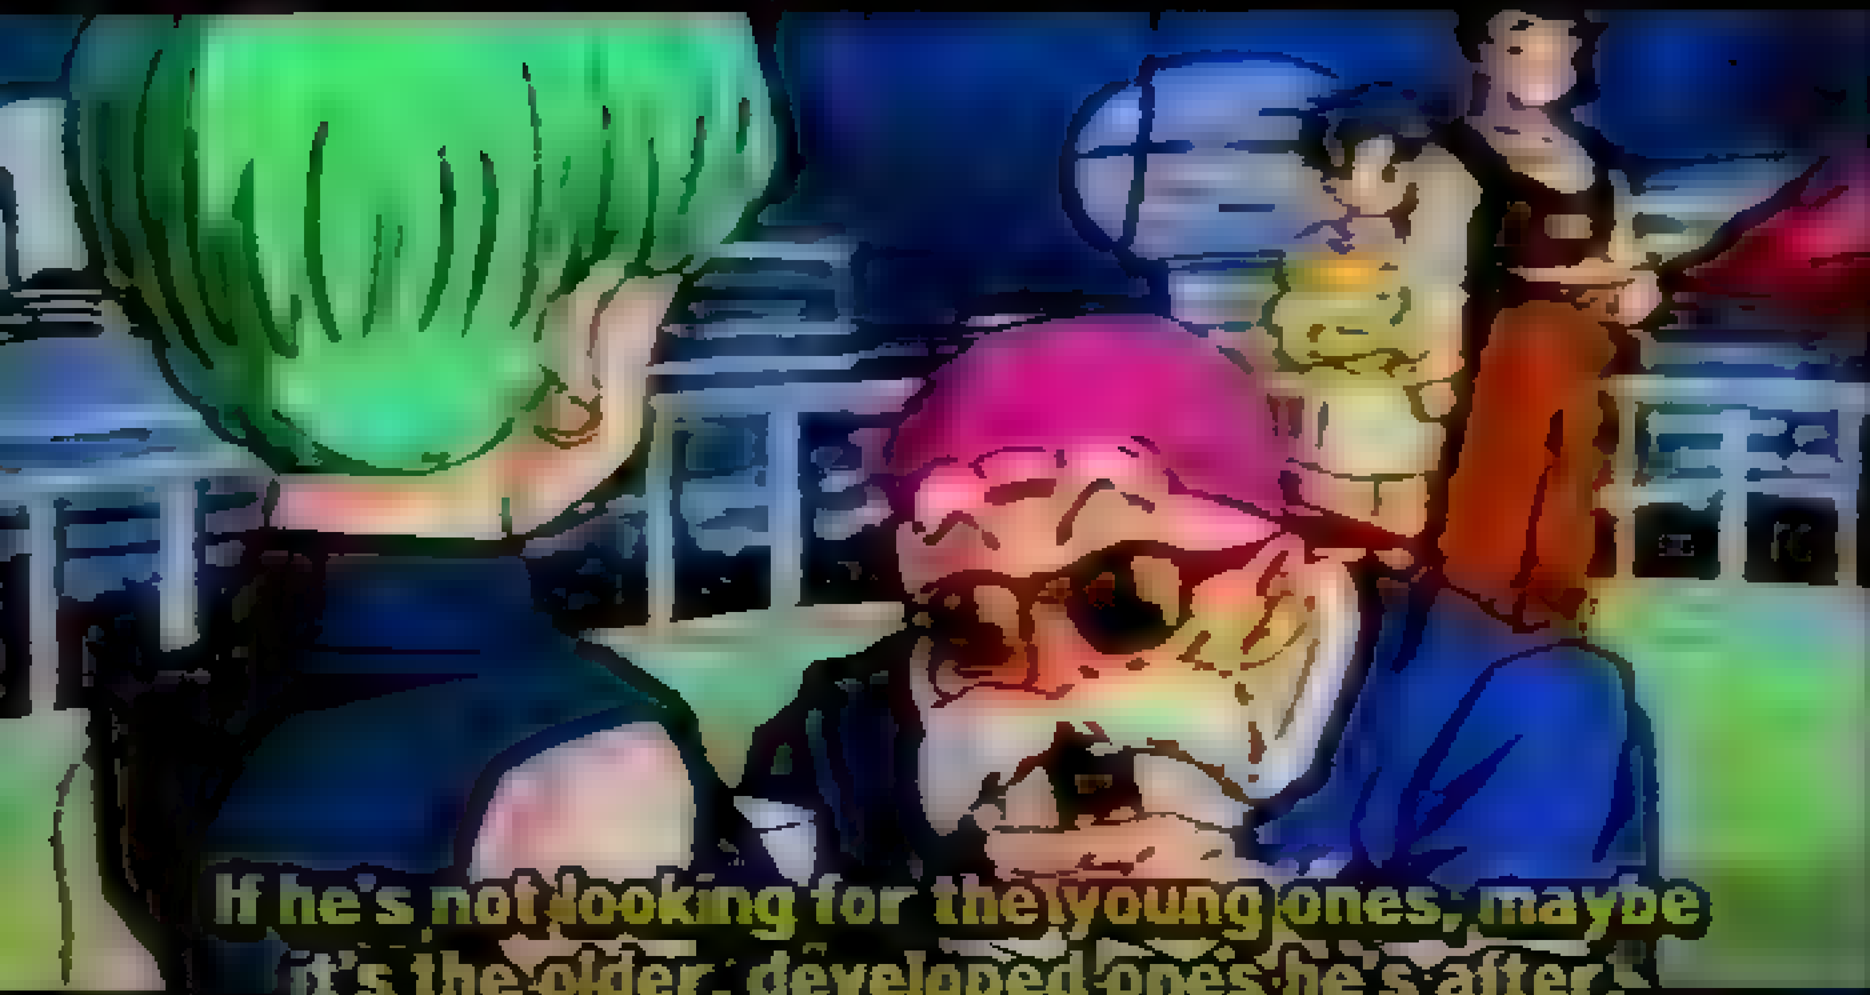

Maybe he's out crusin' for
some hot, young chicks.

Don't go judging him on your
own perverted standards!

KA

If he's not looking for the young ones, maybe
it's the older, developed ones he's after!

If he's not looking for the young ones, maybe
it's the older, developed ones he's after.

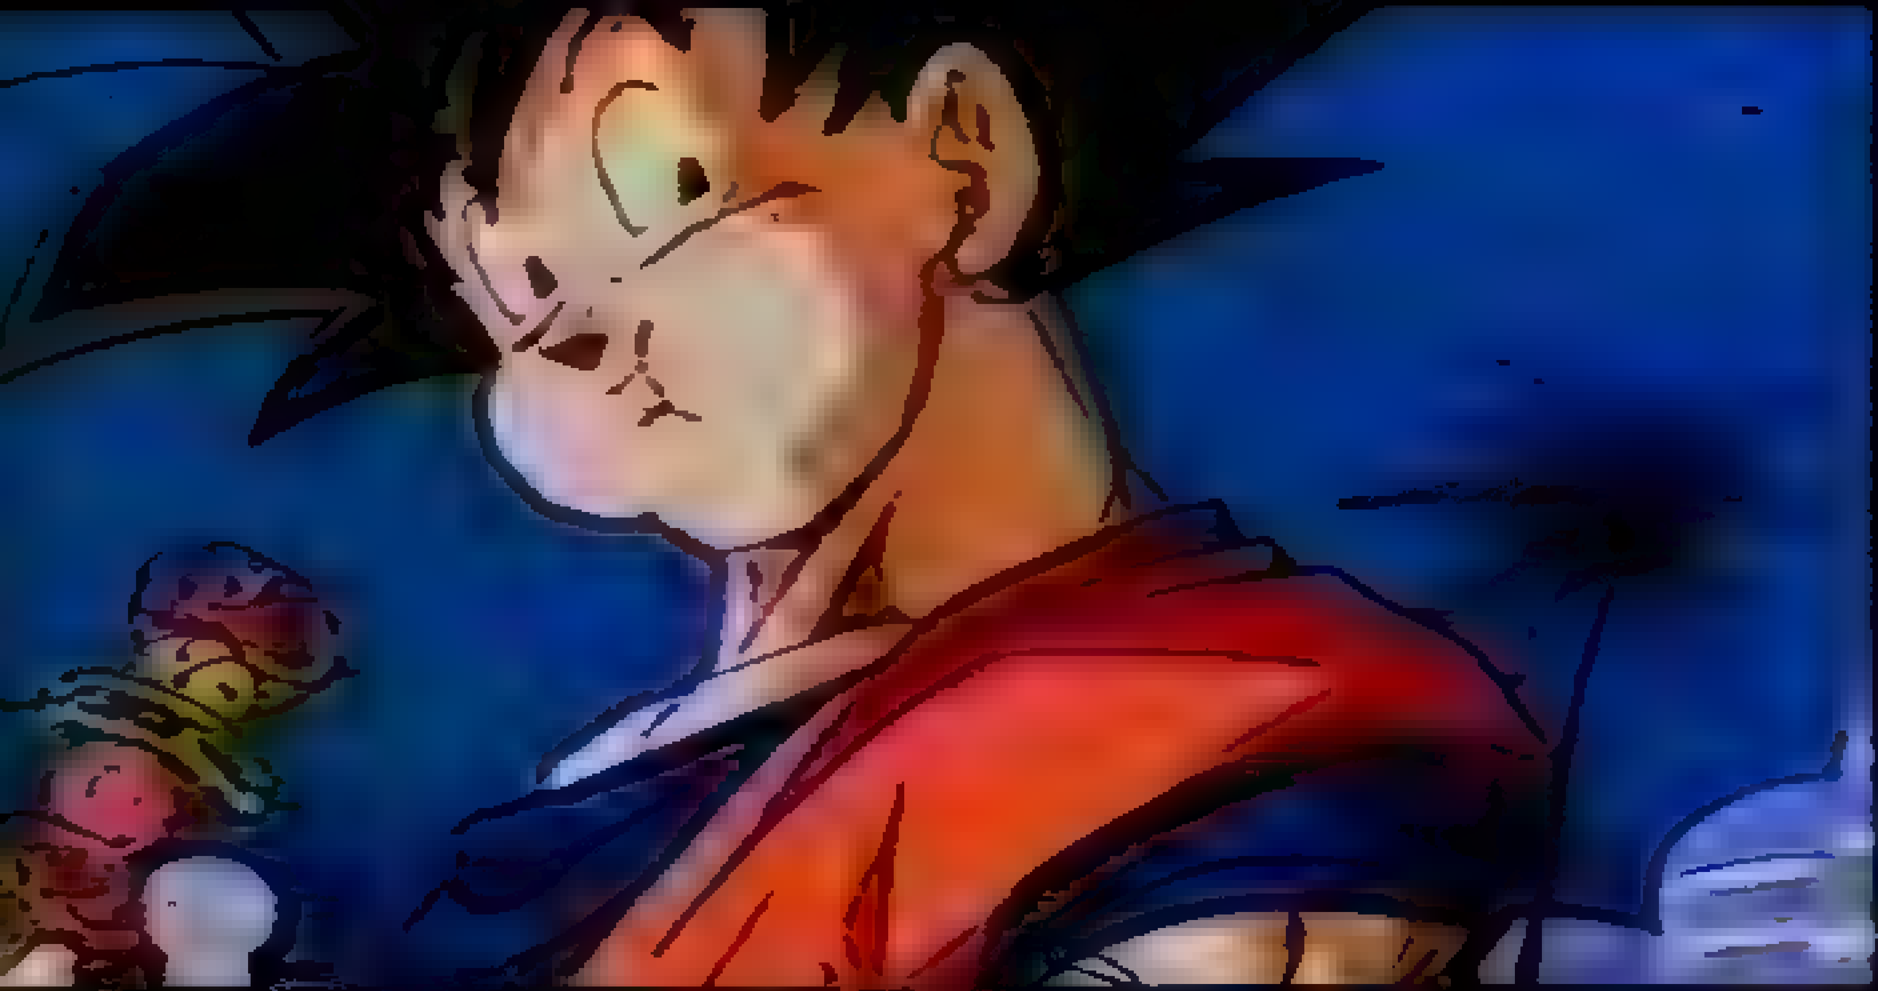

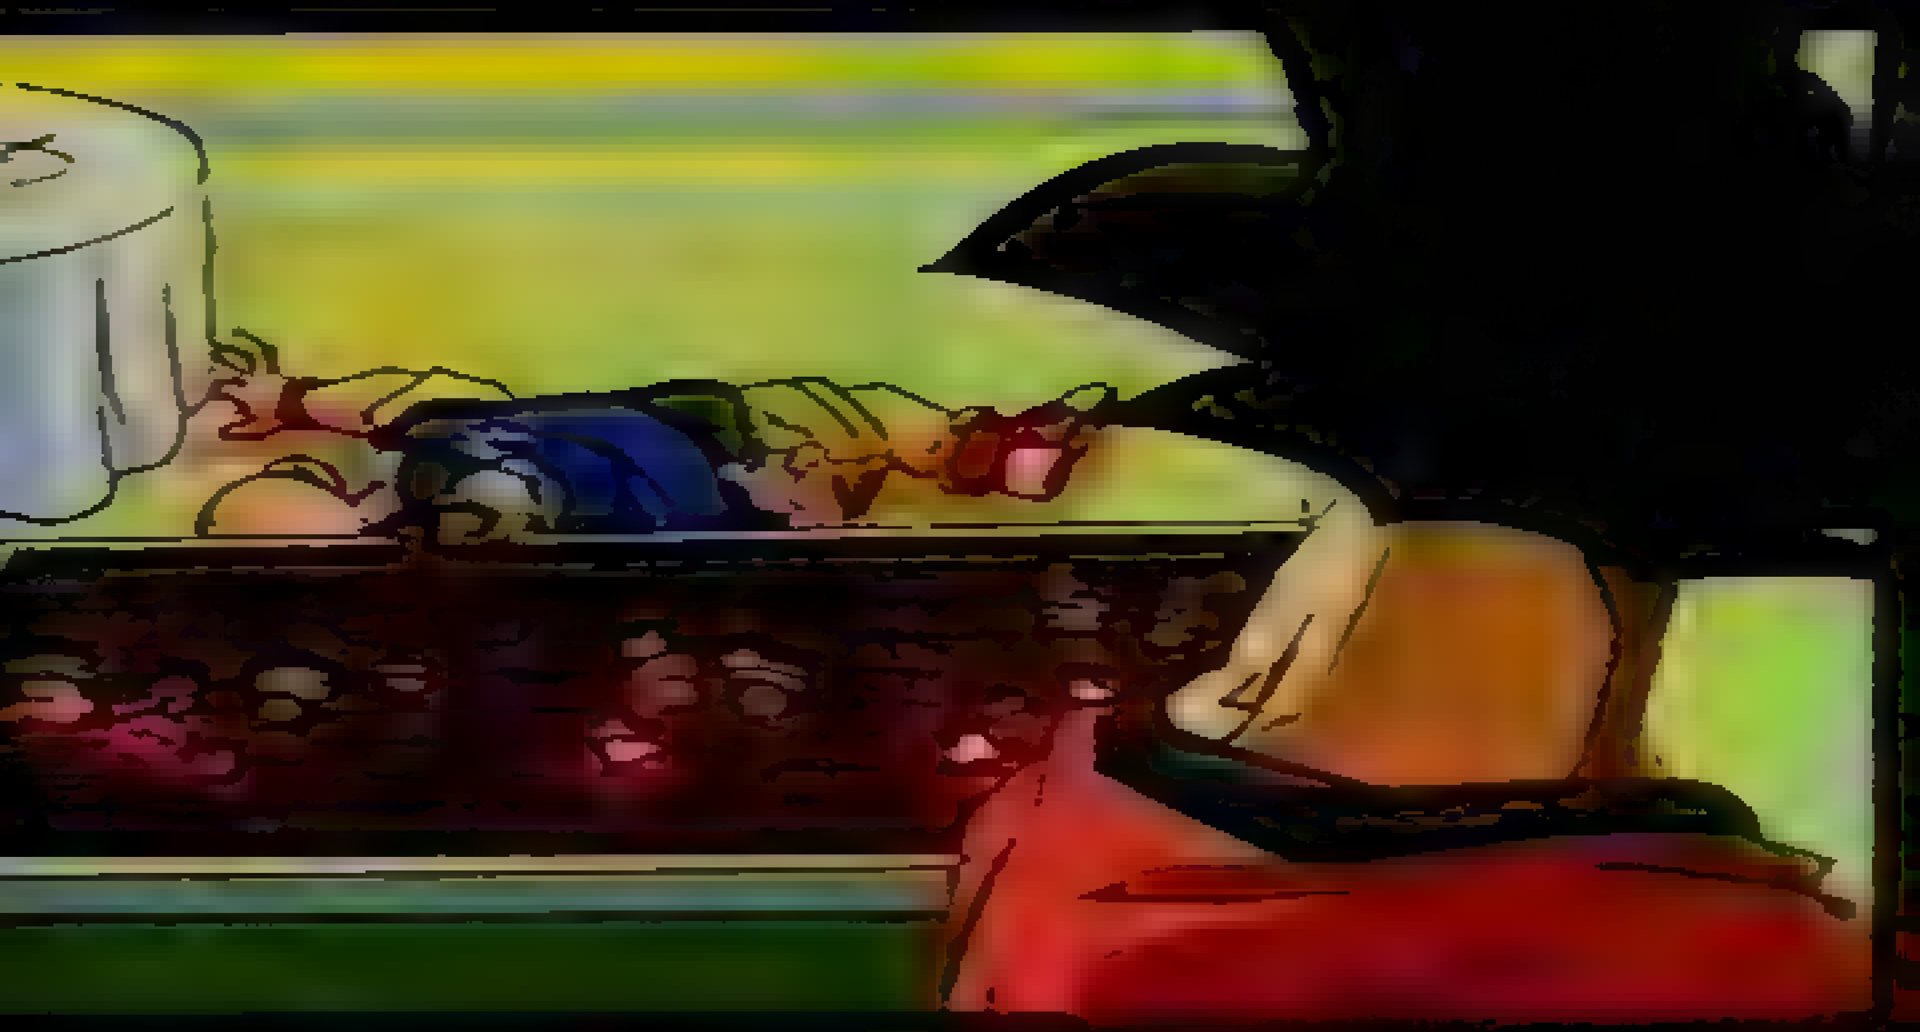

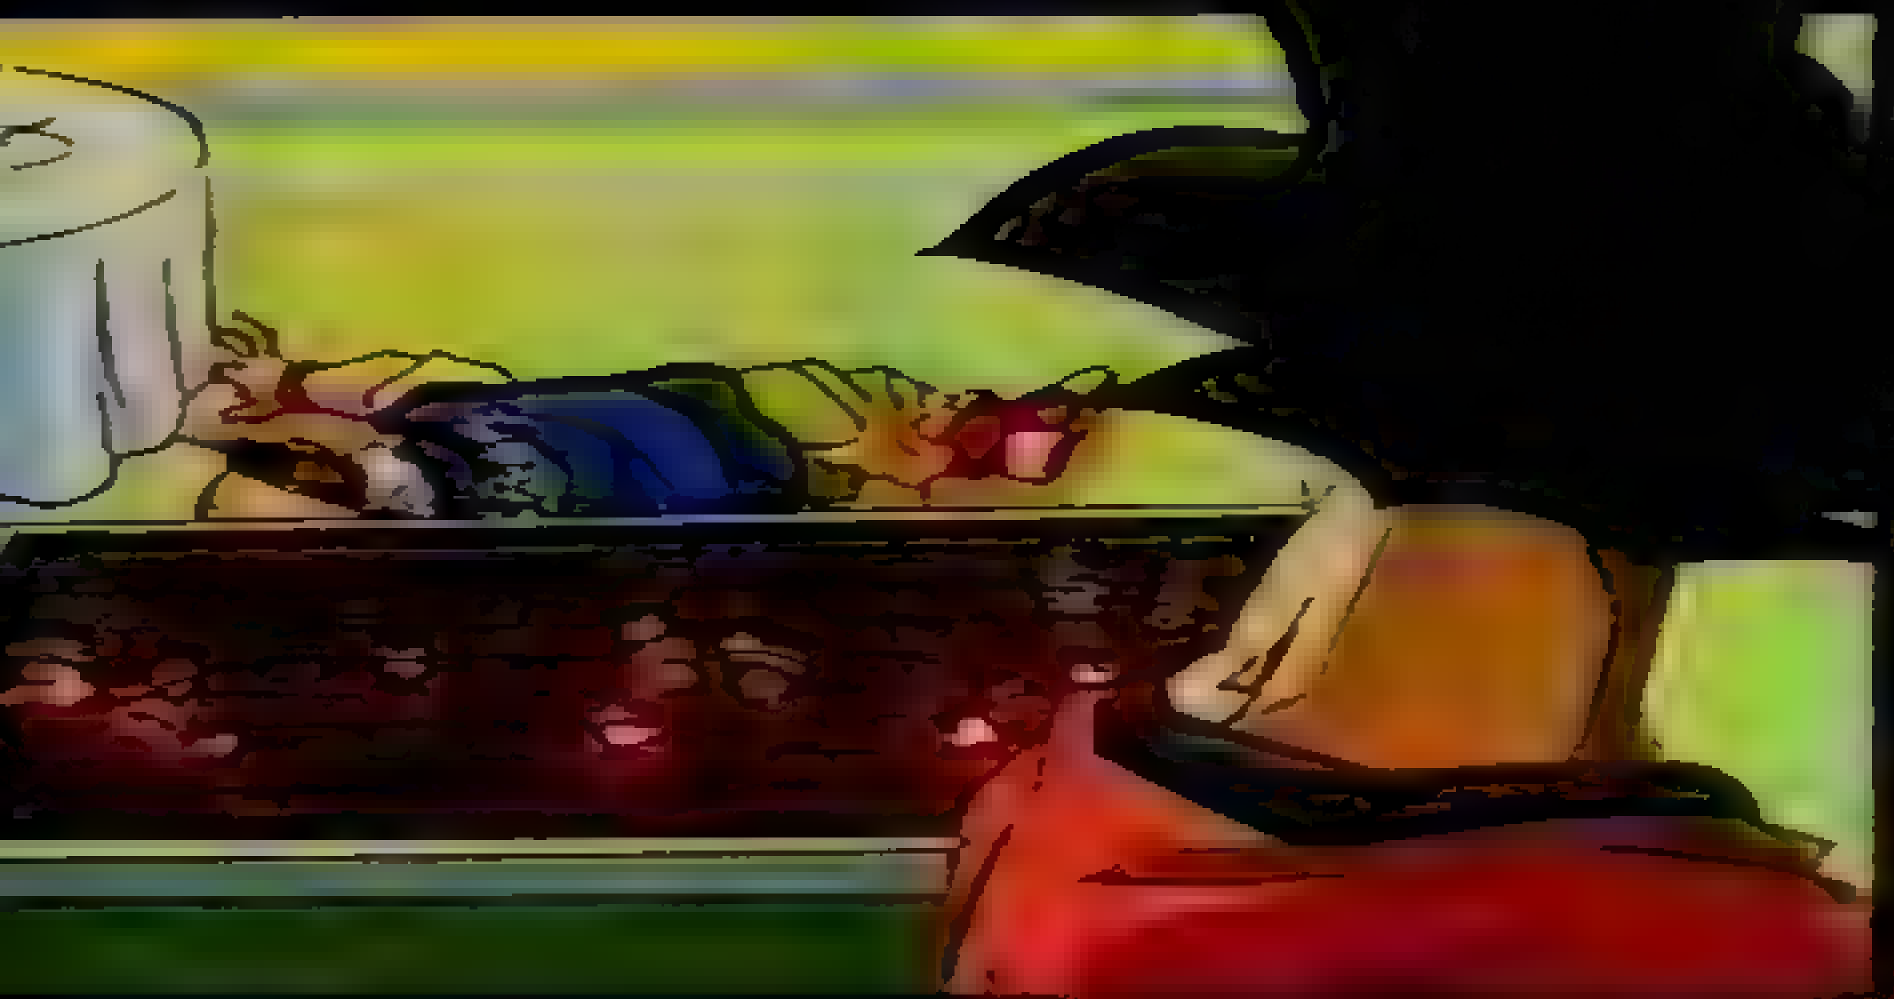

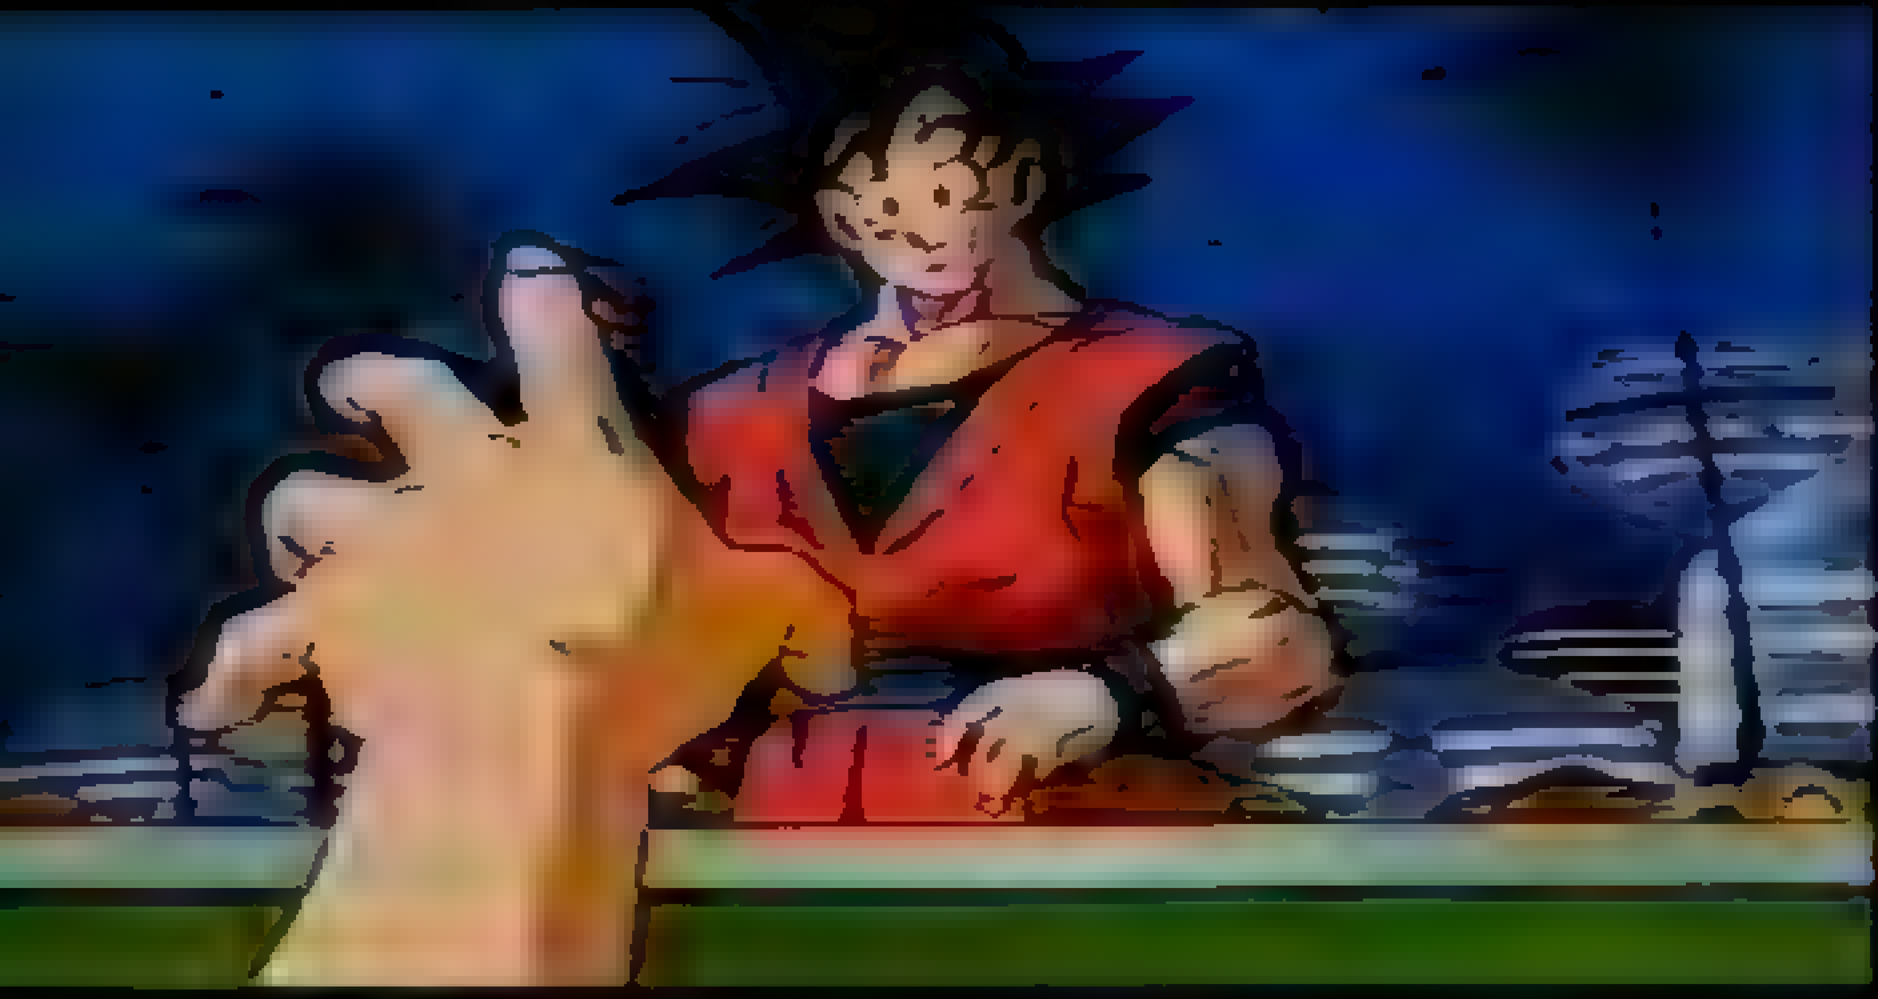

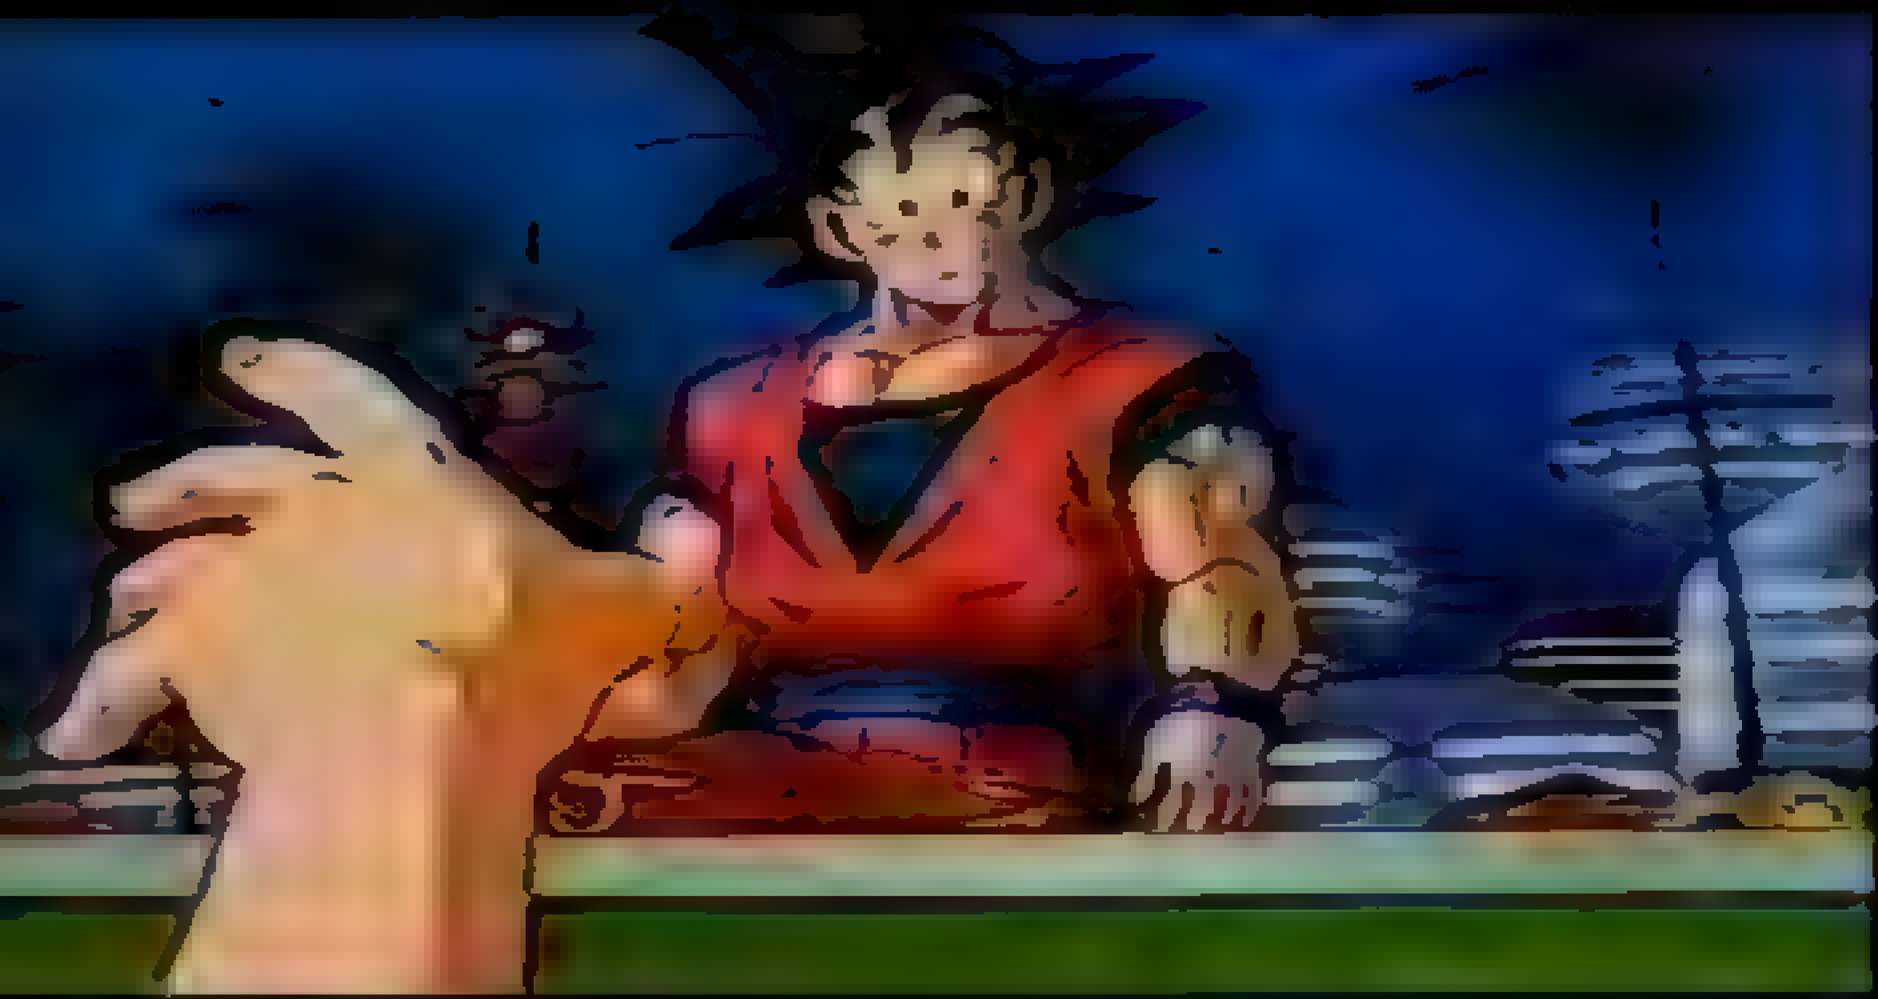

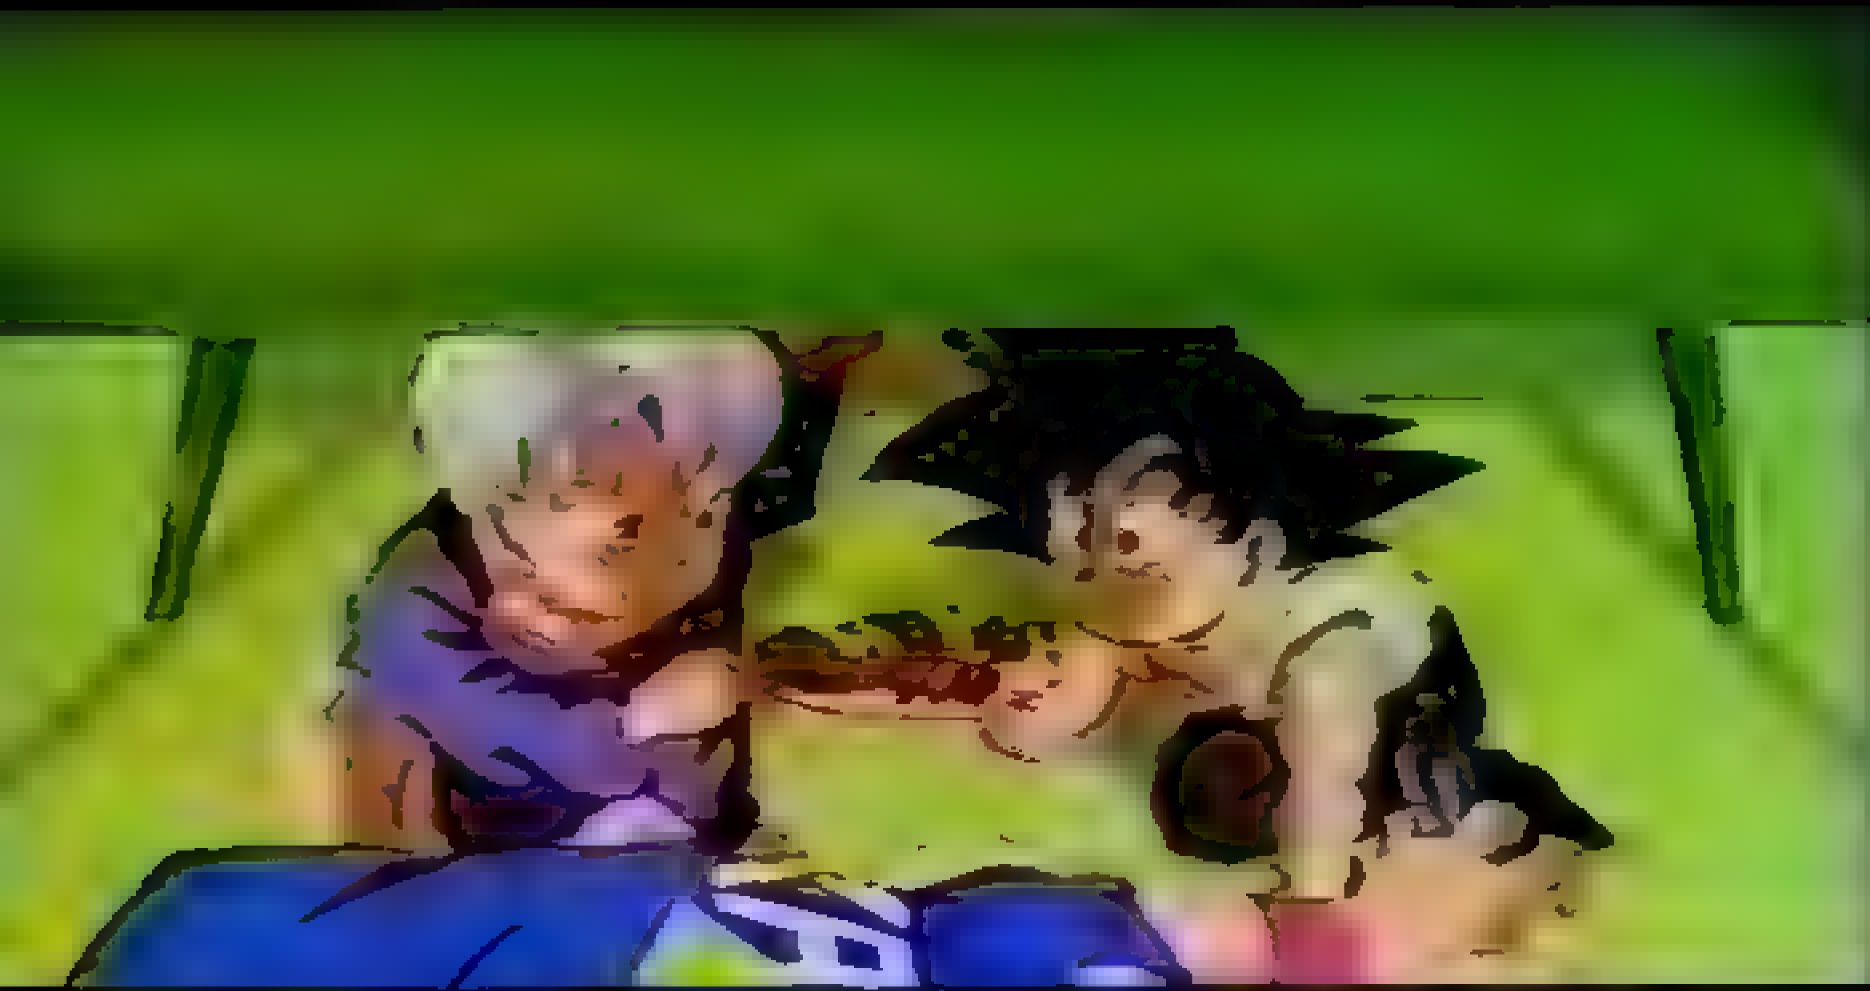

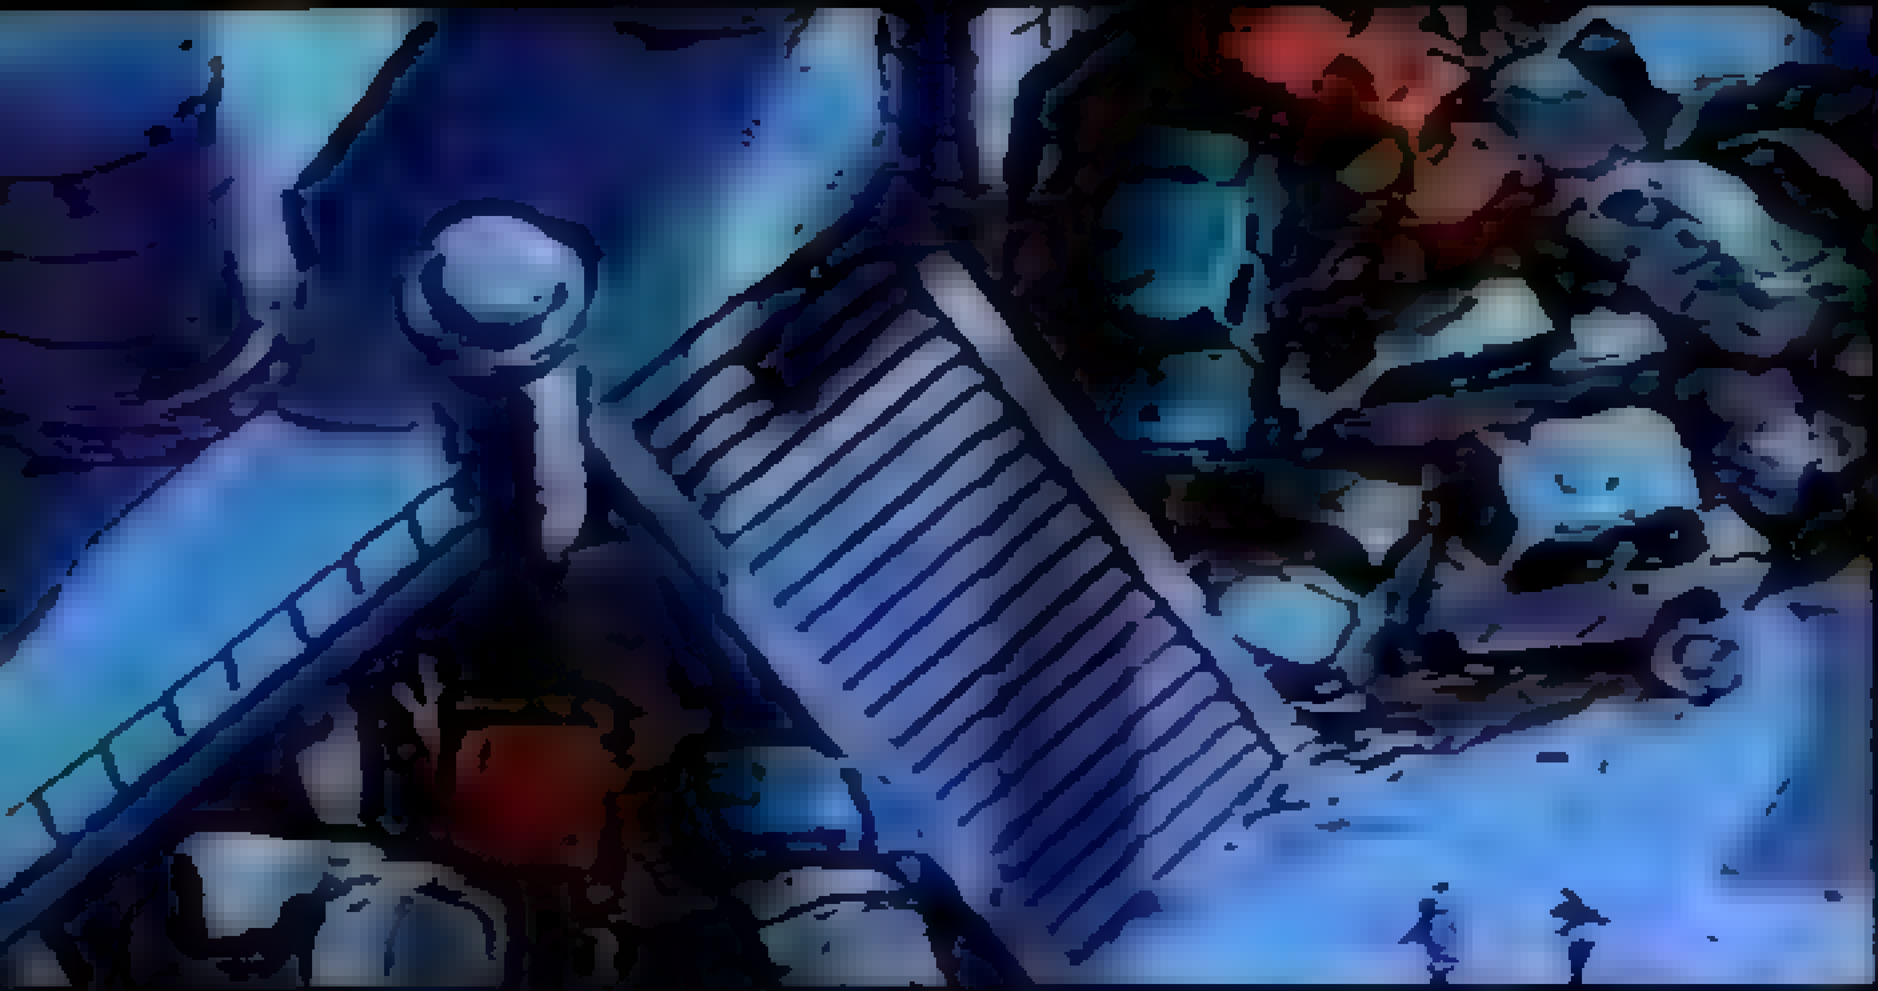

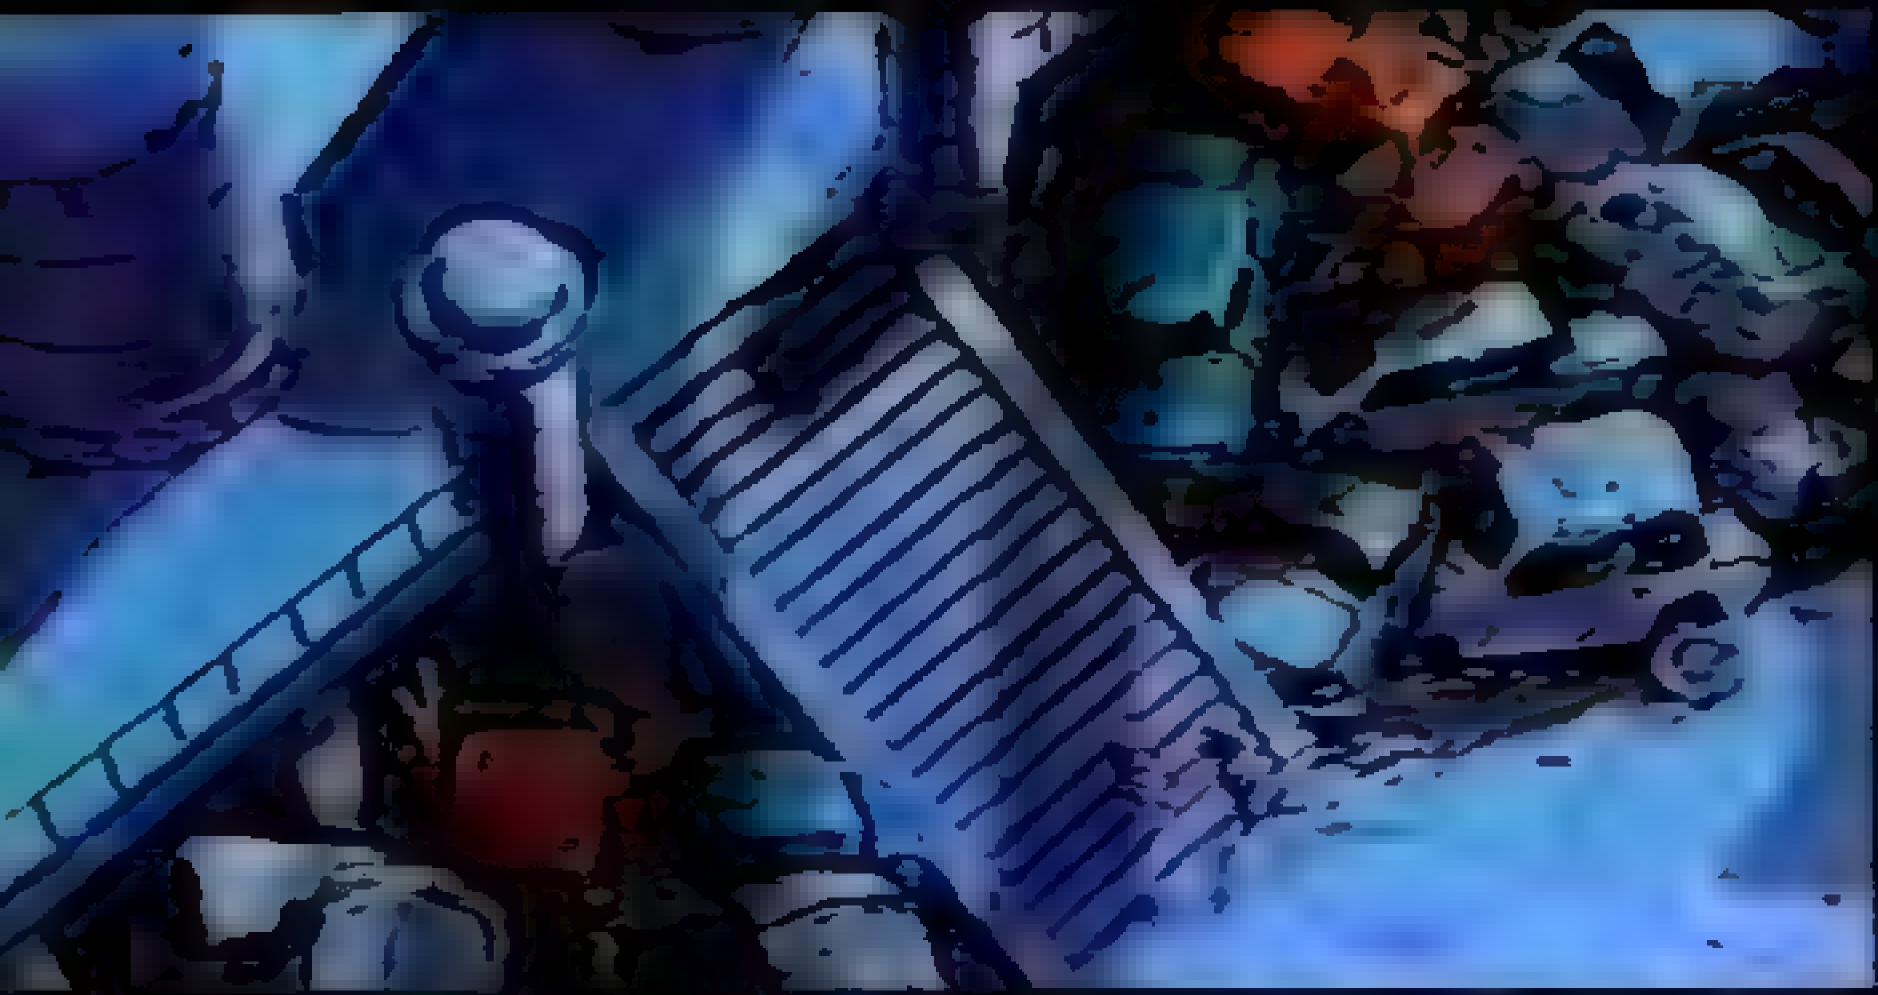

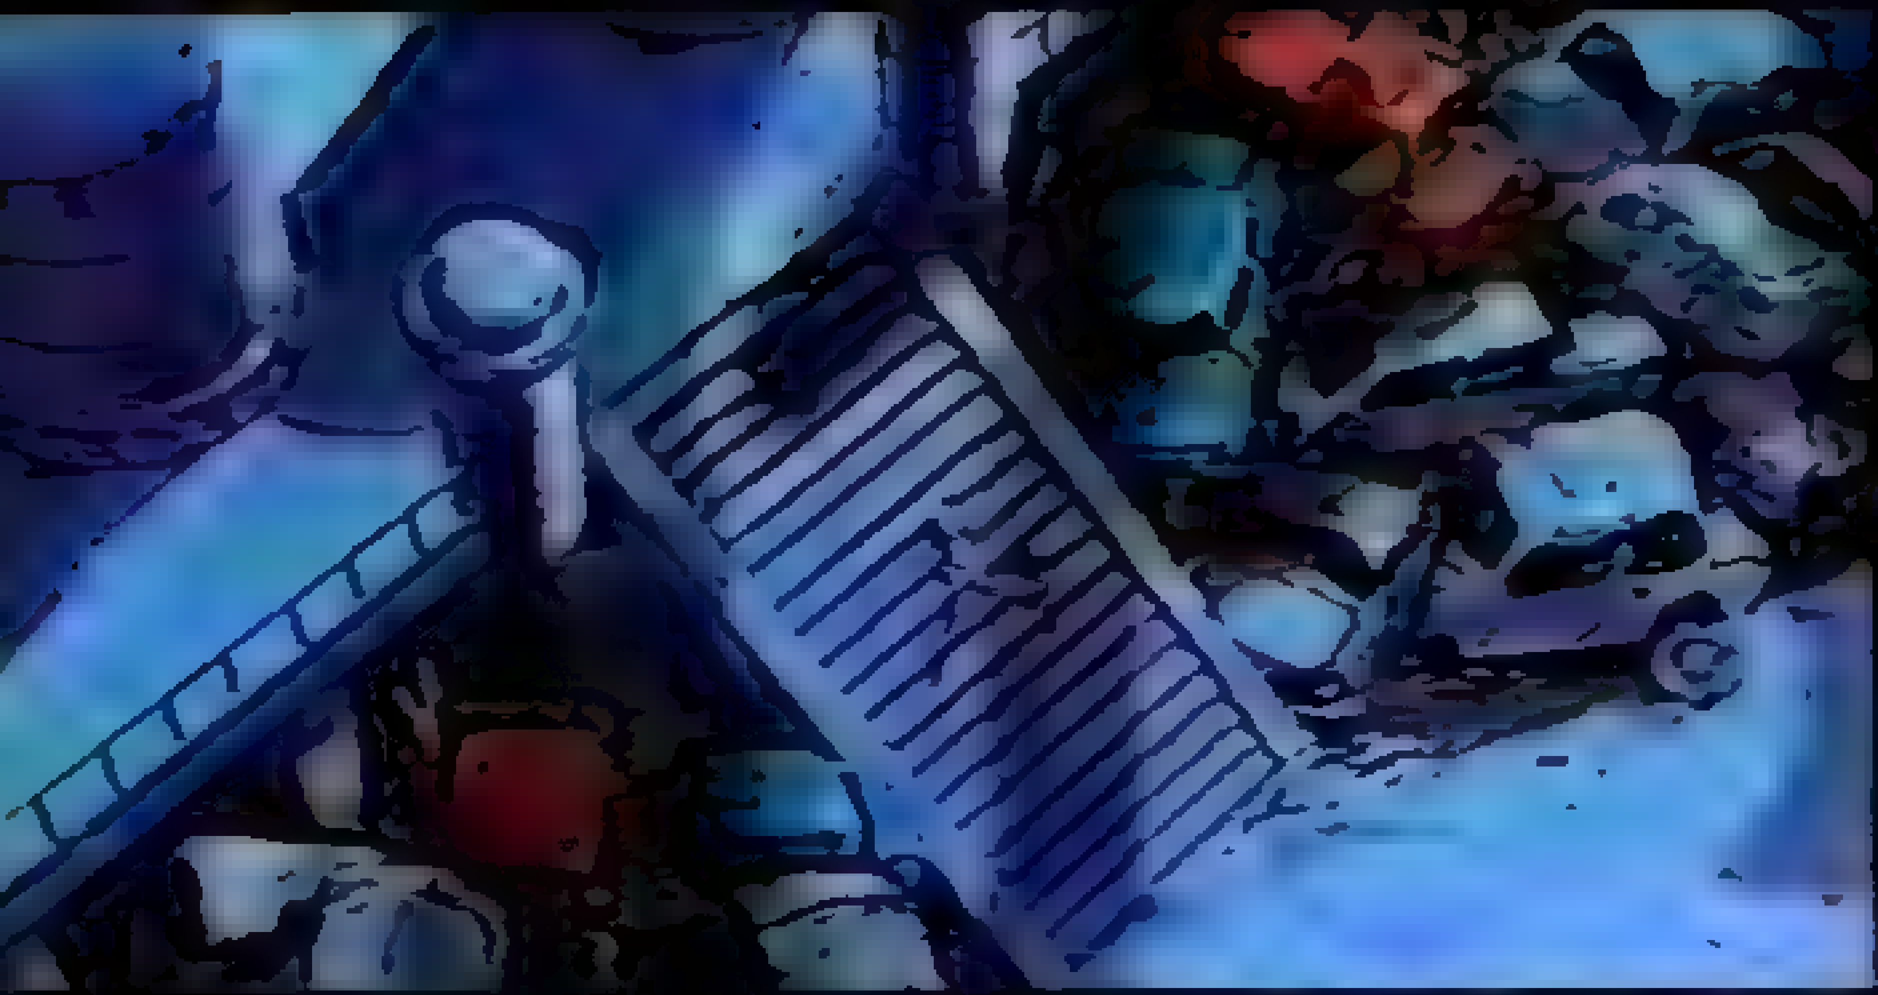

Yeah, I got it!

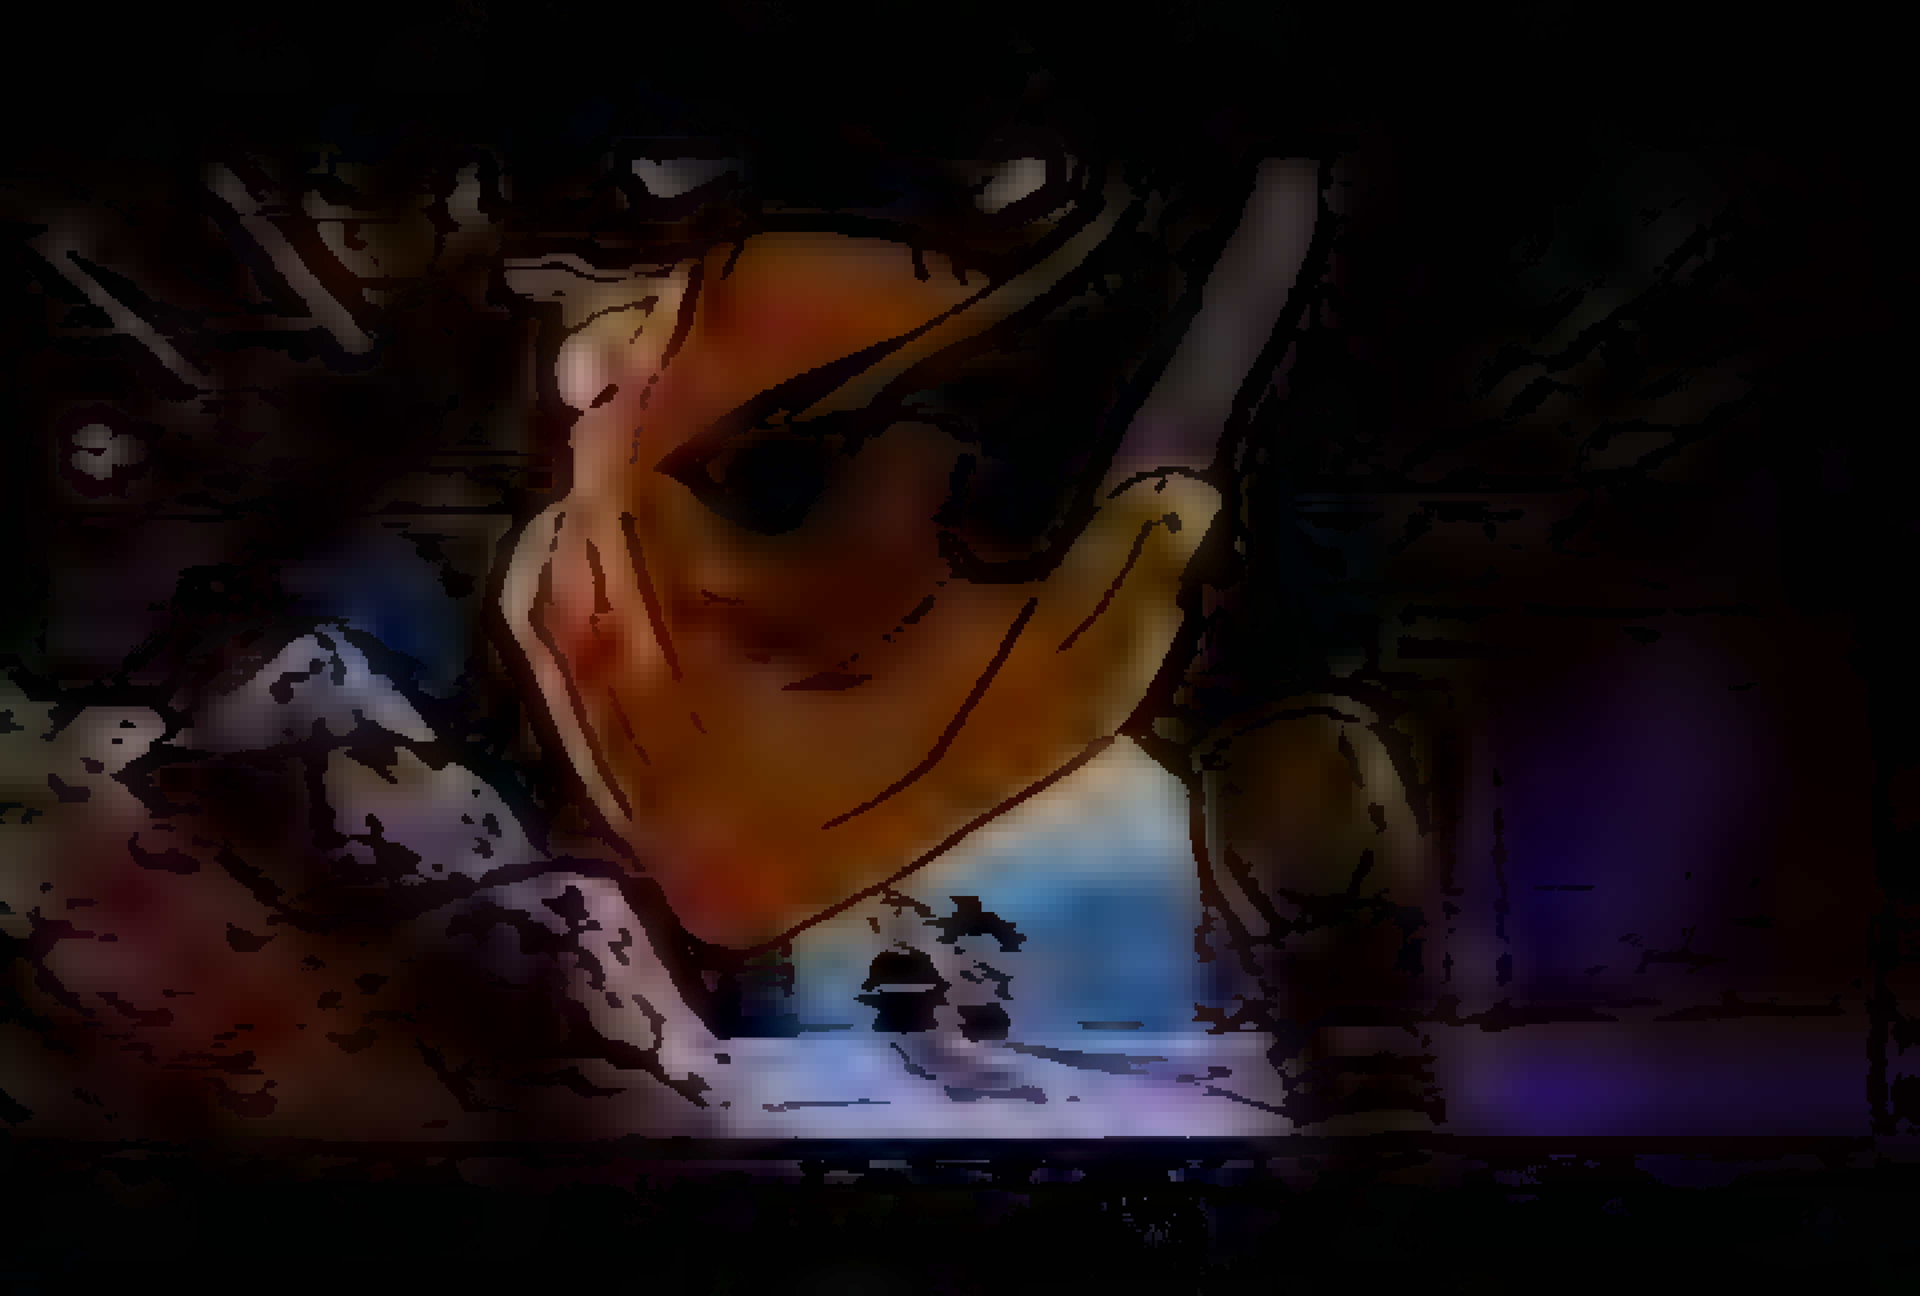

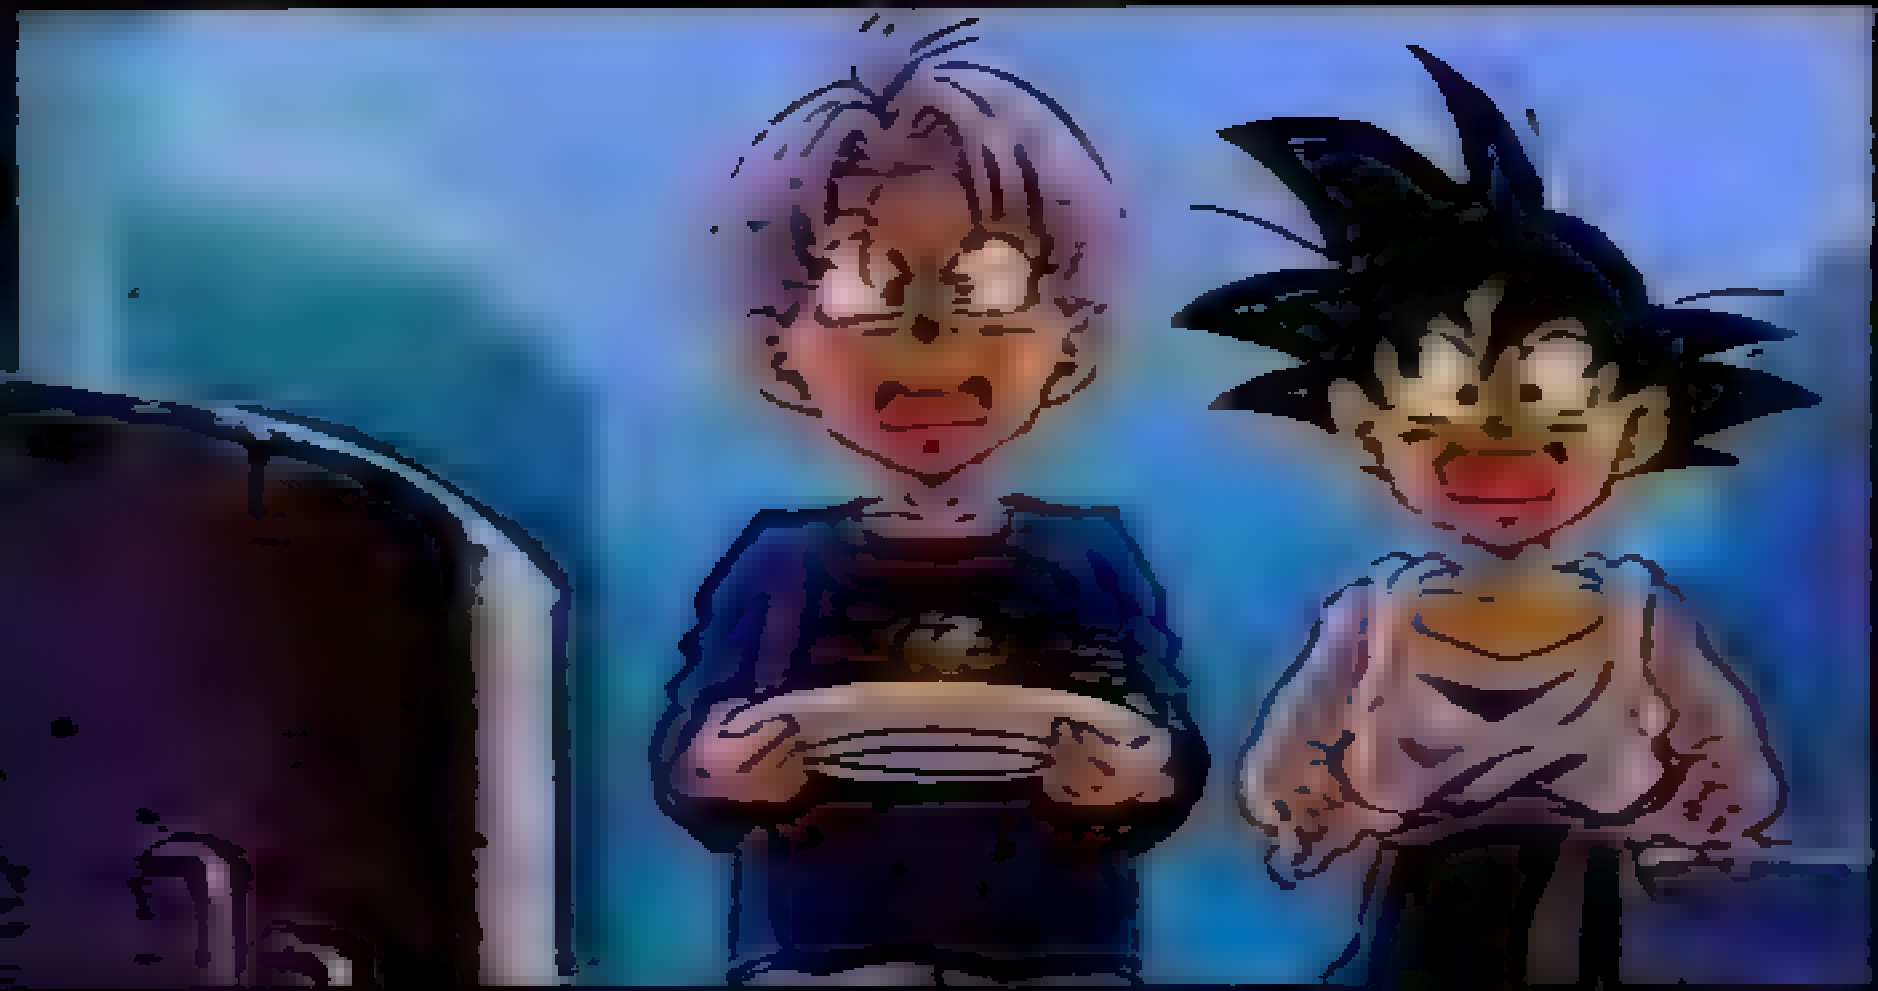

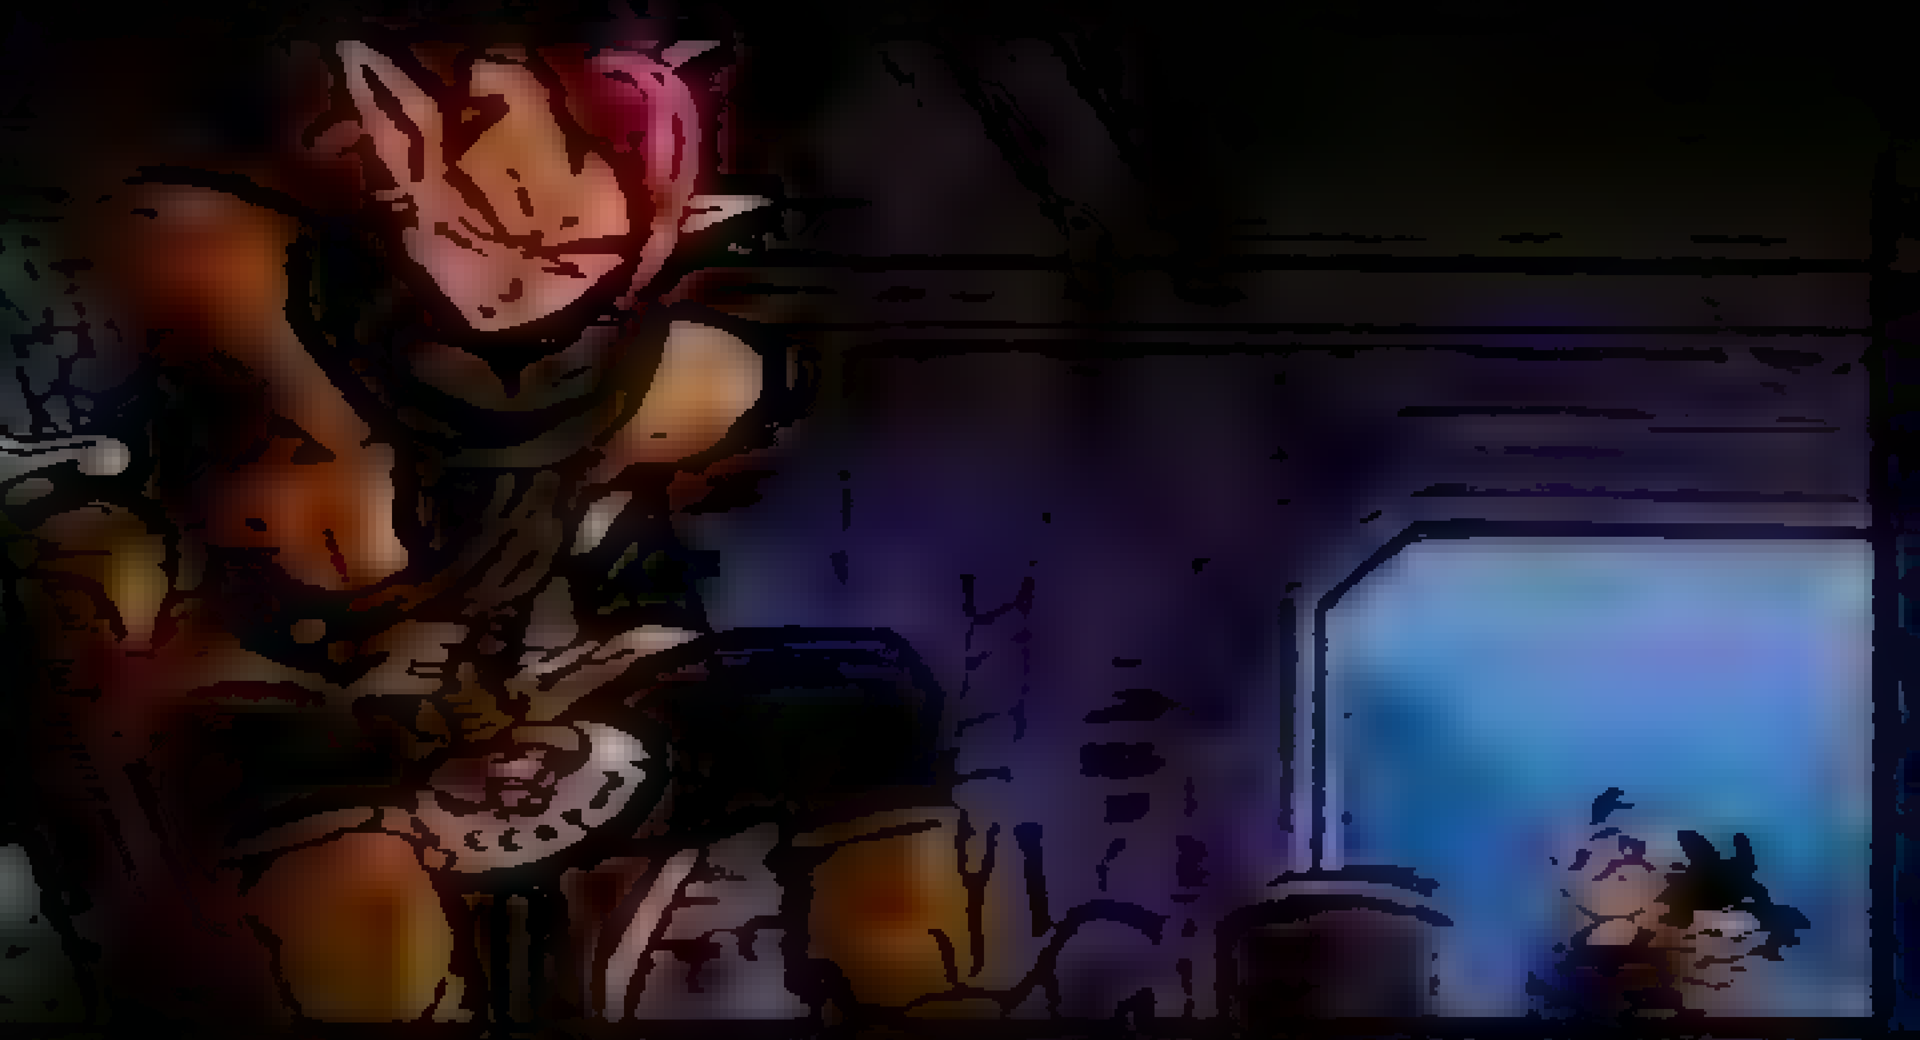

Sir, we're just going to leave
some food here for you.

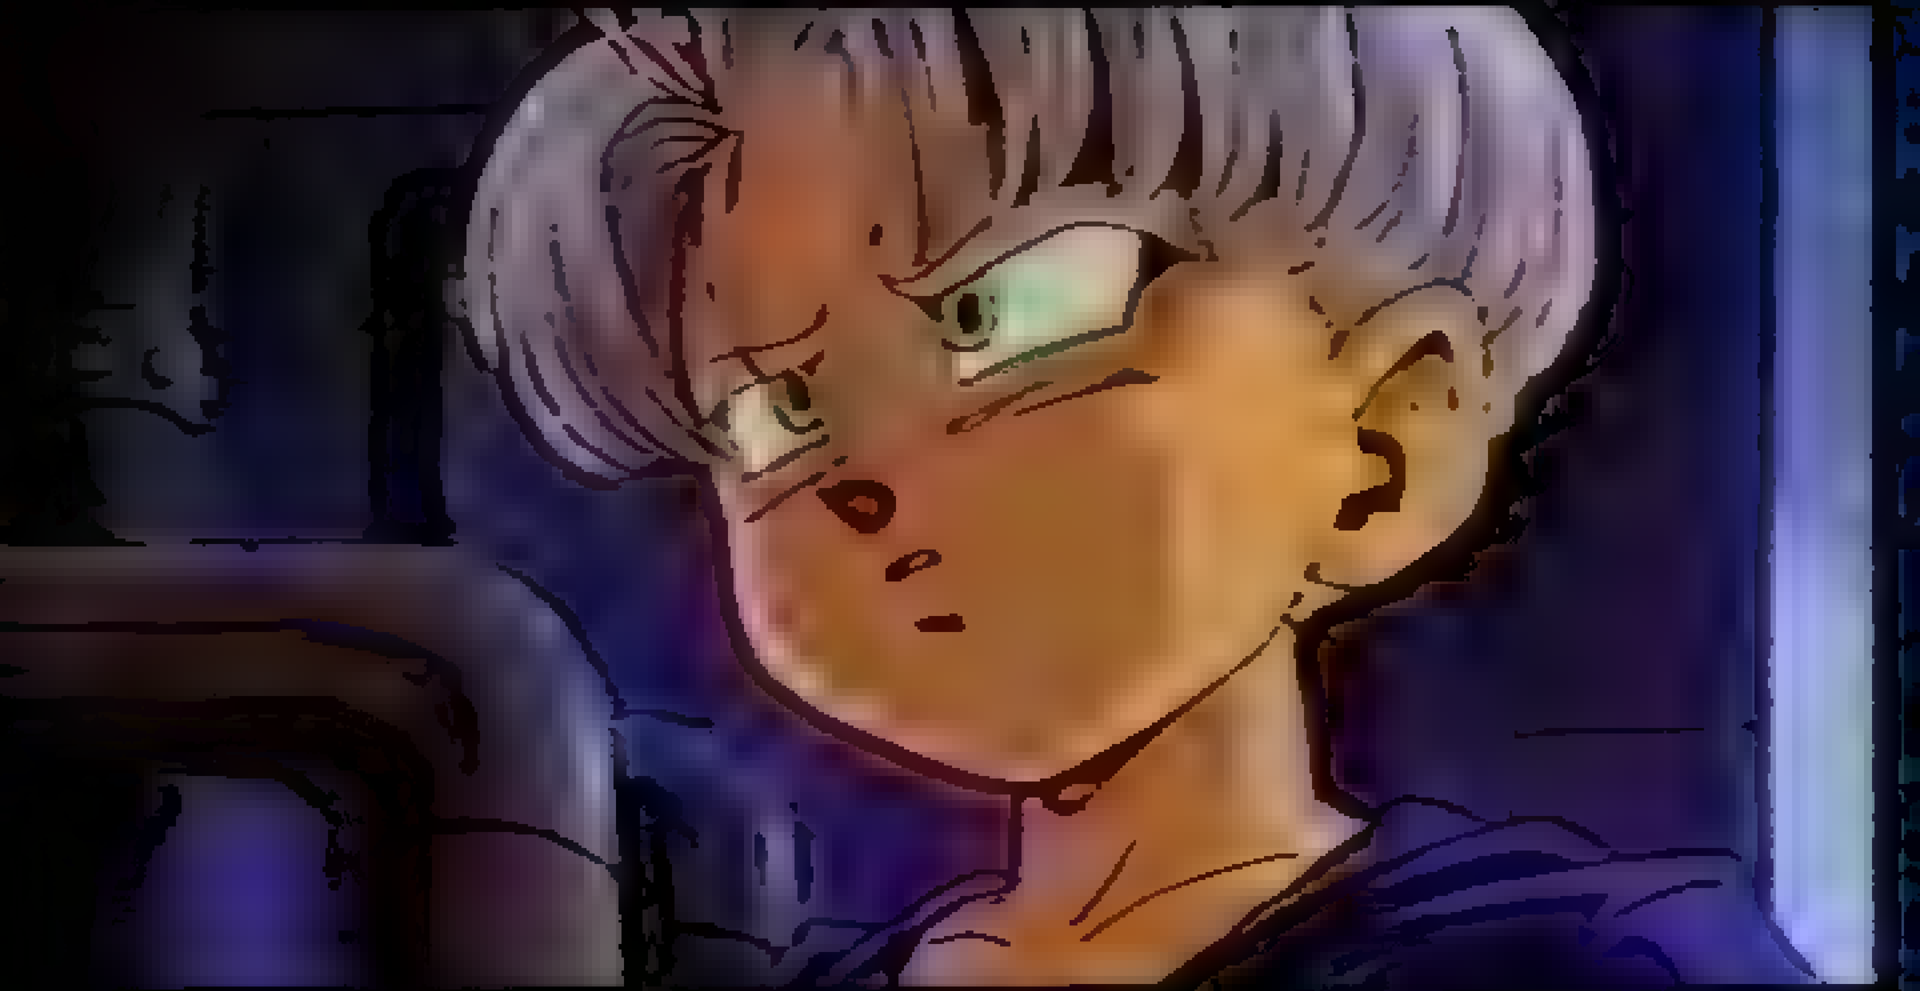

Sir, we're just going to leave
some food here for you.

My mom is real good cook.

We're going now...

We'll be back tomorrow...

What the hell is going on?!

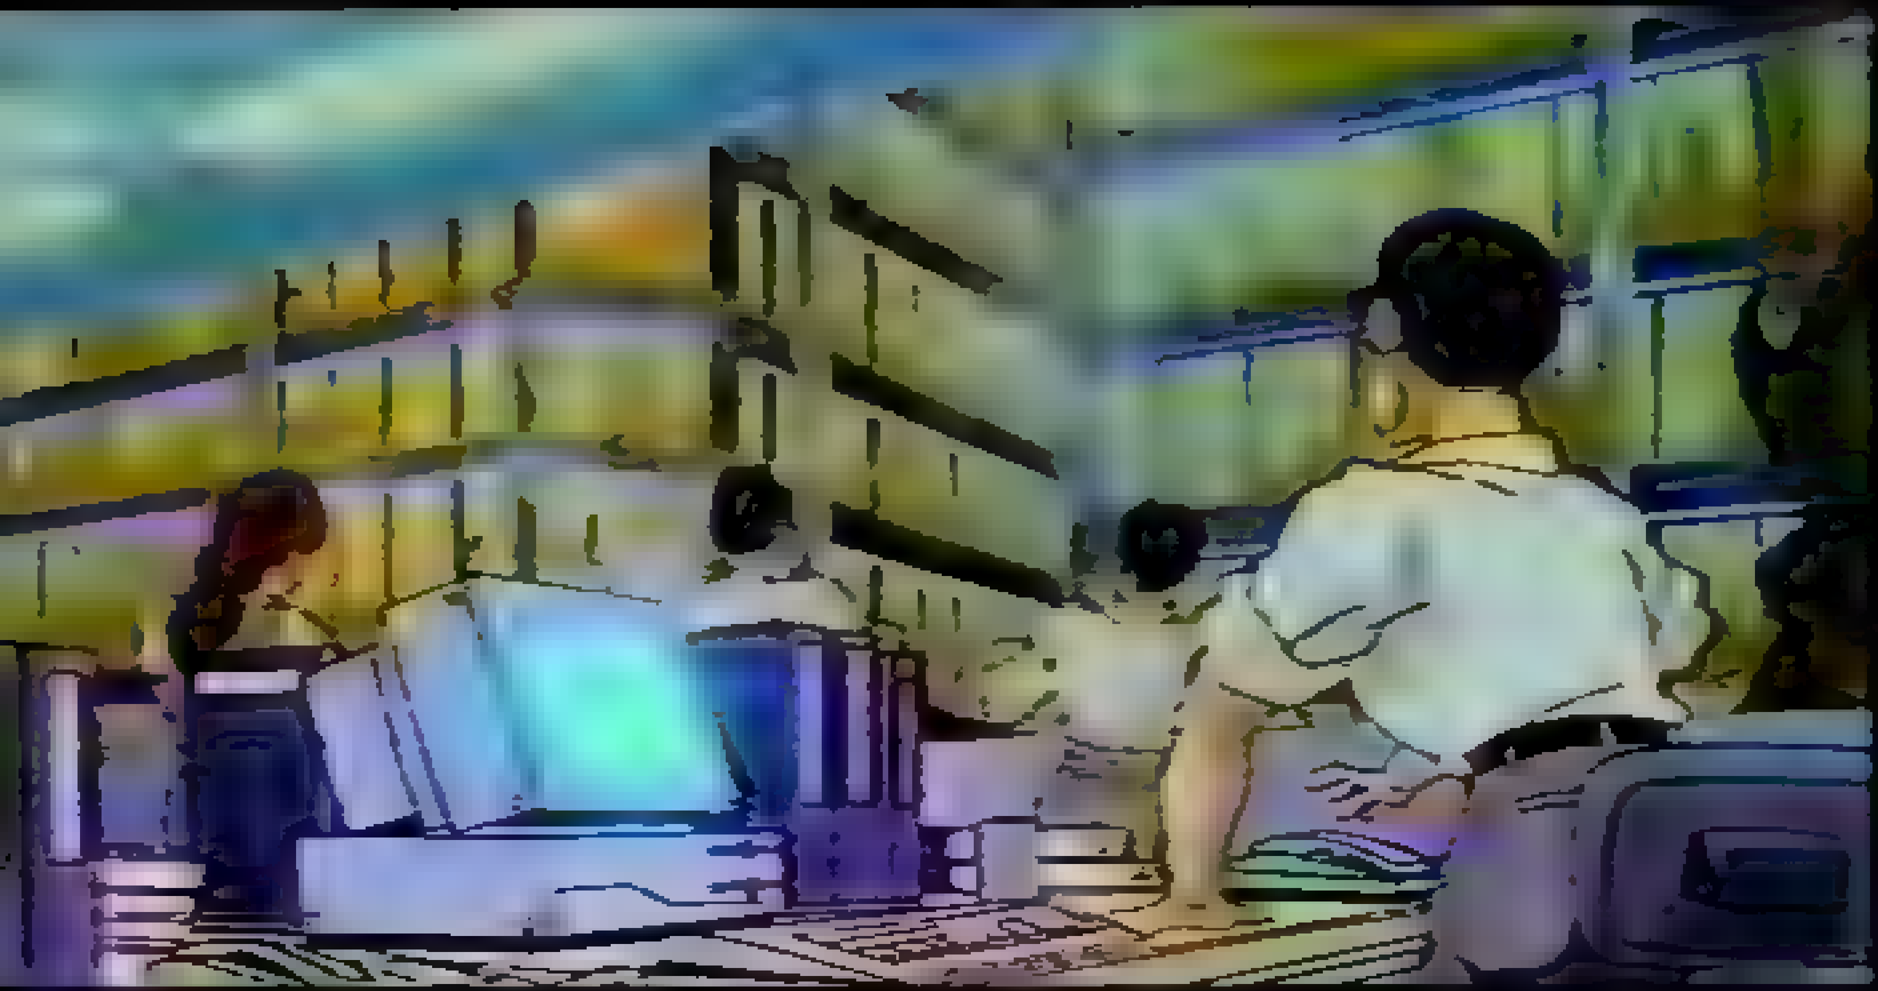

Move it!

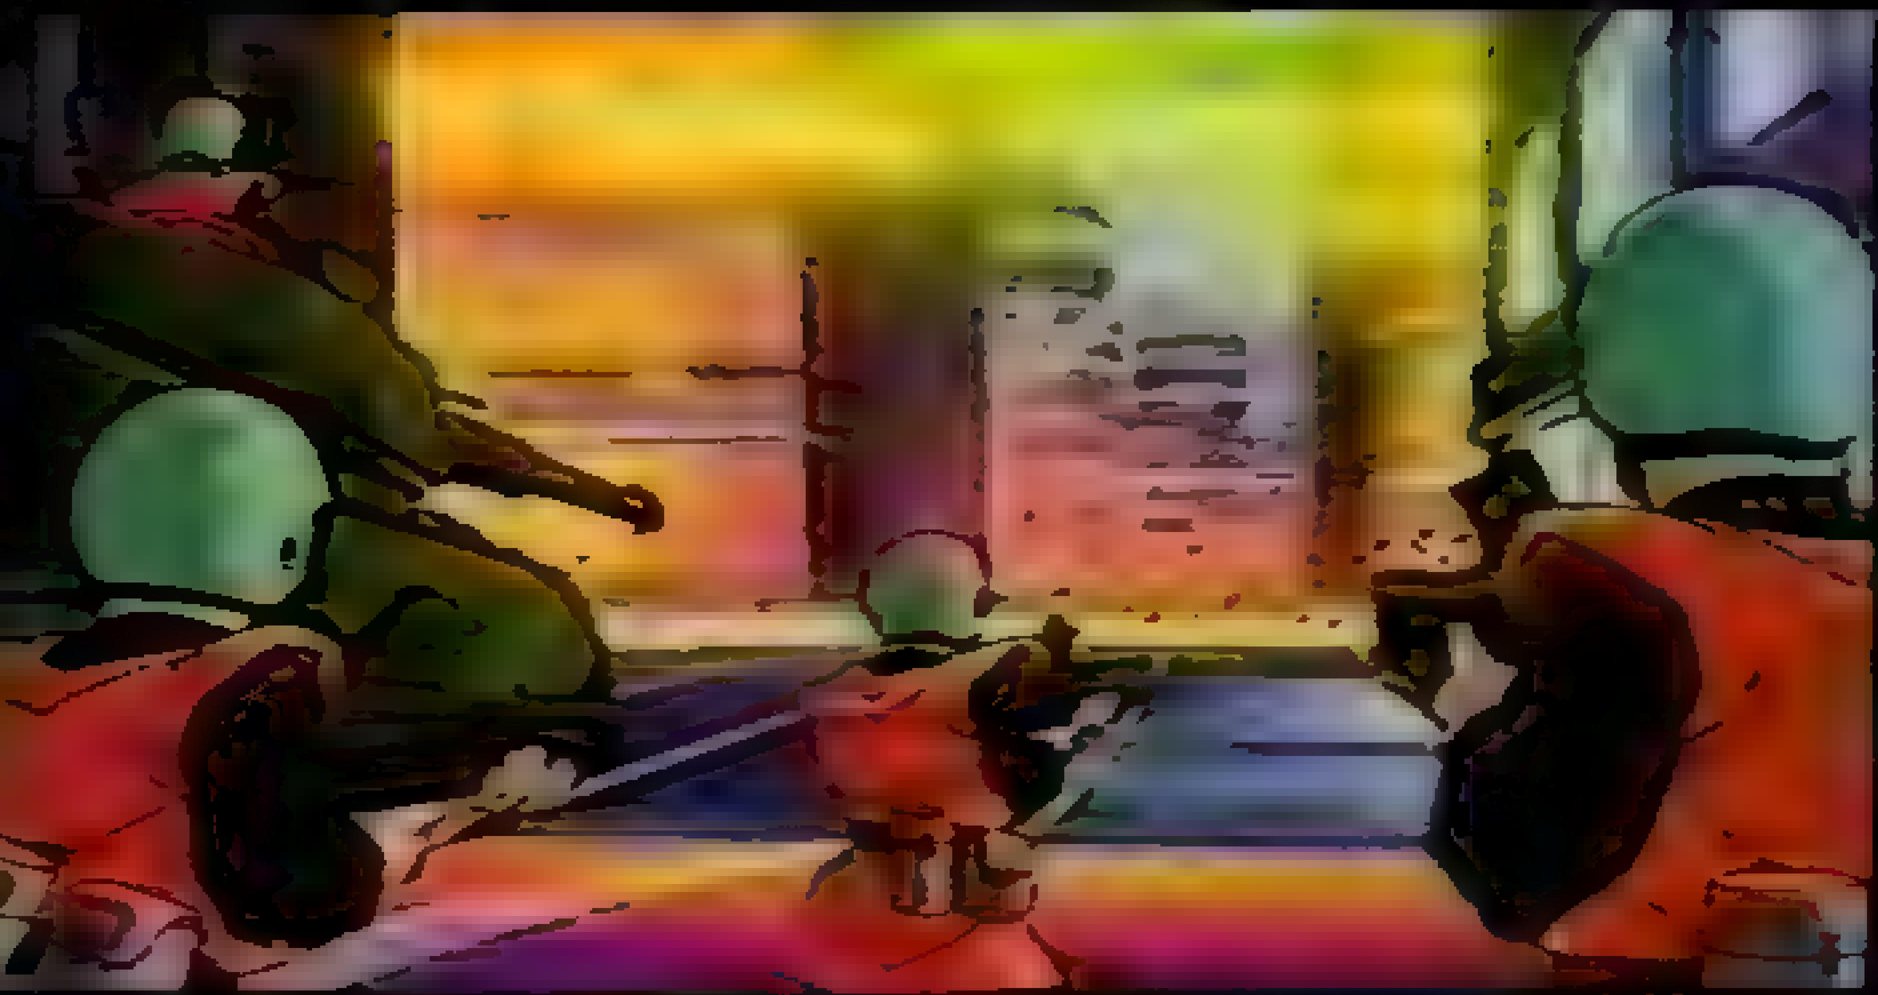

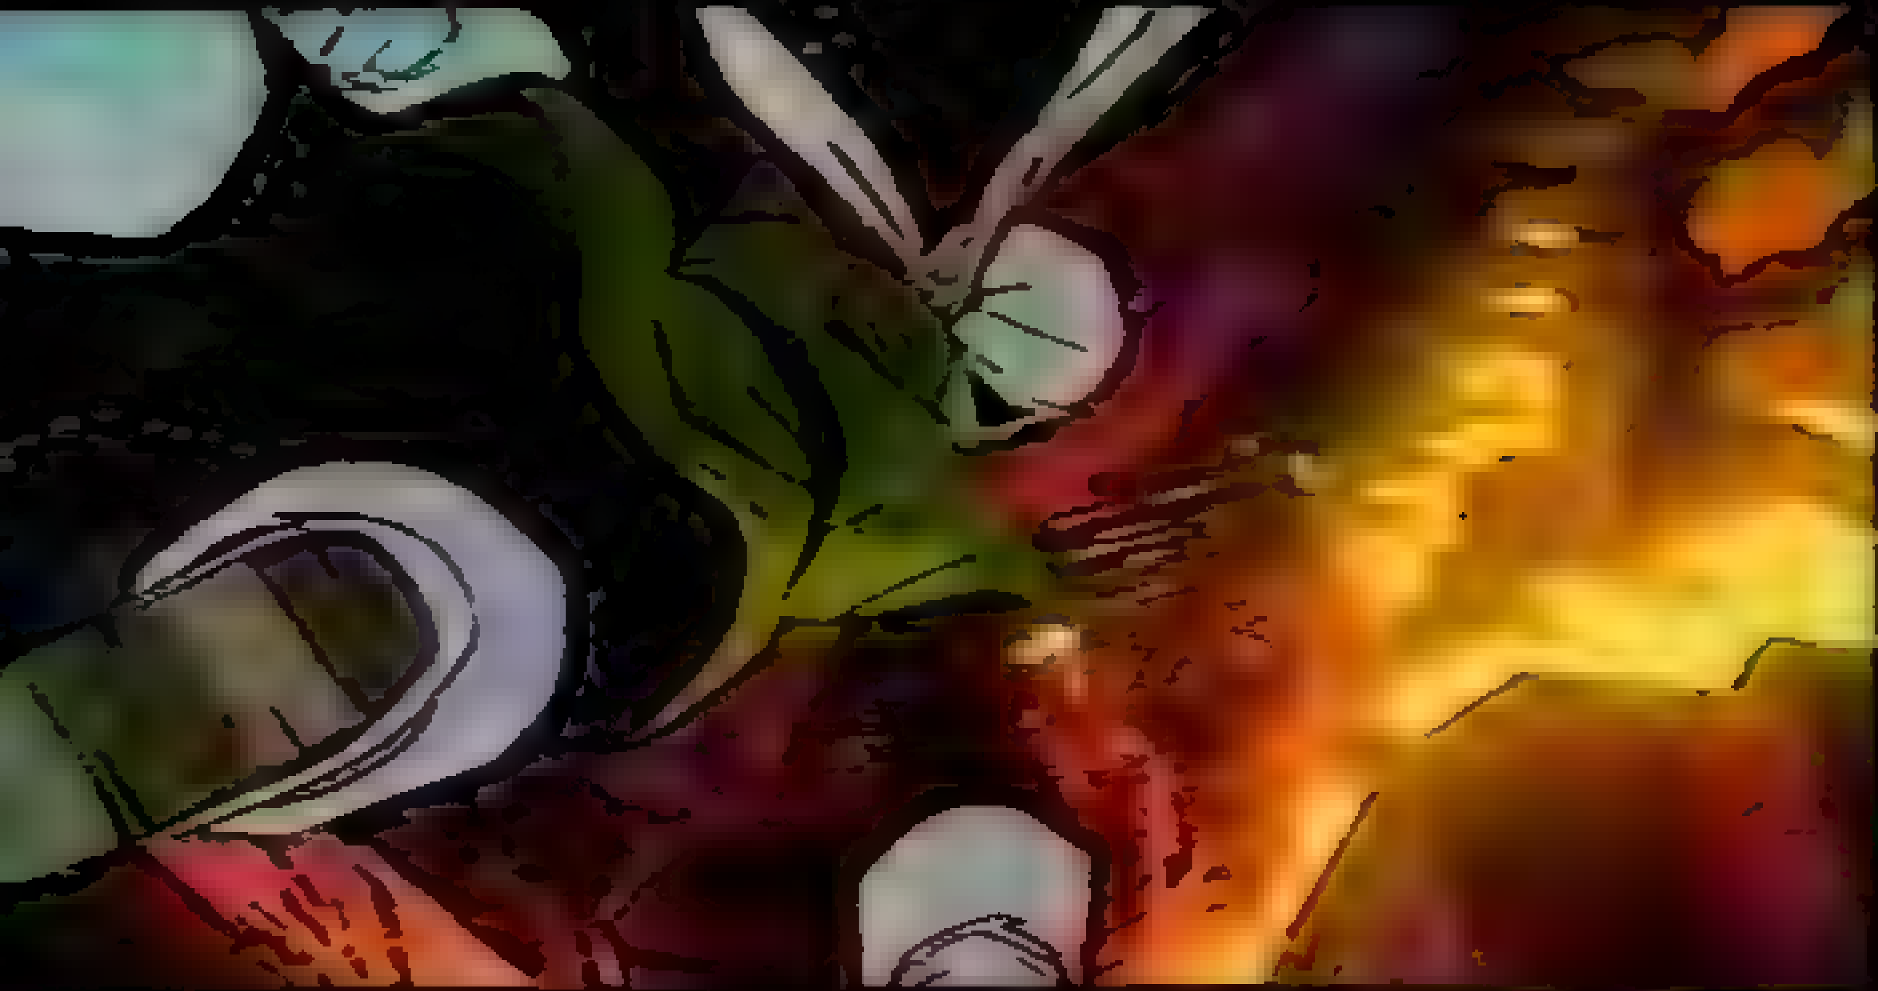

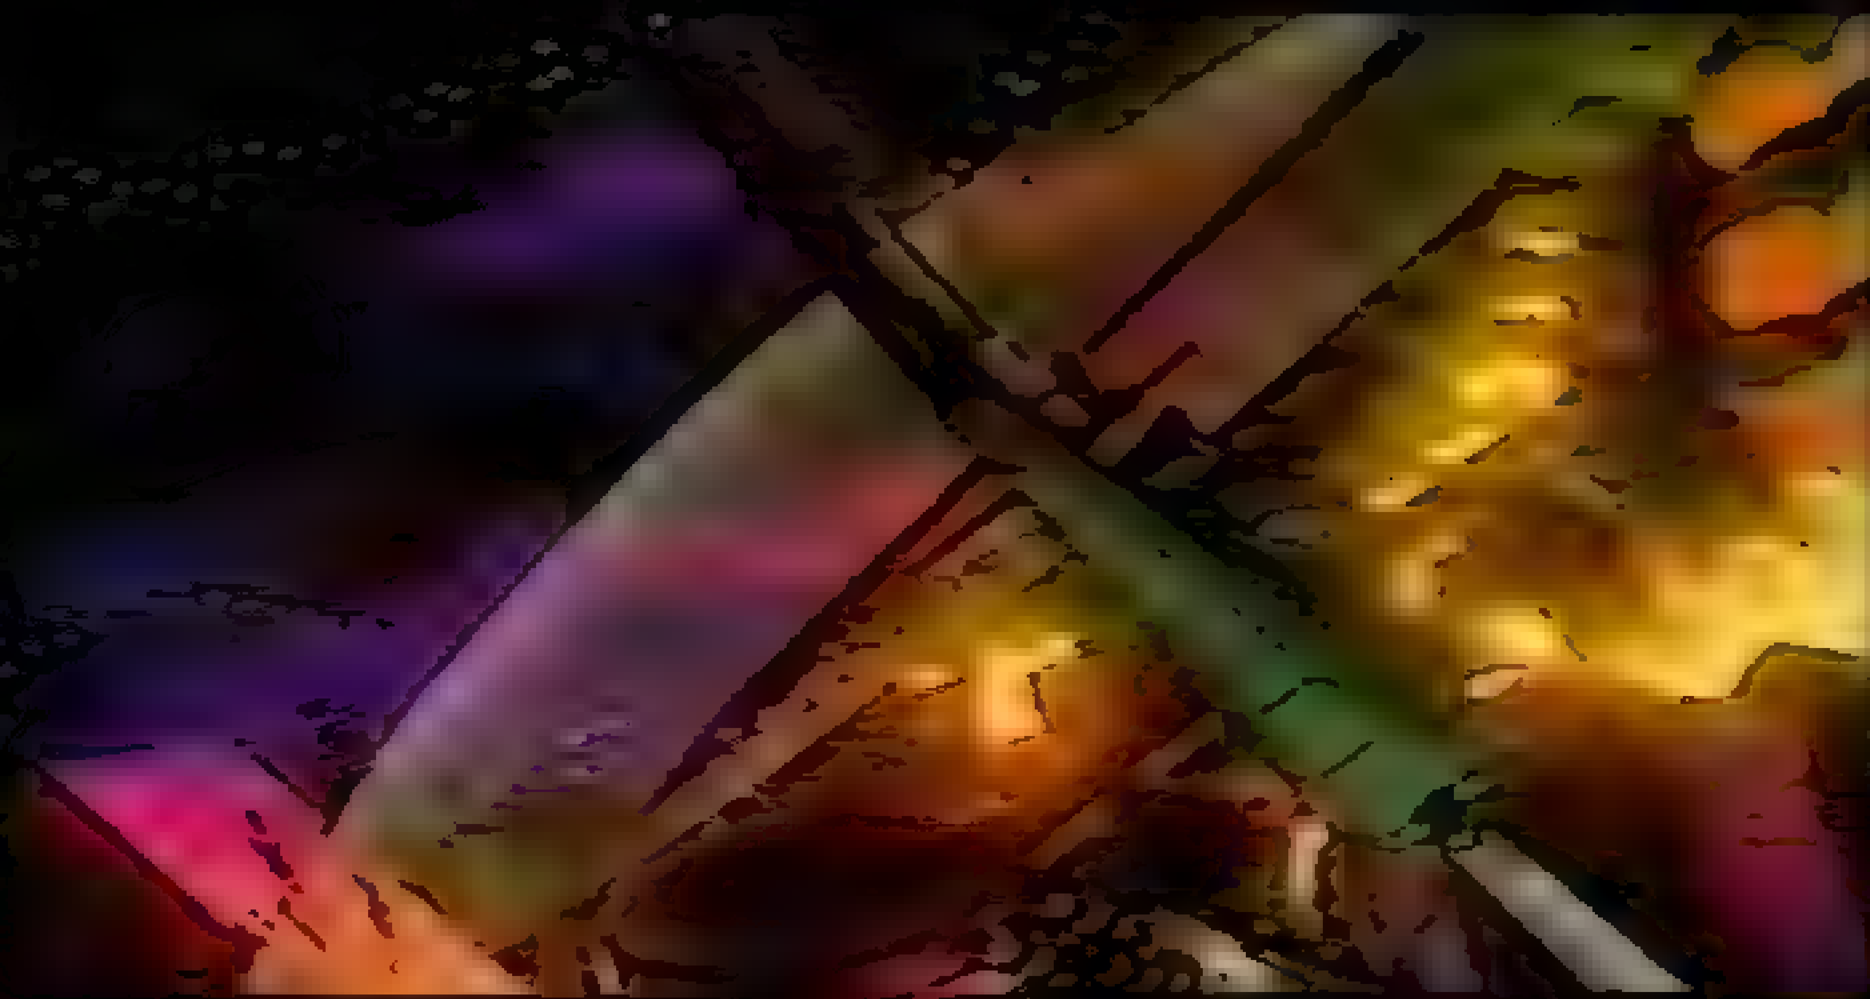

The Great Saiyaman is here!!

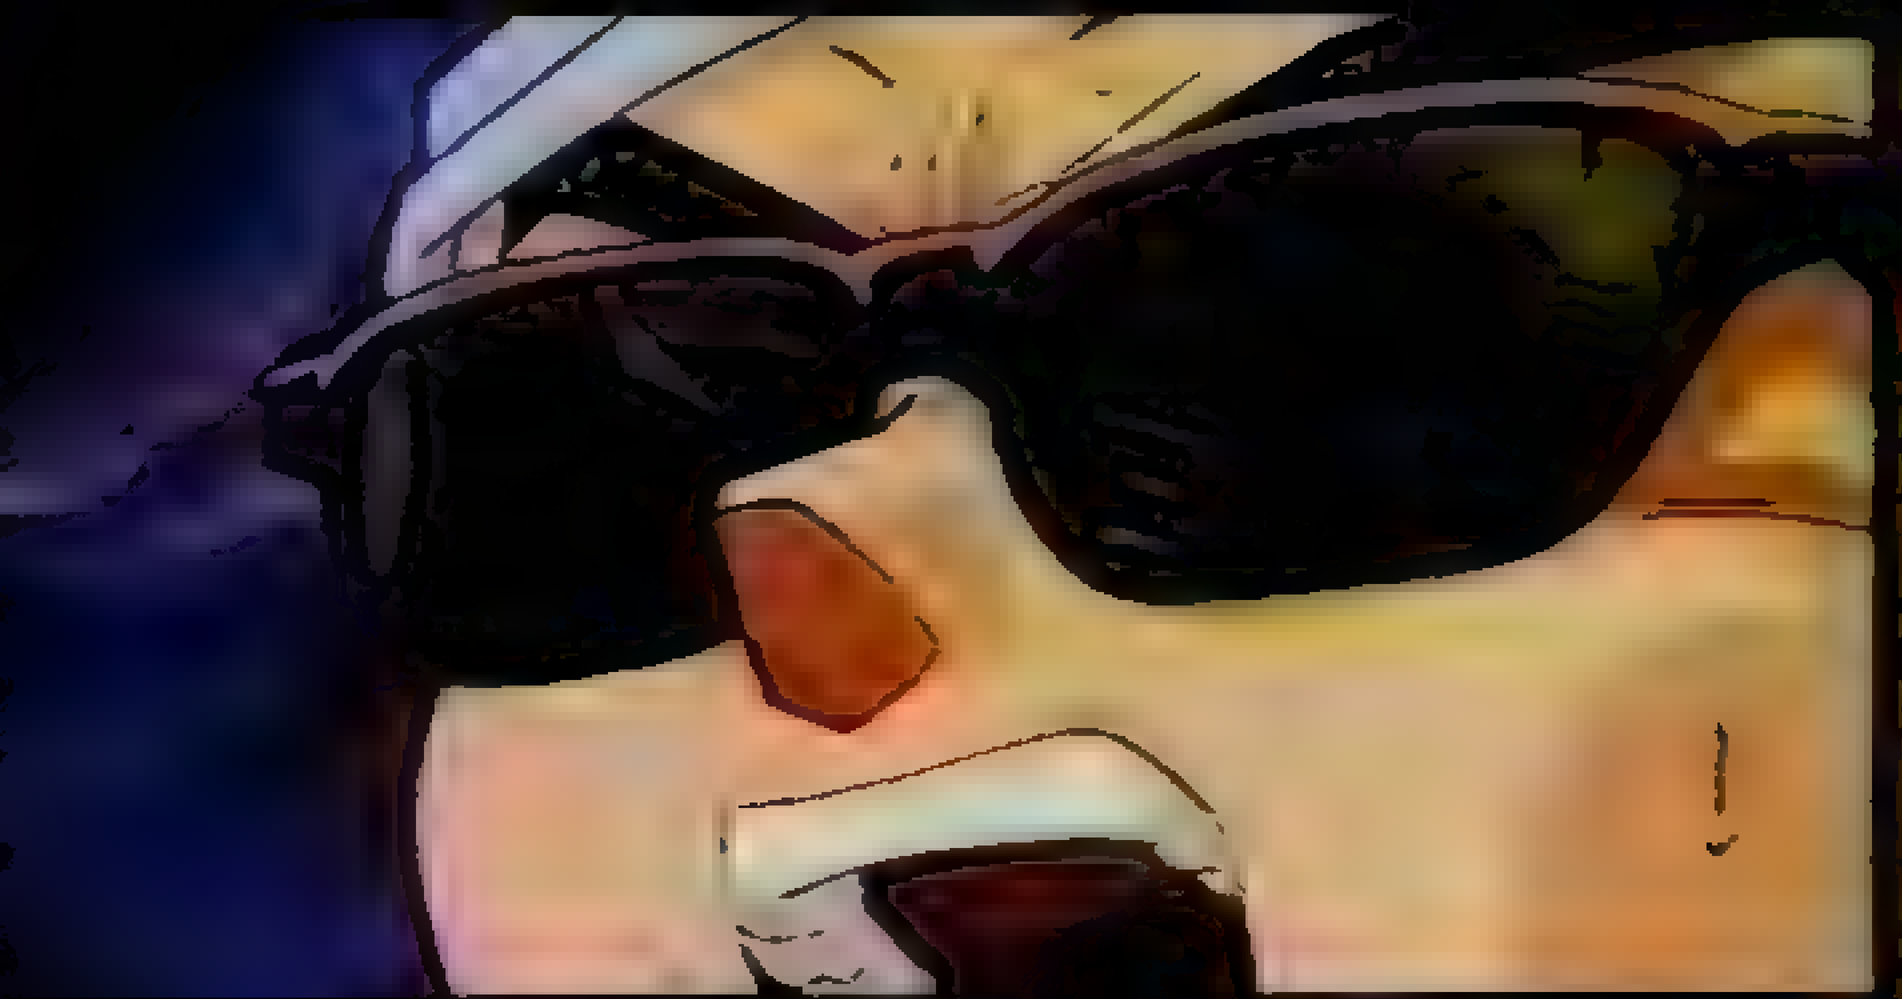

Well, let's put him in charge!

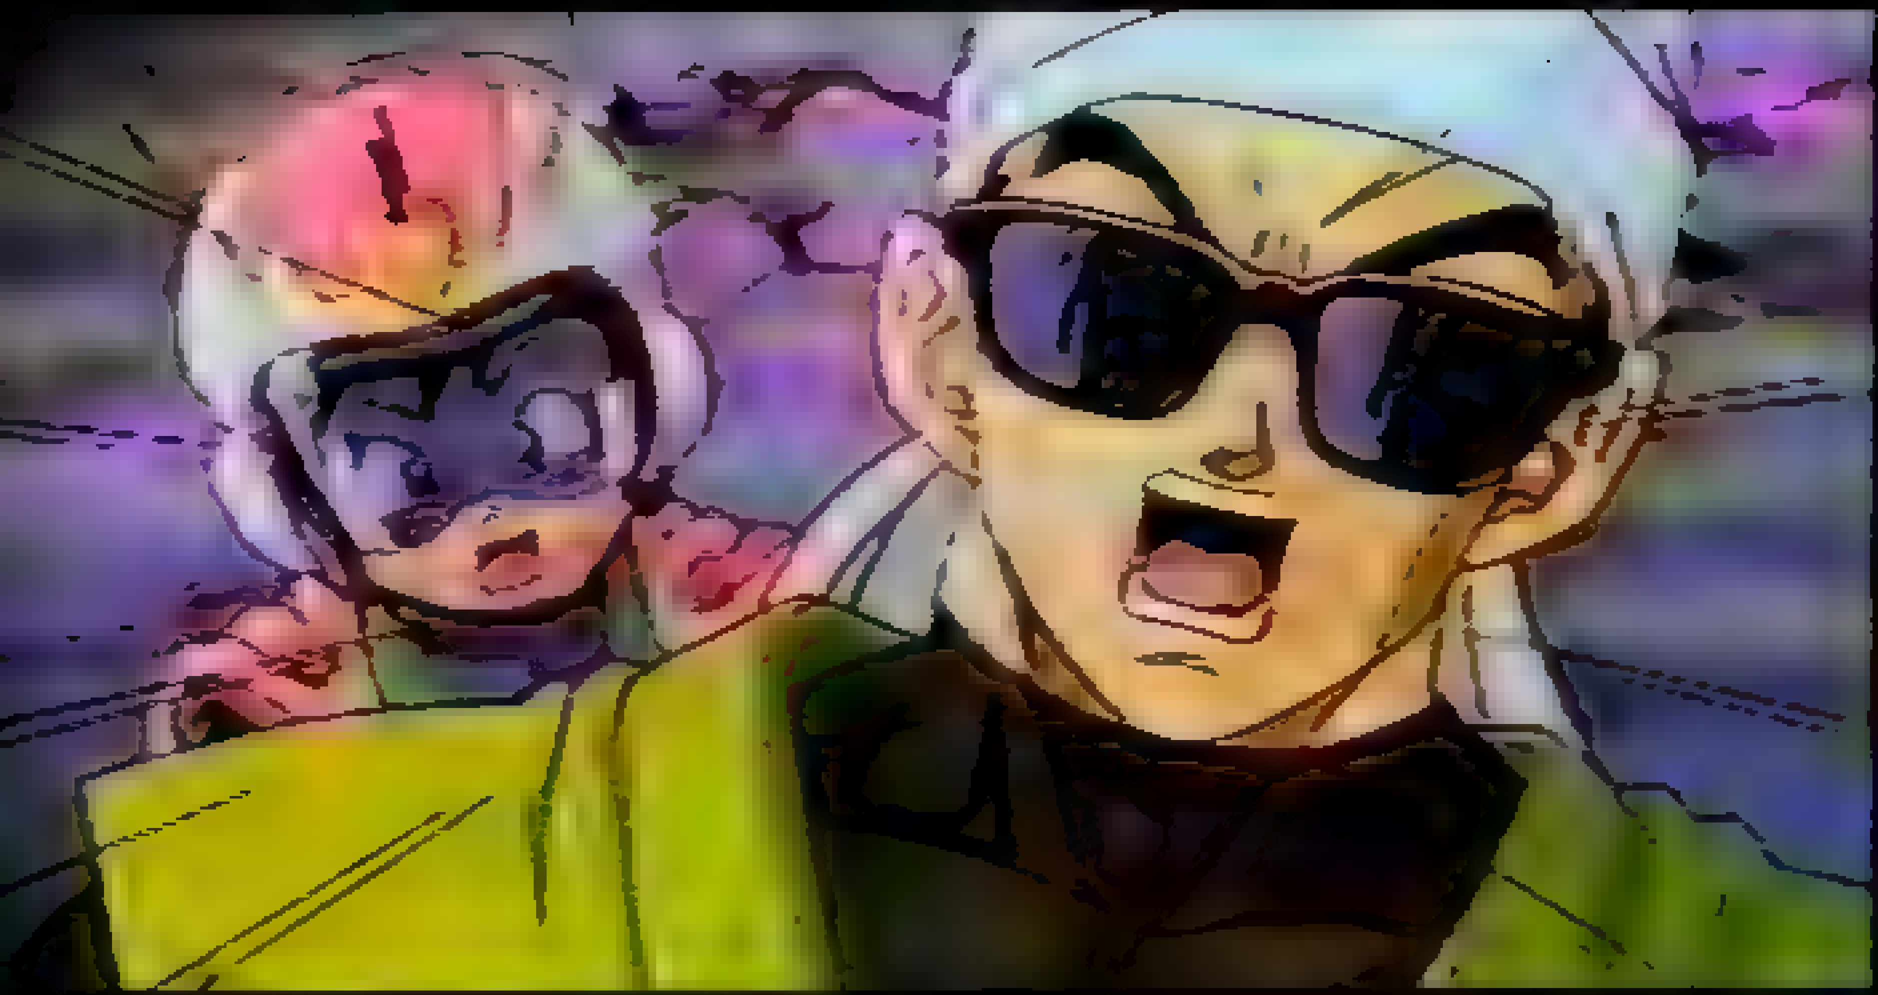

What the hell?!

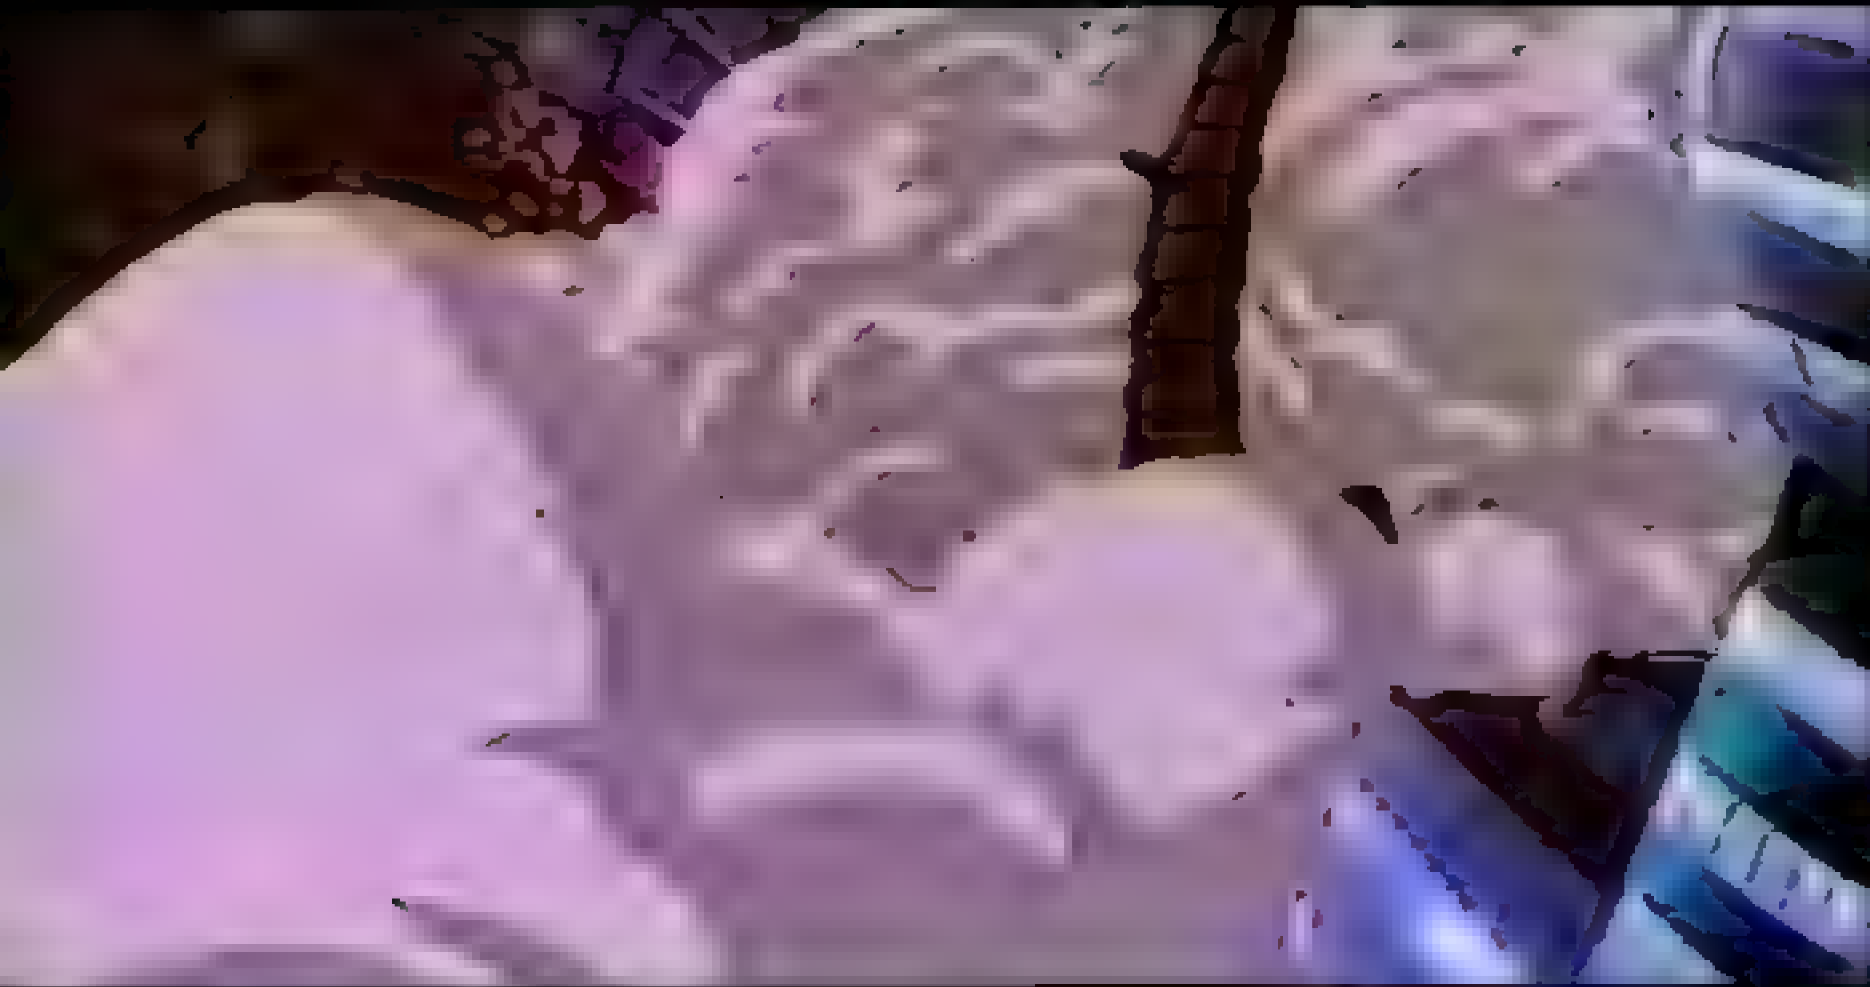

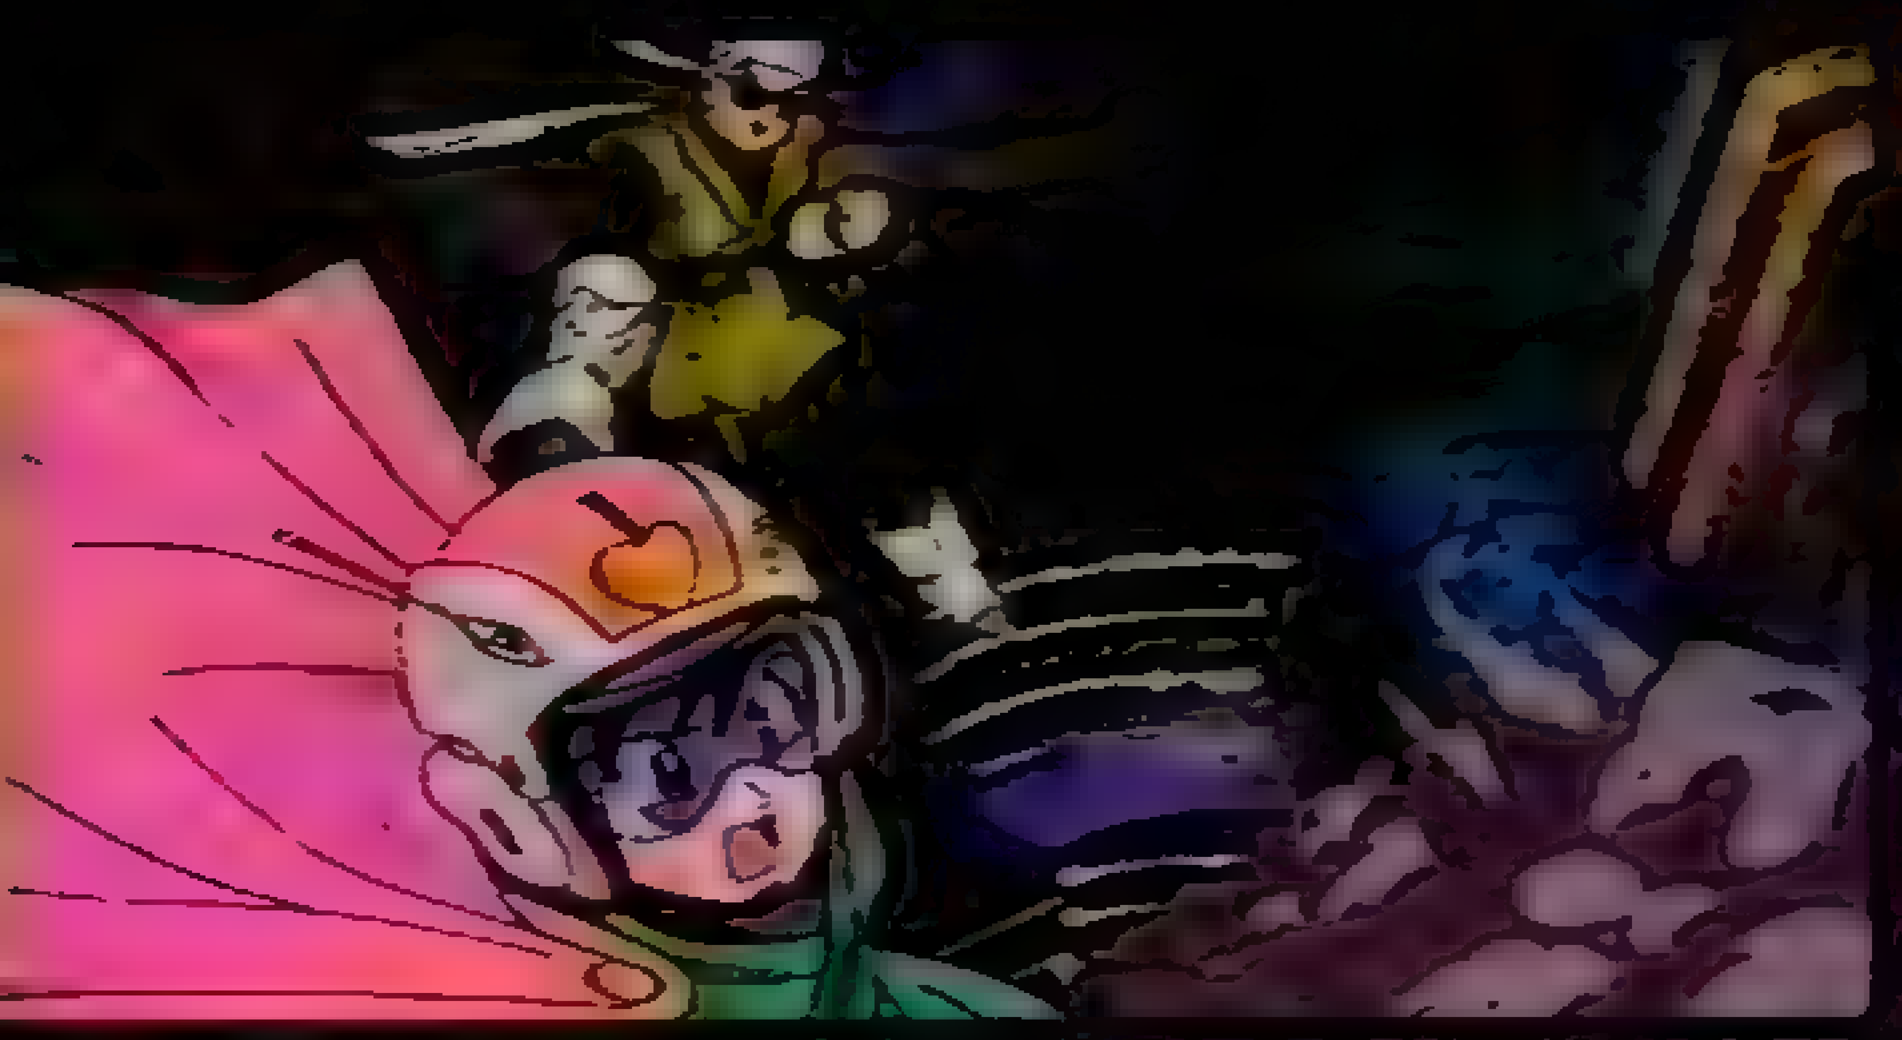

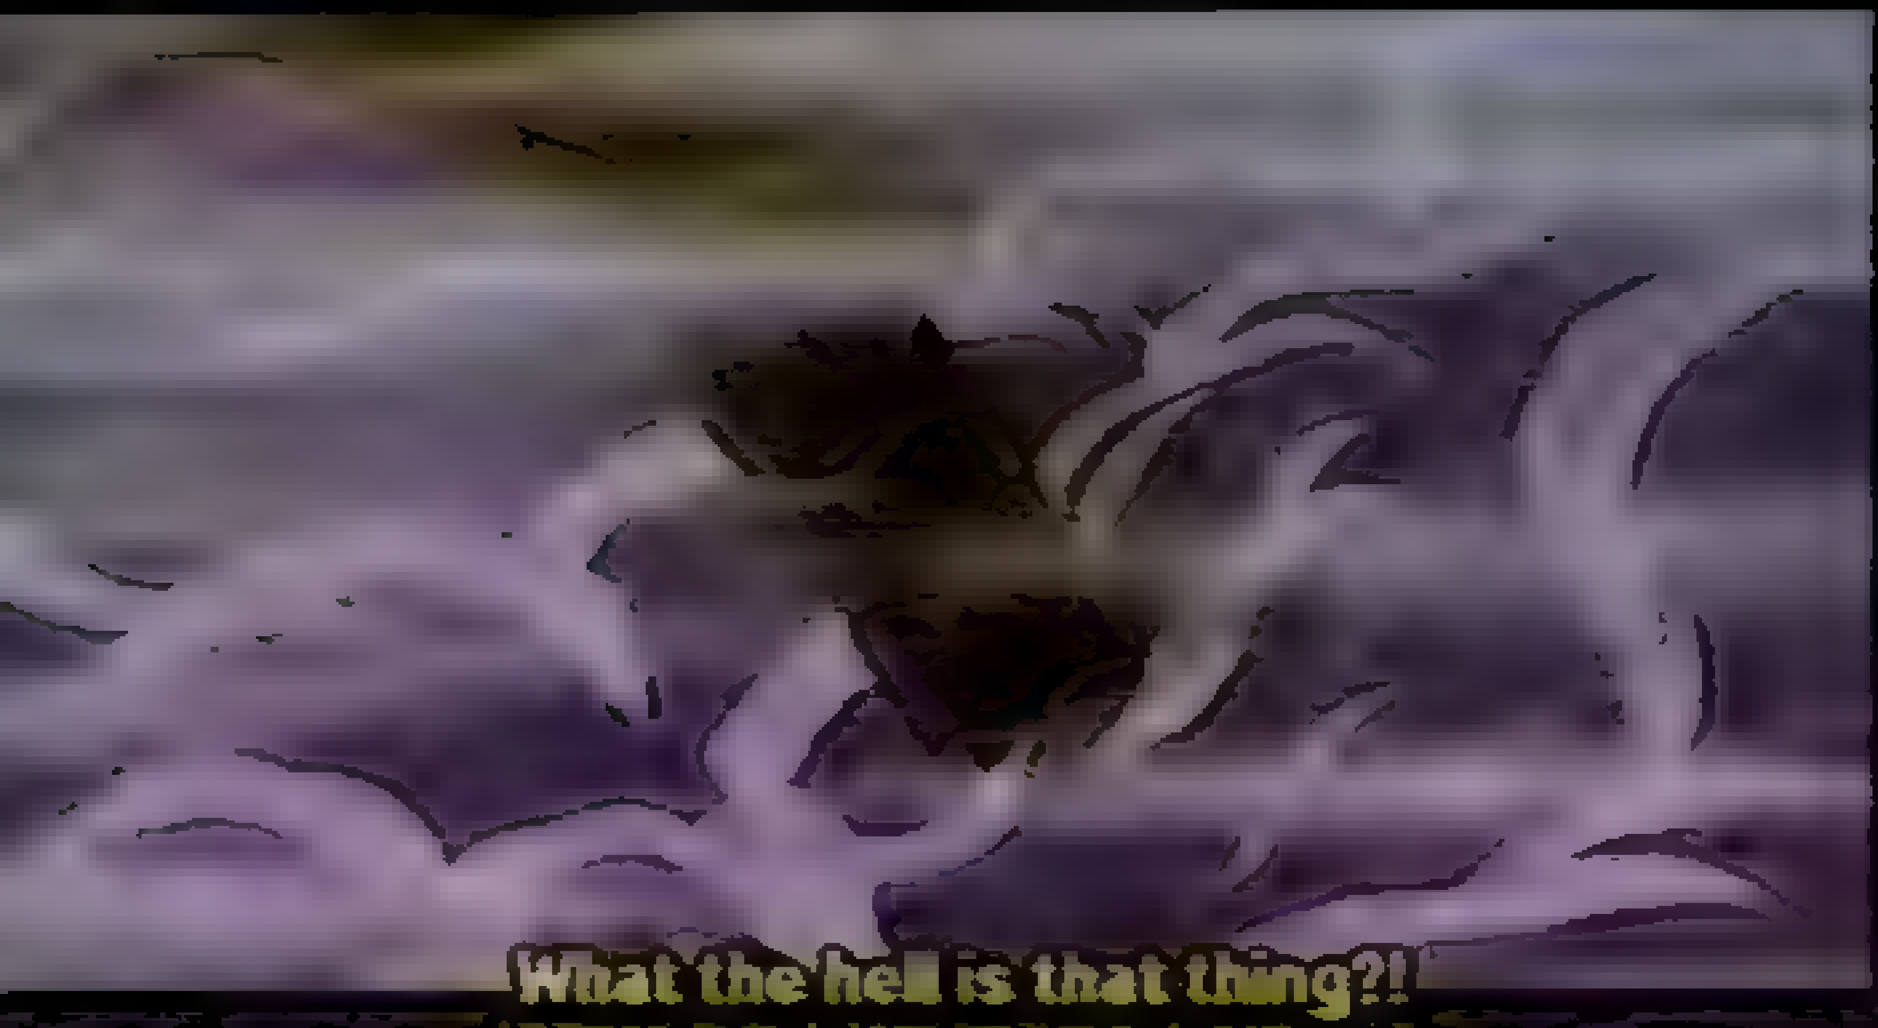

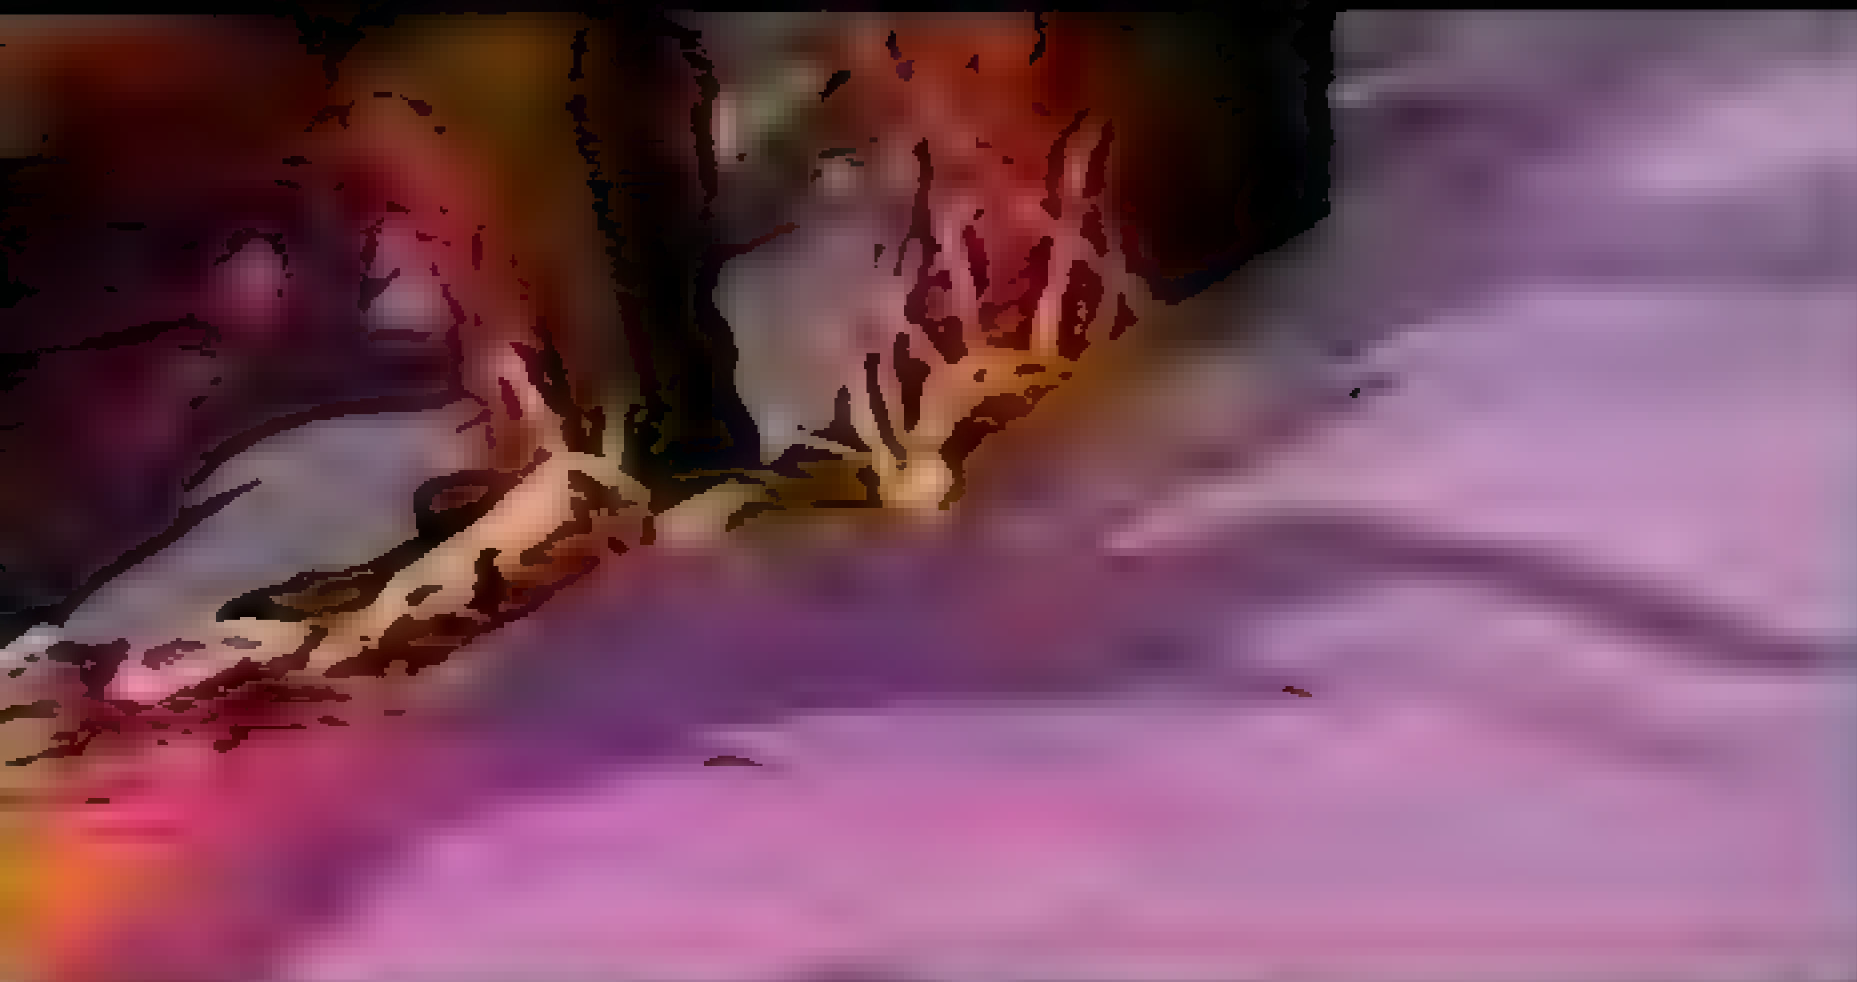

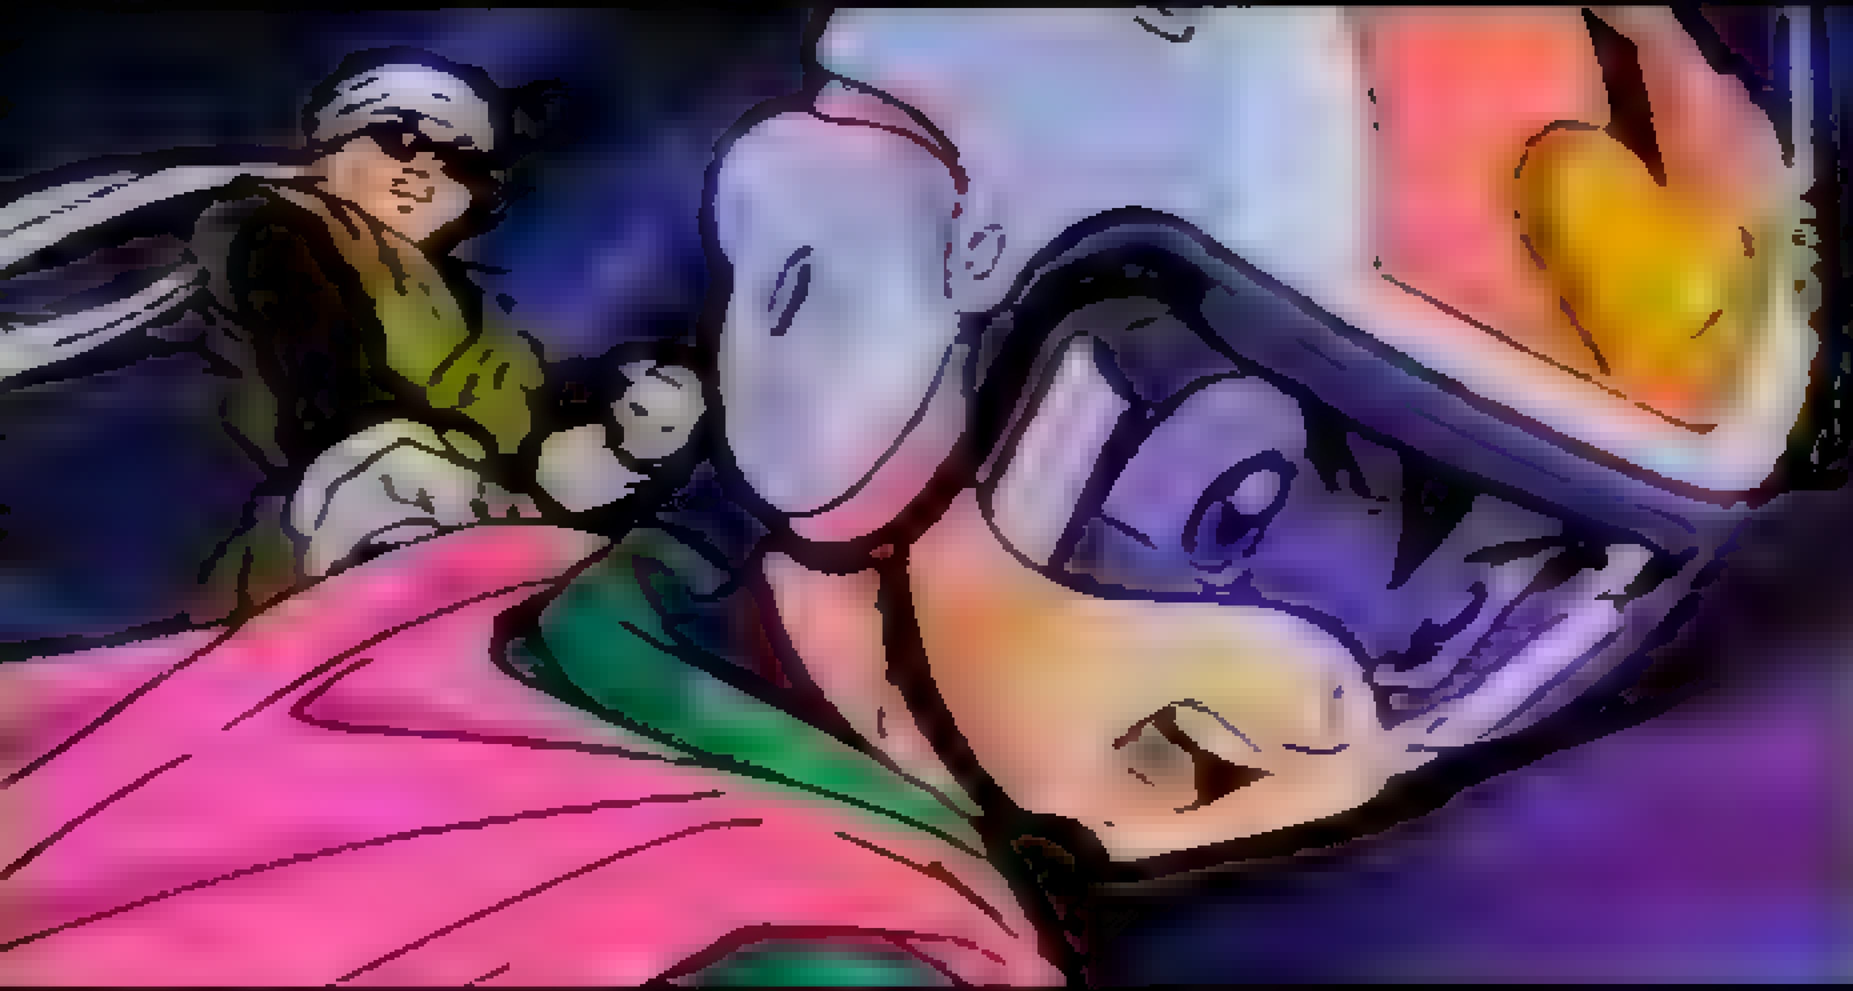

What the hell is that thing?!

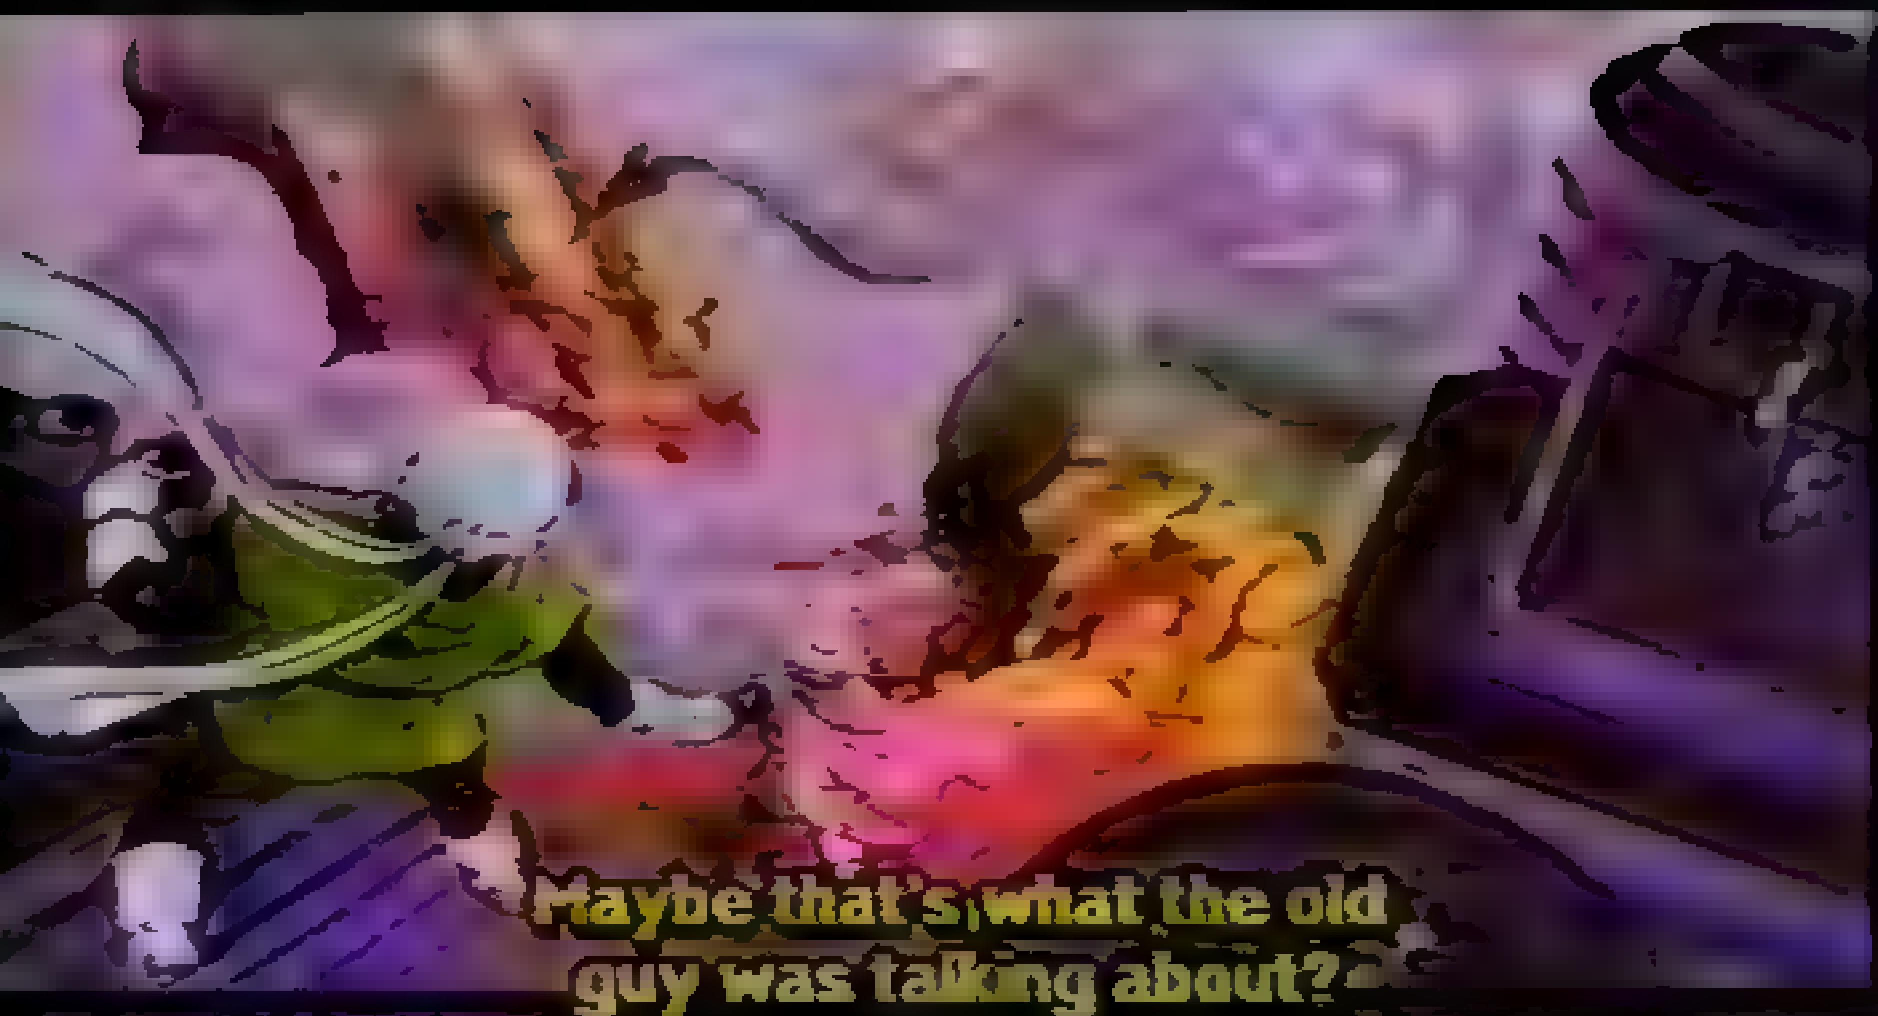

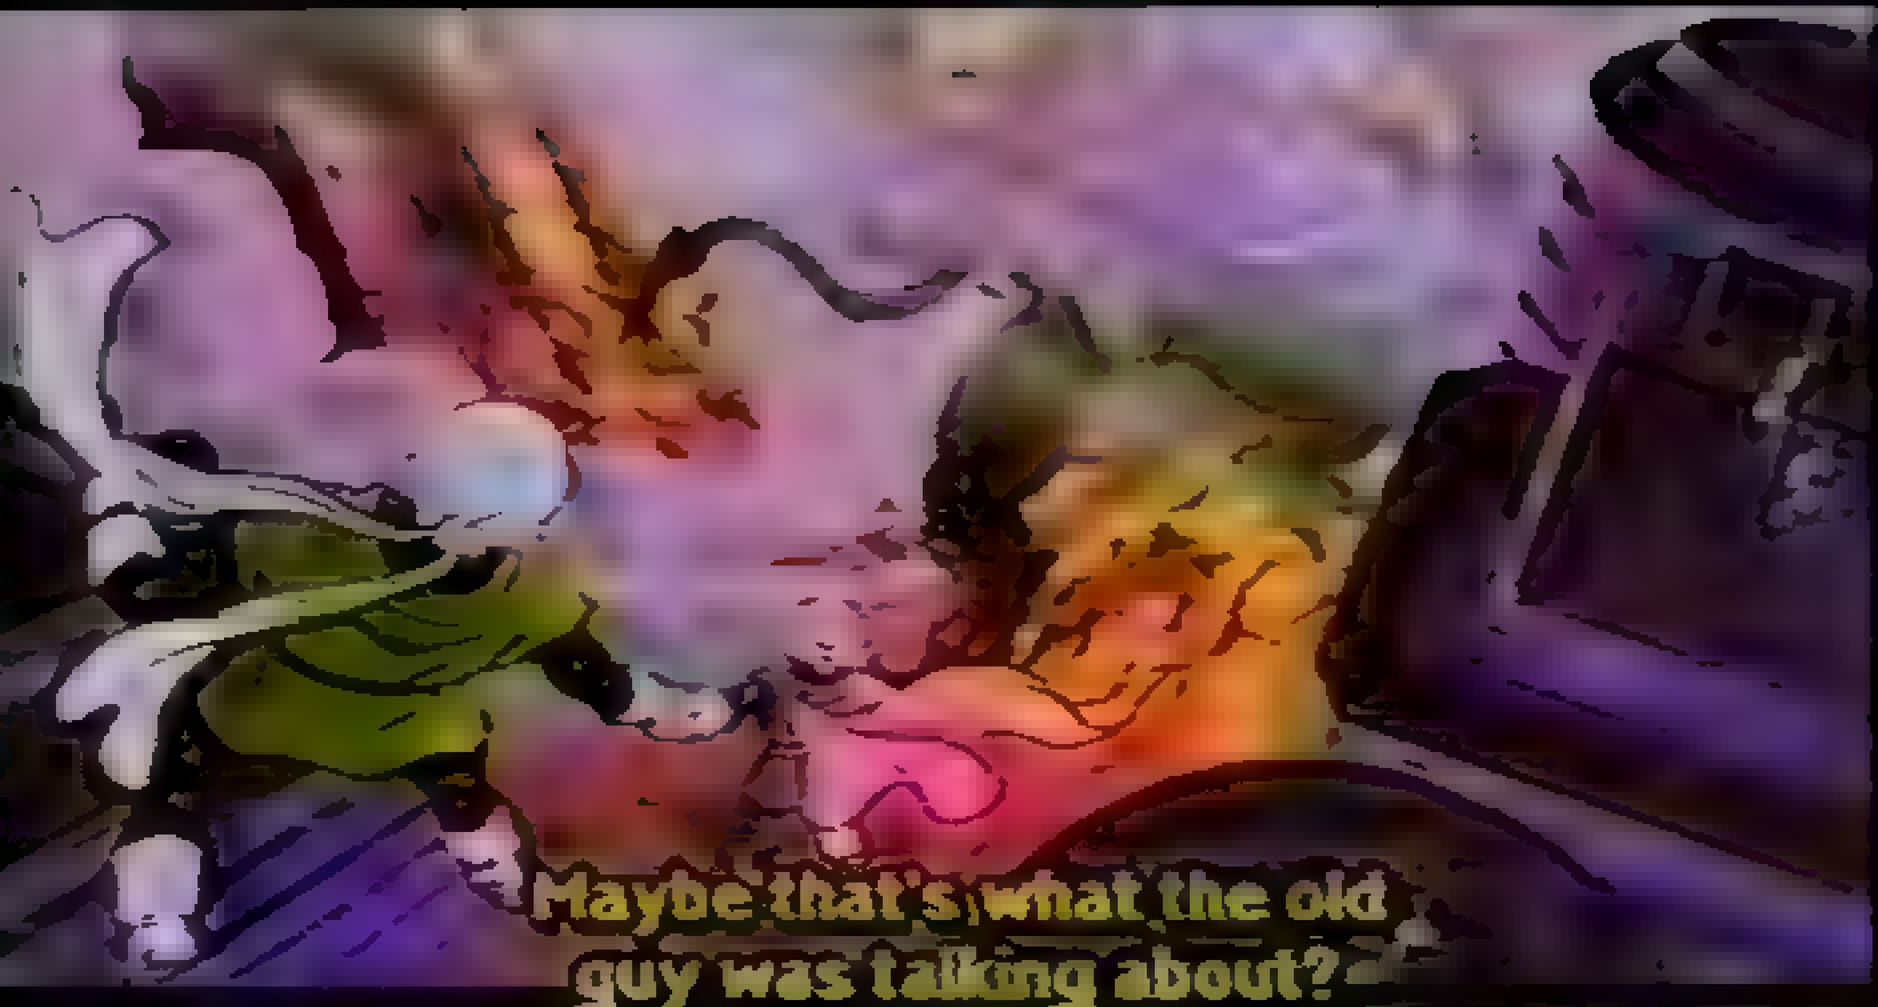

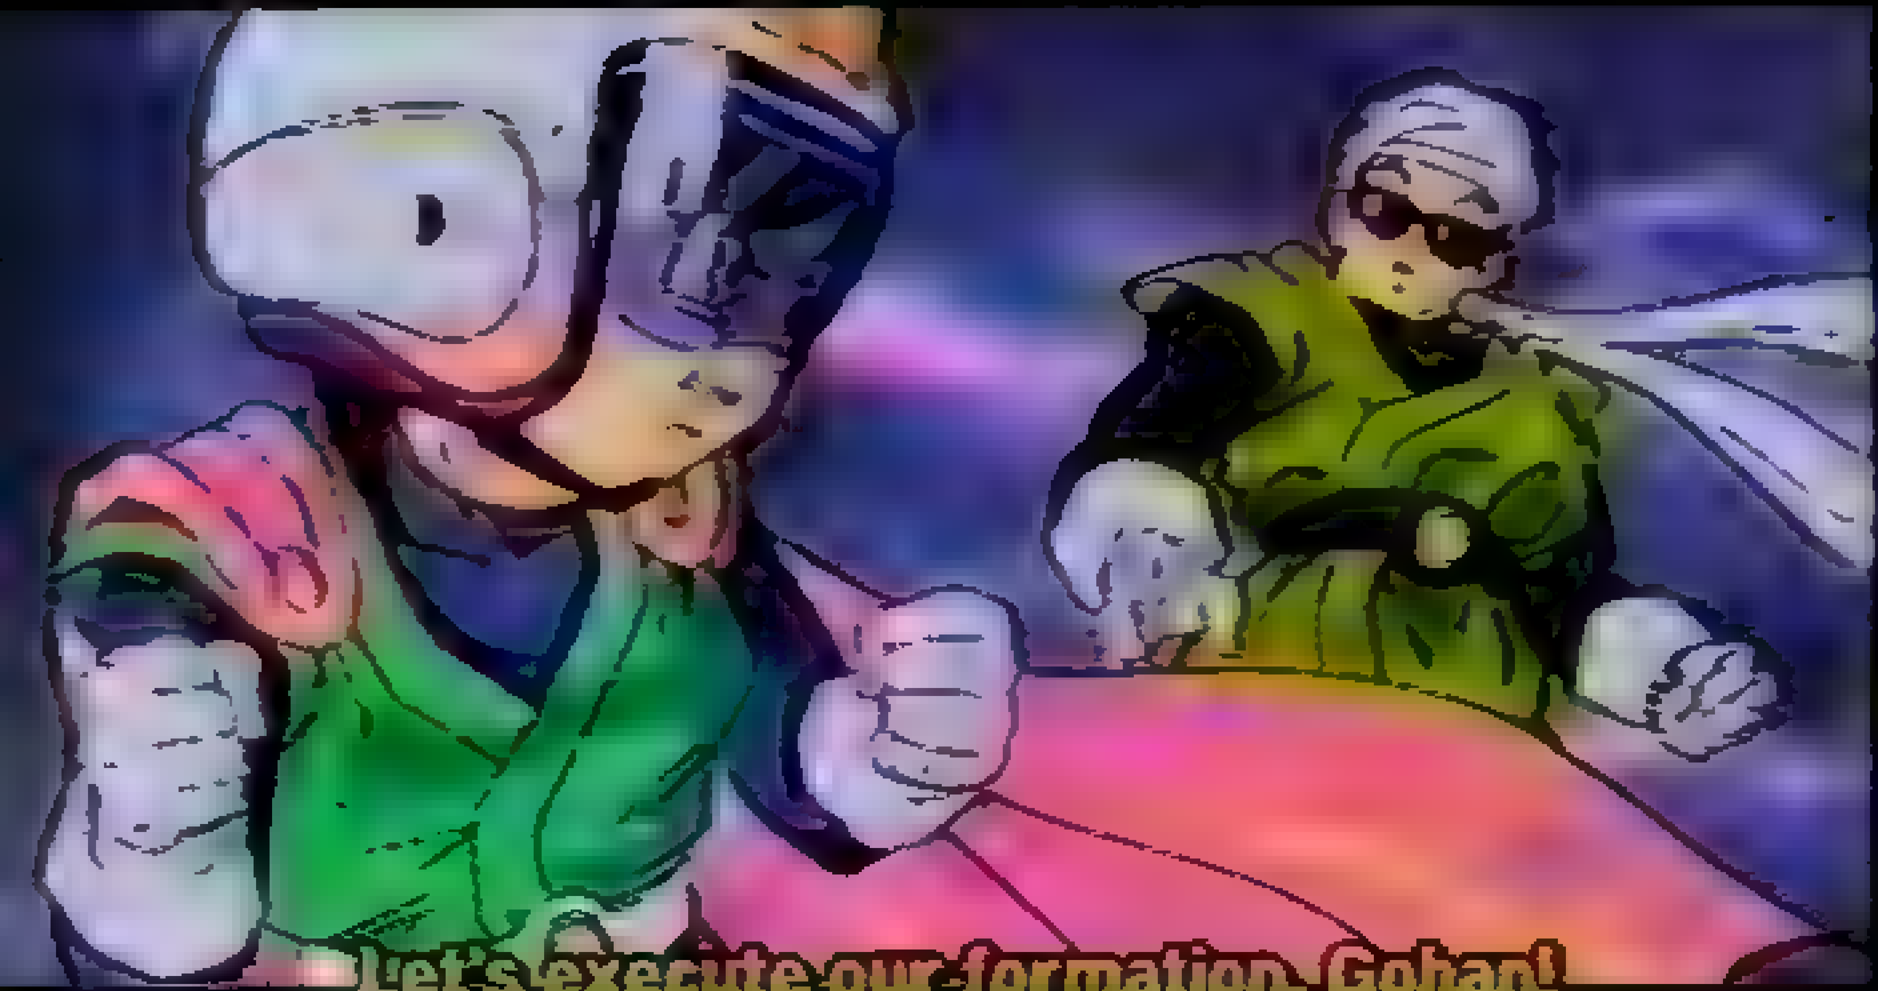

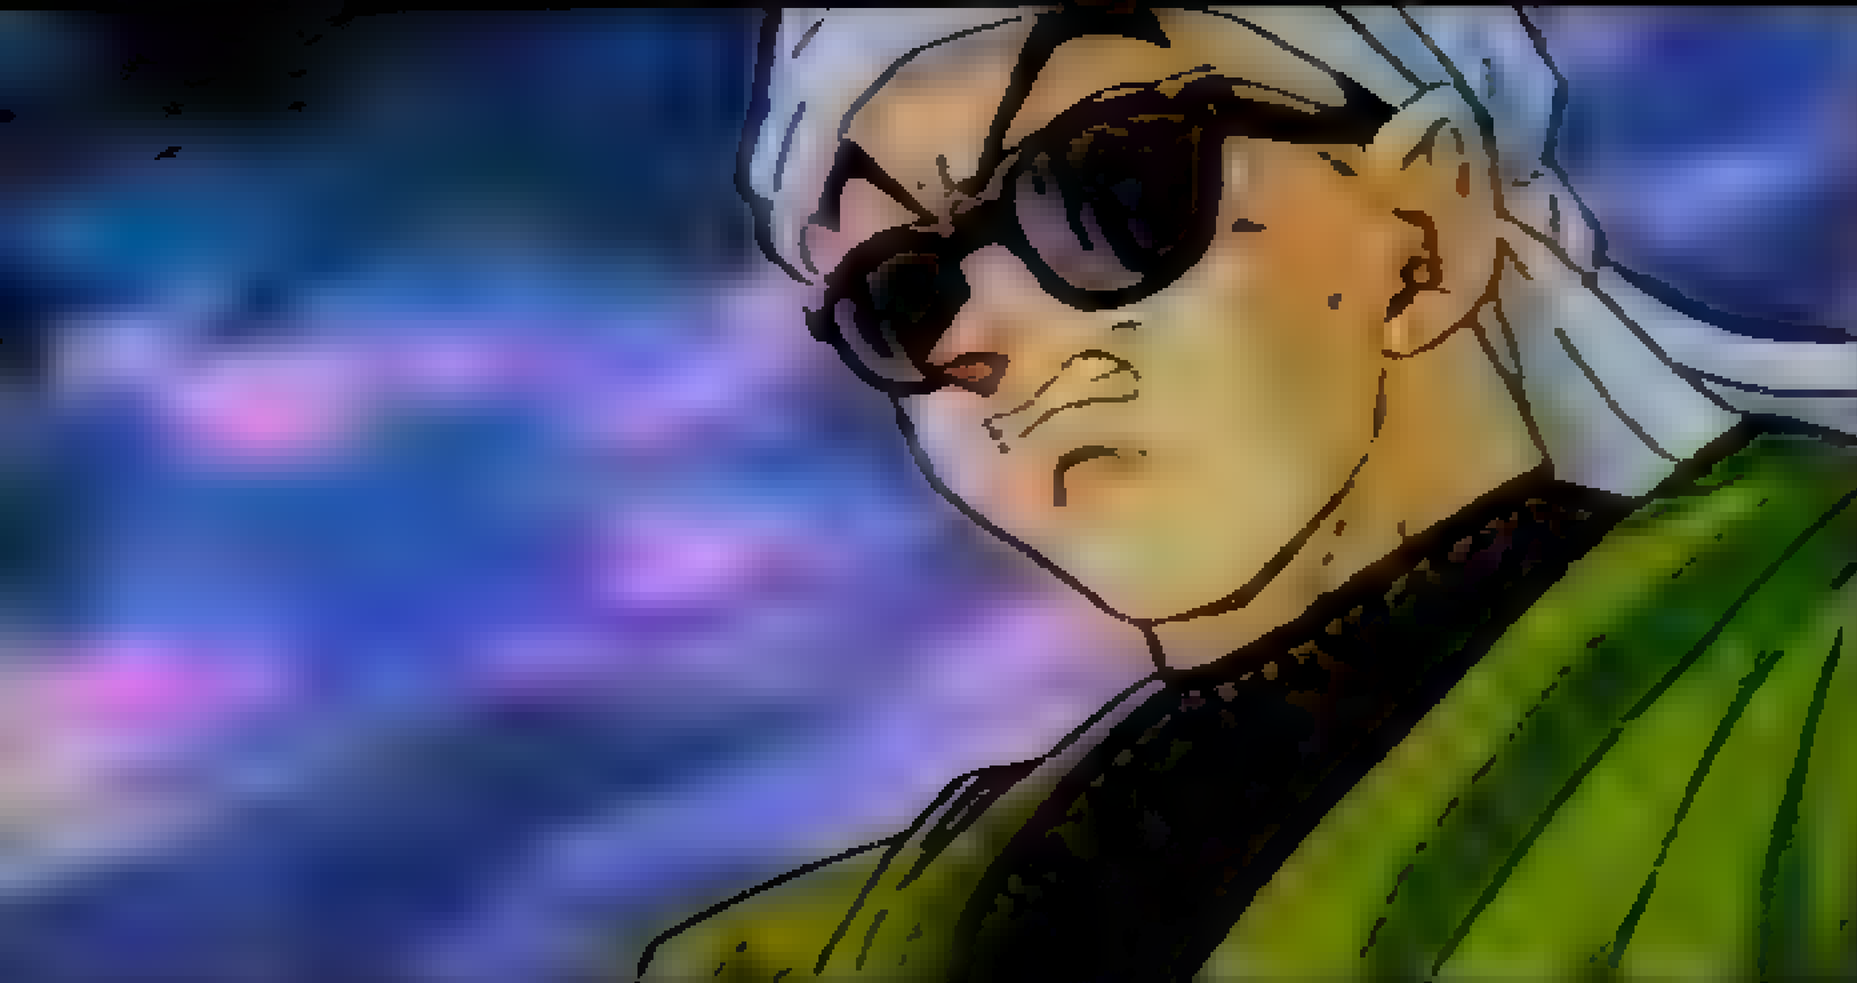

It's a monster, but only the legs of the monster.

It's a monster, but only
the legs of the monster.

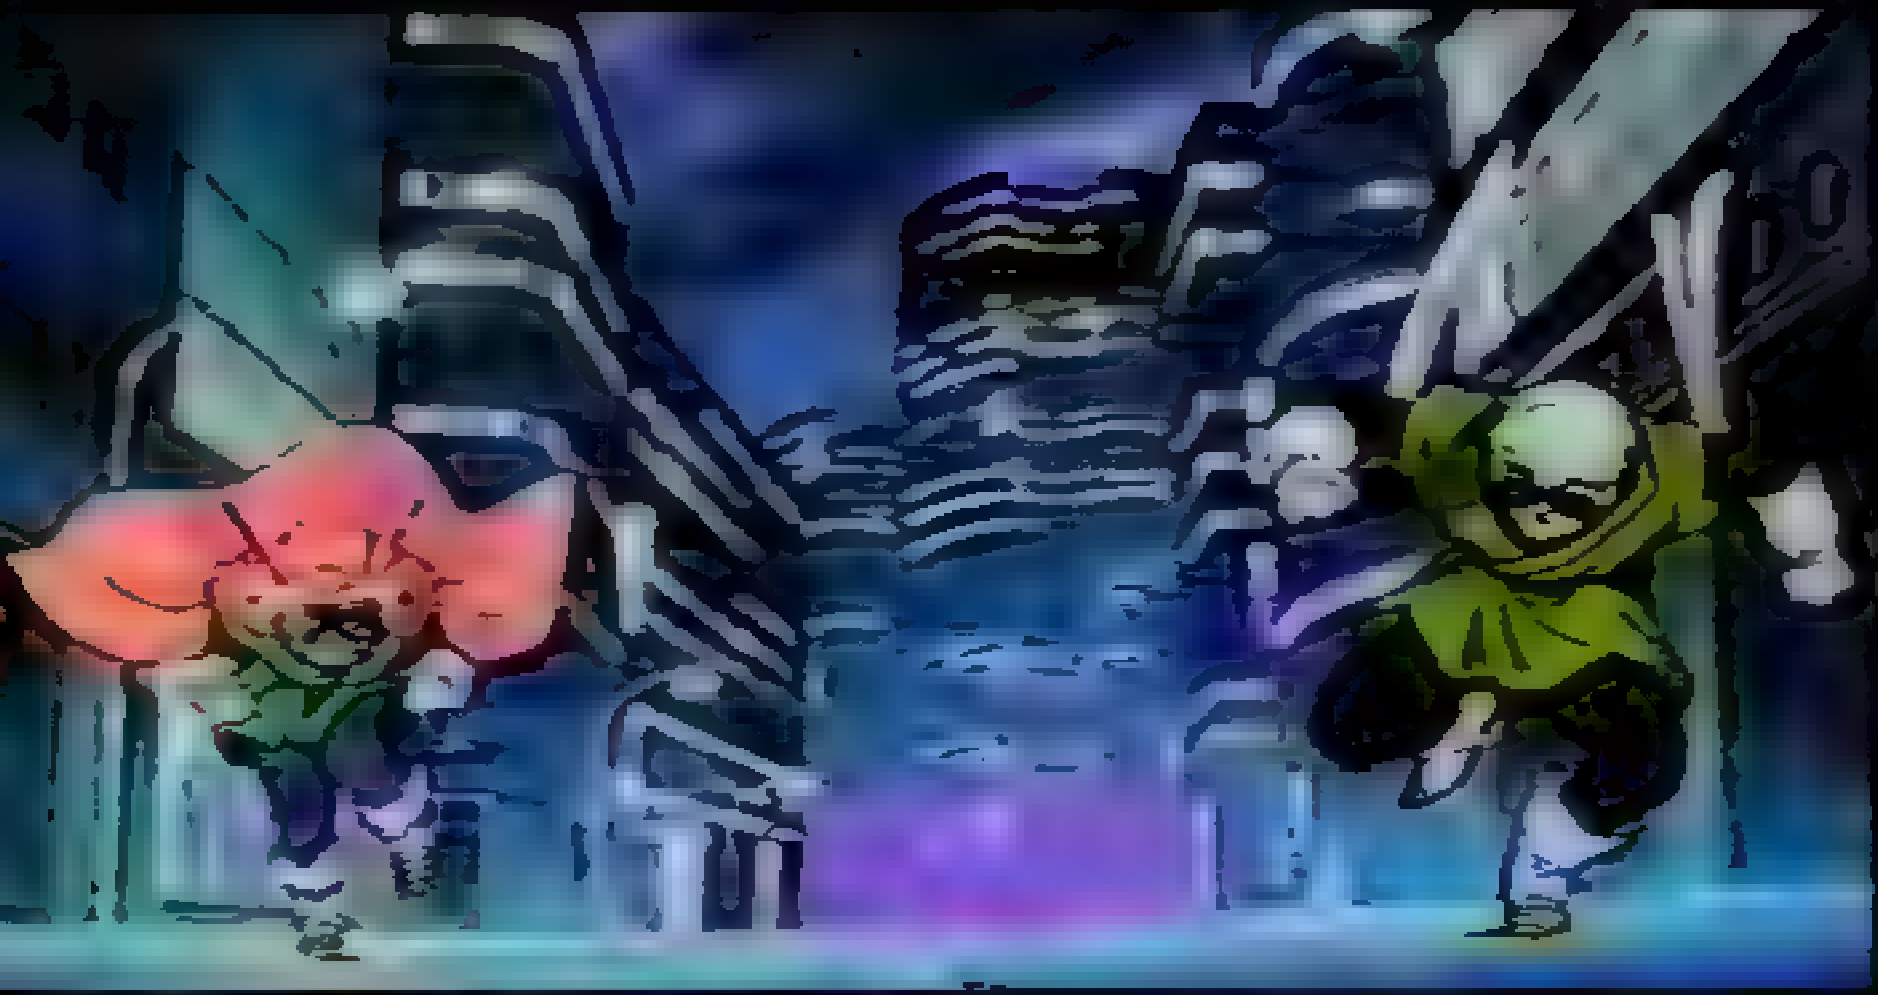

Maybe that's what the old guy was talking about?

Maybe that's what the old guy was talking about?

Let's execute our formation, Gohan!

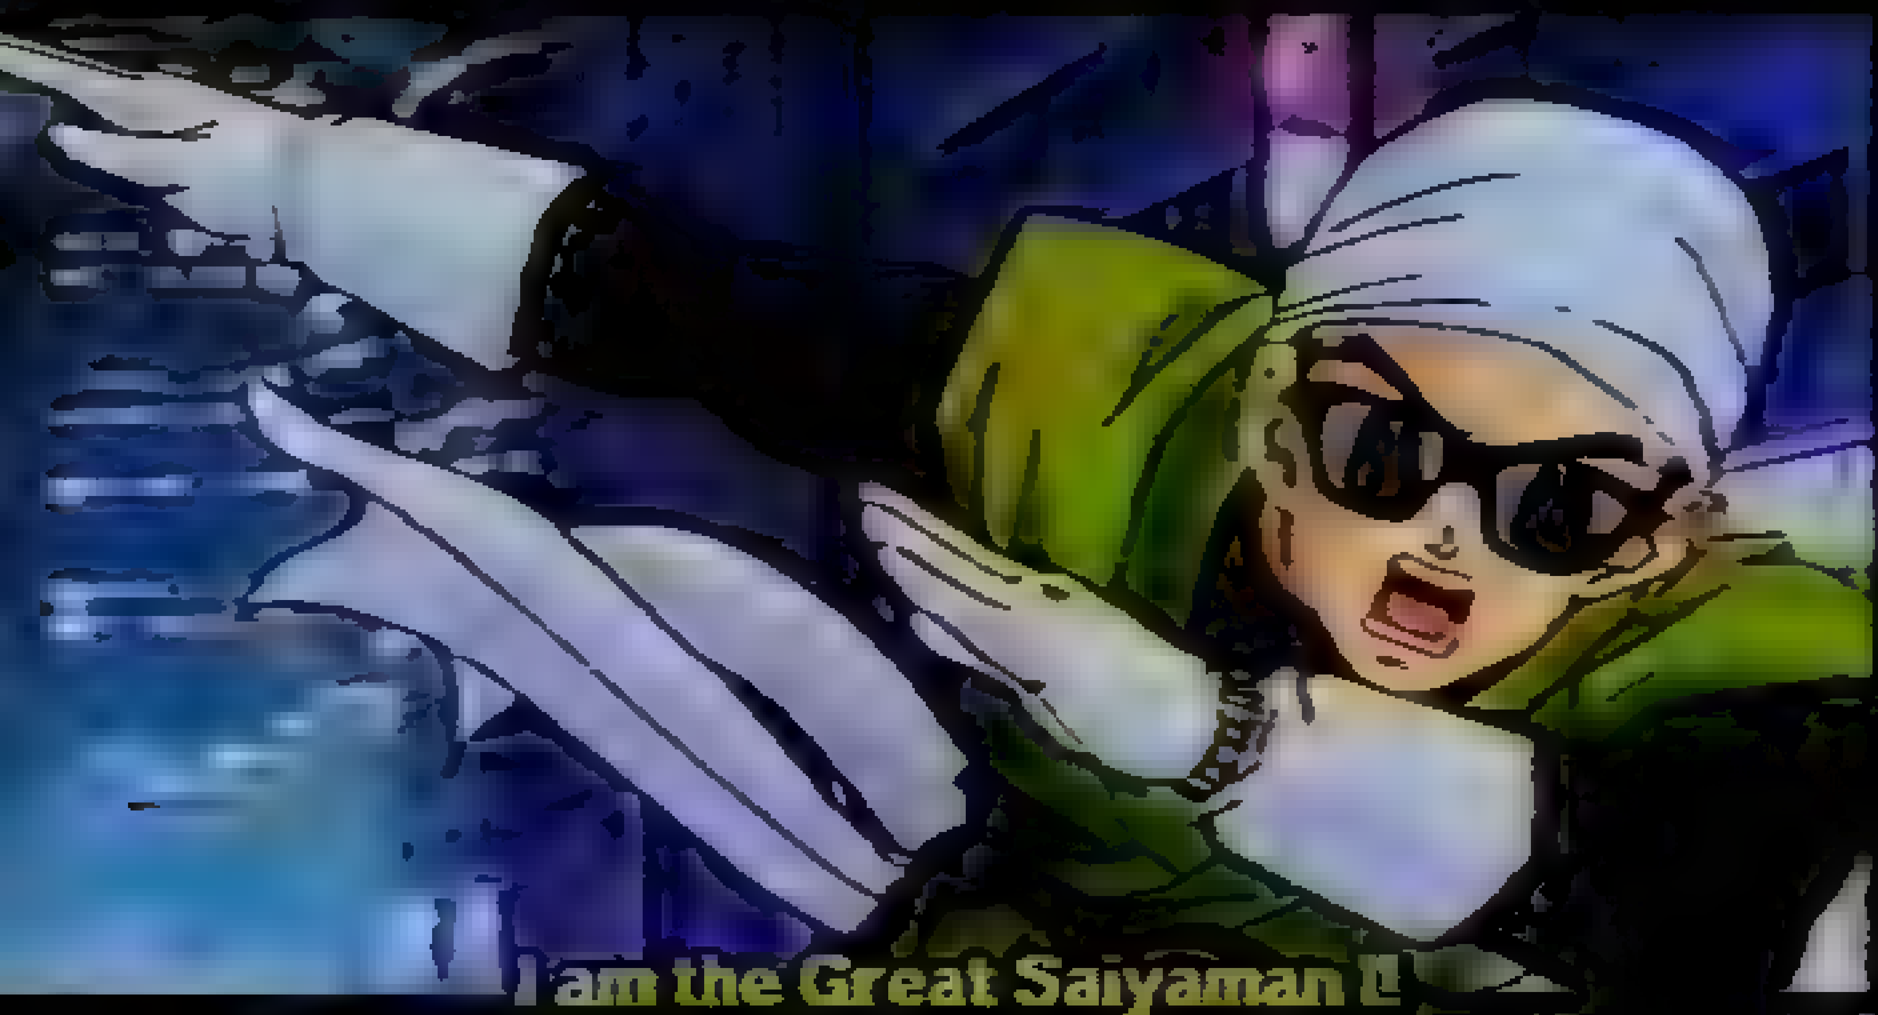

Why not?

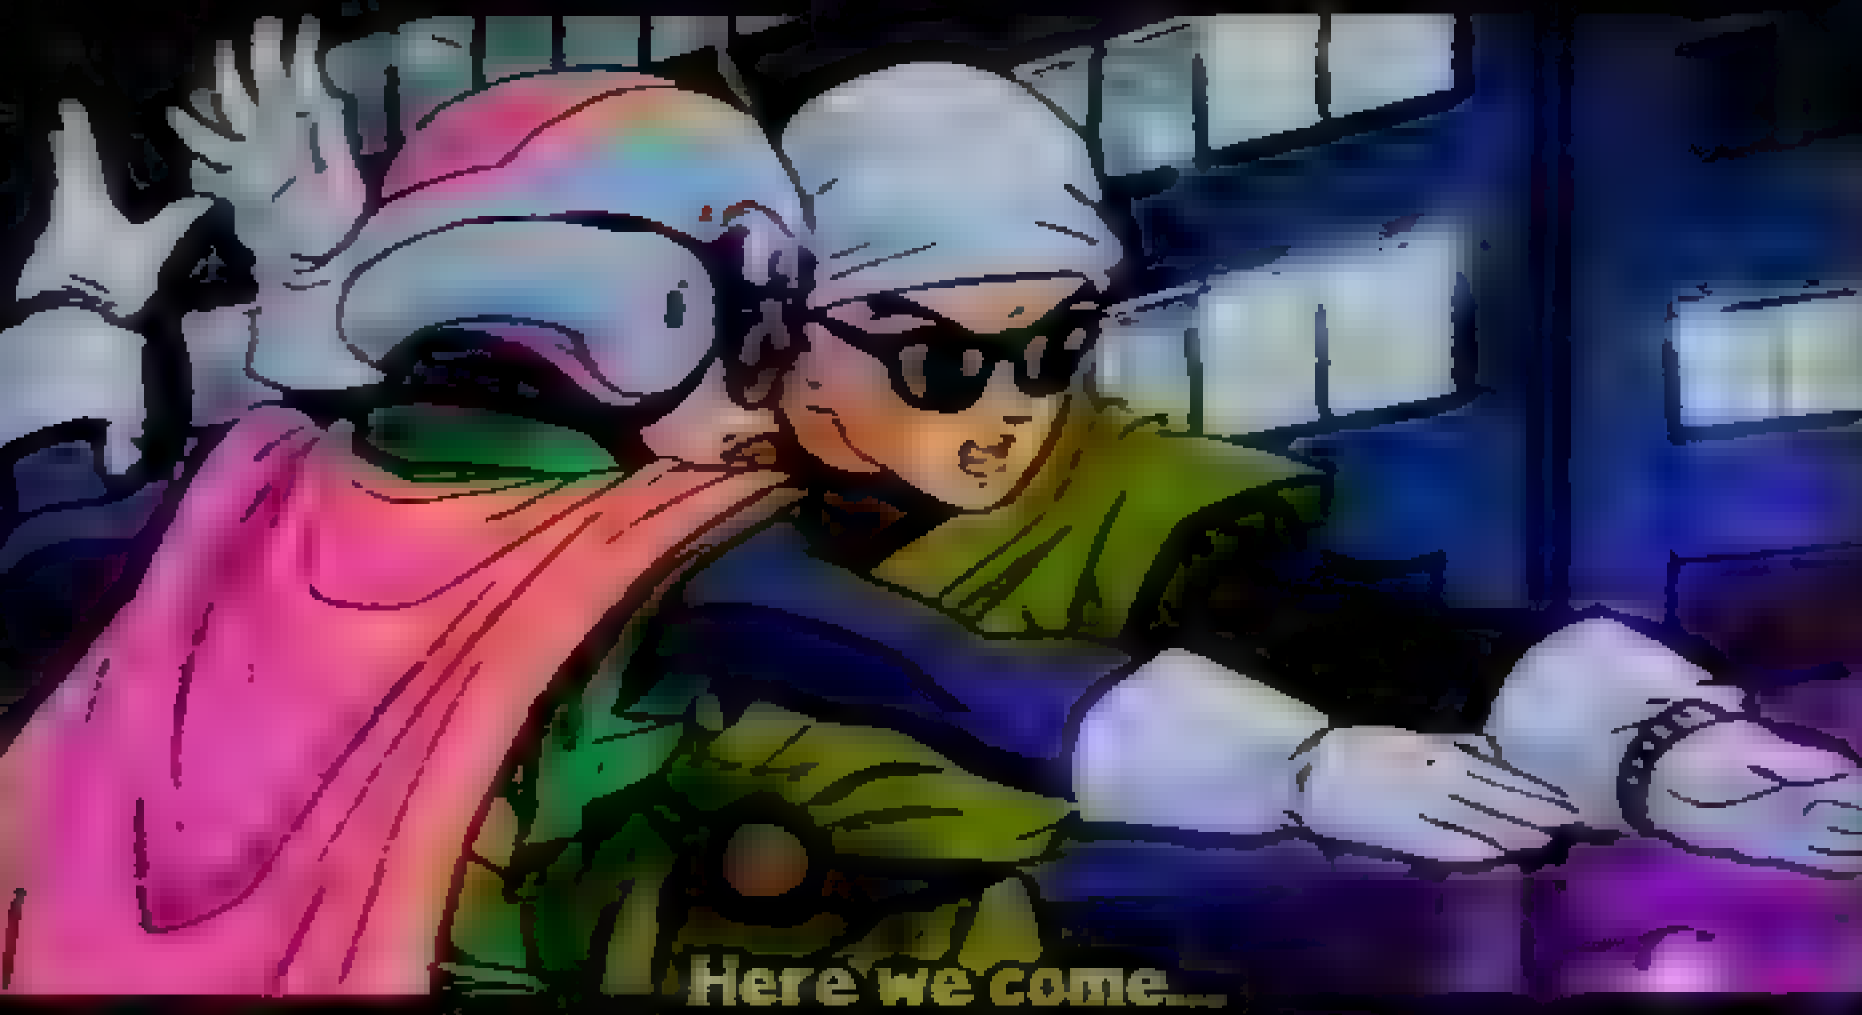

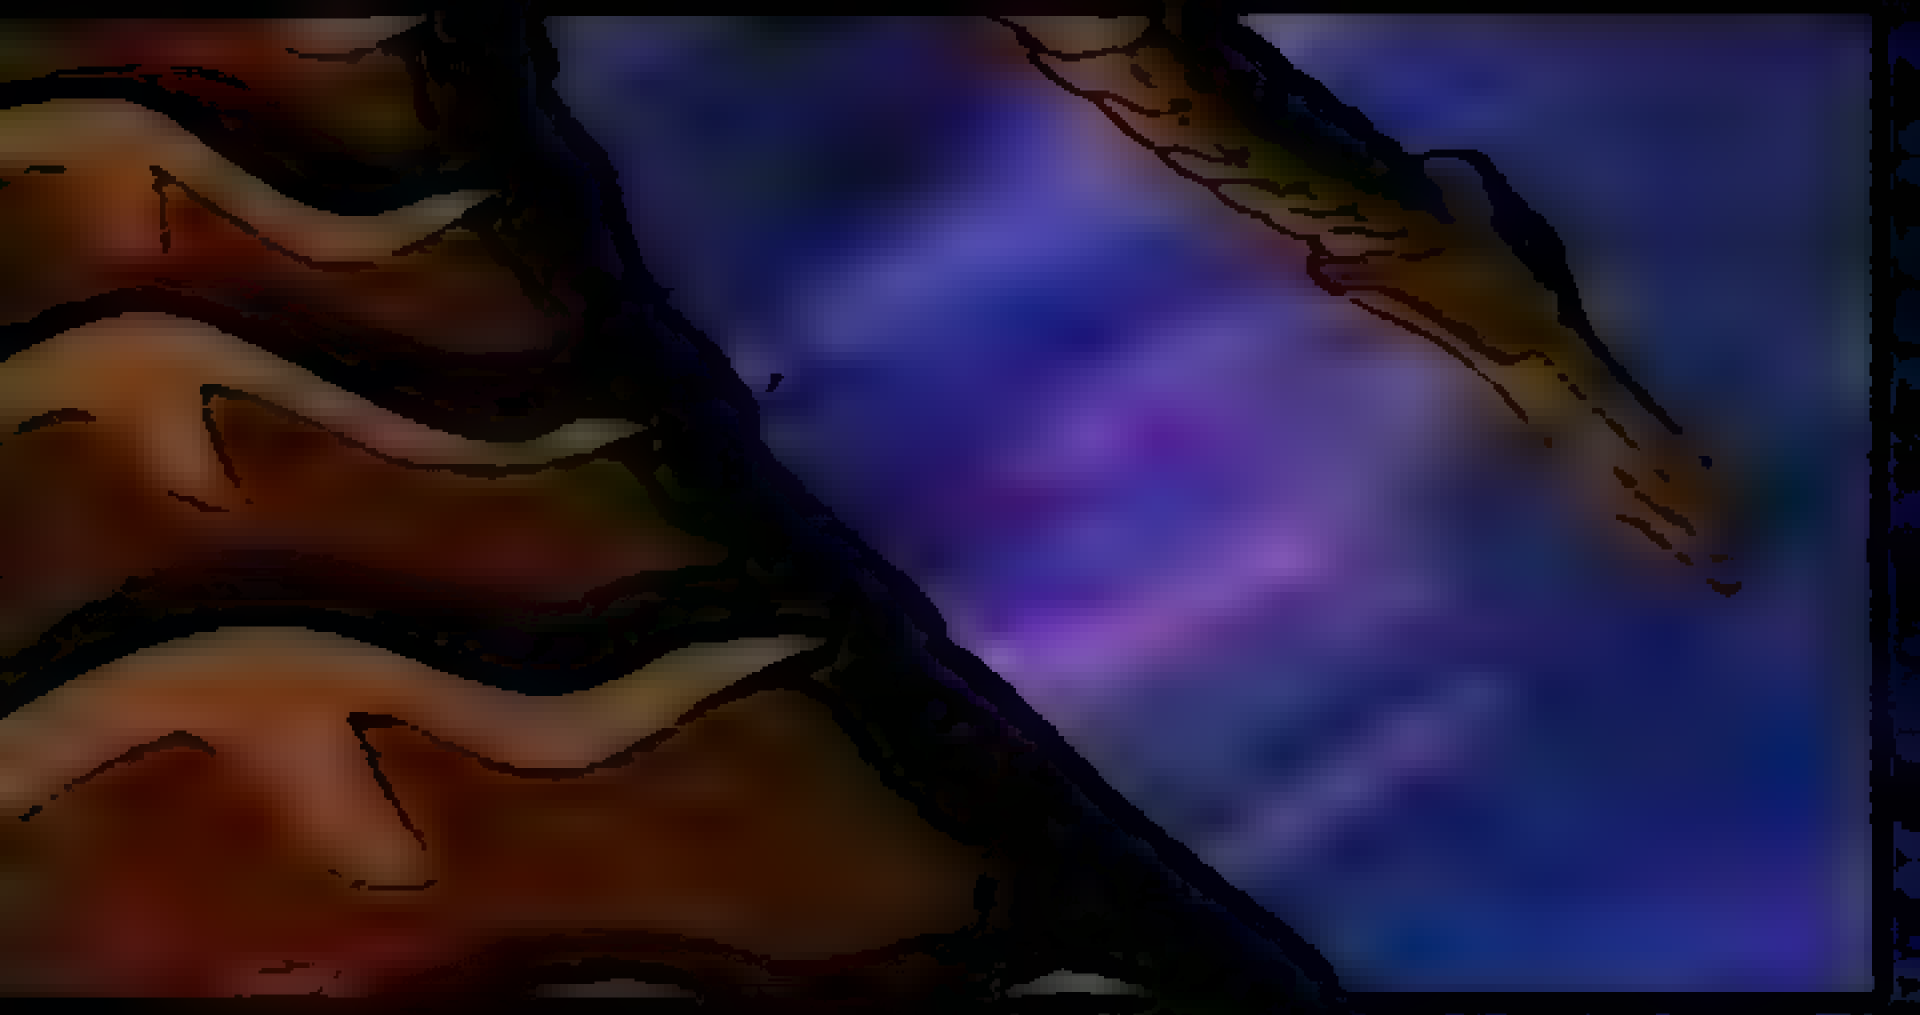

The Great Saiyaman shall
never let crime escape!

The Great Saiyaman shall
never let crime escape!

I am the Great Saiyaman !!

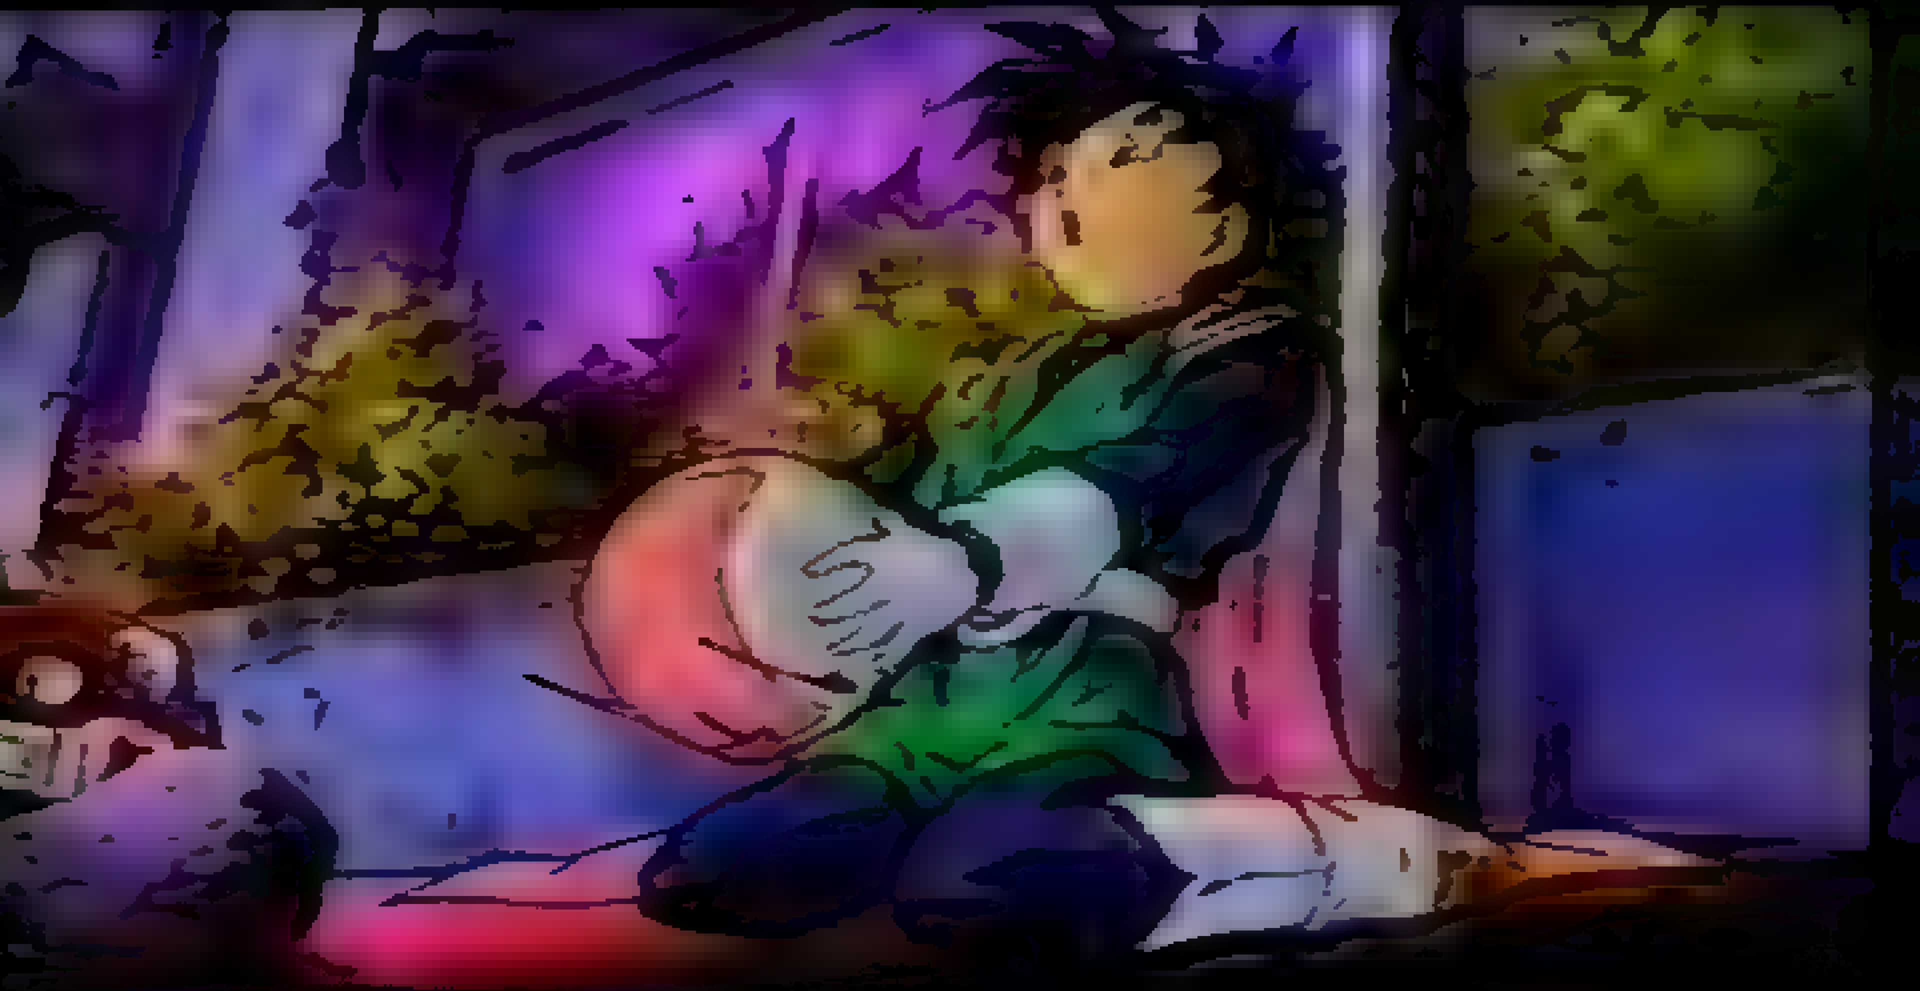

And I am-The Great Saiyaman !

Here we come...

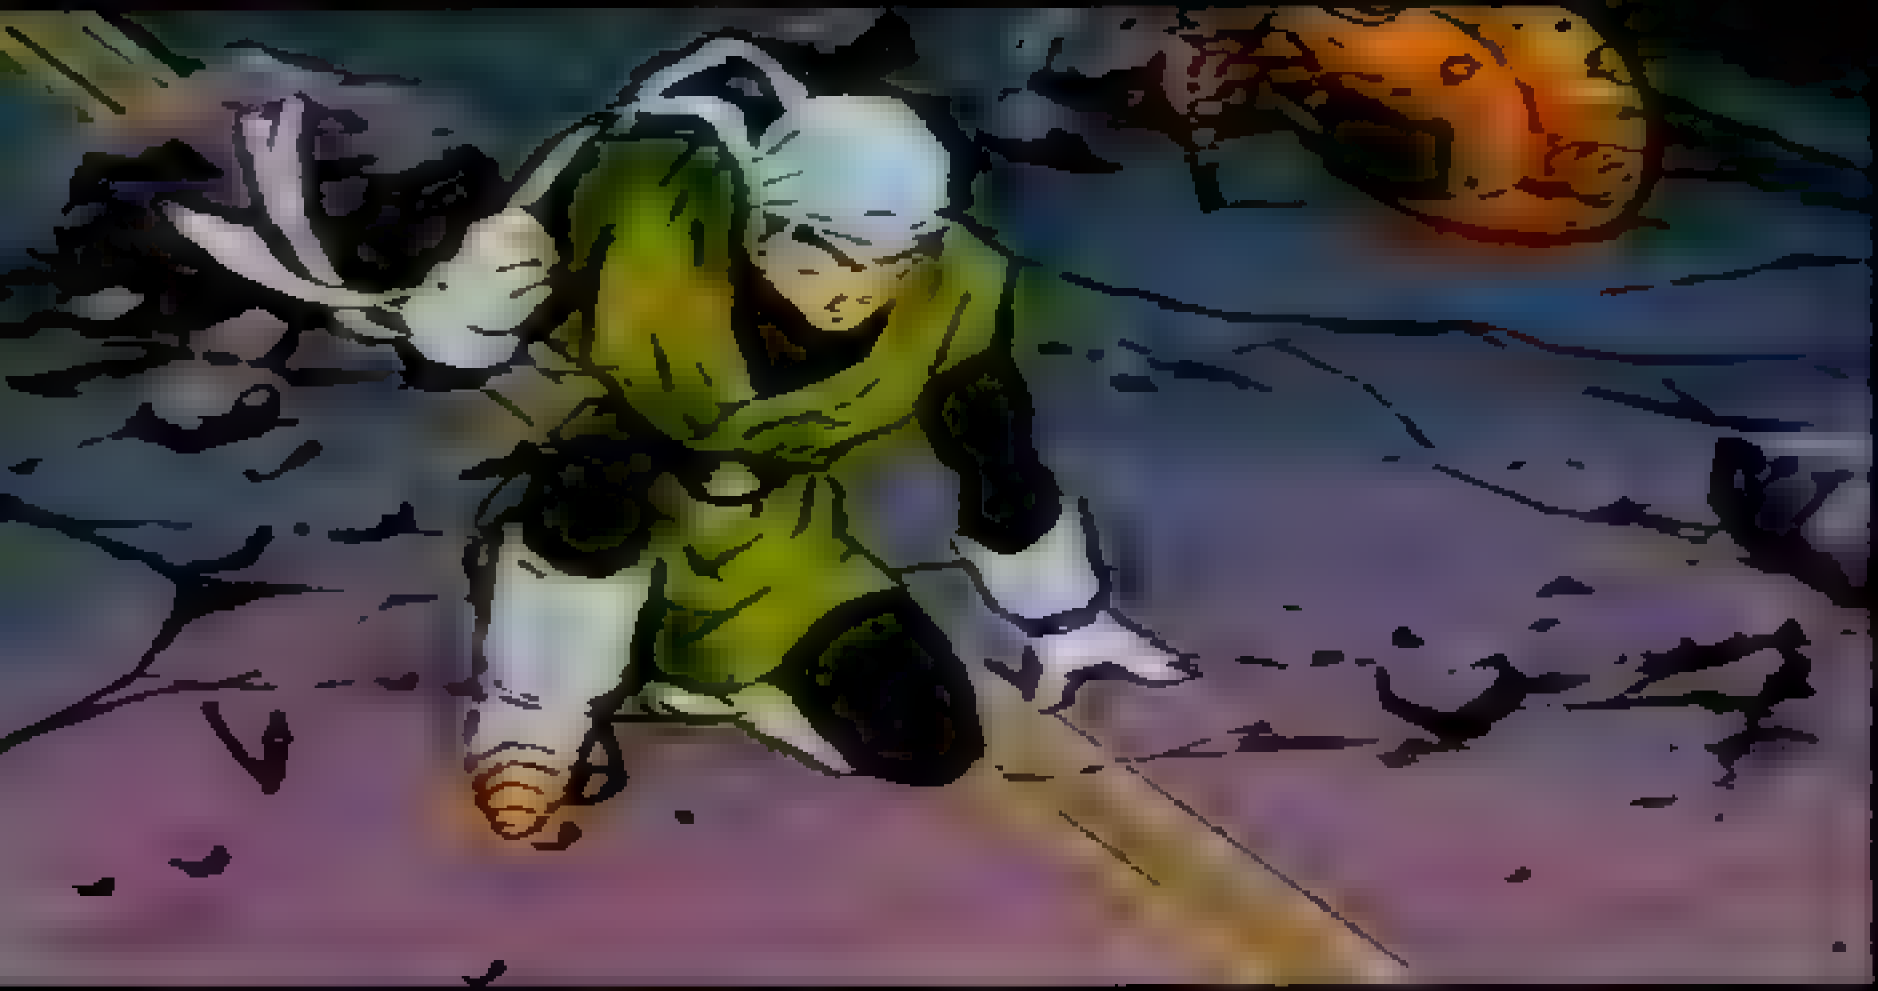

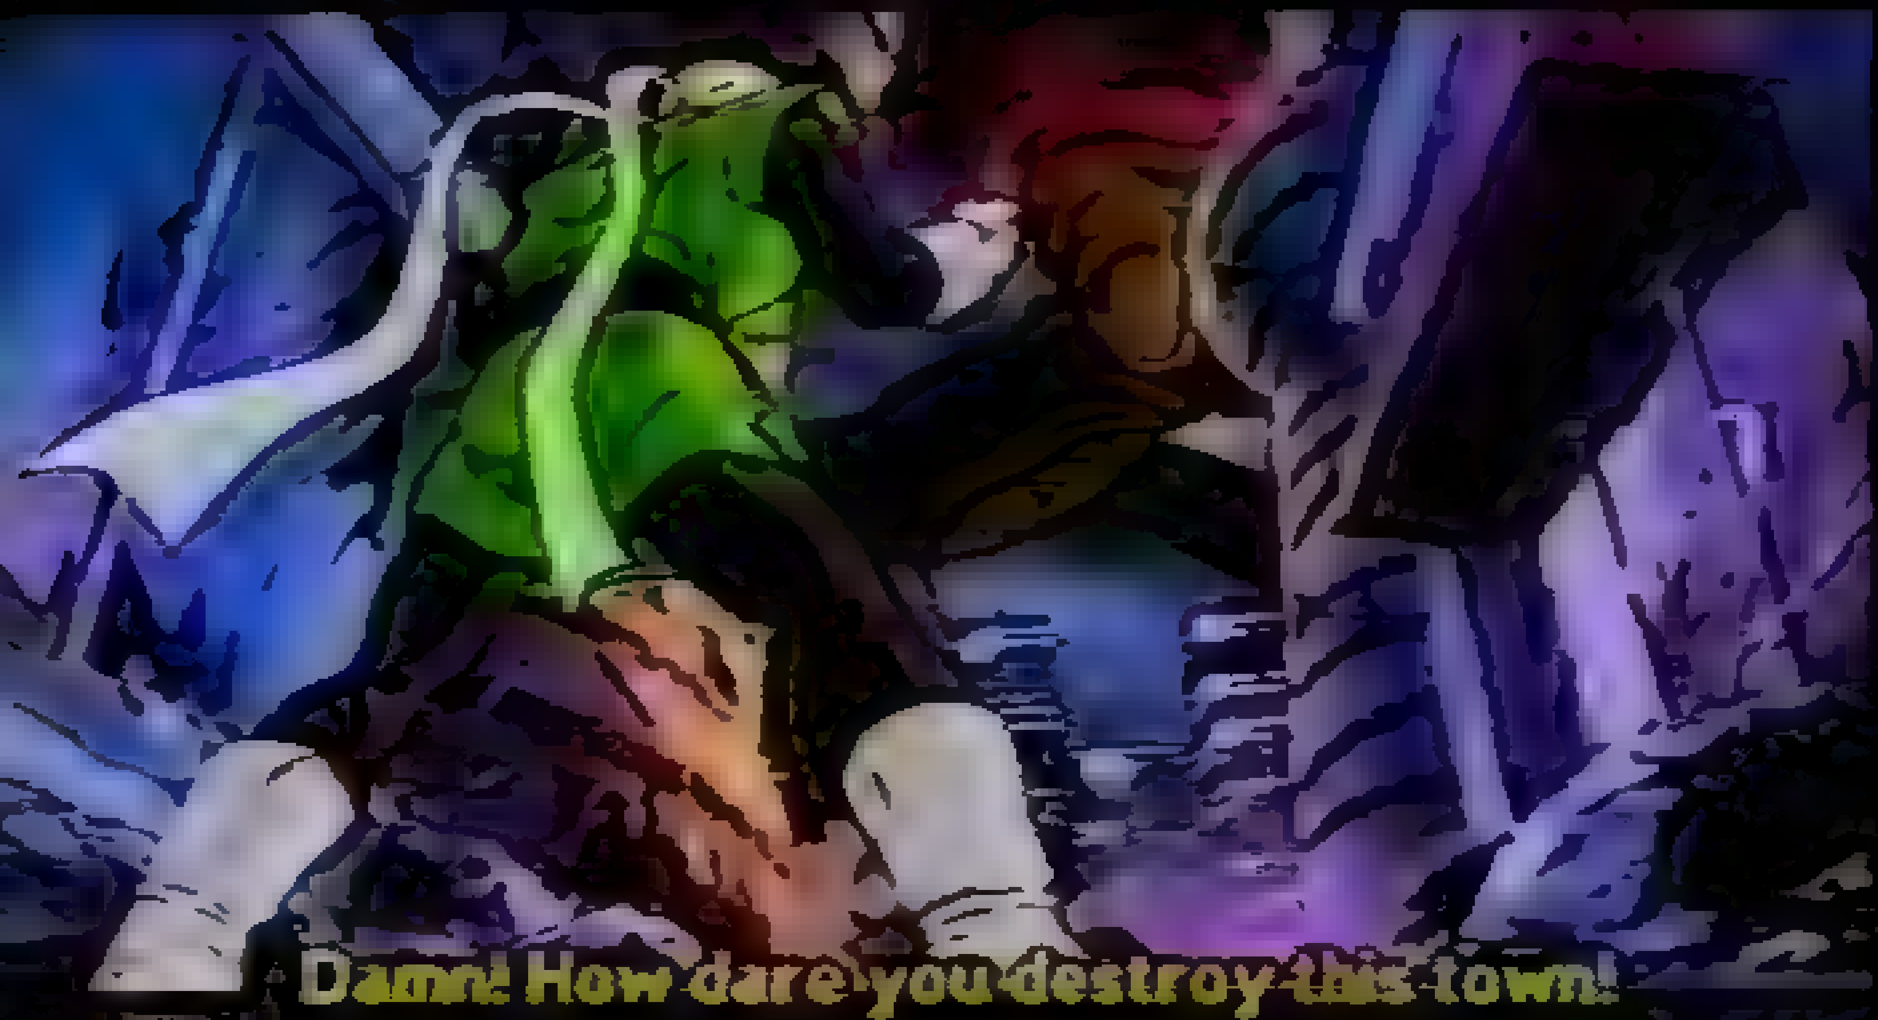

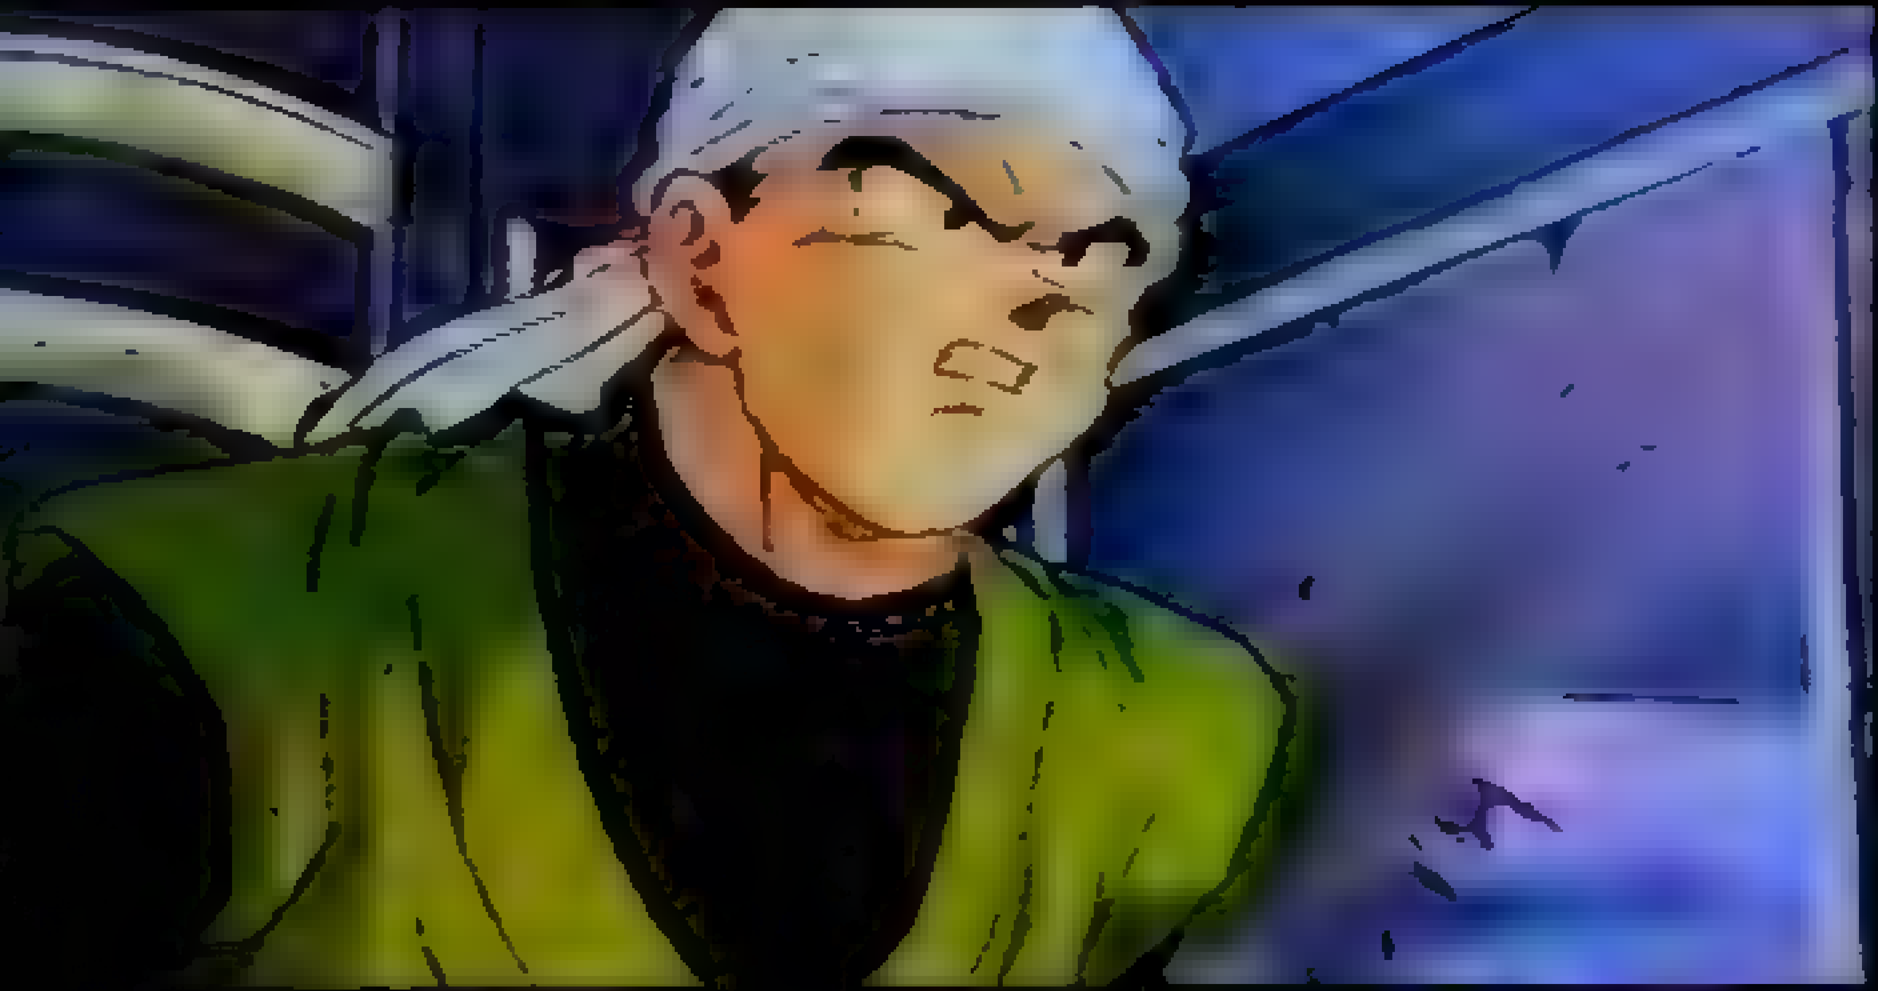

He didn't let us finish the rest of our lines!

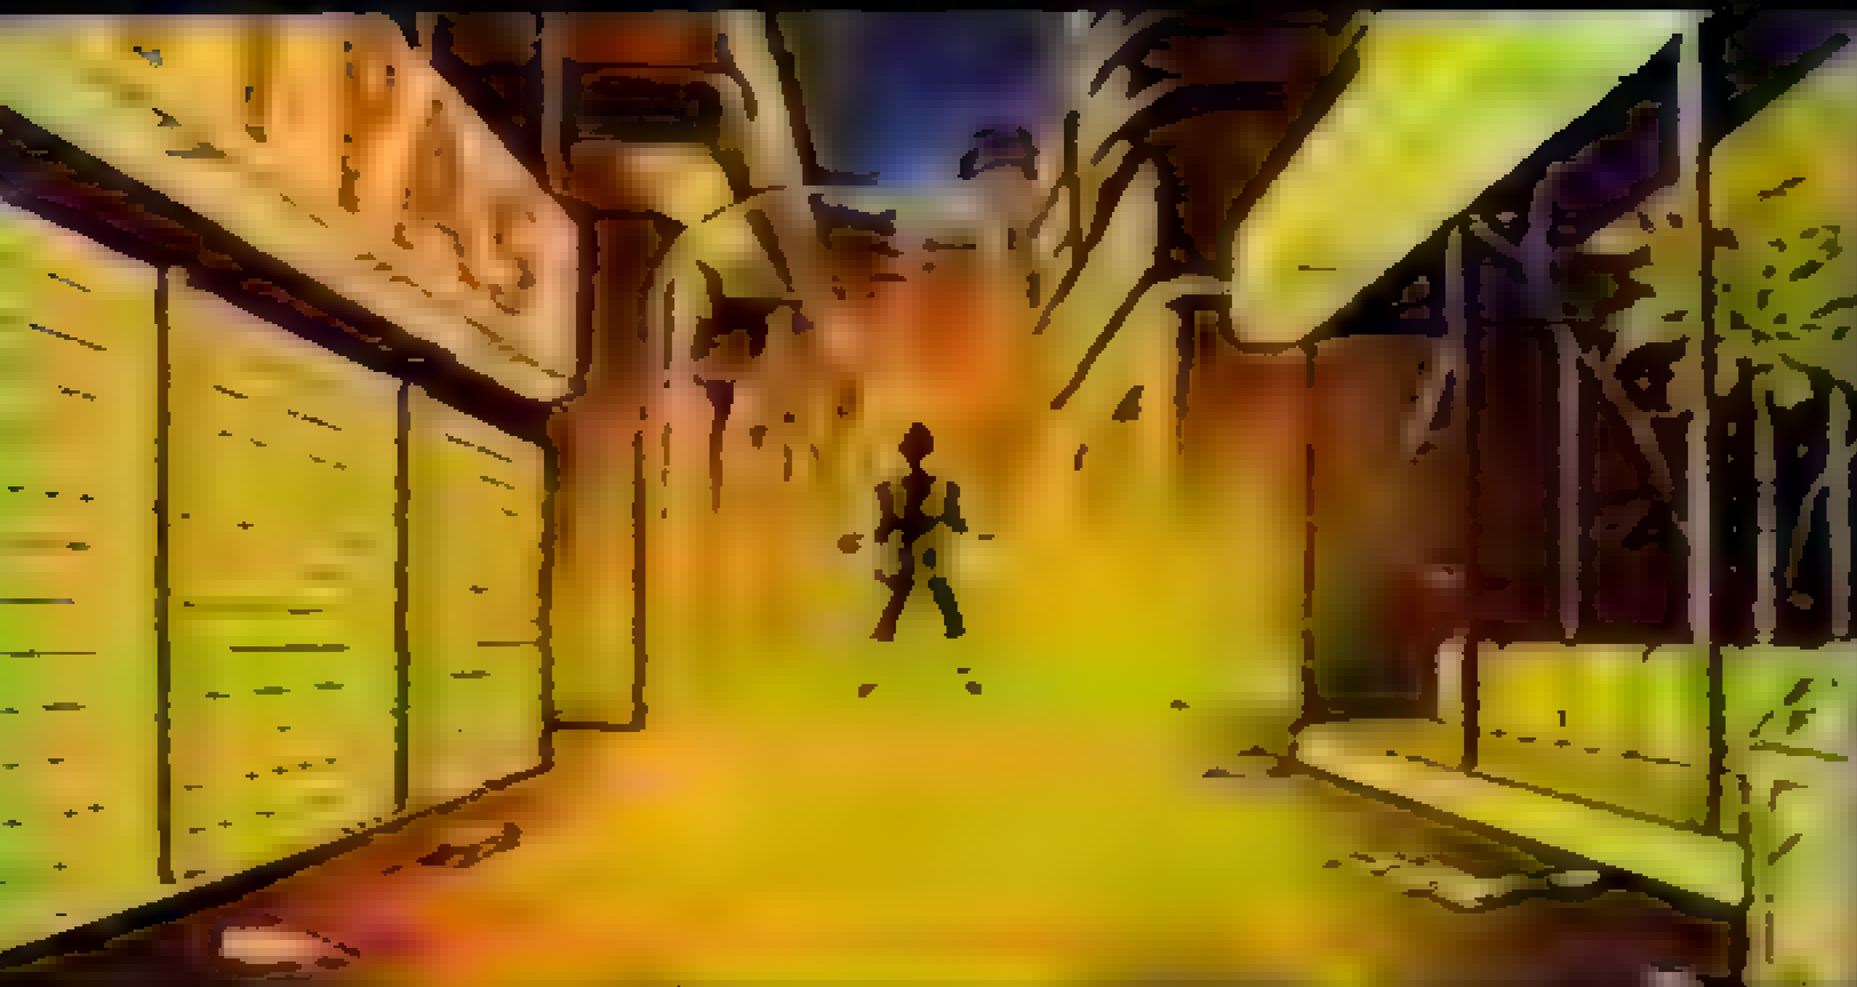

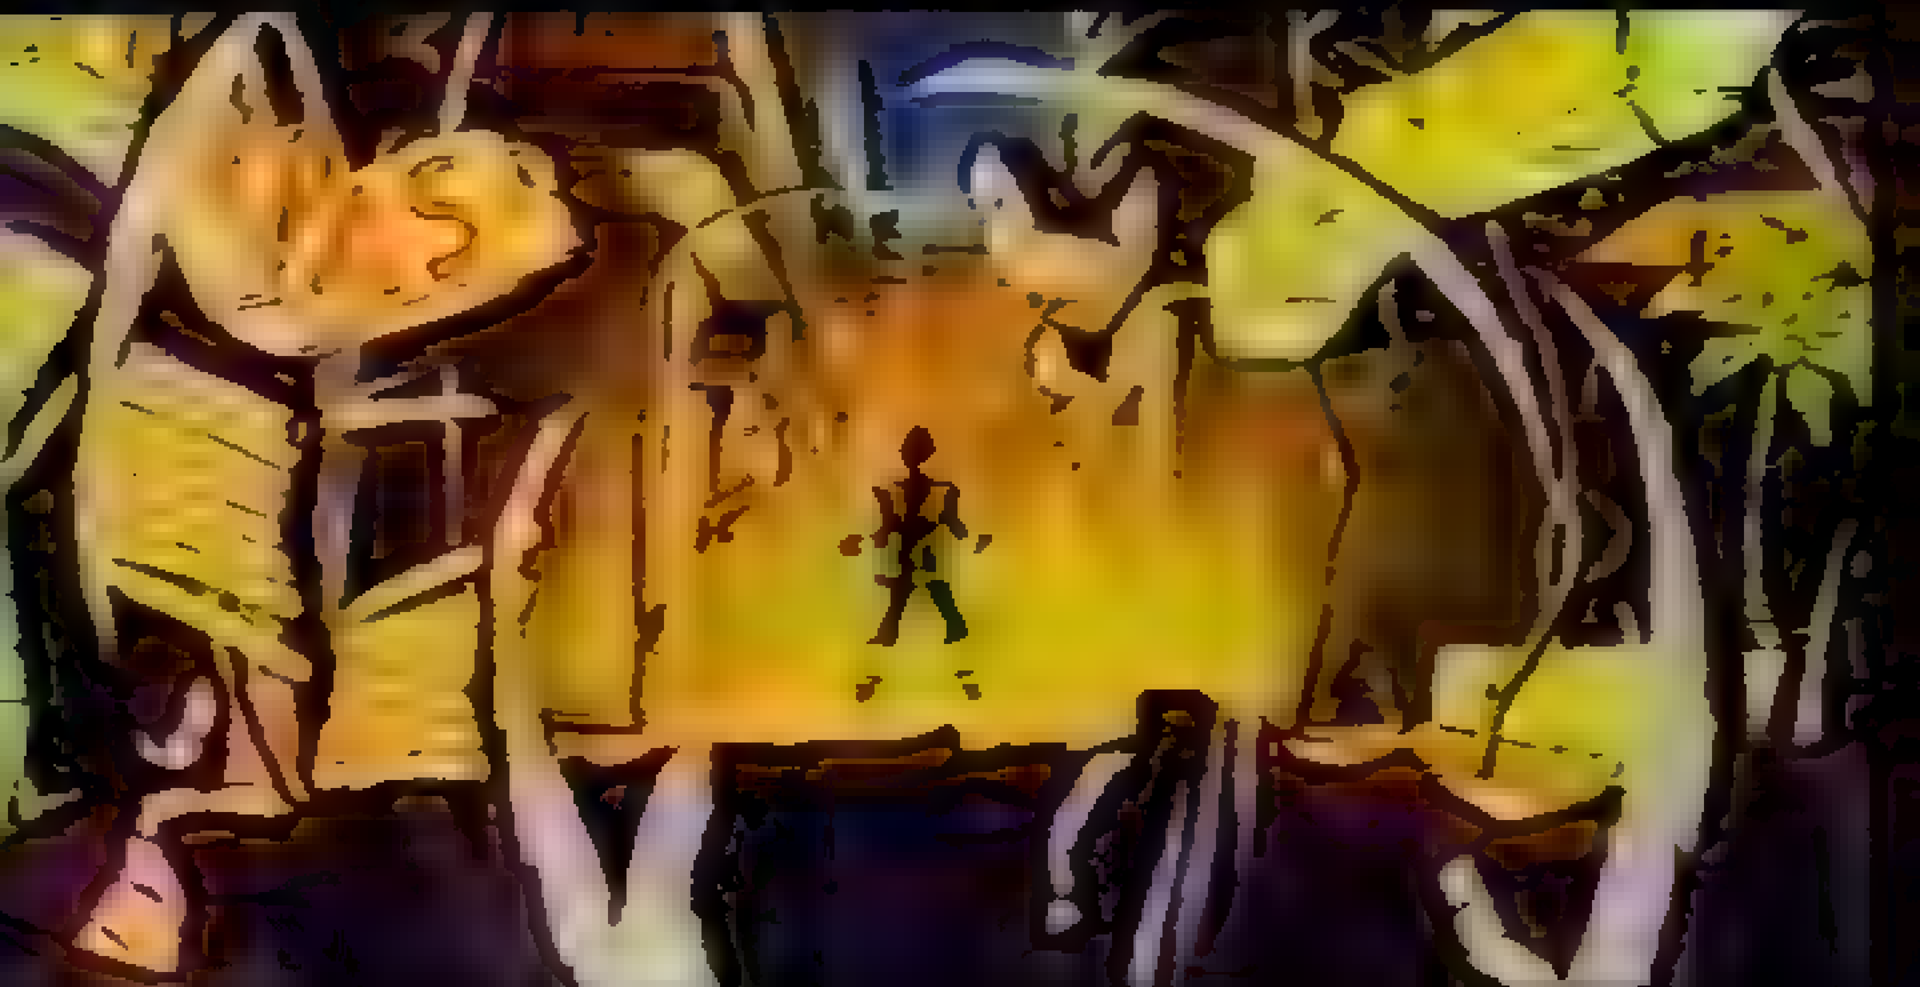

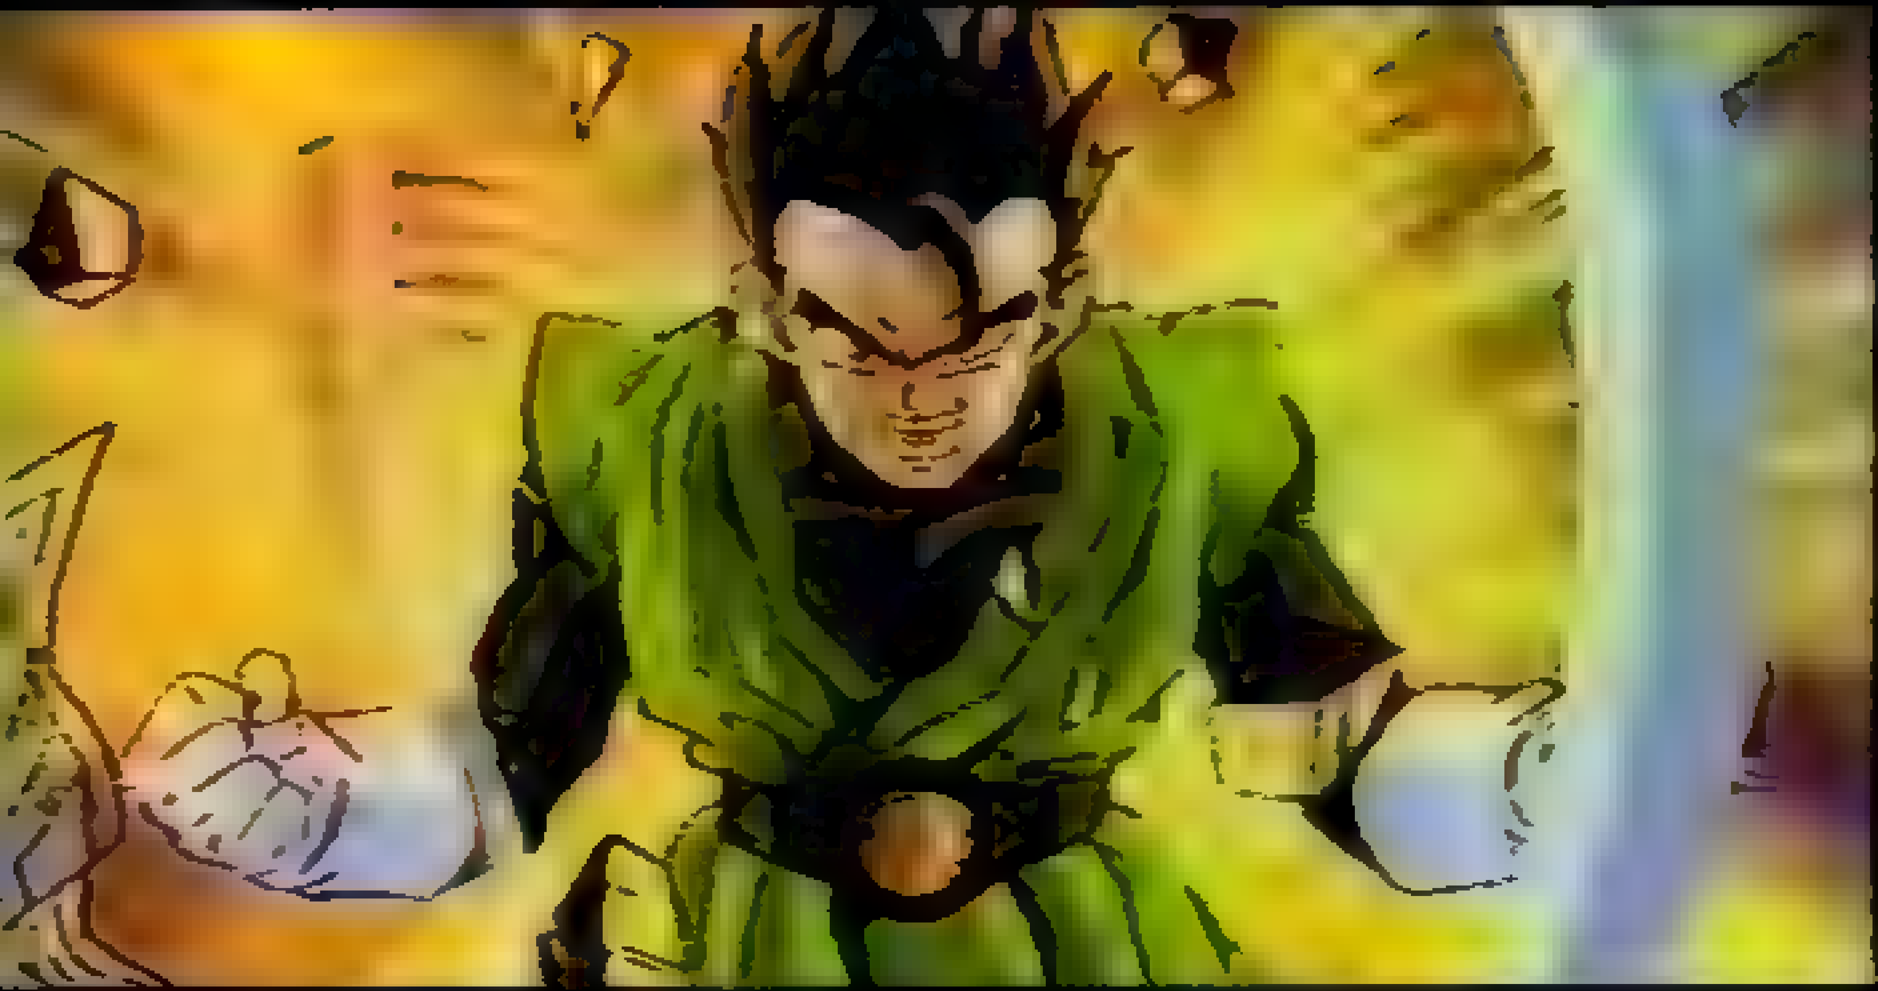

Damn! How dare you destroy this town!

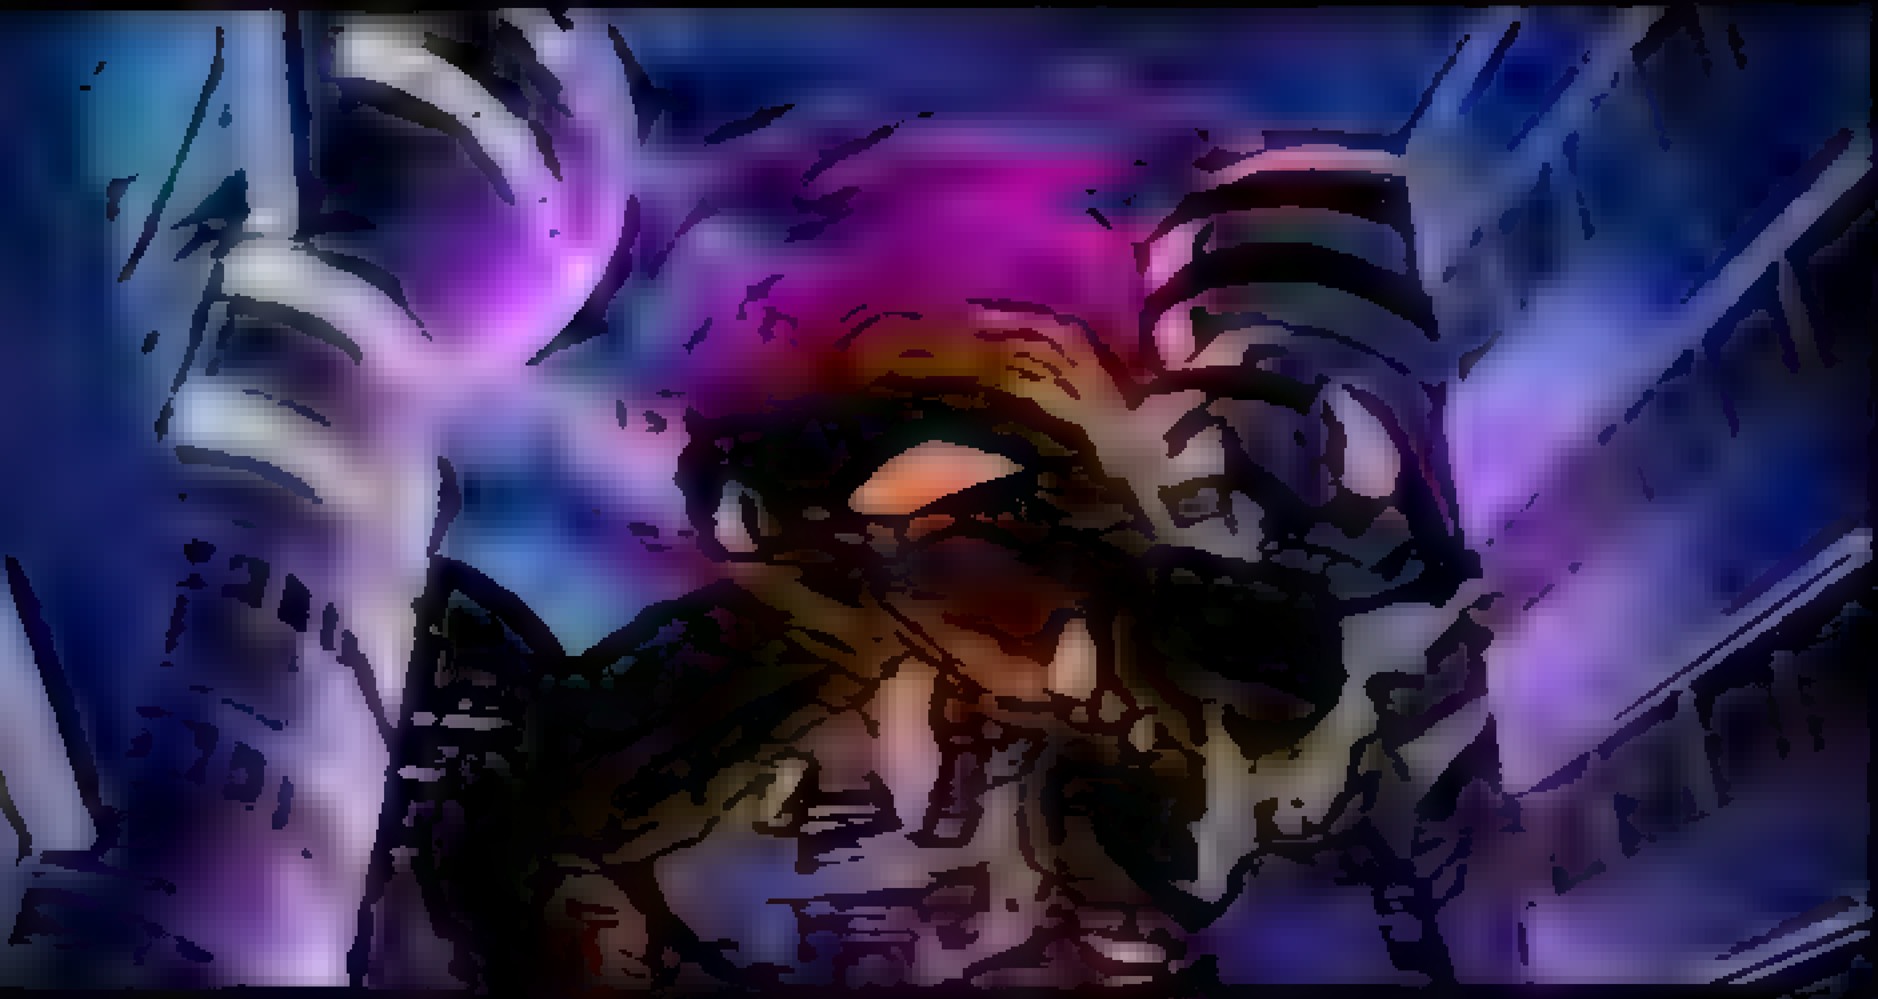

Damn! How dare you destroy this town!

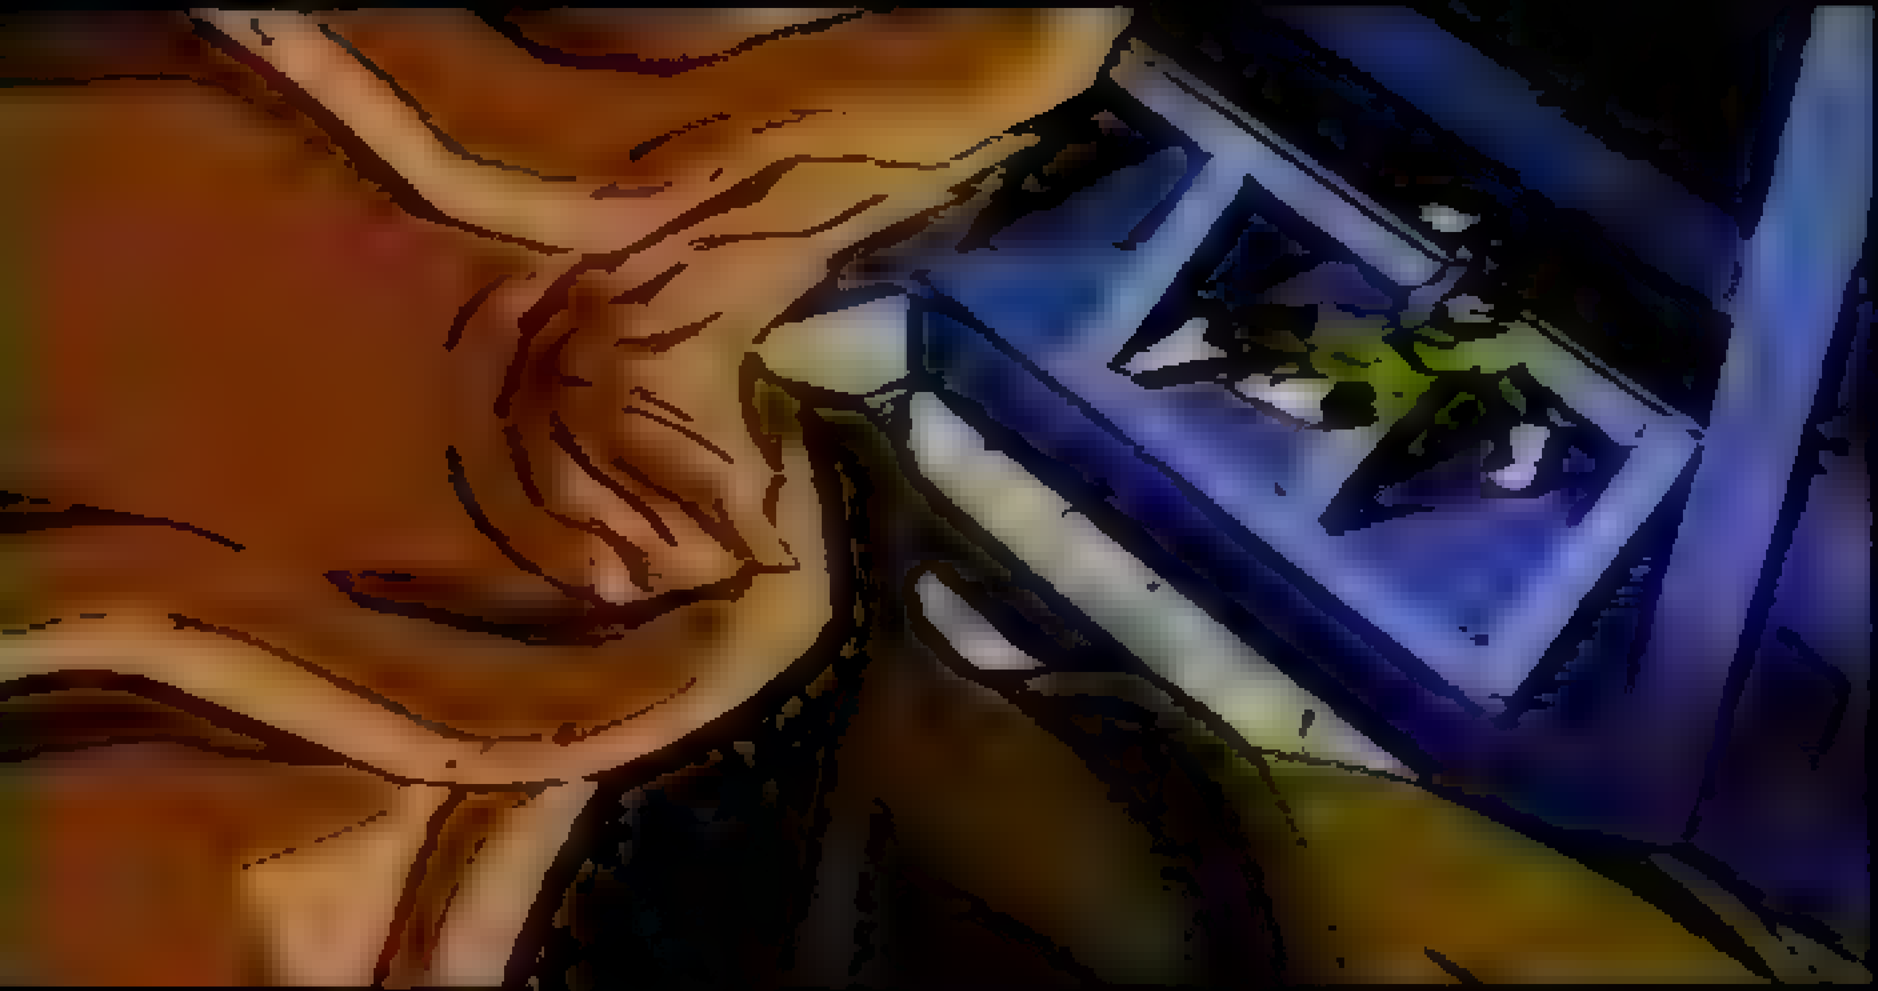

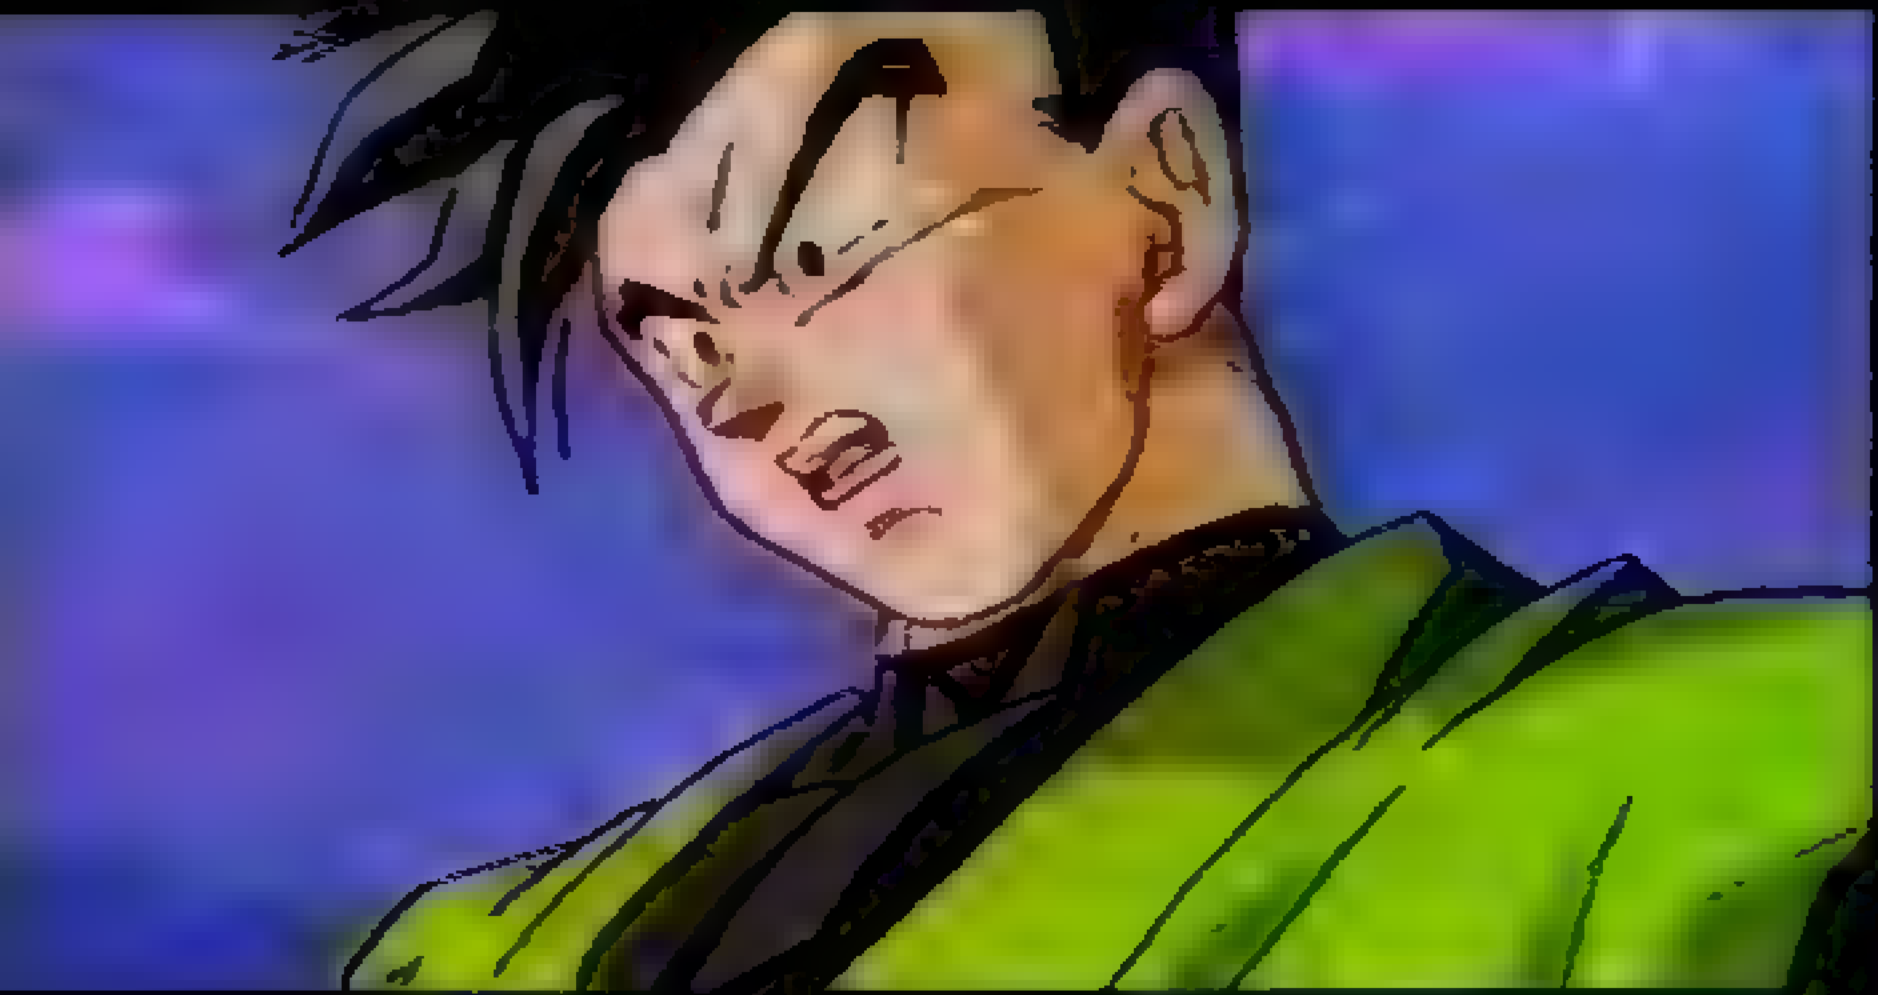

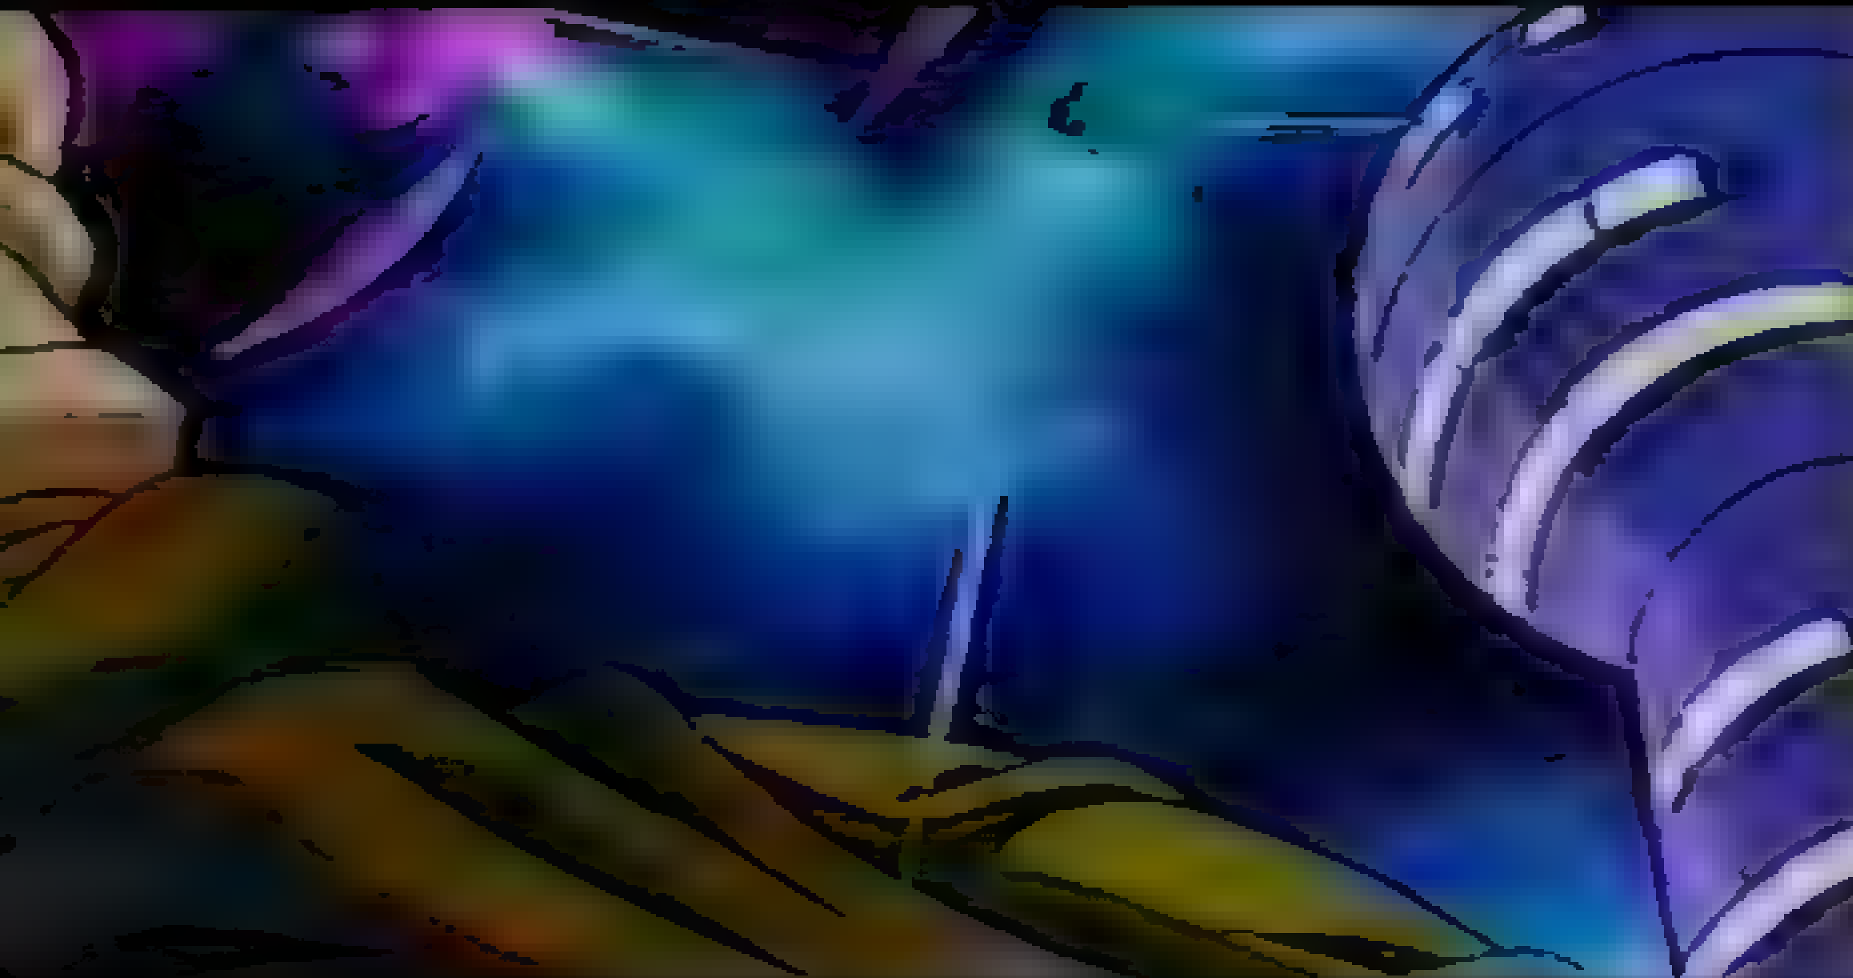

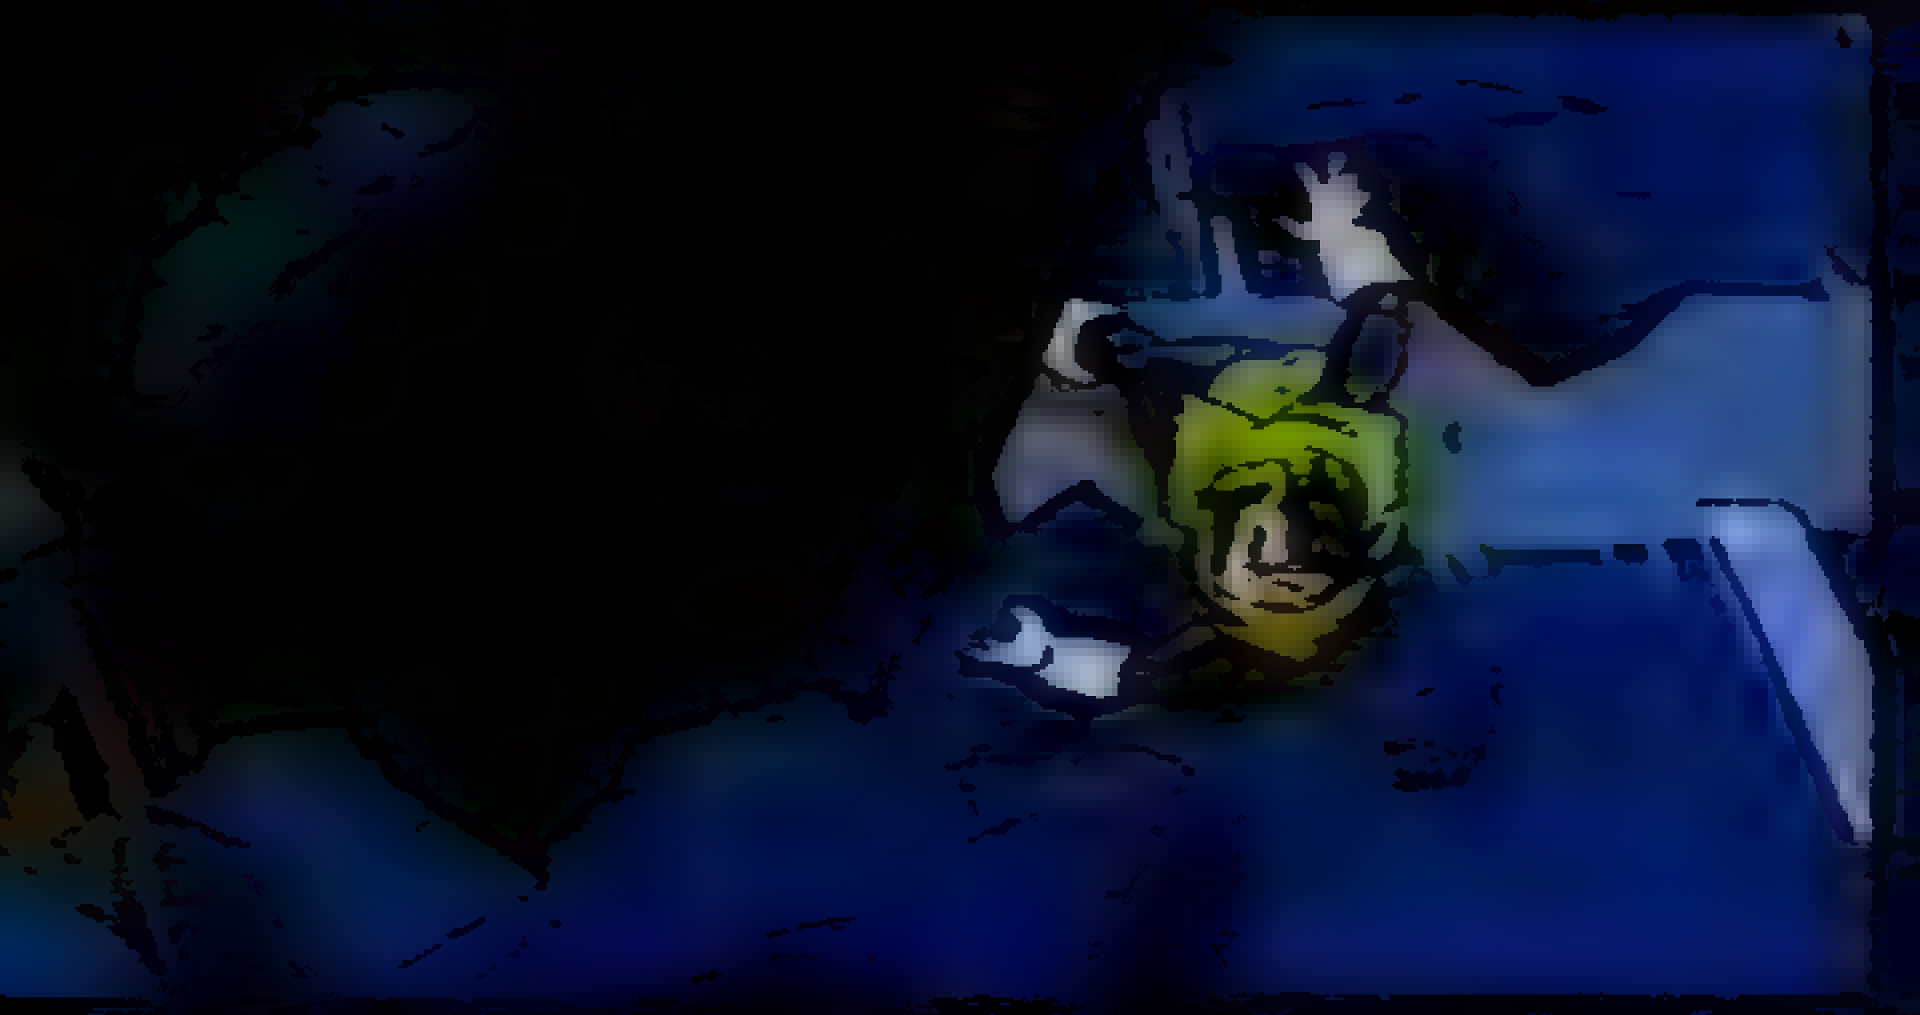

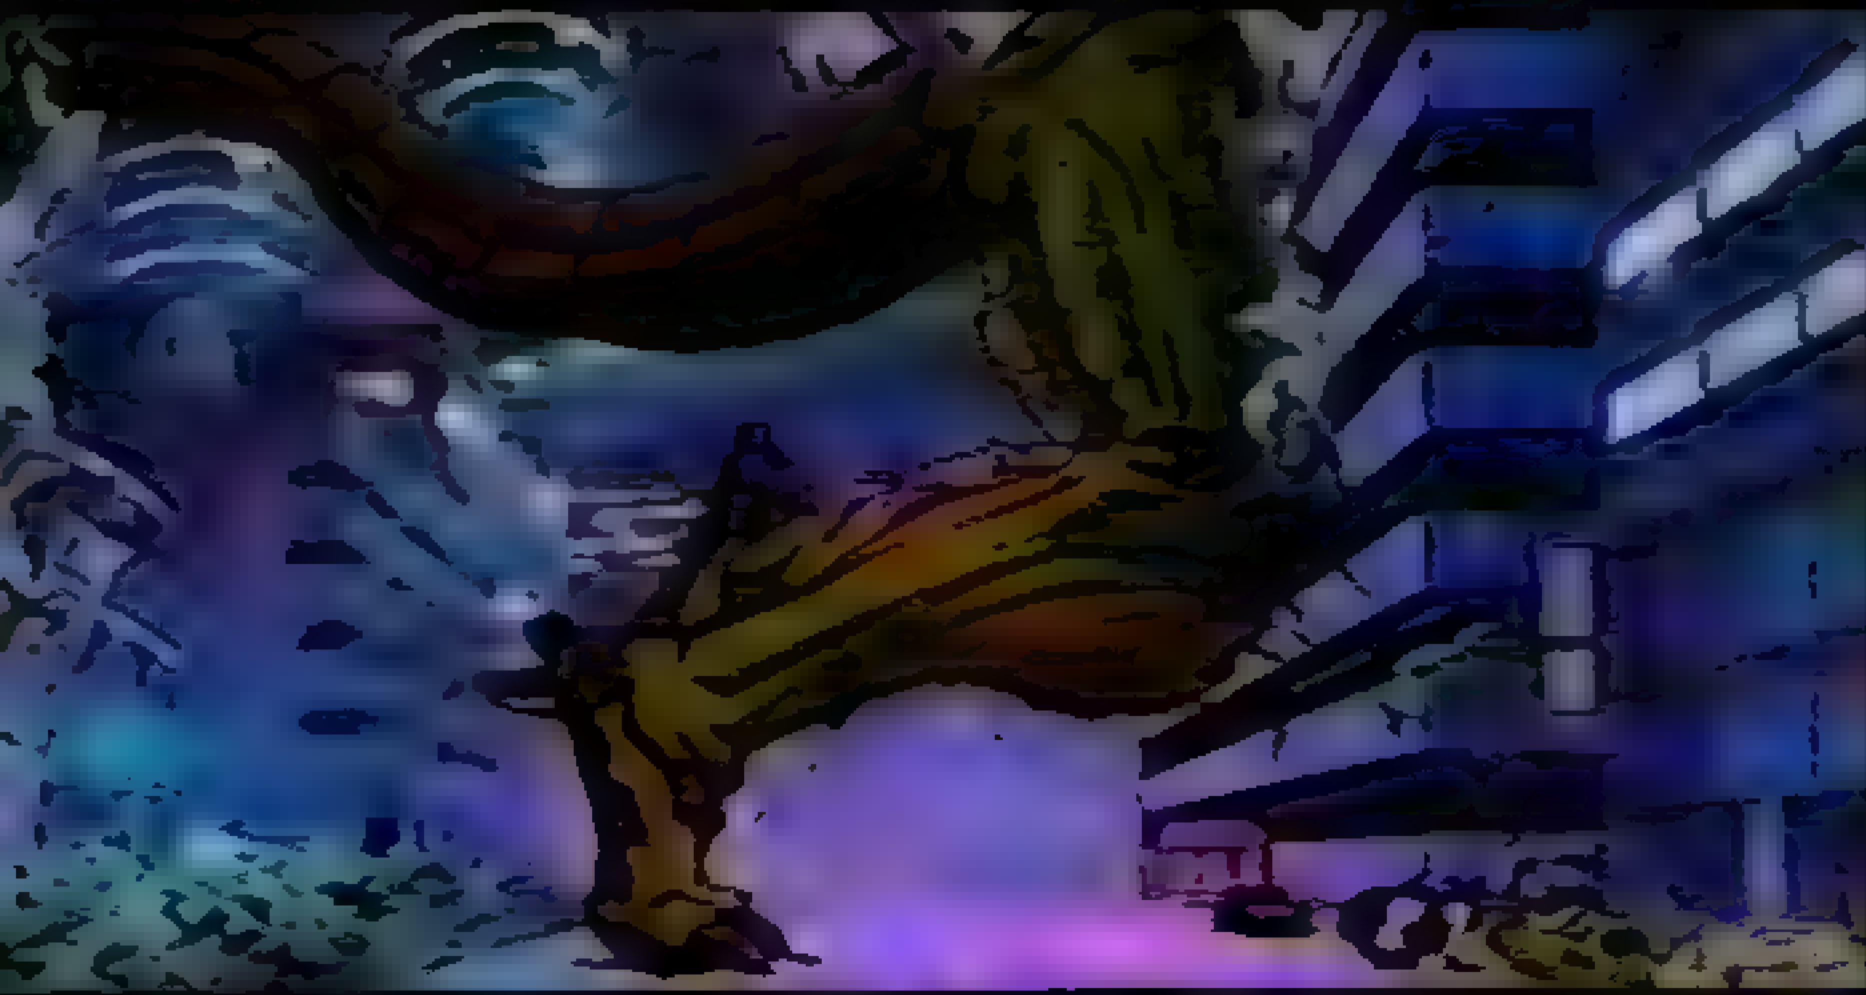

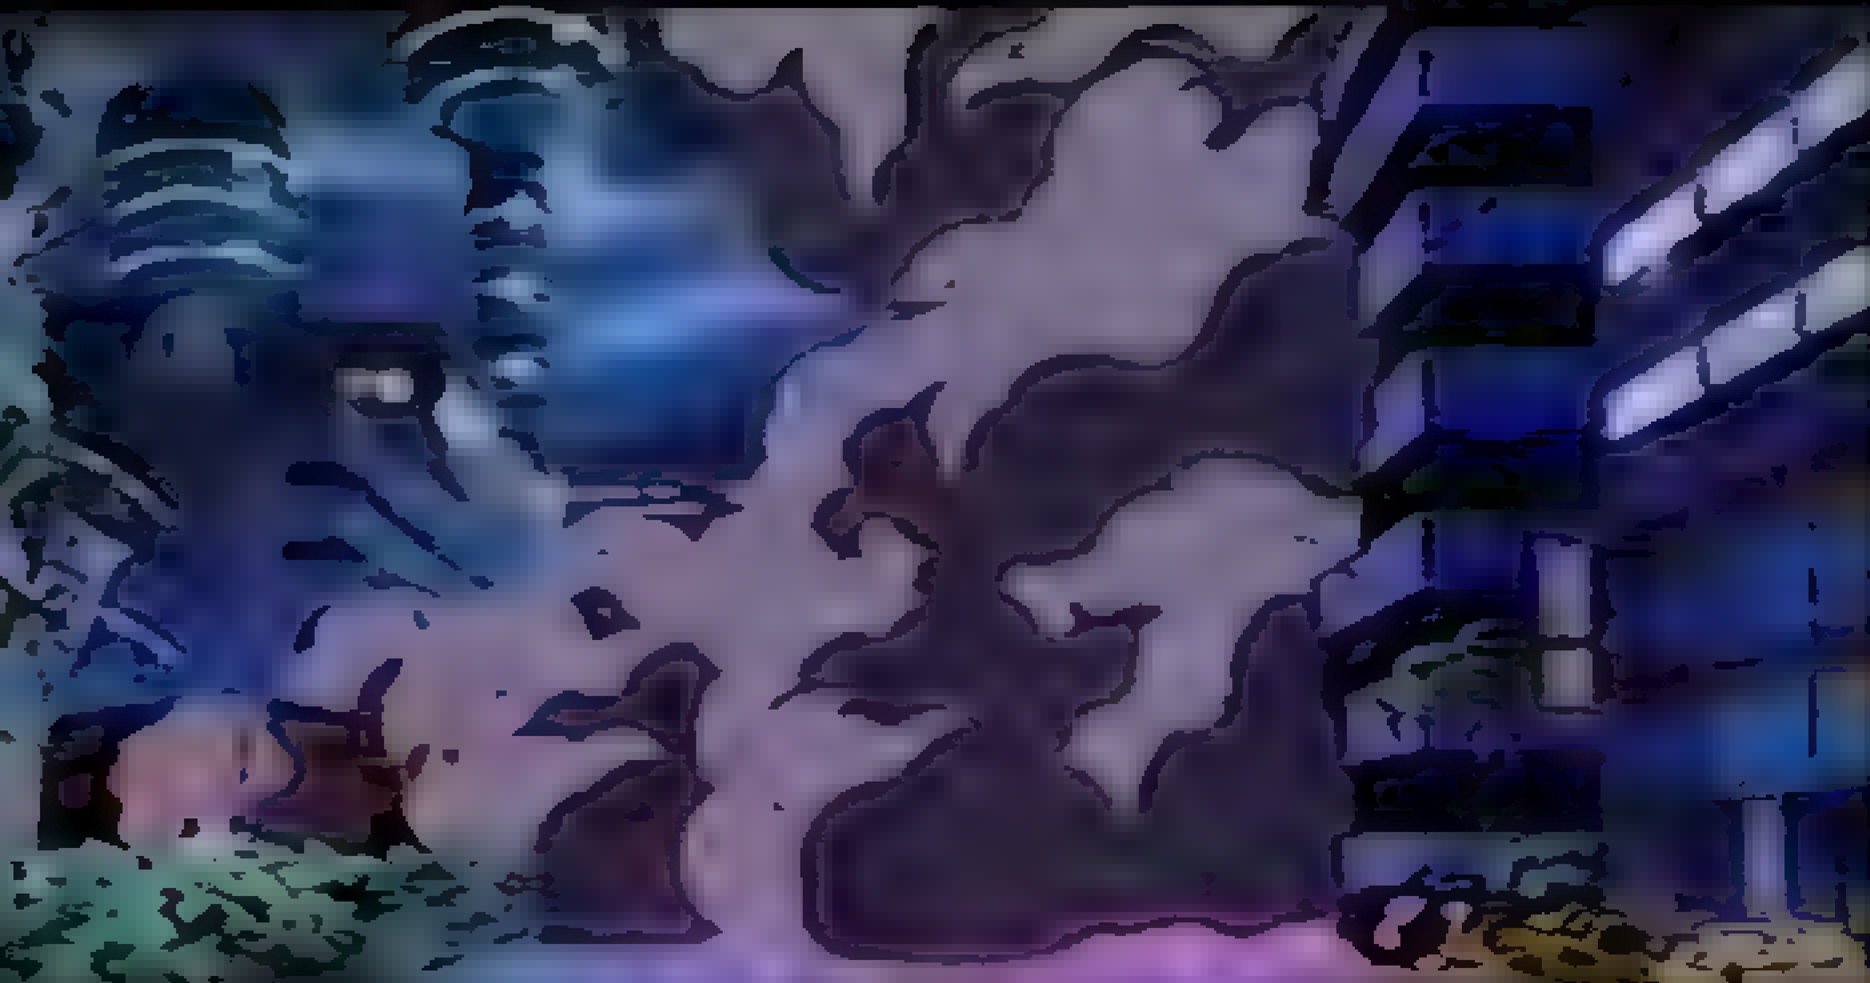

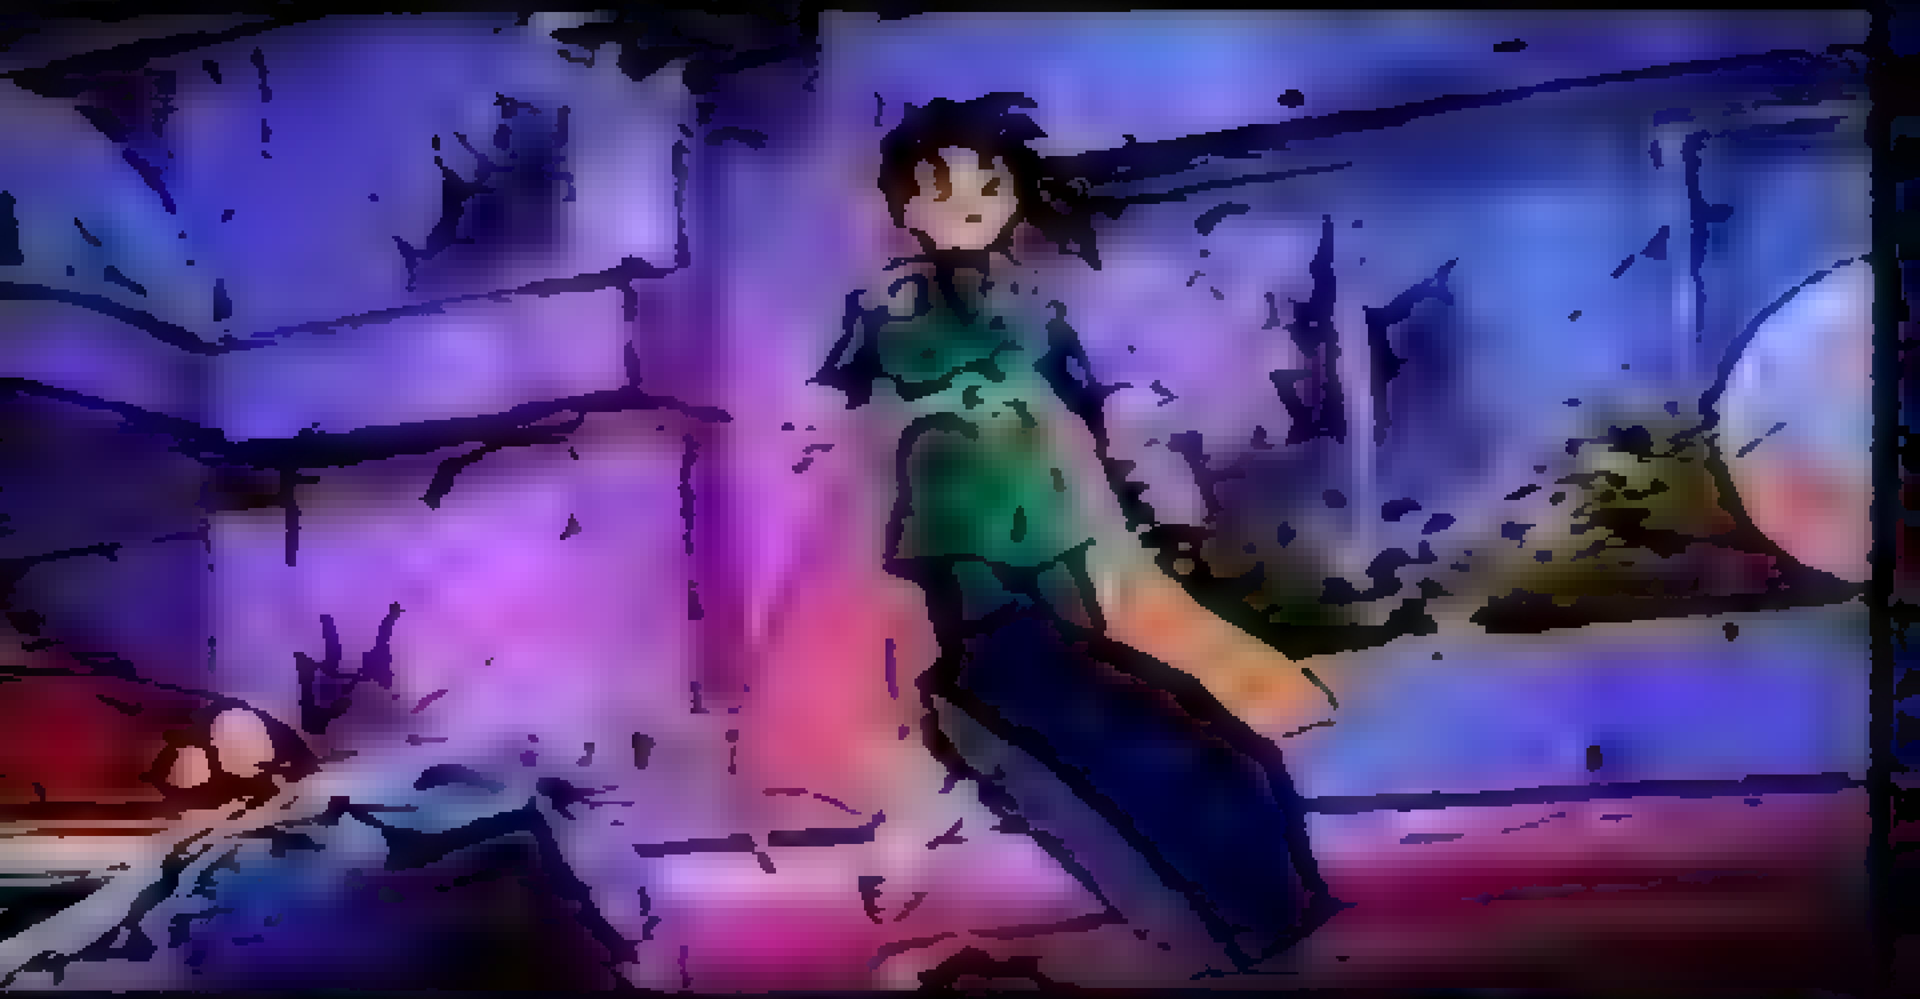

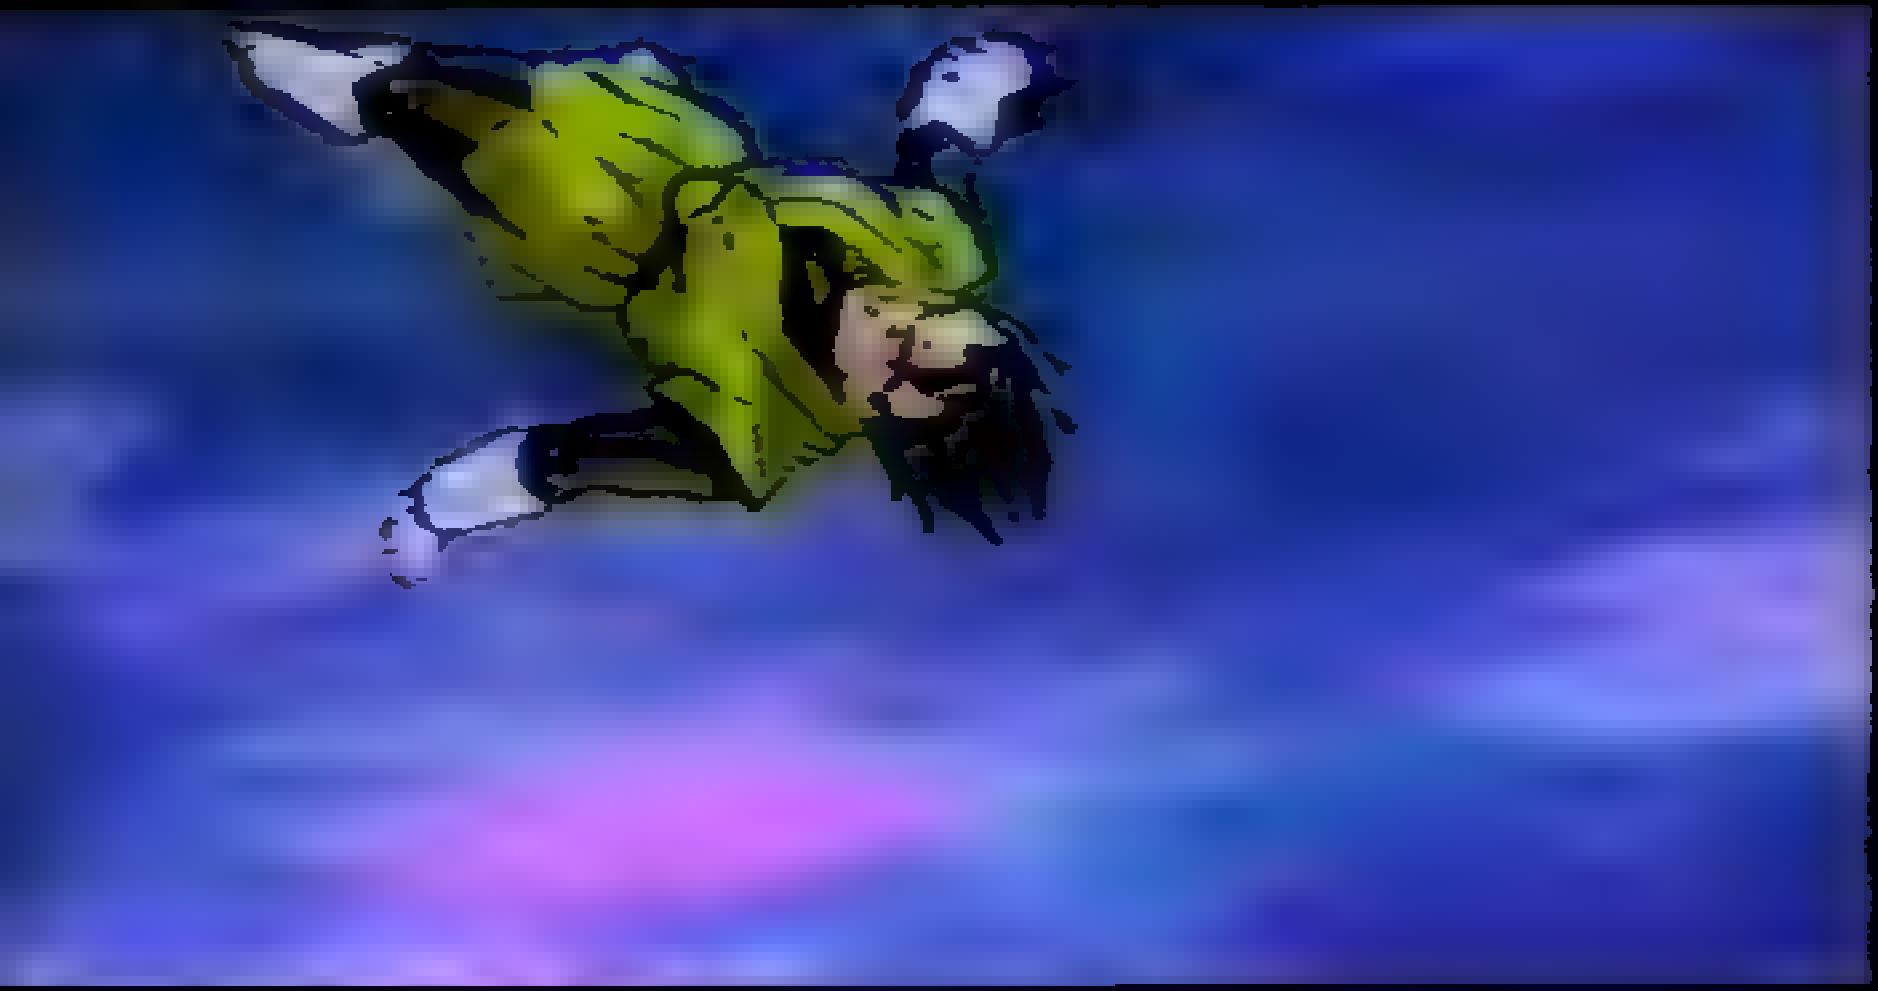

Go Gohan!

I see. When he attacks, he becomes tangible.

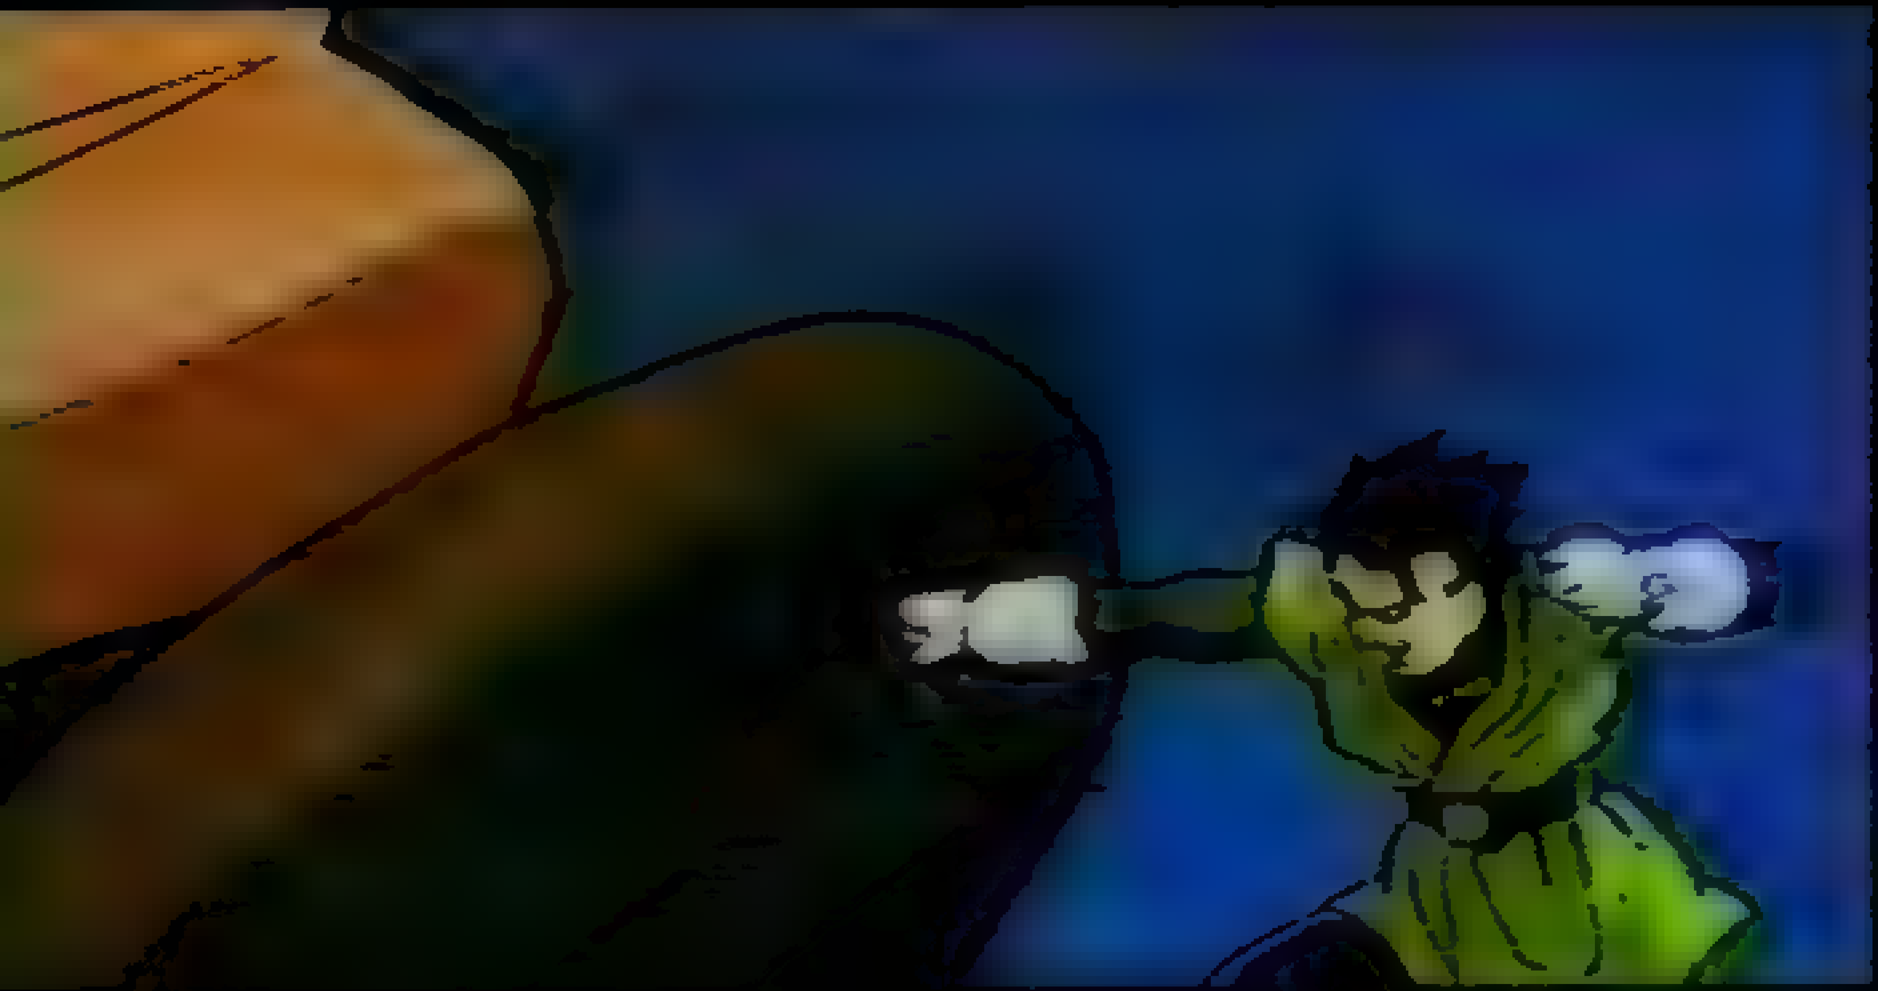

I see. When he attacks, he becomes tangible.

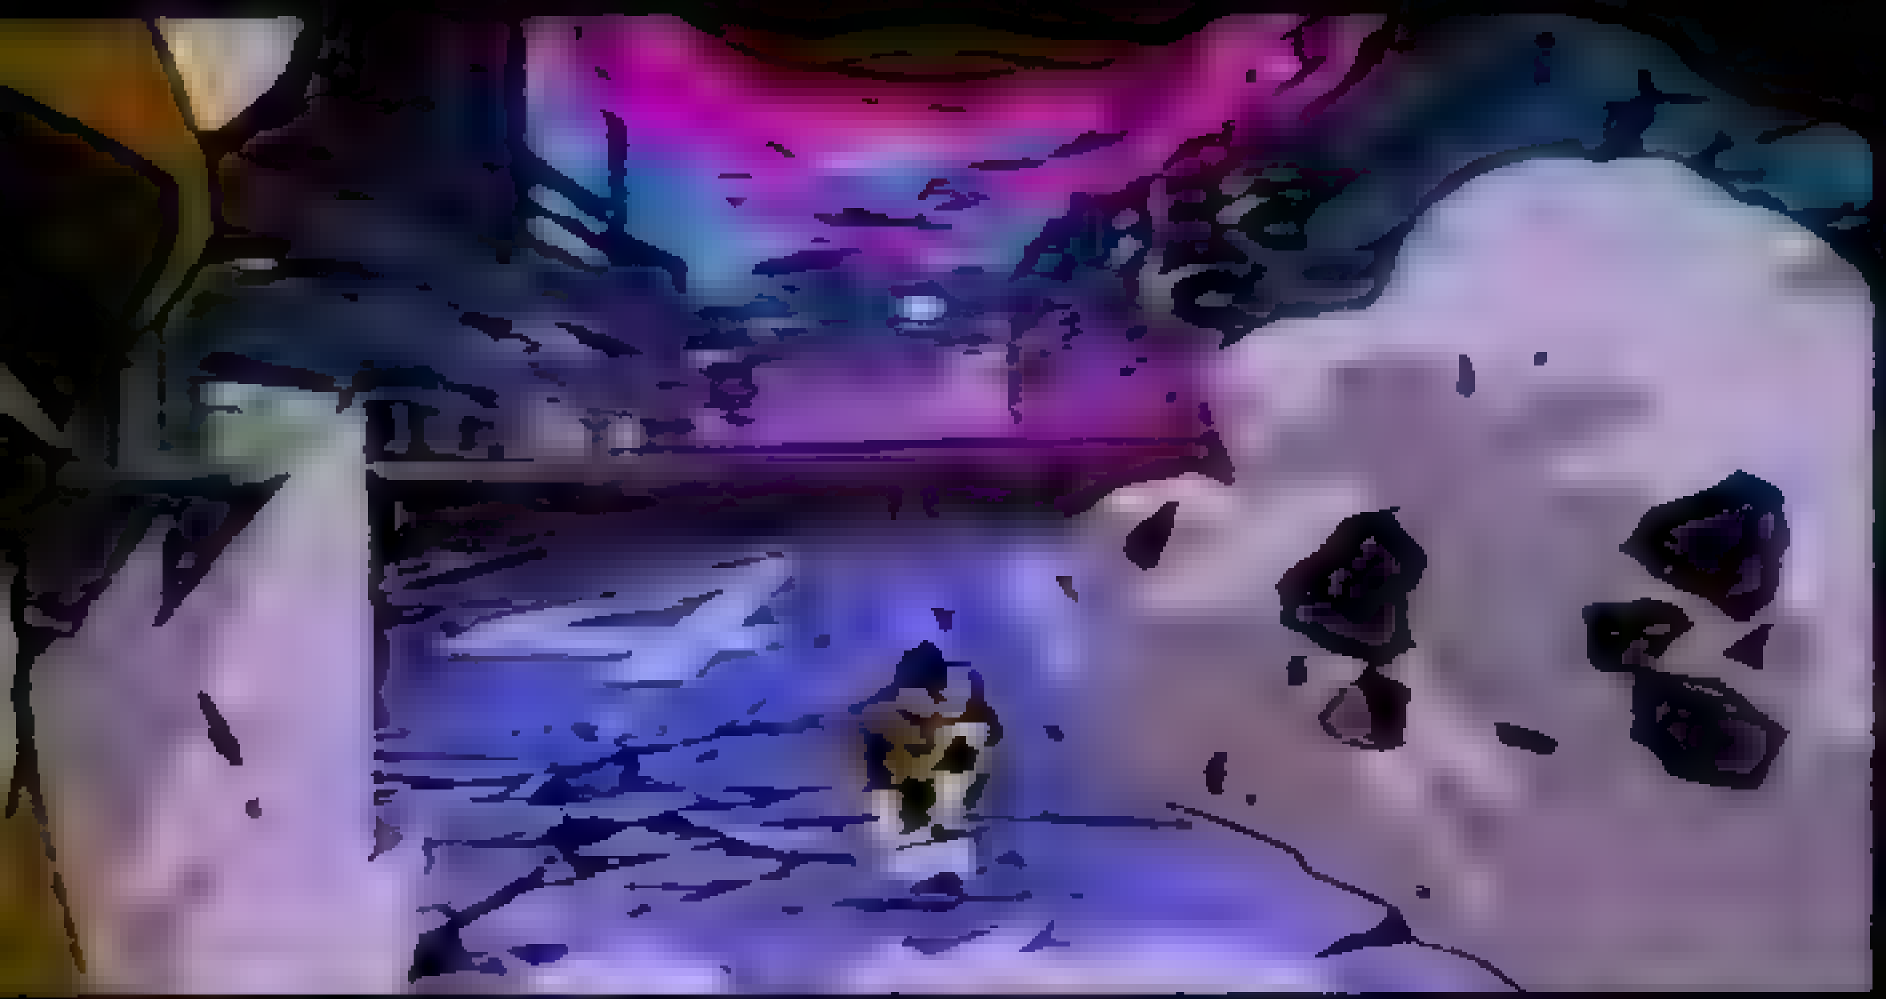

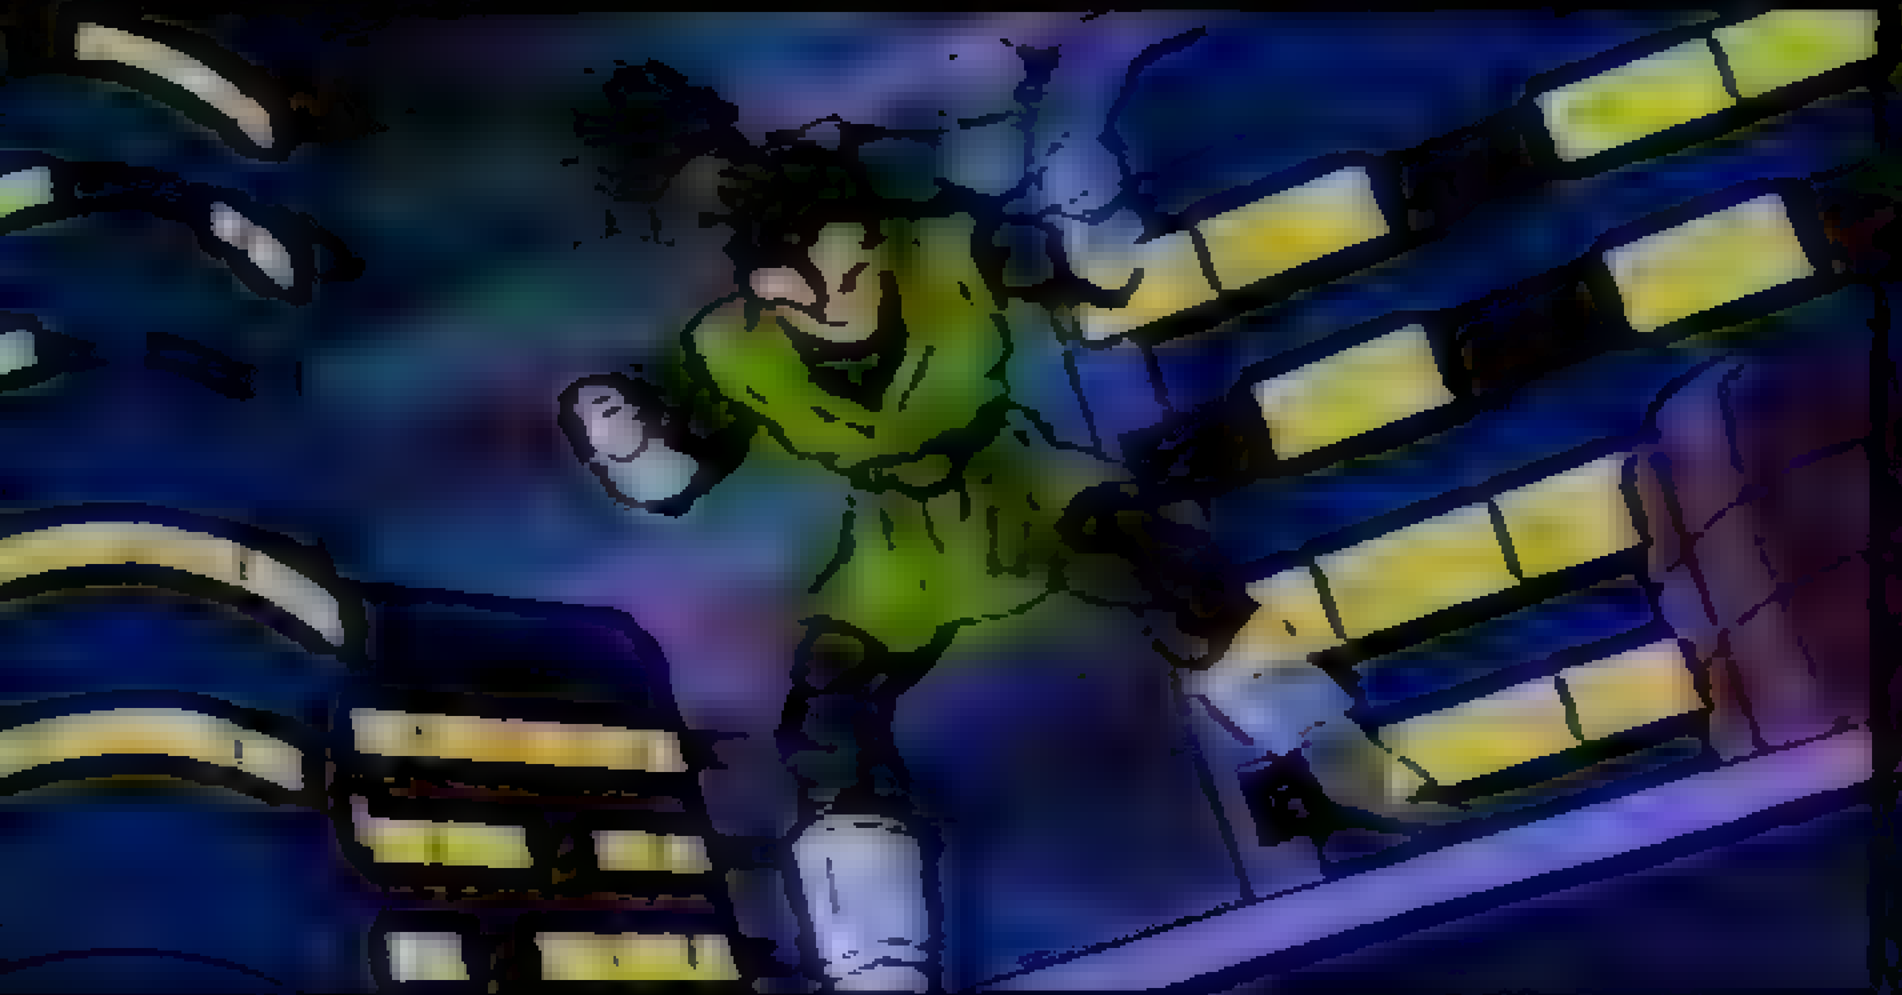

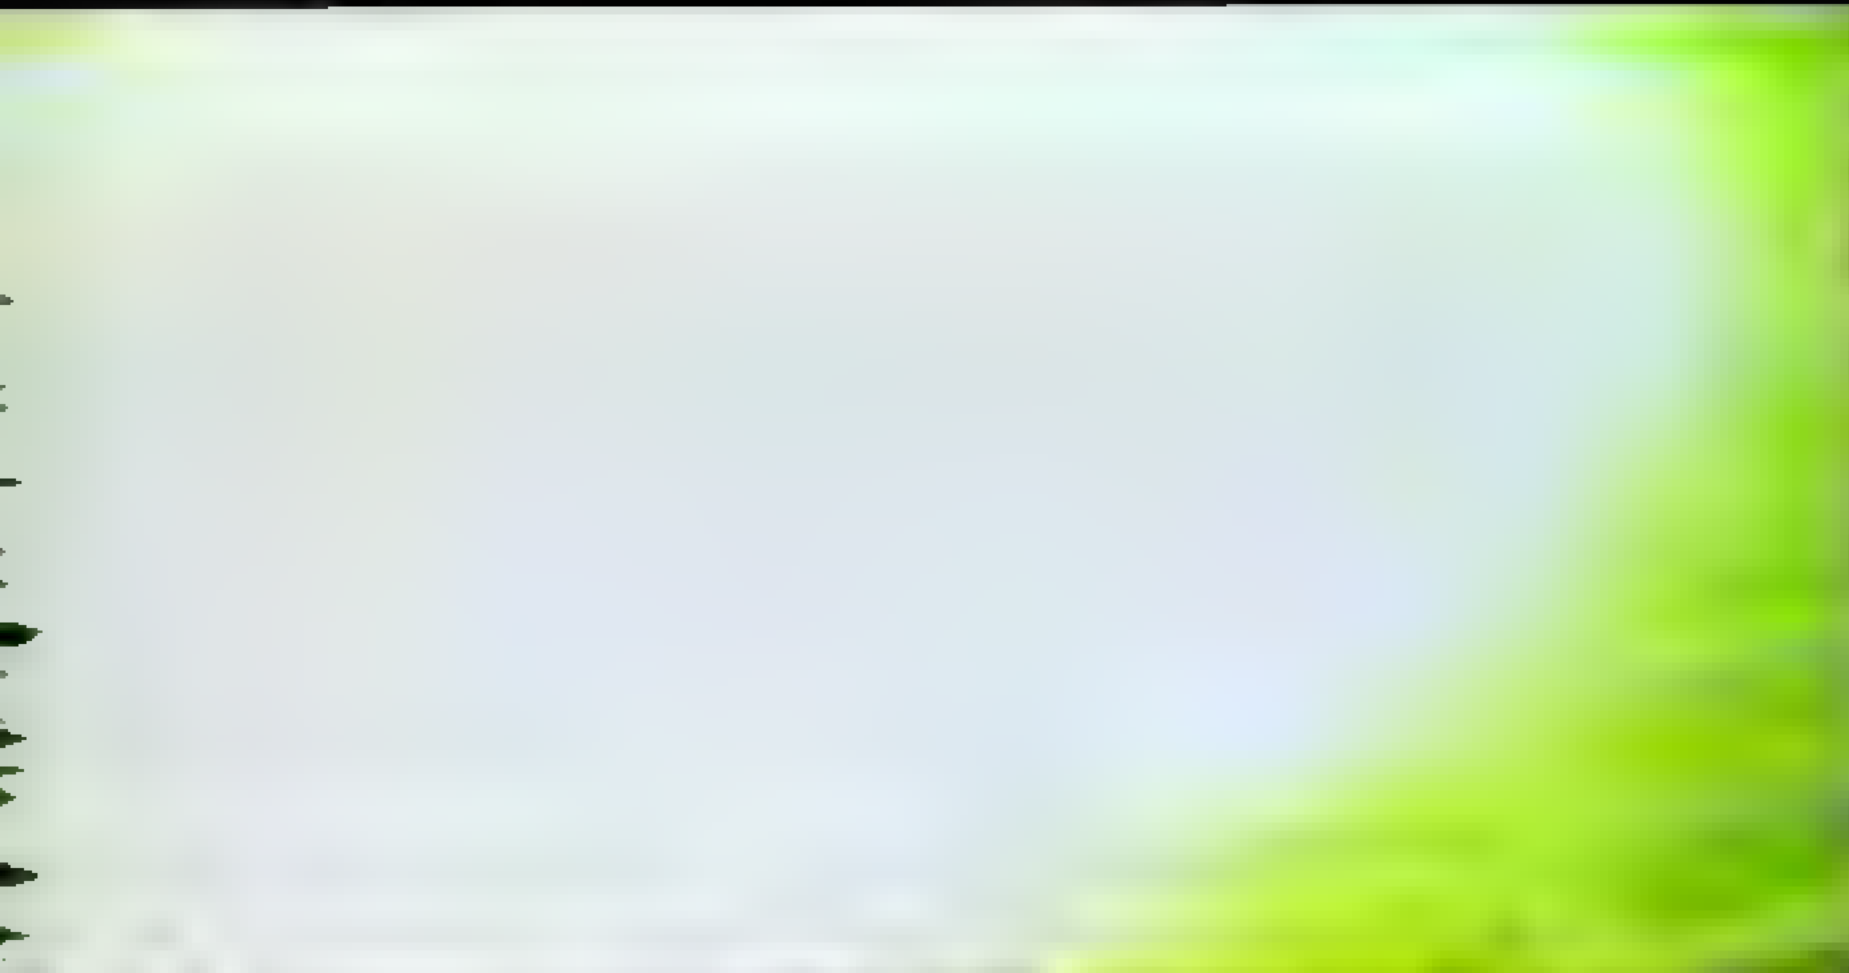

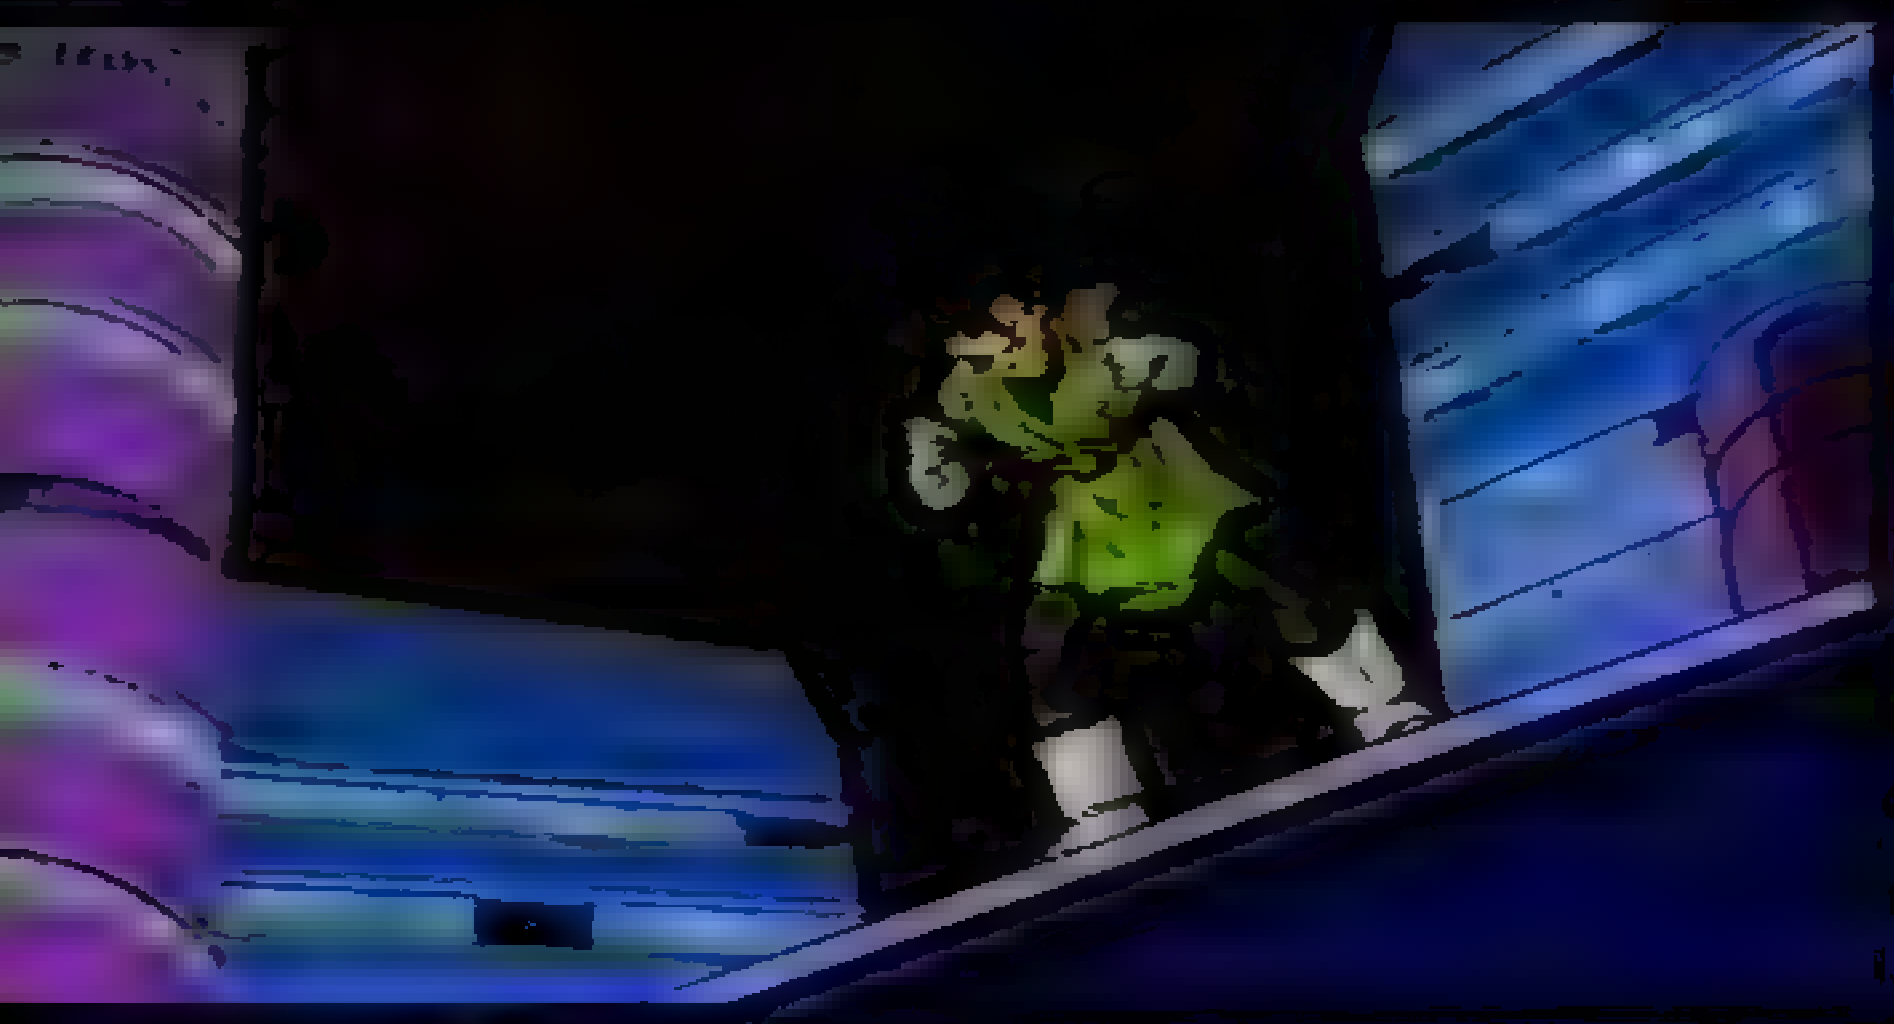

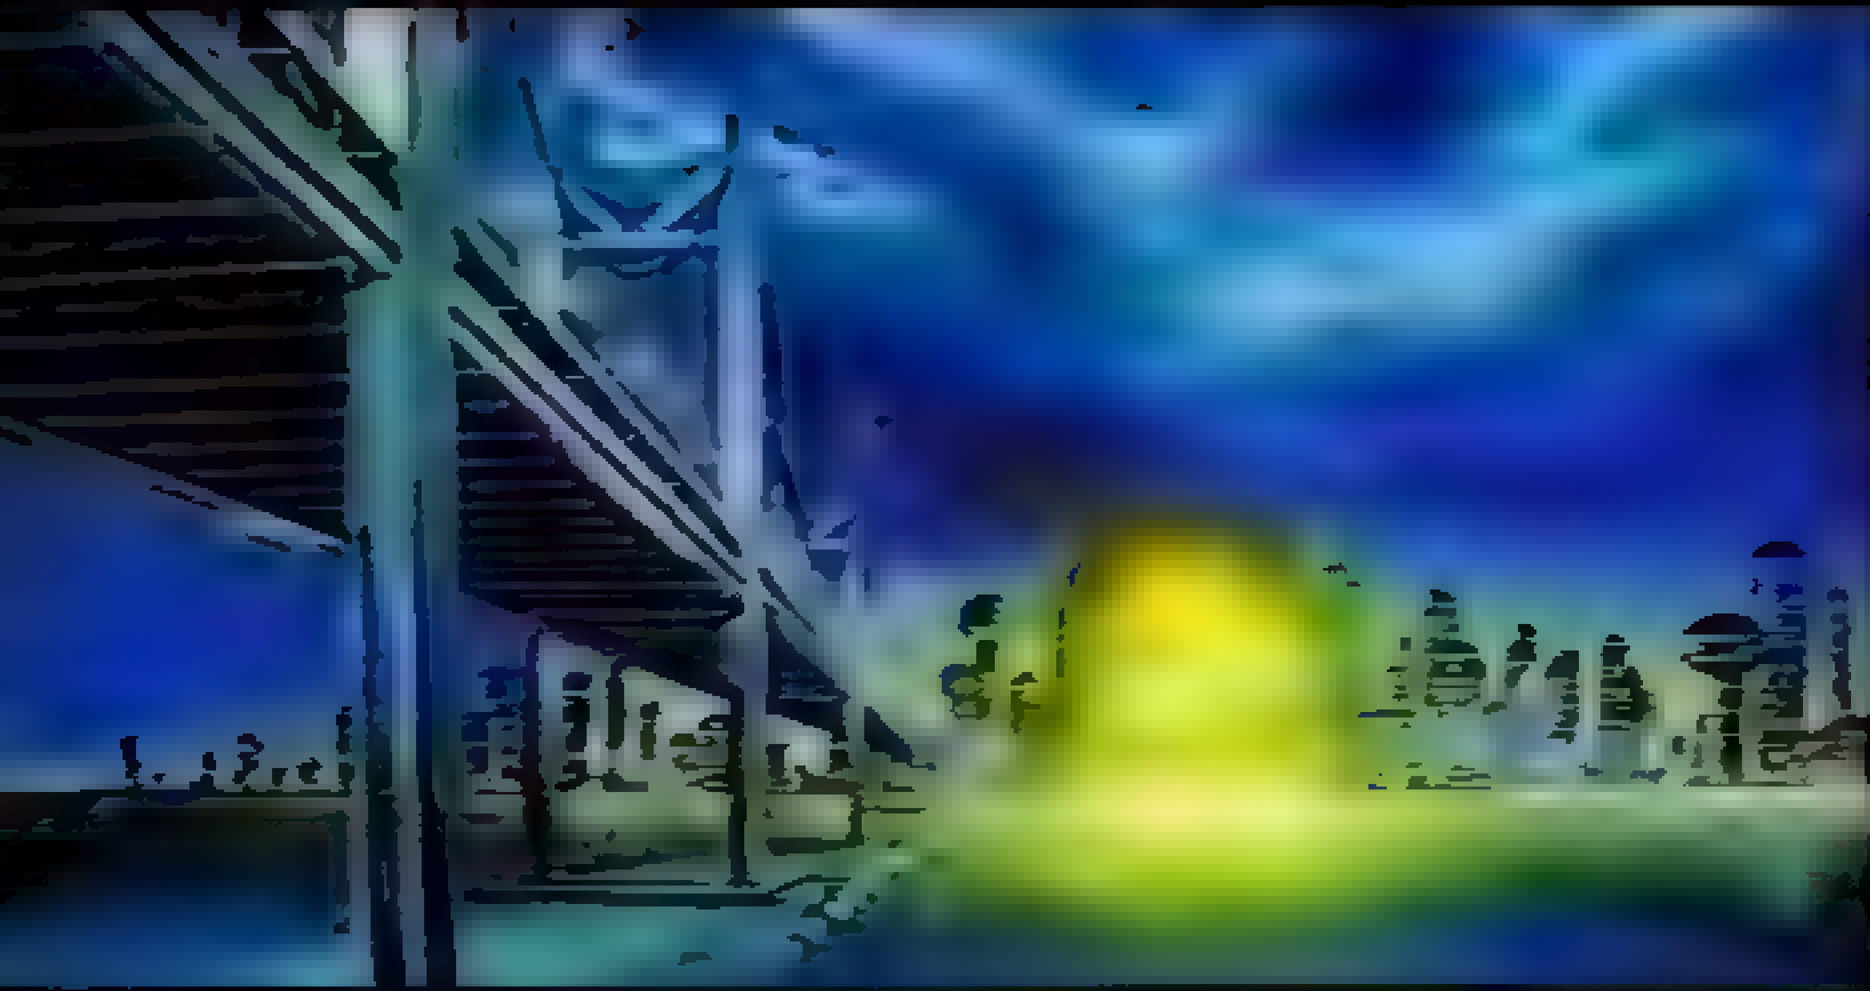

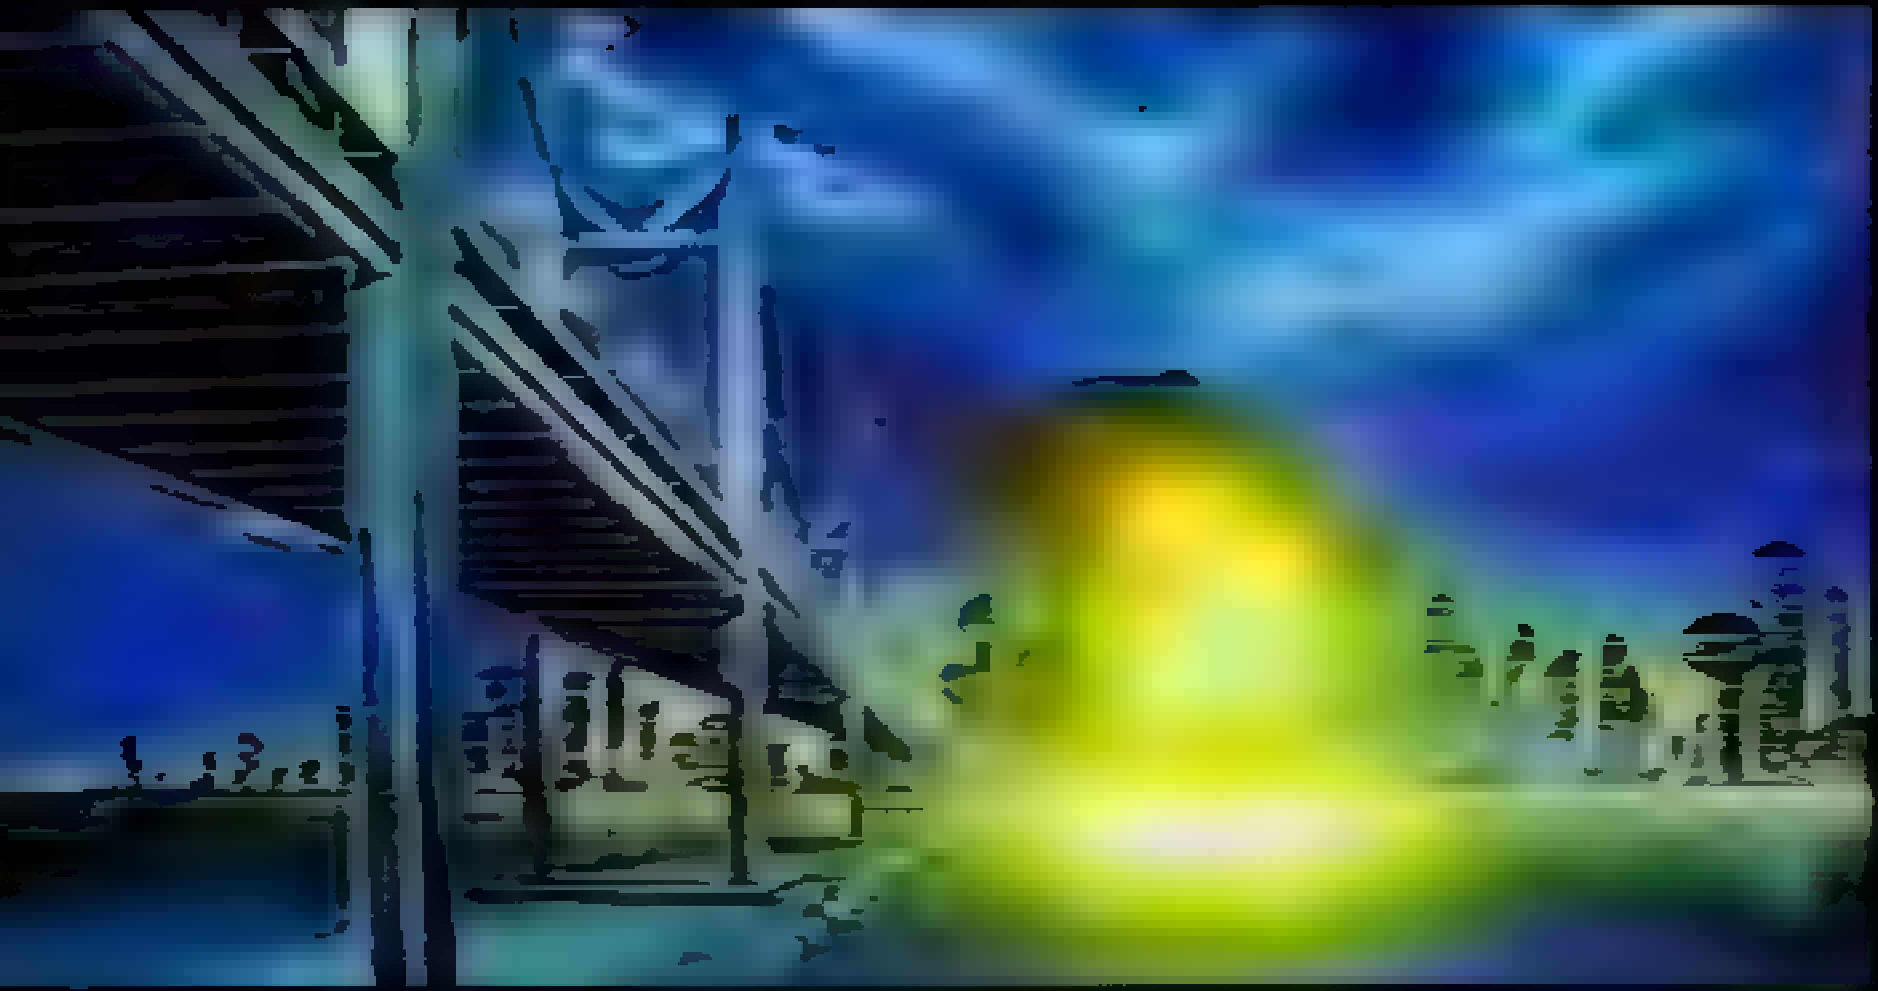

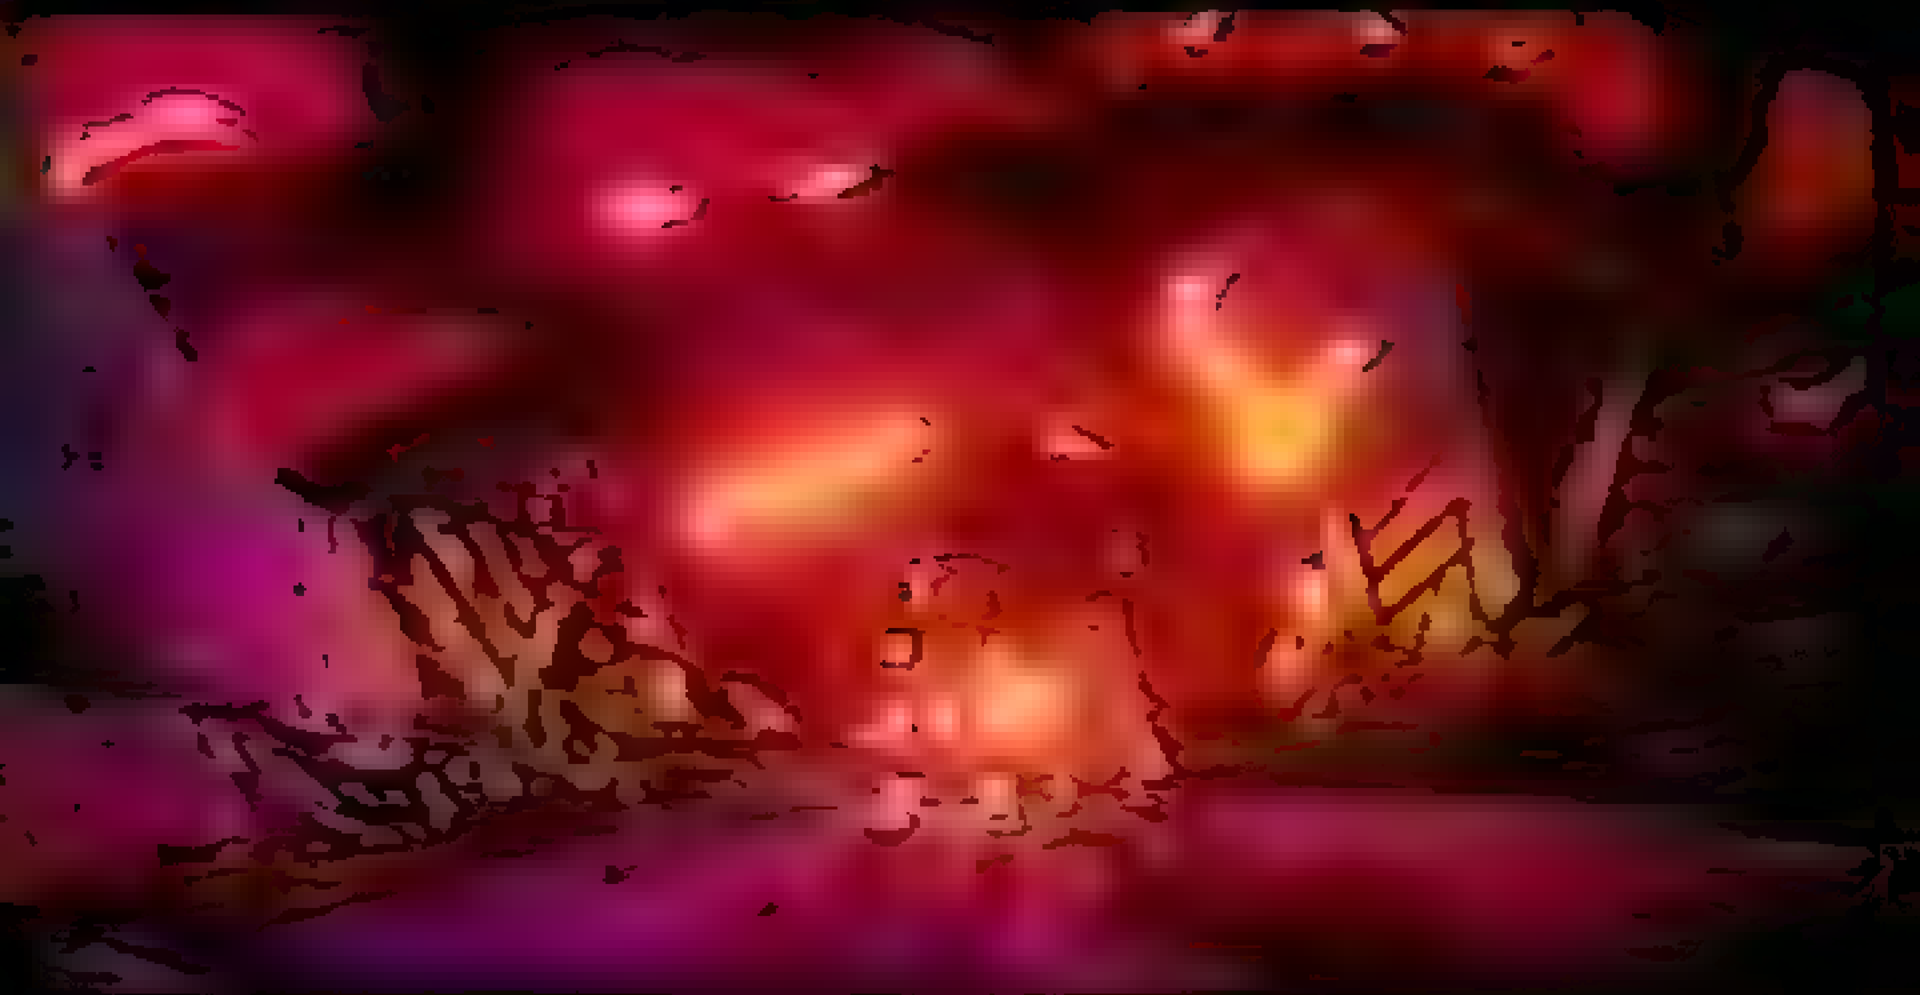

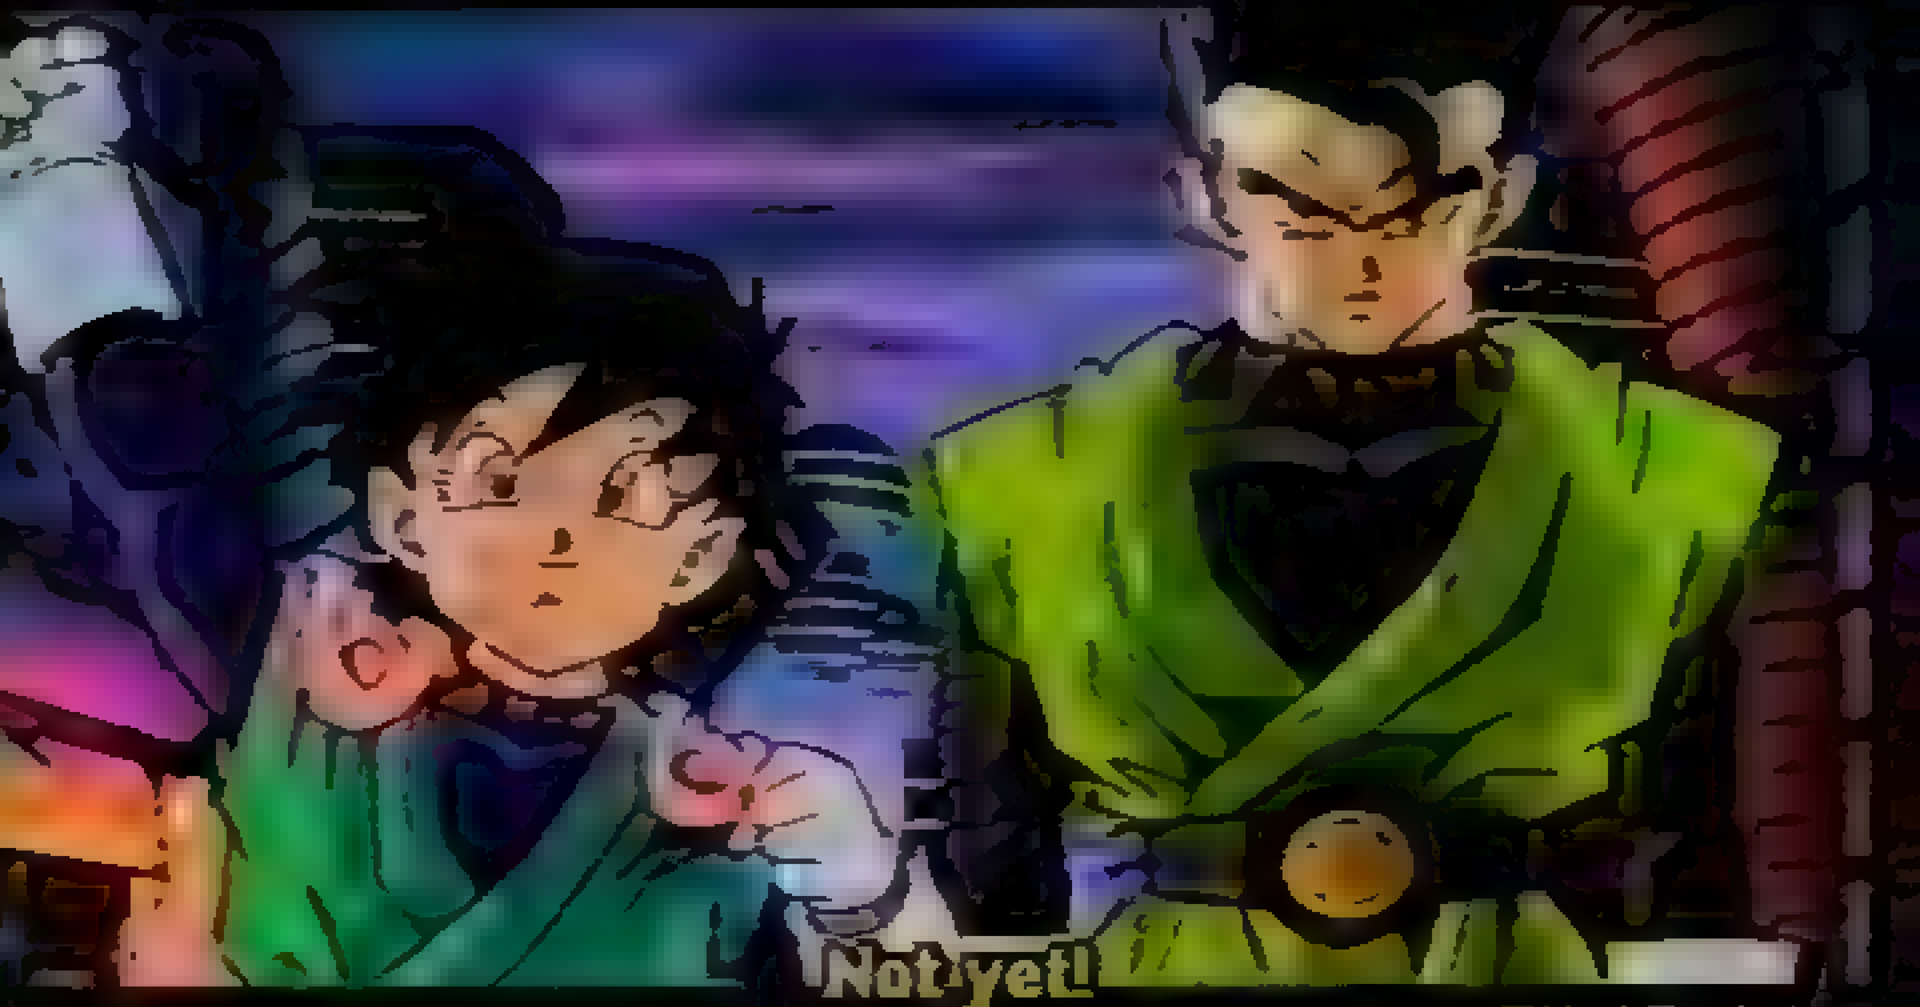

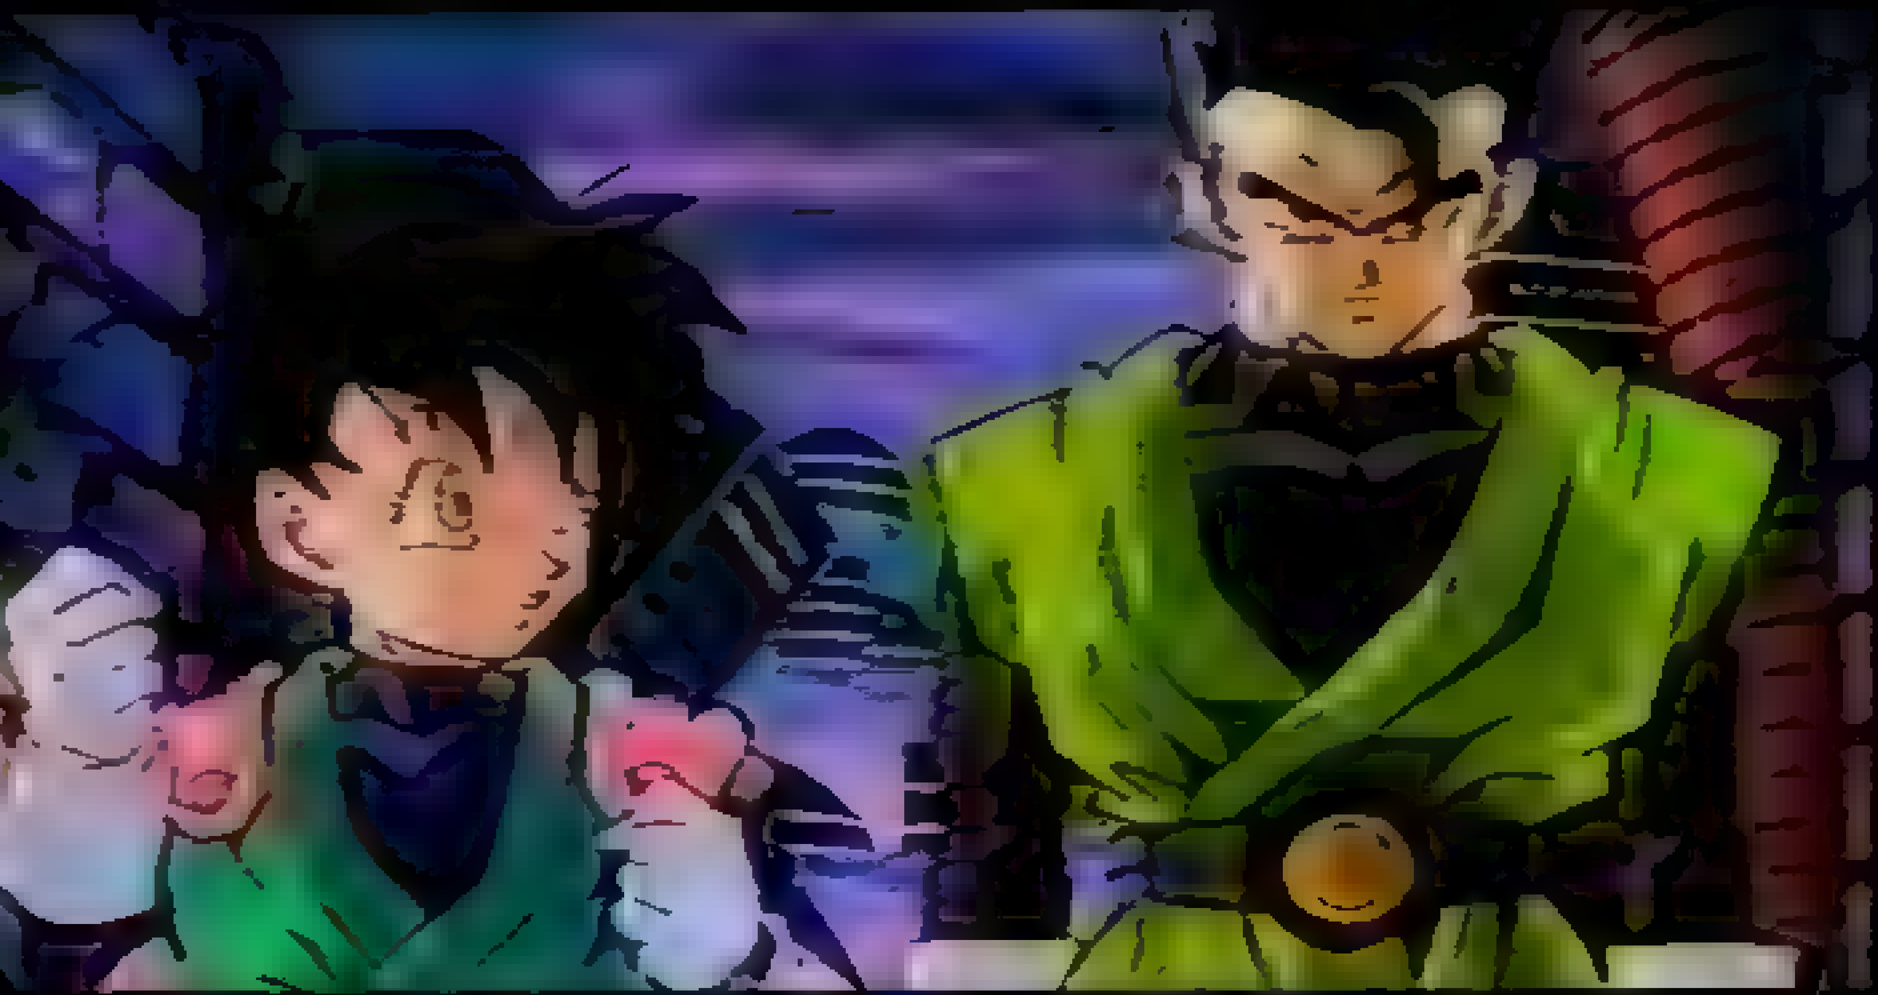

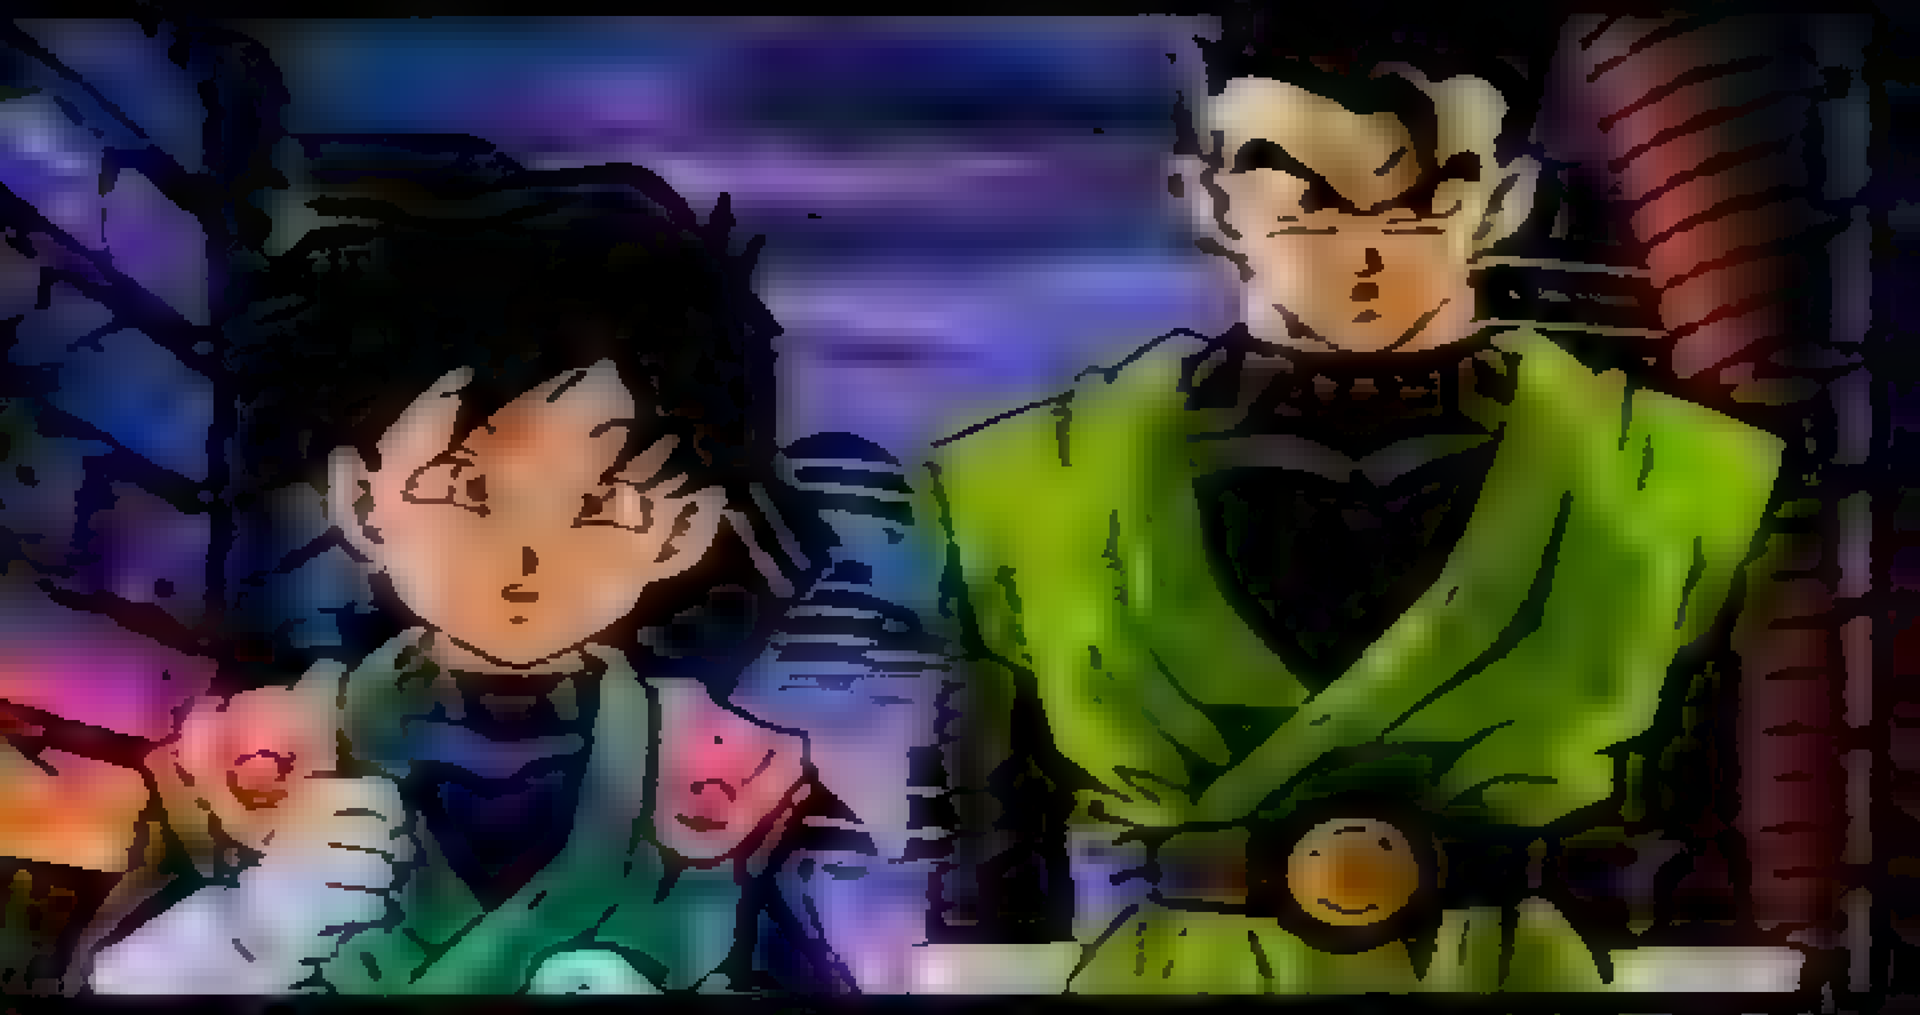

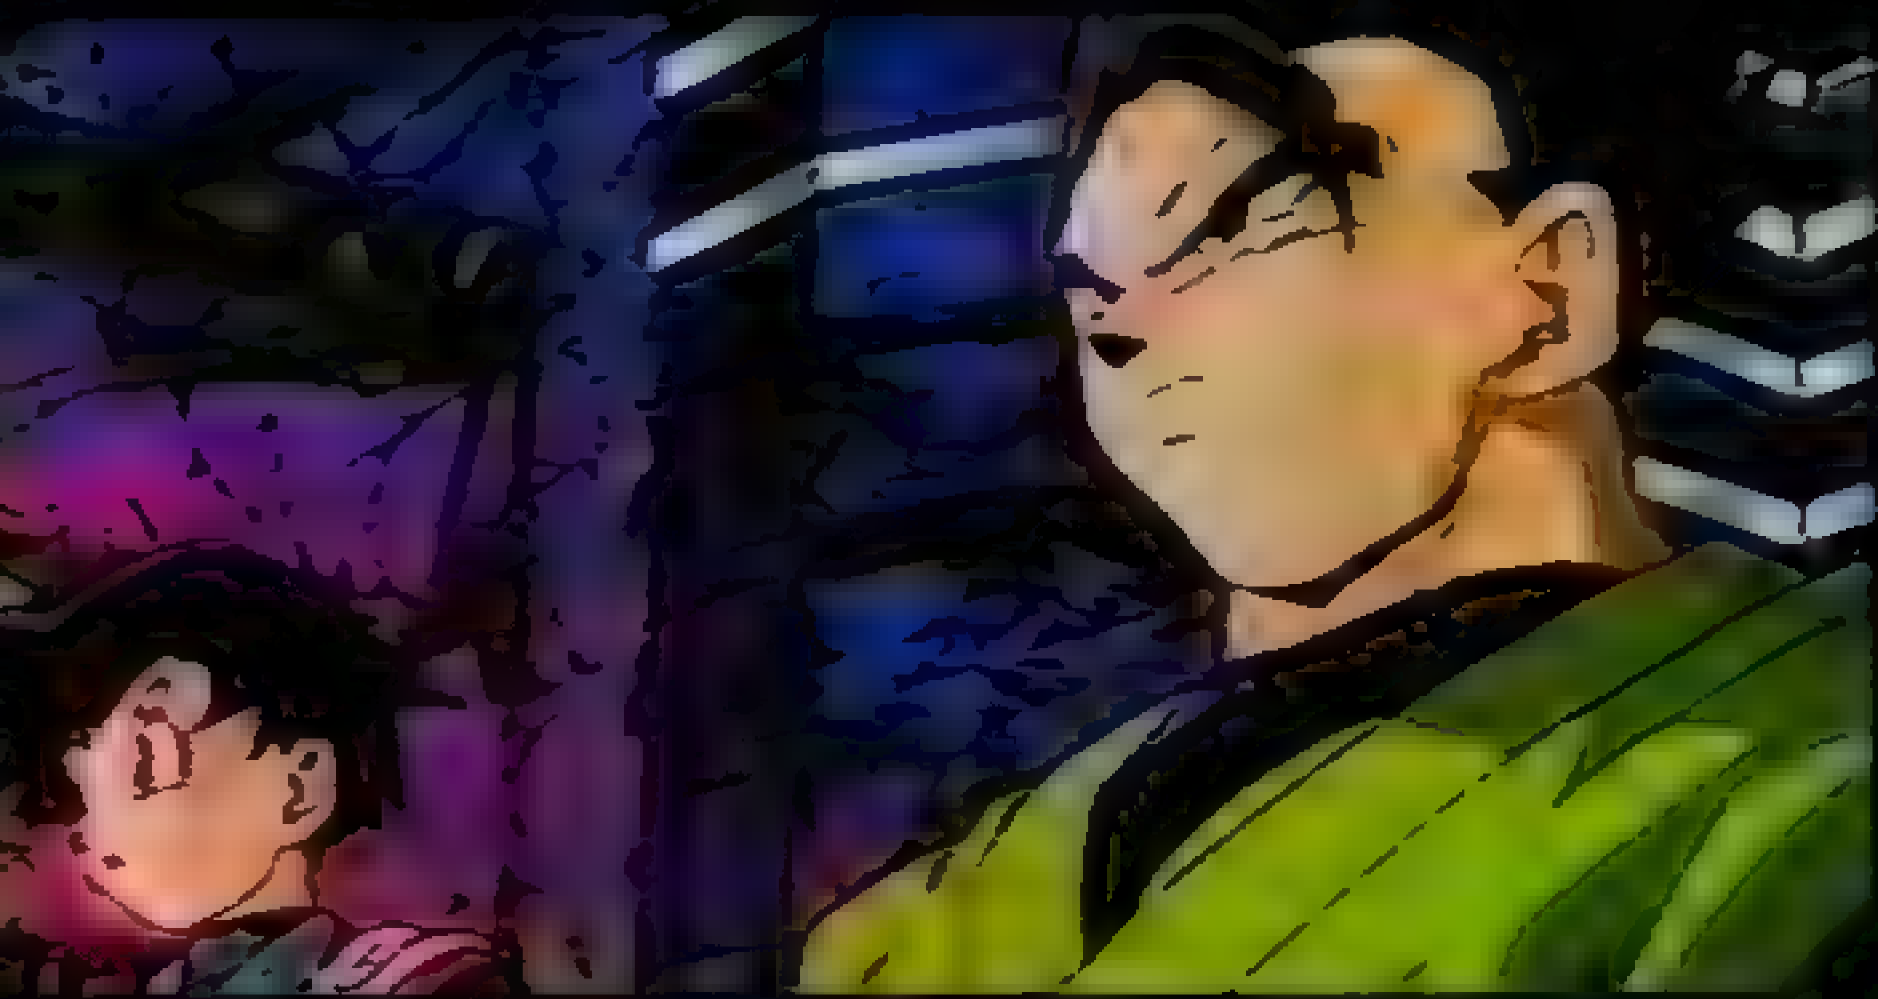

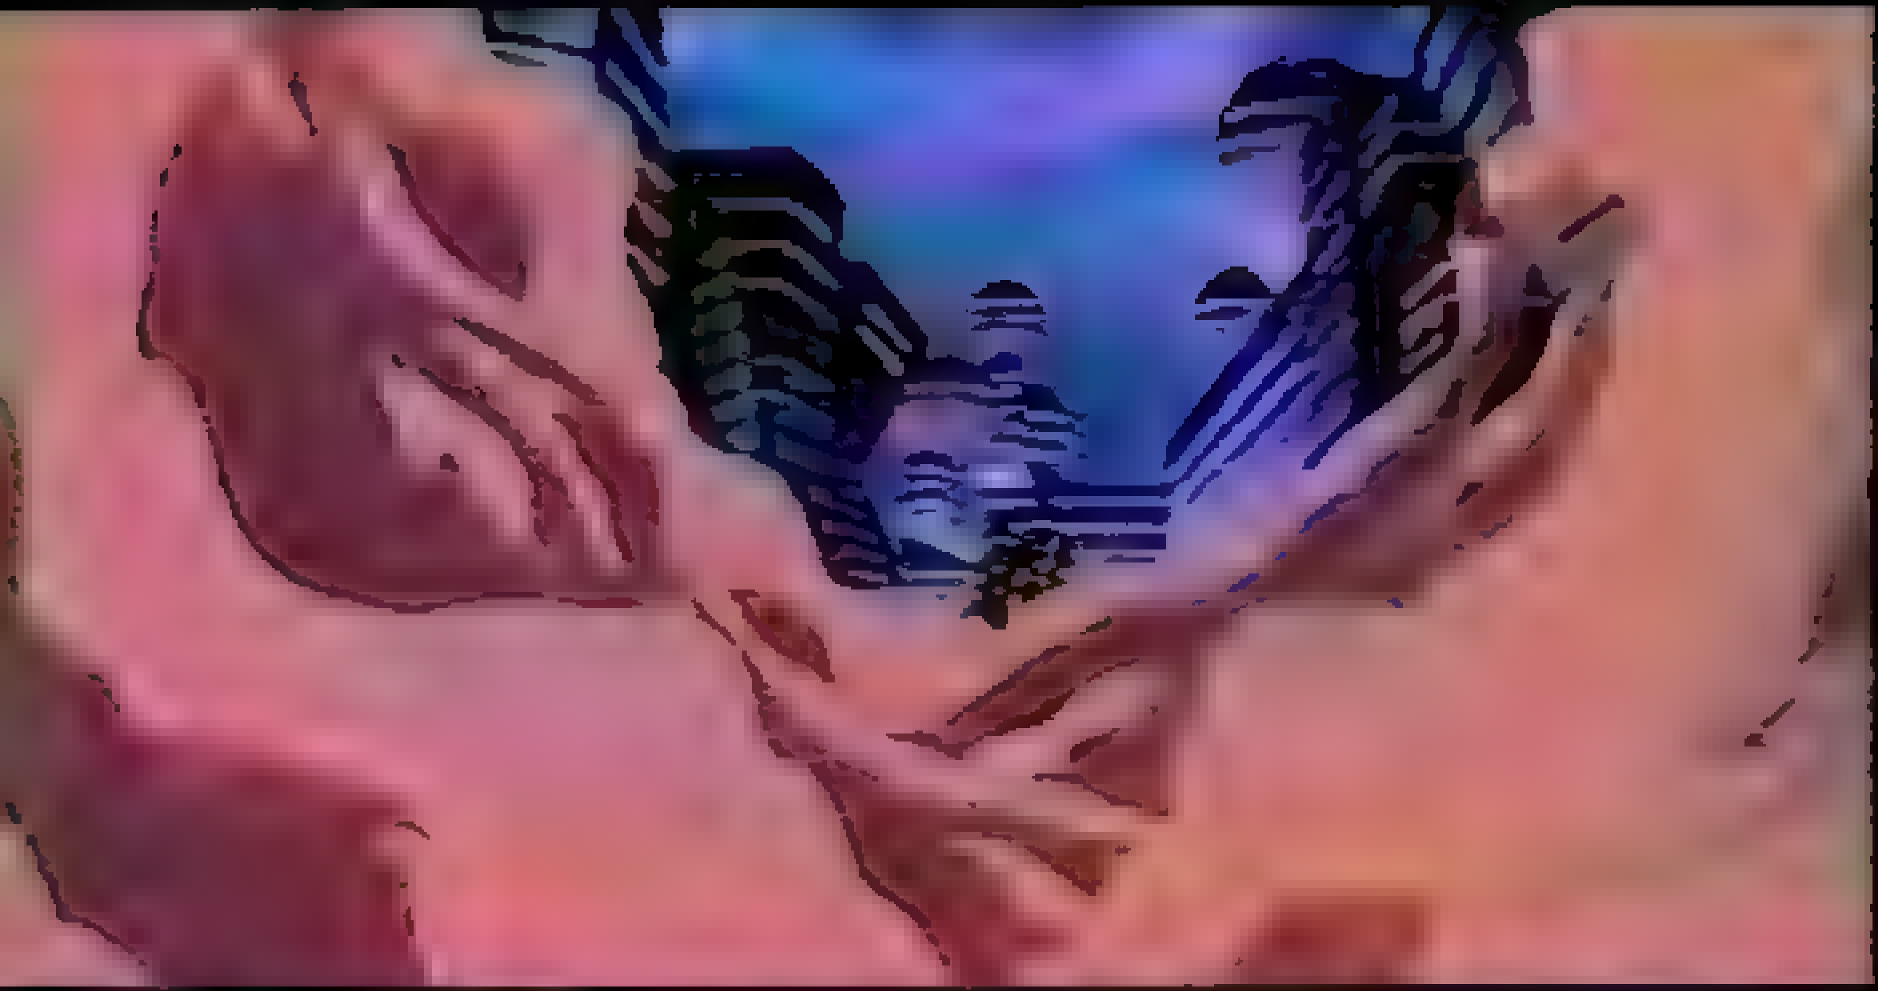

Not yet!

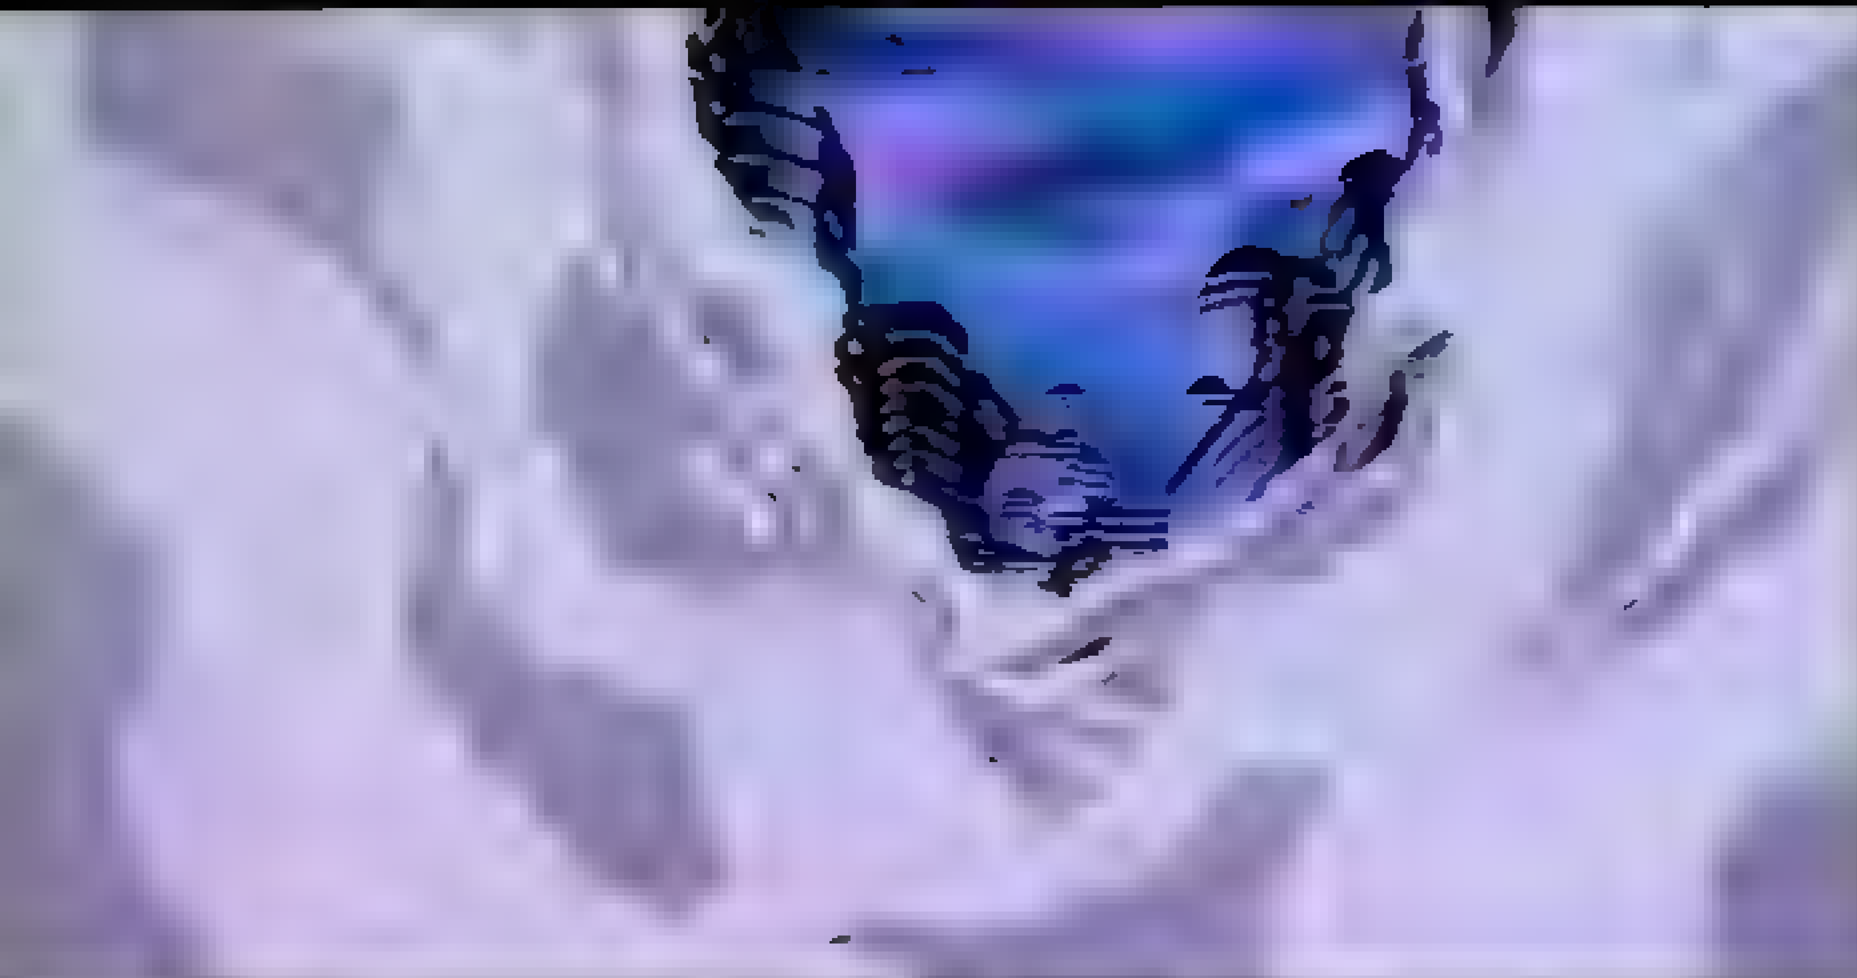

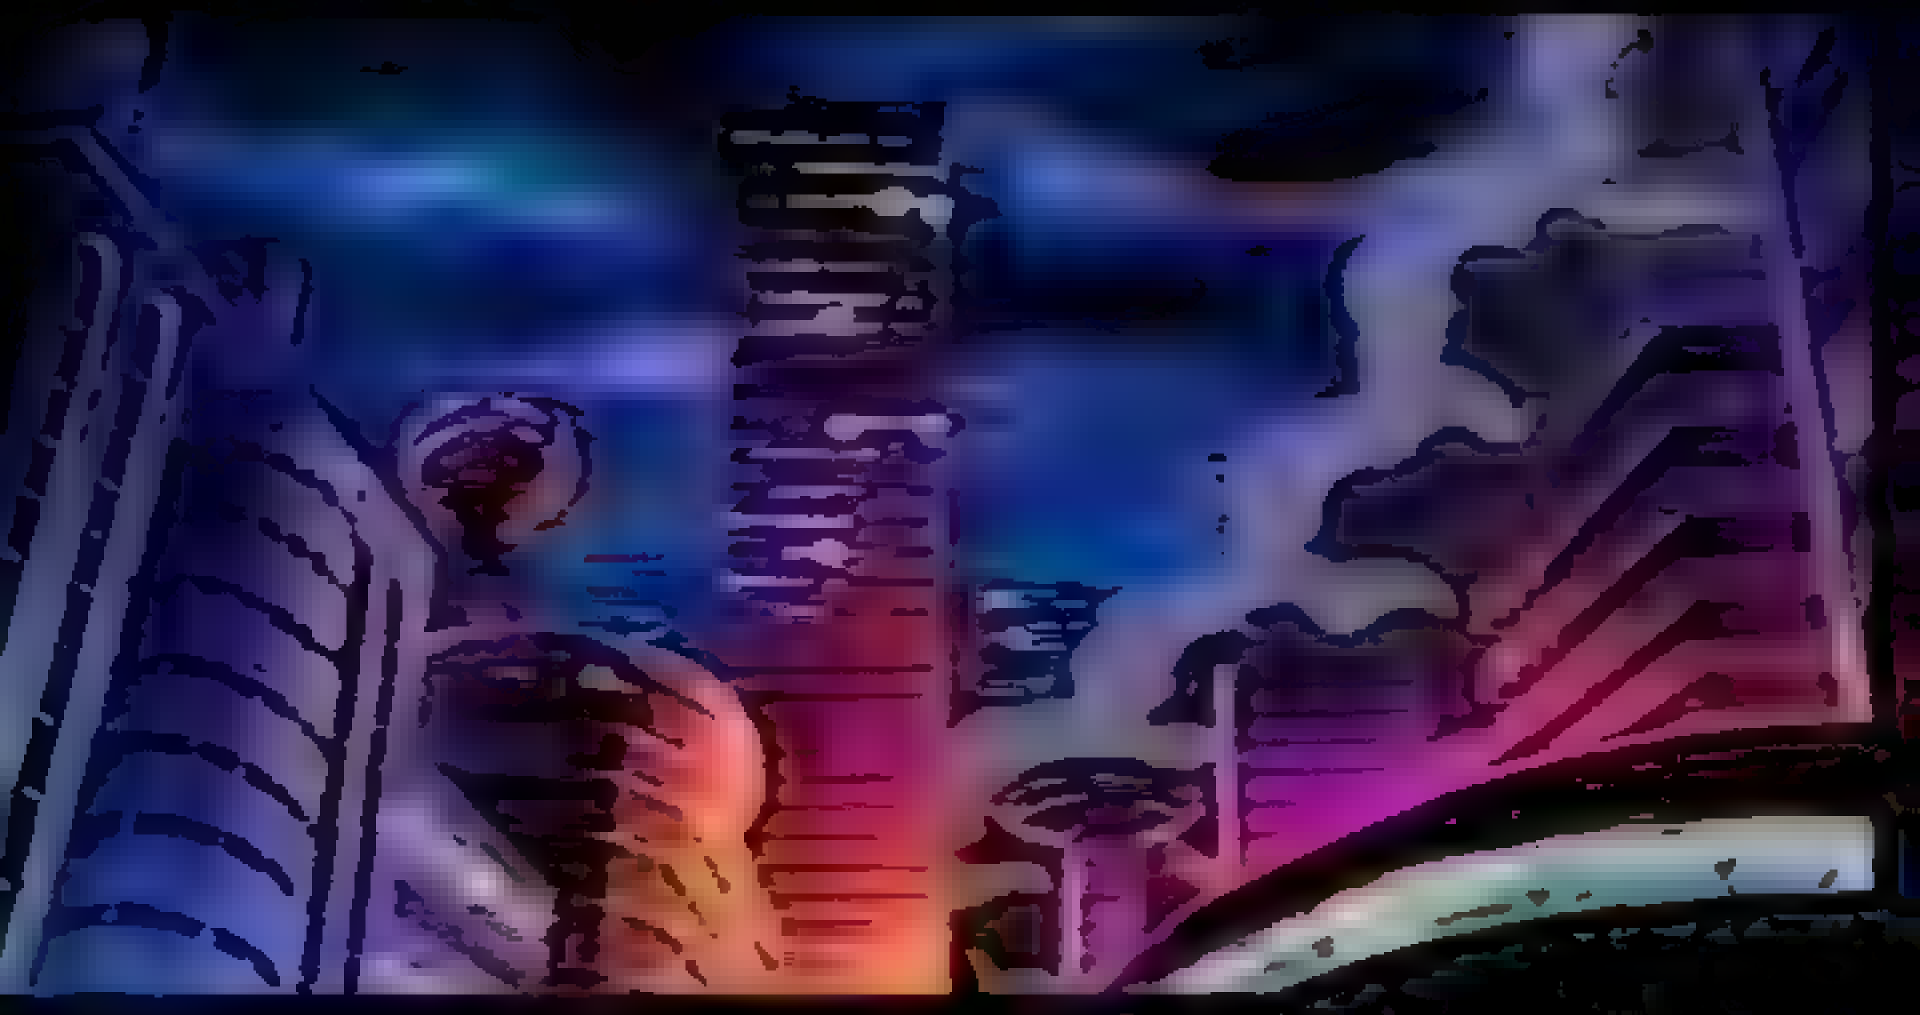

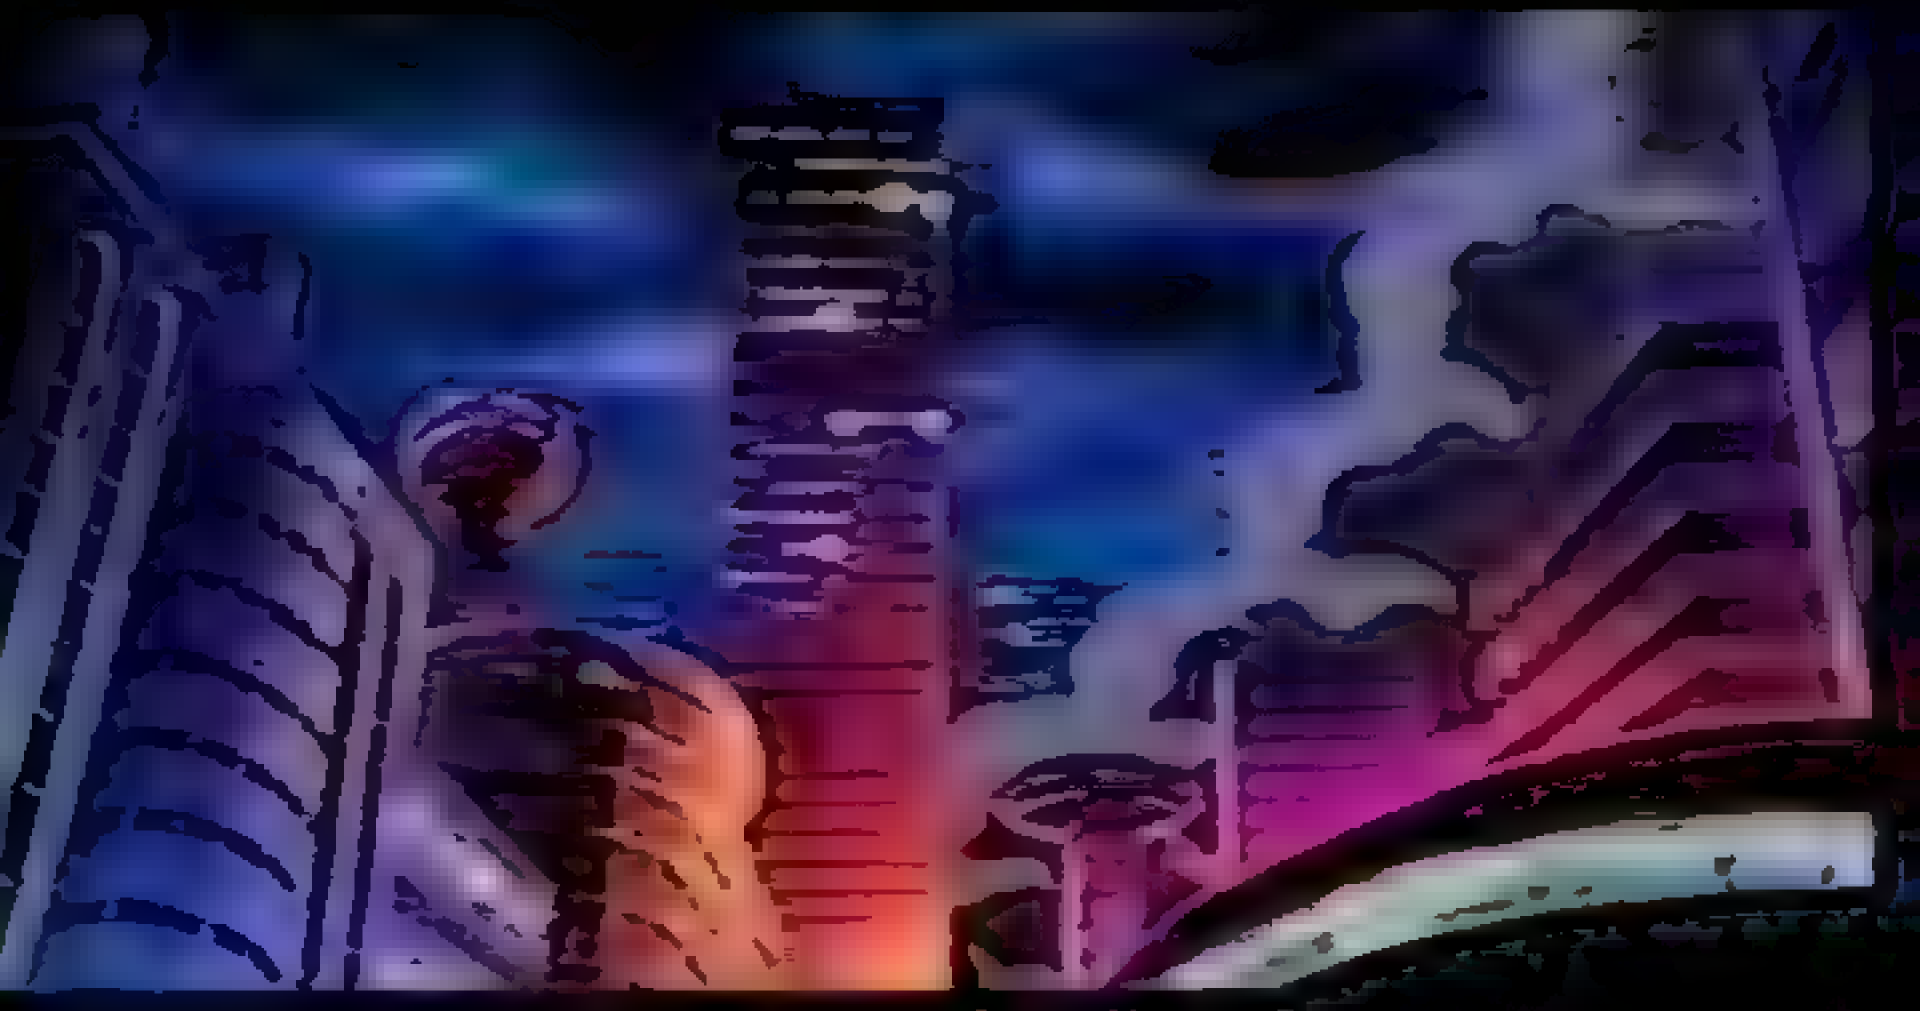

Is this melody...?

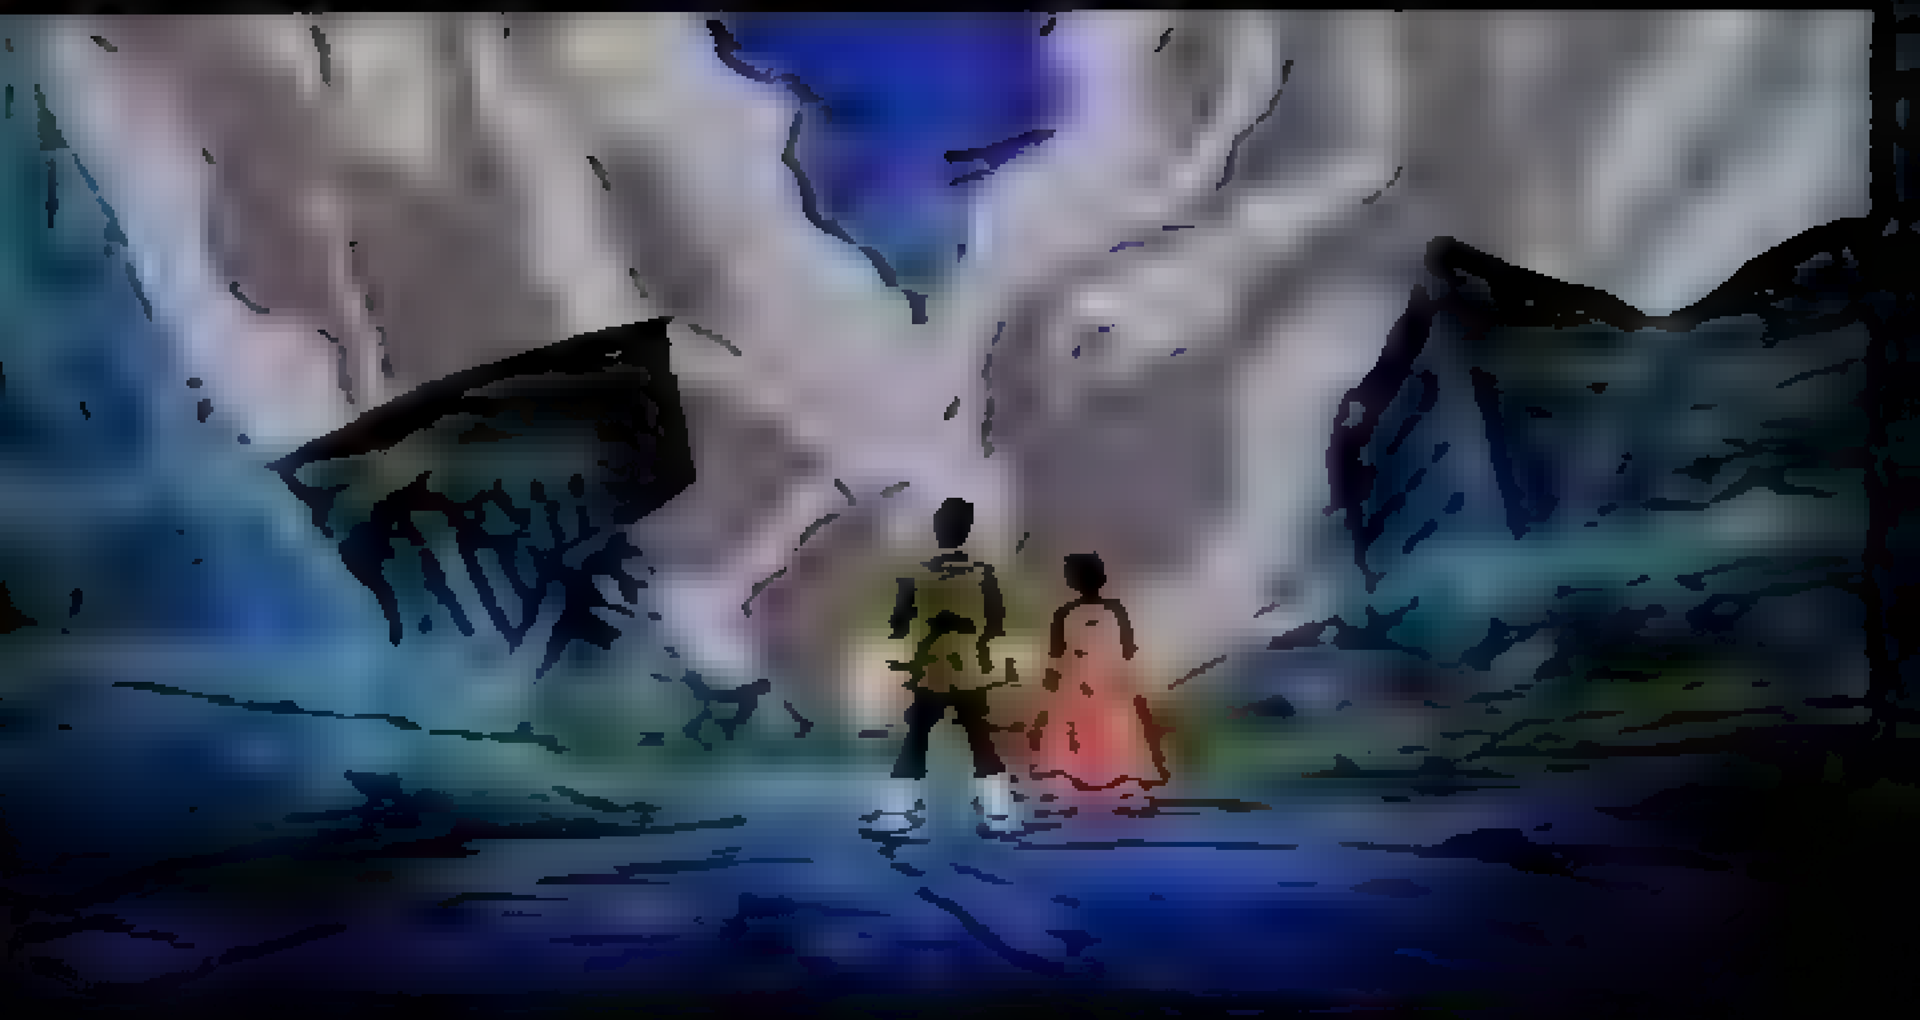

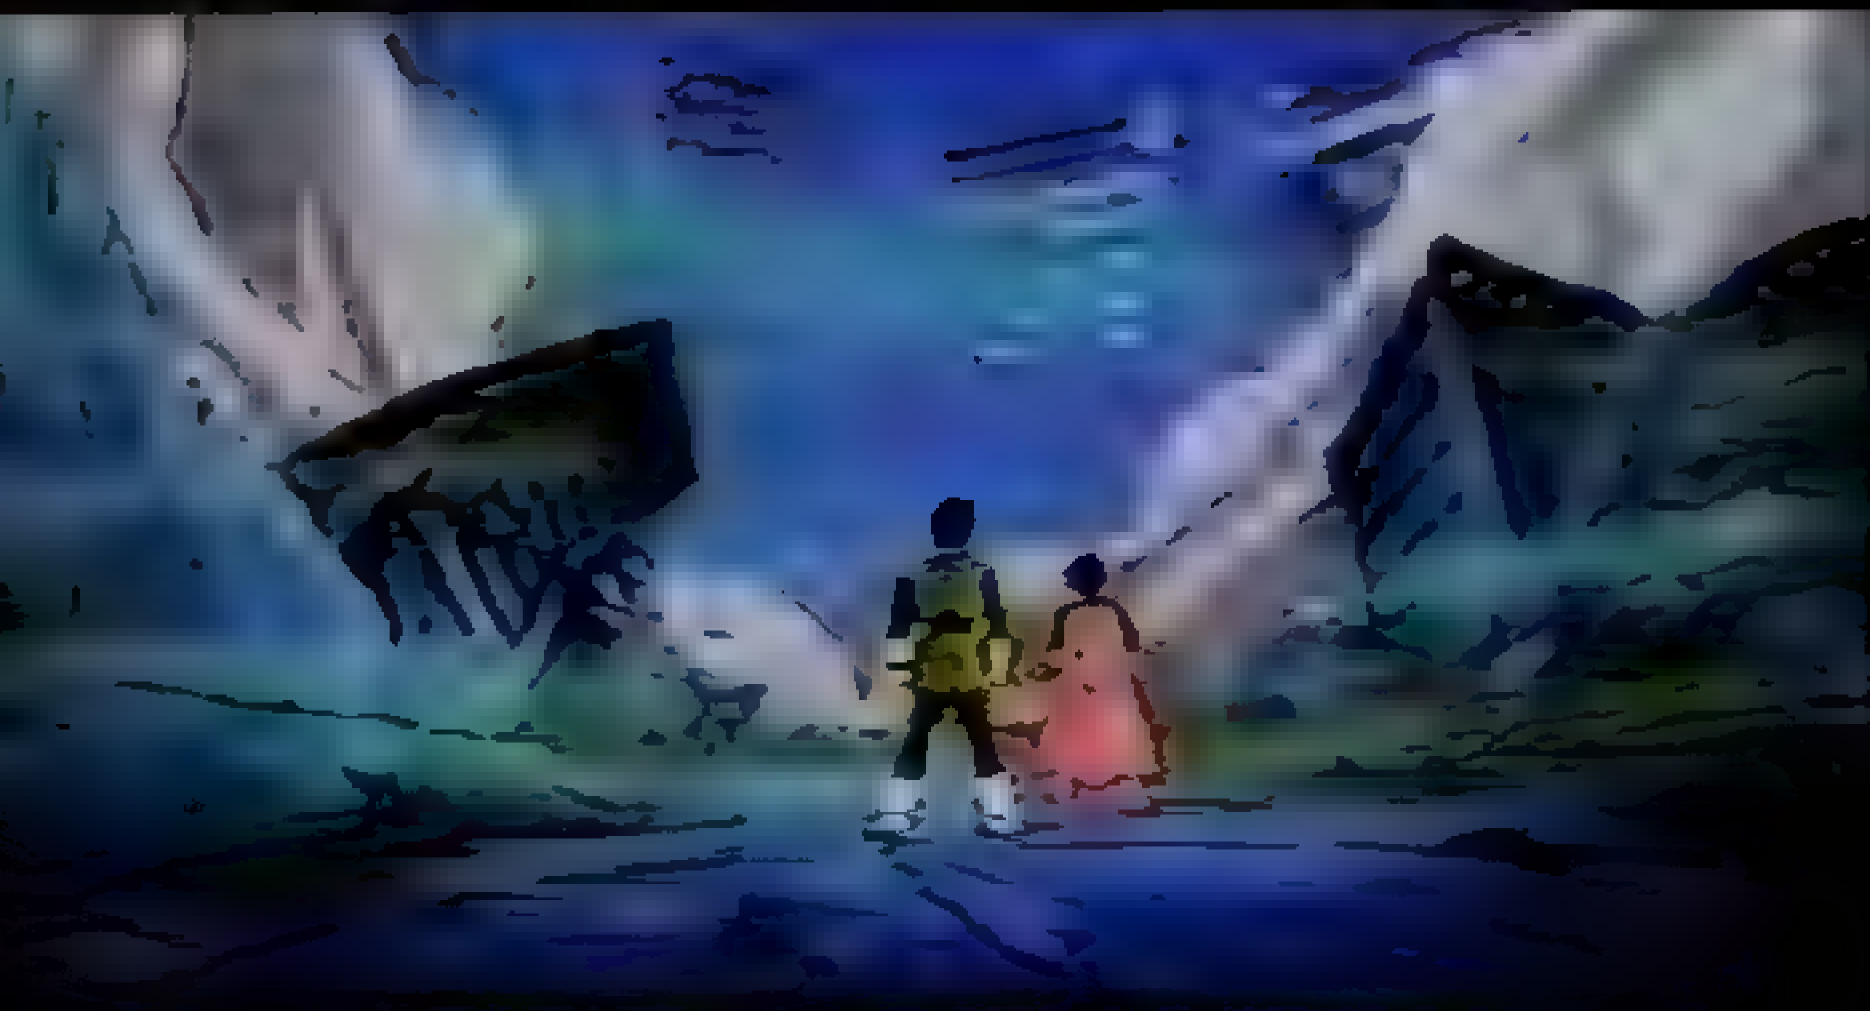

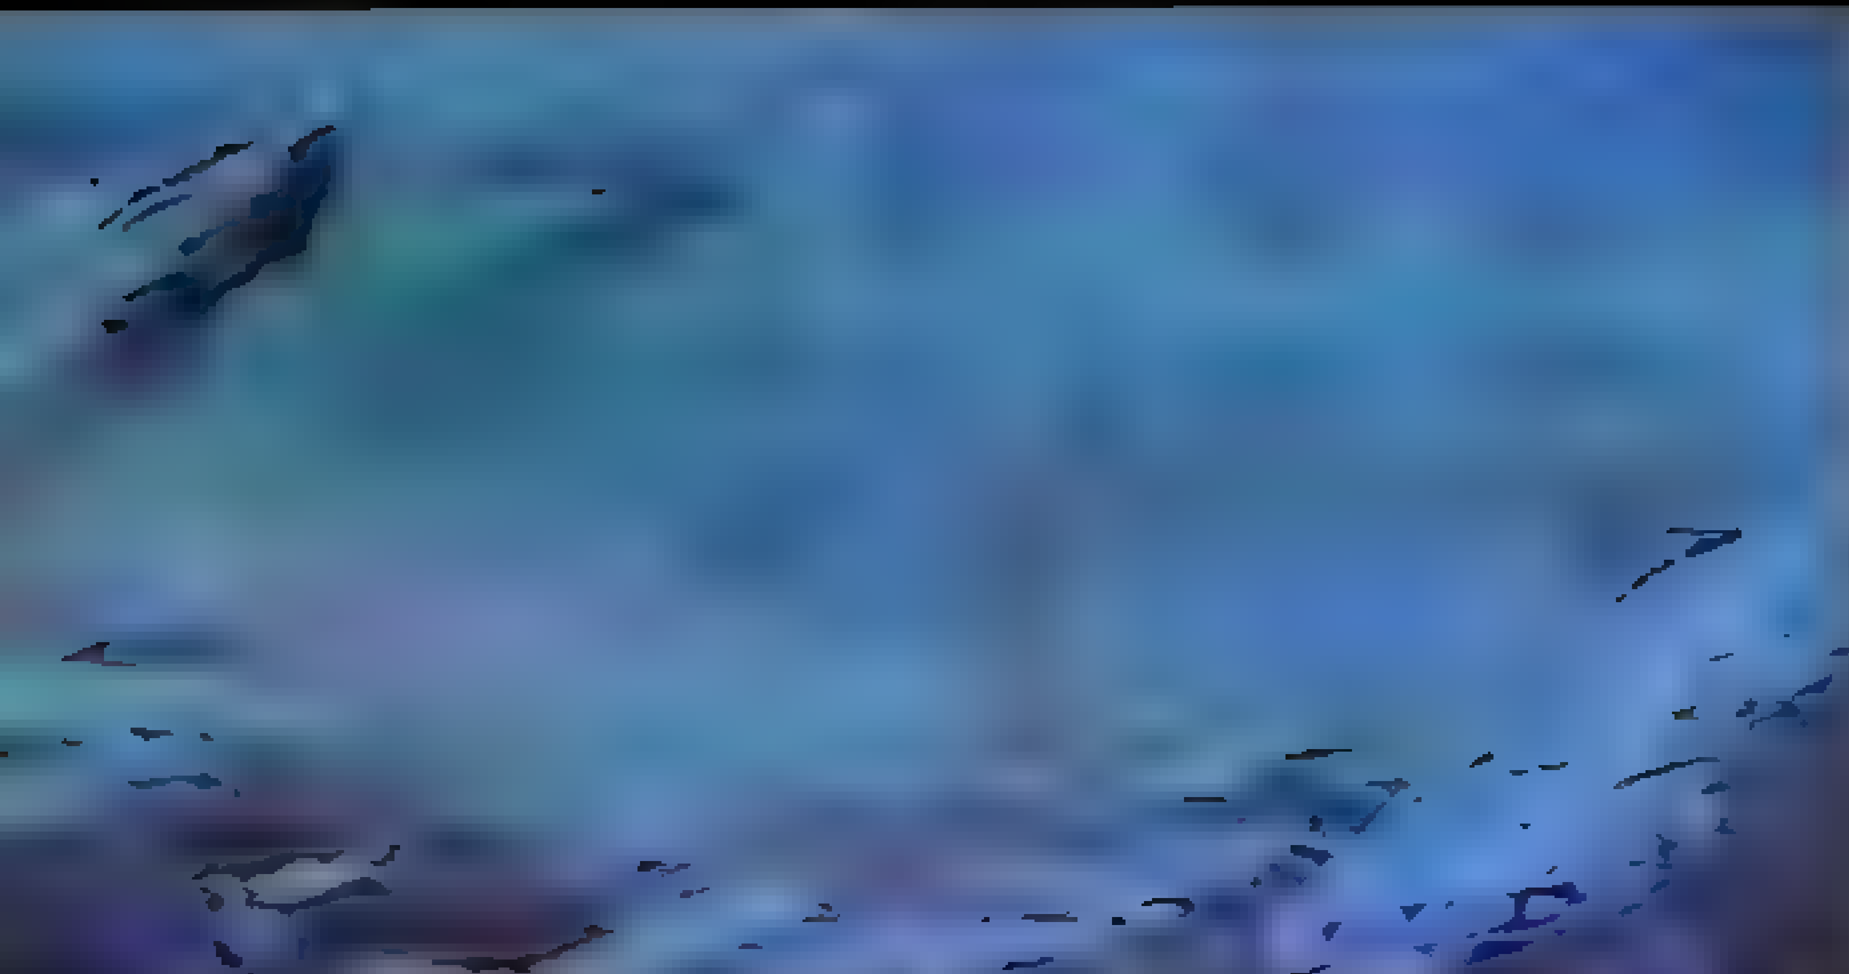

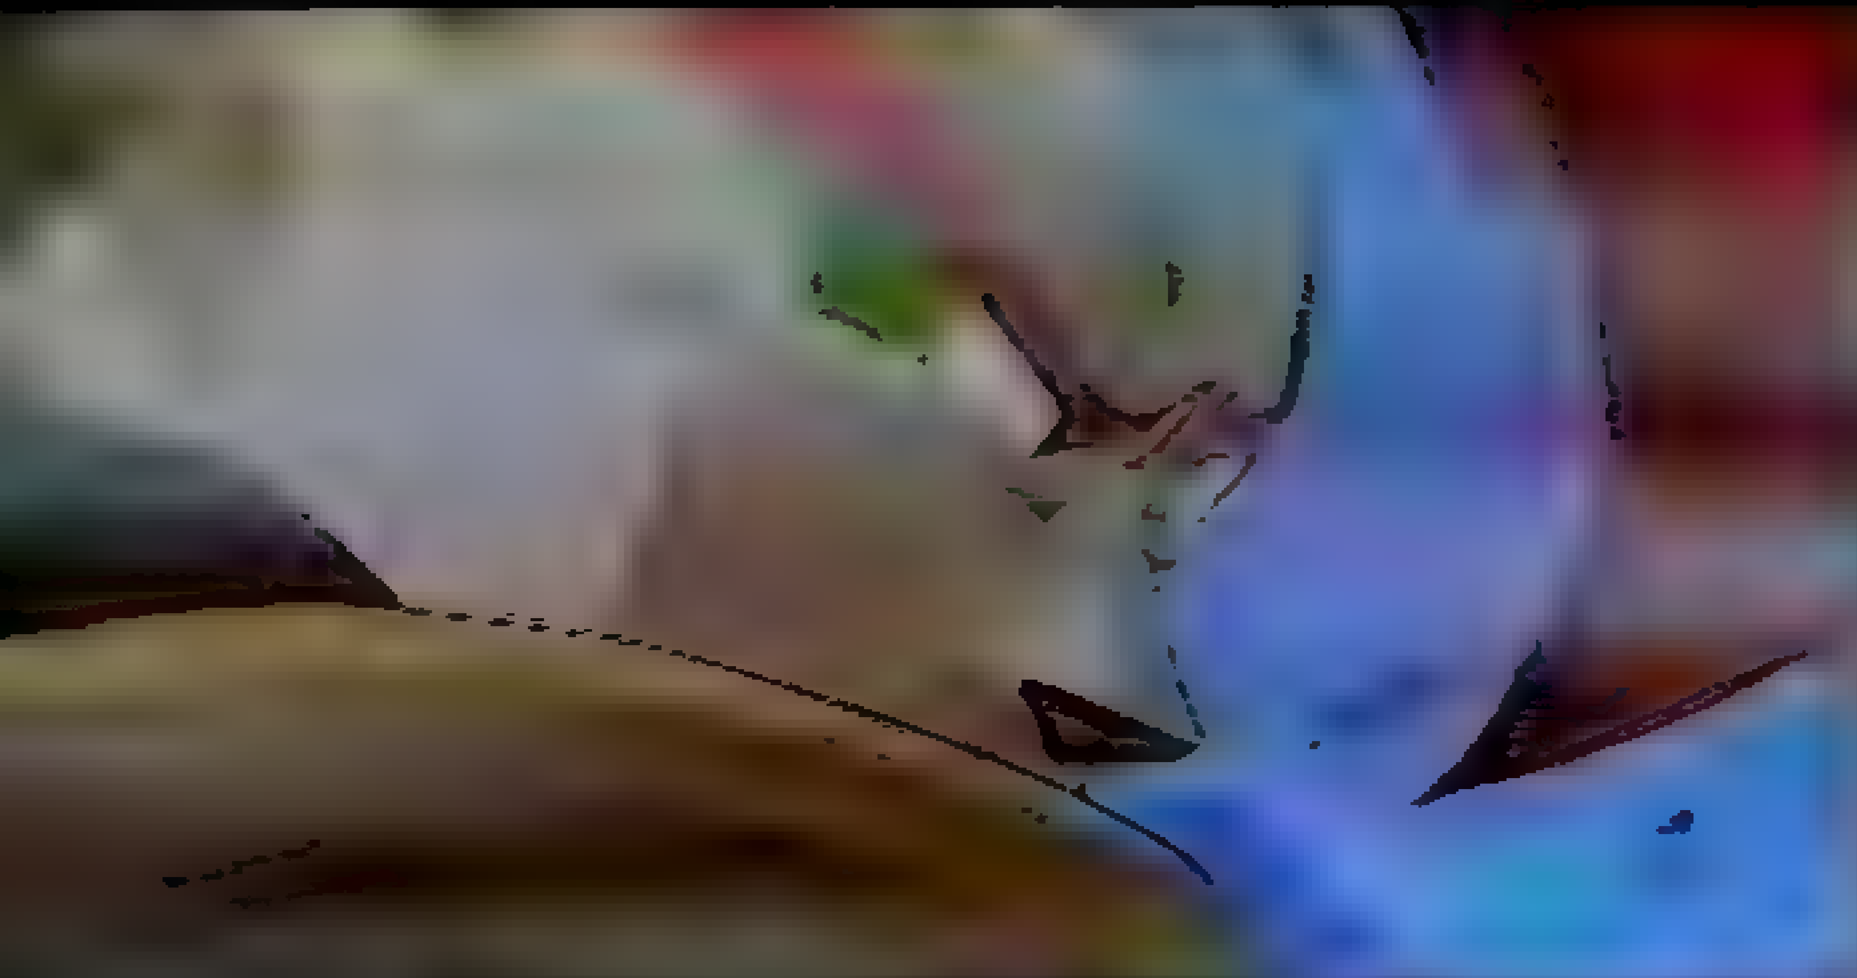

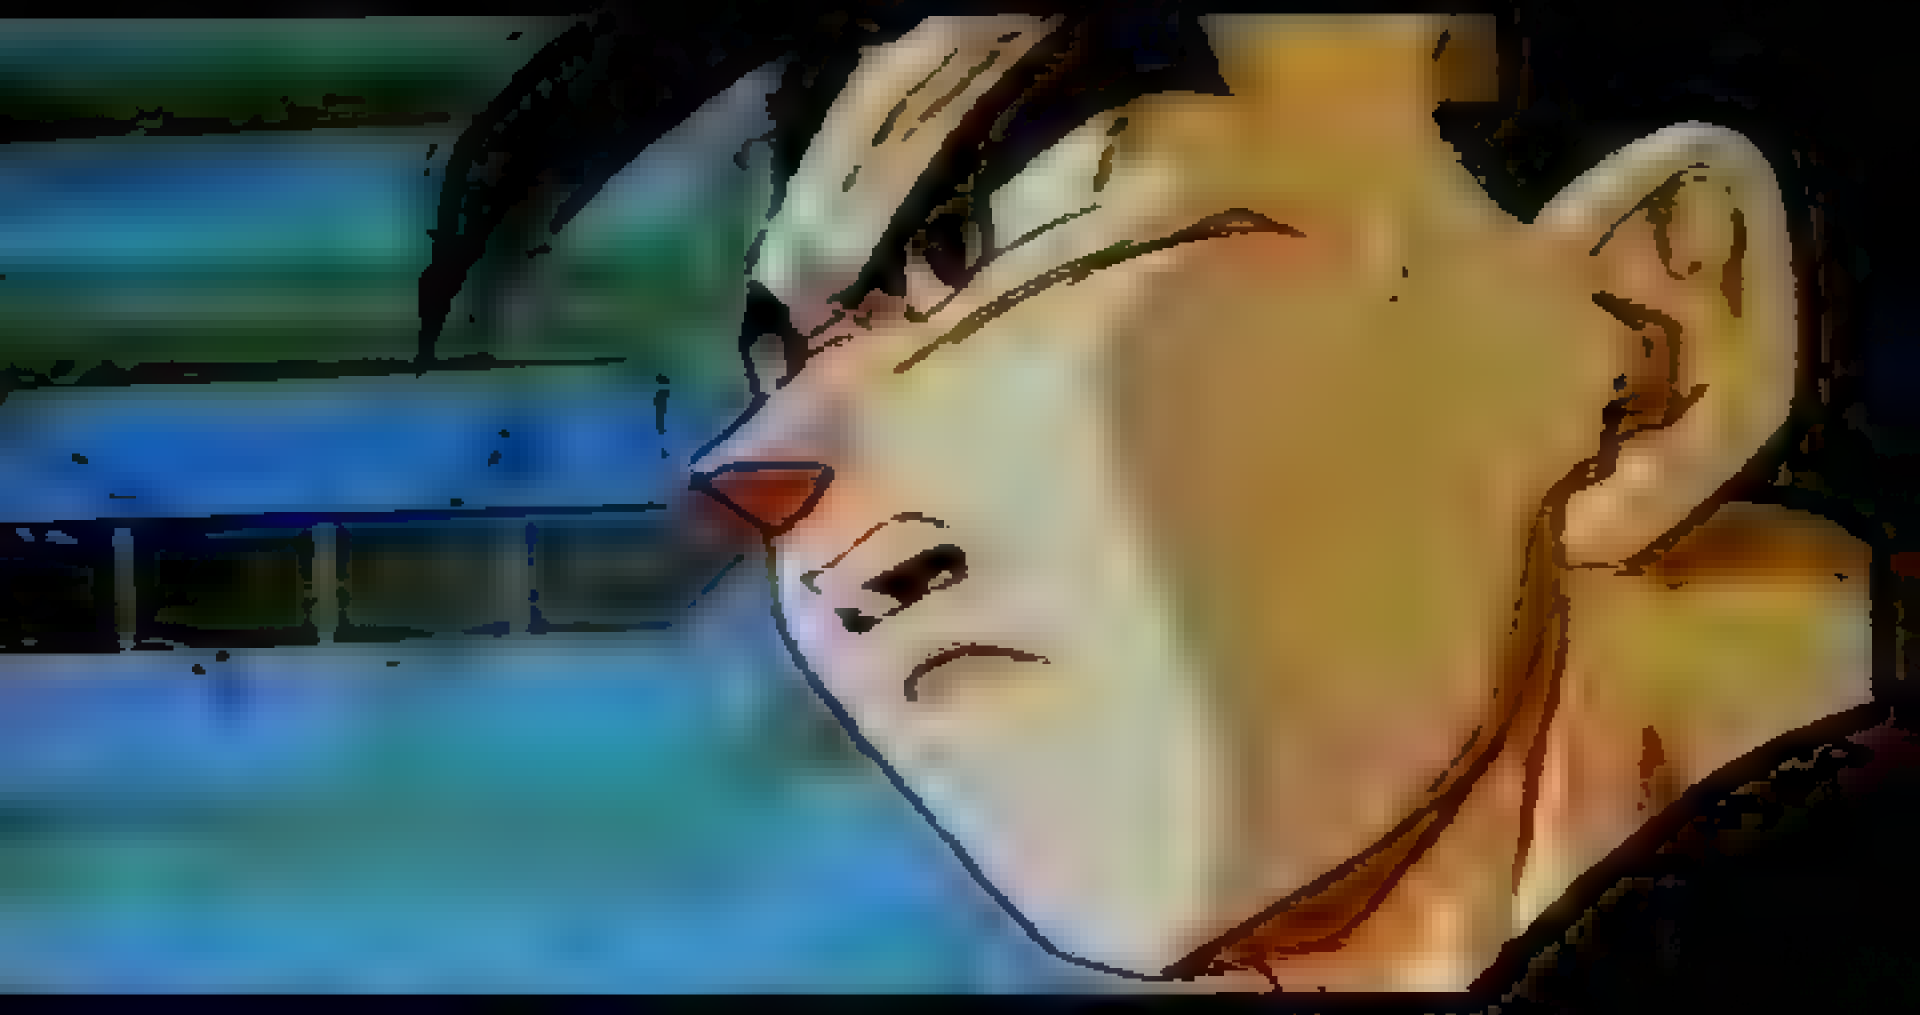

The monster is gone.

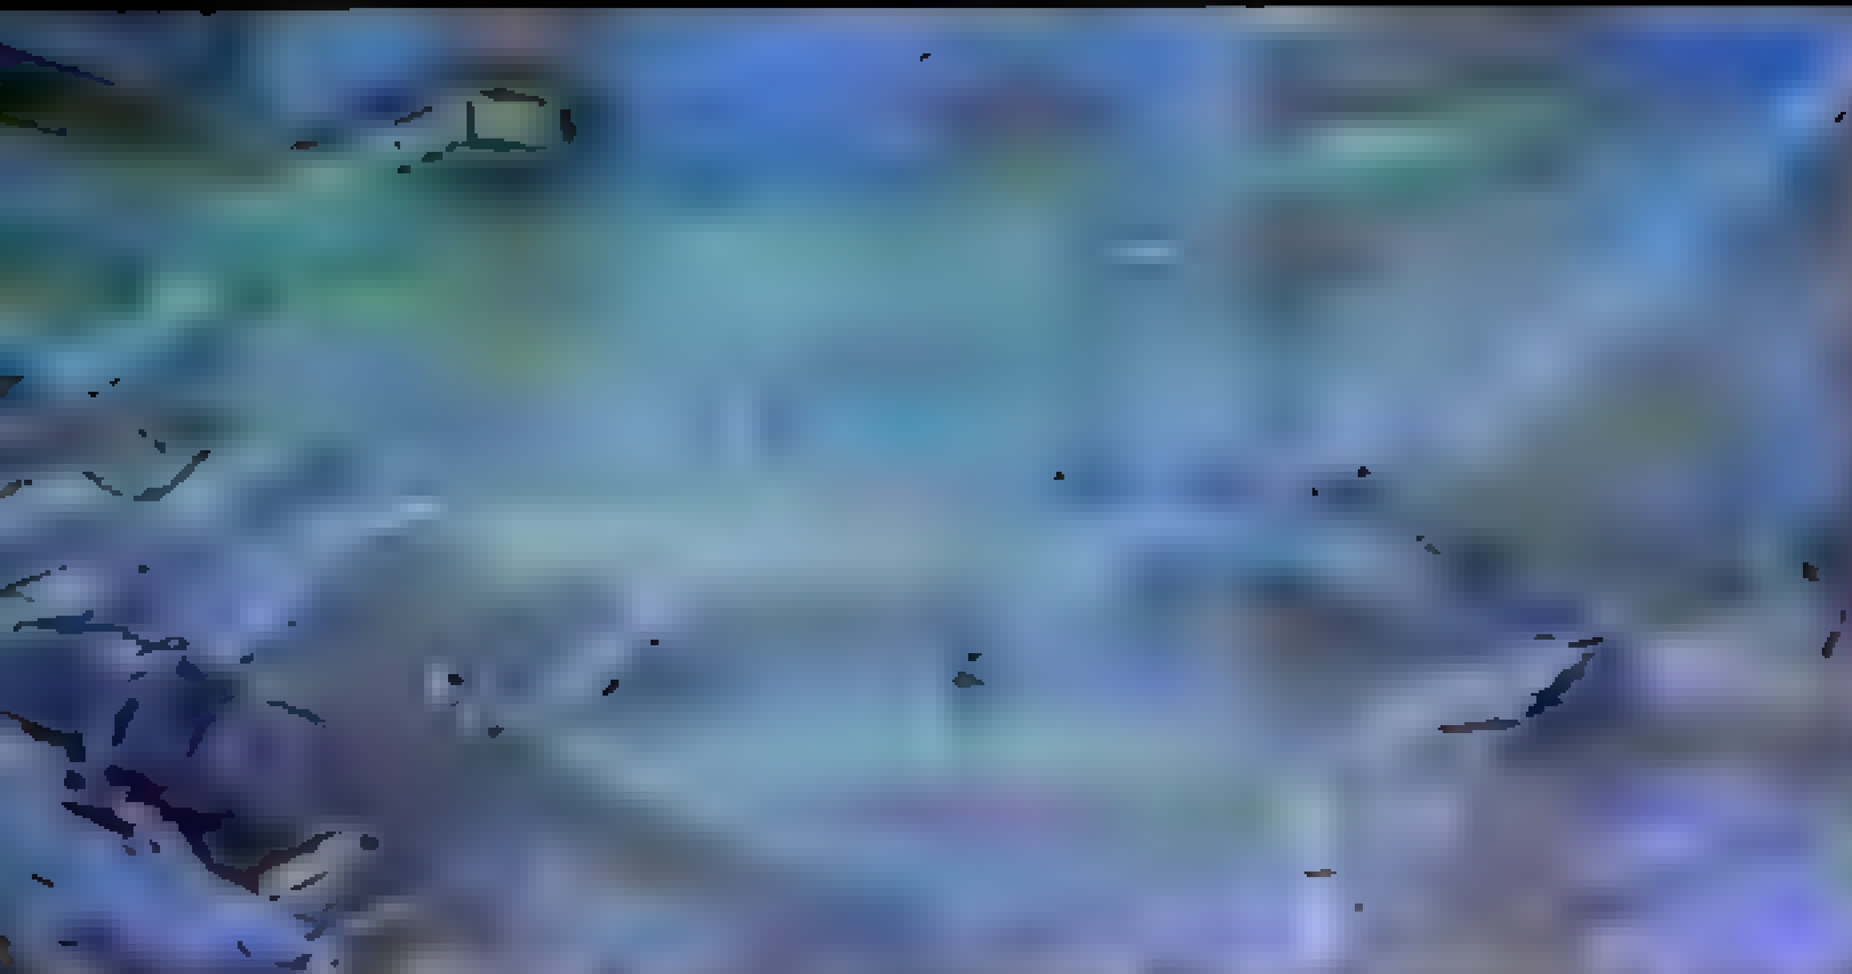

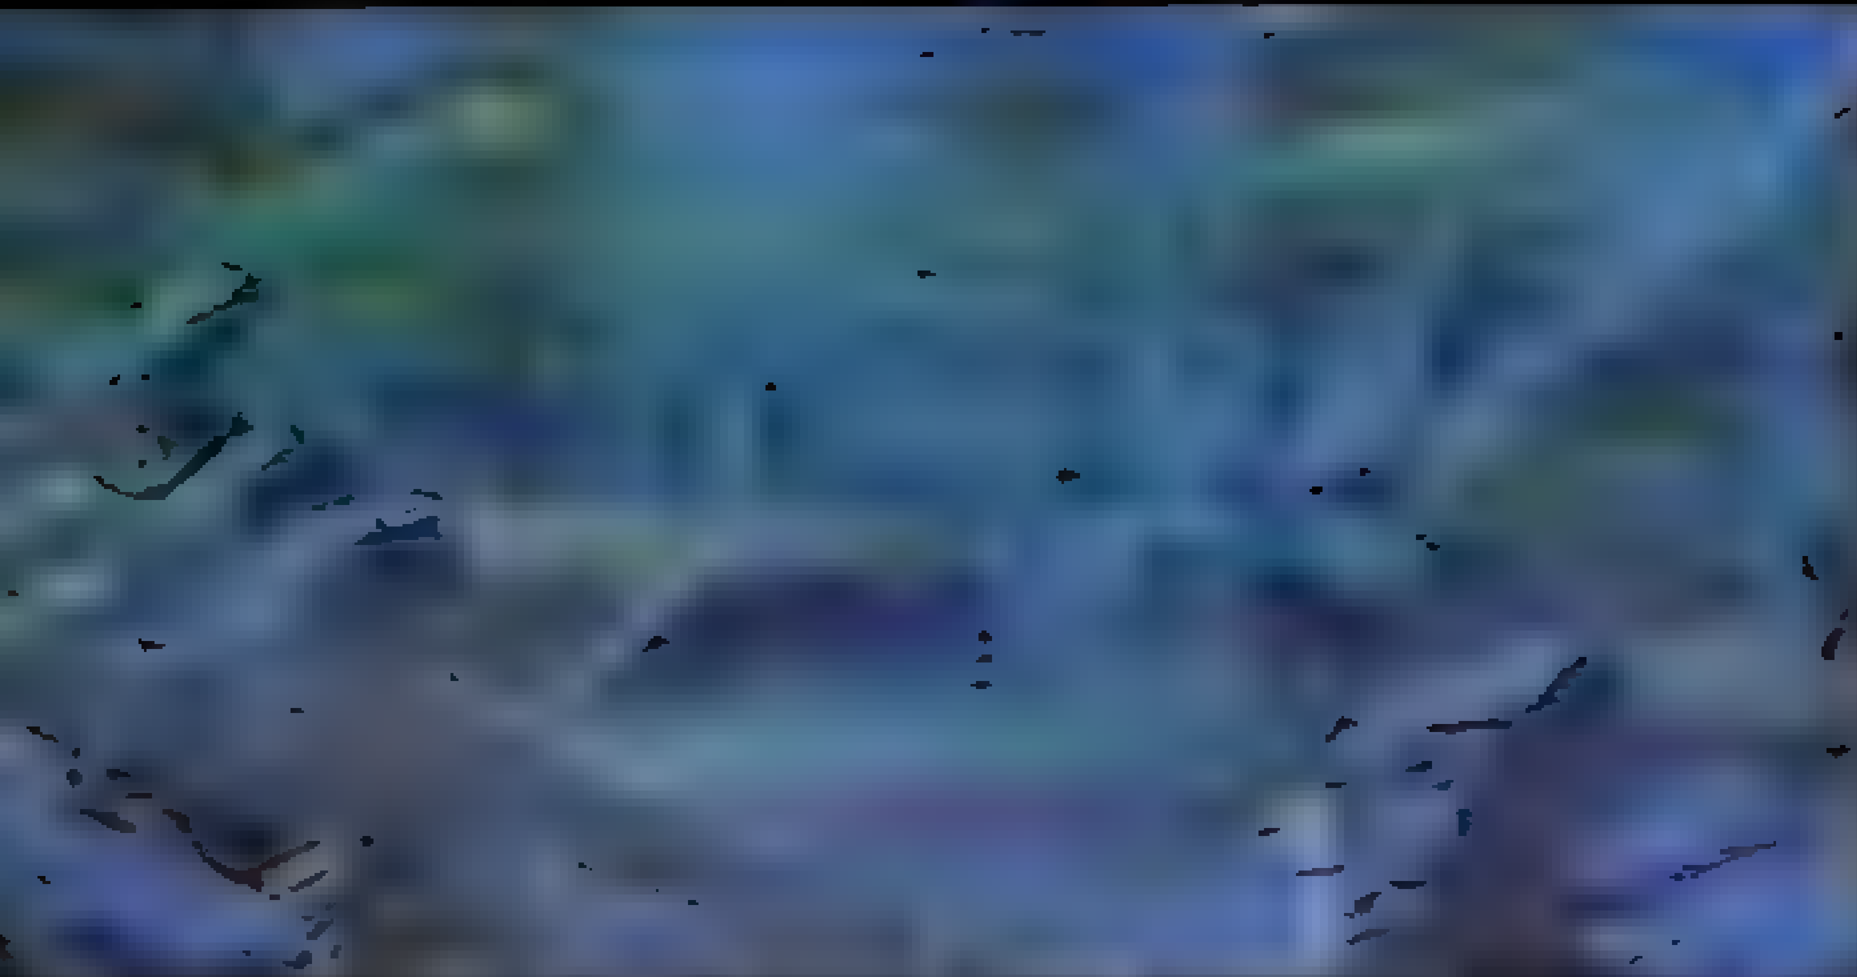

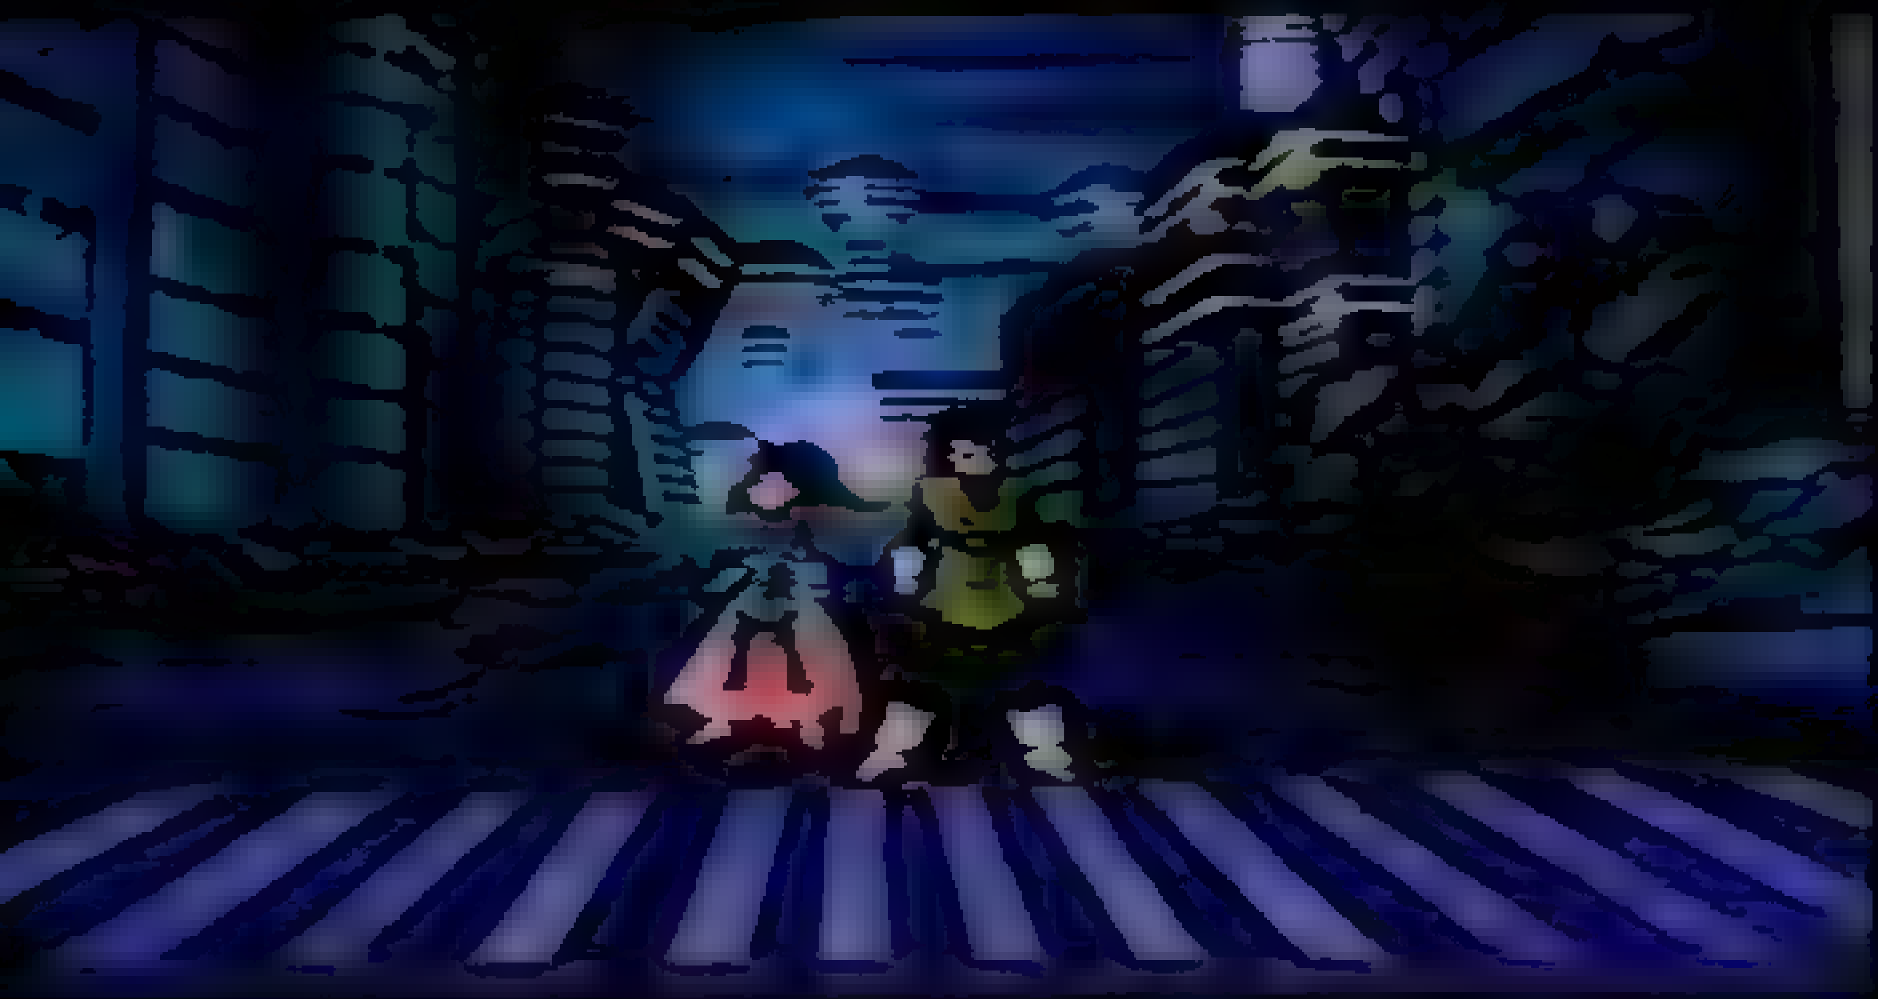

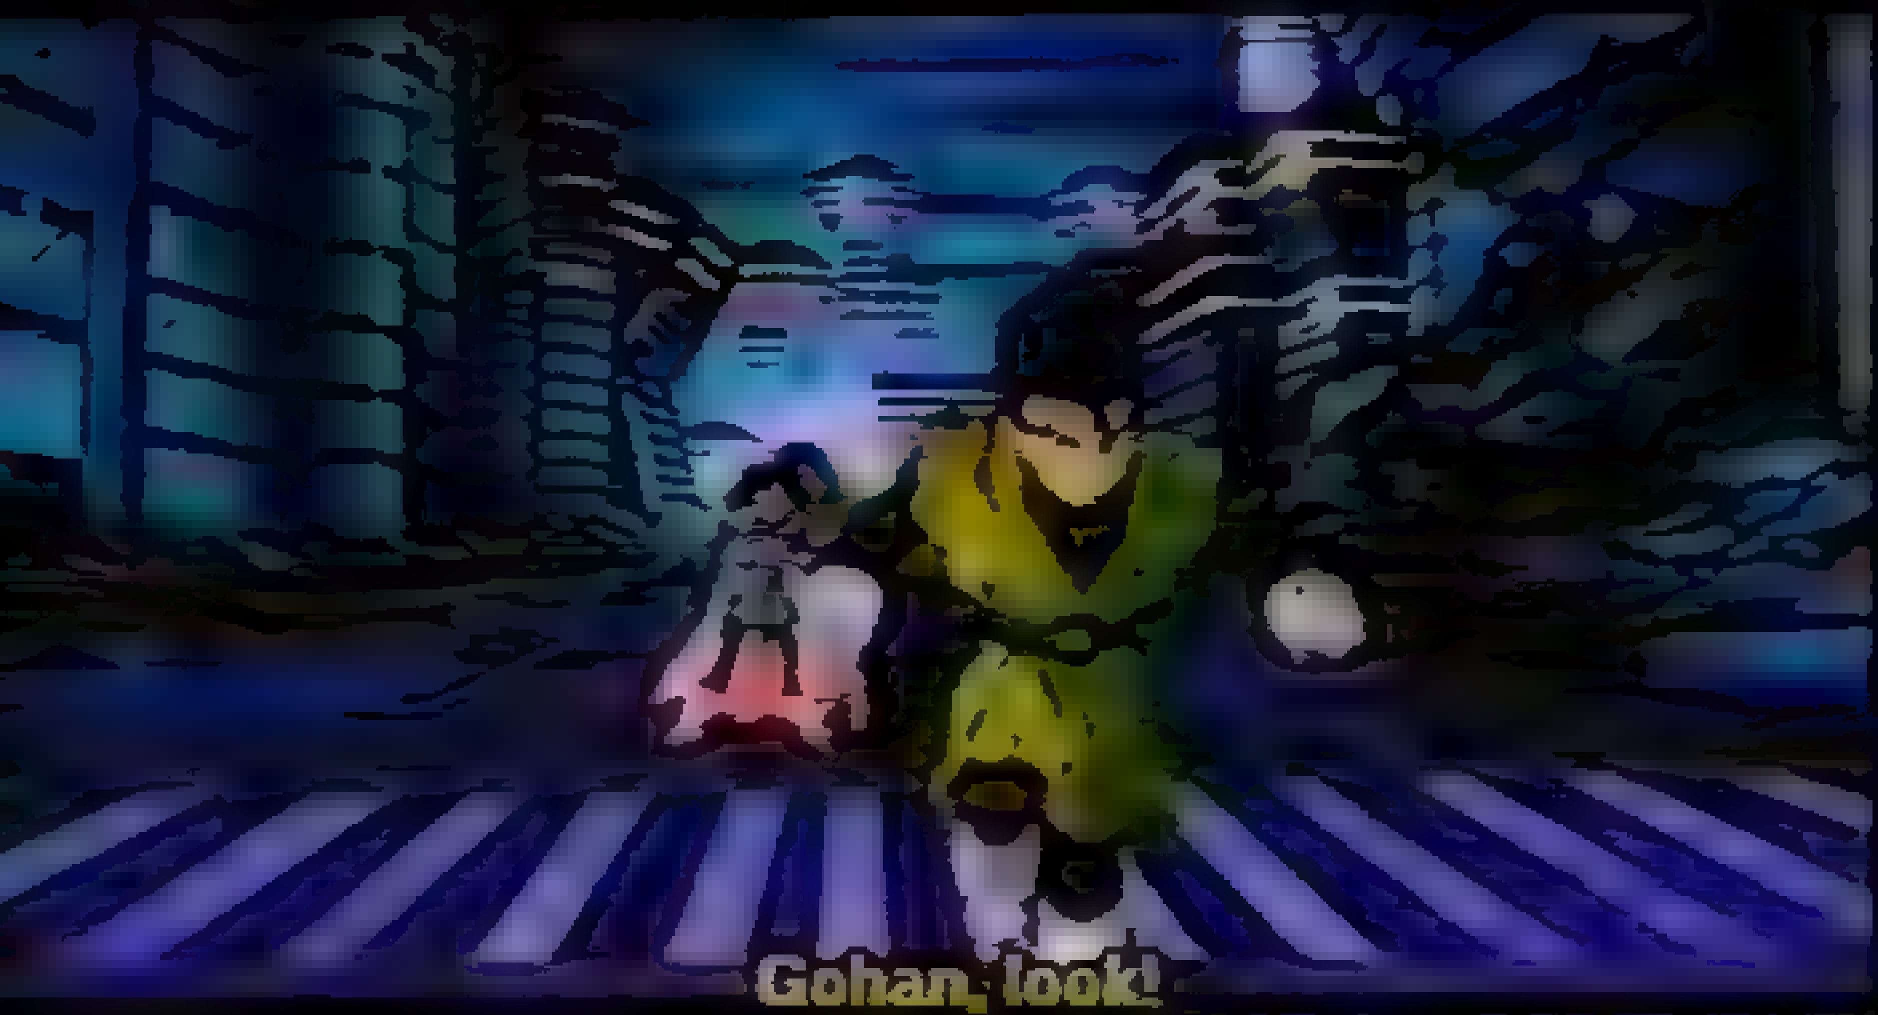

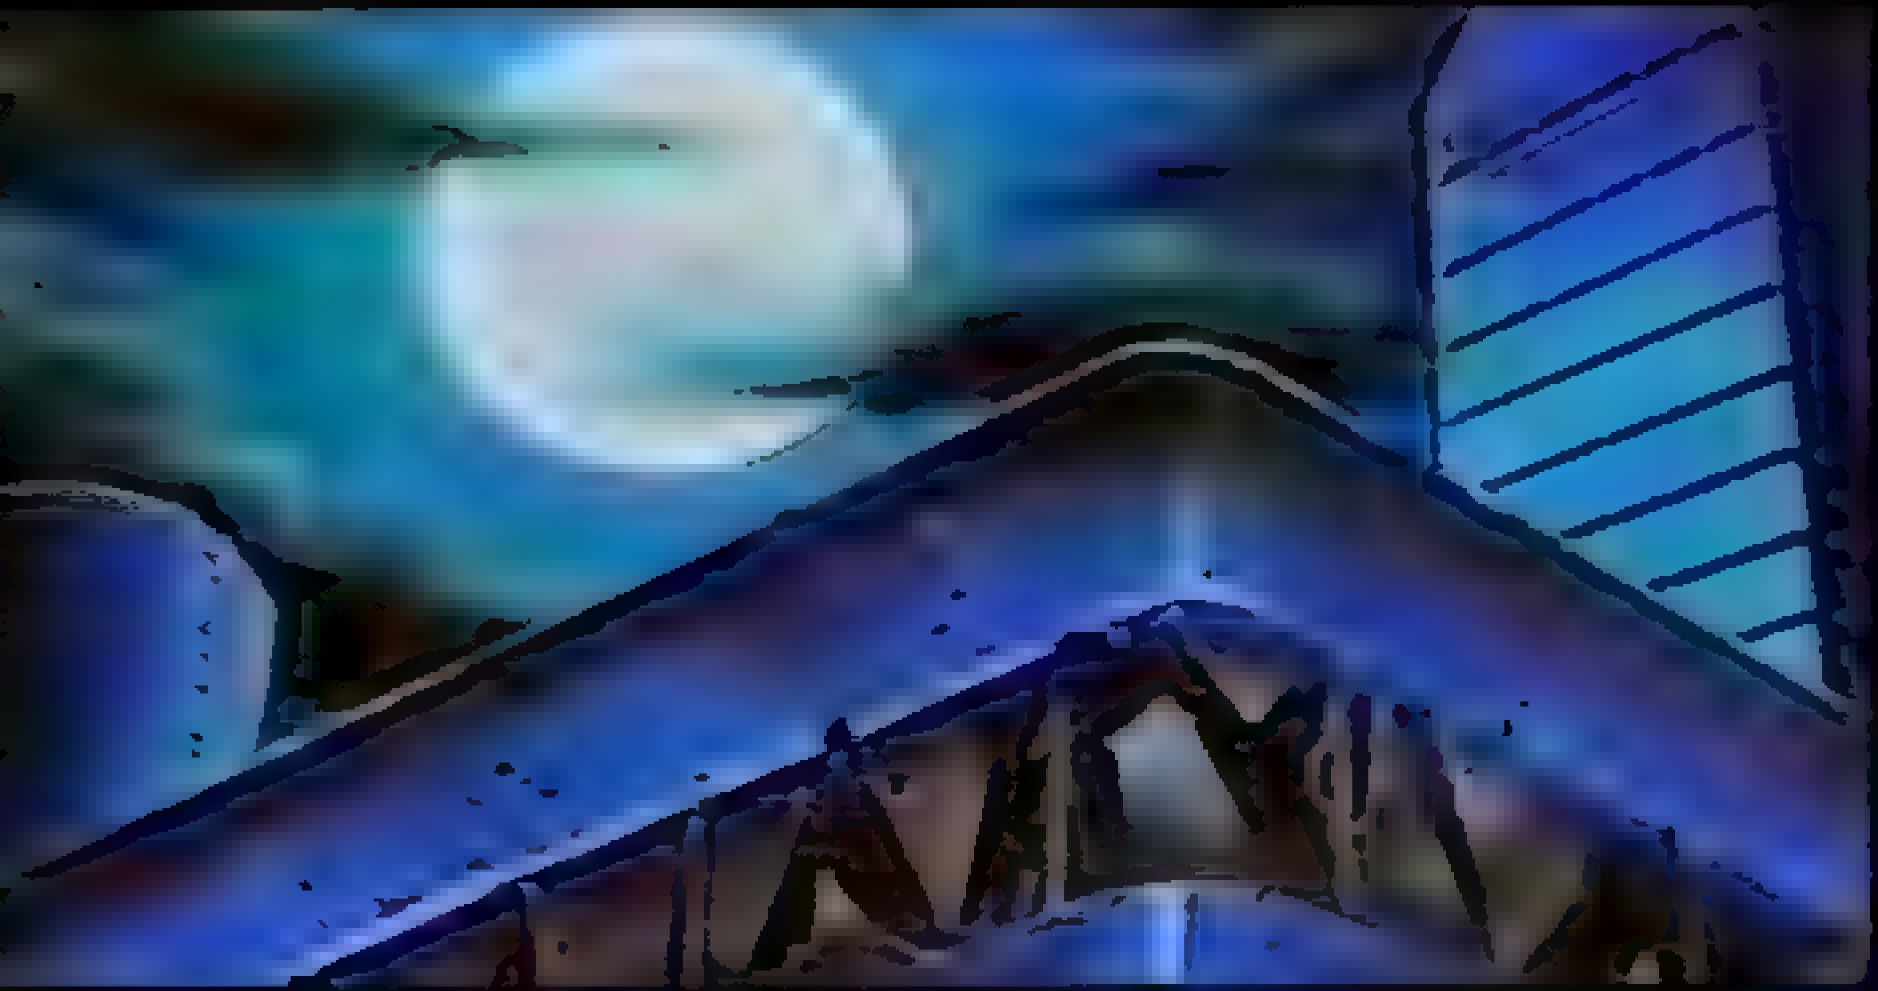

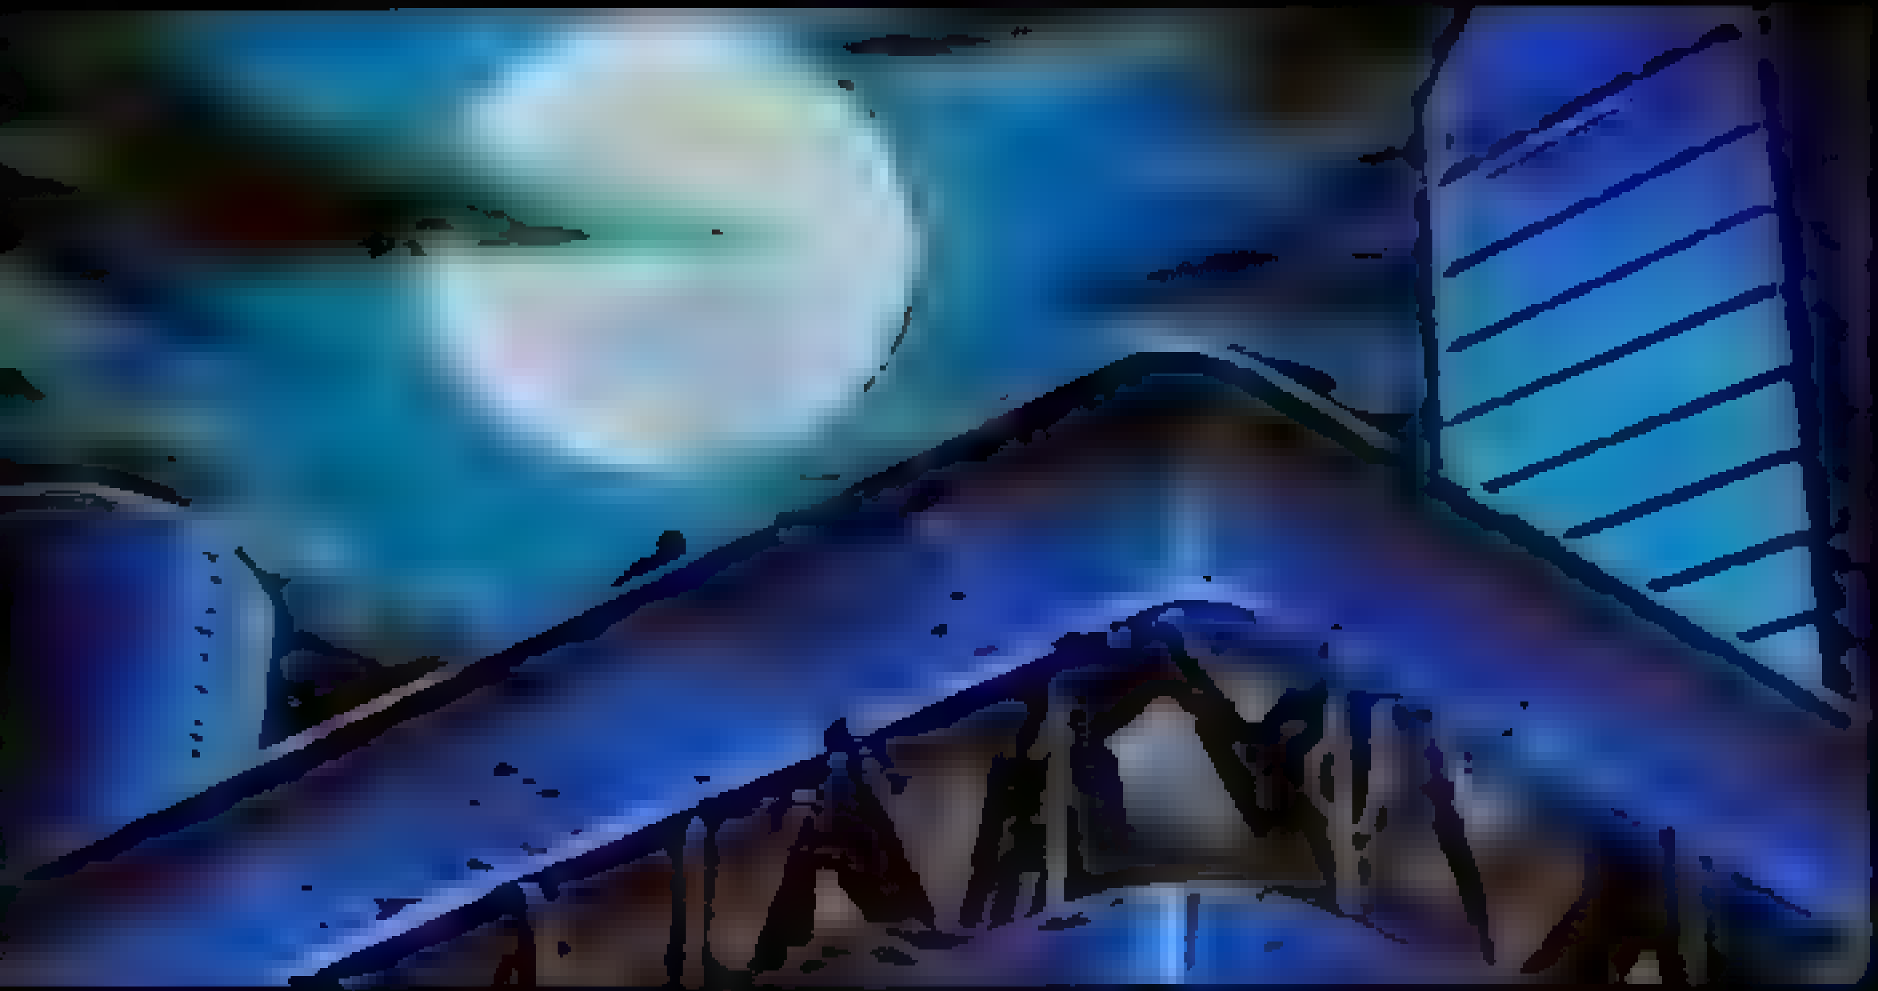

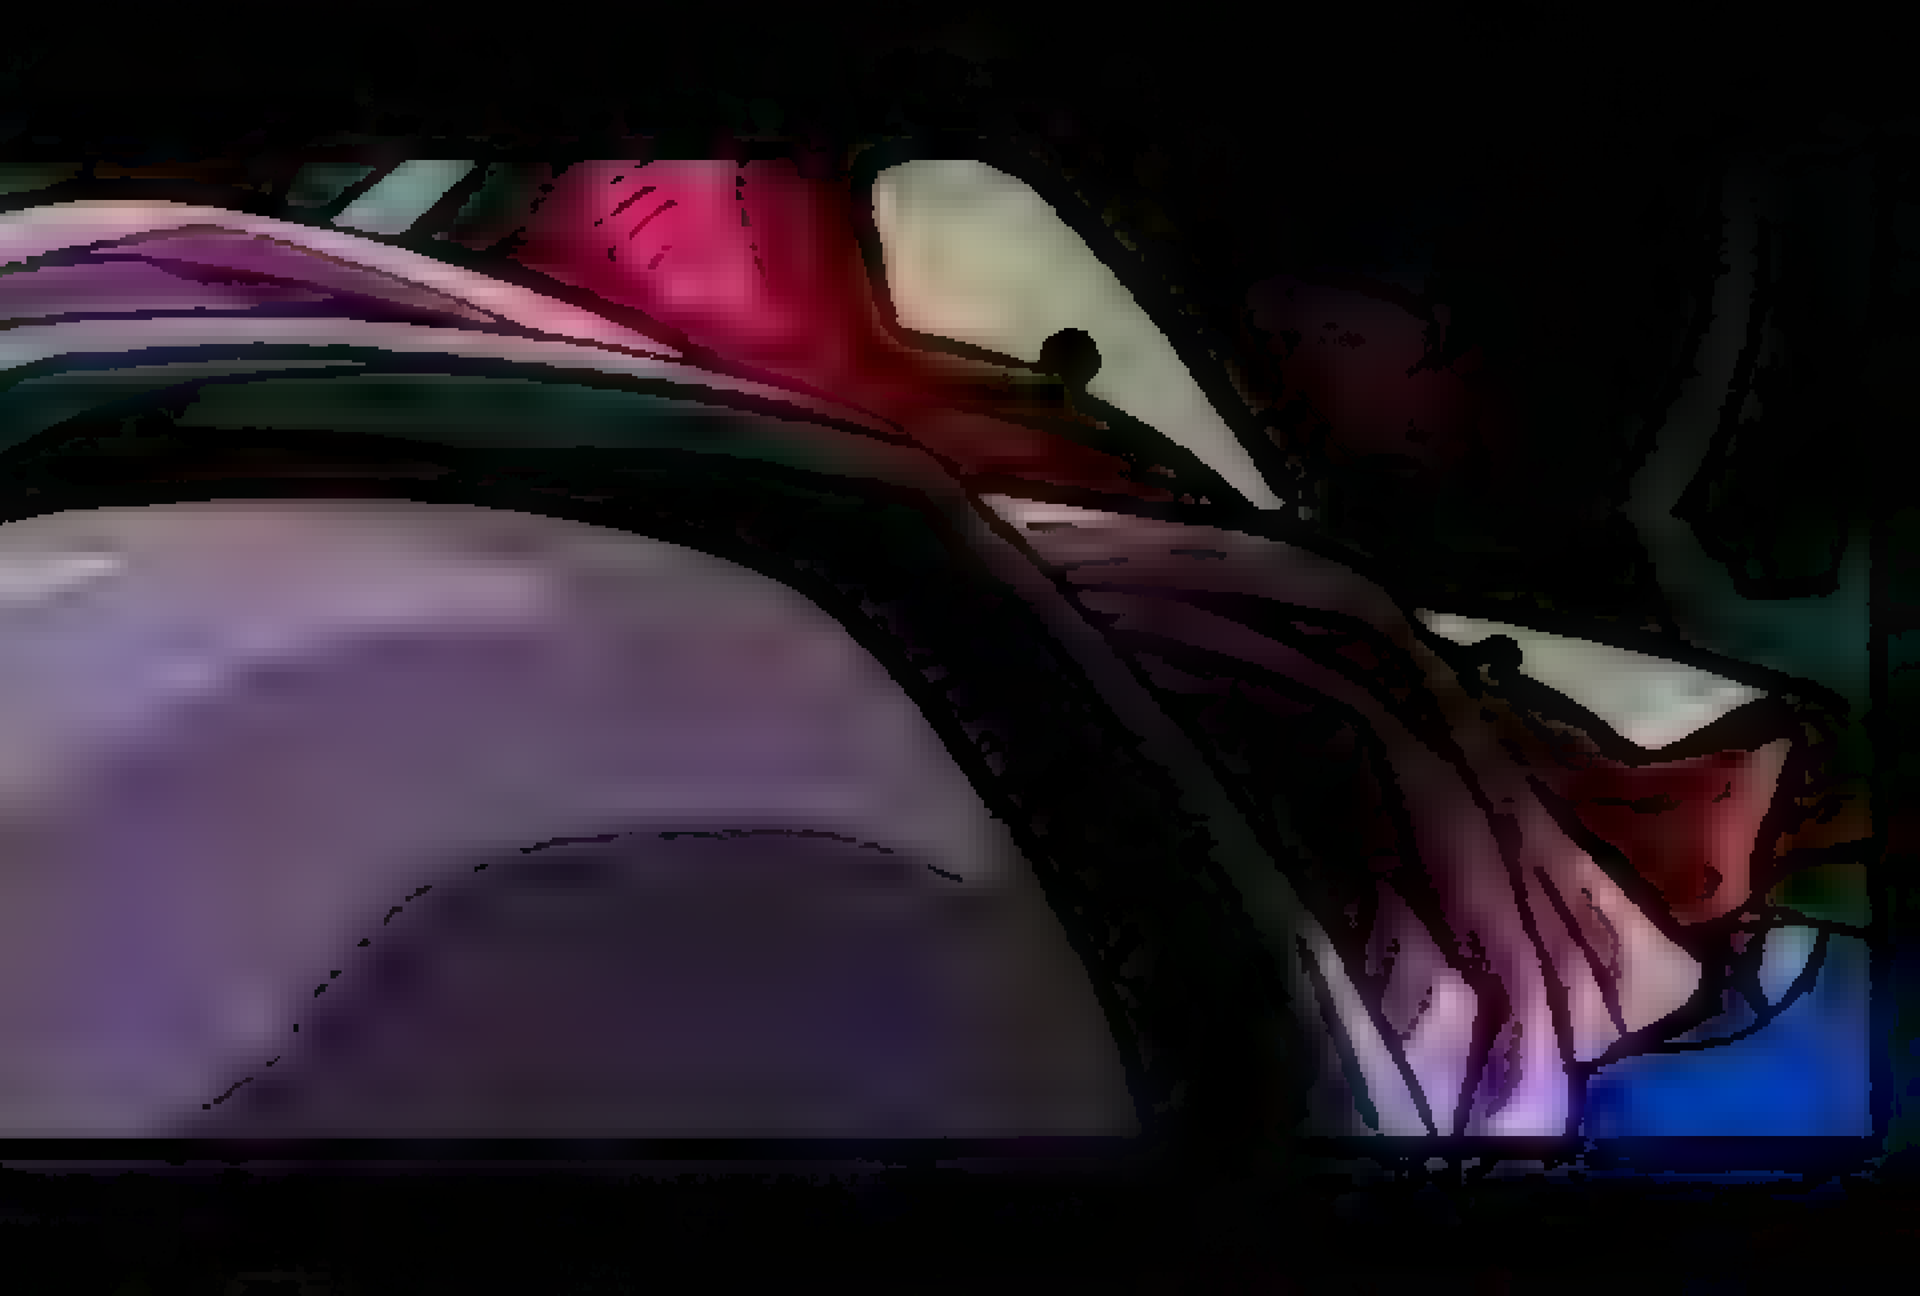

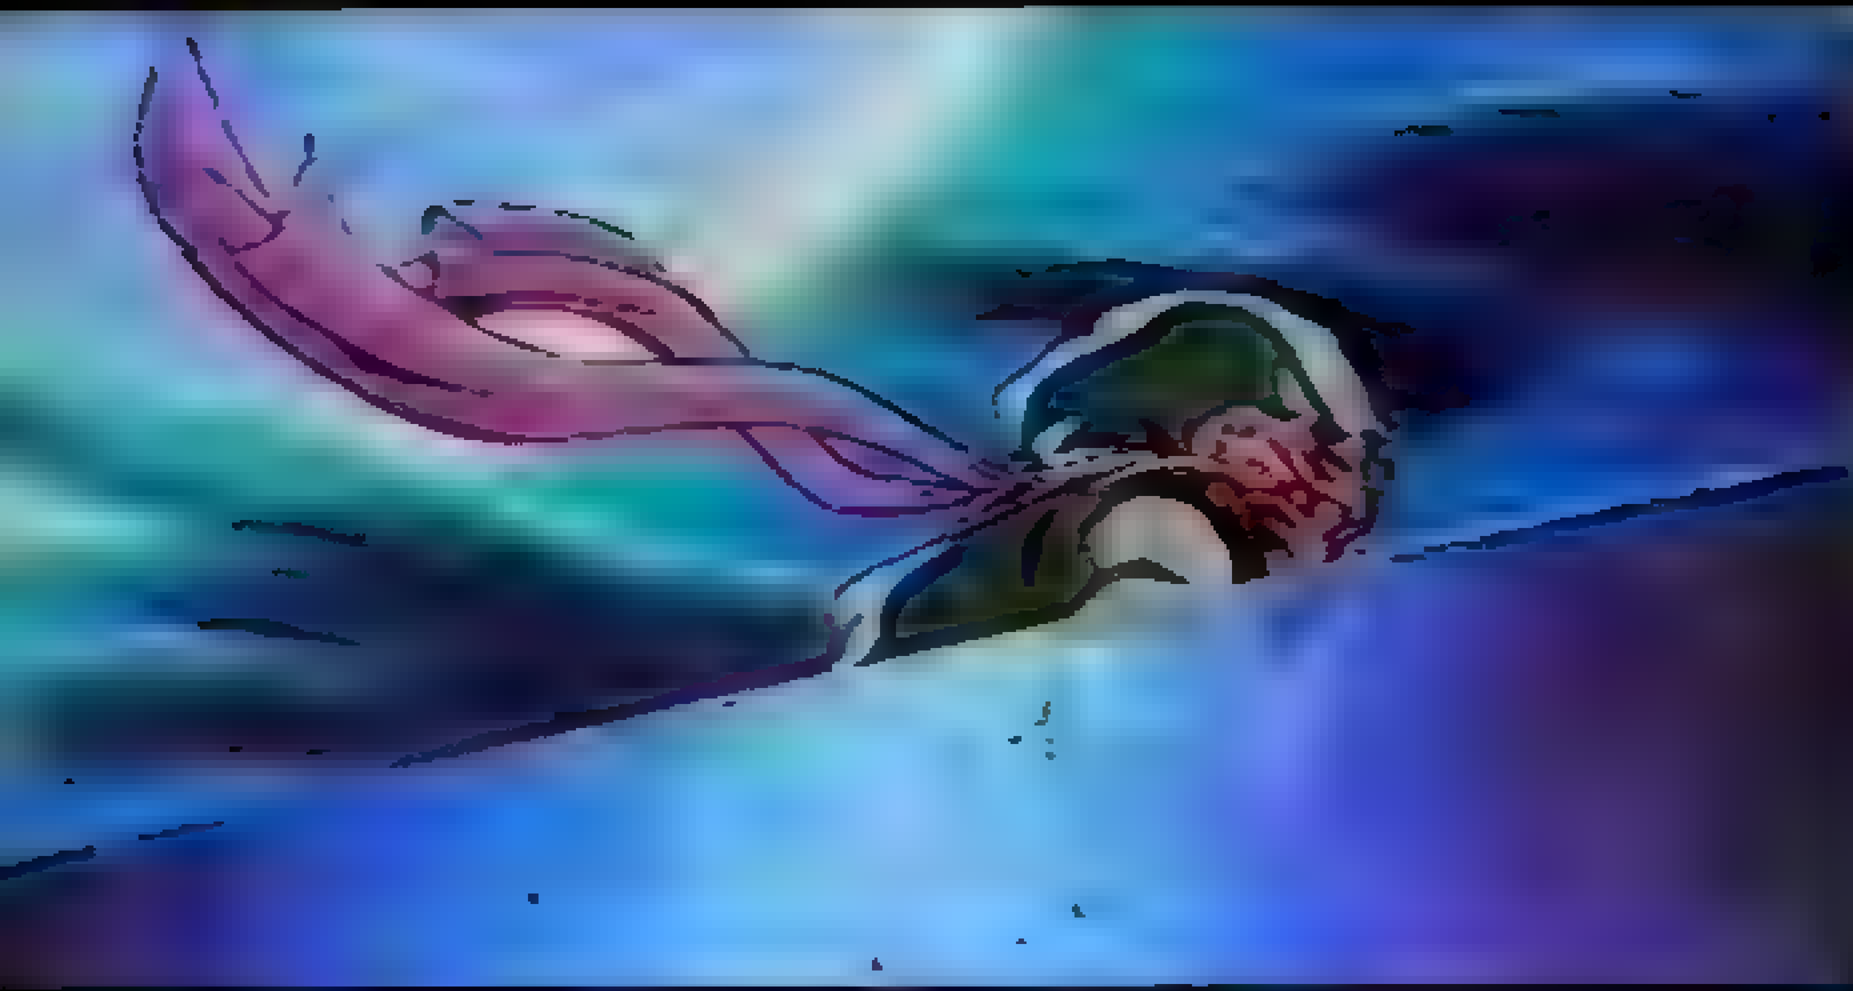

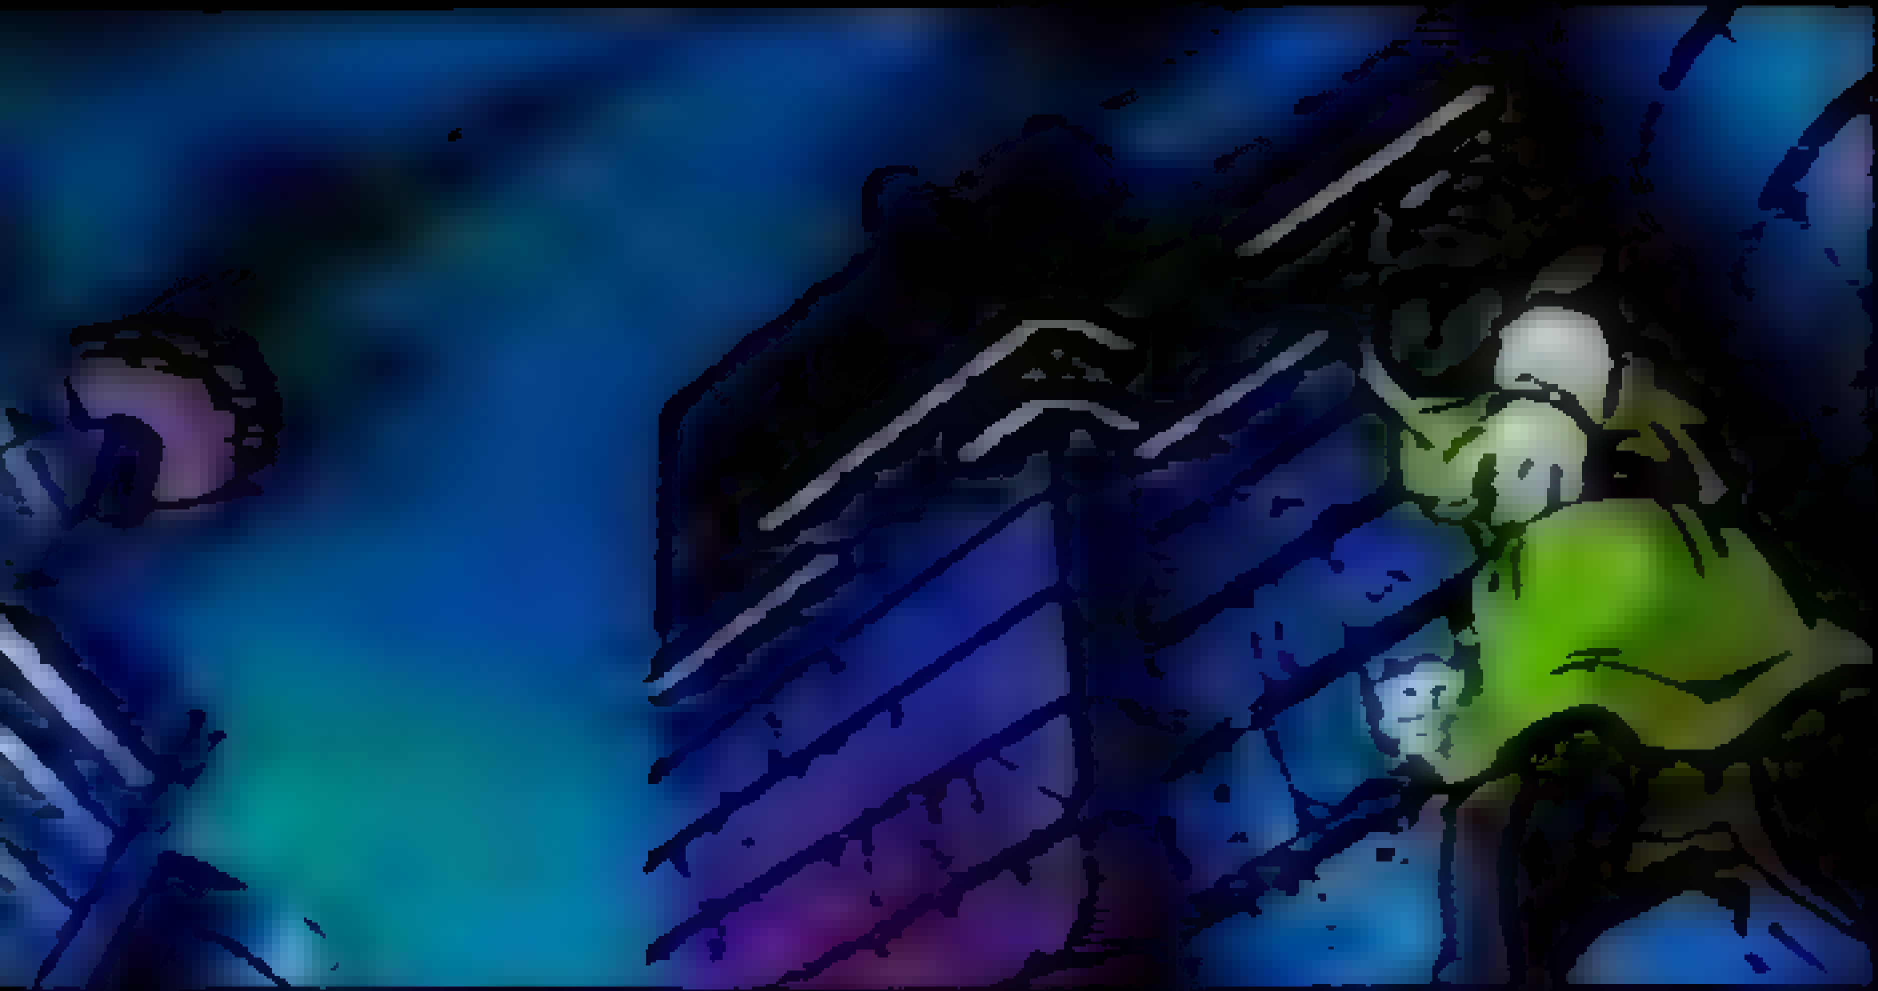

Gohan, look!

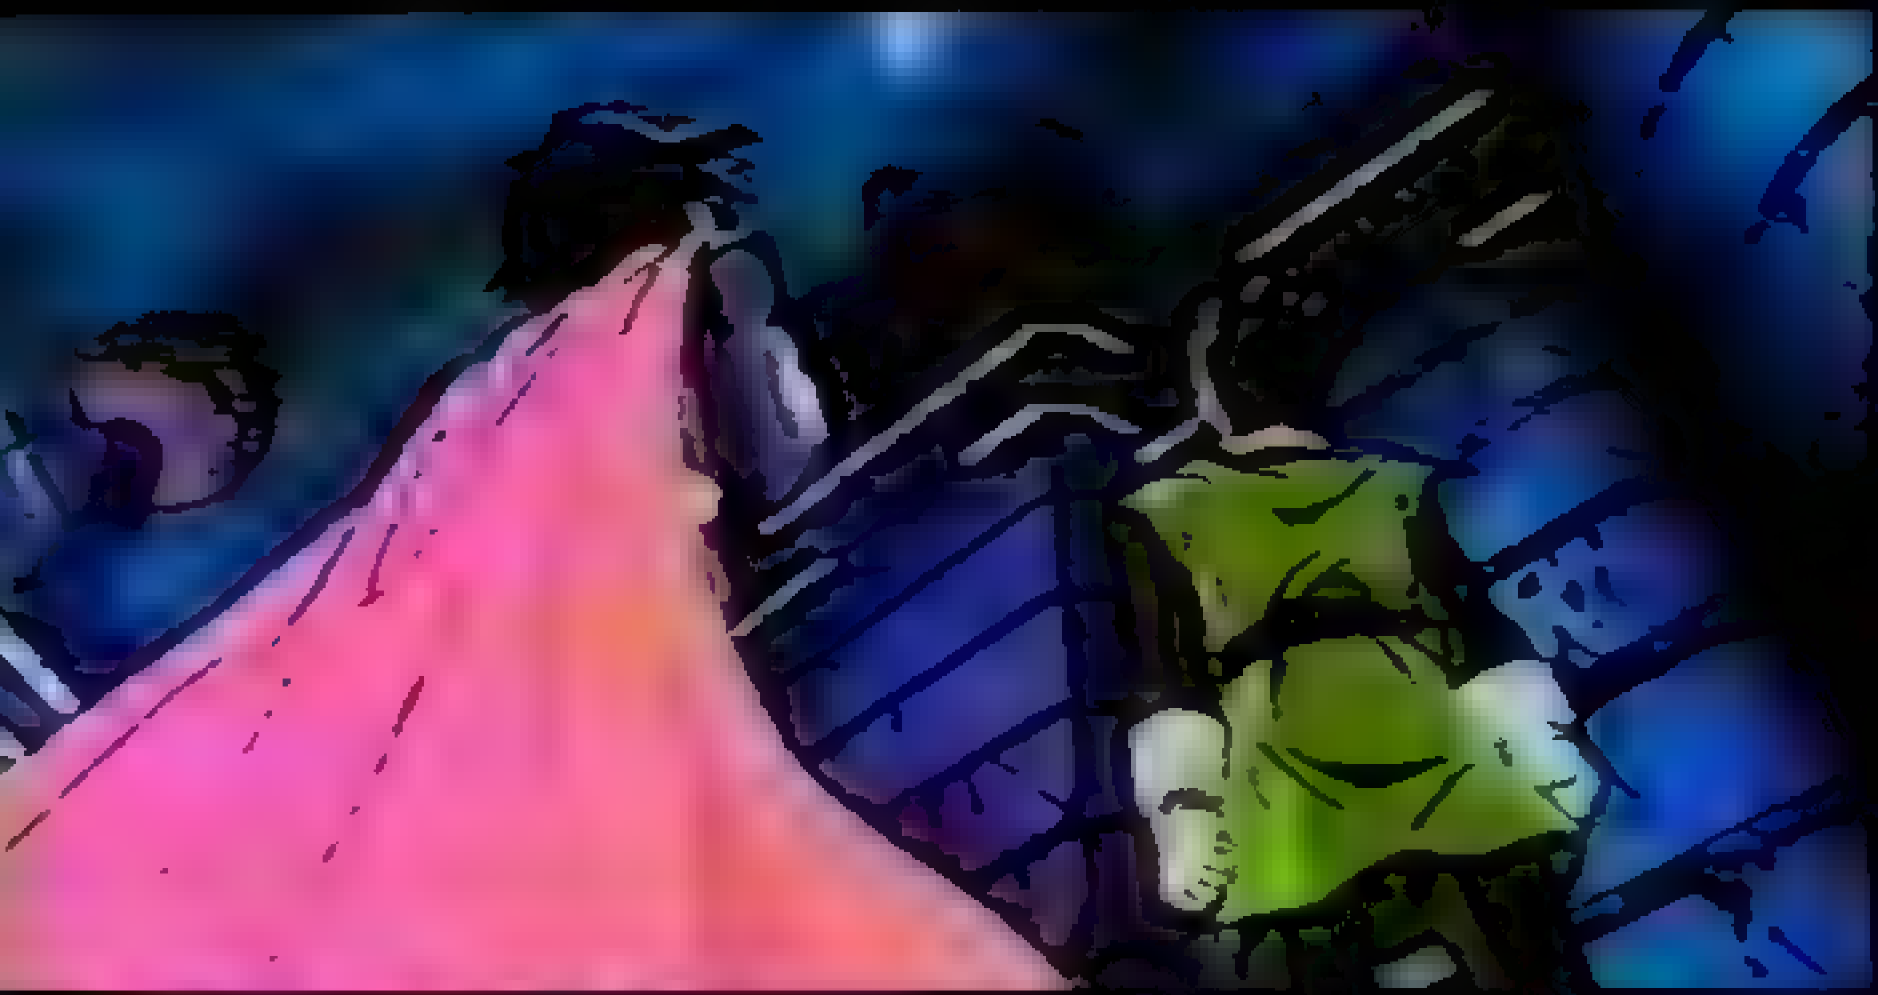

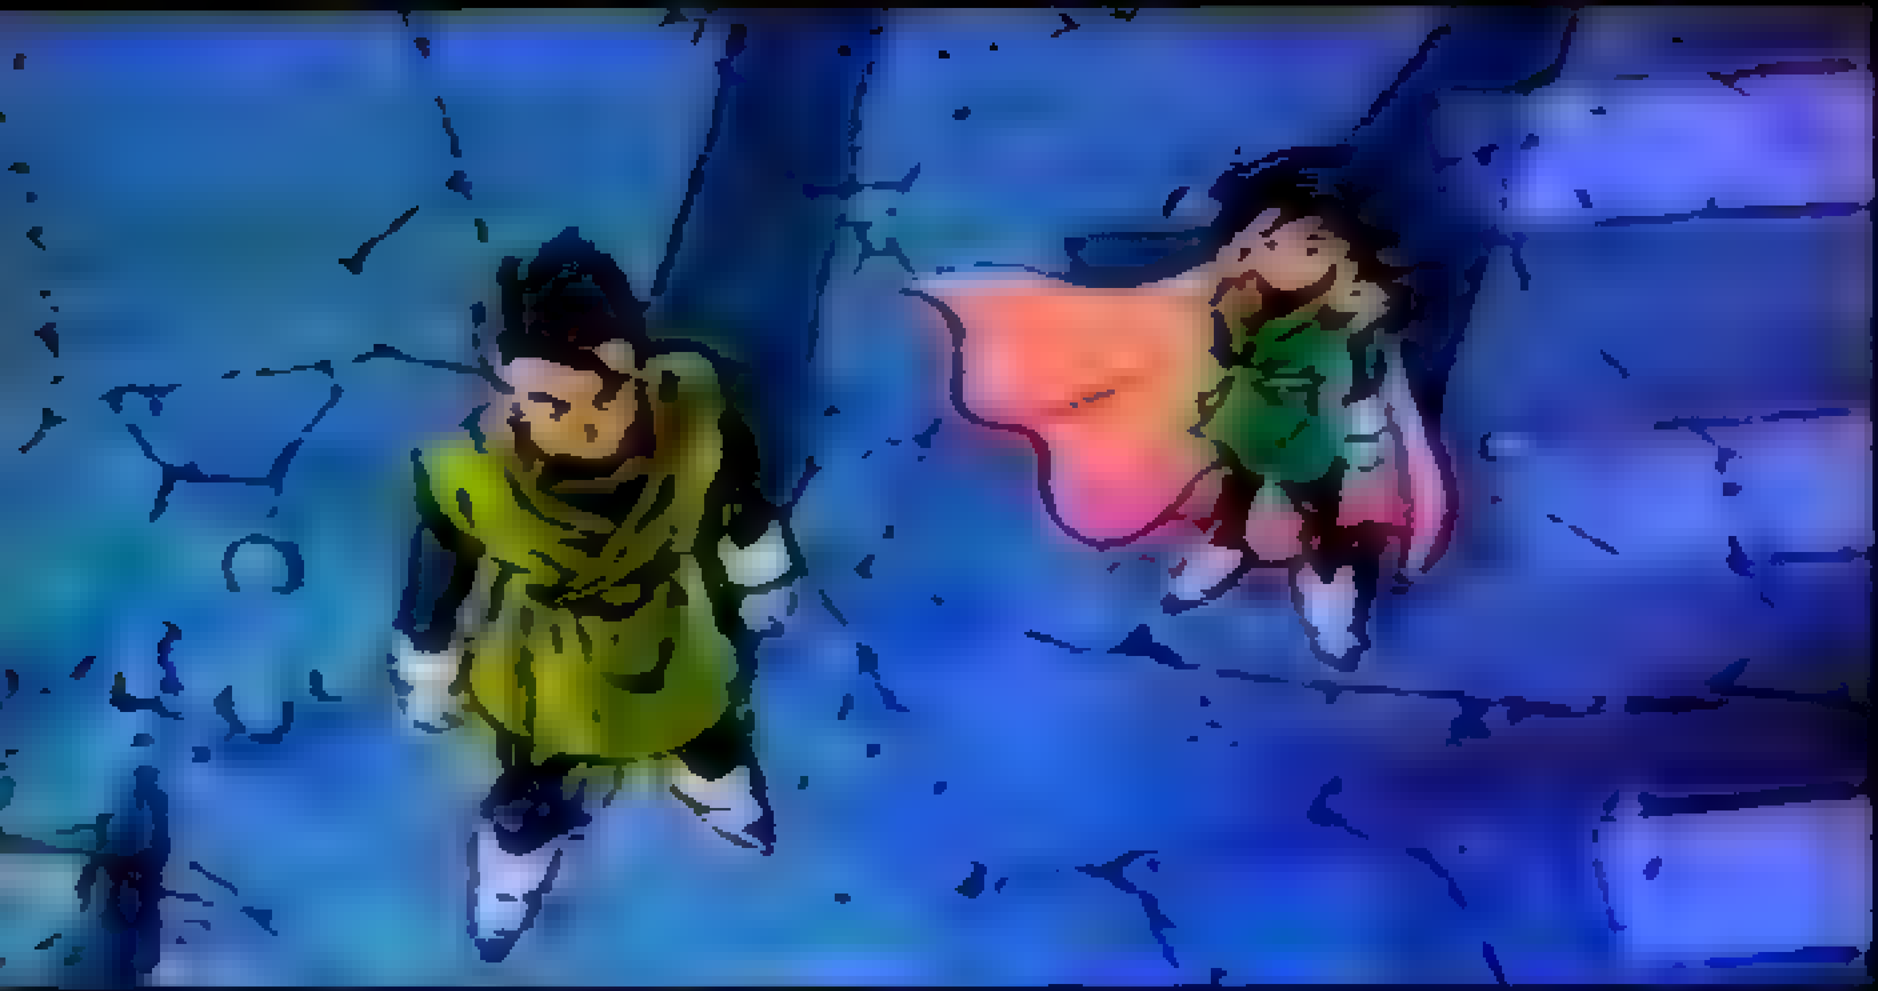

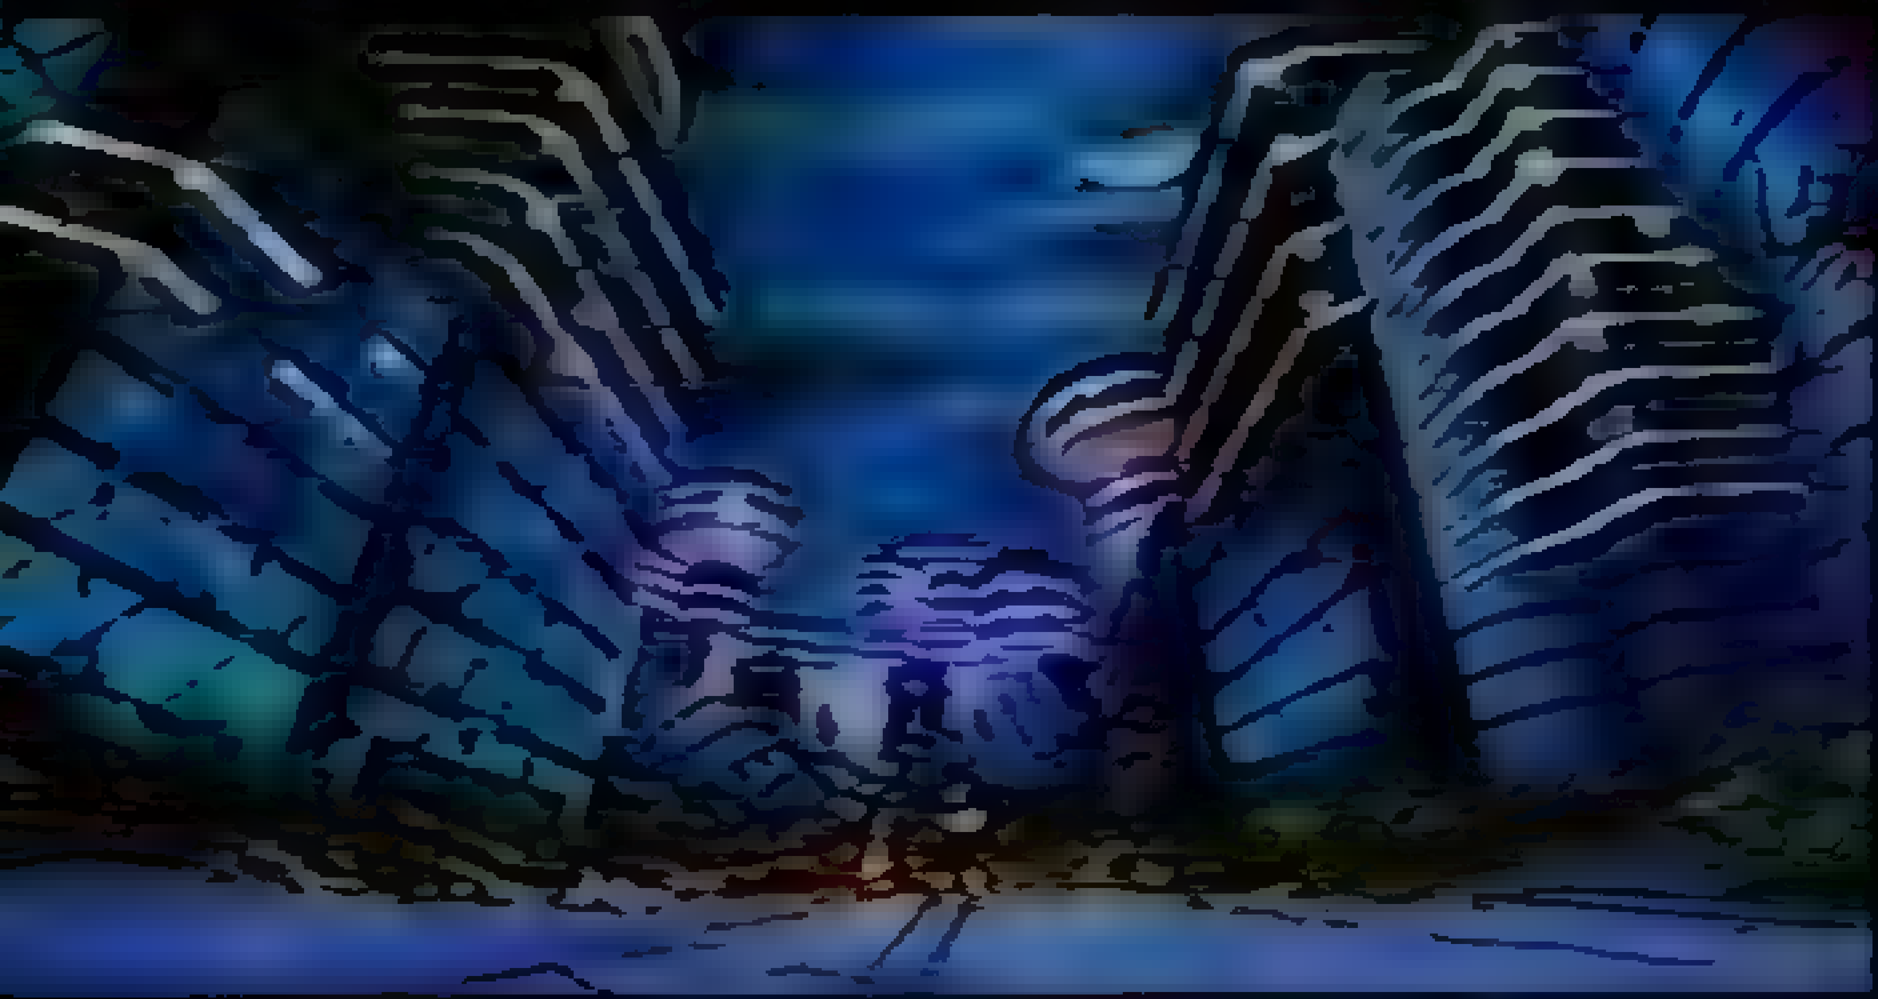

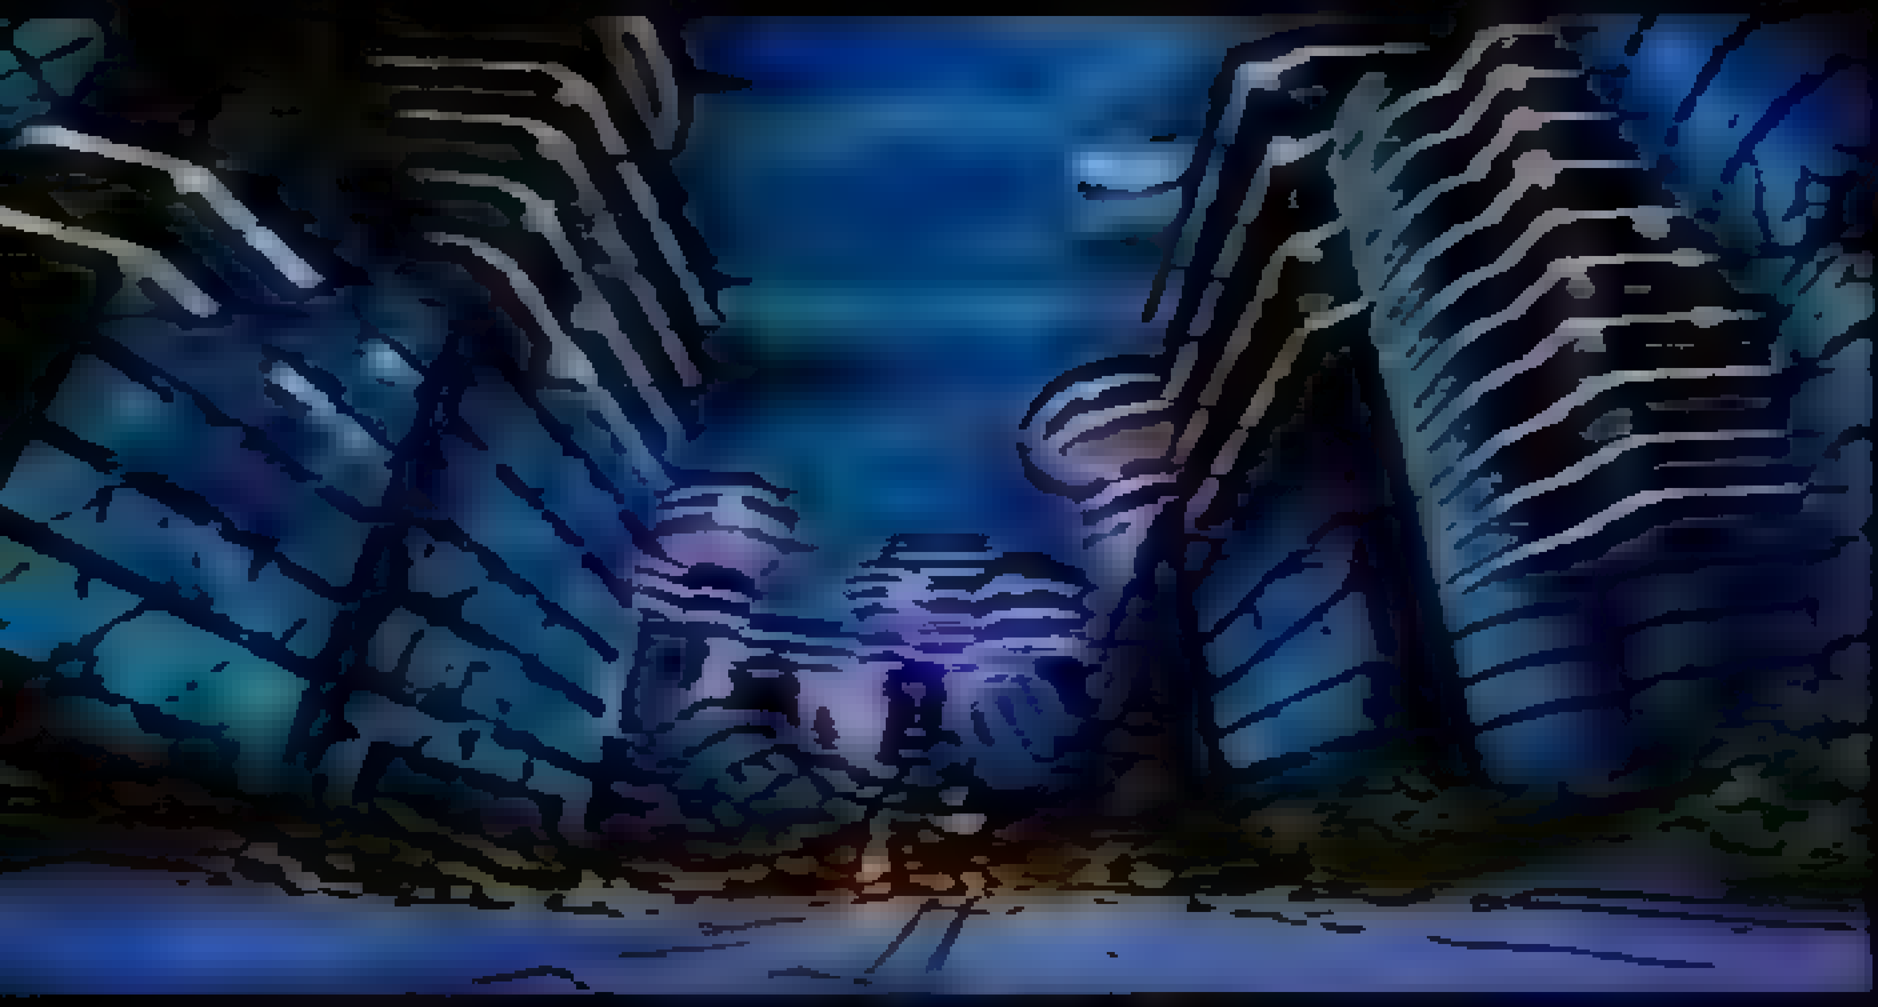

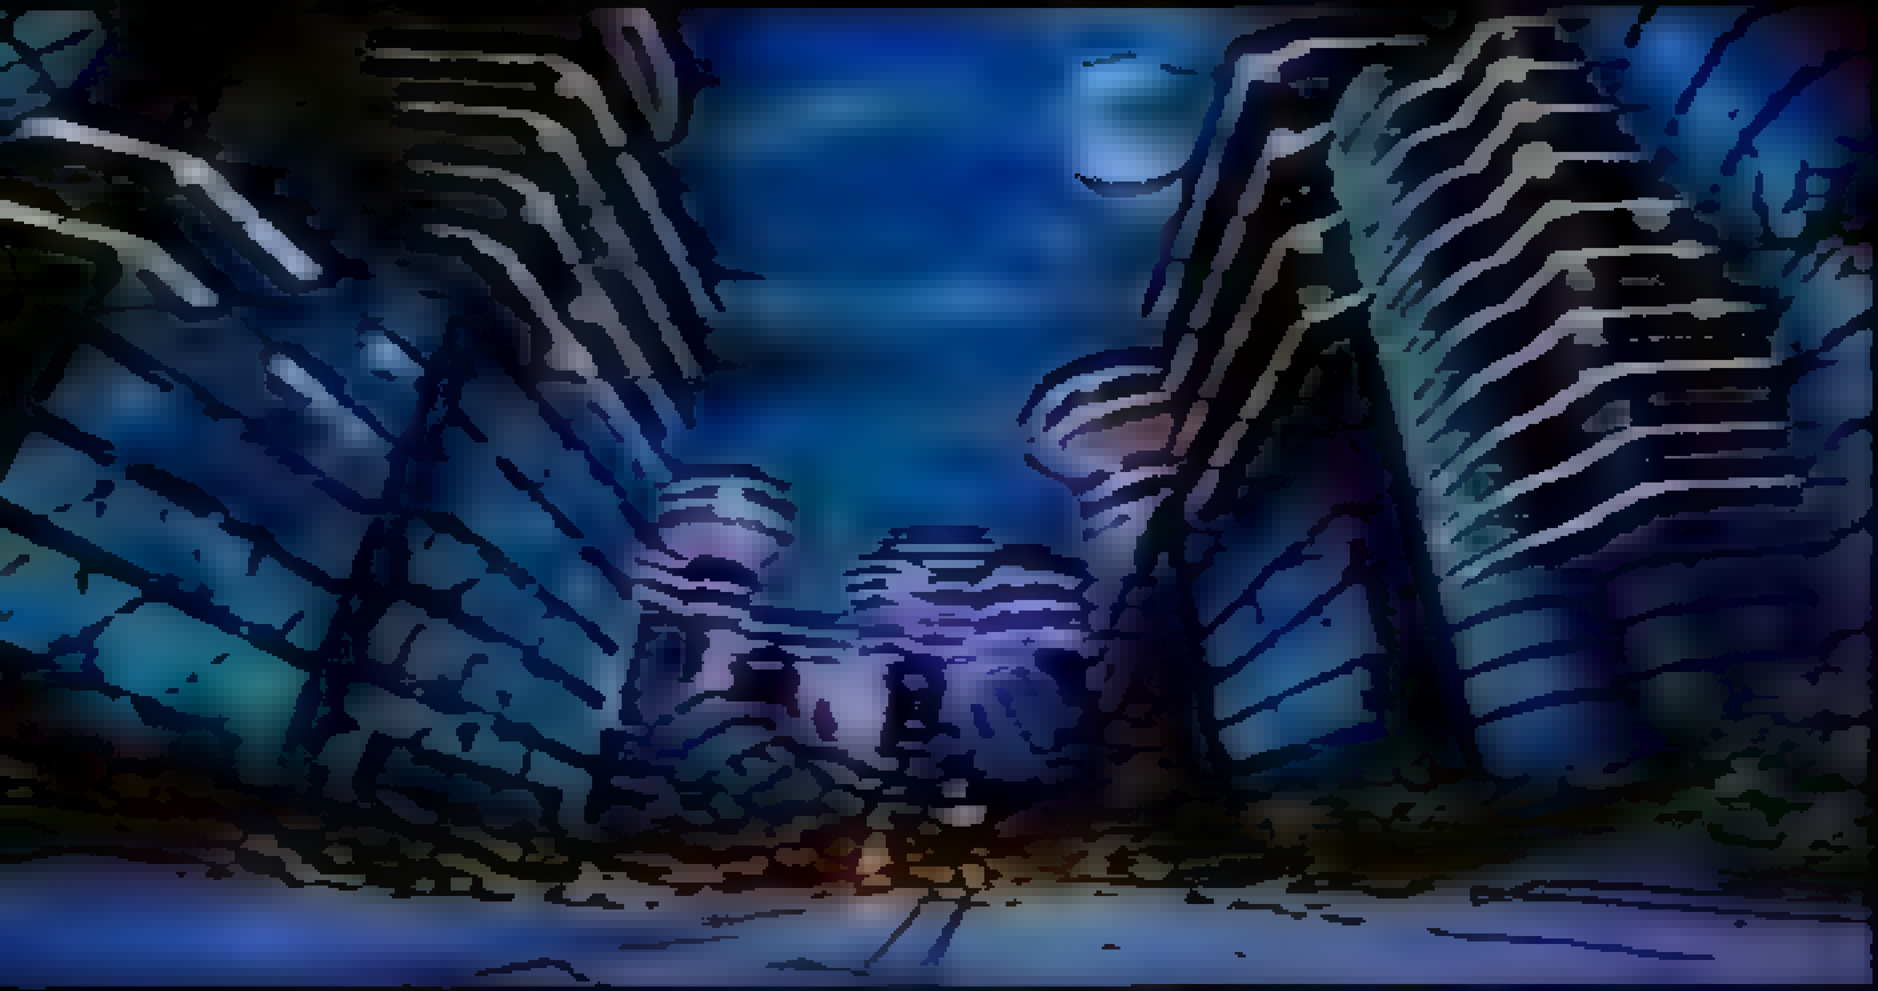

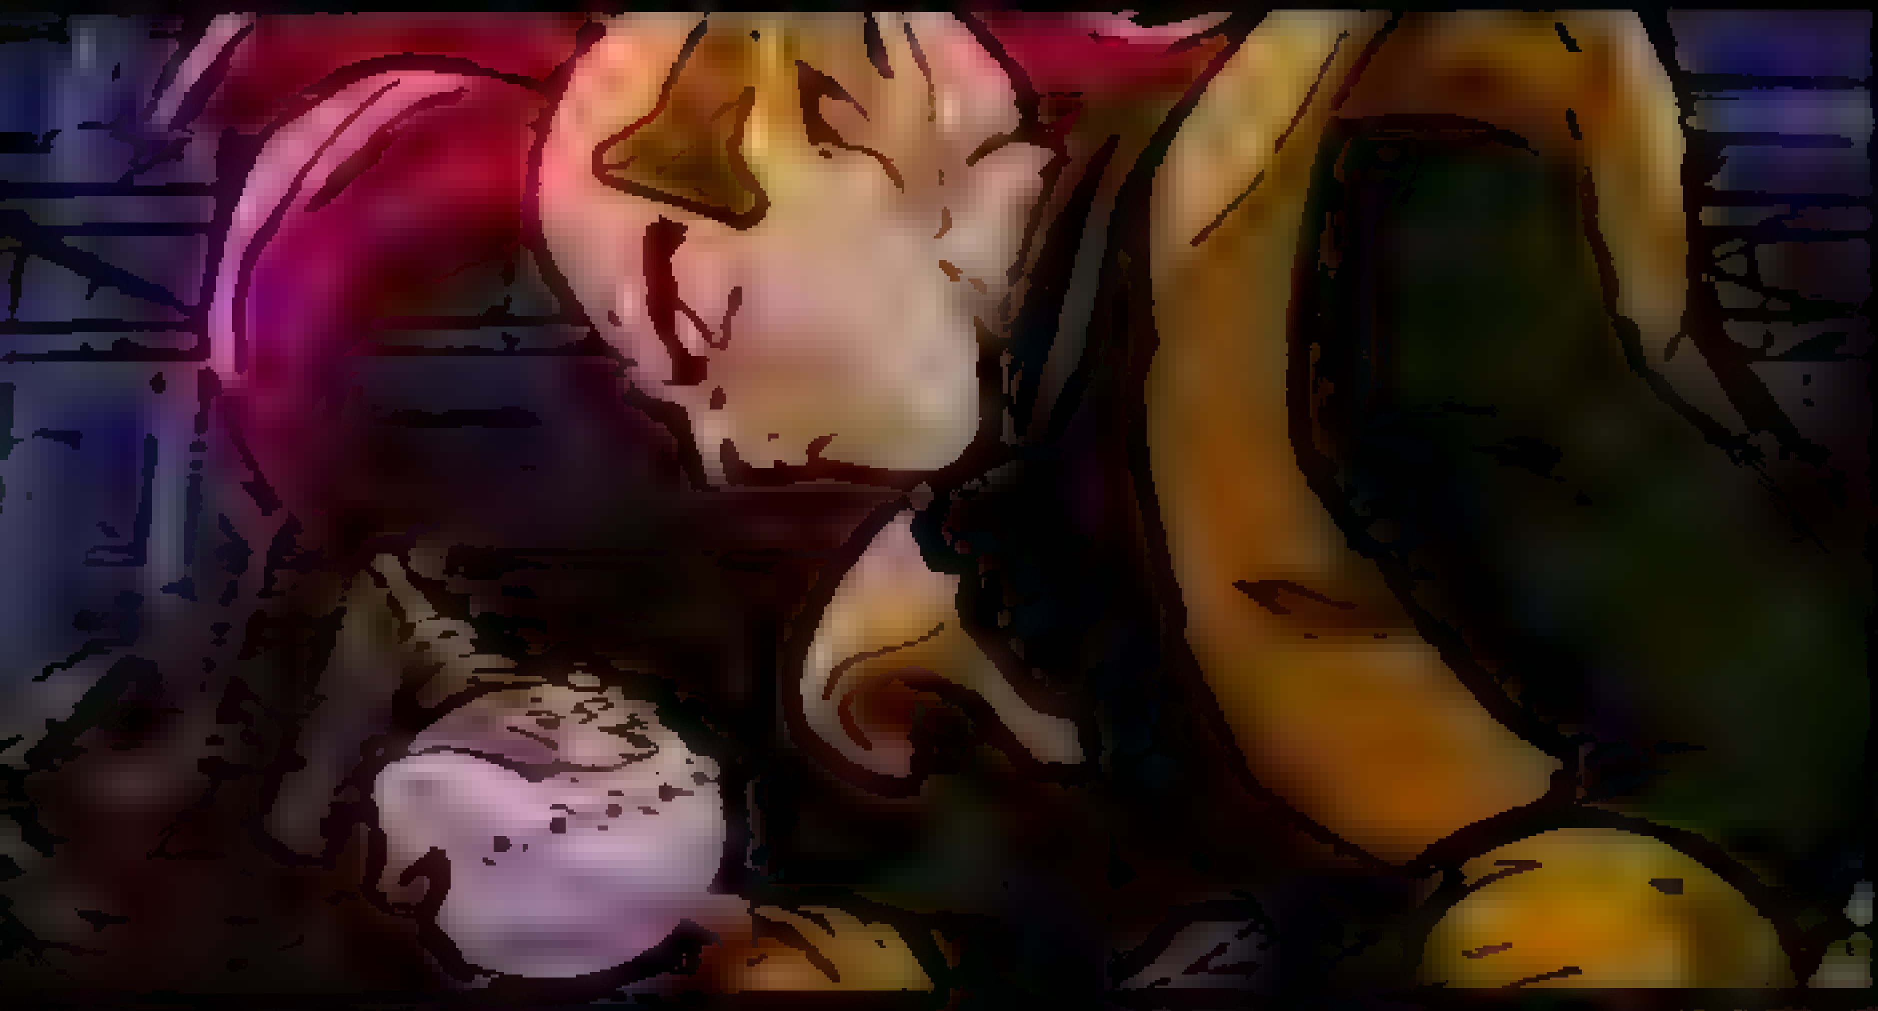

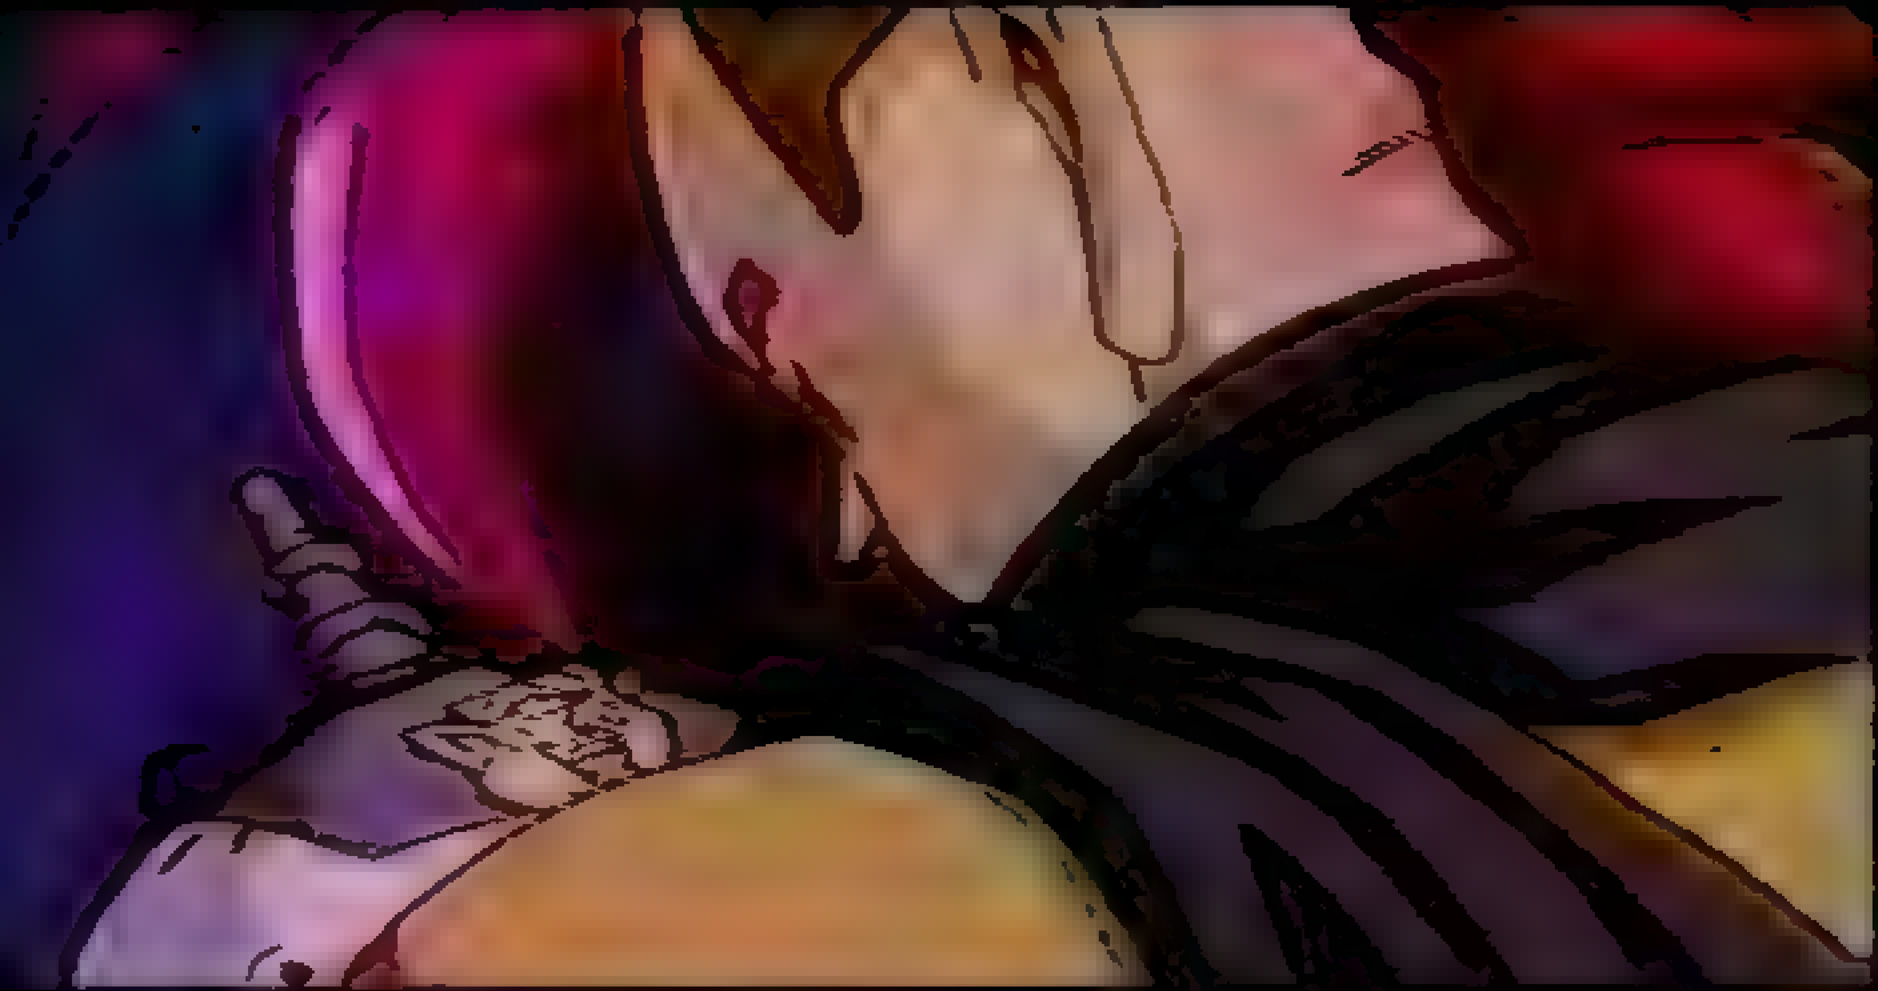

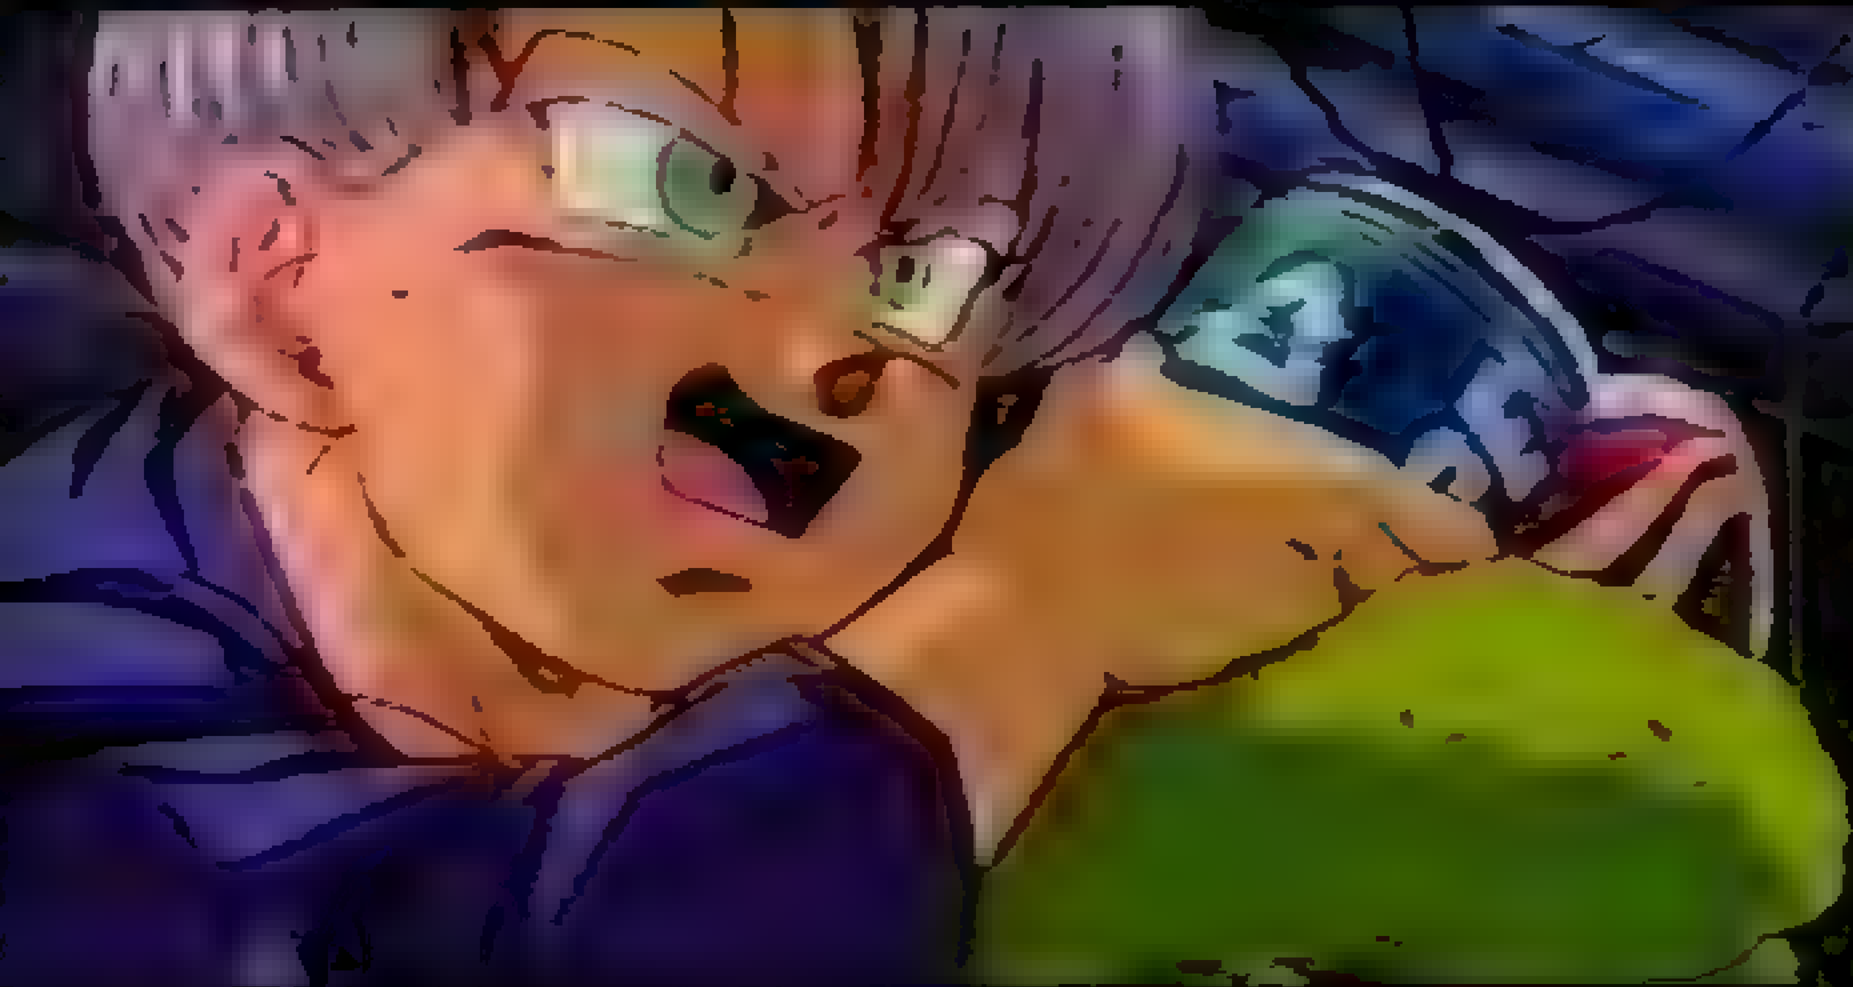

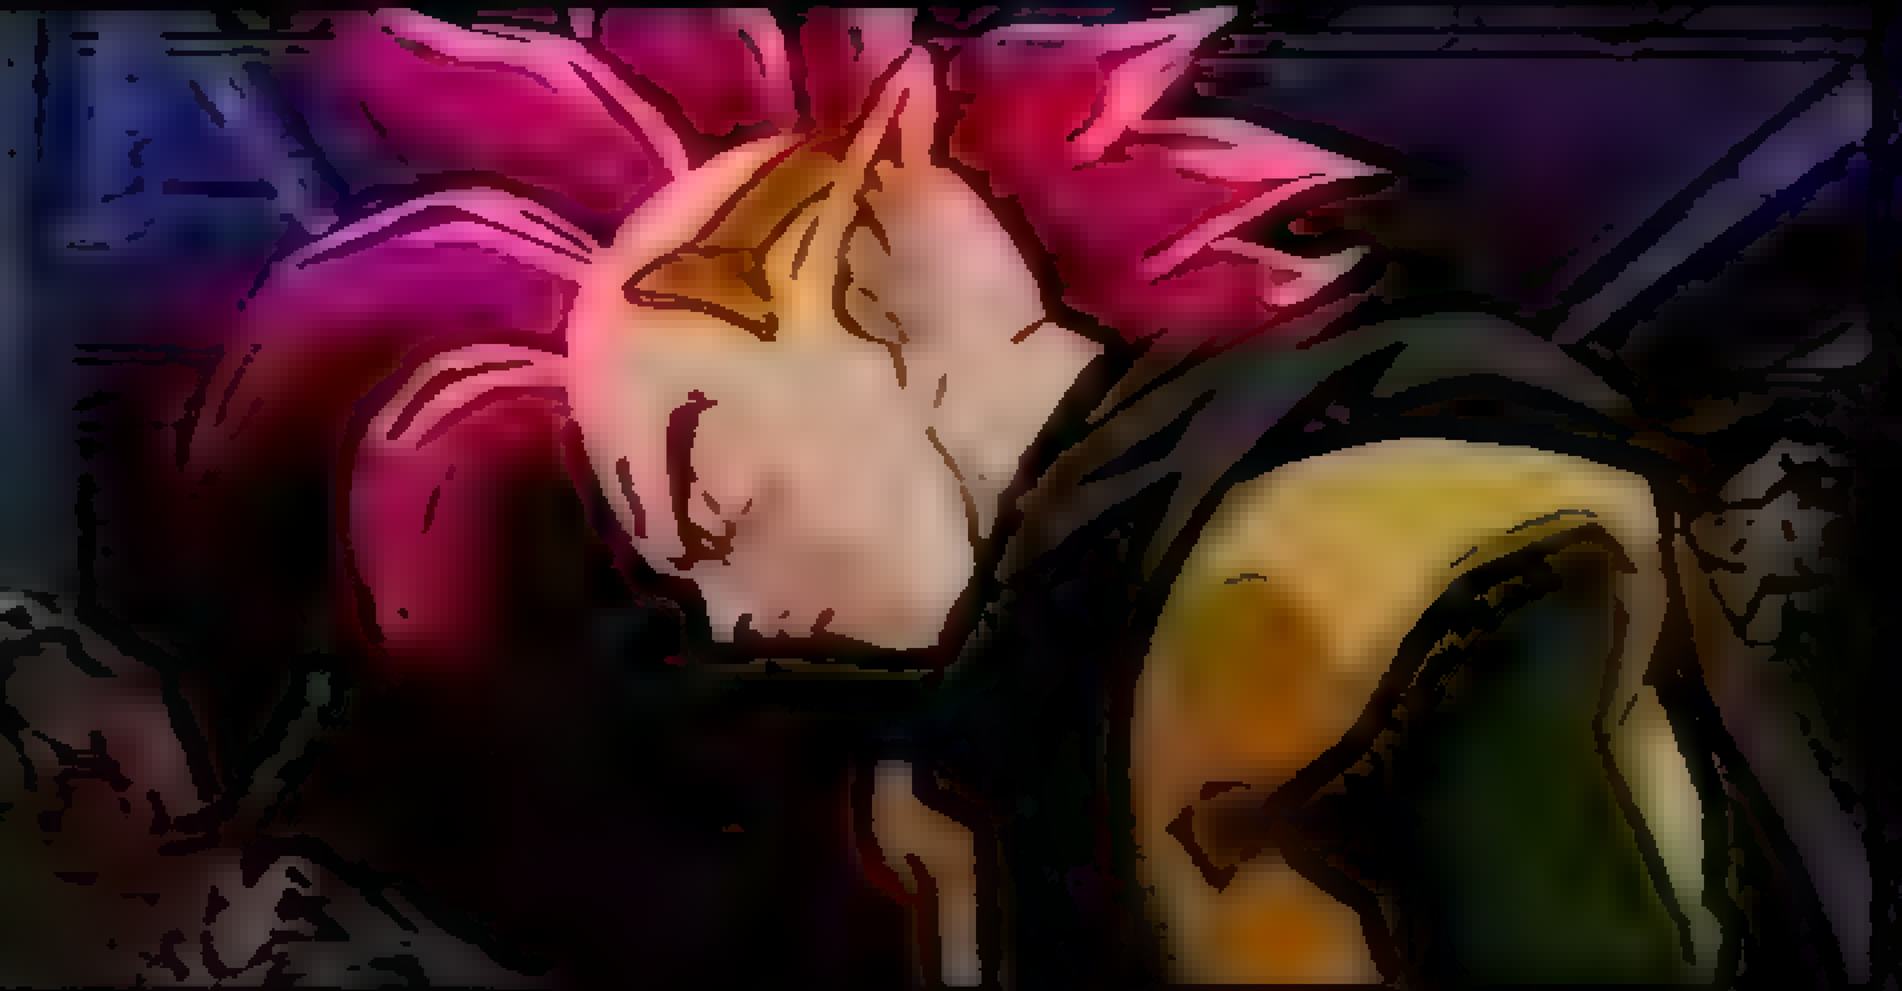

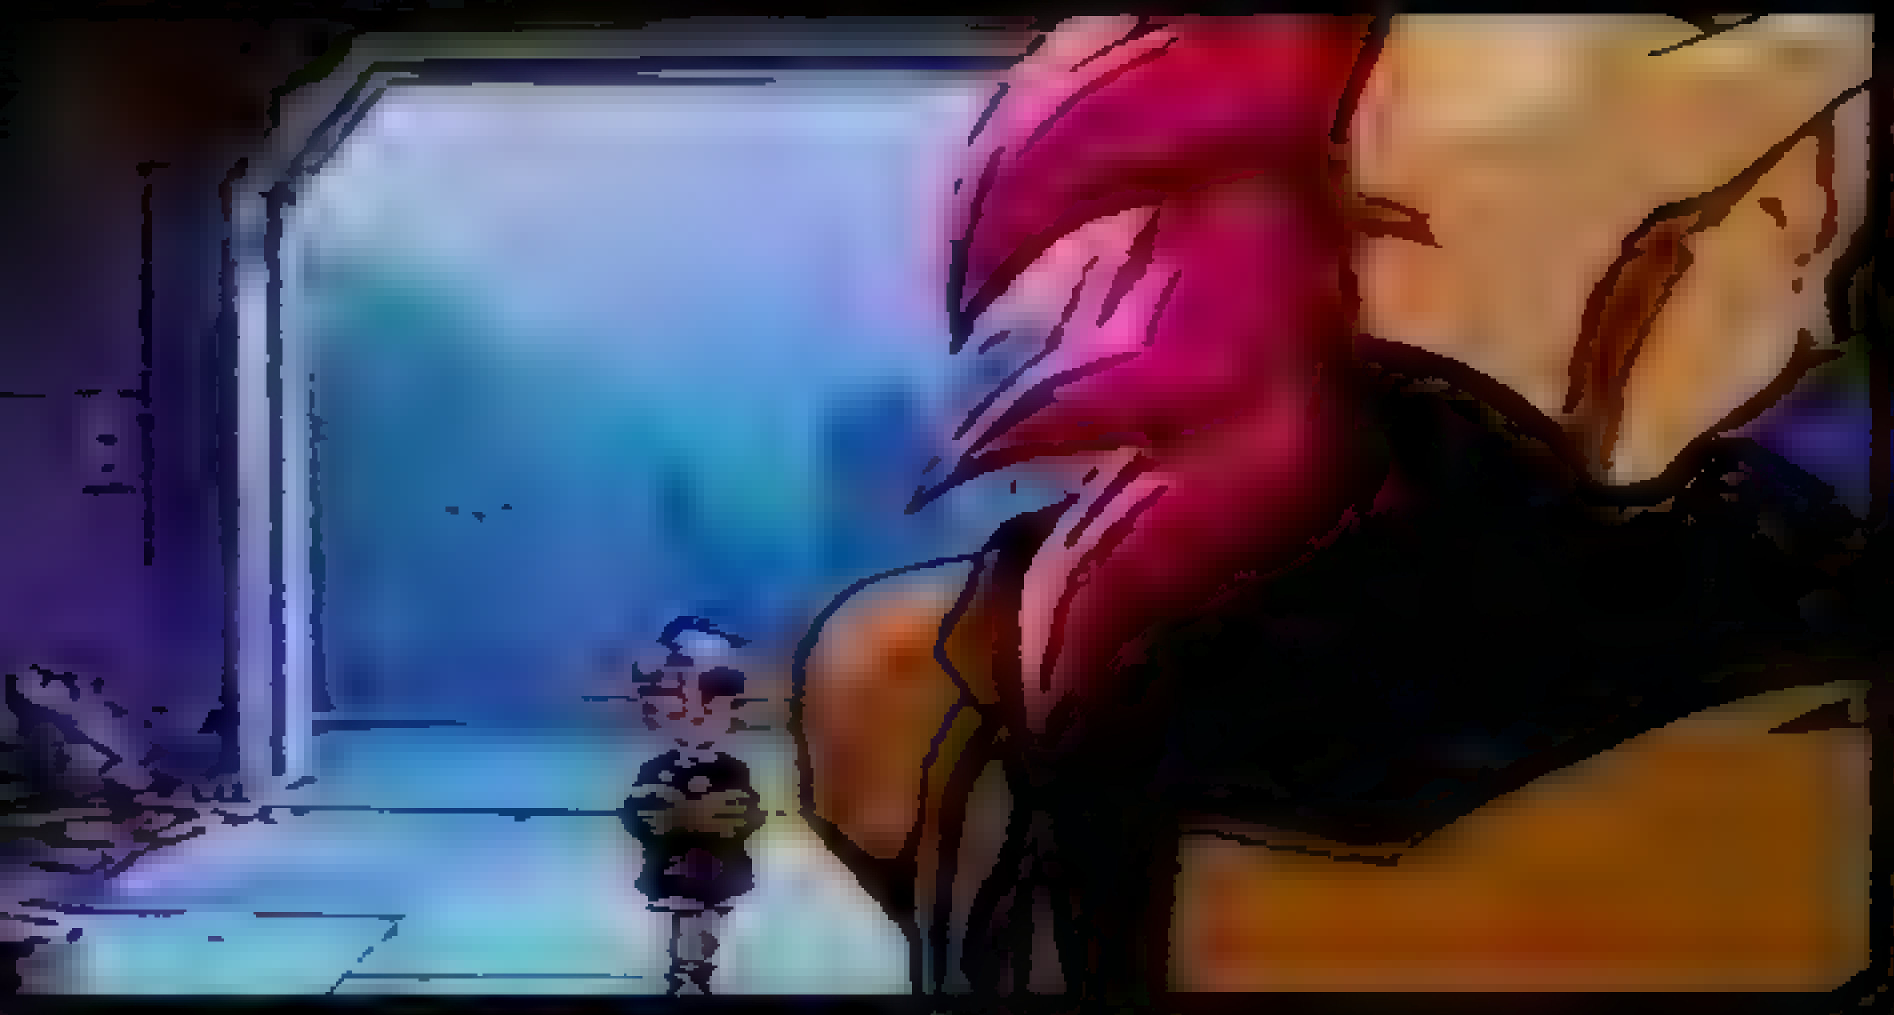

CORP

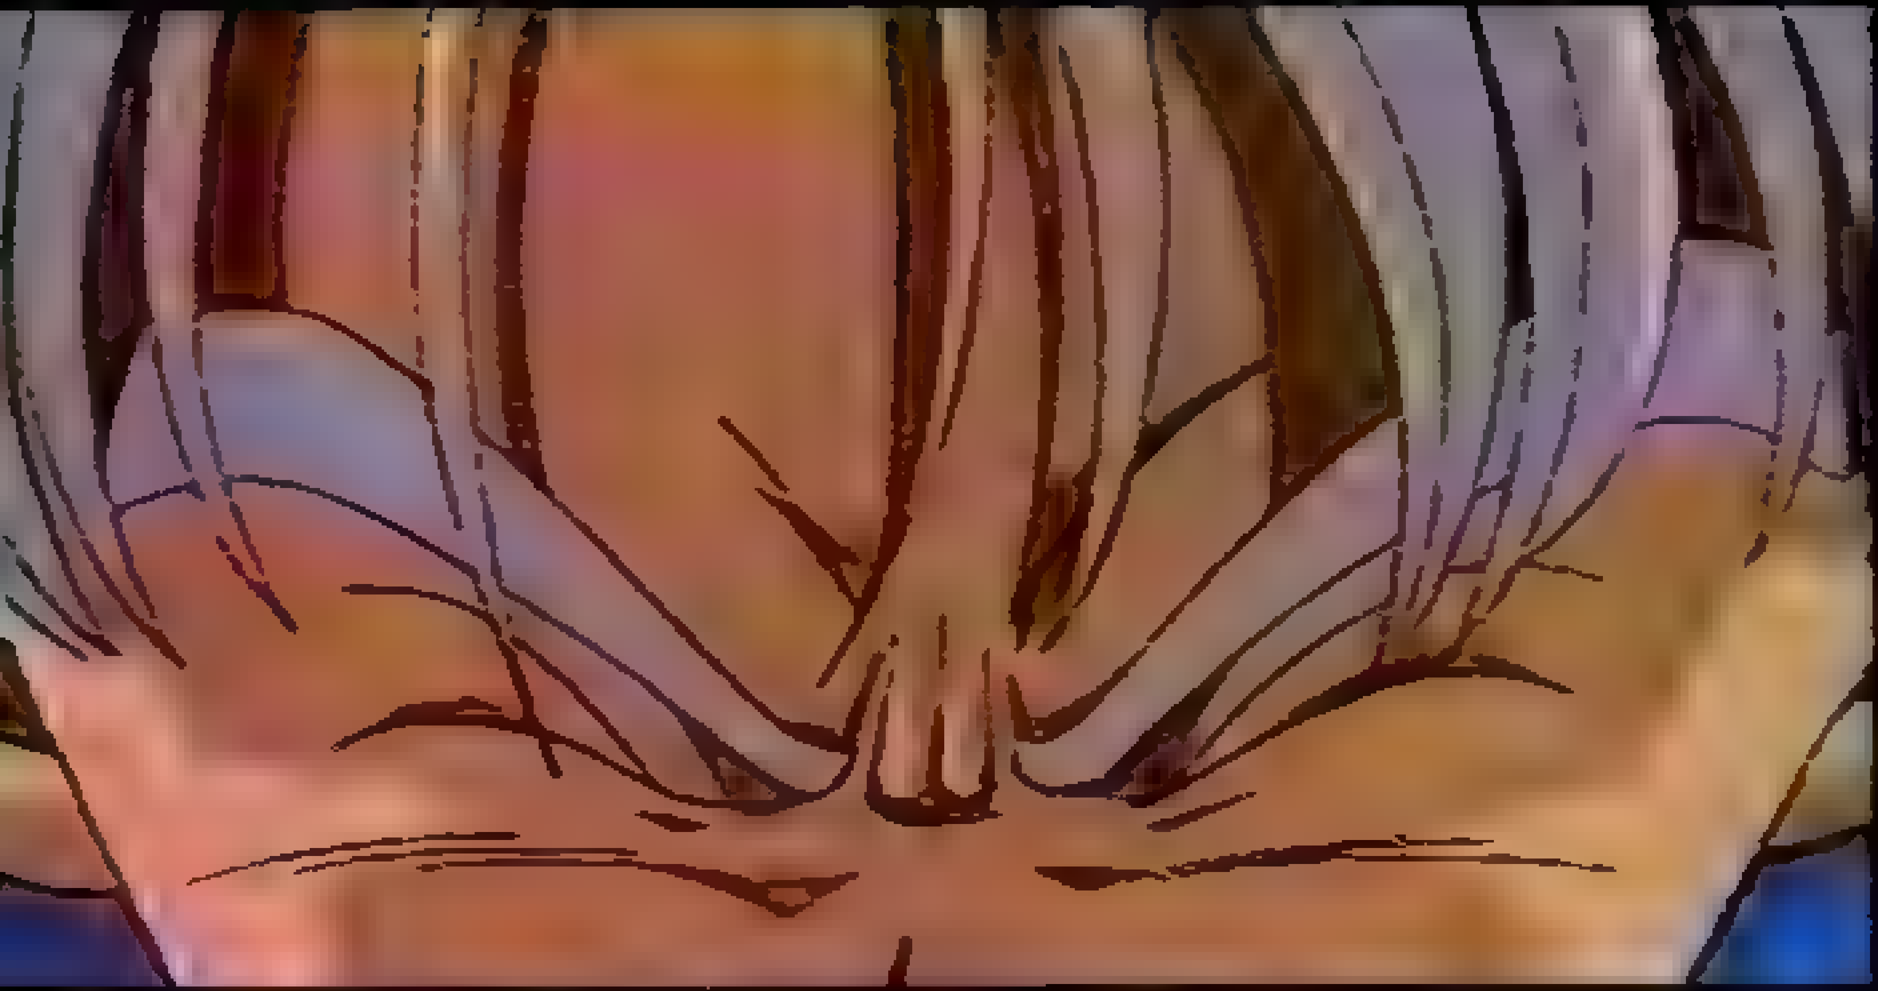

Sir, please use these if you don't mind.

Don't get mad! I'll leave soon...

You didn't eat anything...

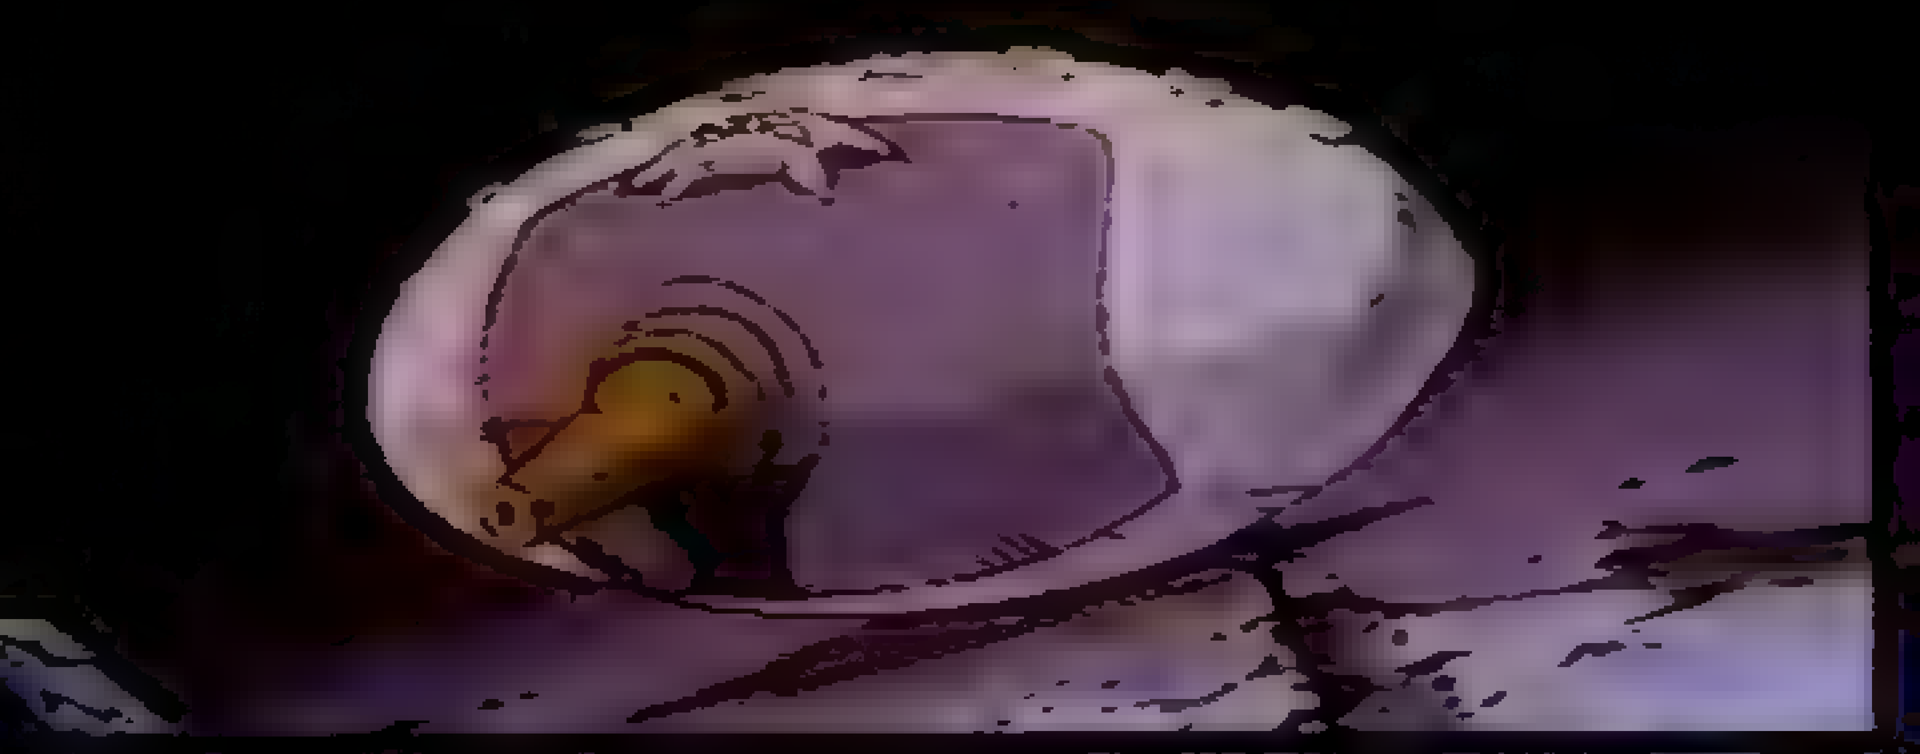

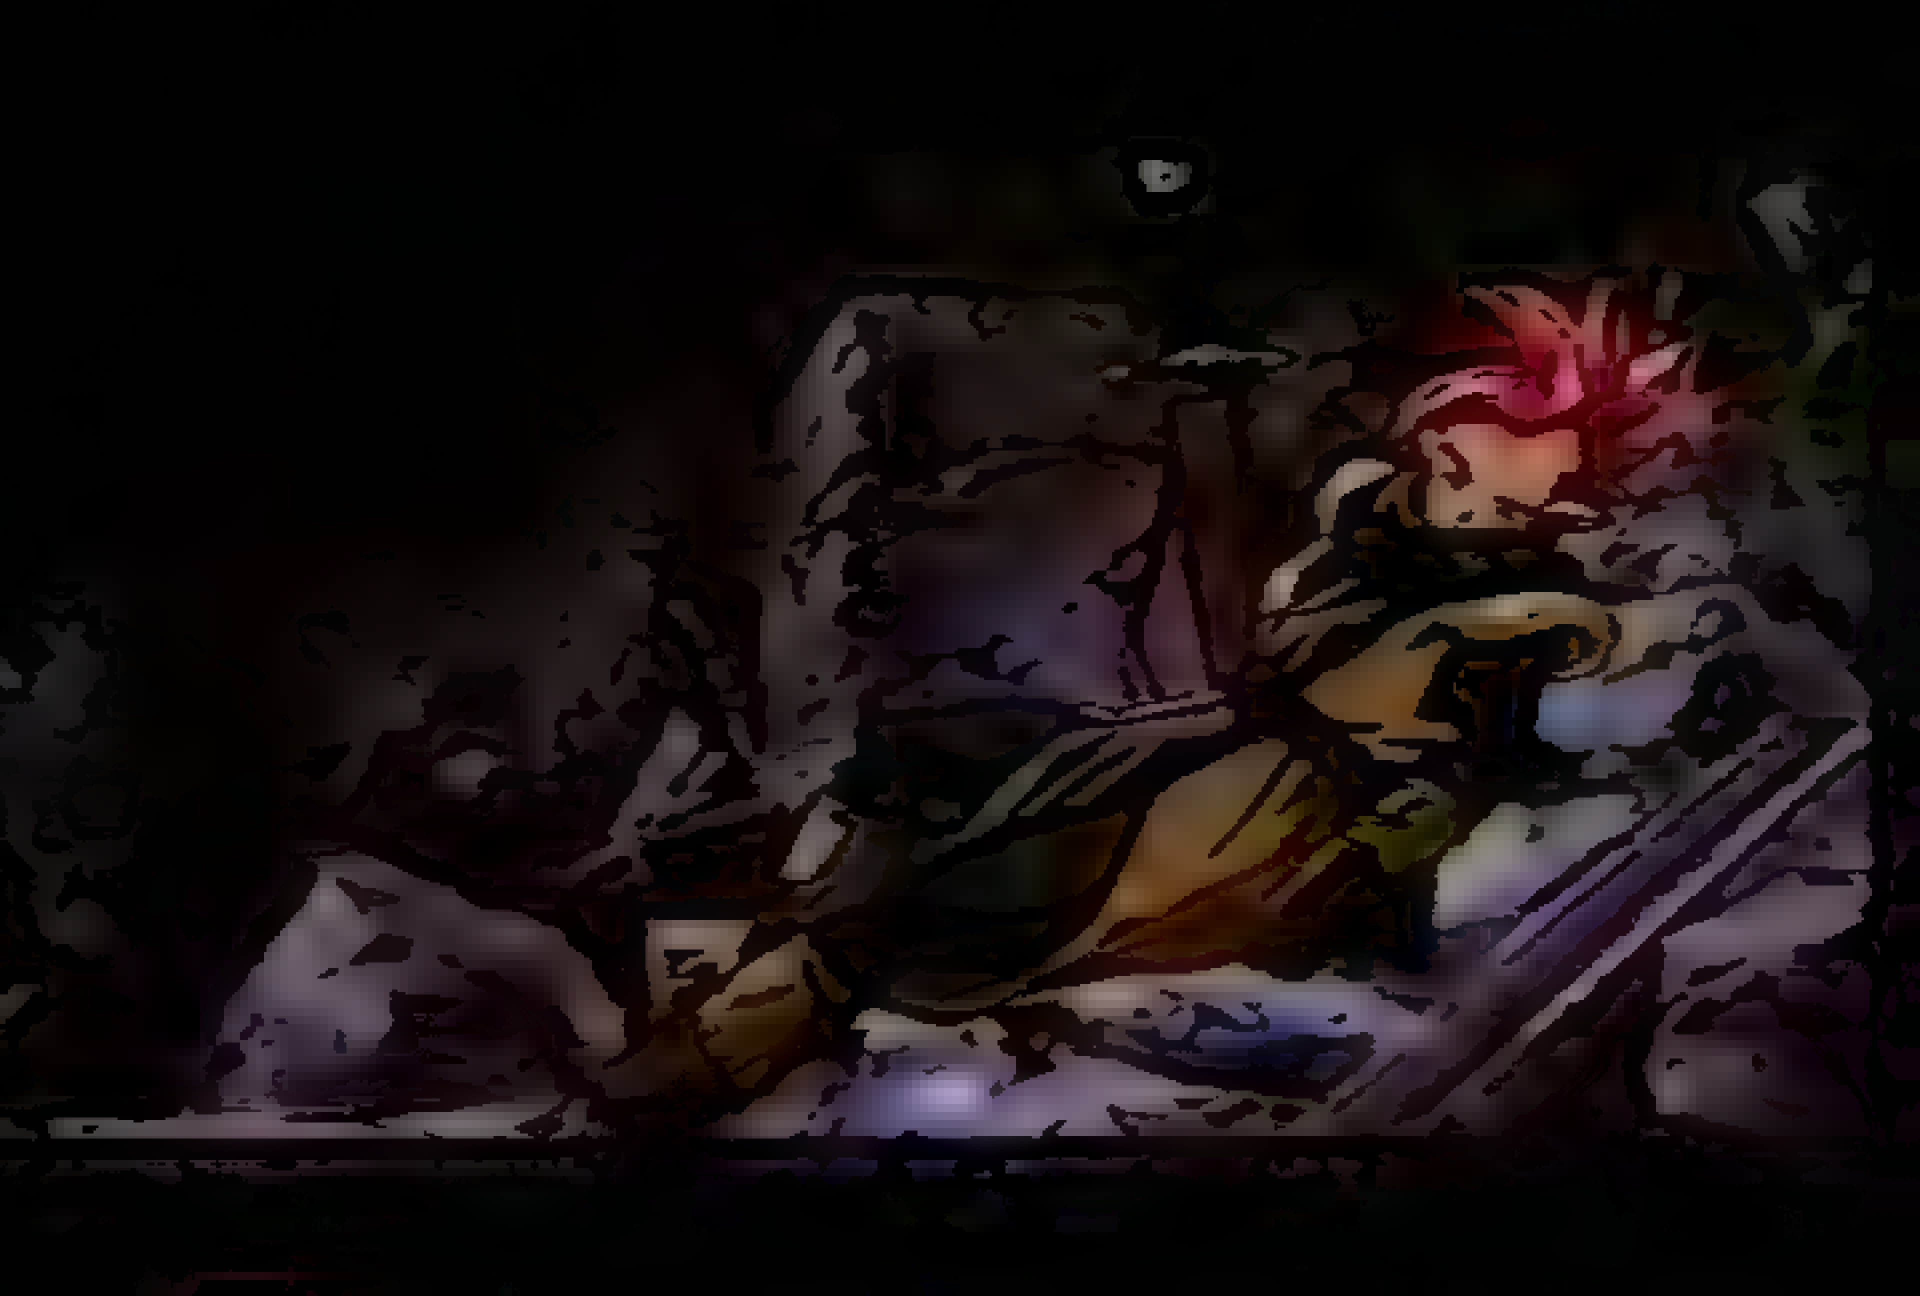

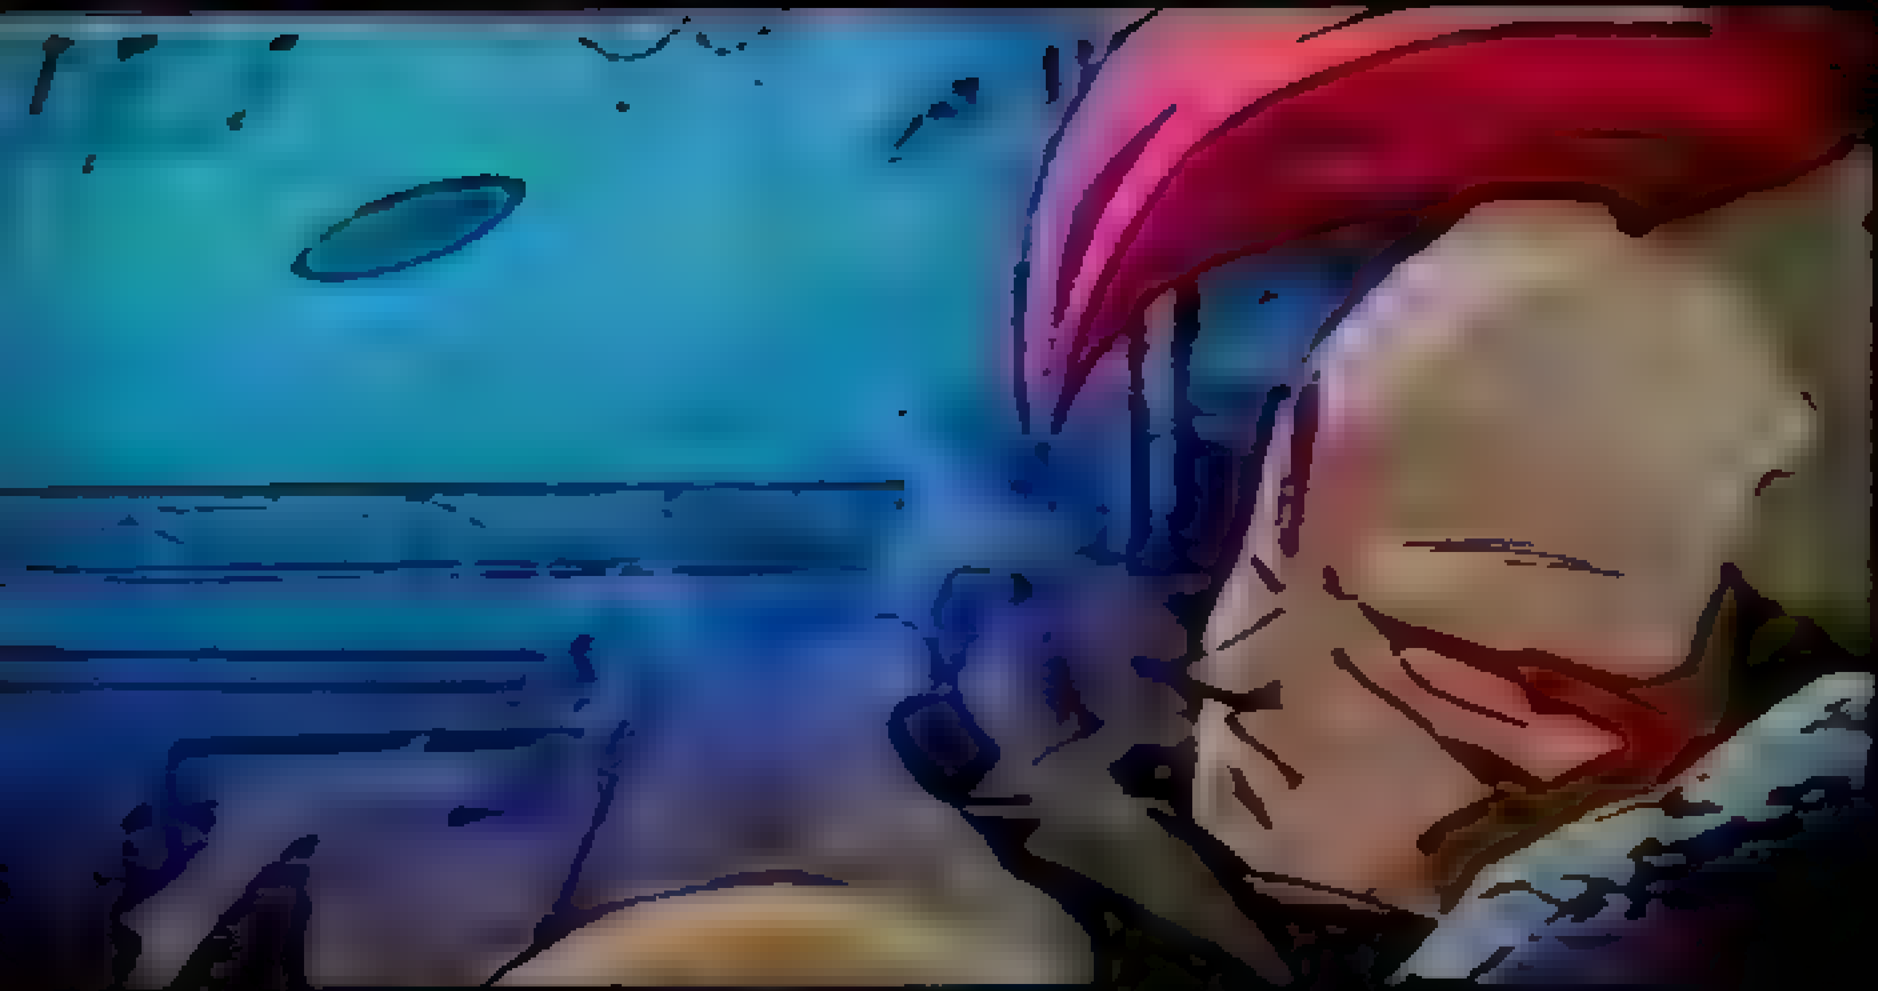

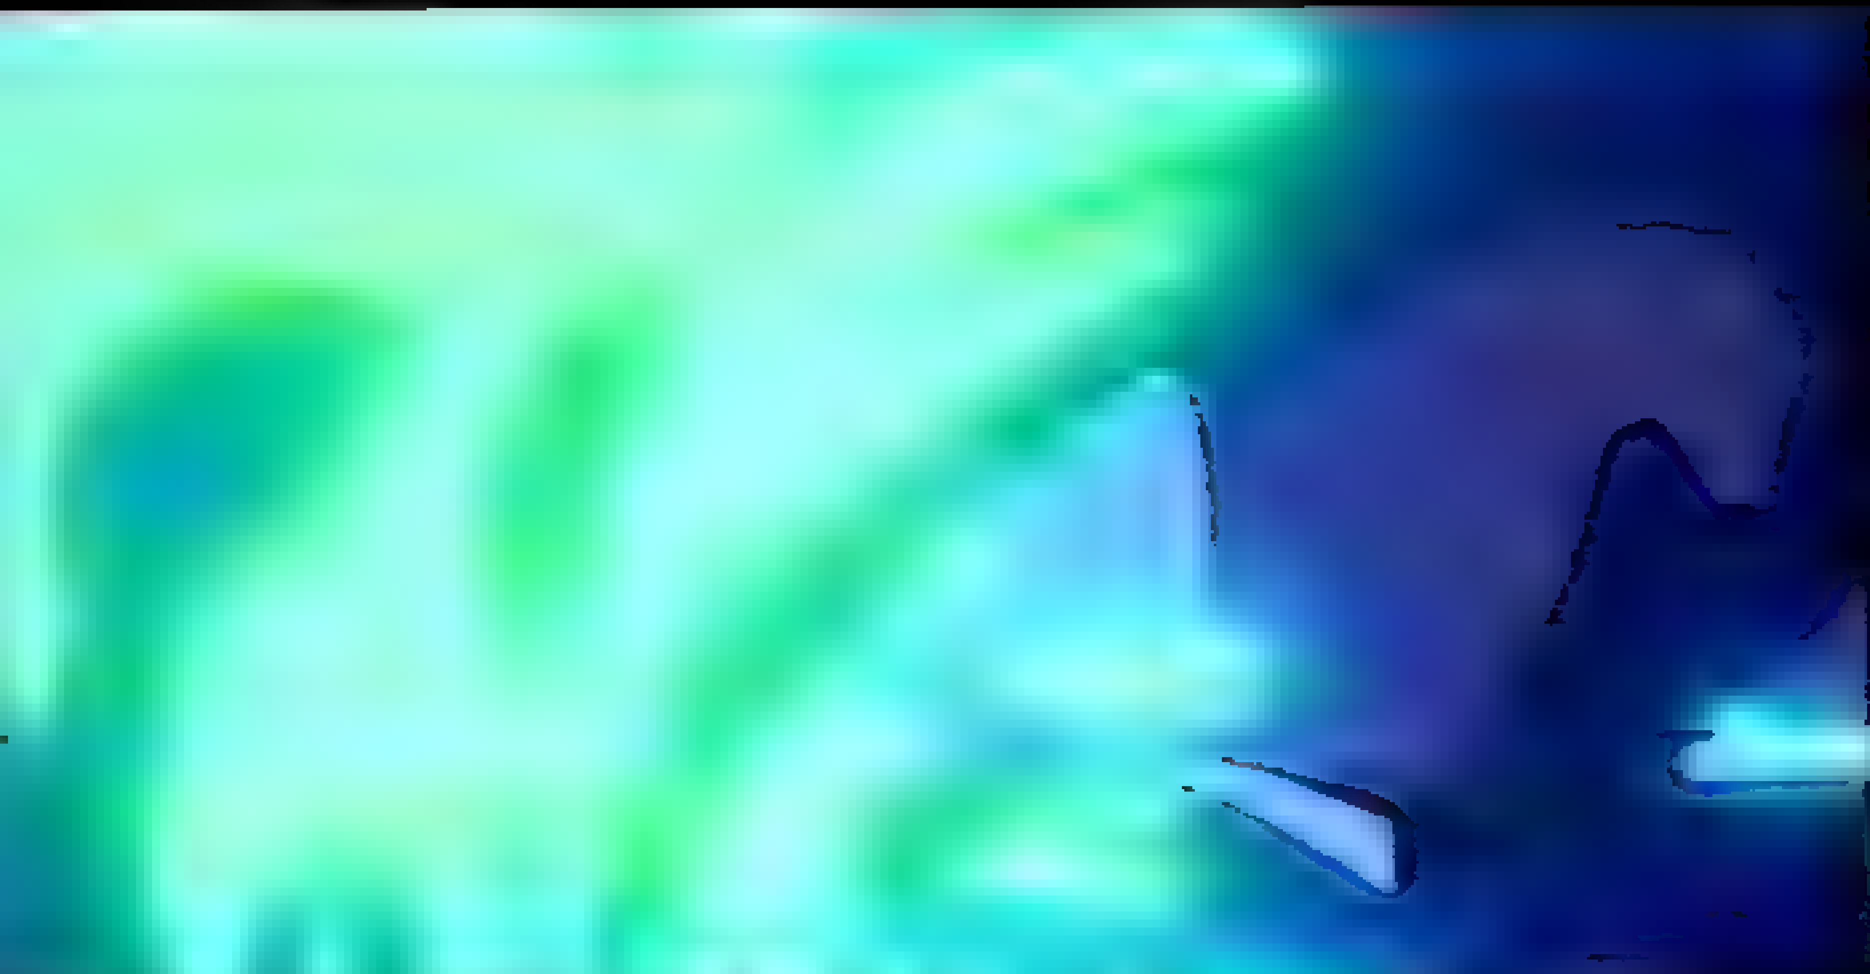

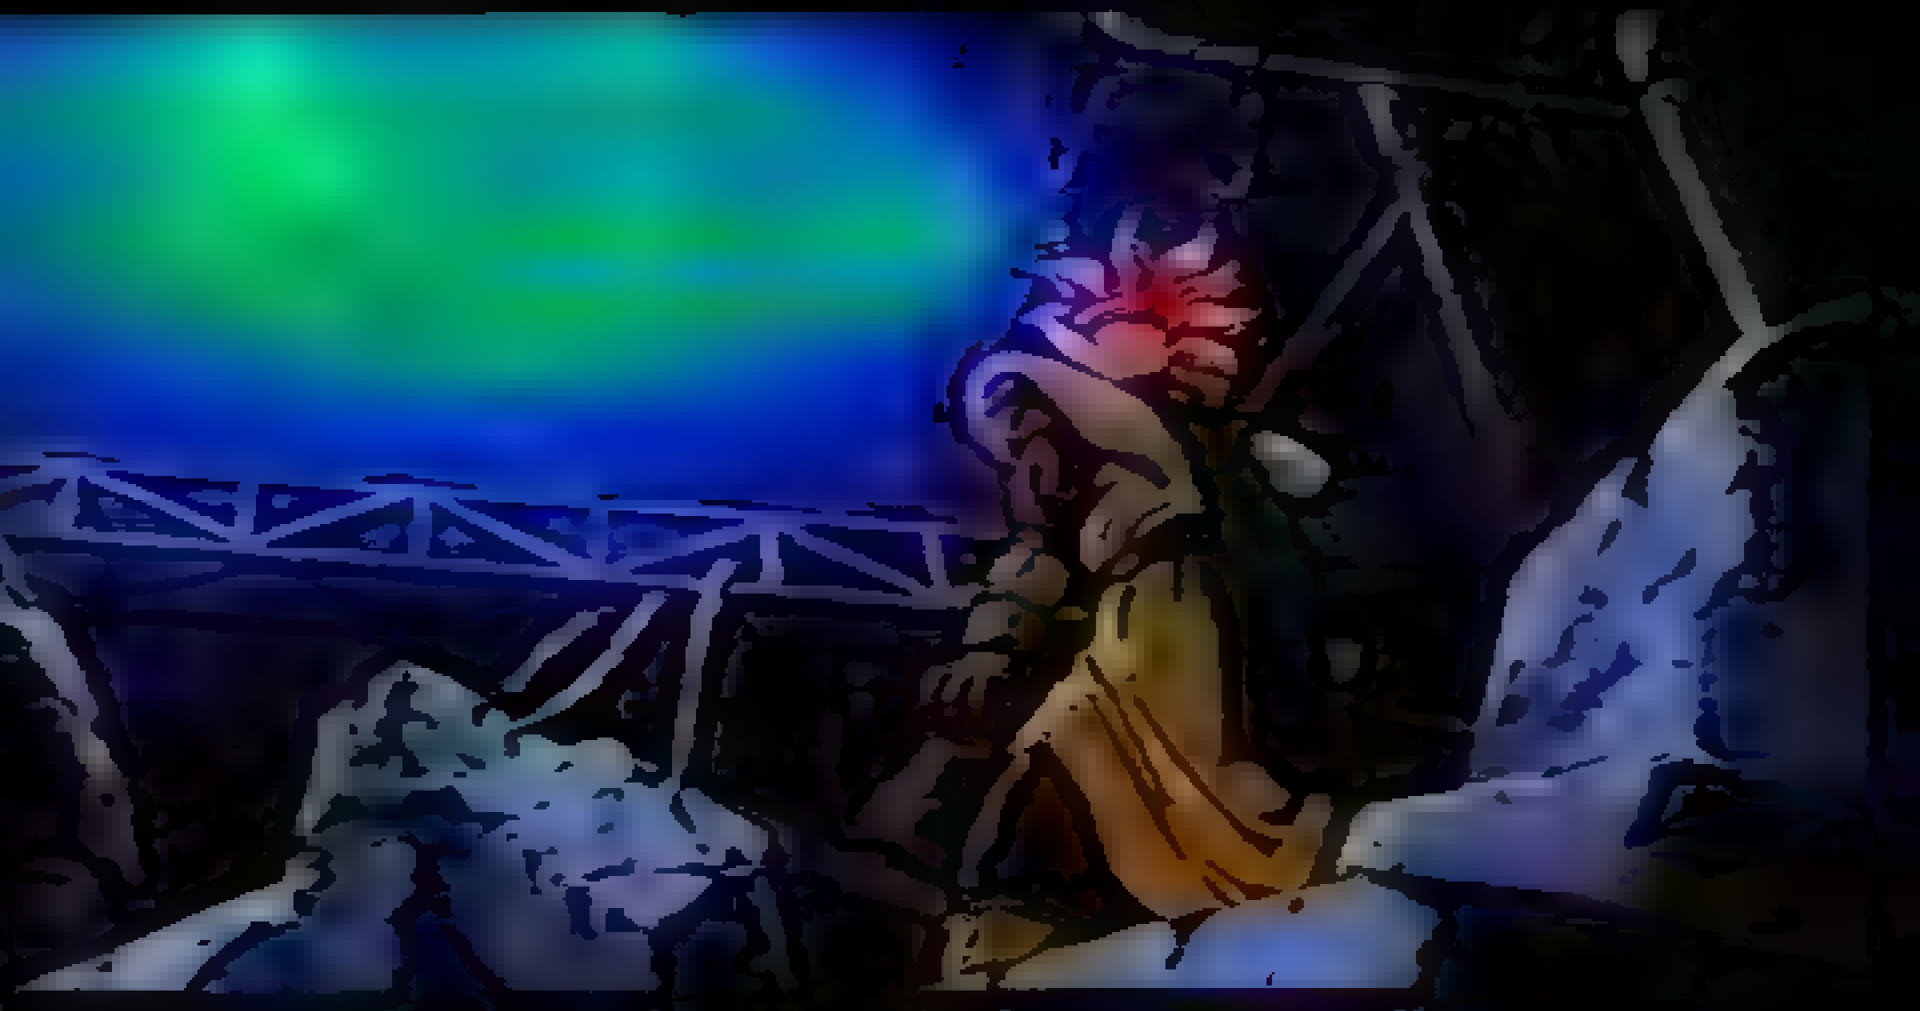

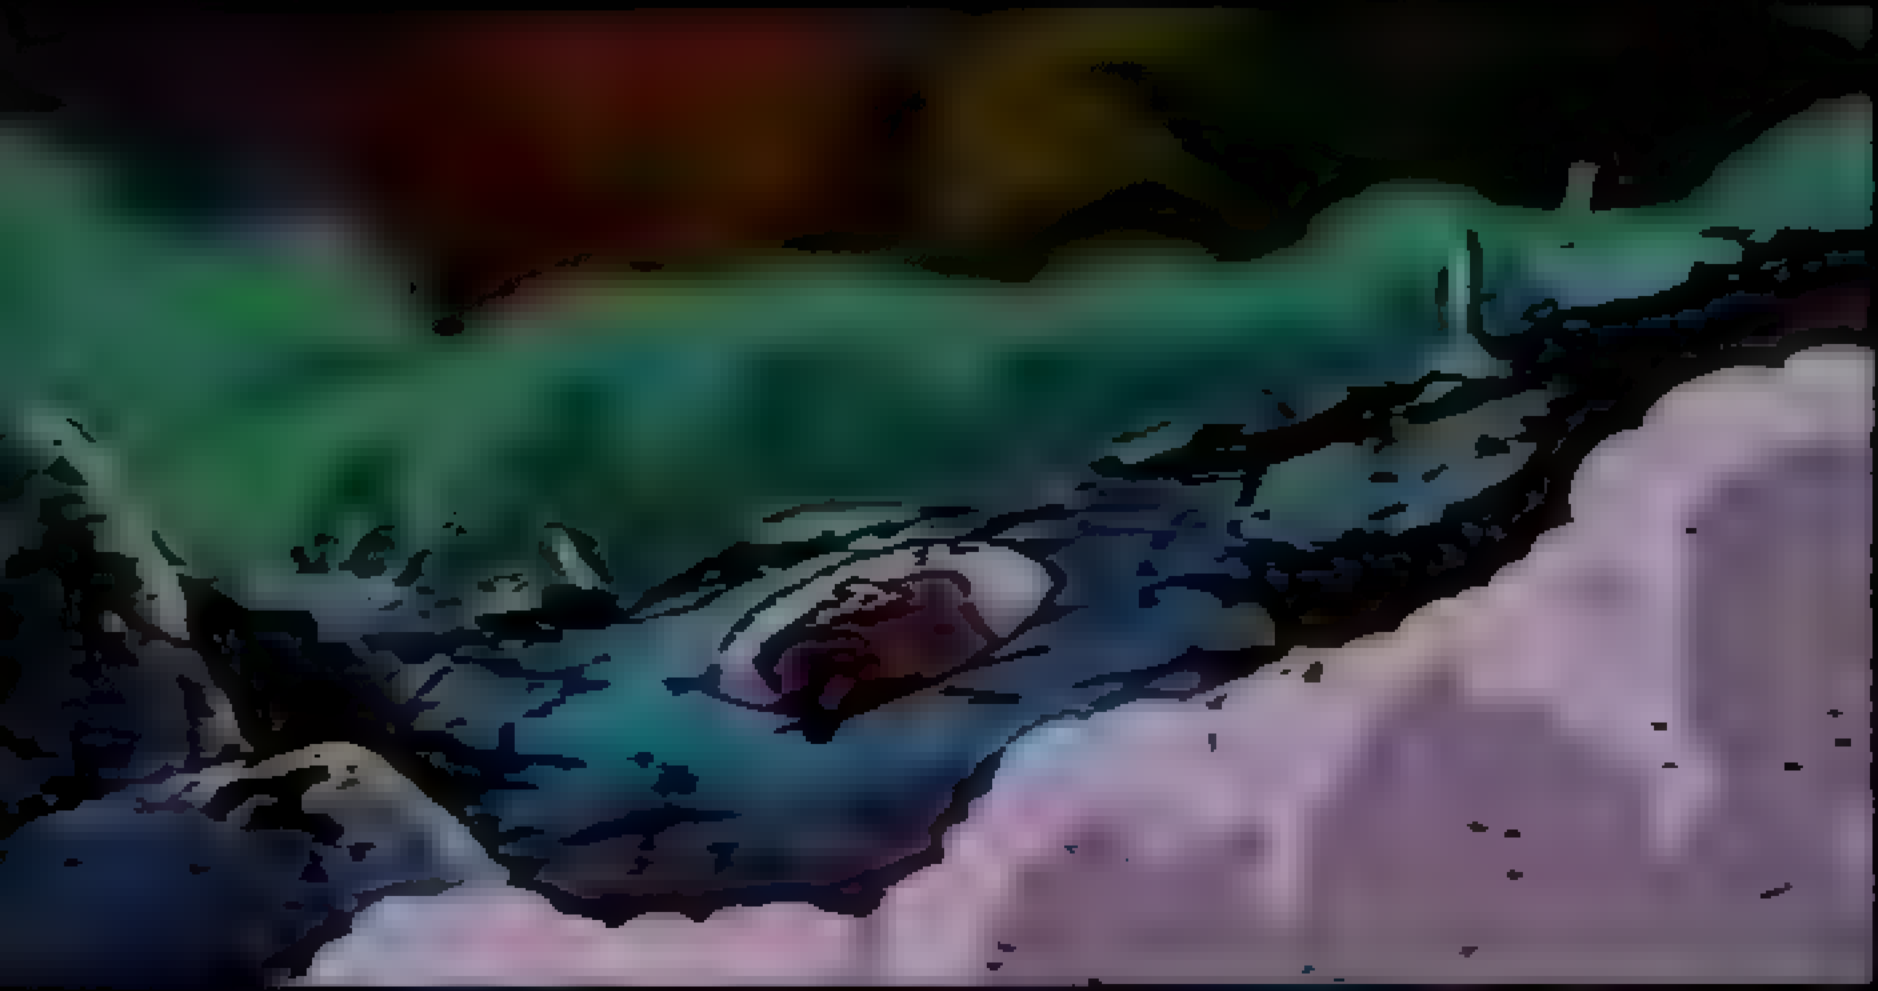

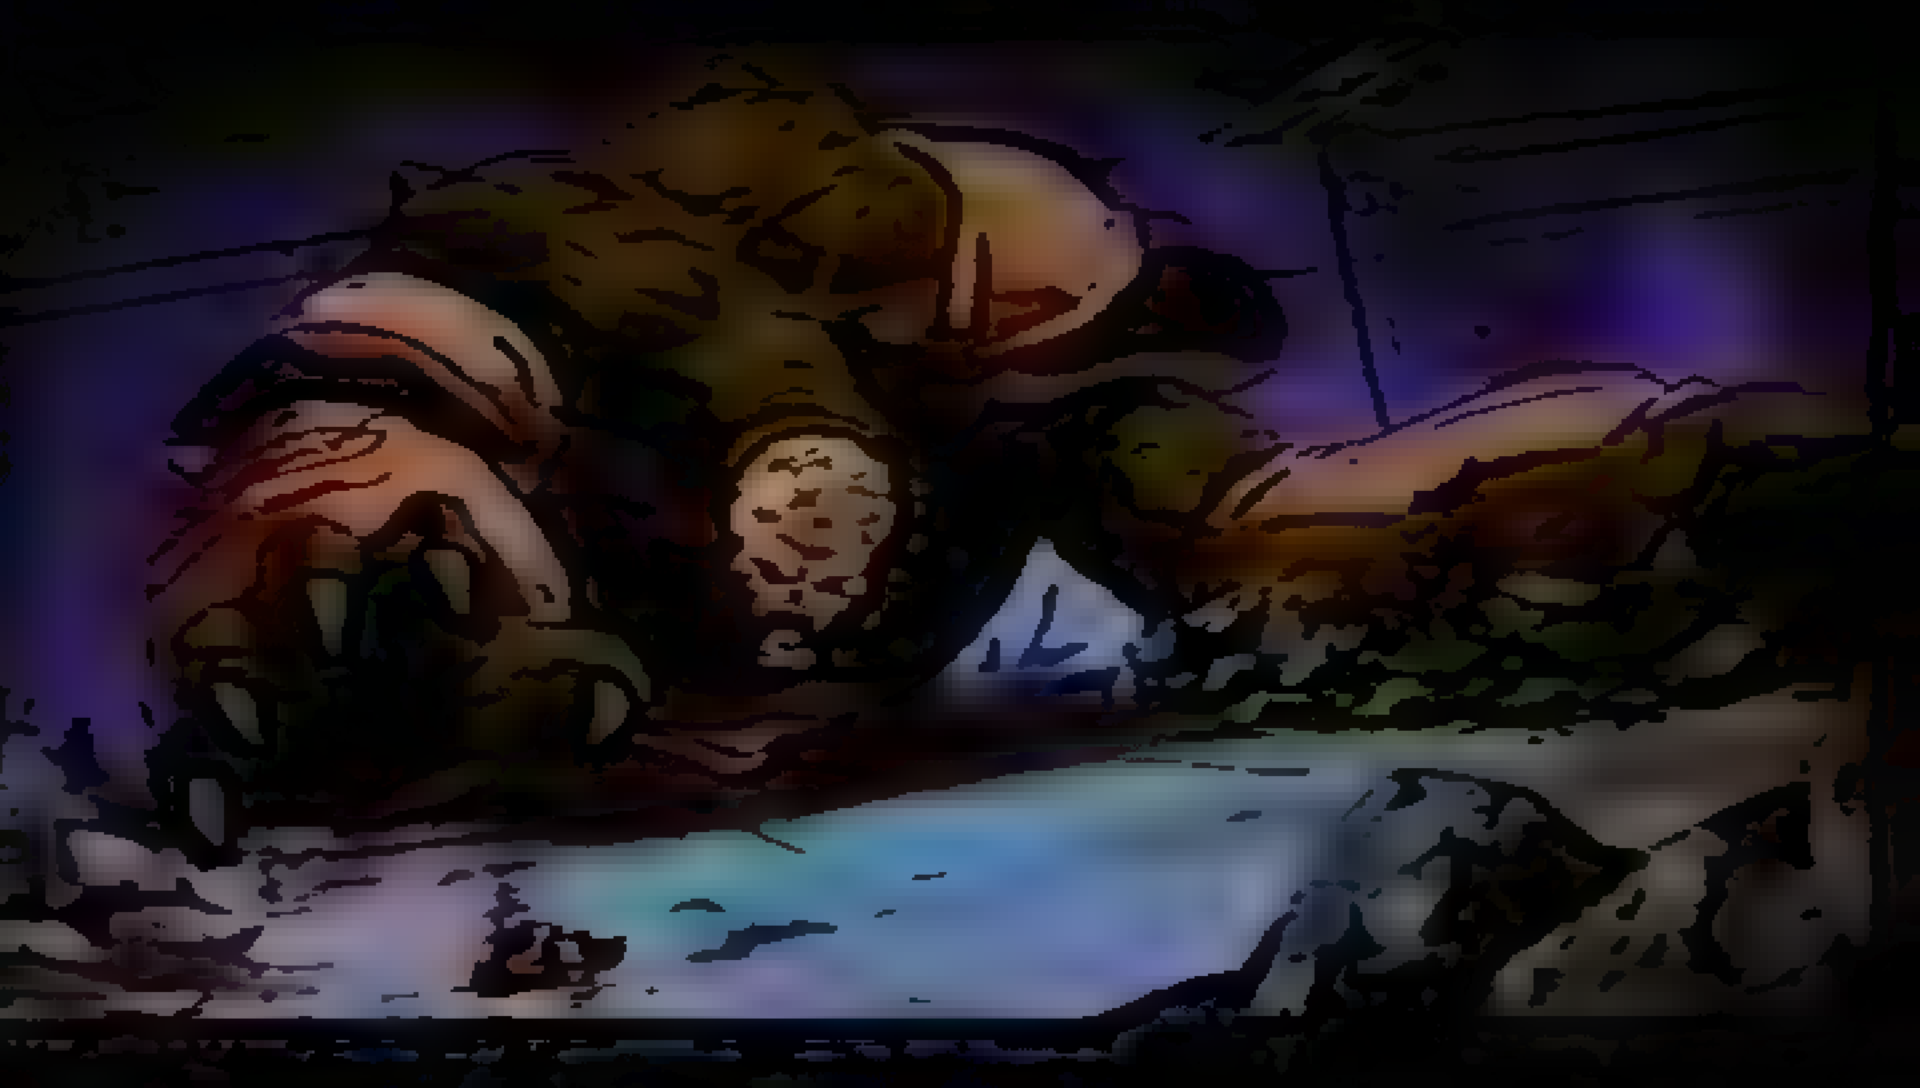

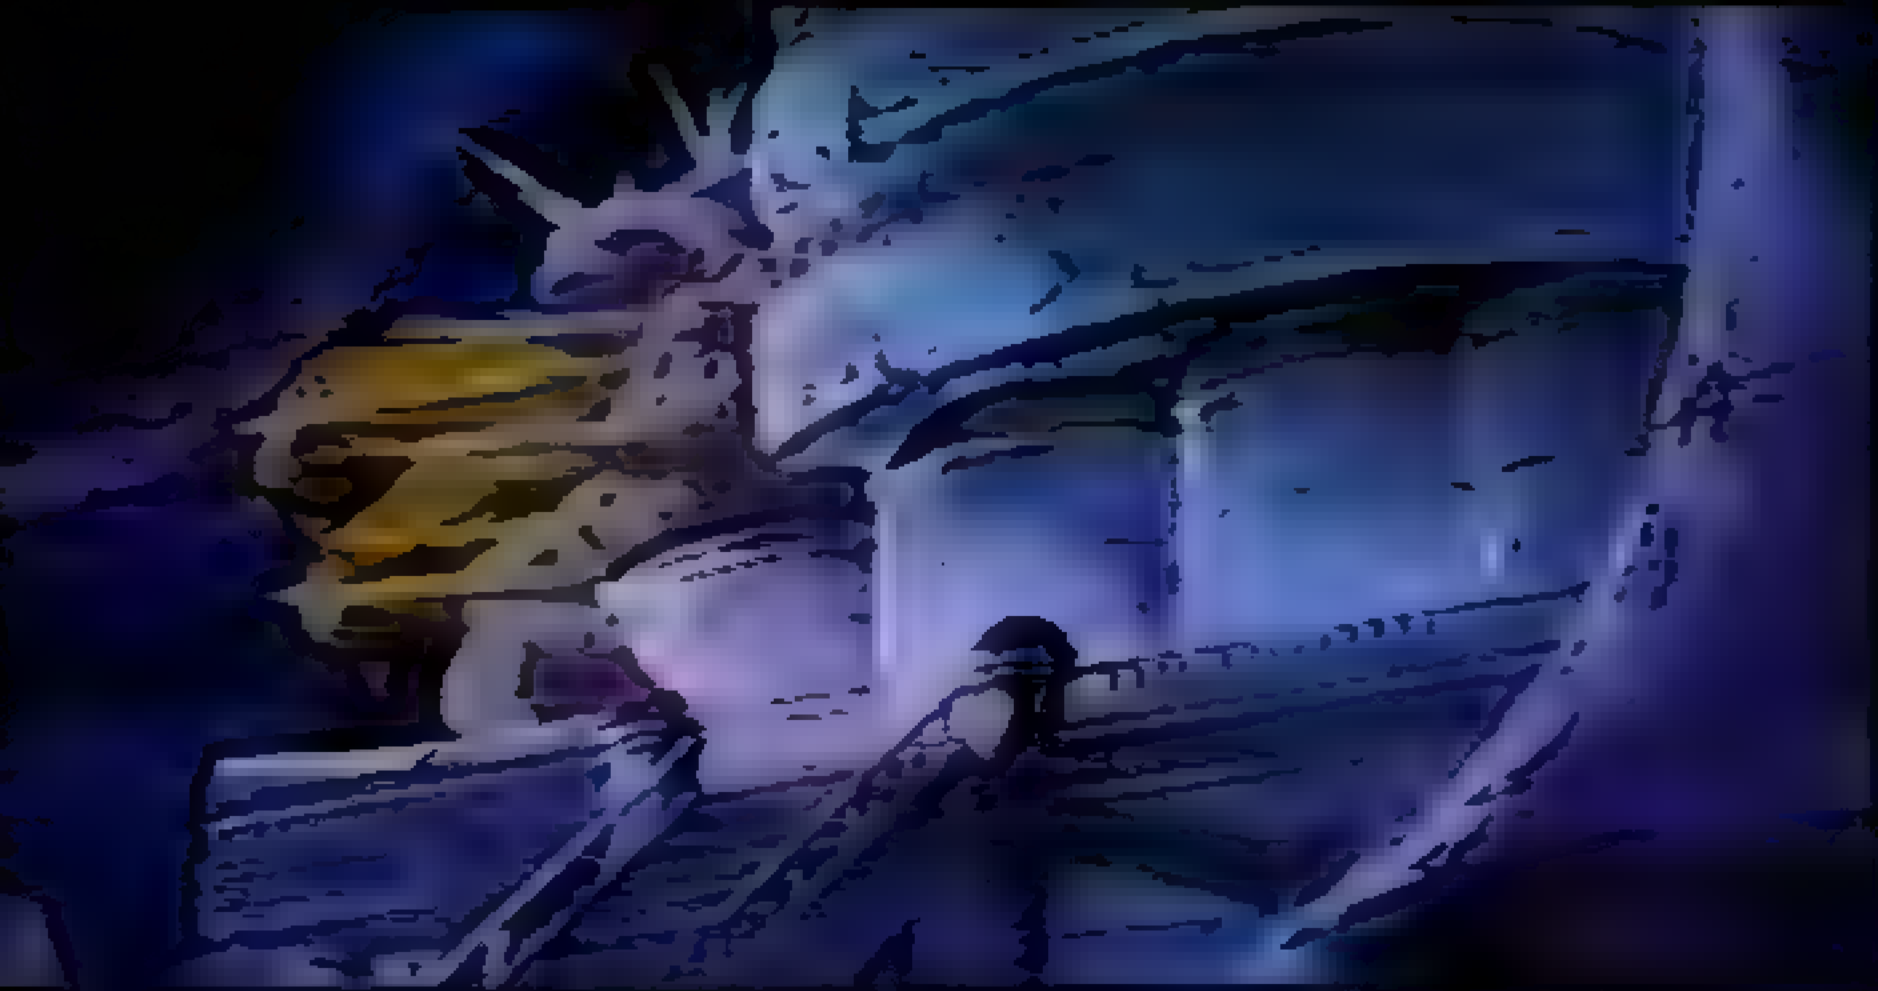

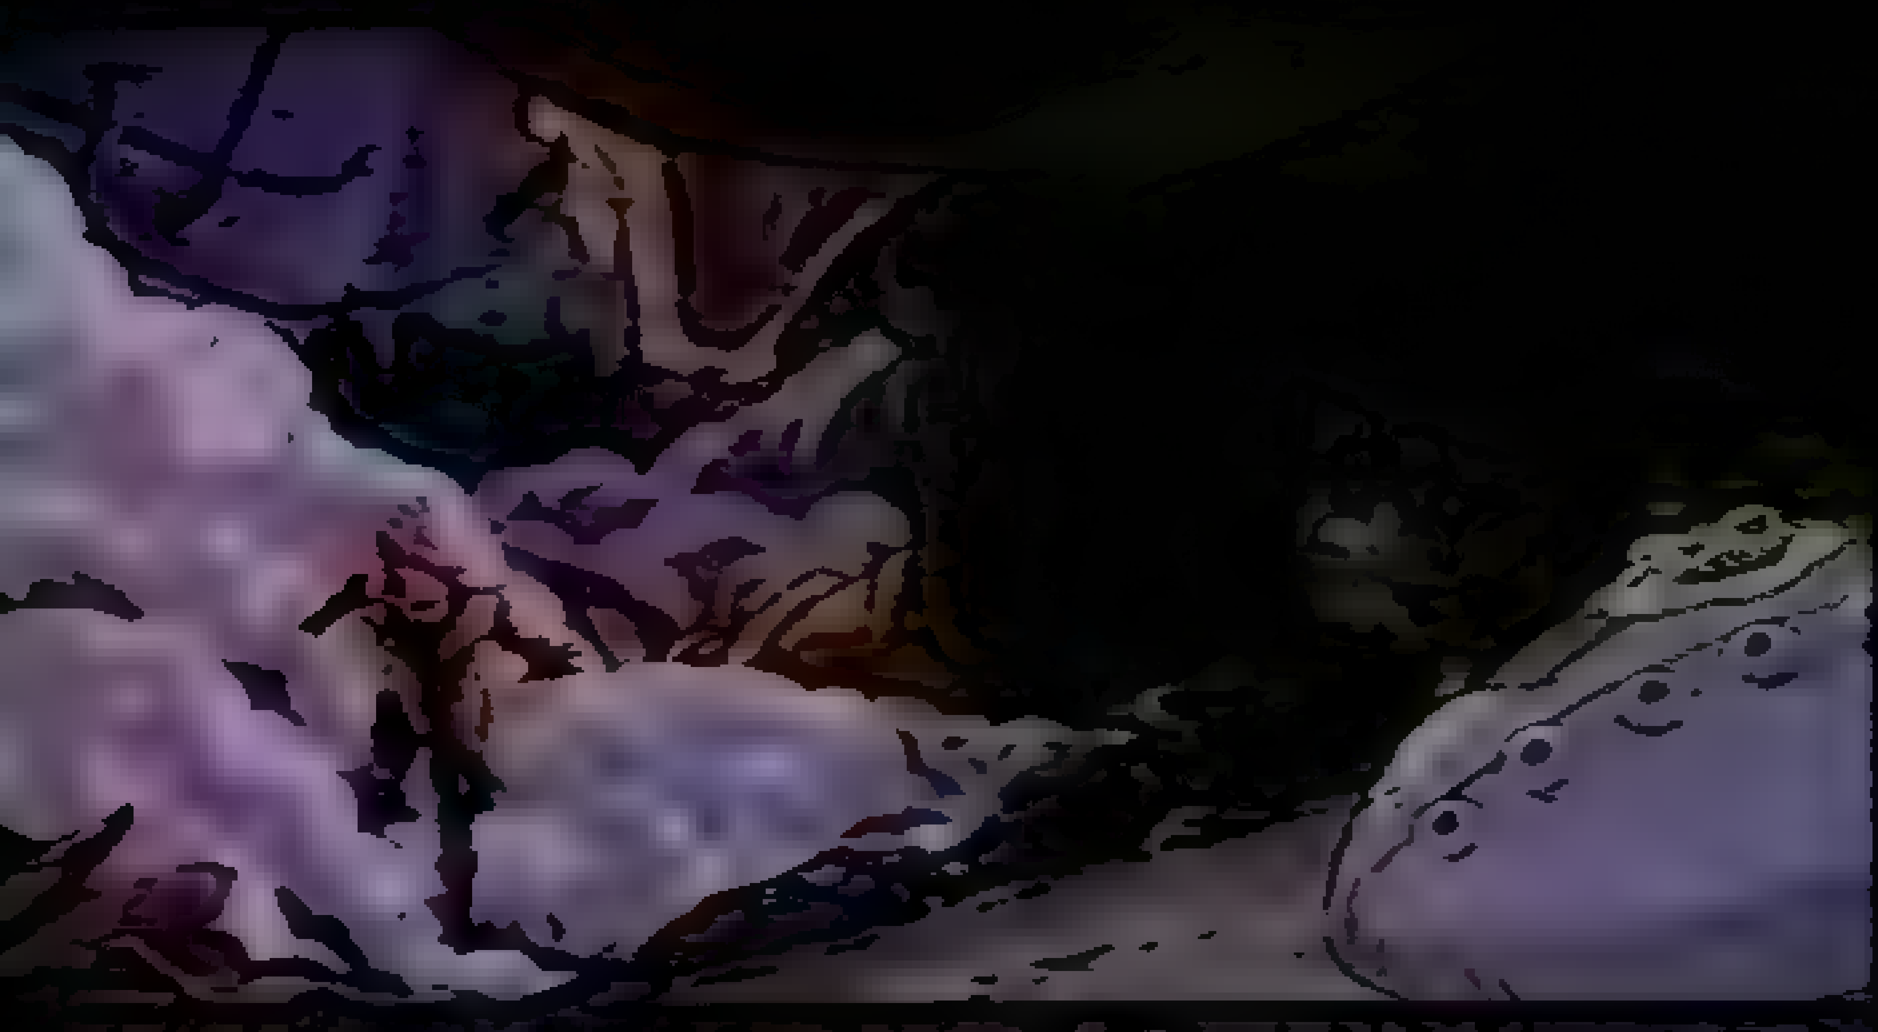

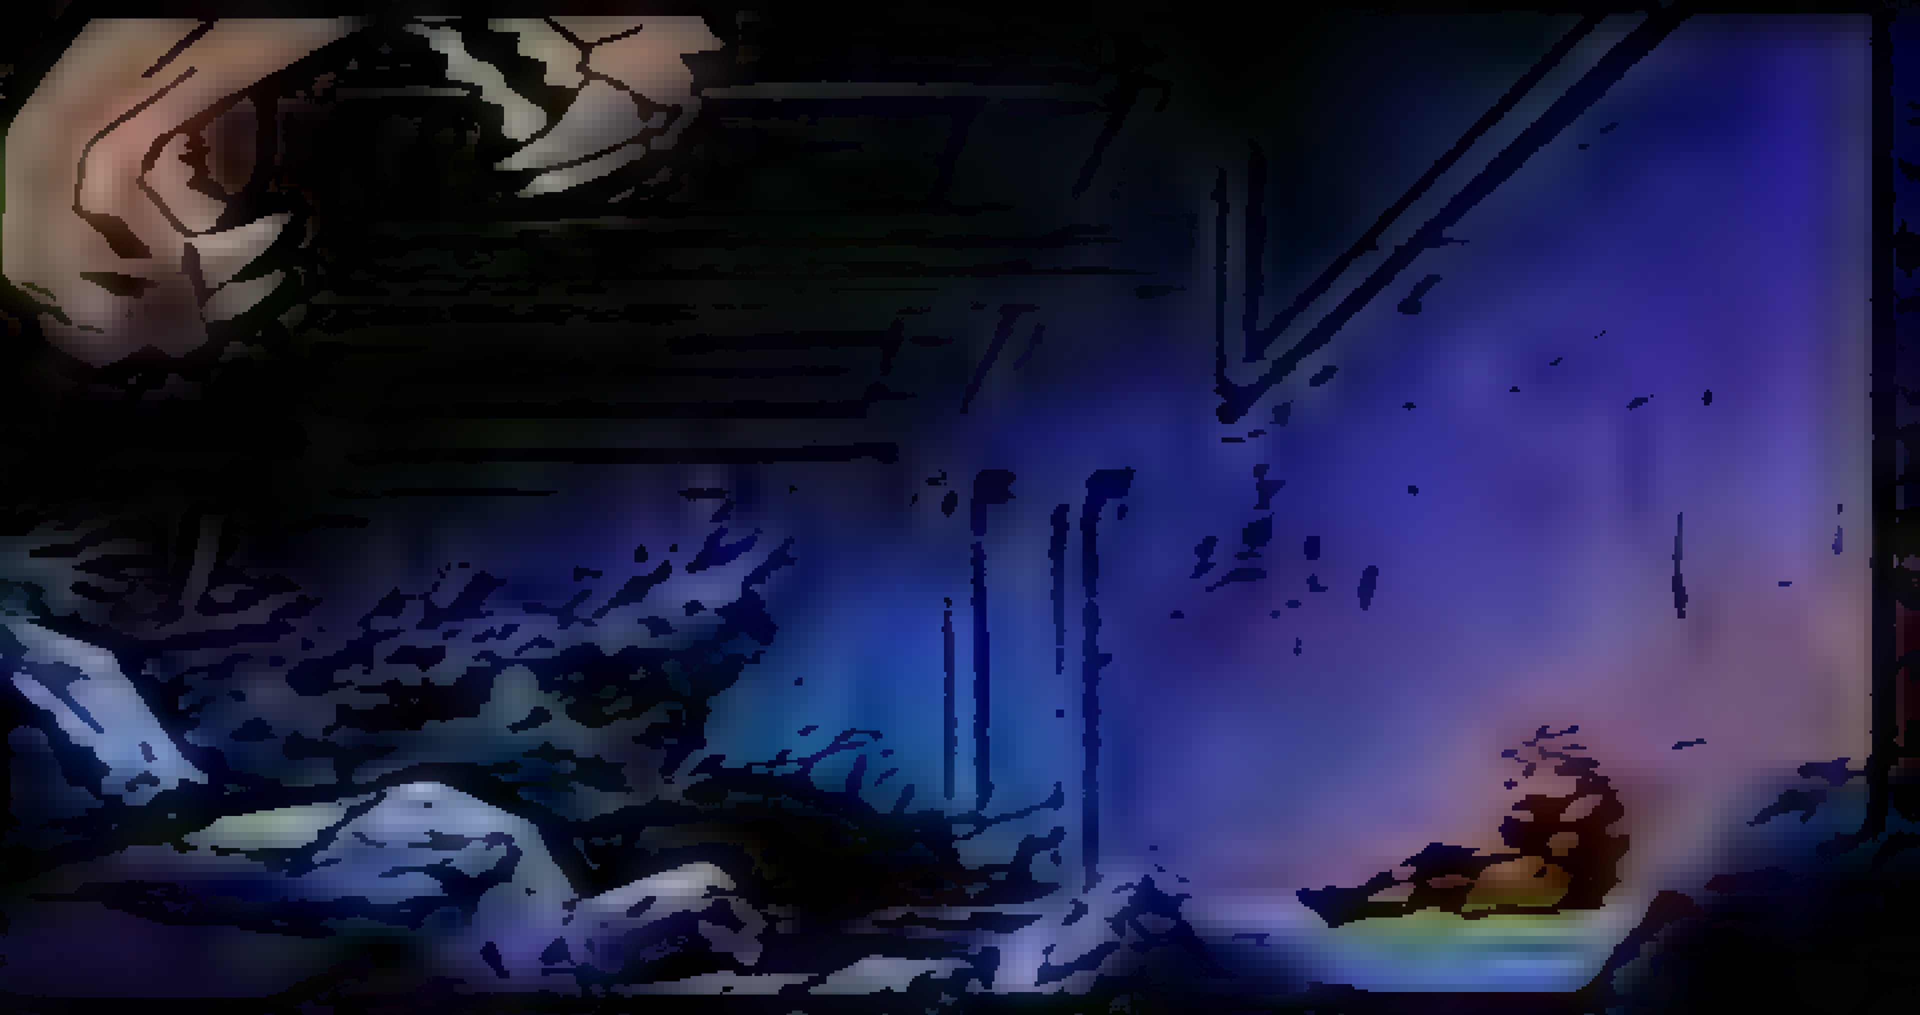

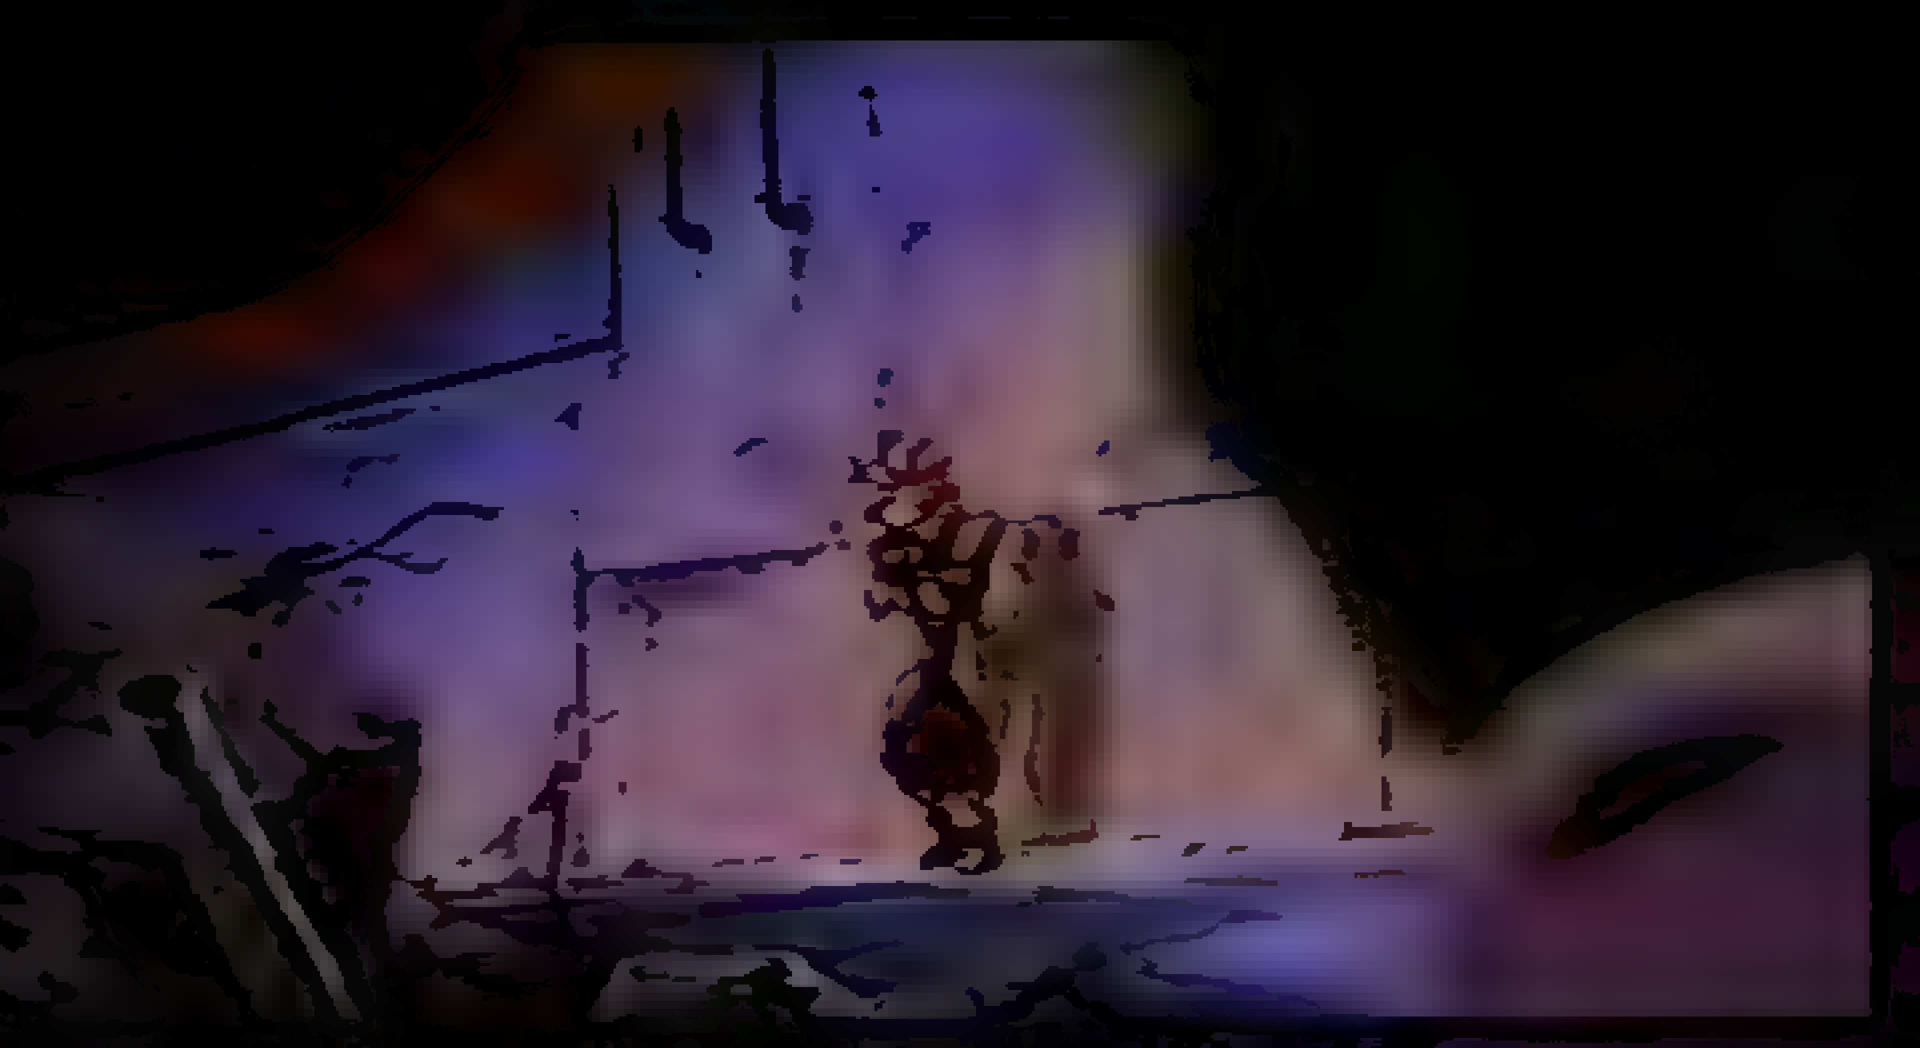

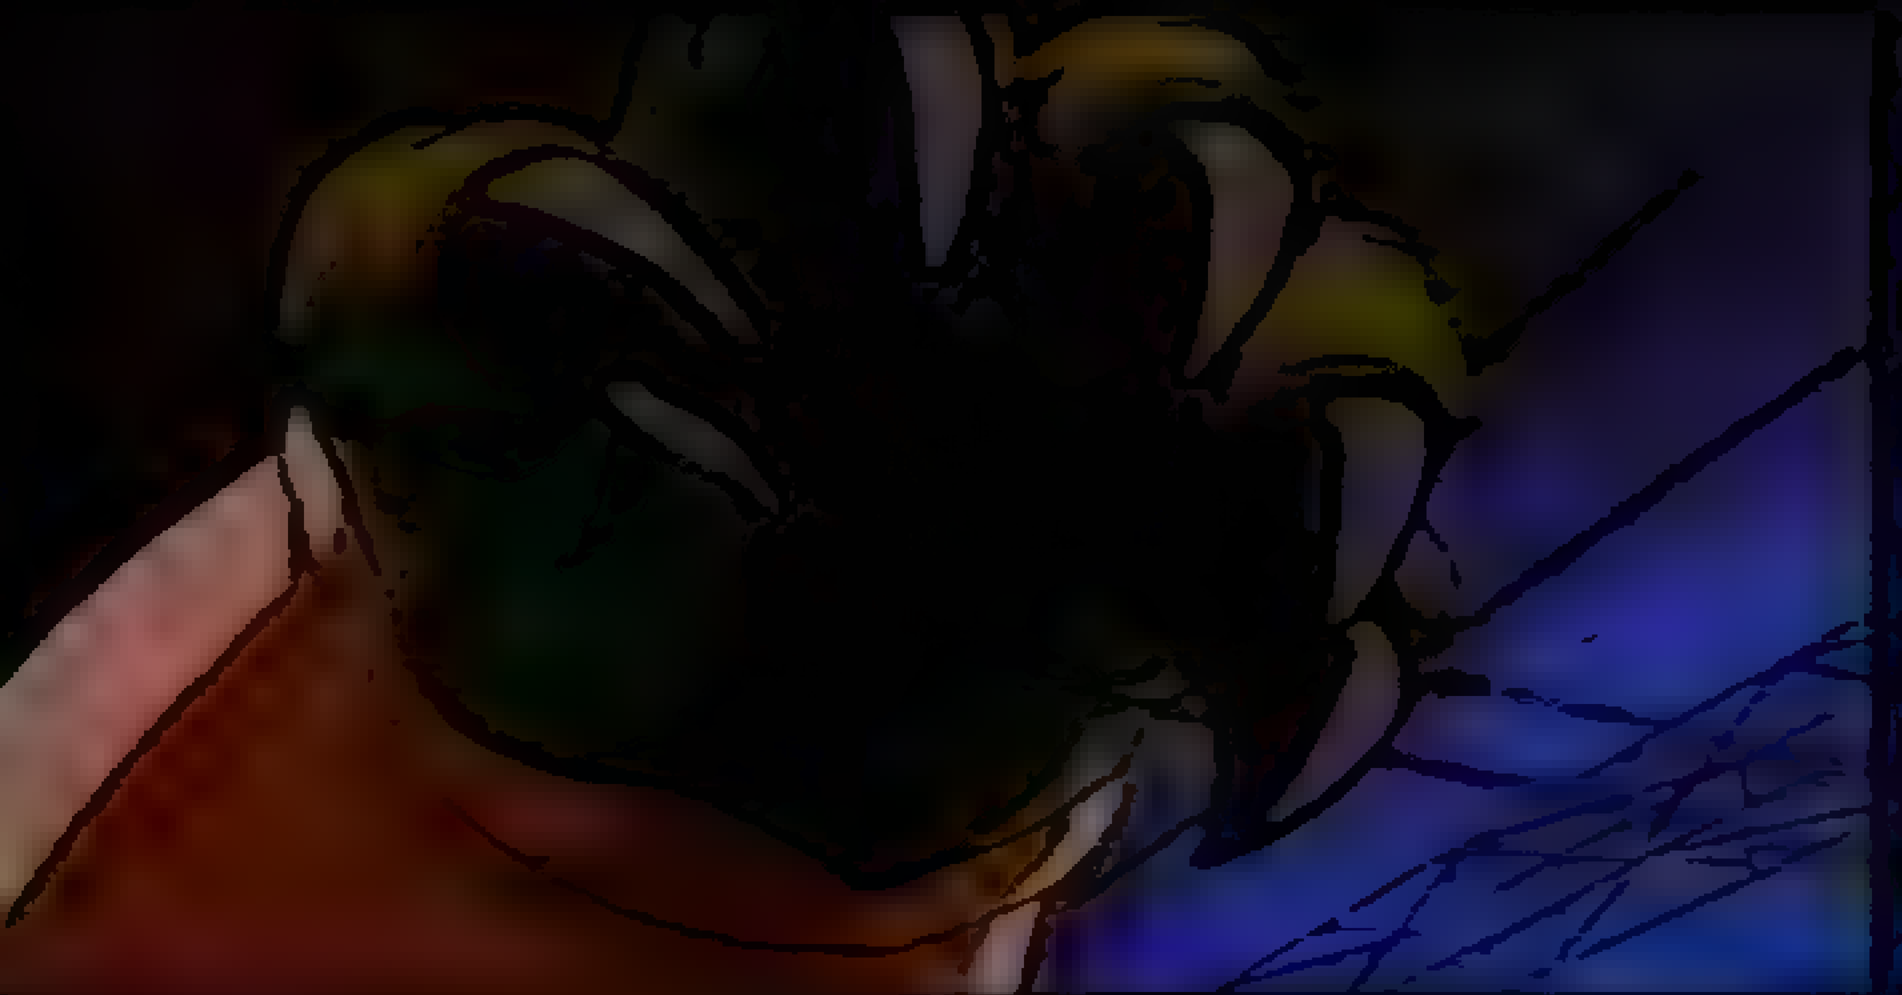

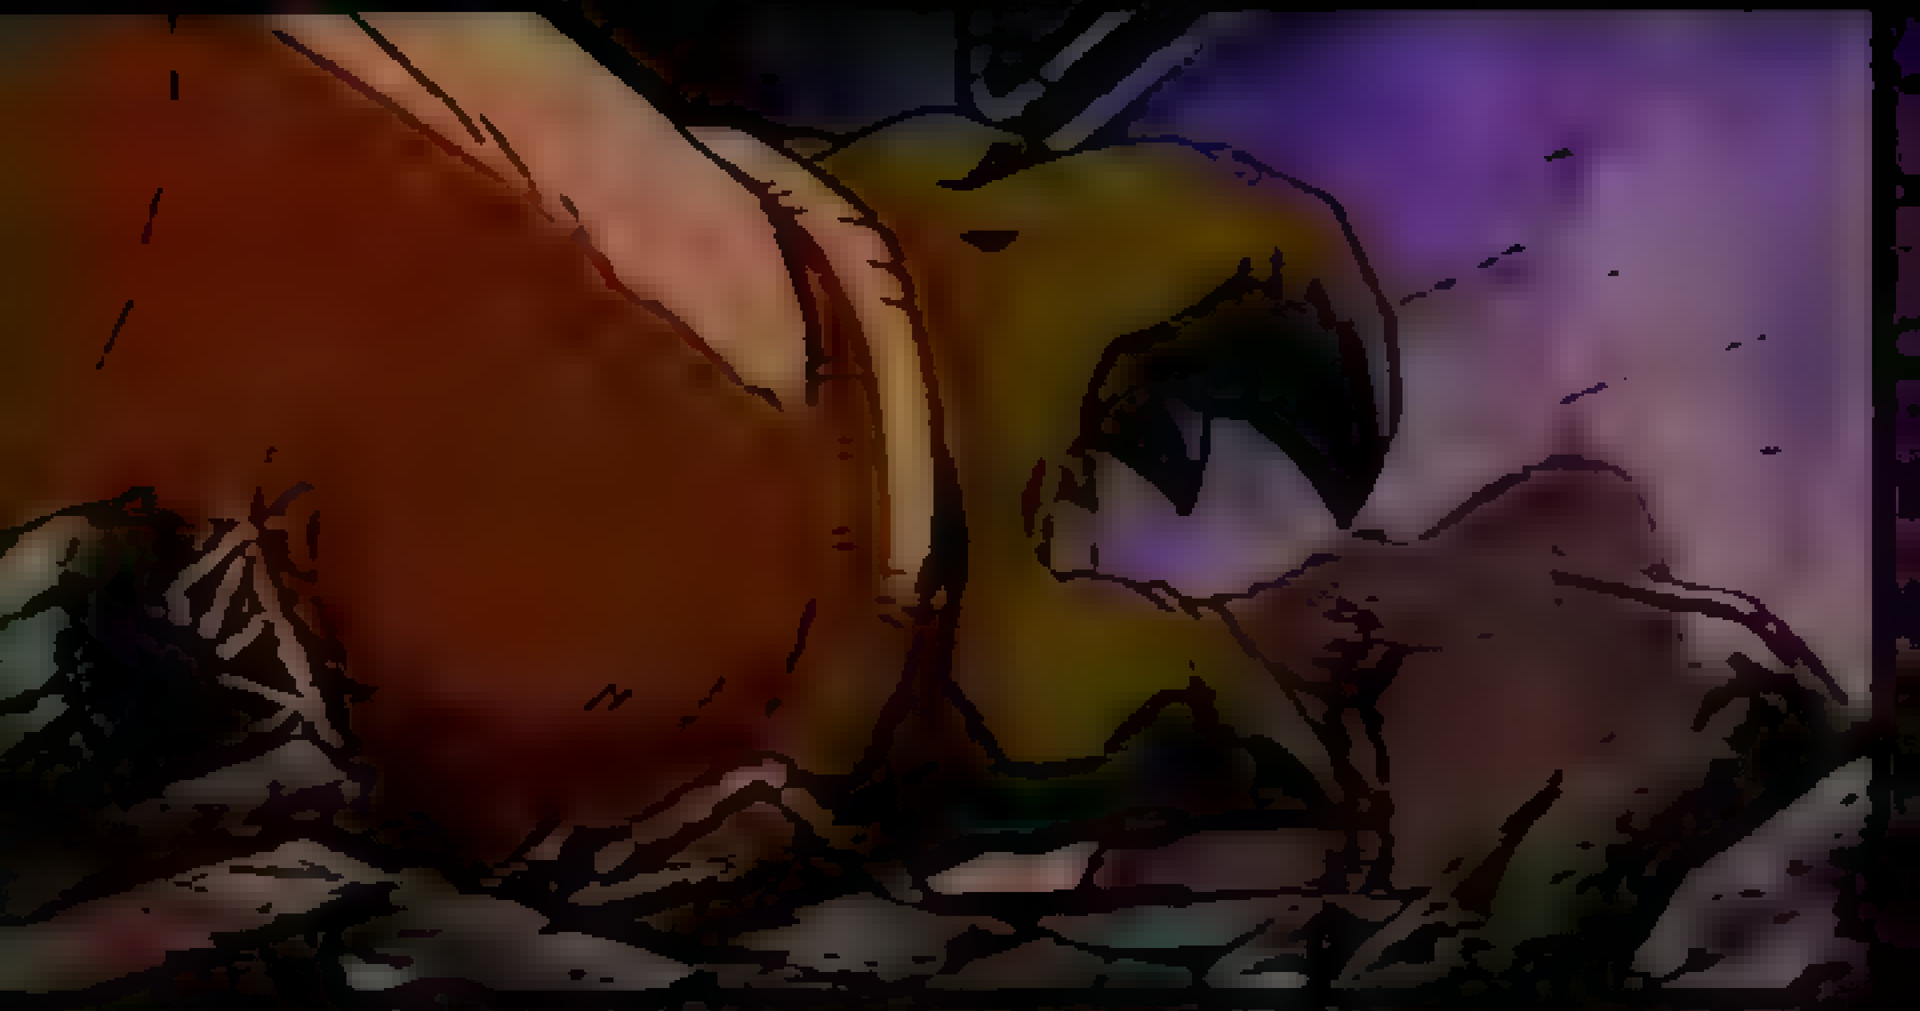

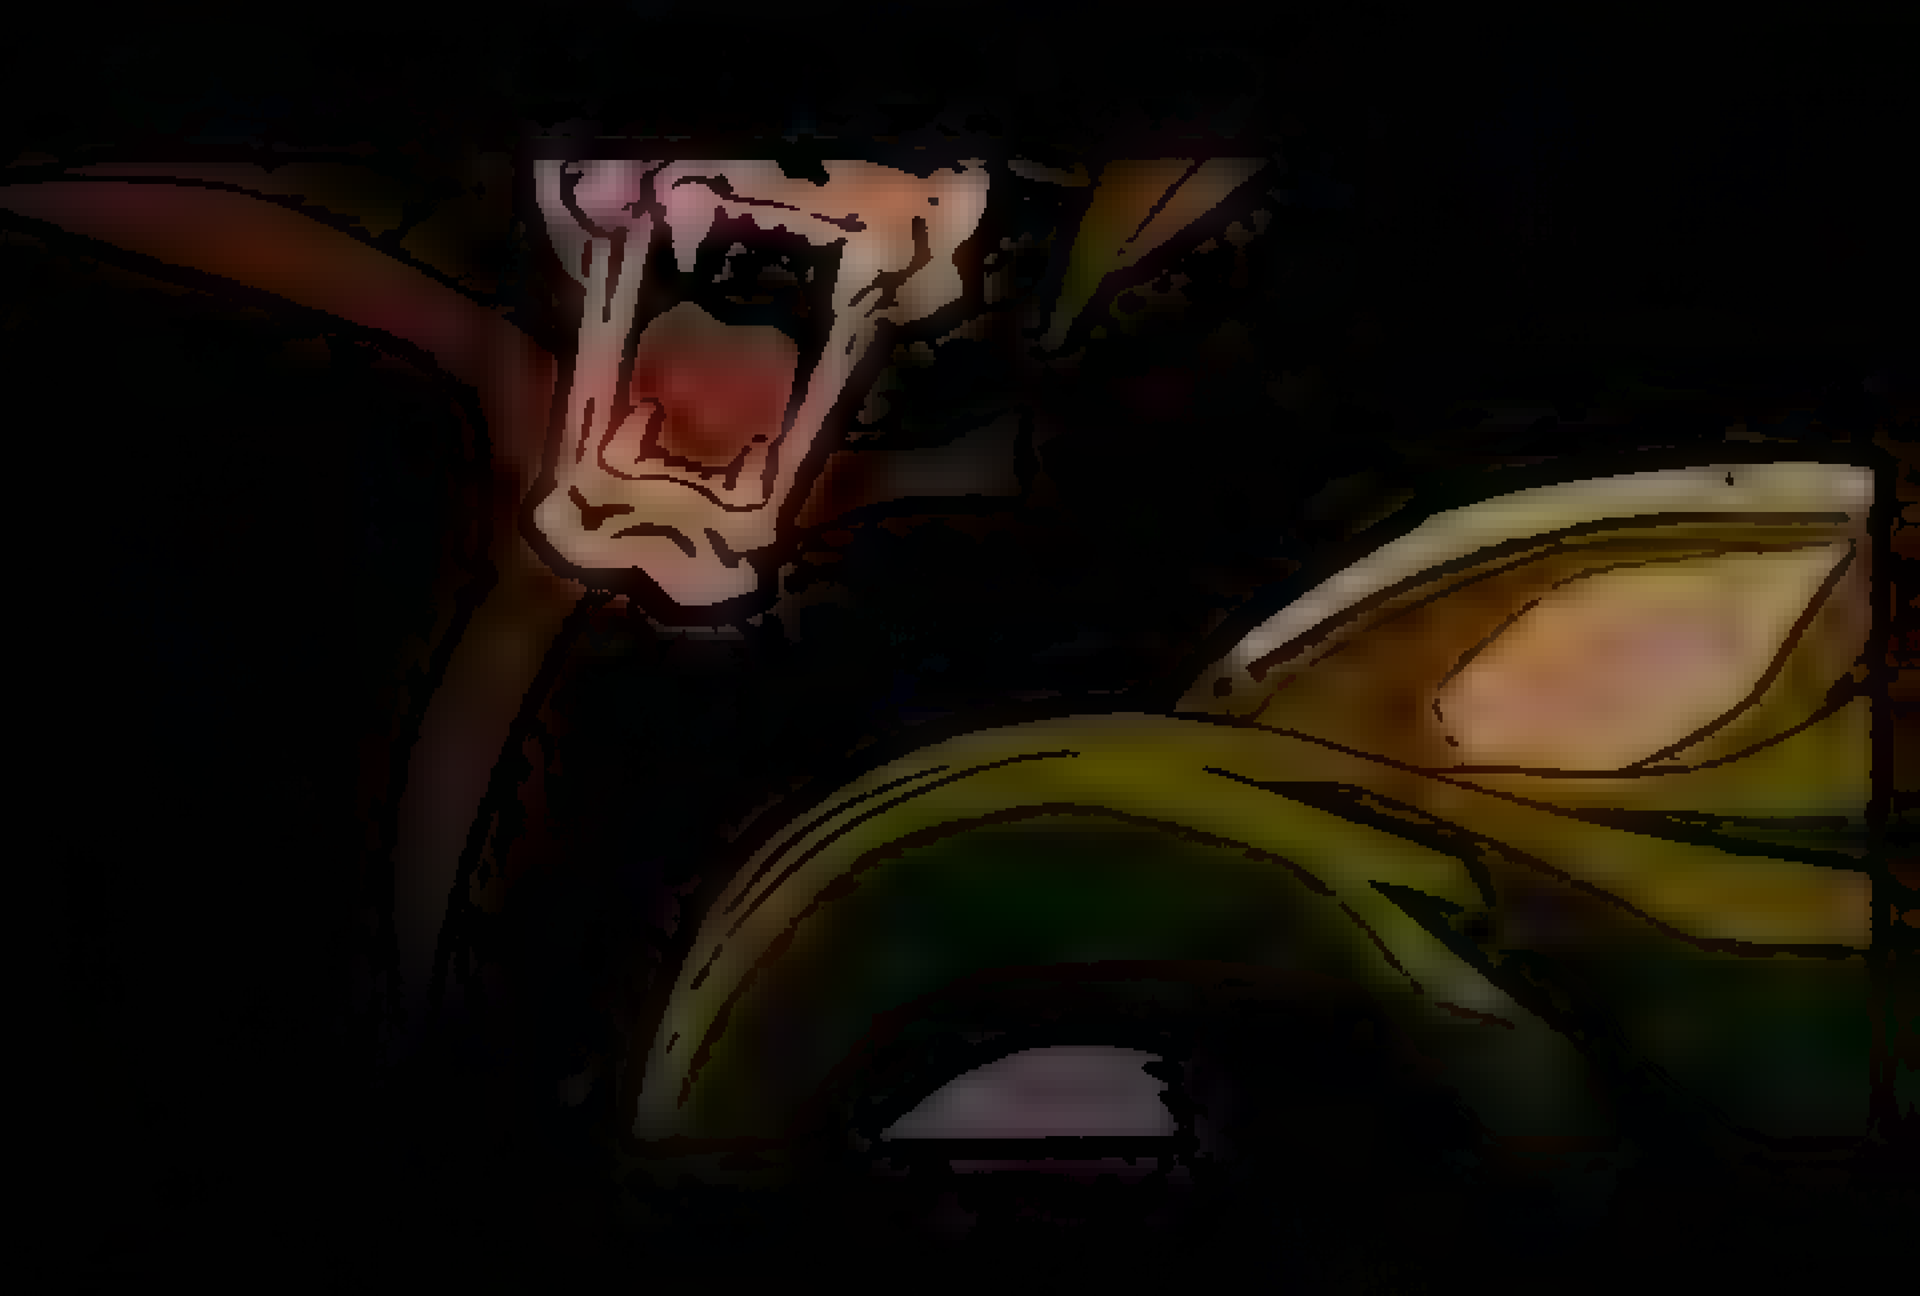

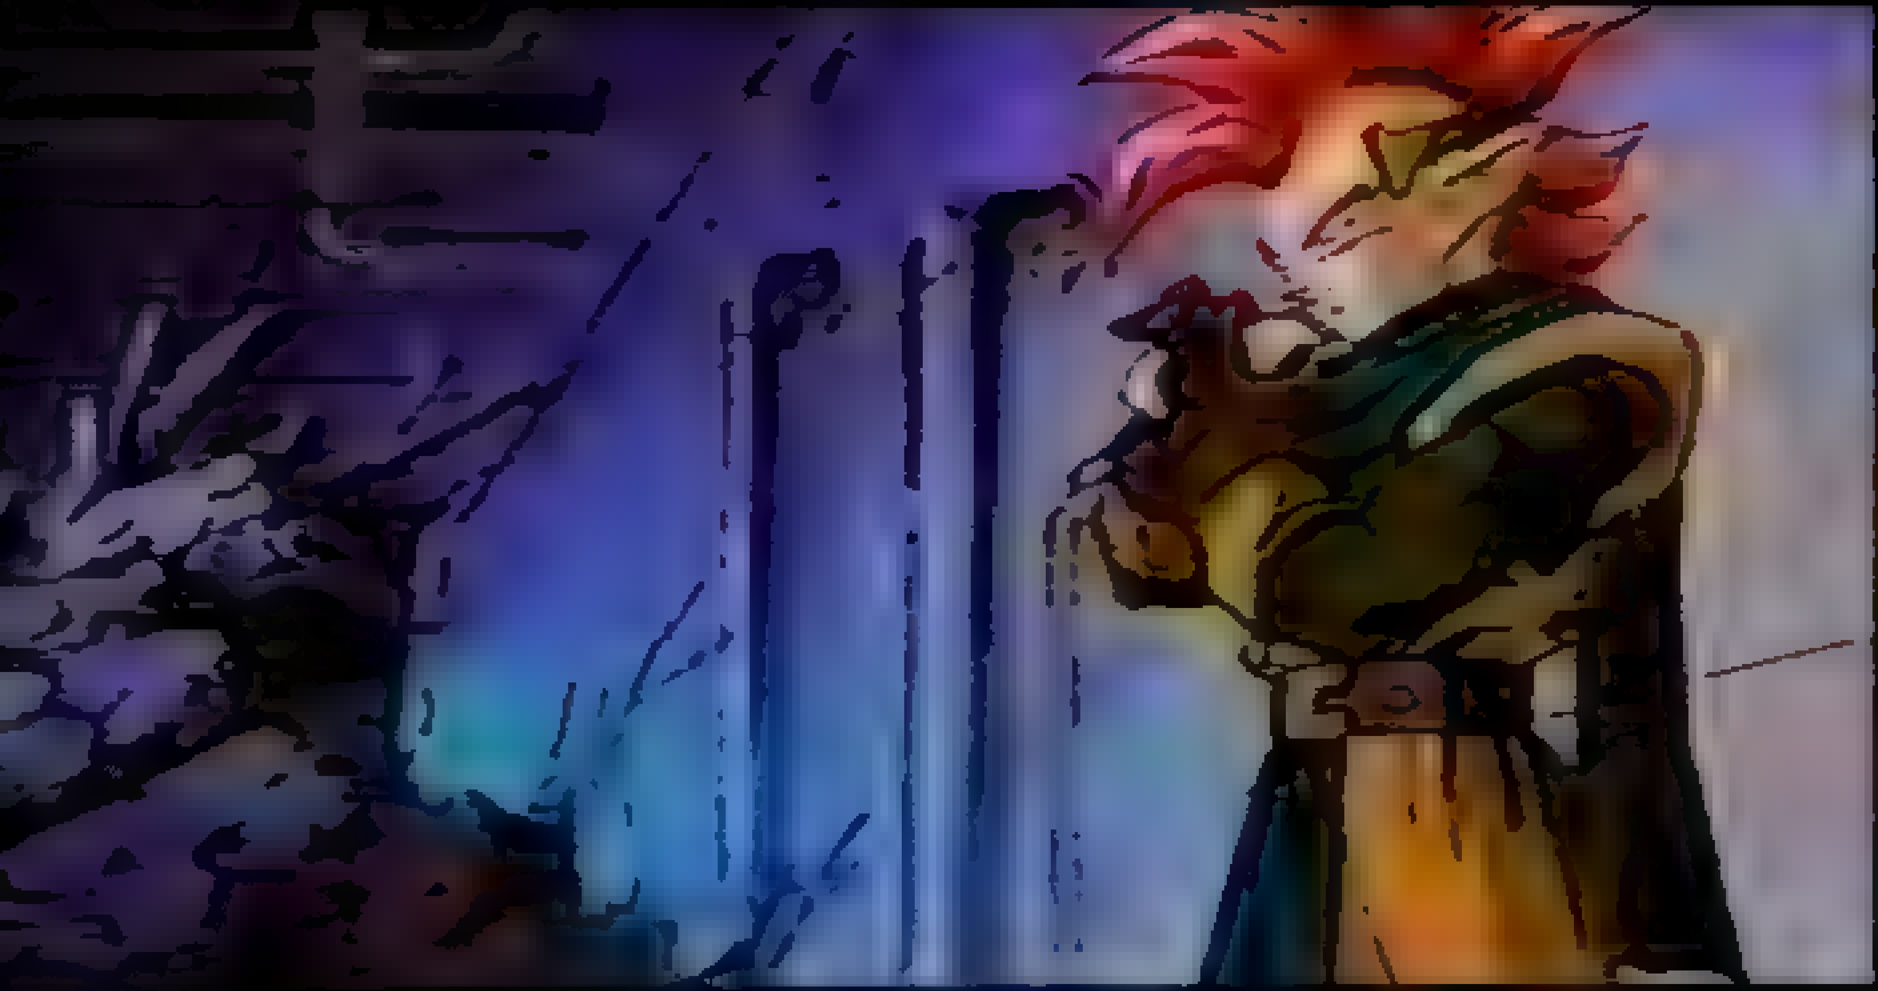

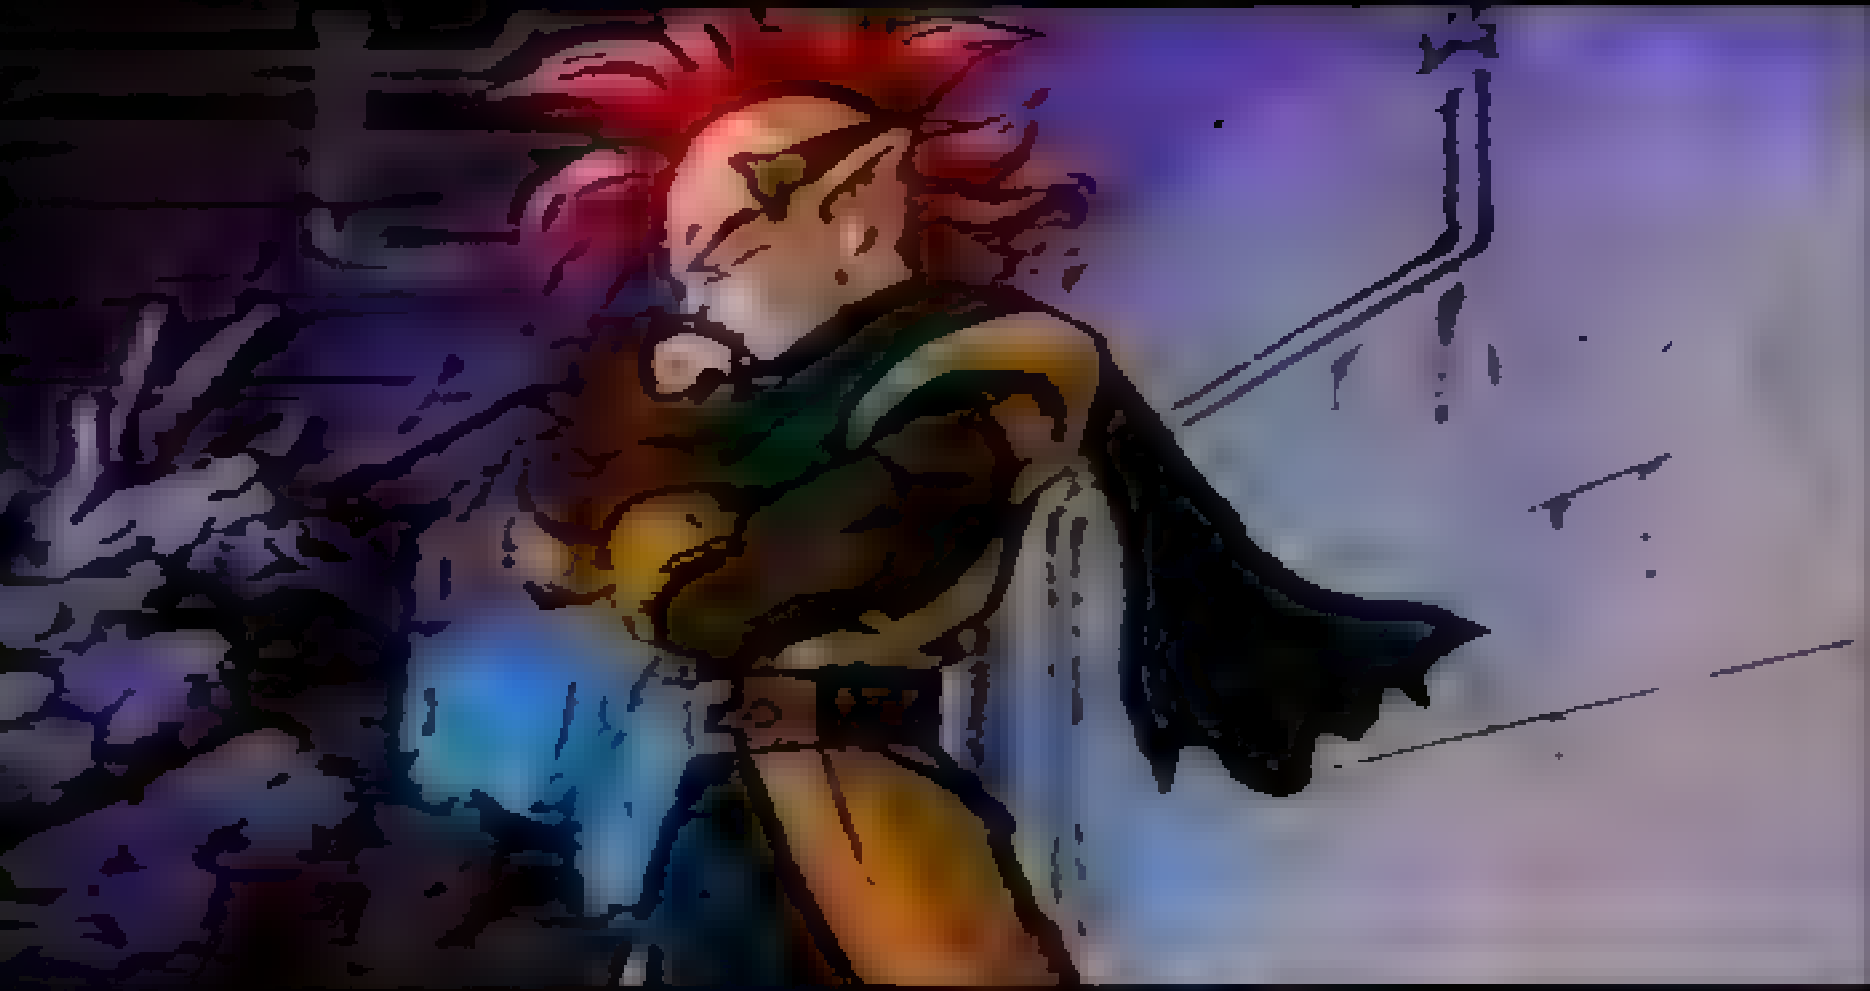

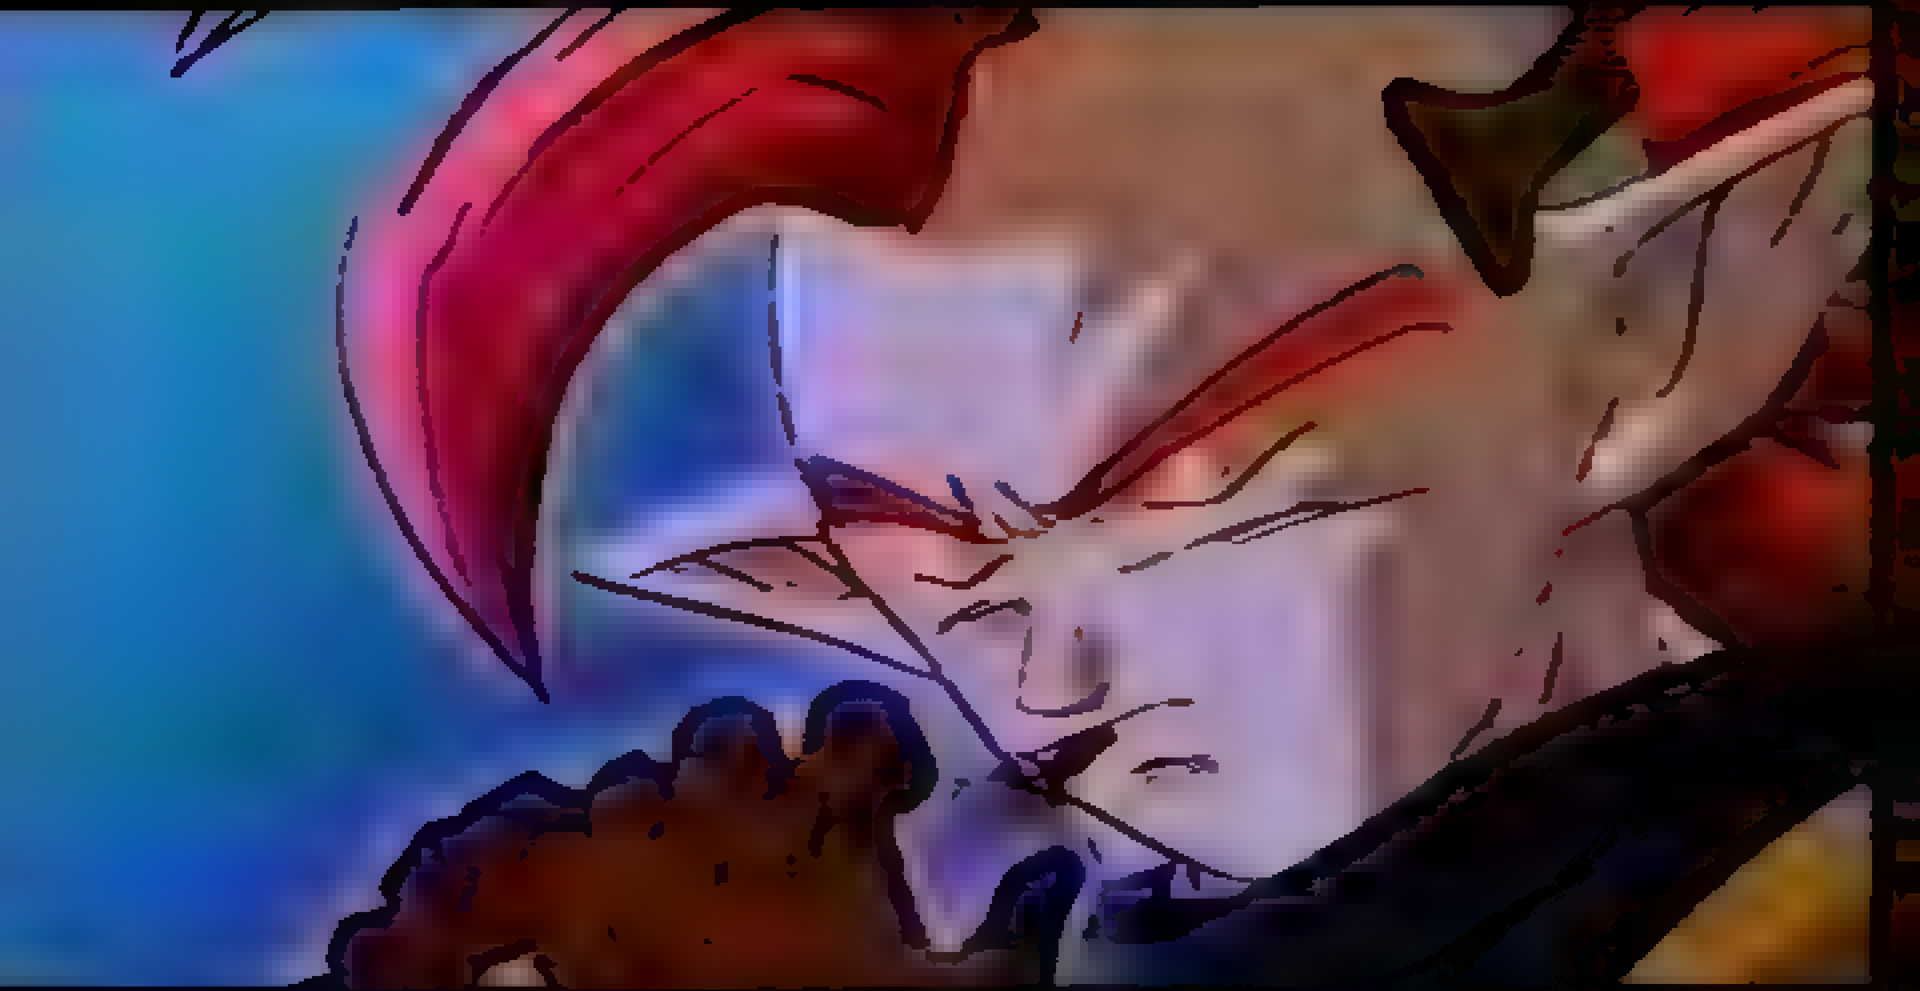

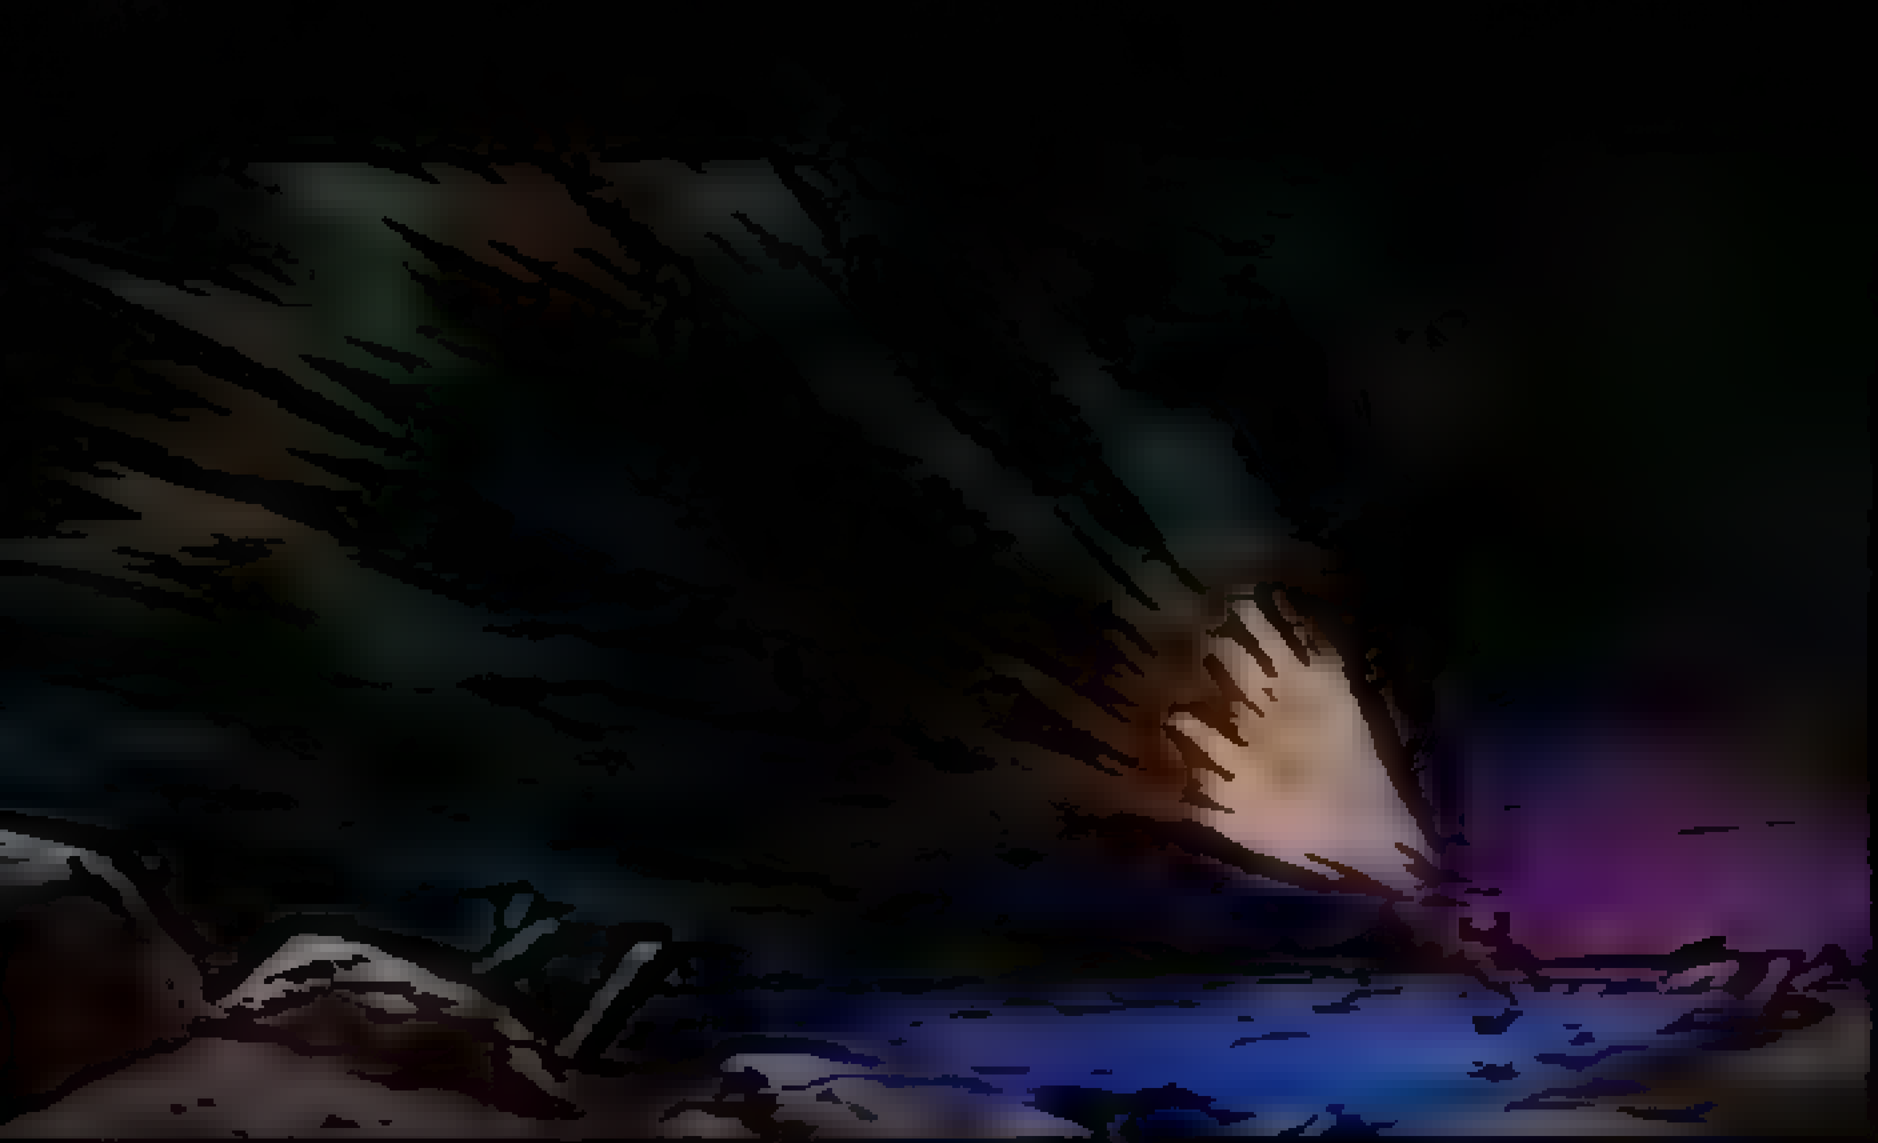

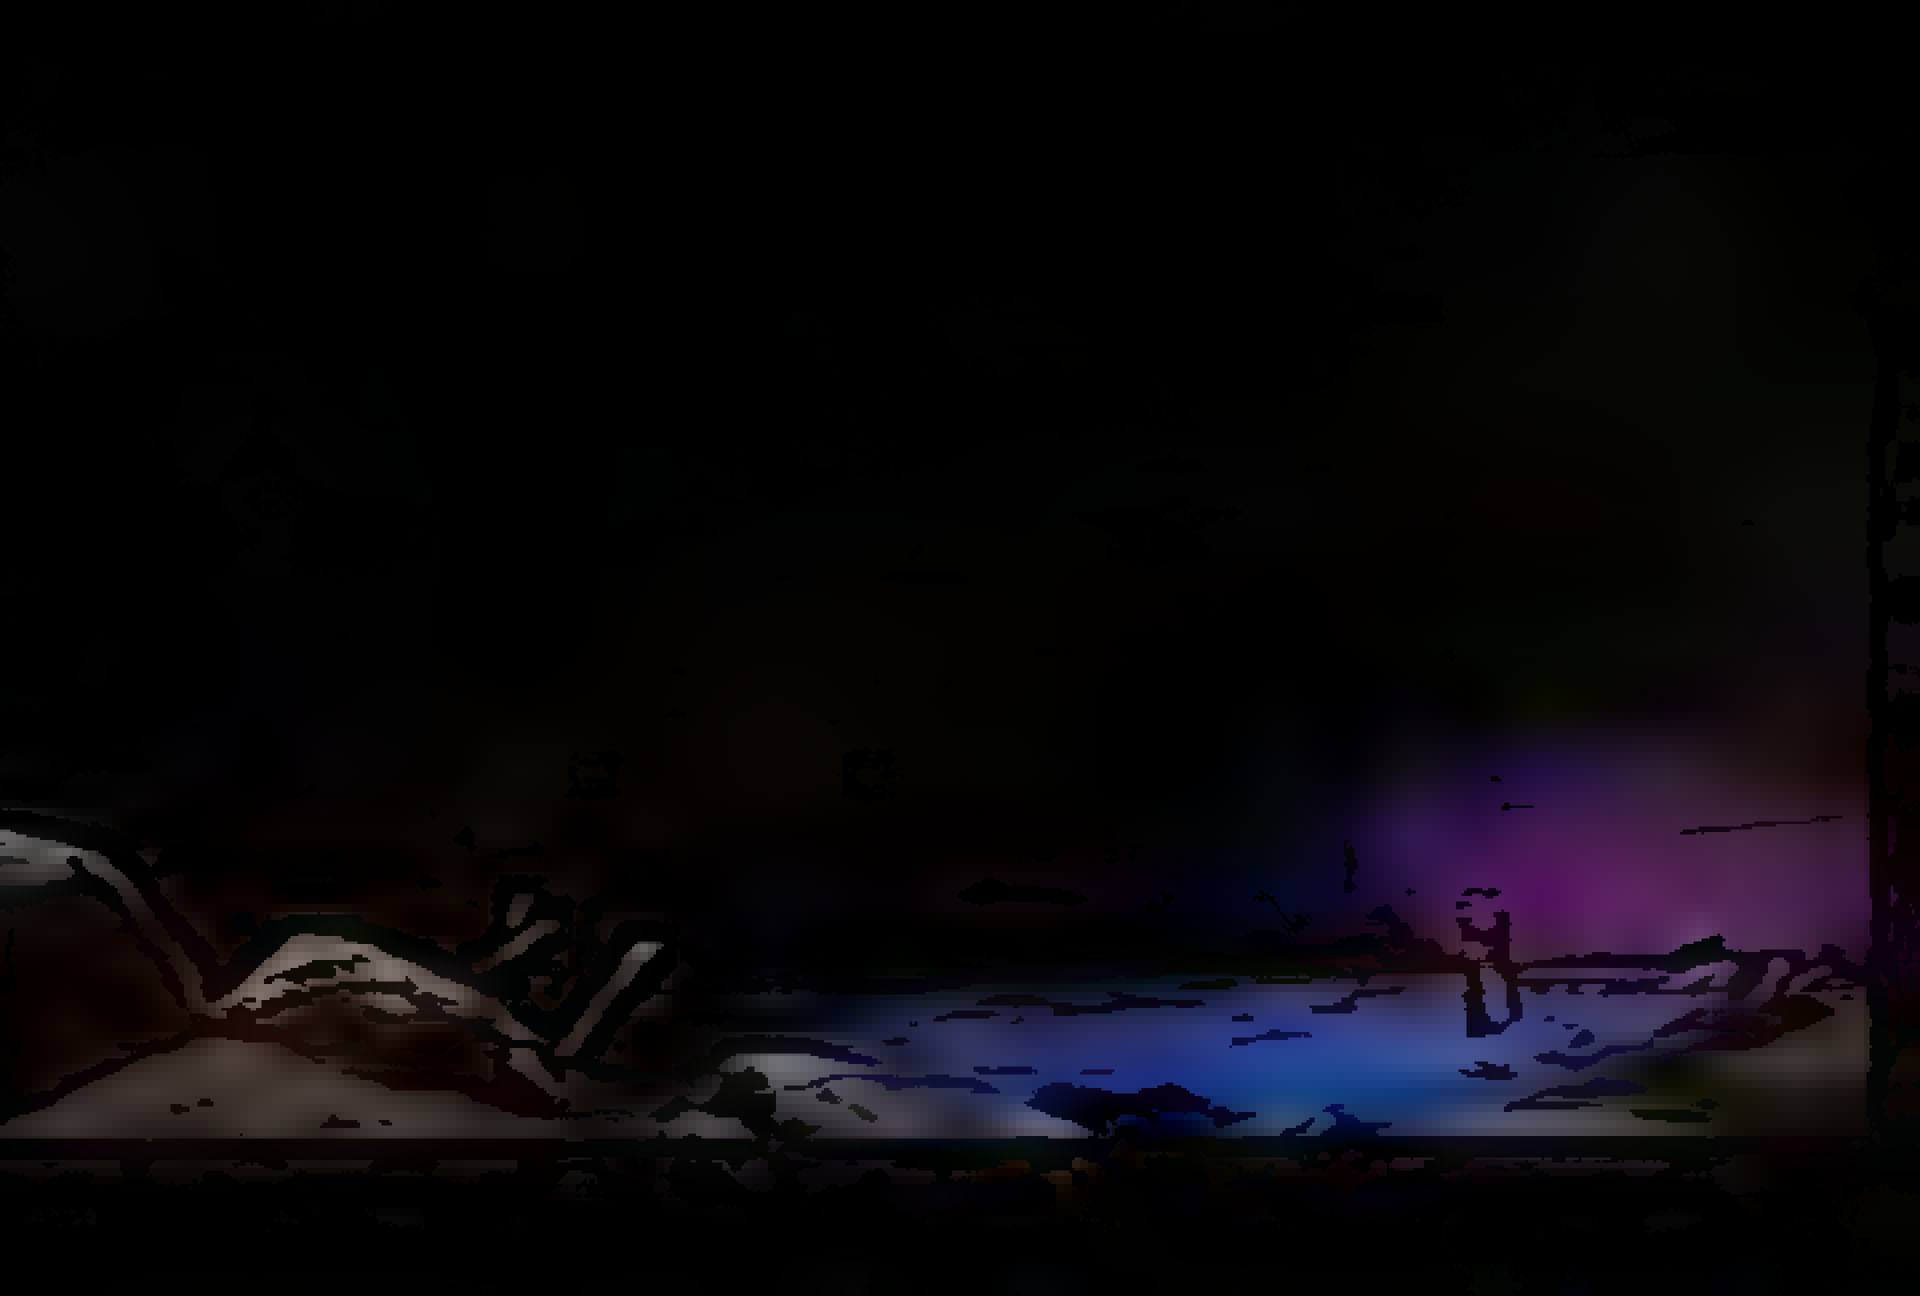

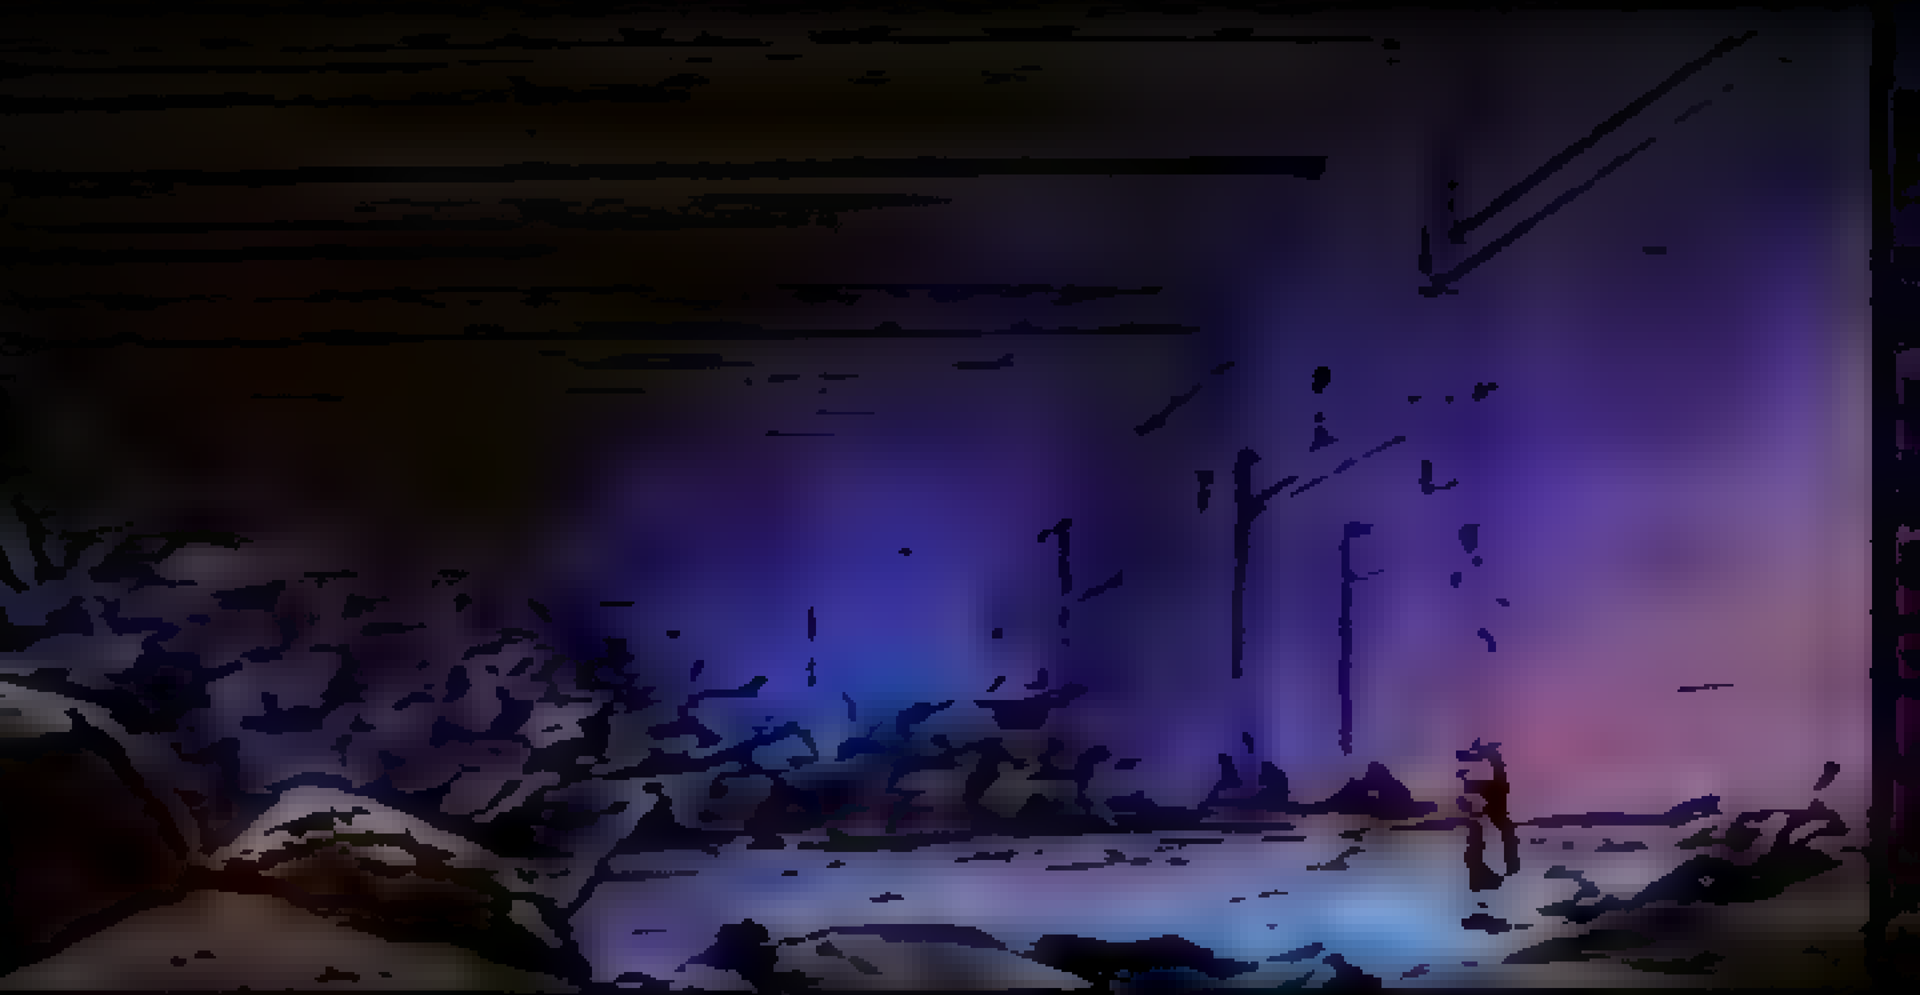

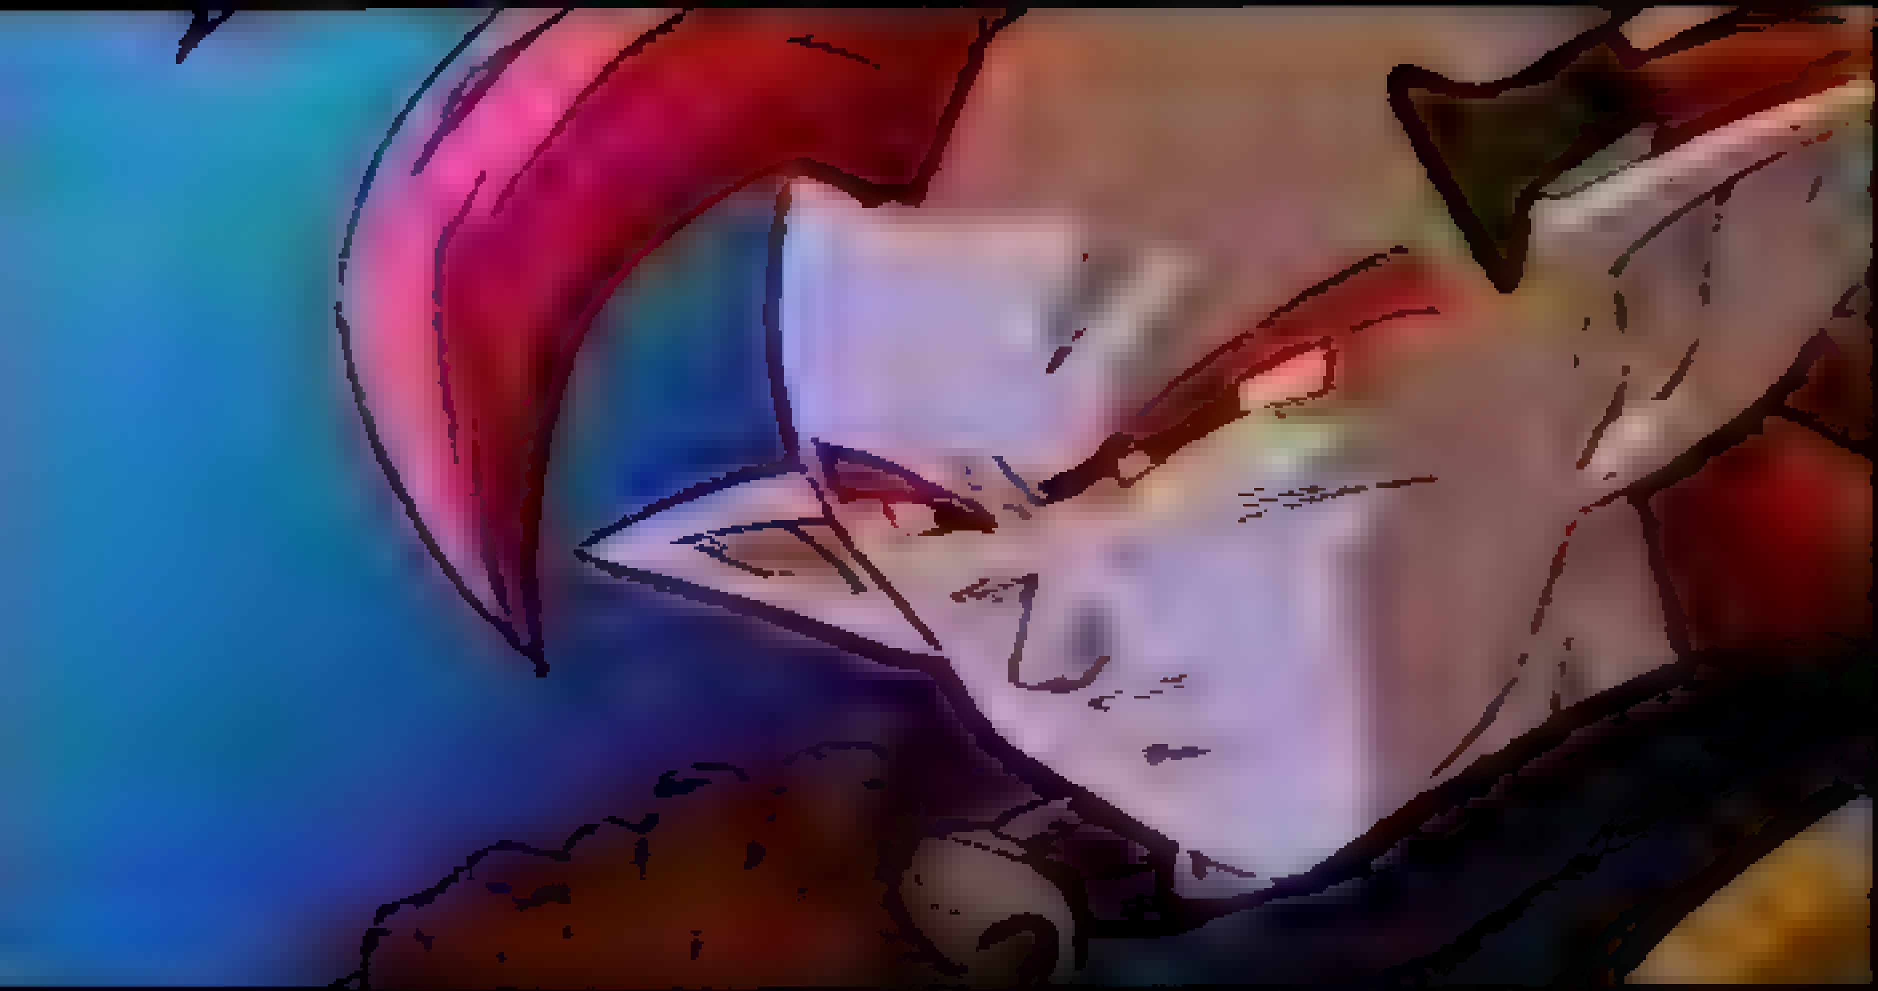

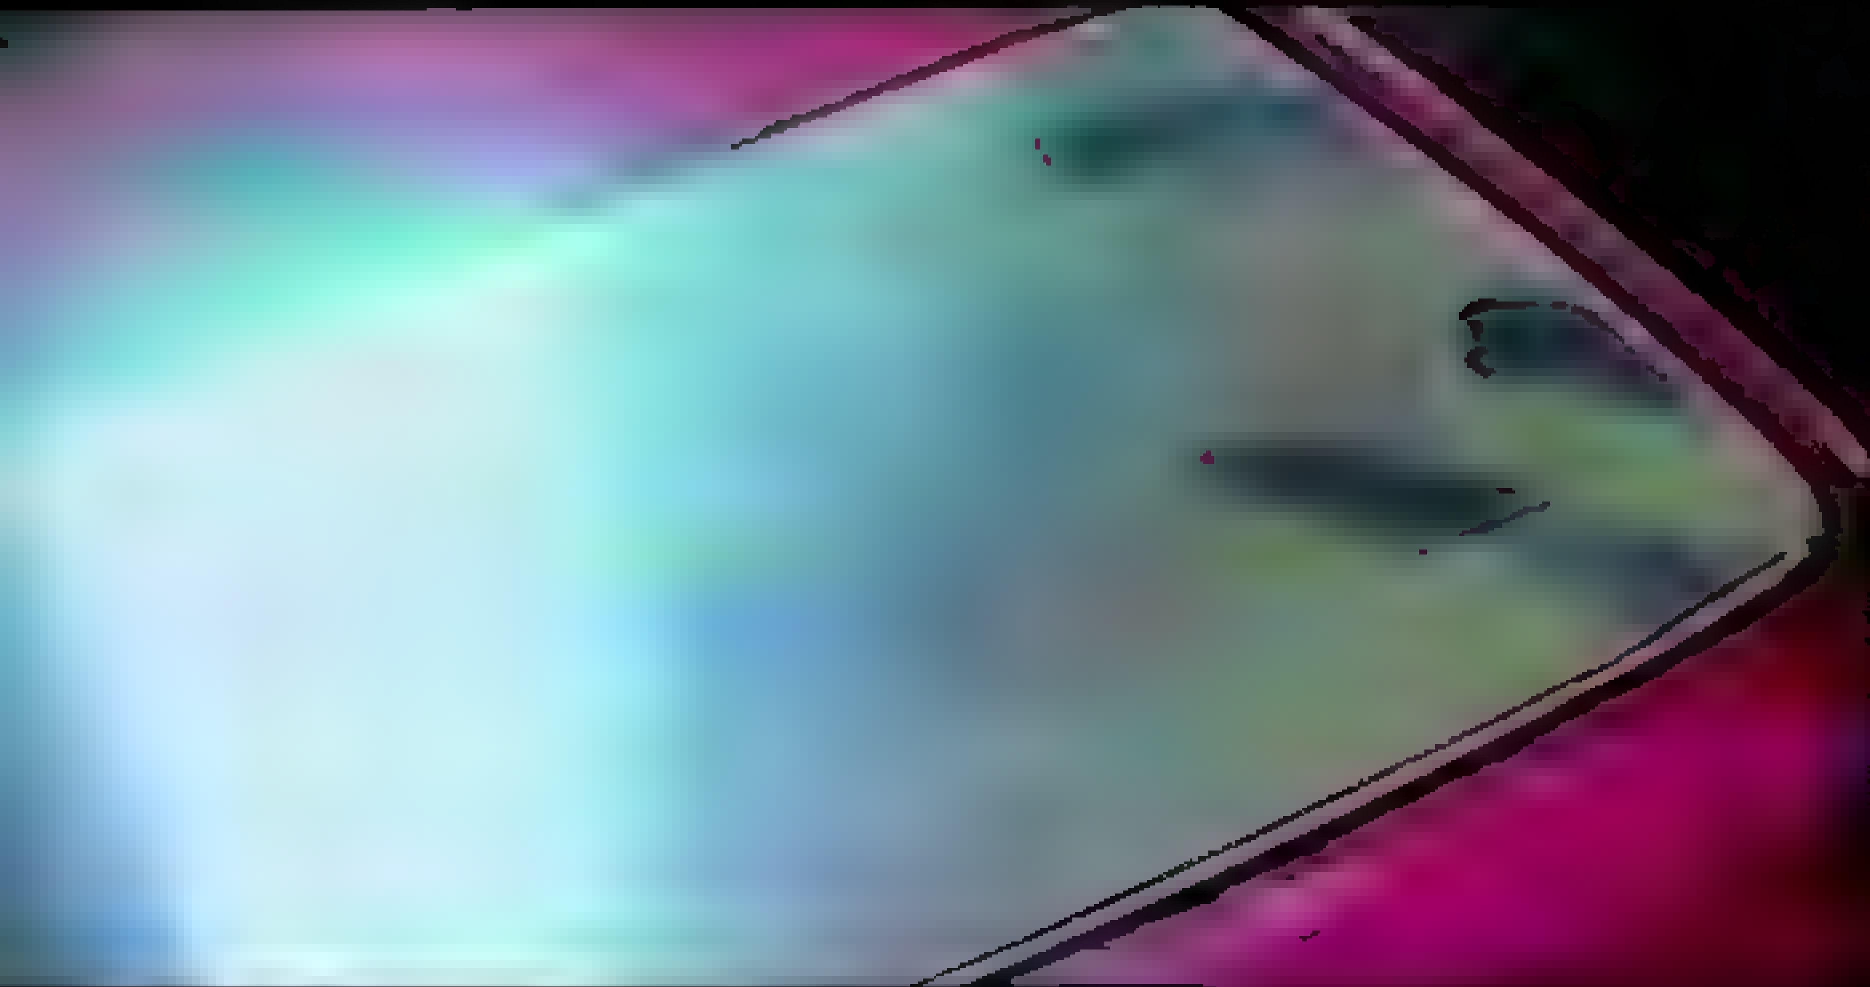

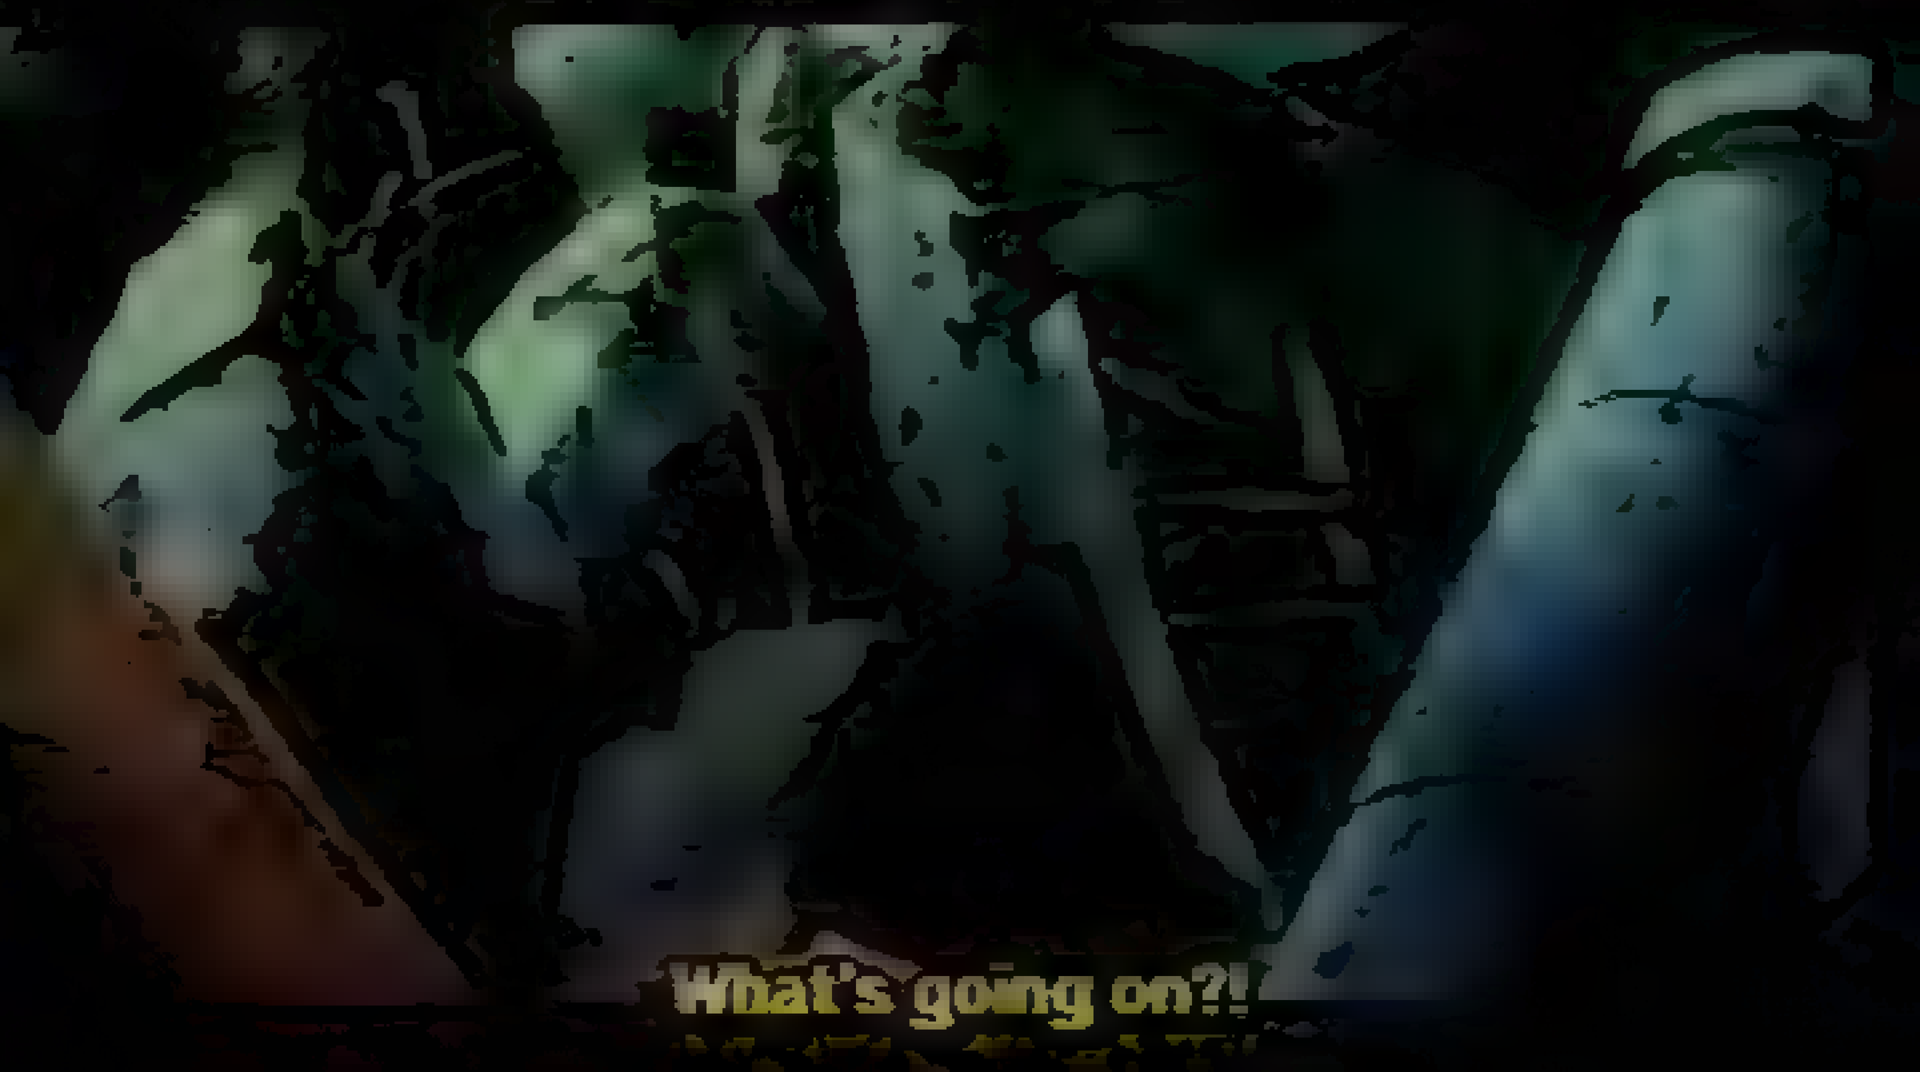

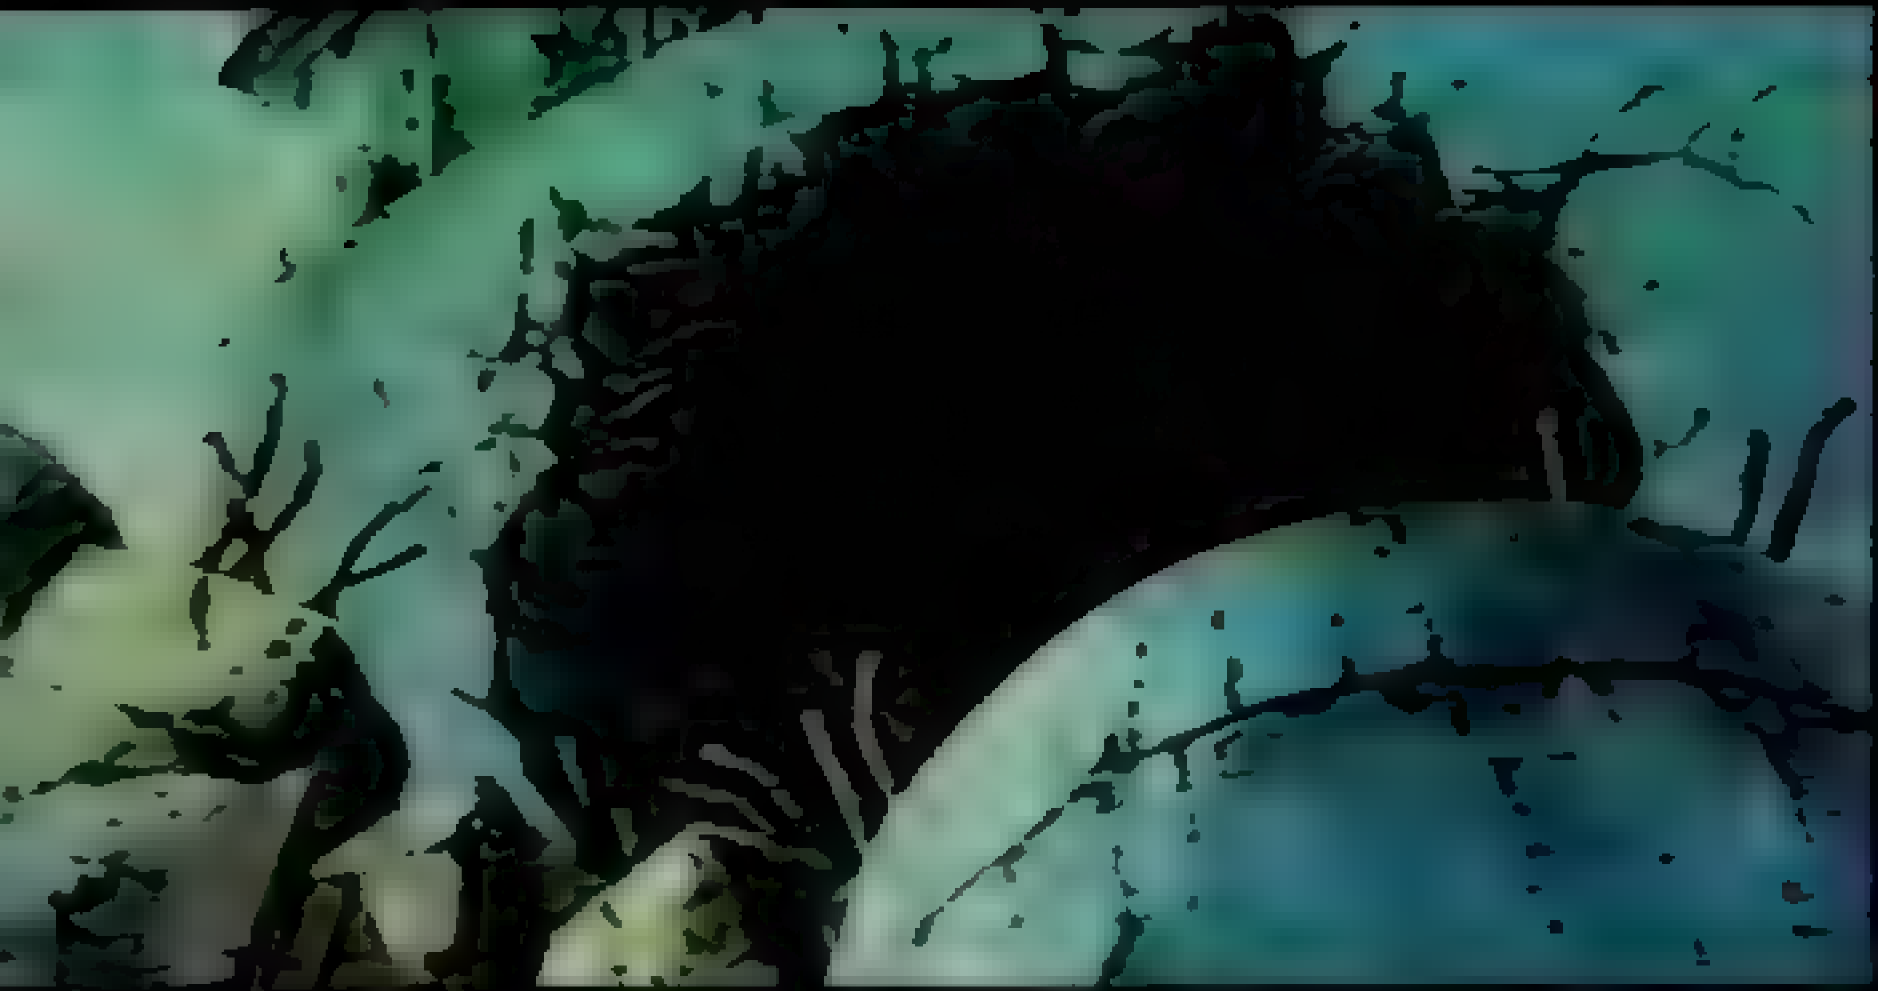

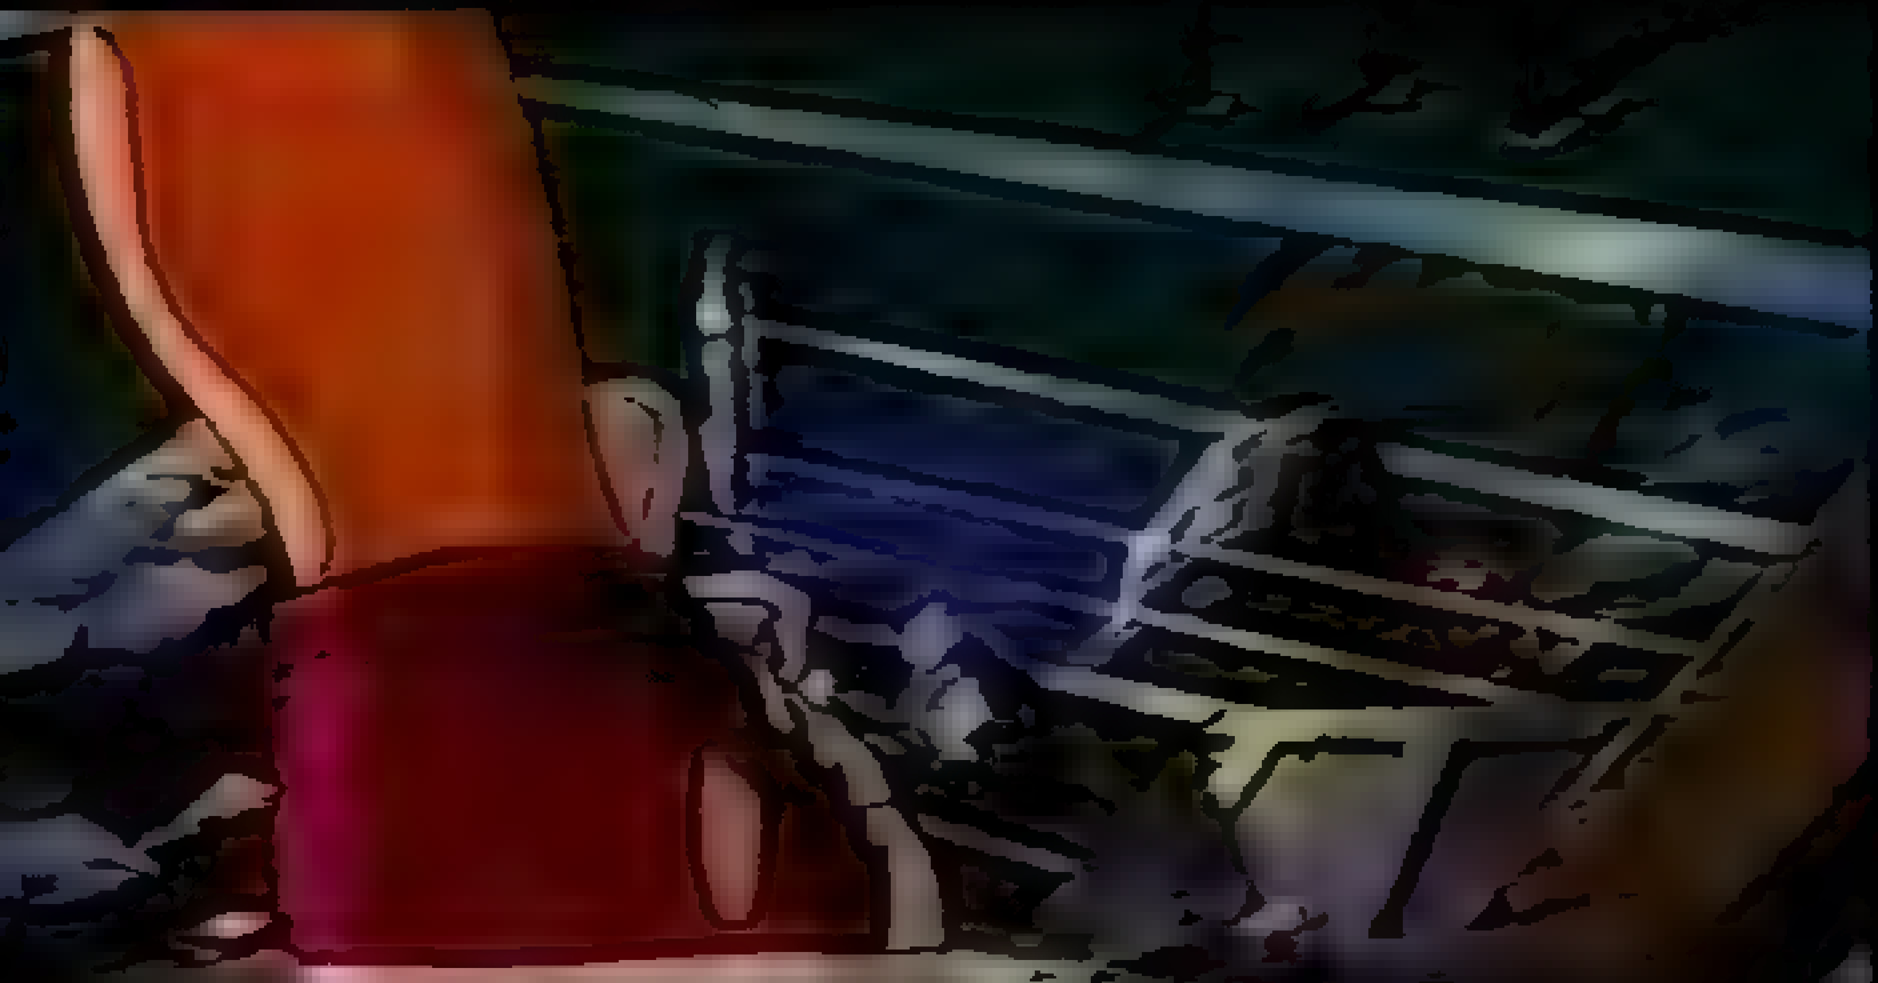

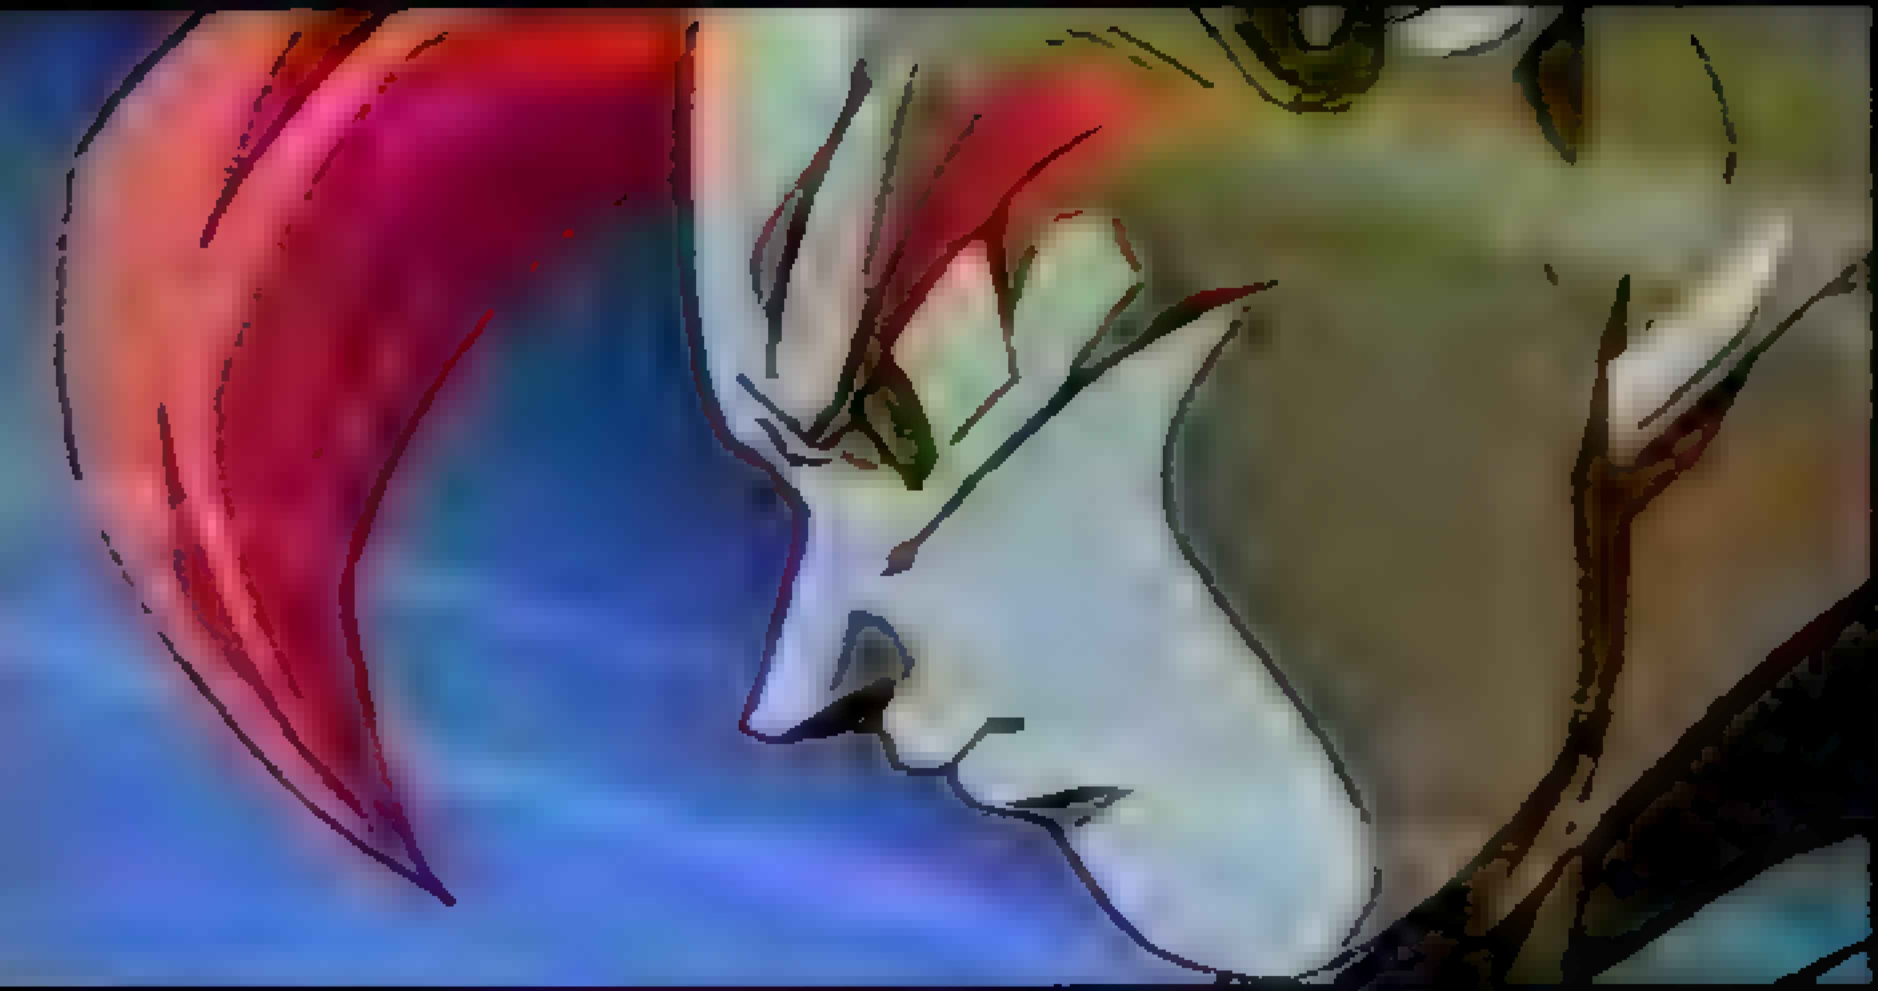

What's going on?!

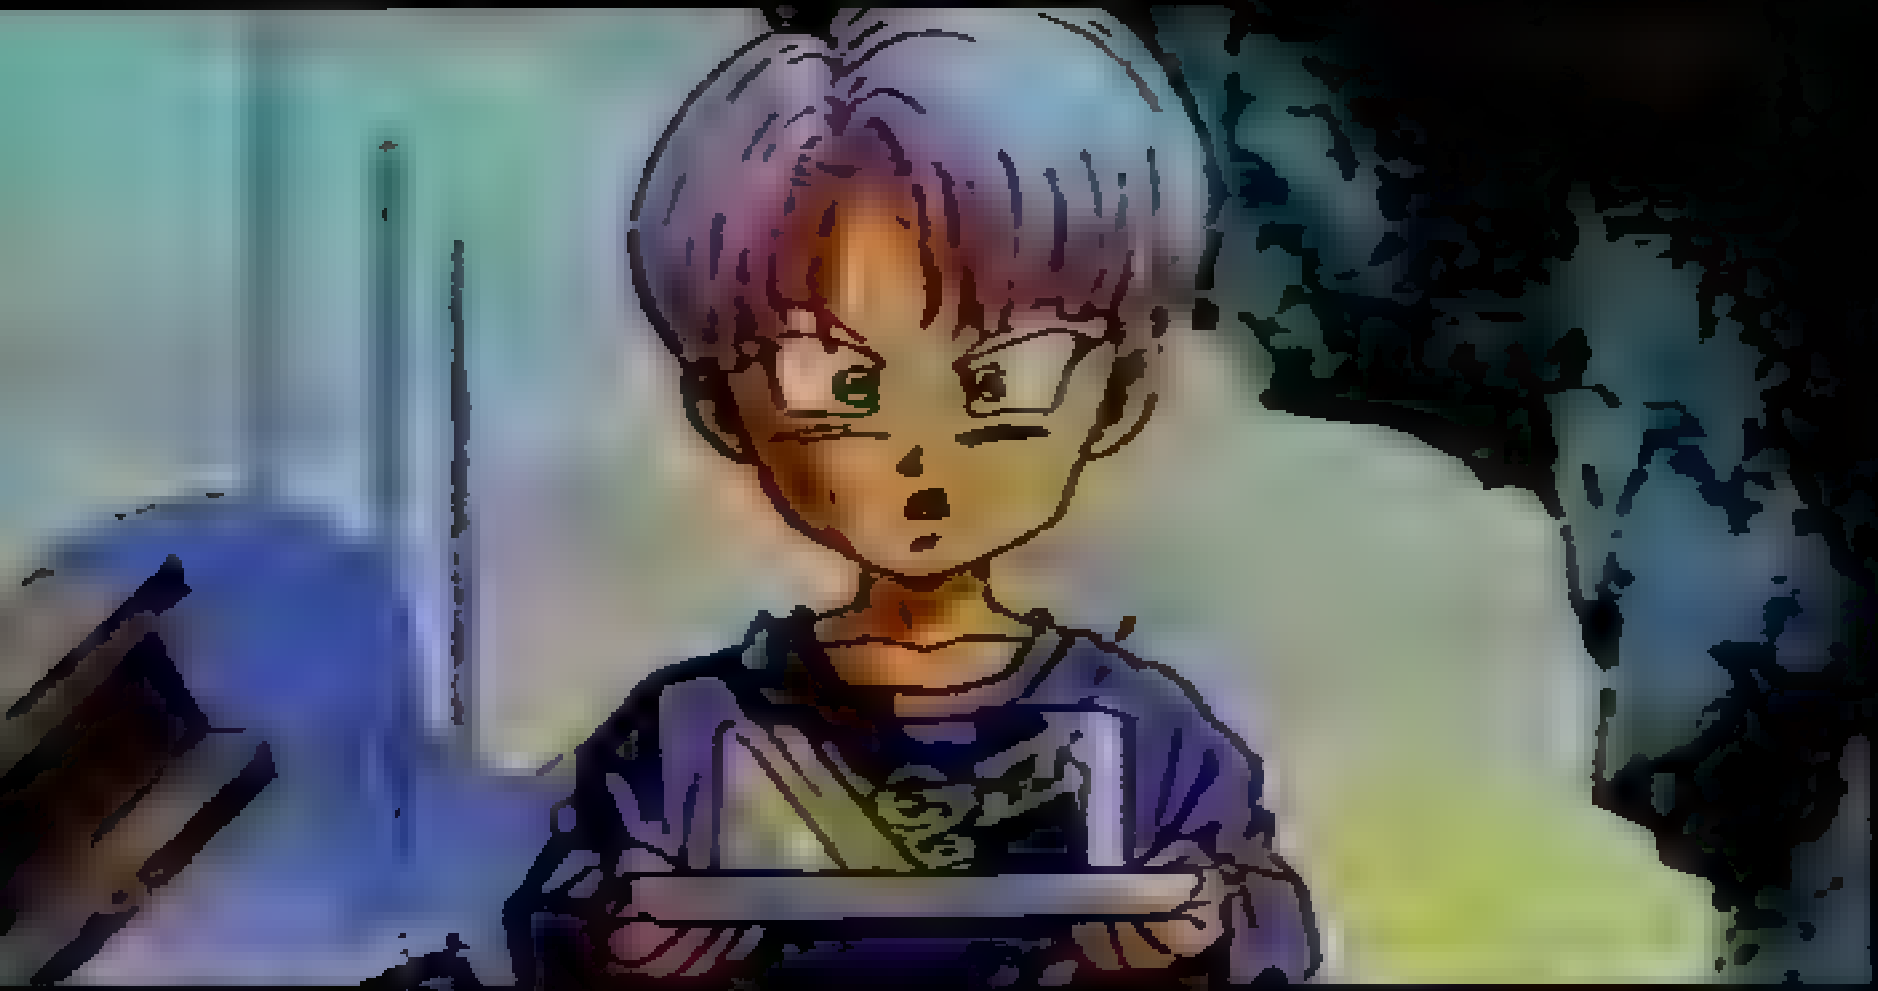

What's going on?!

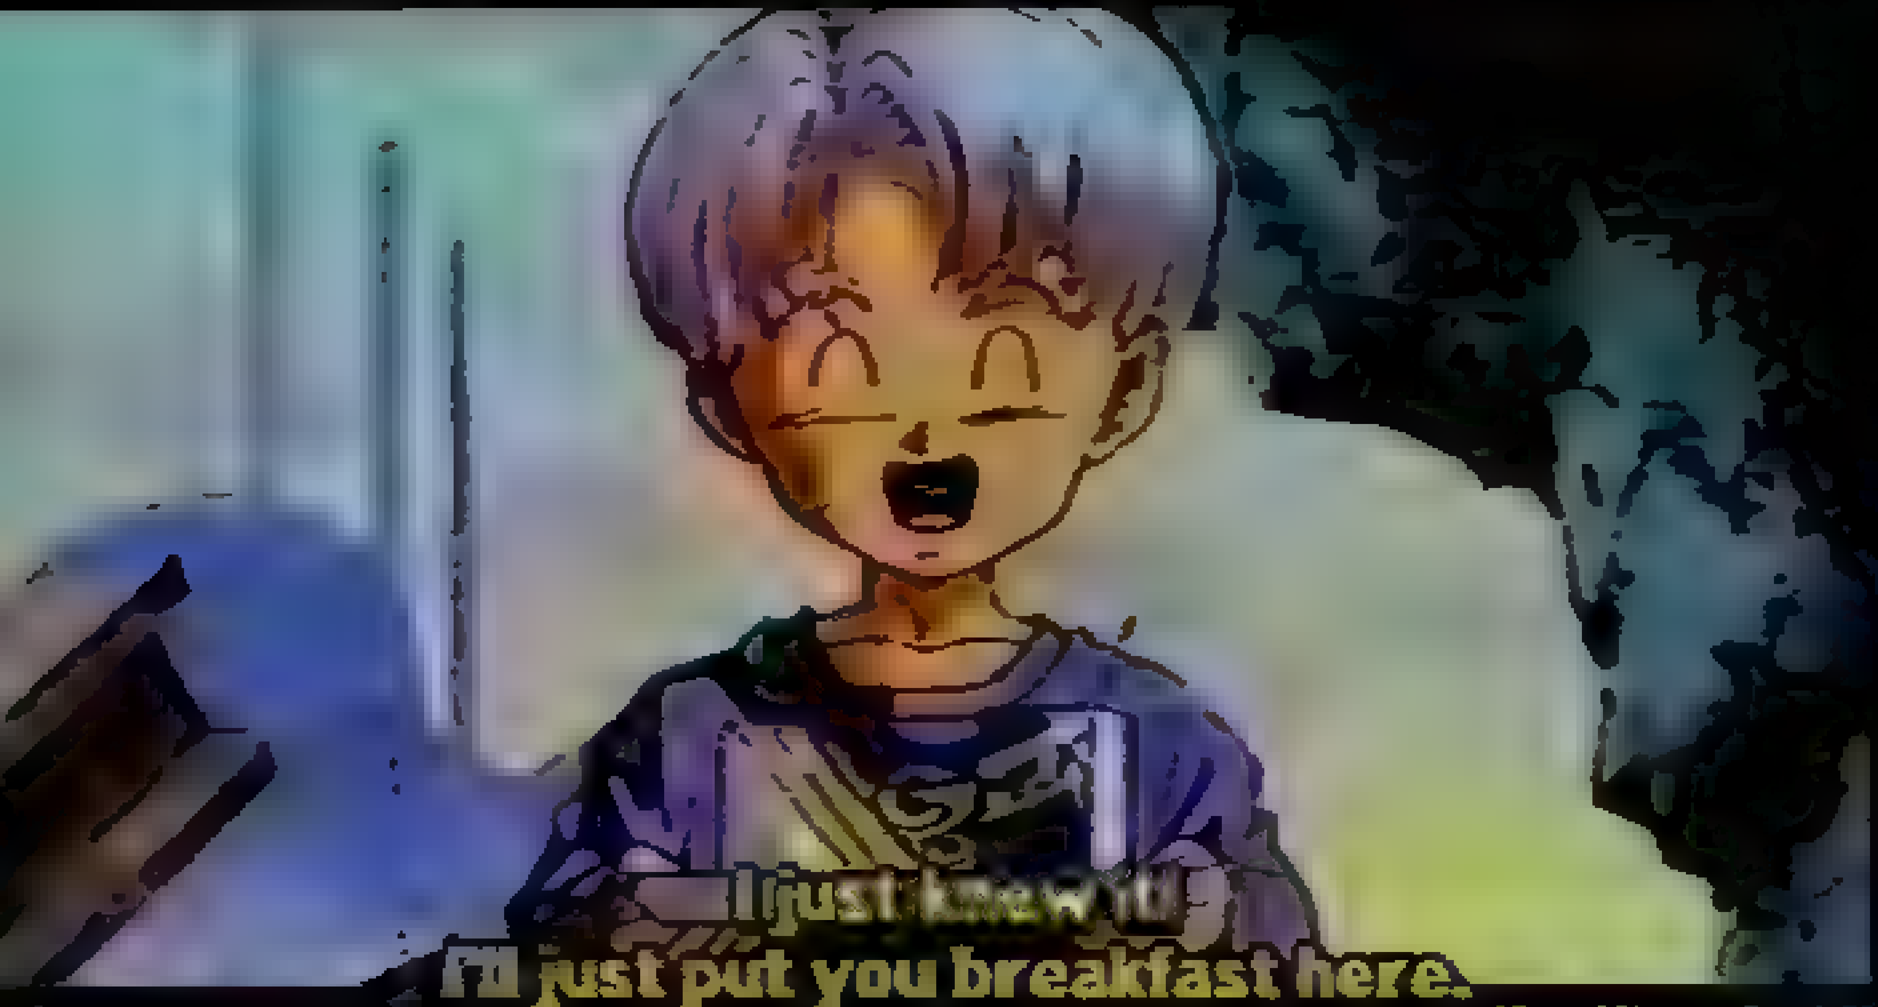

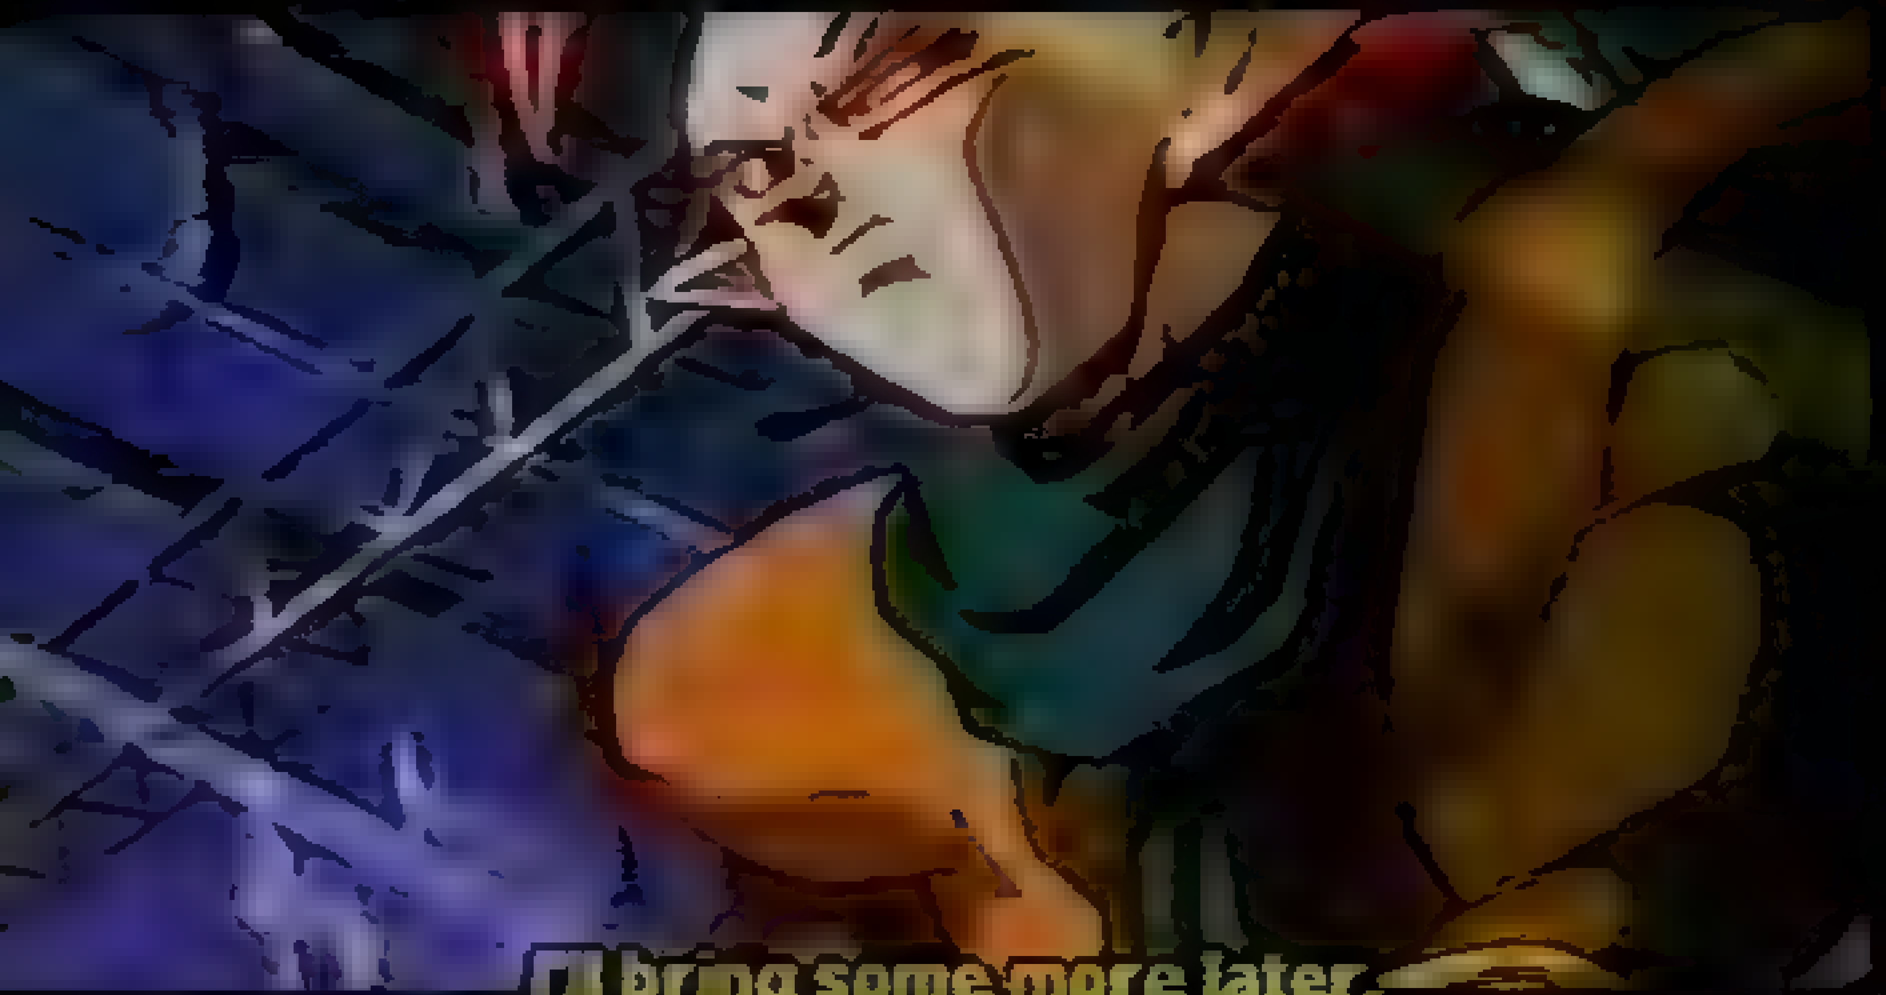

Oh, you're okay.

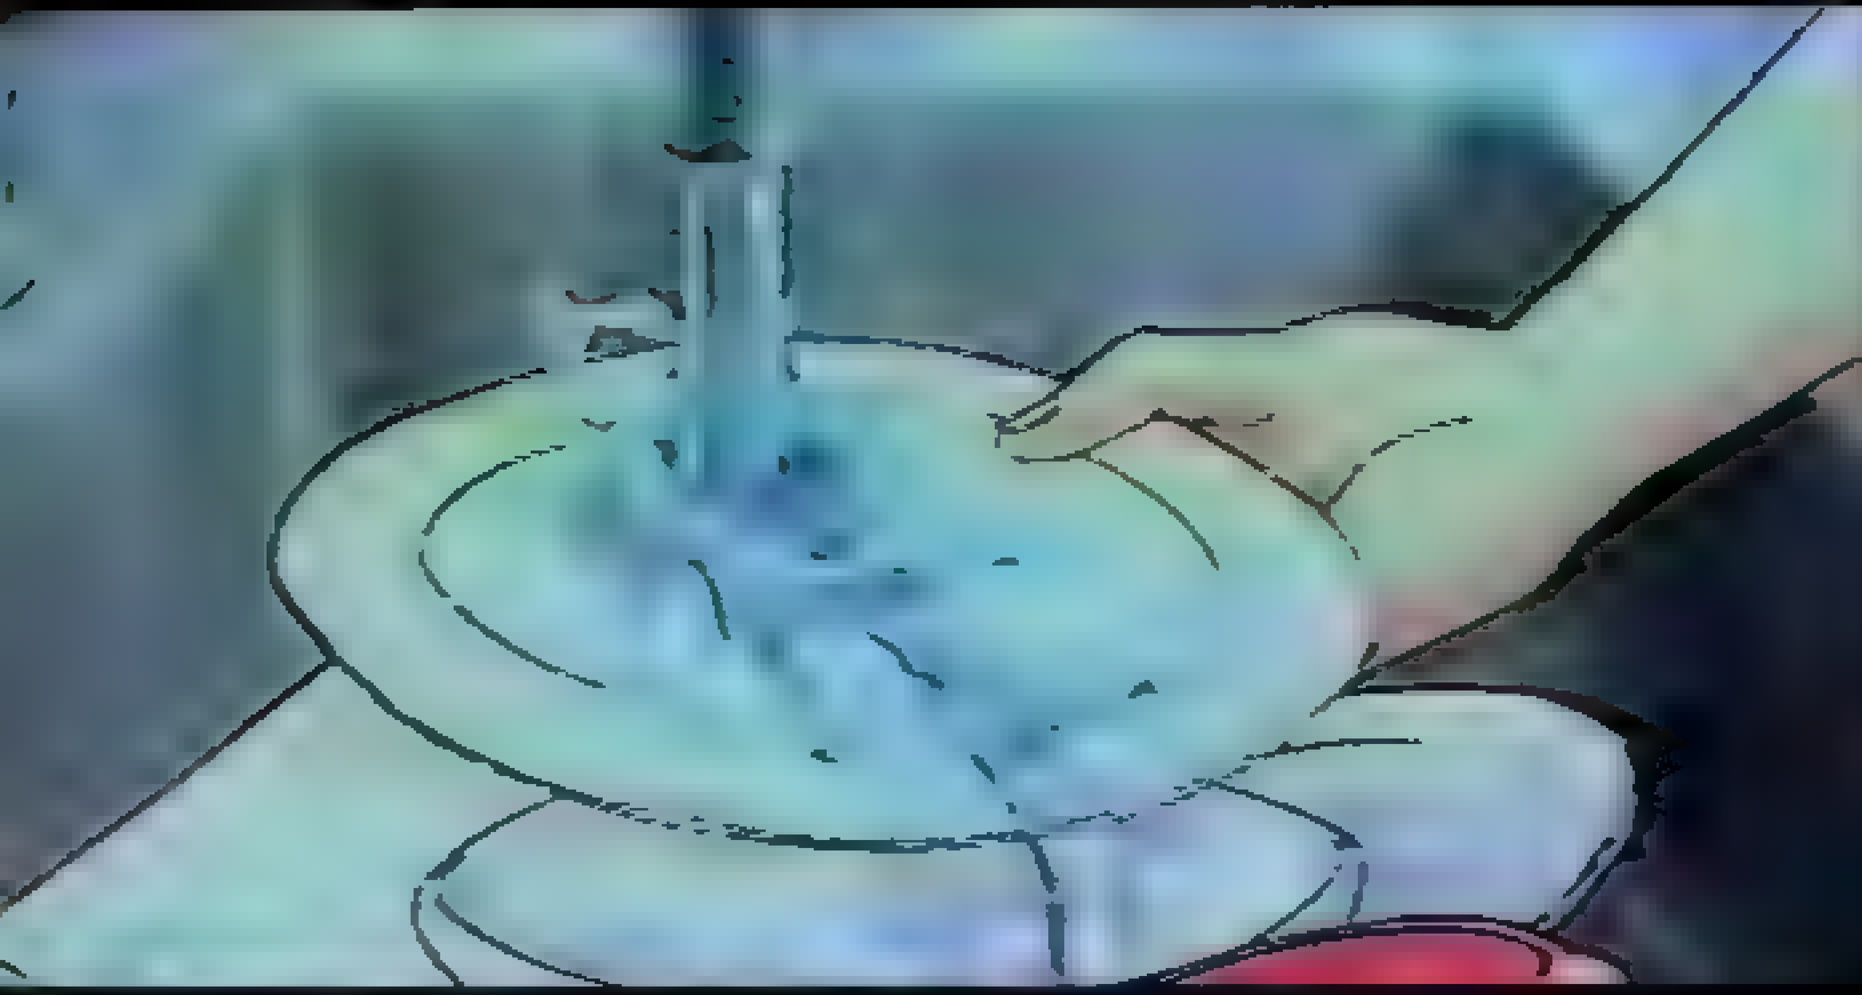

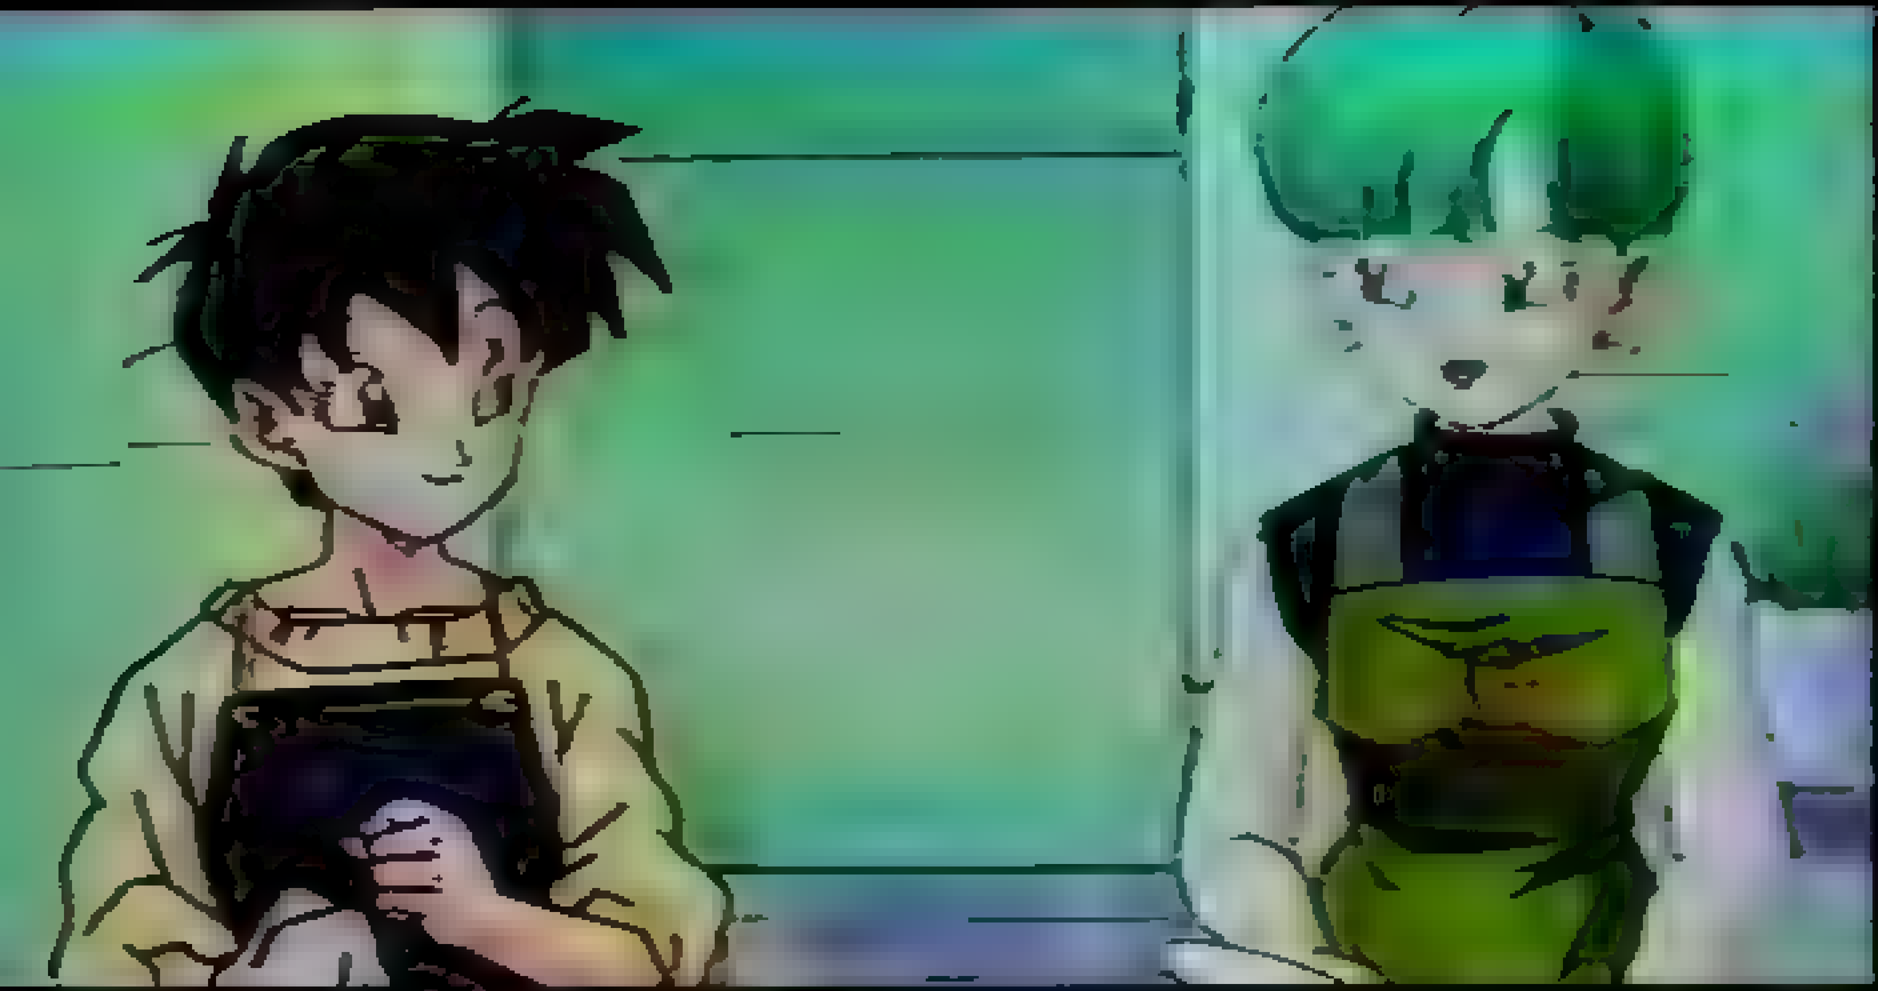

I just knew it!
I'll just put you breakfast here.

I just knew it!
I'll just put you breakfast here..

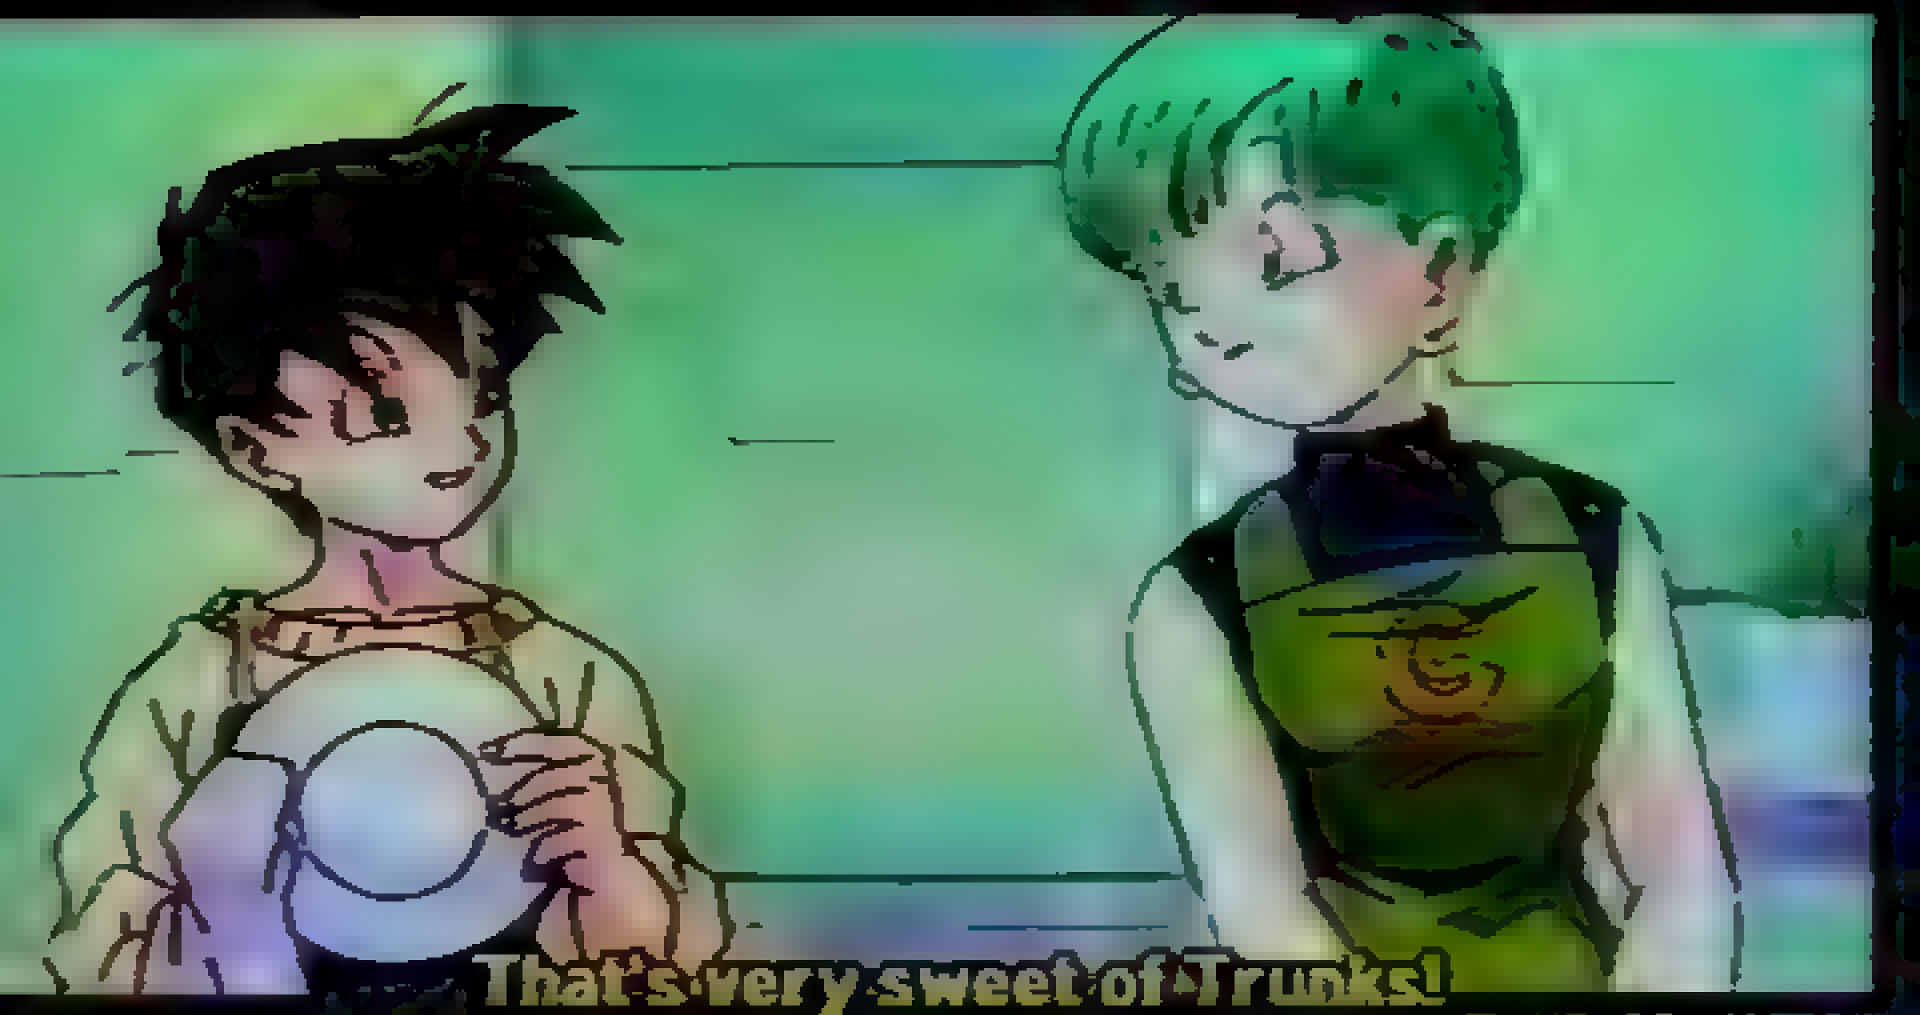

I'll bring some more later.

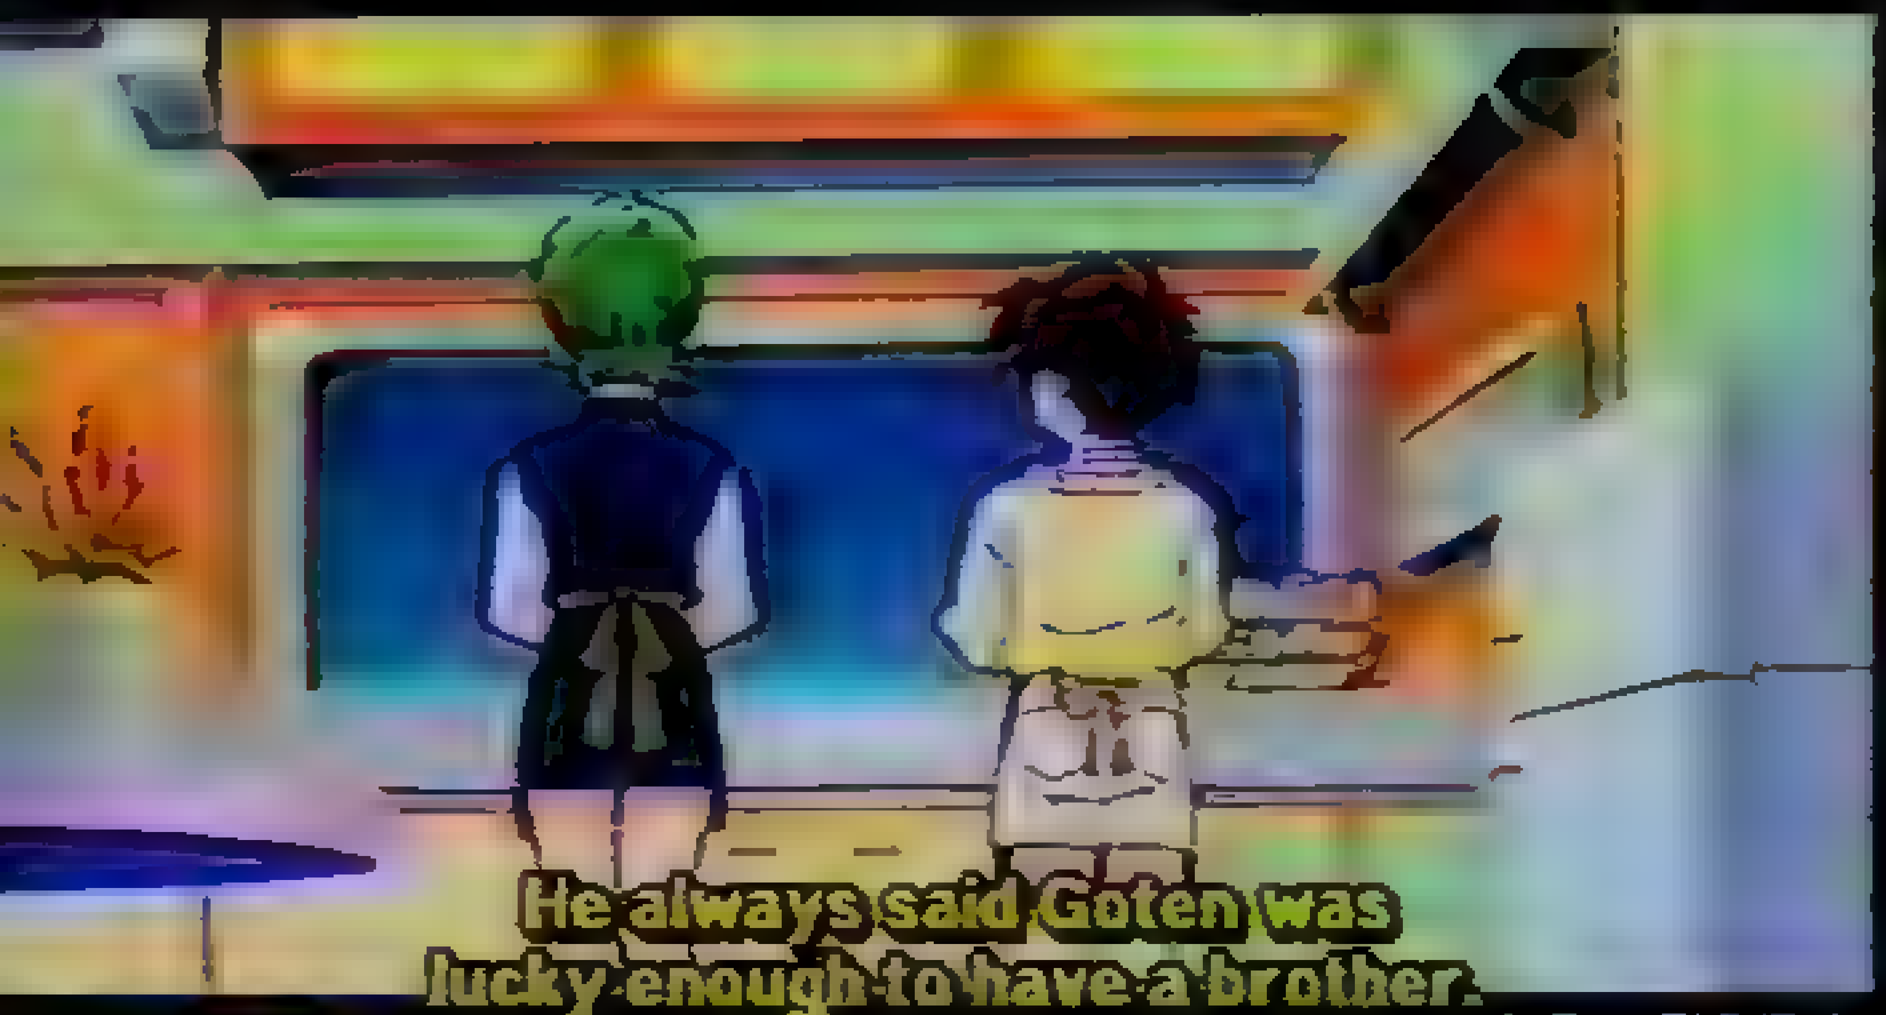

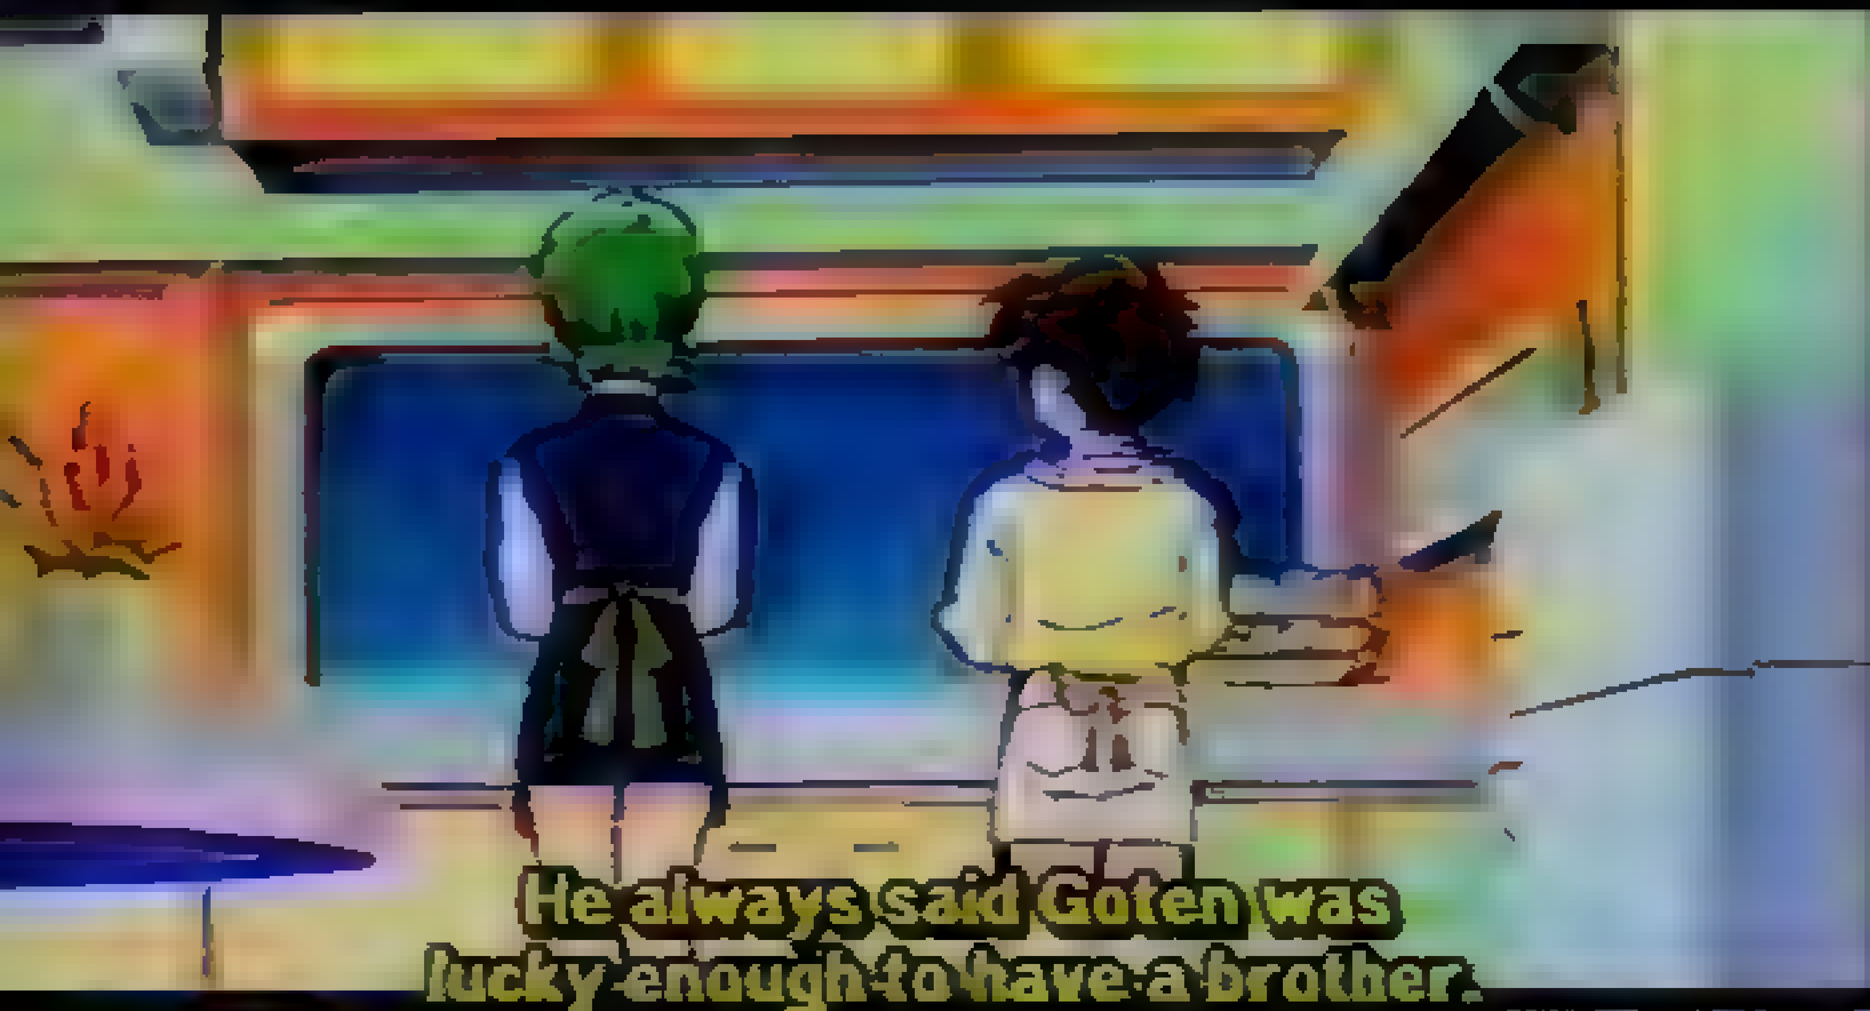

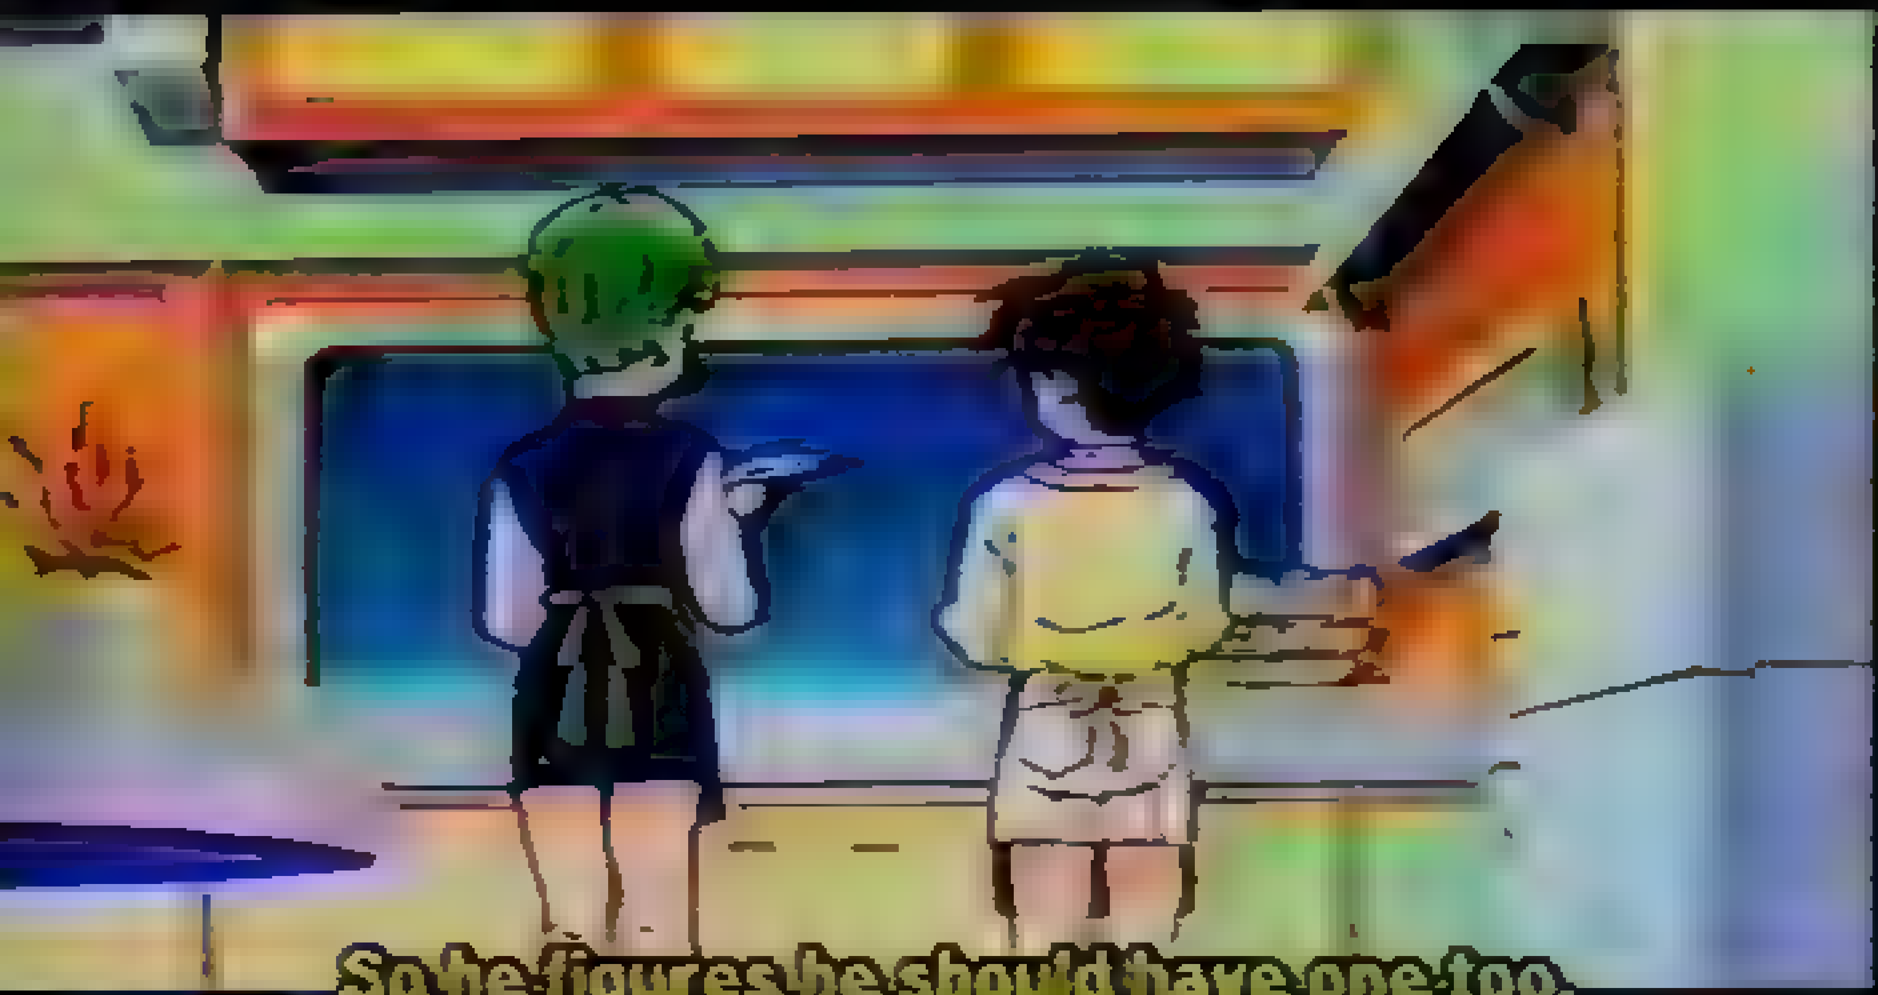

Trunks is bringing him food secretly.

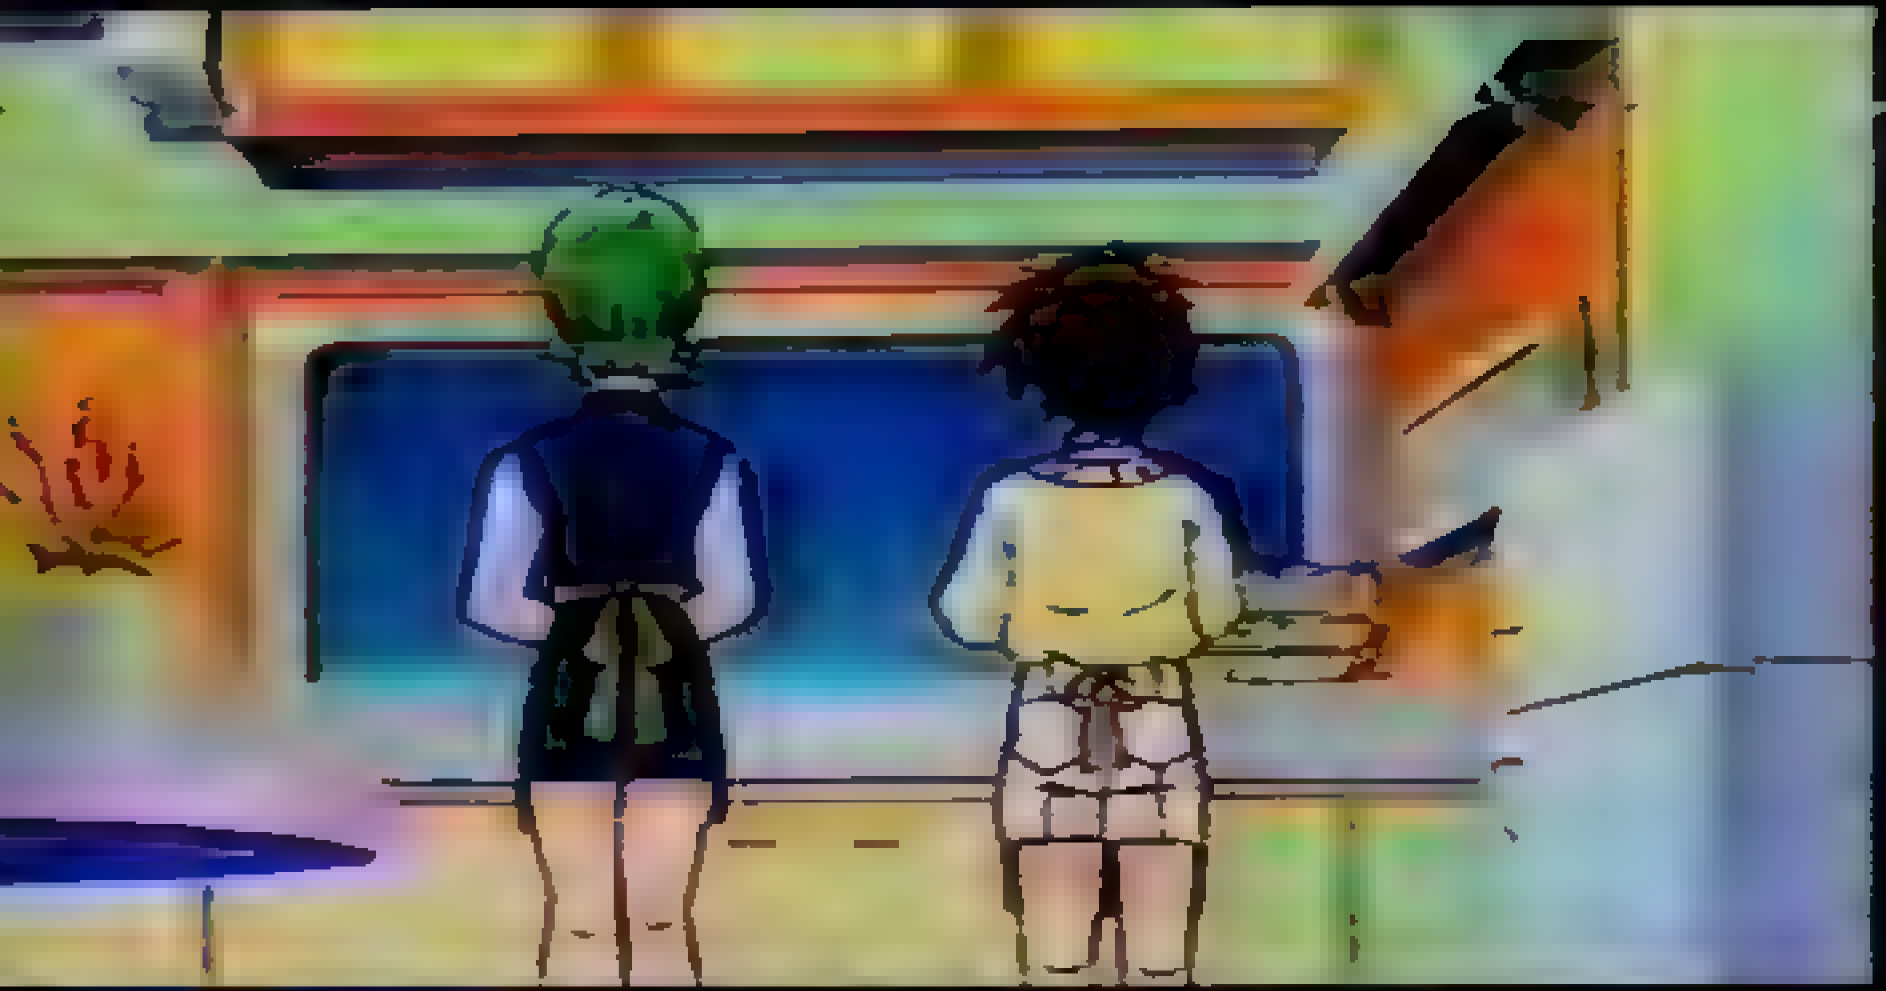

That's very sweet of Trunks!

He always said Goten was
lucky enough to have a brother.

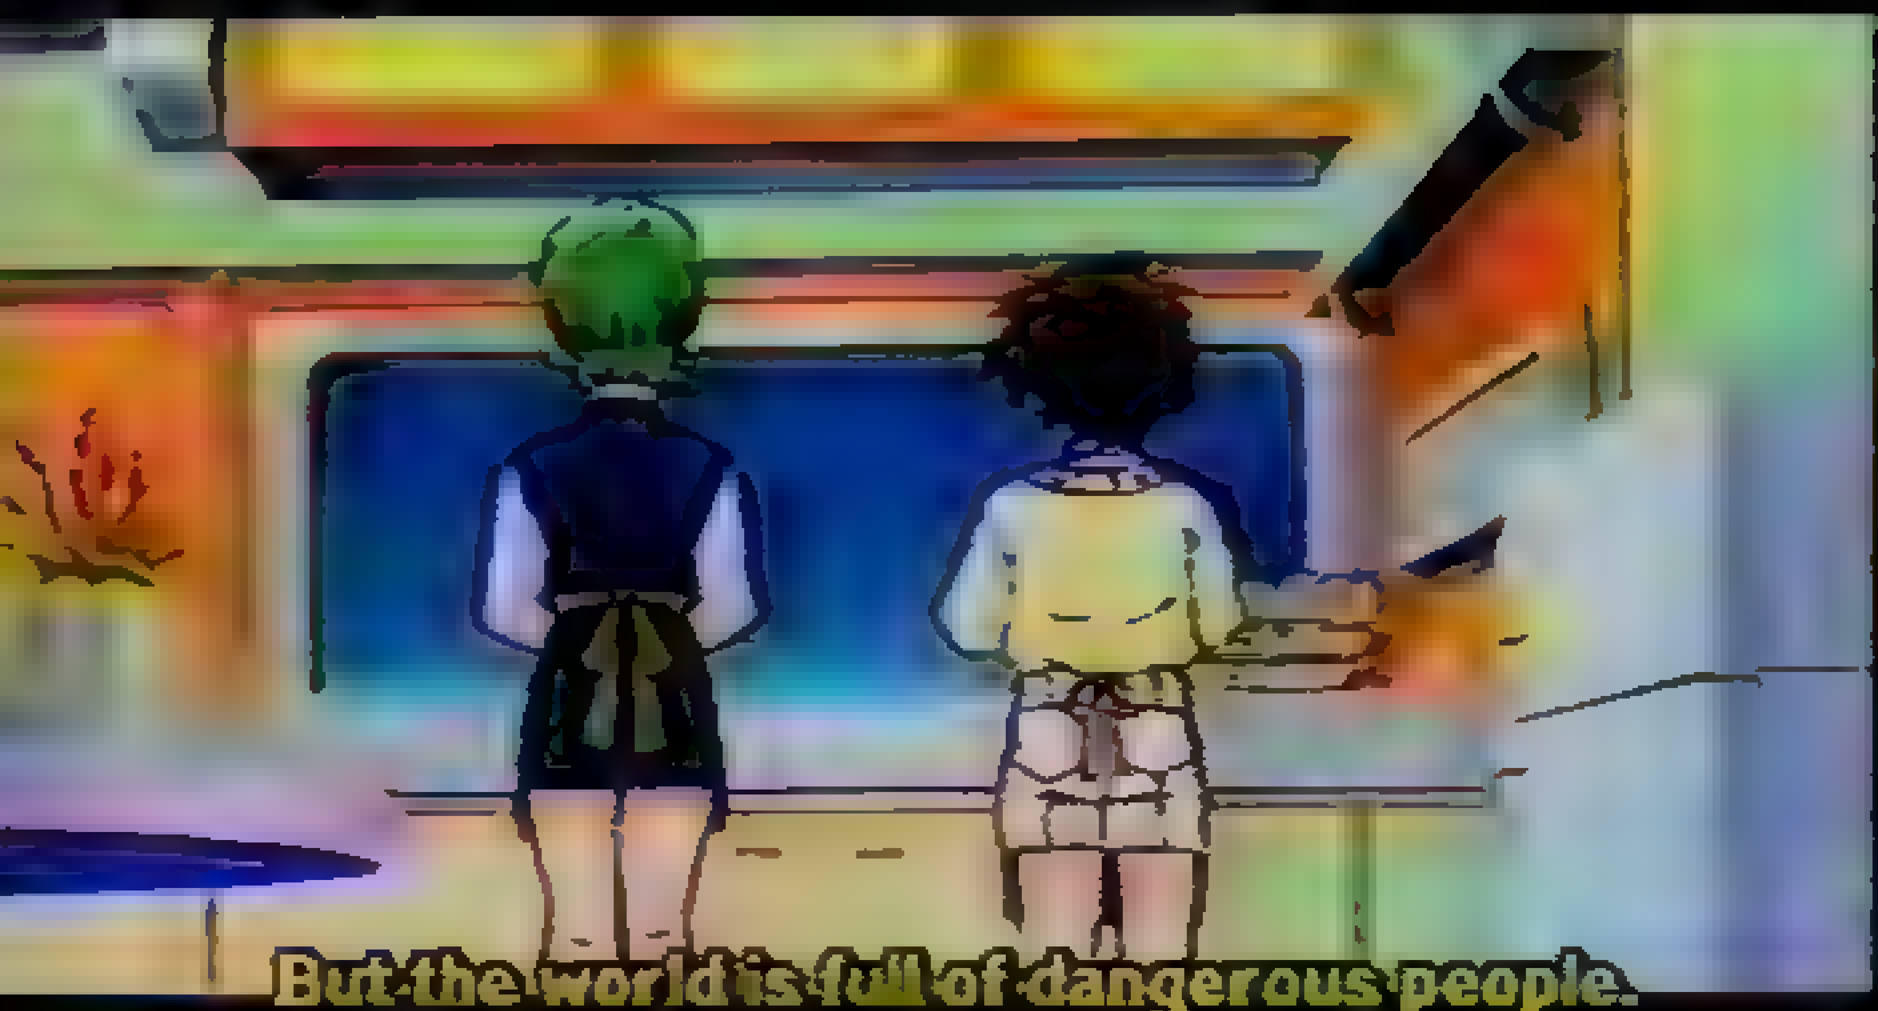

He always said Goten was
lucky enough to have a brother.

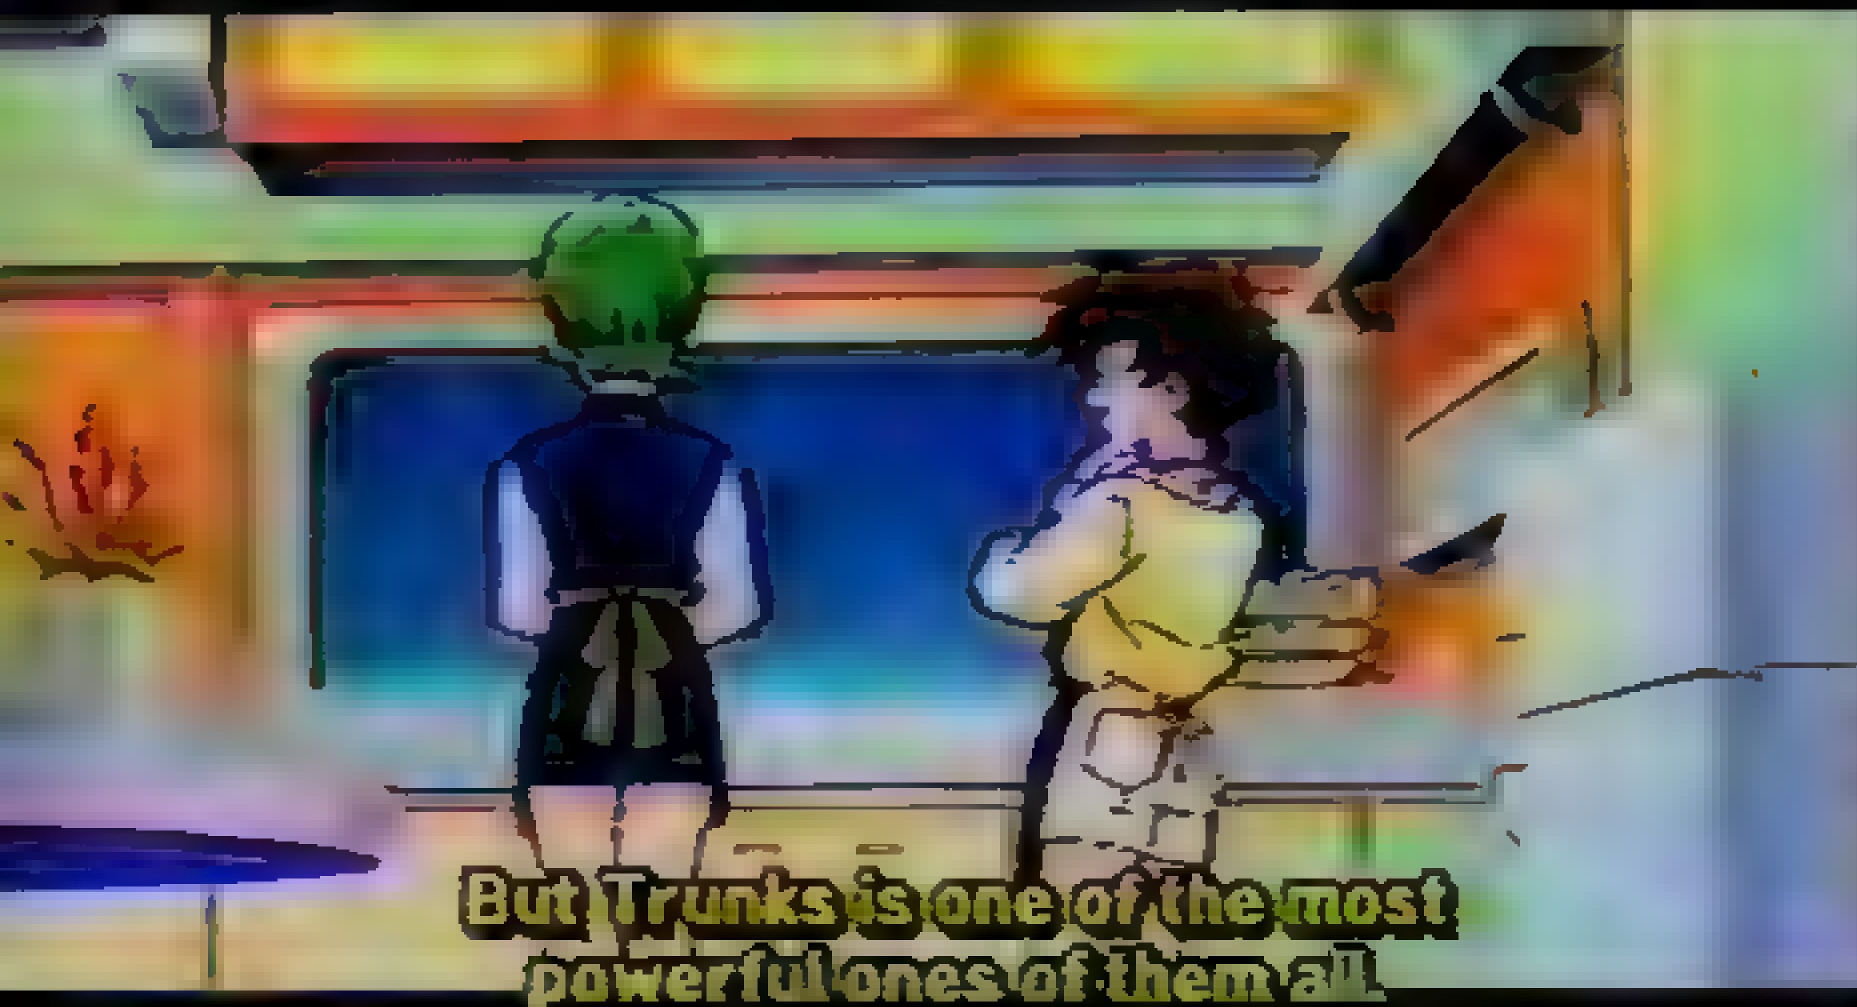

So he figures he should have one too.

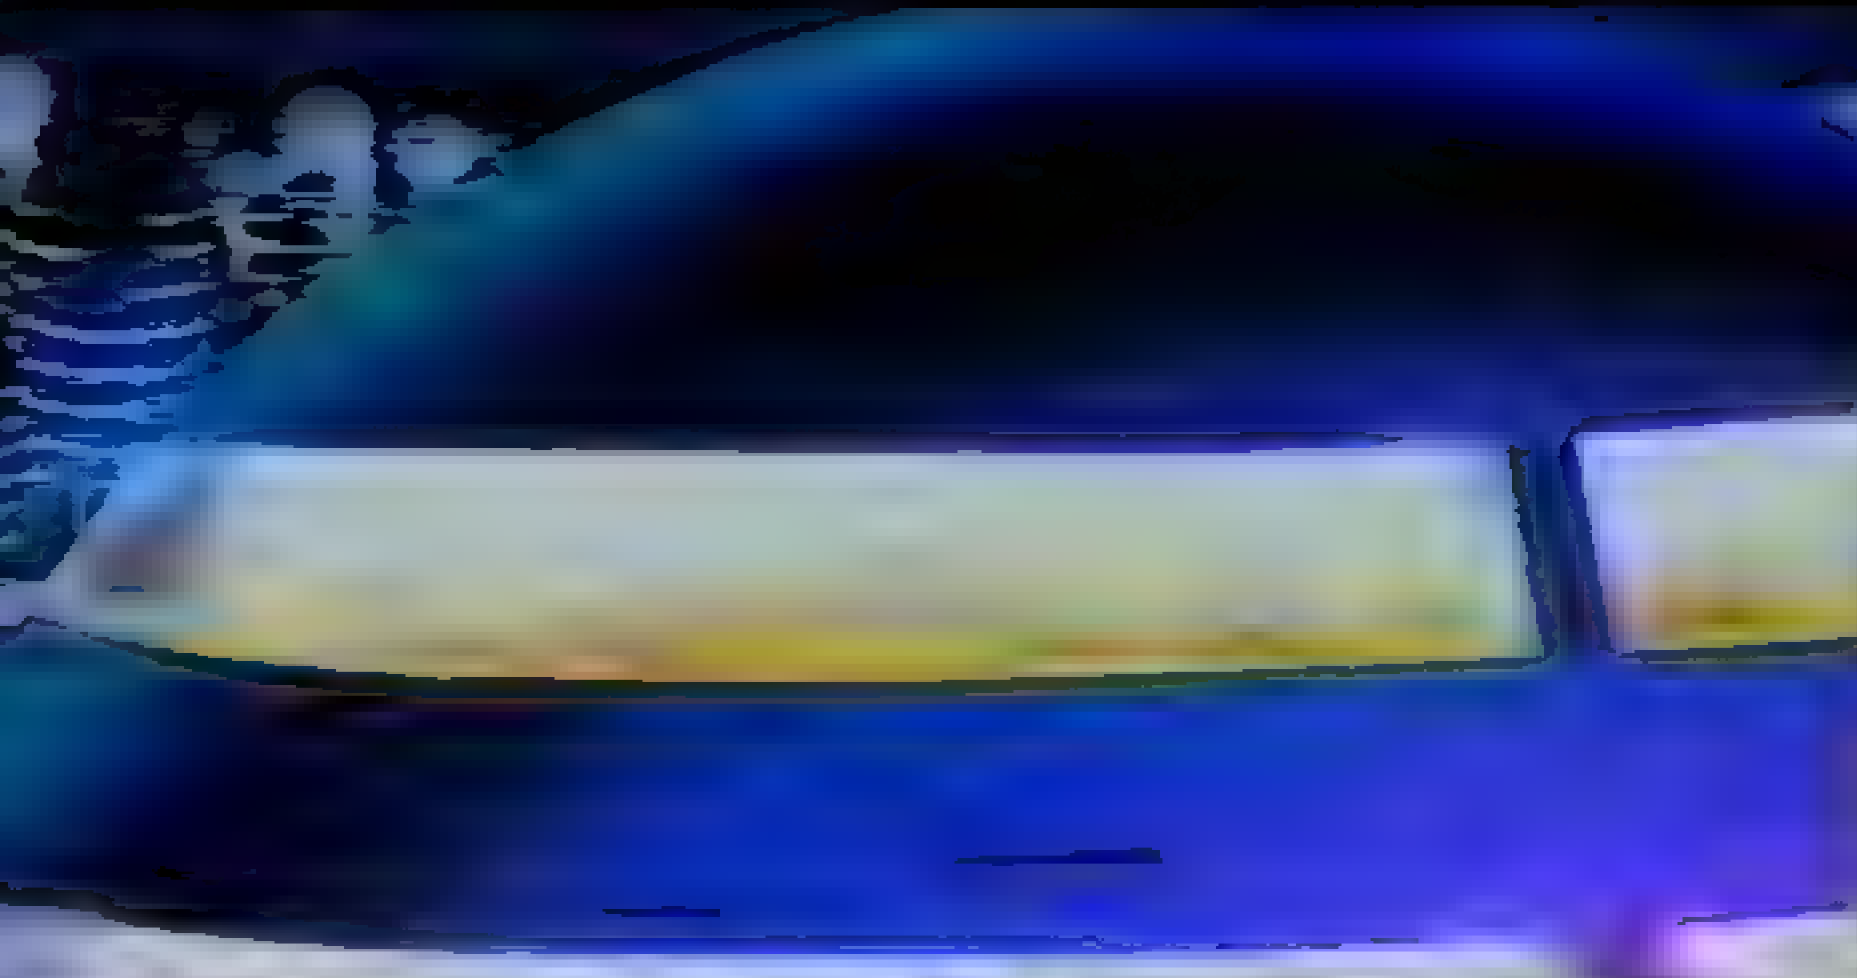

I've got no brothers or sisters so
I understand how Trunks feels.

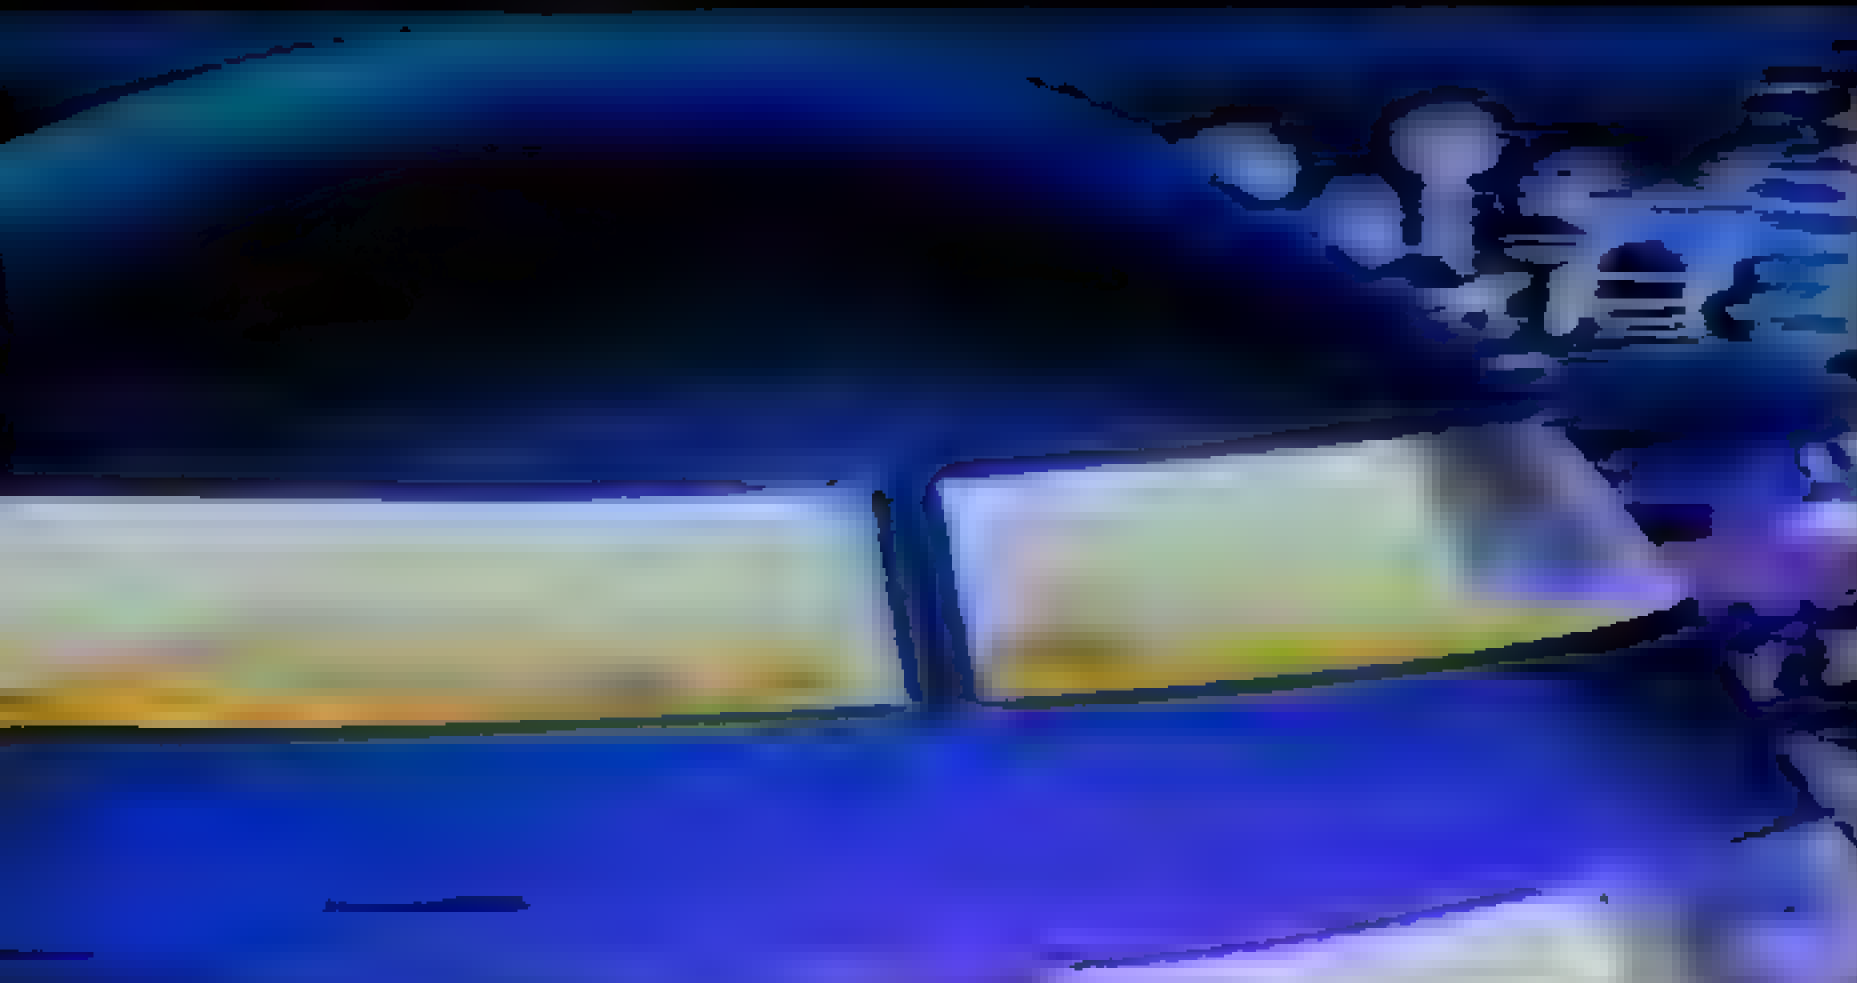

I've got no brothers or sisters so
I understand how Trunks feels.

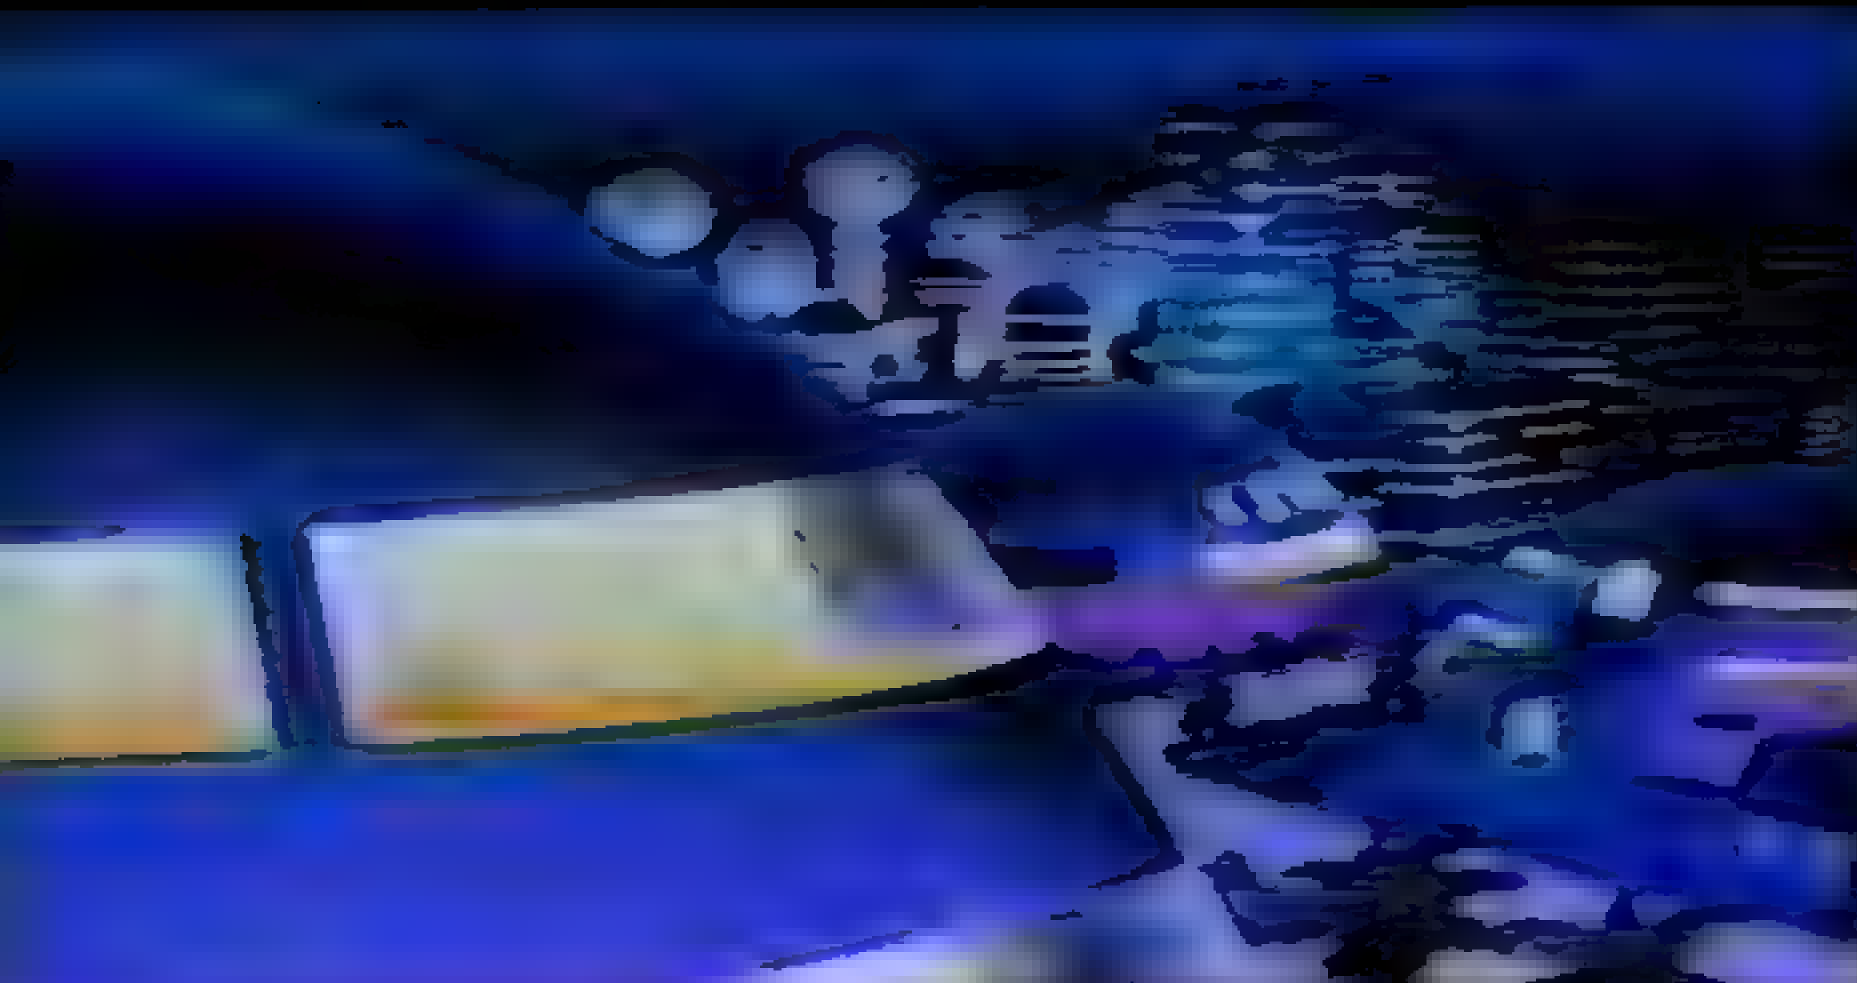

But the world is full of dangerous people.

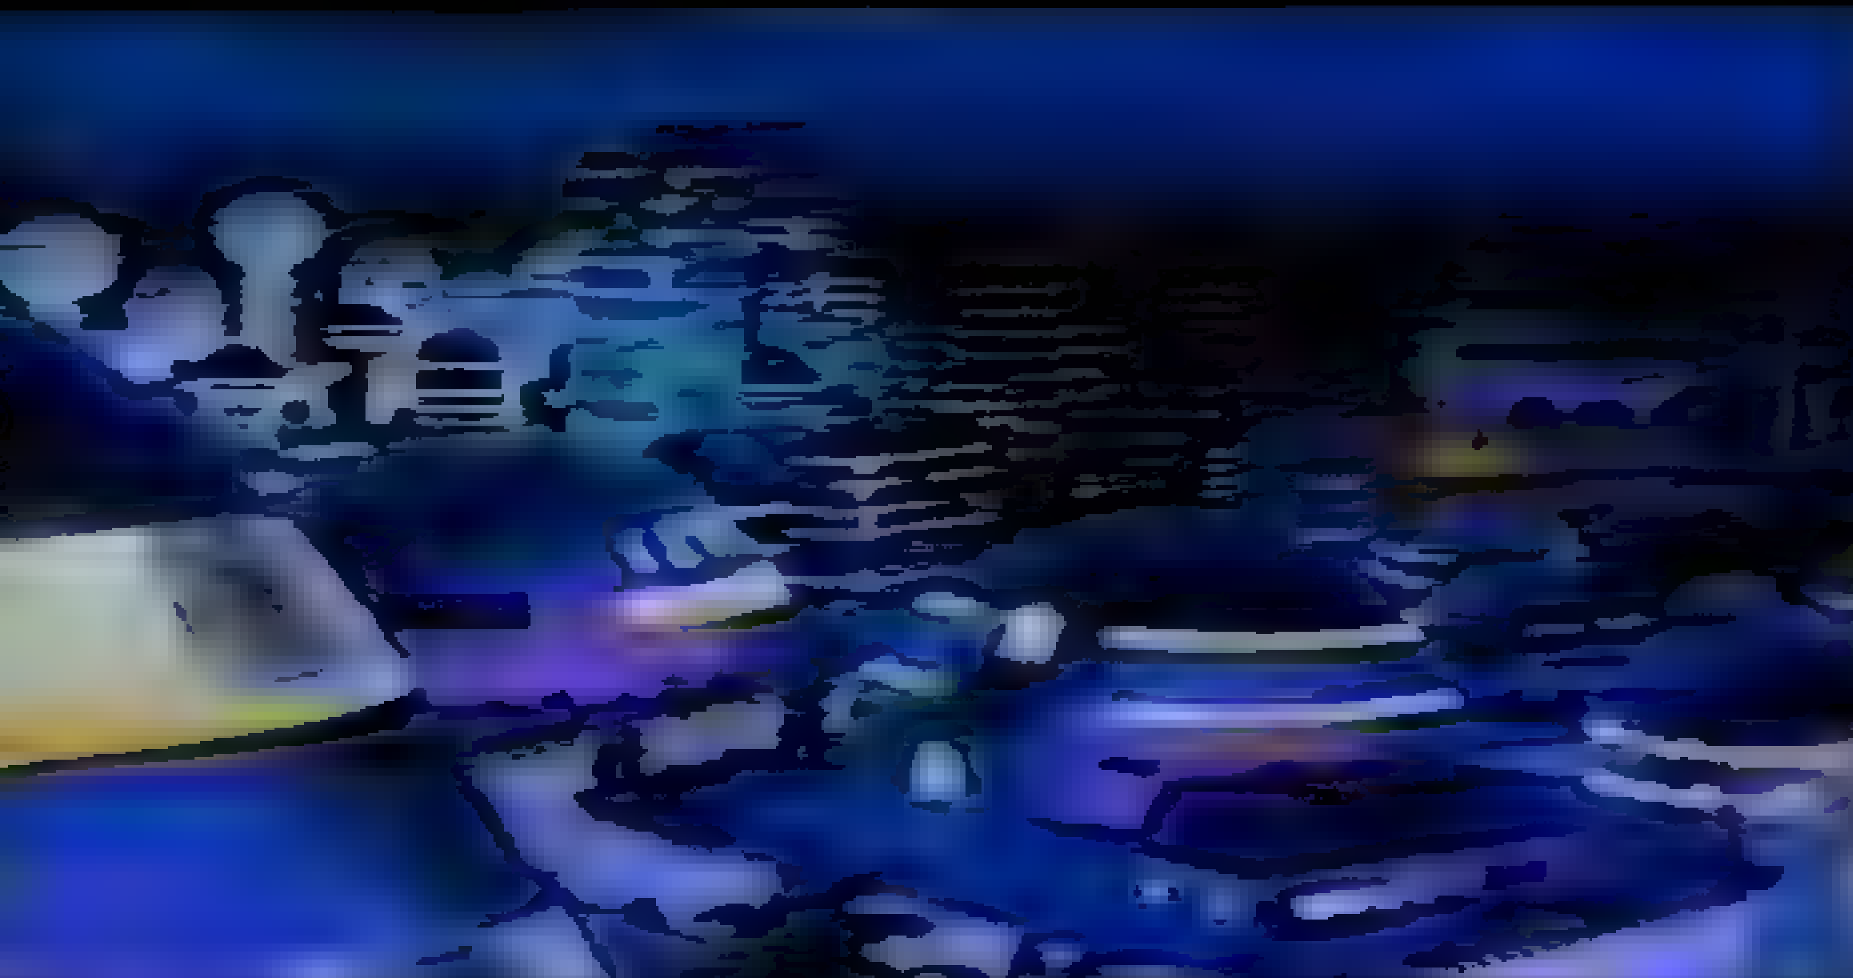

But Trunks is one of the most
powerful ones of them all

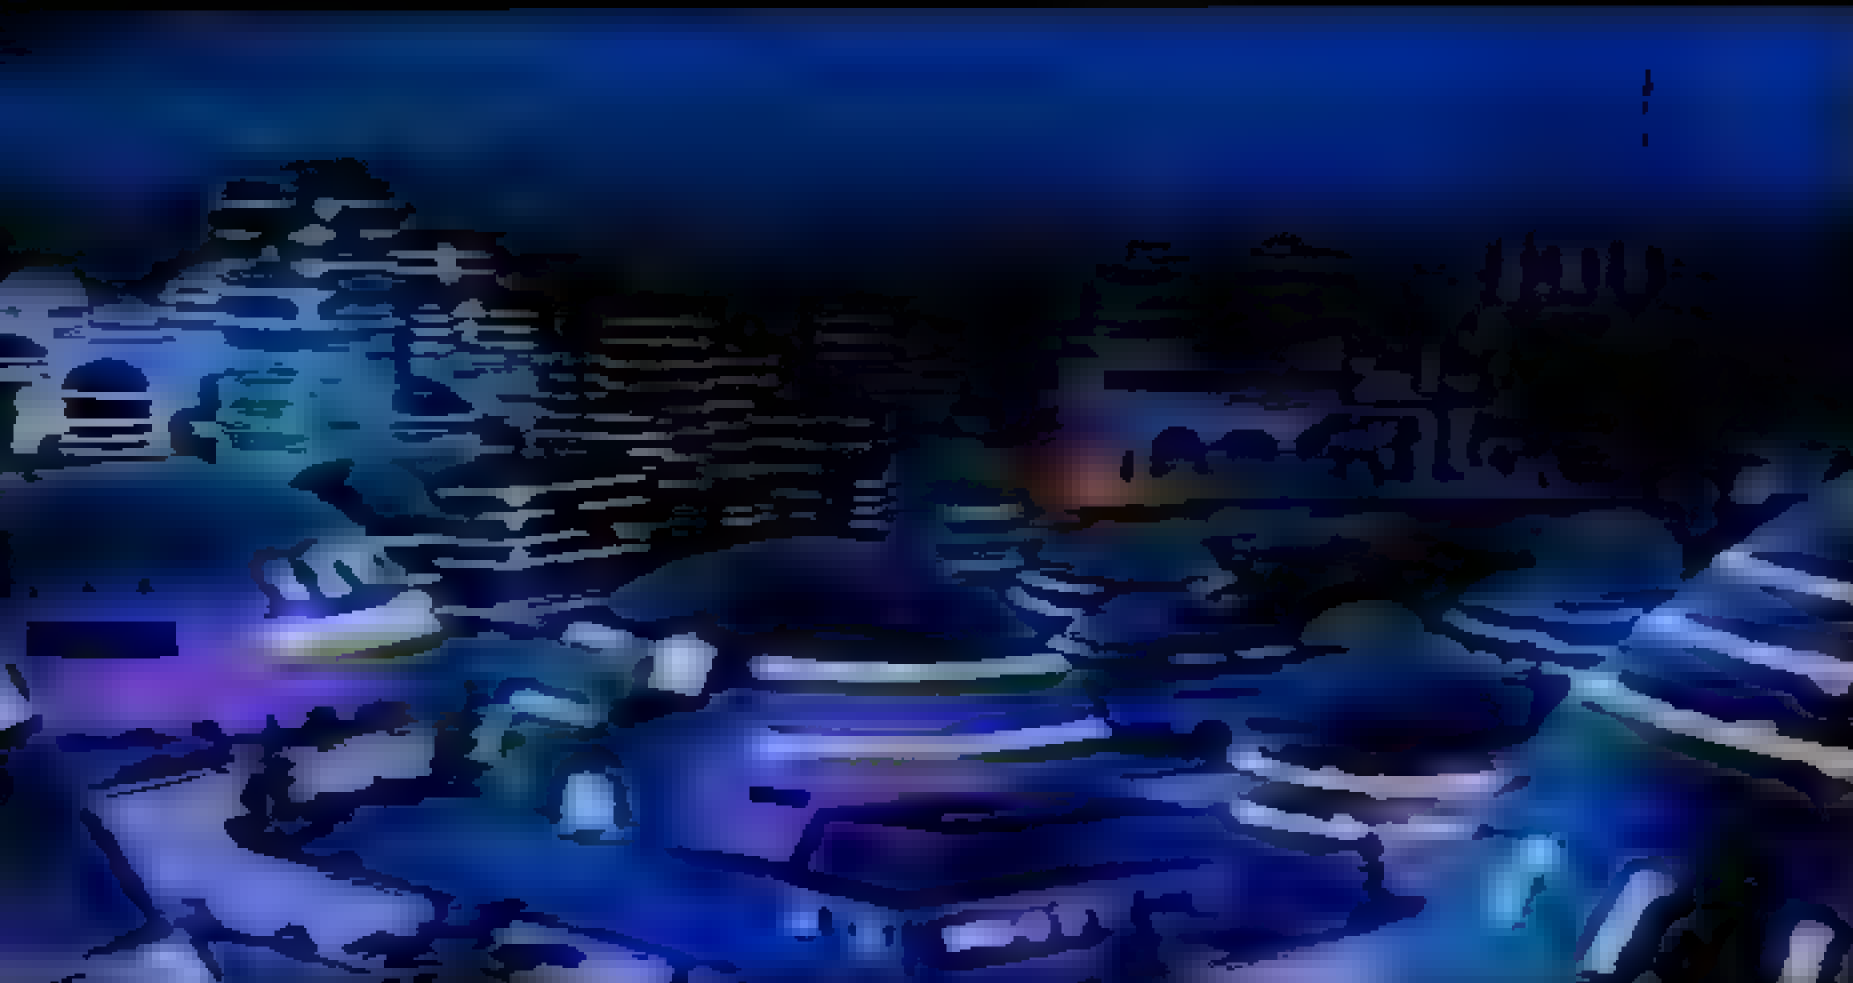

But Trunks is one of the most
powerful ones of them all

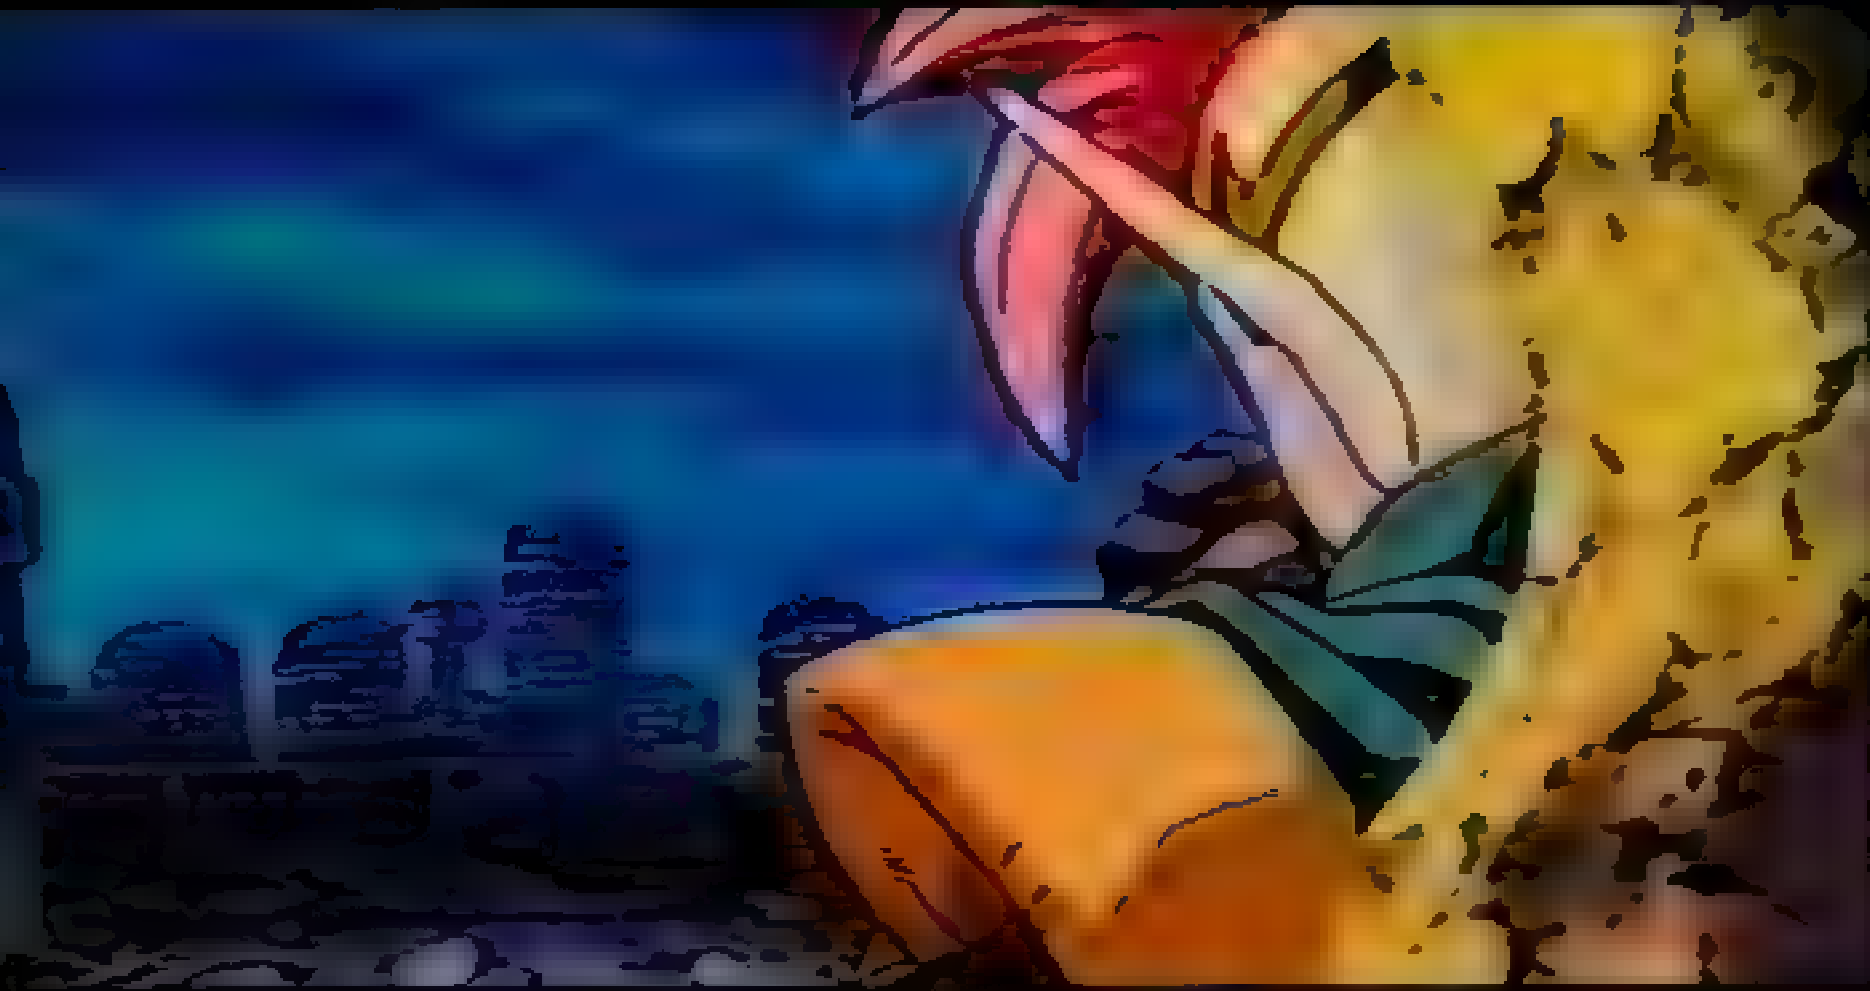

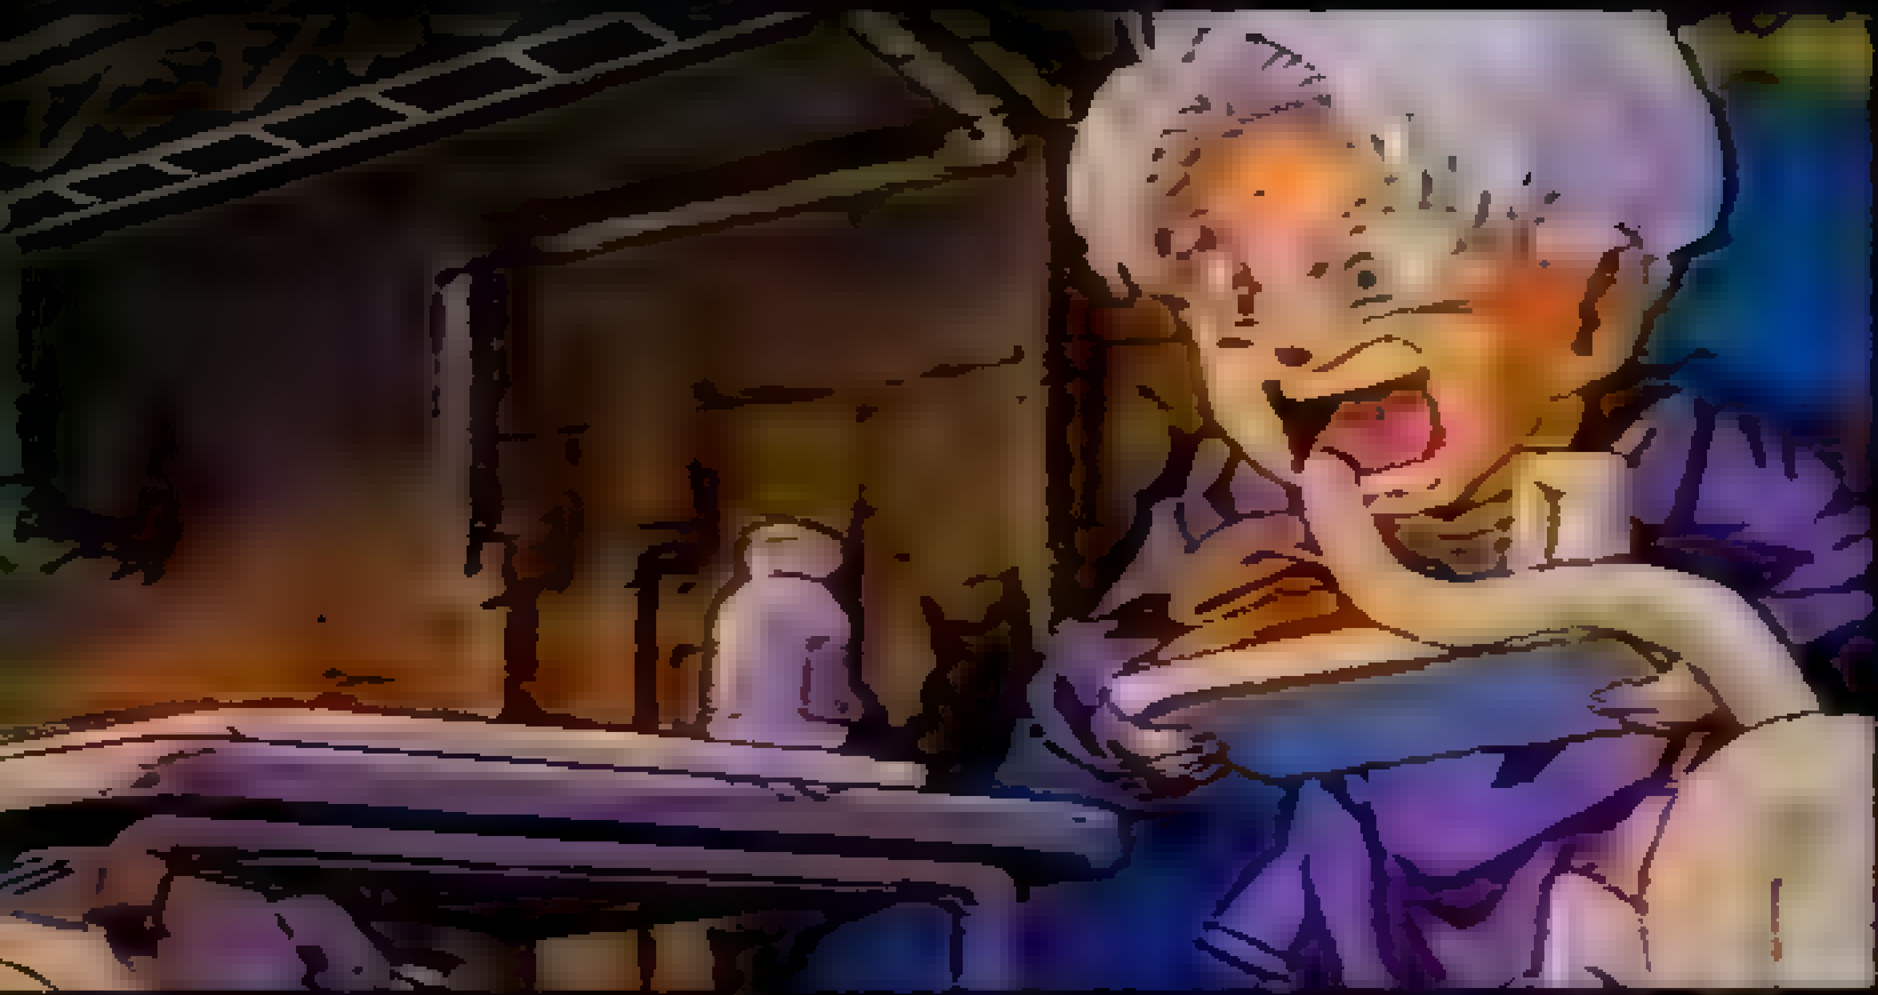

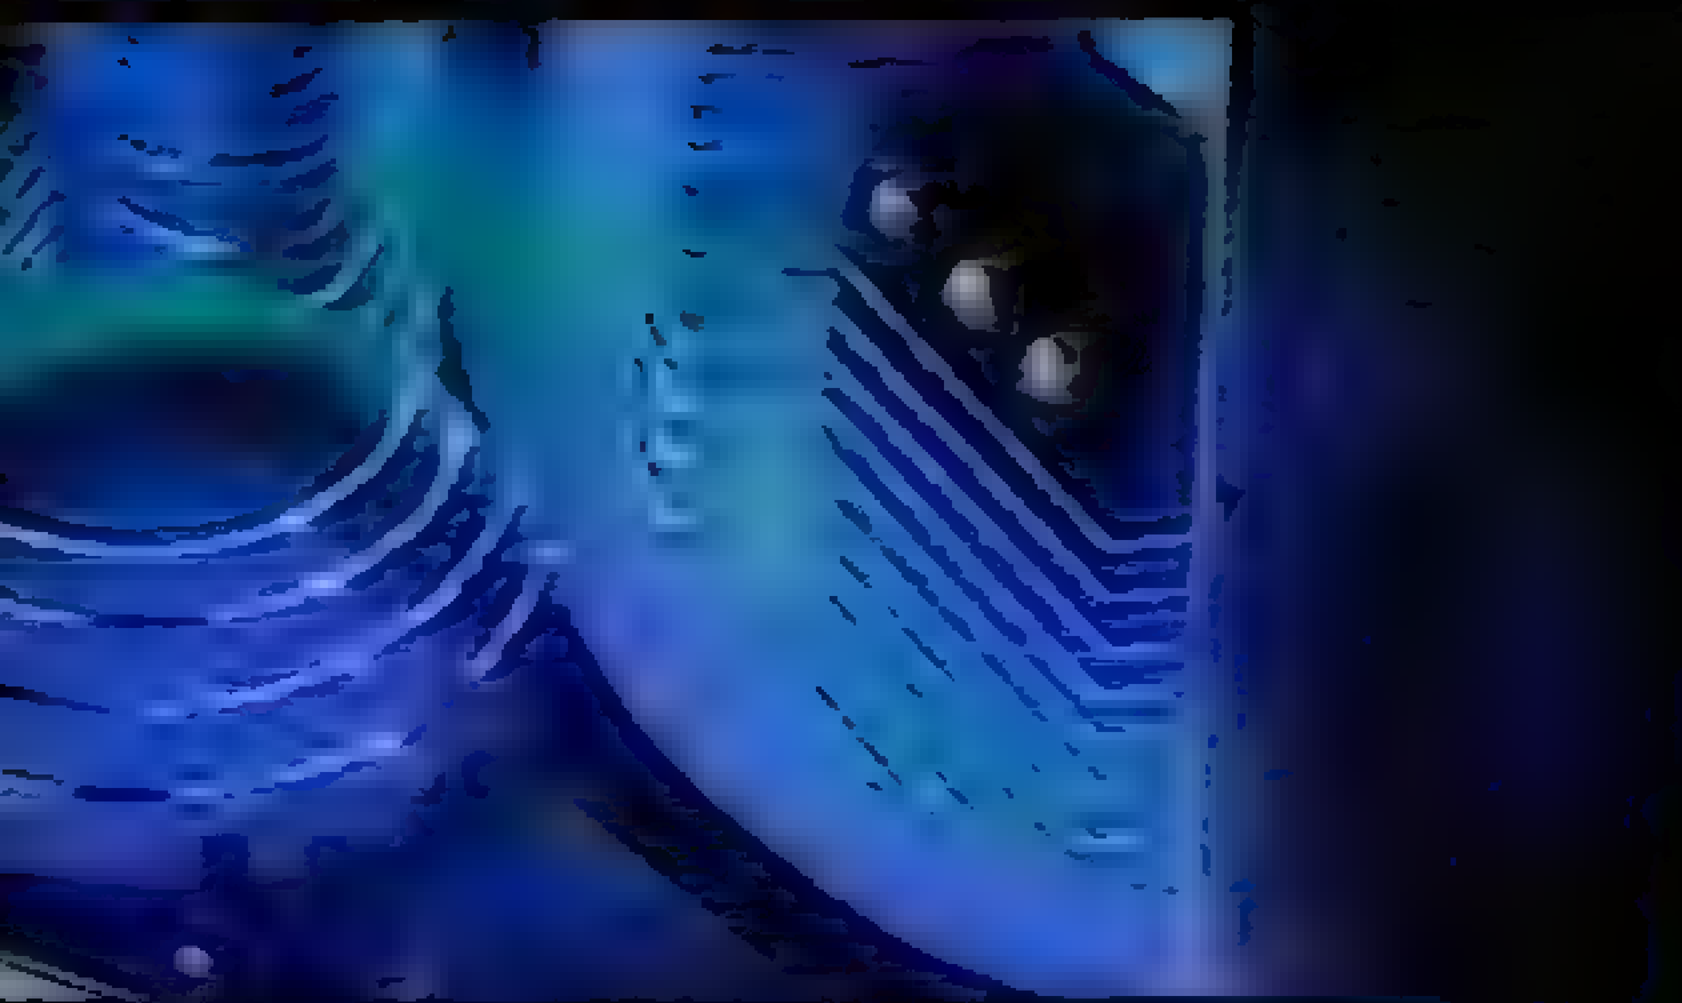

Don't eat that!

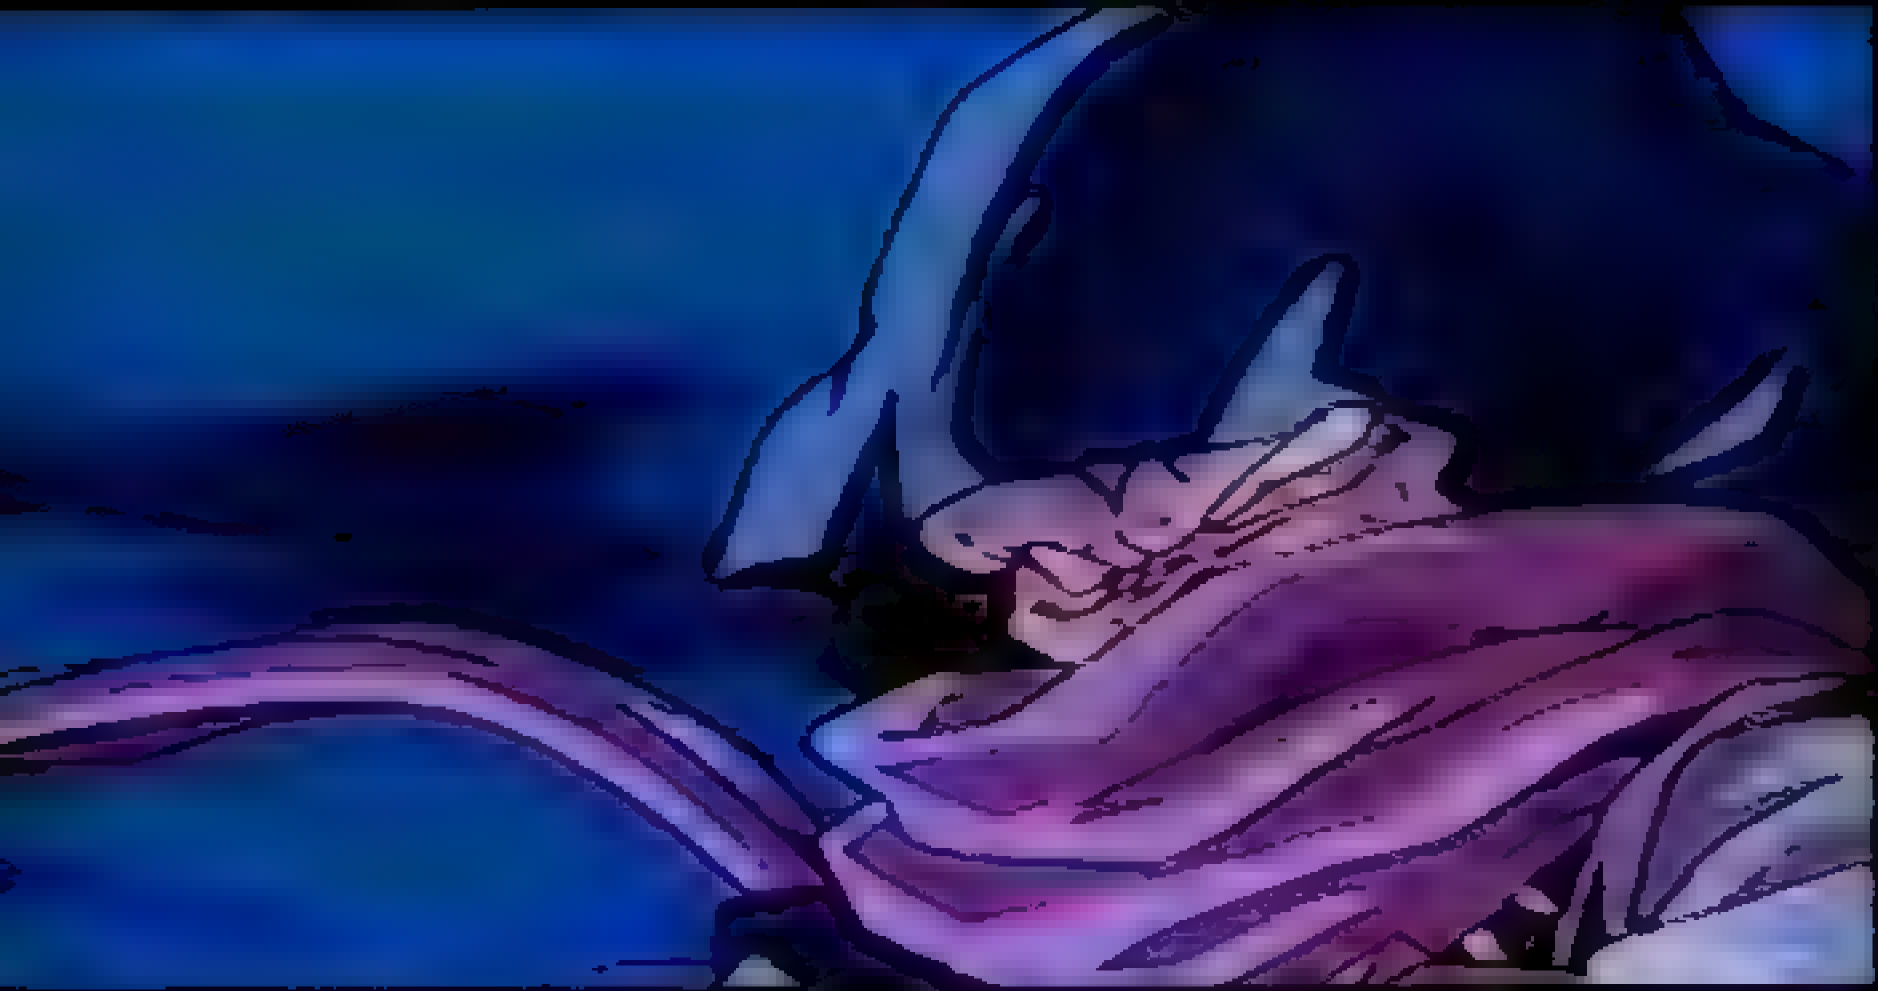

This is for my big brother.

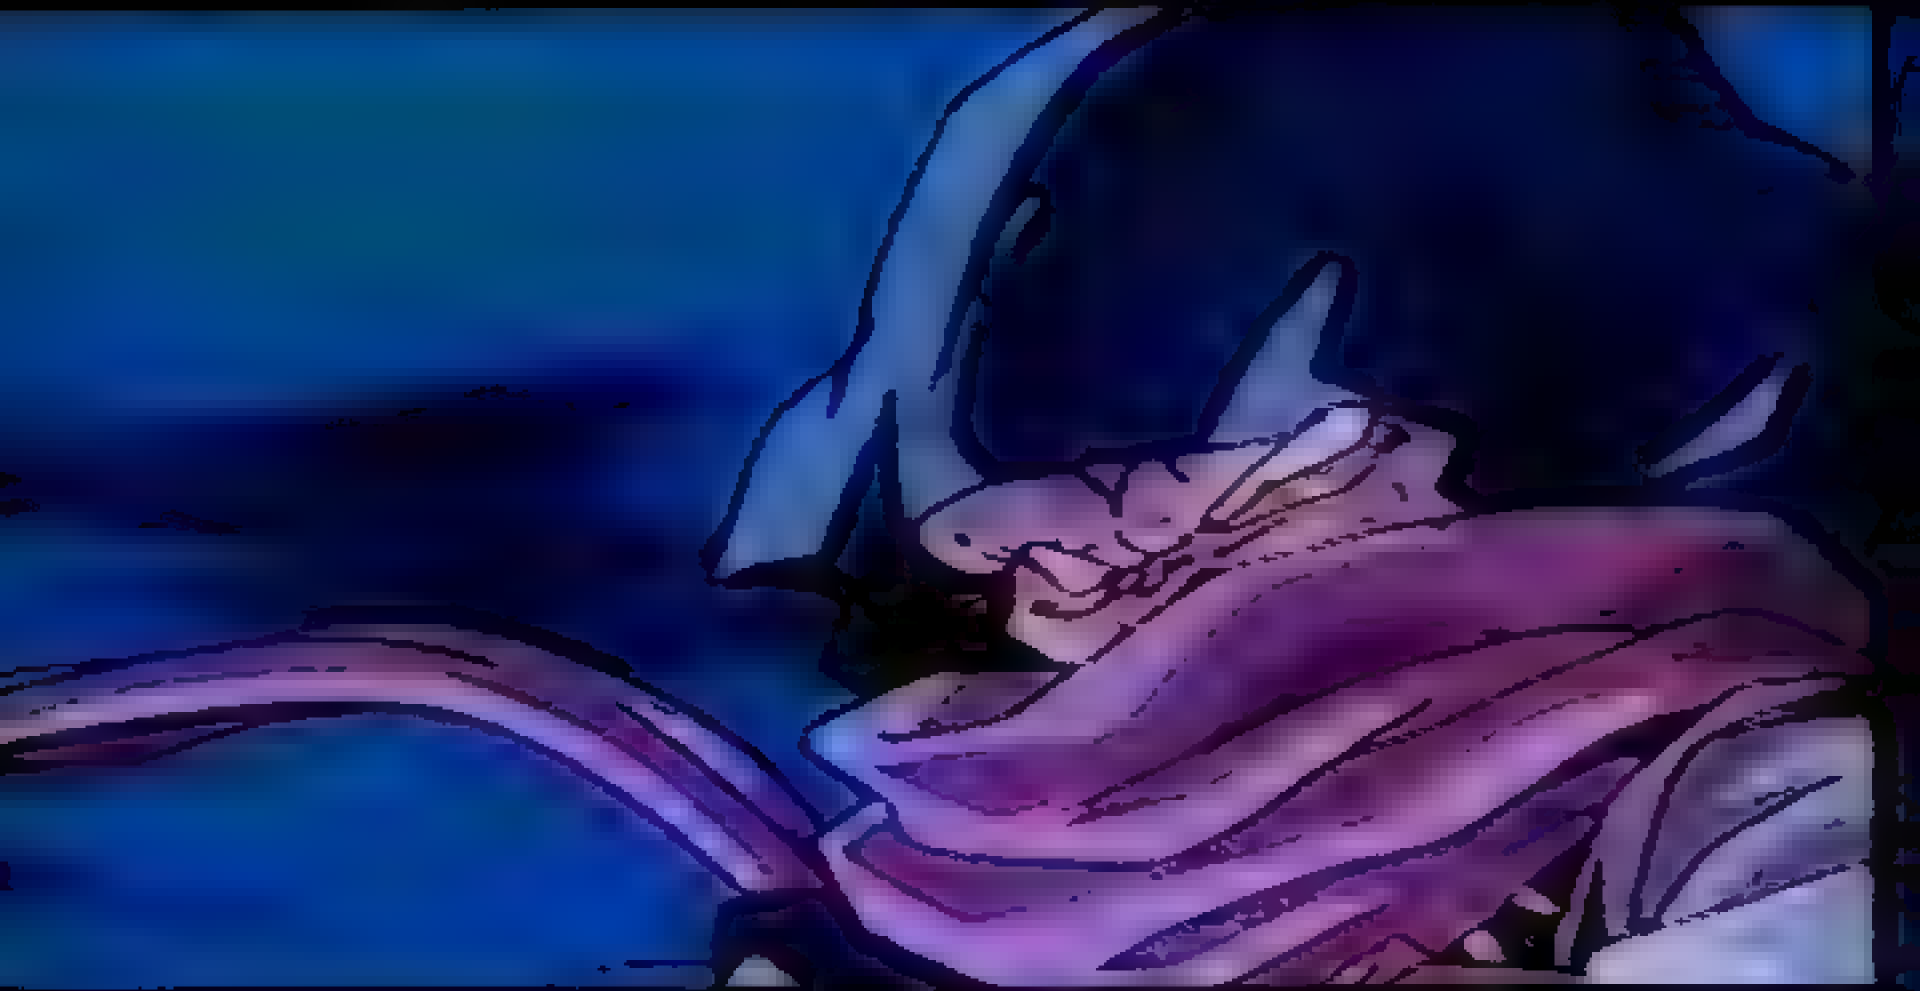

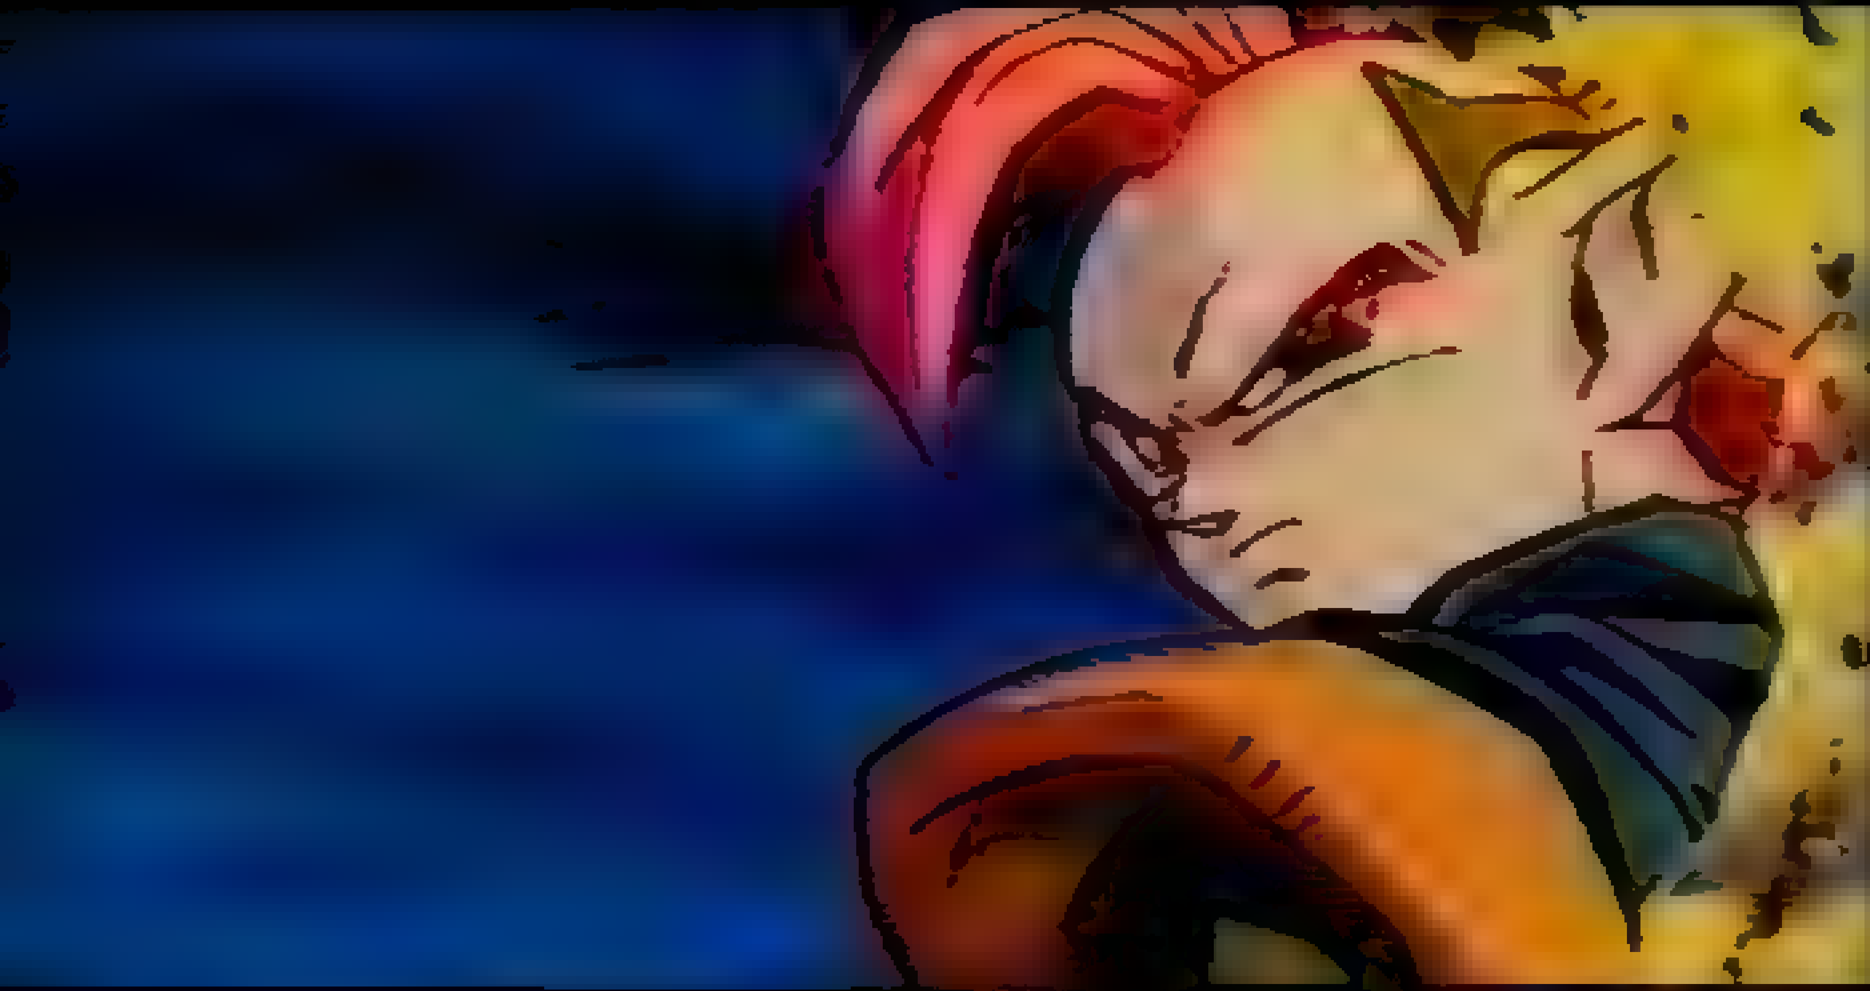

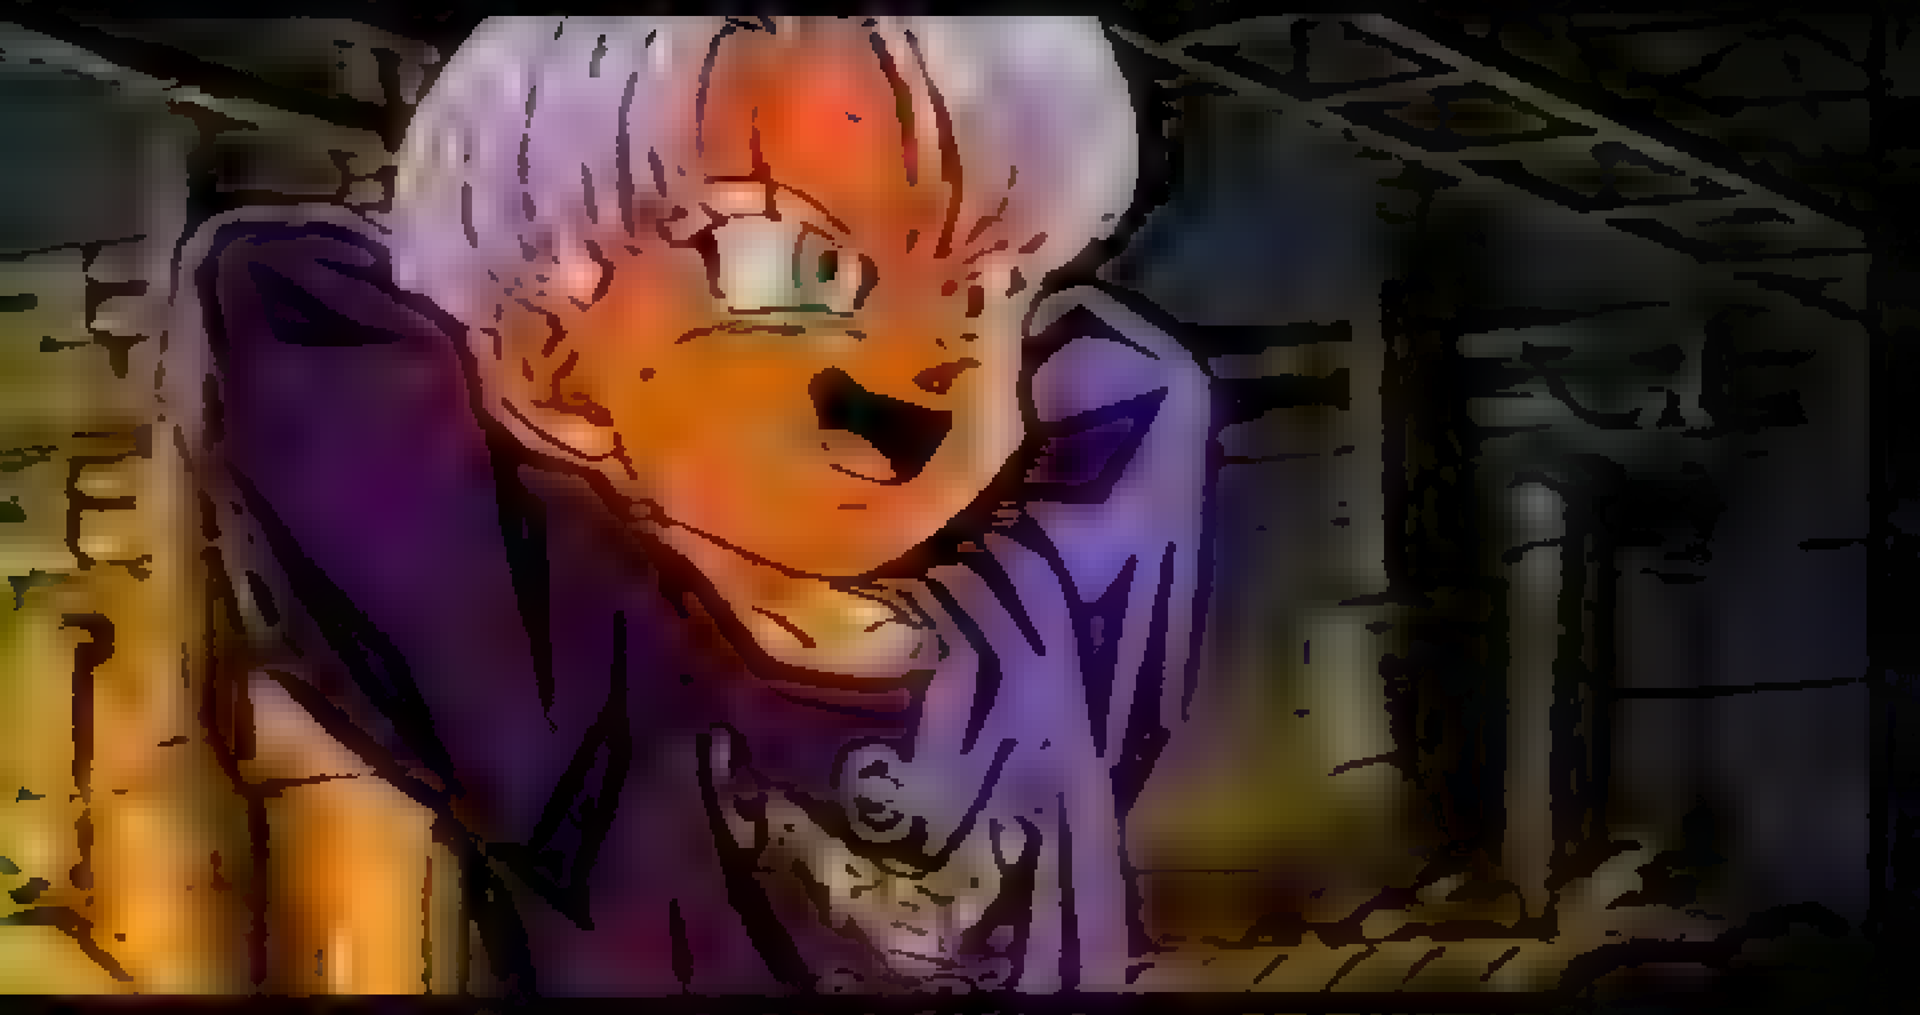

Here you go. I'll leave your dinner here.

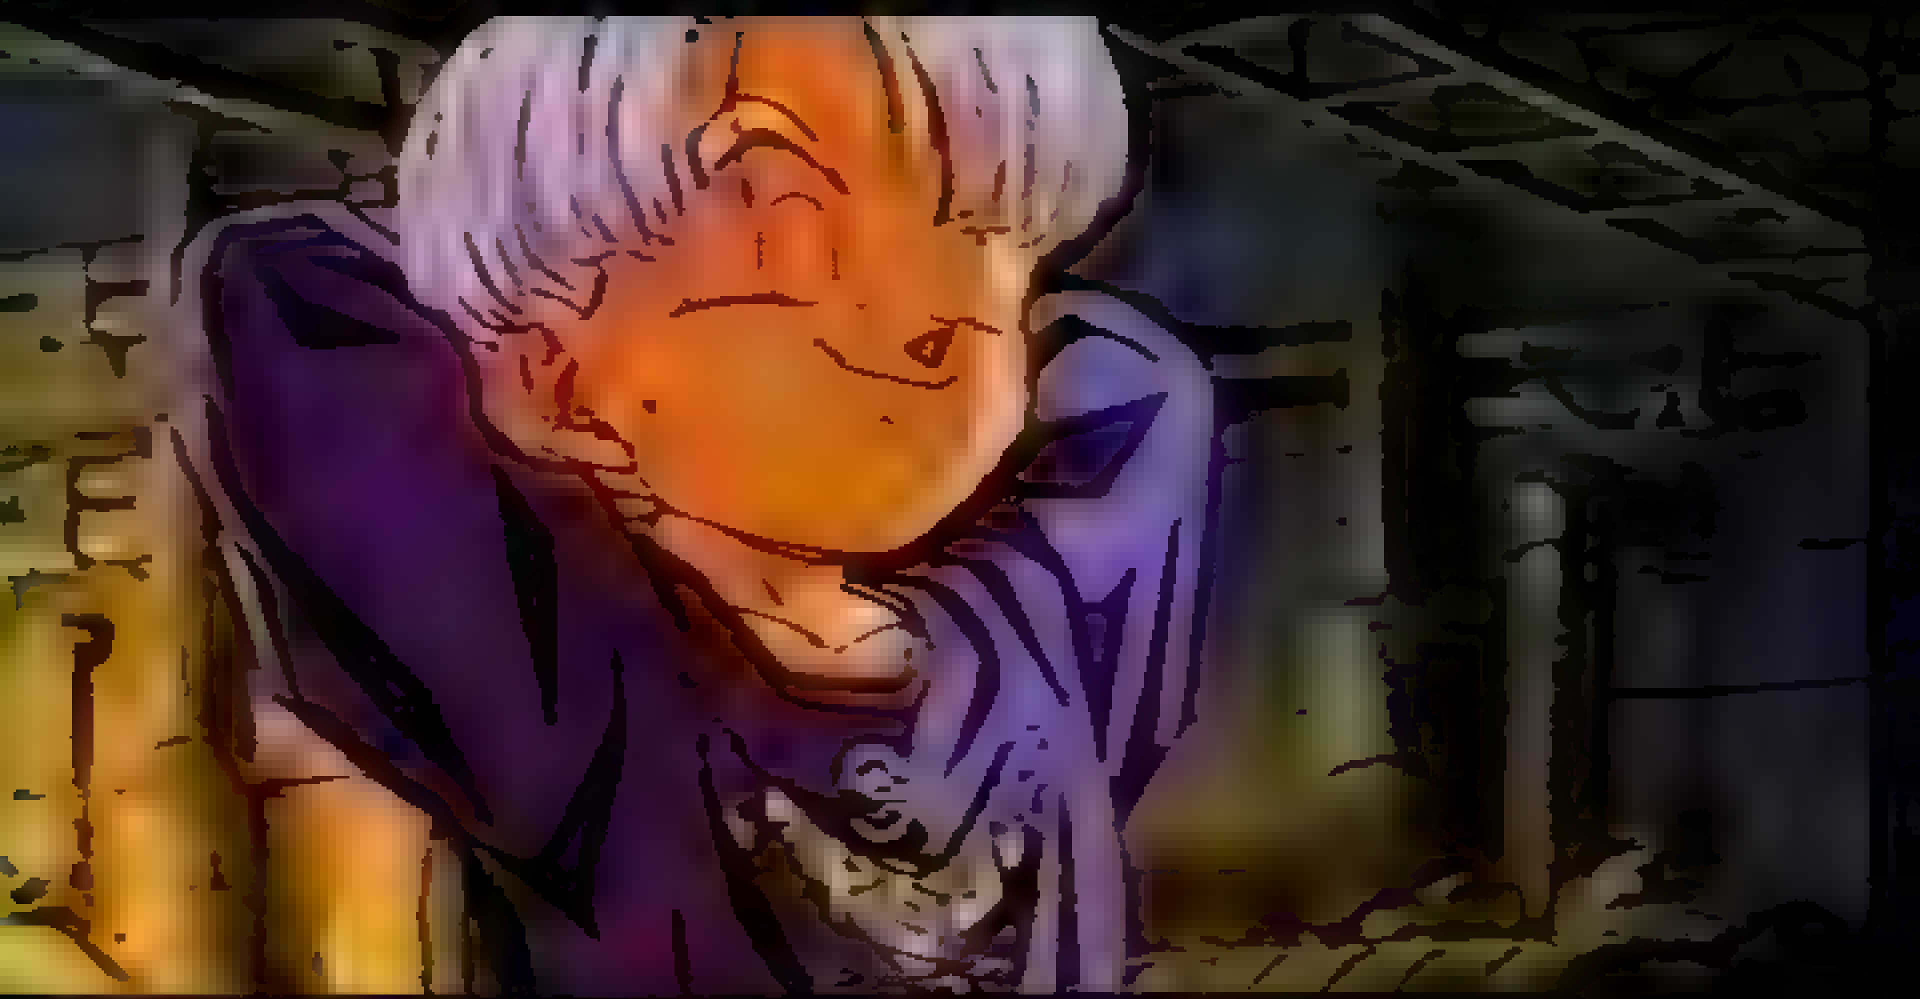

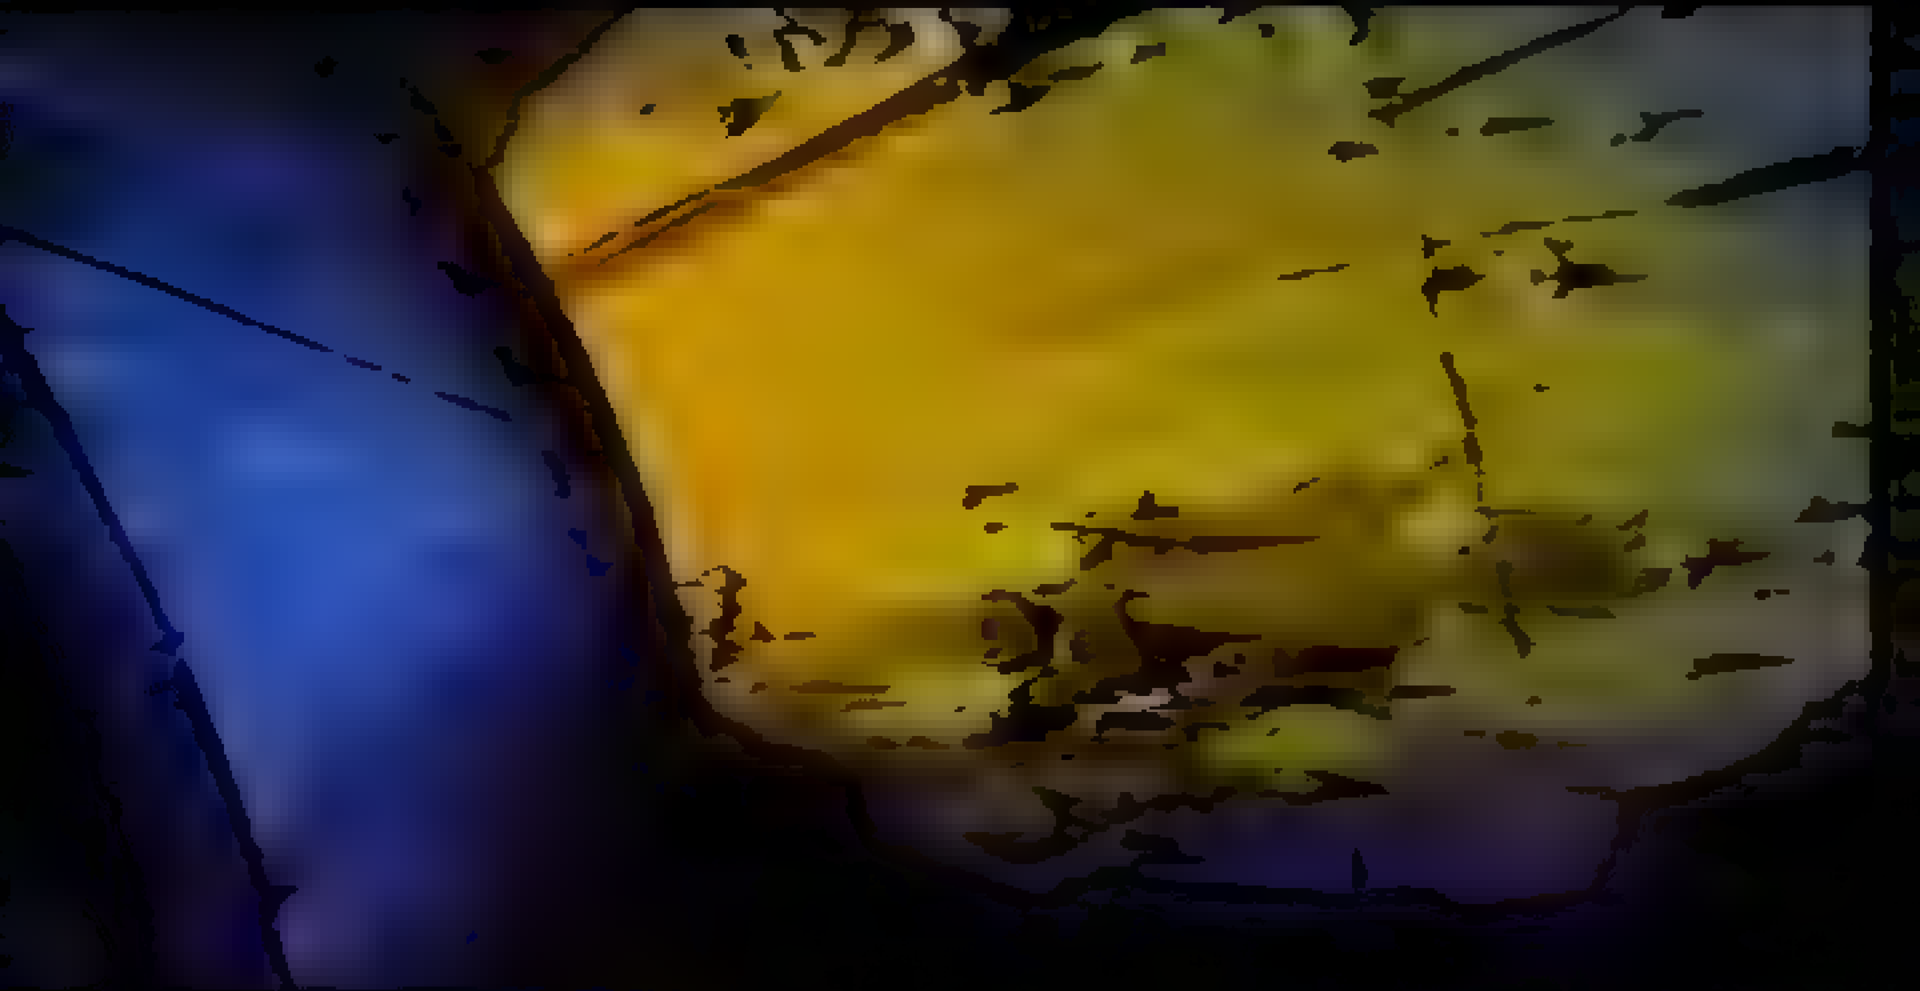

That flute sounds really
good. Play it some more!

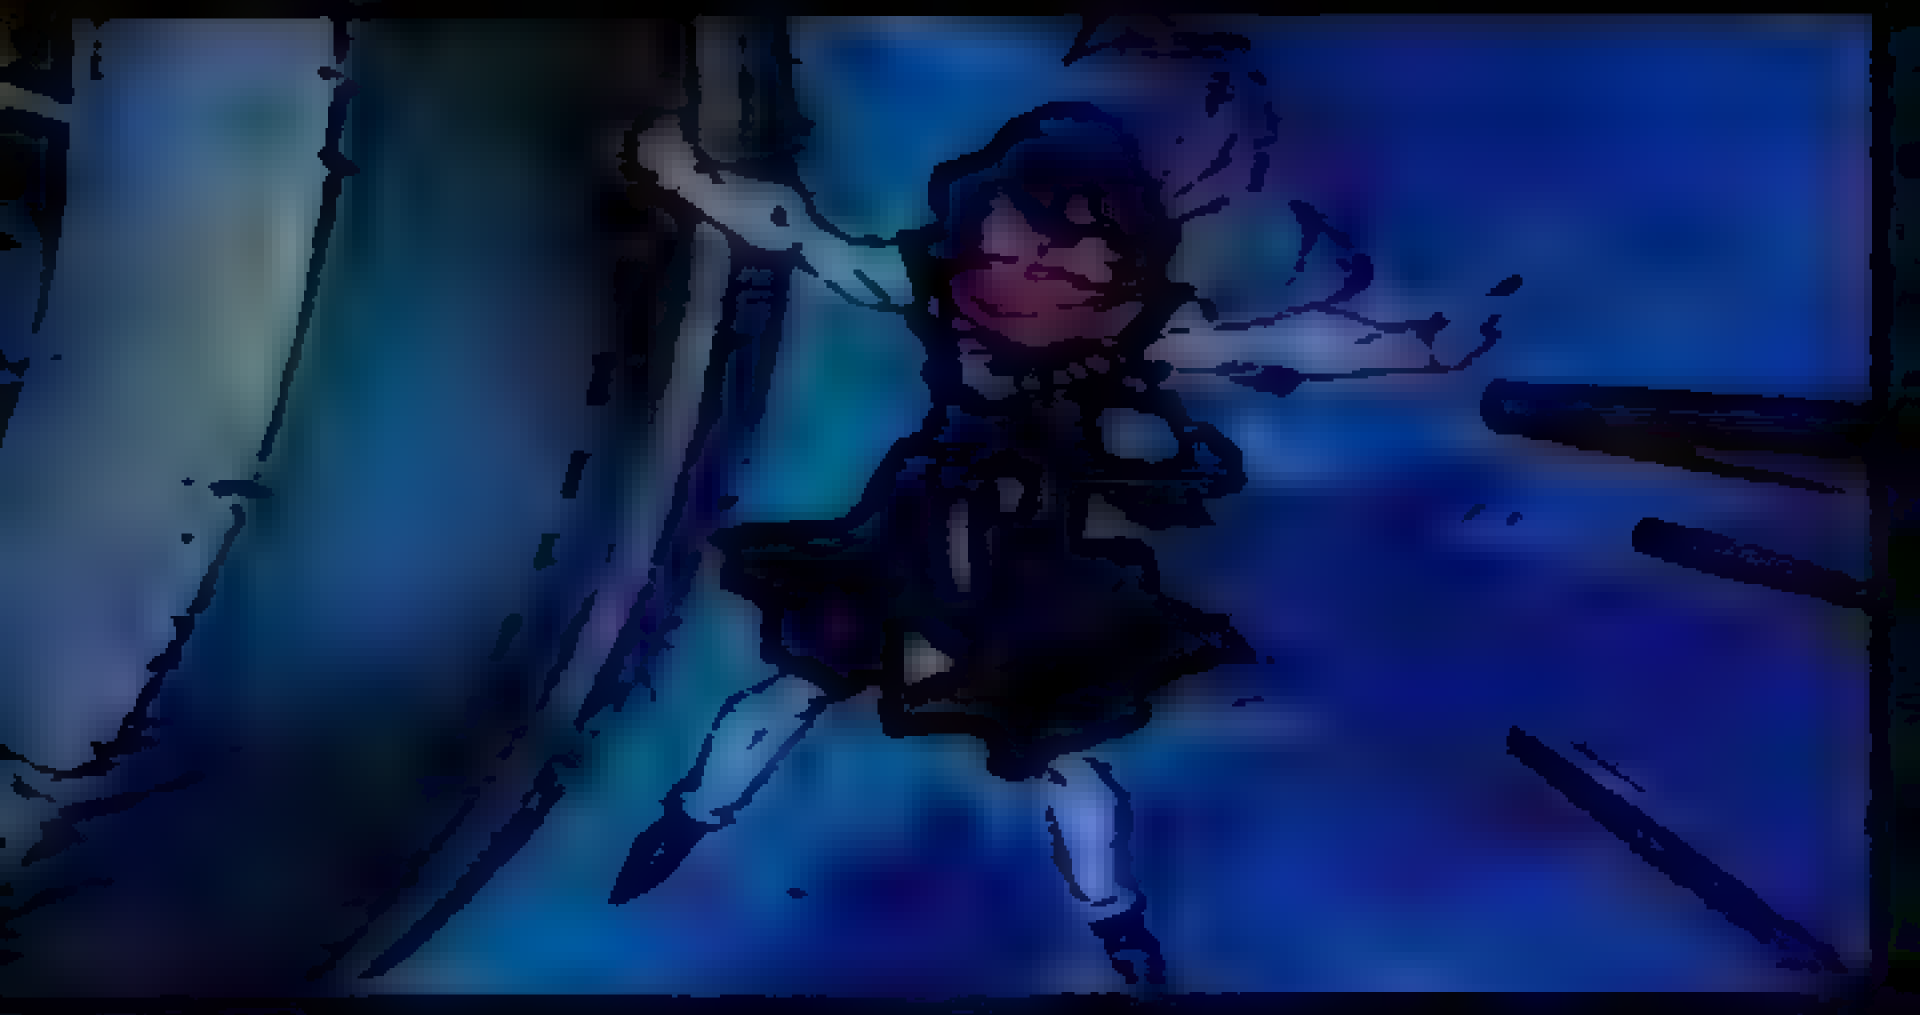

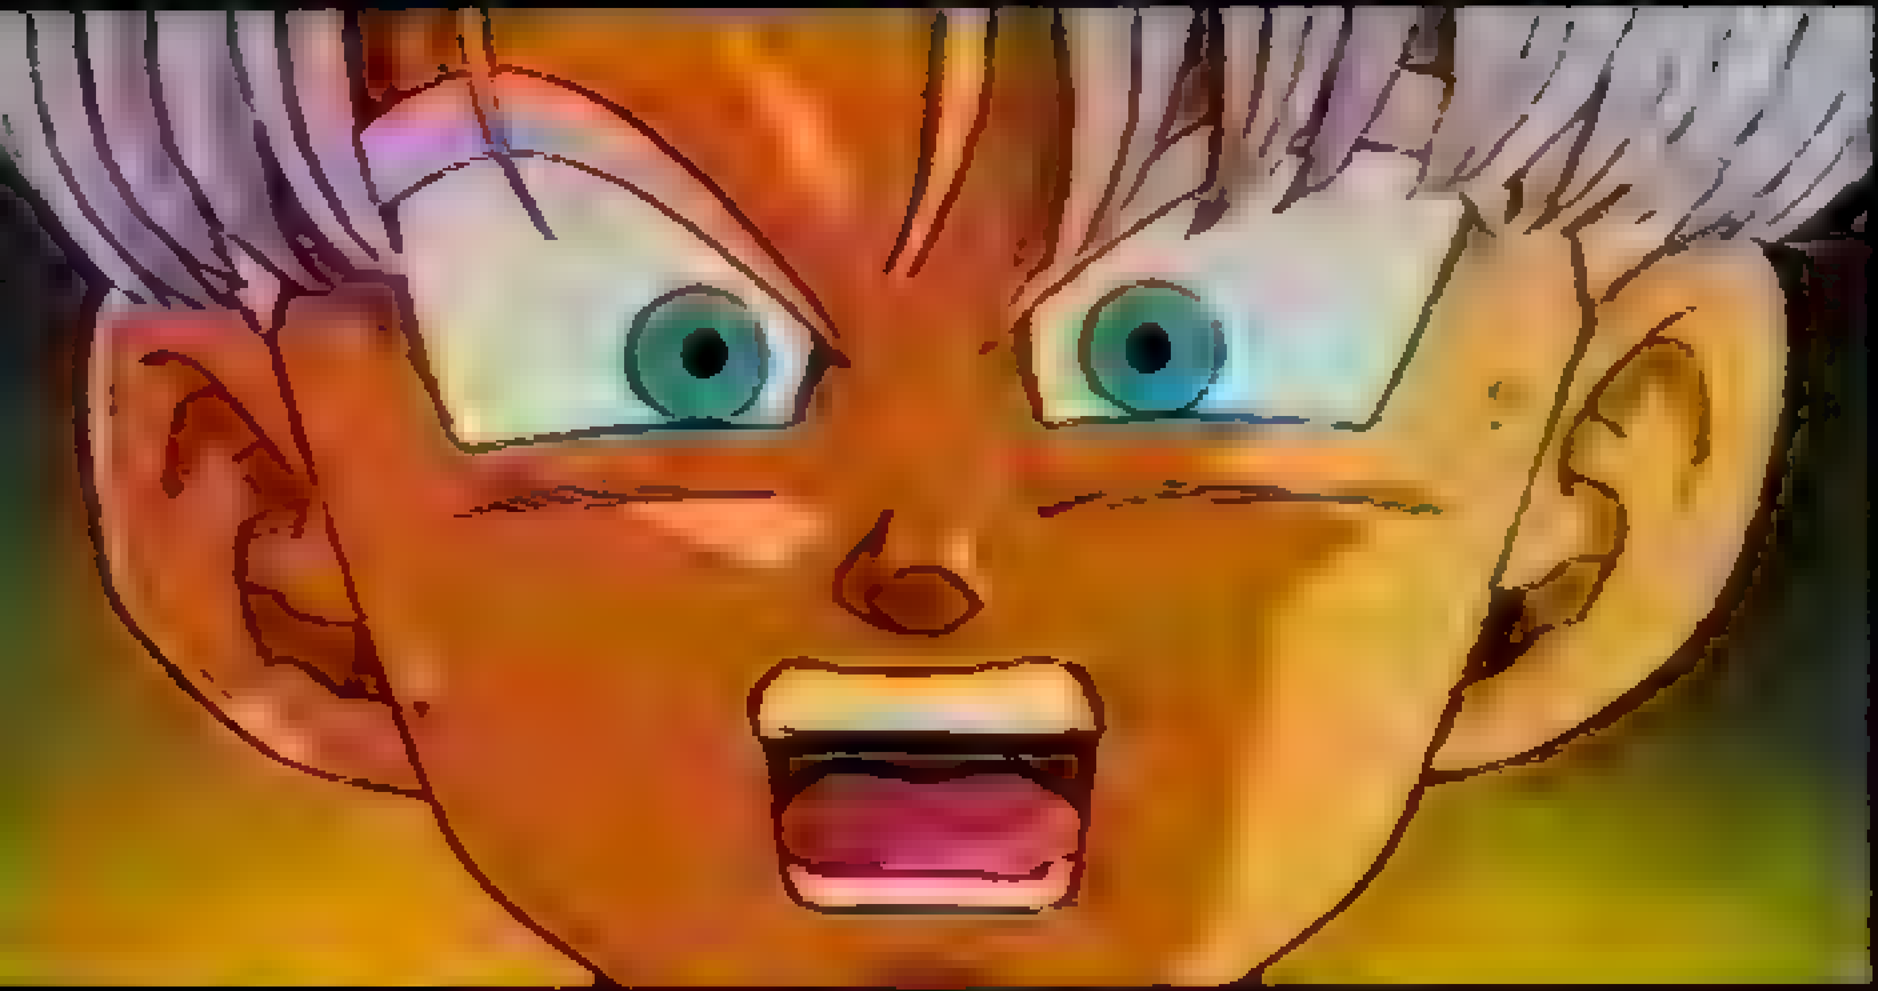

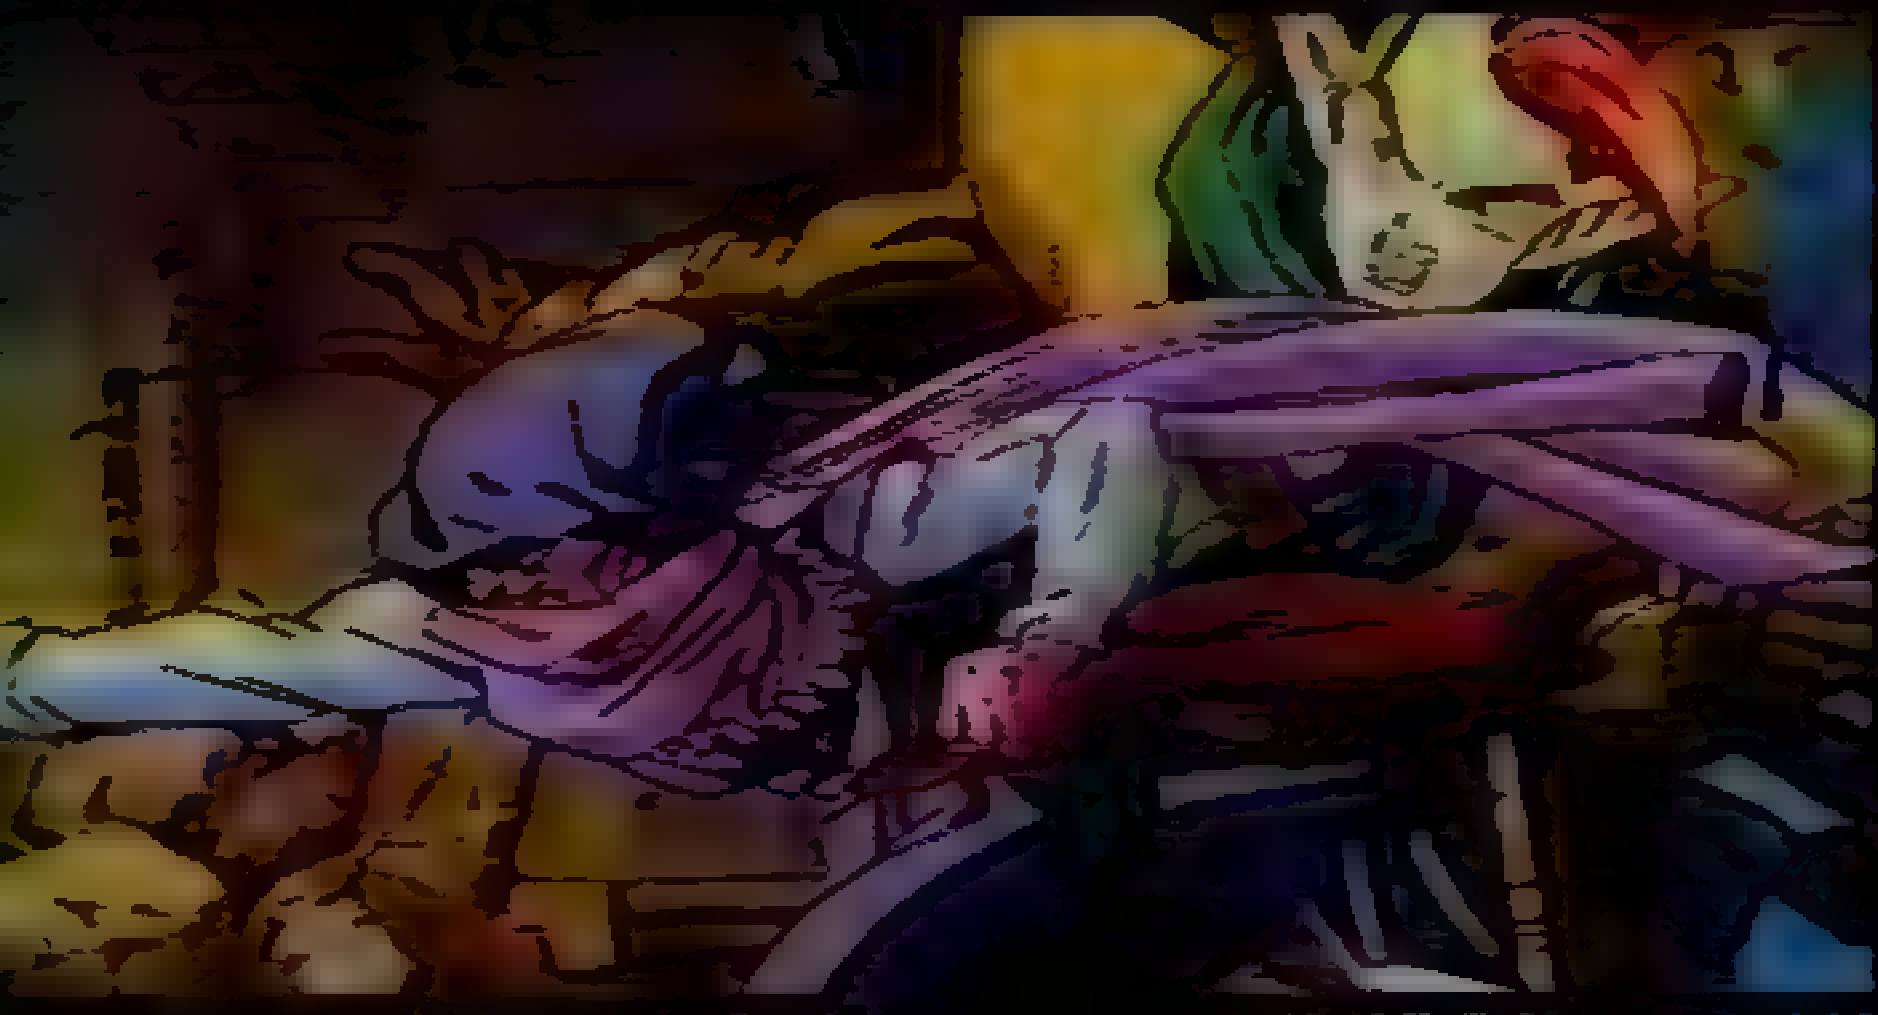

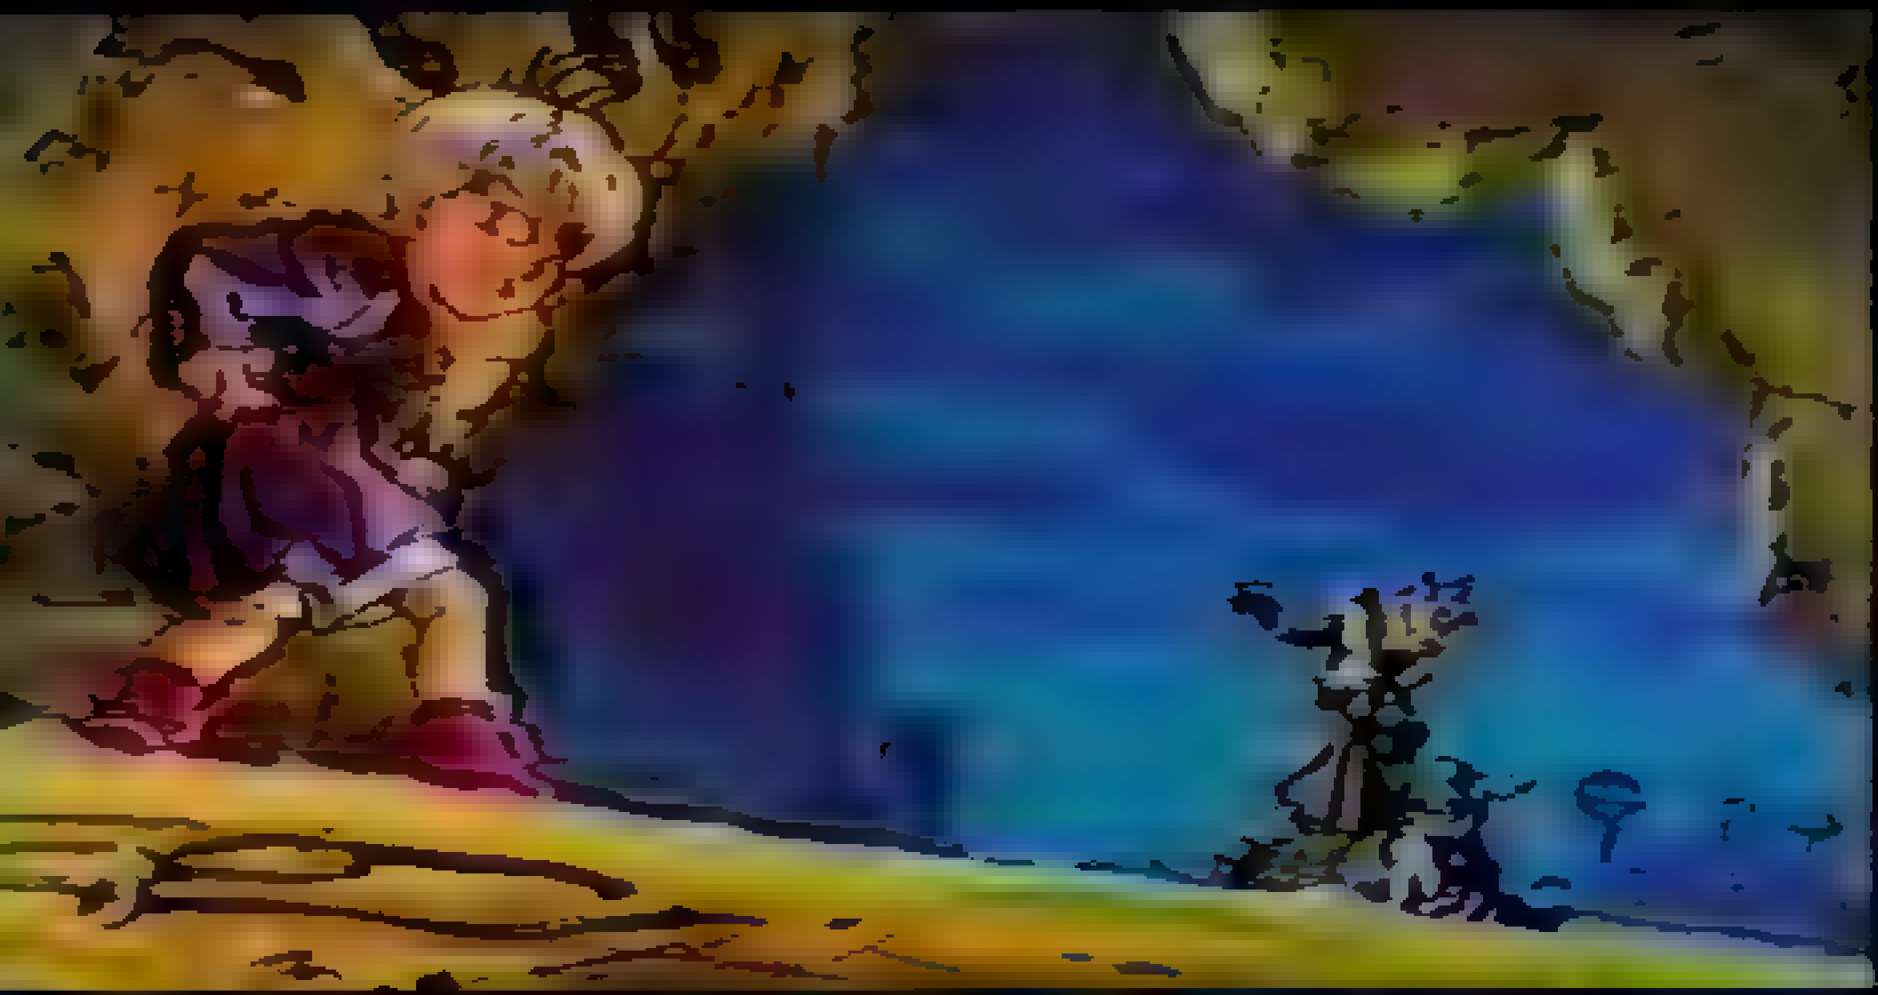

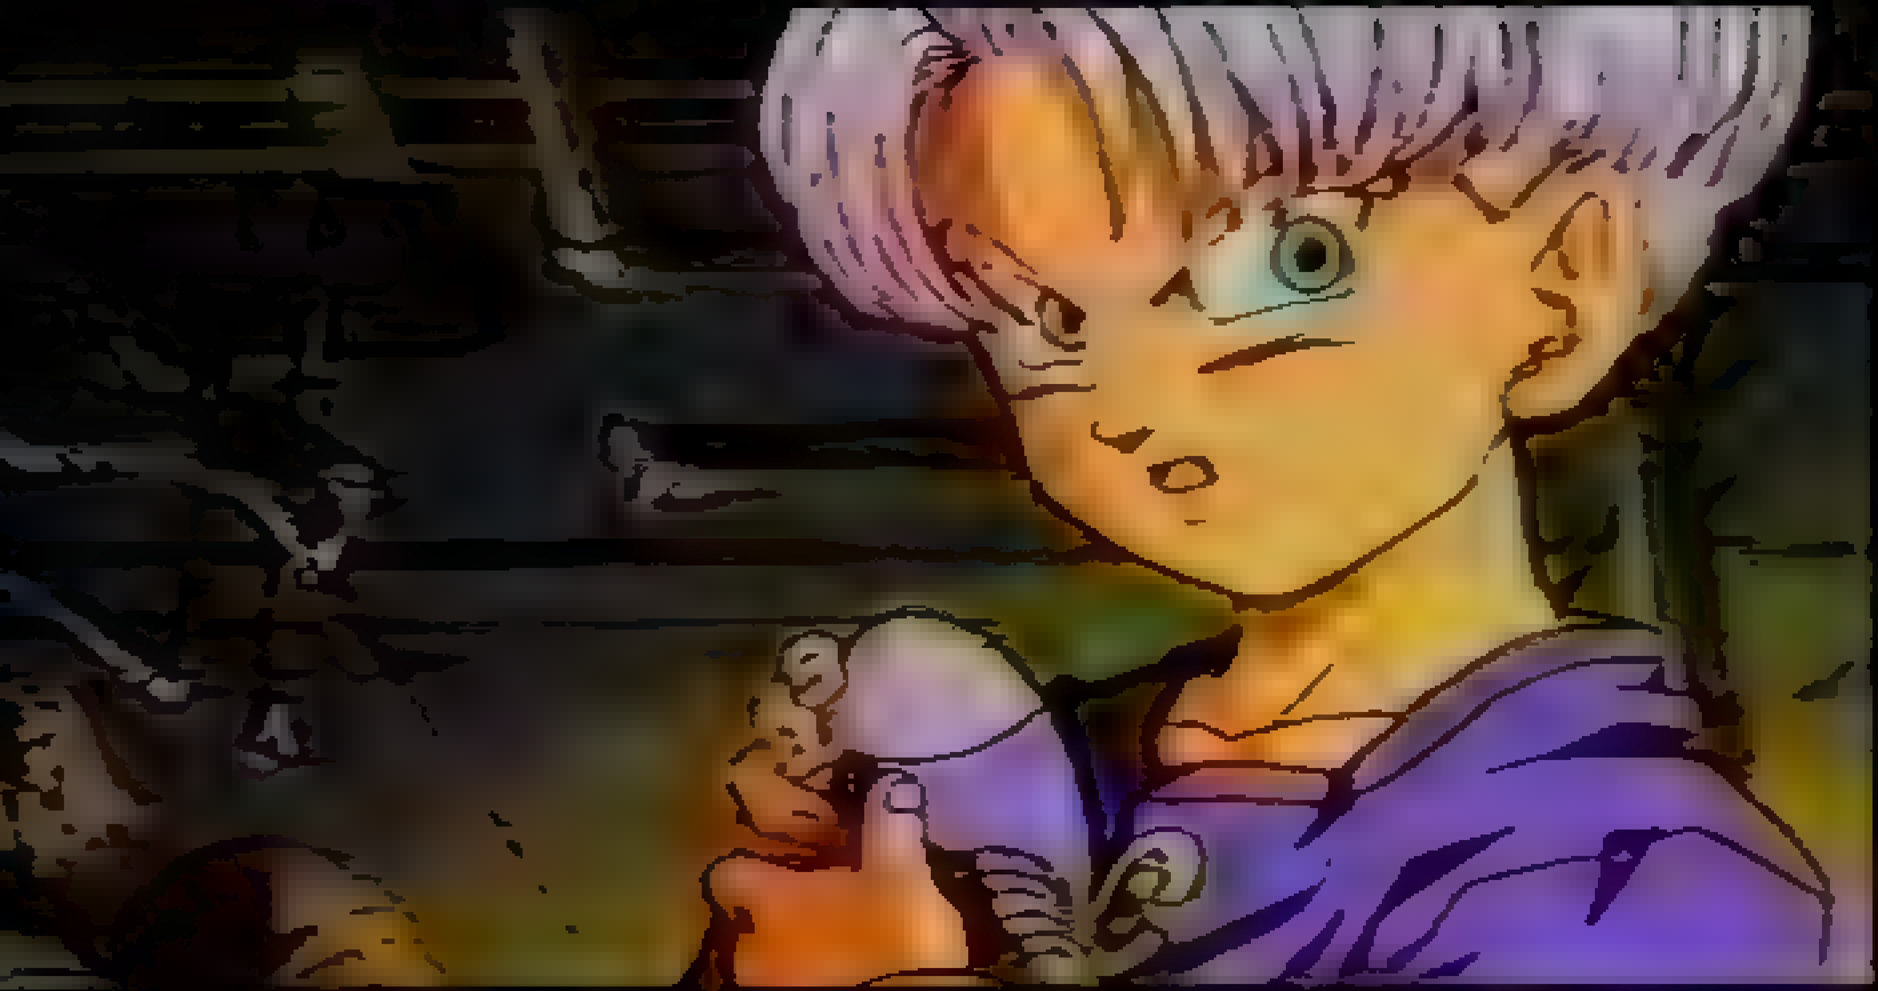

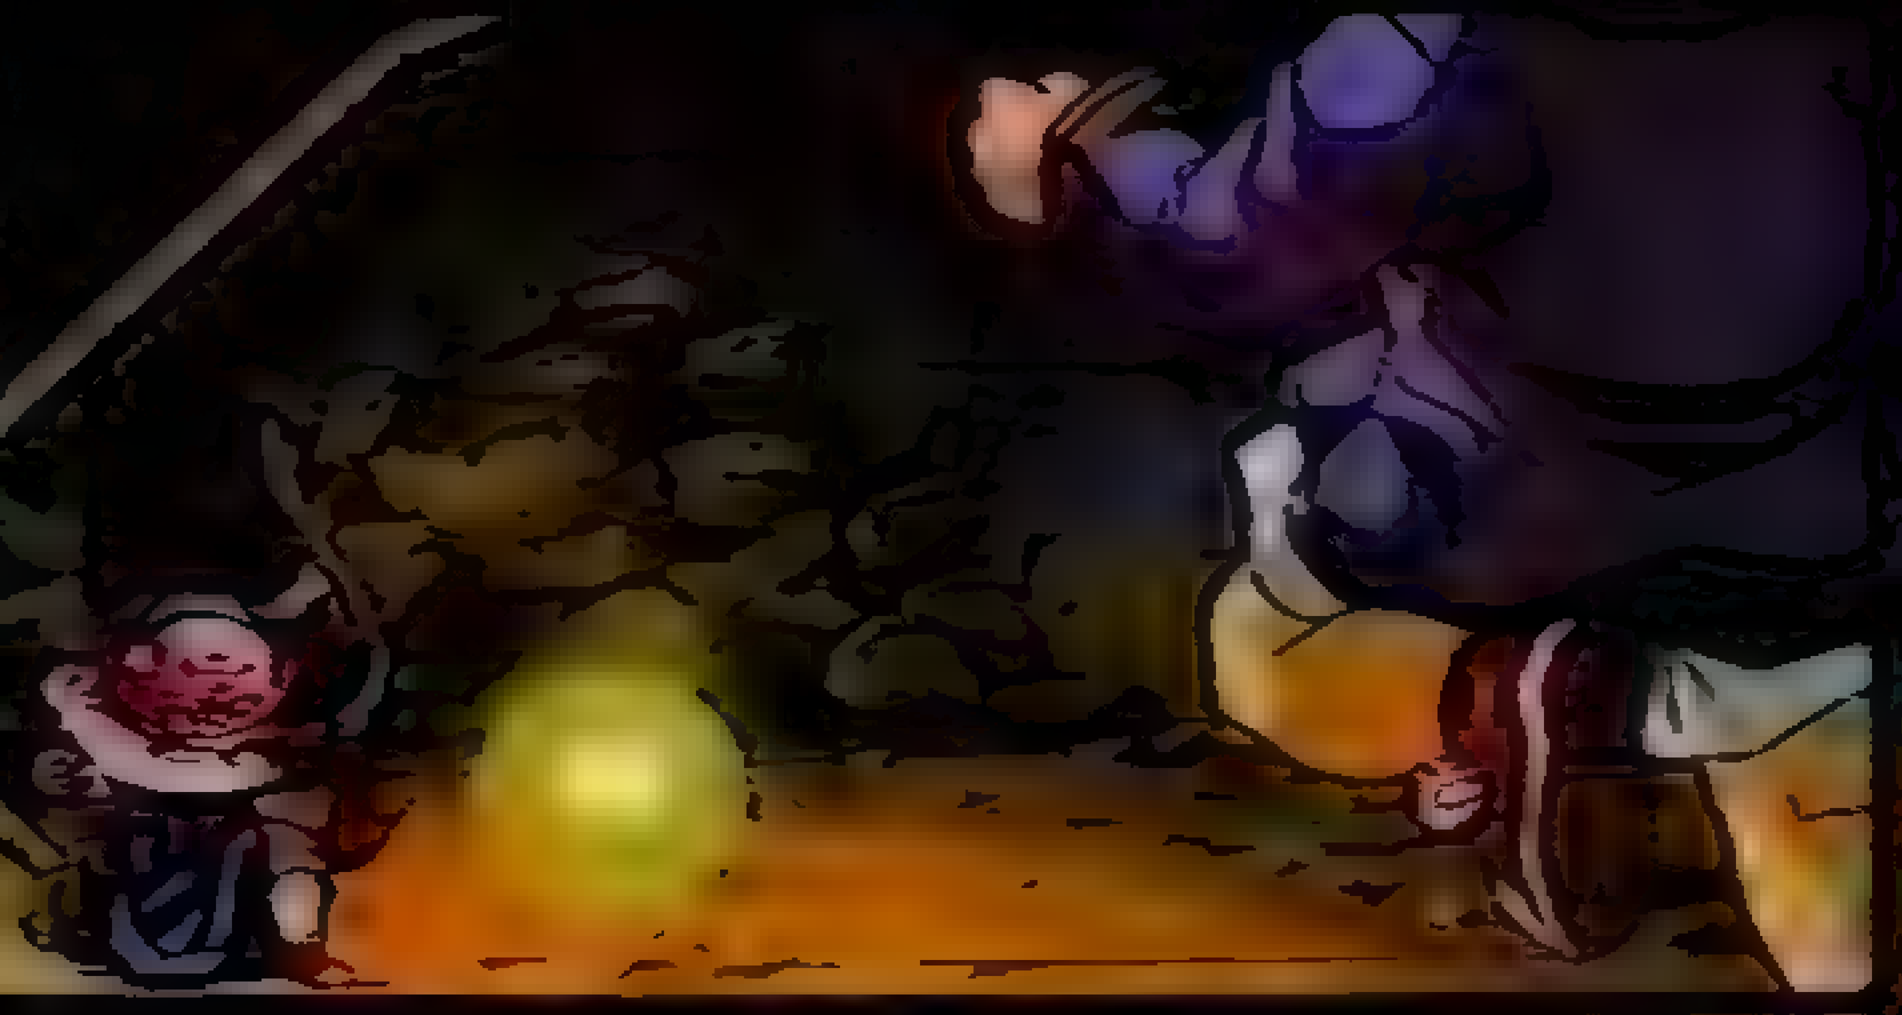

Kid, give me the flute!

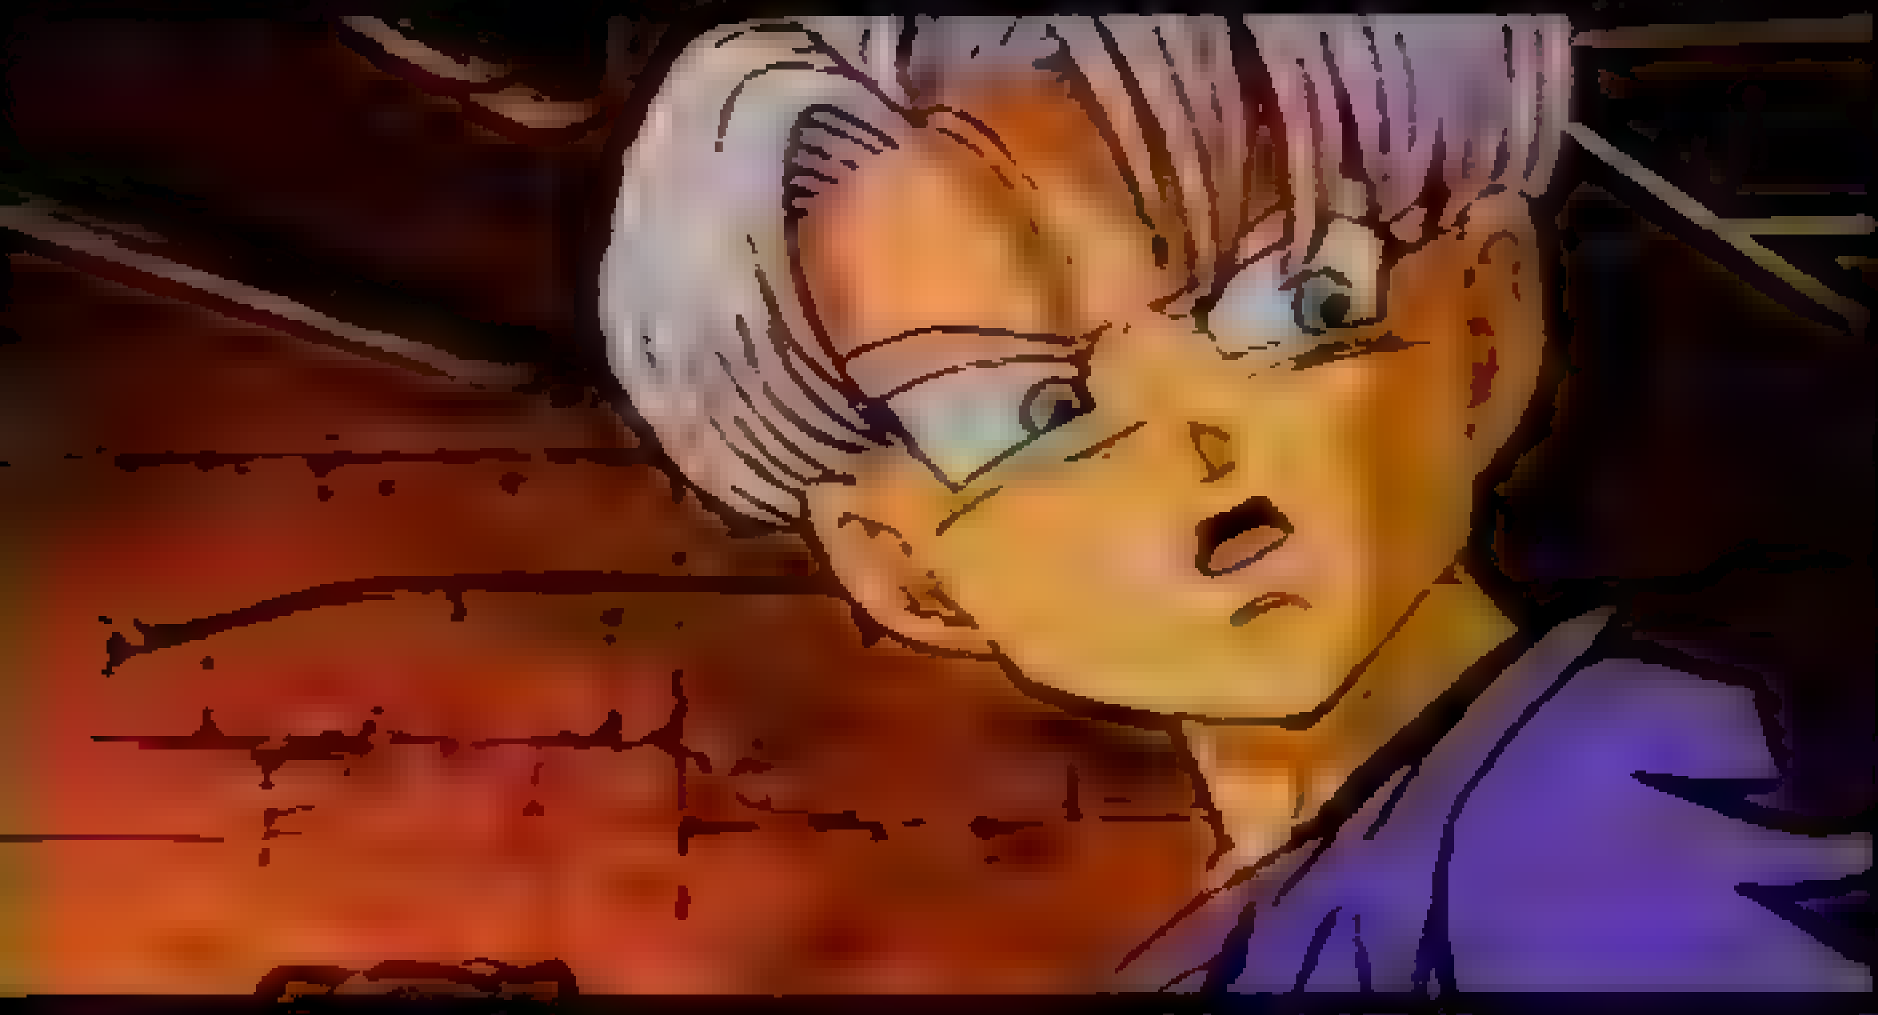

Trunks, give me the flute!

Wait, kid!

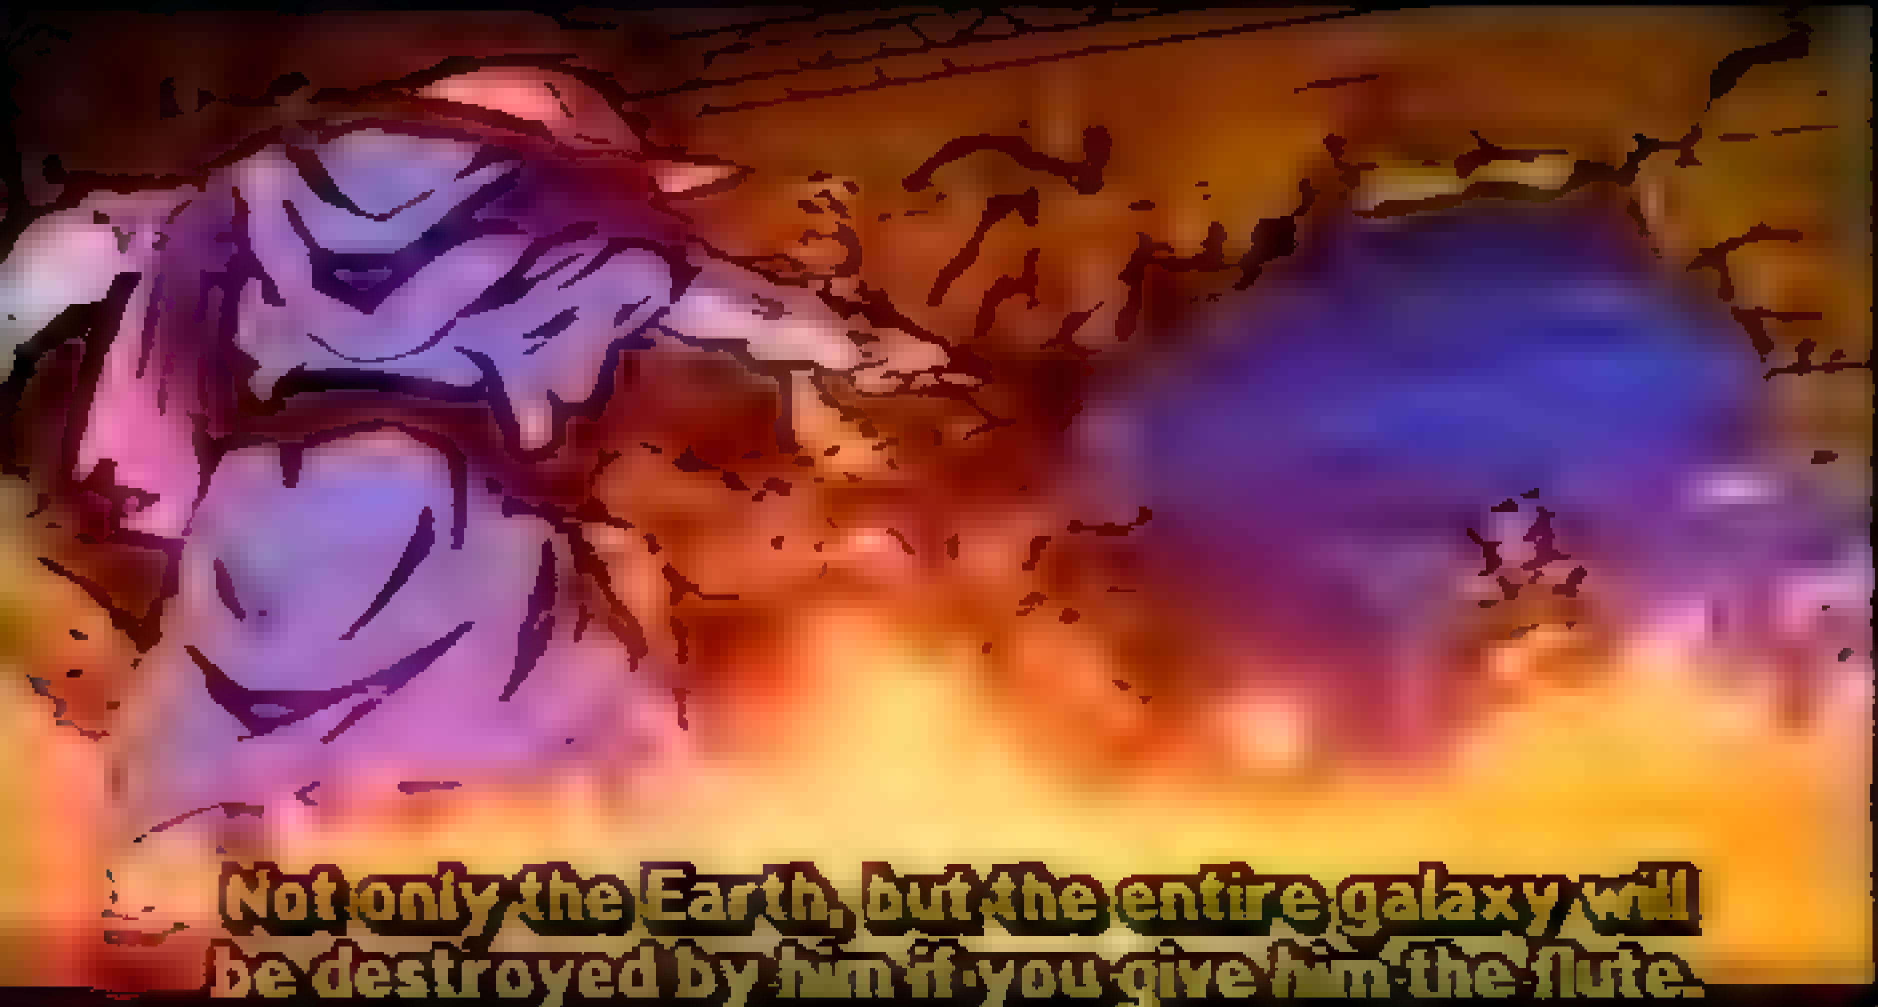

Tabion is not the Brave Warrior.

He is the monster that destroyed the town

He is the monster that destroyed the town.

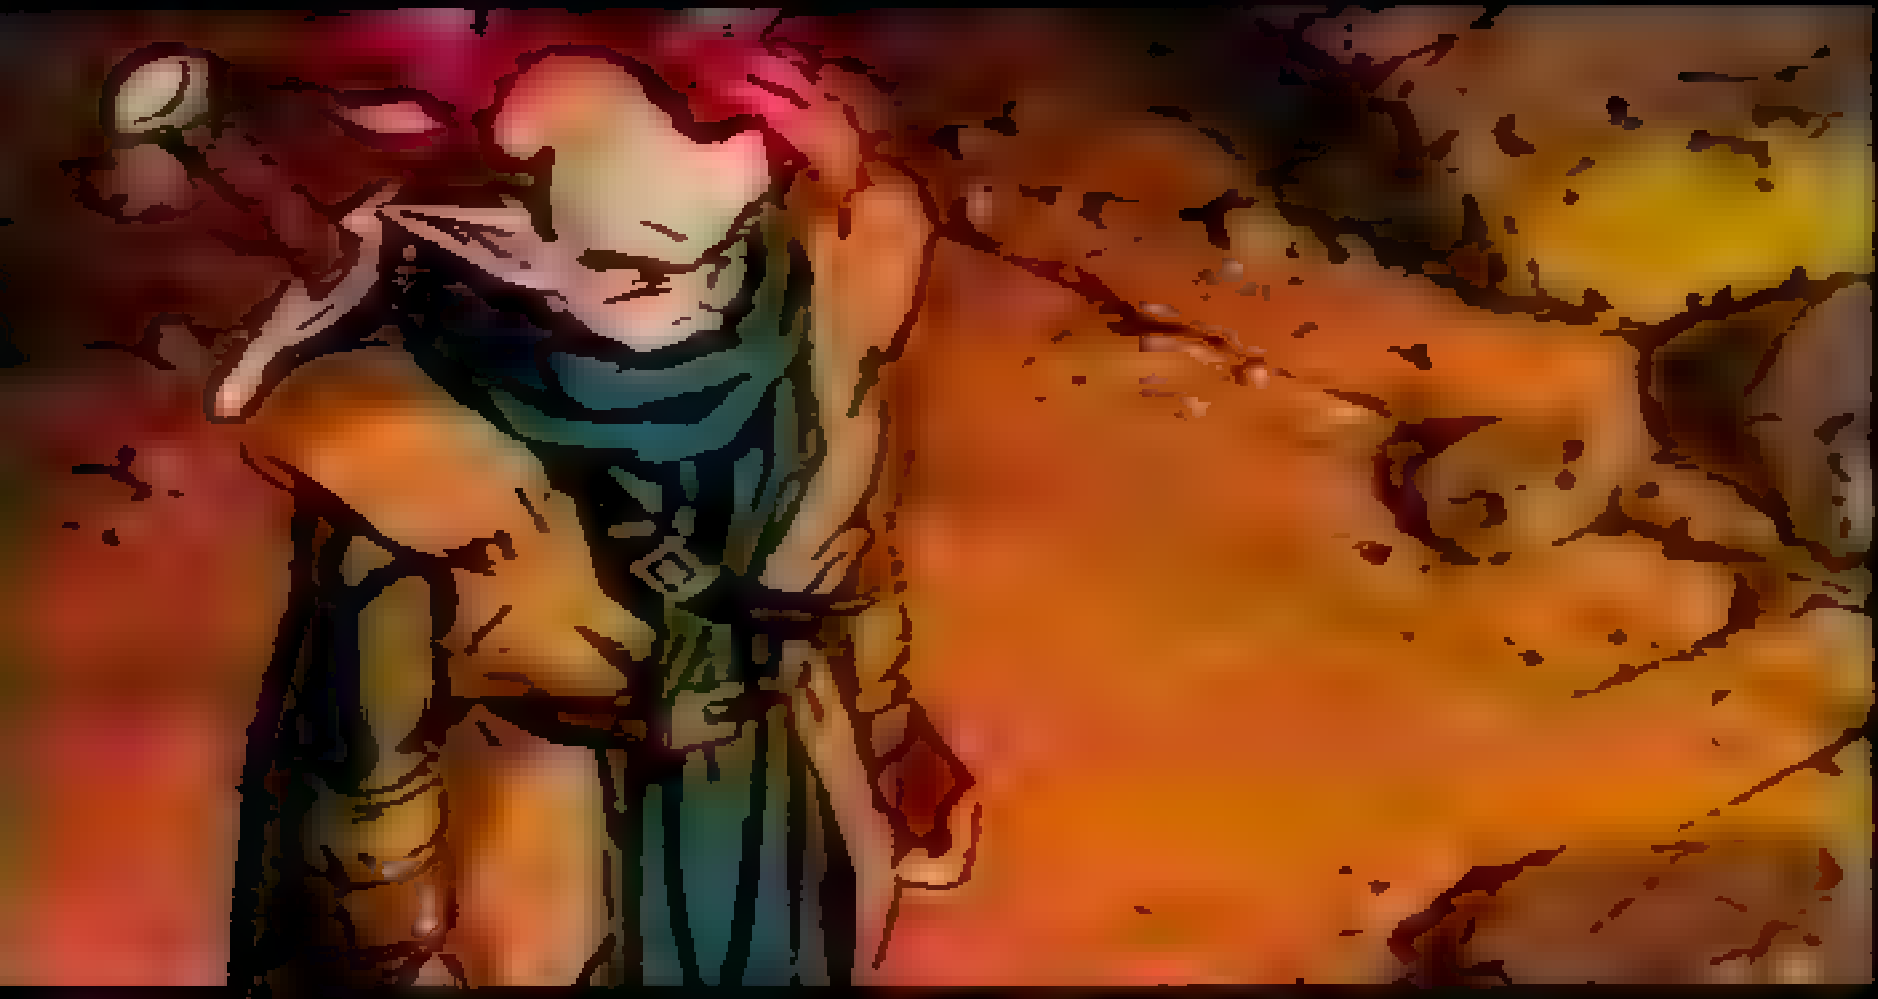

Trunks! Don't listen to him!

Not only the Earth, but the entire galaxy will
be destroyed by him if you give him the flute.

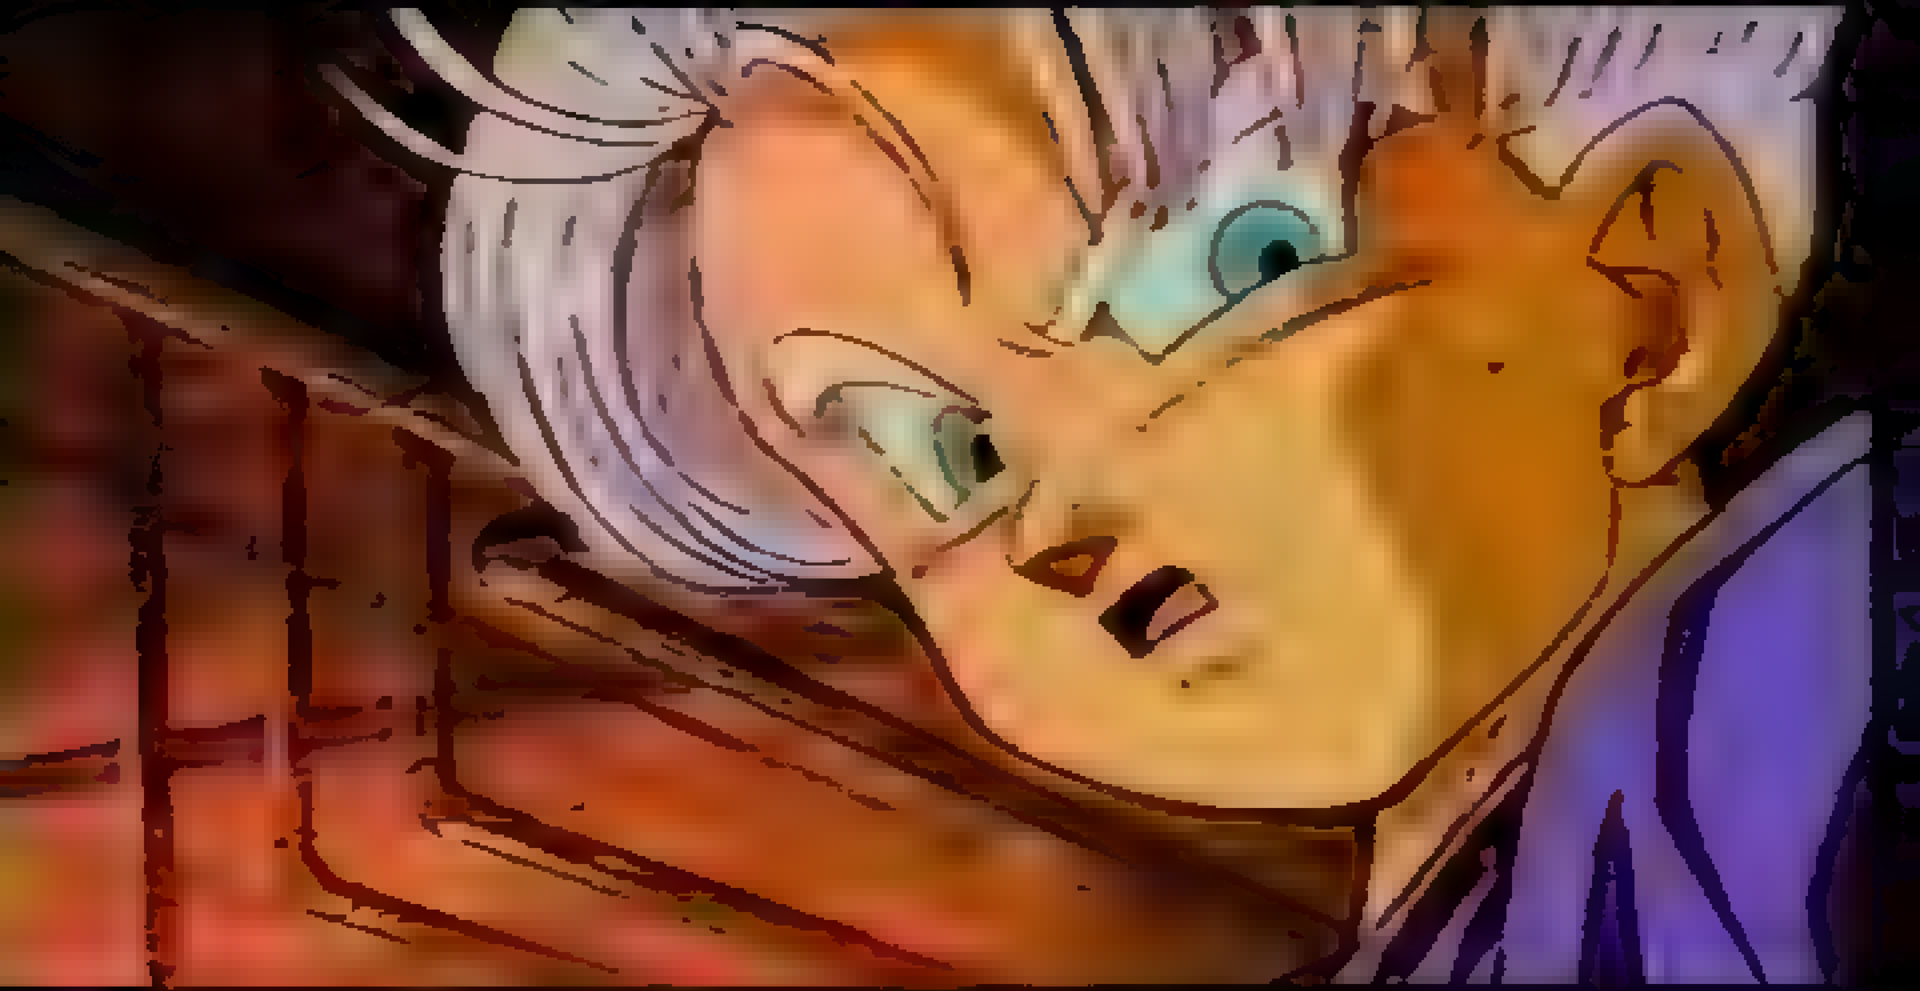

Not only the Earth, but the entire galaxy will
be destroyed by him if you give him the flute.

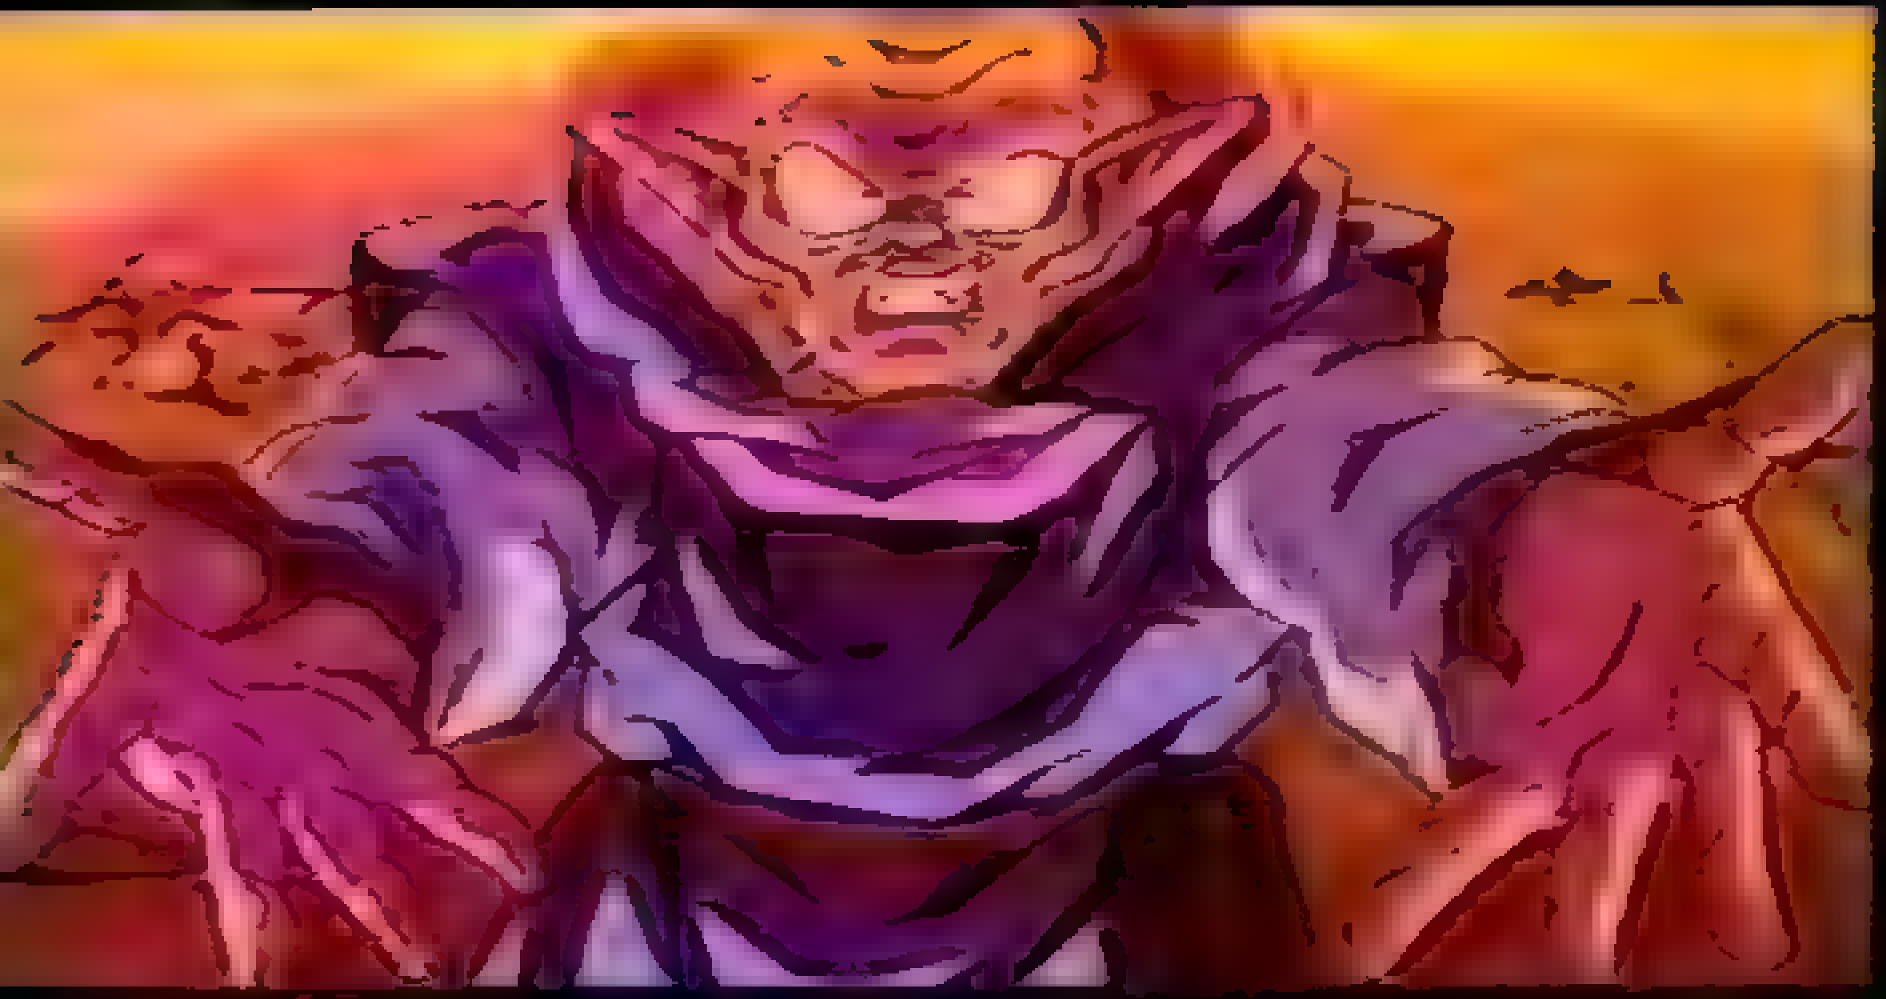

Not only the Earth, but the entire galaxy will
be destroyed by him if you give him the flute.

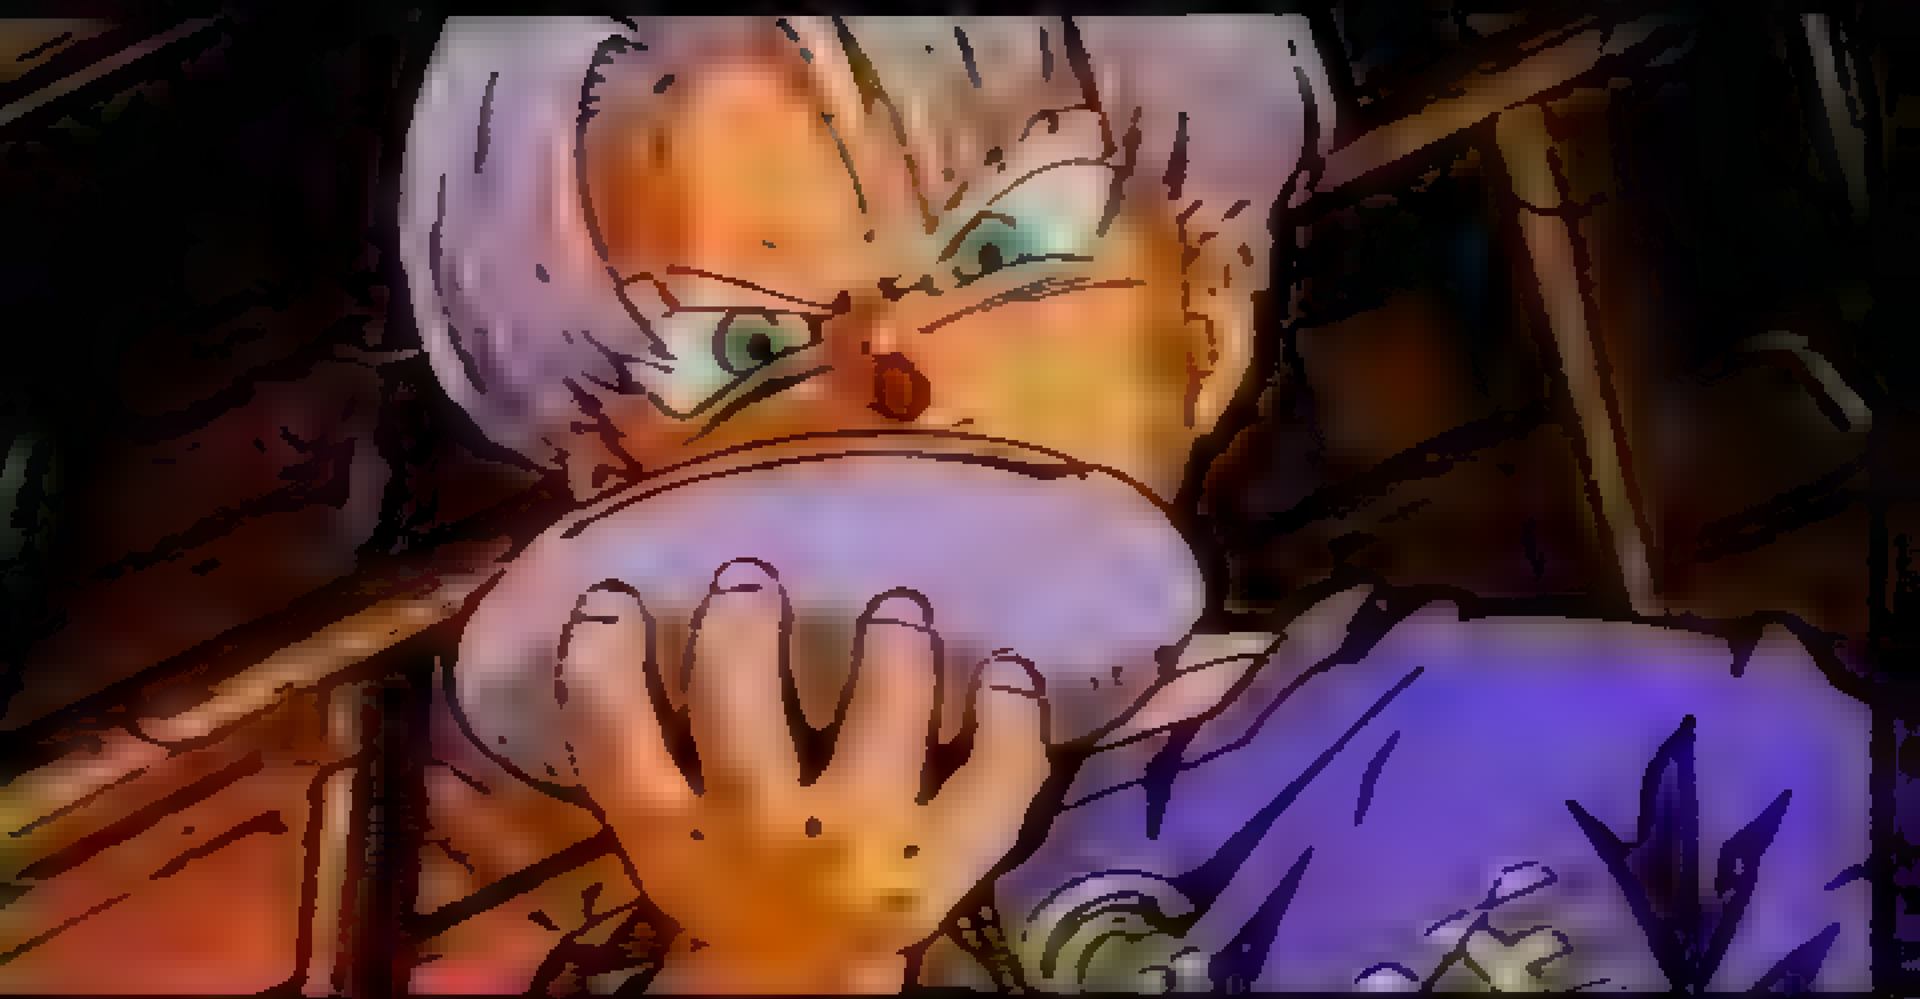

So hand it over to me!

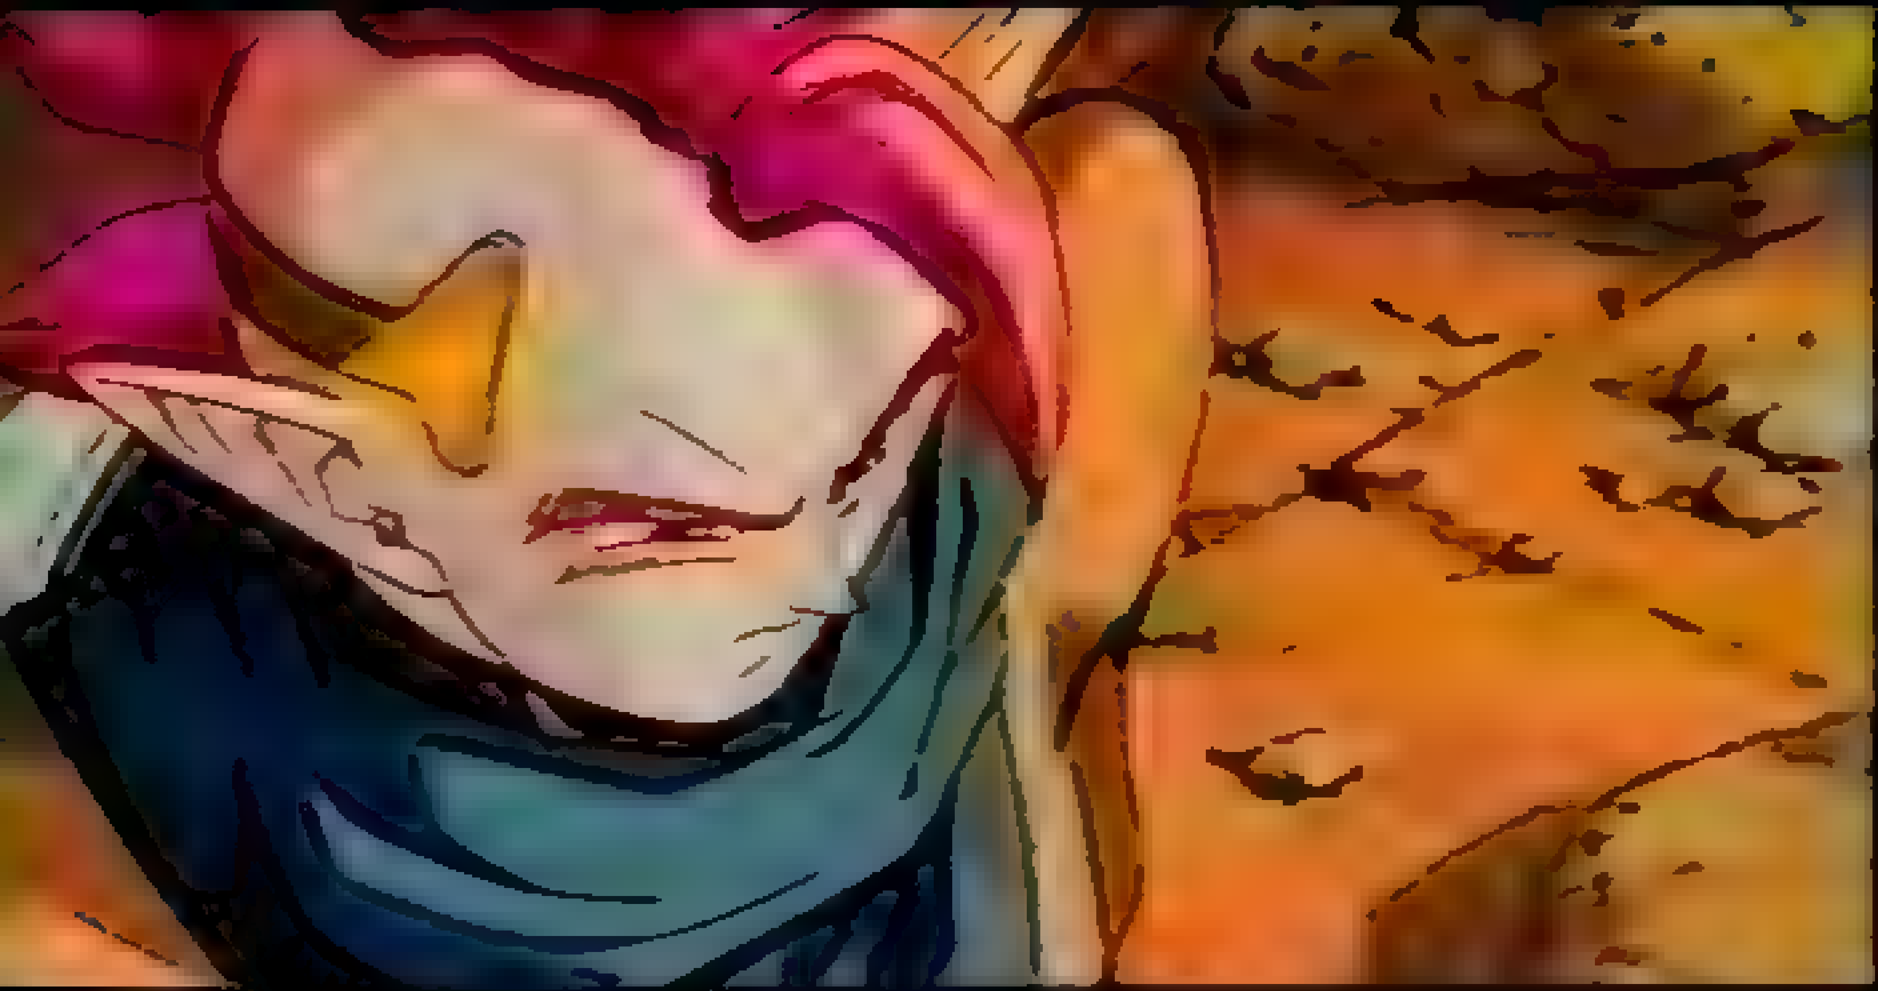

Trunks, believe me!!

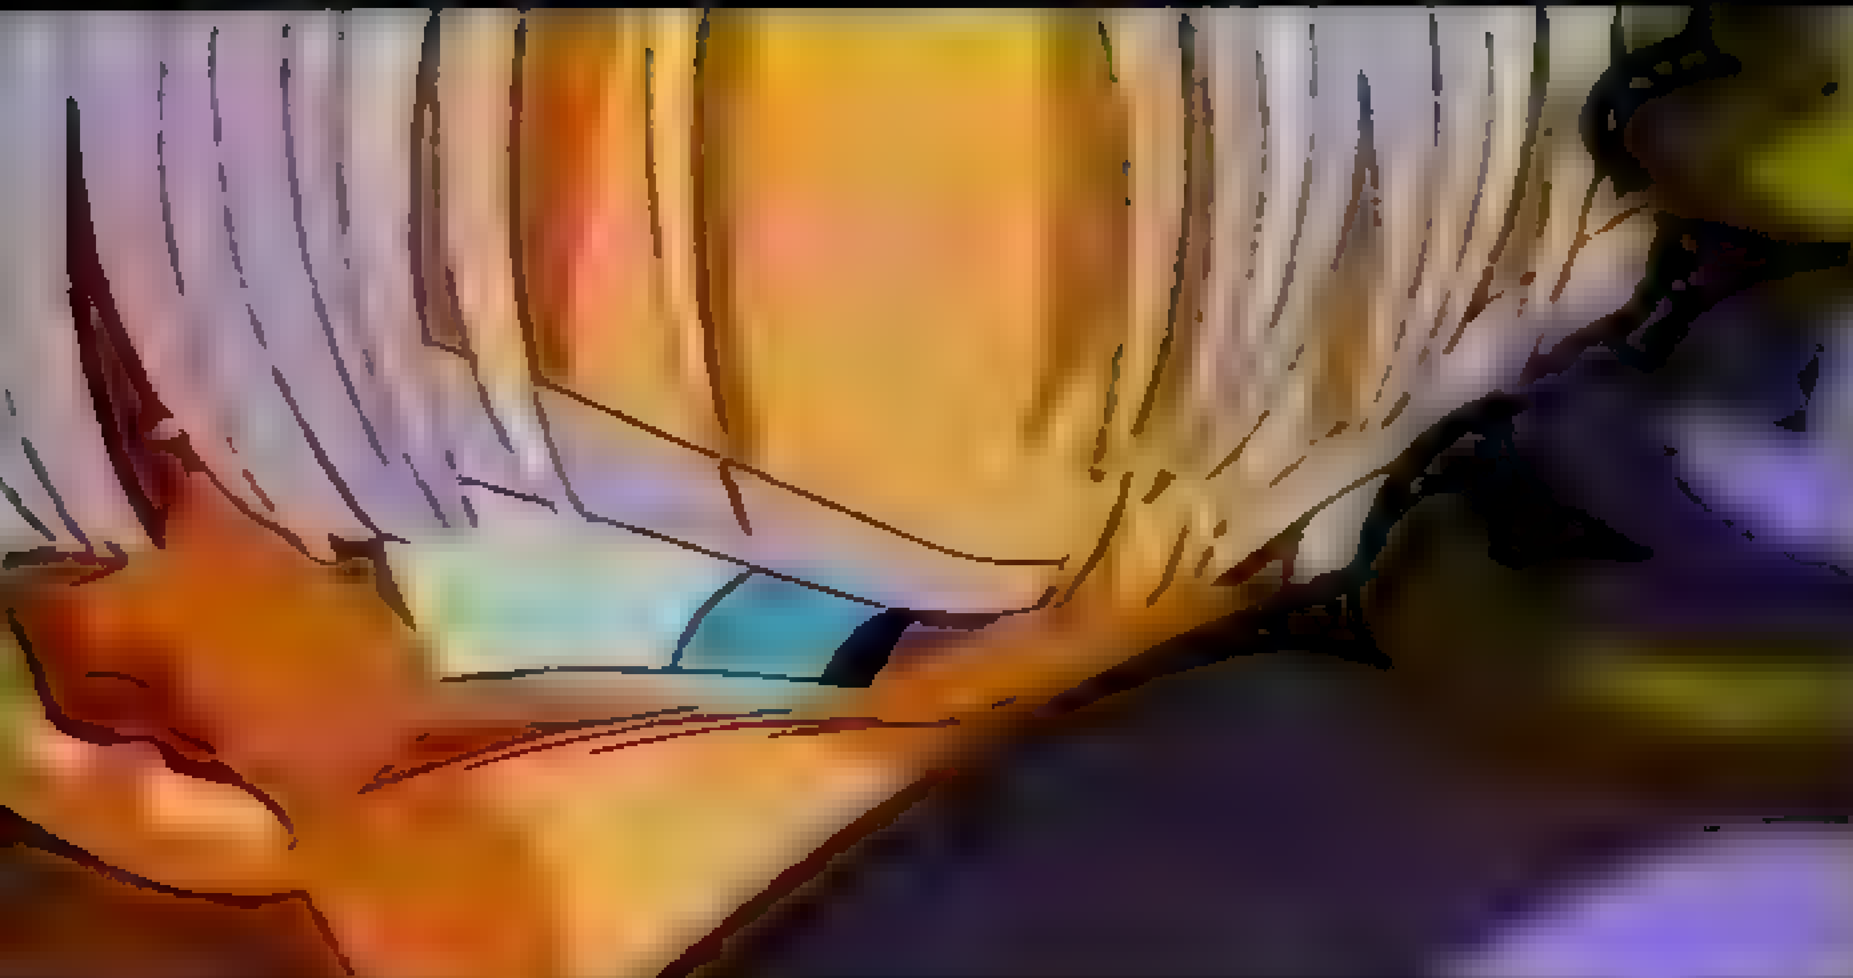

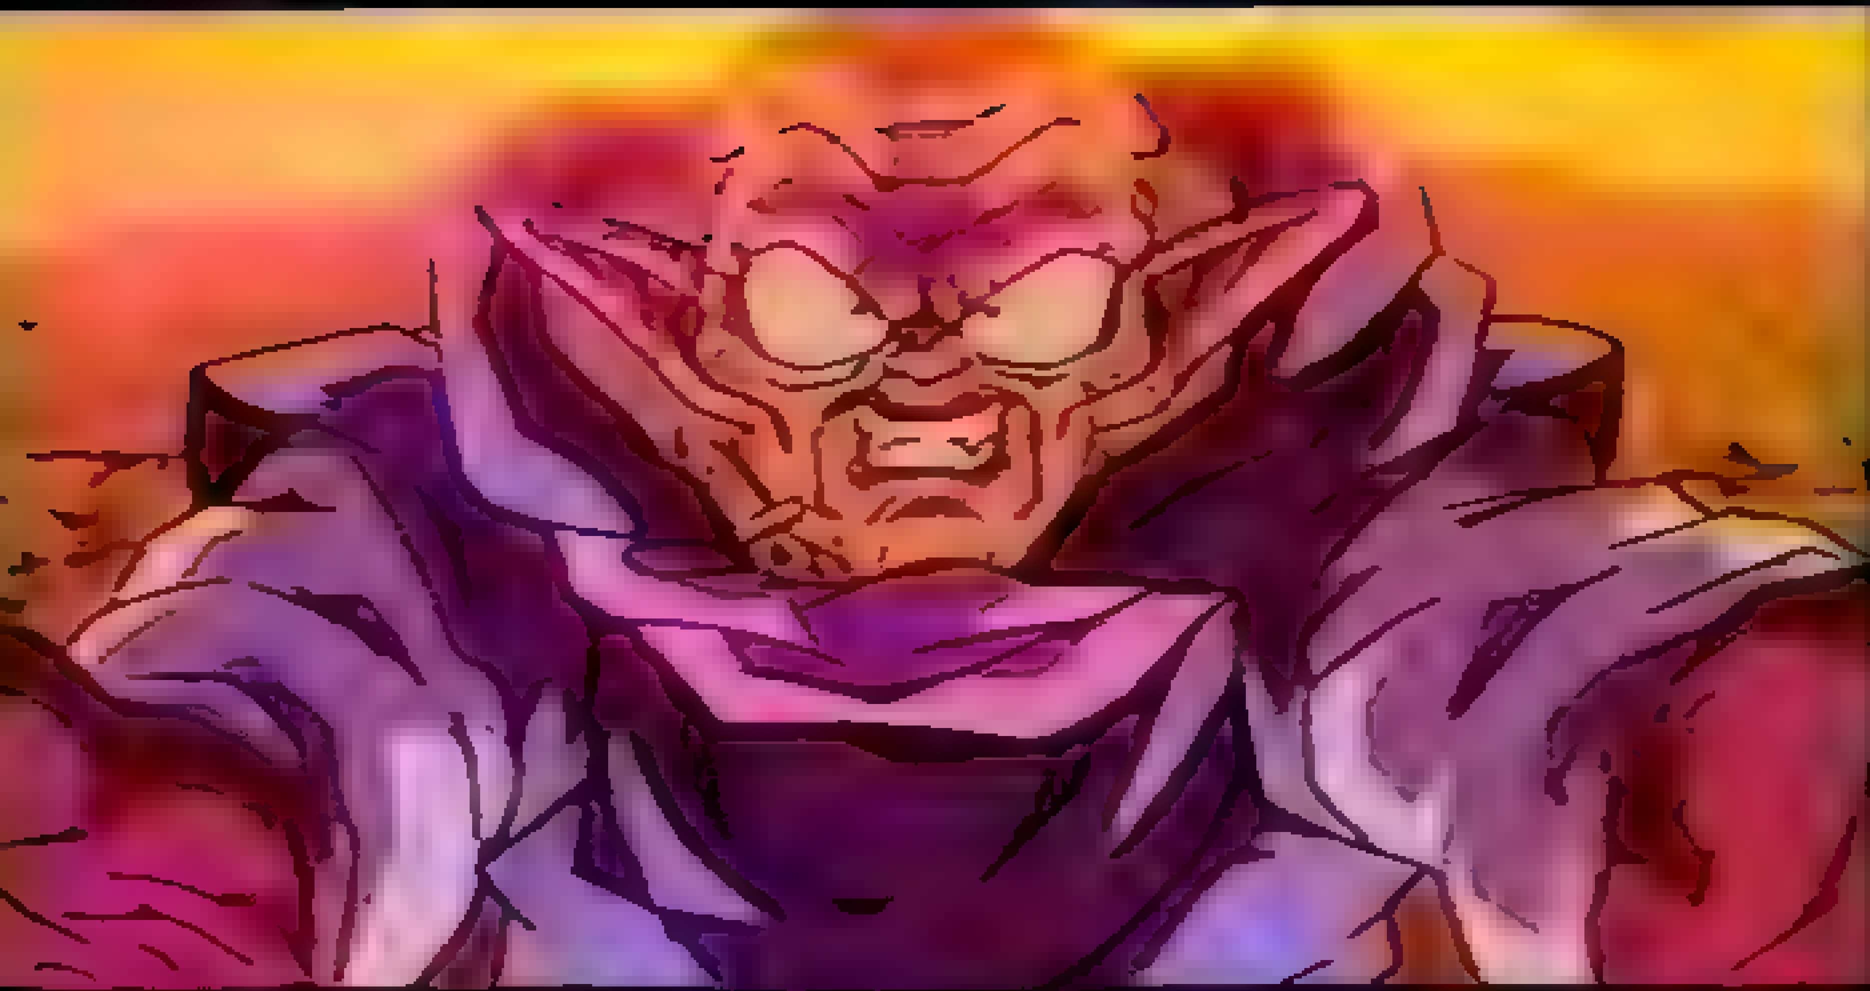

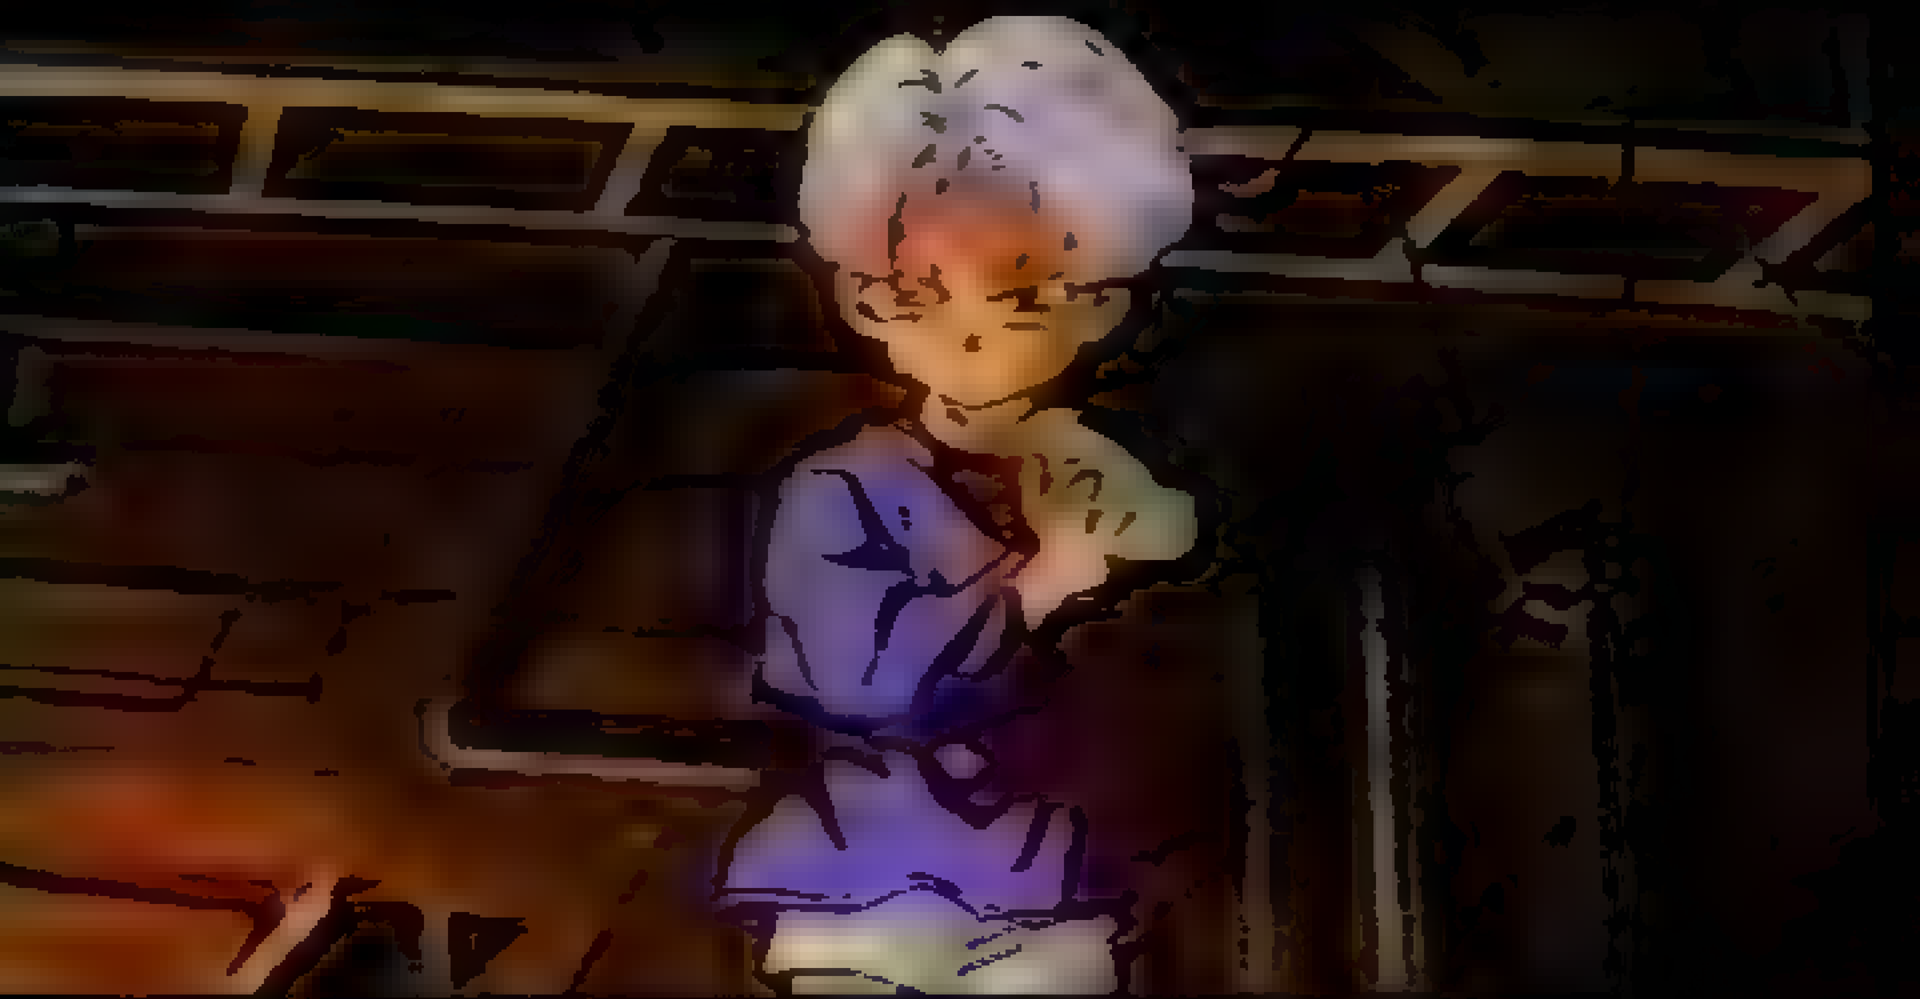

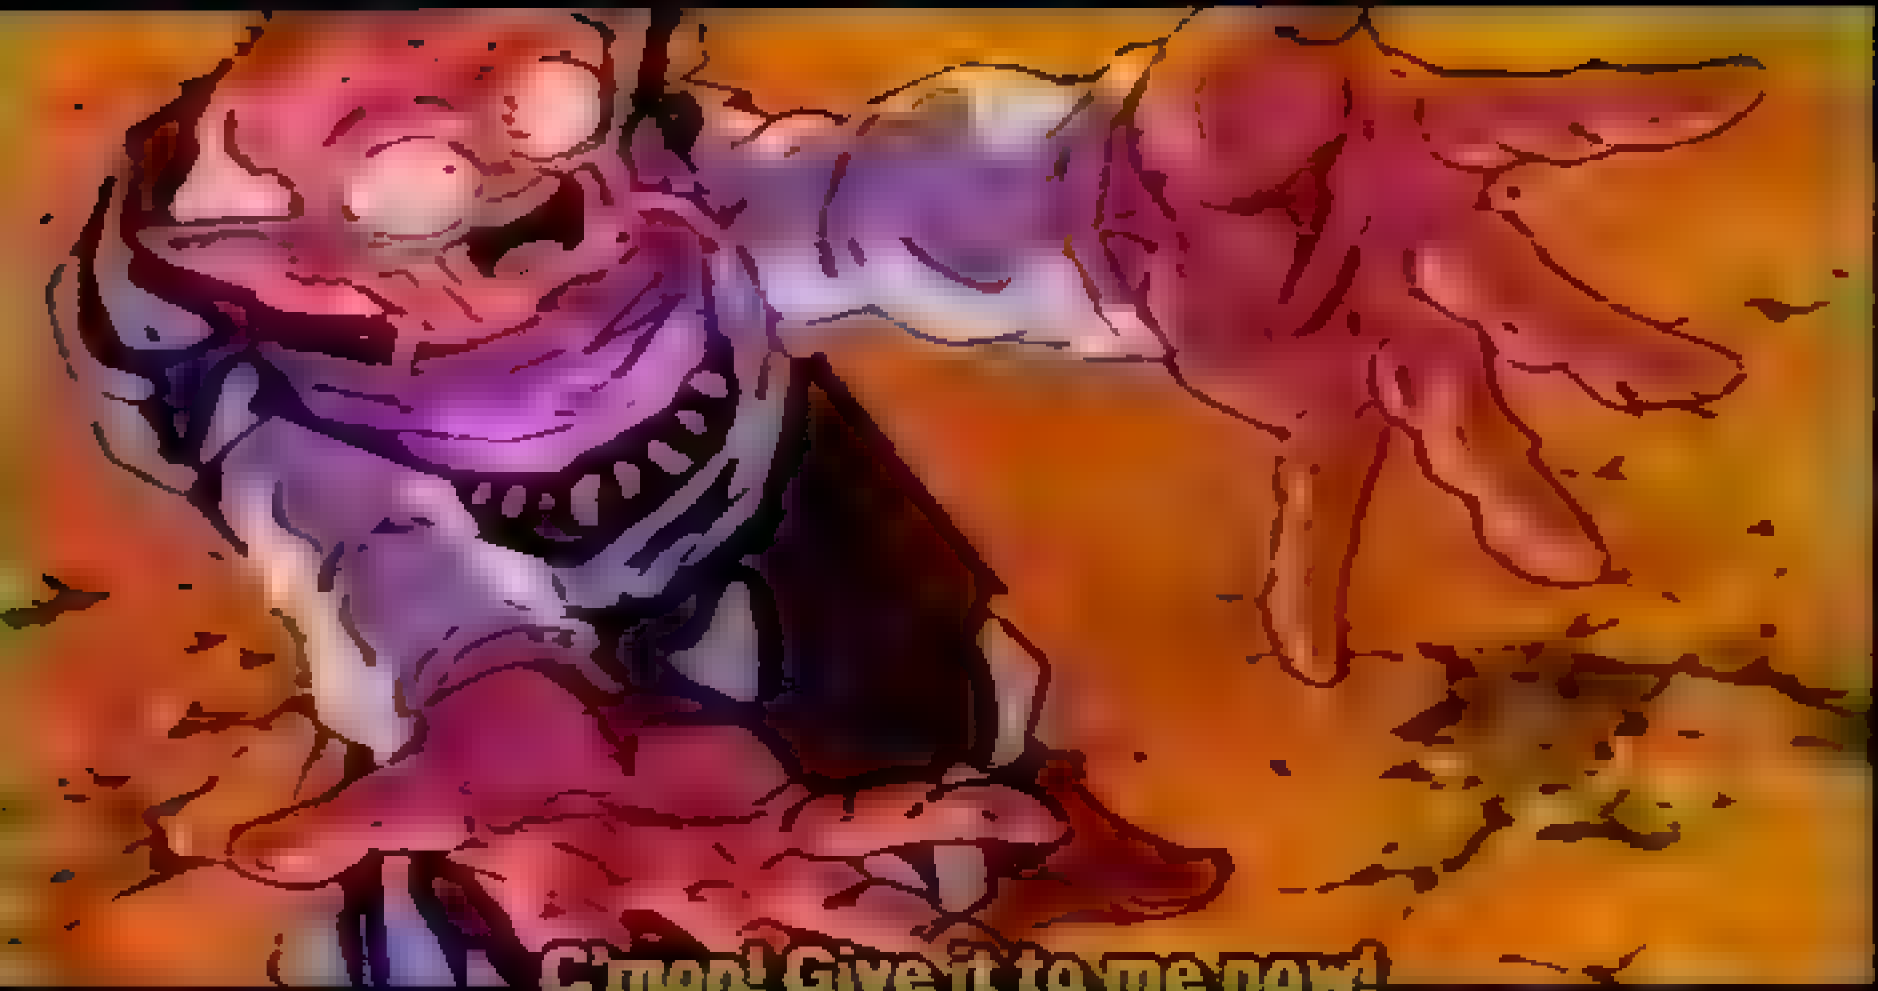

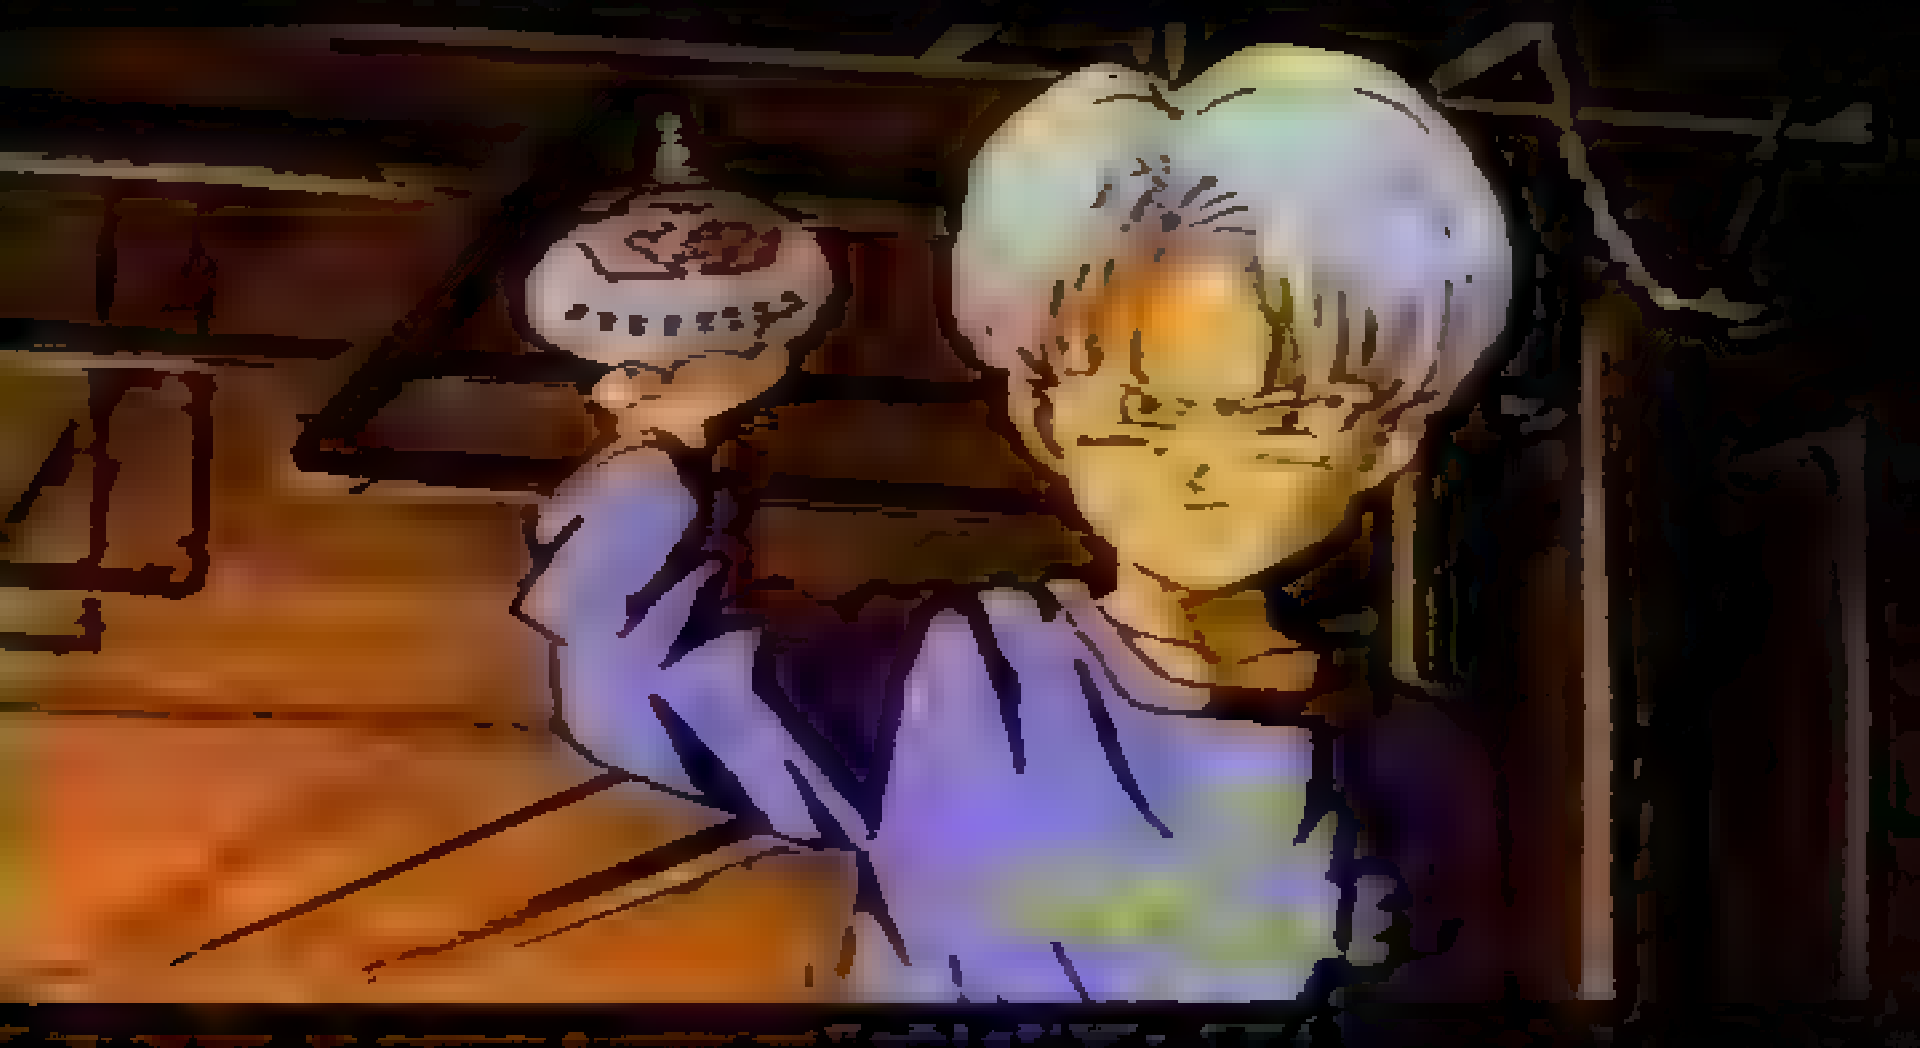

C'mon! Give it to me now!

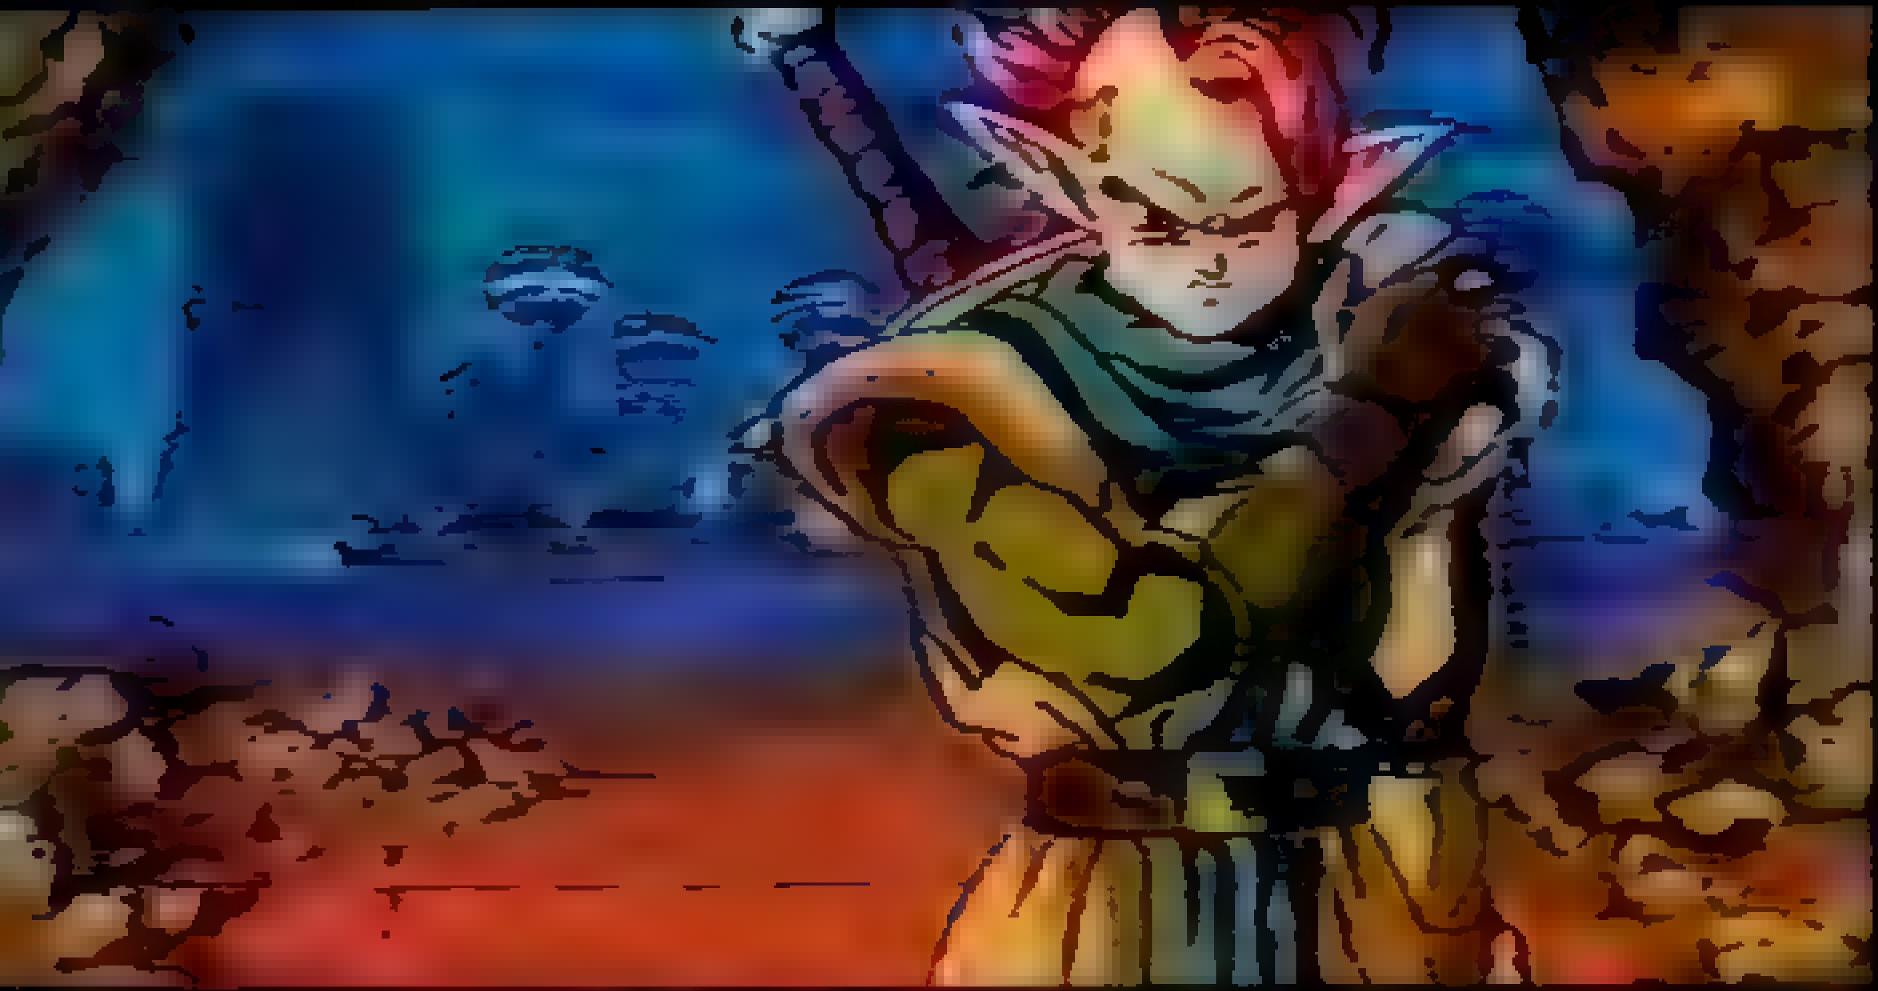

C'mon! Give it to me now!

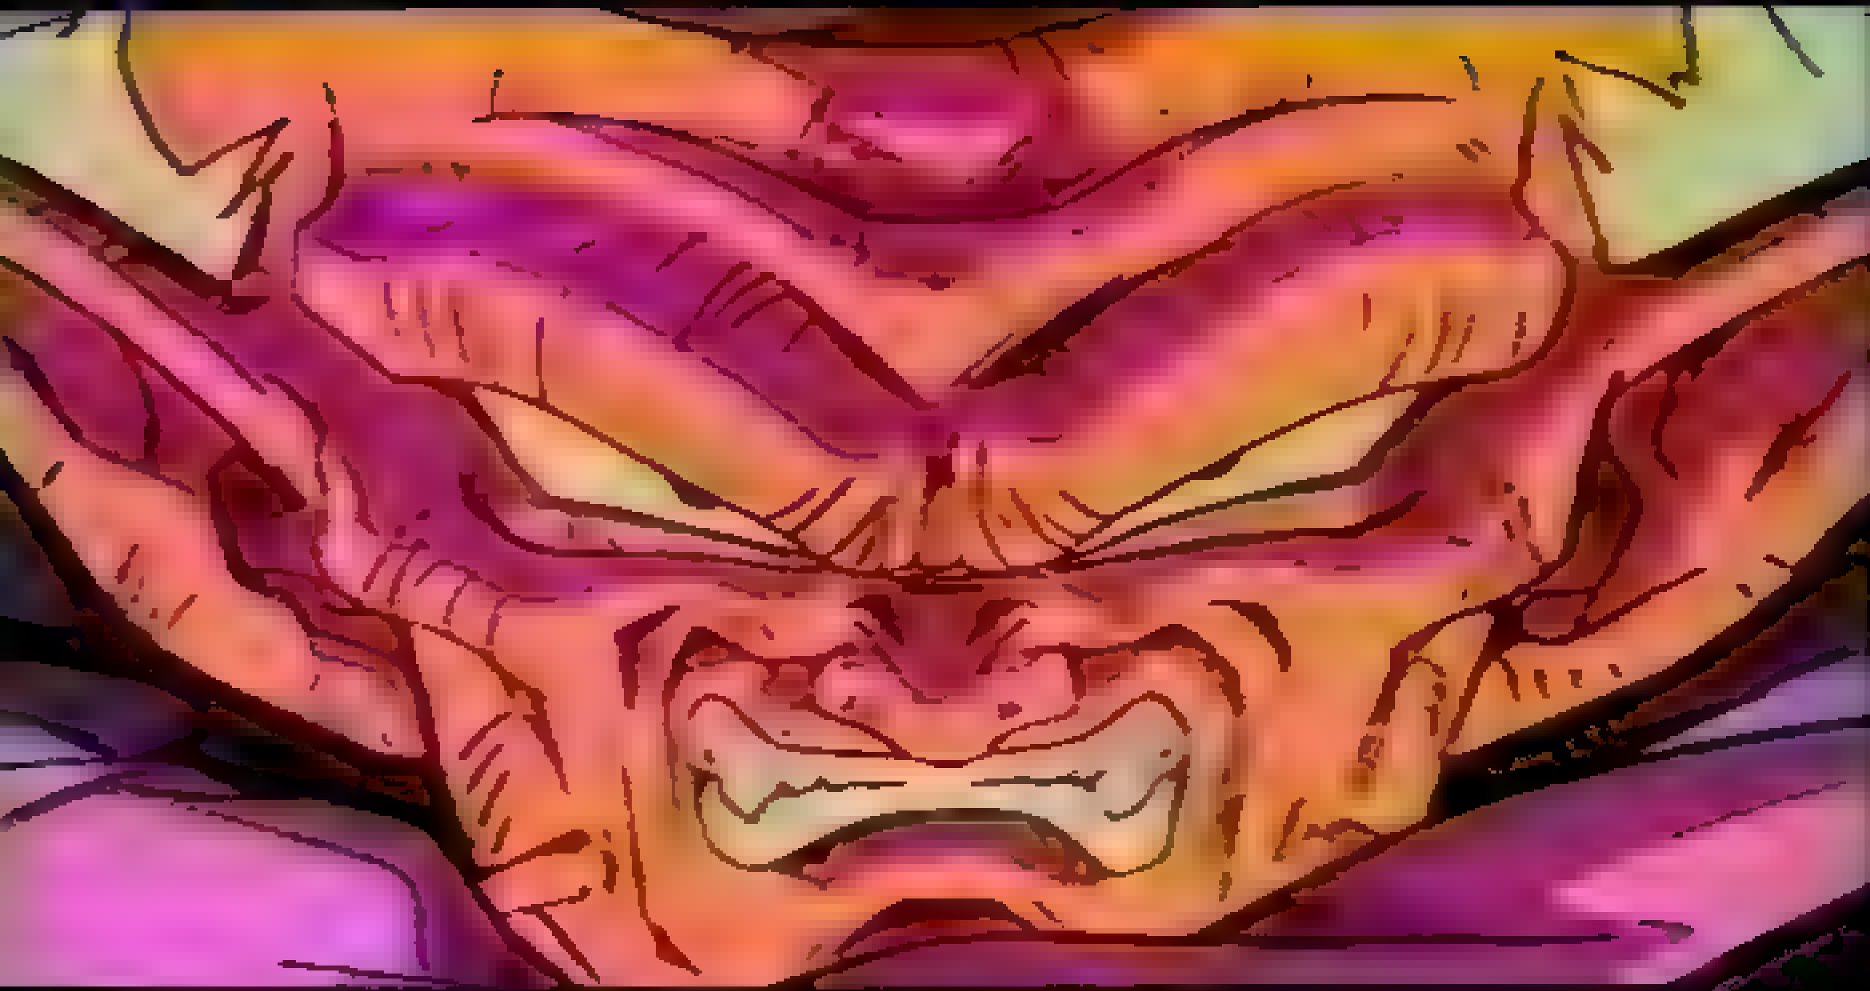

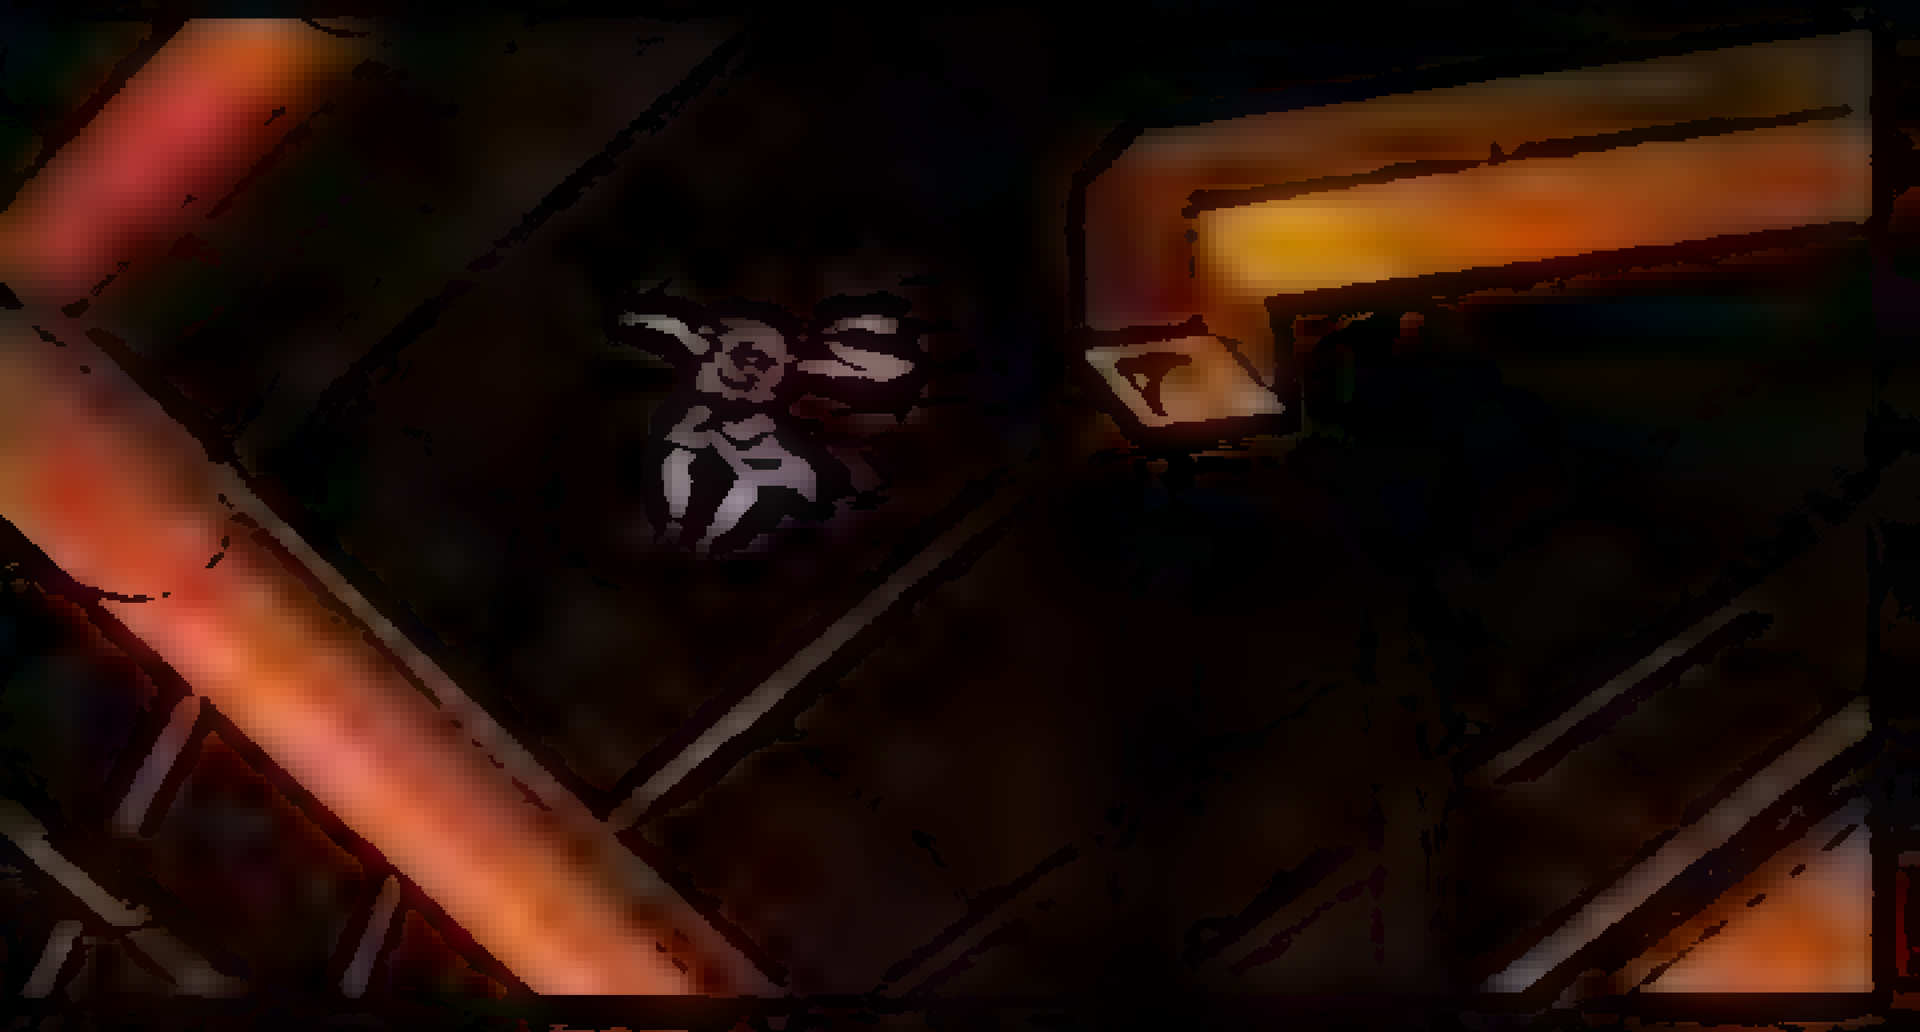

Brother!

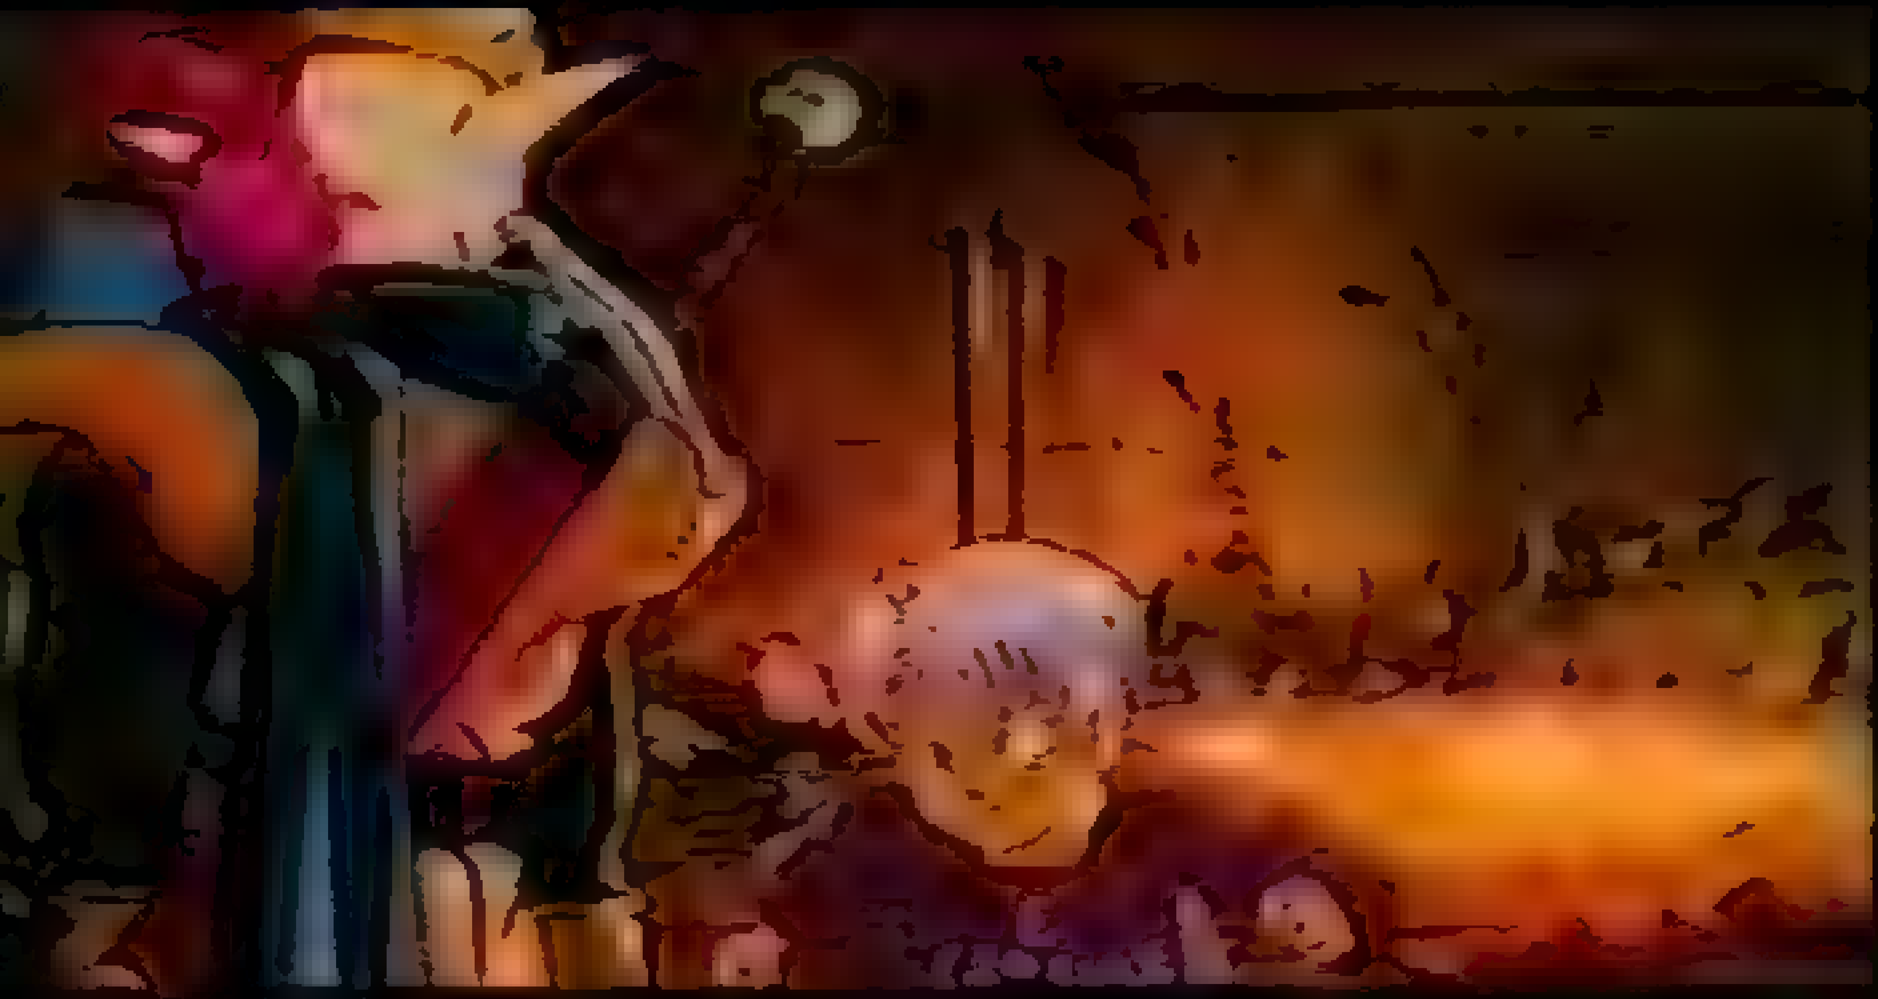

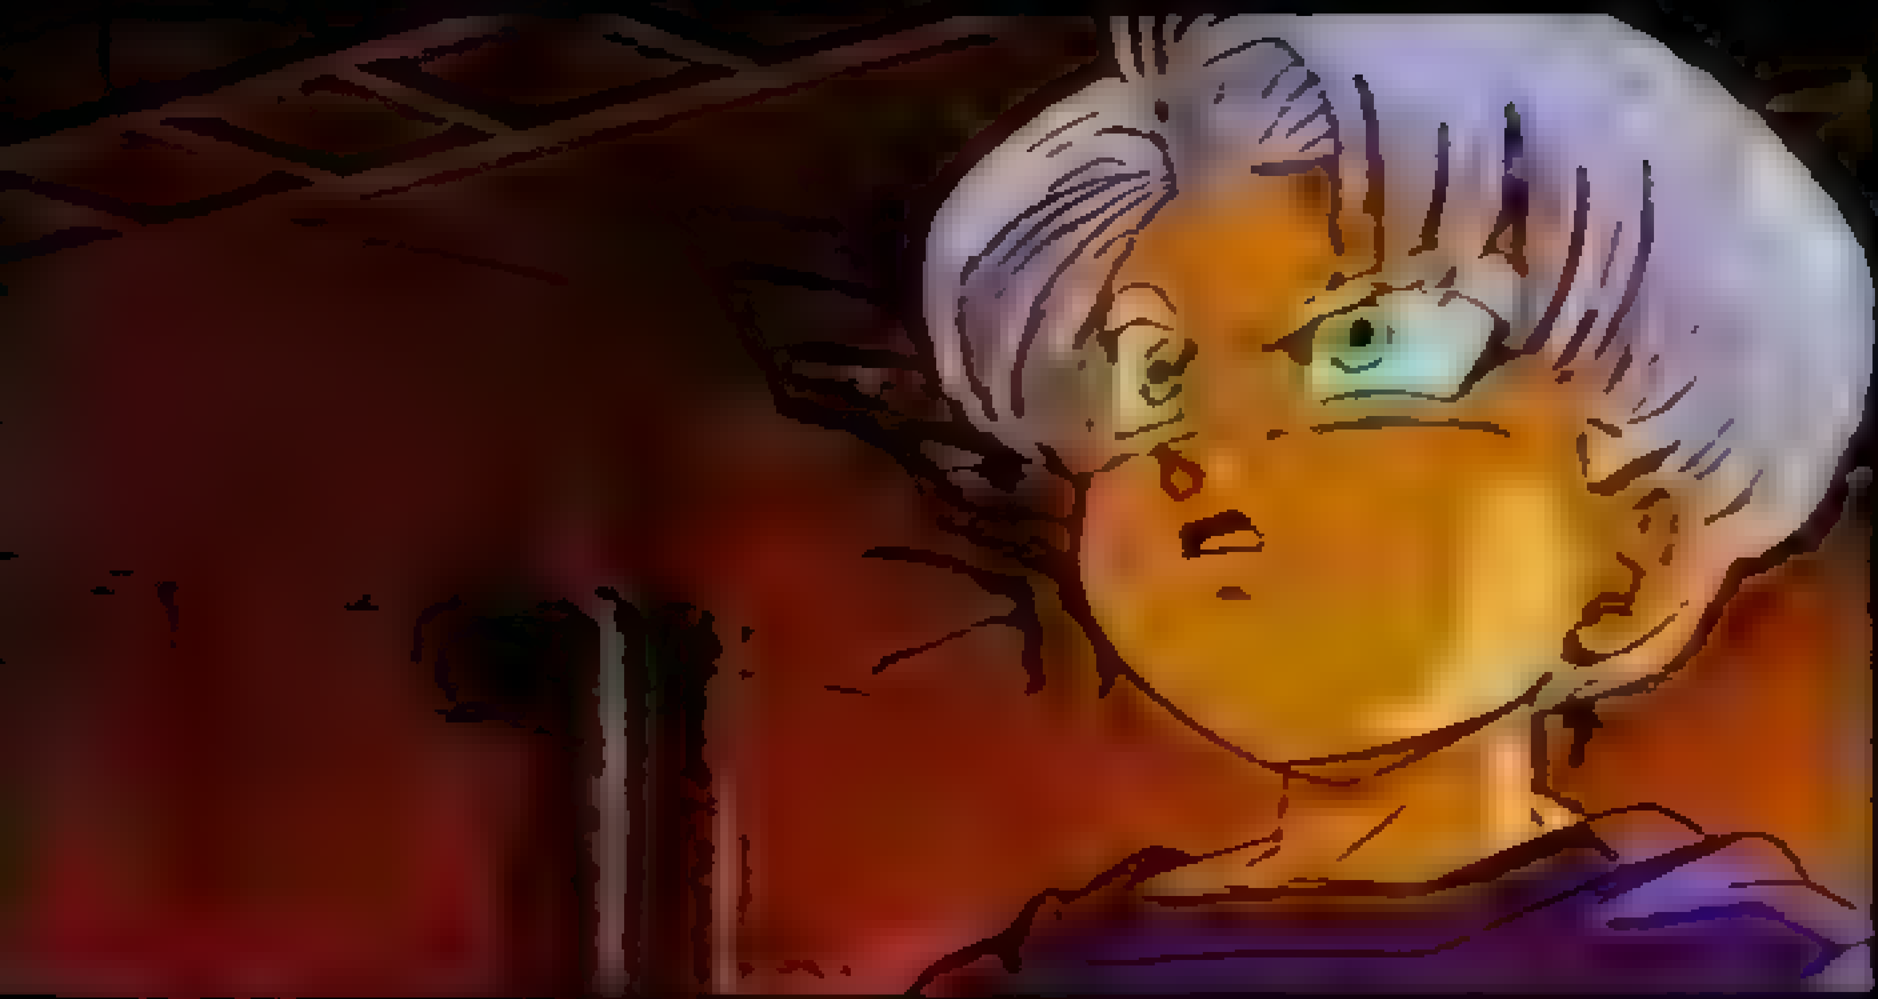

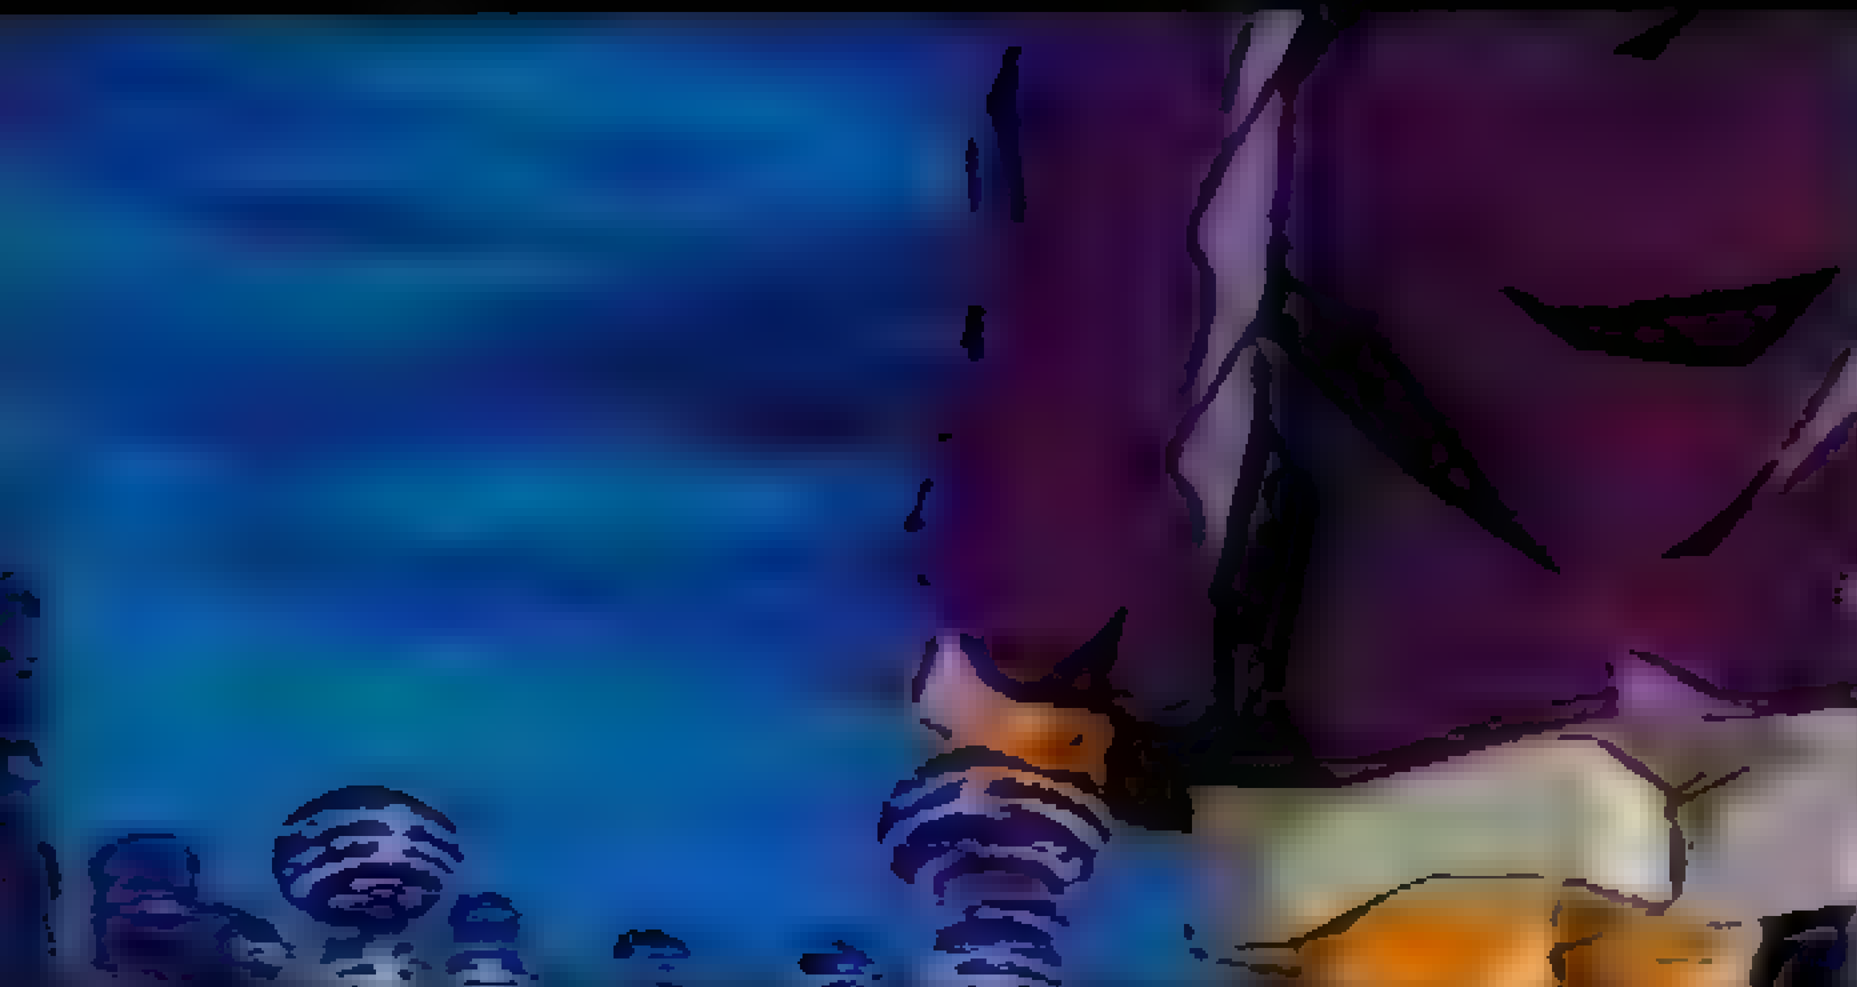

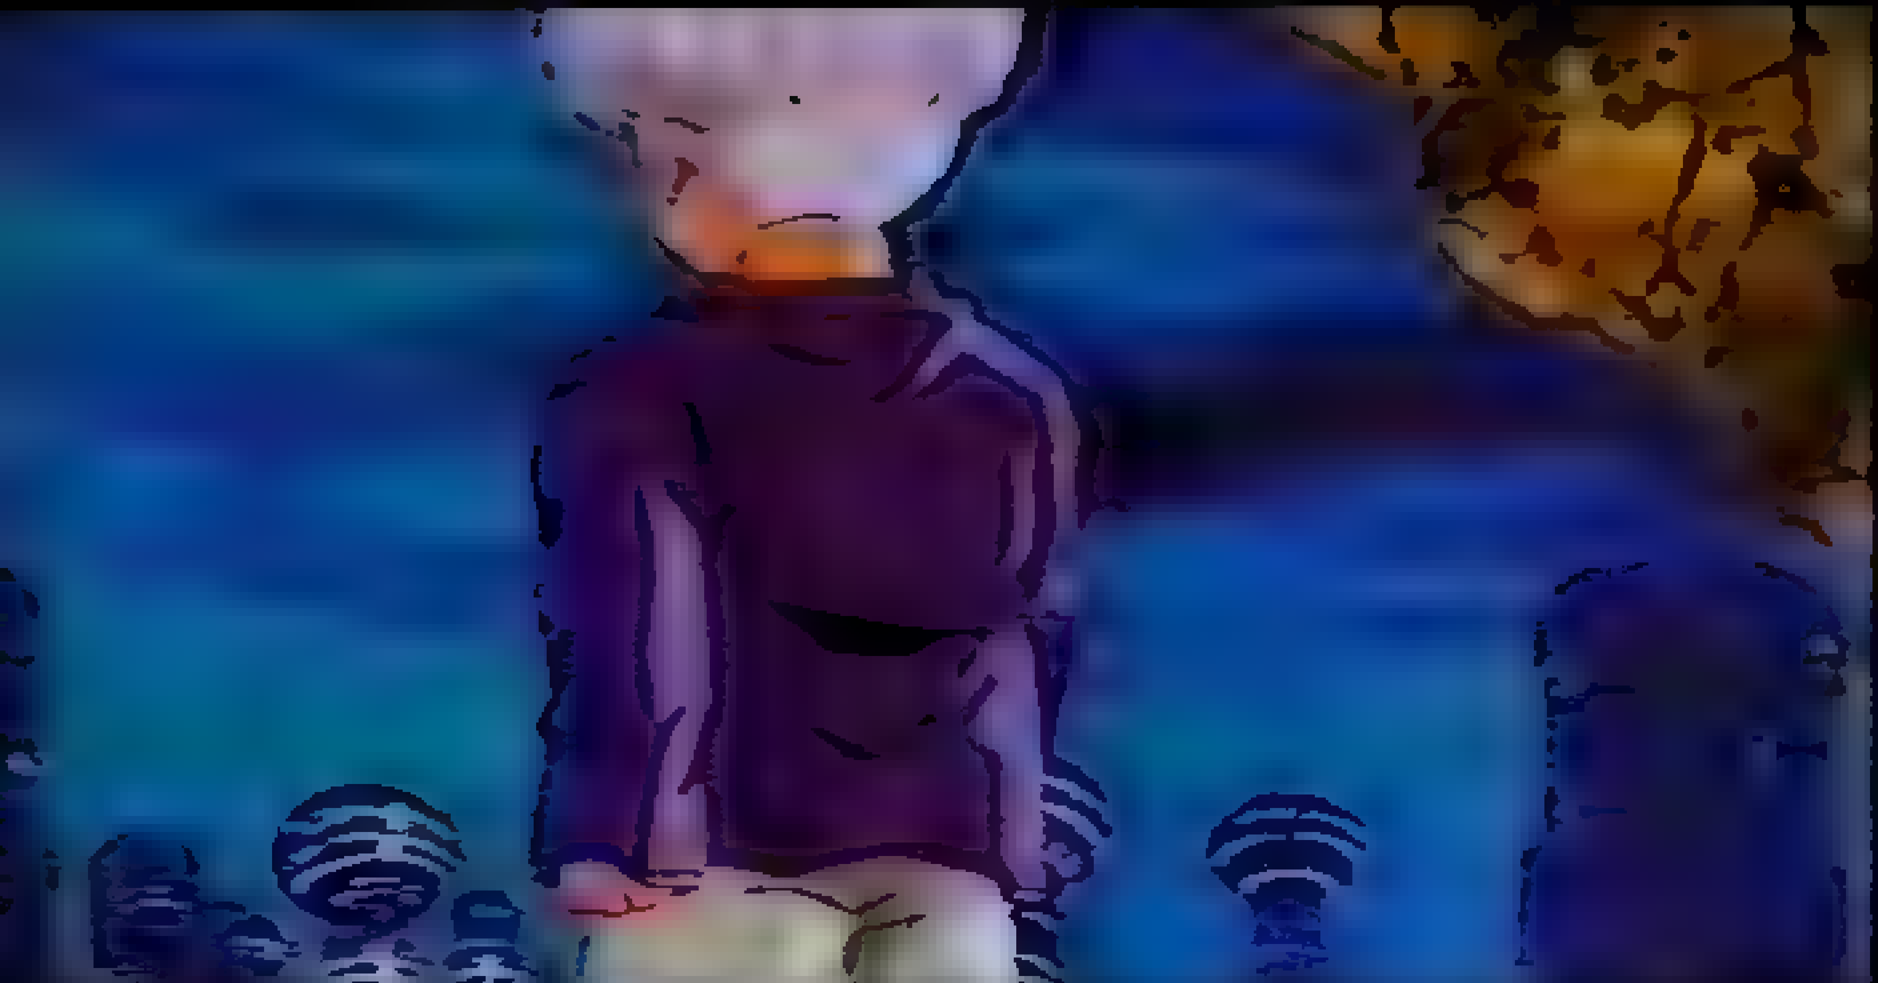

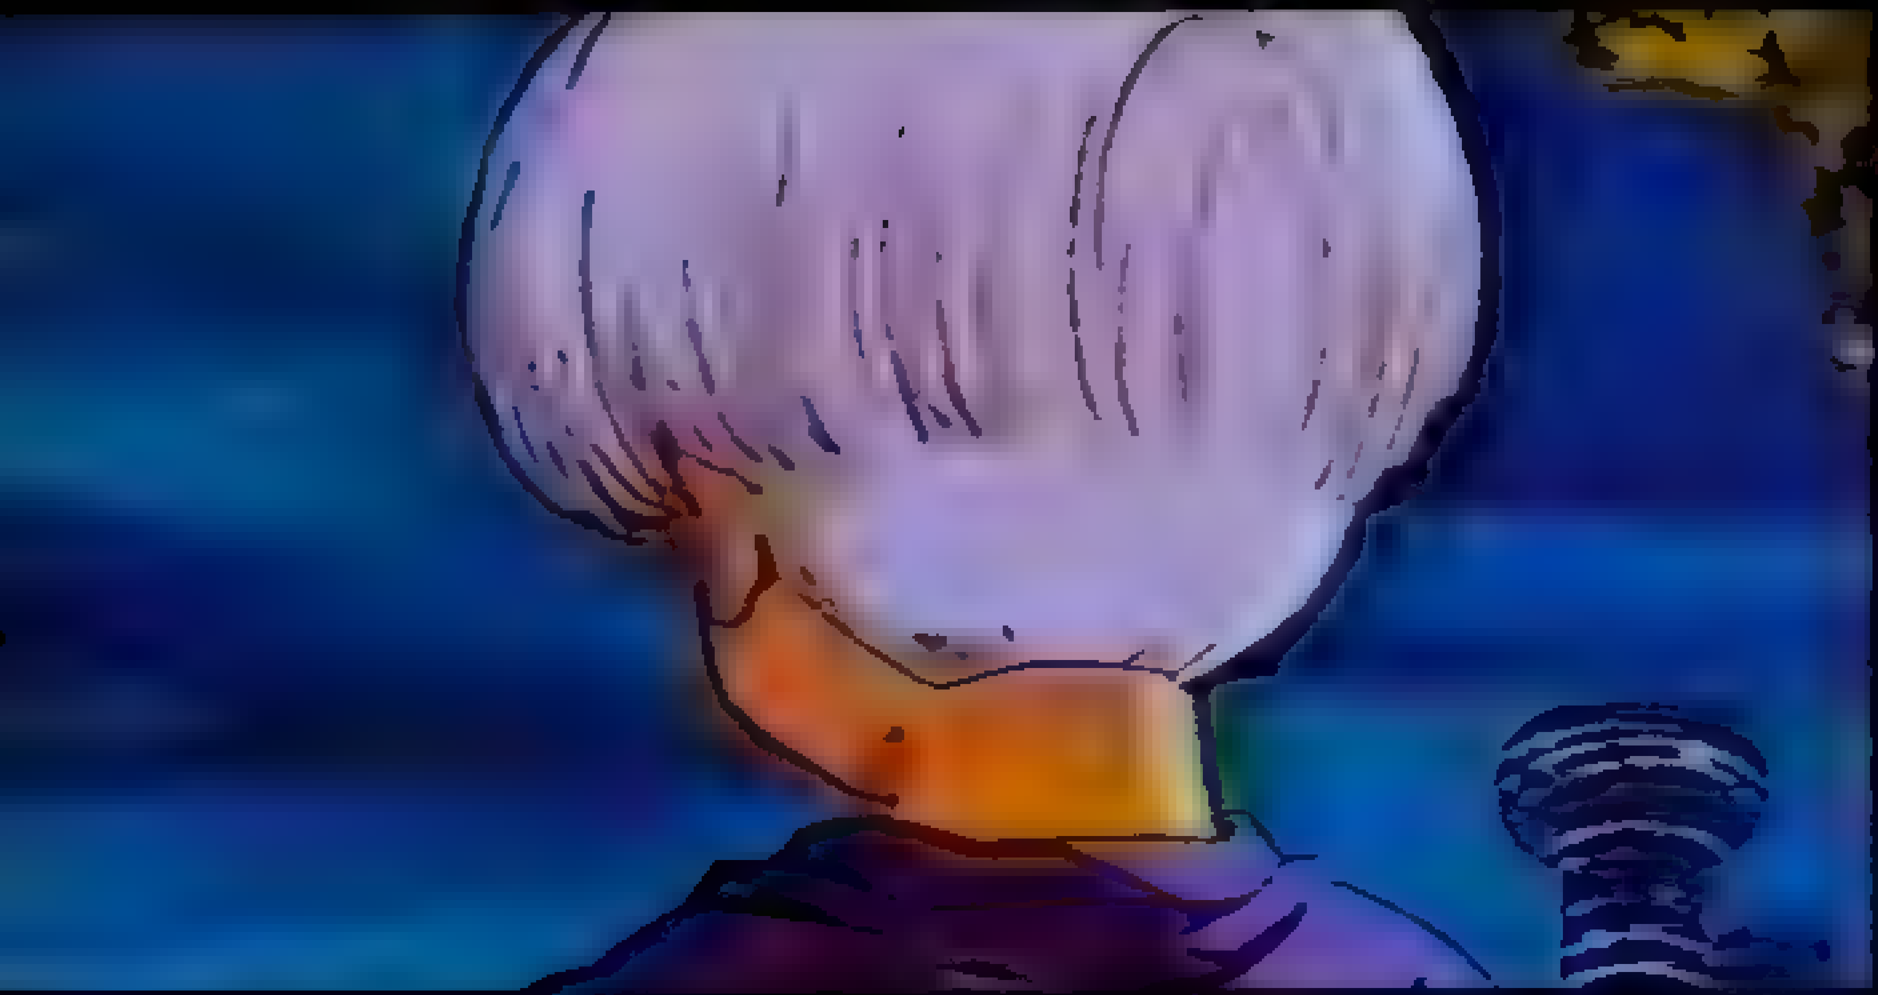

I'll go home...

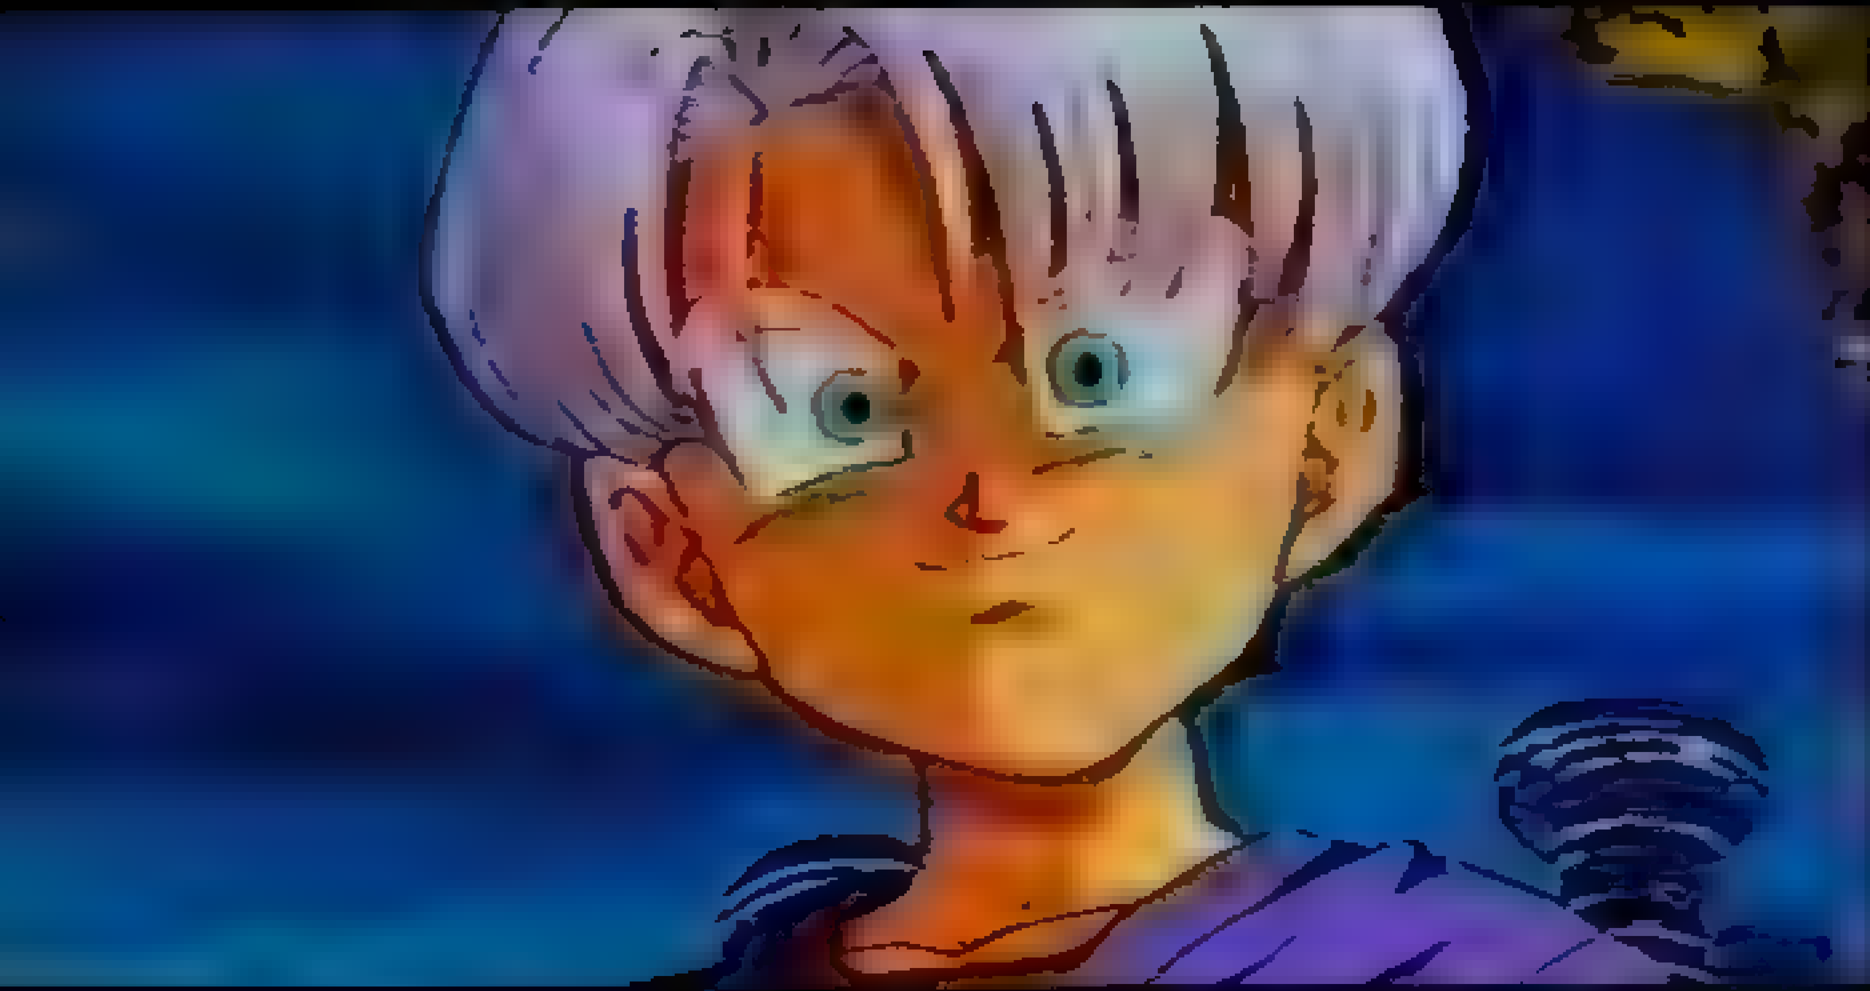

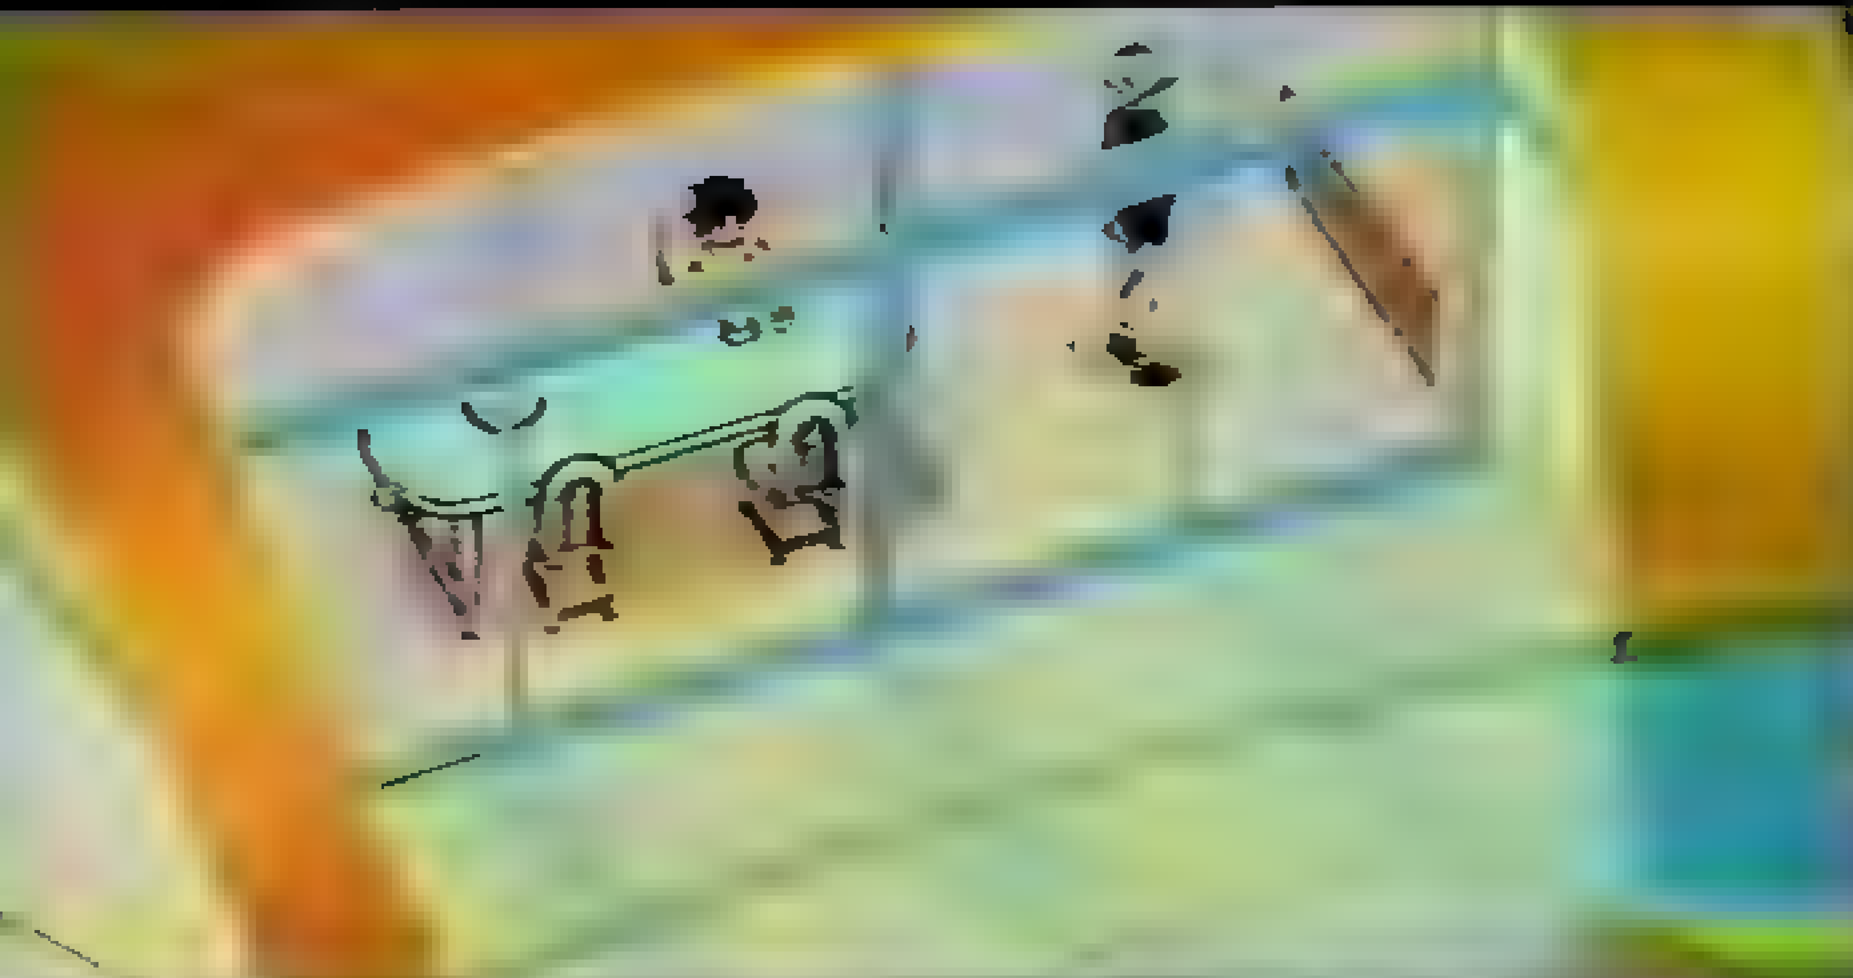

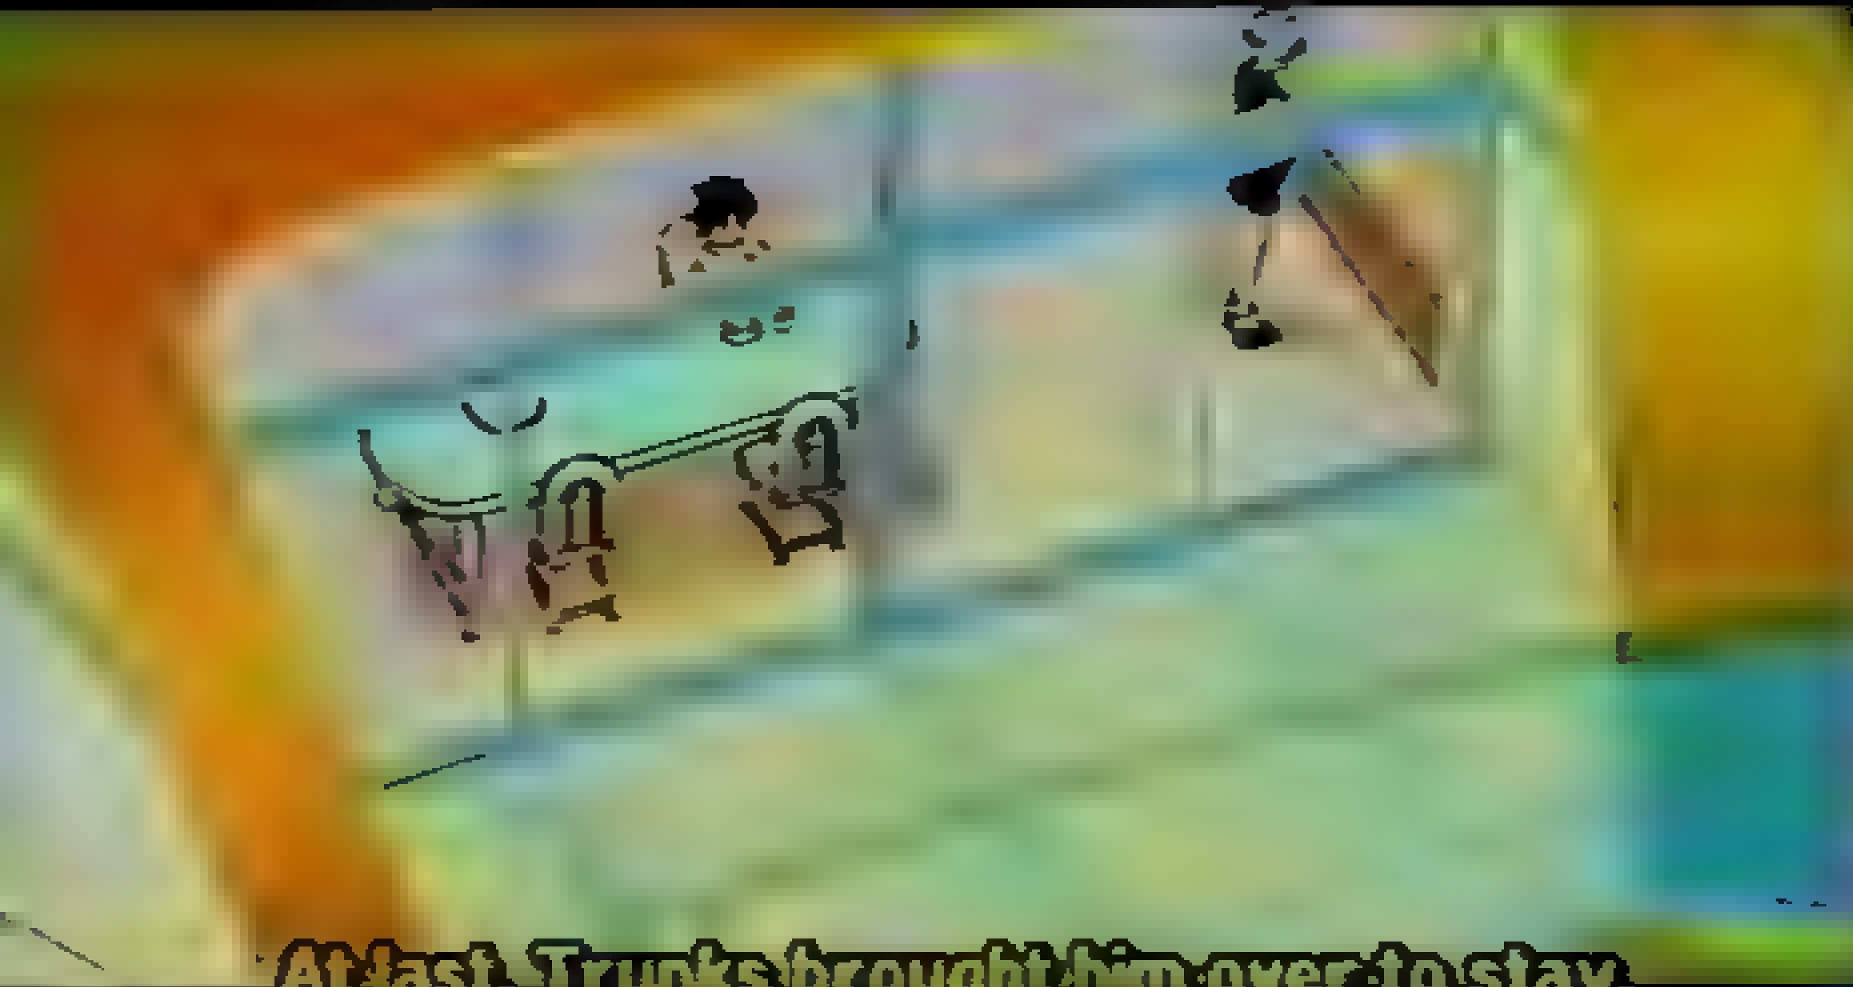

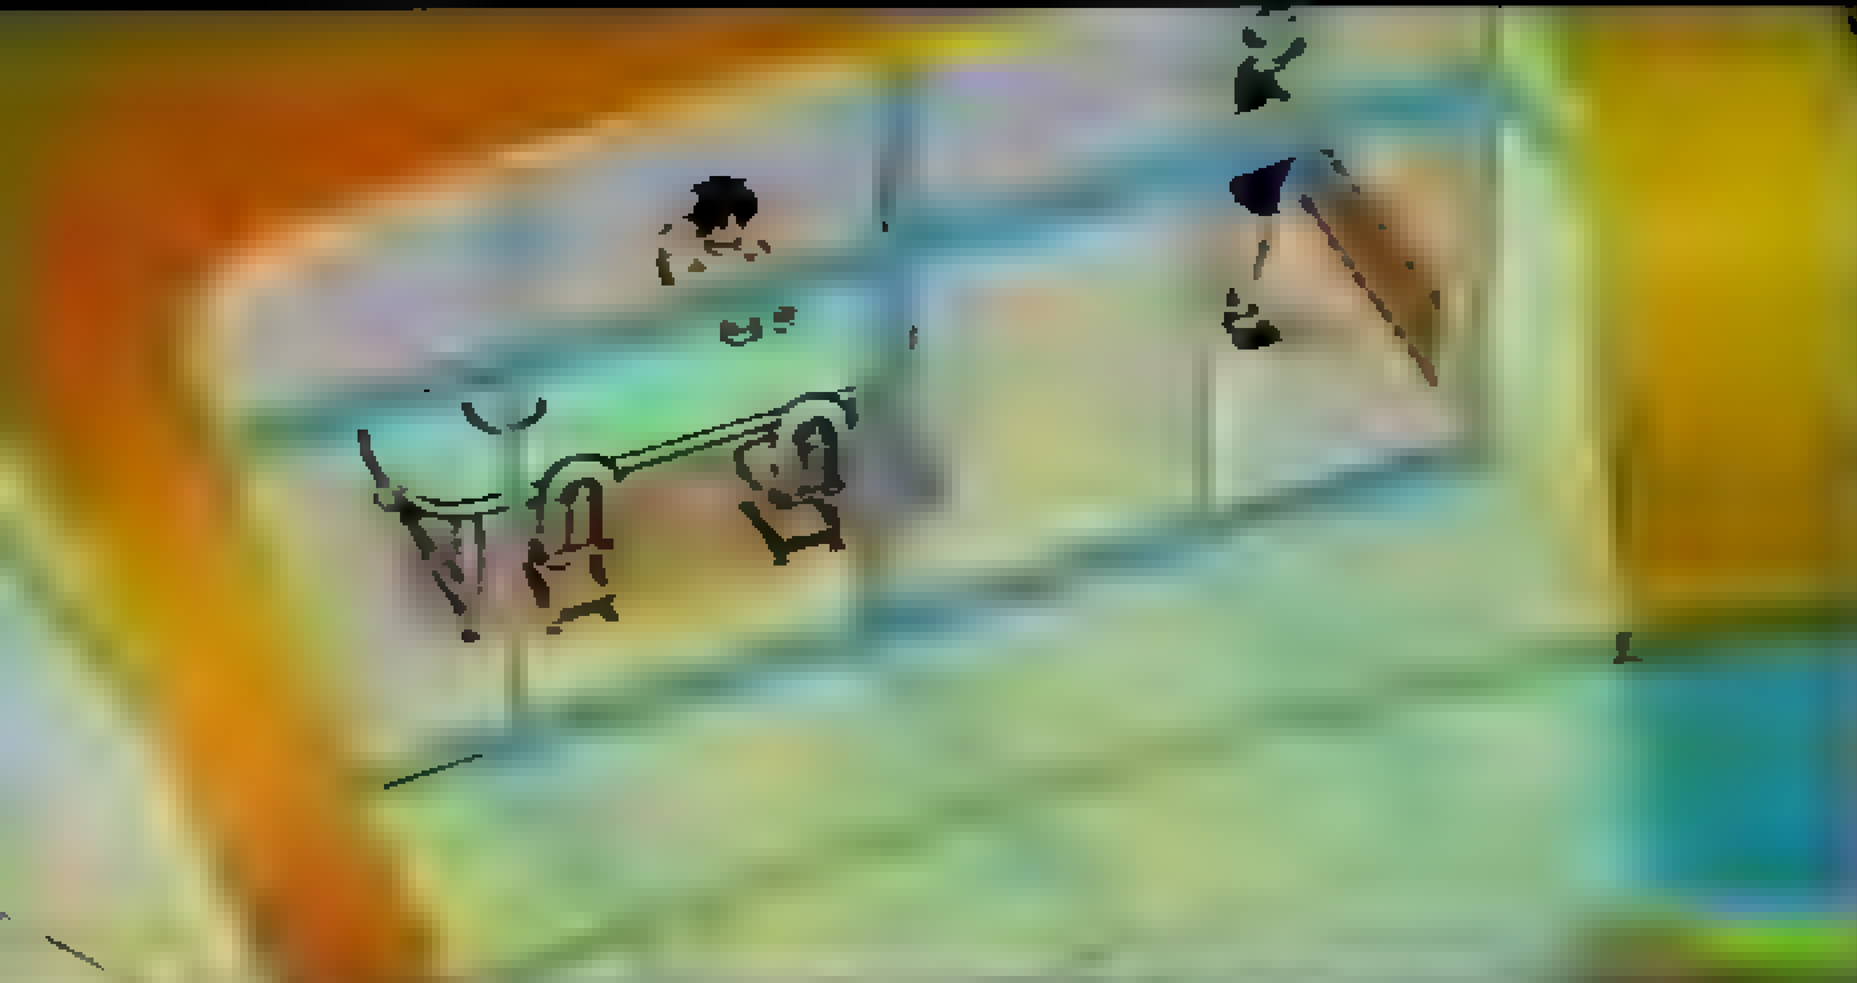

This one is very good! Try it!

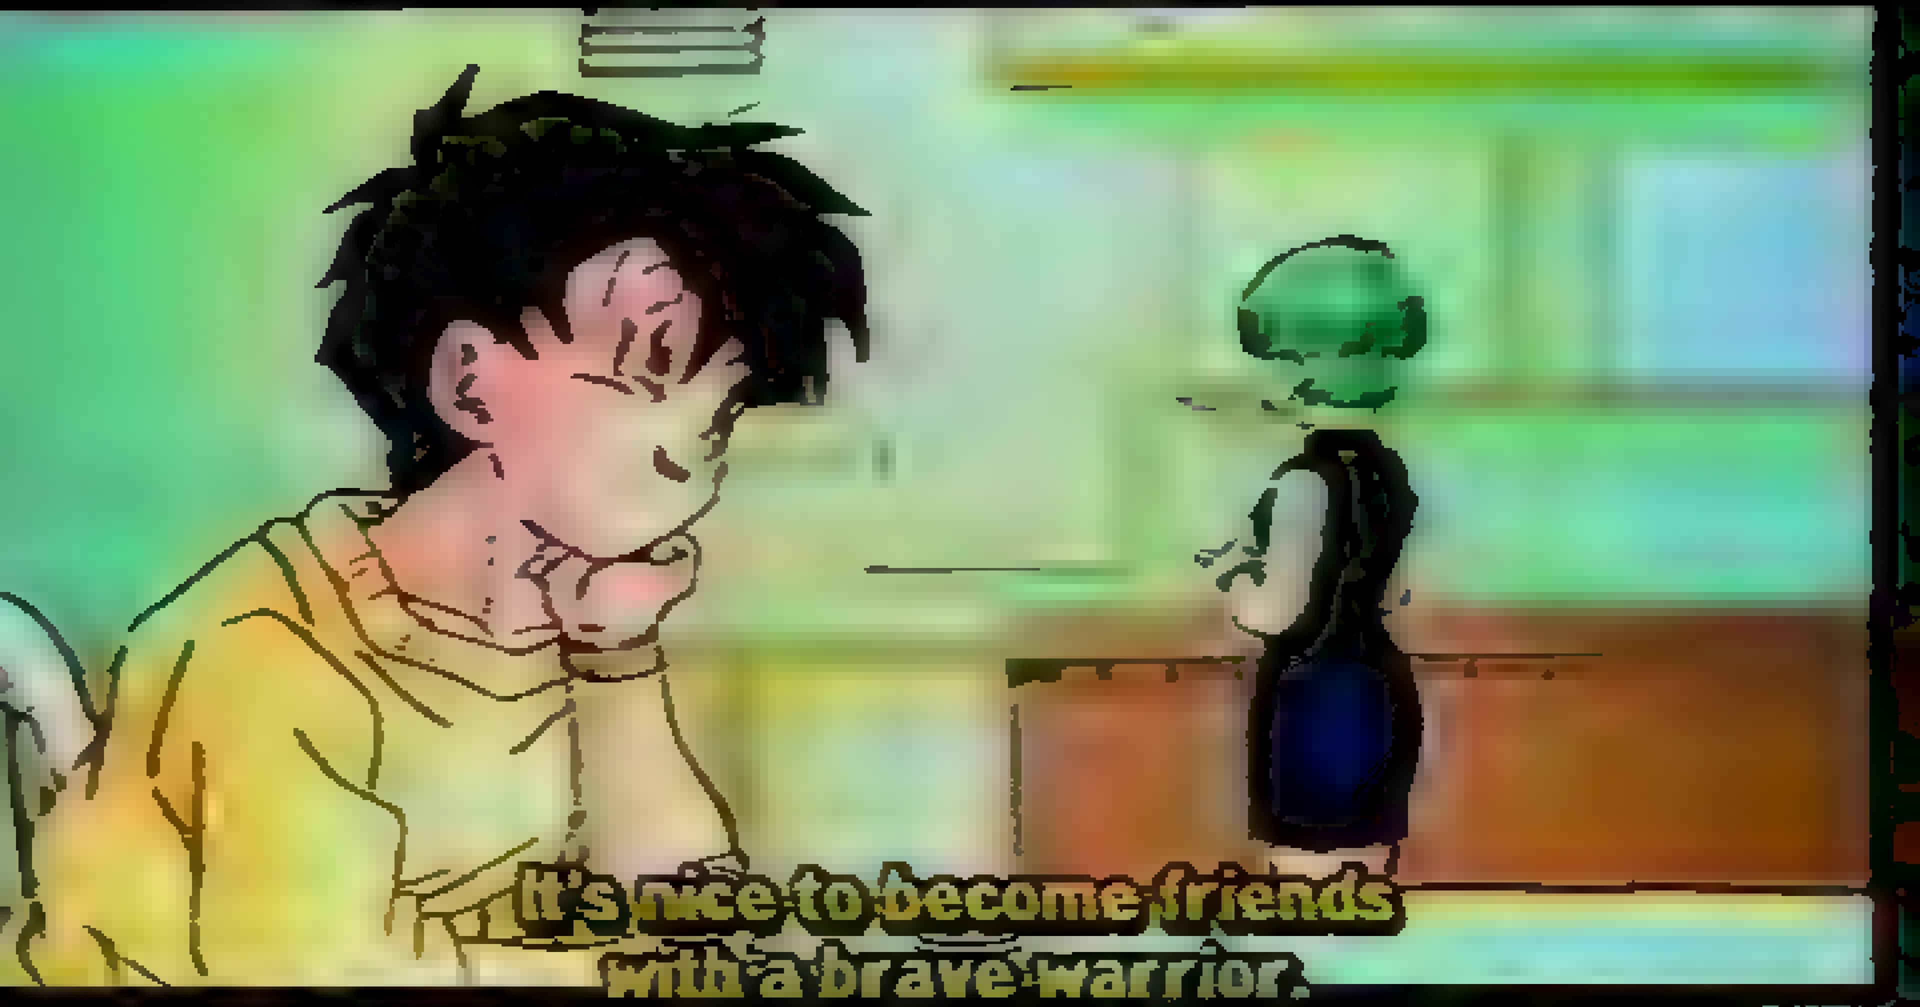

This one is very good! Try it!

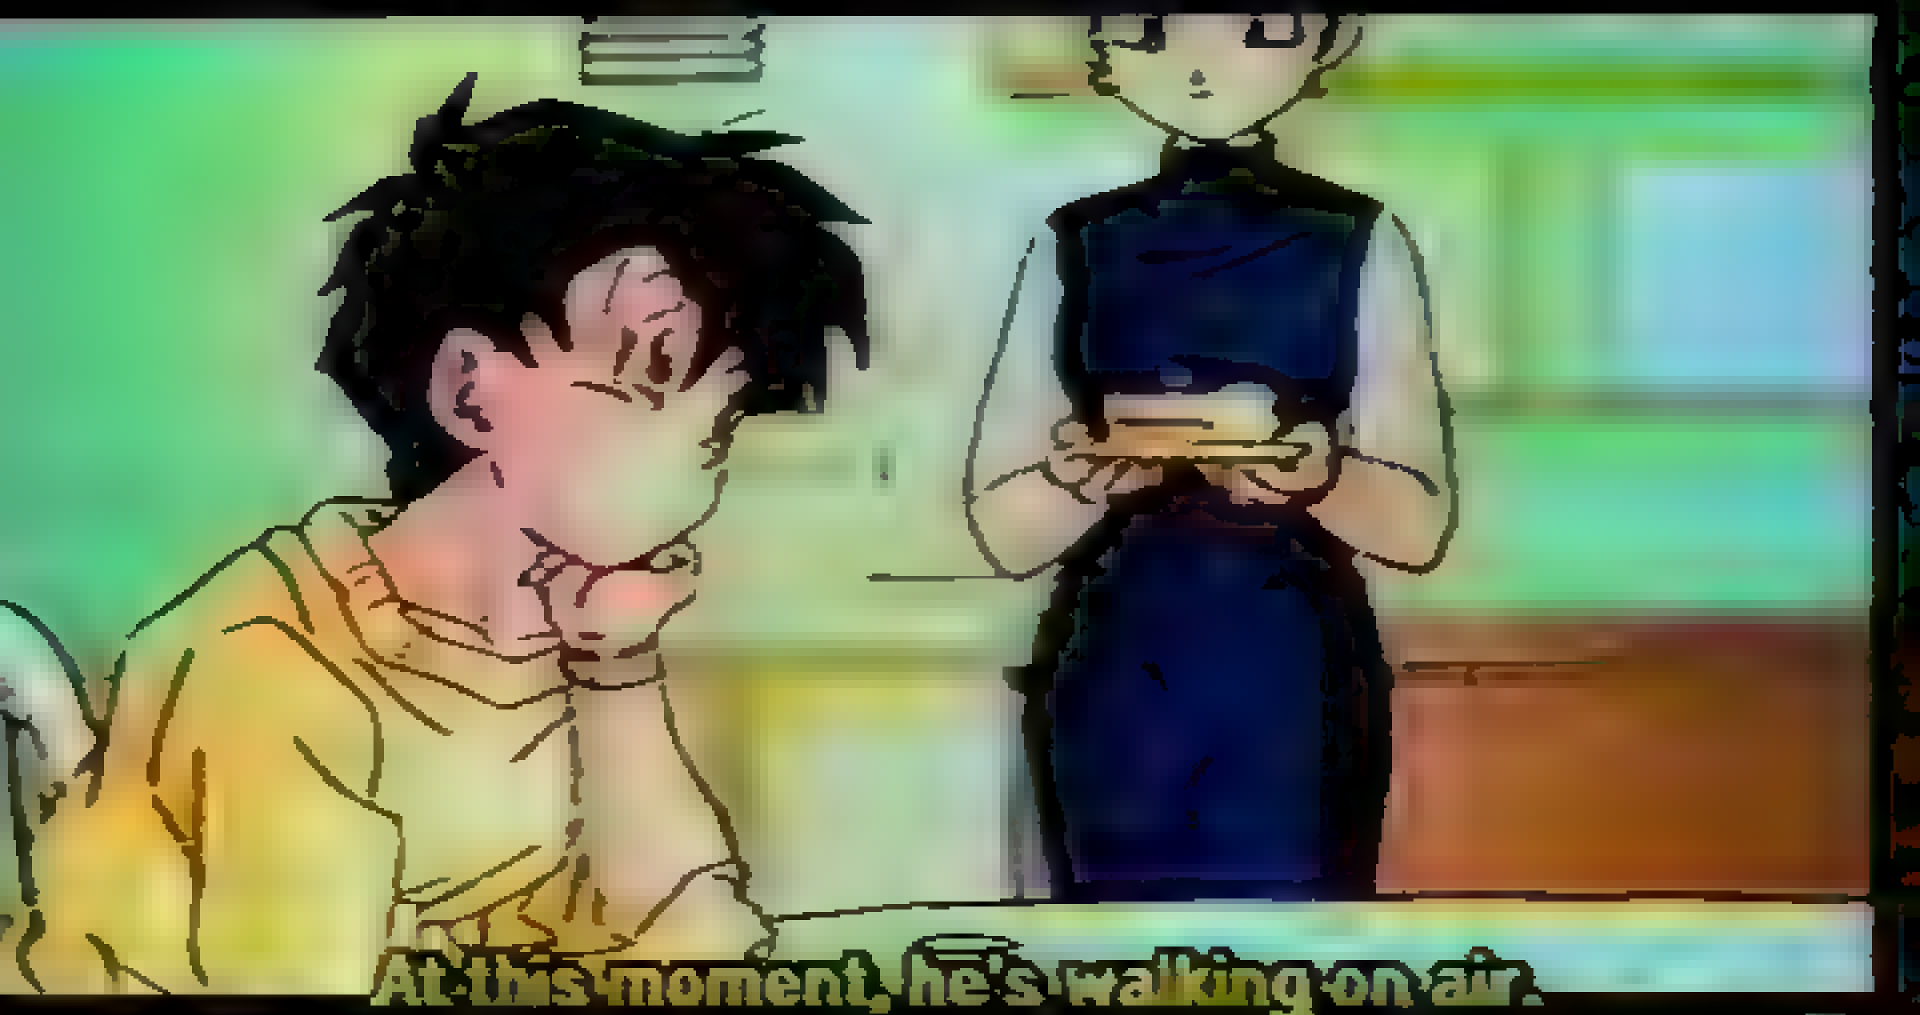

At last, Trunks brought him over to stay.

It's nice to become friends
with a brave warrior.

It's nice to become friends
with a brave warrior.

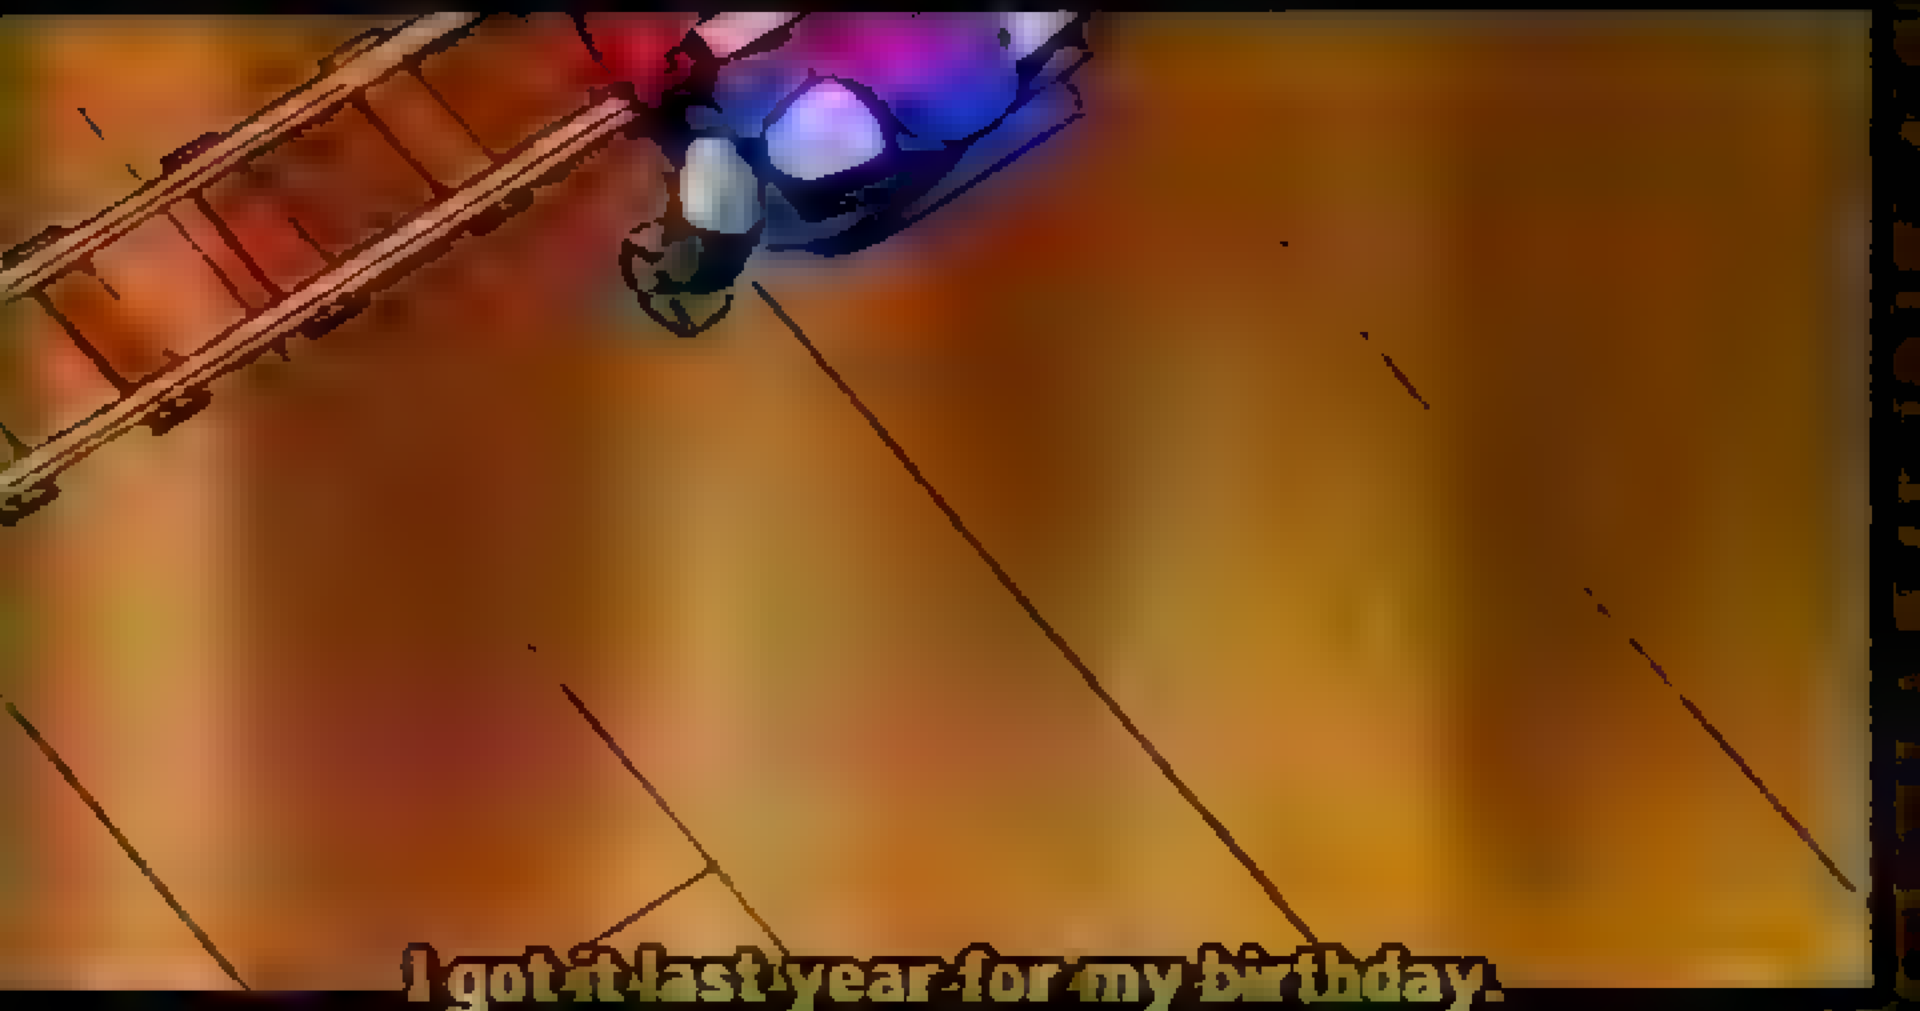

At this moment, he's walking on air.

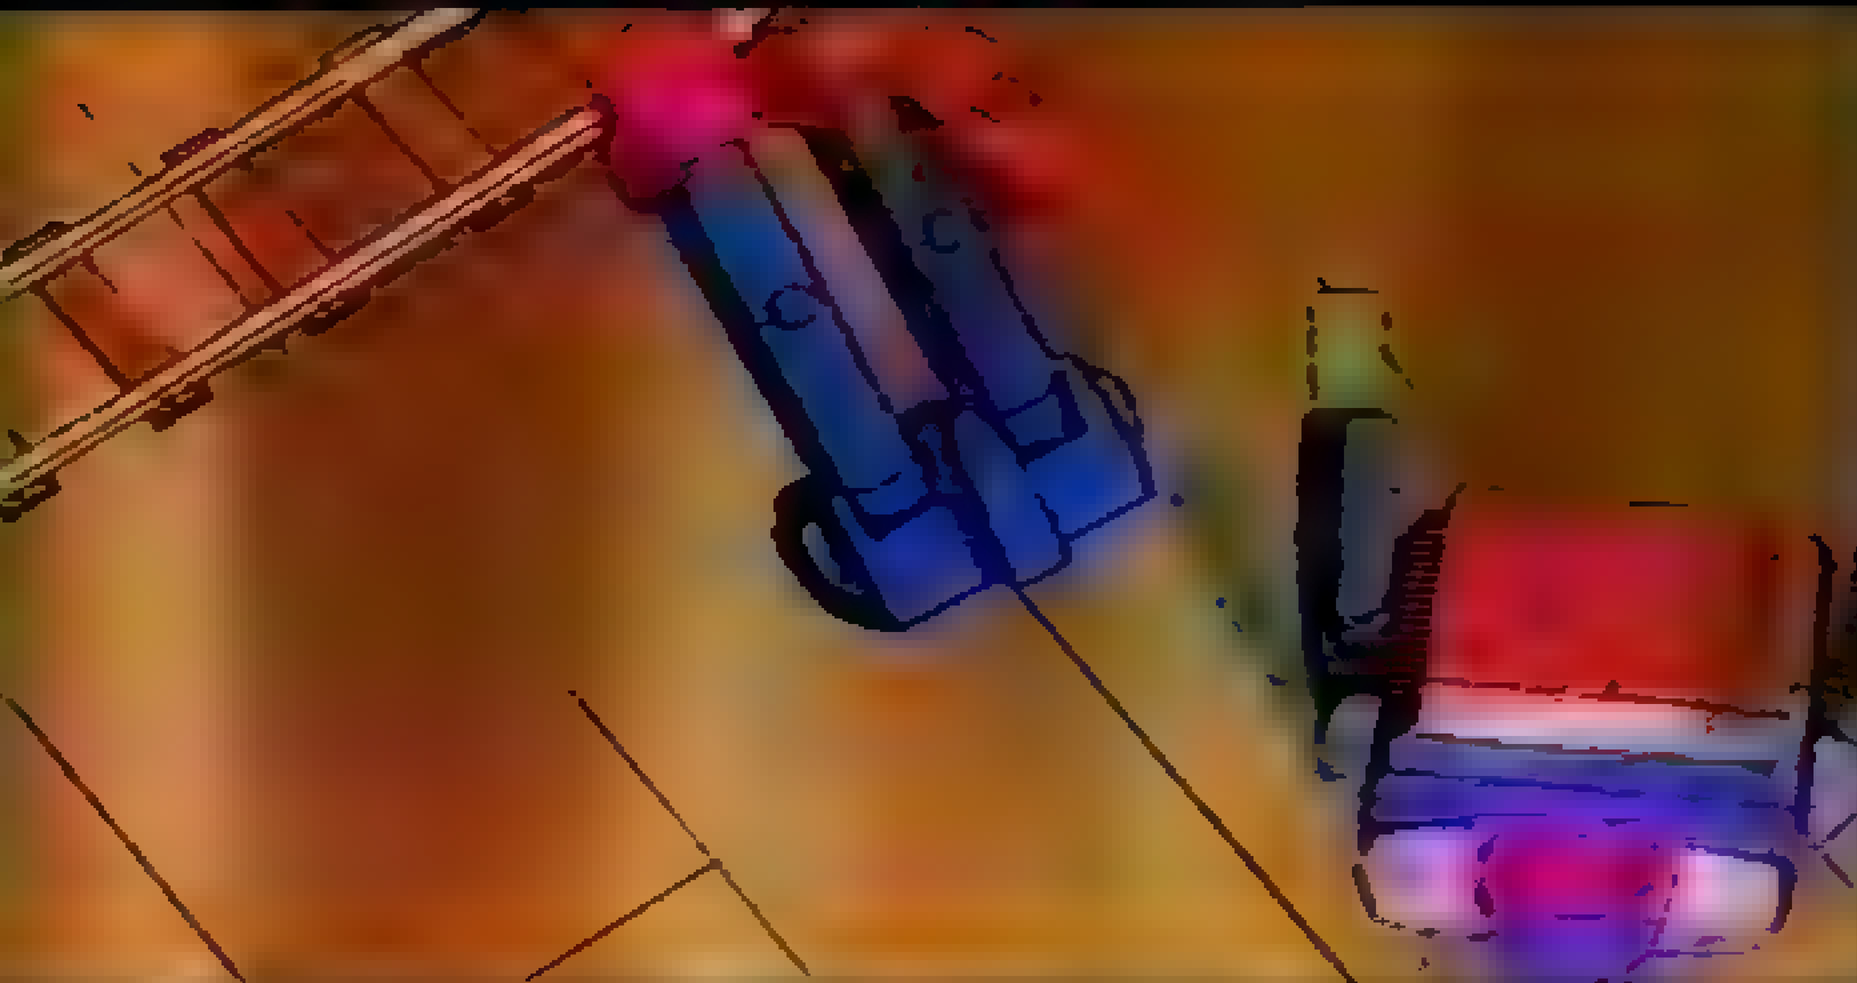

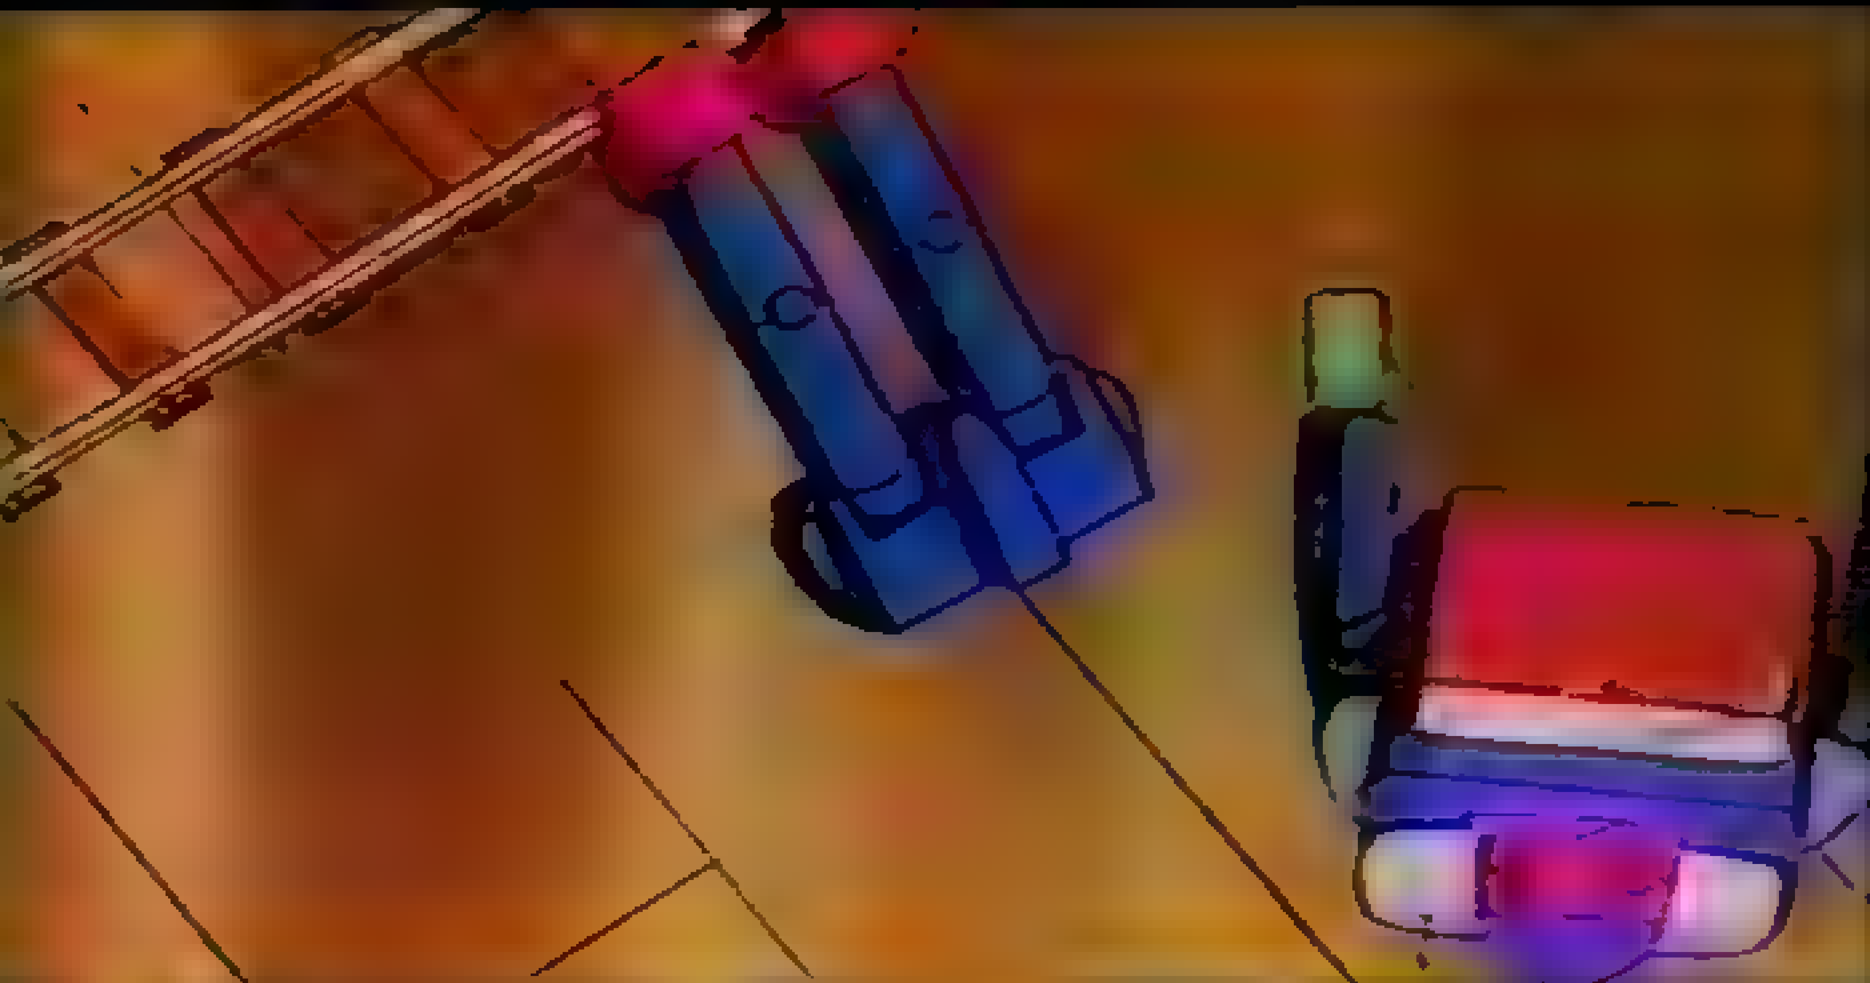

Look-look!

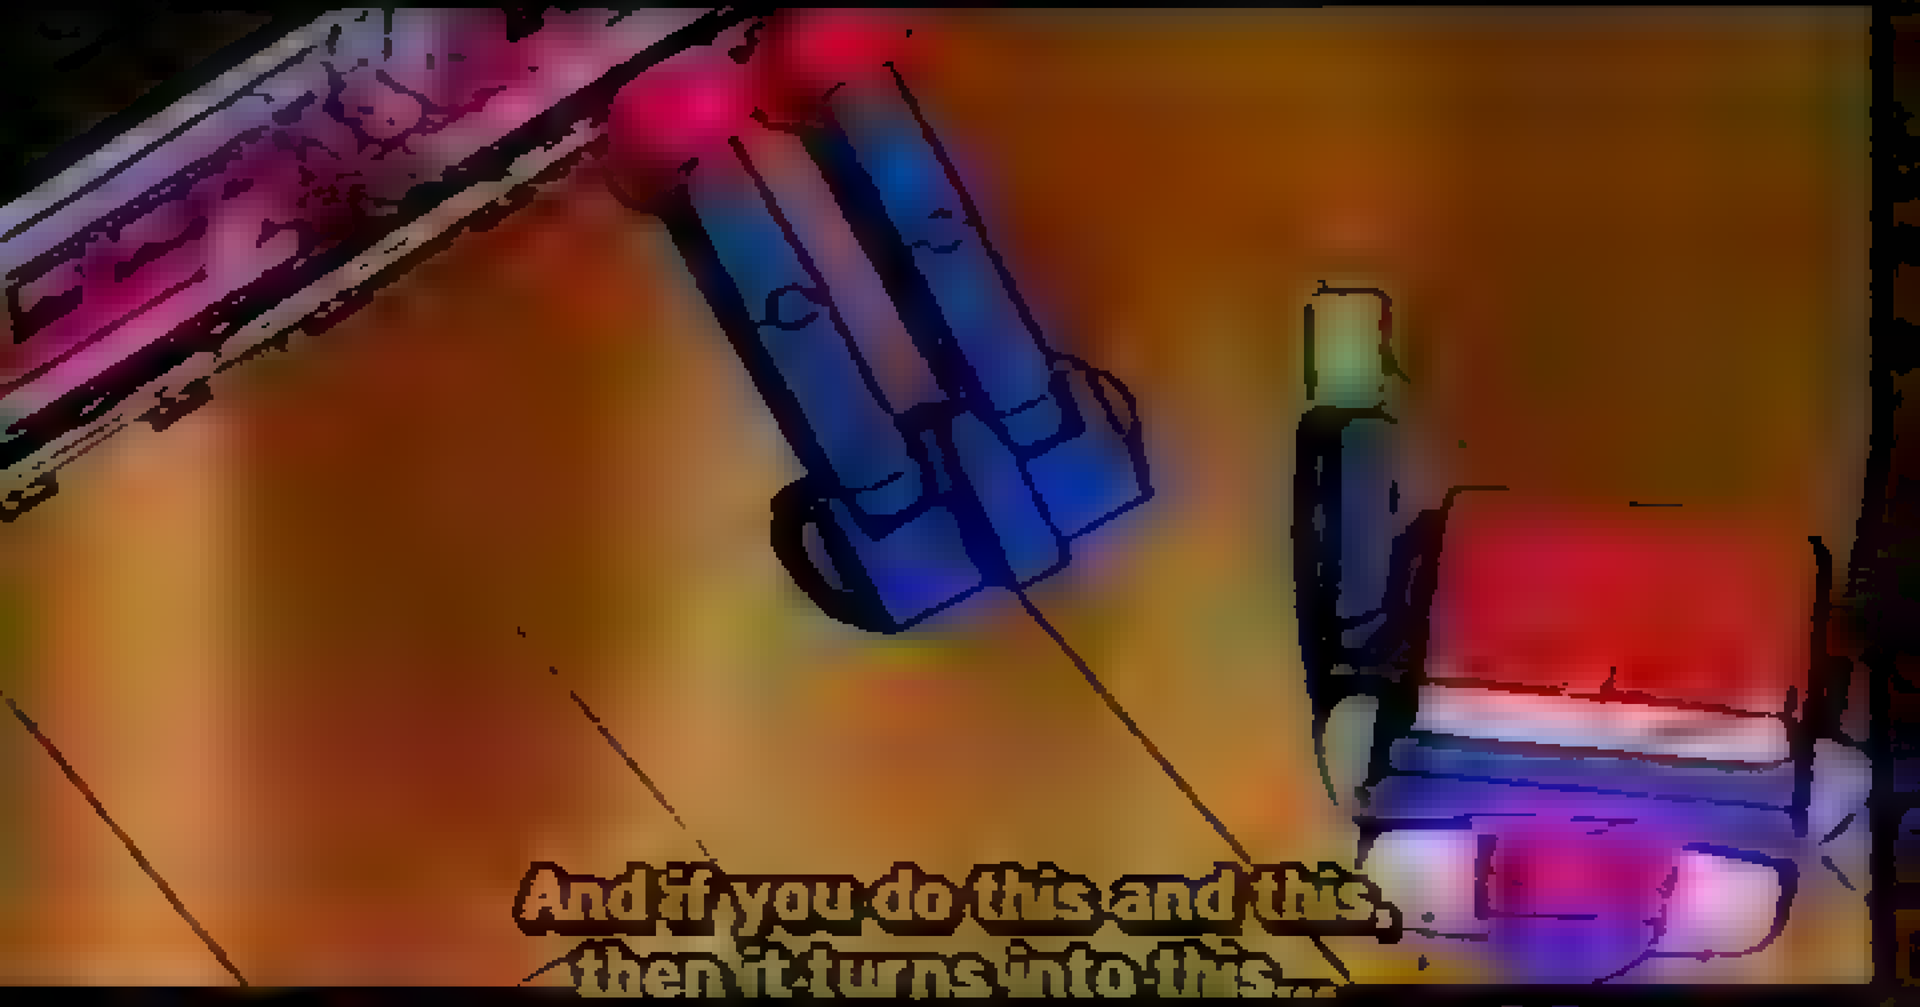

This one is really good

I got it last year for my birthday.

Right? Right? Isn't it funny?

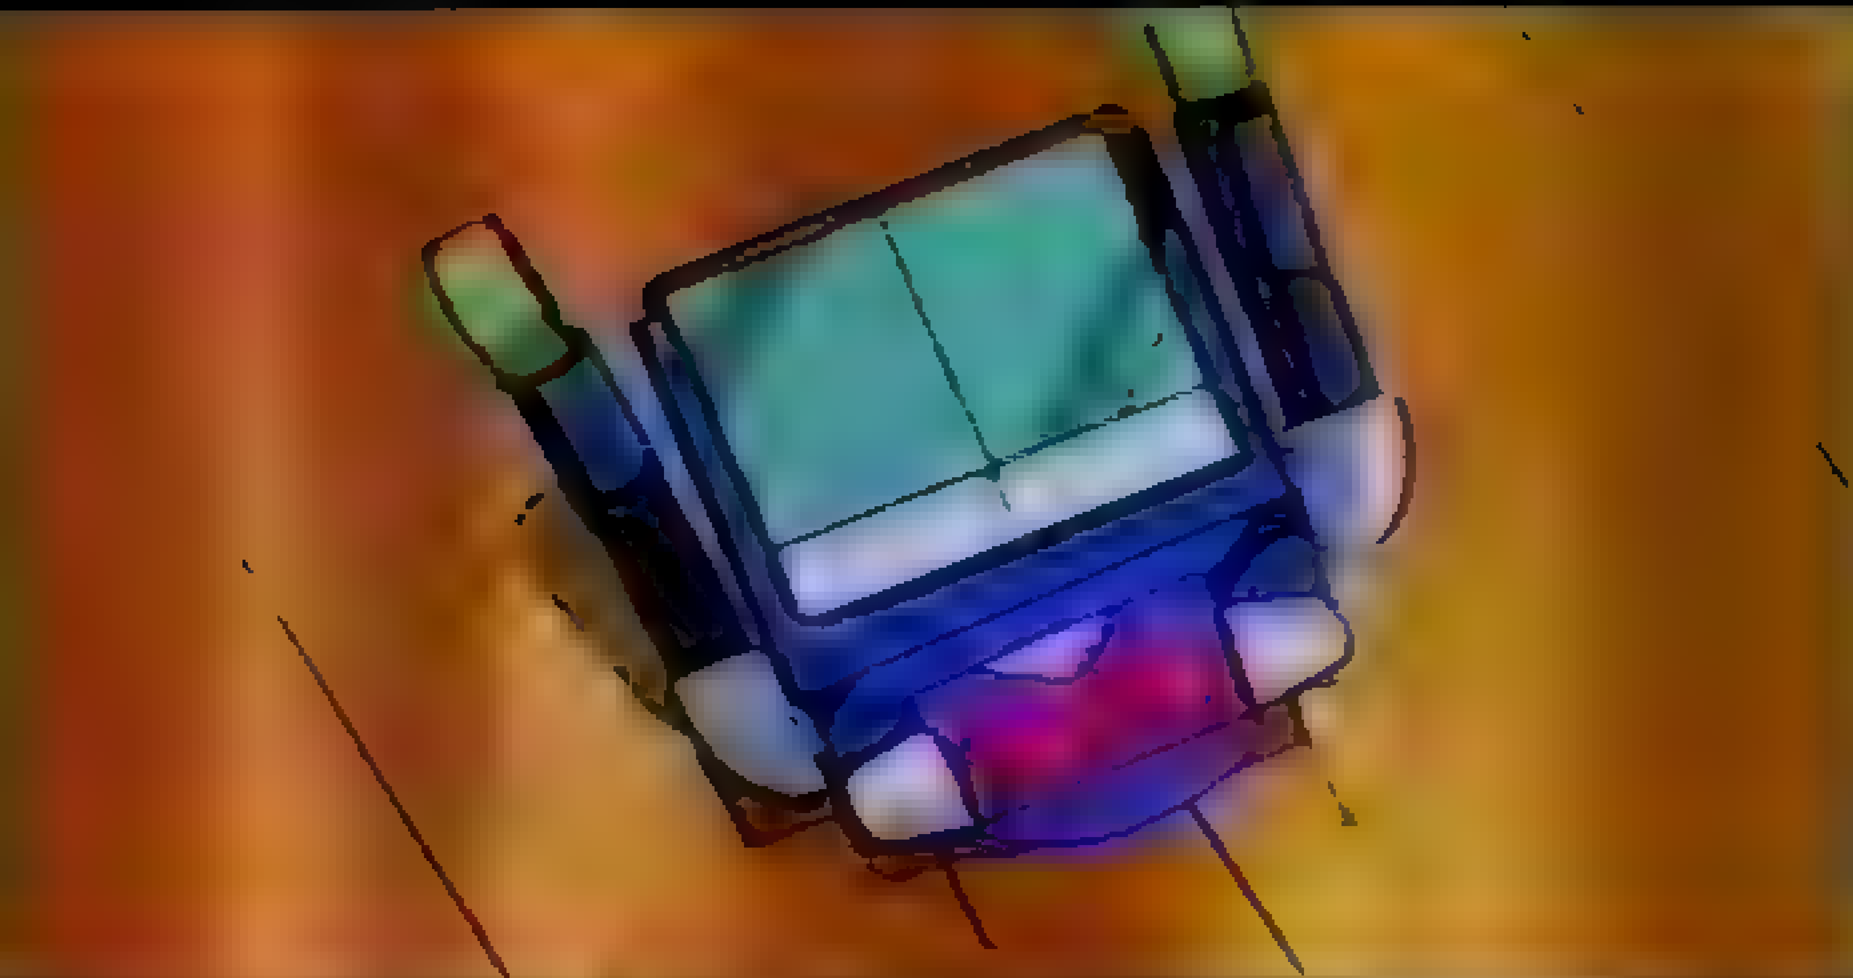

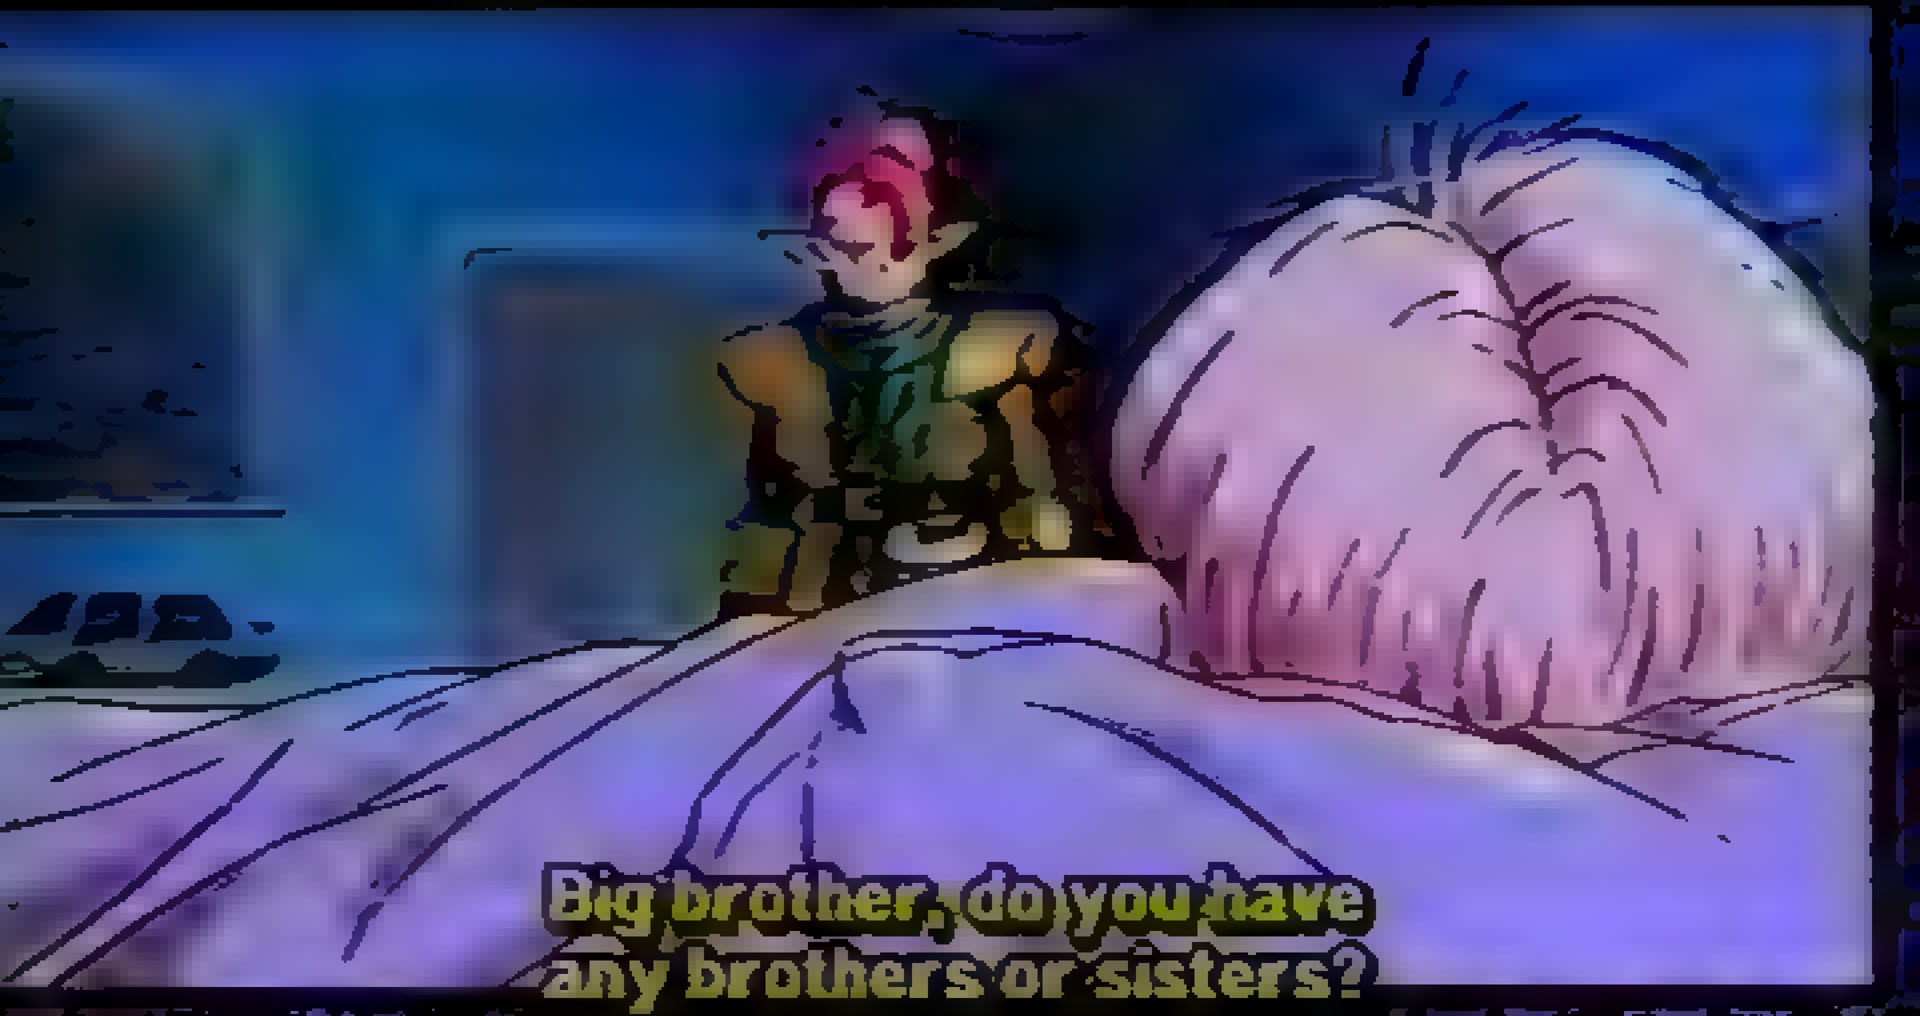

And if you do this and this,
then it turns into this...

And if you do this and this,
then it turns into this...

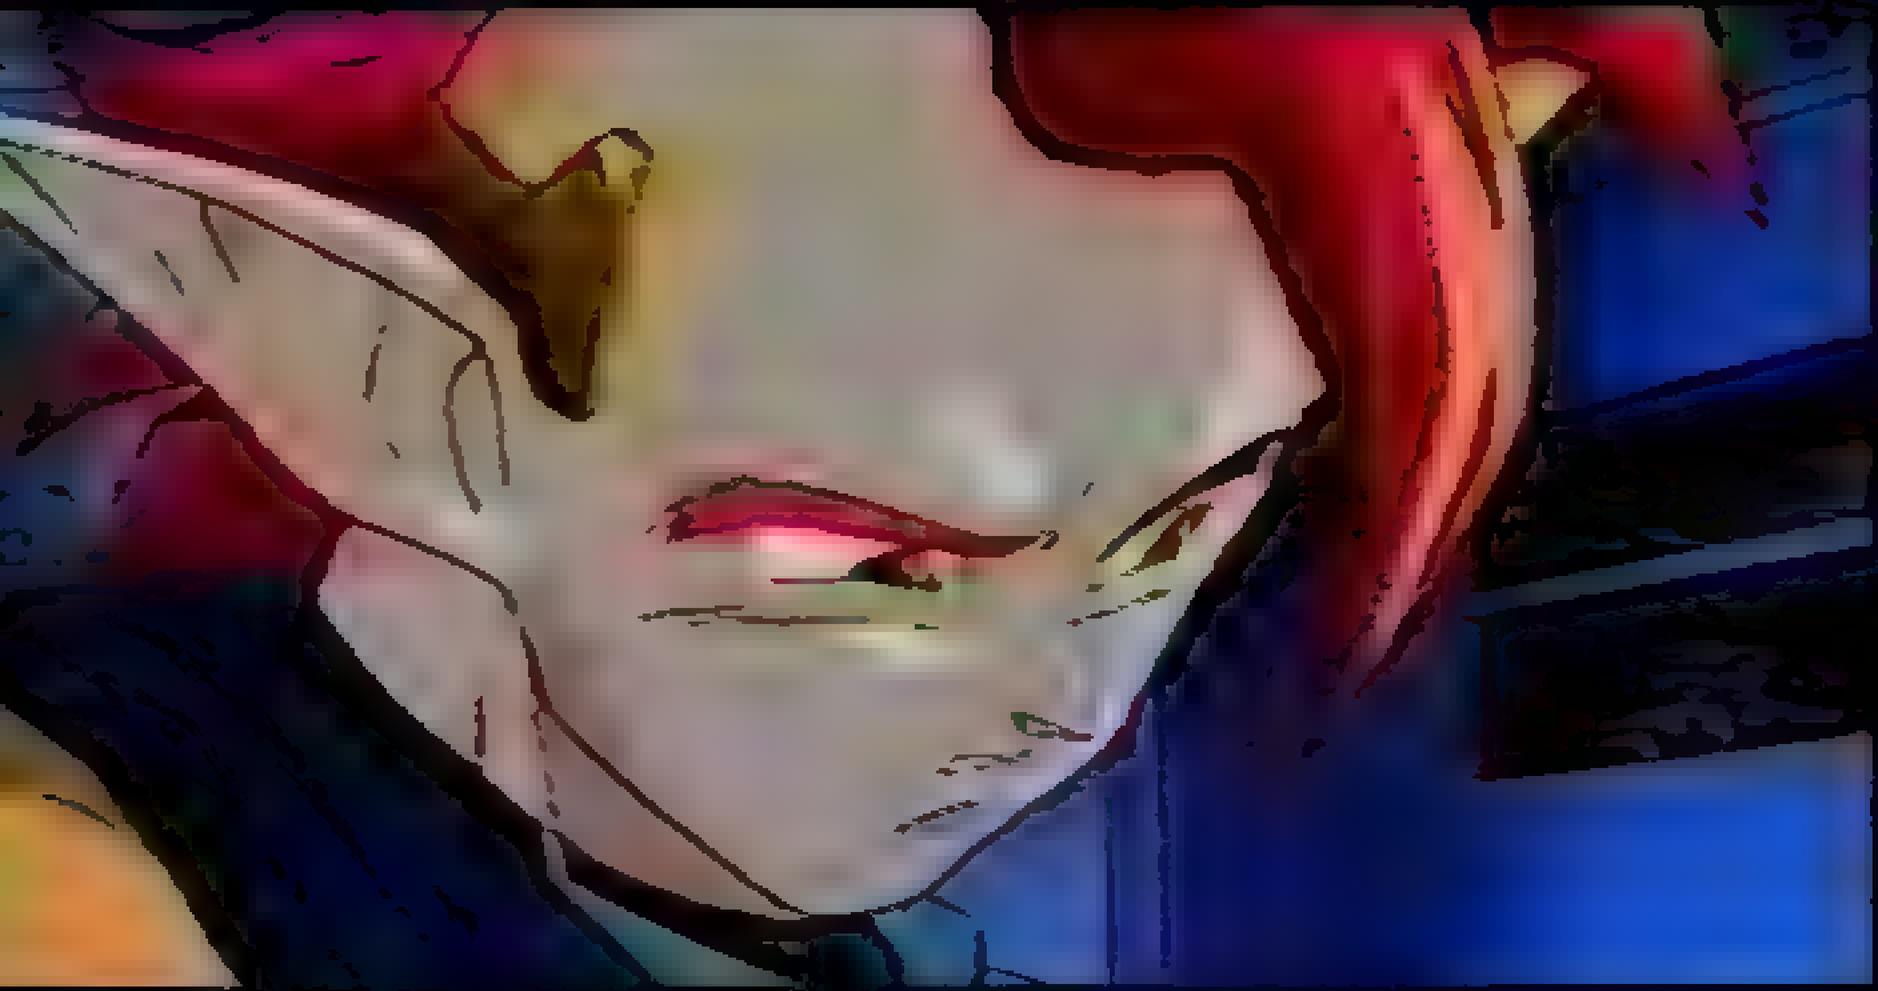

Look, look!

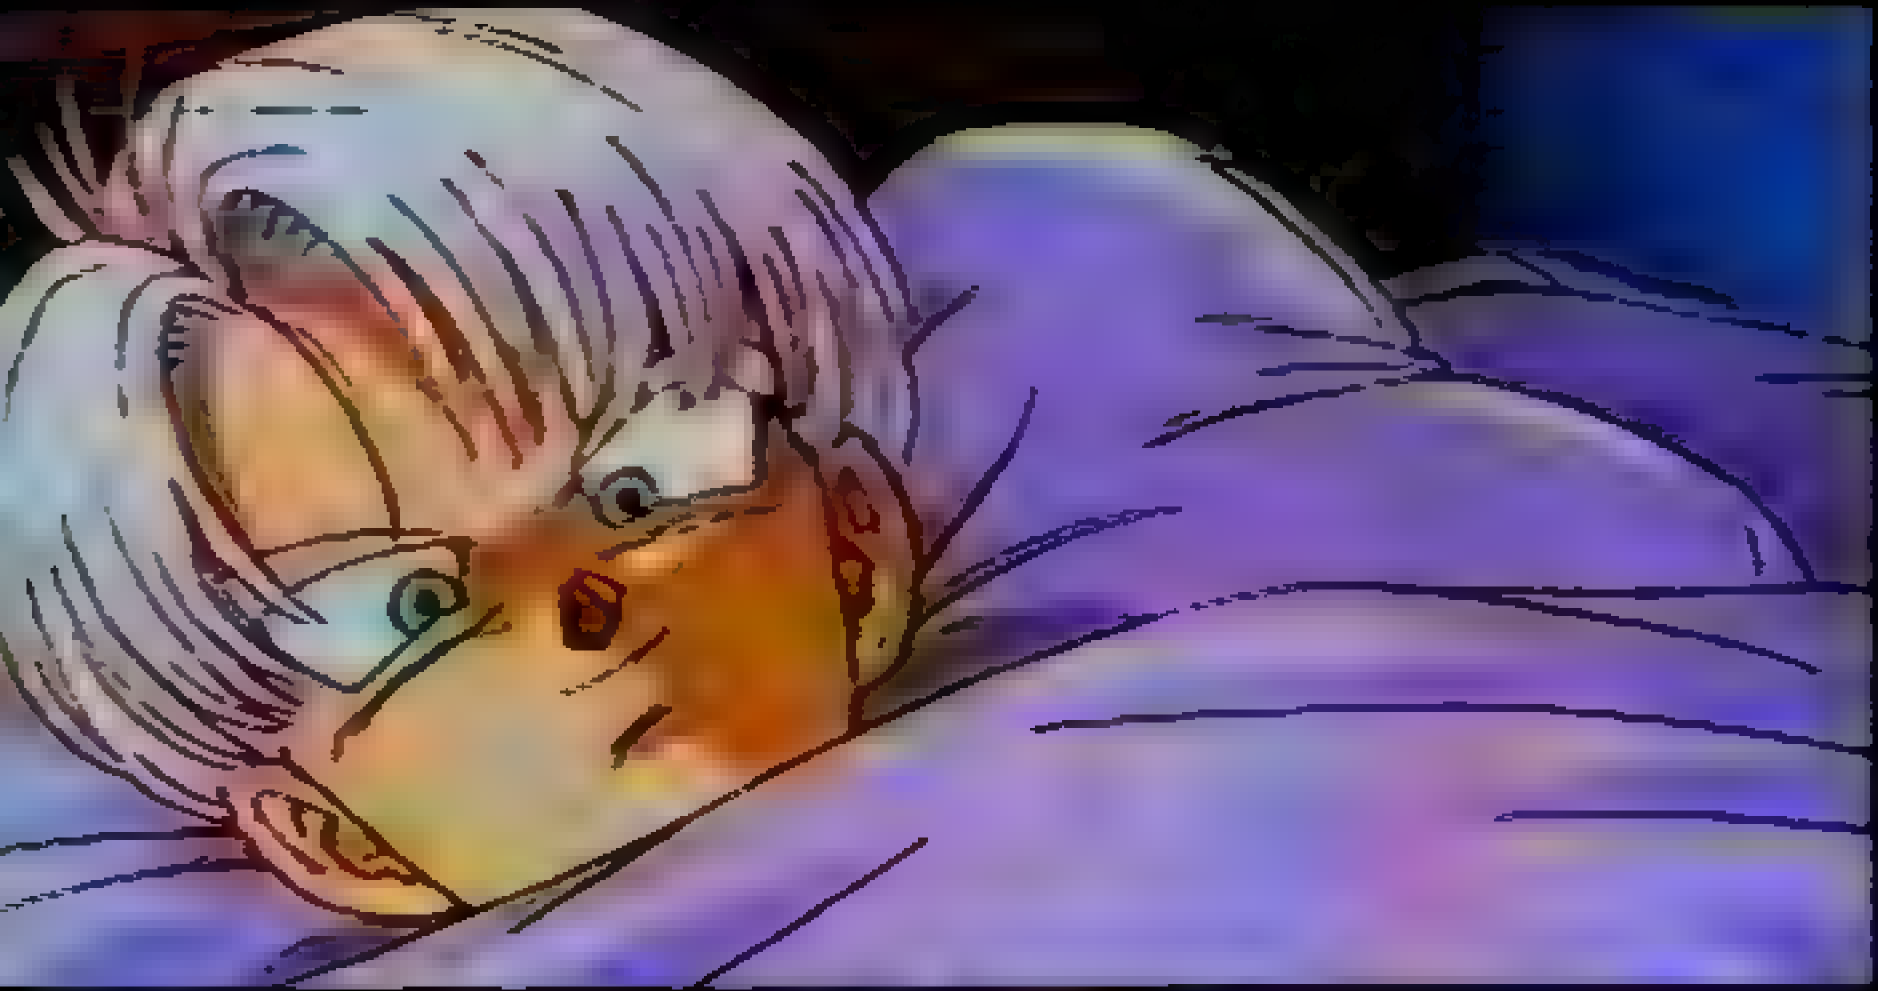

And now this one...

Big brother, do you have
any brothers or sisters?

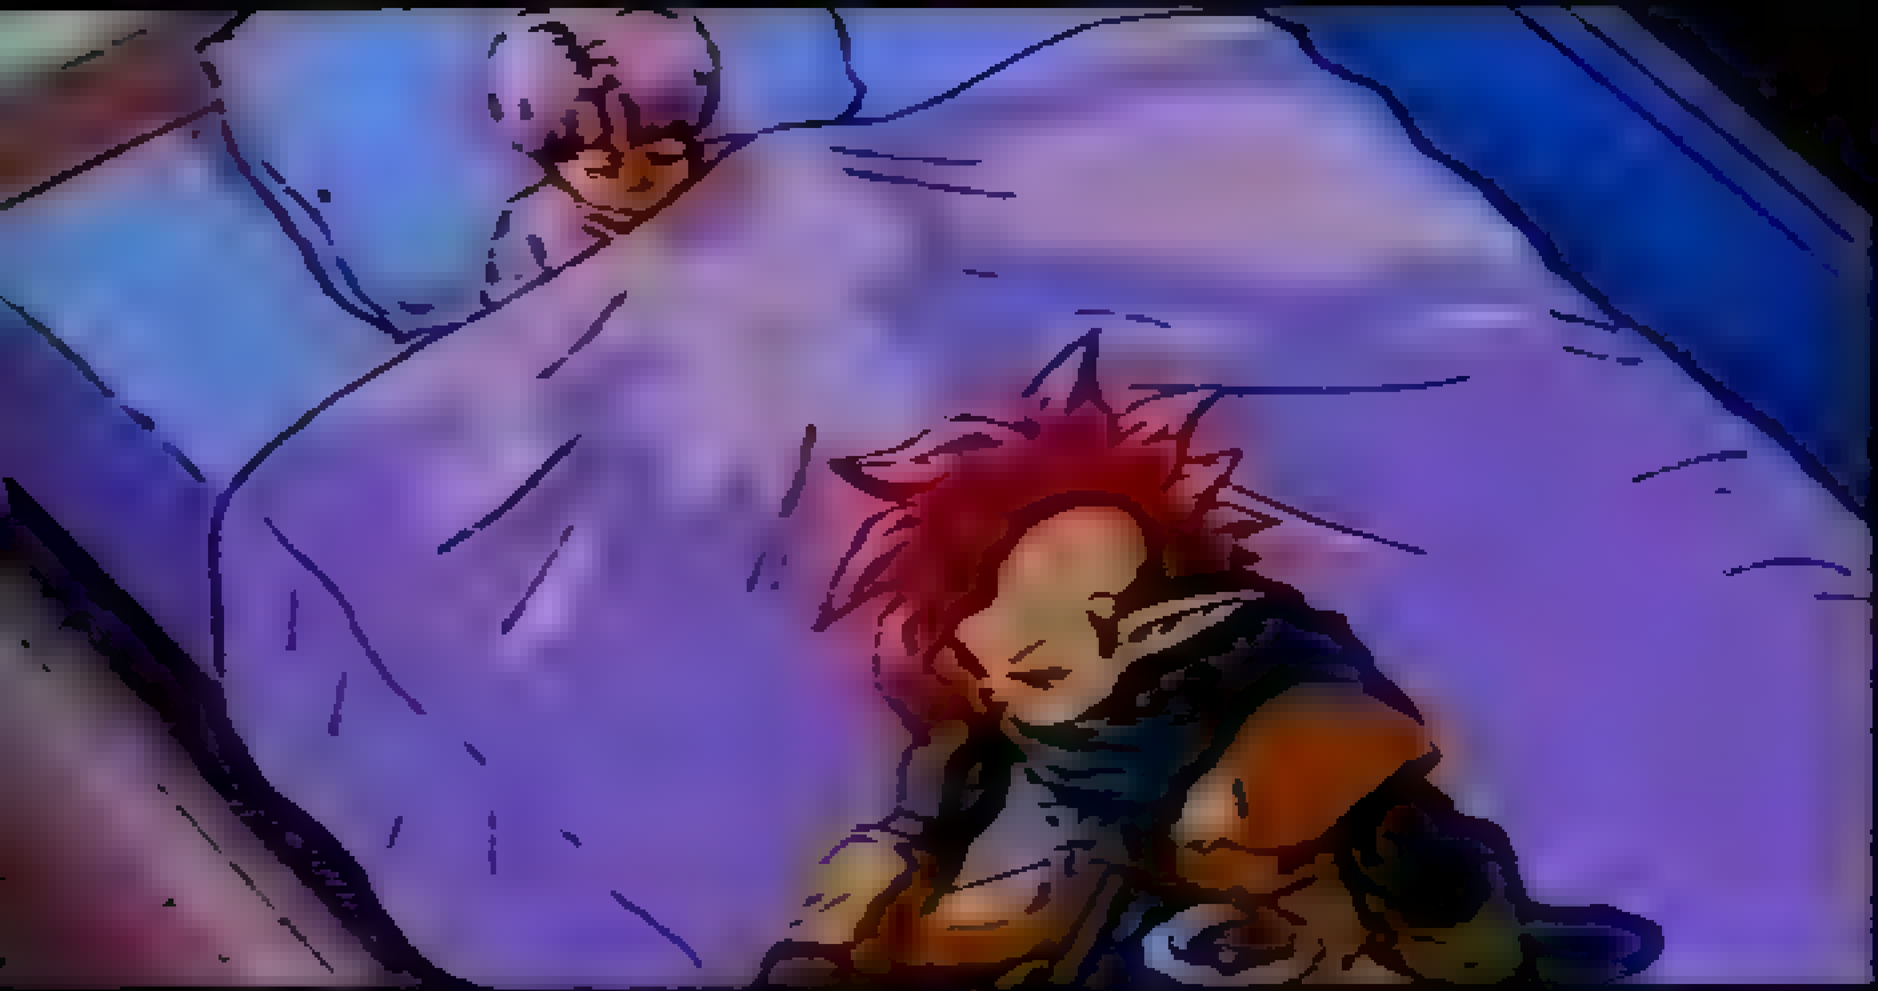

Big brother, do you have
any brothers or sisters?

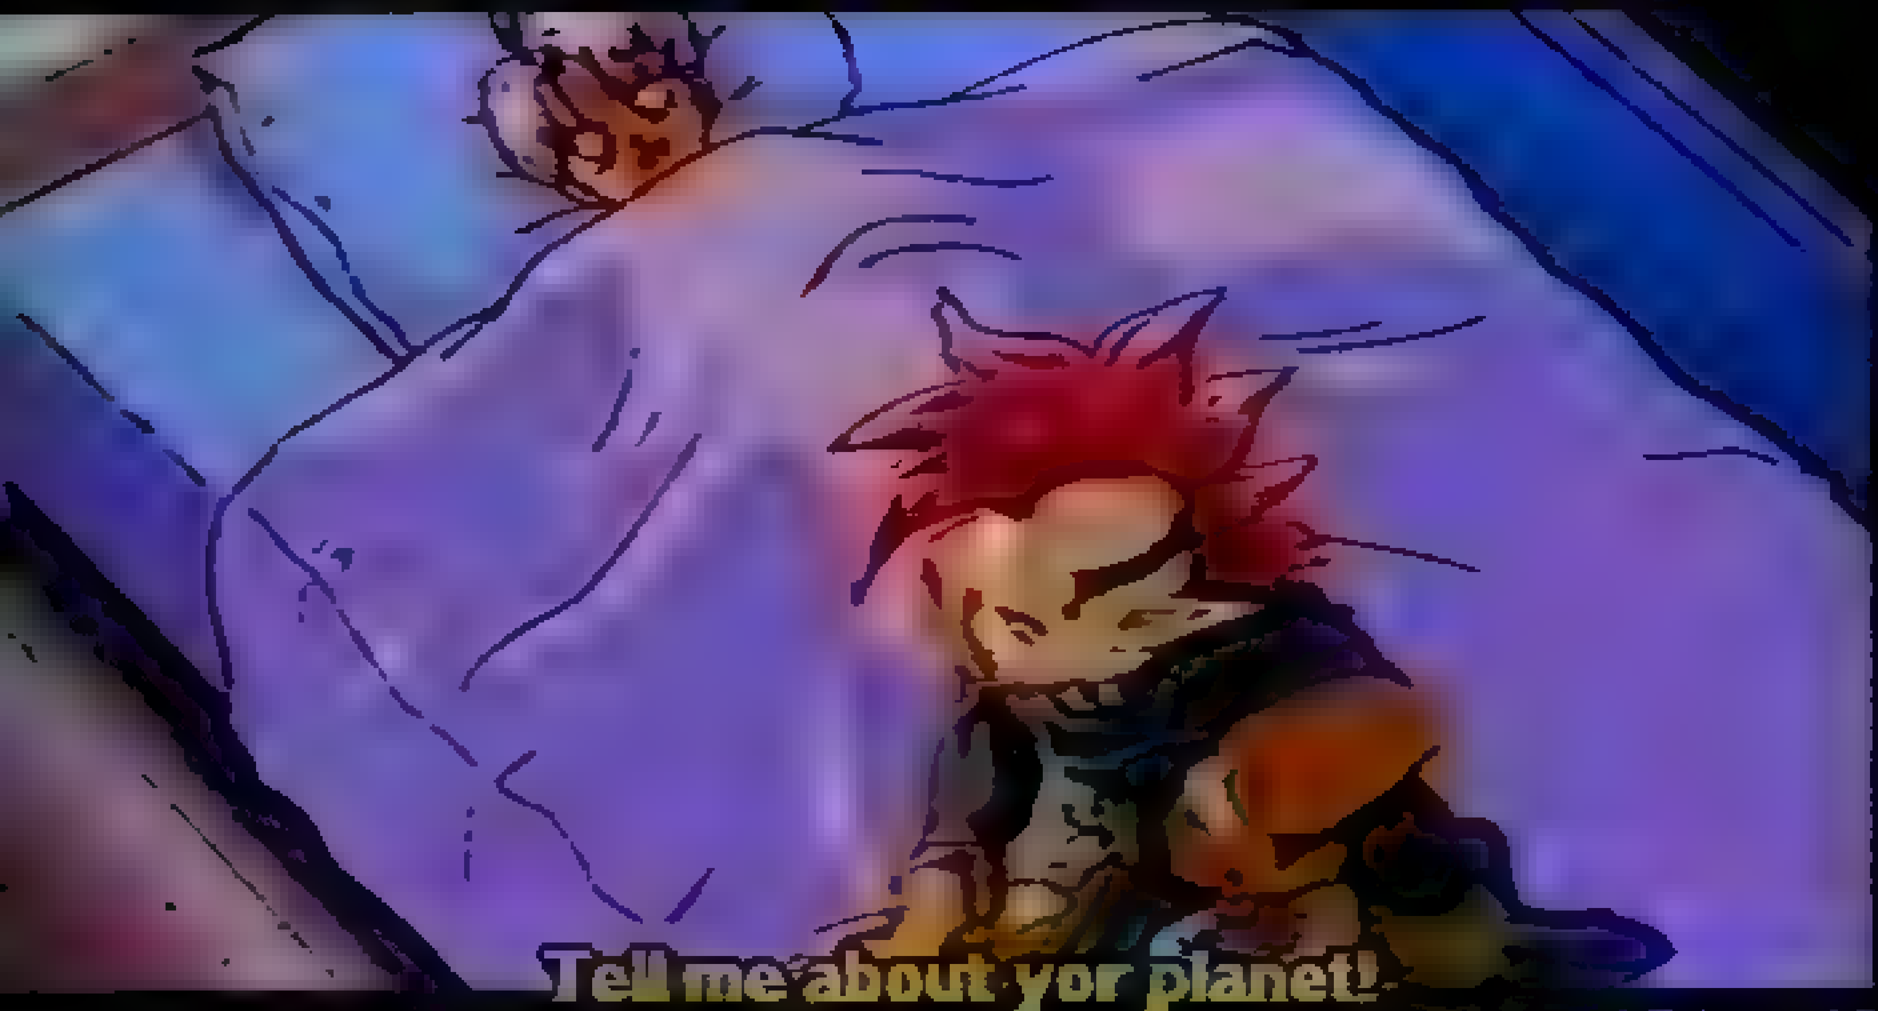

That's good.
What's he like?

Trunks, he's a nice kid like you...

Tell me about yor planet!

Okay...

My planet is called Konack
in the Southern Galaxy.

My planet is called Konack
in the Southern Galaxy.

My planet is called Konack
in the Southern Galaxy.

It's a beautiful planet very much
like this one and very green.

It's a beautiful planet very much
like this one and very green.

It's a beautiful planet very much
like this one and very green.

But then one day we were
attacked by a monster...

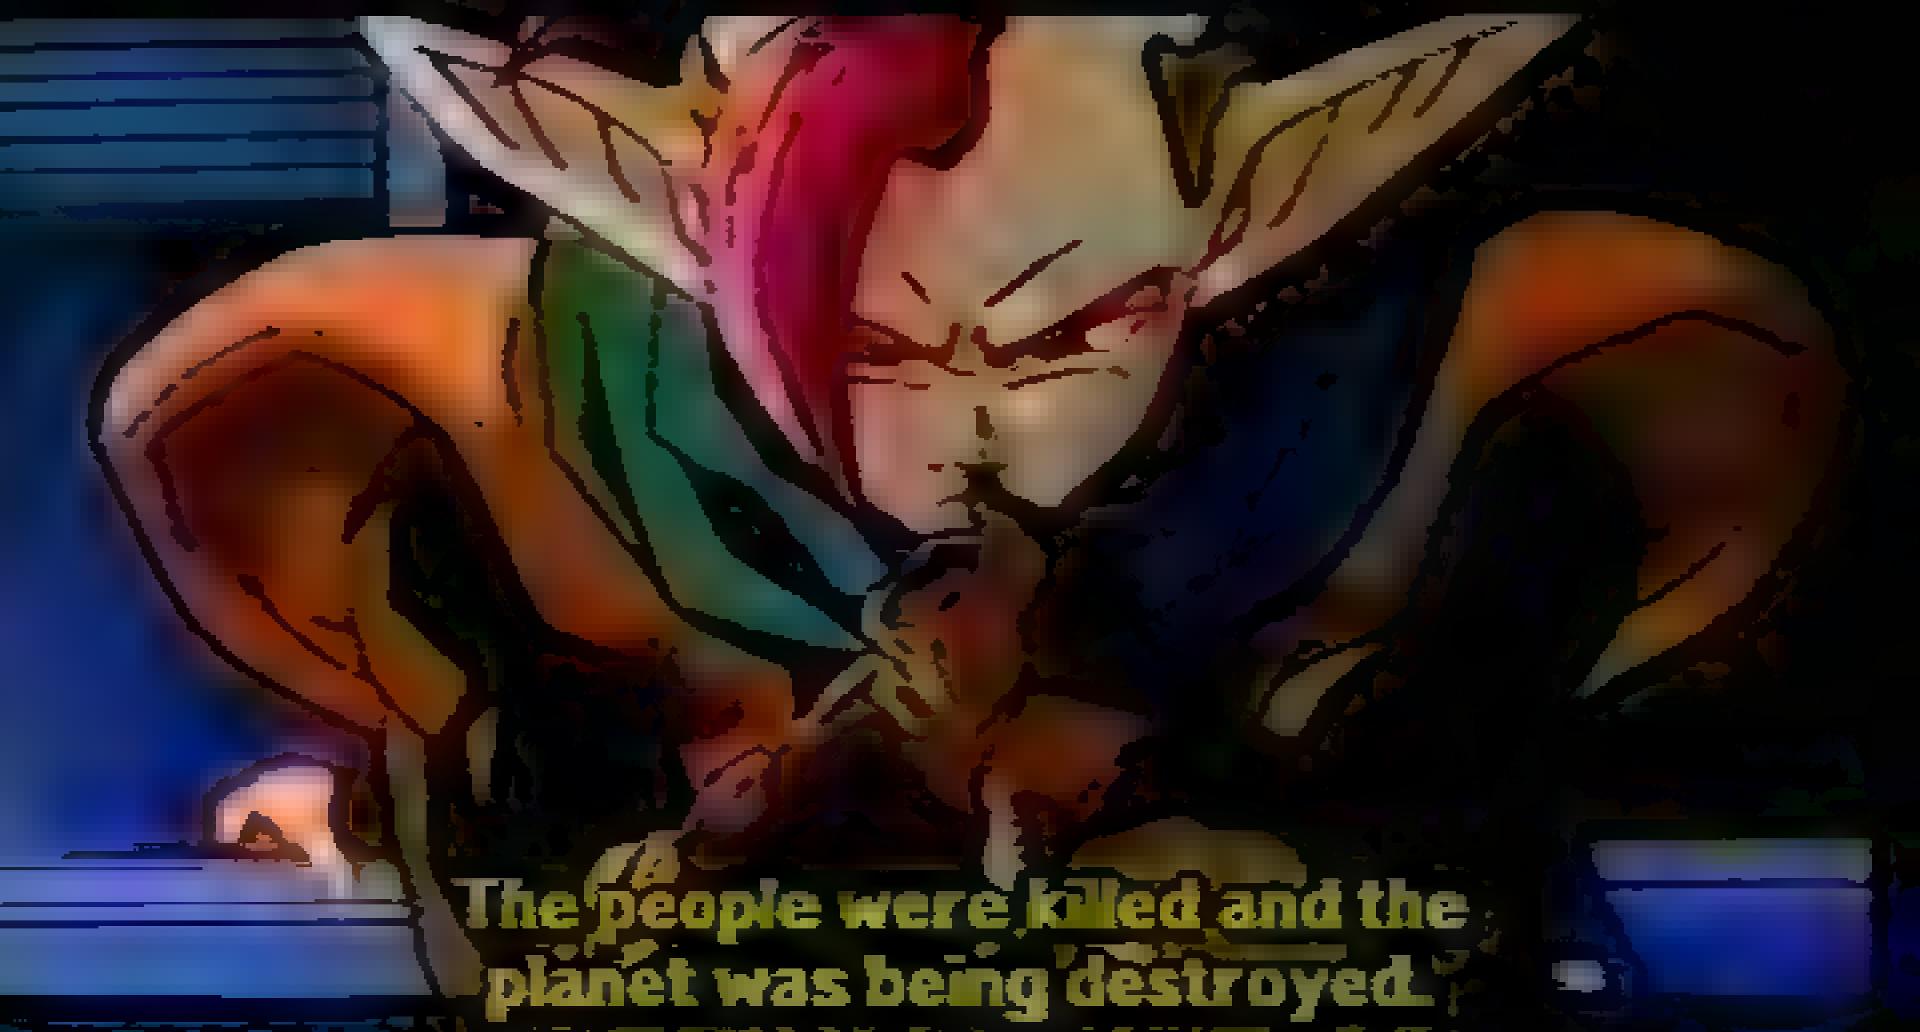

But then one day we were
attacked by a monster...

By a menace called Hildegarn.

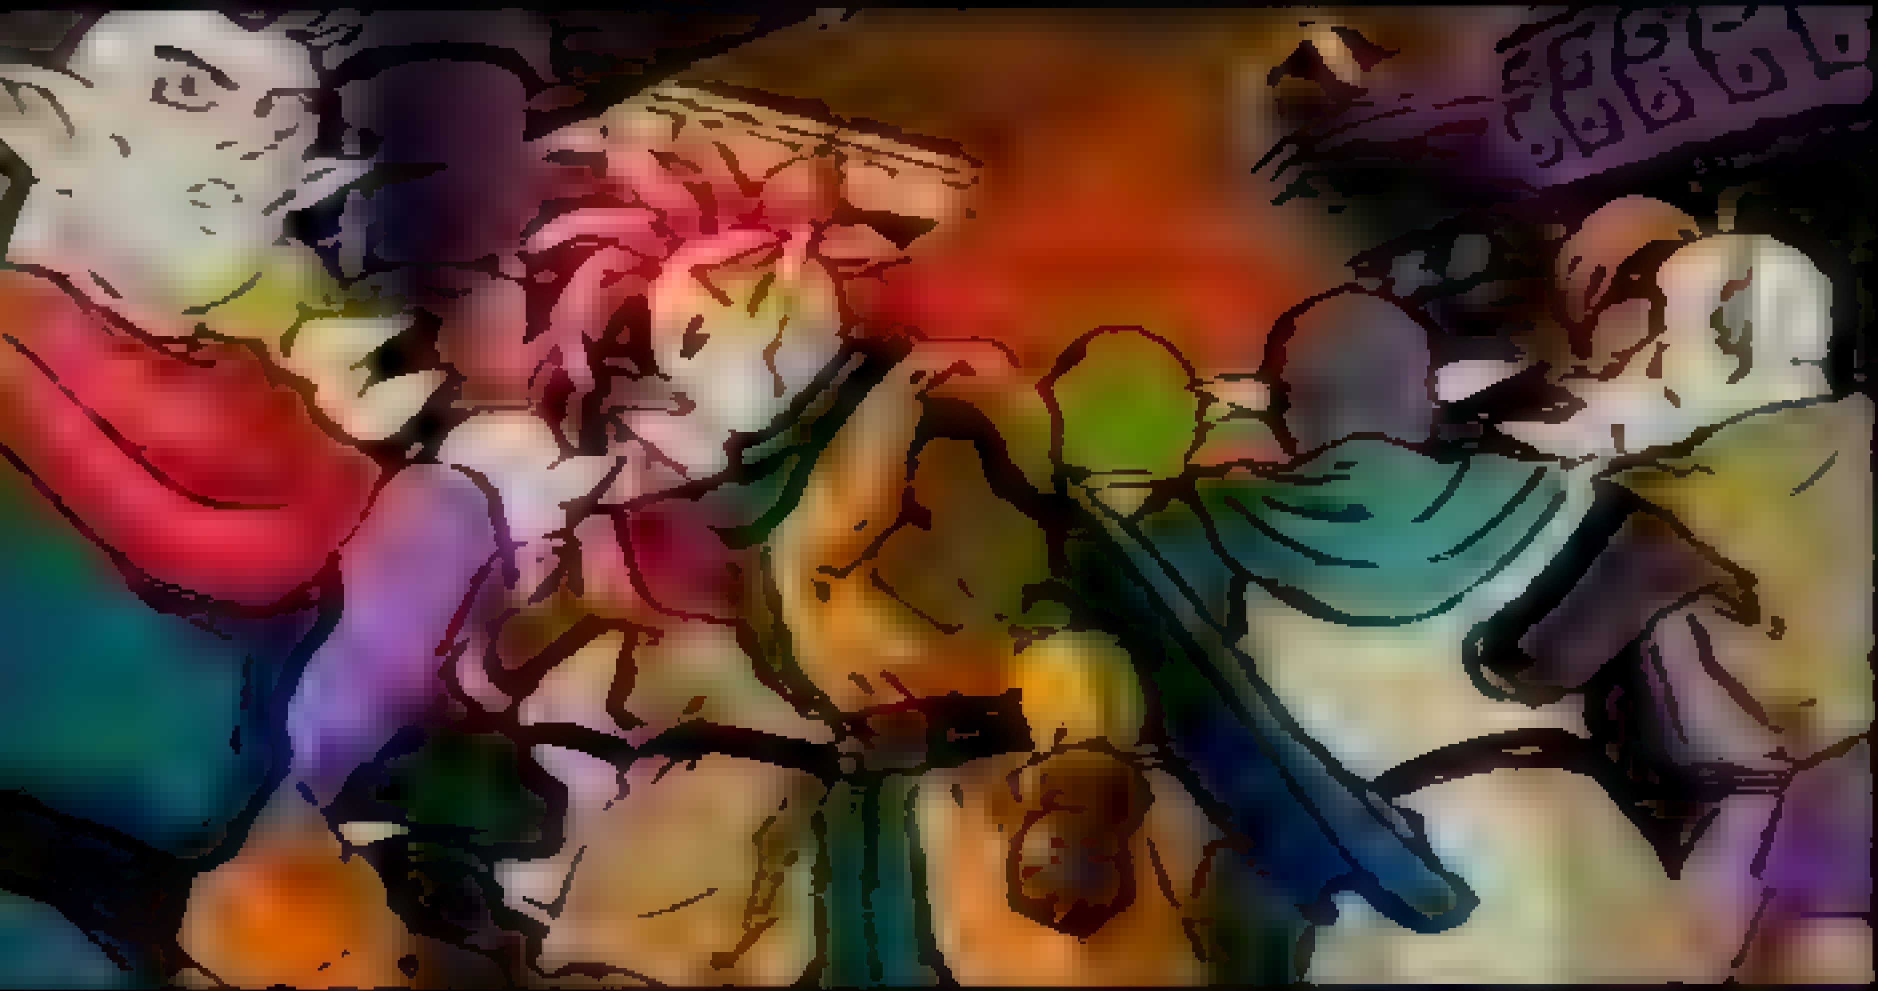

The people were killed and the
planet was being destroyed.

The people were killed and the planet was being destroyed.

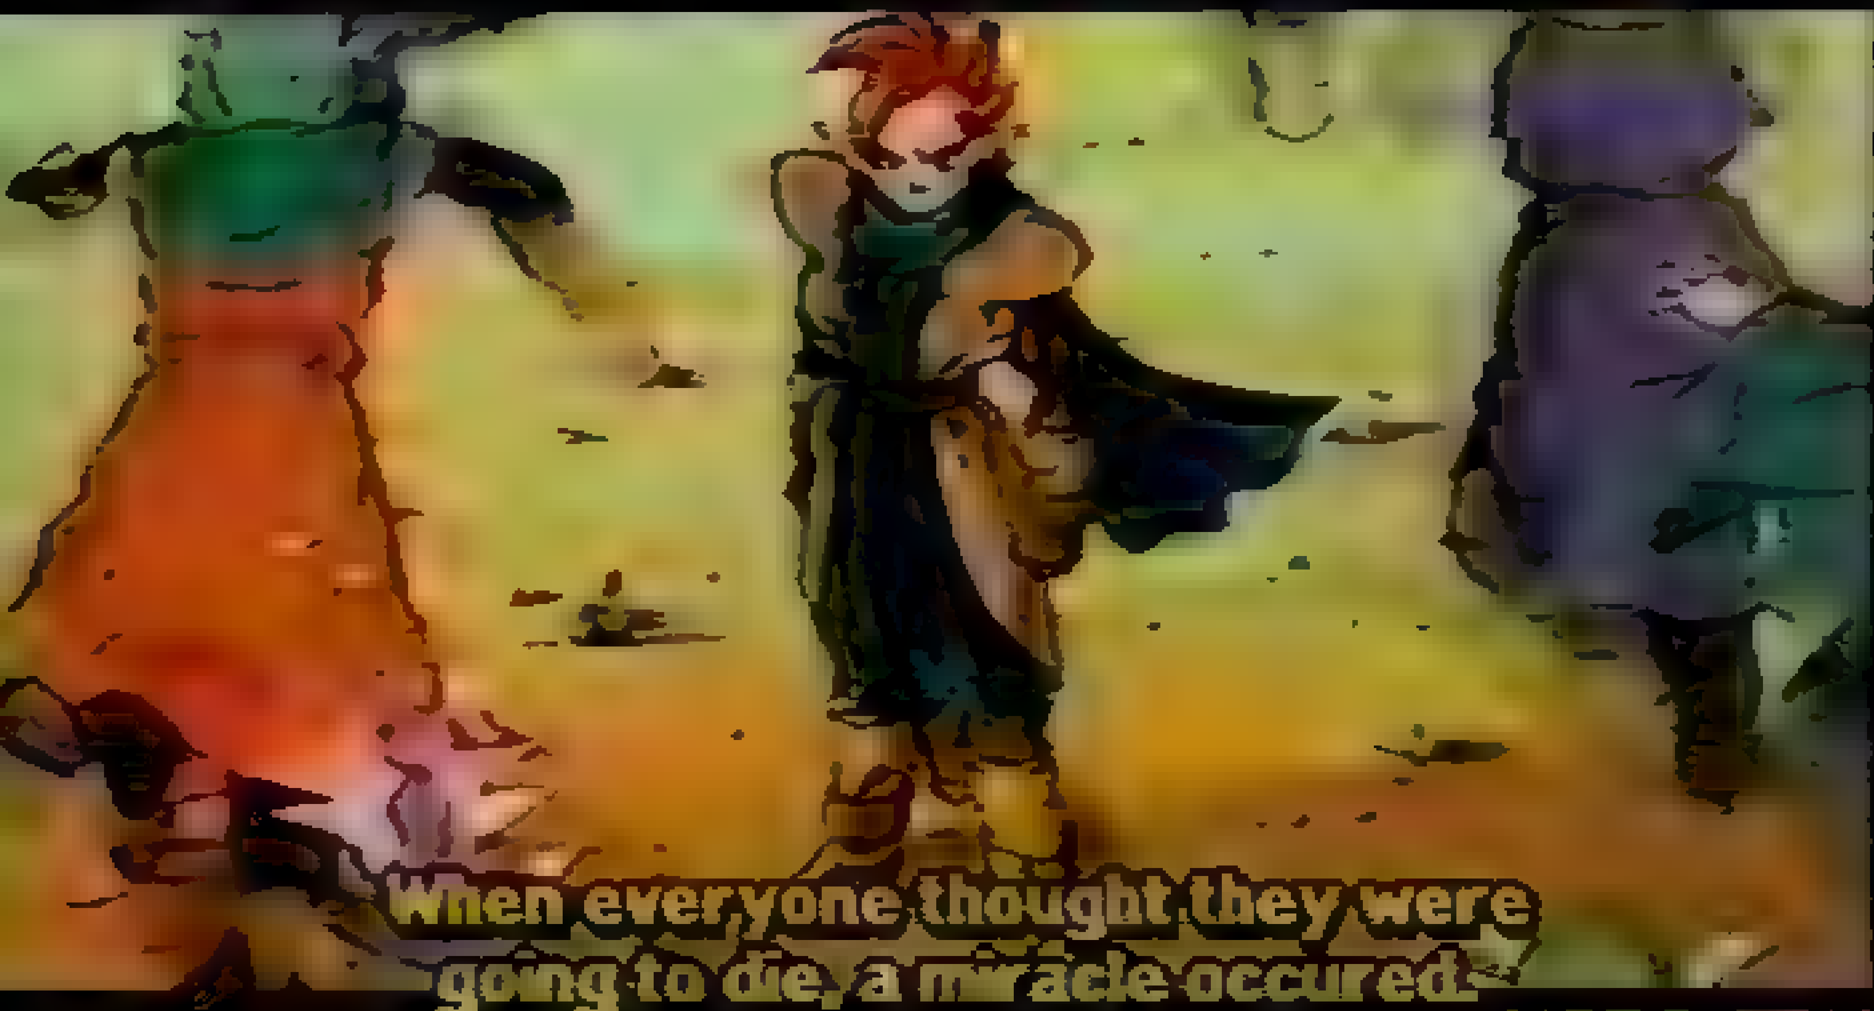

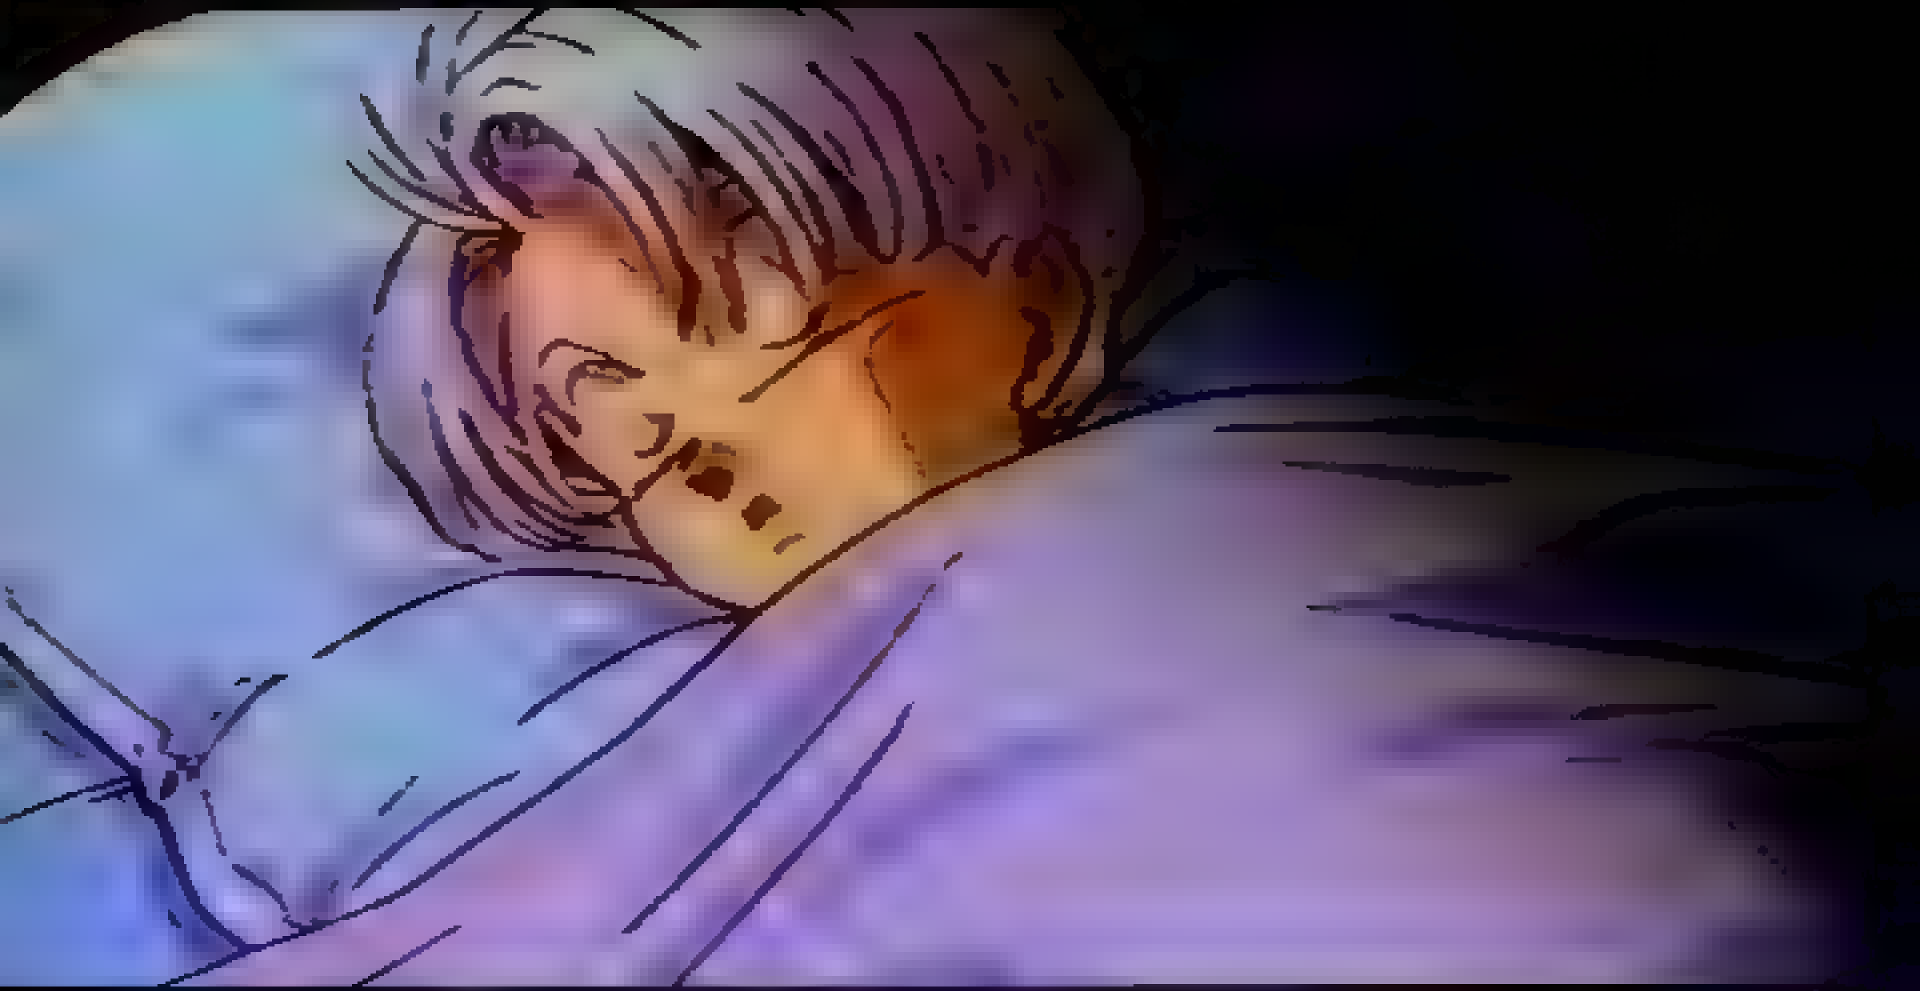

When everyone thought they were going to die, a miracle occured.

When everyone thought they were
going to die, a miracle occured.

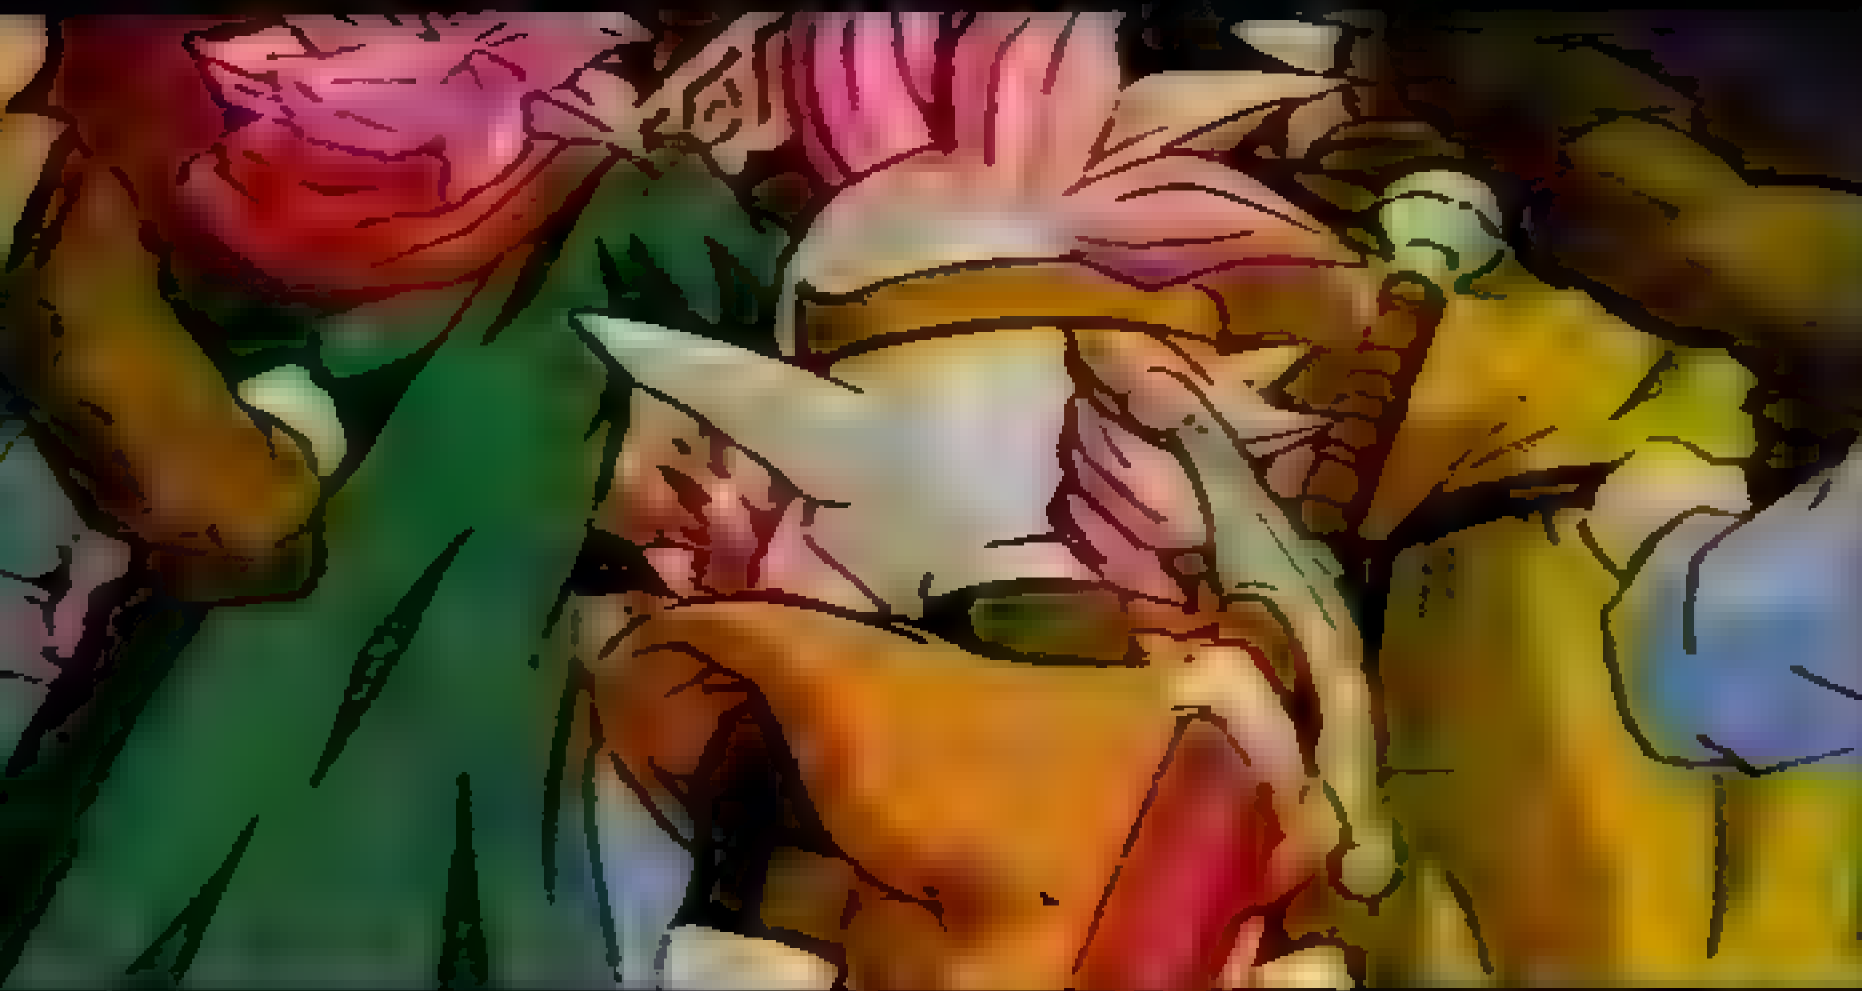

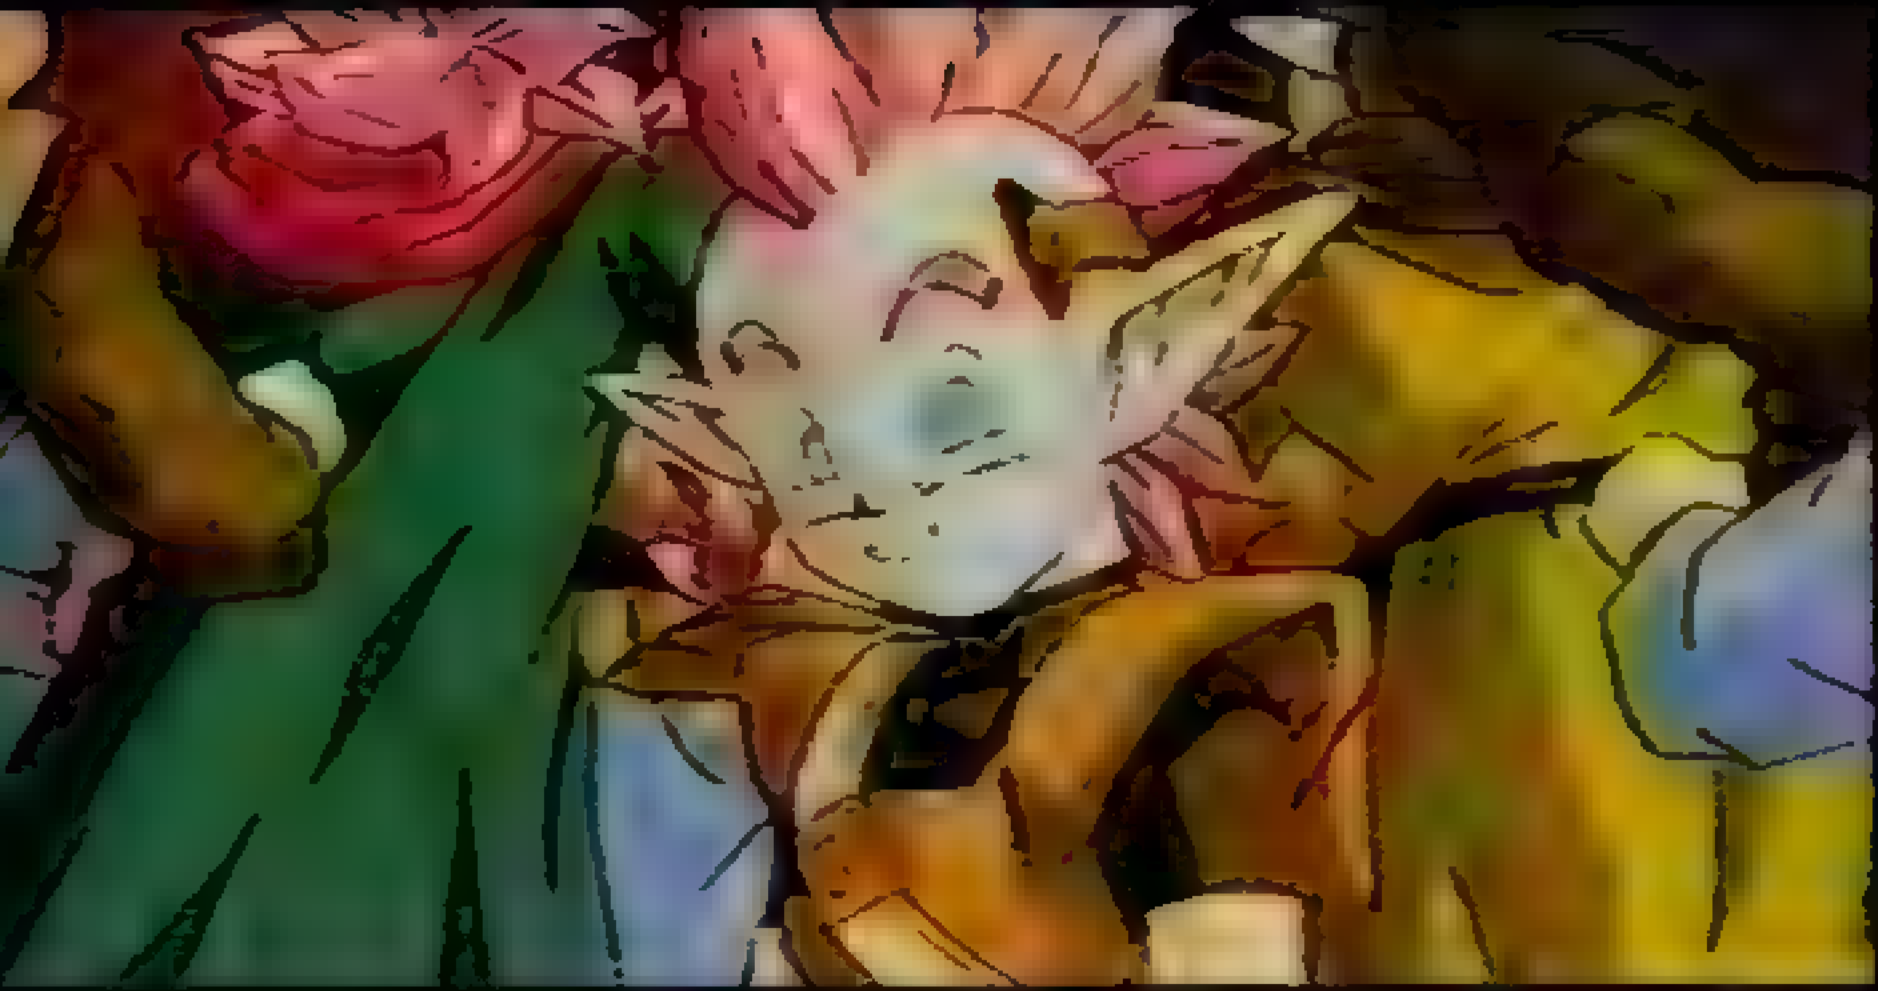

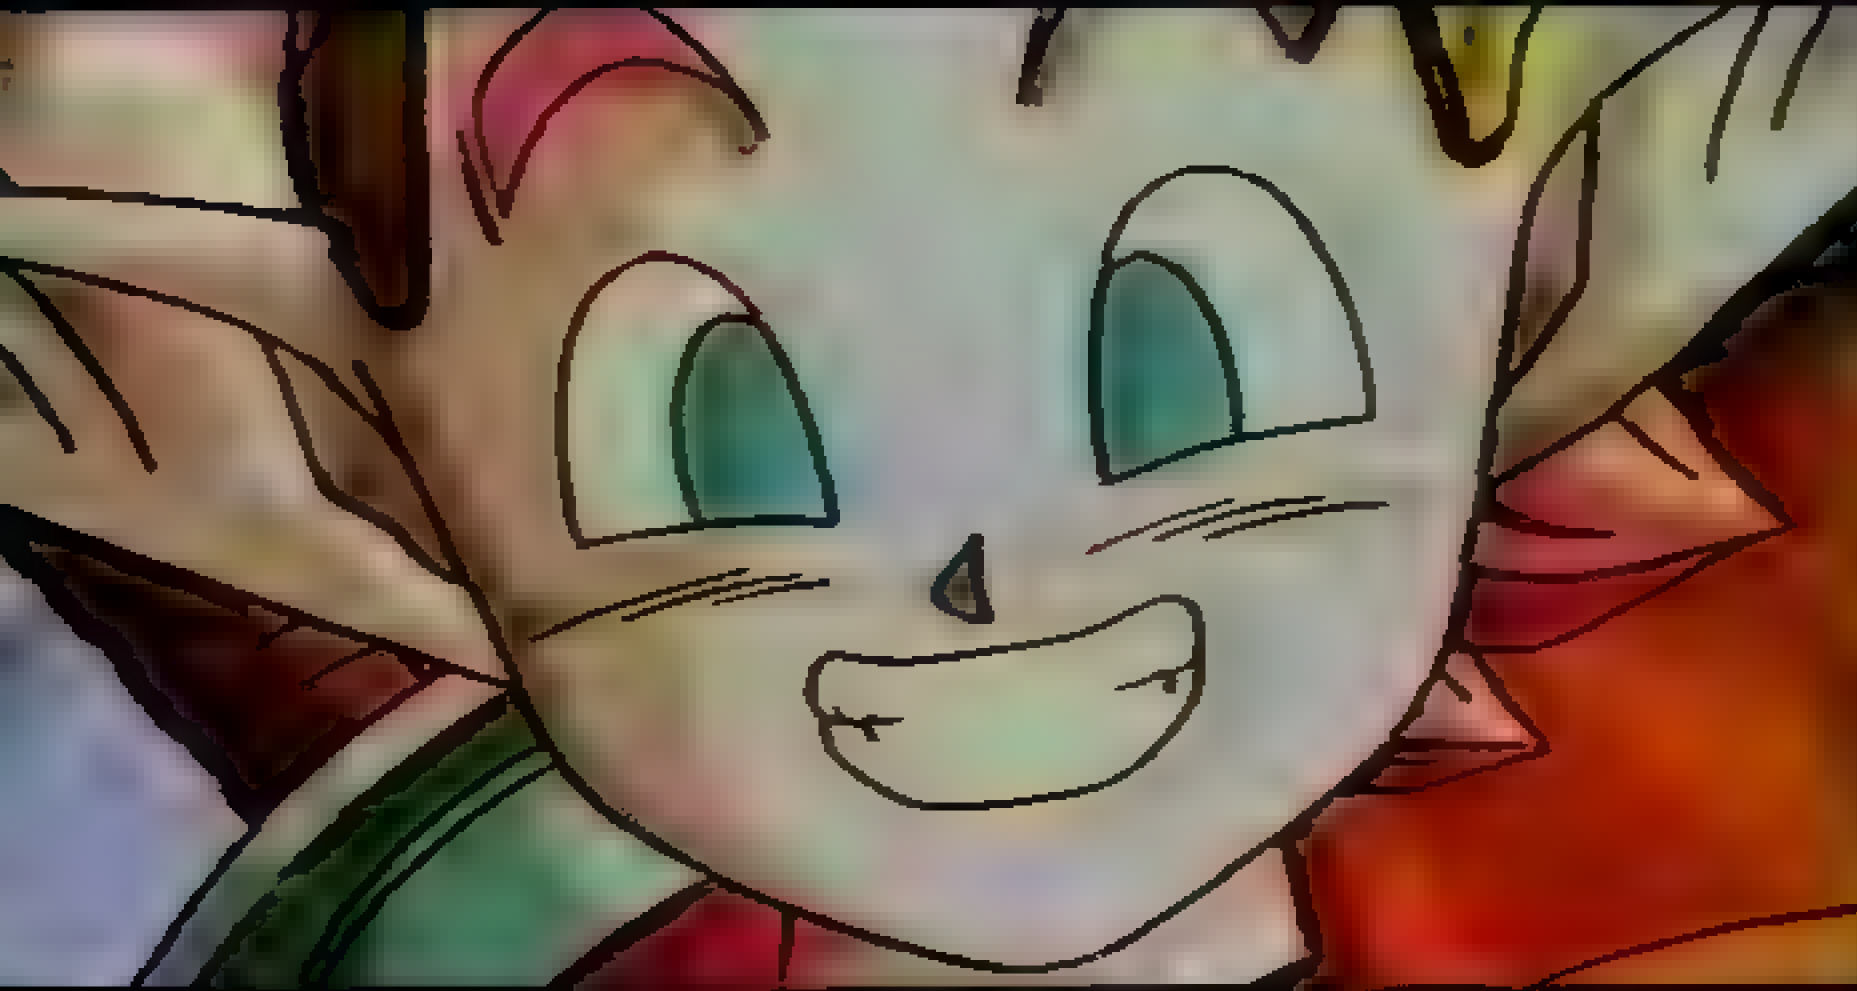

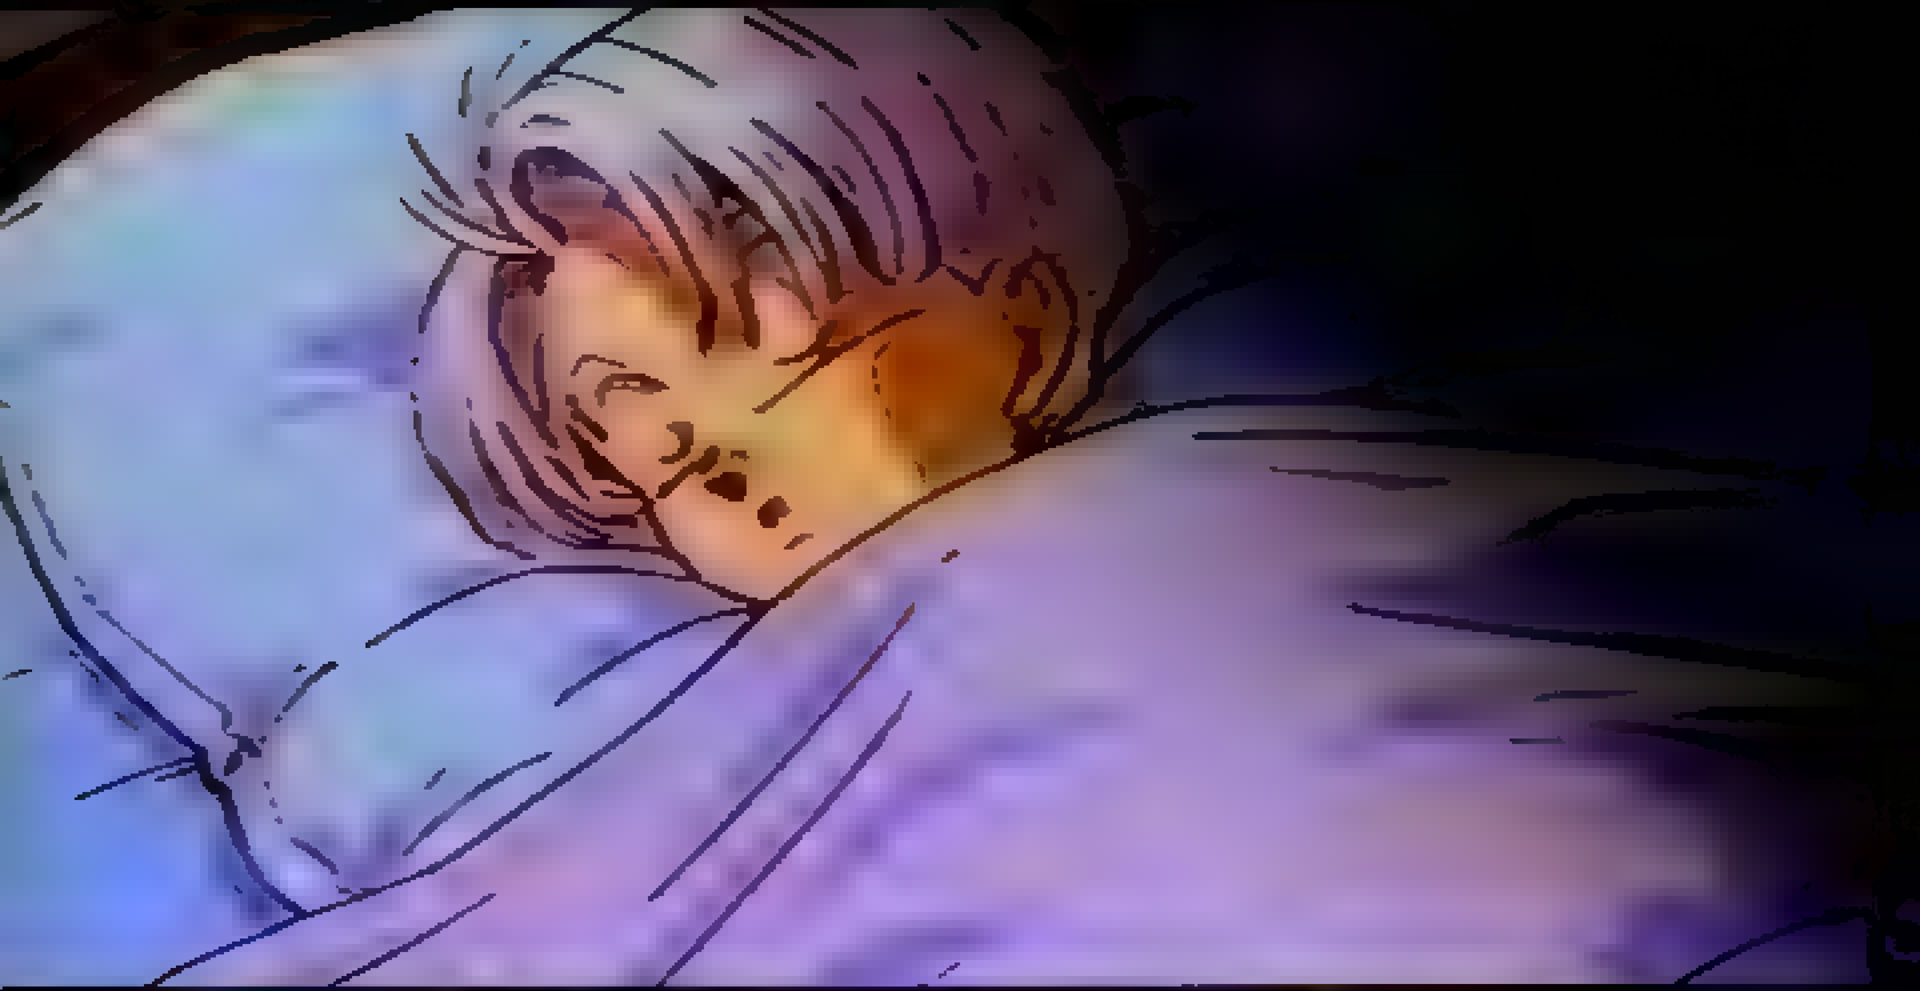

That must mean you've been killed!

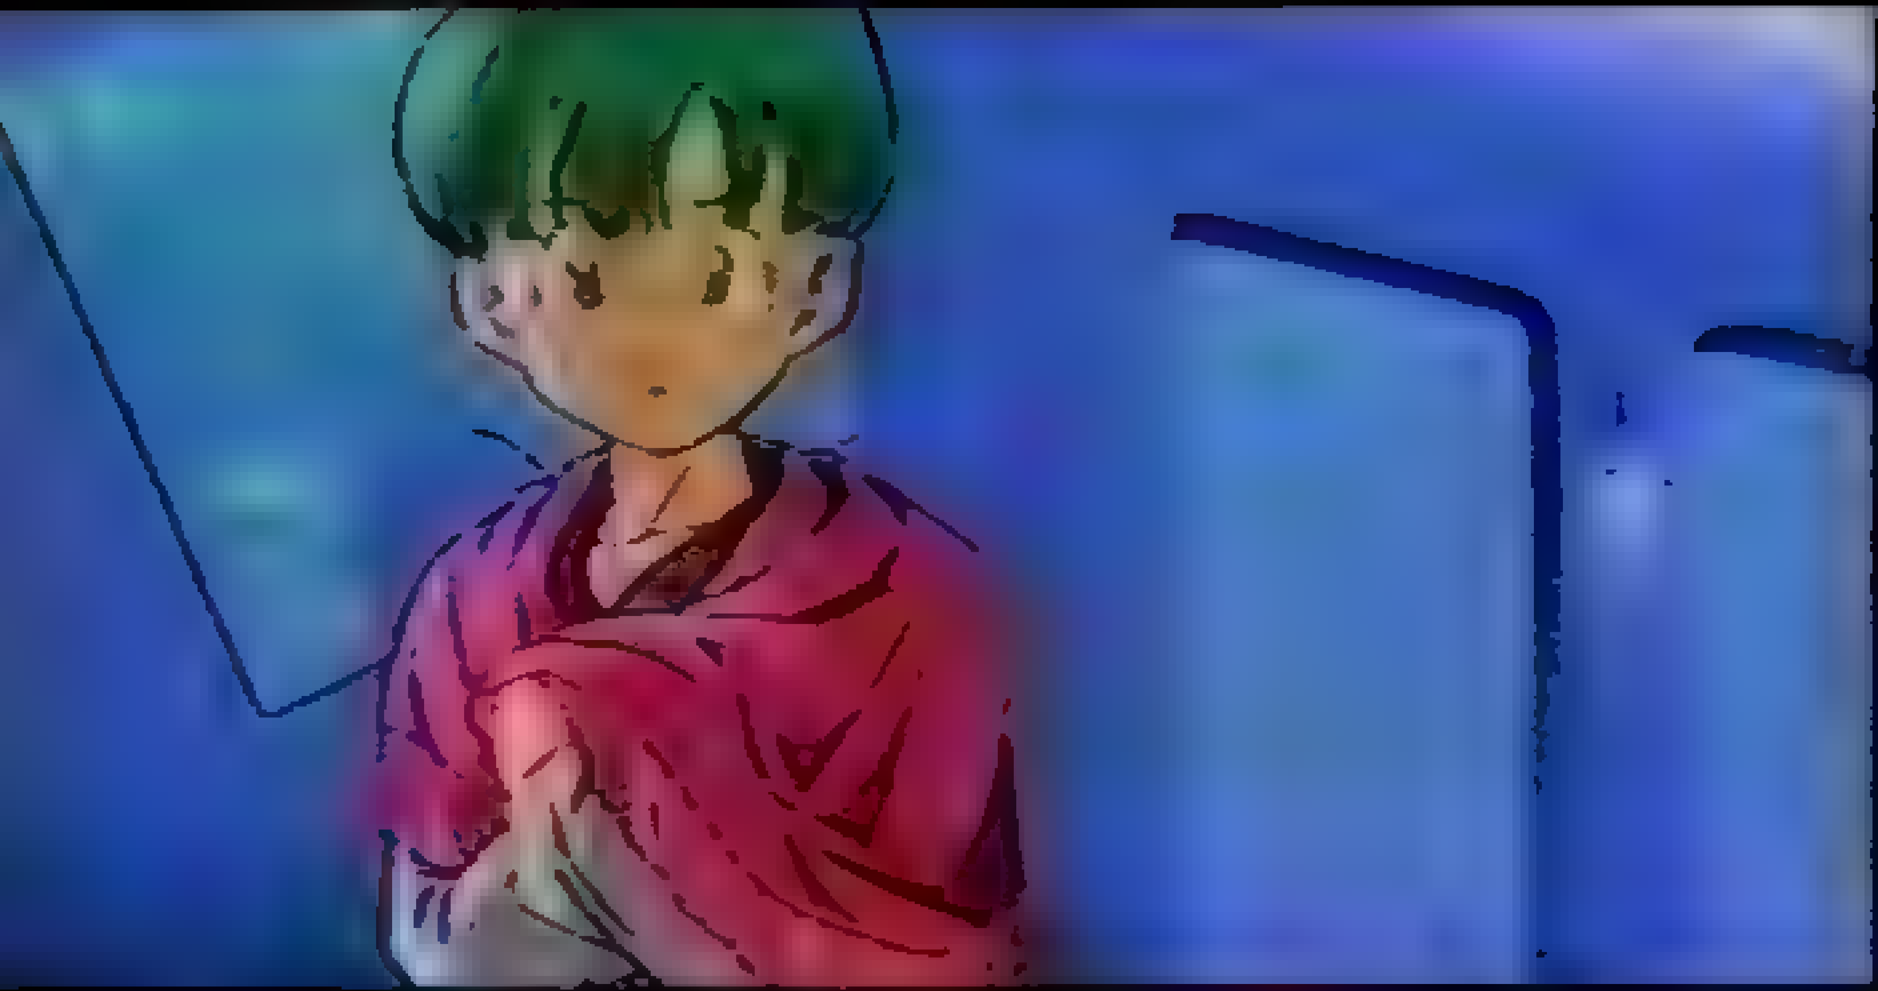

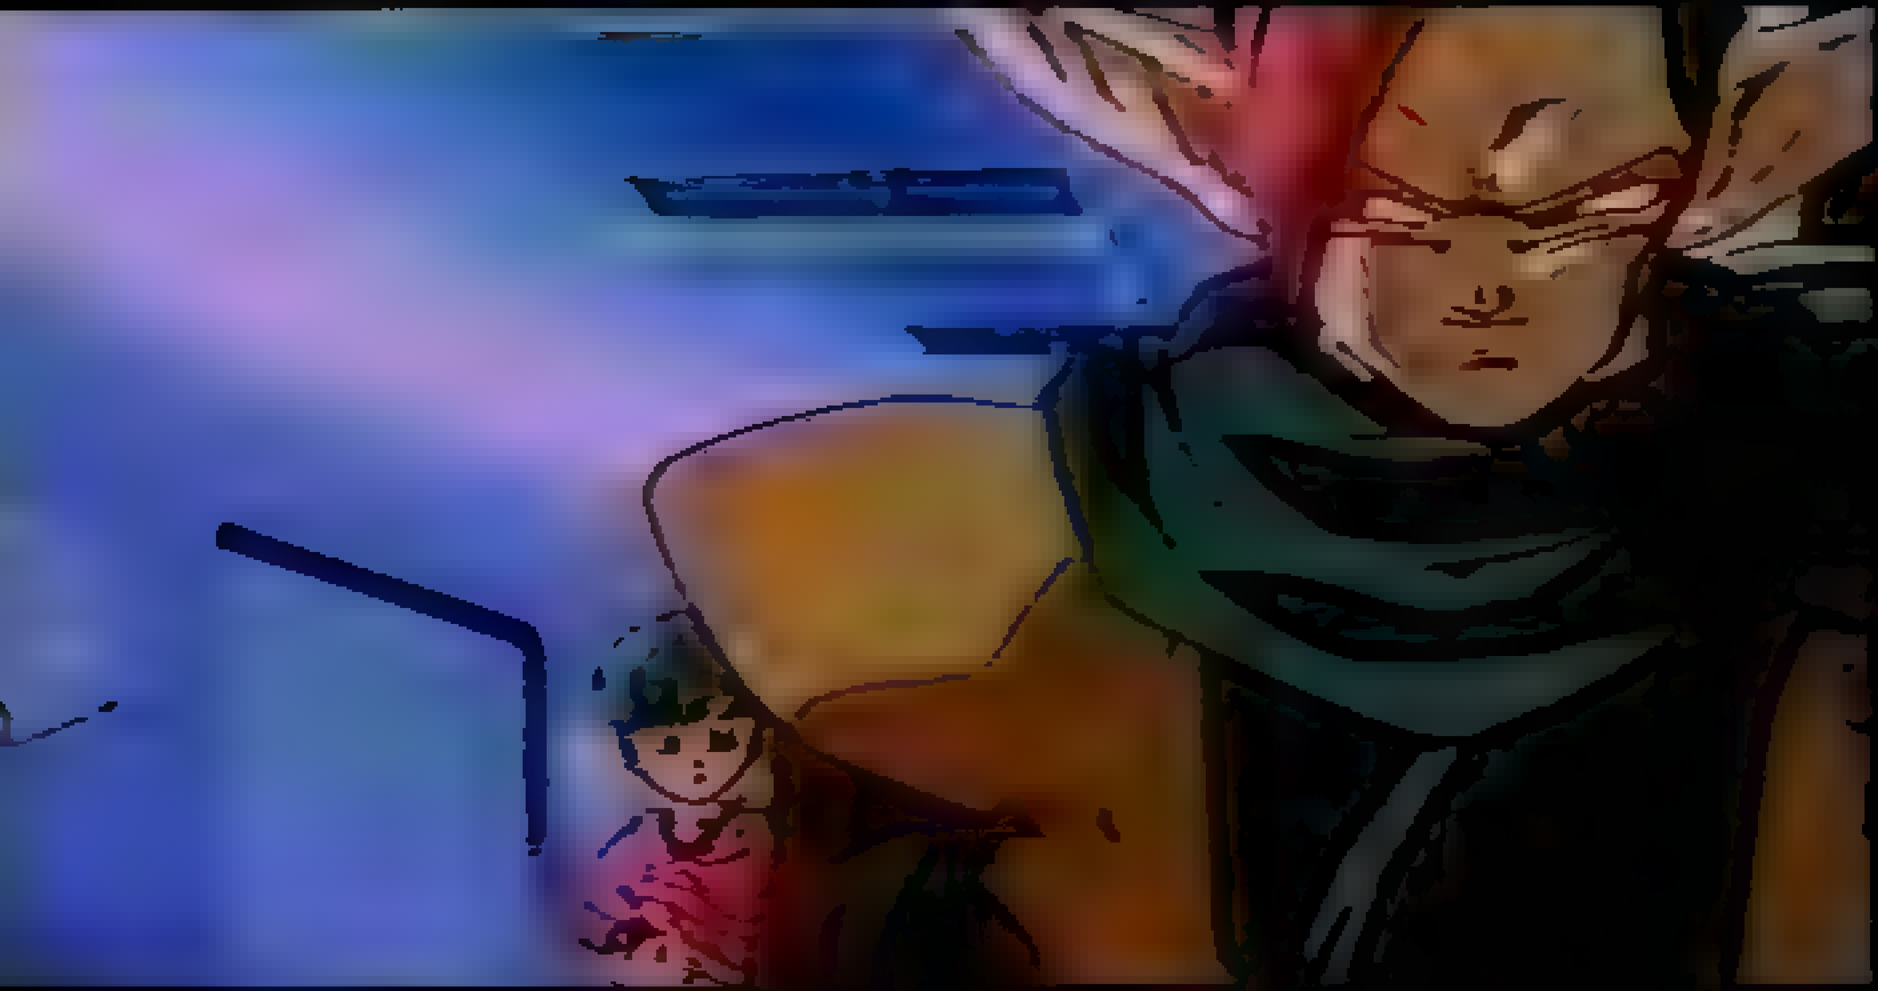

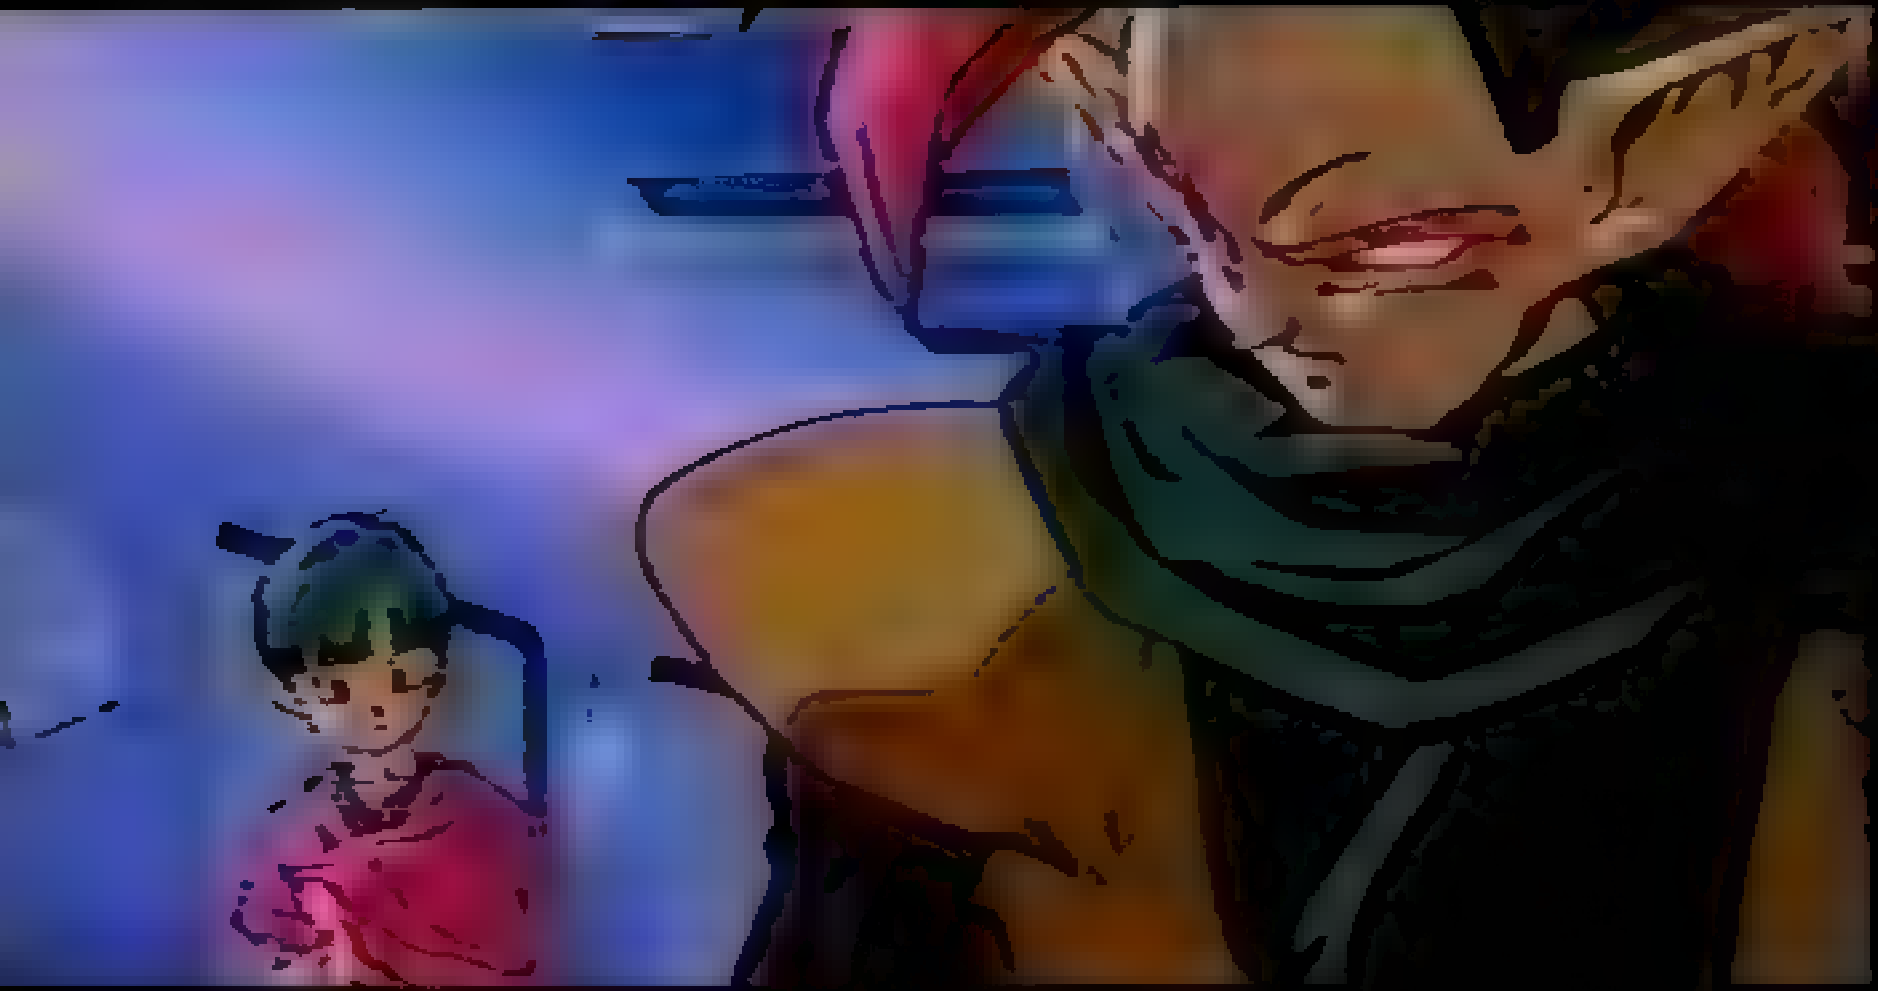

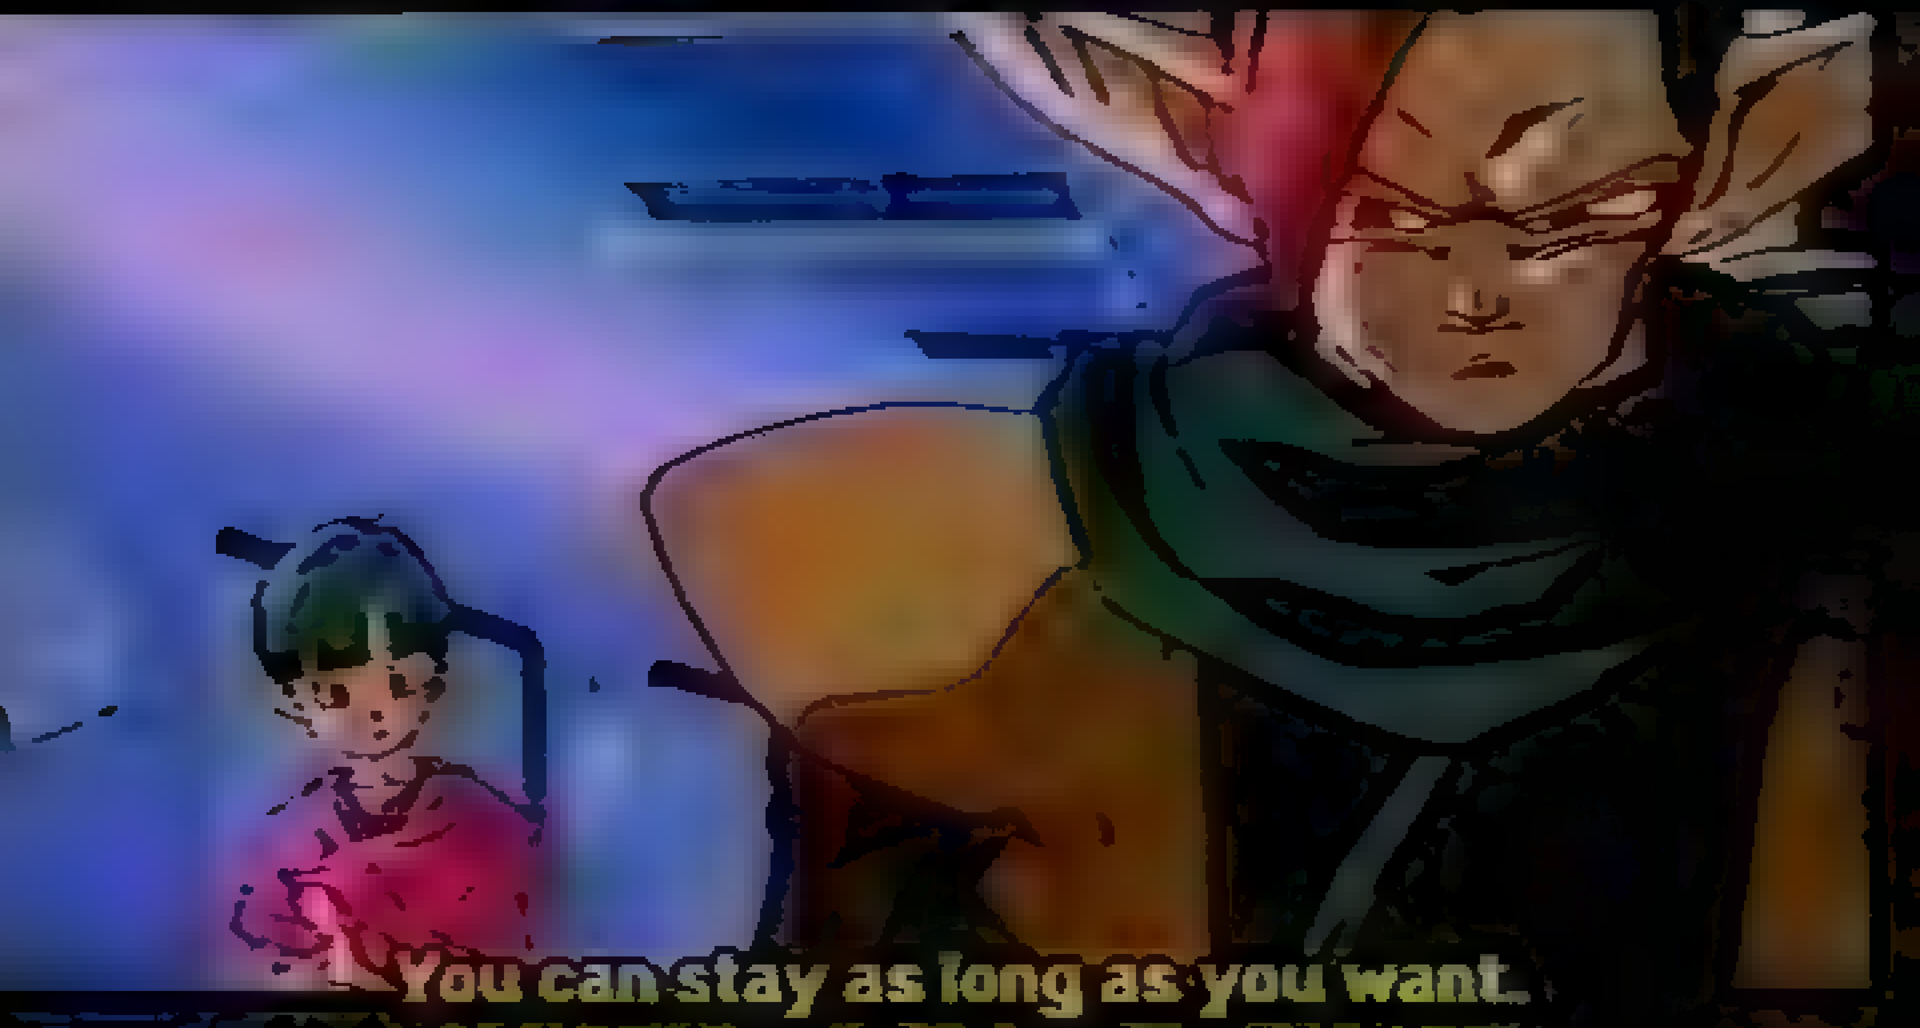

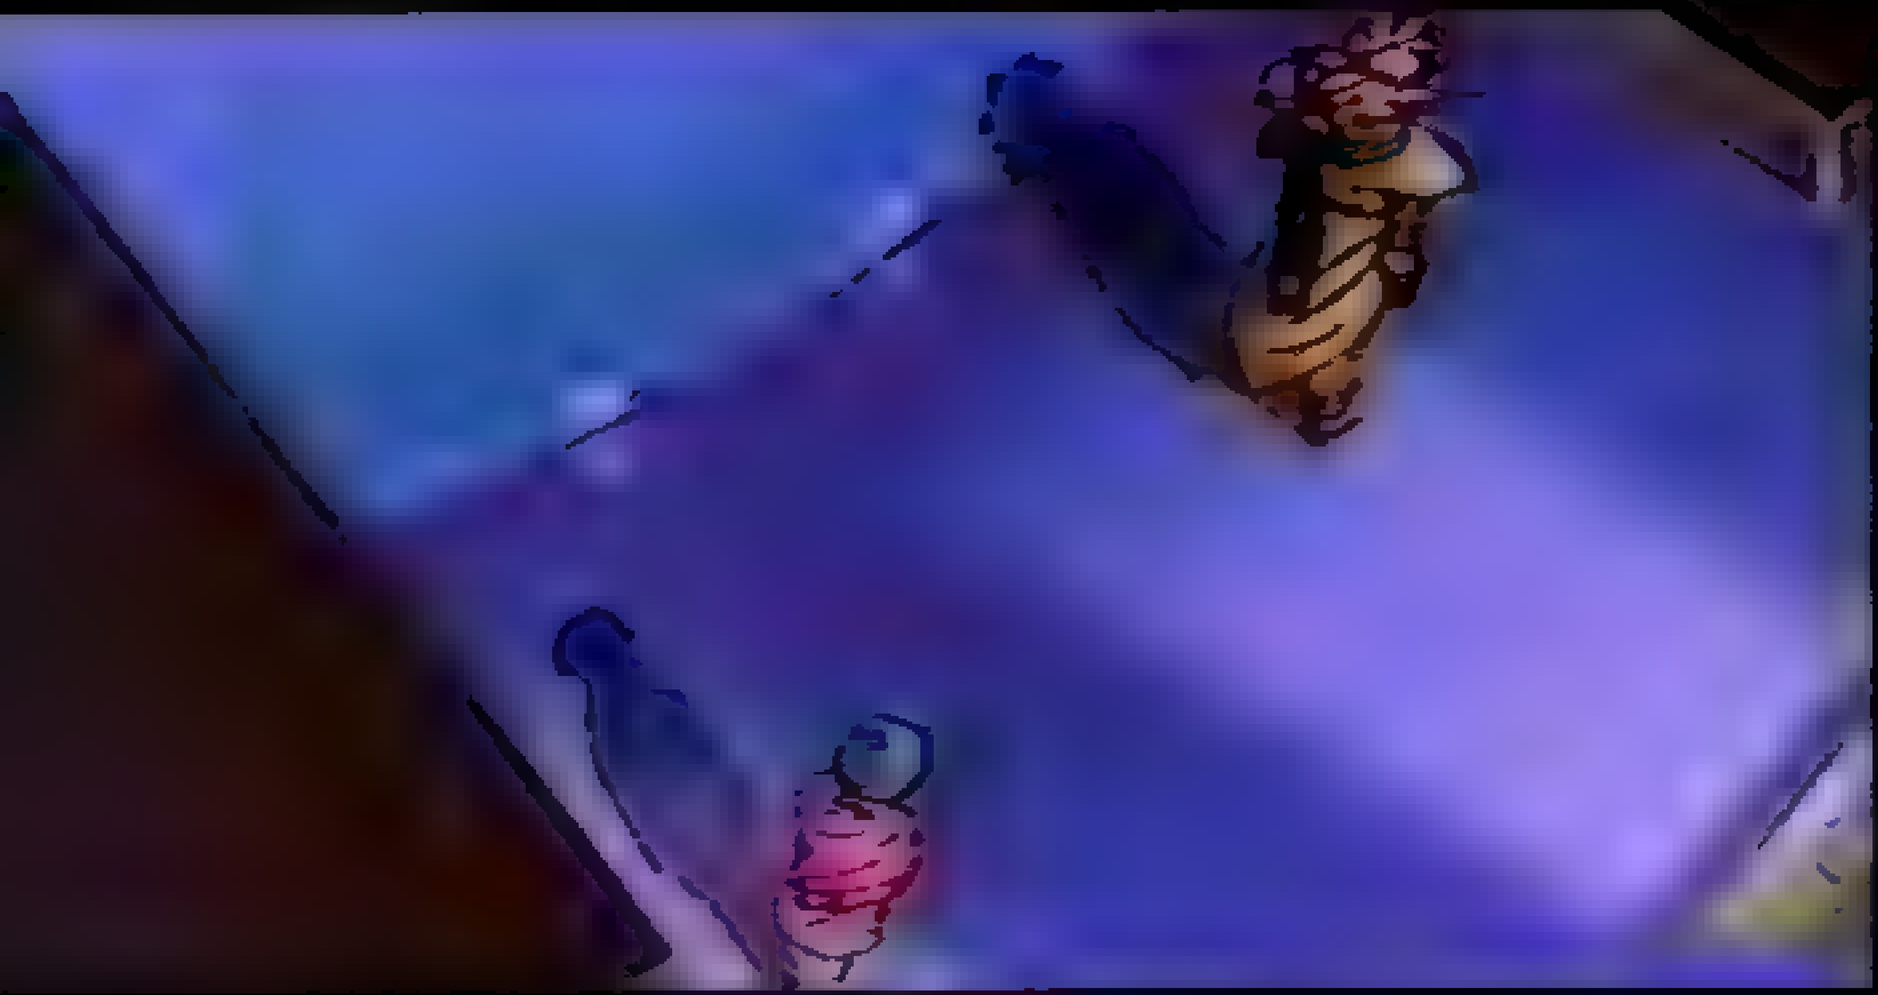

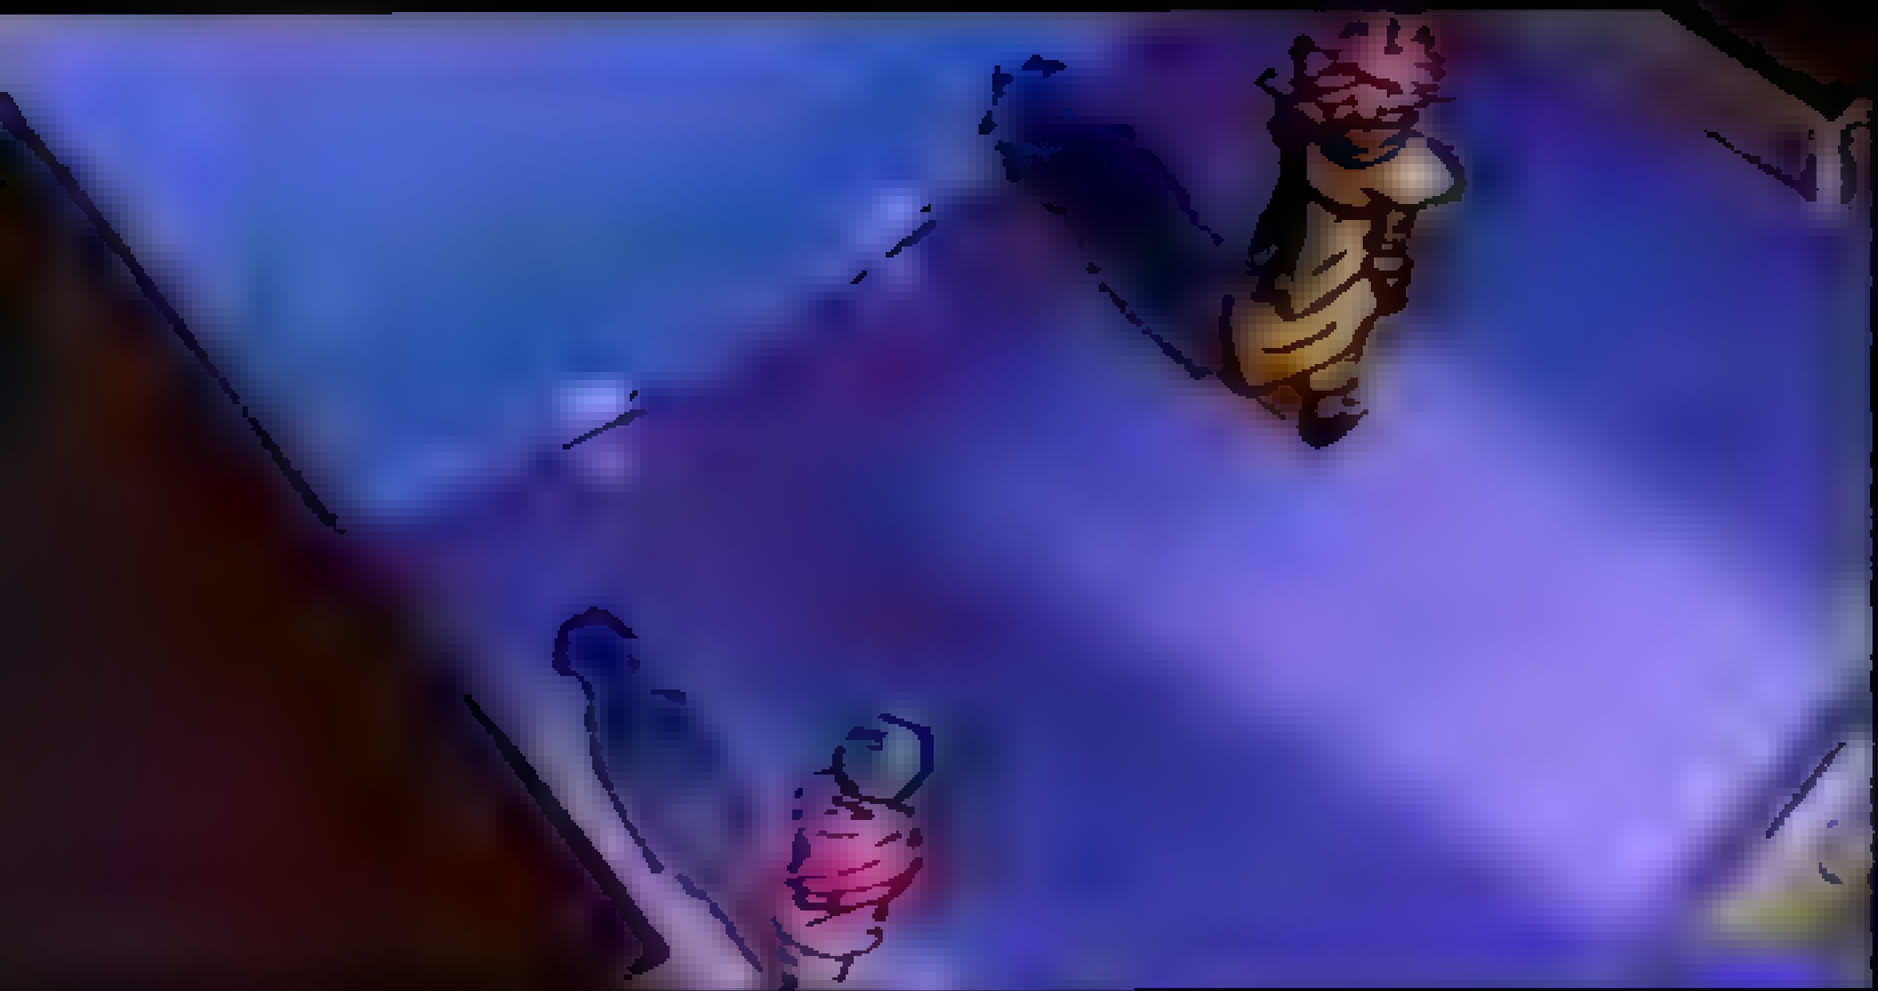

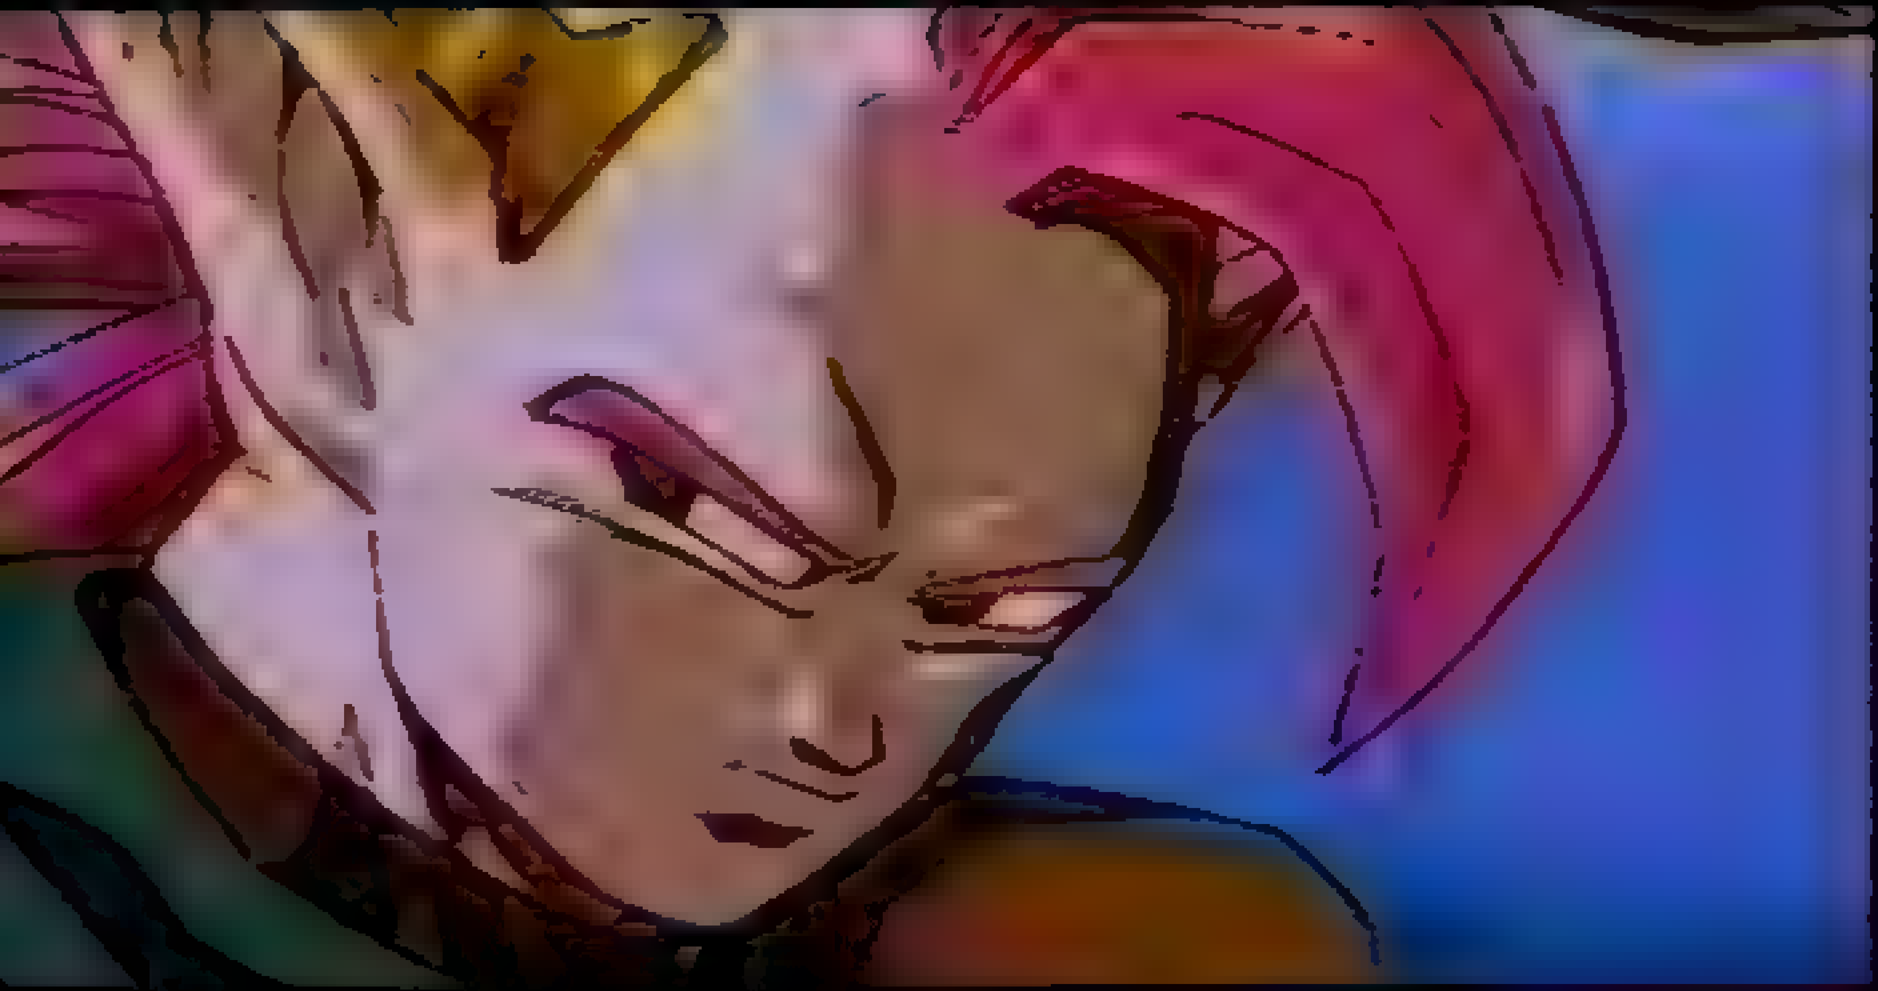

You can stay as long as you want.

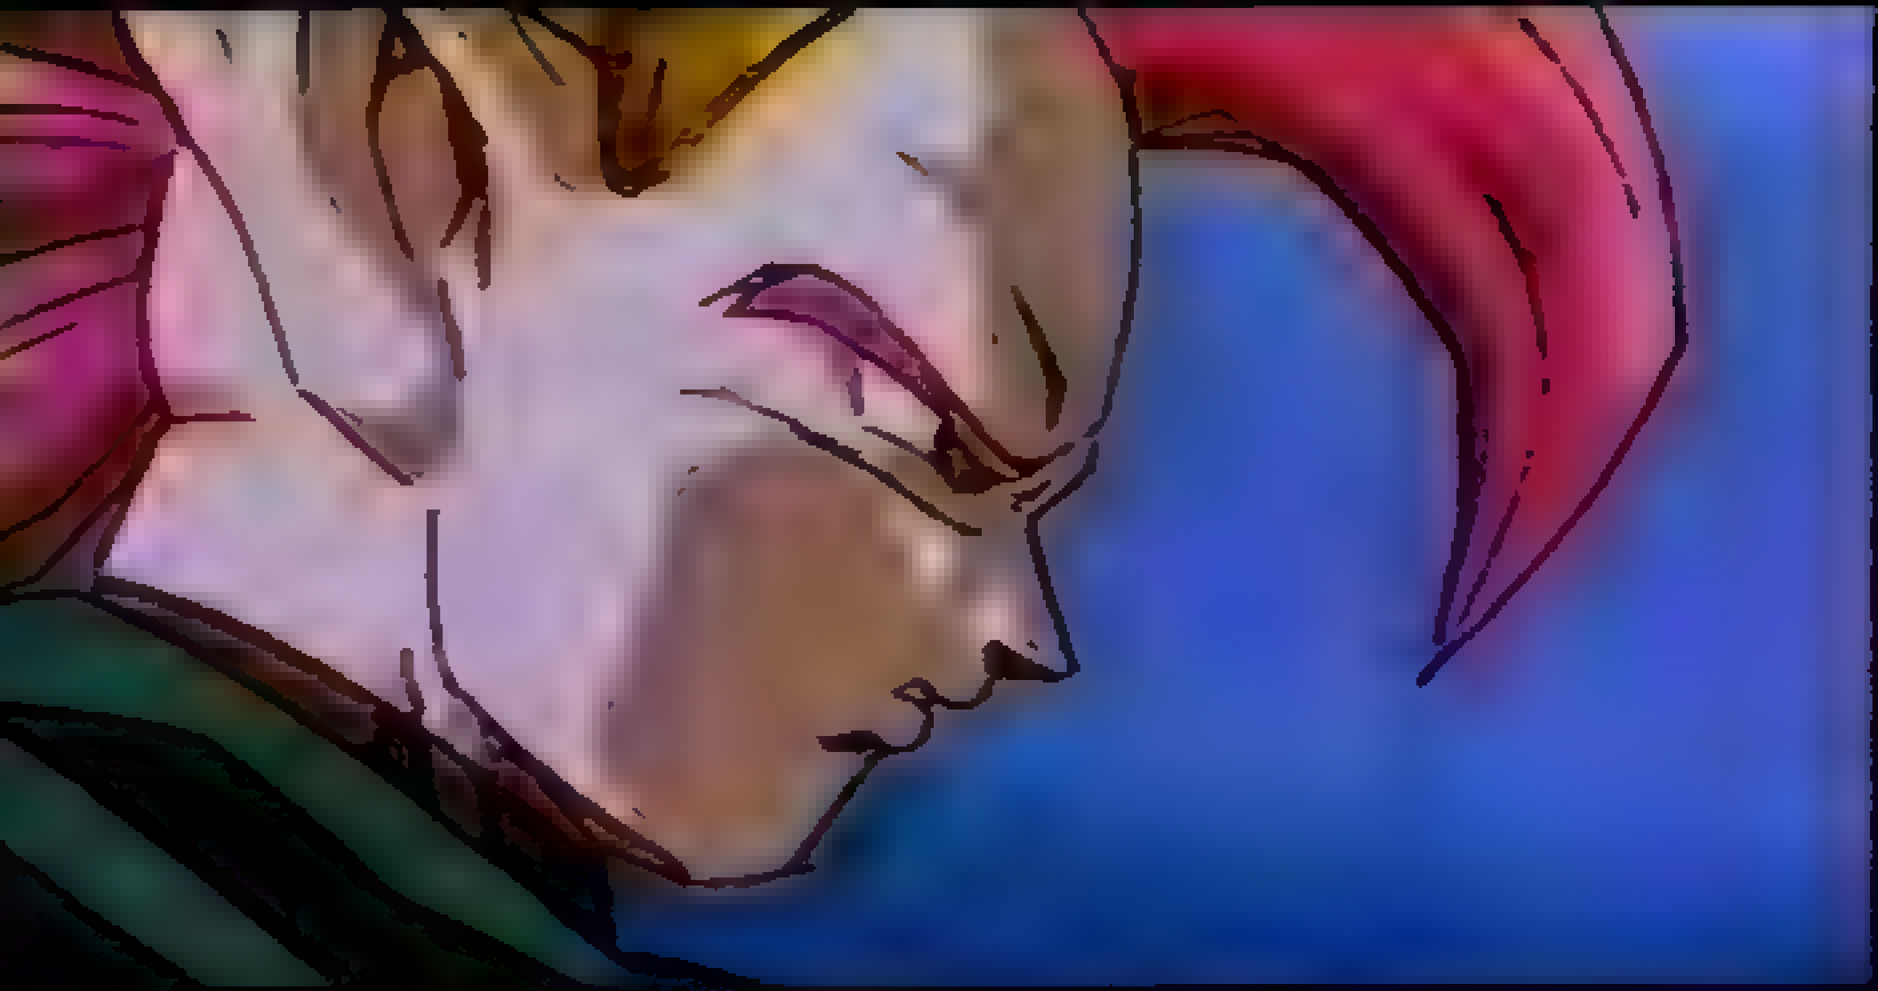

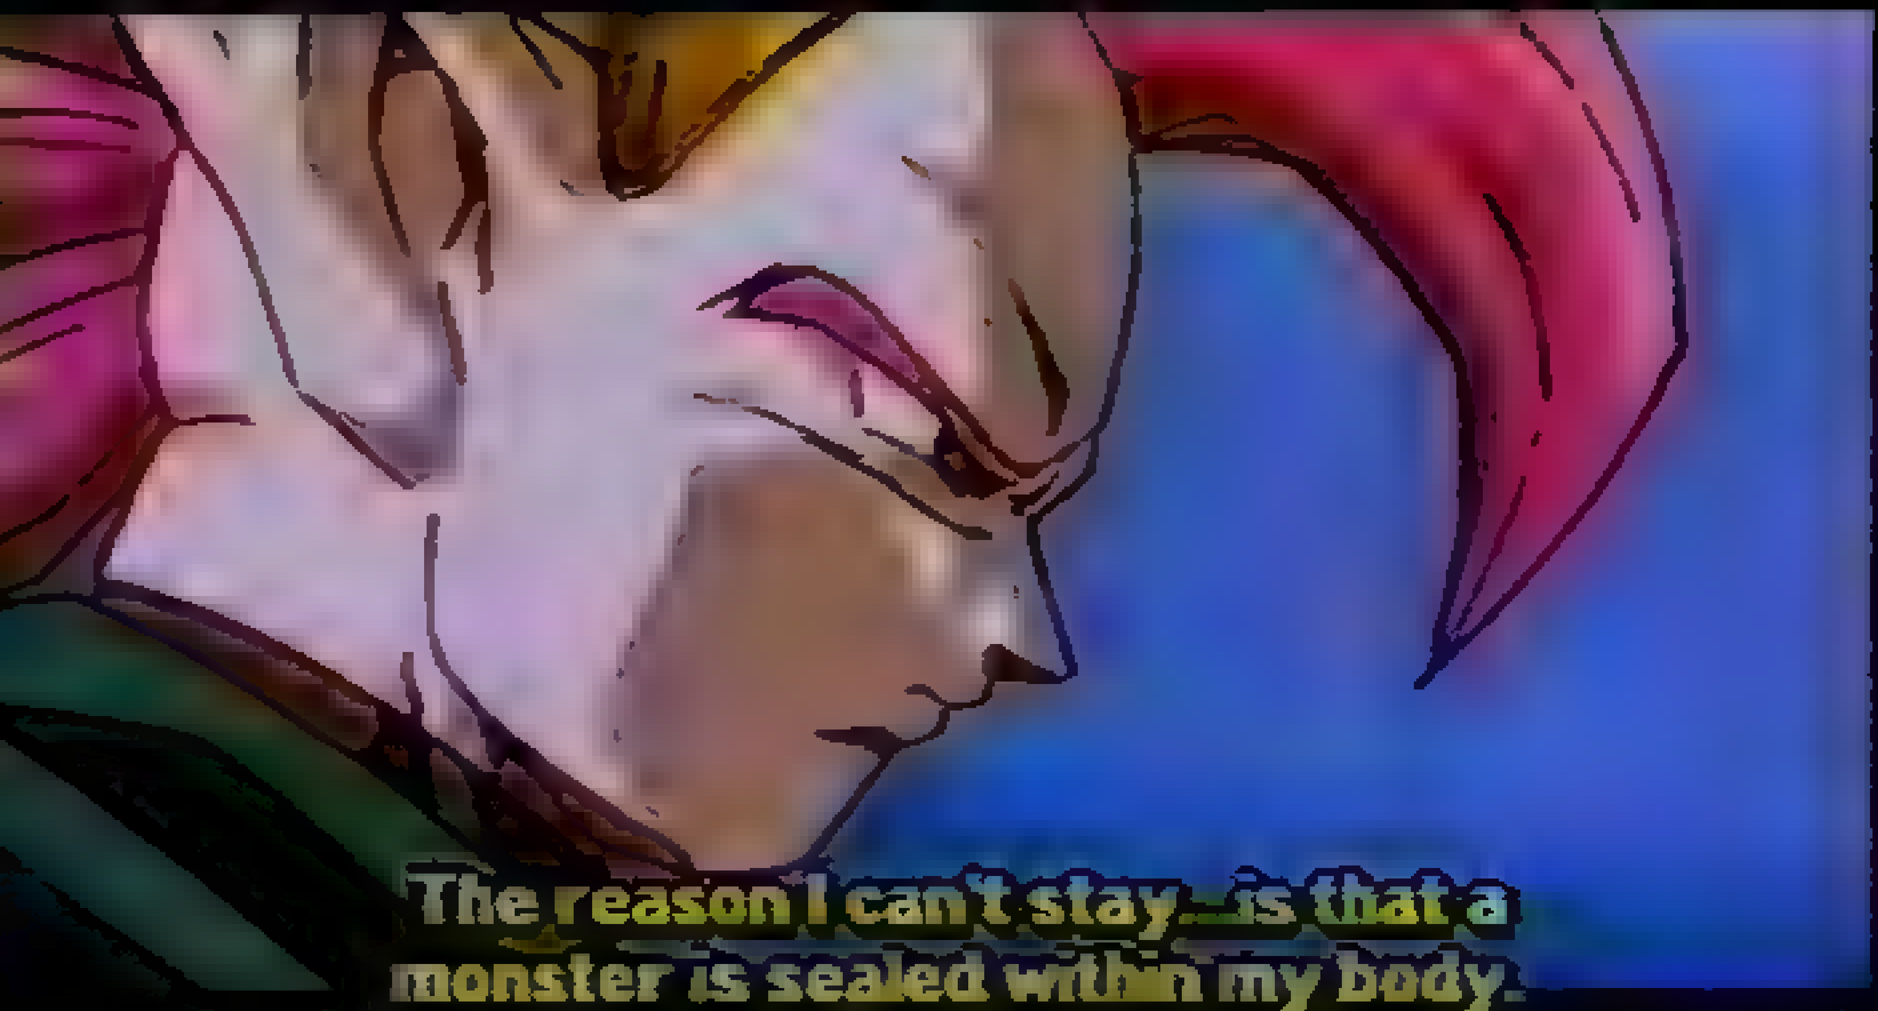

Trunks is so happy that you've
made this place your home.

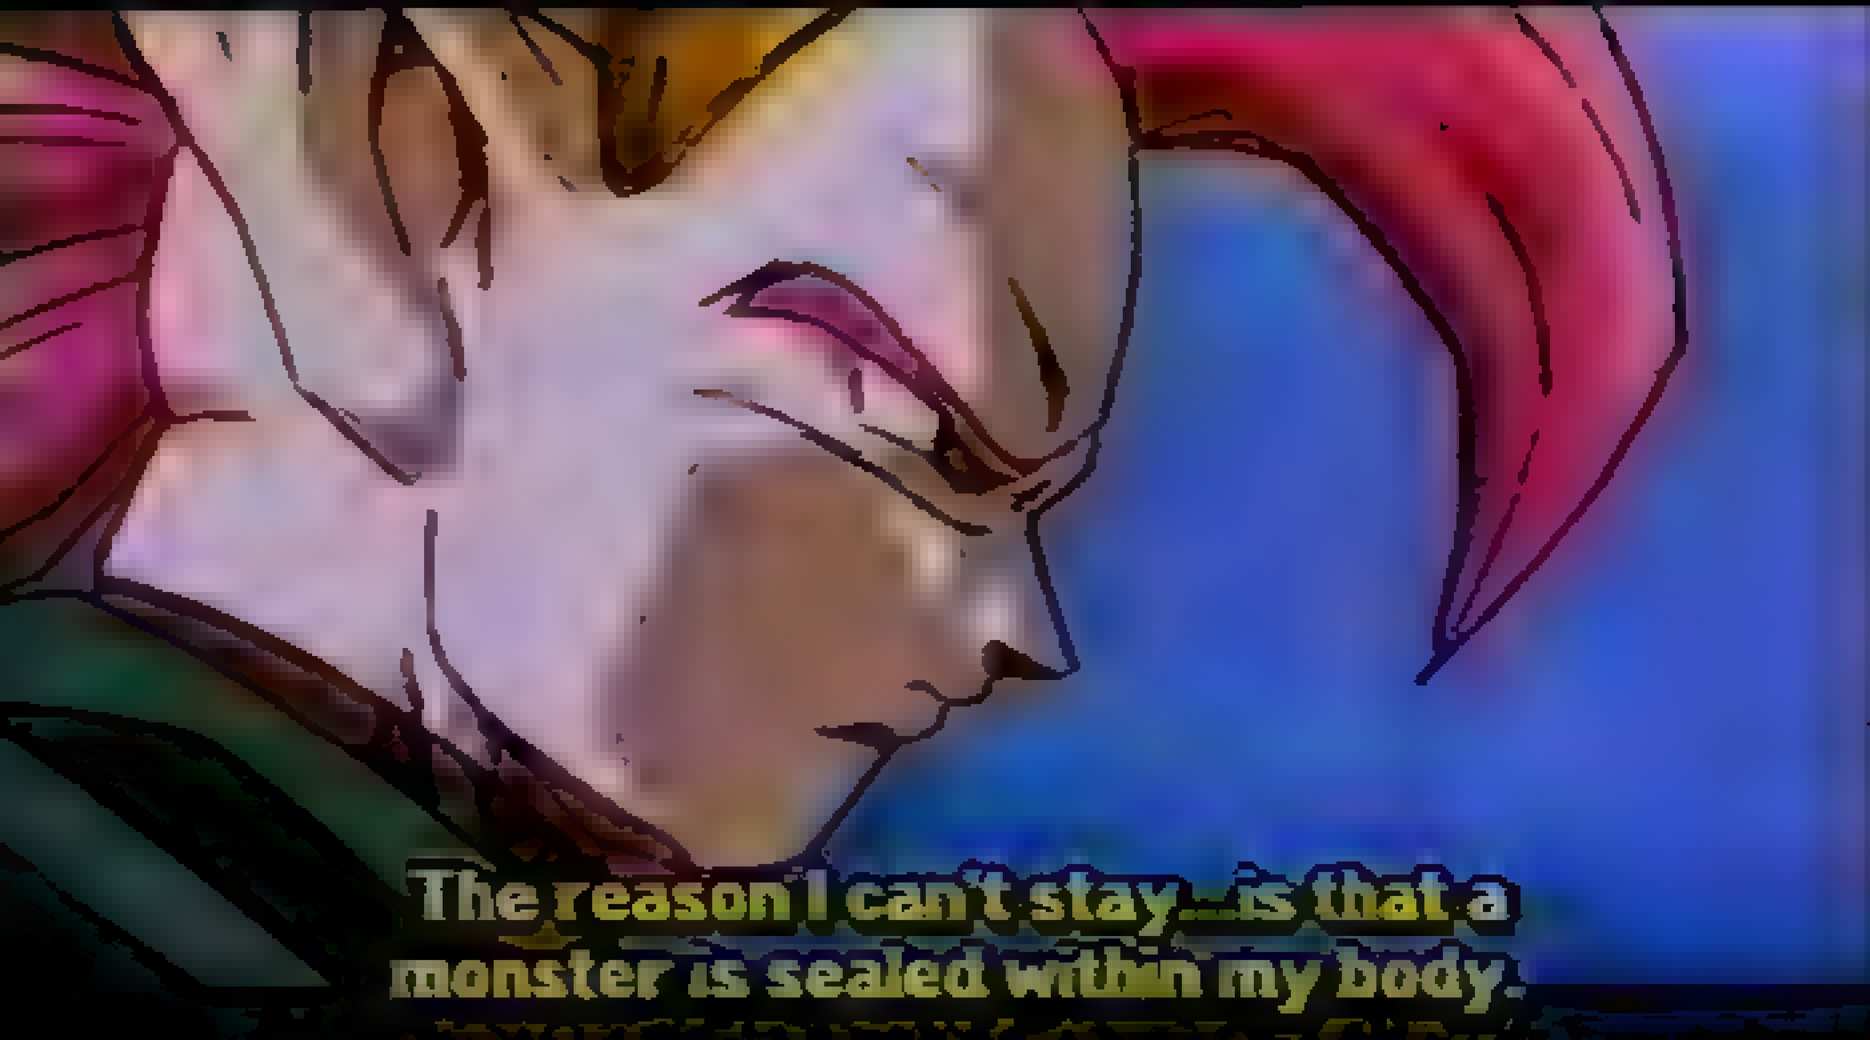

The reason I can't stay...is that a
monster is sealed within my body.

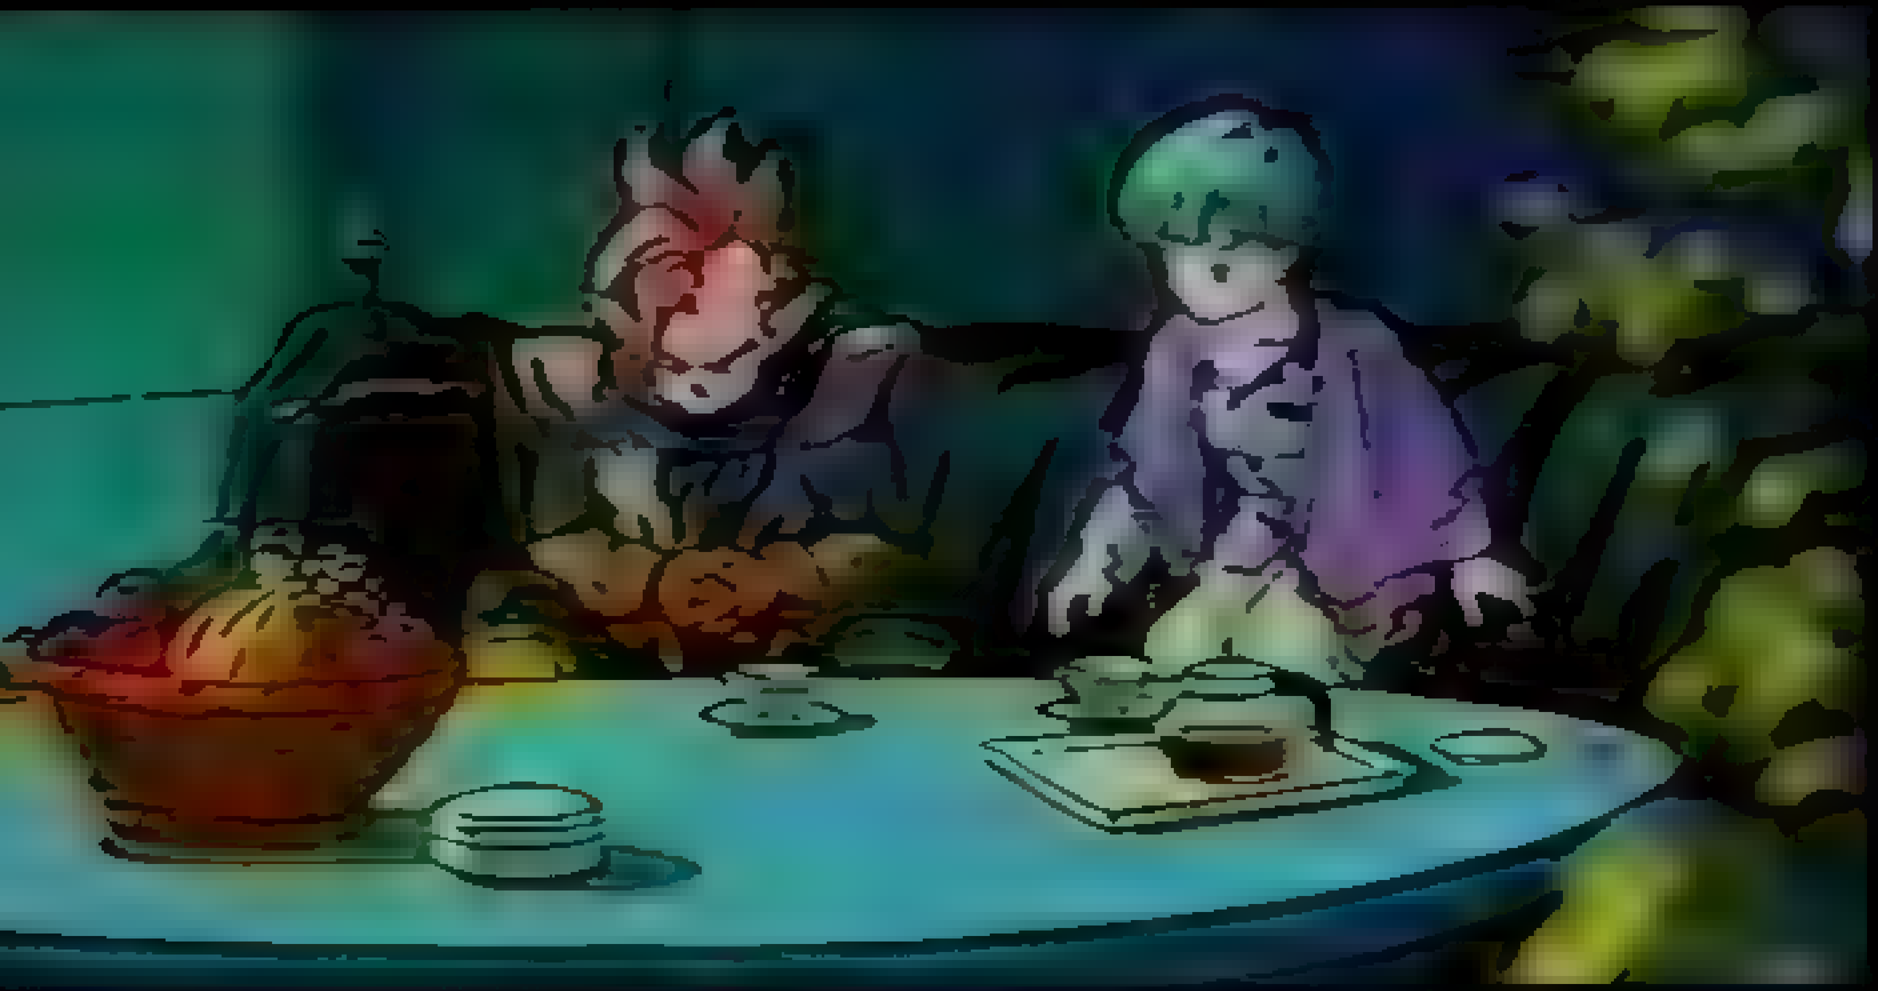

The reason I can't stay...is that a
monster is sealed within my body.

The monster? What are you talking about?

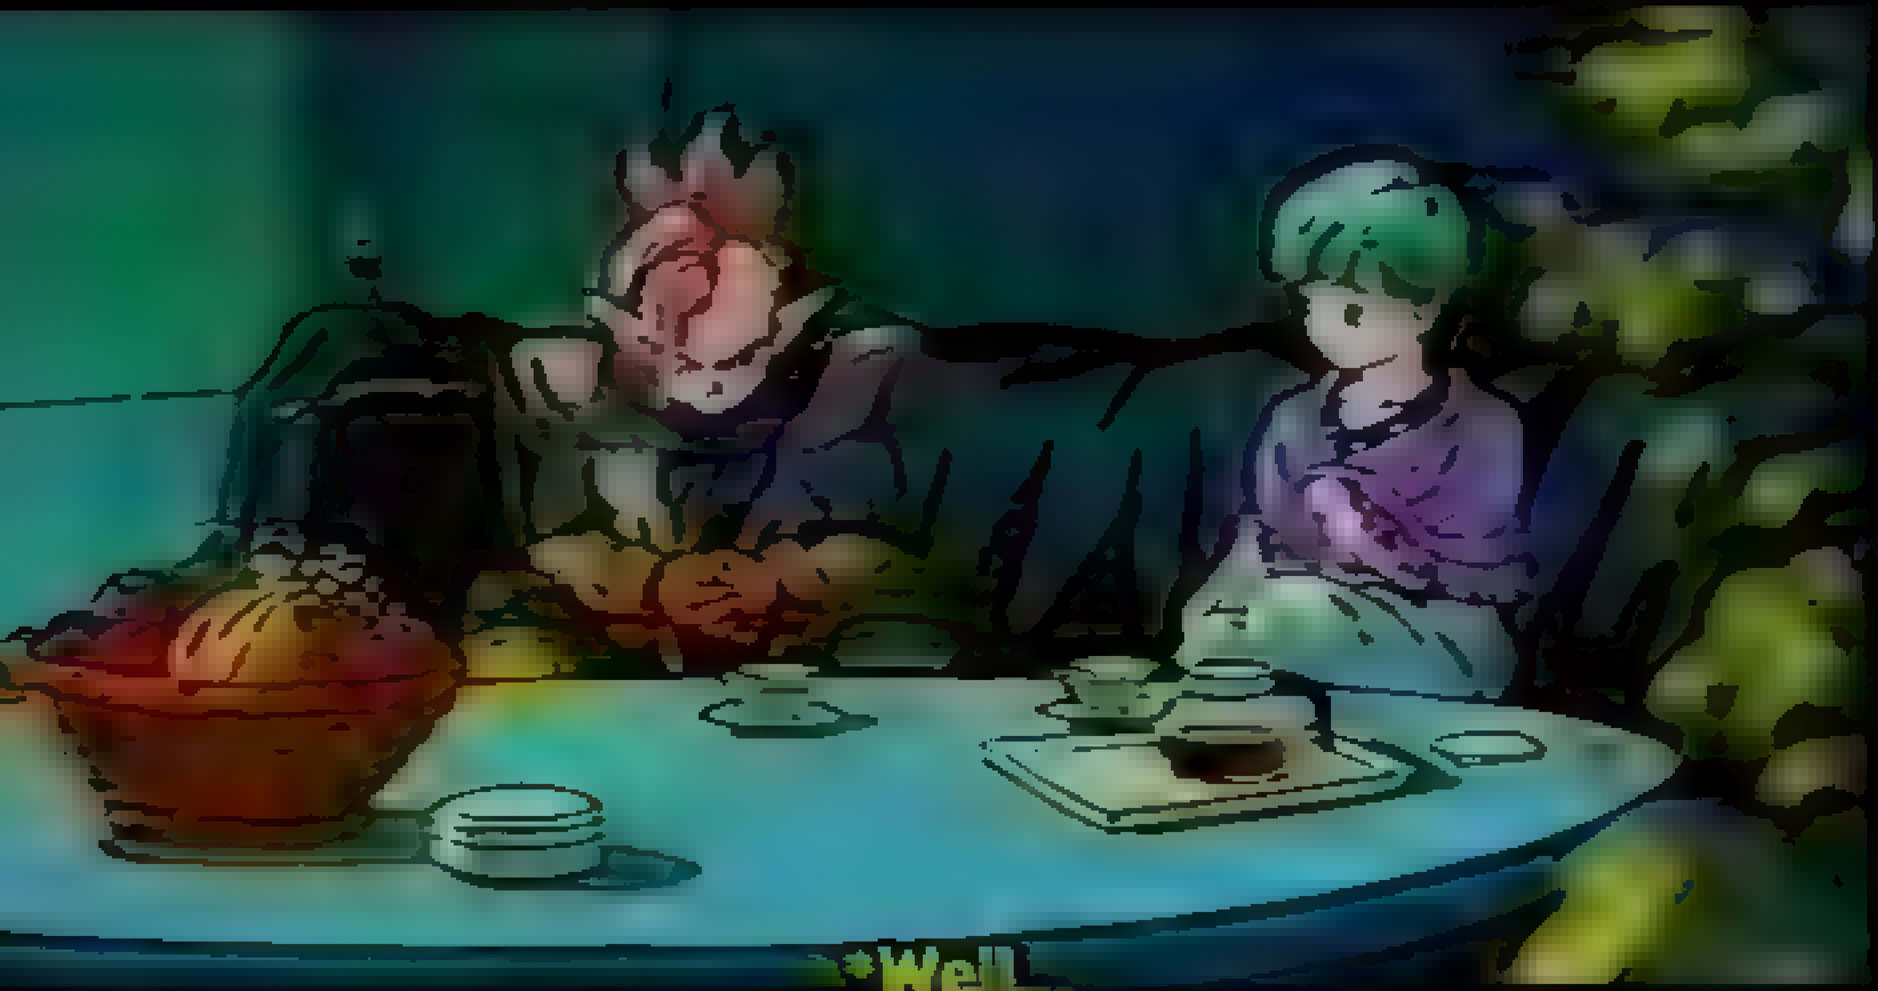

The monster? What are you talking about?

The monster? What are you talking about?

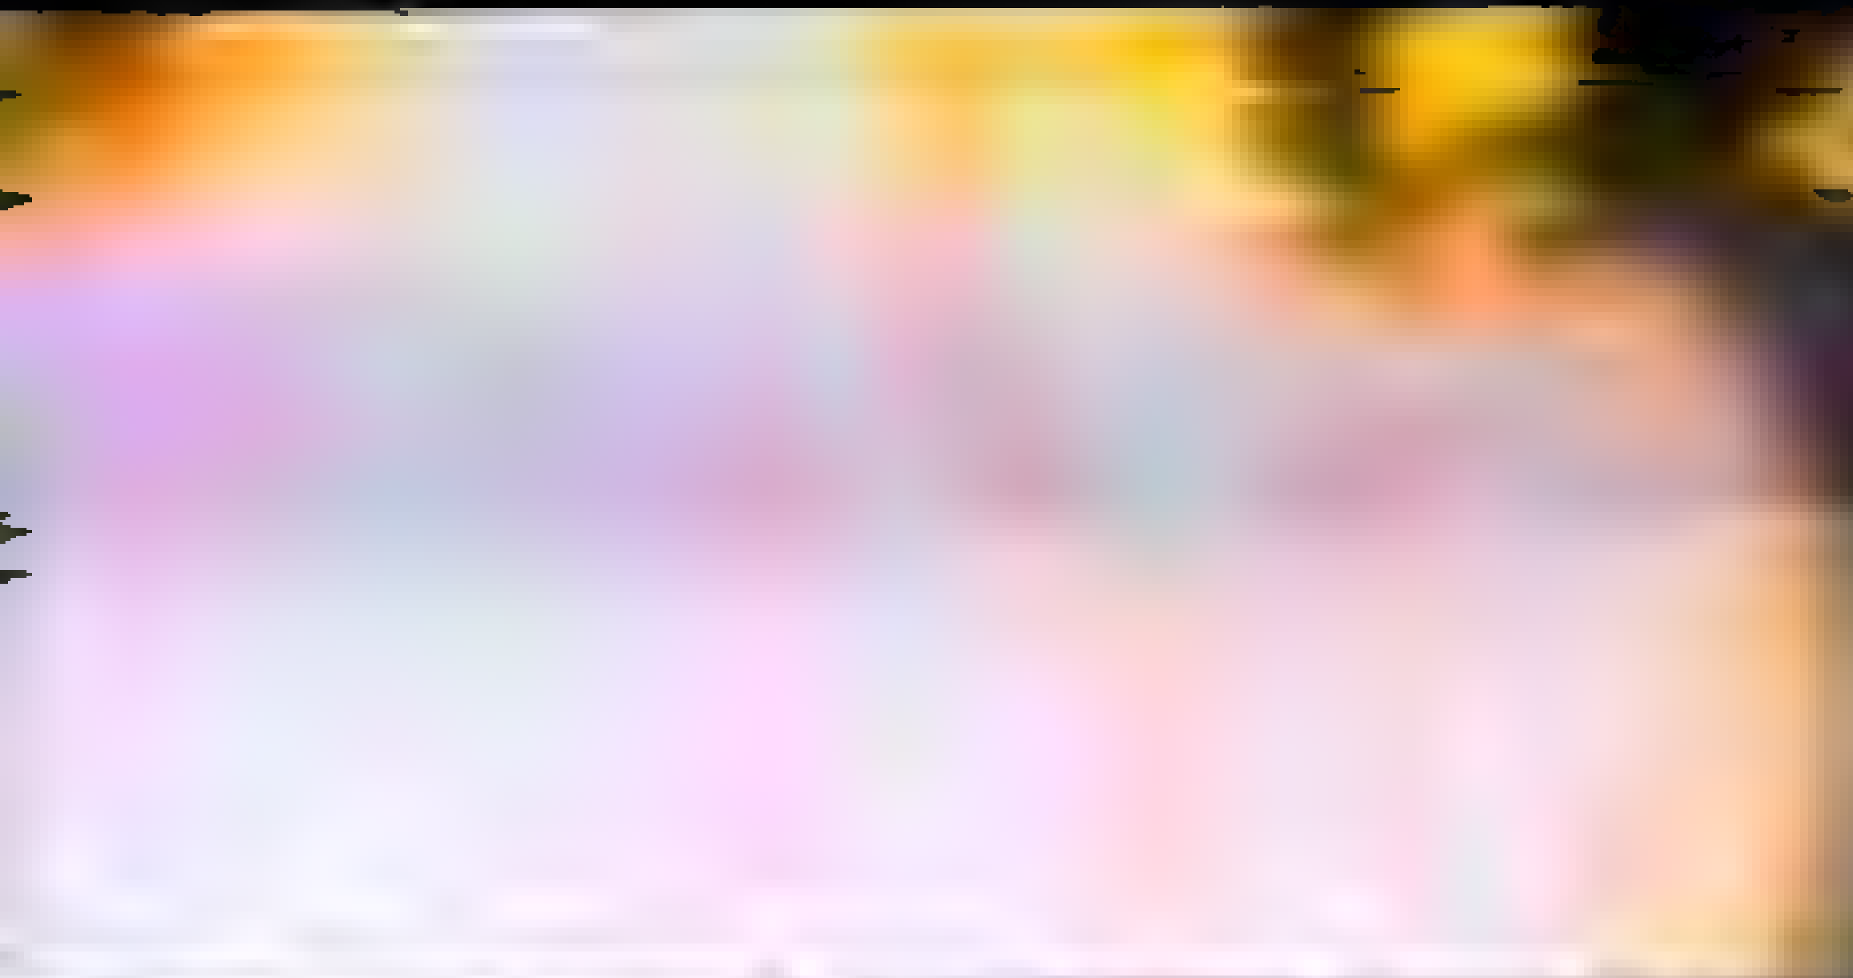

Tell me! What monster are you talking about?

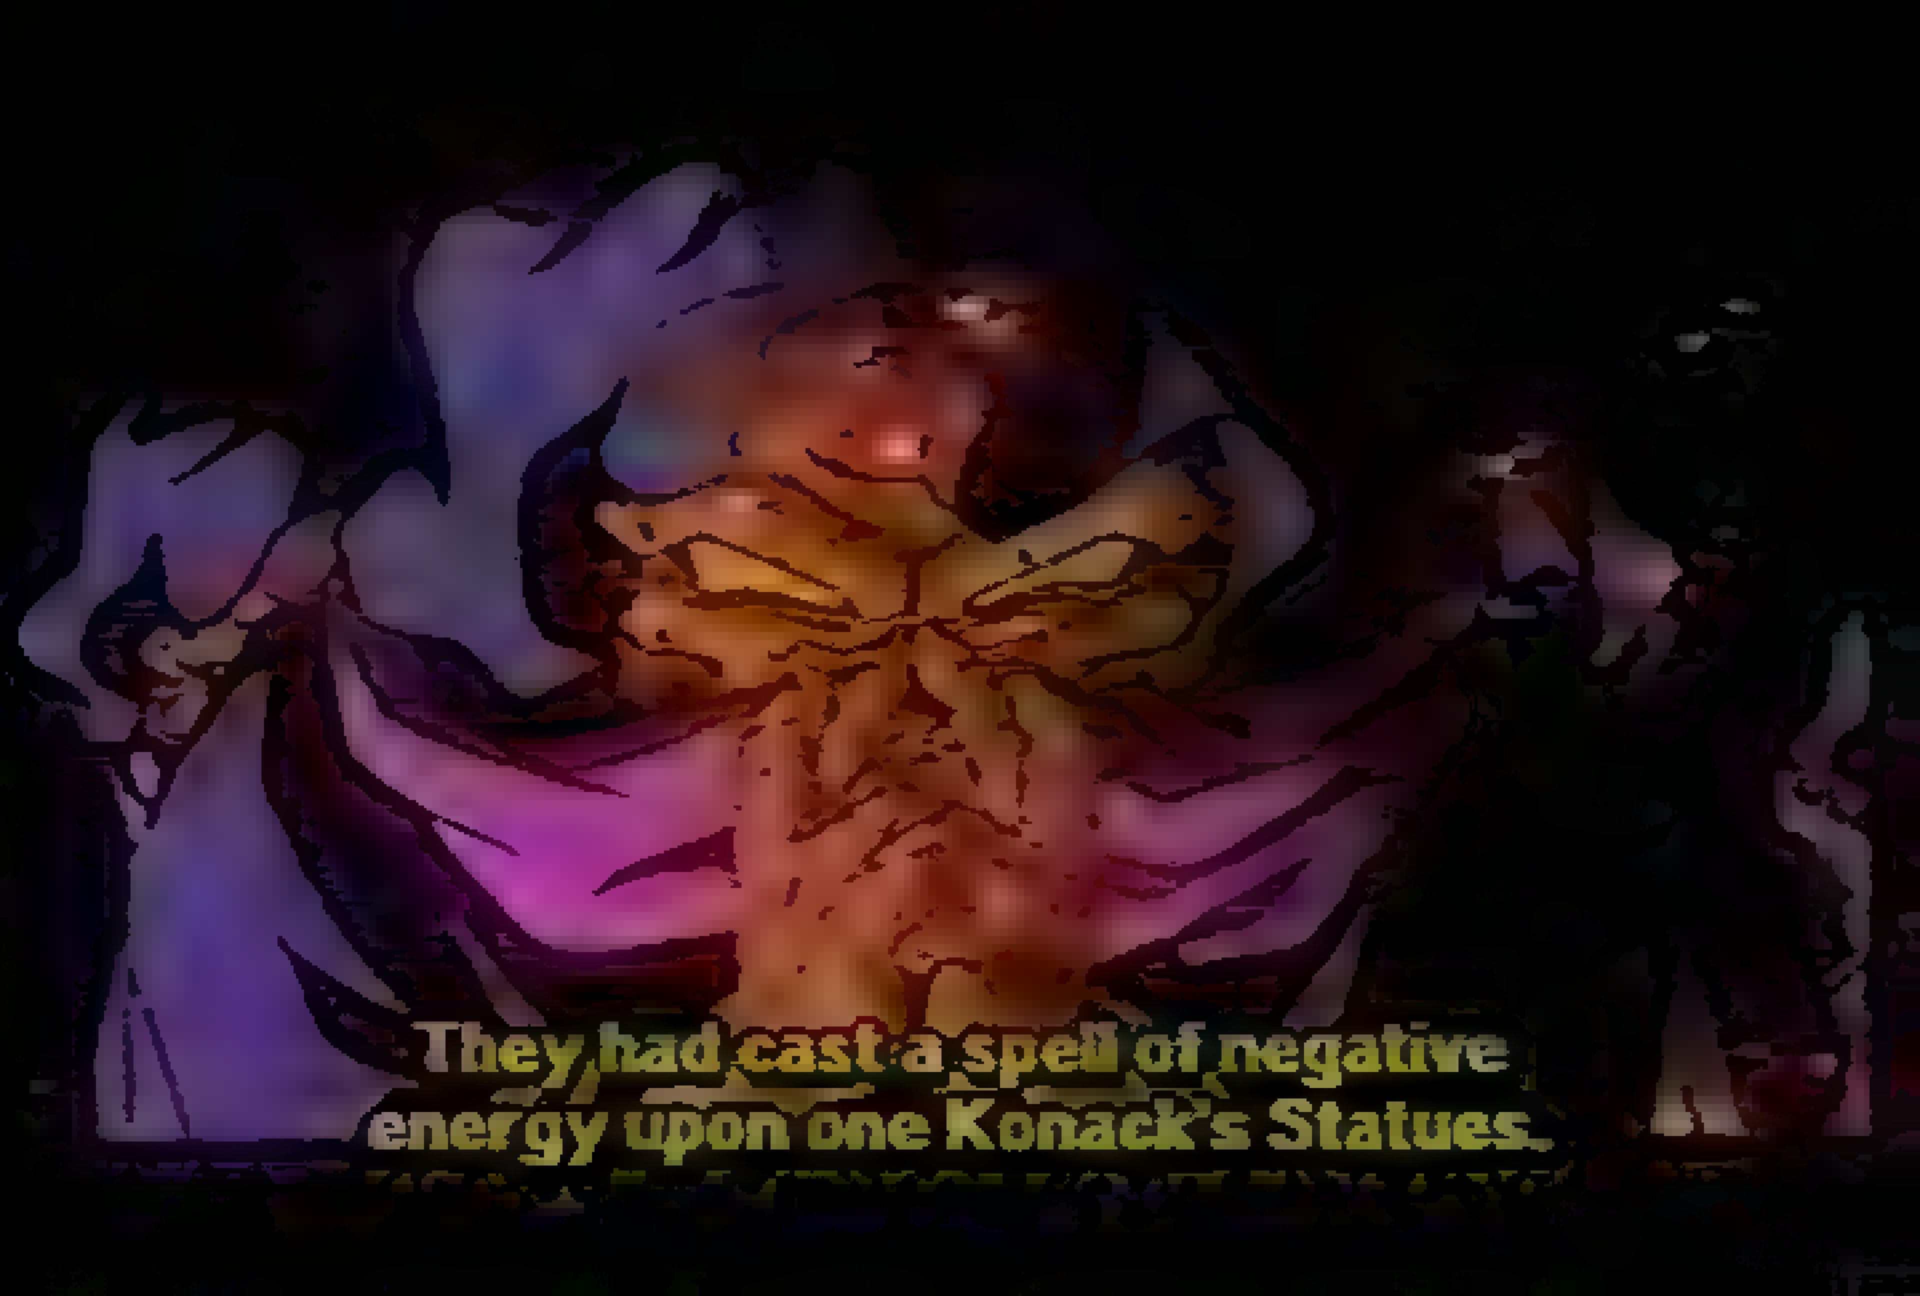

Well...

The Black Magicians from a far off galaxy.

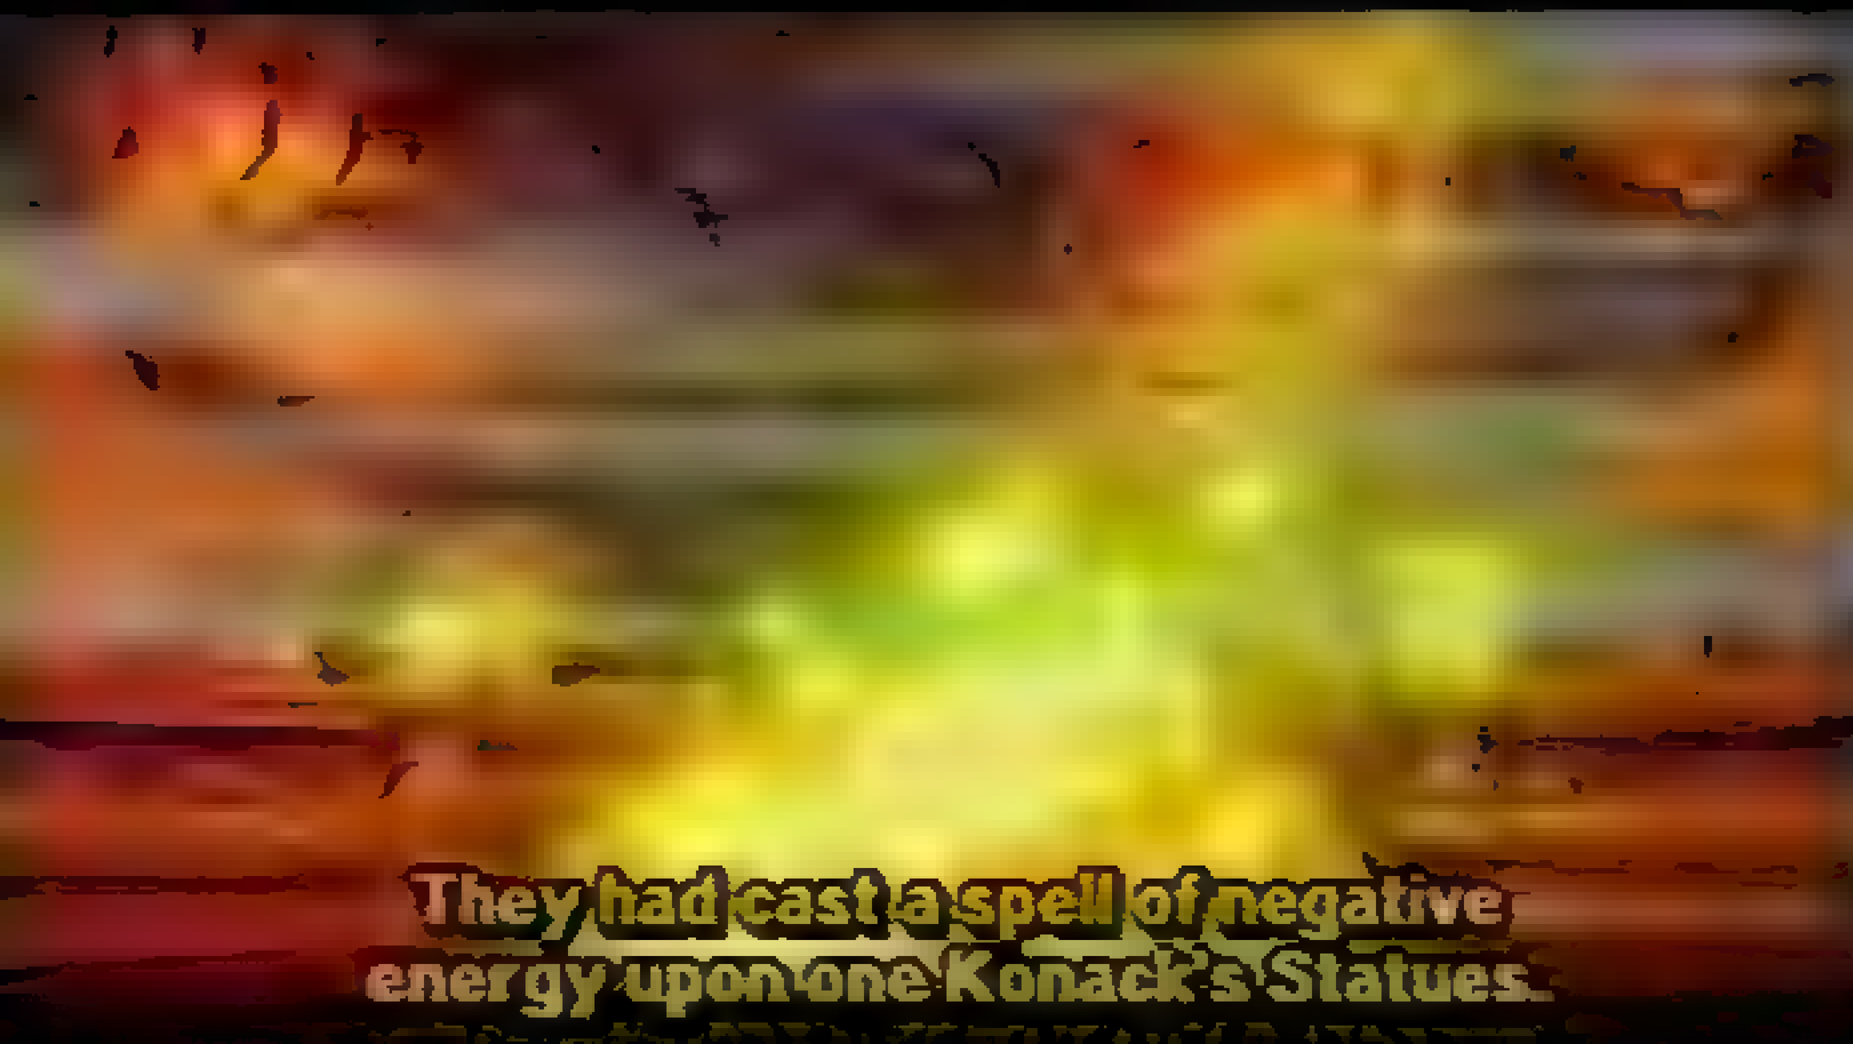

The Black Magicians from a far off galaxy,

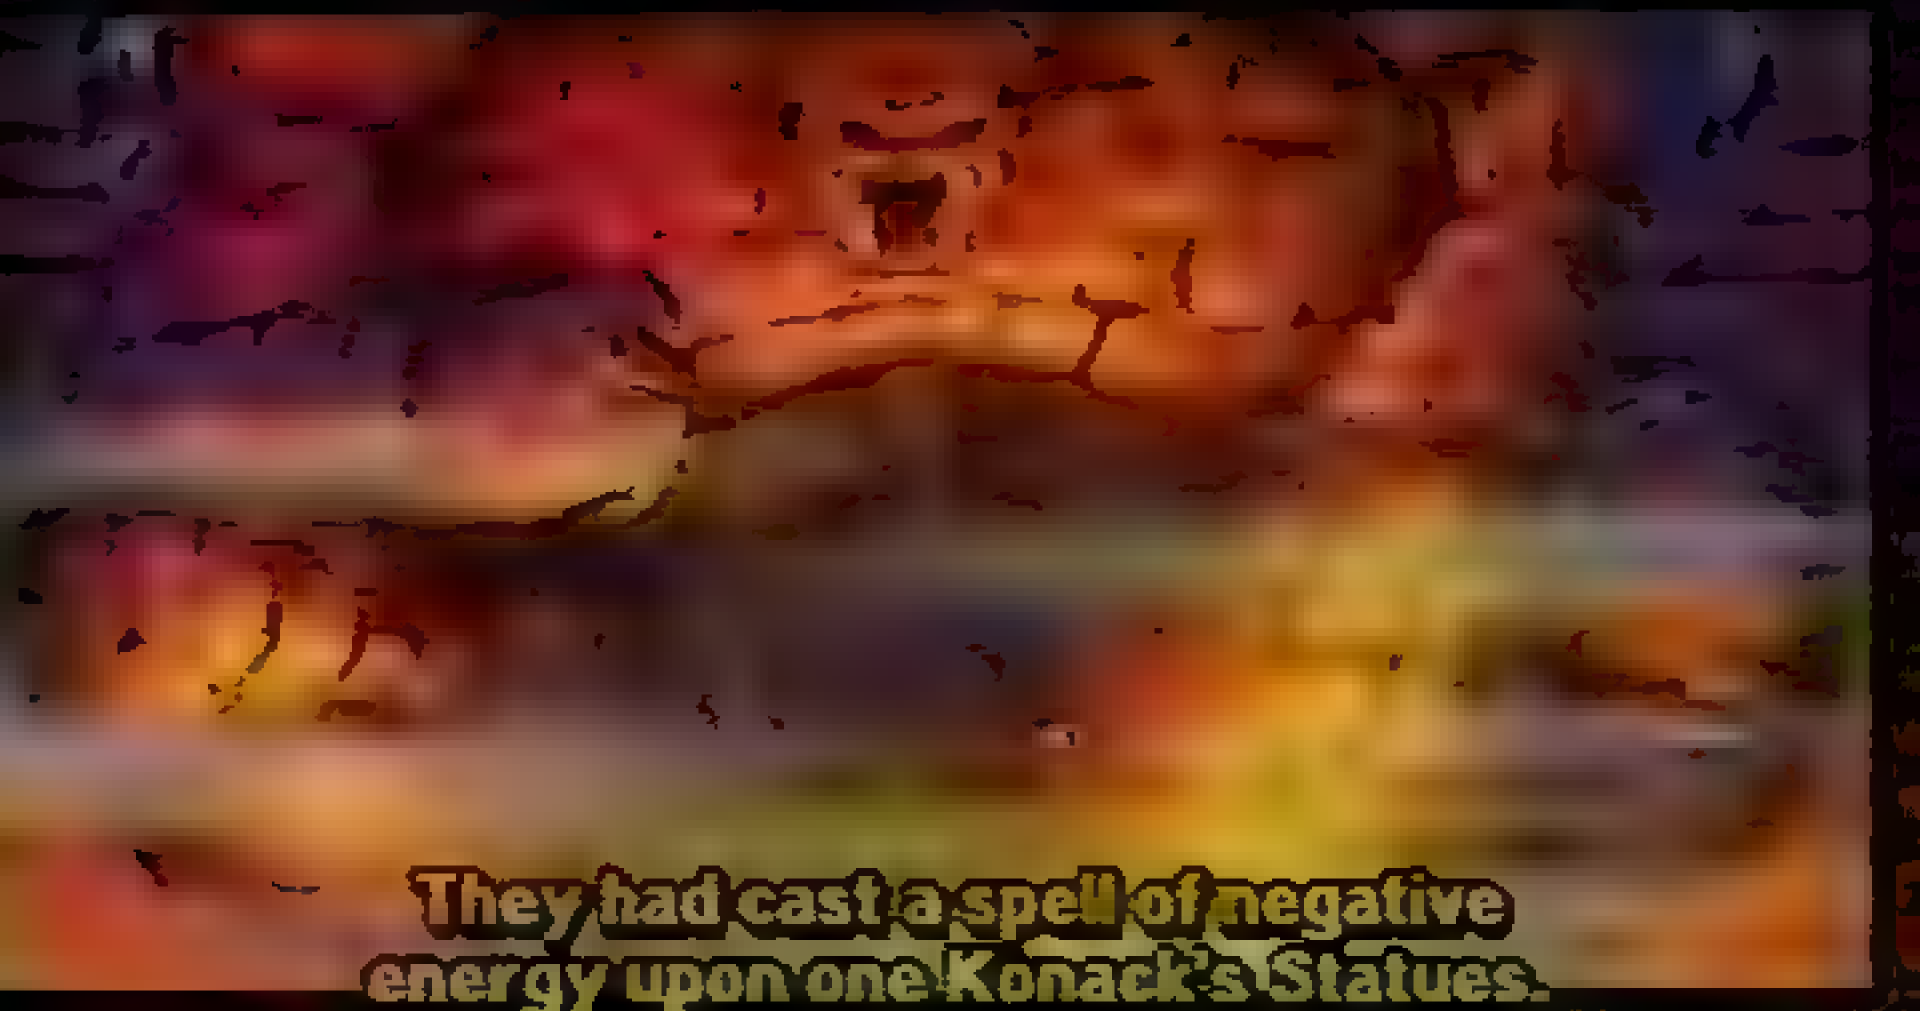

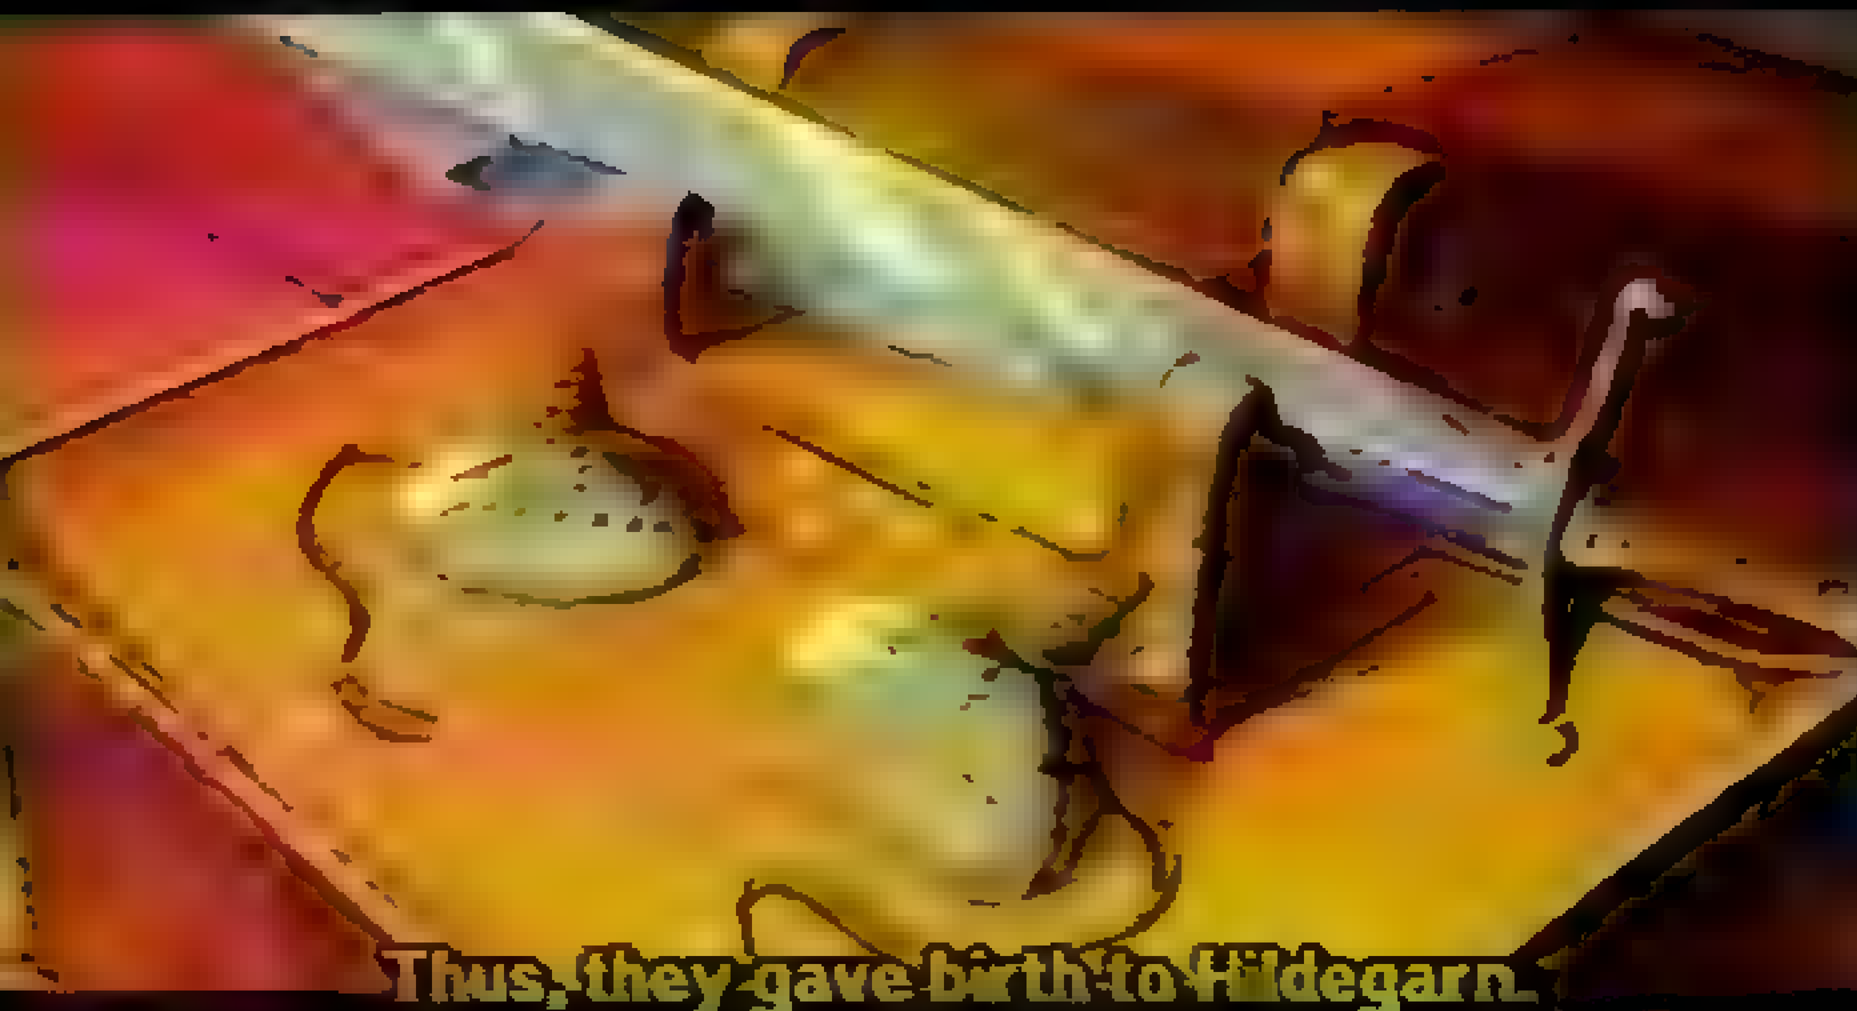

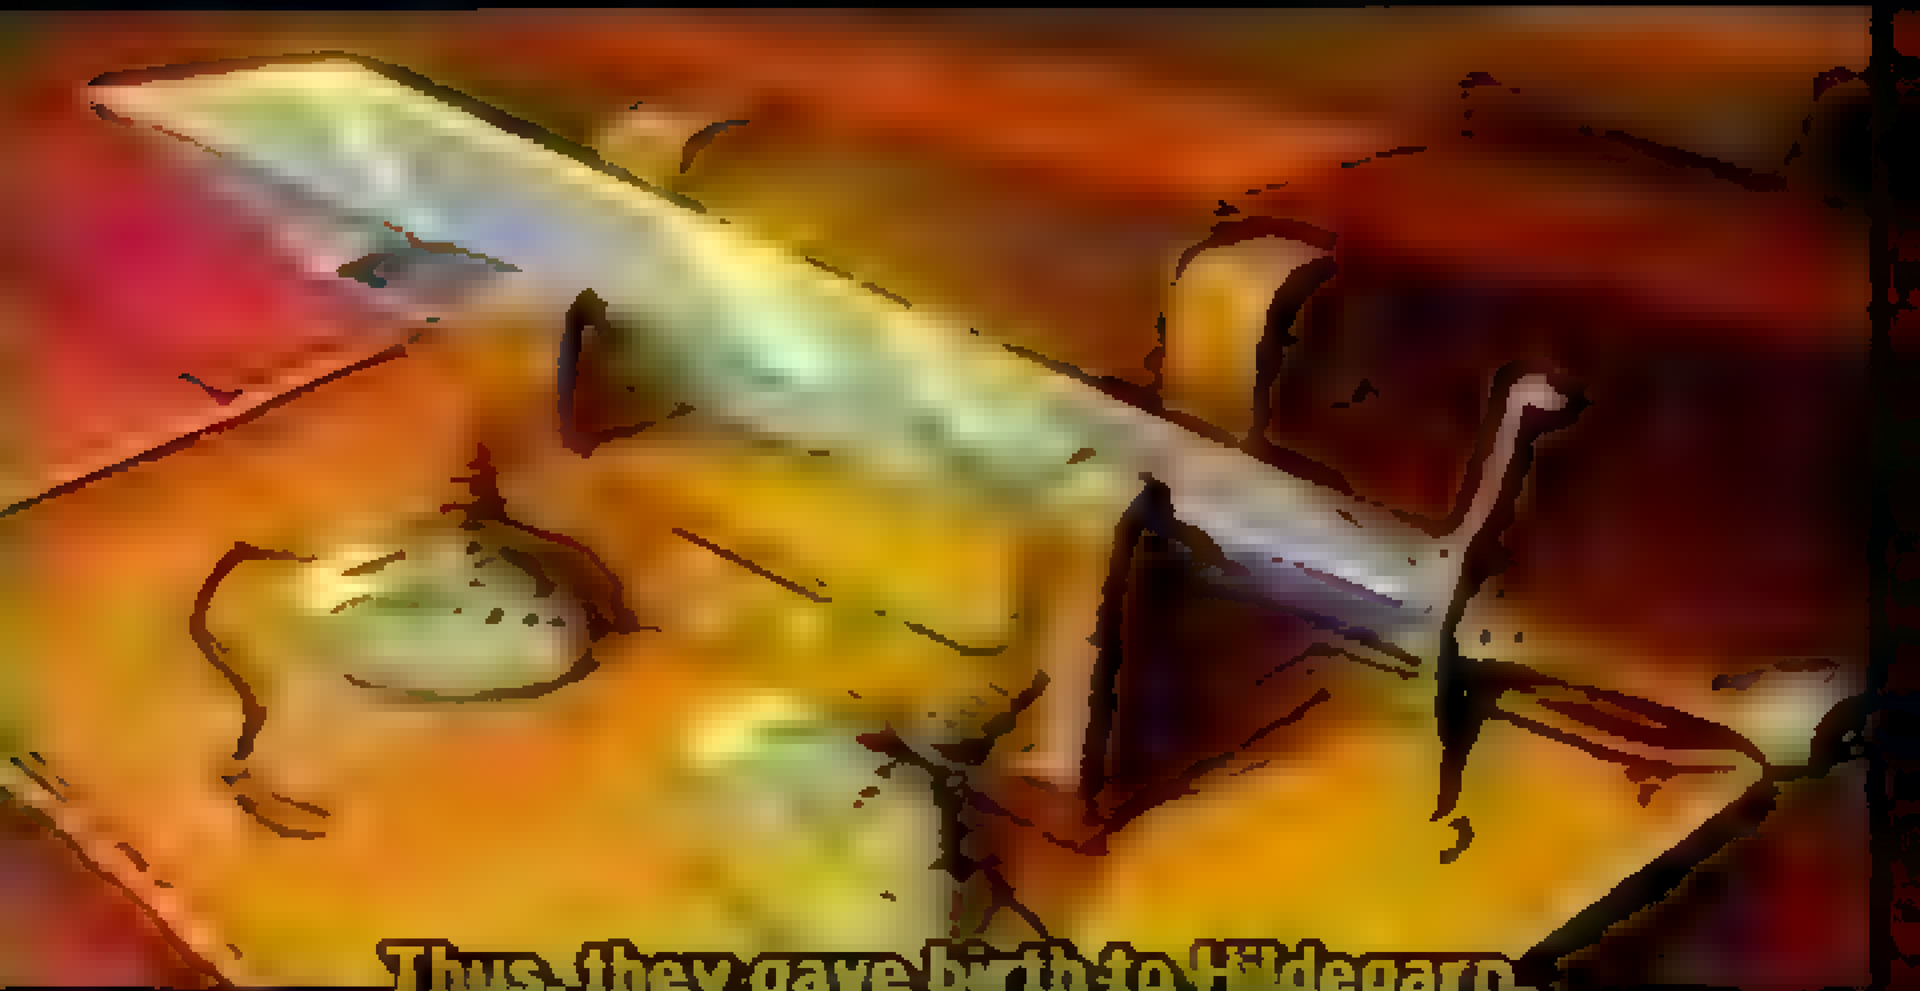

They had cast a spell of negative
energy upon one Konack's Statues.

They had cast a spell of negative
energy upon one Konack's Statues.

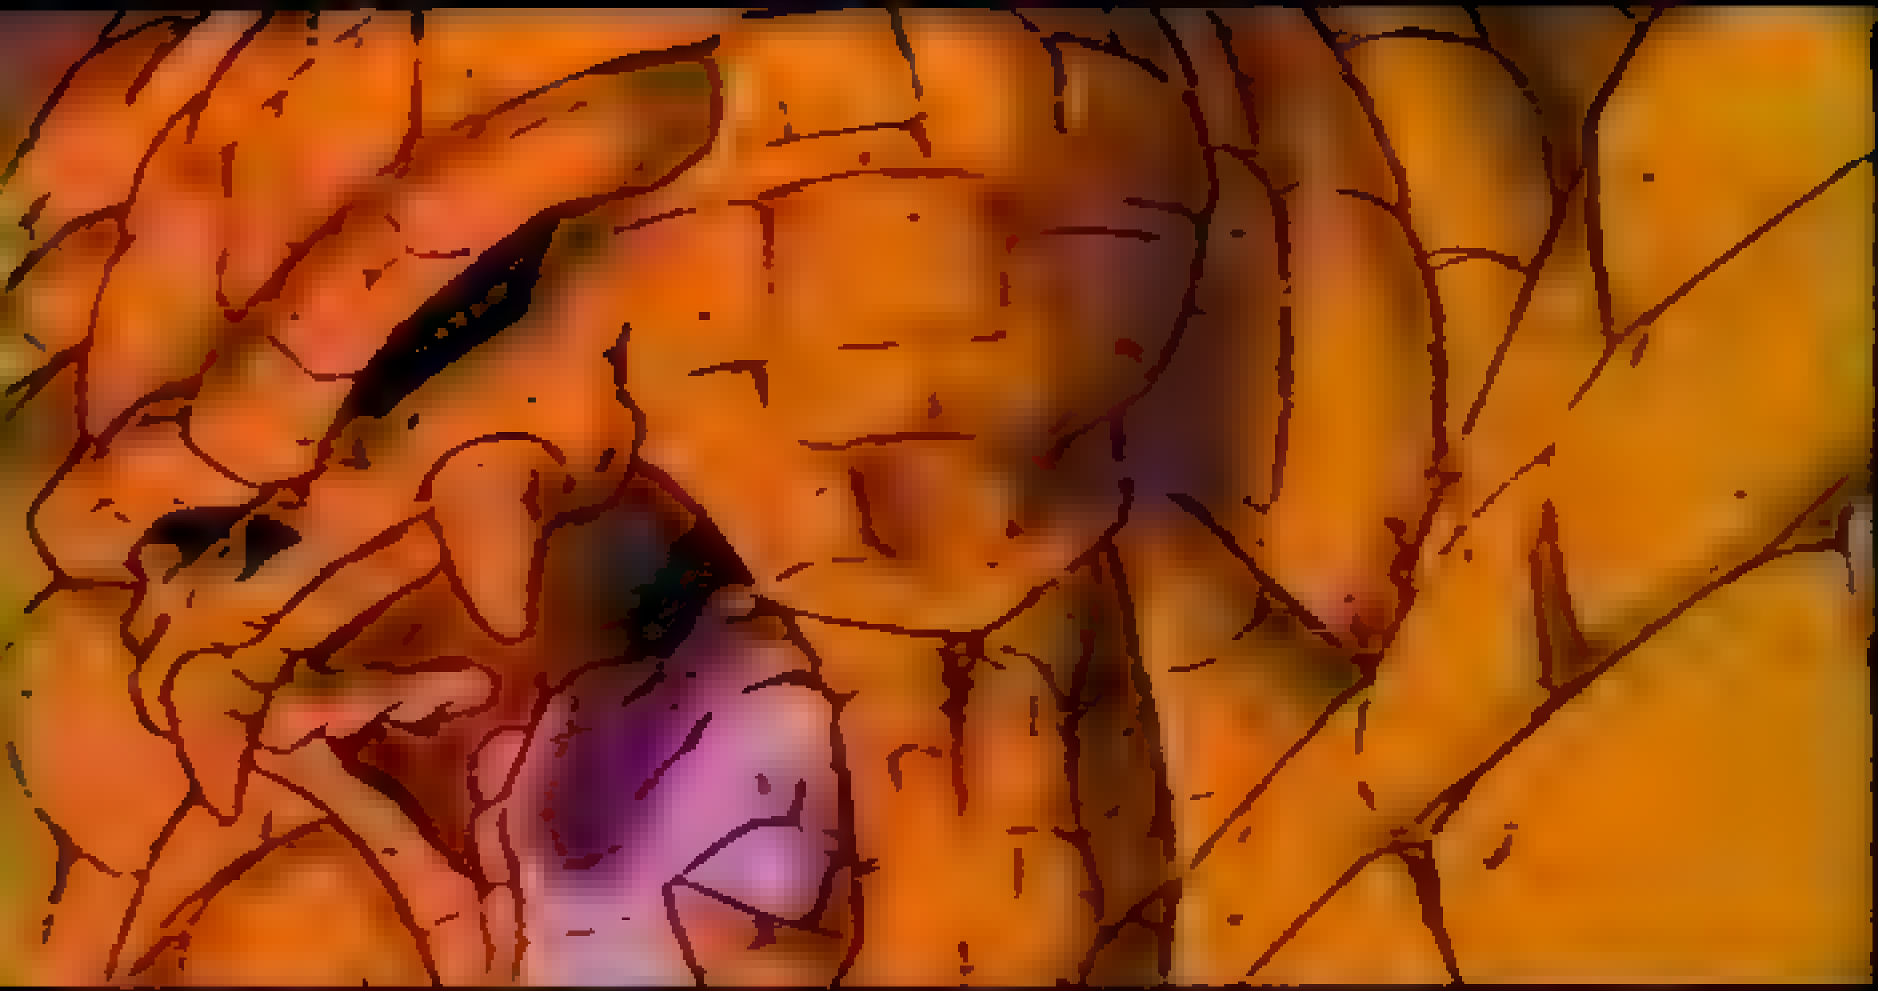

They had cast a spell of negative
energy upon one Konack's Statues.

They had cast a spell of negative
energy upon one Konack's Statues.

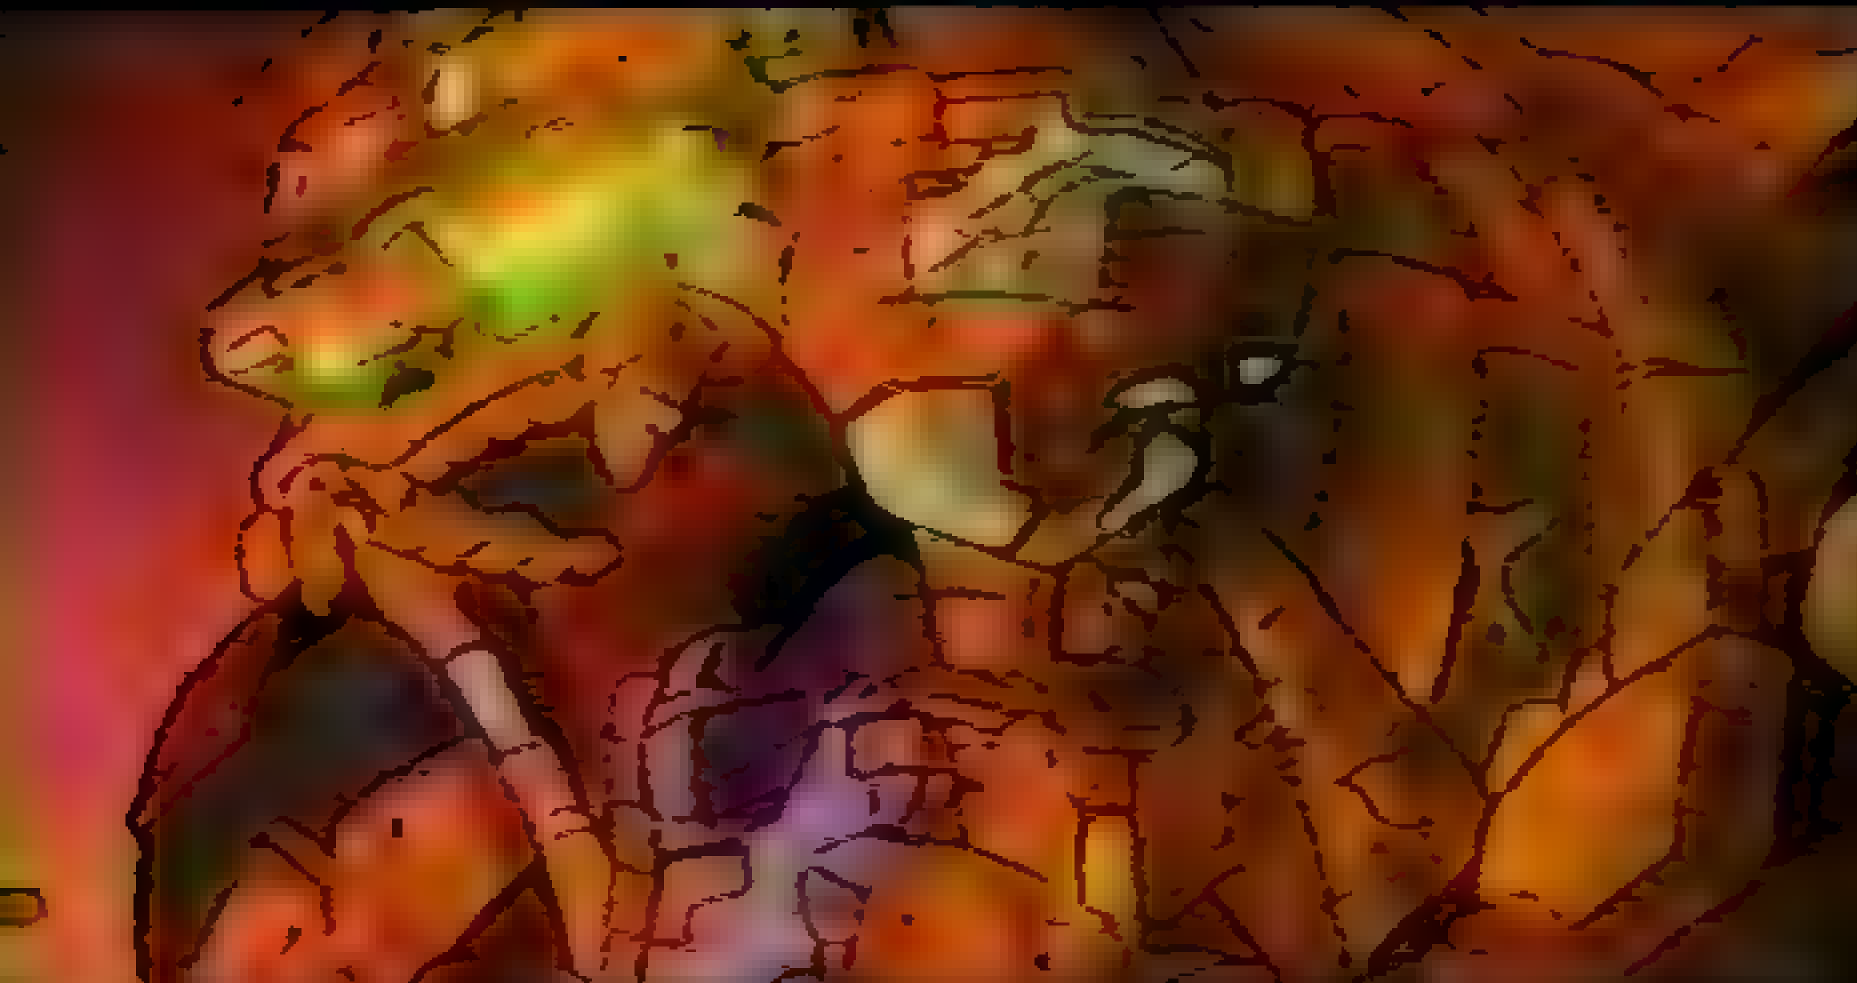

Thus, they gave birth to Hildegarn.

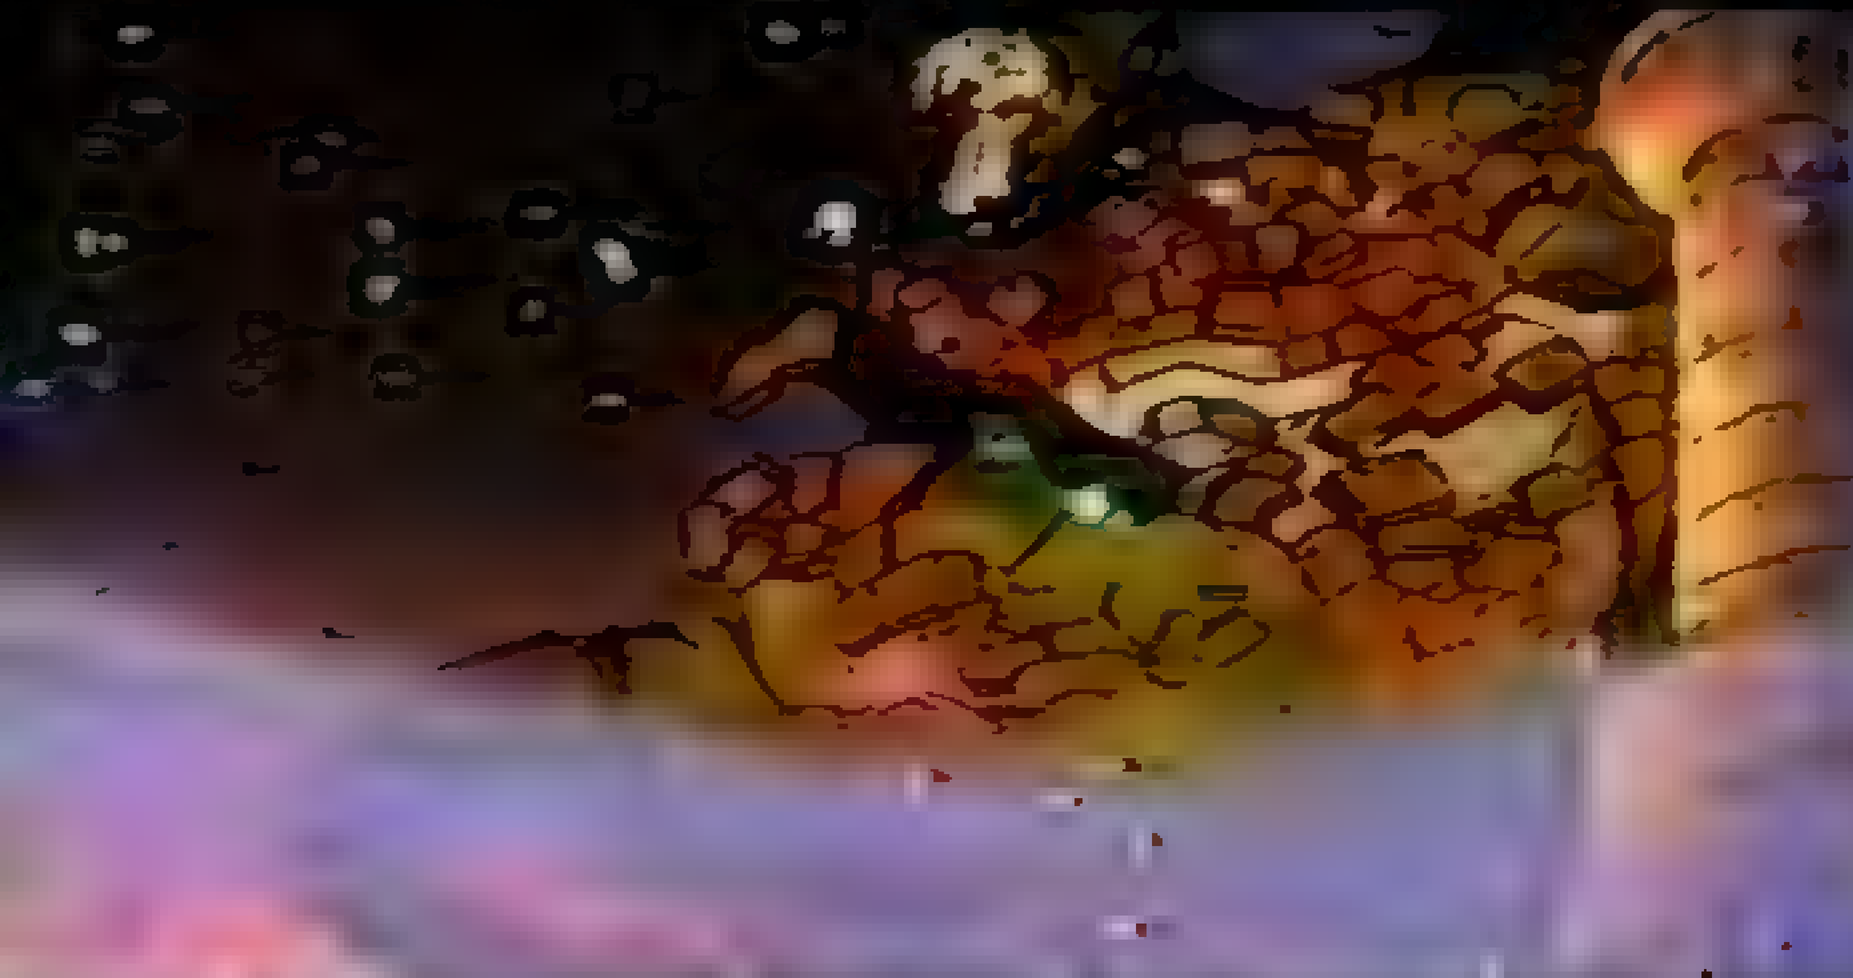

Thus, they gave birth to Hildegarn.

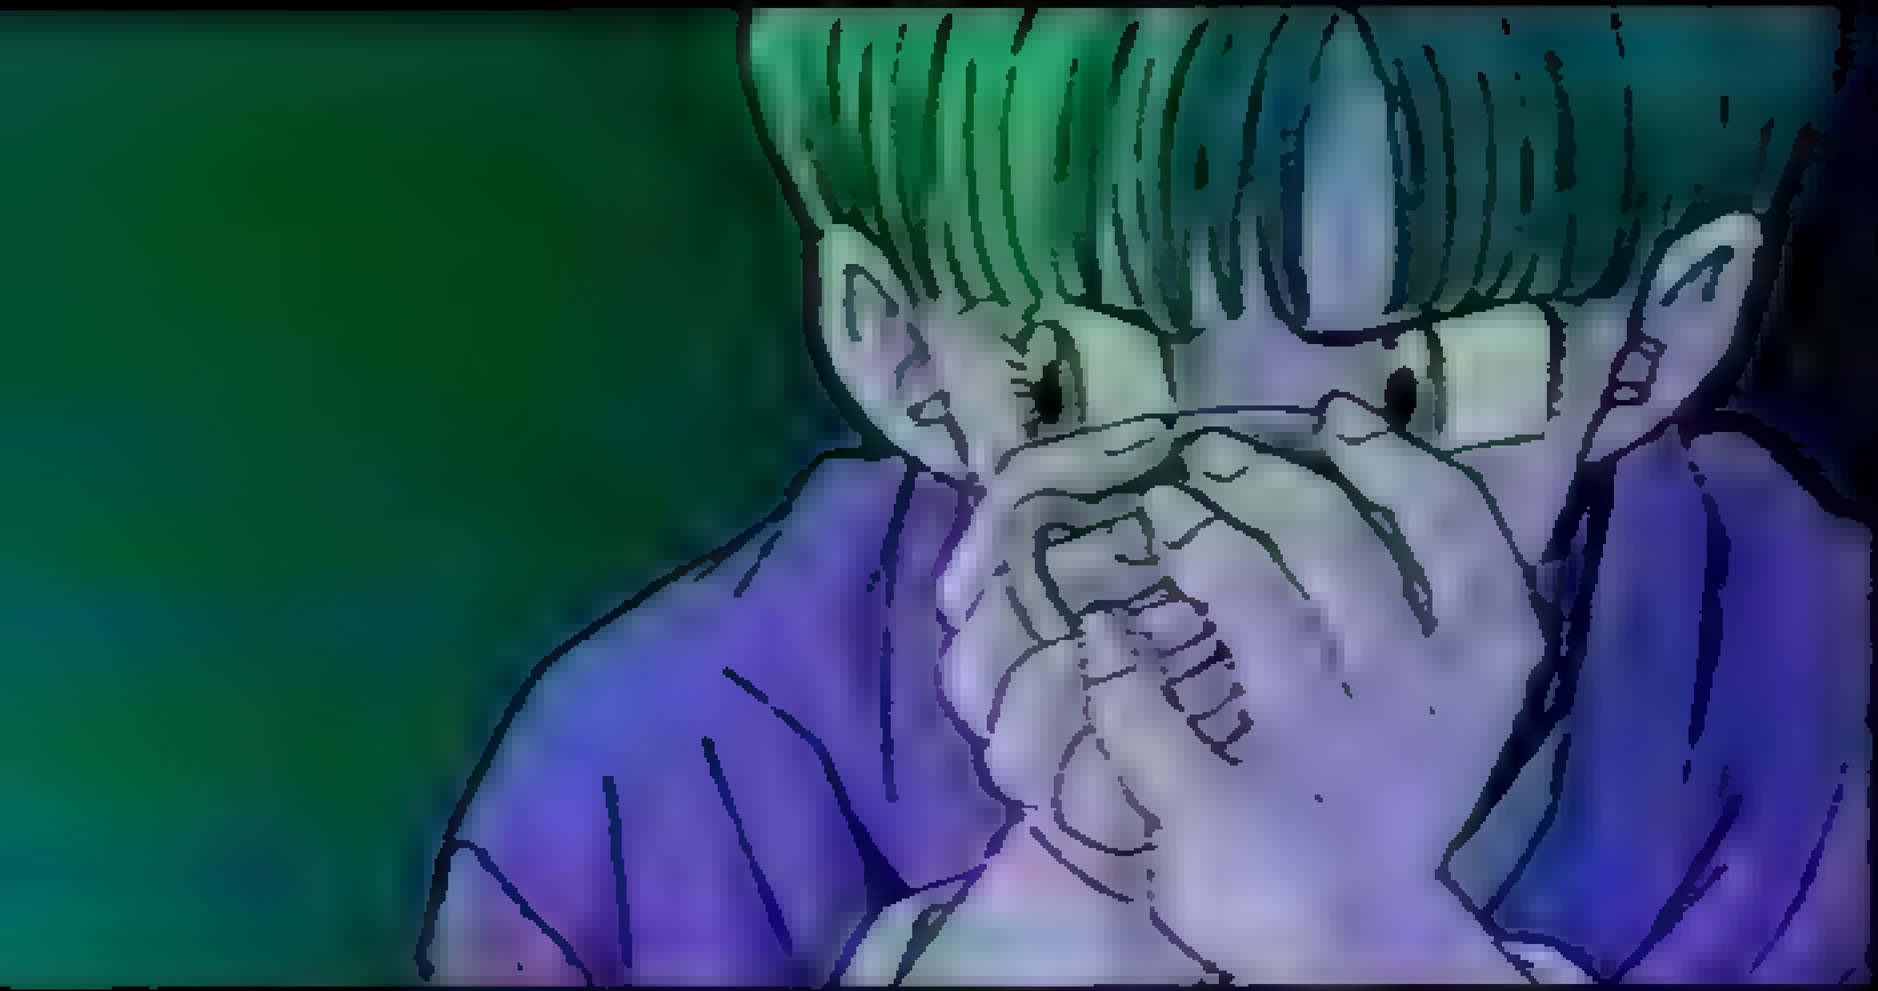

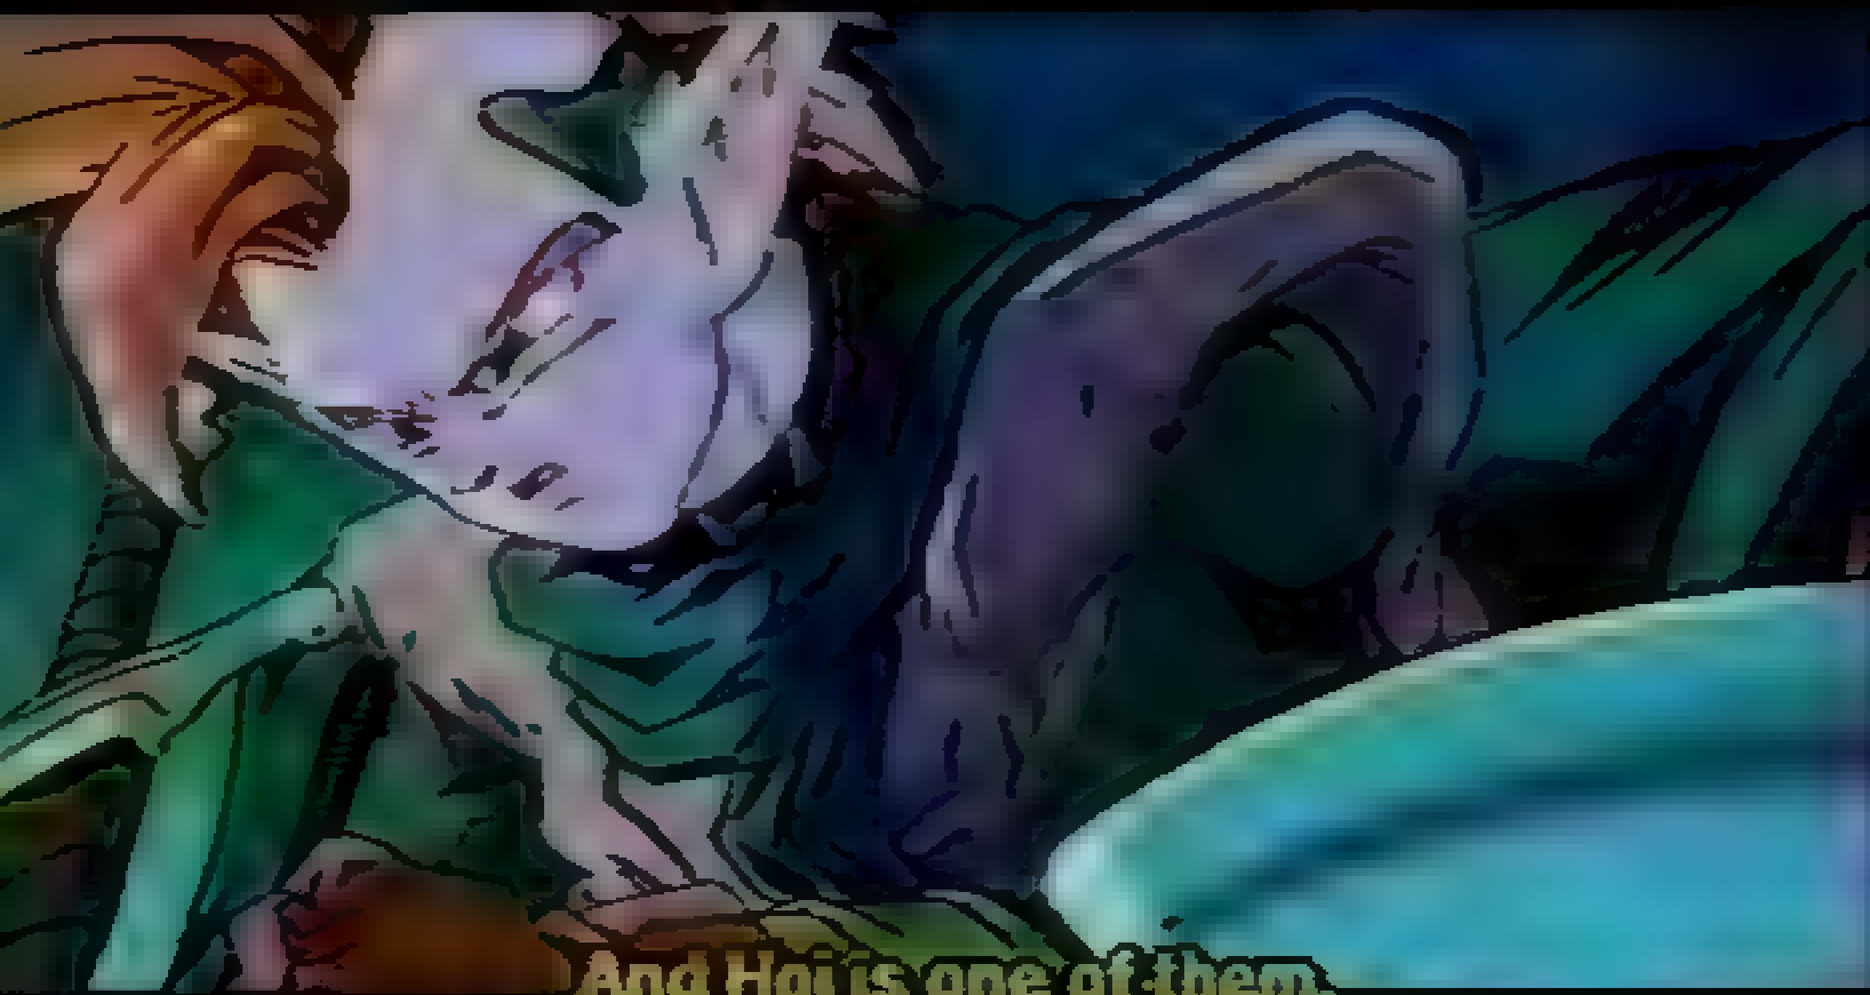

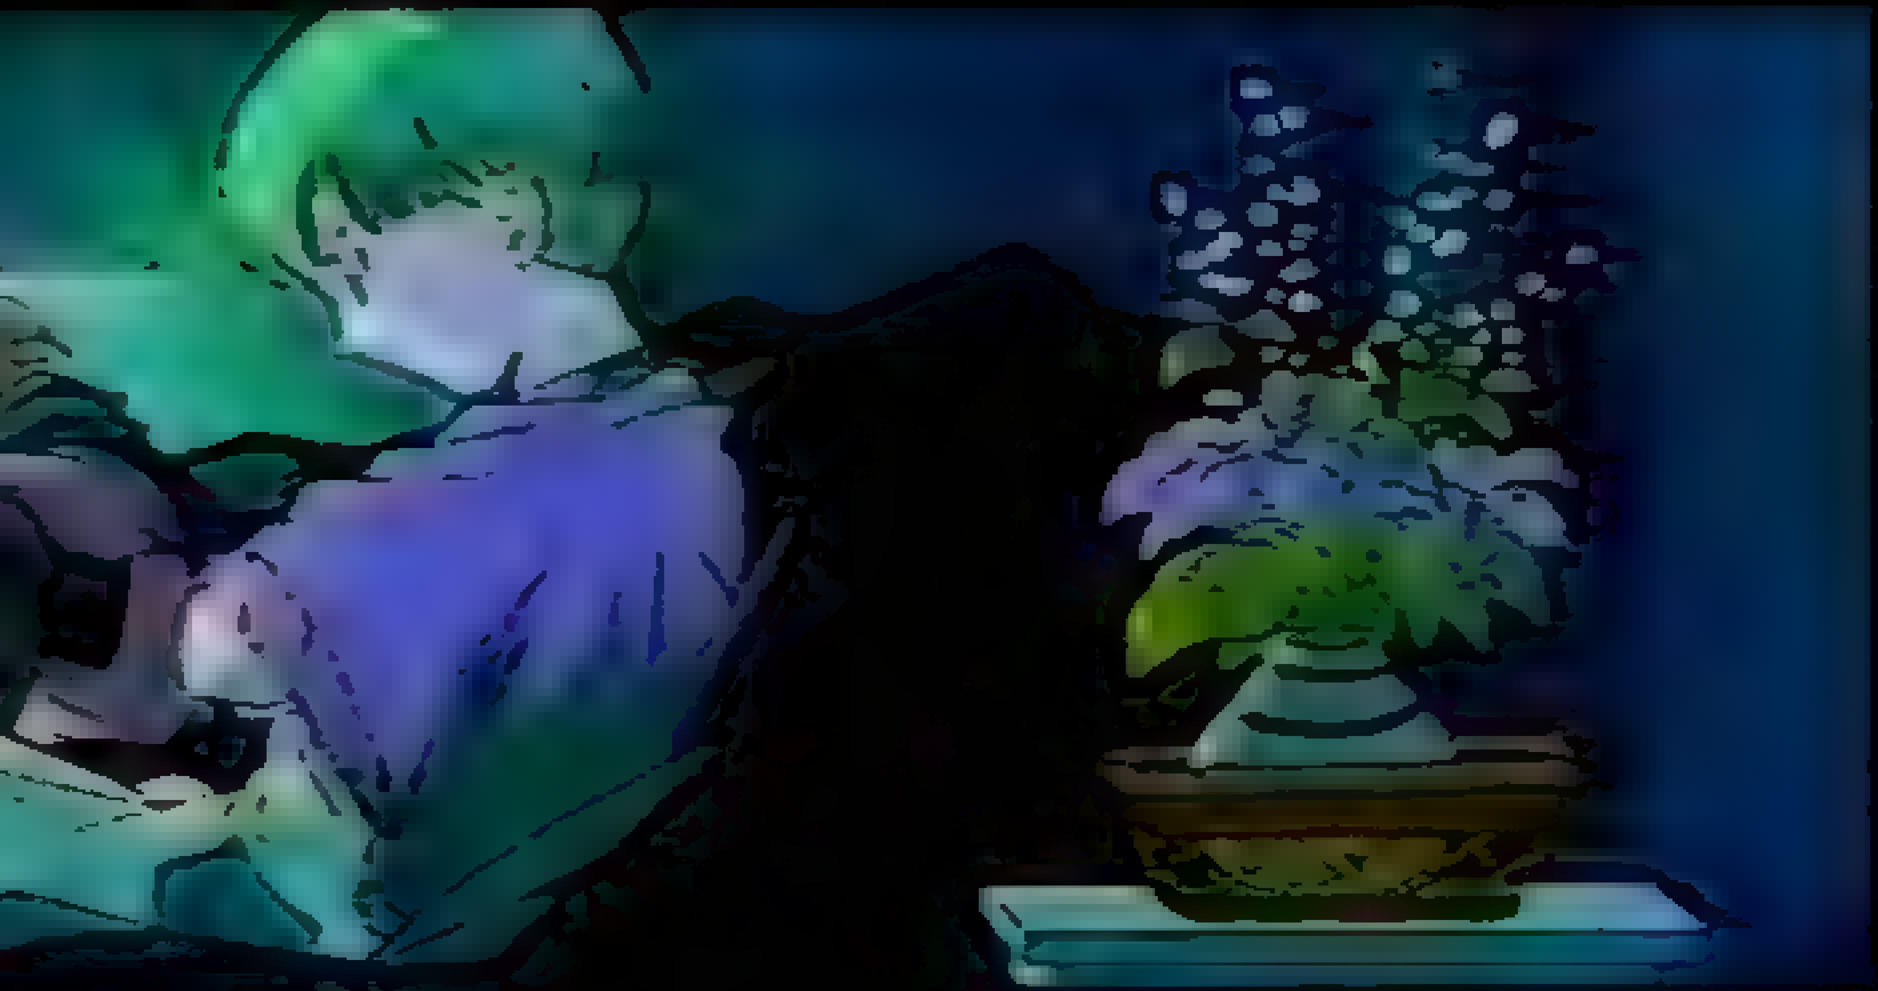

So the magicians had
tremendous power, I guess.

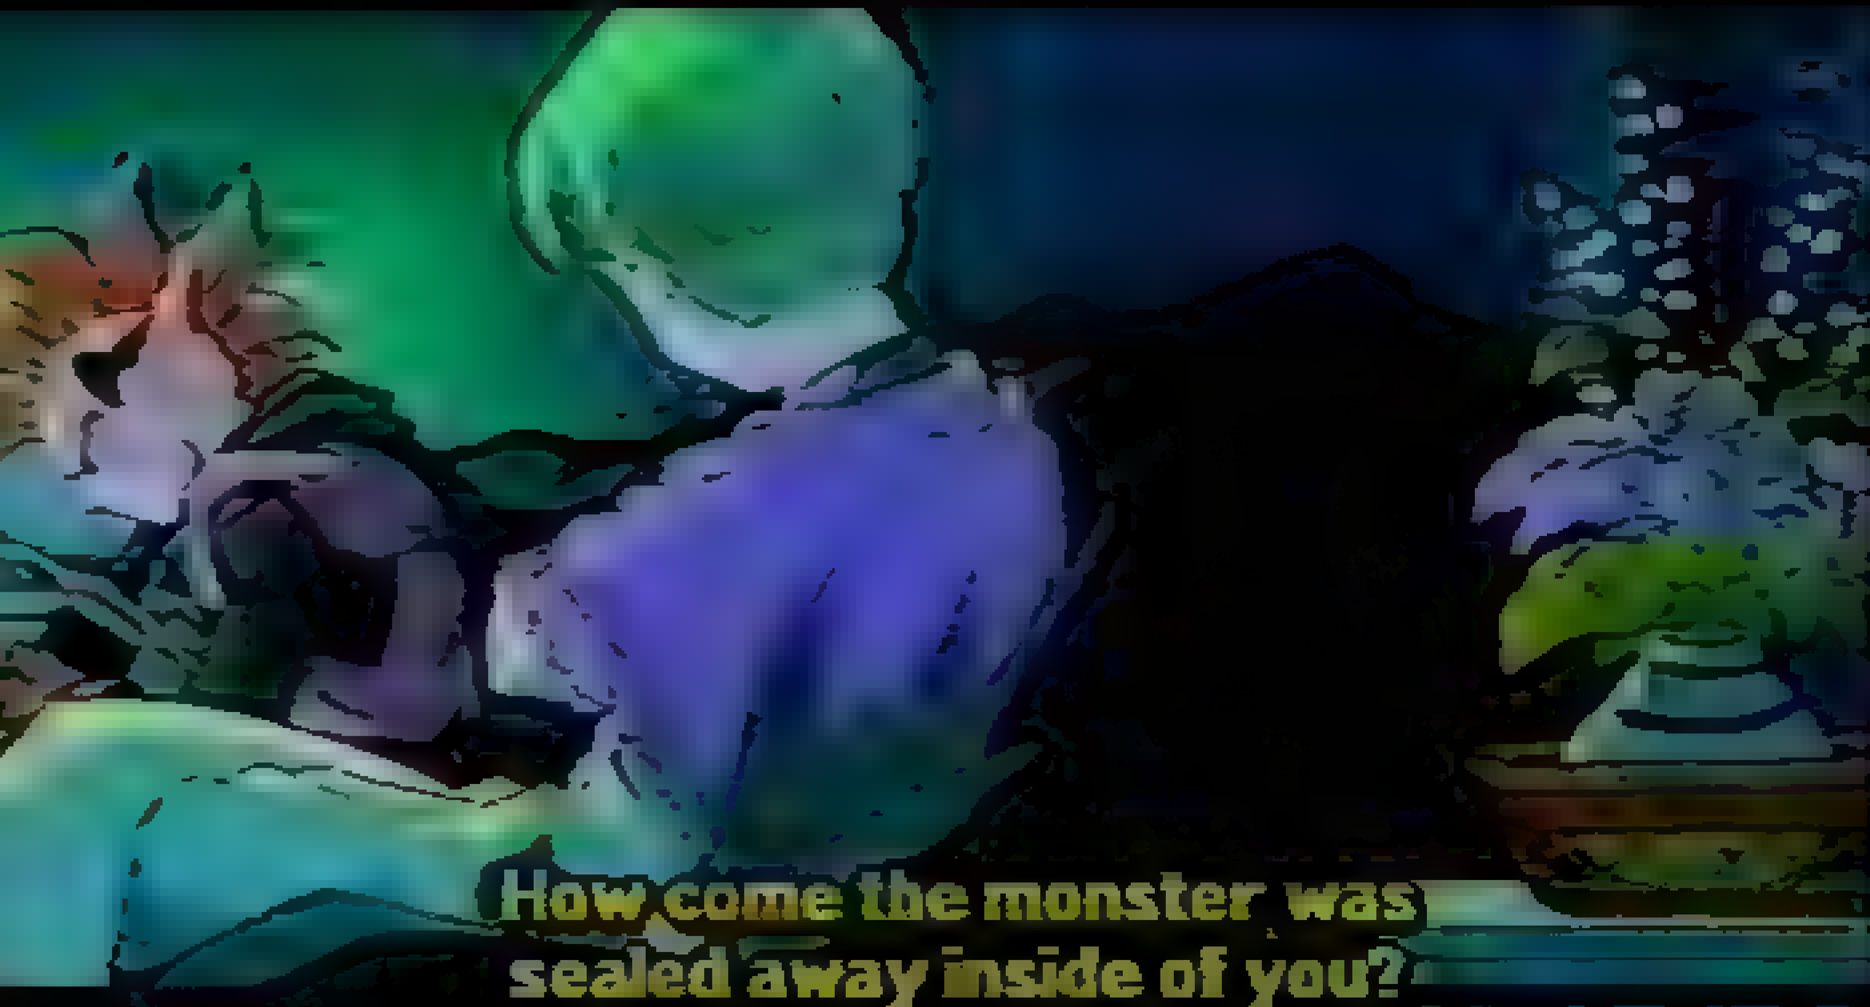

So the magicians had
tremendous power, I guess.

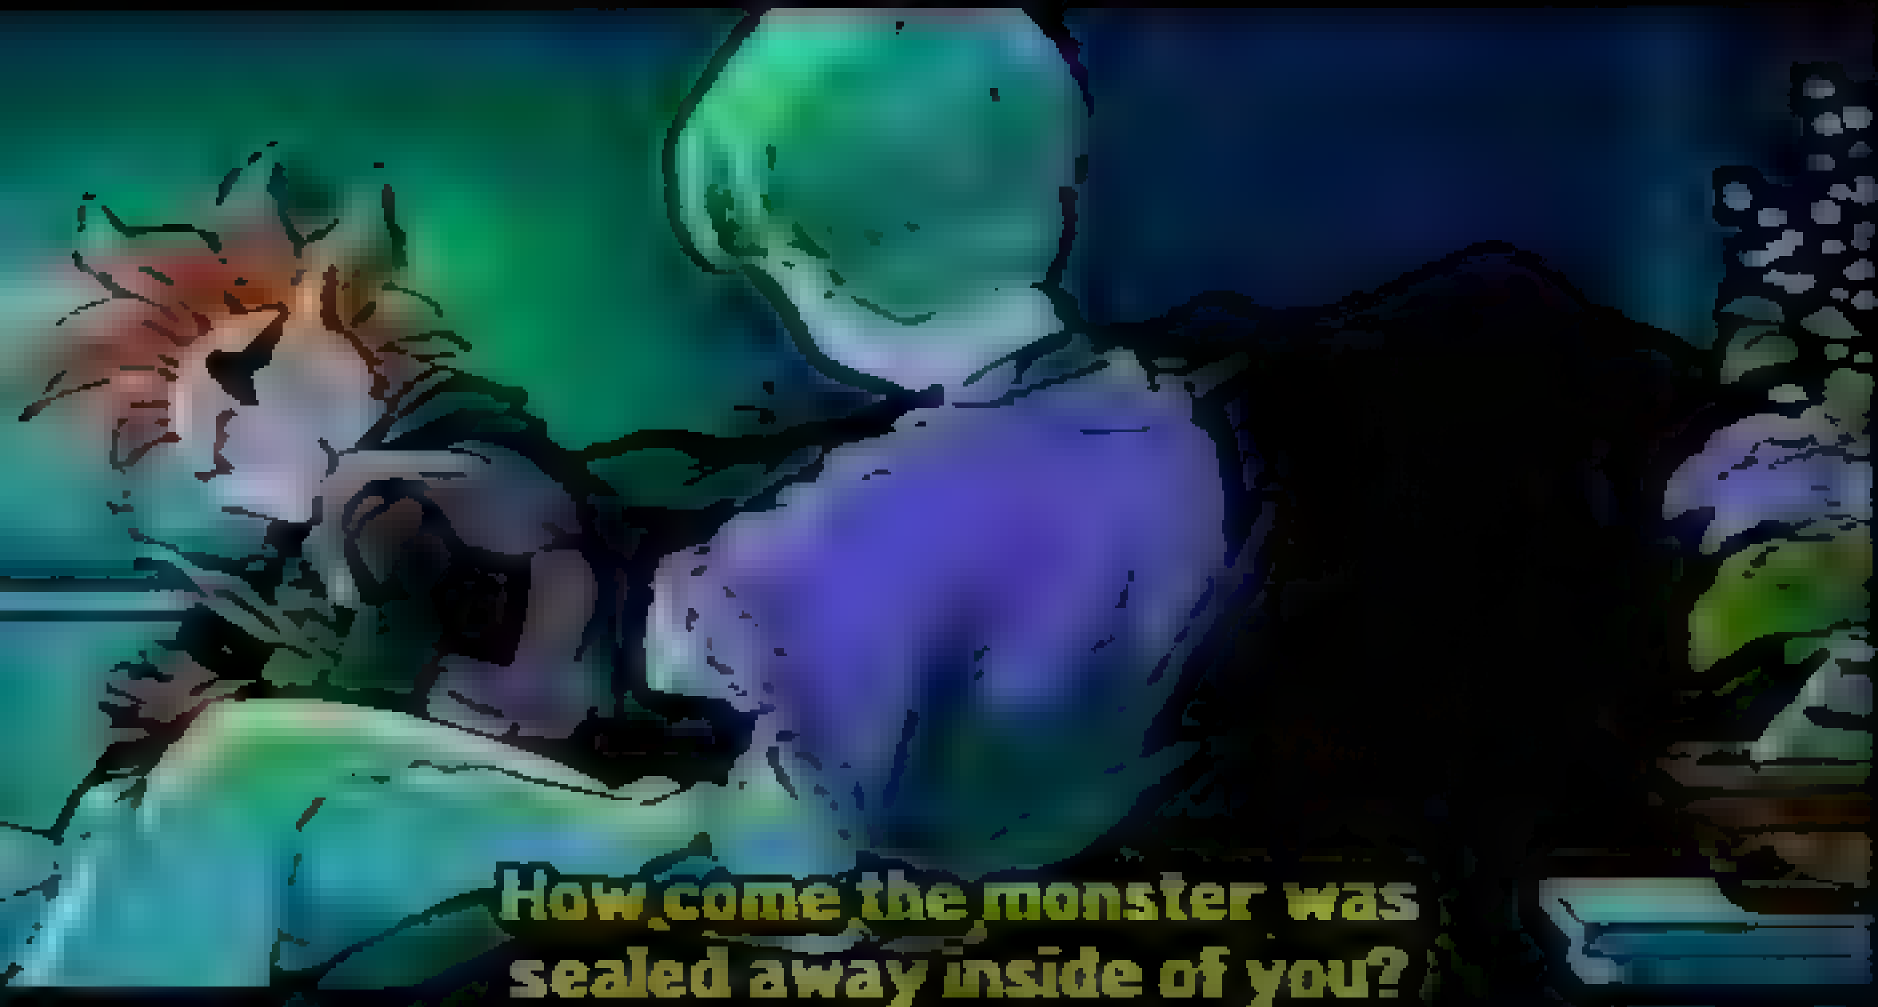

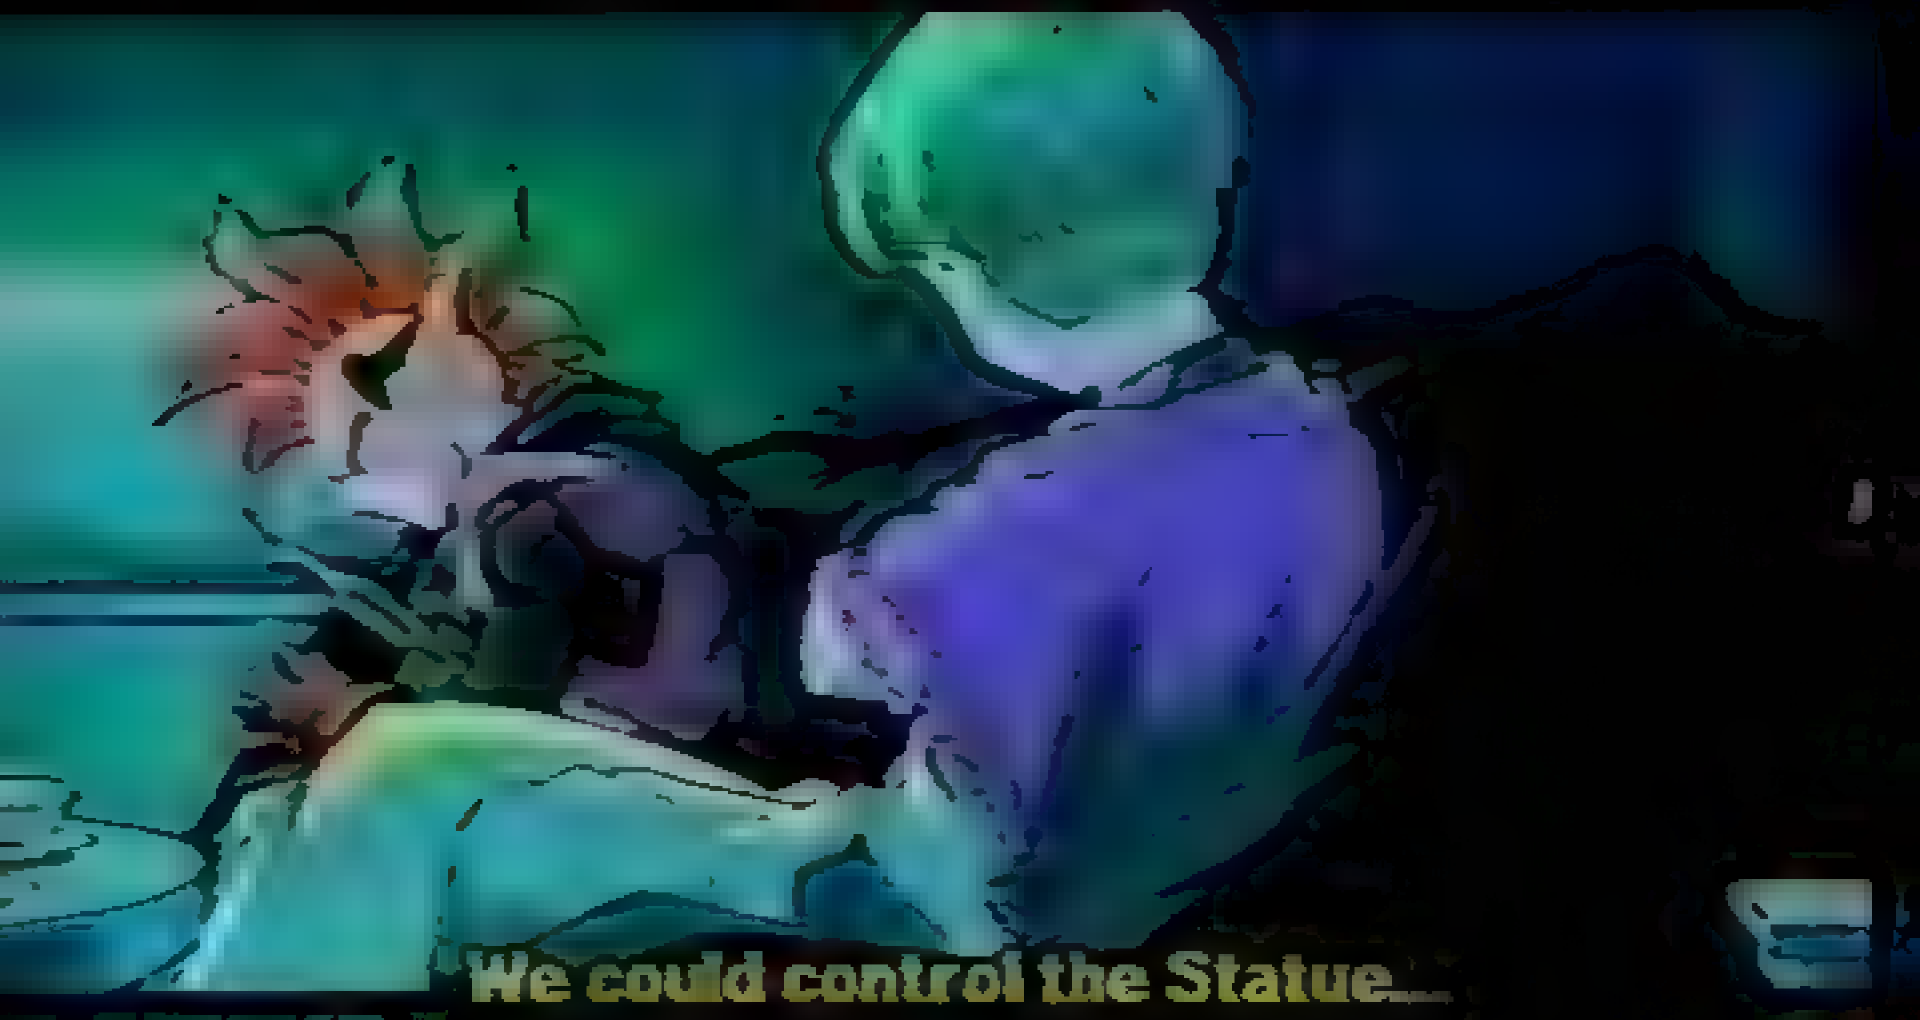

And Hoi is one of them.

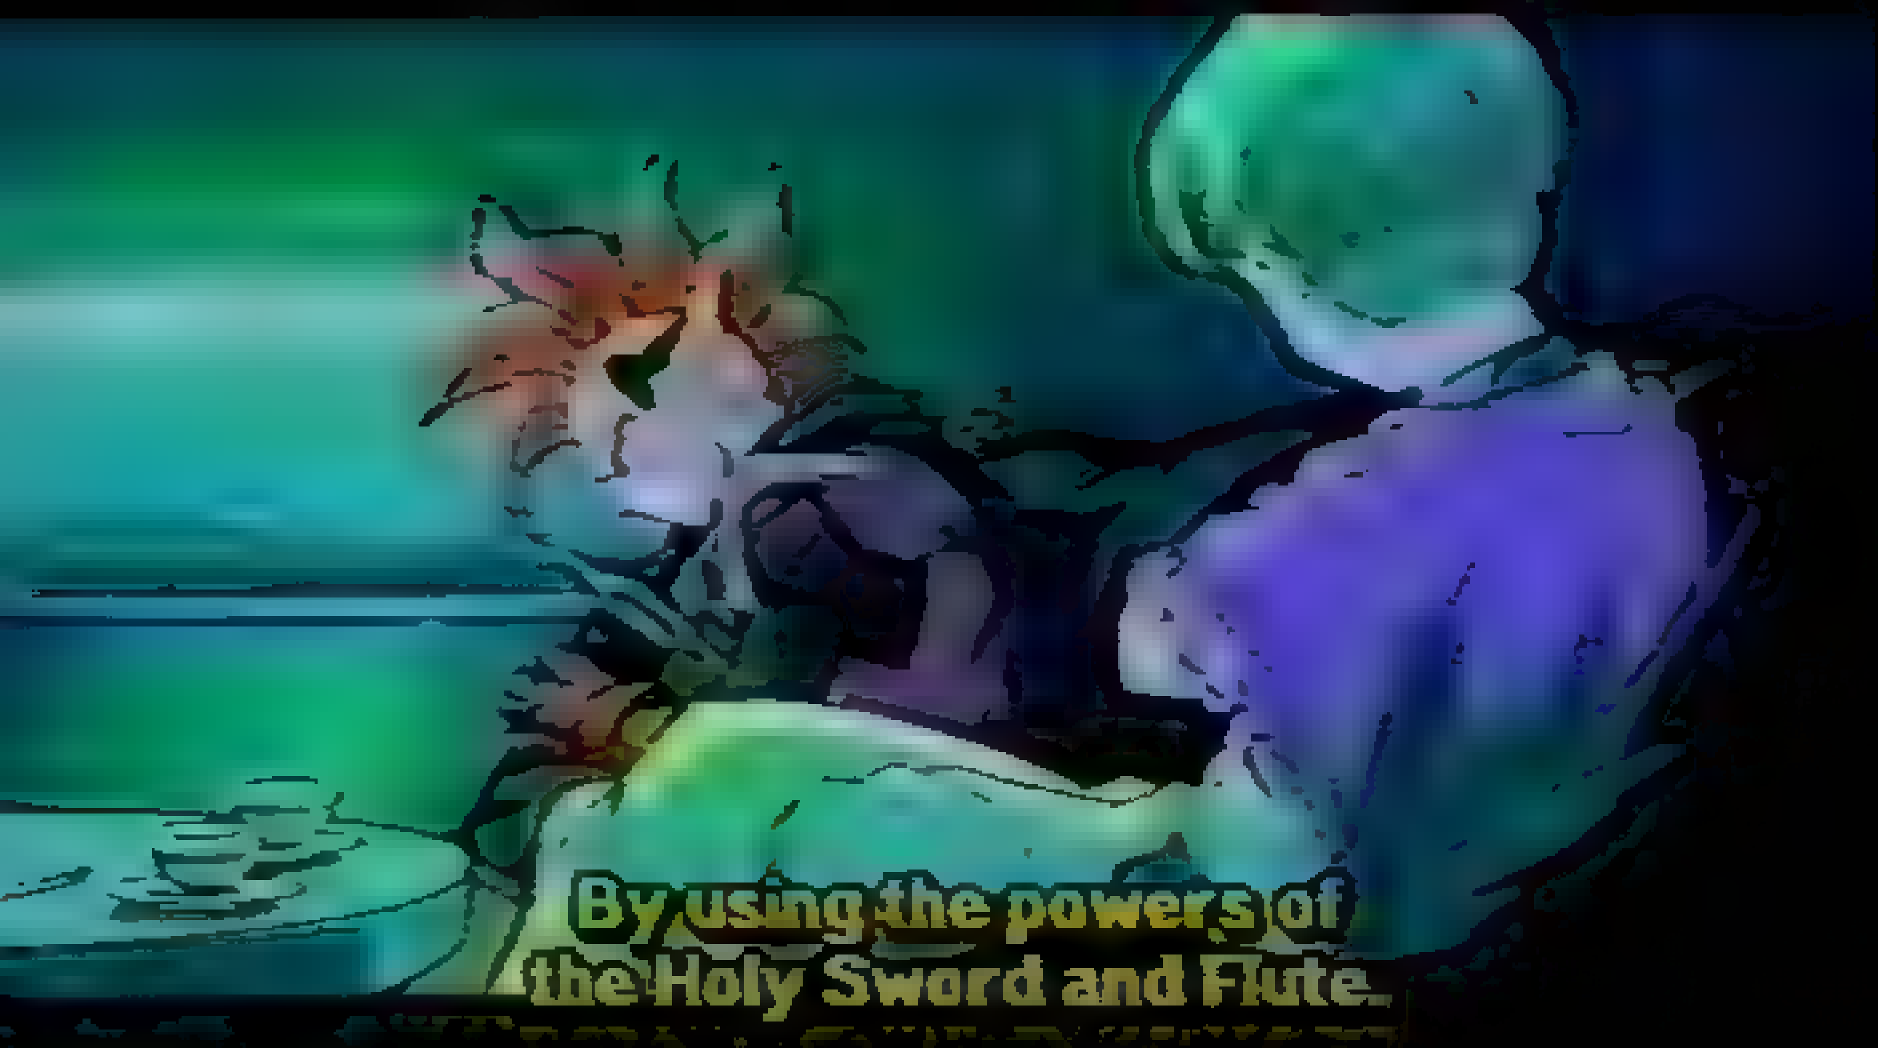

So we were conned by that old man.

How come the monster was
sealed away inside of you?

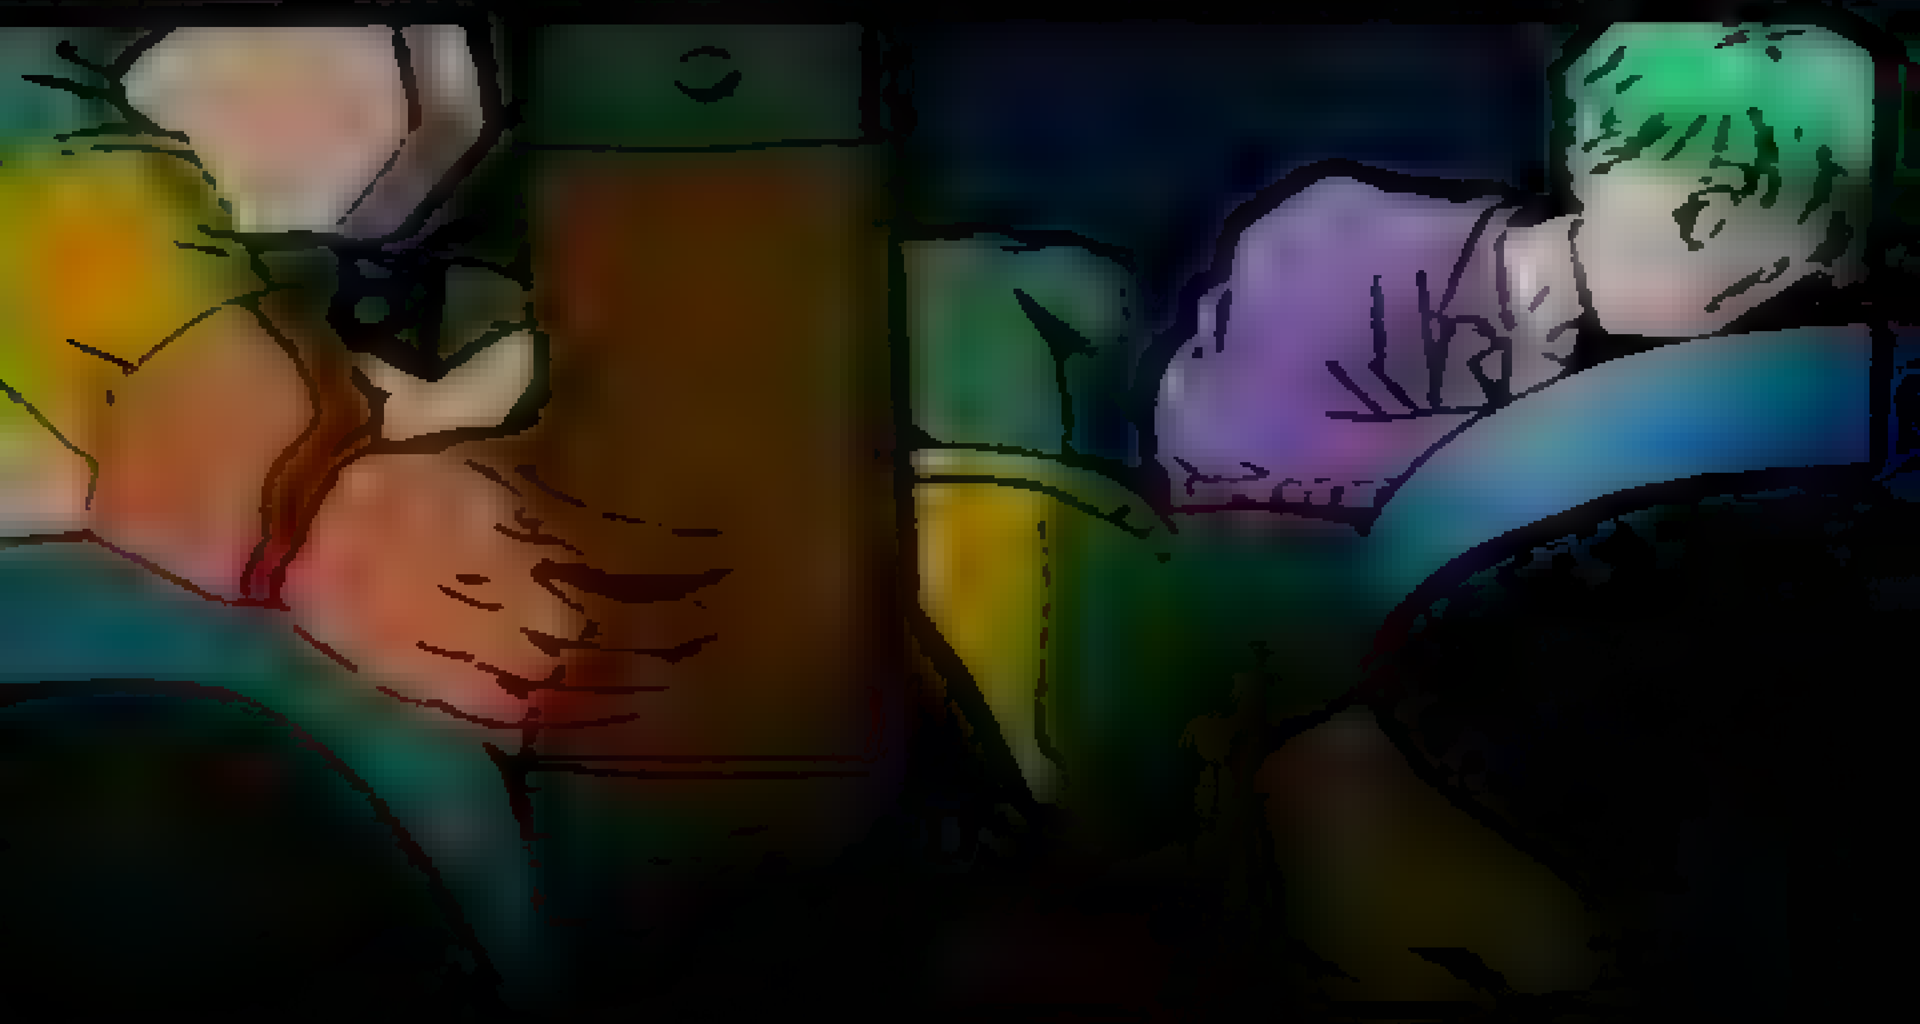

How come the monster was
sealed away inside of you?

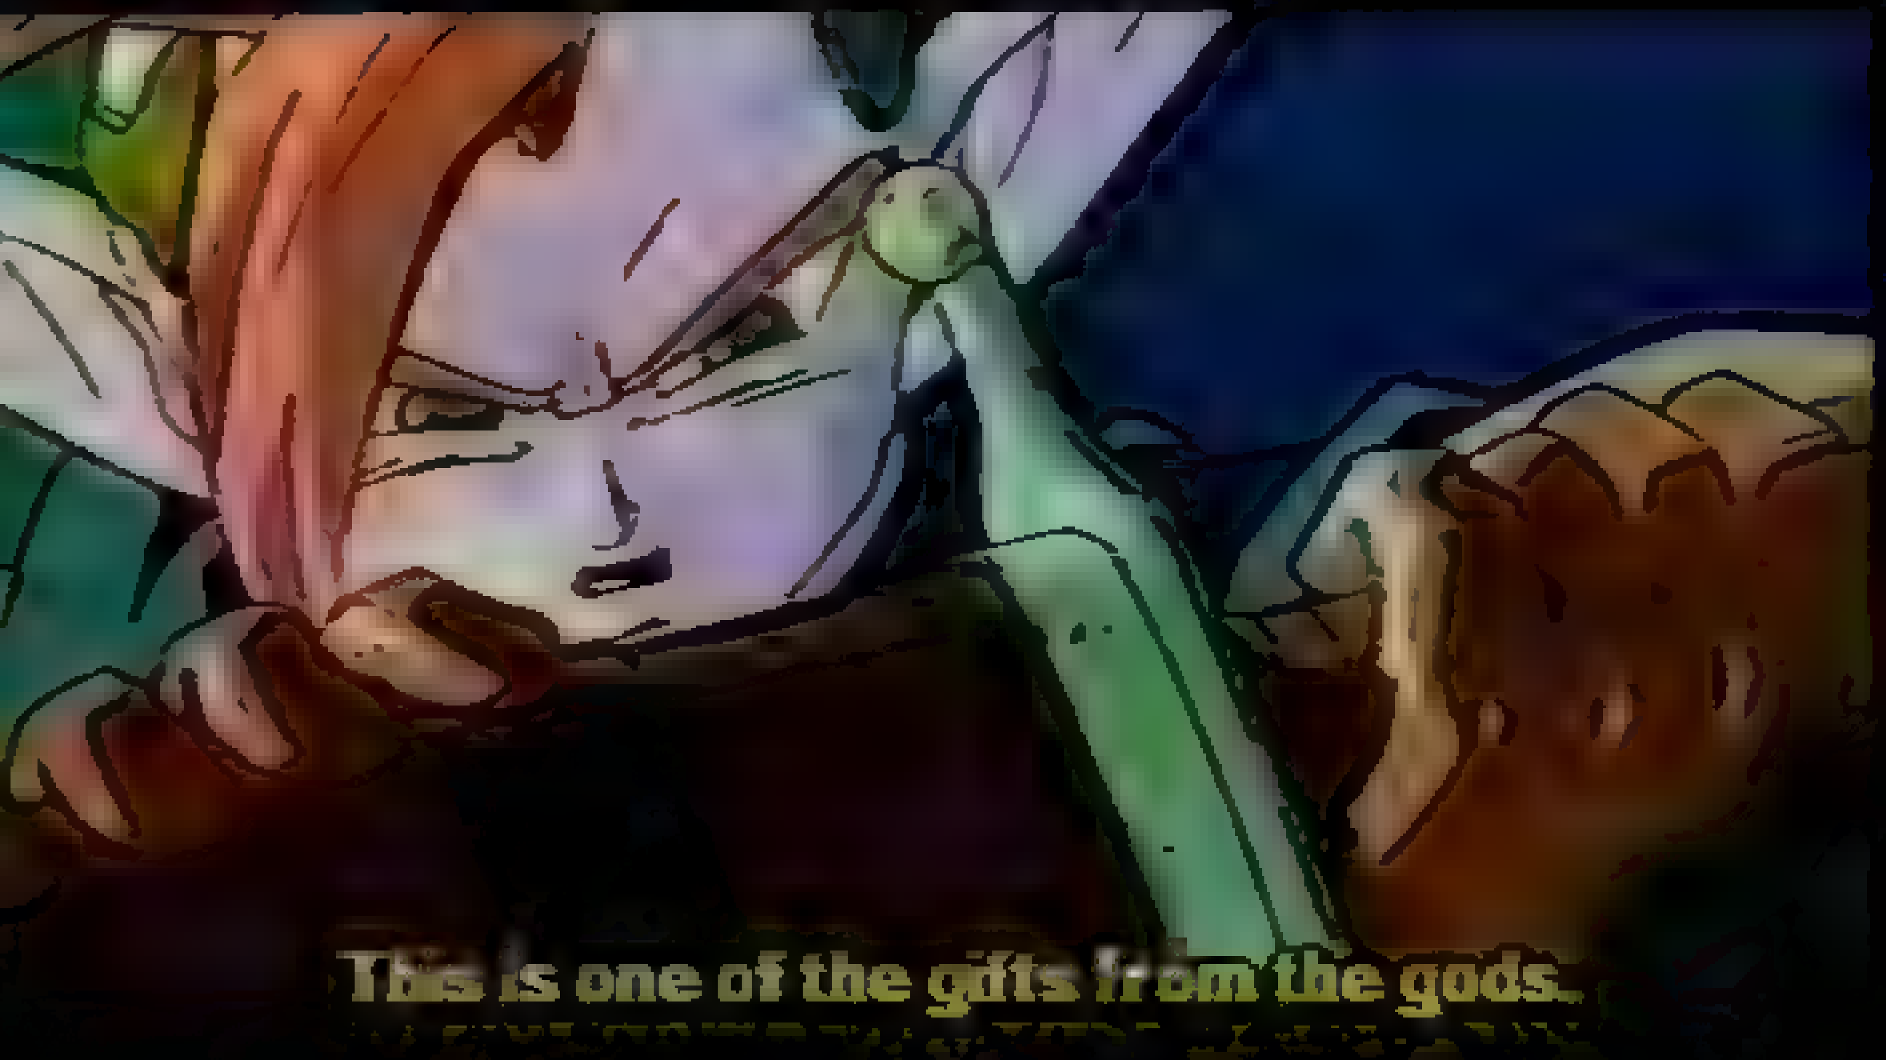

We could control the Statue...

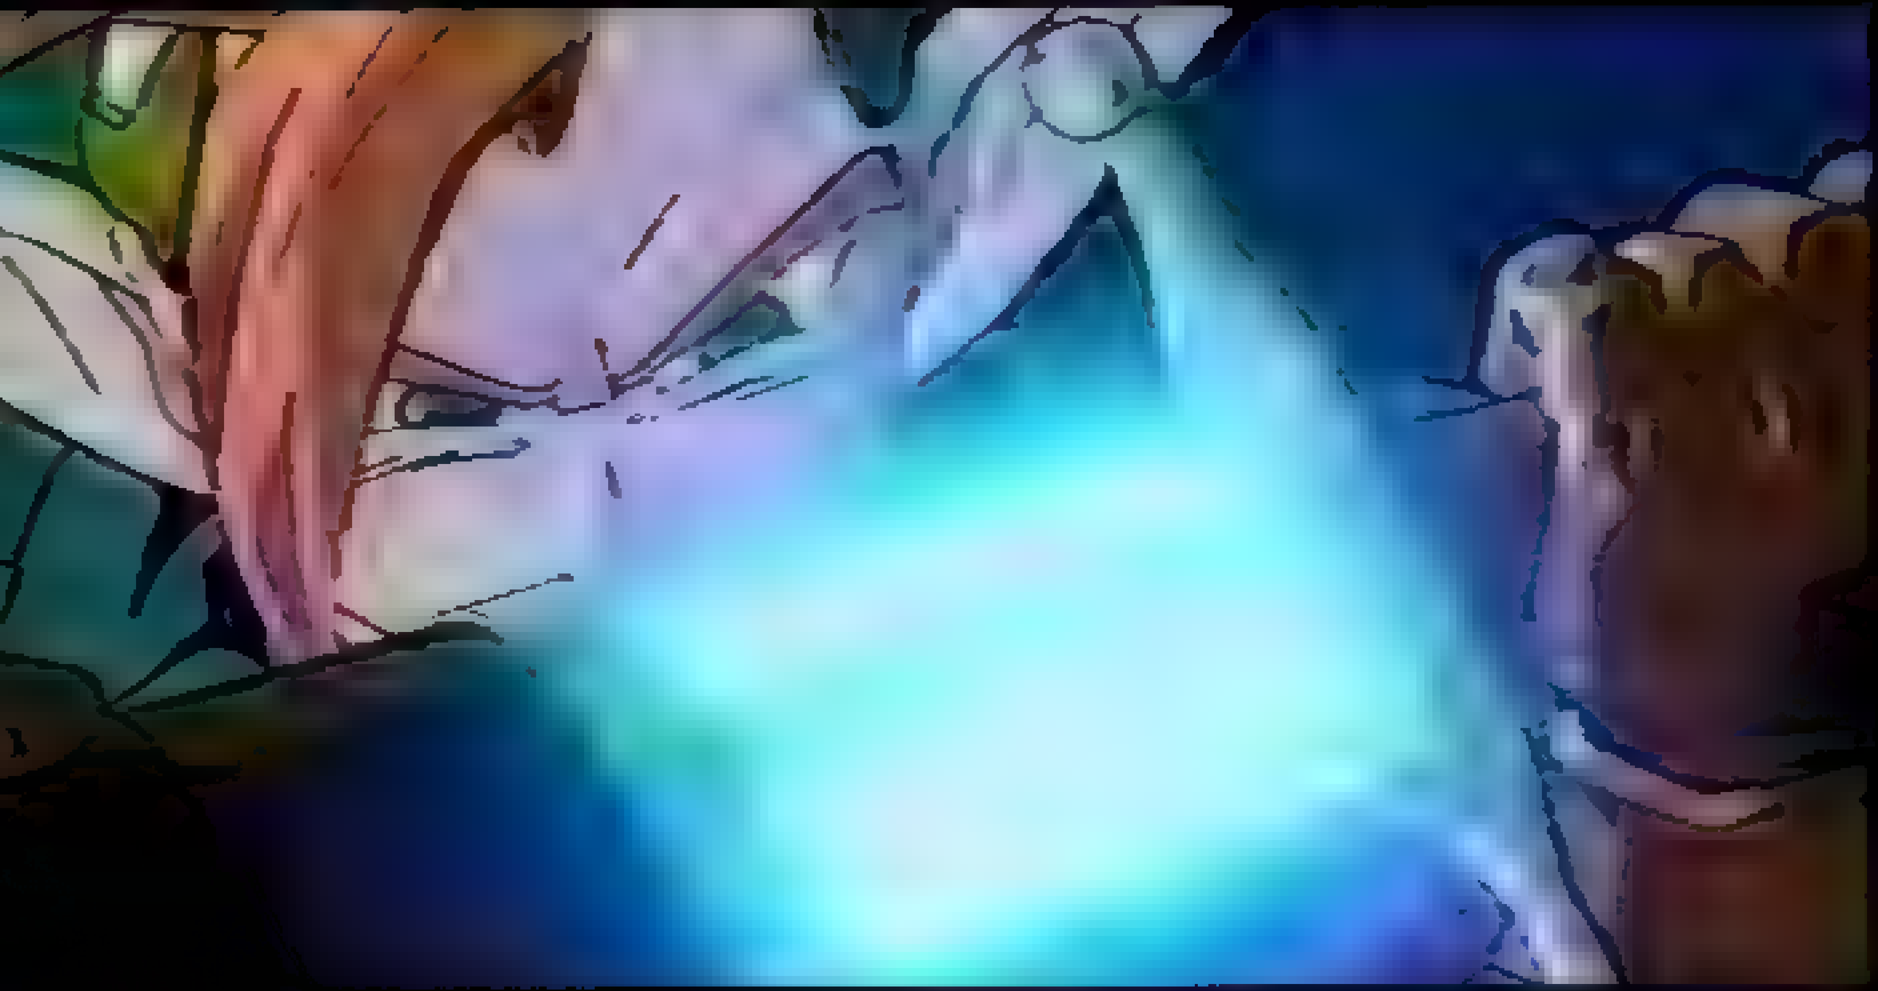

We could control the Statue...

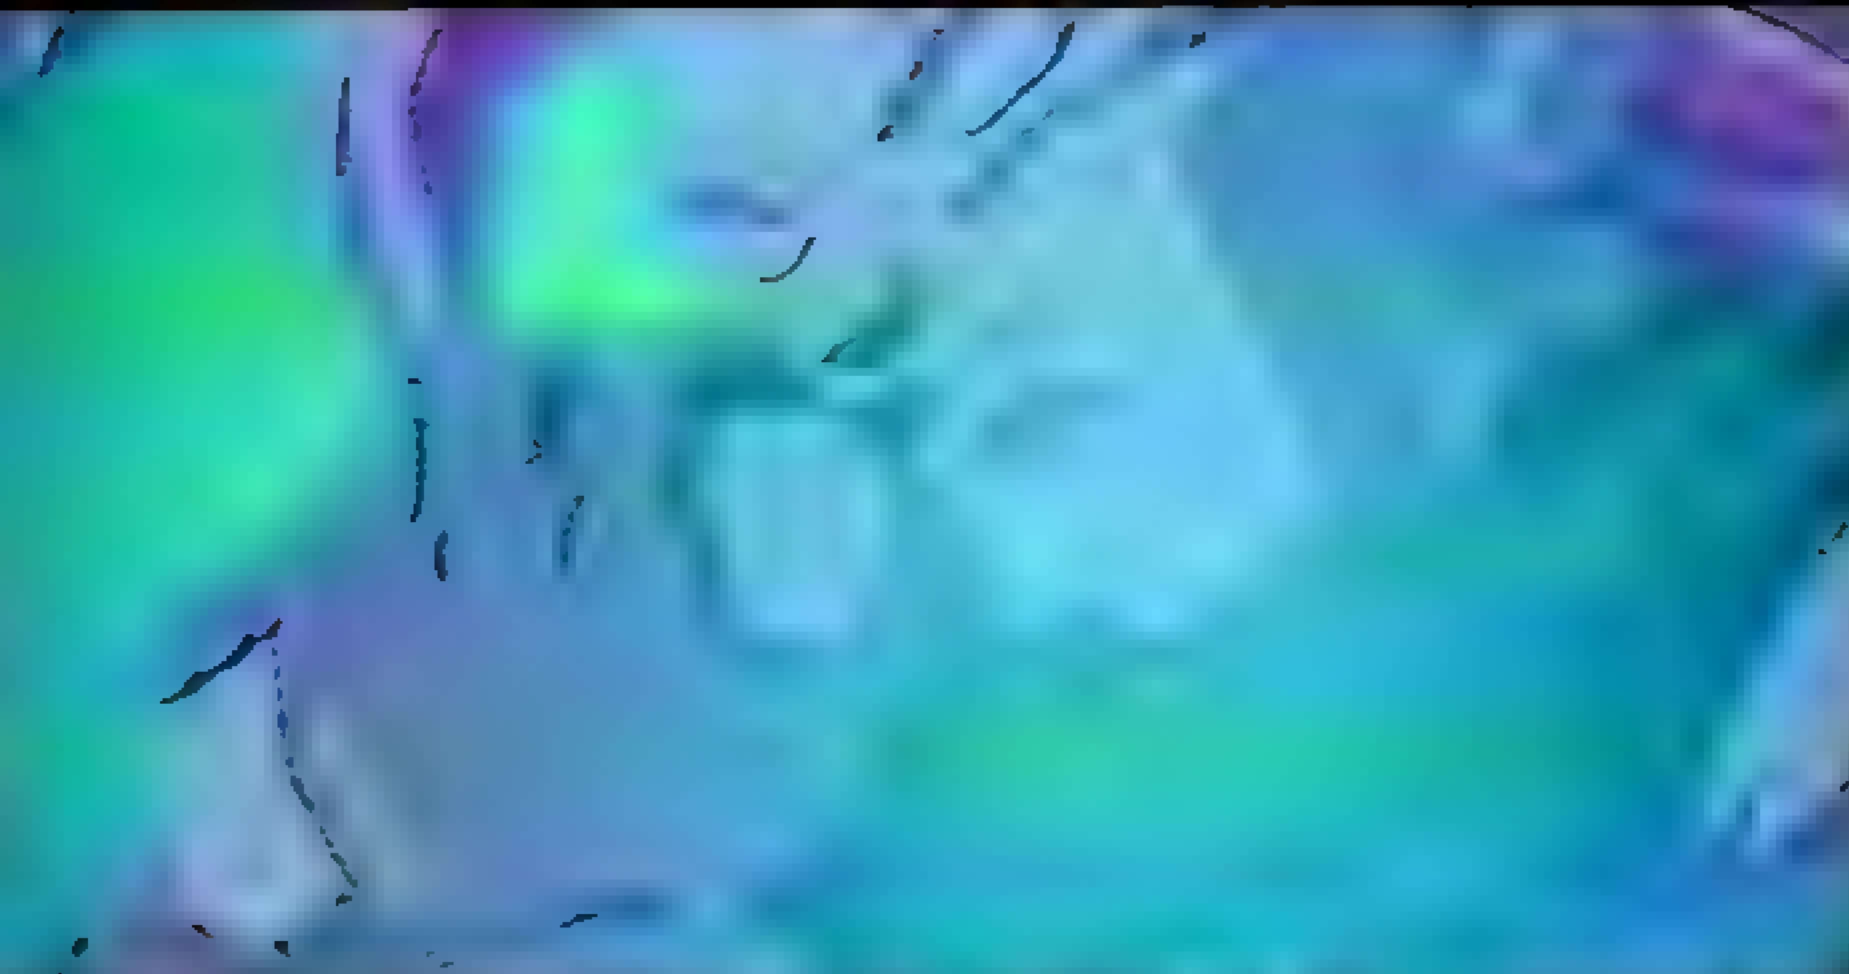

By using the powers of
the Holy Sword and Flute.

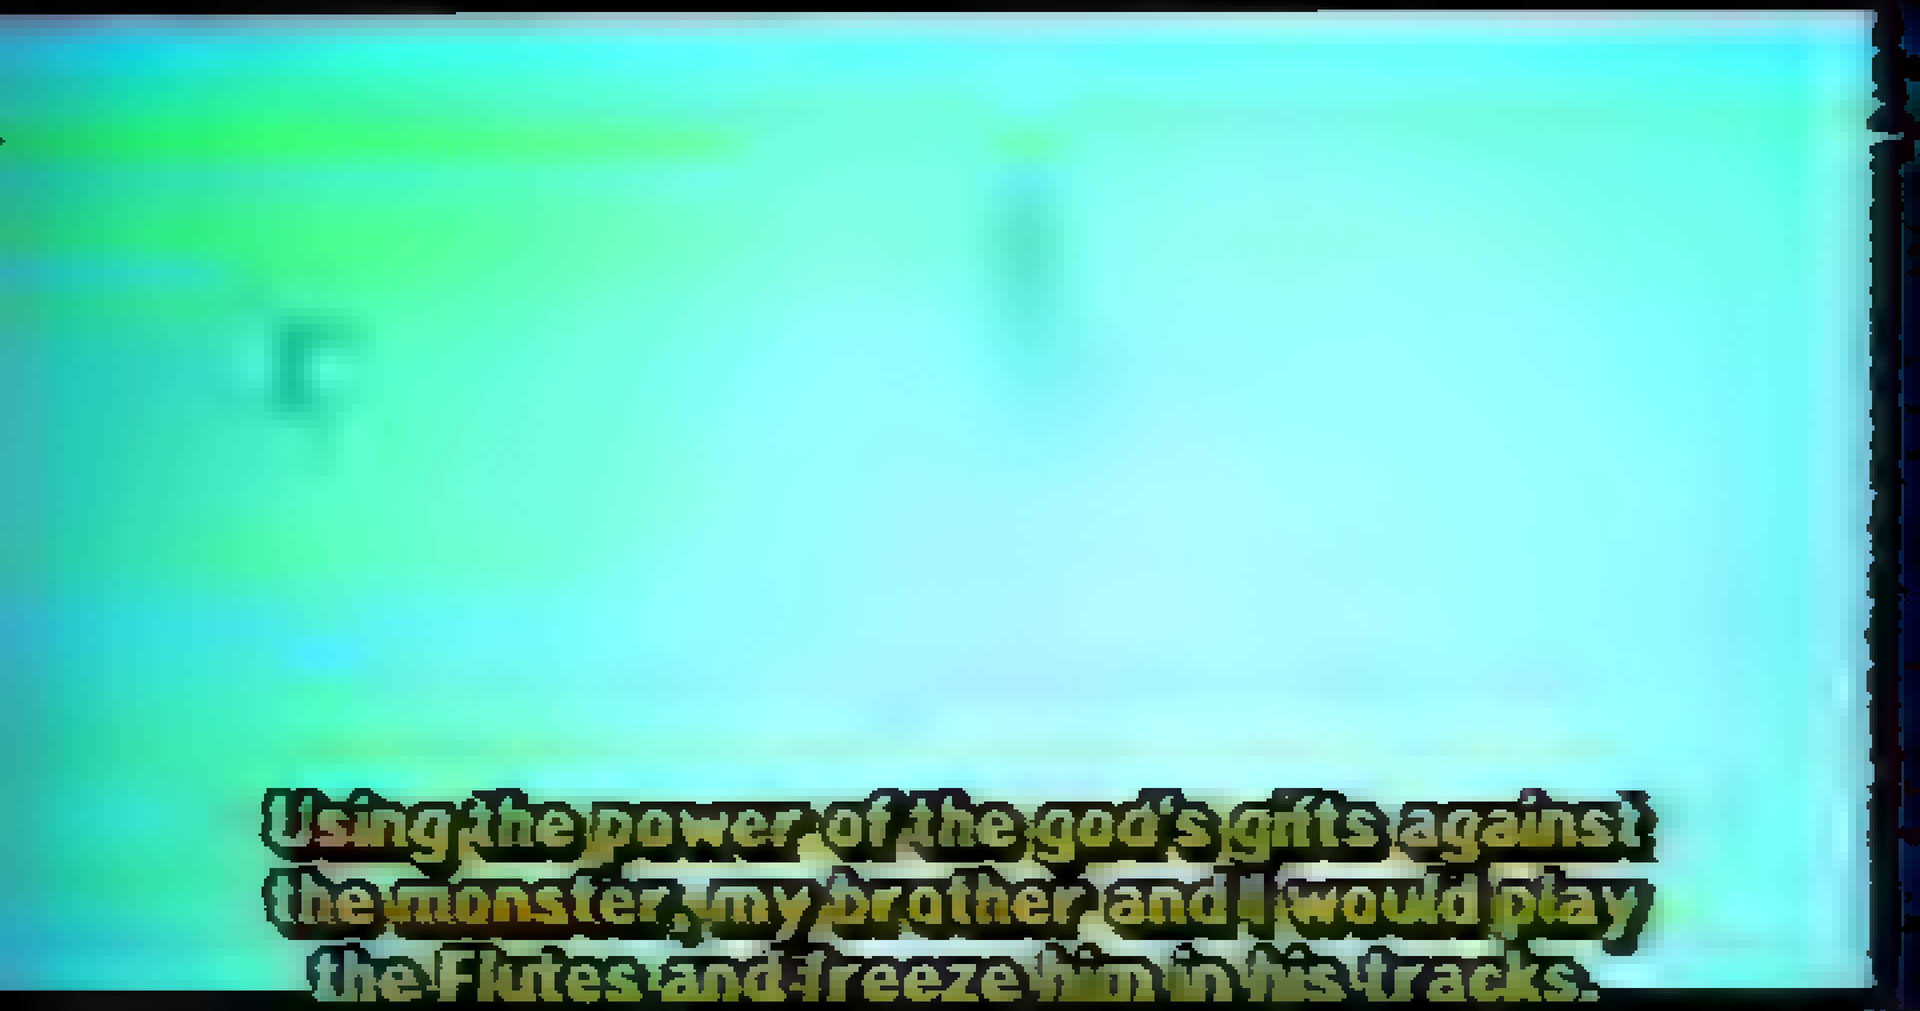

Are you talking about that?

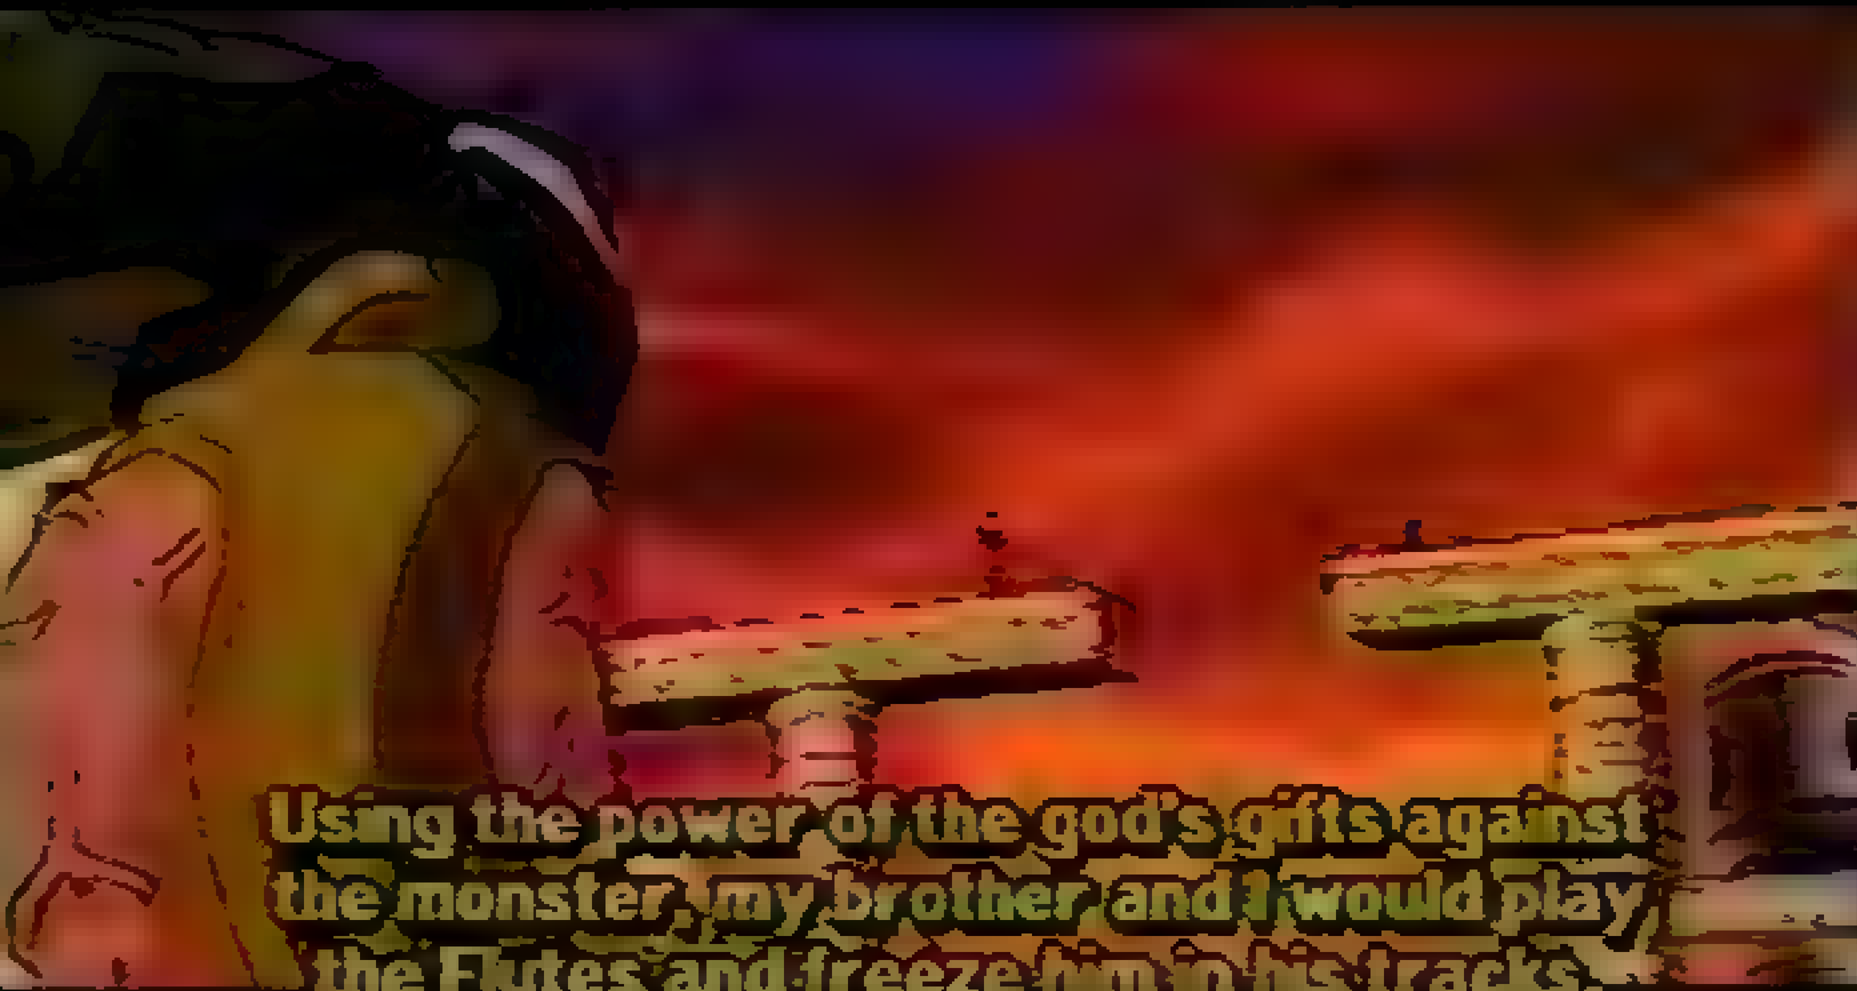

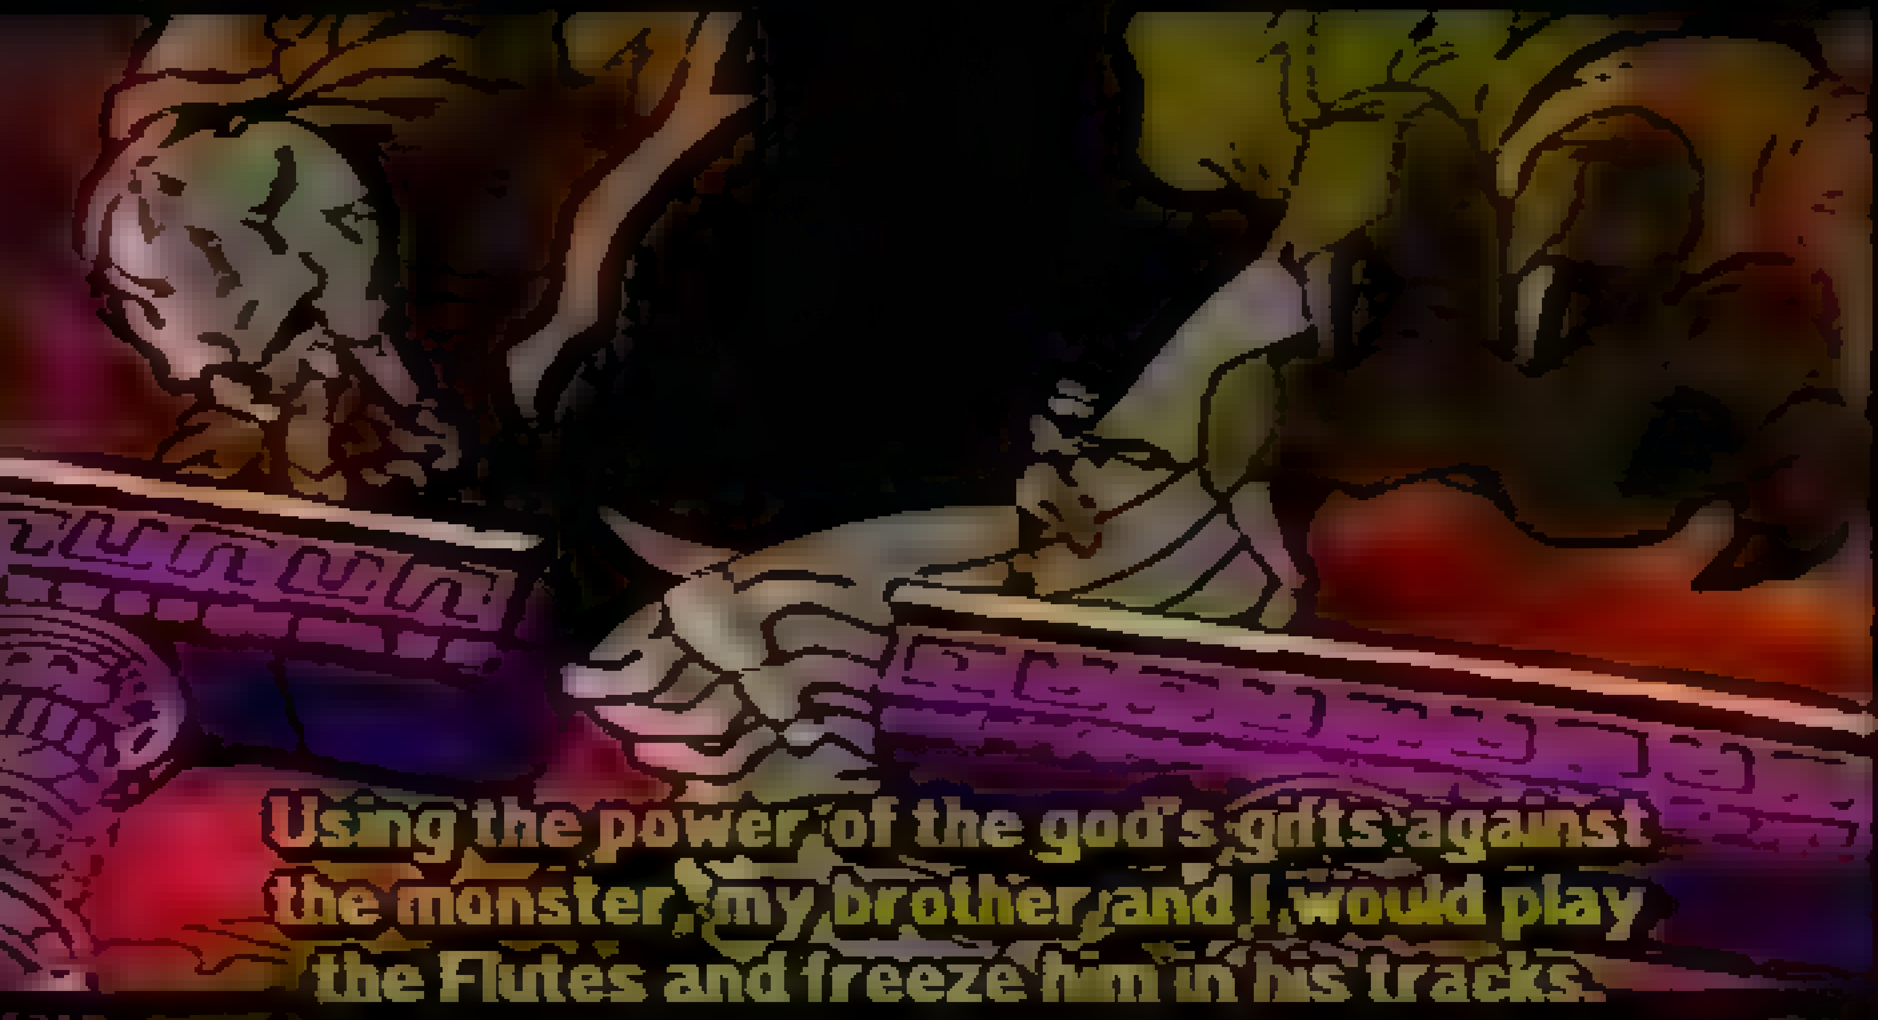

This is one of the gifts from the gods.

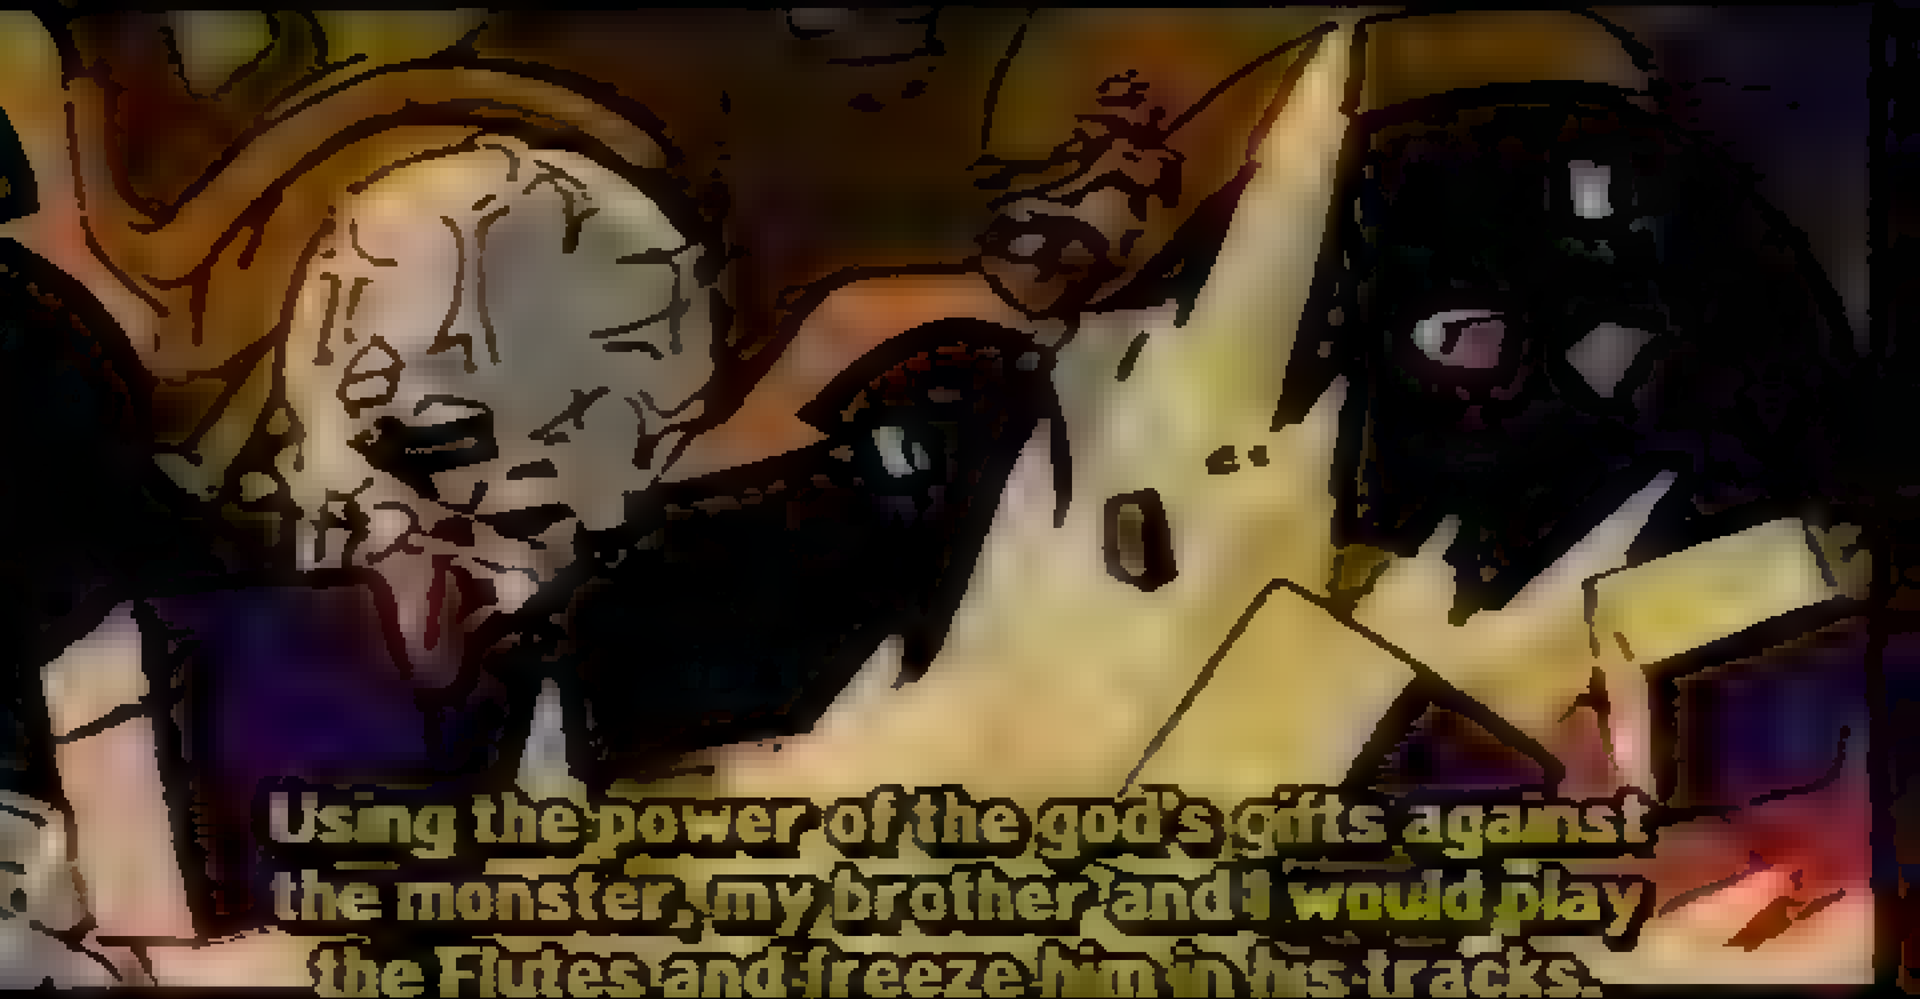

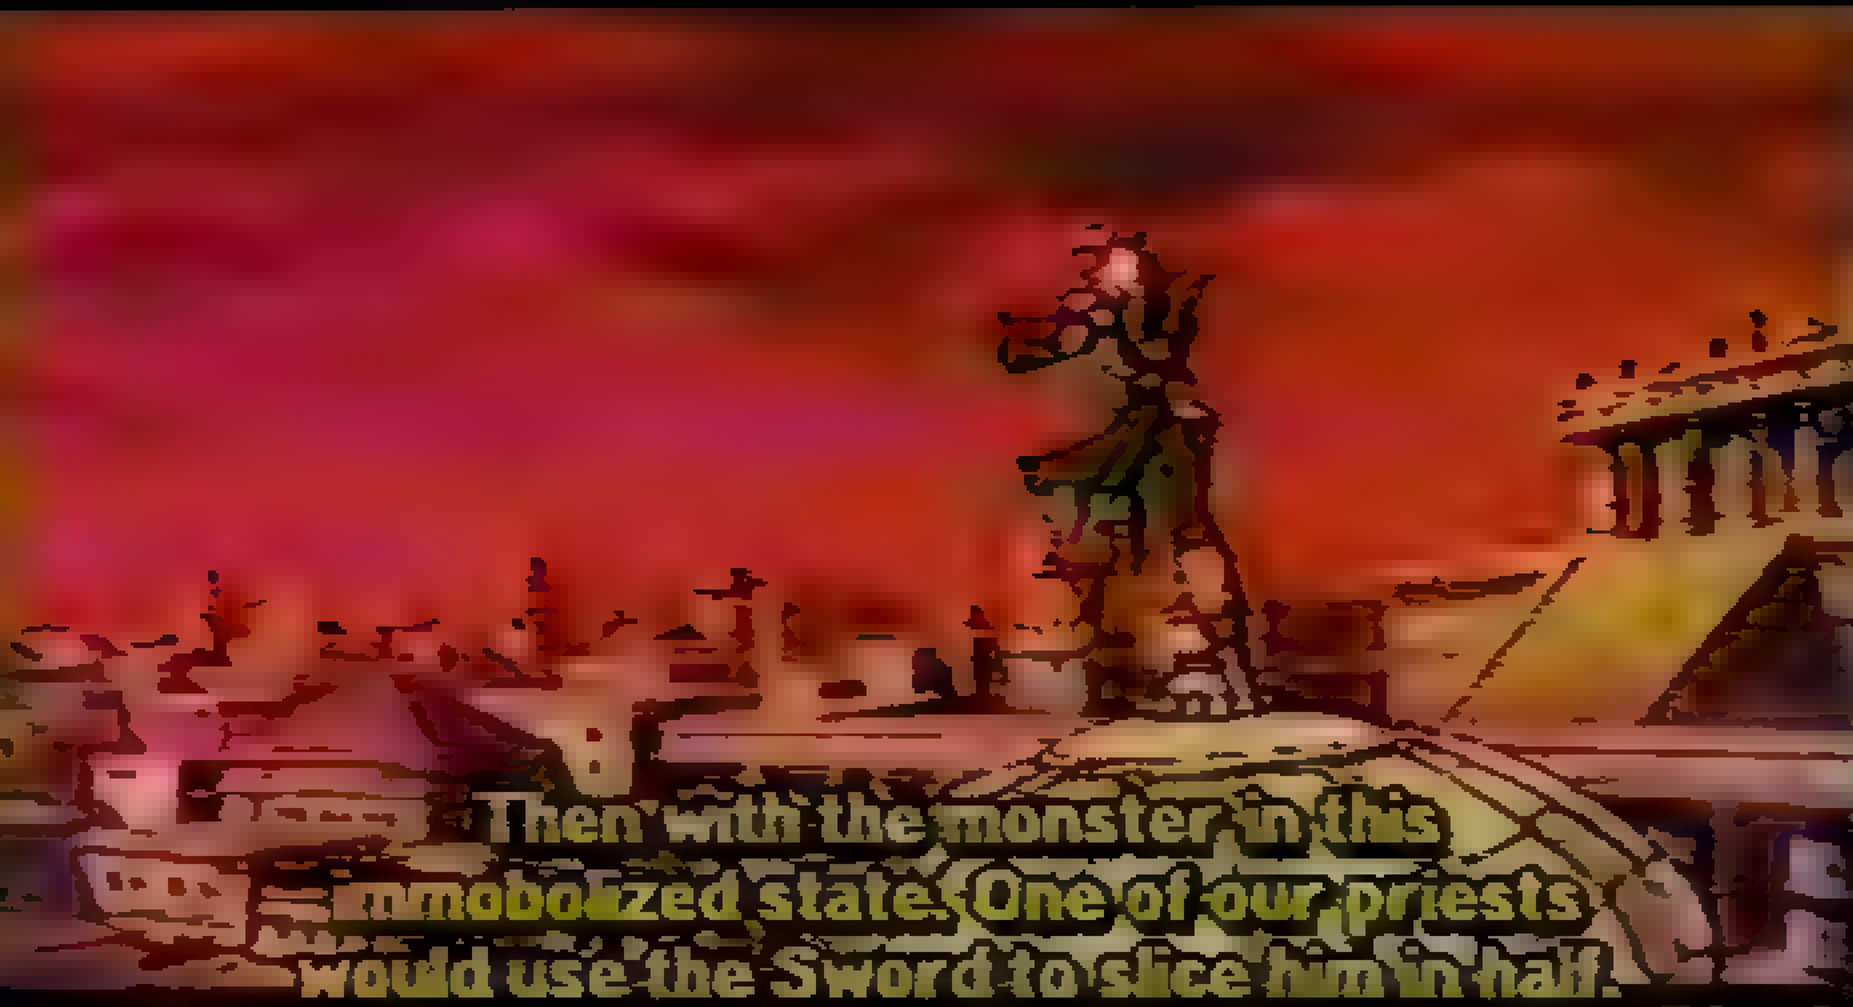

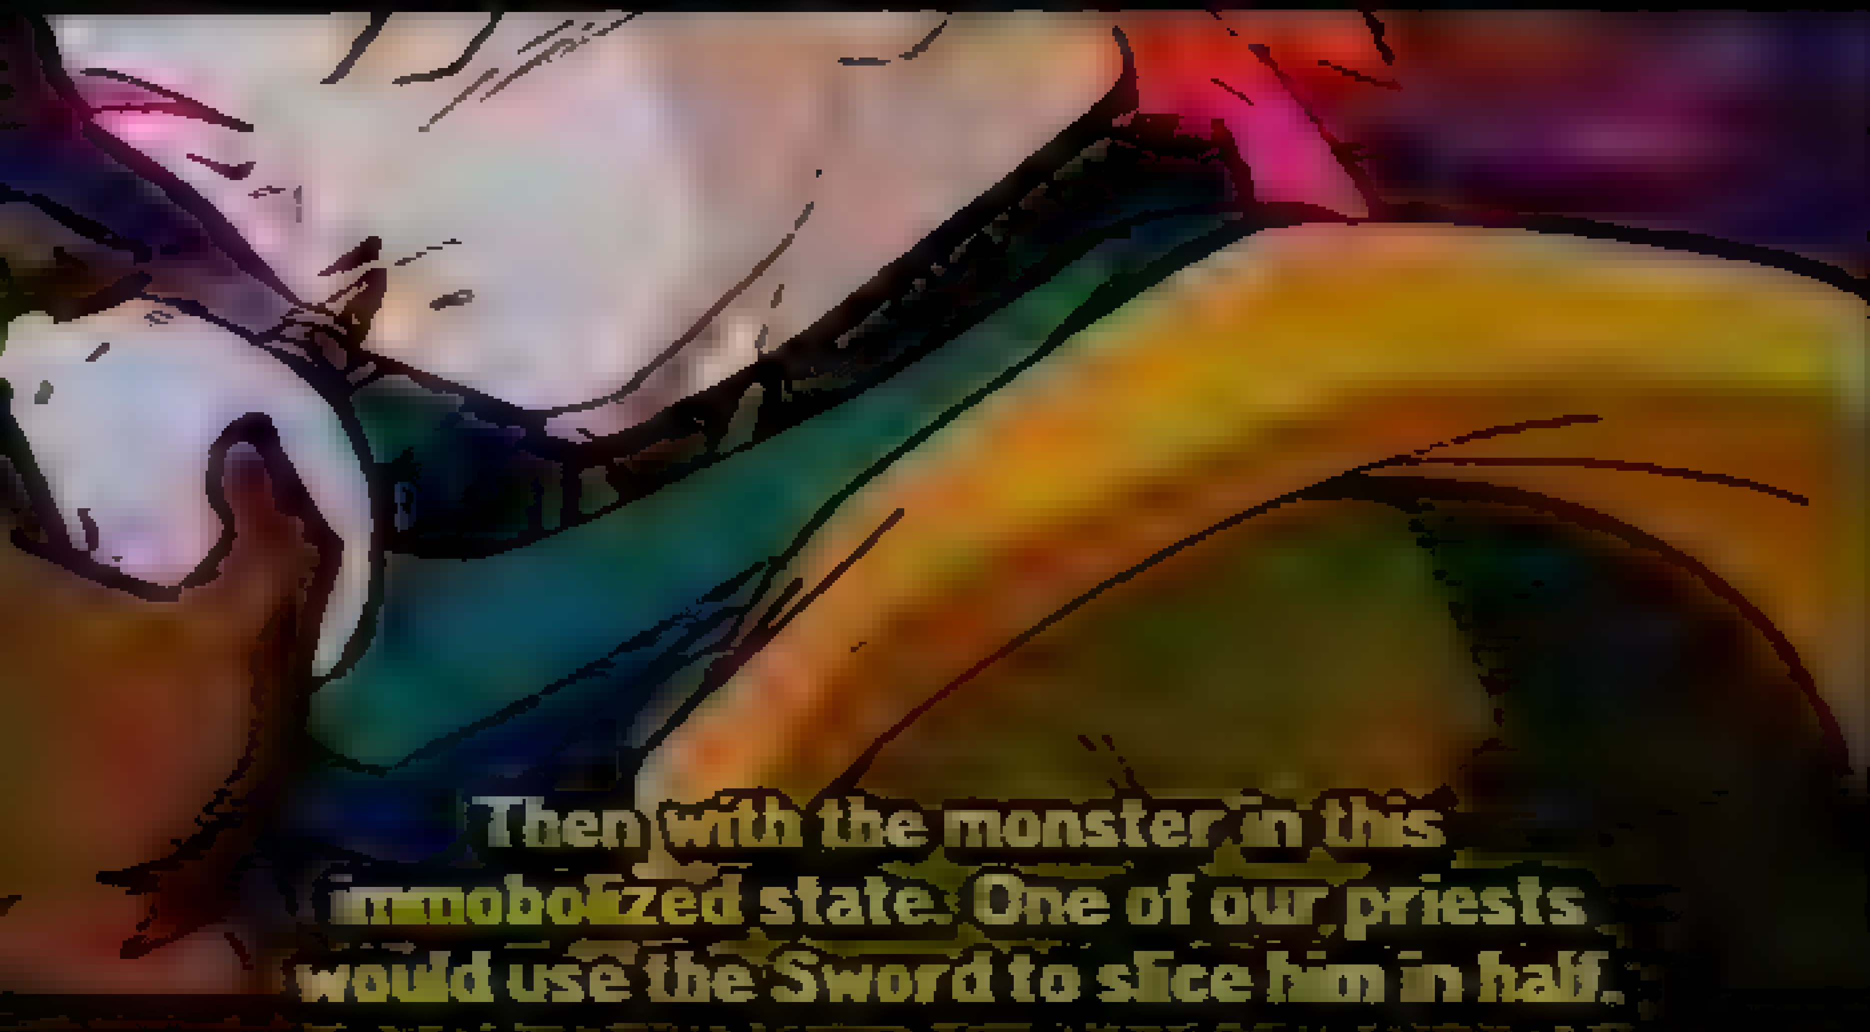

Using the power of the god's gifts against
the monster, my brother and I would play
the Flutes and freeze him in his tracks.

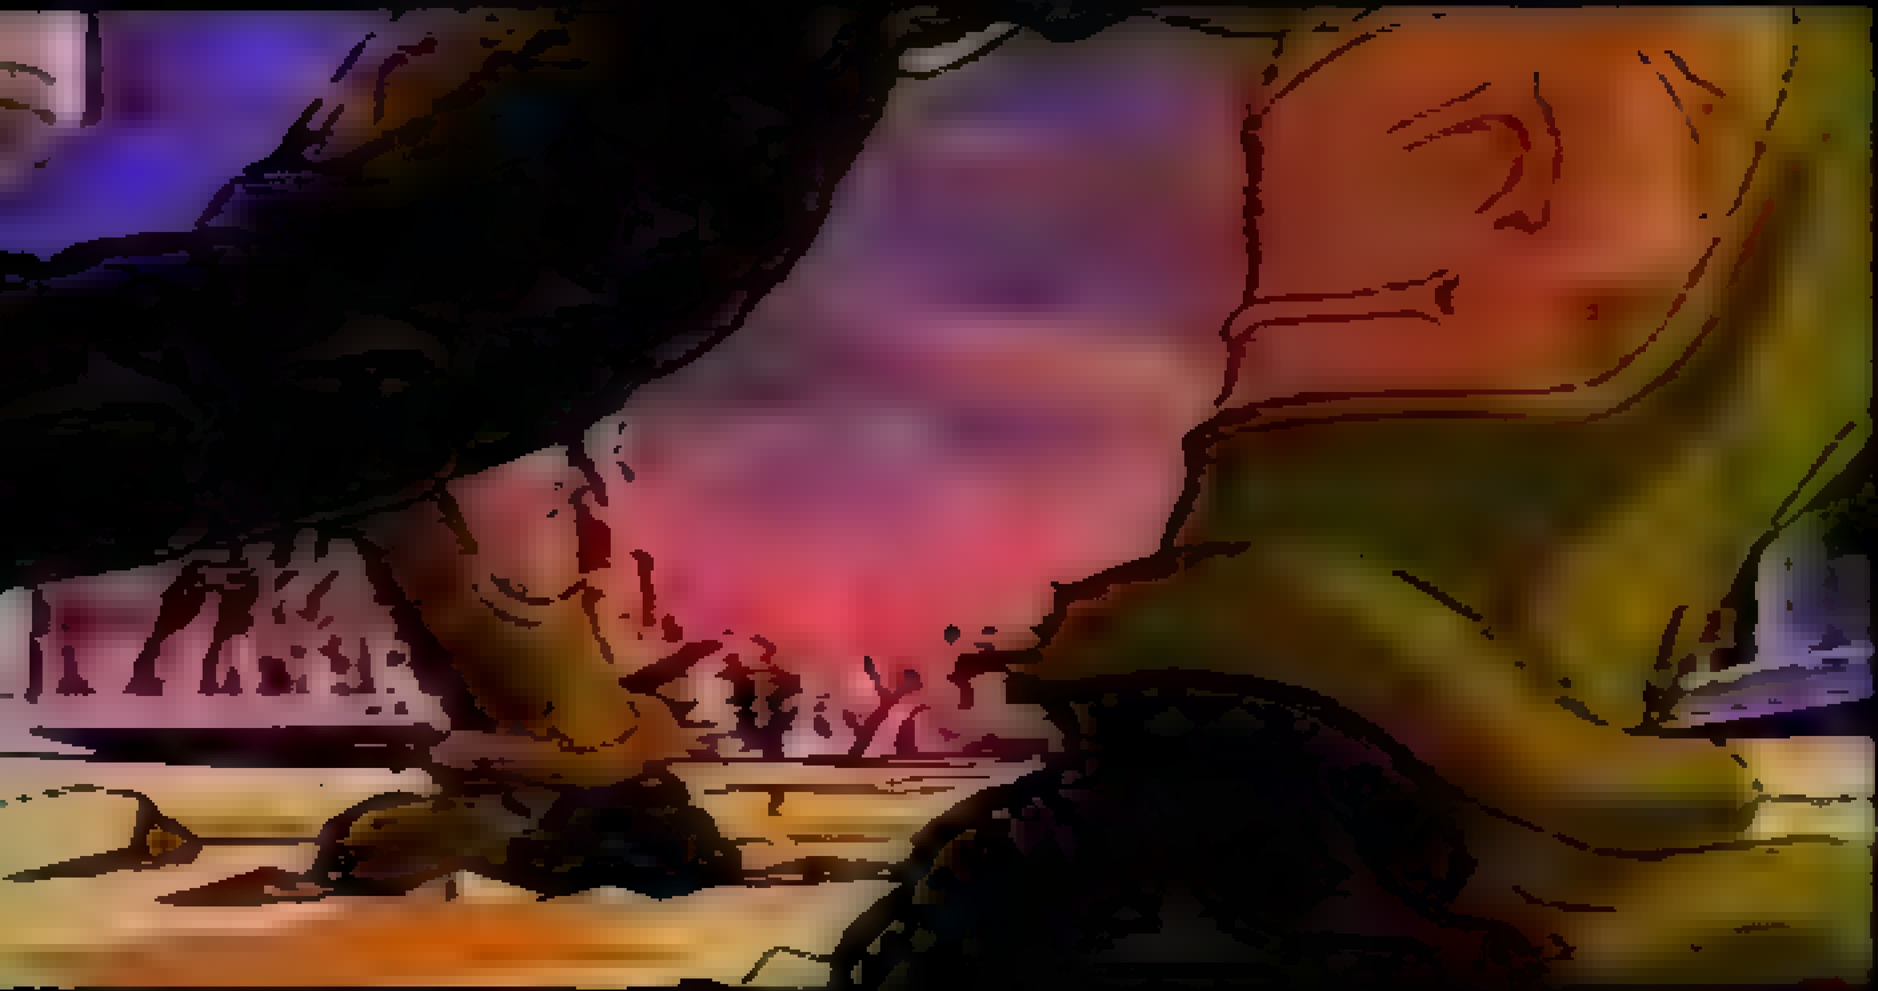

Using the power of the god's gifts against
the monster, my brother and I would play
the Flutes and freeze him in his tracks.

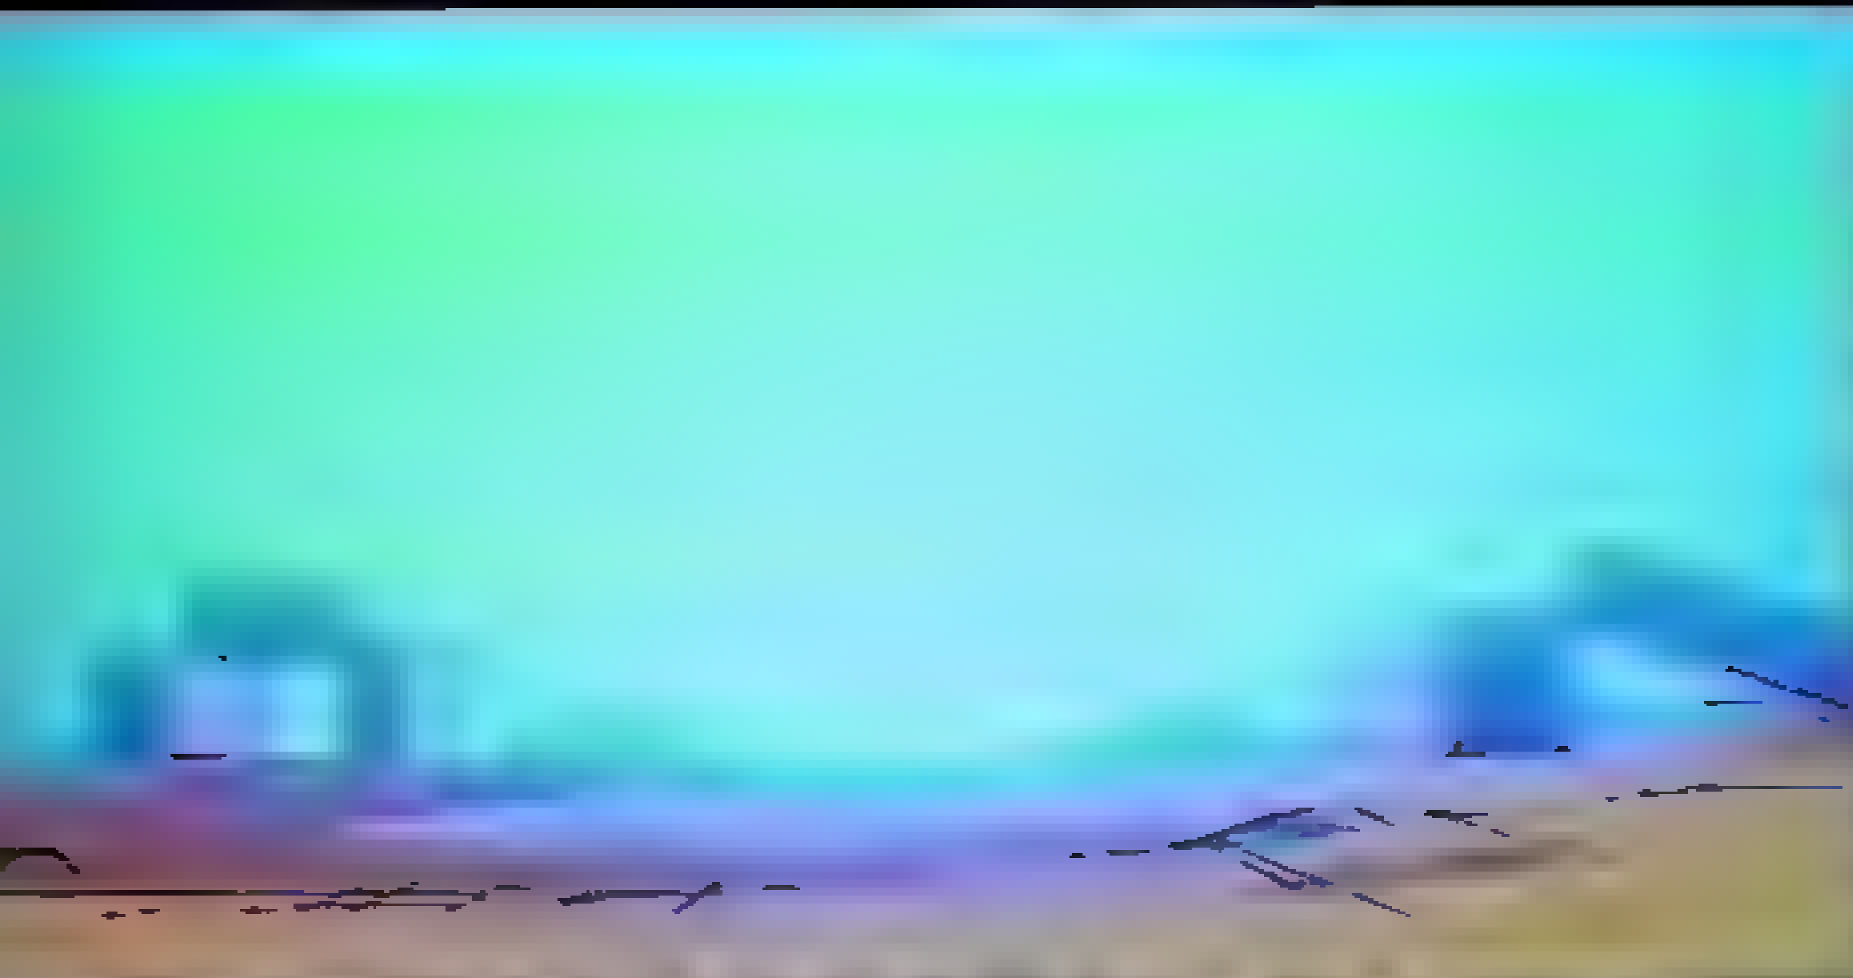

Using the power of the god's gifts against
the monster, my brother and I would play
the Flutes and freeze him in his tracks.

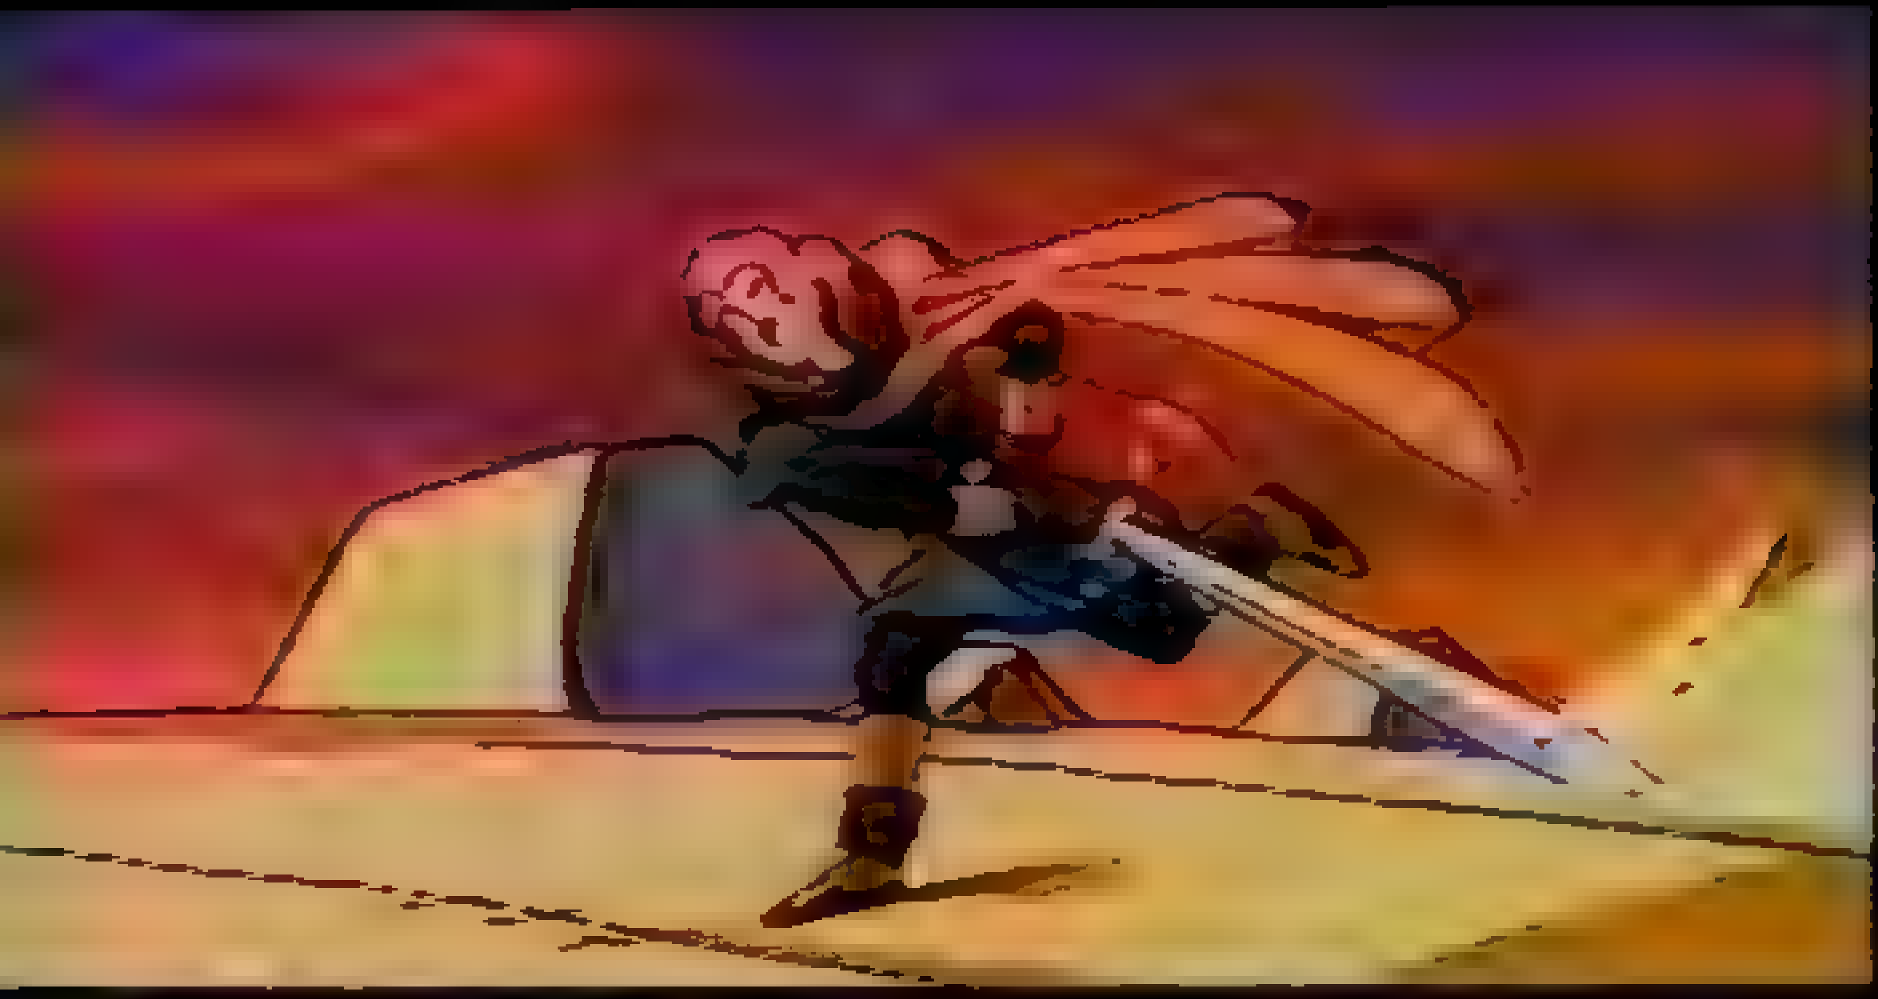

Using the power of the god's gifts against the monster, my brother and I would play the Flutes and freeze him in his tracks.

Then with the monster in this
immobolized state. One of our priests
would use the Sword to slice him in half.

Then with the monster in this
immobolized state. One of our priests
would use the Sword to slice him in half.

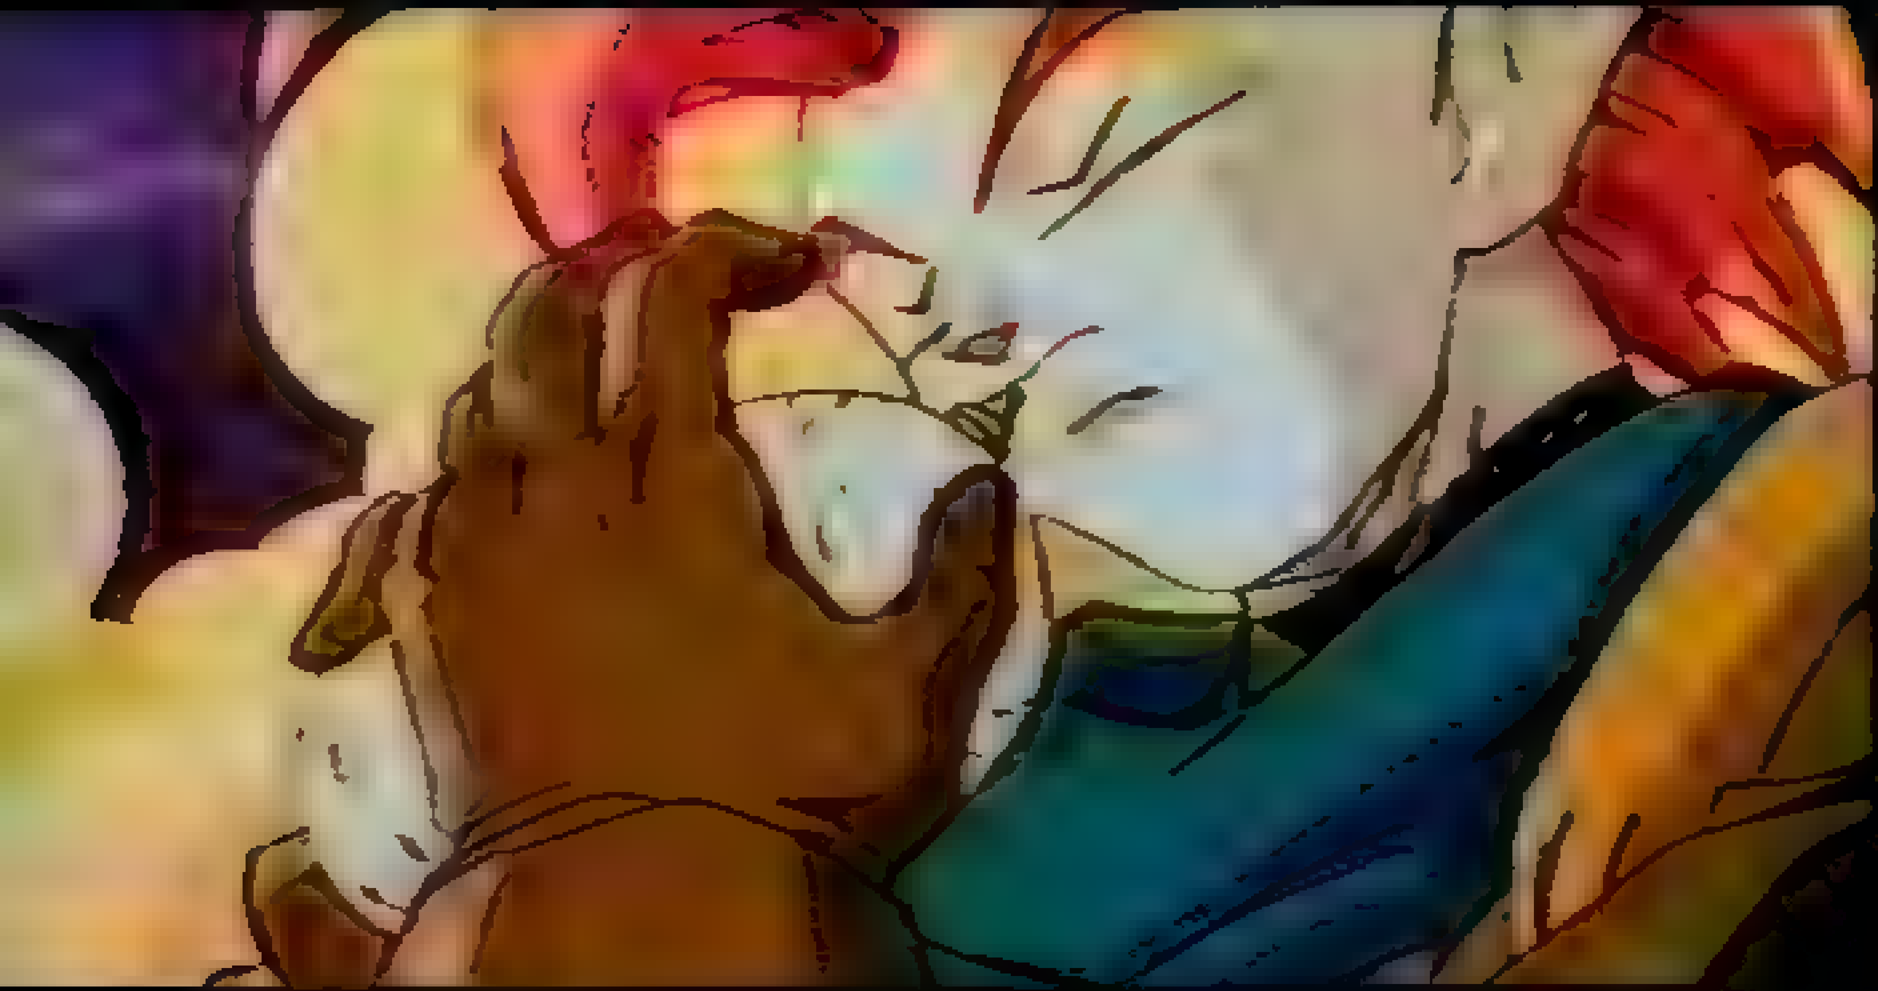

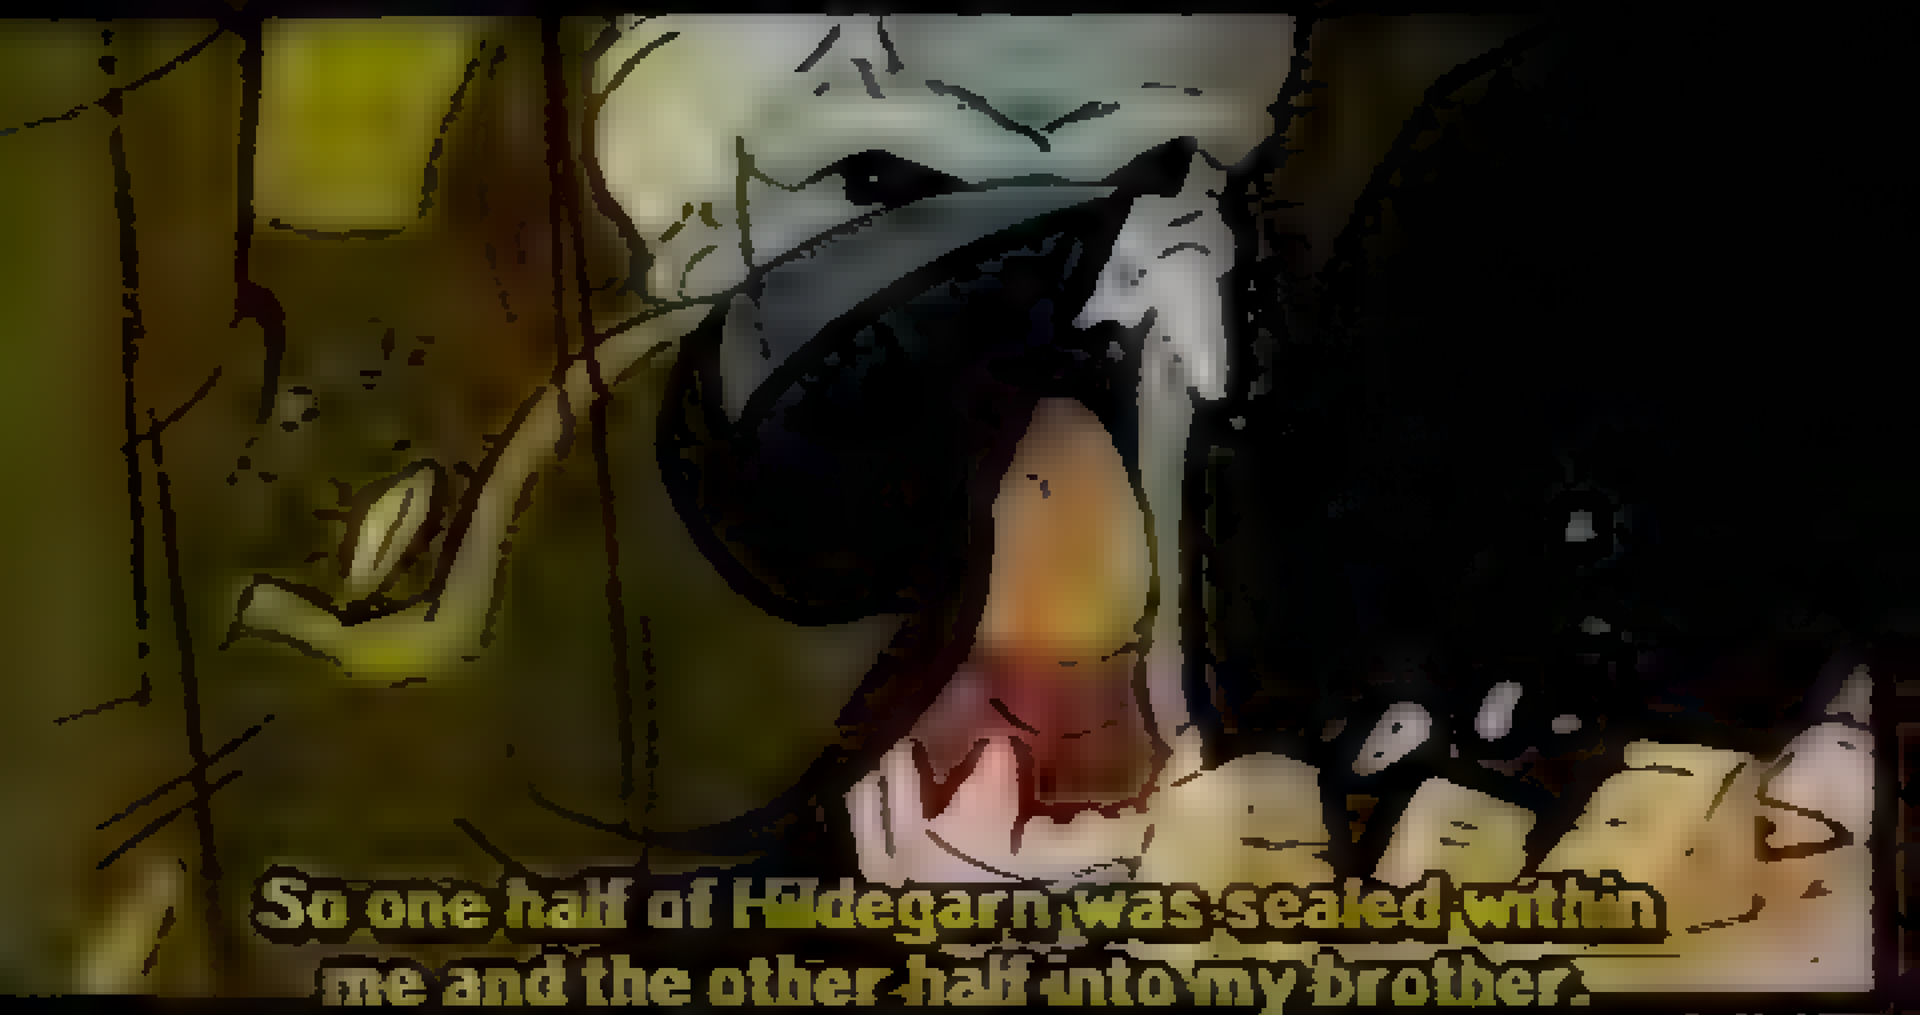

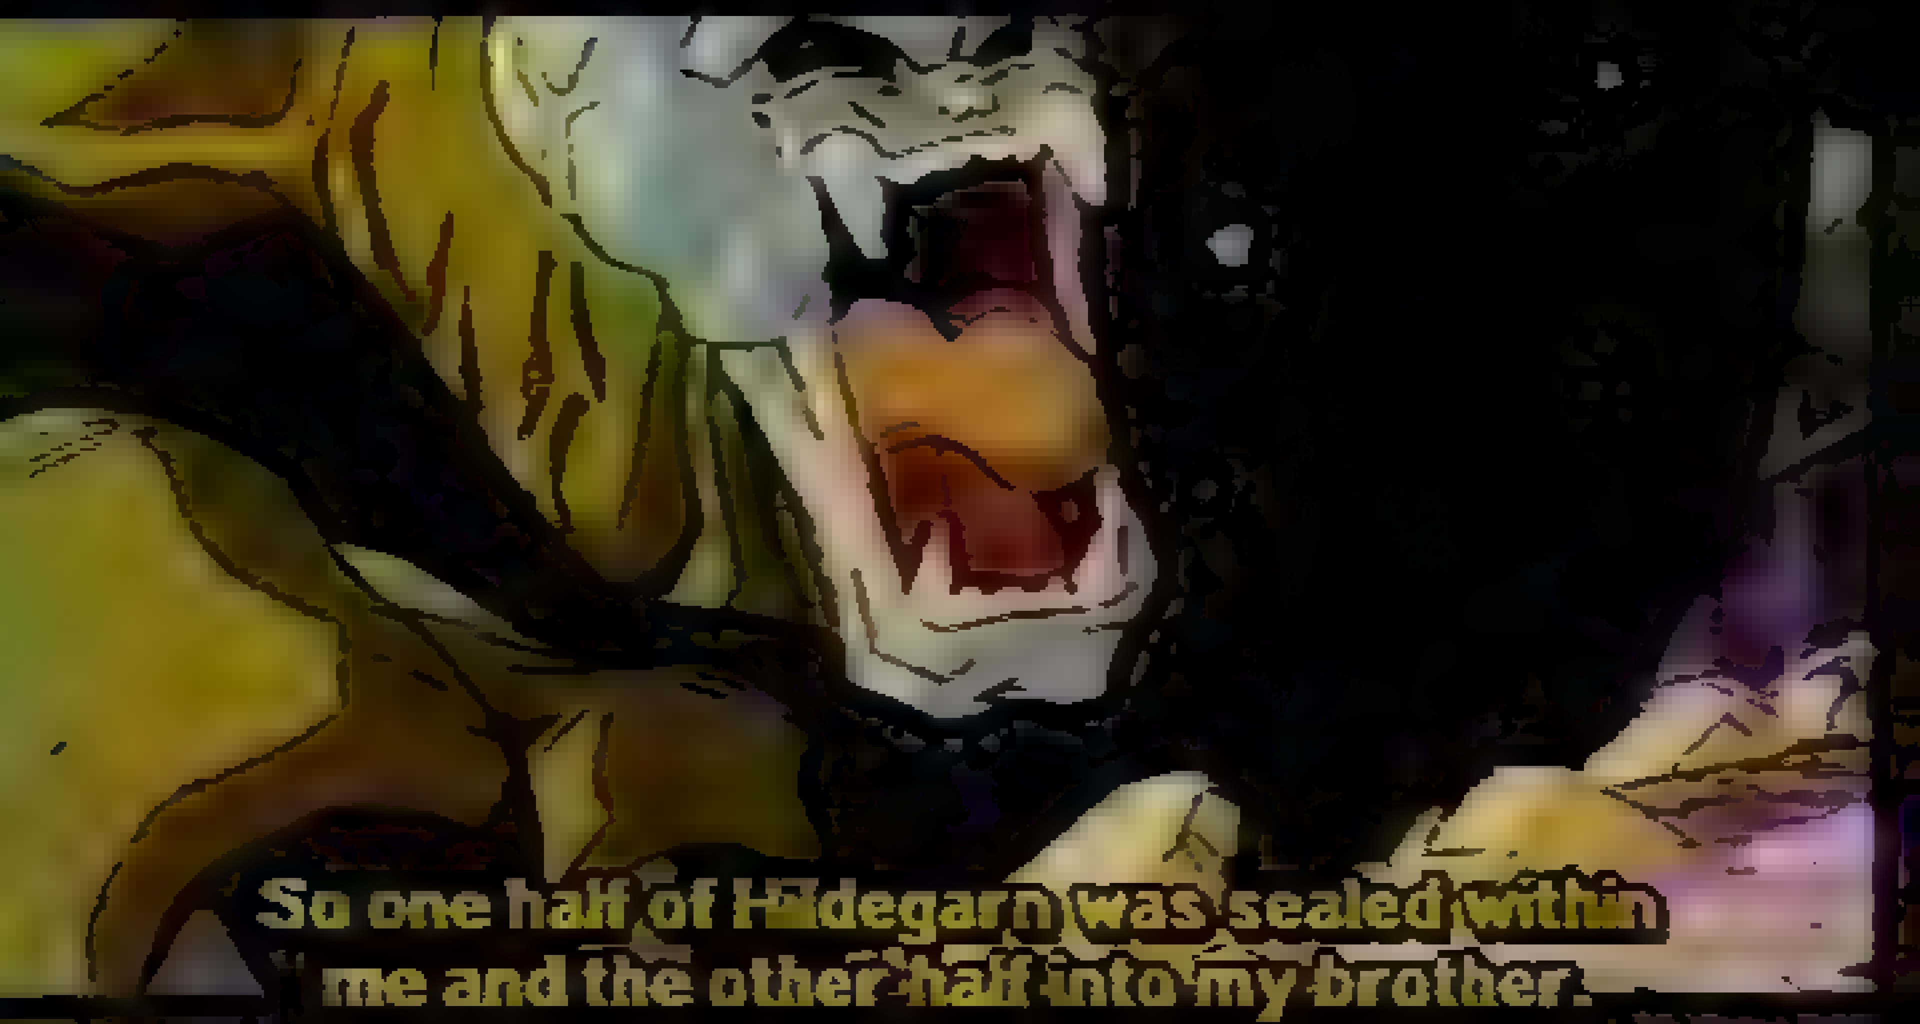

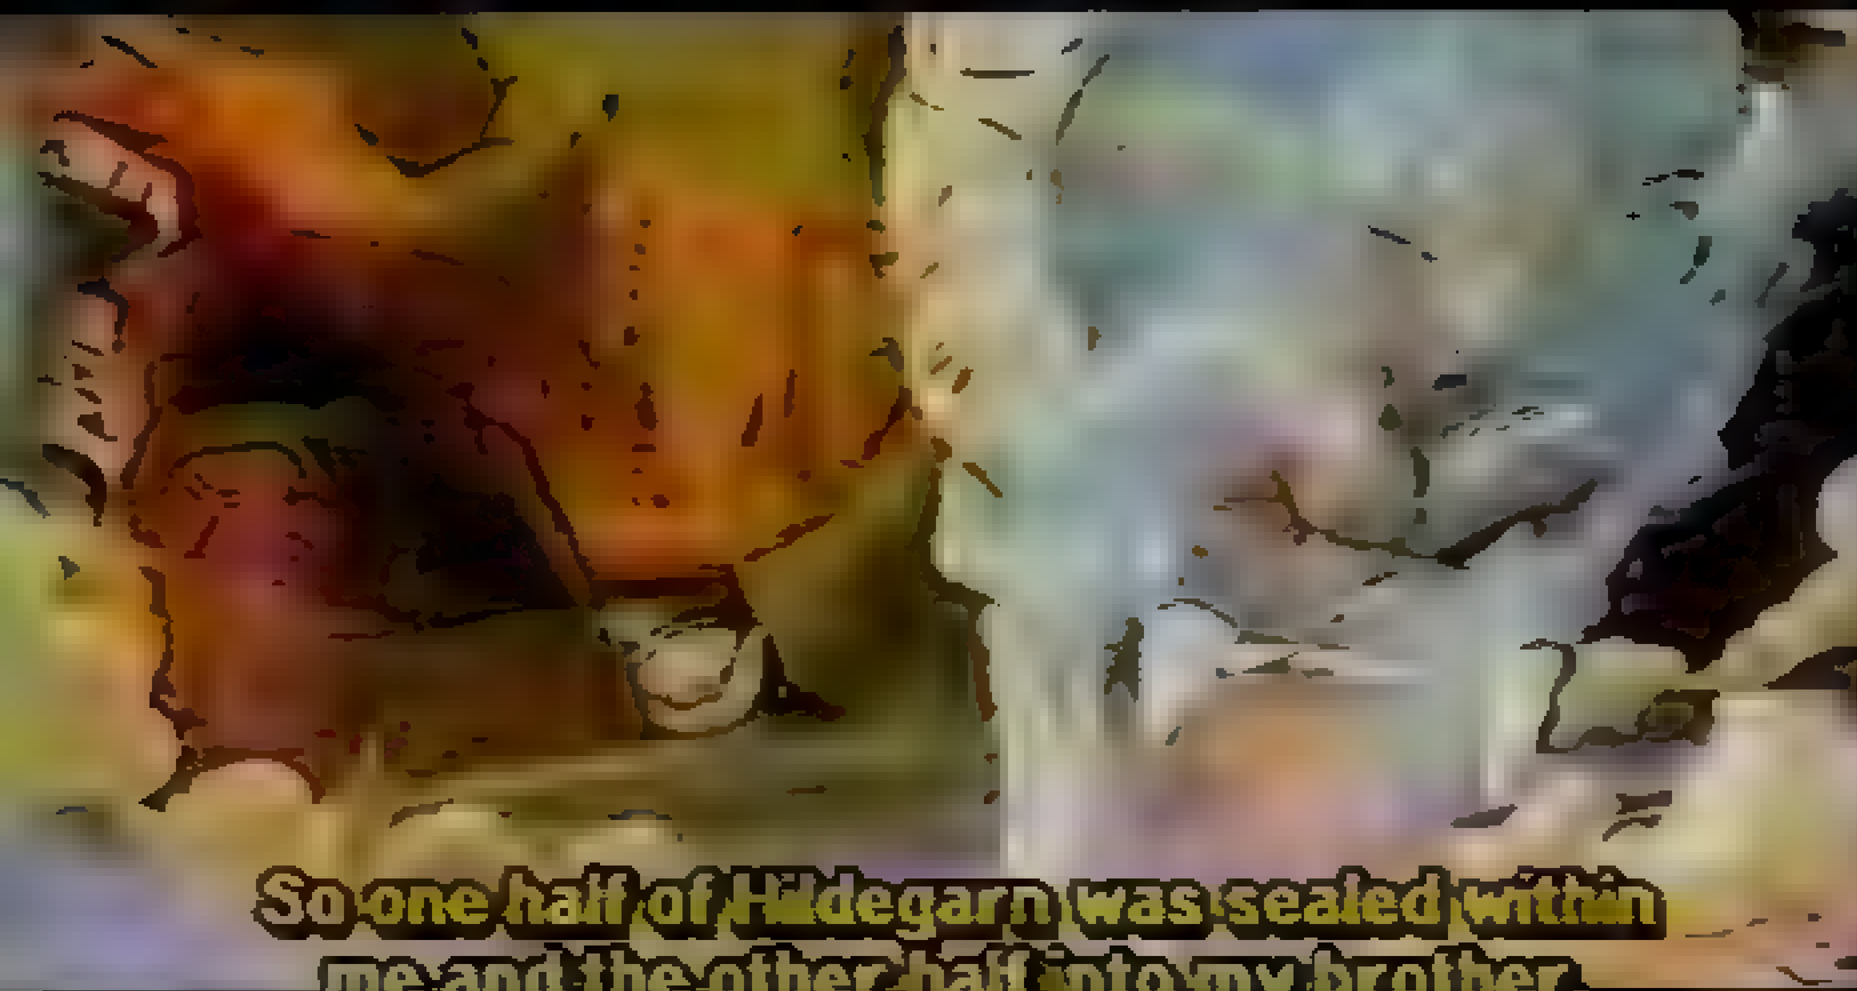

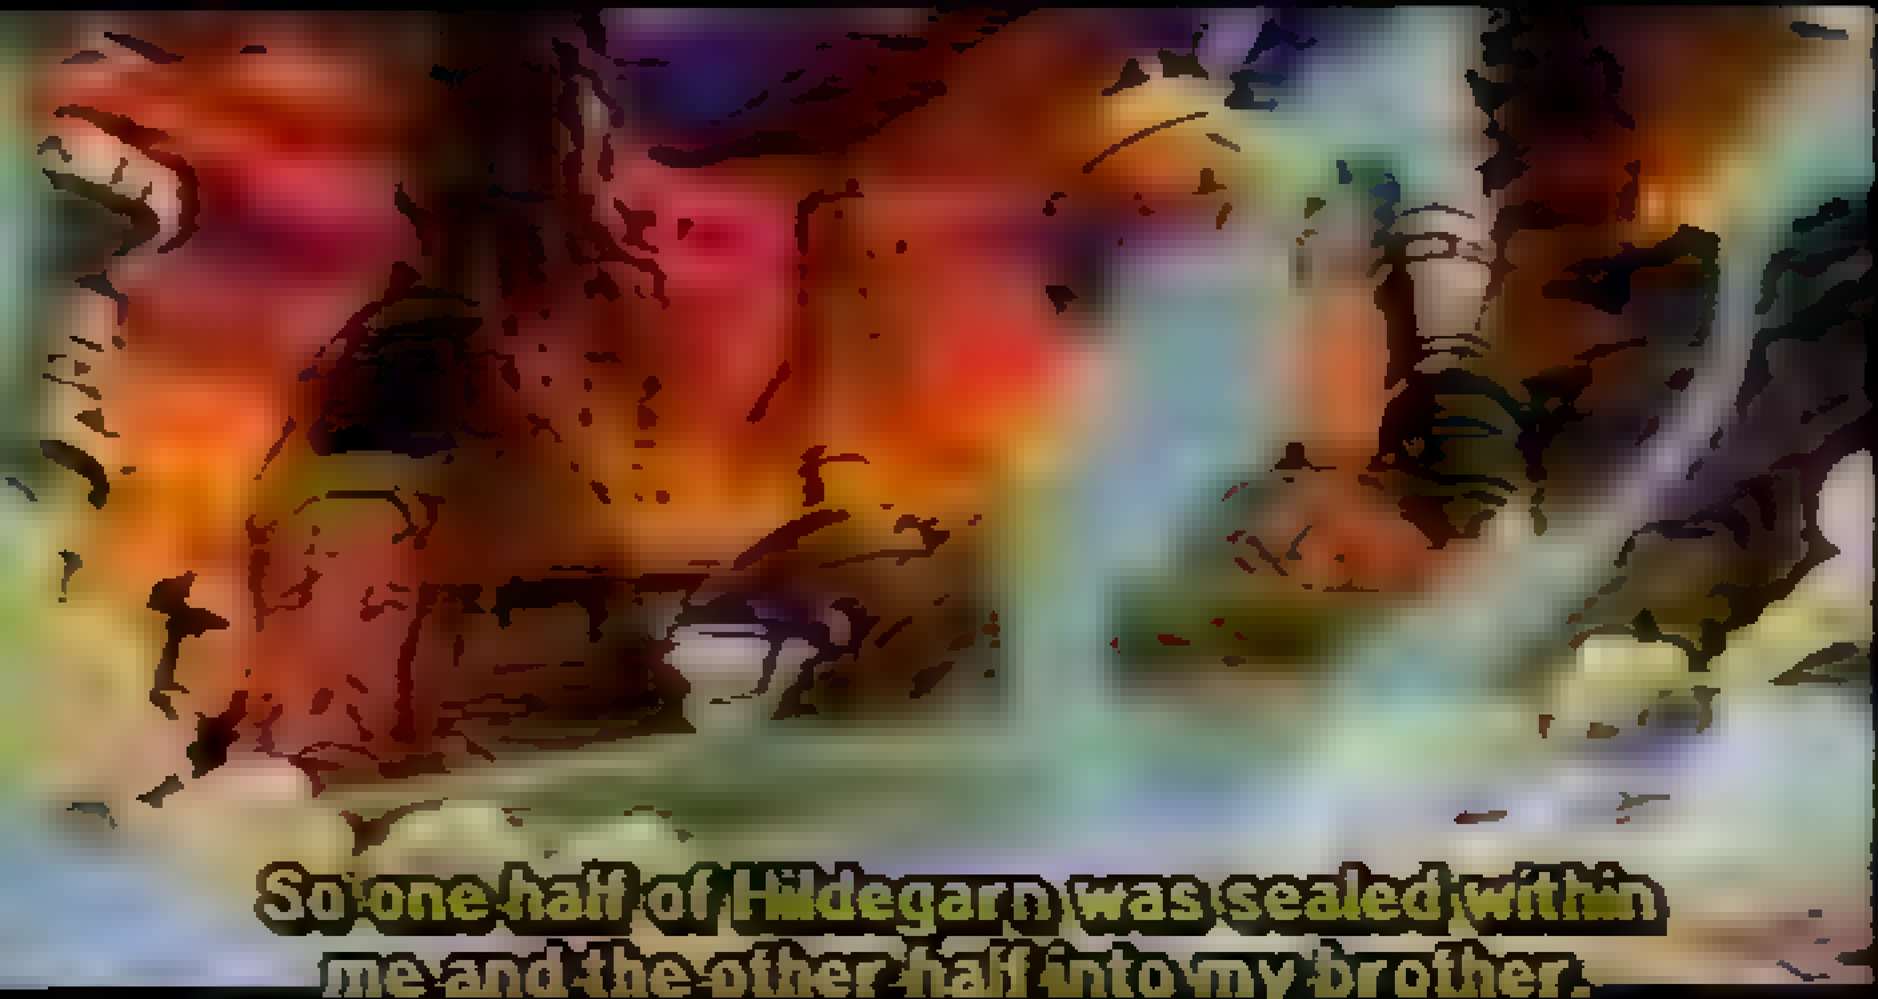

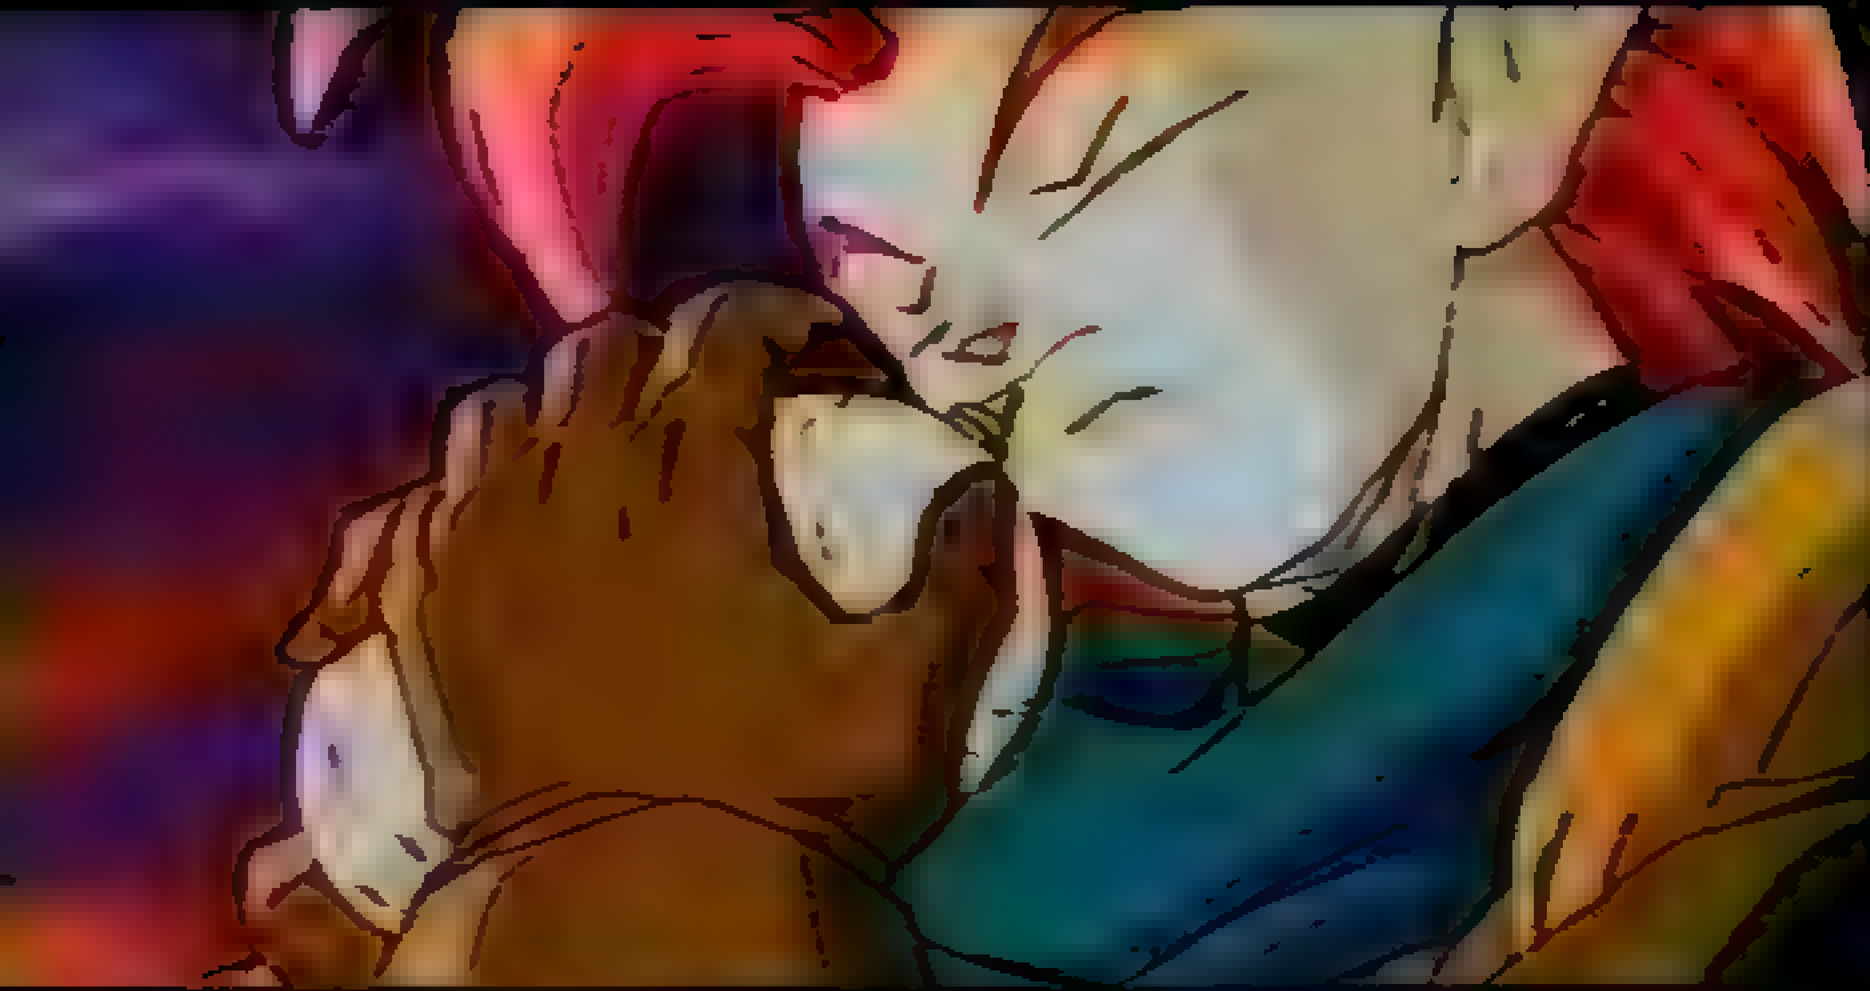

So one half of Hildegarn was sealed within me and the other half into my brother.

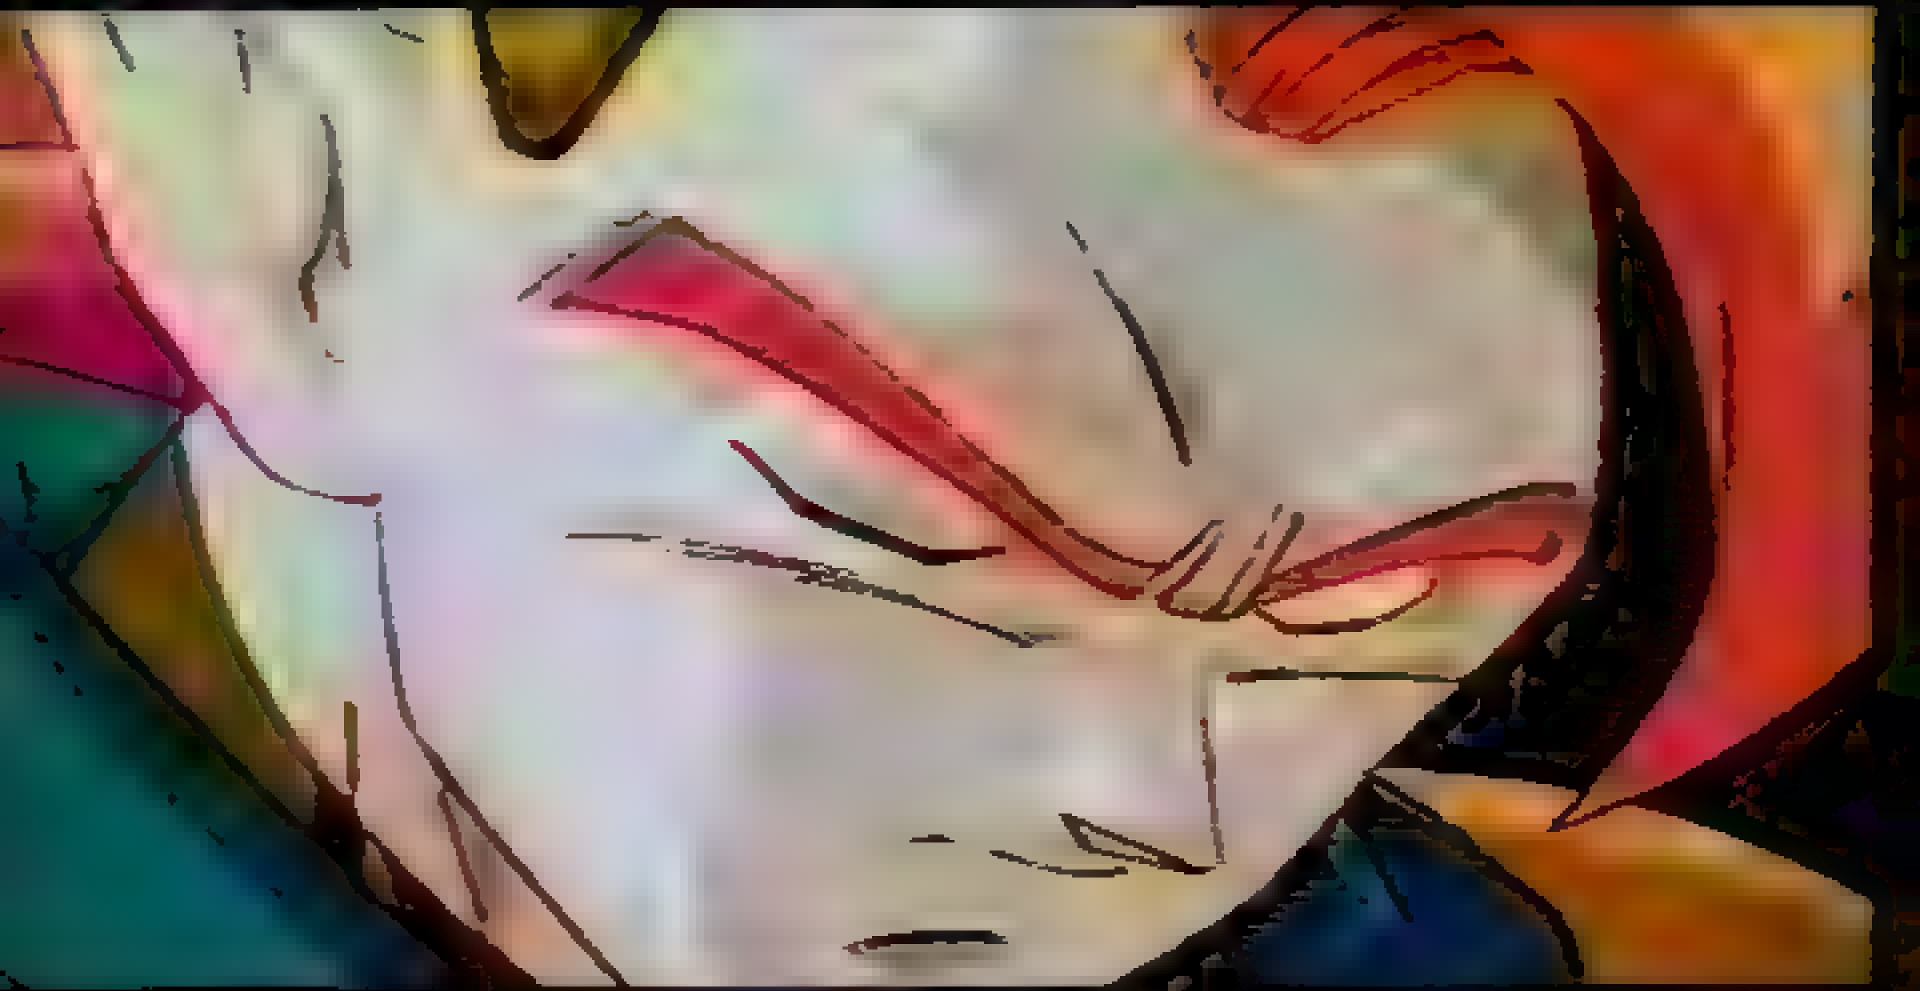

So one half of Hildegarn was sealed within
me and the other half into my brother.

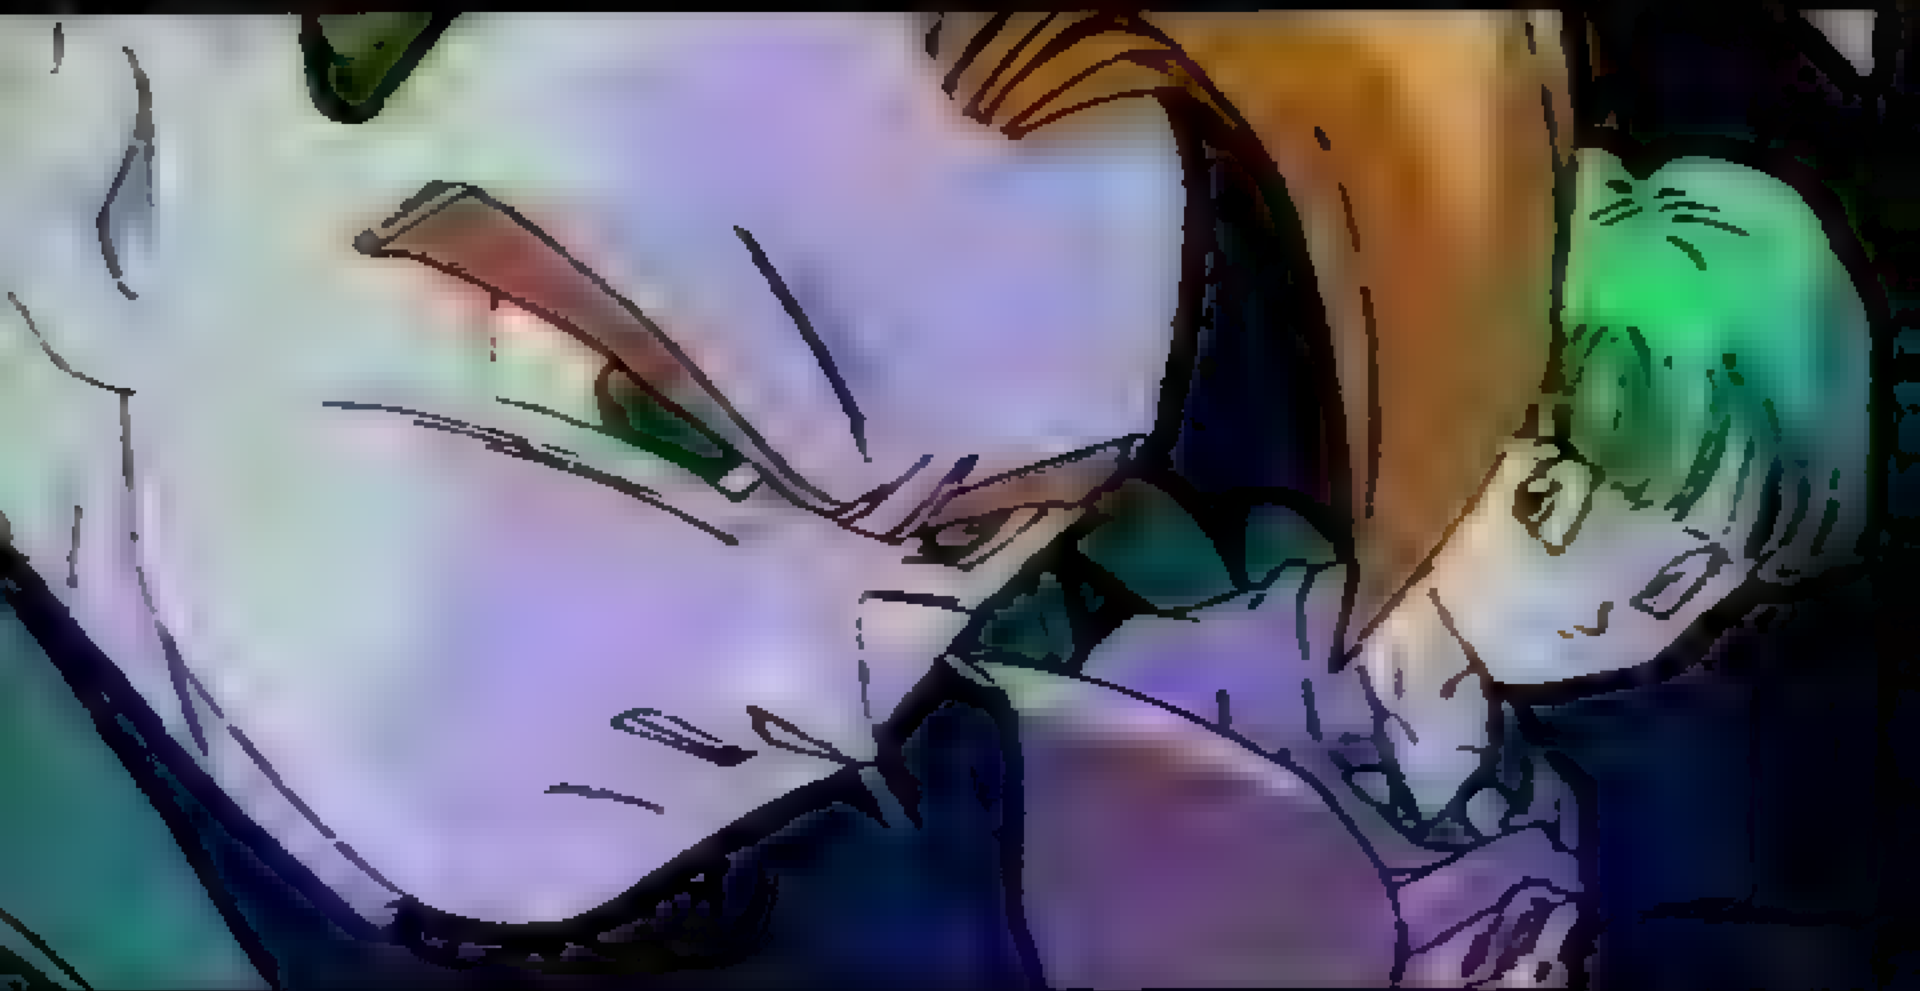

So one half of Hildegarn was sealed within
me and the other half into my brother.

So one half of Hildegarn was sealed within
me and the other half into my brother.

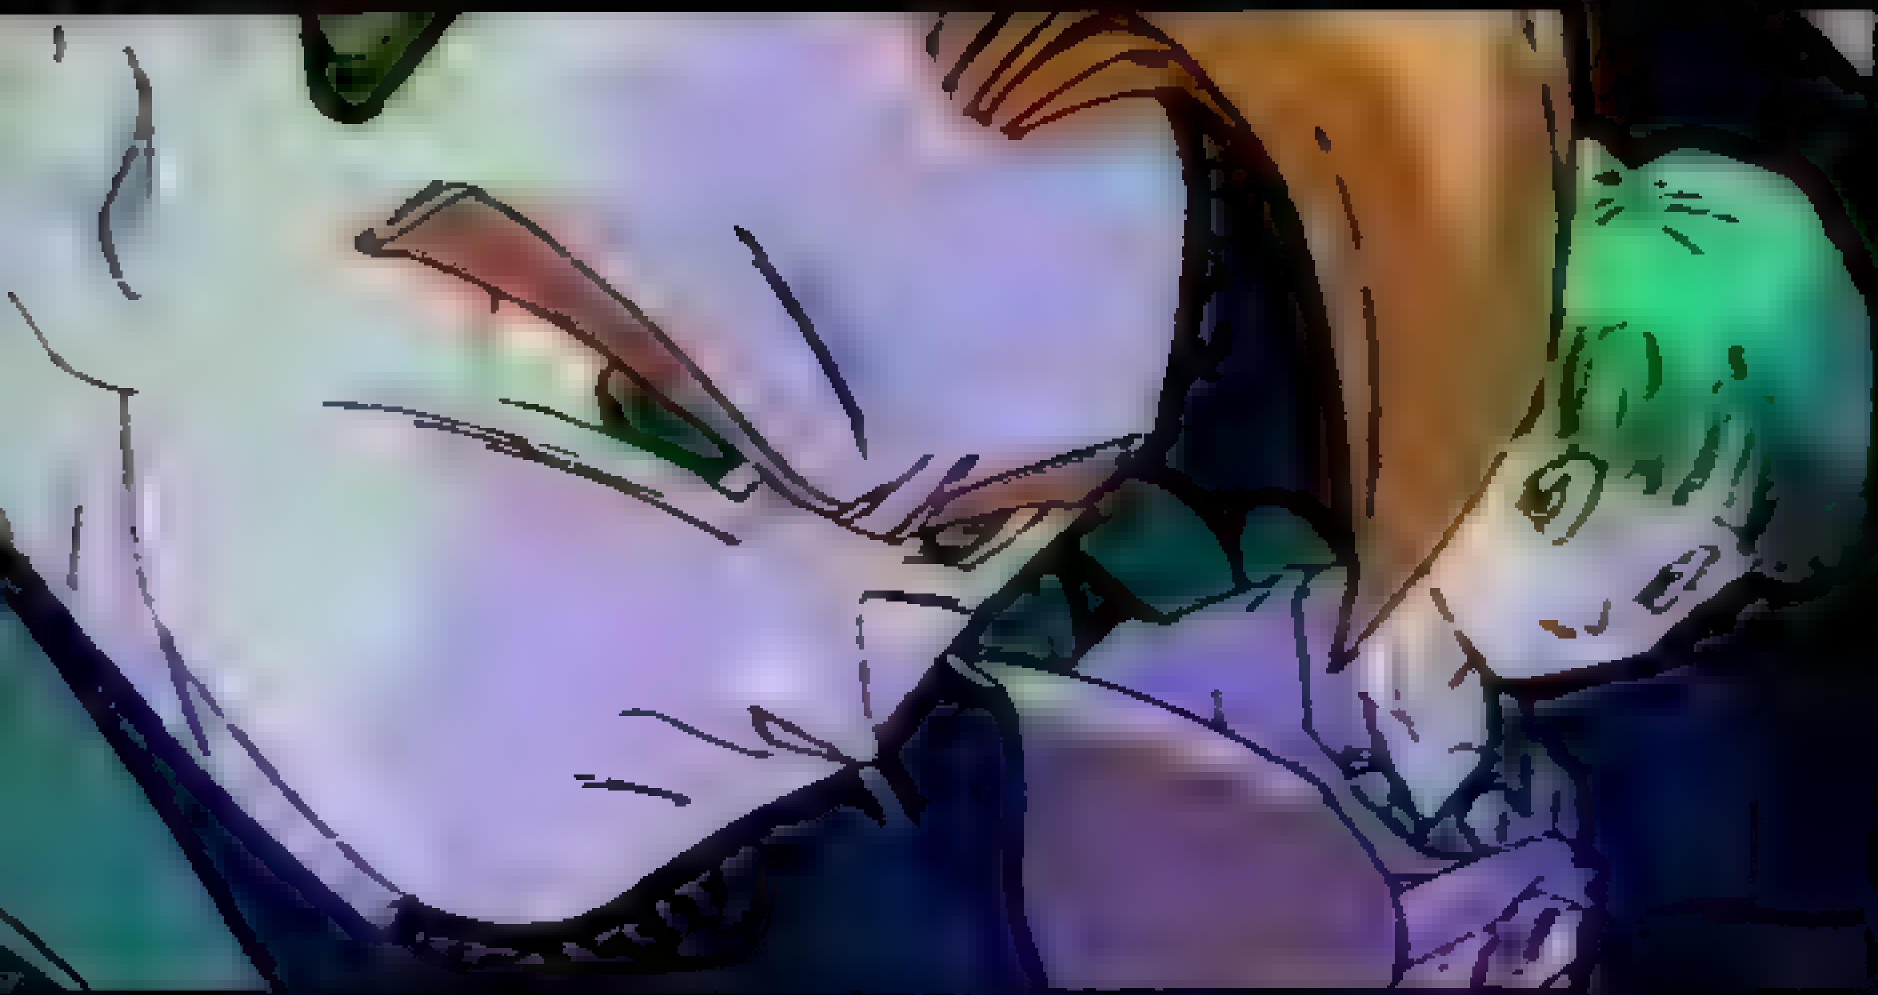

At last, peace was restored
to the Konack Planet.

And me and my brother were to
become the Legend of the Brave.

And me and my brother were to
become the Legend of the Brave.

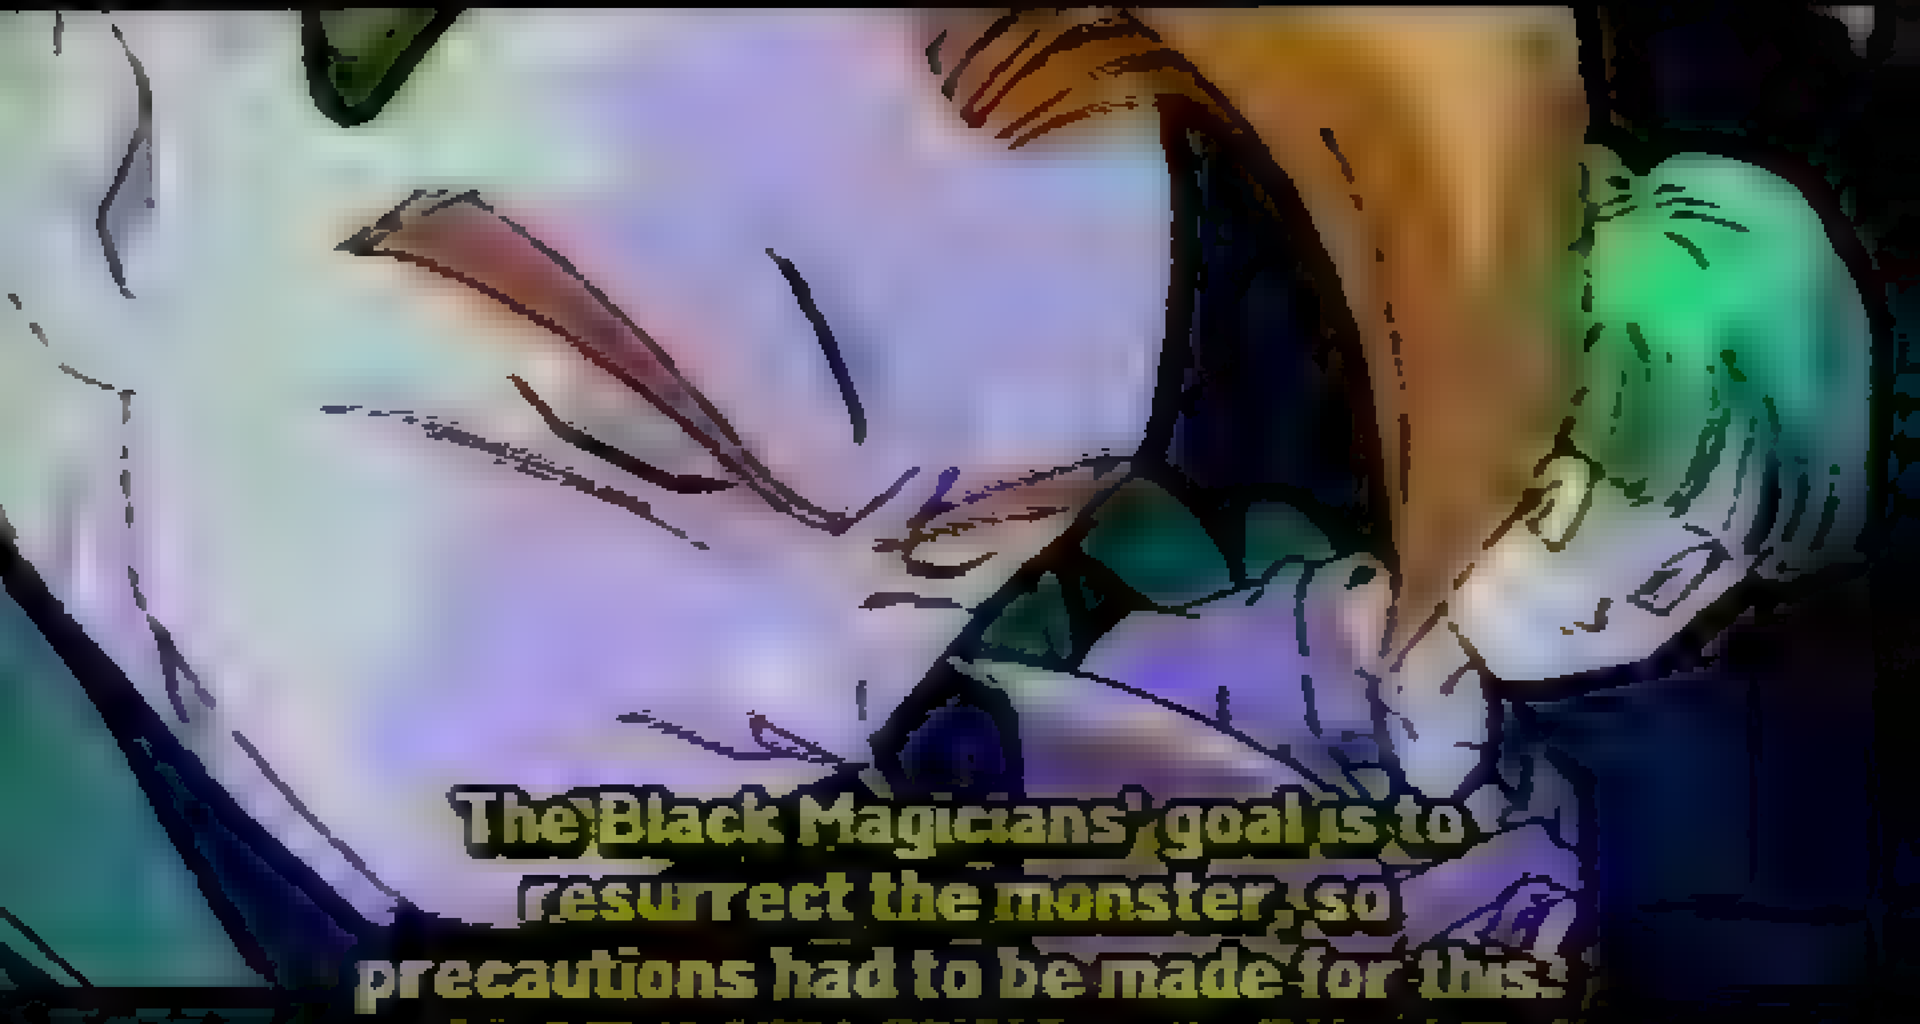

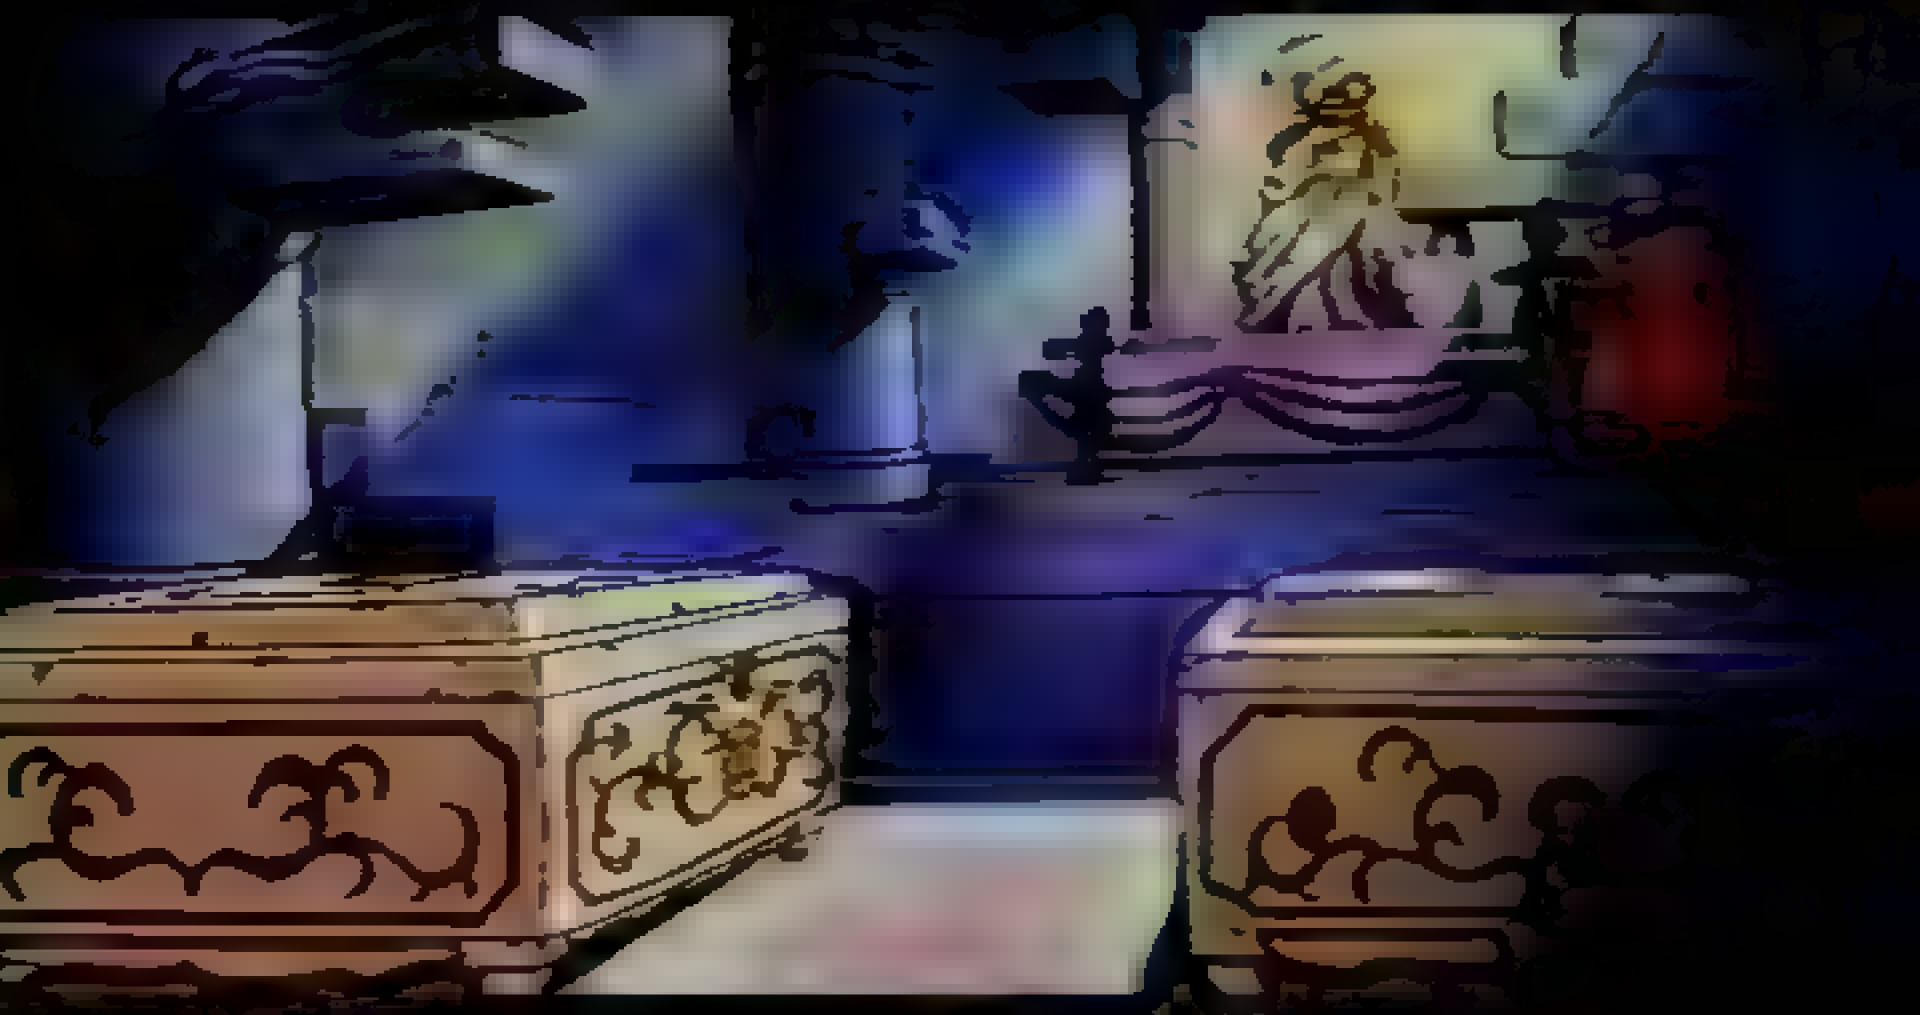

But why were you in the Oracle?

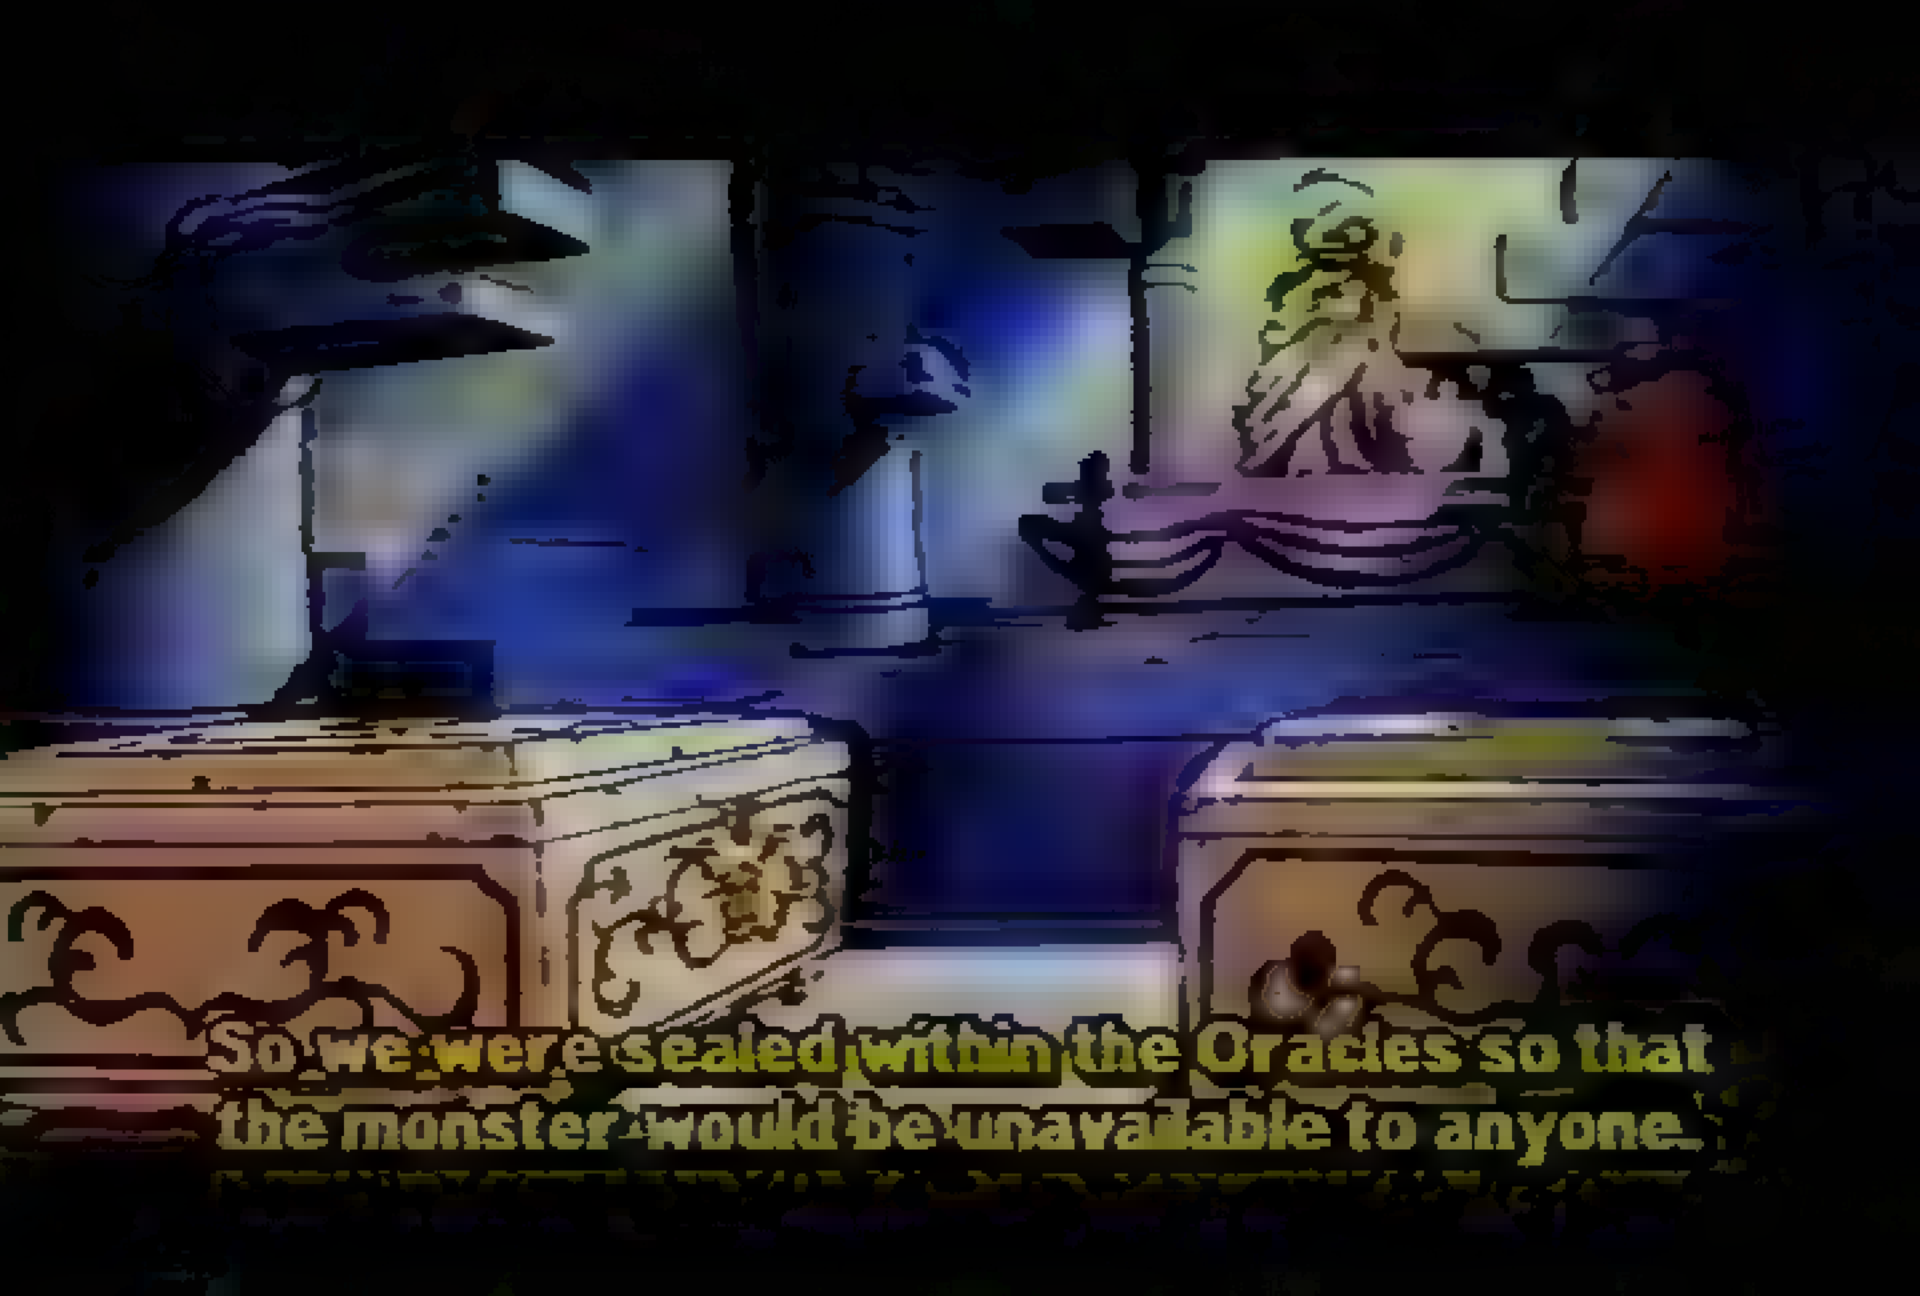

The Black Magicians' goal is to
resurrect the monster, so
precautions had to be made for this.

The Black Magicians' goal is to
resurrect the monster, so
precautions had to be made for this.

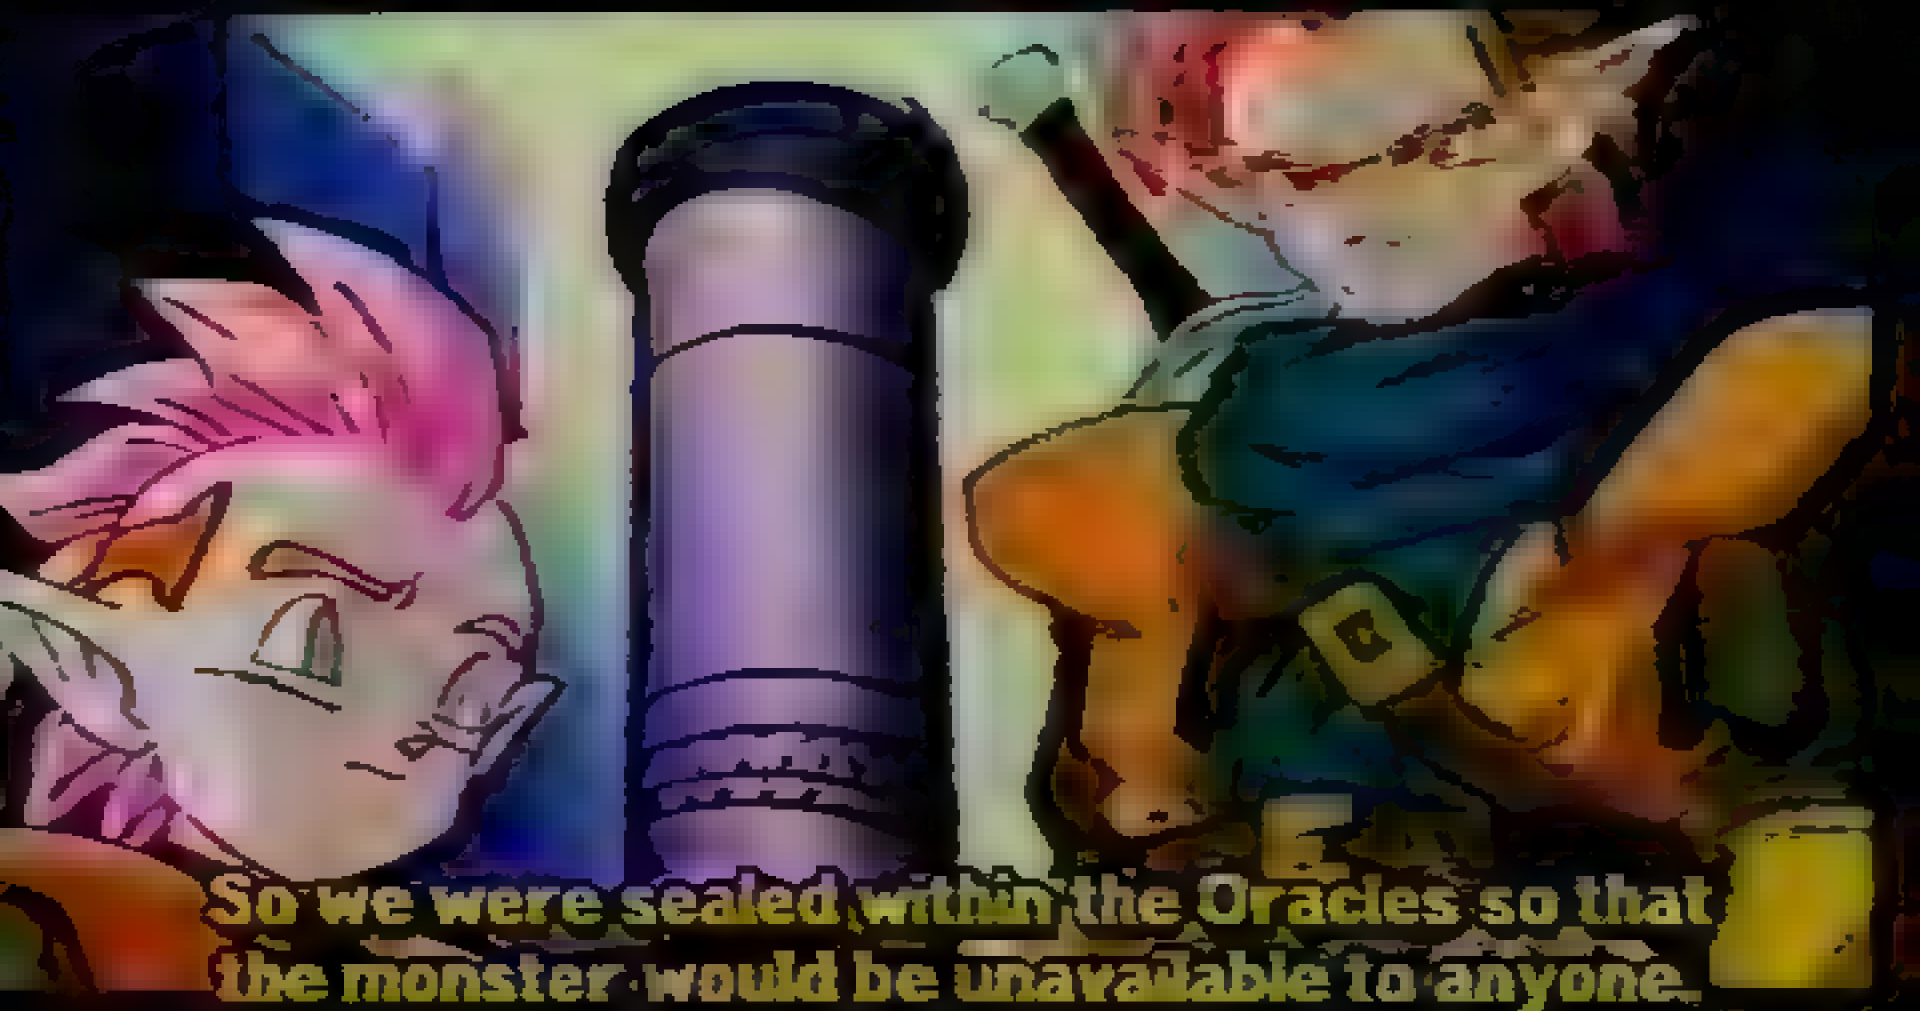

The Black Magicians' goal is to
resurrect the monster, so
precautions had to be made for this.

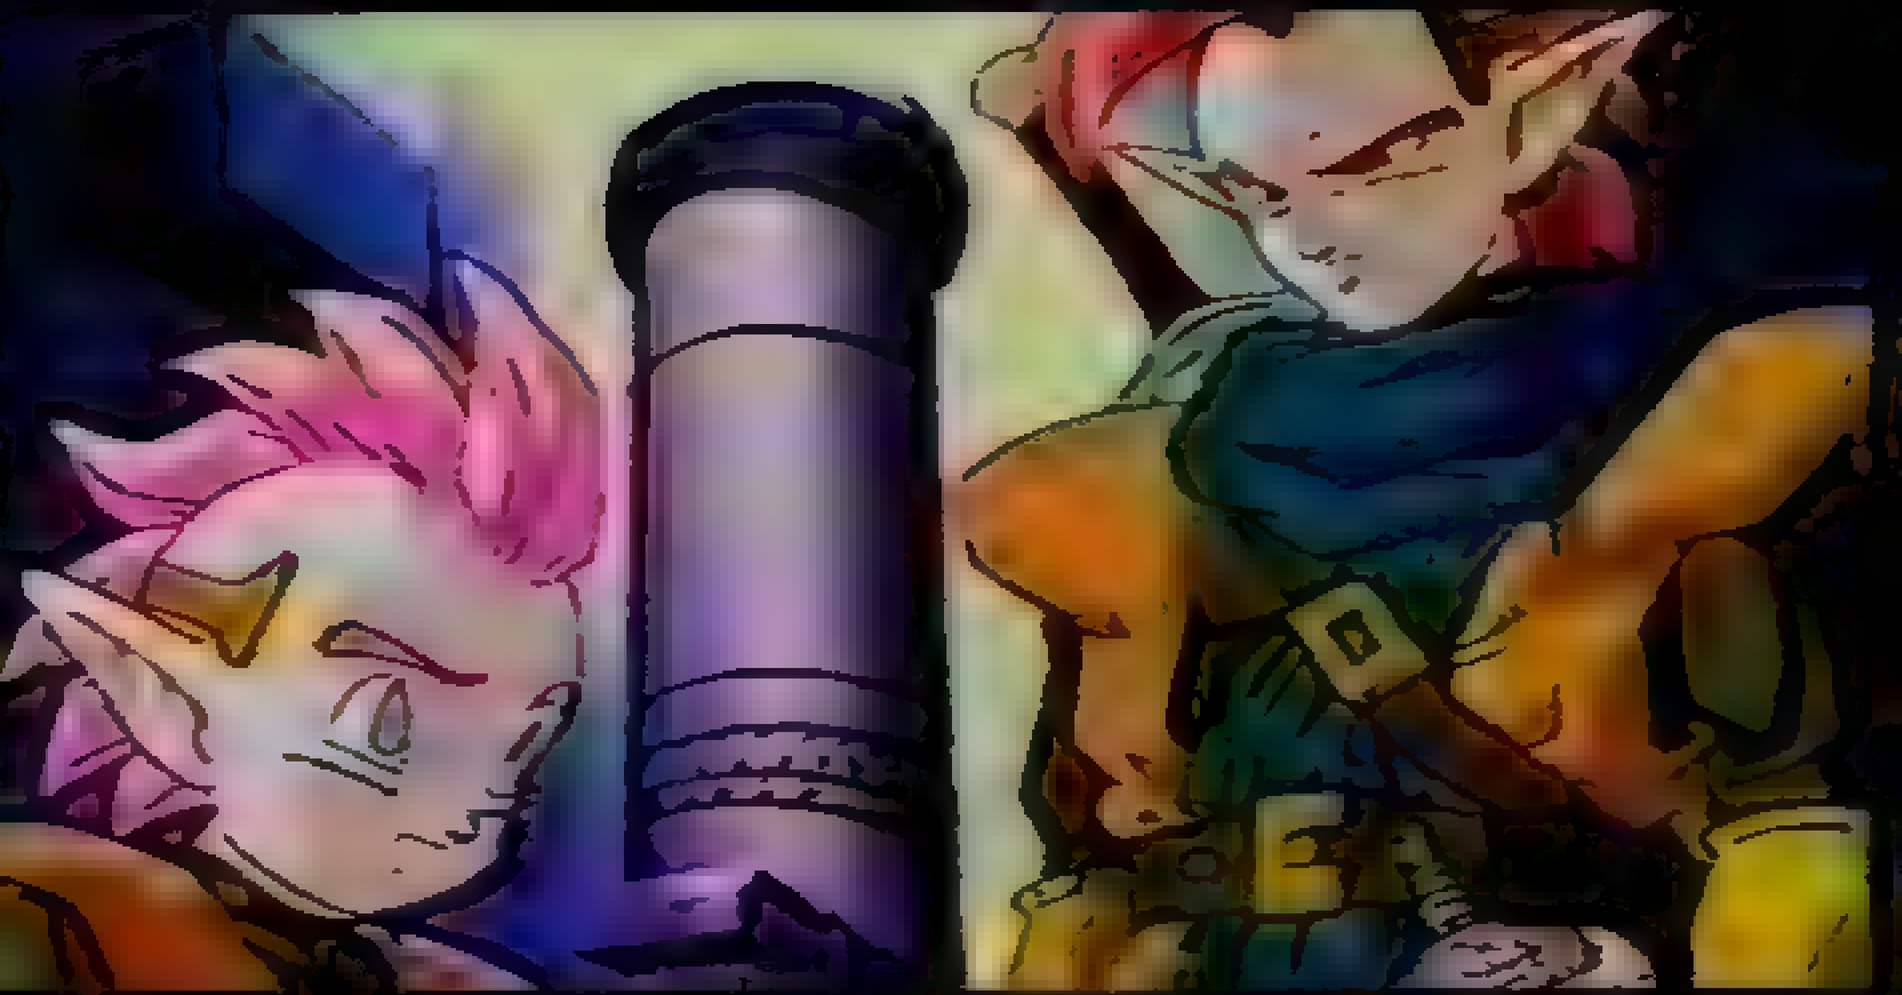

The 'Black Magicians' goal is to resurrect the monster, so precautions had to be made for this.

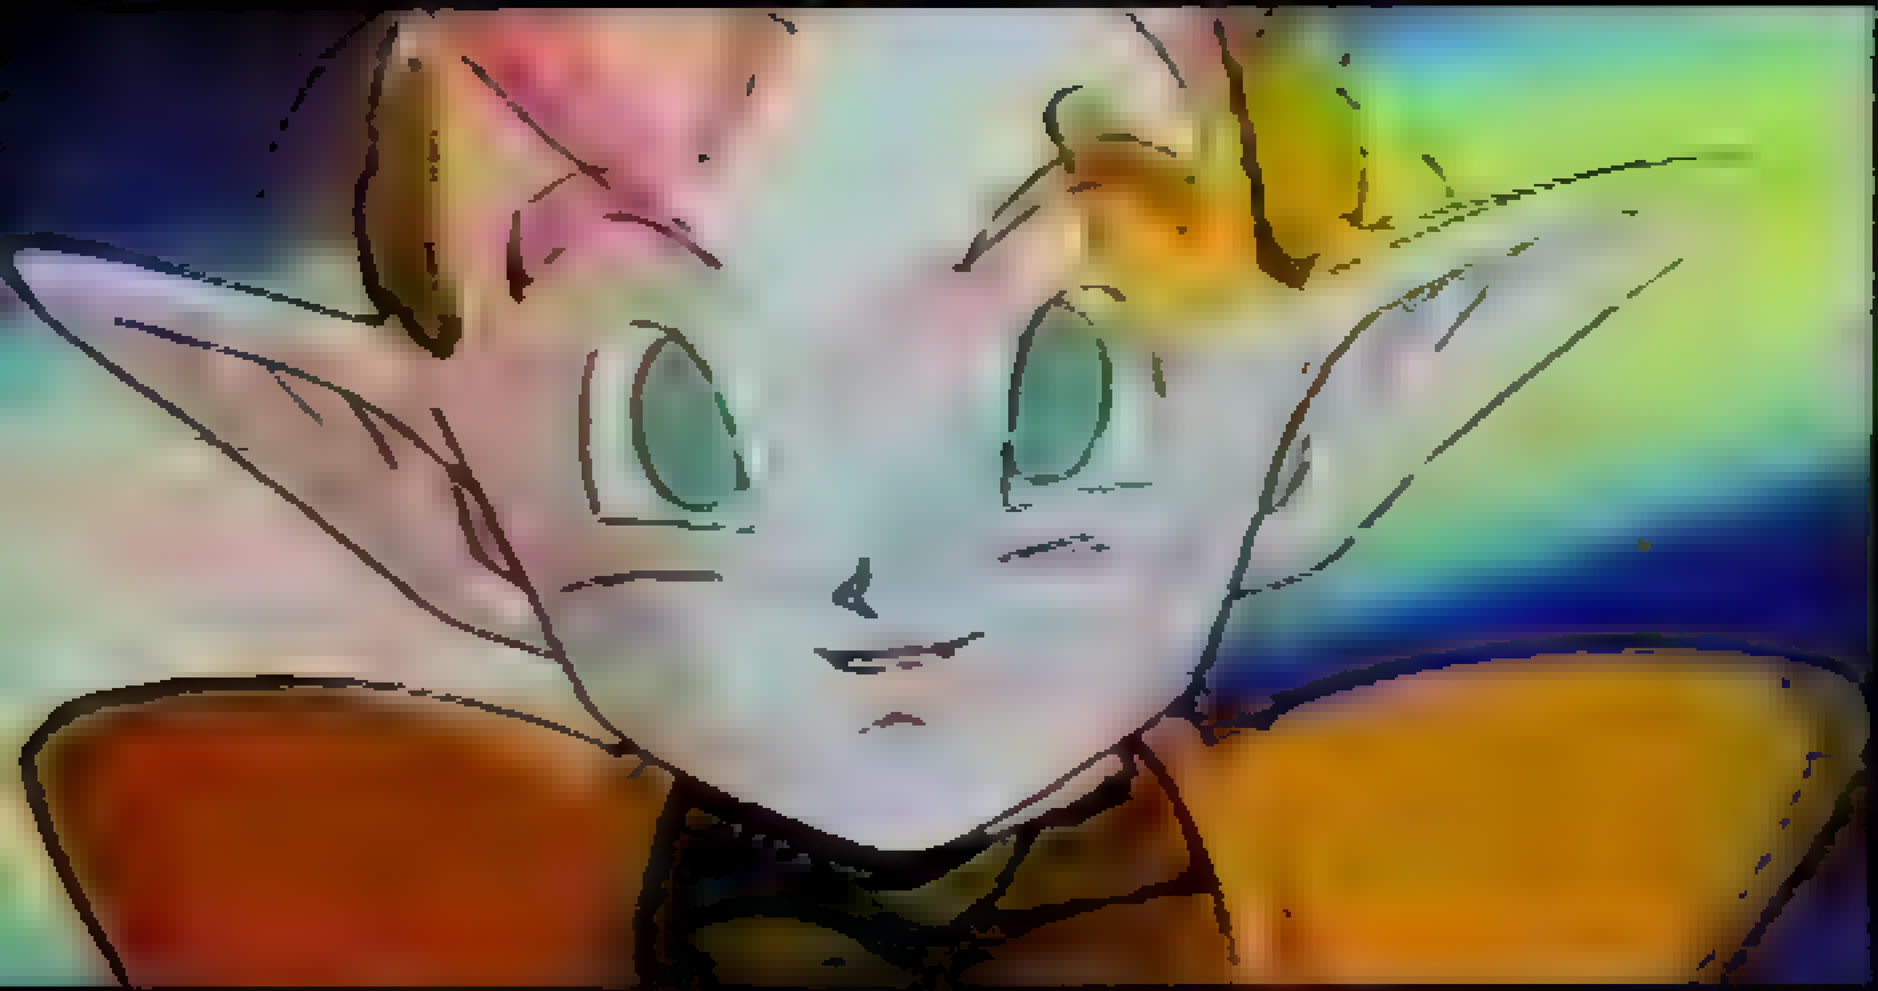

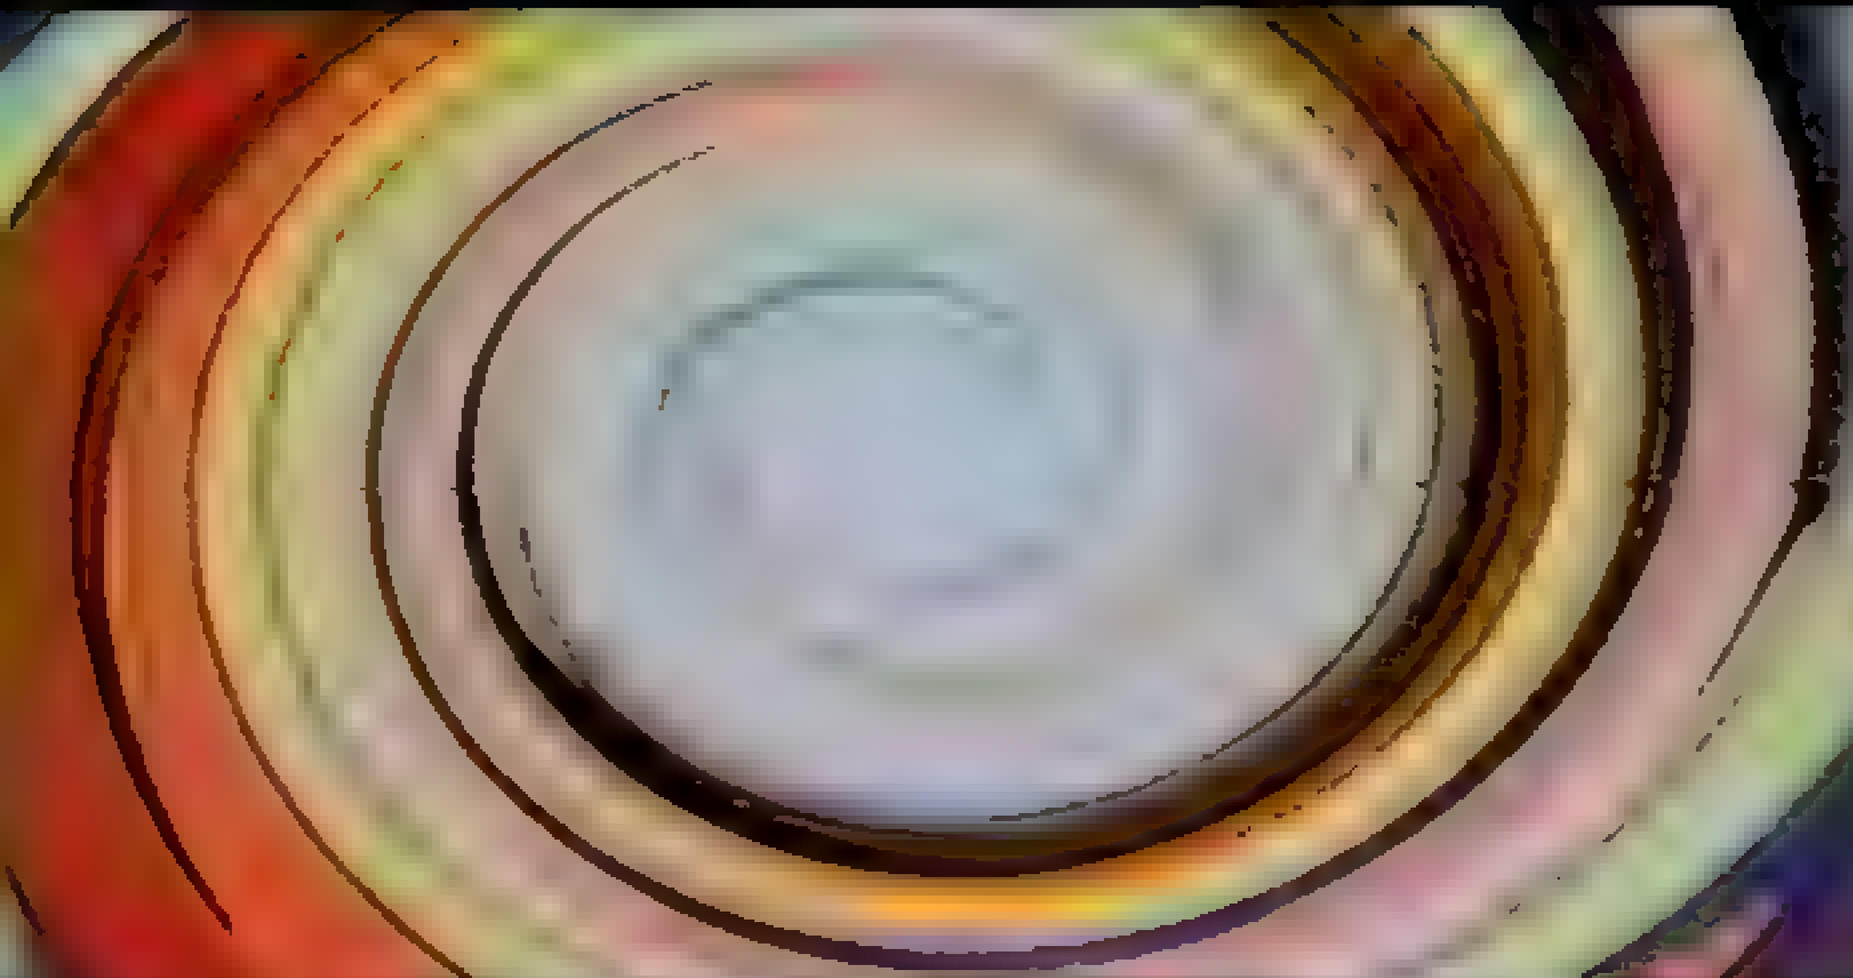

So we were sealed within the Oracles so that
the monster would be unavailable to anyone.

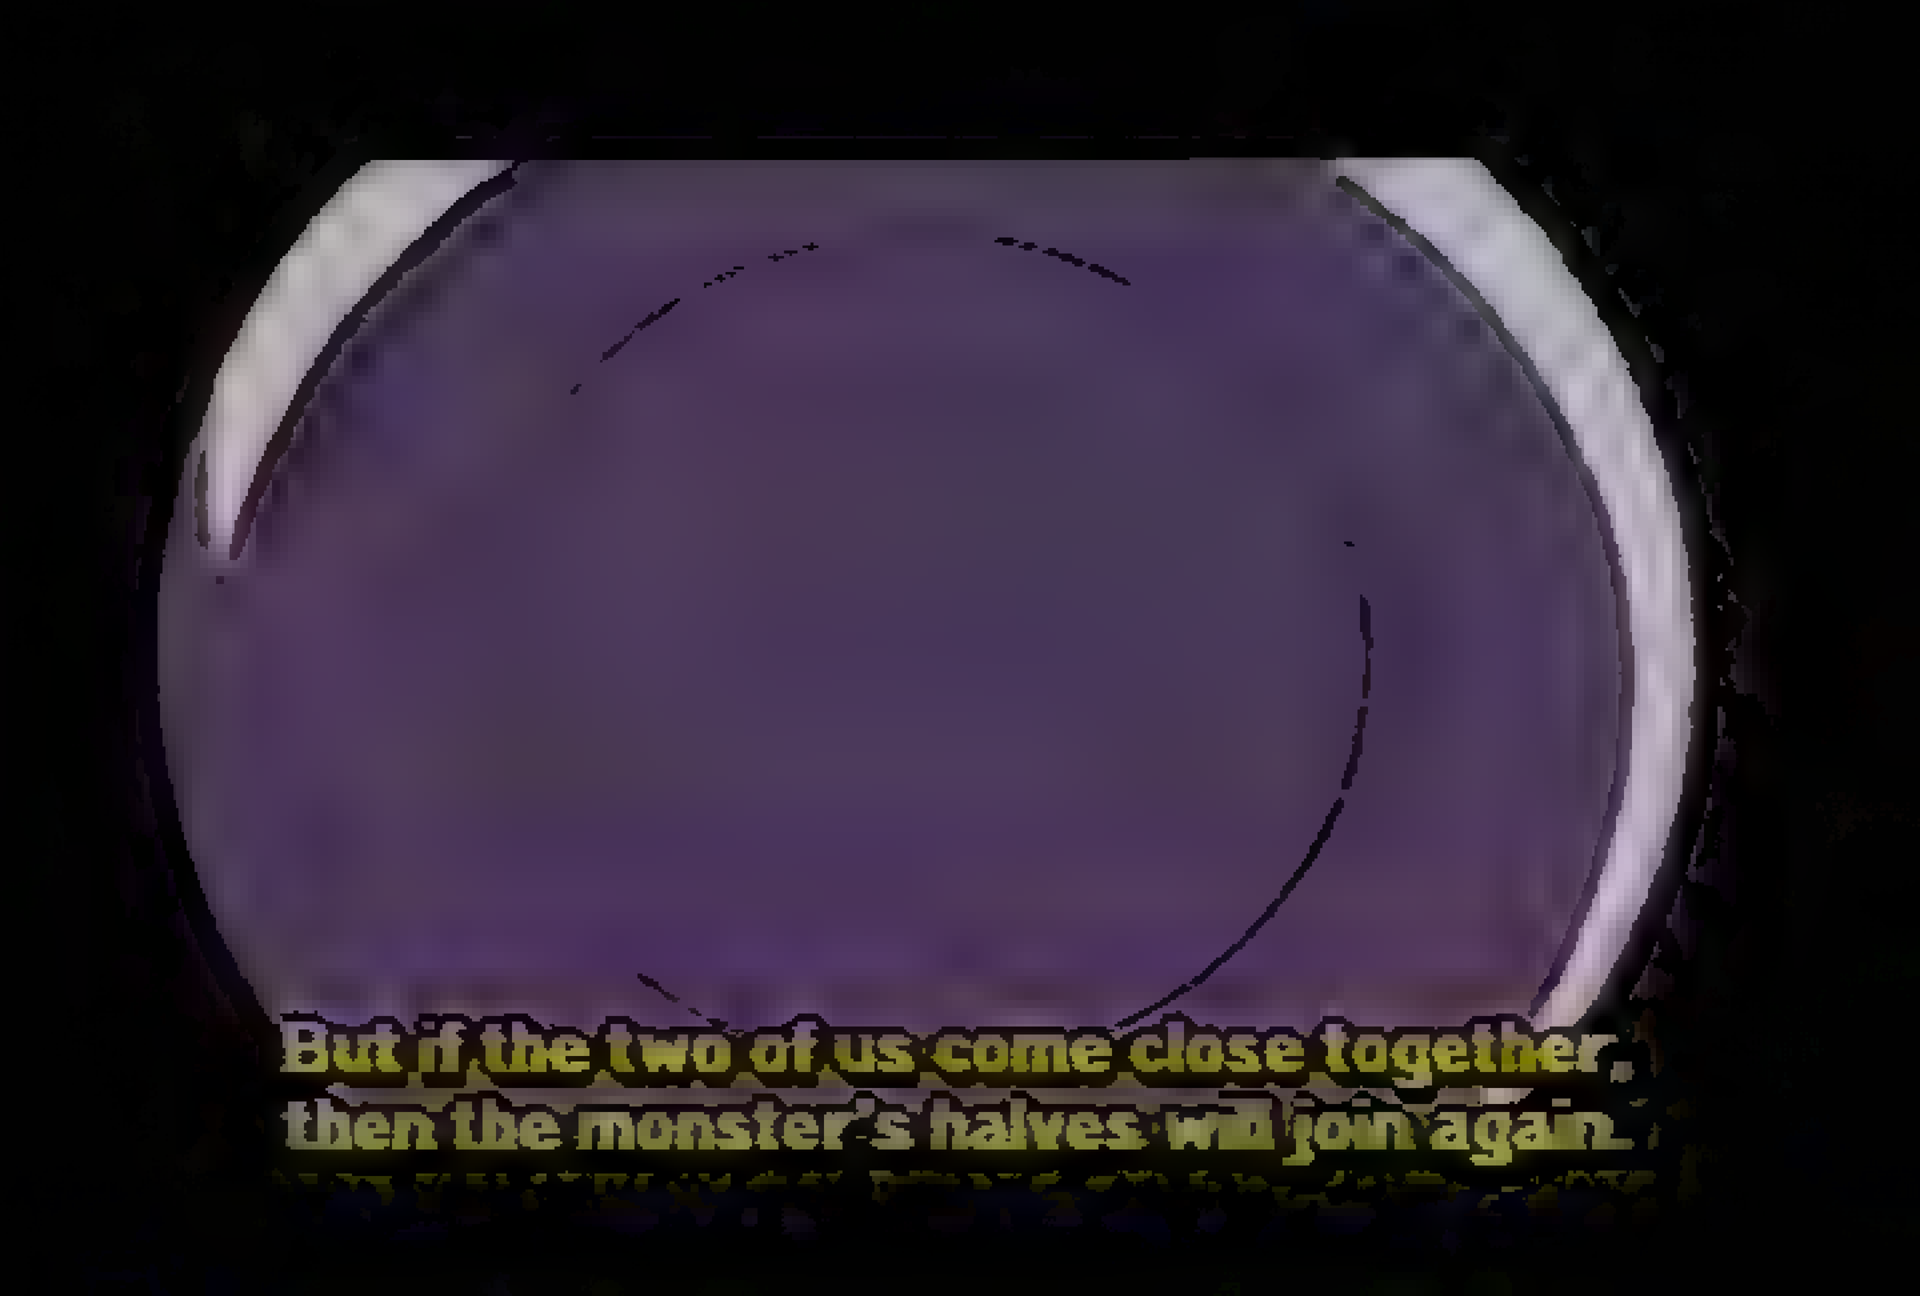

So we were sealed within the Oracles so that
the monster would be unavailable to anyone.

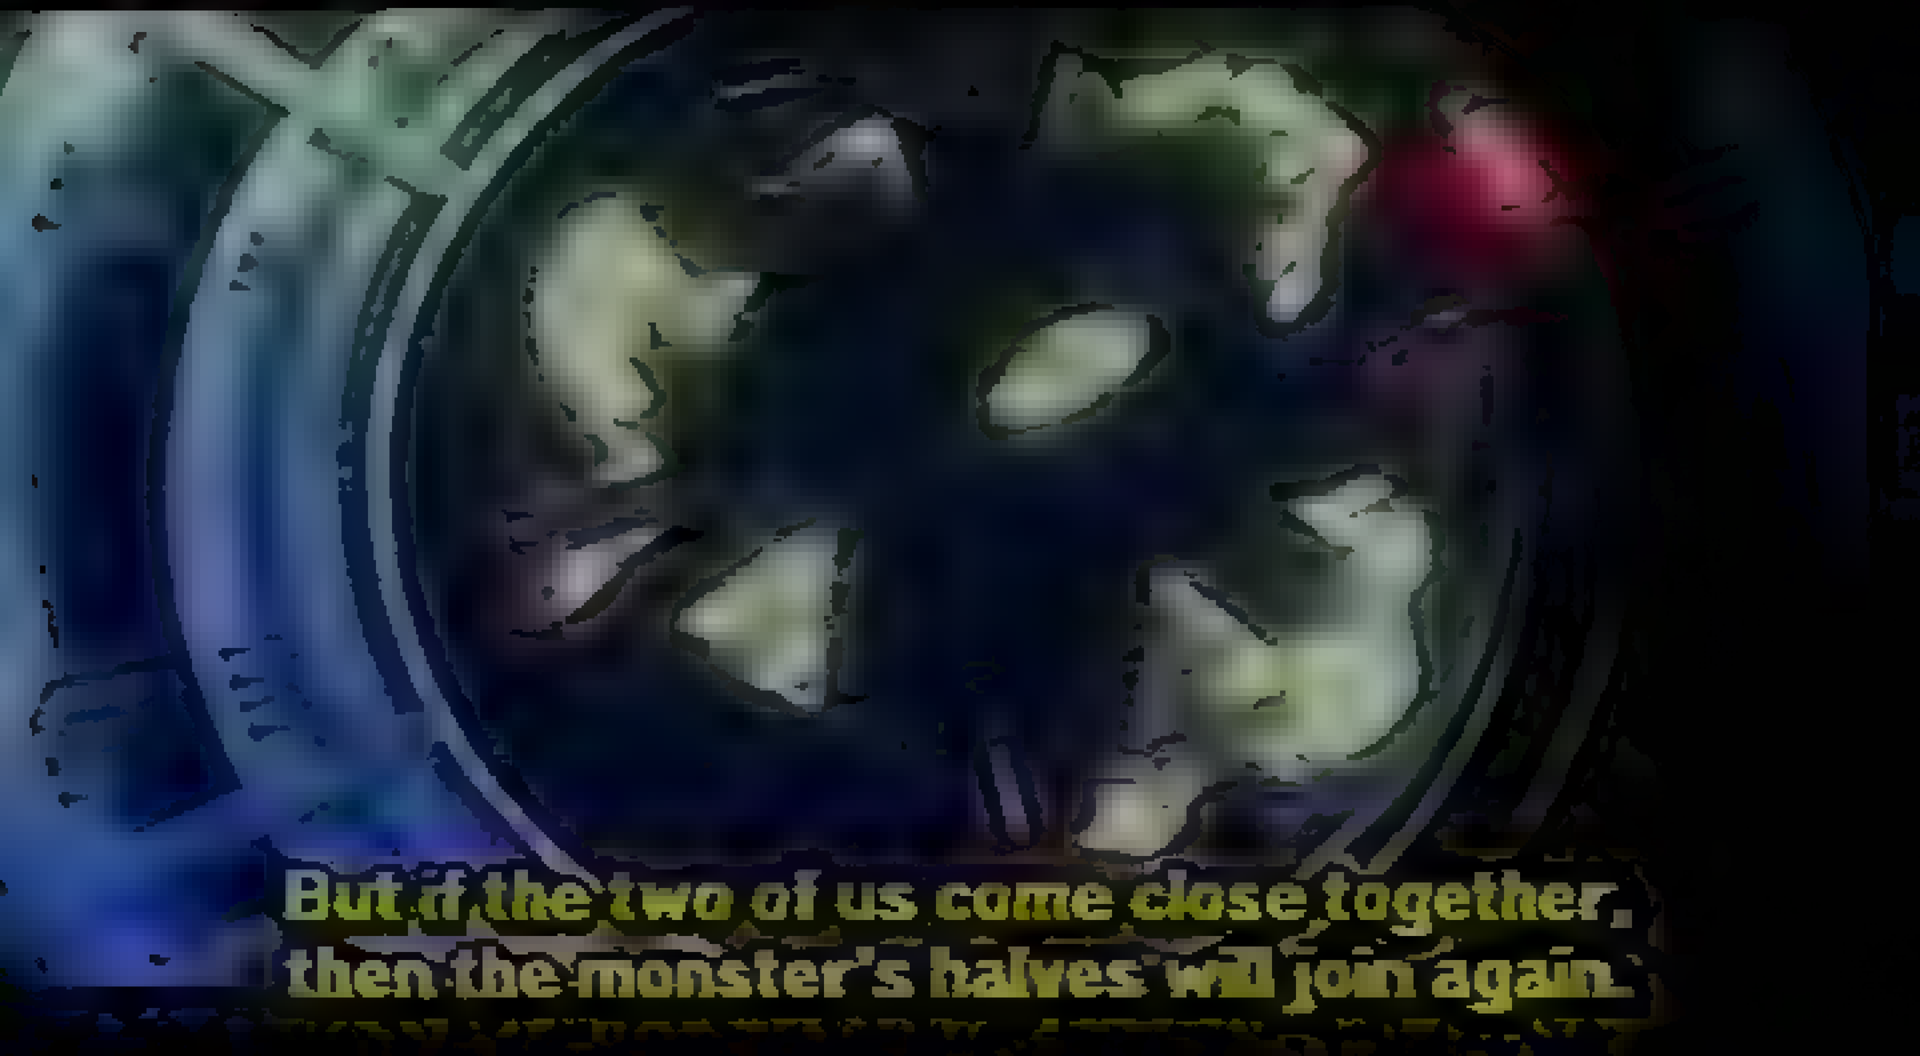

So we were sealed within the Oracles so that
the monster would be unavailable to anyone.

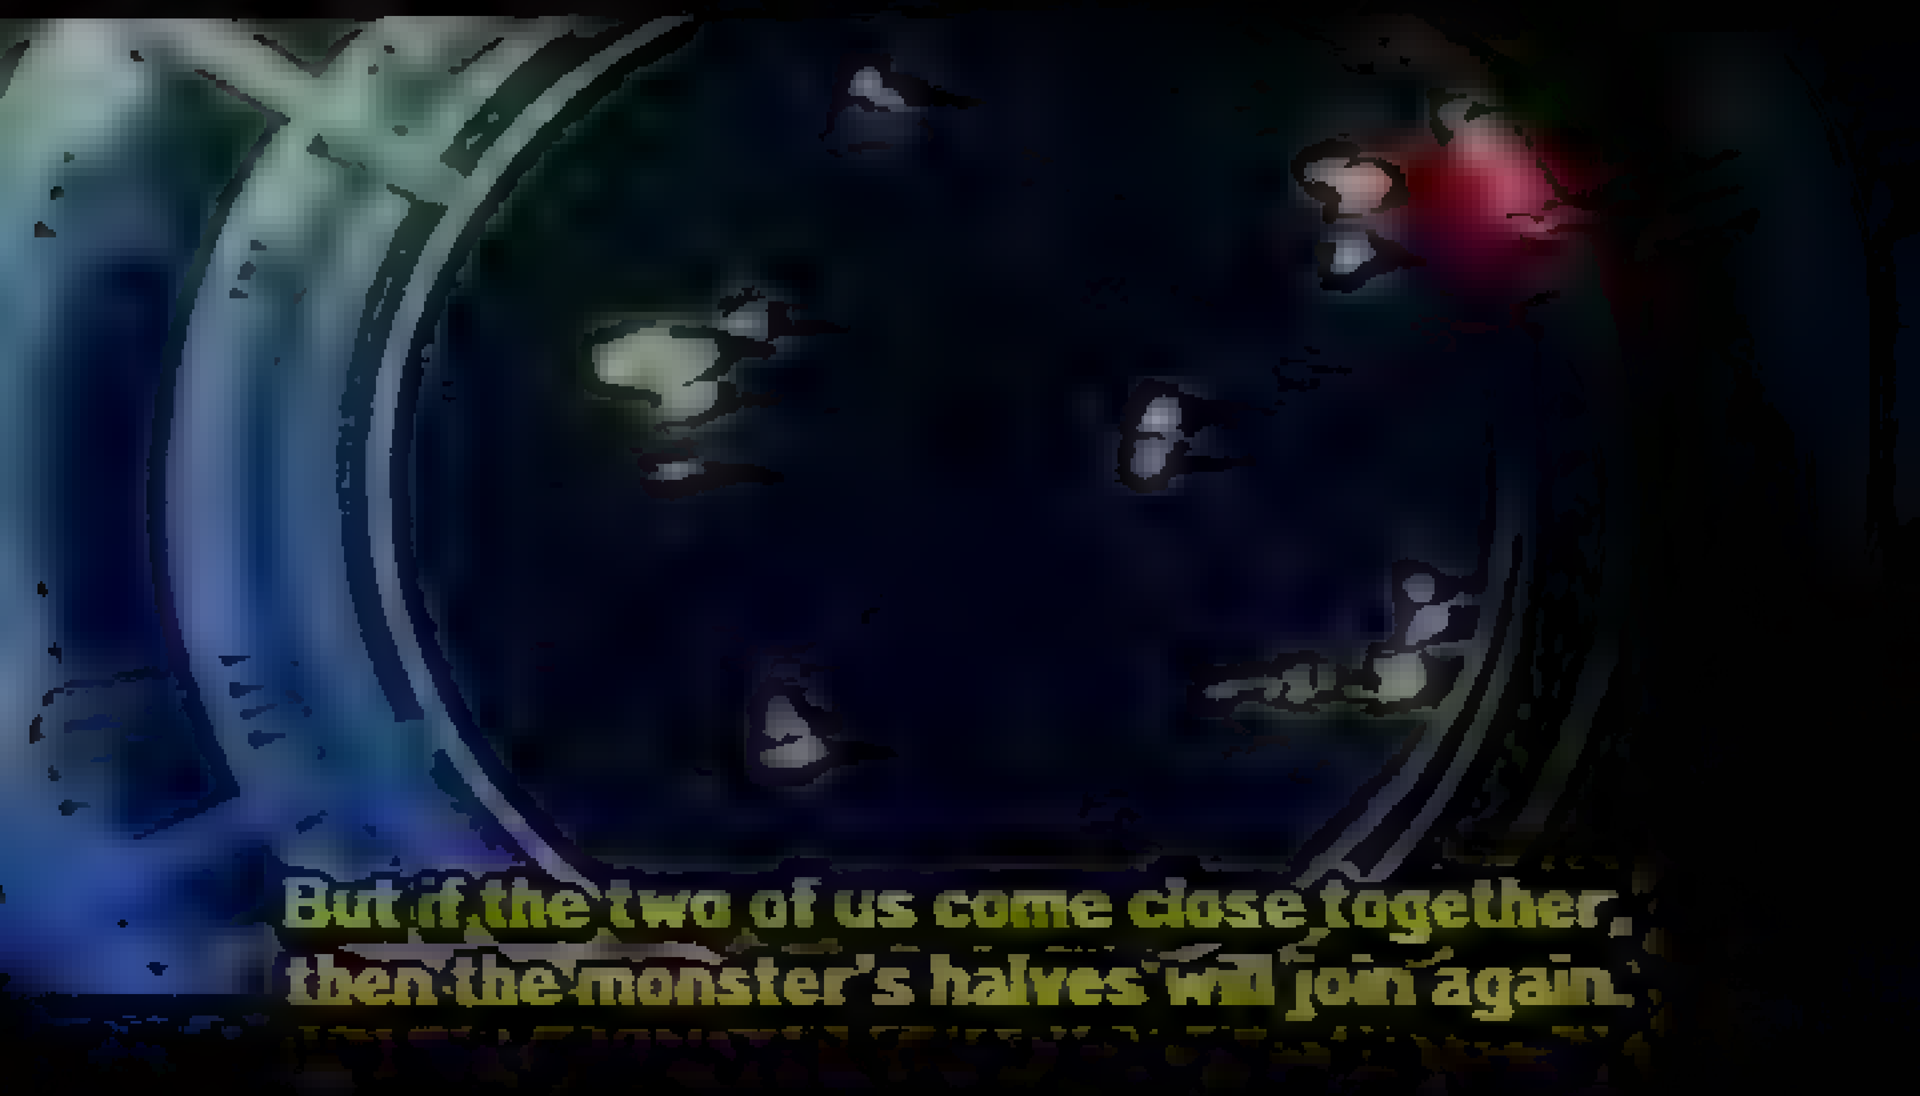

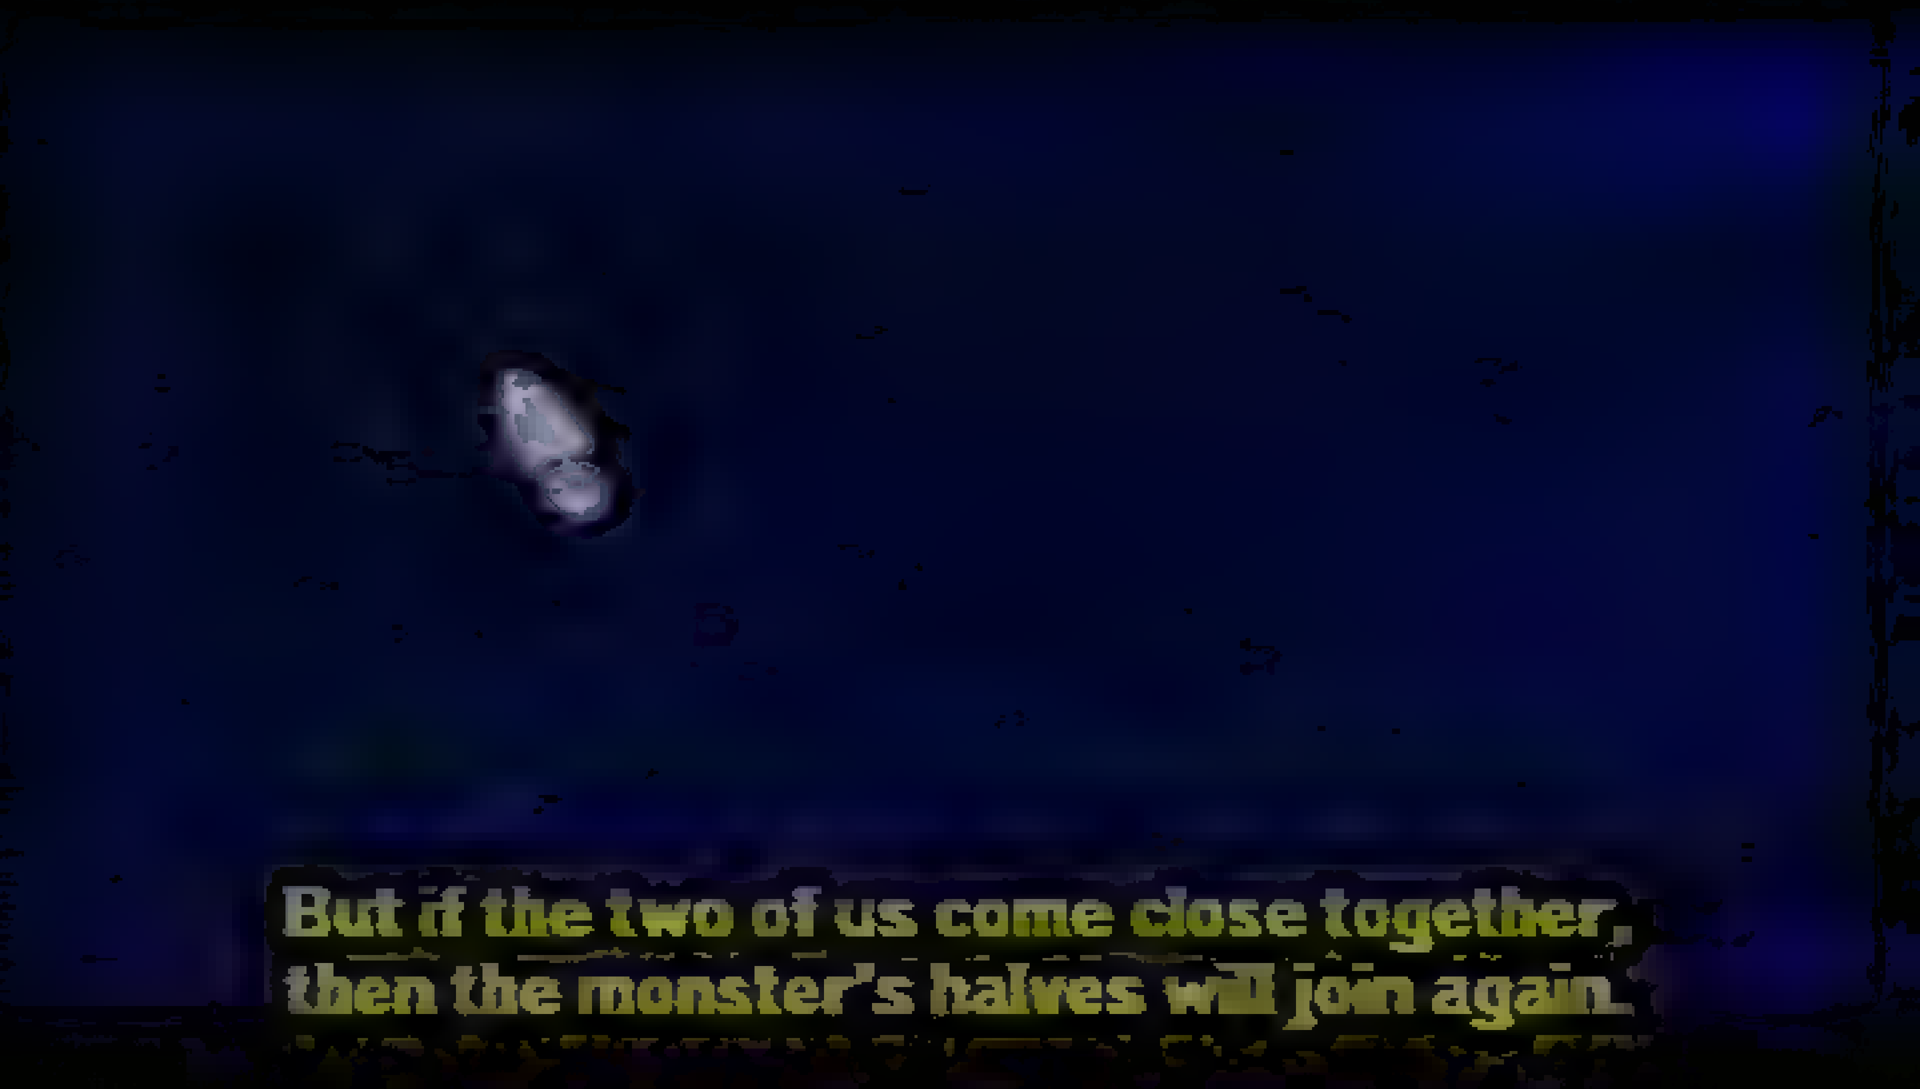

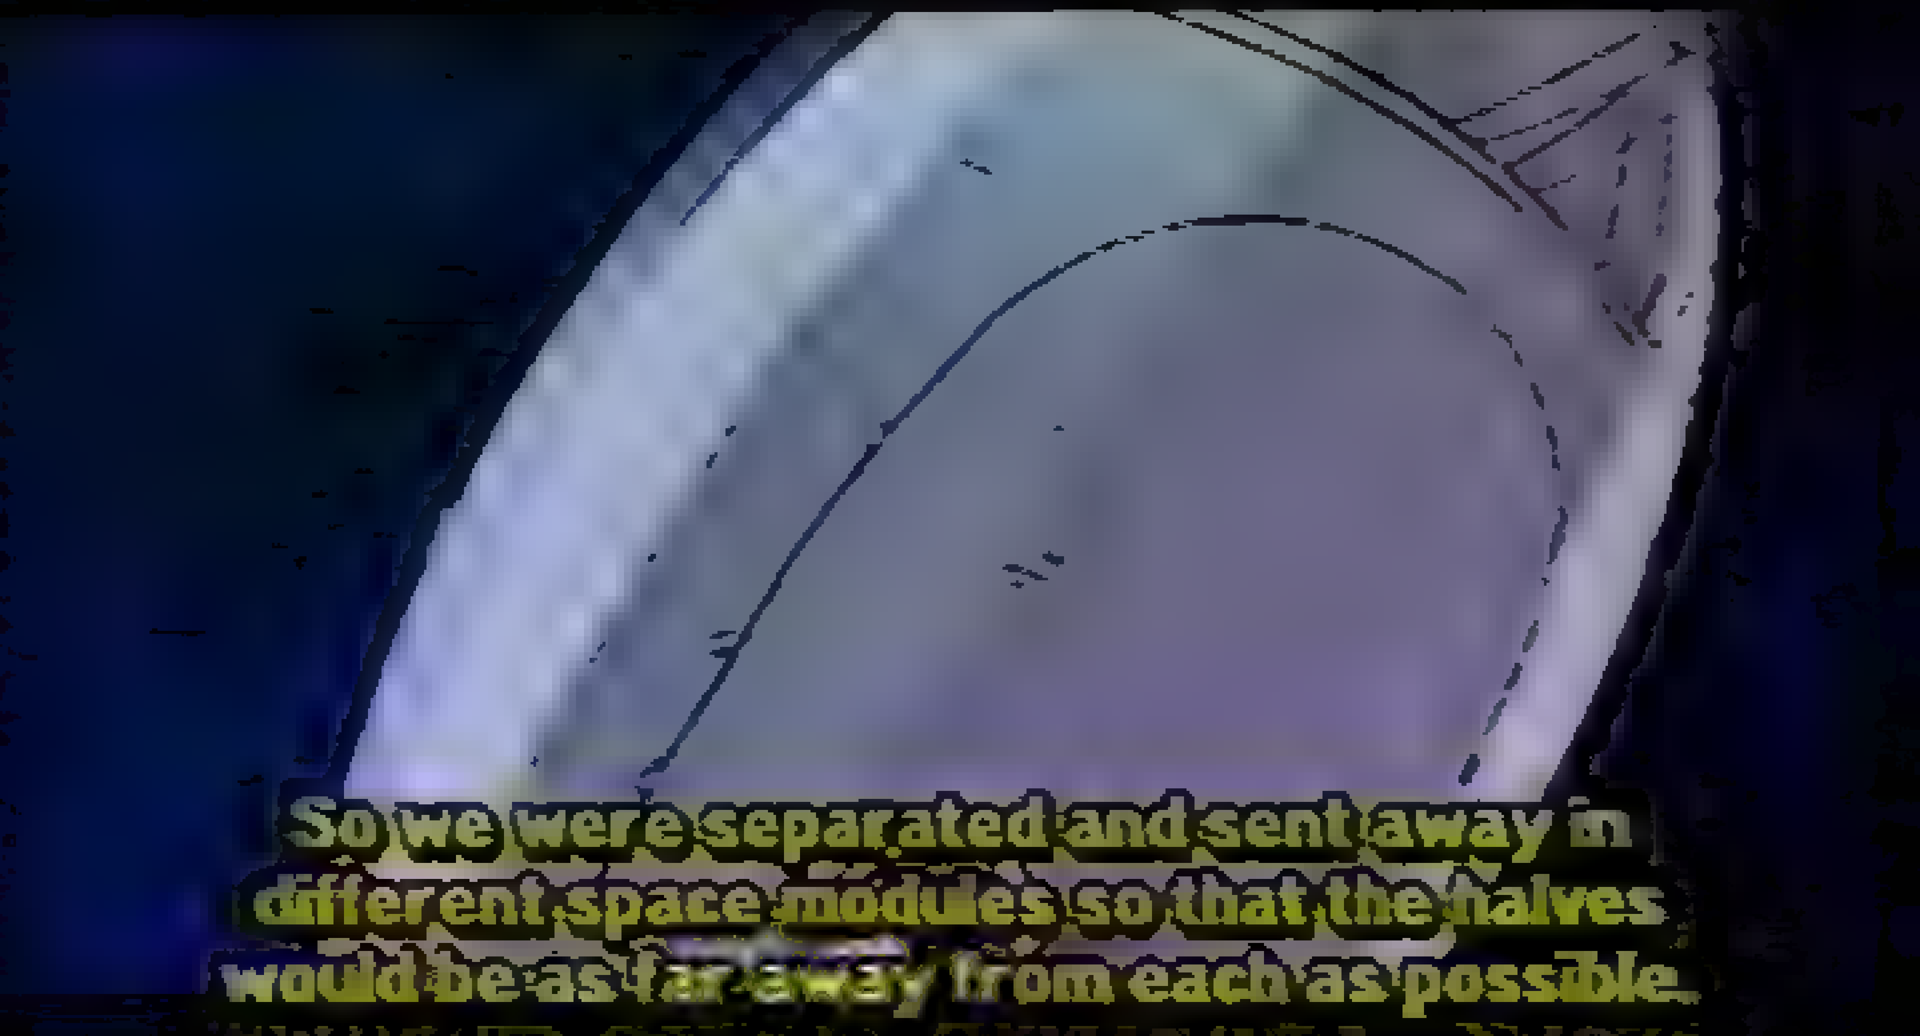

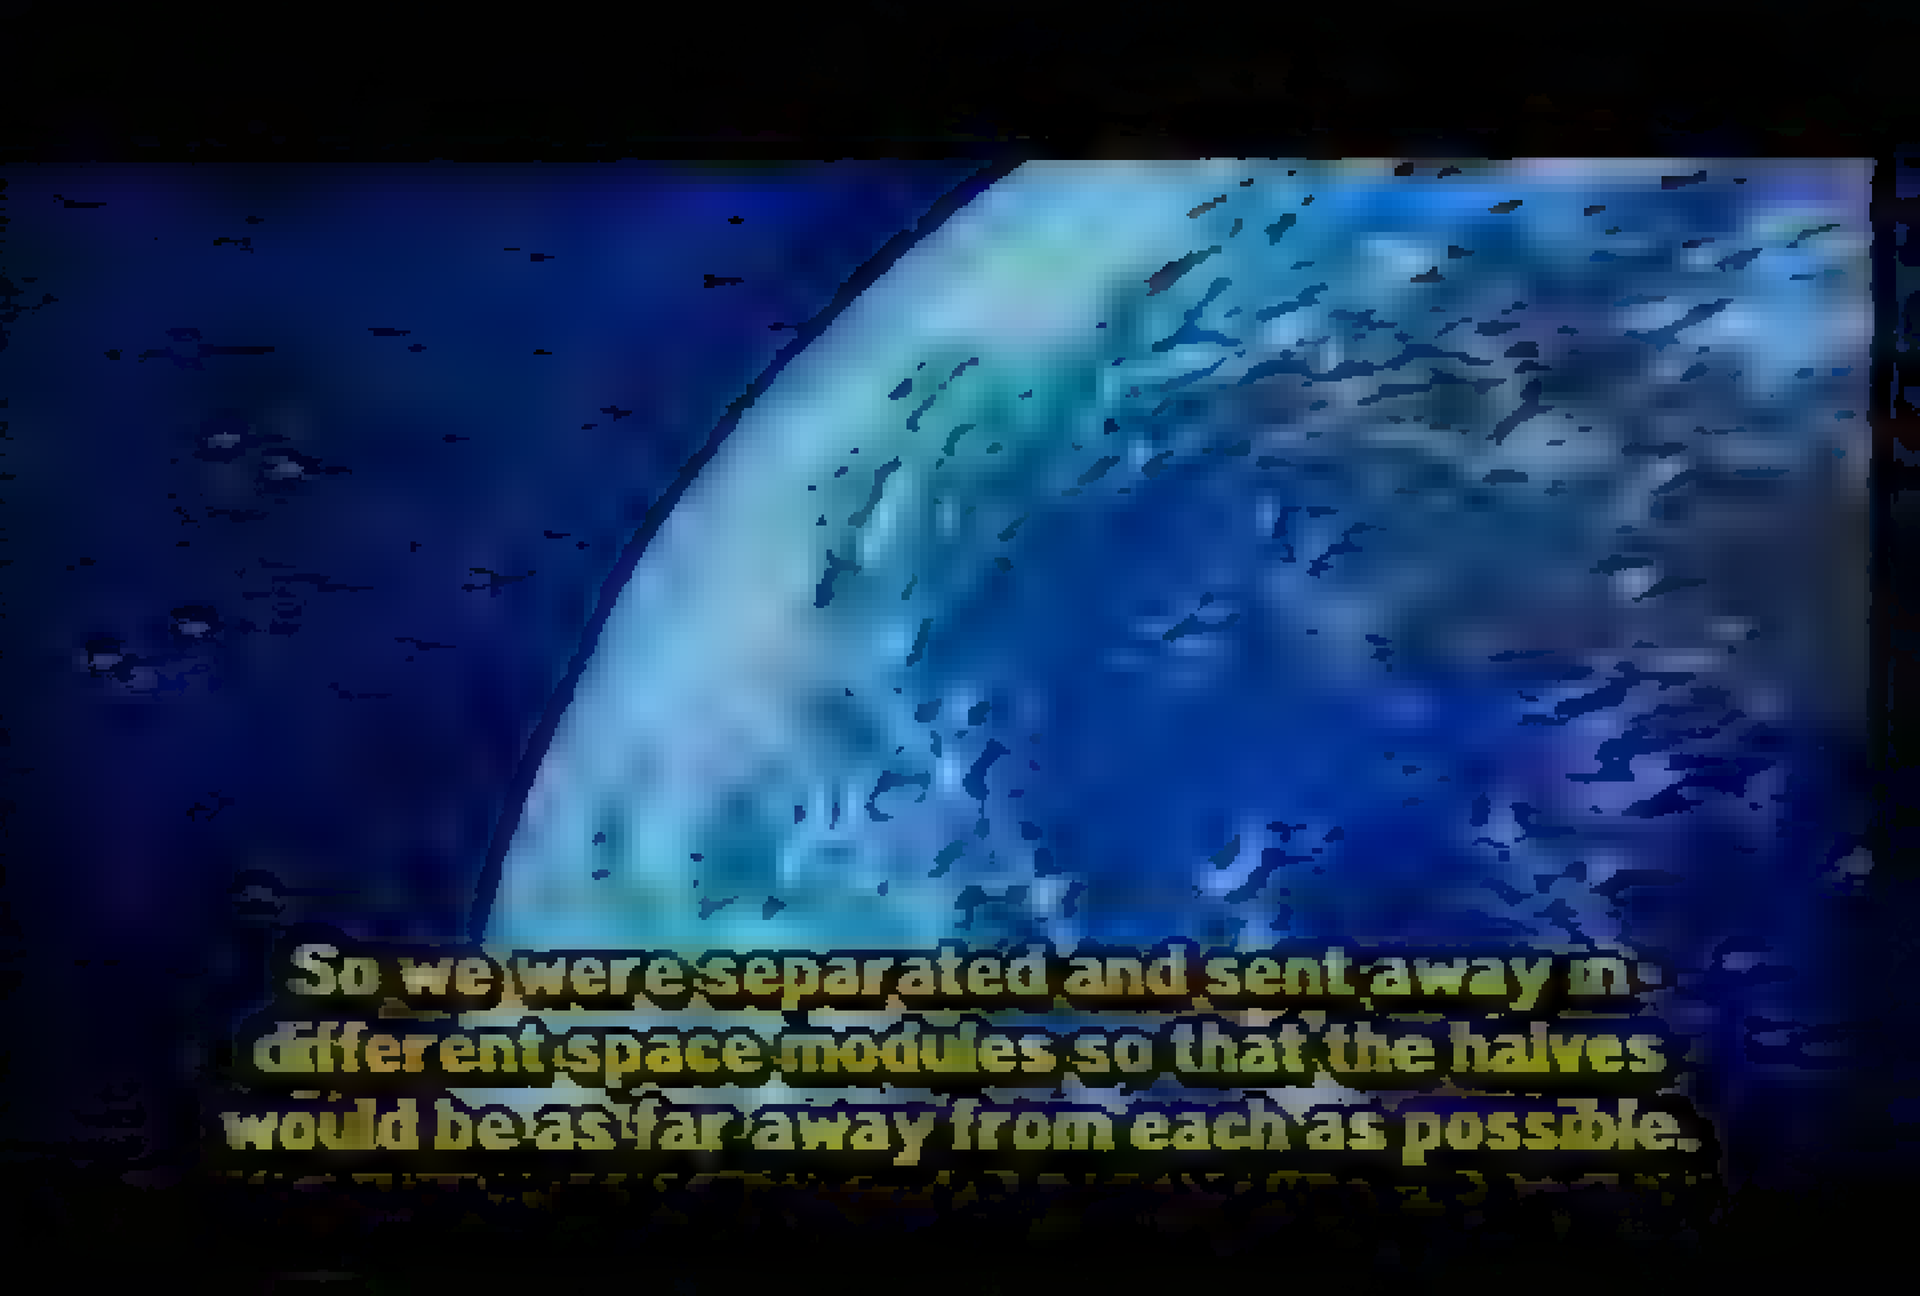

But if the two of us come close together,
then the monster's halves will join again.

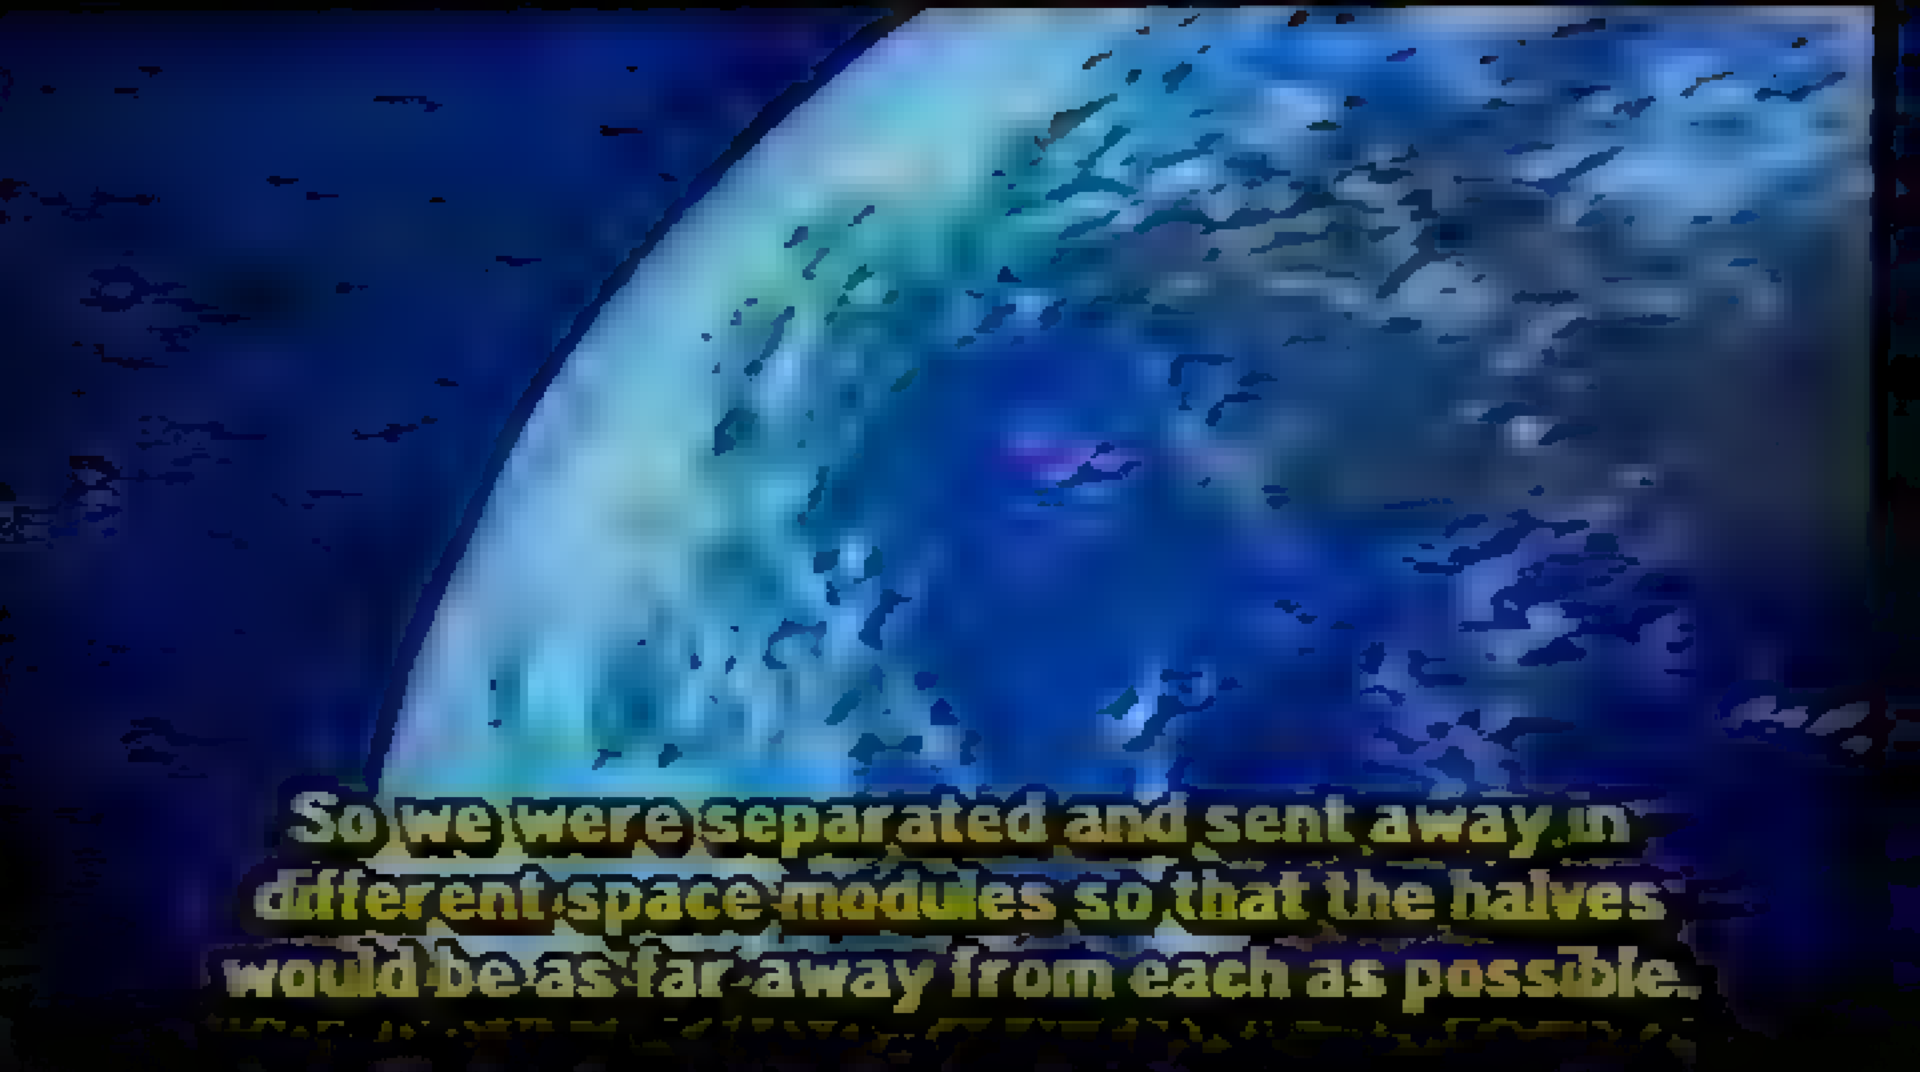

But if the two of us come close together,
then the monster's halves will join again.

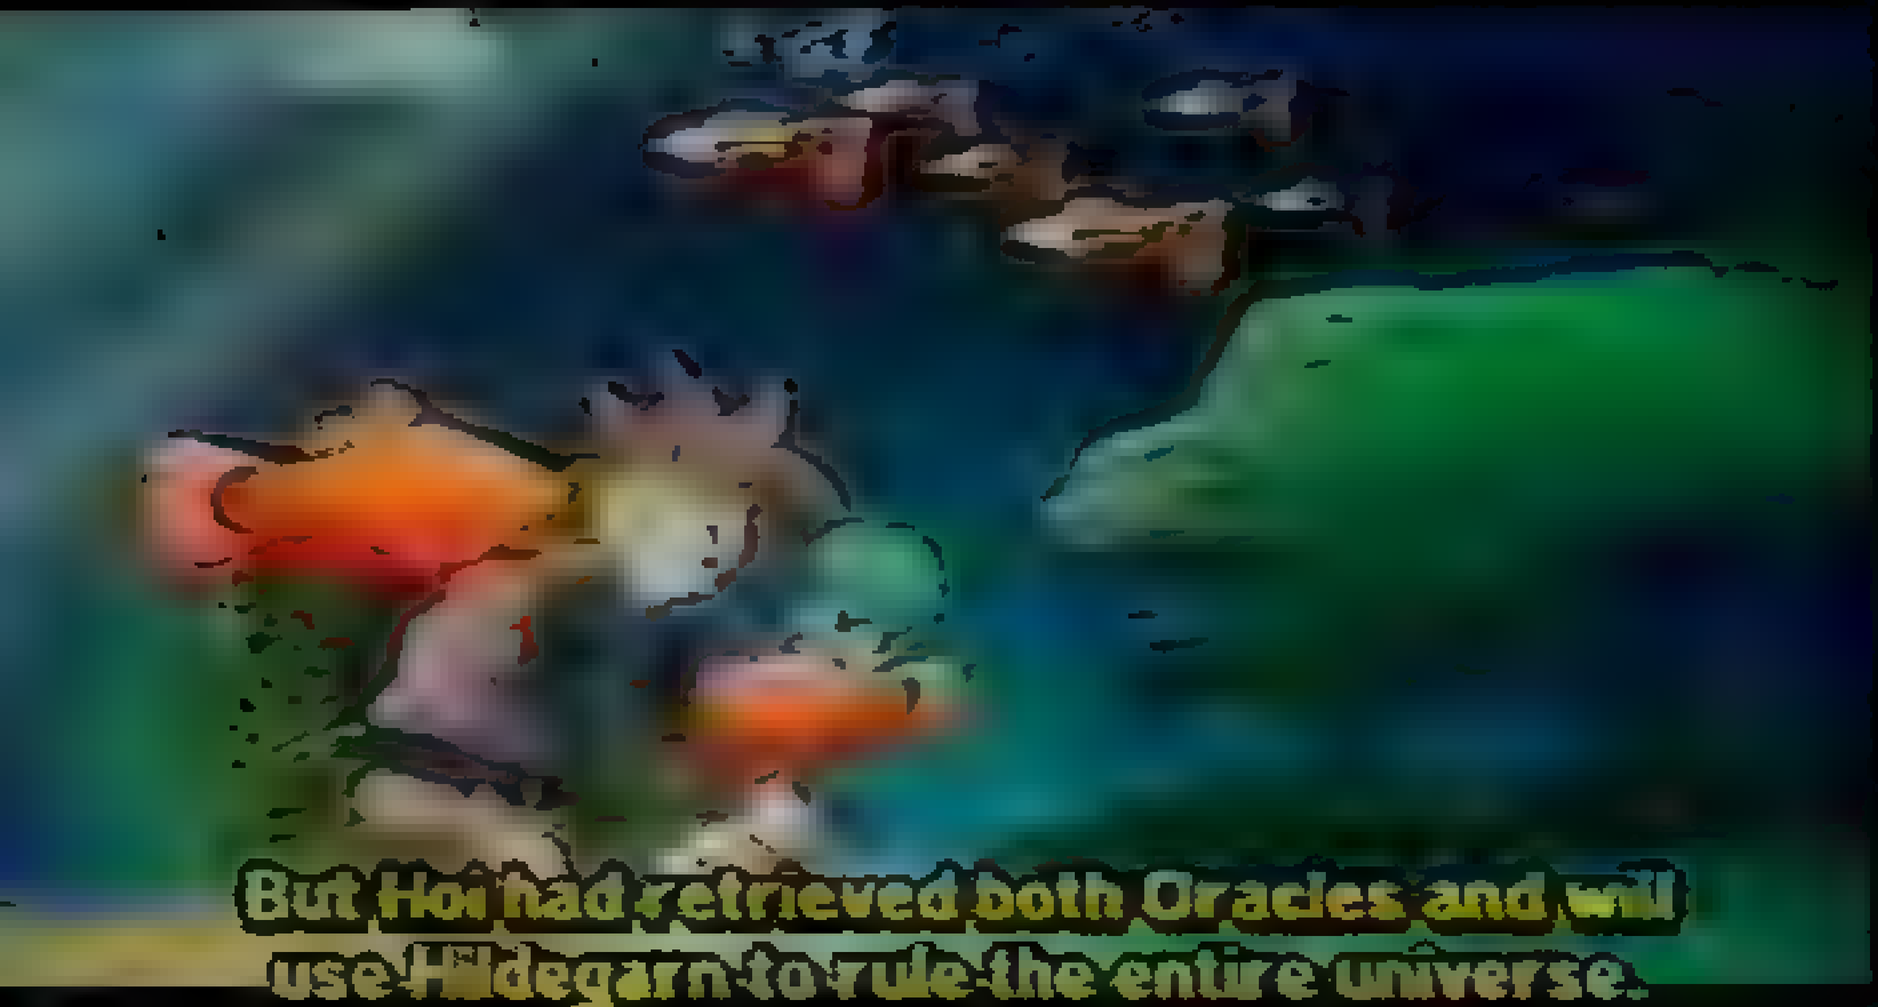

But if the two of us come close together,
then the monster's halves will join again.

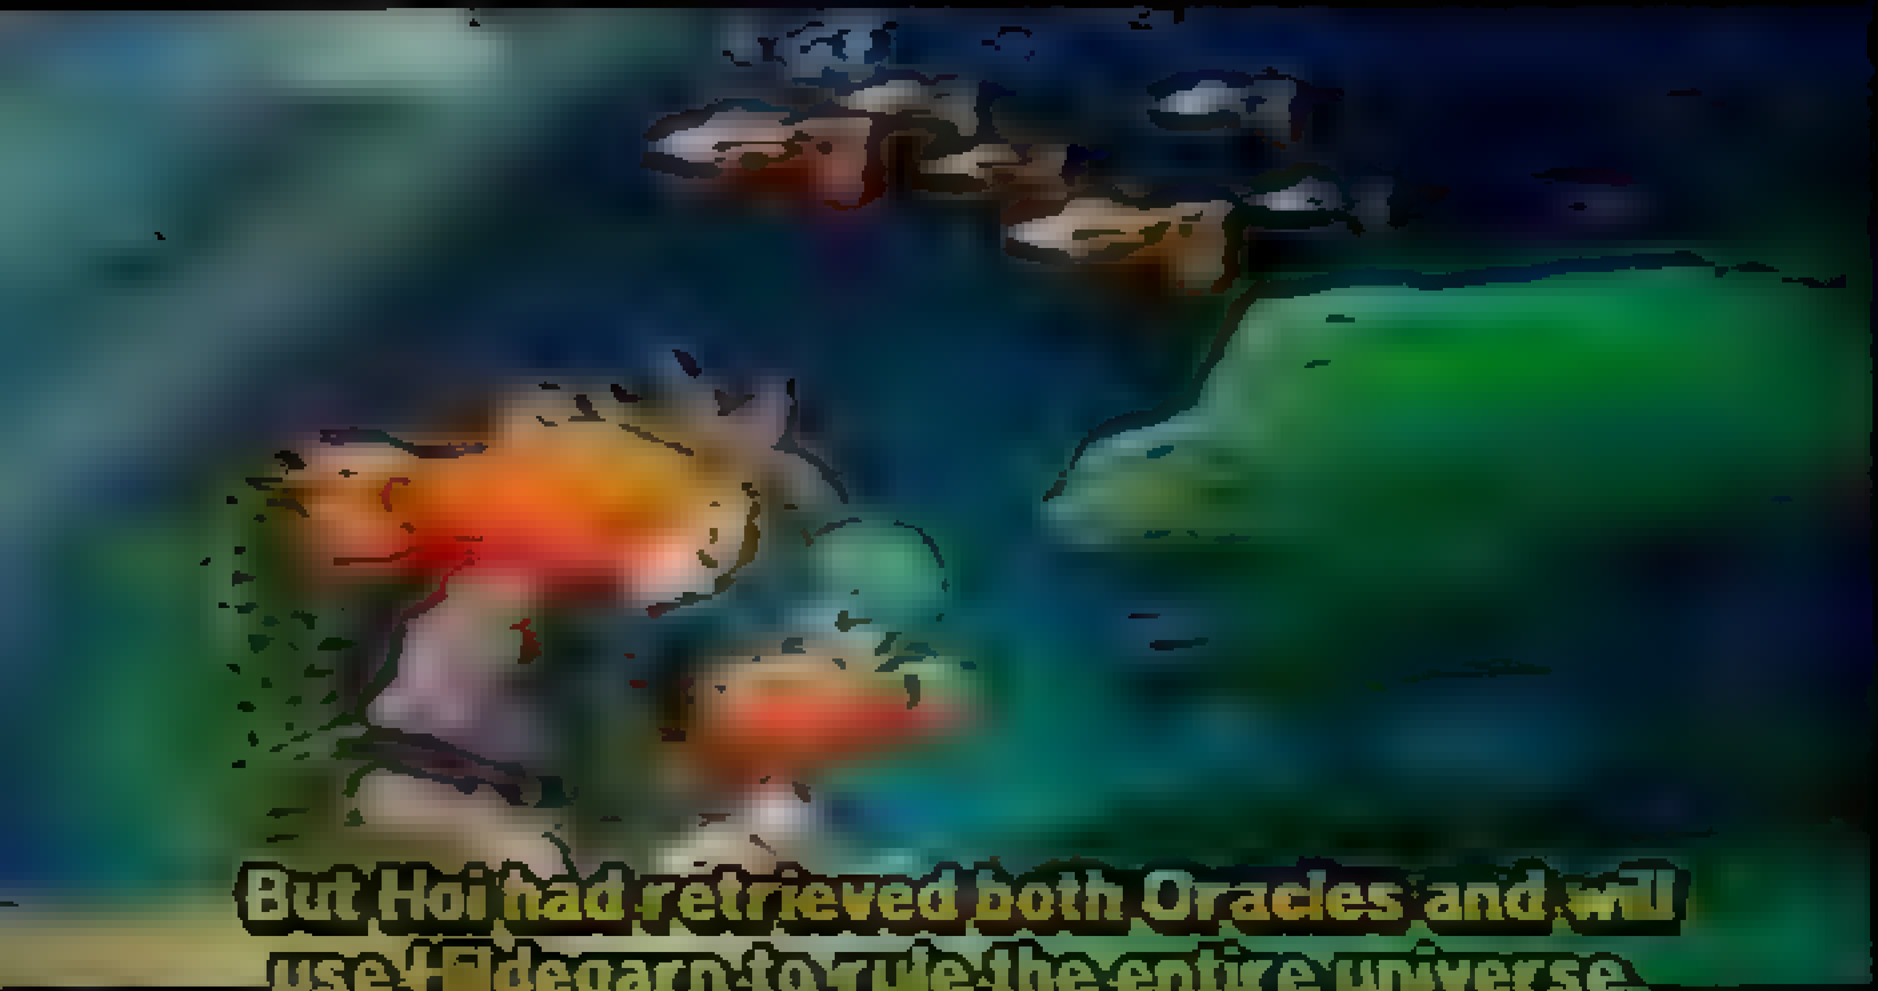

But if the two of us come close together,
then the monster's halves will join again.

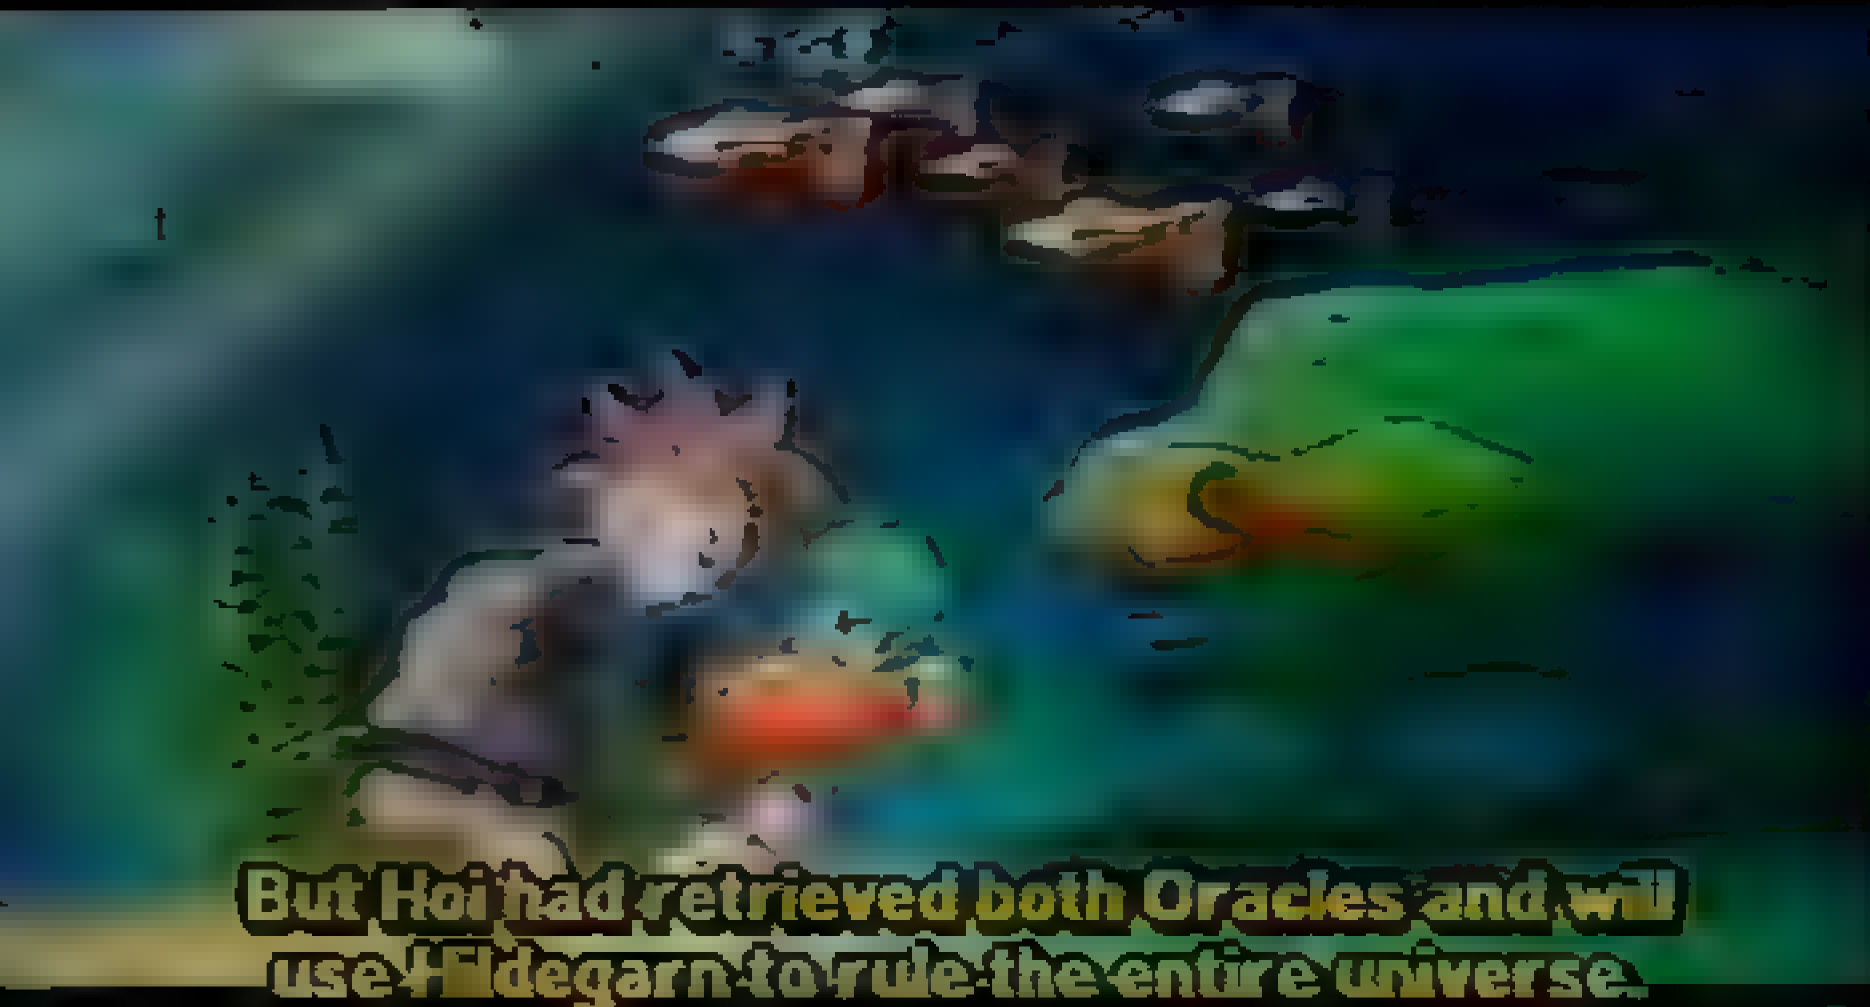

So we were separated and sent away in
different space modules so that the halves
would be as far away from each as possible.

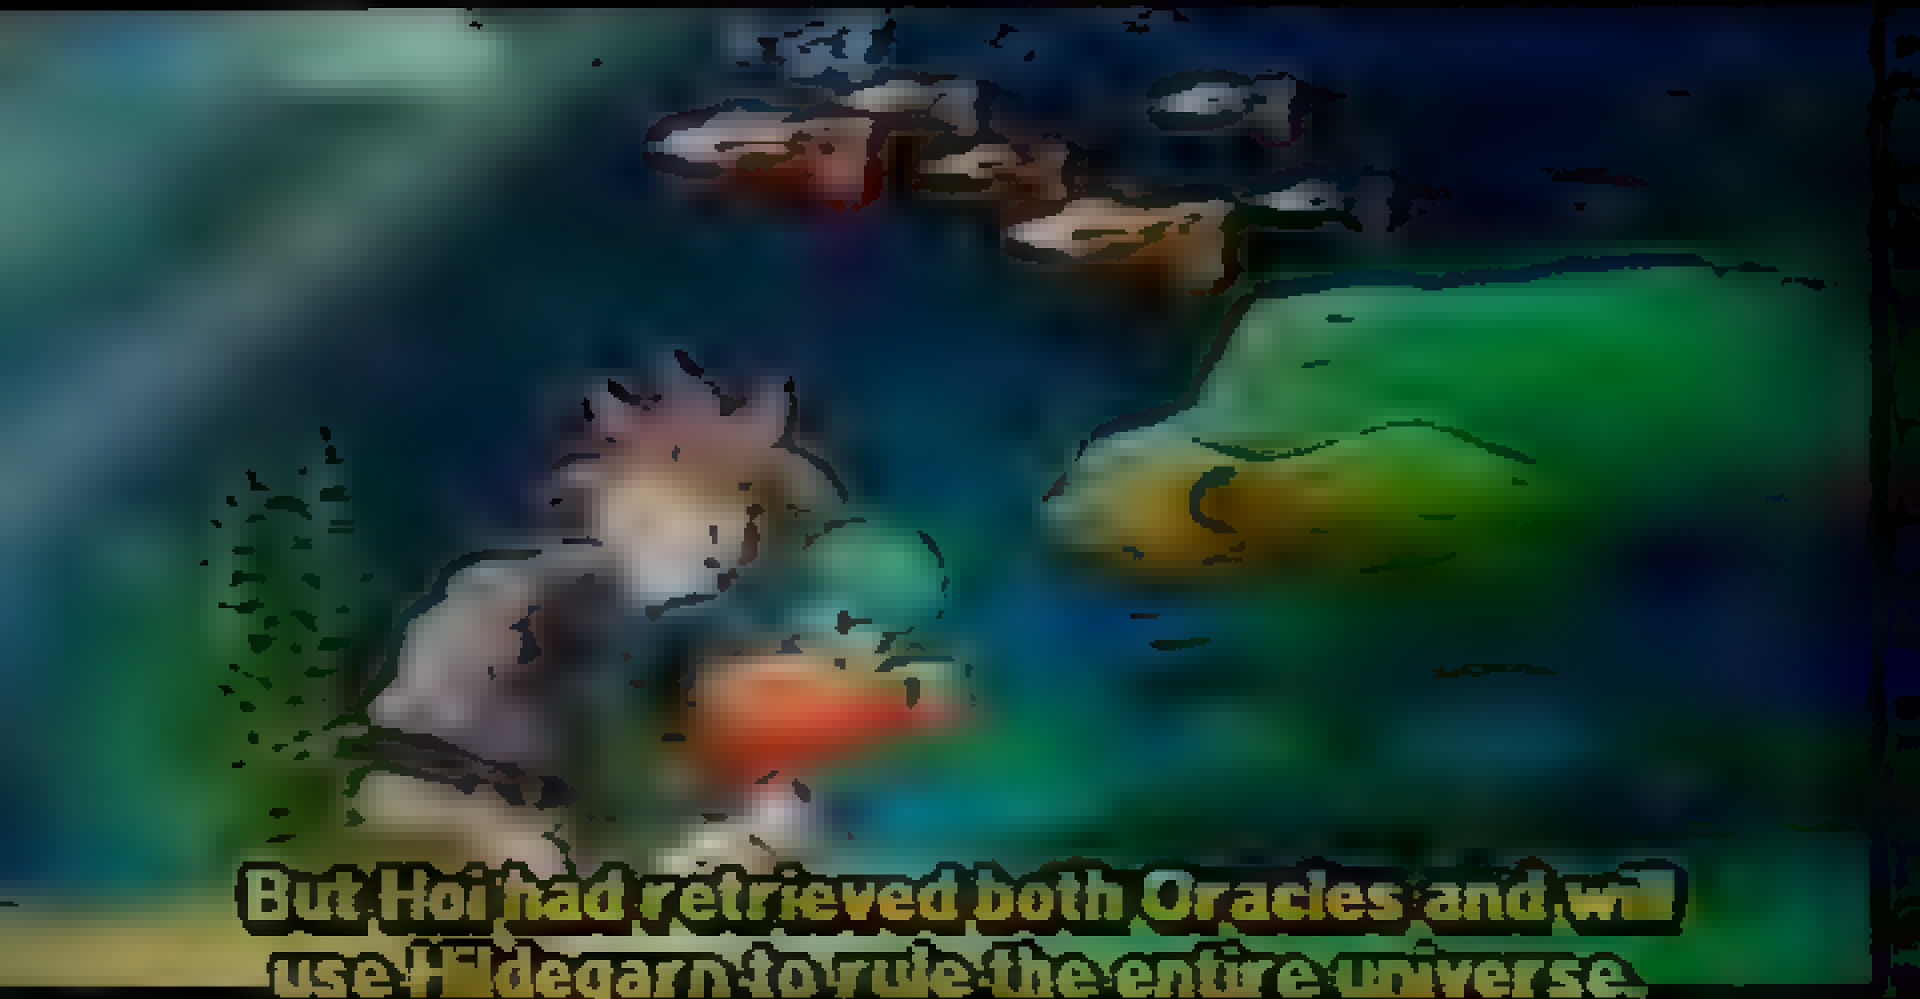

So we were separated and sent away in
different space modules so that the halves
would be as far away from each as possible.

So we were separated and sent away in
different space modules so that the halves
would be as far away from each as possible.

But Hoi had retrieved both Oracles and will use Hildegarn to rule the entire universe.

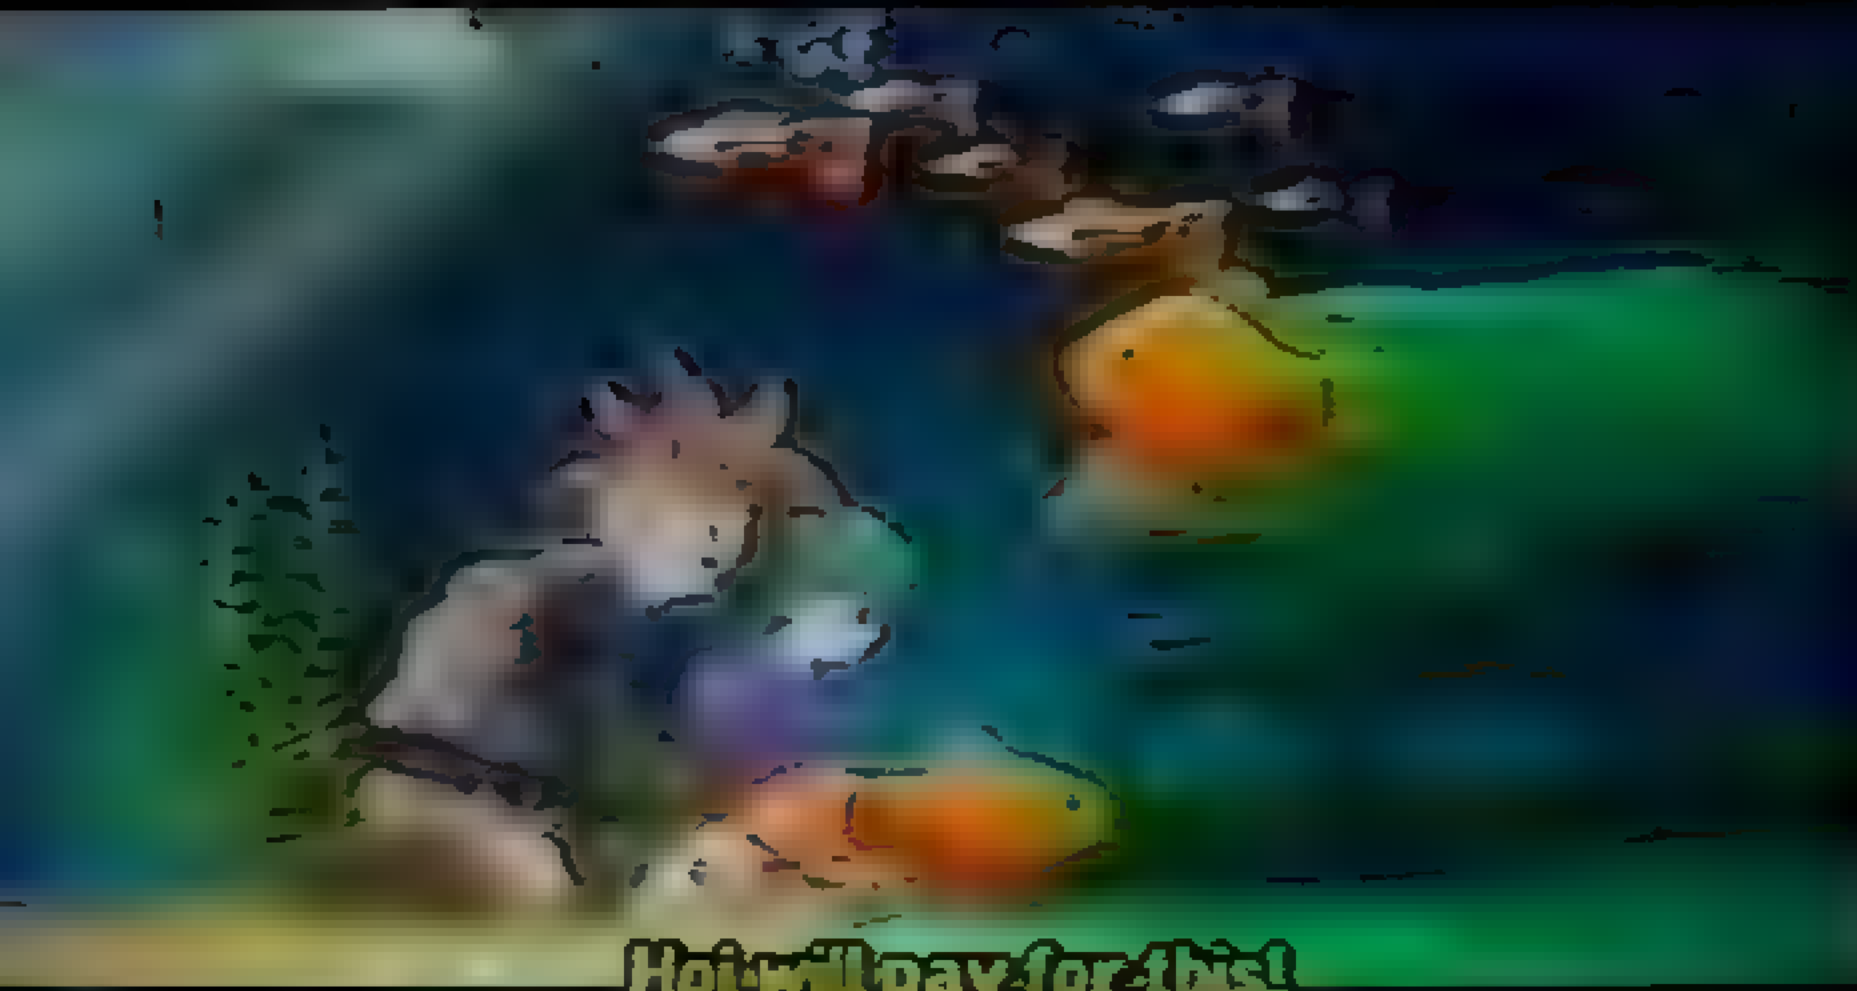

But Hoi had retrieved both Oracles and will
use Hildegarn to rule the entire universe.

But Hoi had retrieved both Oracles and will
use Hildegarn to rule the entire universe.

But Hoi had retrieved both Oracles and will
use Hildegarn to rule the entire universe.

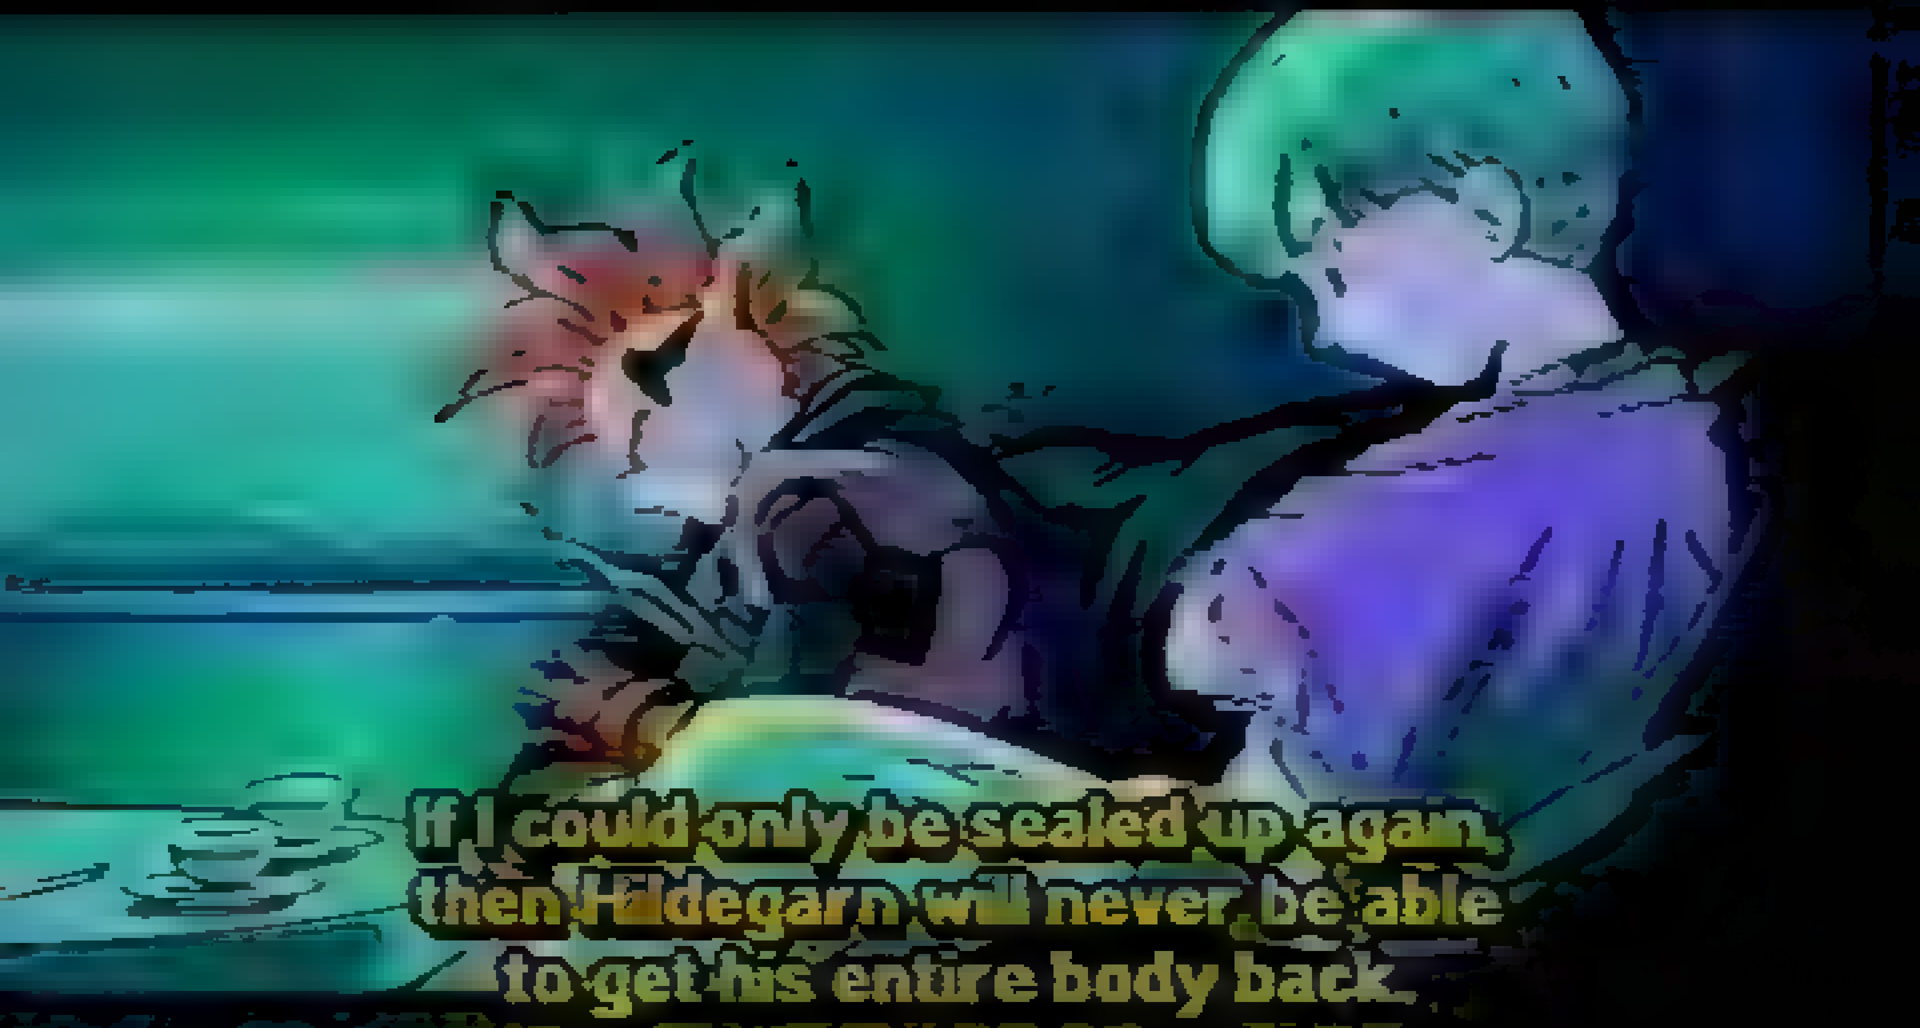

Where is your brother?

He might be dead...

Hoi will pay for this!

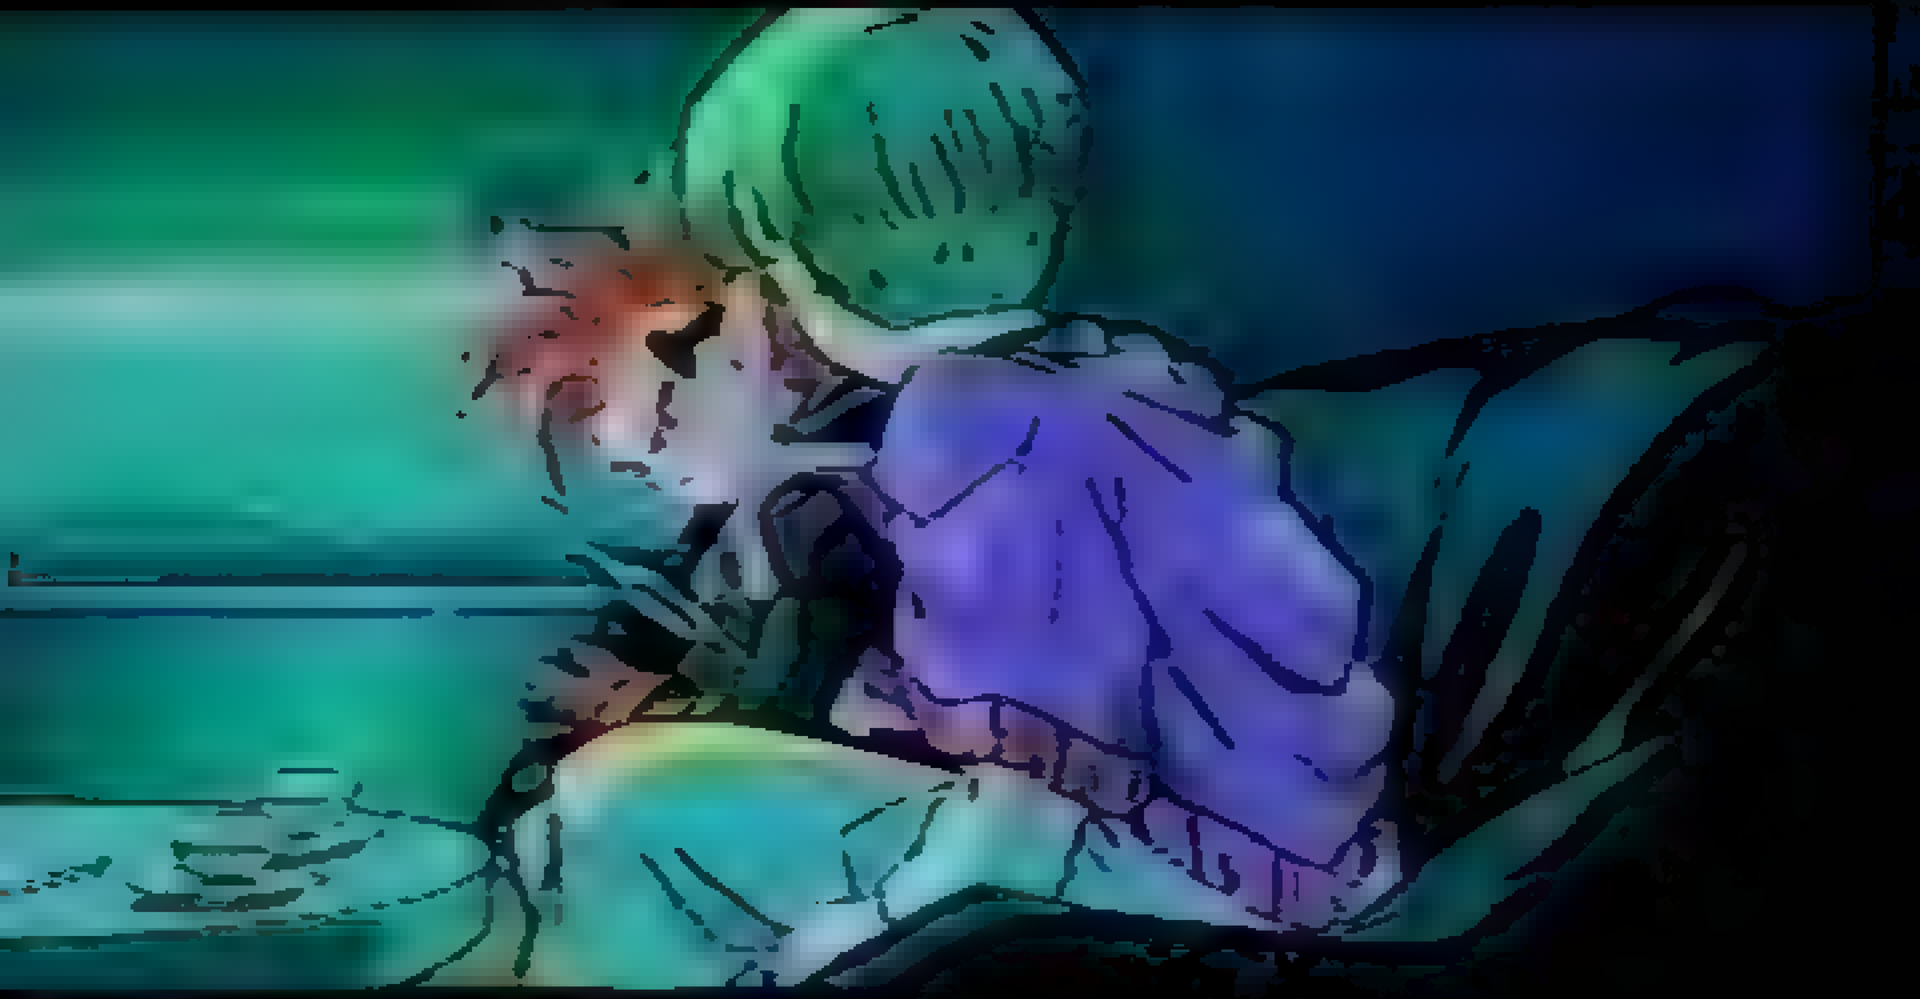

If I could only be sealed up again,
then Hildegarn will never be able
to get his entire body back.

If I could only be sealed up again,
then Hildegarn will never be able
to get his entire body back.

If I could only be sealed up again,
then Hildegarn will never be able
to get his entire body back.

So since then you haven't gotten any sleep?

Okay! I'll take care of everything.

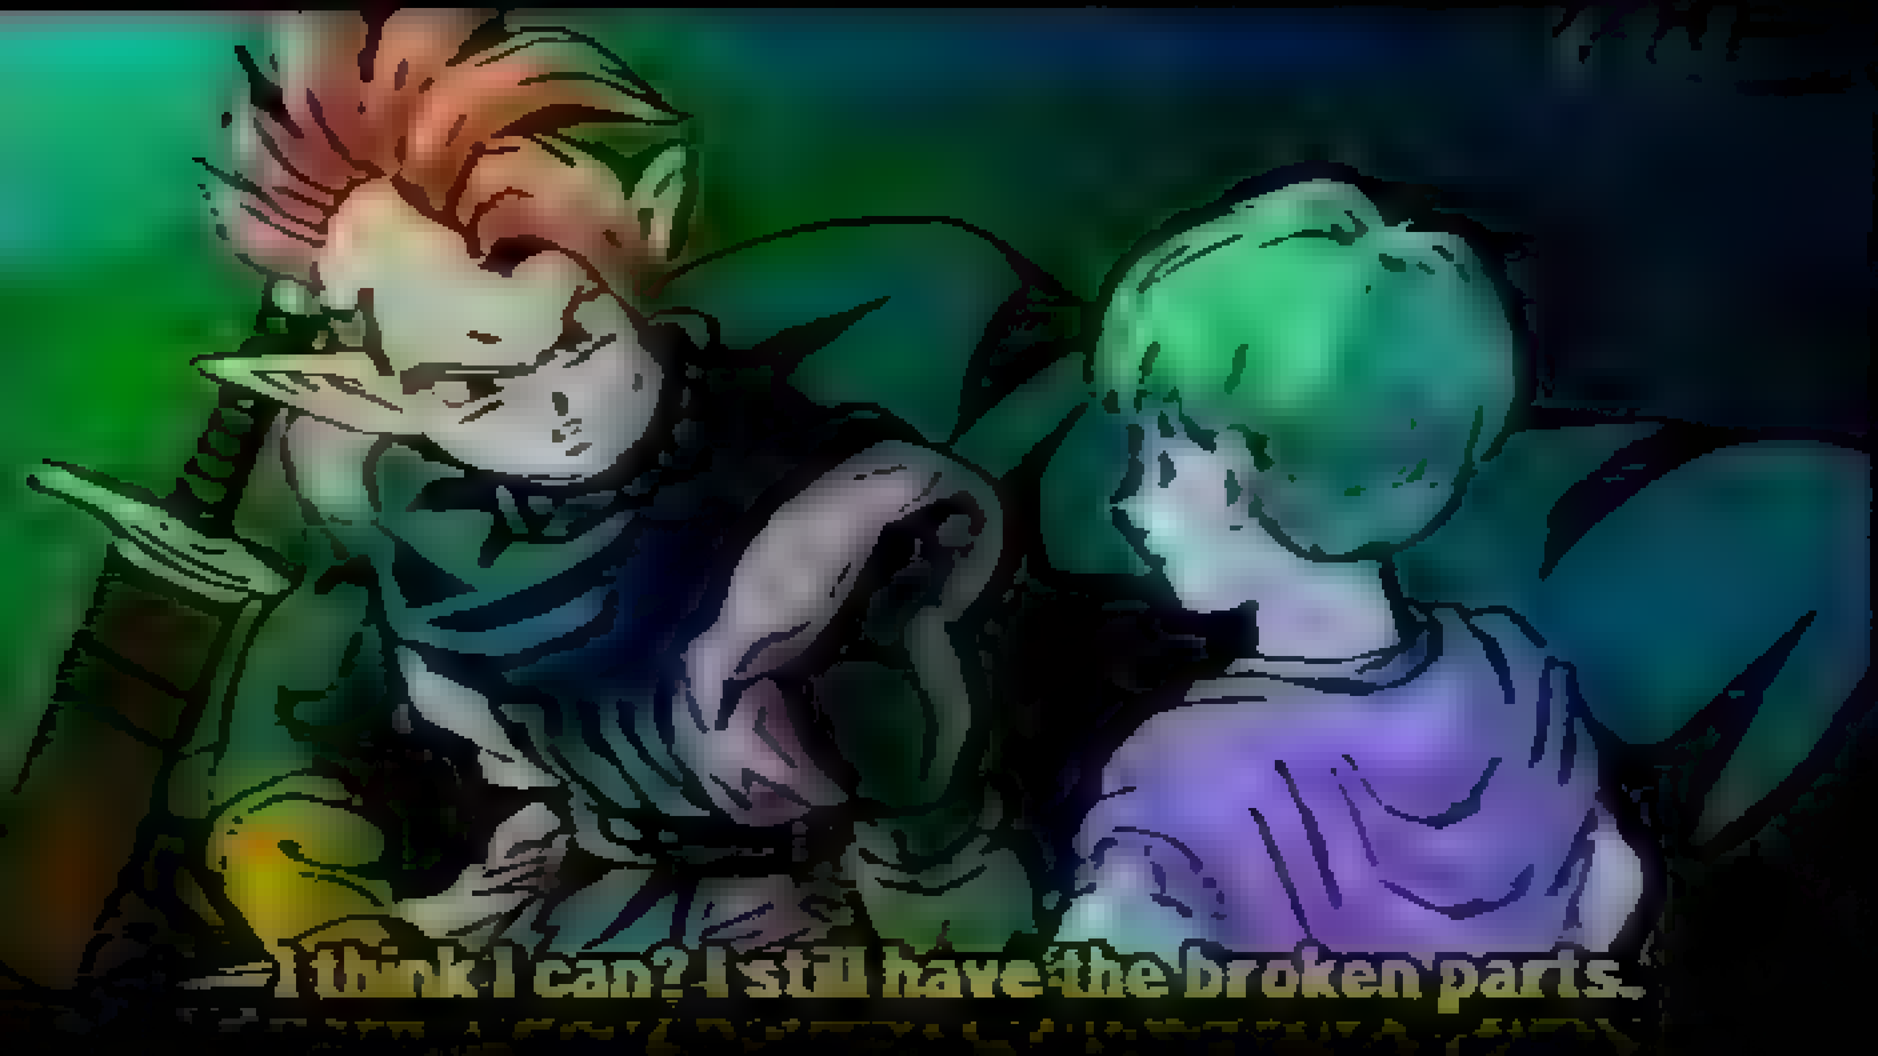

I'll put together an Oracle like that one
so it can contain the monster, okay?

I'll put together an Oracle like that one
so it can contain the monster, okay?

I'll put together an Oracle like that one
so it can contain the monster, okay?

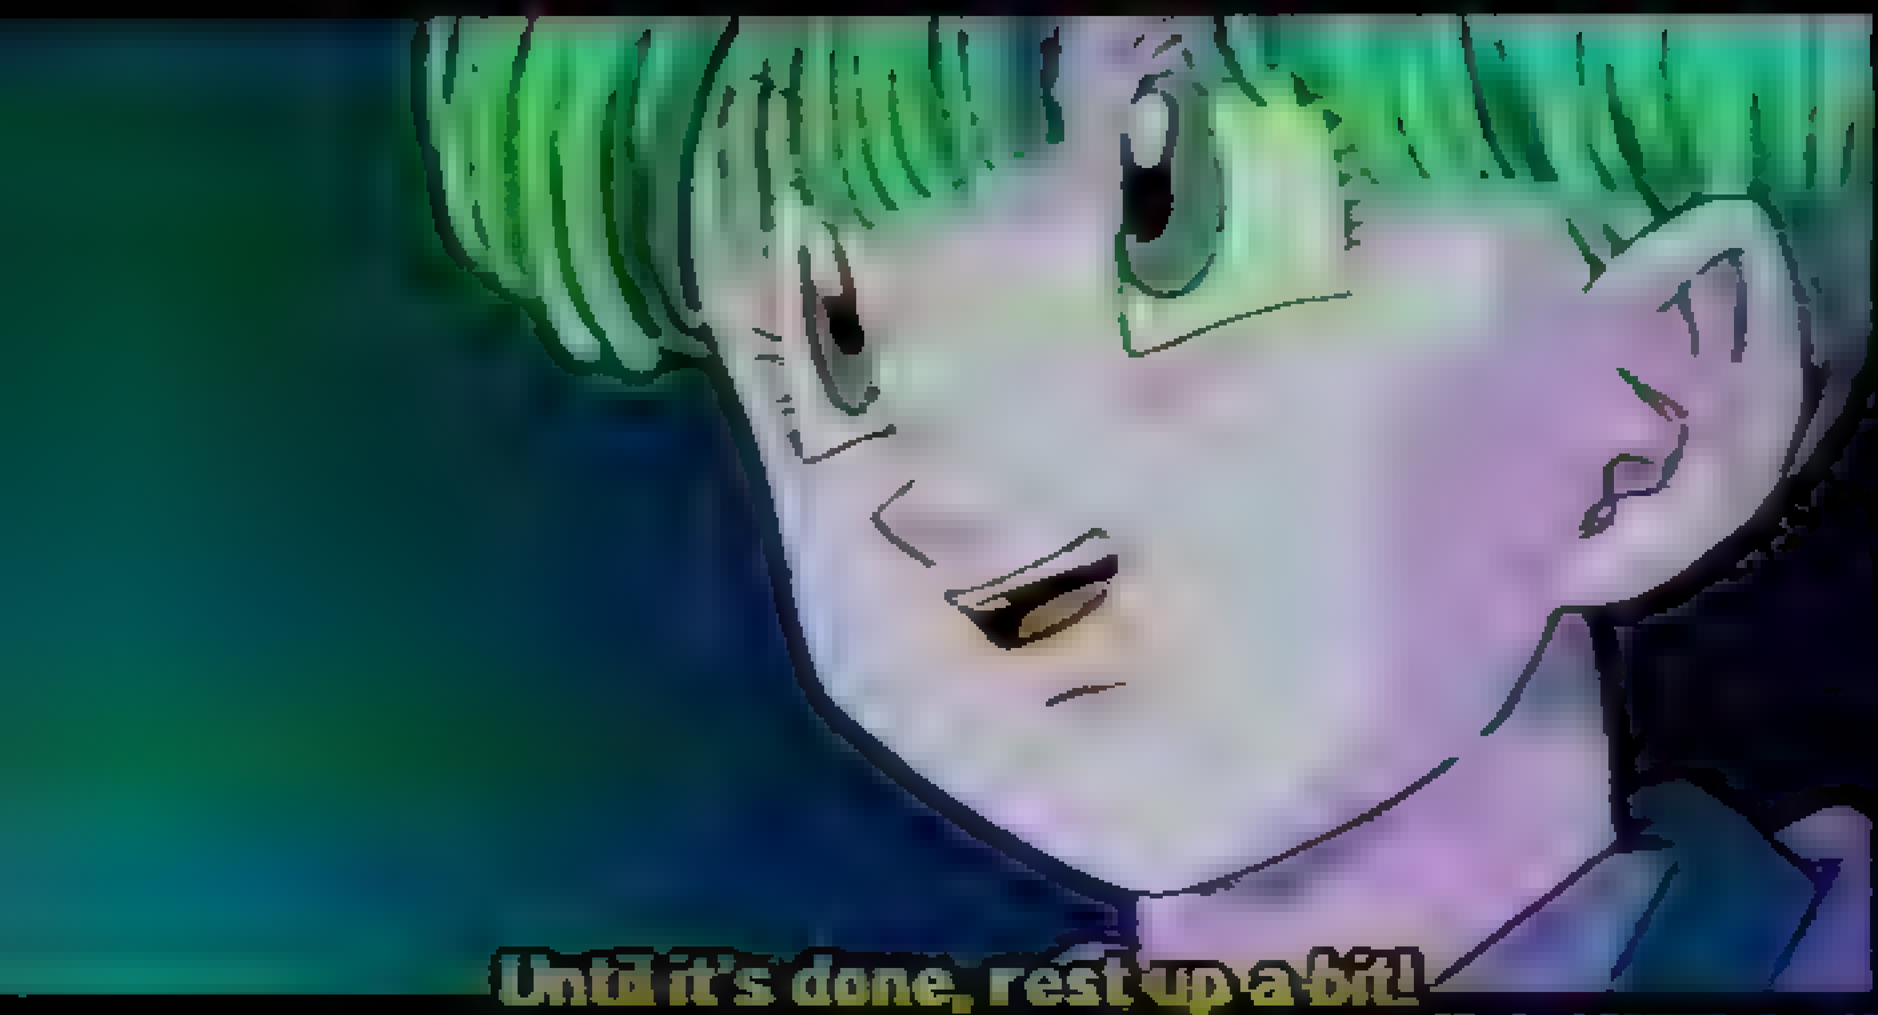

Can you really do that?

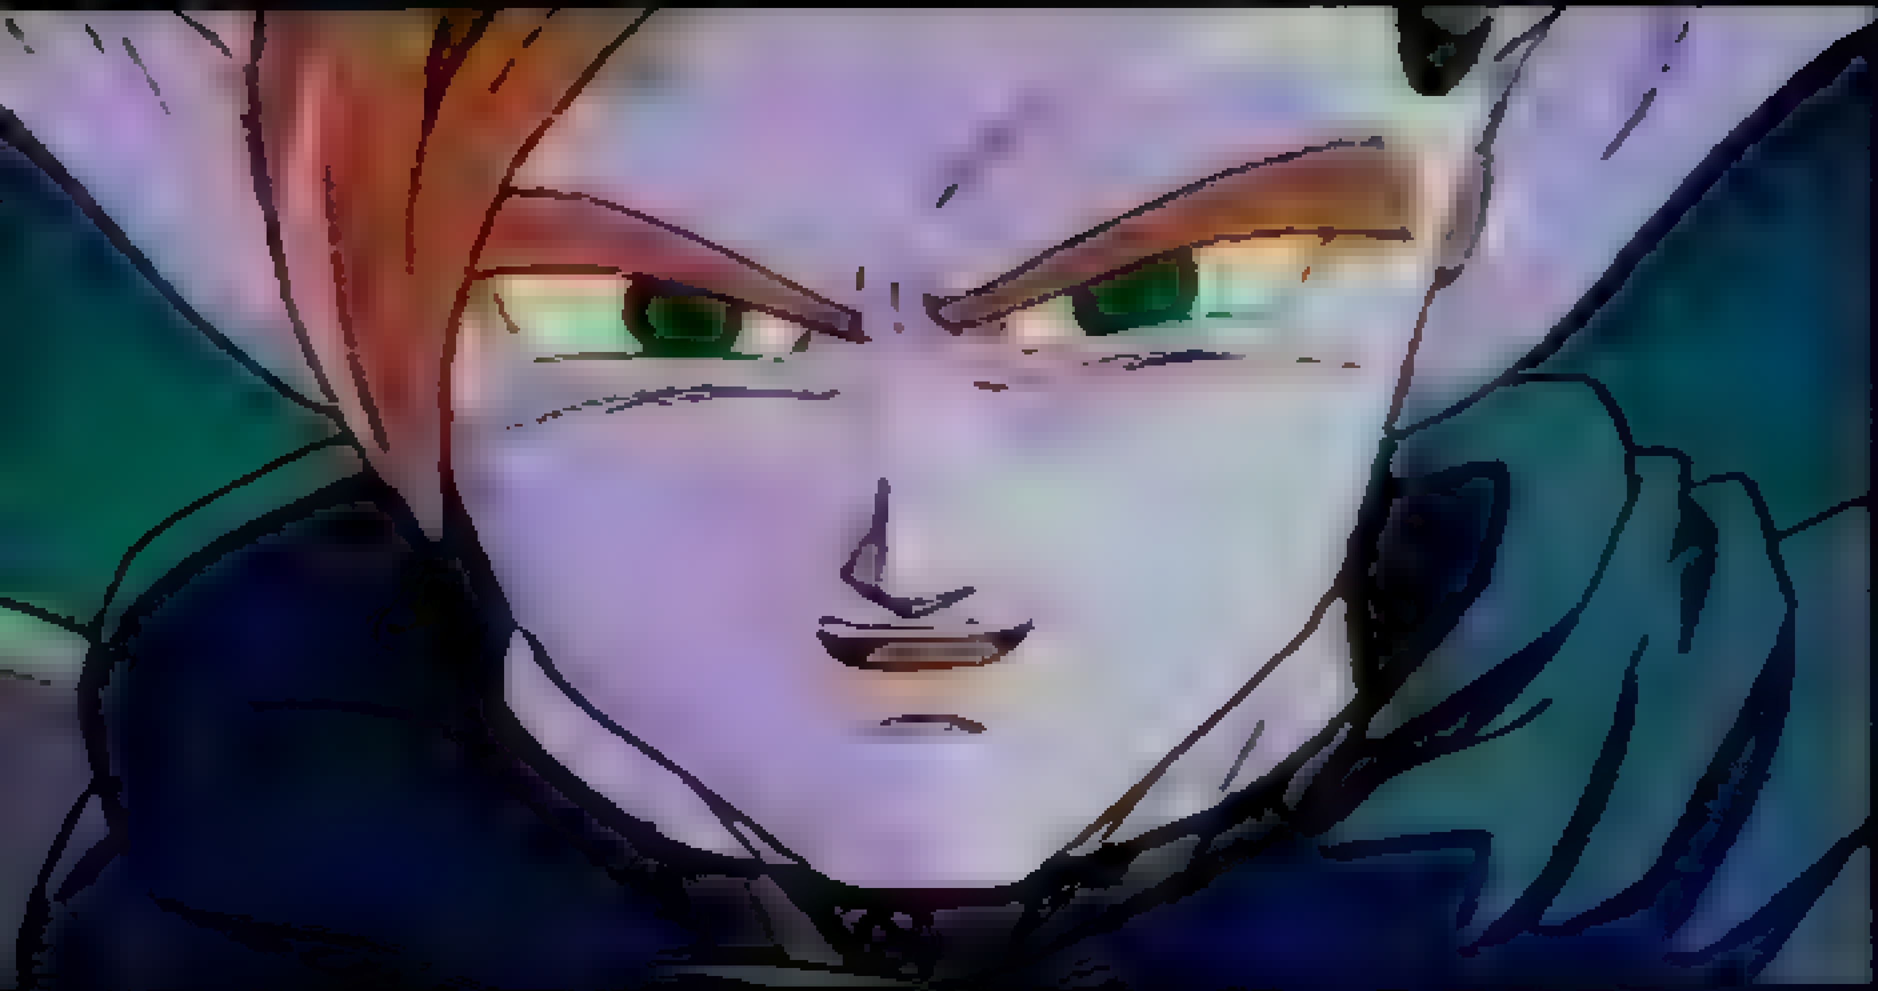

I think I can? I still have the broken parts...

I think I can? I still have the broken parts.

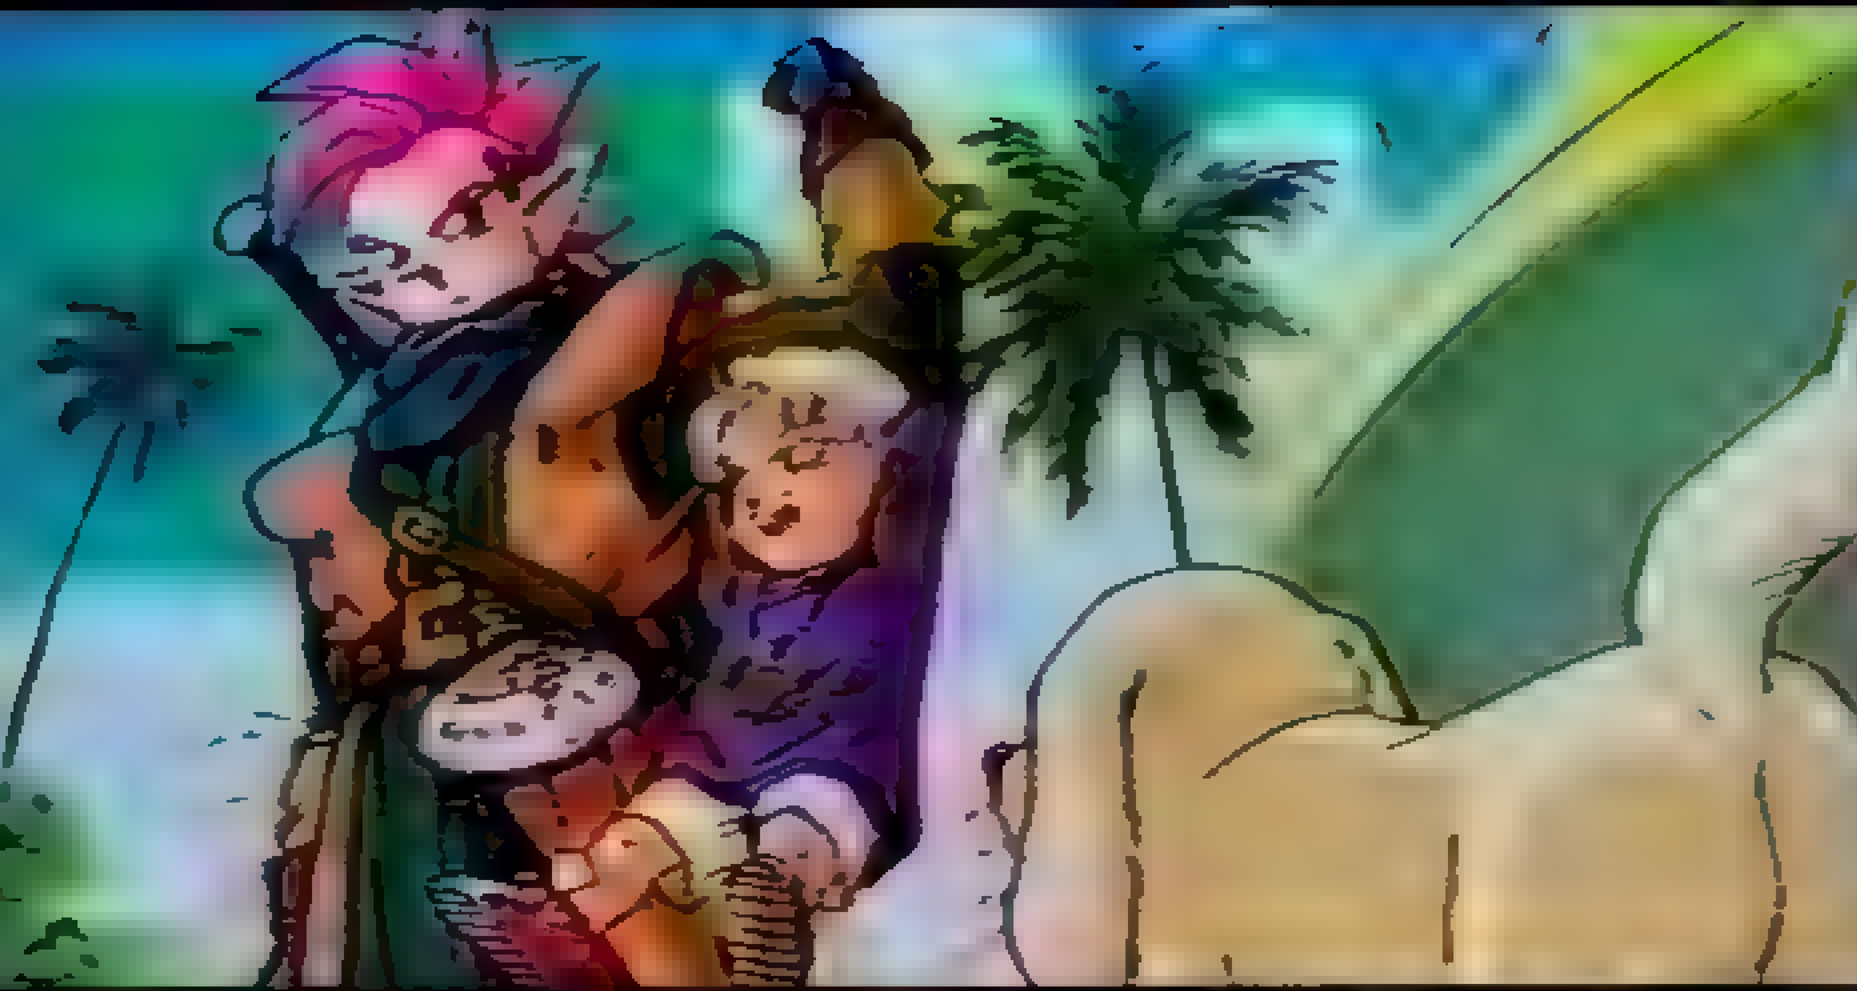

Please! Please do so!

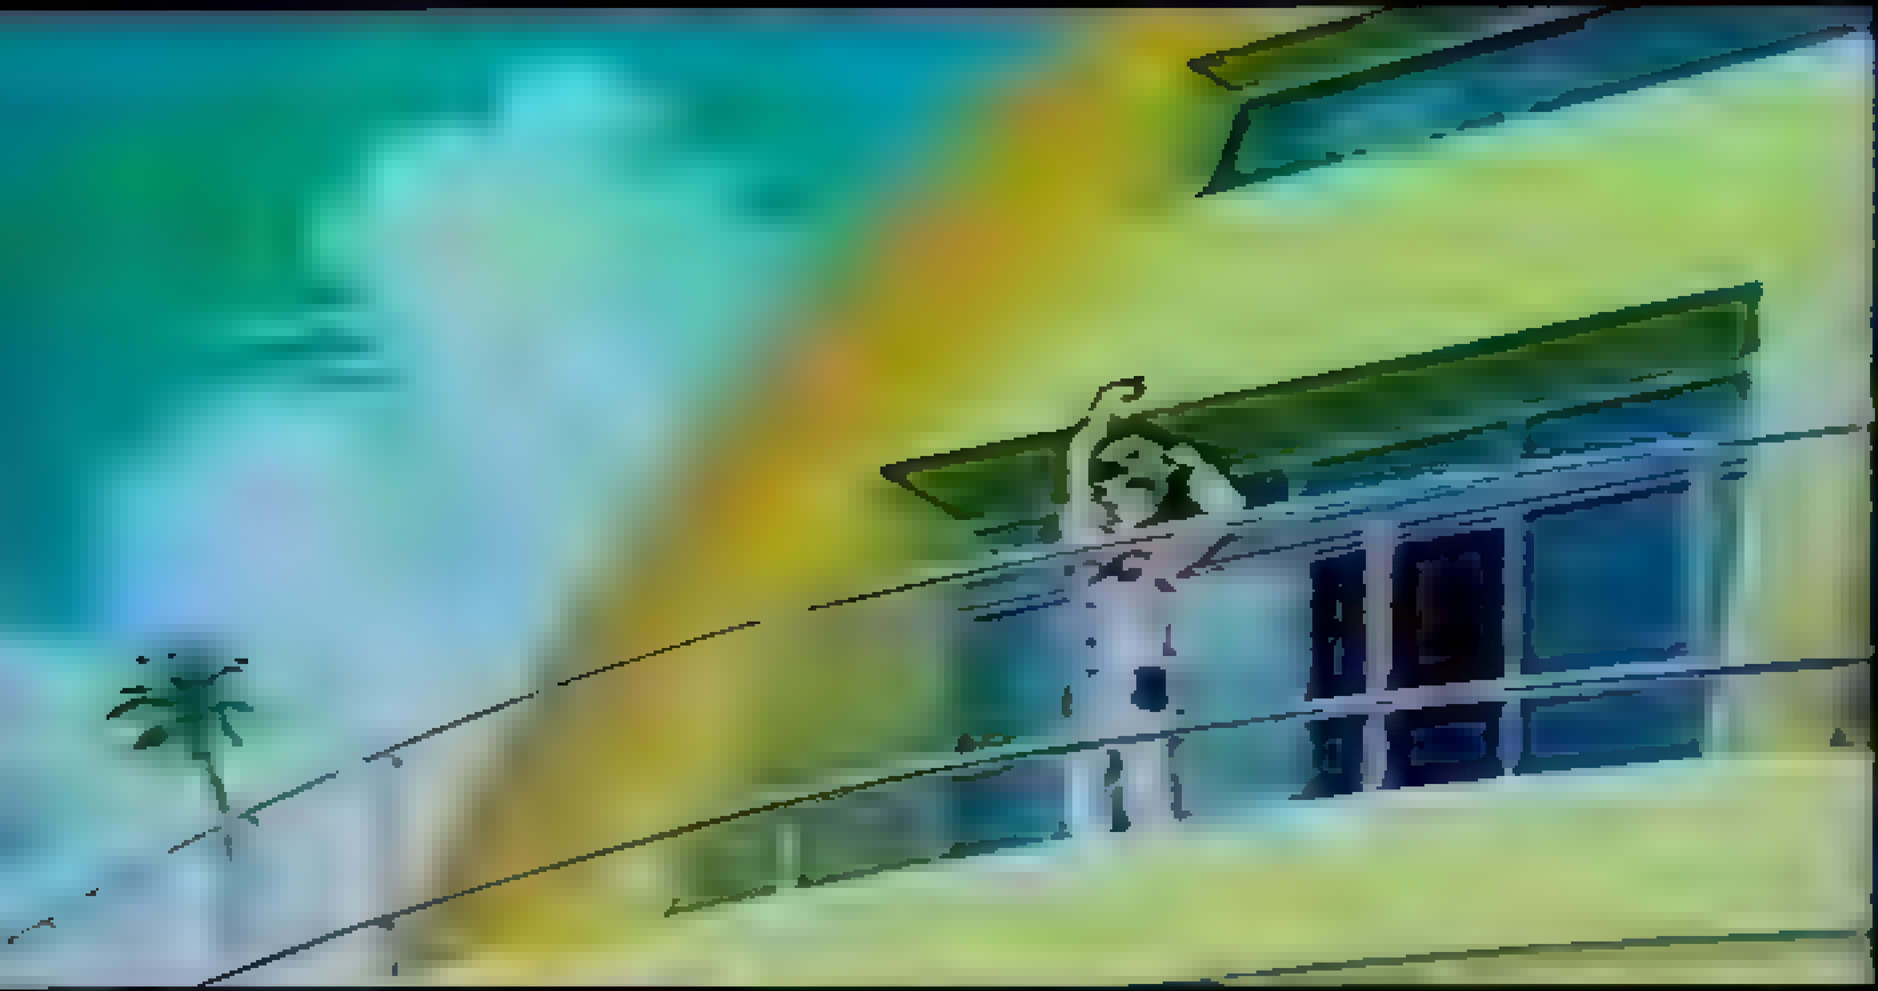

Until it's done, rest up a bit!

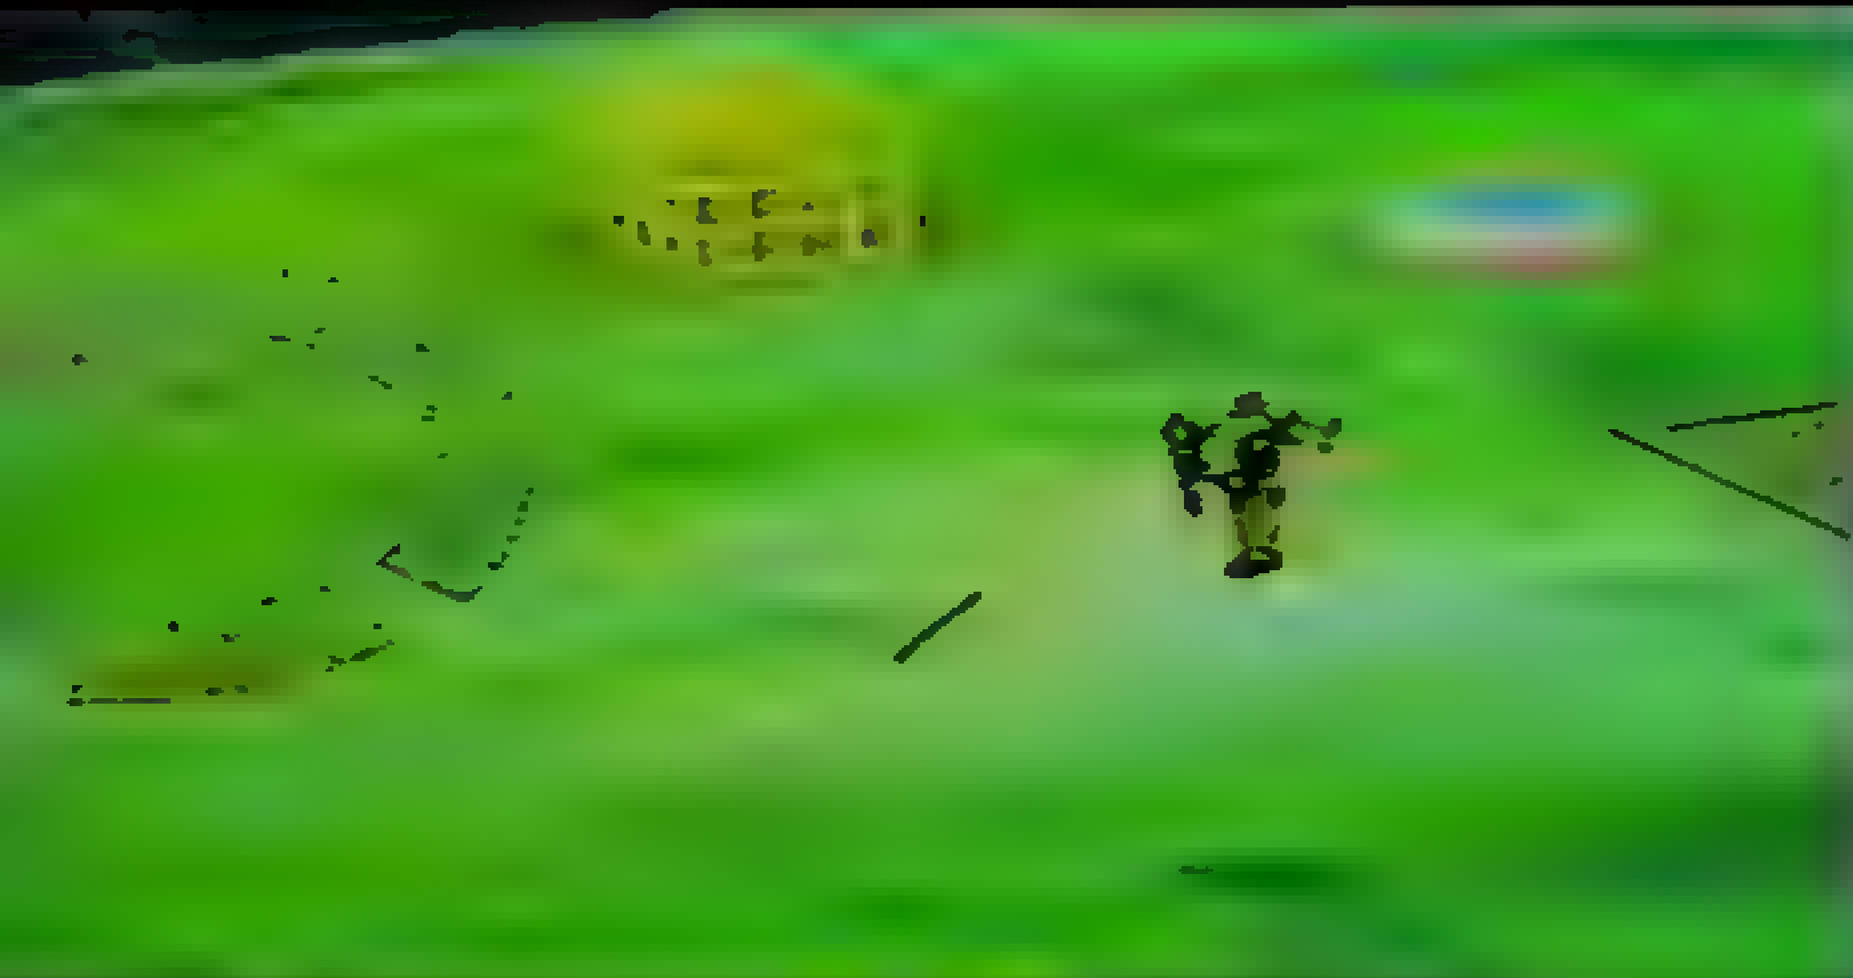

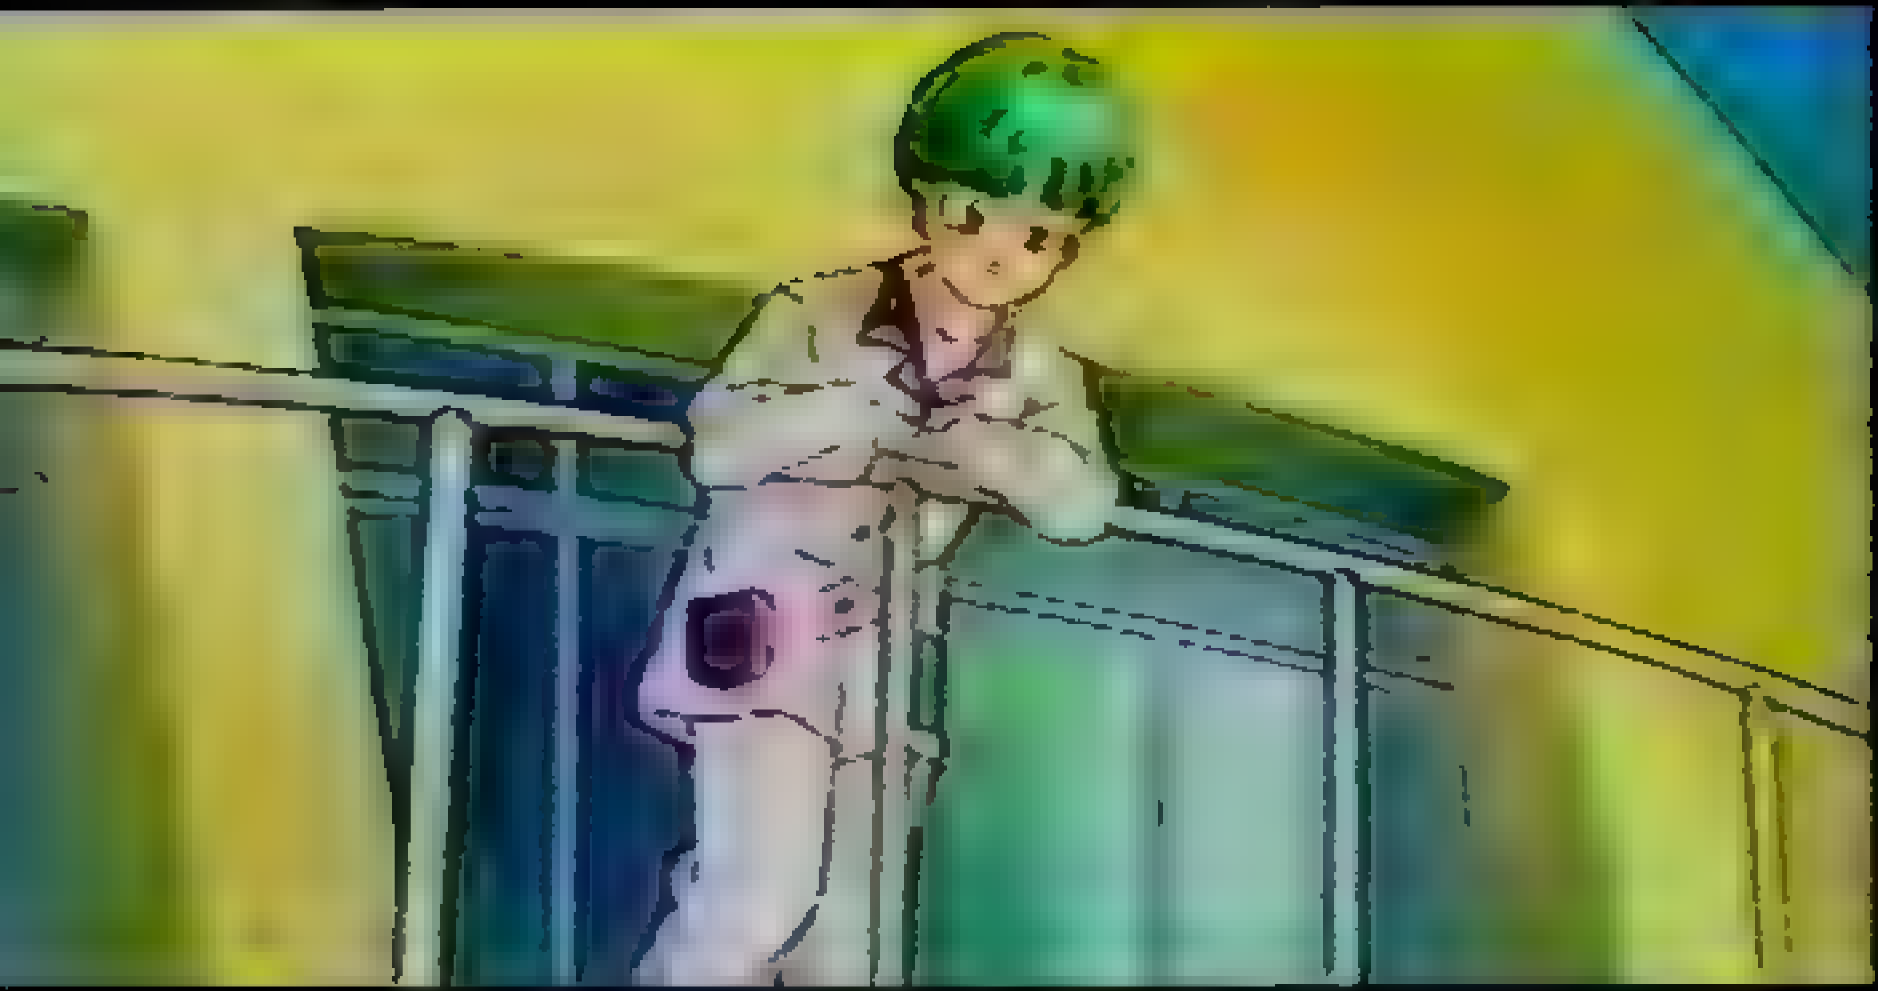

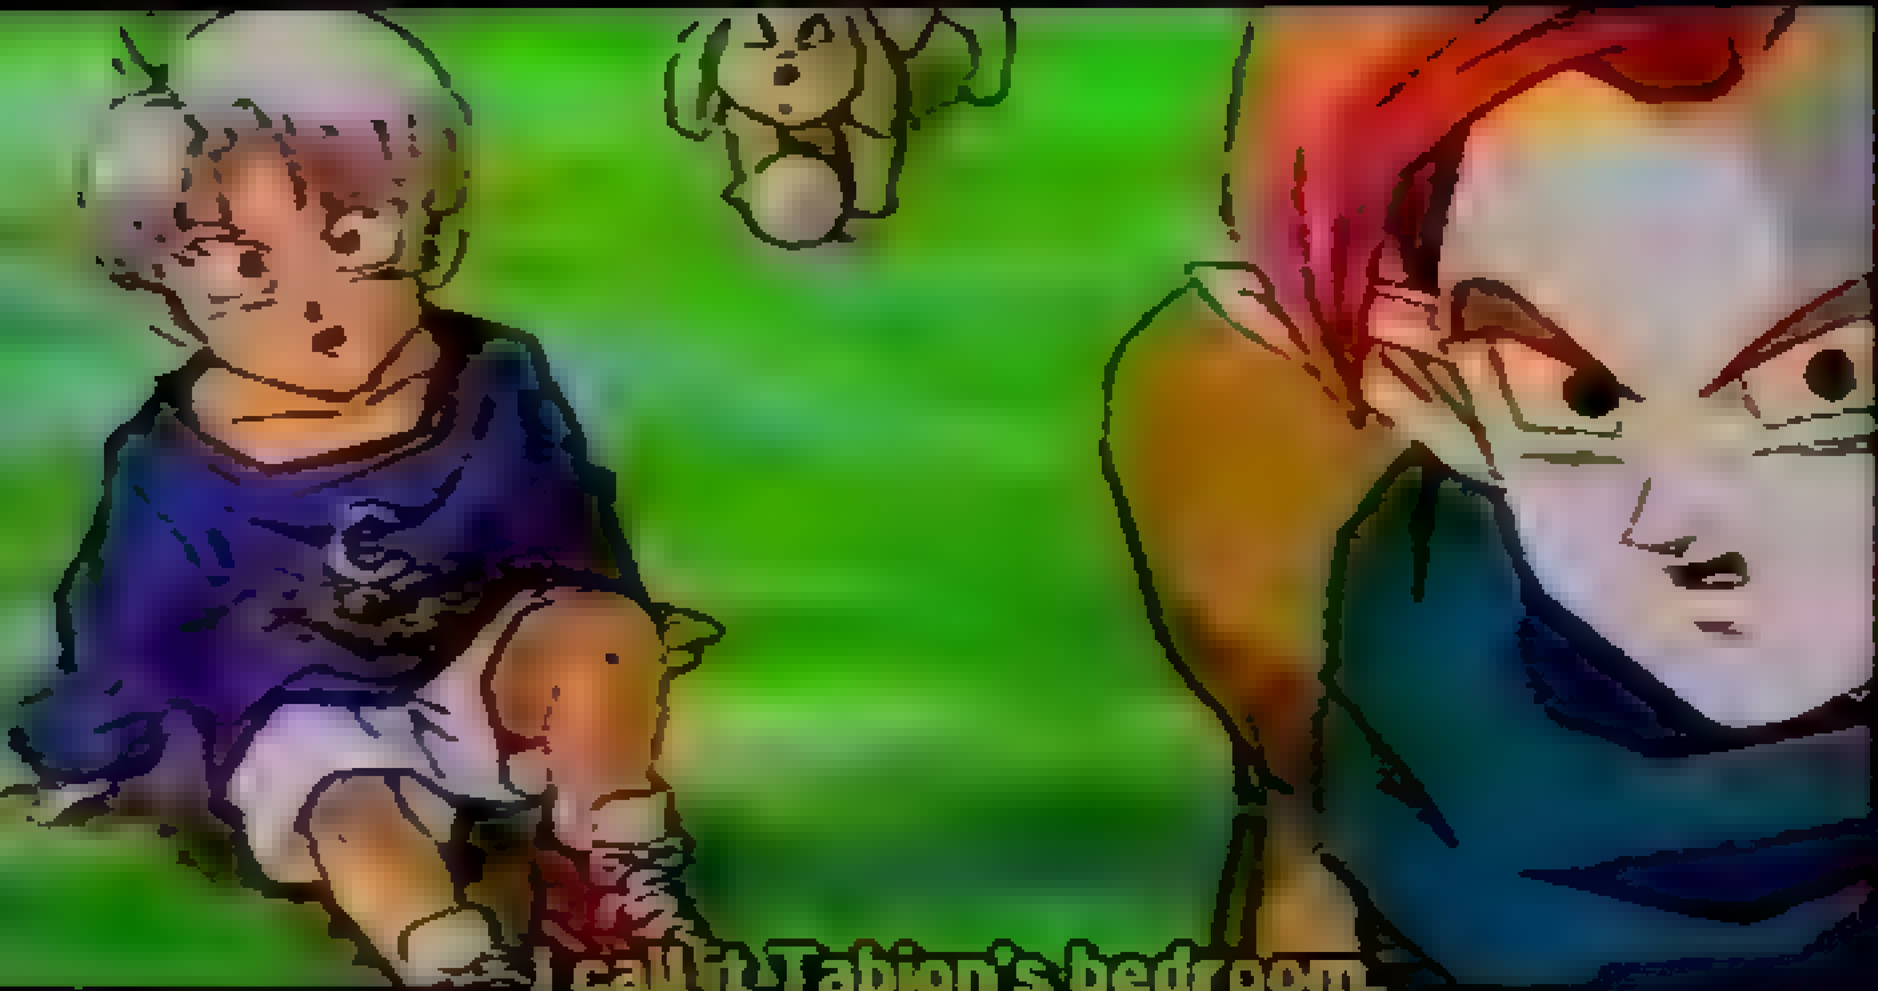

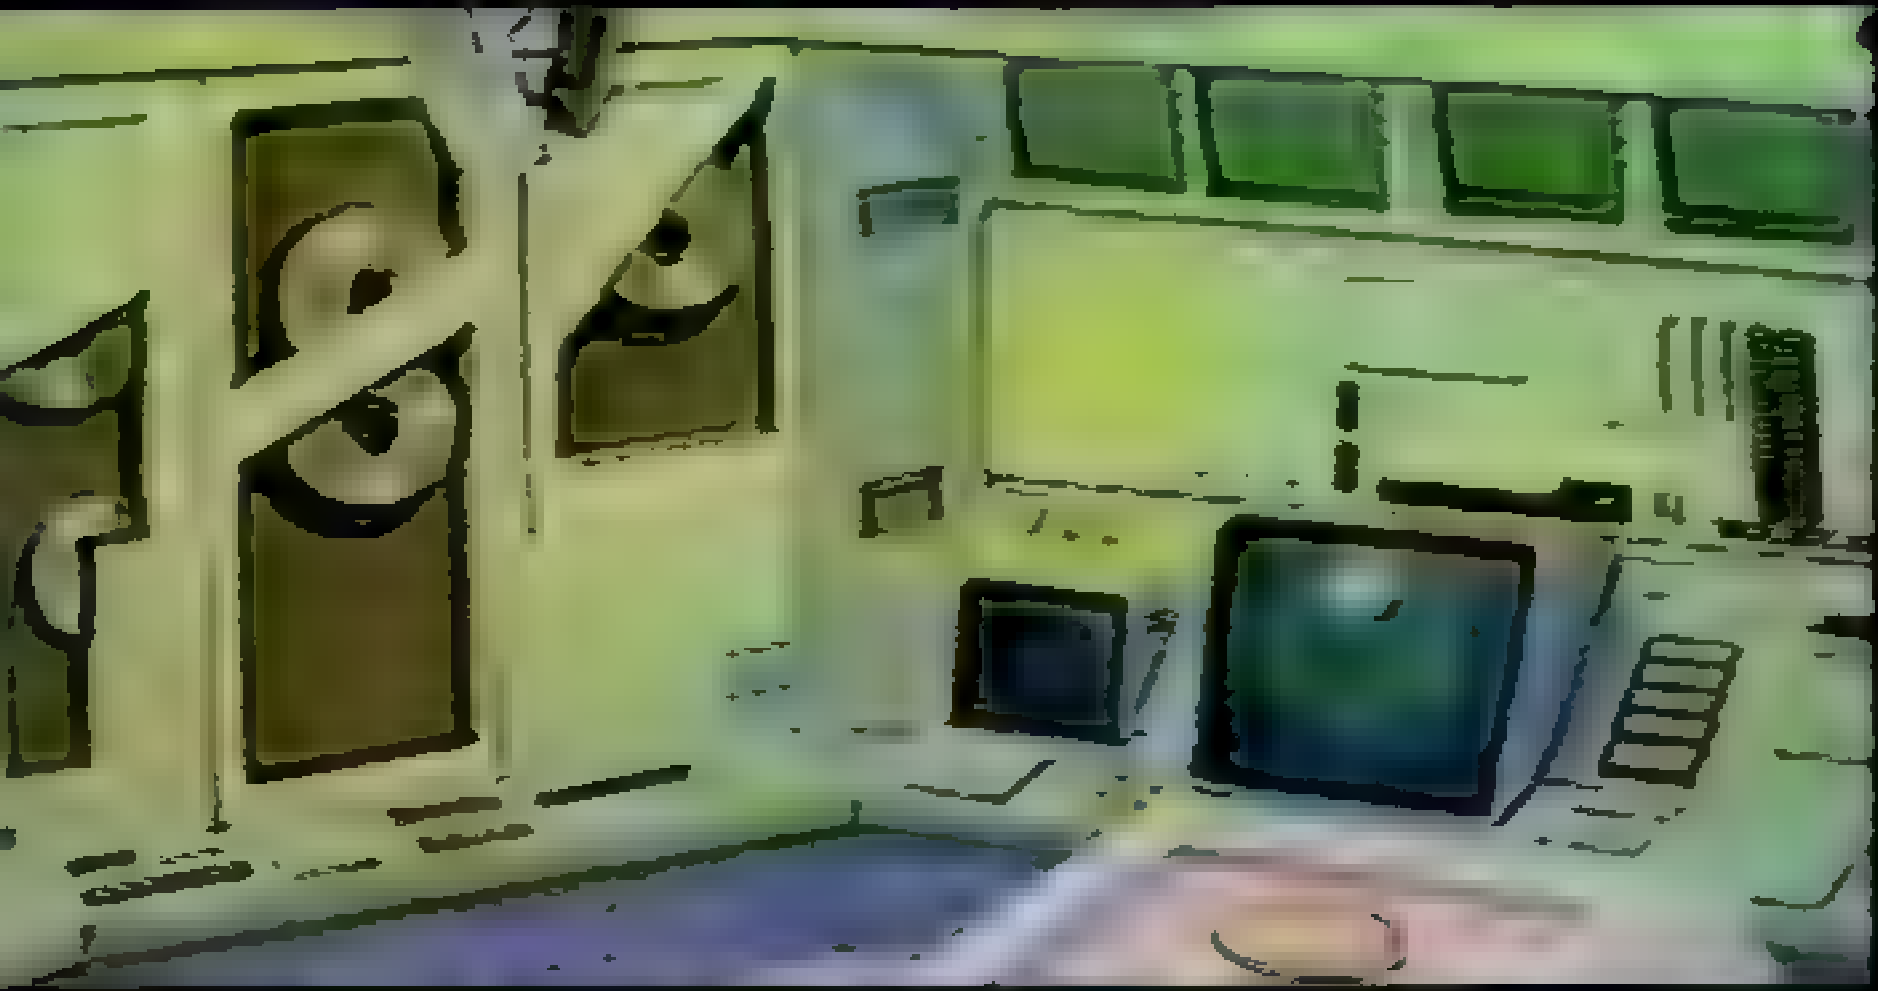

I call it Tabion's bedroom.

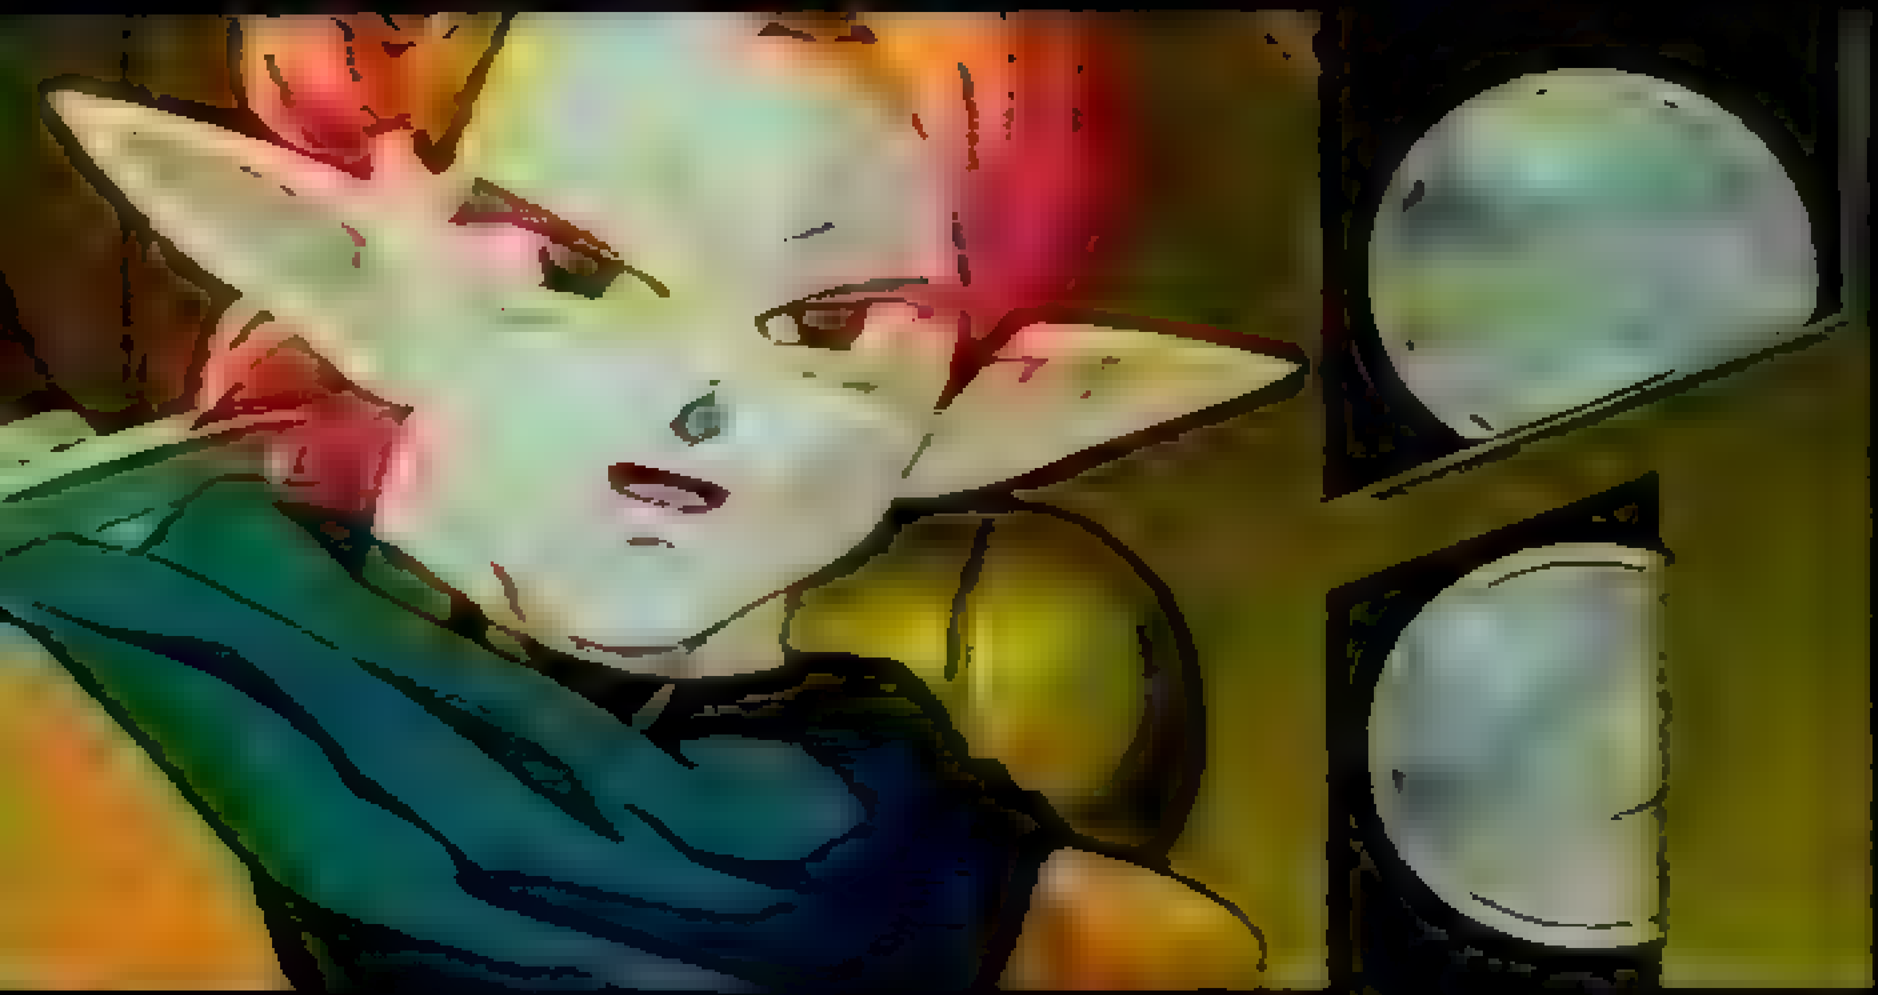

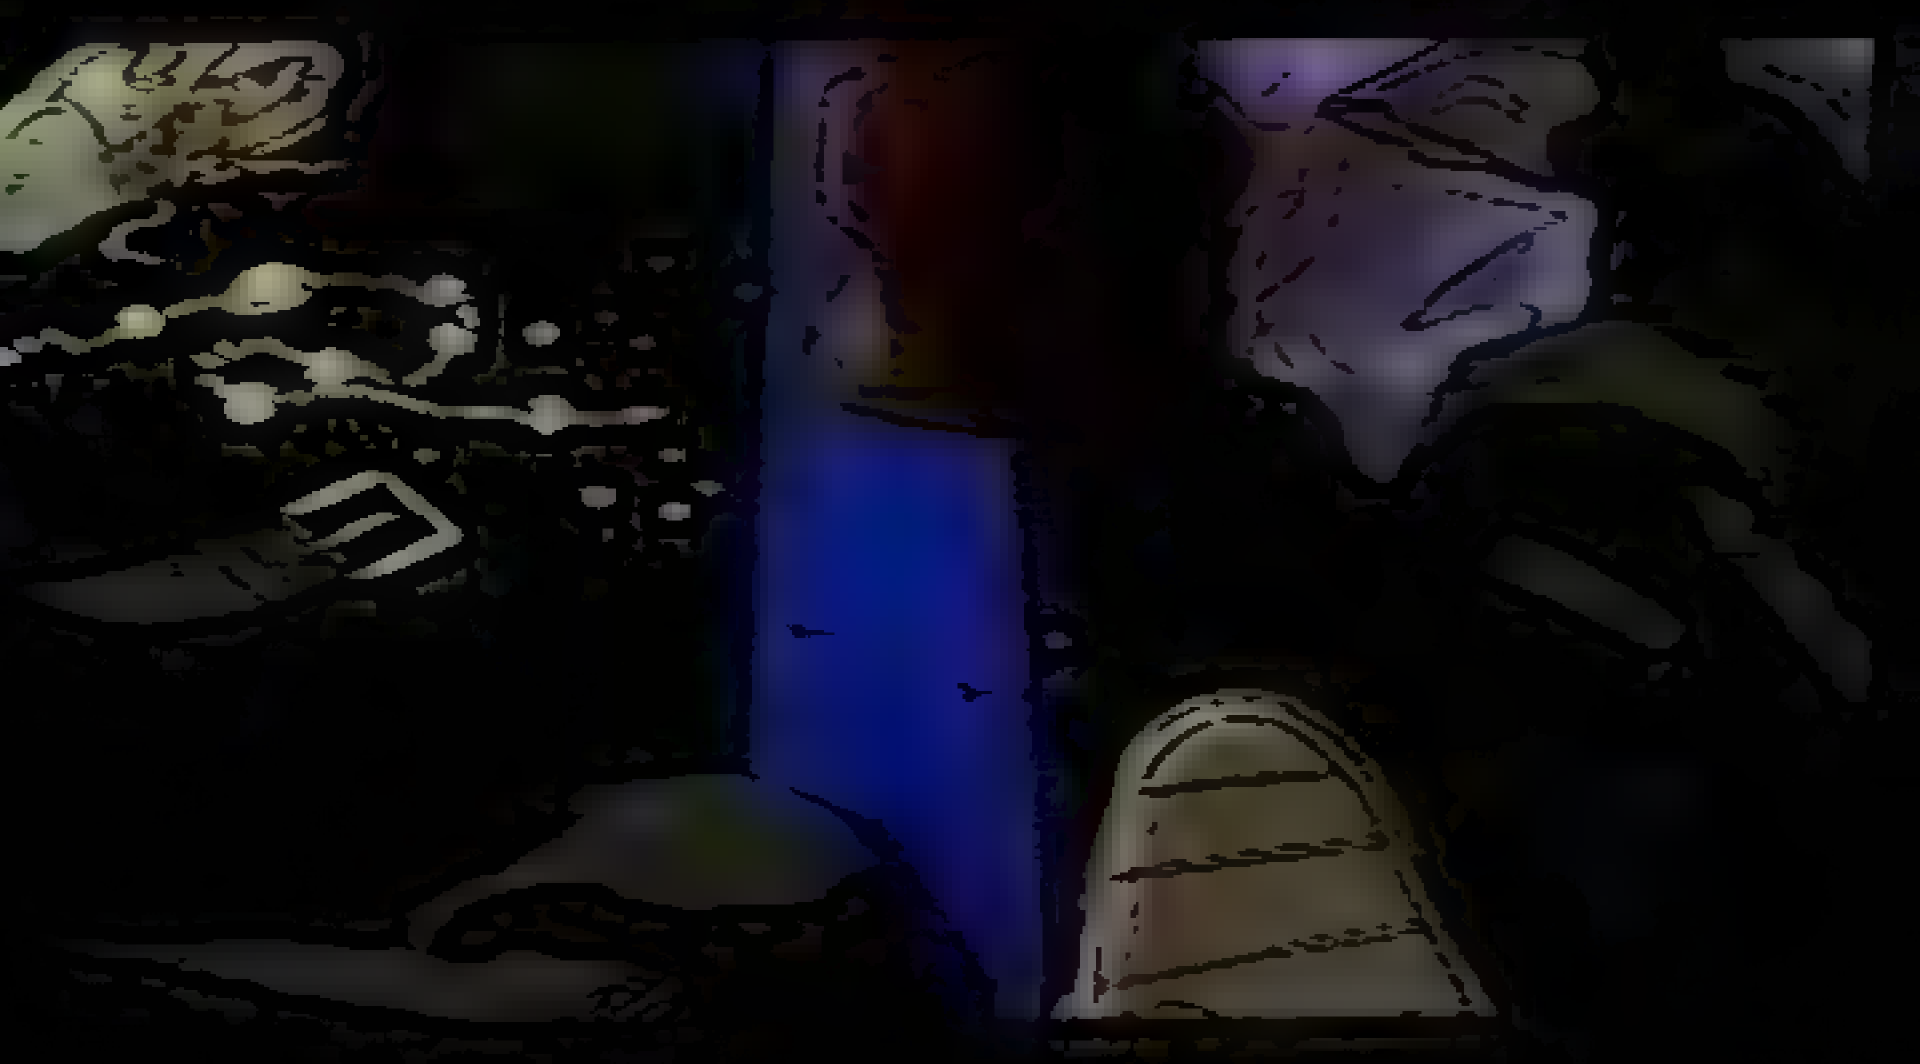

Being inside of this will help maintain
the control the Oracle had on Hildegarn.

Being inside of this will help maintain
the control the Oracle had on Hildegarn.

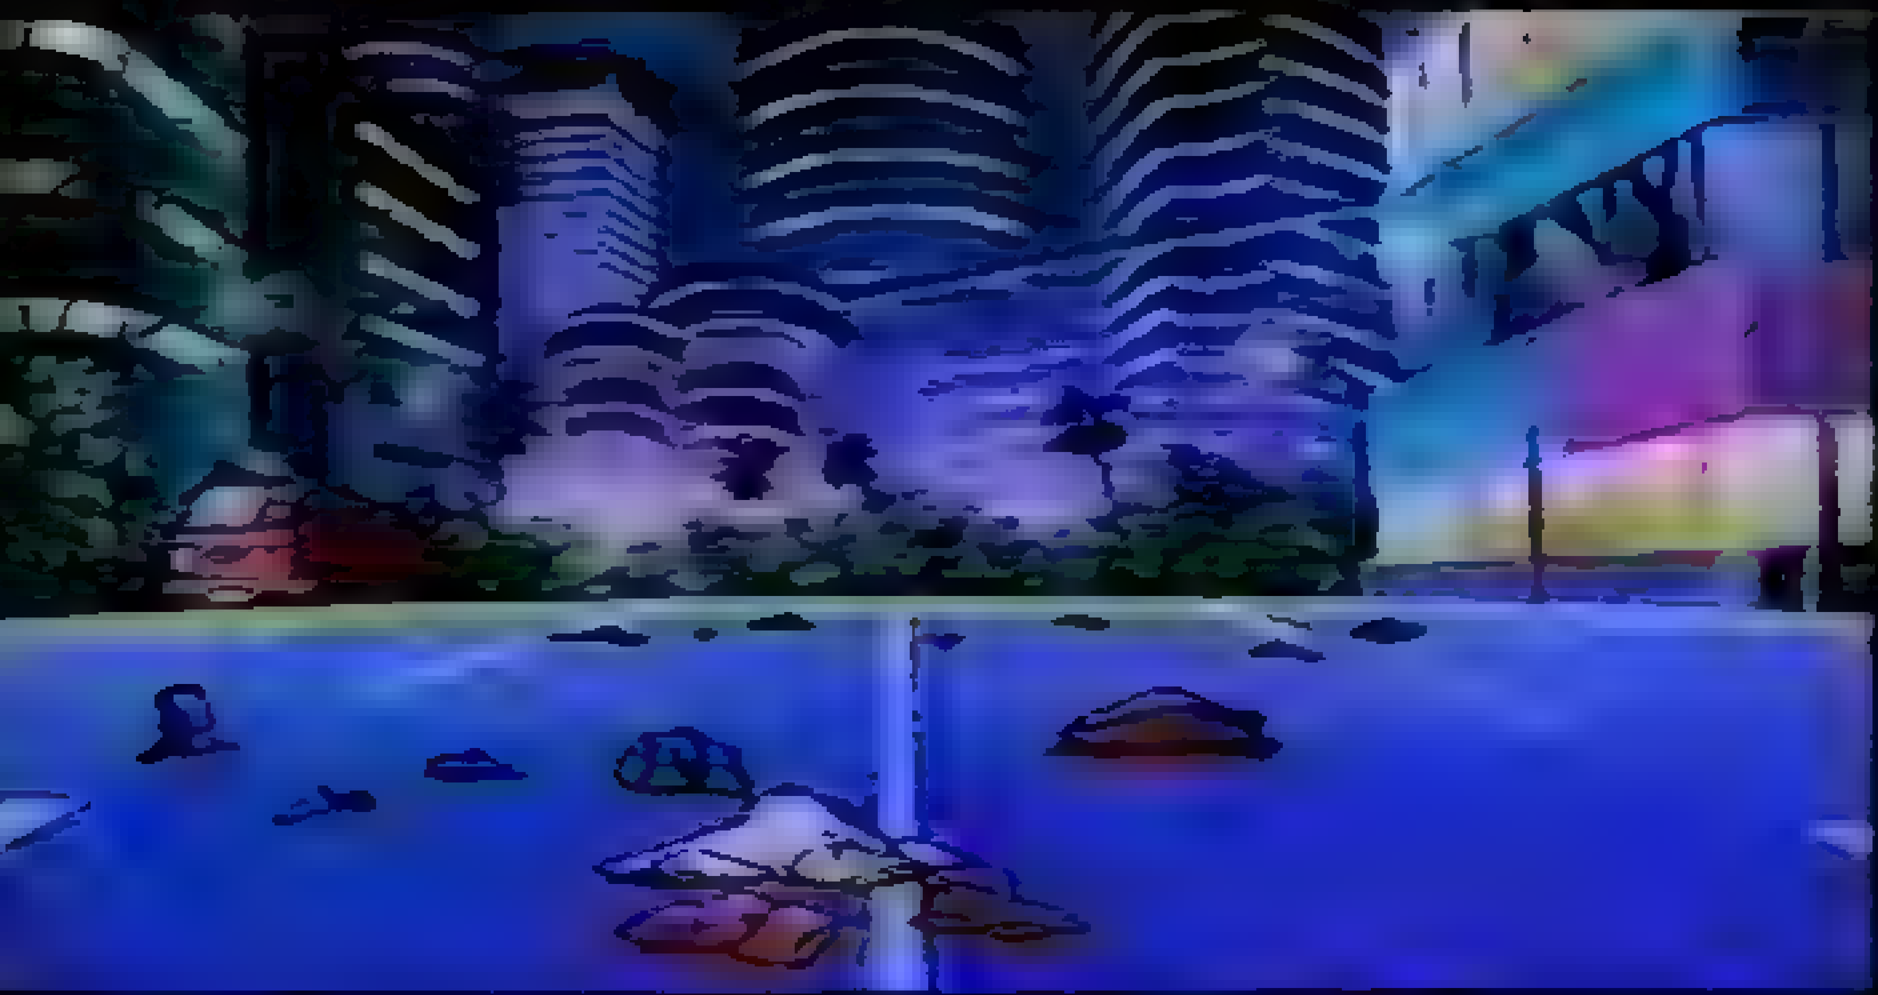

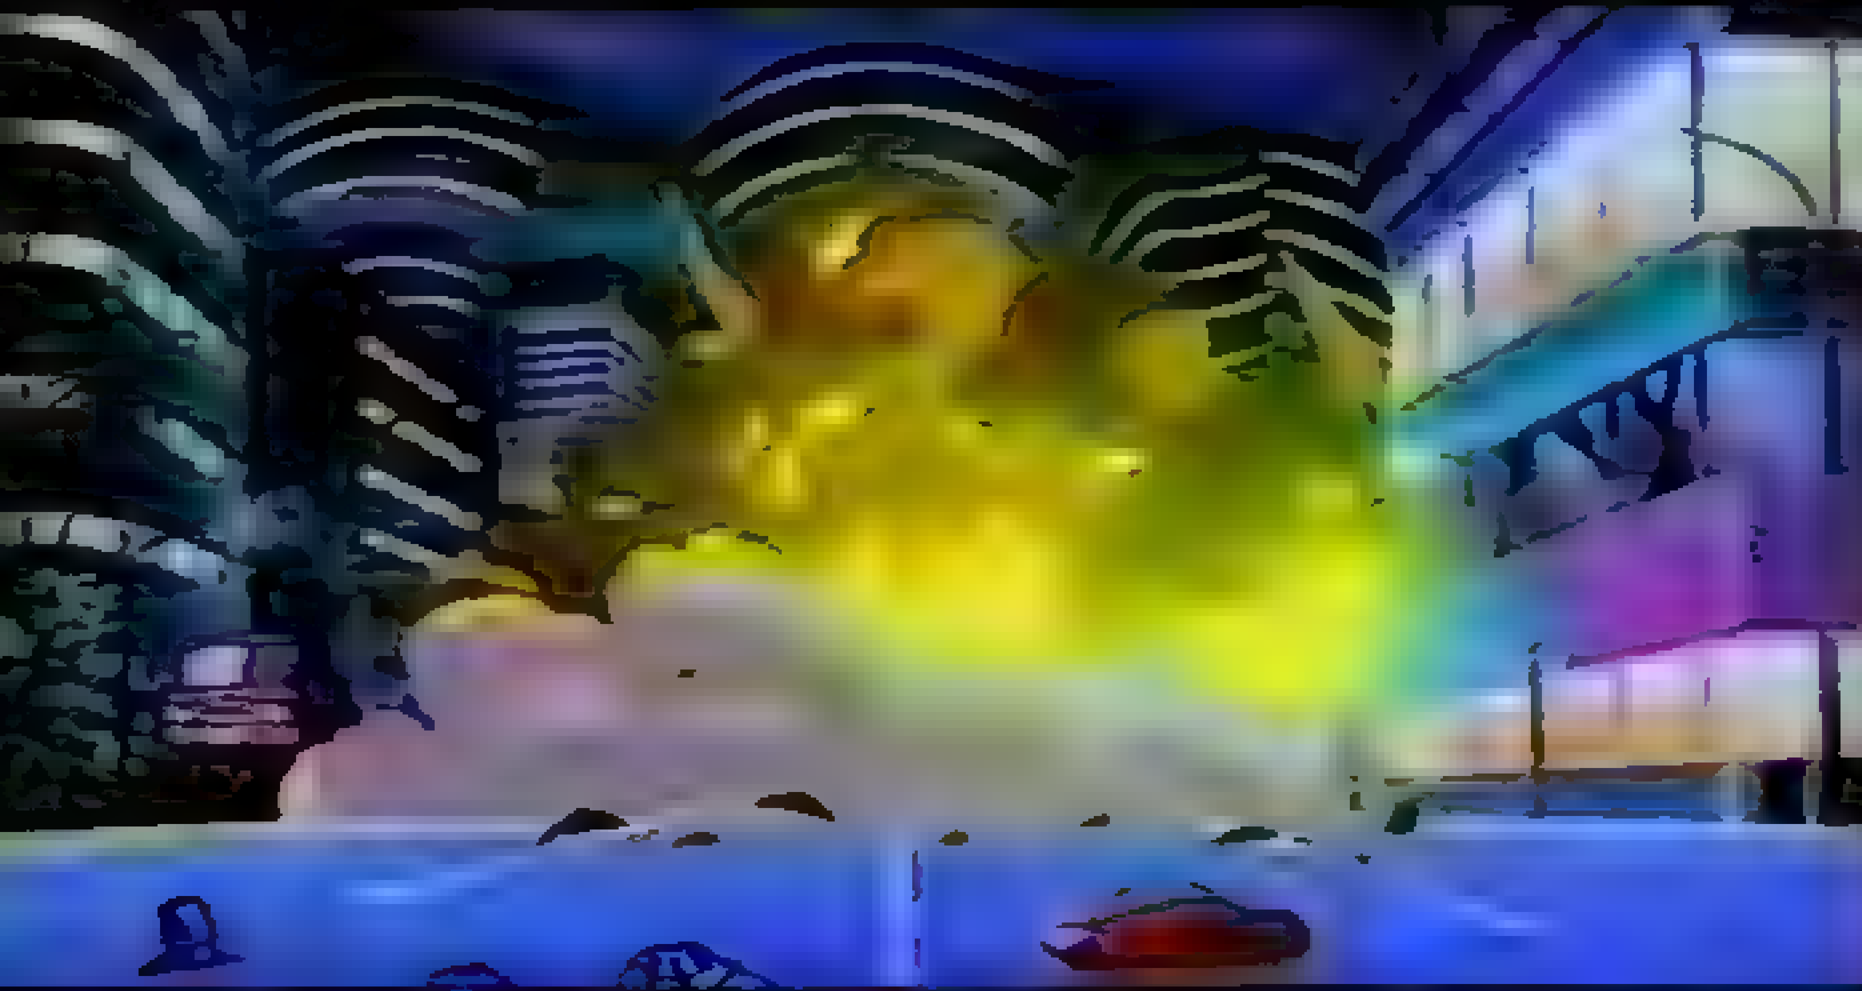

While you get some sleep,
everything will okay...

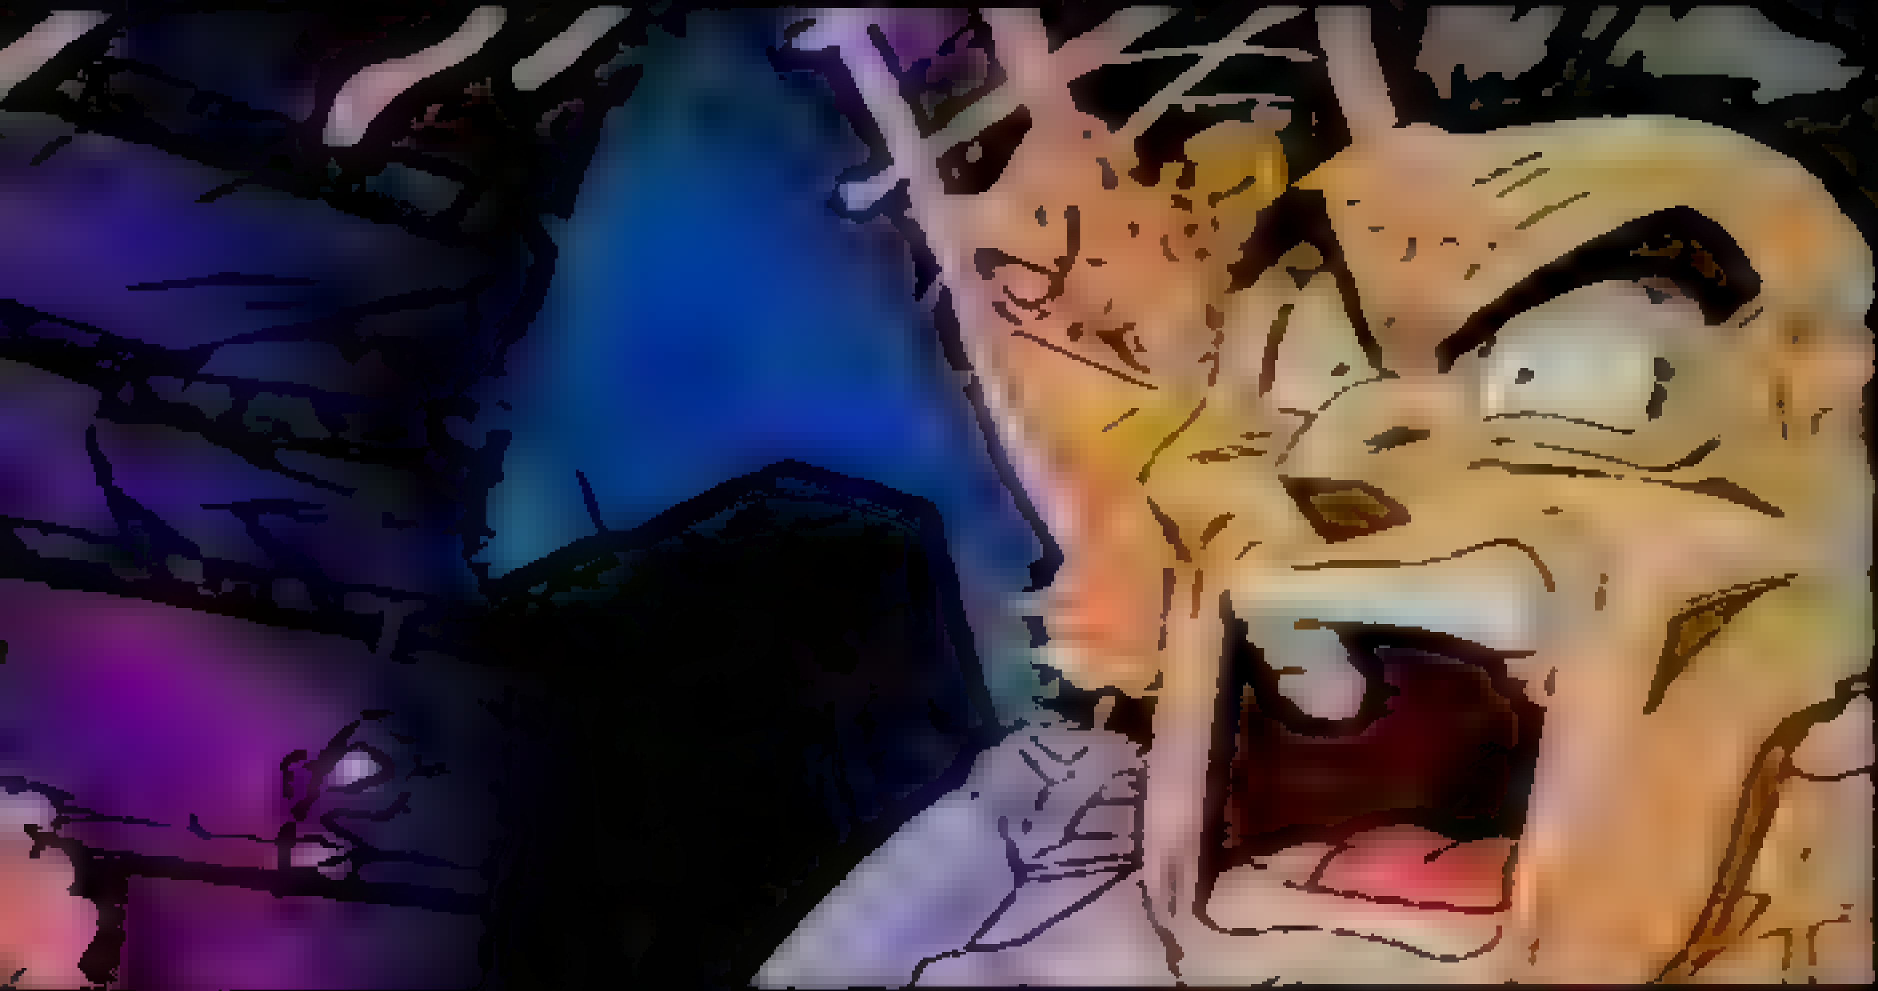

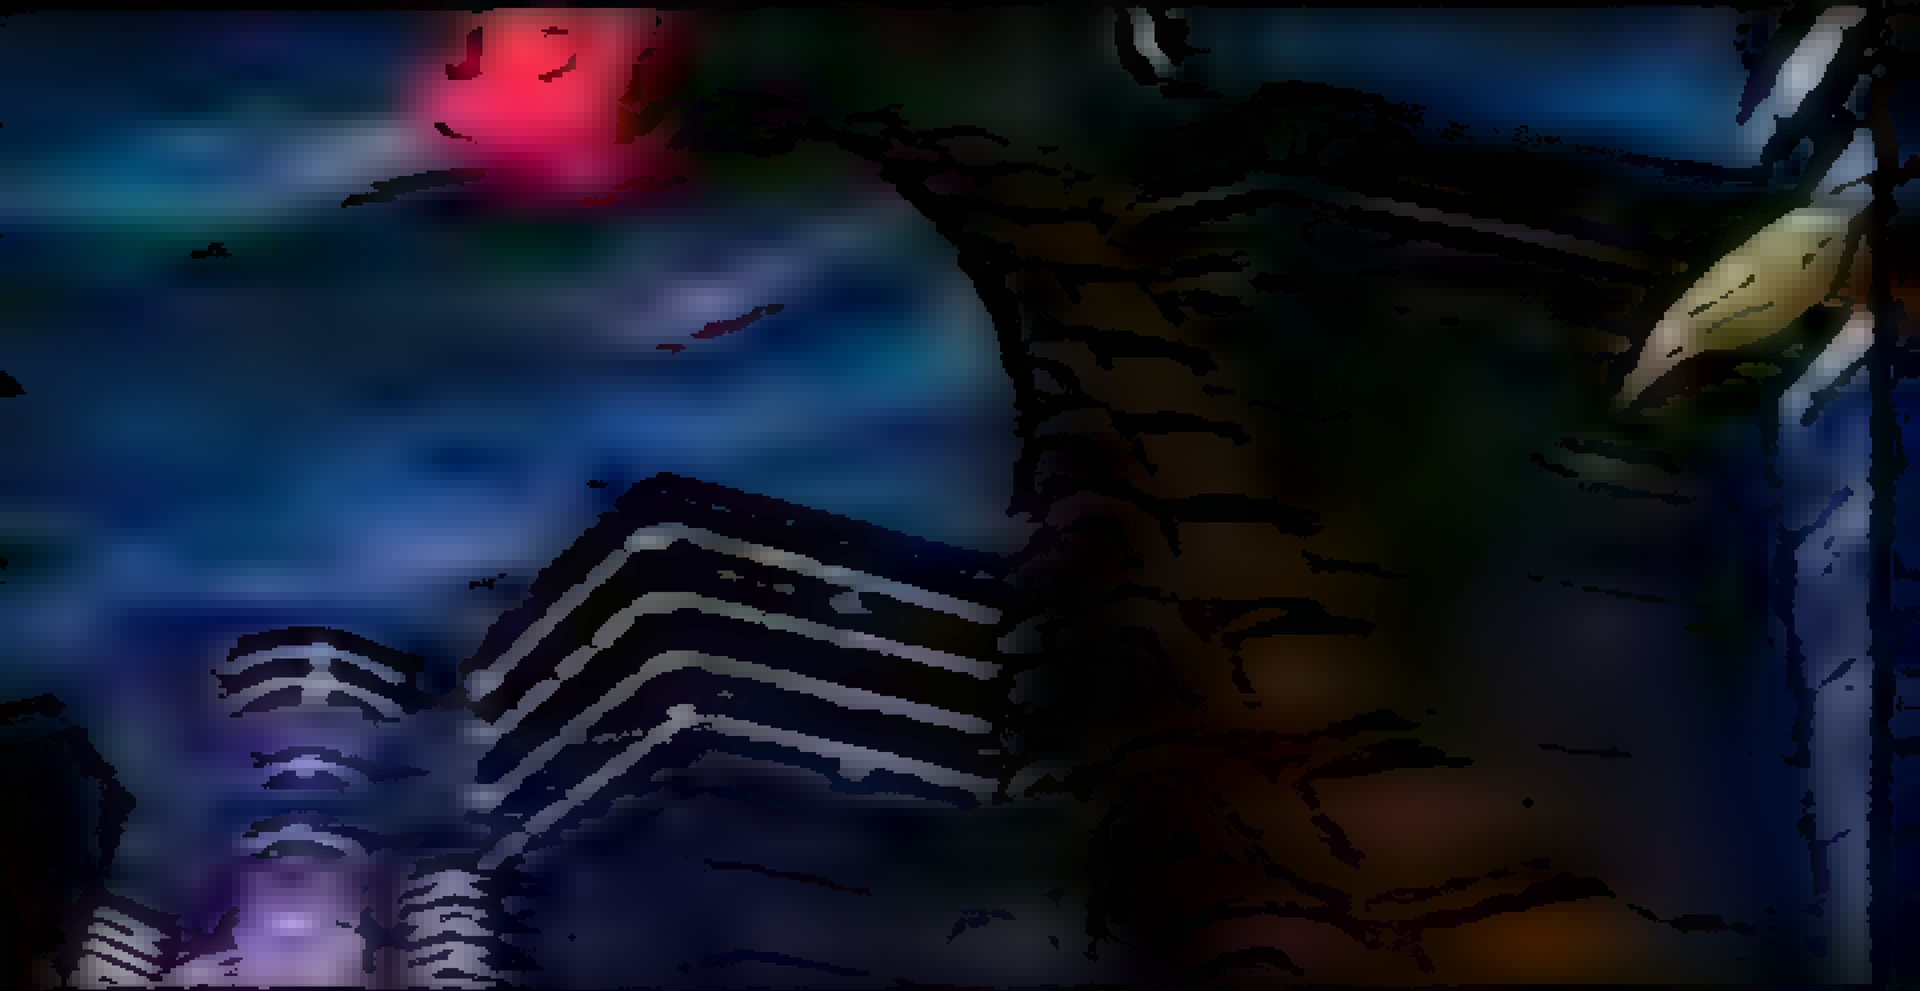

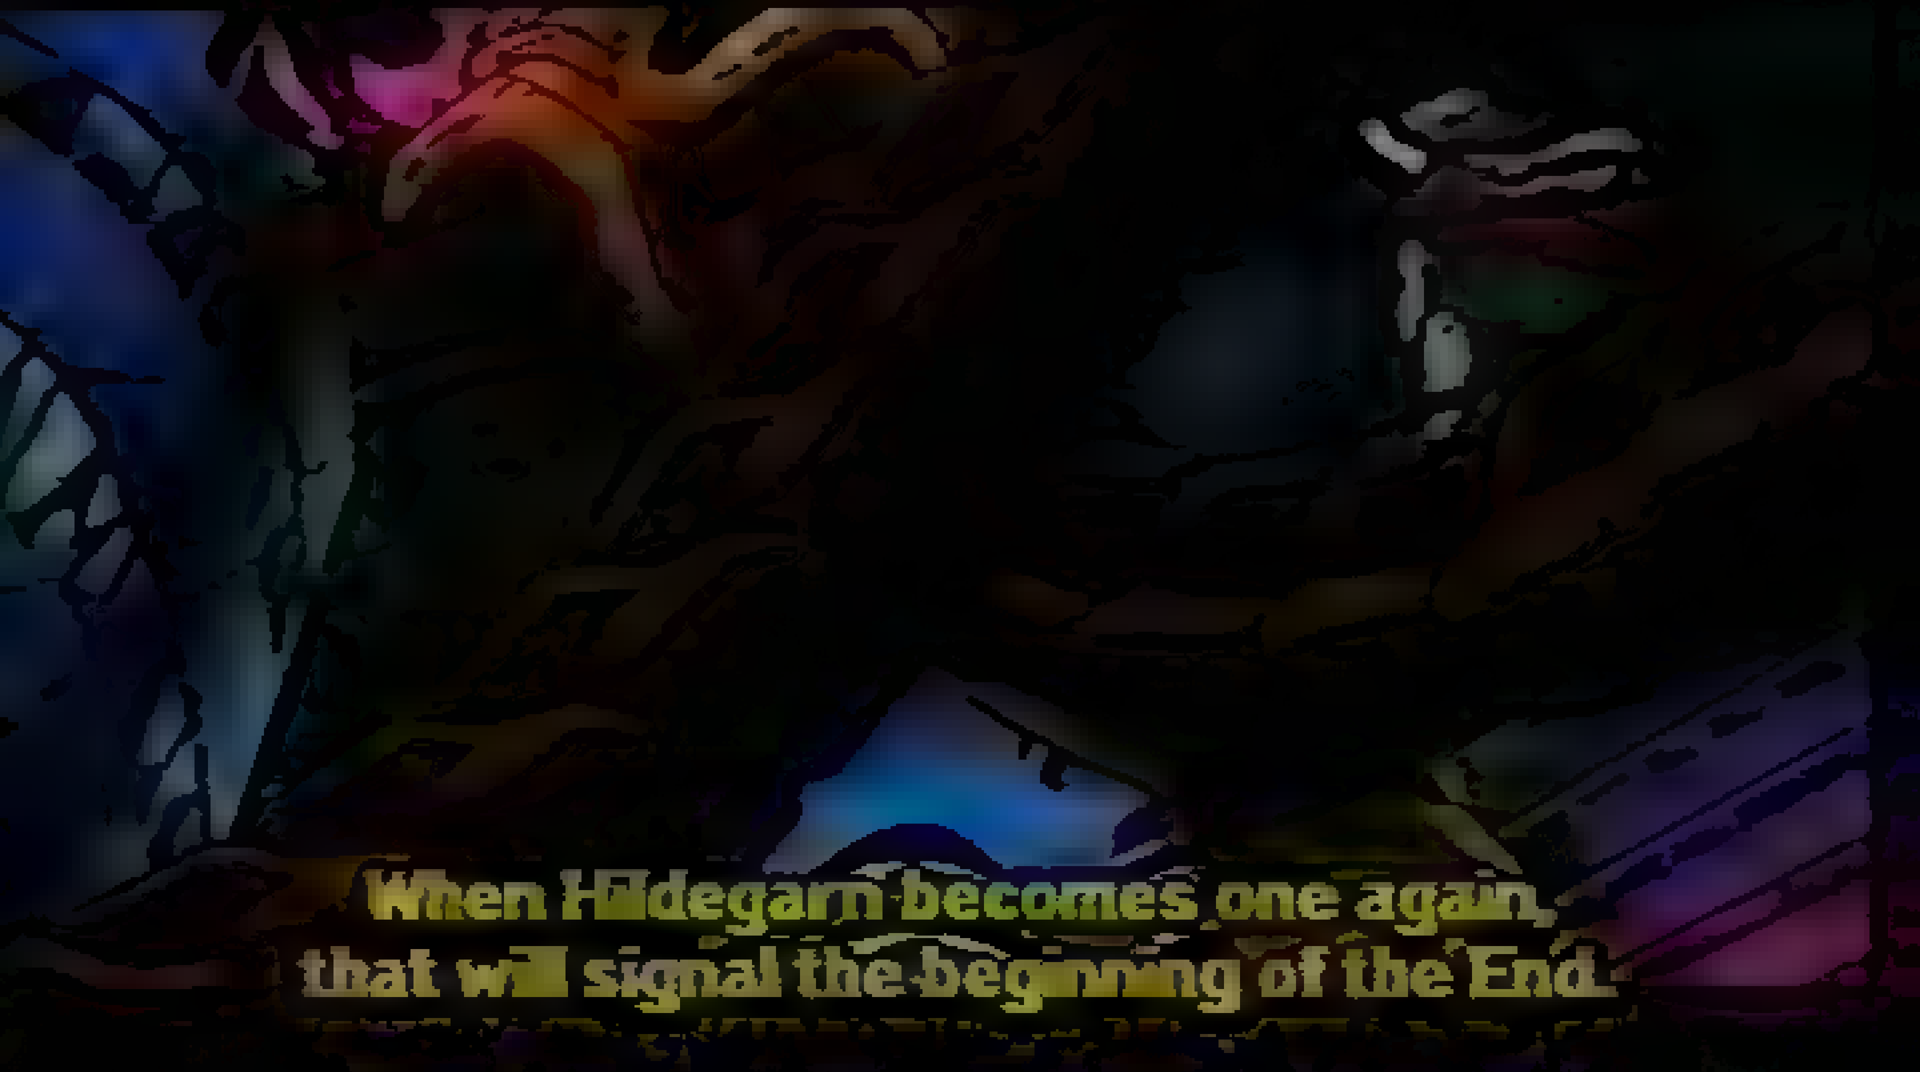

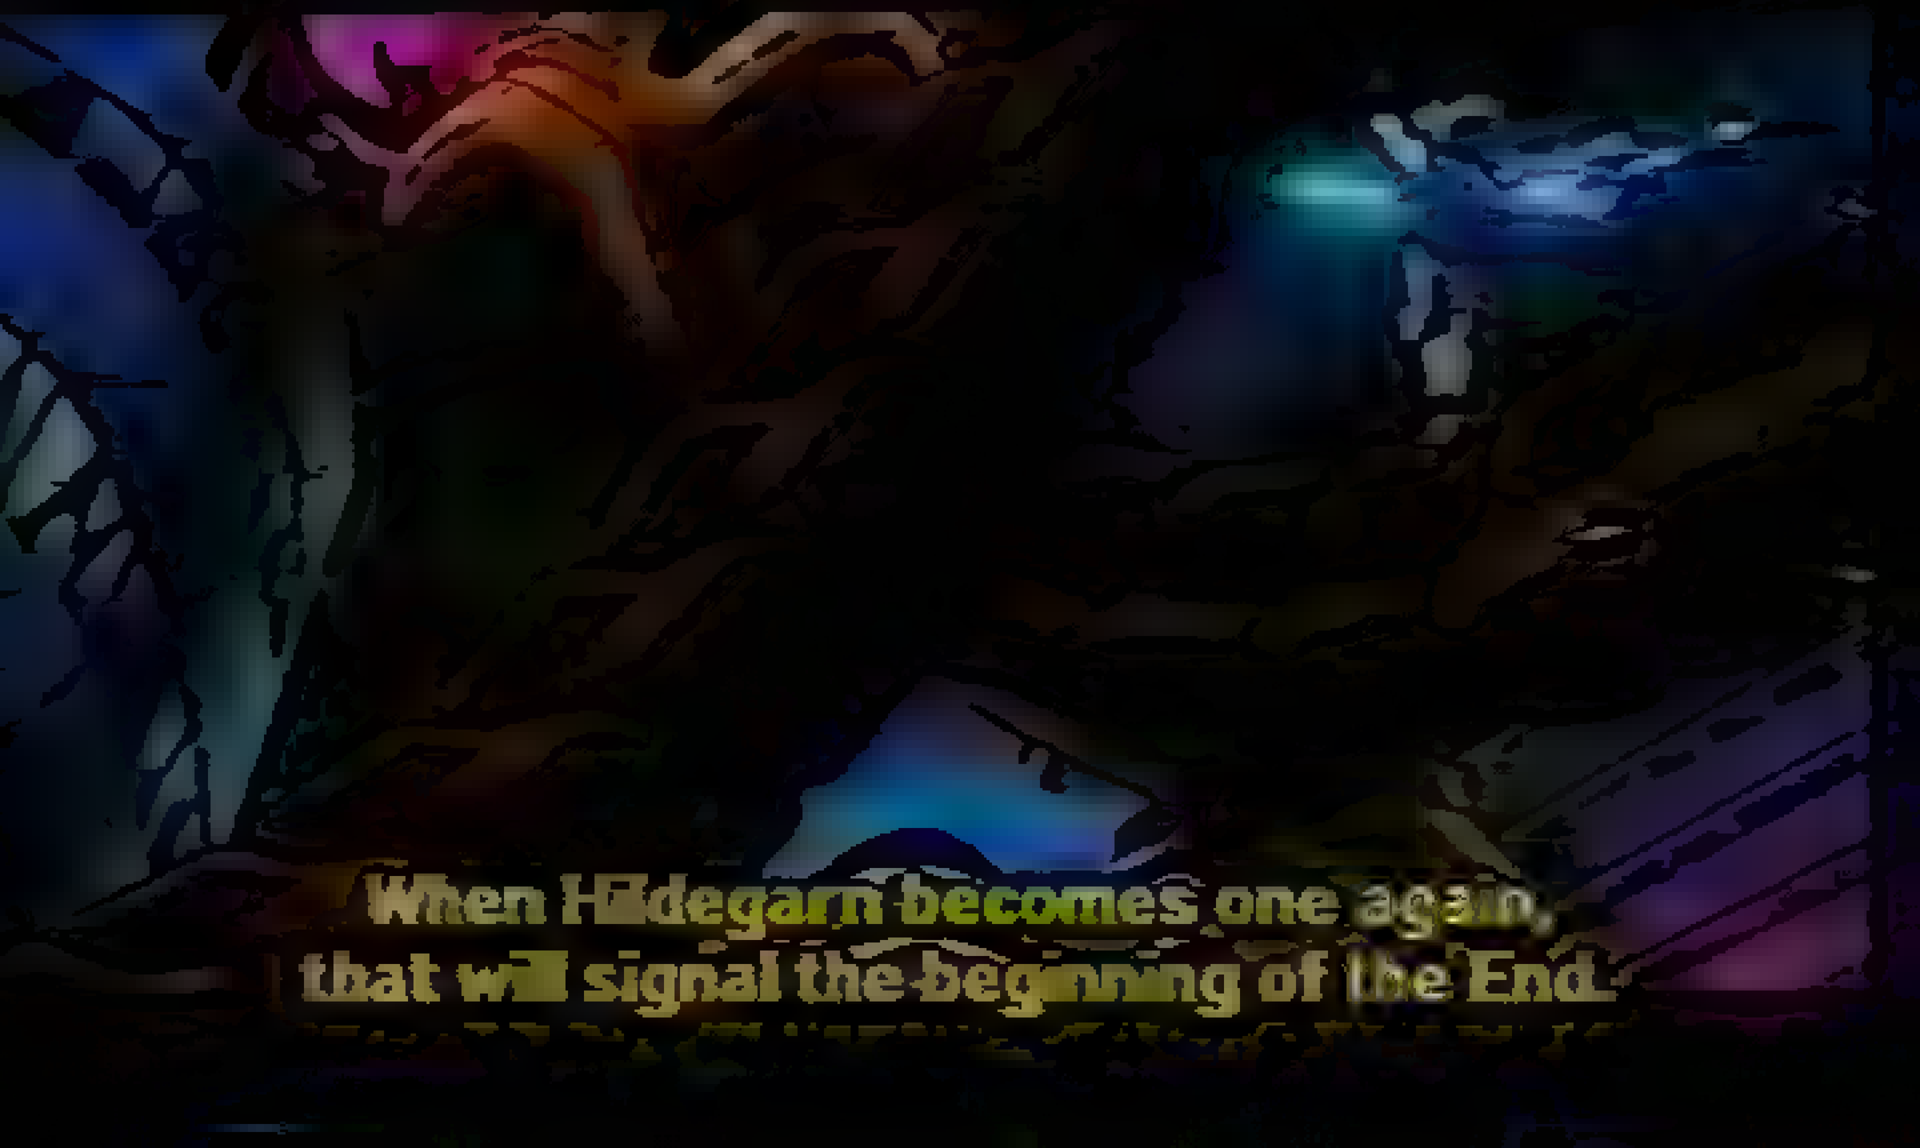

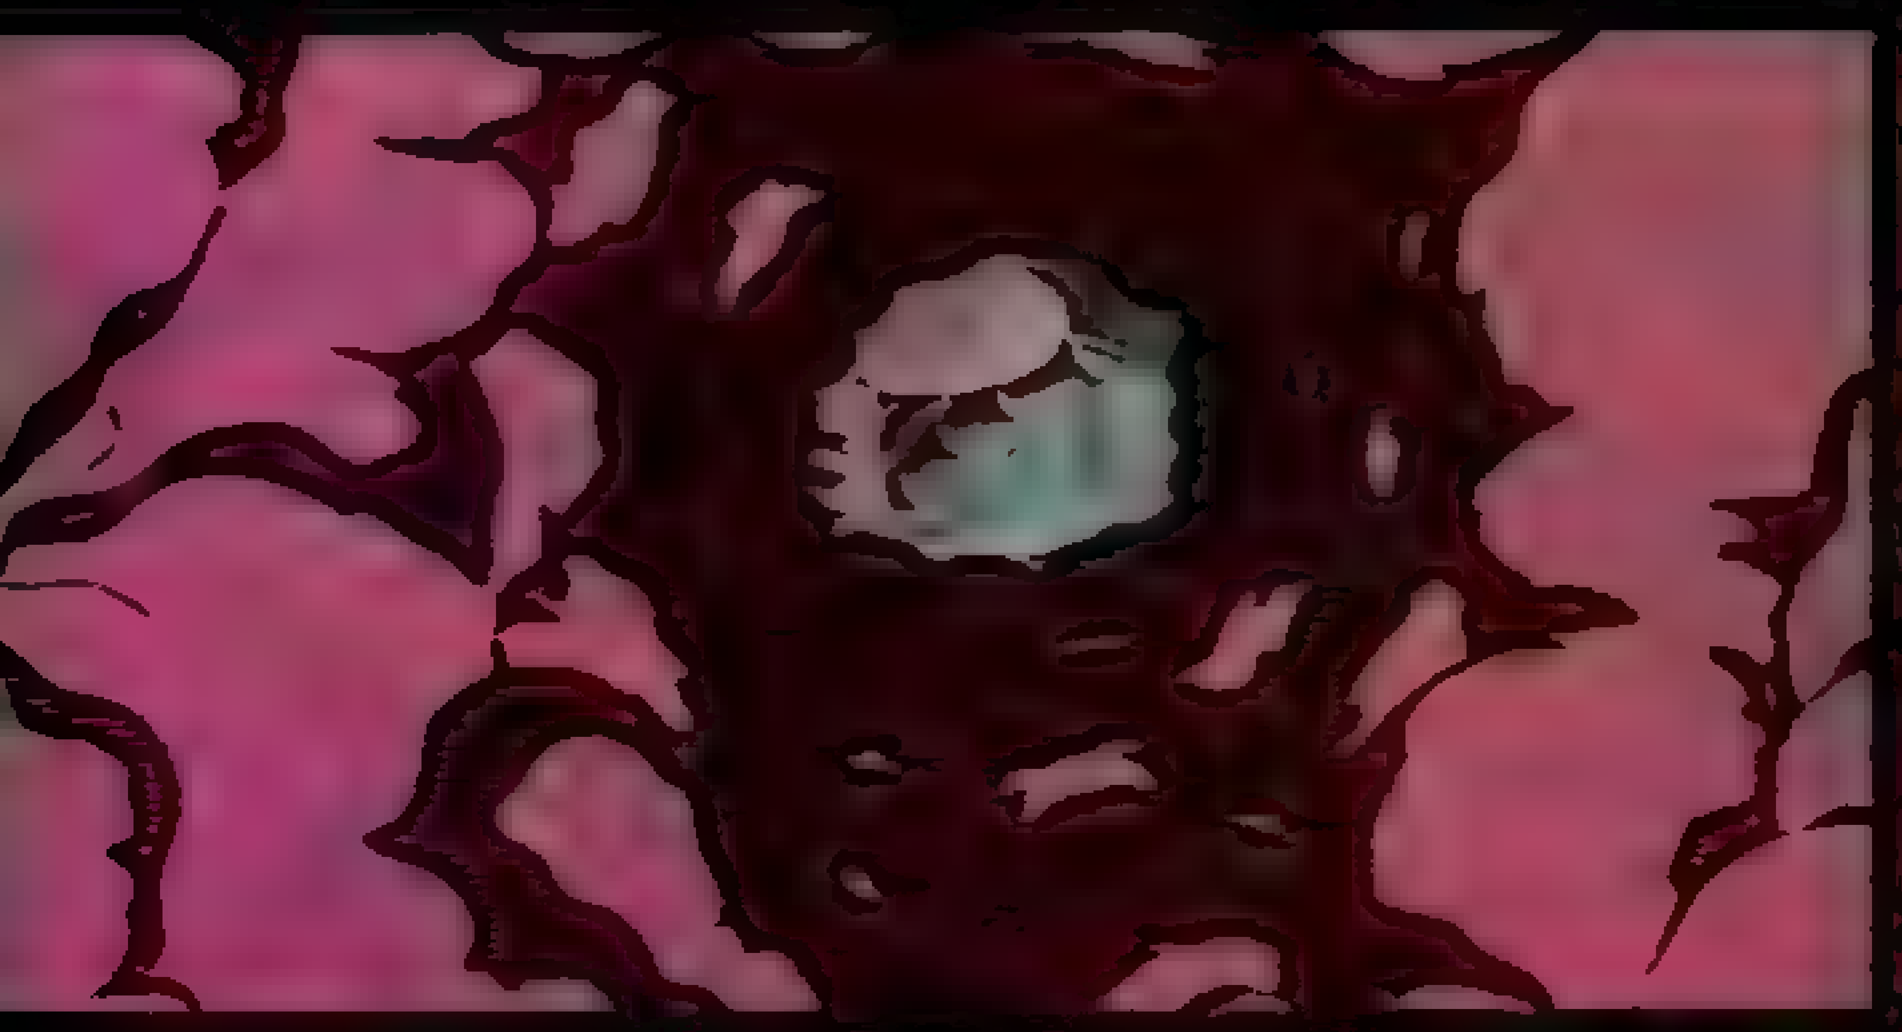

When Hildegarn becomes one again,
that will signal the beginning of the End.

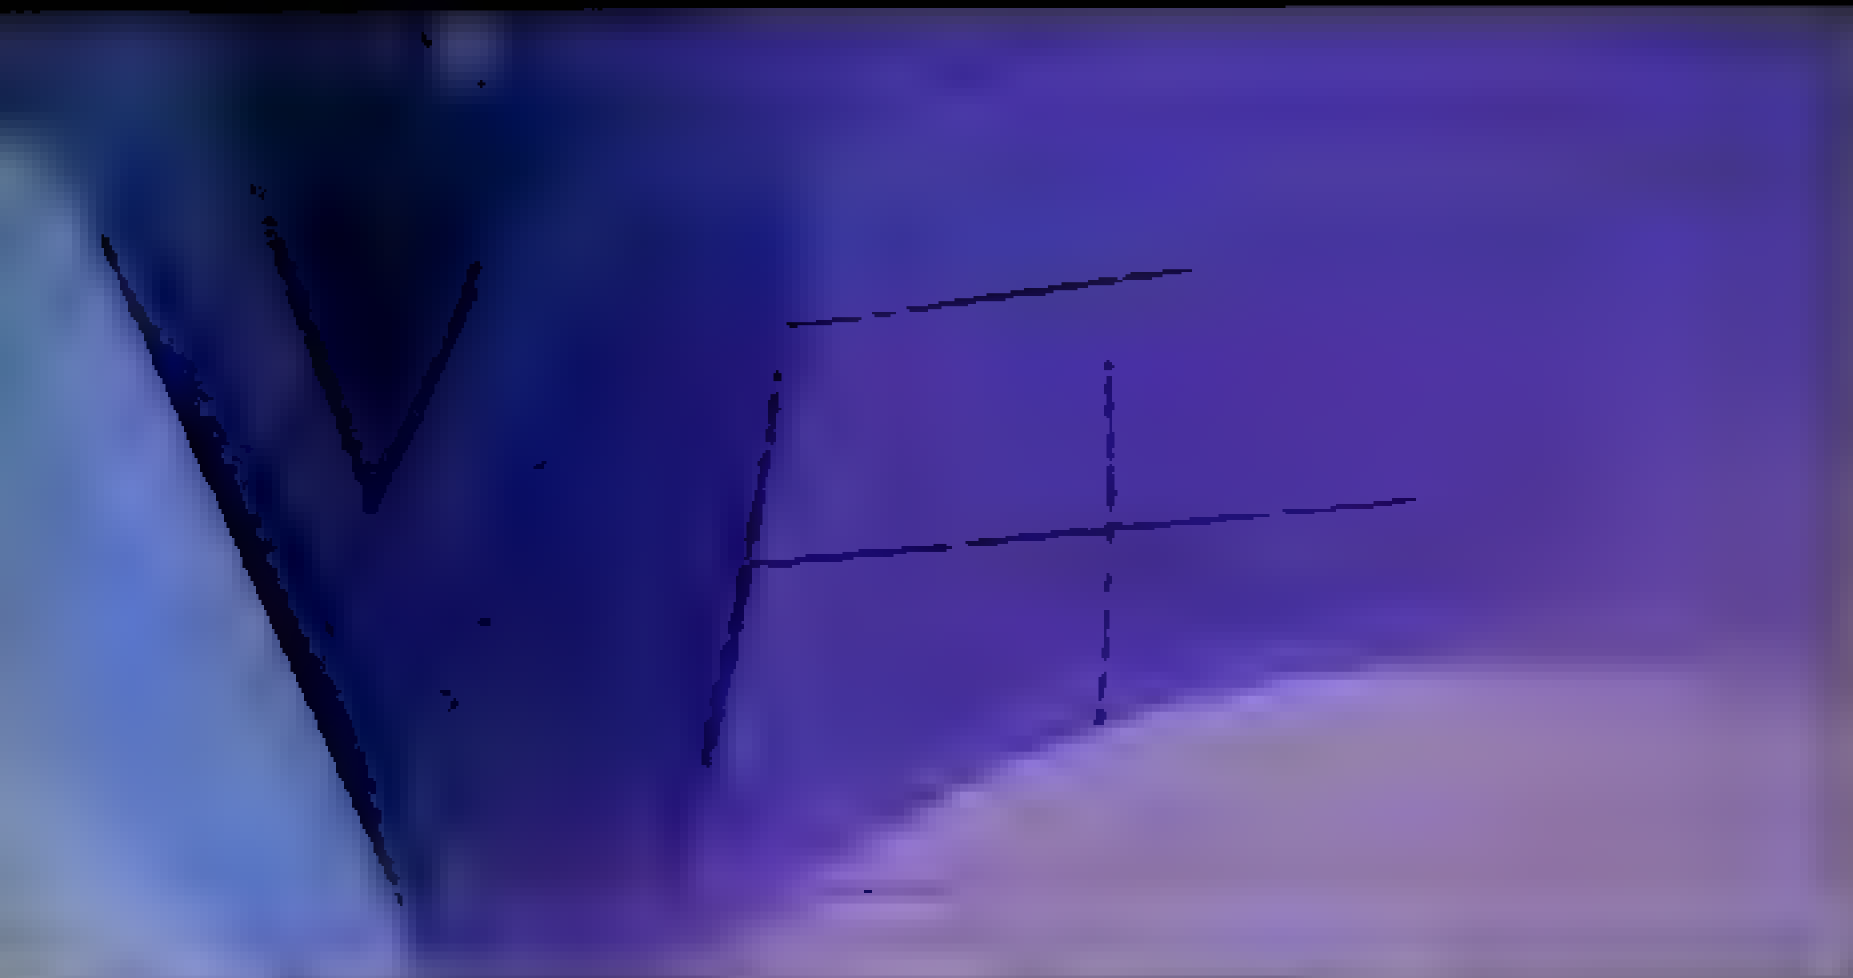

When Hildegarn becomes one again,
that will signal the beginning of the End.

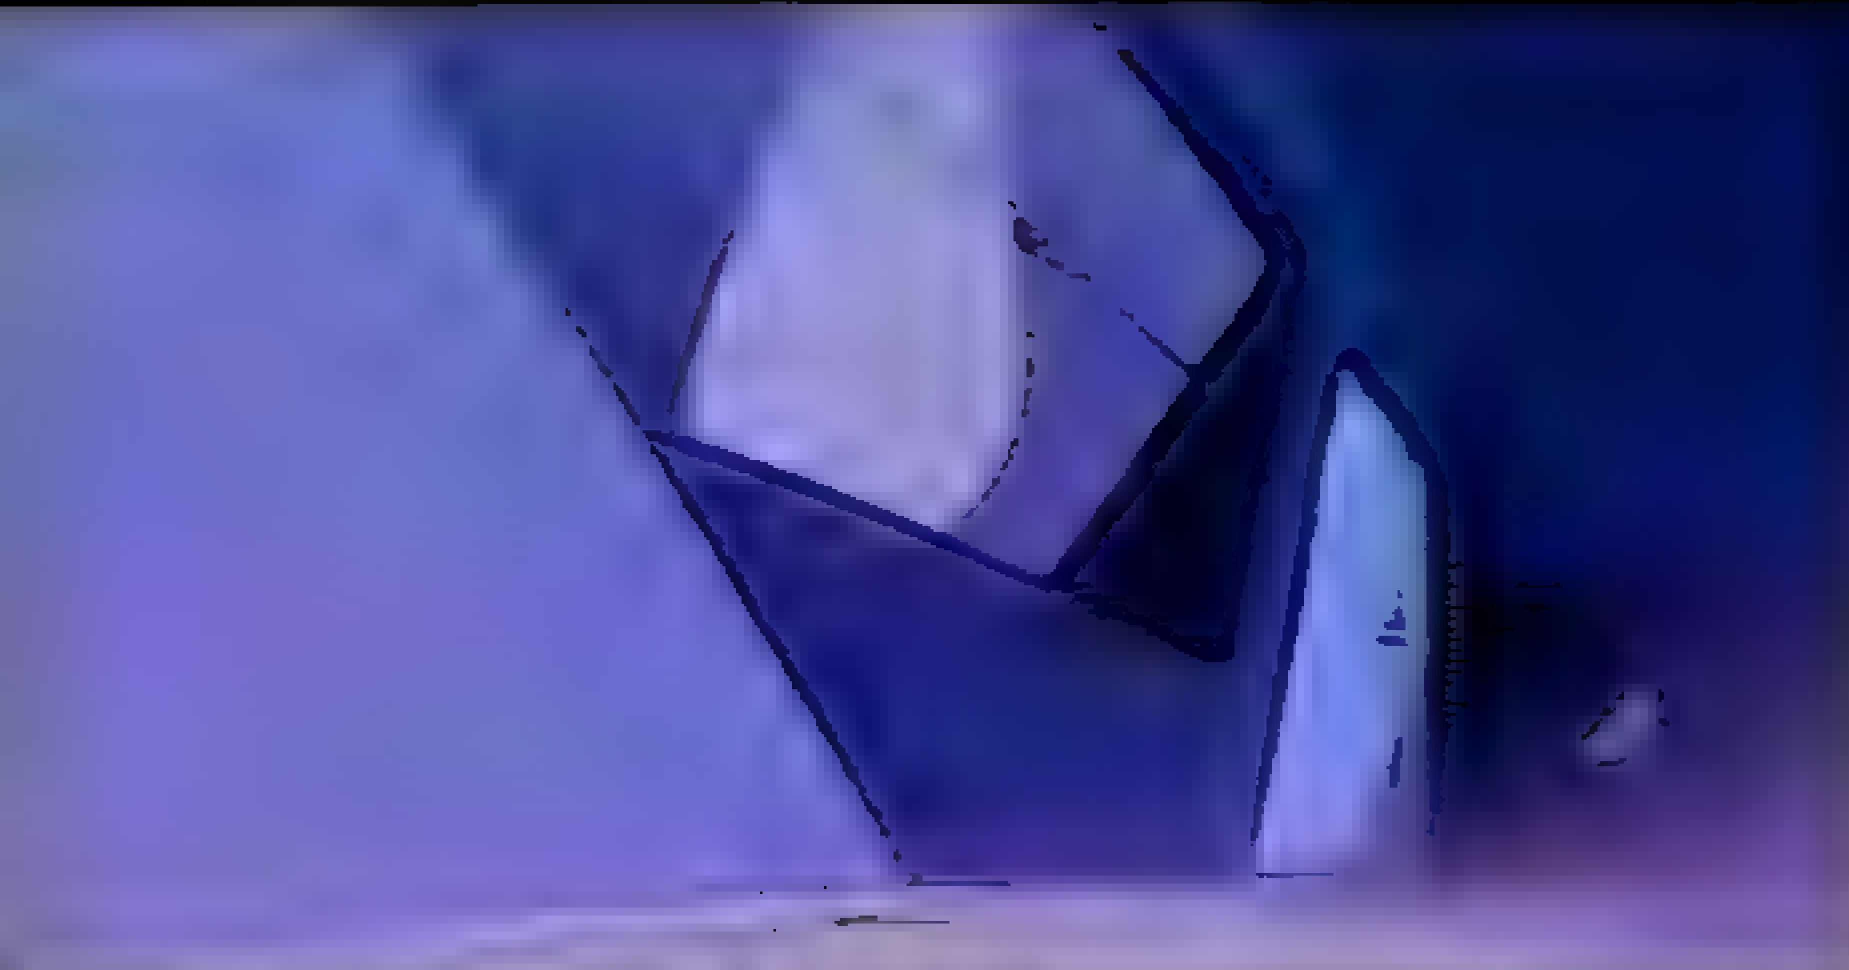

I shall rule the Earth and the entire universe!

I shall rule the Earth and the entire universe!!

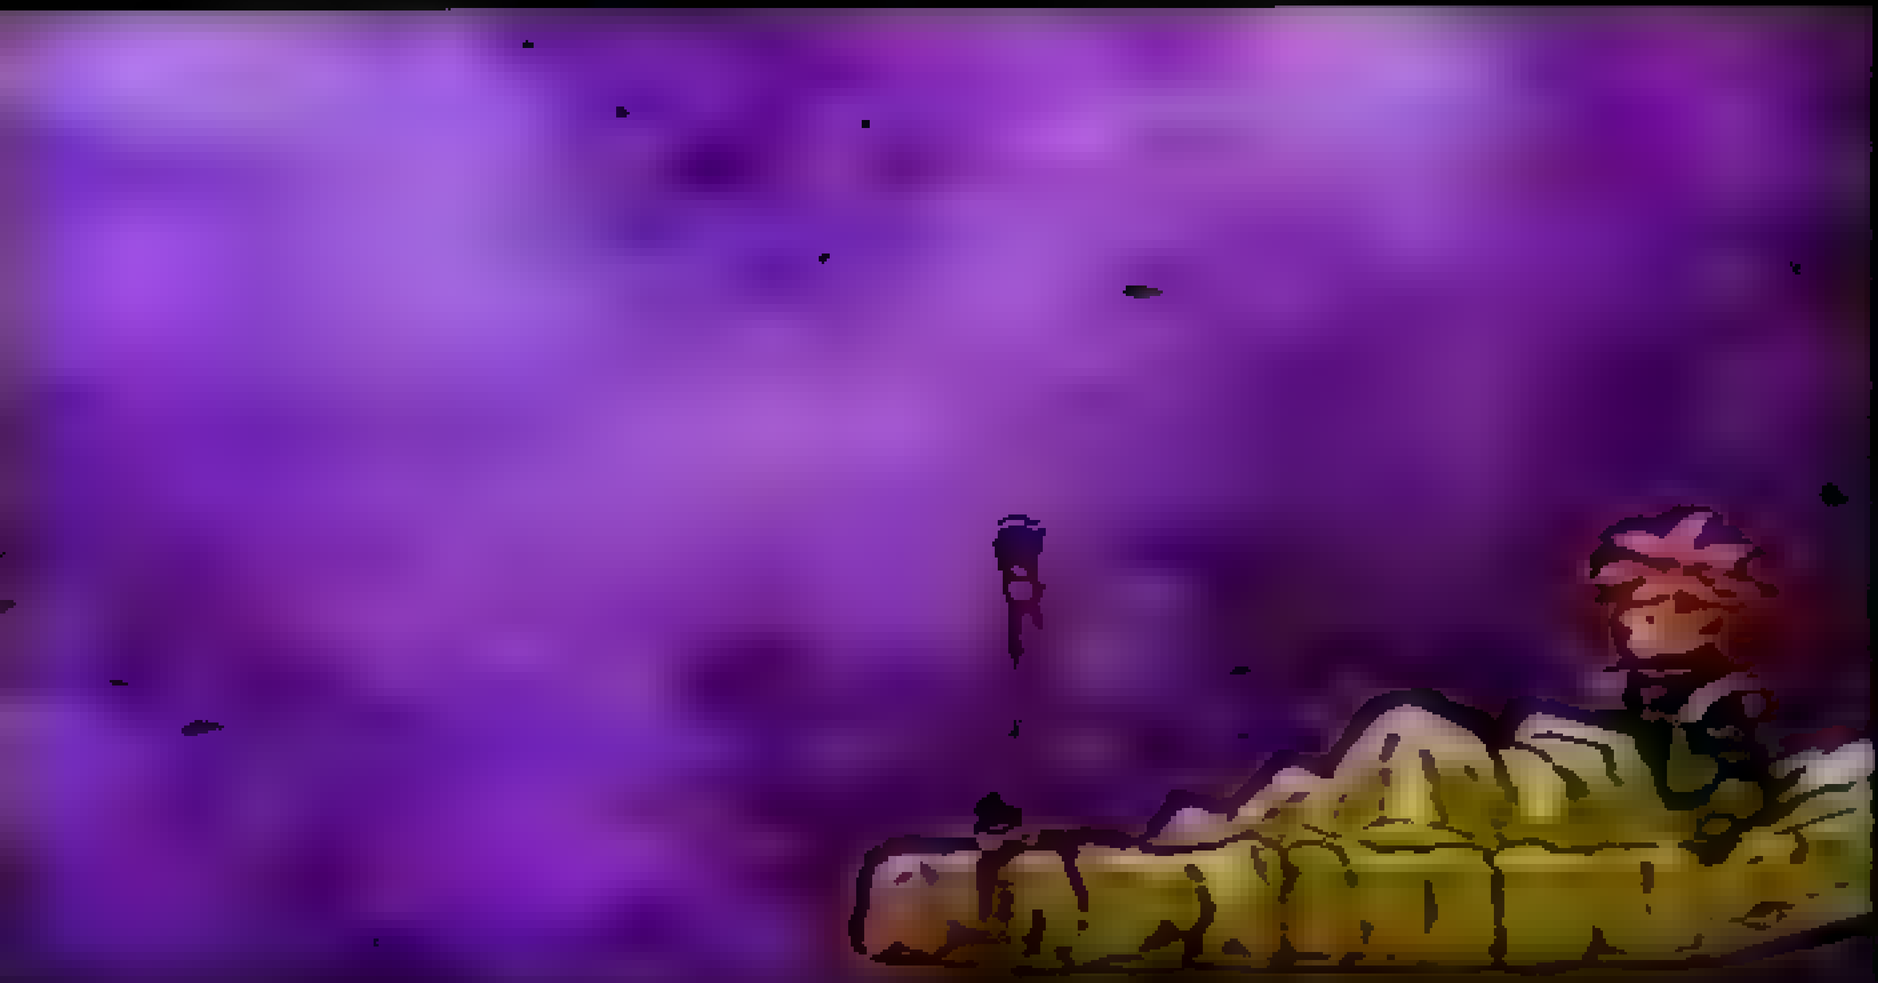

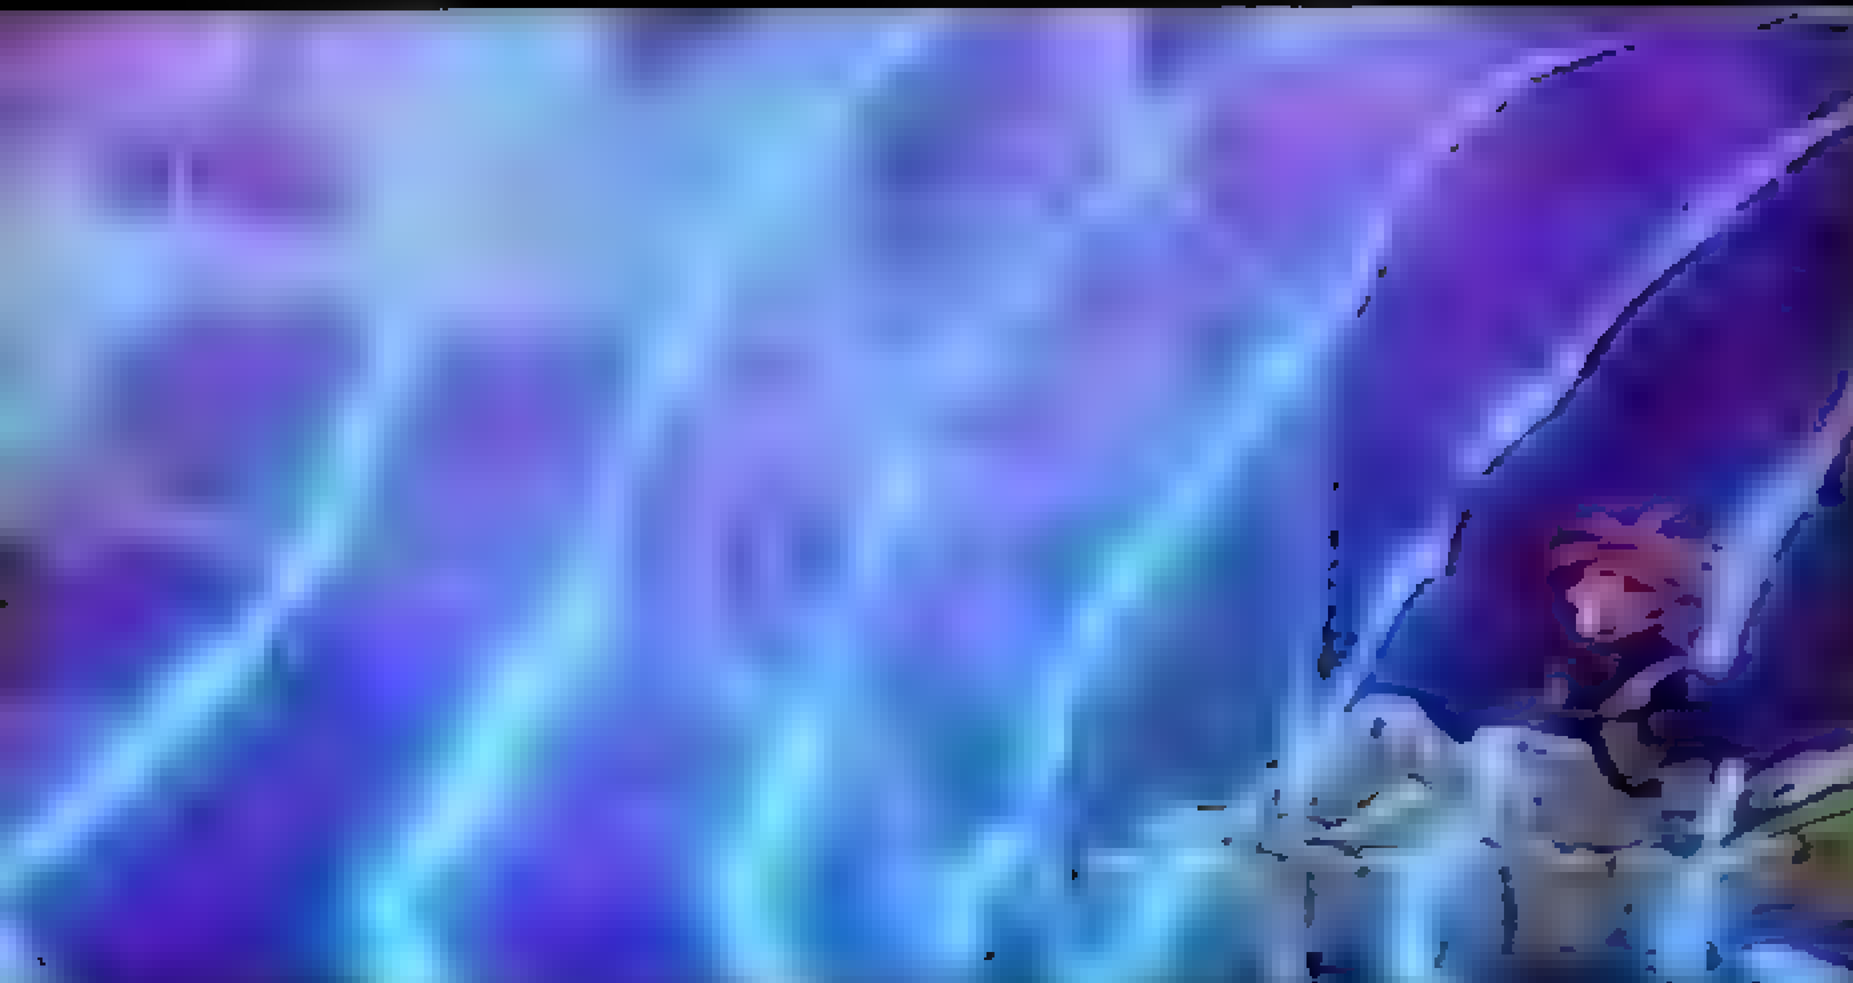

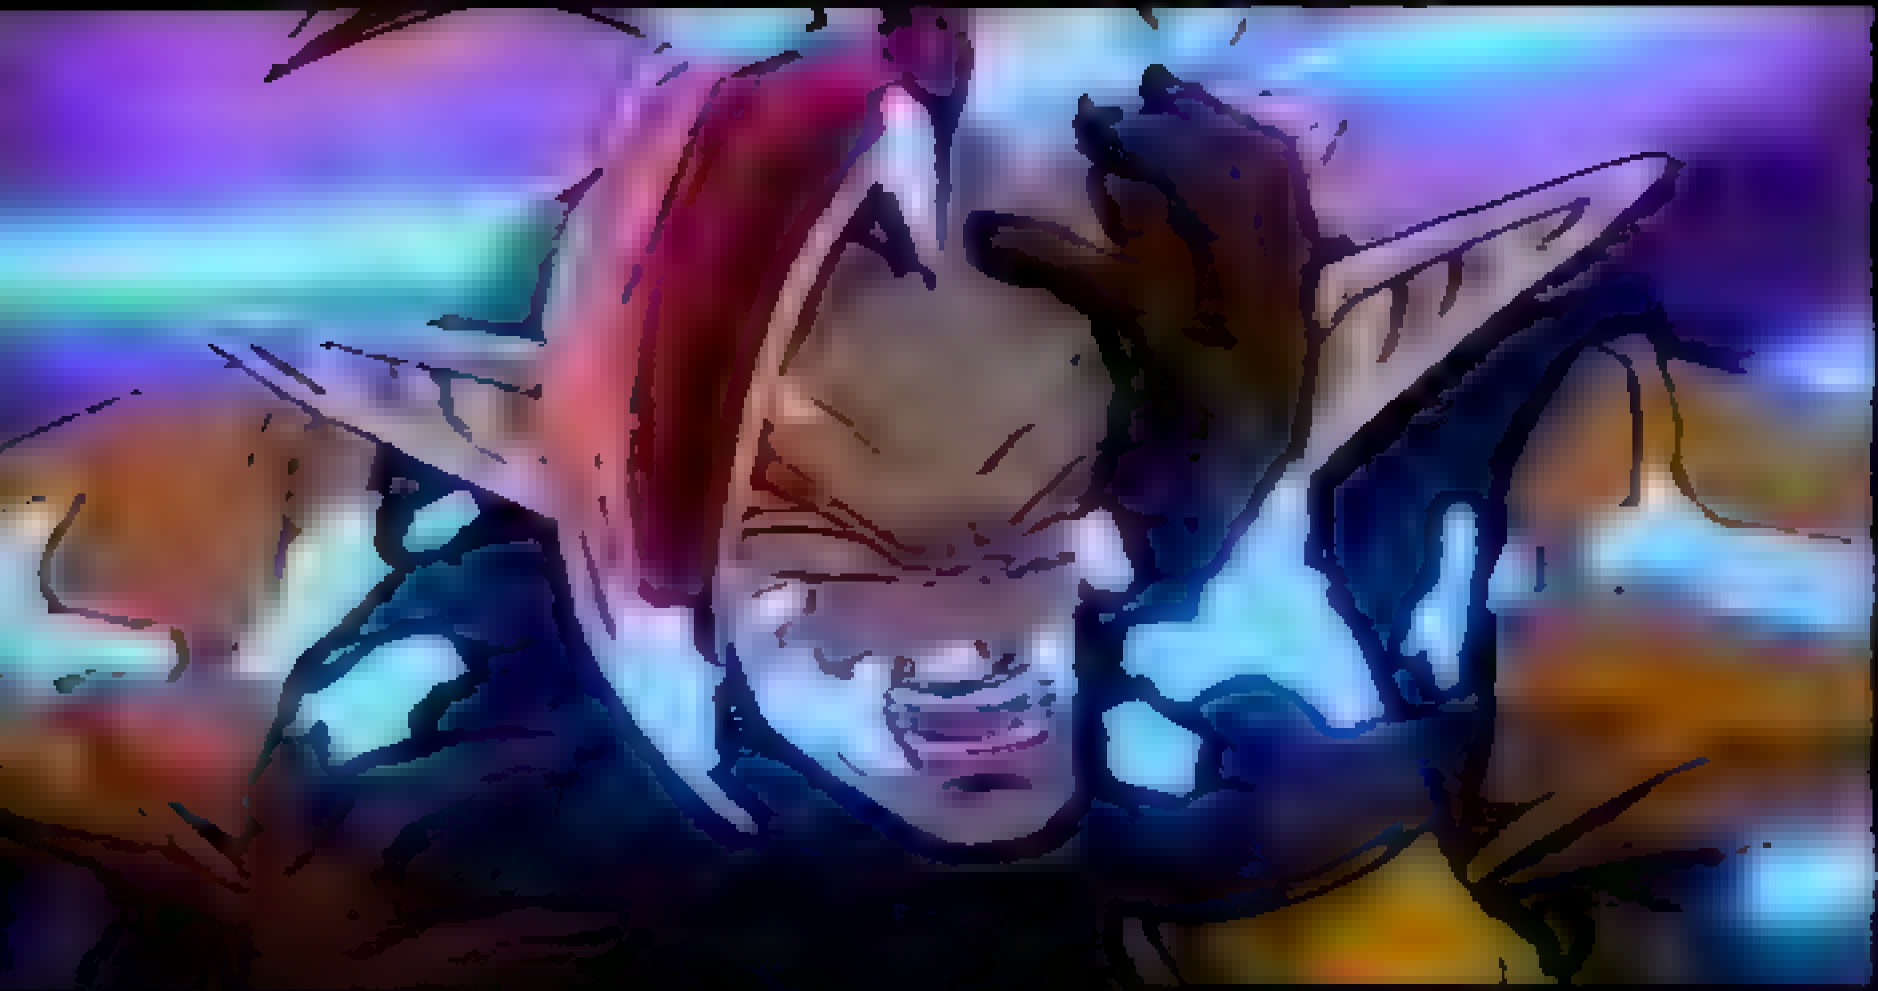

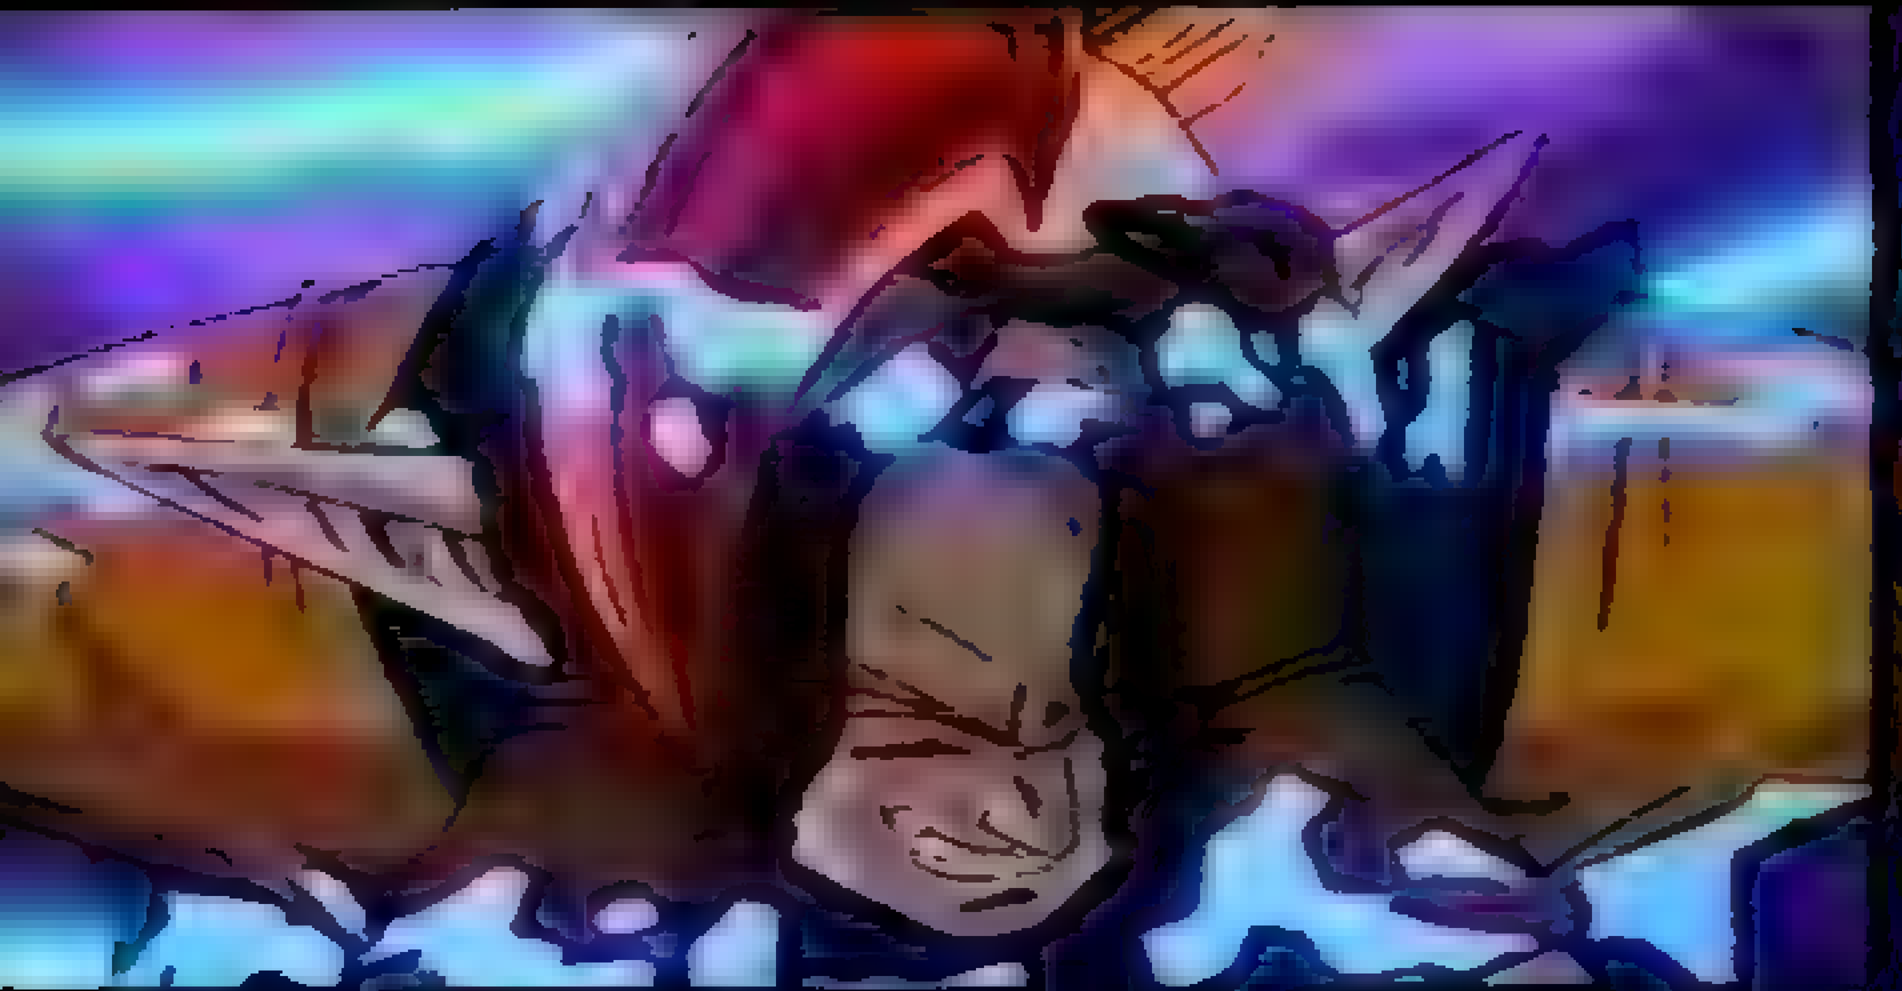

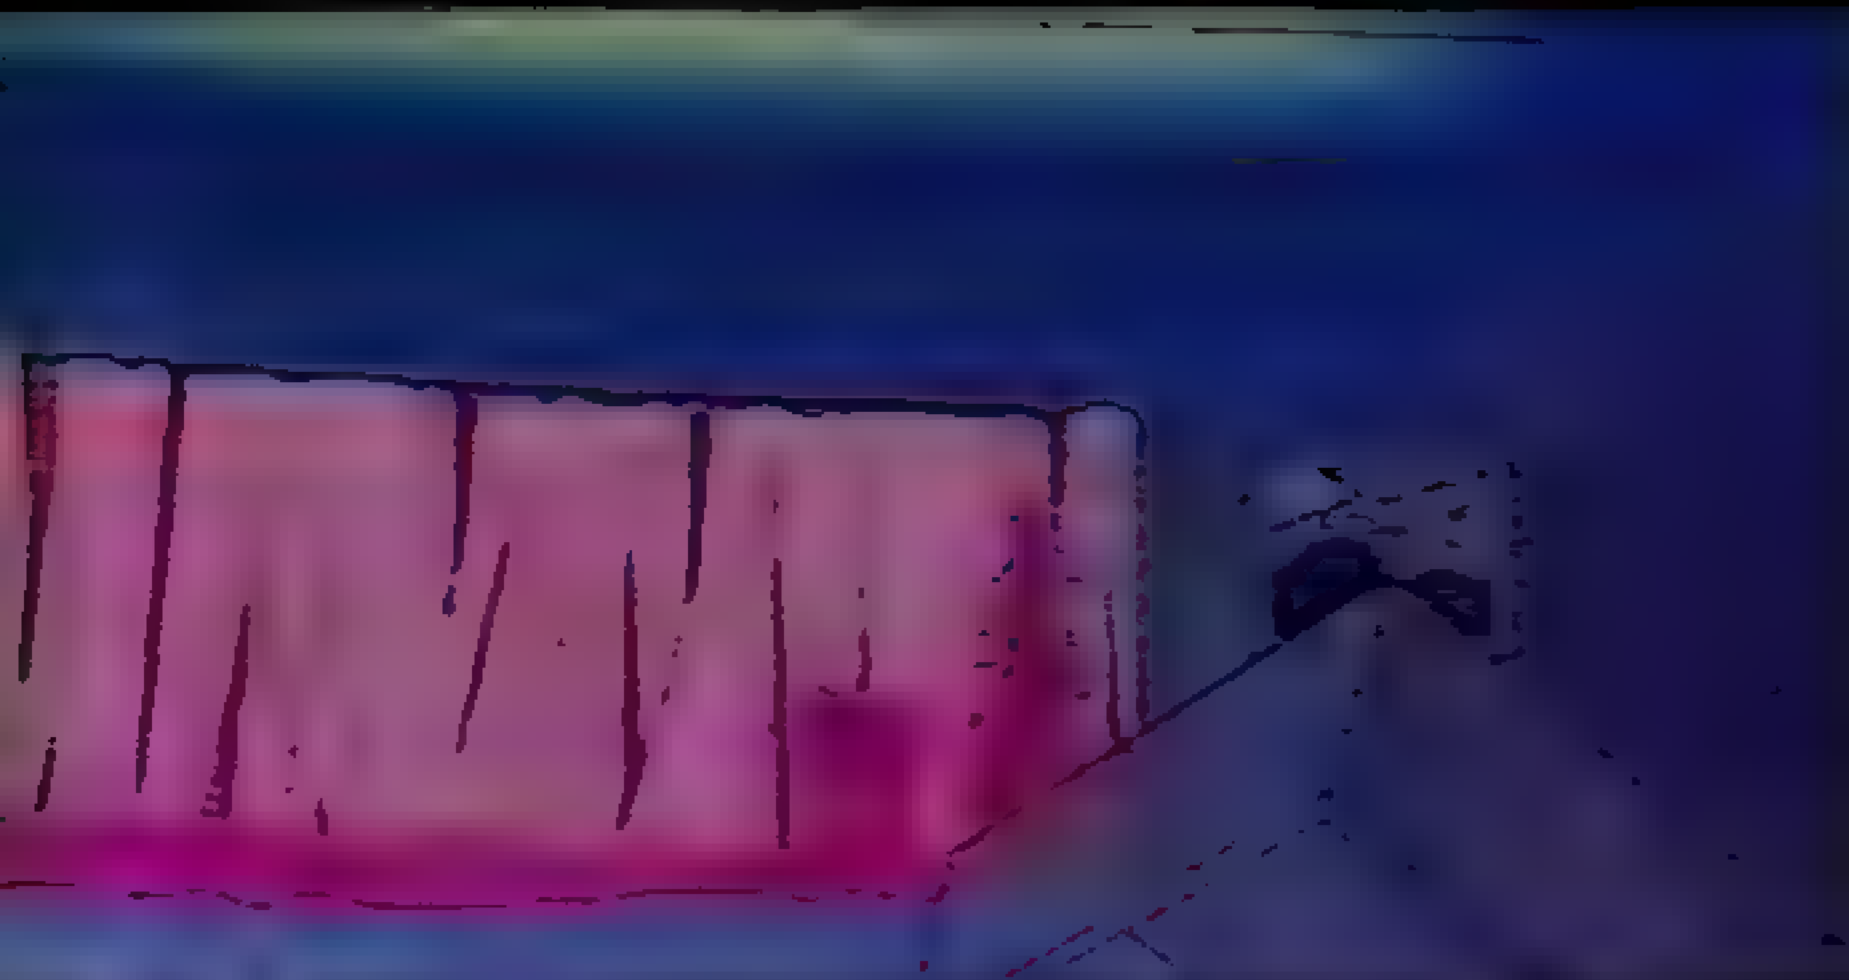

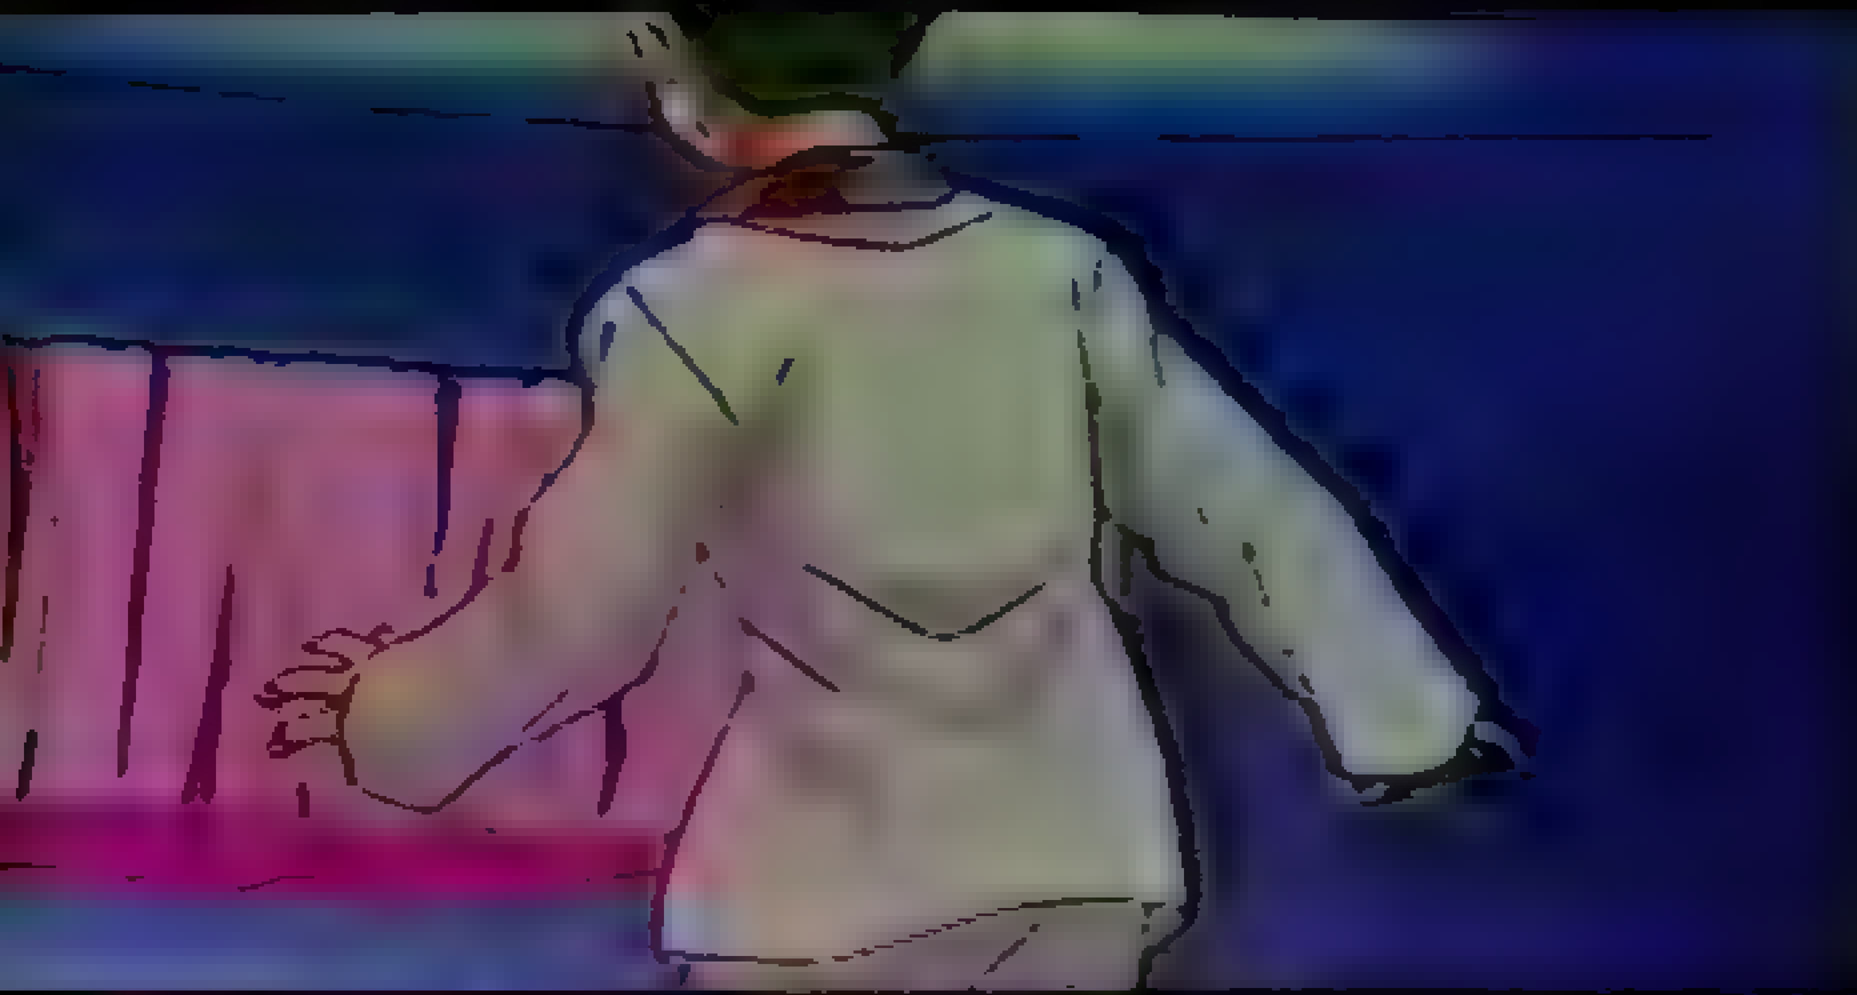

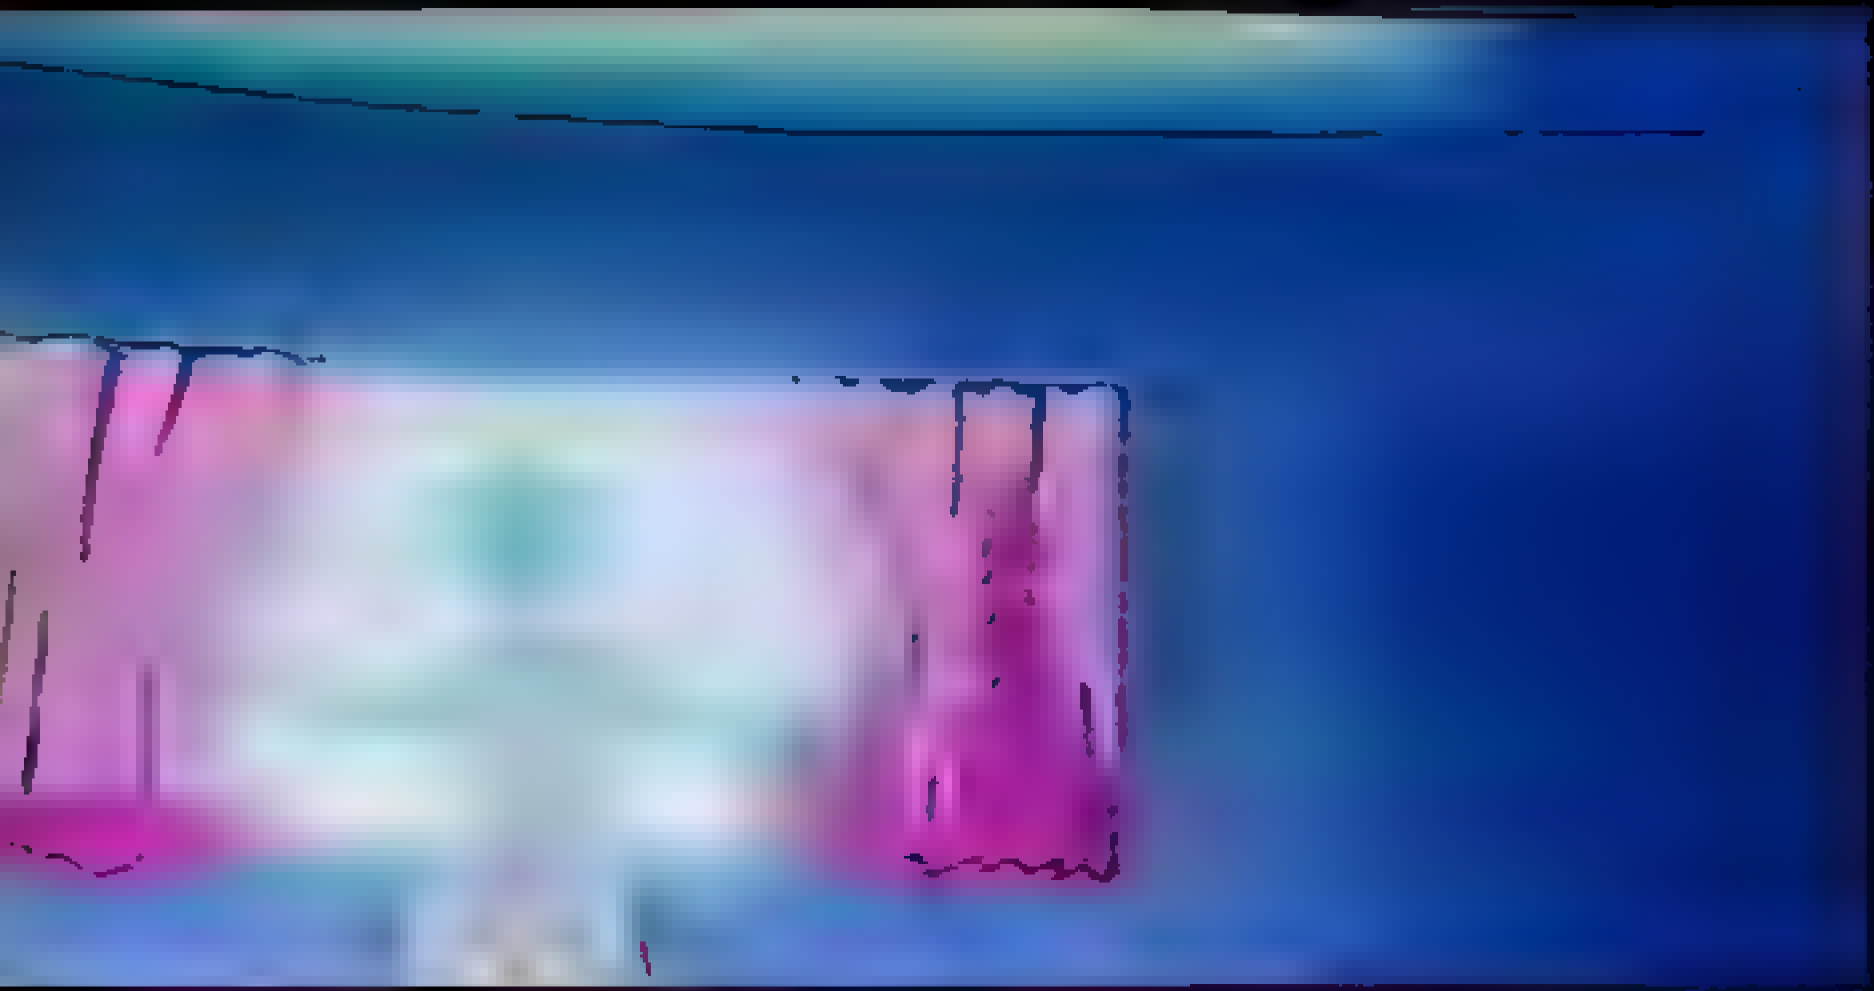

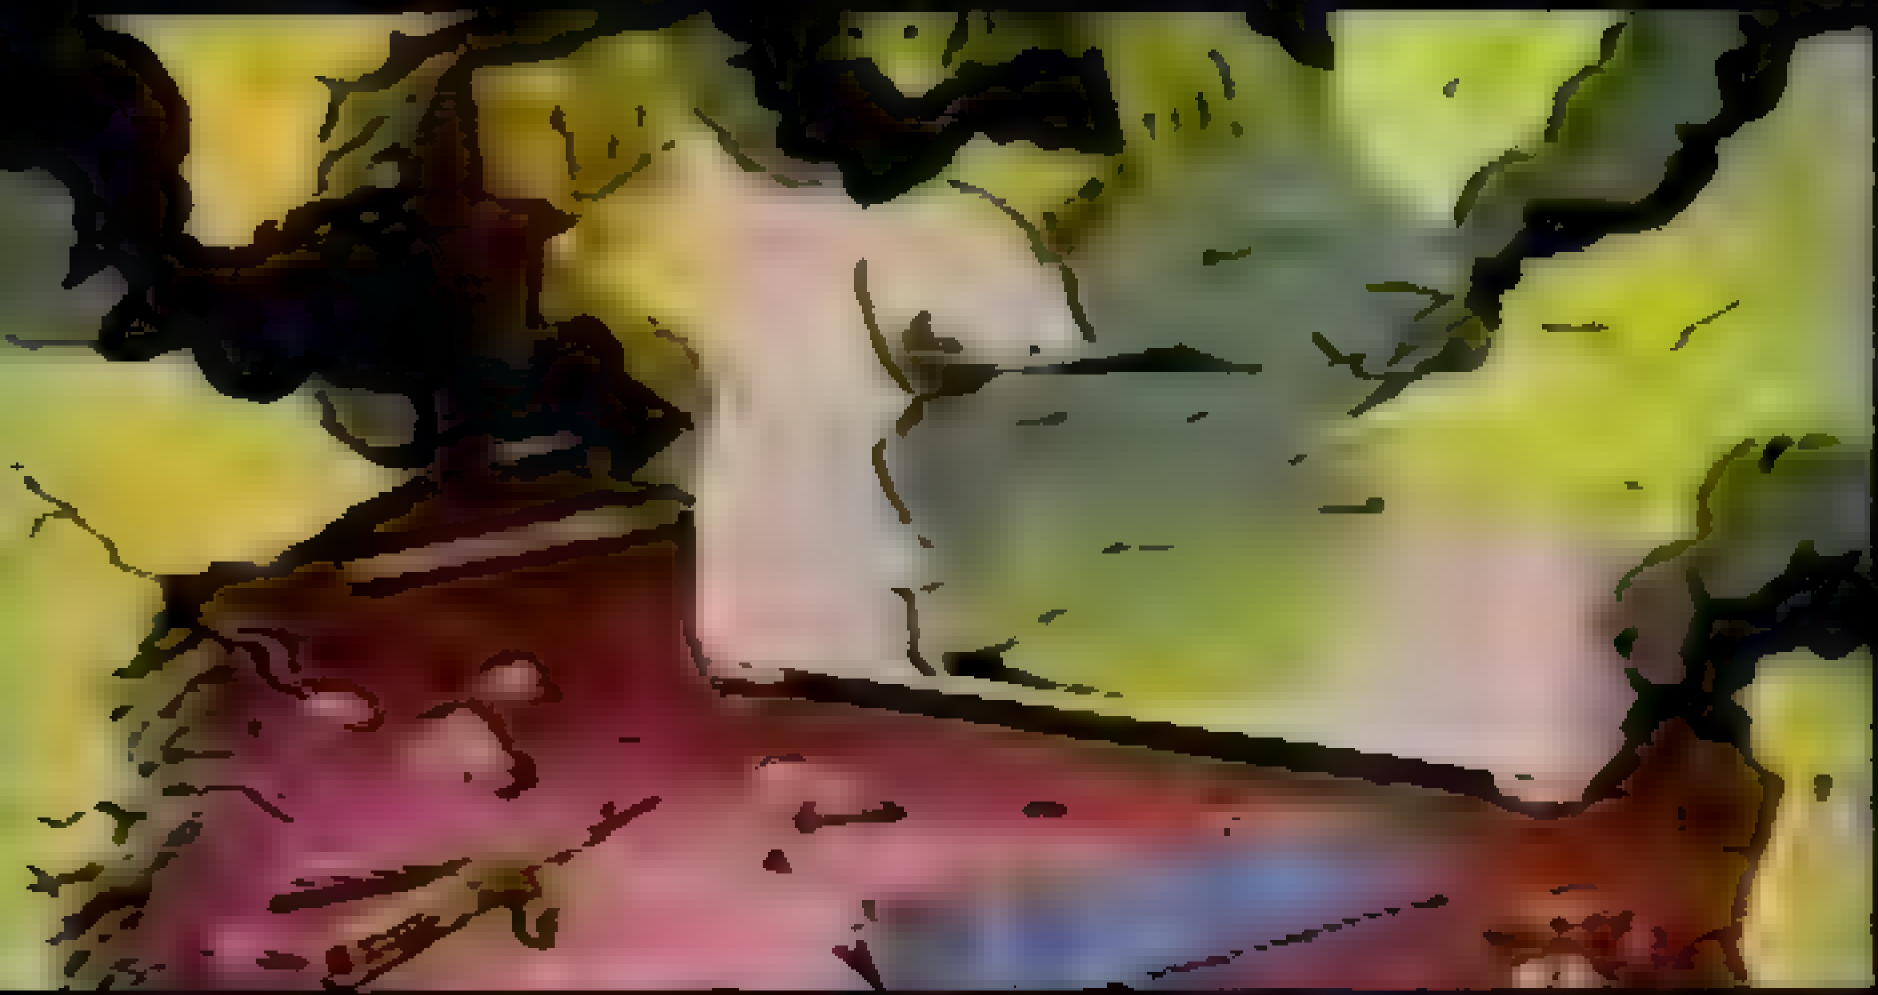

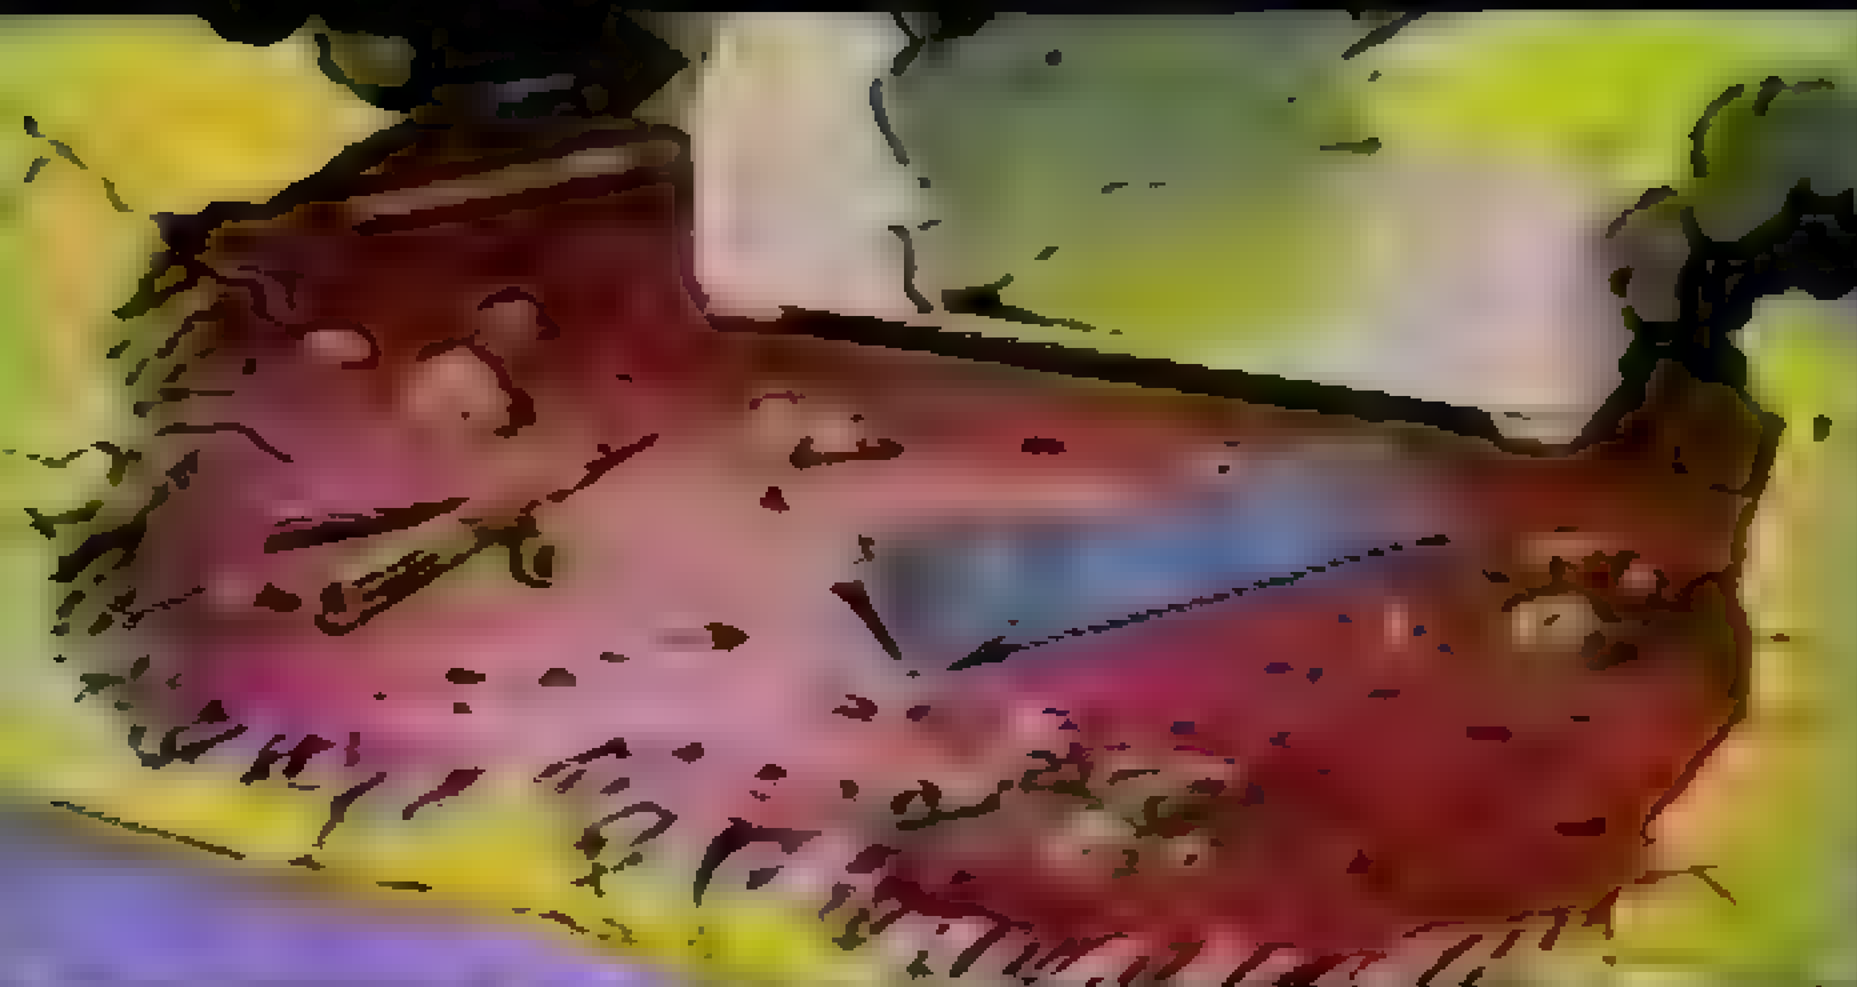

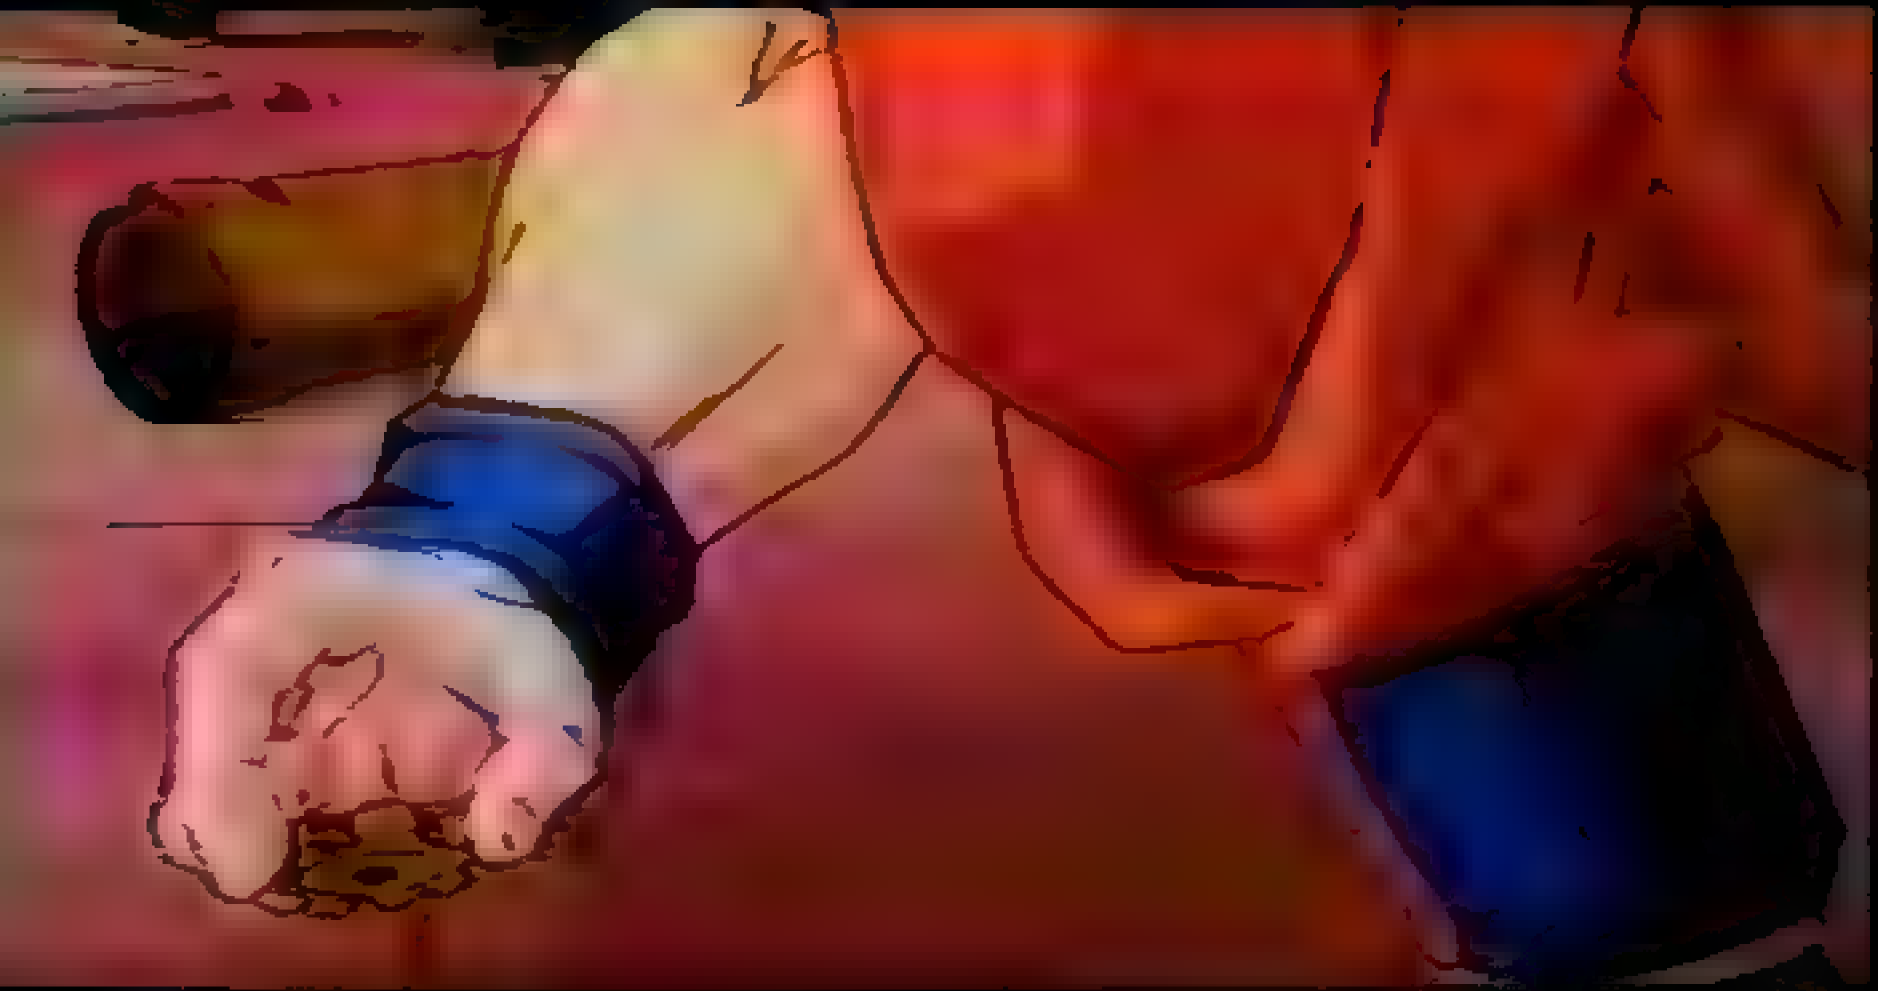

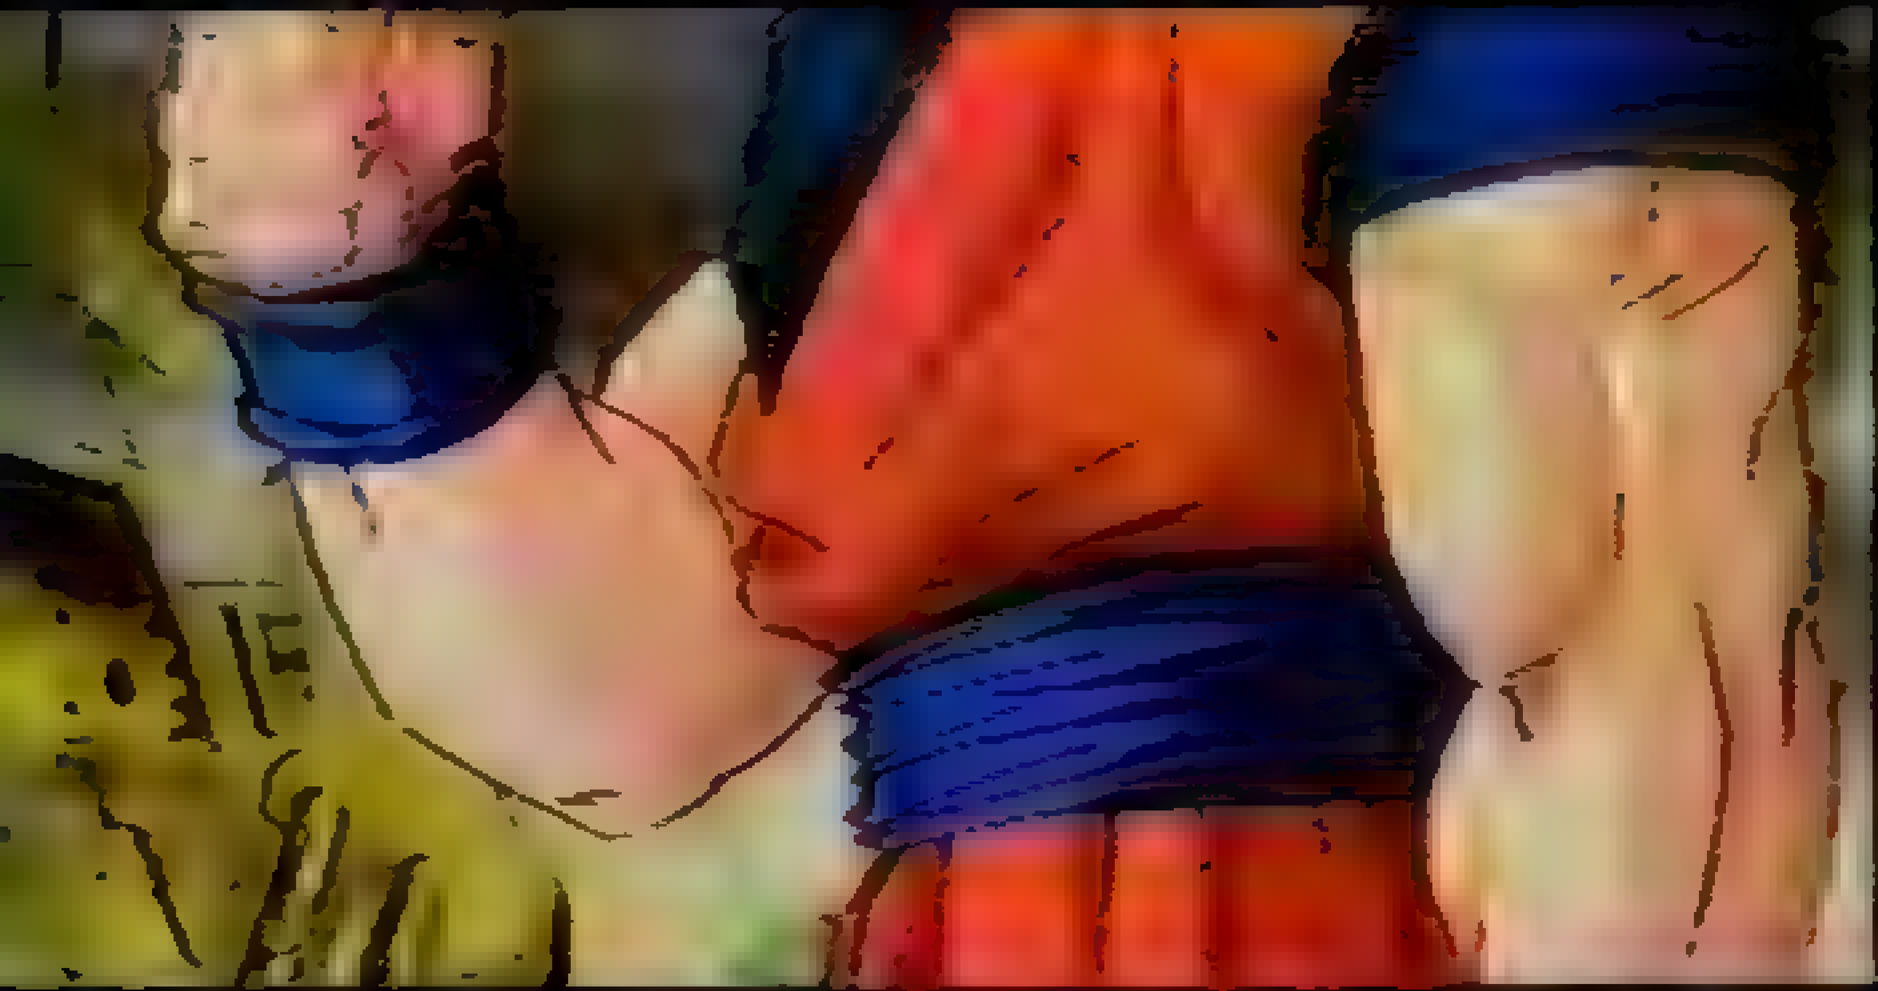

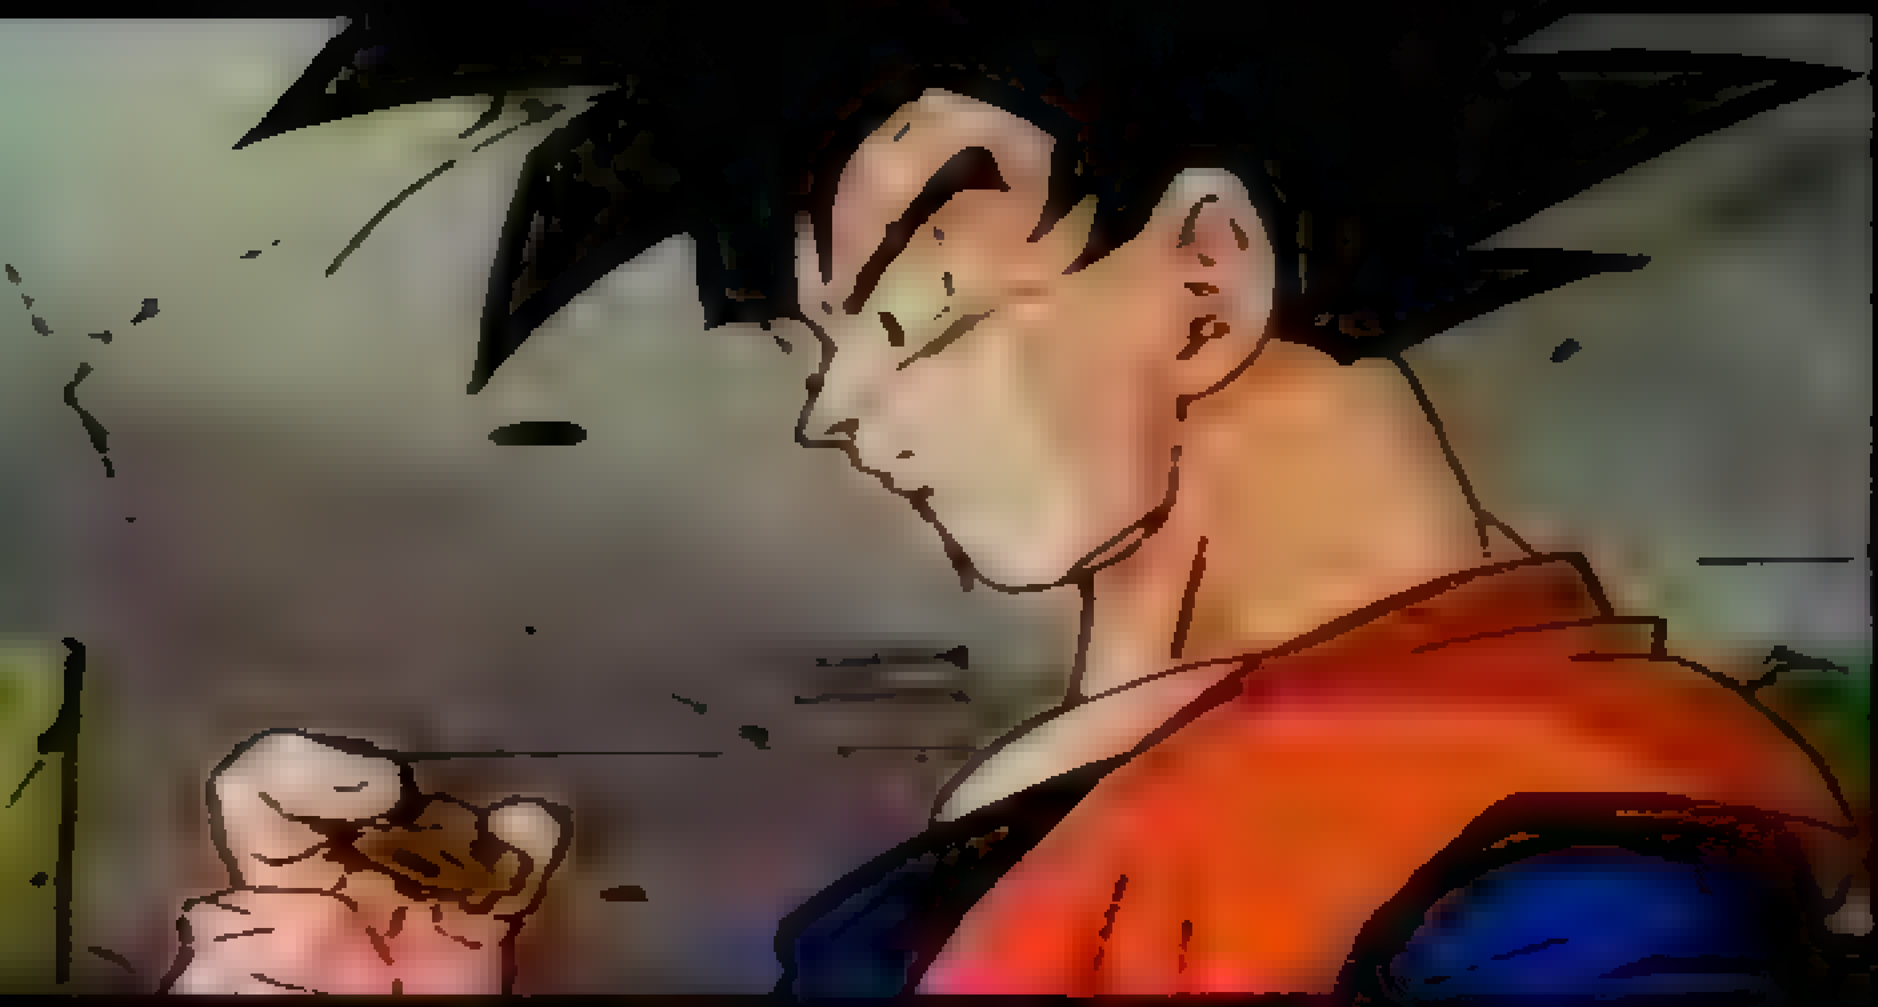

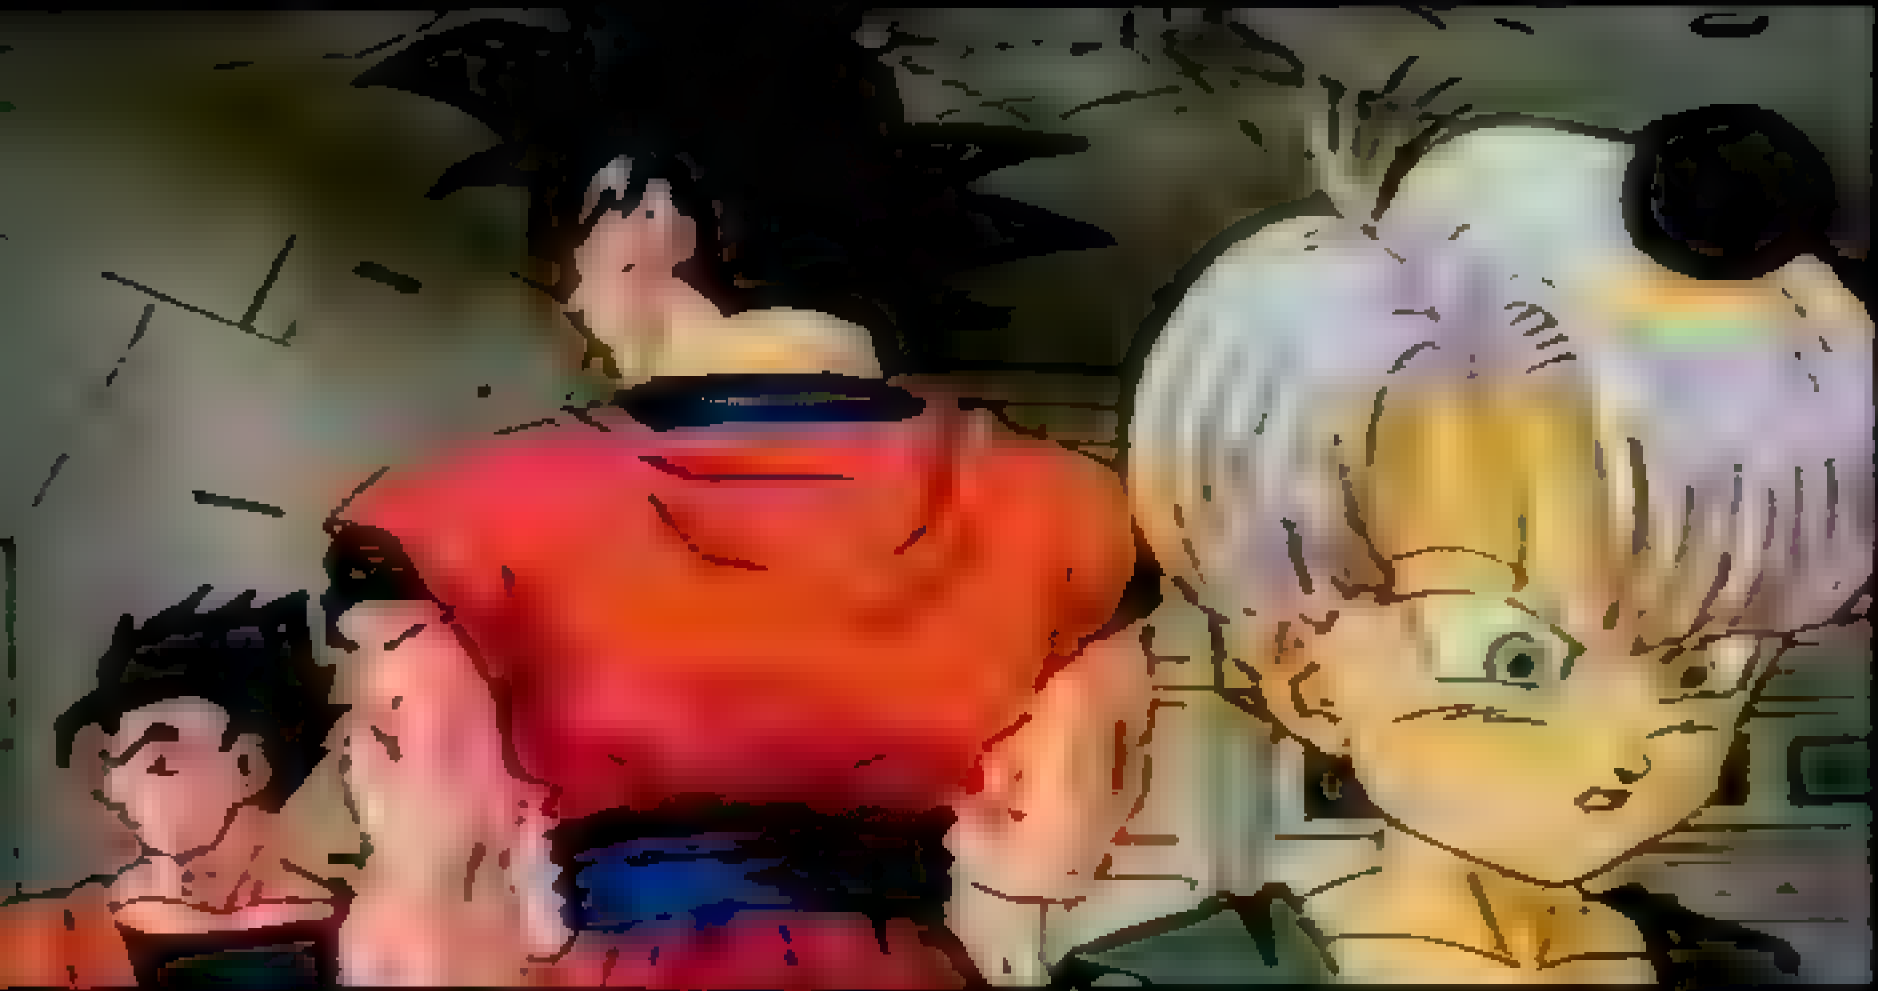

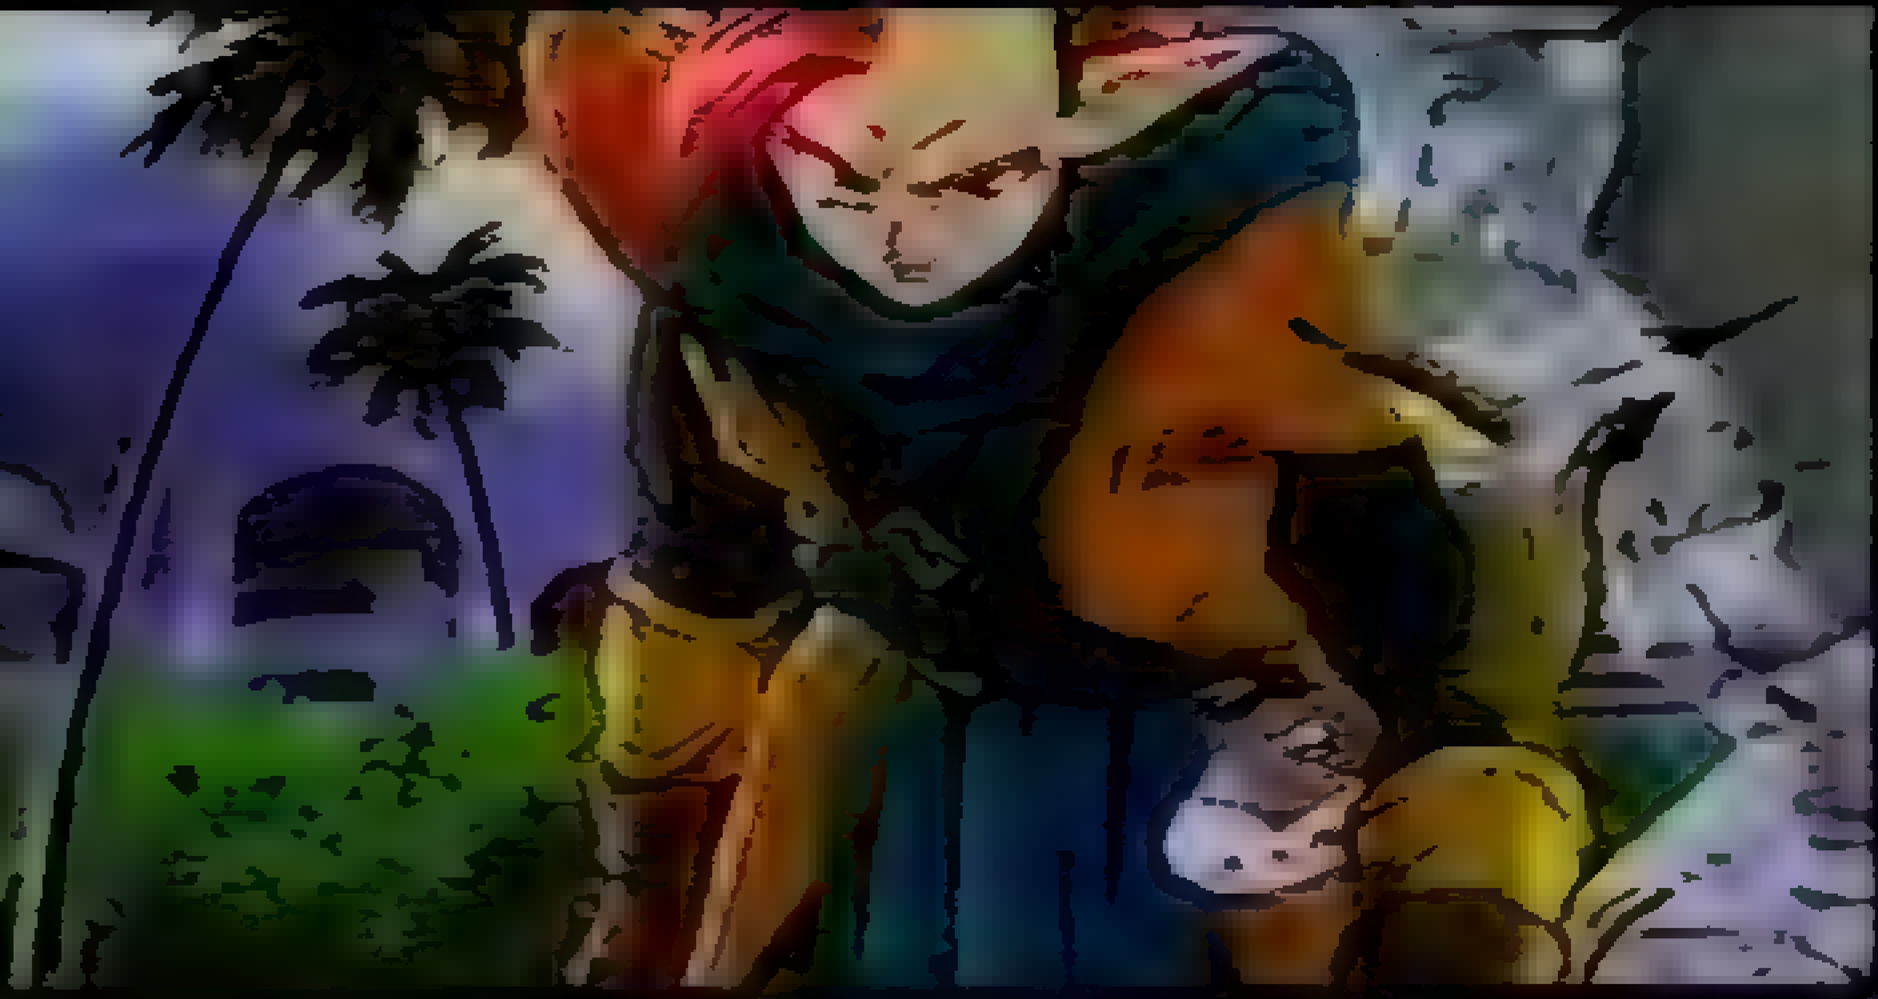

I see... This place smashed to bits.

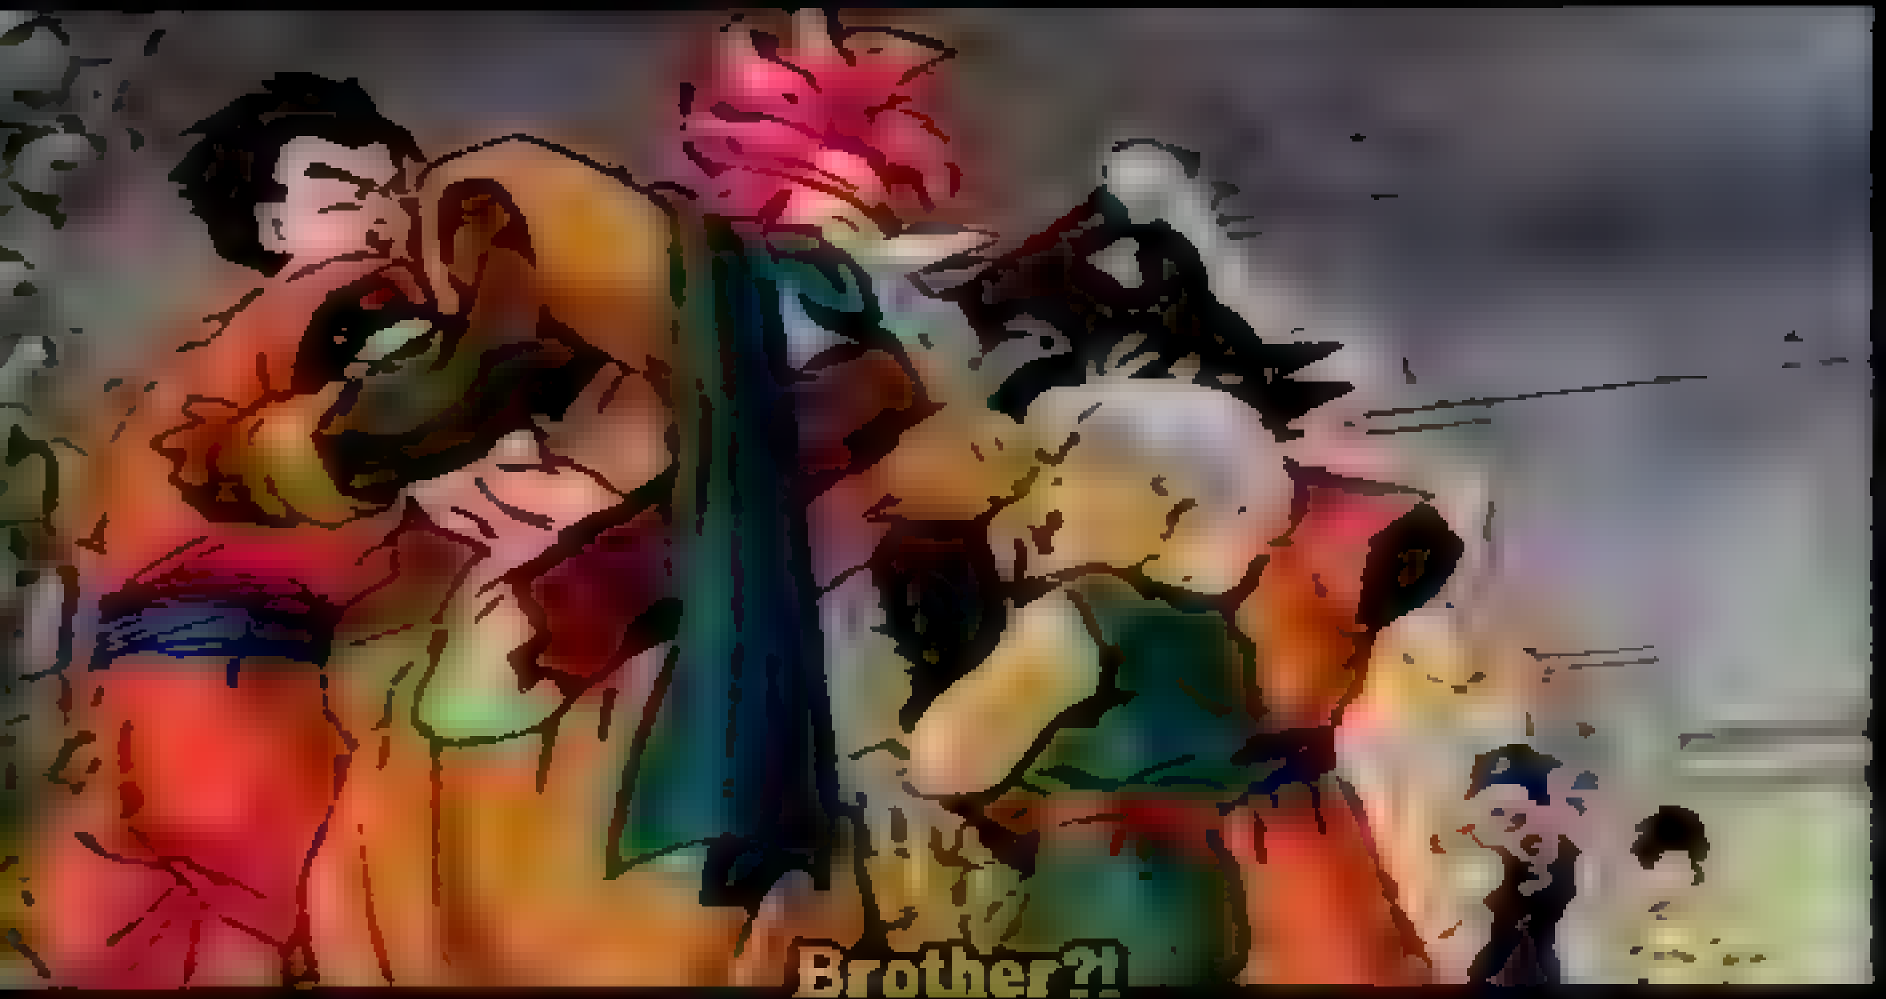

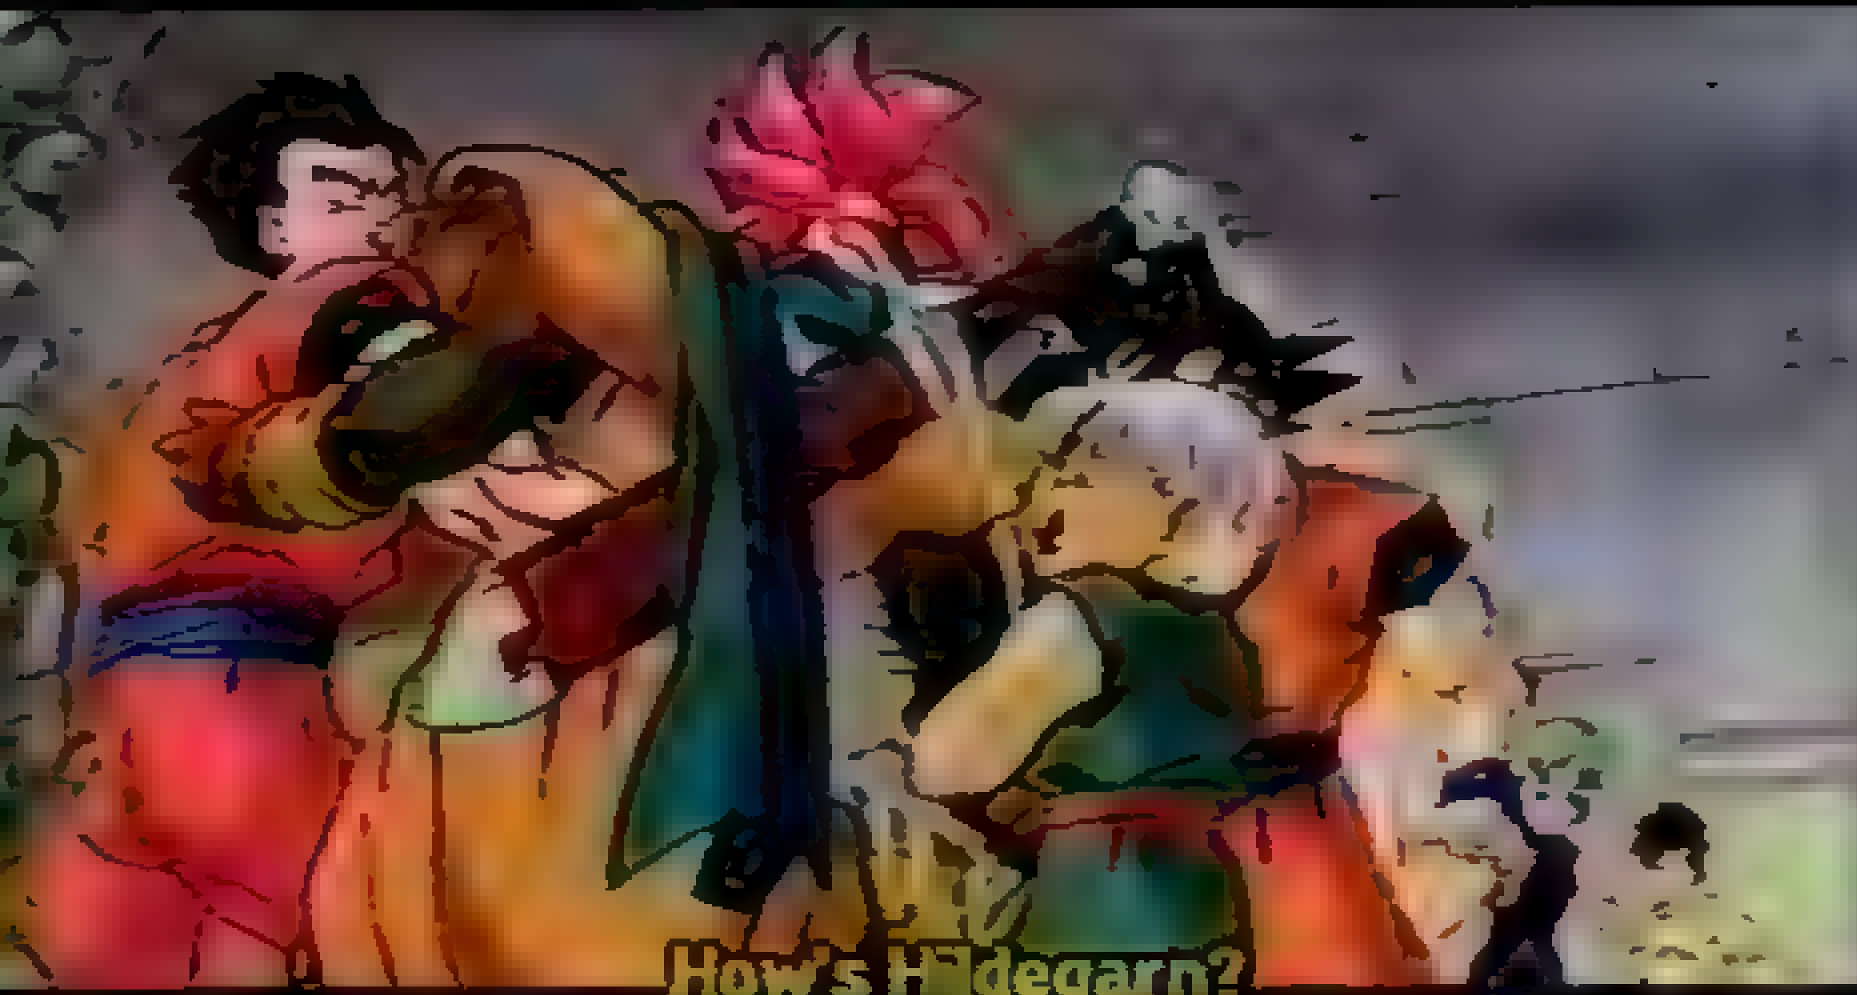

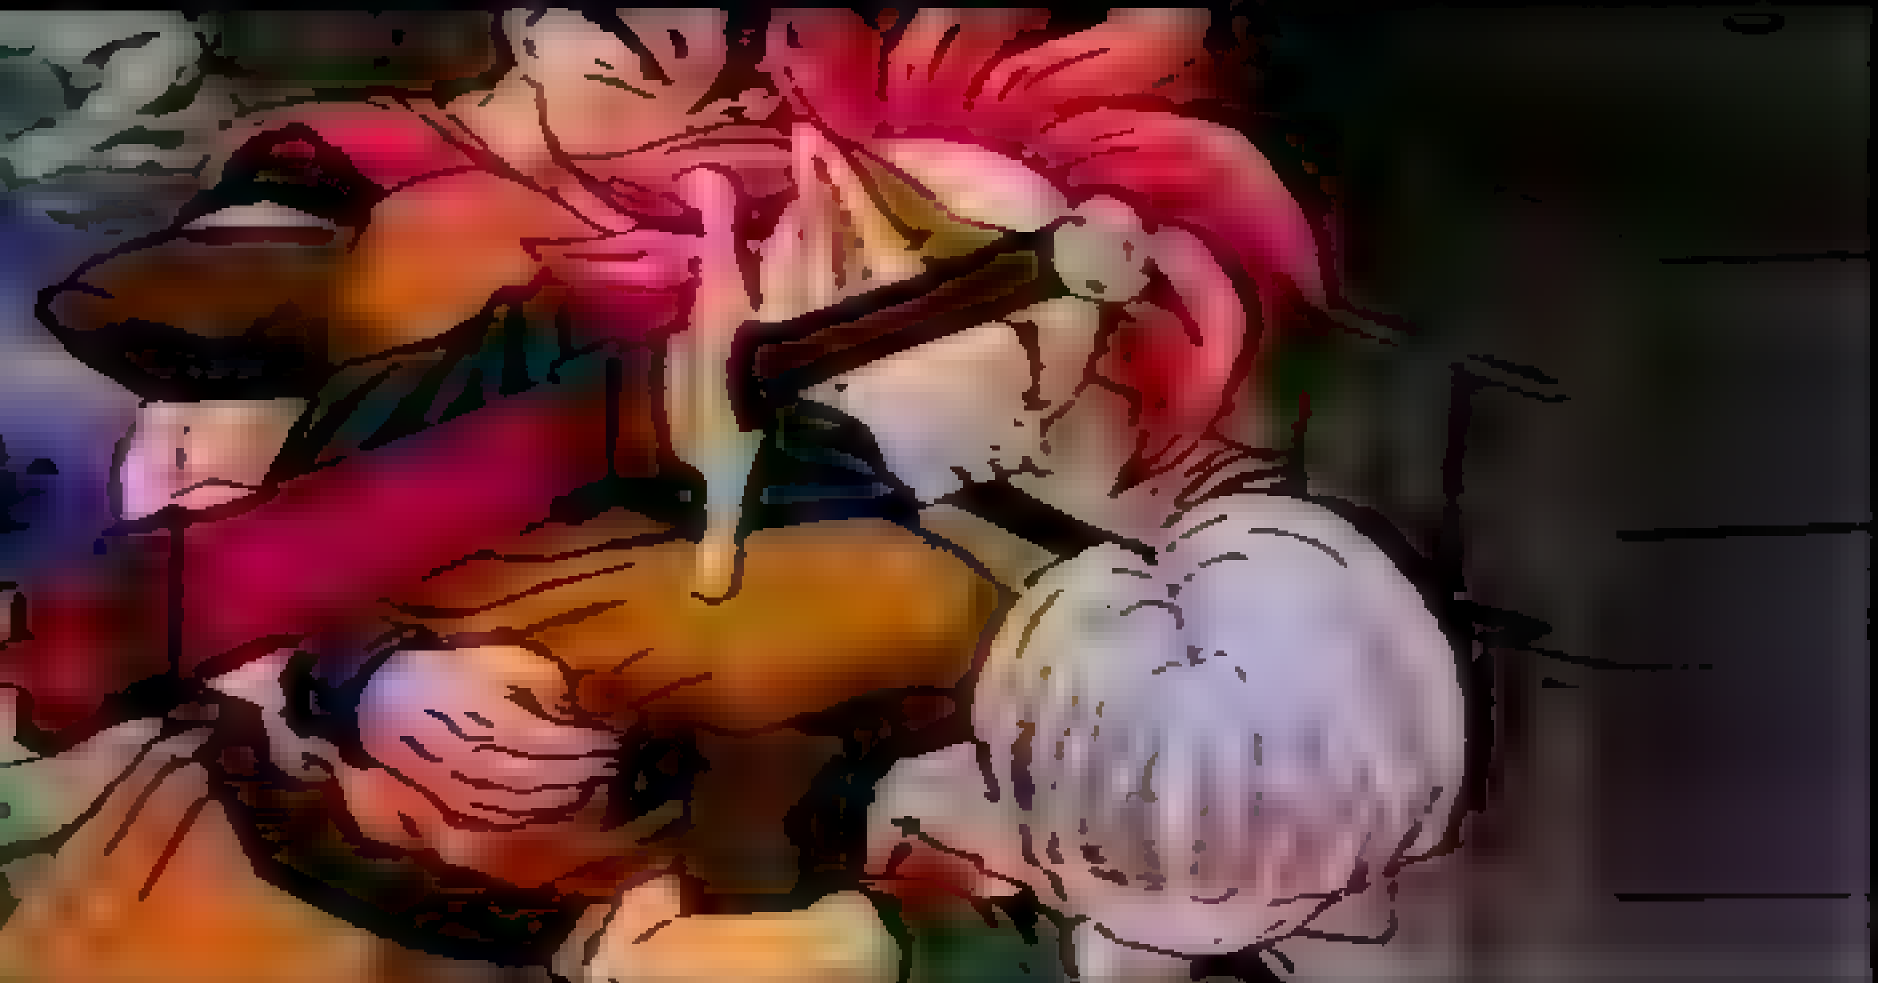

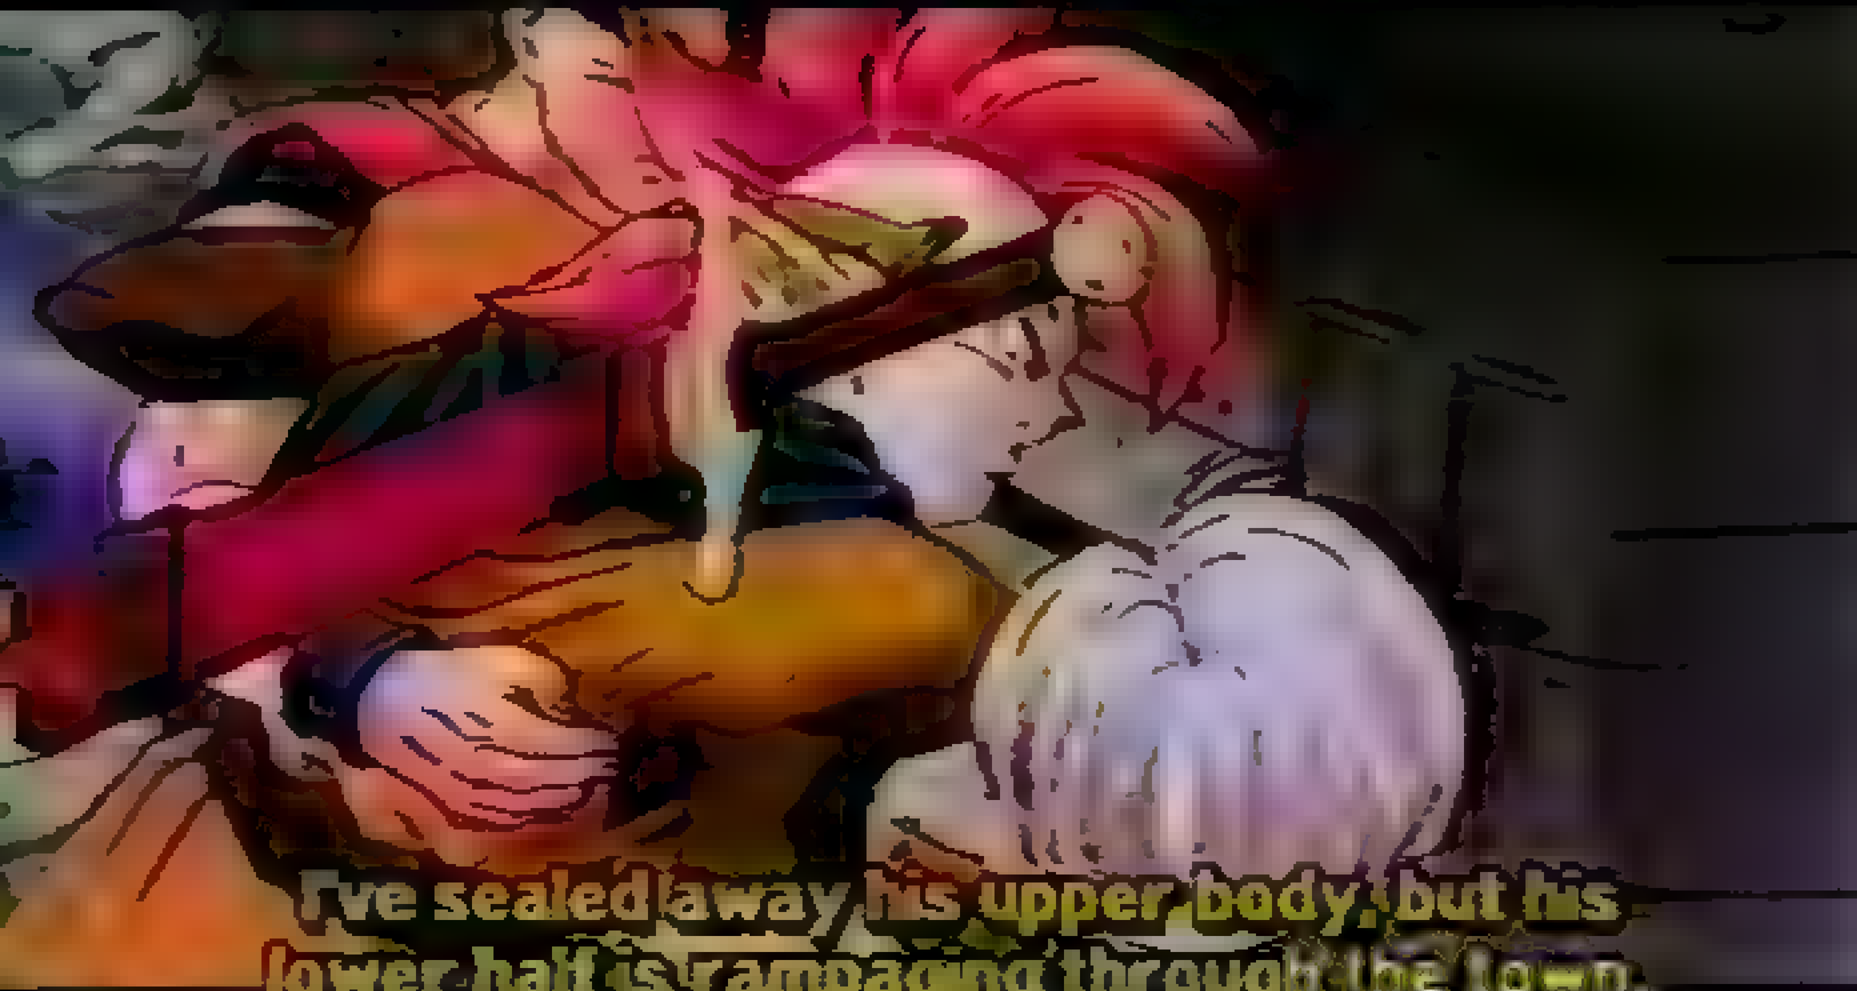

Brother?!

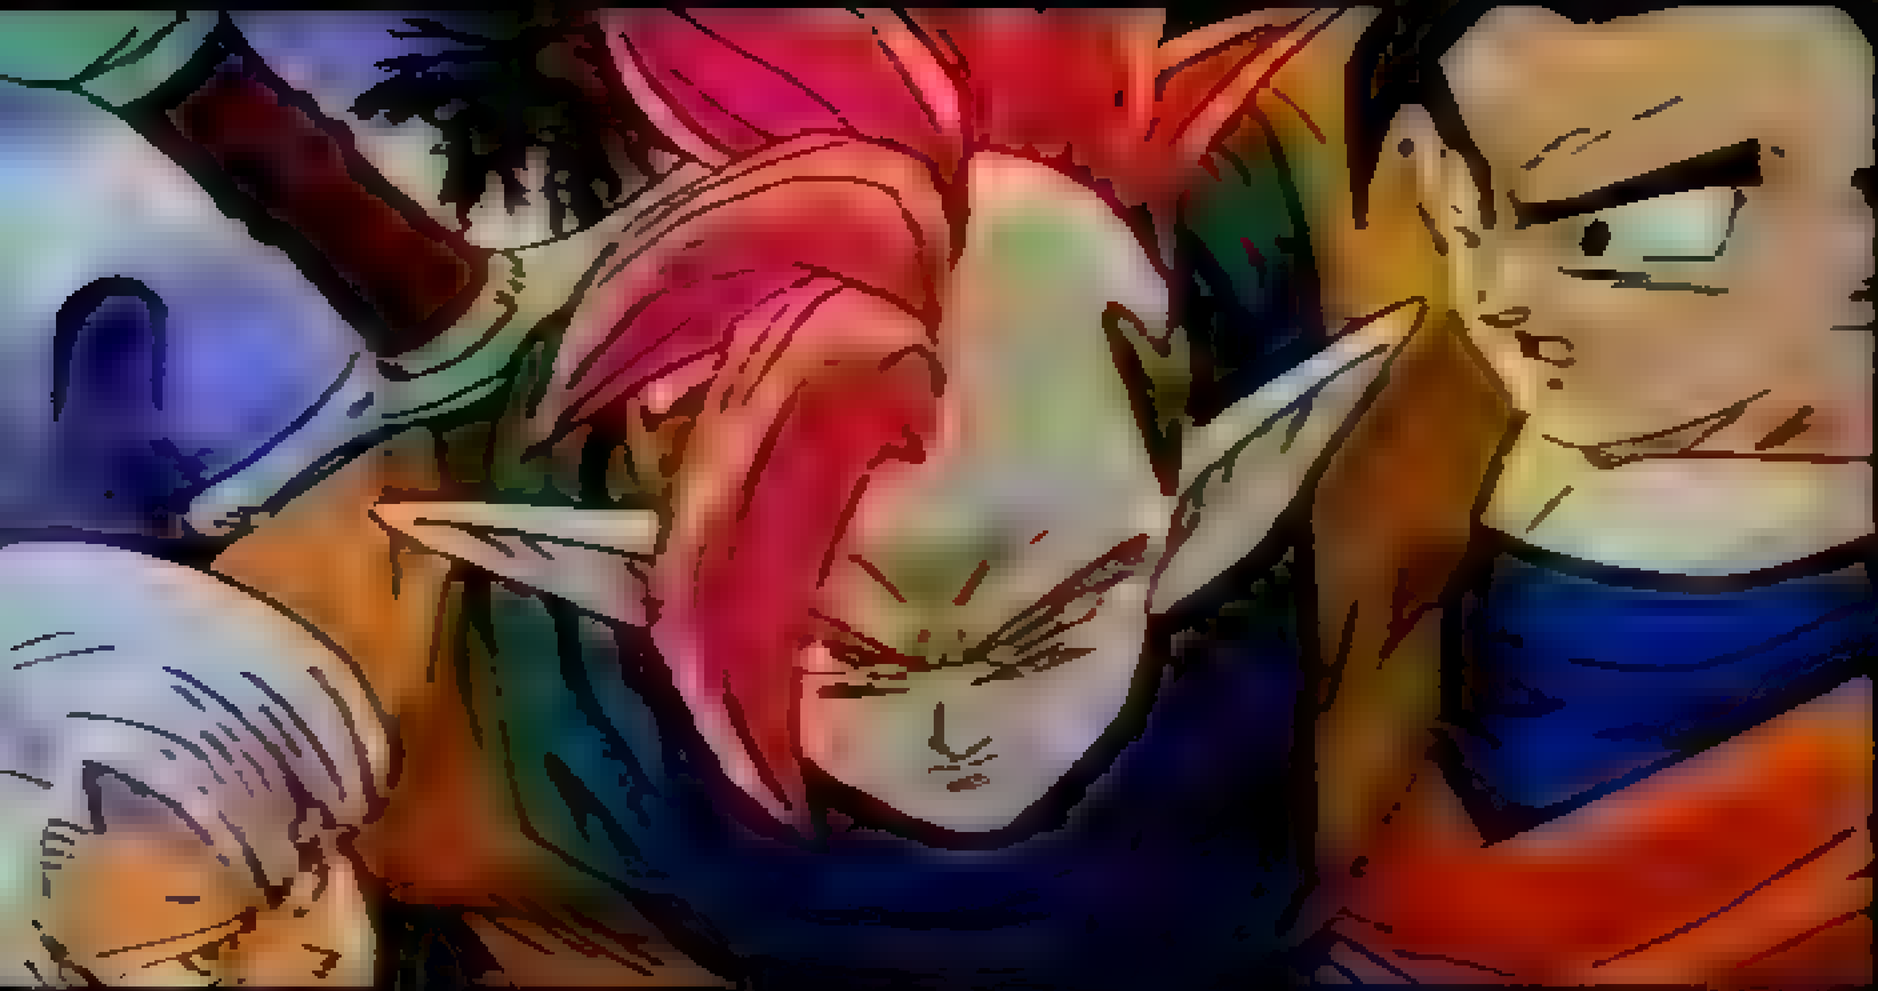

How's Hildegarn?

I've sealed away his upper body, but his
lower half is rampaging through the town.

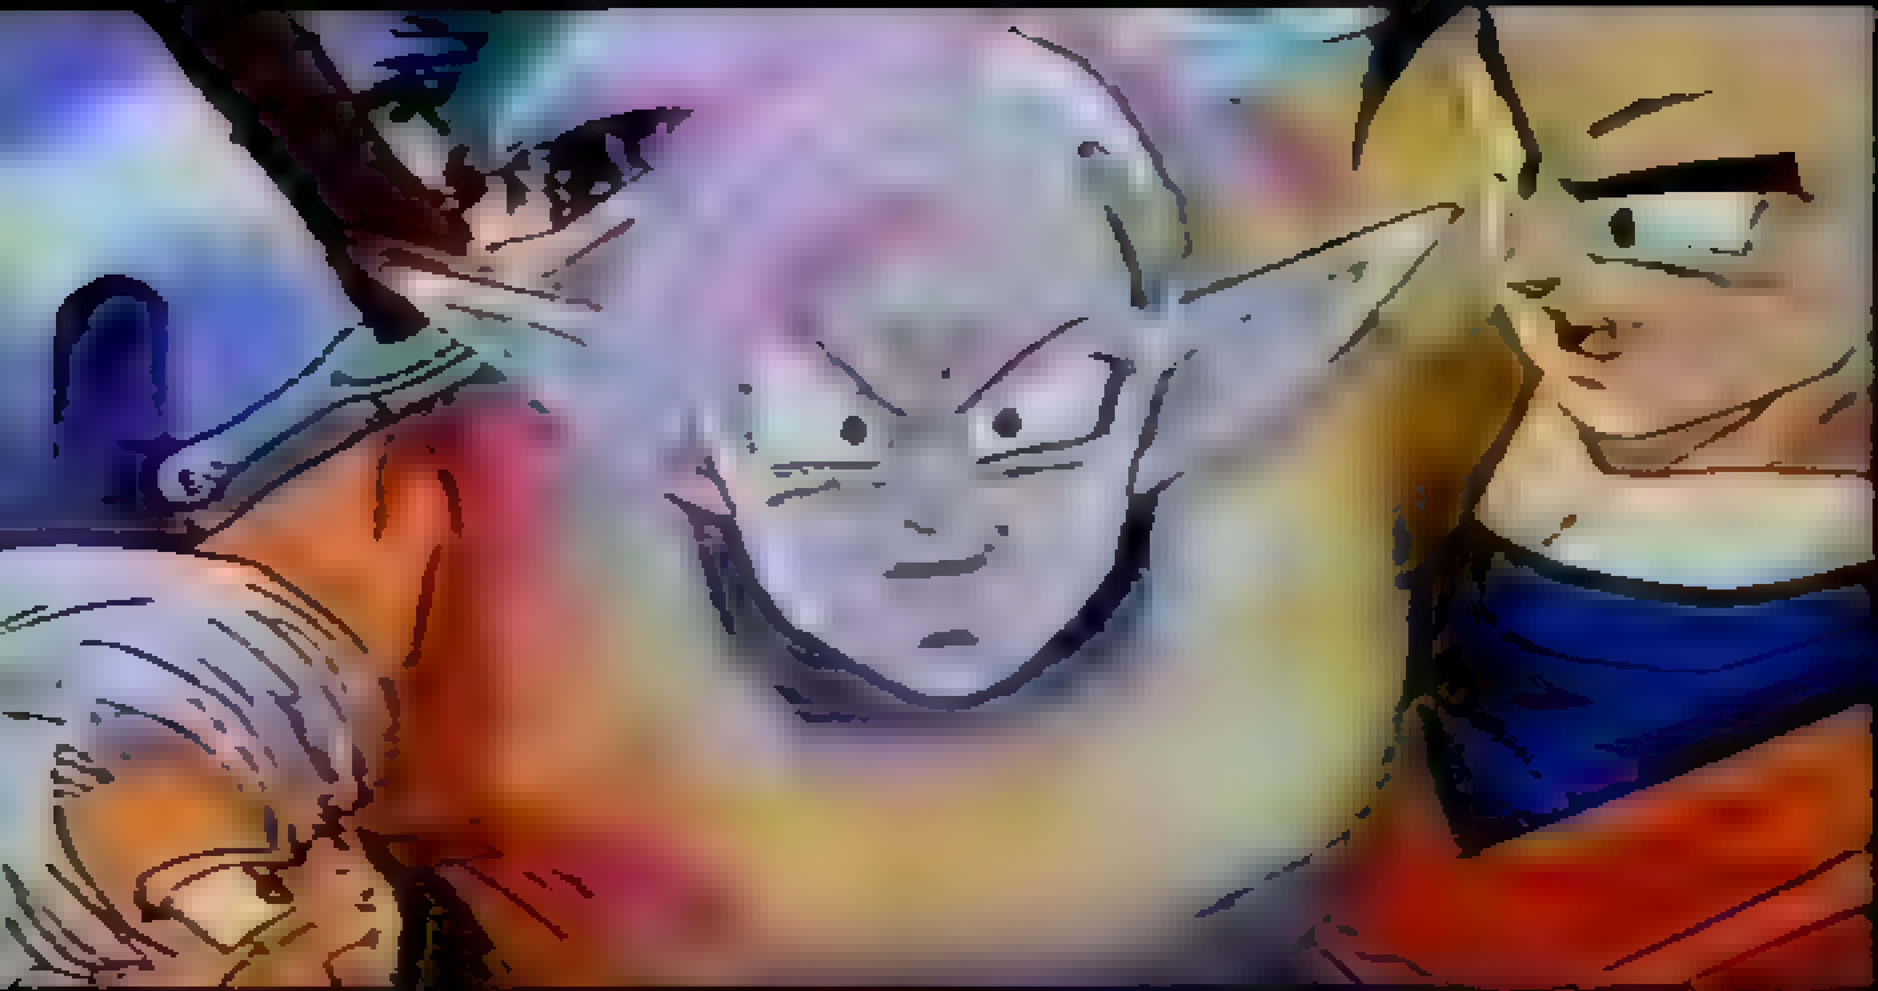

I've sealed away his upper body, but his
lower half is rampaging through the town.

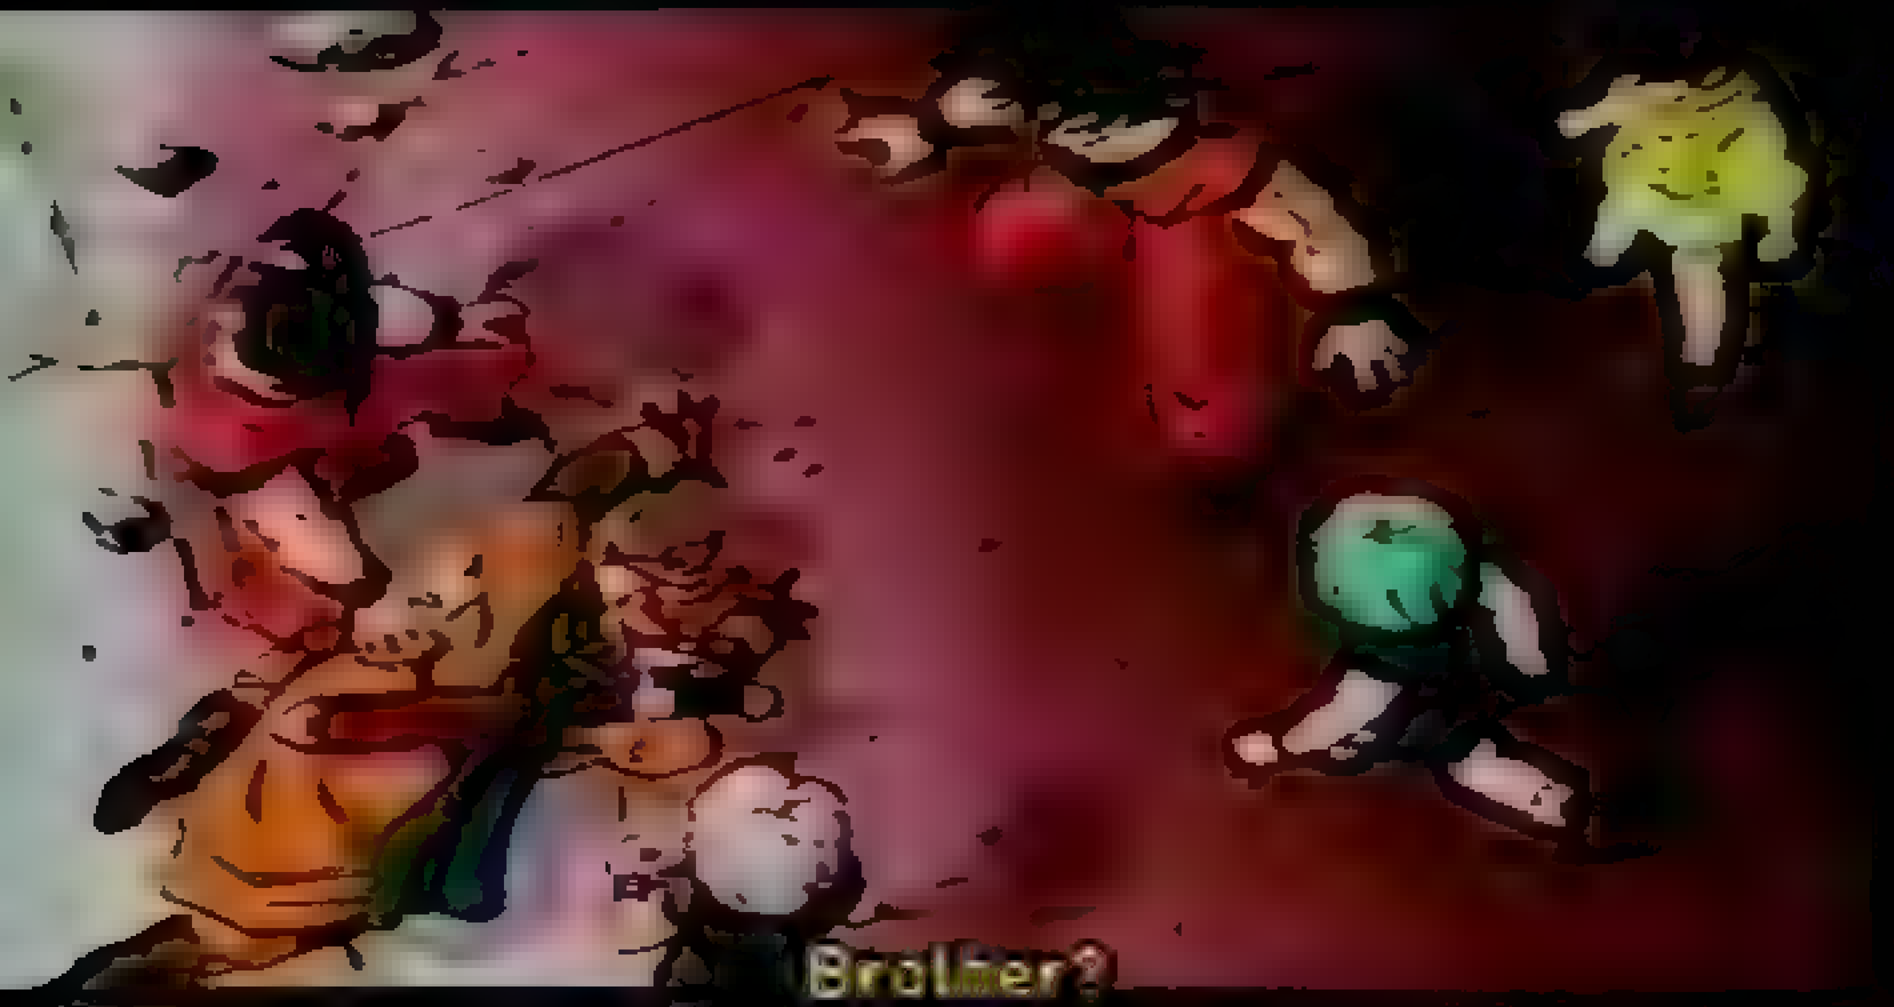

I've sealed away his upper body, but his lower half is rampaging through the town.

And now their united power is
growing, so I can't hold on...

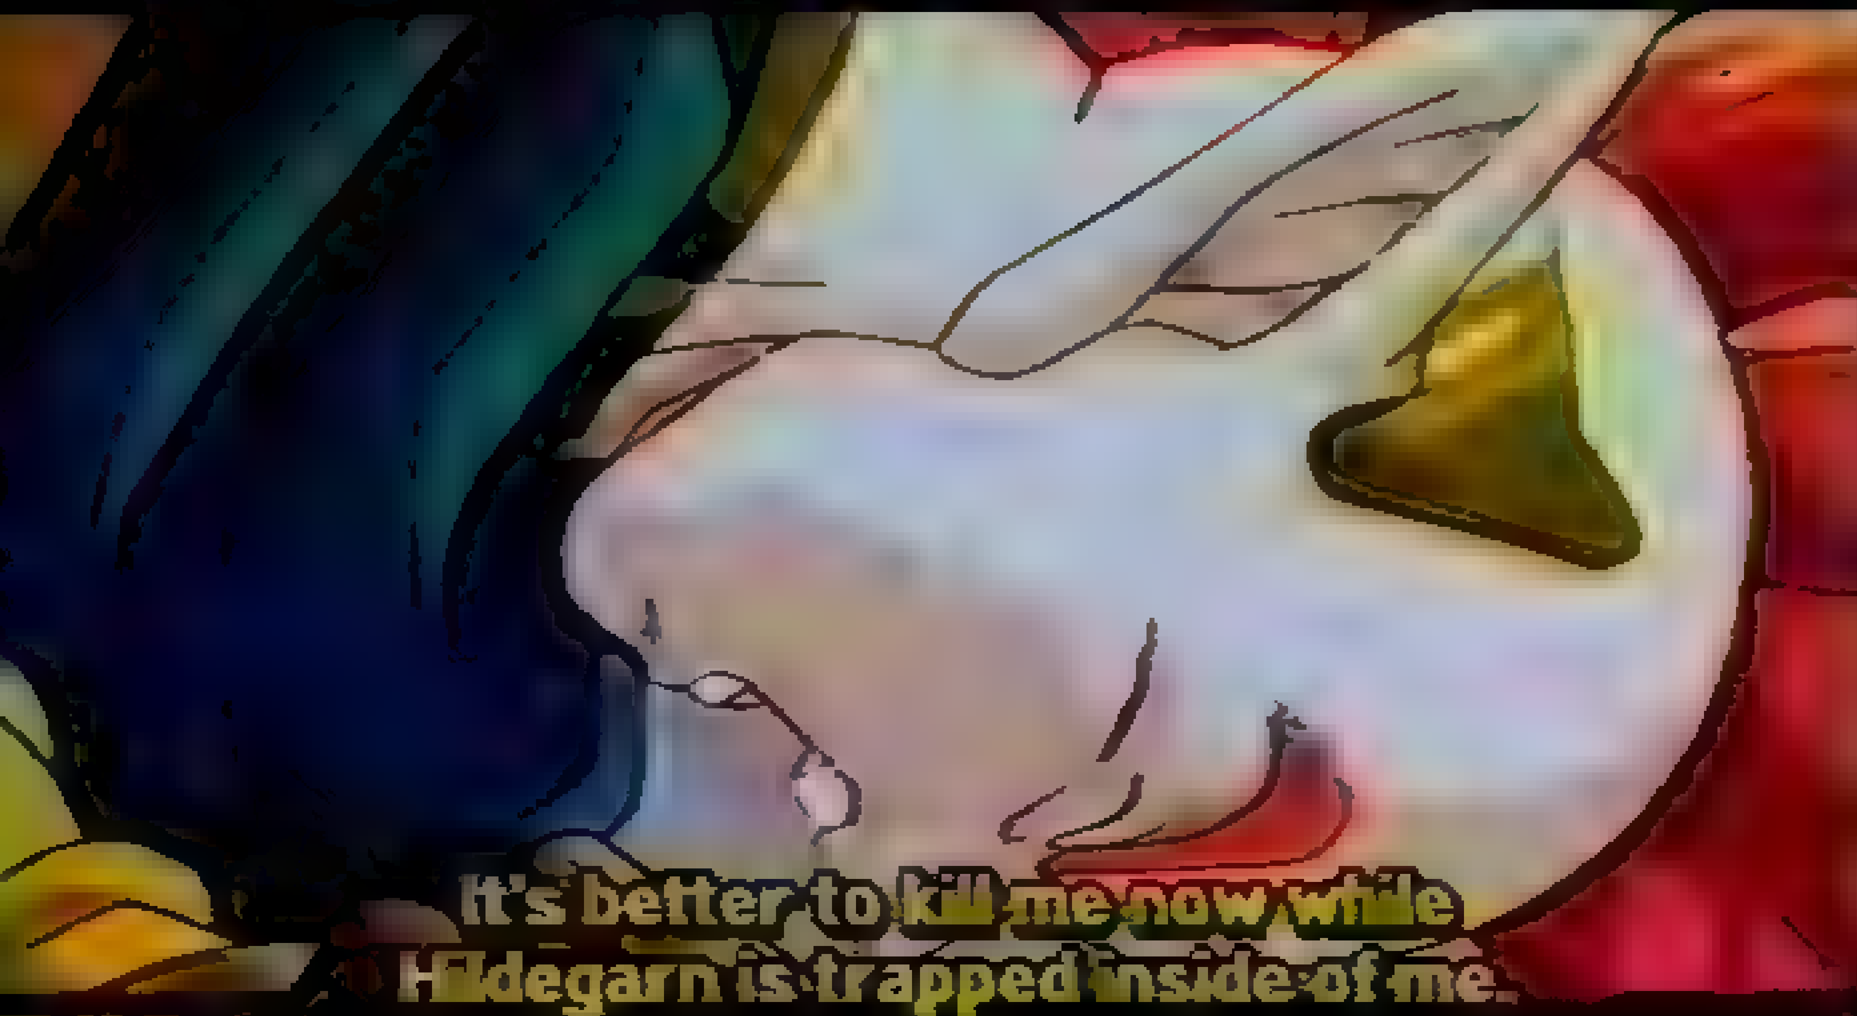

And now their united power is growing, so I can't hold on...

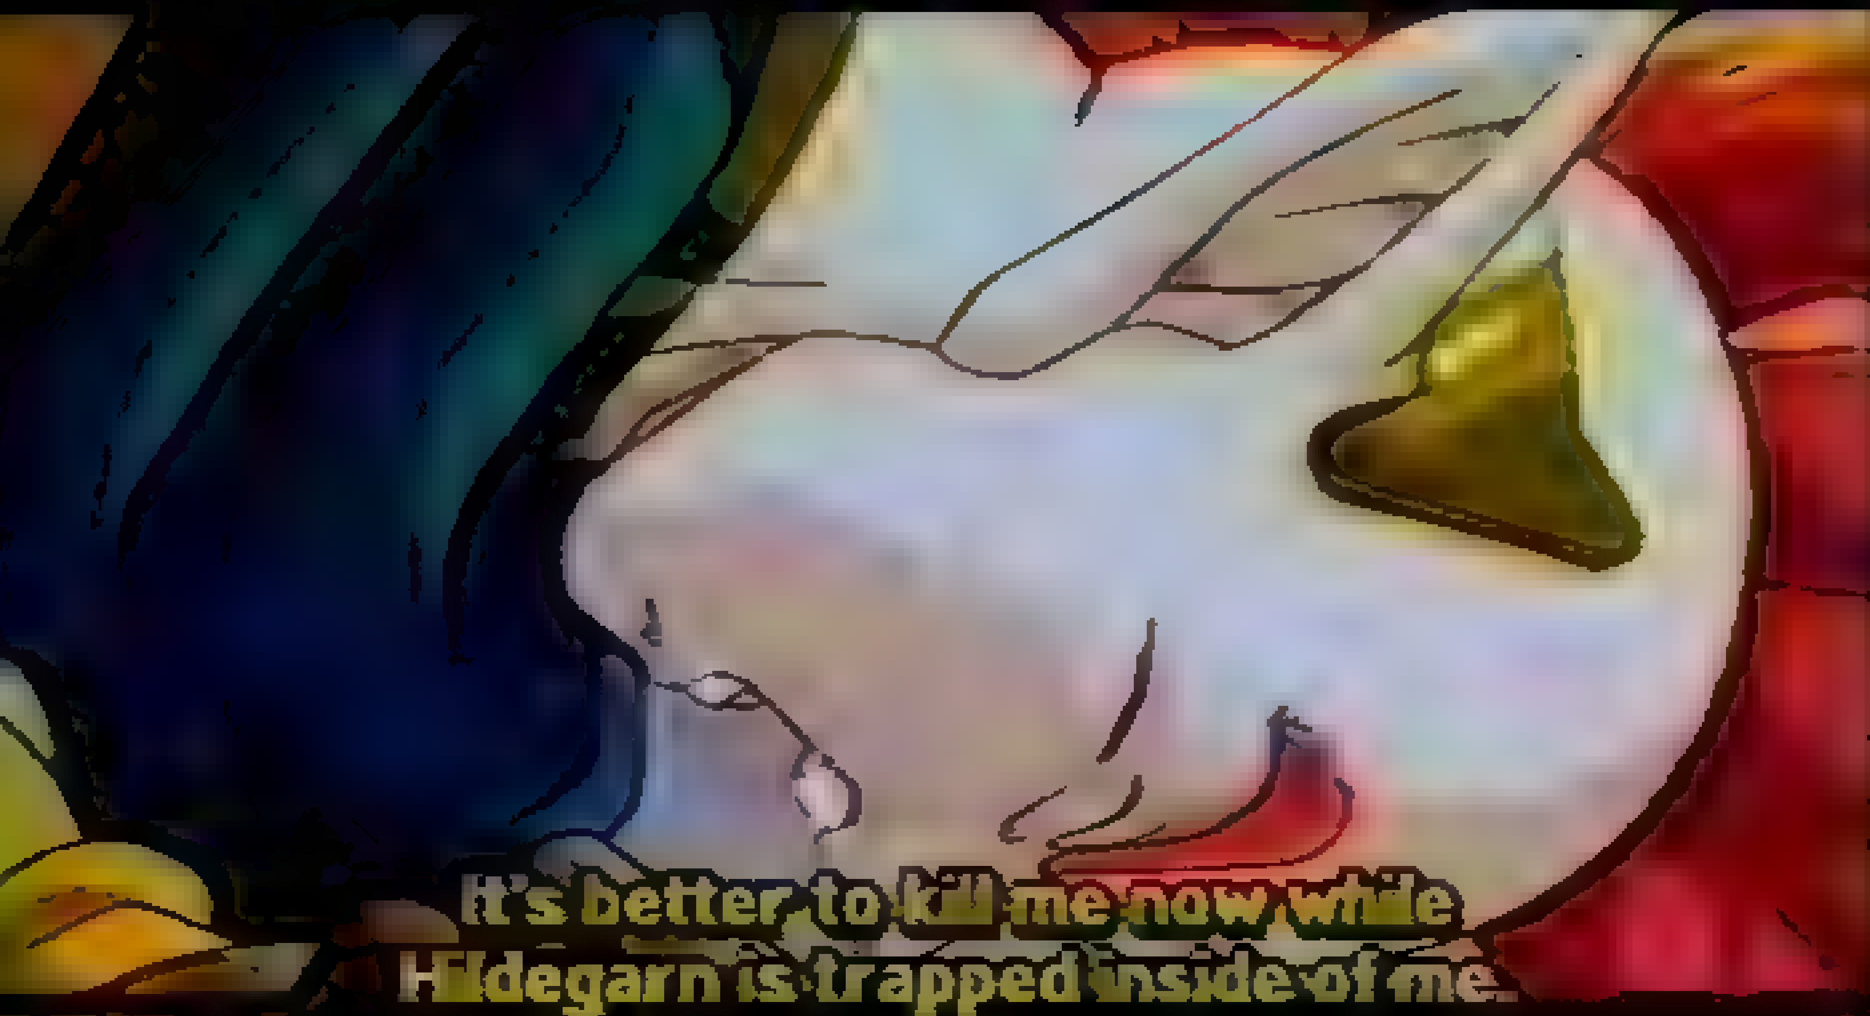

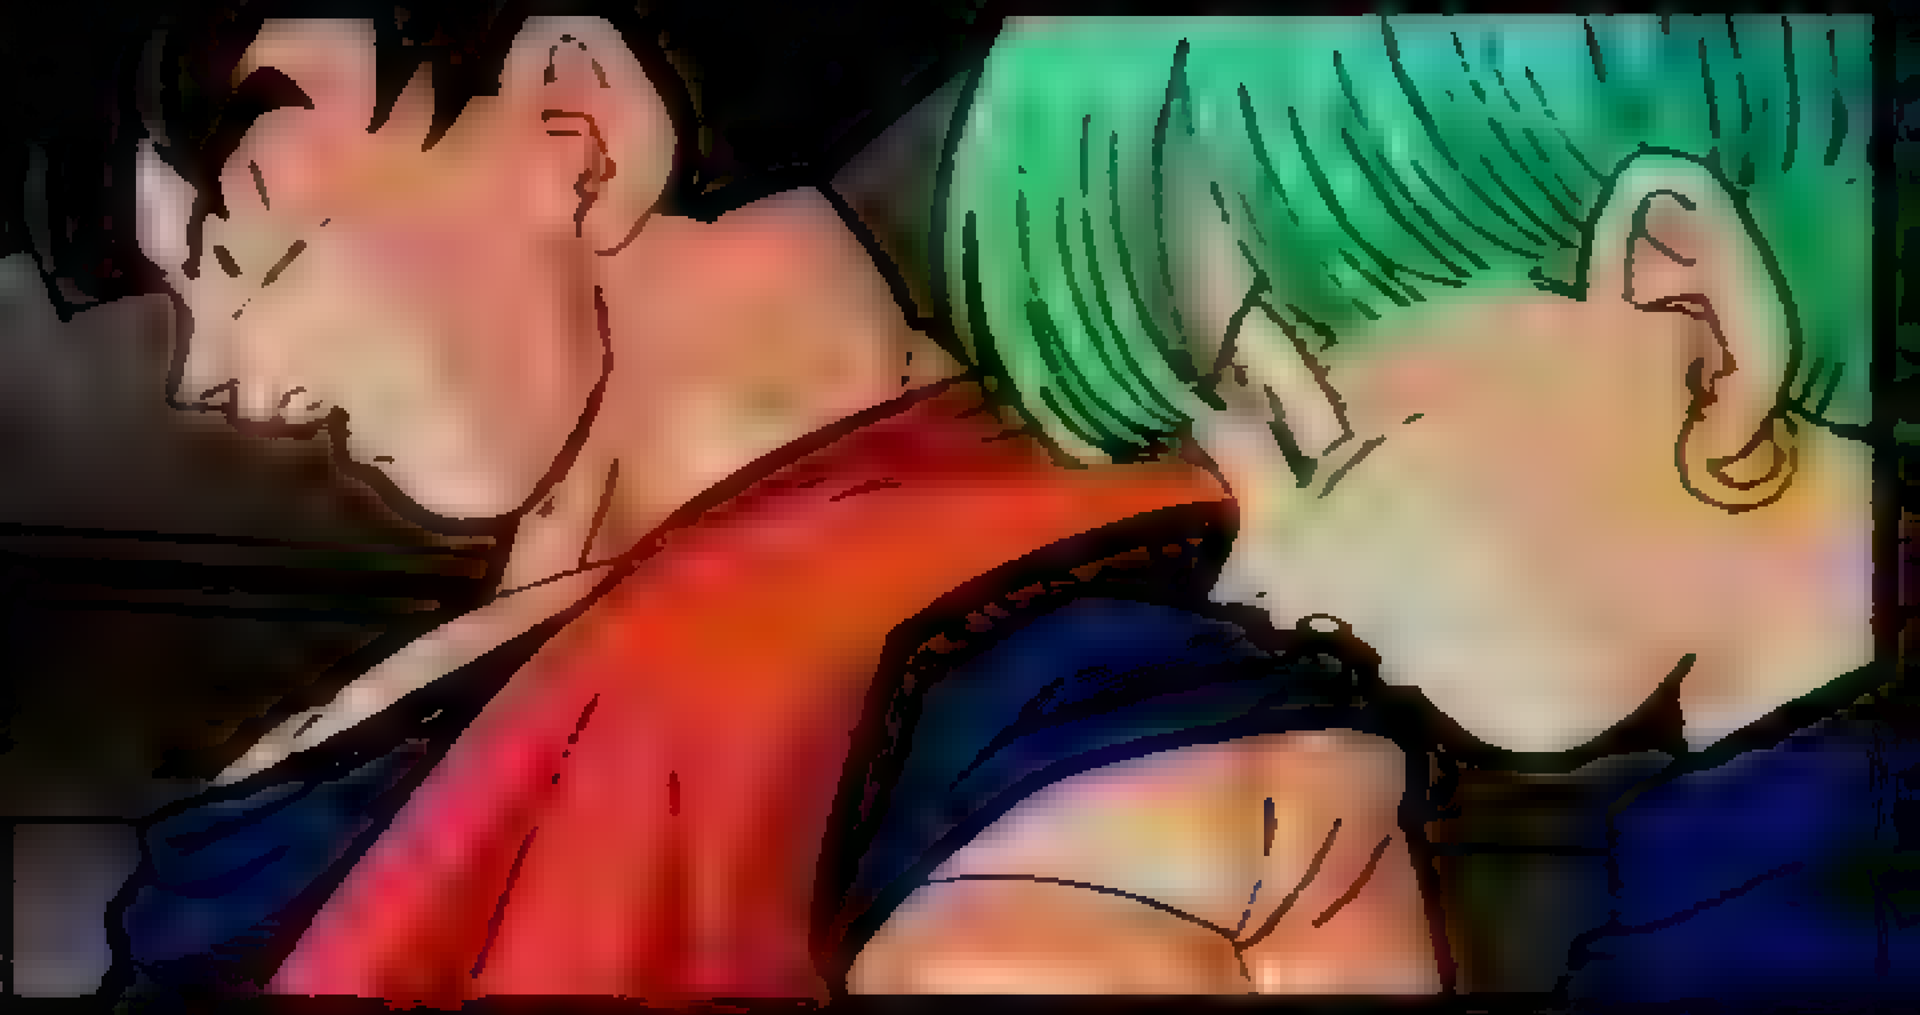

Brother?

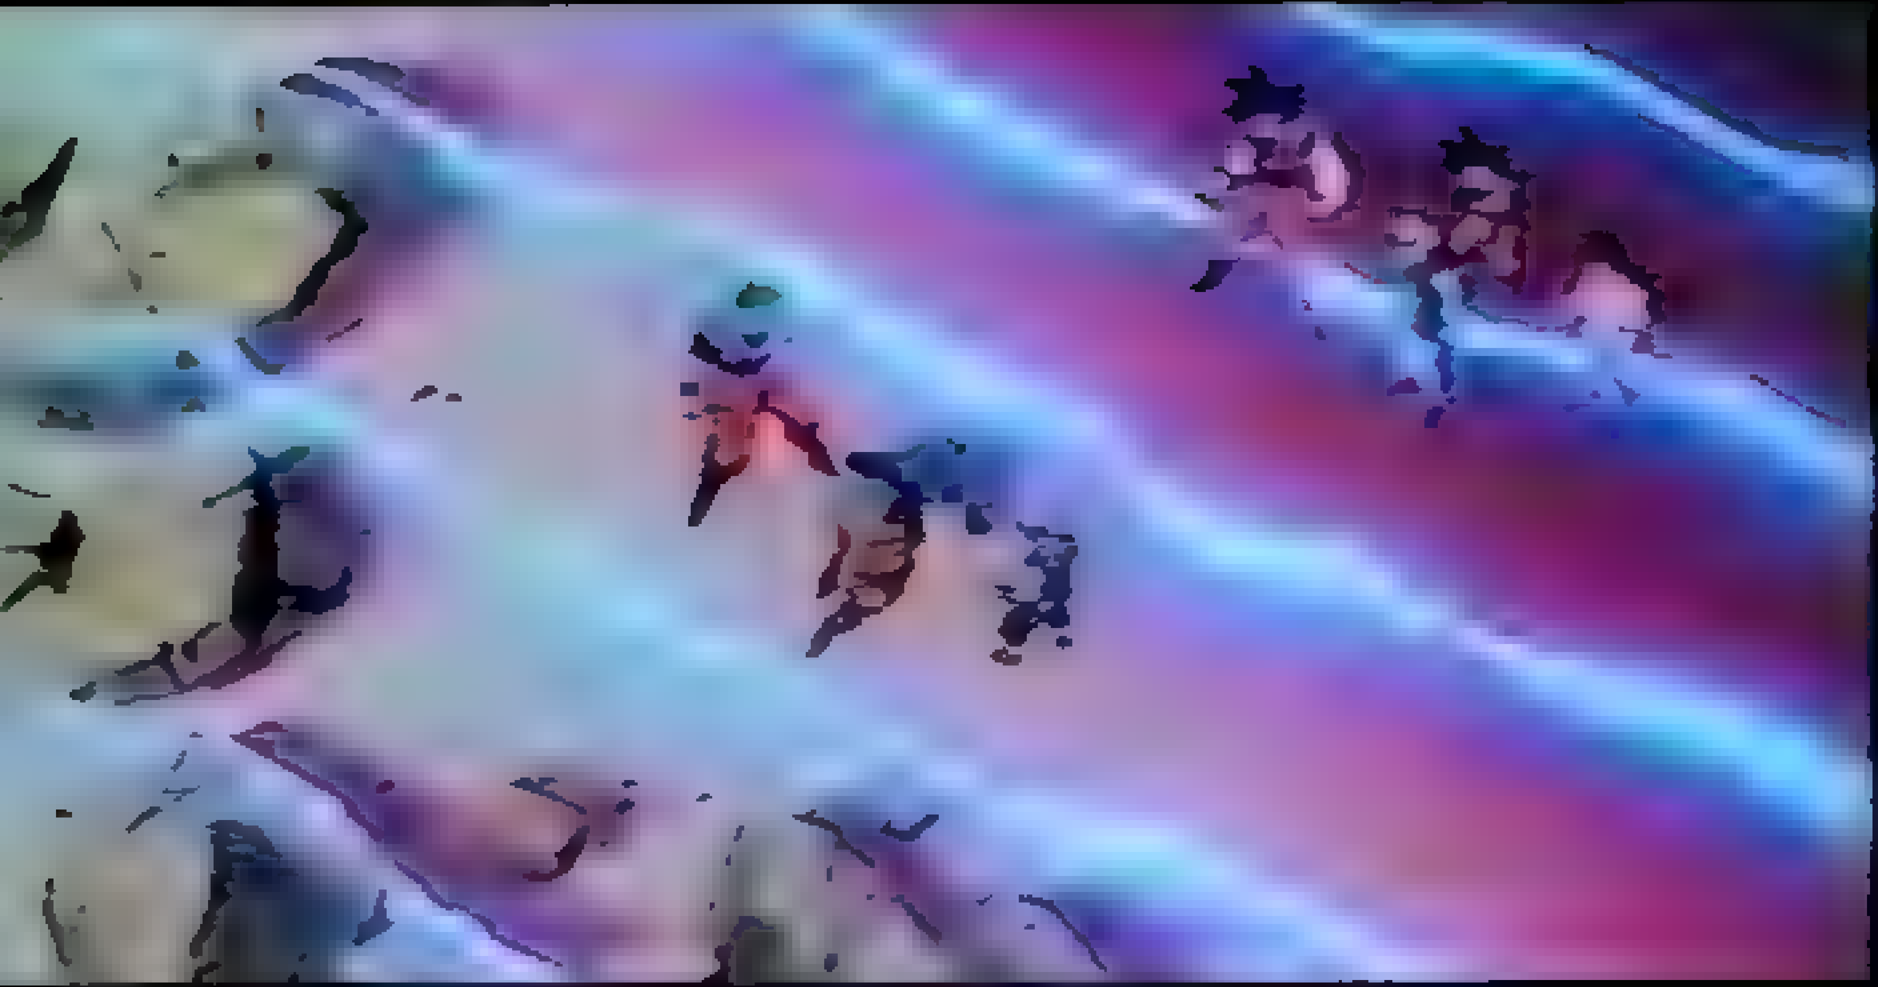

I'll make another one, even better than before.

Too late!

It's better to kill me now while
Hildegarn is trapped inside of me.

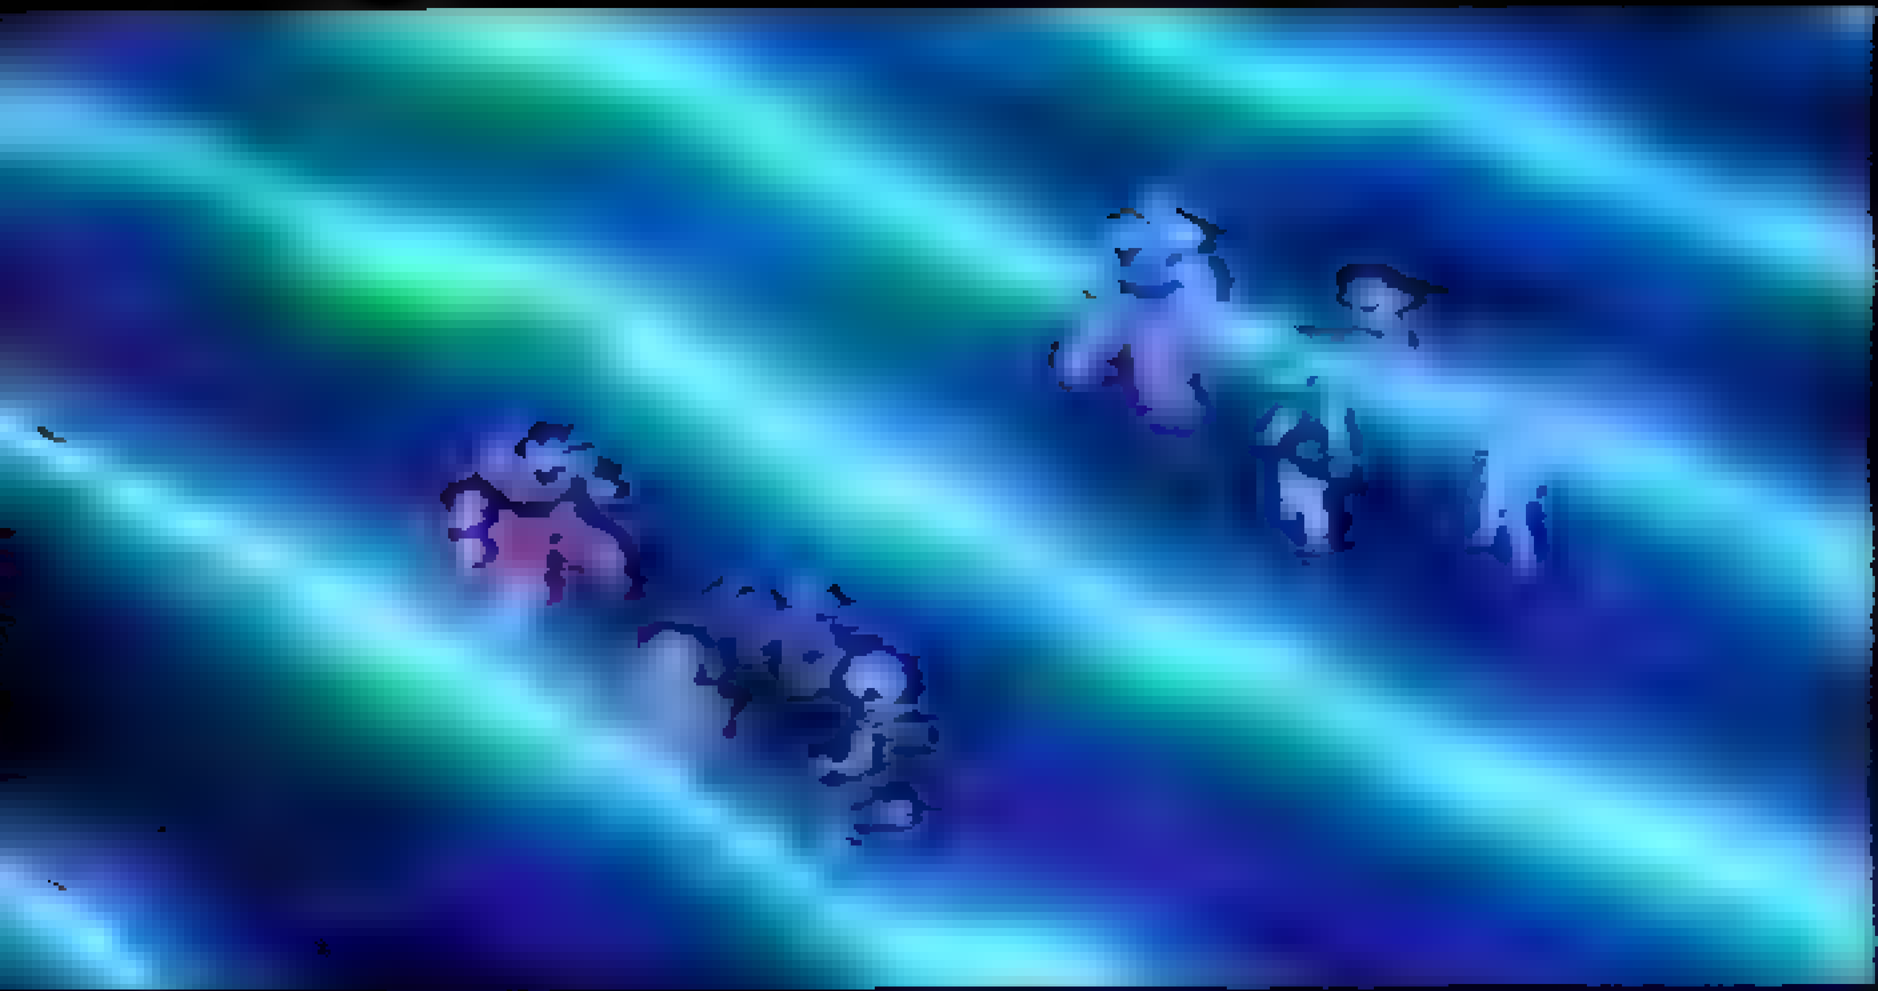

It's better to kill me now while
Hildegarn is trapped inside of me.

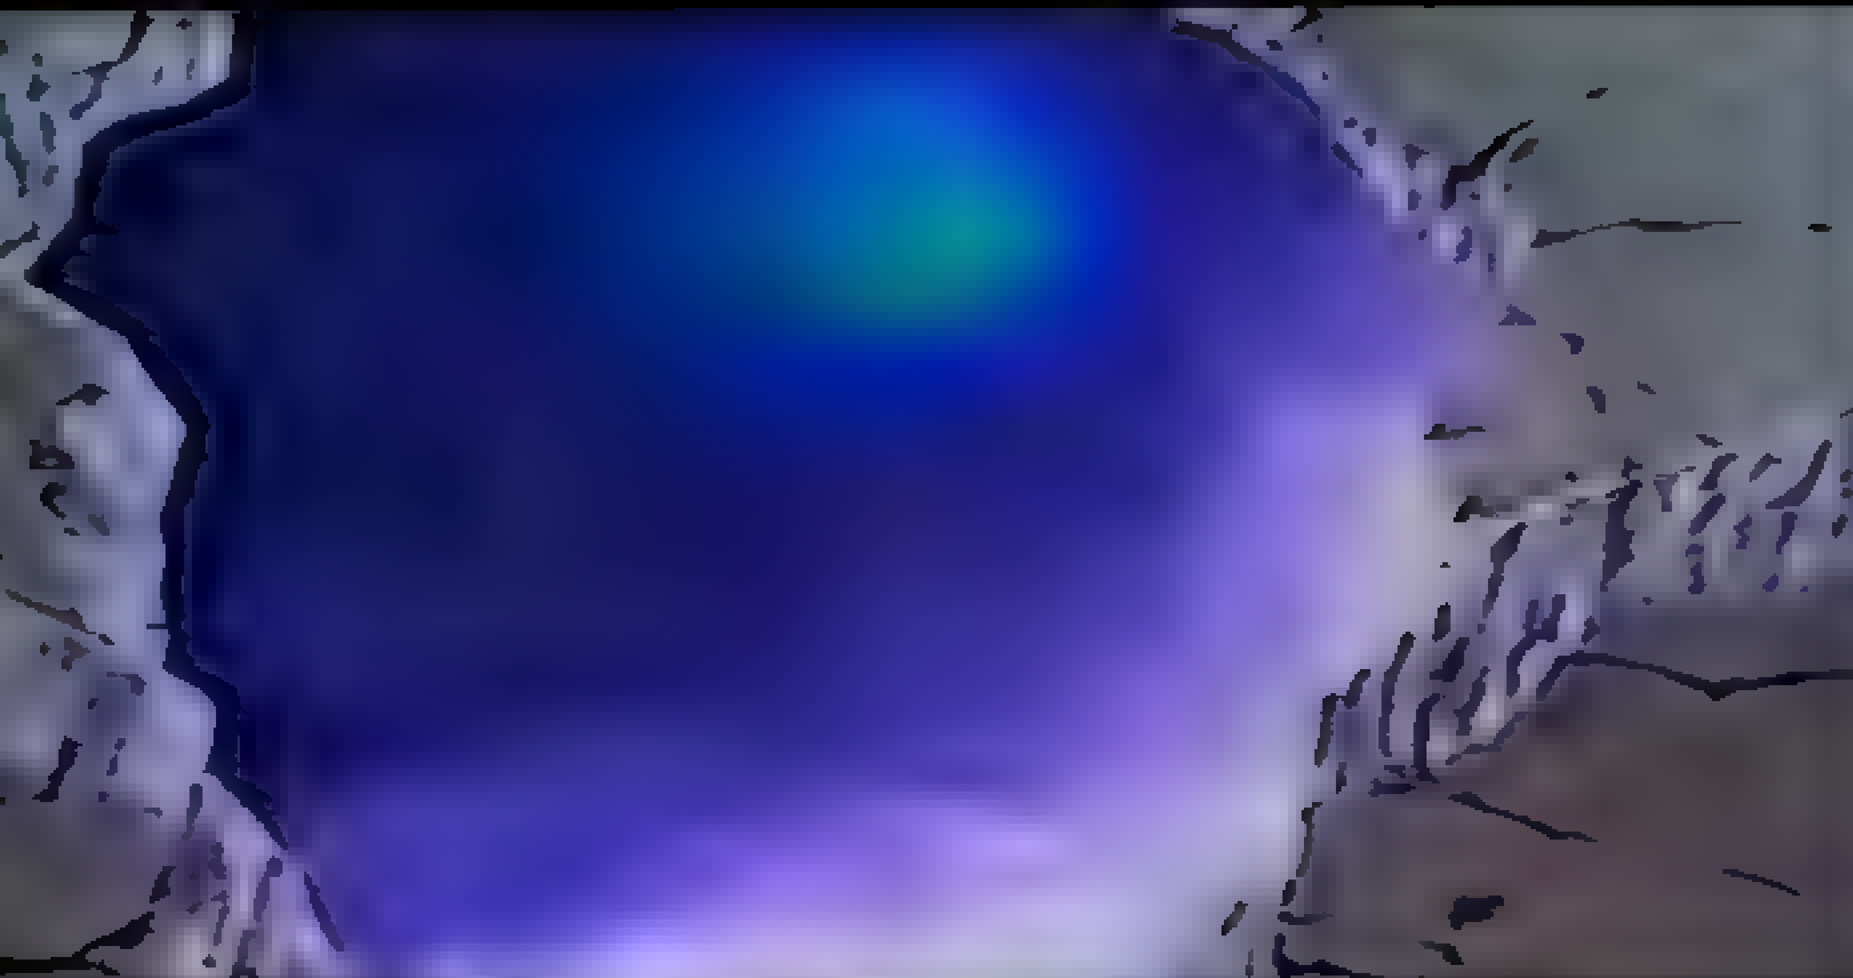

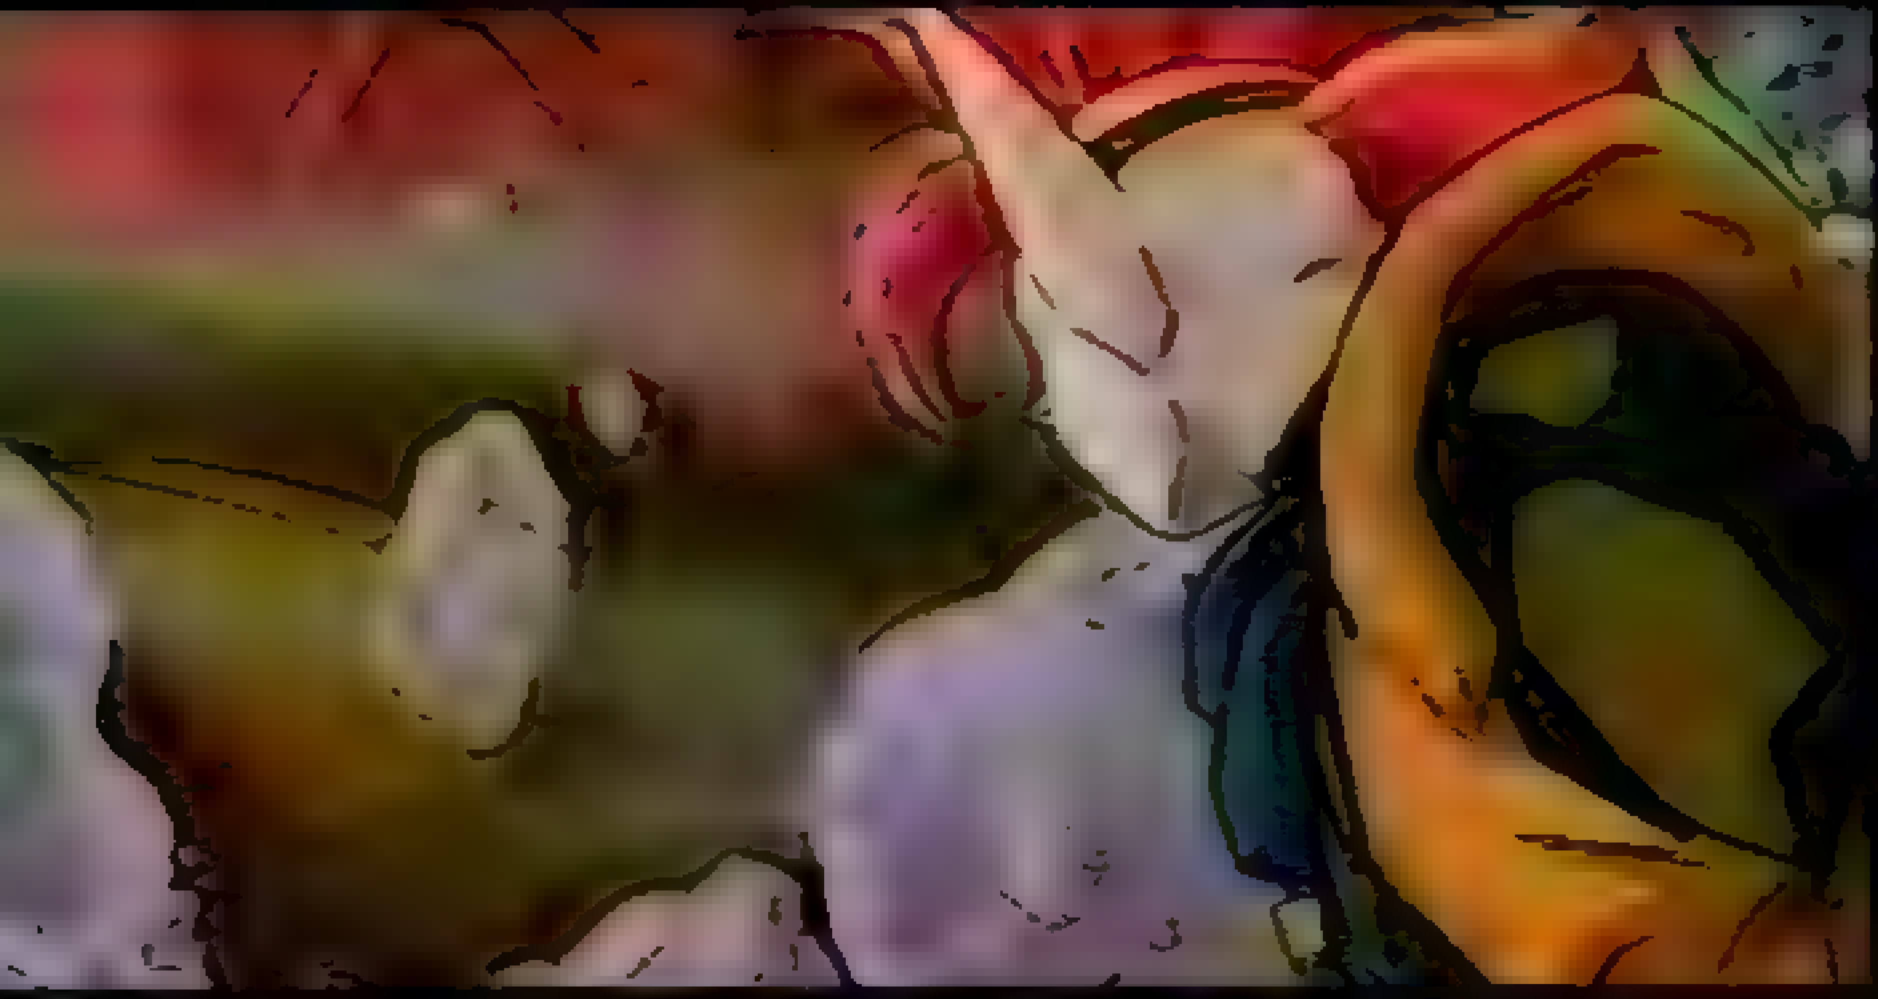

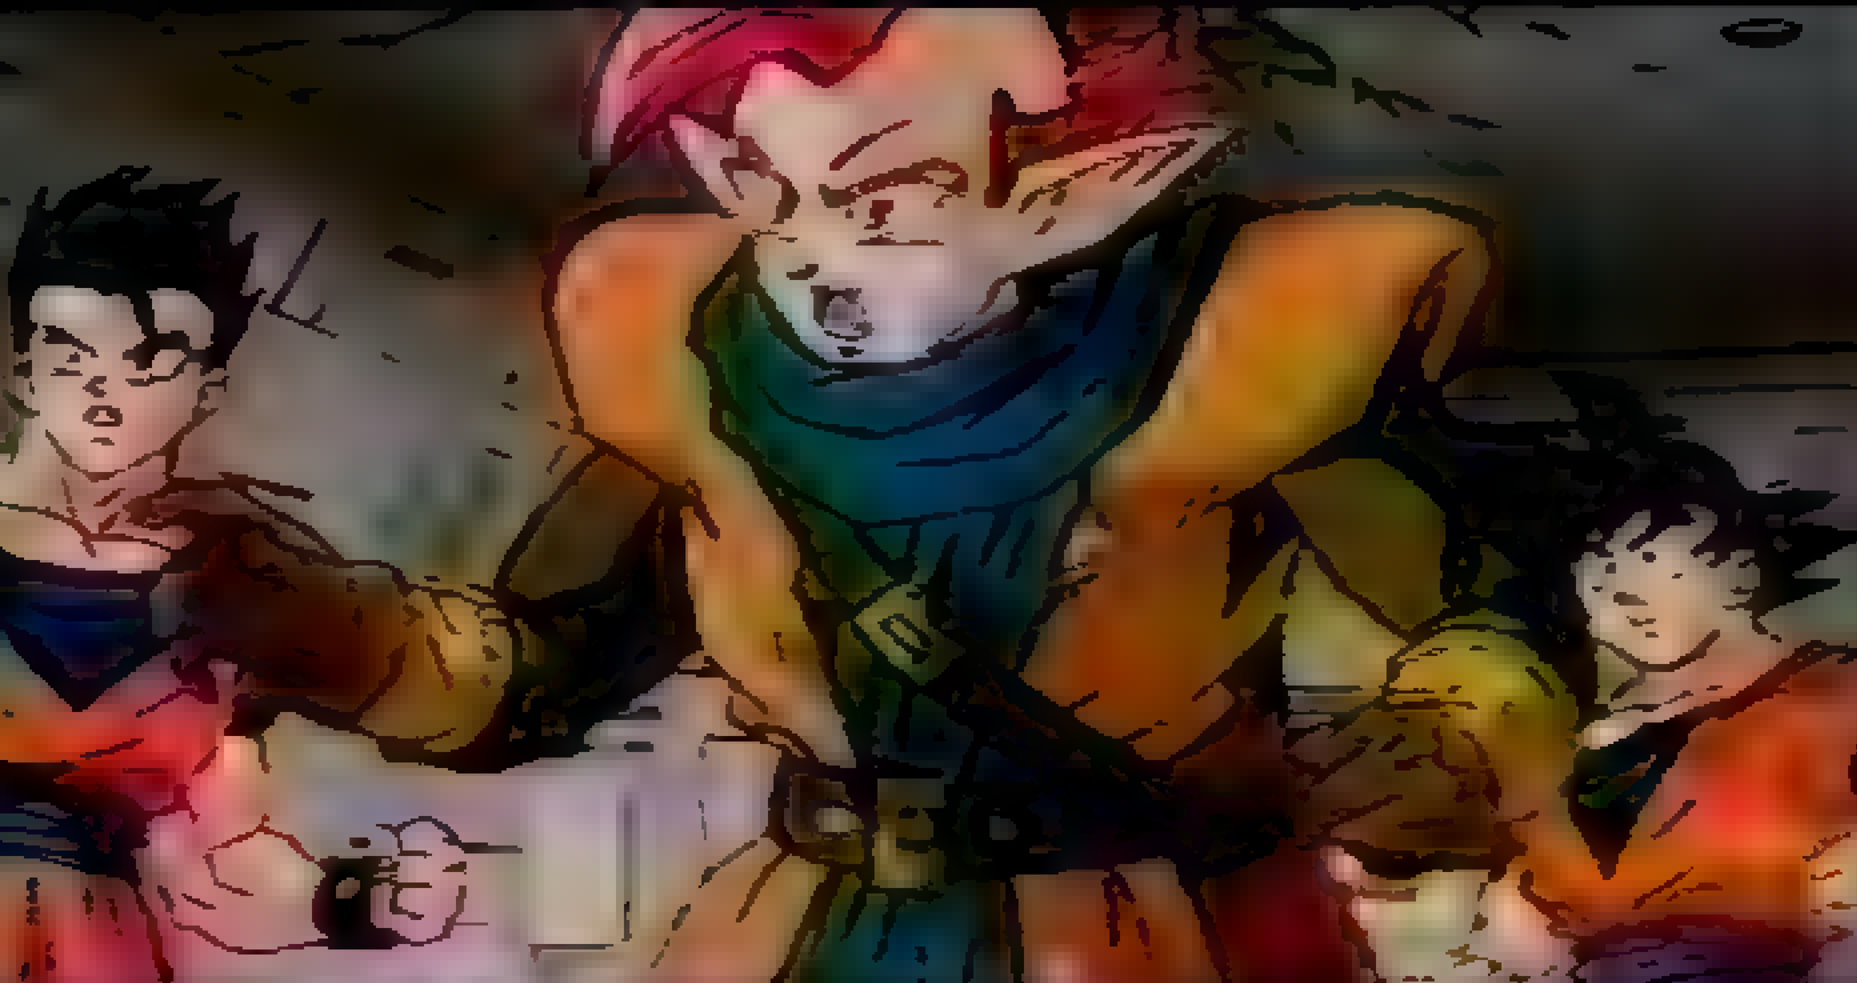

I won't let you!

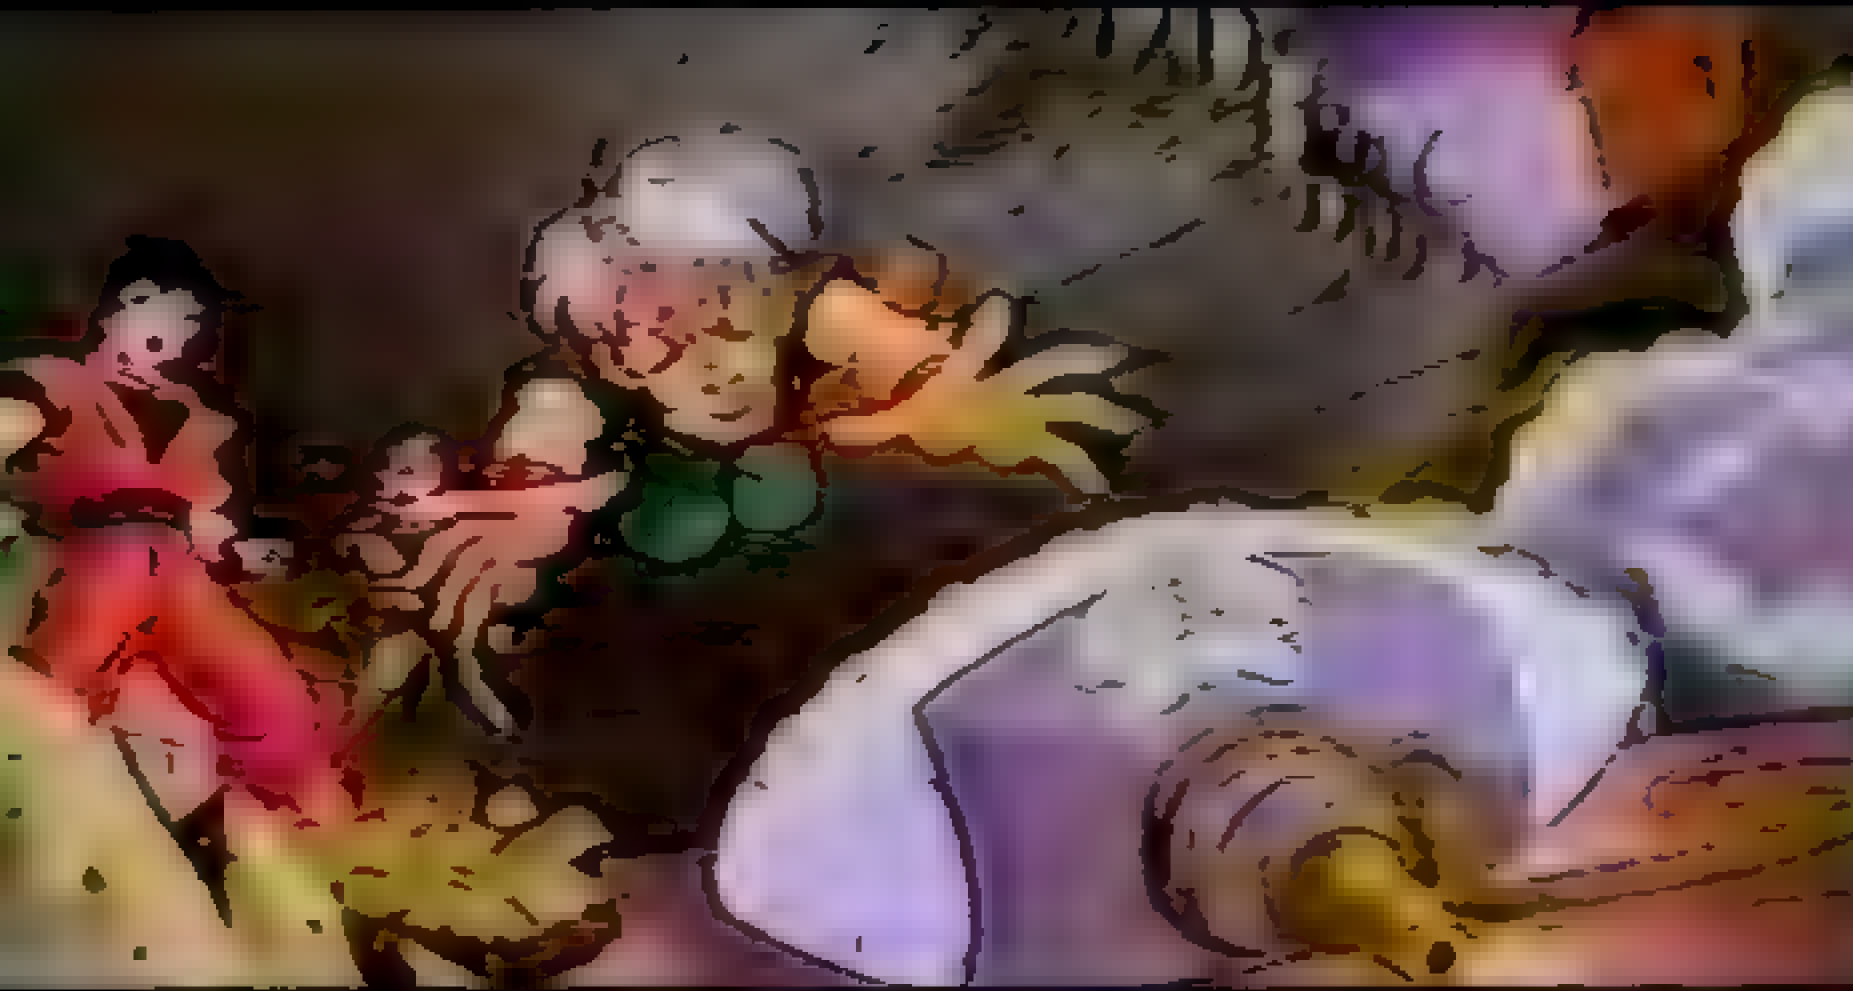

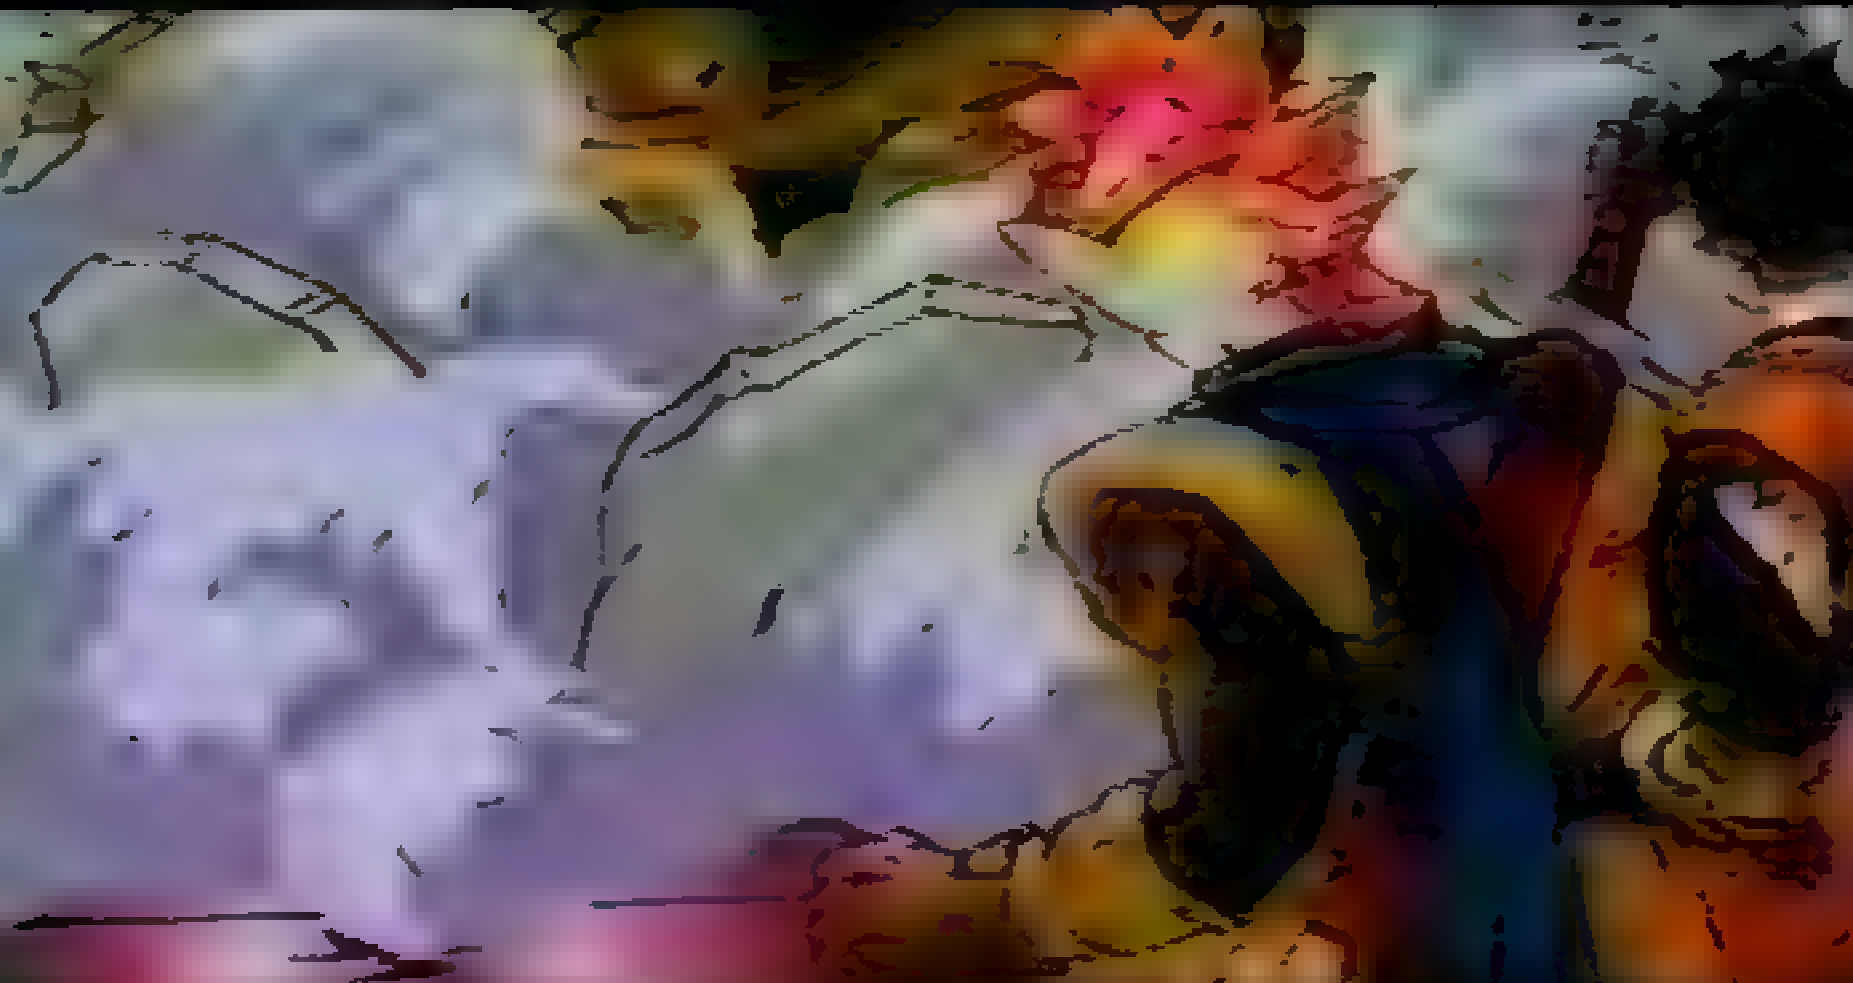

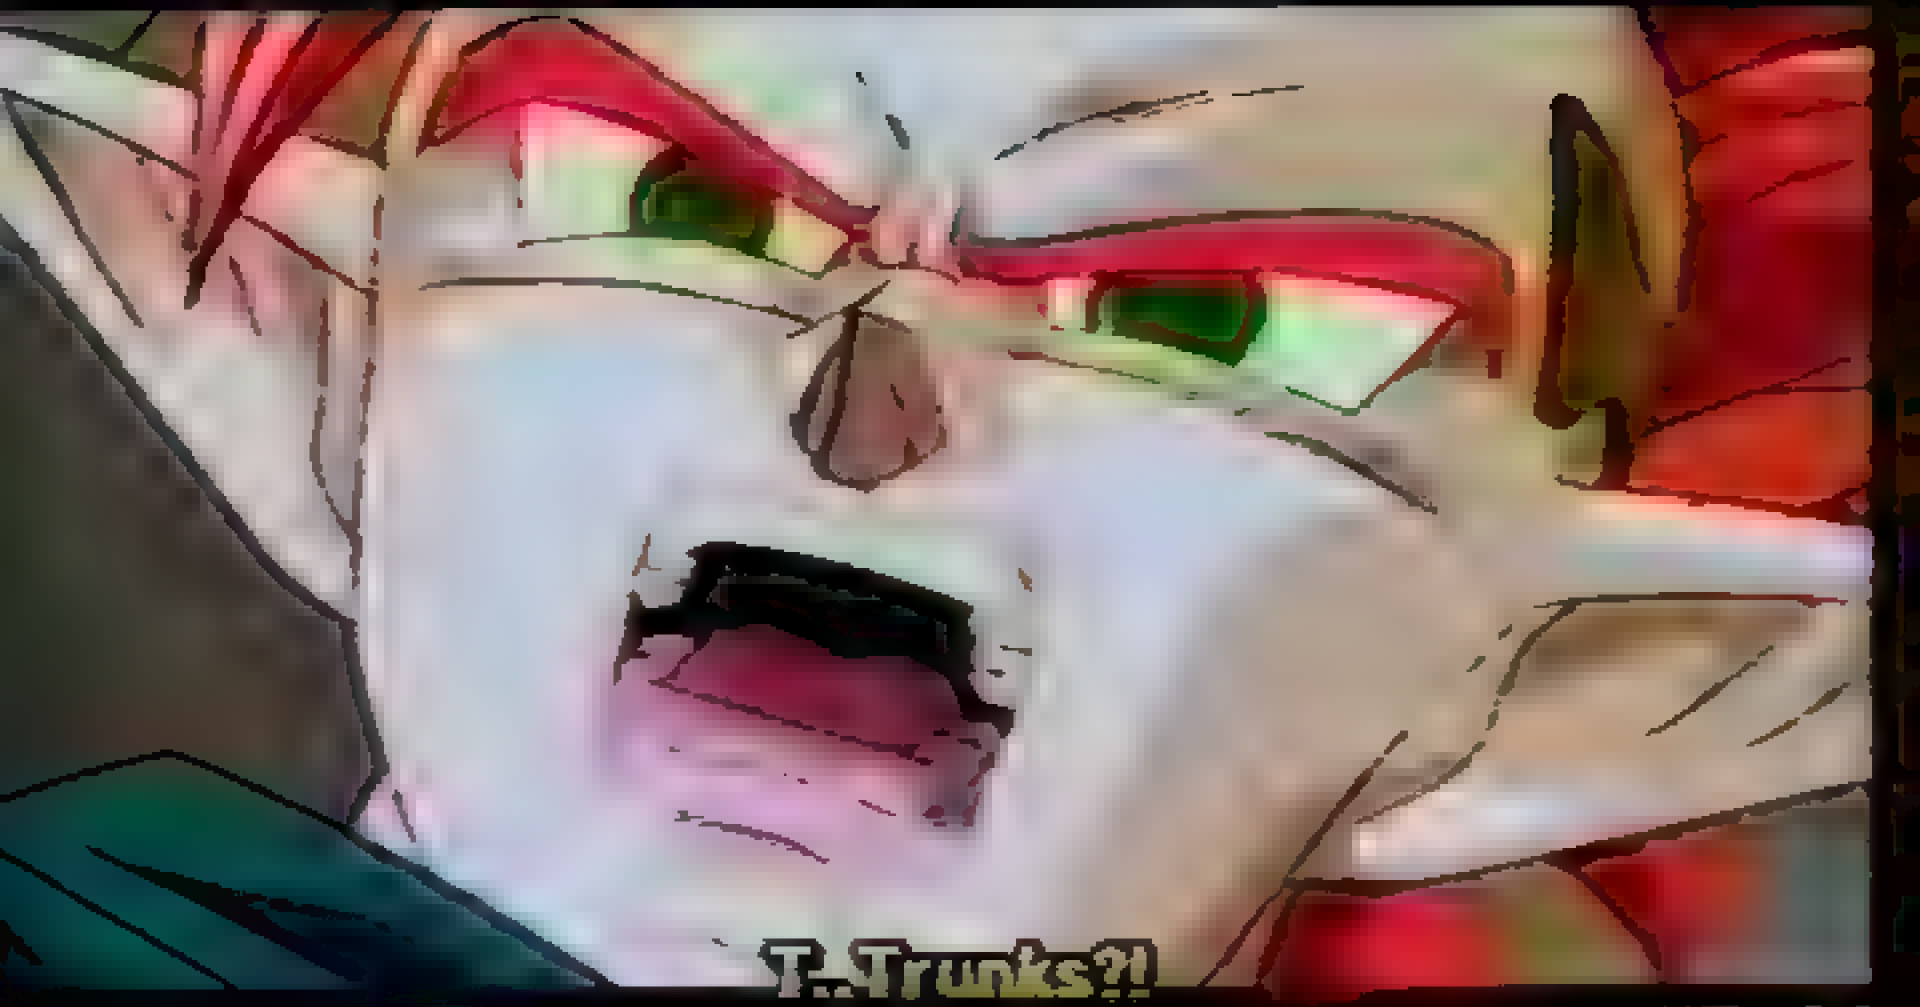

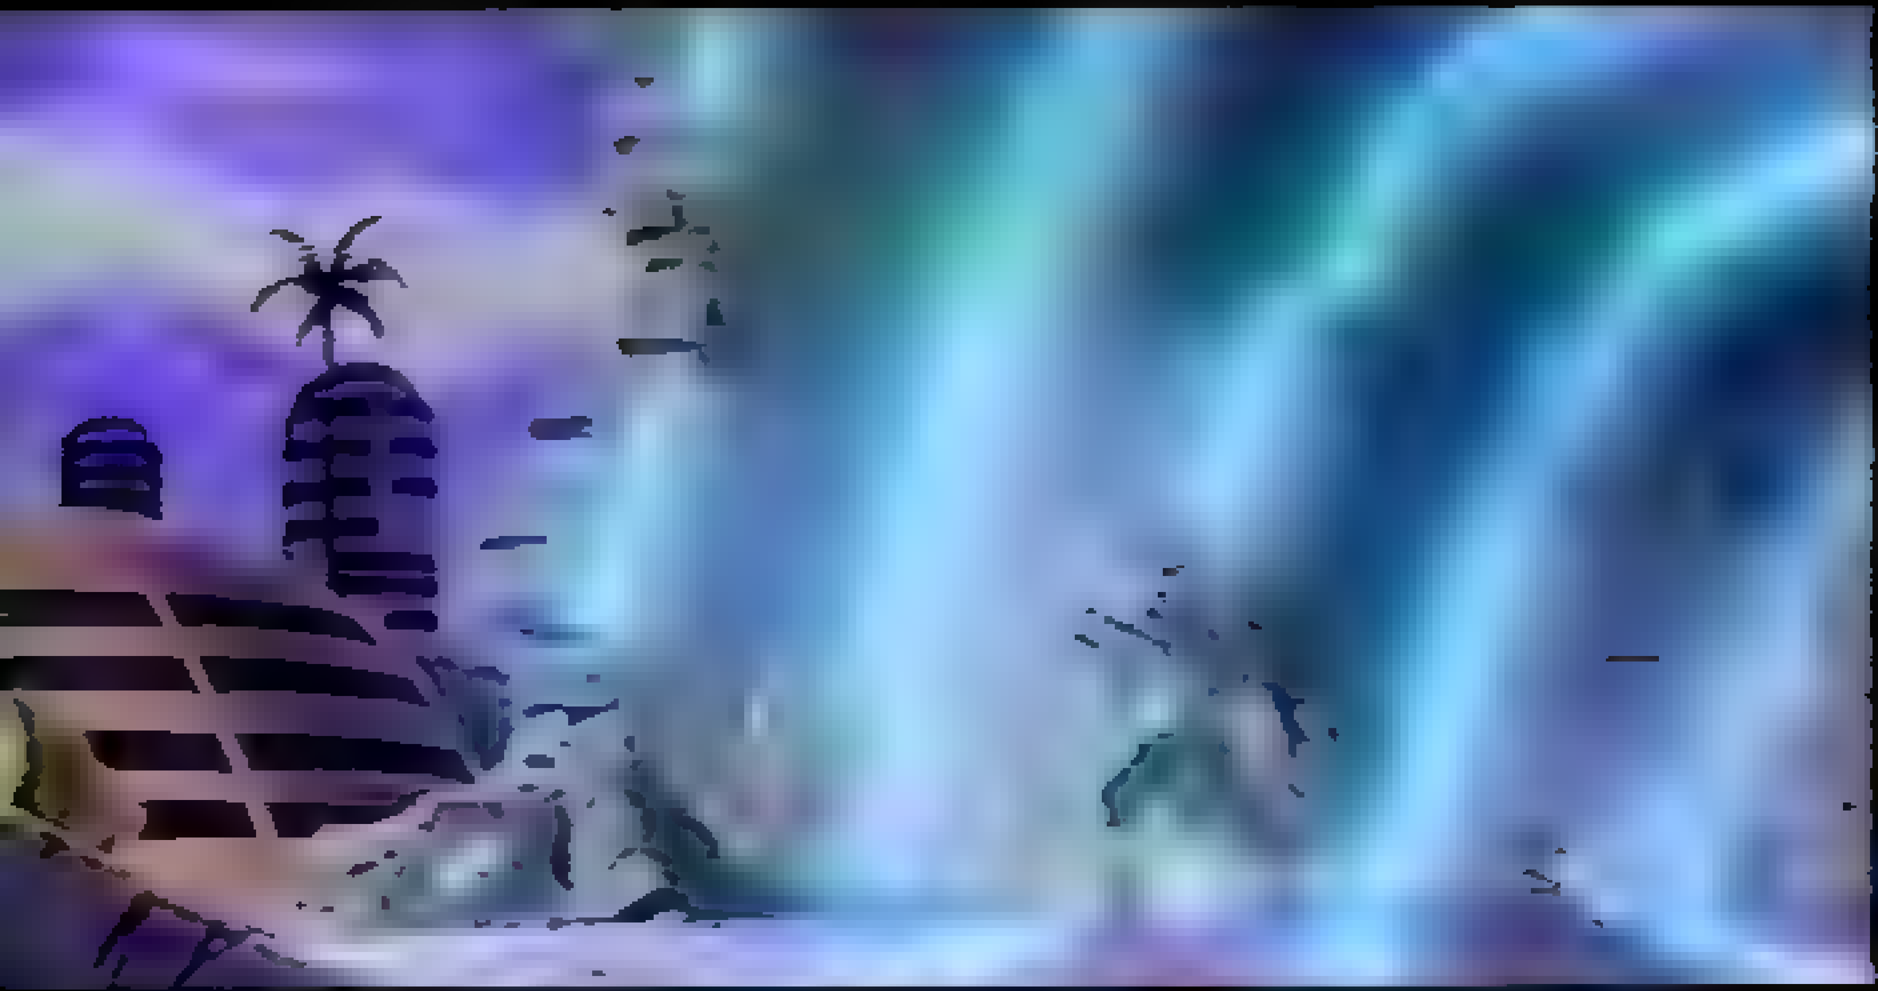

T..Trunks?!

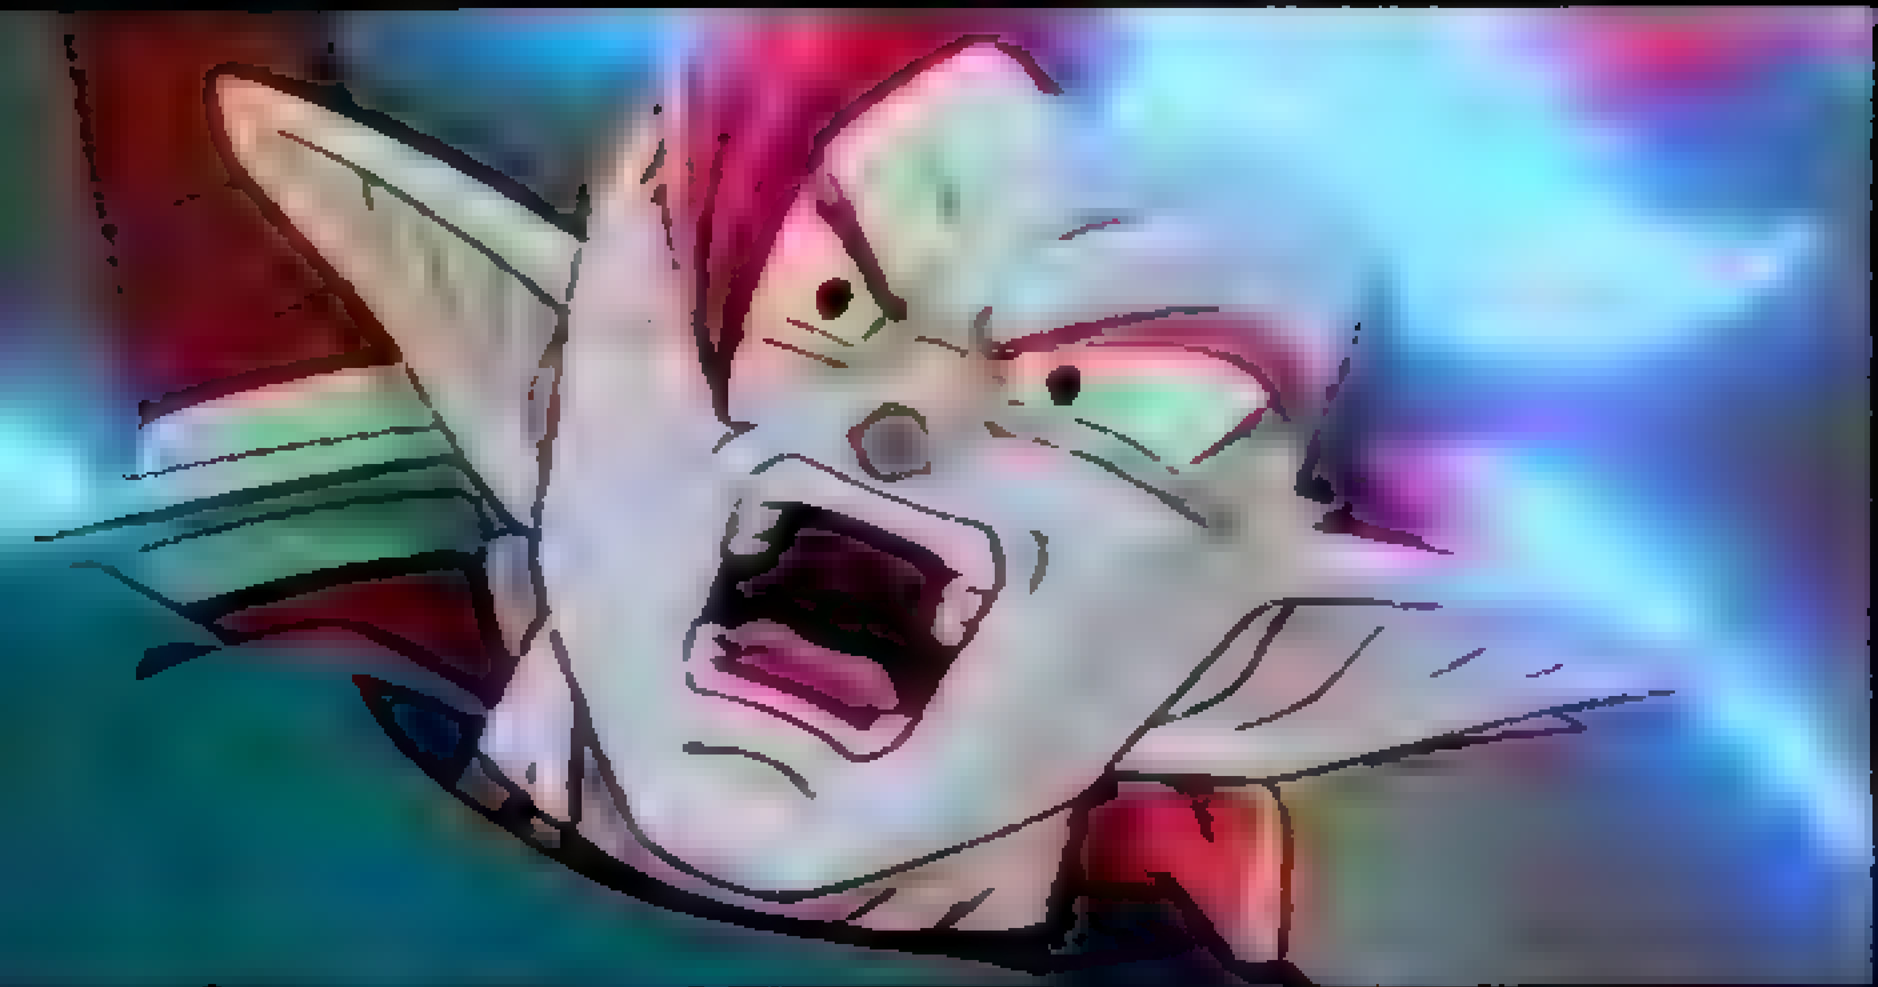

Brother, play it!

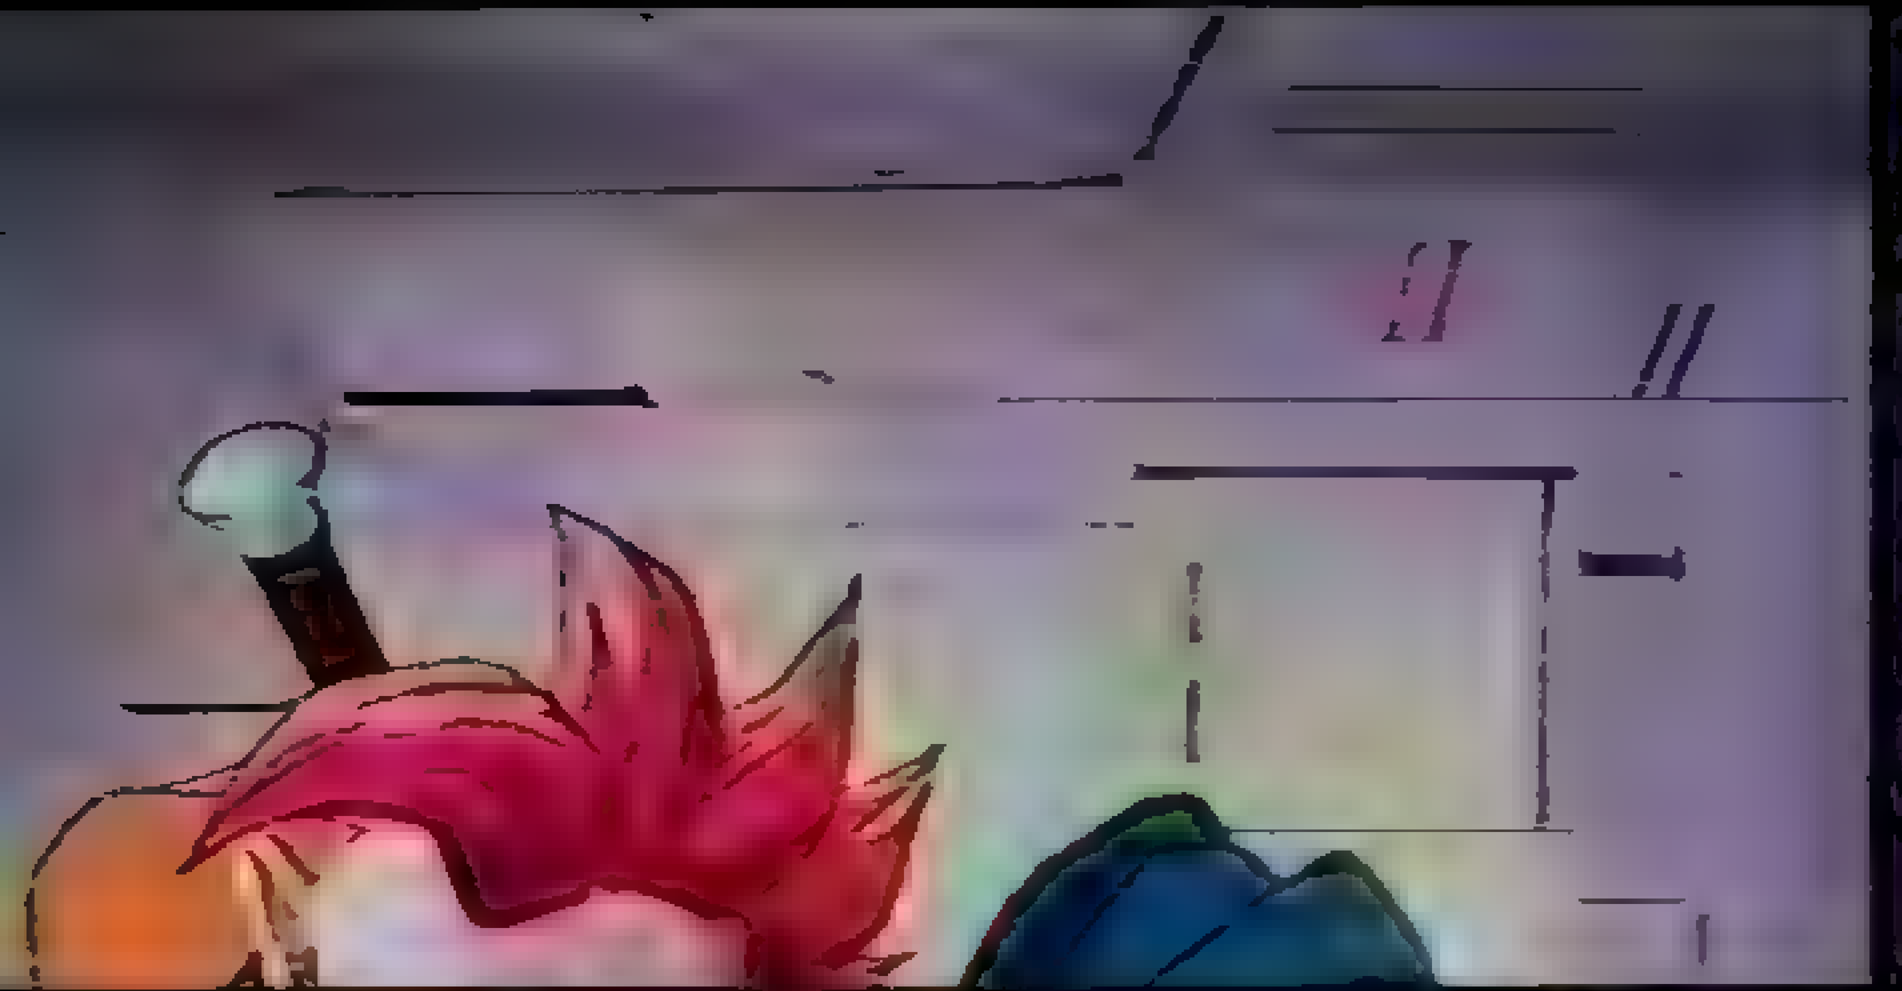

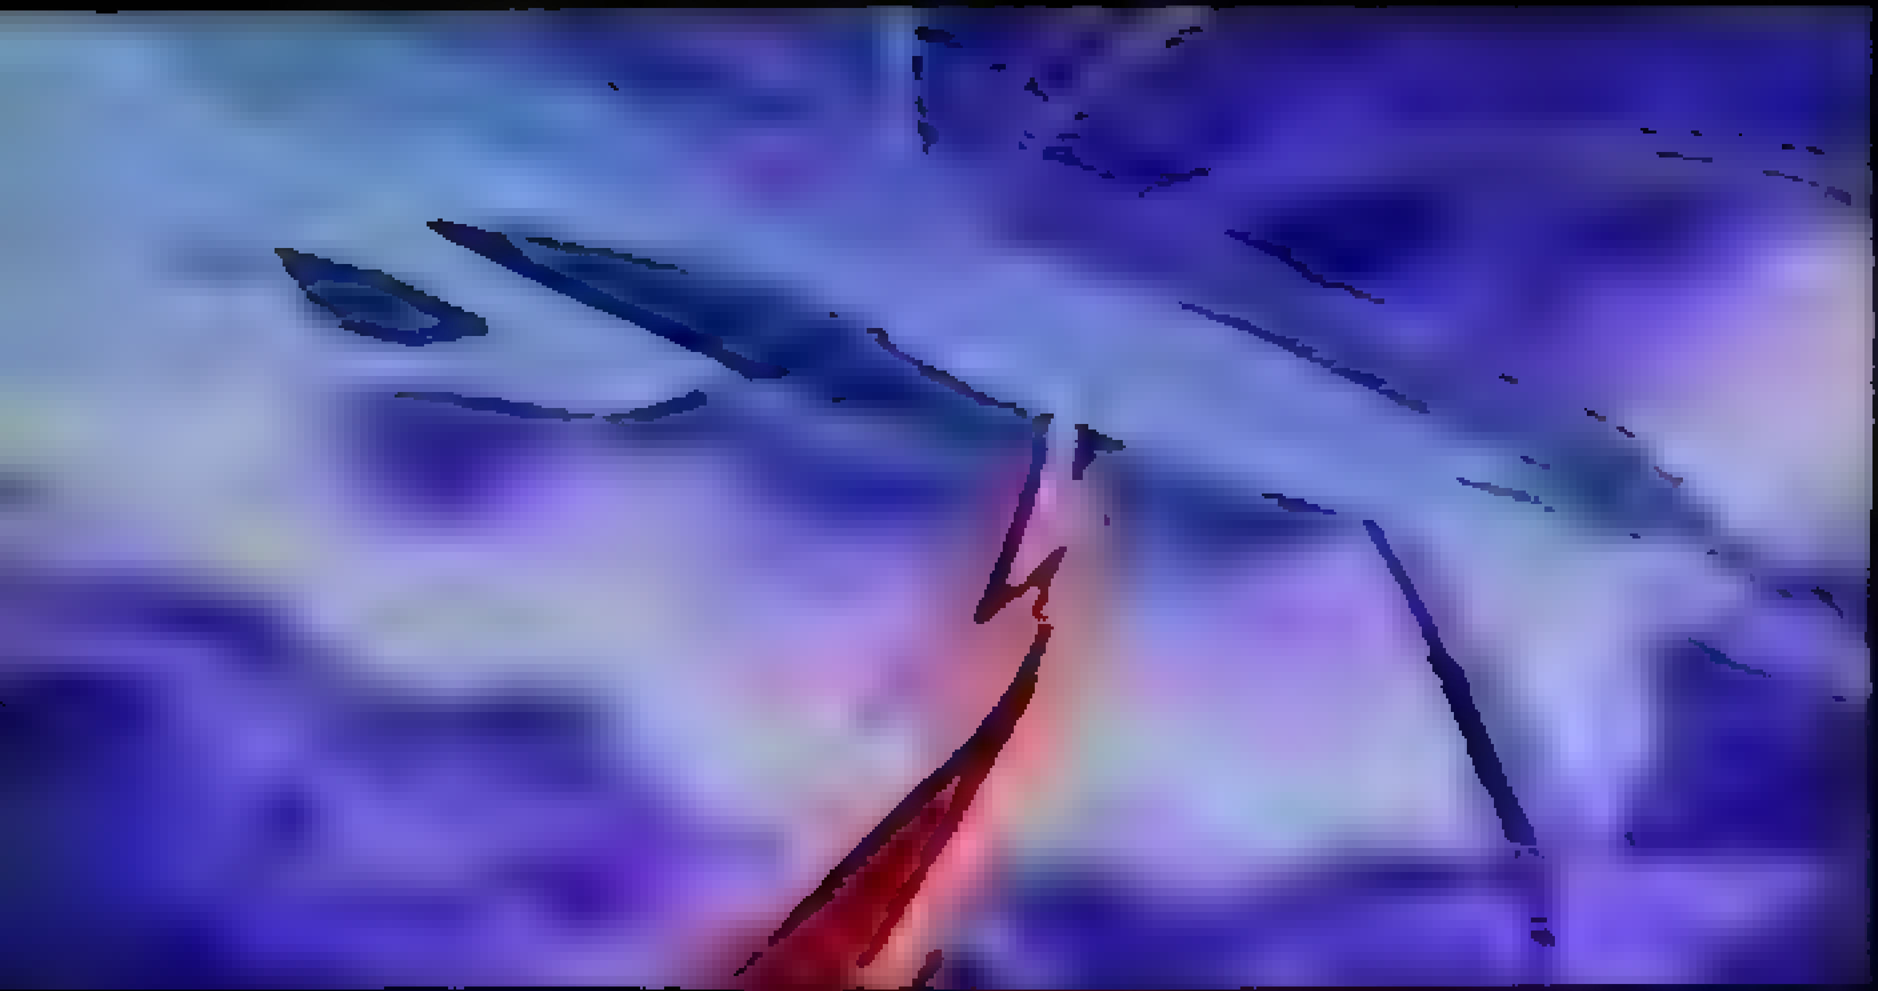

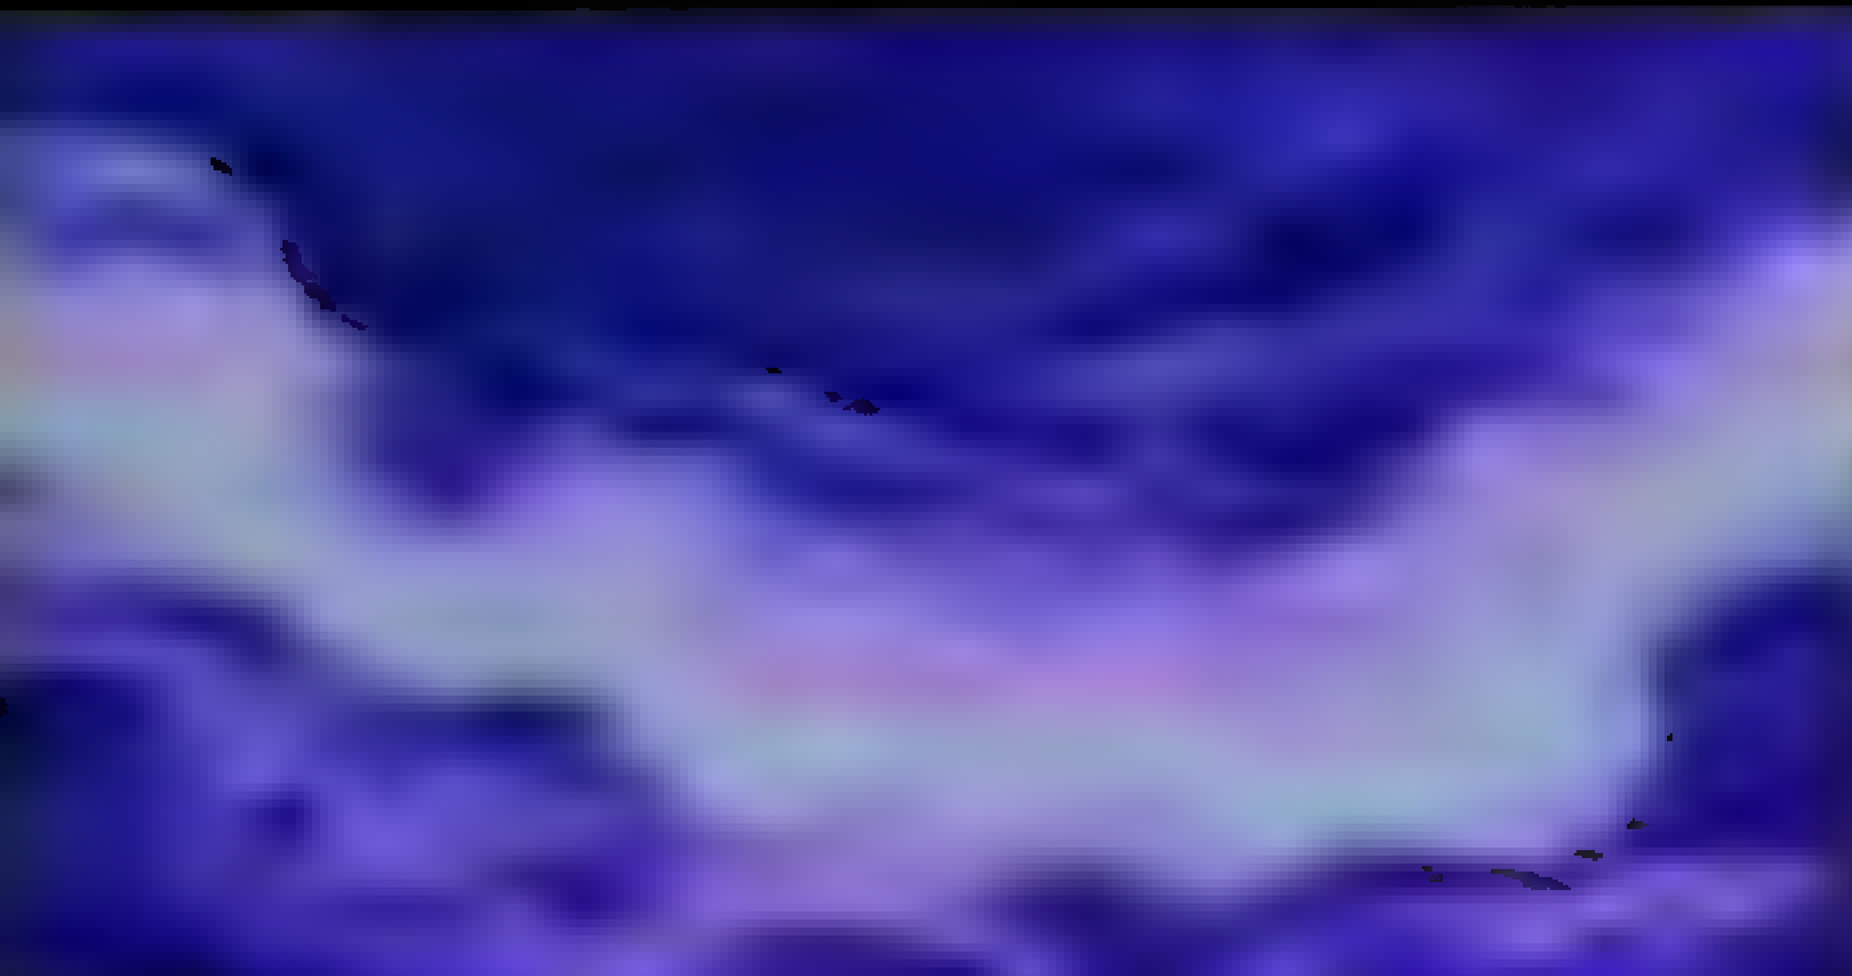

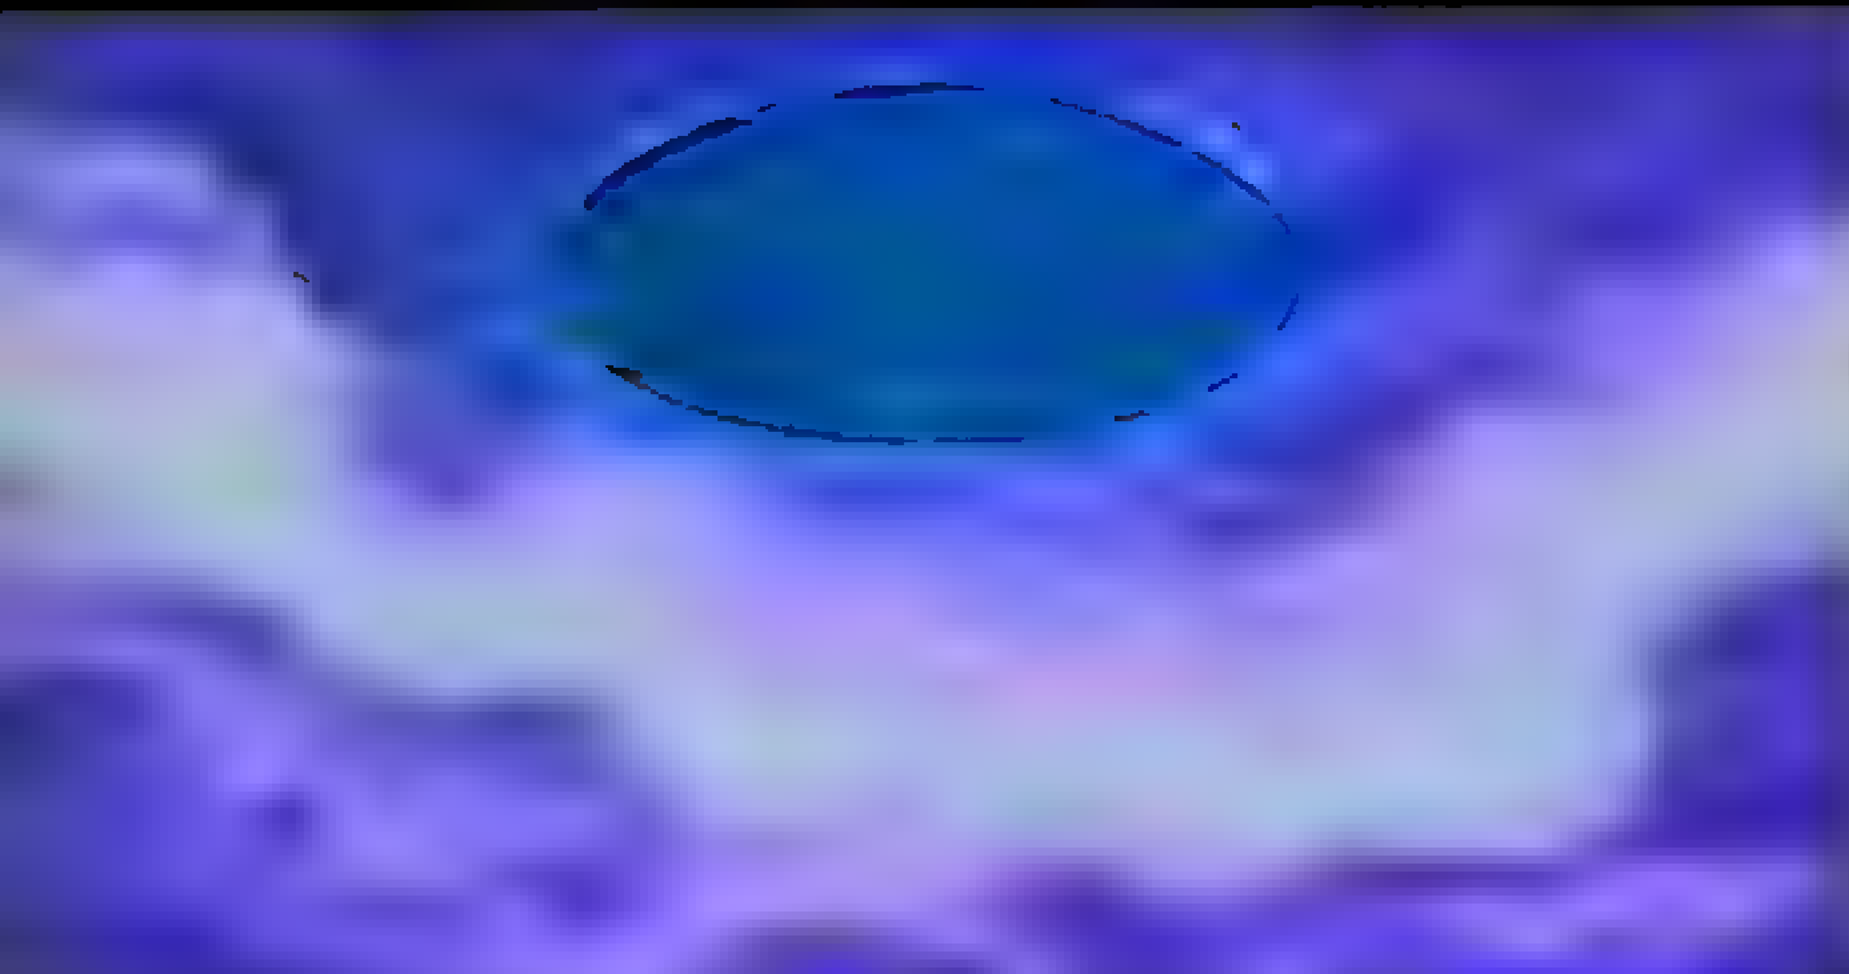

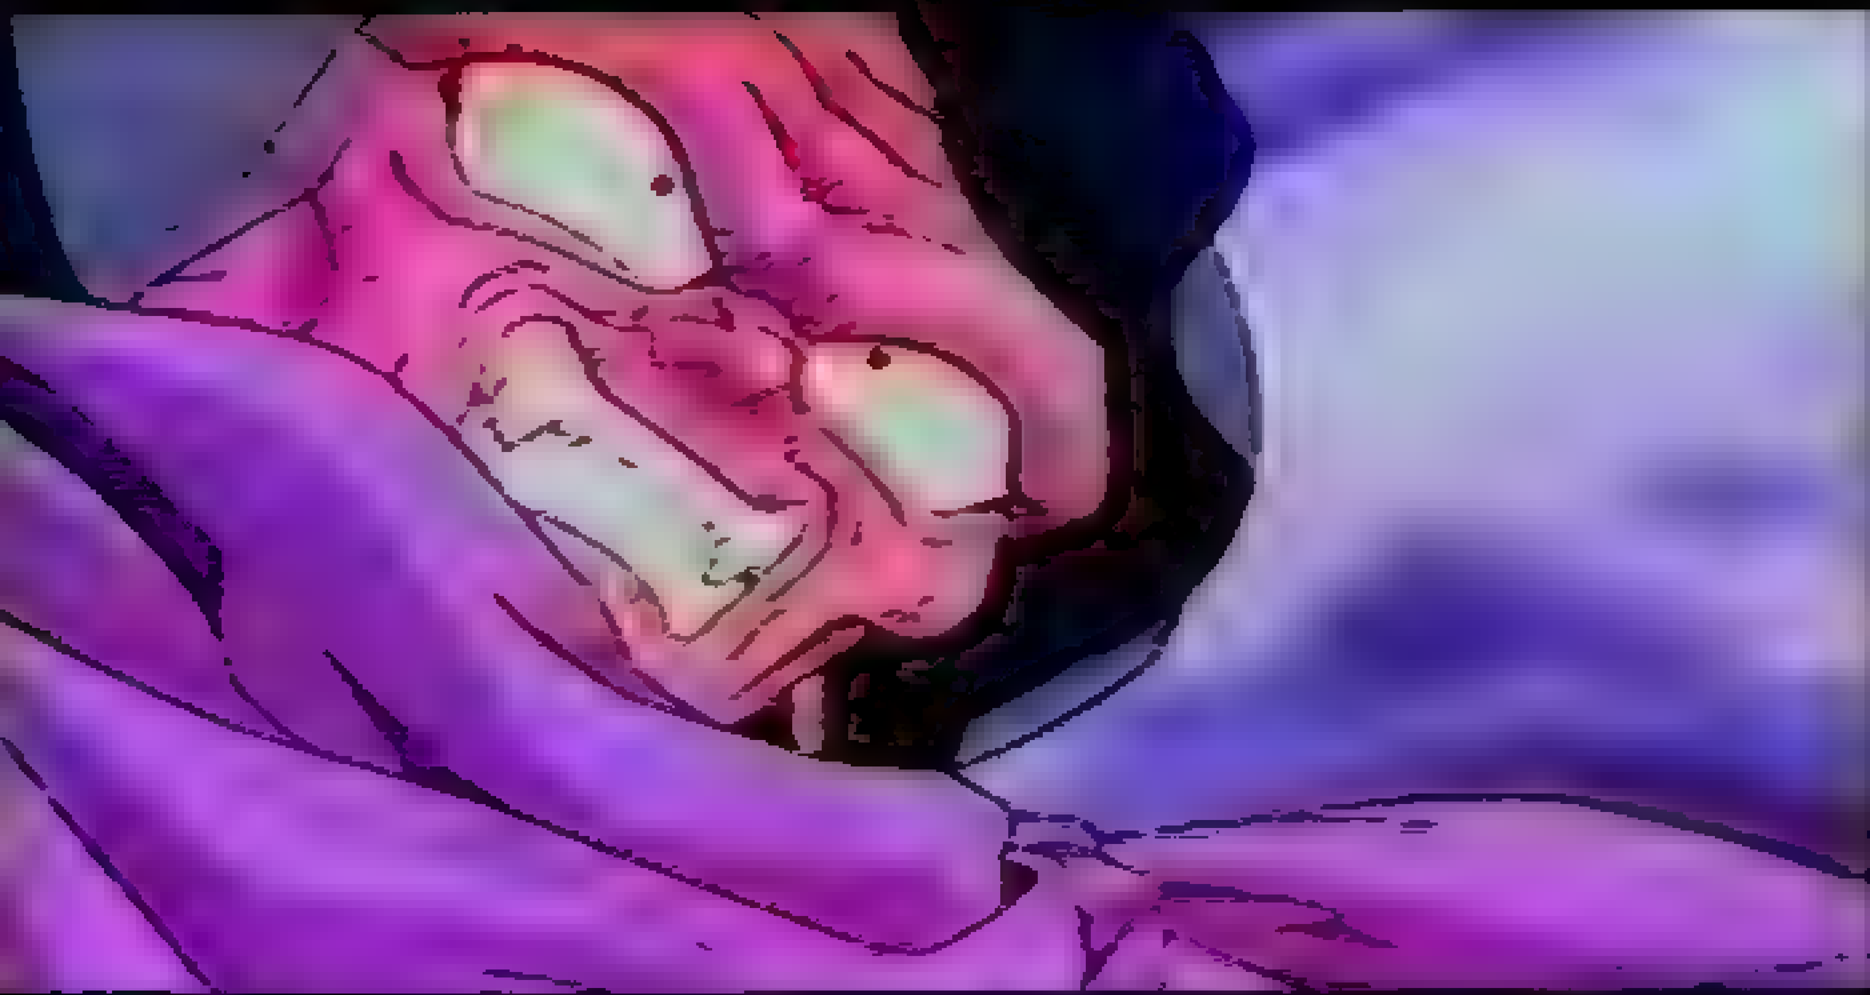

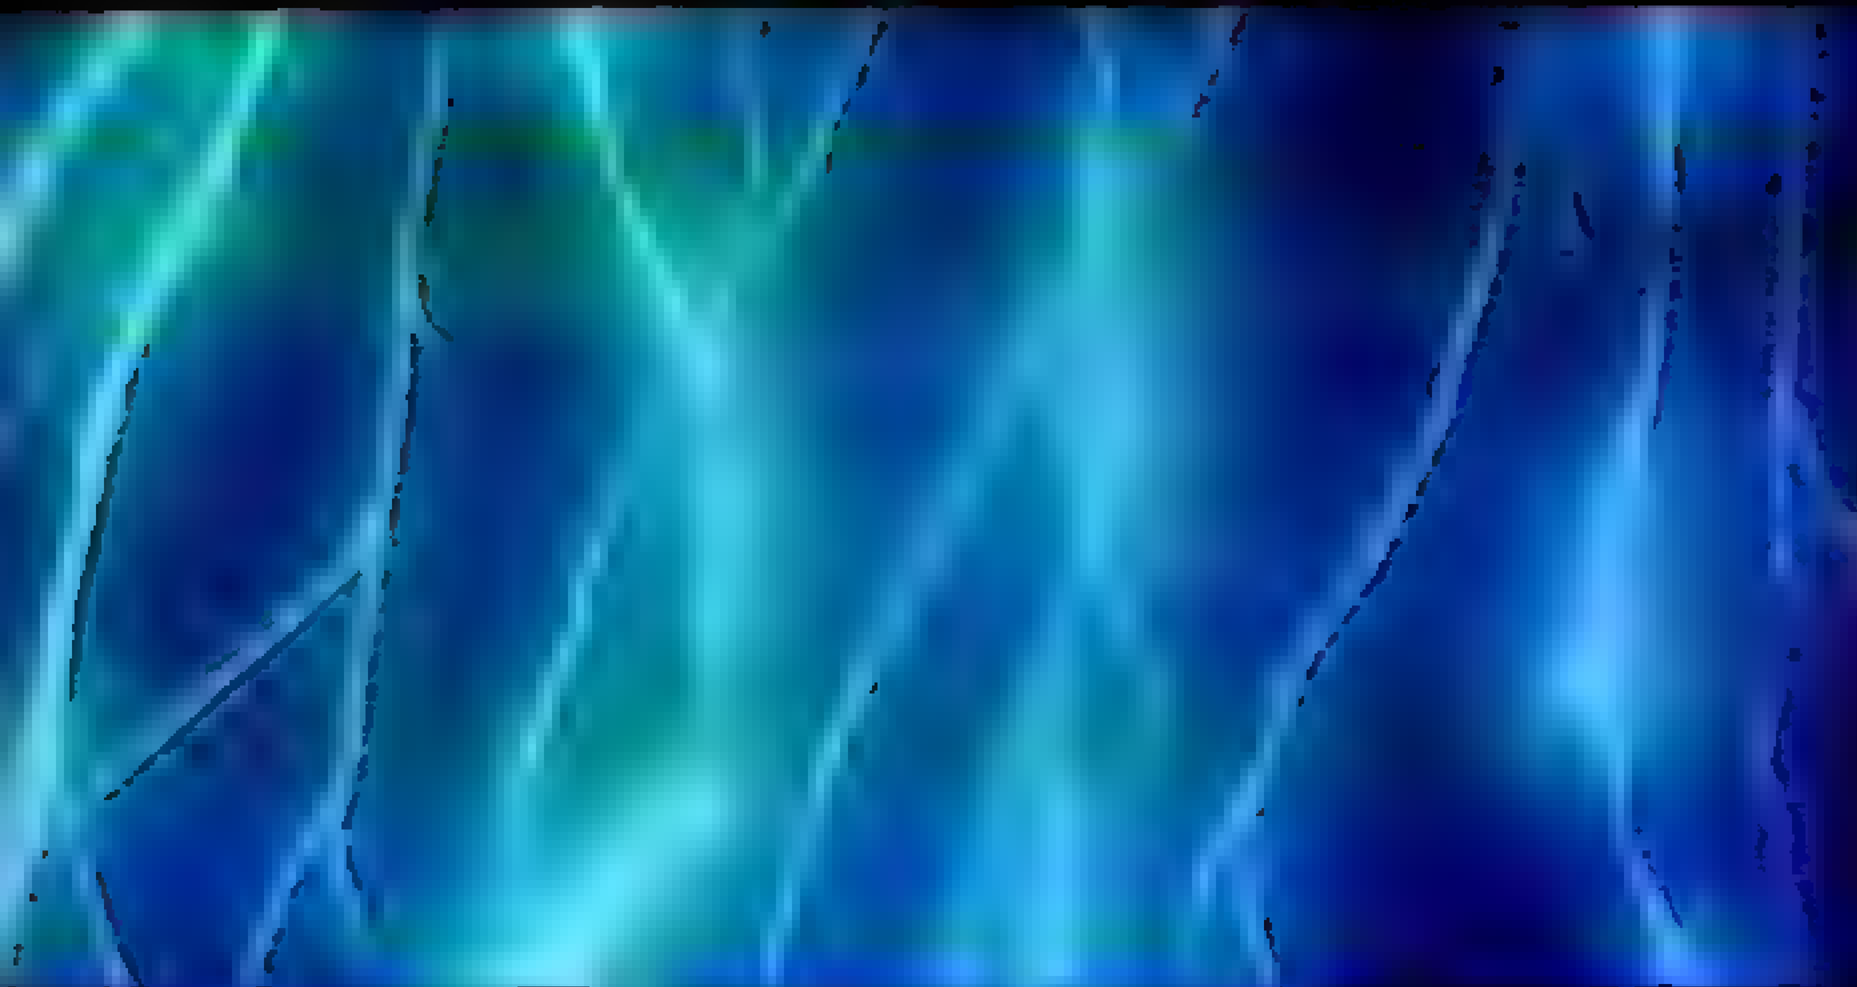

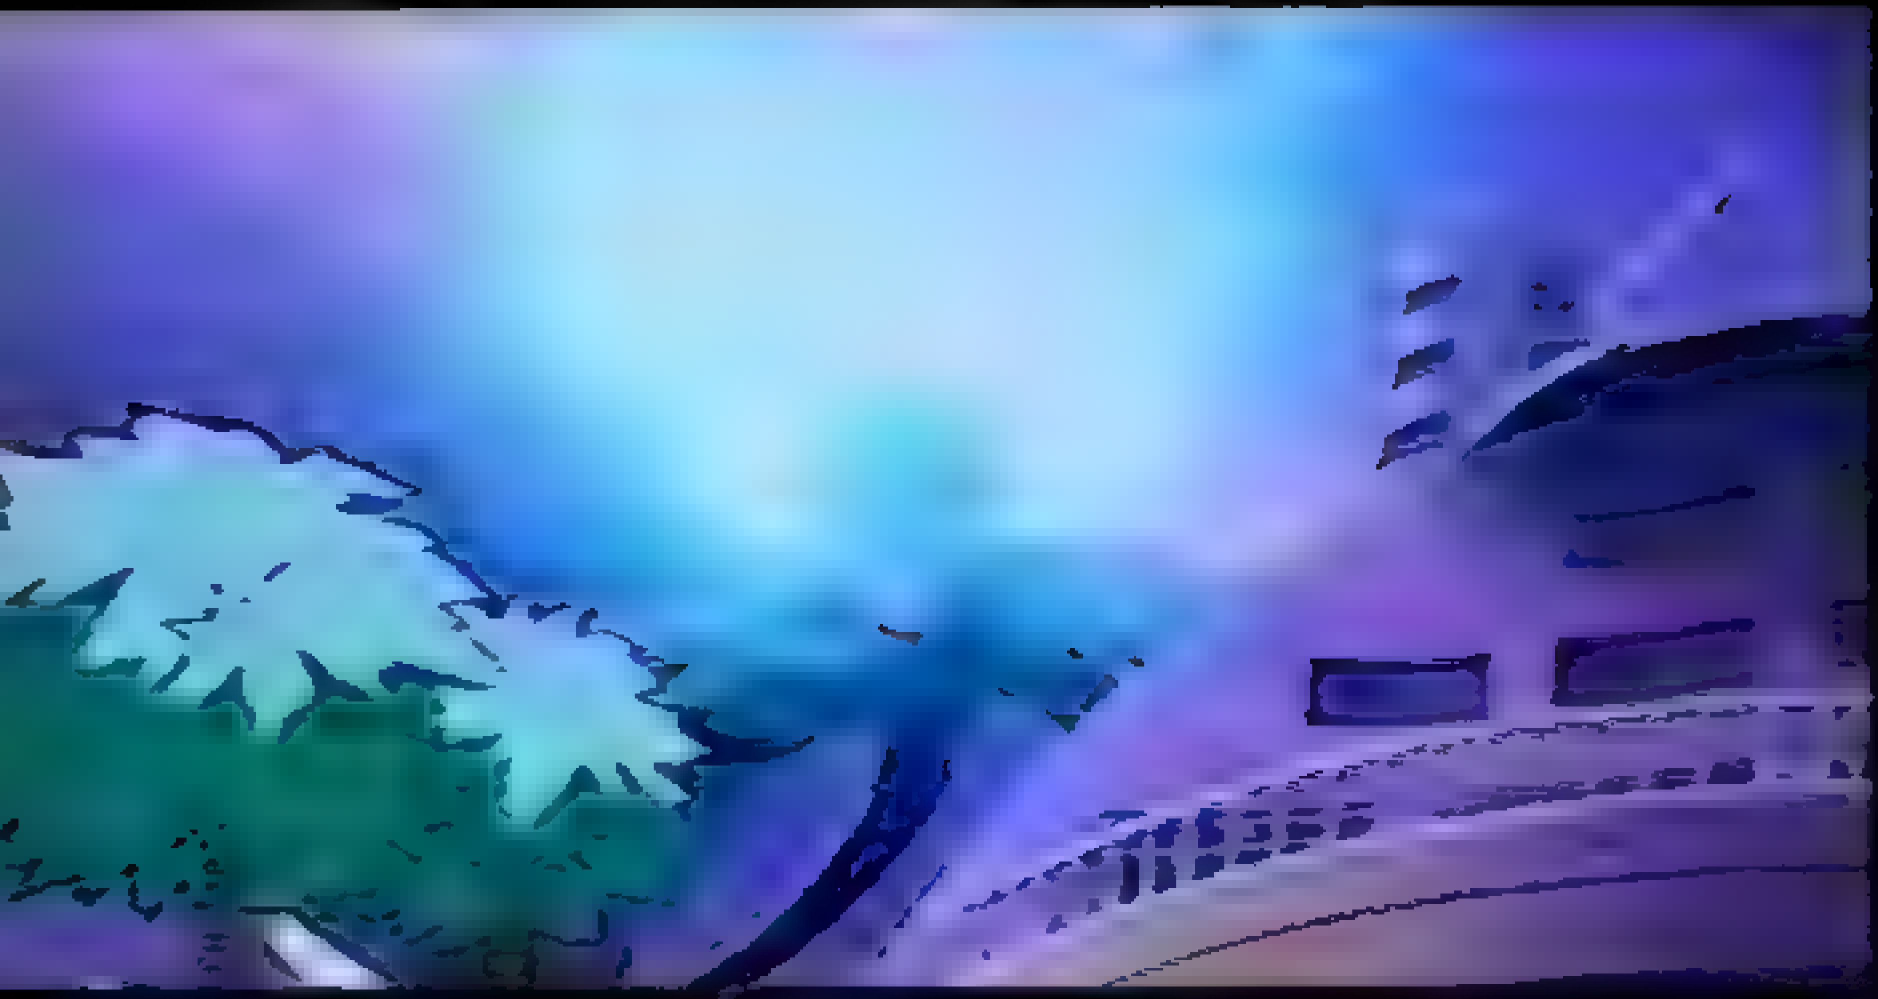

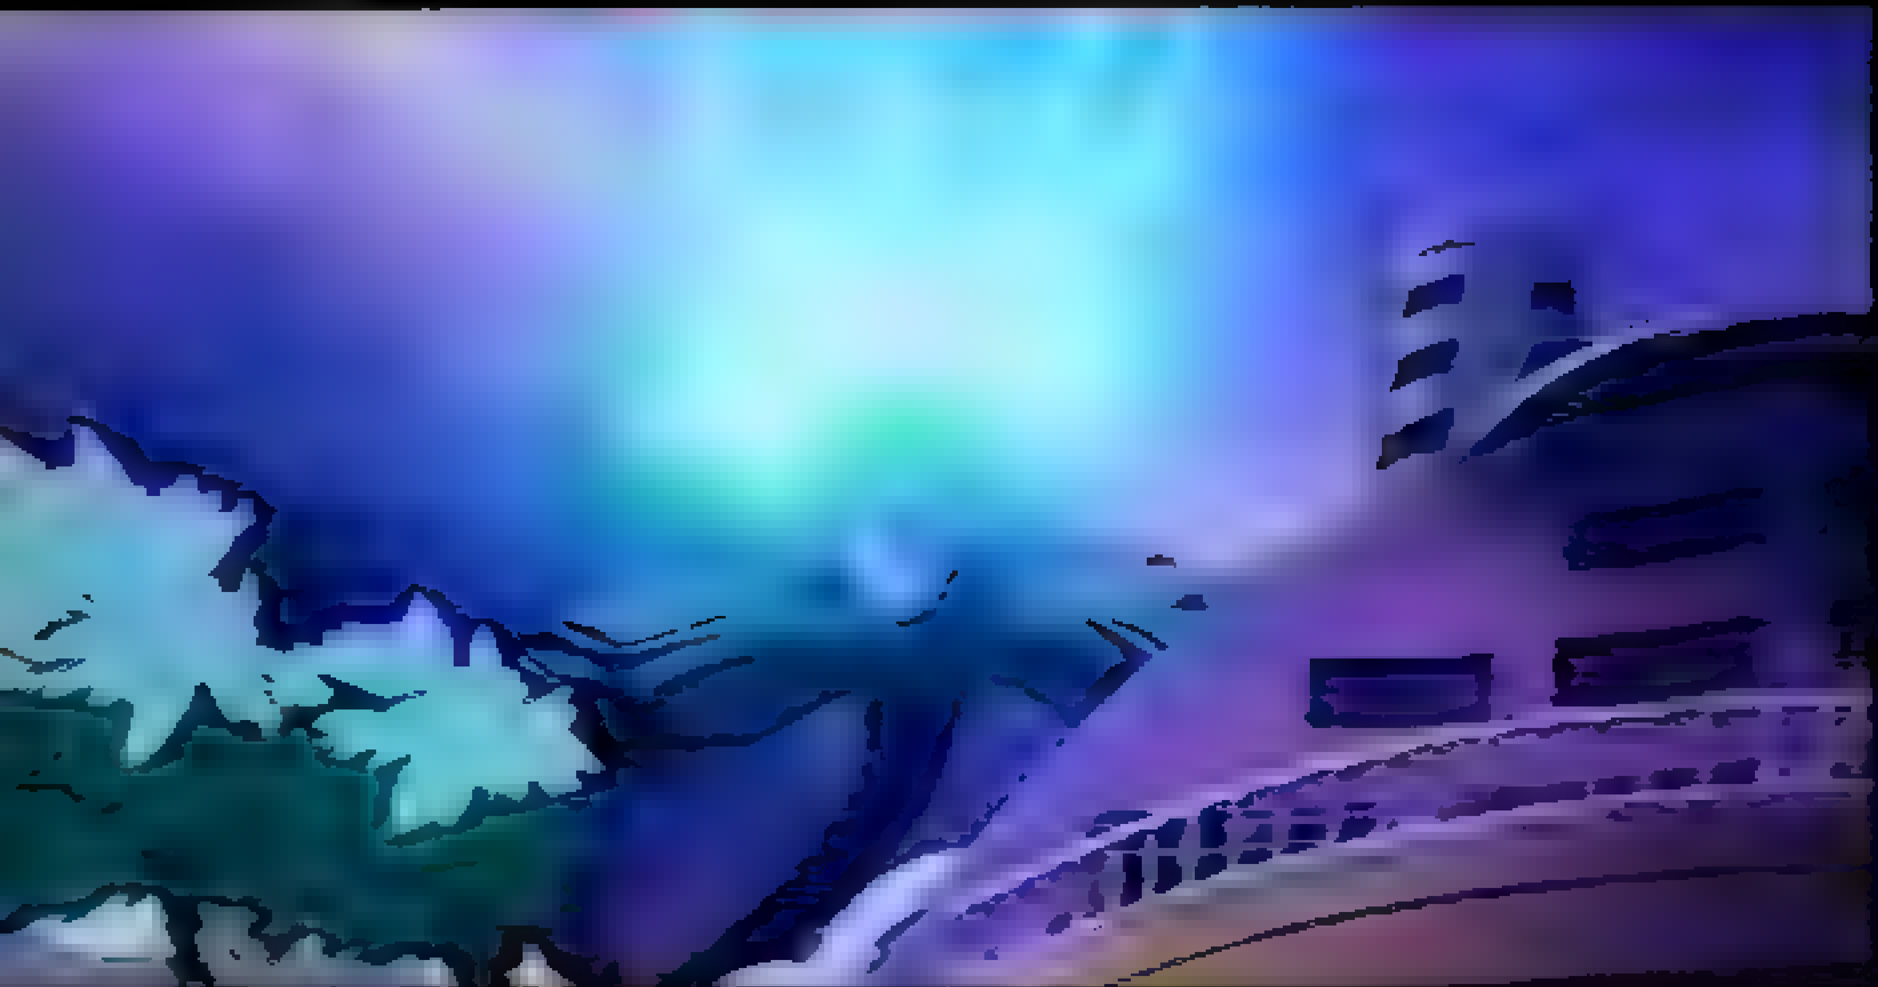

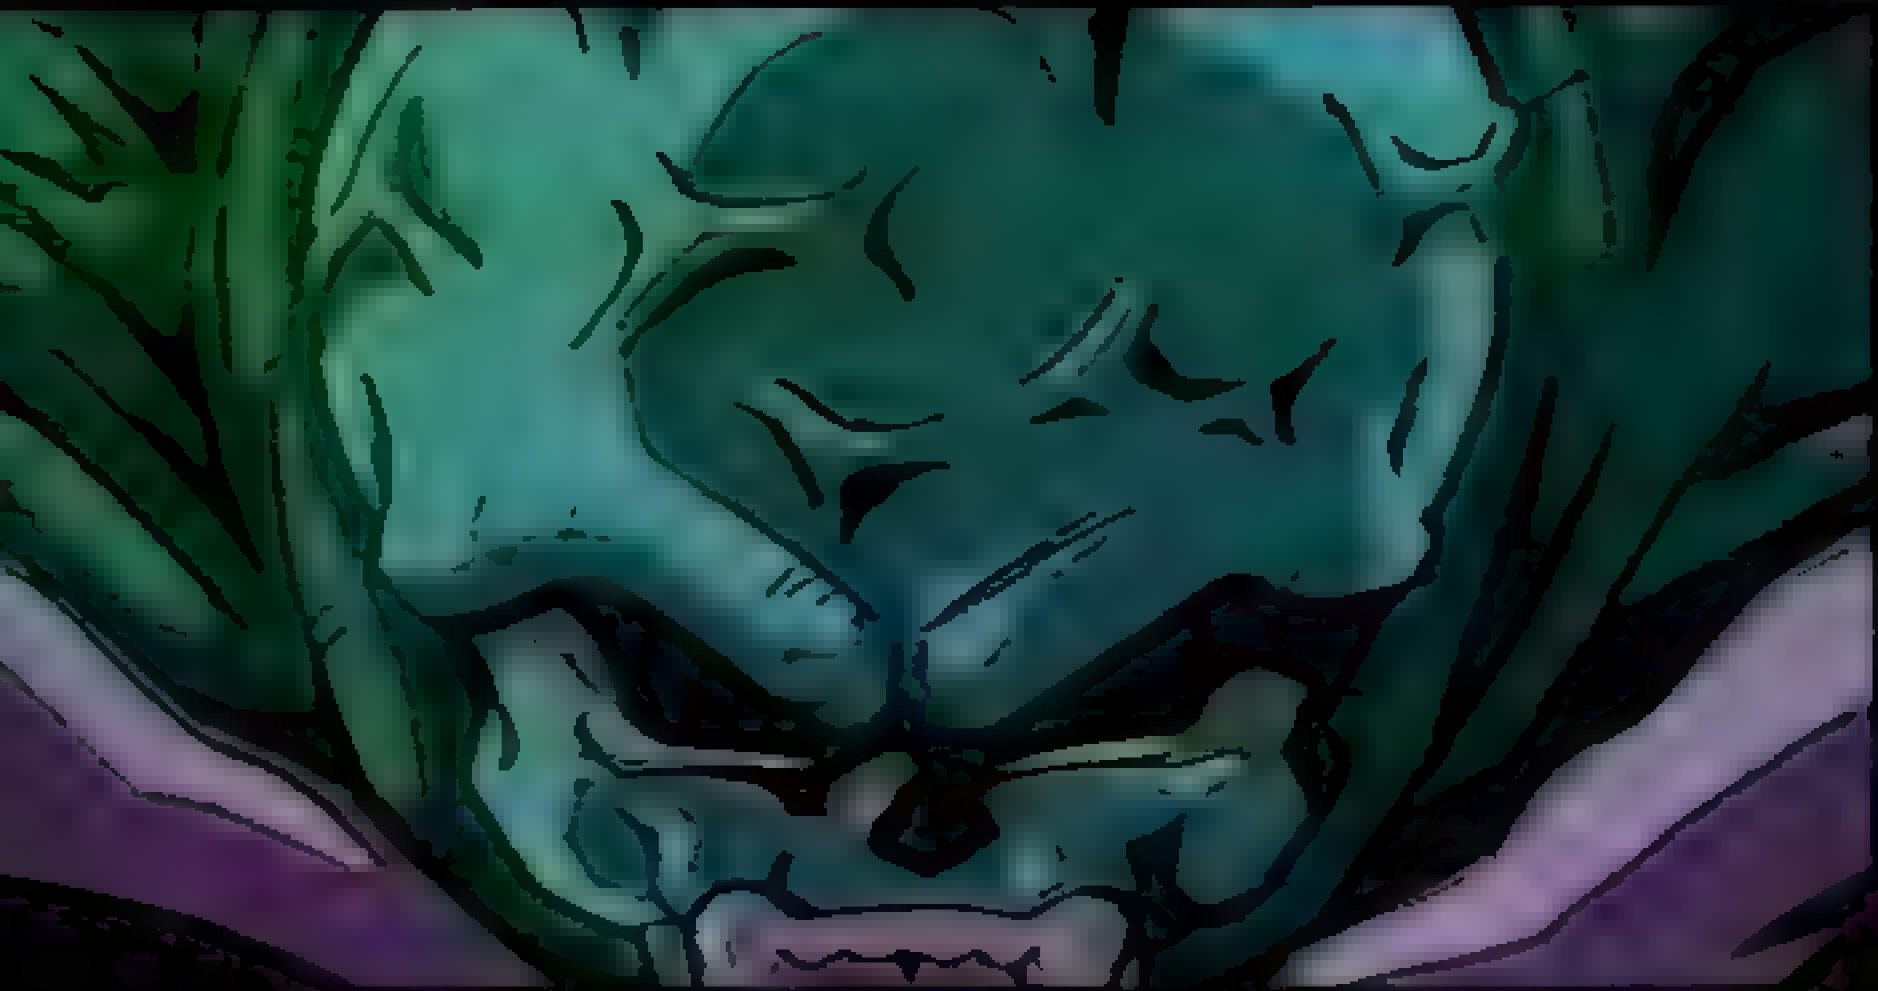

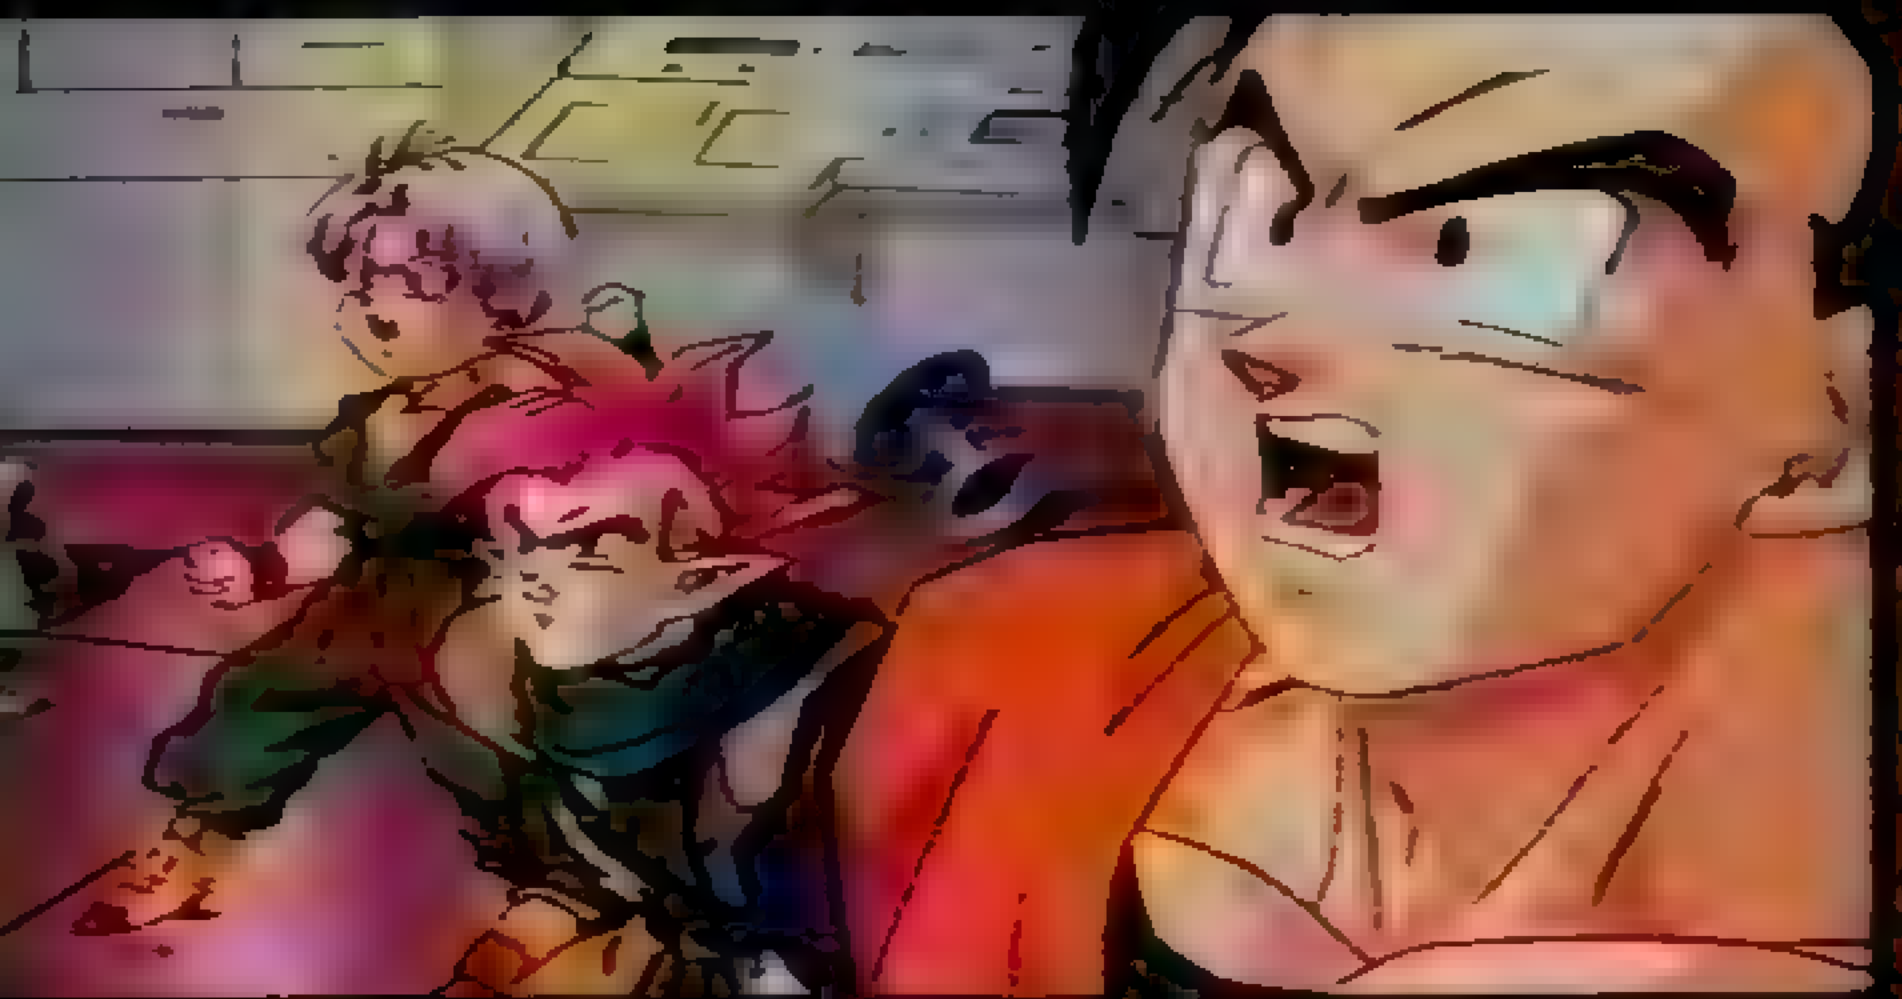

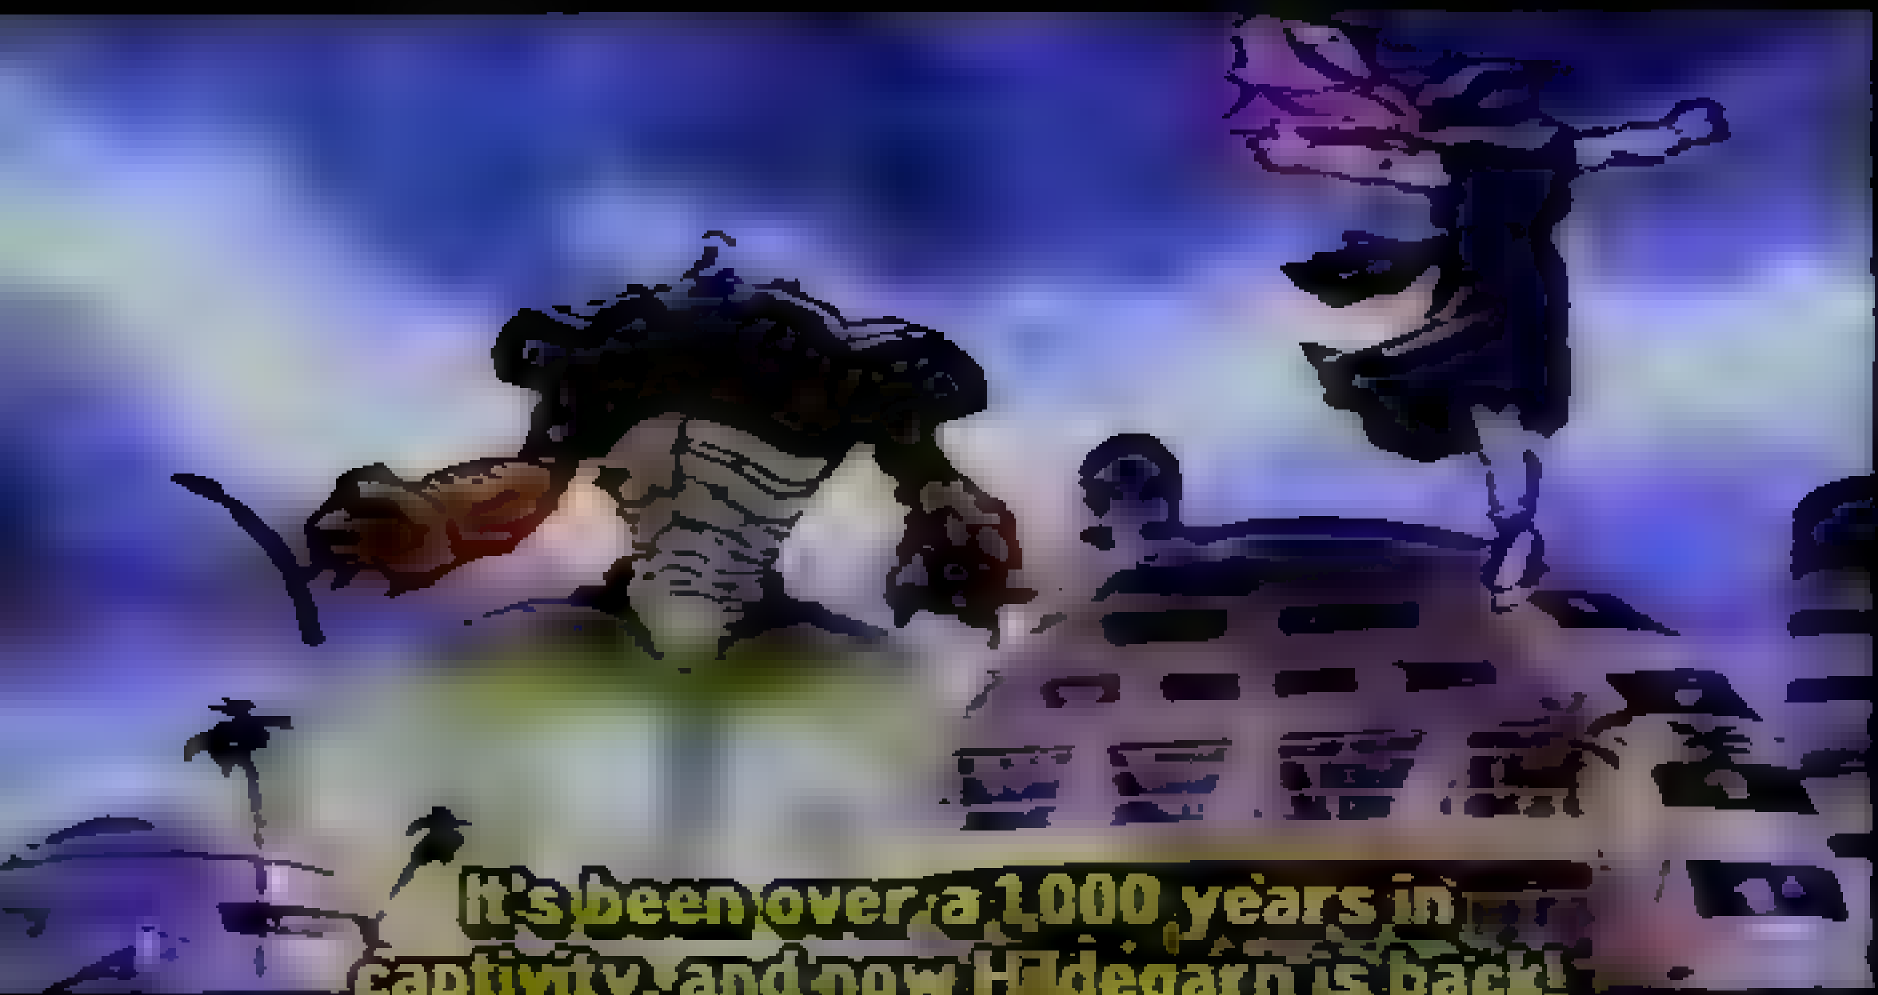

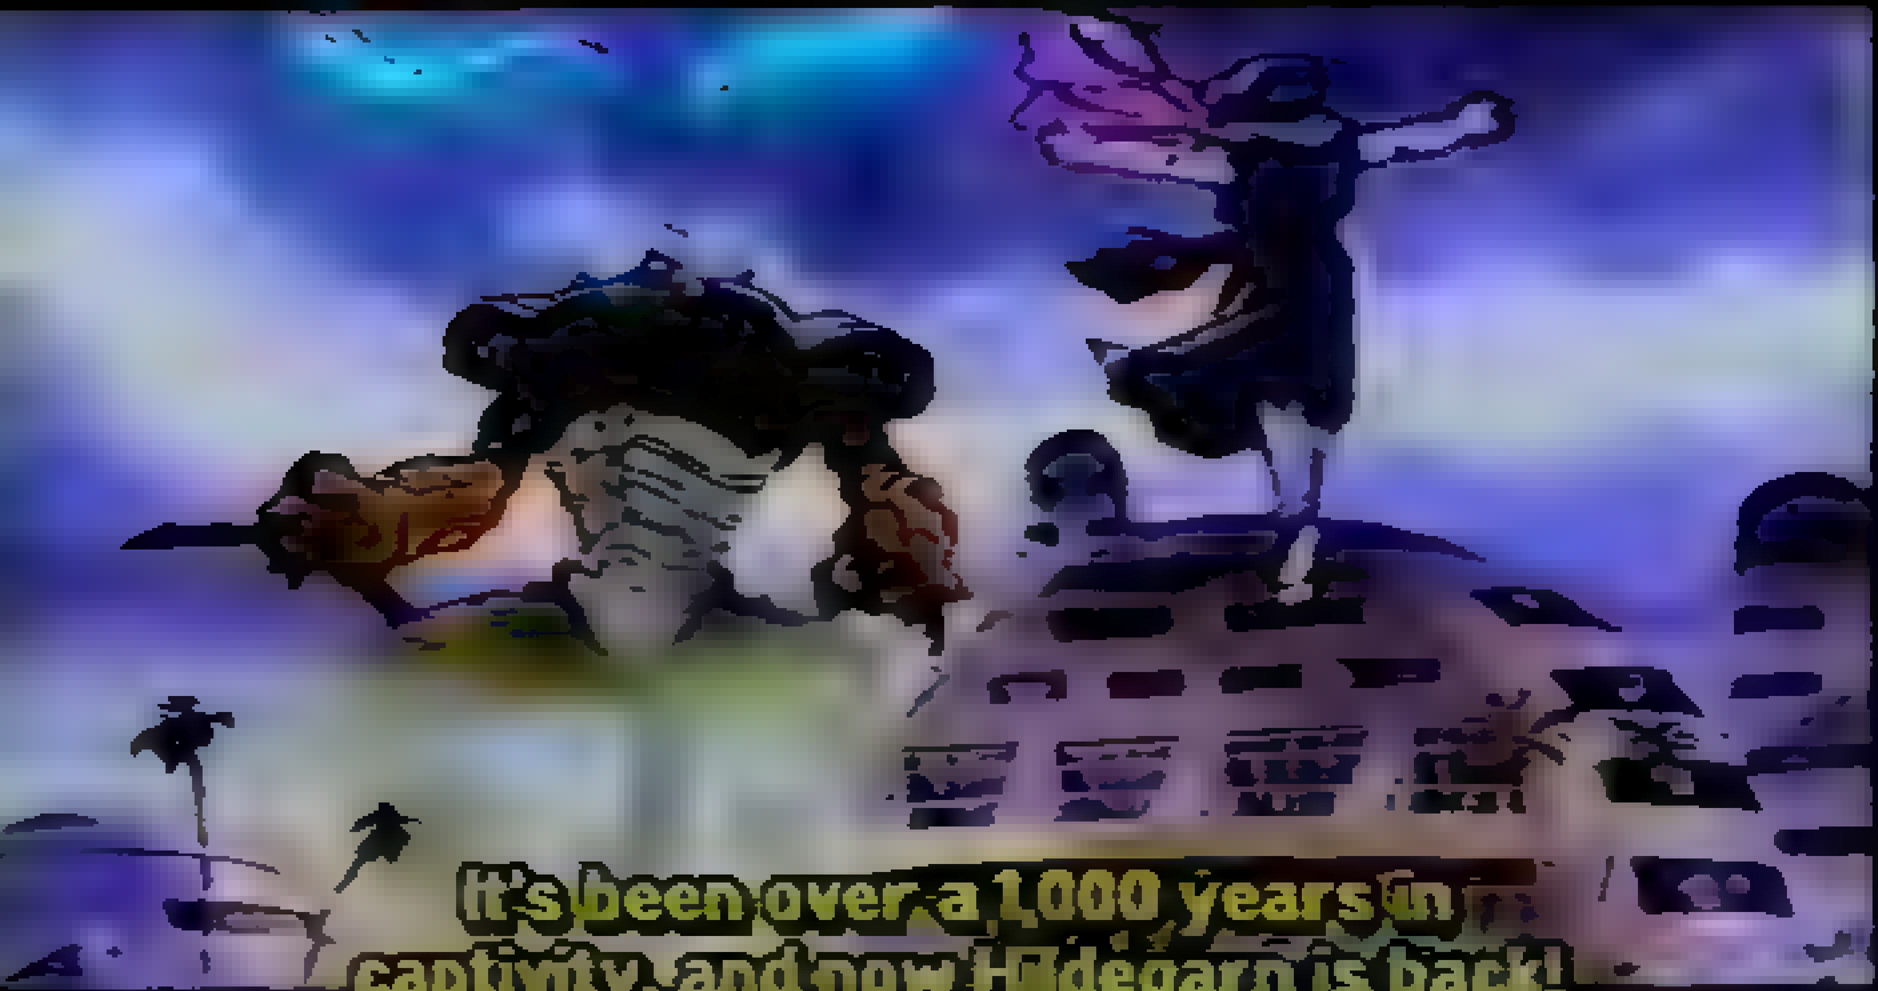

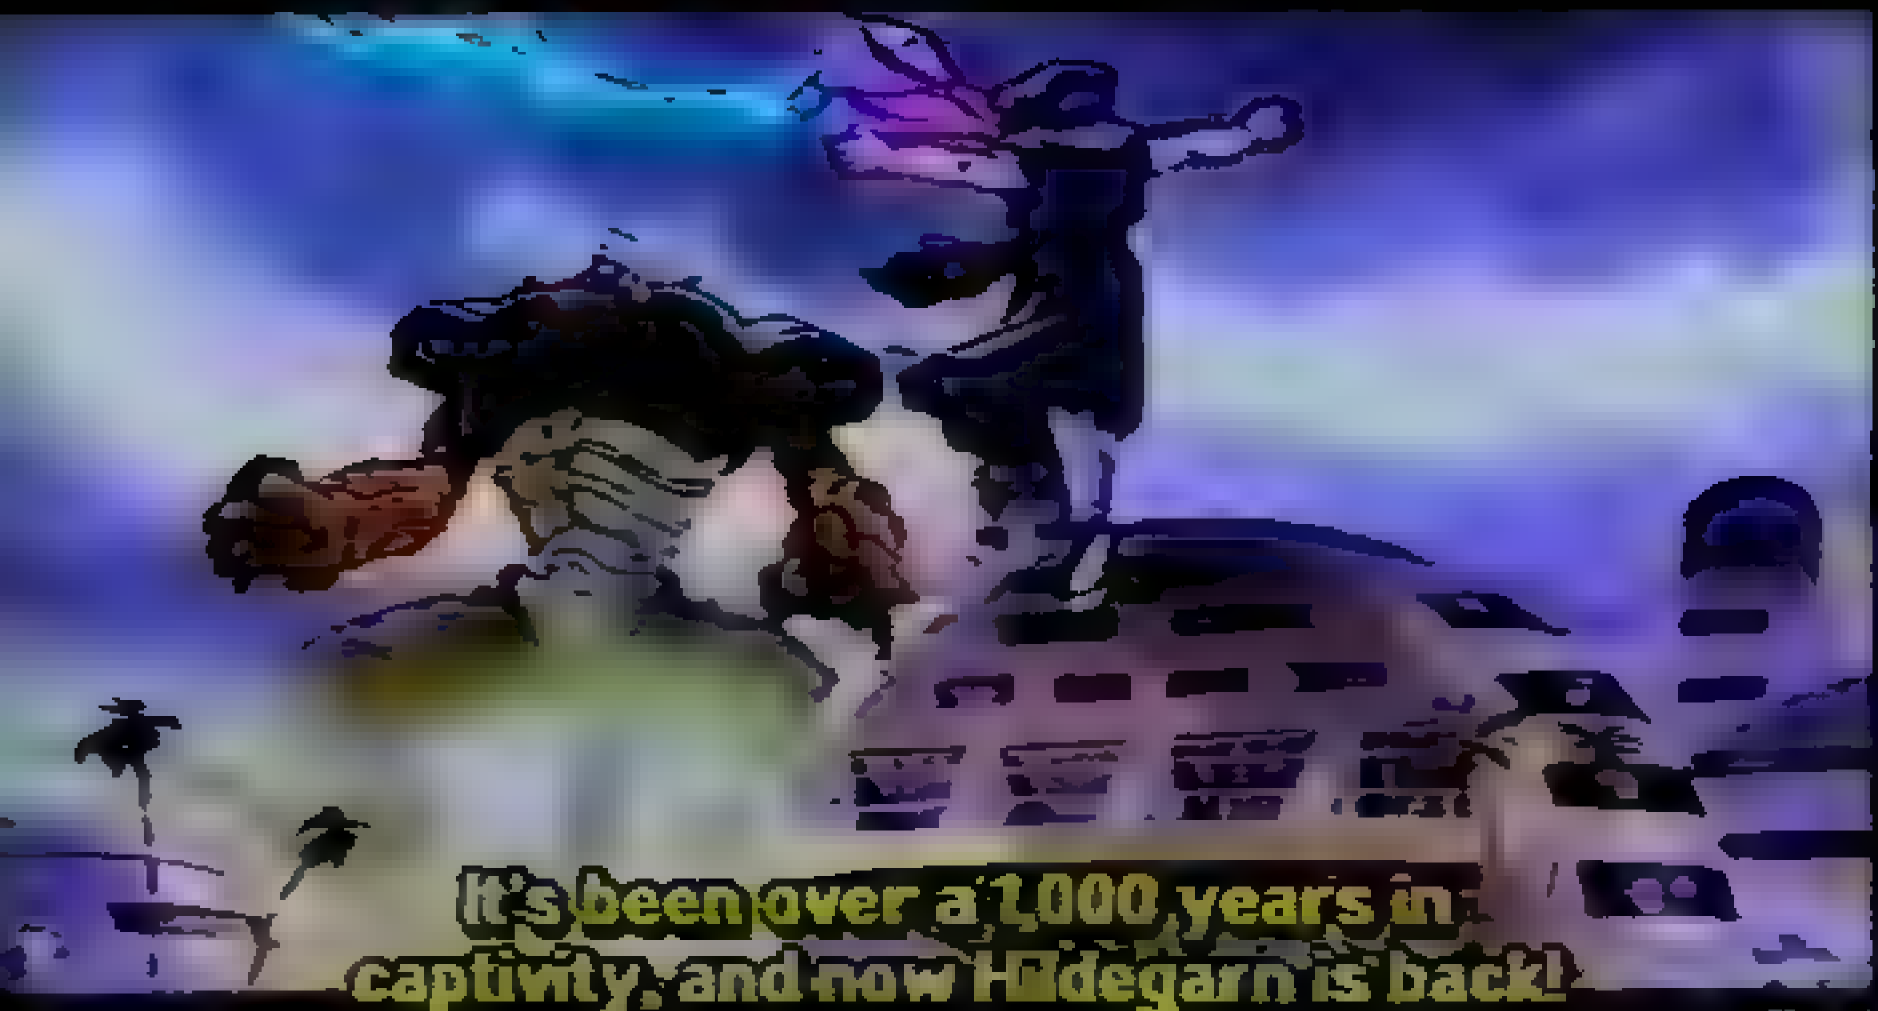

Joined together...

It's been over a 1,000 years in
captivity, and now Hildegarn is back!

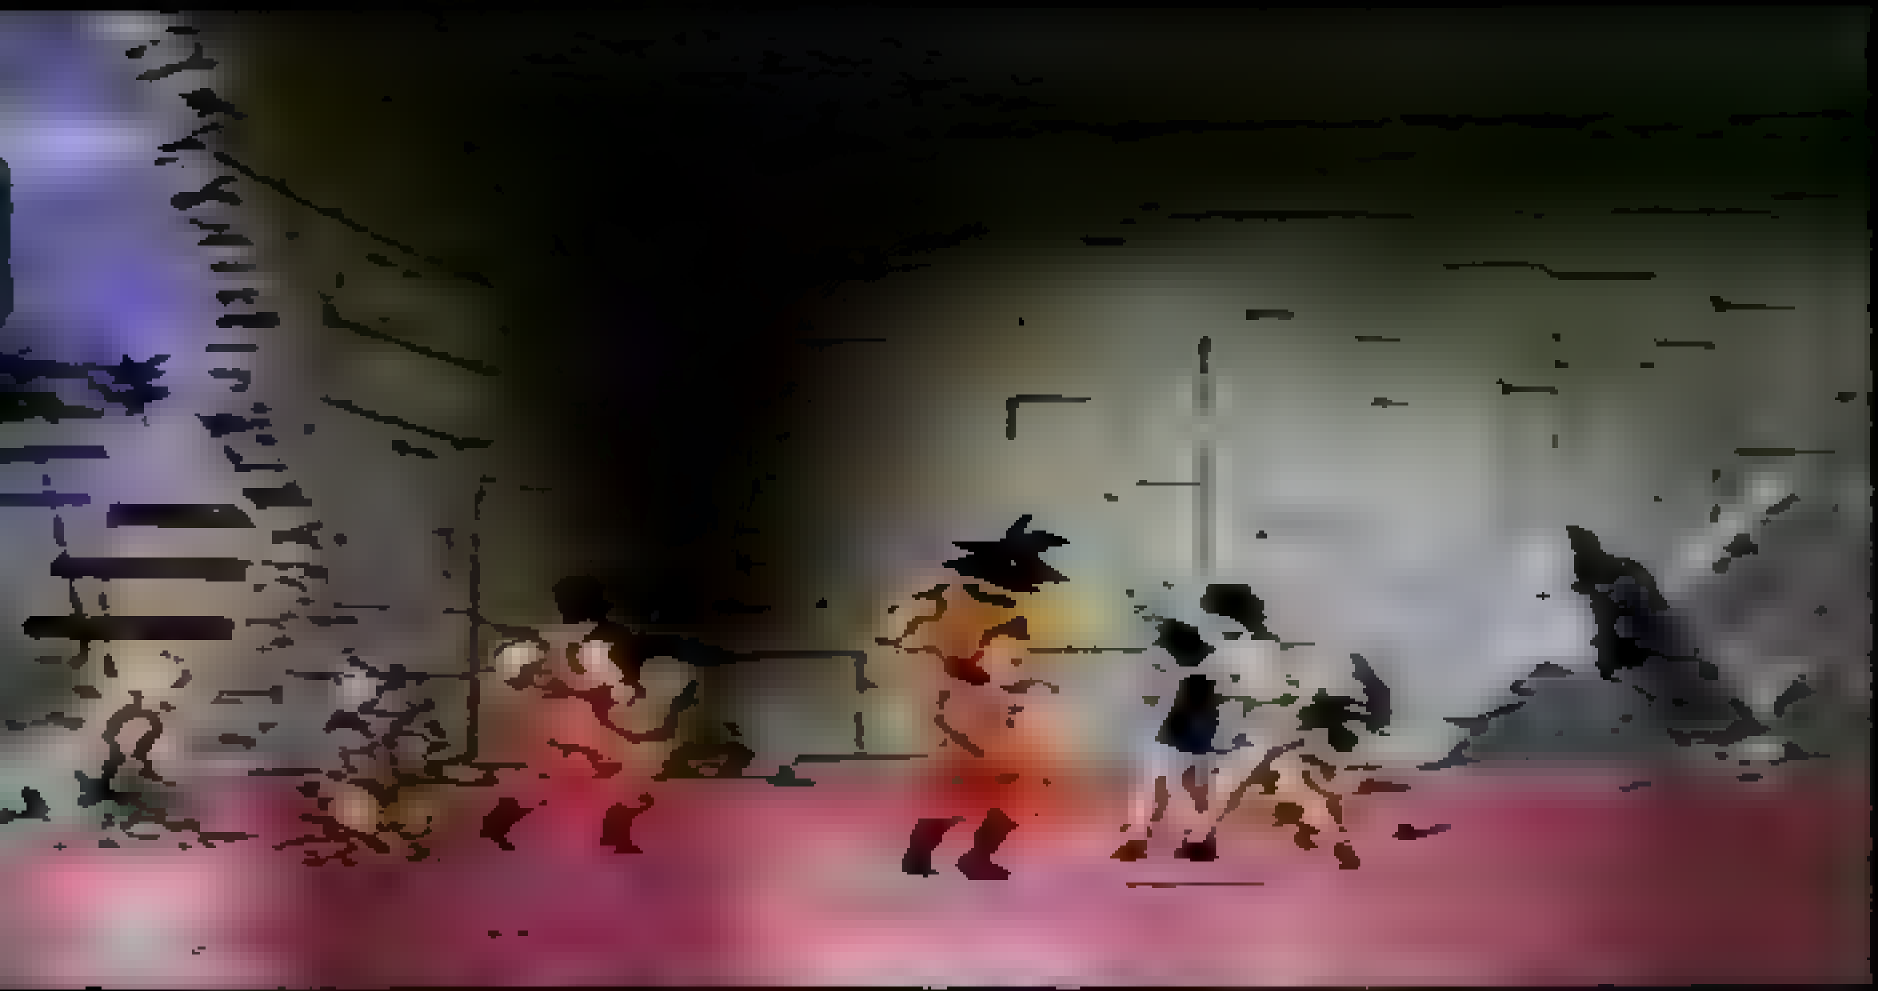

It's been over a 1,000 years in captivity, and now Hildegarn is back!

It's been over a 1,000 years in
captivity, and now Hildegarn is back!

Now, devour everyone's
energy until it's all gone!

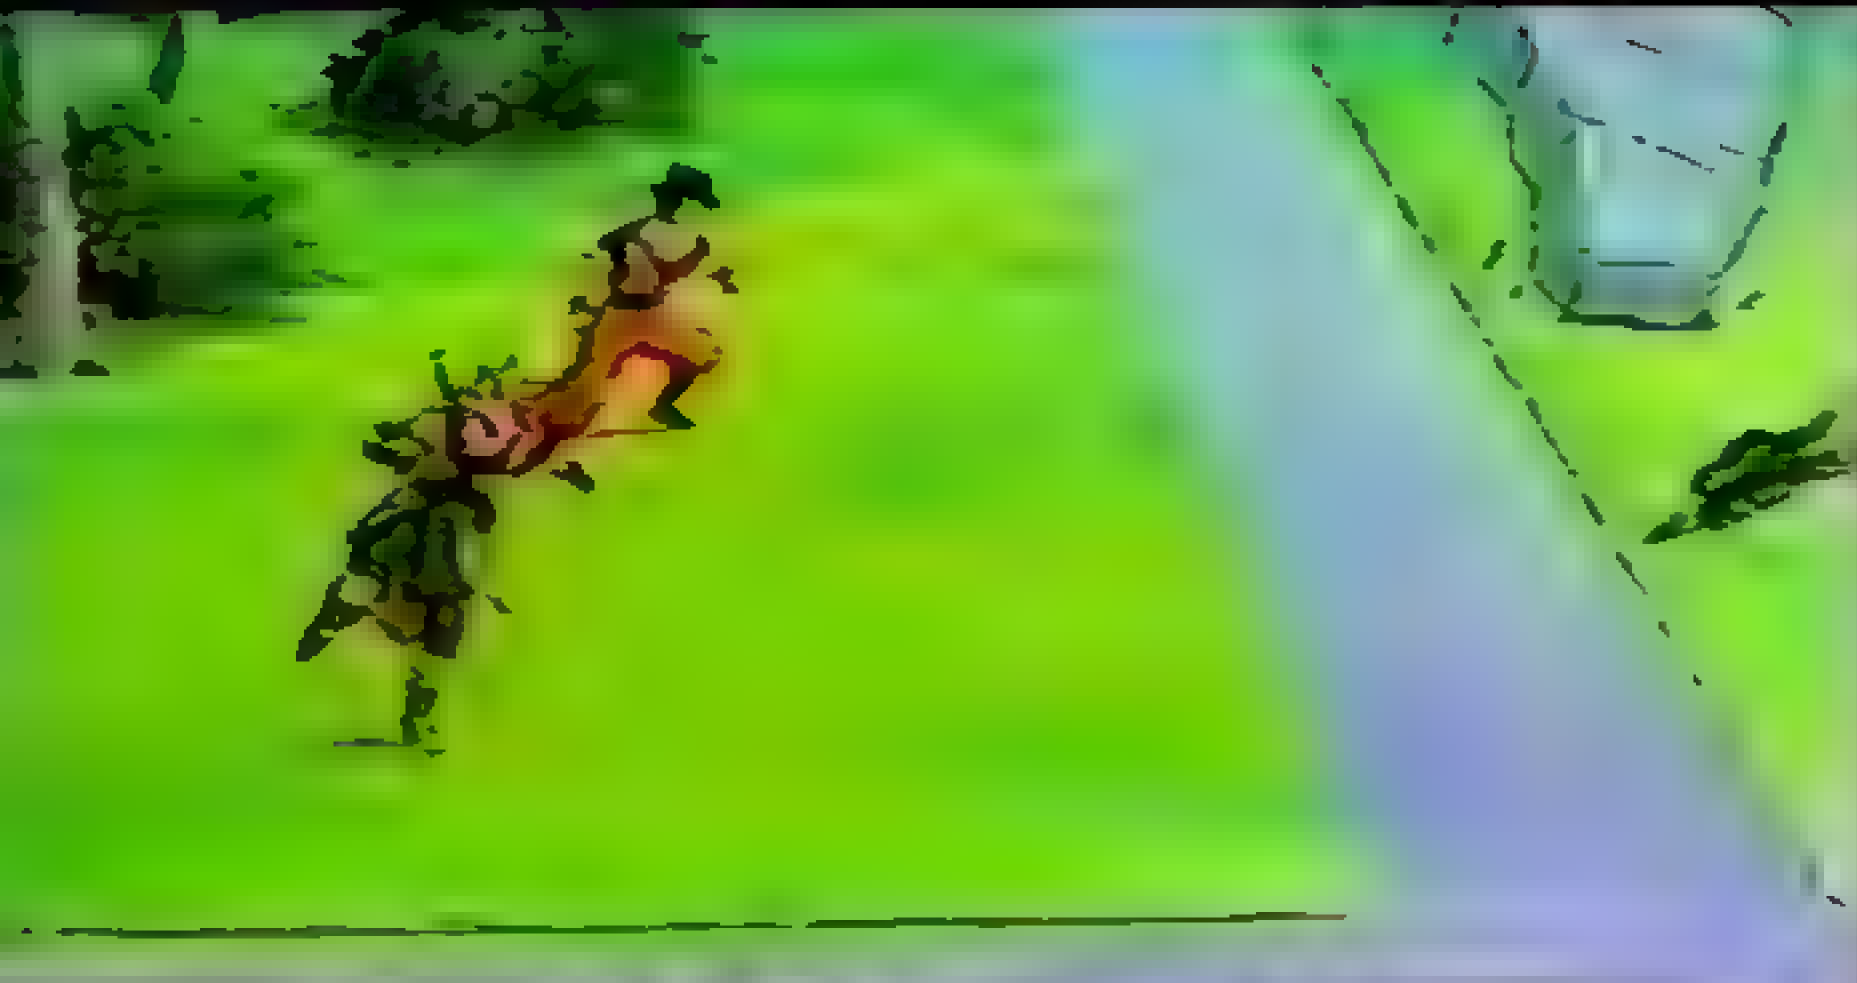

Now, devour everyone's
energy until it's all gone!

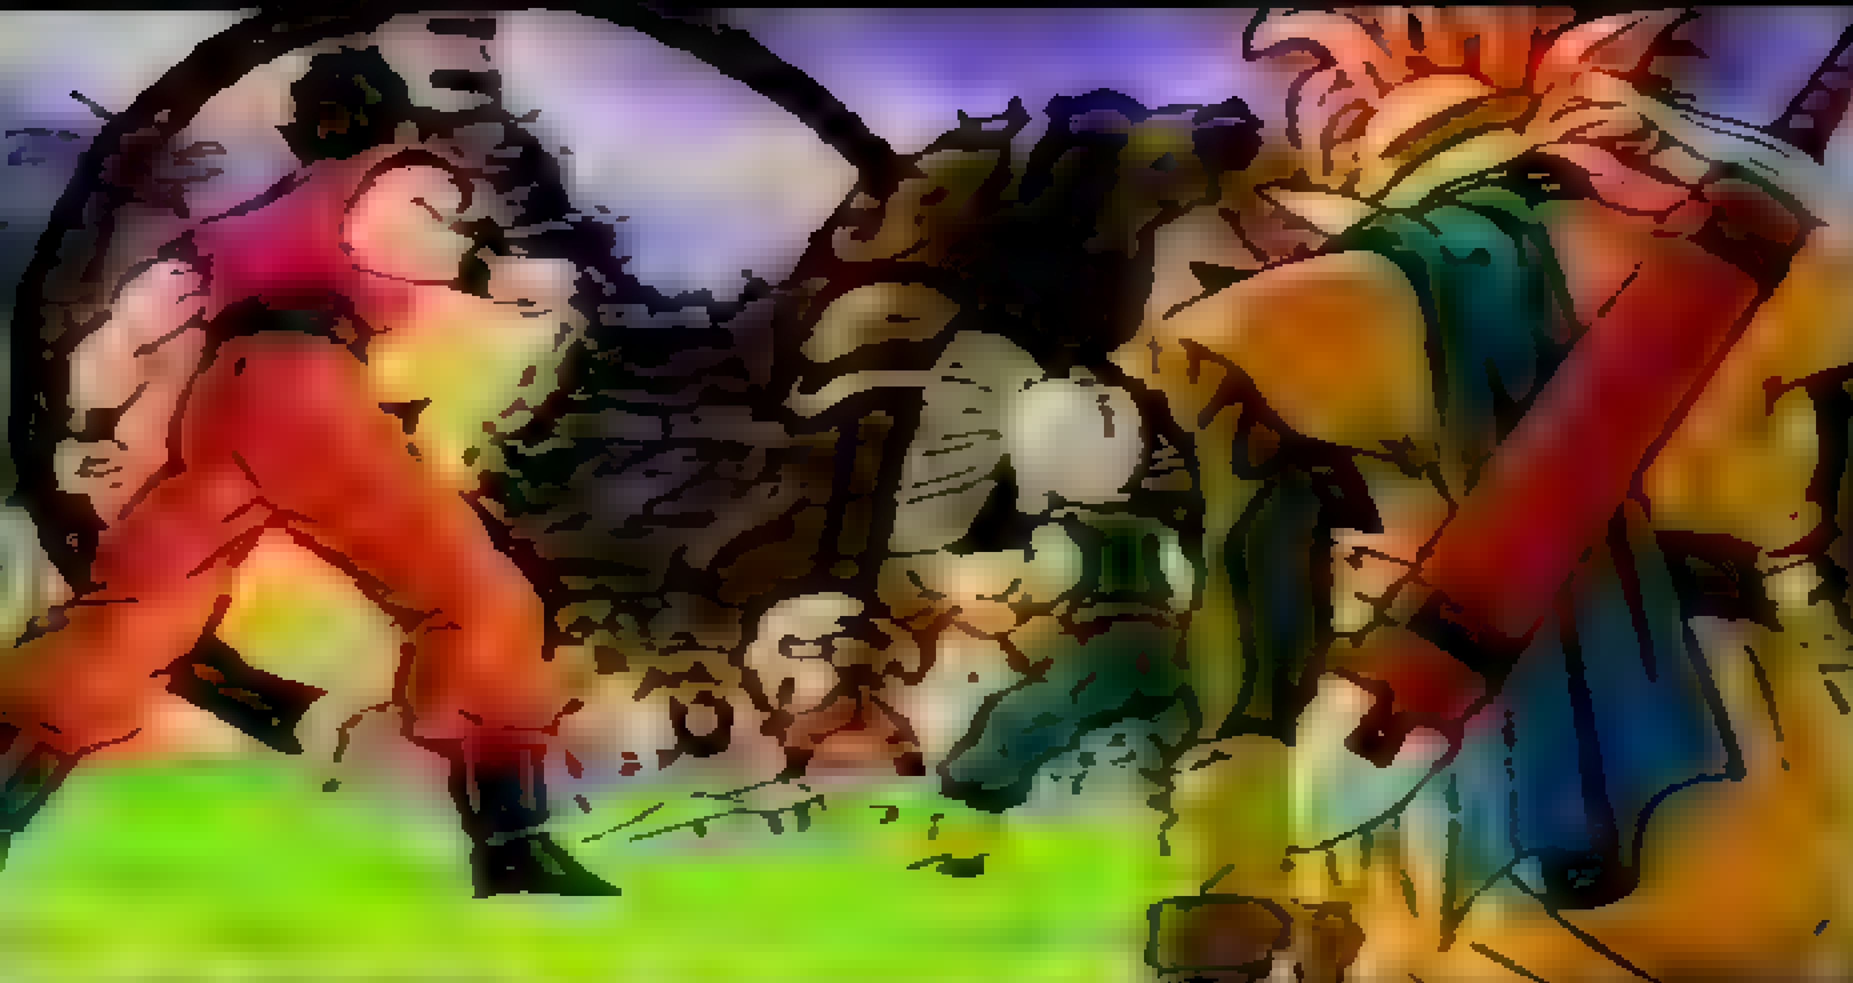

Now, devour everyone's
energy until it's all gone!

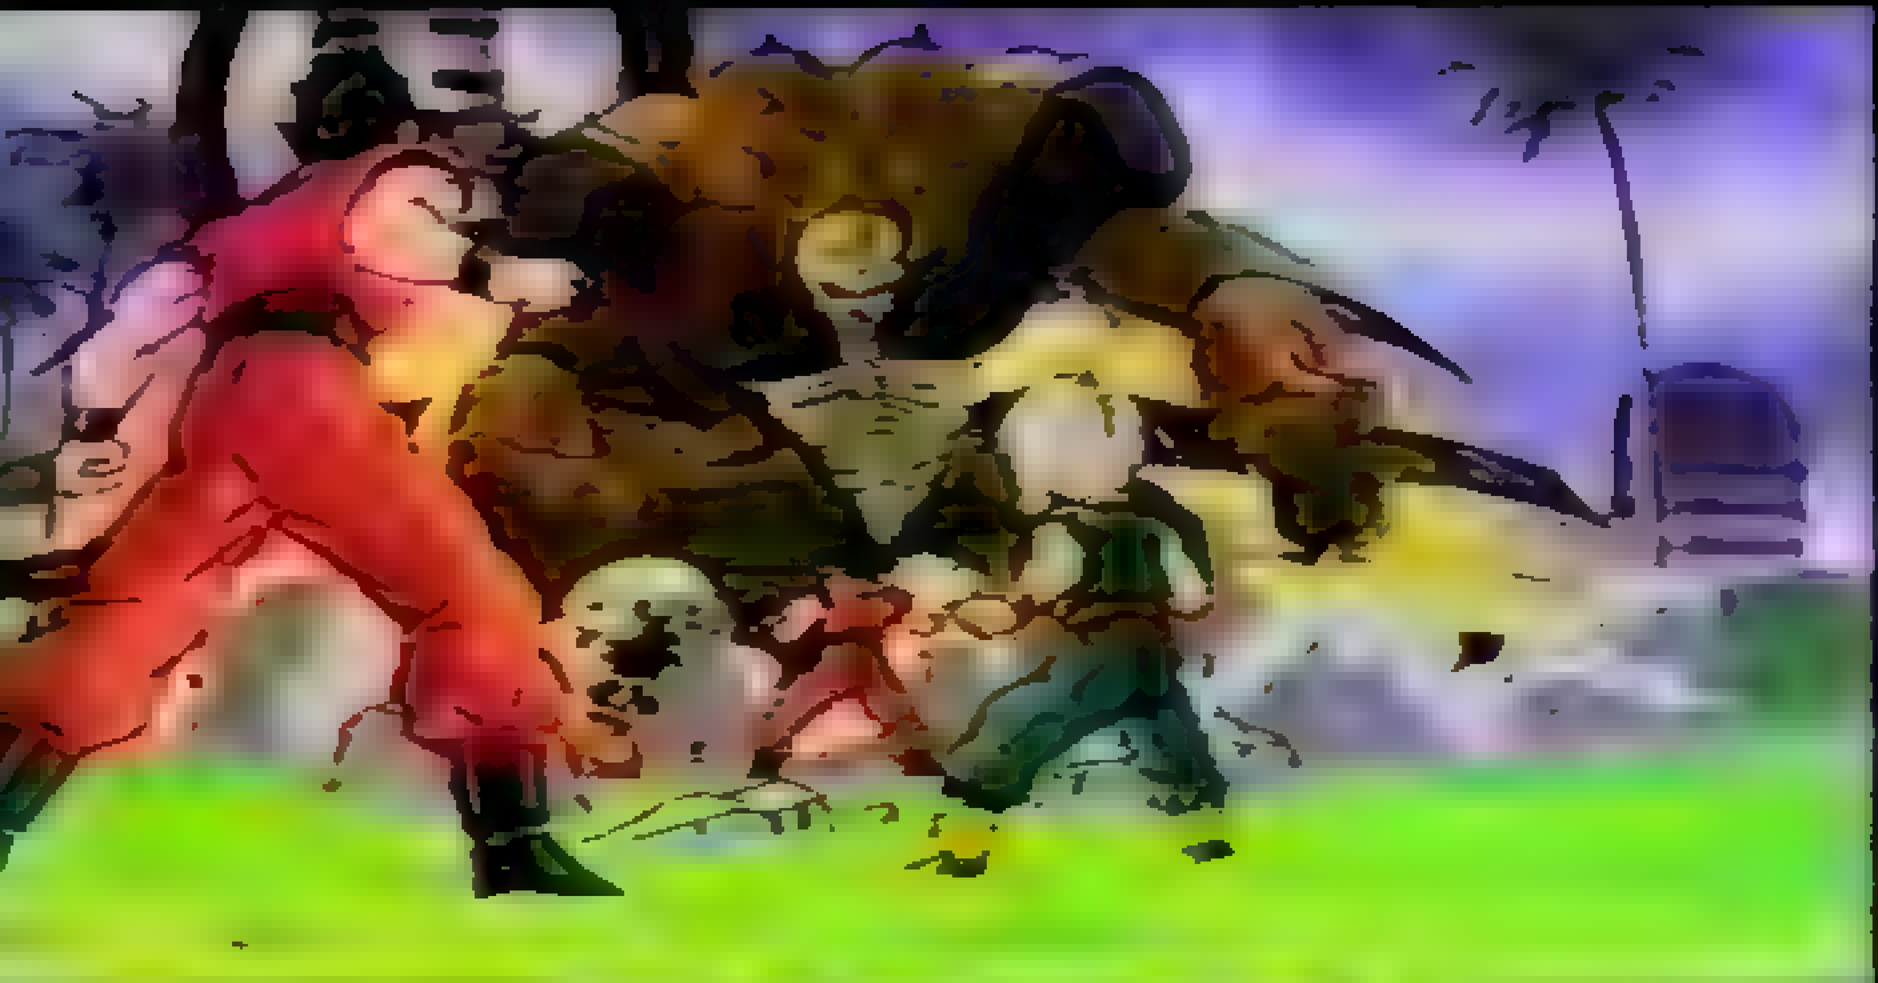

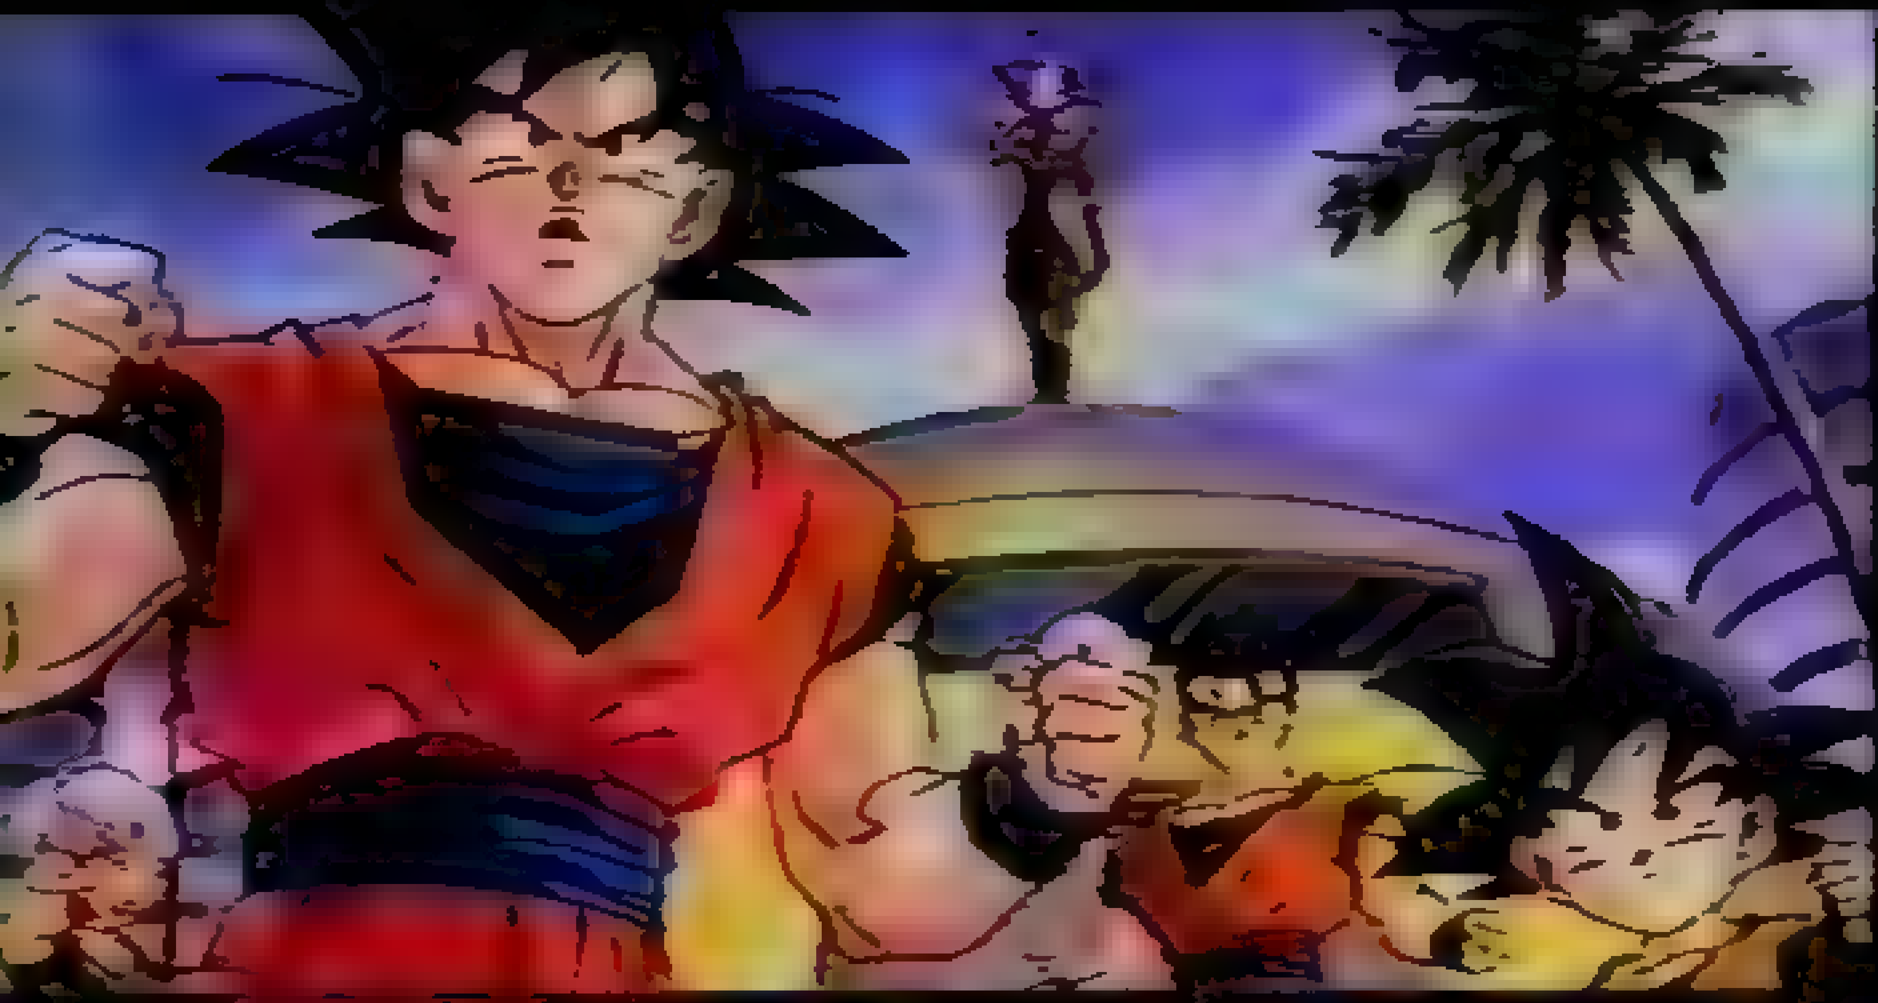

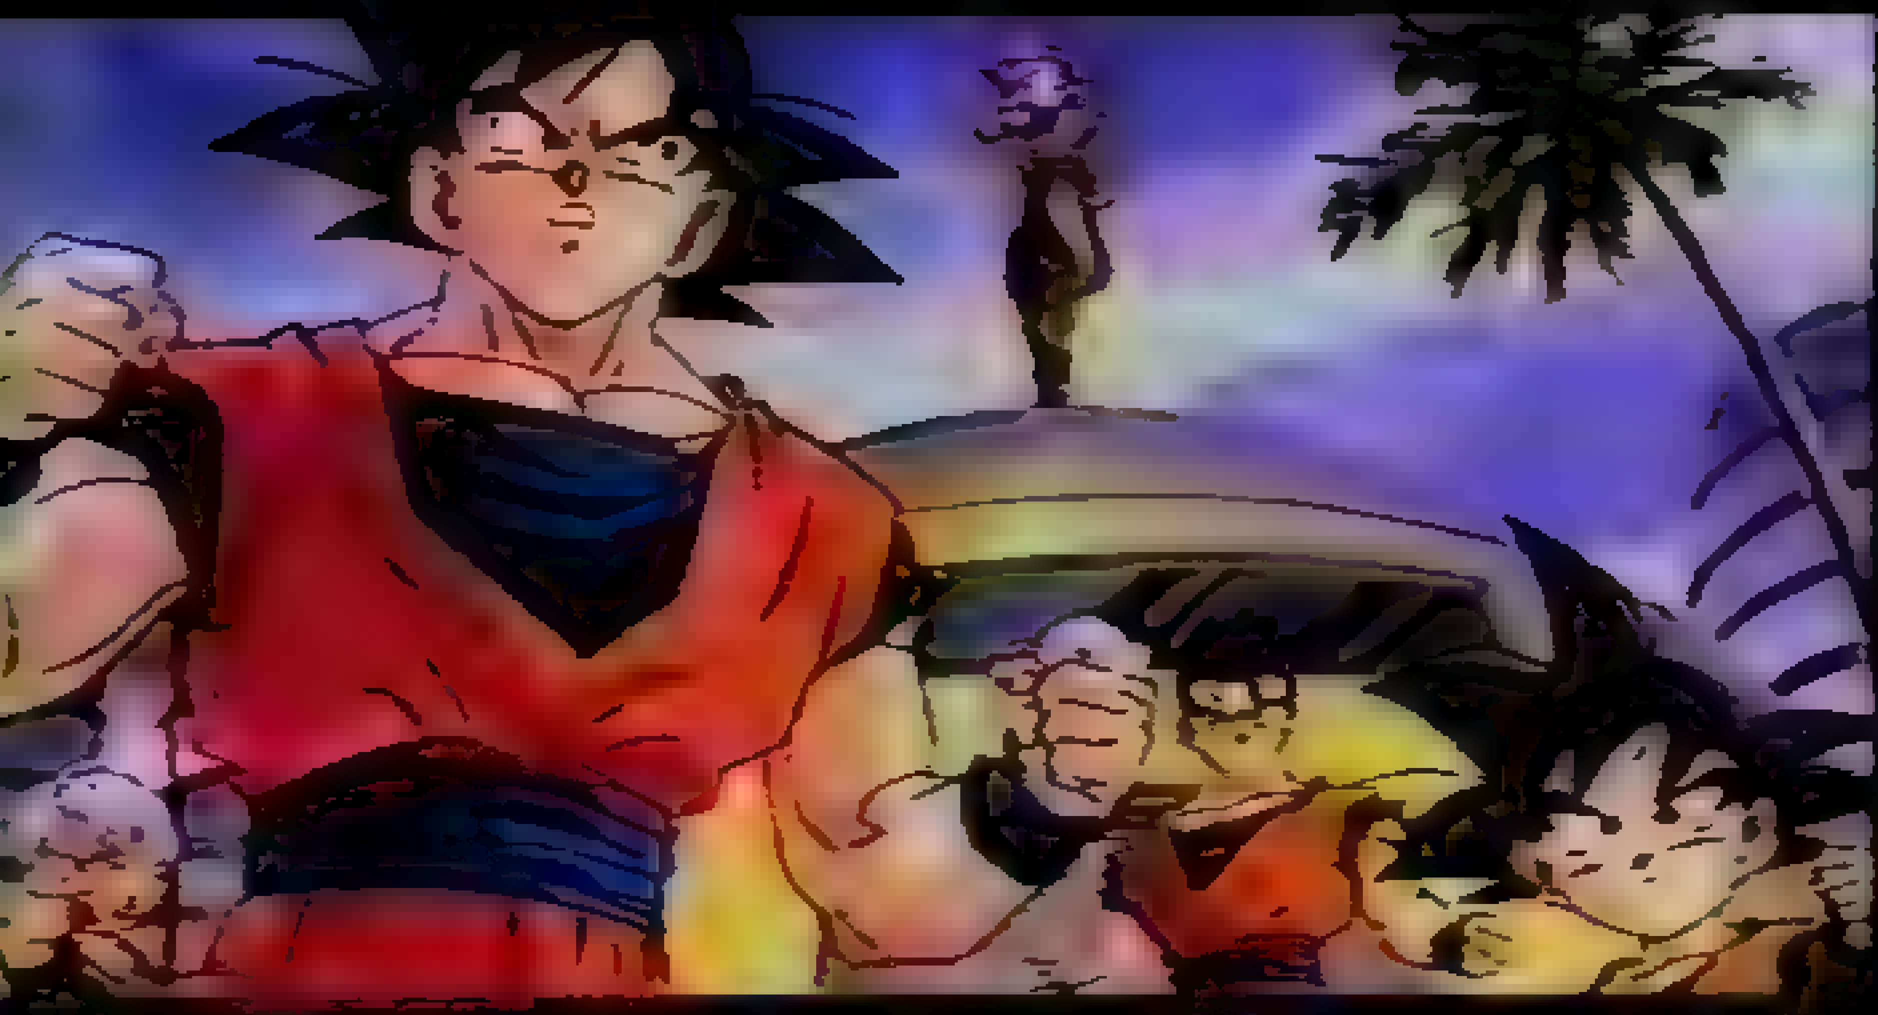

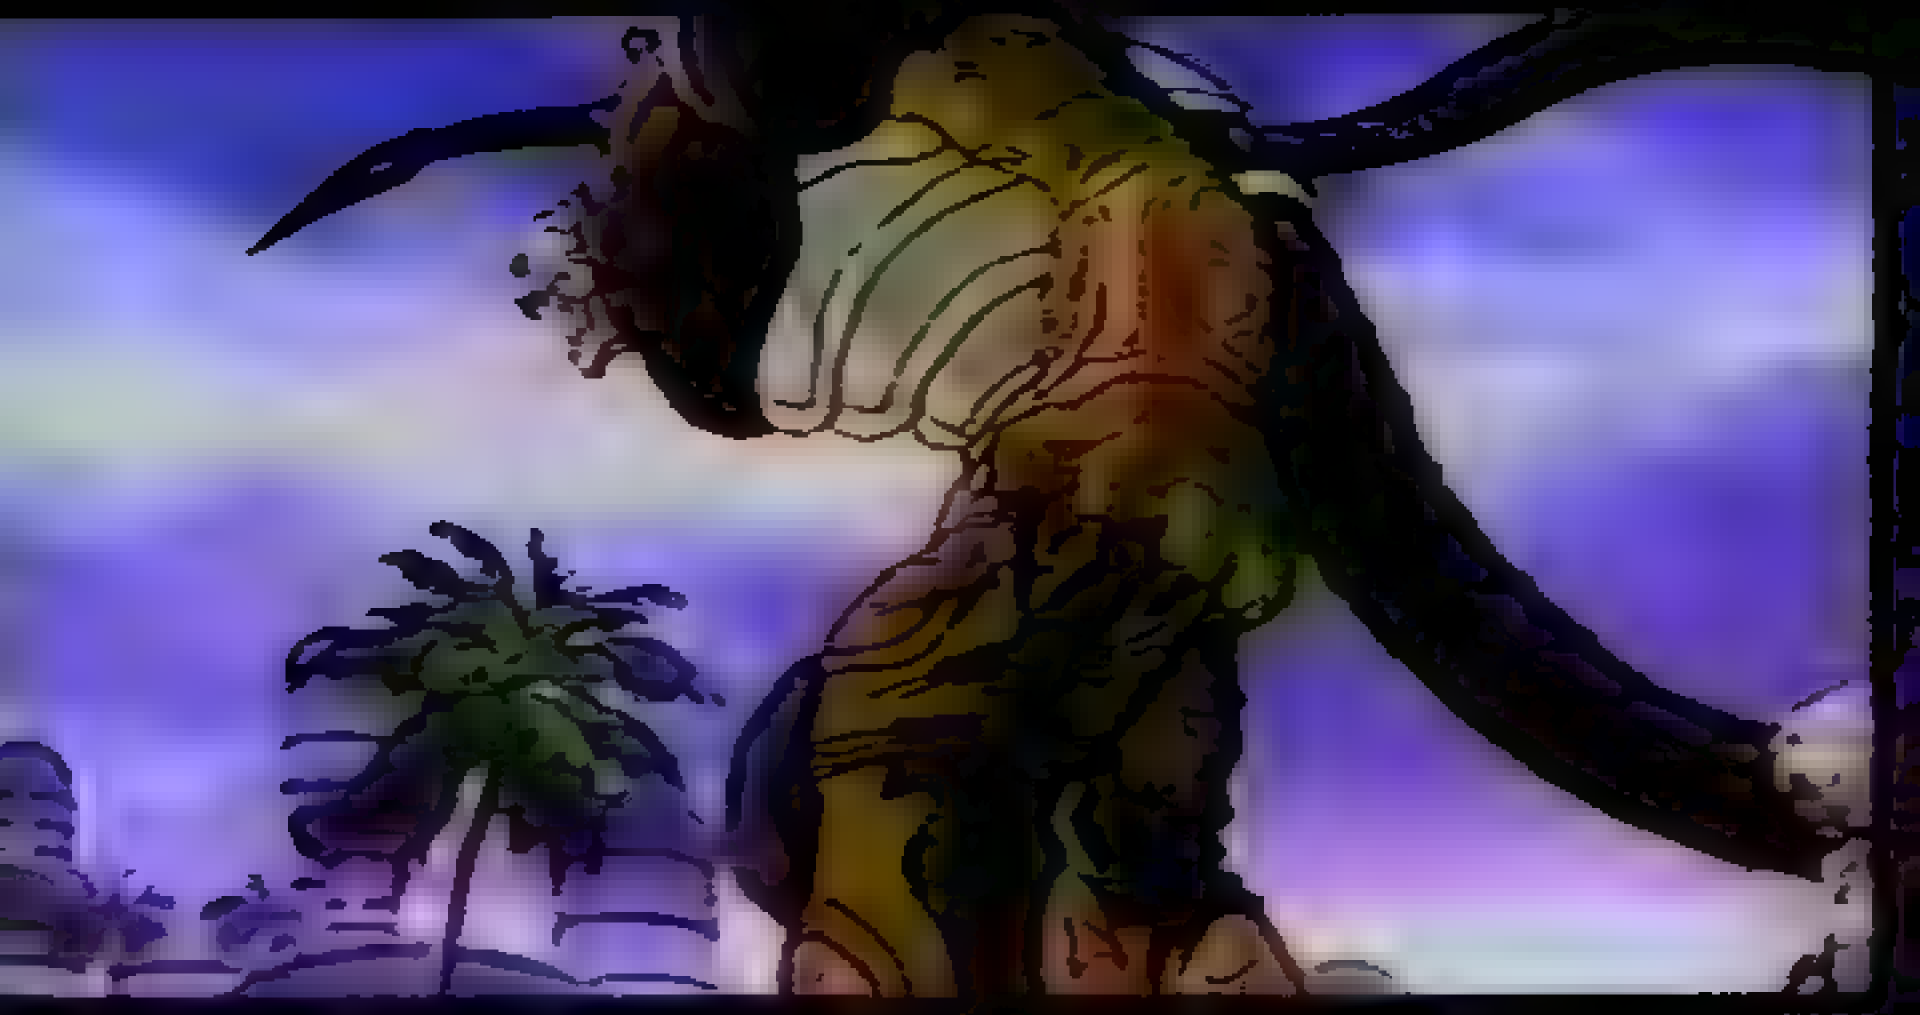

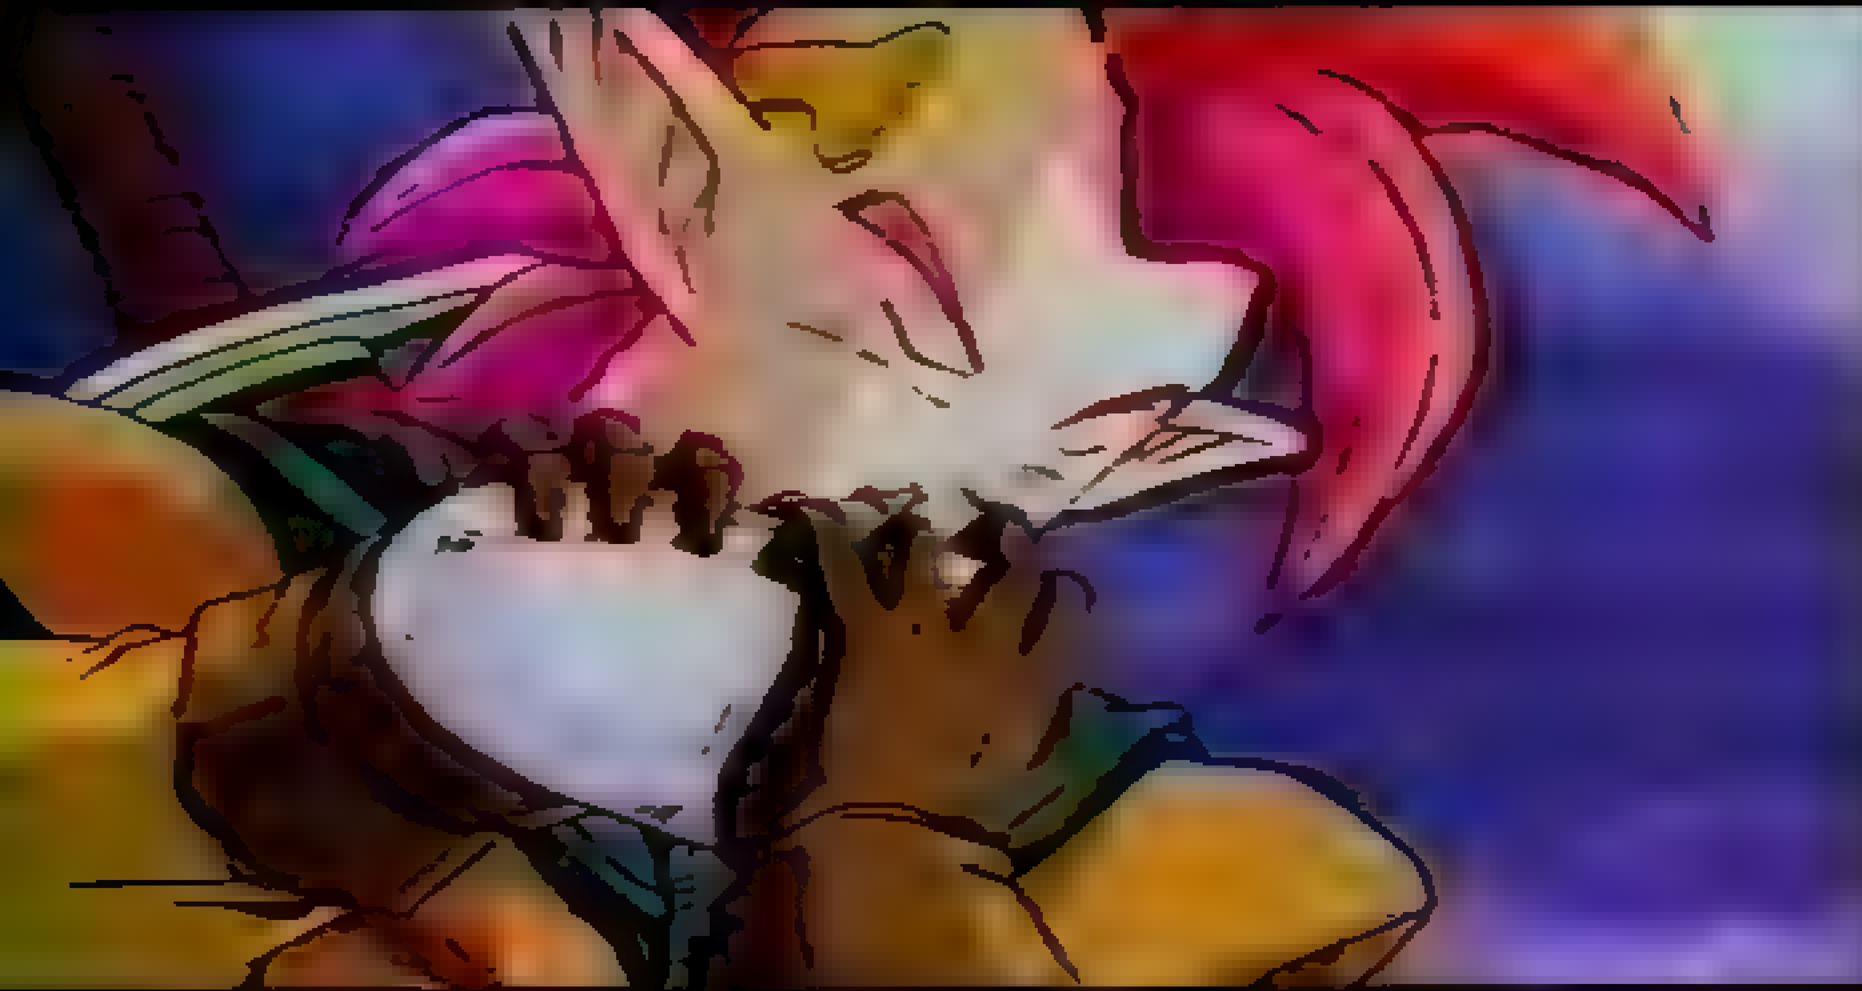

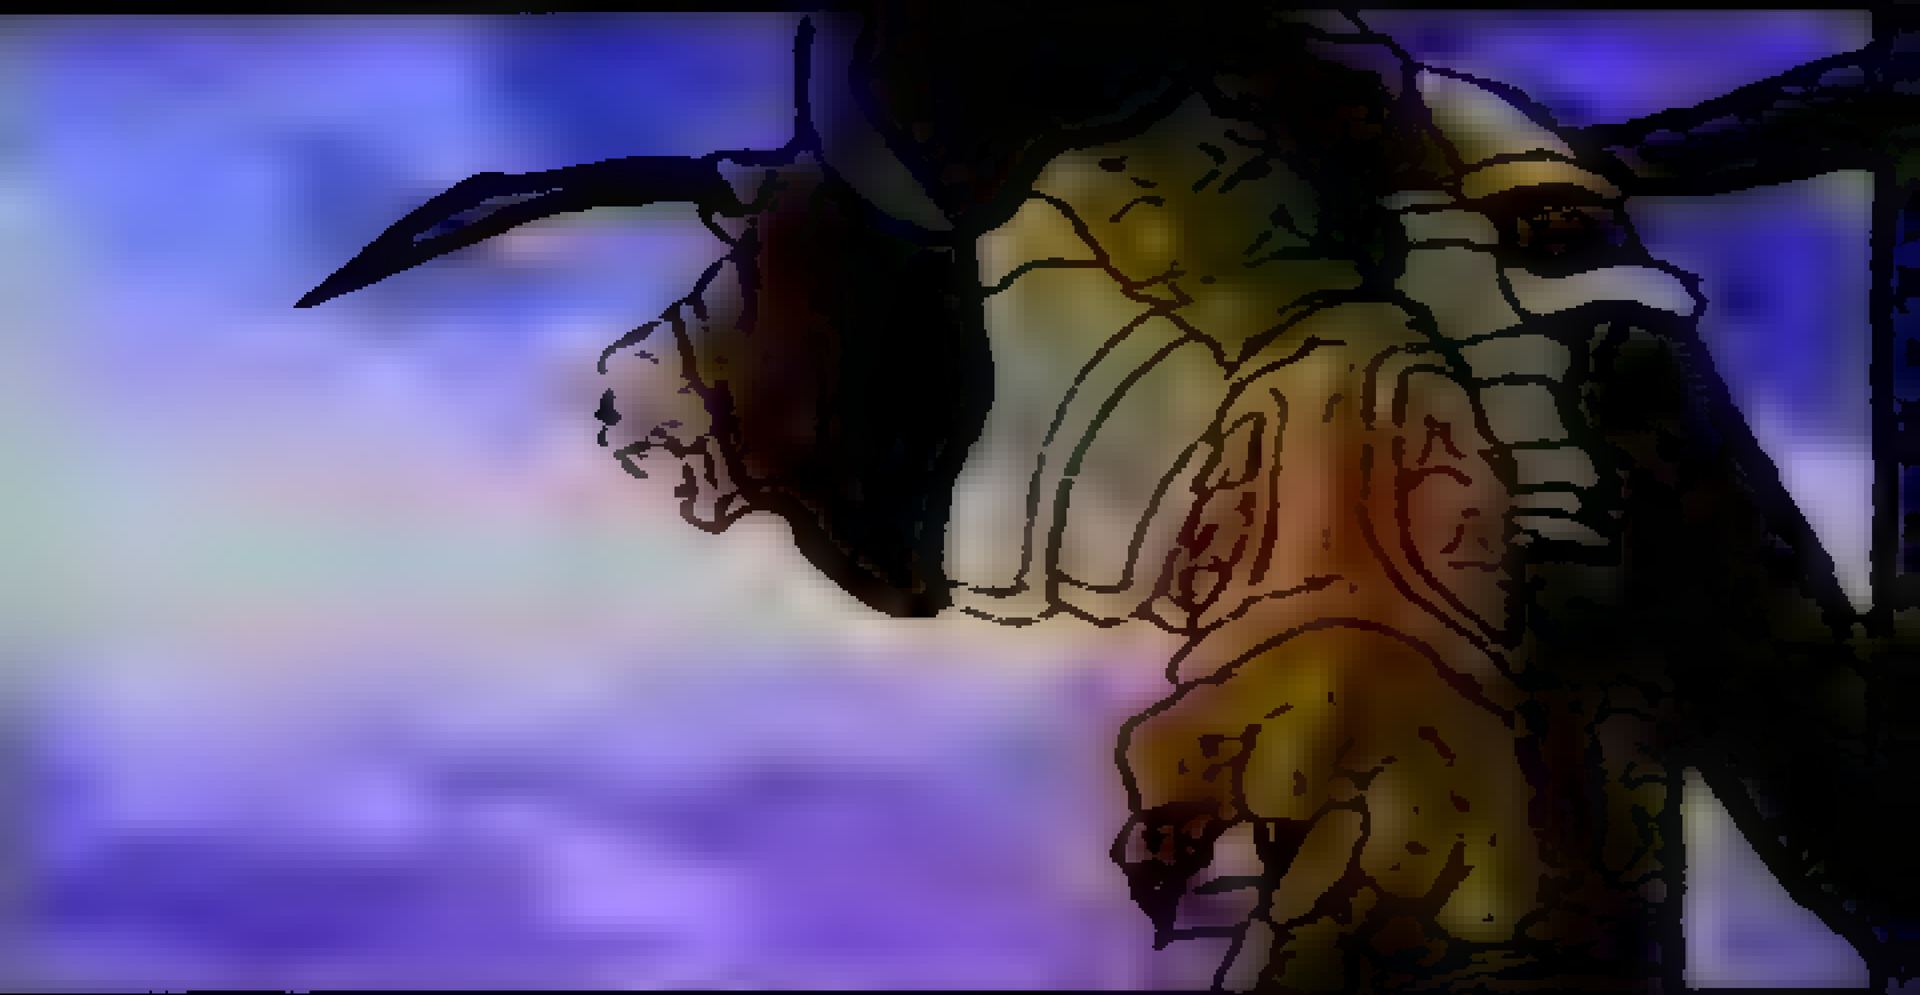

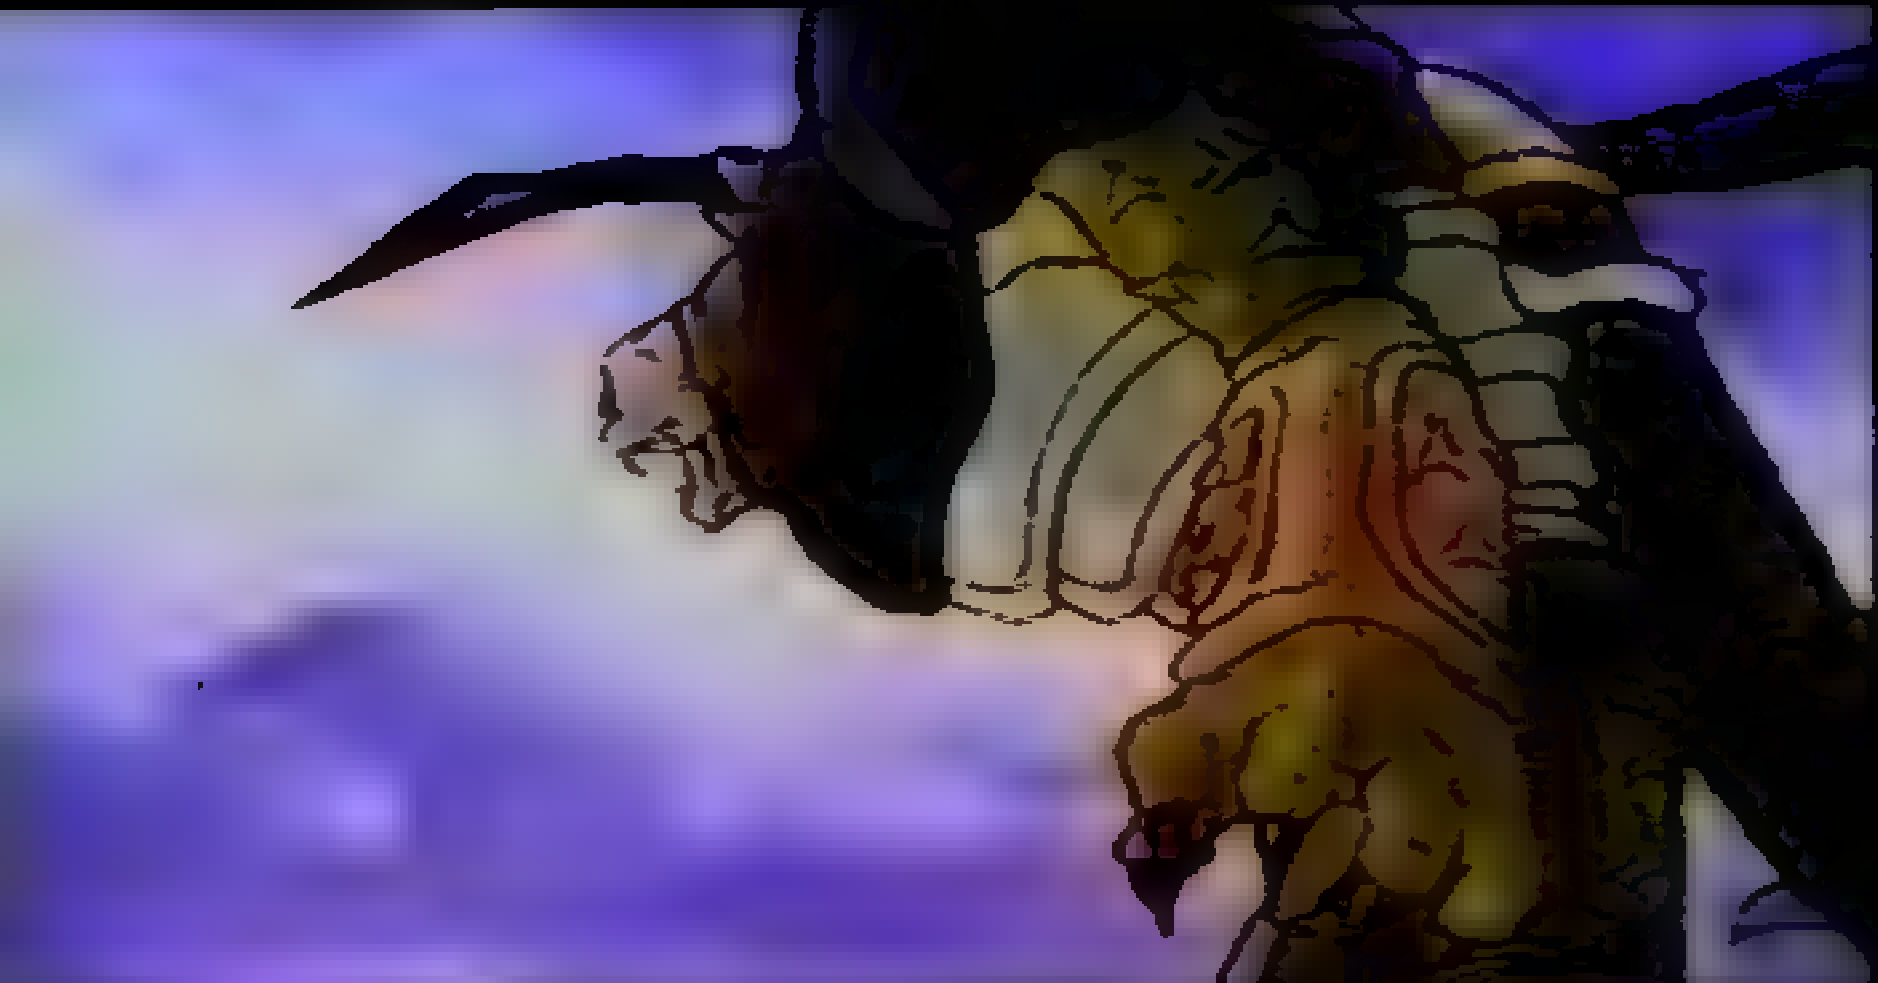

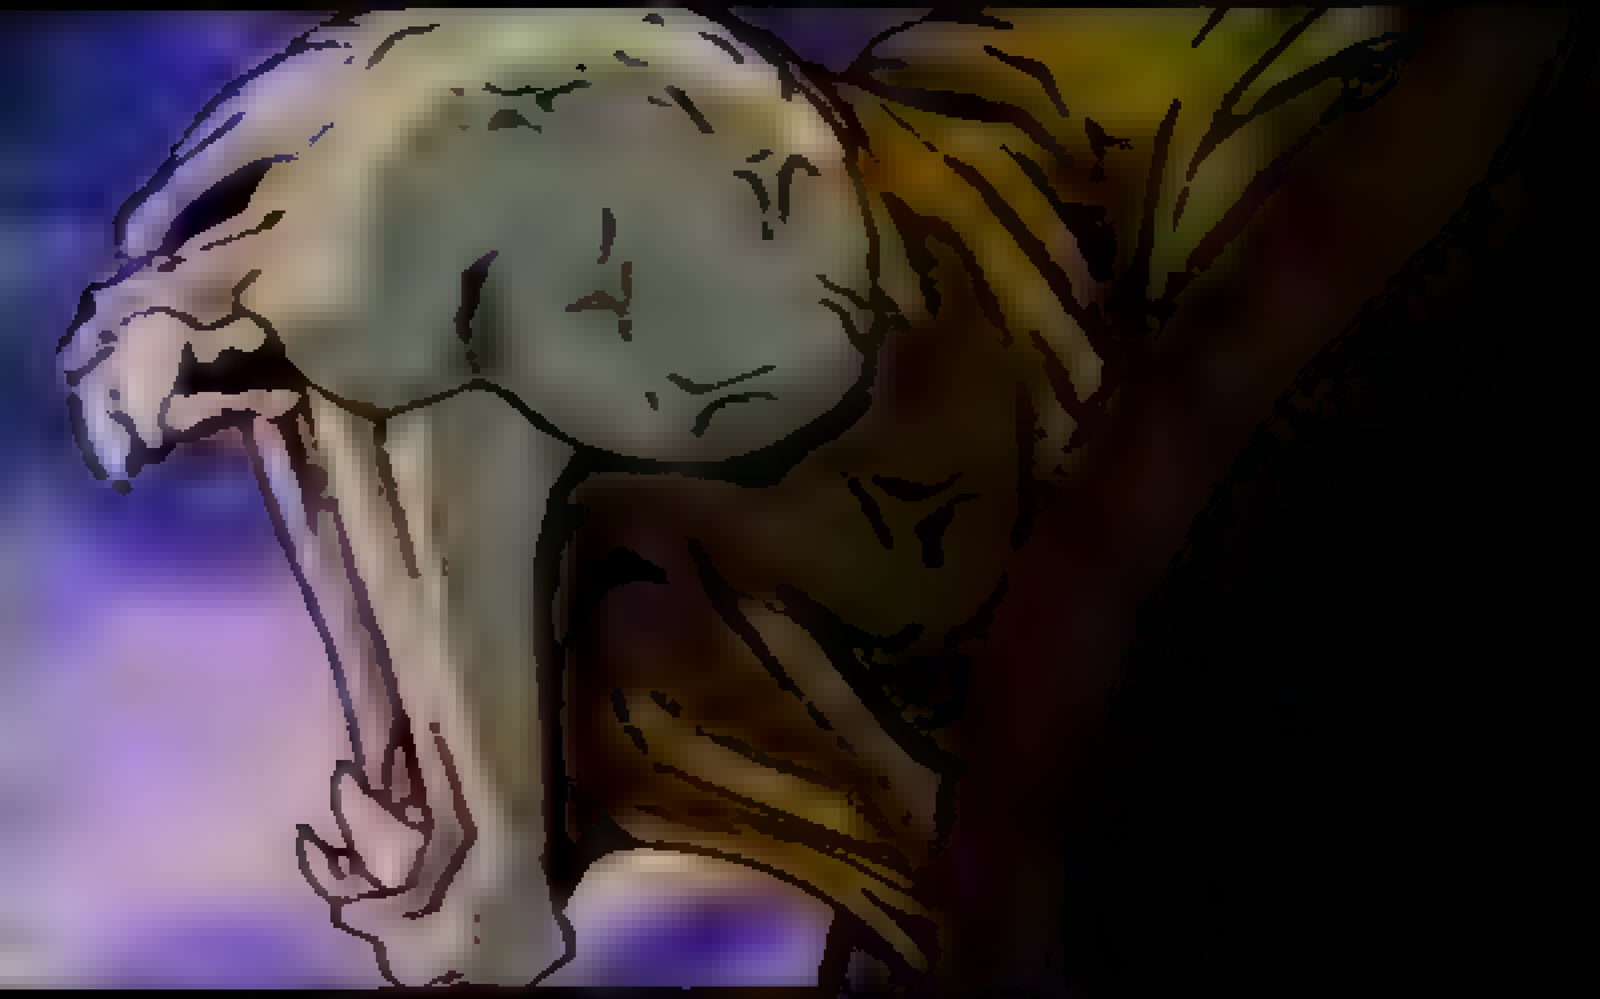

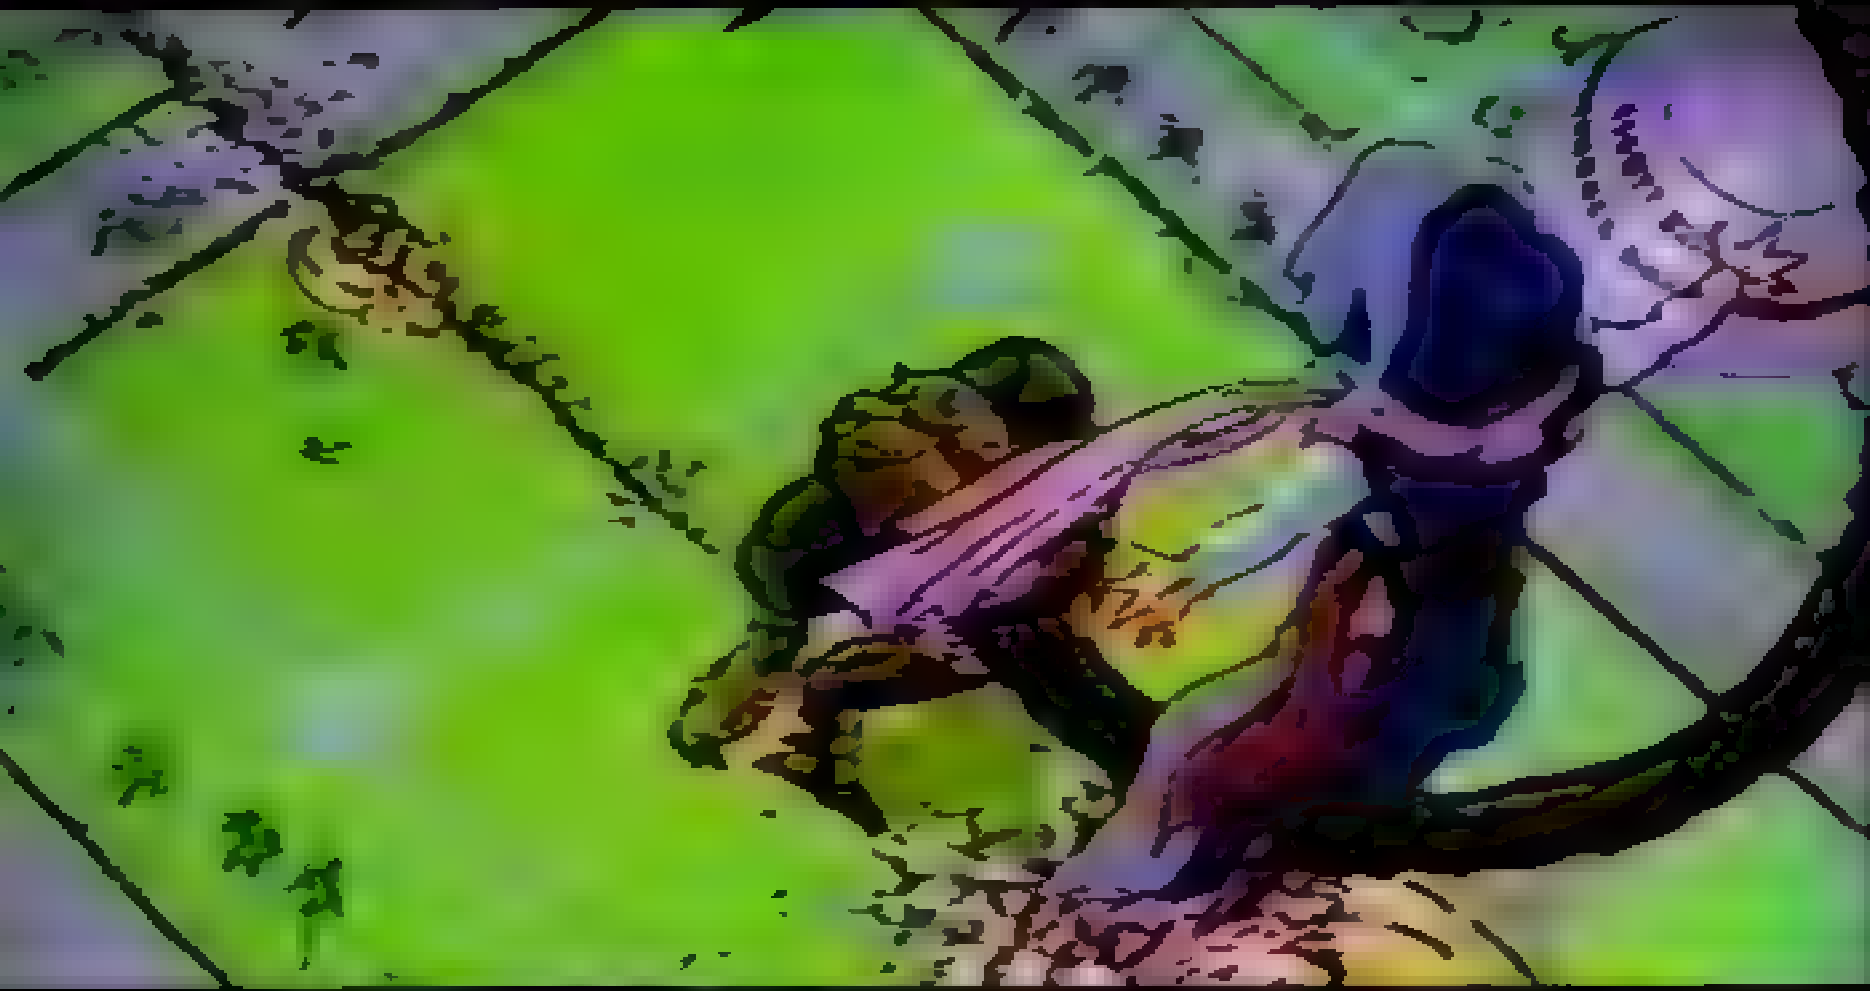

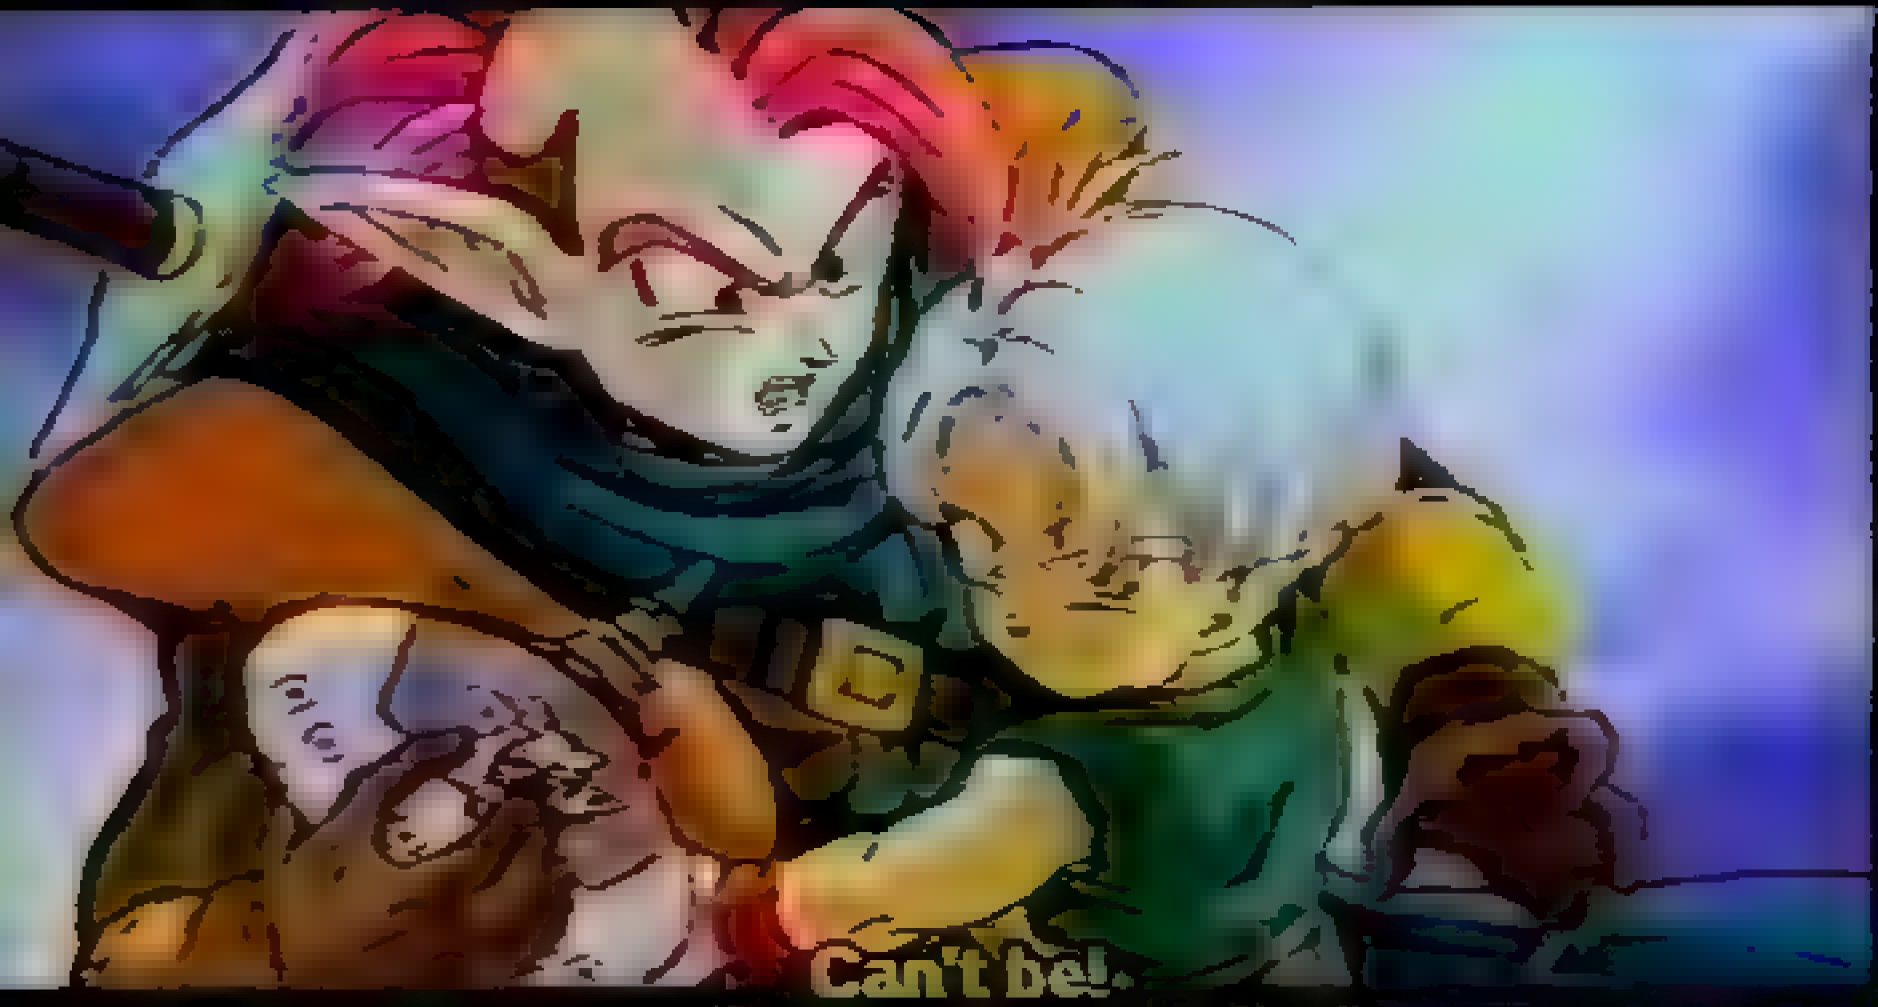

Brother?!

That thing doesn't work anymore.

Can't be!.

Now witness the true power of Hildegarn!

Now witness the true power of Hildegarn!

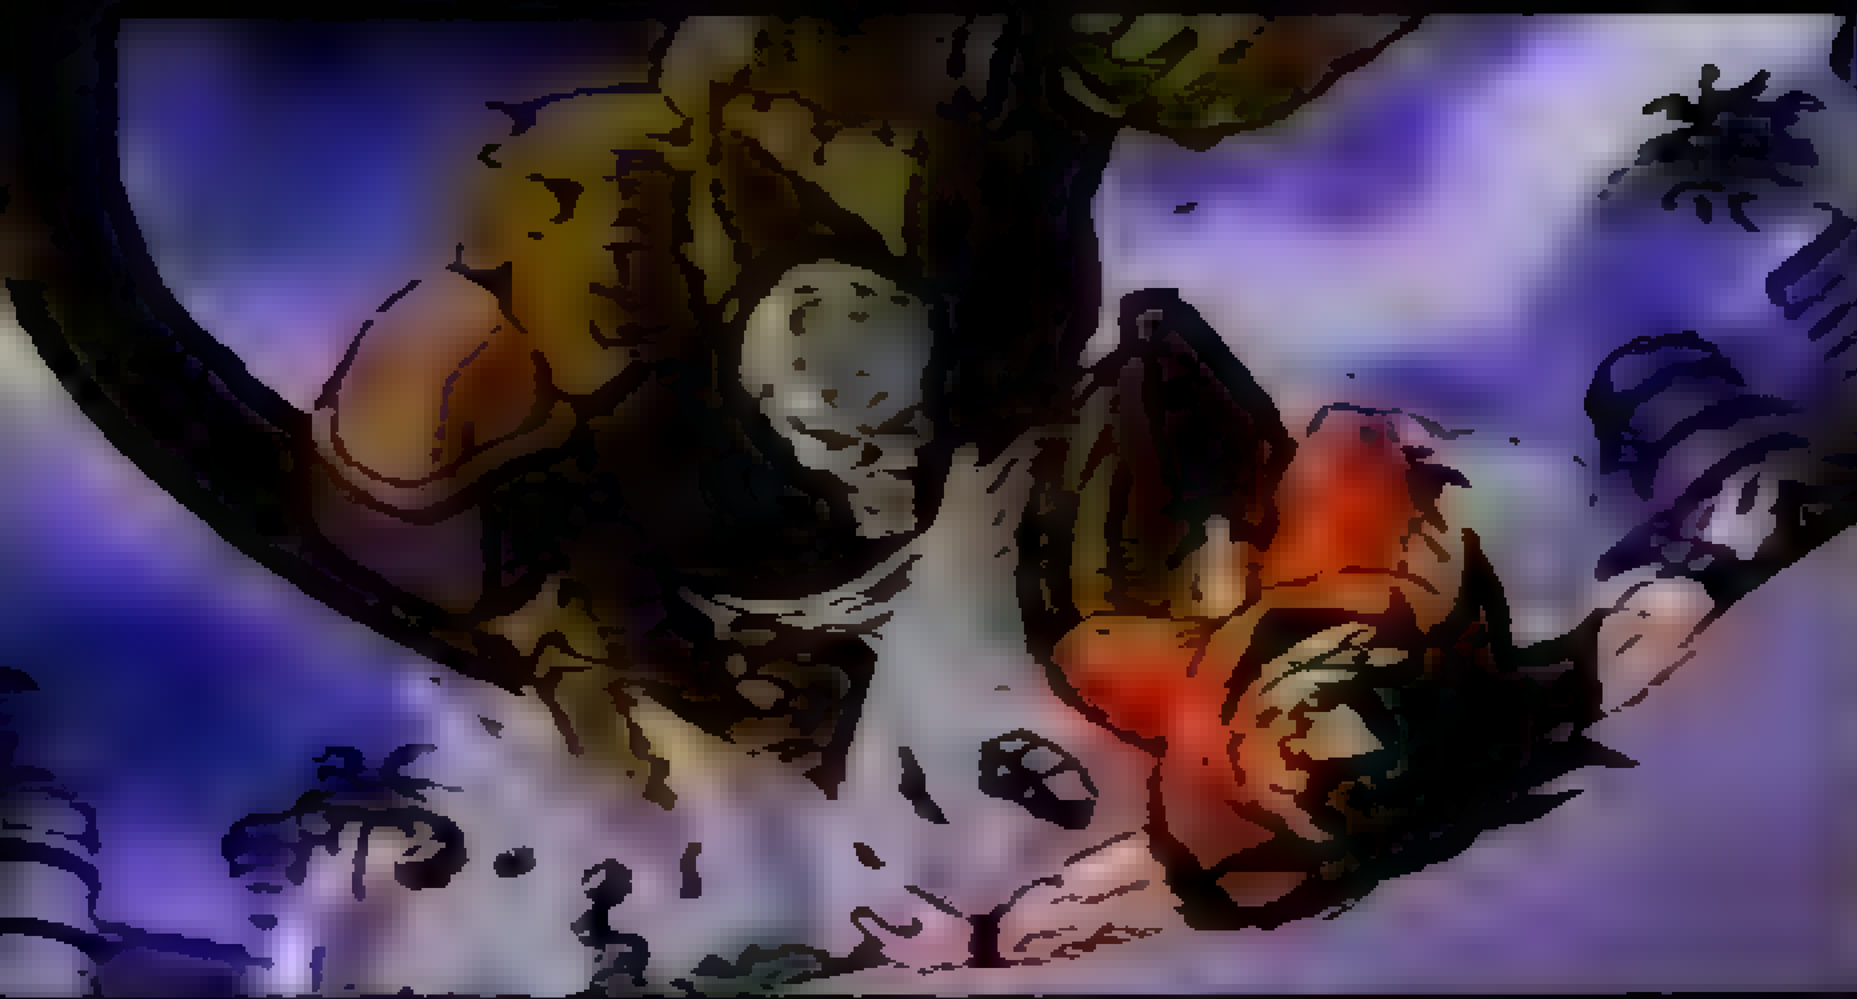

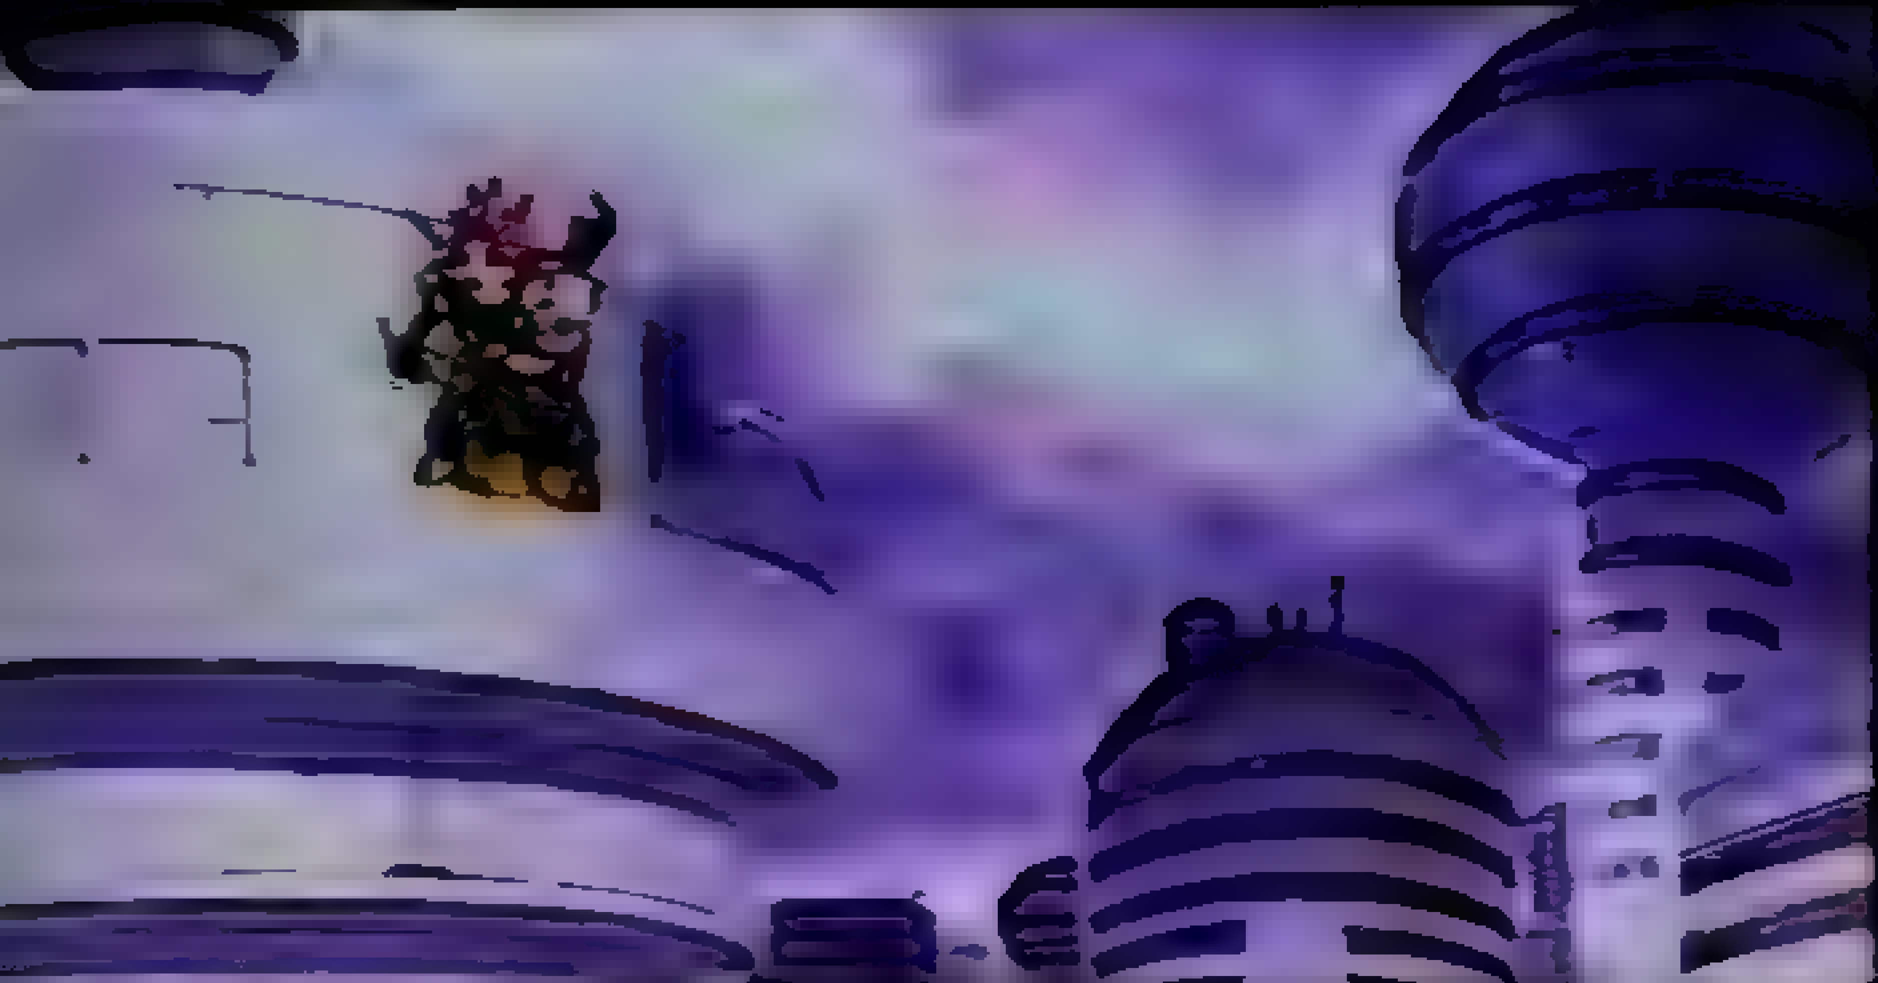

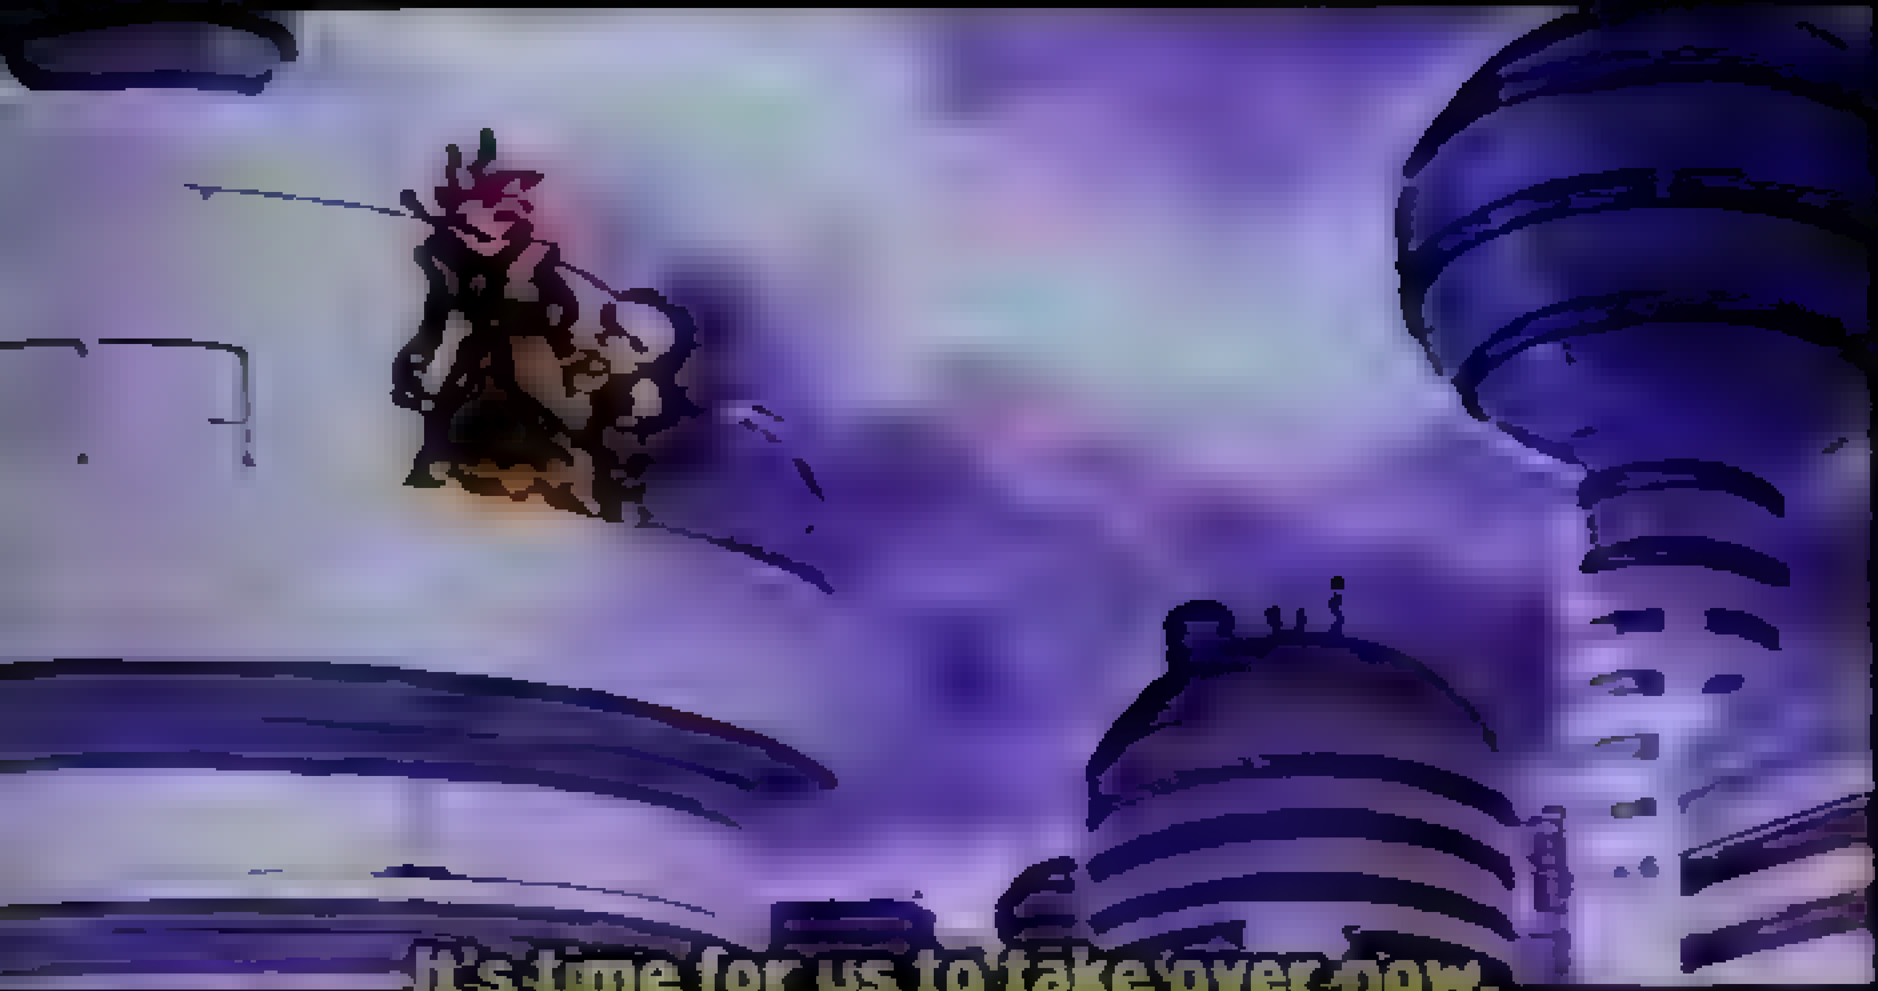

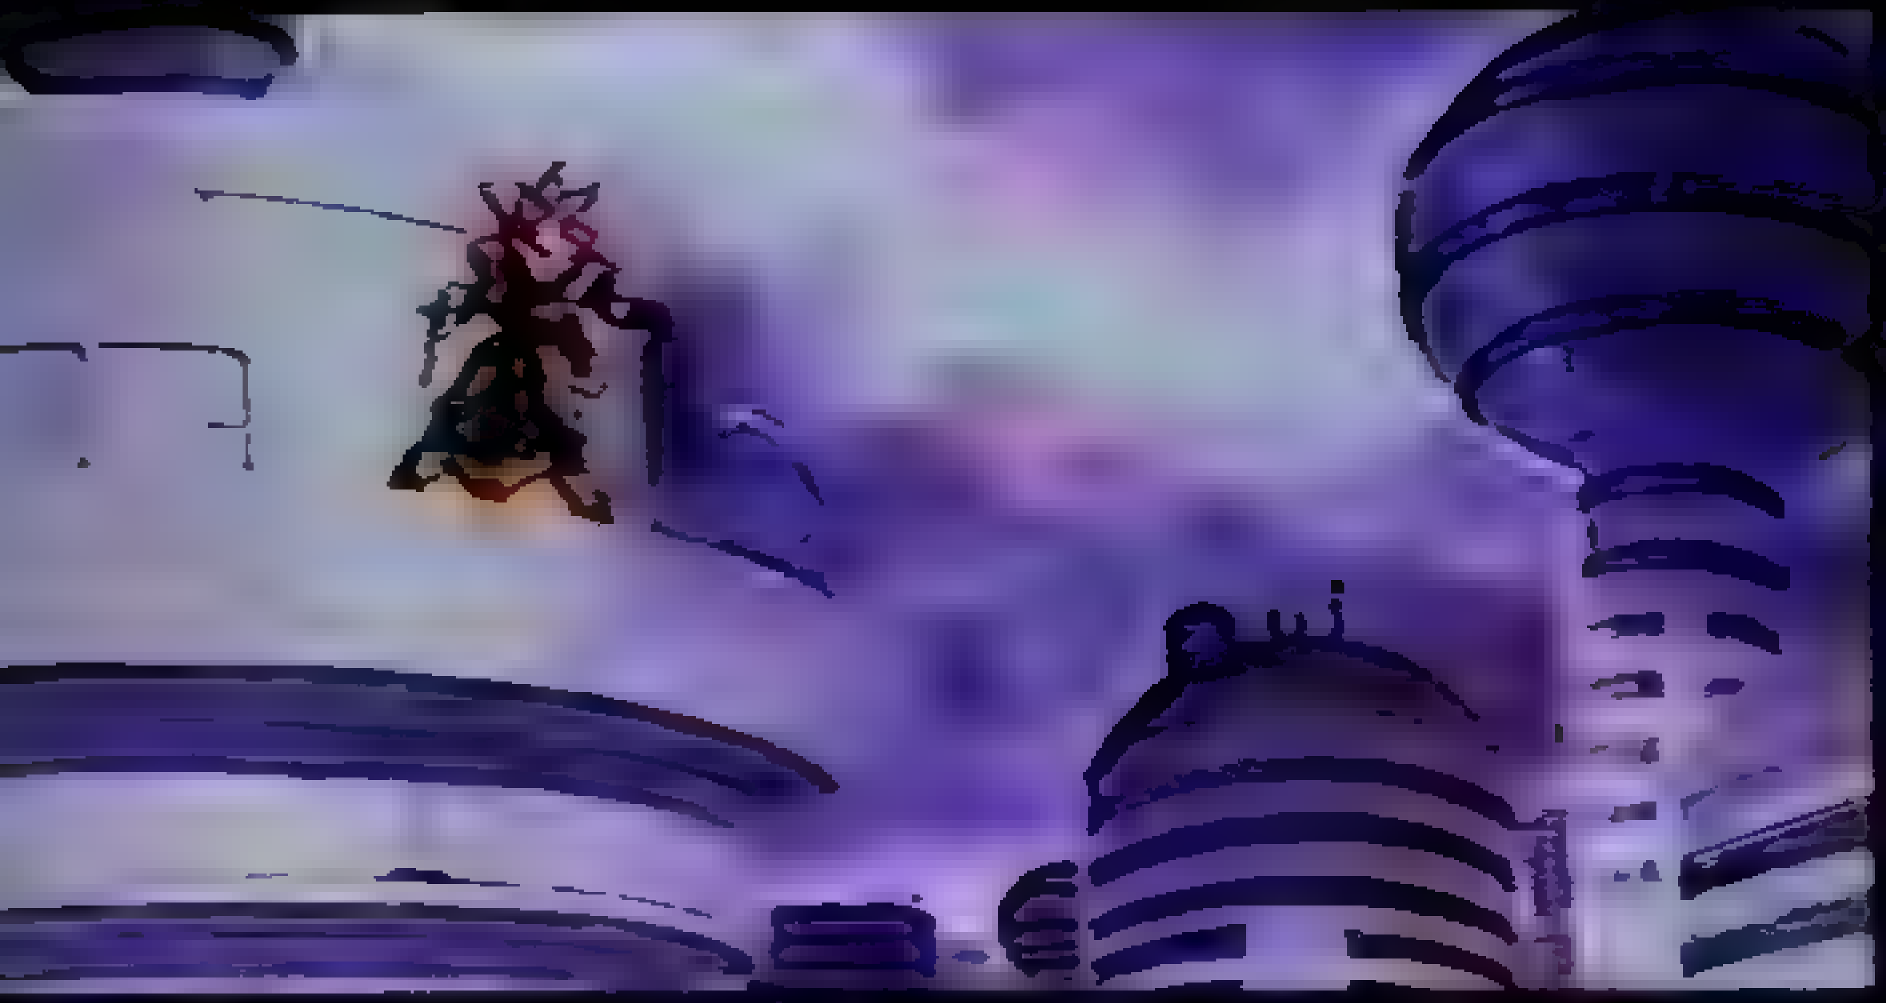

Dad!

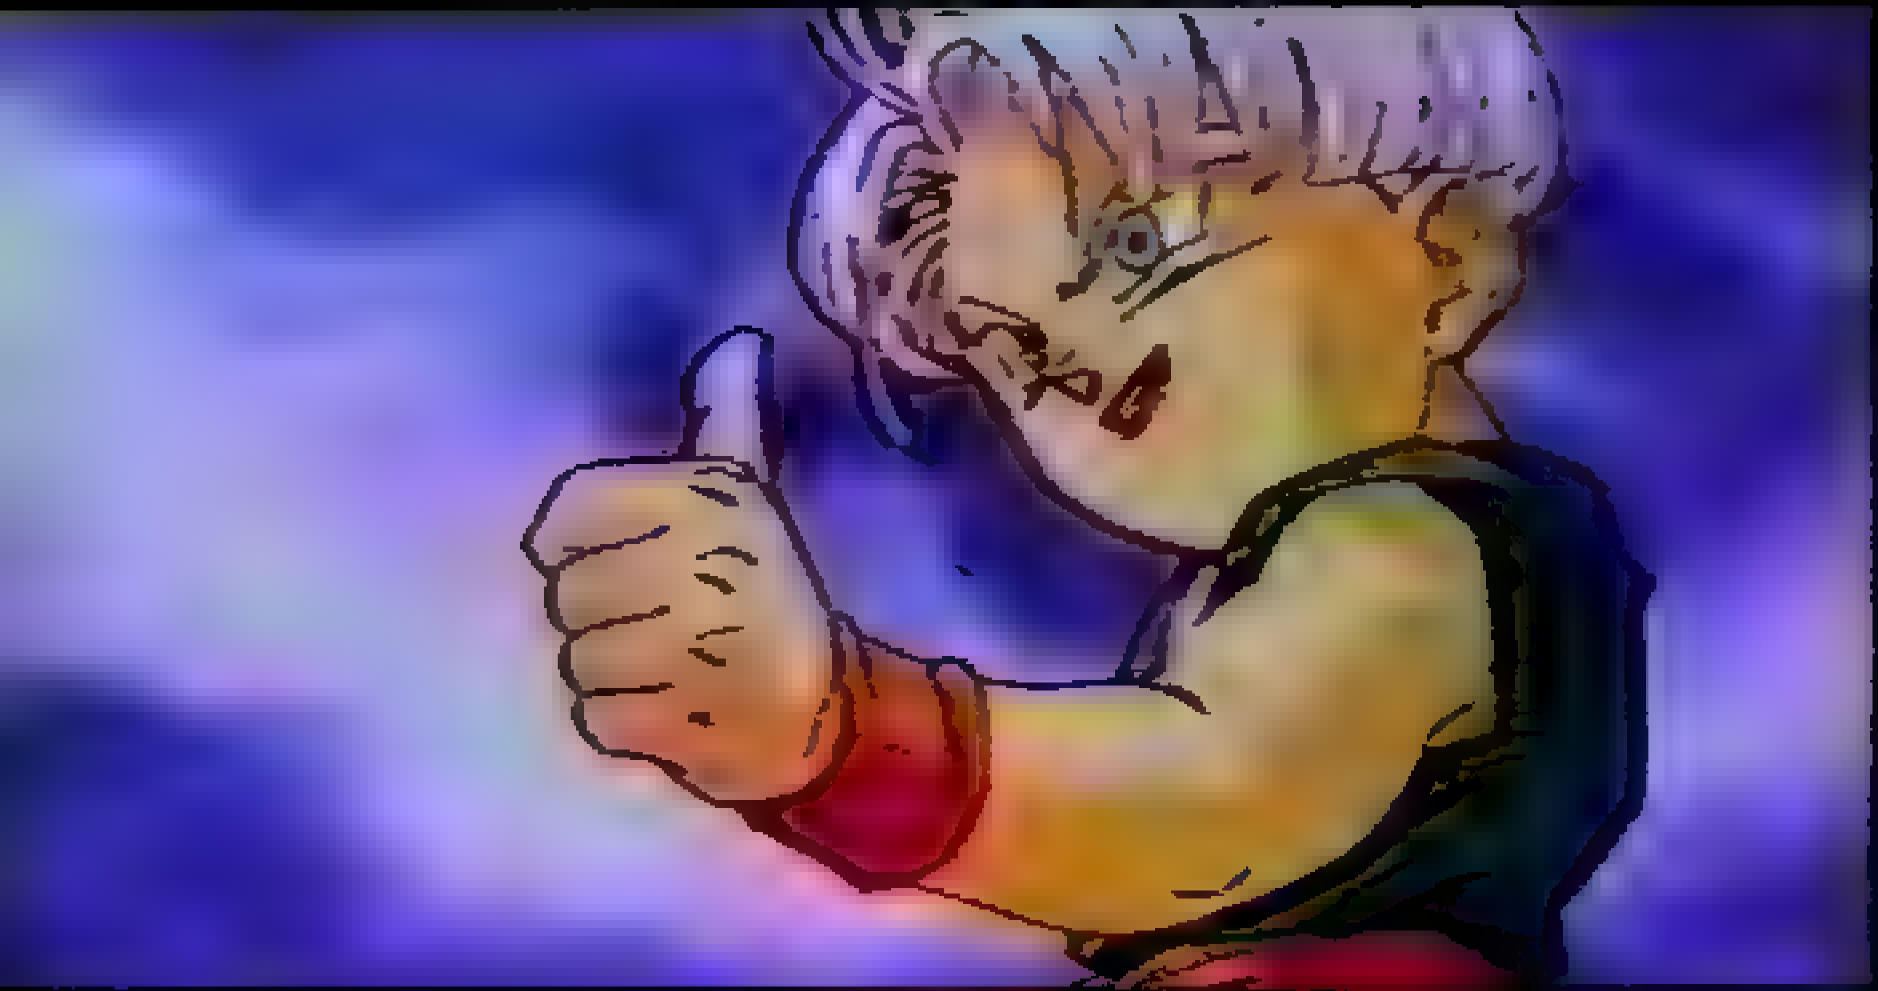

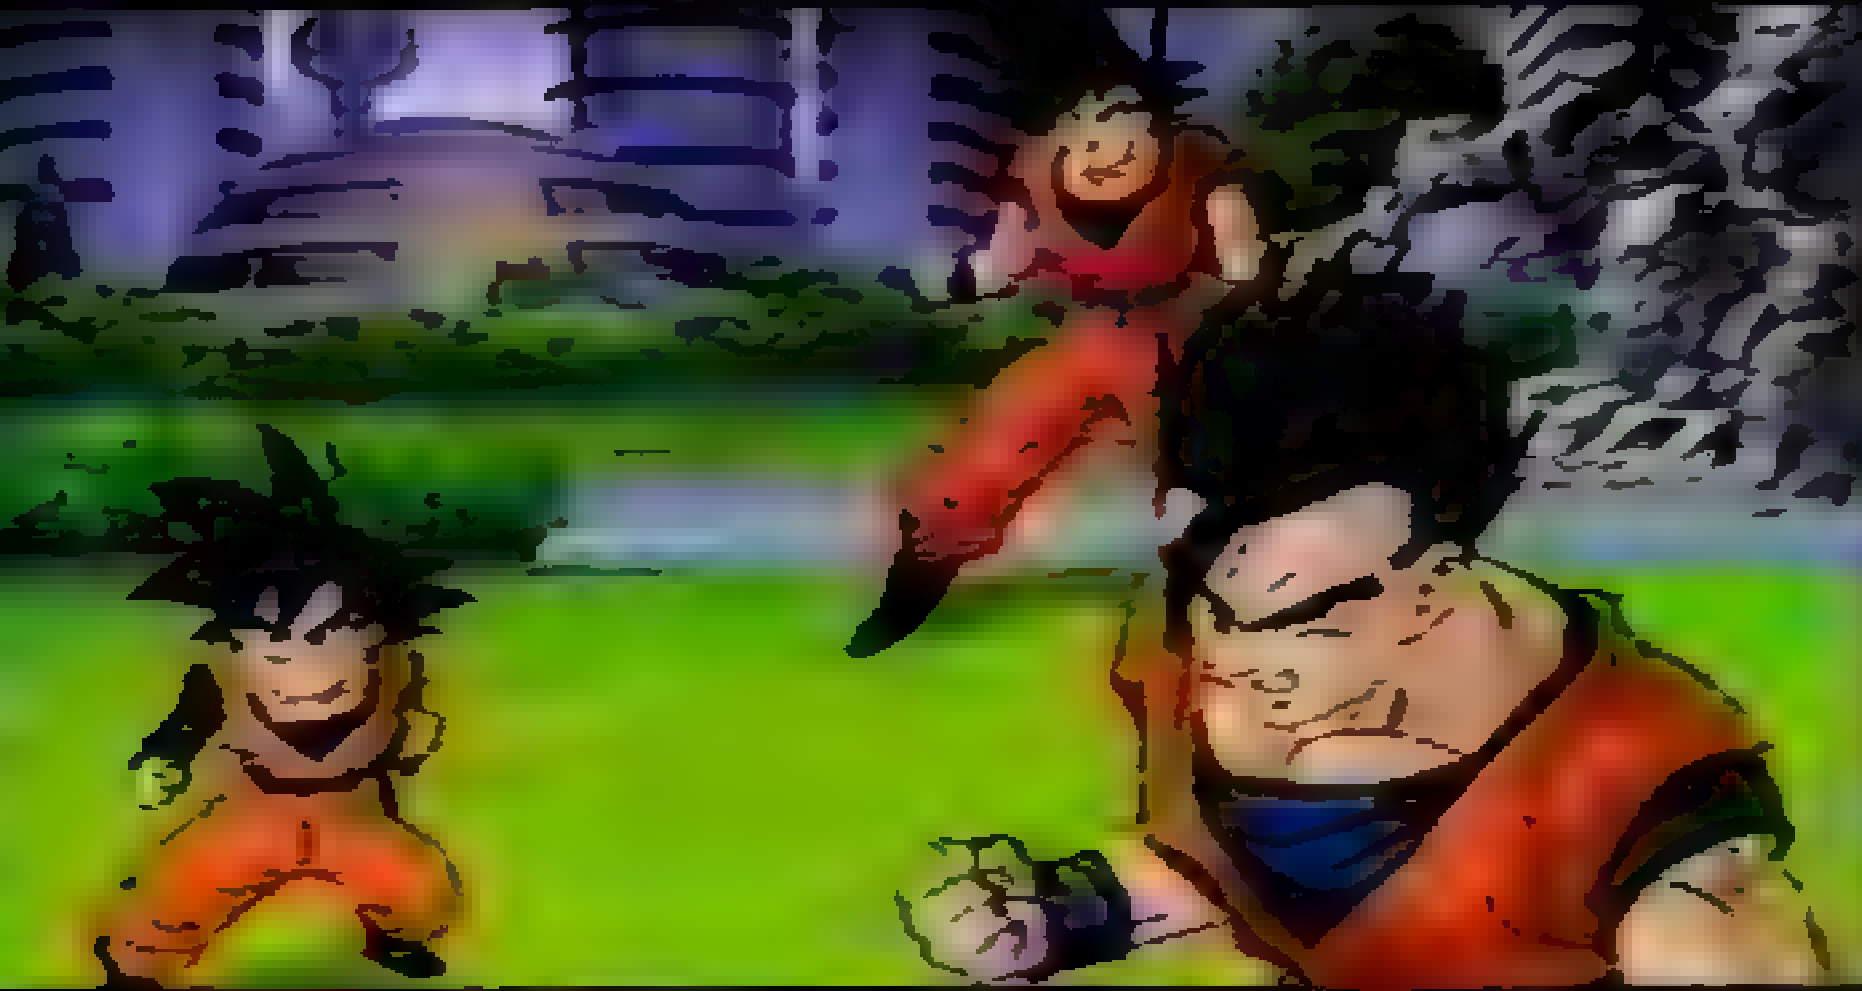

It's time for us to take over now.

Big brother, you stay
over here where it's safe!

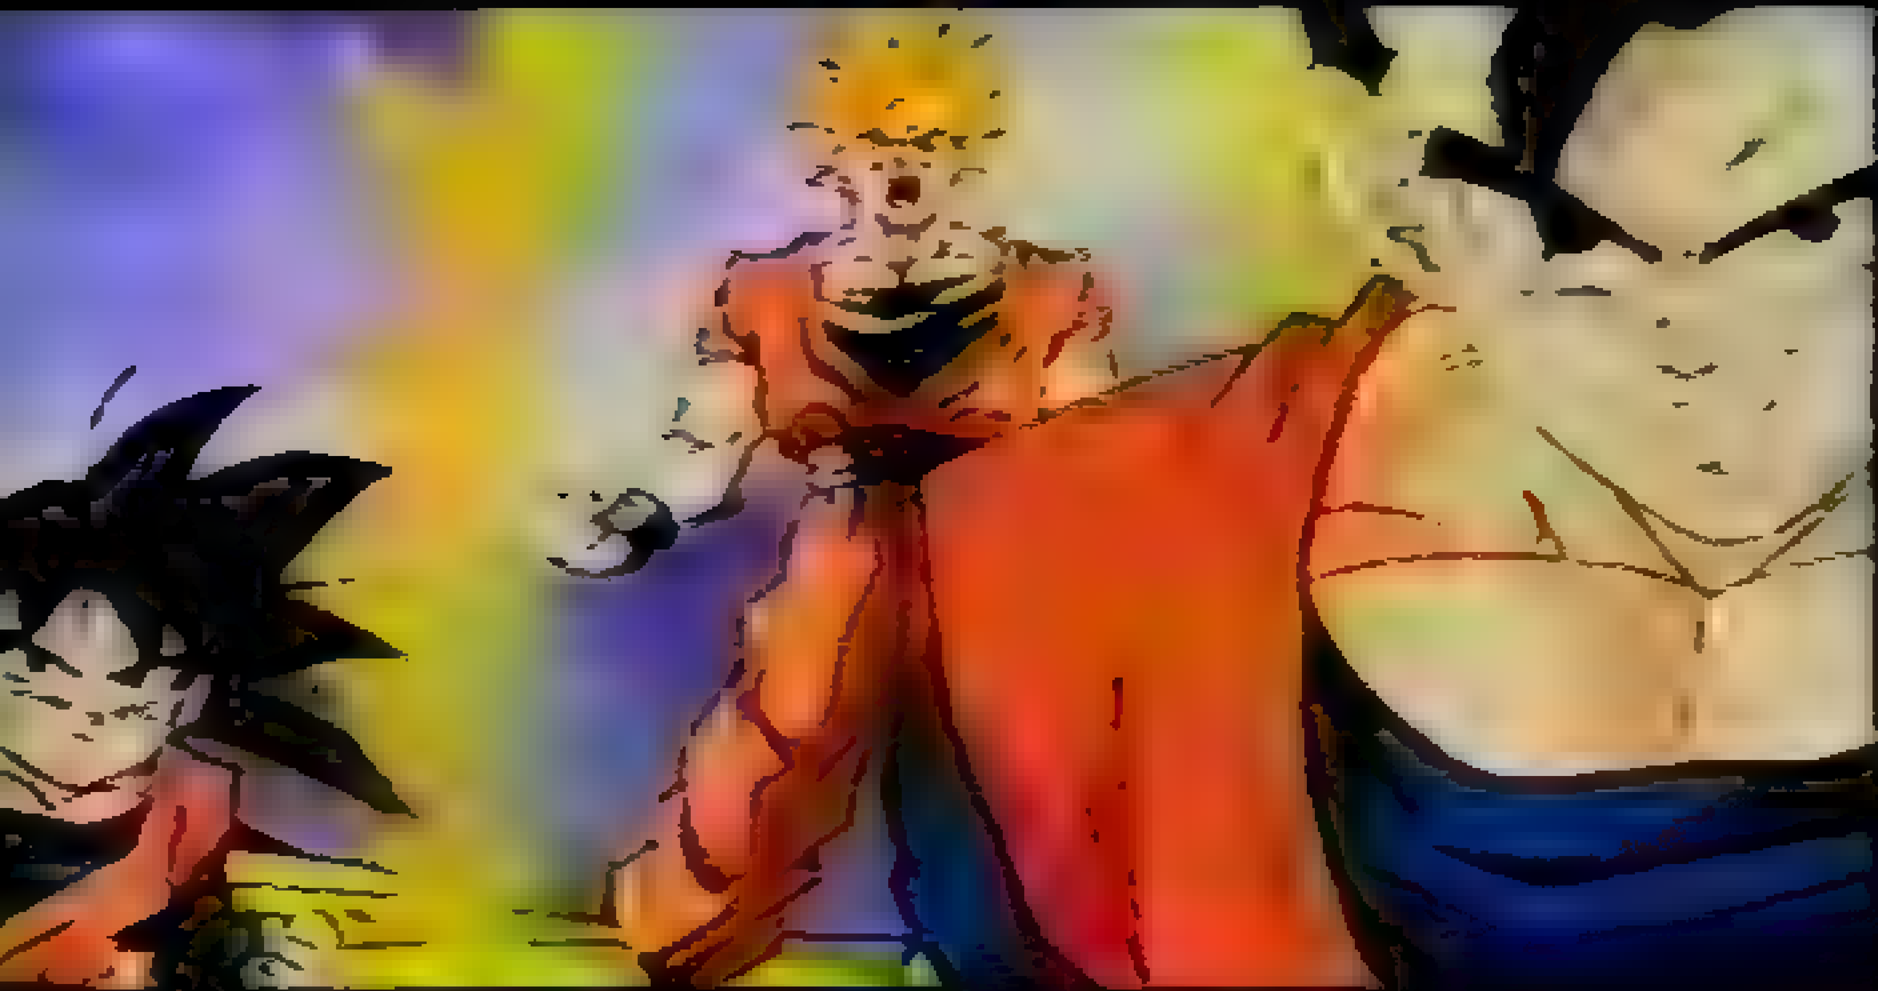

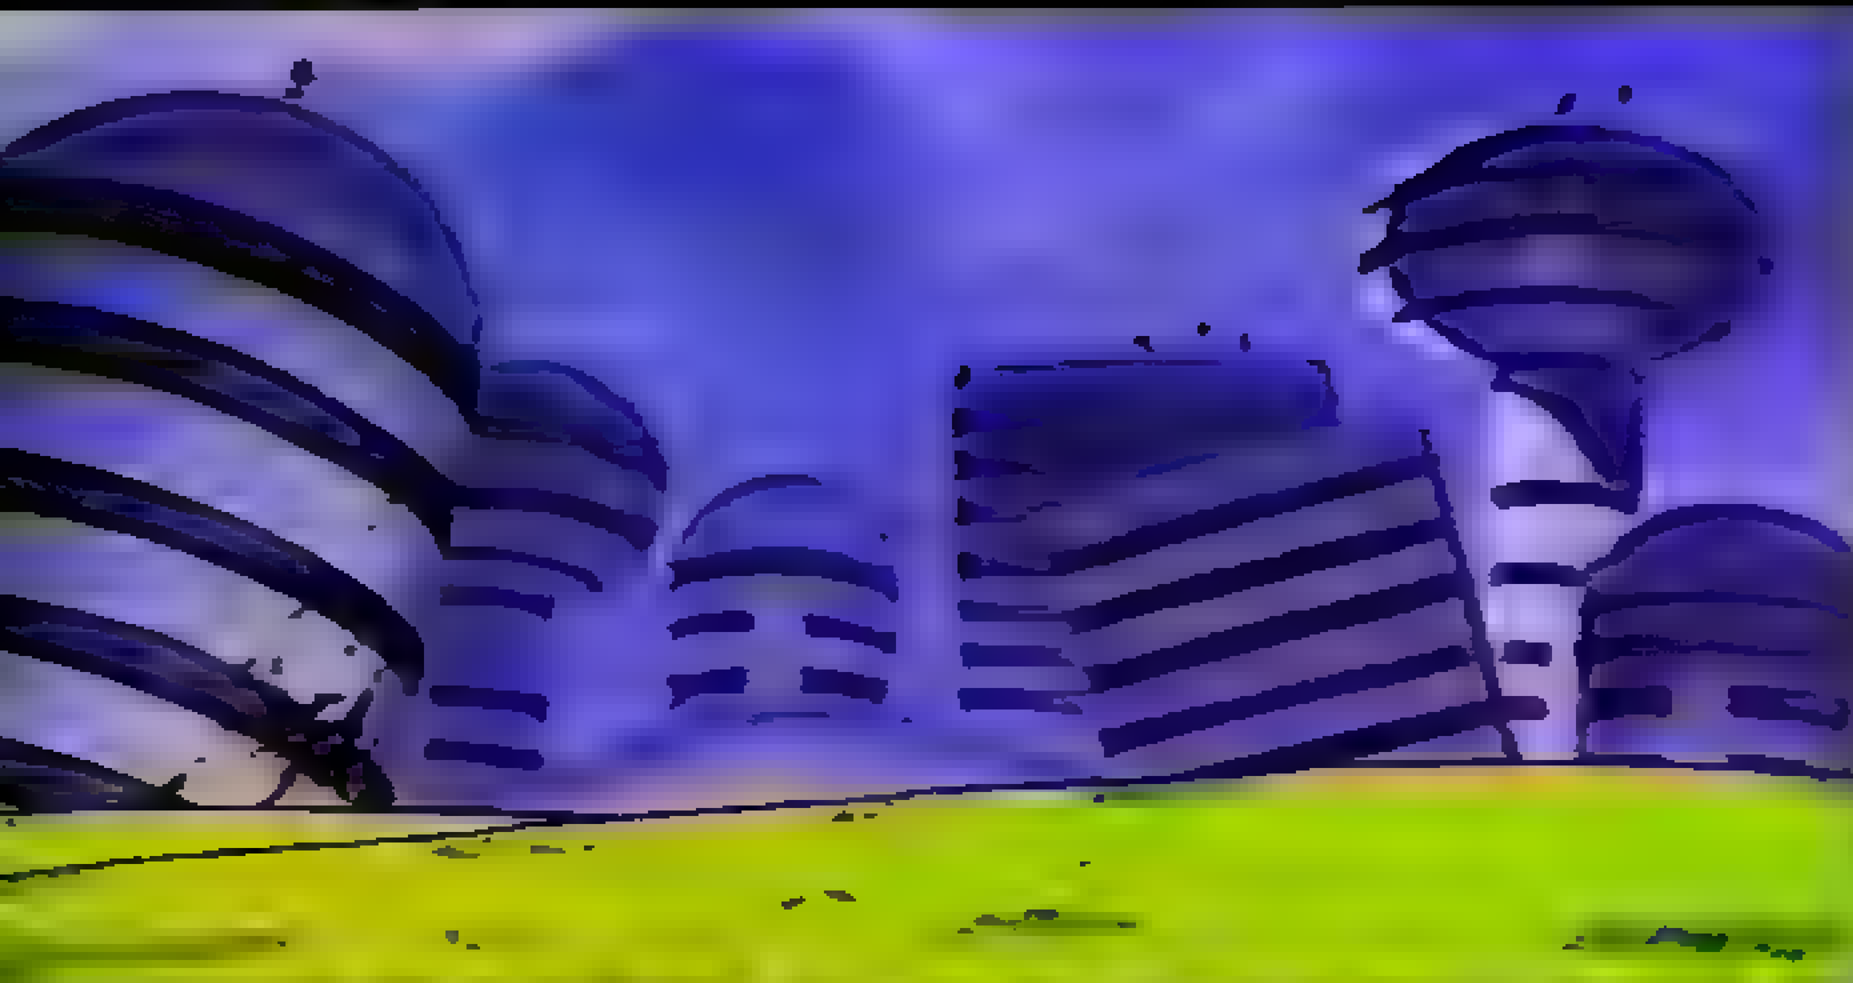

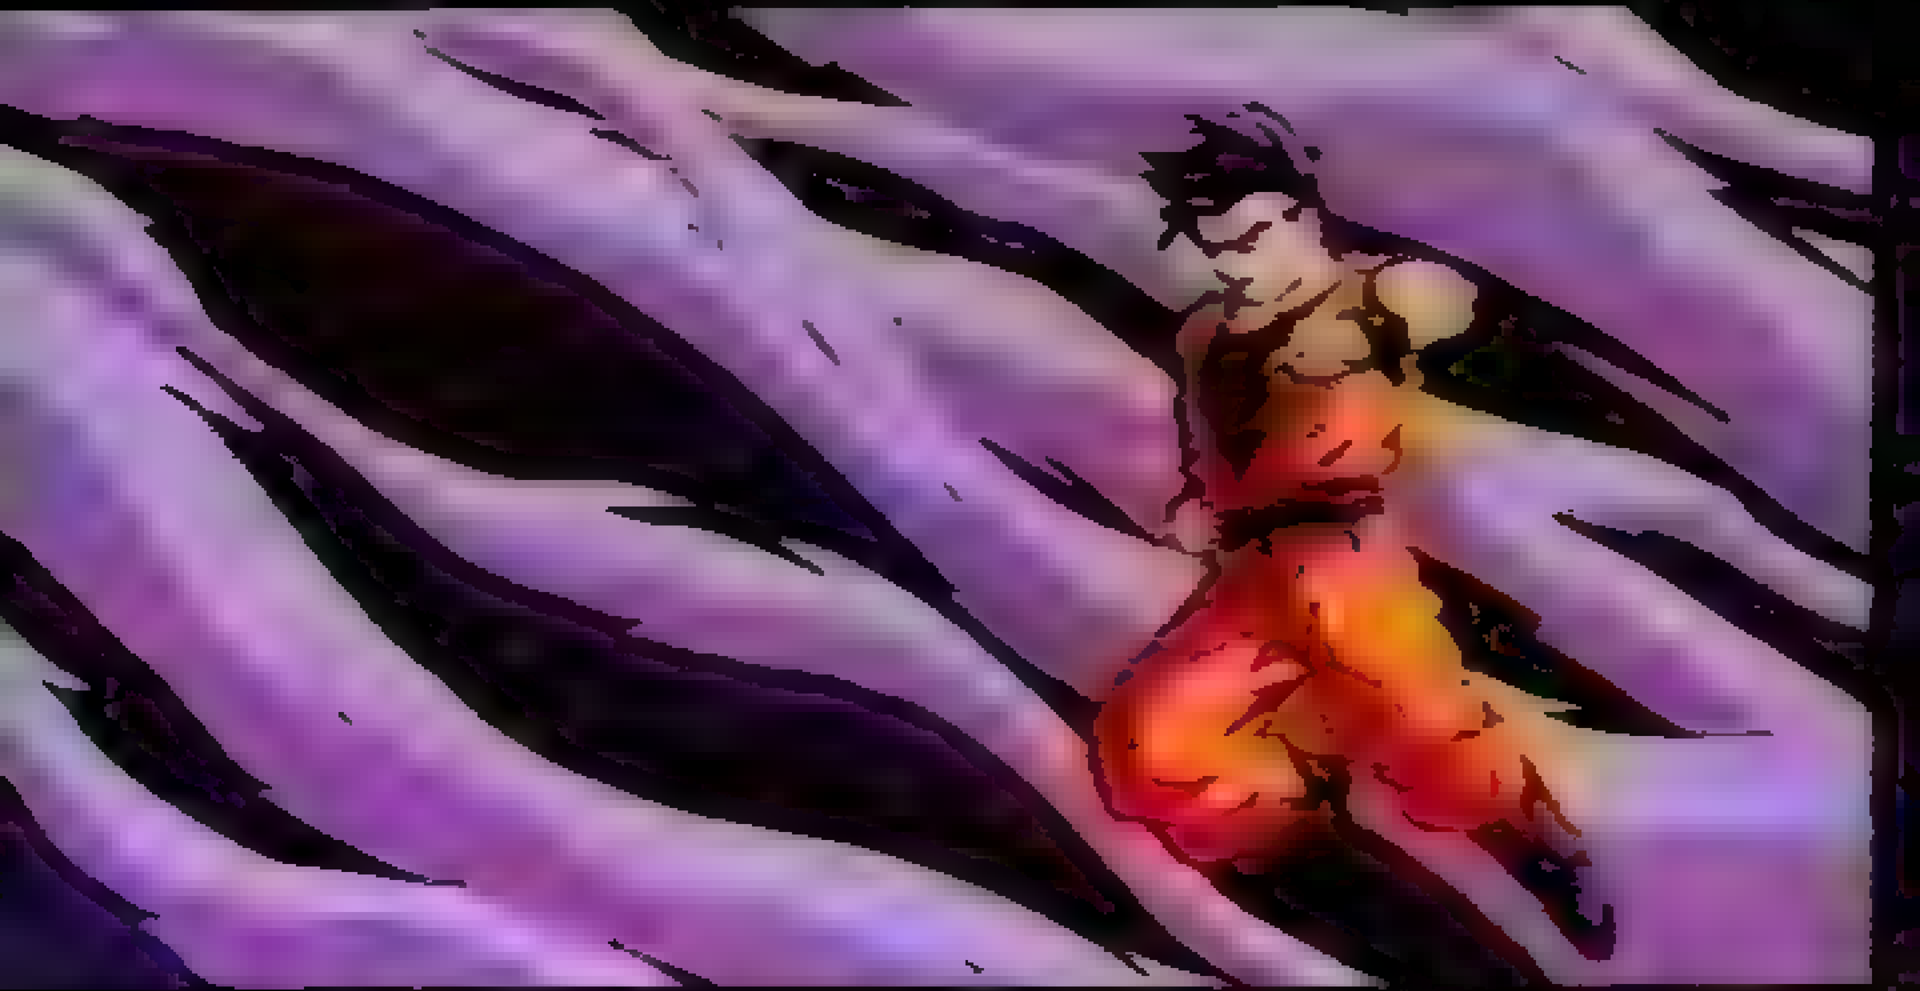

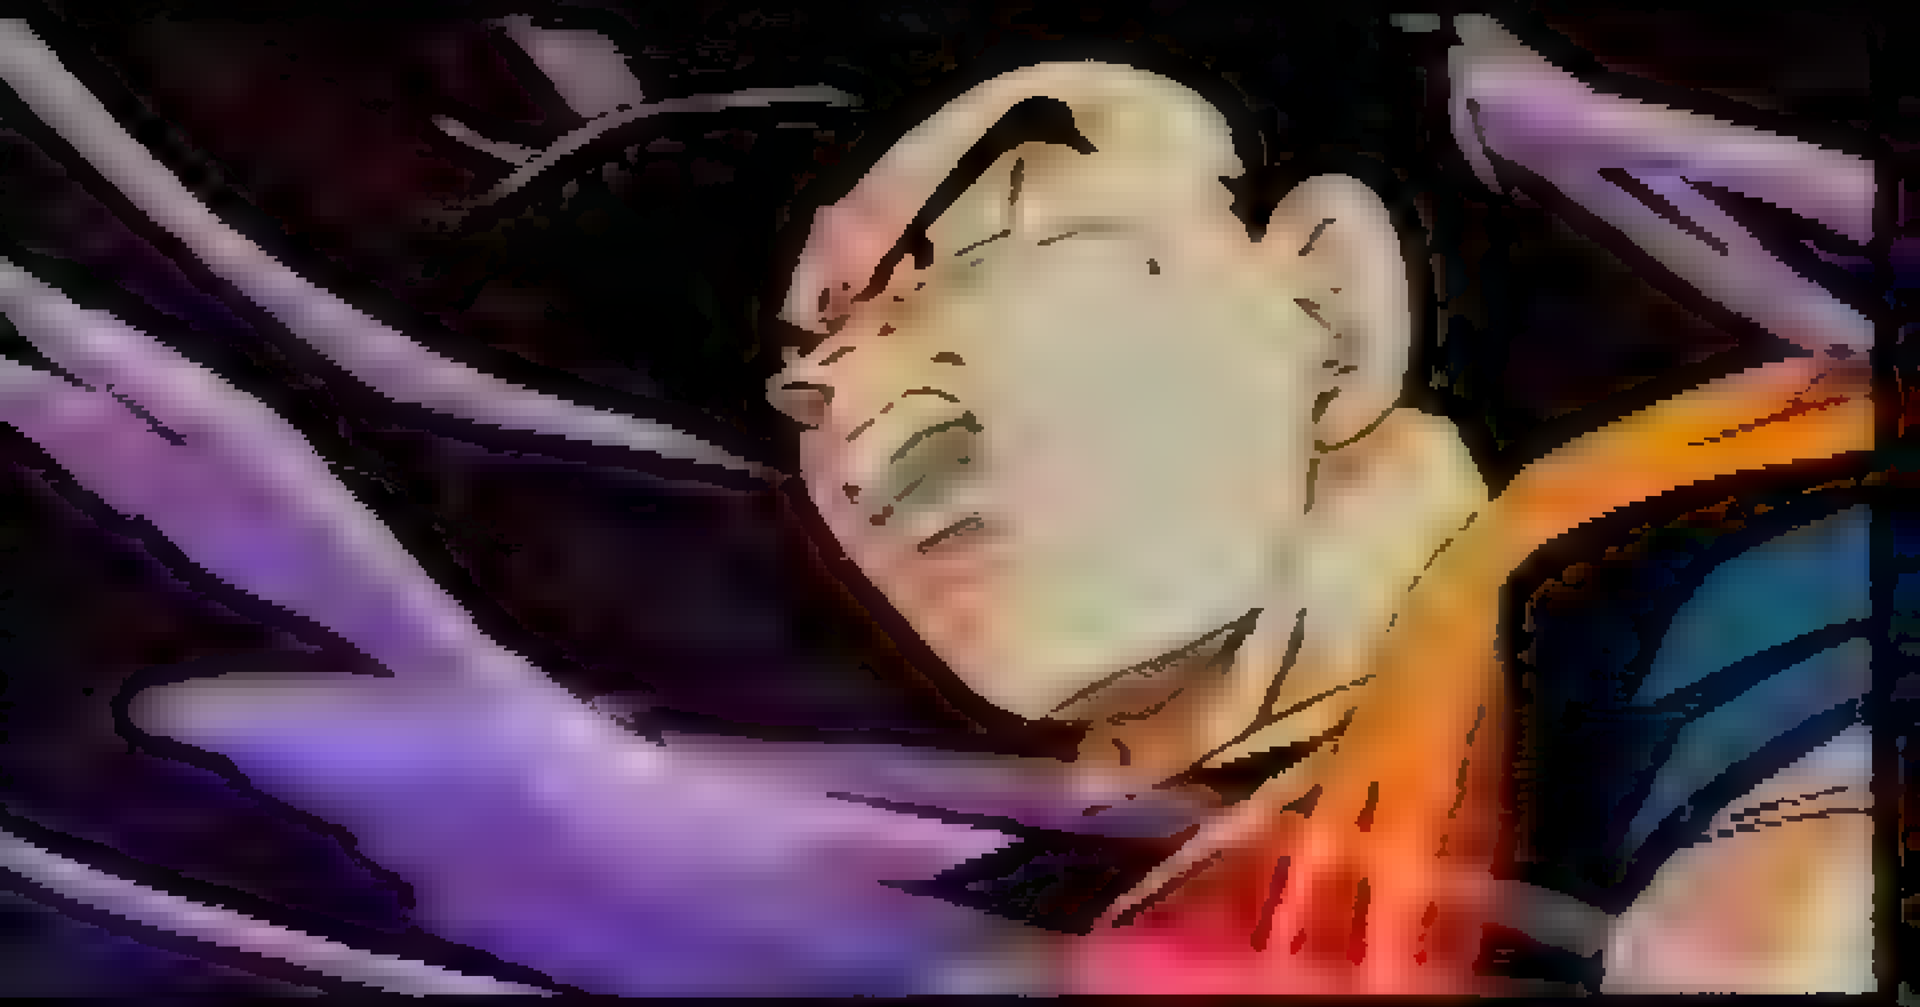

I will not let you do this!

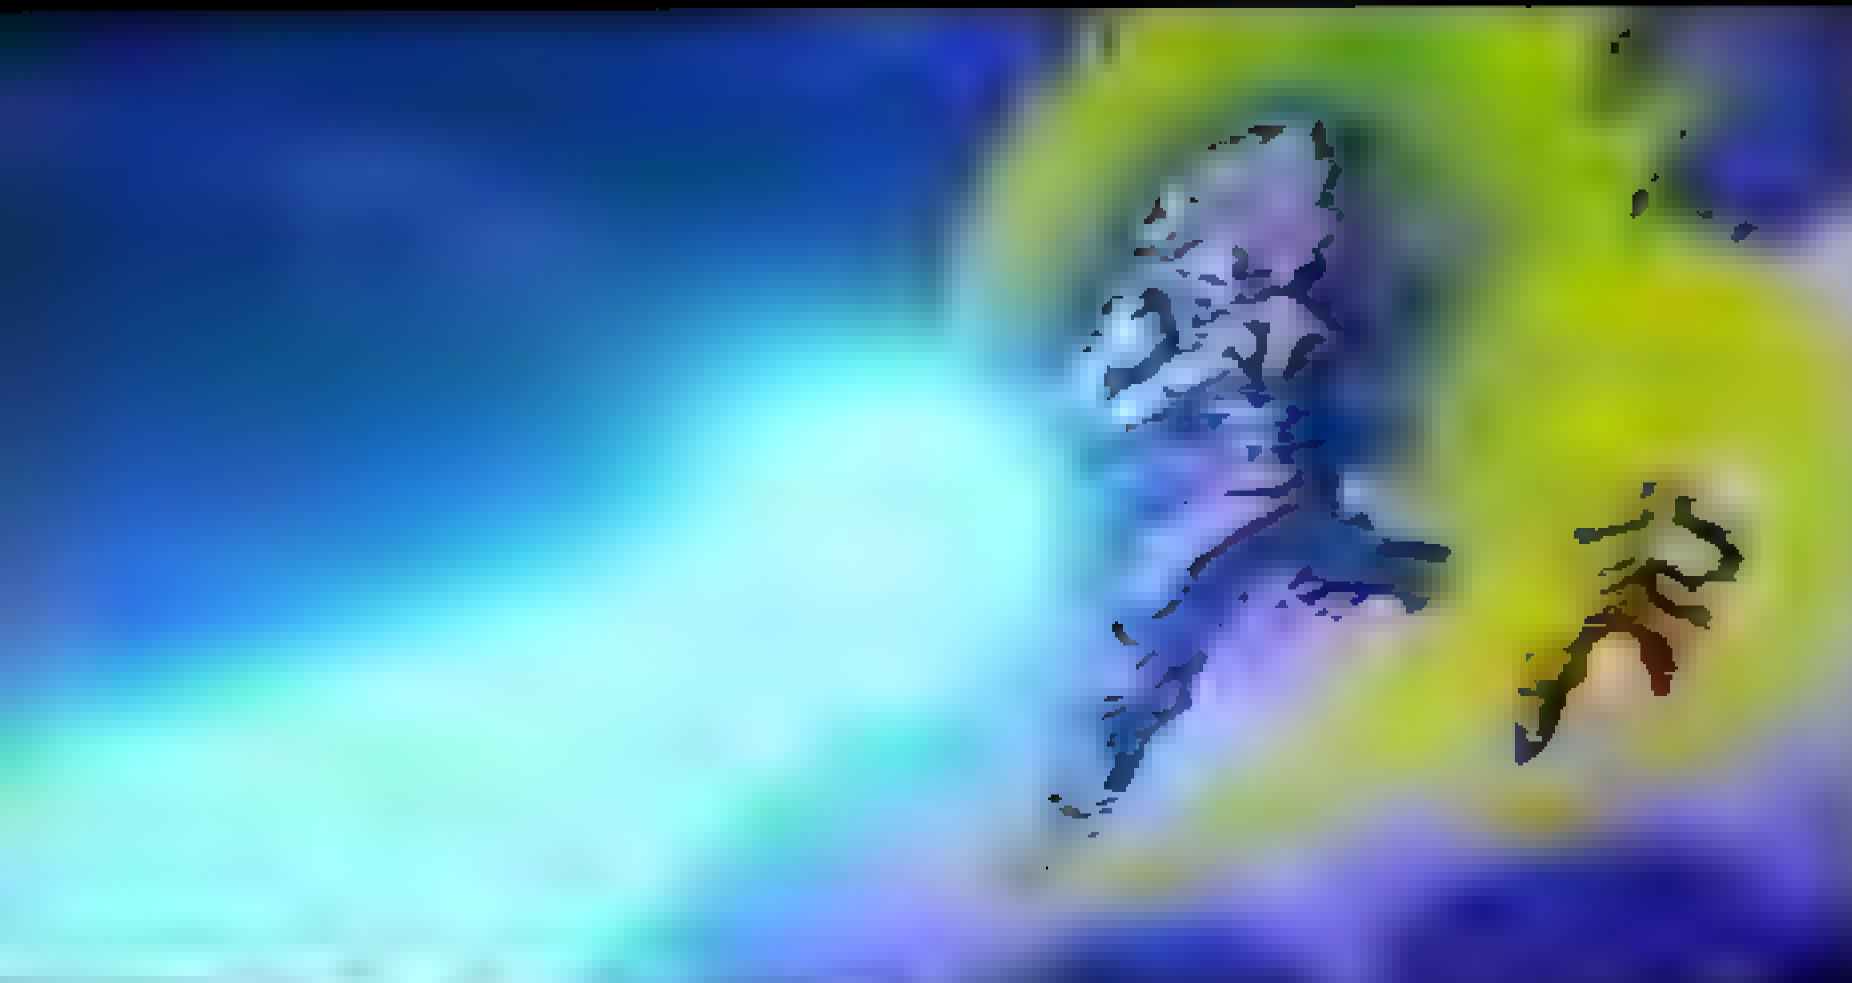

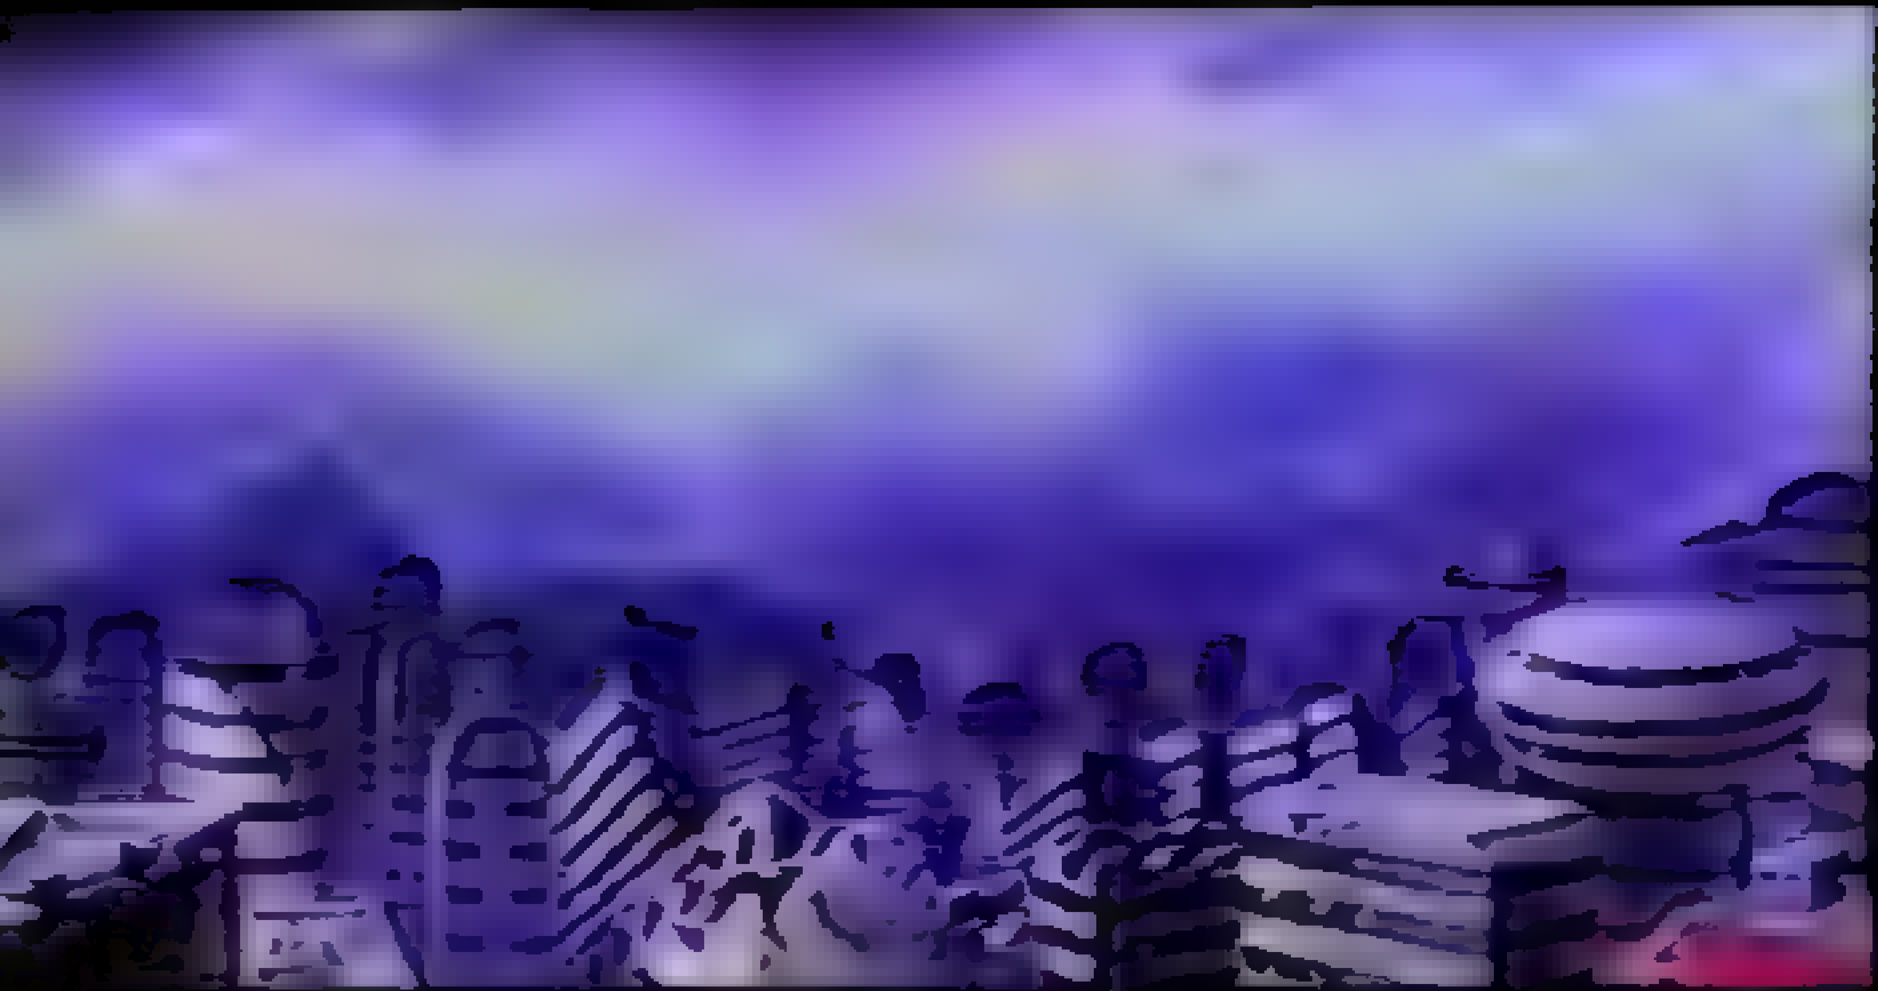

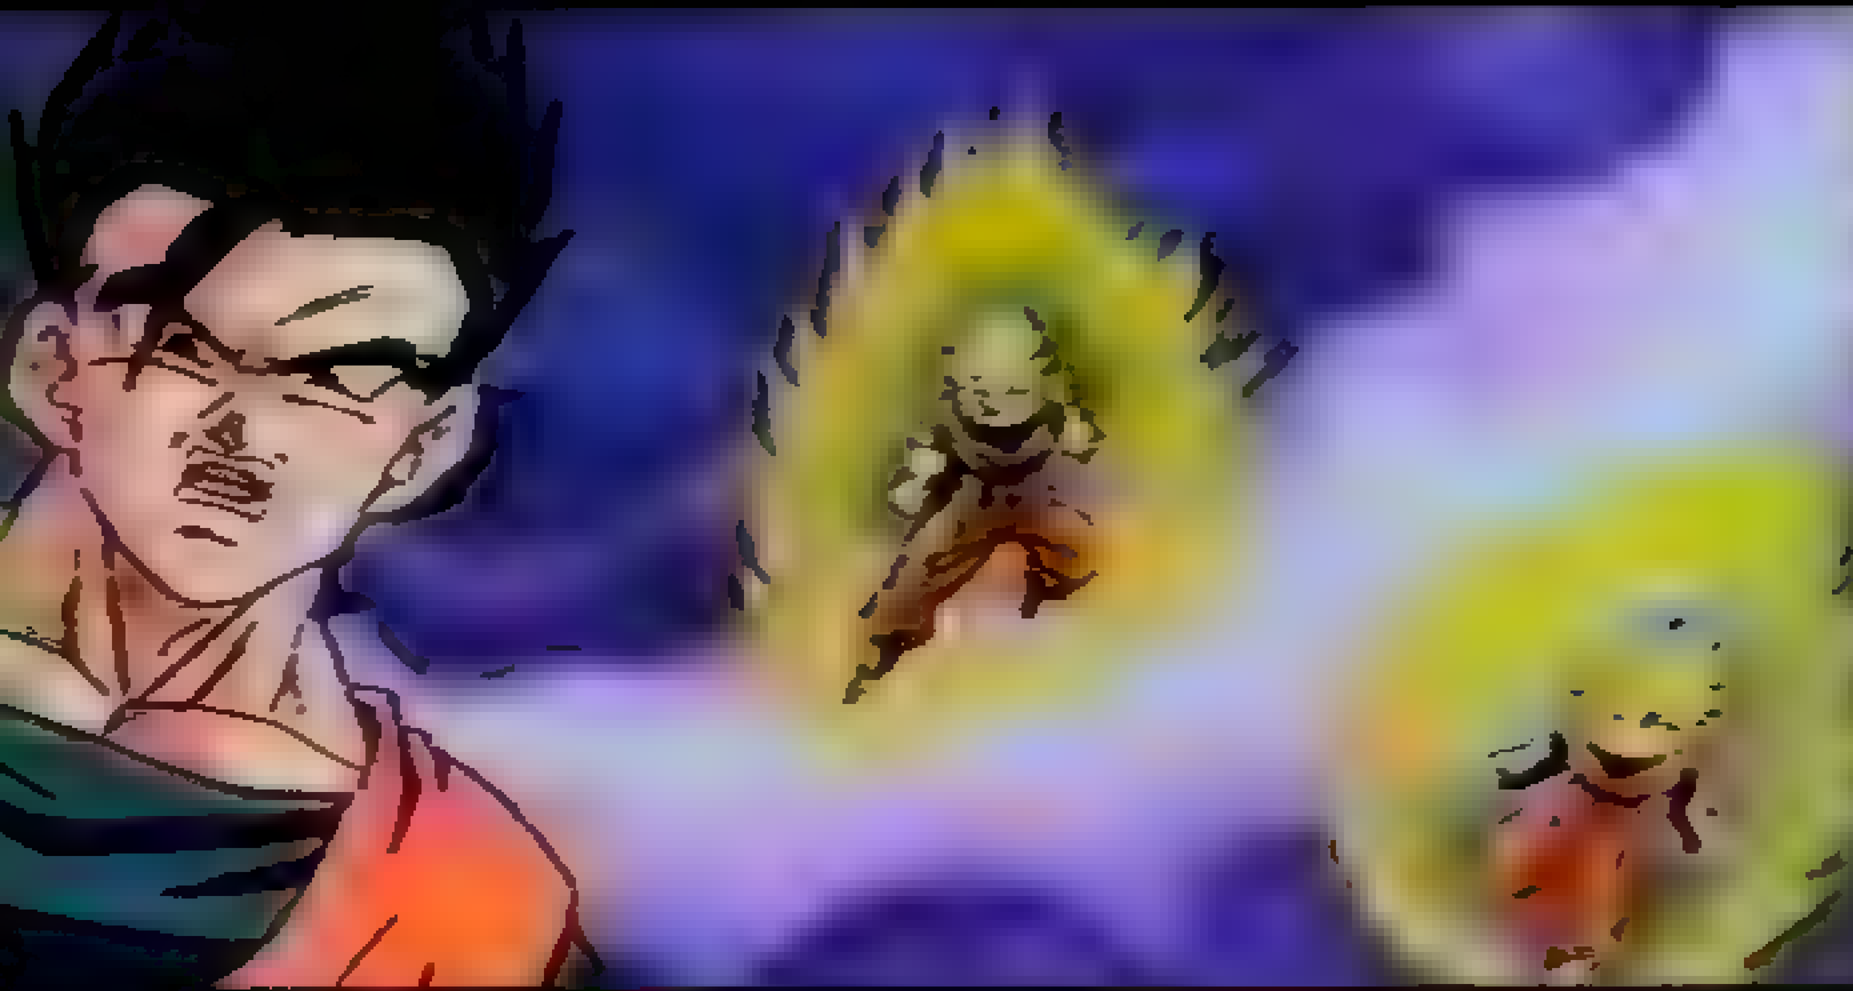

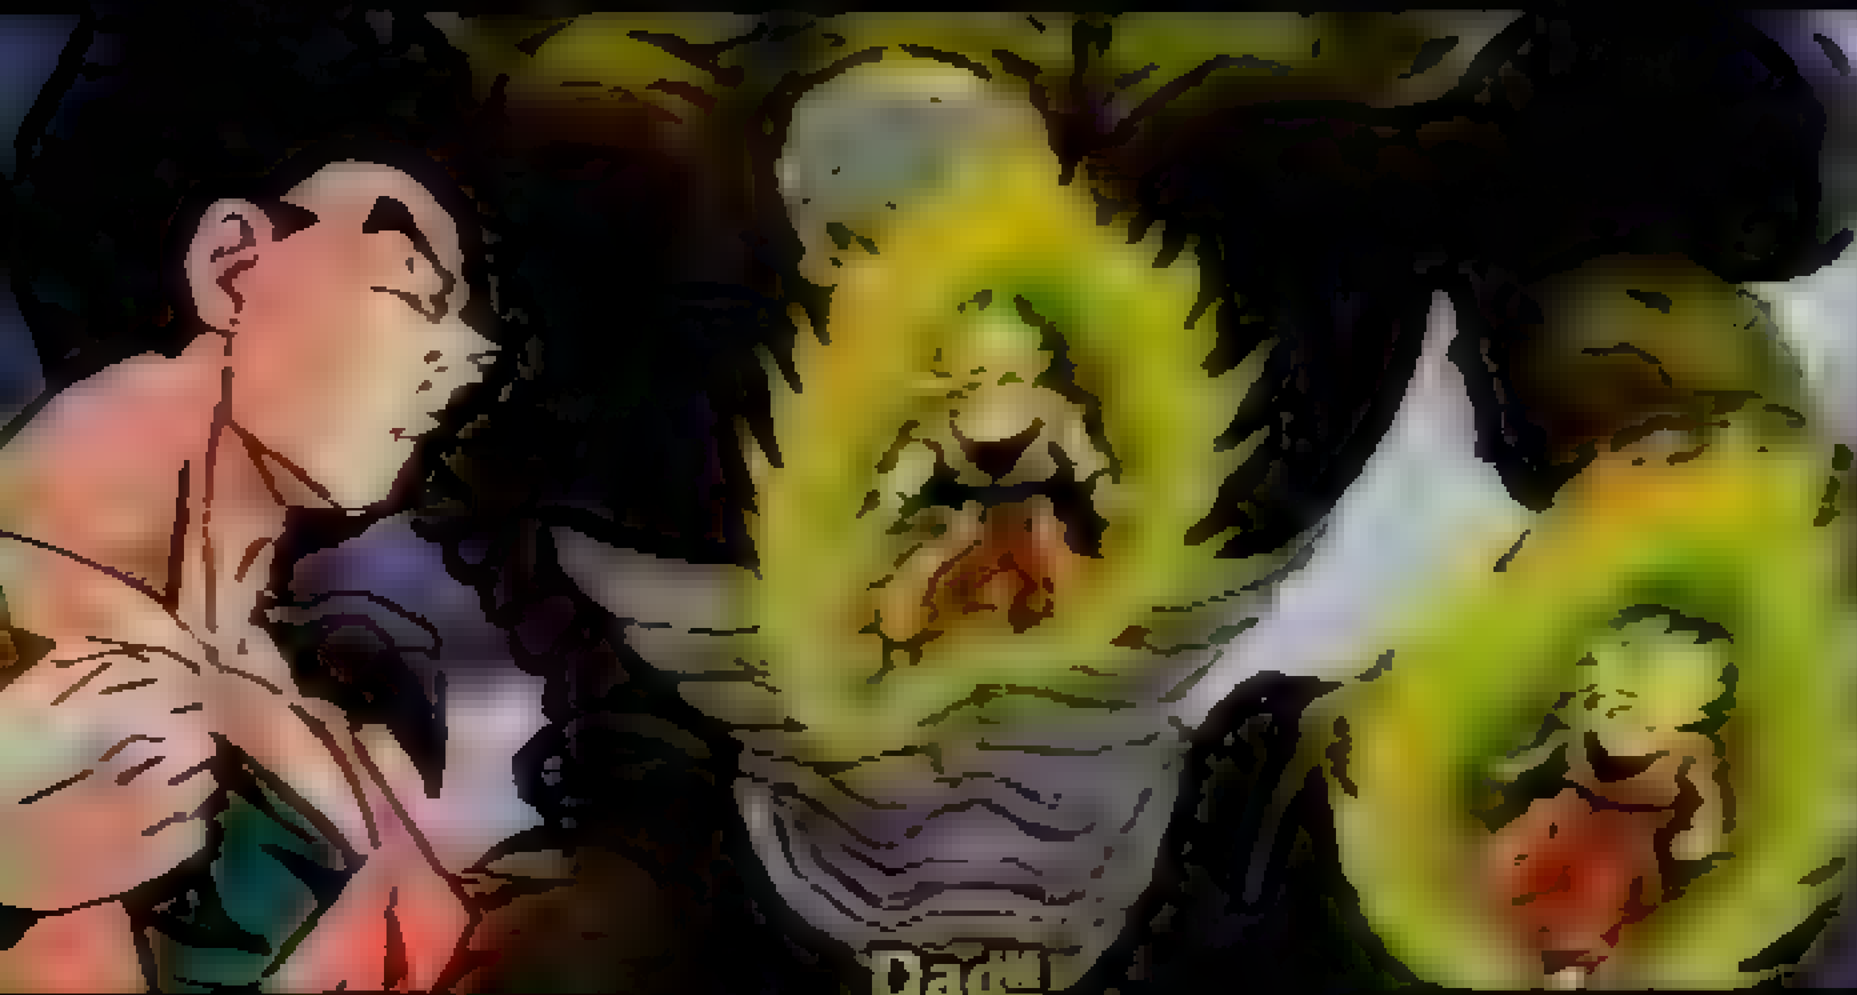

His speed is increasing.

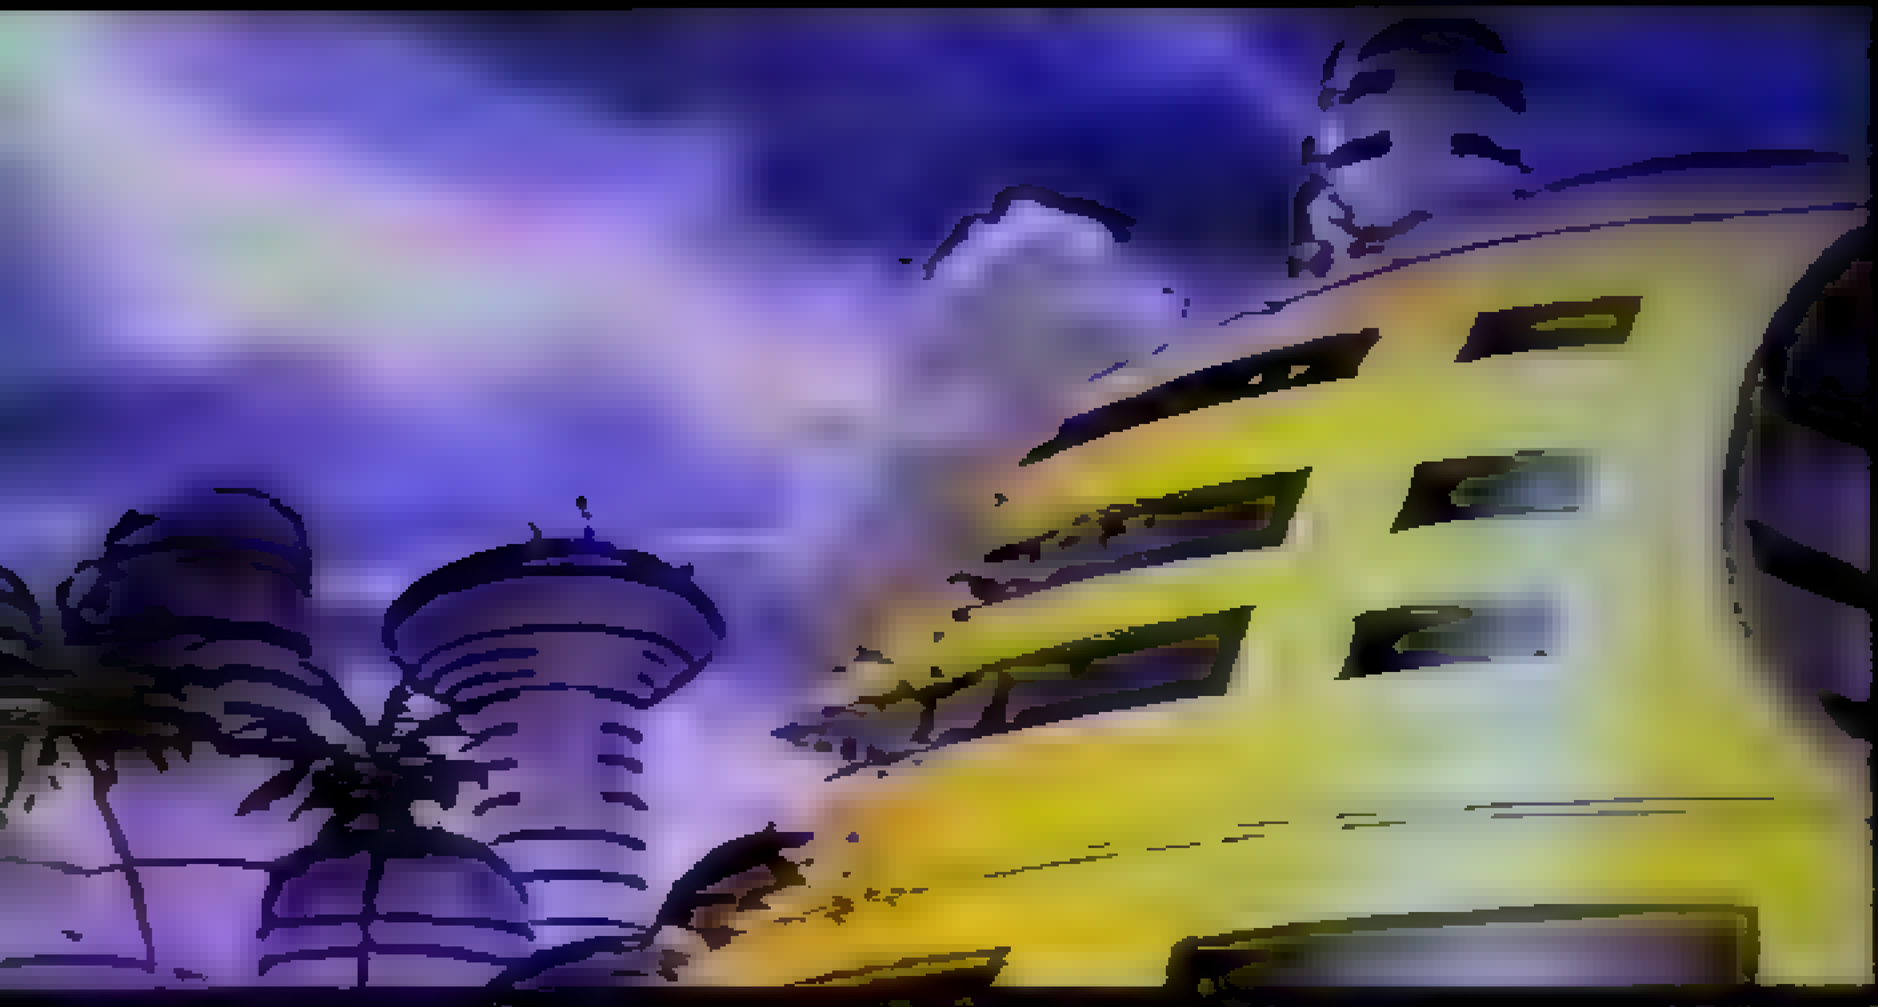

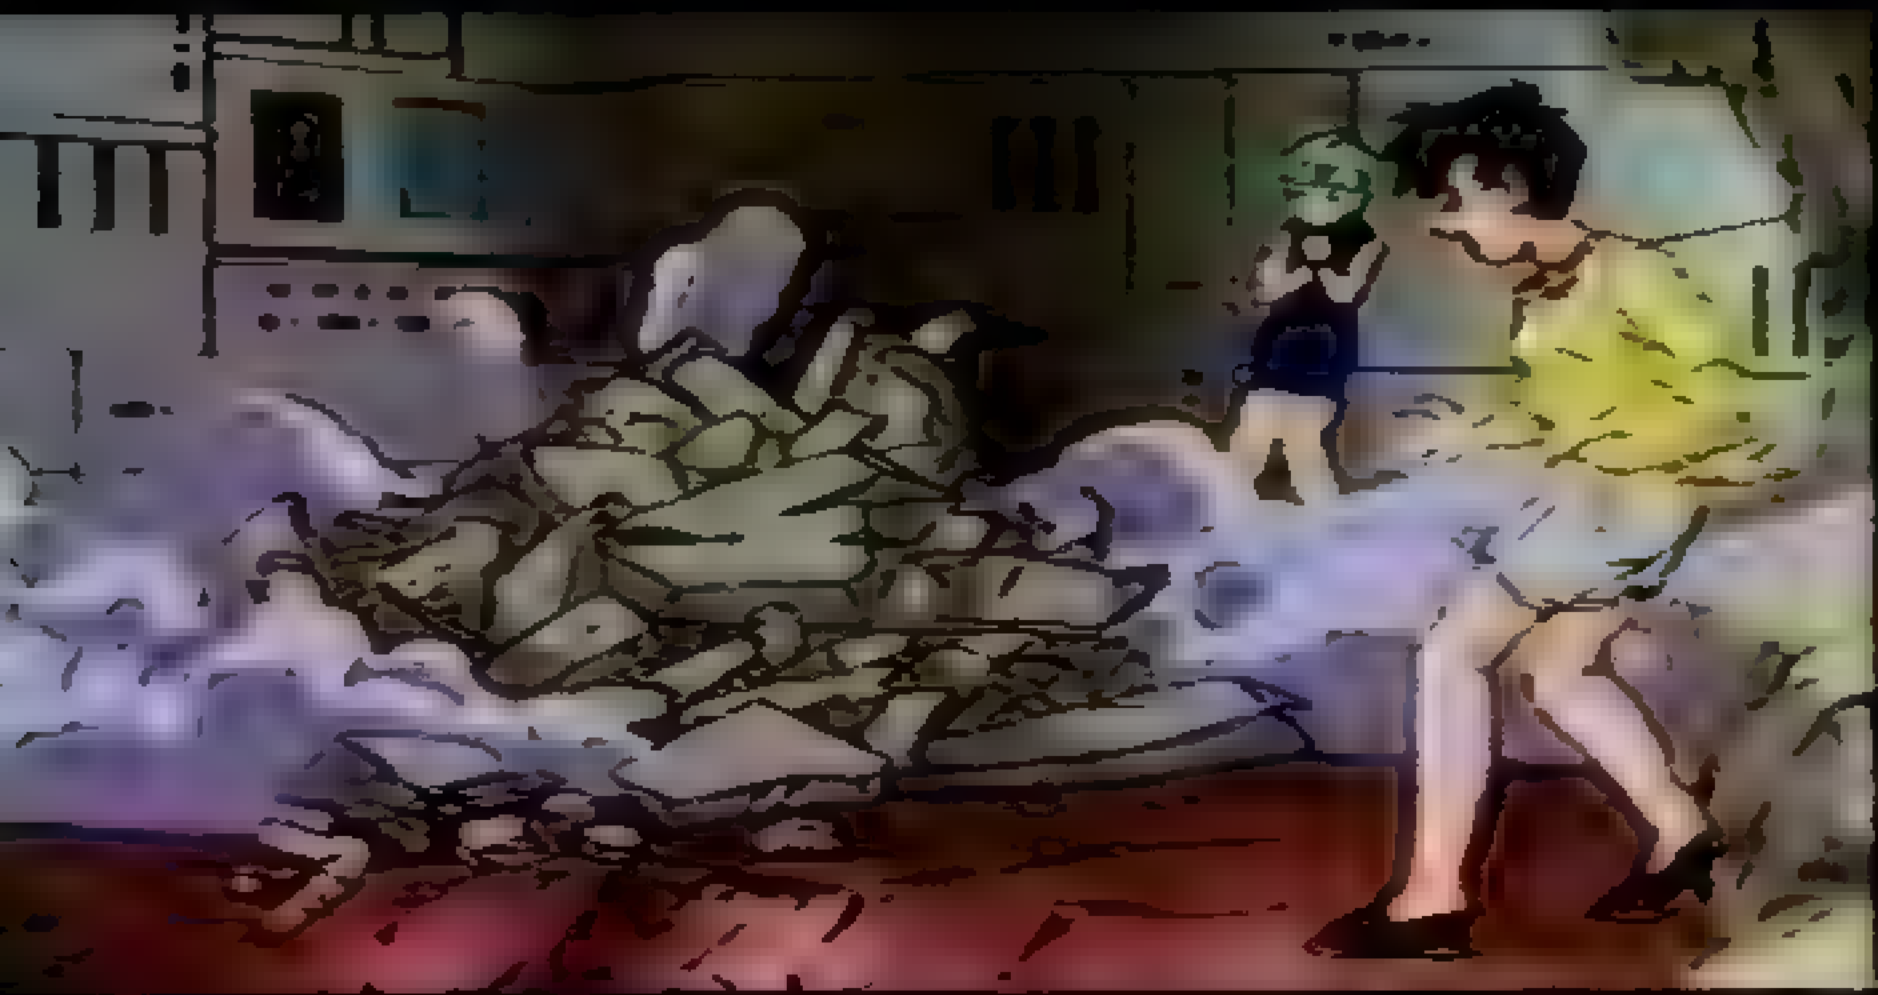

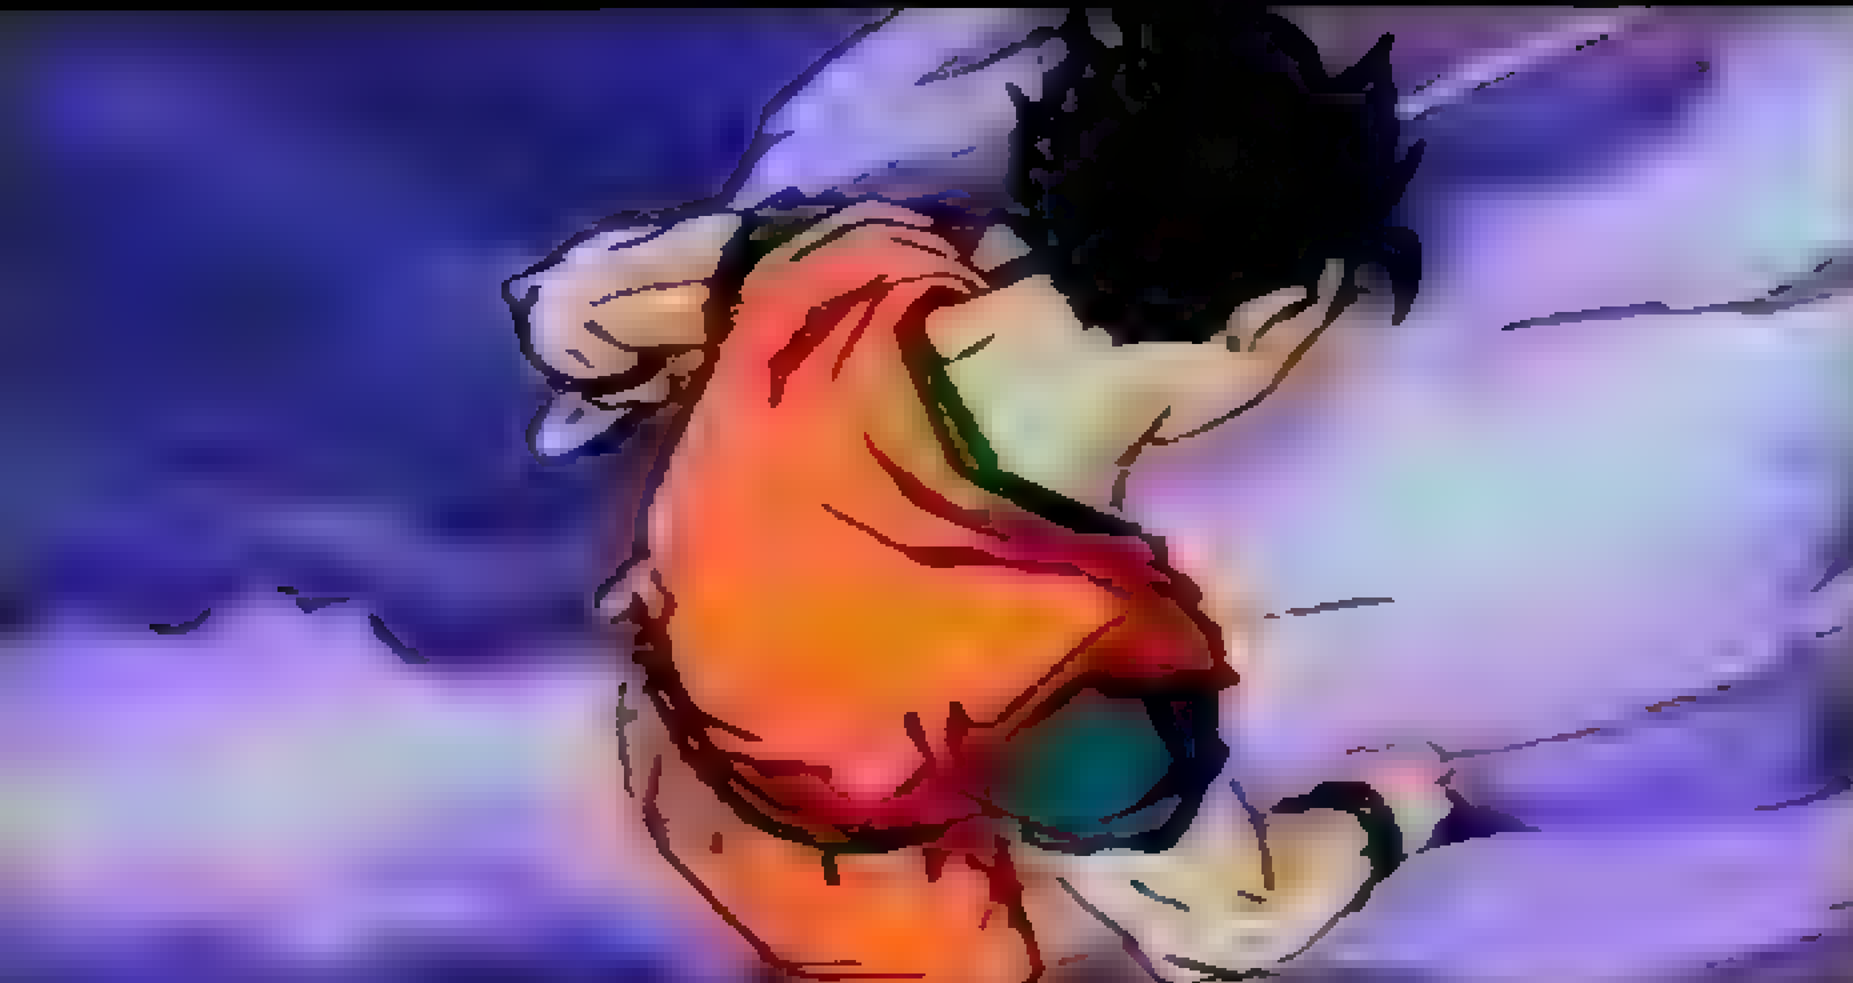

Dad

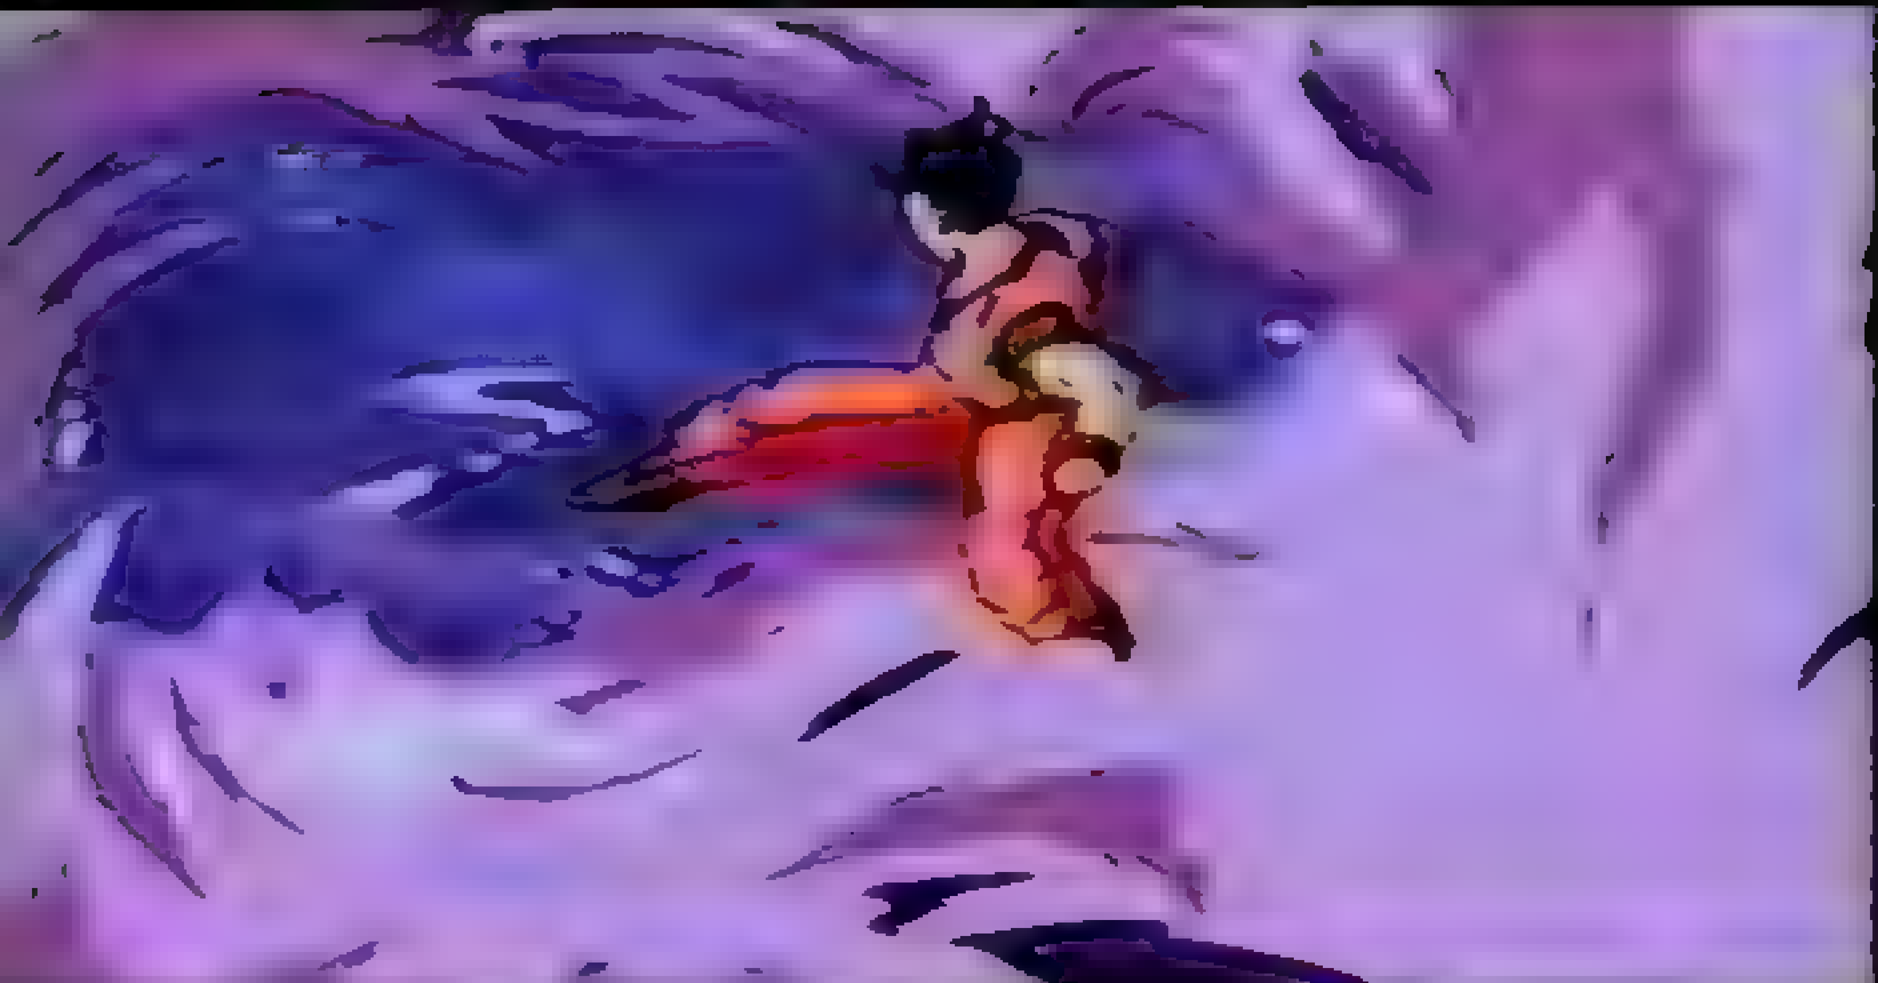

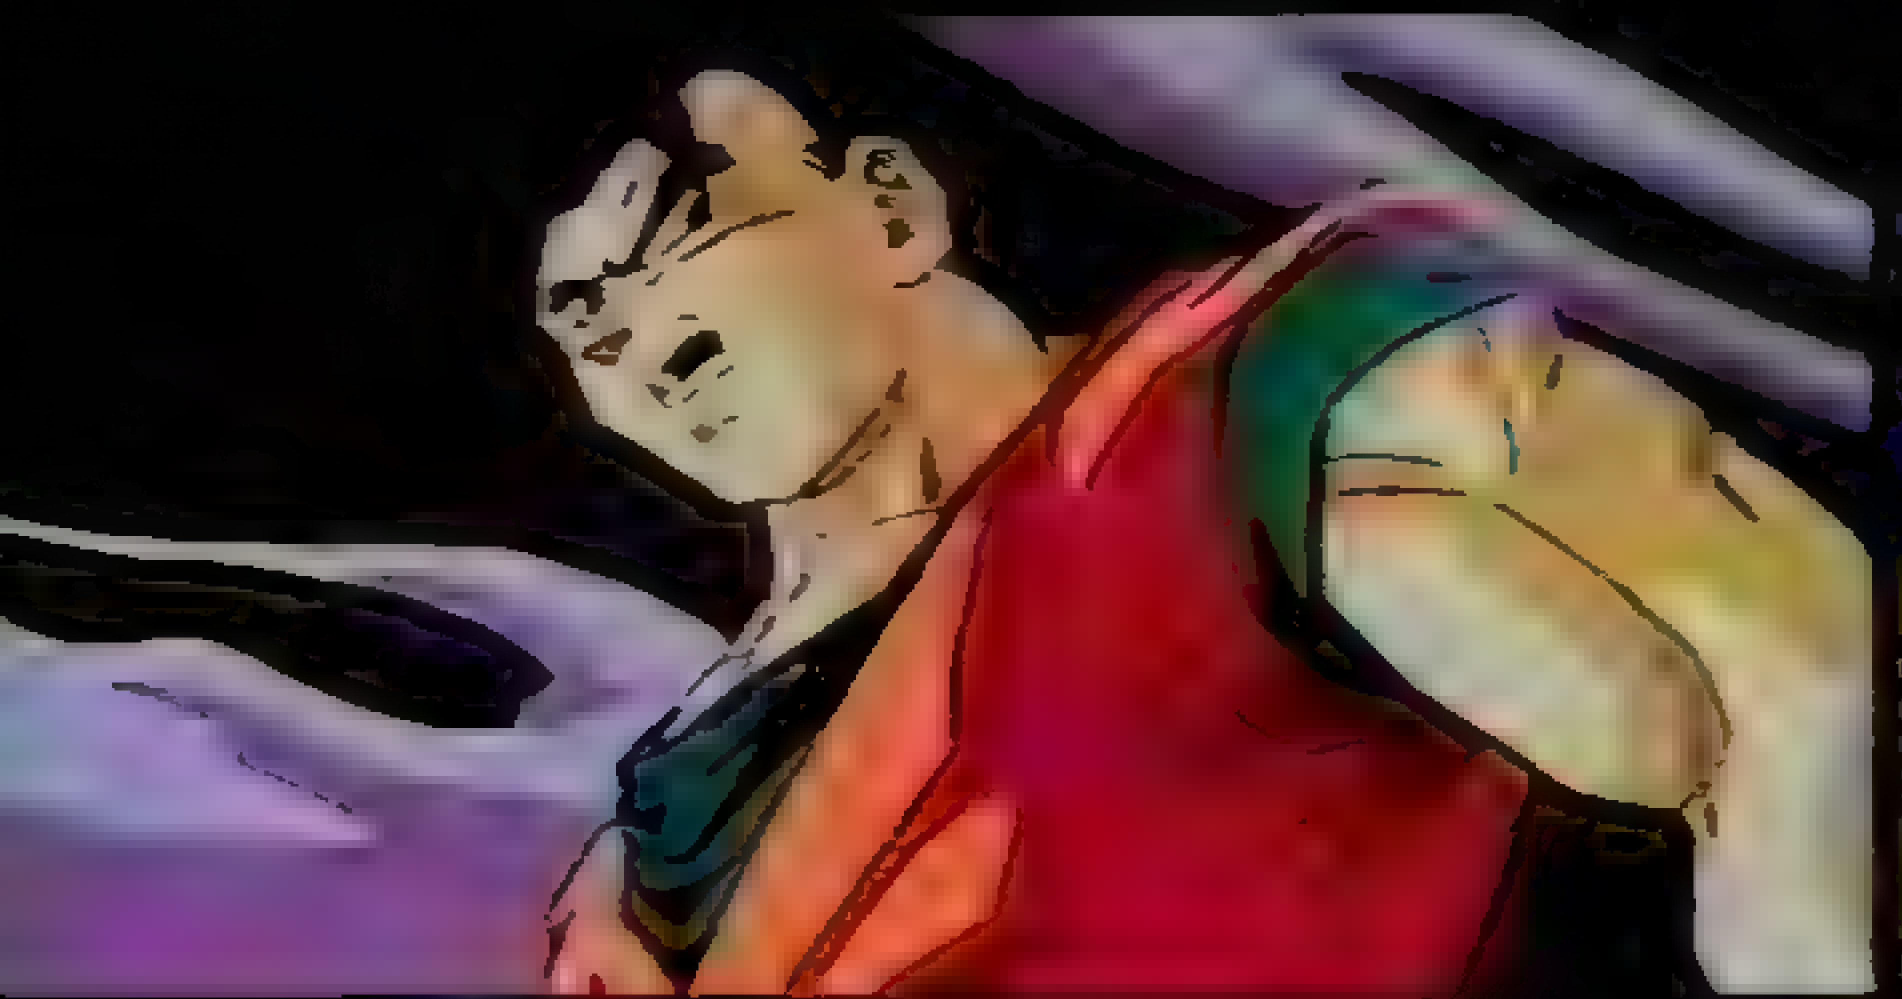

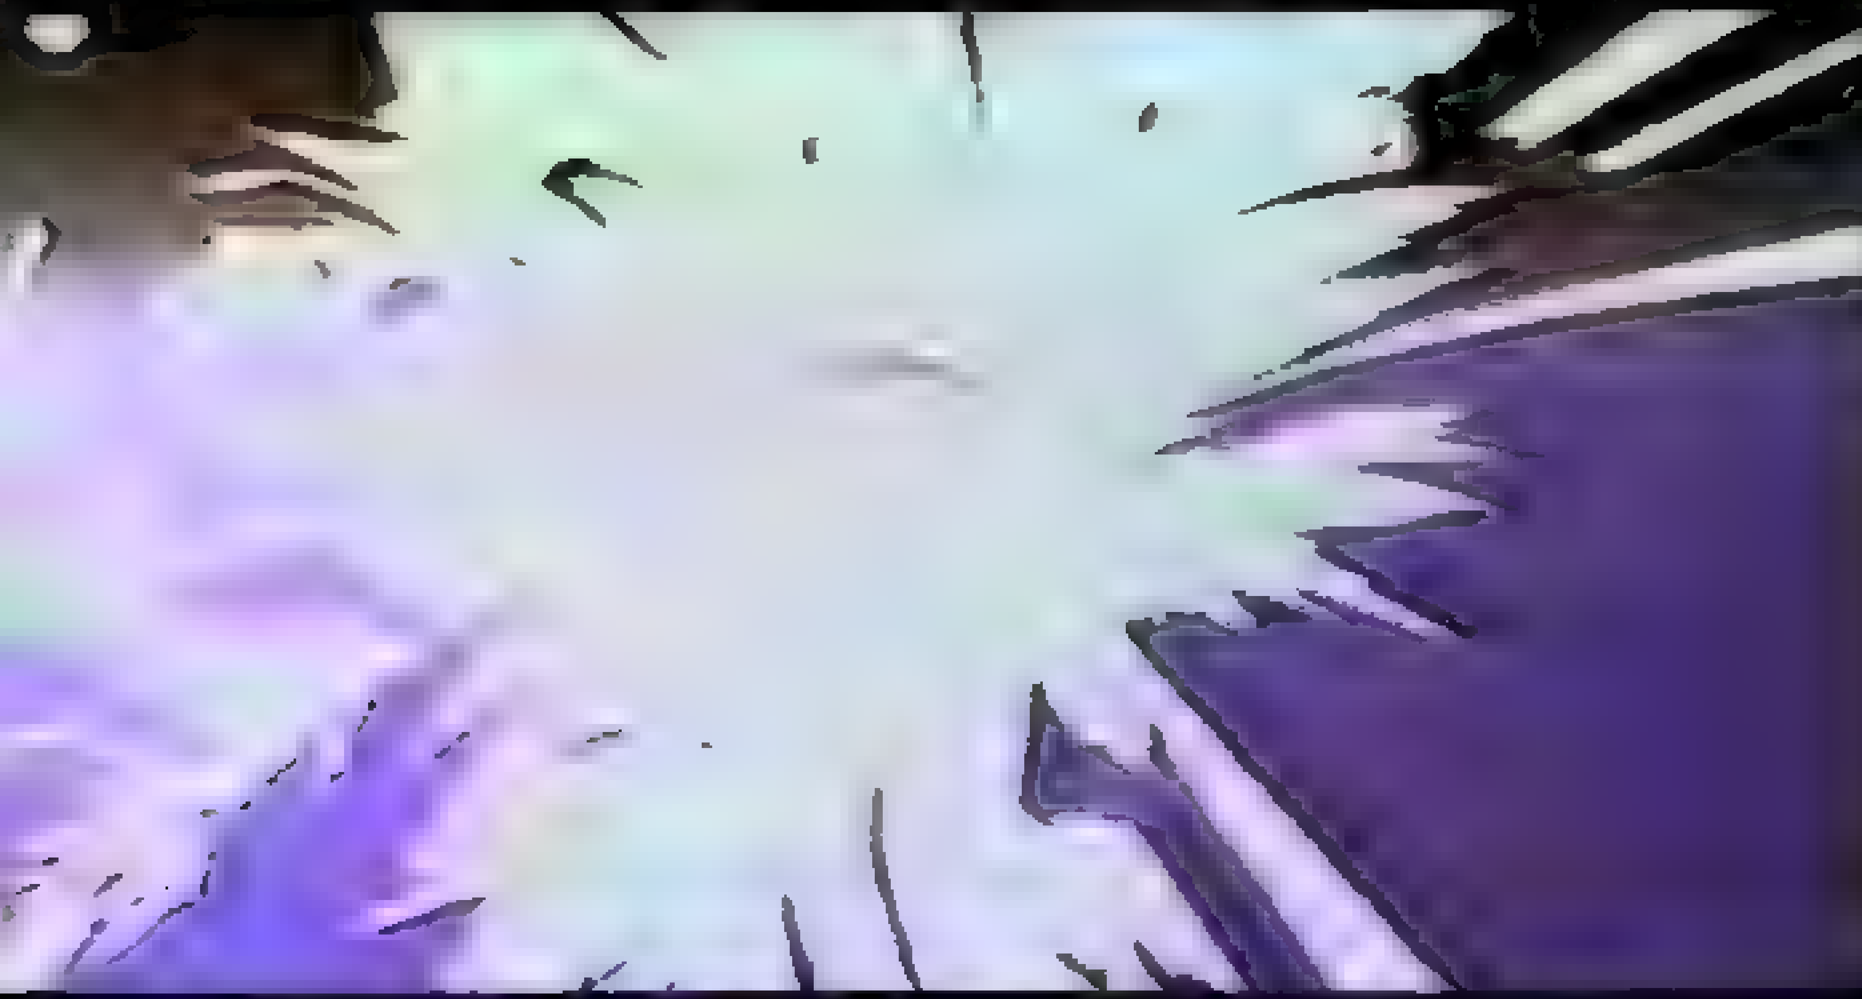

I can't lay a finger on him...

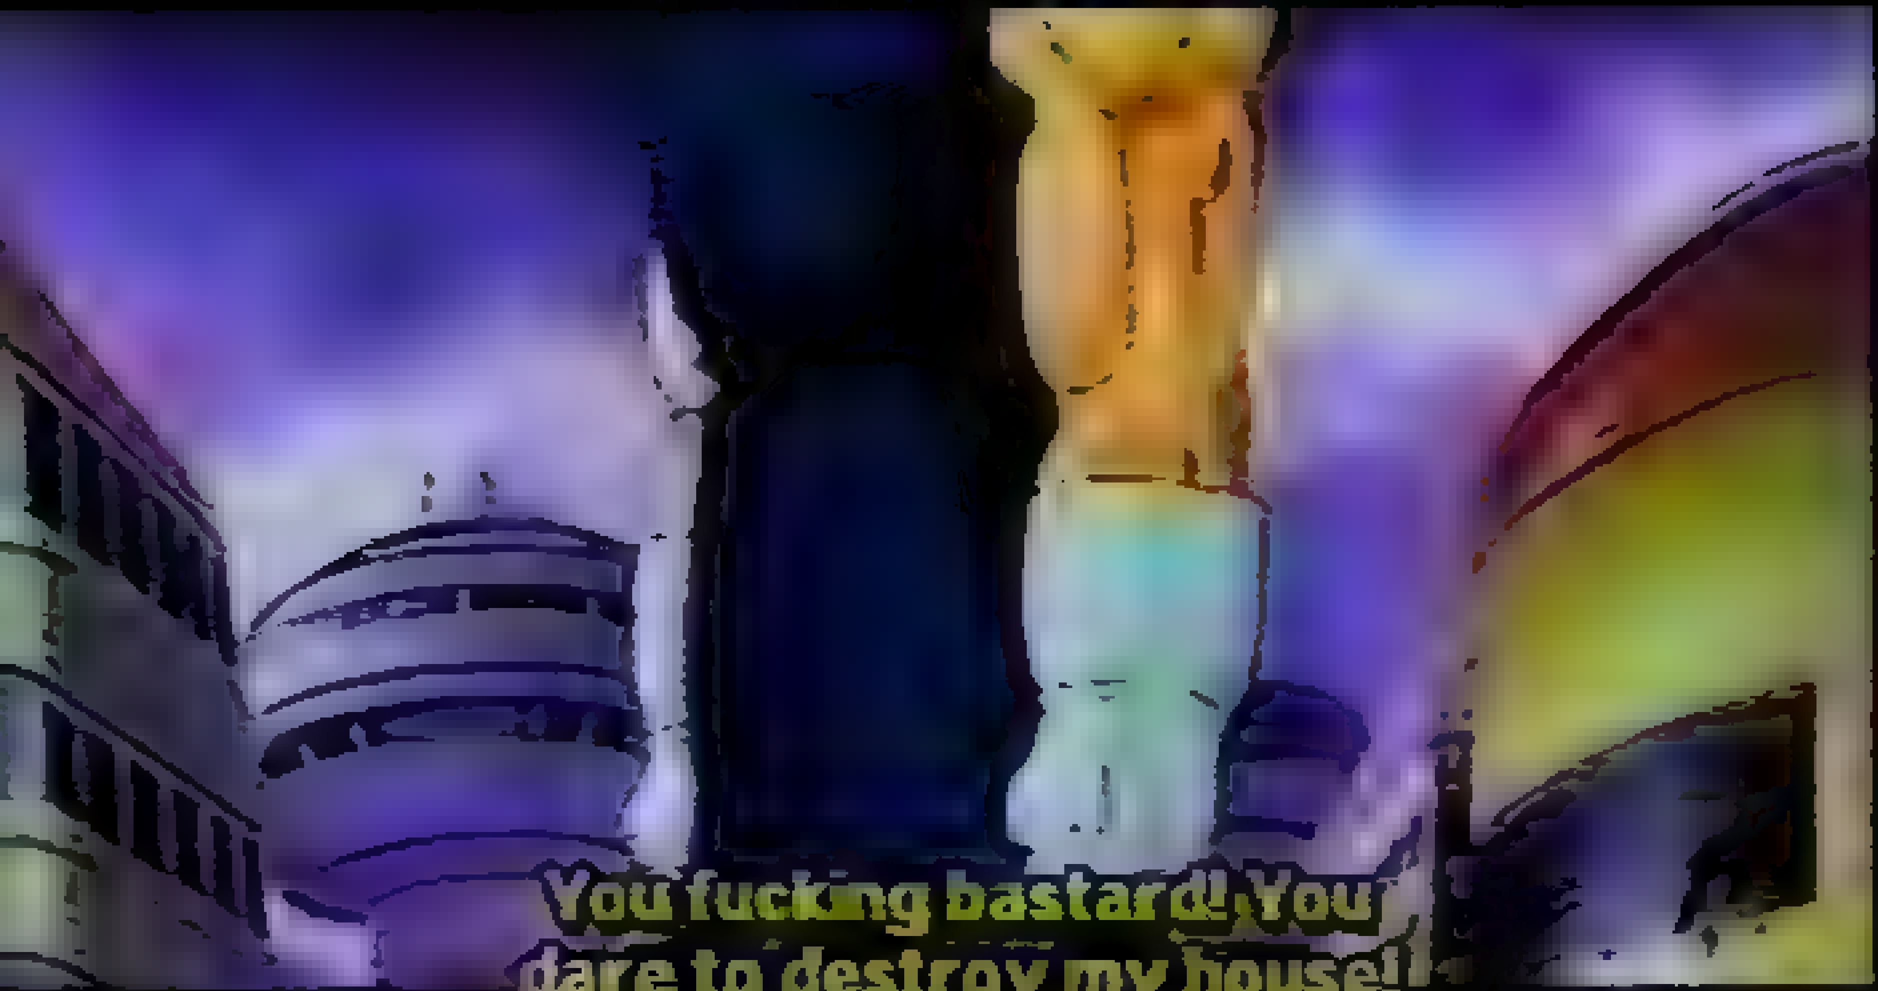

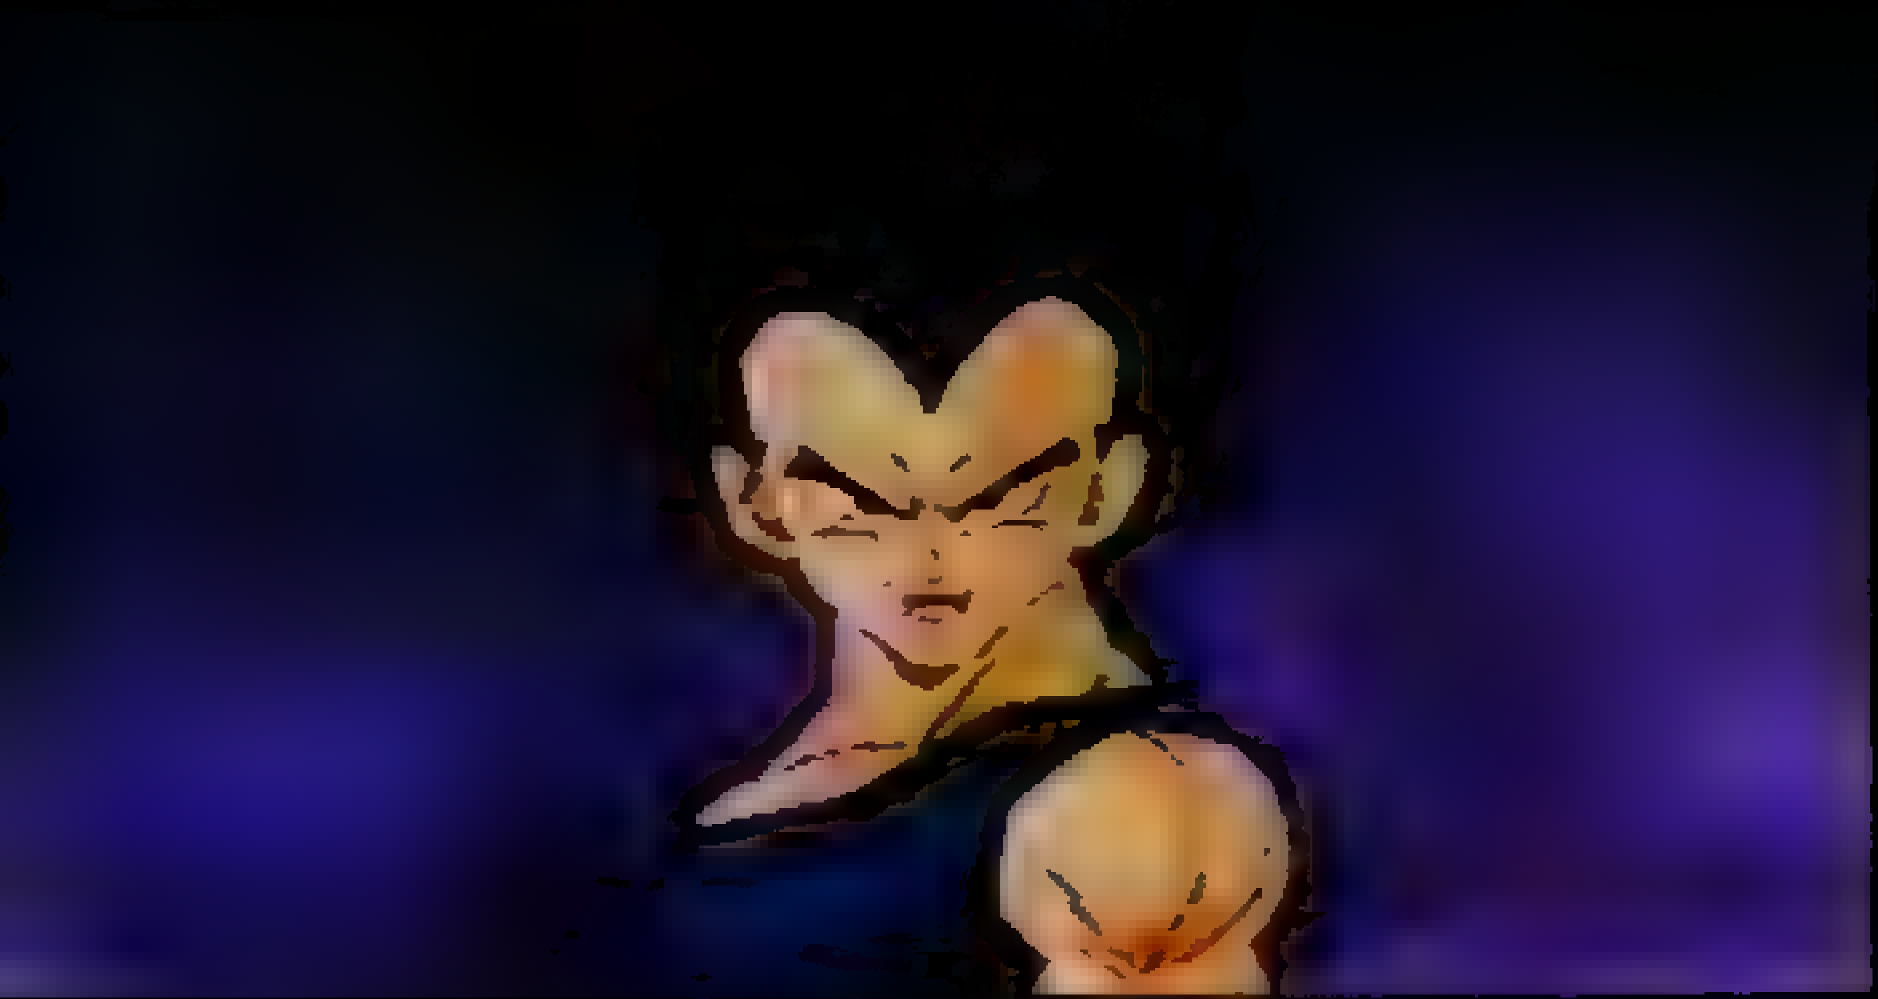

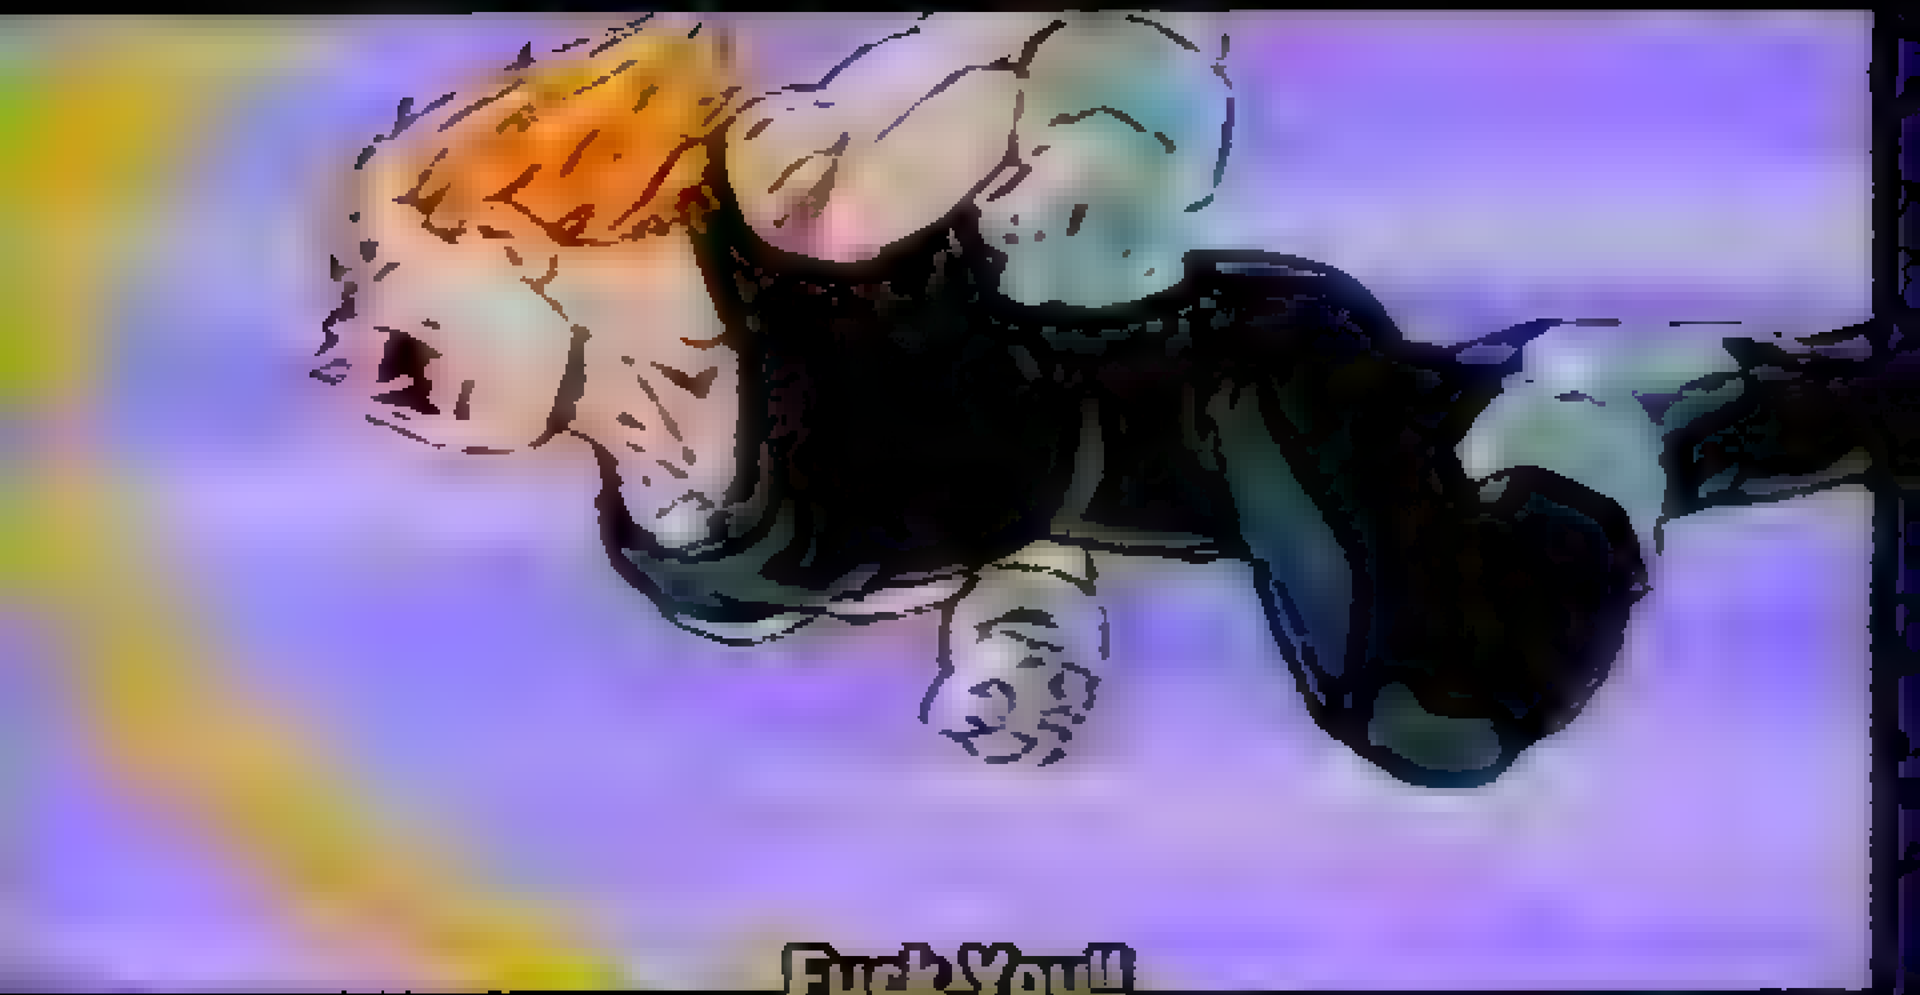

You fucking bastard! You dare to destroy my house!

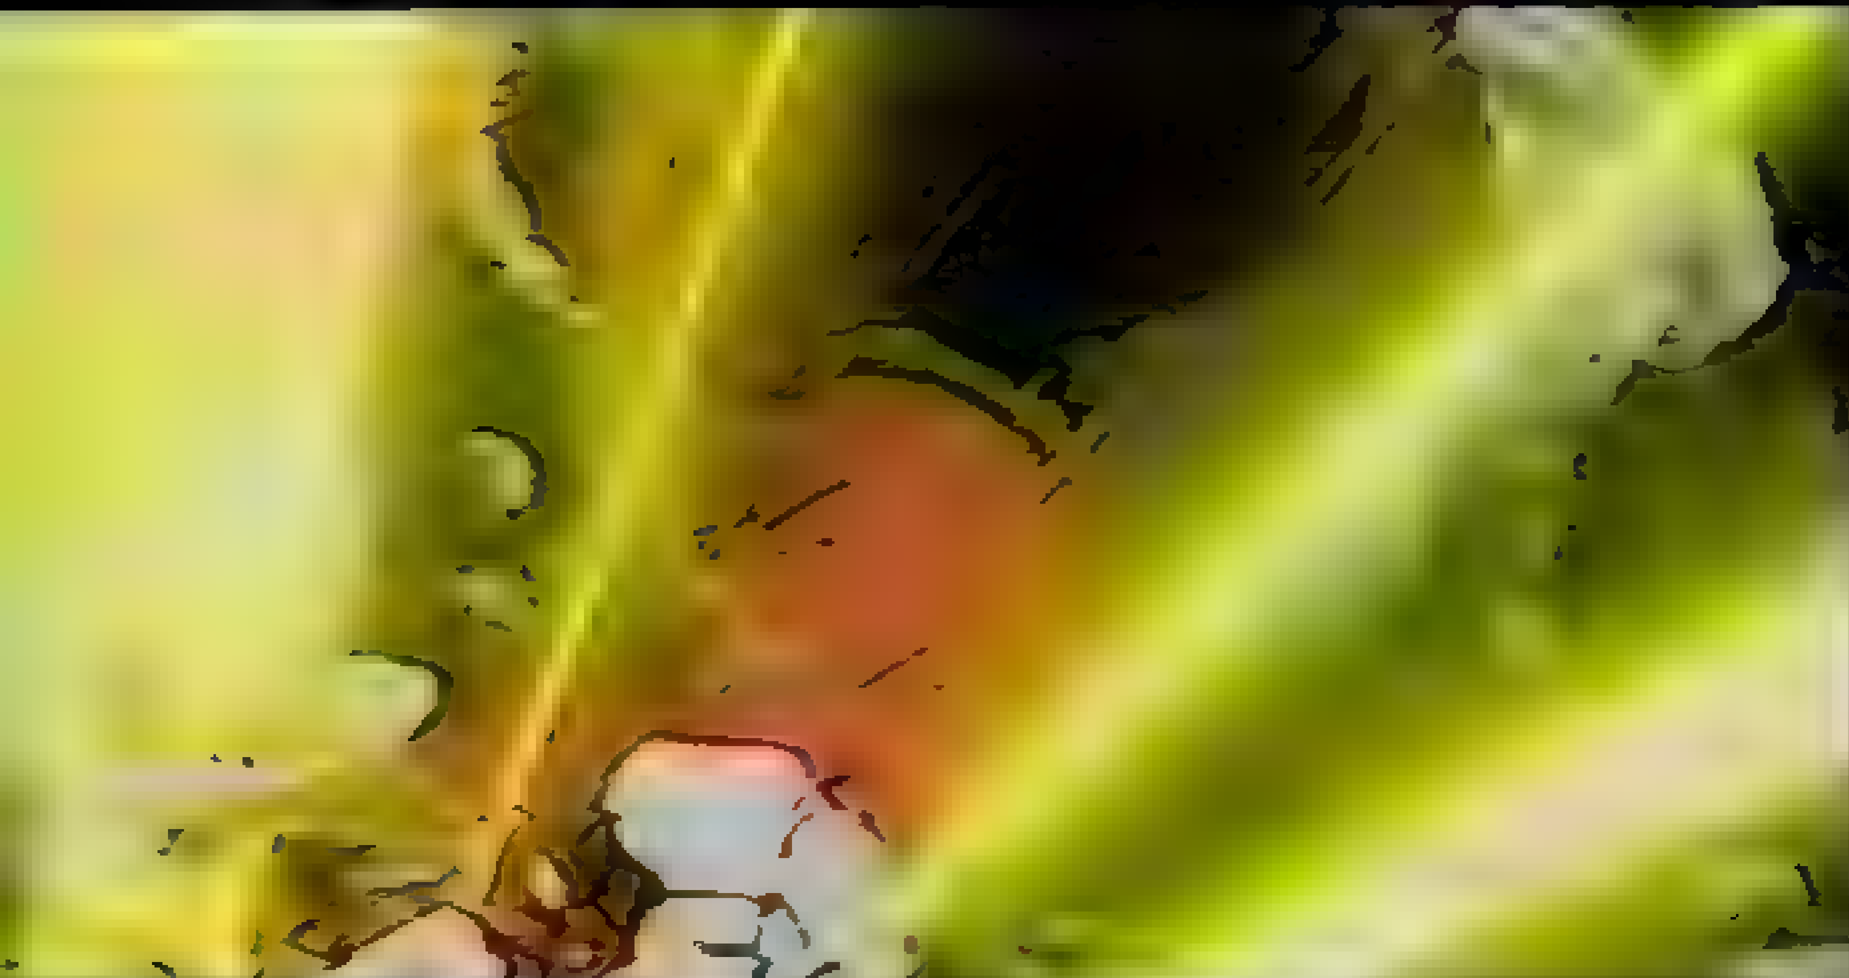

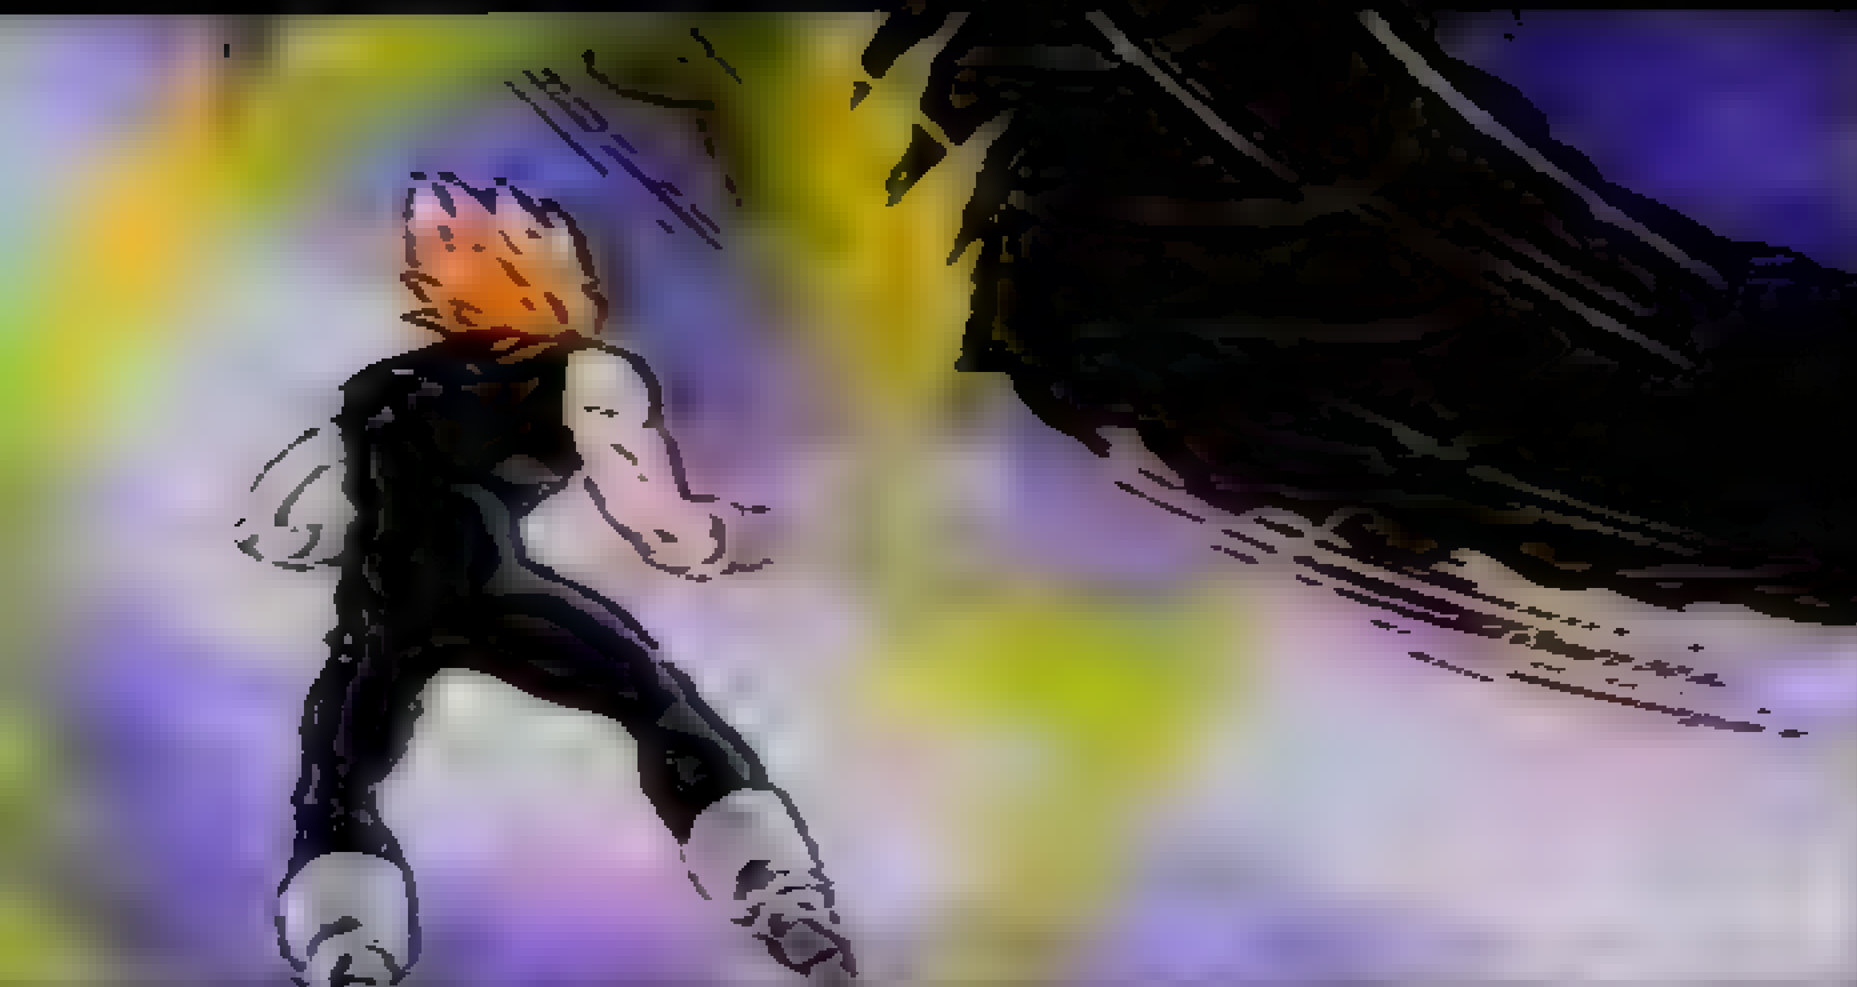

Now you've really pissed me off!!

Now you've really pissed me off!!

Fuck You!!

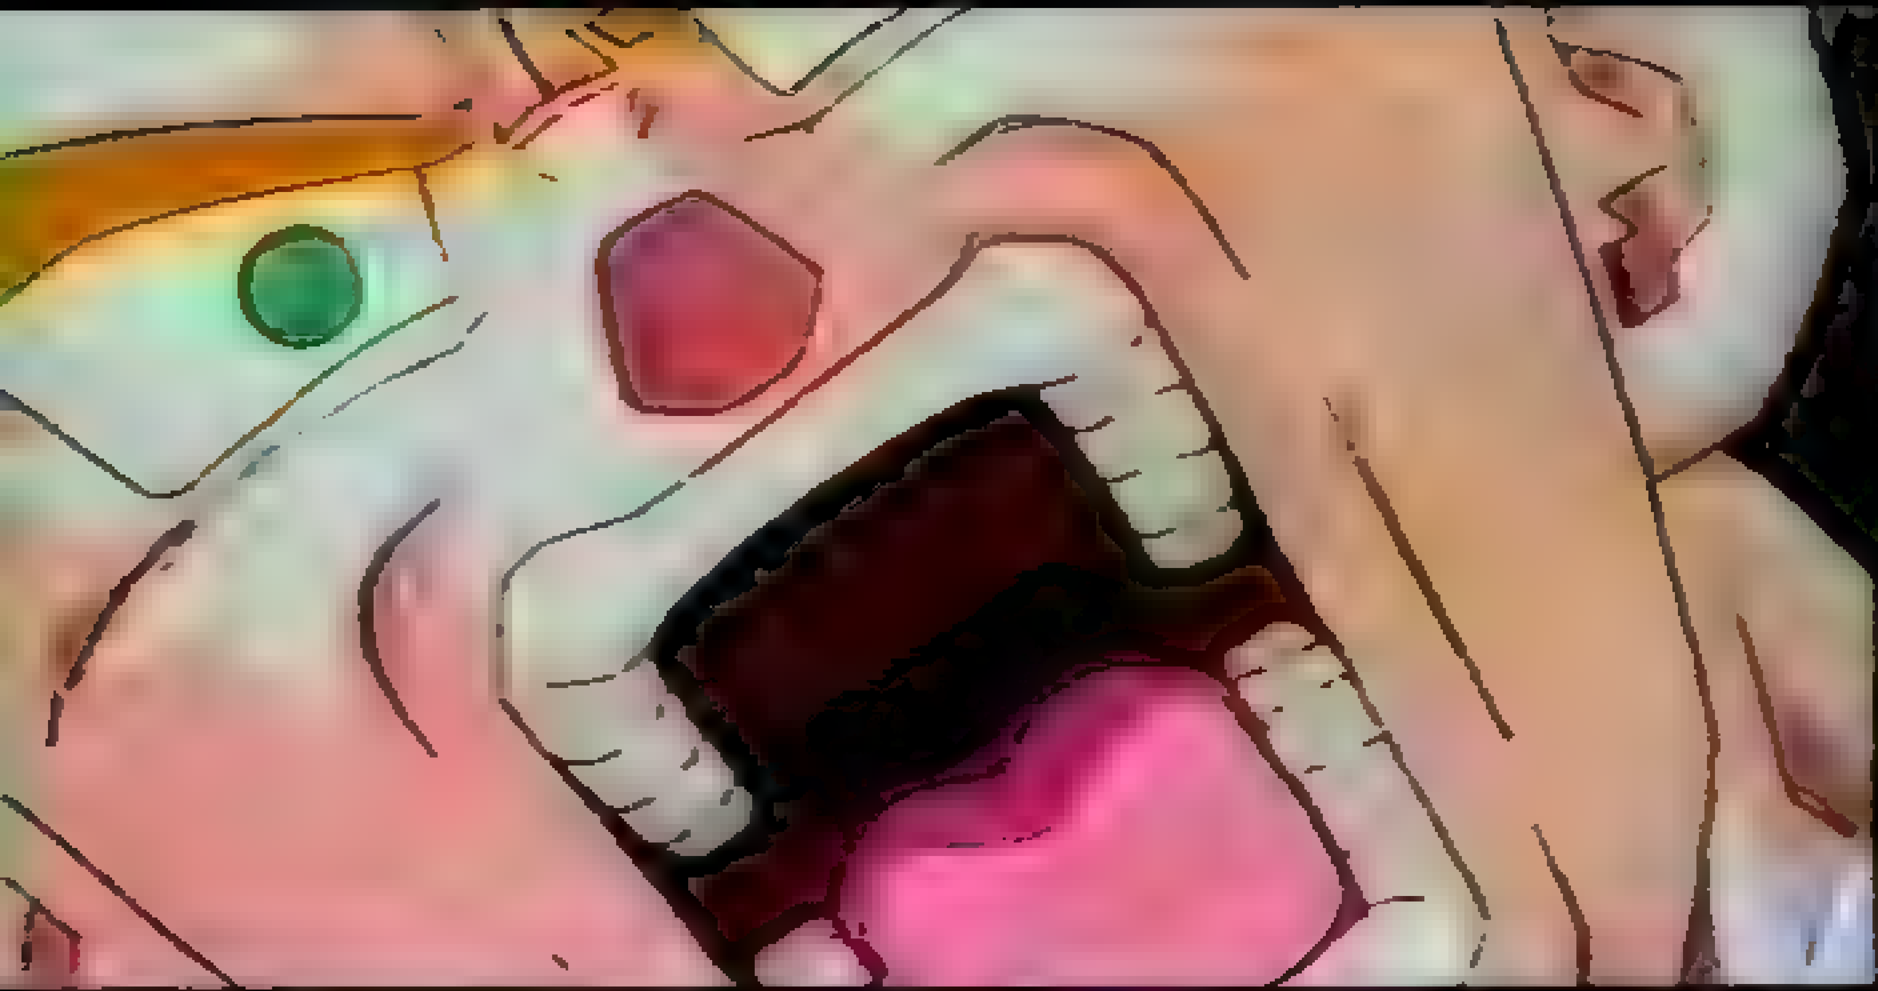

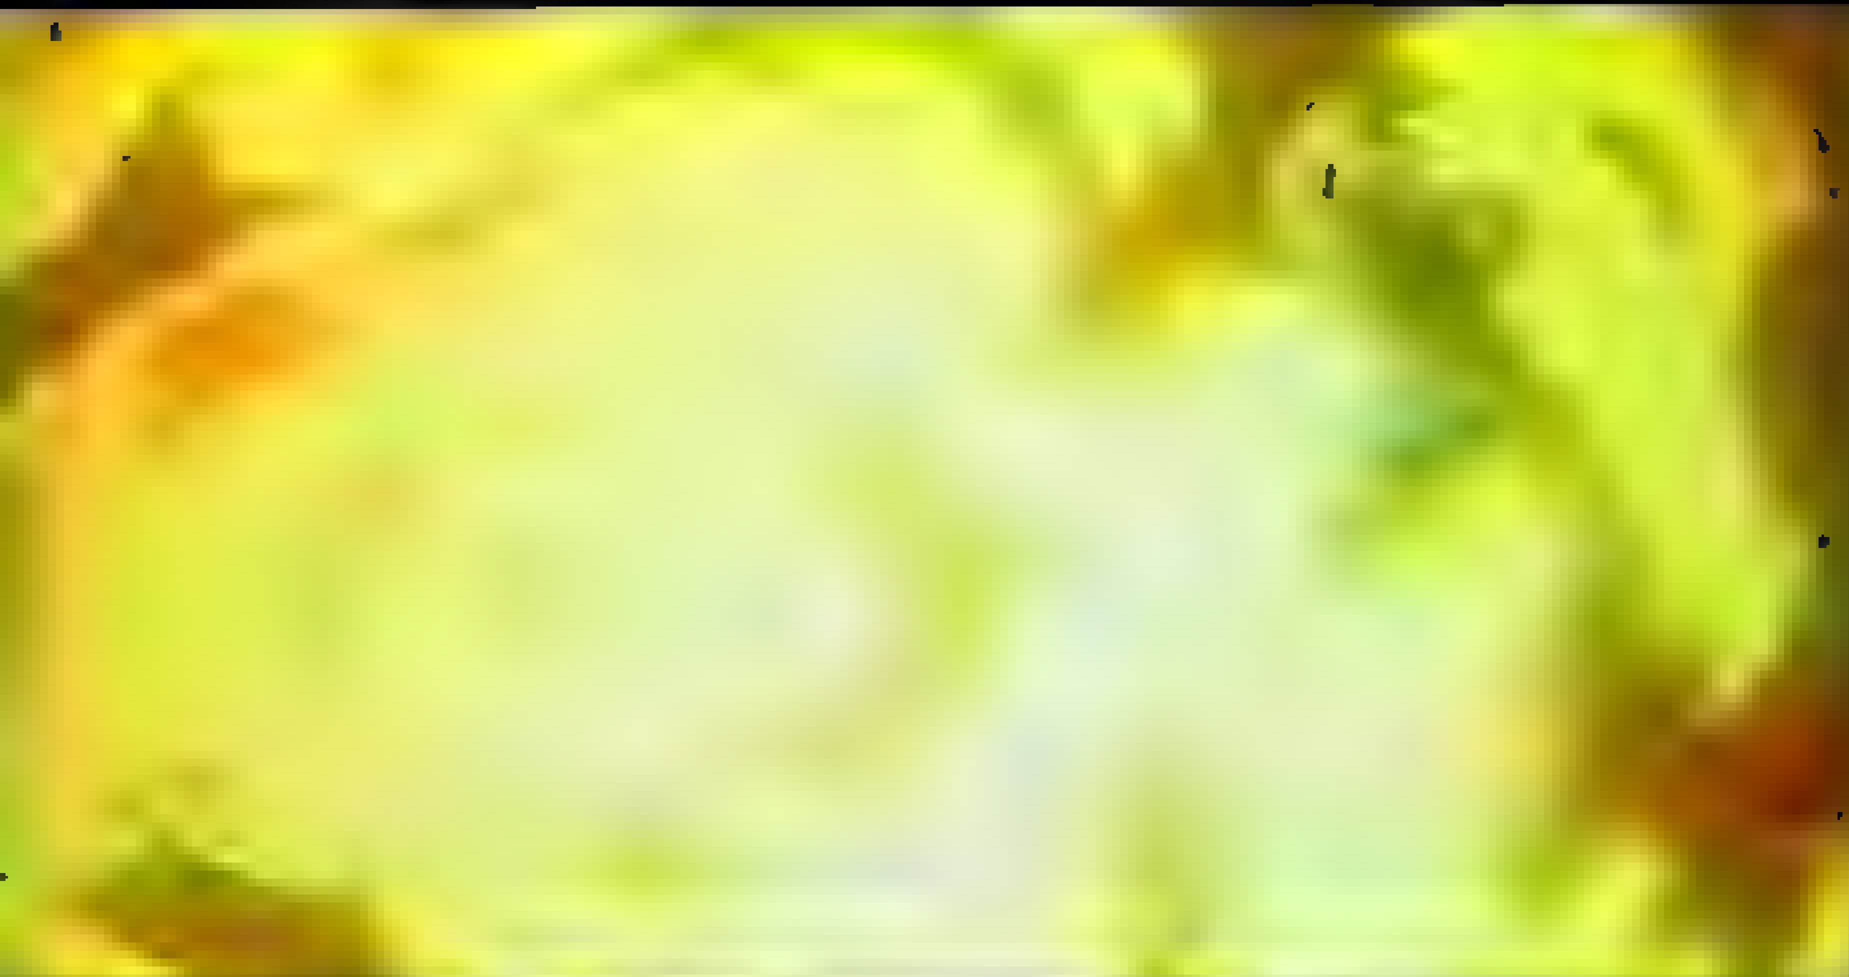

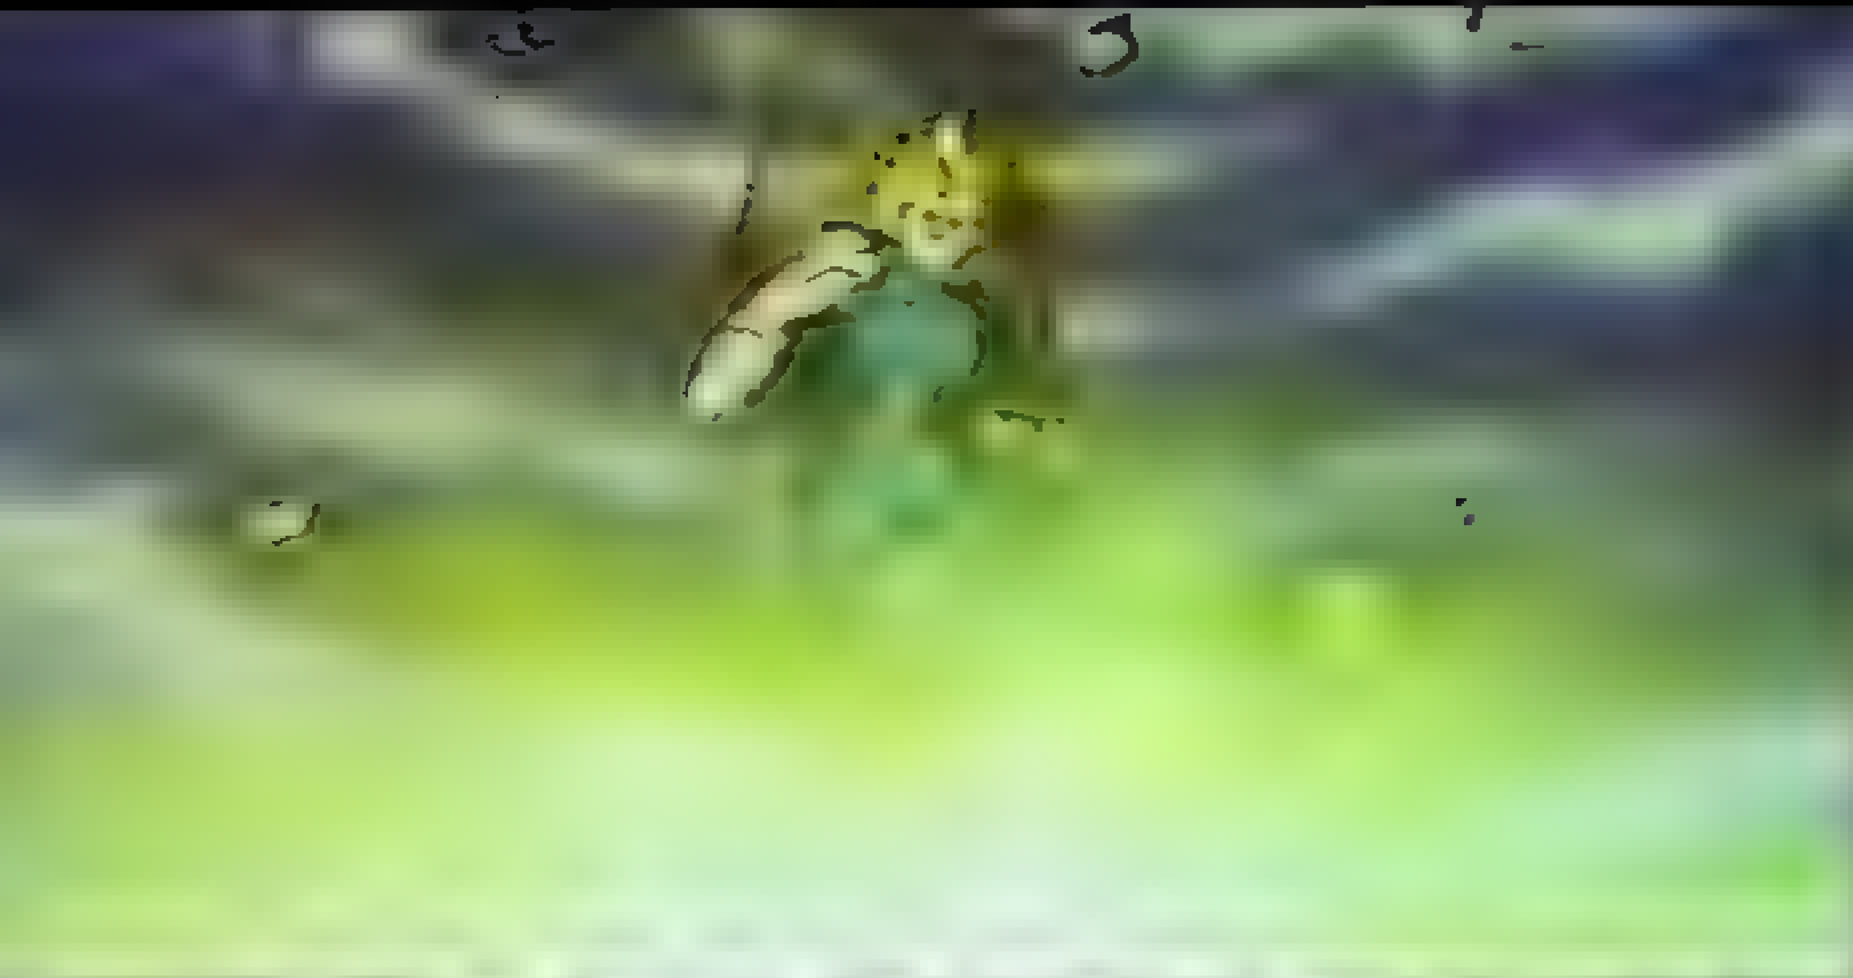

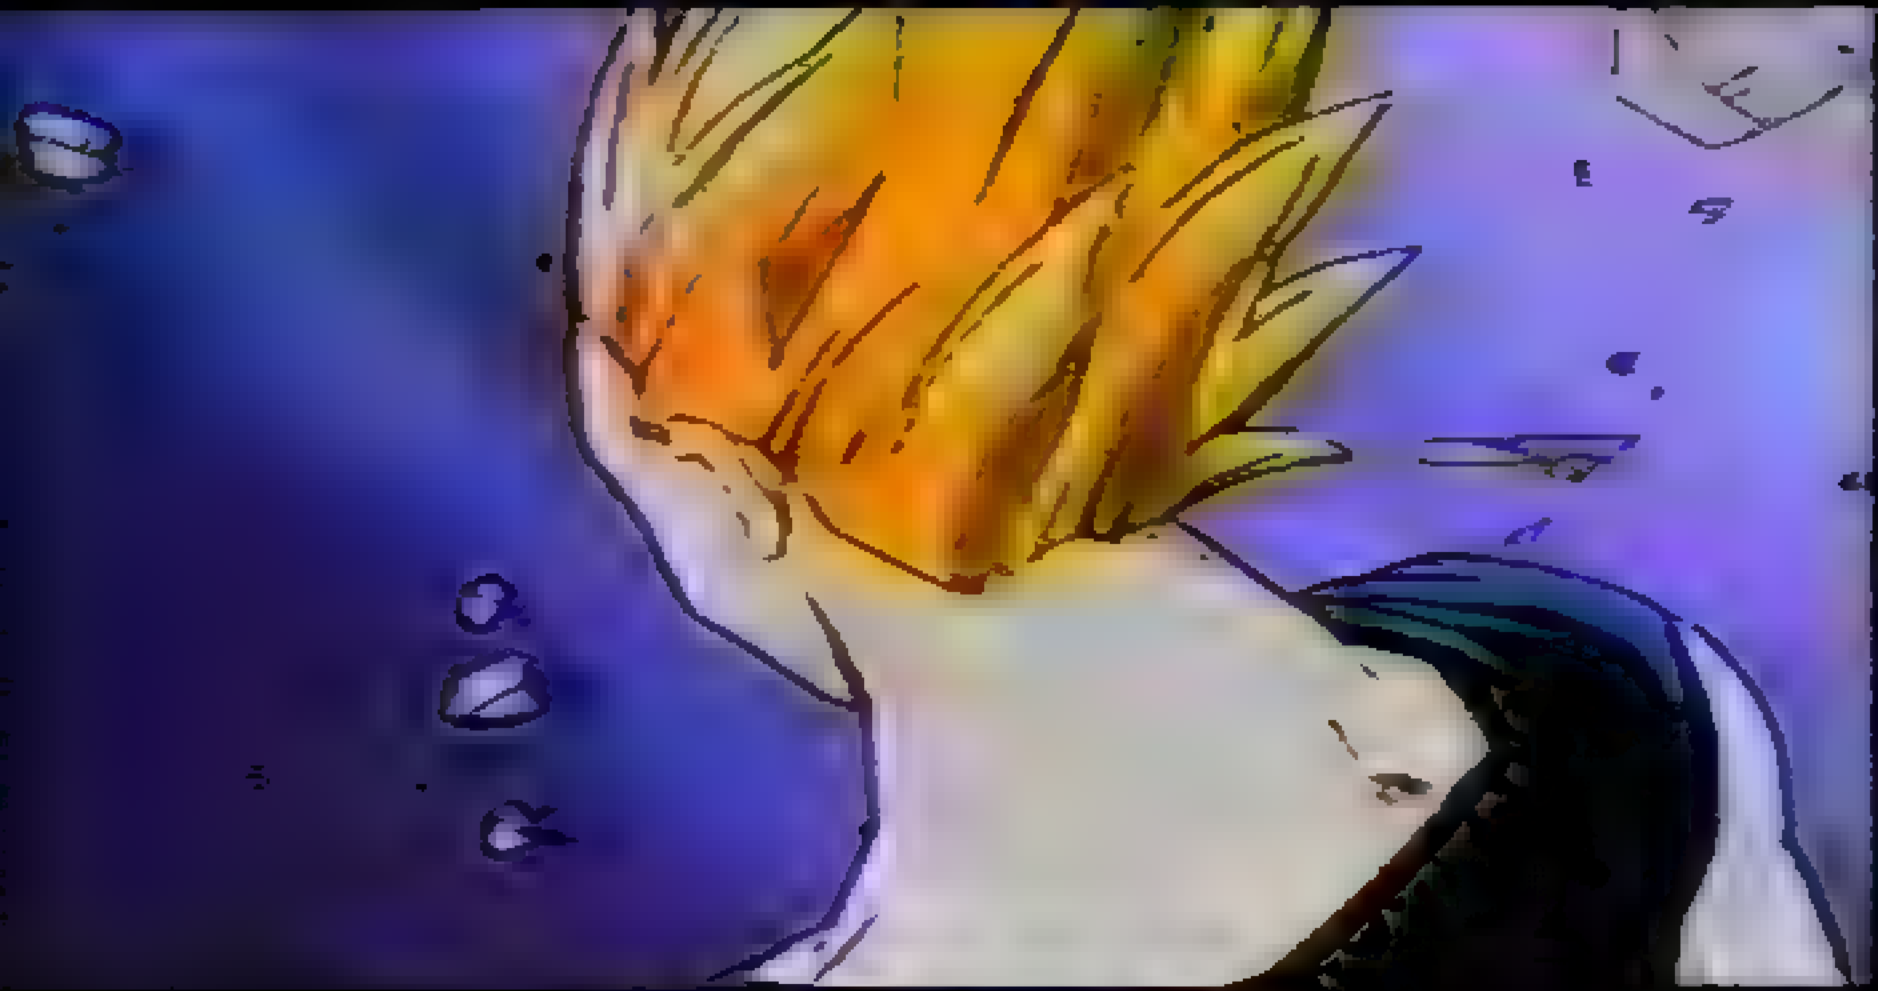

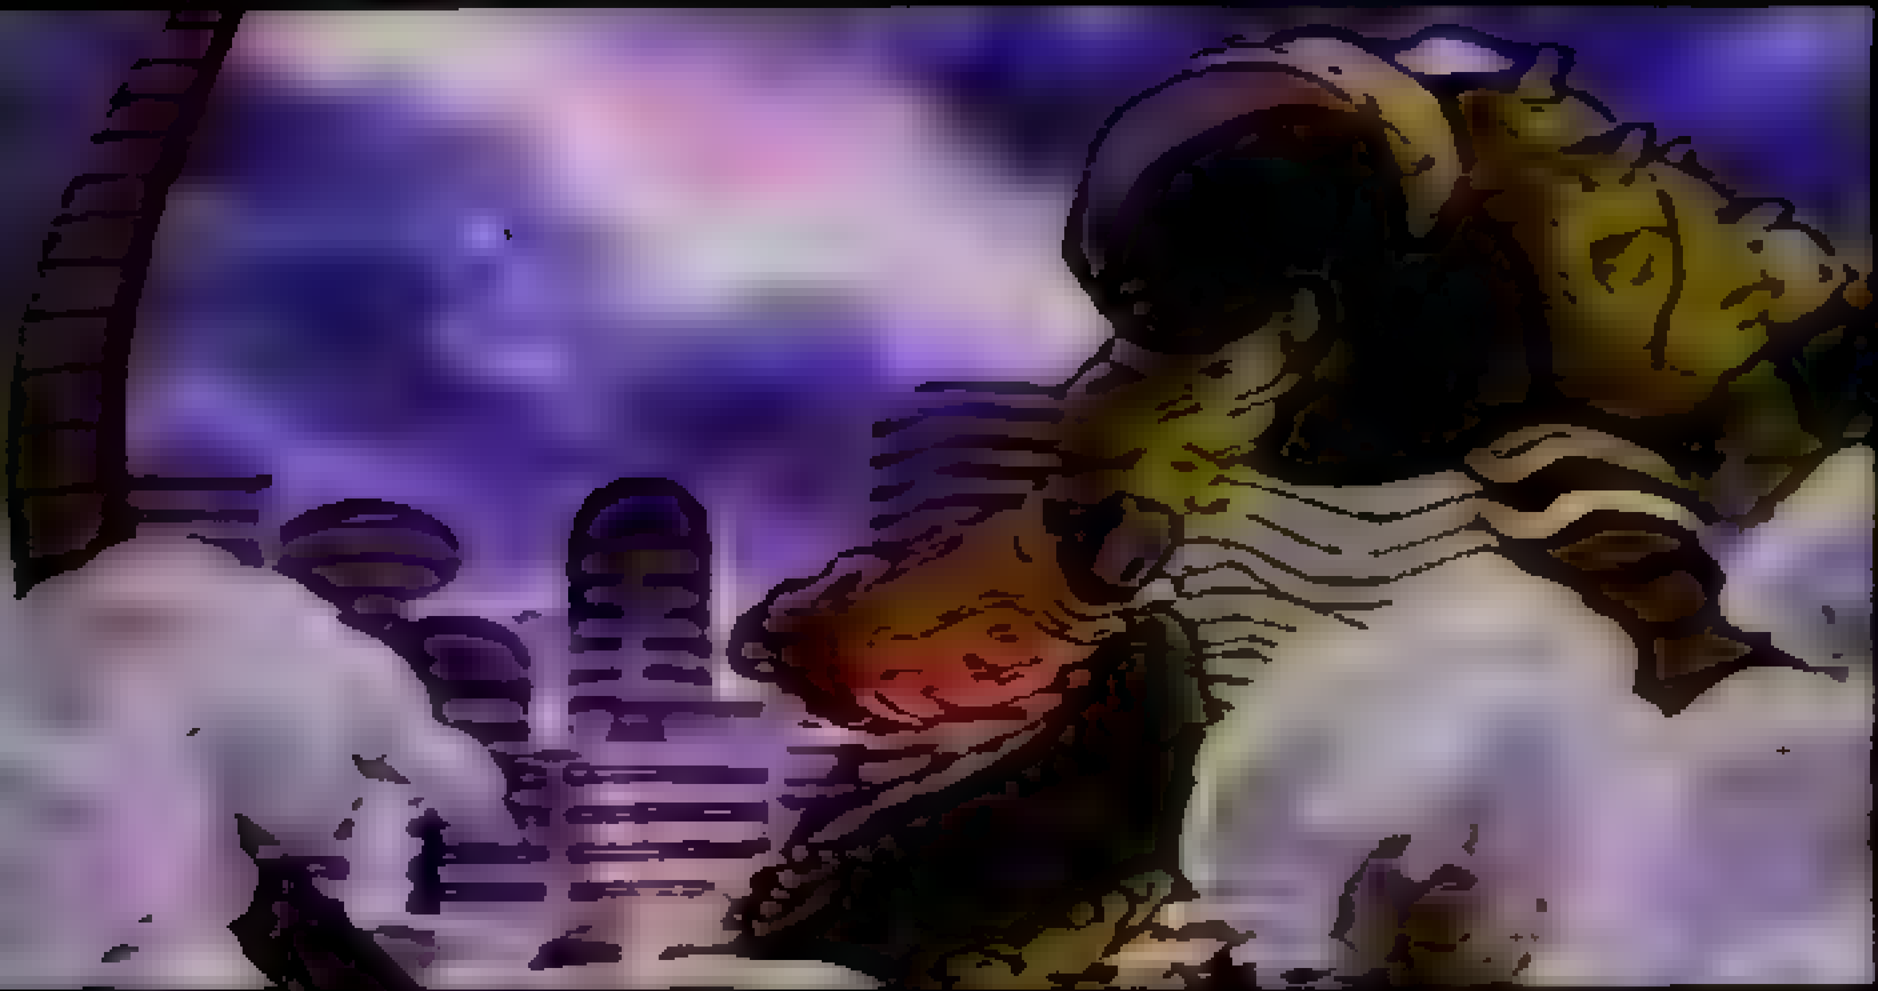

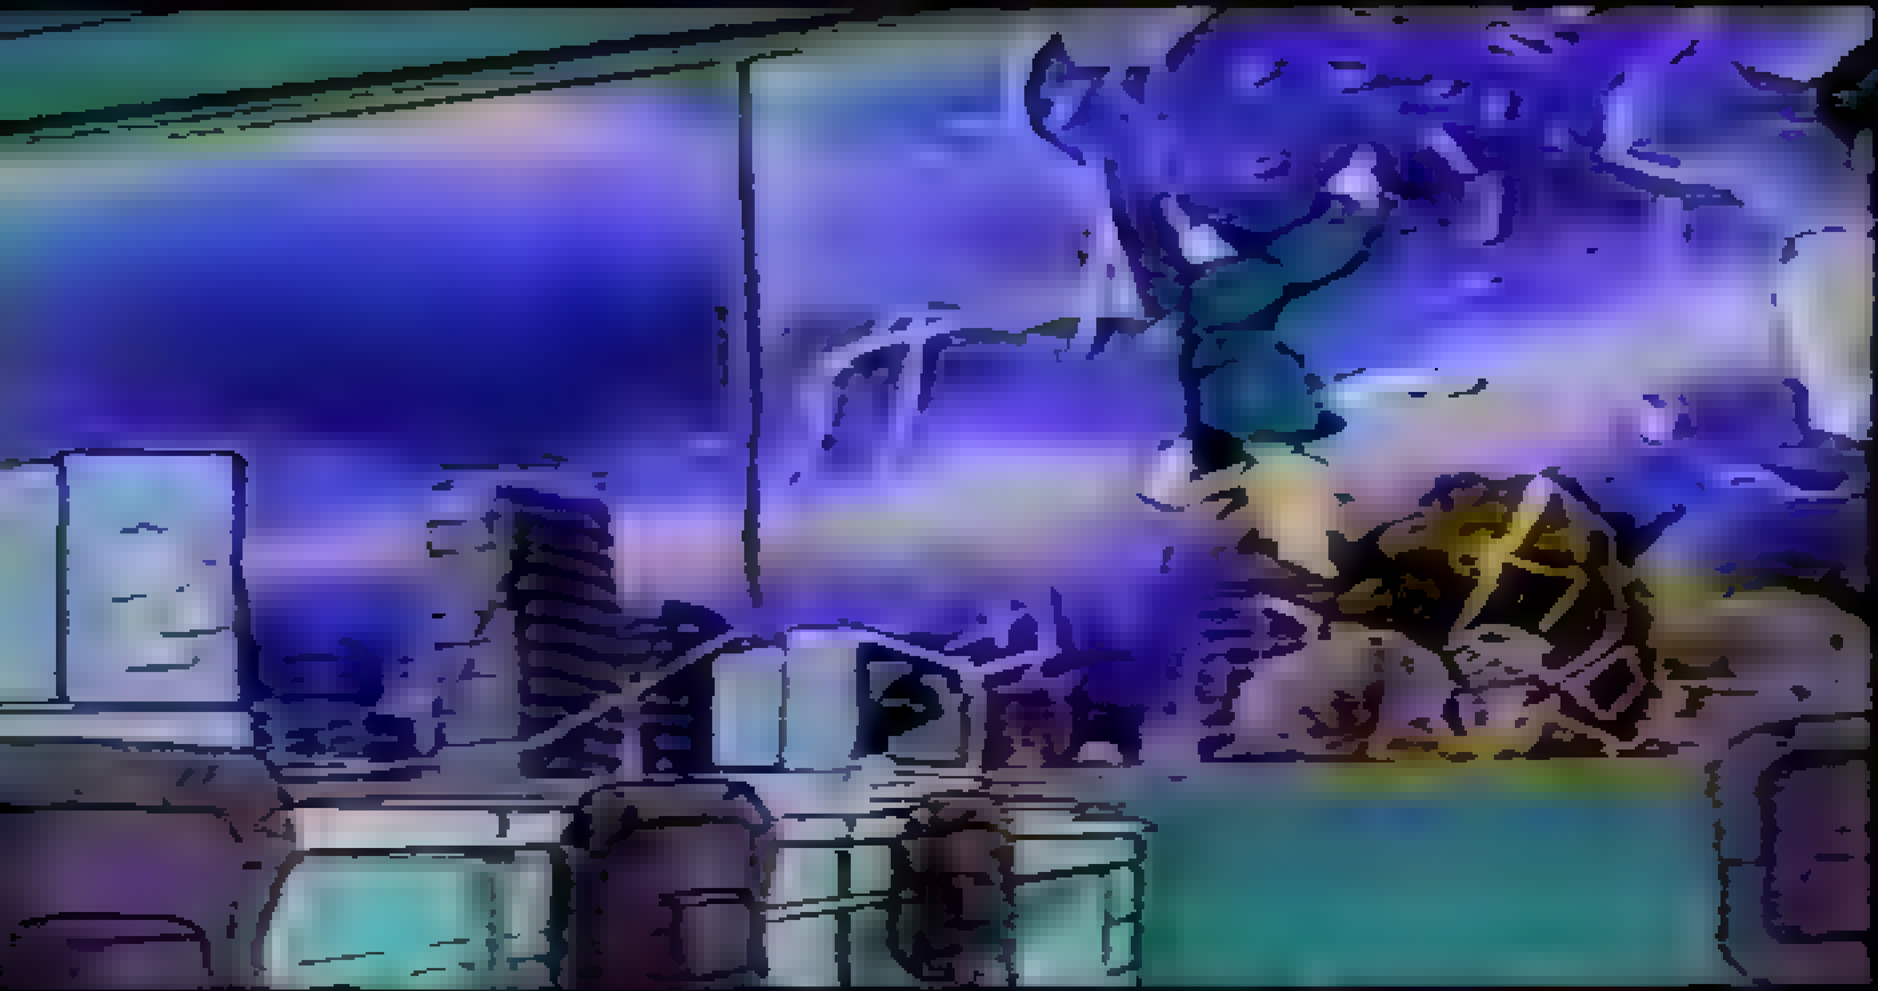

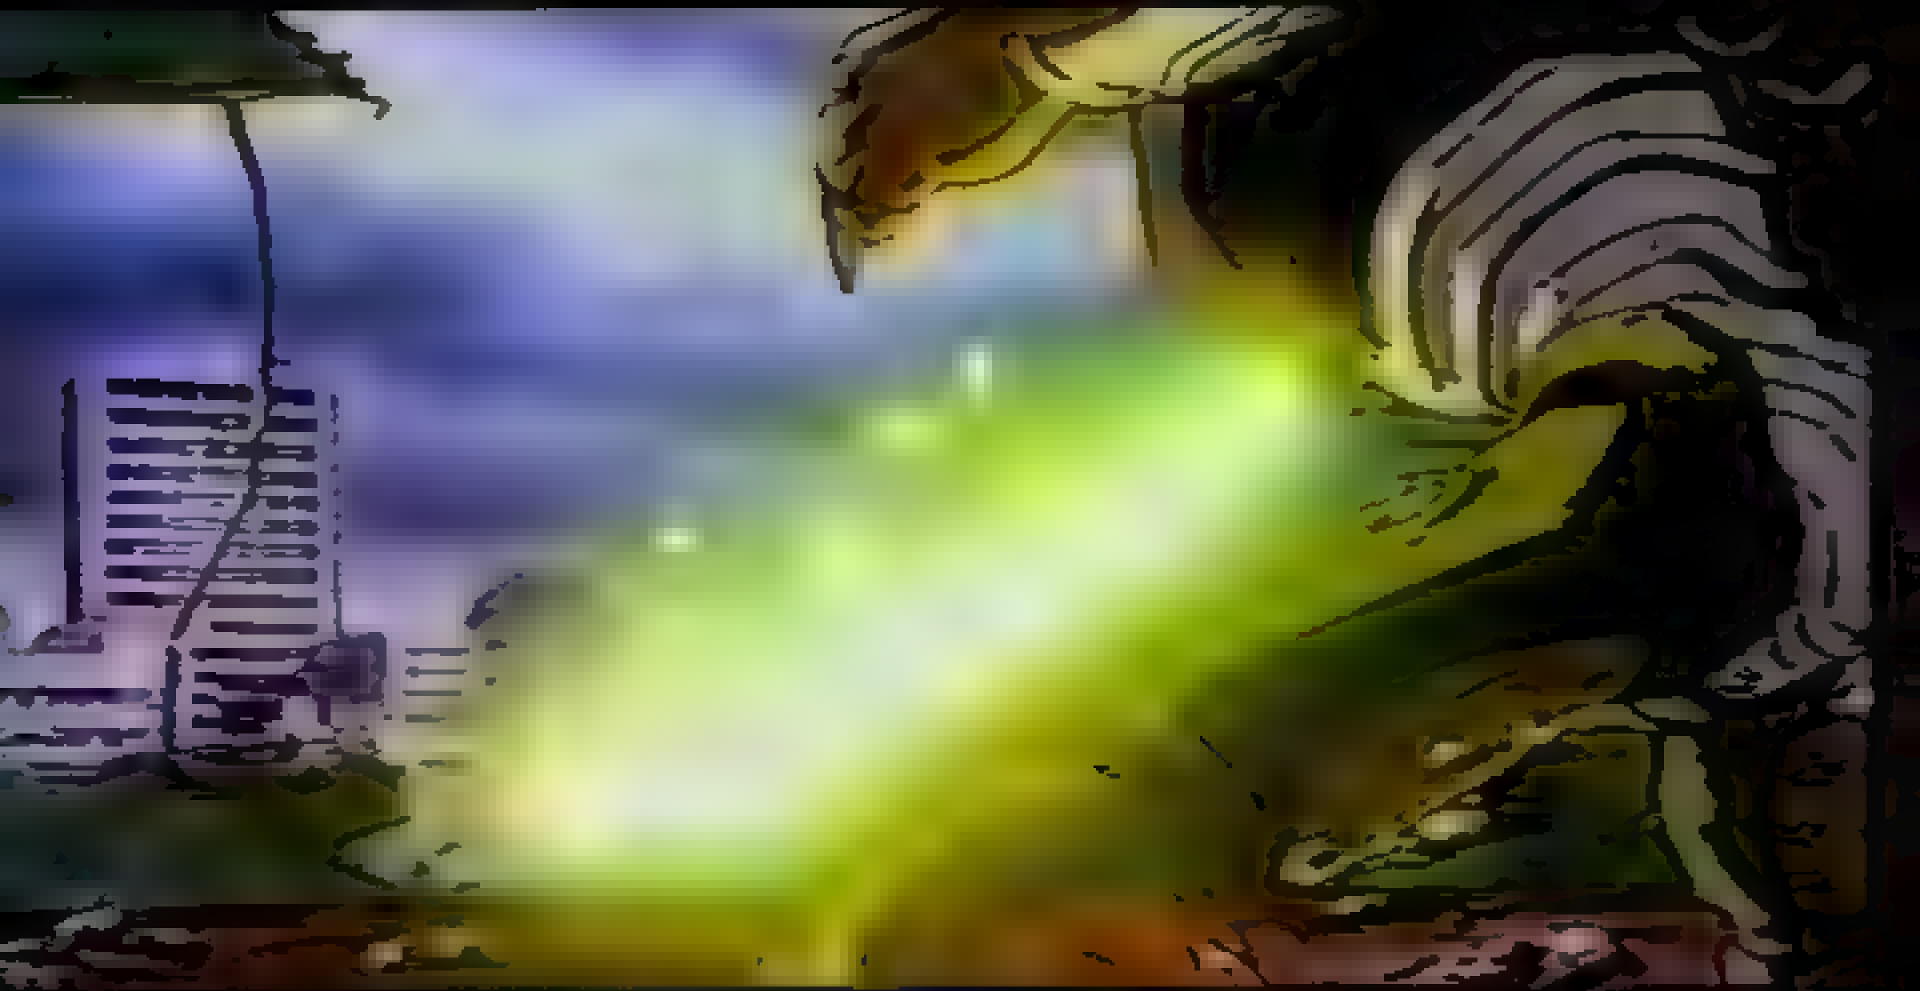

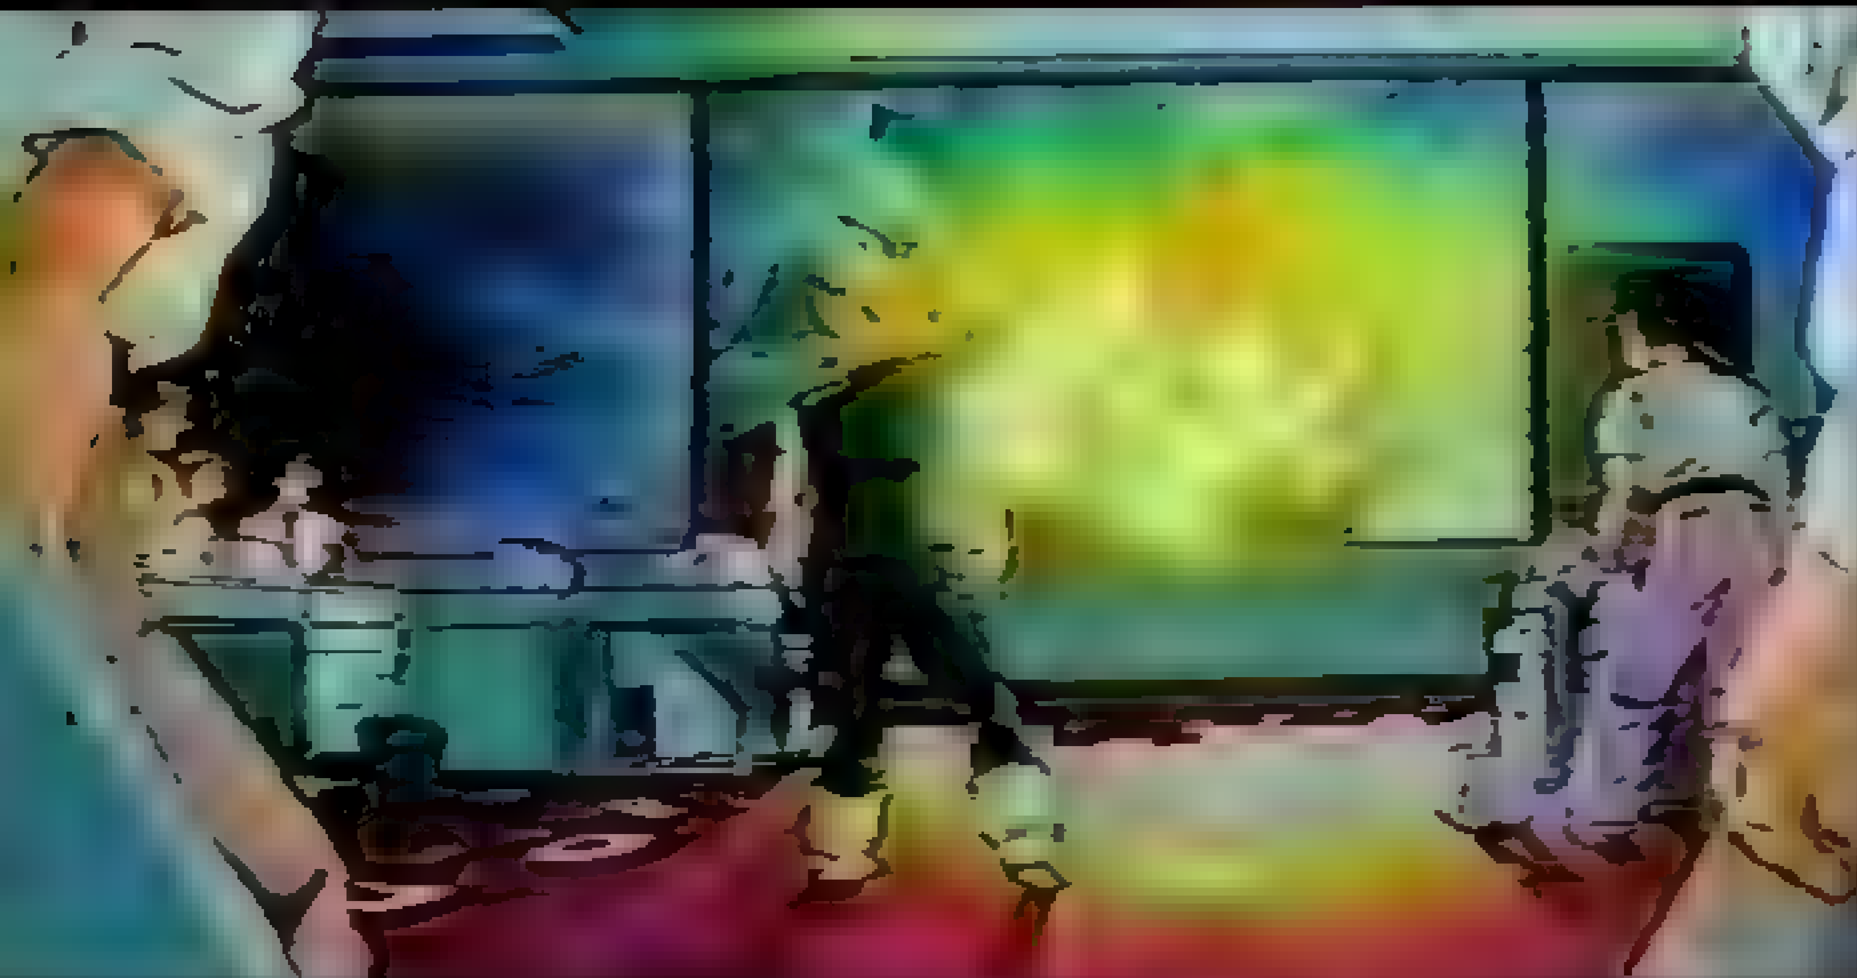

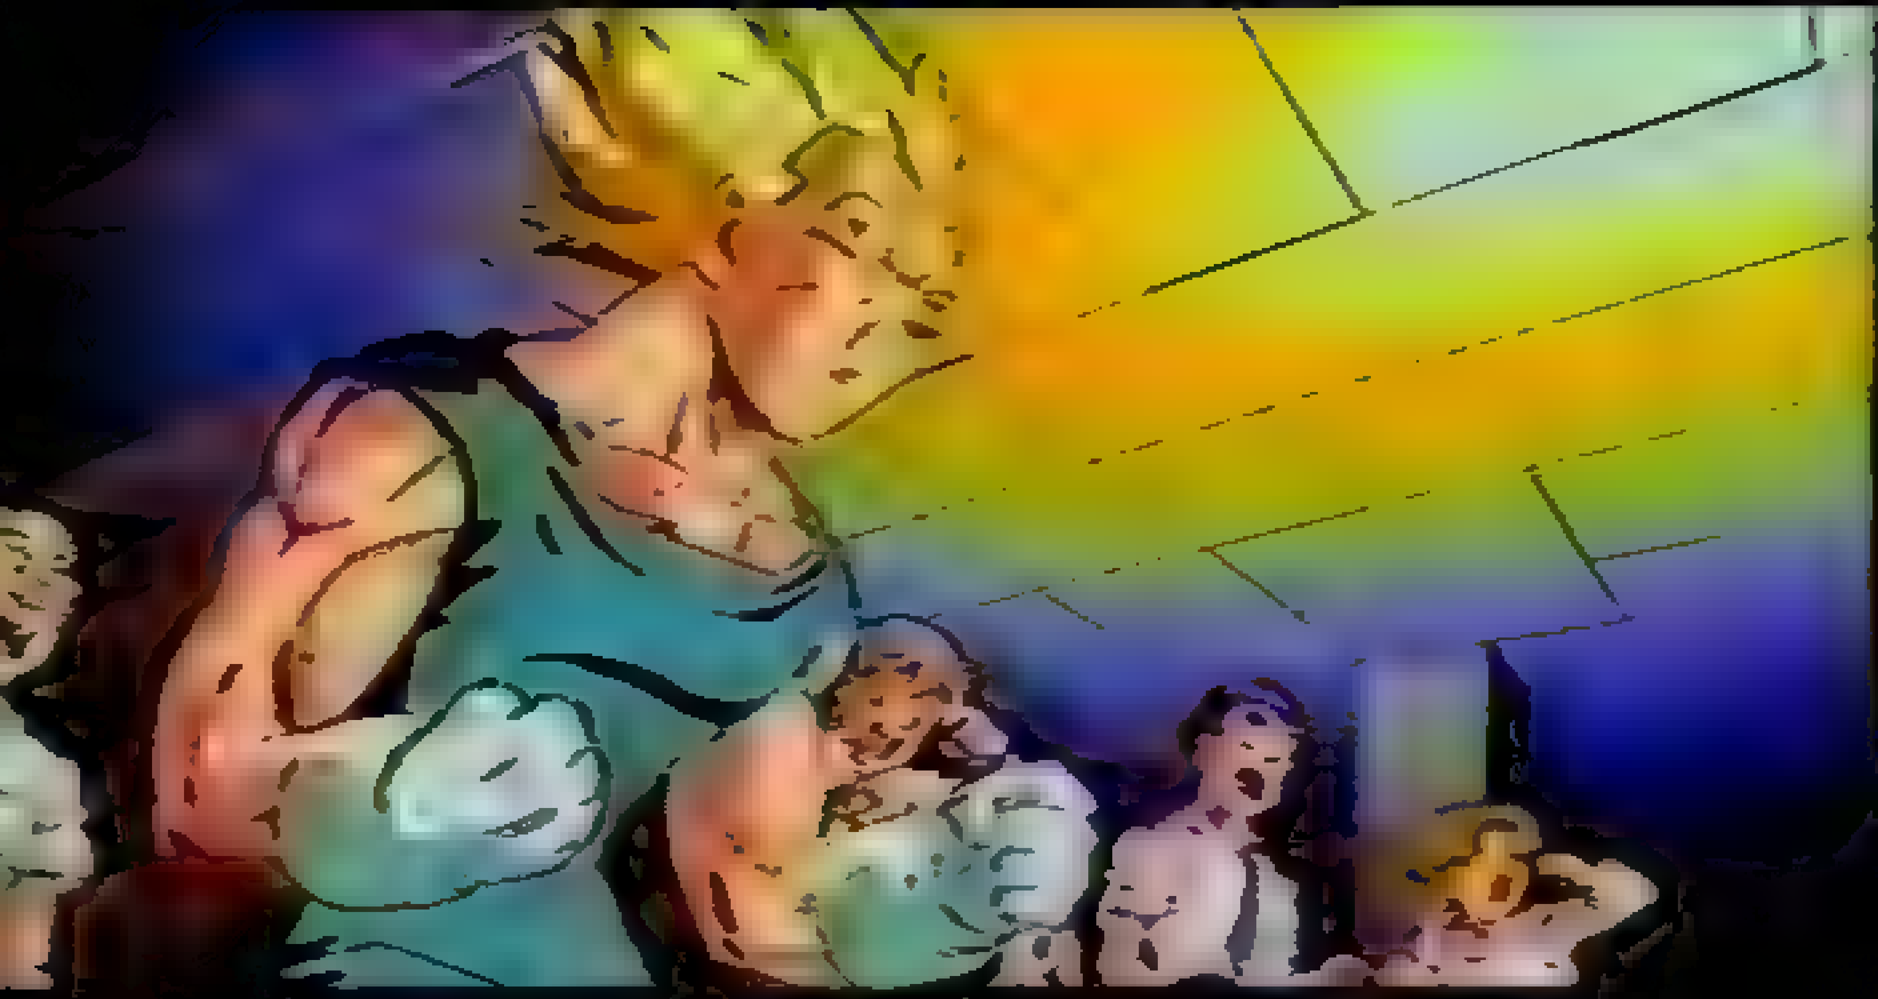

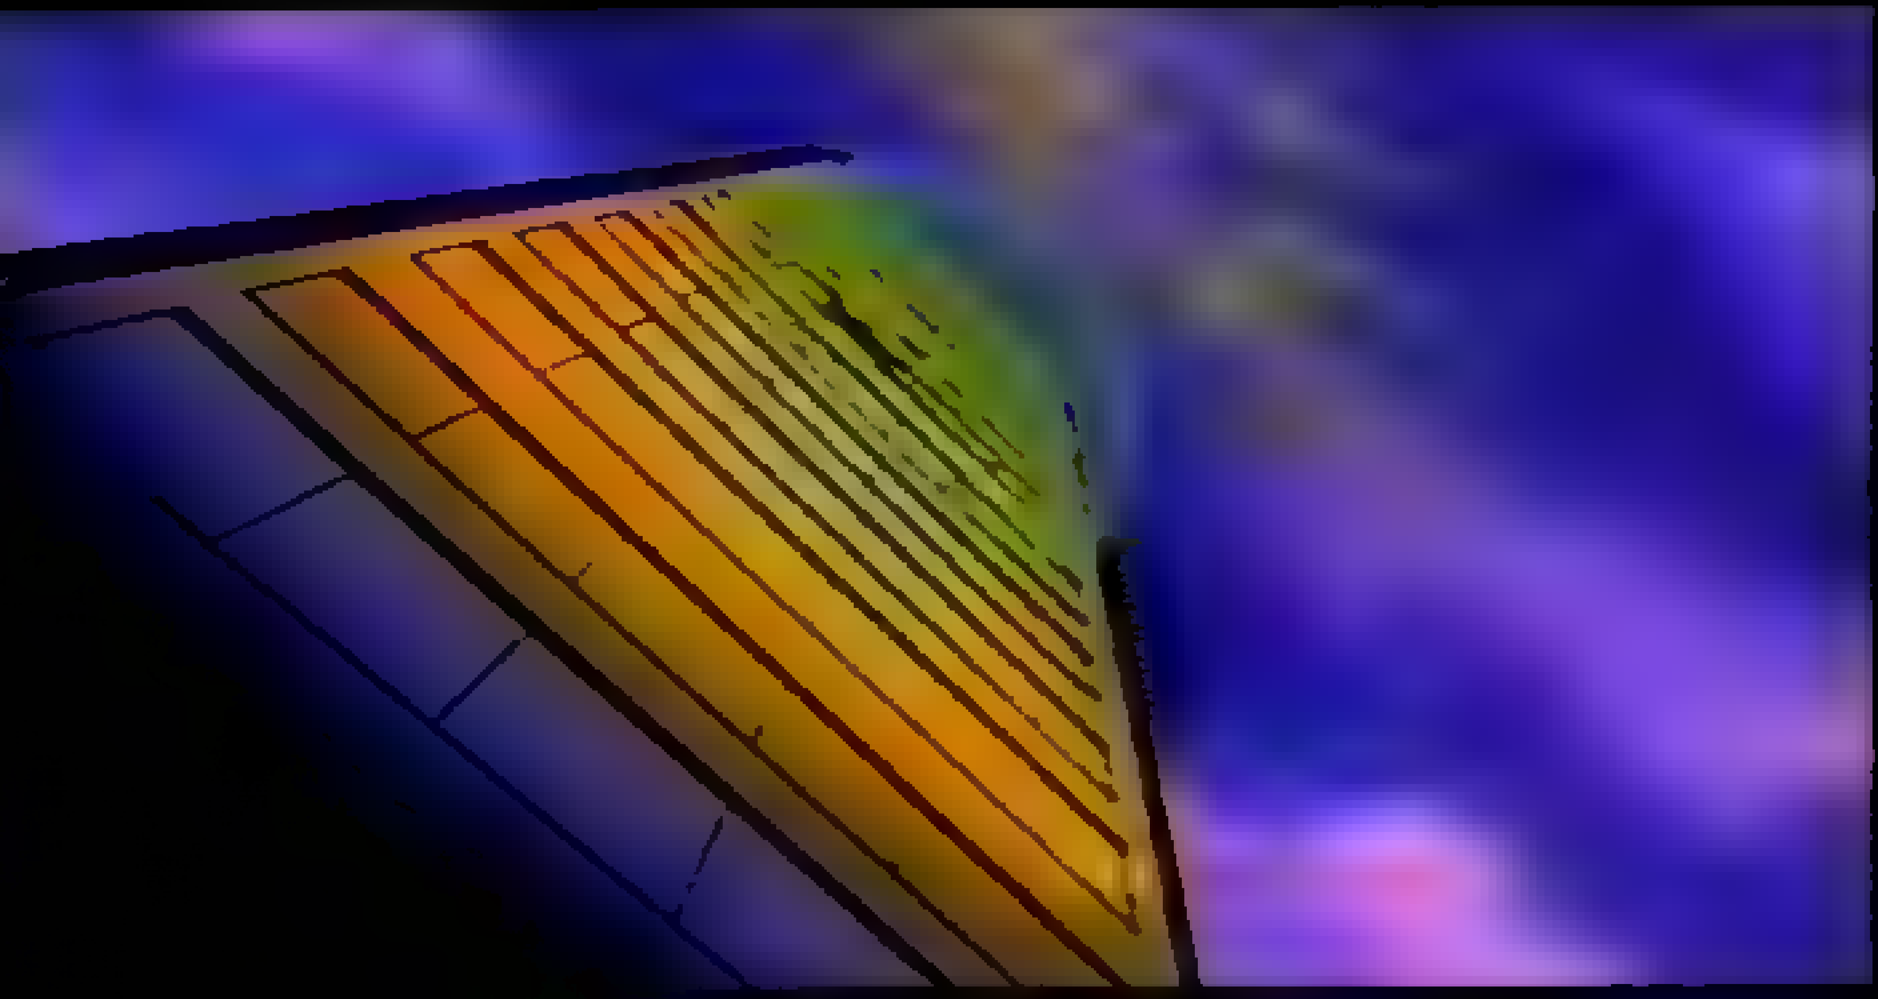

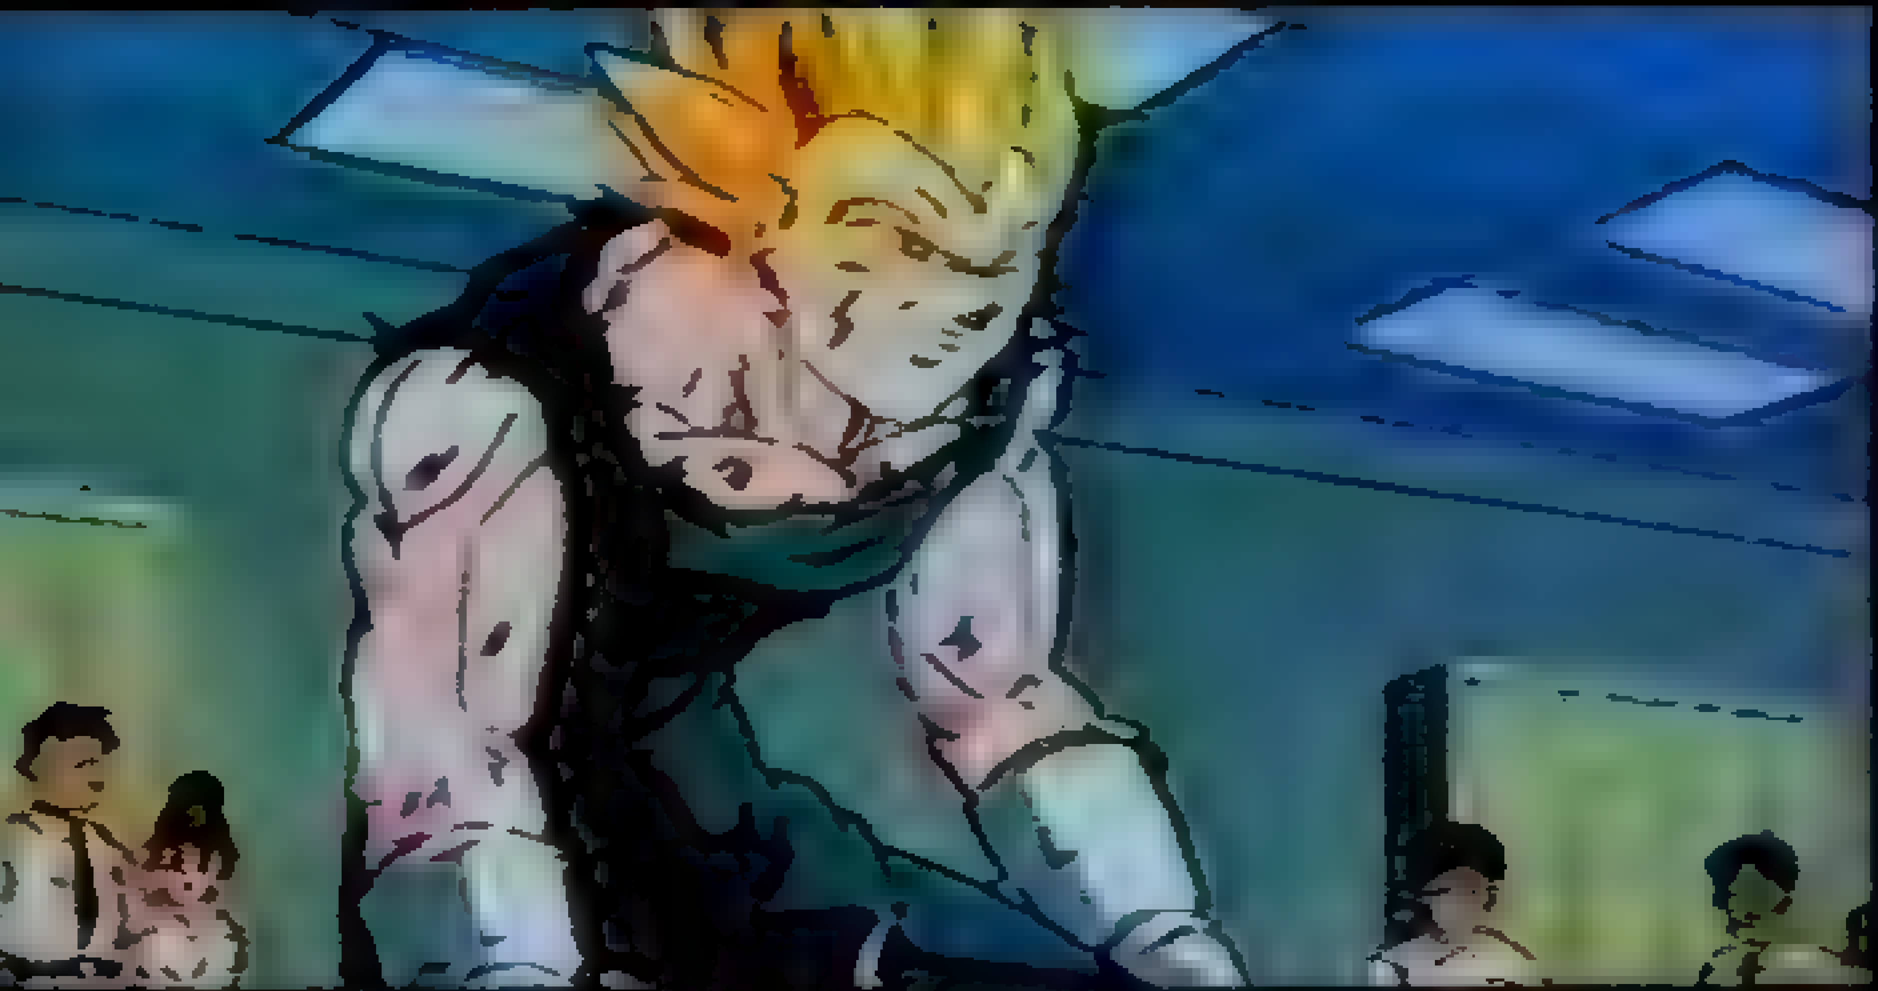

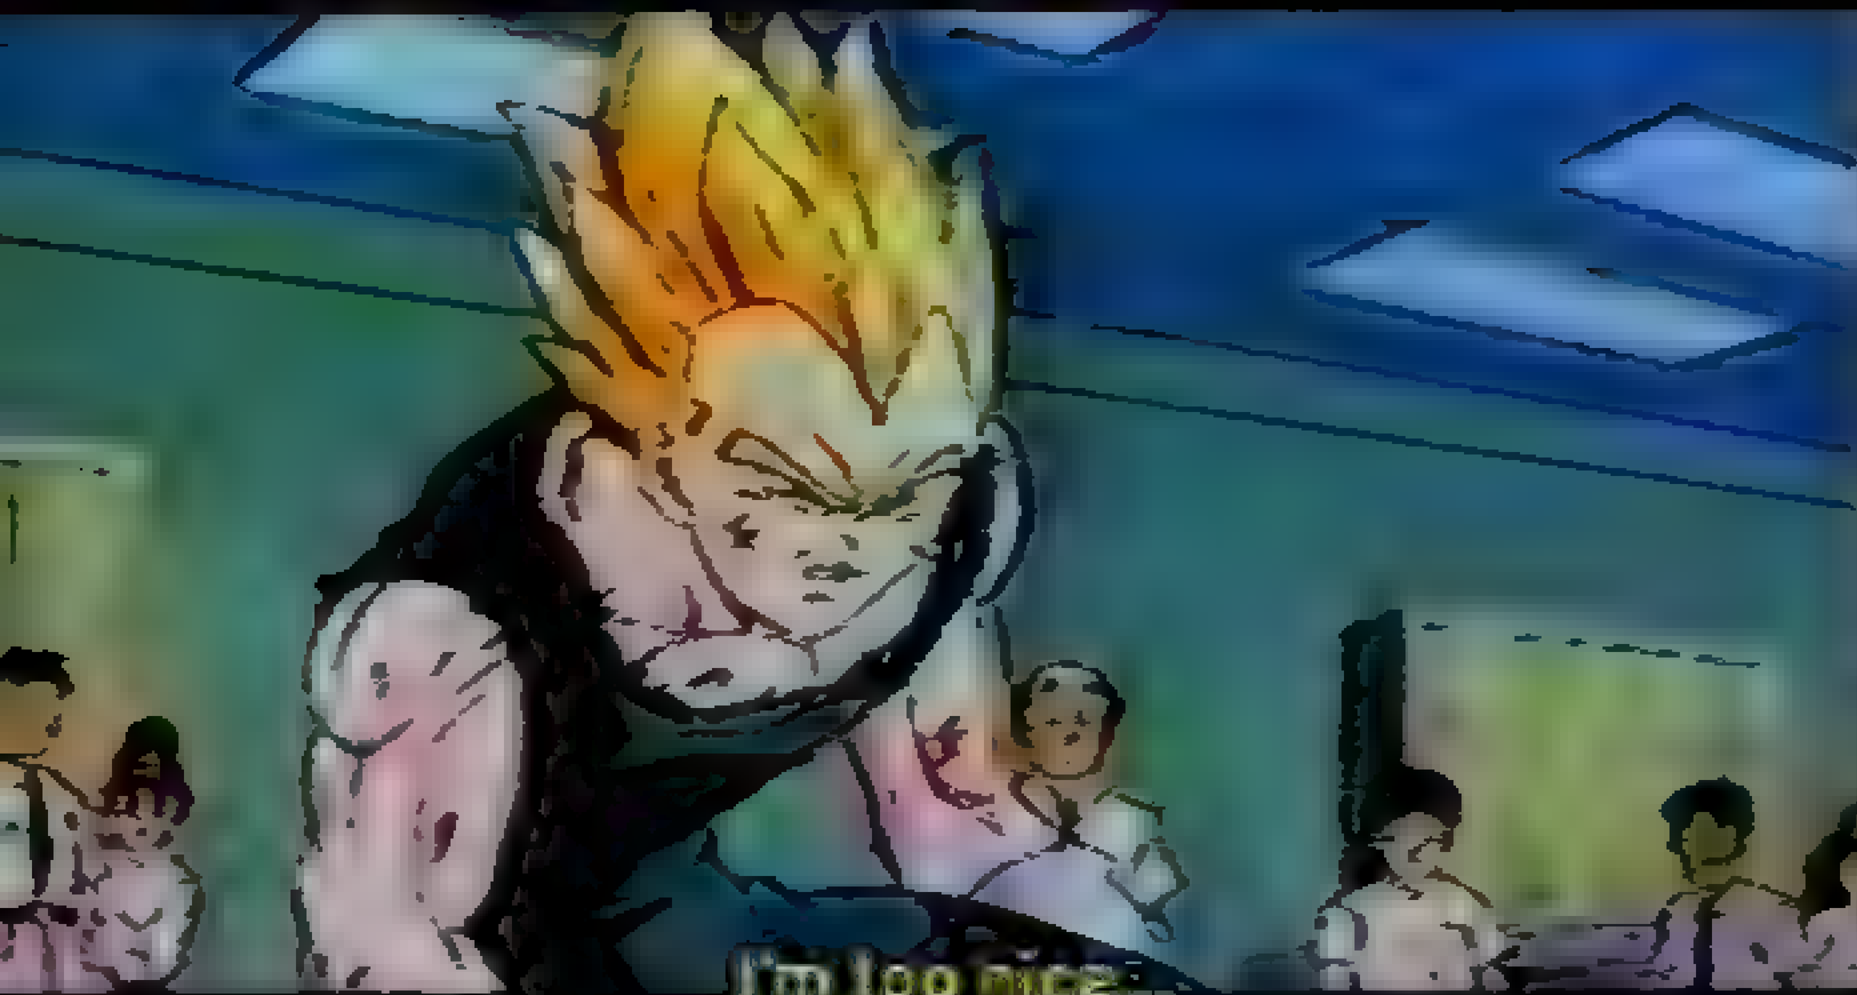

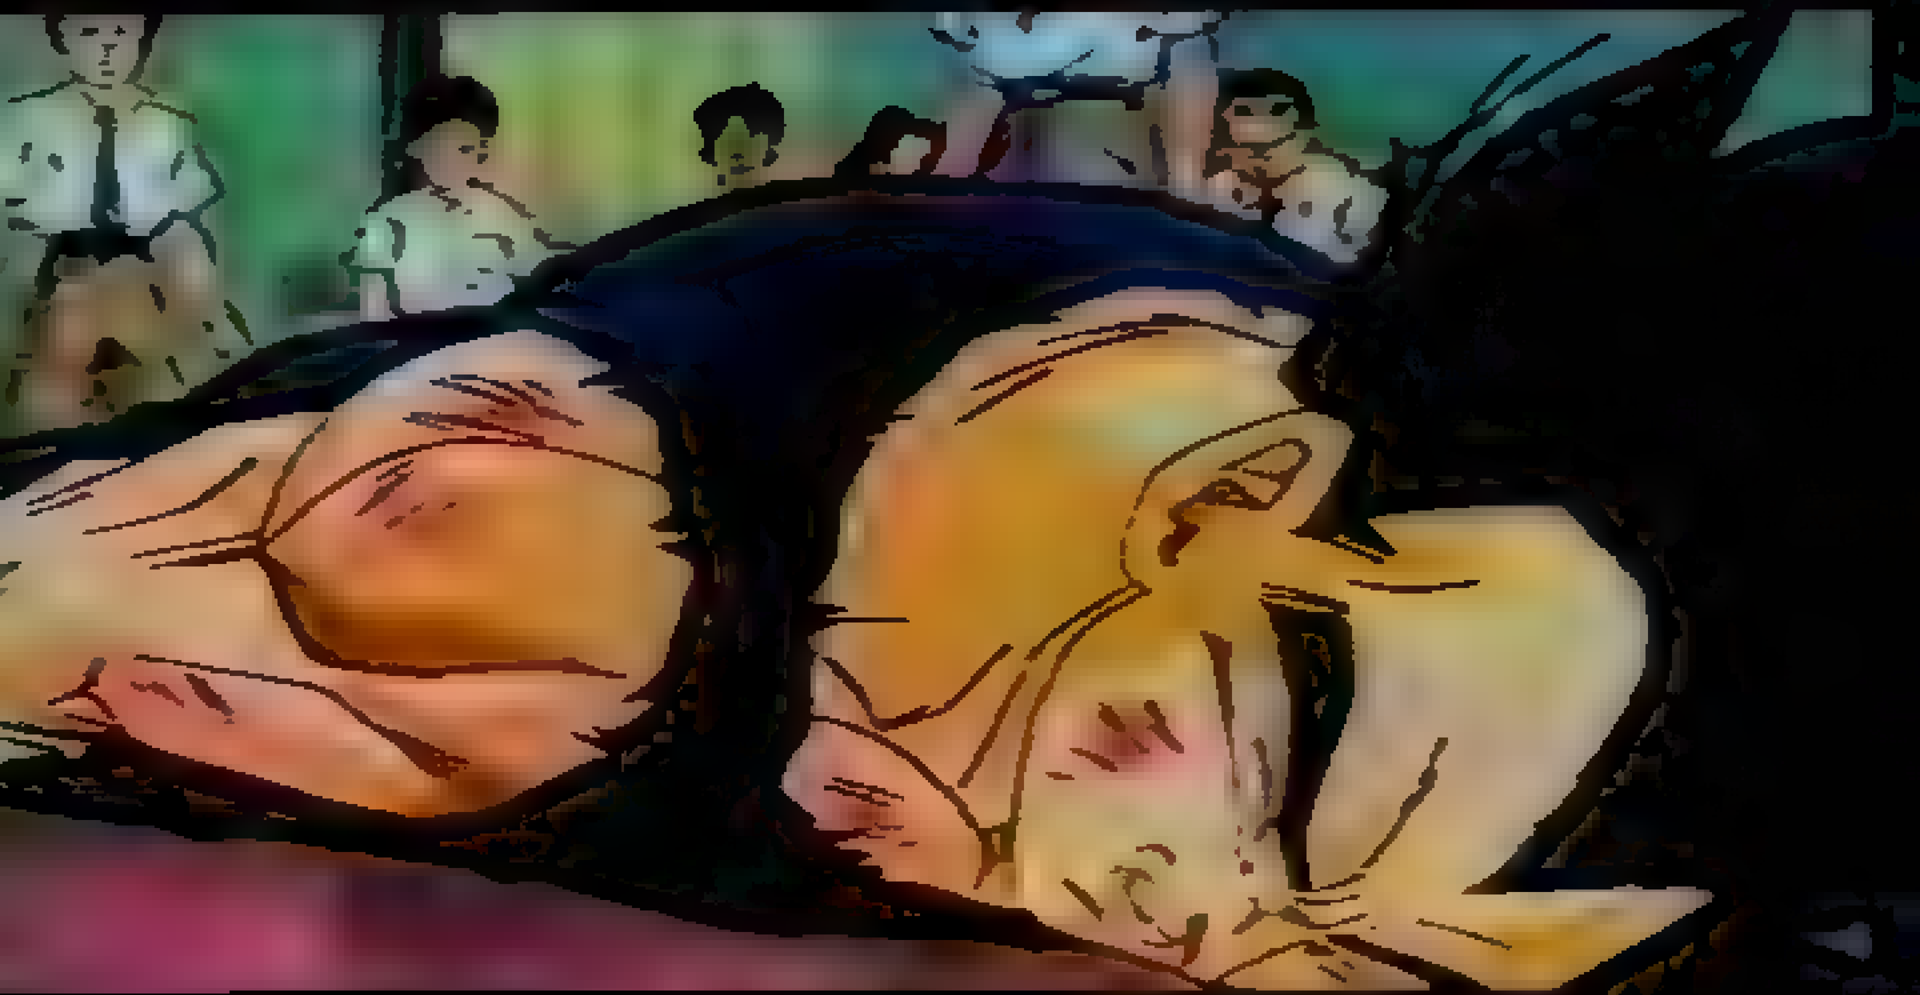

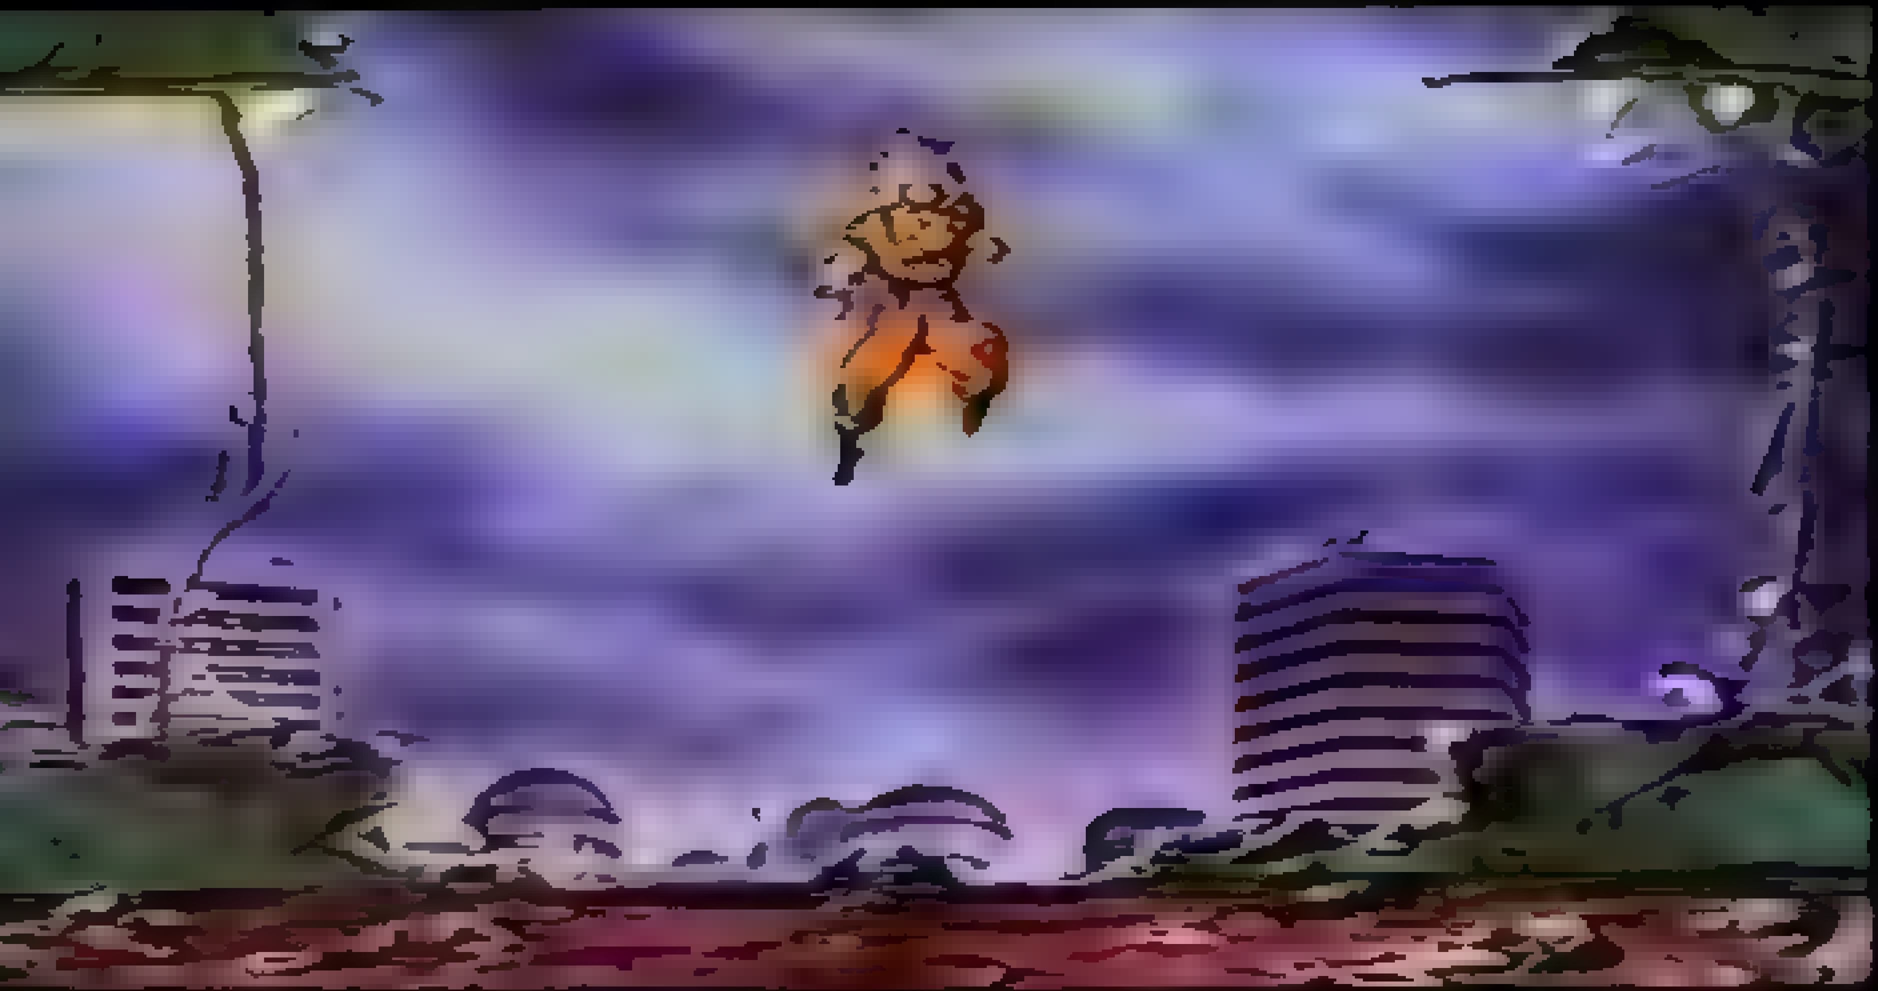

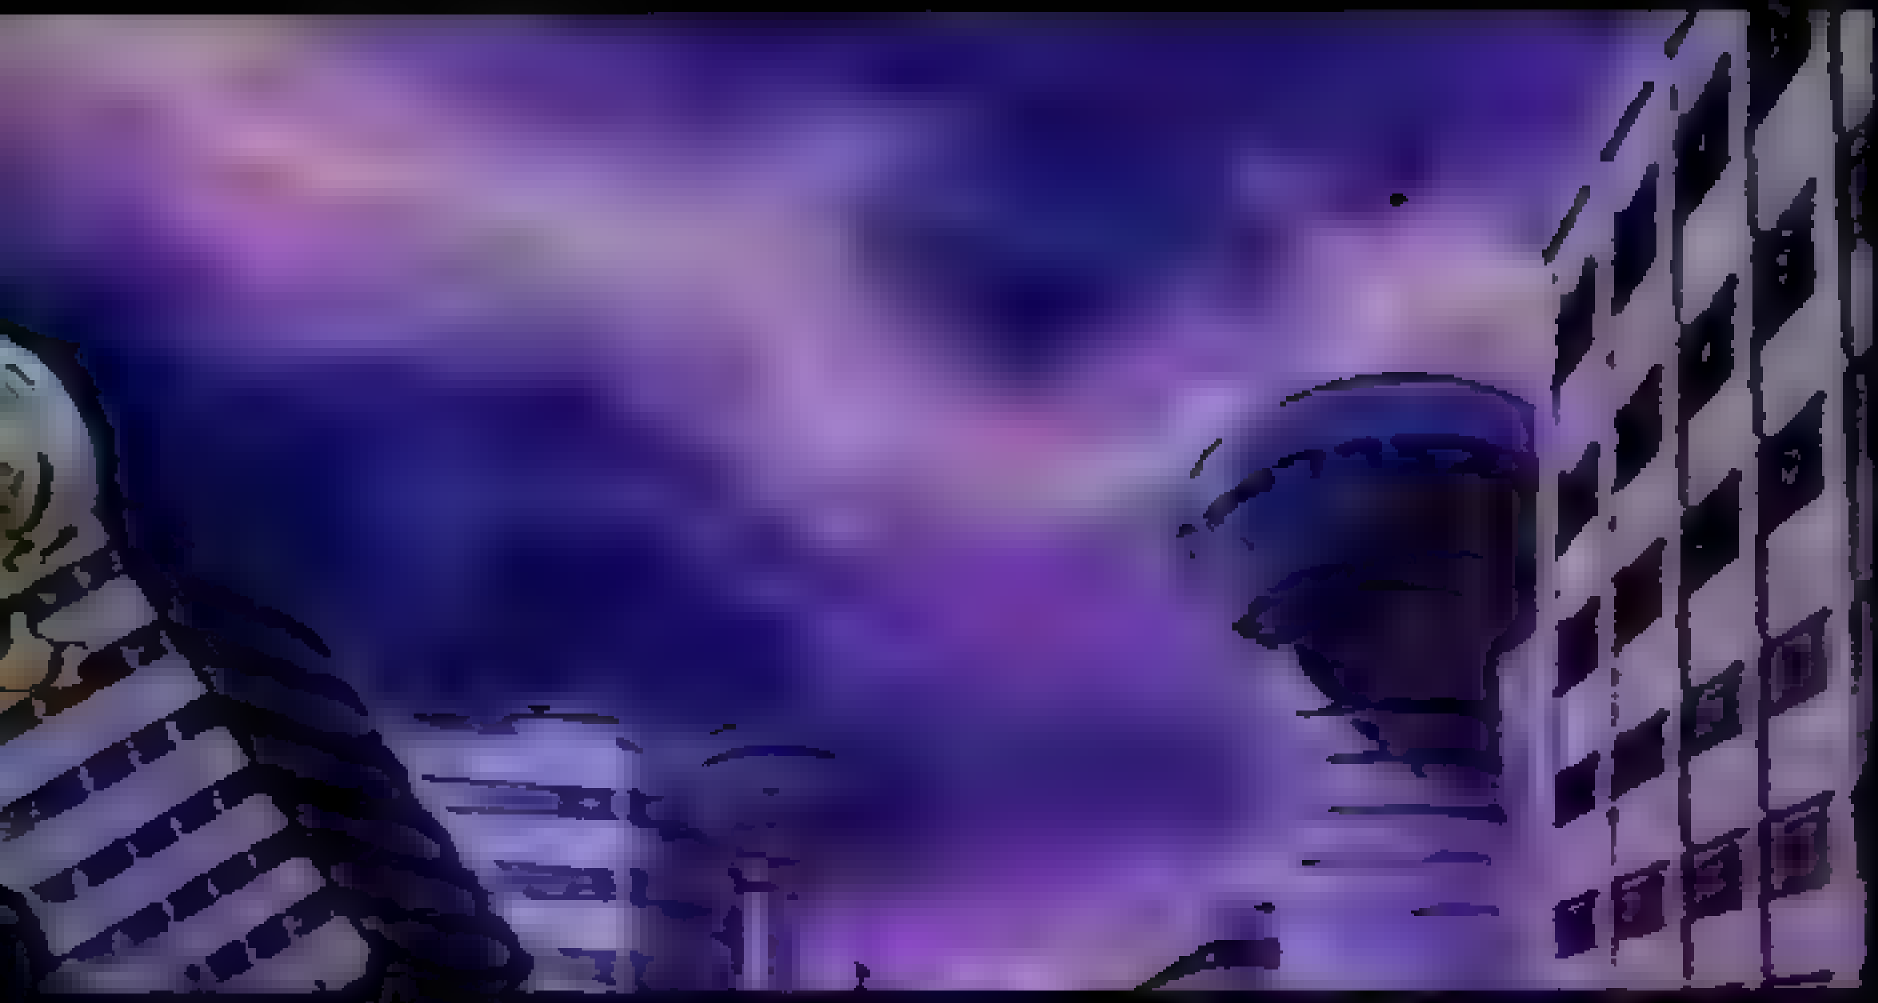

I'm too nice

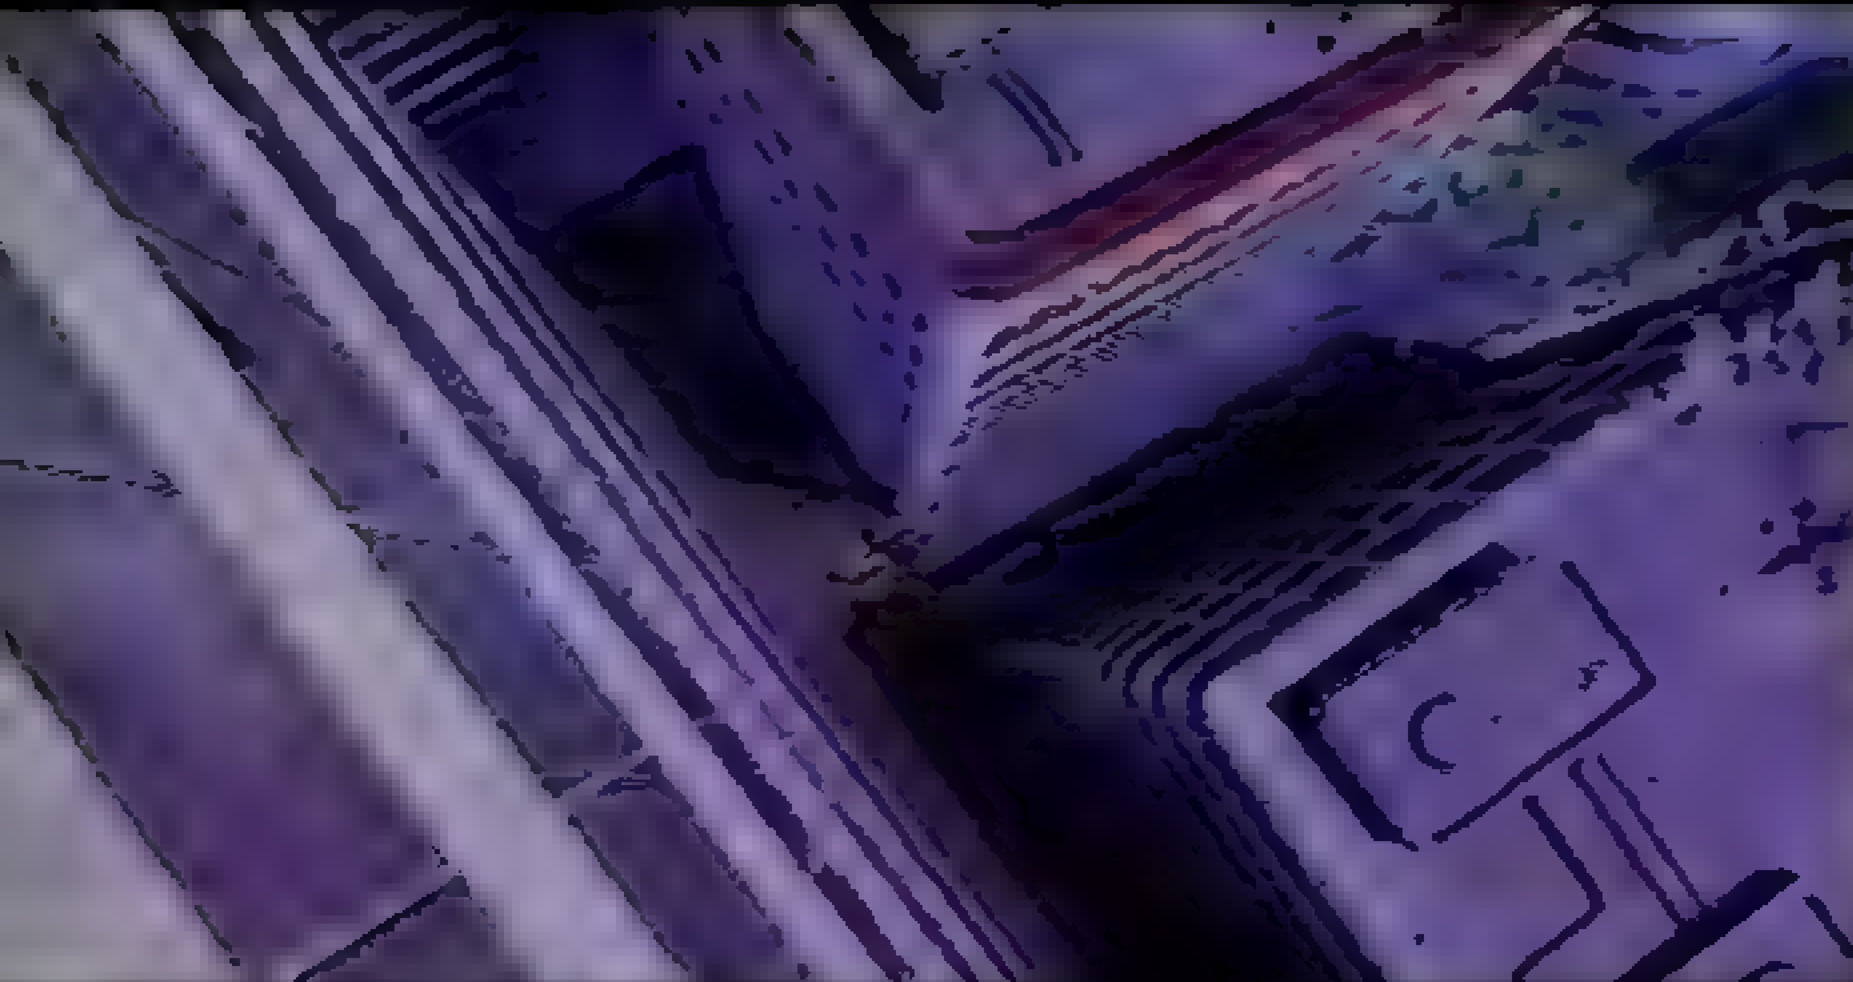

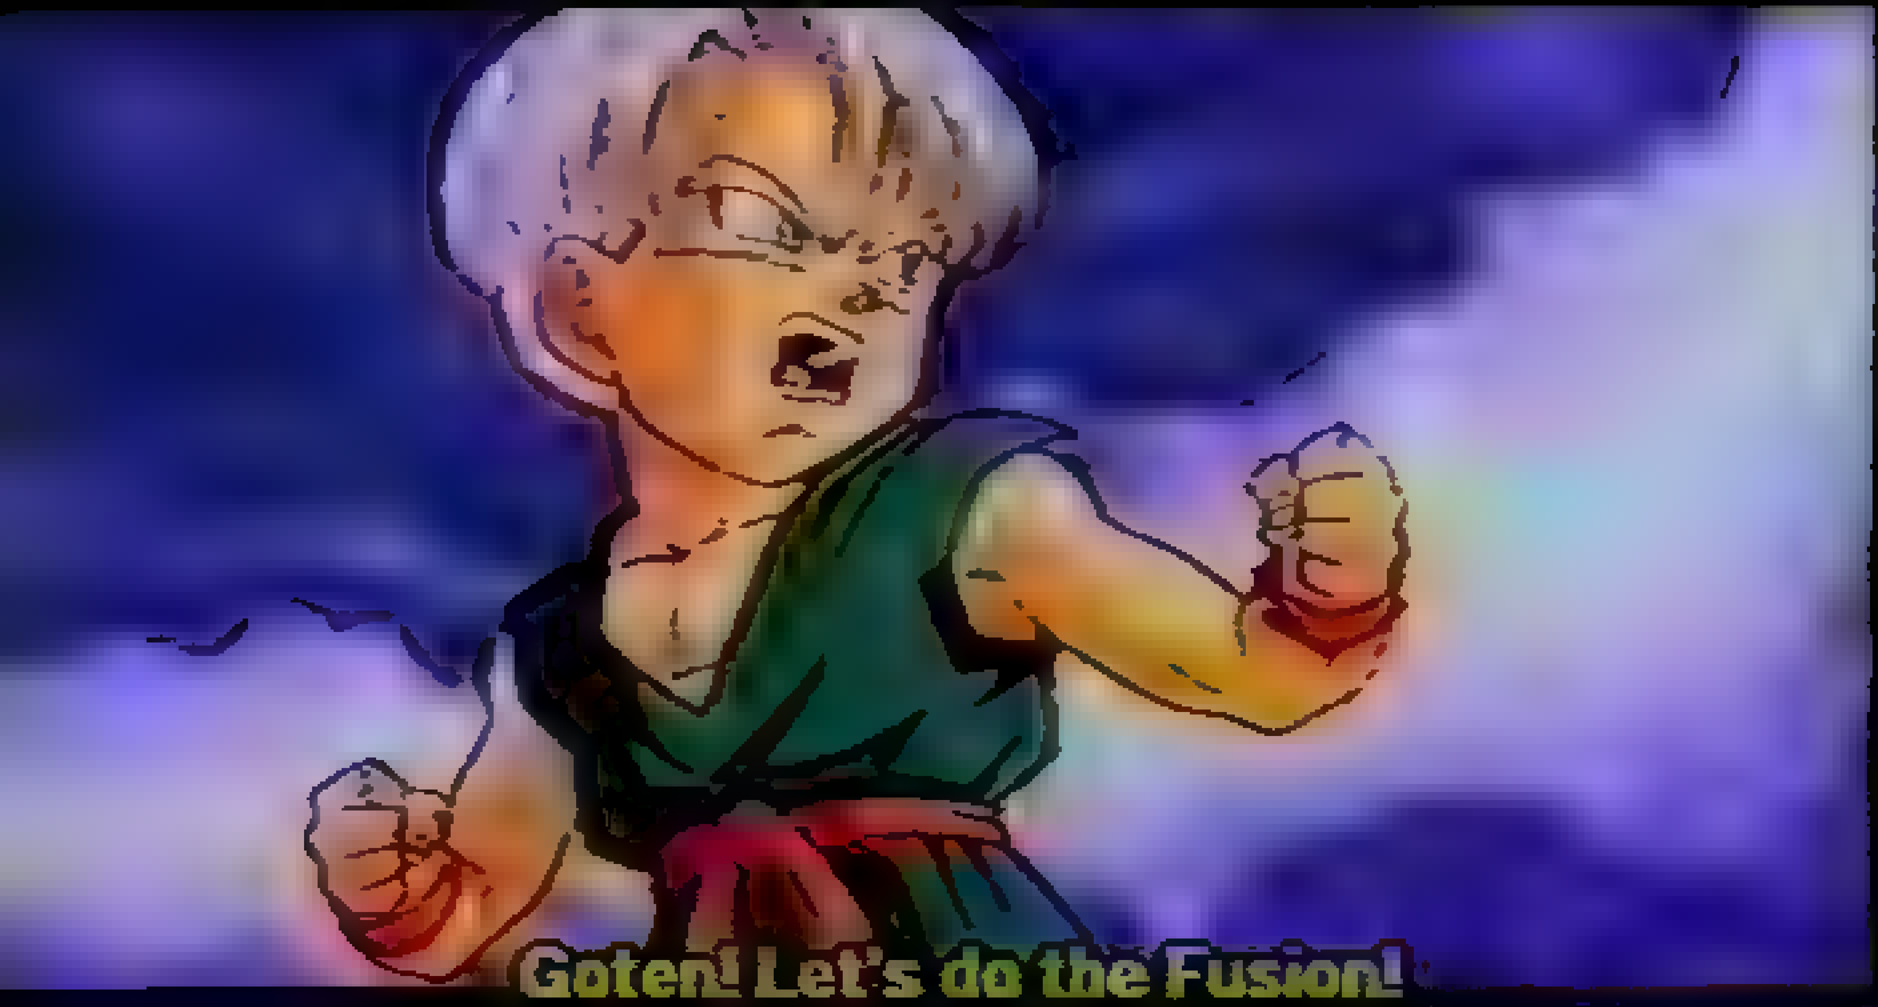

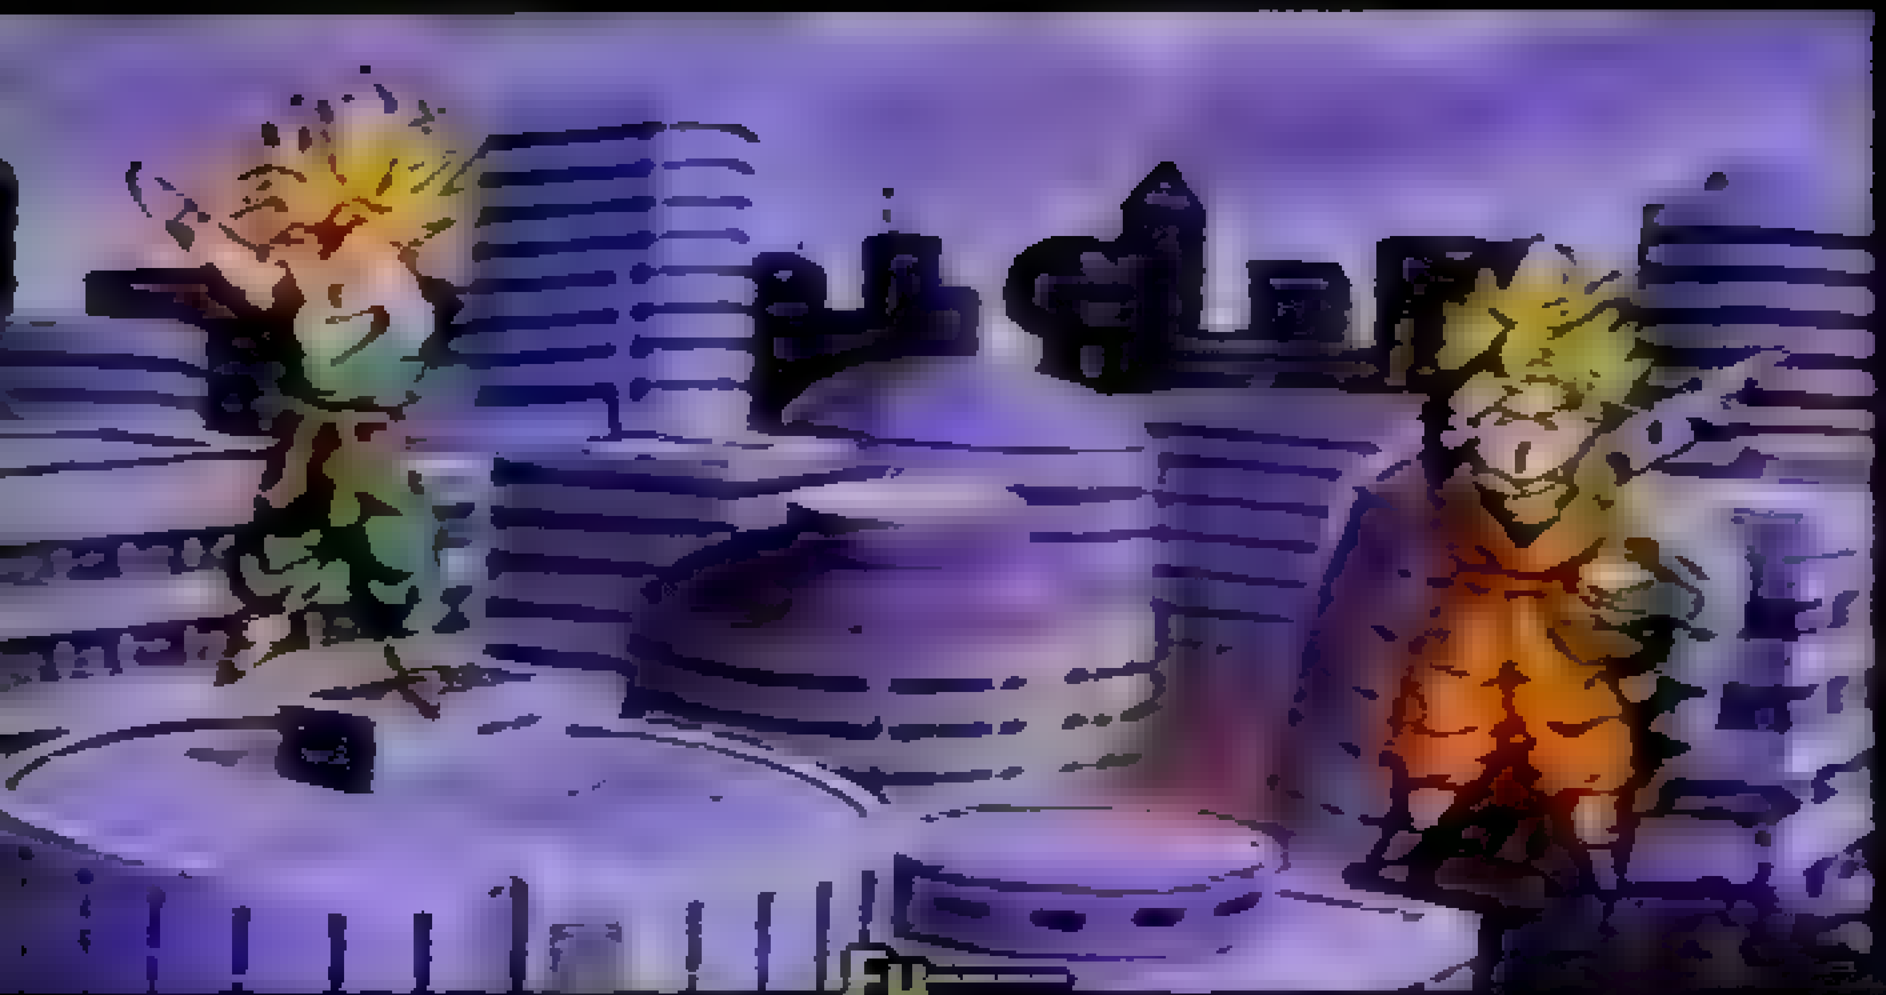

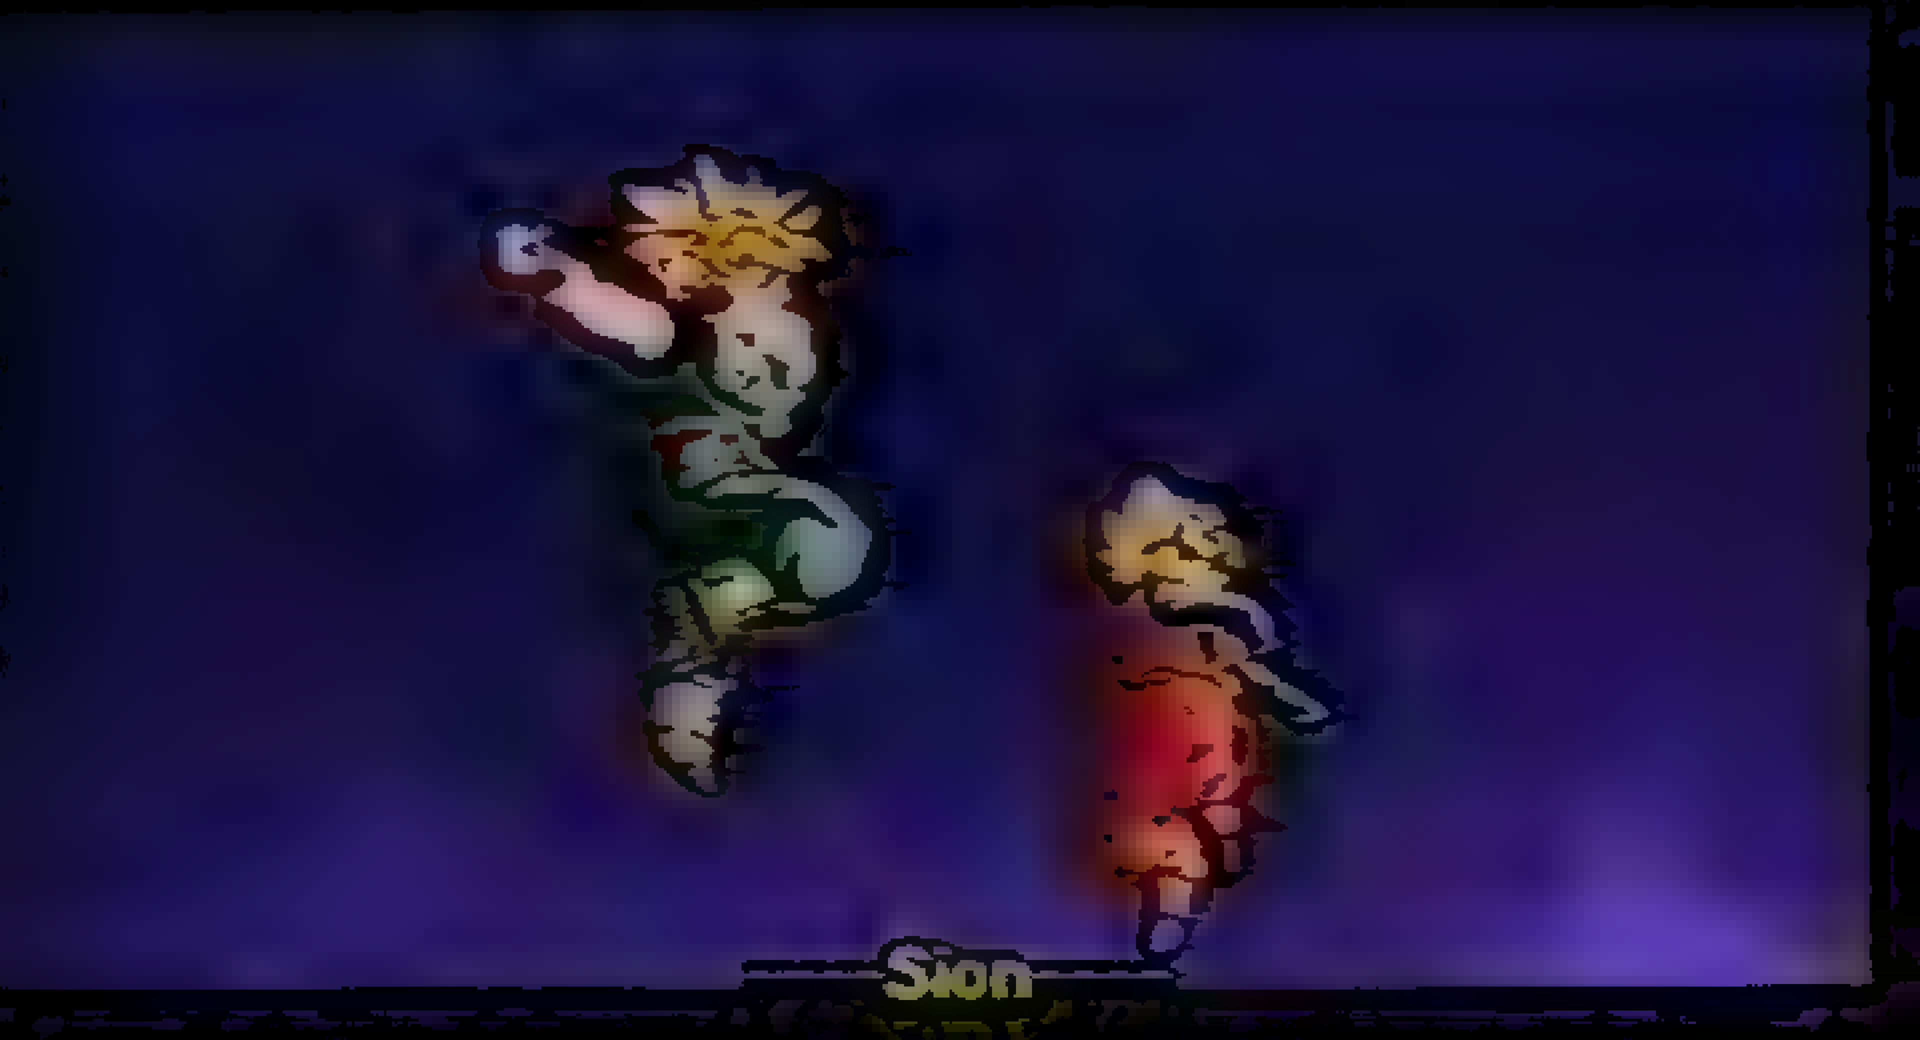

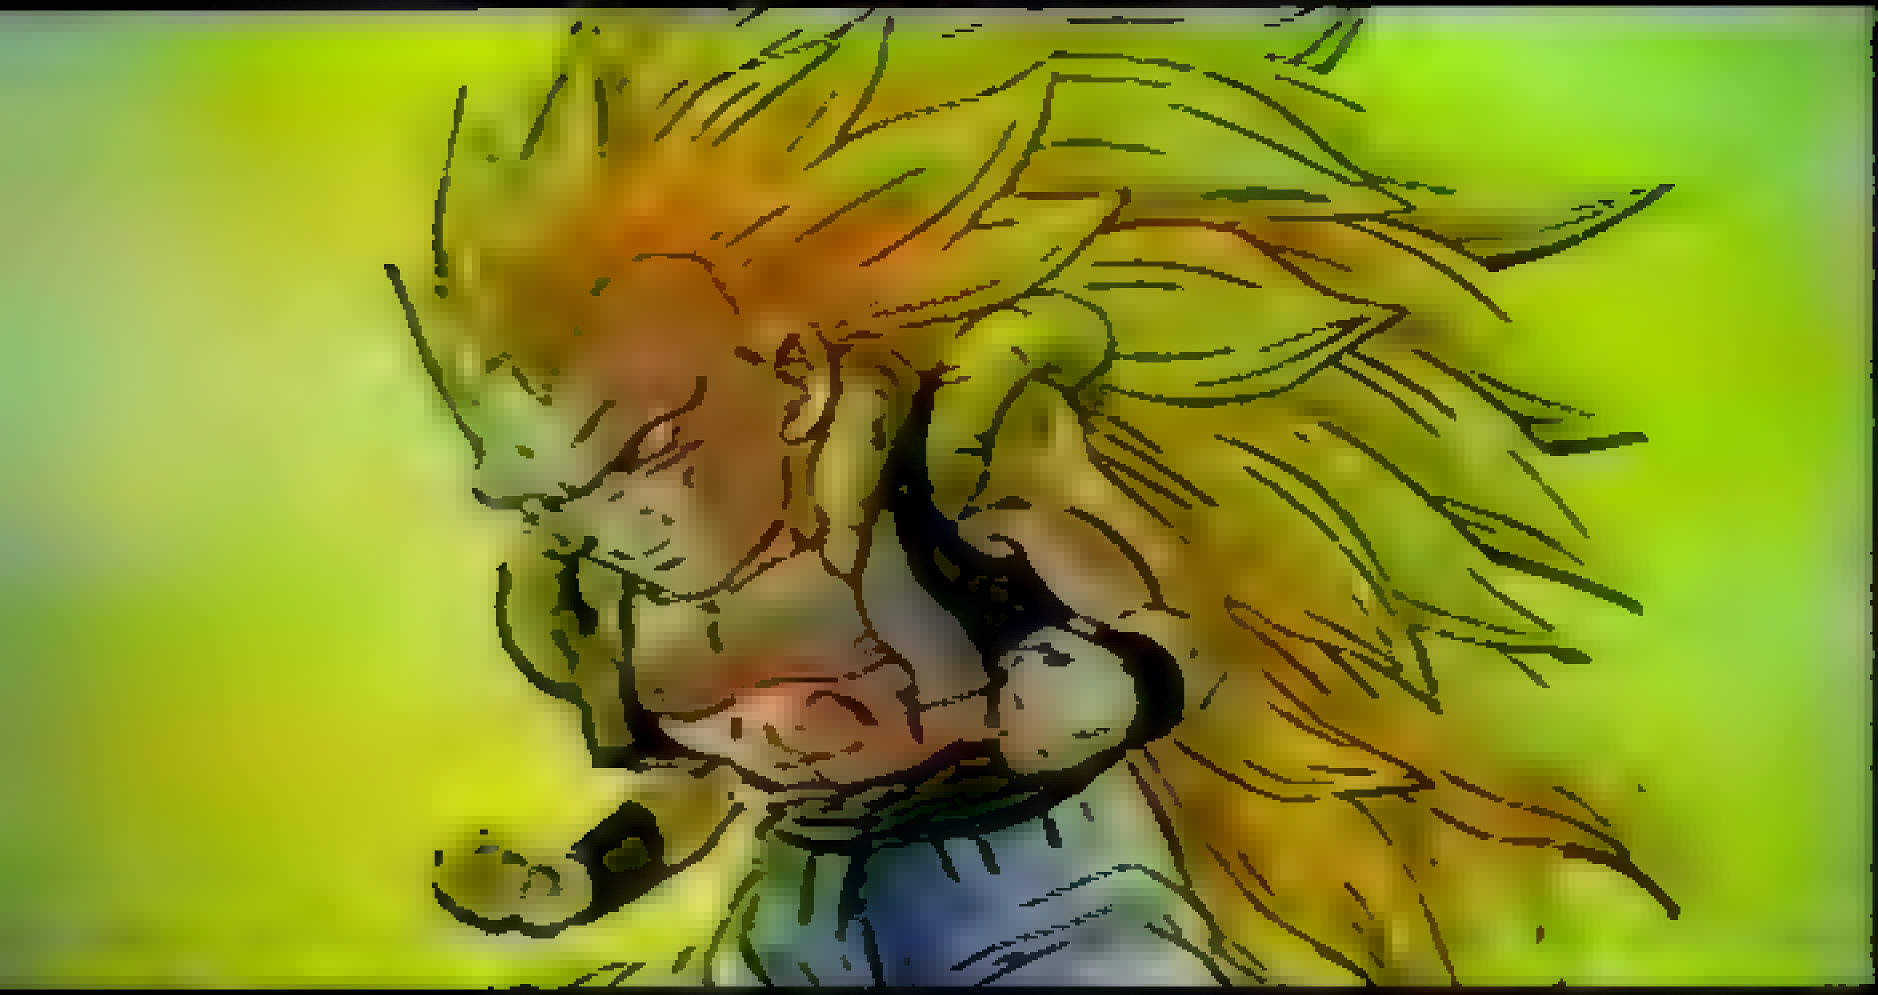

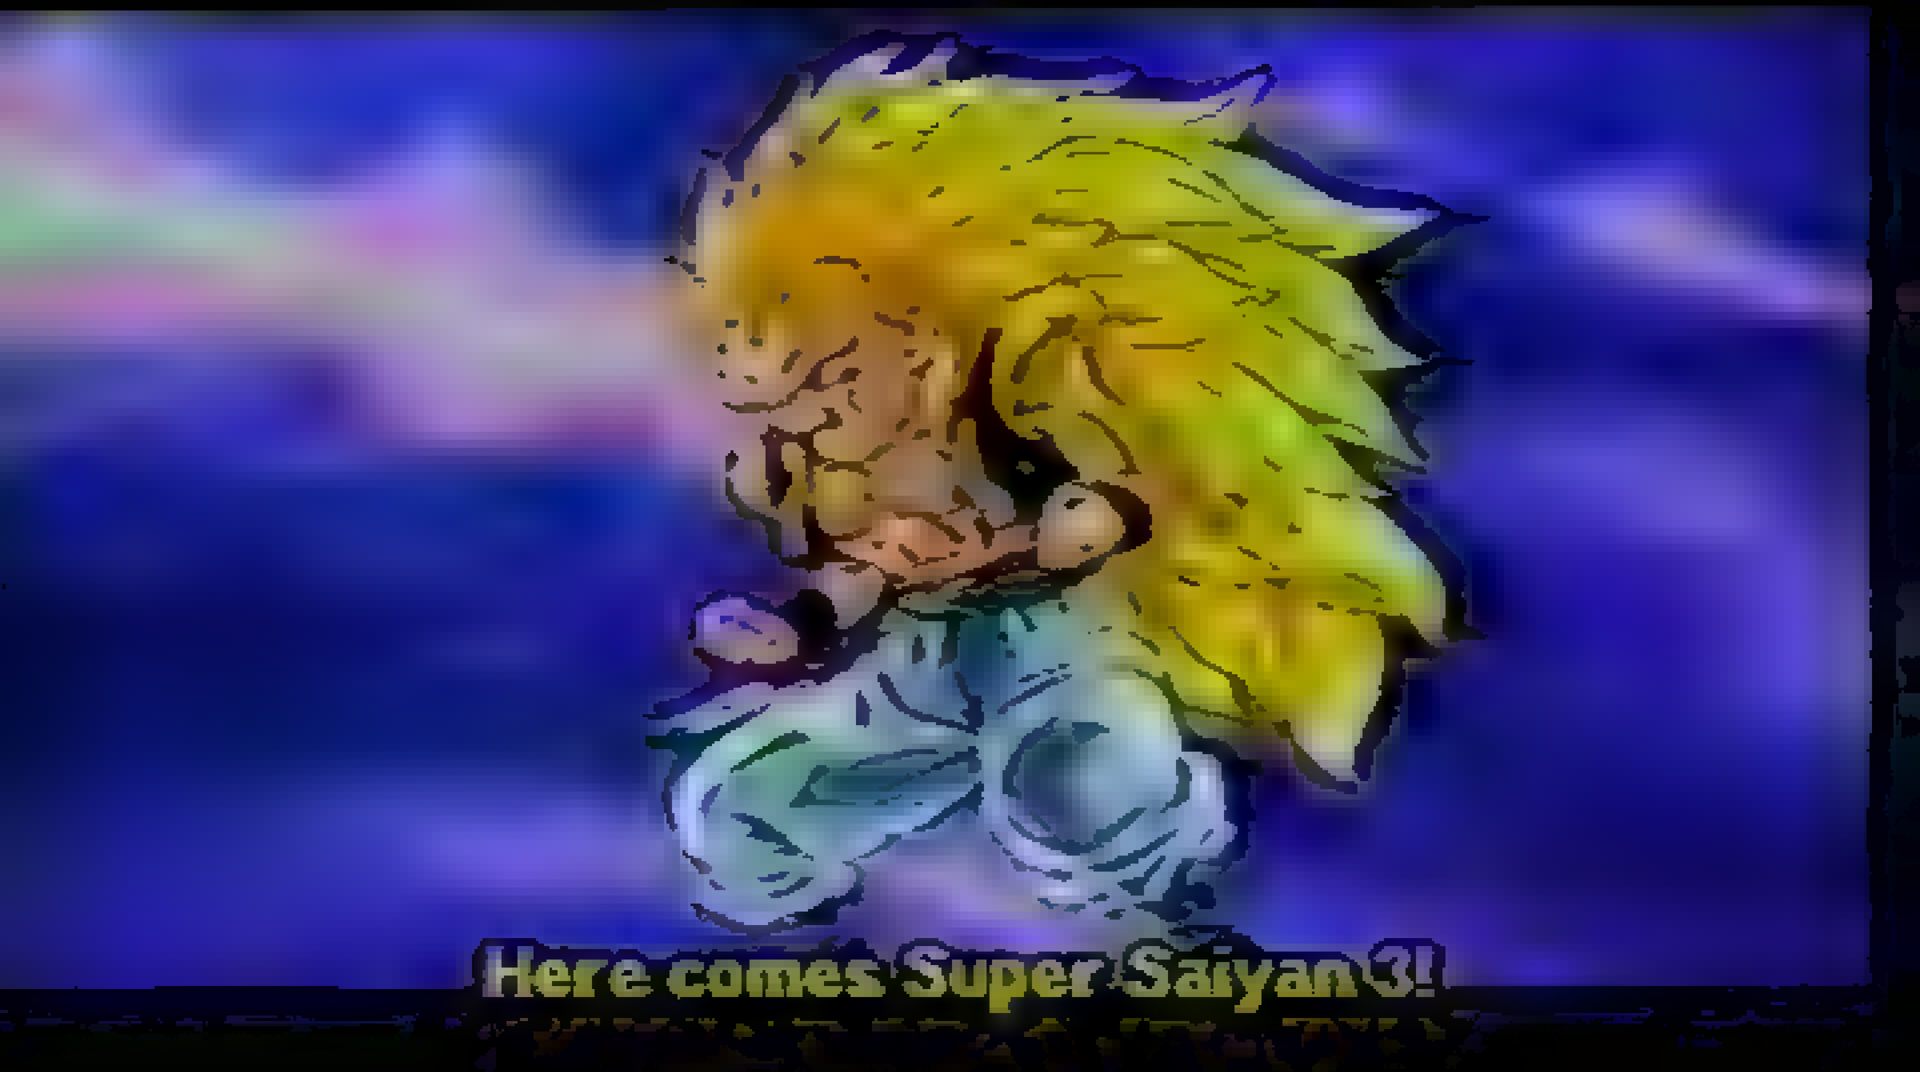

Goten! Let's do the Fusion!

Fu

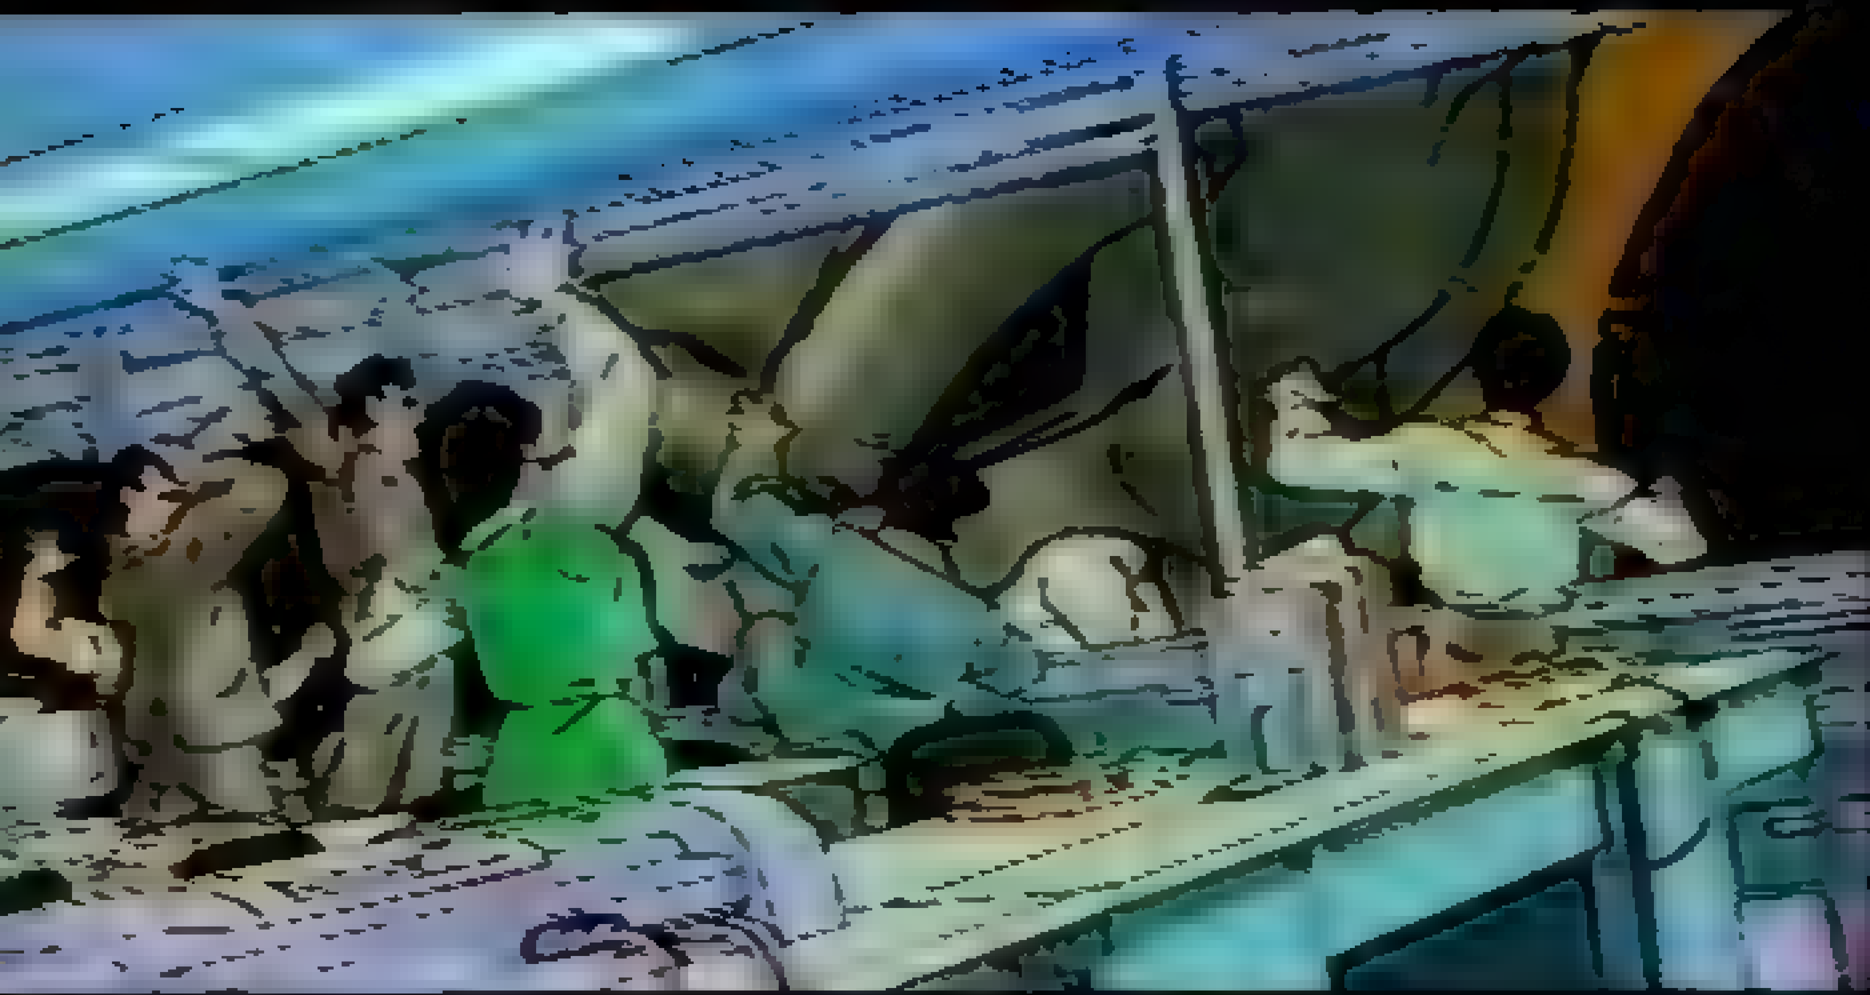

Sion

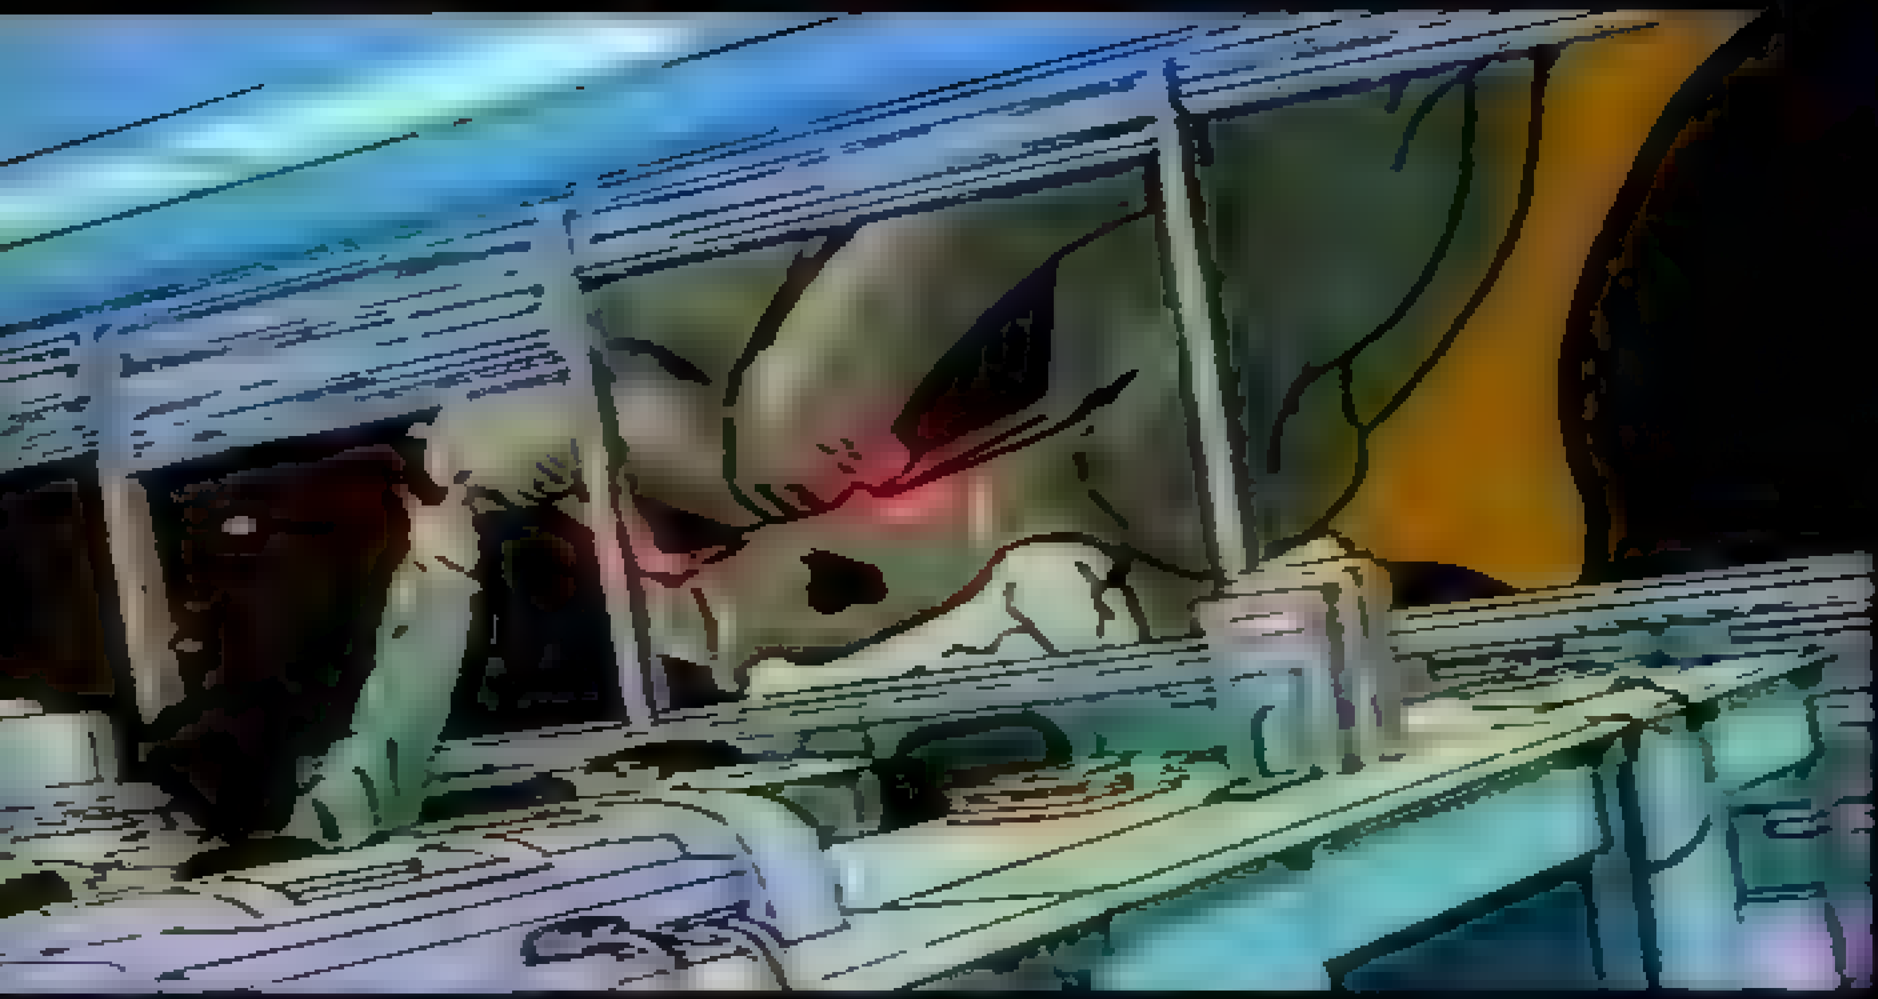

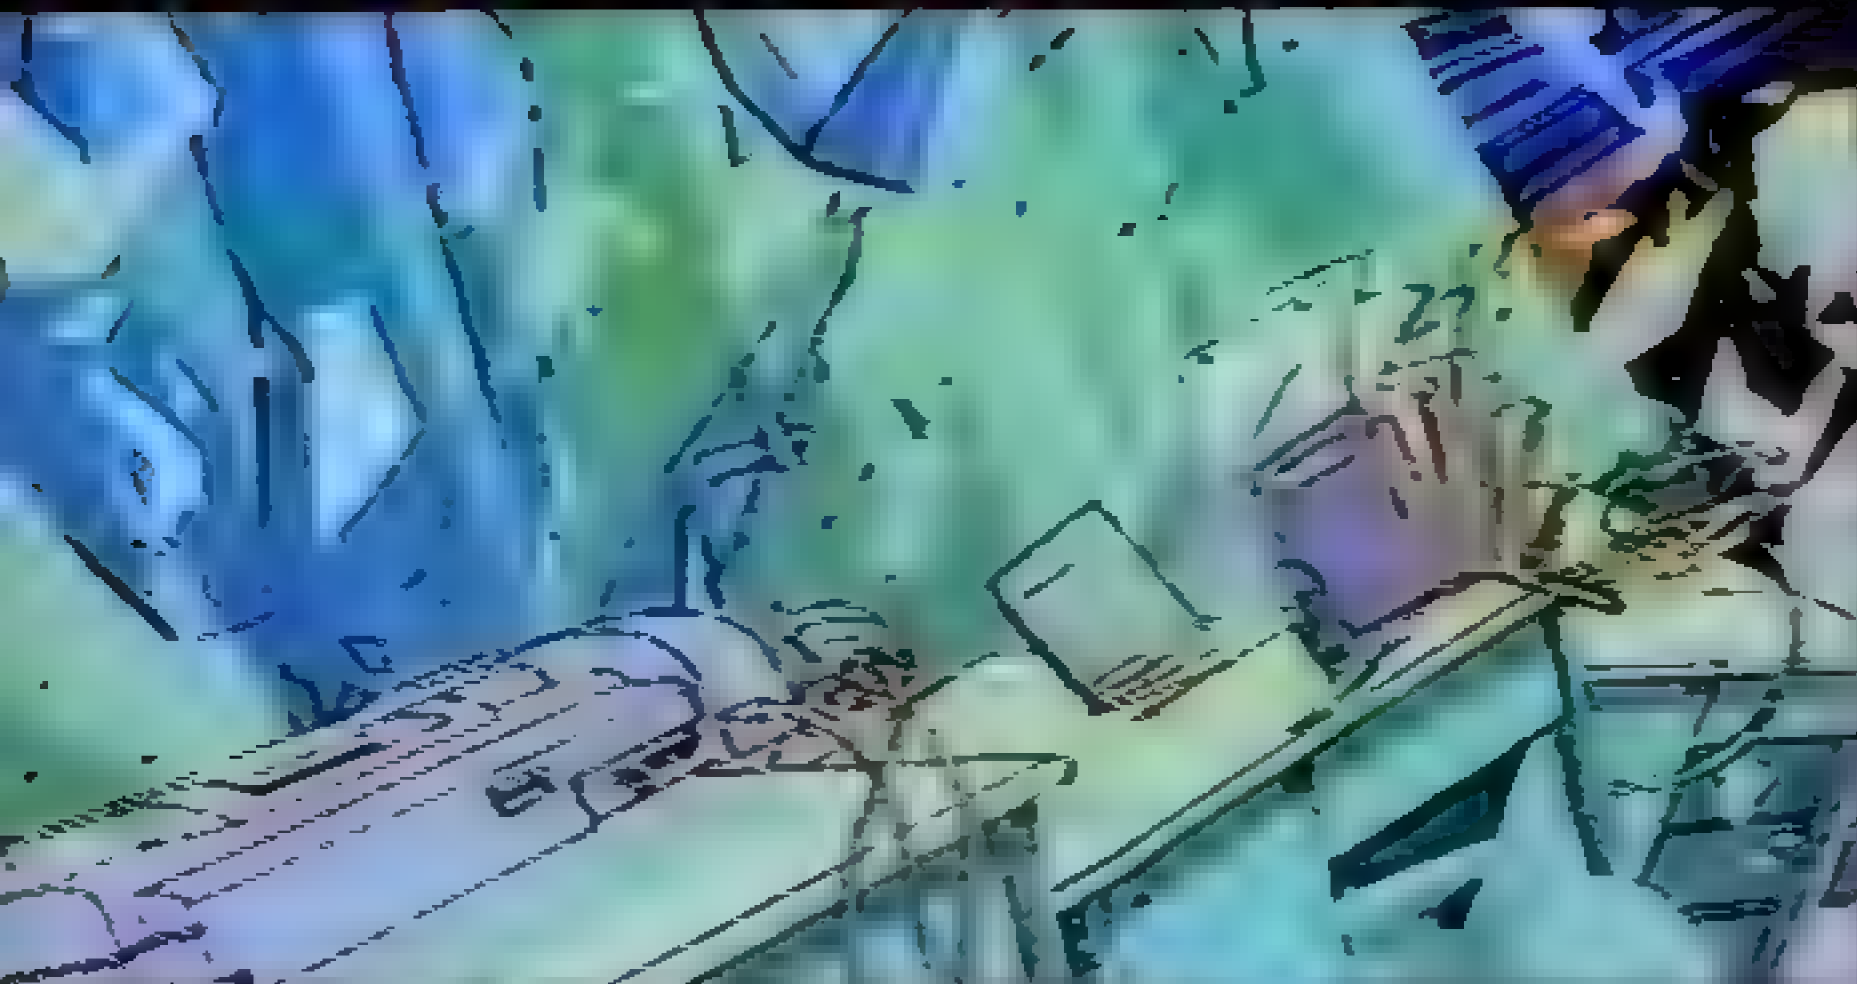

Here comes Super Saiyan 3!

C'mon monster, it's time
for you to become history!

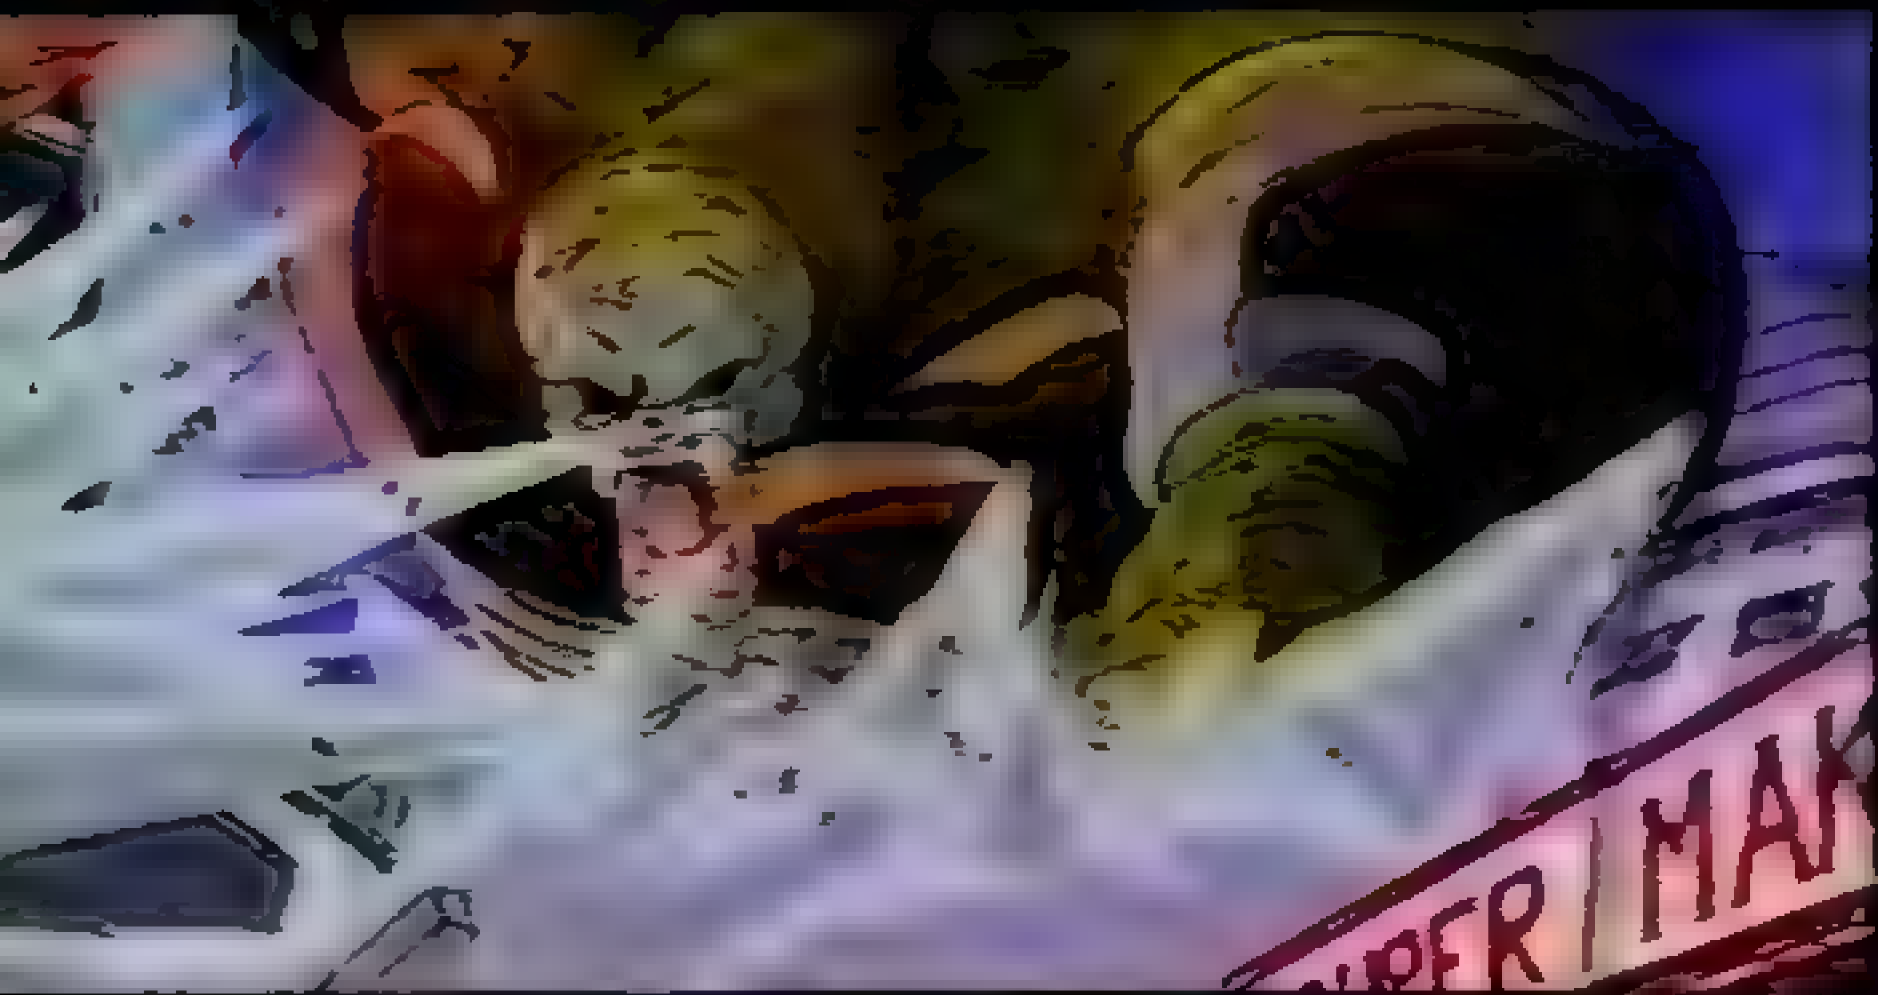

C'mon monster, it's time
for you to become history!

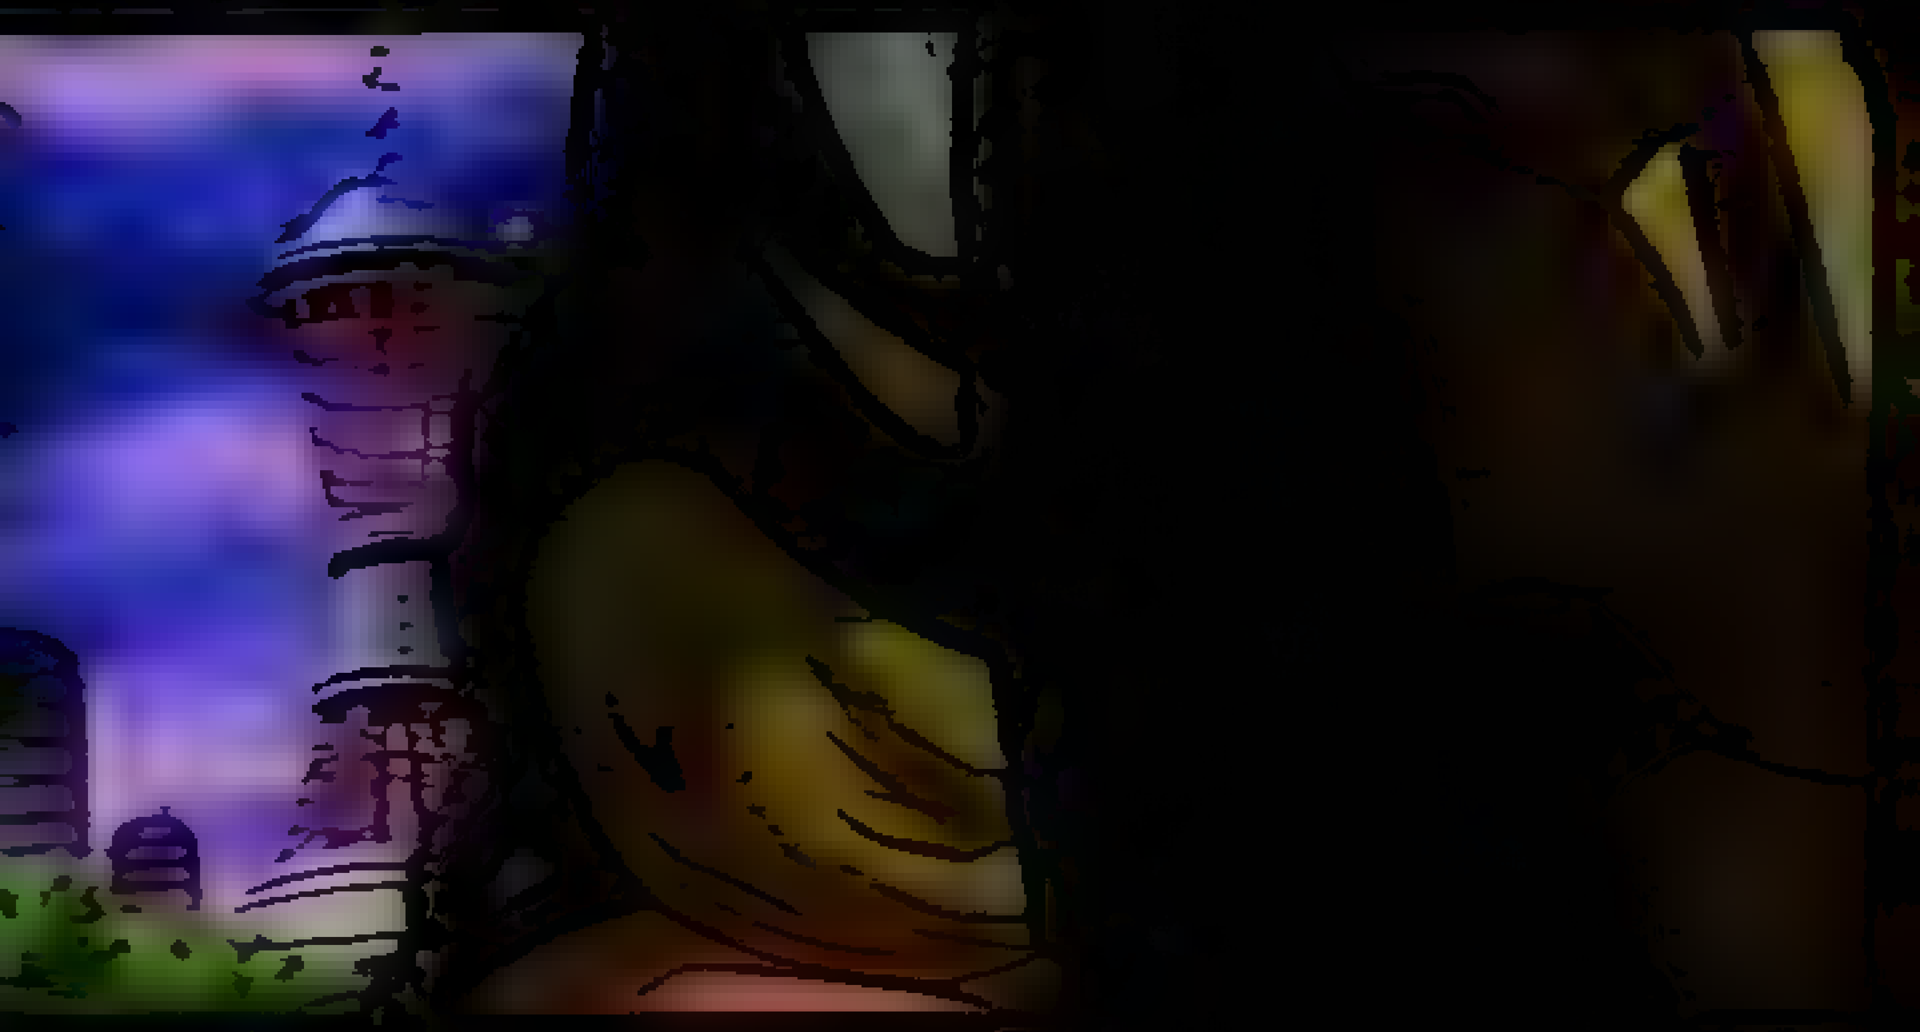

I, Gotenks, will personally send you to Emma.

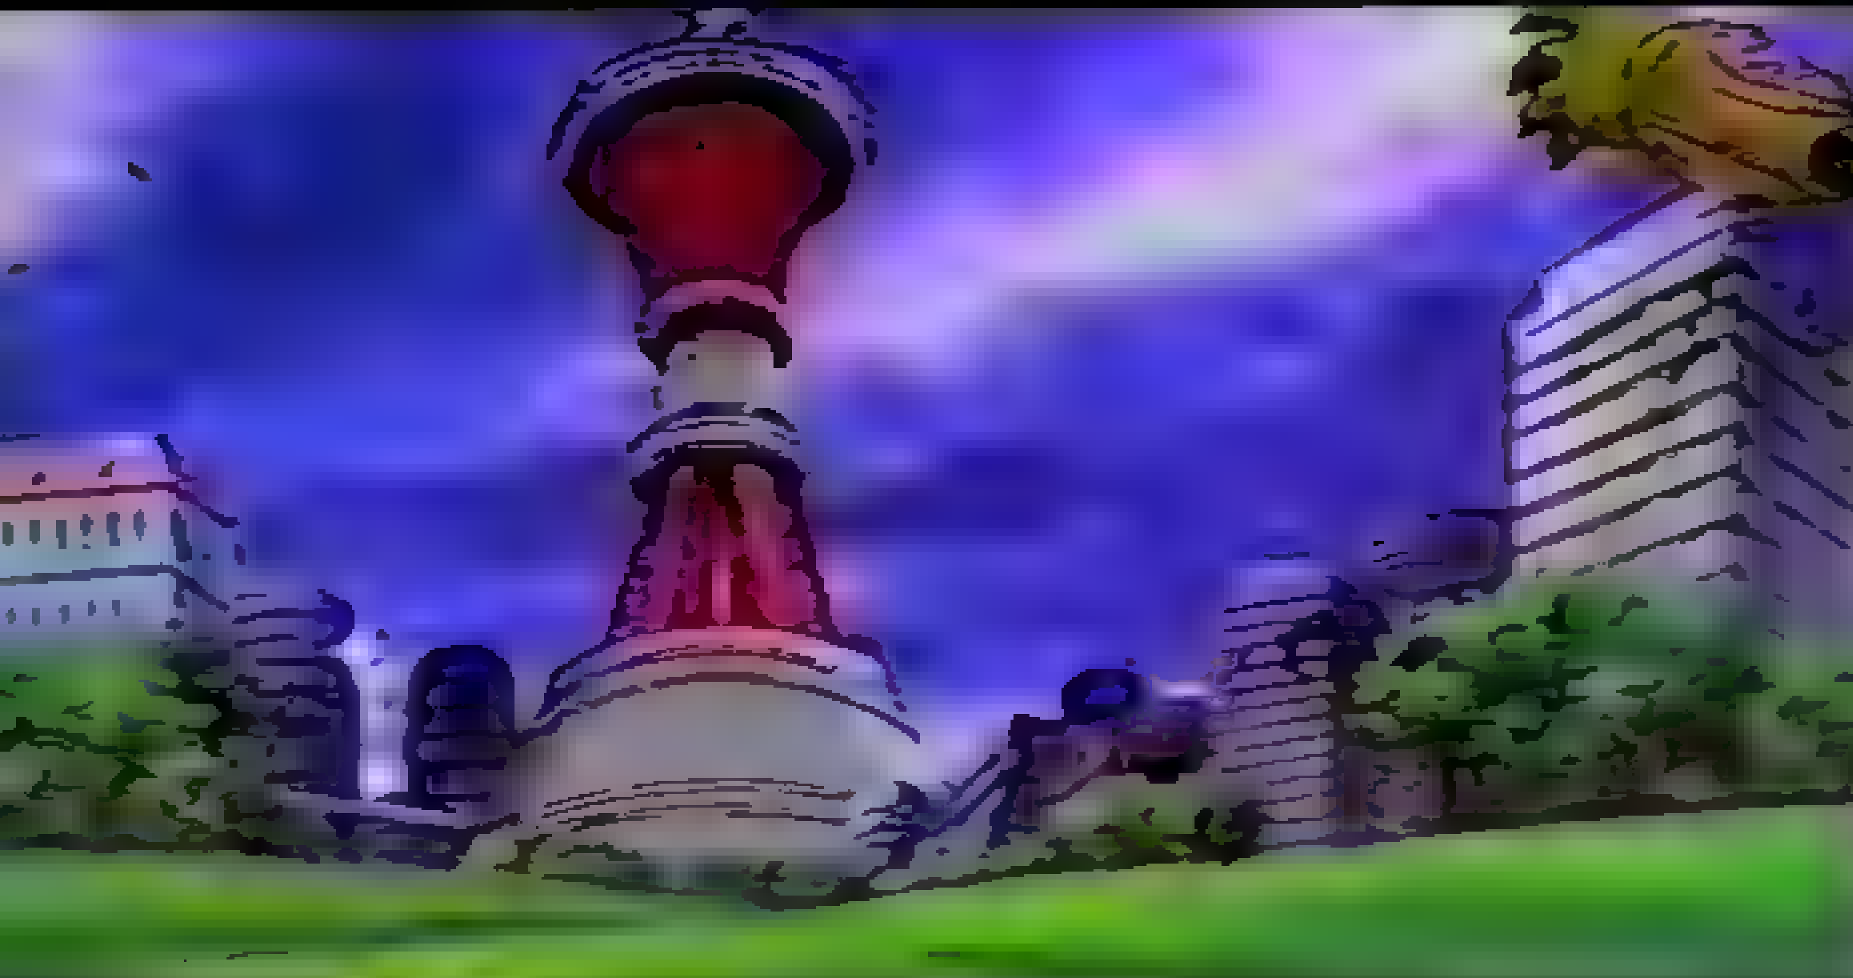

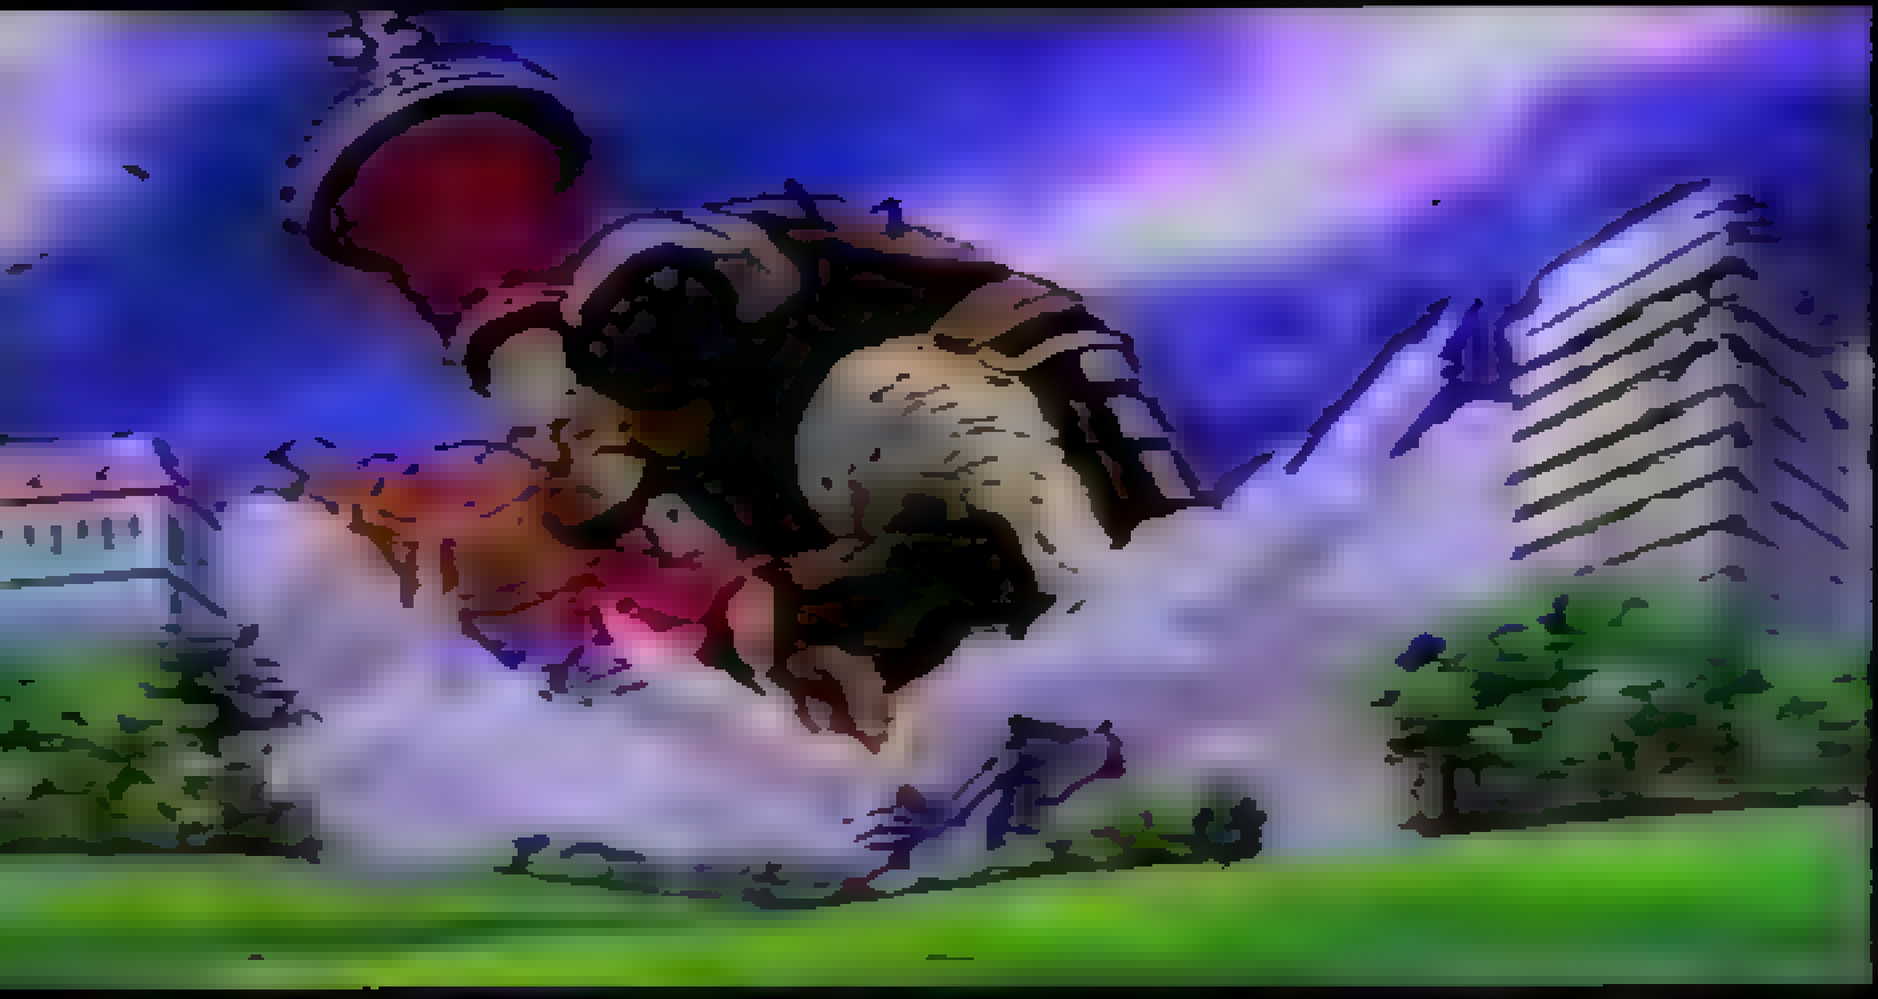

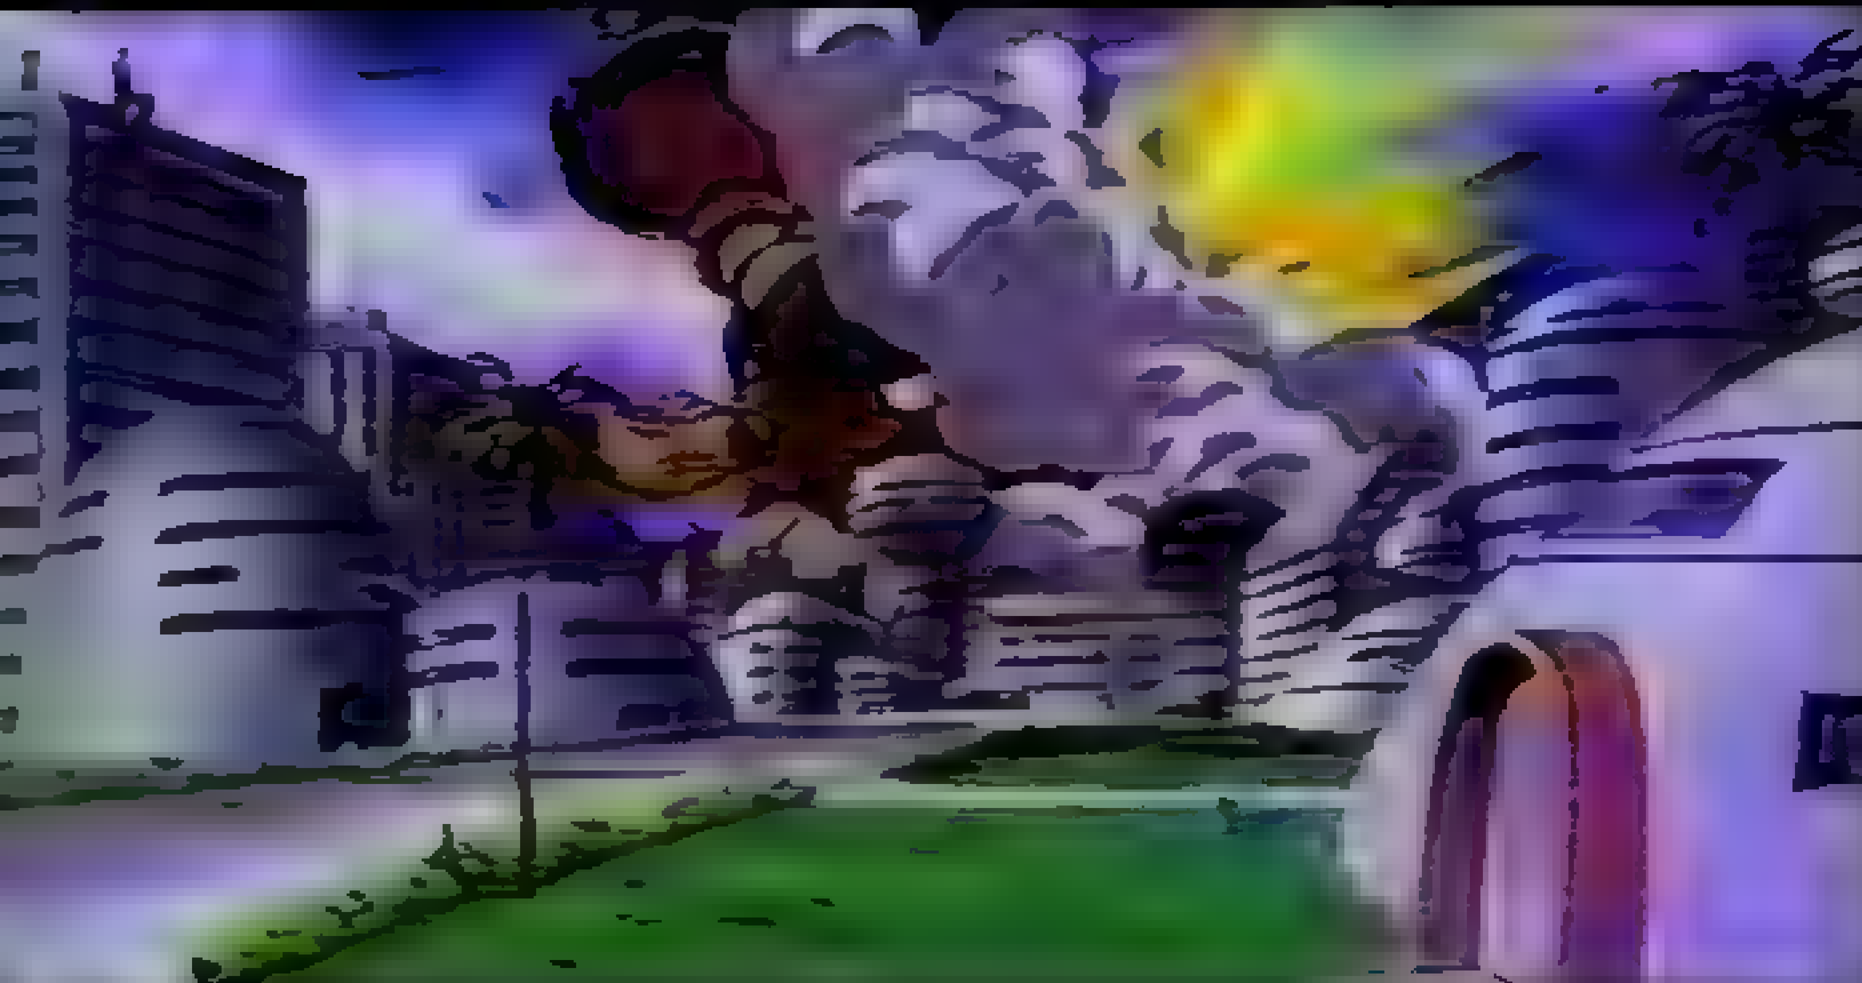

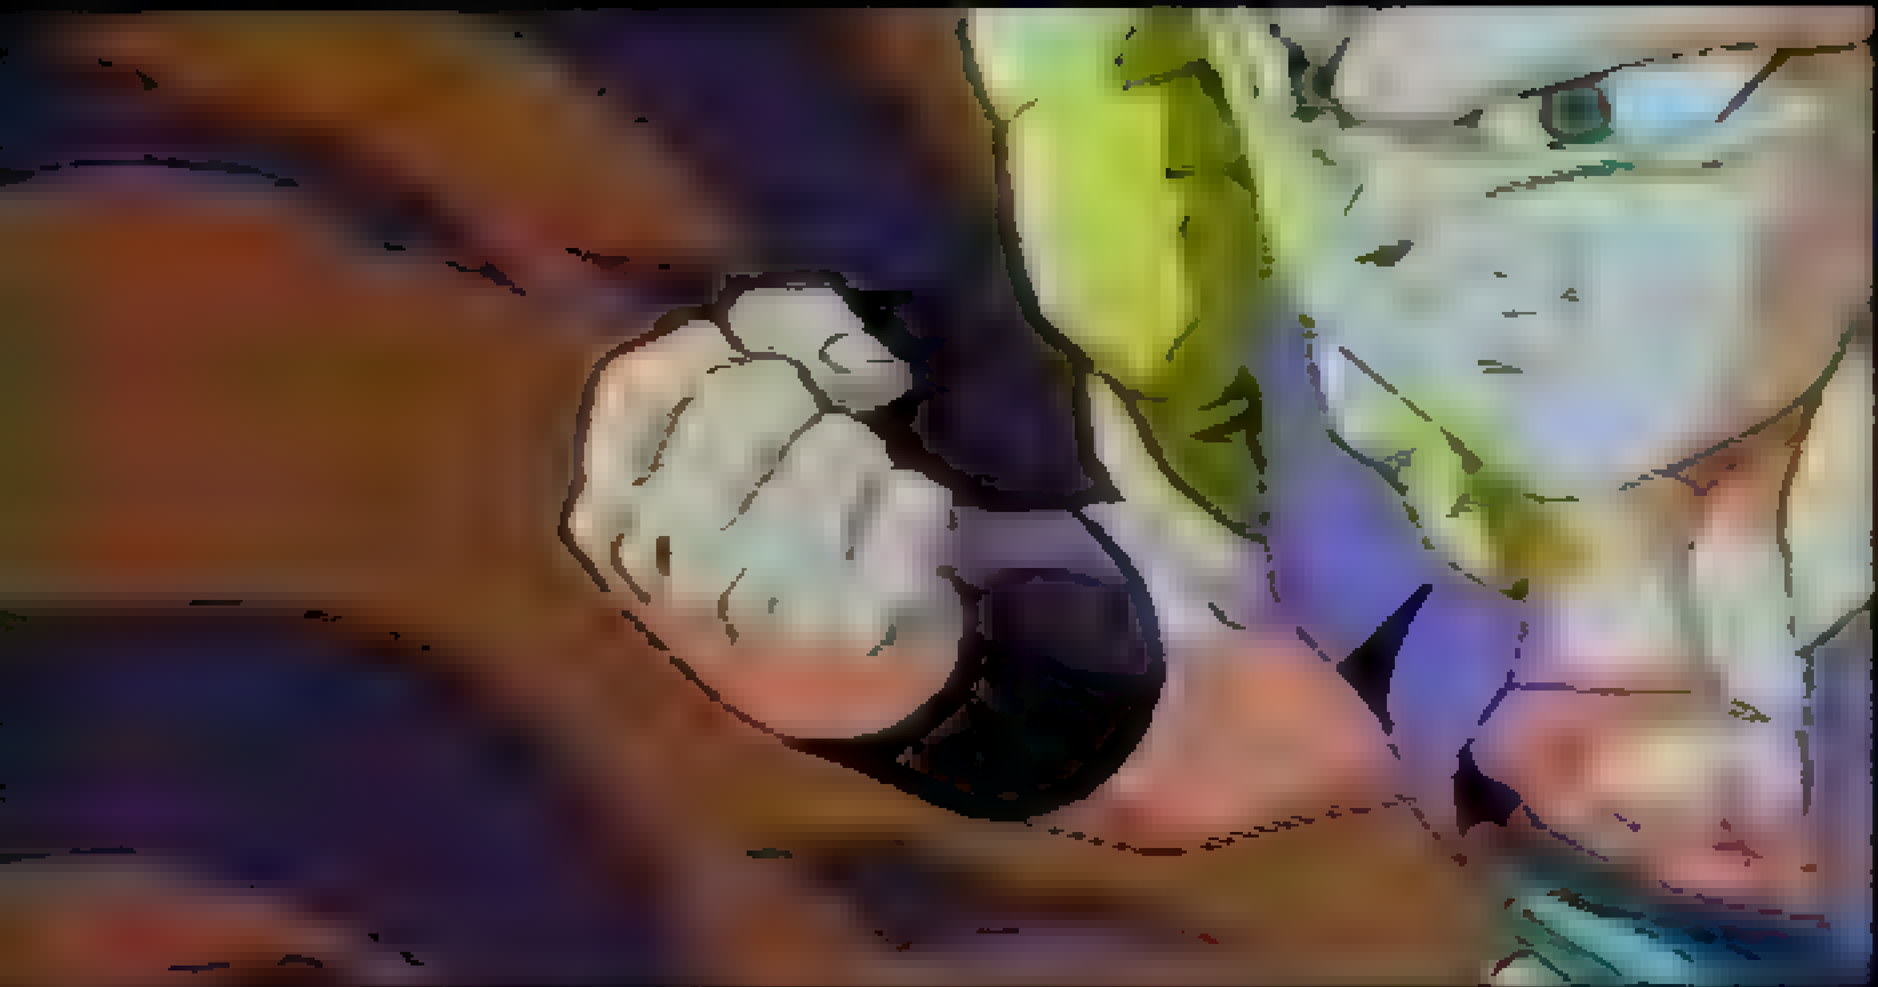

SHINE SHINE MISSILE!!

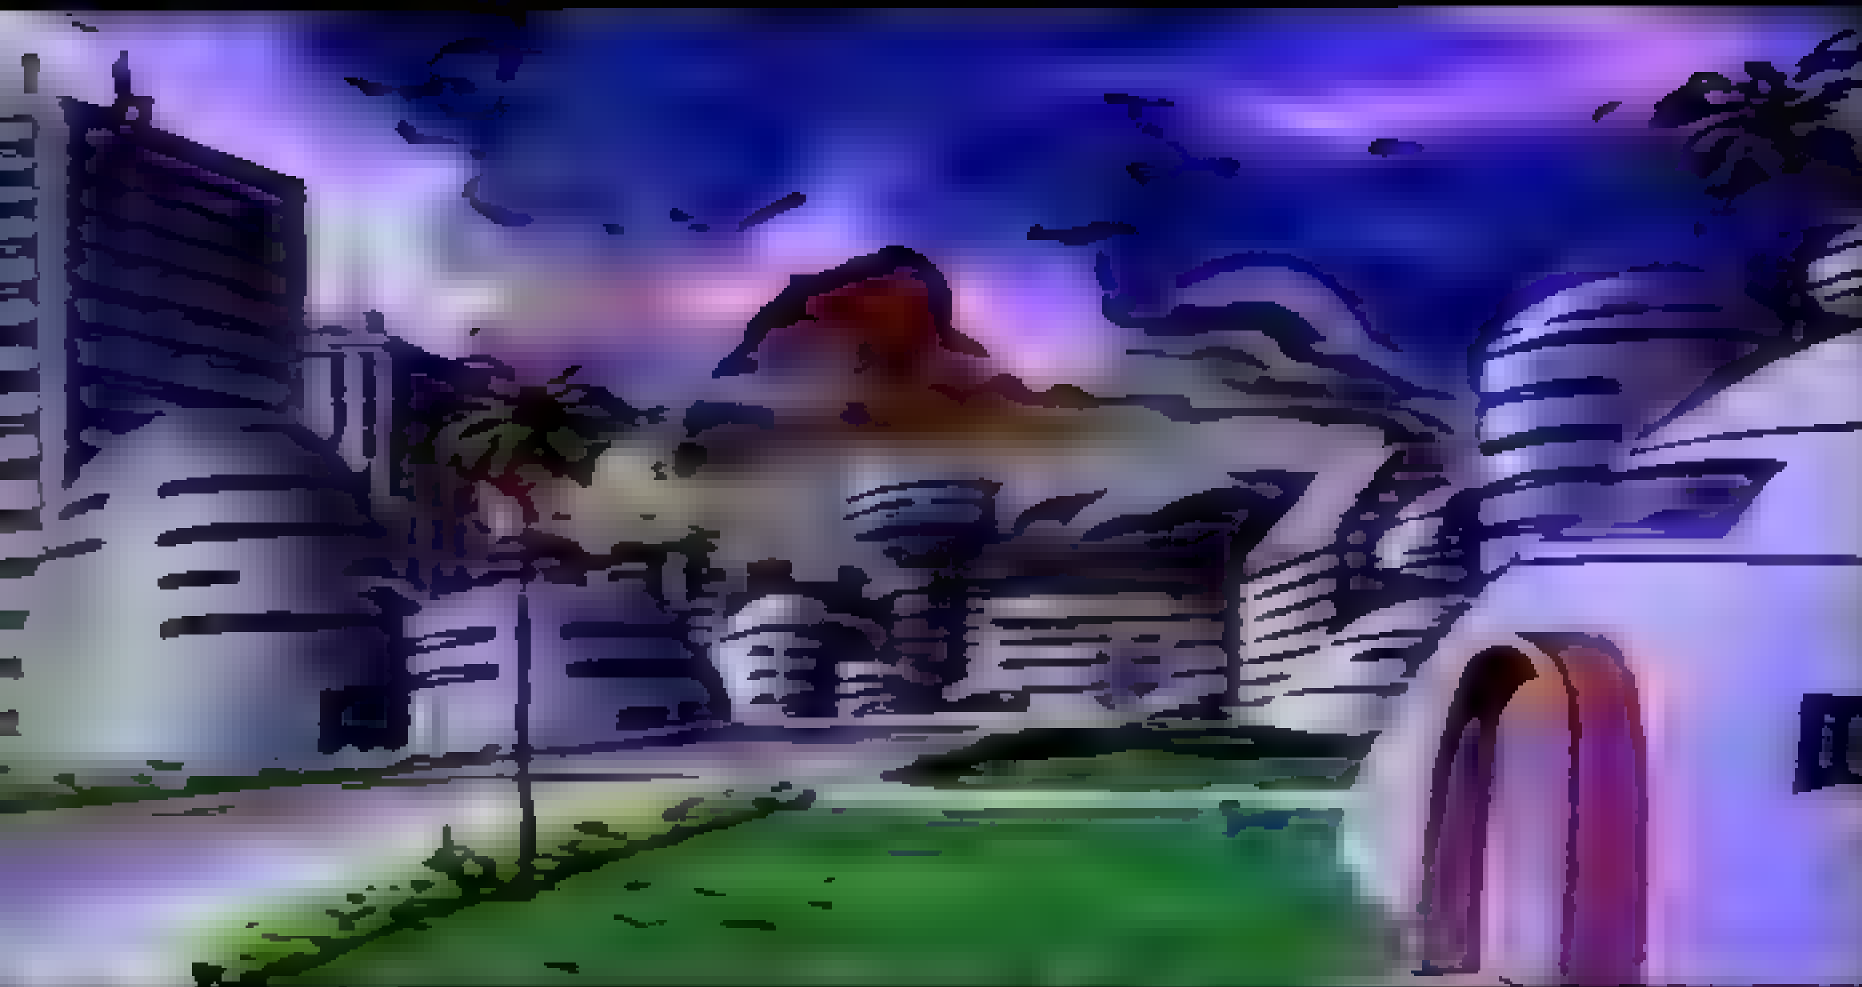

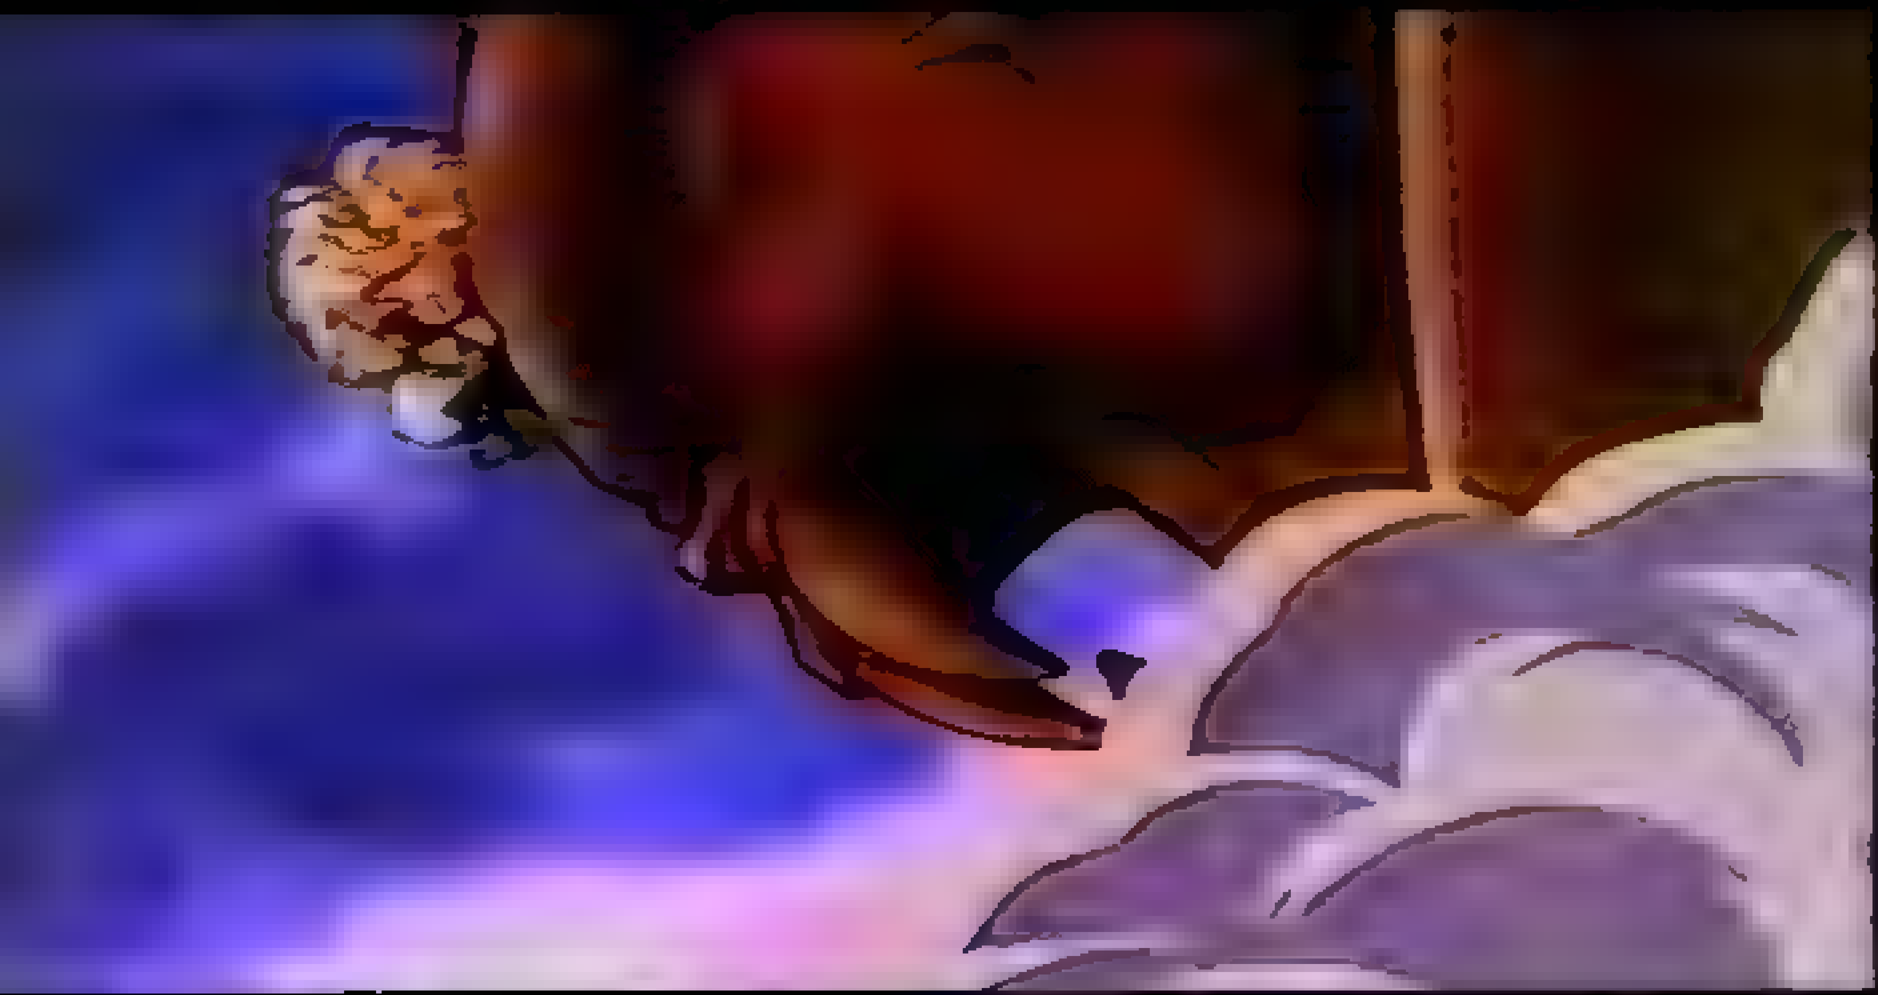

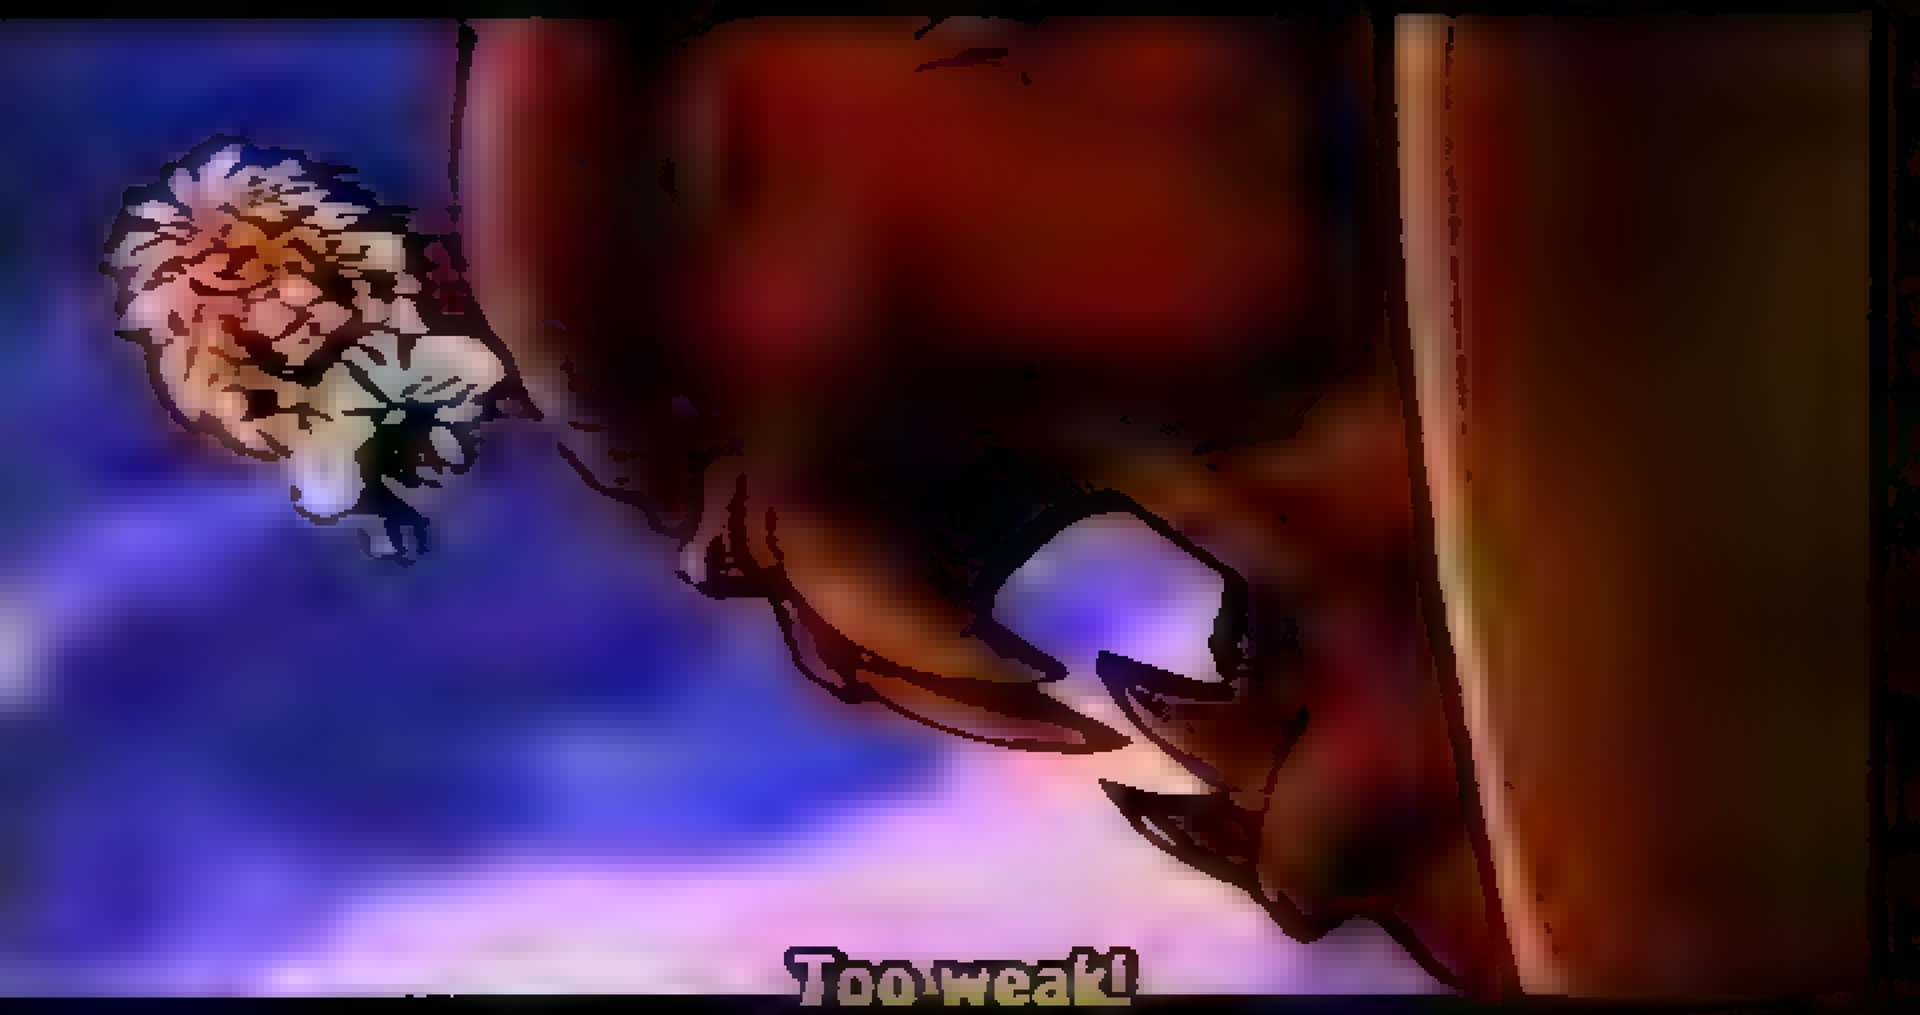

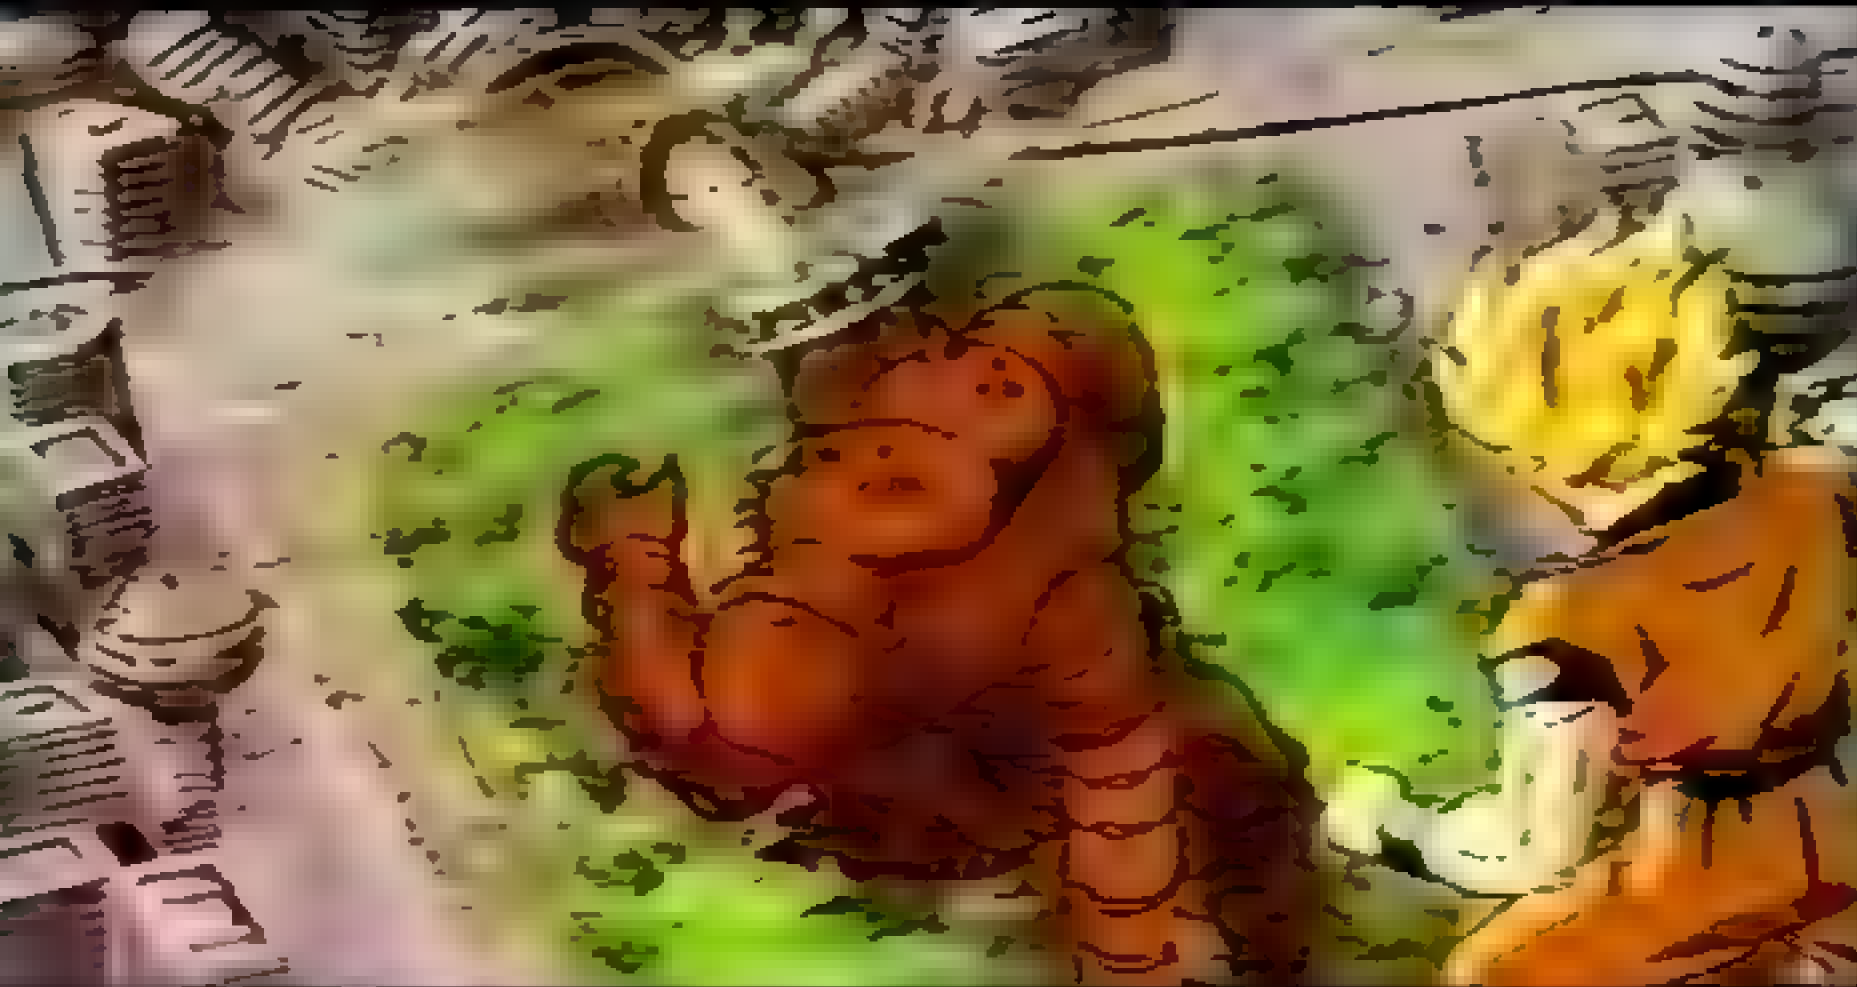

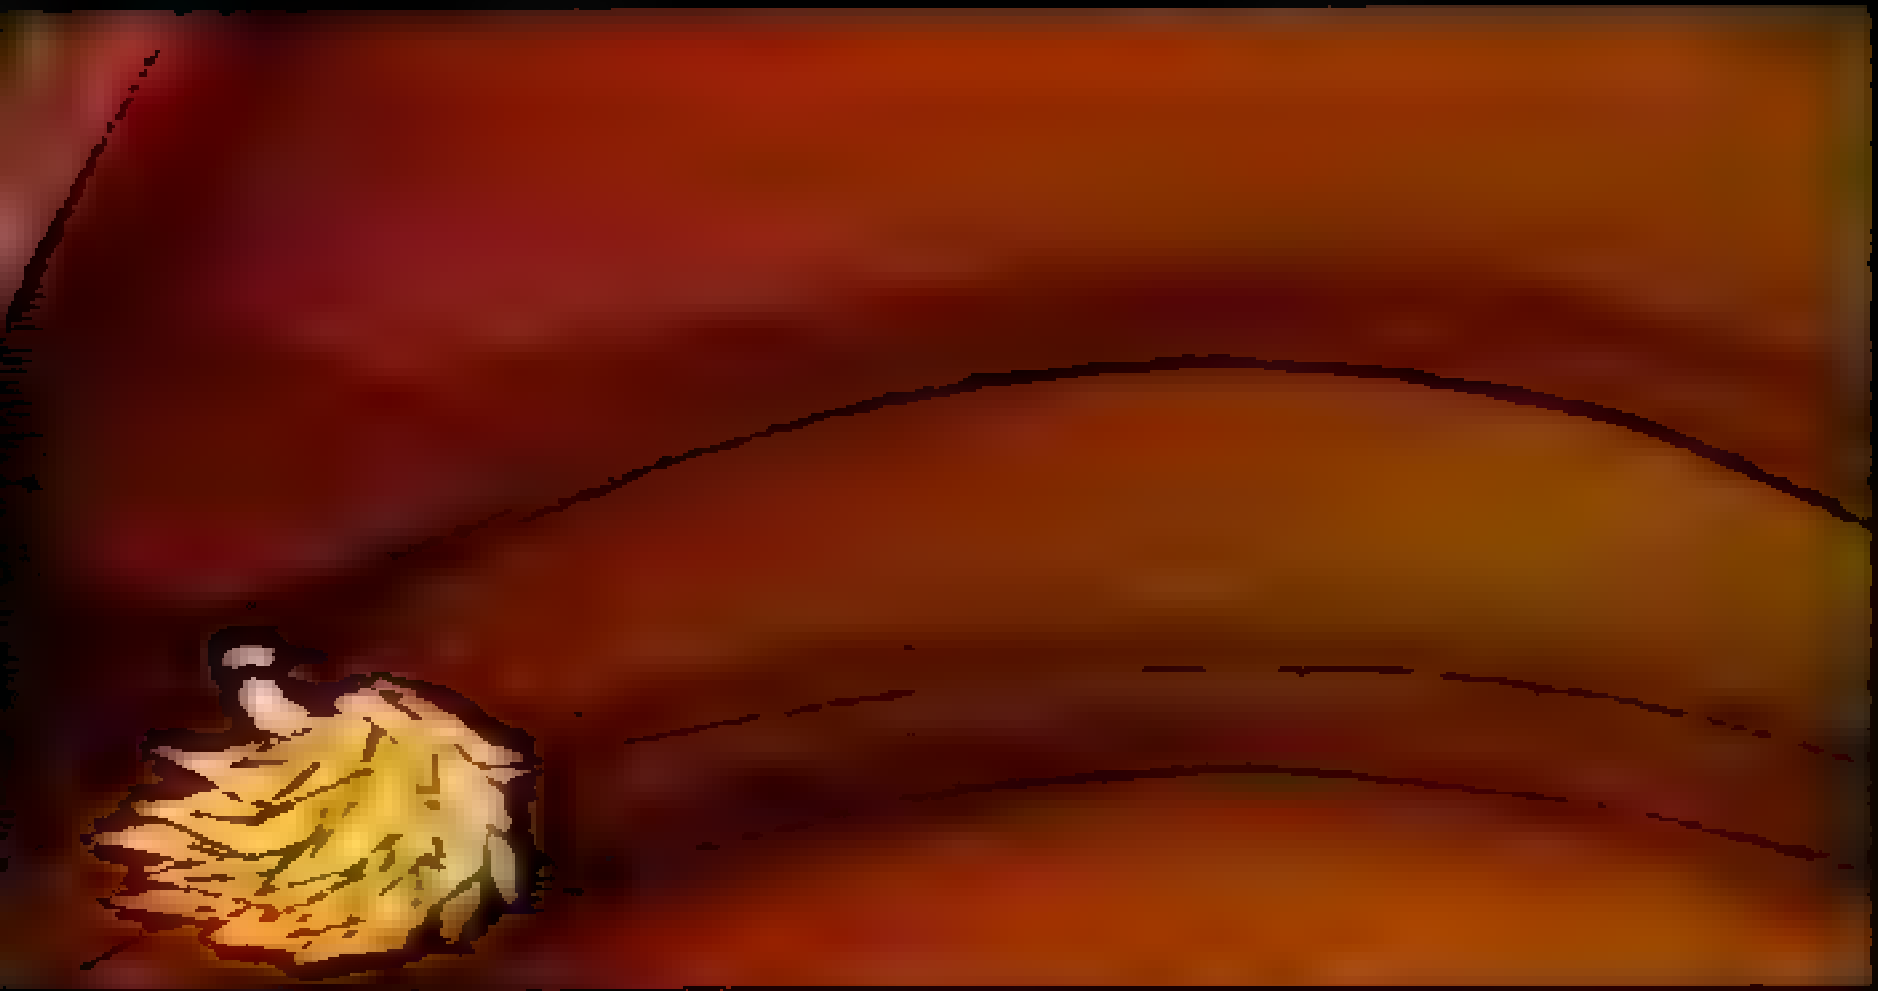

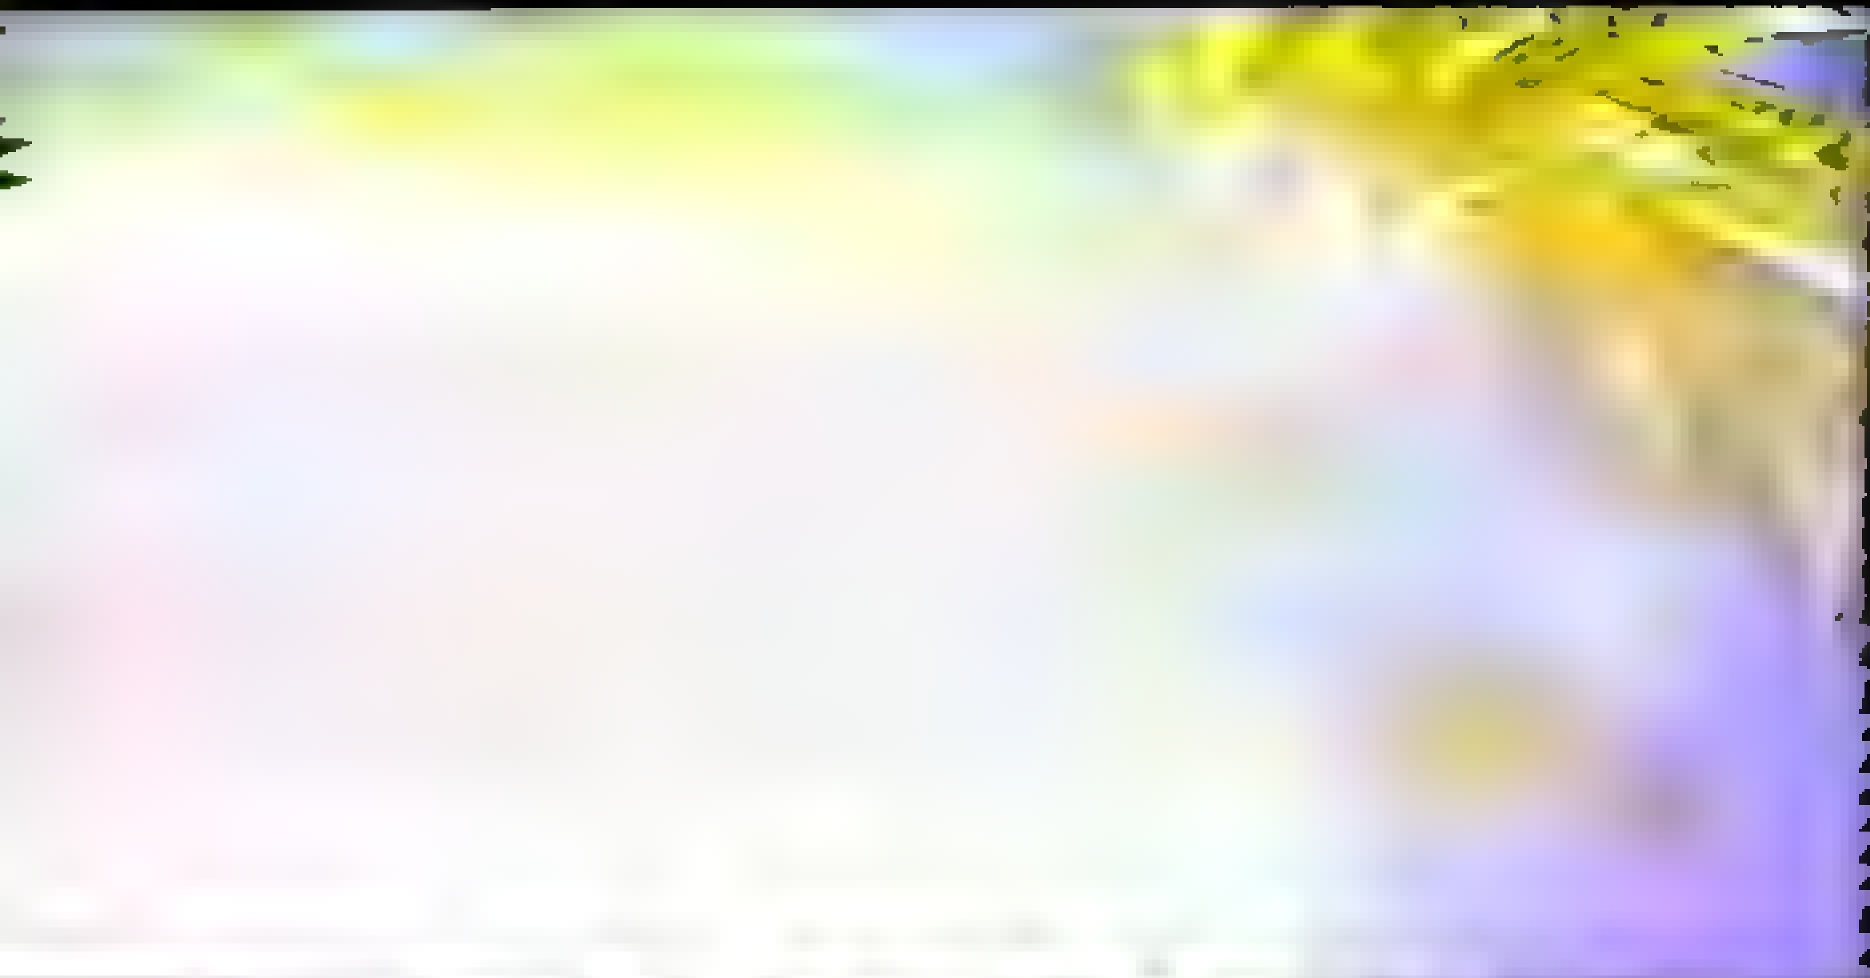

That's it?

Too weak!

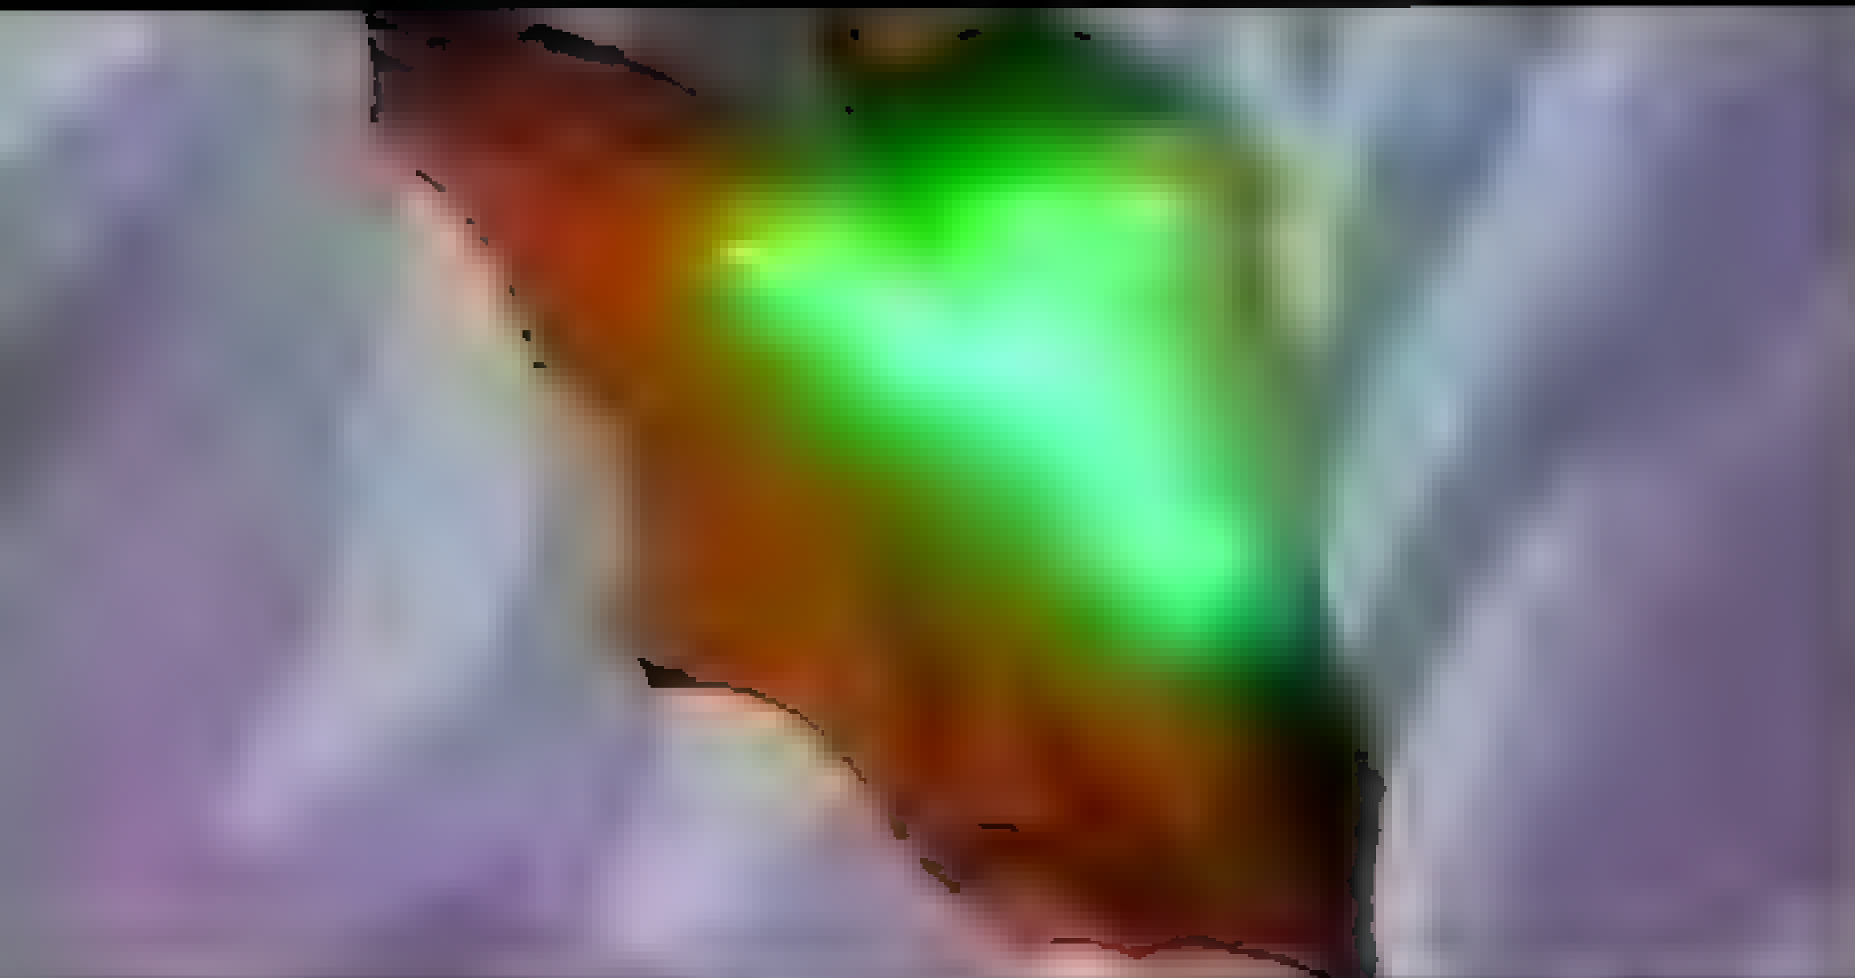

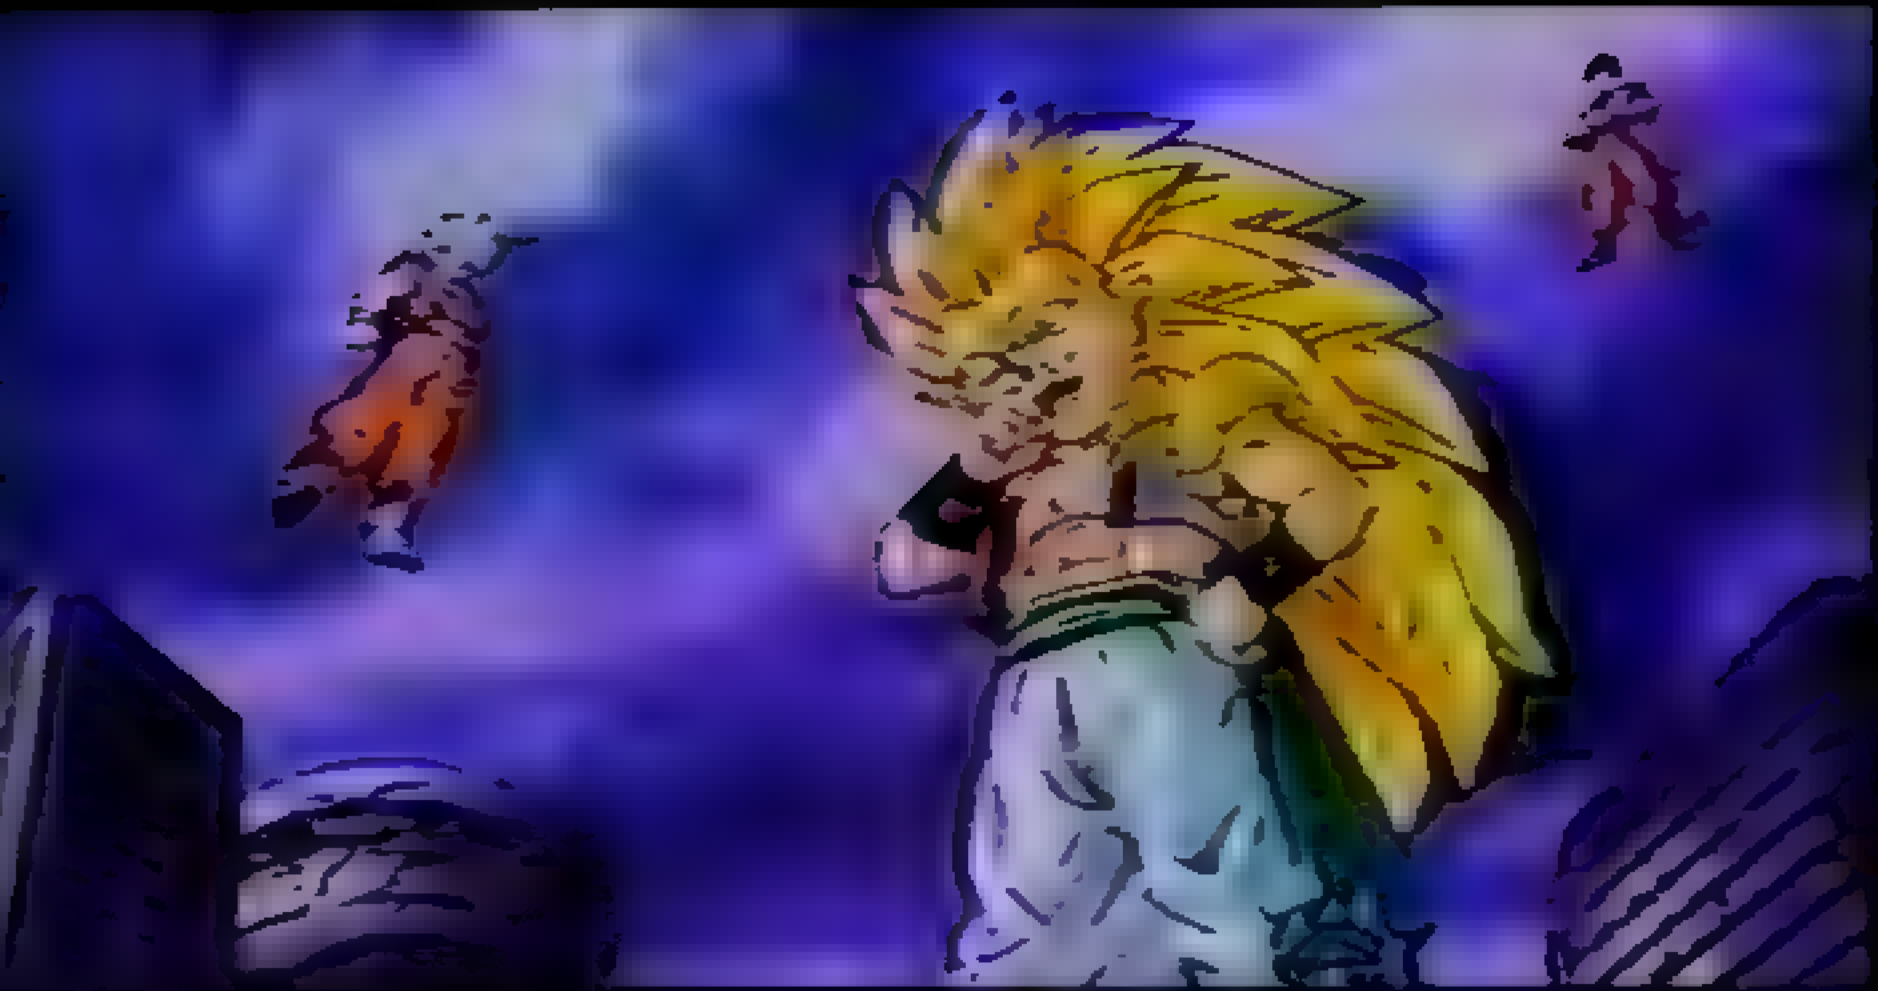

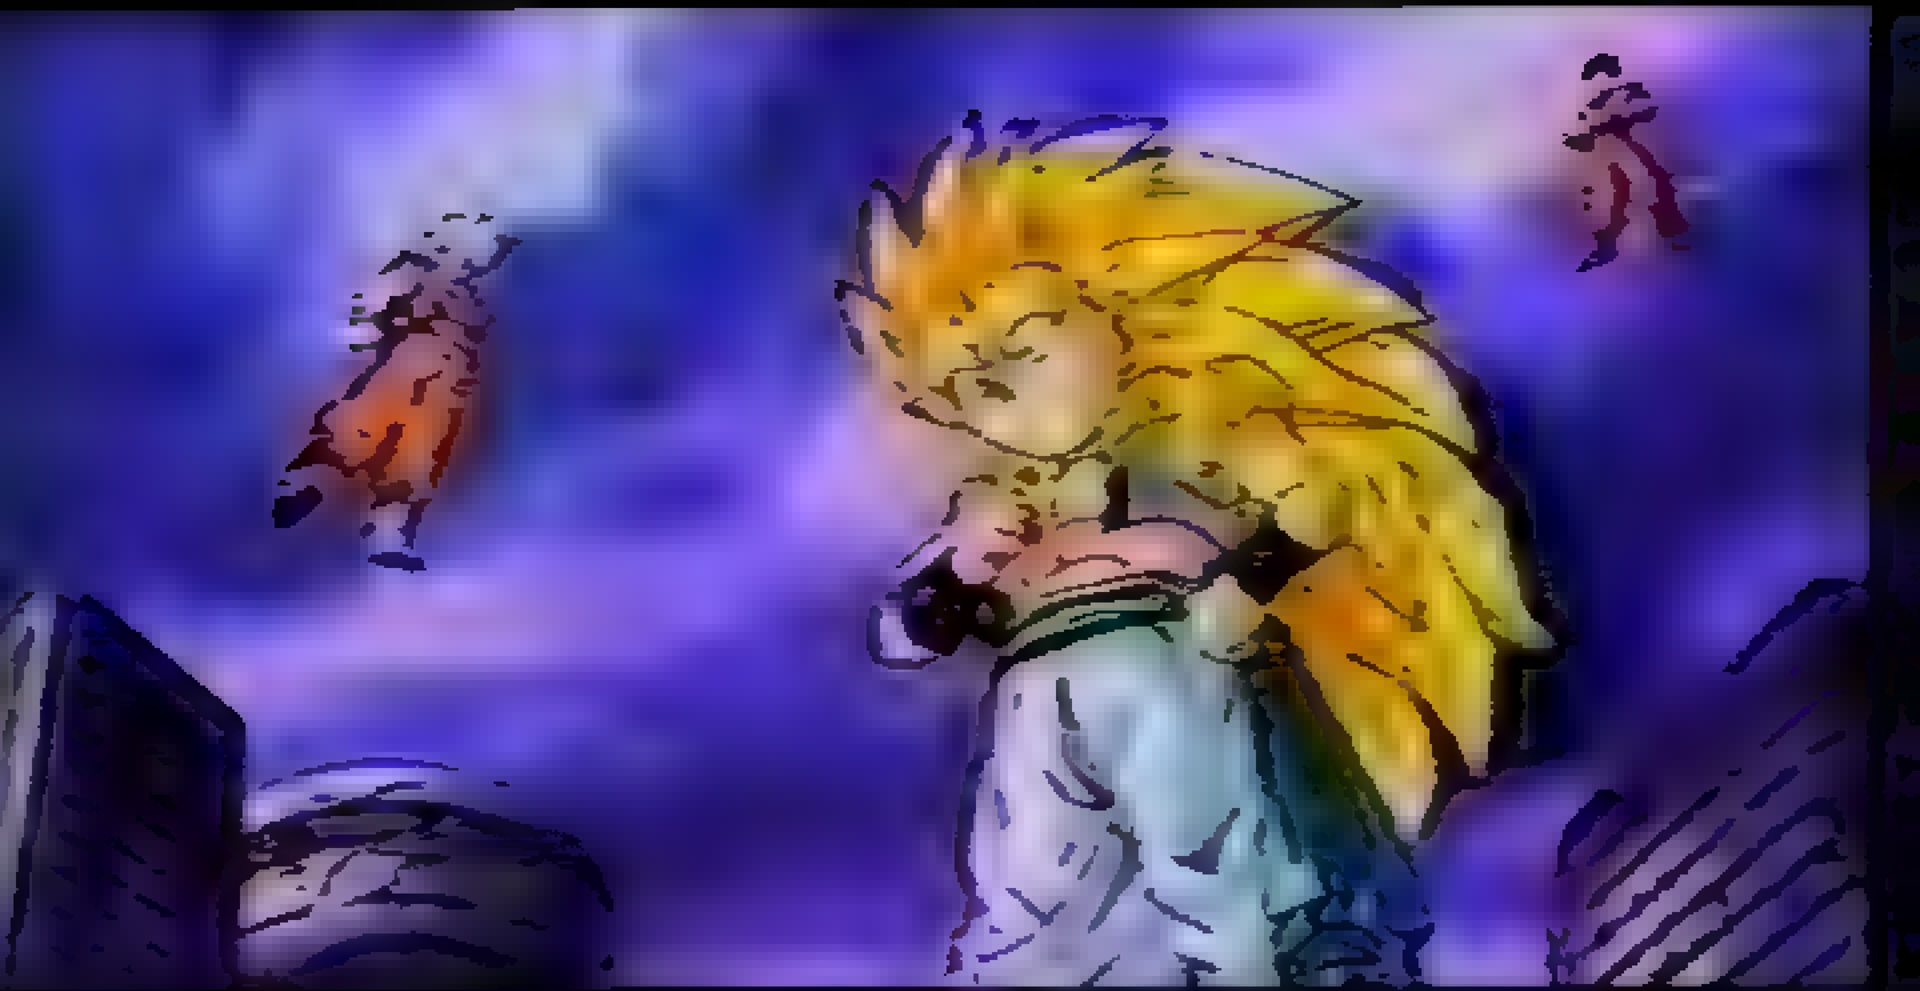

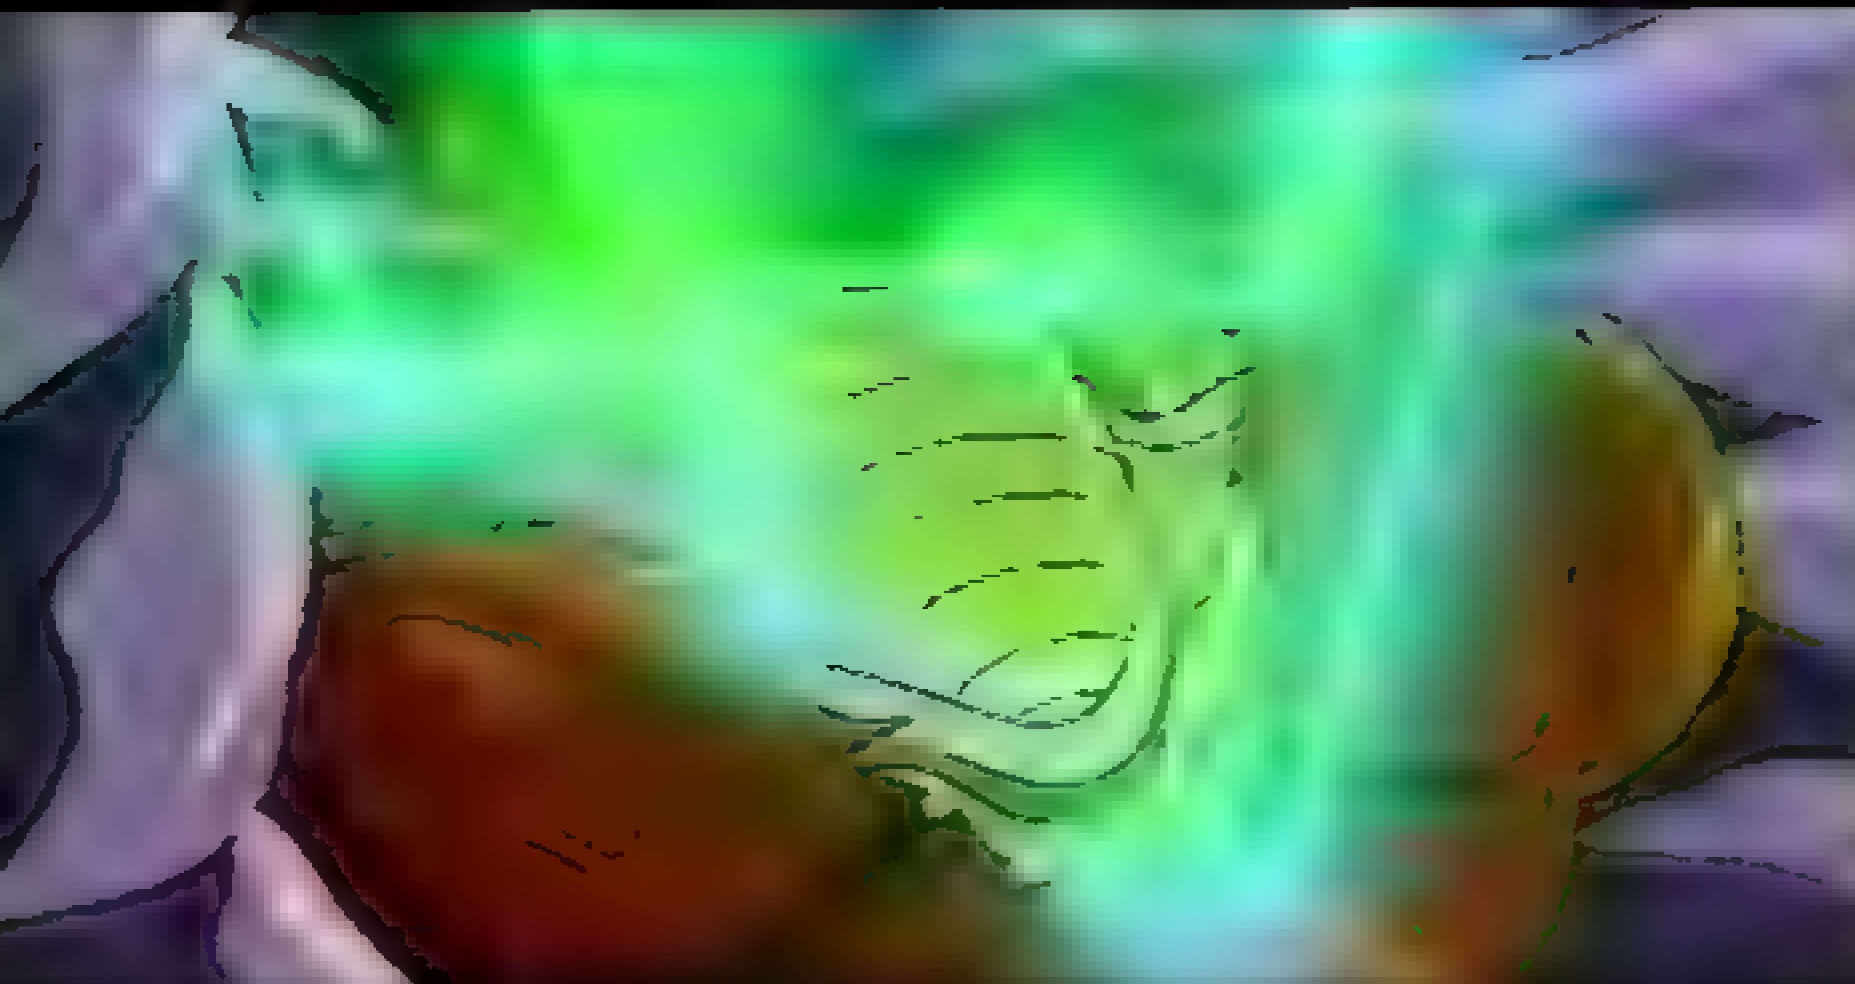

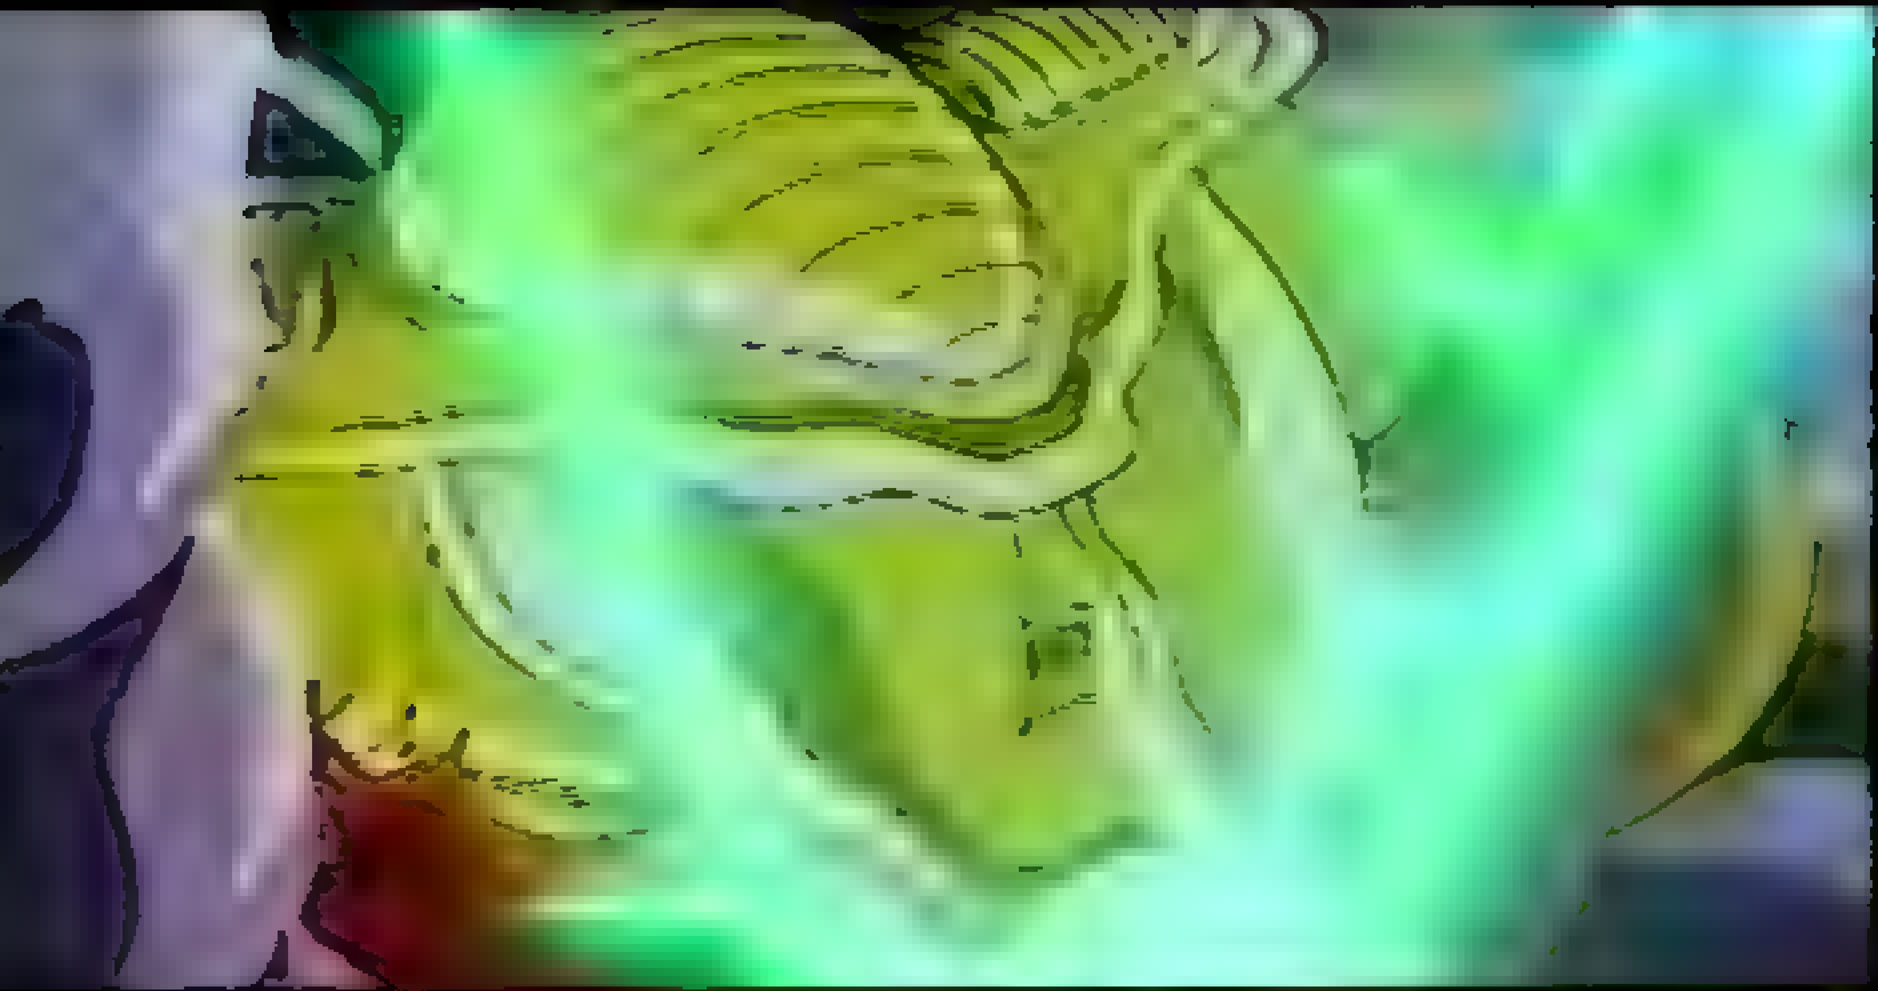

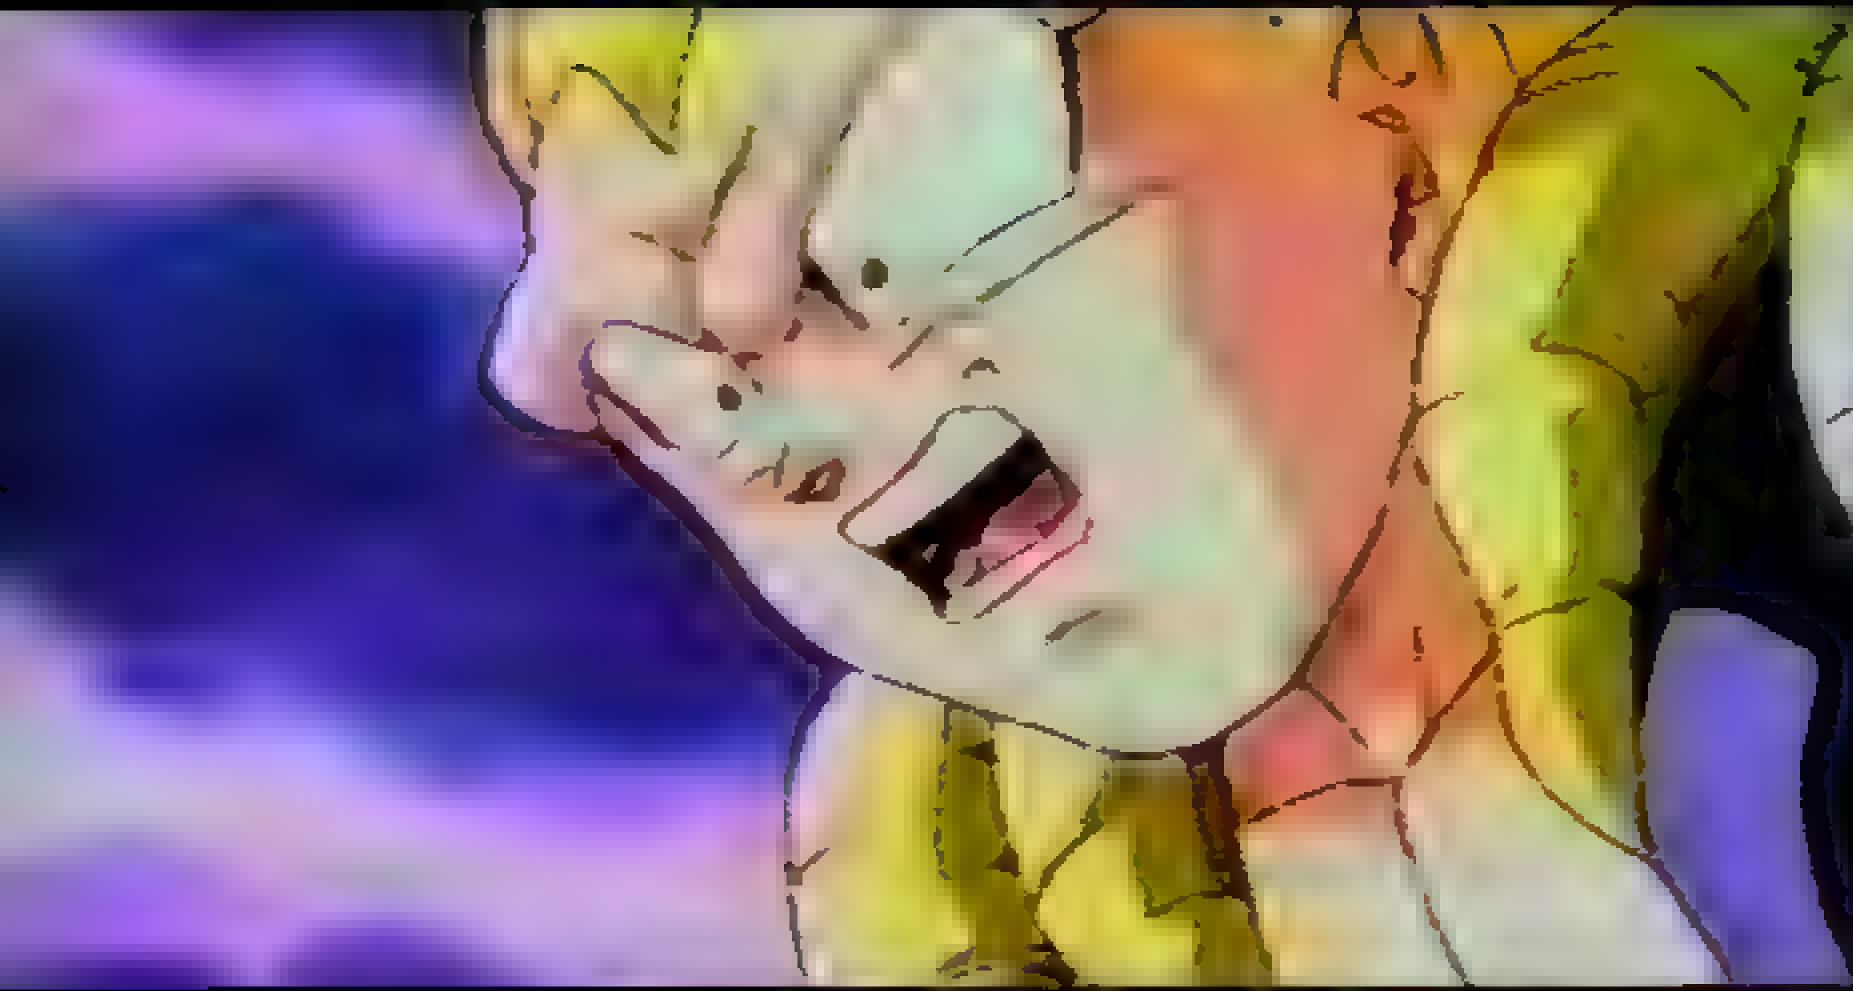

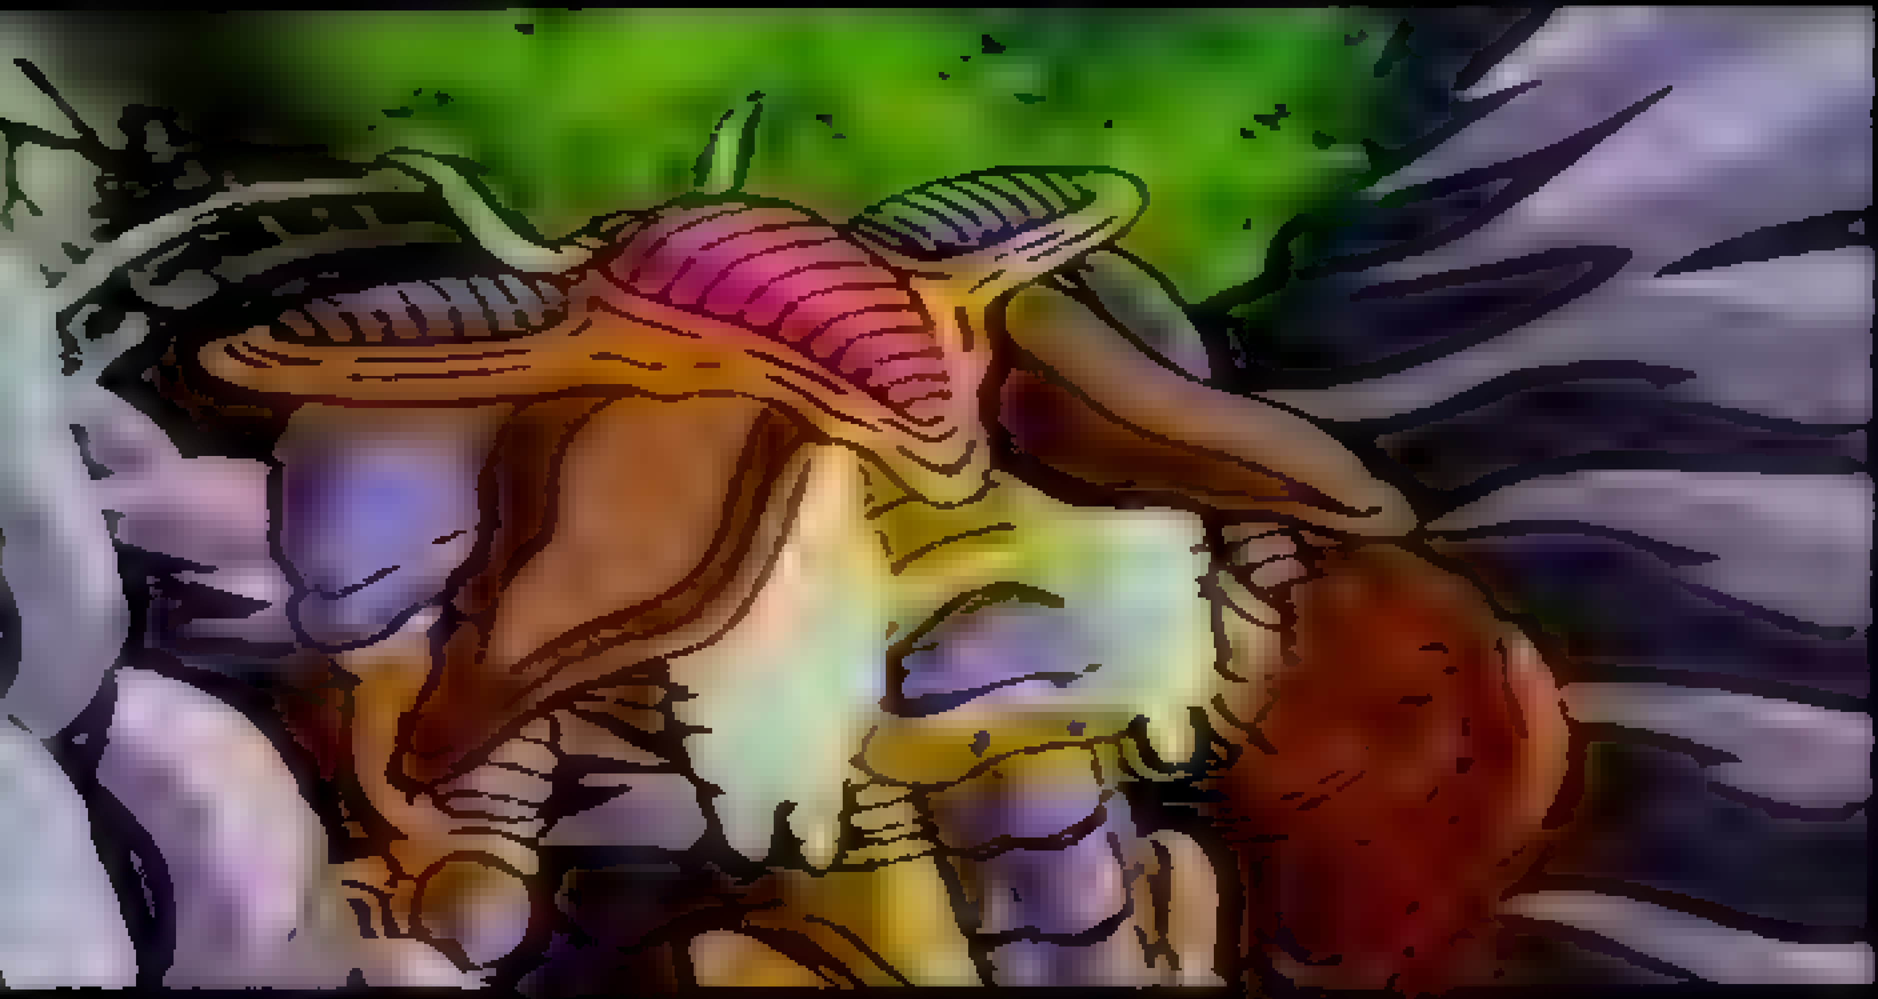

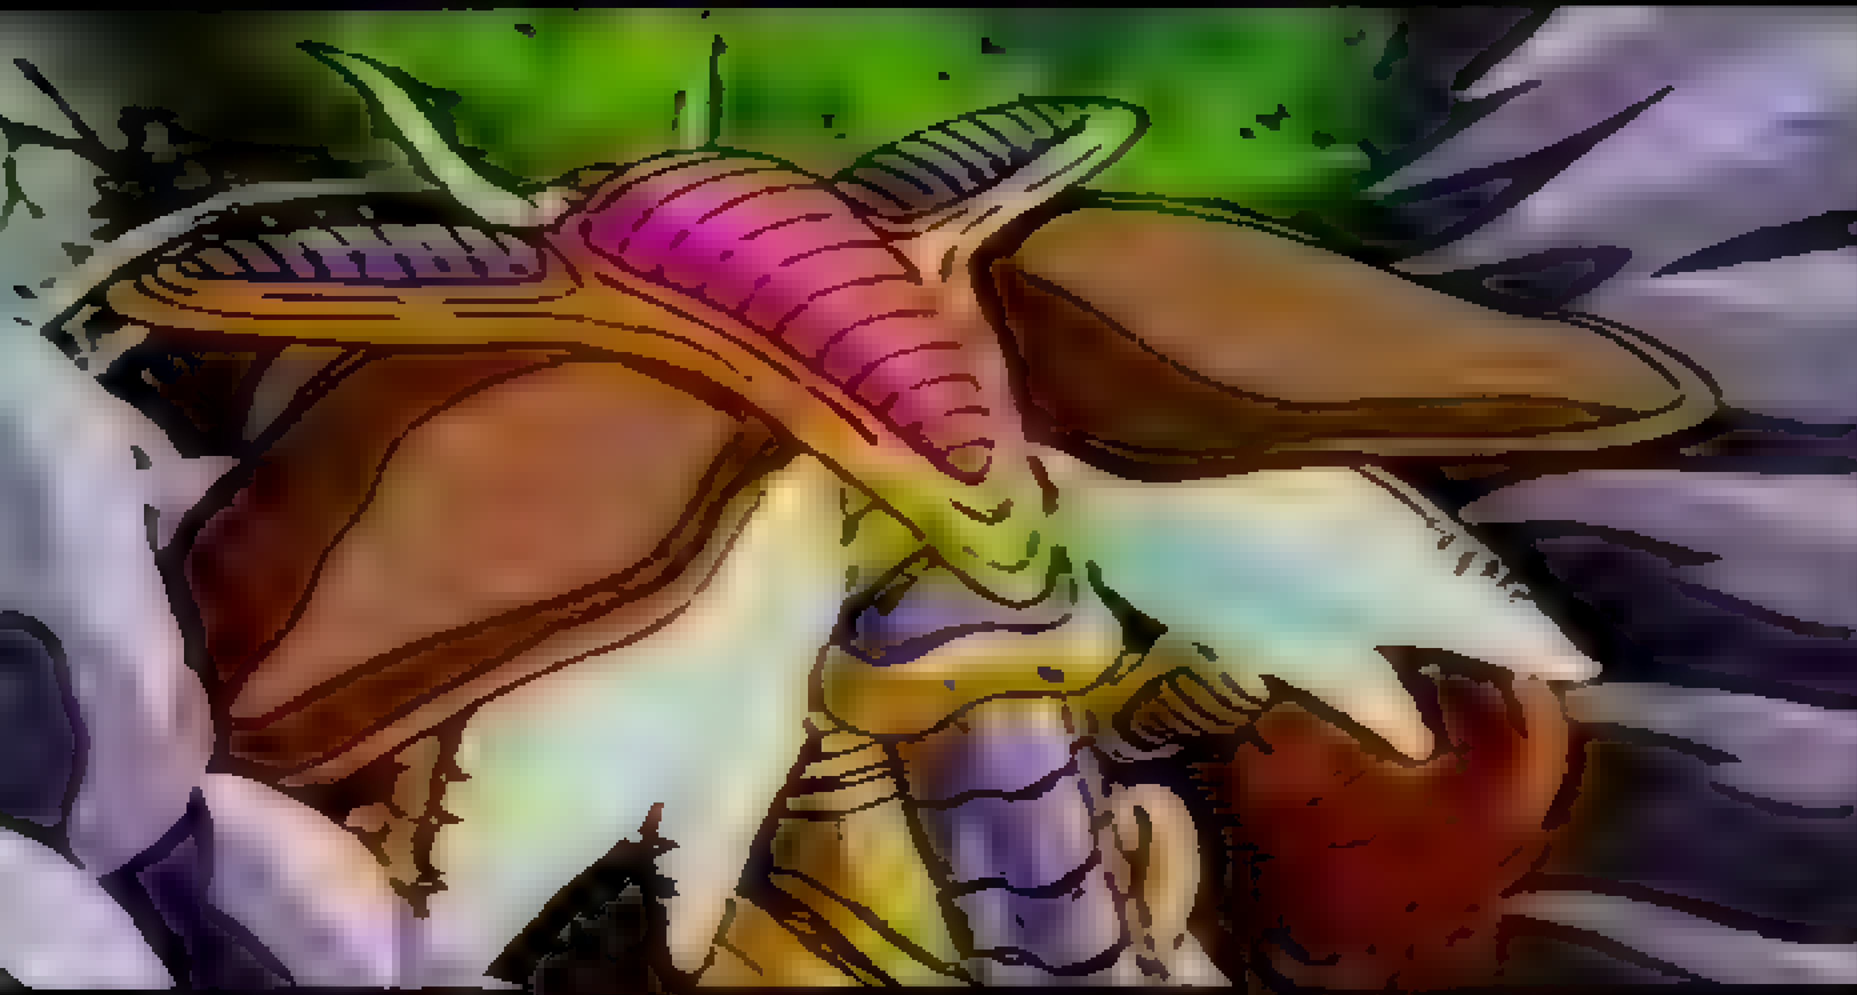

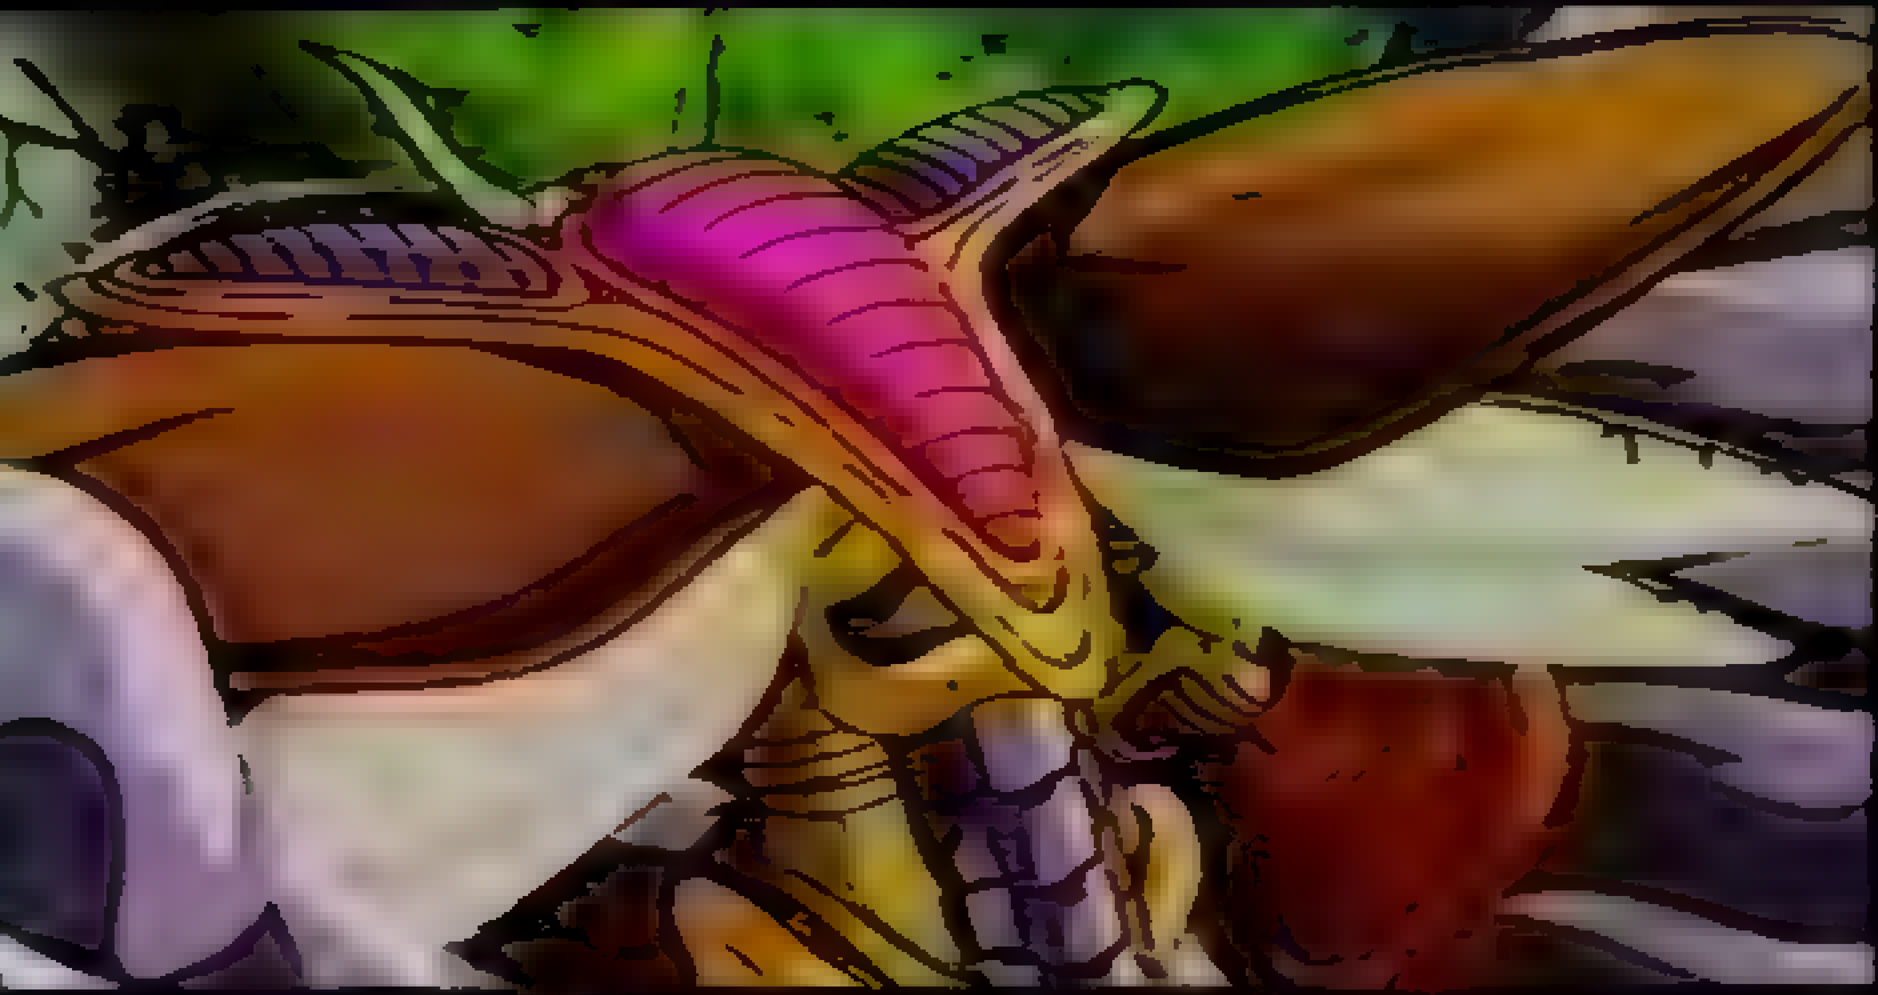

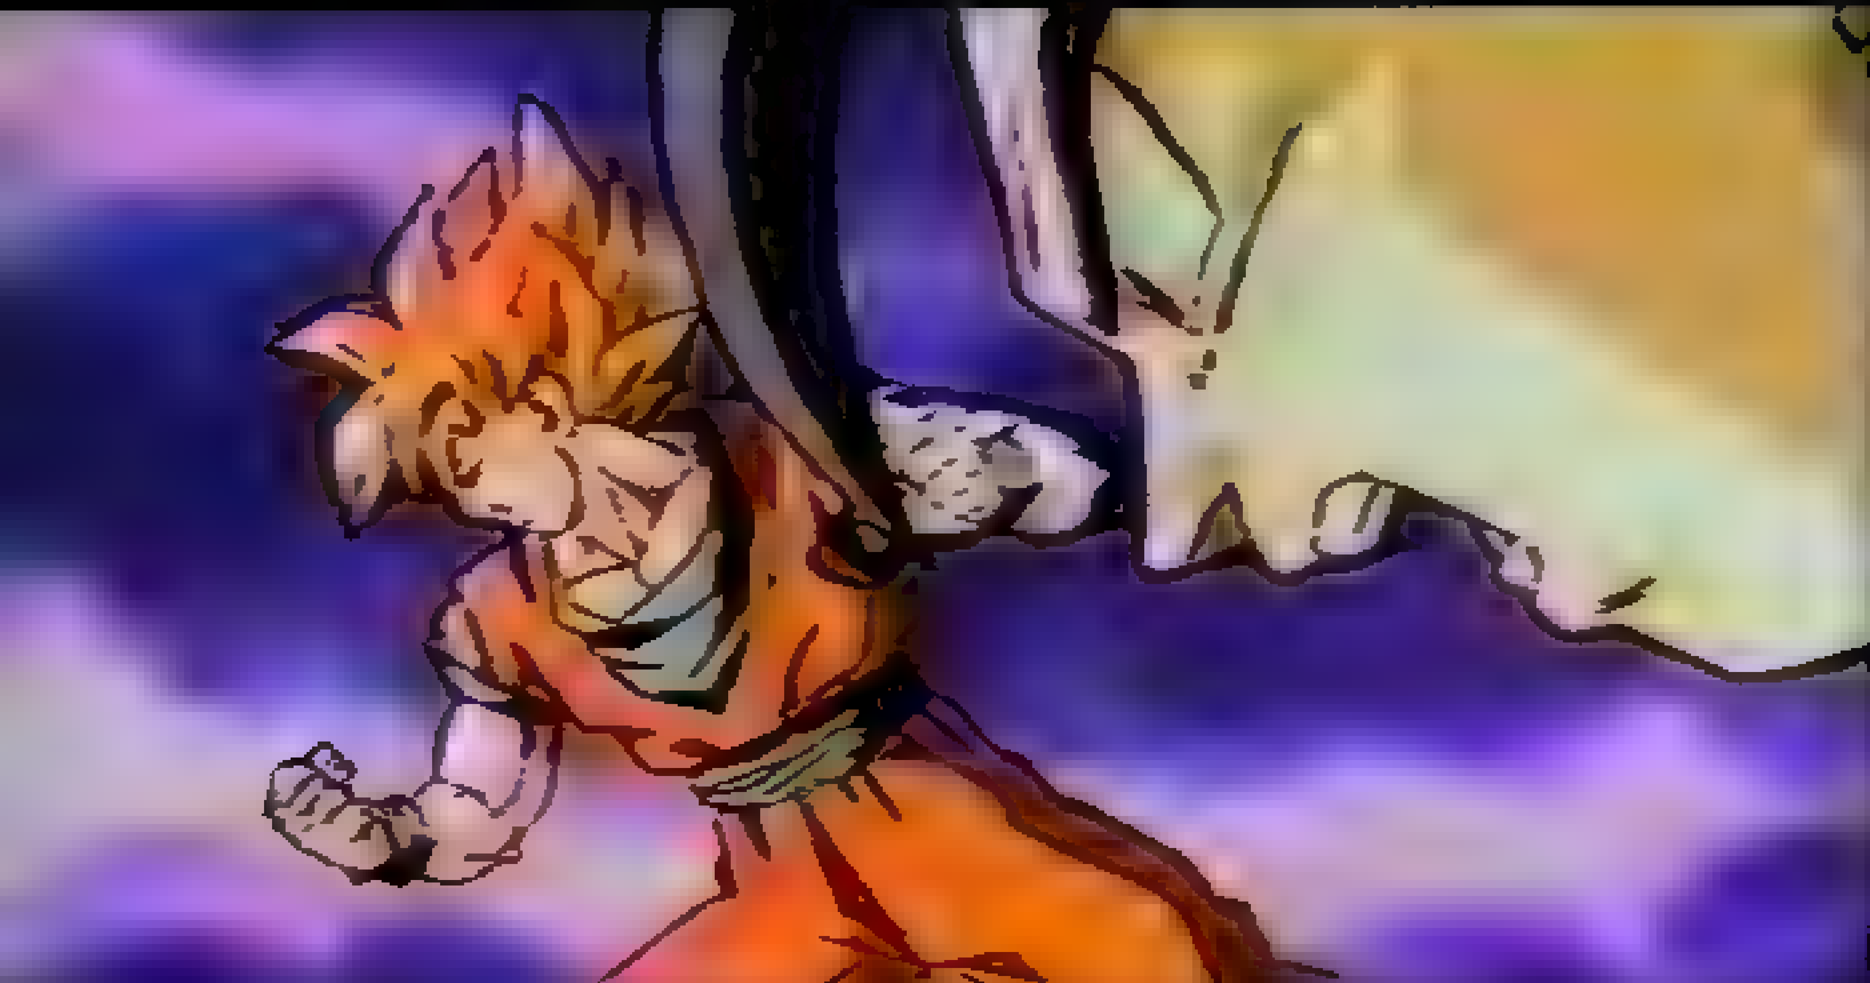

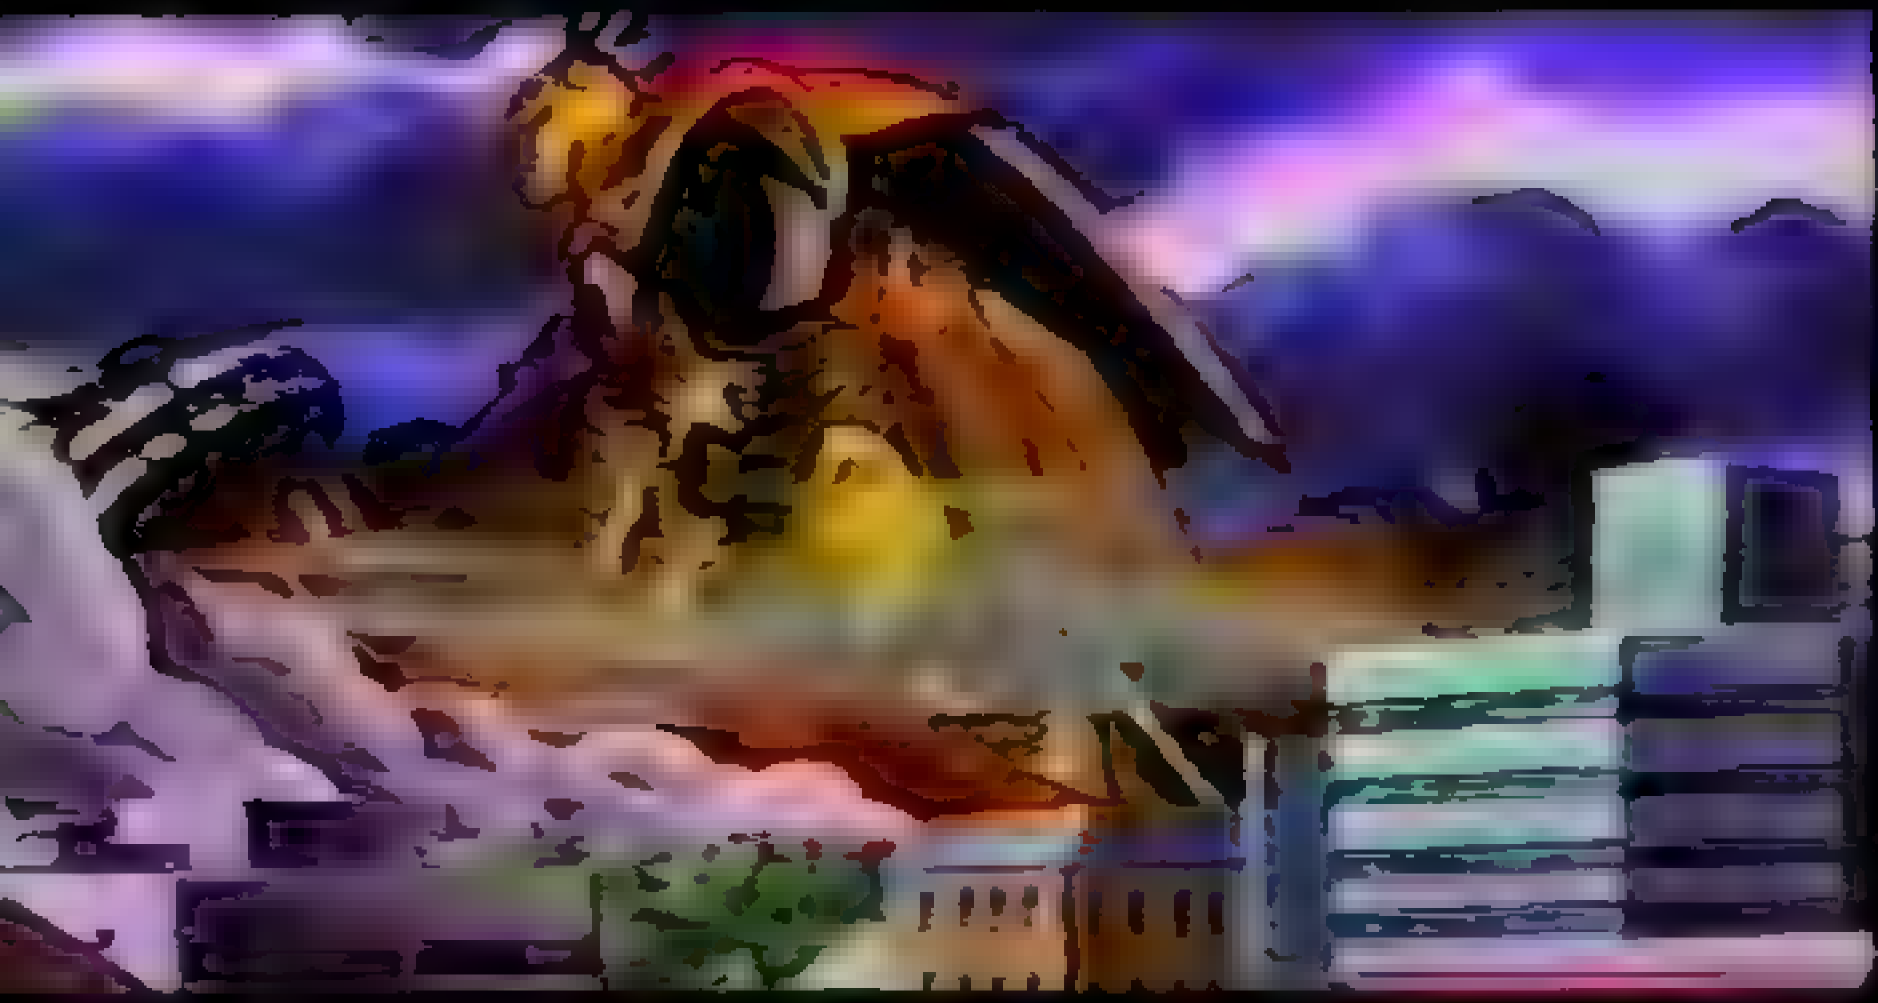

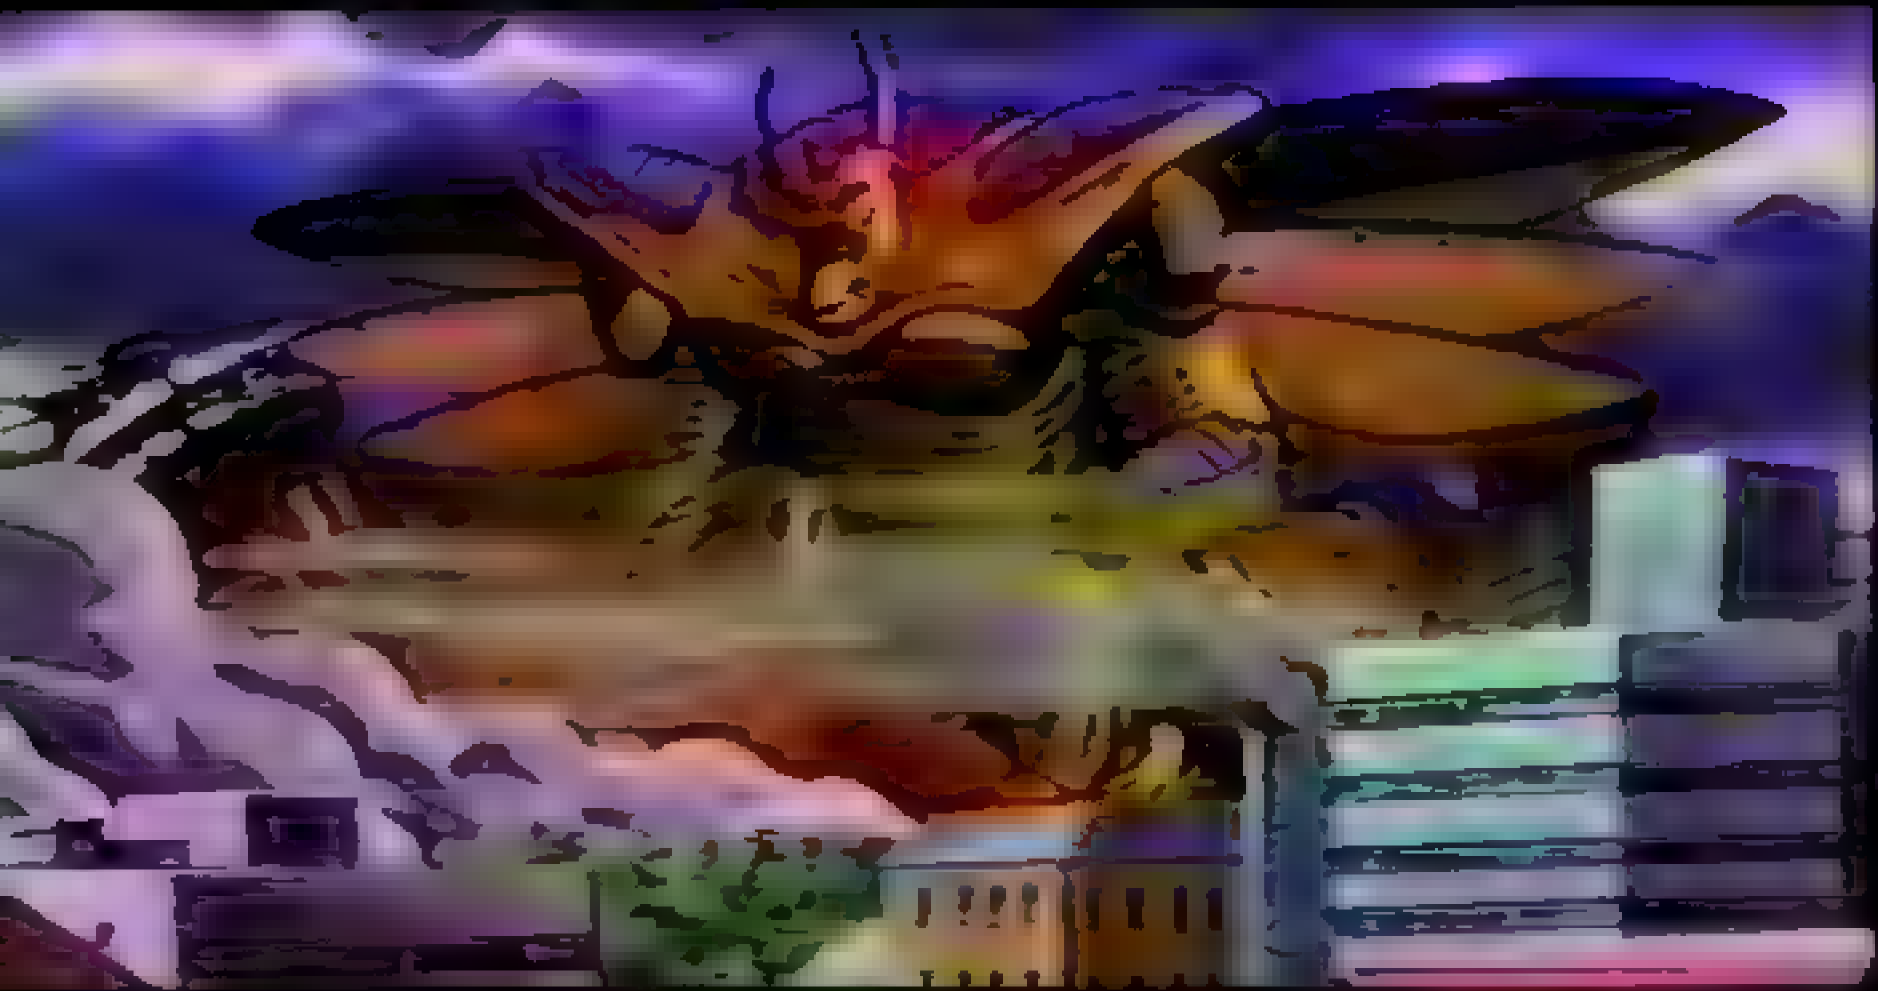

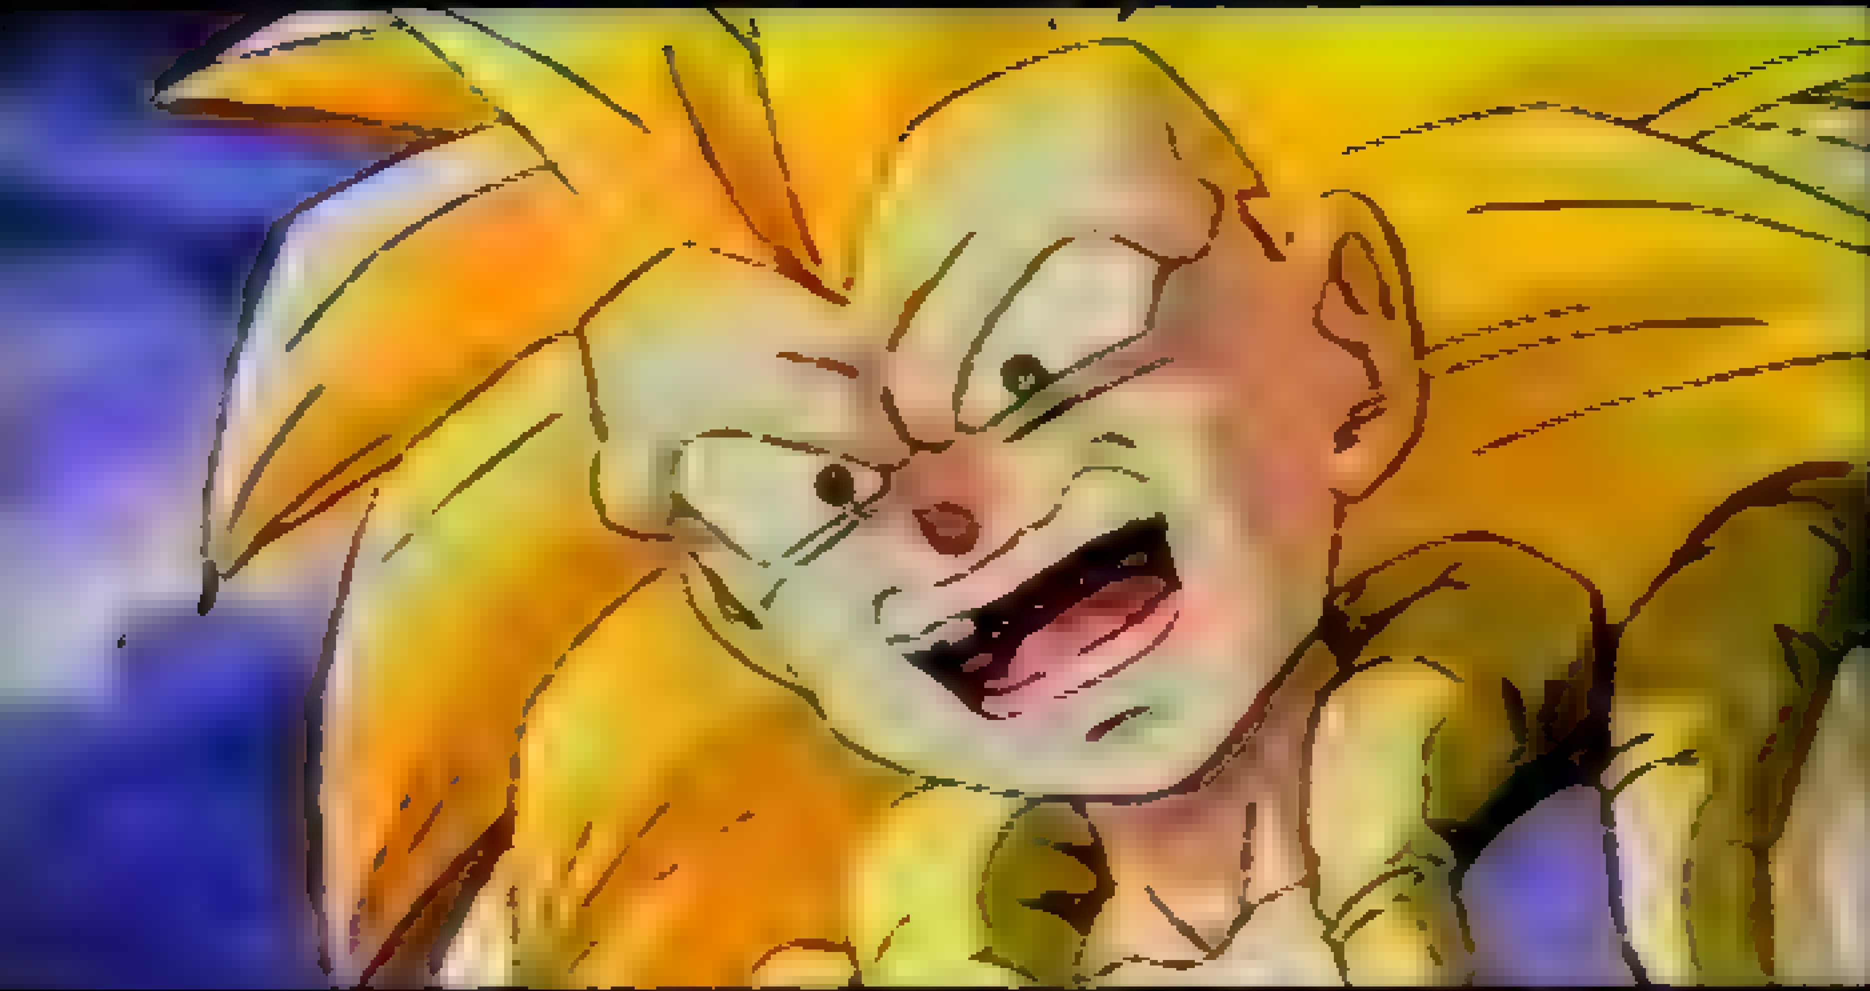

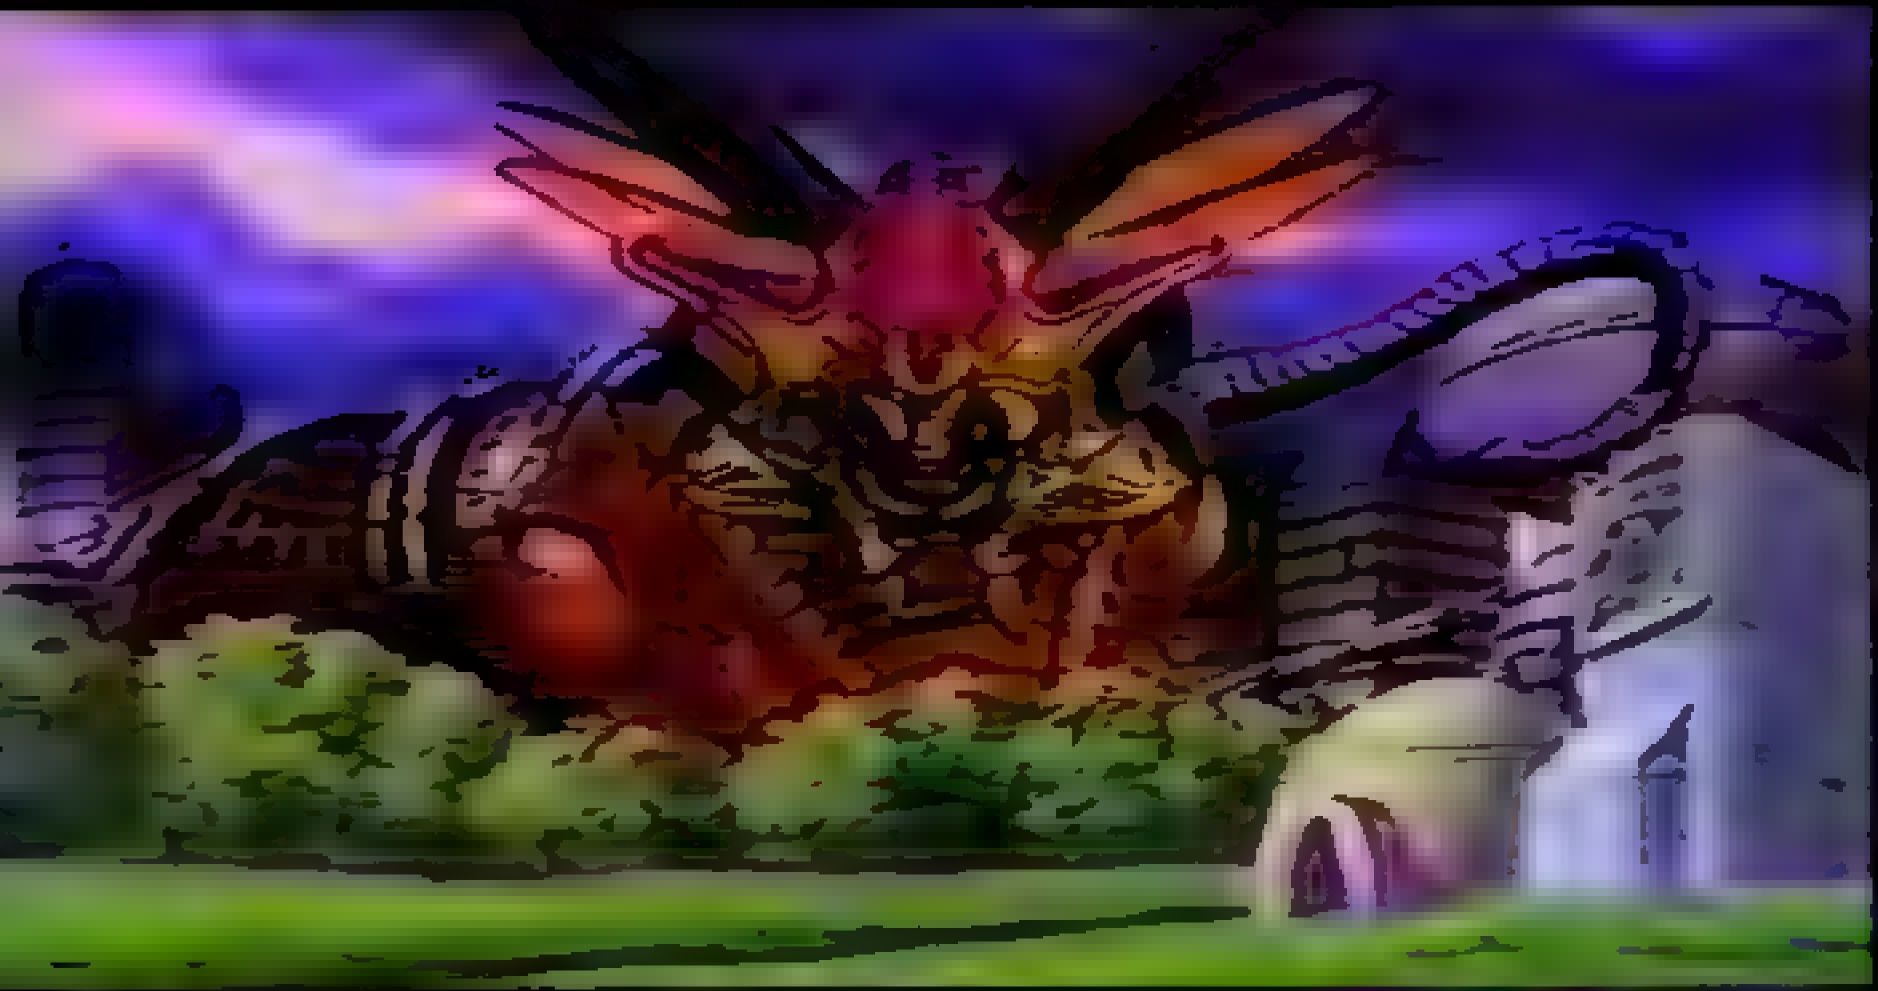

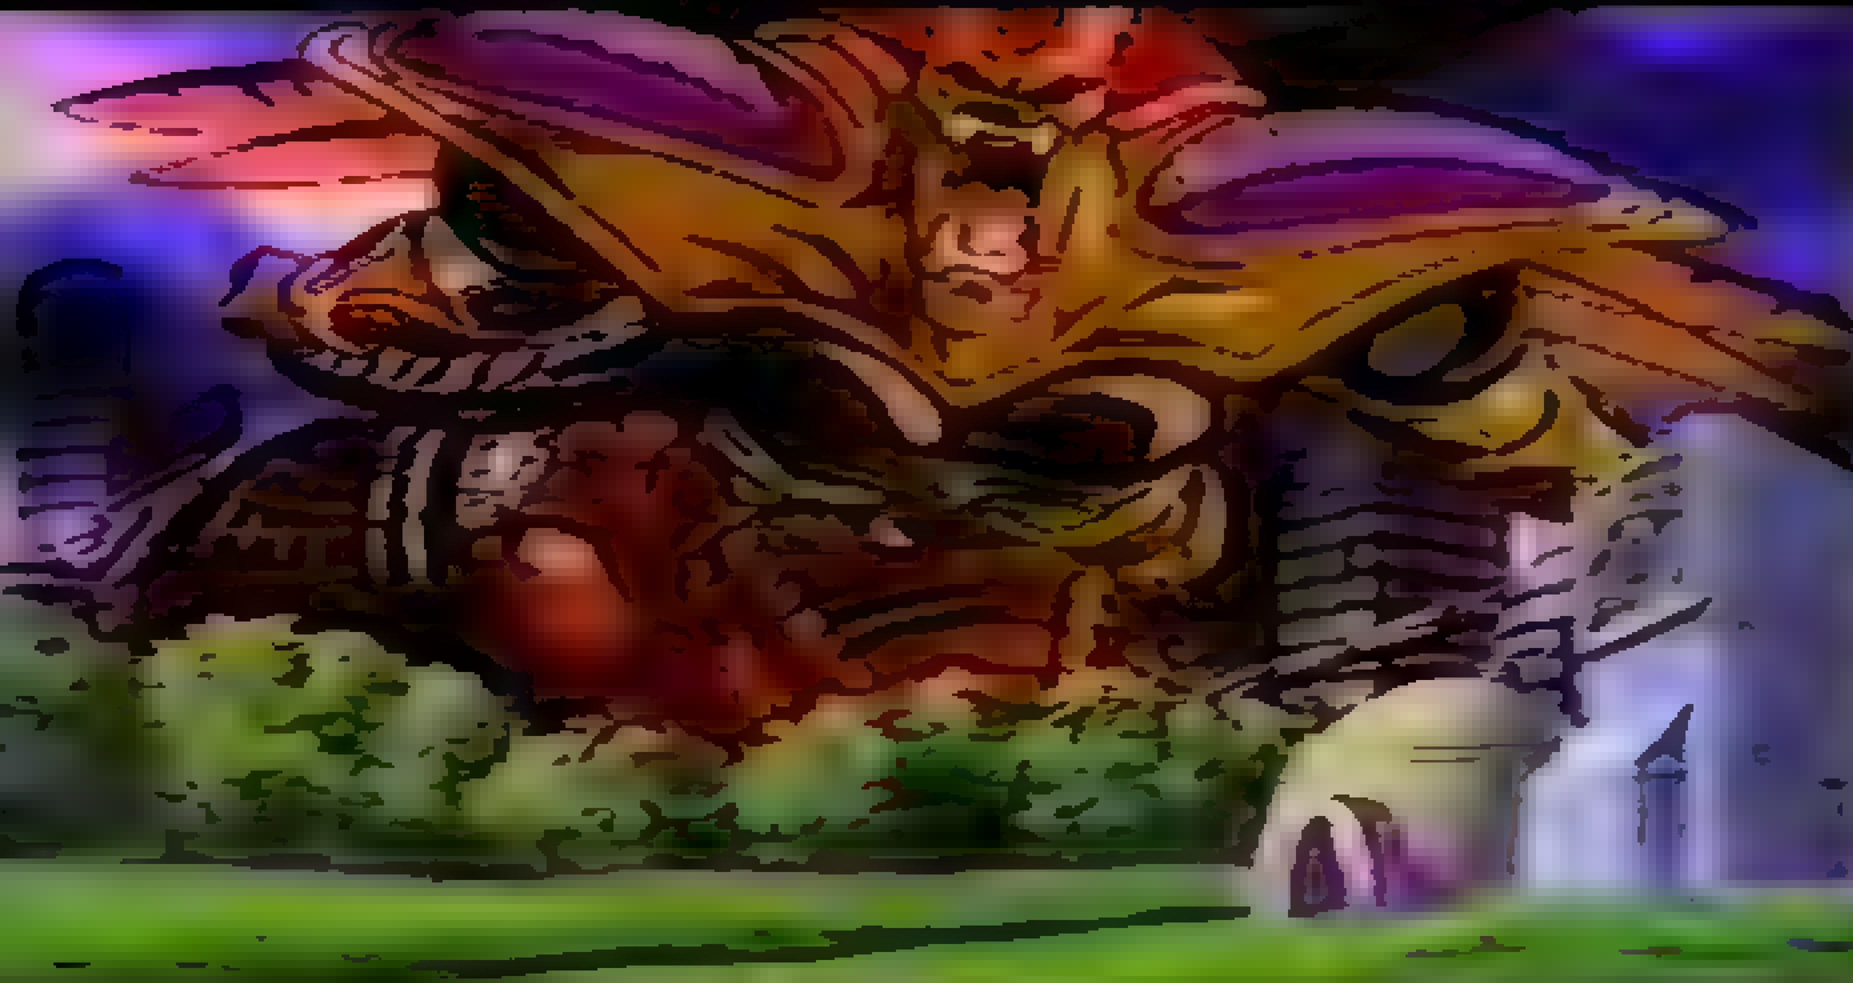

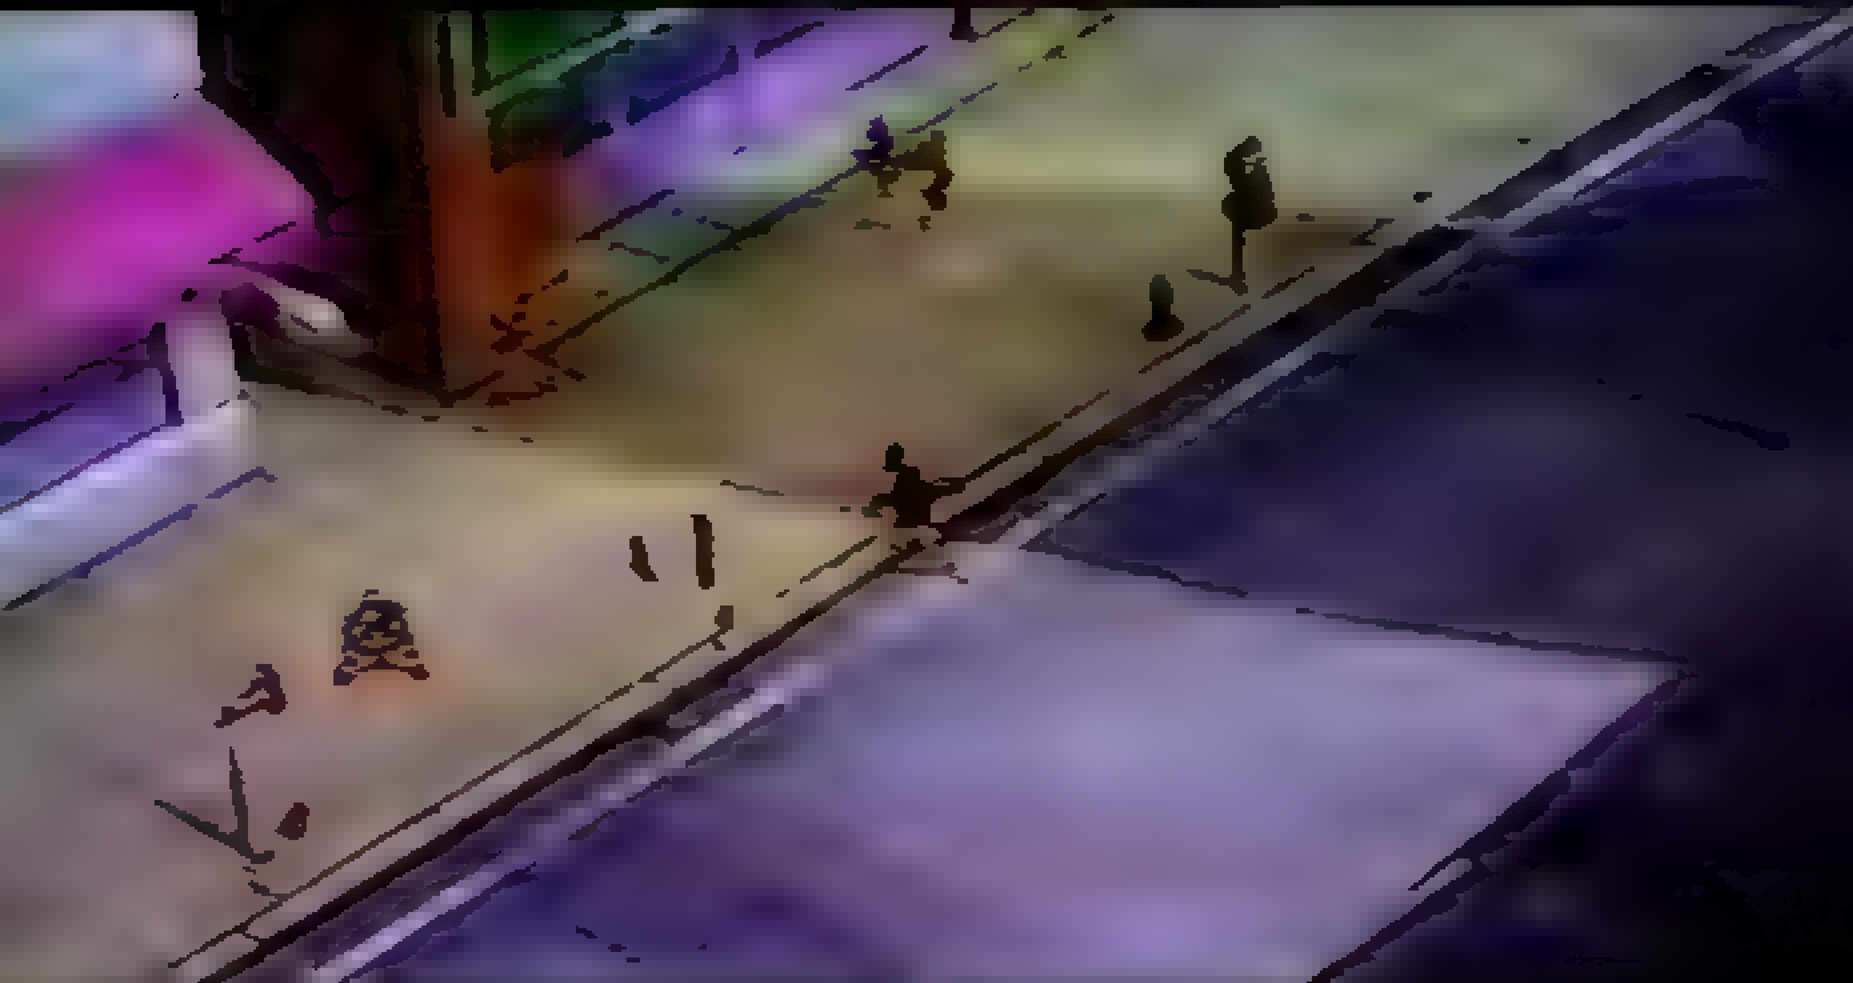

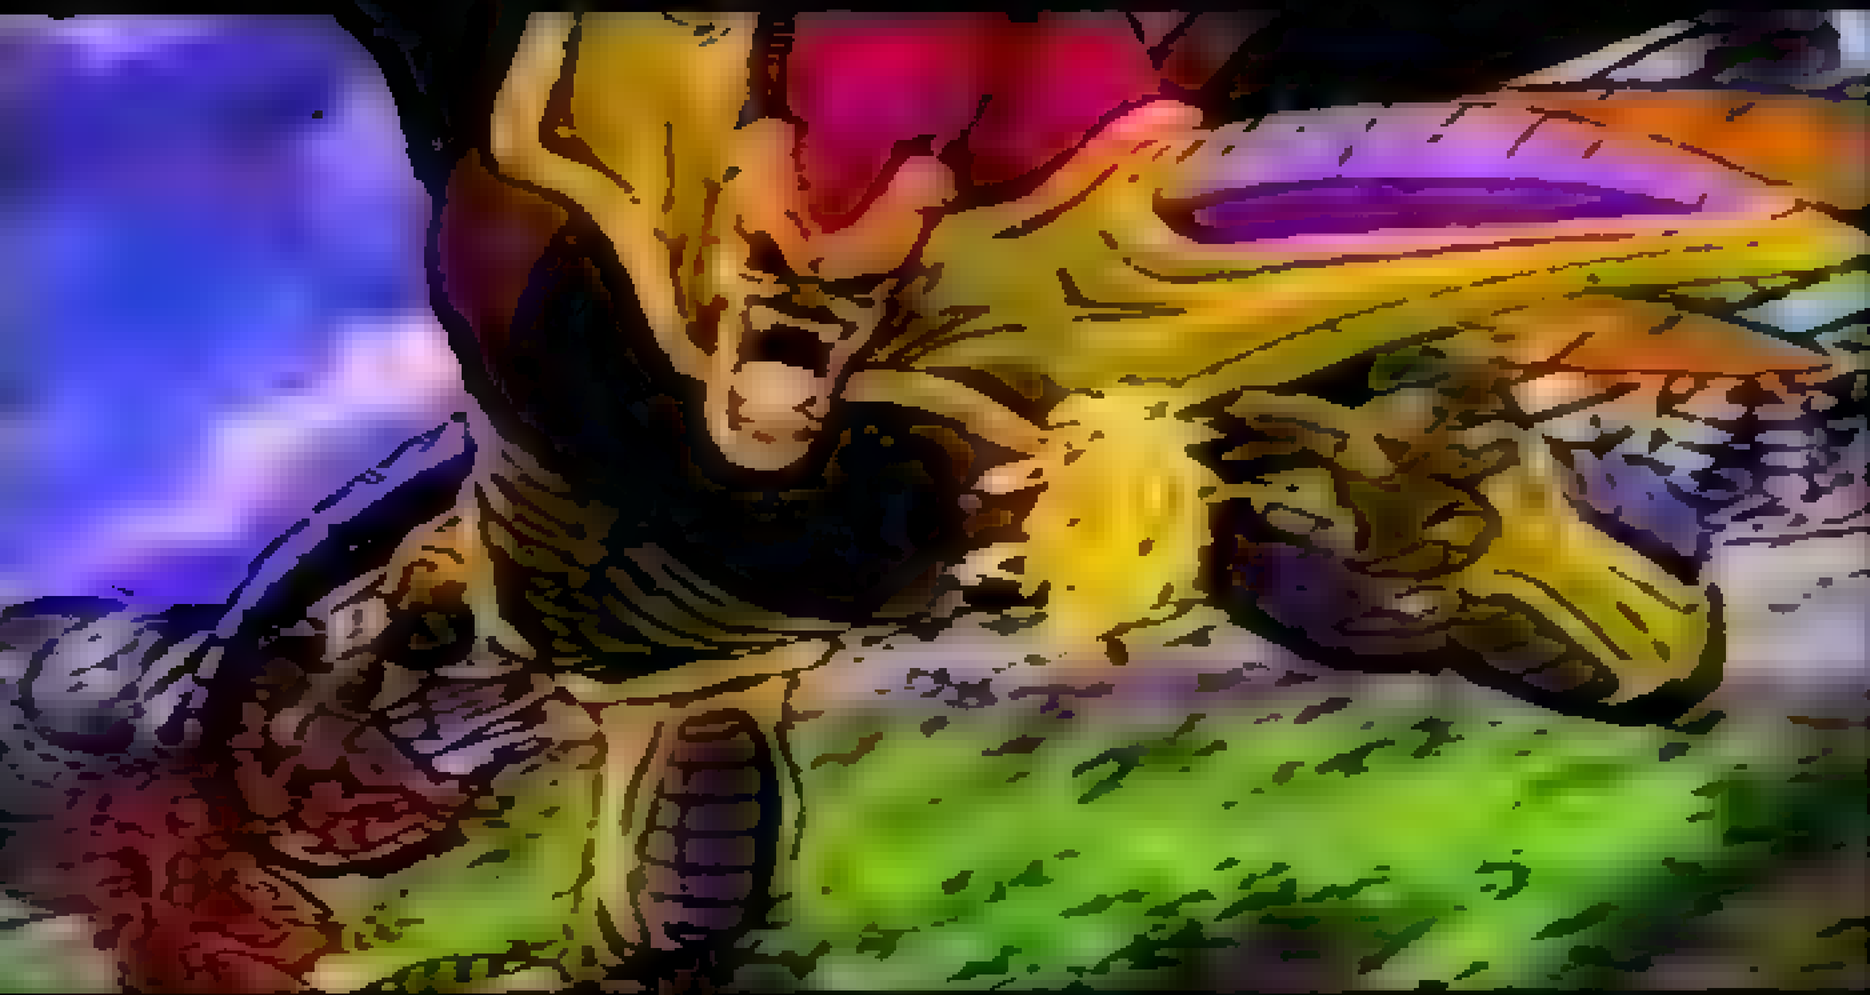

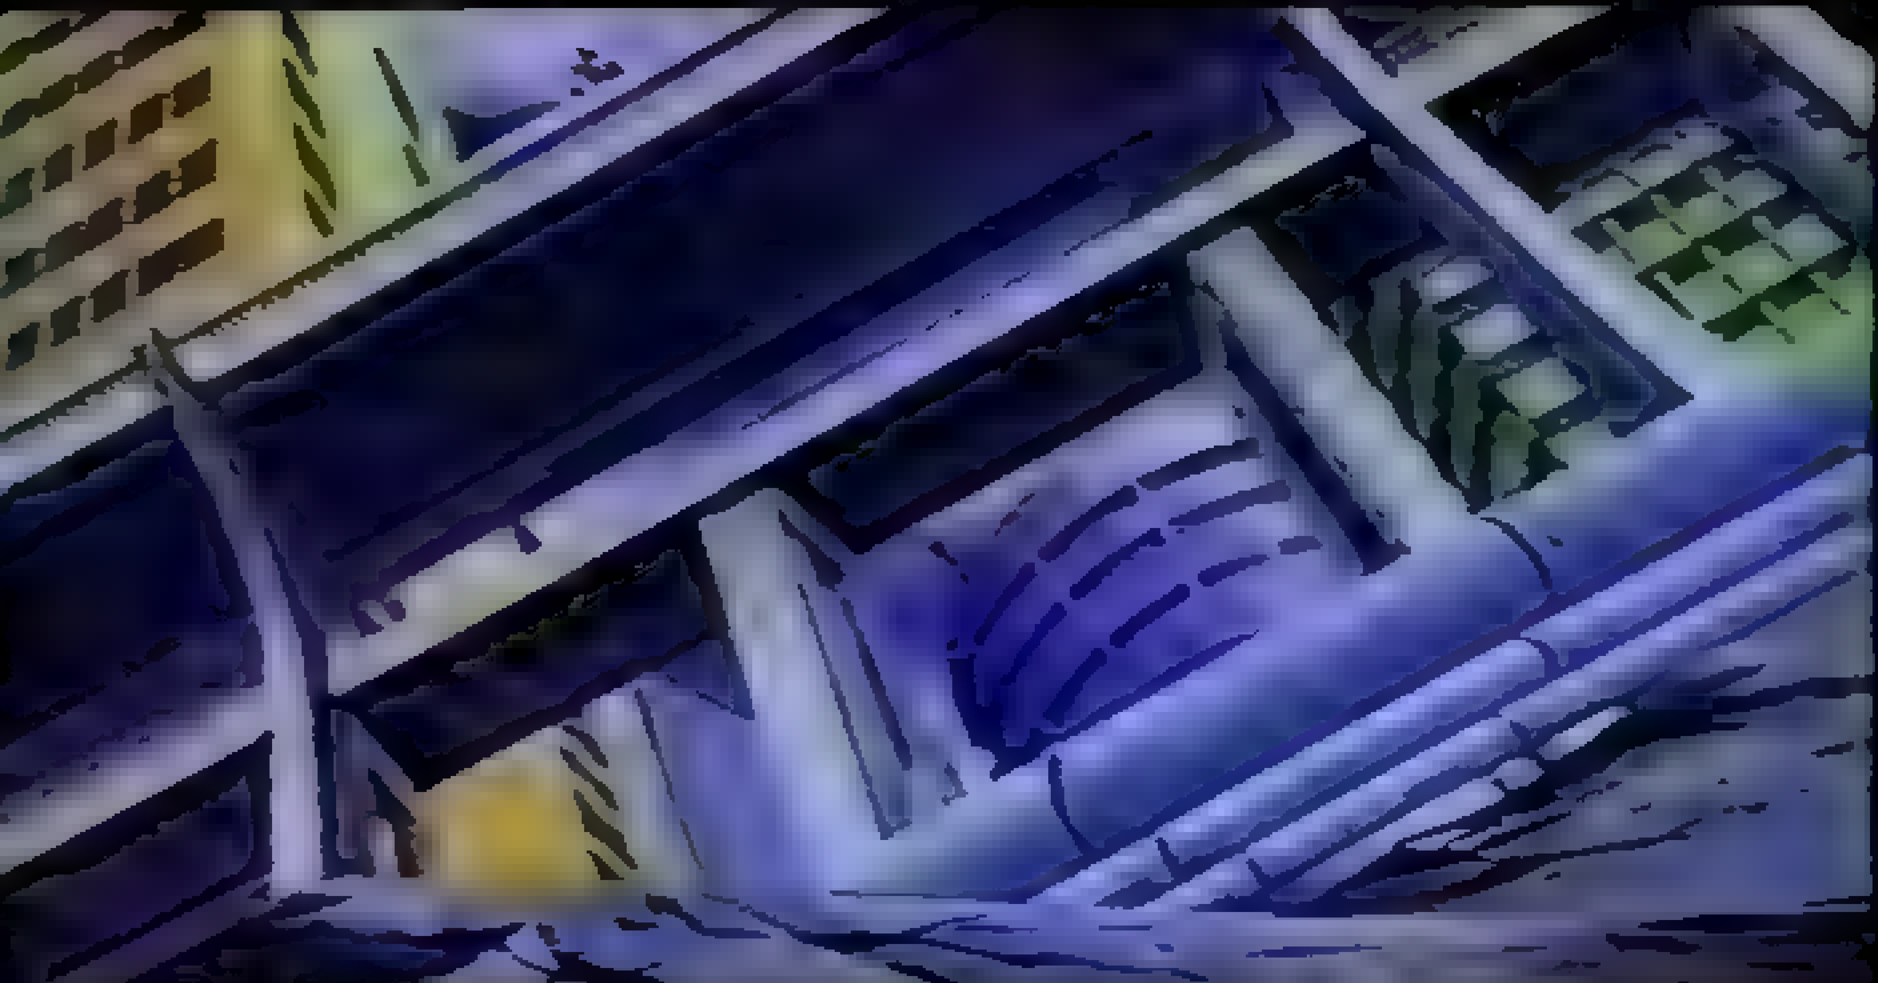

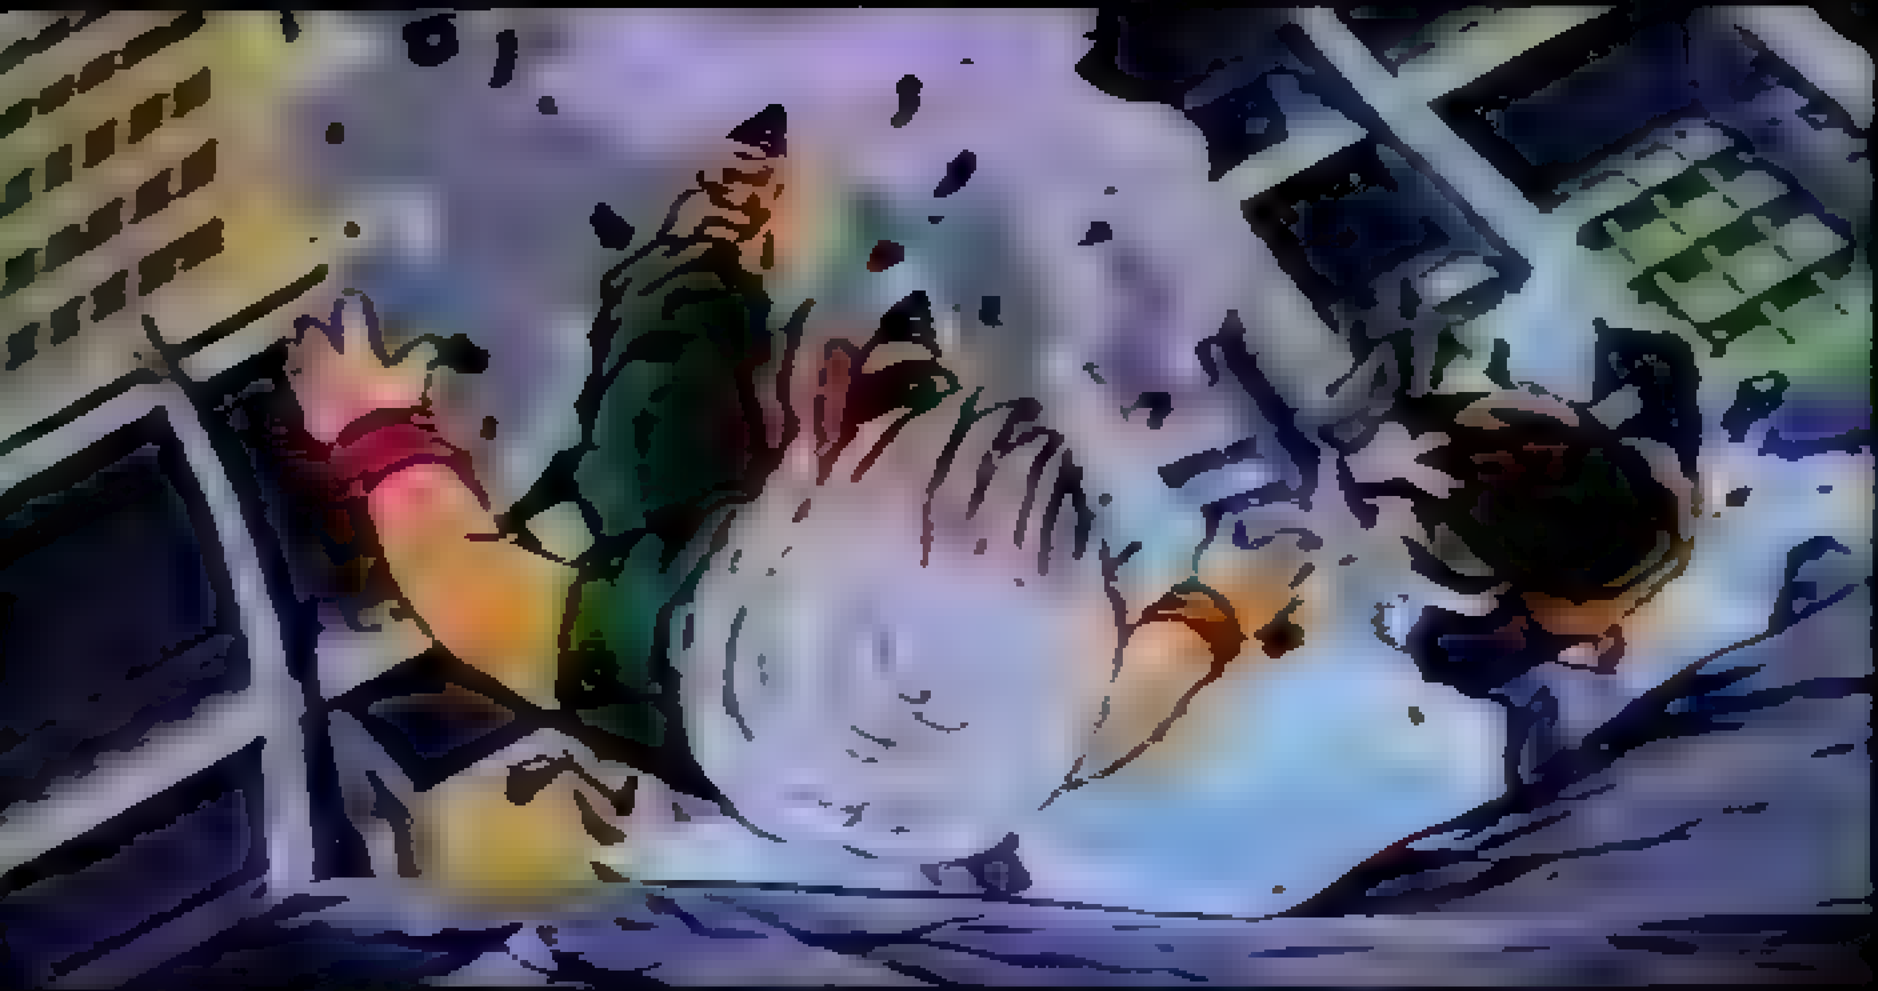

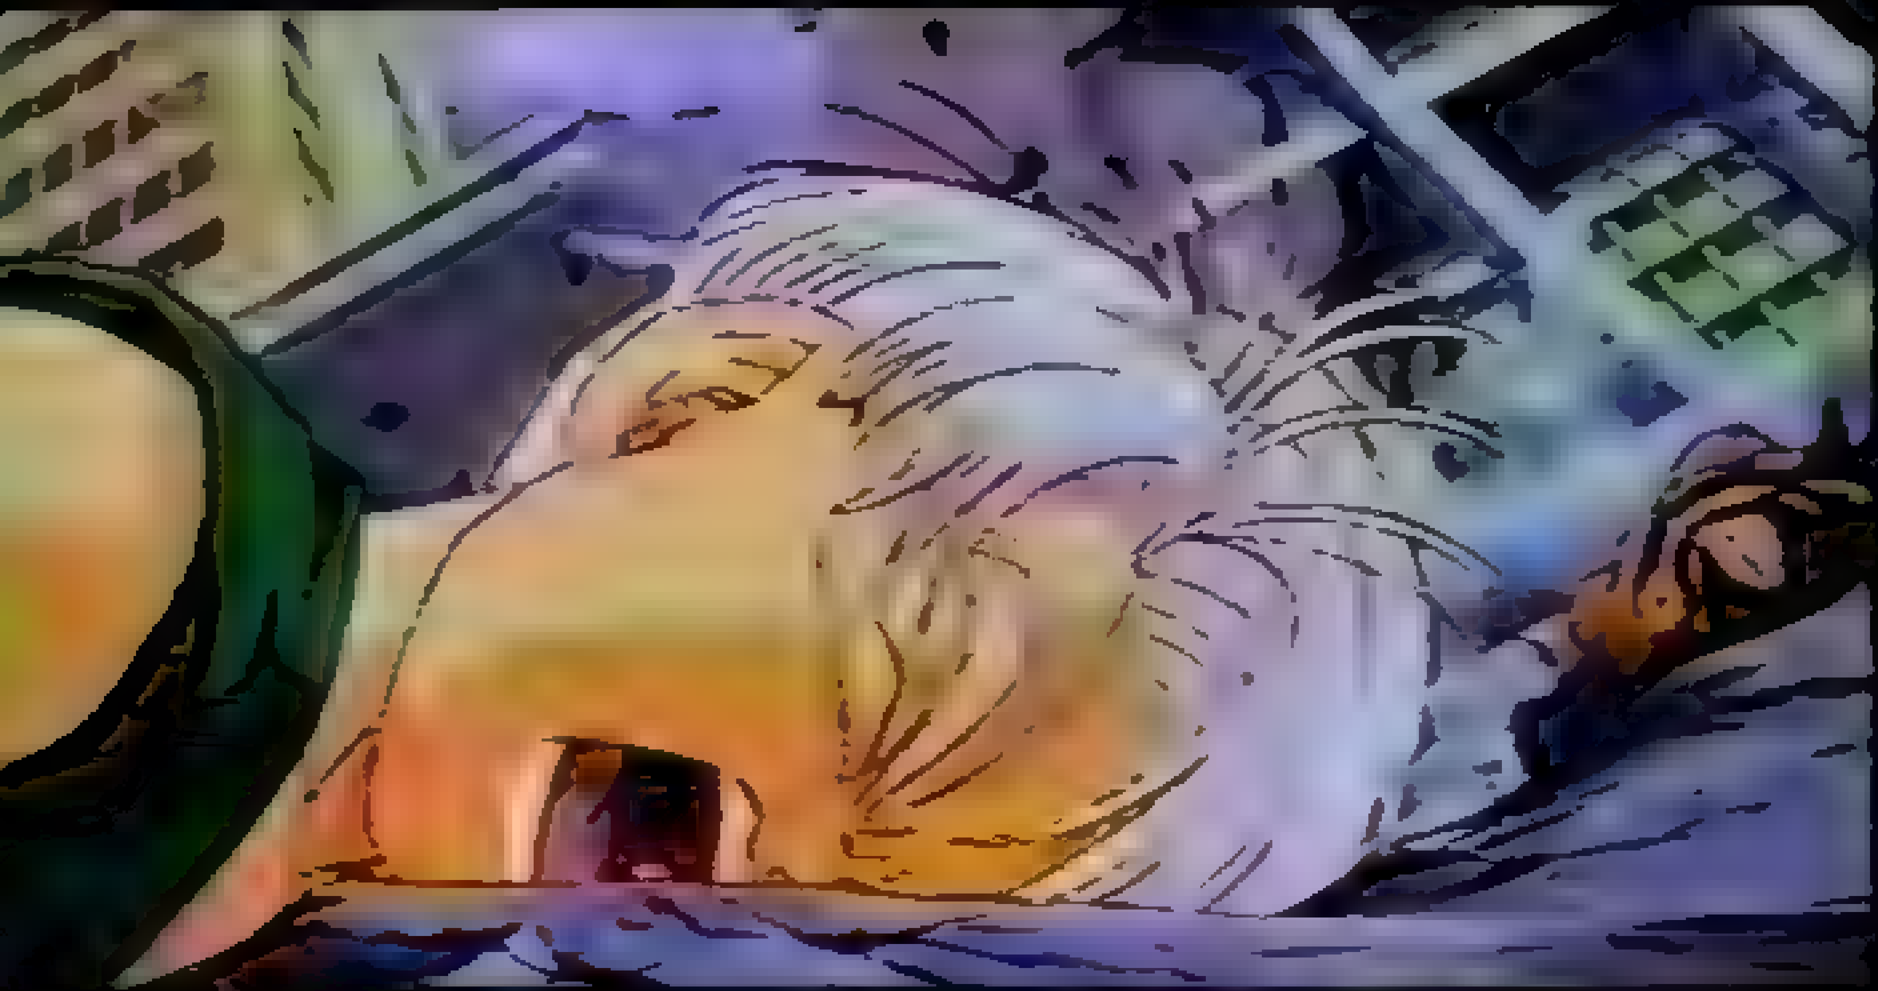

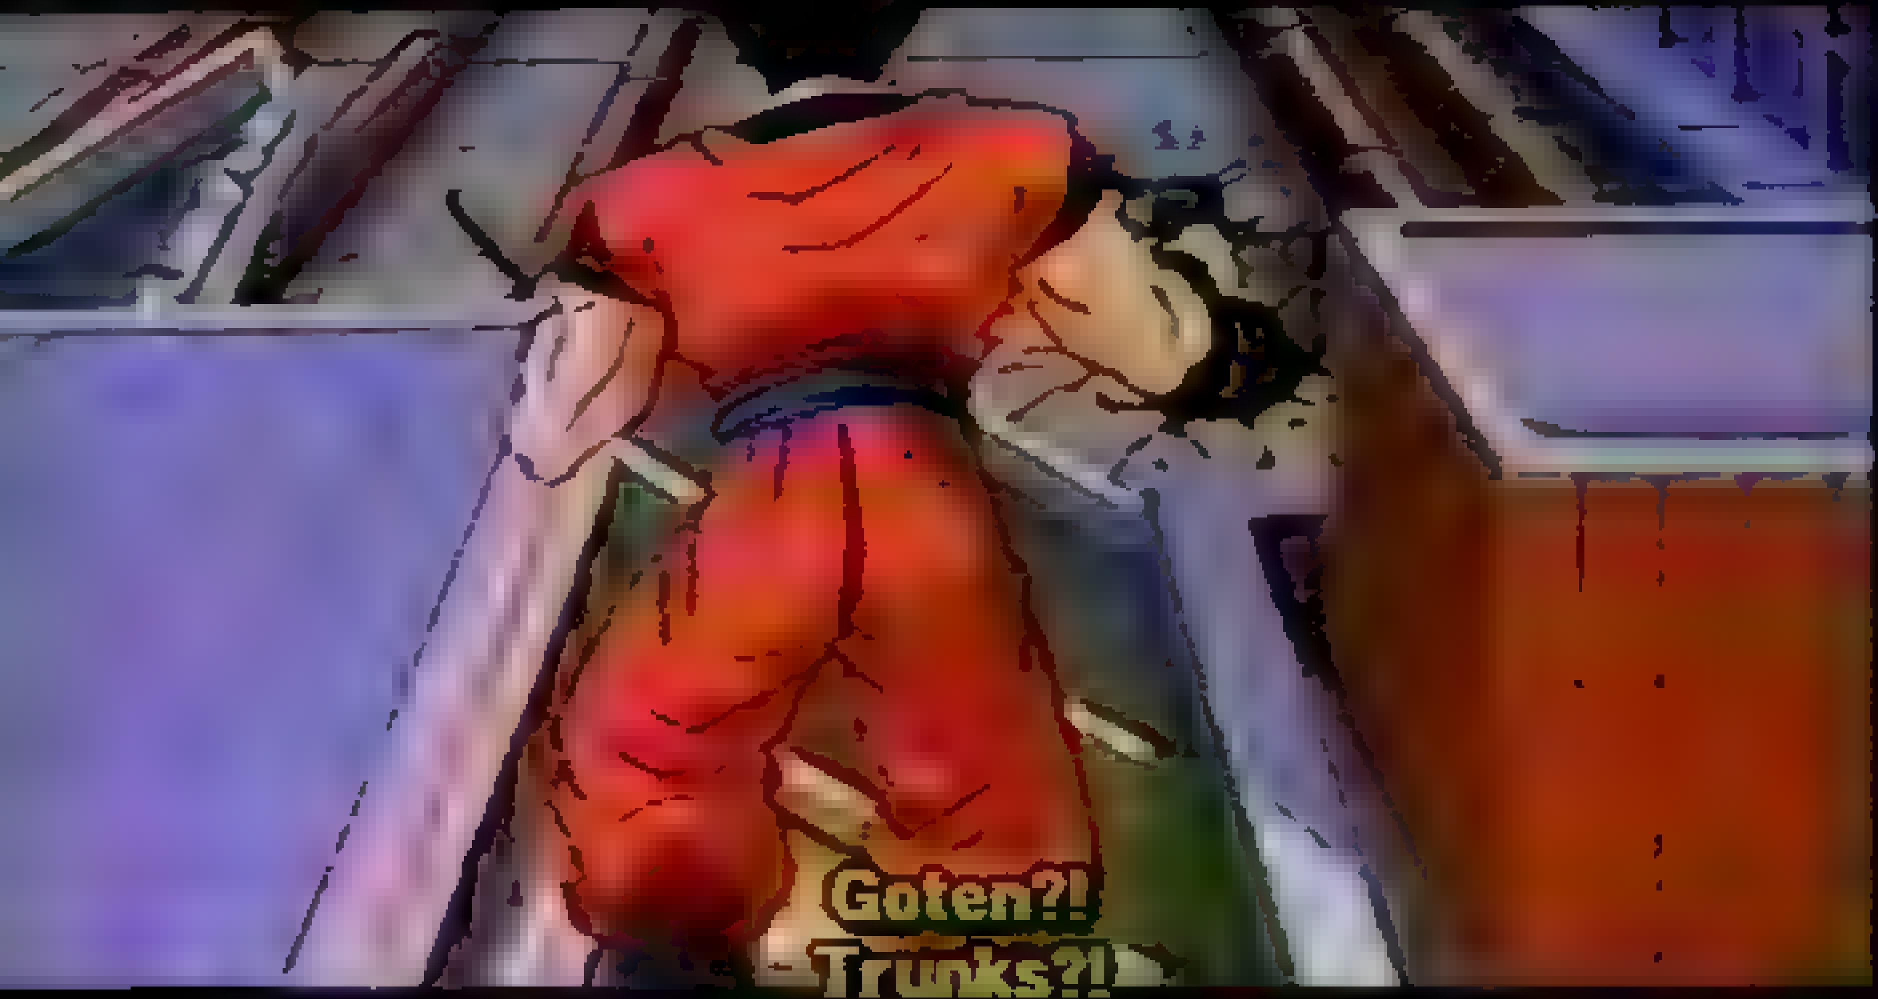

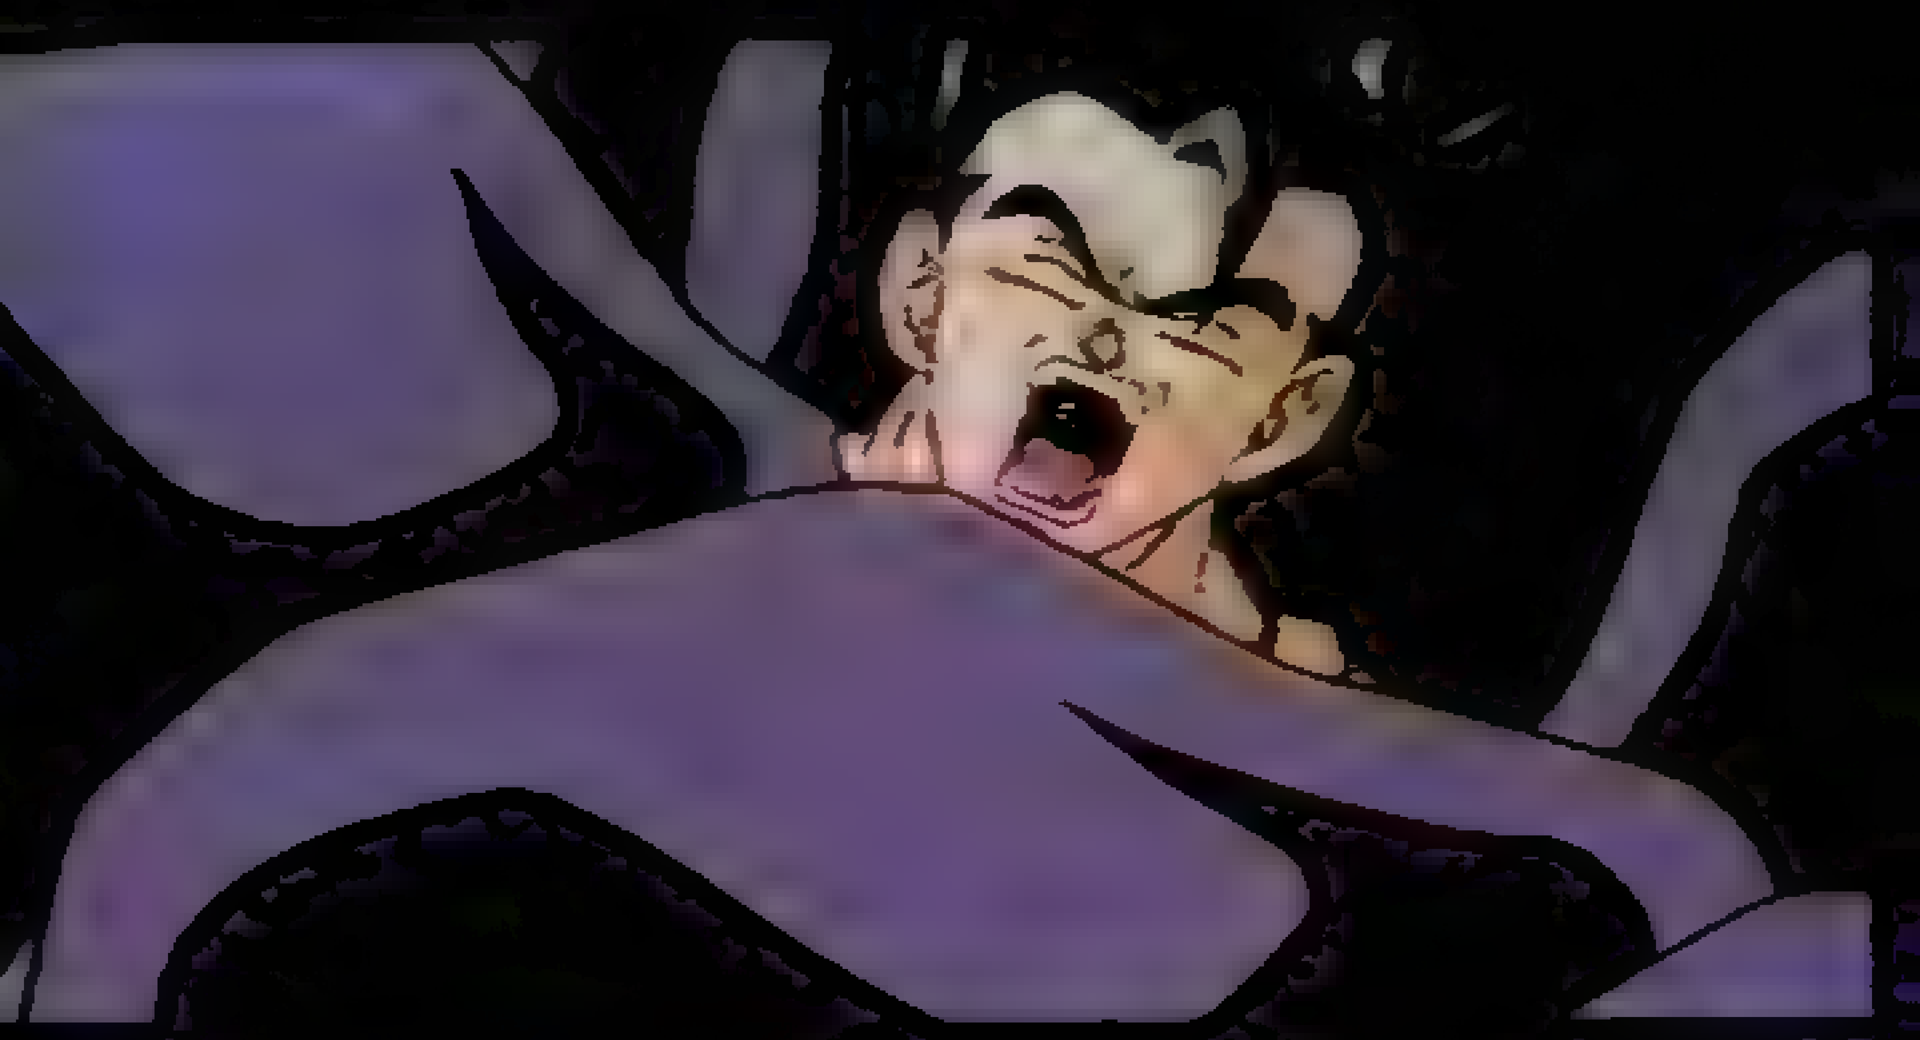

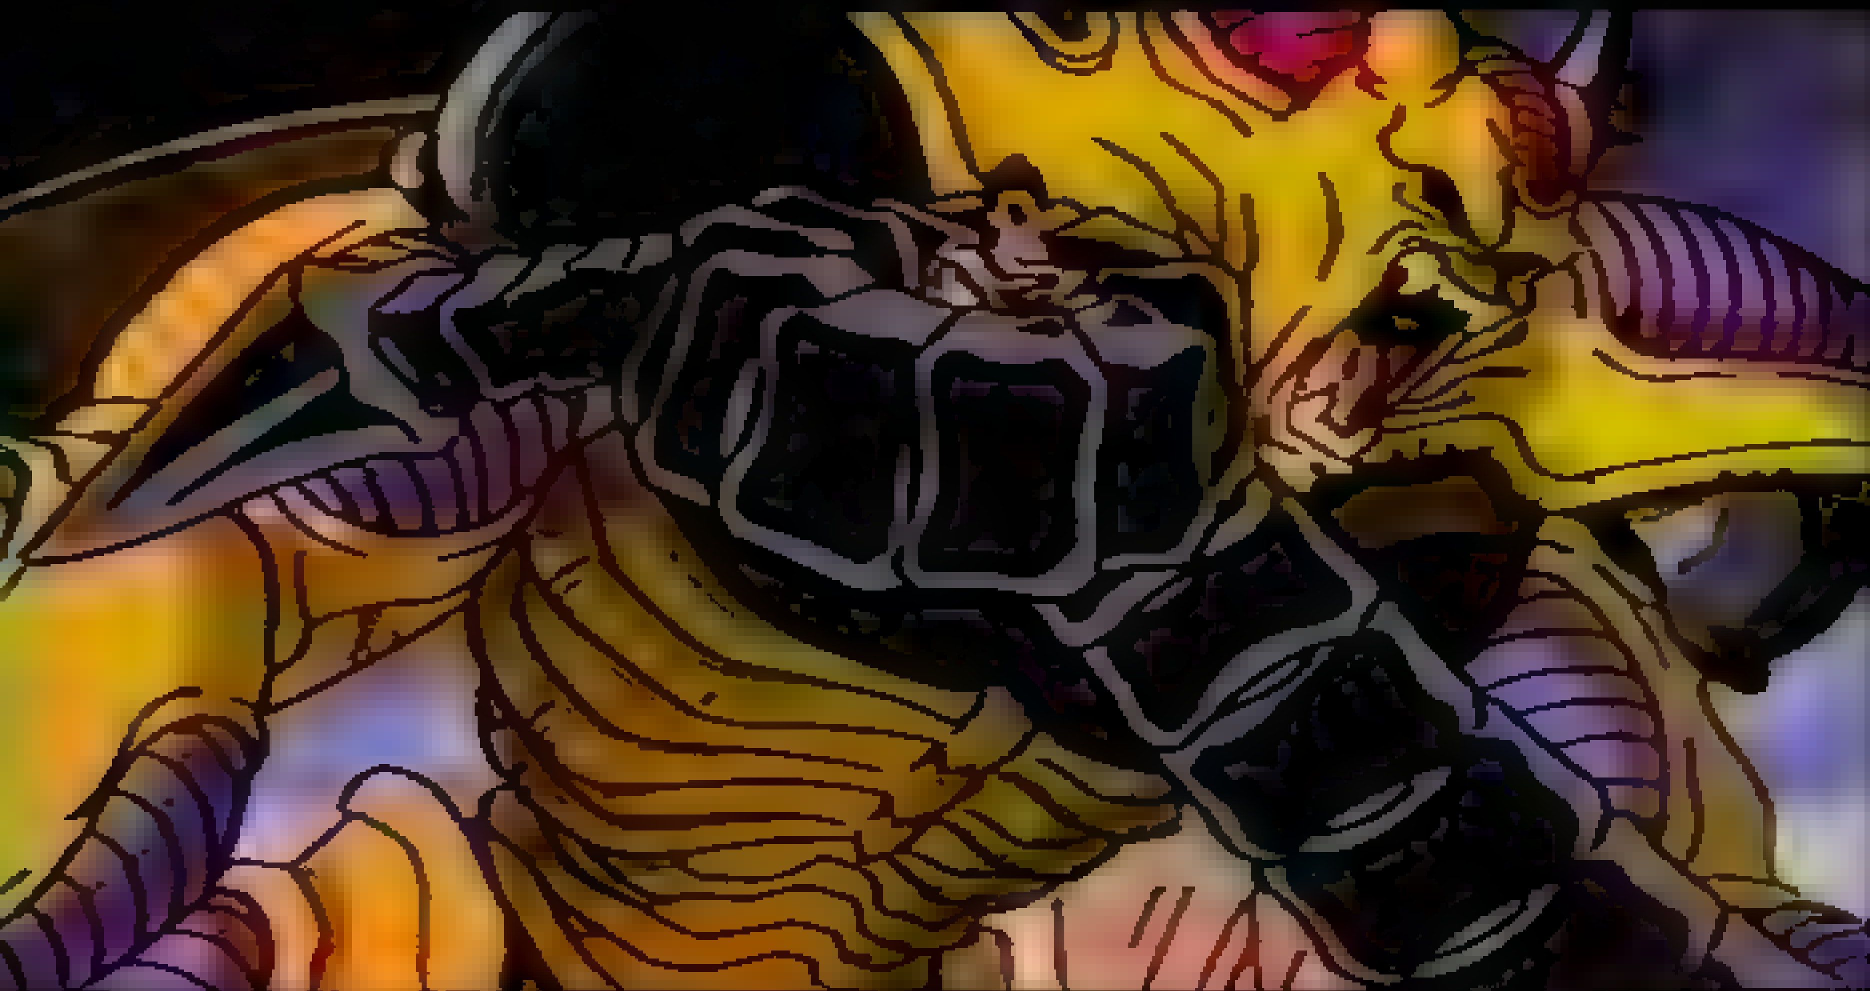

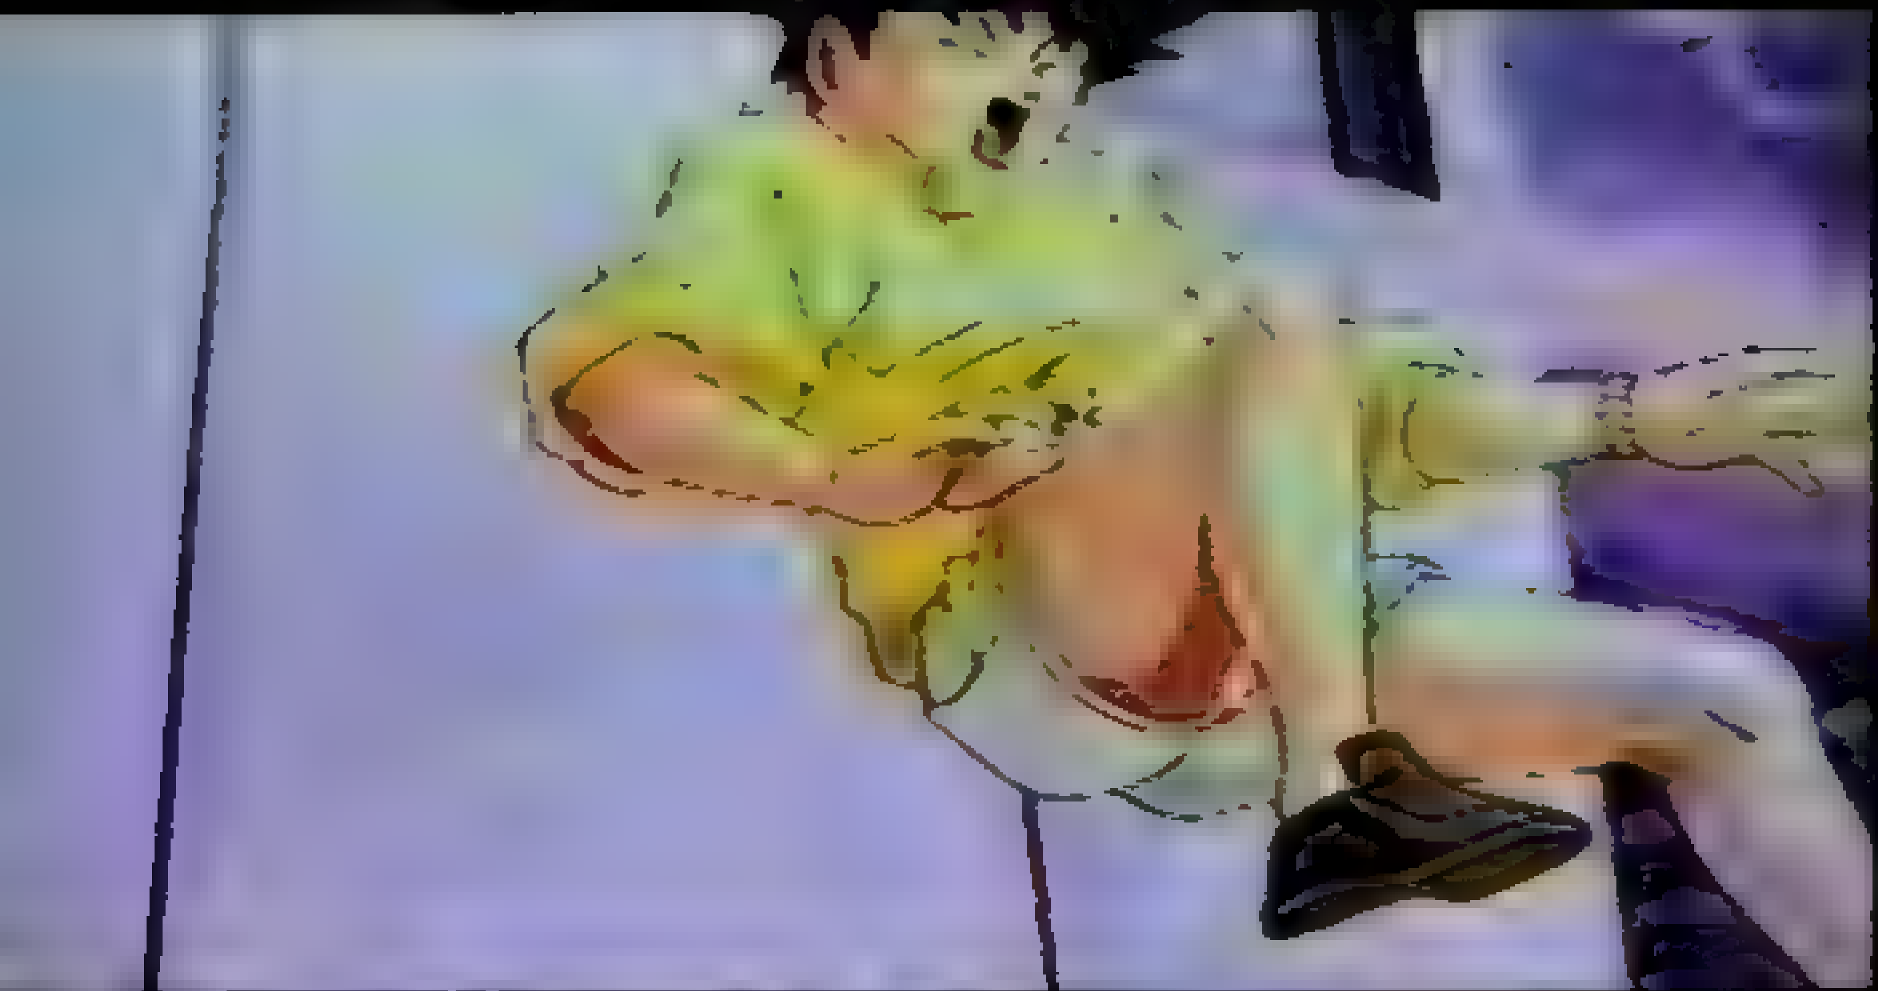

Goten?!
Trunks?!

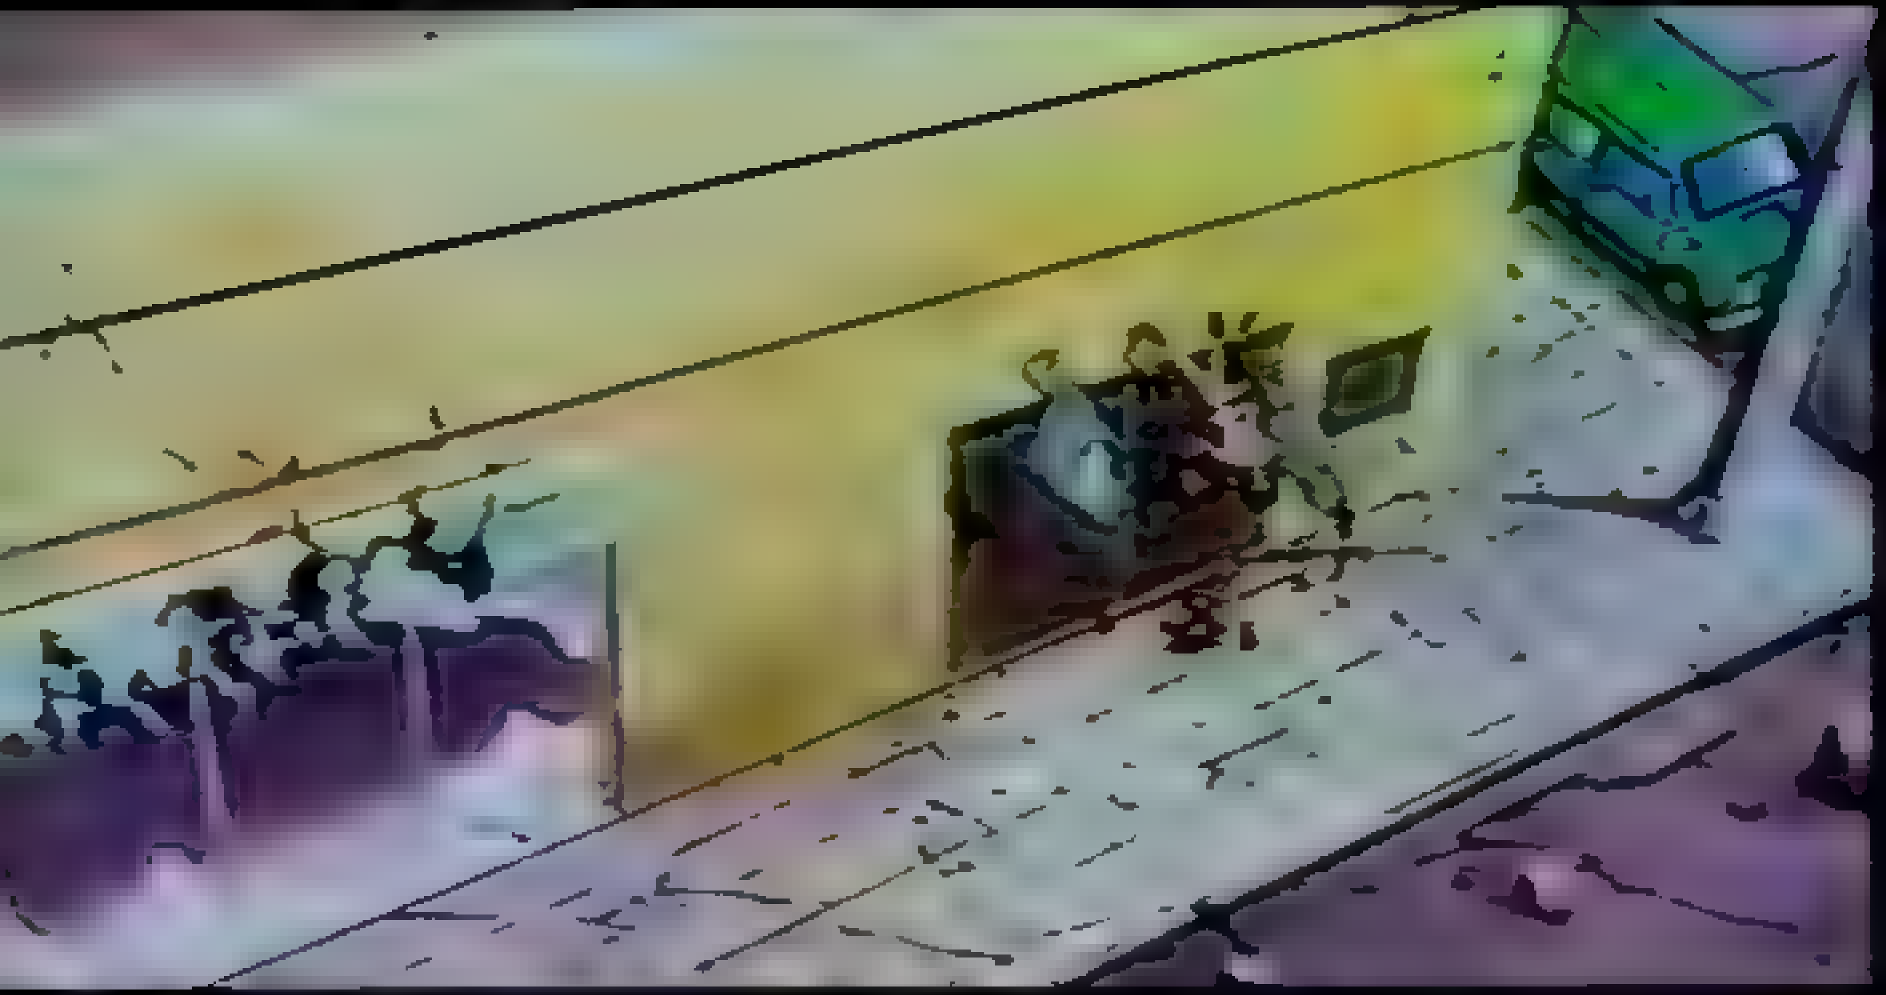

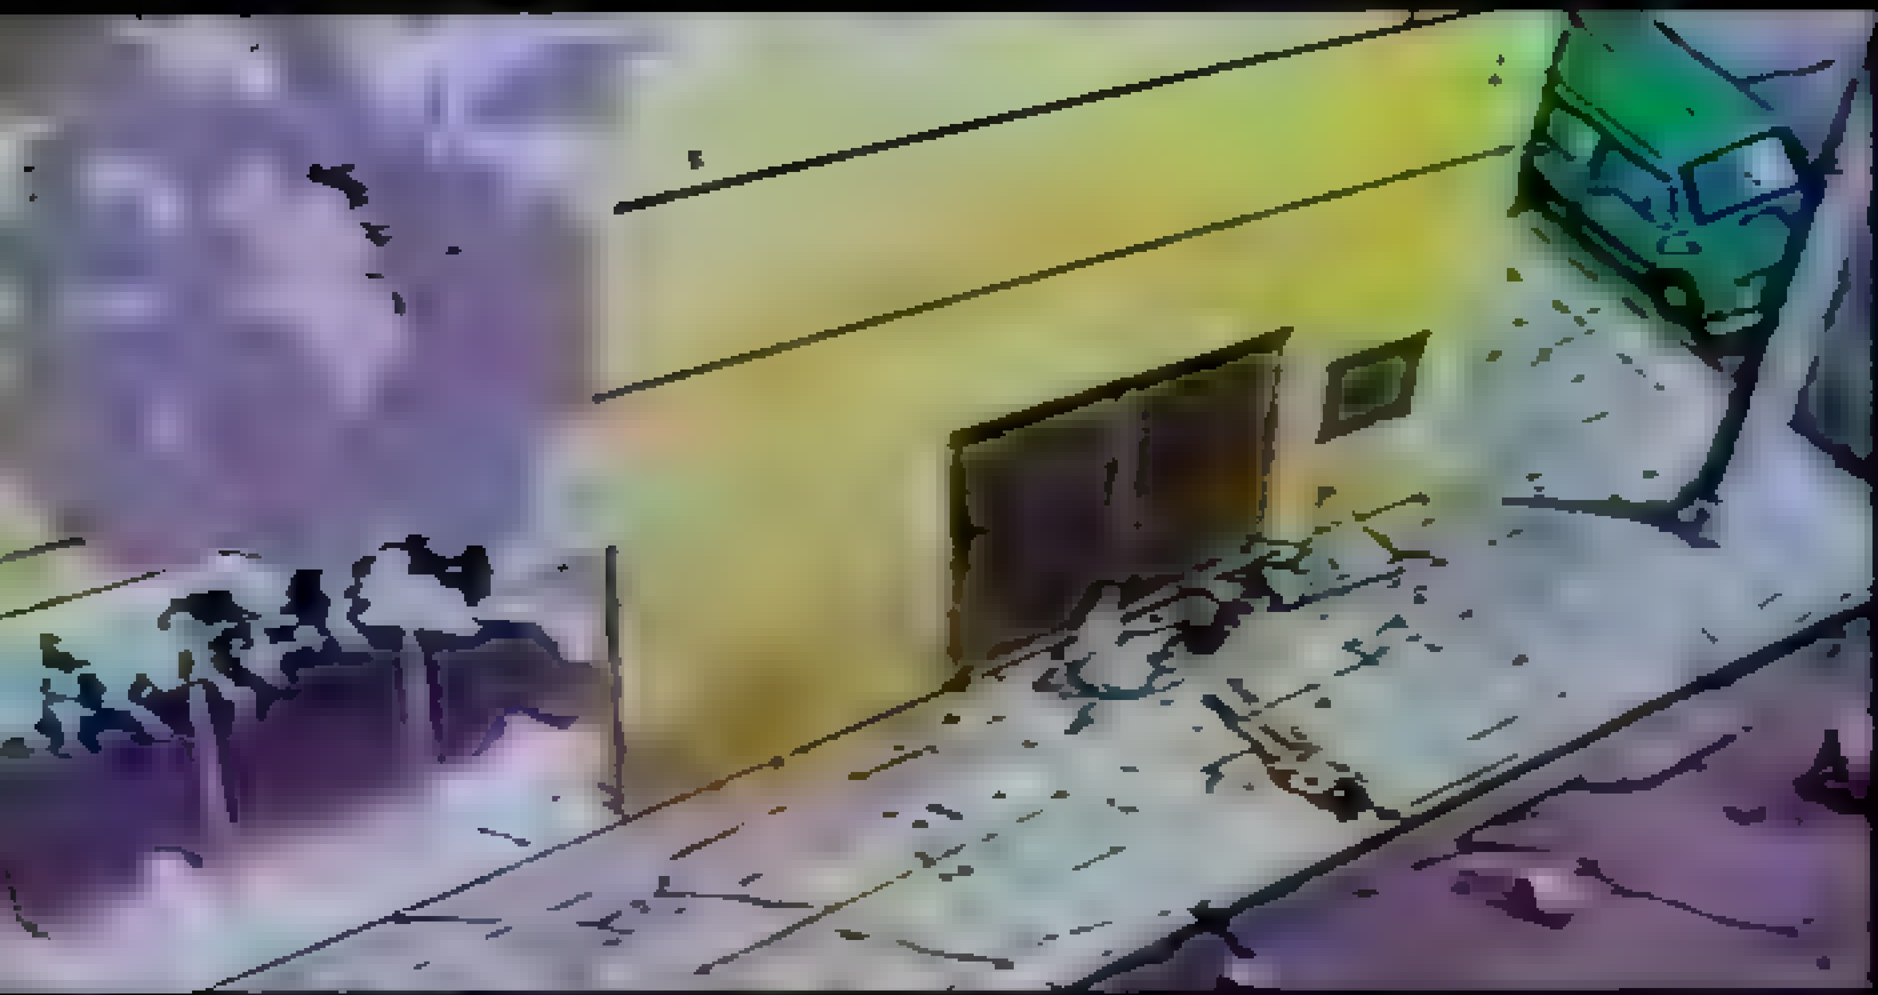

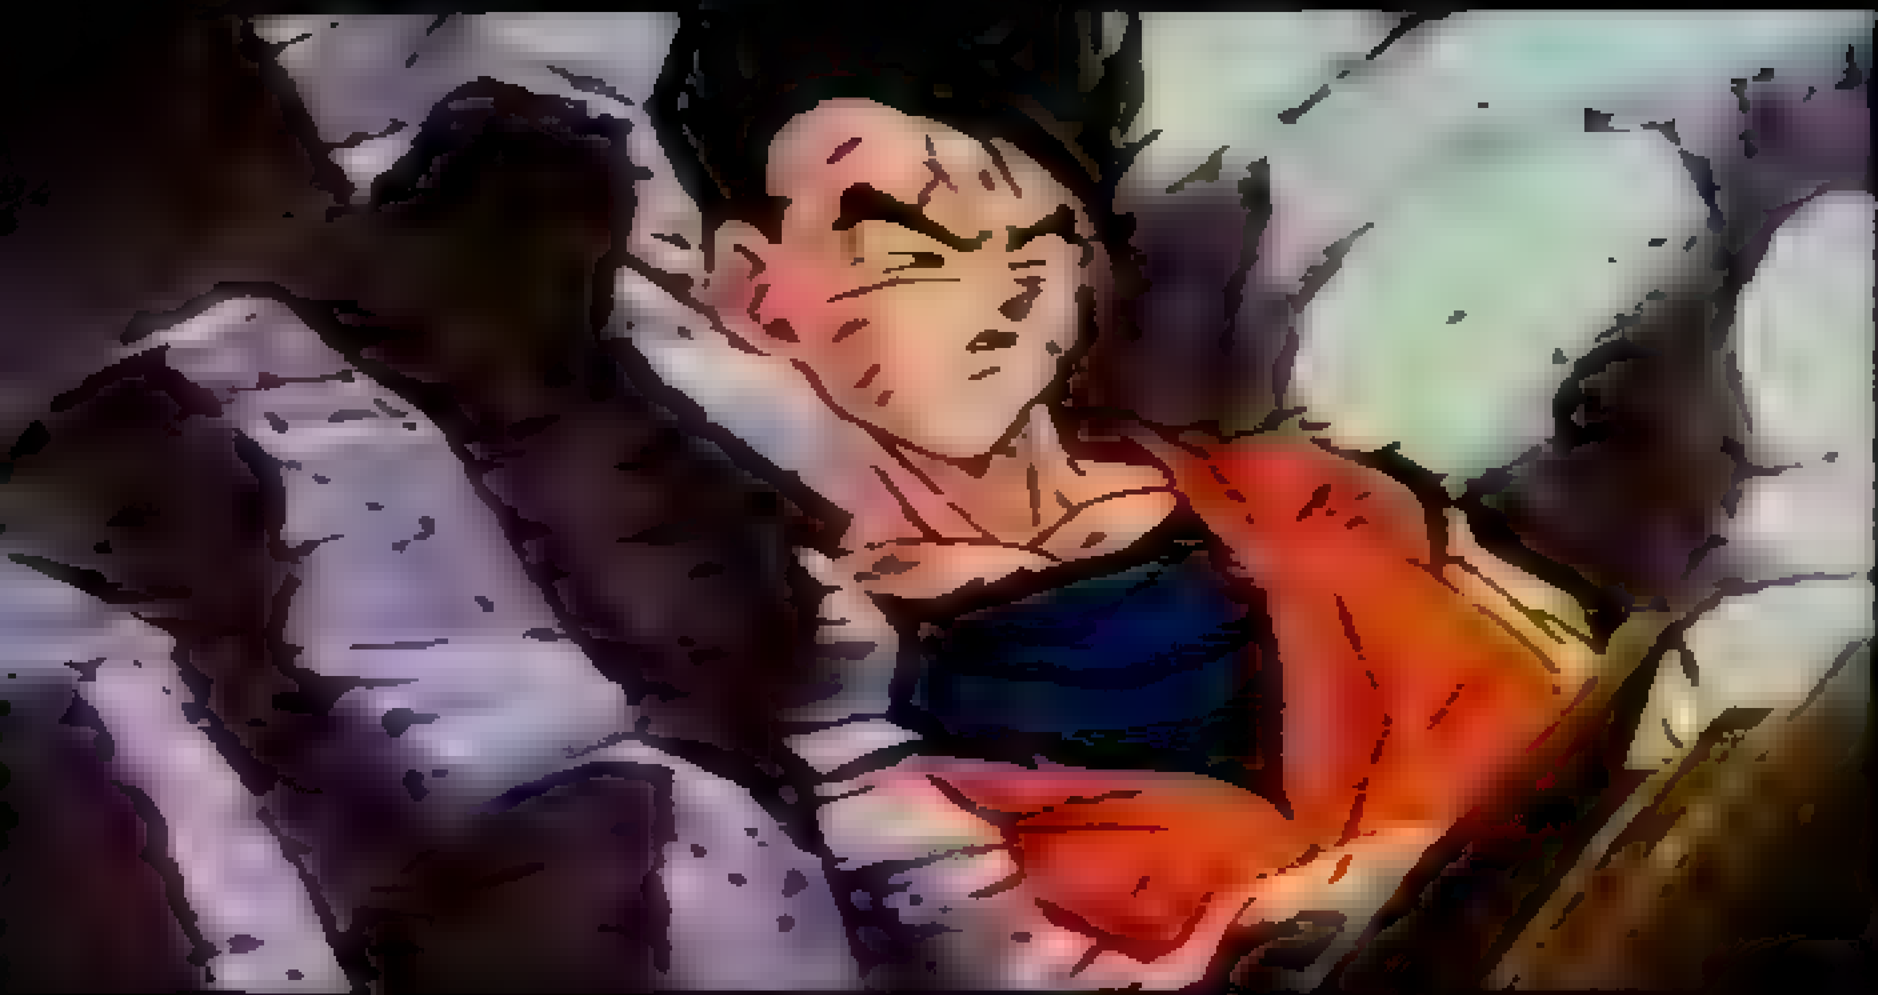

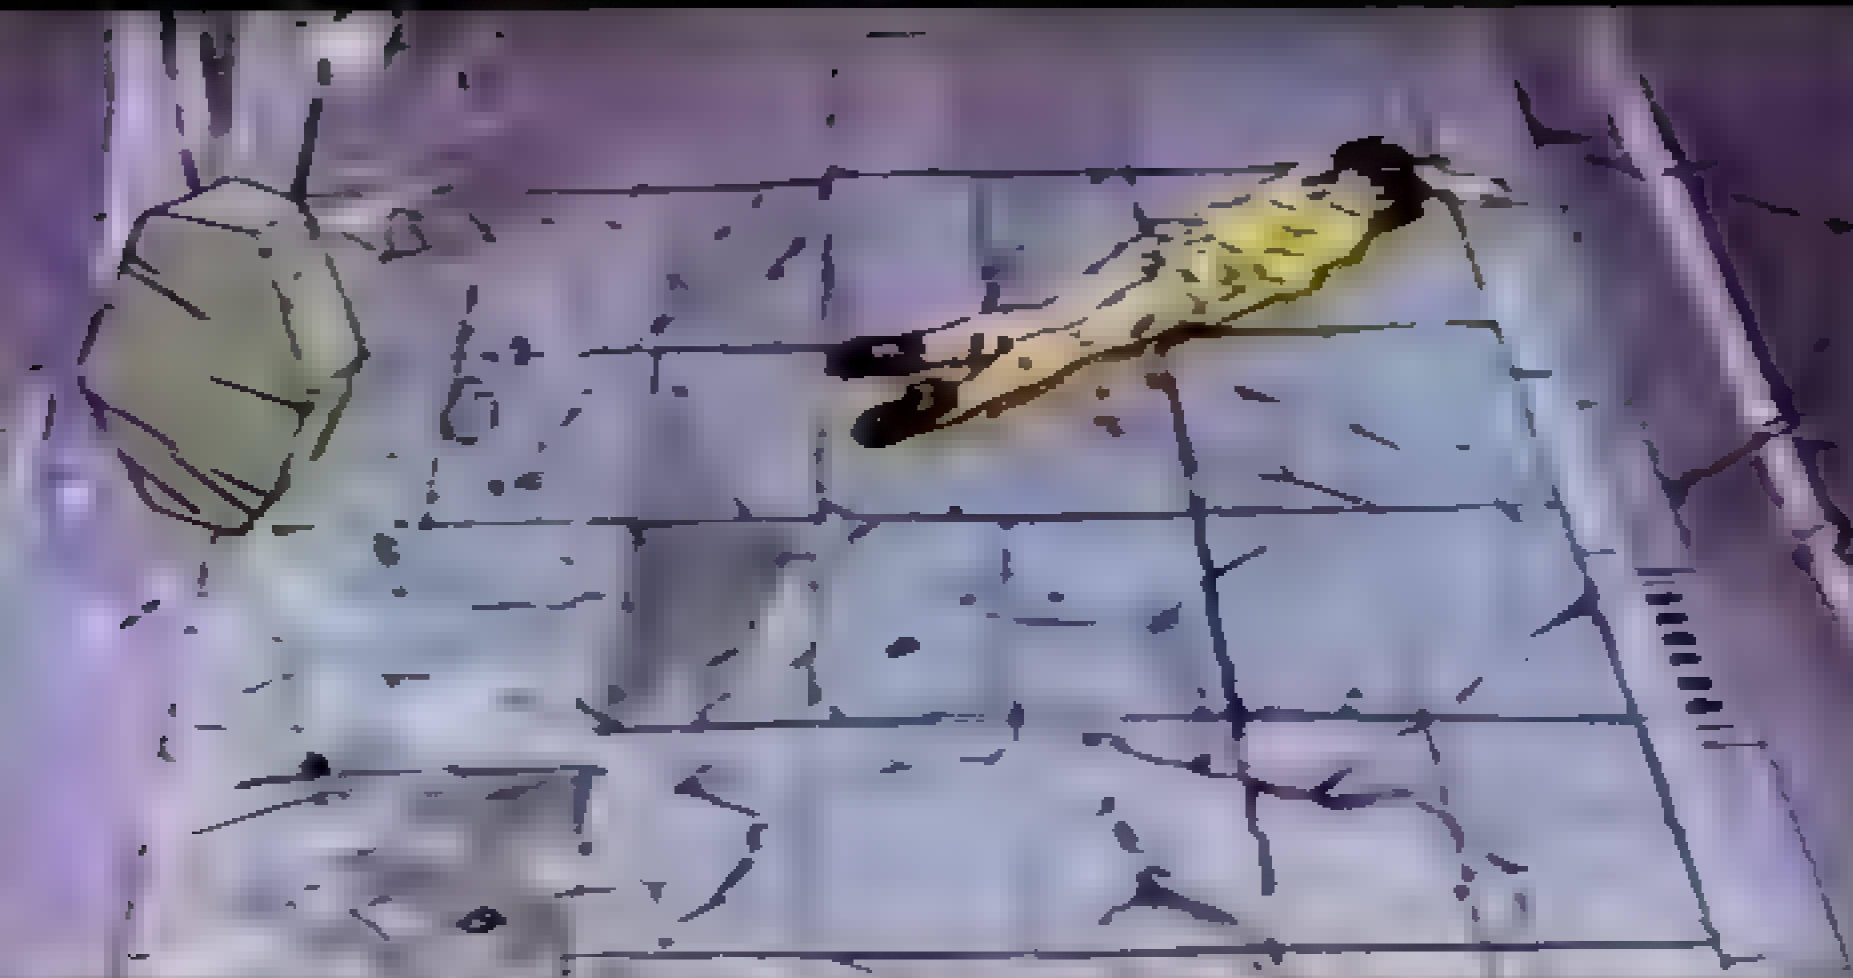

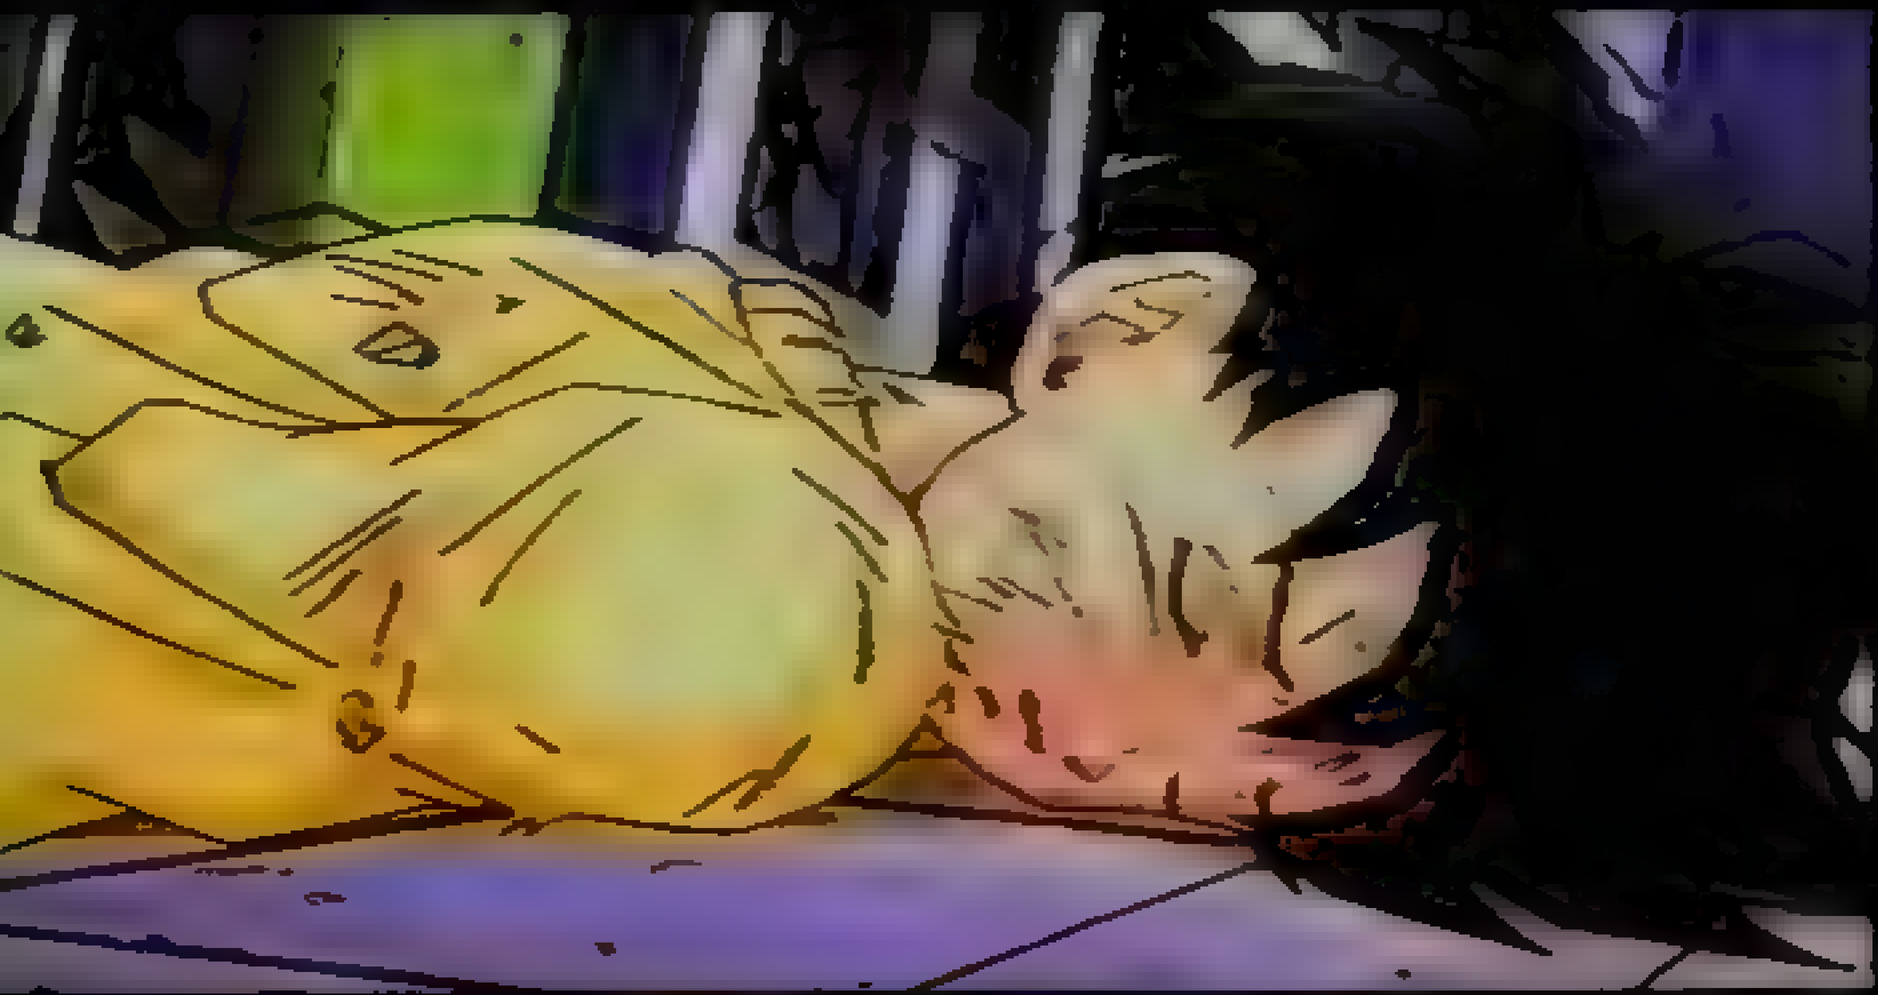

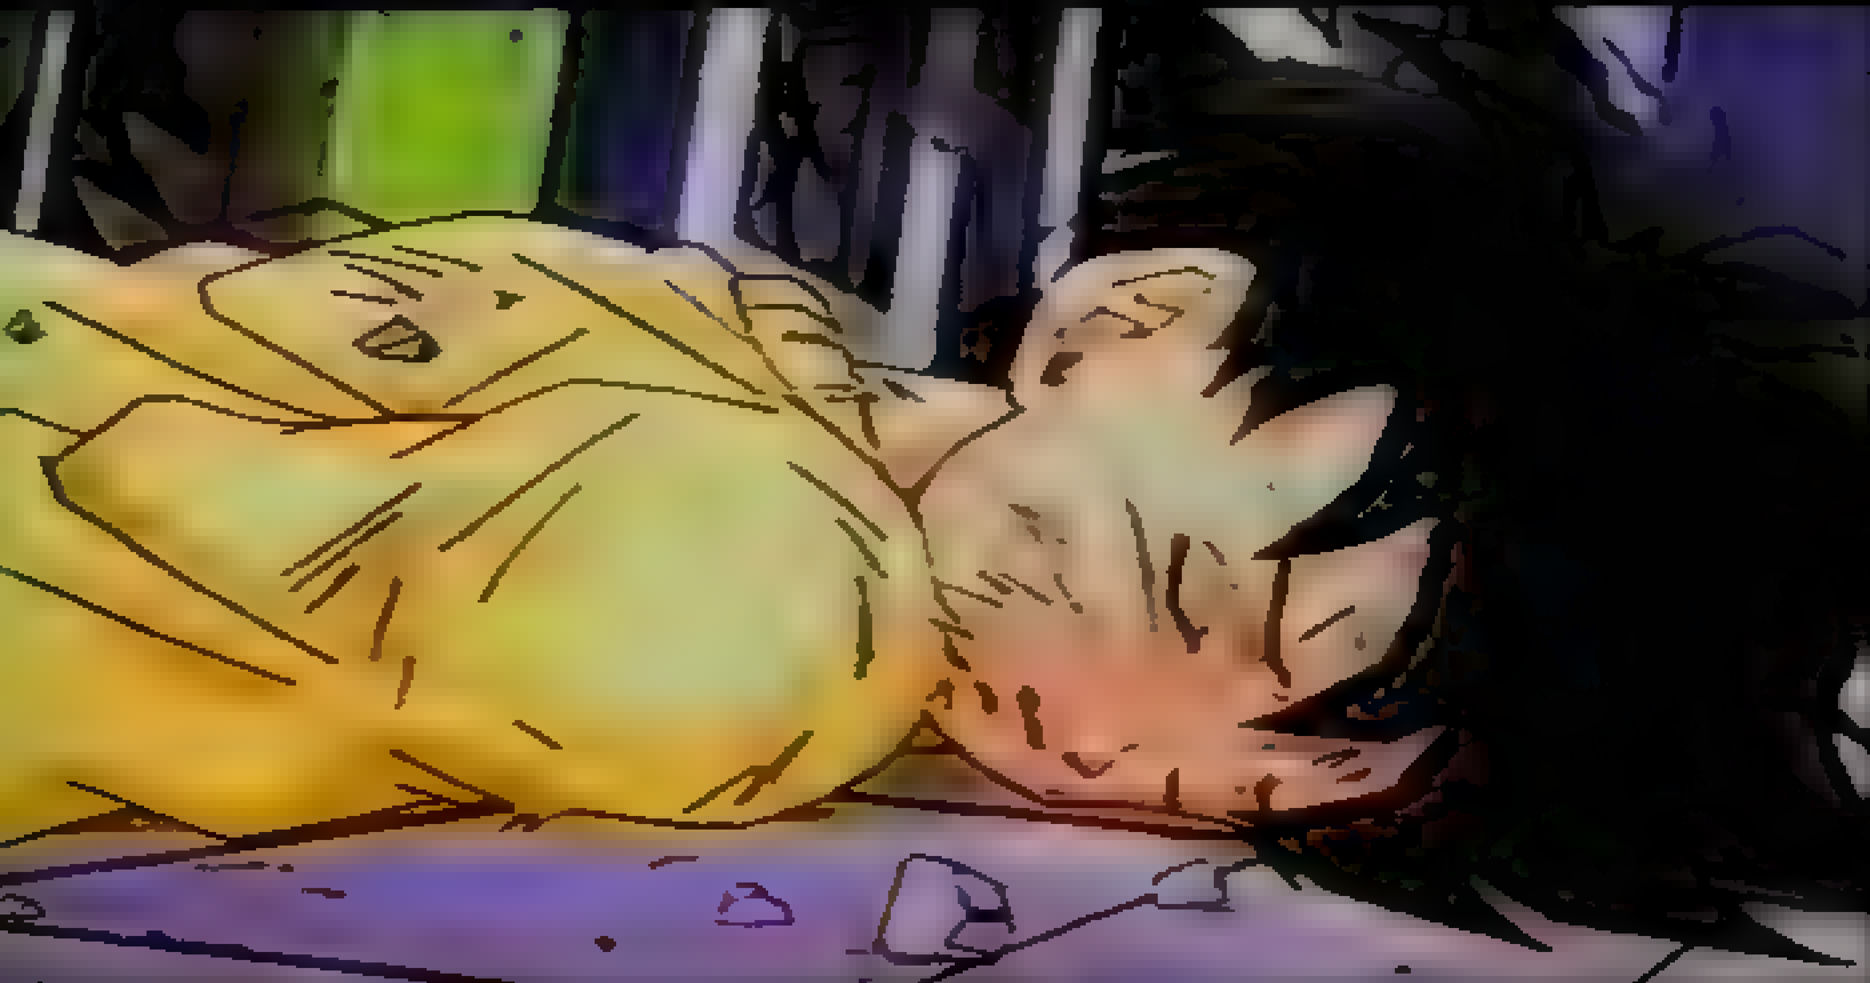

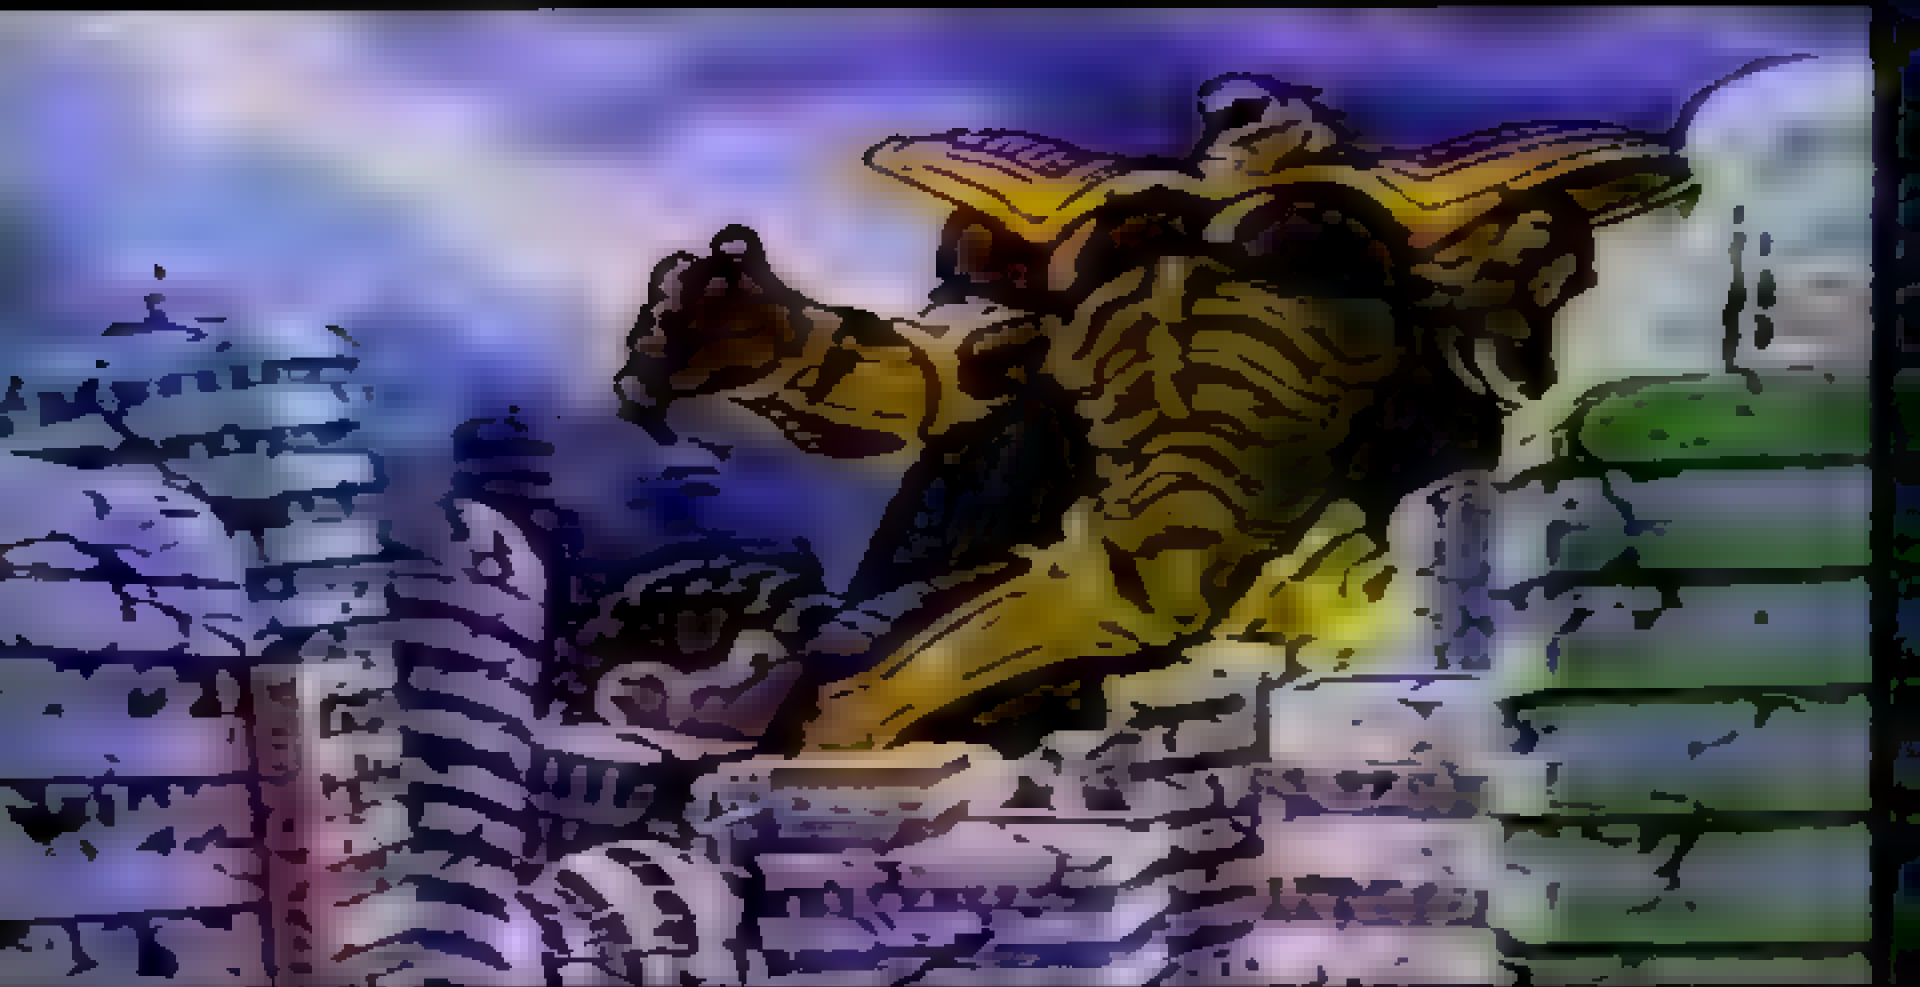

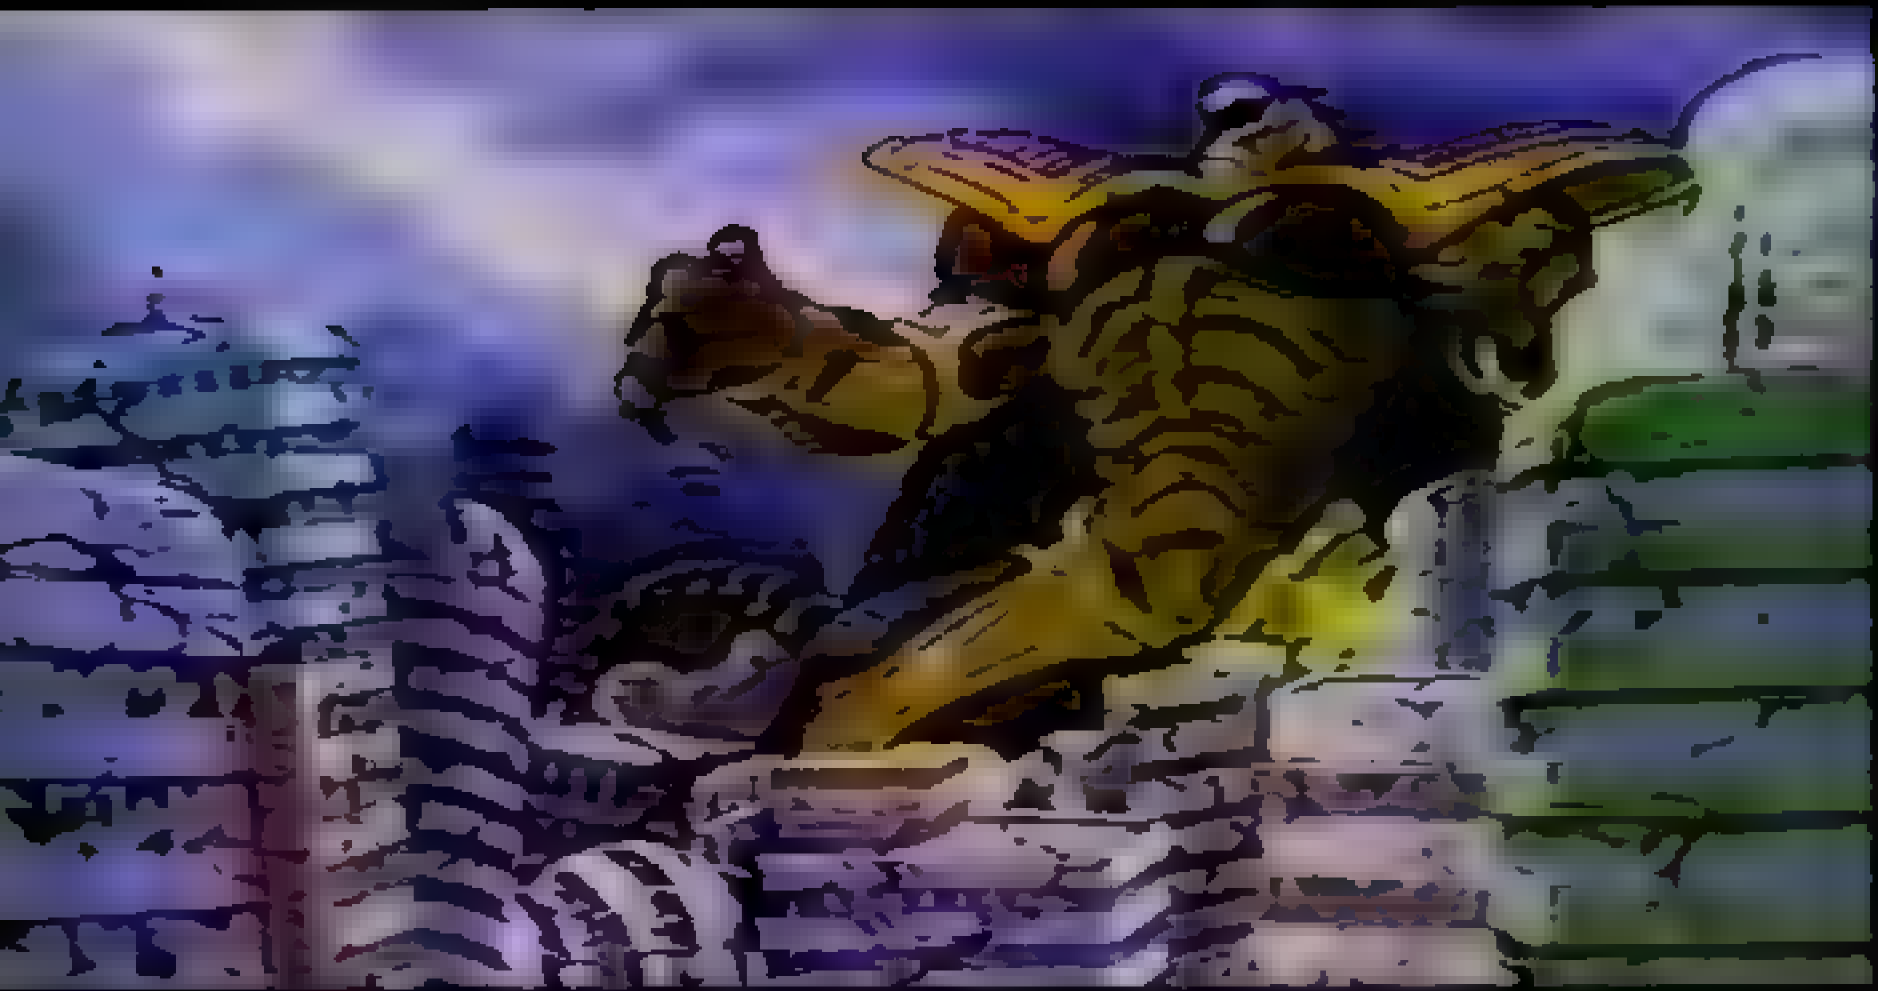

Bee...del...

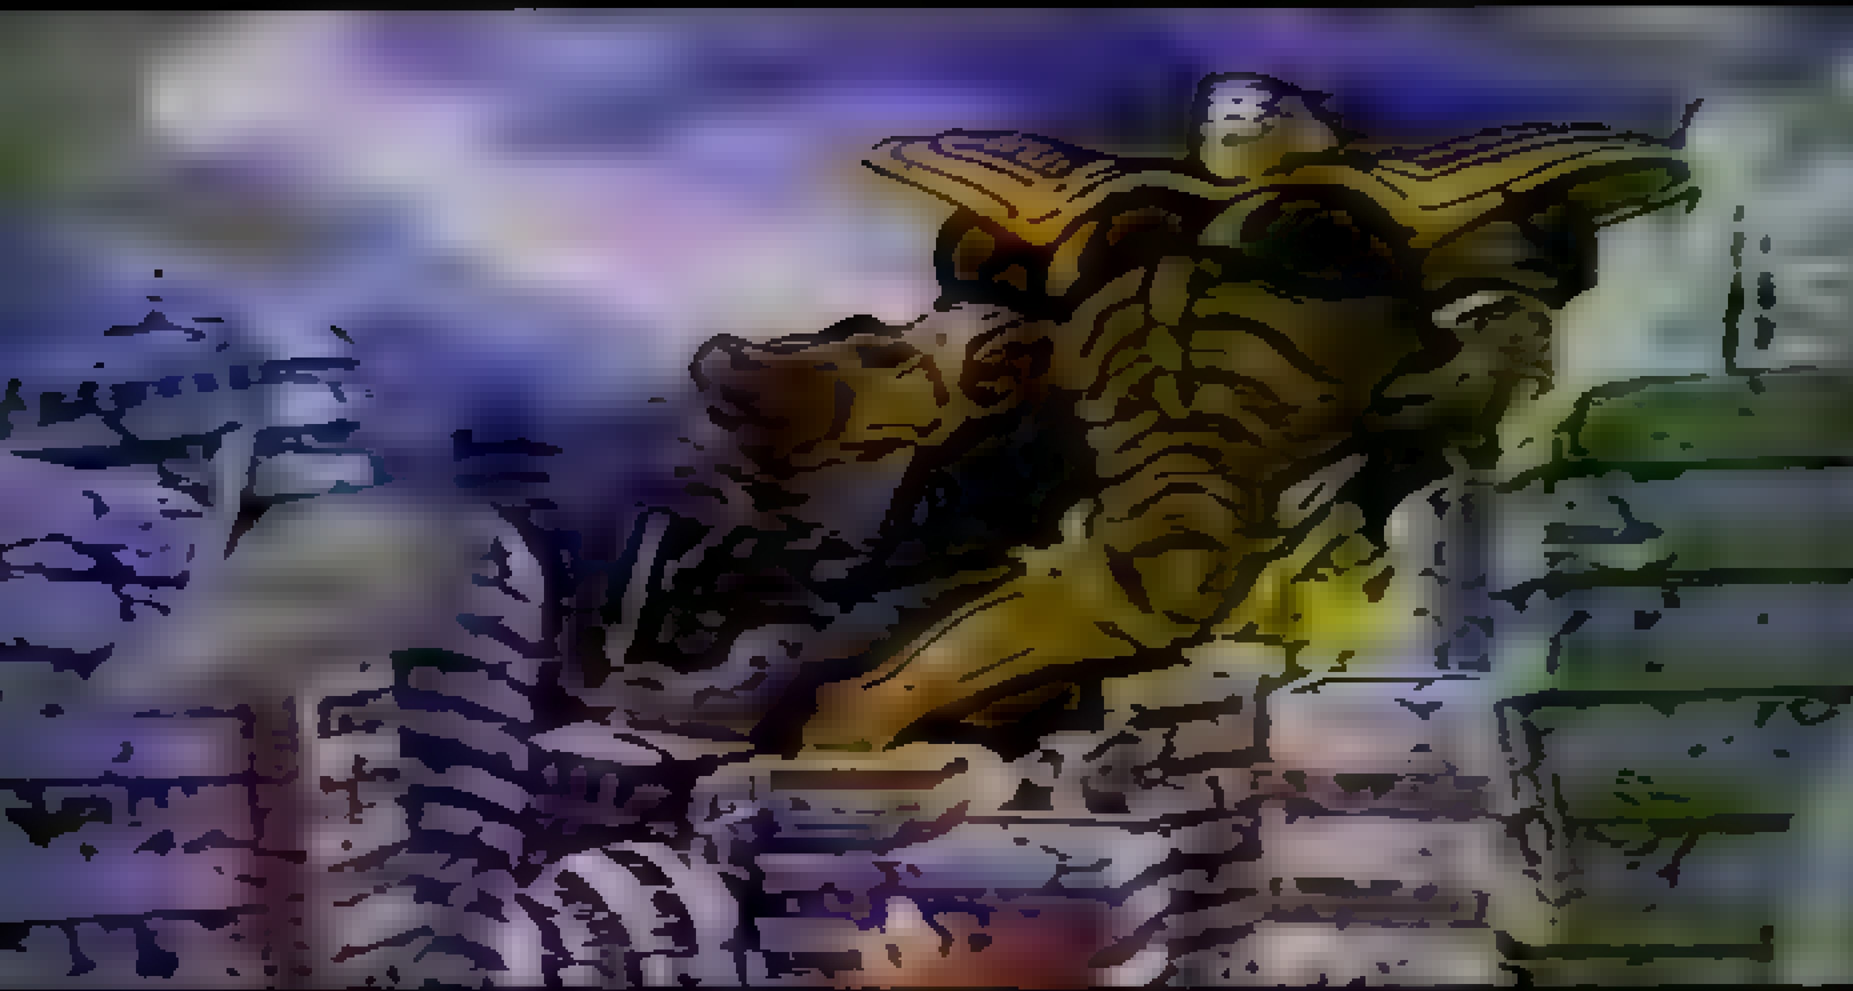

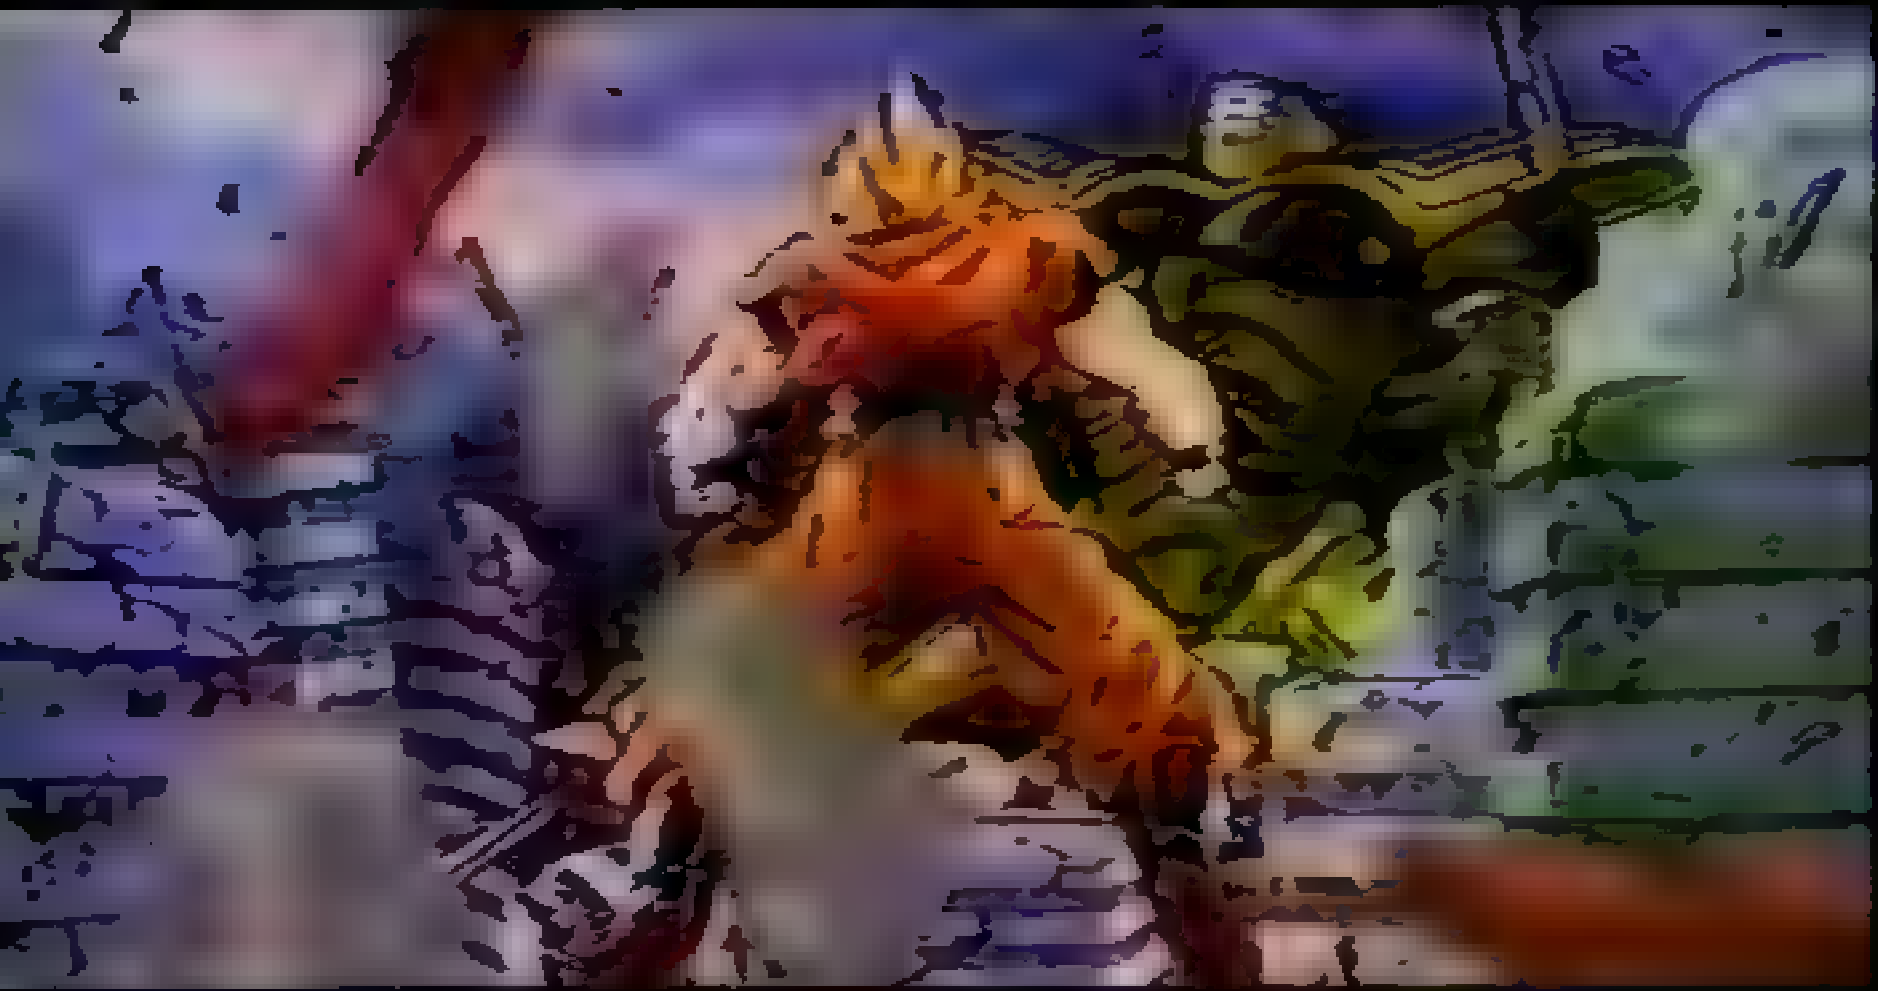

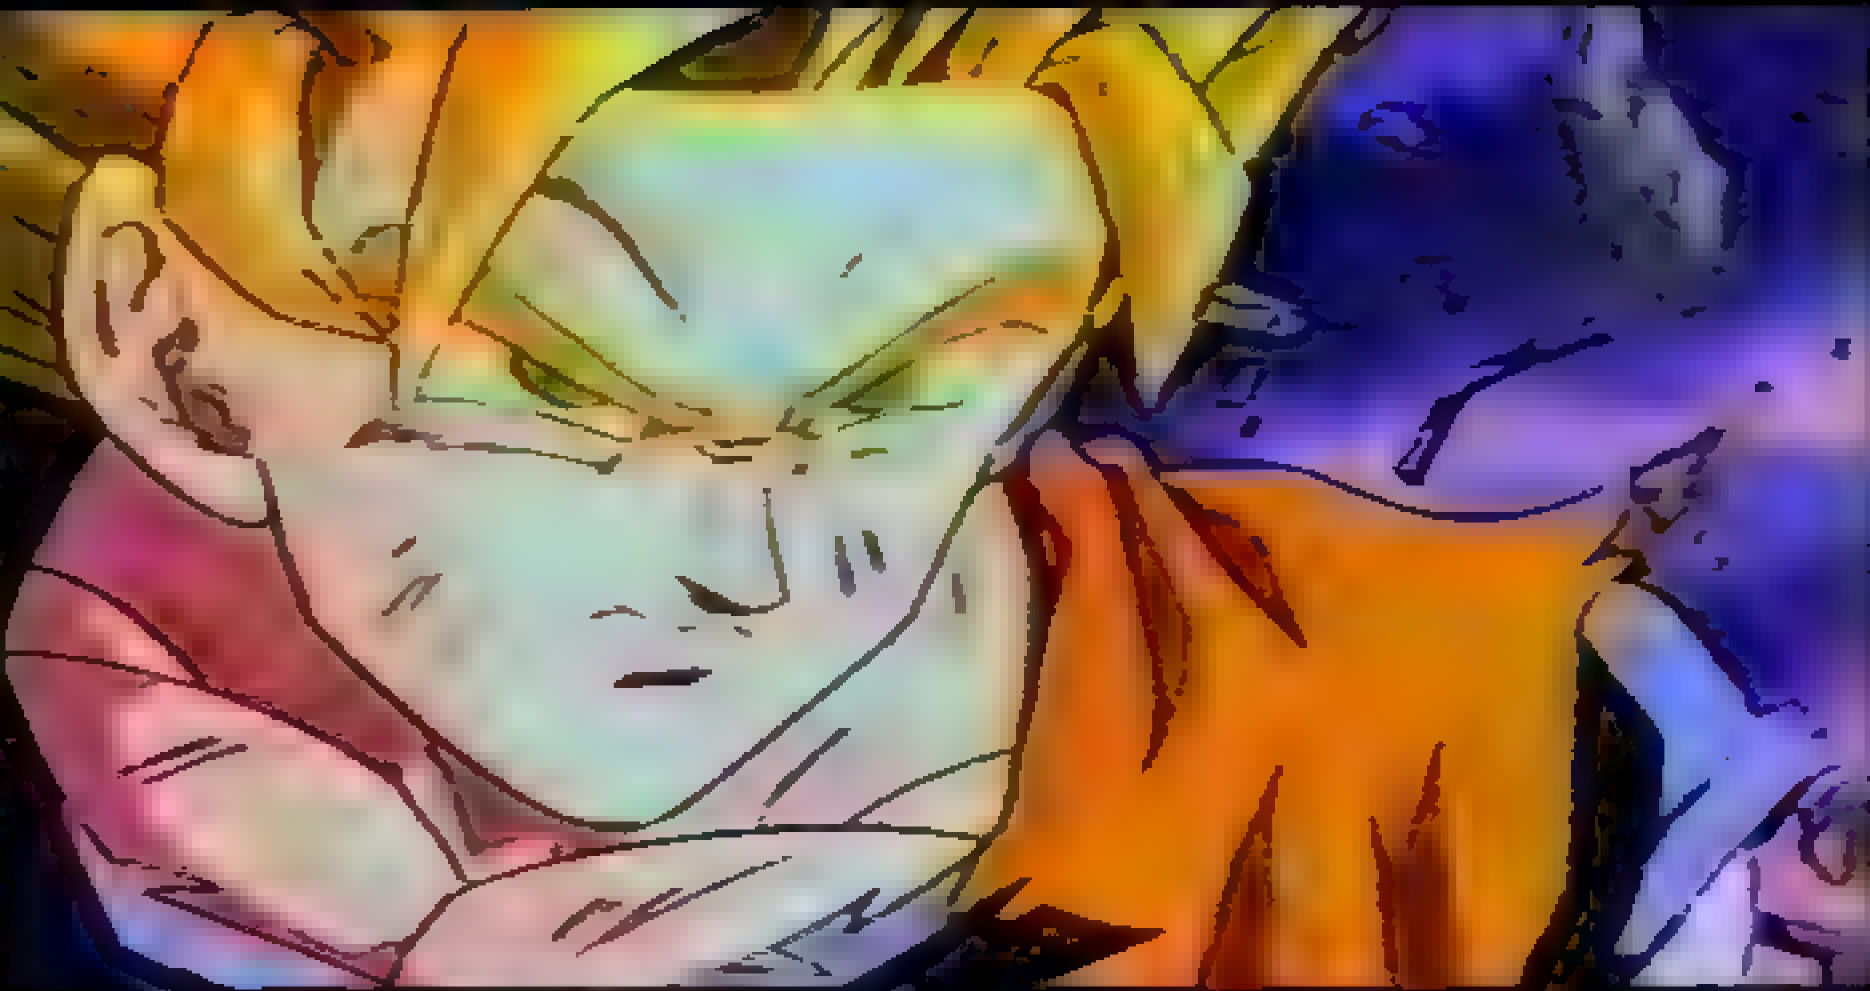

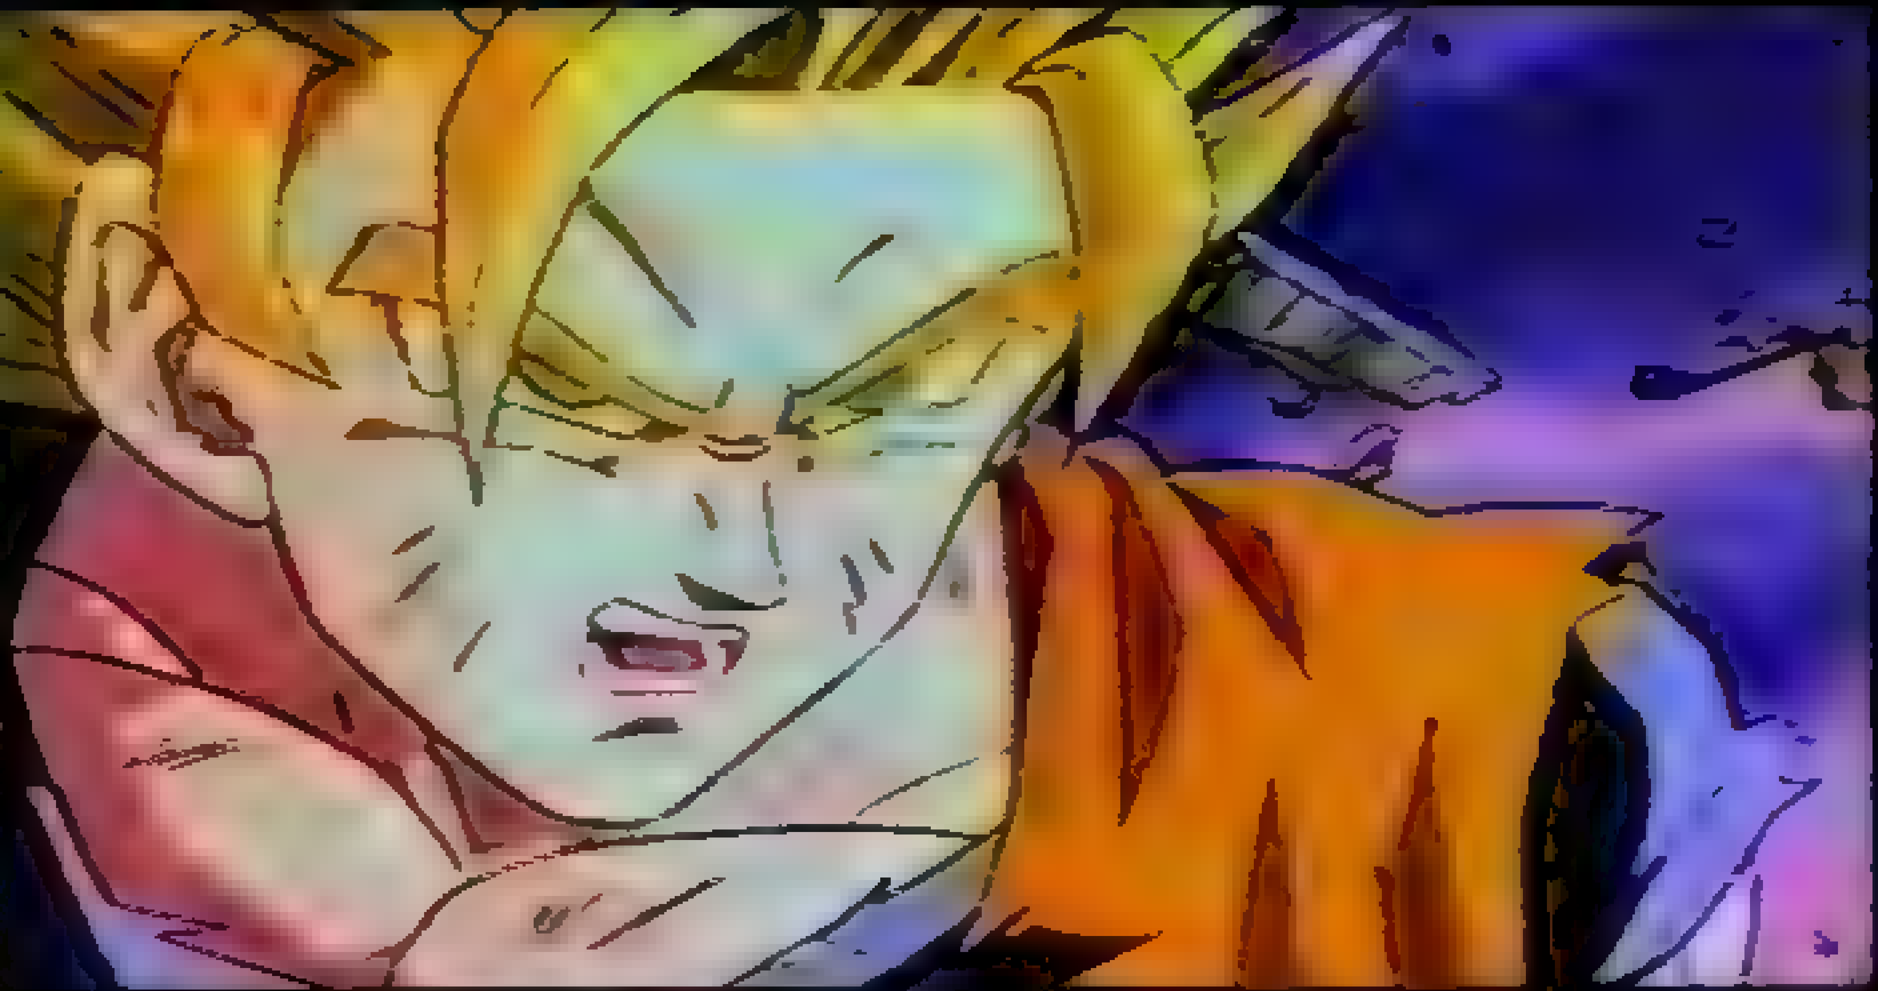

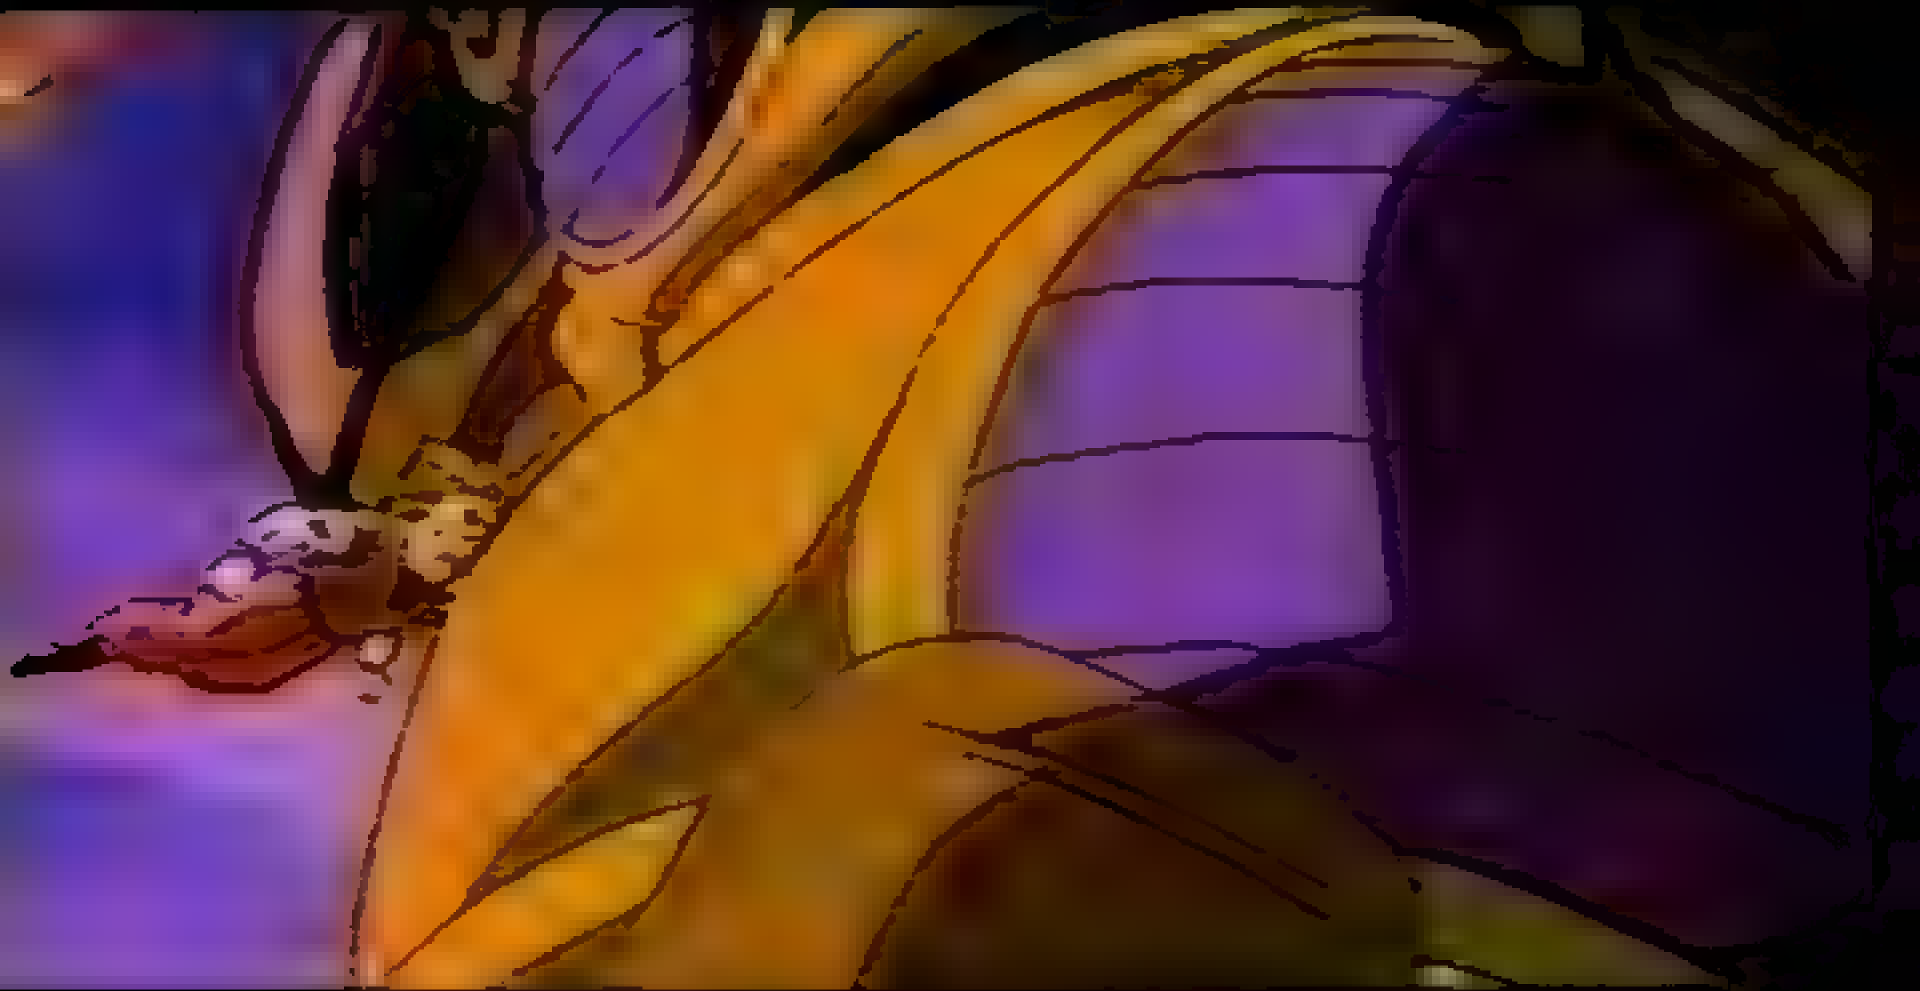

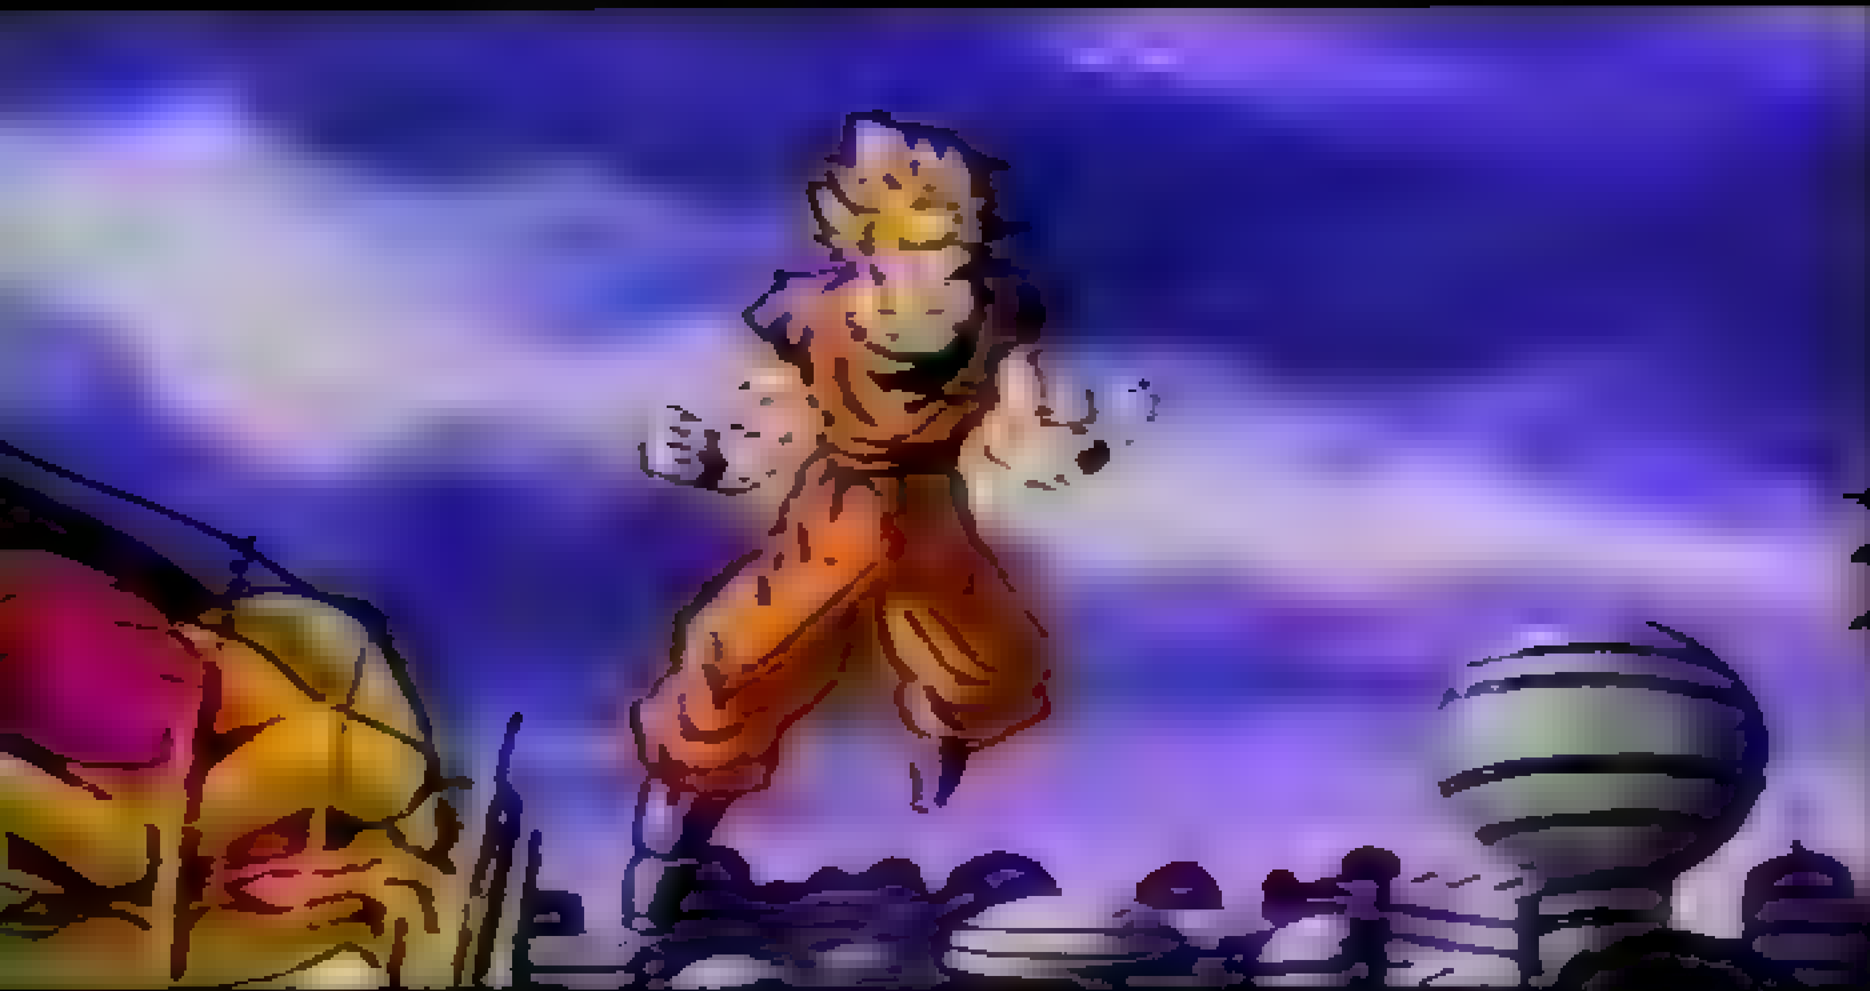

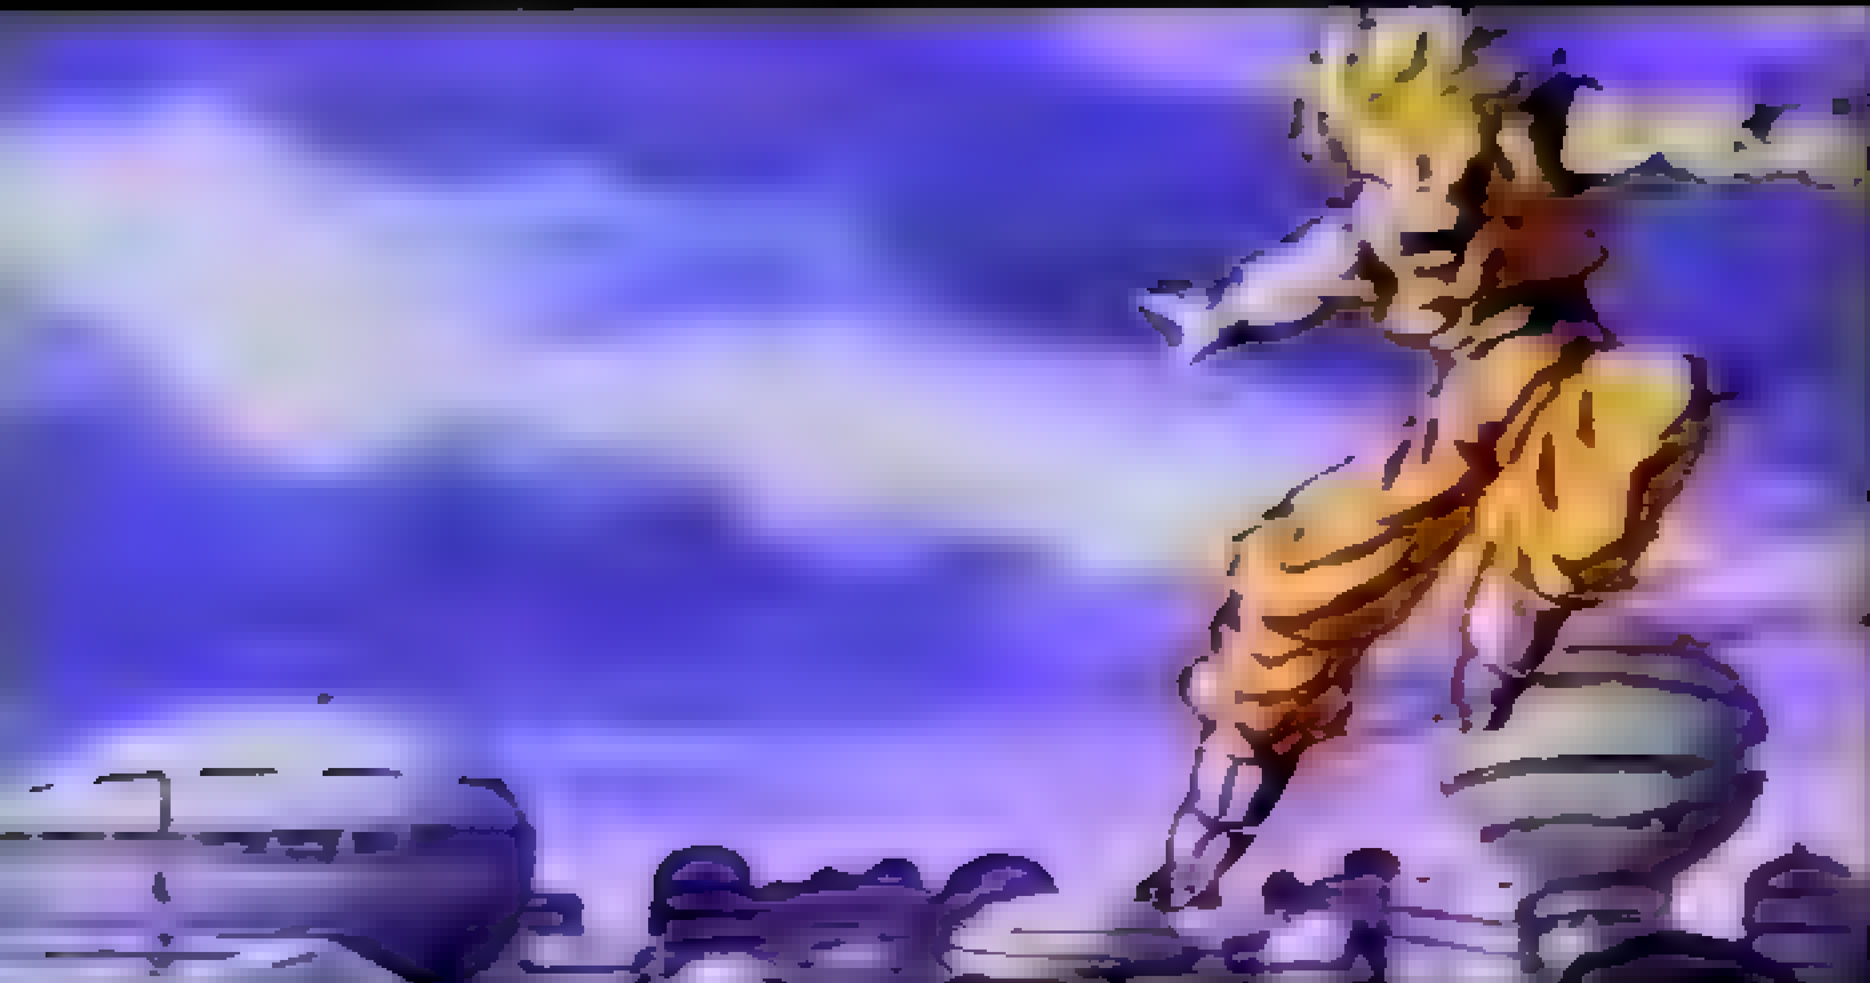

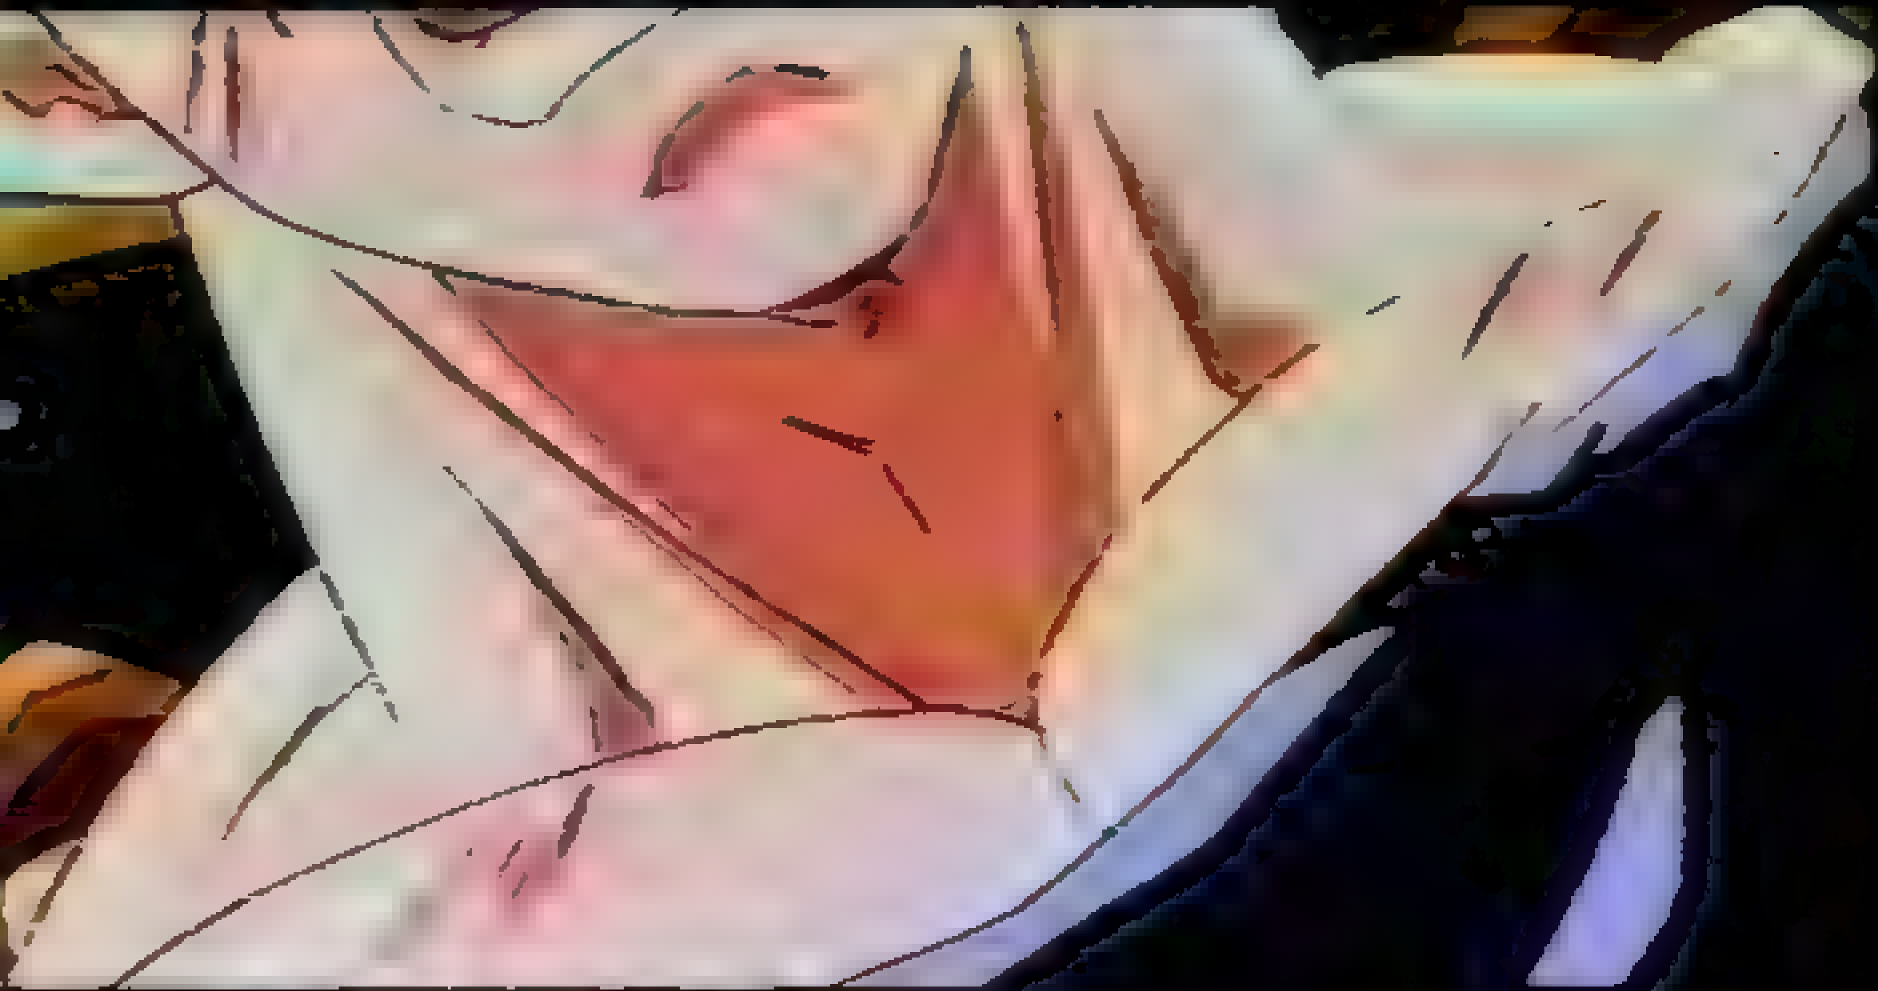

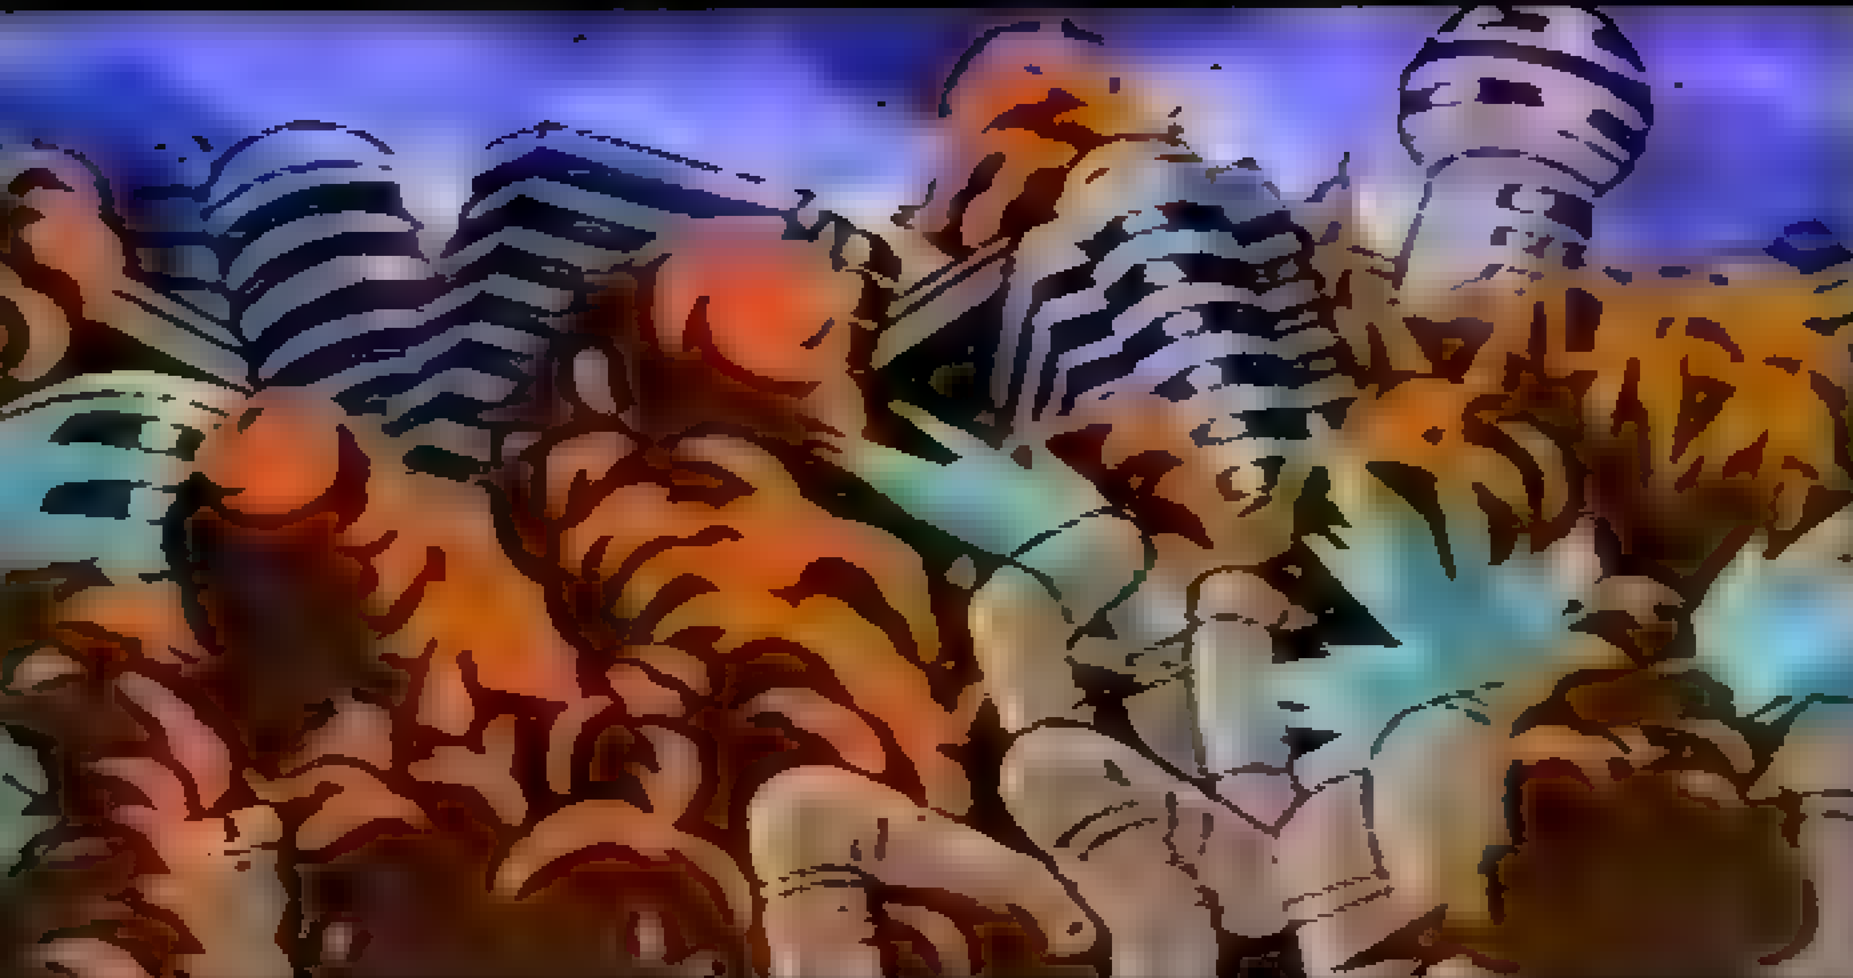

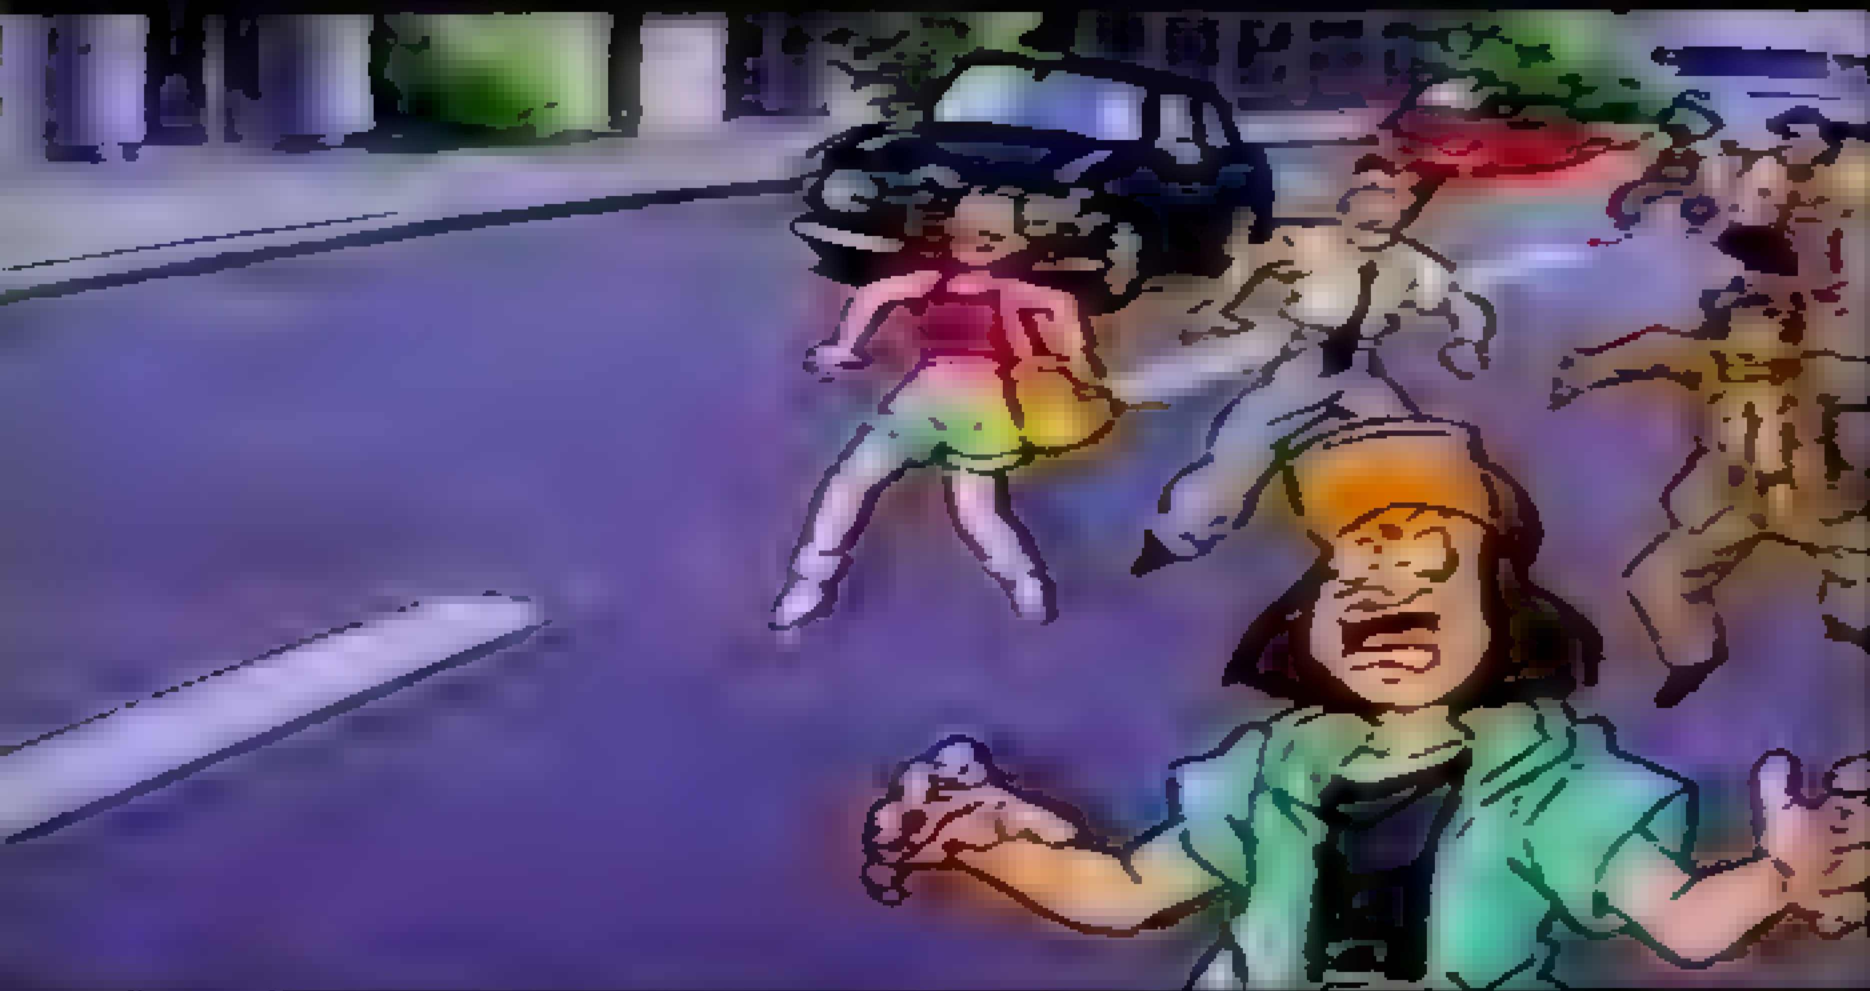

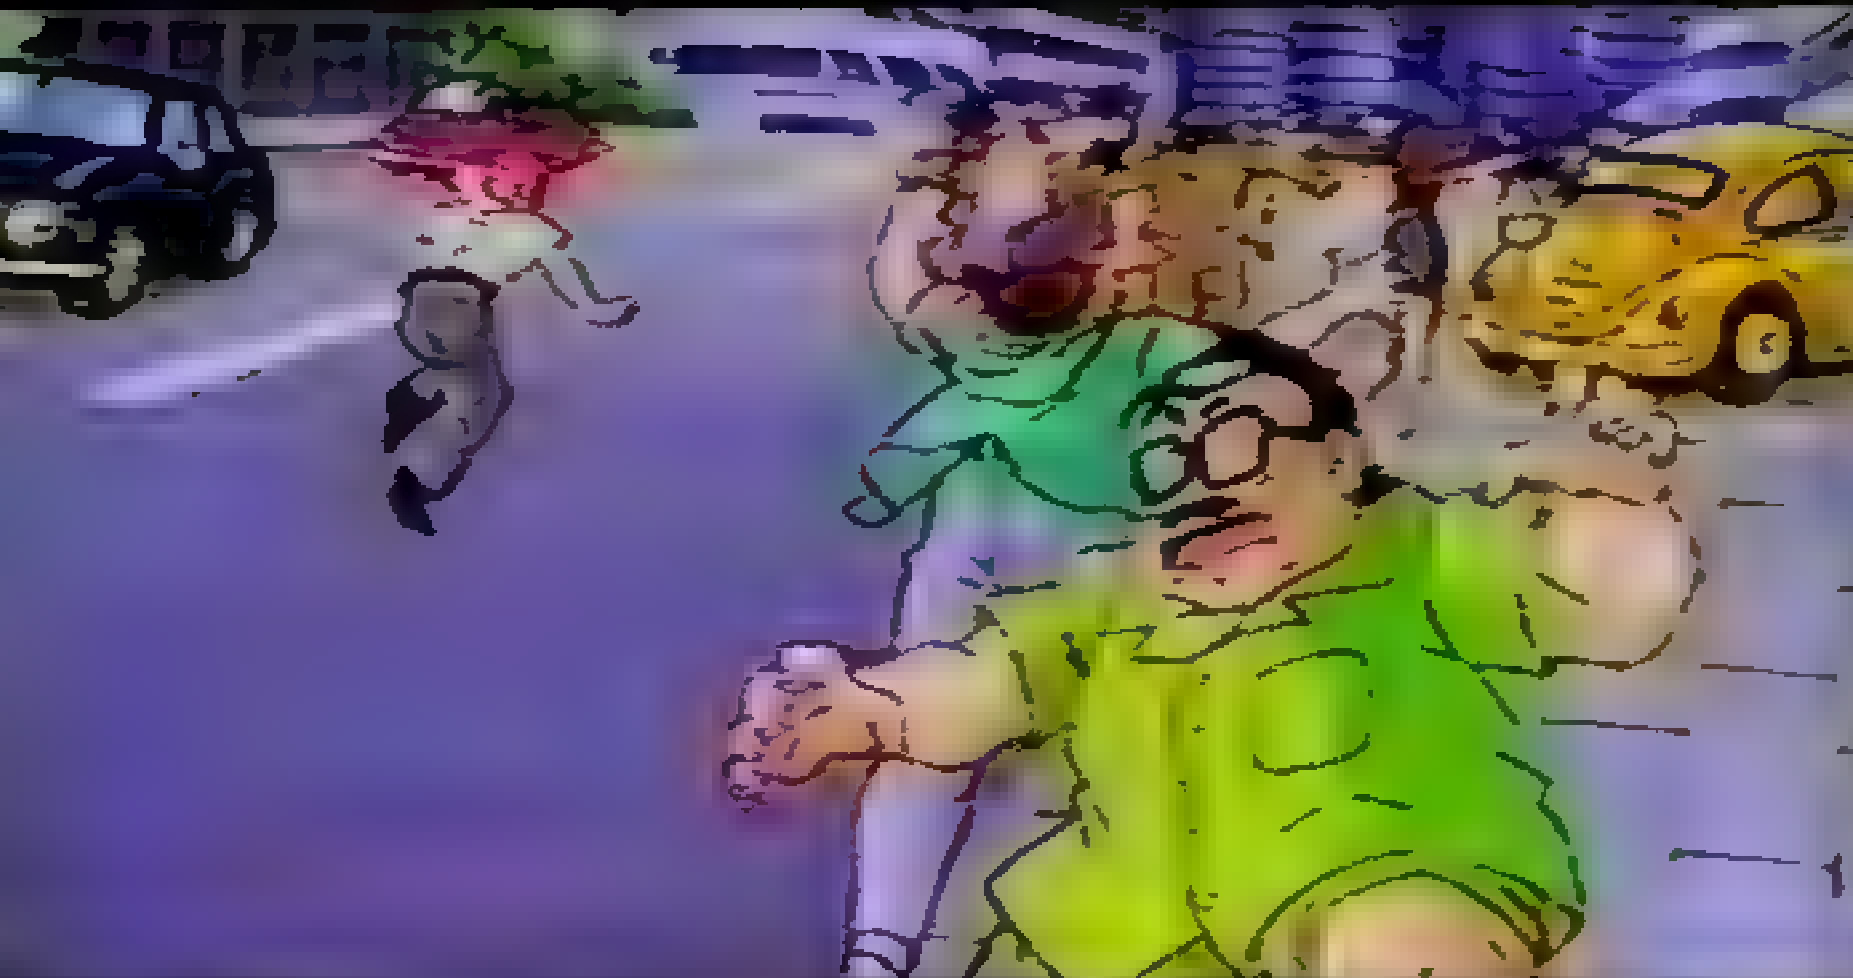

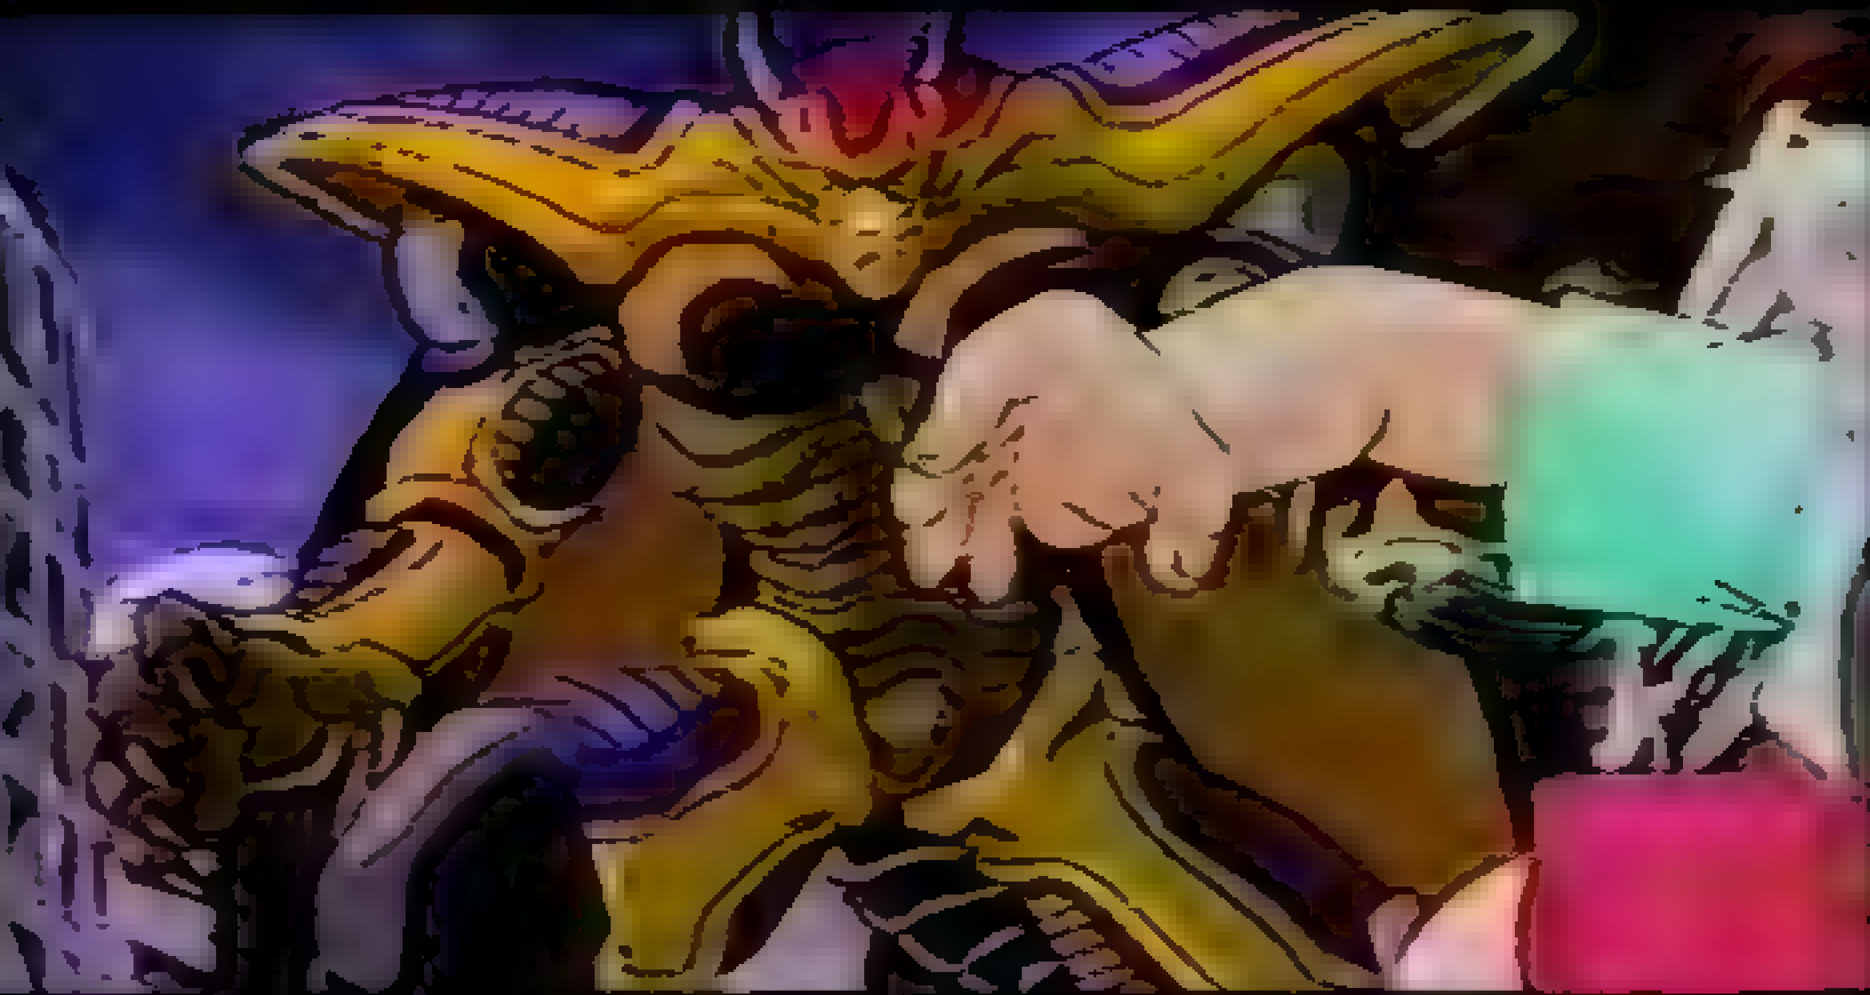

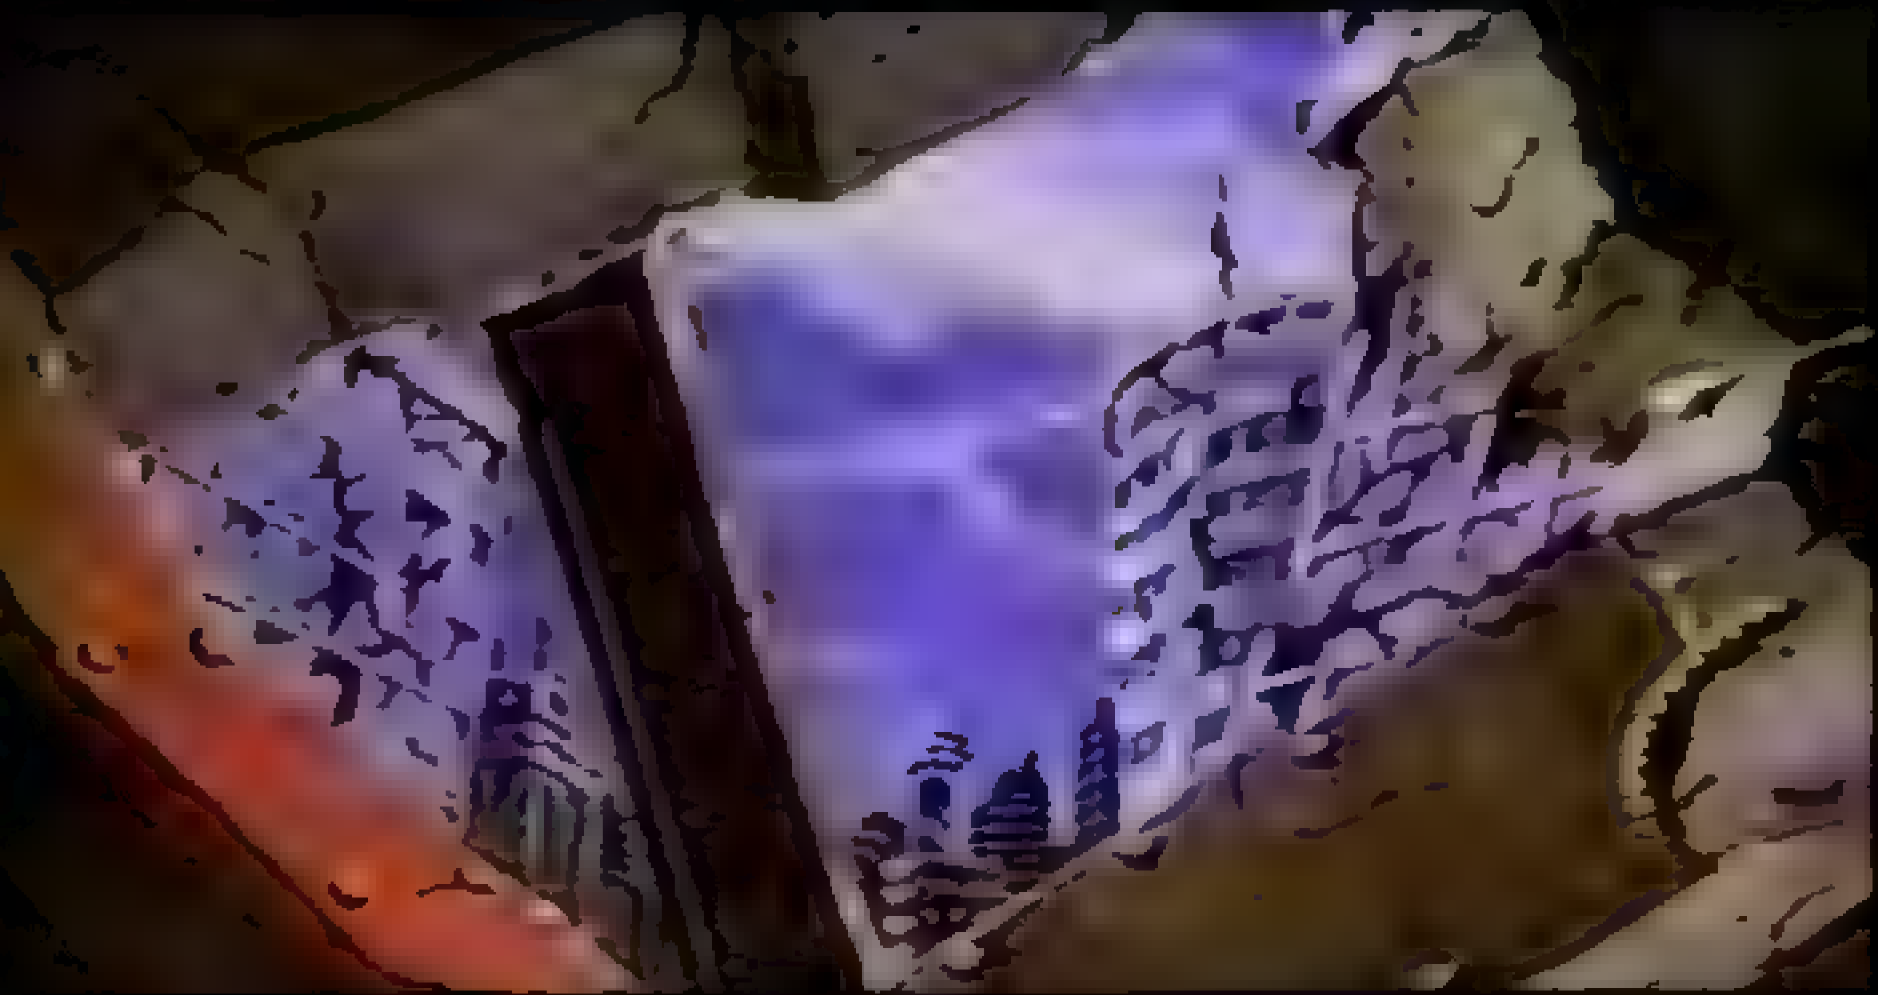

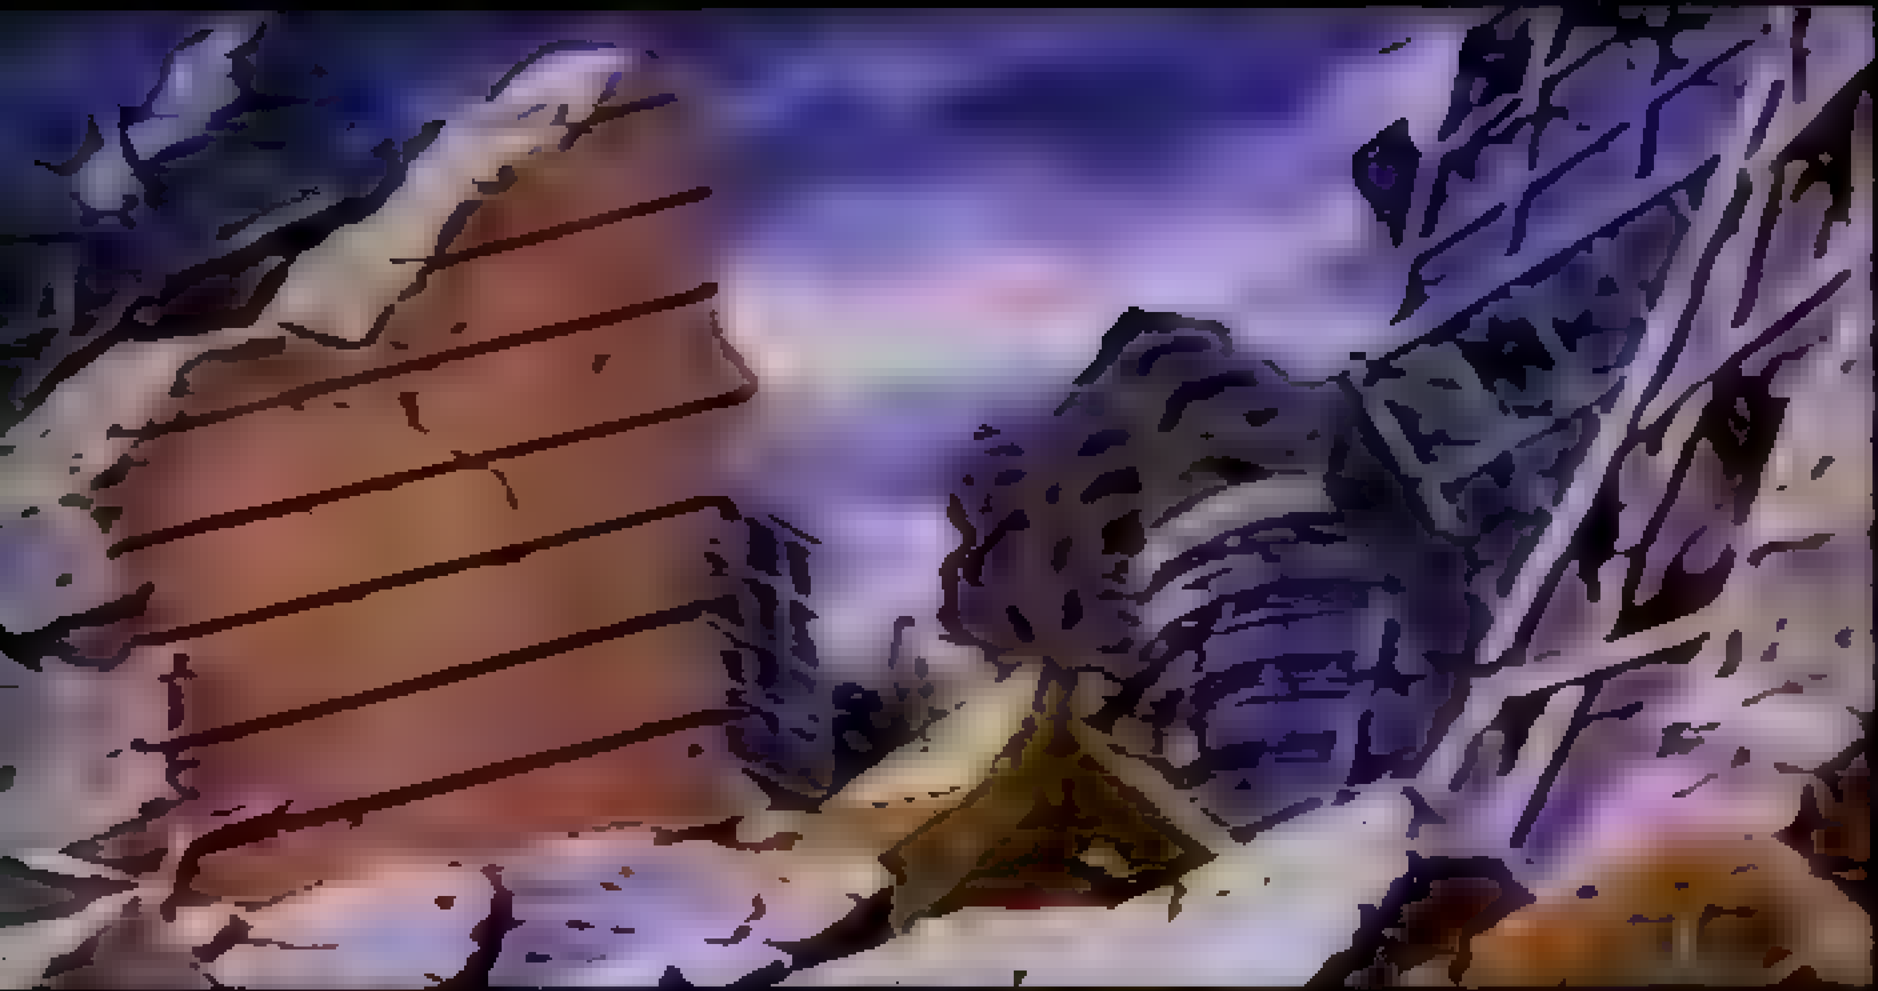

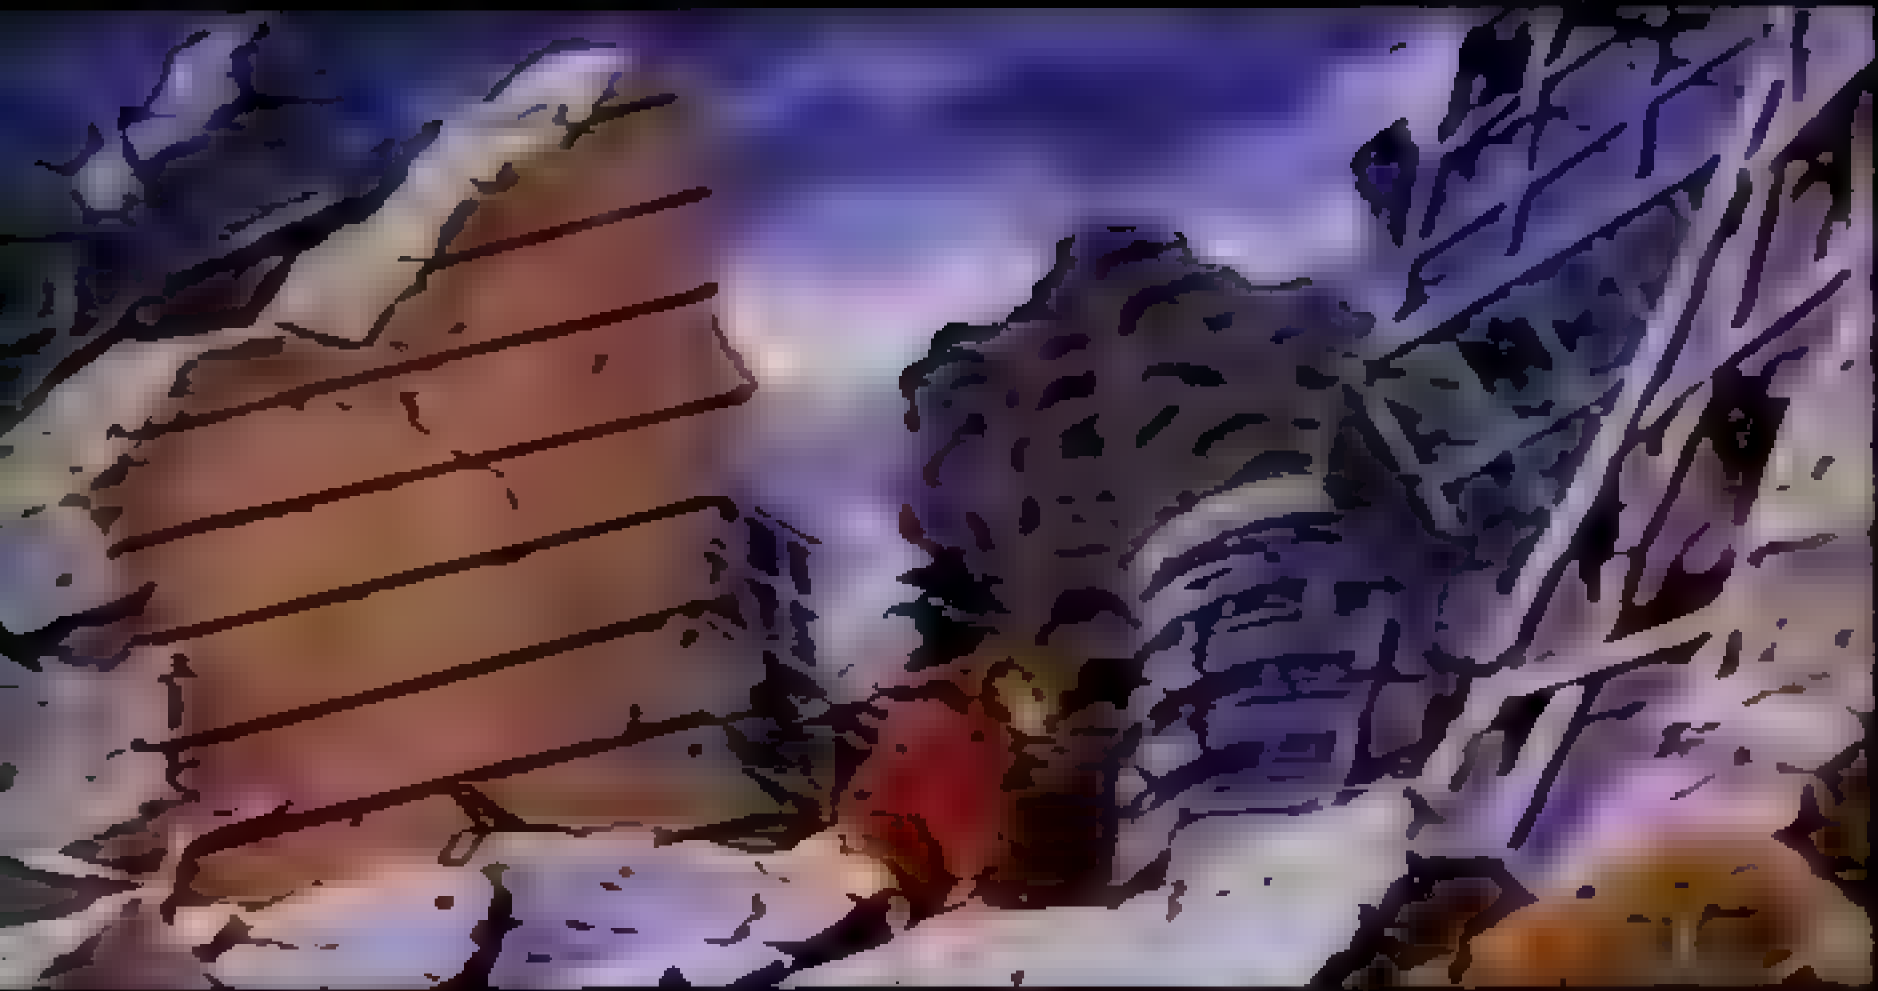

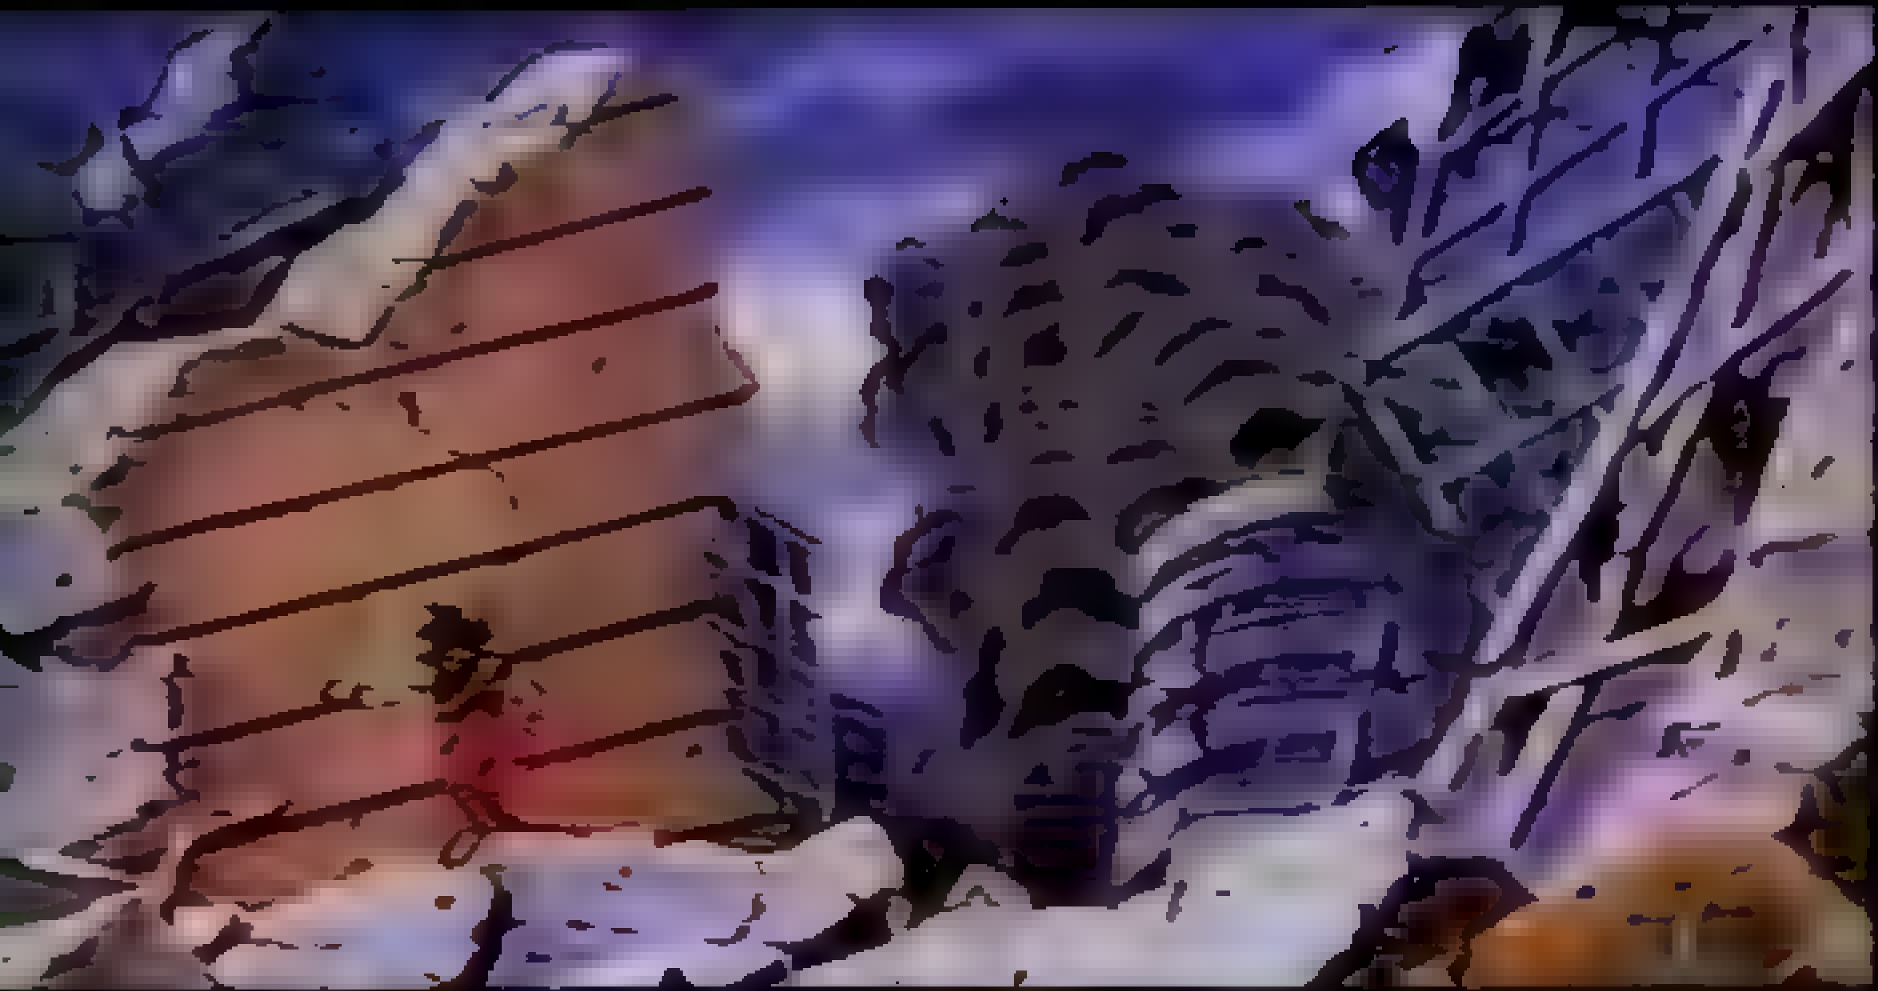

He wasn't damaged at all...

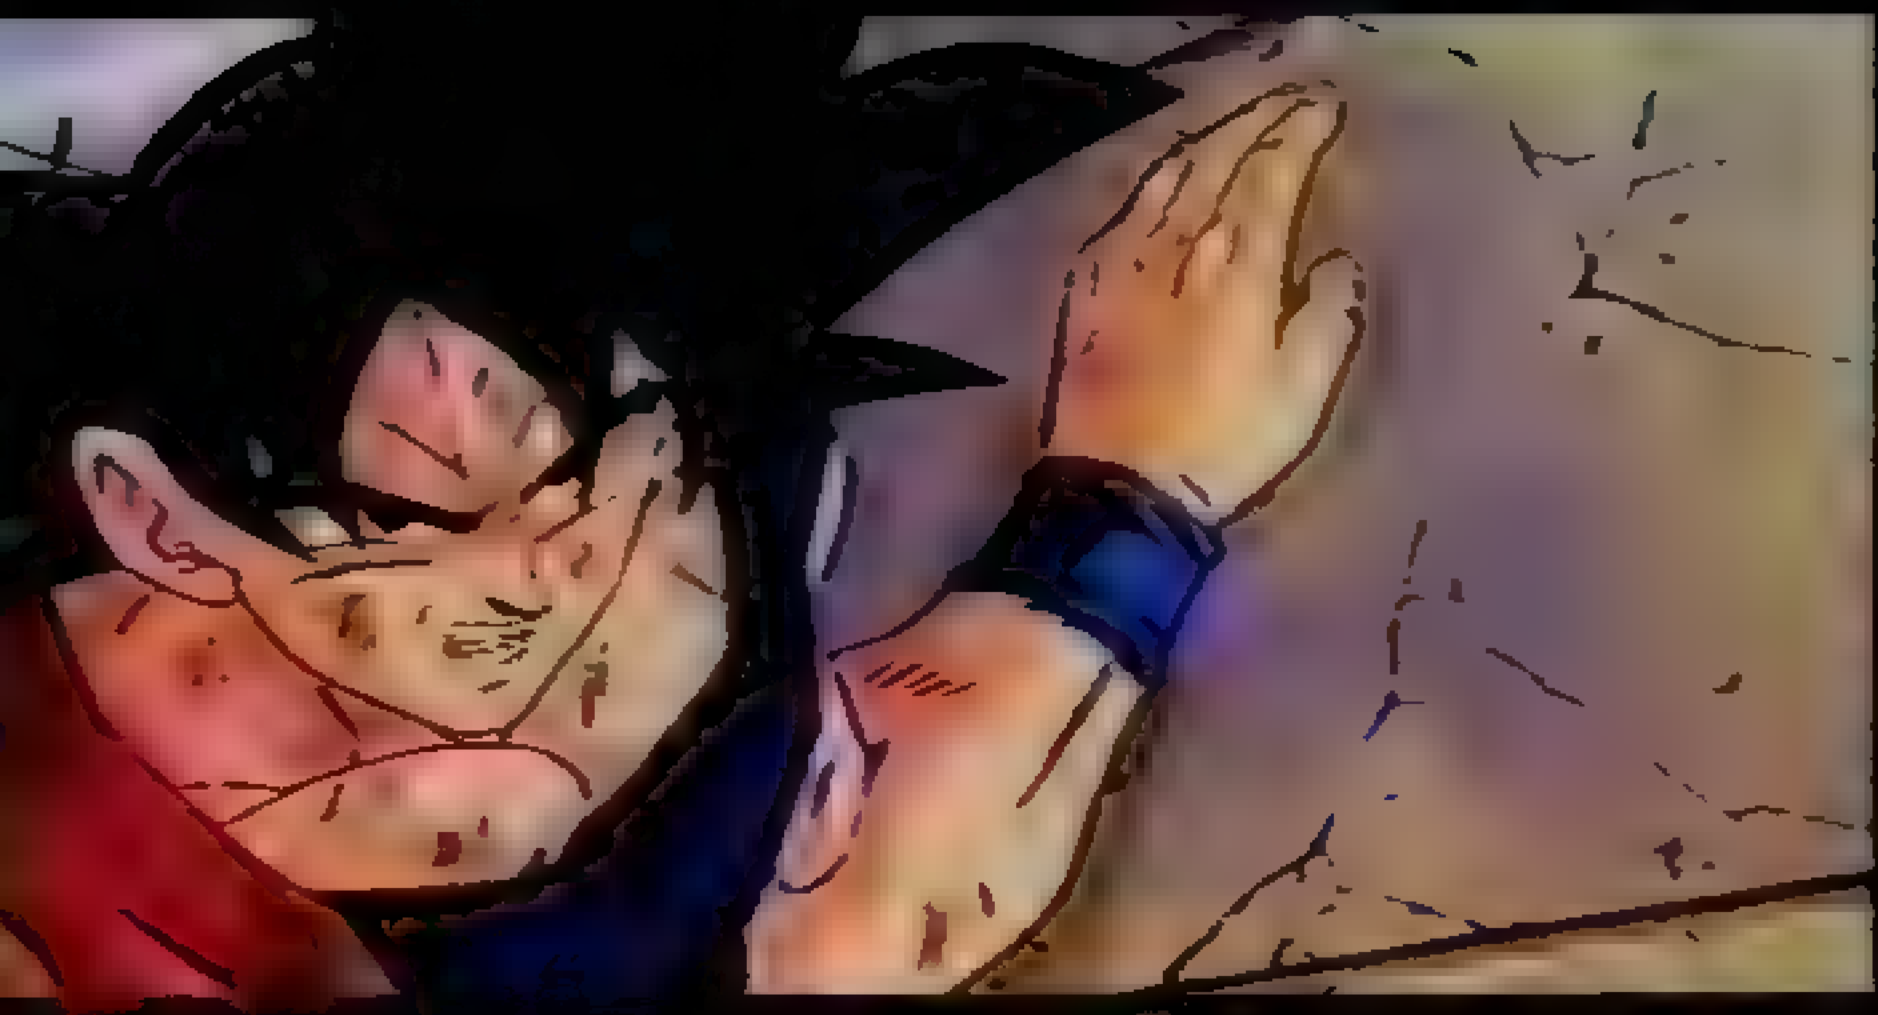

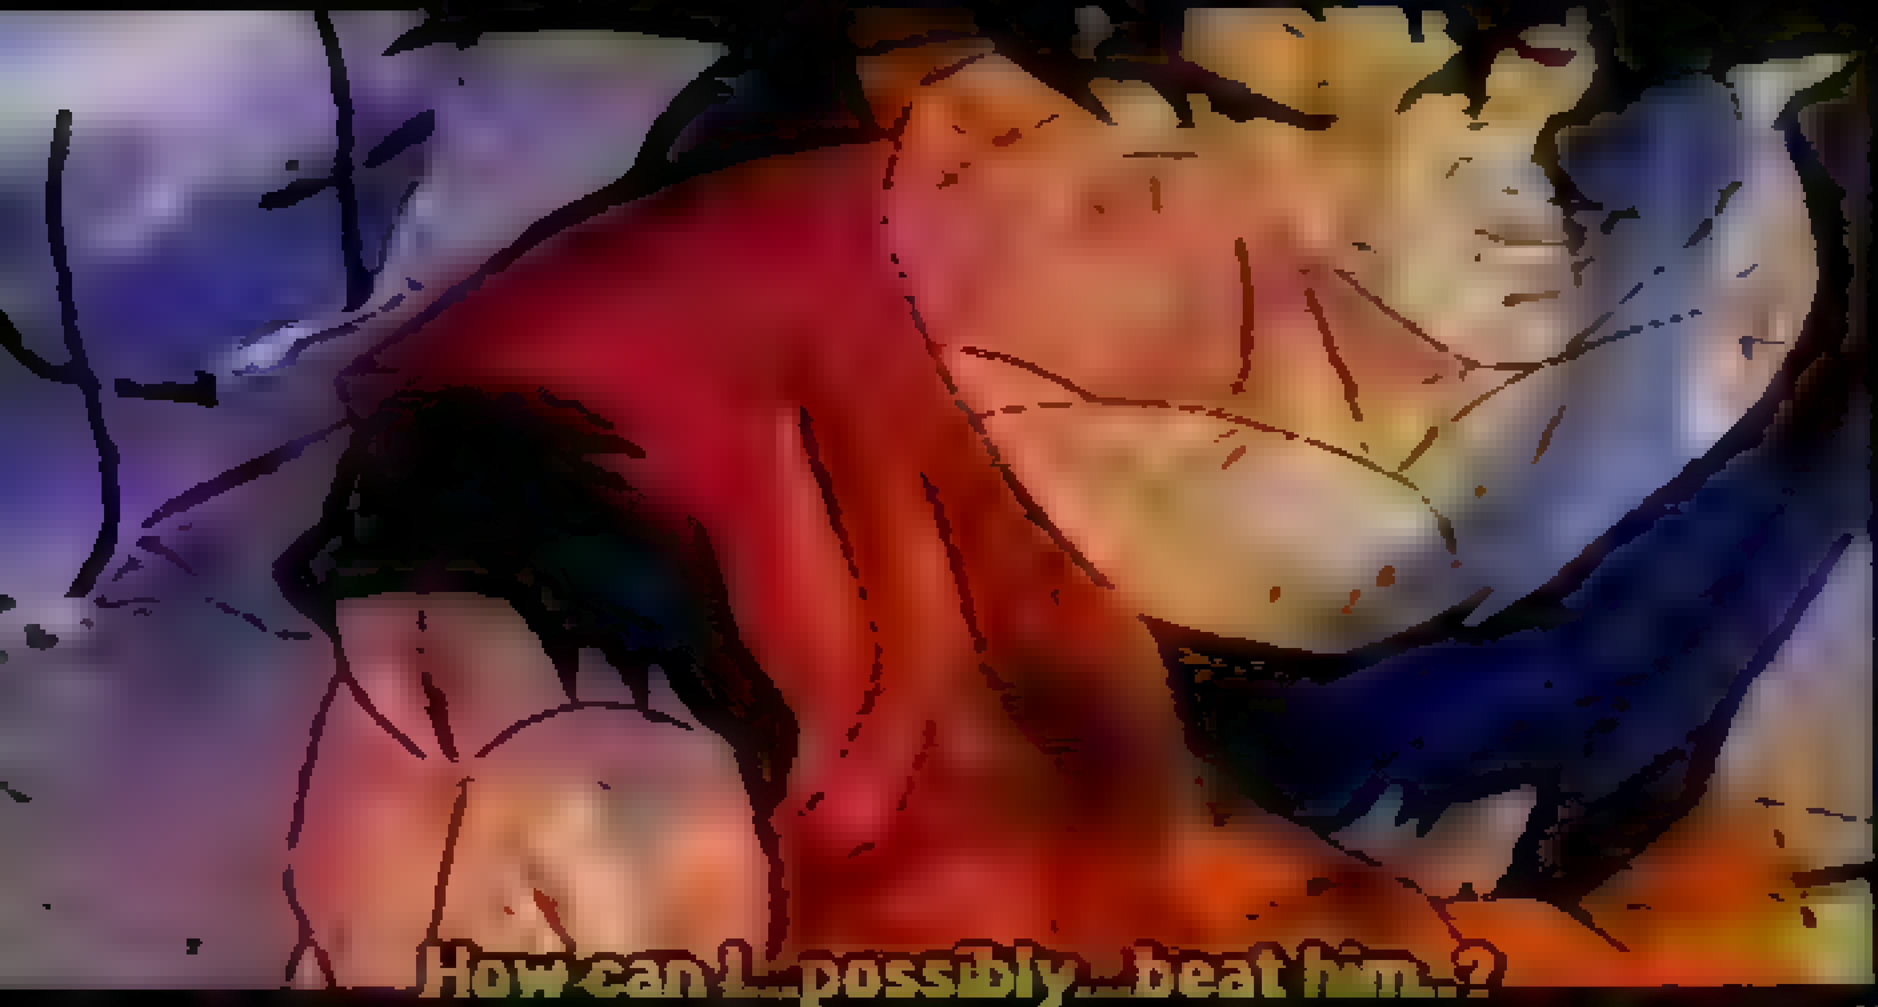

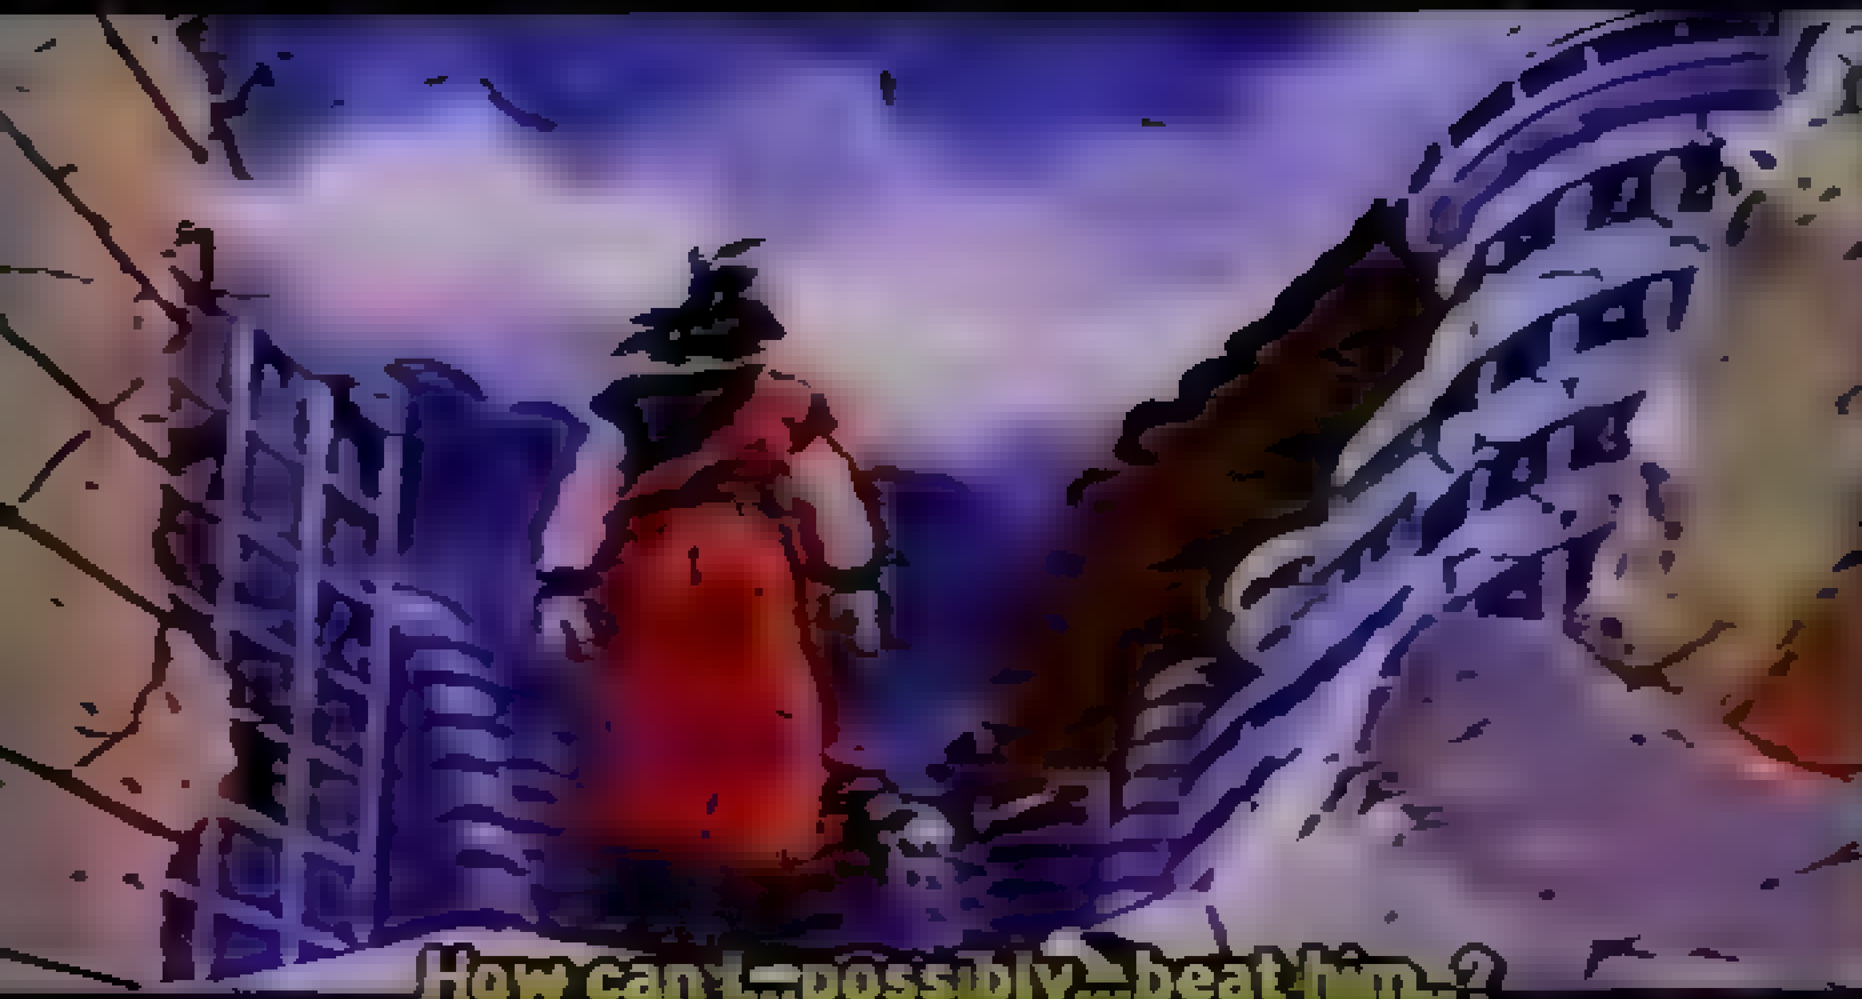

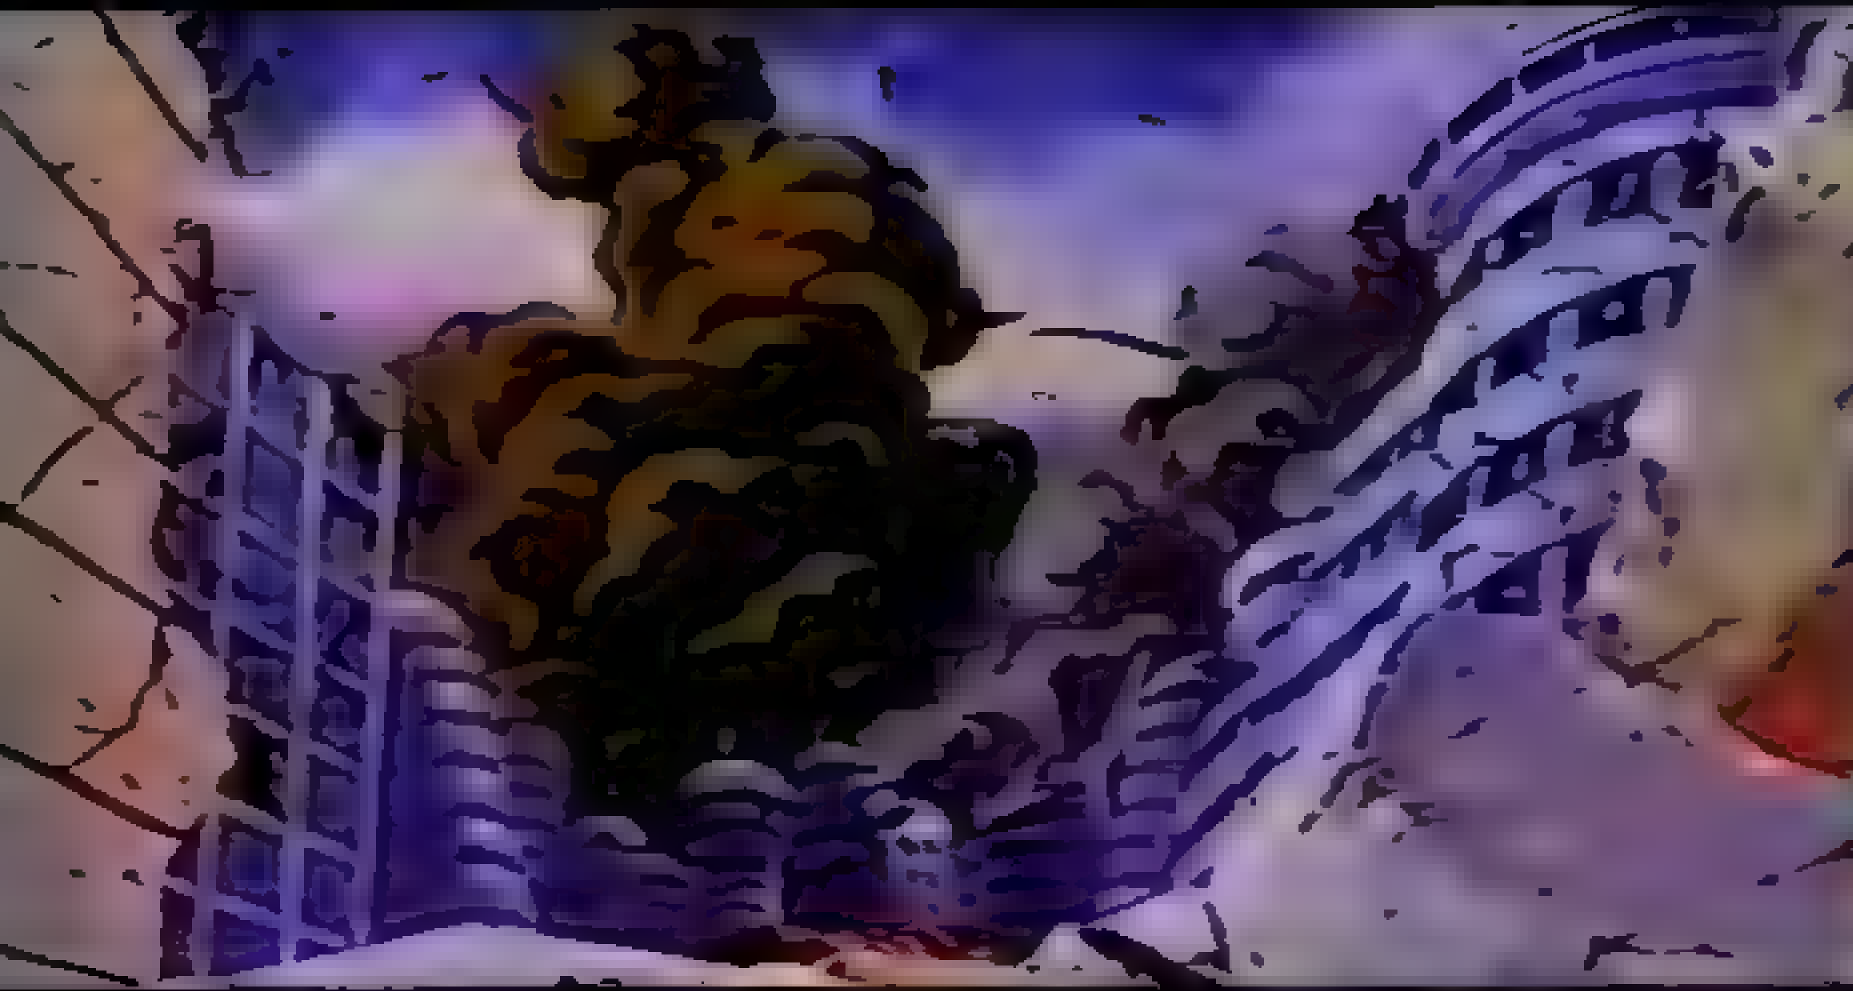

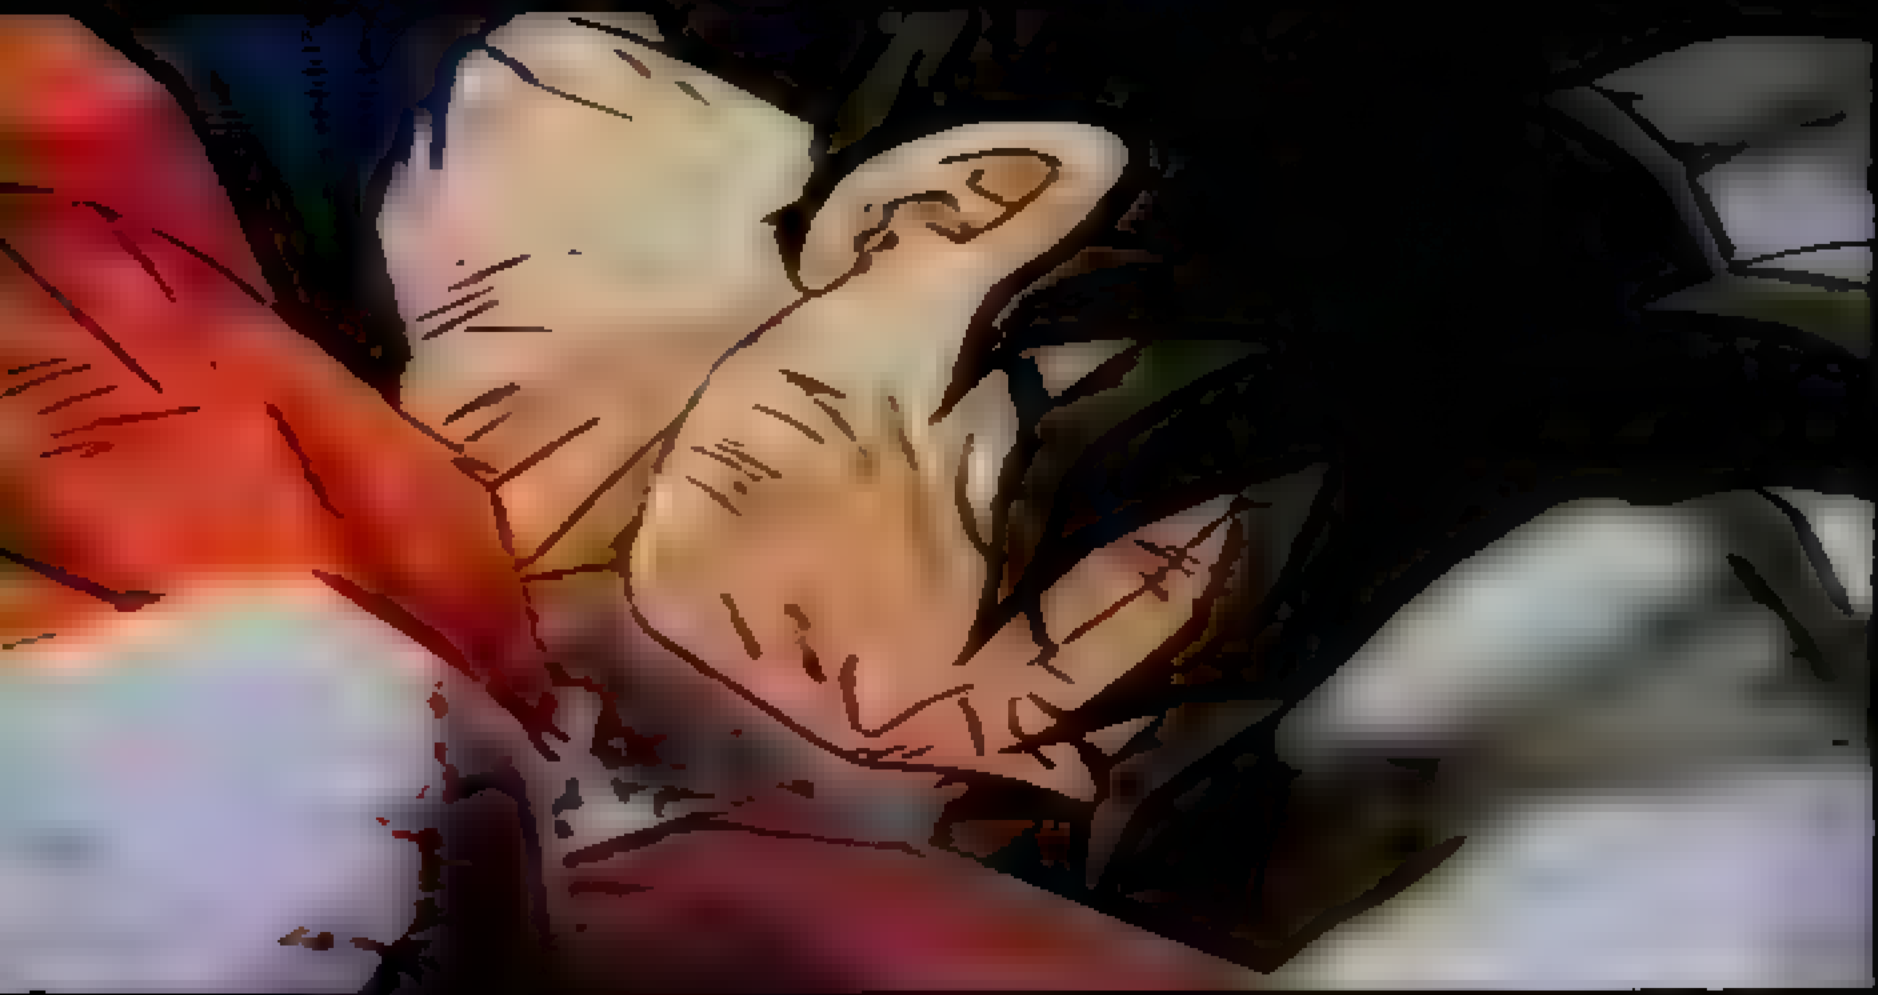

How can I...possibly...beat him..?

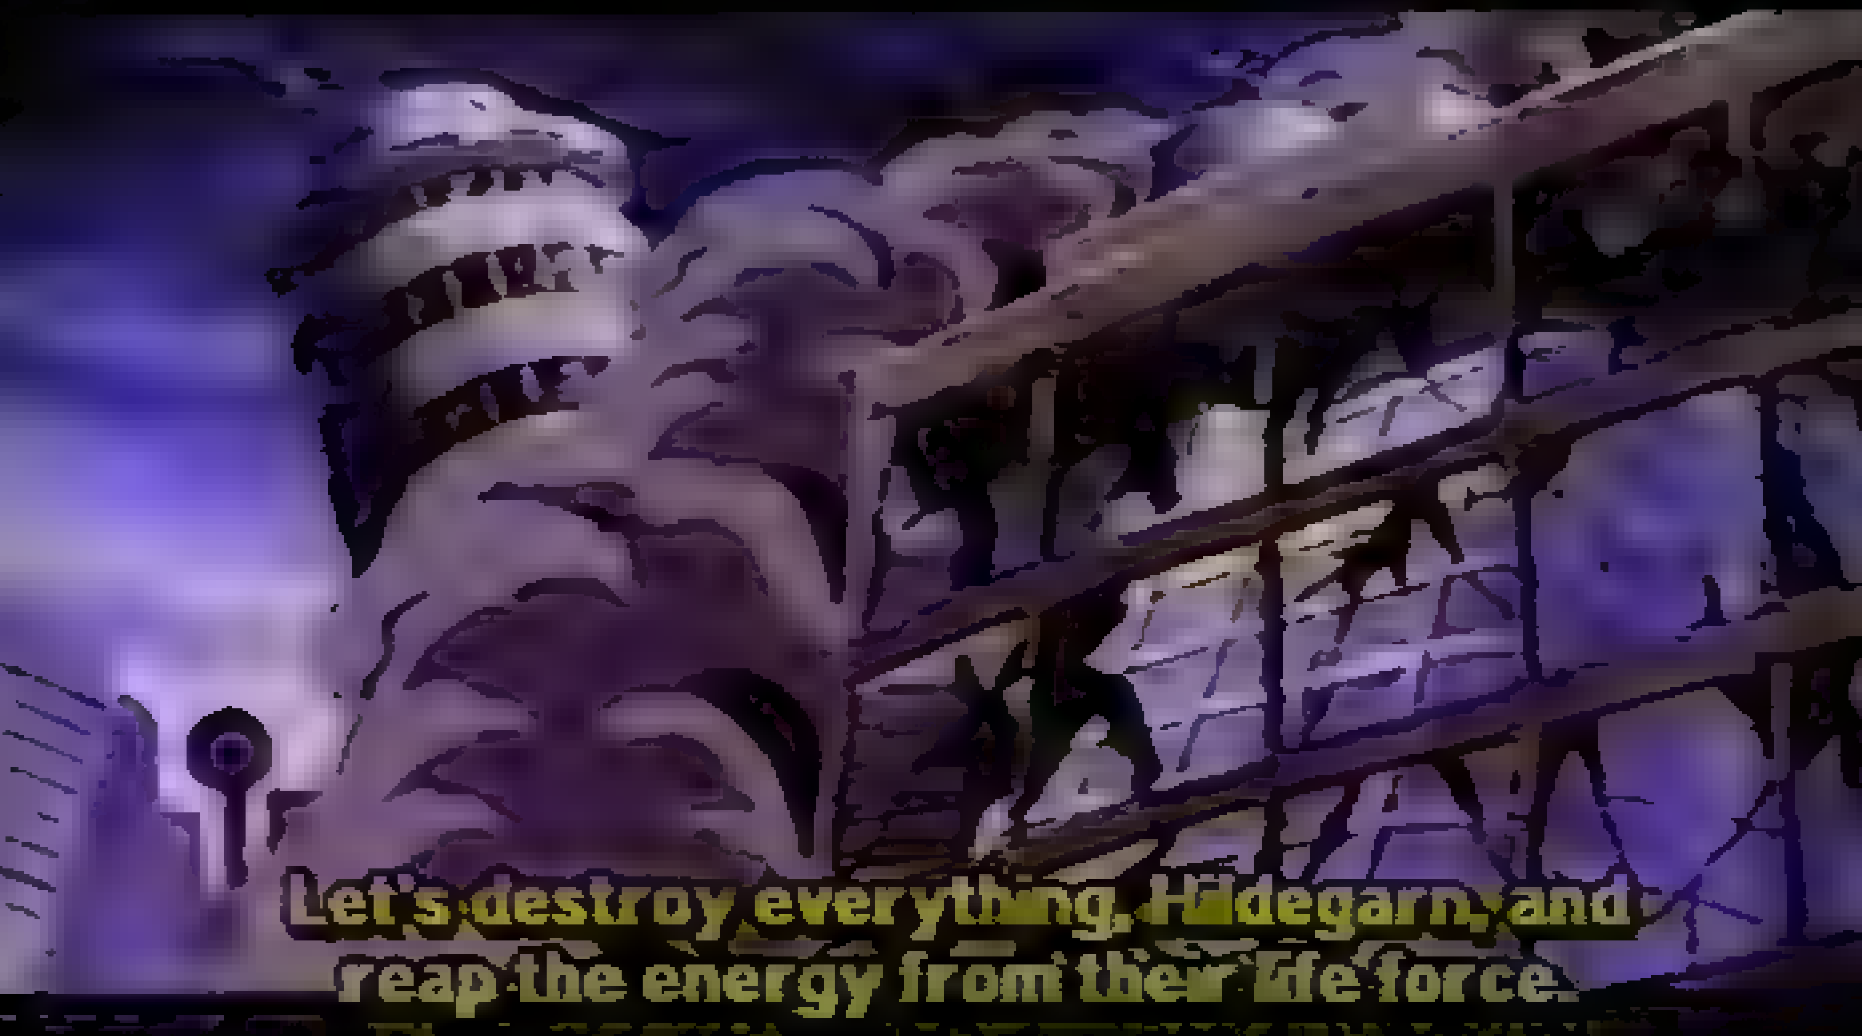

How can I...possibly...beat him...?

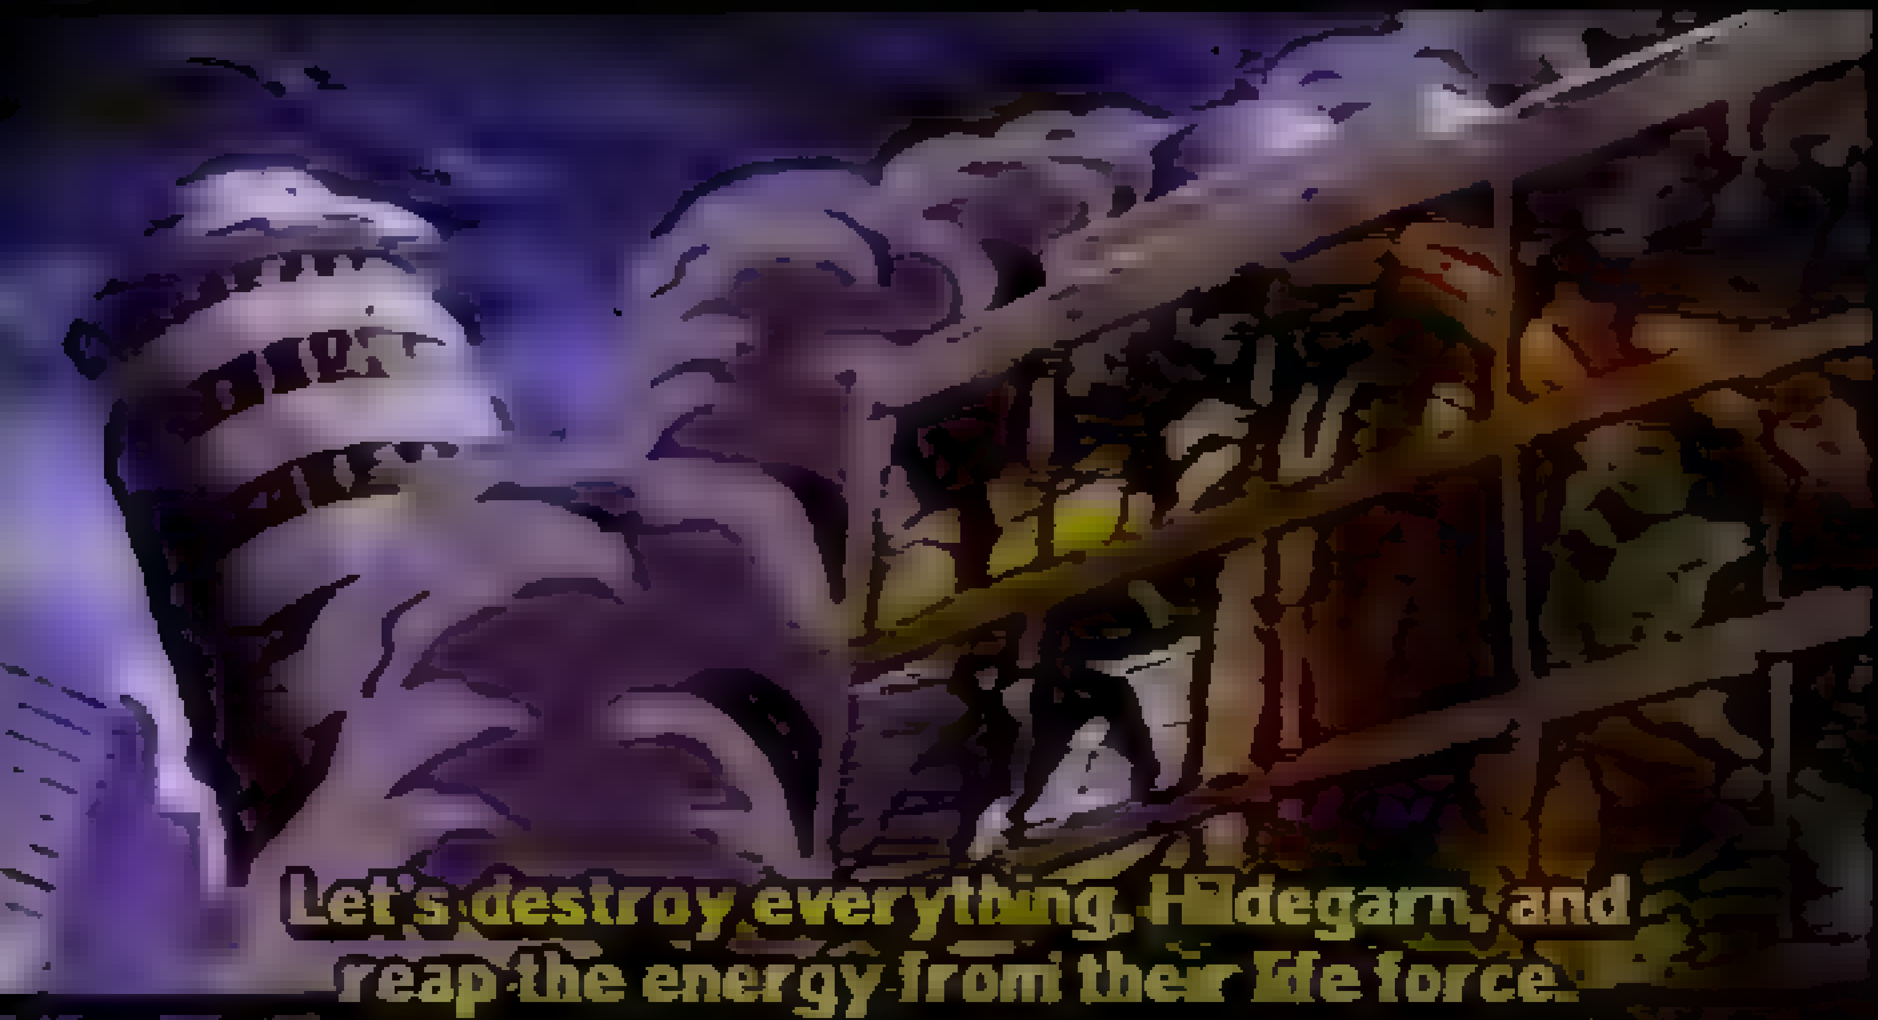

How can I...possibly...beat him...?

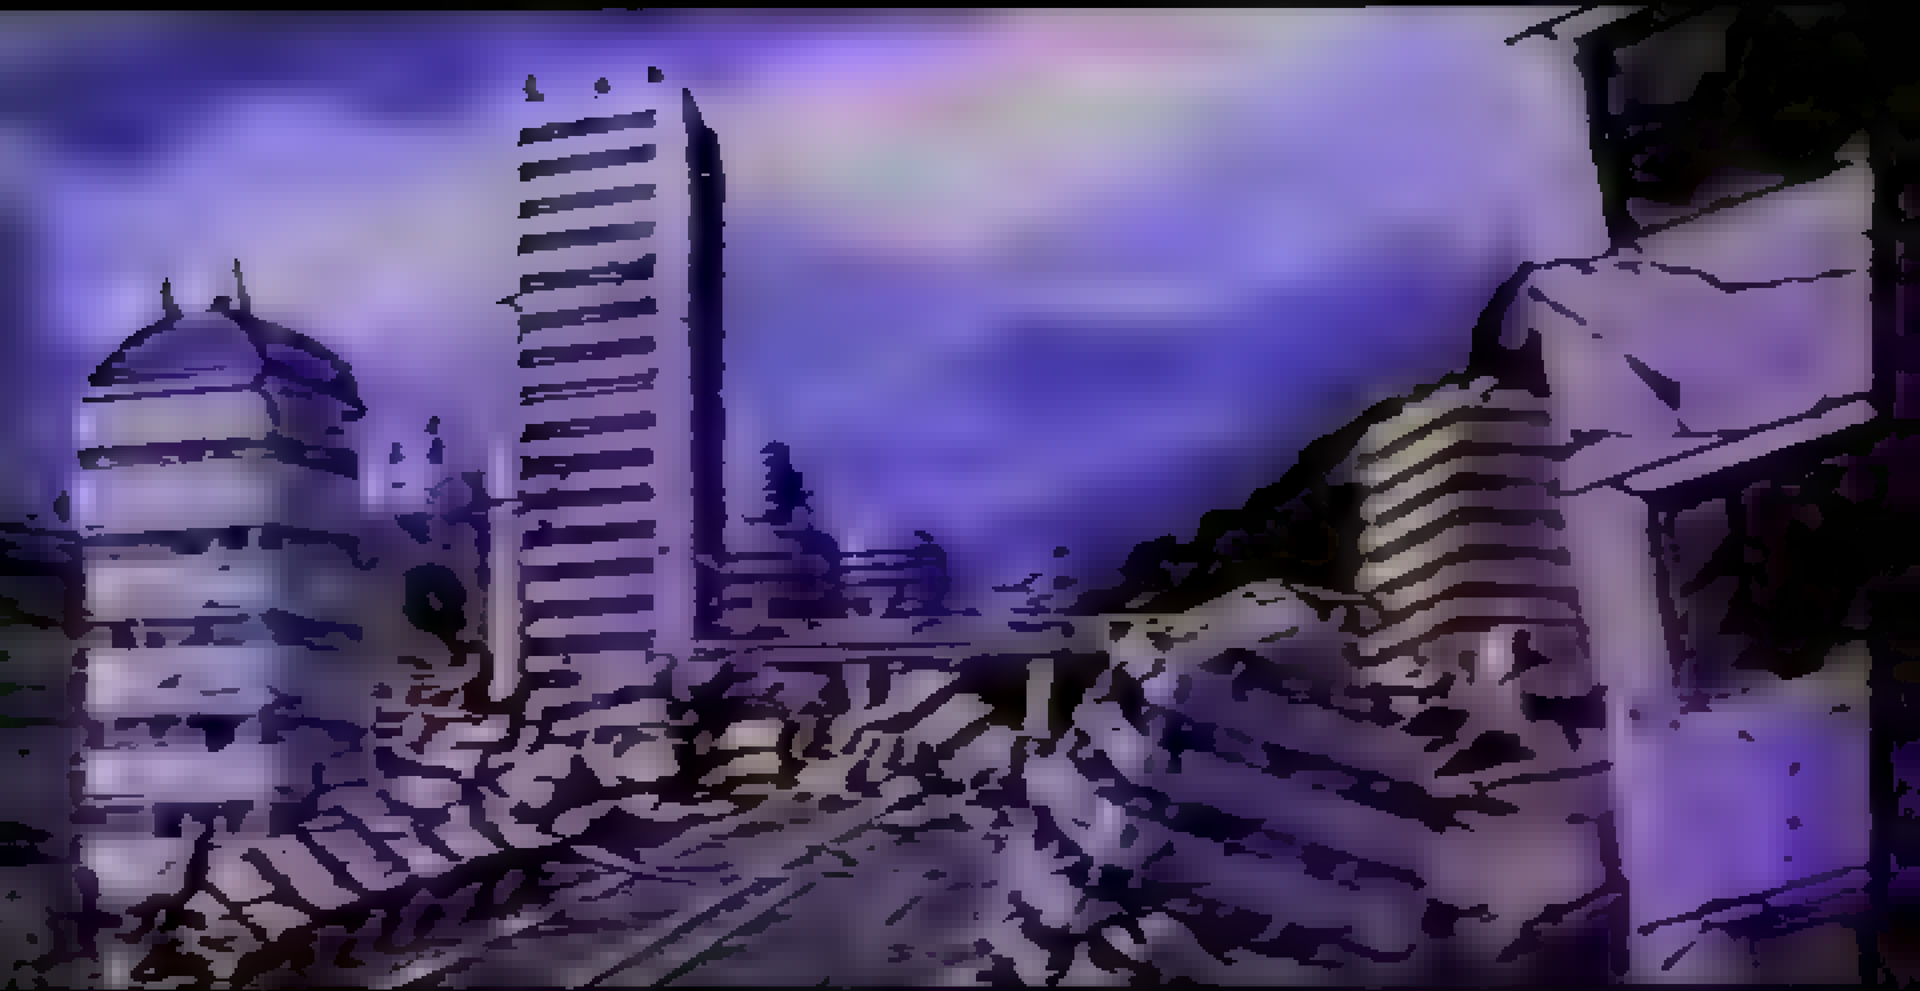

Let's destroy everything, Hildegarn, and
reap the energy from their life force.

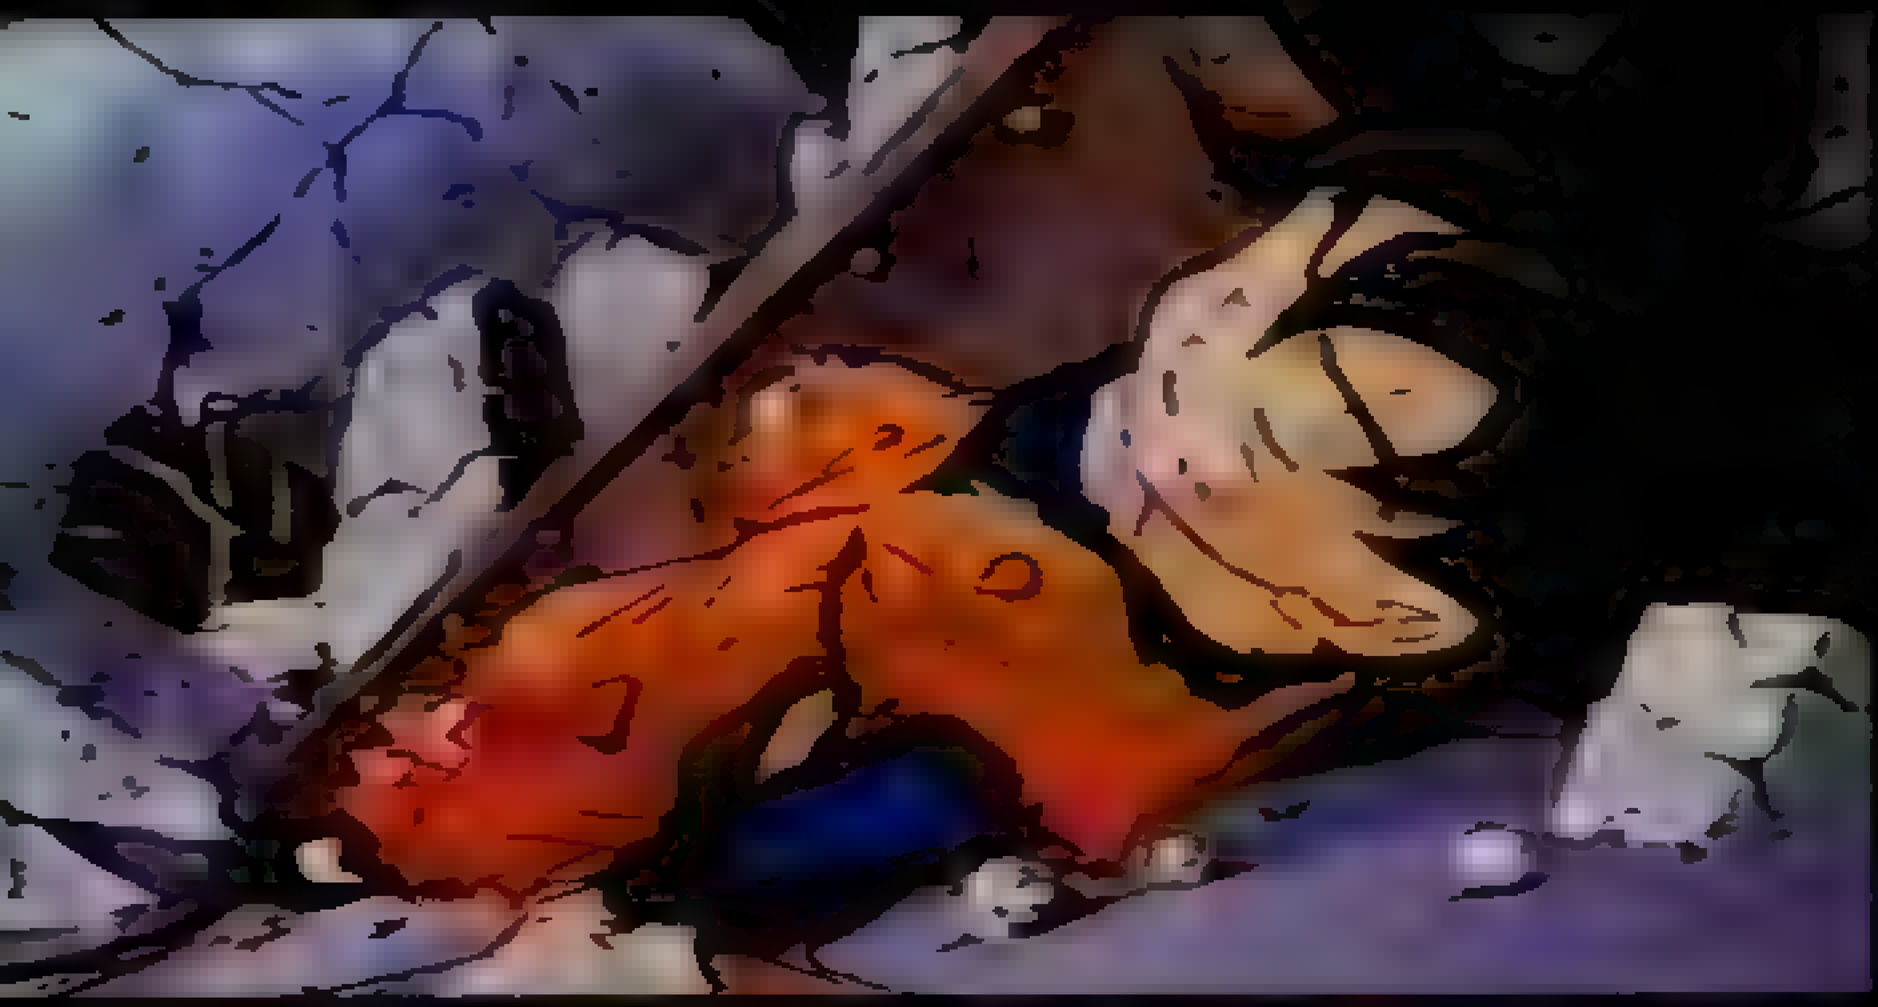

Let's destroy everything, Hildegarn, and
reap the energy from their life force.

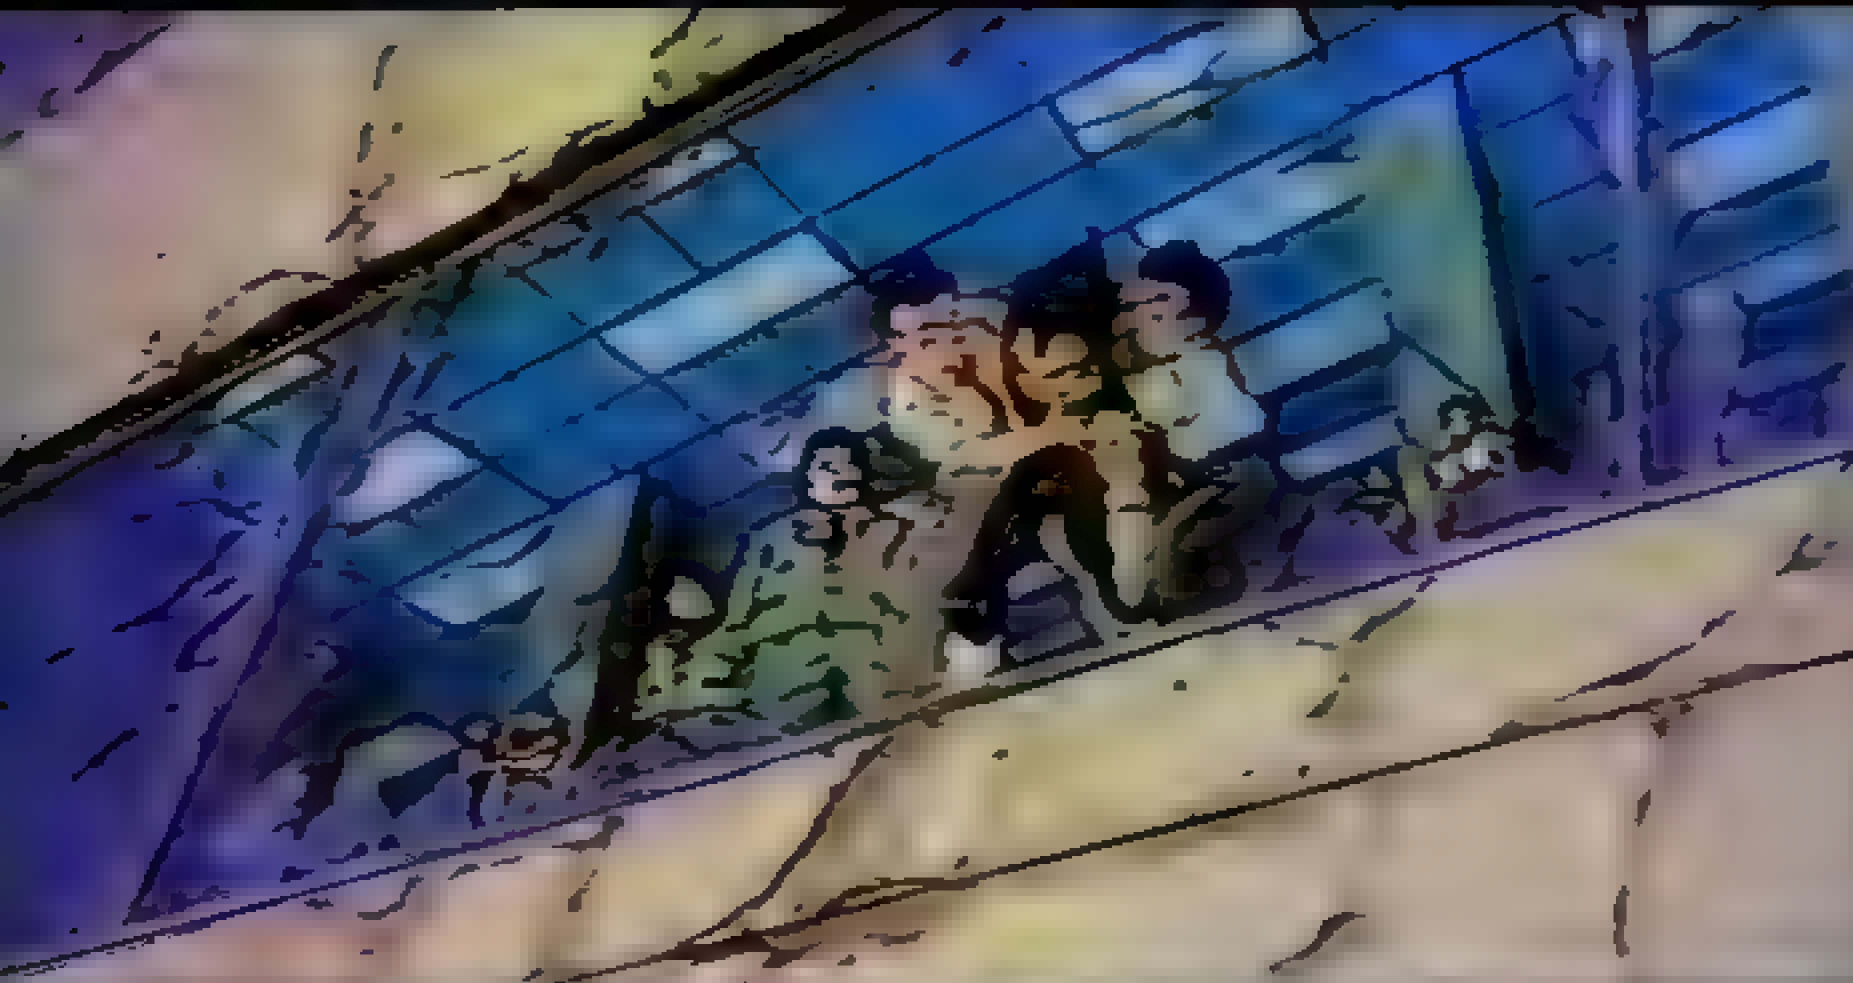

Let's destroy everything, Hildegarn, and
reap the energy from their life force.

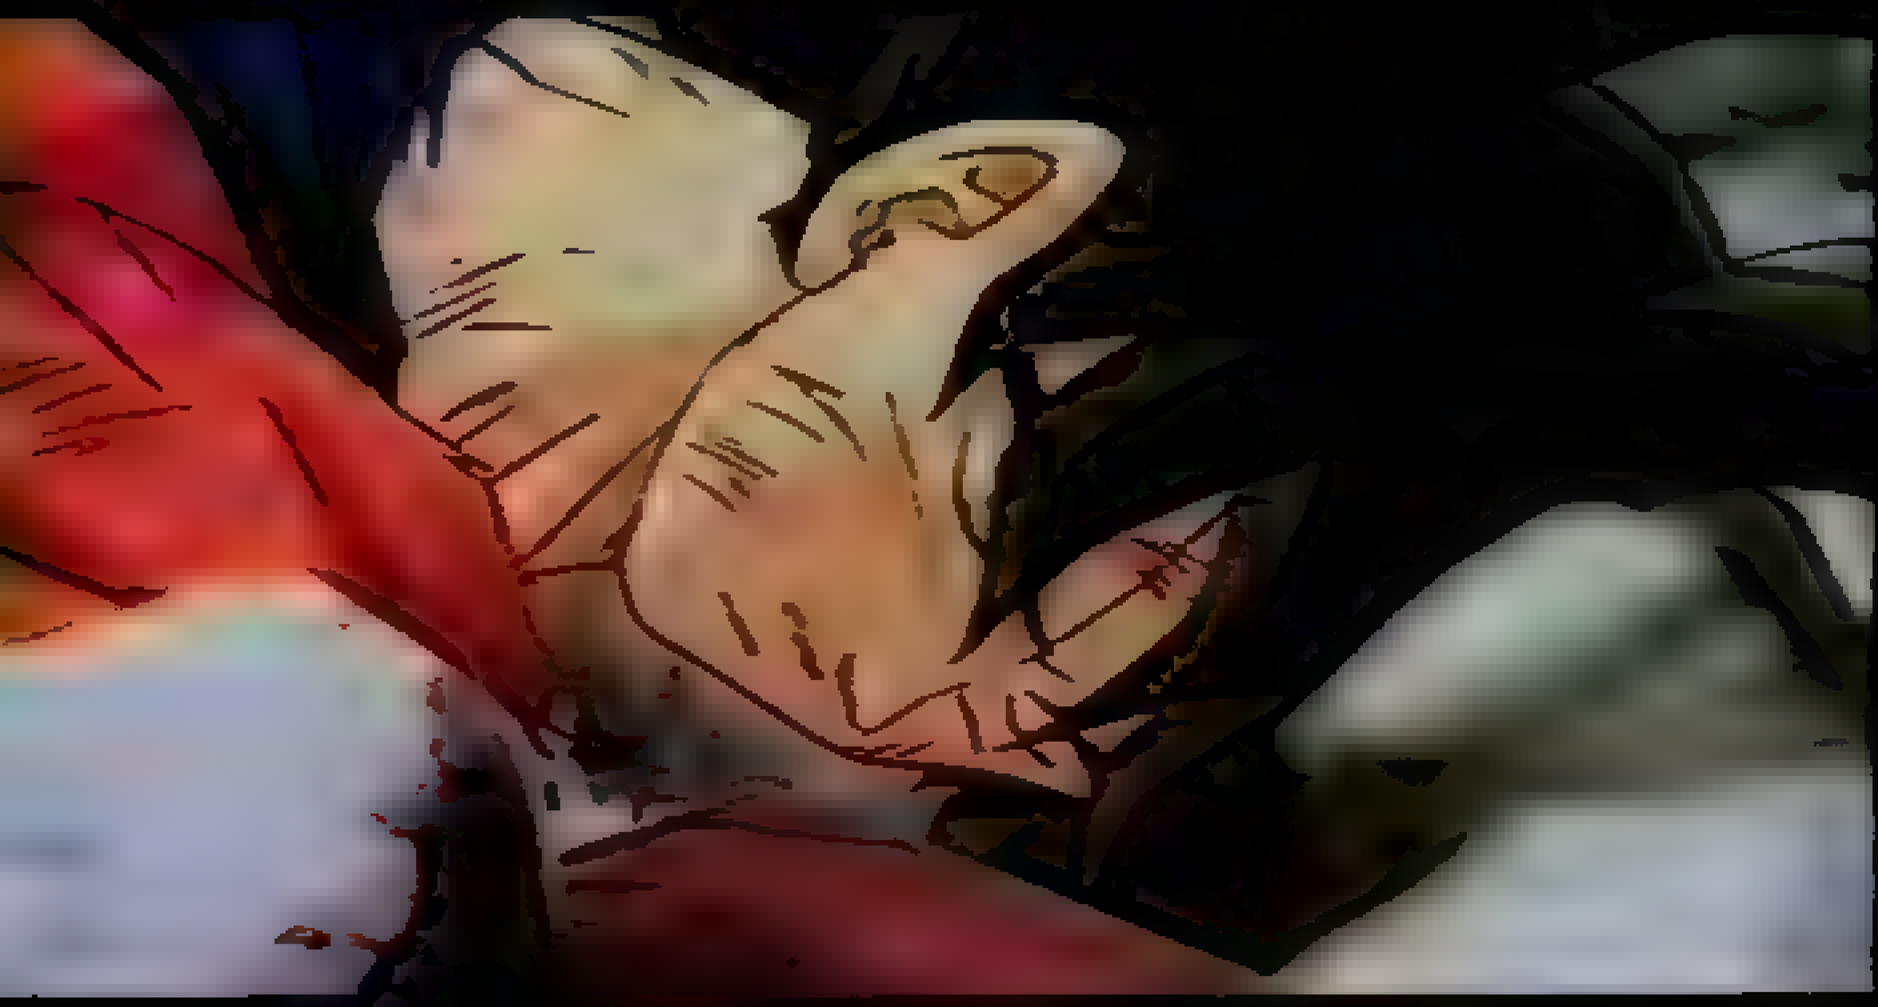

Let's destroy everything, Hildegarn, and
reap the energy from their life force.

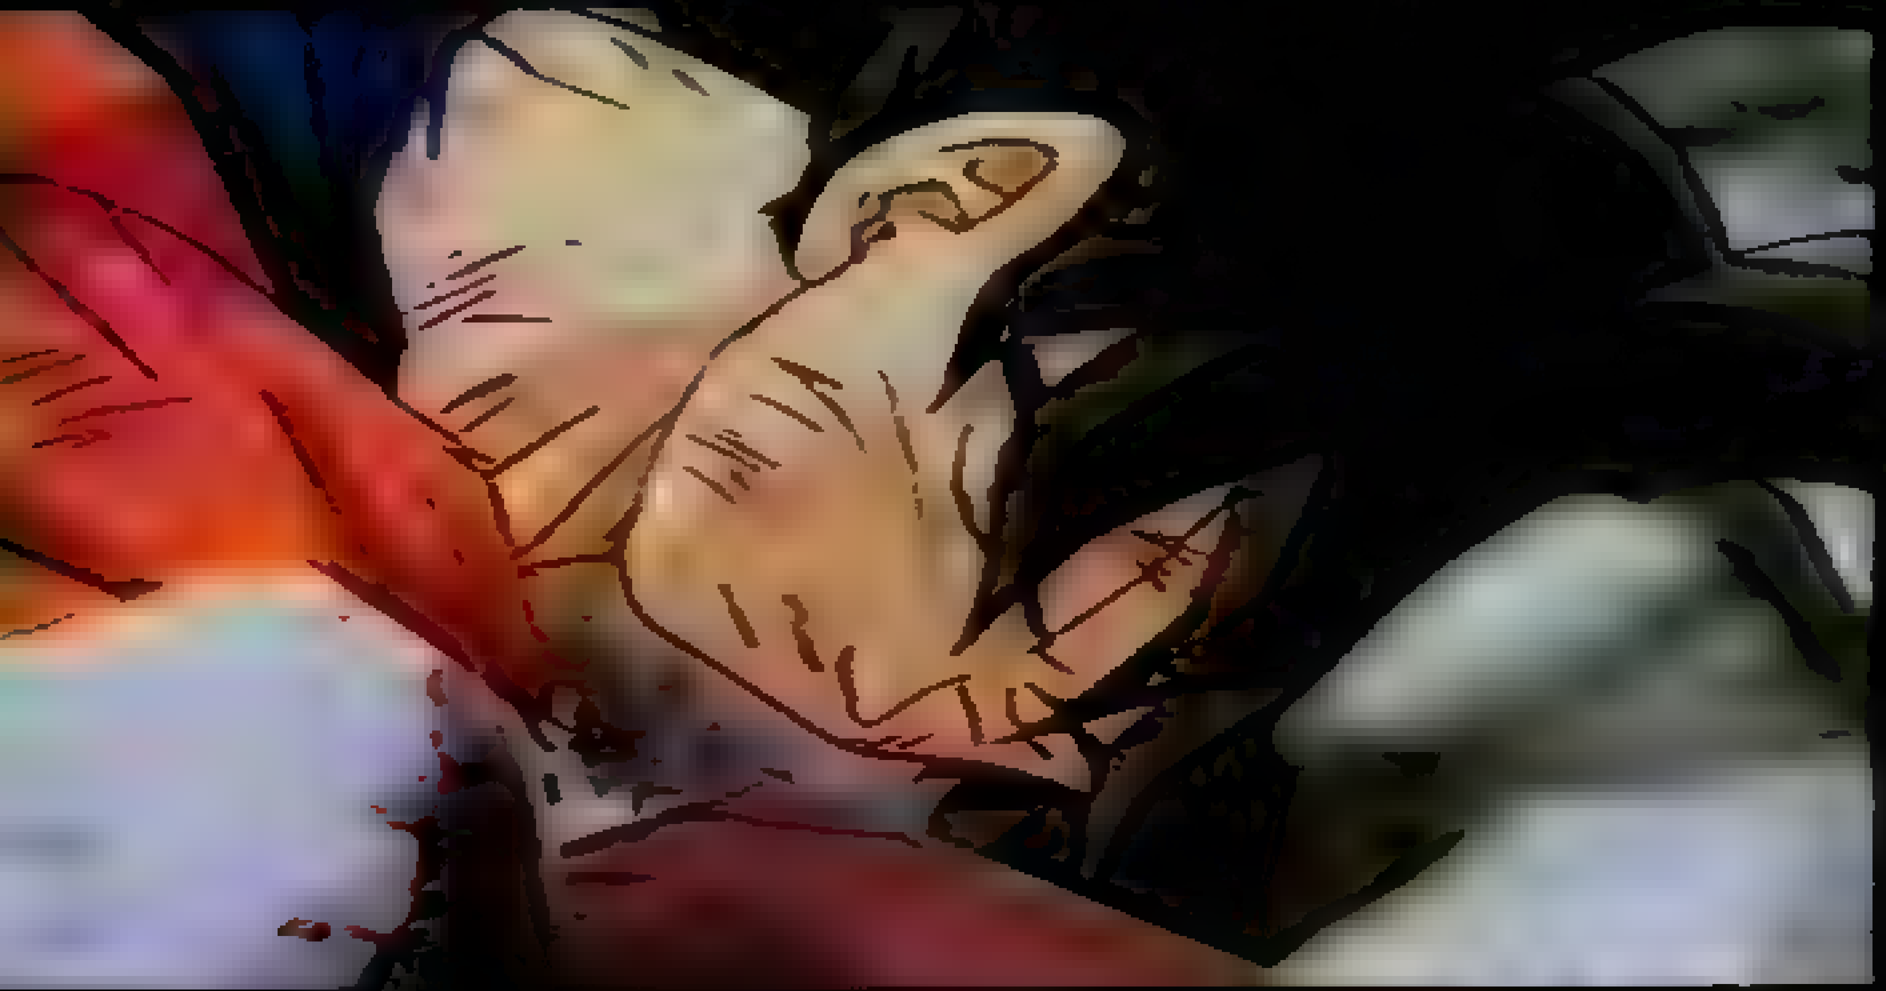

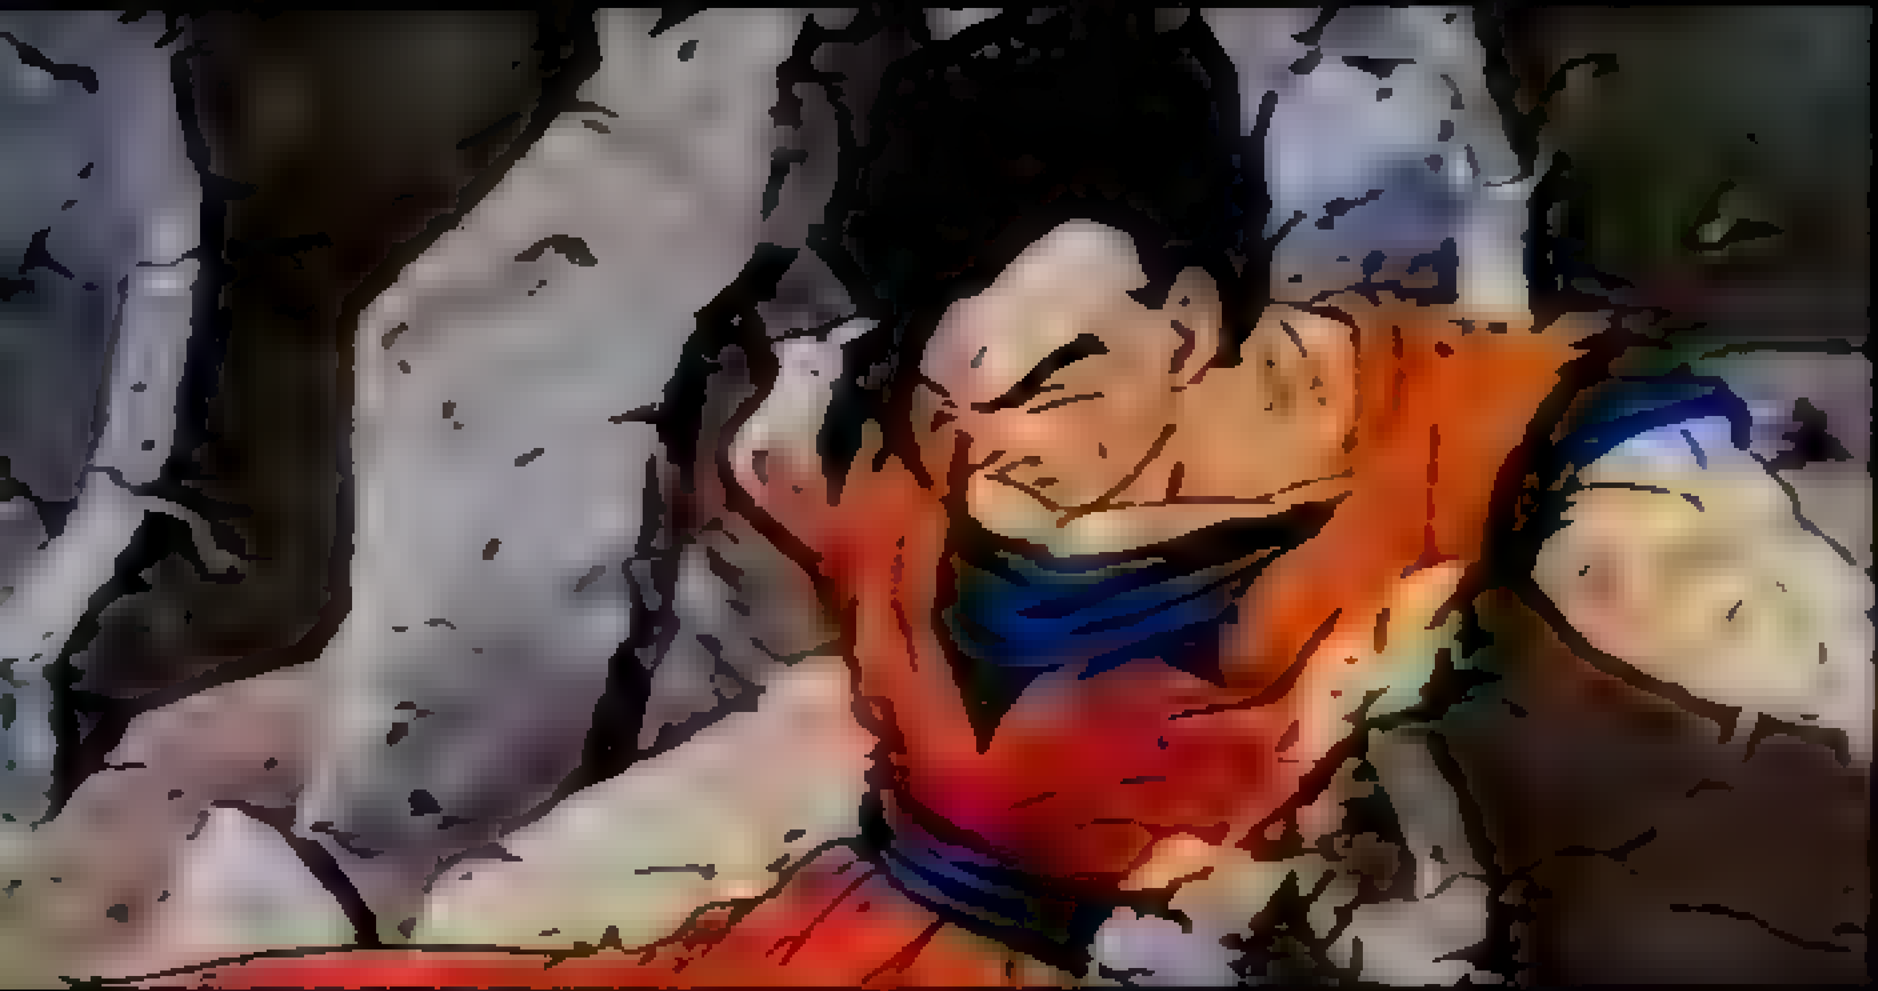

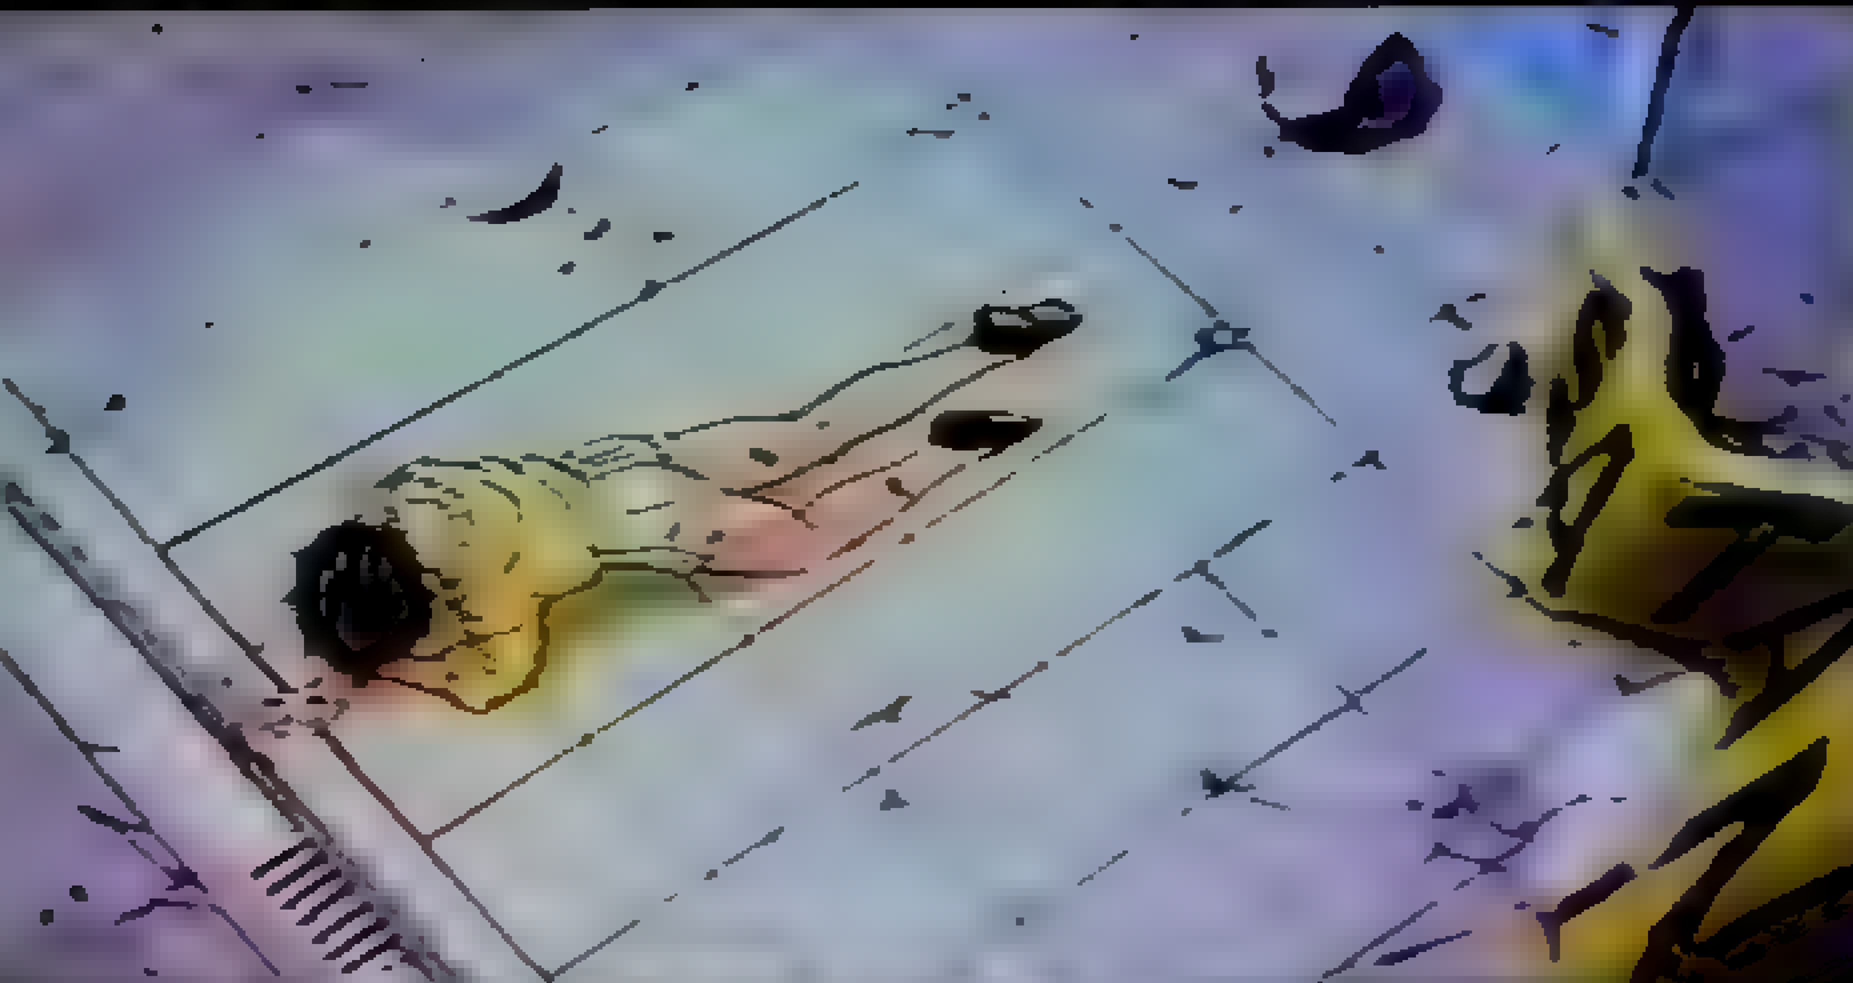

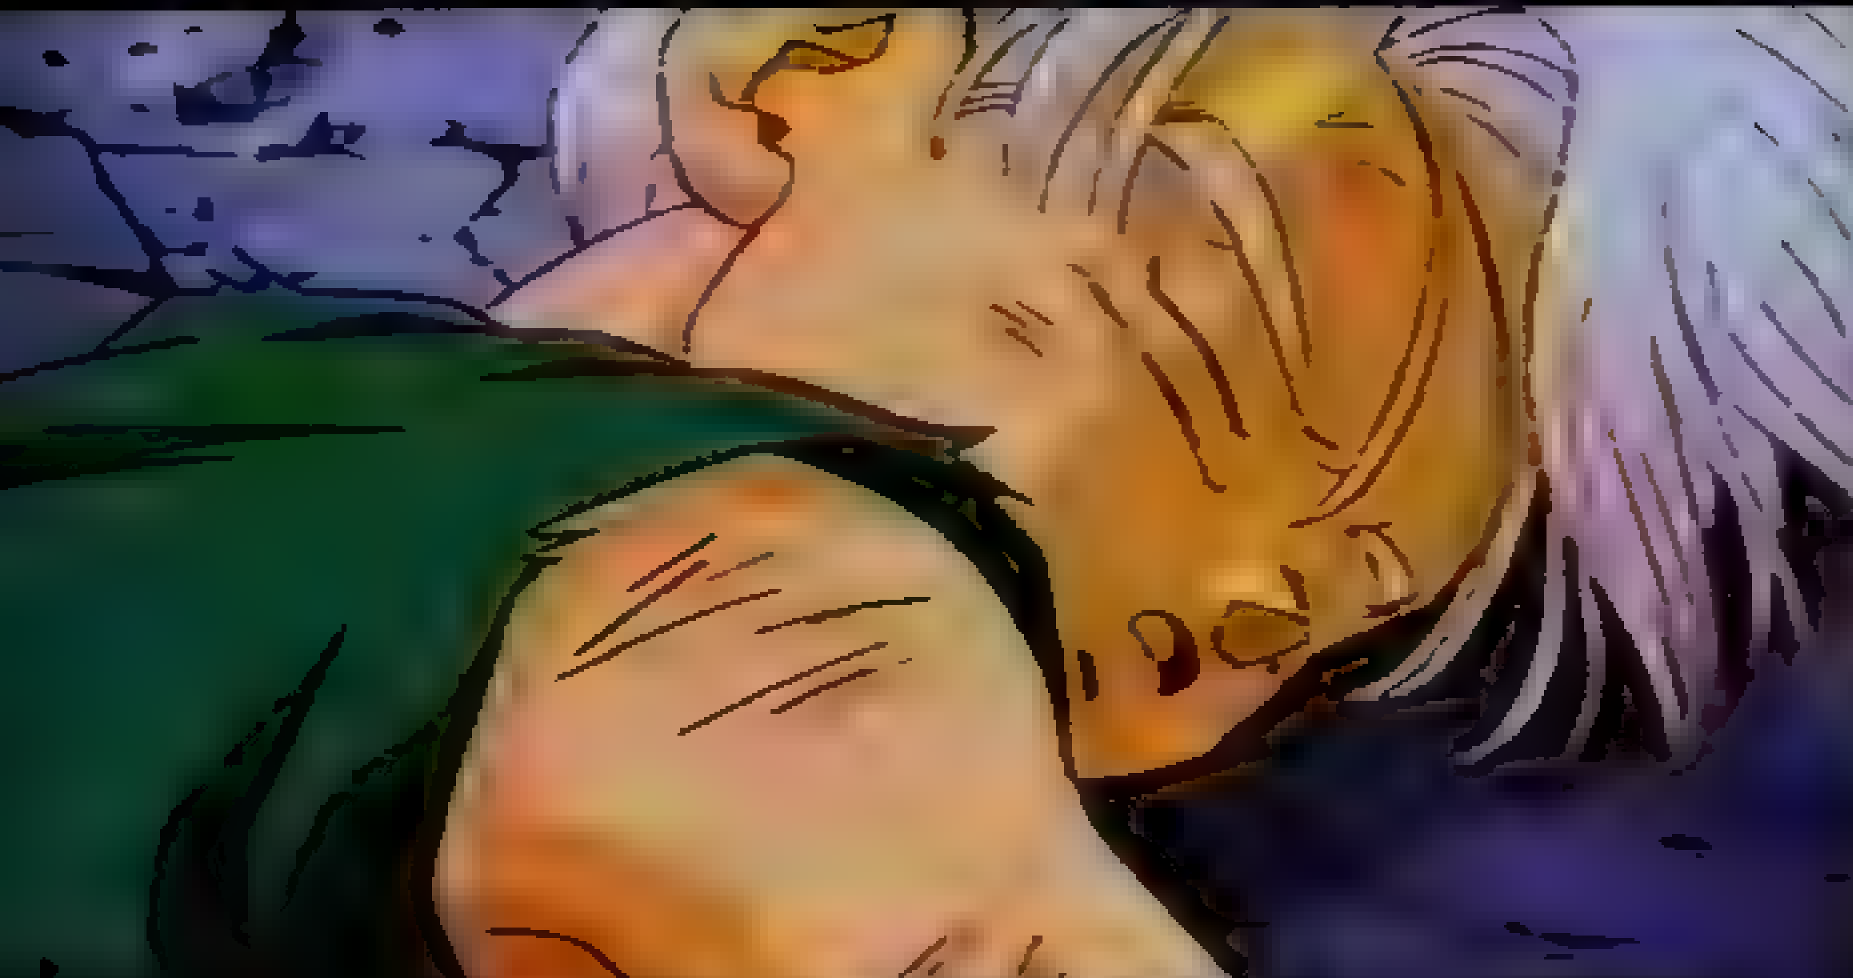

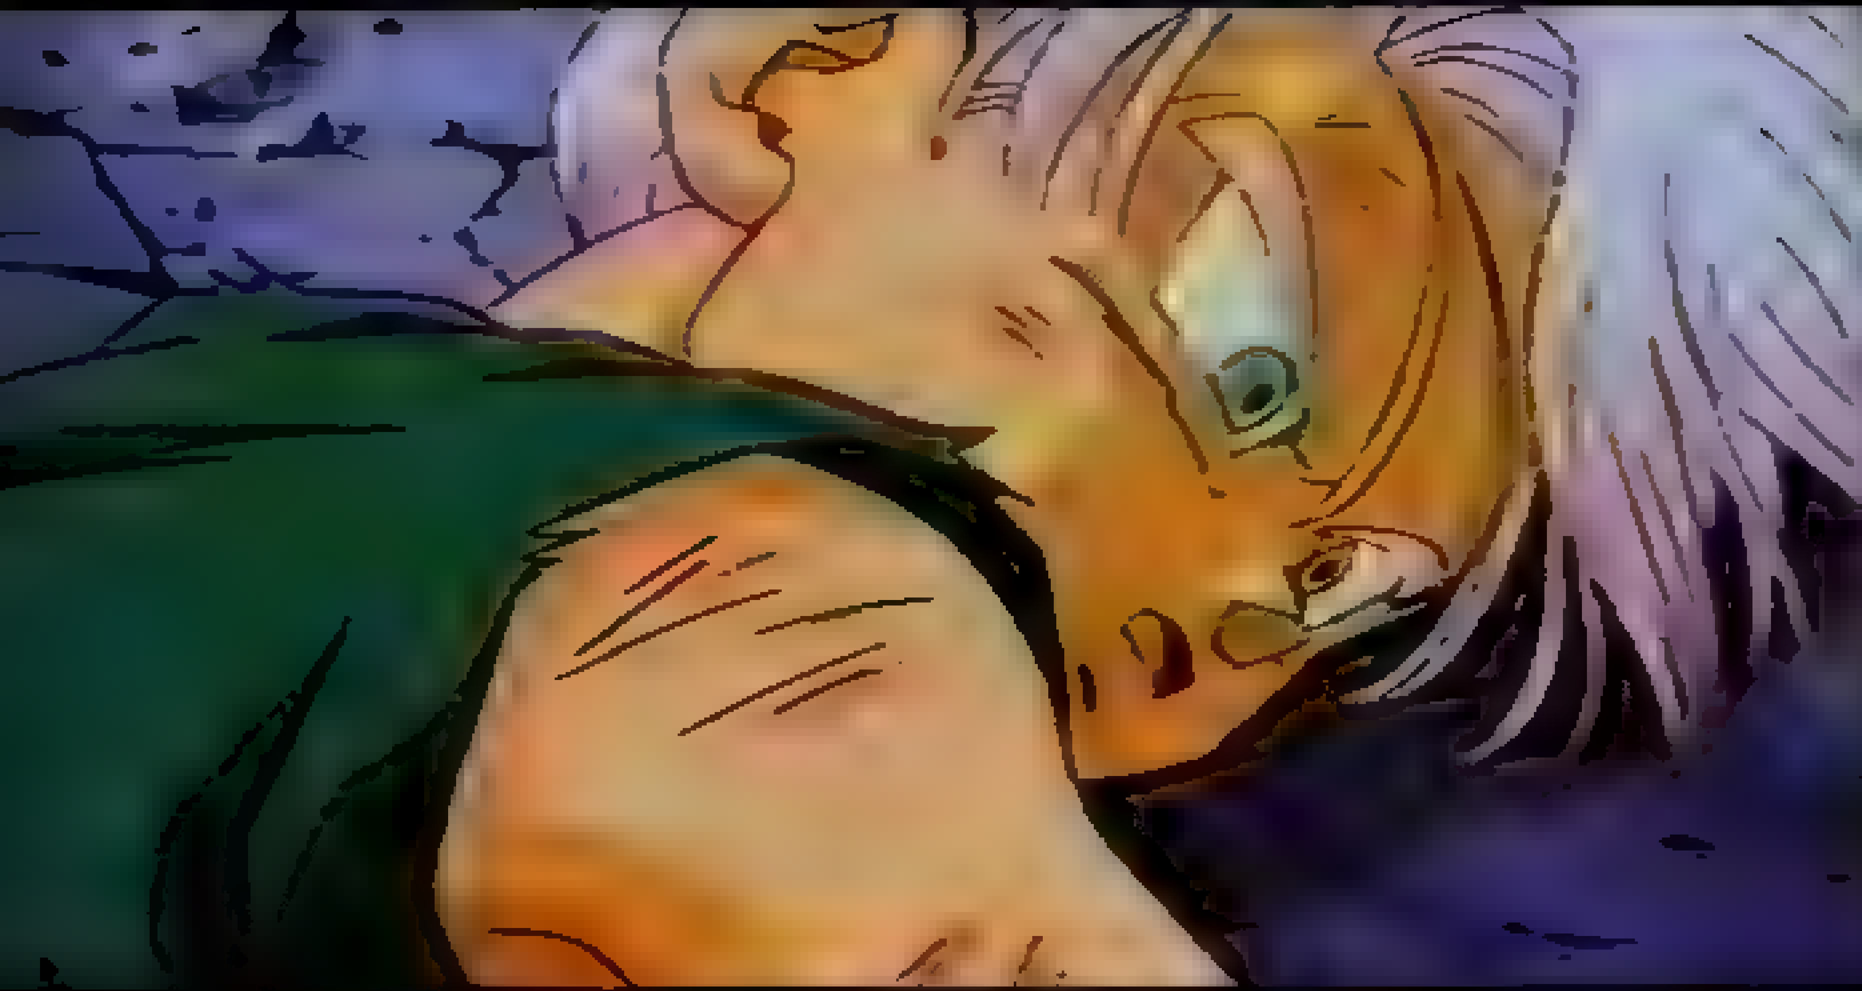

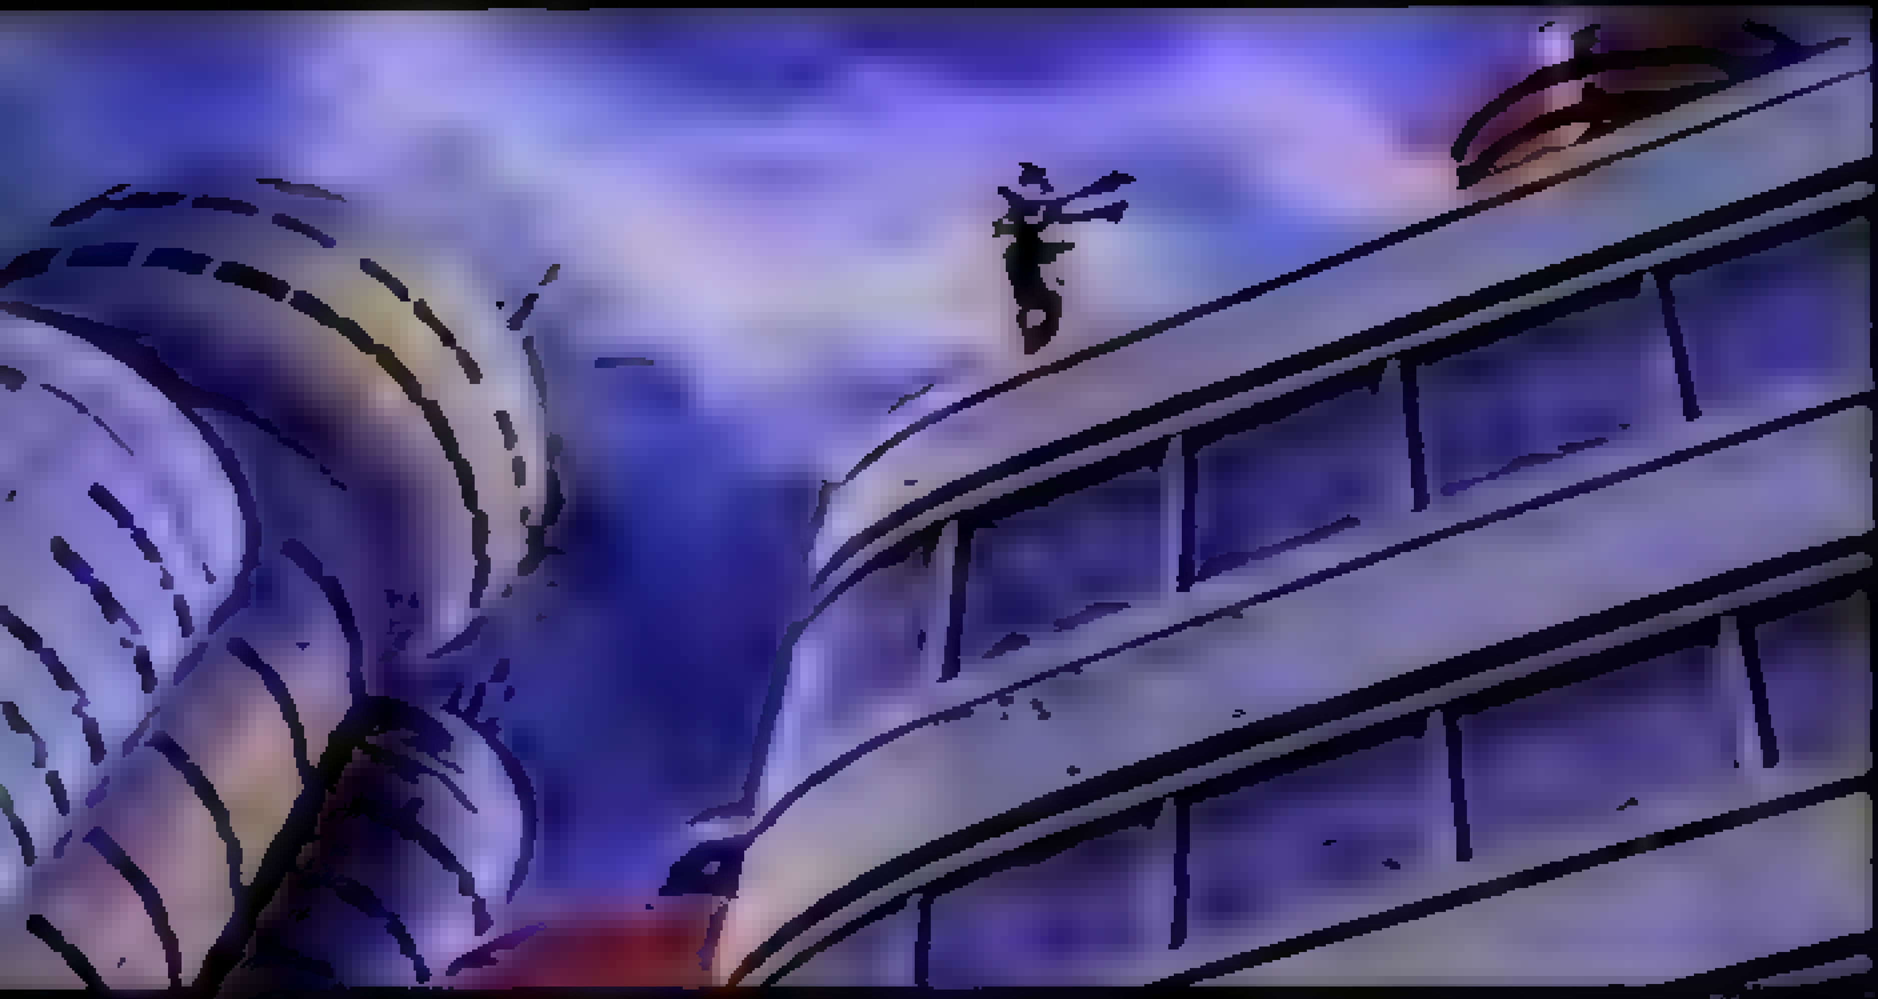

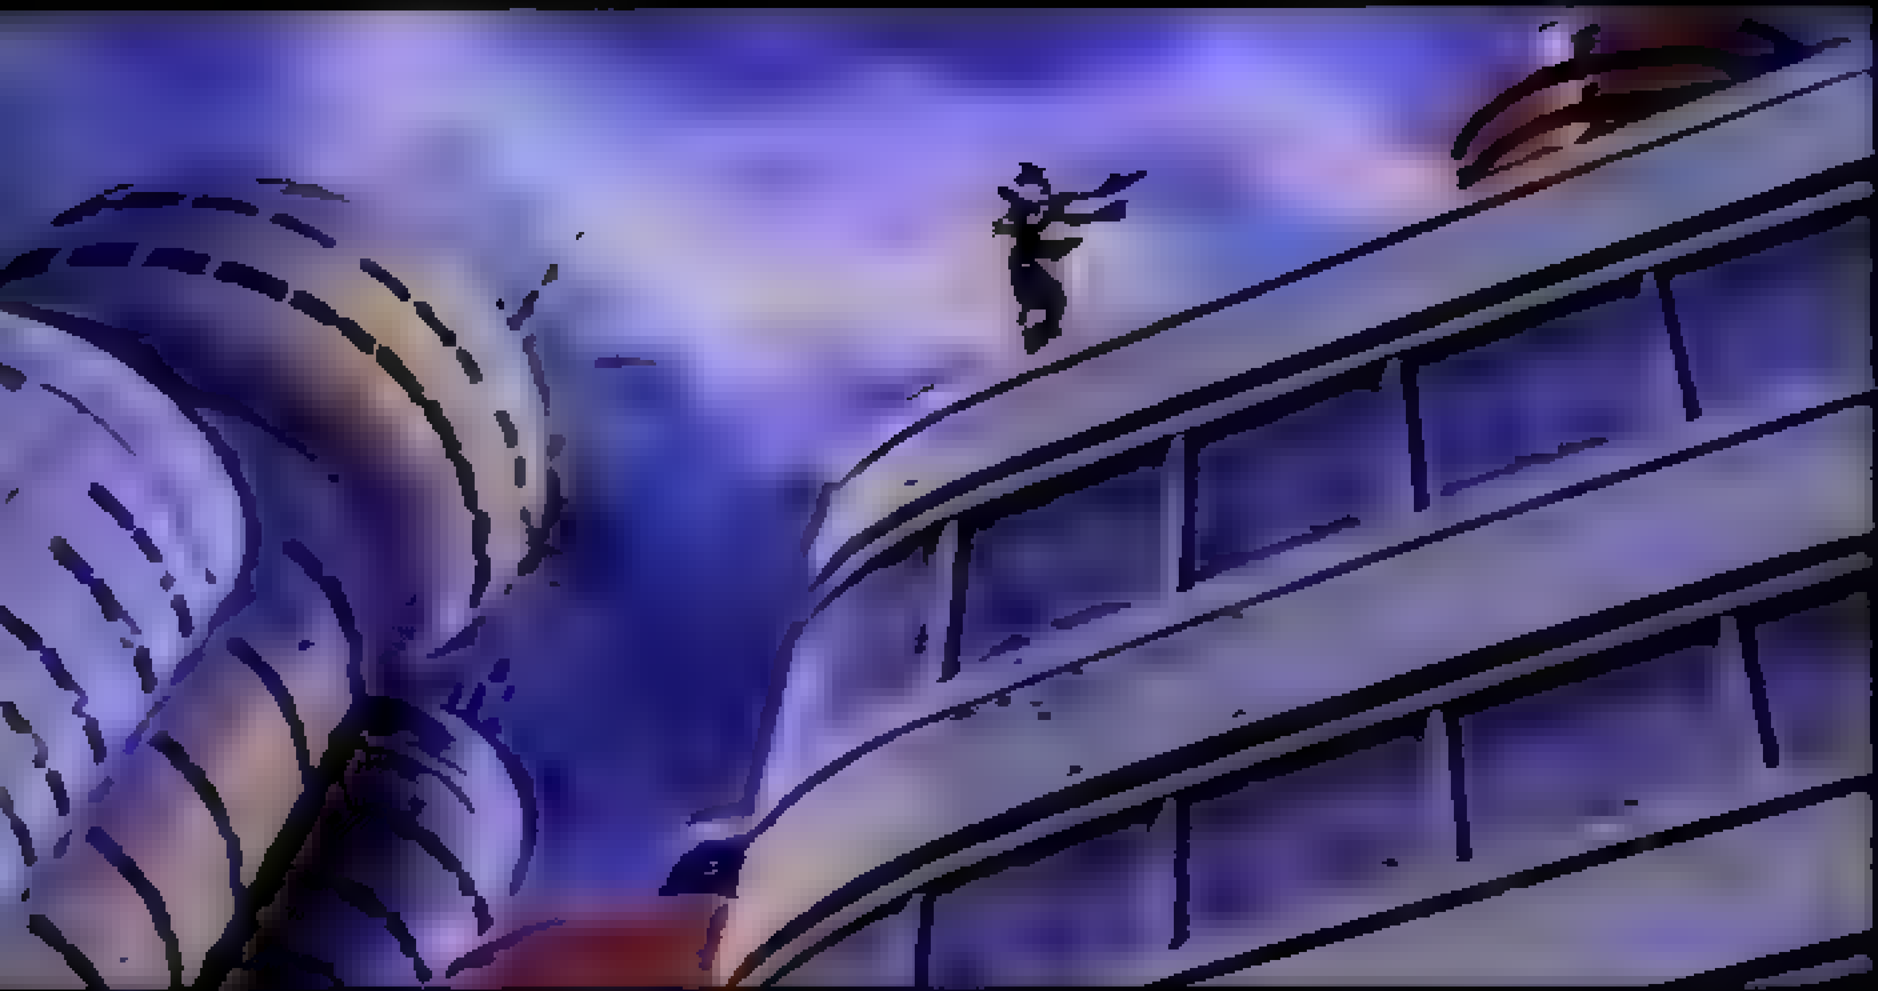

If this is a dream, please wake us all up...

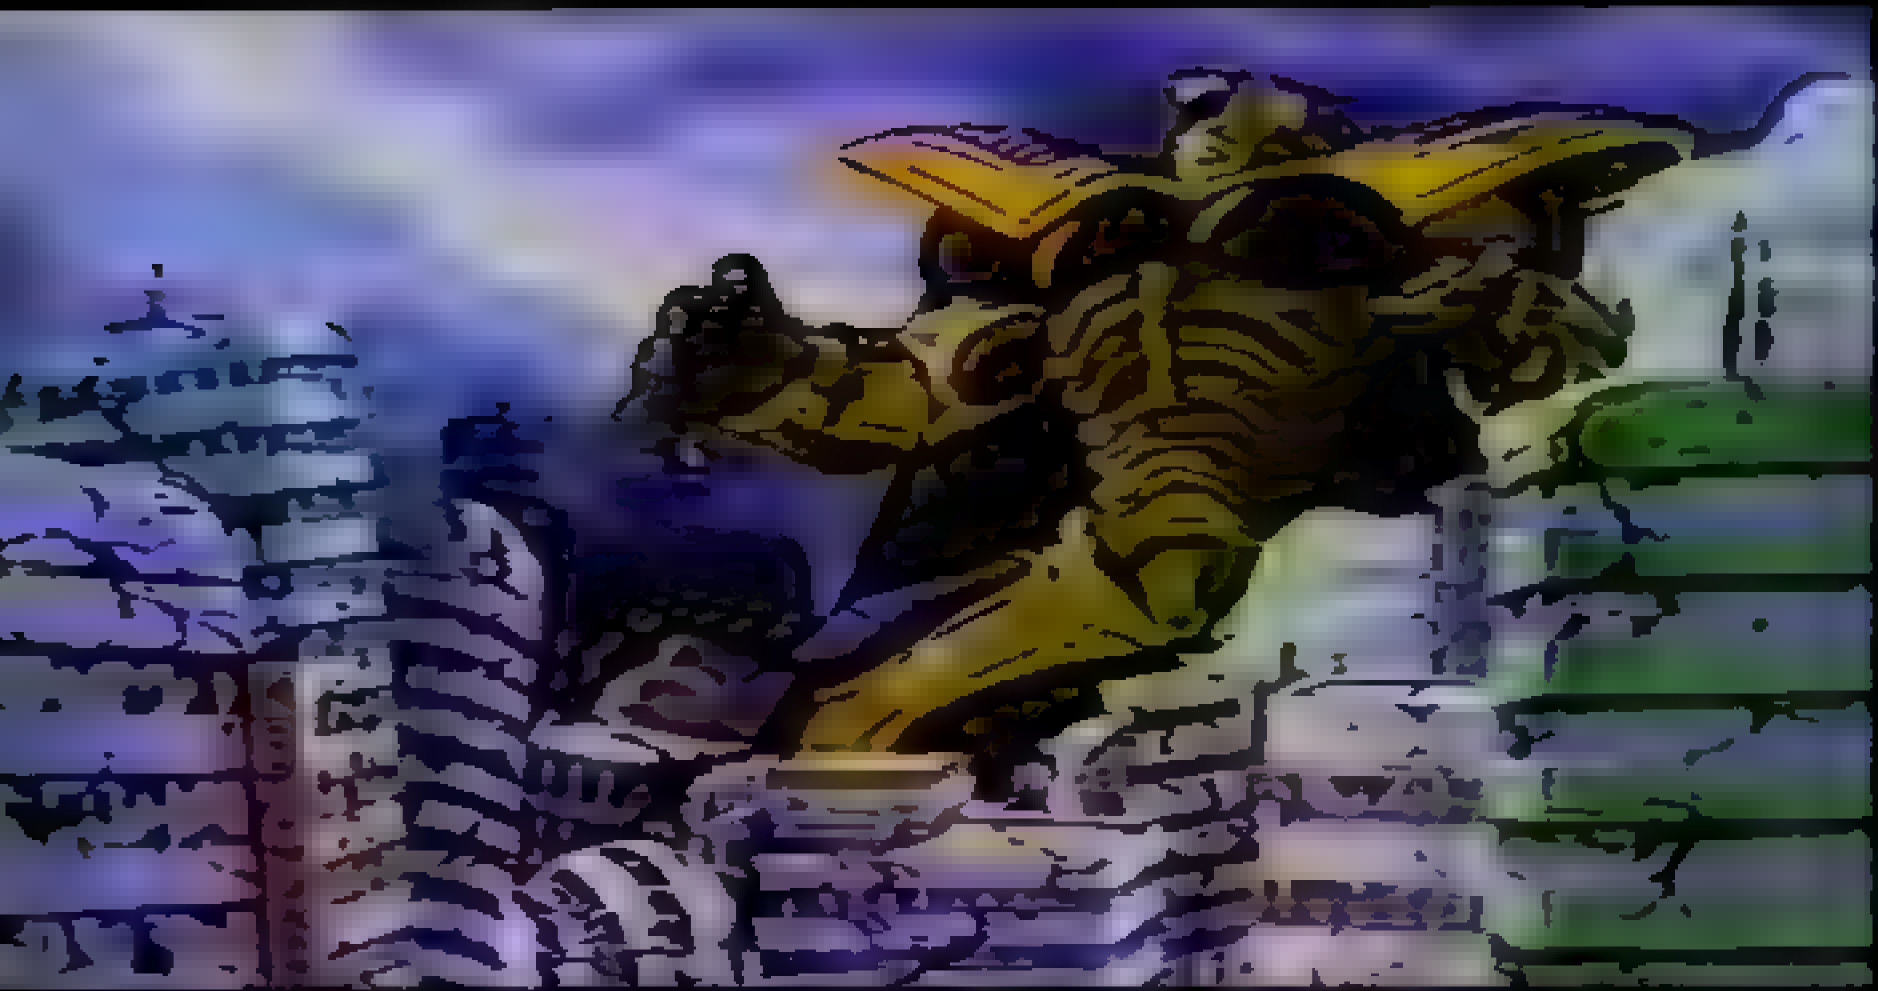

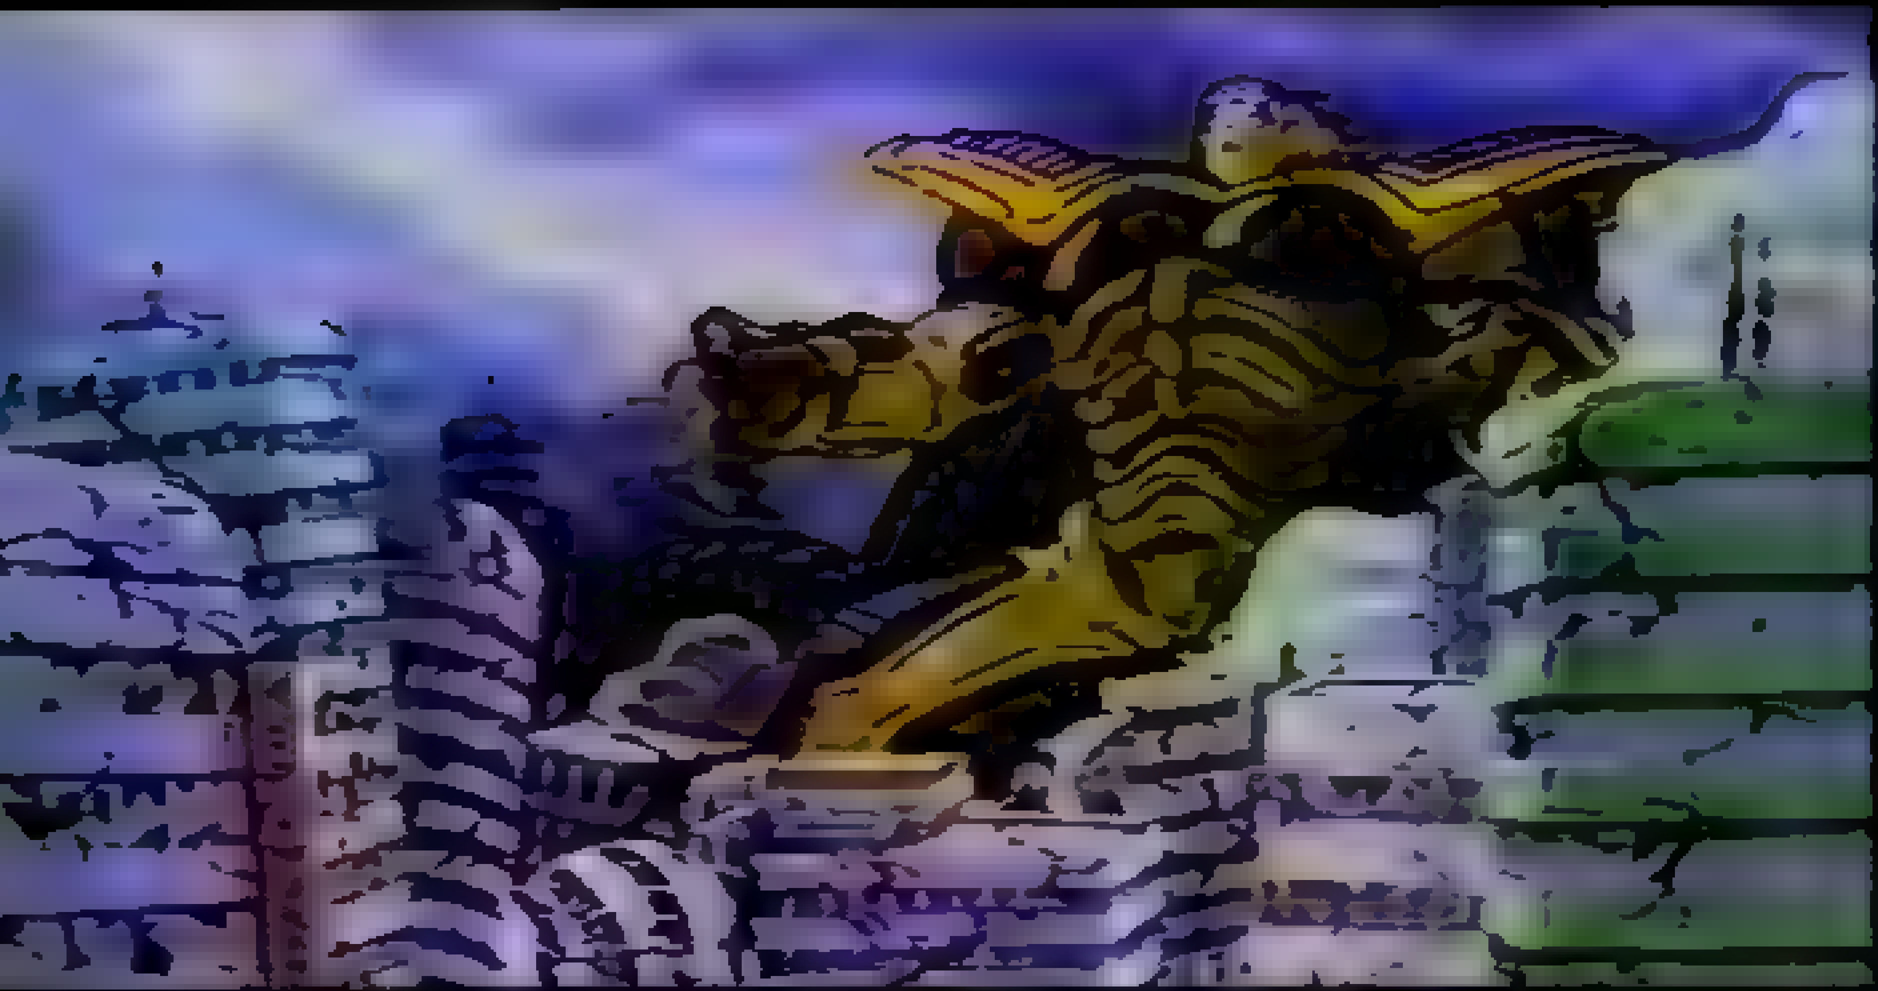

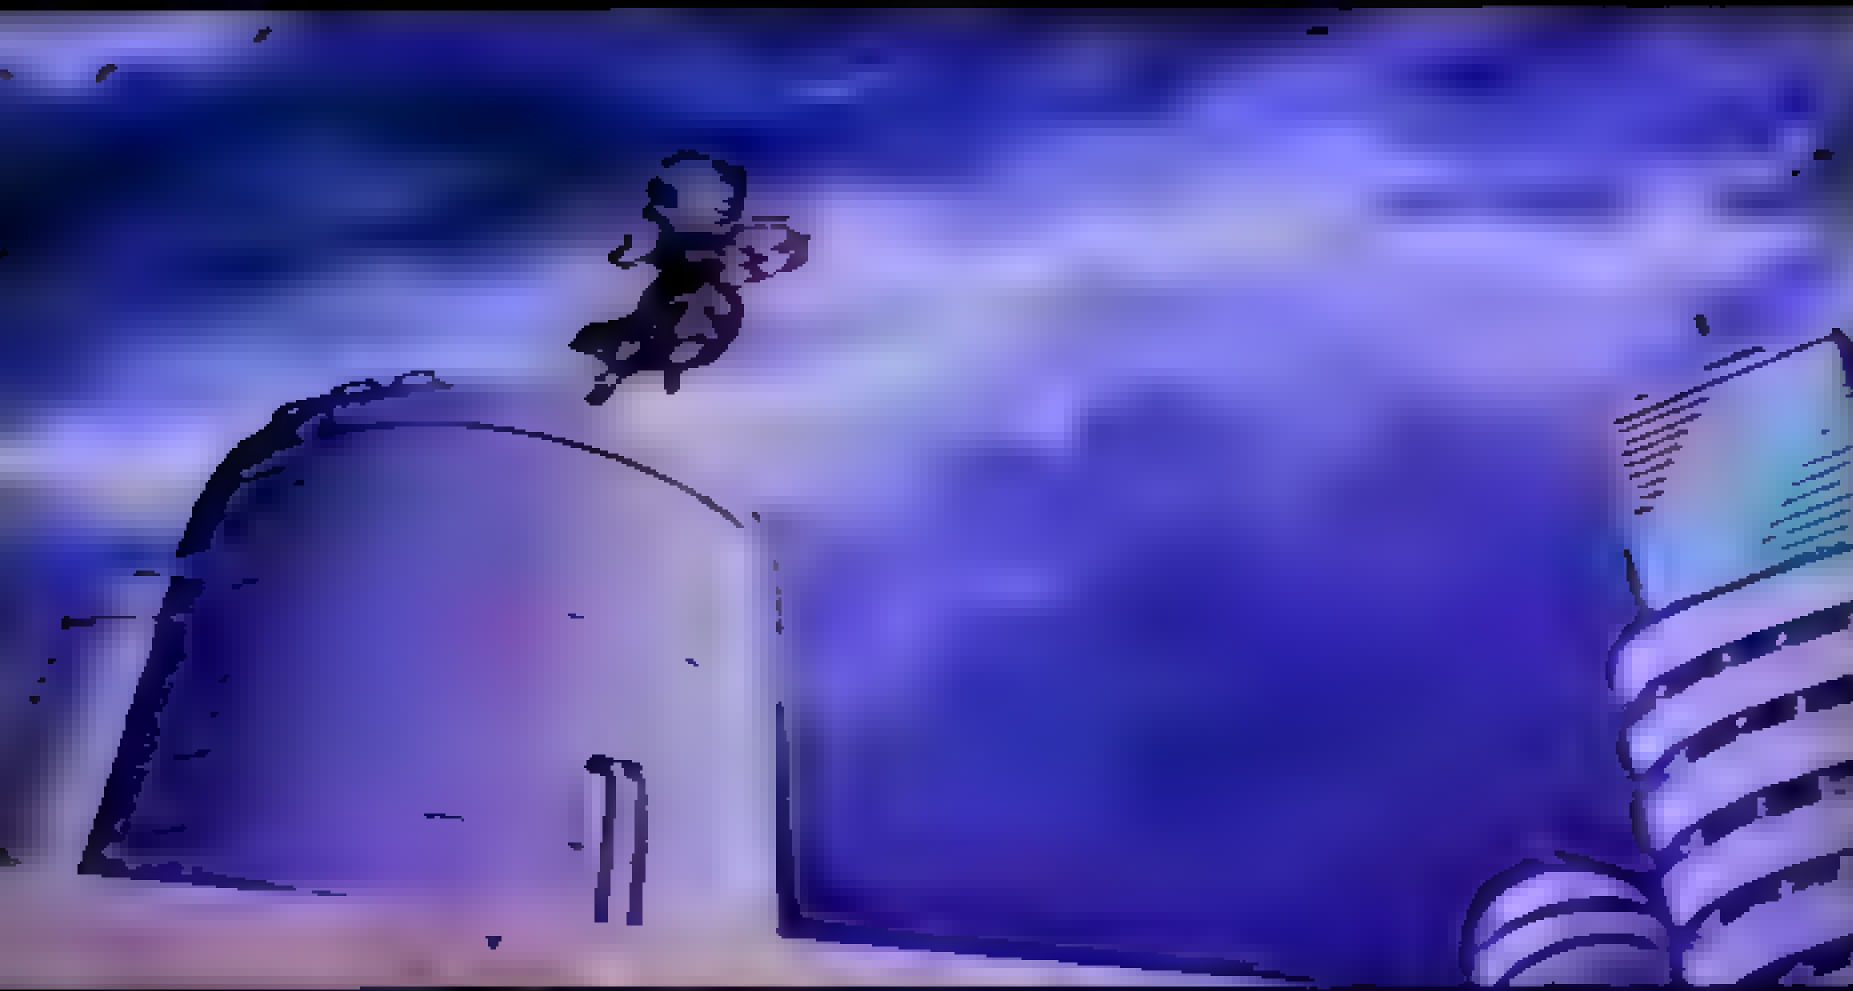

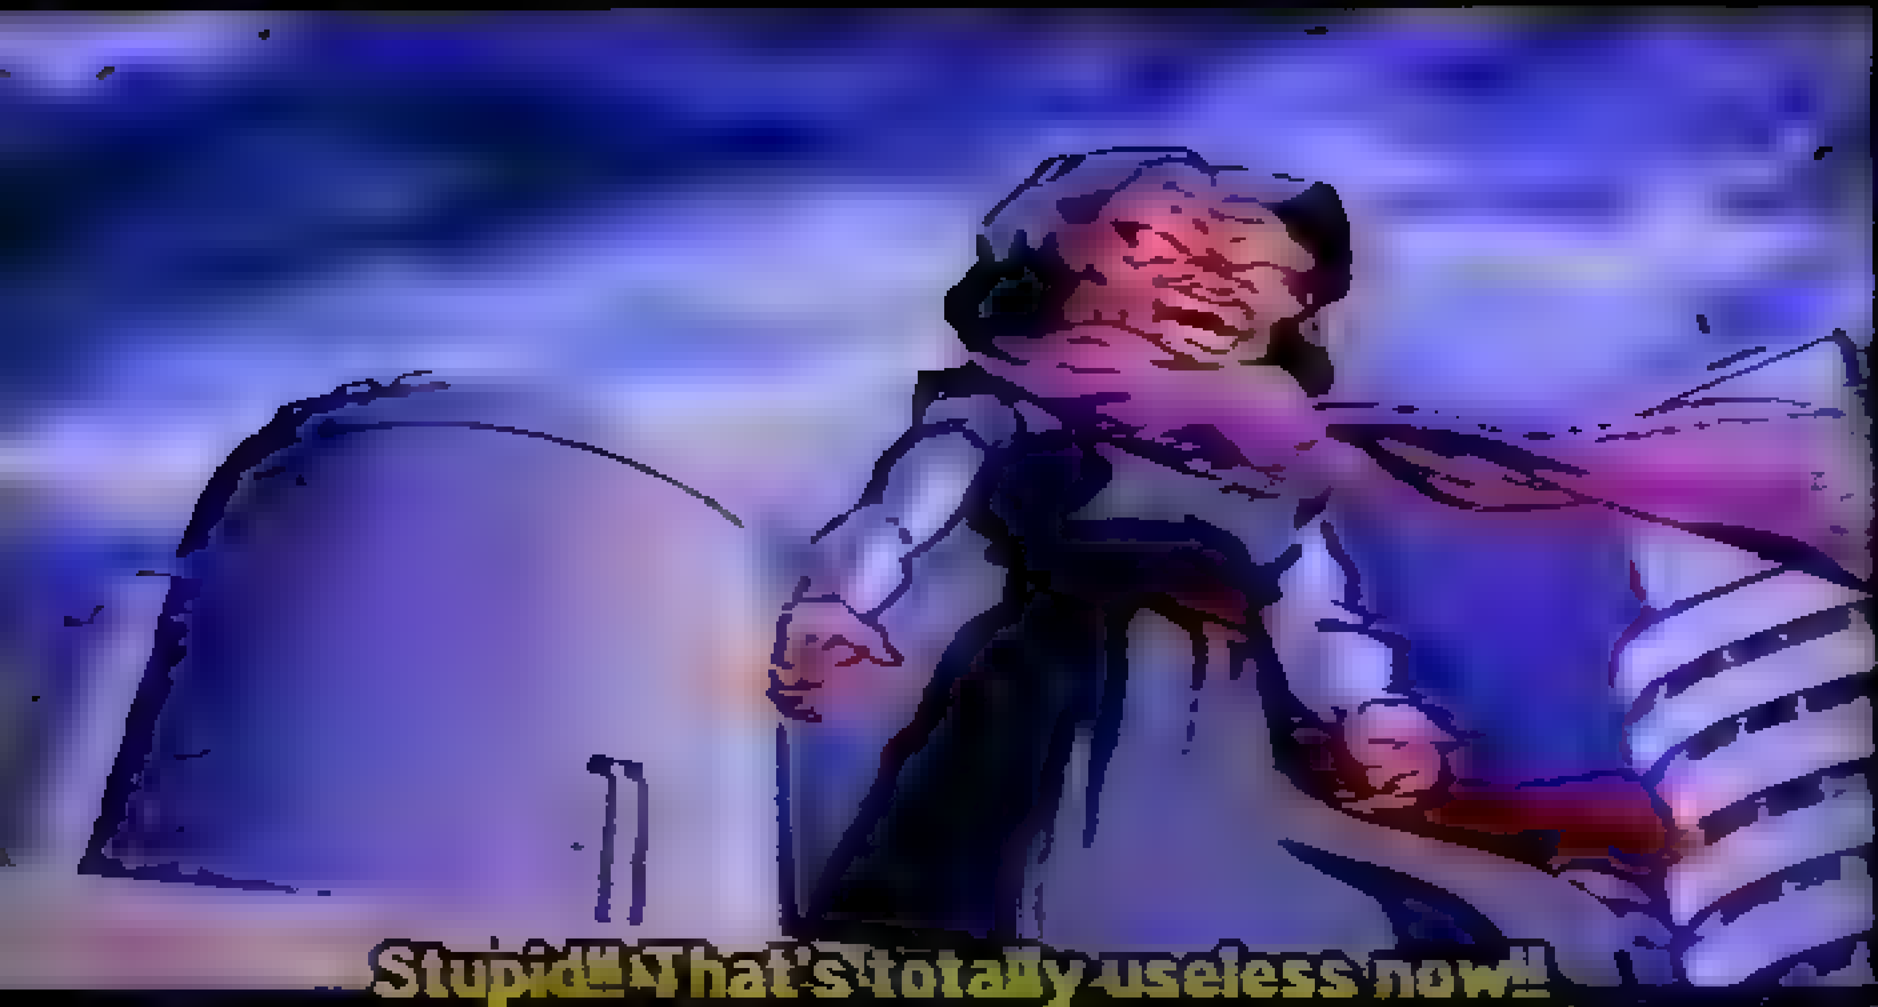

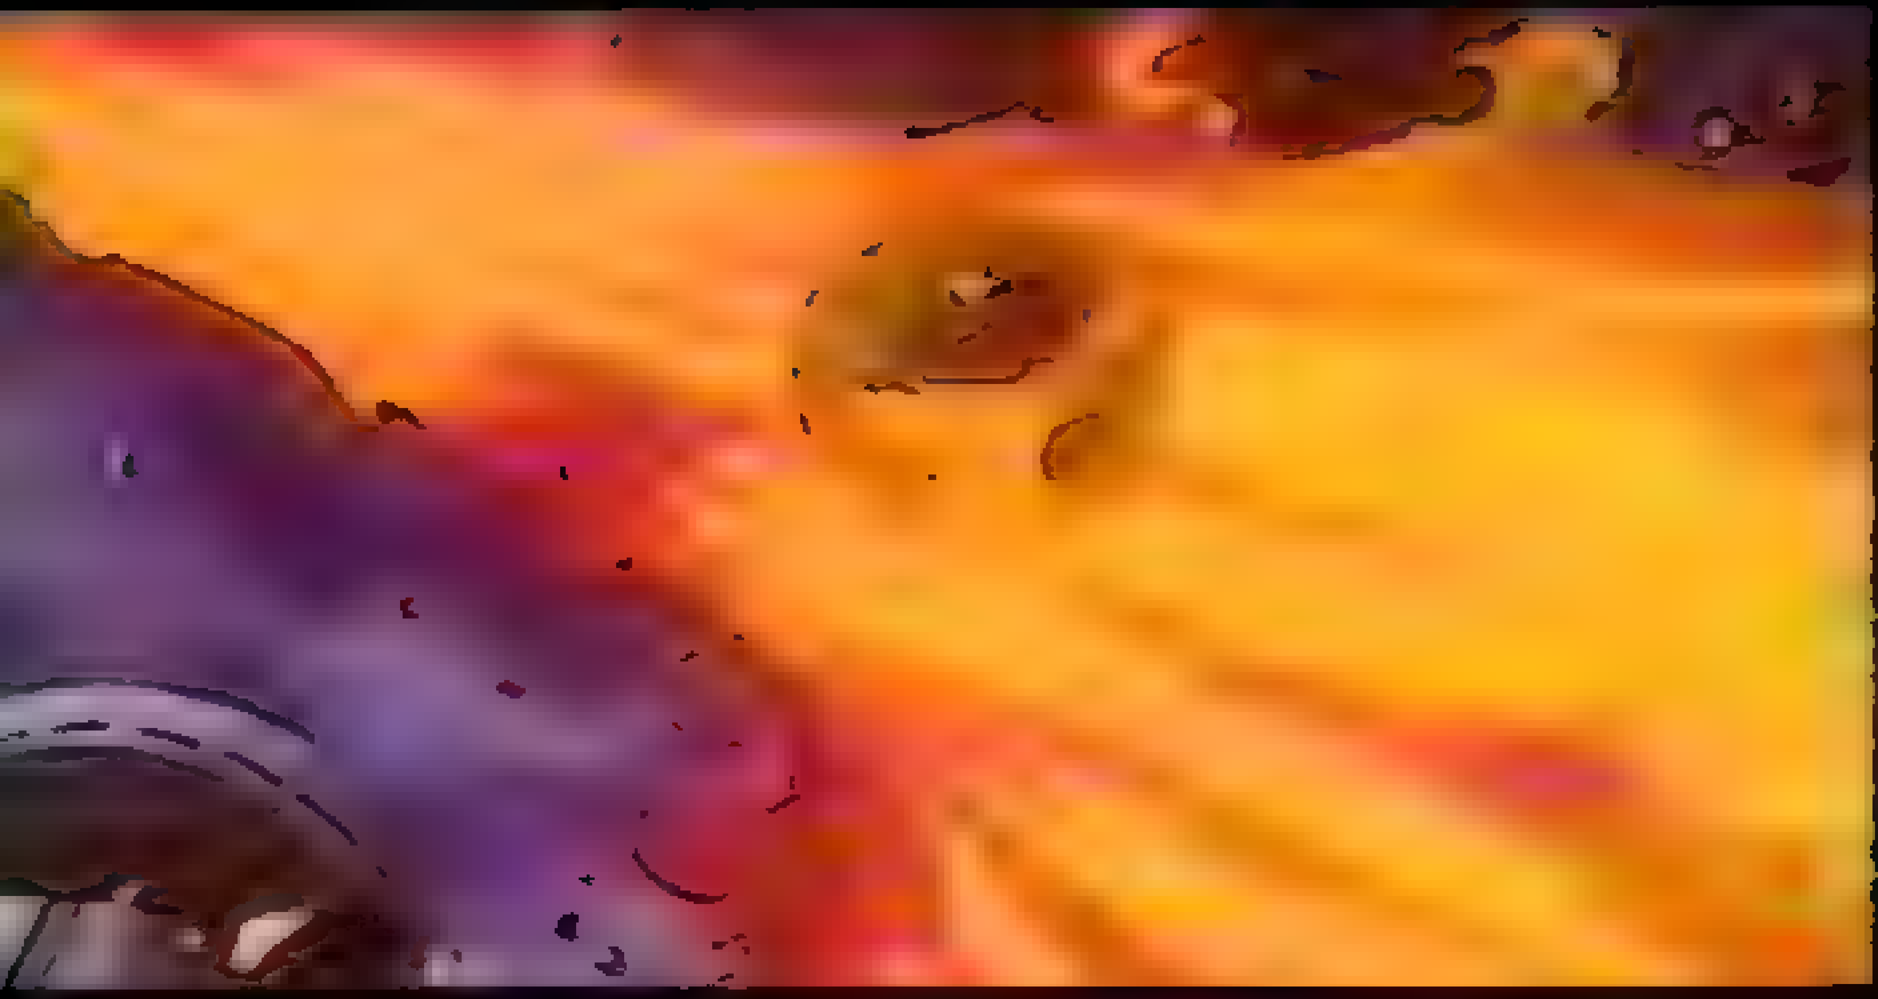

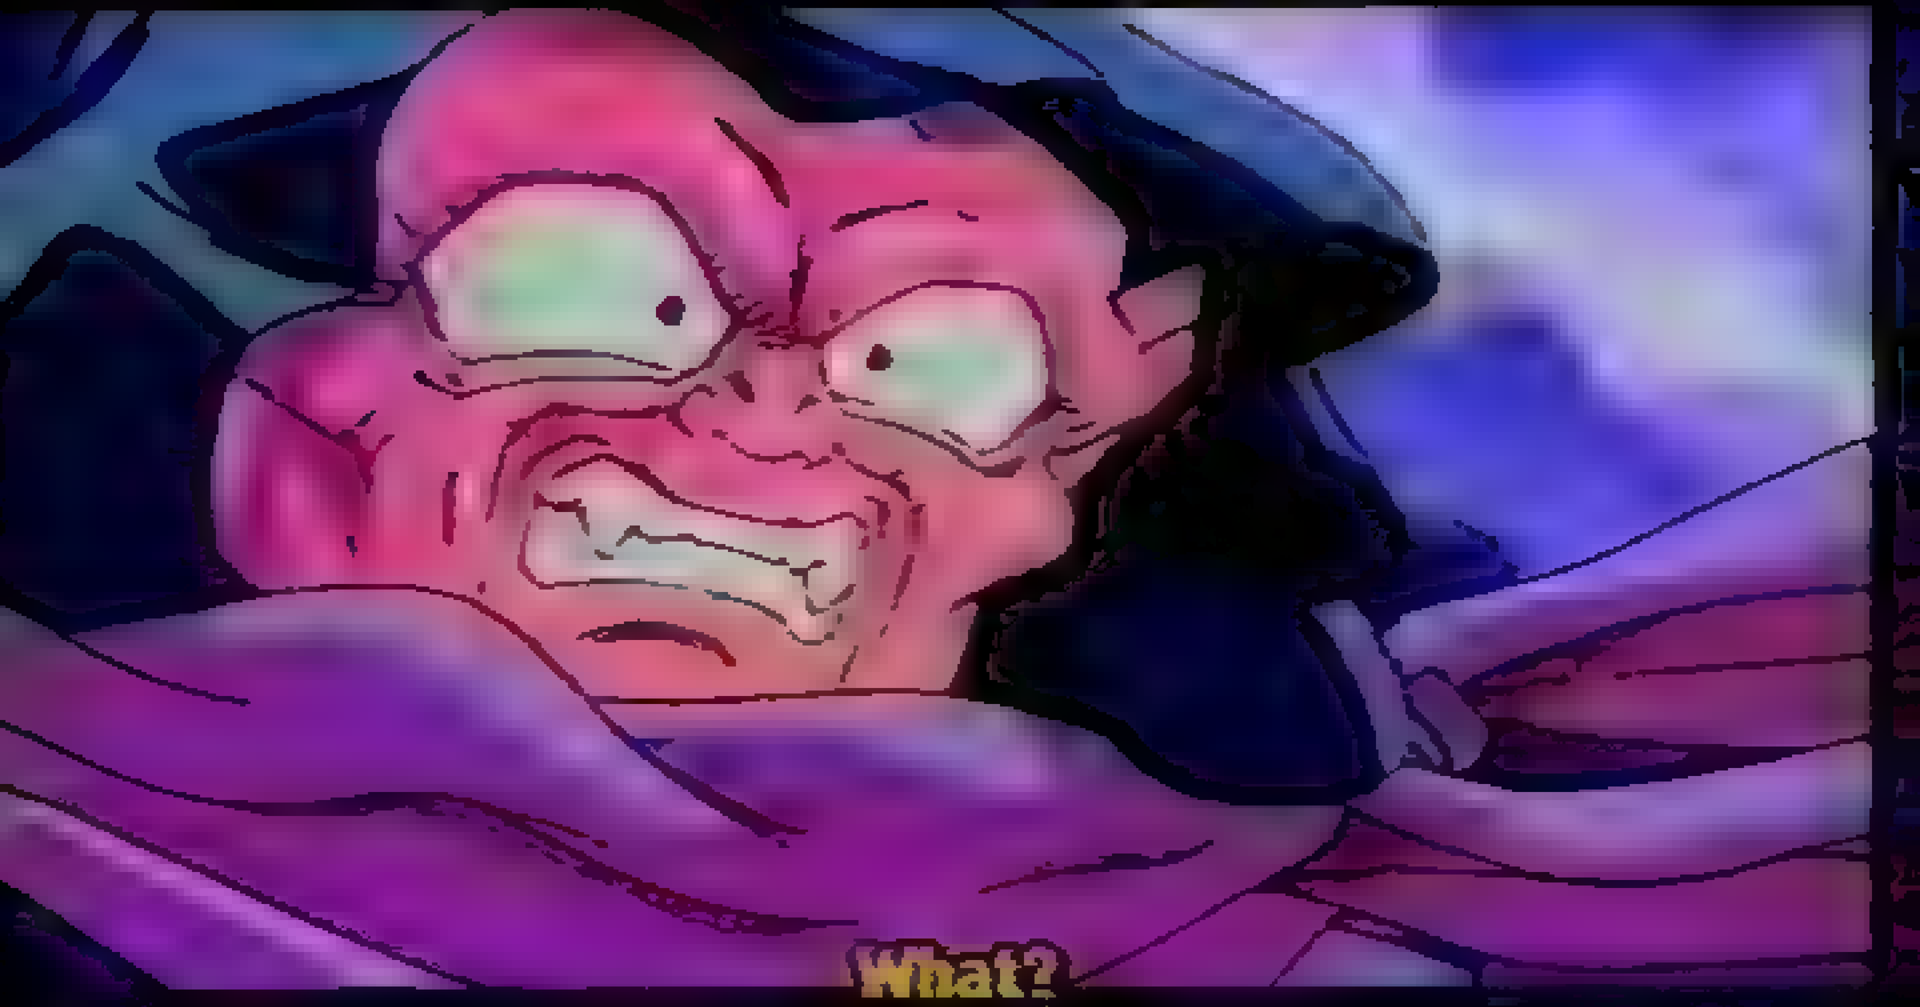

Stupid!! That's totally useless now!!

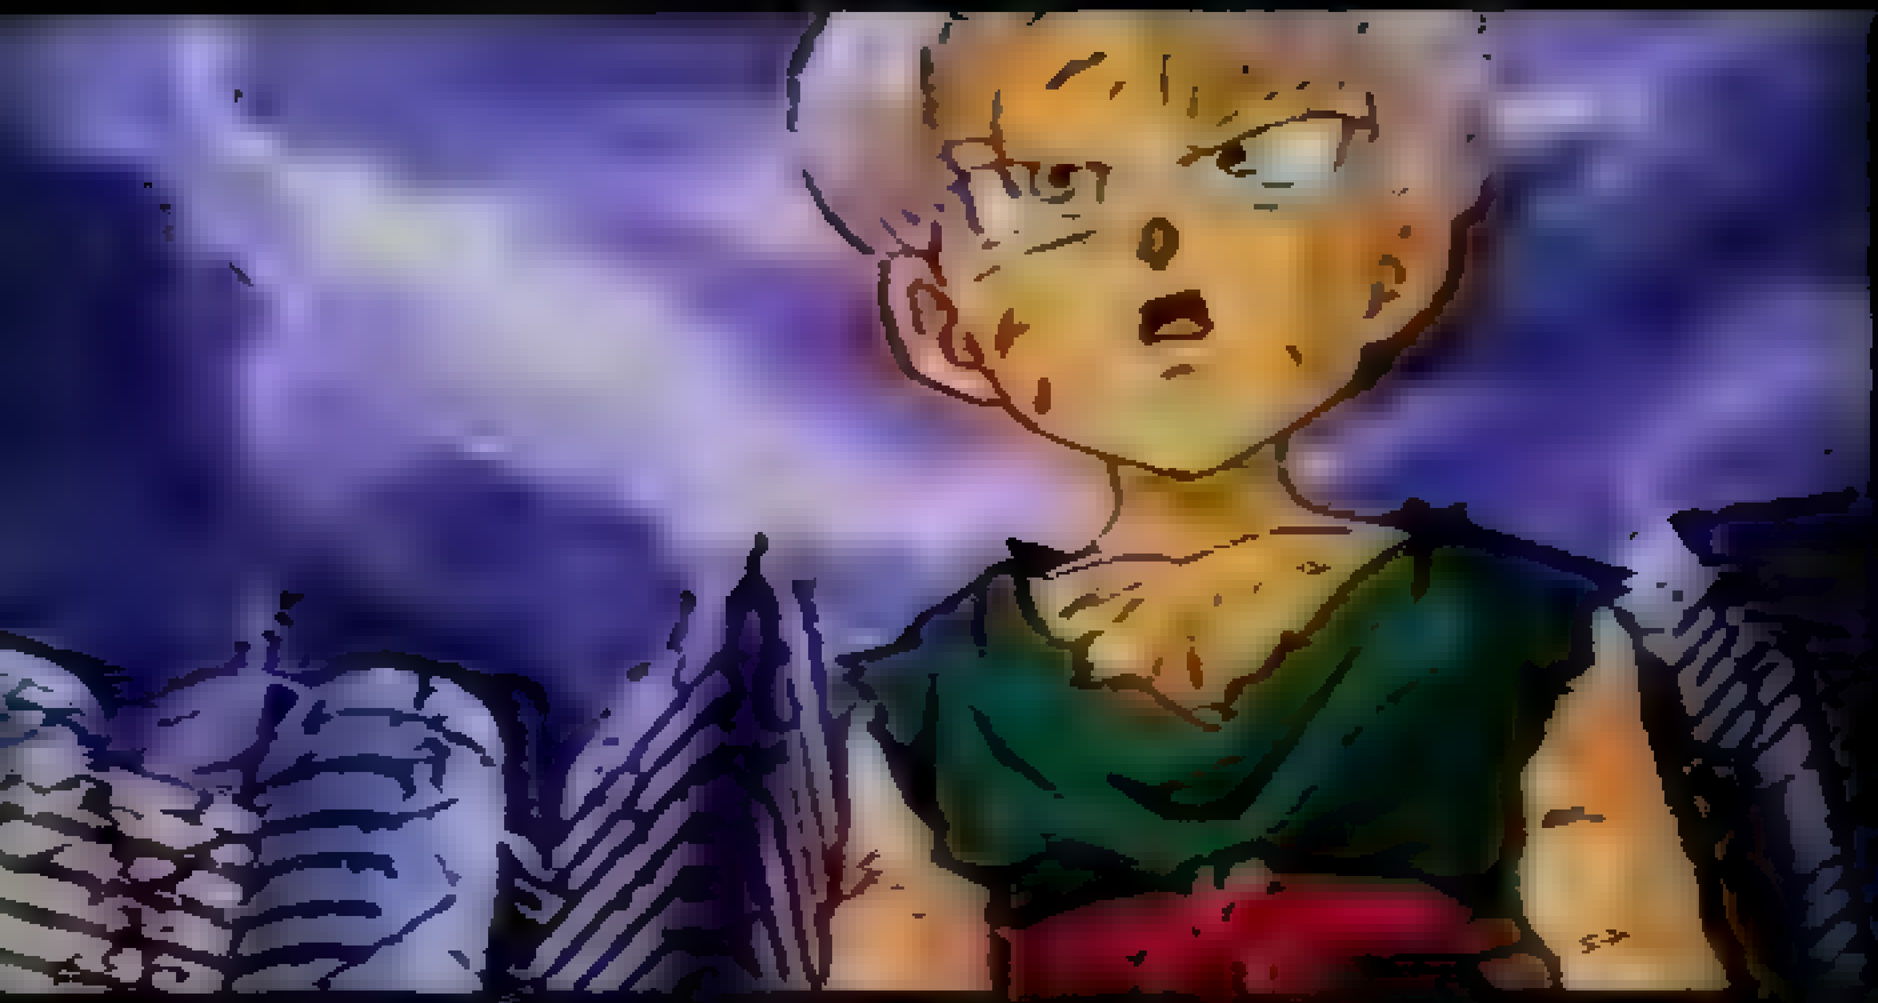

Stupid!! That's totally useless now!!

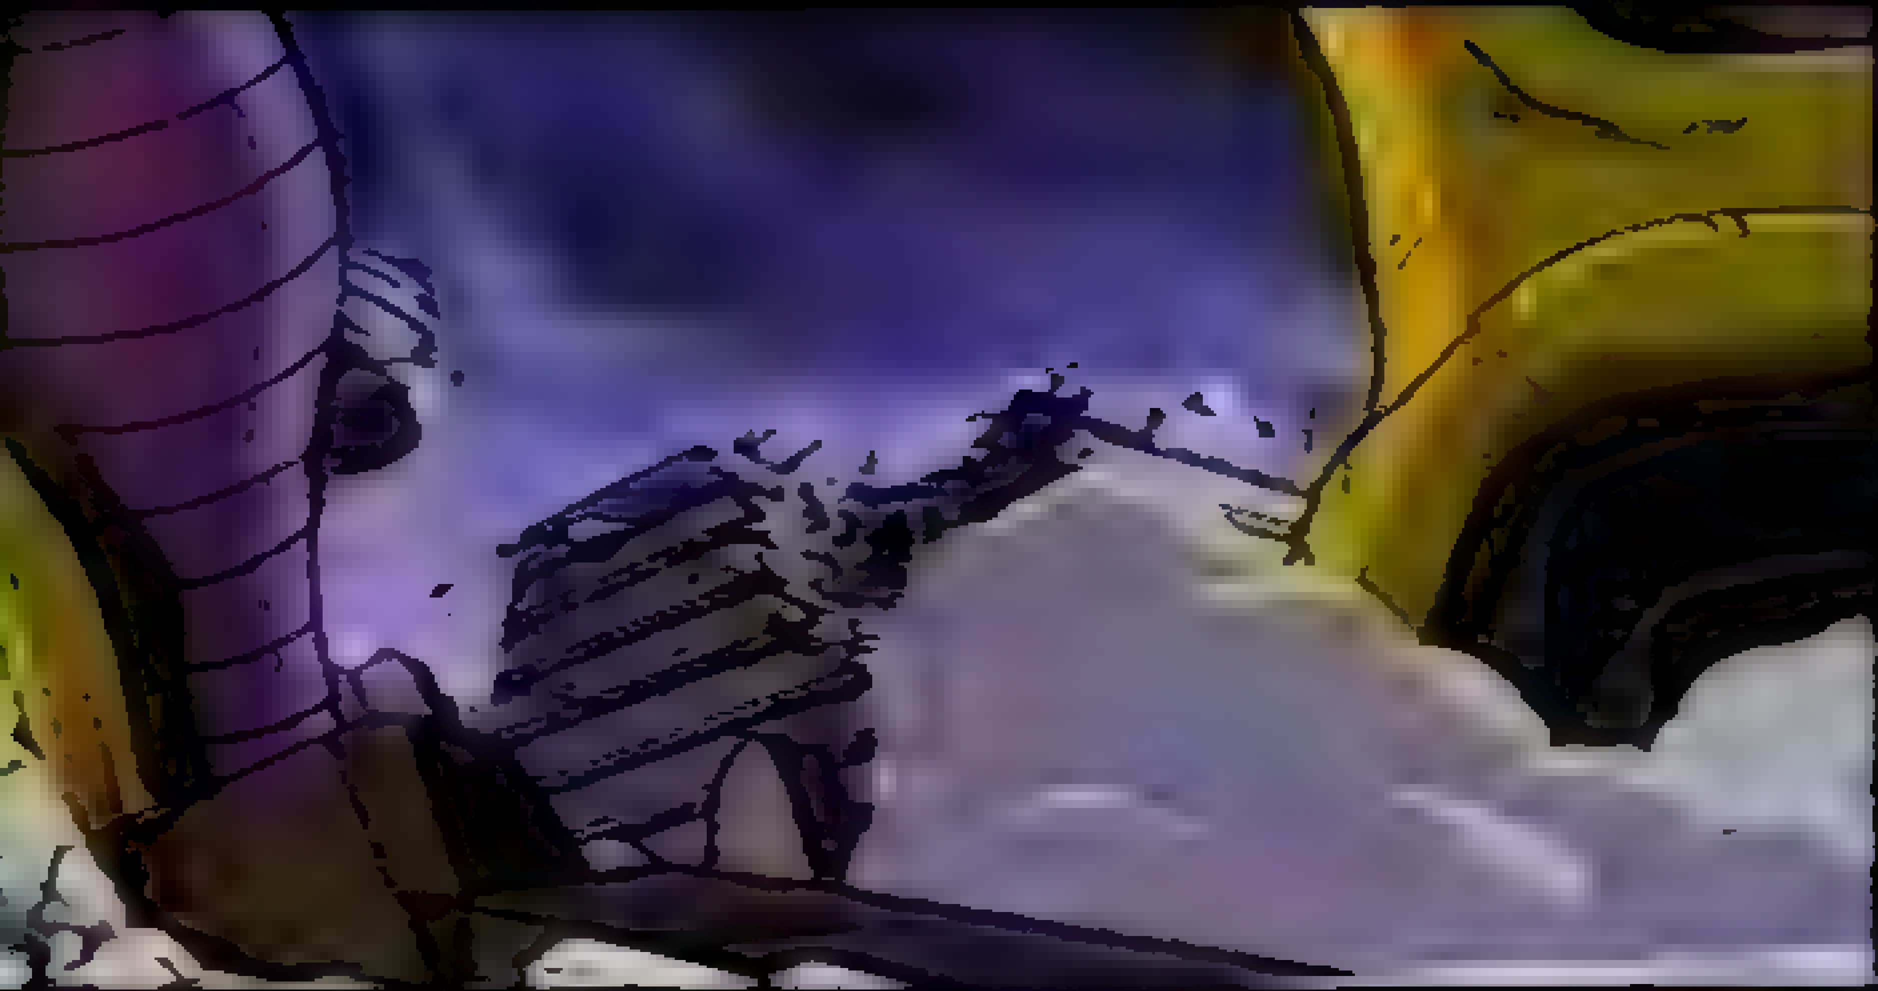

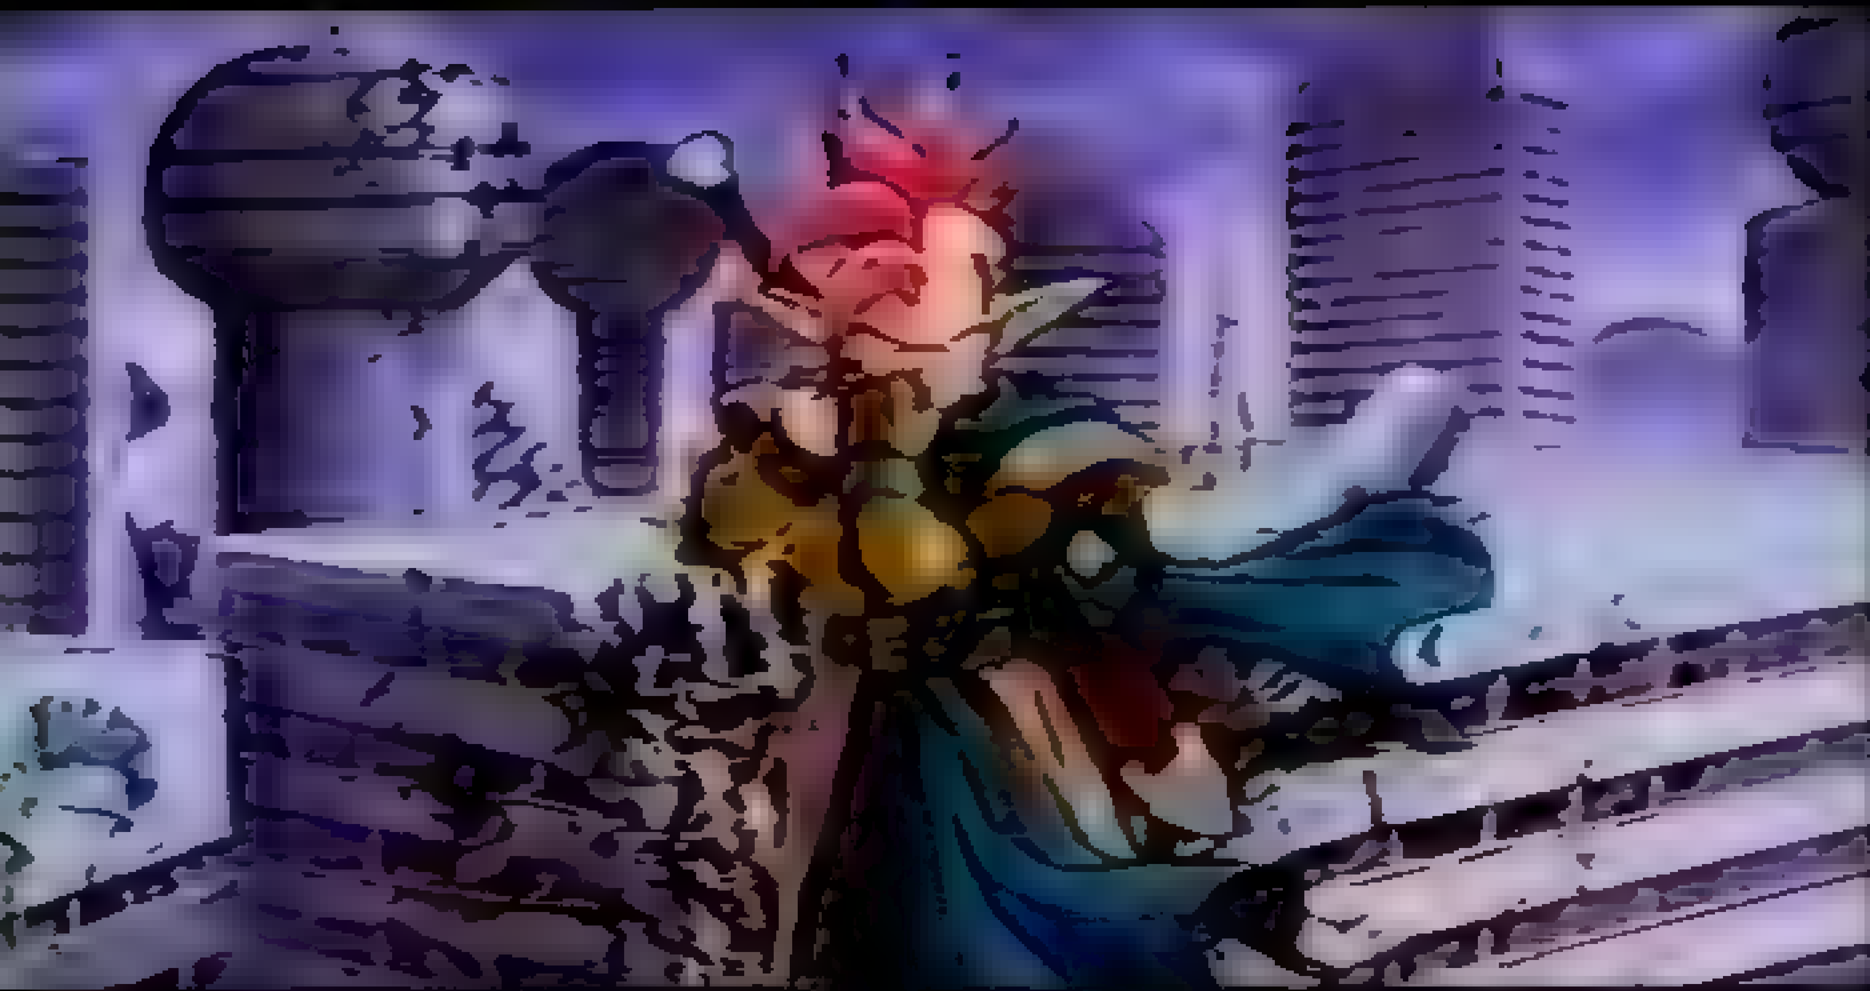

What?

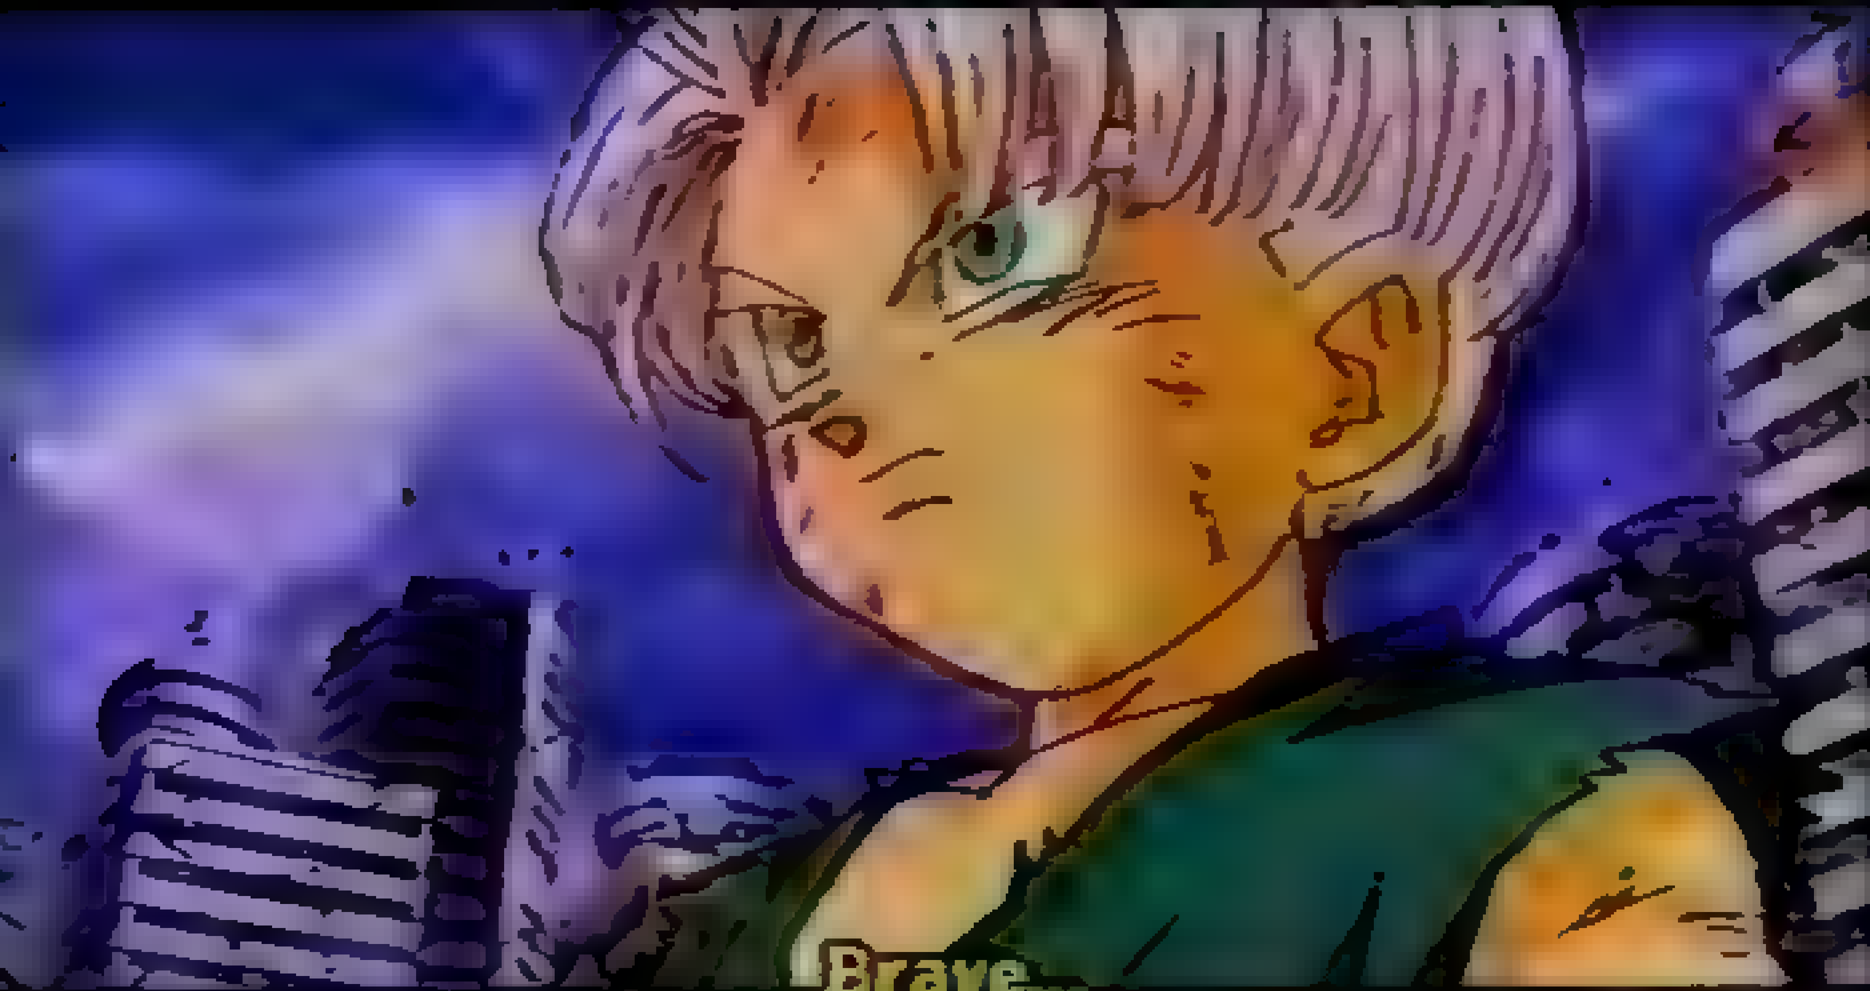

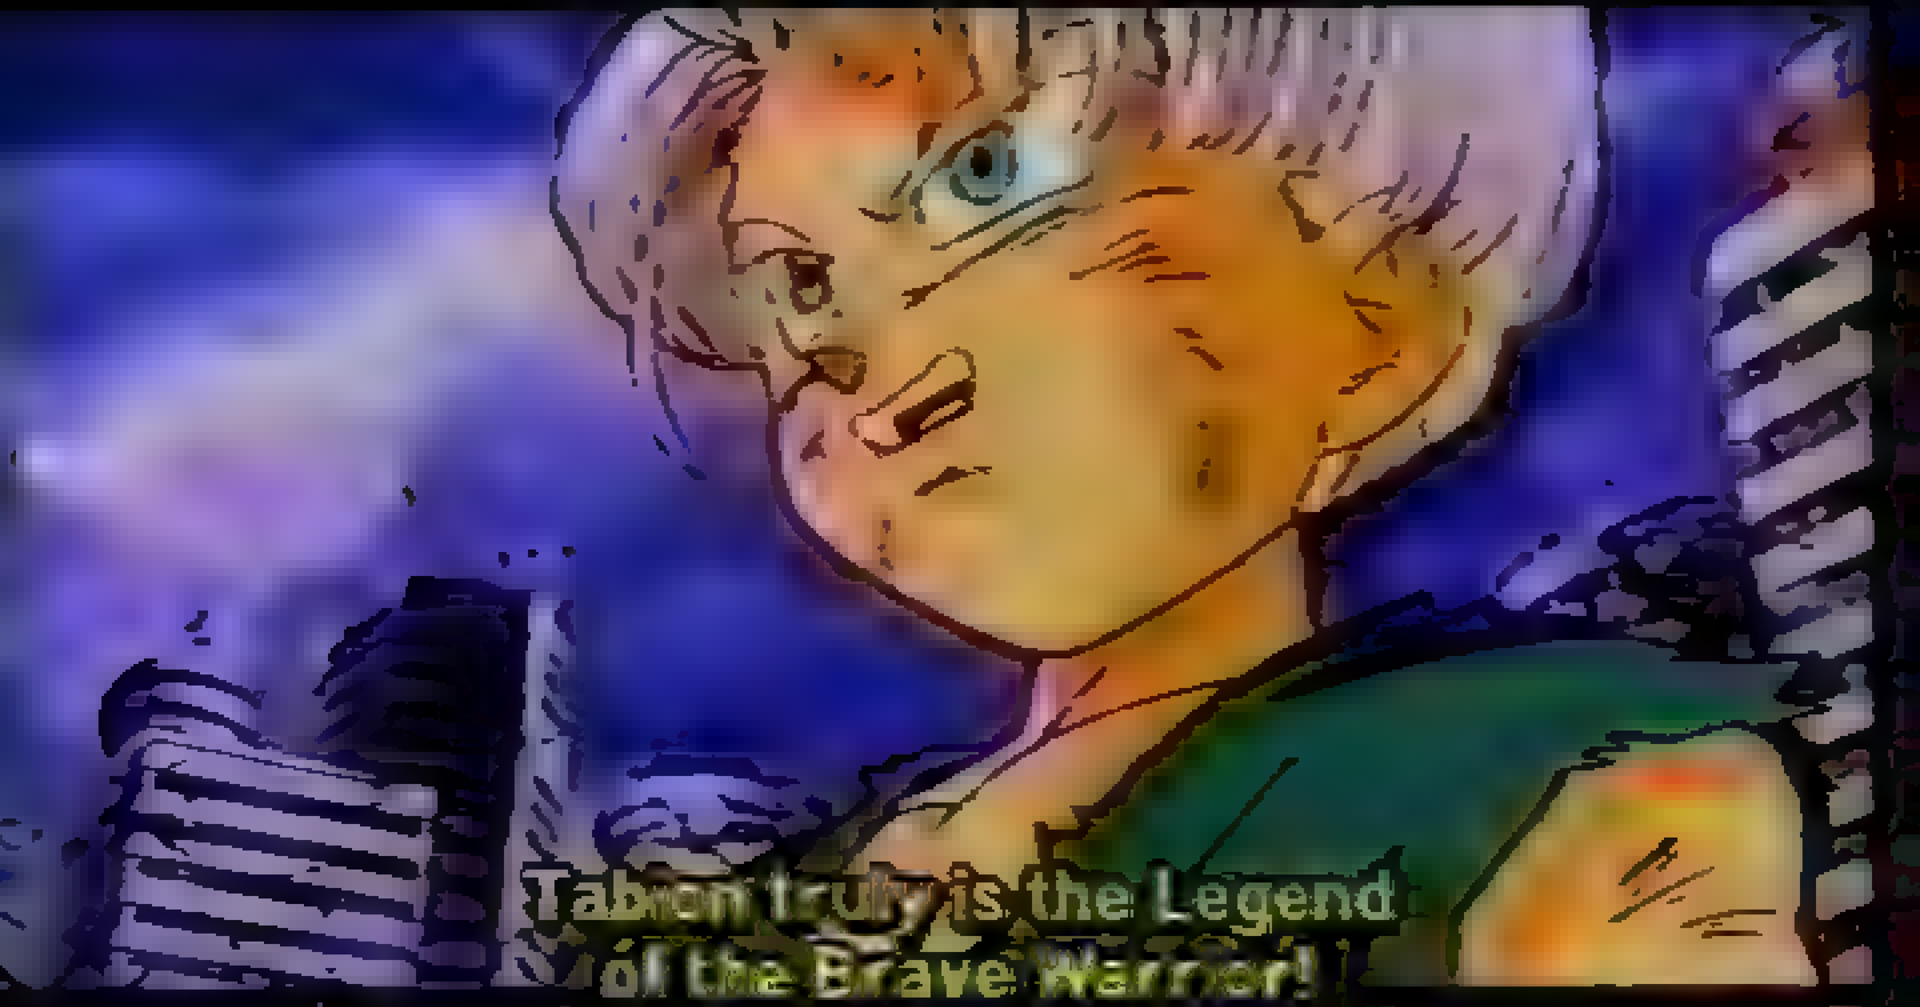

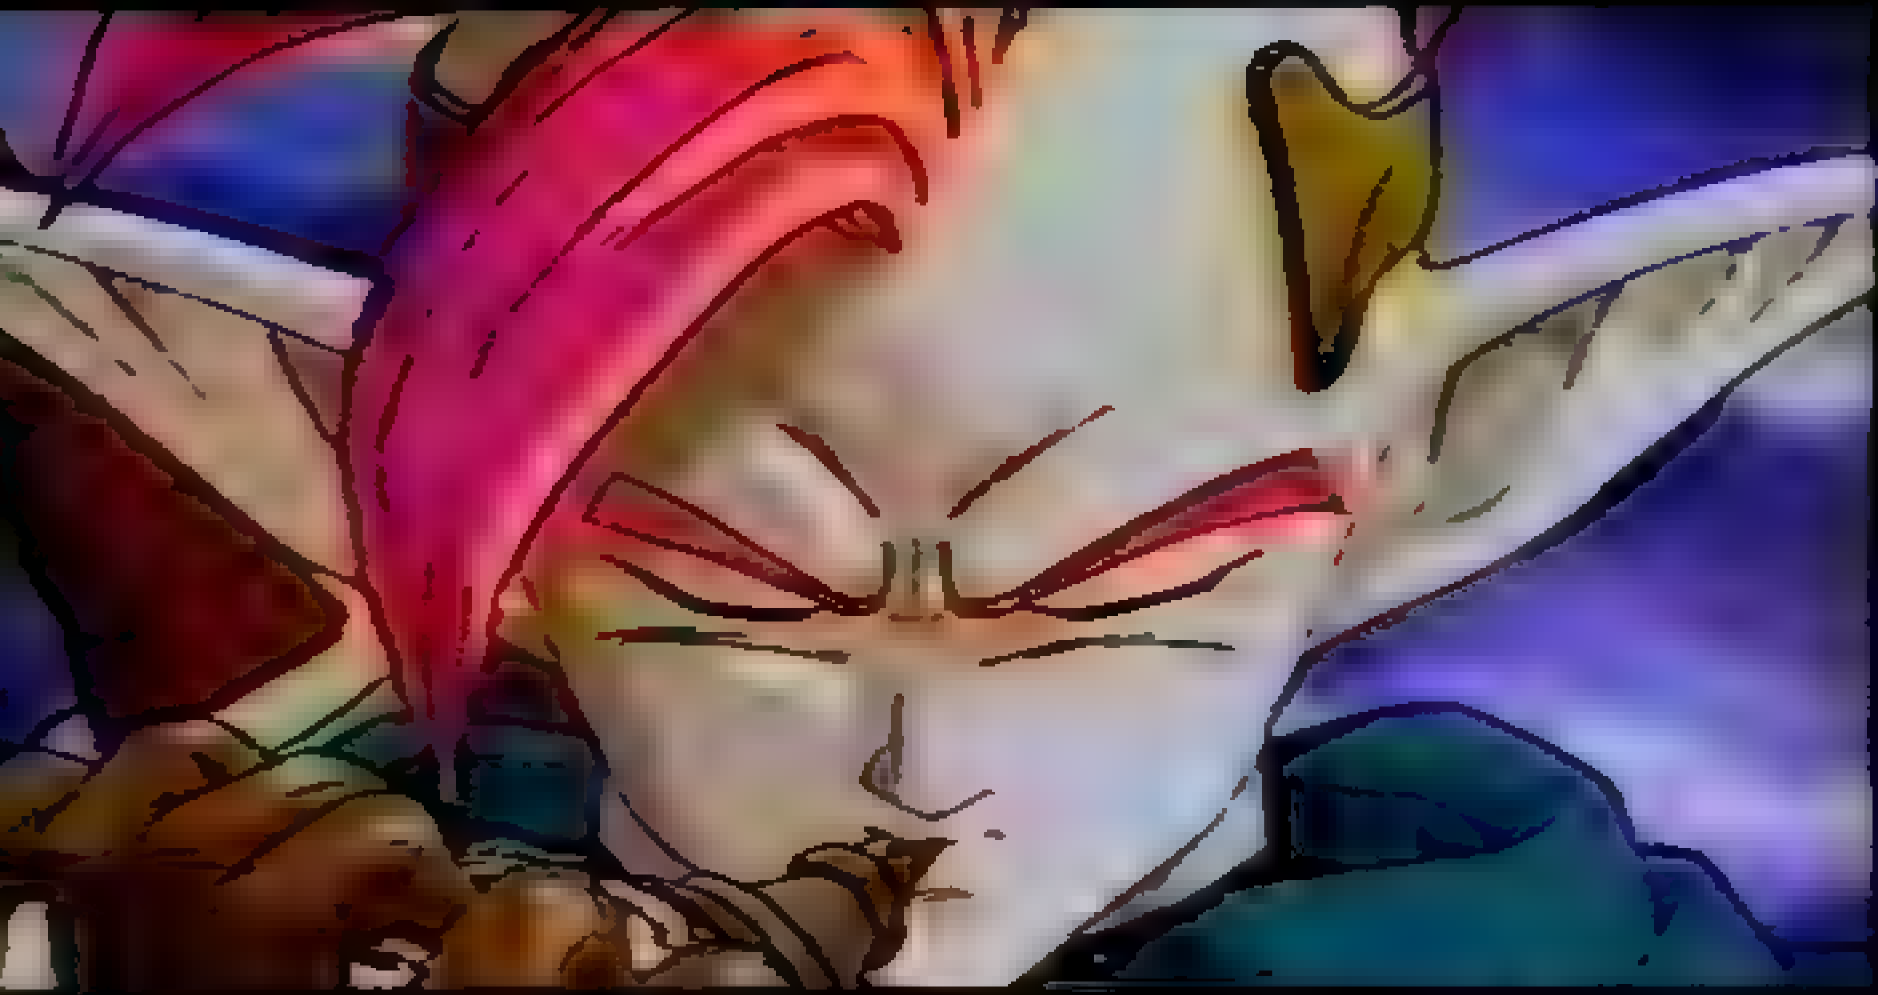

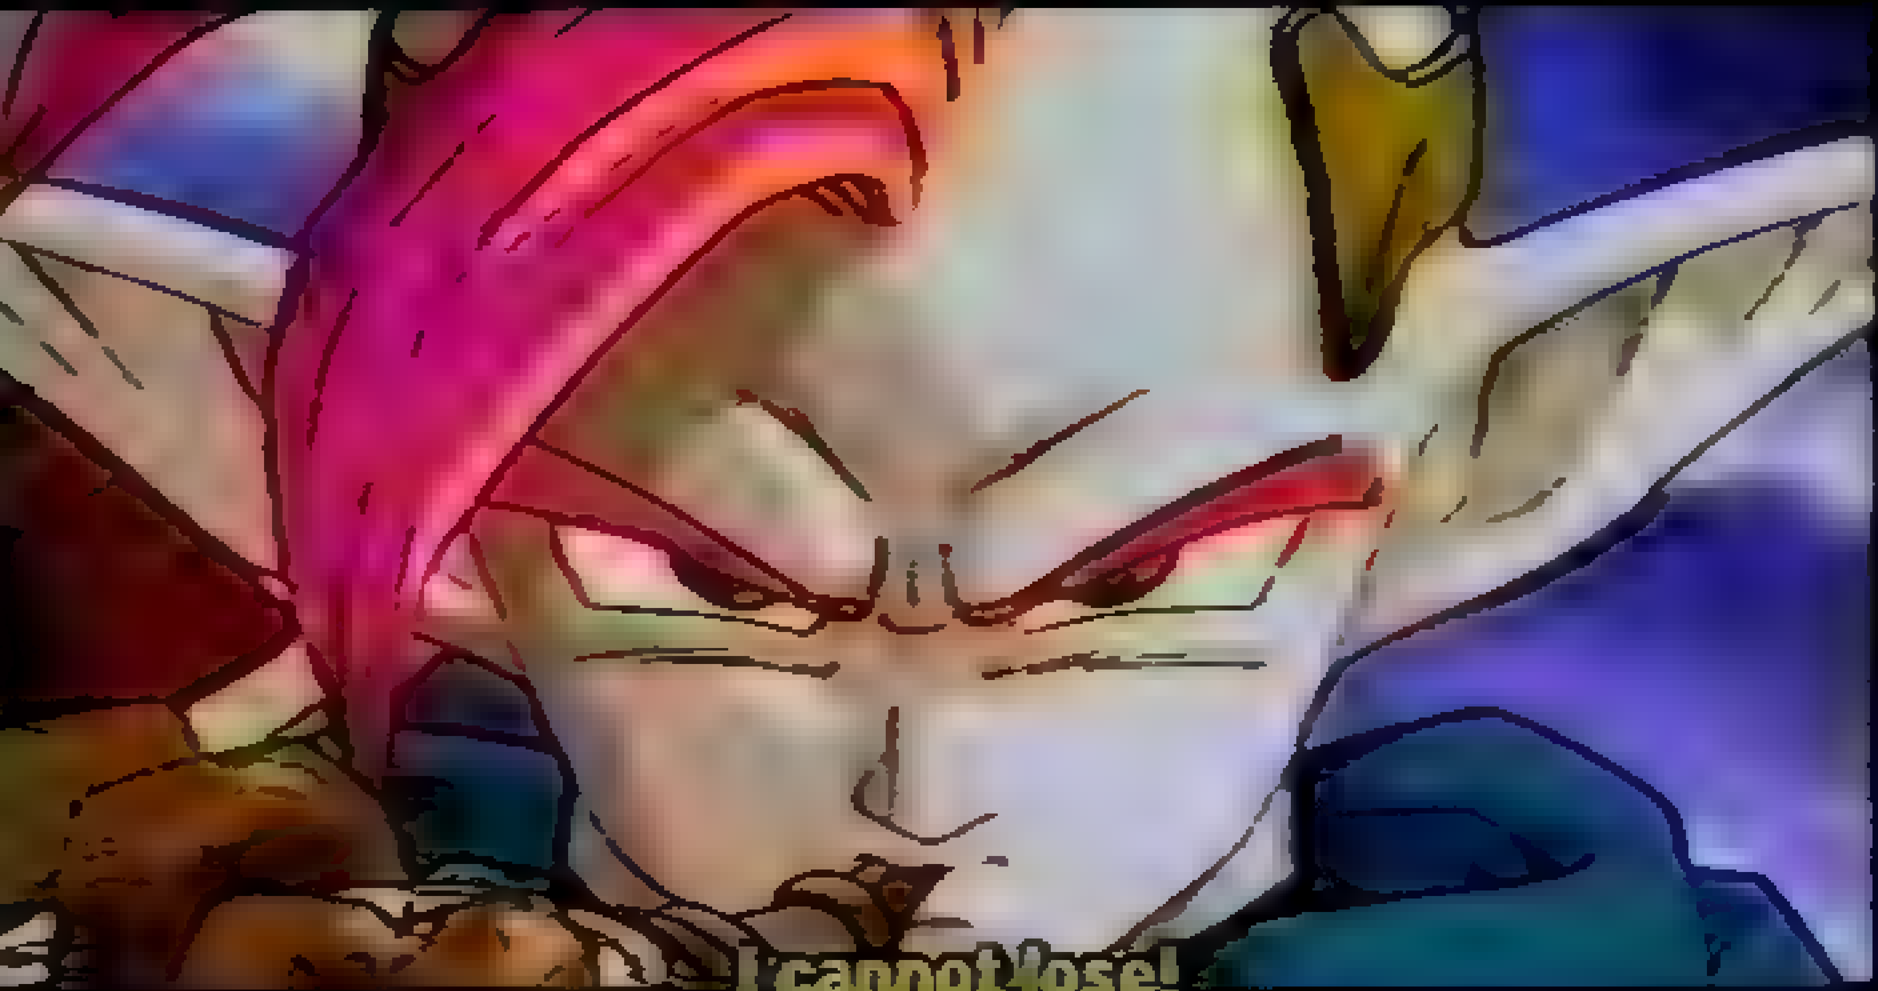

Brave...

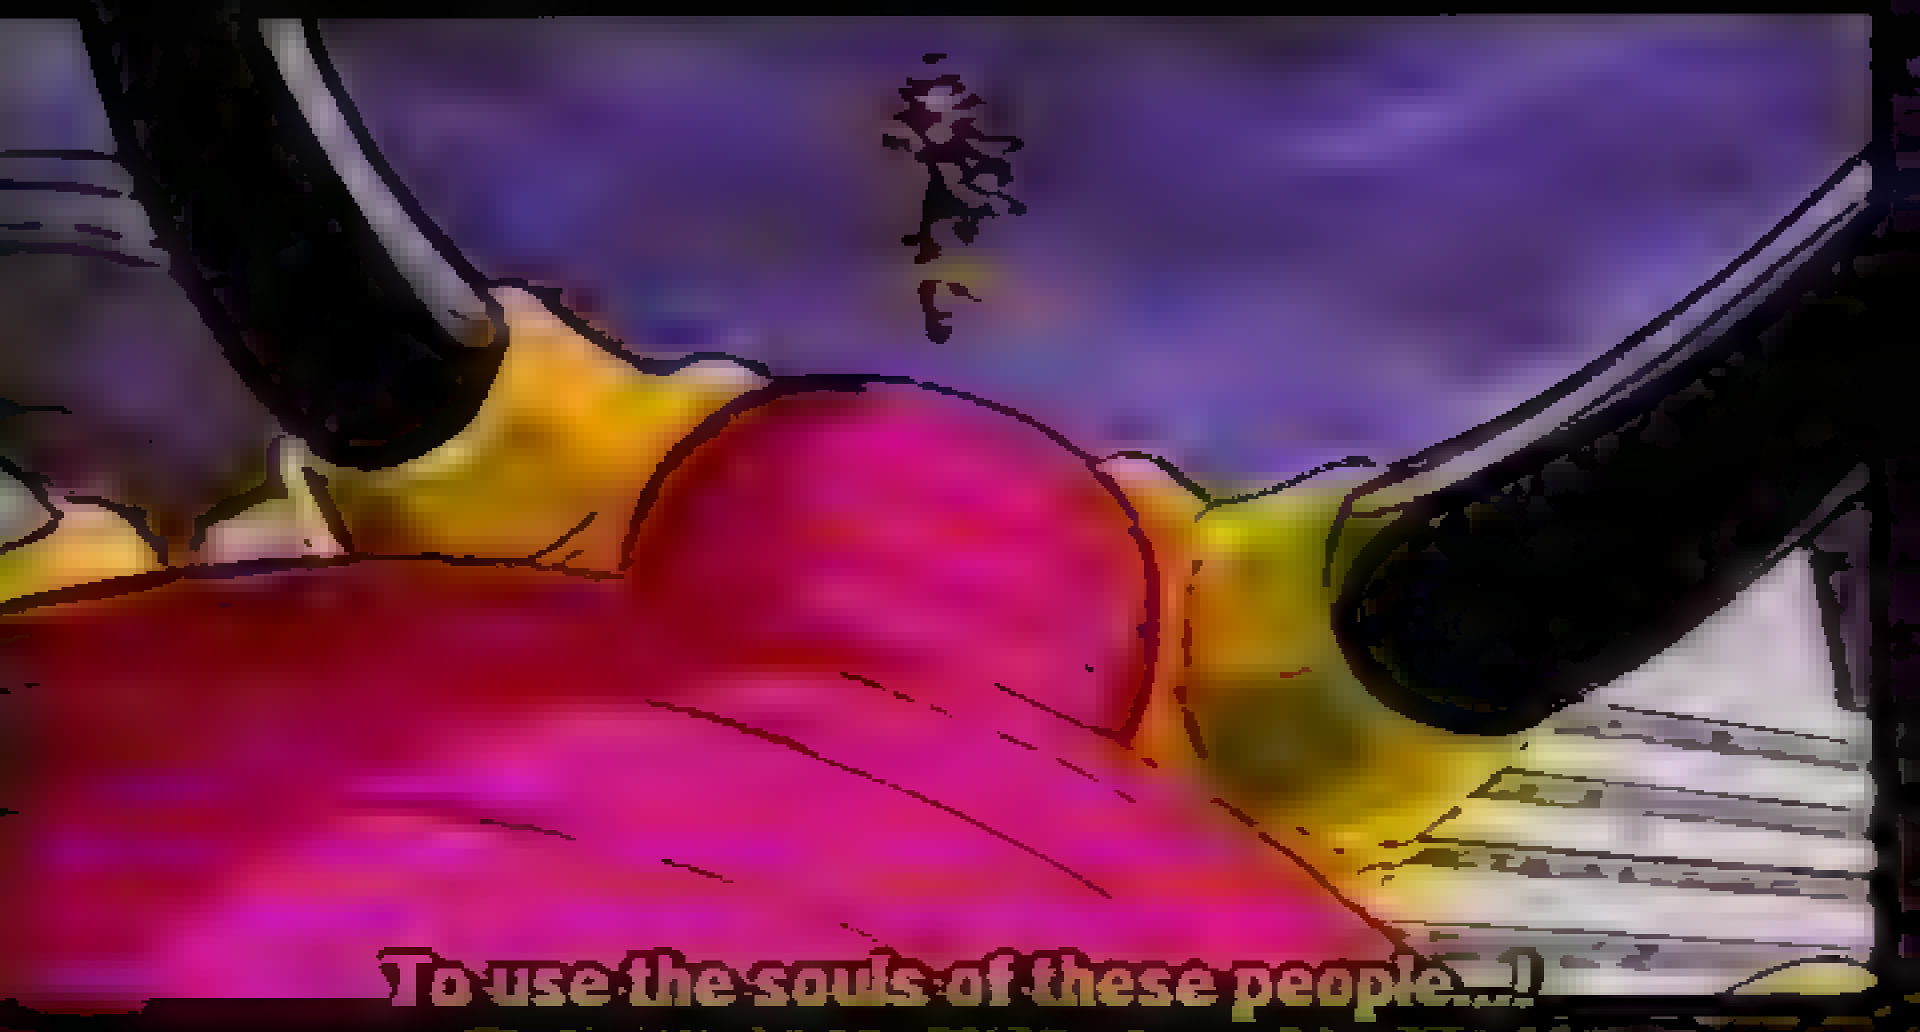

Tabion truly is the Legend
of the Brave Warrior!

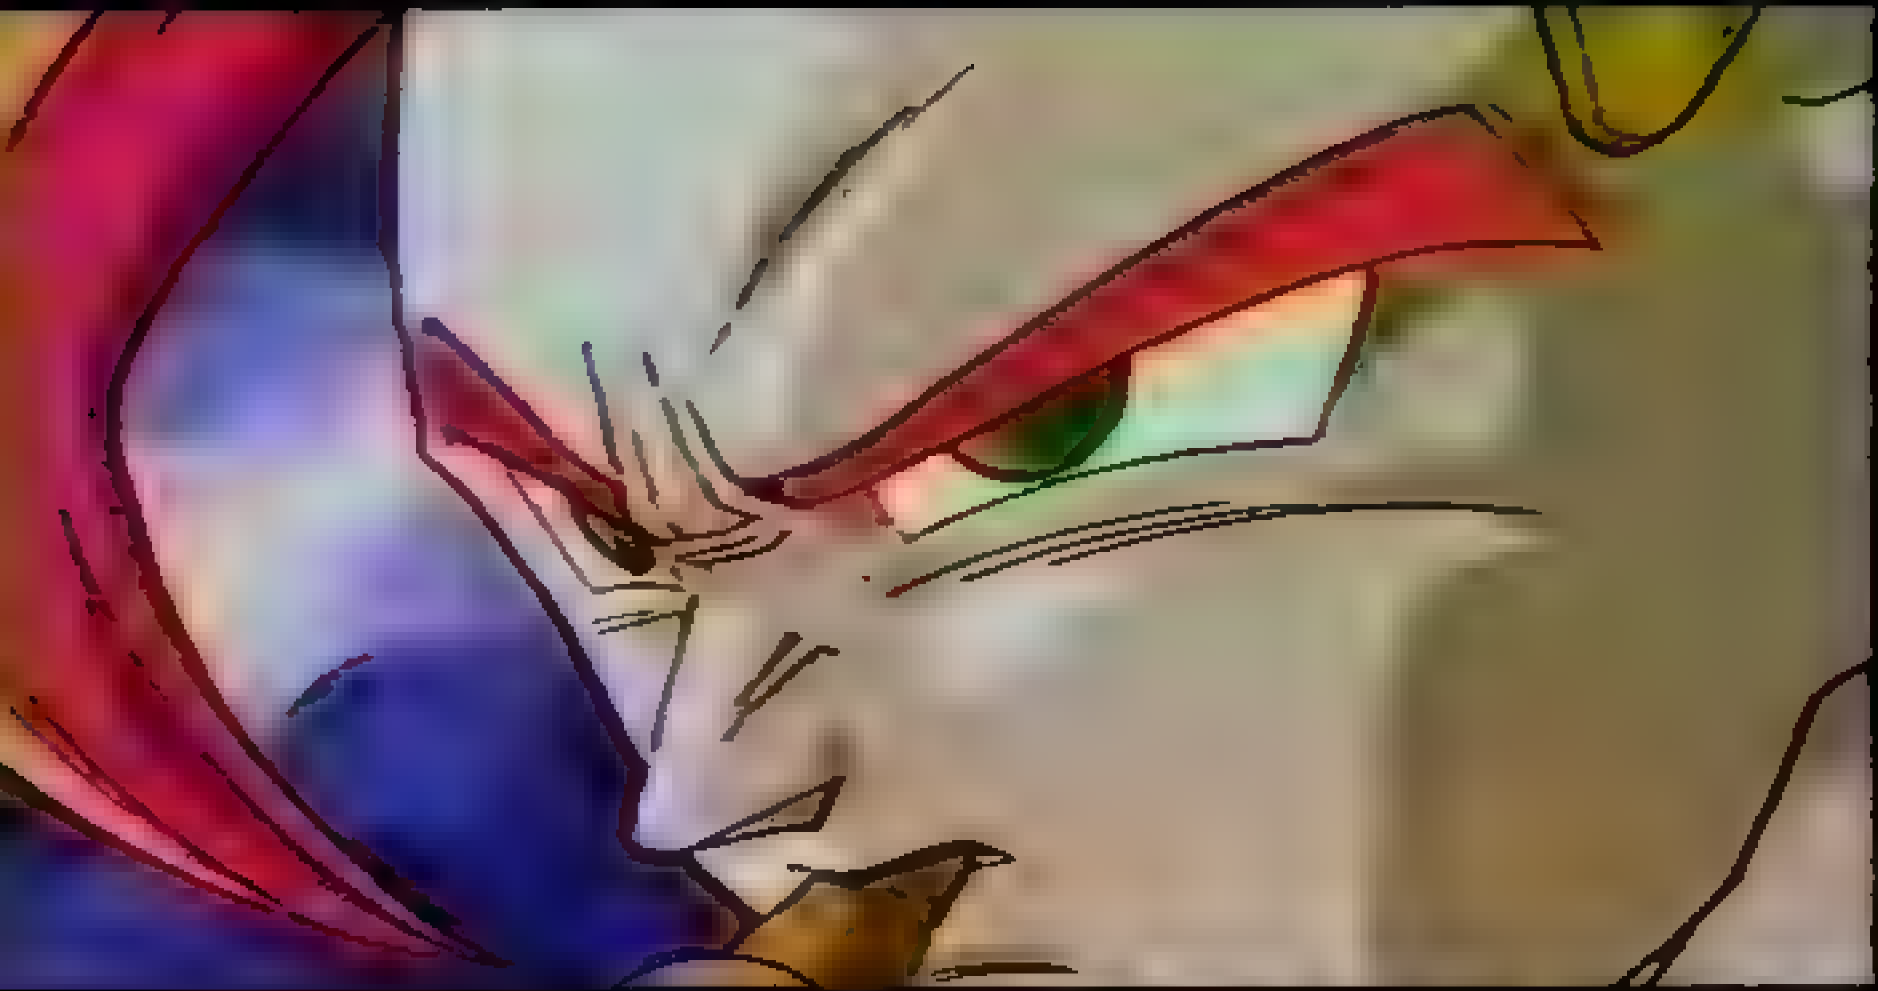

I cannot lose!

To use the souls of these people...!

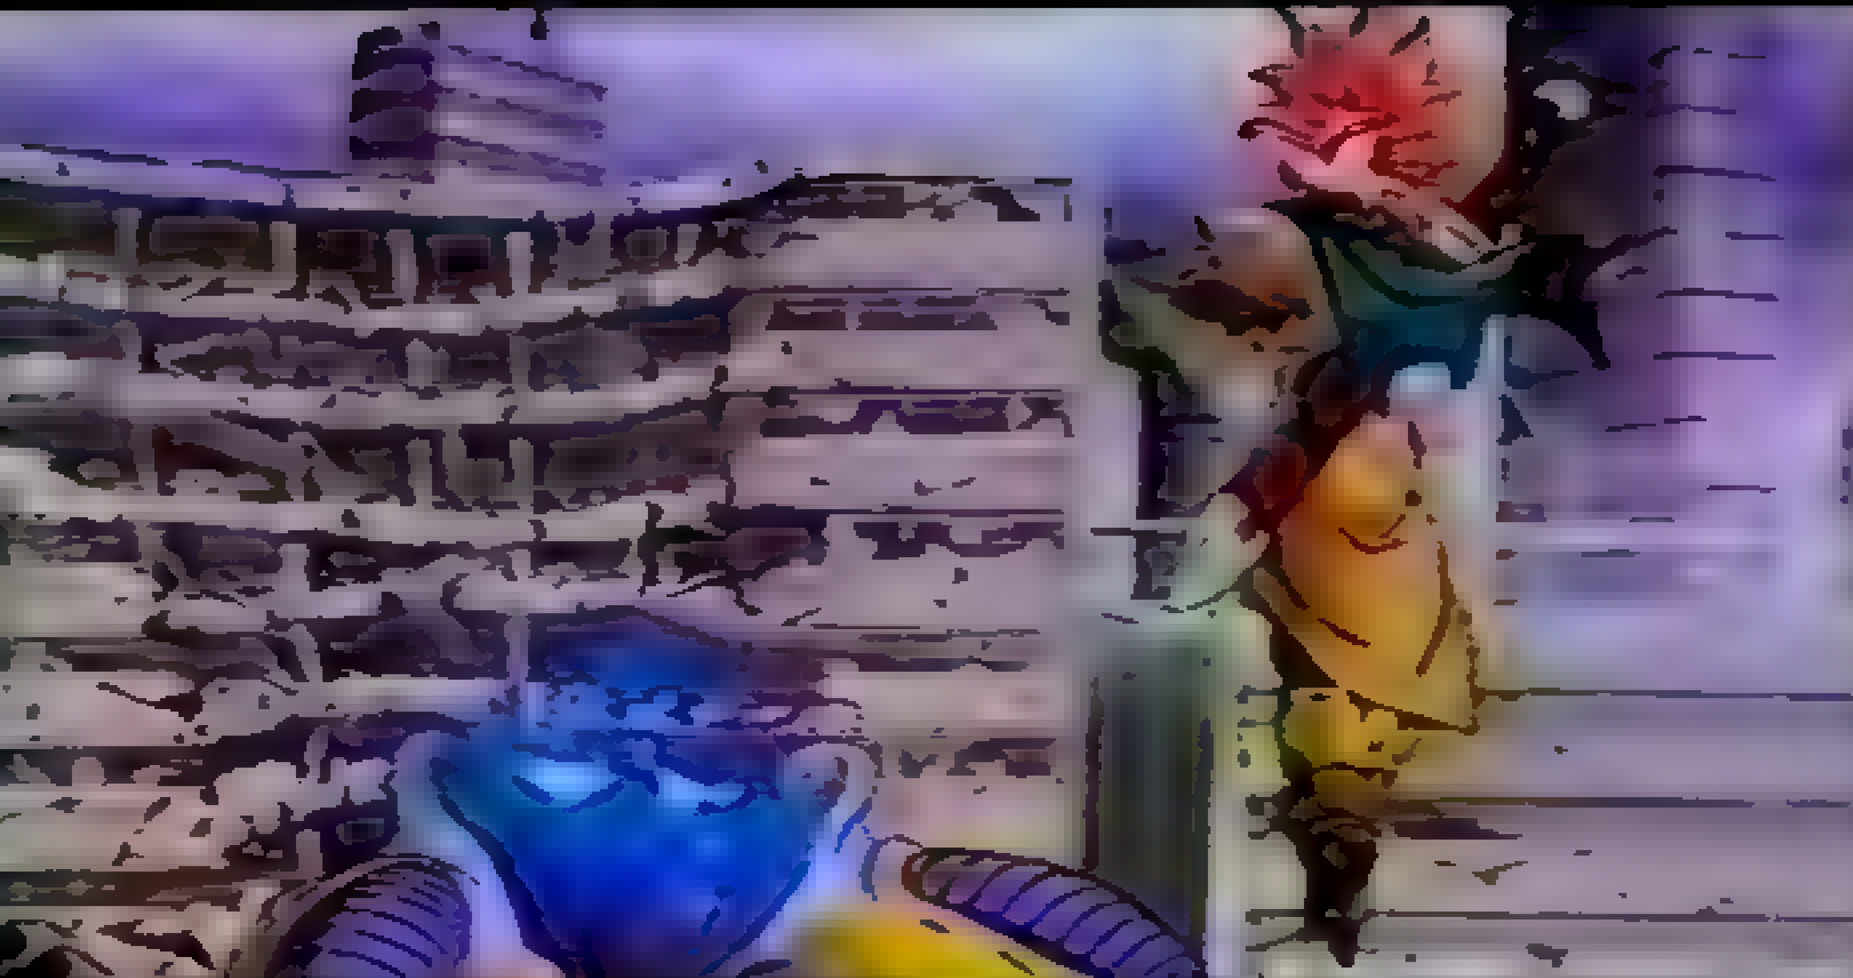

I must put a stop to all of this!!

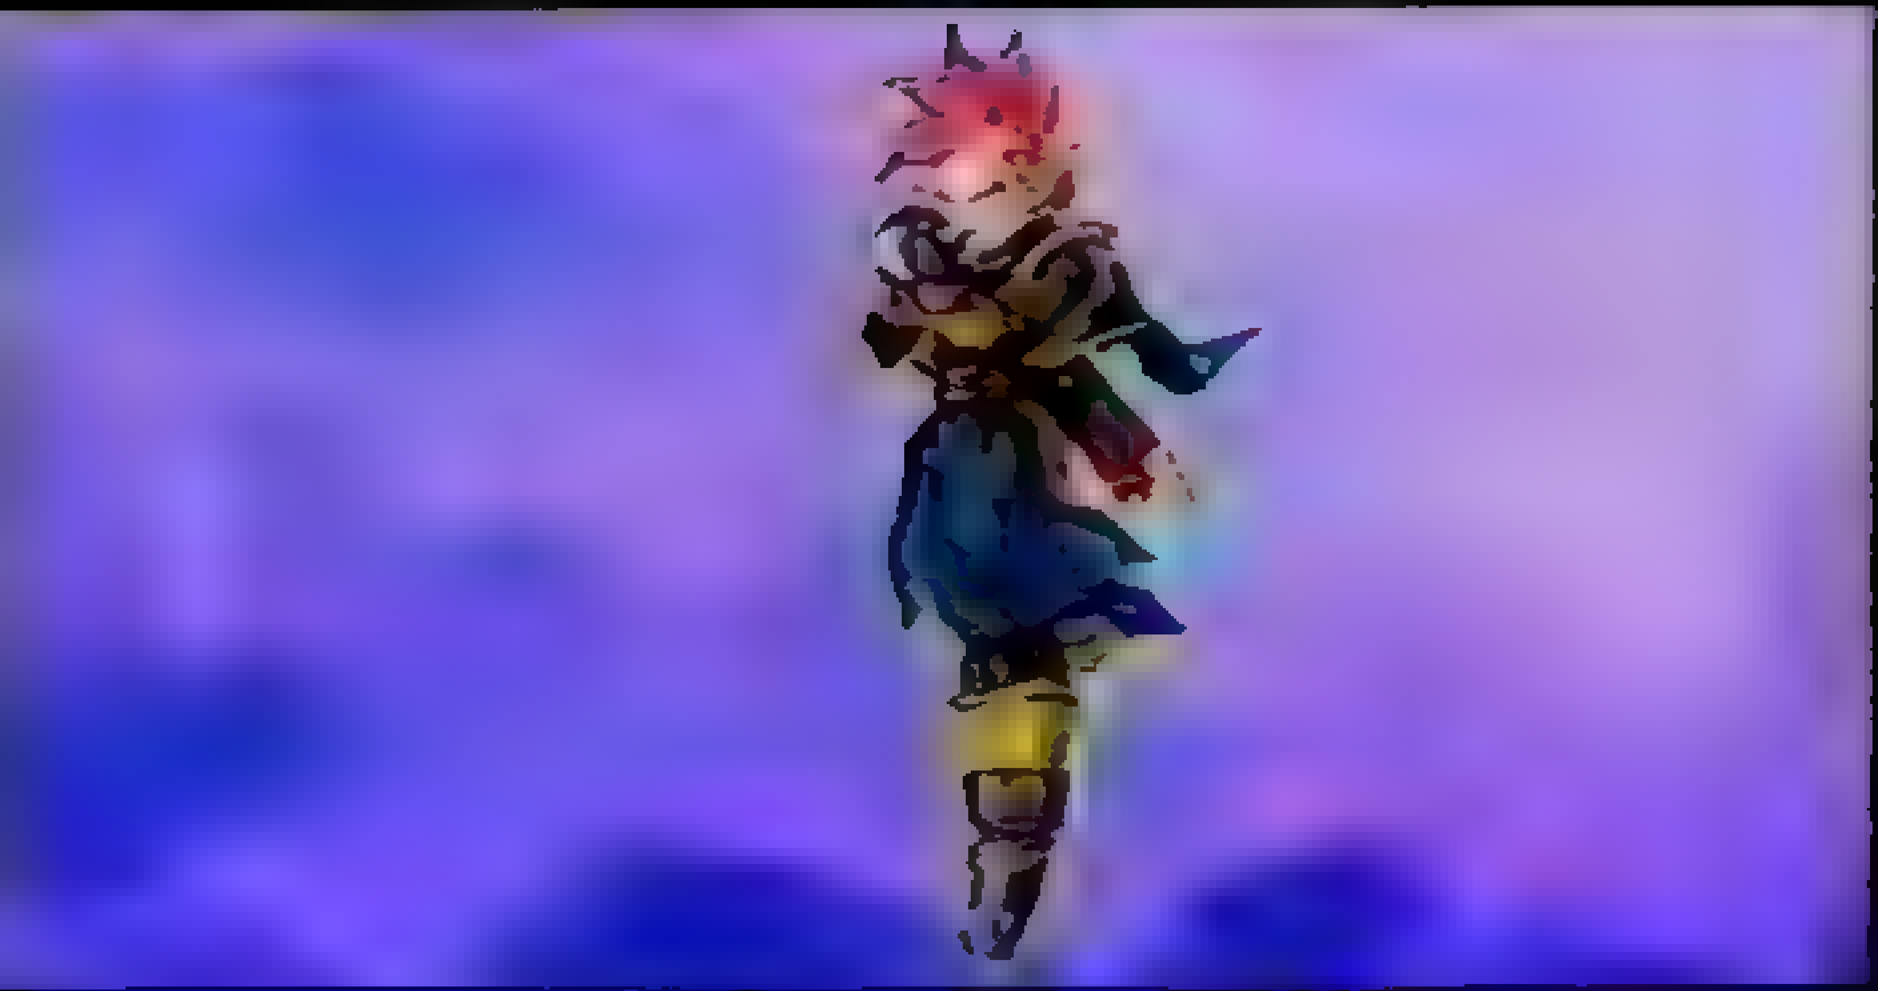

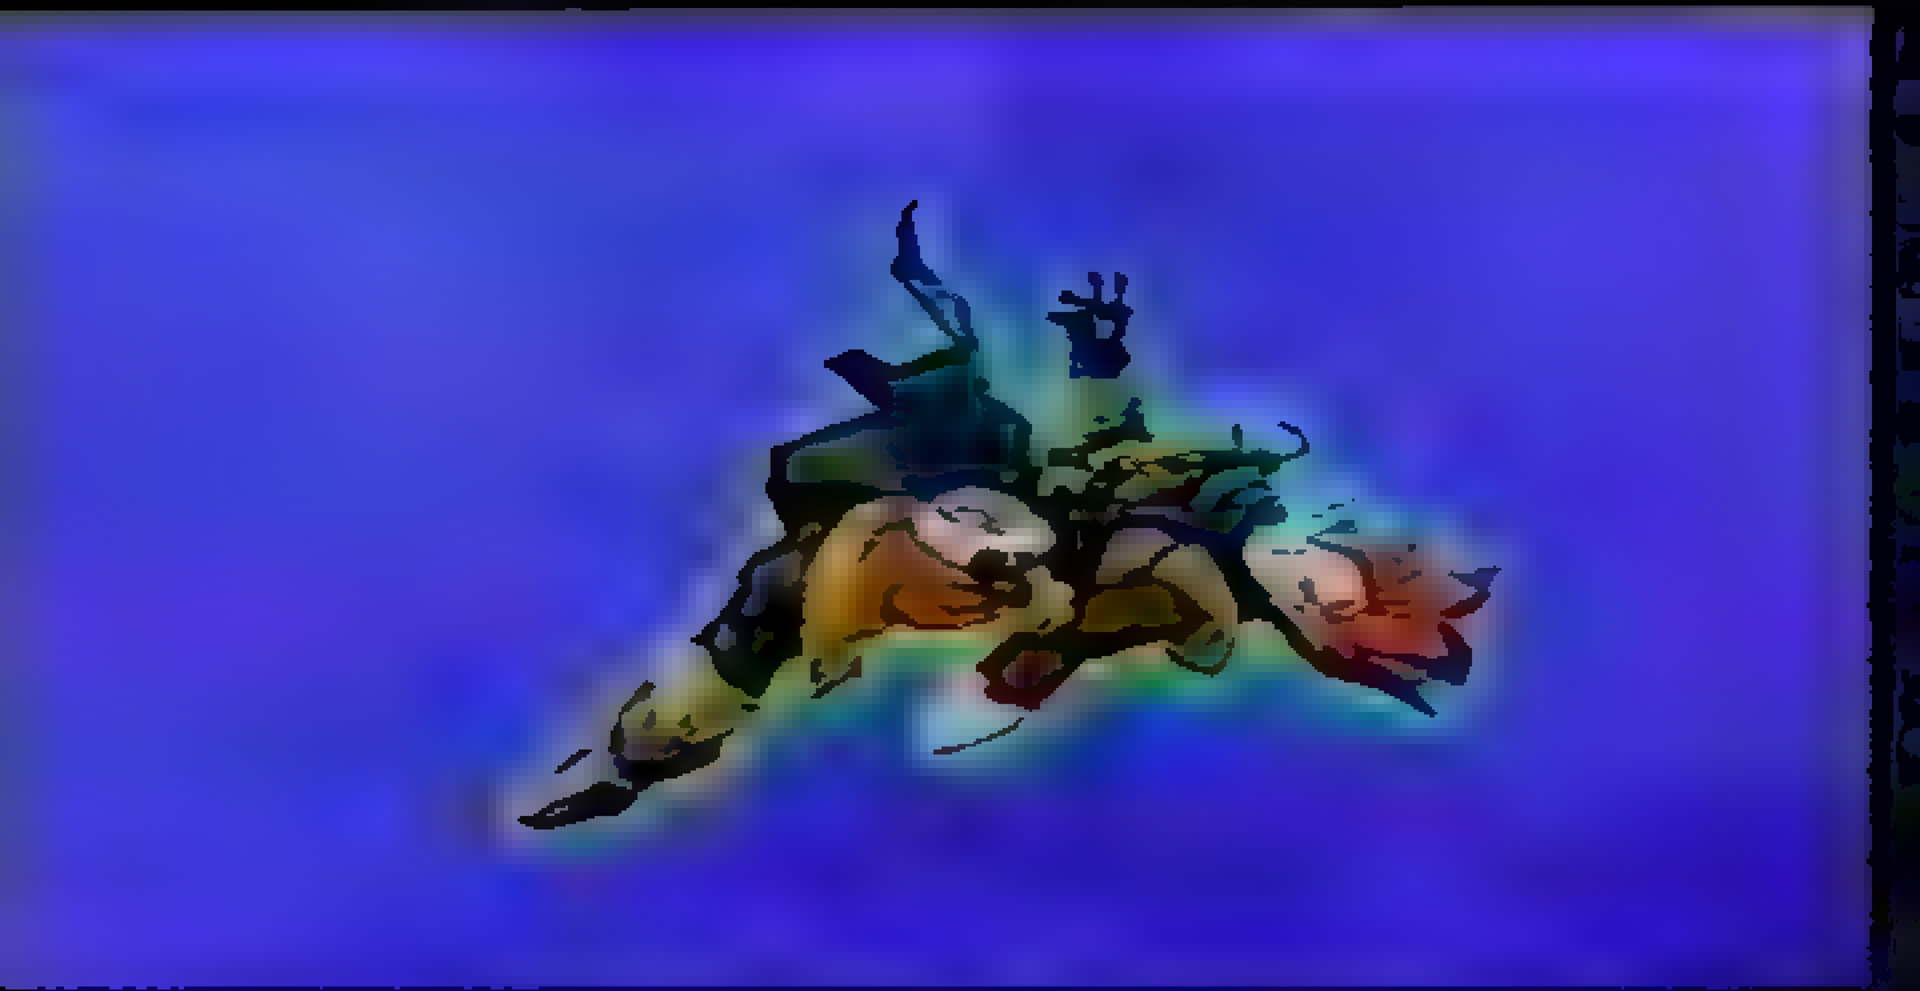

This can't be!

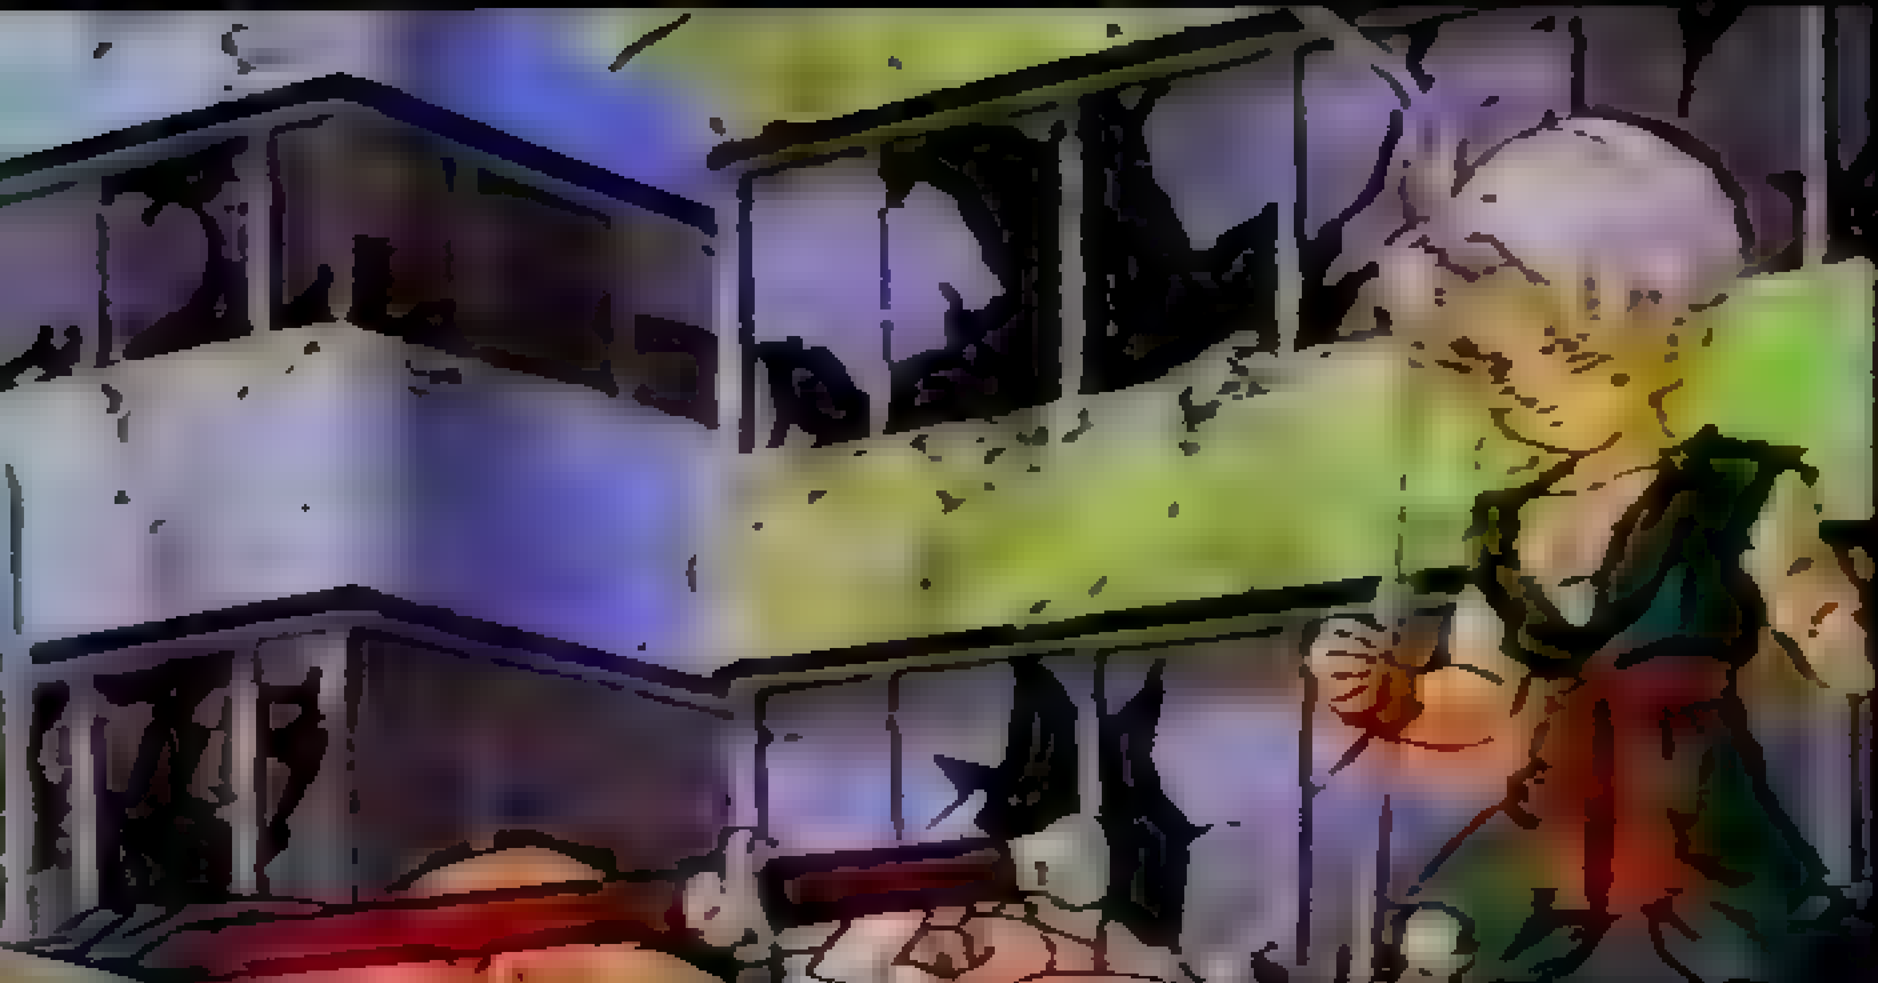

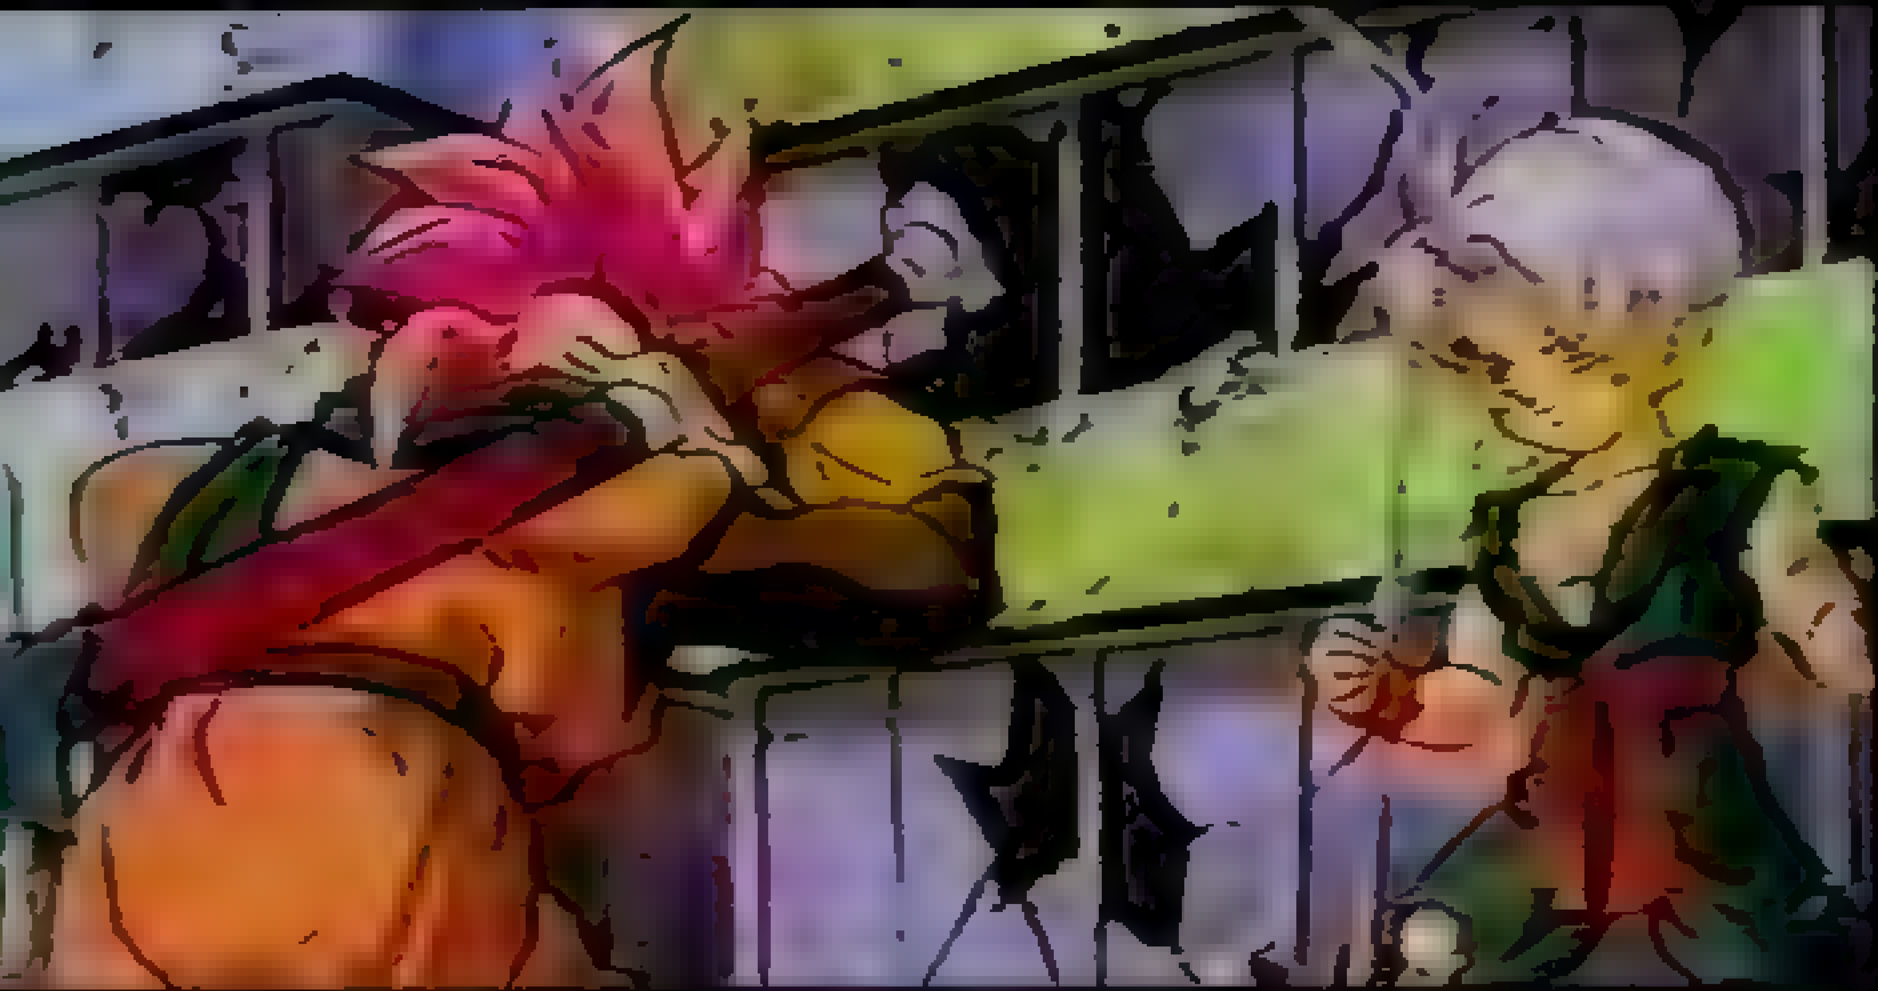

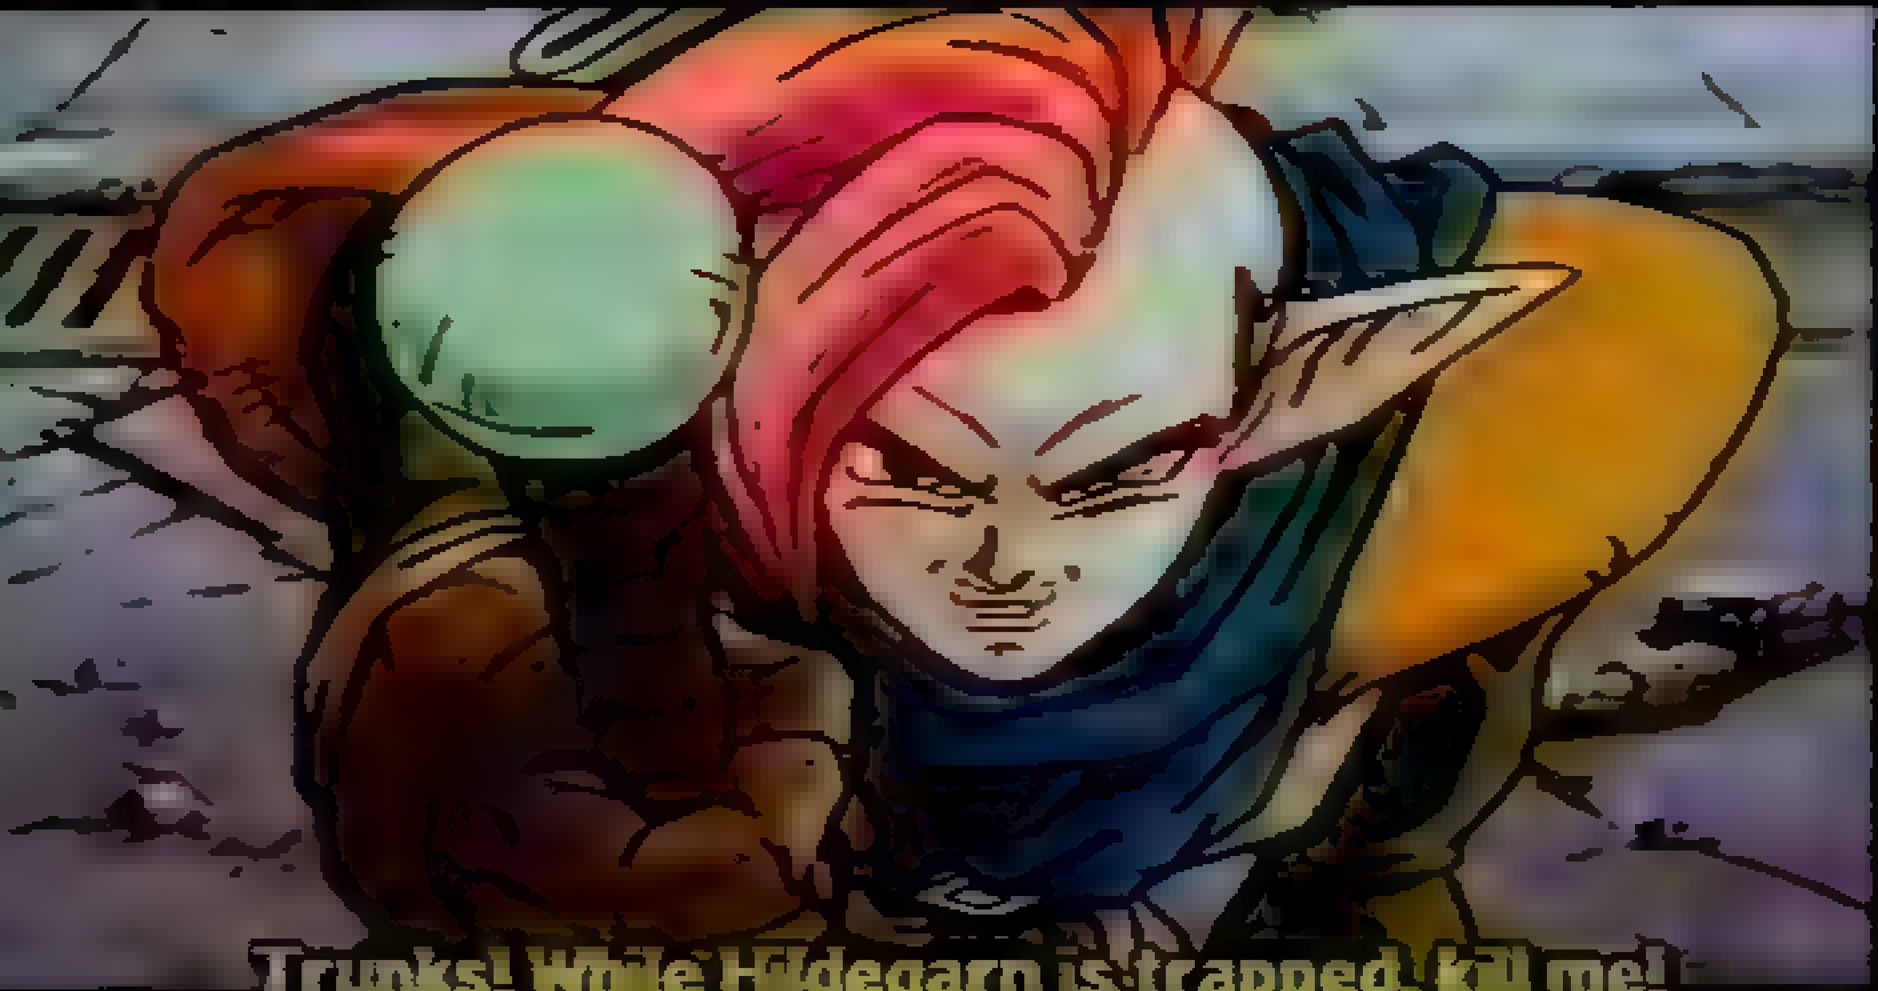

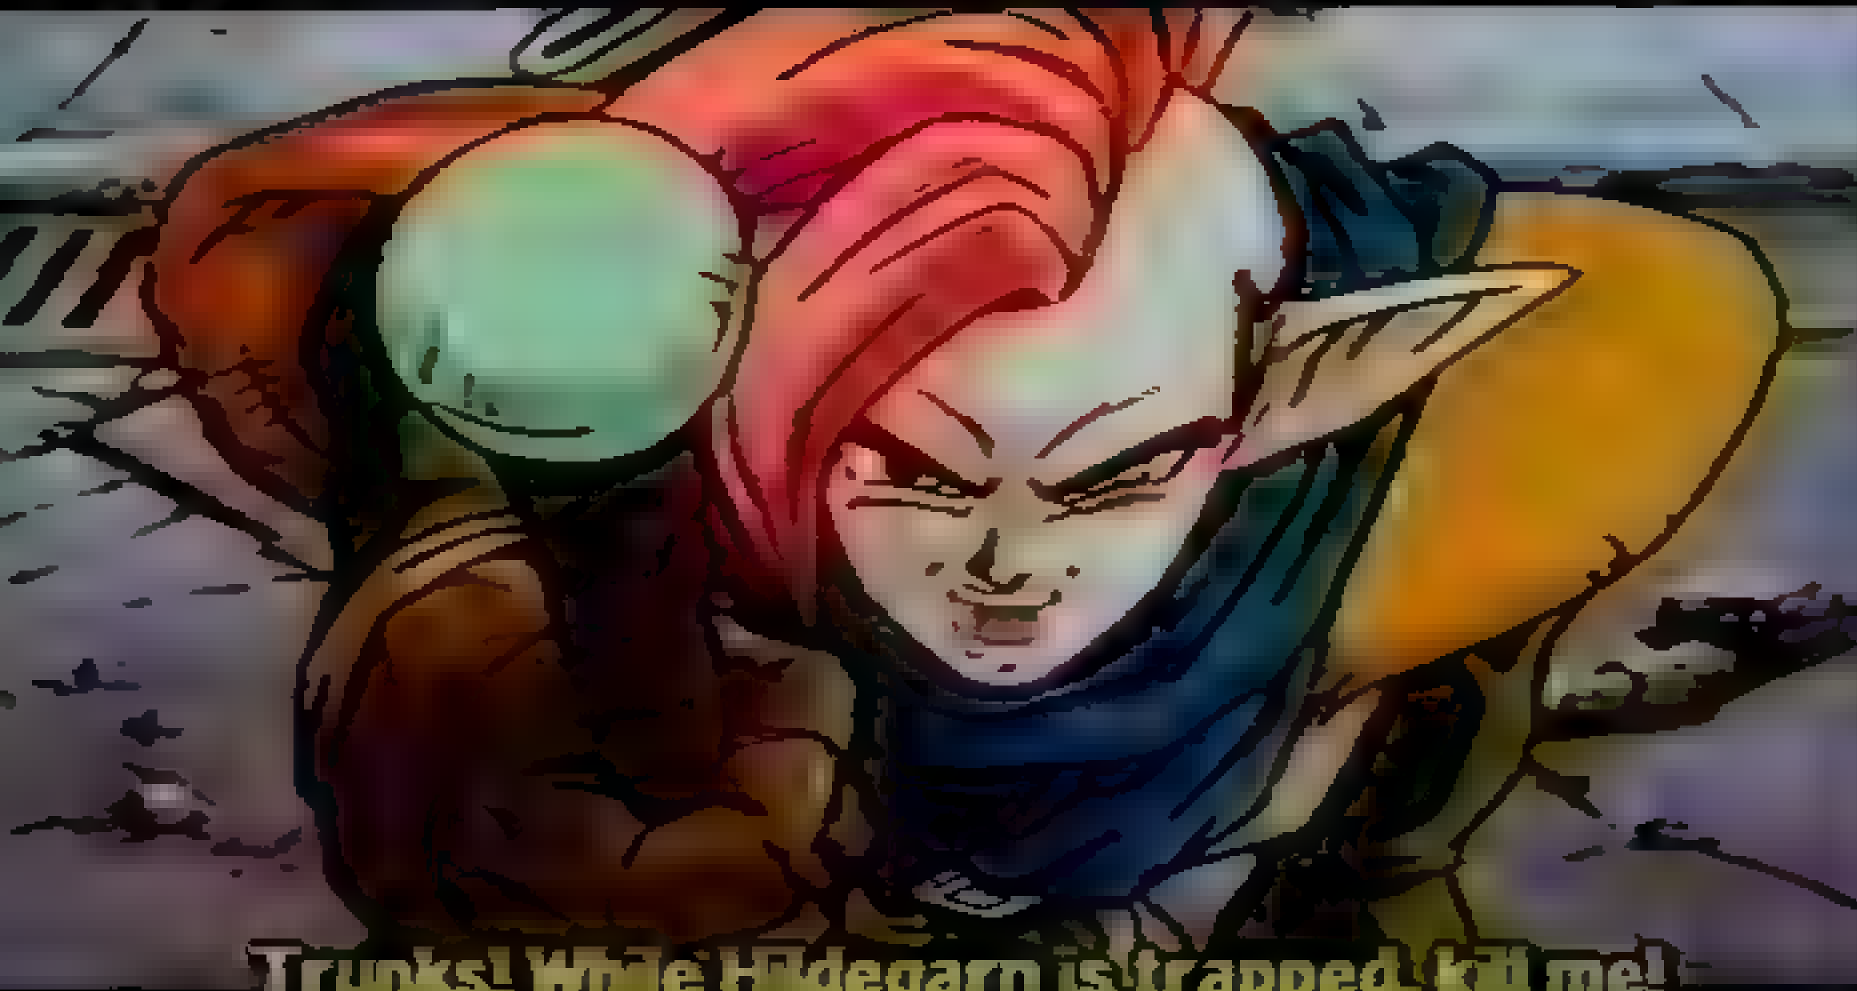

You did it! You did it, Brother!

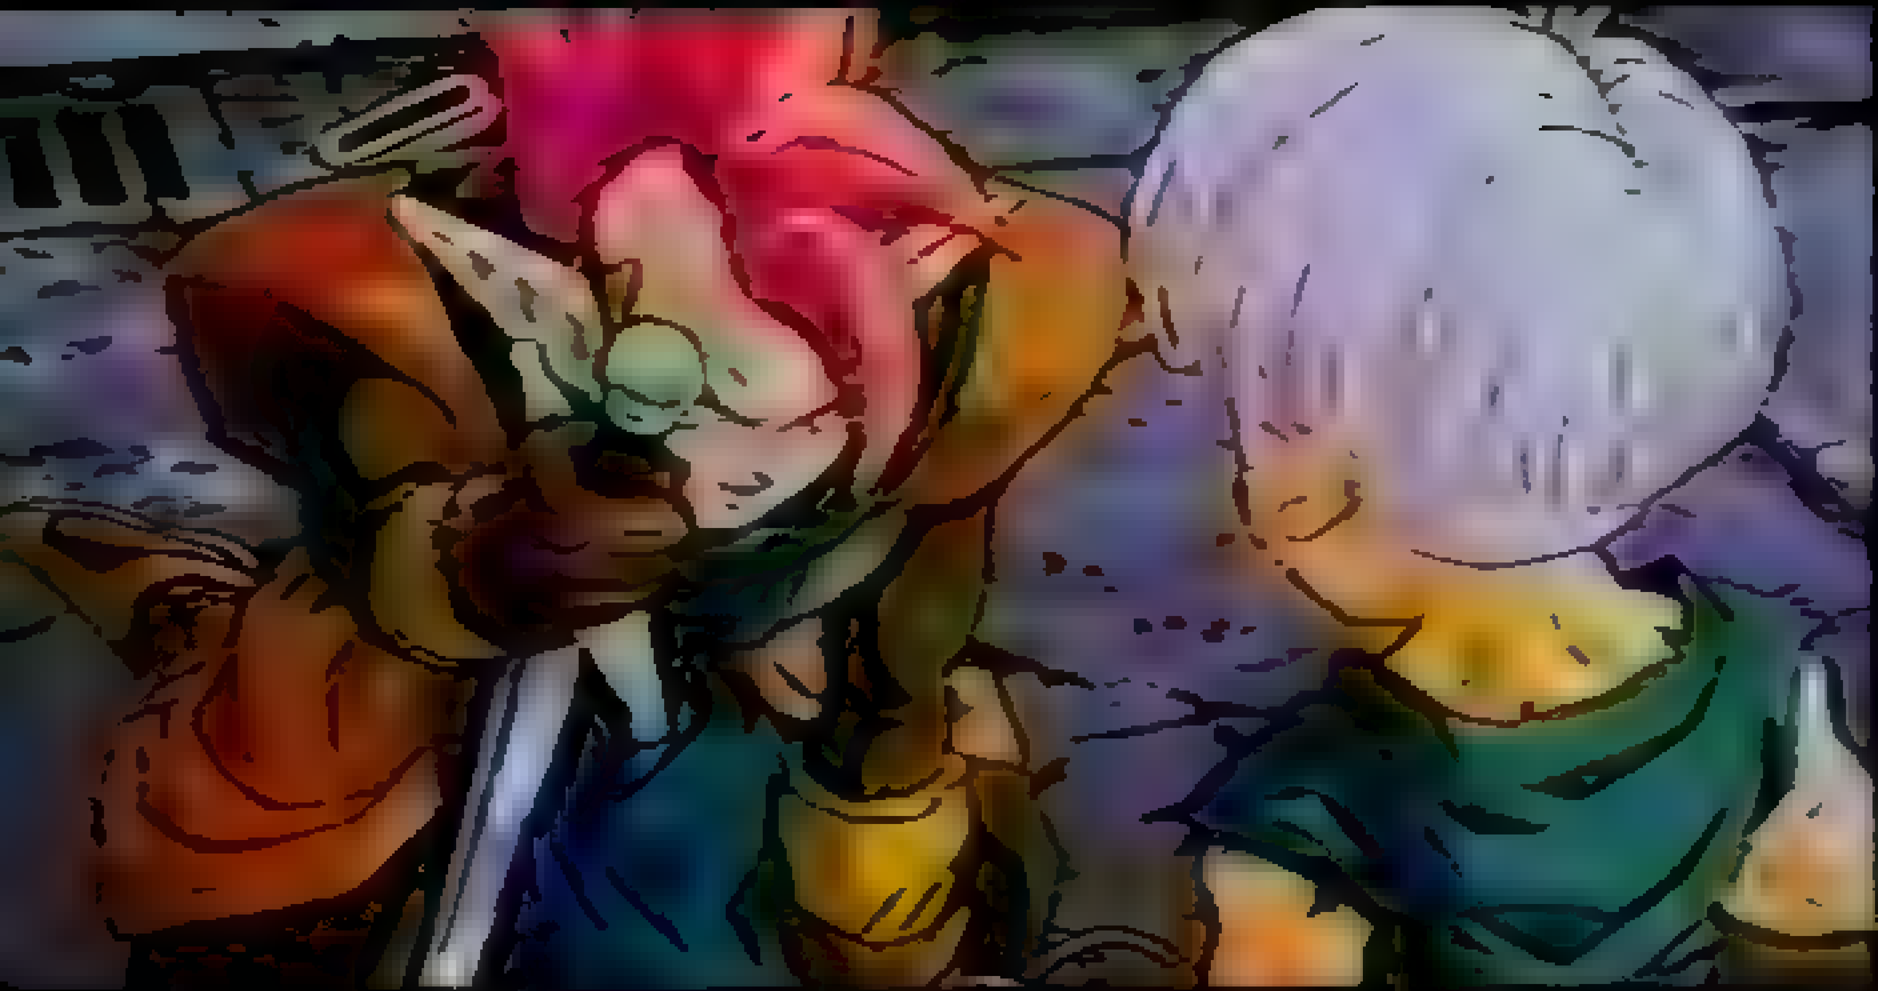

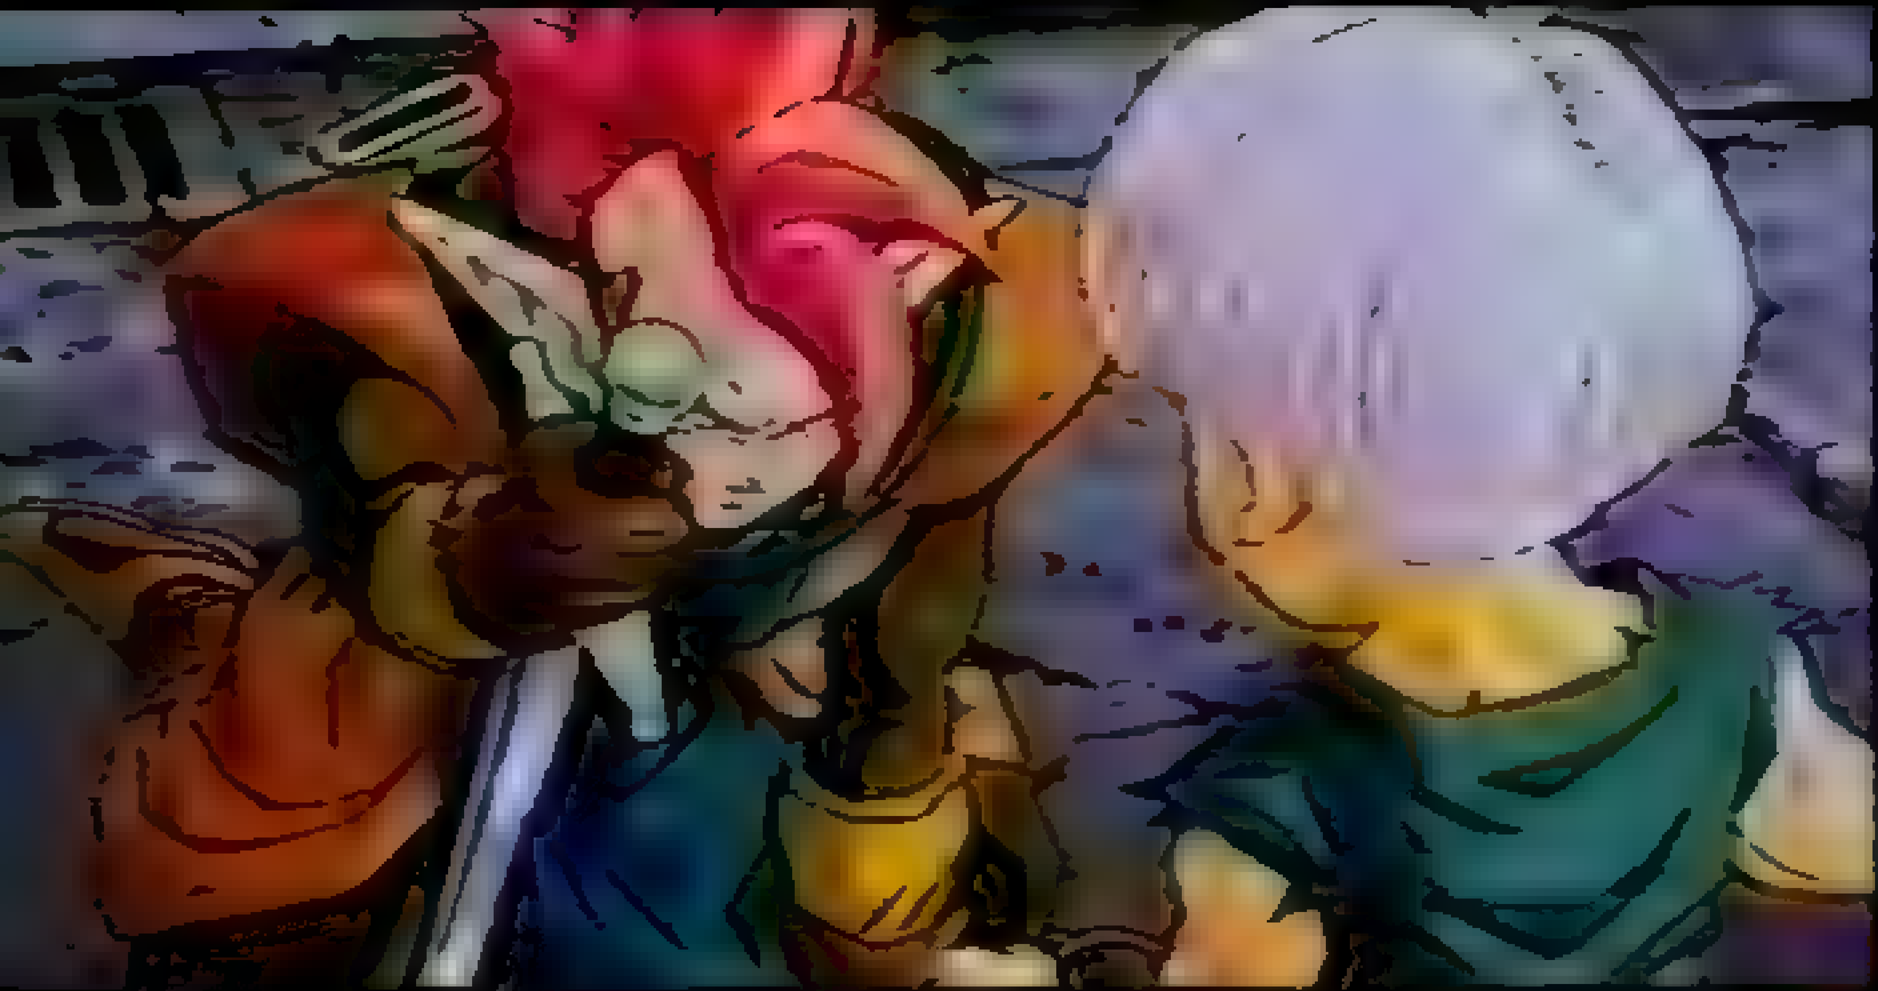

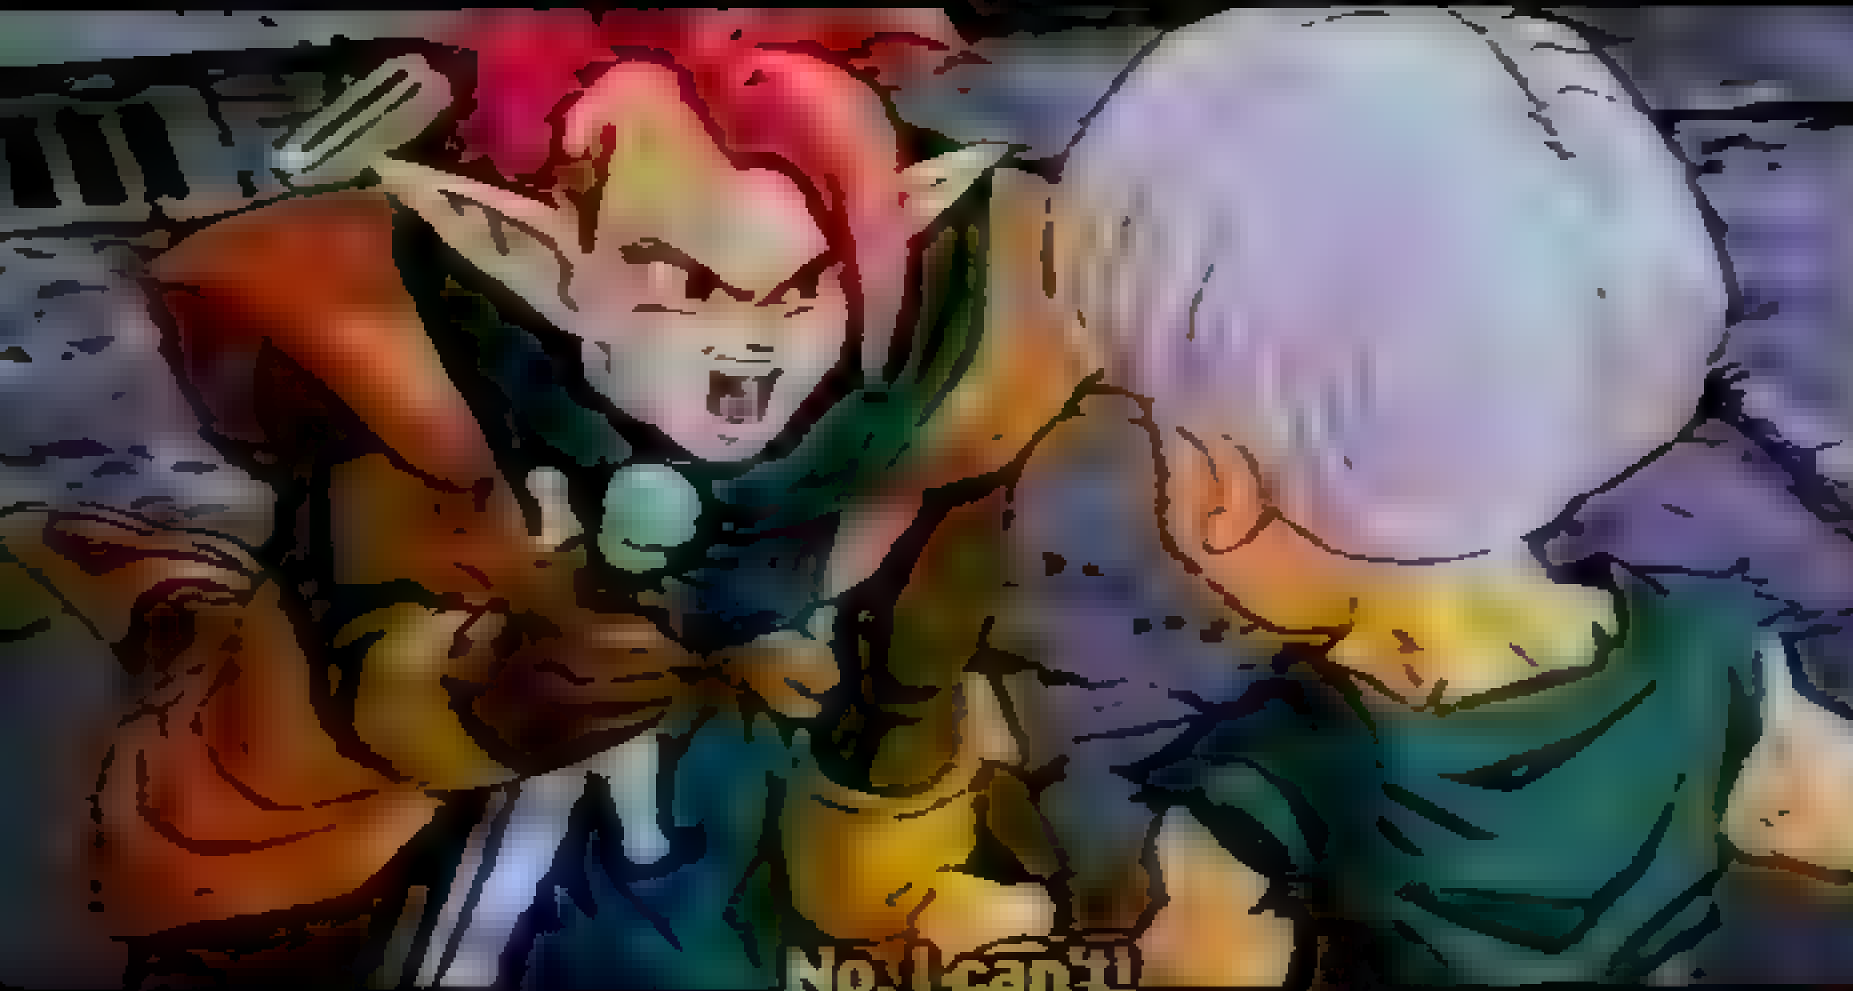

Trunks! While Hildegarn is trapped, kill me!

Trunks! While Hildegarn is trapped, kill me!

Trunks! While Hildegarn is trapped, kill me!

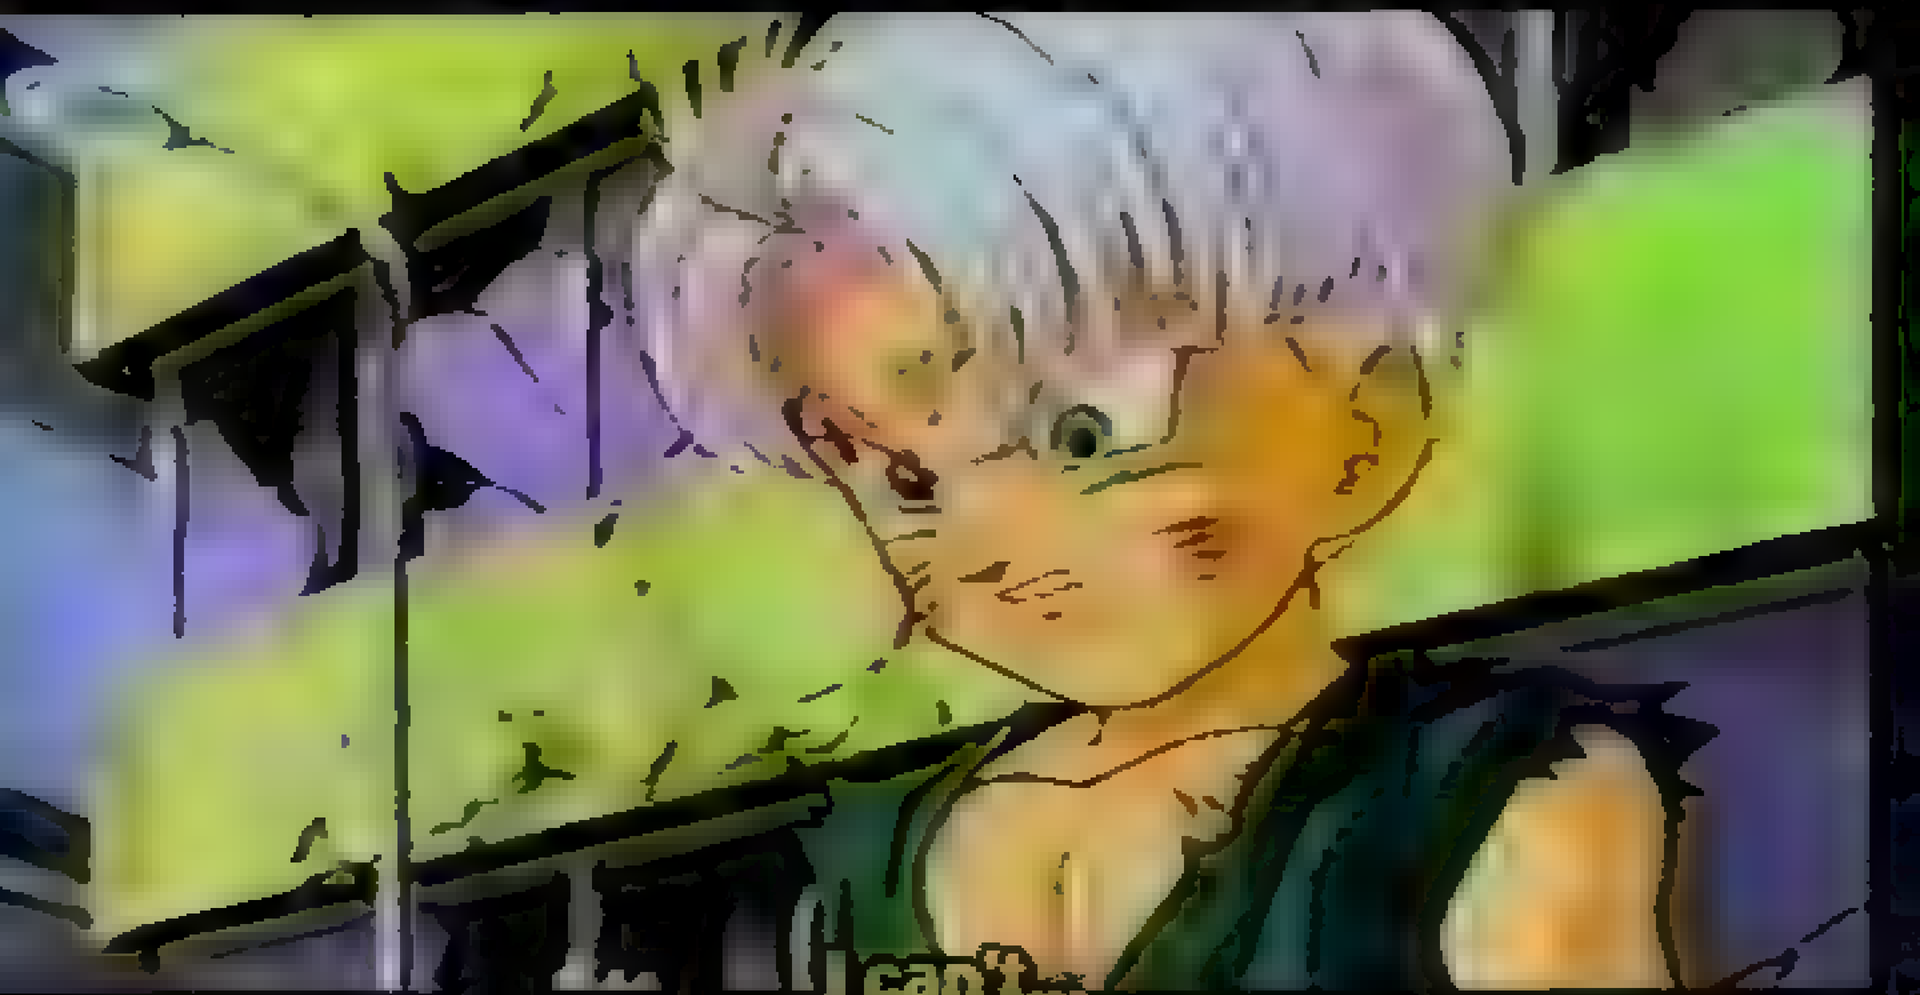

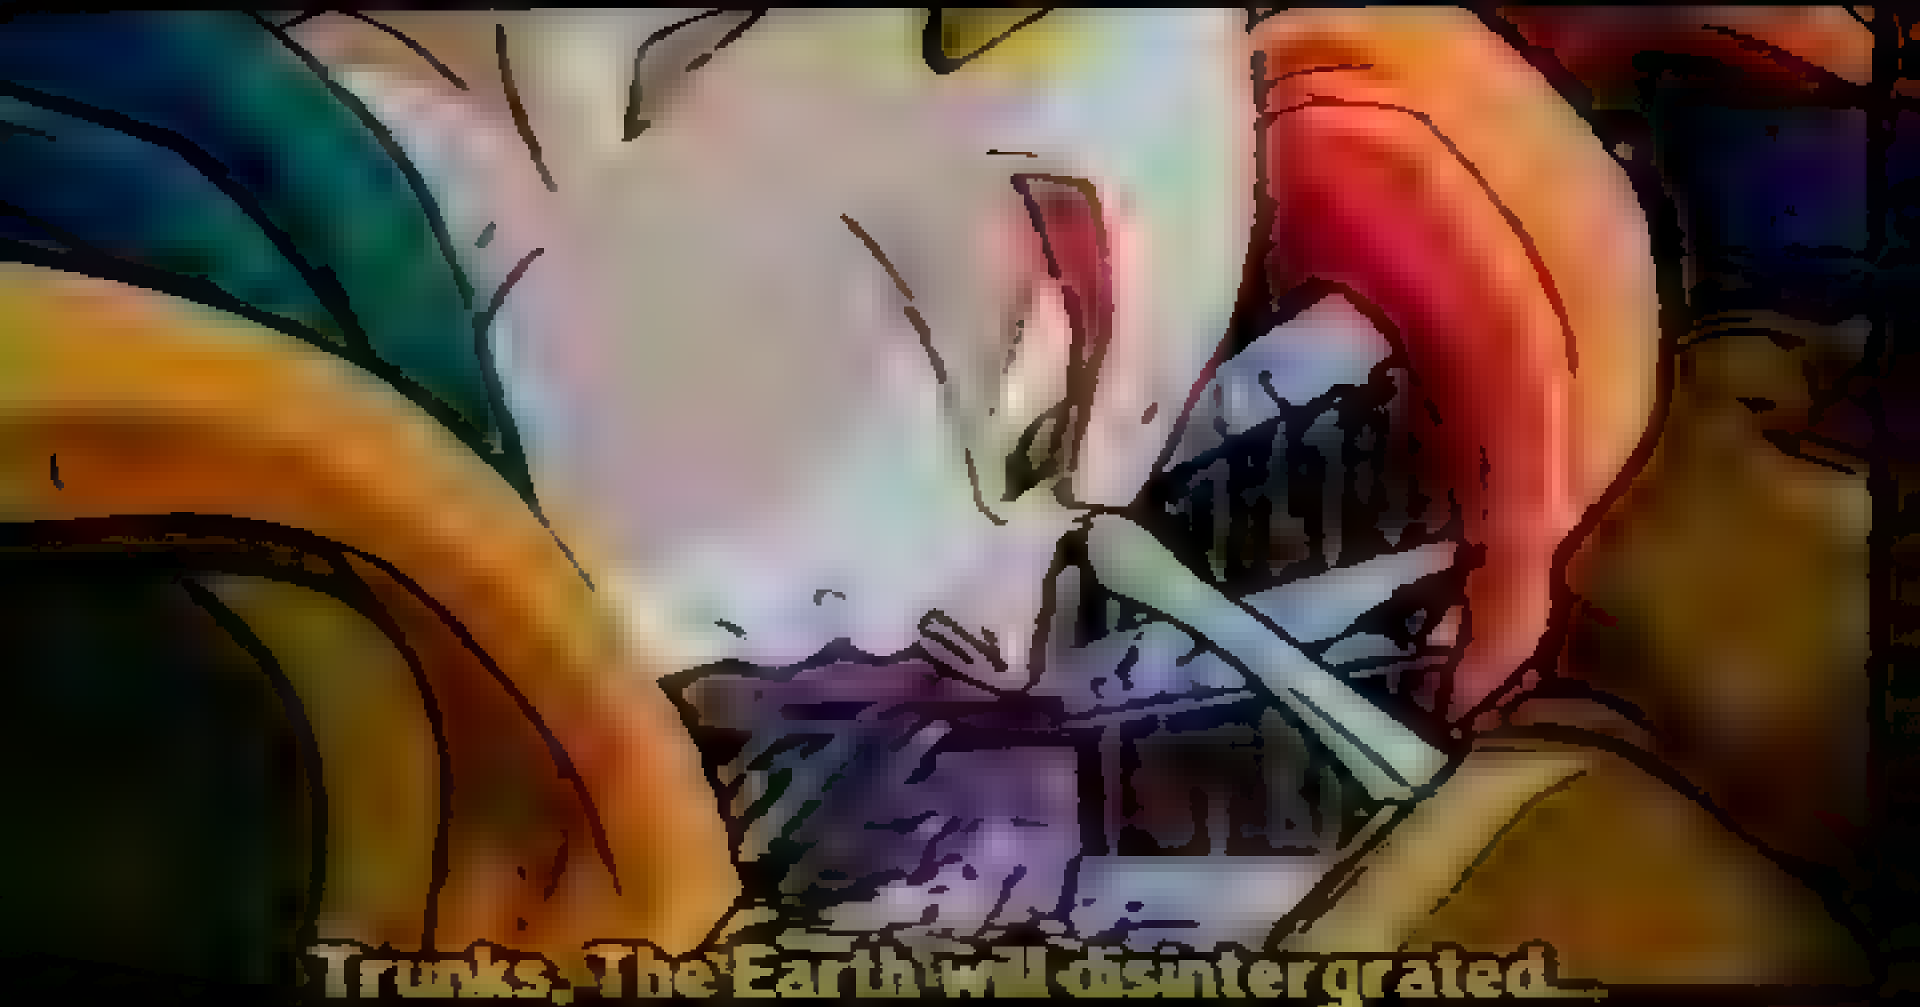

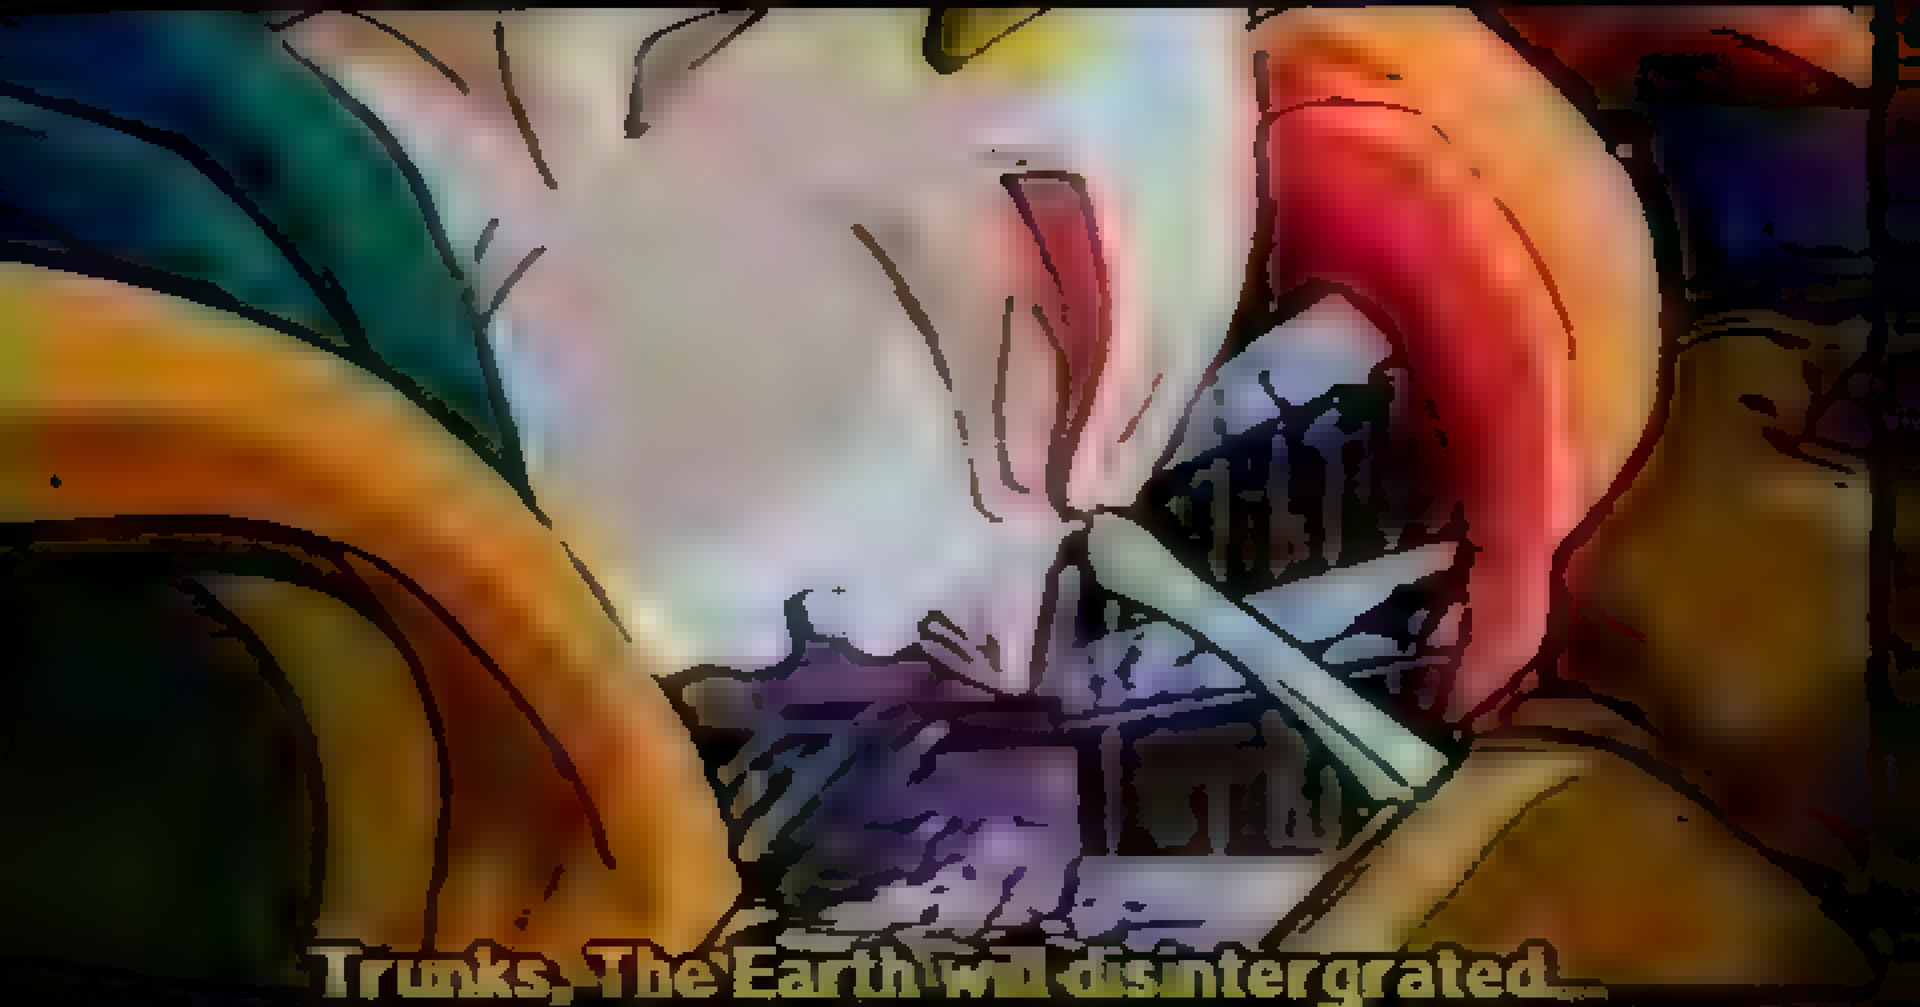

No, I can't!

Kill me! You want to be a
brave warrior also, right?

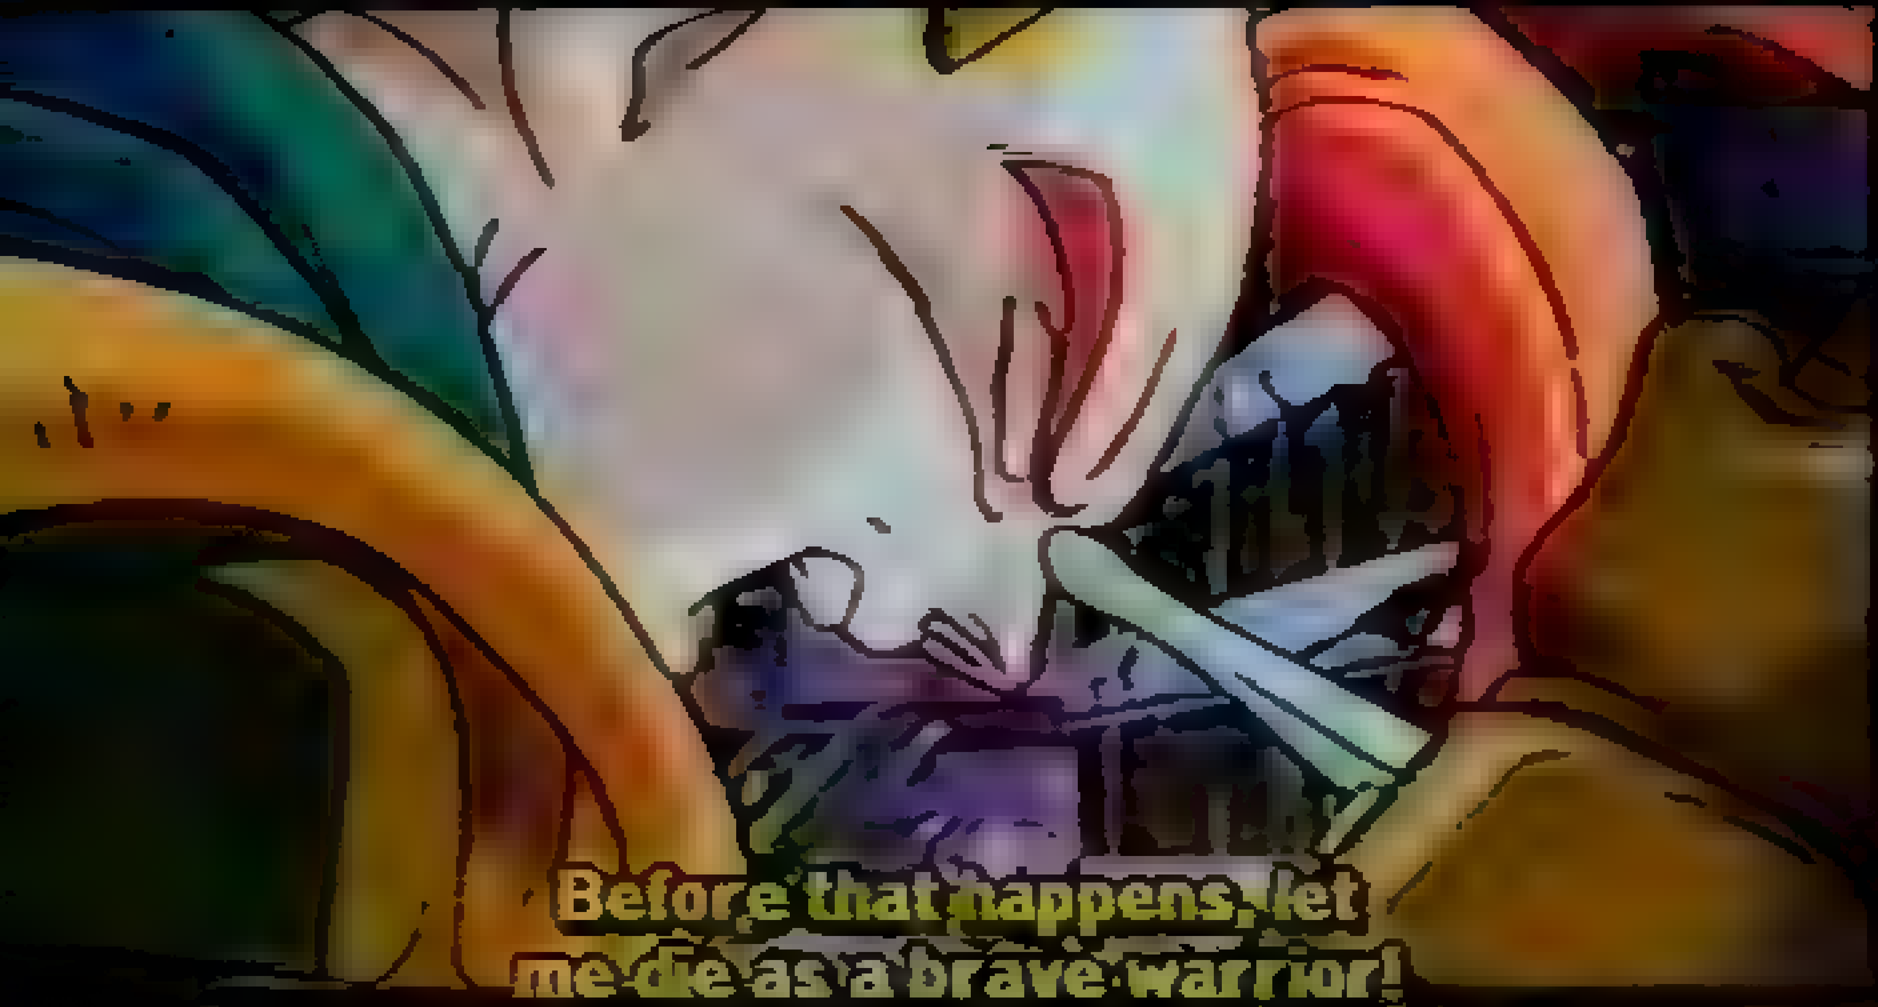

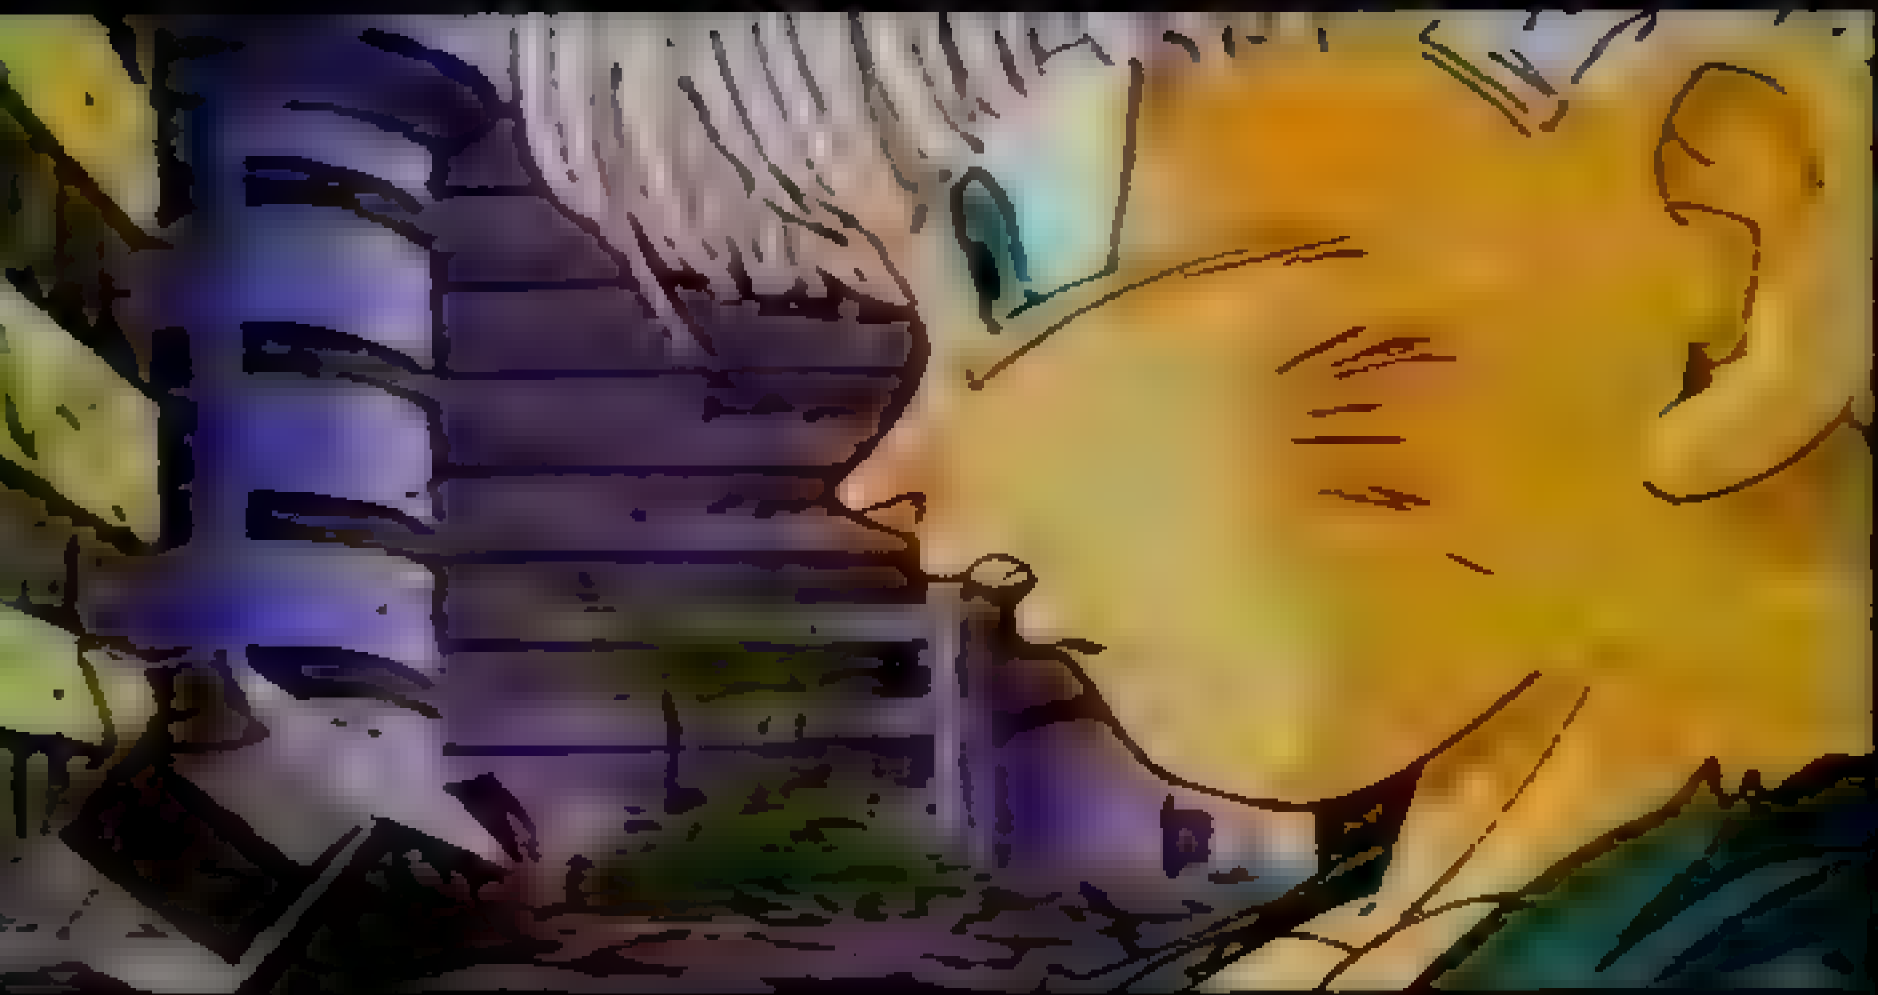

I can't...

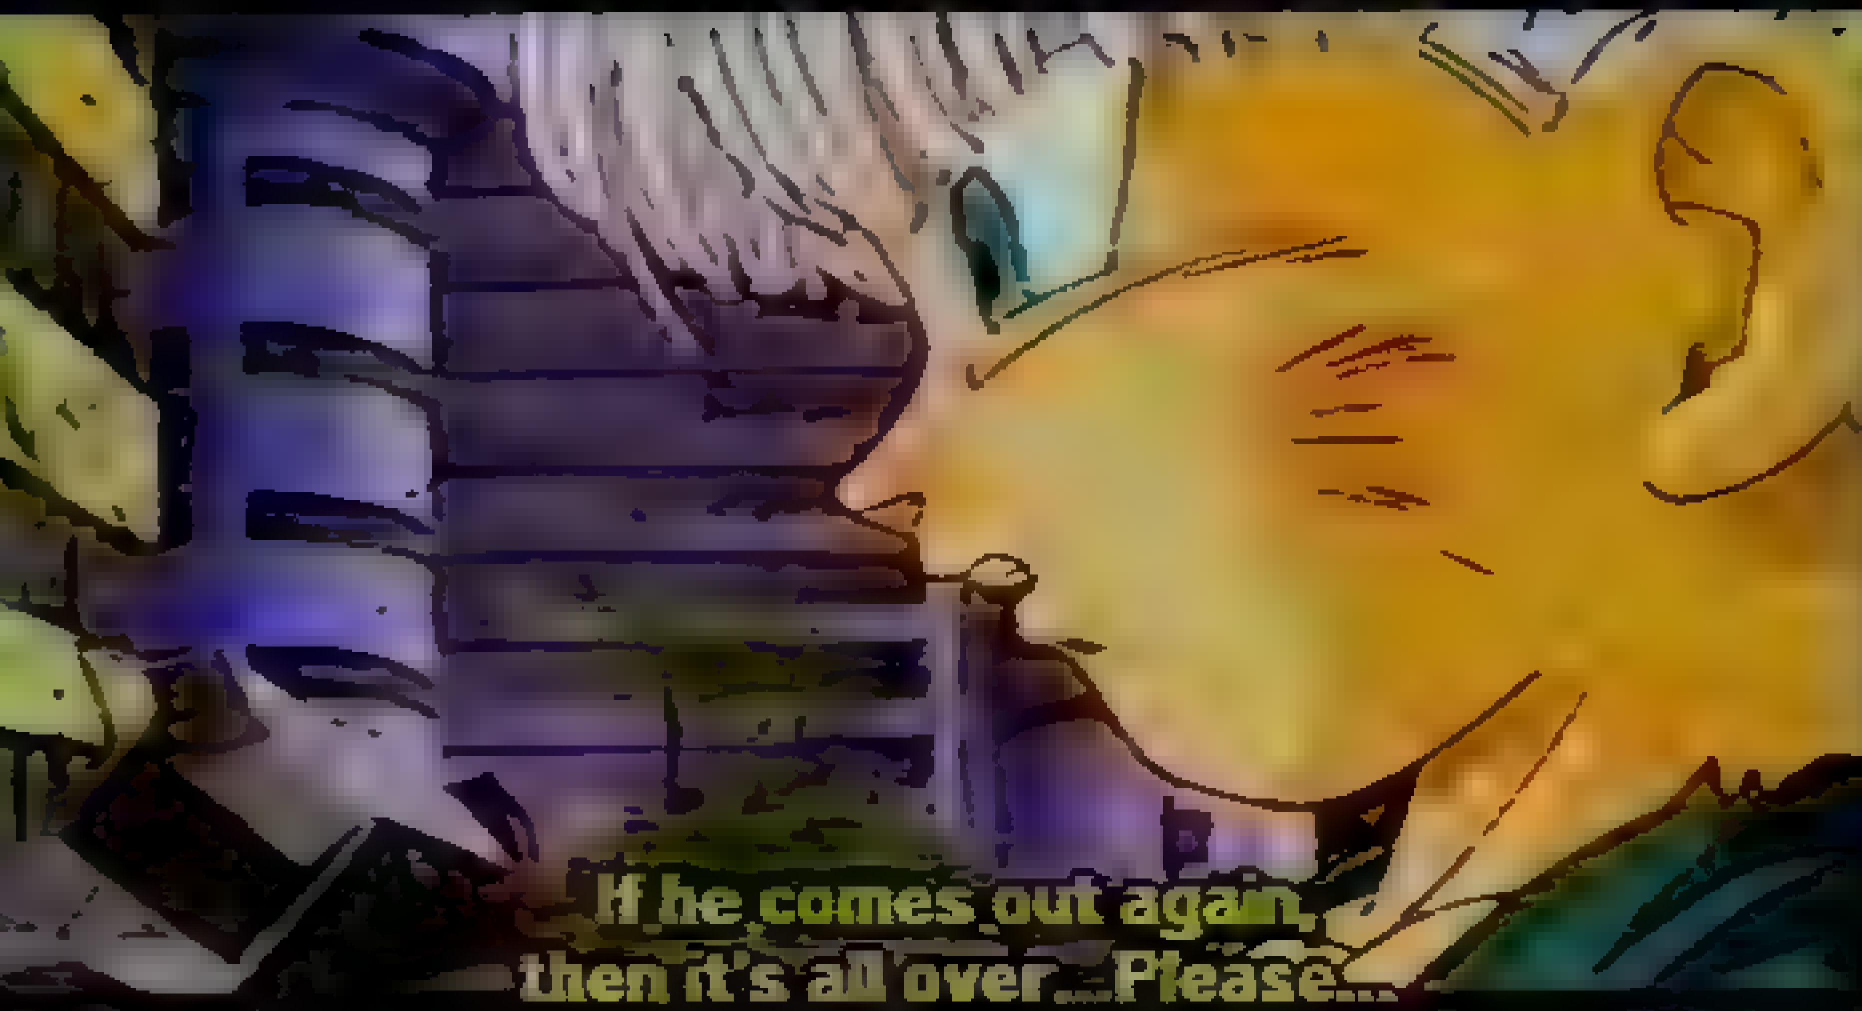

Trunks, The Earth will disintergrated...

Trunks, The Earth will disintergrated...

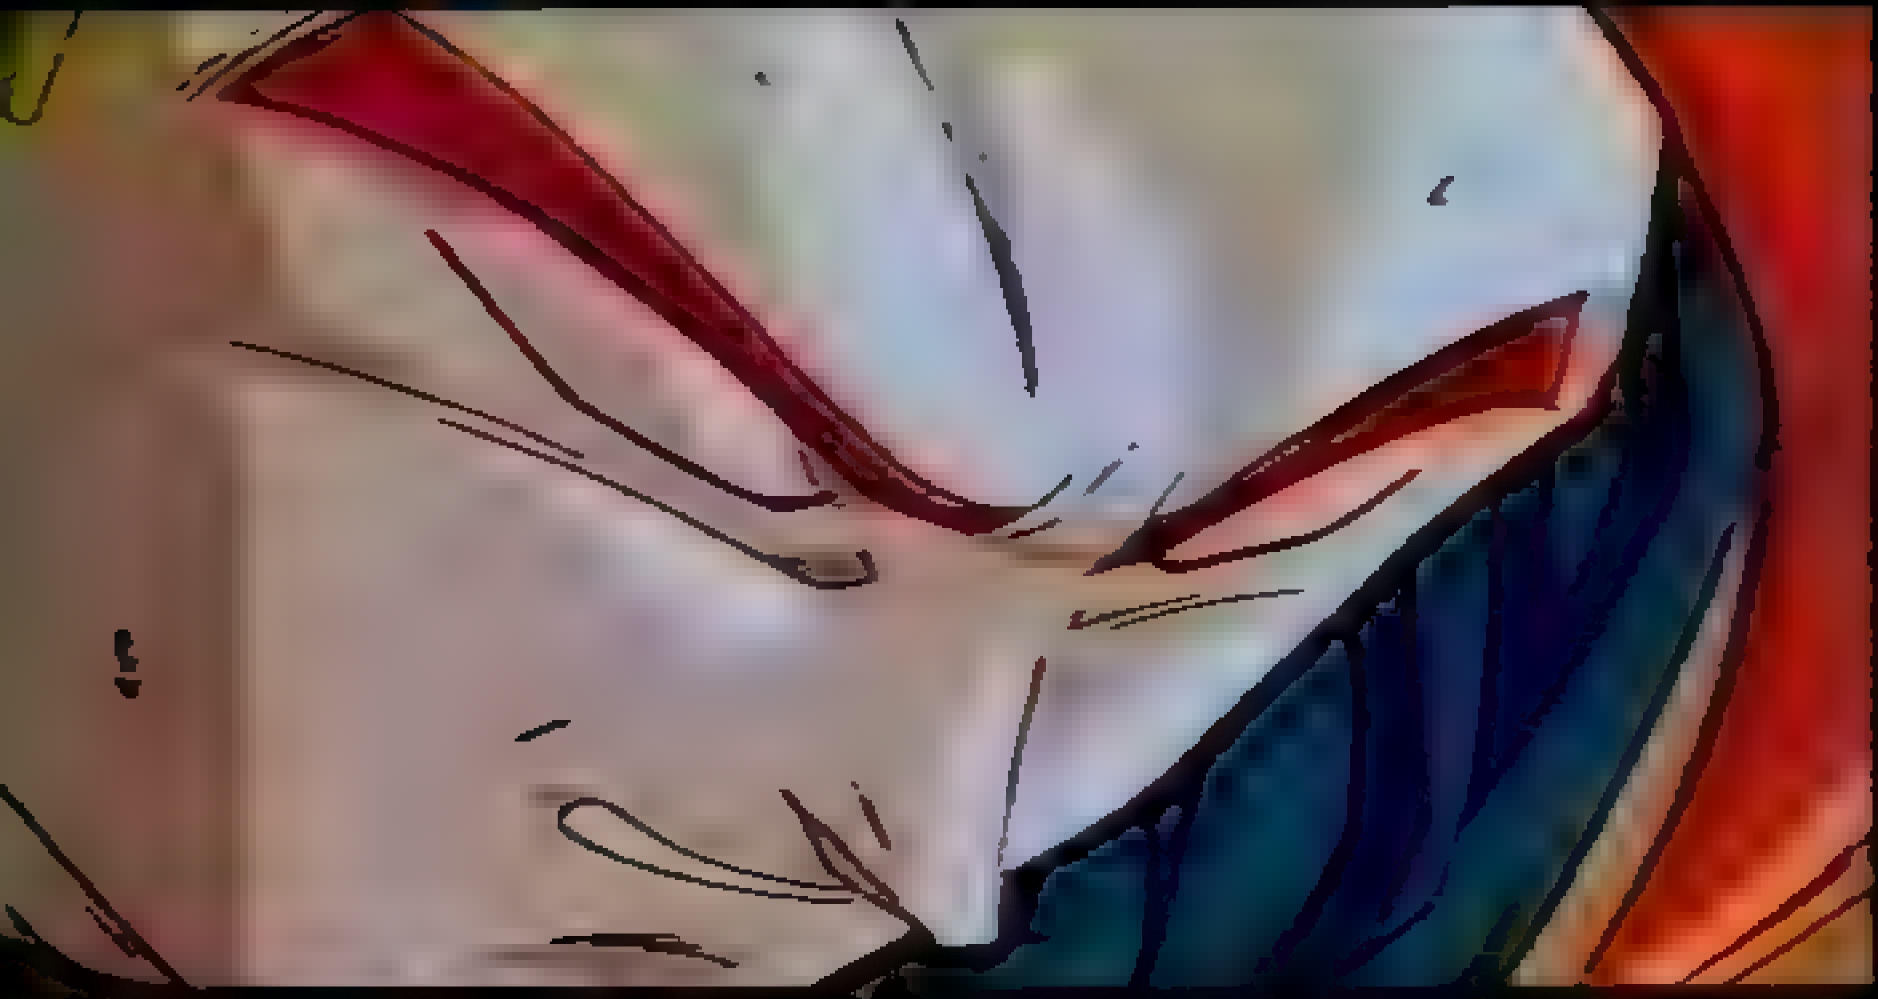

Before that happens, let
me die as a brave warrior!

Before that happens, let
me die as a brave warrior!

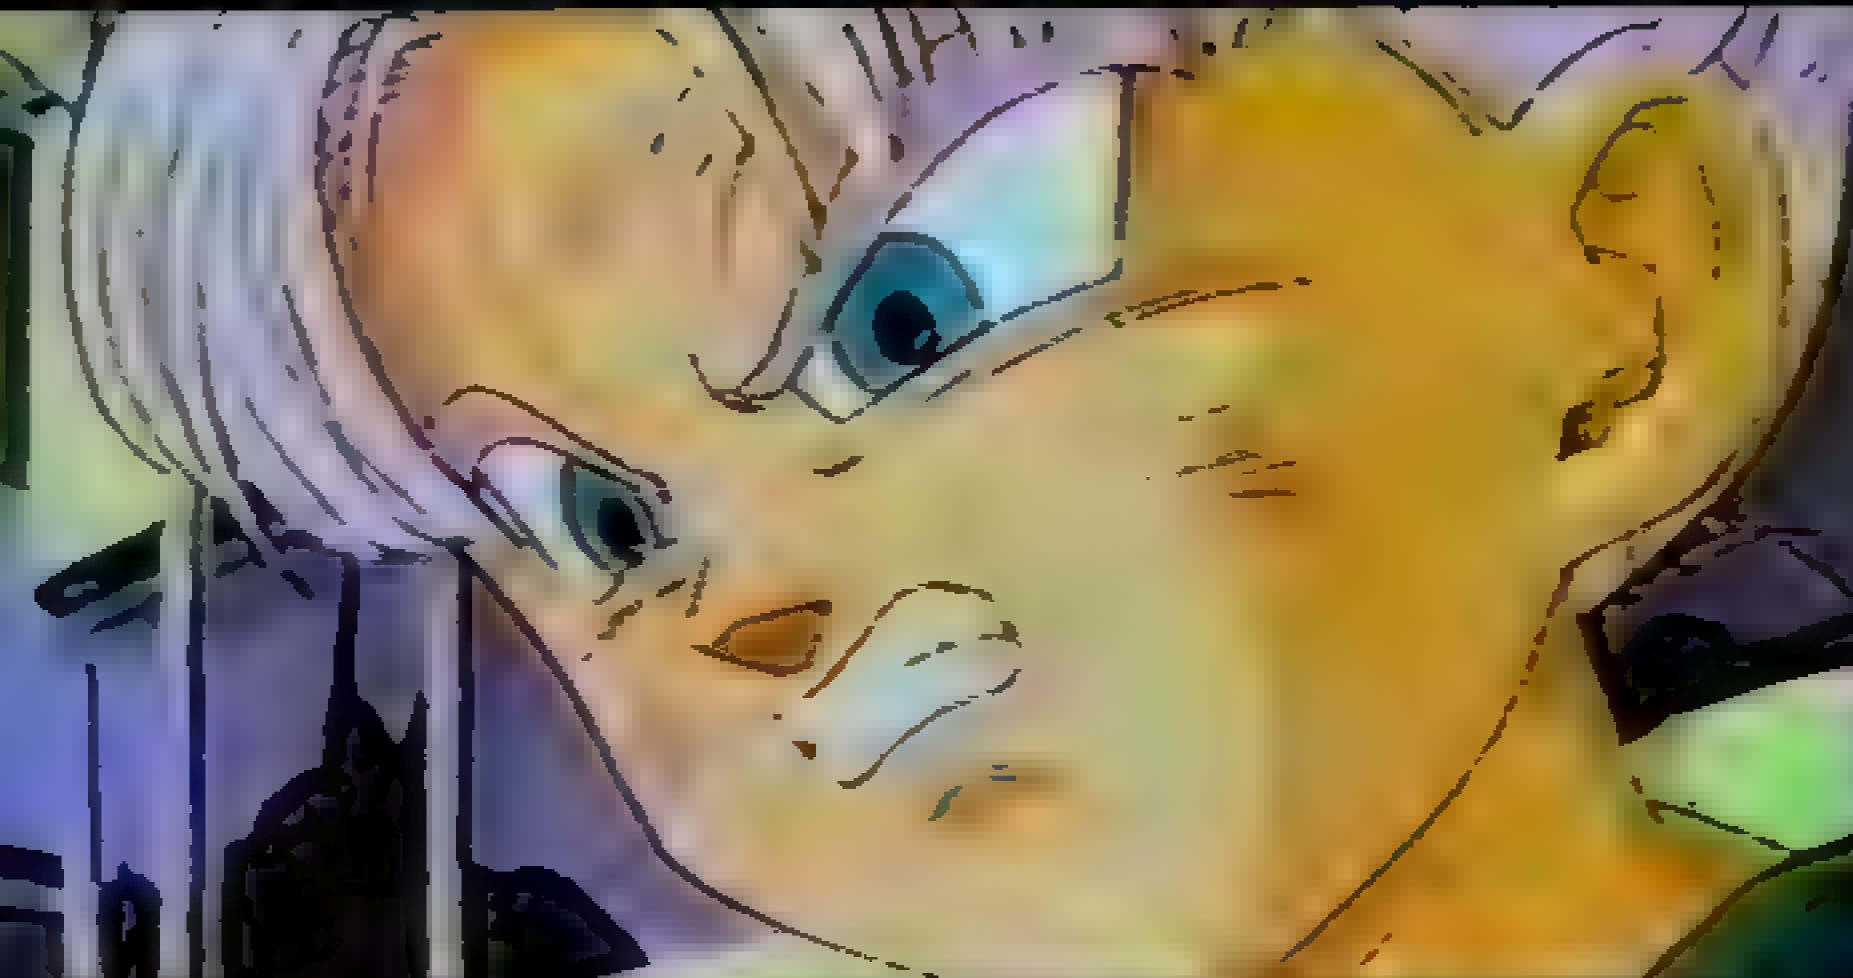

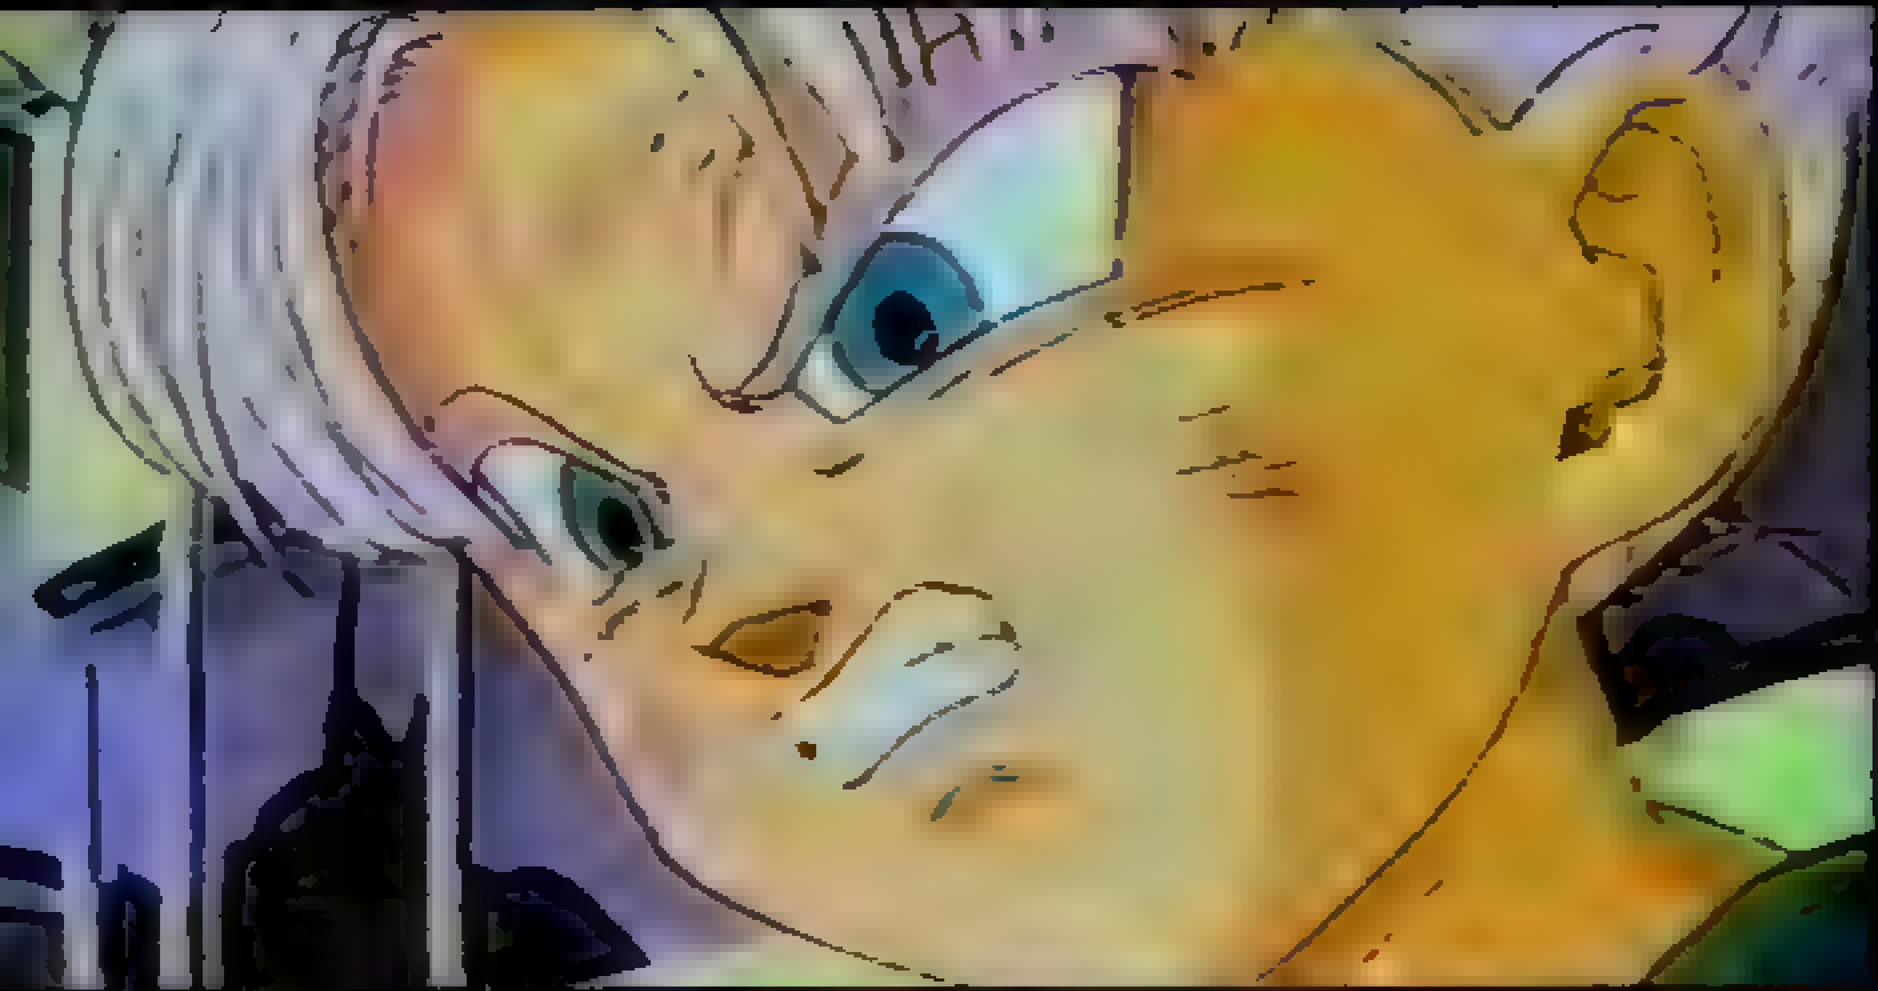

If he comes out again,
then it's all over...Please...

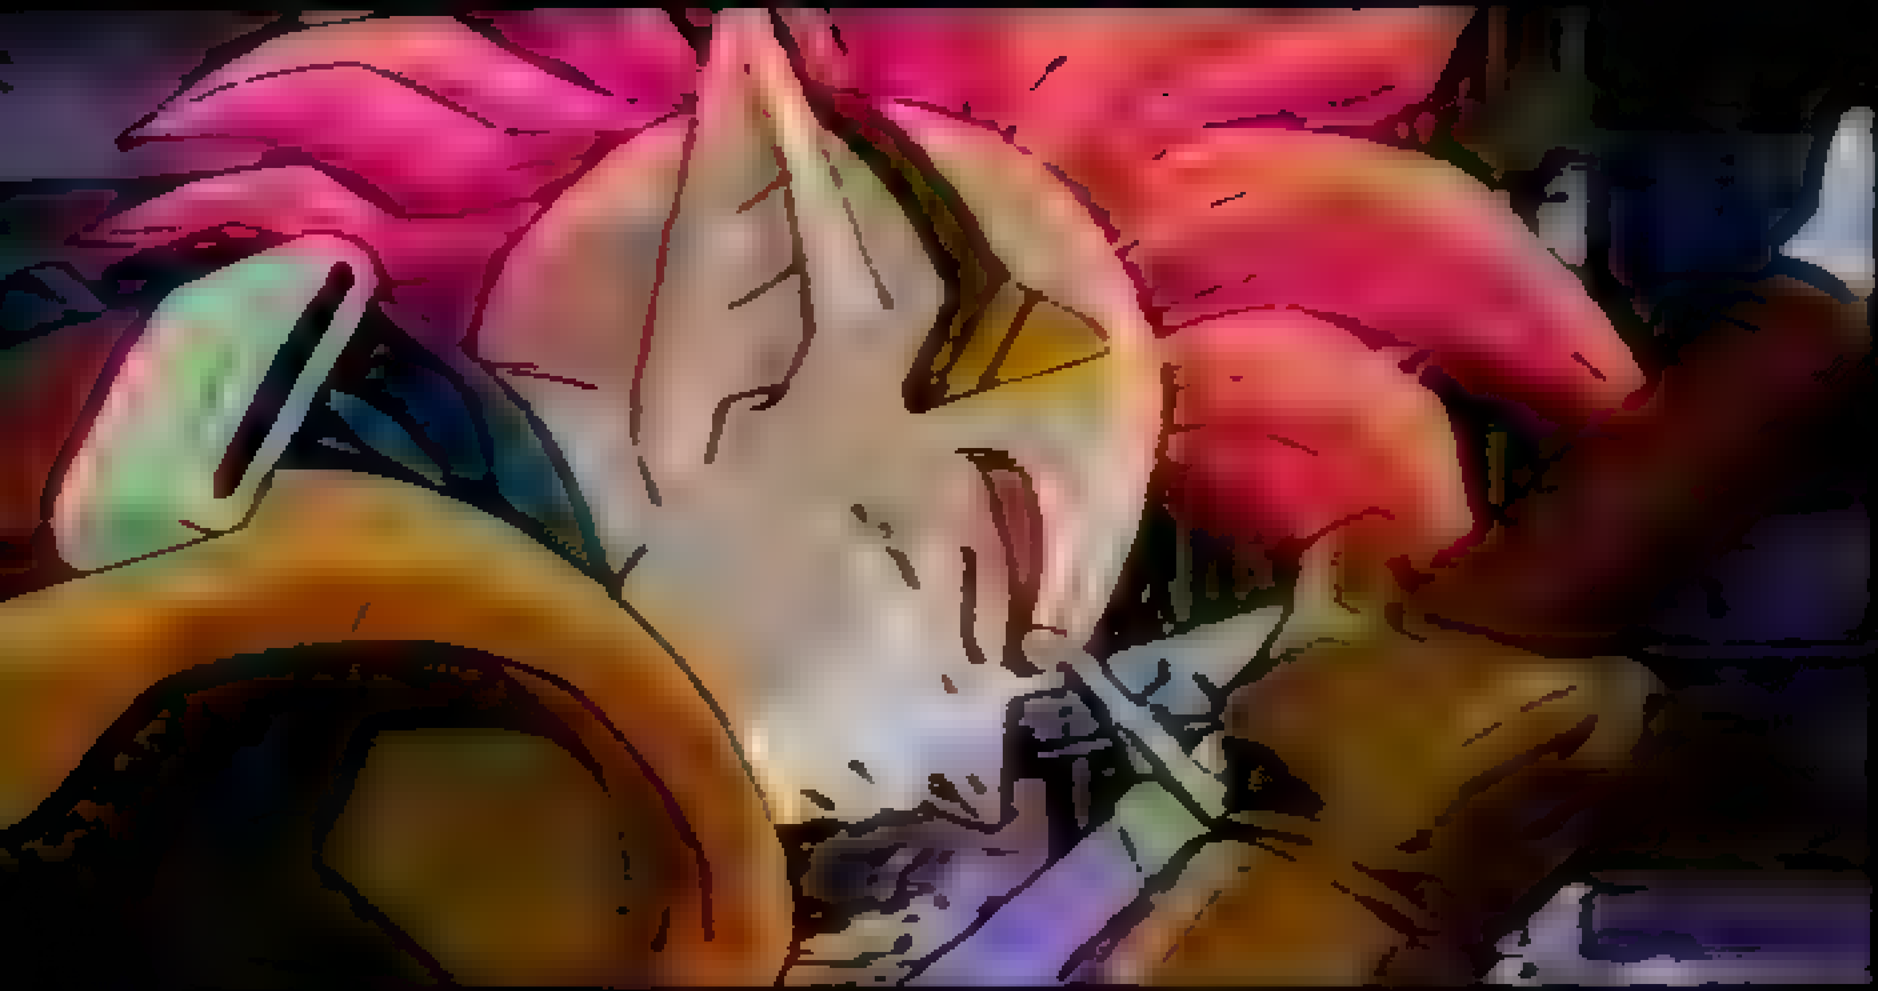

If he comes out again,
then it's all over...Please...

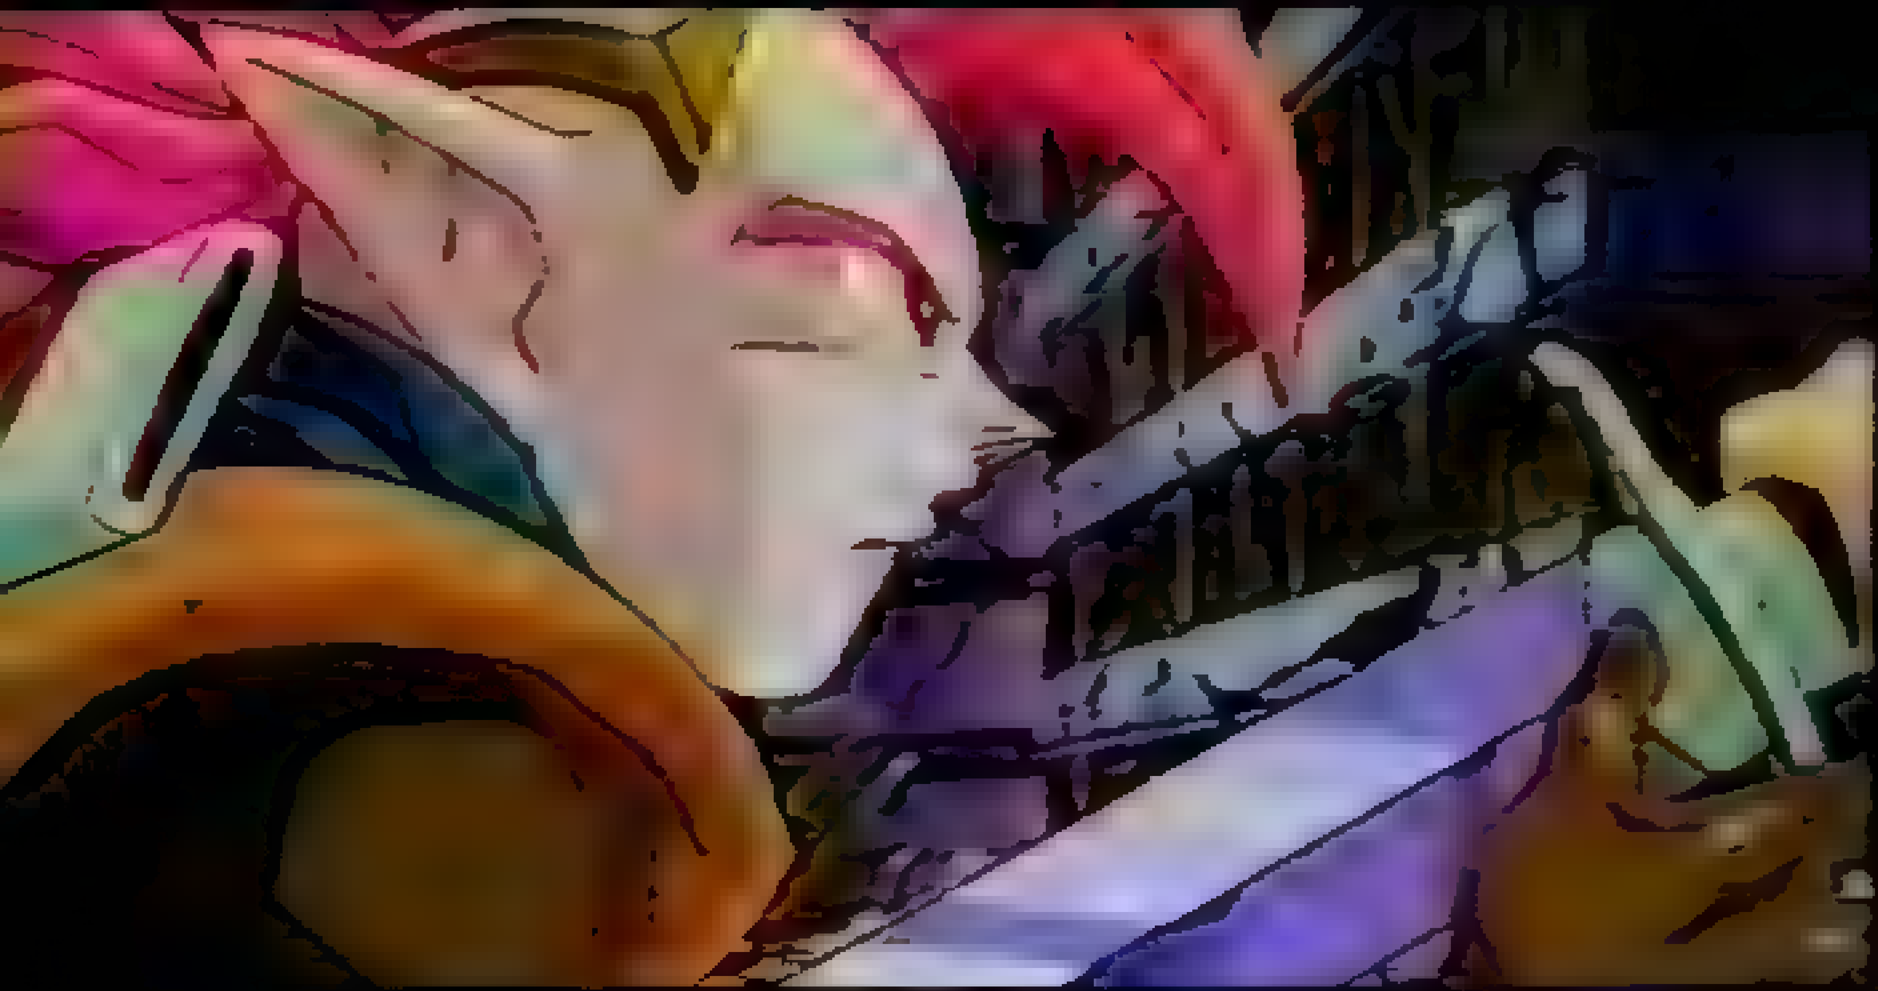

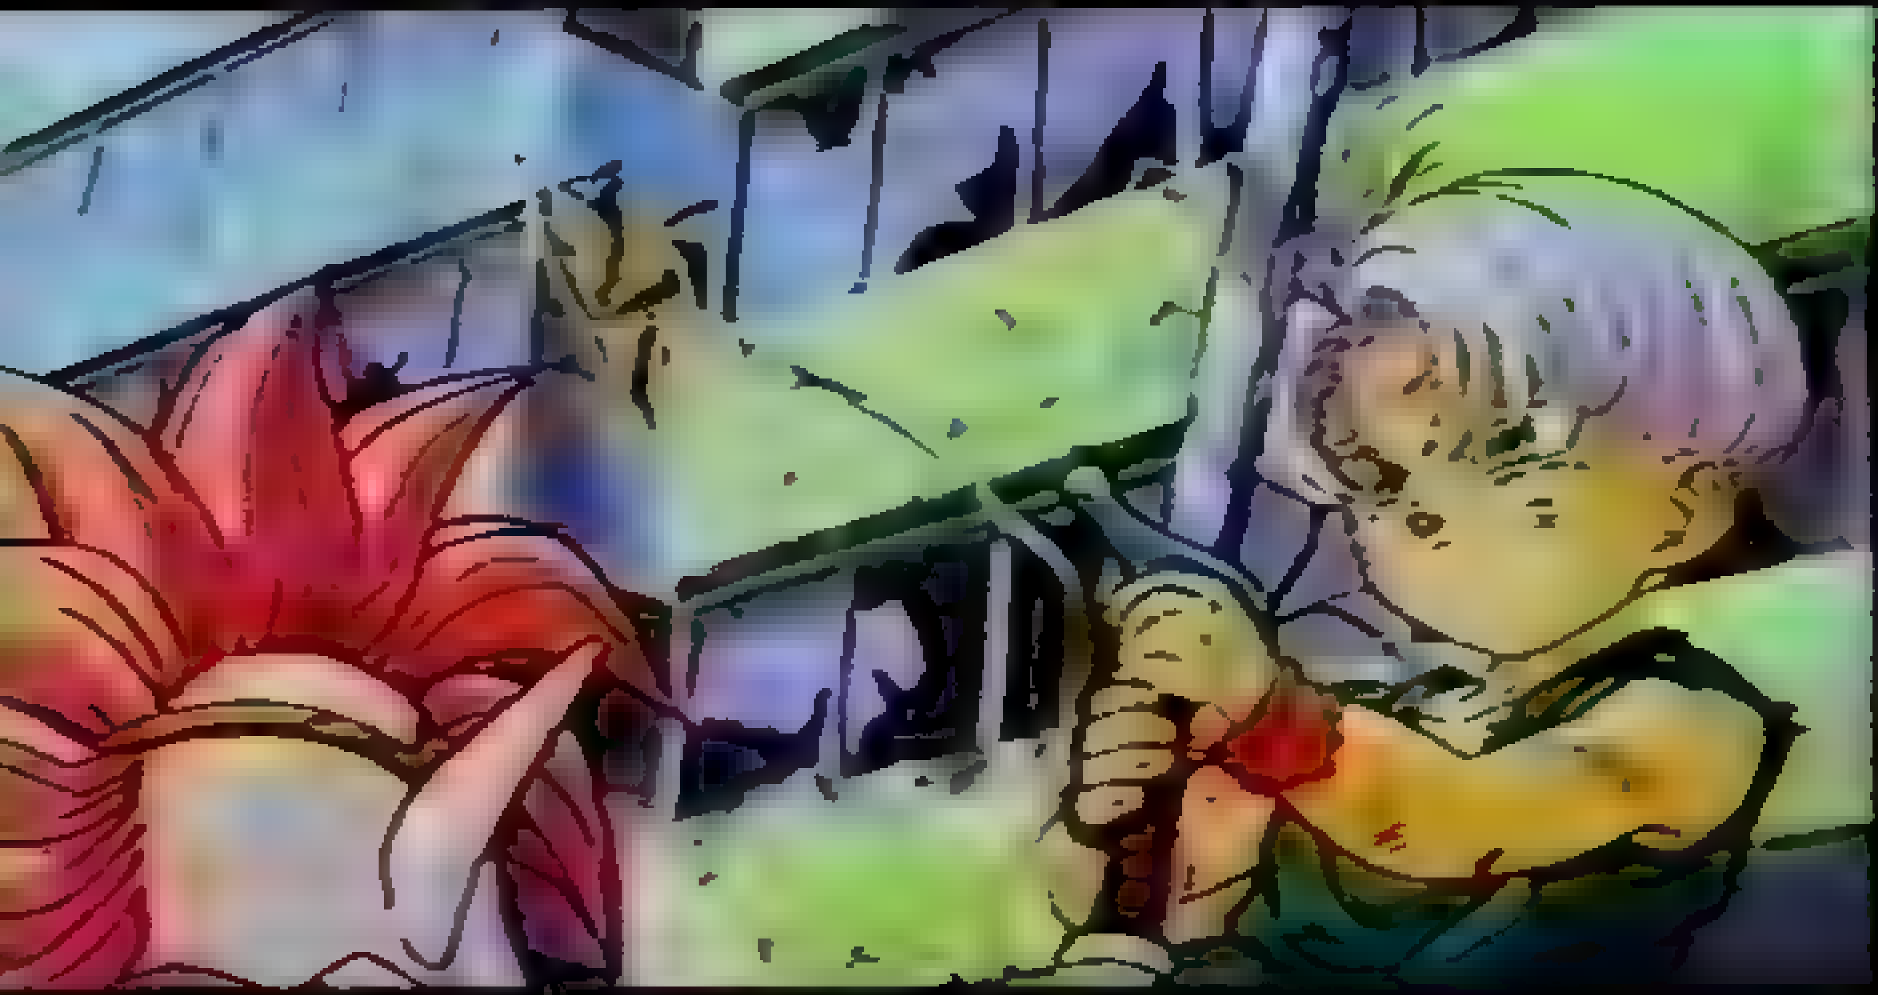

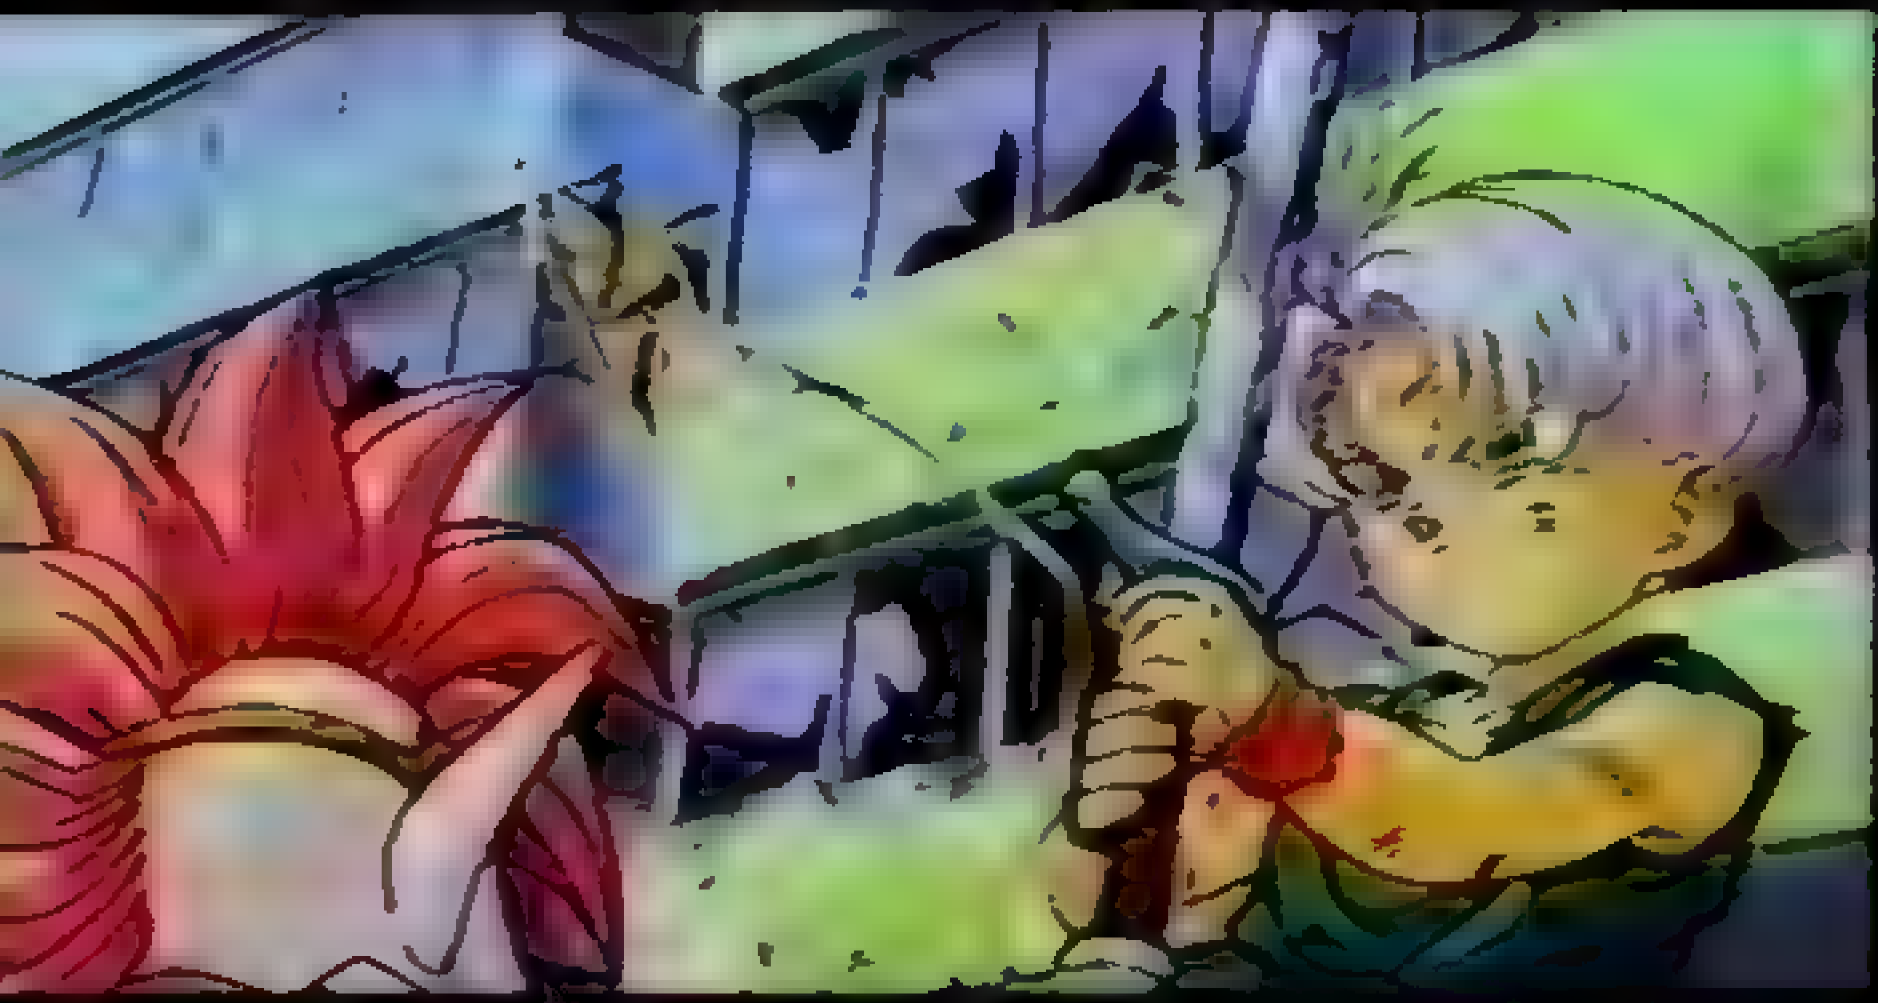

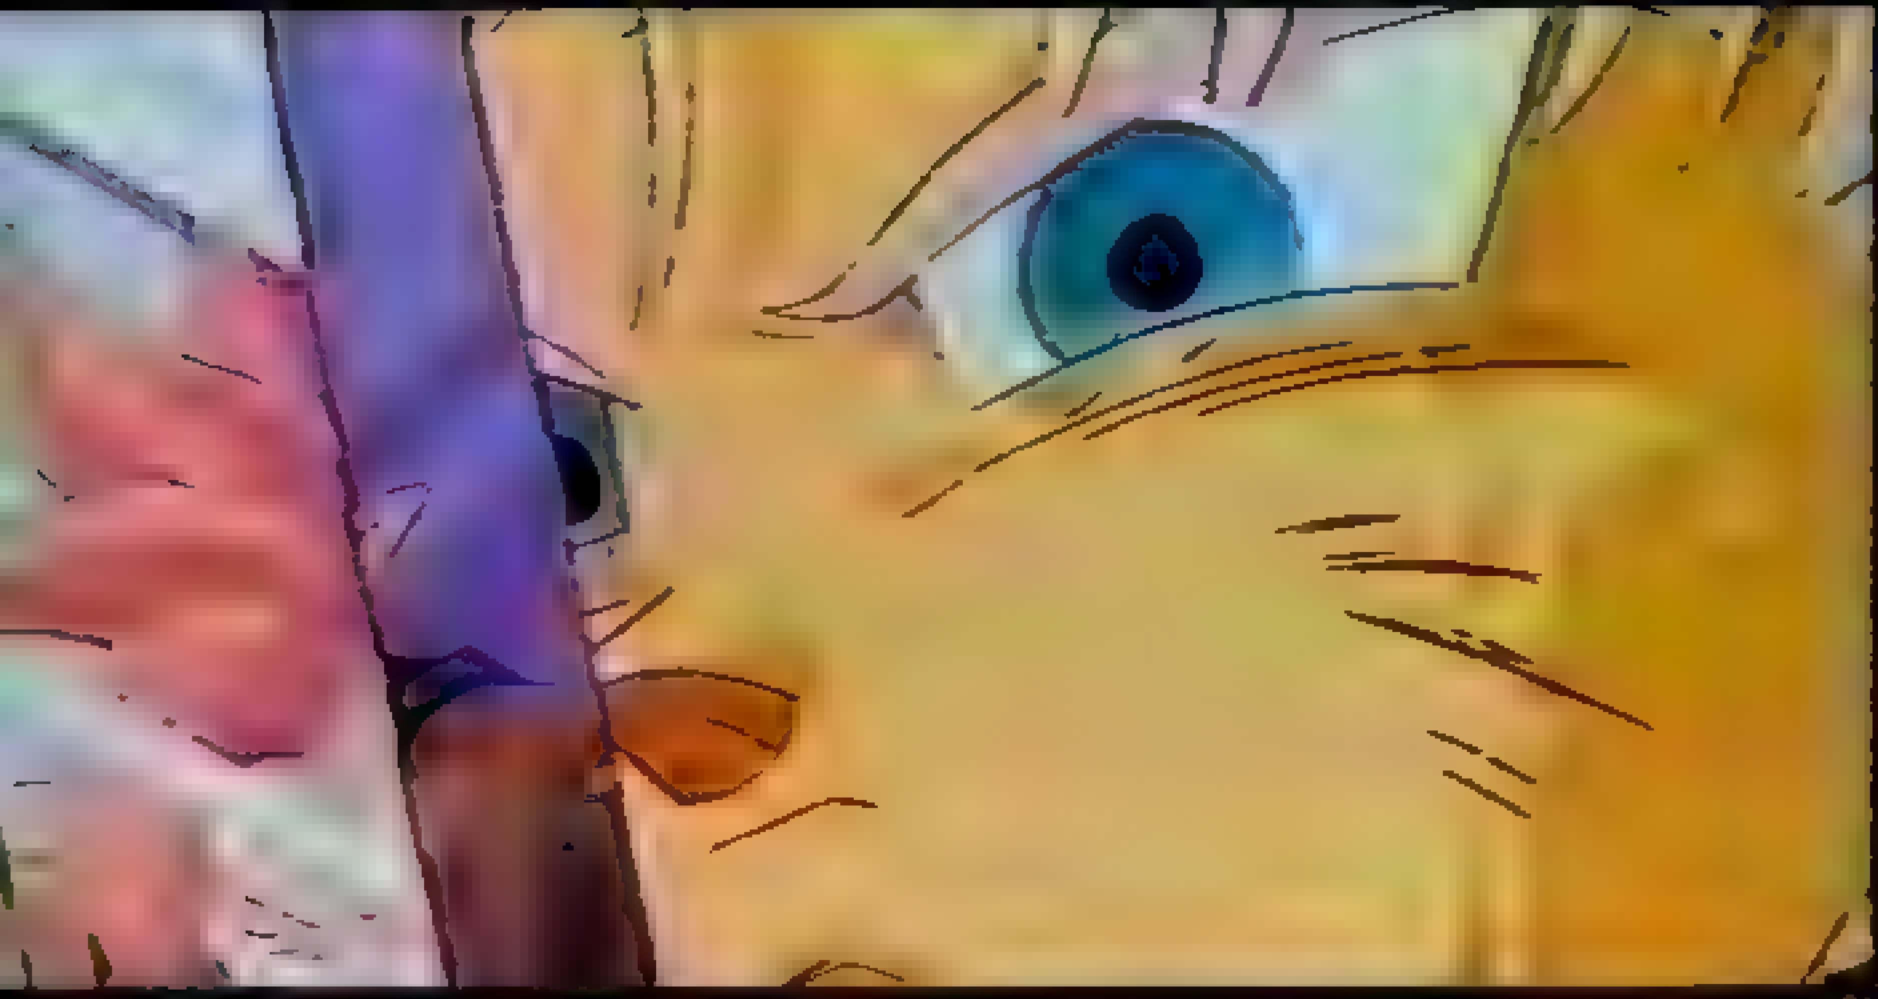

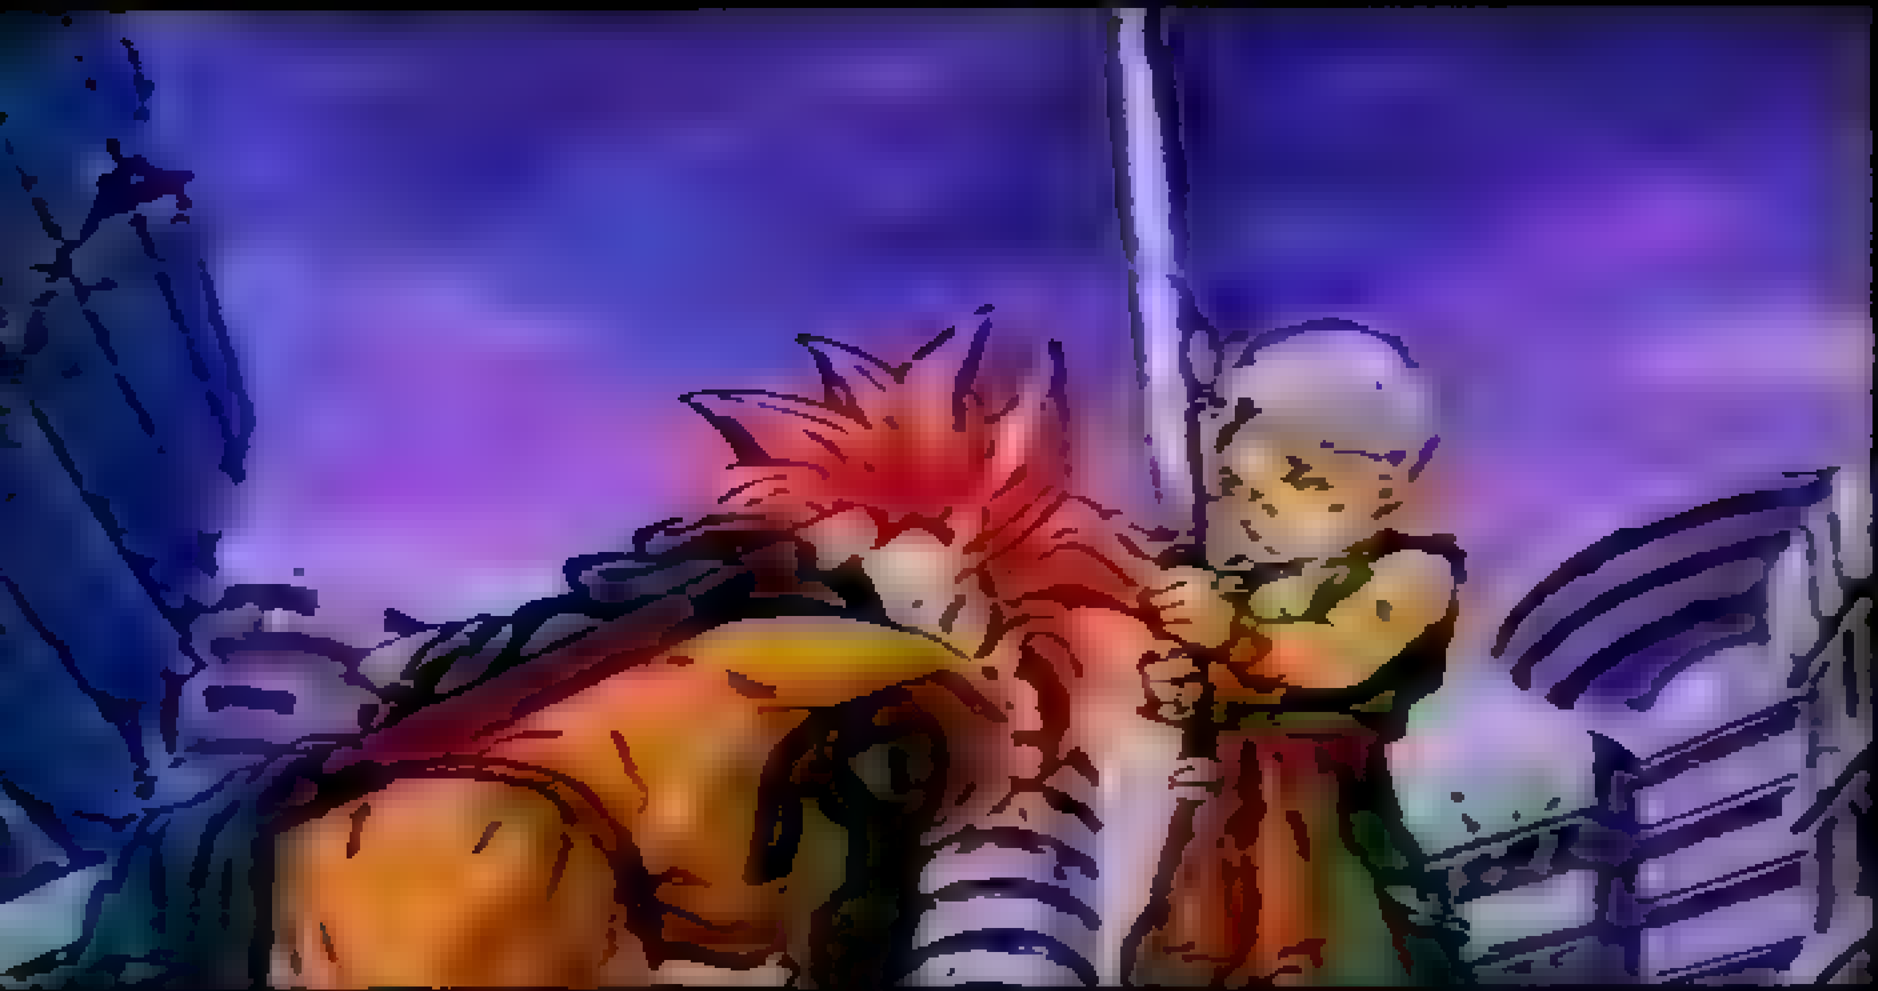

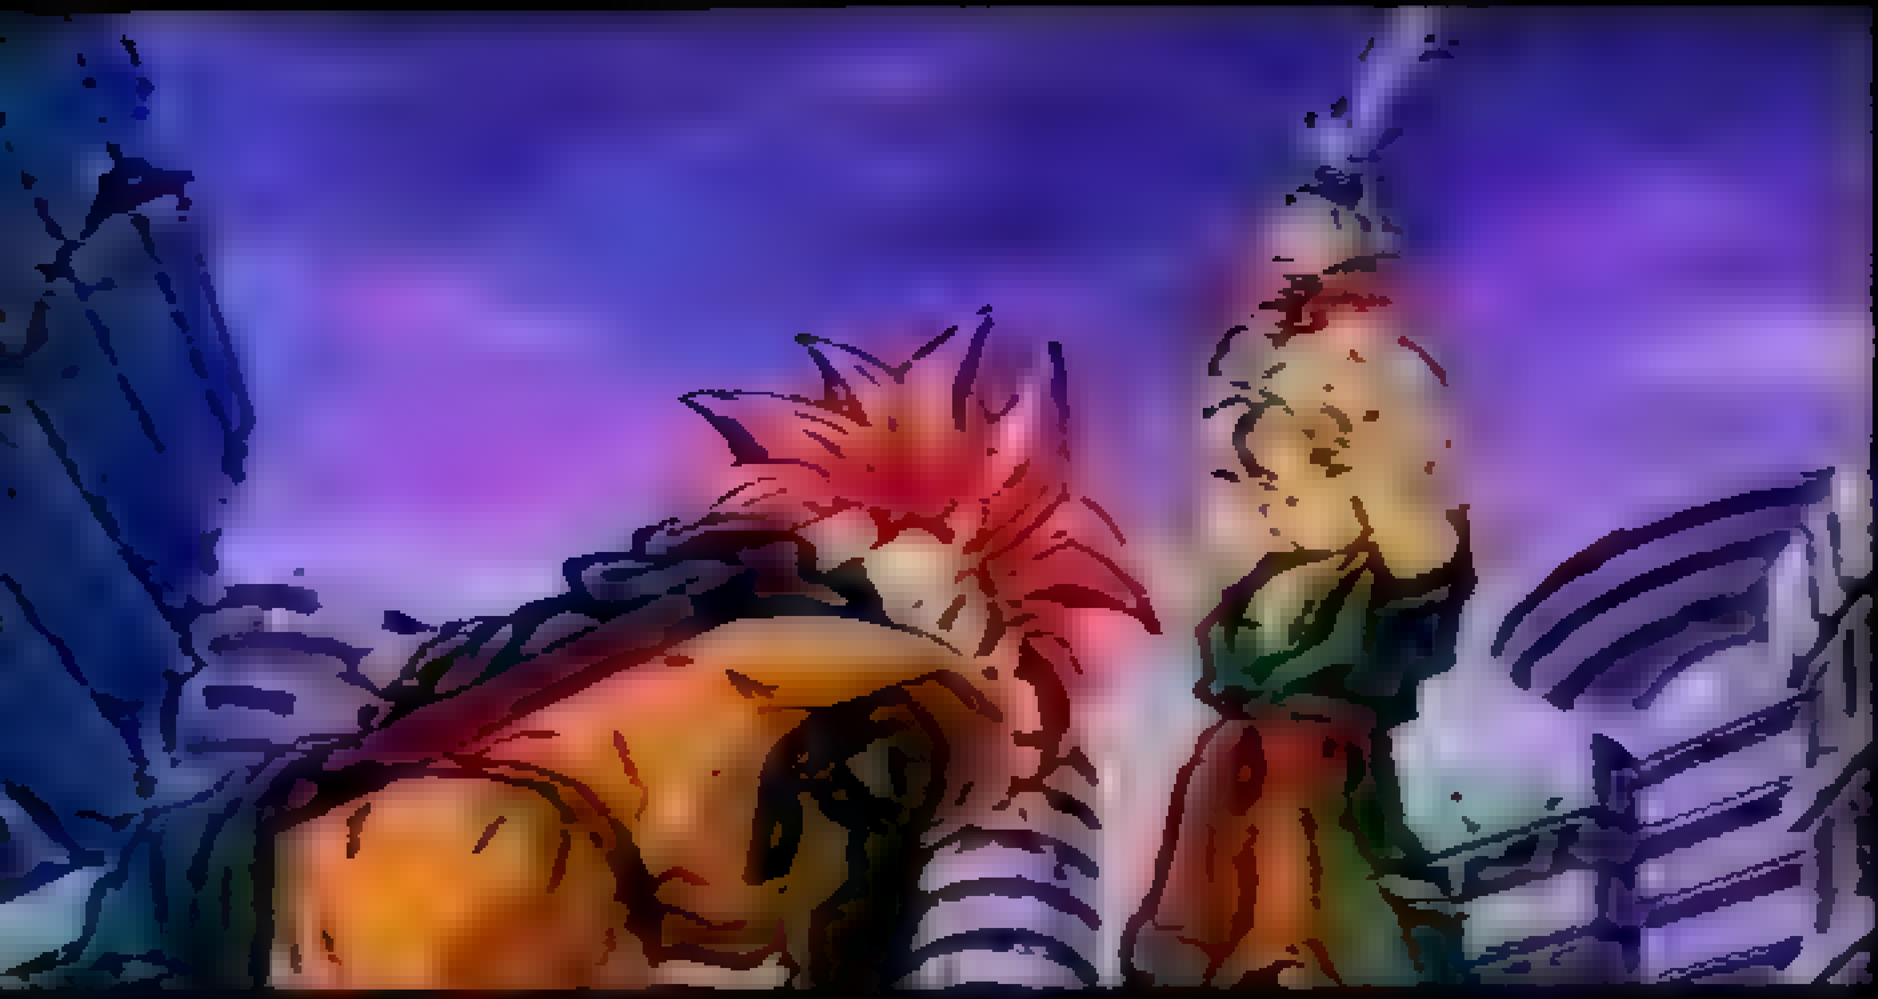

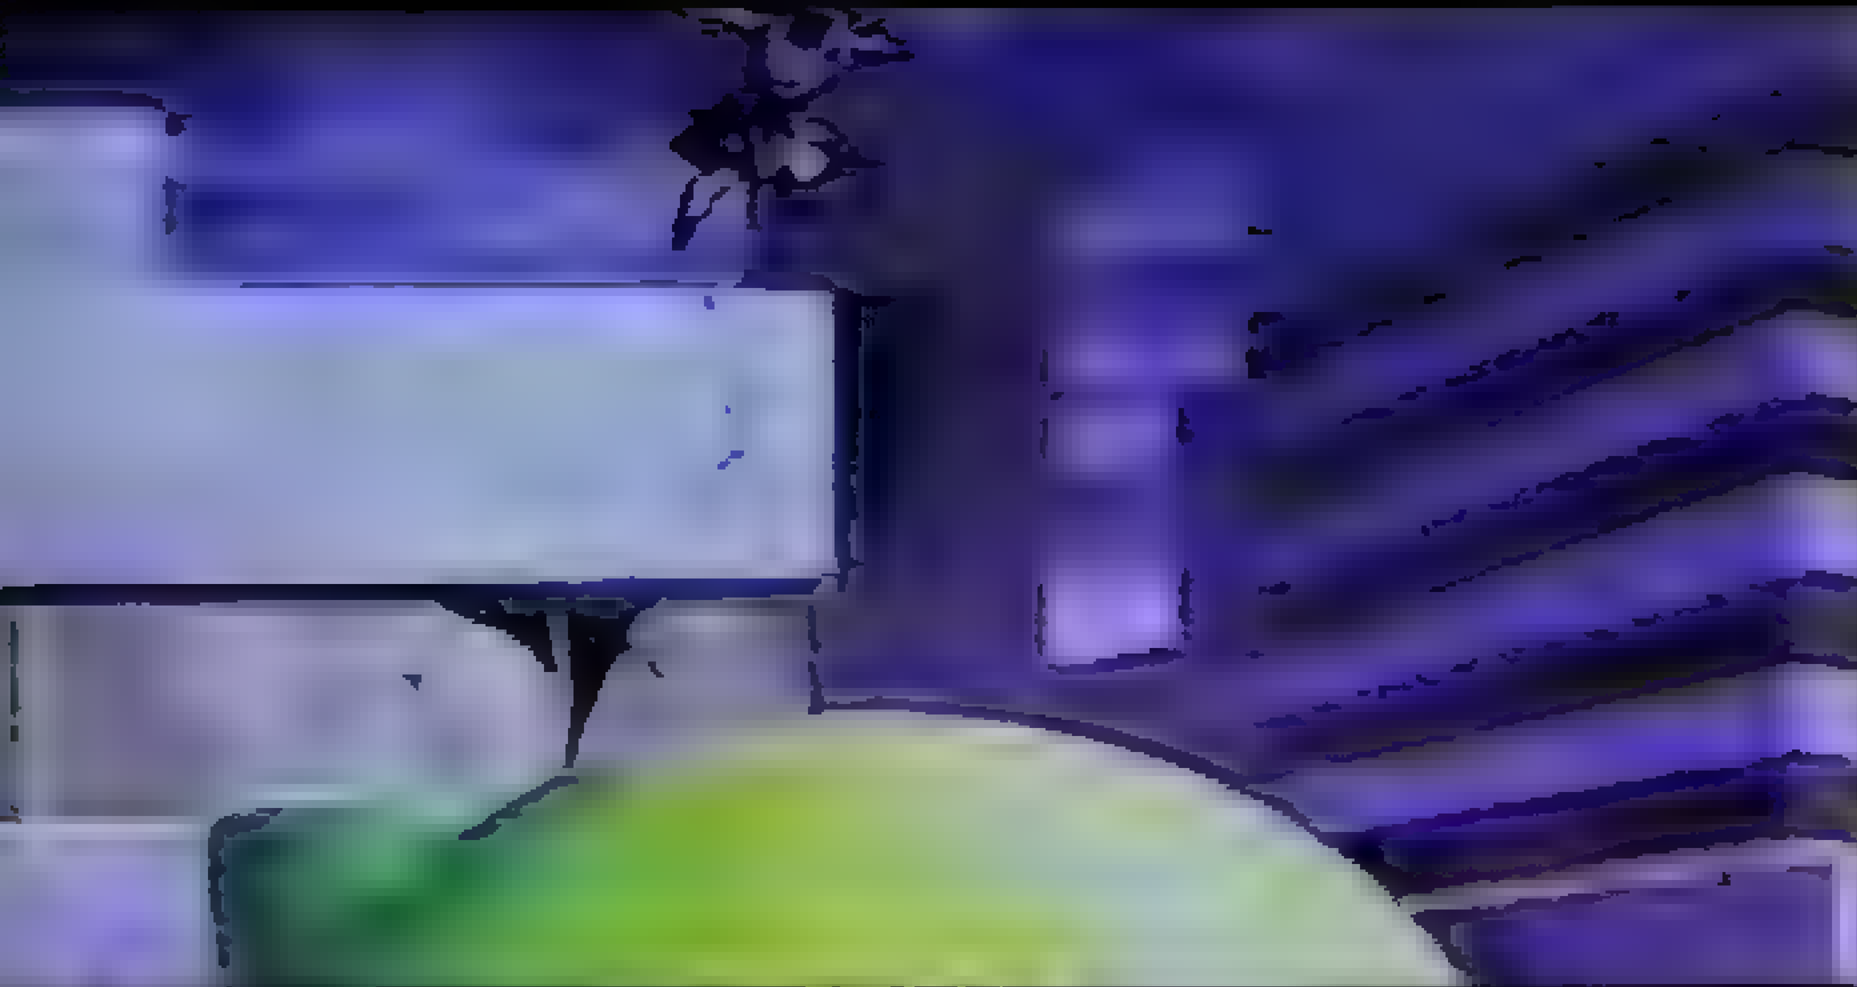

I am glad that I got to know you.

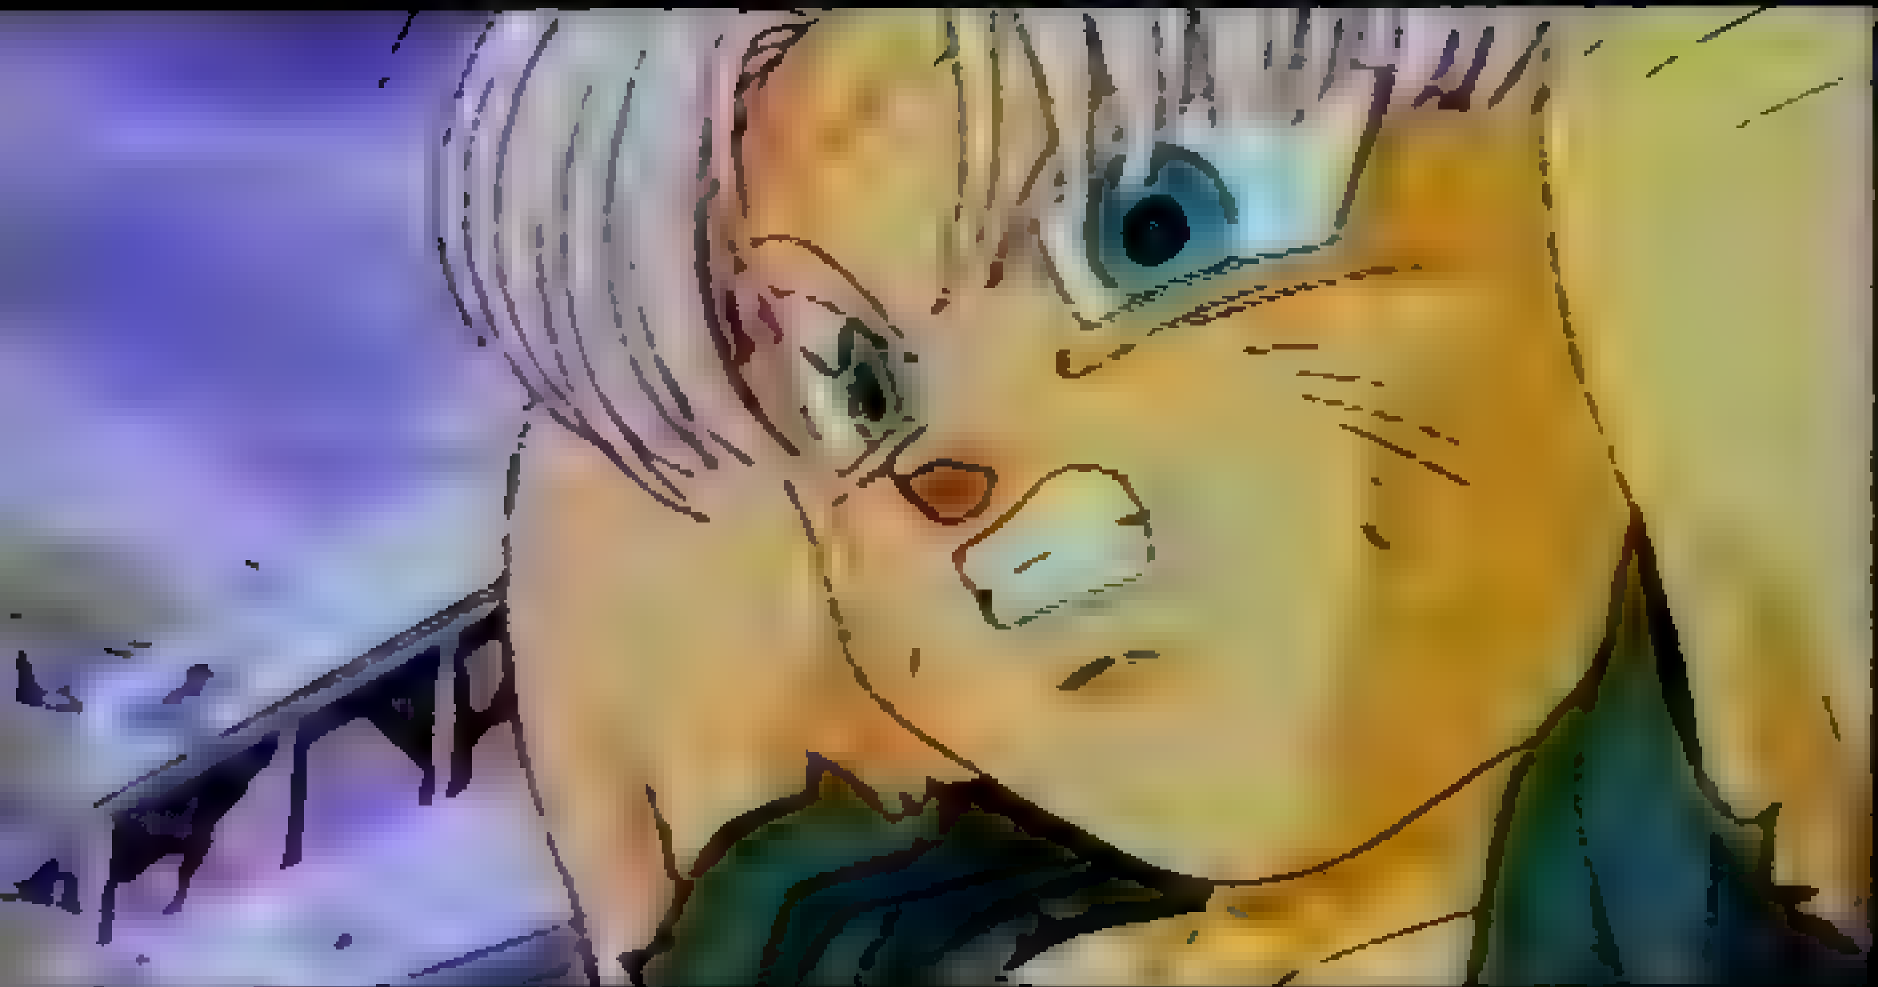

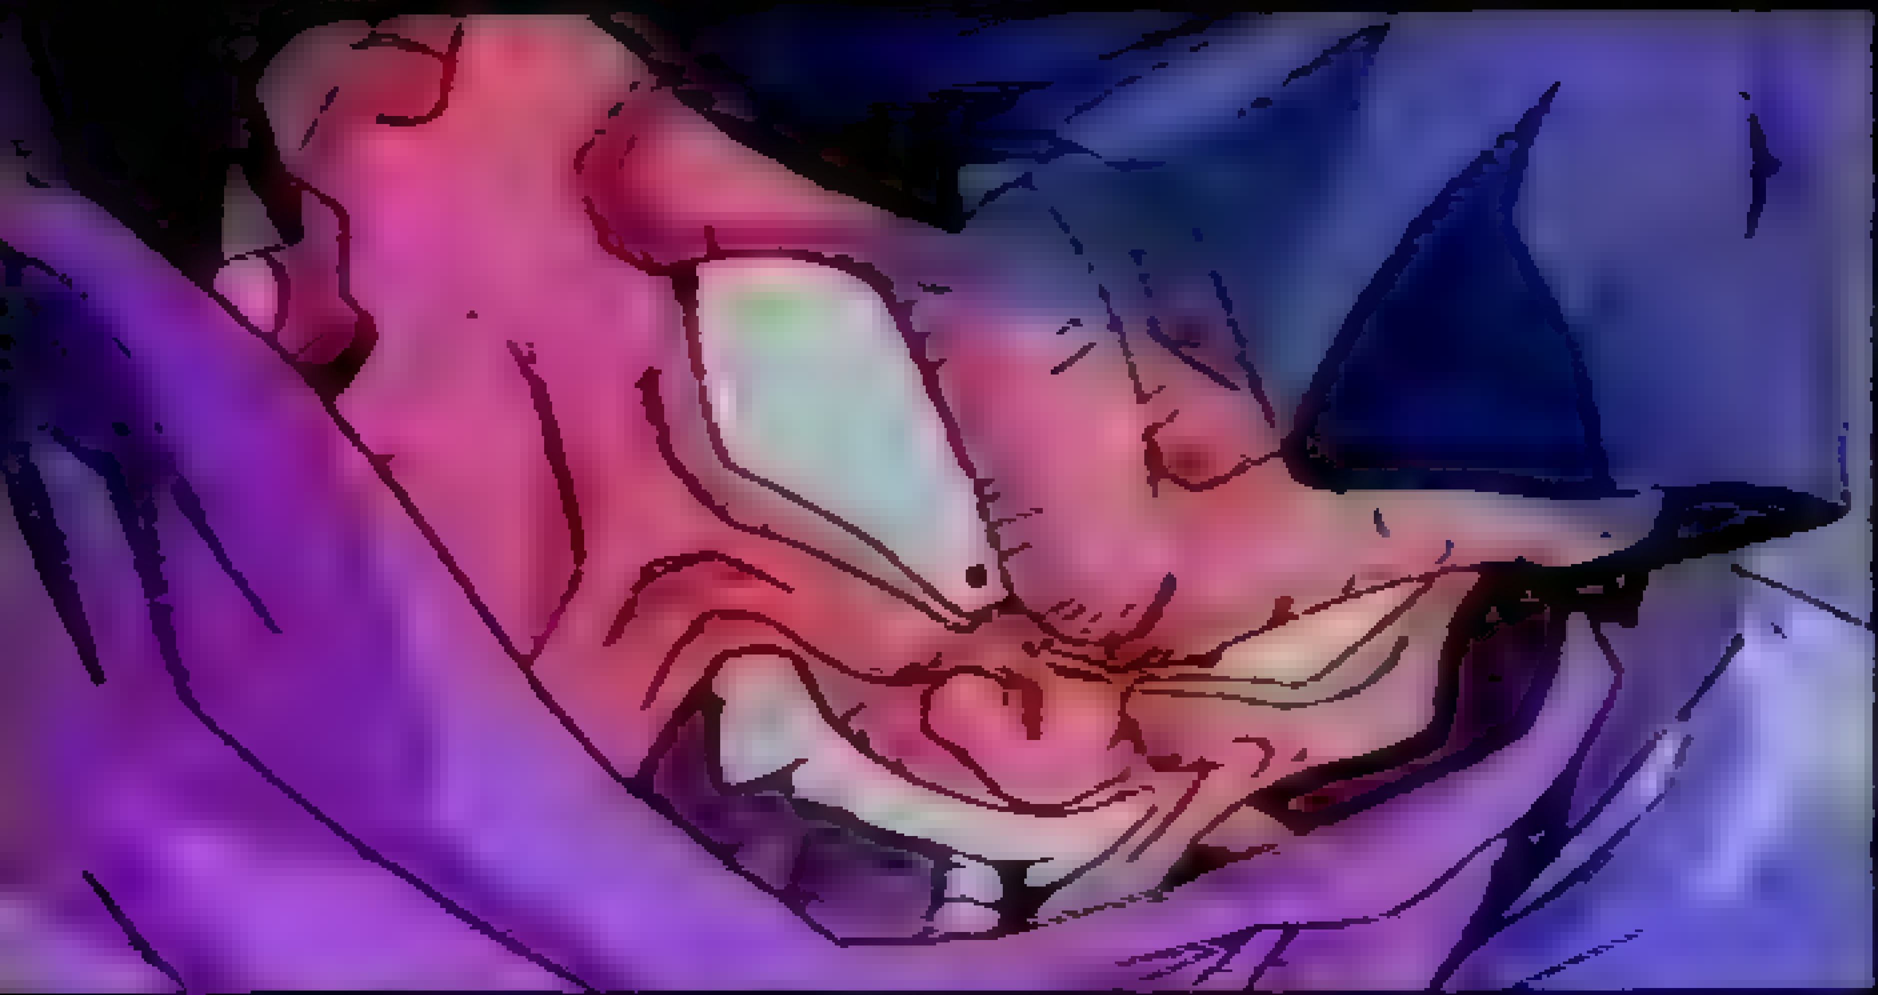

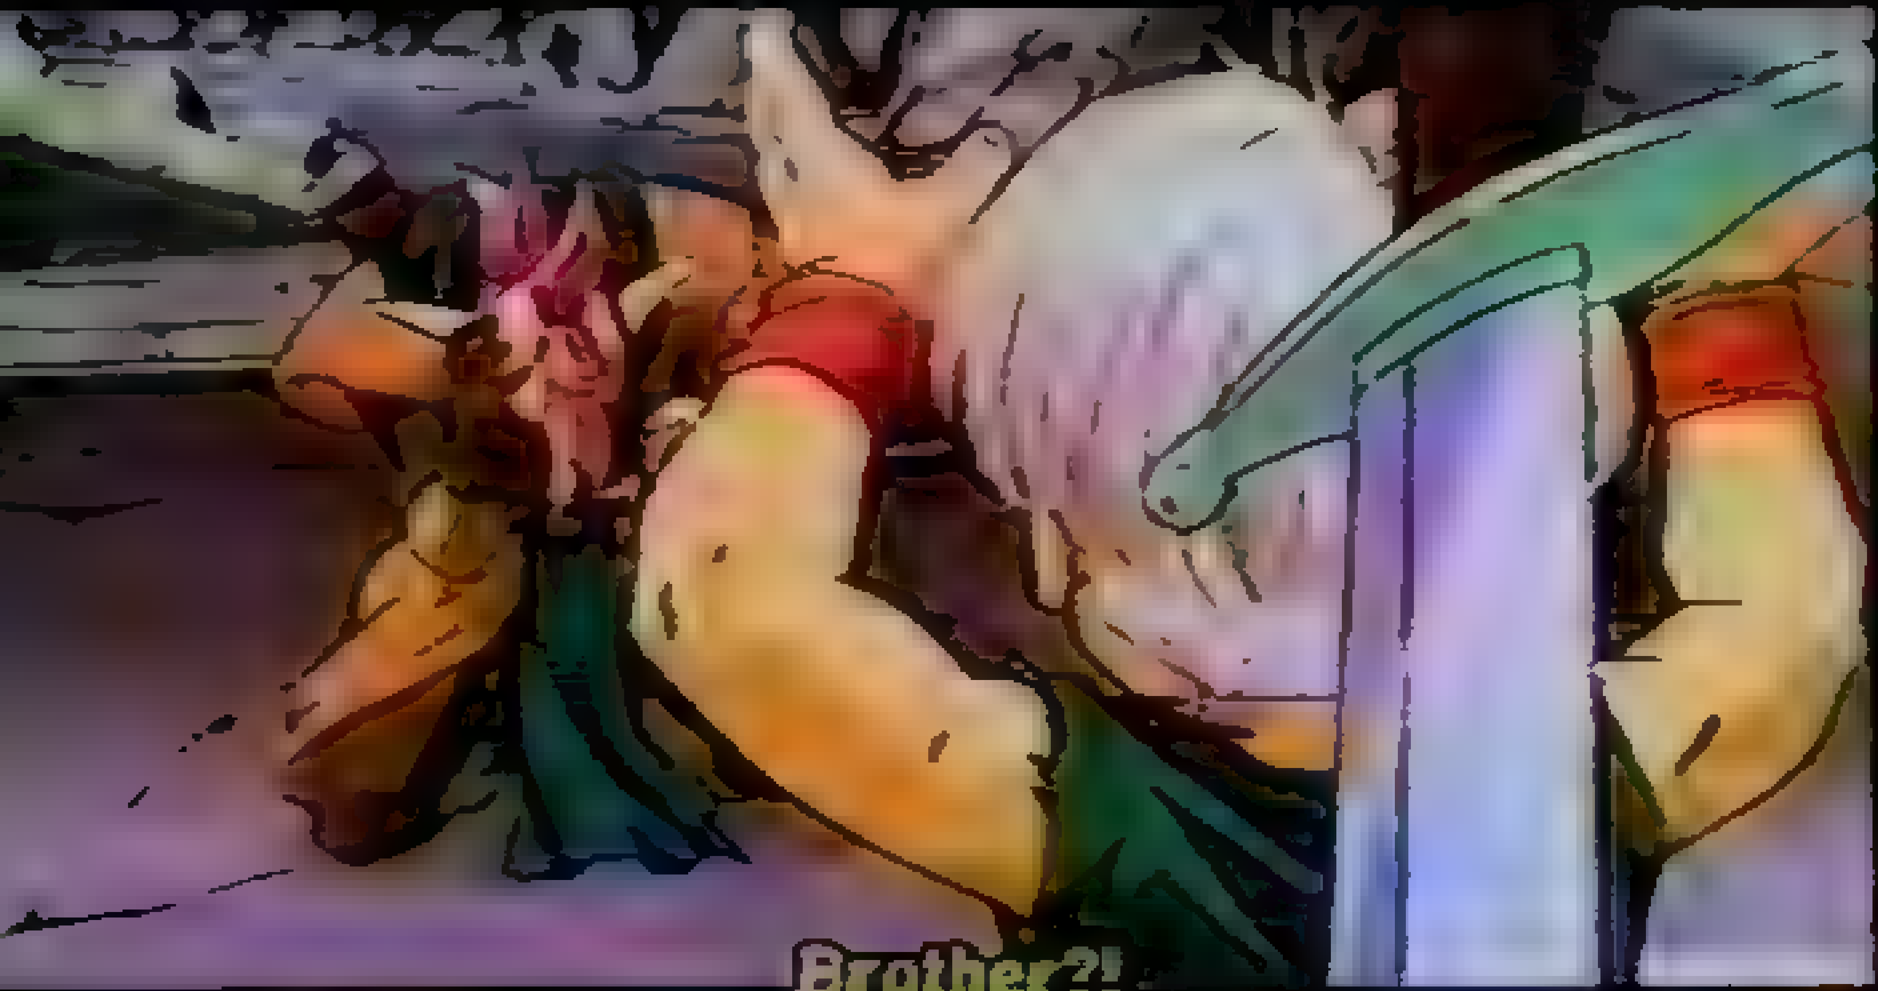

STOP IT!

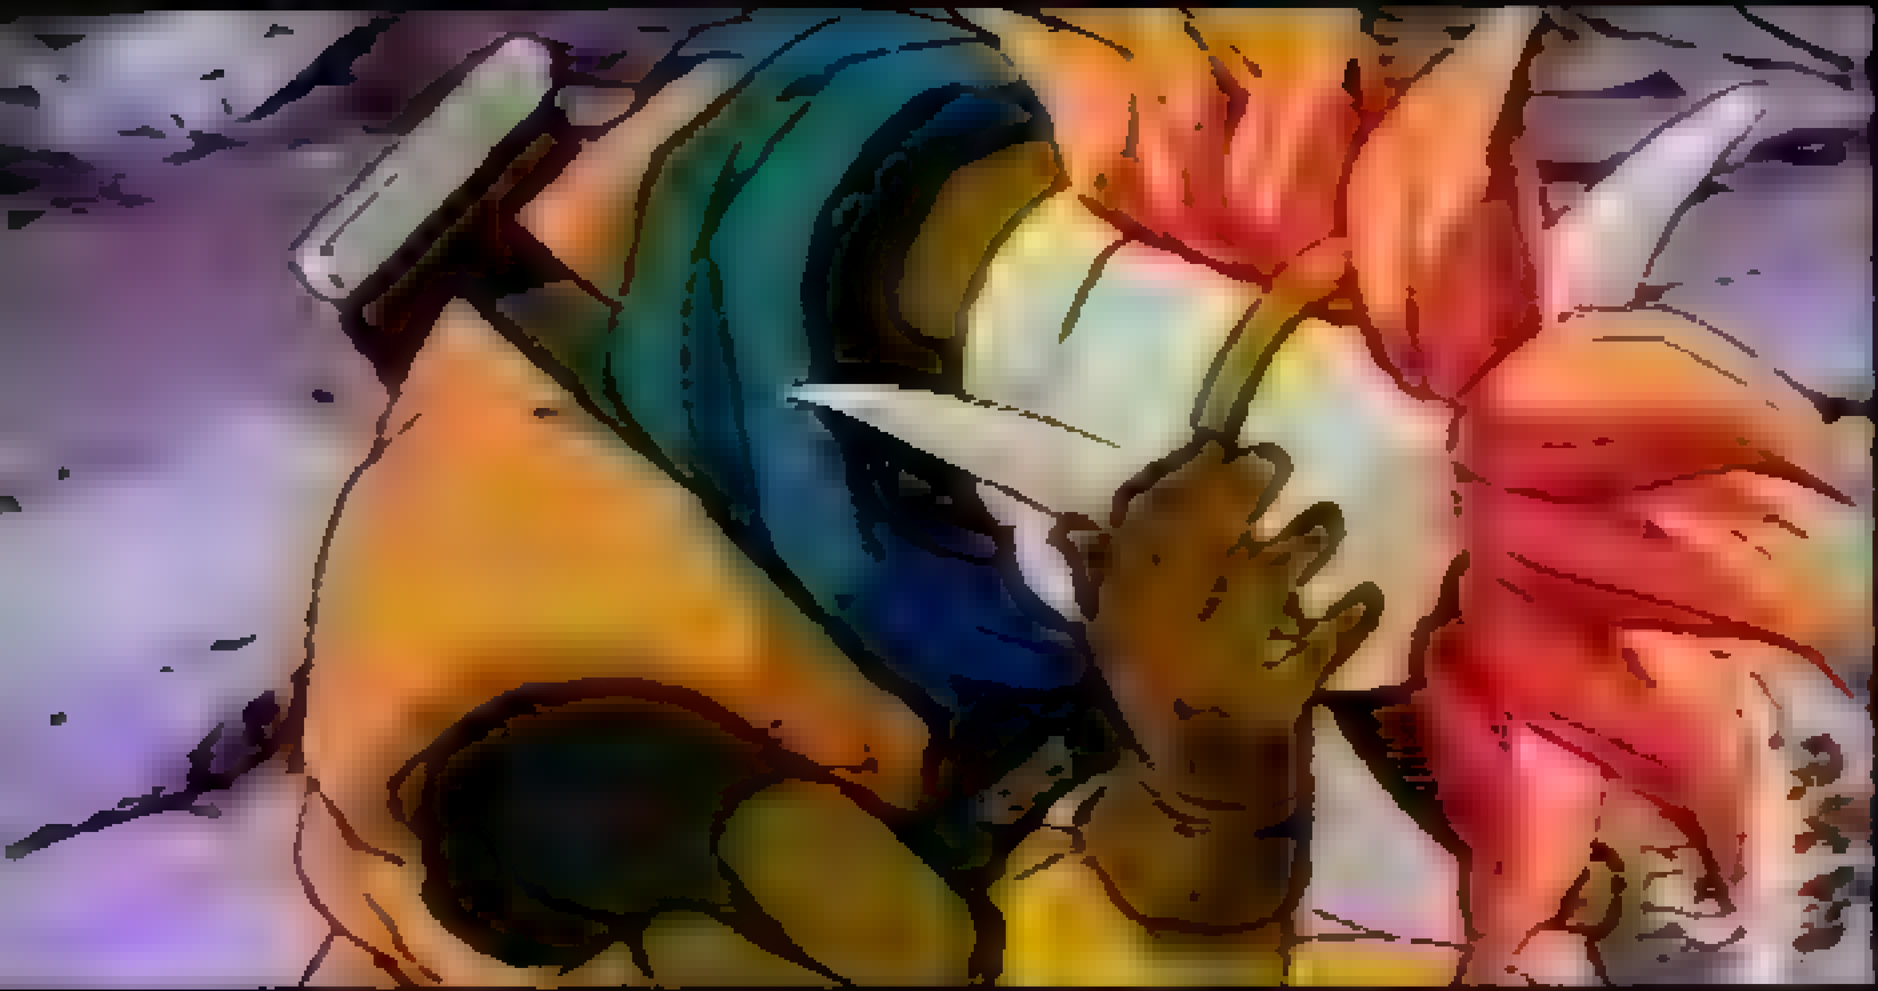

Brother?!

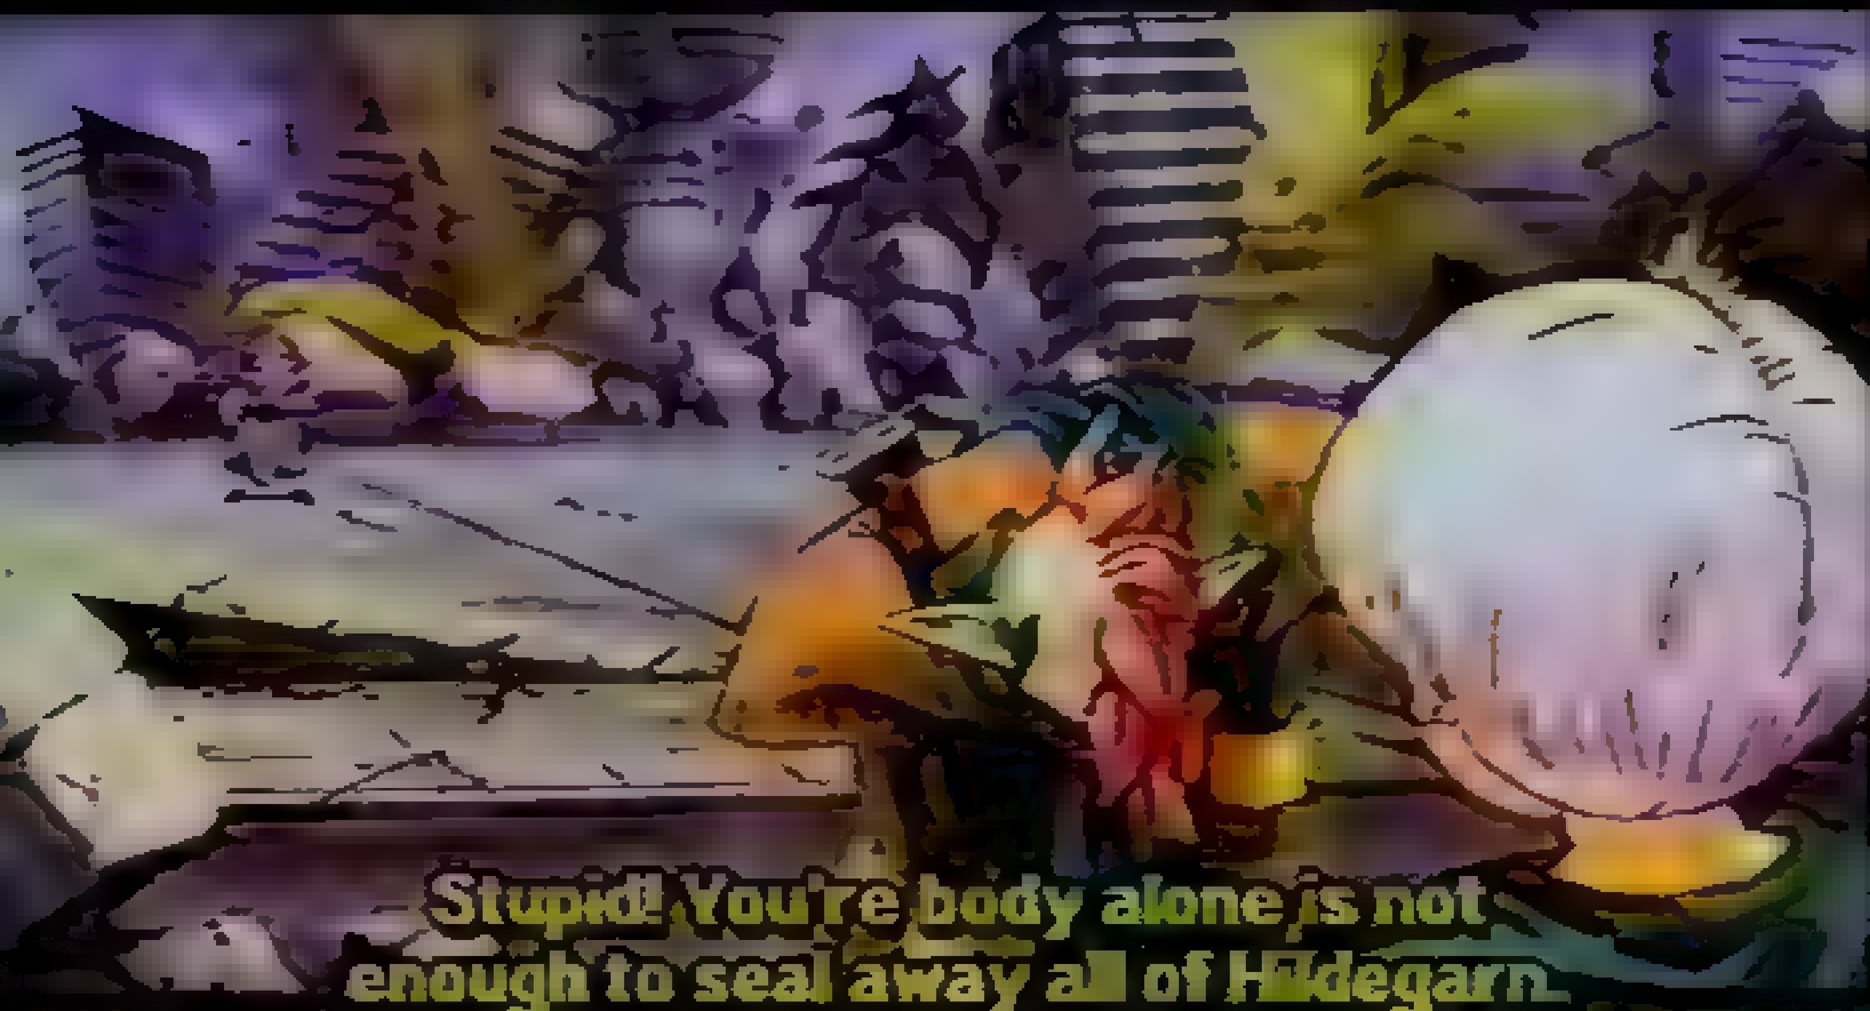

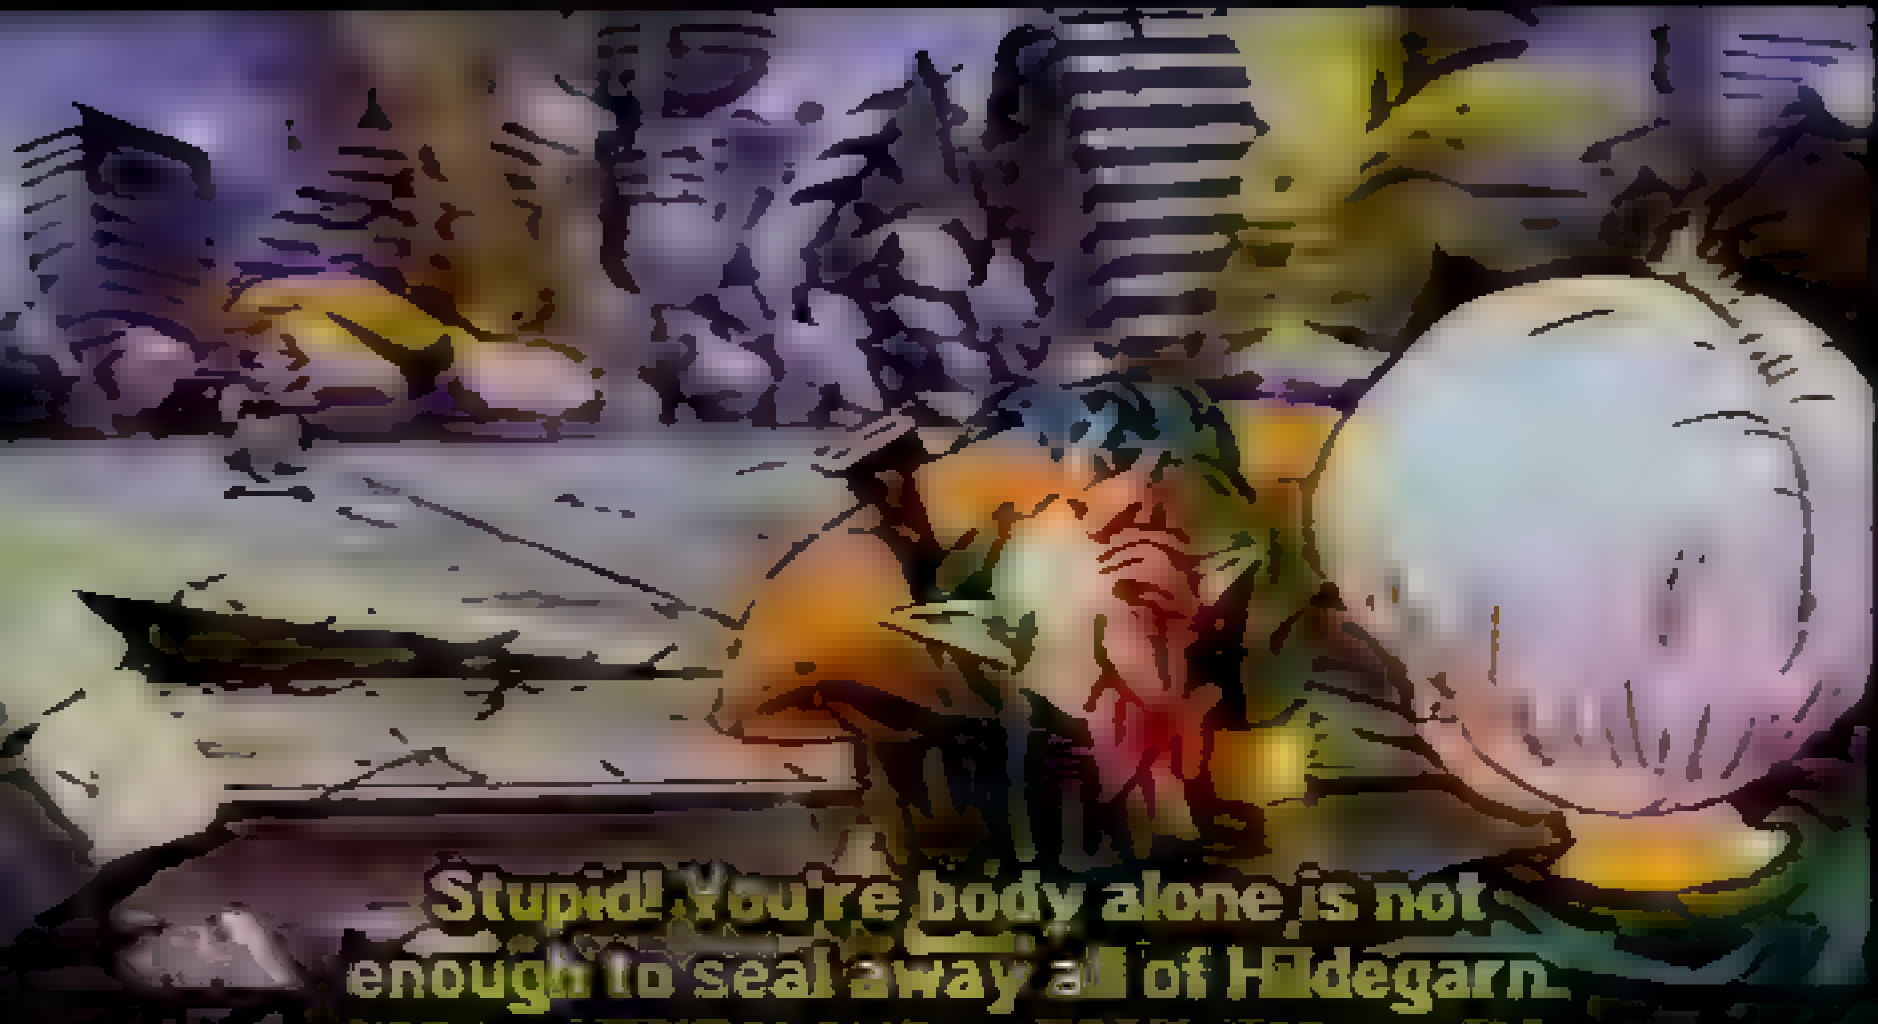

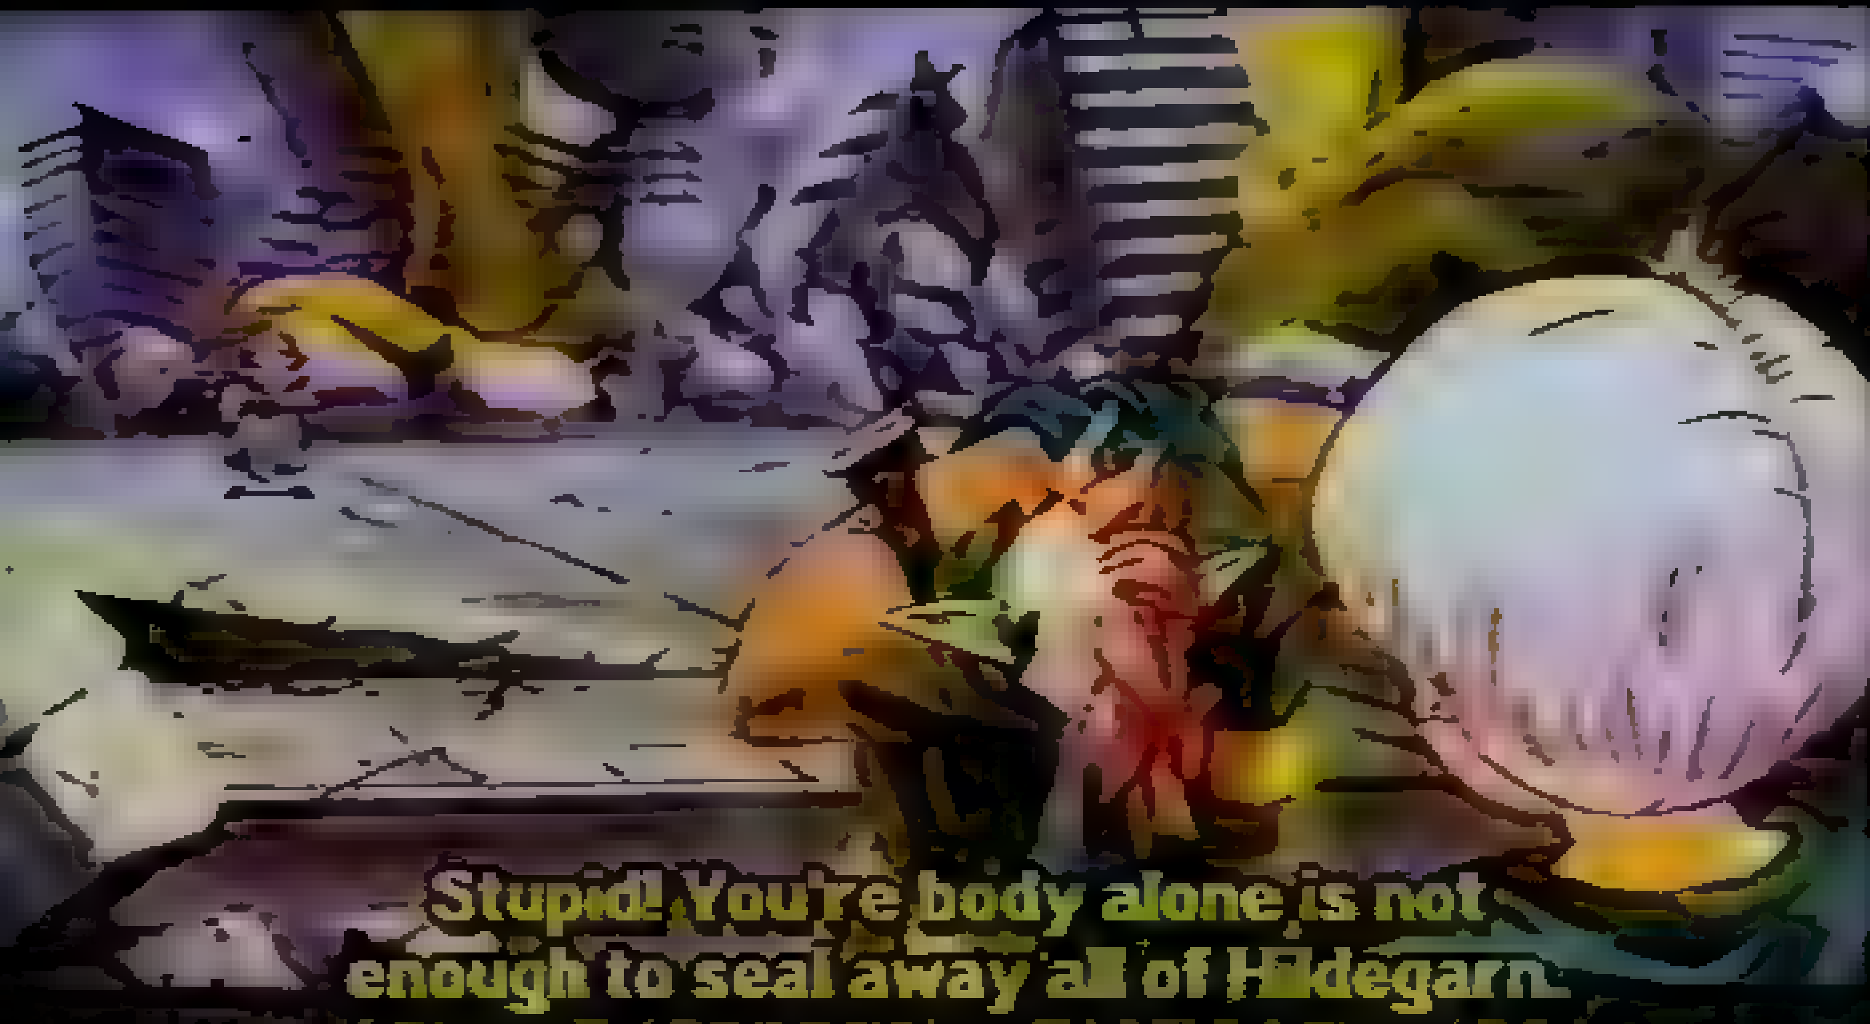

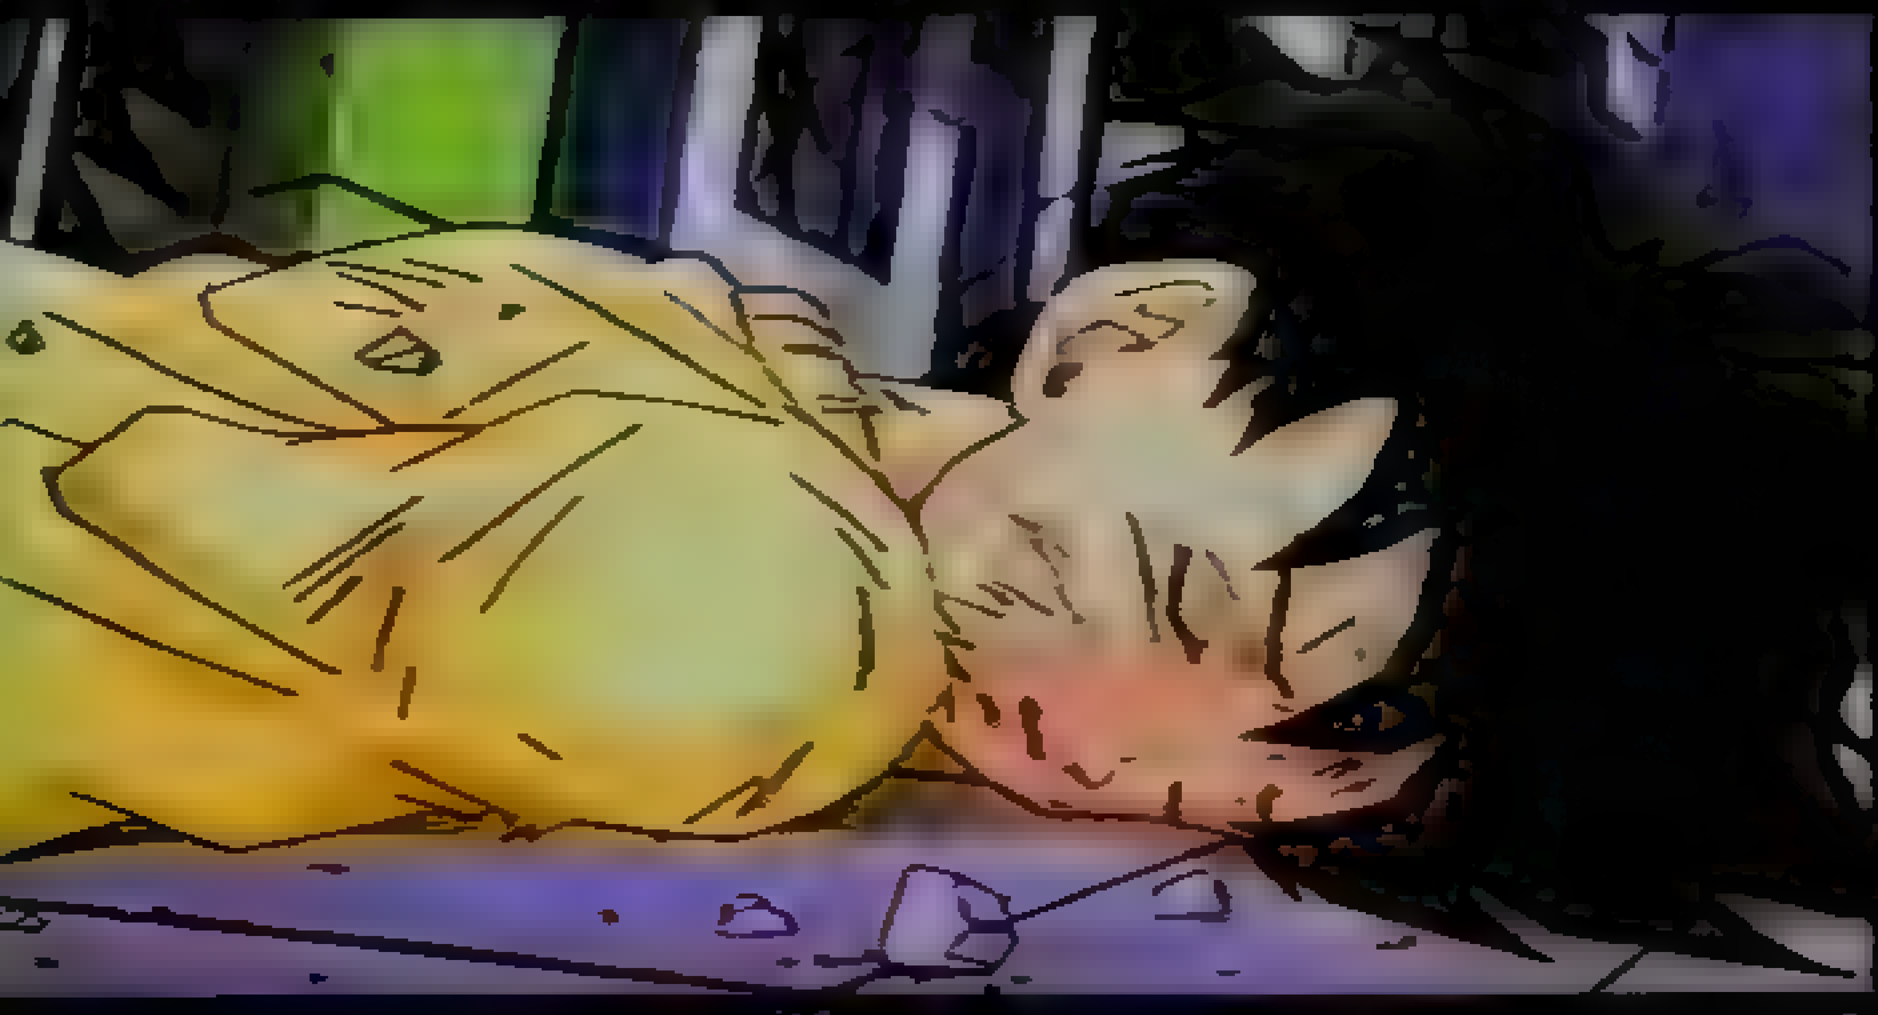

Stupid! You're body alone is not enough to seal away all of Hildegarn.

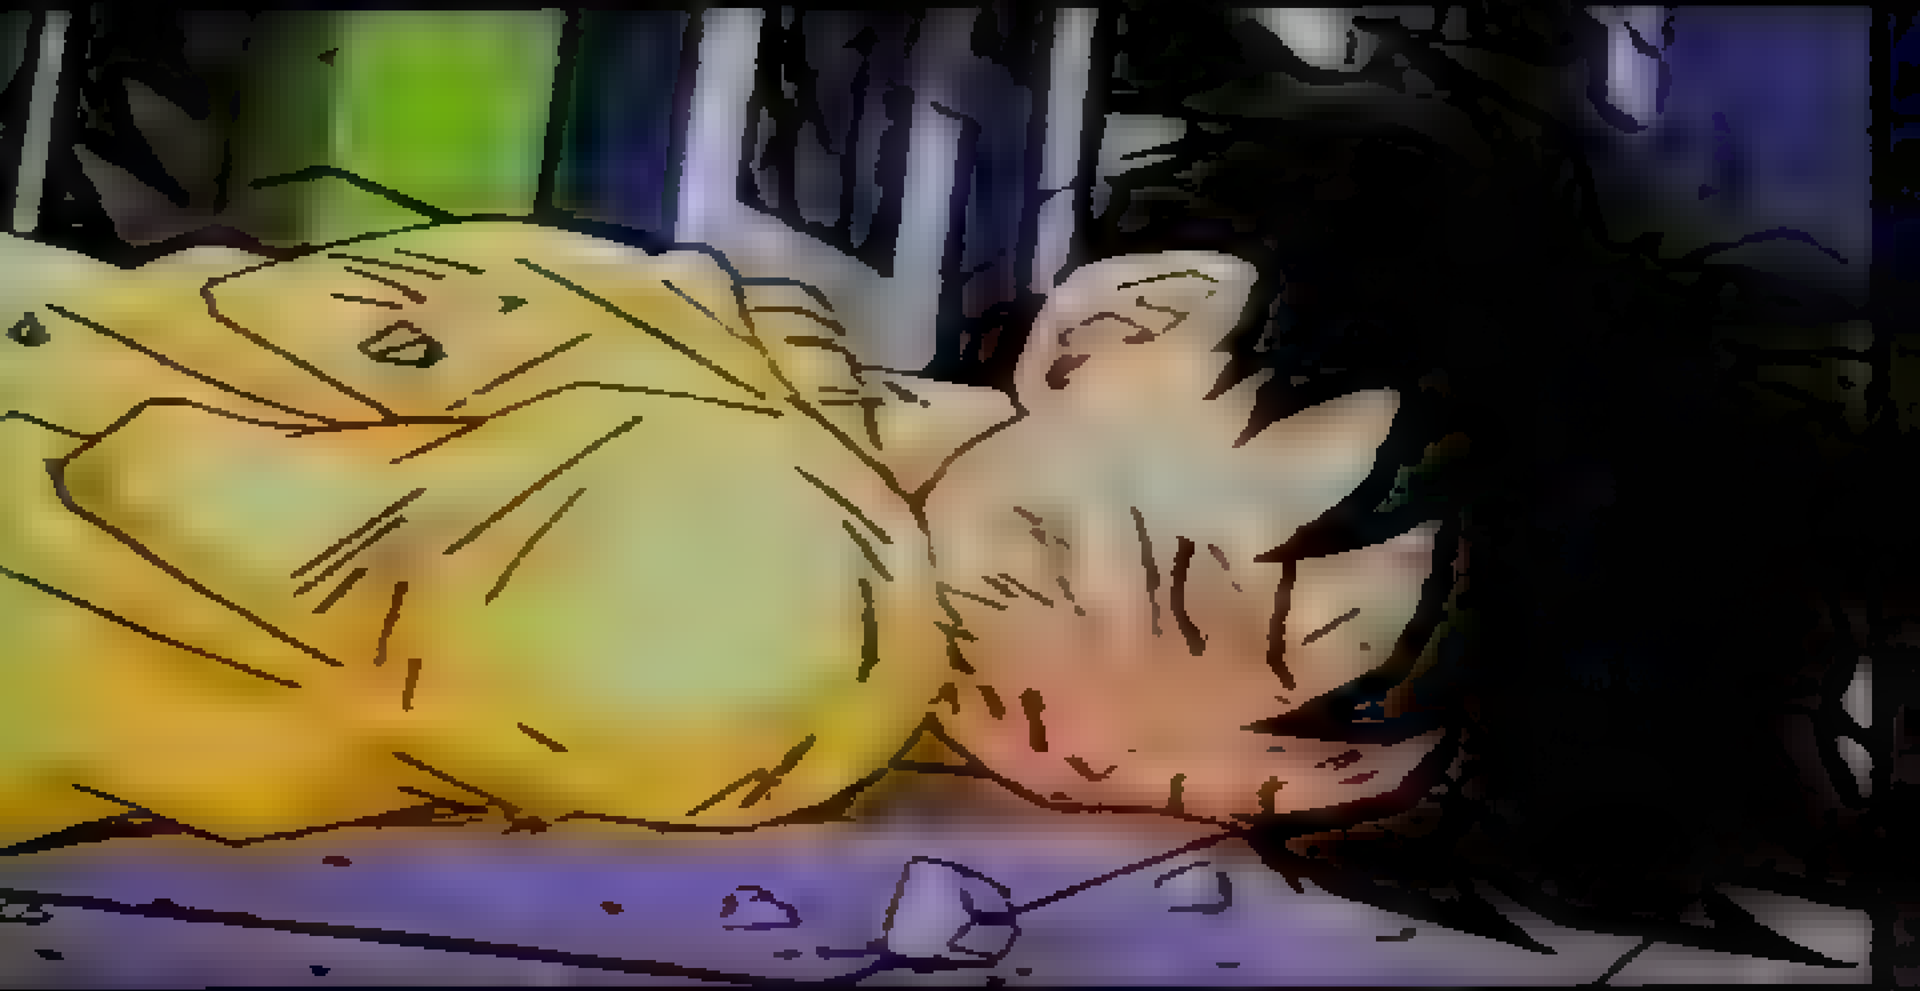

Stupid! You're body alone is not
enough to seal away all of Hildegarn.

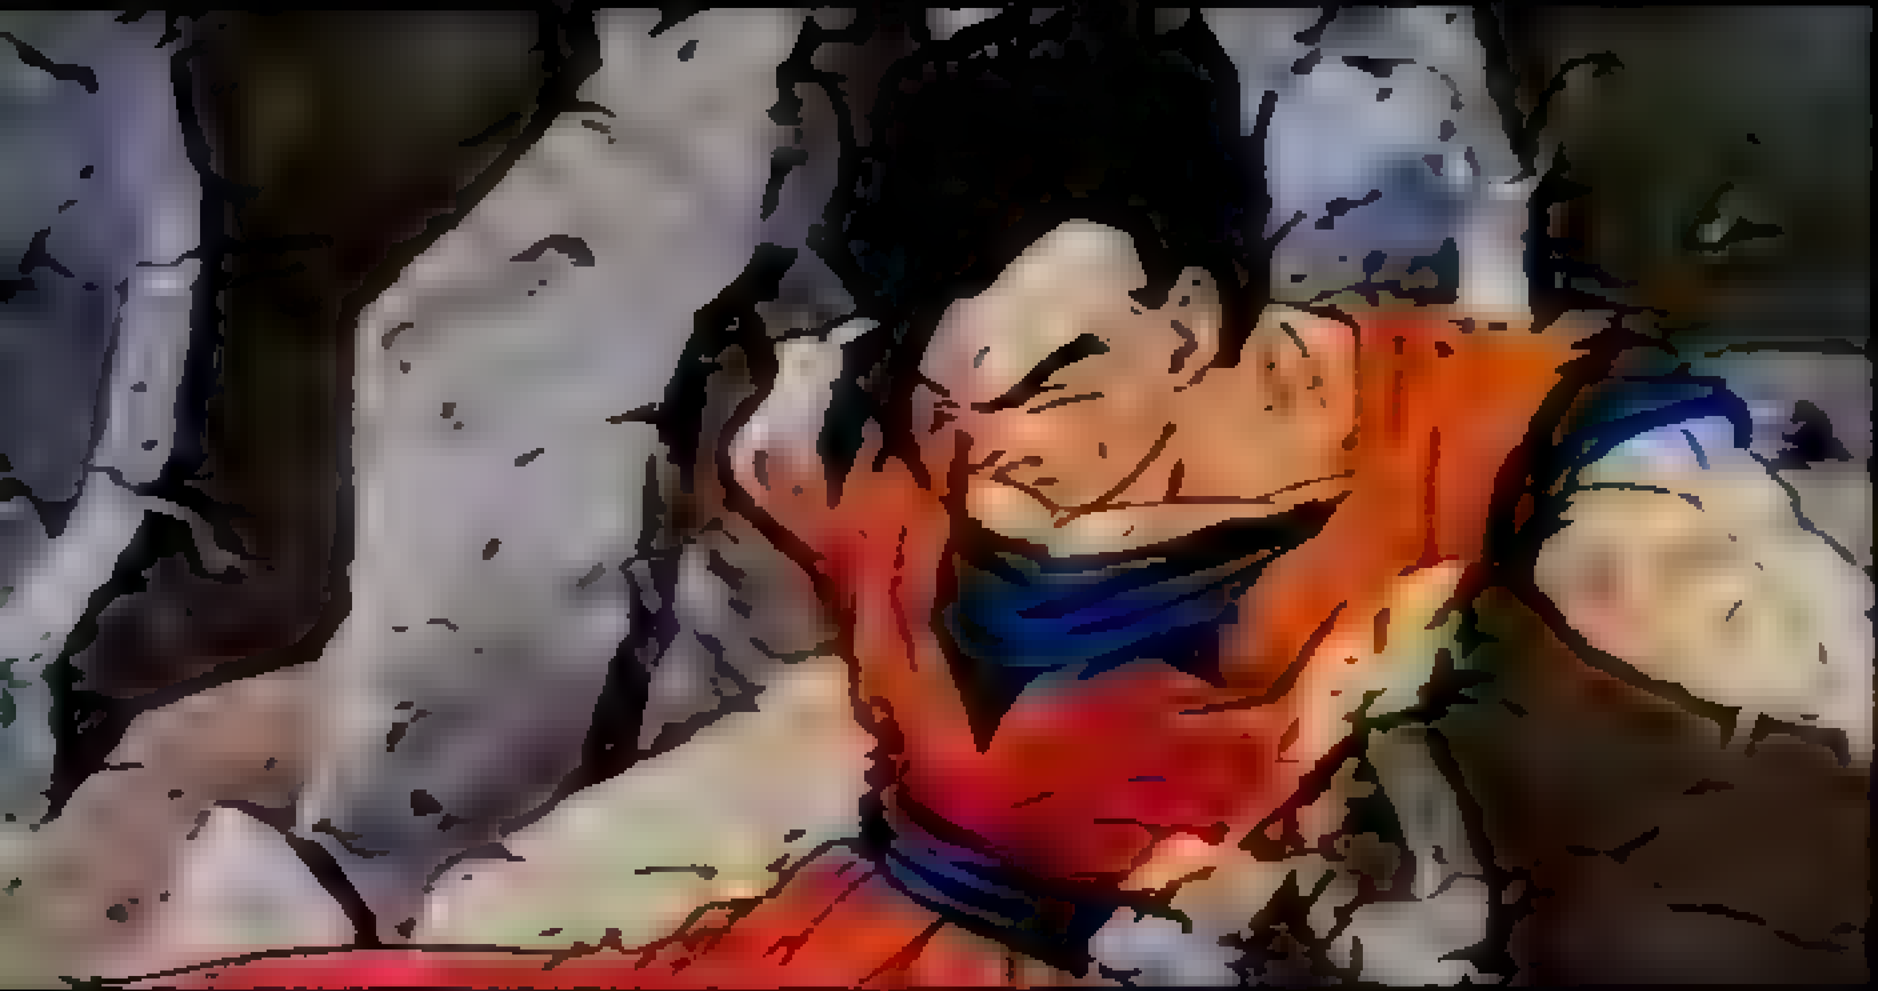

Stupid! You're body alone is not enough to seal away all of Hildegarn.

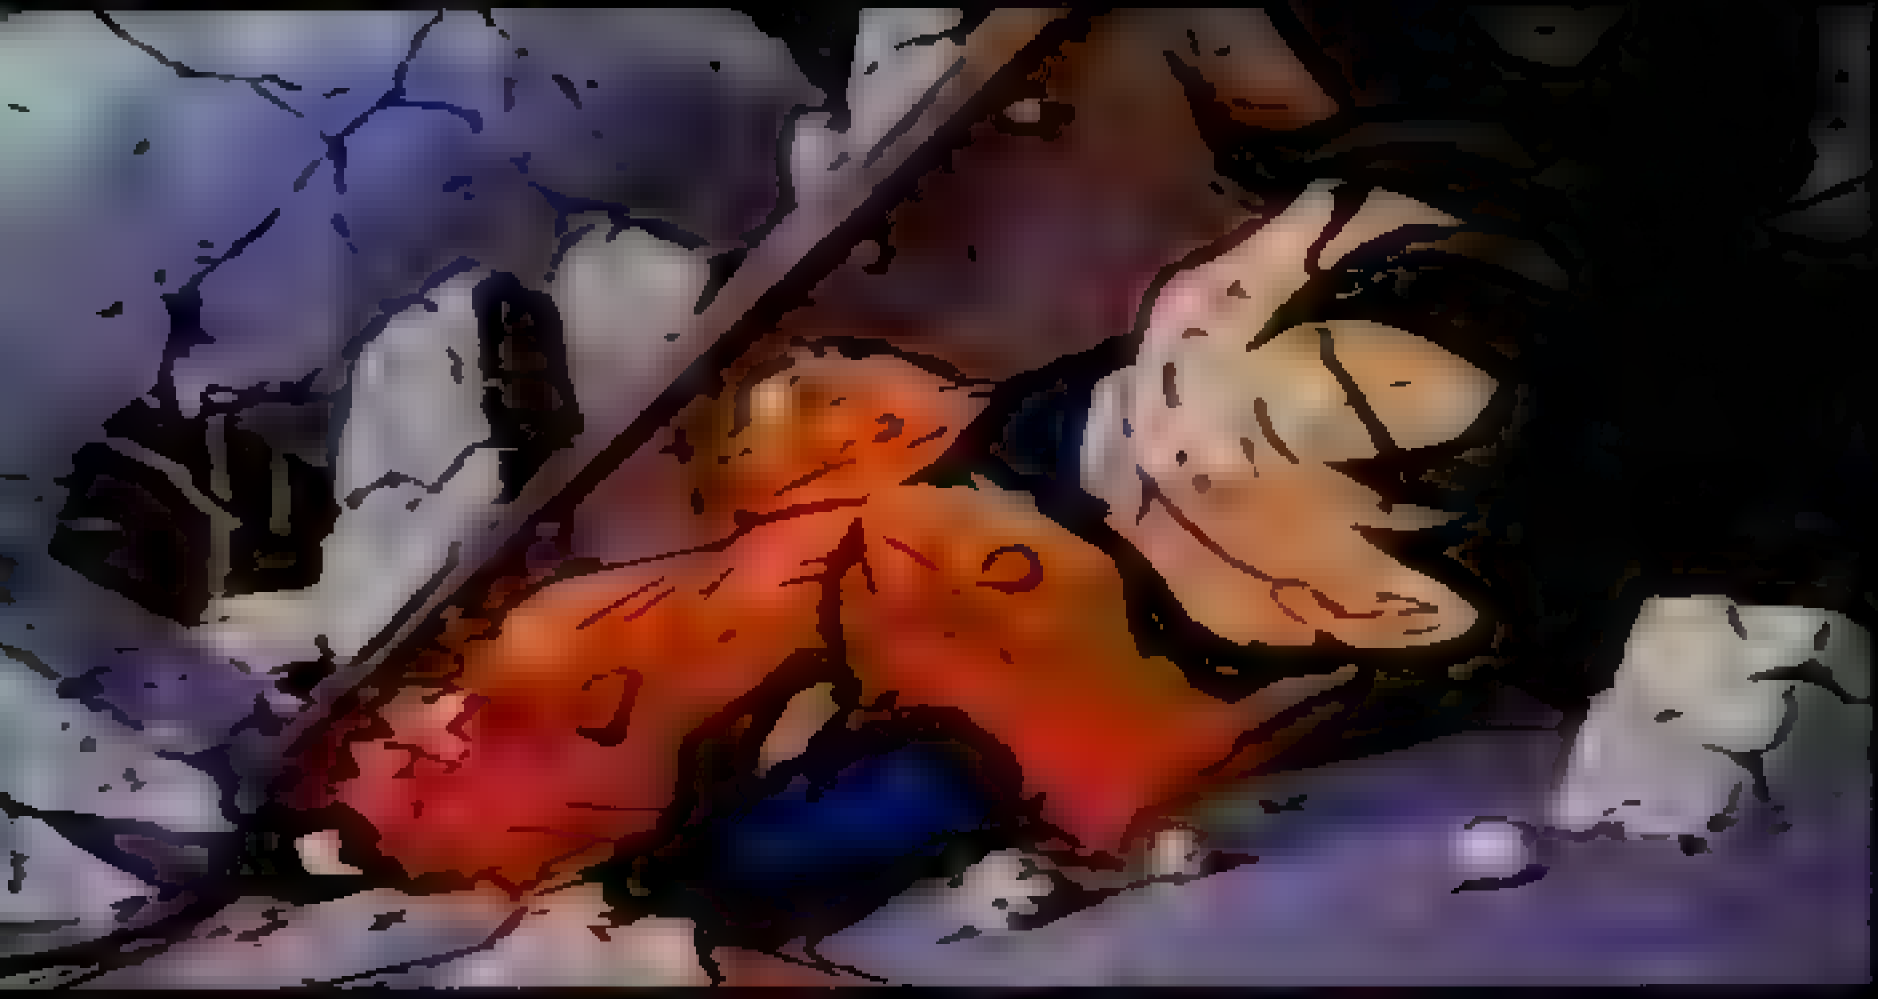

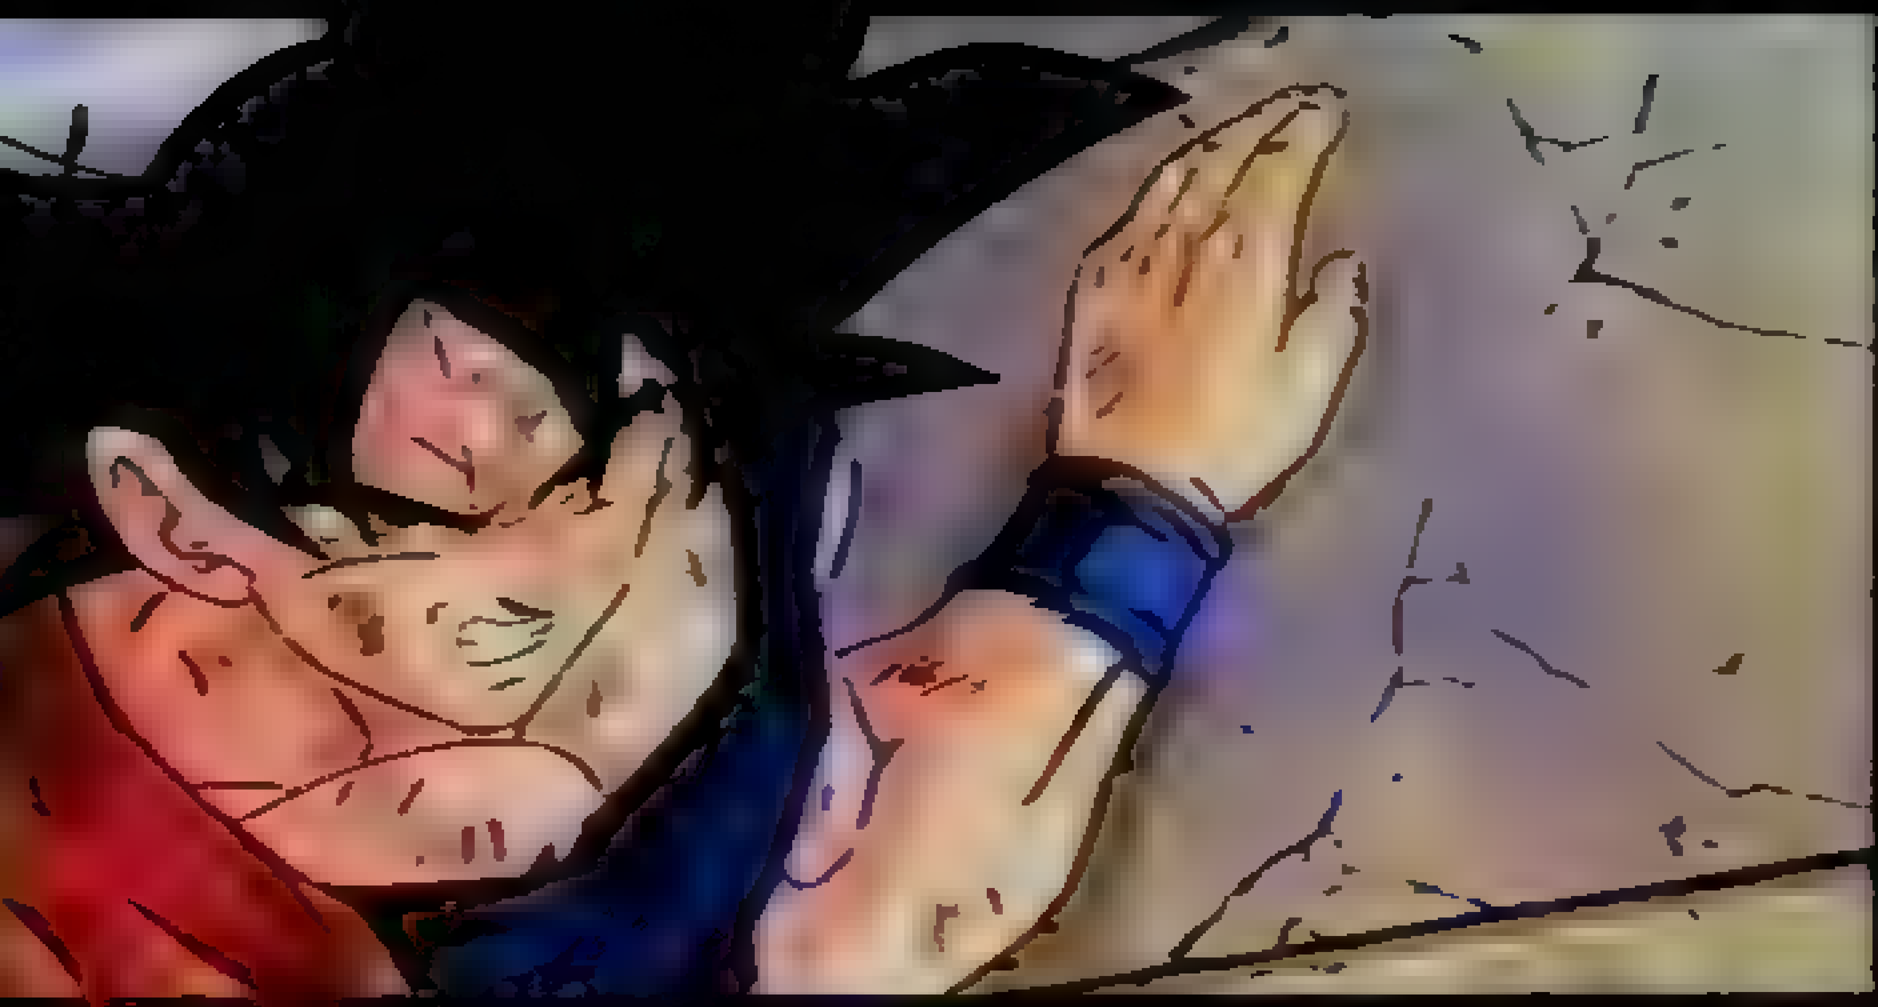

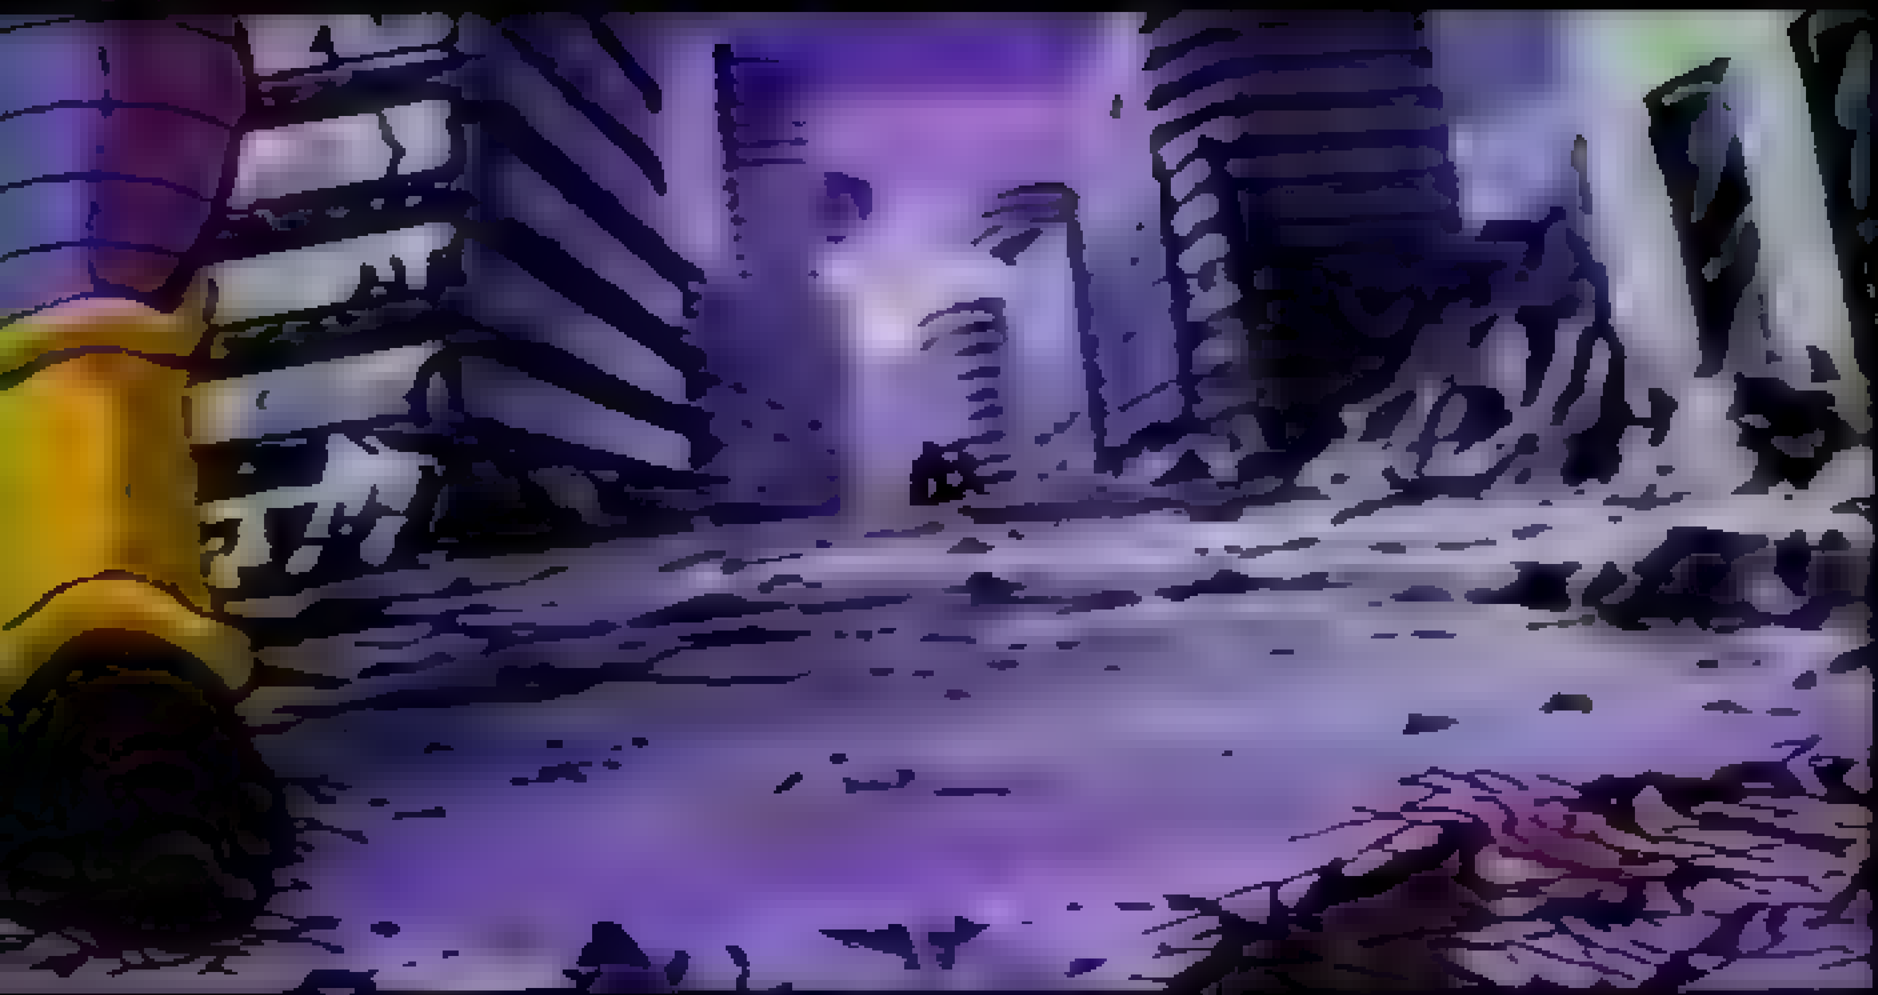

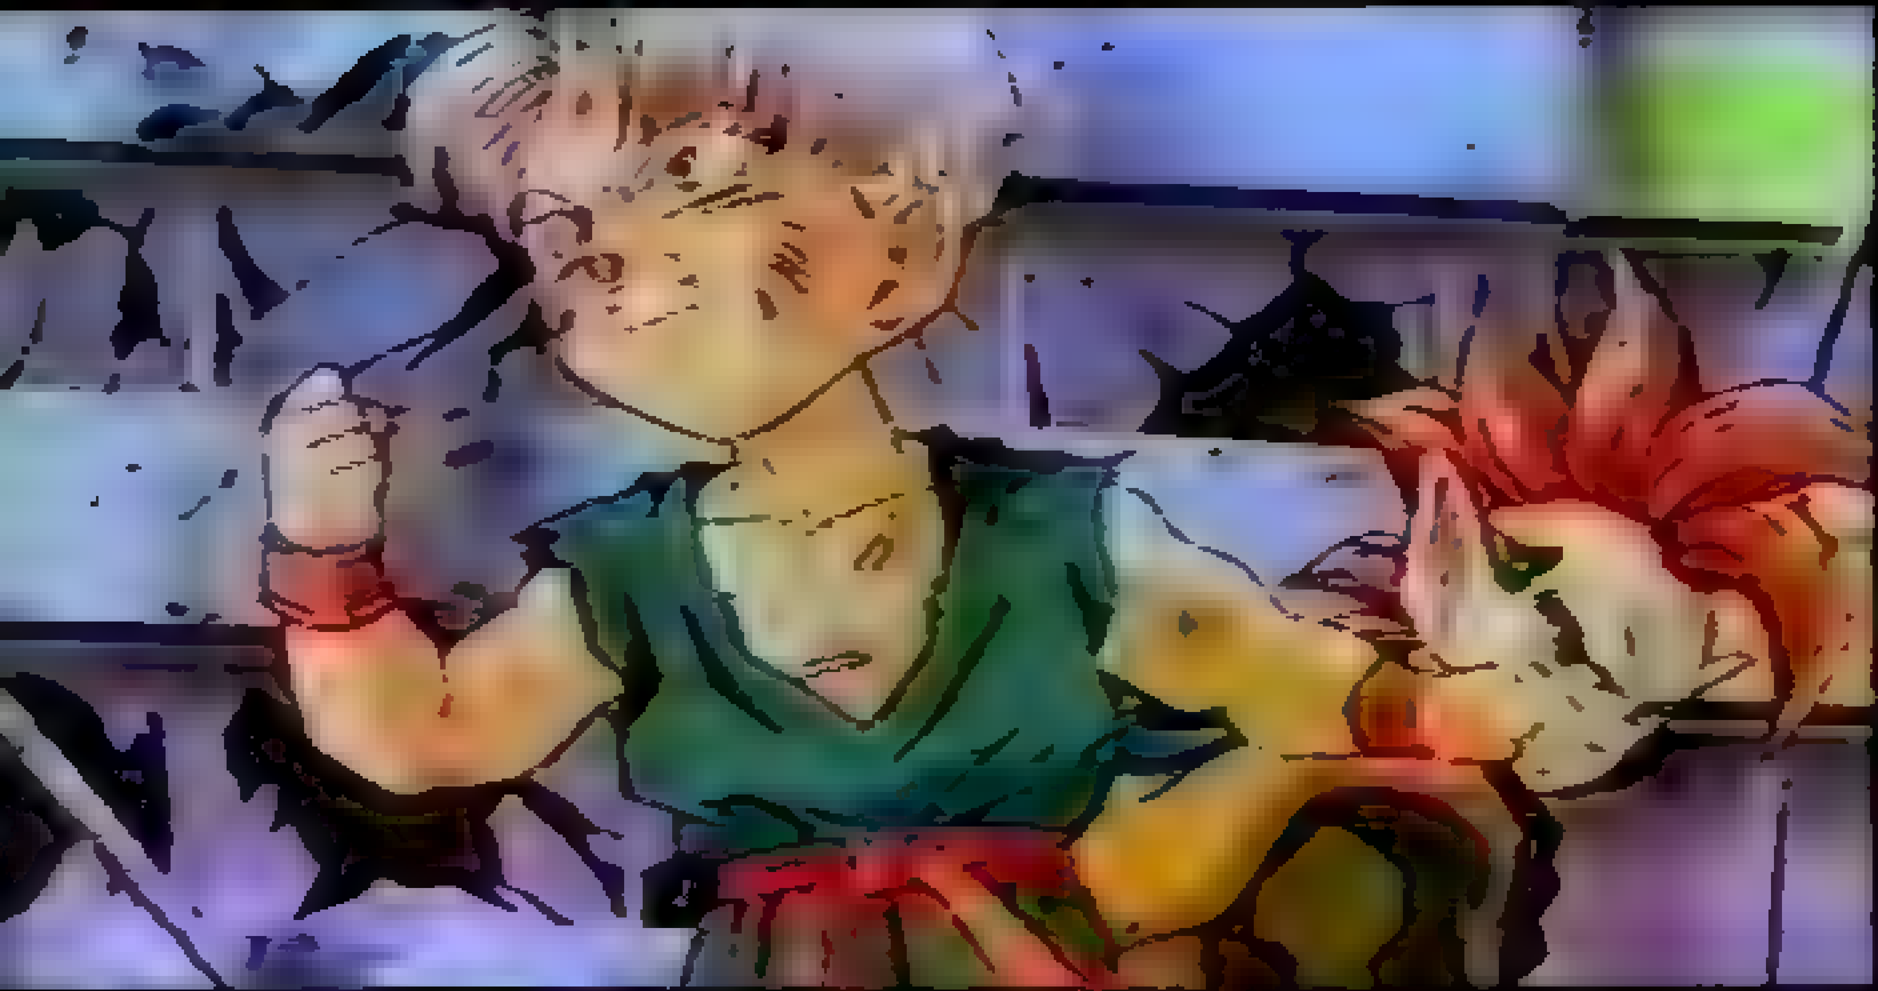

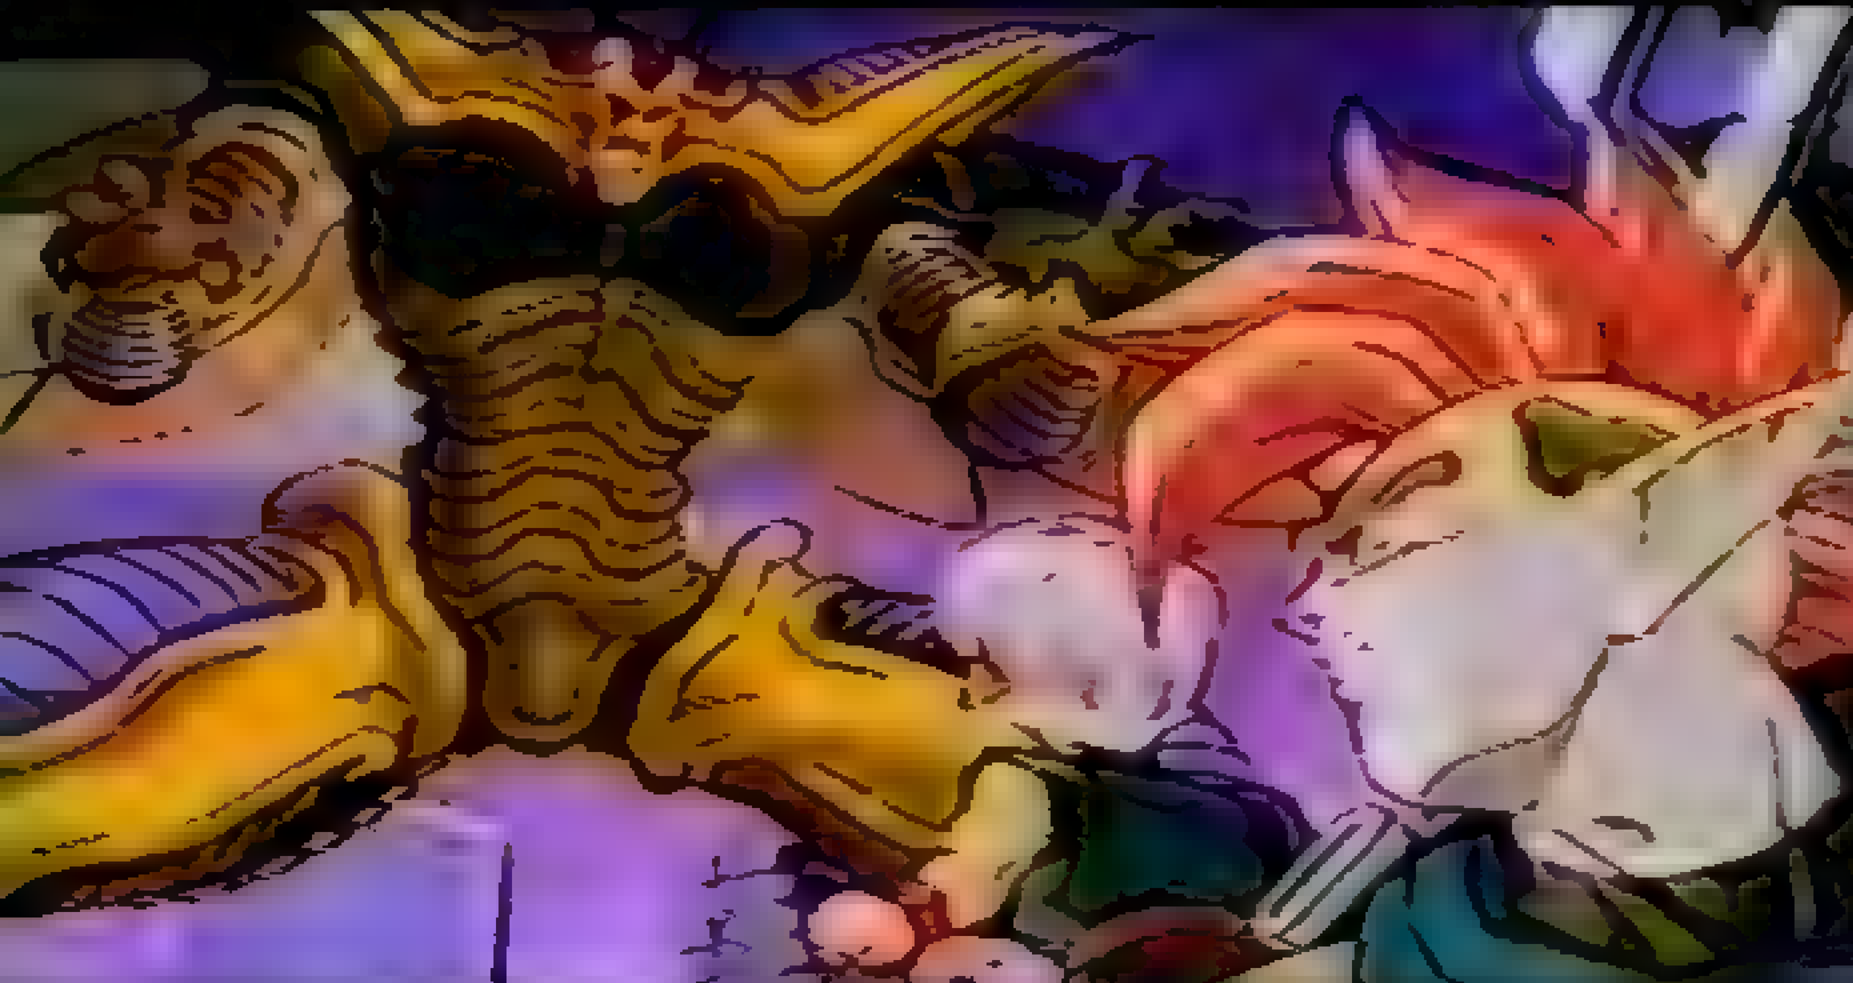

Now die!

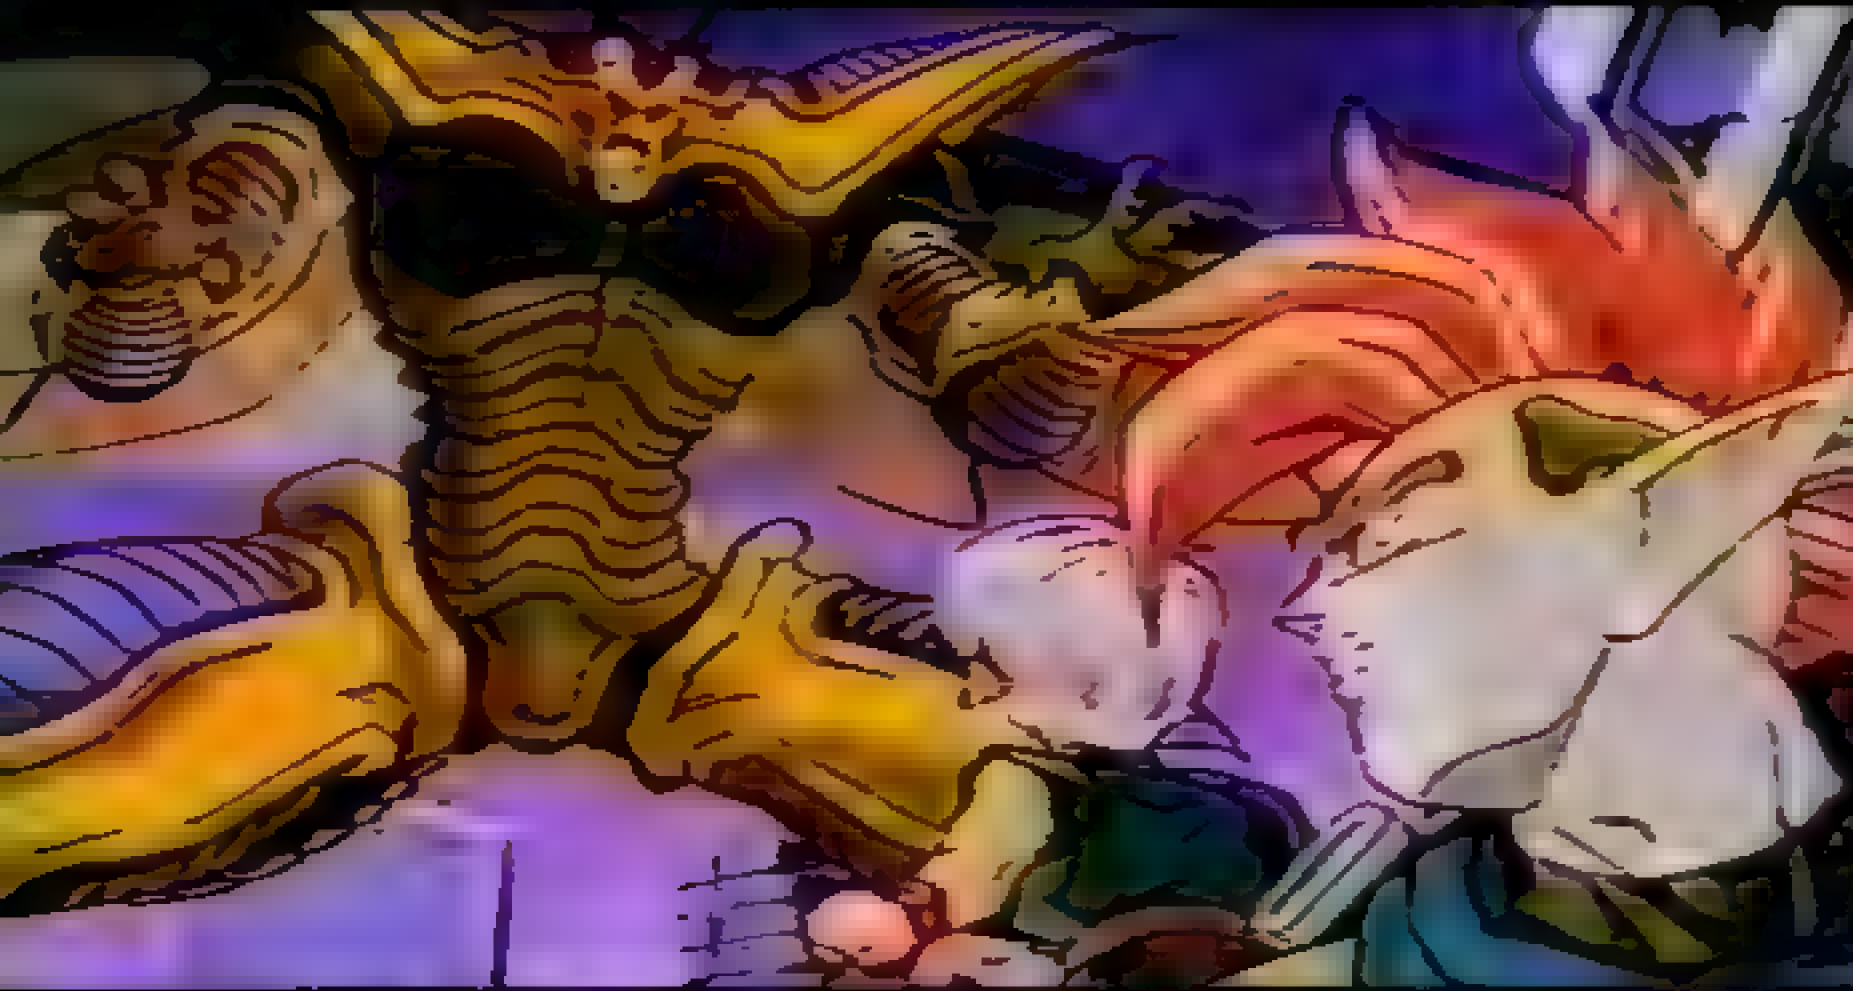

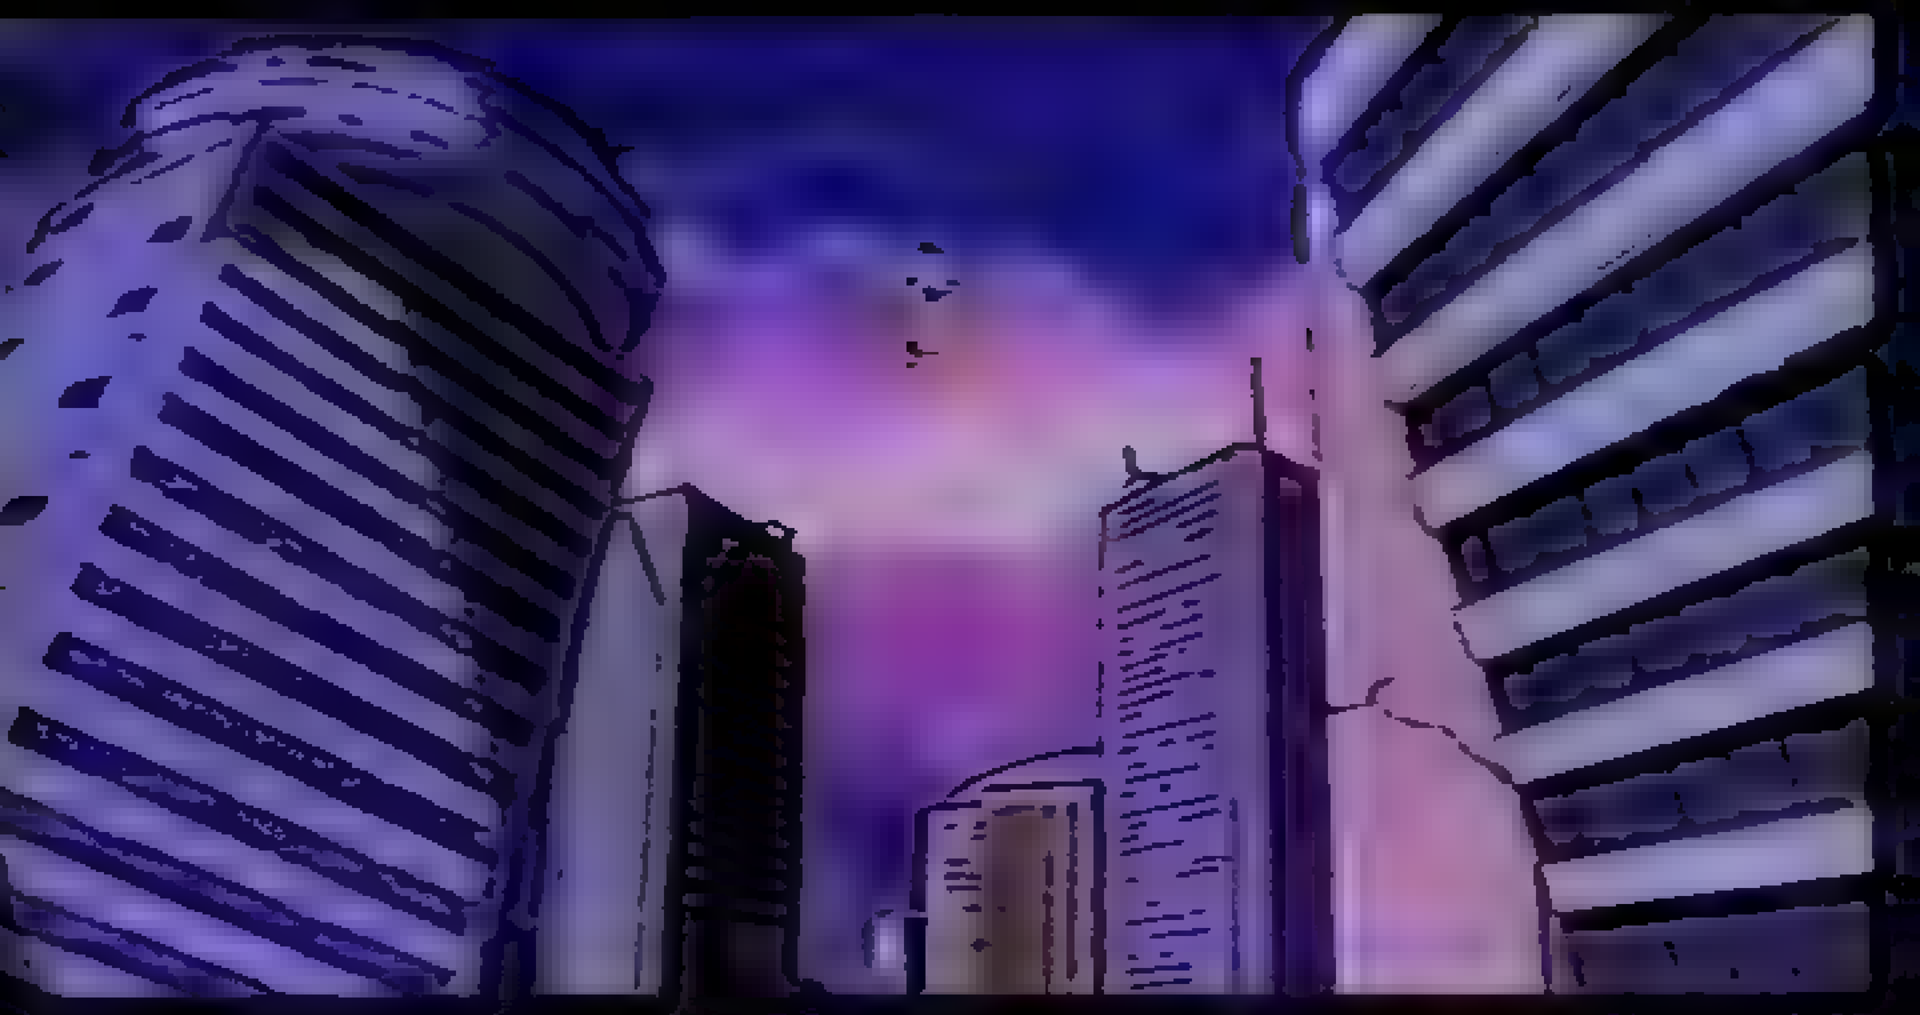

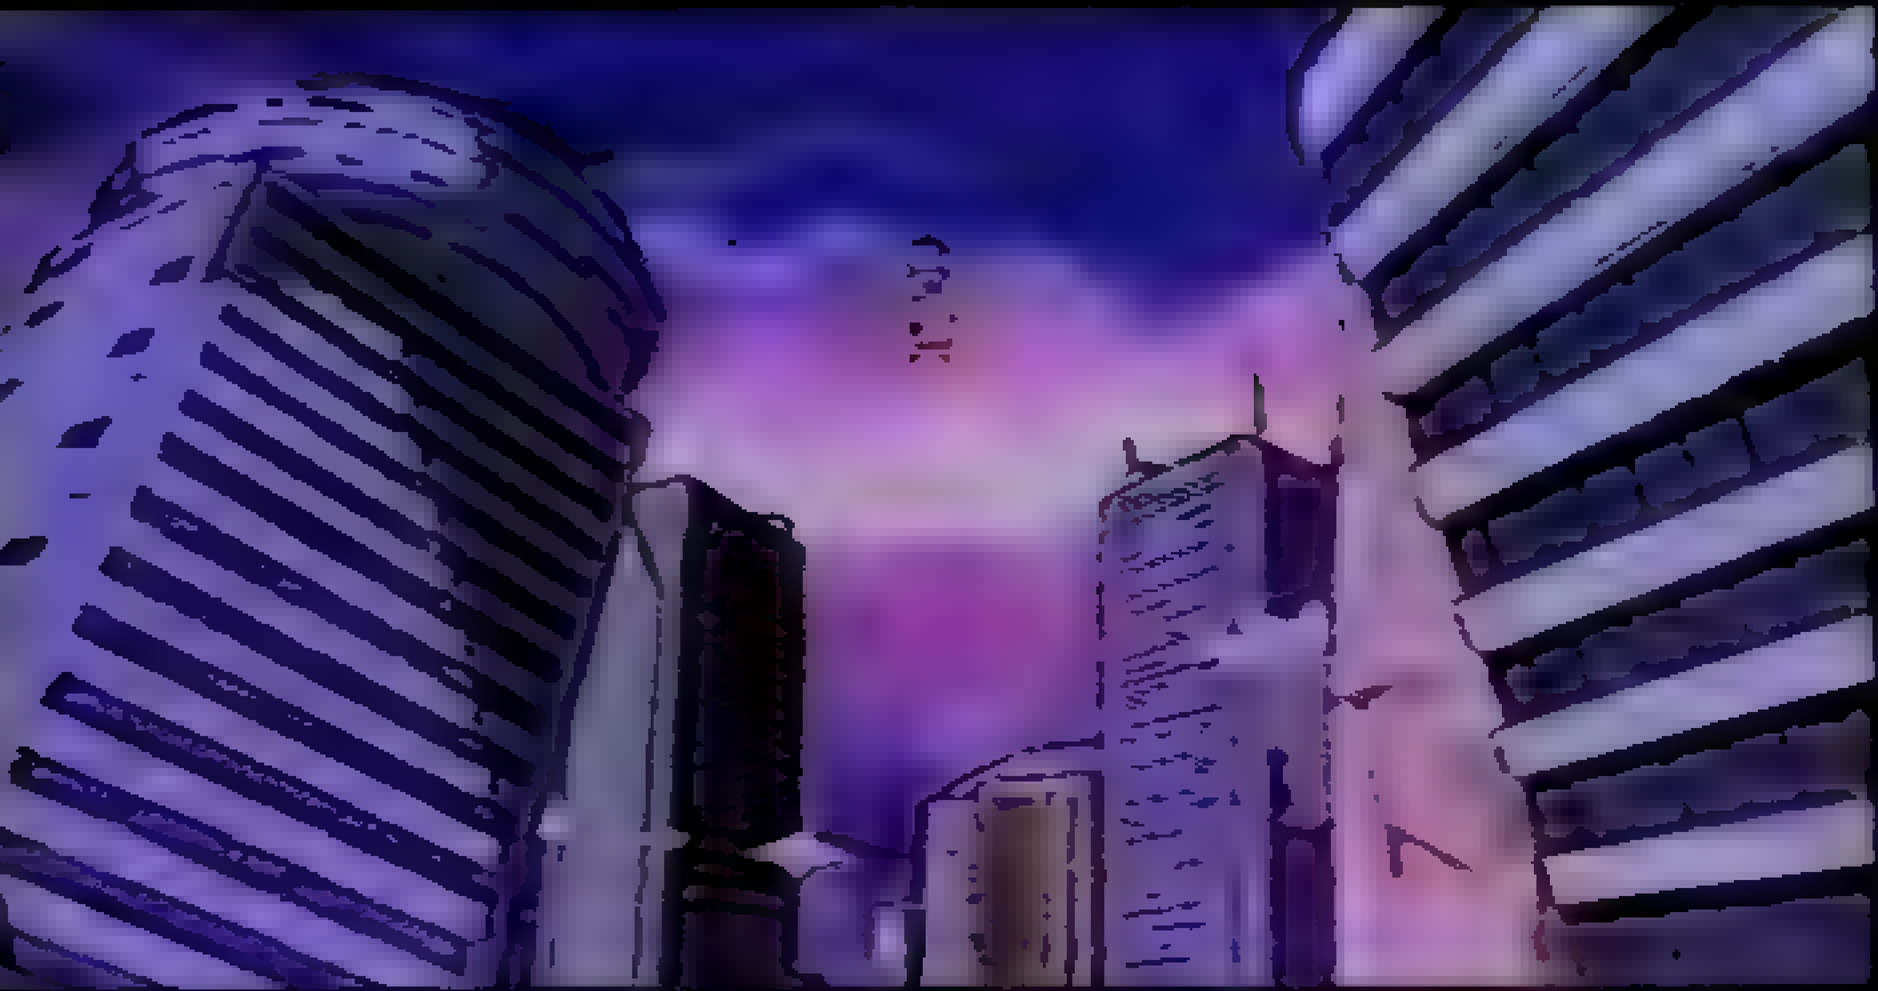

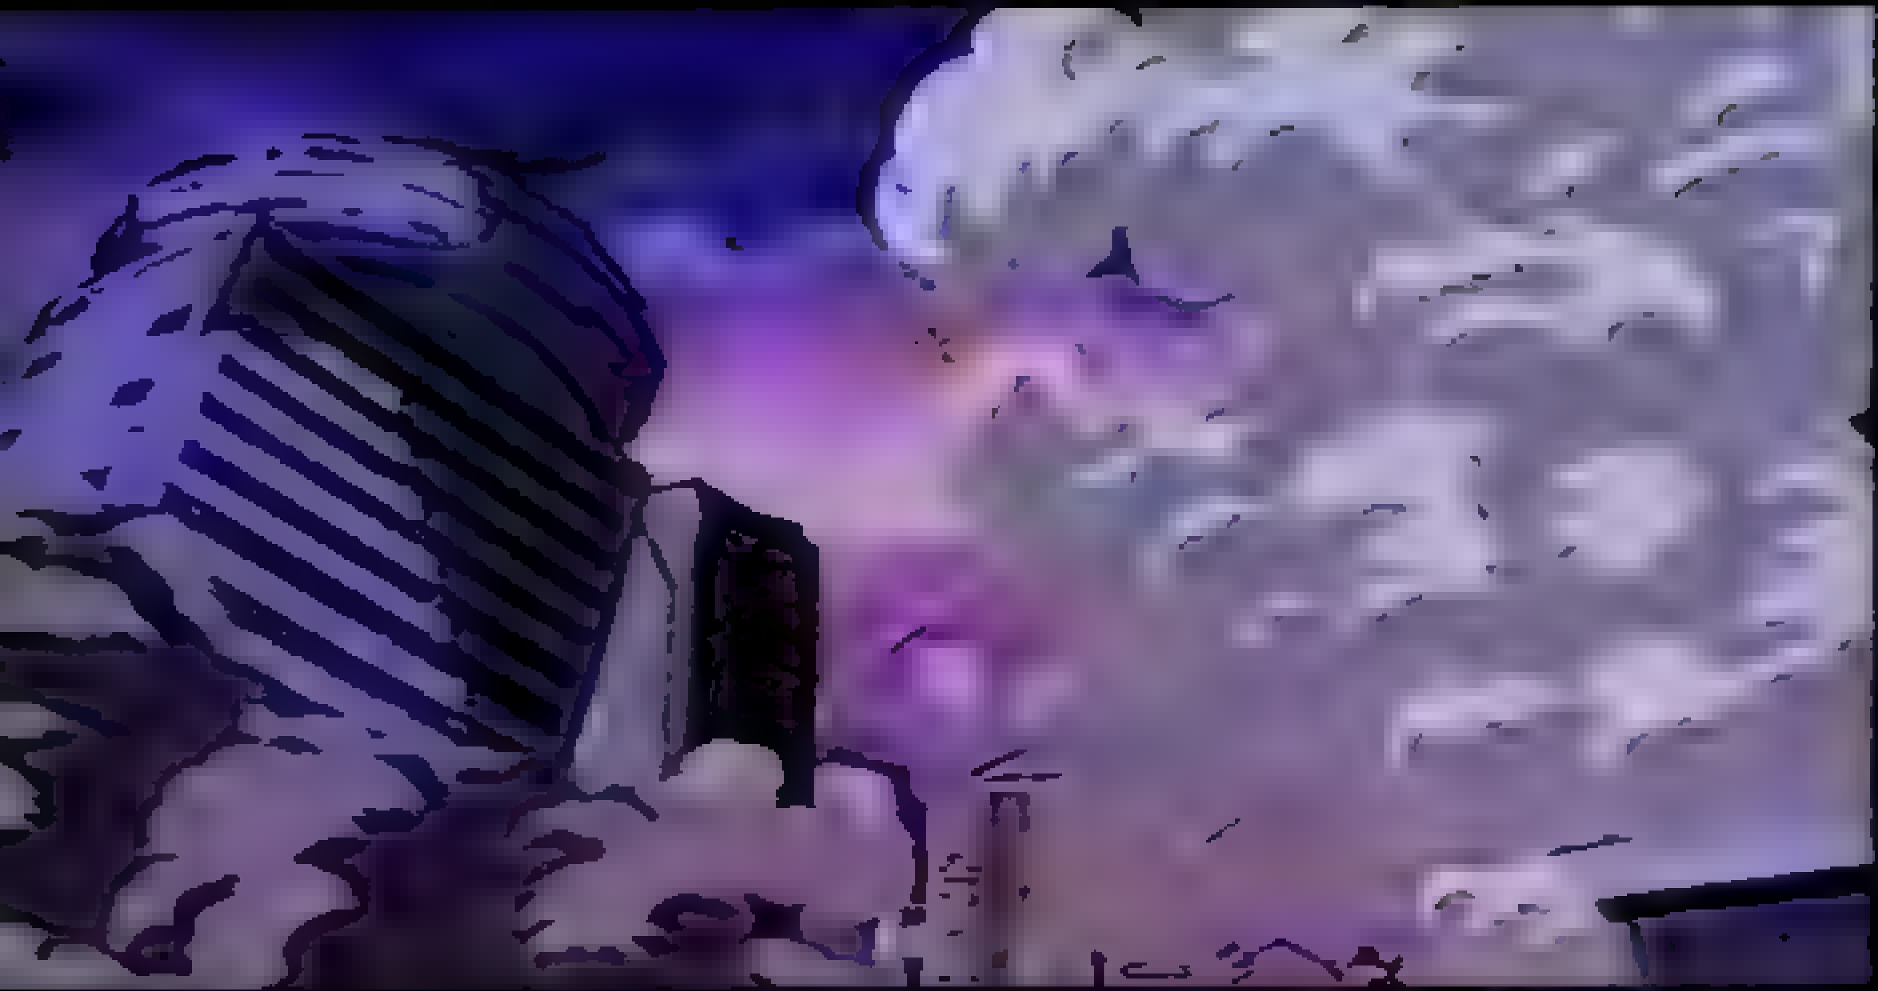

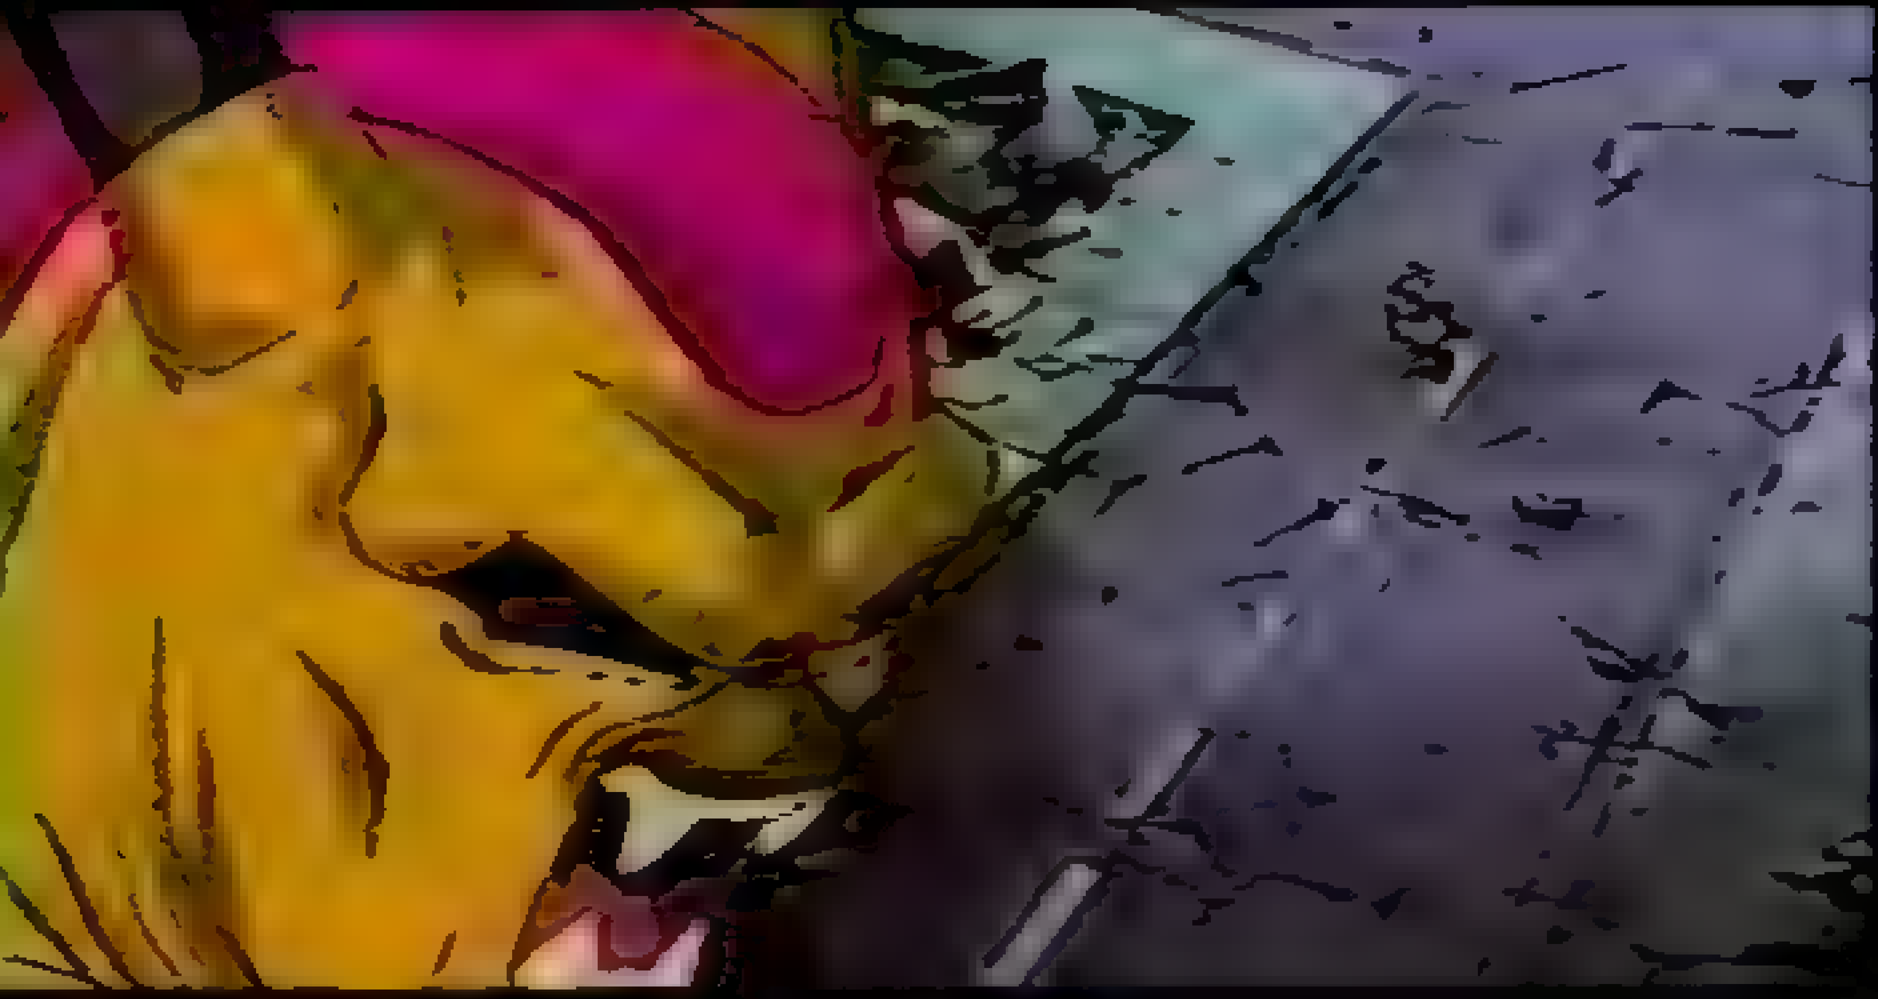

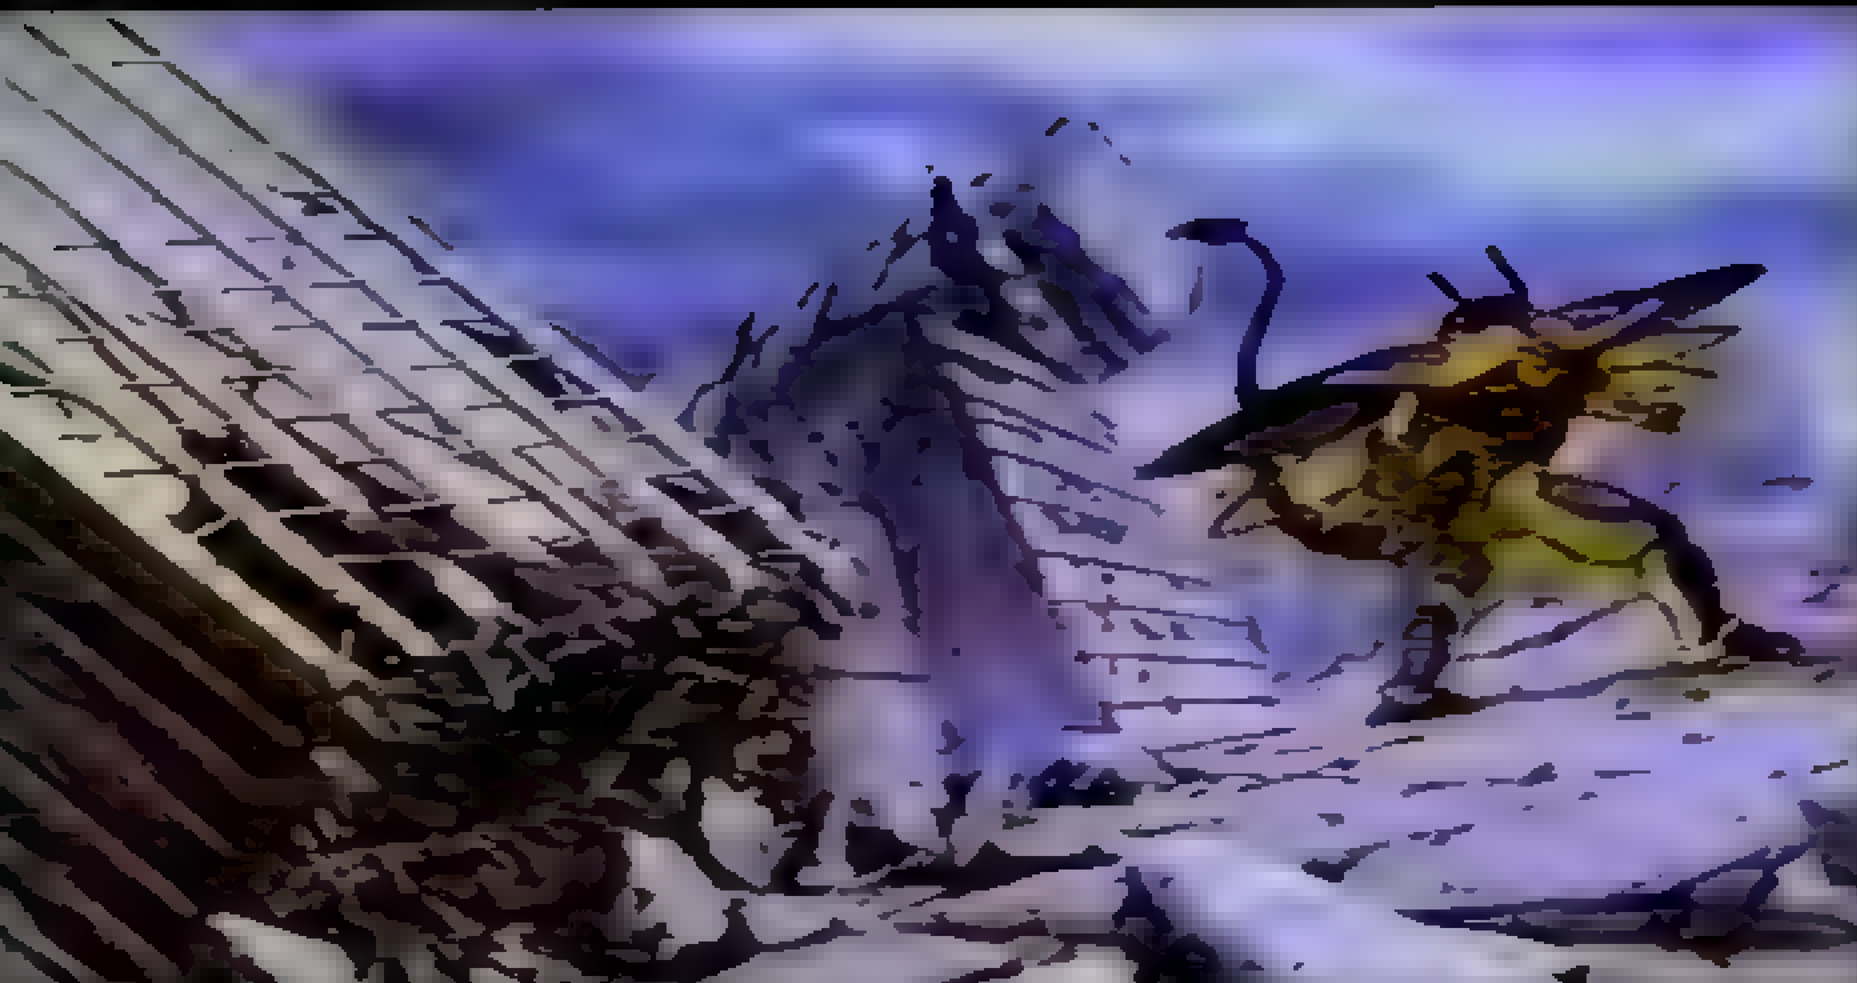

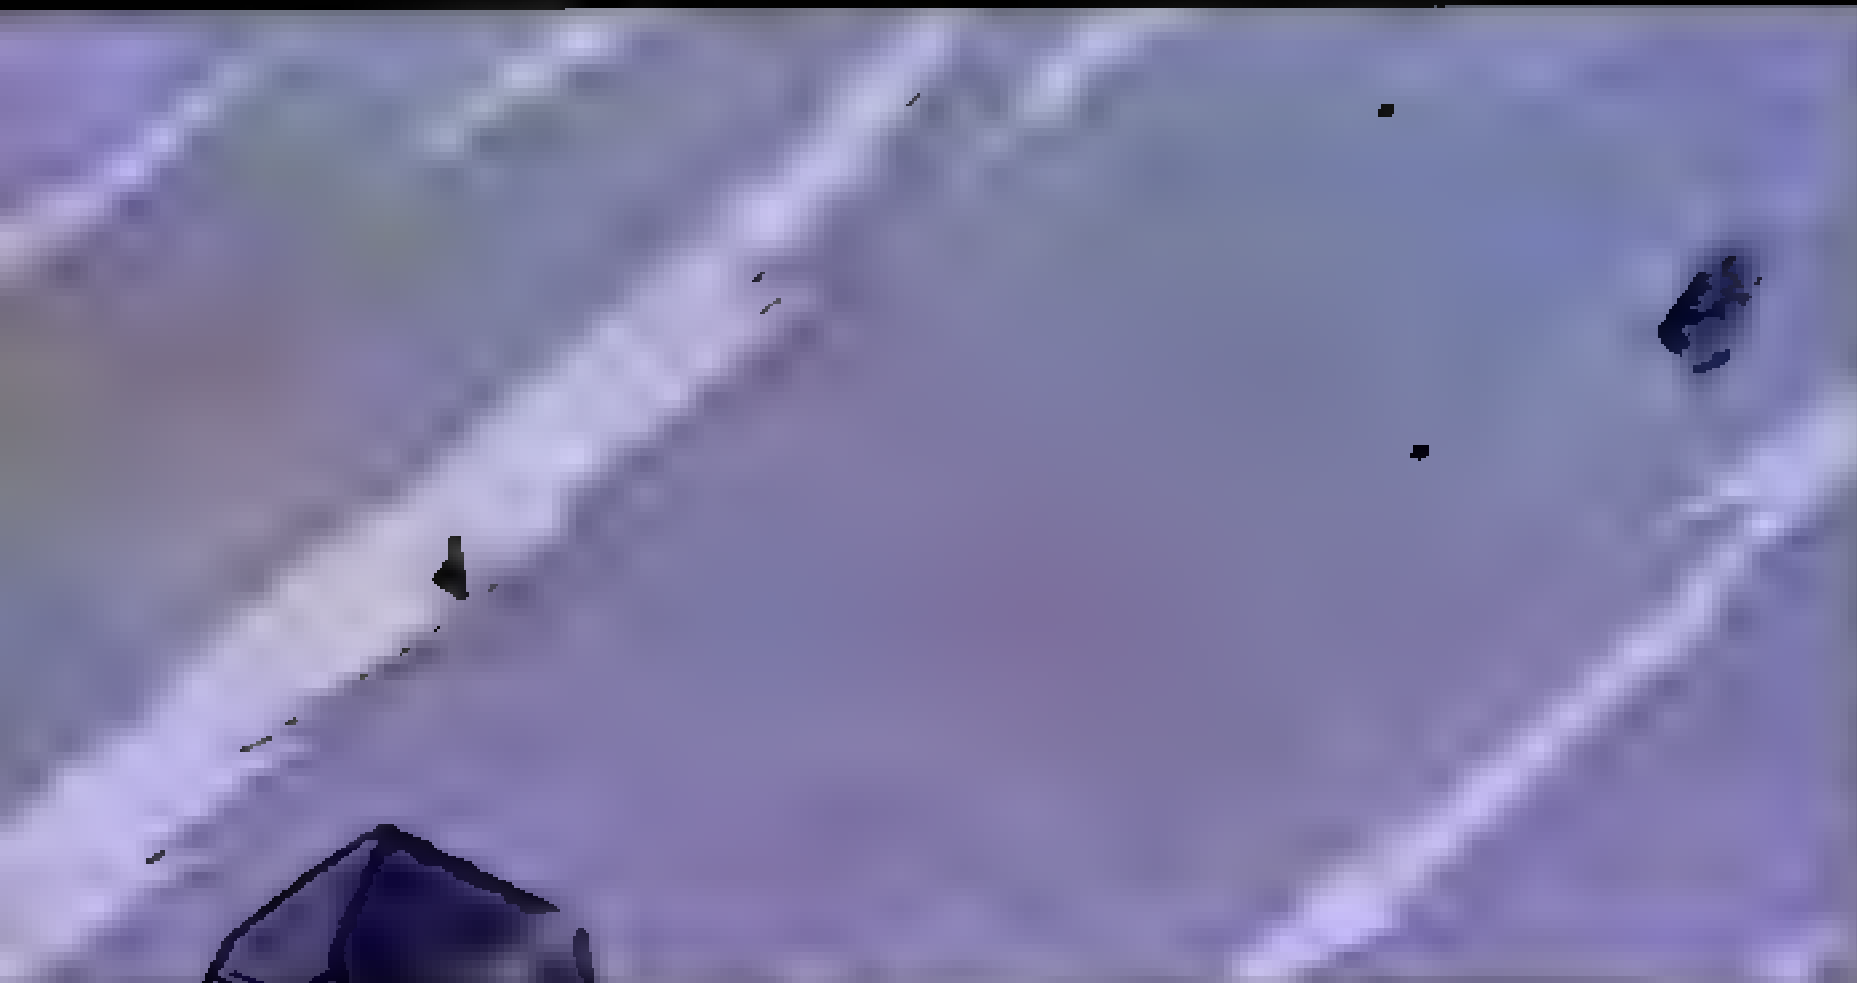

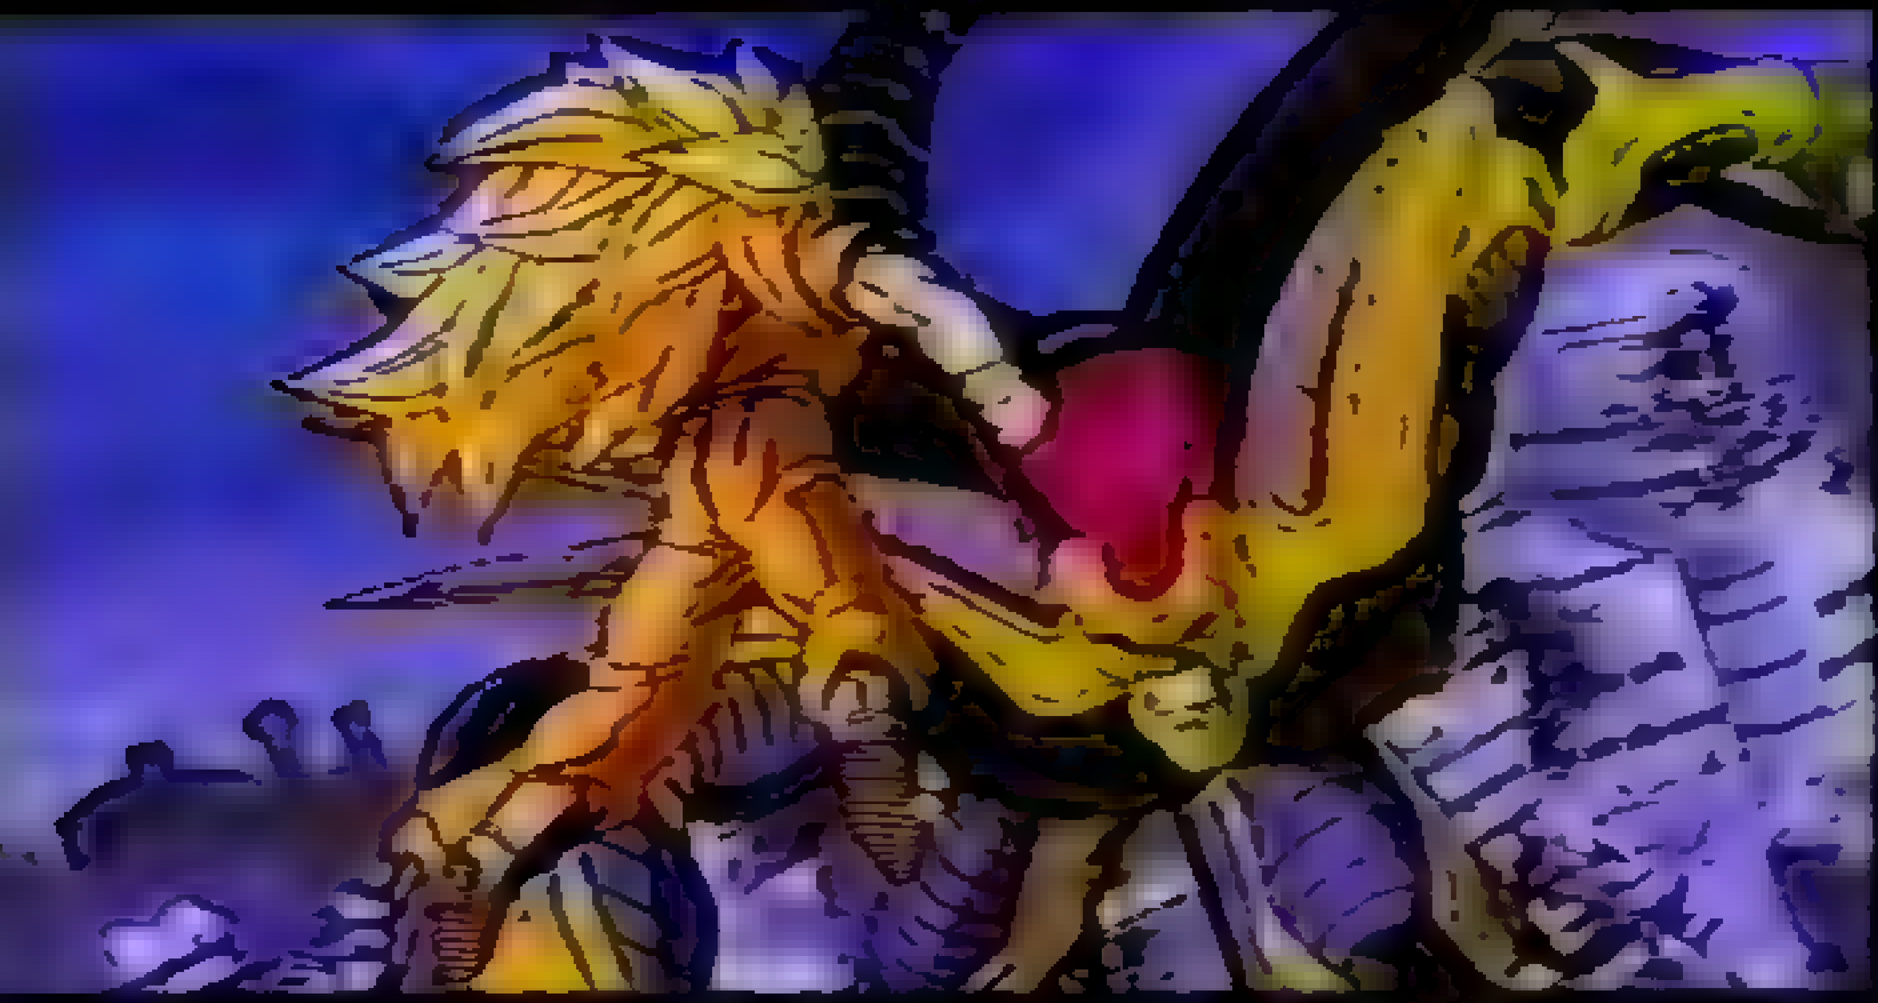

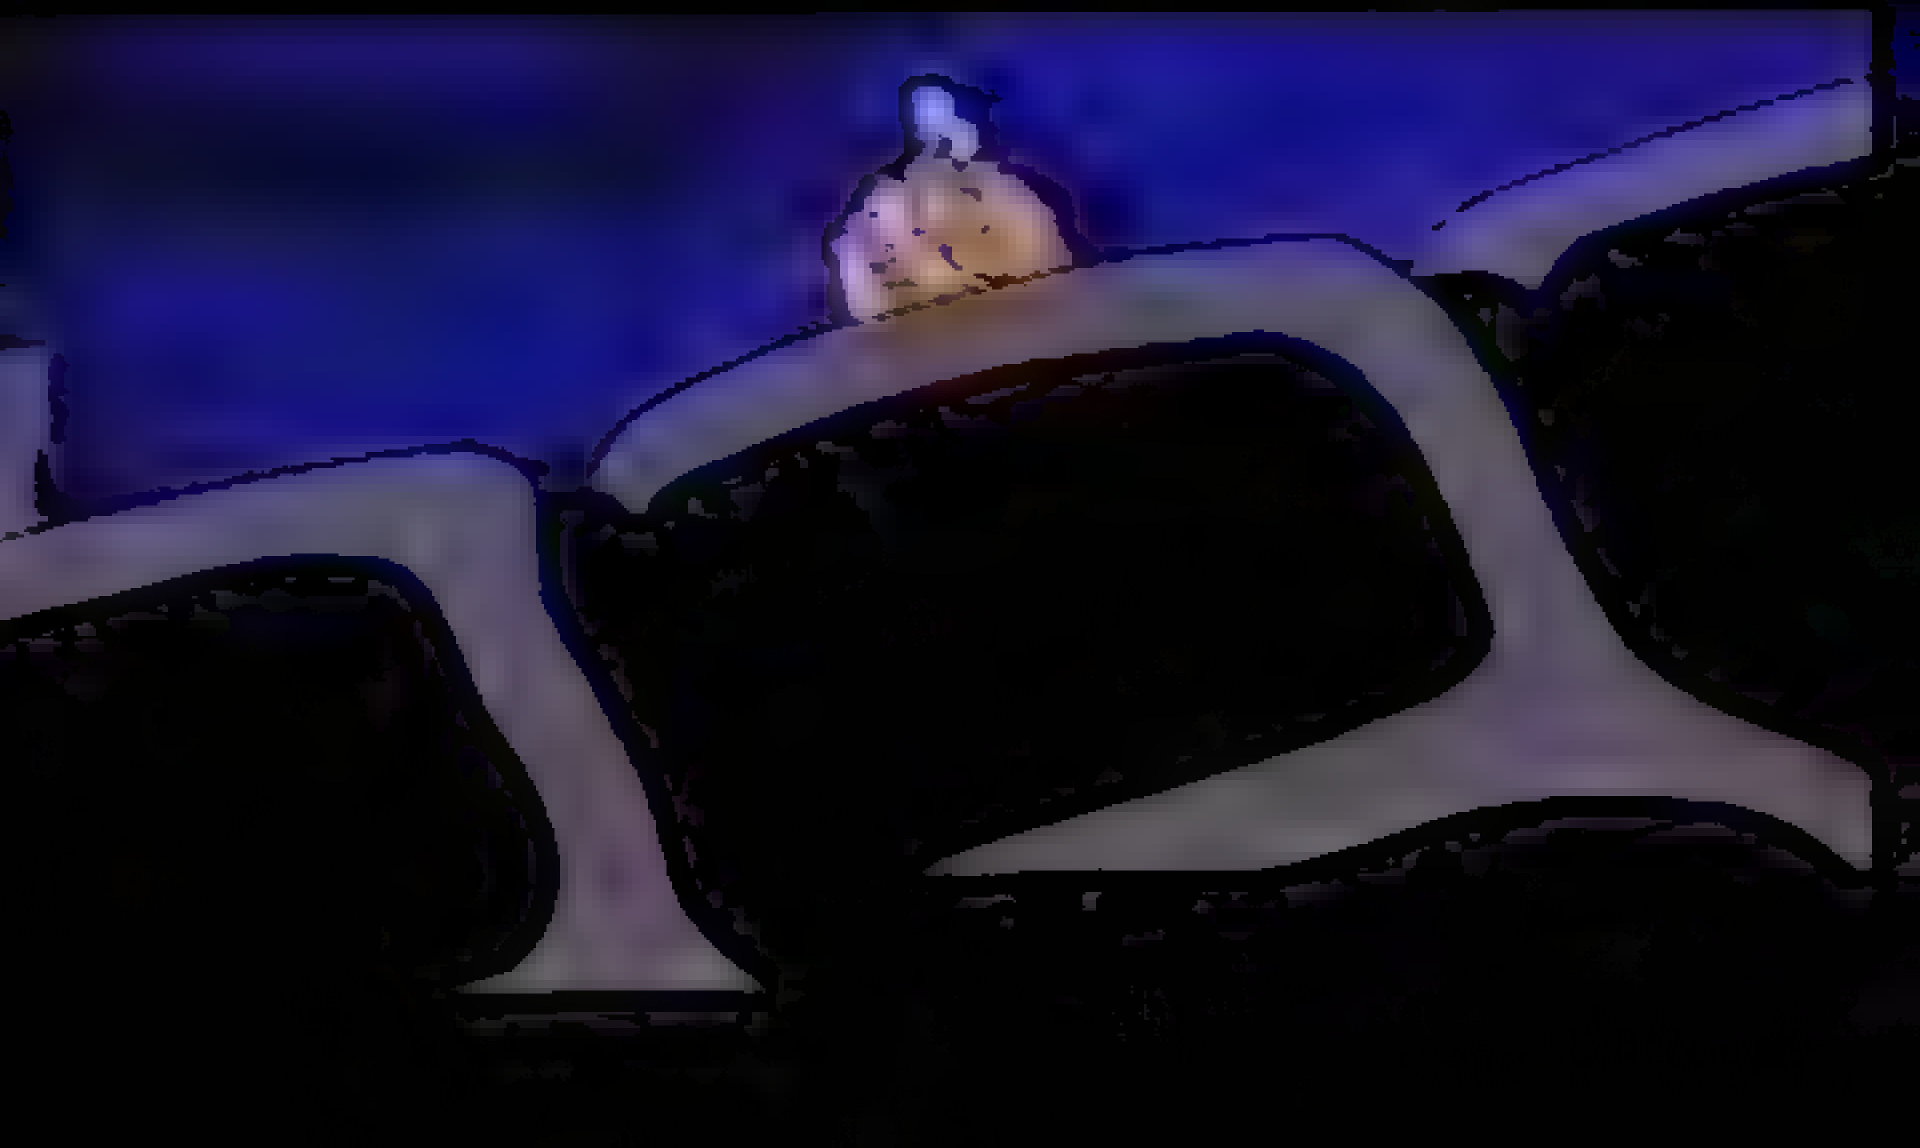

I will not forgive you for this!

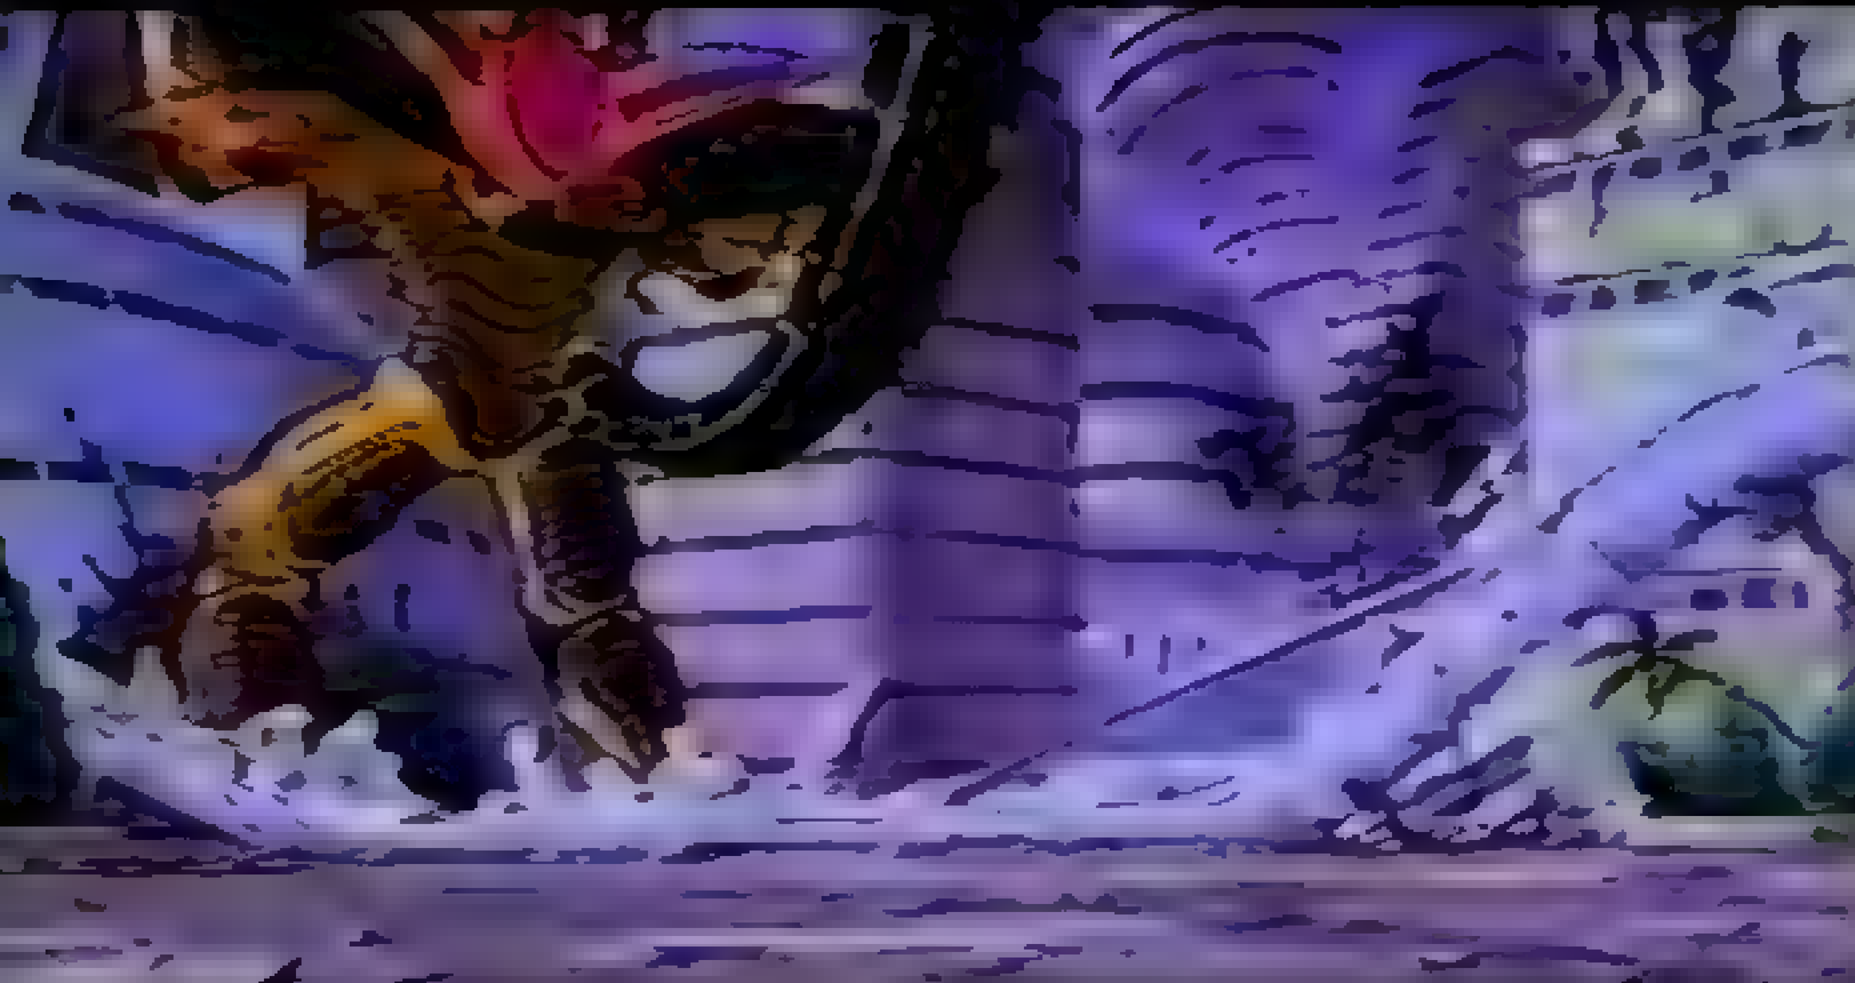

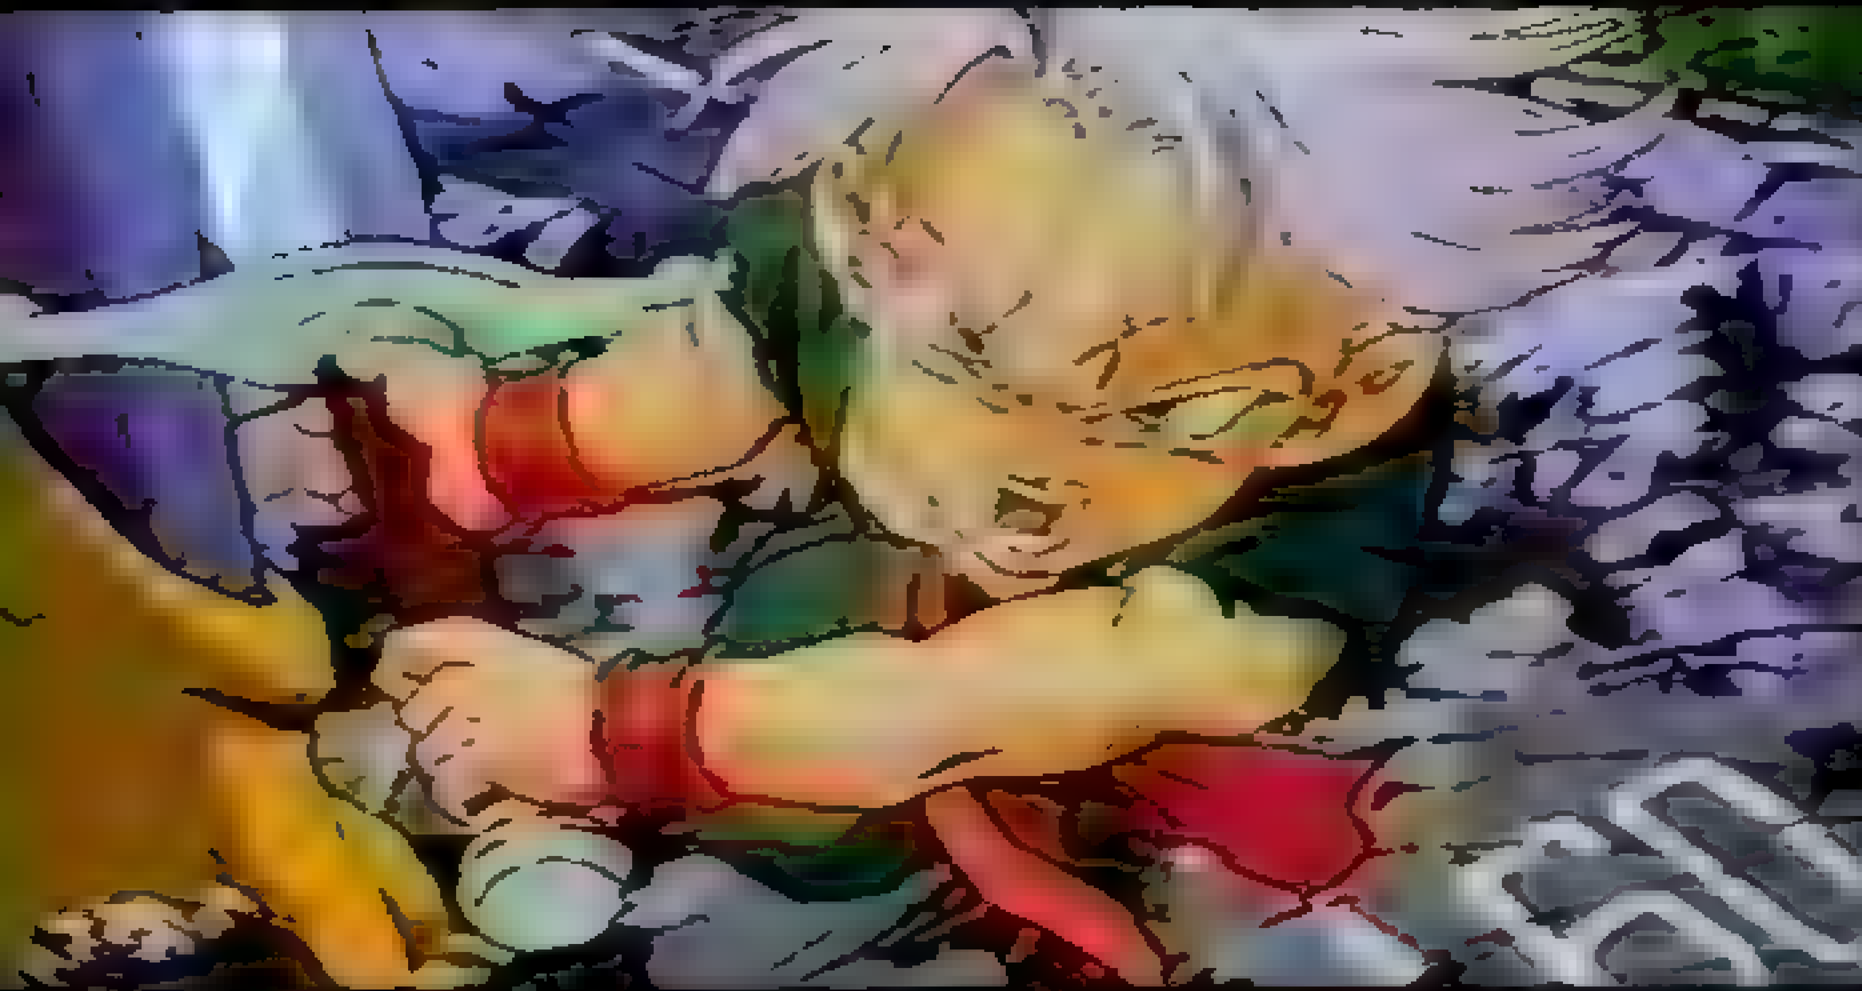

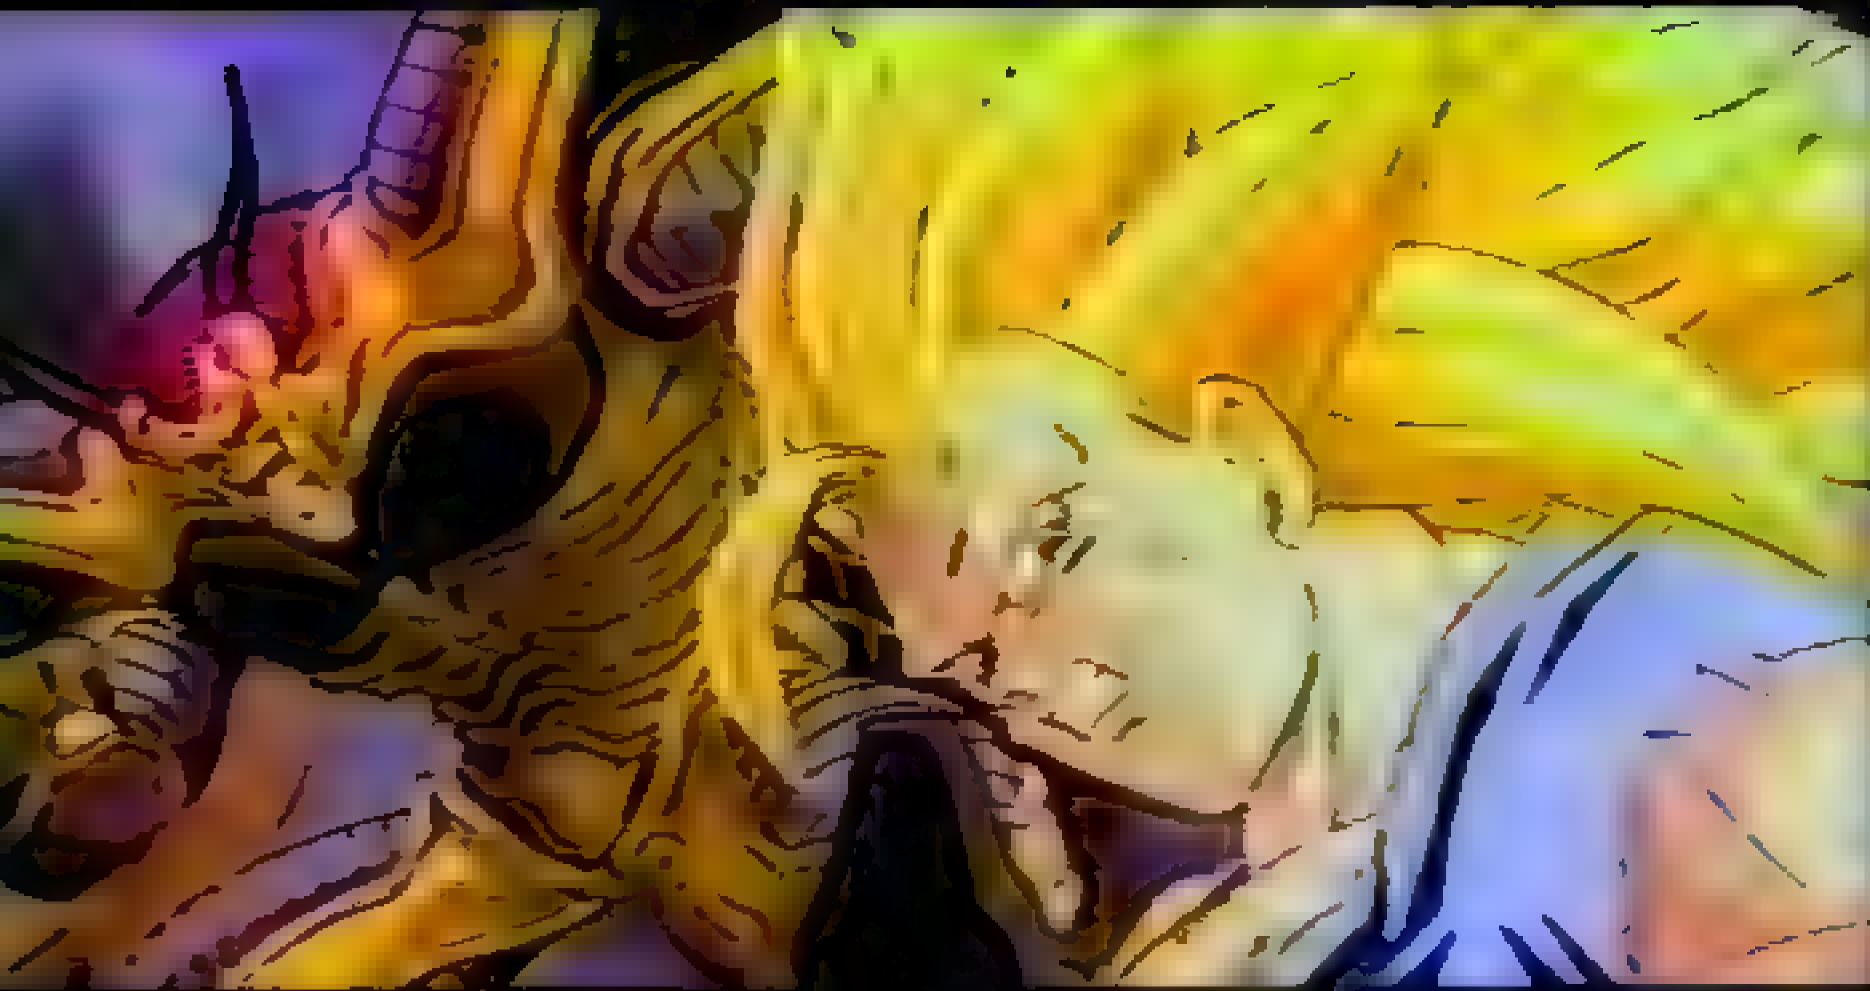

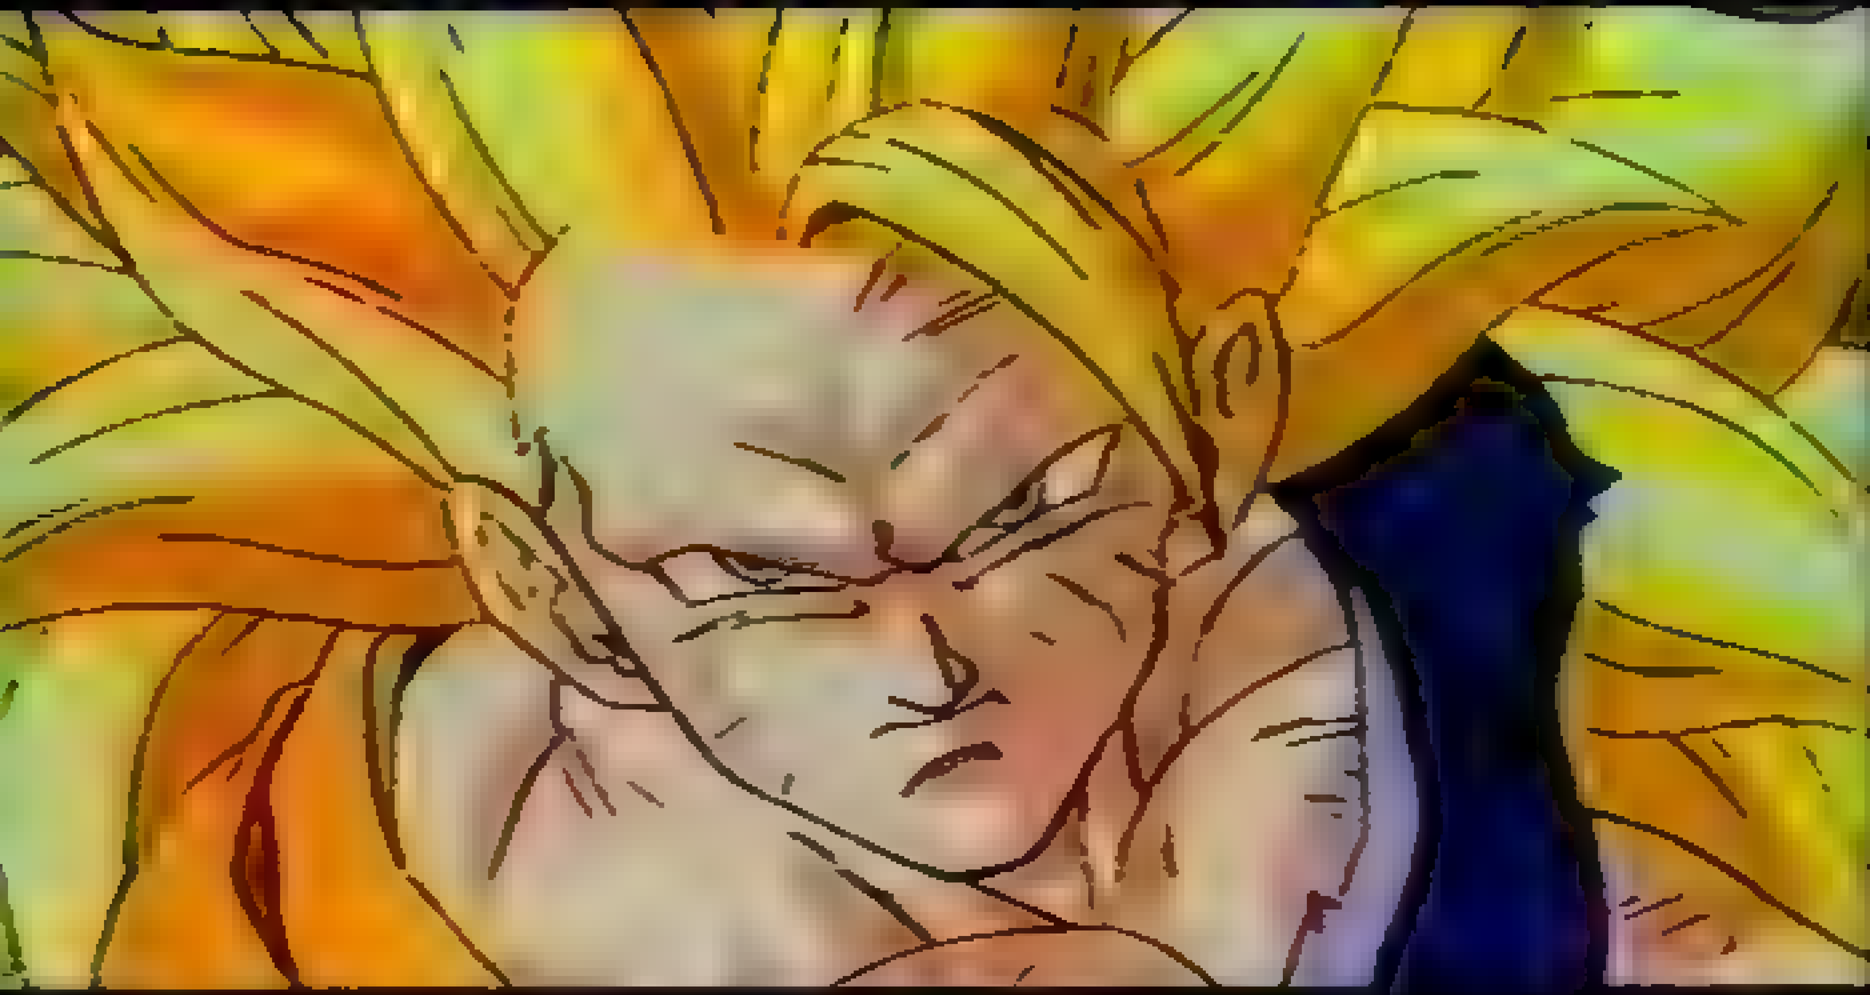

Trunks, let me handle this!

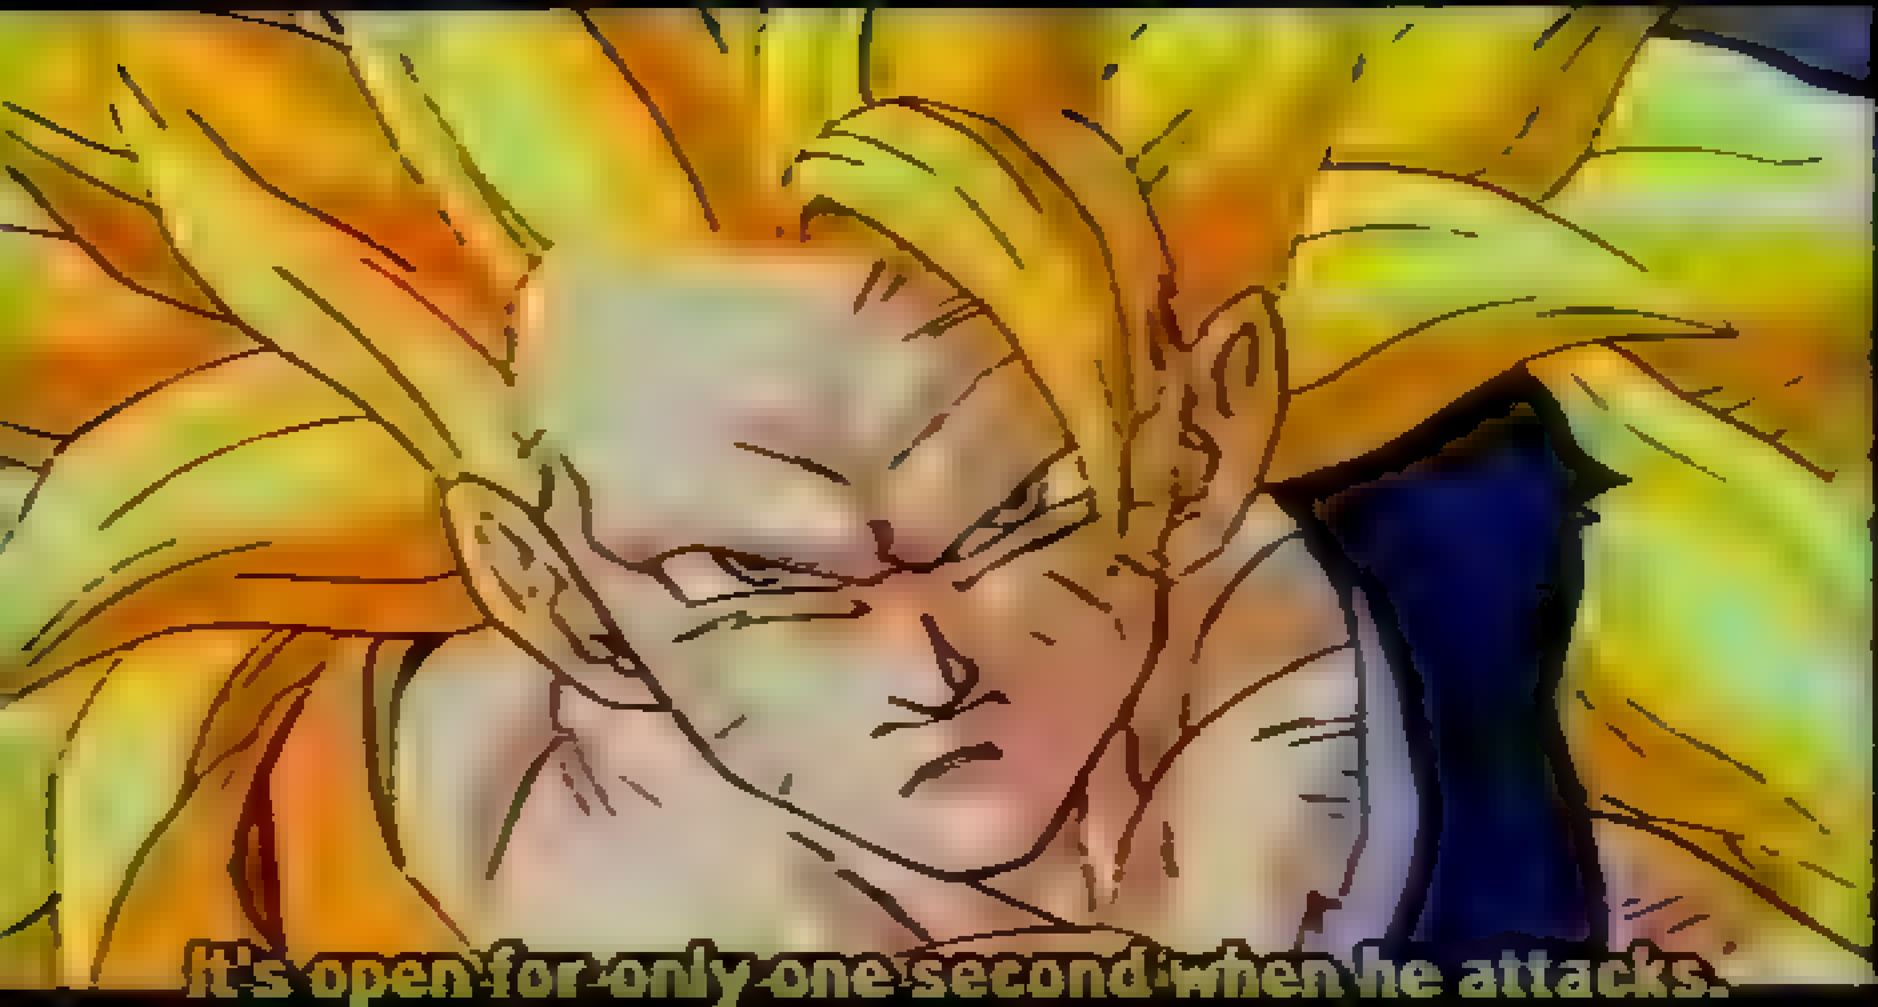

Trunks, let me handle this!

Dad, his weak point is...

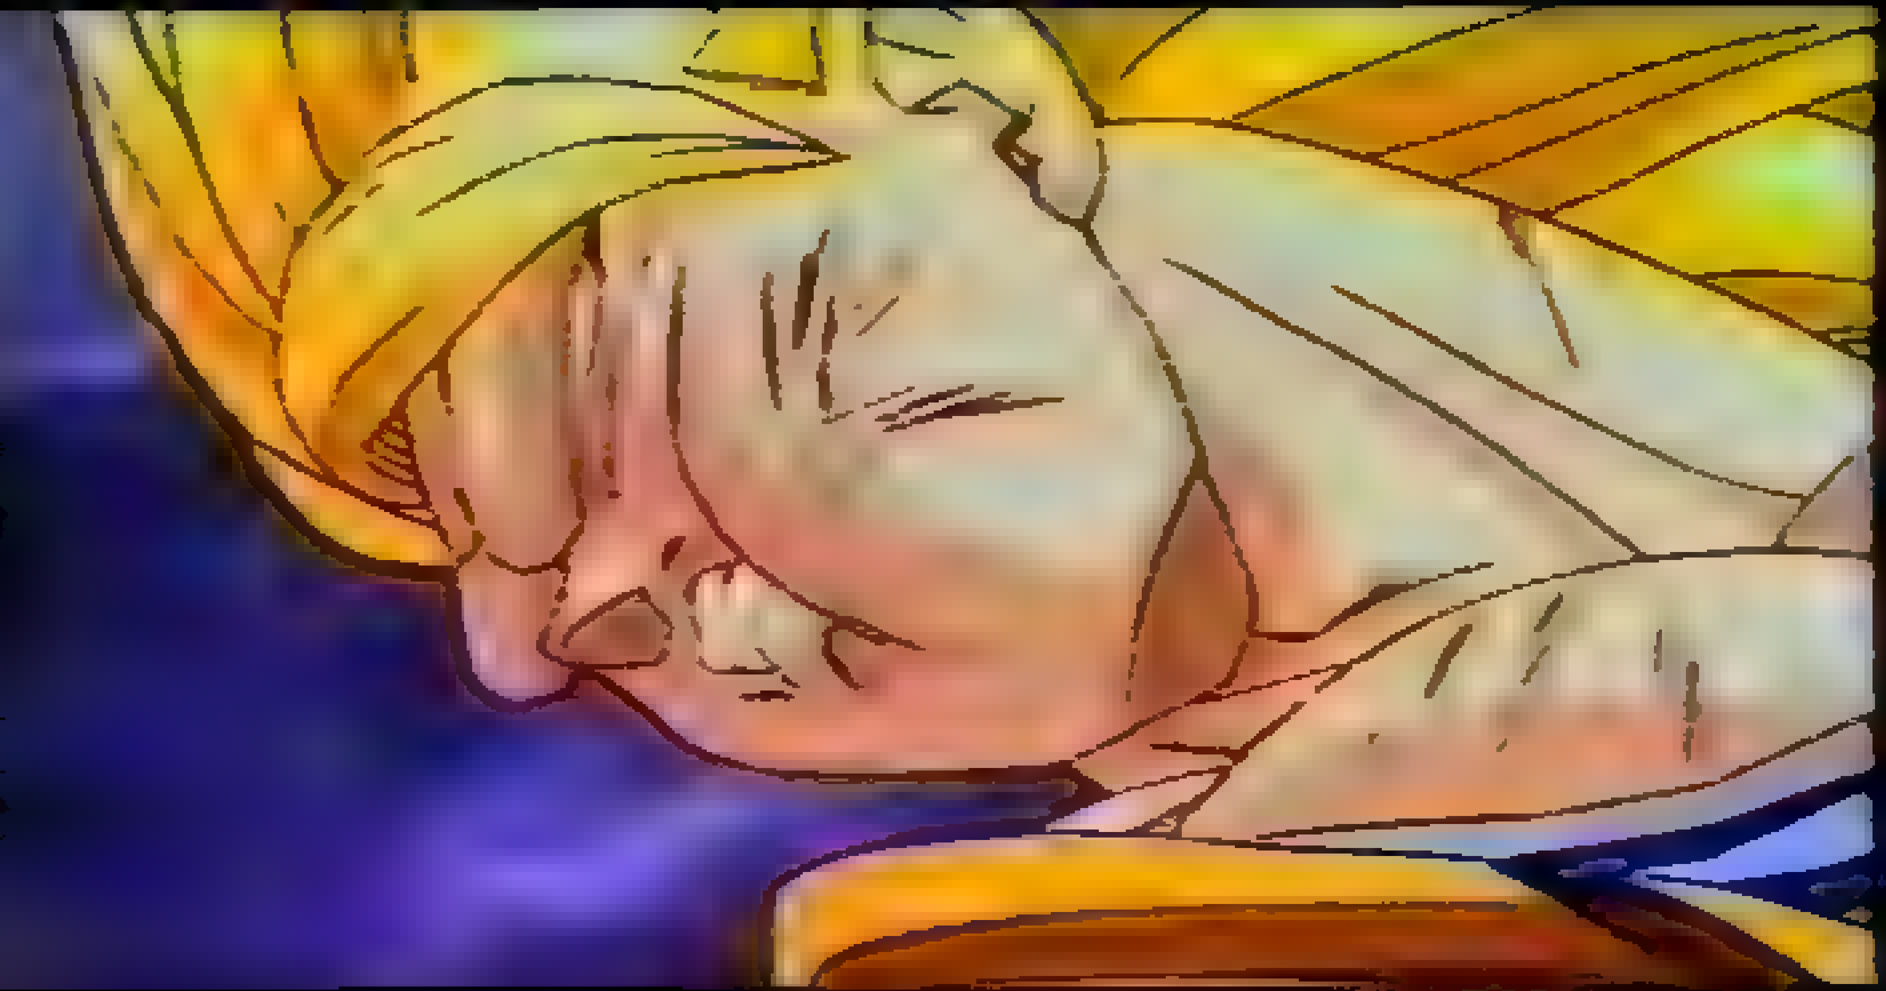

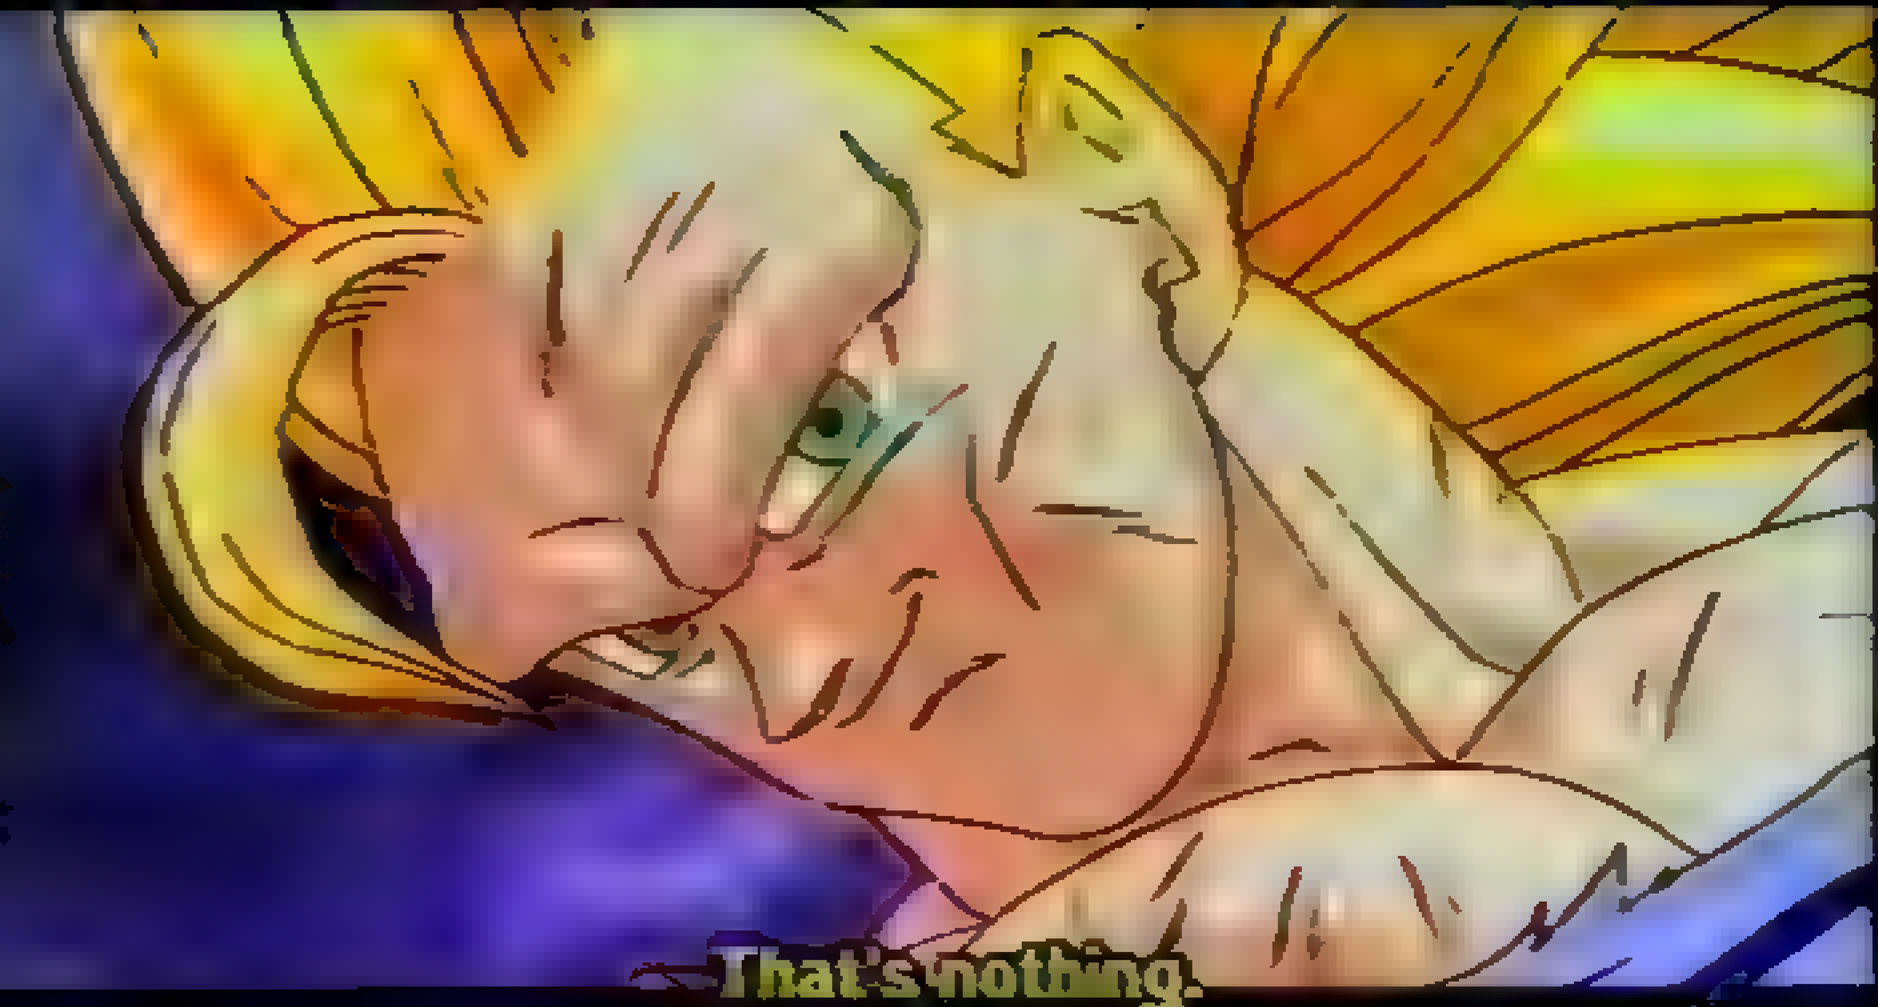

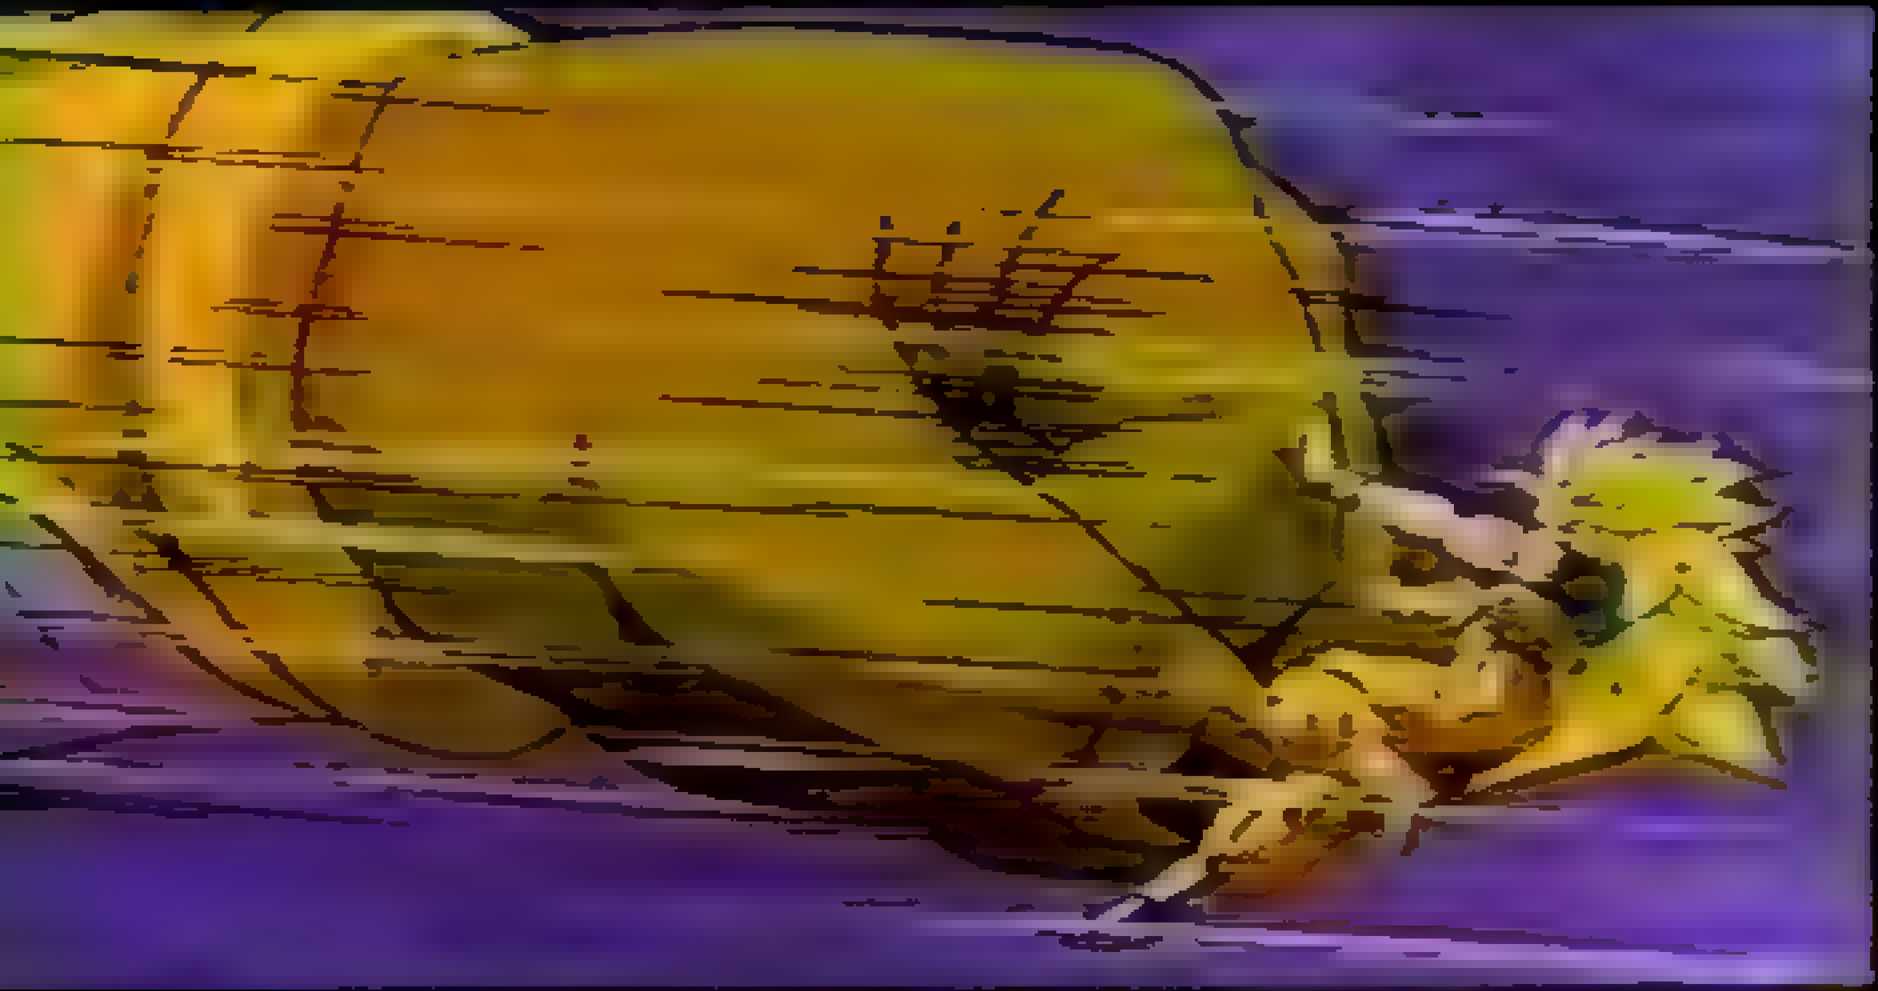

It's open for only one second when he attacks.

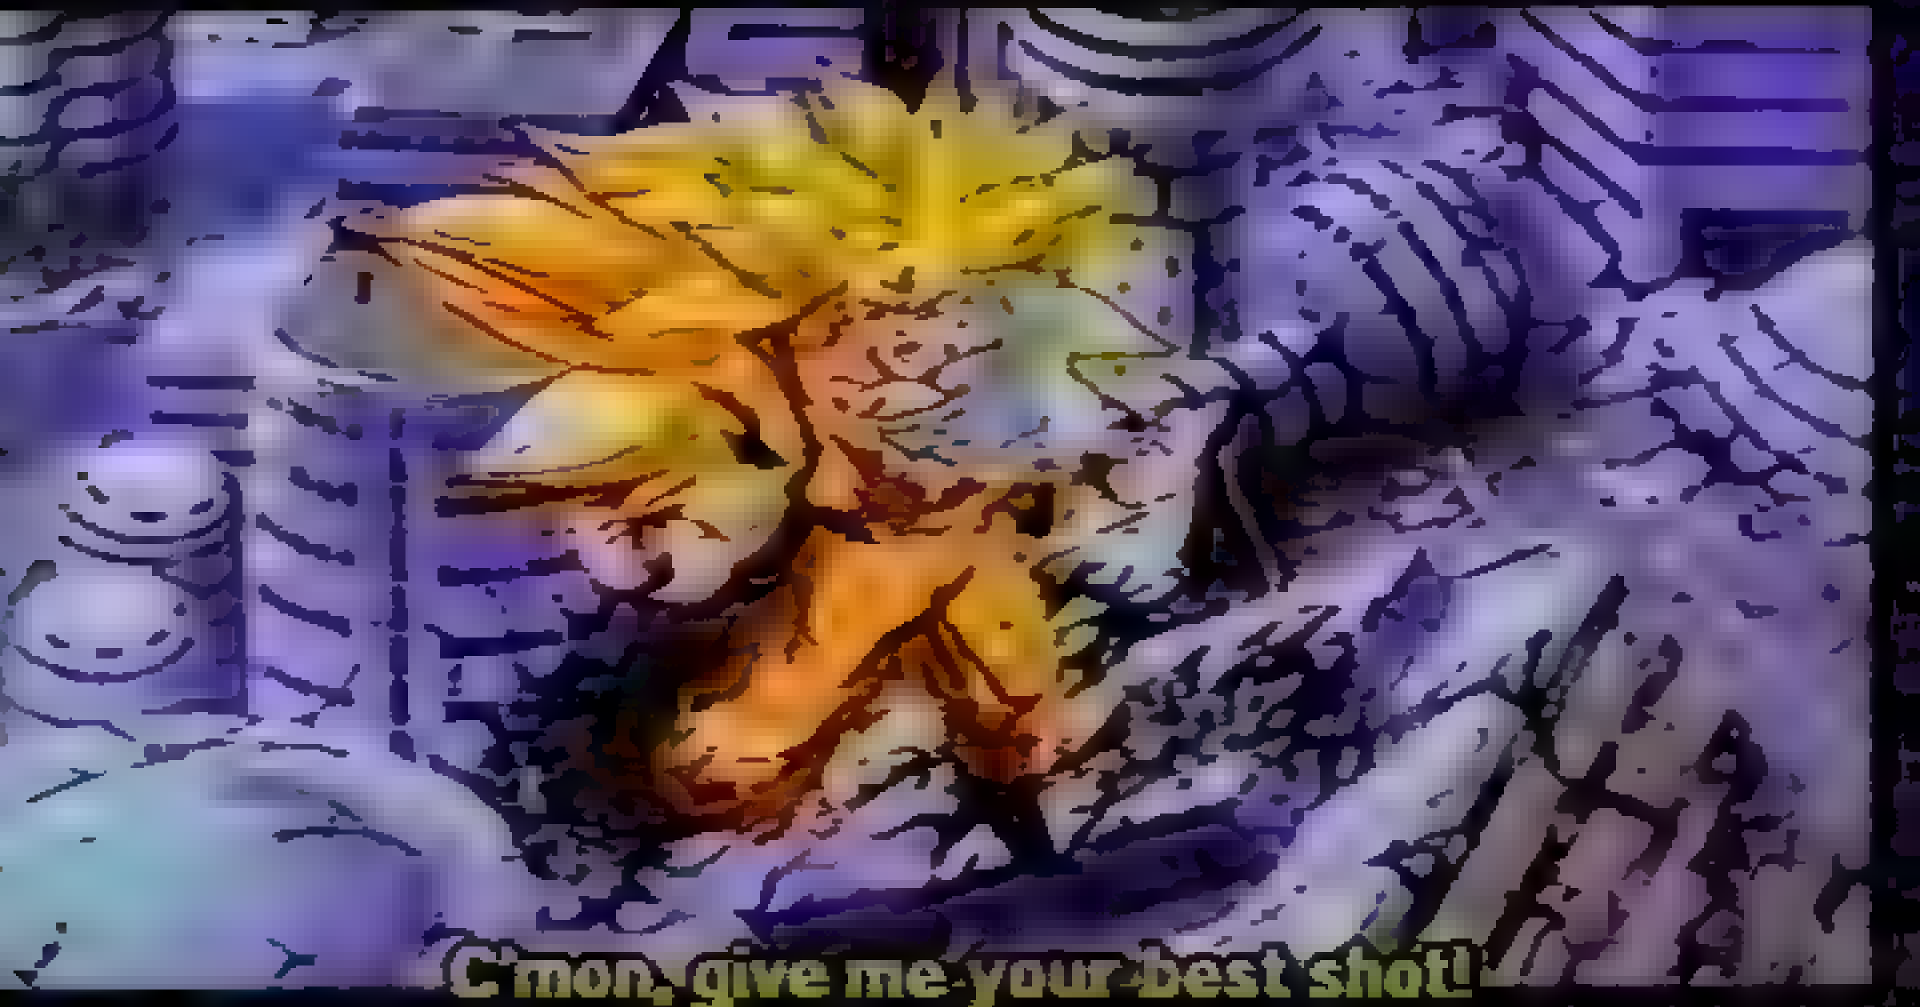

That's nothing.

Your blows don't even bother me!

Your blows don't even bother me!

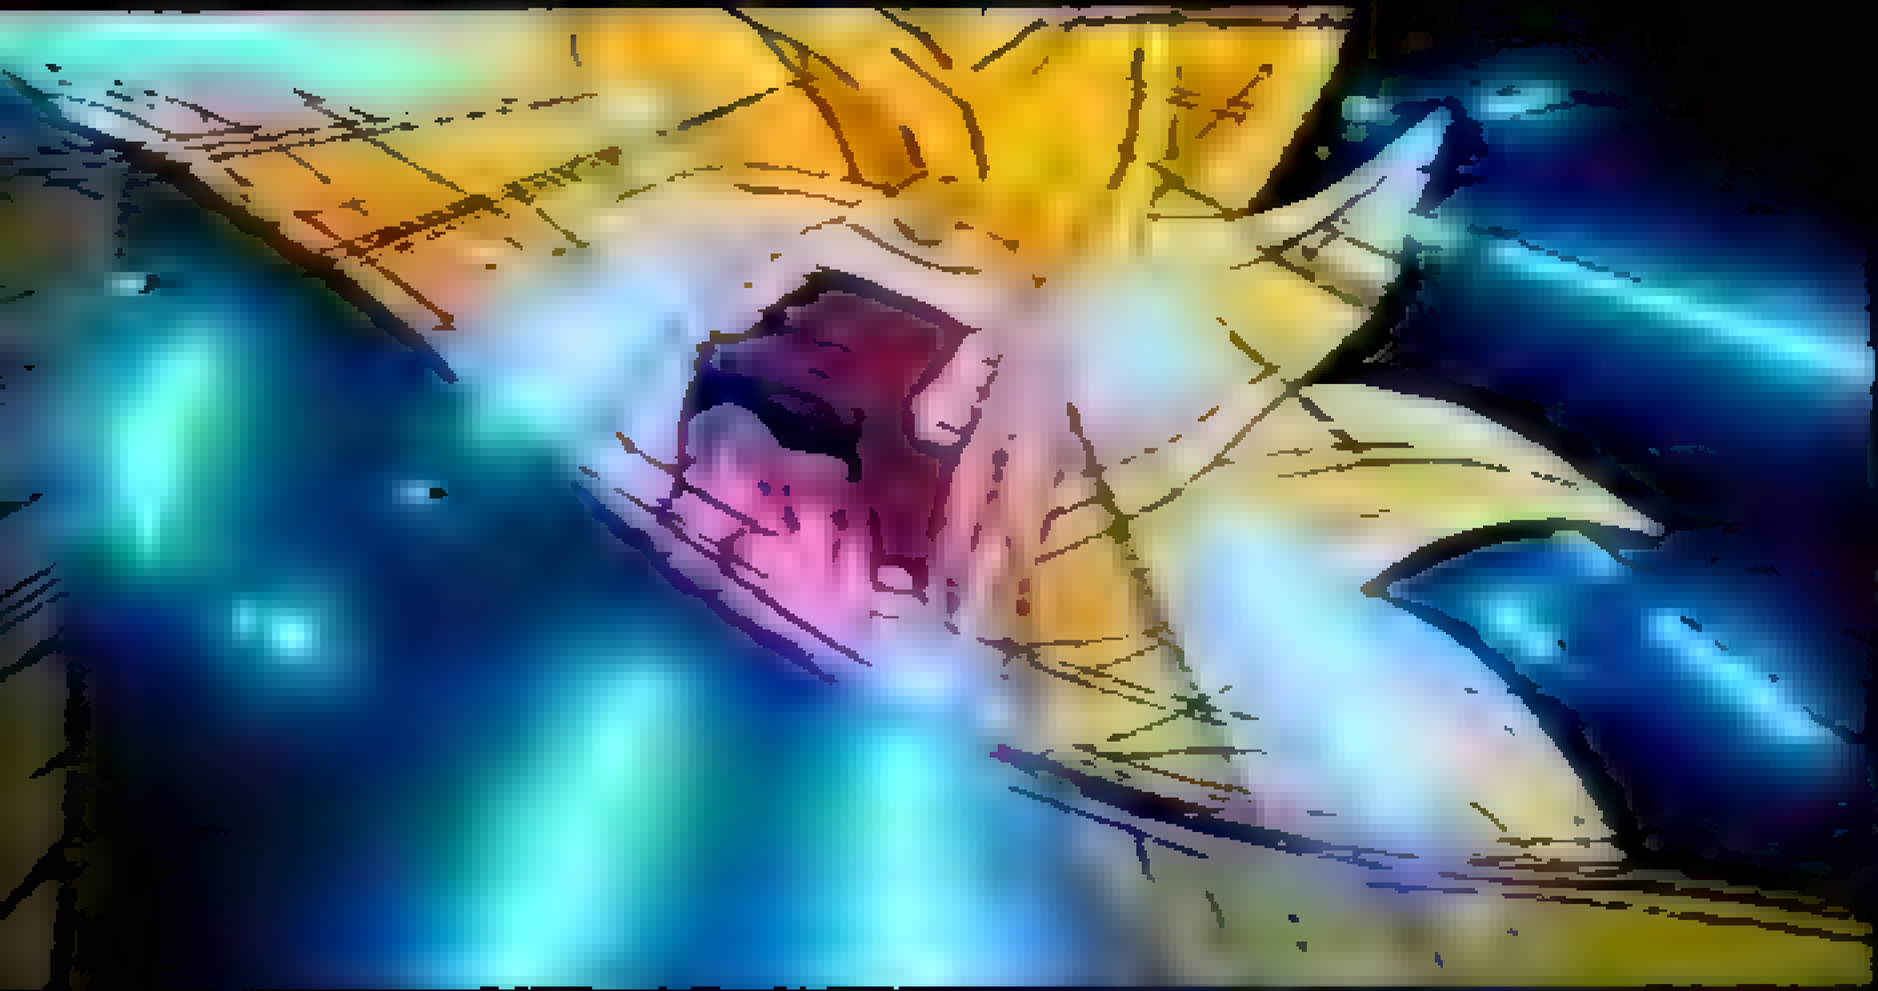

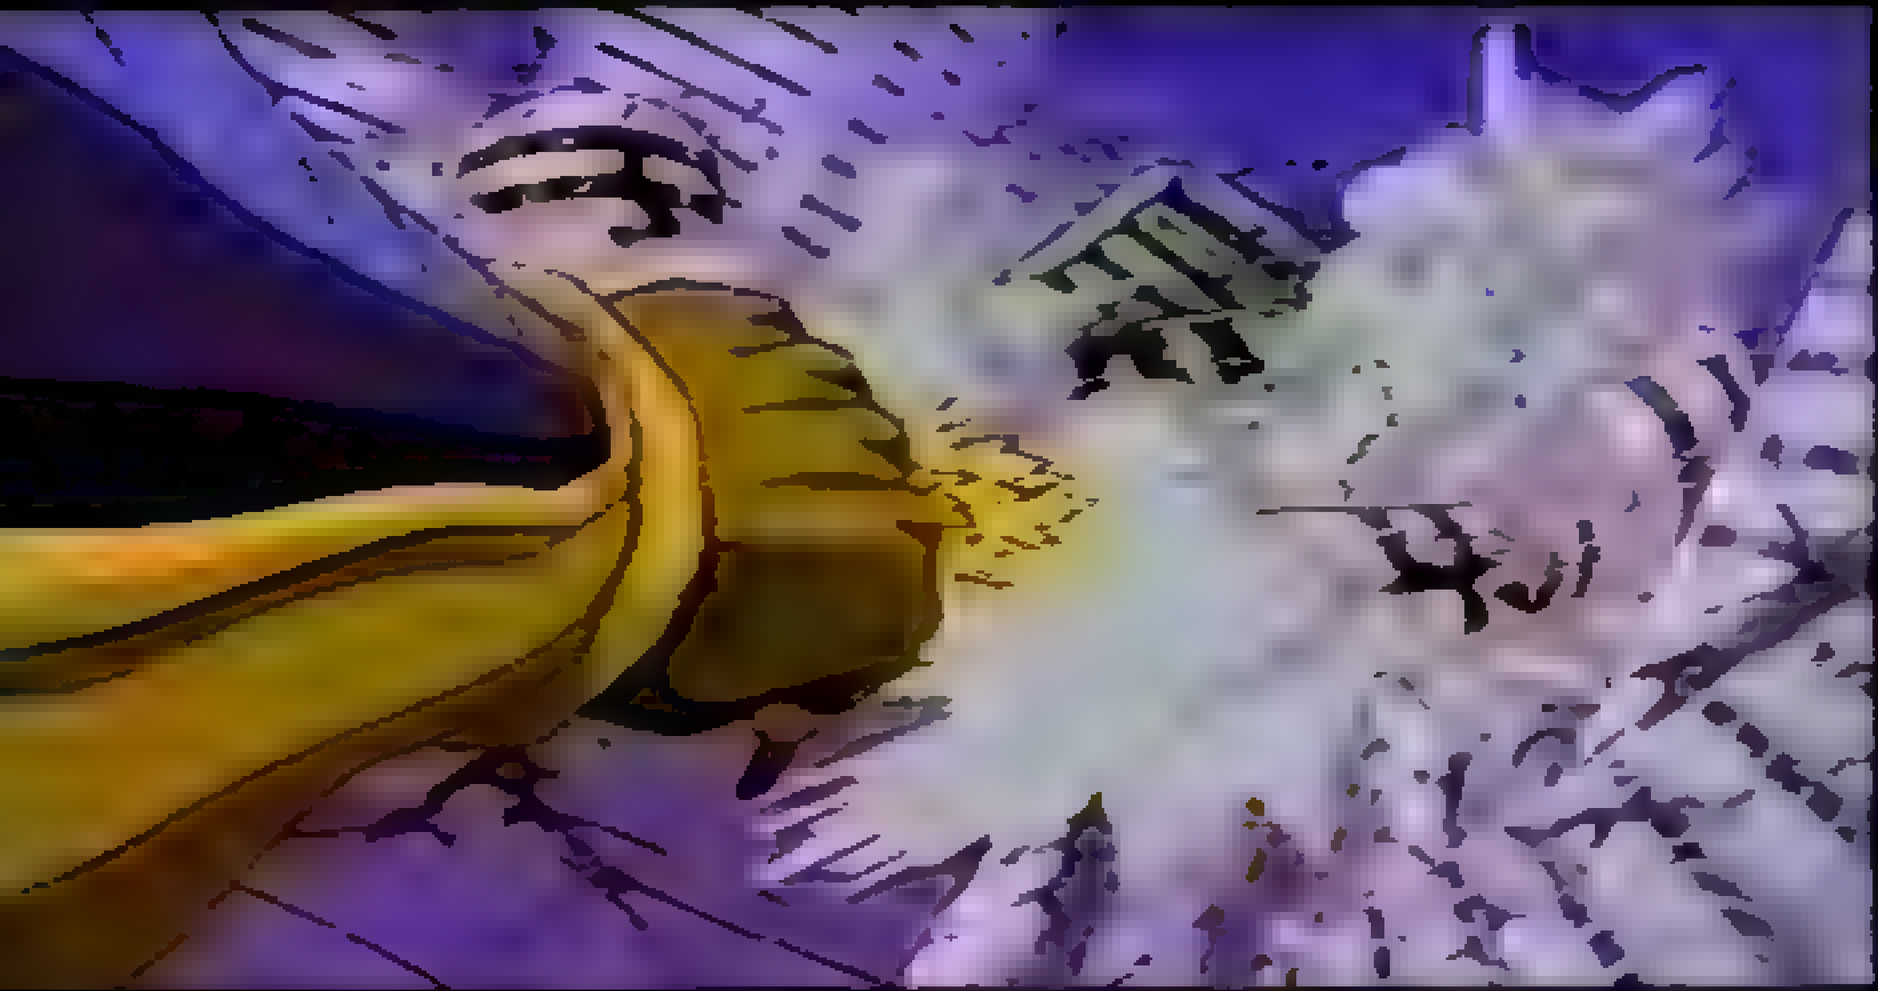

C'mon, give me your best shot!

C'mon, give me your best shot!

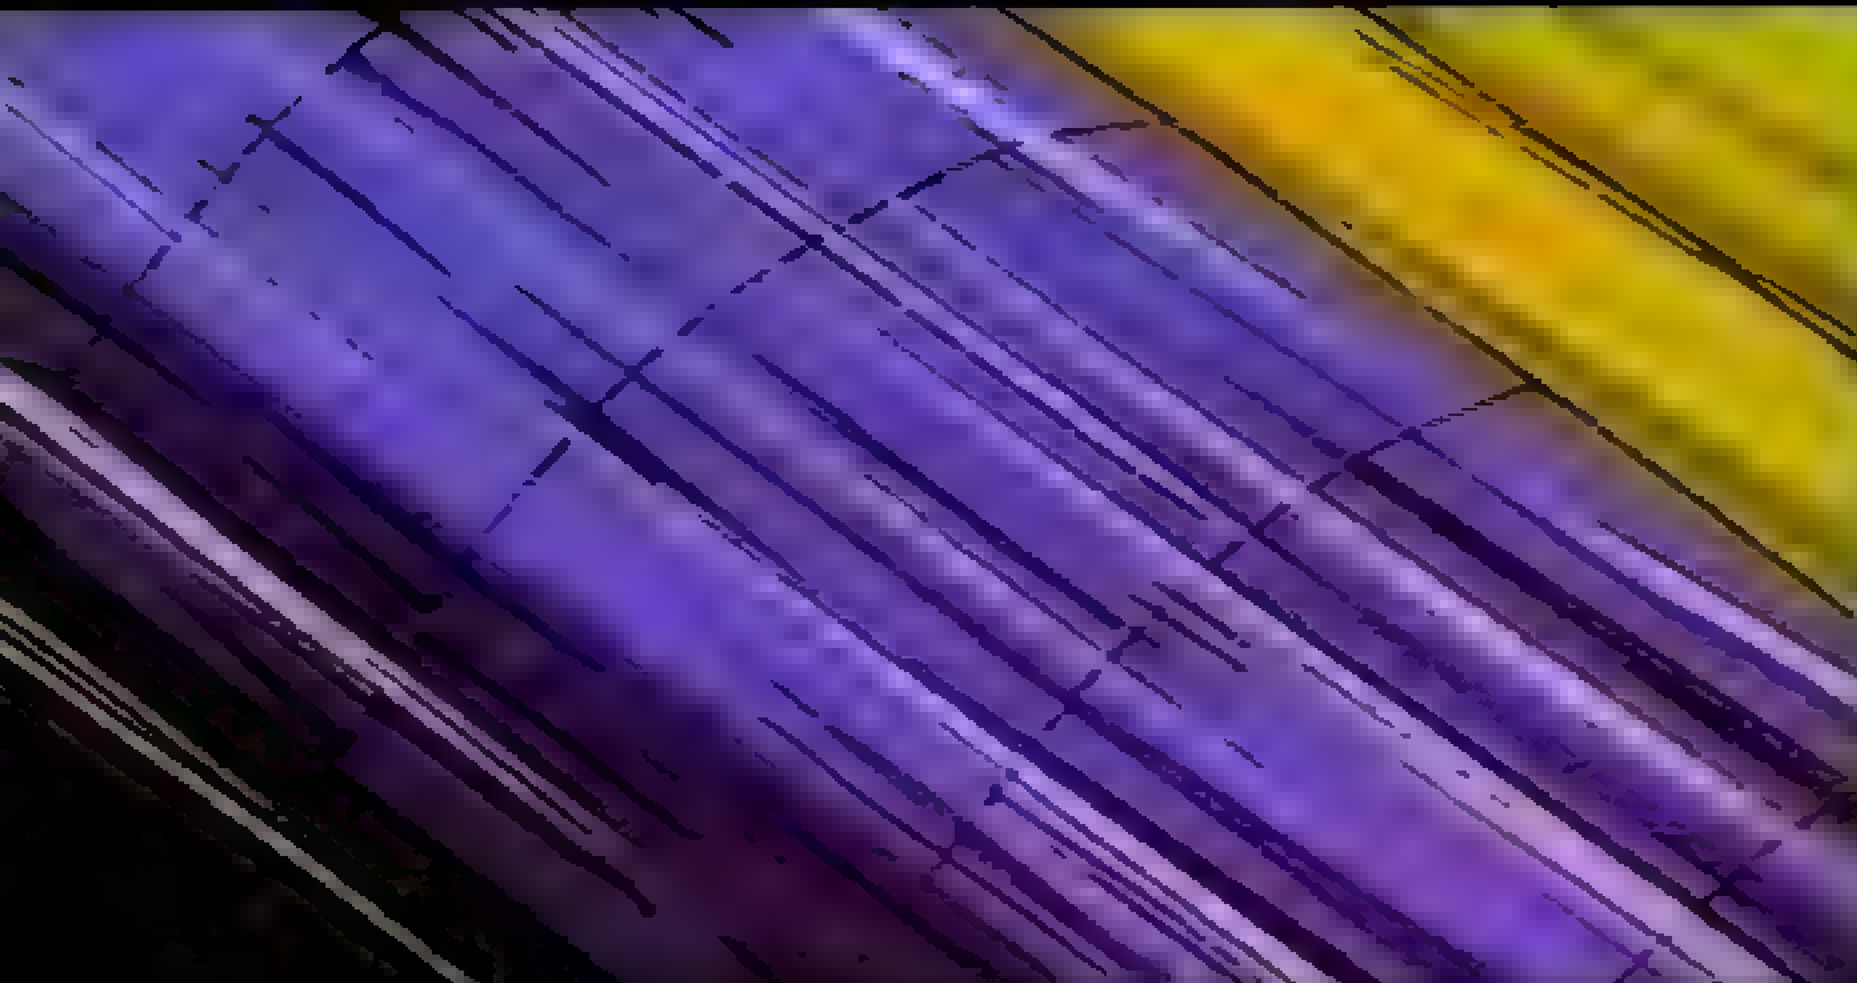

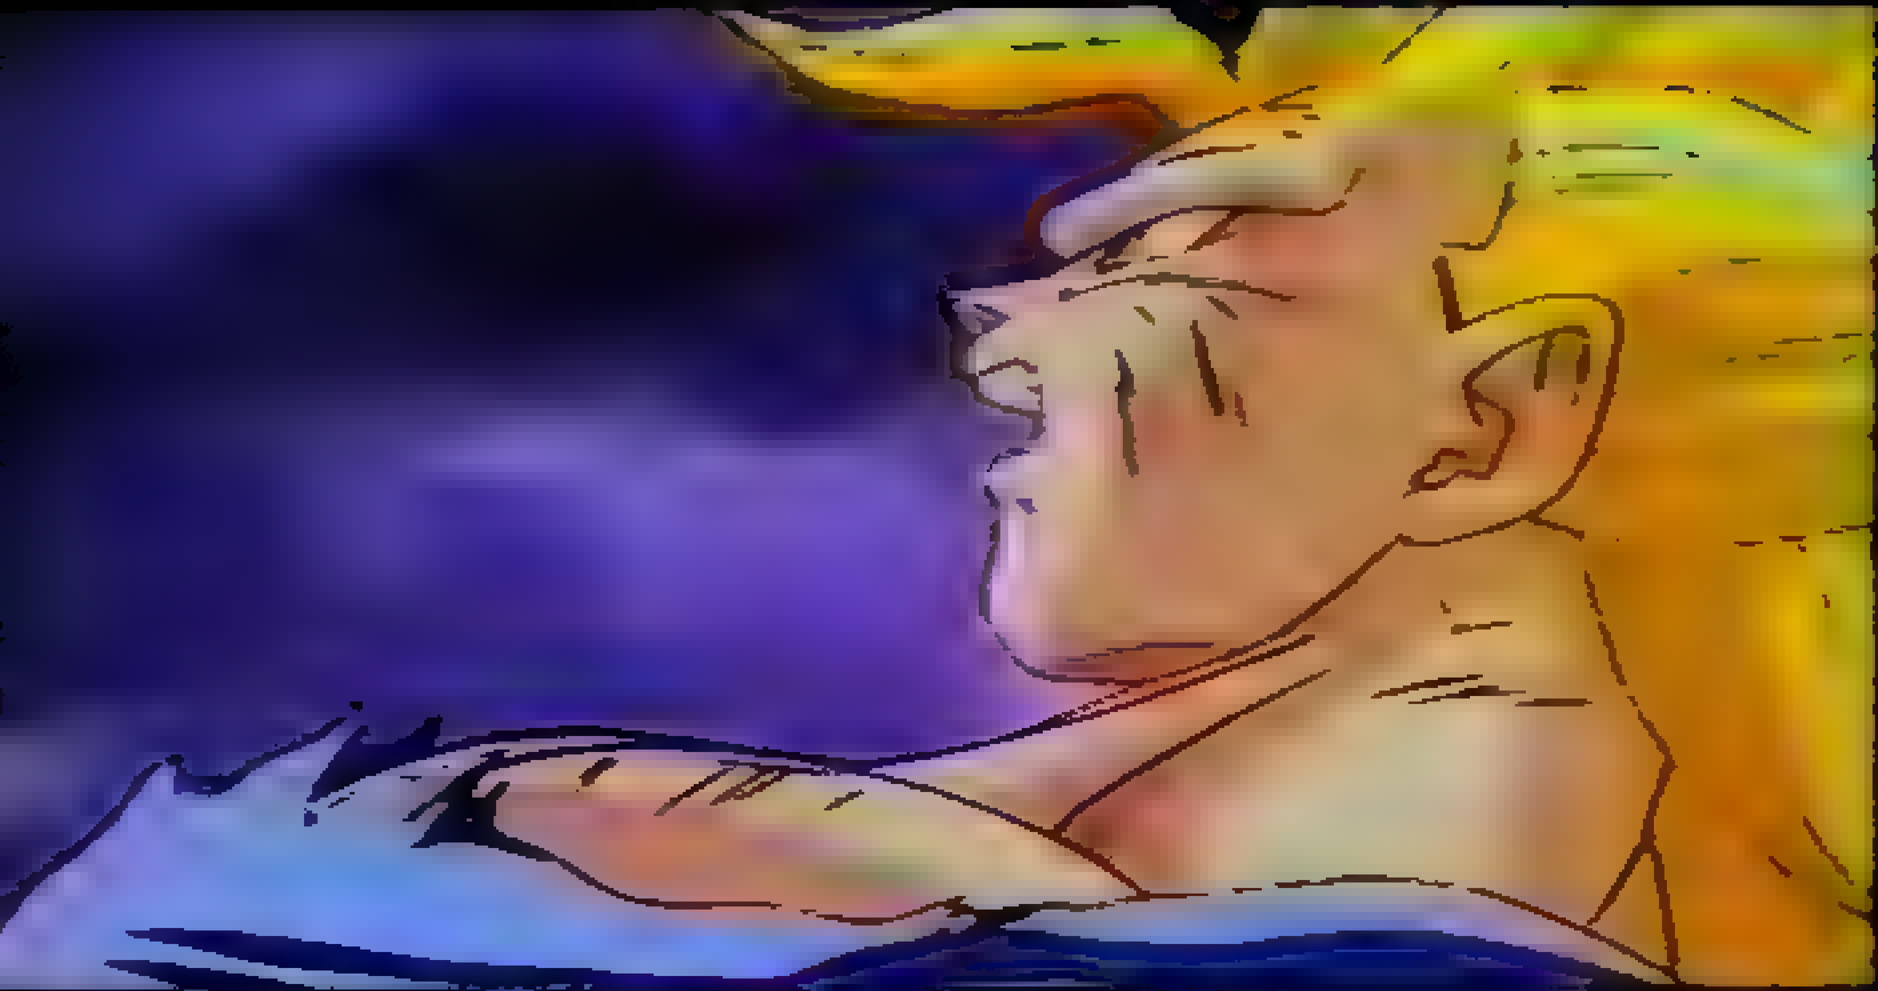

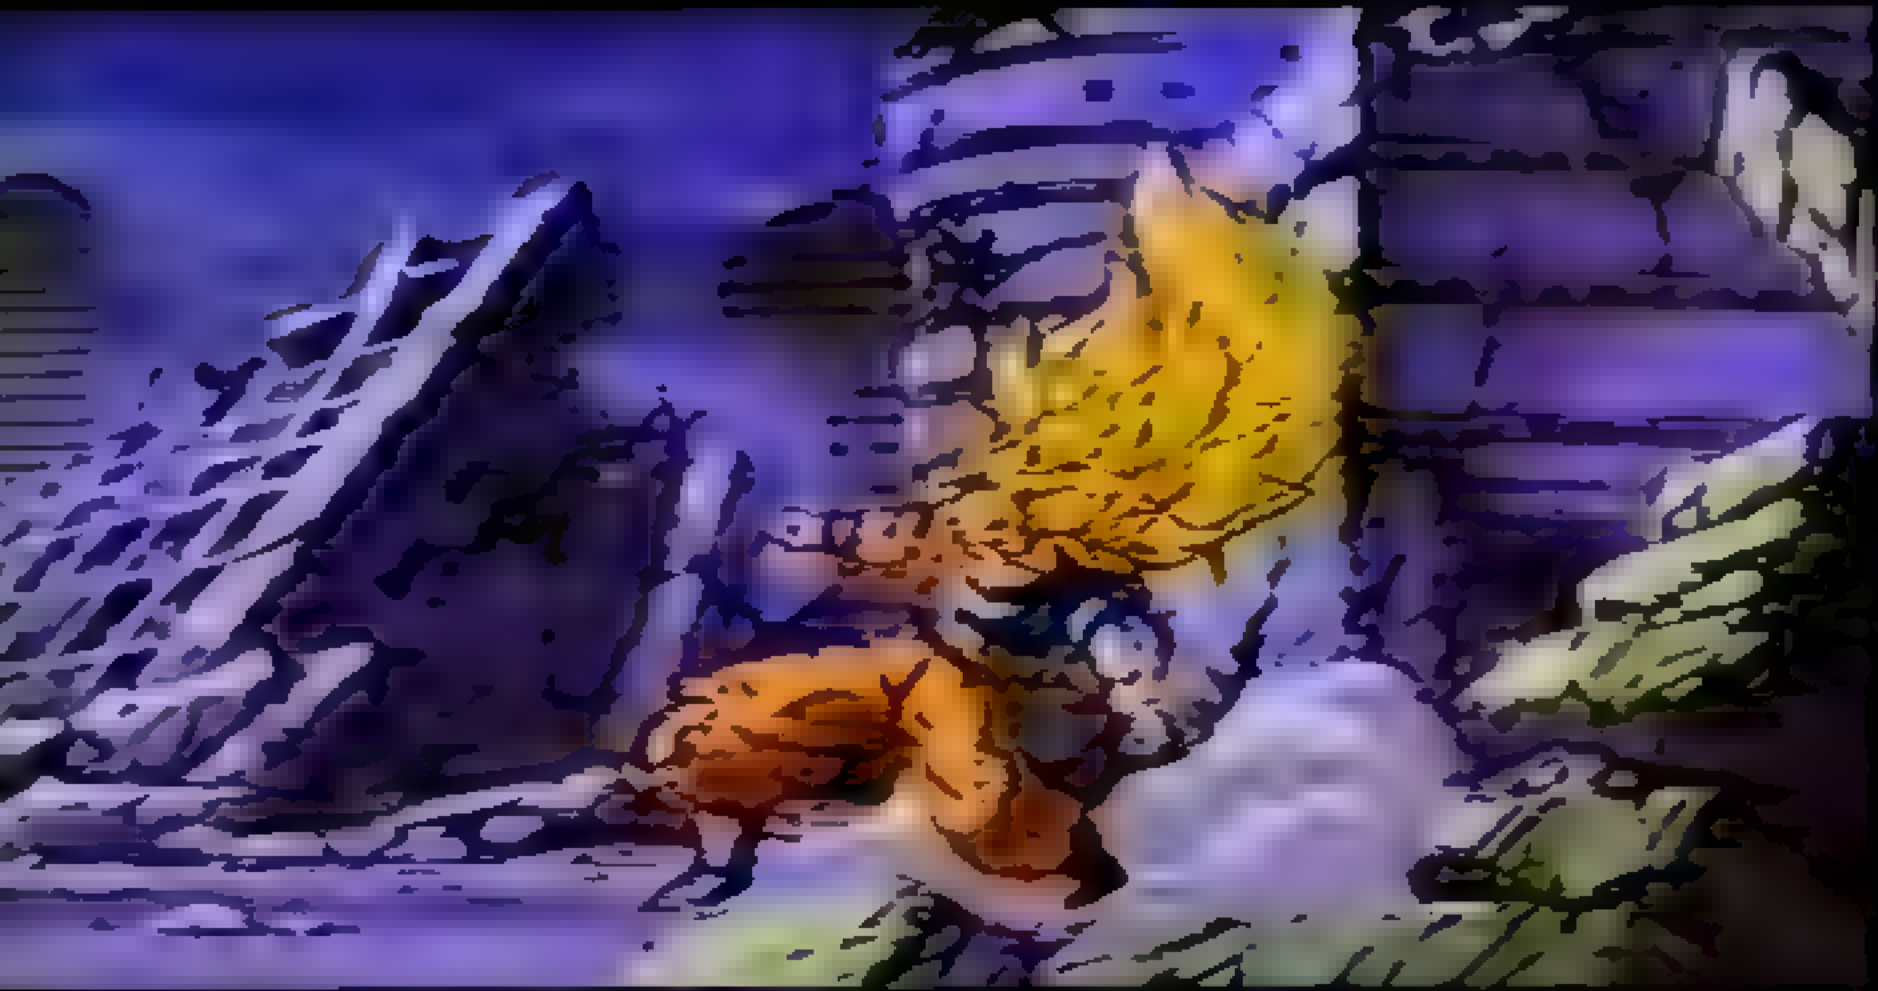

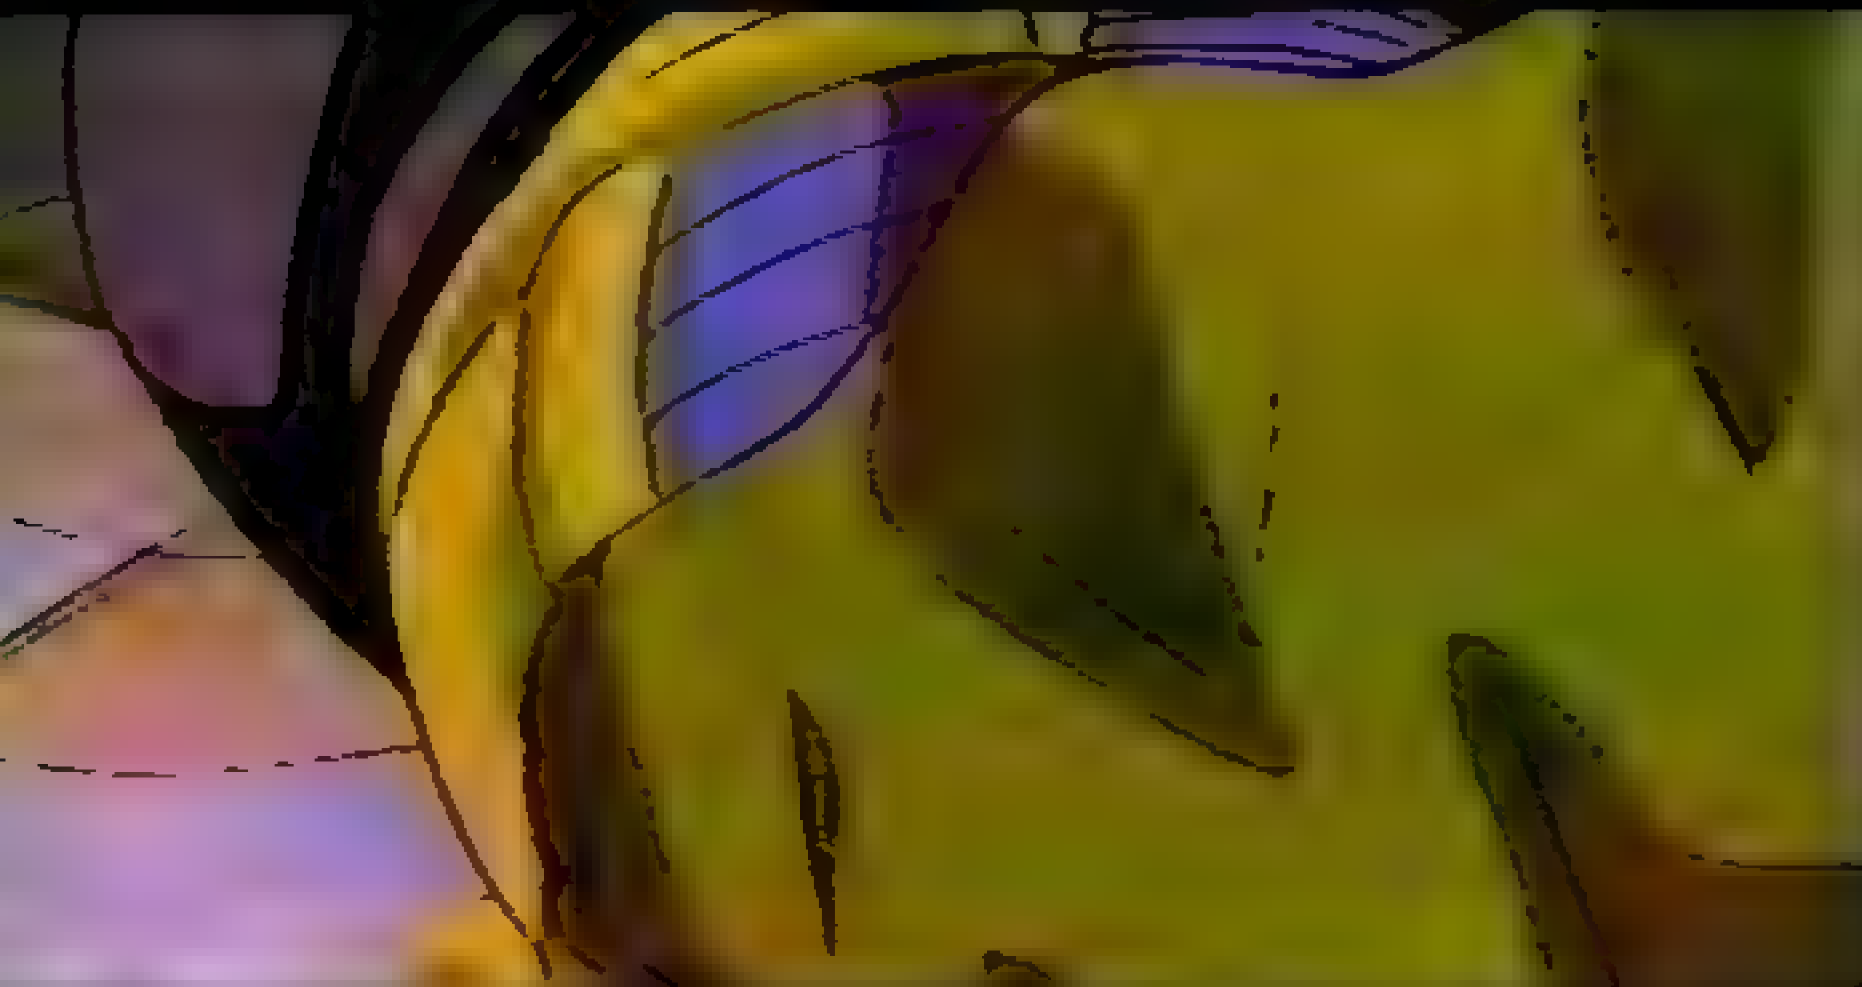

I-I can't...

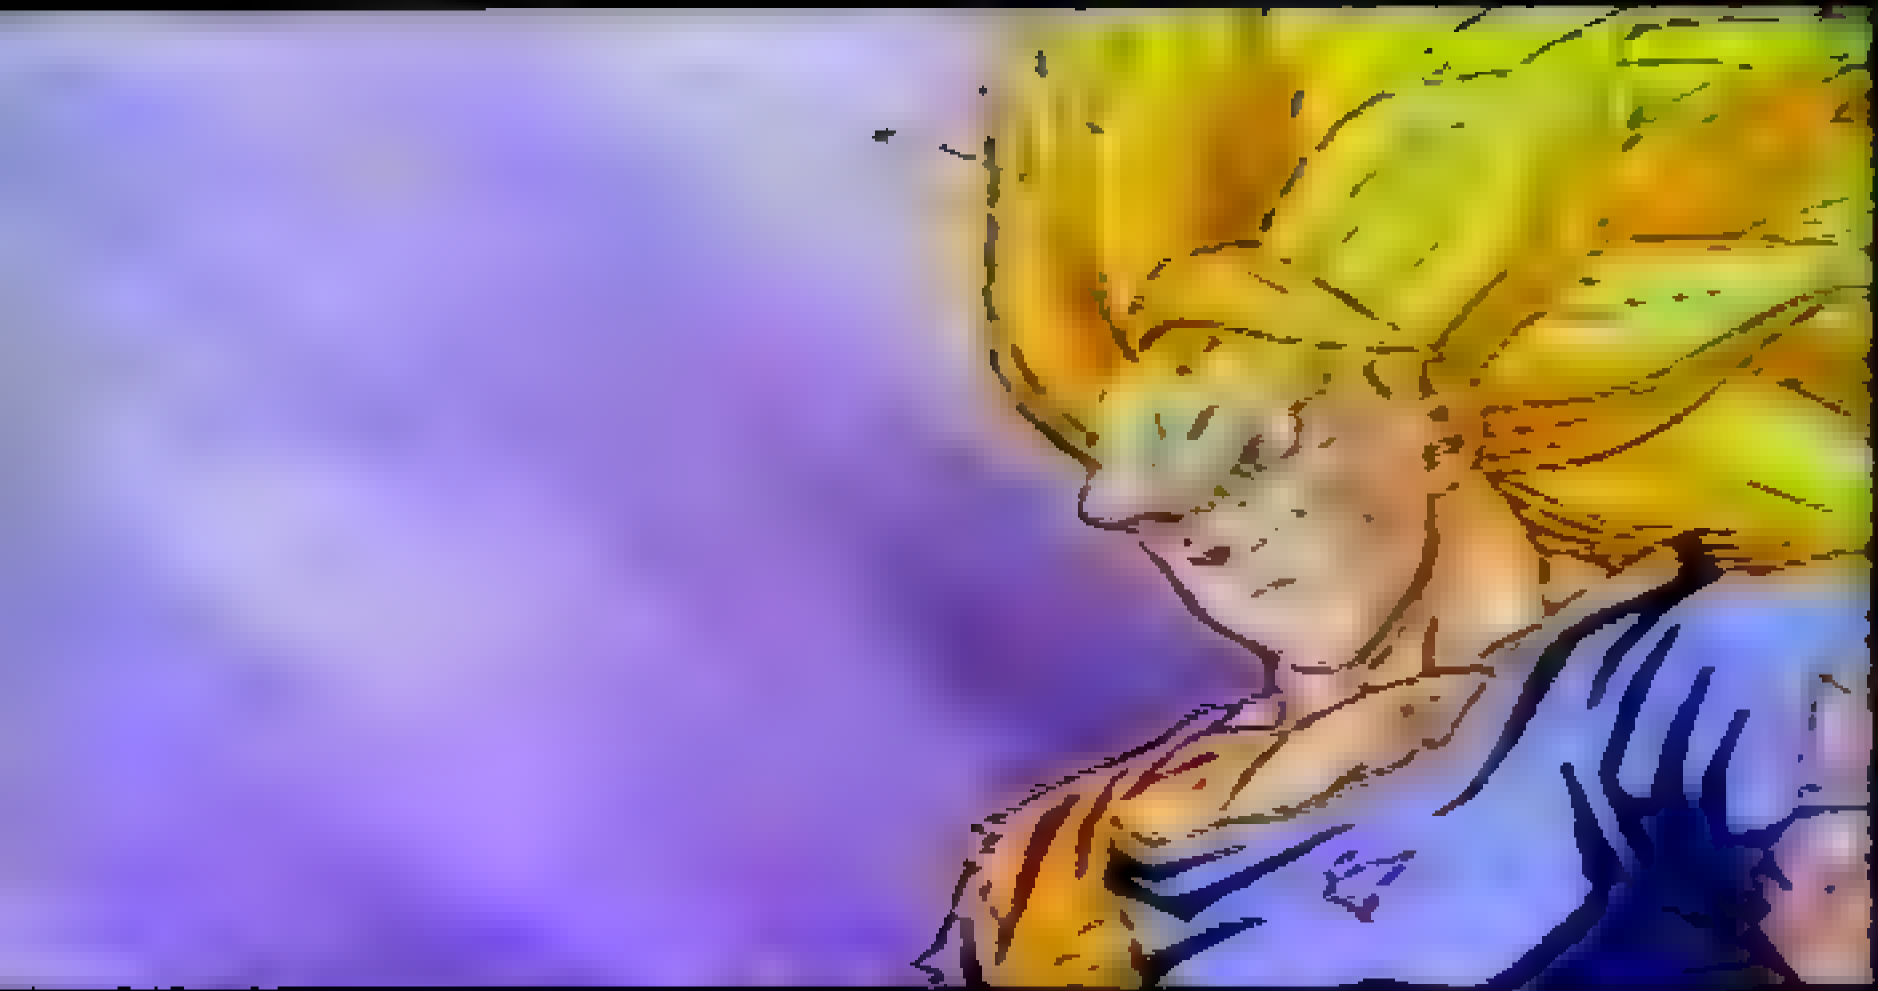

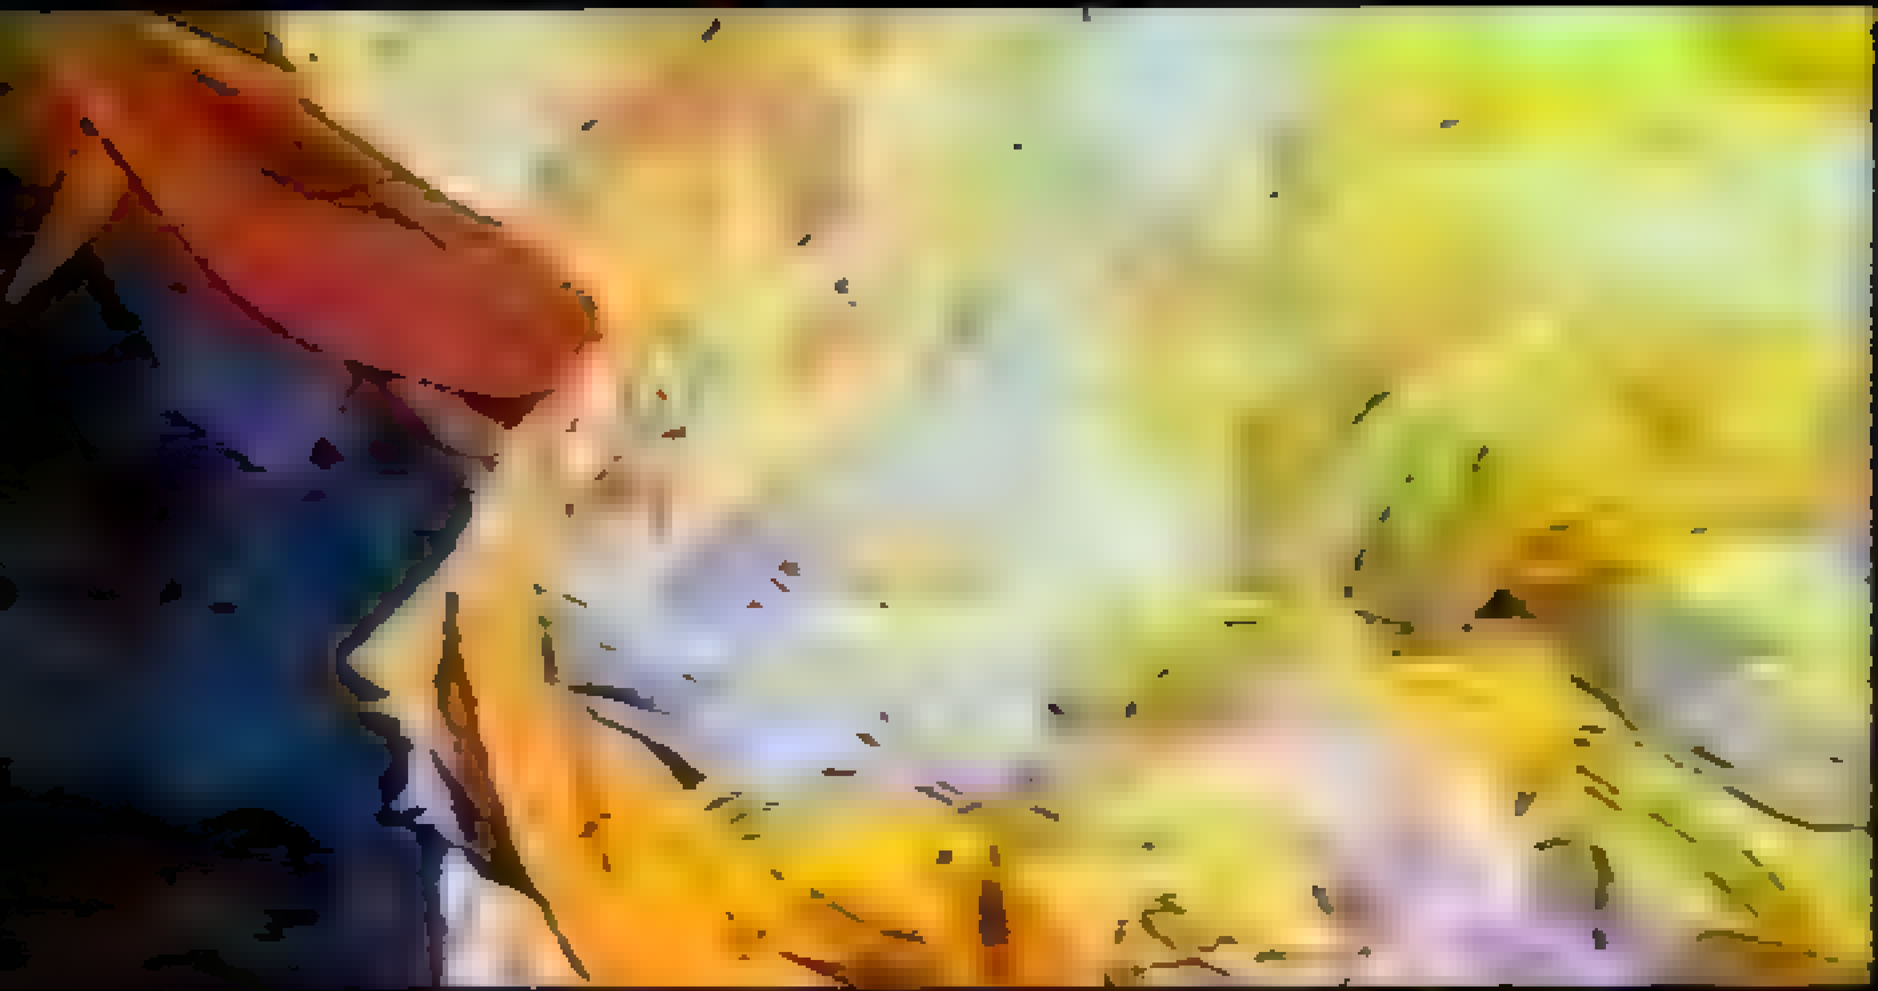

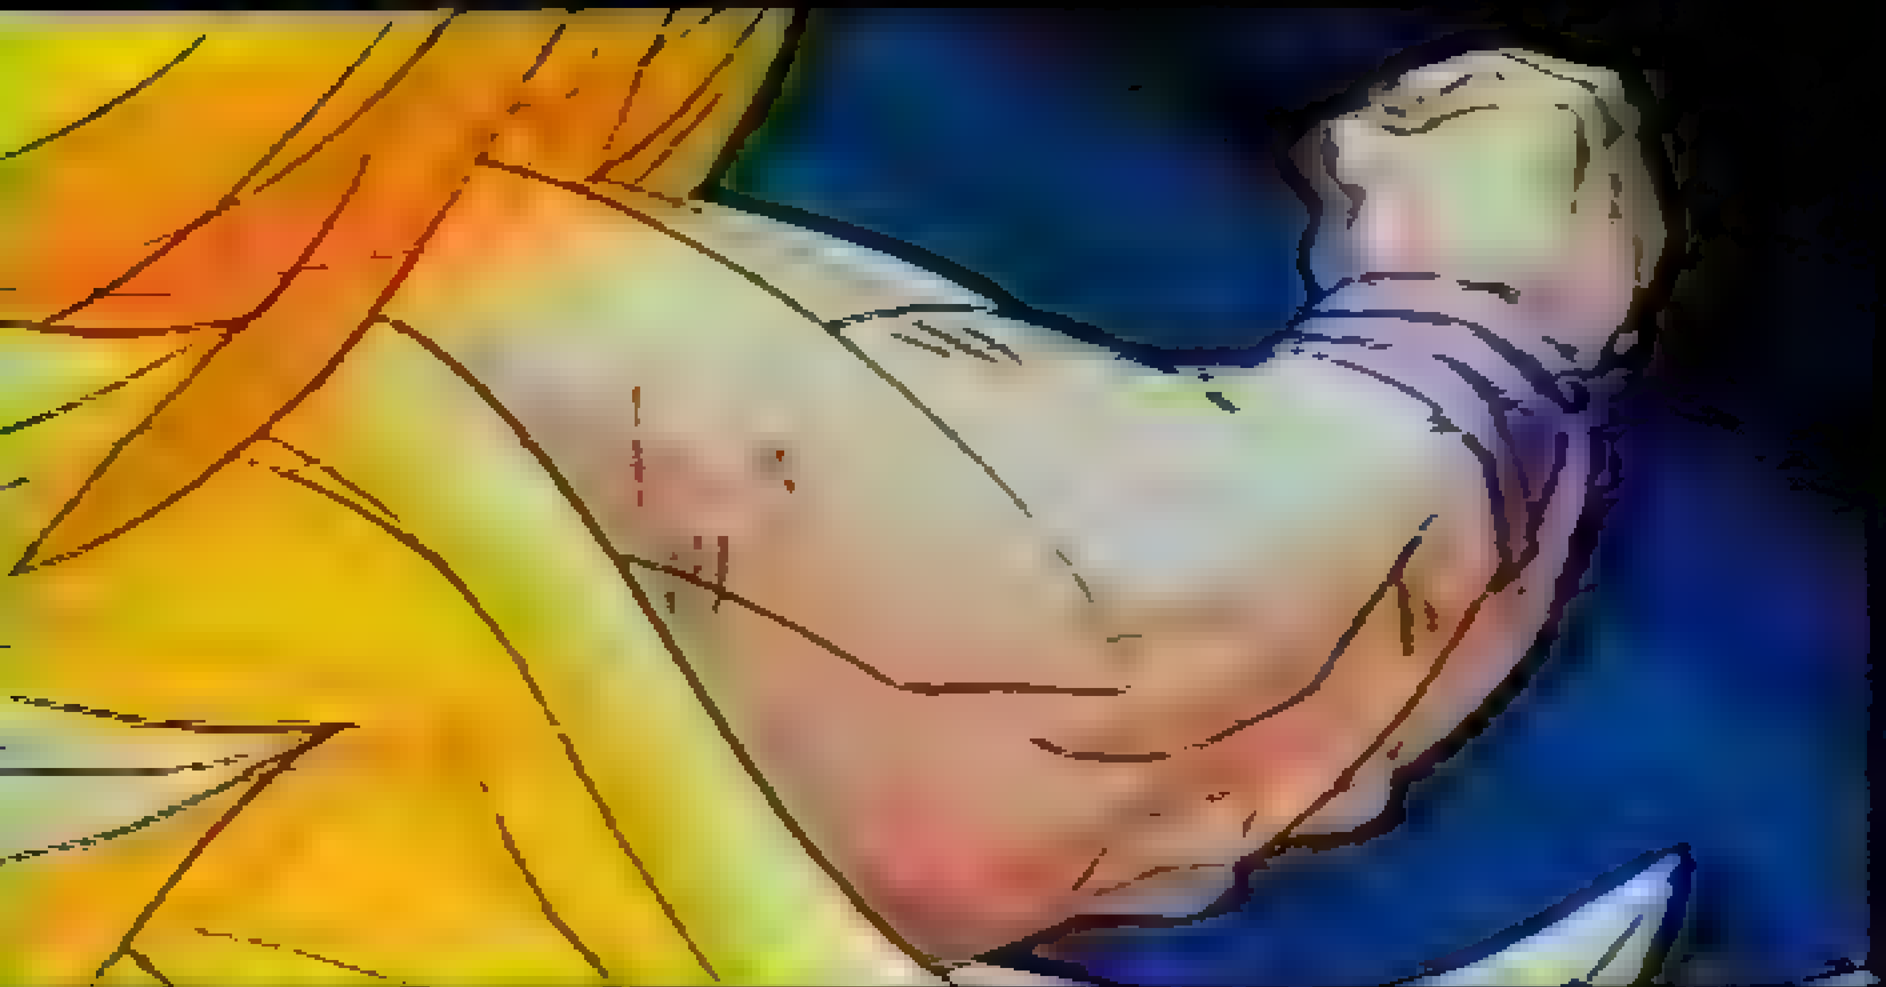

If I can't do it

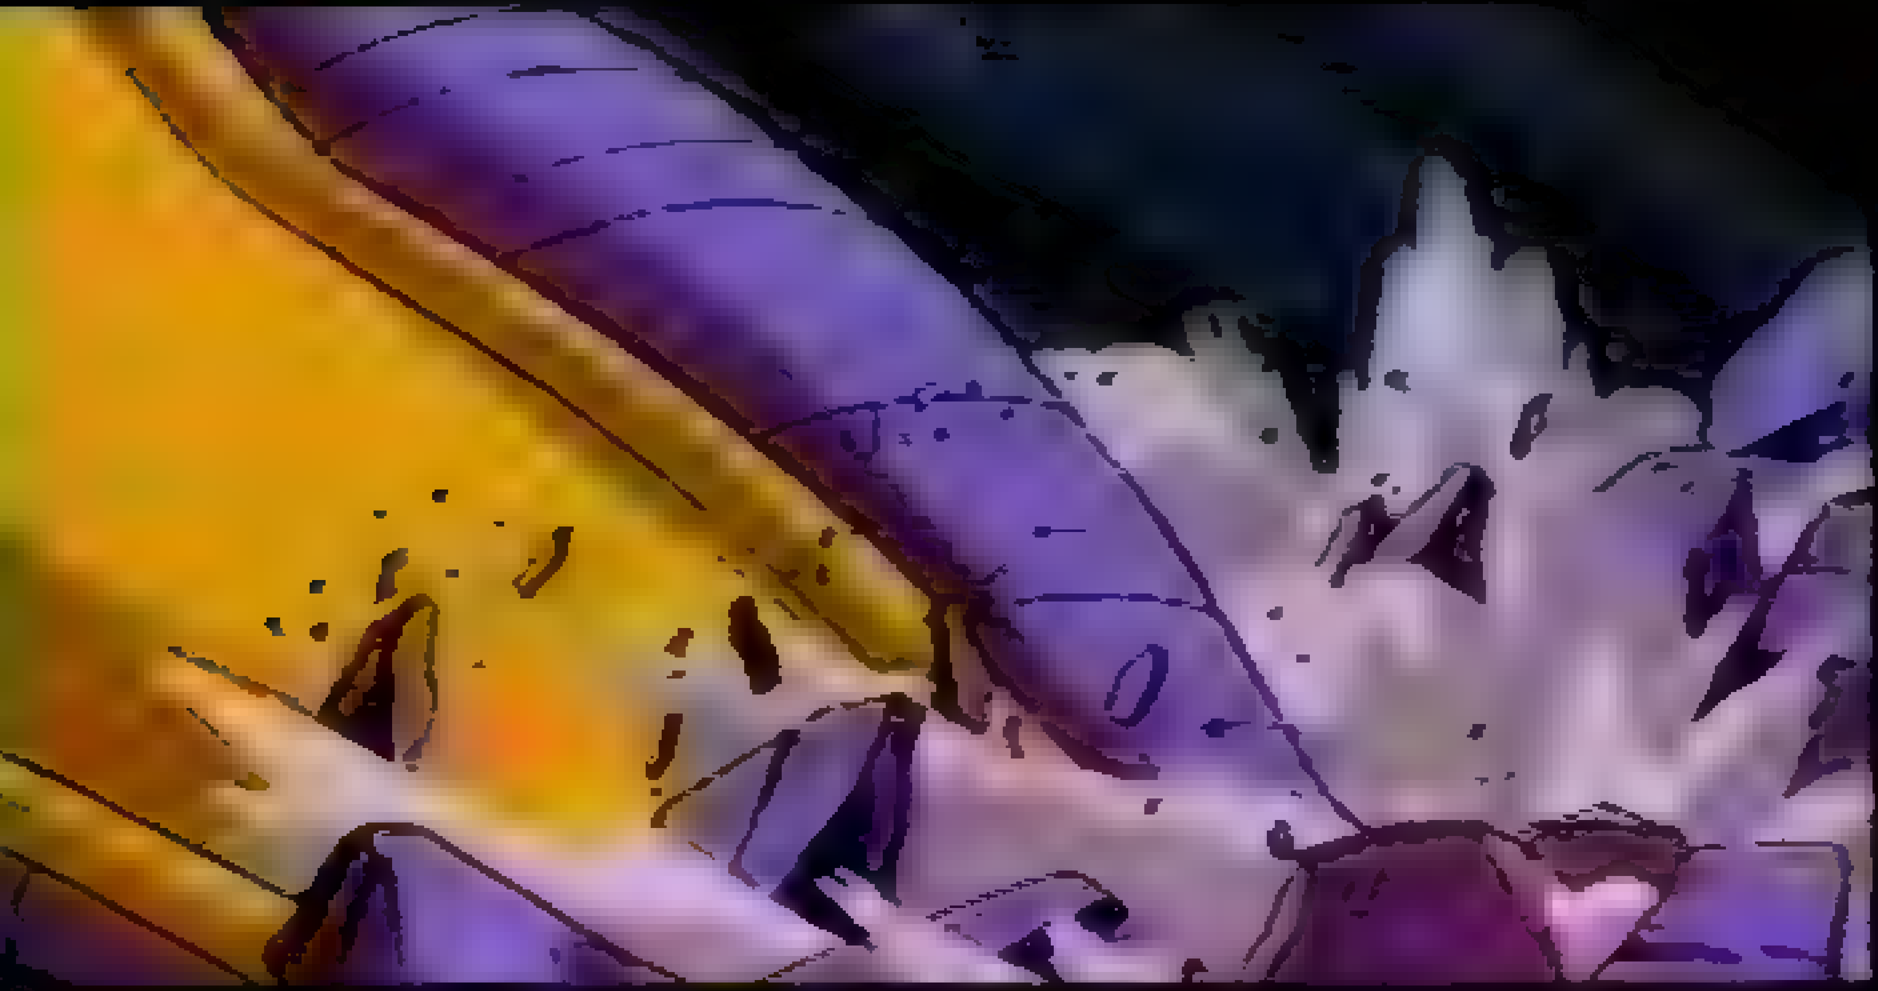

...who else can?!

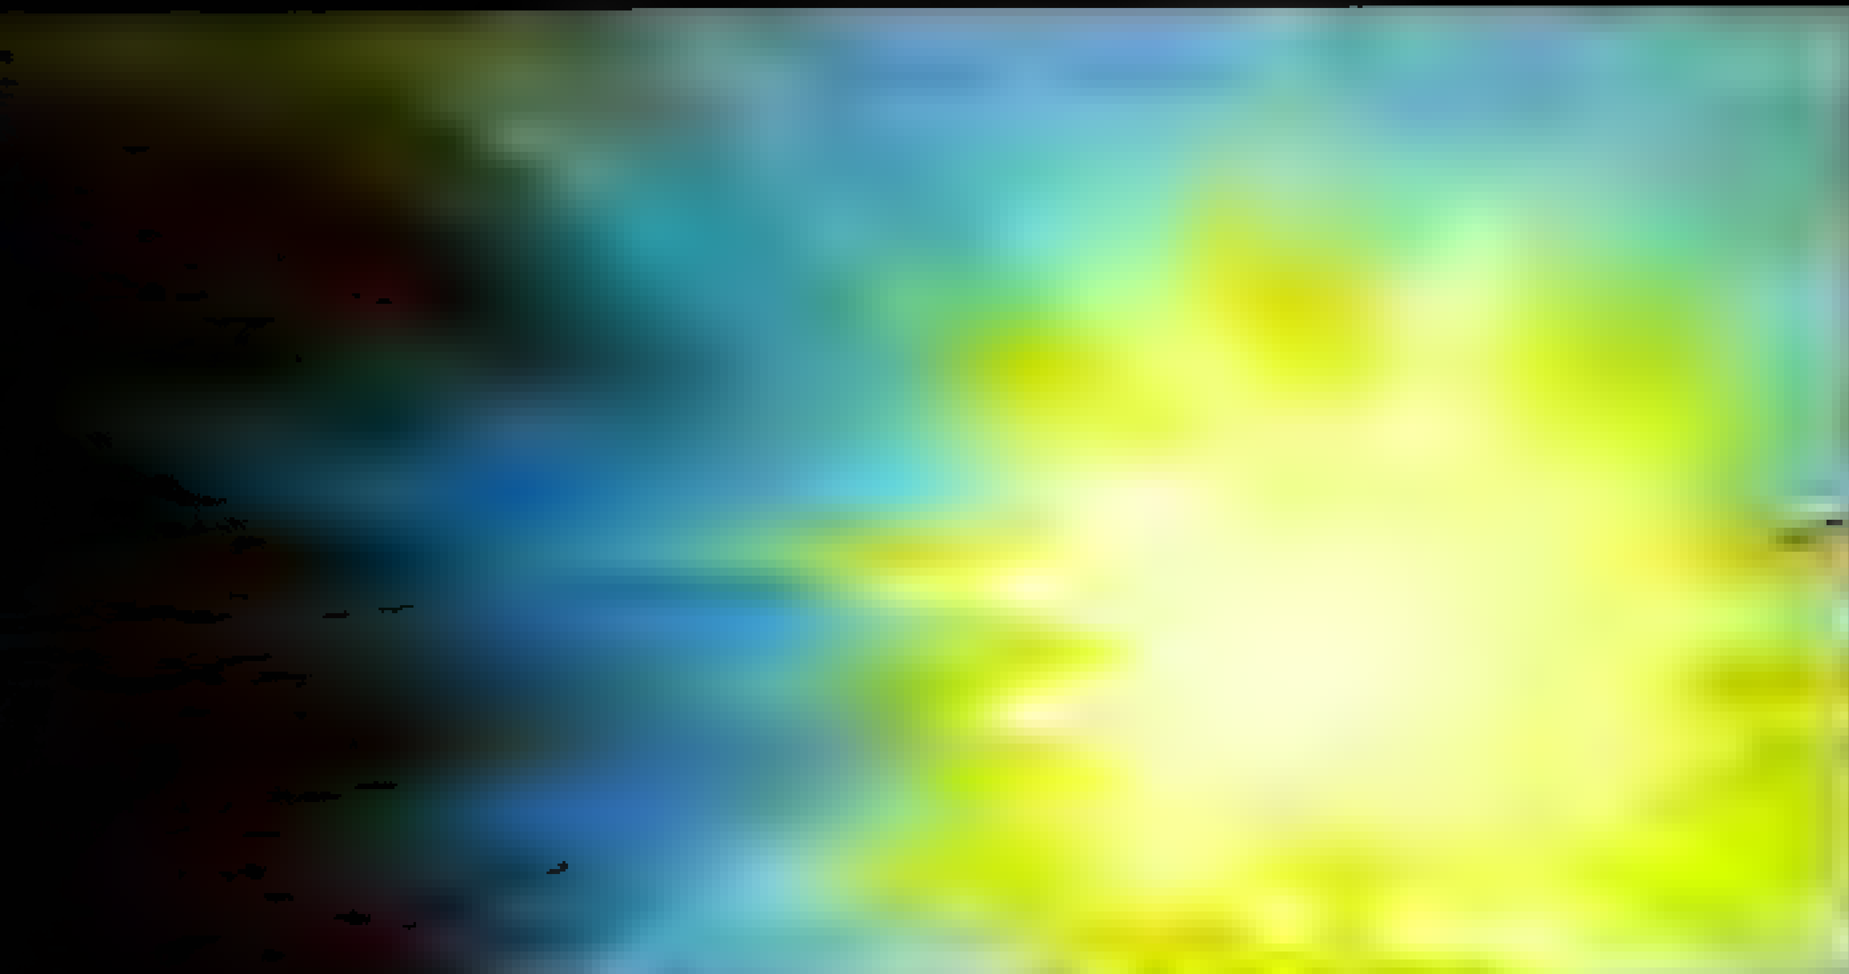

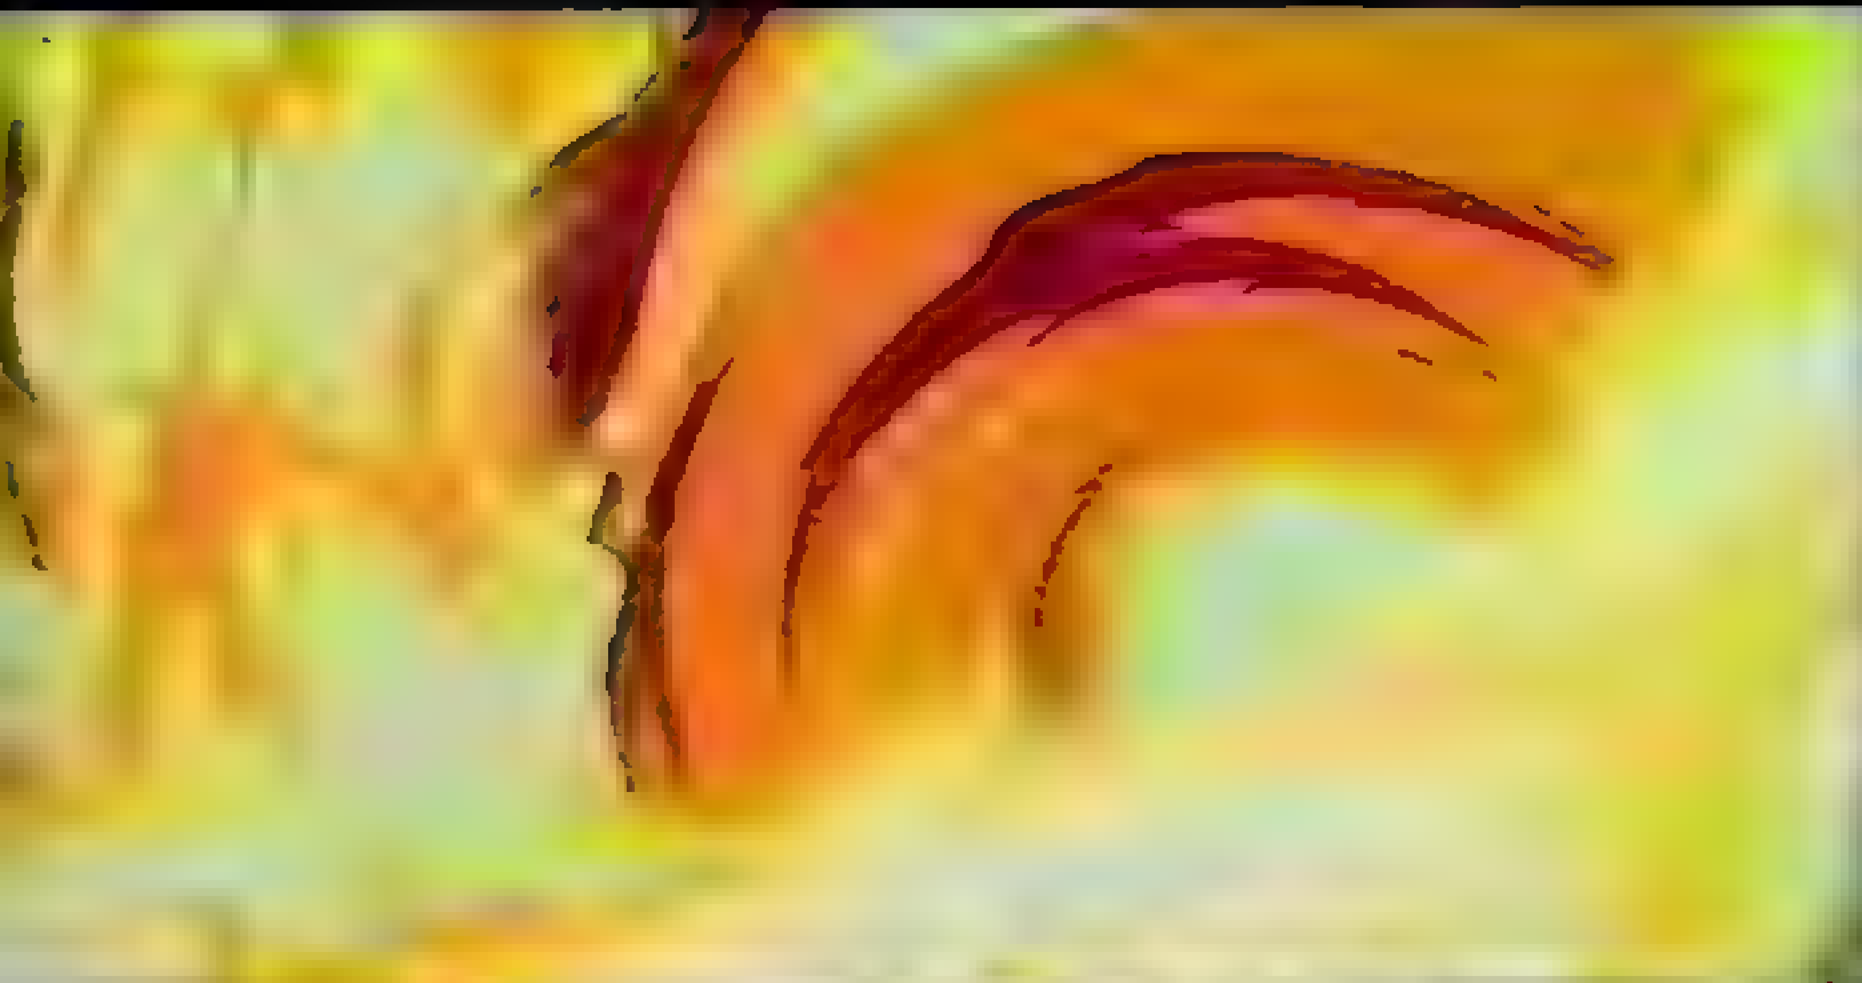

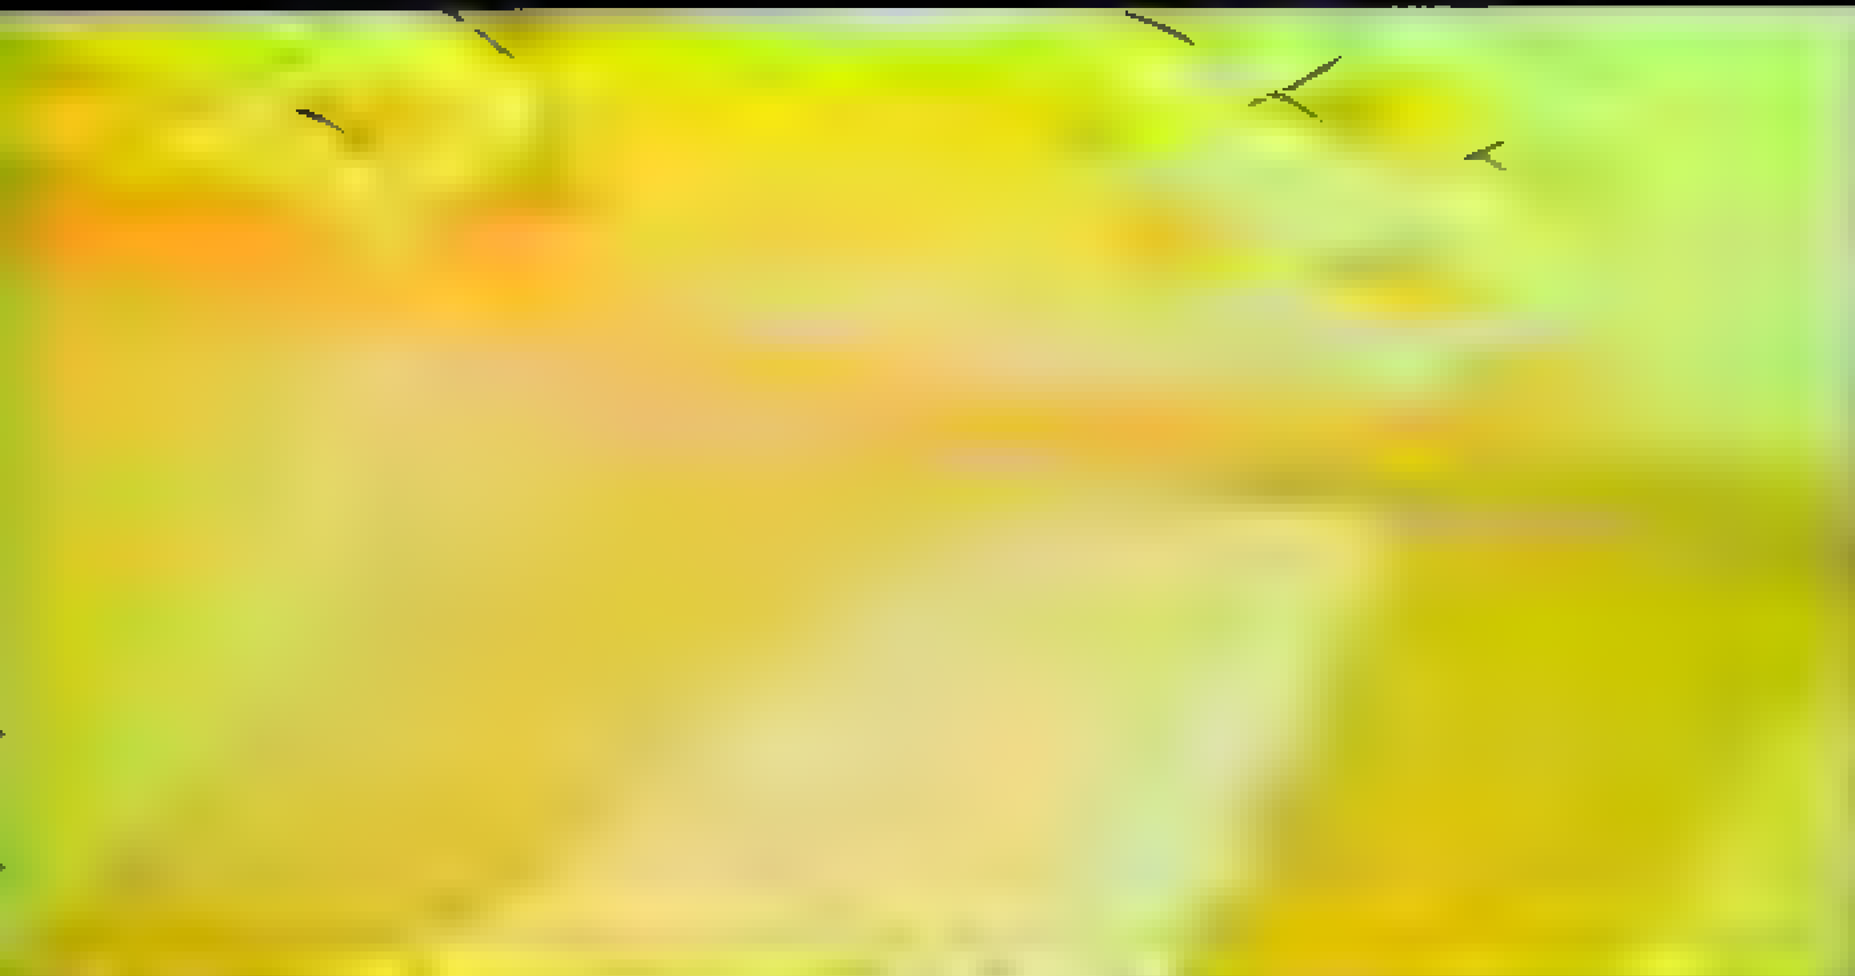

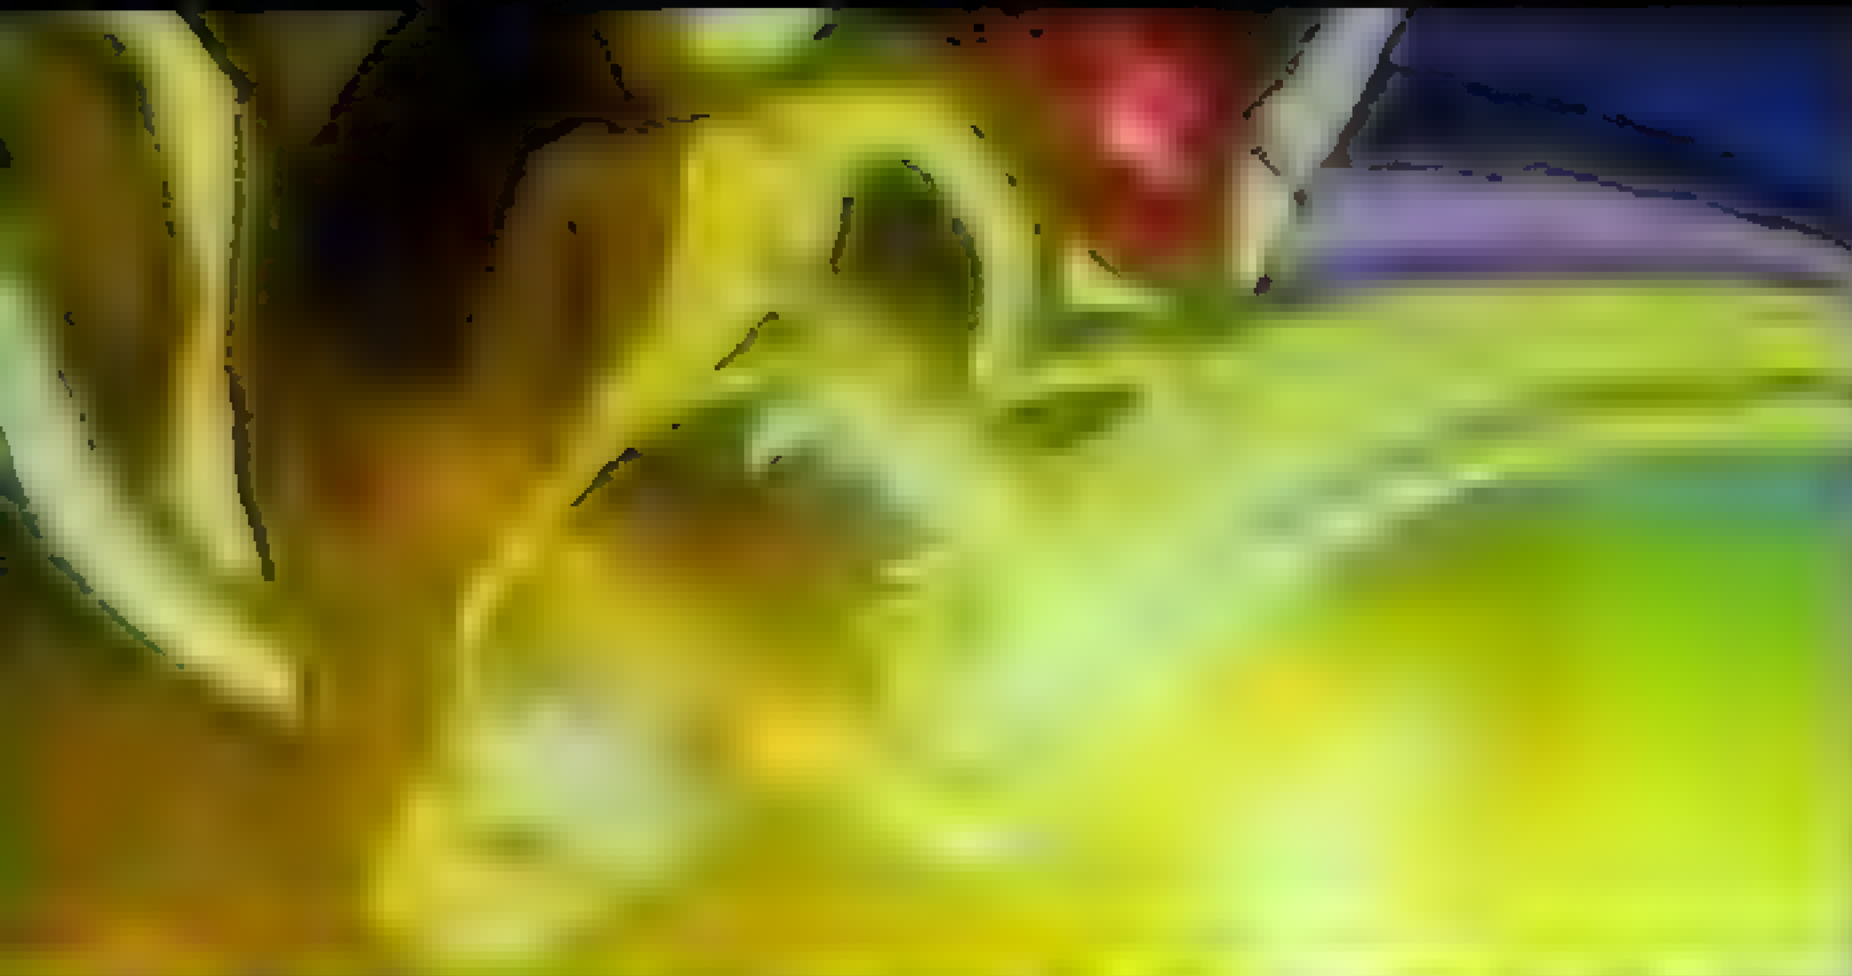

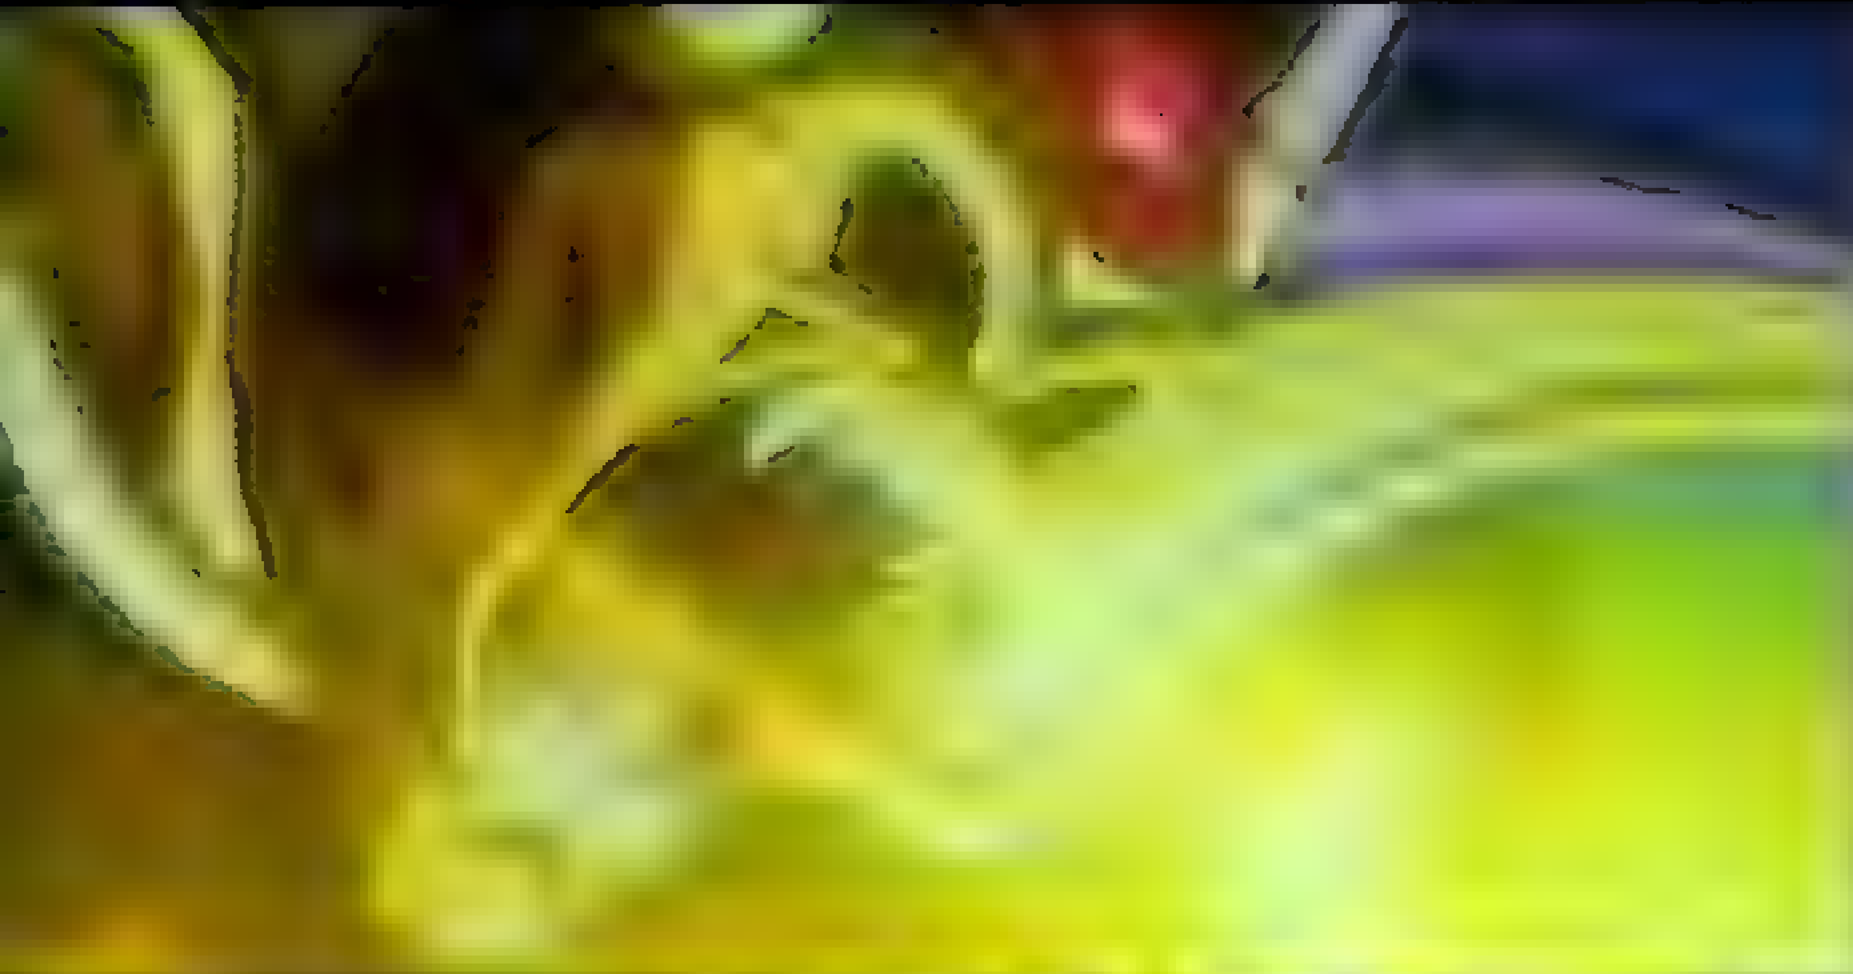

DRAGON FIST!!

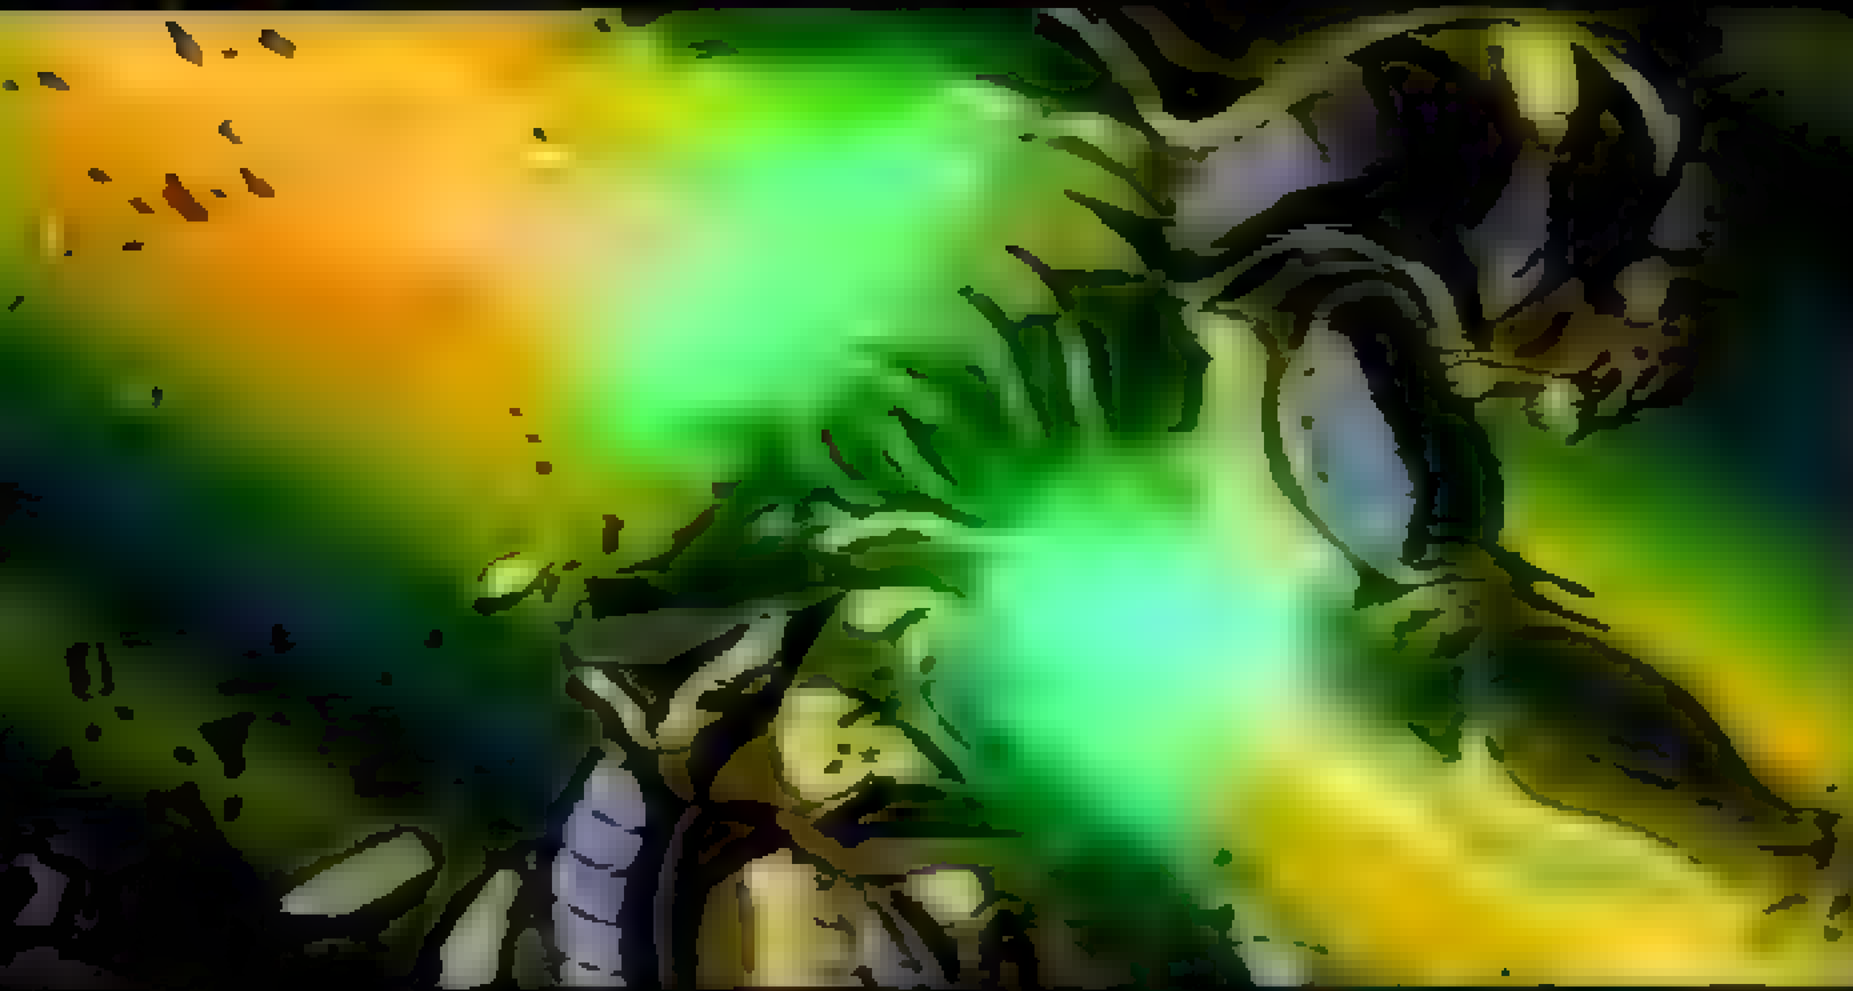

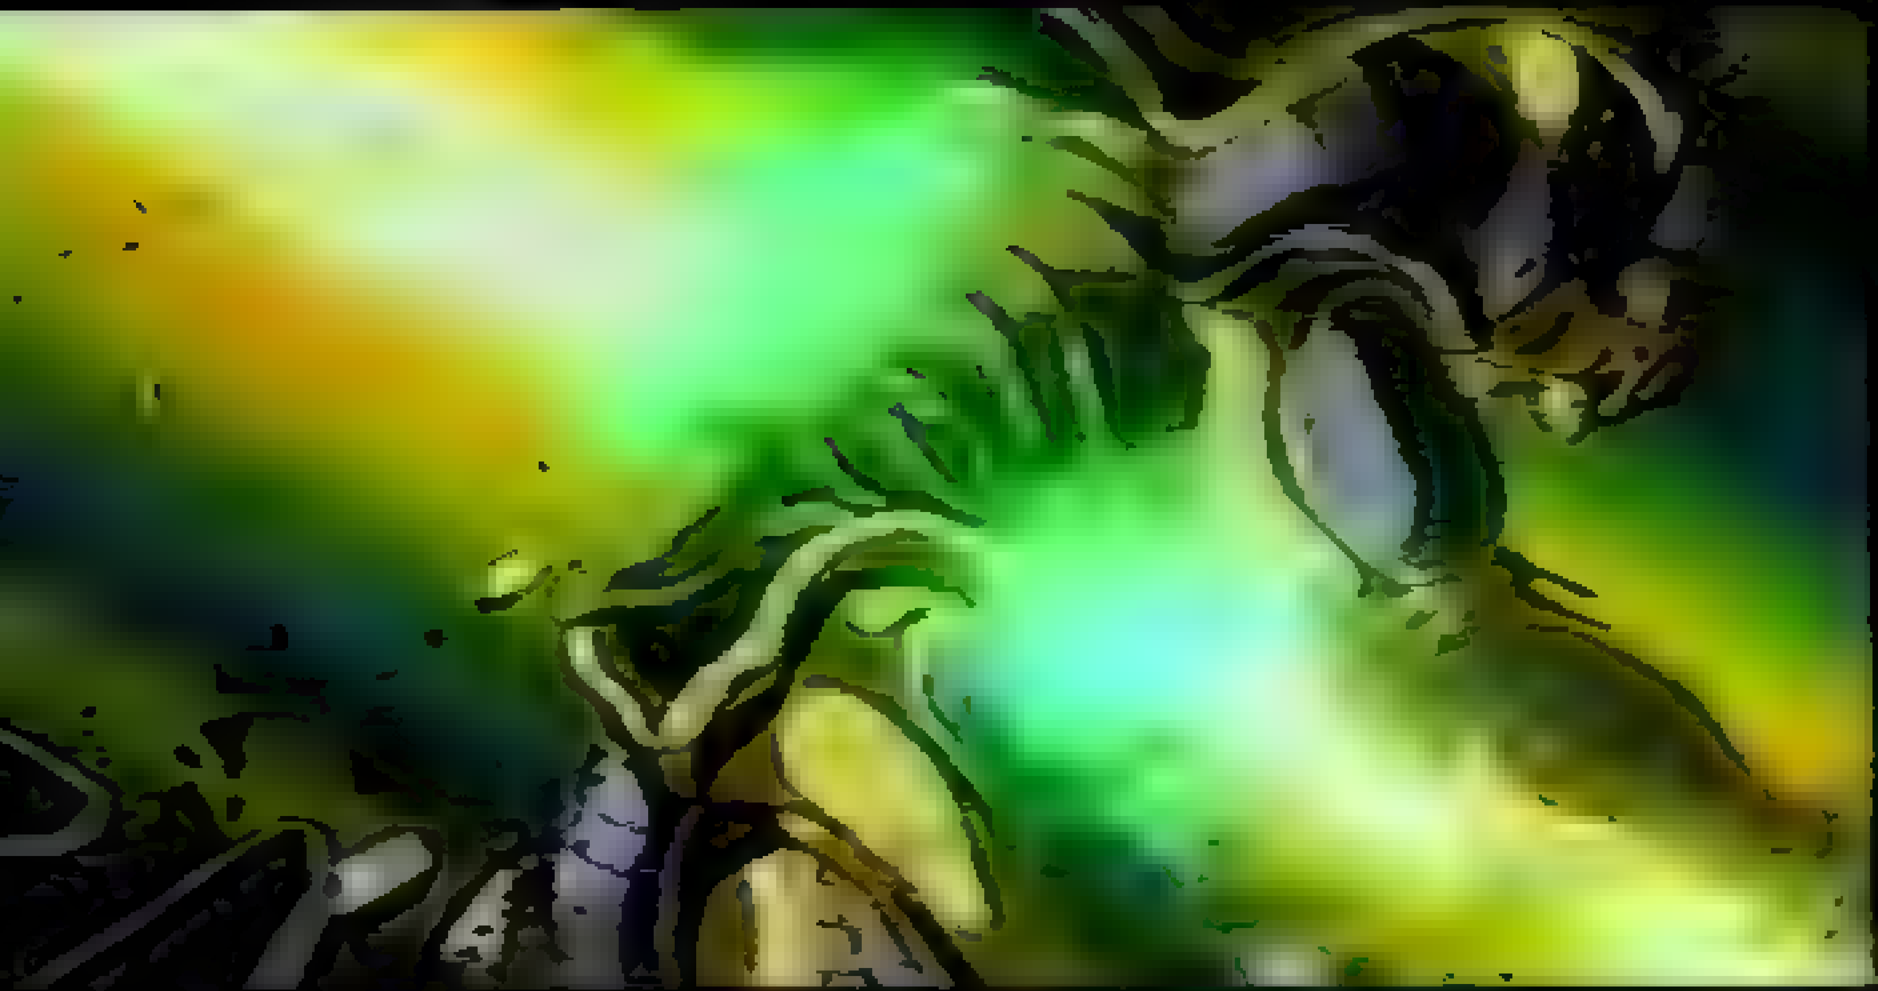

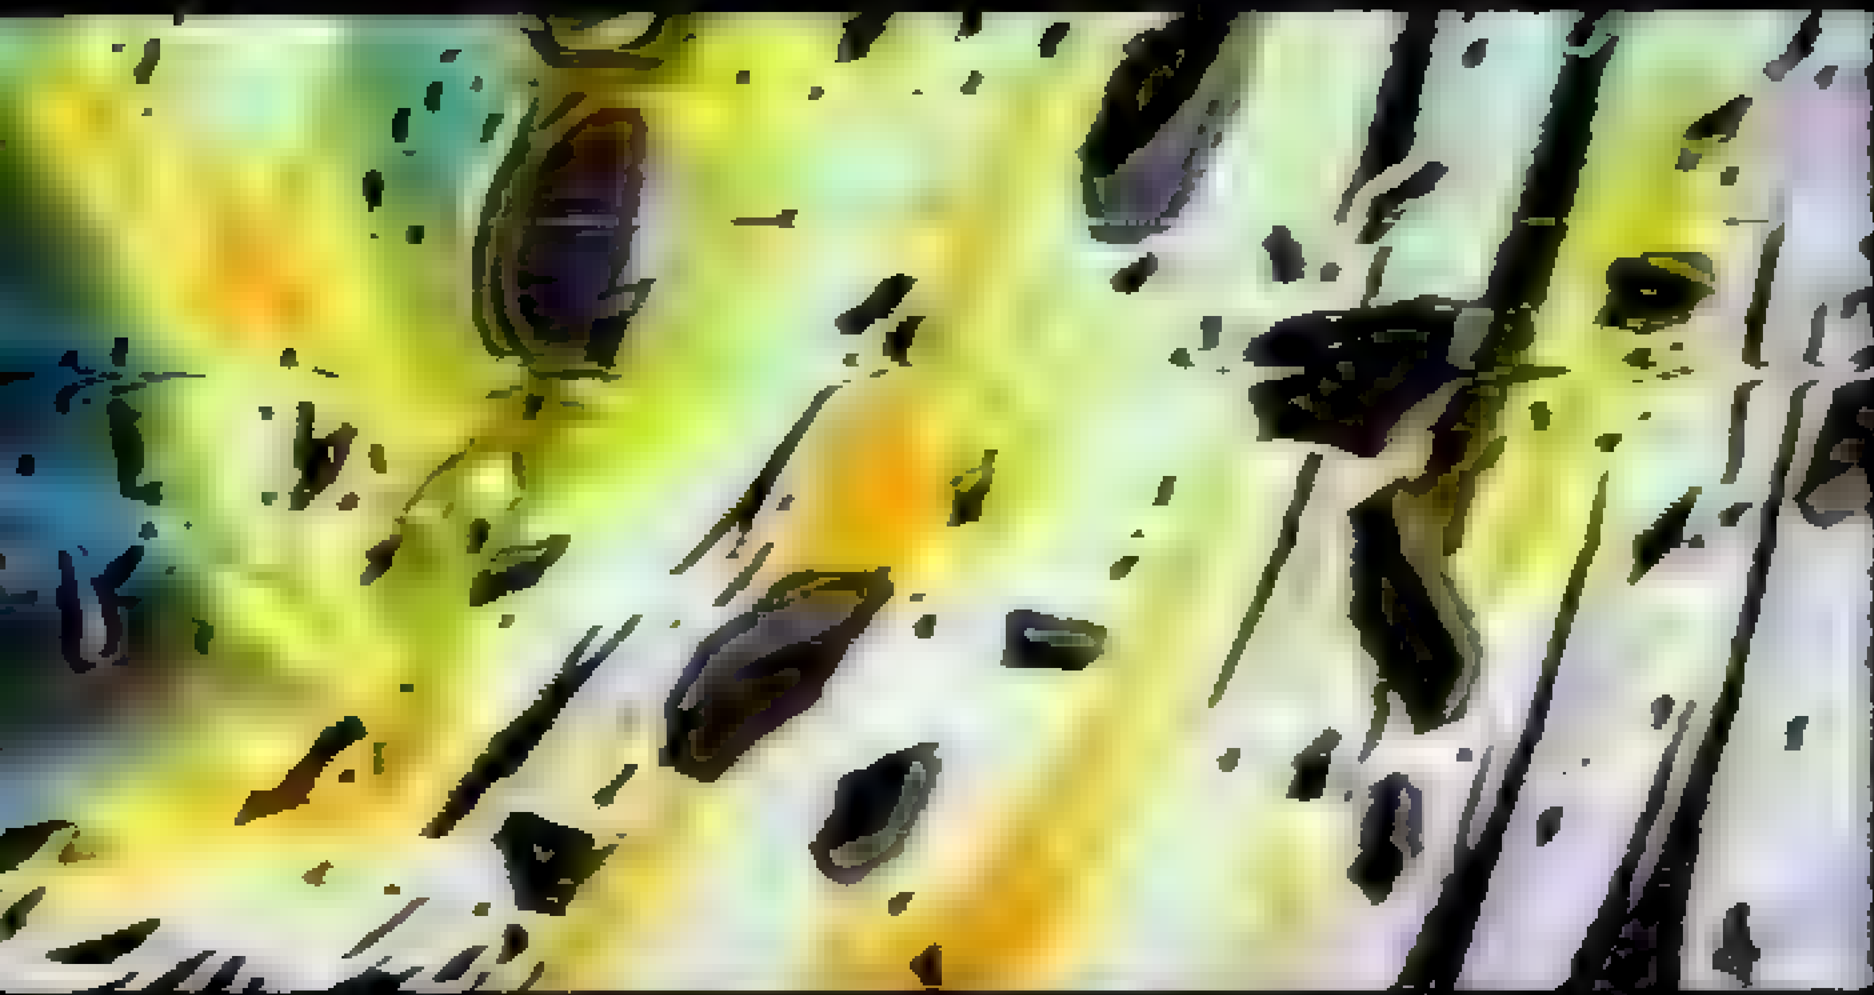

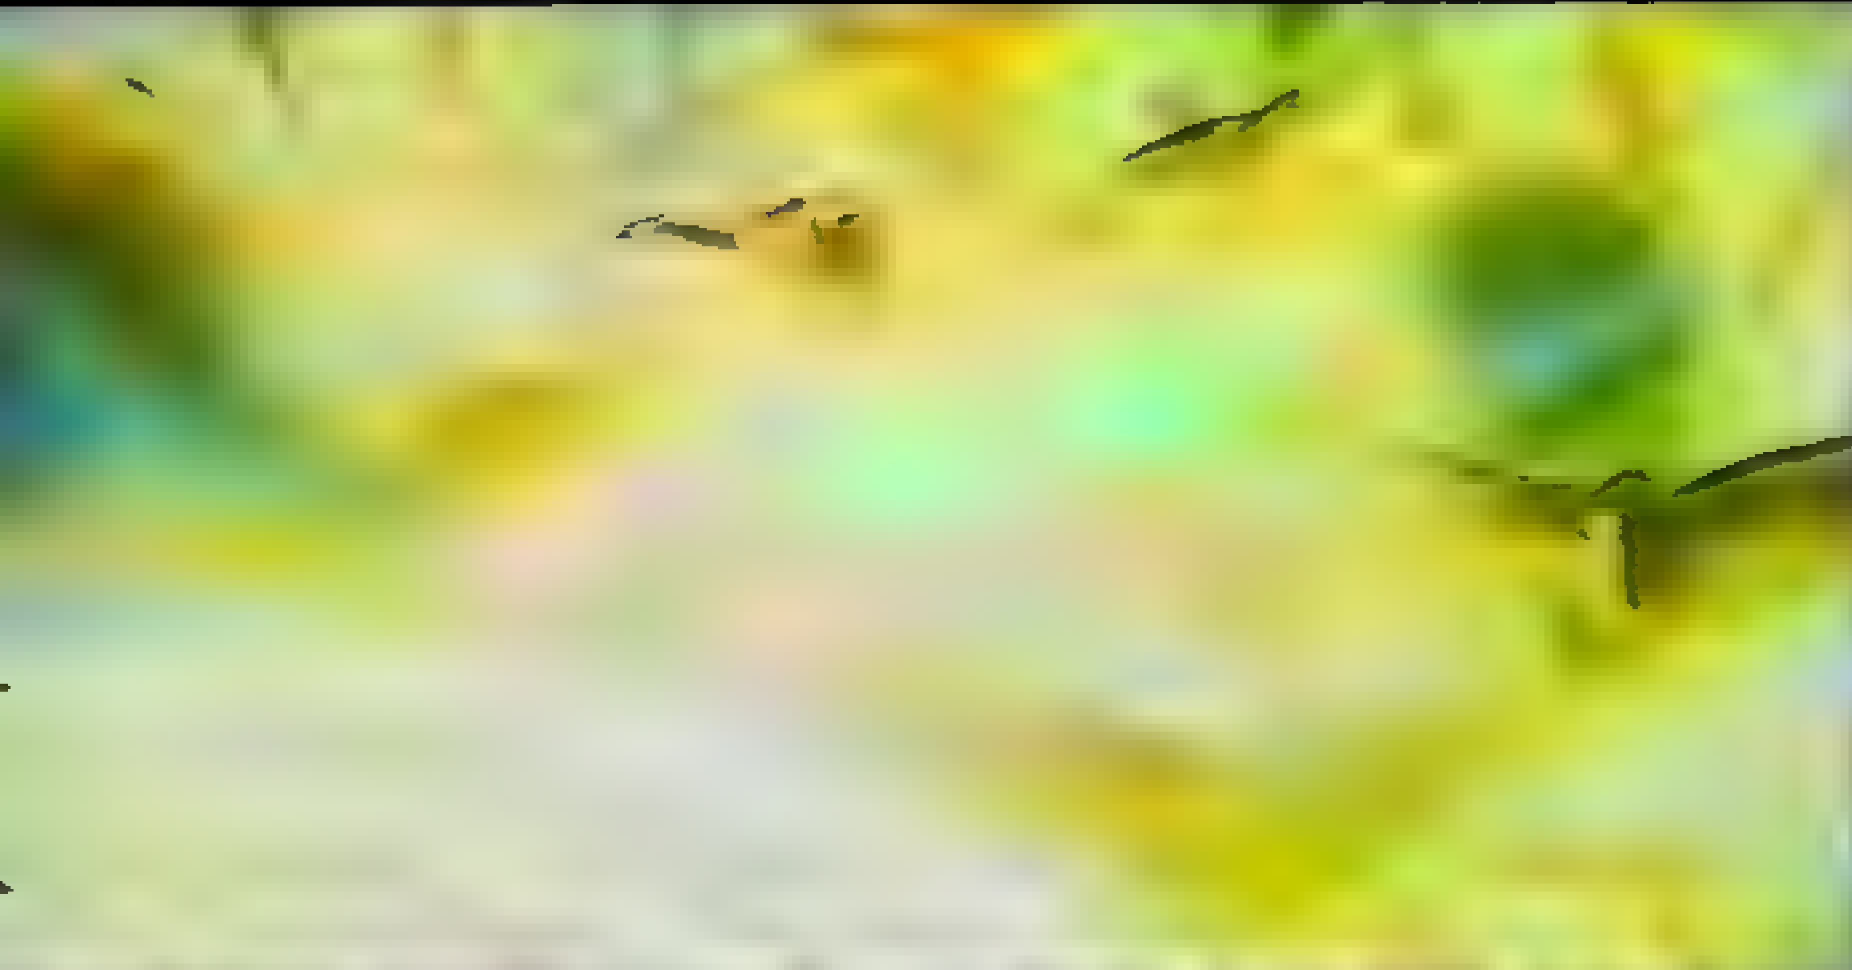

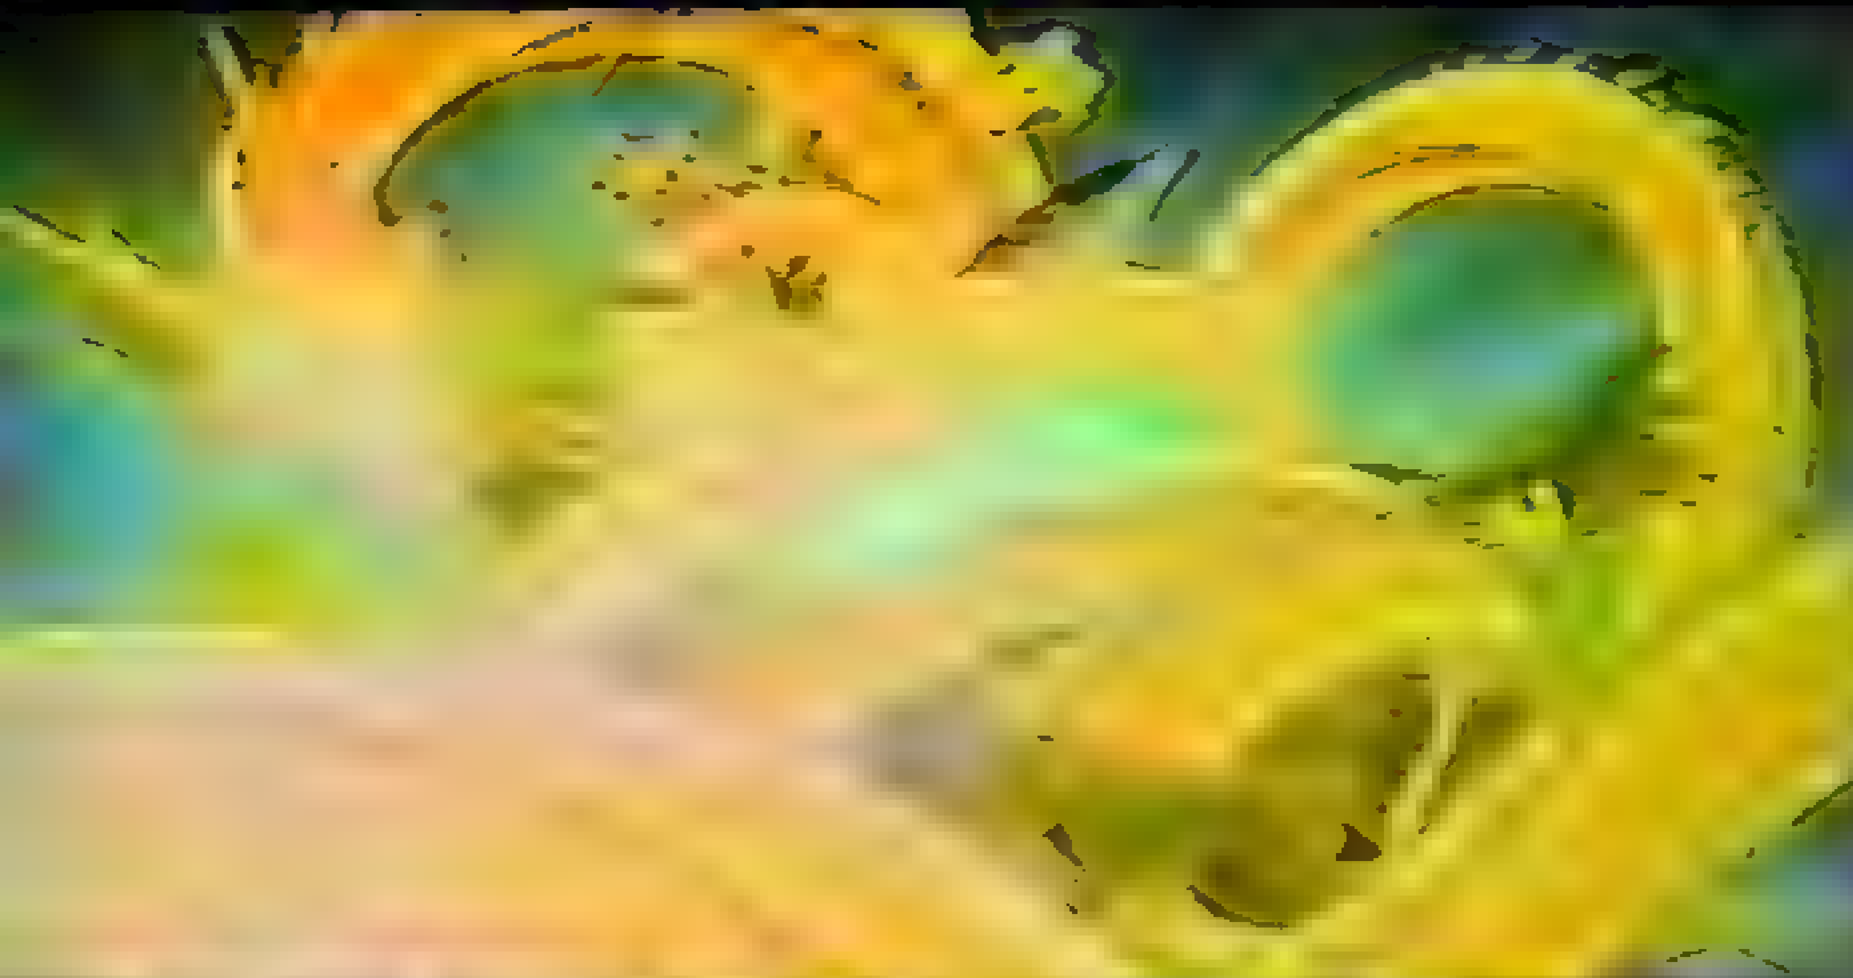

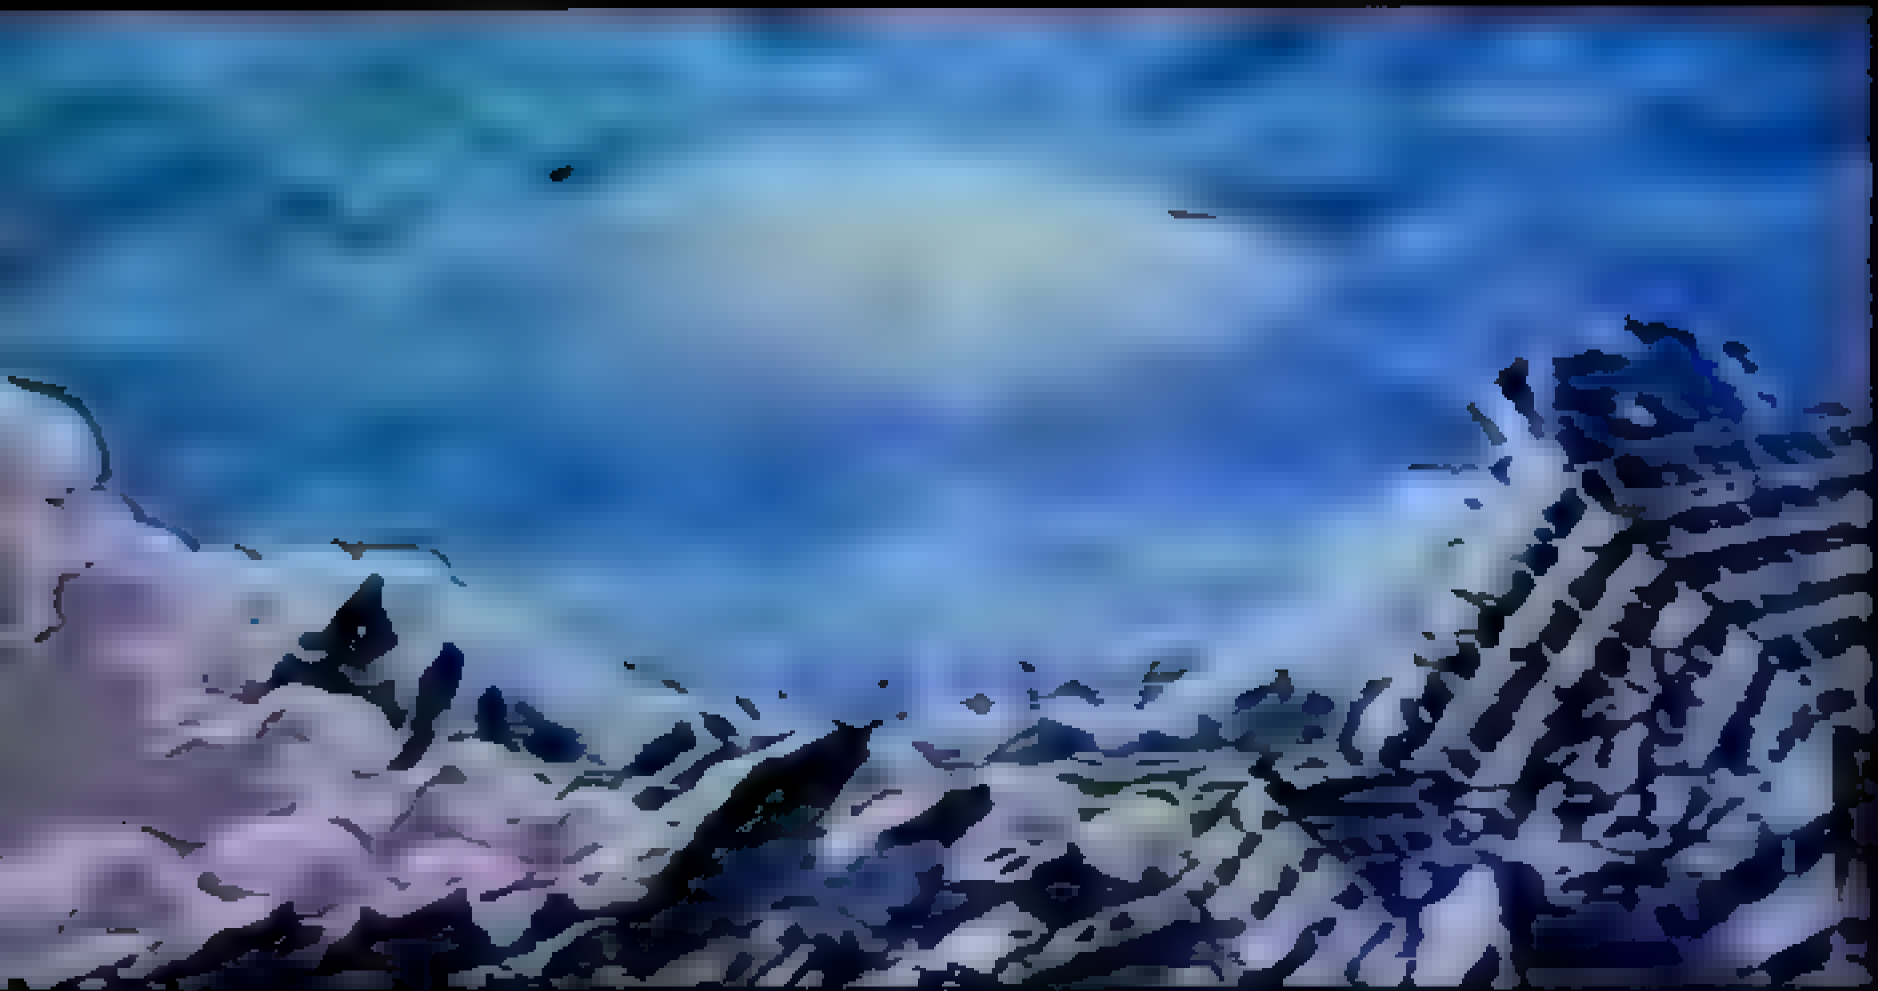

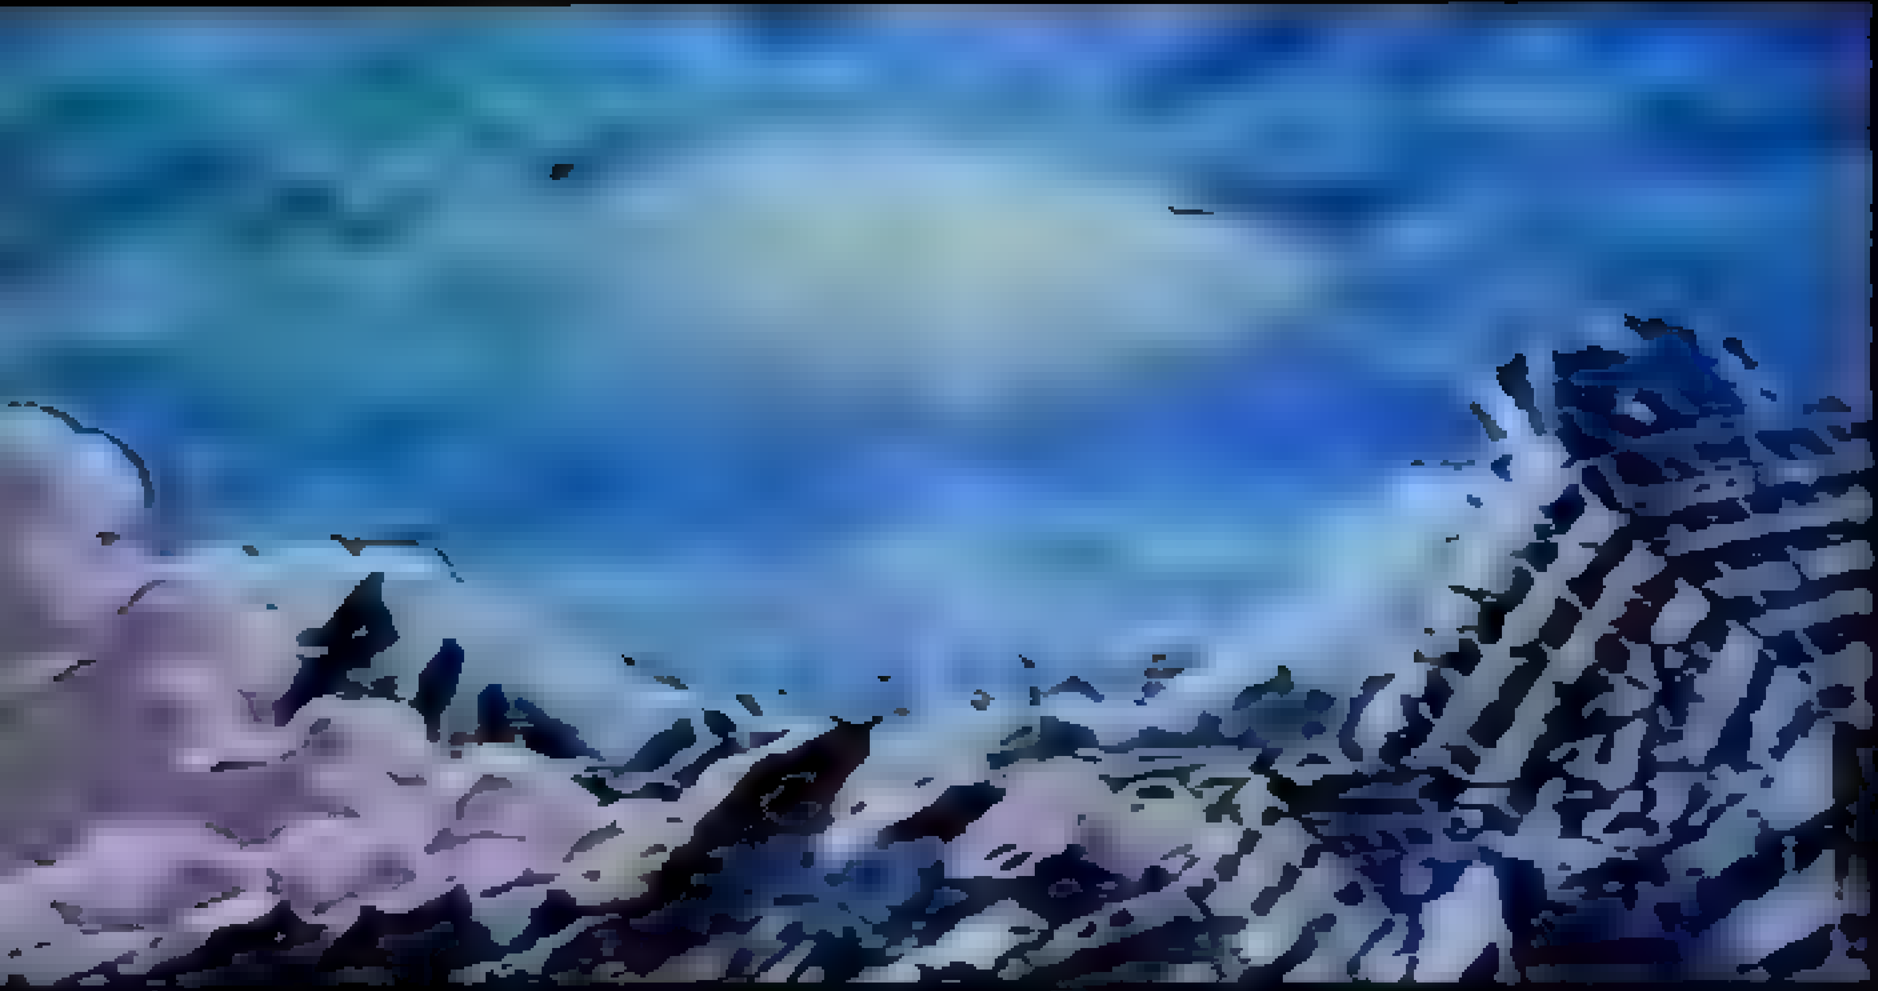

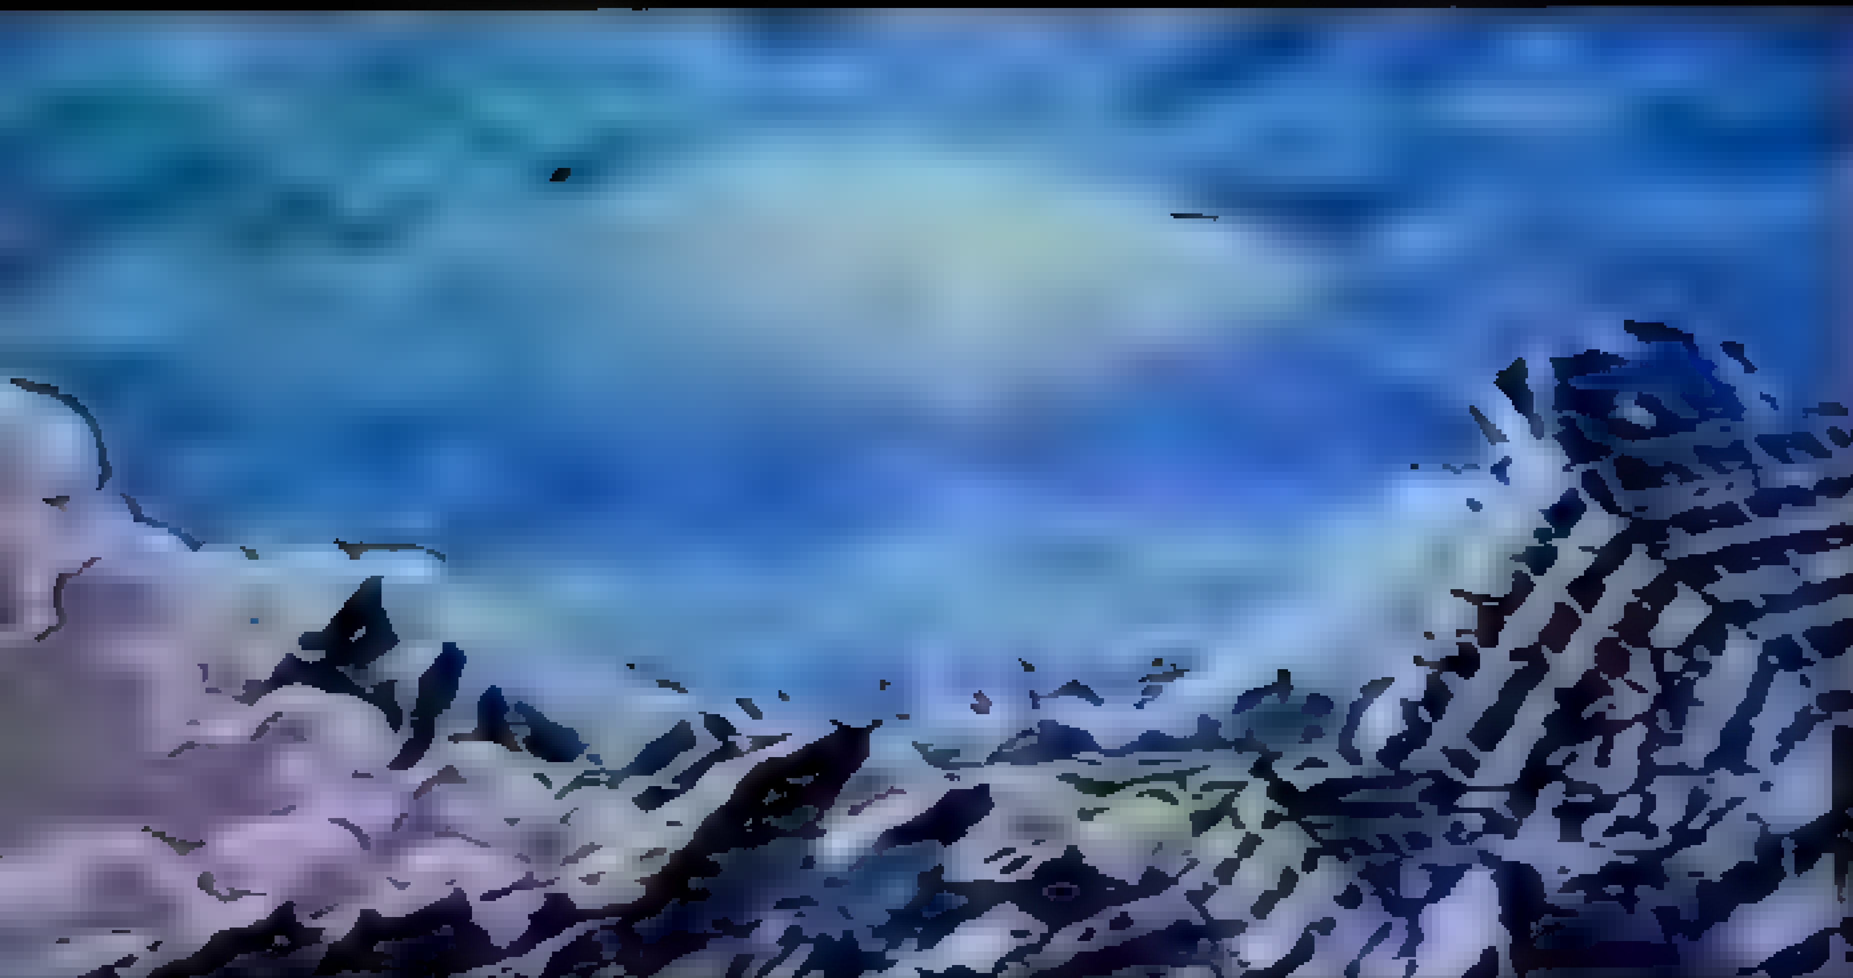

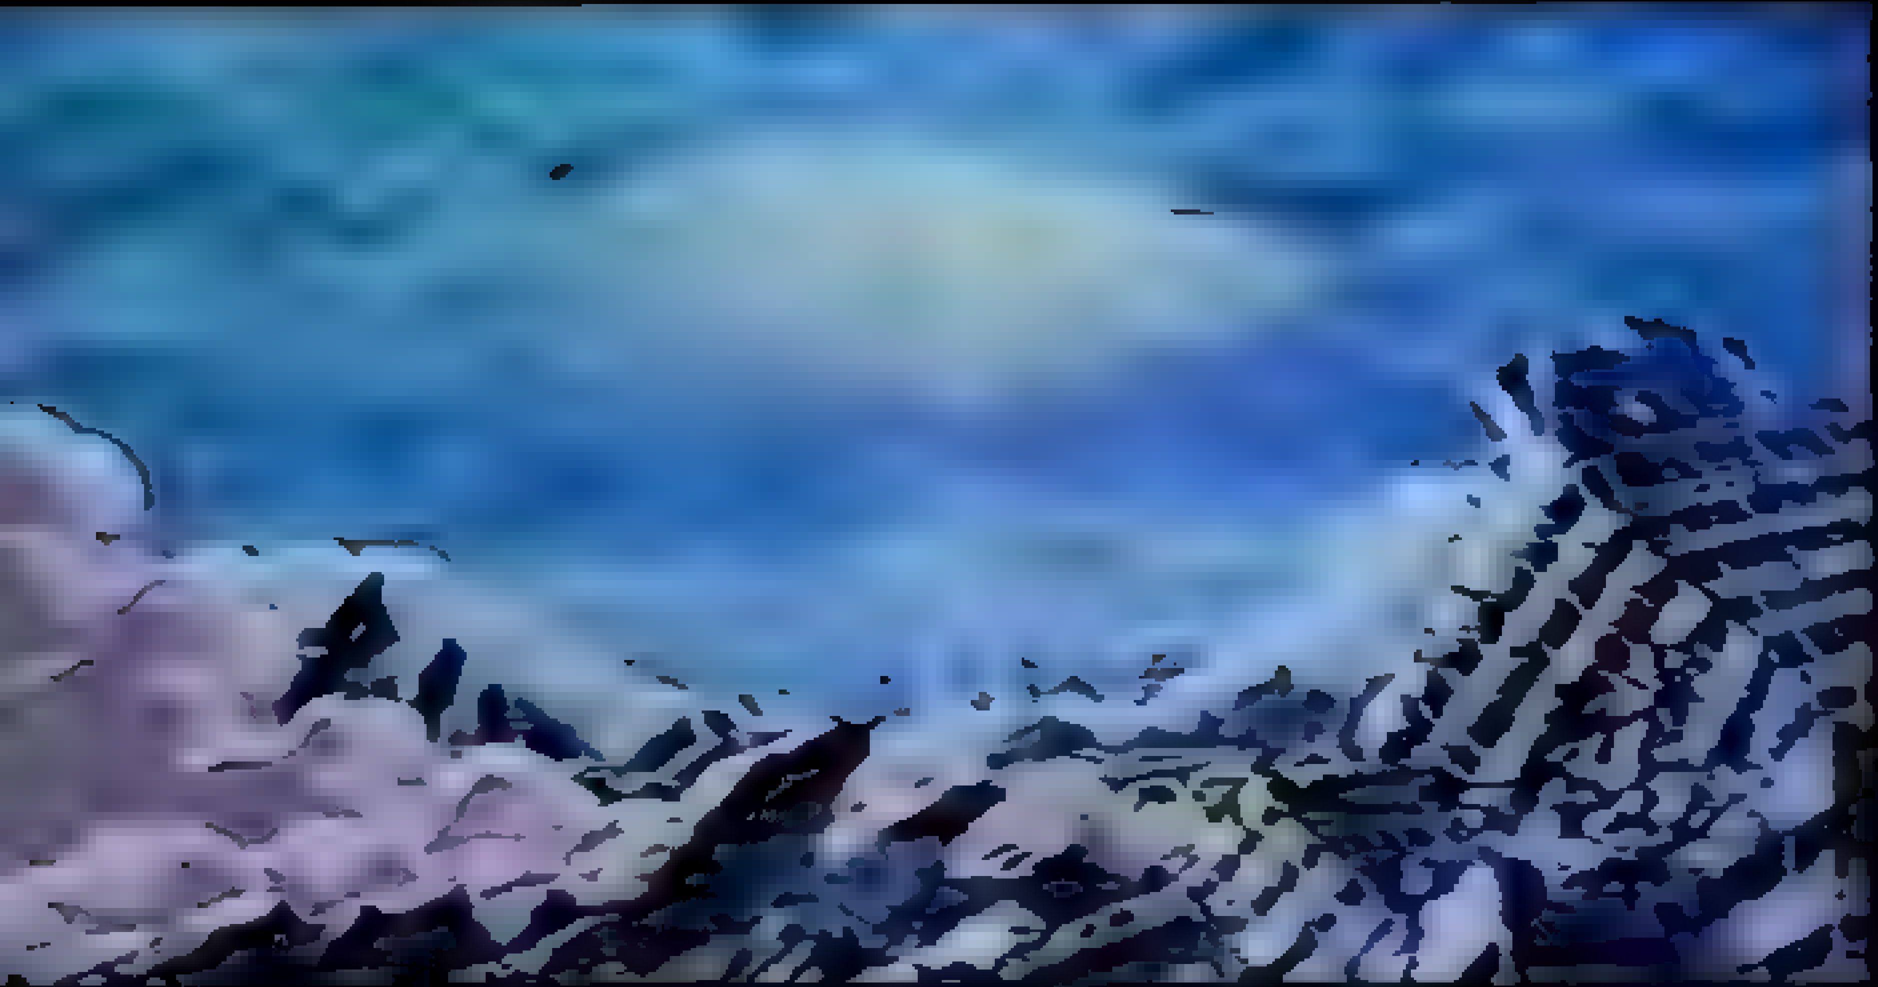

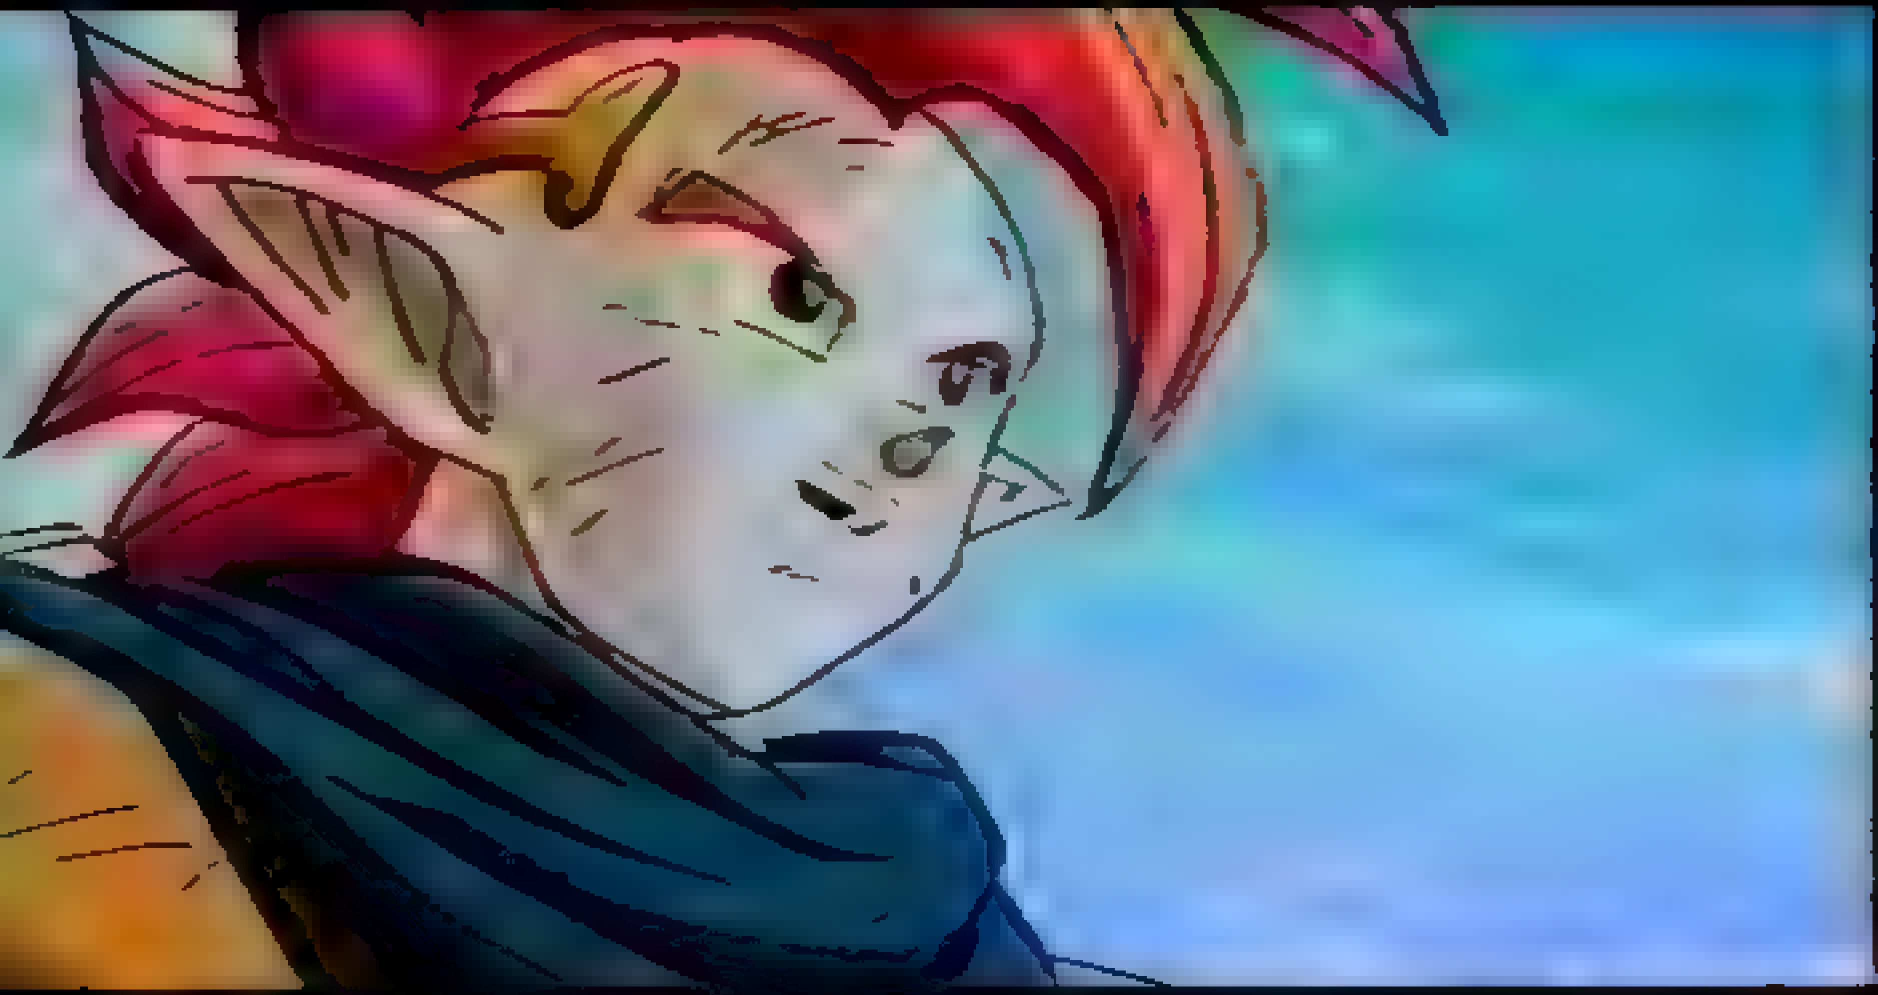

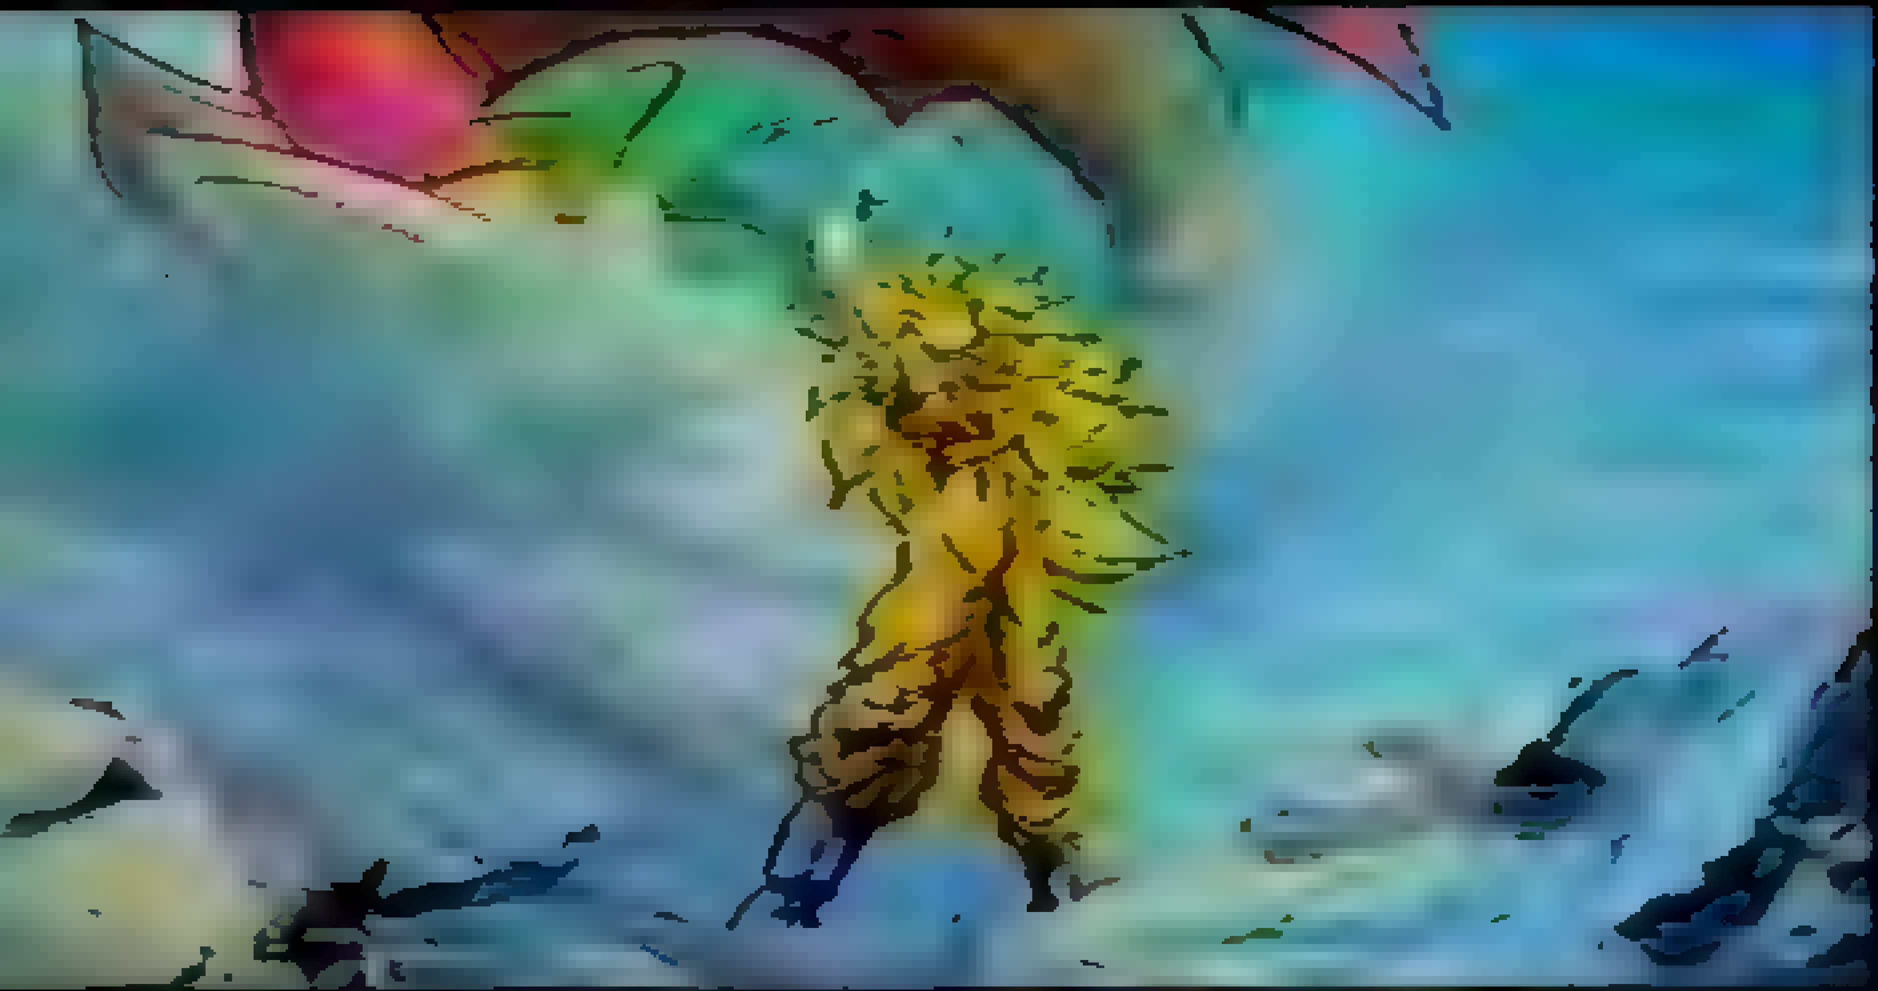

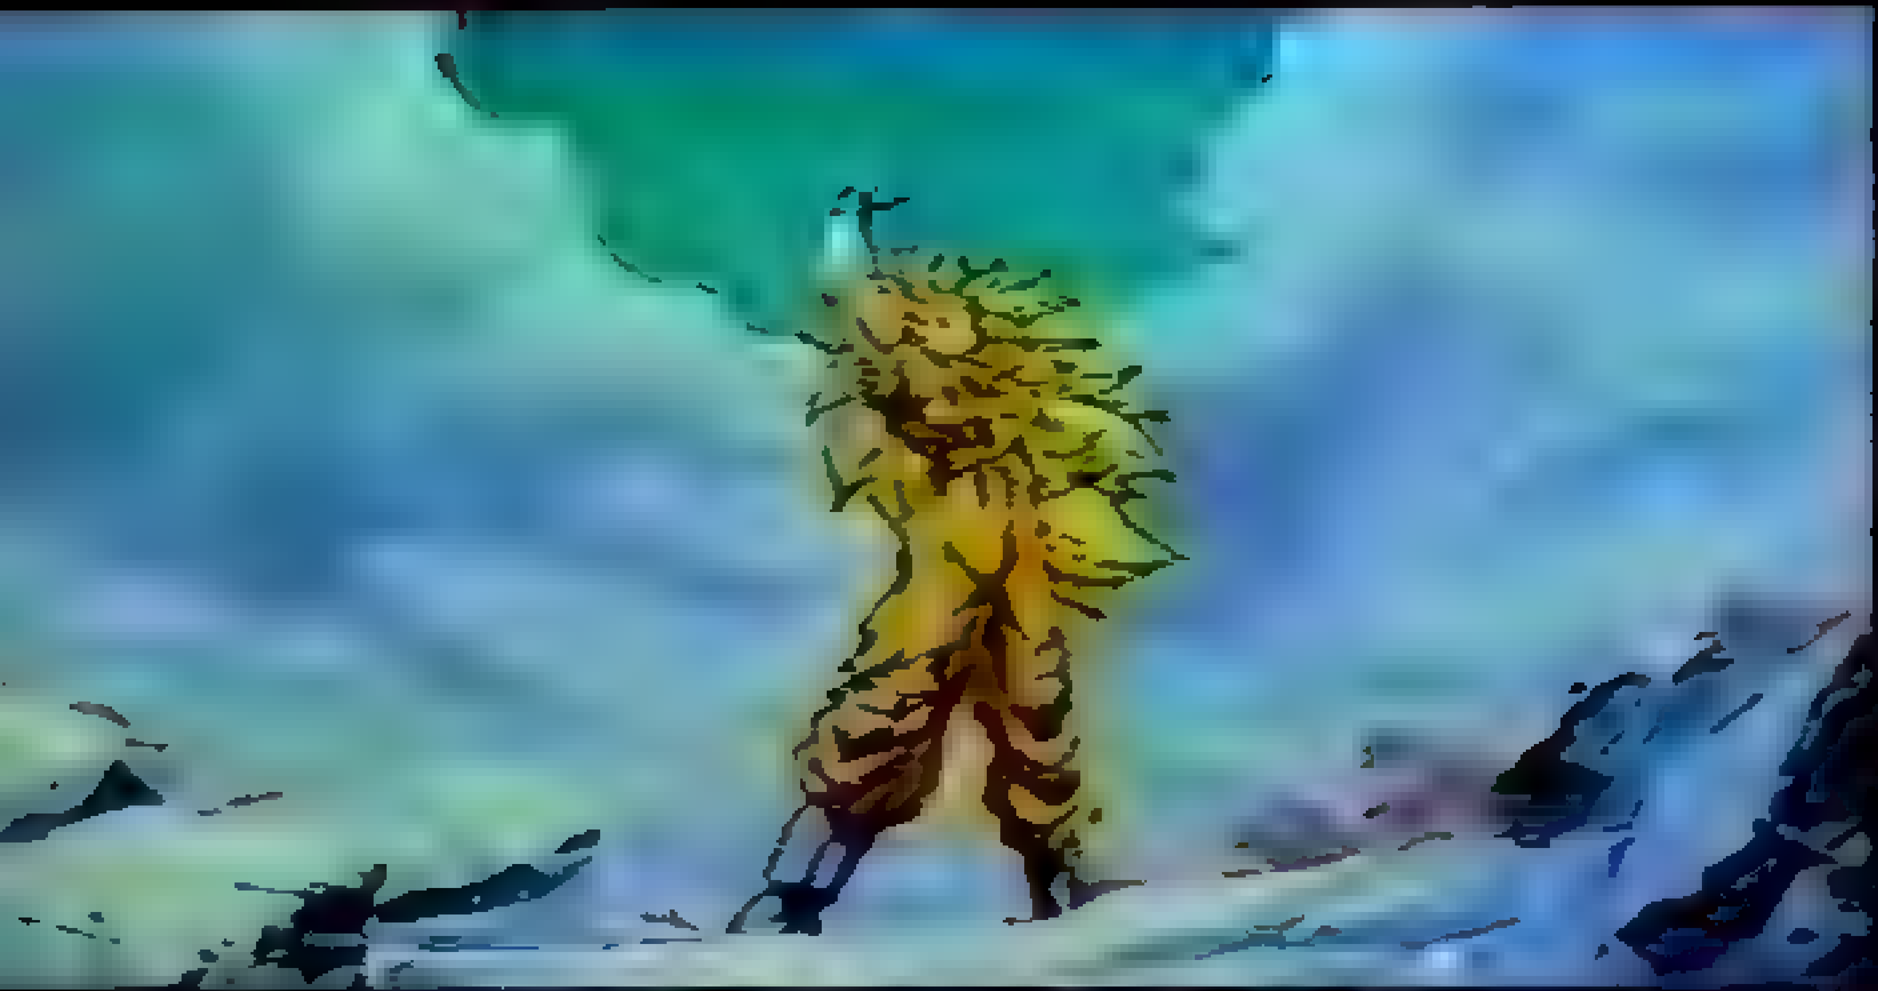

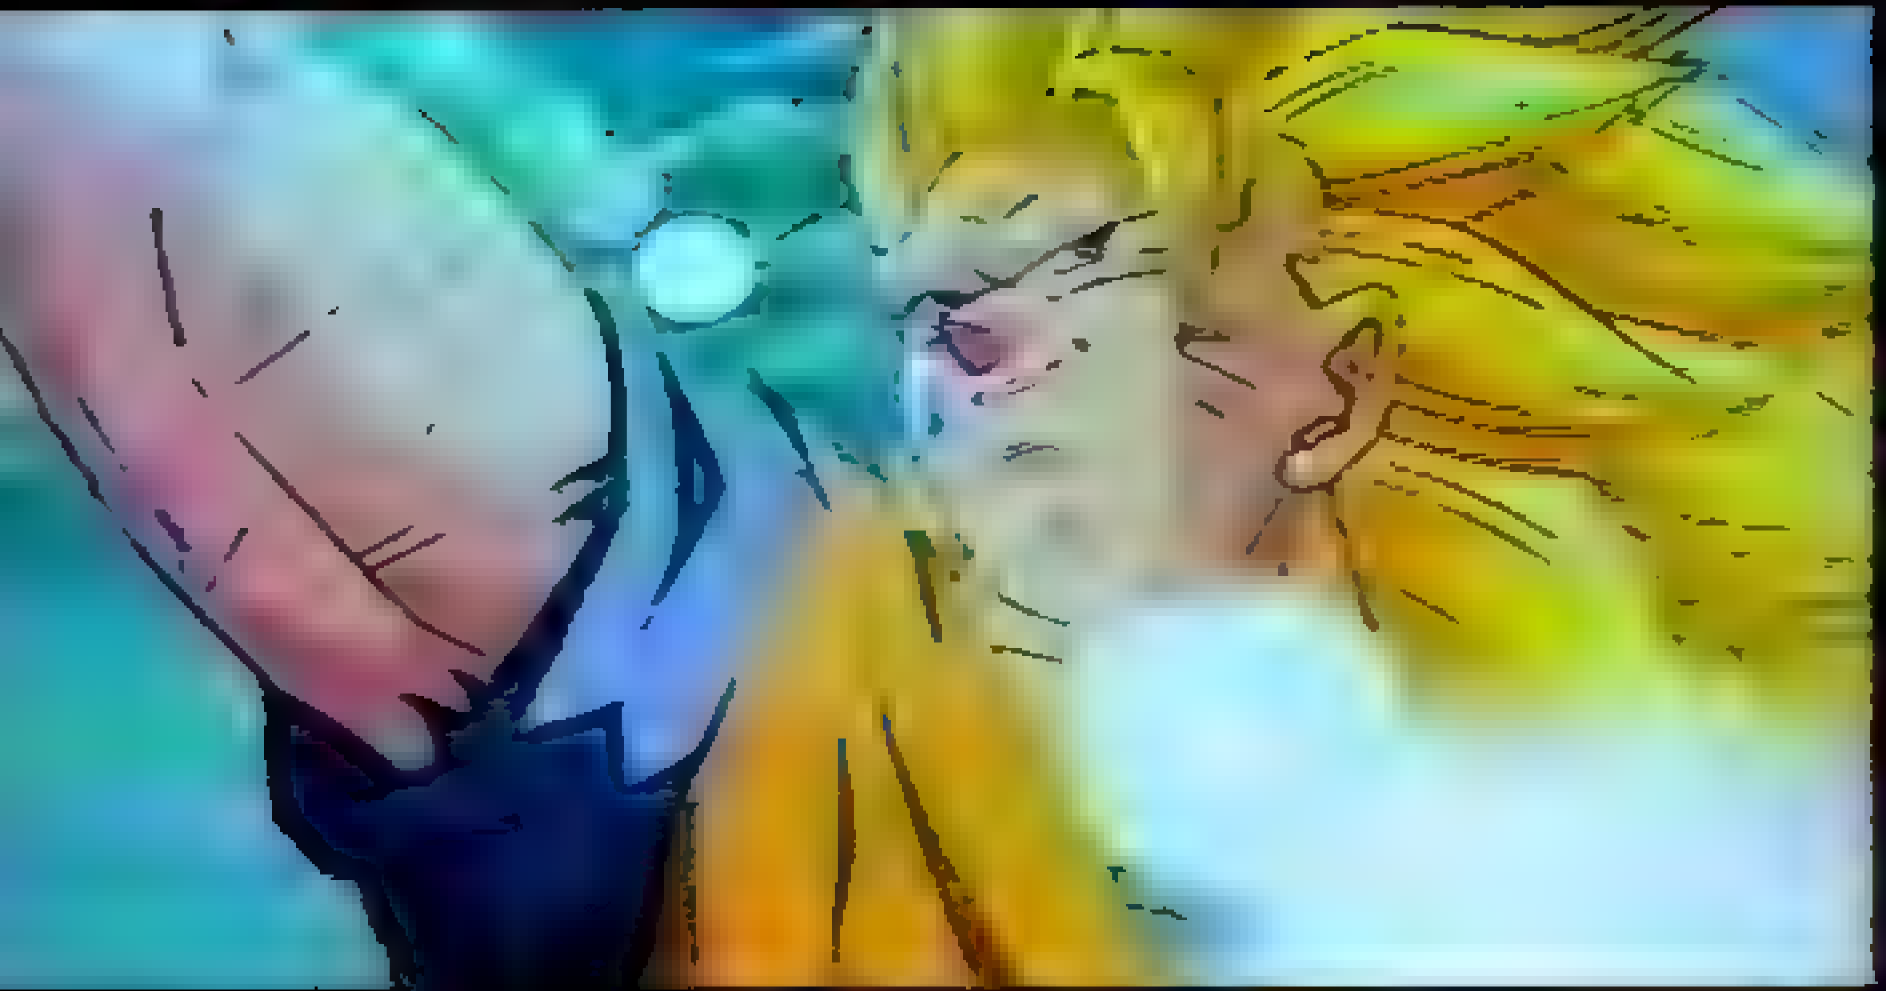

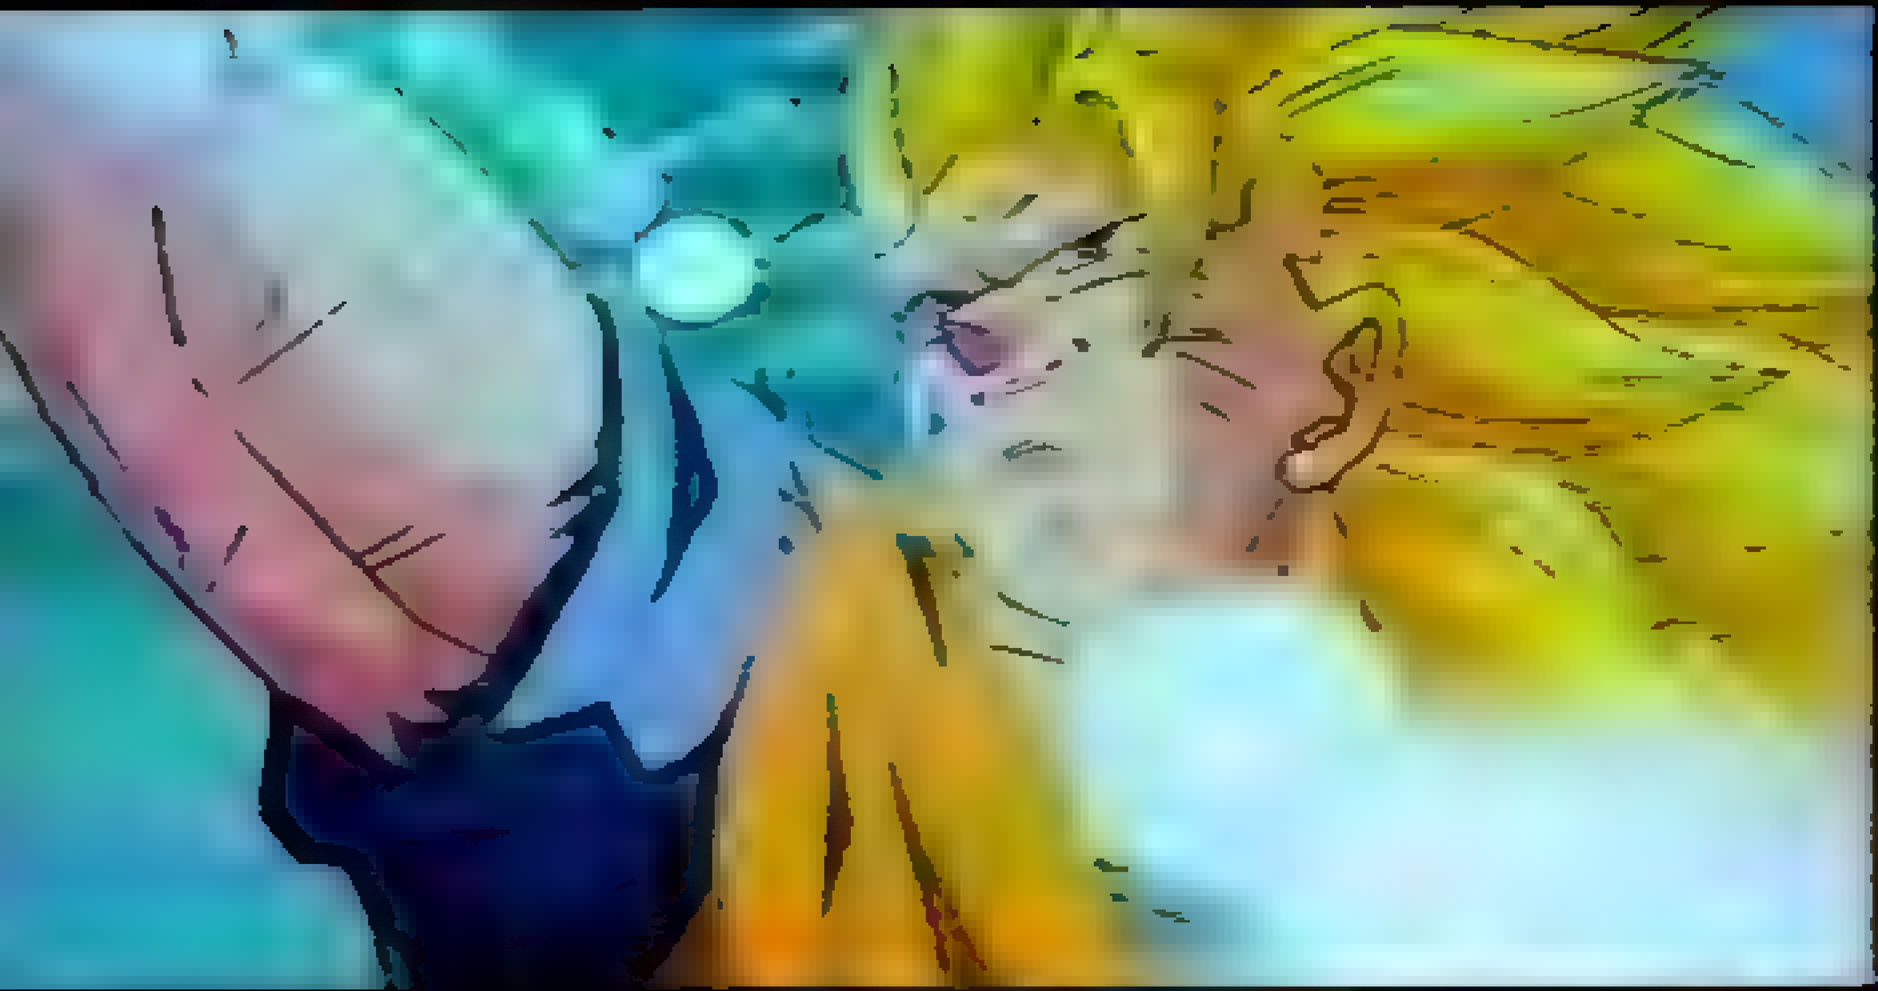

You did it!

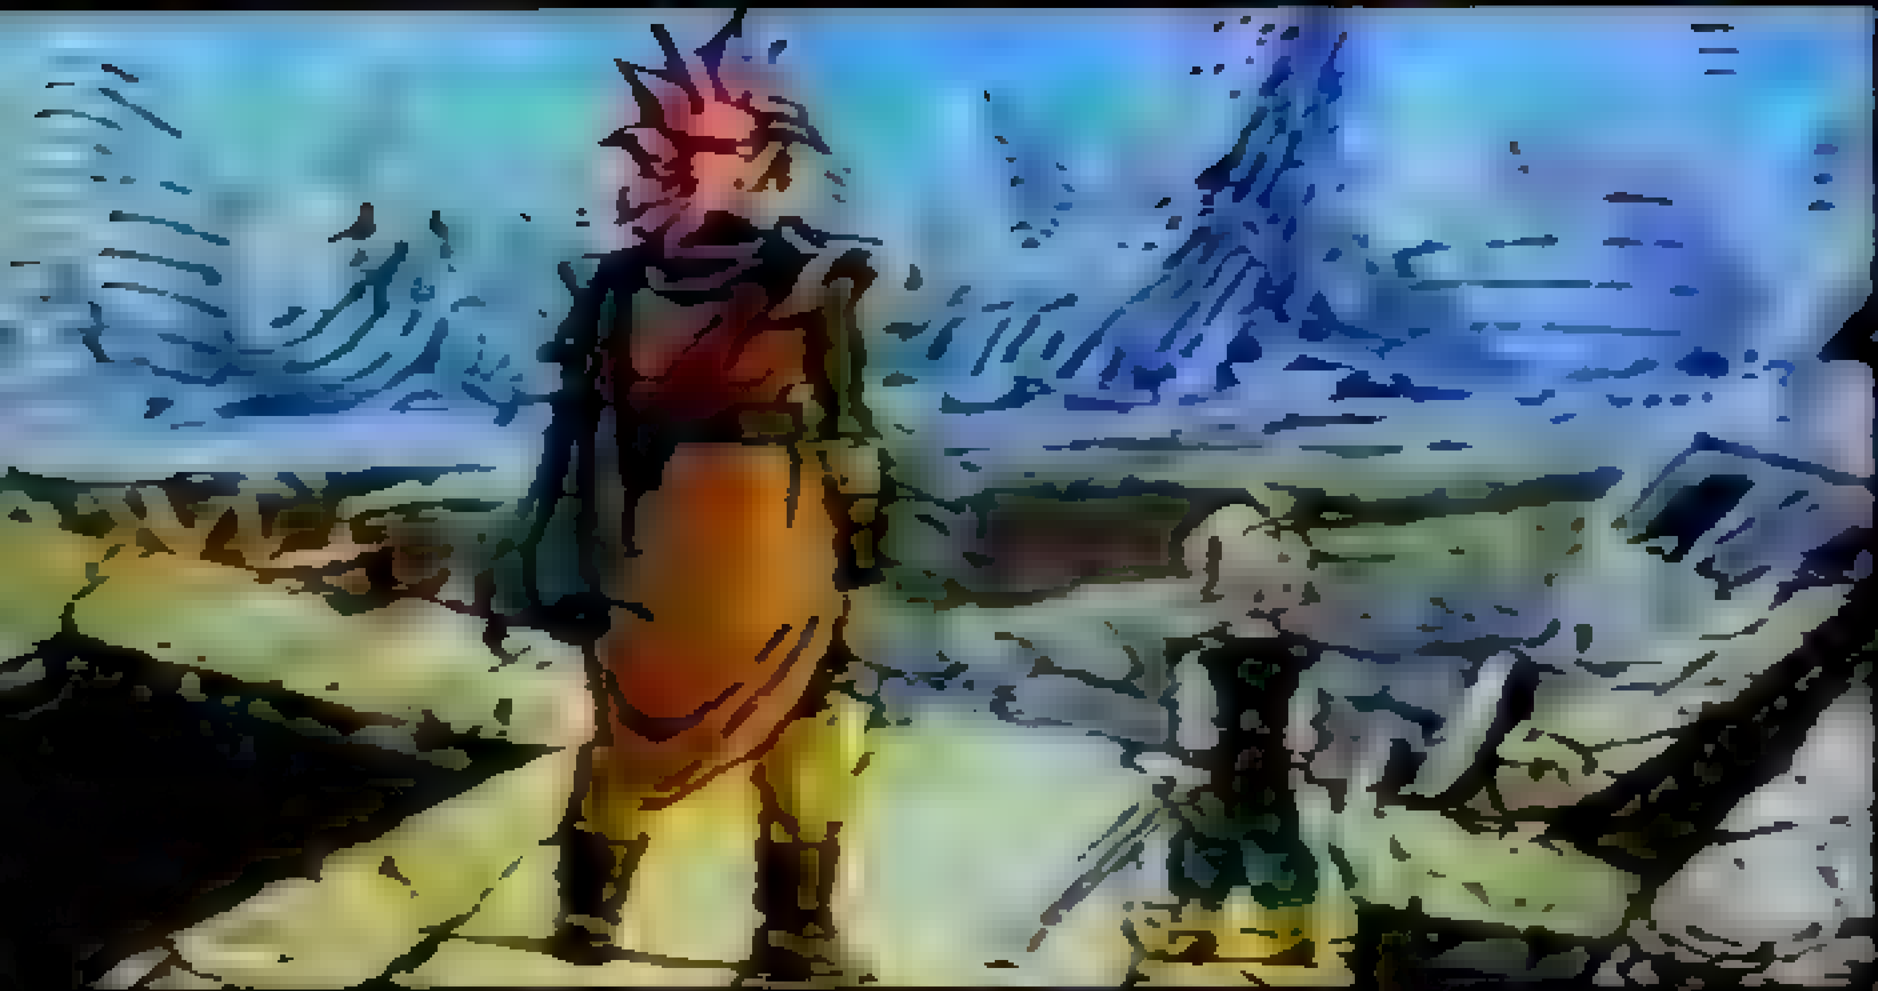

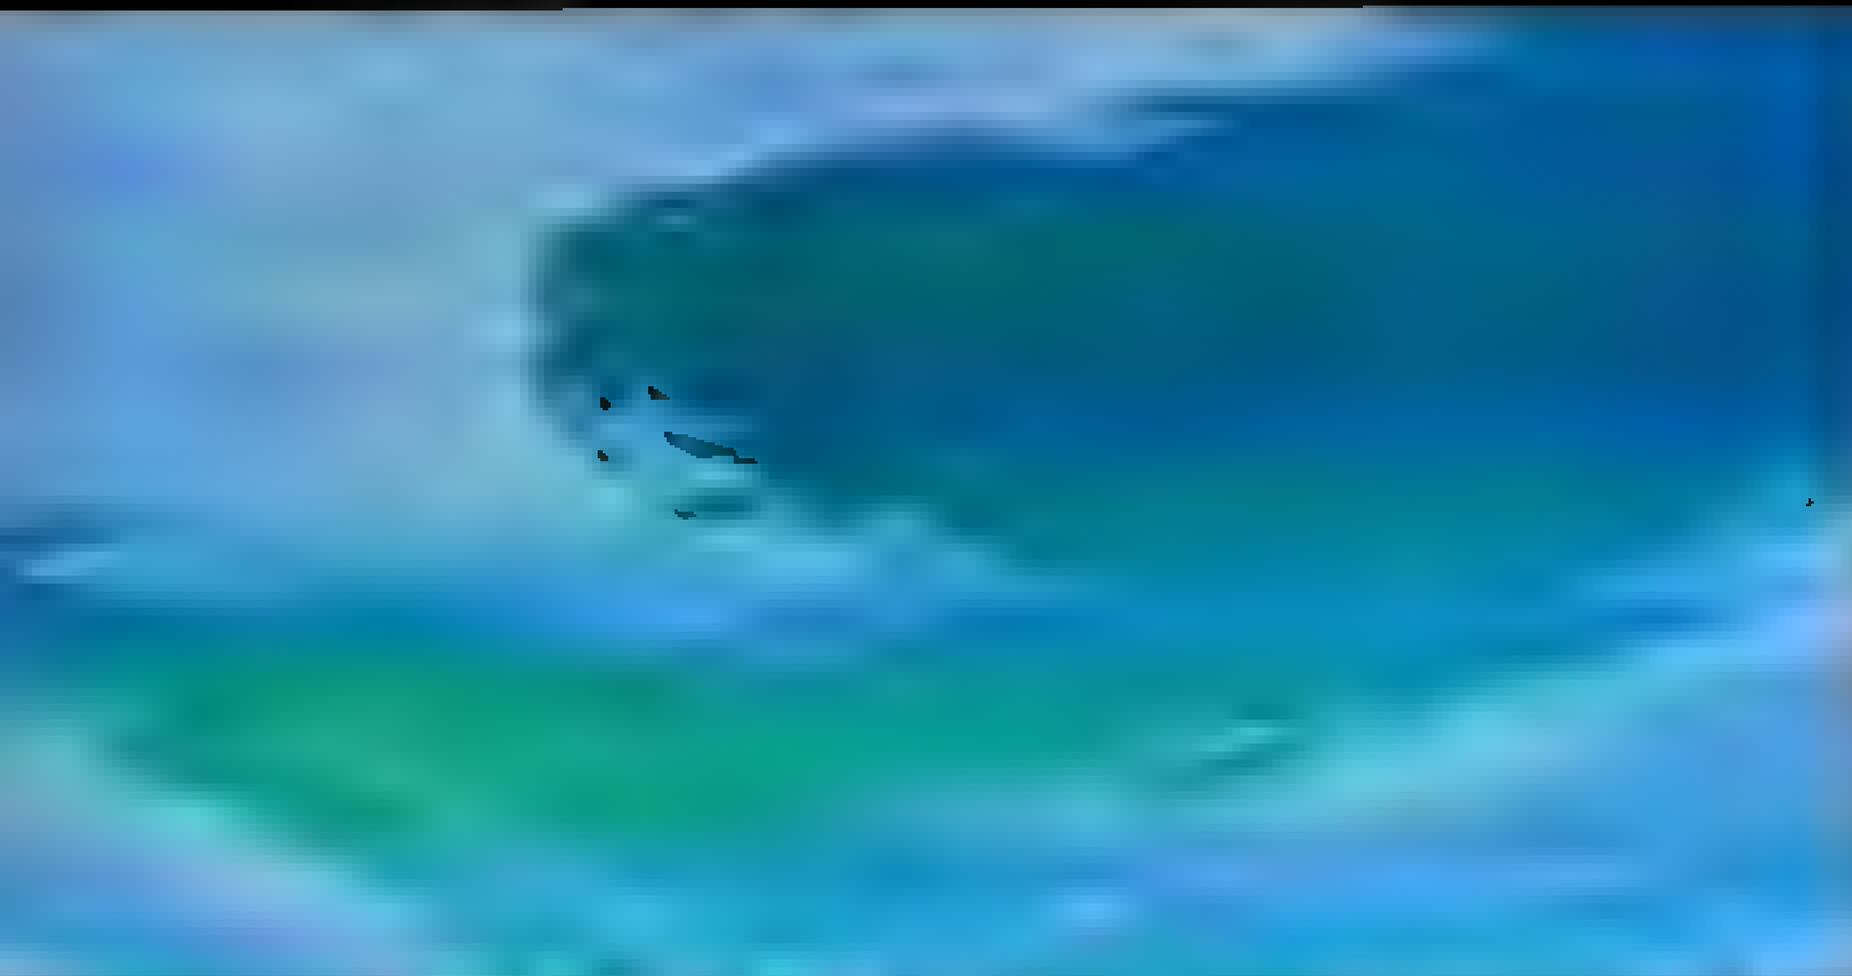

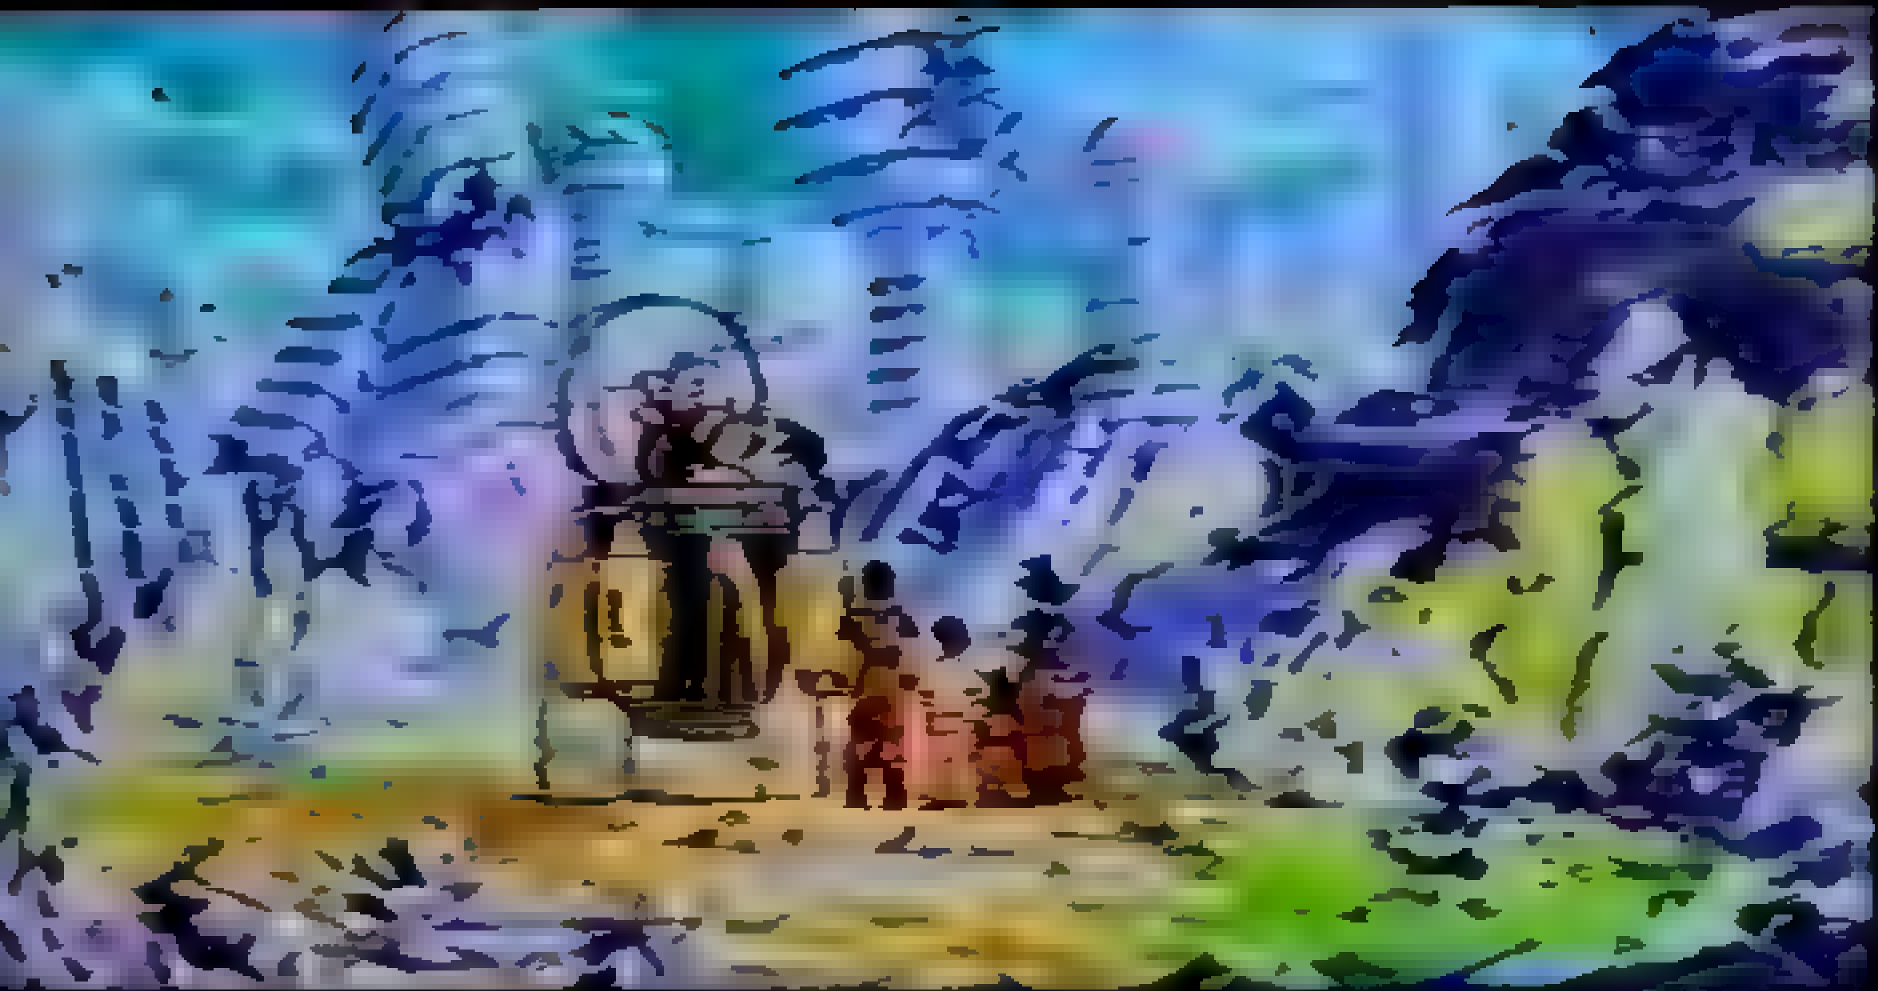

This nightmare is finally over!

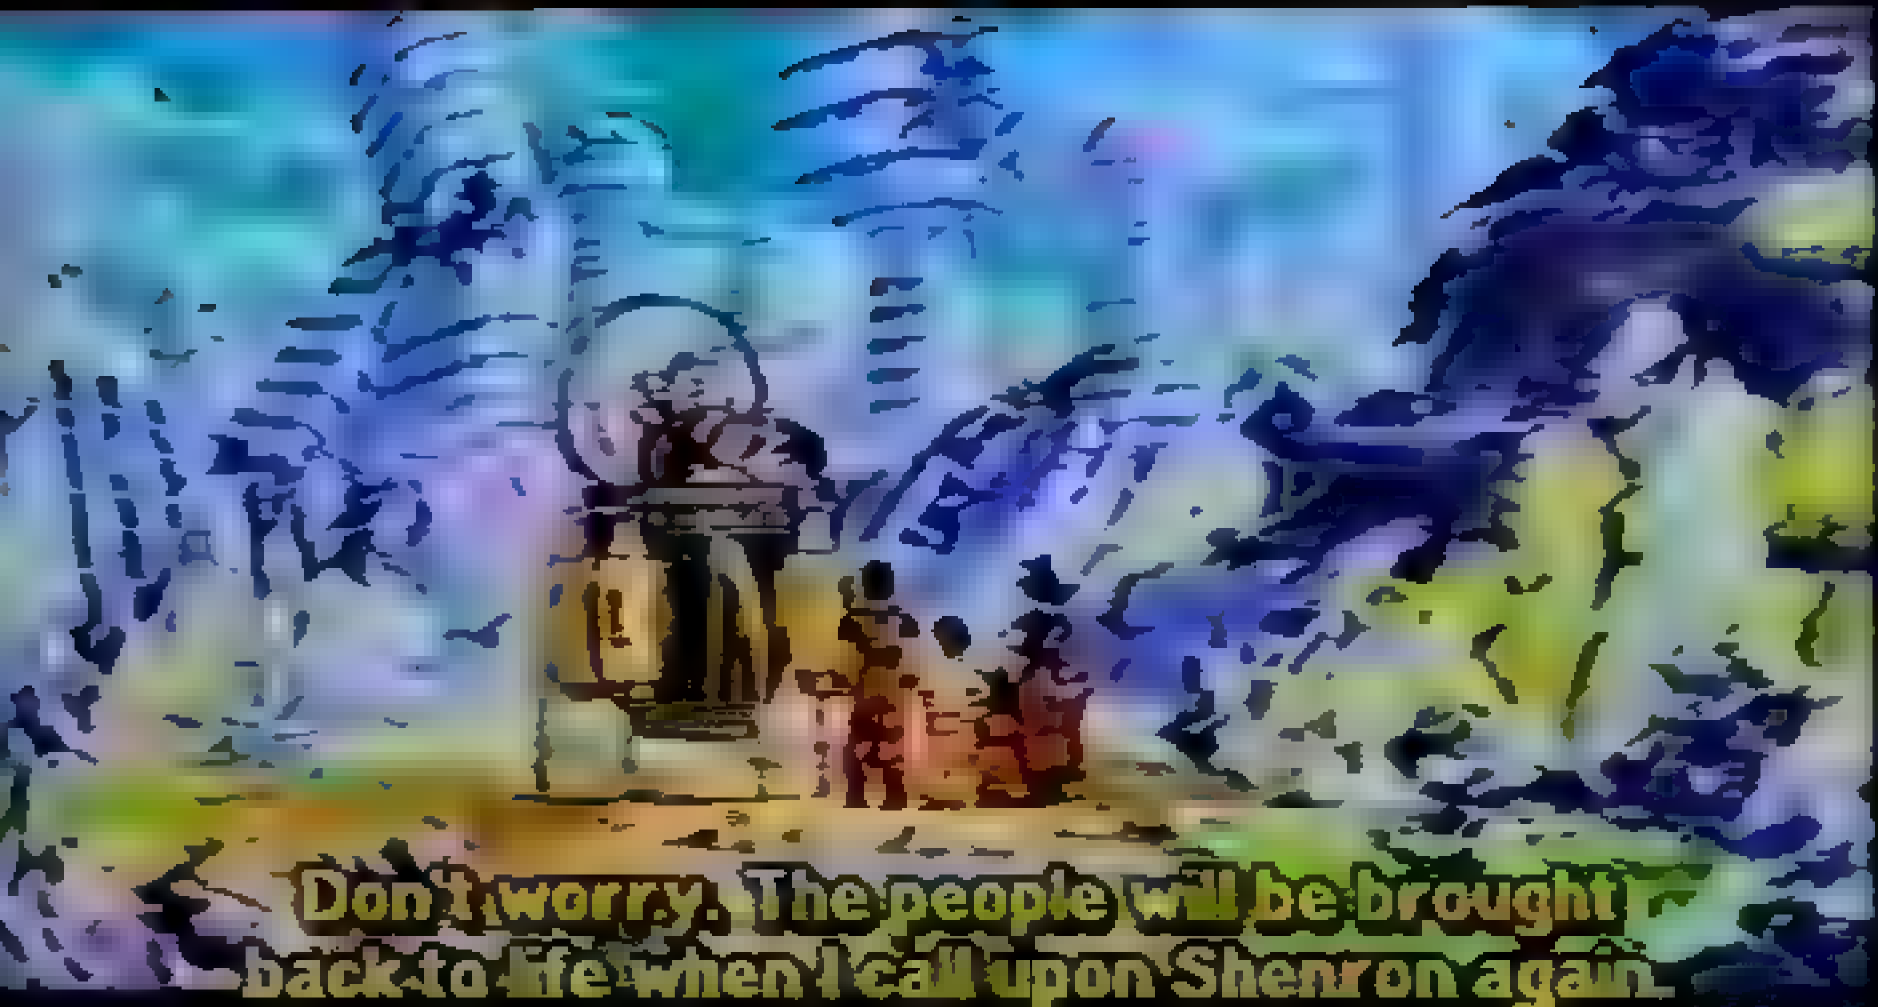

This nightmare is finally over!

This nightmare is finally over!

Hildegarn is finally vanquished!

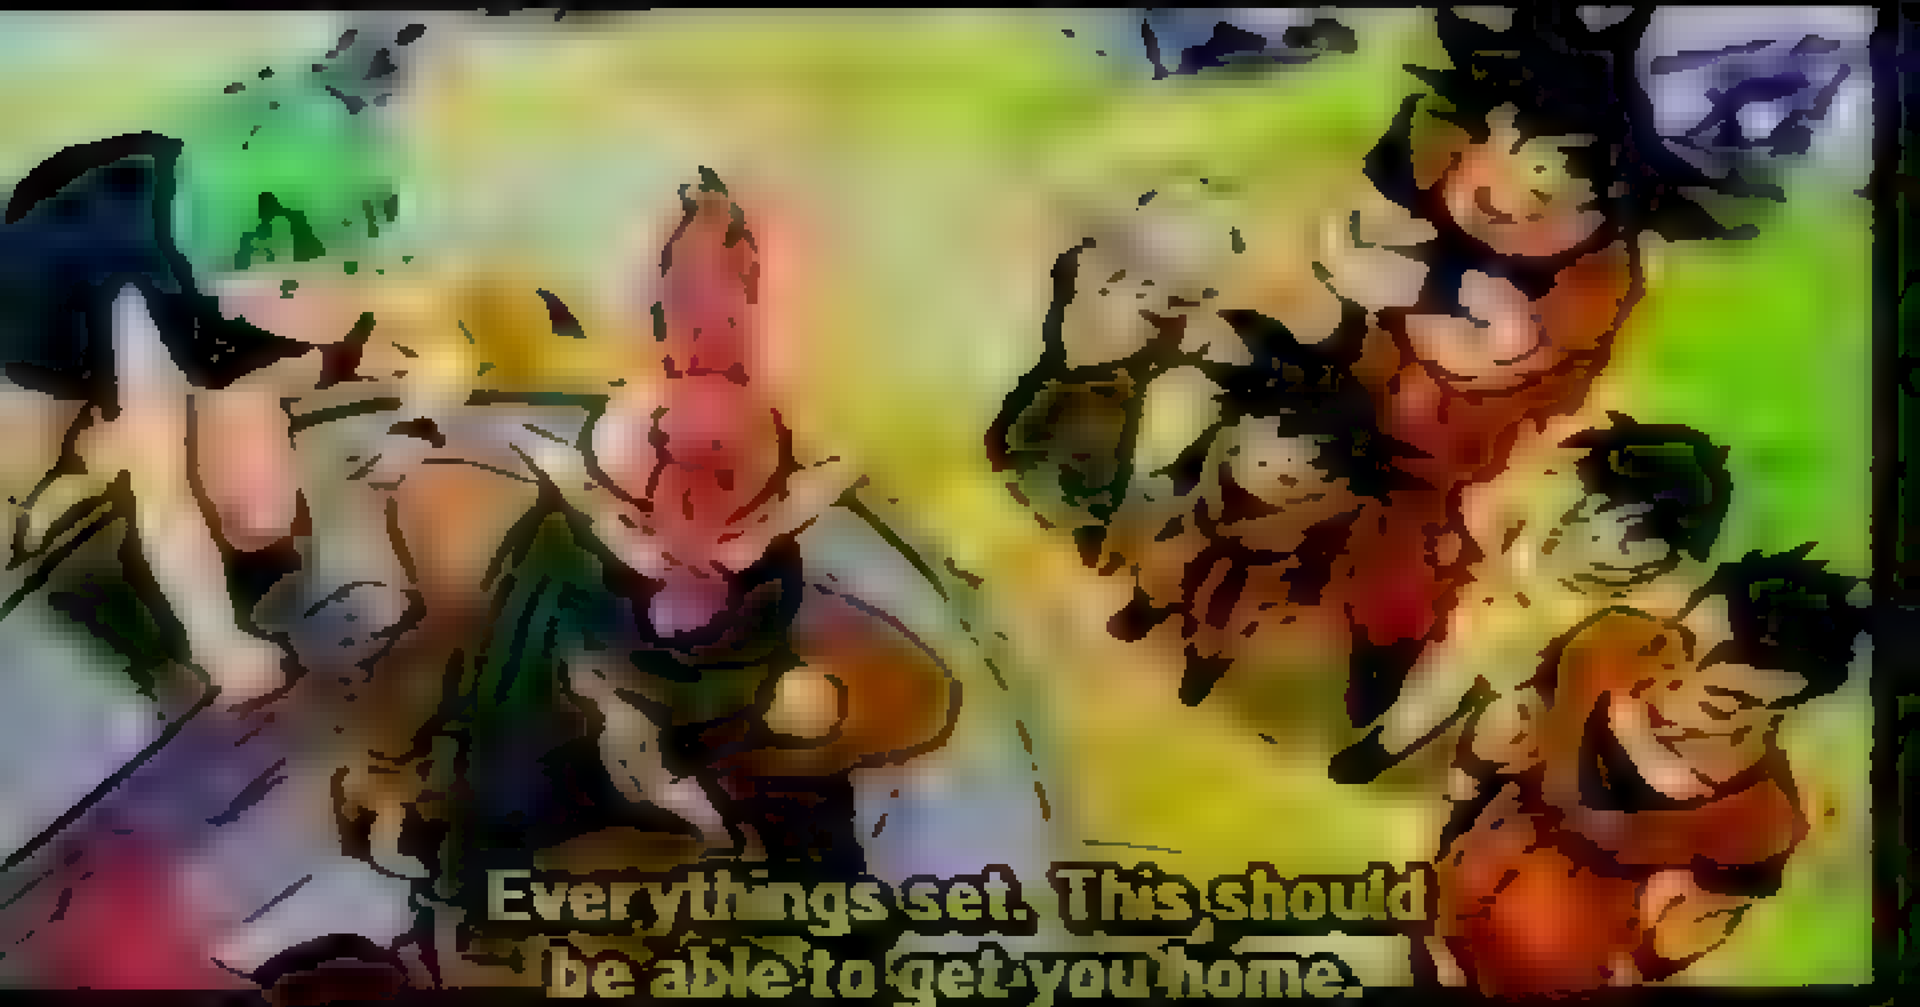

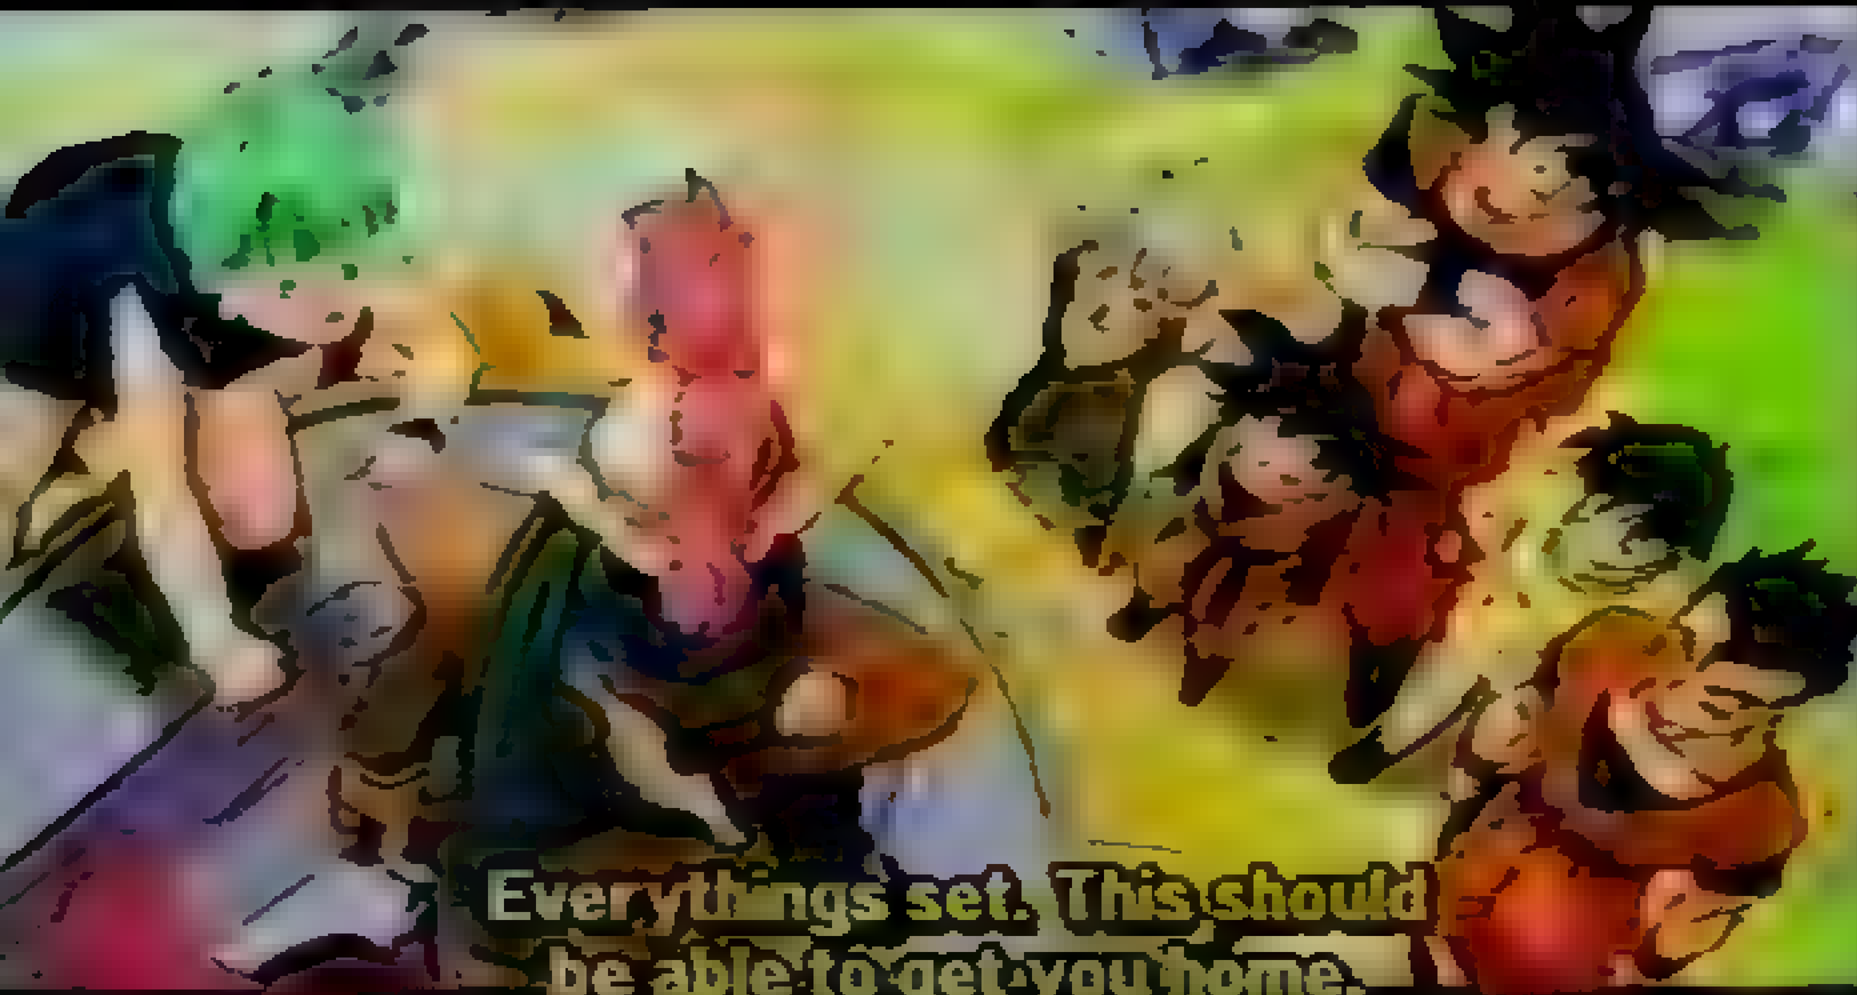

Don't worry. The people will be brought
back to life when I call upon Shenron again.

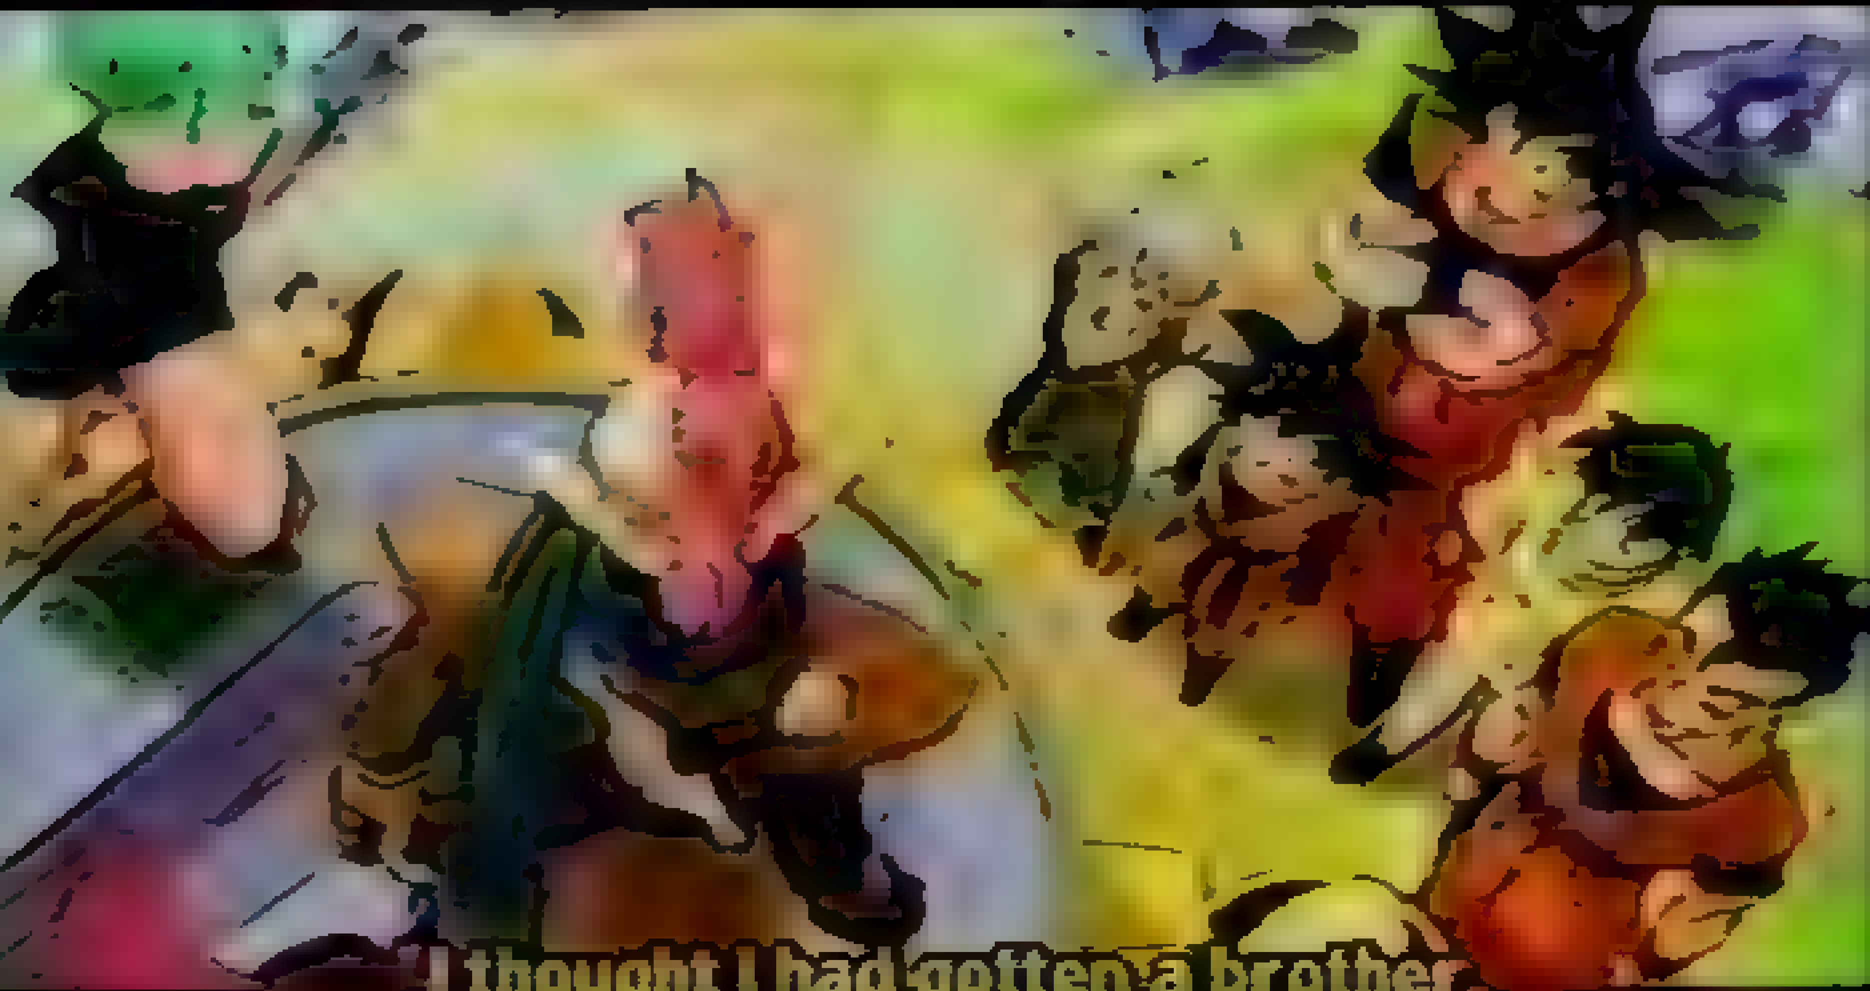

Don't worry. The people will be brought
back to life when I call upon Shenron again.

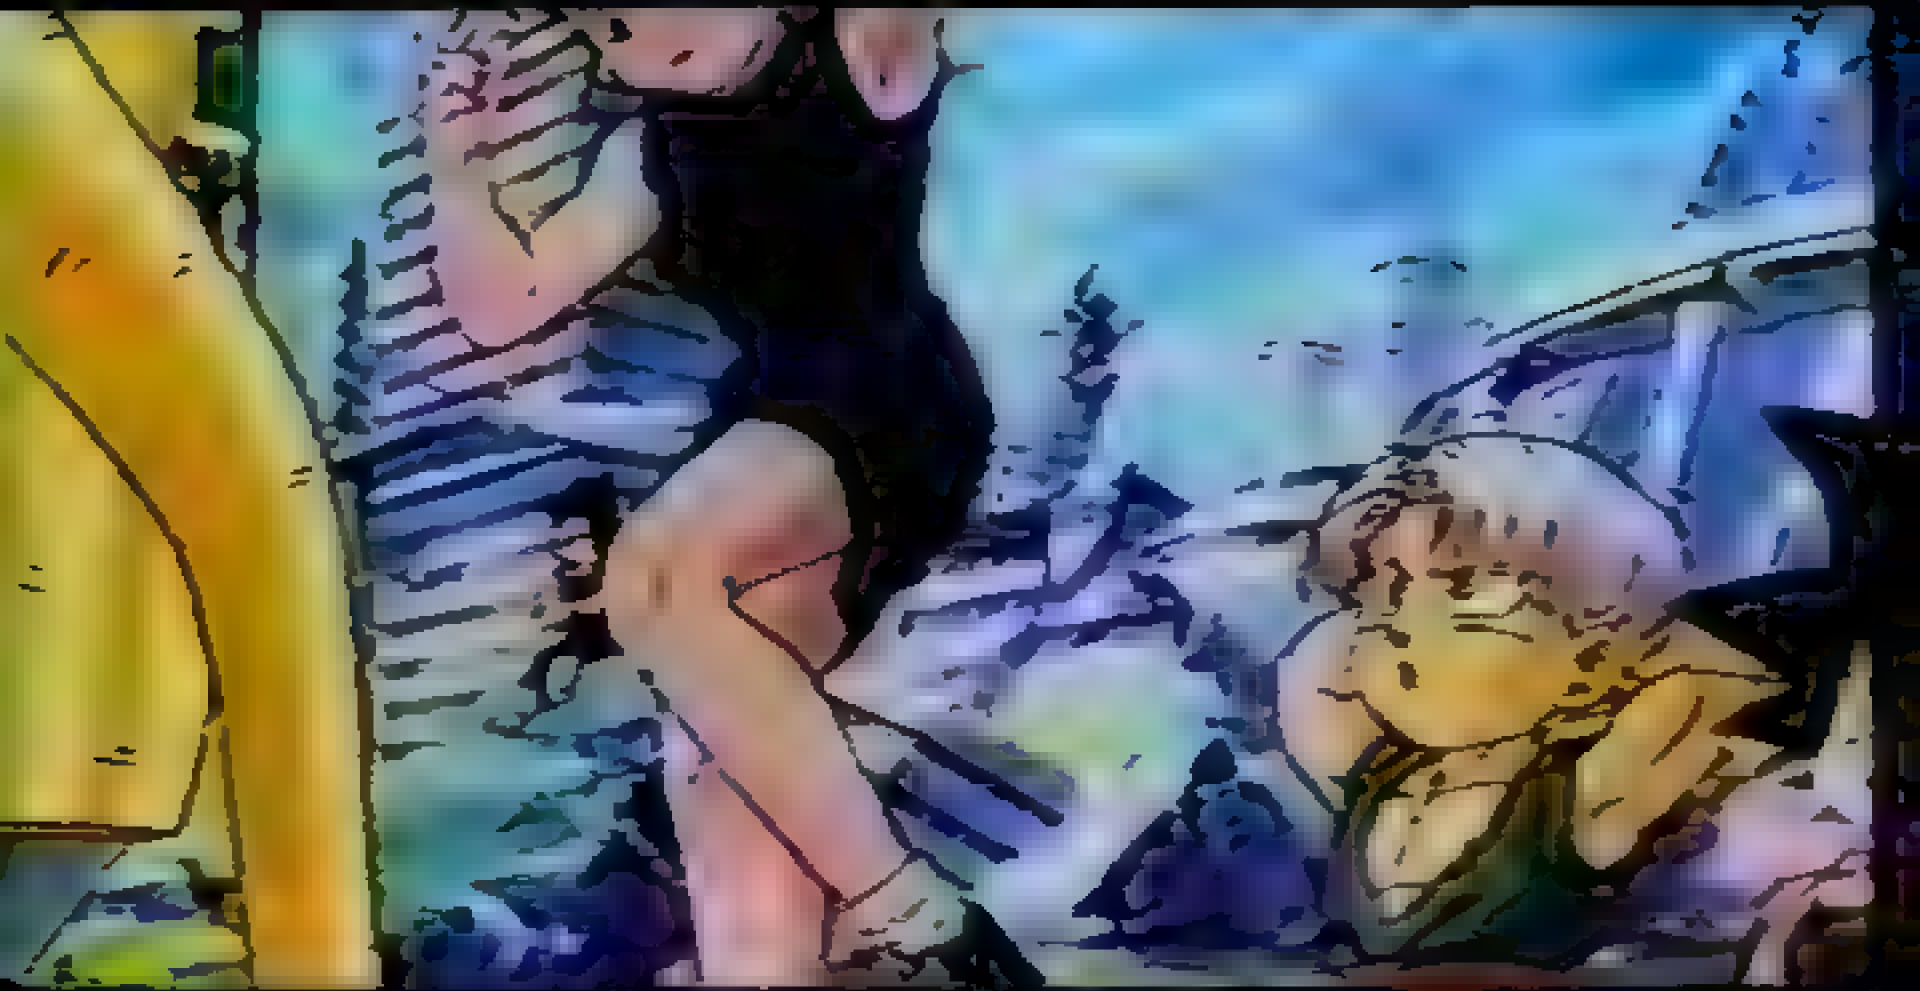

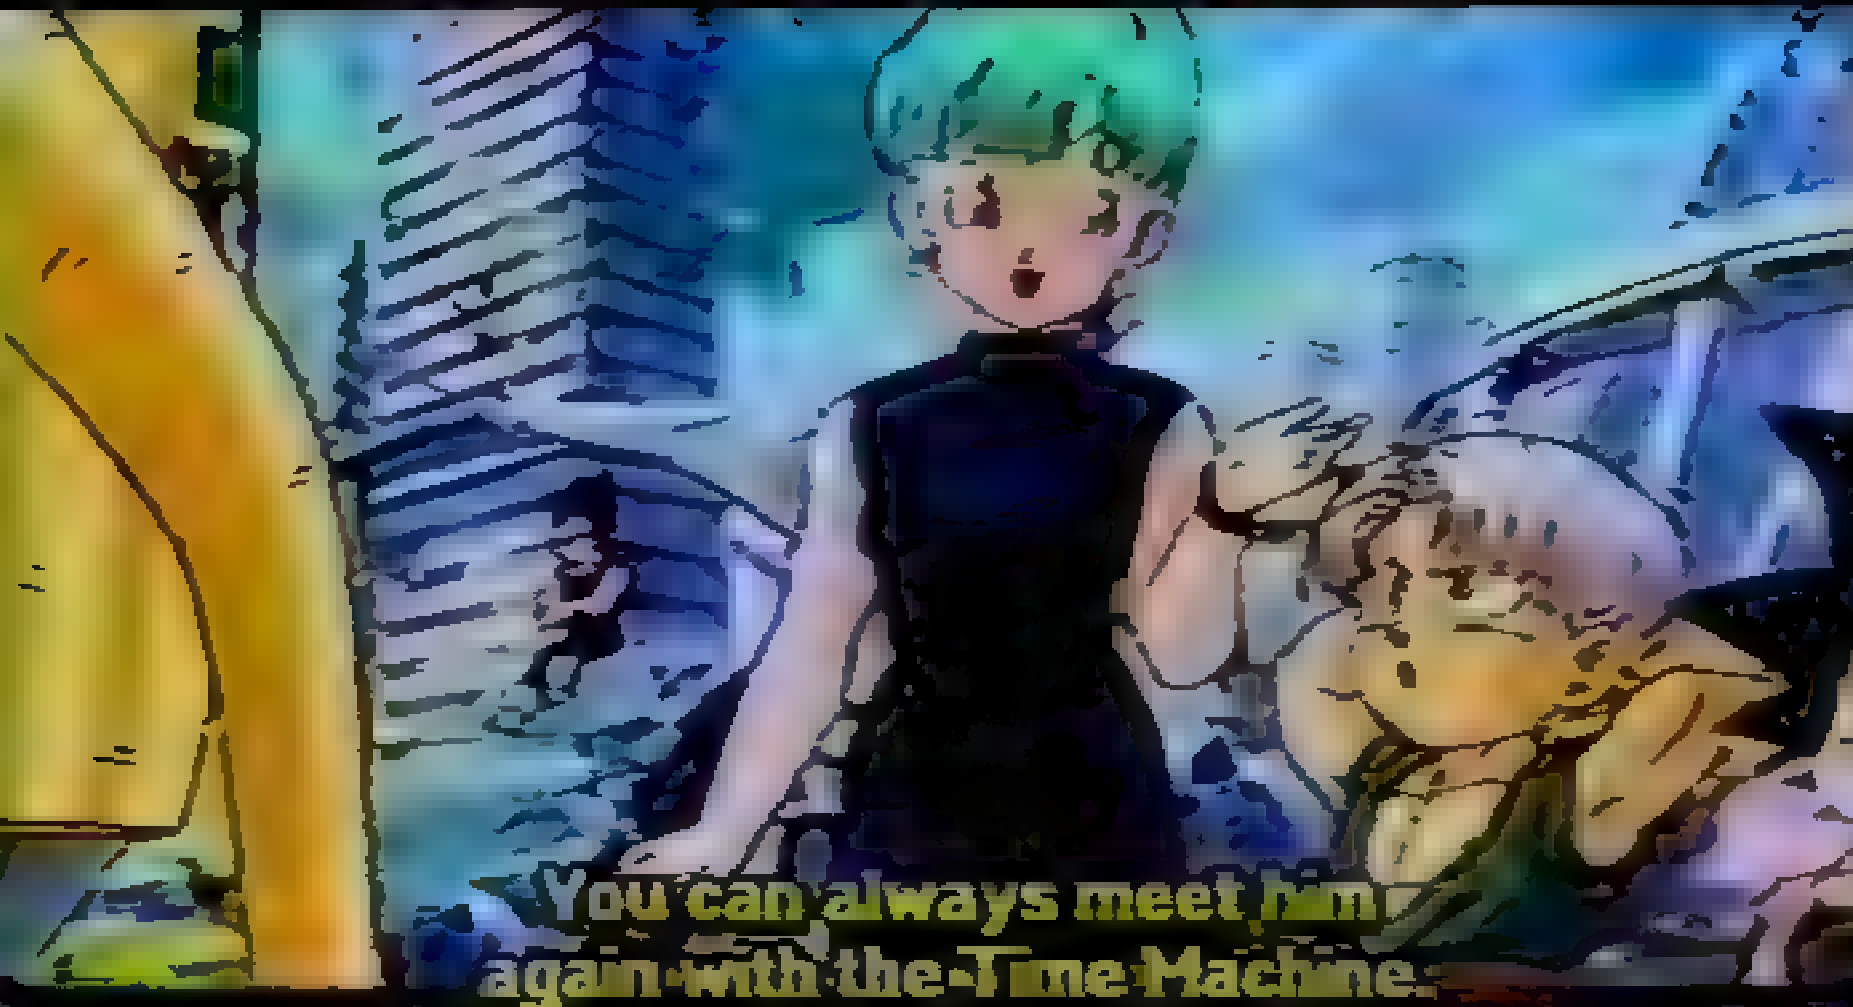

Everythings set. This should
be able to get you home.

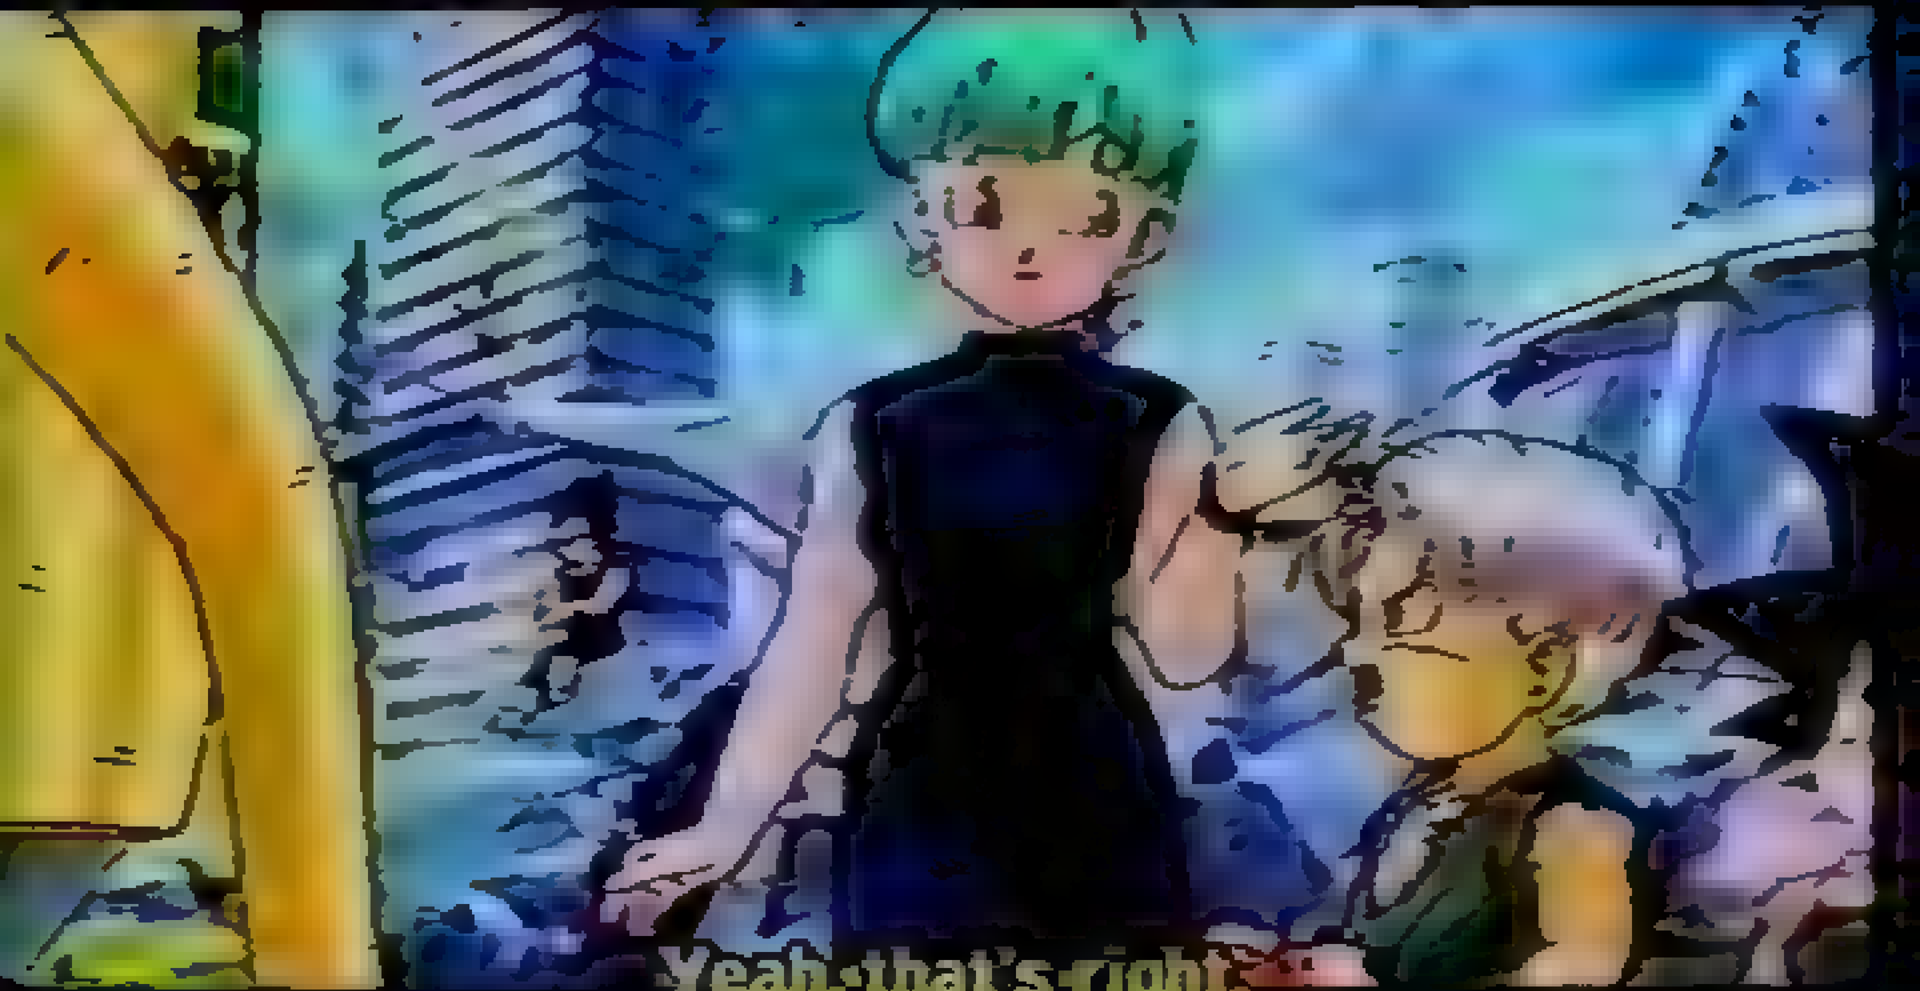

Everythings set. This should
be able to get you home.

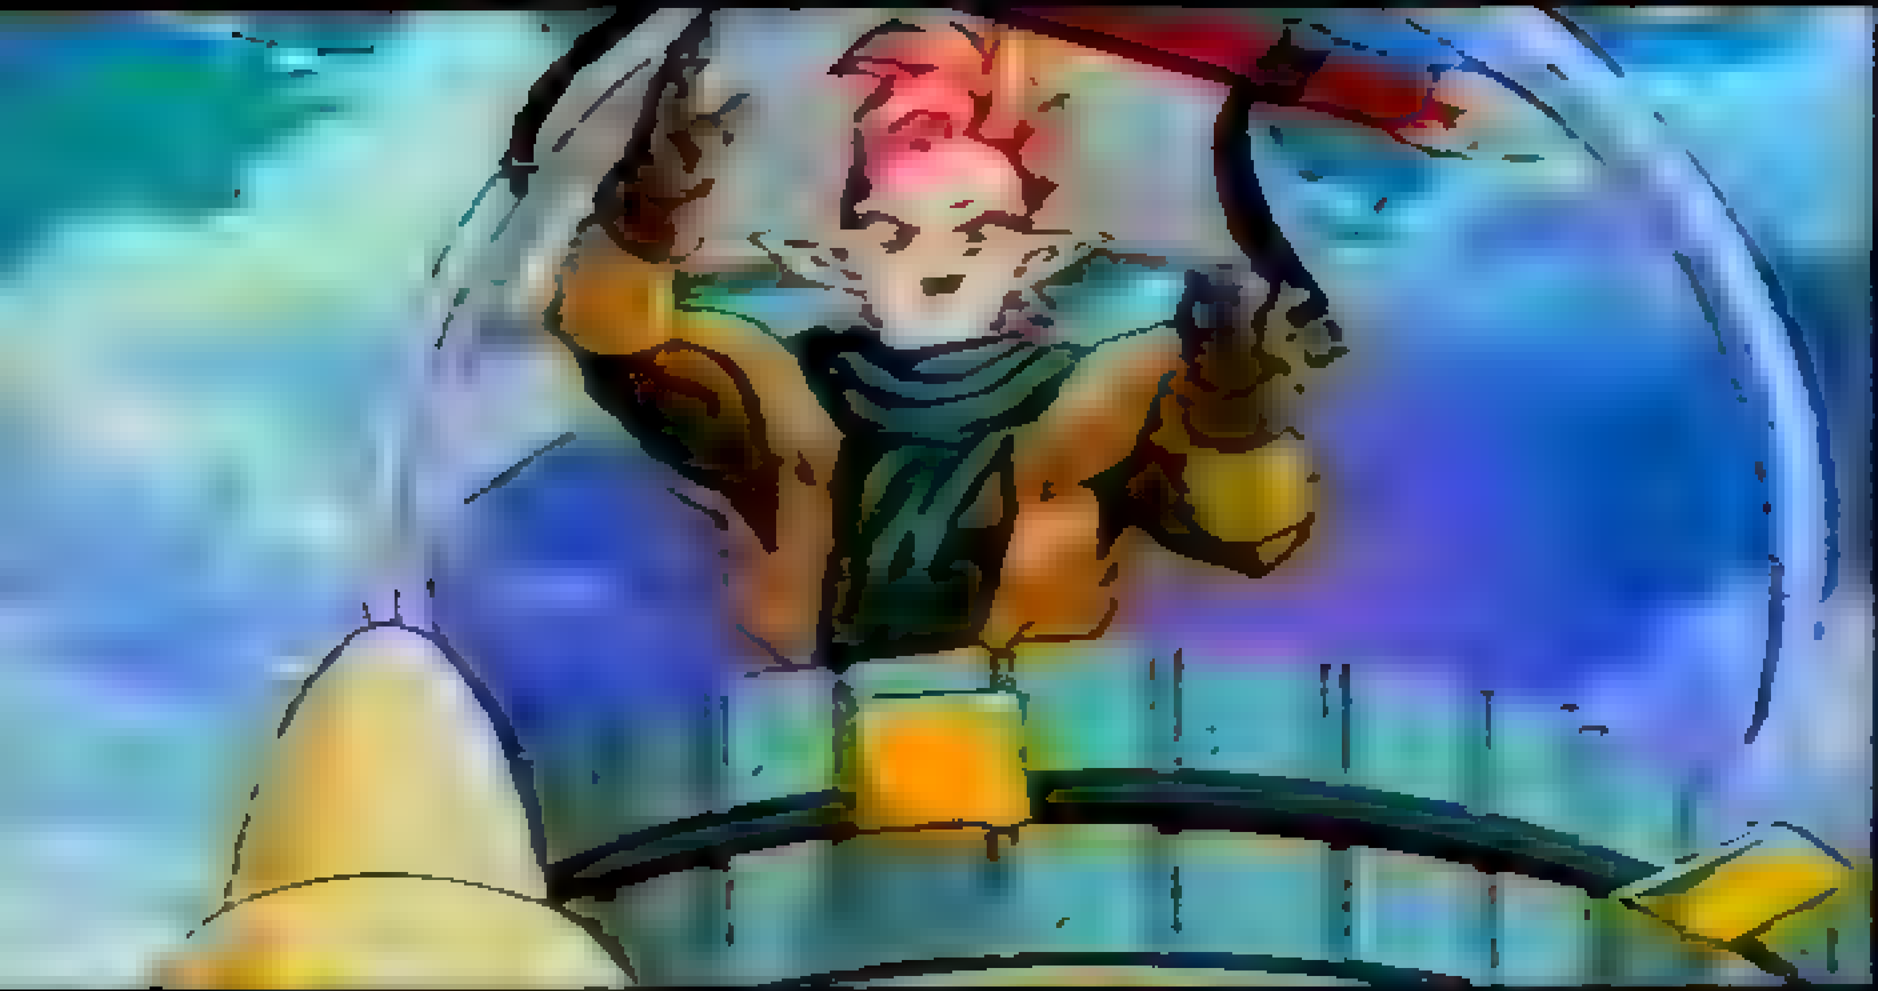

I thought I had gotten a brother

You can always meet him
again with the Time Machine.

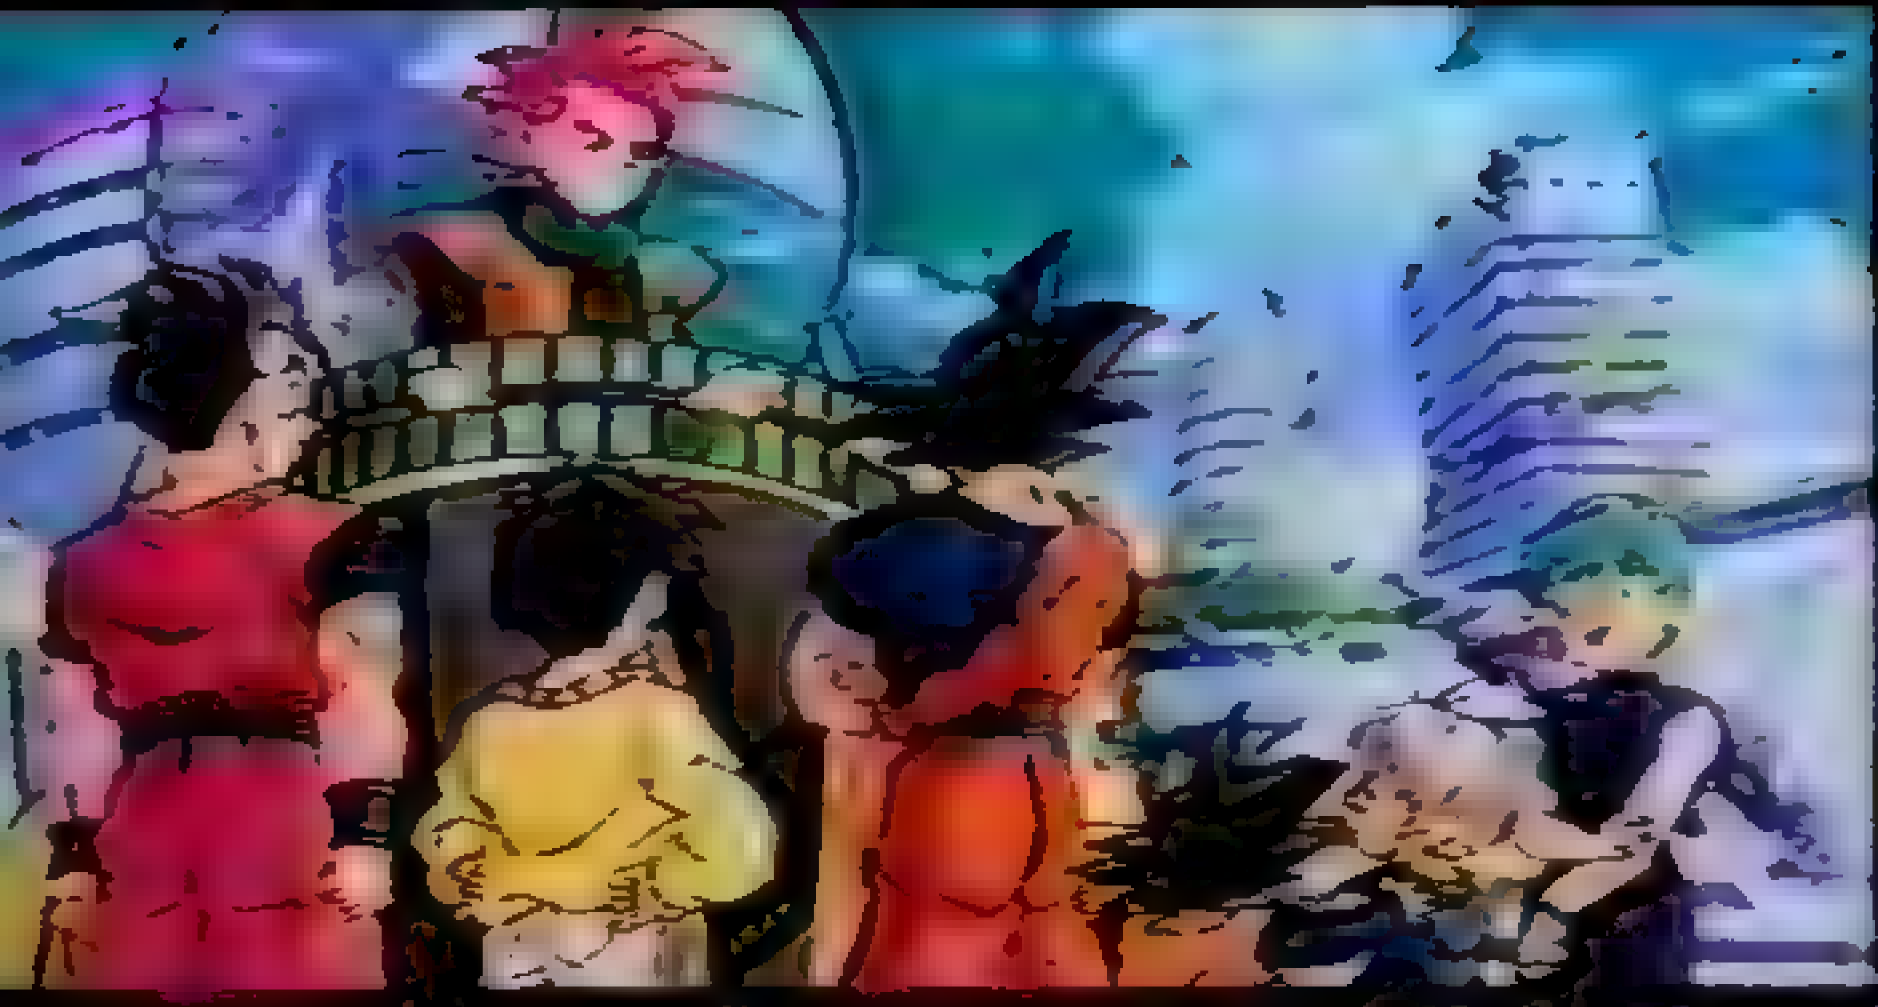

Yeah, that's right.

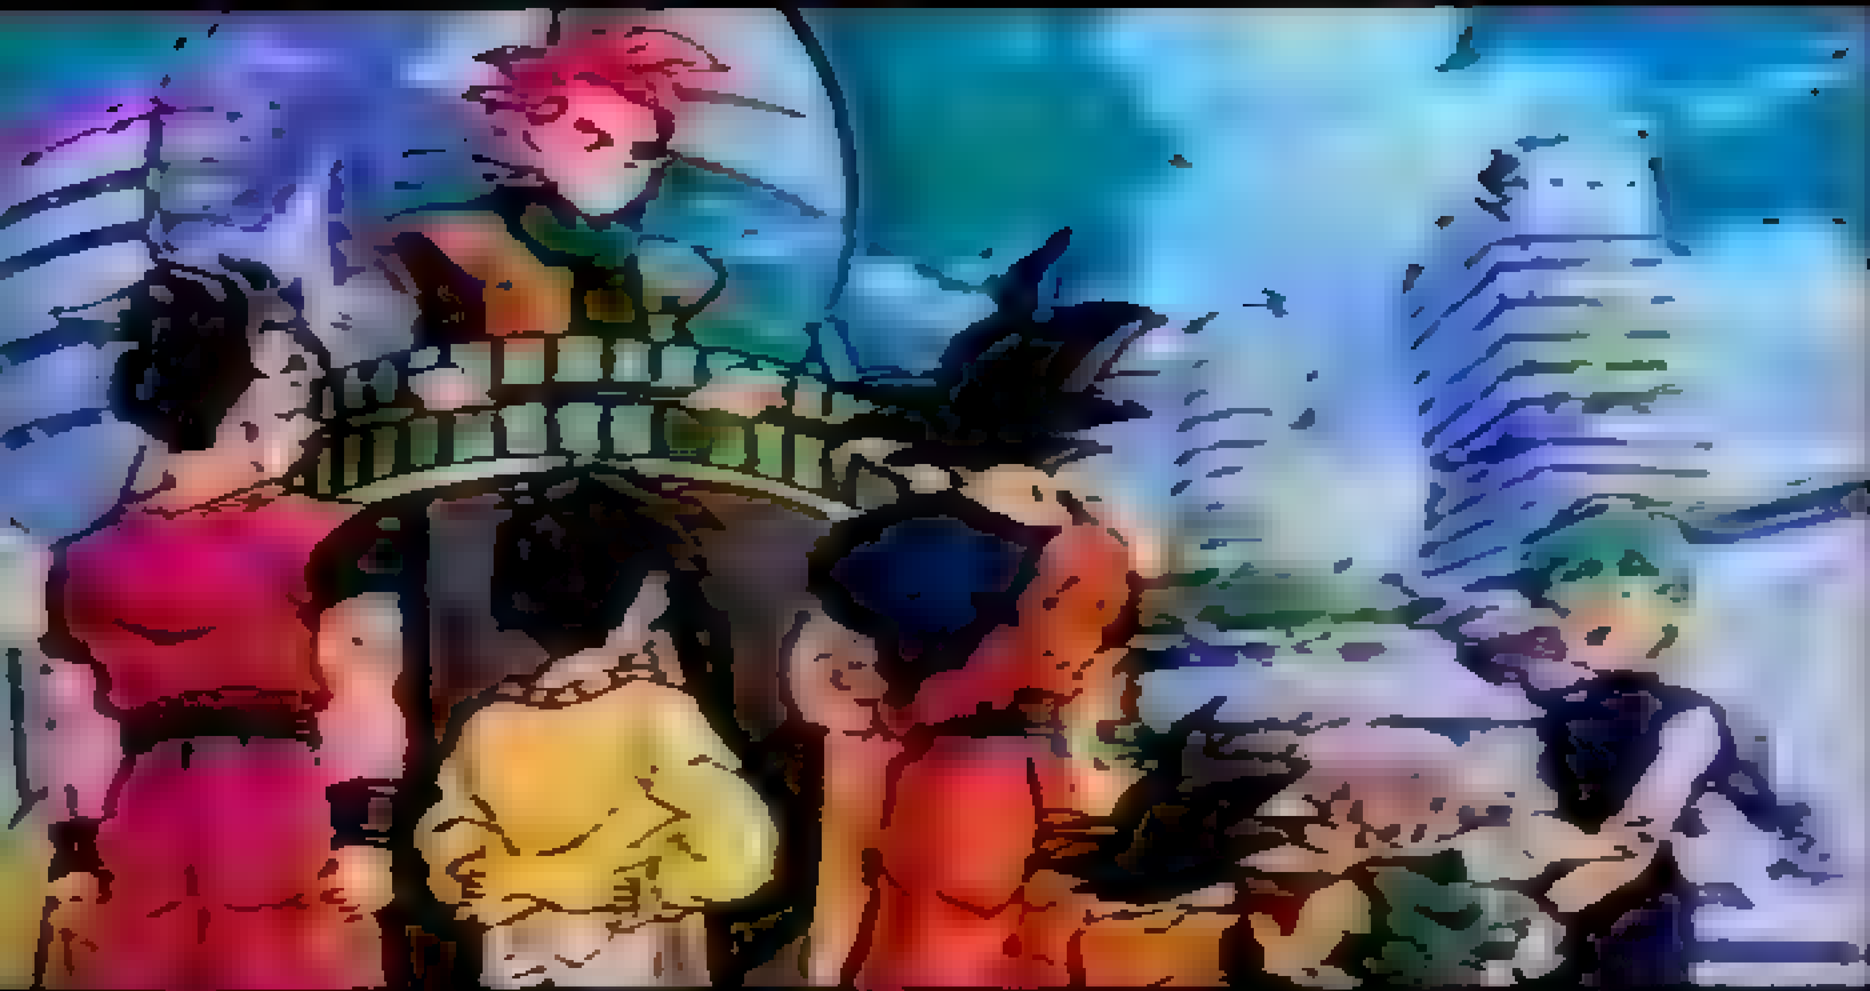

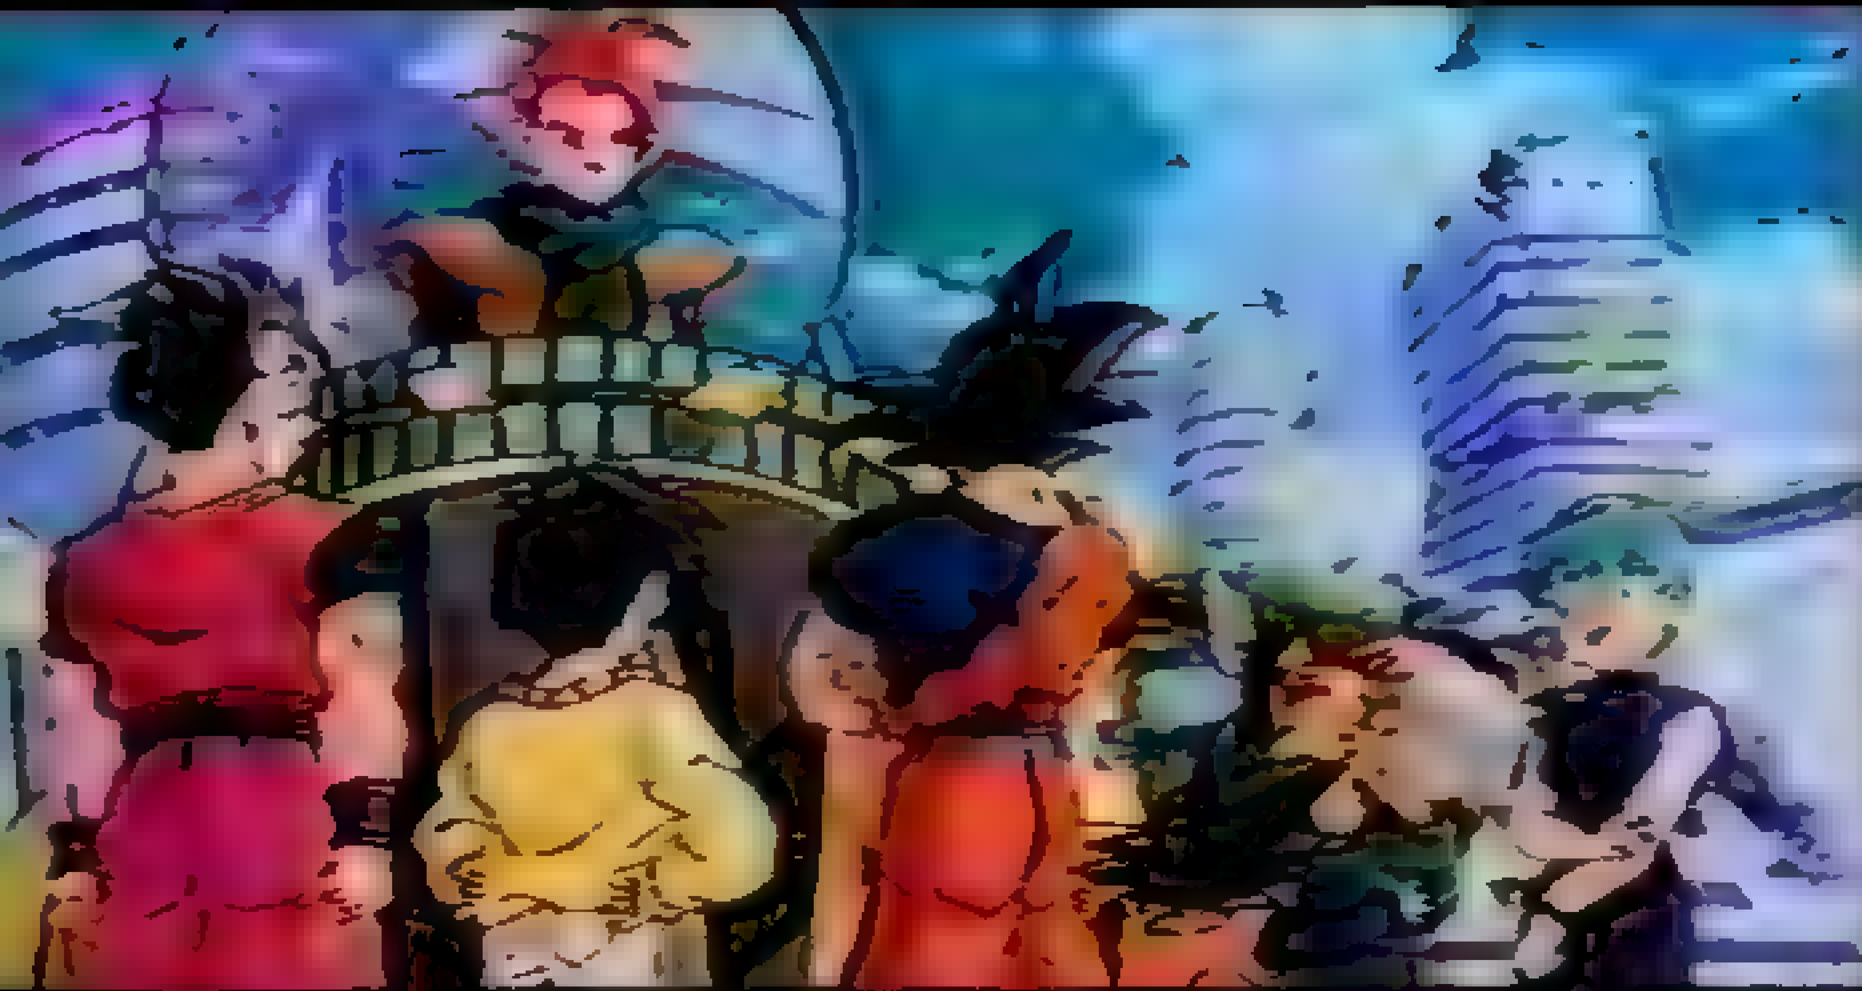

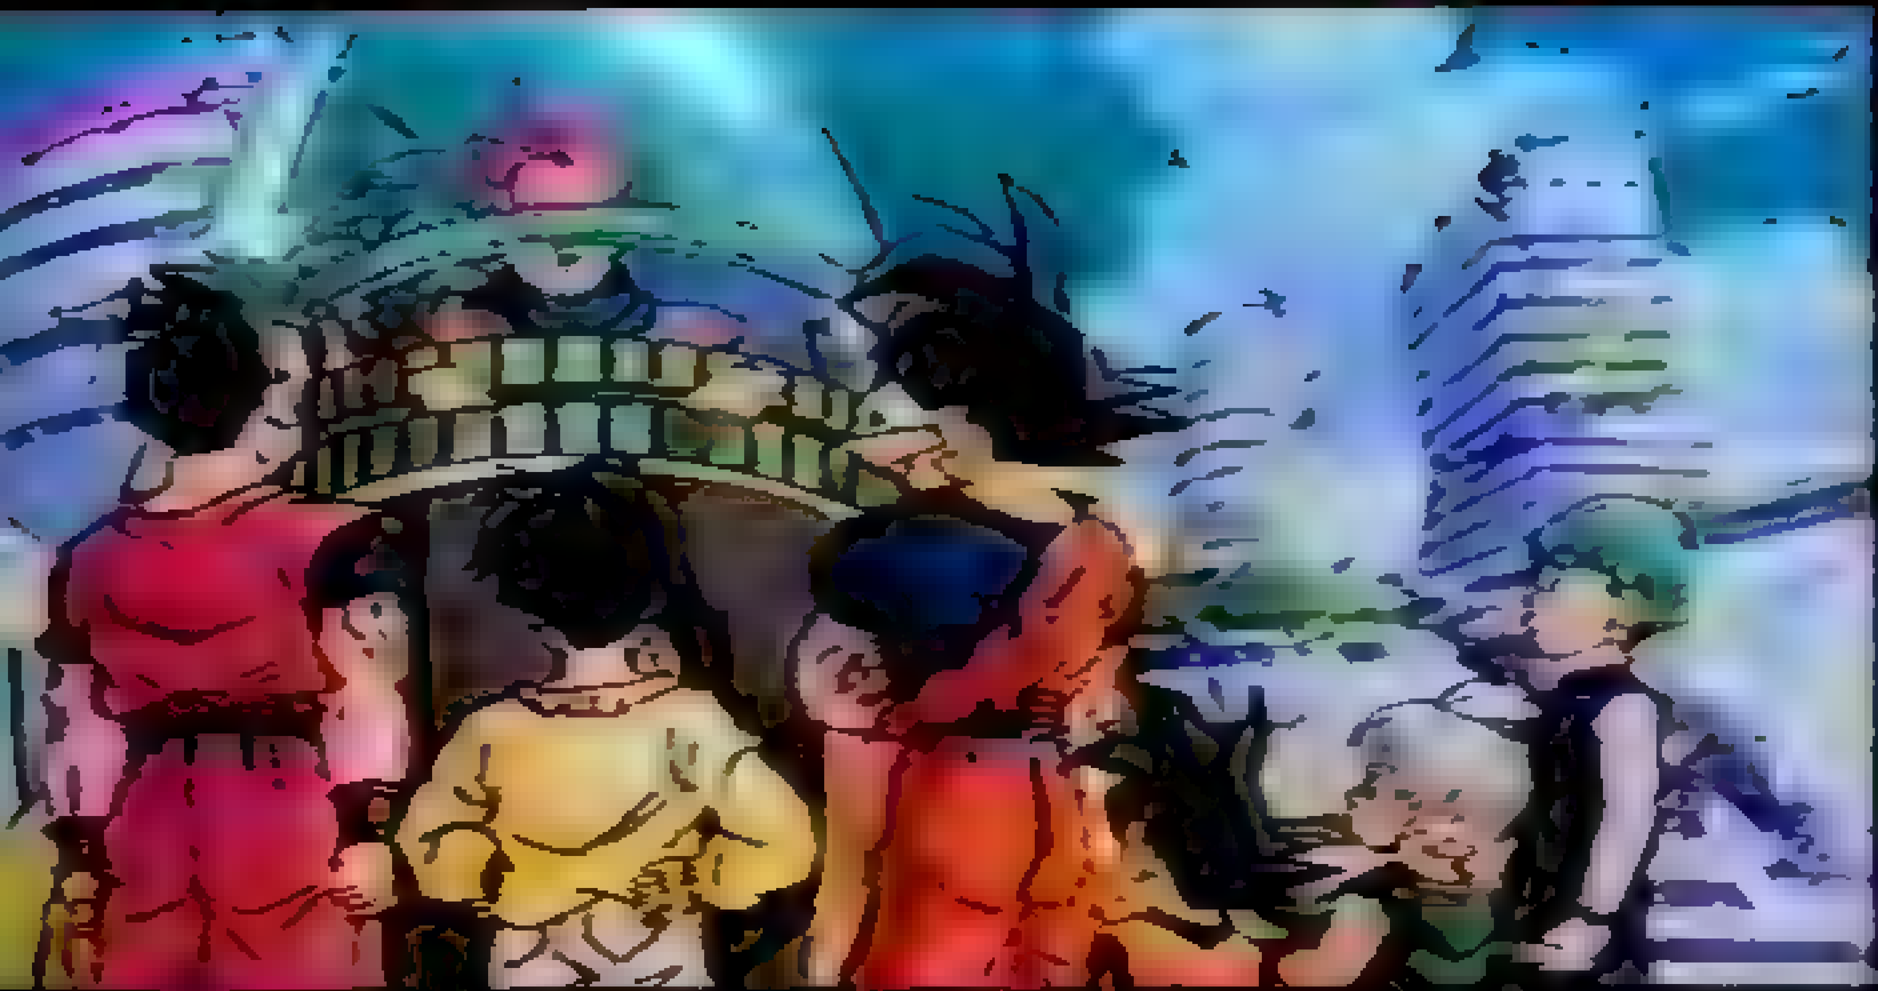

I don't need it anymore.

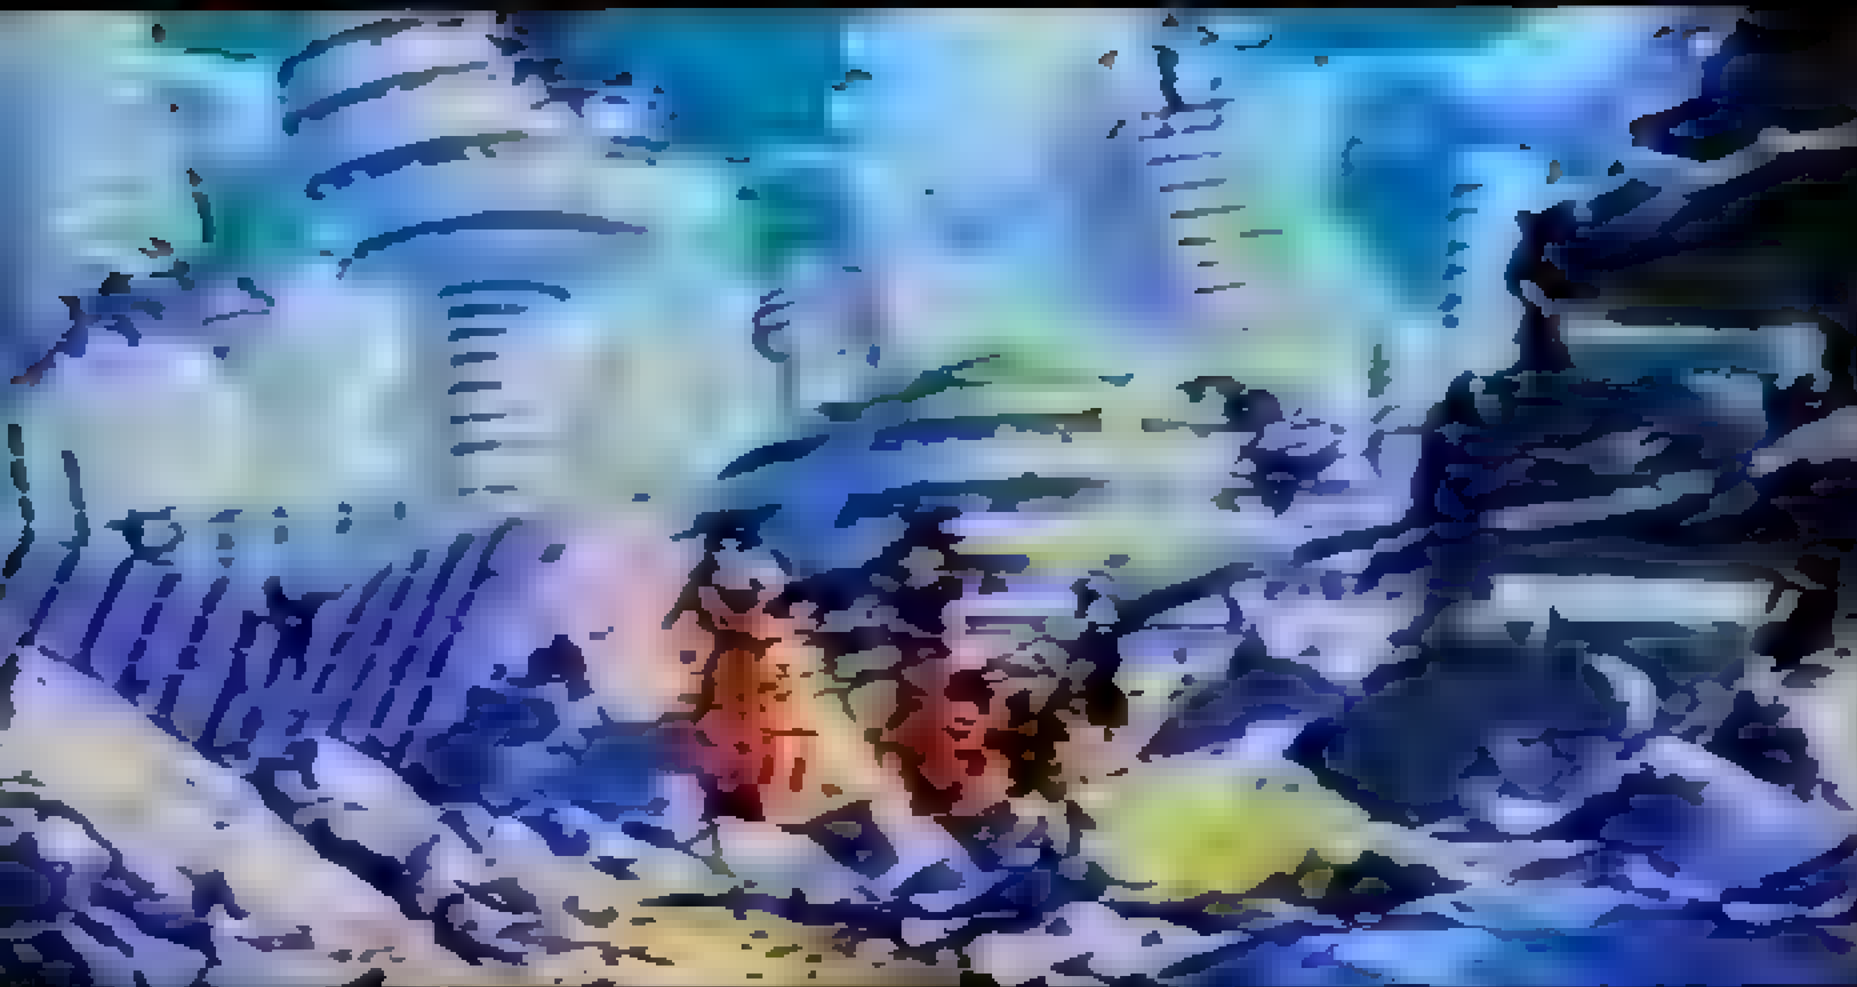

I don't need it anymore.
